

In the opinion of Vinson & Elkins L.L.P. ("Bond Counsel"), assuming compliance with certain covenants and based on certain representations, interest on the Bonds prior to the first change of interest rate modes for which a Favorable Opinion of Bond Counsel is required under the Indenture is excludable from gross income for federal income tax purposes under existing law (except with respect to interest on any Bond during any period while it is held by a "substantial user" of the Development or a "related person" within the meaning of Section 147(a) of the Internal Revenue Code of 1986, as amended). Interest on the Bonds, however, is an item of tax preference includable in alternative minimum taxable income for purposes of determining the alternative minimum tax imposed on individuals and corporations. See "TAX MATTERS" for a discussion of Bond Counsel's opinion.

**TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS
VARIABLE RATE DEMAND MULTIFAMILY HOUSING REVENUE BONDS
(HARRIS BRANCH APARTMENTS)
SERIES 2006**

CUSIP No: 88275B MZ 8

Dated: Date of Issuance

Price: 100%

Due: March 15, 2039

The Texas Department of Housing and Community Affairs (the "Issuer") is issuing its Variable Rate Demand Multifamily Housing Revenue Bonds (Harris Branch Apartments) Series 2006 (the "Bonds") pursuant to a Trust Indenture, dated as of March 1, 2006 (the "Indenture"), by and between the Issuer and Wells Fargo Bank, National Association, as trustee (the "Trustee") to provide funding for a loan (the "Loan") to be made by the Issuer to Loyola Properties, LP, a Texas limited partnership (the "Borrower"). The proceeds of the Loan will be used to finance the acquisition, construction and equipping of a 248-unit multifamily housing development (the "Development" or the "Mortgaged Property") to be located within Austin, Travis County, Texas. The Loan will be made pursuant to a Financing Agreement, dated as of March 1, 2006, by and among the Issuer, the Borrower and the Trustee.

The Bonds will initially be issued as weekly variable rate demand bonds and will bear interest from the Closing Date, at the variable rate of interest per annum to be determined on a weekly basis as described herein. During the Weekly Variable Rate Period, interest on the Bonds will be payable on the fifteenth day of each month, commencing March 15, 2006. Subject to satisfaction of certain conditions in the Indenture, the Bonds may be adjusted to one of the other interest rate modes permitted by the Indenture (other permitted modes being the Reset Rate and the Fixed Rate). If the Bonds are to be adjusted to one of the other modes, the Bonds will be subject to mandatory tender for purchase on the proposed Adjustment Date (without regard to whether each of the conditions to the adjustment is satisfied and, therefore, without regard to whether the adjustment actually occurs) and the Bondholders will not have the right to retain their Bonds. See "THE BONDS — Mandatory Tender."

THIS OFFICIAL STATEMENT DESCRIBES THE BONDS ONLY DURING THE INITIAL WEEKLY VARIABLE RATE PERIOD FOR THE BONDS, WHICH IS THE PERIOD BEGINNING ON THE CLOSING DATE AND ENDING ON THE DATE, IF ANY, ON WHICH THE INTEREST RATE ON ALL OF THE BONDS IS ADJUSTED TO A RESET RATE OR TO THE FIXED RATE. IT IS NOT INTENDED TO DESCRIBE THE BONDS SUBSEQUENT TO THEIR ADJUSTMENT TO A RESET RATE OR THE FIXED RATE.

Payment of the principal of and interest on the Bonds will be secured, to the extent set forth in the Indenture, by the Loan and by certain other resources and assets constituting the Trust Estate under the Indenture, all as described herein. In addition, credit enhancement and liquidity support for the Bonds will be provided by Wachovia Bank, National Association (the "Bank") pursuant to an irrevocable direct pay letter of credit (the "Letter of Credit"). The Letter of Credit will initially expire on September 16, 2008 (the "Letter of Credit Expiration Date"), subject to one six-month extension option, but is subject to earlier termination as described herein. See APPENDIX H: "FORM OF THE LETTER OF CREDIT."

Wachovia Bank, National Association

If the Conditions to Conversion of the Loan from the Construction Phase to the Permanent Phase (as each such term is defined herein) set forth in the Construction Phase Financing Agreement, dated as of March 1, 2006 (the "Construction Phase Financing Agreement"), by and among Fannie Mae, the Bank and Column Guaranteed, LLC (the "Loan Servicer") and acknowledged, accepted and agreed to by the Borrower are satisfied (or waived by Fannie Mae, where waiver is permitted) on or before September 15, 2008 and subject to extension pursuant to the Construction Phase Financing Agreement (the "Termination Date") such that the Loan Servicer issues the Conversion Notice on or before the Termination Date, the Loan will convert from the Construction Phase to the Permanent Phase ("Conversion") on a date (the "Conversion Date") specified by the Loan Servicer. If Conversion does occur, the Letter of Credit will be replaced on the Conversion Date by a Direct Pay Irrevocable Transferable Credit Enhancement Instrument issued by Fannie Mae (the "Fannie Mae Credit Facility") pursuant to and subject to the limitations of which Fannie Mae will provide credit enhancement and liquidity support for the Bonds. See APPENDIX I: "PROPOSED FORM OF THE FANNIE MAE CREDIT FACILITY." If any Condition to Conversion is not satisfied (and such condition is not waived by Fannie Mae, where waiver is permitted) on or before the Termination Date, Fannie Mae will not have any obligation to deliver the Fannie Mae Credit Facility and will not have any obligations with respect to the Bonds or the Loan. There can be no assurance that Conversion will occur. If Conversion does not occur, the Bank has not extended the term of the Letter of Credit, and an Alternate Credit Facility is not delivered to the Trustee, the Bonds will be subject to mandatory tender in whole on the date which is five Business Days prior to the expiration date of the Letter of Credit. See "THE BONDS — Mandatory Tender." In addition, if the principal amount of the Loan is prepaid in part by the Borrower prior to and as a condition to Conversion to reduce the principal amount of the Loan to an amount less than \$15,000,000 in order to satisfy Fannie Mae's underwriting requirements for the Loan, the Bonds will be subject to corresponding mandatory redemption, in part, in an amount equal to such prepayment. If such prepayment in part is not made, Conversion will not occur and Fannie Mae will not have any obligation to deliver the Fannie Mae Credit Facility and will not have any obligations with respect to the Bonds. See "THE BONDS — Redemption Provisions — Mandatory Redemption — Pre-Conversion Loan Equalization," "SECURITY AND ESTIMATED SOURCES OF PAYMENT FOR THE BONDS — Letter of Credit," "SECURITY AND ESTIMATED SOURCES OF PAYMENT FOR THE BONDS — Fannie Mae Credit Facility" and "CERTAIN BONDHOLDERS' RISKS."

THE INDENTURE REQUIRES THAT THE TRUSTEE PROVIDE WRITTEN NOTICE OF CONVERSION TO THE BONDHOLDERS NOT LESS THAN 15 BUSINESS DAYS PRIOR TO THE CONVERSION DATE, BUT CONVERSION DOES NOT REQUIRE THE CONSENT OF THE BONDHOLDERS AND WILL NOT TRIGGER A MANDATORY TENDER OF THE BONDS ON THE CONVERSION DATE. IN LIGHT OF THE FOREGOING, PROSPECTIVE BONDHOLDERS SHOULD ANALYZE THE CREDIT AND LIQUIDITY QUALIFICATIONS OF BOTH THE BANK AND FANNIE MAE IN MAKING ANY INVESTMENT DECISION REGARDING THE BONDS. IF CONVERSION DOES NOT OCCUR, FANNIE MAE WILL NOT HAVE ANY OBLIGATION TO PROVIDE THE FANNIE MAE CREDIT FACILITY FOR THE BONDS, AND WILL NOT OTHERWISE HAVE ANY OBLIGATION WITH RESPECT TO THE BONDS OR THE LOAN.

The Bonds are issuable only as fully registered bonds, without coupons, in the denomination of \$100,000 or any integral multiple of \$5,000 in excess of \$100,000. The Bonds will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). Purchases of beneficial interests in the Bonds will be made in book-entry only form. DTC will act as securities depository for the Bonds. So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, references herein to the registered owners of the Bonds will mean Cede & Co. and will not mean the beneficial owners of the Bonds. Purchasers of beneficial interests in the Bonds will not receive physical delivery of Bonds. Payments of principal of, premium, if any, and interest on the Bonds and the payment of the purchase price of tendered Bonds will be made directly to DTC or its nominee, Cede & Co., by the Trustee, so long as DTC is the registered owner of the Bonds. DTC will remit such payments to the applicable DTC Participants. The disbursements of such payments will be made by DTC Participants to the beneficial owners of the Bonds. See "THE BONDS — Book-Entry Only System."

So long as the Bonds bear interest at a Weekly Variable Rate, the registered owners of the Bonds will have the right to tender their Bonds for purchase to Wells Fargo Bank, National Association, as Tender Agent, at its designated office, on any Business Day upon written notice, which notice must be at least seven days in advance of the requested tender date so long as the Bonds bear interest at a Weekly Variable Rate. The Bonds are subject to mandatory tender and purchase on each Adjustment Date, upon replacement of the Credit Facility (as defined herein) with an Alternate Credit Facility (as defined herein) and under certain other circumstances, as provided in the Indenture. See "THE BONDS — Mandatory Tender." The Bonds are subject to optional and mandatory redemption, including redemption at par, prior to maturity. See "THE BONDS — Redemption Provisions."

THE BONDS ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE REVENUES, INCOME AND RECEIPTS OF THE ISSUER PLEDGED TO THE PAYMENT THEREOF AND ARE SECURED BY THE TRUST ESTATE. NEITHER THE FAITH AND CREDIT NOR TAXING POWER OF THE STATE OF TEXAS OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE BONDS. THE STATE OF TEXAS IS NOT LIABLE ON THE BONDS AND THE BONDS ARE NOT A DEBT OF THE STATE OF TEXAS. THE ISSUER HAS NO TAXING POWER.

FANNIE MAE'S OBLIGATIONS WITH RESPECT TO THE BONDS WILL ARISE ON THE CONVERSION DATE AND, THEREFORE, ONLY IF CONVERSION OCCURS. THE OBLIGATION OF FANNIE MAE ARISING ON THE CONVERSION DATE WILL BE SOLELY AS PROVIDED IN THE FANNIE MAE CREDIT FACILITY. THE OBLIGATIONS OF FANNIE MAE UNDER THE FANNIE MAE CREDIT FACILITY WILL BE OBLIGATIONS SOLELY OF FANNIE MAE, A FEDERALLY CHARTERED STOCKHOLDER-OWNED CORPORATION. FANNIE MAE'S OBLIGATIONS WILL NOT BE BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, OR ANY AGENCY OF THE UNITED STATES OF AMERICA OR OF FANNIE MAE. THE BONDS ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA.

INTRODUCTION

The following introductory statement is subject in all respects to more complete information contained elsewhere in this Official Statement. The order and placement of materials in this Official Statement, which includes the cover page and Appendices hereto, are not to be deemed to be a determination of relevance, materiality or relative importance, and this Official Statement, including the cover page and Appendices hereto, must be considered in its entirety. All capitalized terms used in this Official Statement that are not otherwise defined herein will have the meanings ascribed to them in the Indenture, the Financing Agreement, the Regulatory Agreement, the Bank Reimbursement Agreement, the Fannie Mae Reimbursement Agreement and the Letter of Credit (as each such term is hereinafter defined). Certain capitalized terms used in this Official Statement are defined in APPENDIX A: "SUMMARY OF CERTAIN DEFINITIONS."

This Official Statement and the Appendices hereto set forth certain information relating to the Texas Department of Housing and Community Affairs Variable Rate Demand Multifamily Housing Revenue Bonds (Harris Branch Apartments) Series 2006 (the "Bonds"). The Bonds are being issued by the Texas Department of Housing and Community Affairs (the "Issuer") pursuant to Chapter 2306, Texas Government Code, as amended (the "Act"), pursuant to a resolution of the Issuer adopted on January 18, 2006 and under a Trust Indenture, dated as of March 1, 2006 (the "Indenture"), between the Issuer and Wells Fargo Bank, National Association, as trustee (the "Trustee").

The Bonds are being issued to provide funding for a mortgage loan (the "Loan") to be made by the Issuer to Loyola Properties, LP, a Texas limited partnership (the "Borrower"), for the purpose of financing a portion of the costs of the acquisition, construction and equipping of a multifamily rental housing development to be known as Harris Branch Apartments (the "Development" or the "Mortgaged Property") located in Austin, Travis County, Texas (the "County"). The Development is to be occupied in part by persons and families of low and very low income, to the extent required by federal tax law and otherwise as determined by the Issuer and in accordance with participation in the Low Income Housing Tax Credit Program (the "LIHTC Program") under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). See "THE DEVELOPMENT AND THE PRIVATE PARTICIPANTS." The Loan will be made pursuant to a Financing Agreement, dated as of March 1, 2006 (the "Financing Agreement"), among the Issuer, the Borrower and the Trustee.

Pursuant to the Indenture, the Issuer has assigned the Financing Agreement (including all of the rights of the Issuer thereunder except for the Issuer's Reserved Rights), together with other property comprising the Trust Estate, to the Trustee for the benefit of the registered owners of the Bonds and Wachovia Bank, National Association. (the "Bank").

The Loan will be evidenced by a Multifamily Note (the "Note") executed by the Borrower in favor of the Issuer. The Note will be a nonrecourse obligation of the Borrower subject to certain exceptions. The Note will be secured by a first lien priority Multifamily Deed of Trust, Assignment of

Rents, Security Agreement and Fixture Filing from the Borrower to the Issuer and the Bank encumbering the Development (the "Security Instrument"). The Security Instrument will be amended and restated on the Conversion Date and will thereafter run to the benefit of the Issuer and Fannie Mae. The Loan, including the Note and the Security Instrument will be assigned, pursuant to the Indenture, to the Trustee as part of the Trust Estate. In addition, the Issuer, the Trustee and the Bank will enter into an Assignment and Intercreditor Agreement (the "Assignment") to be acknowledged, accepted and agreed to by the Borrower, providing for the assignment of, and control over and exercise of certain rights and interests of the Issuer relating (among other things) to, the Loan, the Note and the Security Instrument (collectively, the "Assigned Rights") to the Trustee and the Bank, and their respective successors and assigns, as their interests may appear. Pursuant to the Assignment, the Bank has the exclusive right to exercise all rights and remedies (other than Reserved Rights) under the Note, the Security Instrument, the Financing Agreement and all of the other Loan Documents (collectively, the "Assigned Documents"). The Bank also has the right at any time, upon filing with the Trustee a certification reaffirming the Bank's obligations under the Credit Facility, to direct the Trustee to assign all of its right, title and interest in and to the Assigned Documents to the Bank.

The Bank has agreed, pursuant to the terms and subject to the conditions of the Letter of Credit Reimbursement Agreement, dated as of March 1, 2006, between the Bank and the Borrower (the "Bank Reimbursement Agreement") to facilitate the financing of the Development by providing credit enhancement and liquidity support for the Bonds pursuant to, and subject to the limitations of, an Irrevocable Letter of Credit (the "Letter of Credit"). See APPENDIX H: "FORM OF THE LETTER OF CREDIT." The Letter of Credit will be in the face amount of \$15,167,671.00 of which (i) \$15,000,000 will be available to the Trustee to pay the principal of the Bonds at maturity or upon redemption or acceleration or to pay the portion of the purchase price of Tendered Bonds representing the principal amount of the Tendered Bonds, and (ii) \$167,671.00 (representing 34 days of interest on the maximum aggregate principal amount of Outstanding Bonds that may be issued under the Indenture calculated at the rate of 12% per annum and computed on the basis of a 365 day year) will be available to pay interest on the Bonds or to pay the portion of the purchase price of Tendered Bonds representing accrued interest on the Tendered Bonds. The Maximum Available Credit is subject to reduction and reinstatement in accordance with the terms of the Letter of Credit. The Letter of Credit initially expires on September 16, 2008 (the "Letter of Credit Expiration Date"), subject to one six-month extension option, but is subject to earlier termination in certain events. See APPENDIX E: "SUMMARY OF CERTAIN PROVISIONS OF THE BANK REIMBURSEMENT AGREEMENT."

Fannie Mae has agreed, pursuant to the terms of the Fannie Mae Commitment to the Loan Servicer (the "Fannie Mae Commitment"), but only upon (i) satisfaction of the conditions contained in the Fannie Mae Commitment and (ii) satisfaction of the Conditions to Conversion contained in the Construction Phase Financing Agreement (the "Construction Phase Financing Agreement"), dated as of March 1, 2006, among Fannie Mae, the Loan Servicer, and the Bank, and acknowledged, accepted and agreed to by the Borrower, on or before September 15, 2008 (and subject to extension pursuant to the Construction Phase Financing Agreement) (the "Termination Date"), to facilitate the financing of the Development in the Permanent Phase (as defined in the Construction Phase Financing Agreement) by providing credit enhancement and liquidity support for the Bonds effective on the Conversion Date, if it occurs, pursuant to, and subject to the limitations of, a Direct Pay Irrevocable Transferable Credit Enhancement Instrument (the "Fannie Mae Credit Facility"). See APPENDIX I: "PROPOSED FORM OF THE FANNIE MAE CREDIT FACILITY." For purposes of the Fannie Mae Commitment and the Construction Phase Financing Agreement, the Permanent Phase begins on the Conversion Date. Accordingly, if conversion of the Loan from the Construction Phase to the Permanent Phase occurs ("Conversion"), the Fannie Mae Credit Facility will be effective, and will replace the Letter of Credit, on the Conversion Date.

In order to provide for the orderly substitution of the Fannie Mae Credit Facility for the Letter of Credit as the credit enhancement and liquidity facility for the Bonds in the Permanent Phase if Conversion occurs, the Issuer, the Trustee and the Bank have agreed, the provisions of the Indenture contemplate, and the Bondholders by their acceptance of the Bonds under the terms of the Indenture will have agreed, that if the Loan Servicer issues written notice (the "Conversion Notice") on or before the Termination Date, the Fannie Mae Credit Facility will, on the Conversion Date, replace the Letter of Credit as the credit enhancement and liquidity facility for the Bonds.

In order to ensure continuous credit enhancement and liquidity support for the Bonds, the Conversion Date, if it occurs, must, under the terms of the Construction Phase Financing Agreement, occur on or before the Letter of Credit Expiration Date.

If the Conditions to Conversion (as described below) set forth in the Construction Phase Financing Agreement are satisfied on or before the Termination Date (or, to the extent not satisfied, are waived by Fannie Mae, where waiver is permitted) the Loan Servicer is, on or before the Termination Date, to issue the Conversion Notice. If the Loan Servicer issues the Conversion Notice on or before the Termination Date, the Loan will convert from the Construction Phase to the Permanent Phase on the Conversion Date (which will be the 15th day of the calendar month, or, if such day is not a Business Day, the next succeeding Business Day) specified by the Loan Servicer and the Bank will, on the Conversion Date, assign to Fannie Mae all of the Assigned Rights assigned by the Issuer to the Bank pursuant to the Assignment. If, however, any Condition to Conversion is not satisfied on or before the Termination Date (or, to the extent not satisfied, such condition is not waived by Fannie Mae, where waiver is permitted) with the result that the Loan Servicer fails to issue the Conversion Notice on or before the Termination Date, Conversion will not occur.

The Conditions to Conversion include, but are not limited to, completion of construction of the Development and the achievement of a specified level of occupancy from the leasing of units in the Development. No assurance can be given that all of the Conditions to Conversion will be satisfied or that other events or circumstances may or may not occur as a result of which Conversion will not occur. See "CERTAIN BONDHOLDERS' RISKS — Failure to Satisfy Conditions to Conversion." In addition, even if Conversion occurs, no assurance can be given that the principal amount of the Loan, as finally determined in accordance with the Construction Phase Financing Agreement, will not be less than the original principal amount of the Loan. If the principal amount of the Loan, as finally determined in accordance with the Construction Phase Financing Agreement, is less than the original principal amount of the Loan, the principal amount of the Loan must, as a Condition to Conversion, be reduced by the Borrower's prepayment of the Loan in part (a "Pre-Conversion Loan Equalization Payment"). Upon such Pre-Conversion Loan Equalization Payment, a corresponding portion of the Bonds will be subject to mandatory redemption. Any such mandatory redemption will be at a redemption price equal to the principal amount of the Bonds to be redeemed plus accrued interest to the Redemption Date. No such redemption will be made at a premium. If such Pre-Conversion Loan Equalization Payment is required but not made, Conversion will not occur. If Conversion does not occur, Fannie Mae will not have any obligation to deliver the Fannie Mae Credit Facility and will not have any obligation with respect to the Bonds or the Loan. See "THE BONDS — Redemption Provisions — Mandatory Redemption — Pre-Conversion Loan Equalization" and "CERTAIN BONDHOLDERS' RISKS — Reduction in Authorized Loan Amount."

If Conversion does not occur, the Bank has not extended the term of the Letter of Credit, and an Alternate Credit Facility is not delivered to the Trustee, the Bonds will be subject to mandatory tender in whole on the date which is five Business Days prior to the expiration date of the Letter of Credit. See "THE BONDS — Mandatory Tender."

IF CONVERSION DOES NOT OCCUR, FANNIE MAE WILL NOT HAVE ANY OBLIGATION TO PROVIDE THE FANNIE MAE CREDIT FACILITY FOR THE BONDS, AND WILL NOT OTHERWISE HAVE ANY OBLIGATION WITH RESPECT TO THE BONDS OR THE LOAN.

THE INDENTURE REQUIRES THAT THE TRUSTEE PROVIDE WRITTEN NOTICE OF CONVERSION TO THE BONDHOLDERS NOT LESS THAN 15 BUSINESS DAYS PRIOR TO THE CONVERSION DATE, BUT CONVERSION DOES NOT REQUIRE THE CONSENT OF THE BONDHOLDERS AND WILL NOT TRIGGER A MANDATORY TENDER OF THE BONDS ON THE CONVERSION DATE. IN LIGHT OF THE FOREGOING, PROSPECTIVE BONDHOLDERS SHOULD ANALYZE THE CREDIT AND LIQUIDITY QUALIFICATIONS OF BOTH THE BANK AND FANNIE MAE IN MAKING ANY INVESTMENT DECISION REGARDING THE BONDS.

In order to assure compliance with the applicable provisions of the Code and state law, the Borrower, the Issuer and the Trustee will enter into a Regulatory and Land Use Restriction Agreement, dated as of March 1, 2006 (the "Regulatory Agreement"), which, among other things, requires that at least 40% of the residential rental units in the Development be occupied by persons and families whose incomes satisfy certain provisions of the Code and places certain restrictions on rent levels and occupancy of the Development. See APPENDIX D: "SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT." It is also anticipated that the Development will be subject to additional affordable housing restrictions as a result of the Borrower's participation in the LIHTC Program. See "THE DEVELOPMENT AND THE PRIVATE PARTICIPANTS — Additional Restrictive Covenants."

THIS OFFICIAL STATEMENT DESCRIBES THE BONDS ONLY DURING THE INITIAL WEEKLY VARIABLE RATE PERIOD FOR THE BONDS, WHICH IS THE PERIOD BEGINNING ON THE CLOSING DATE AND ENDING ON THE DATE, IF ANY, ON WHICH THE INTEREST RATE ON ALL OF THE BONDS IS ADJUSTED TO A RESET RATE OR TO THE FIXED RATE. DURING SUCH PERIOD, PAYMENTS DUE ON THE BONDS ARE SECURED BY THE CREDIT FACILITY DESCRIBED HEREIN. THE CREDIT FACILITY ALSO SECURES THE PURCHASE PRICE OF BONDS TENDERED PURSUANT TO THE INDENTURE.

FANNIE MAE'S OBLIGATIONS WITH RESPECT TO THE BONDS WILL ARISE ON THE CONVERSION DATE AND, THEREFORE, ONLY IF CONVERSION OCCURS. THE OBLIGATIONS OF FANNIE MAE ARISING ON THE CONVERSION DATE WILL BE SOLELY AS PROVIDED IN THE FANNIE MAE CREDIT FACILITY. THE OBLIGATIONS OF FANNIE MAE UNDER THE FANNIE MAE CREDIT FACILITY WILL BE OBLIGATIONS SOLELY OF FANNIE MAE, A FEDERALLY CHARTERED STOCKHOLDER-OWNED CORPORATION. FANNIE MAE'S OBLIGATIONS WILL NOT BE BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. THE BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA, OR ANY AGENCY OF THE UNITED STATES OF AMERICA, OR OF FANNIE MAE. THE BONDS ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA.

Summaries of the Indenture, the Financing Agreement, the Regulatory Agreement, the Bank Reimbursement Agreement, the Fannie Mae Reimbursement Agreement and the form of the Letter of Credit and the proposed form of the Fannie Mae Credit Facility are attached as Appendices to this Official Statement. All references herein to the Indenture, the Financing Agreement, the Regulatory Agreement, the Credit Facility, the Fannie Mae Reimbursement Agreement, the Bank Reimbursement Agreement and all other documents and agreements are qualified in their entirety by reference to such documents and

agreements, and all references to the Bonds are qualified by reference to the form thereof included in the Indenture, copies of which are available for inspection at the corporate trust office of the Trustee.

THE ISSUER

General

The Issuer, a public and official governmental agency of the State and a body corporate and politic, was created pursuant to the Act, effective September 1, 1991. The Issuer is the successor agency to the Texas Housing Agency (the "Agency") and the Texas Department of Community Affairs (the "TDCA"), both of which were abolished by the Act and their functions and obligations transferred to the Issuer. One of the purposes of the Issuer is to provide assistance to individuals and families of low and very low income and families of moderate income and persons with special needs to obtain decent, safe and sanitary housing. Pursuant to the Act, the Issuer may issue bonds, notes or other obligations to finance or refinance residential housing and to refund bonds previously issued by the Agency, the Issuer or certain other quasi-governmental issuers. The Act specifically provides that the revenue bonds of the Agency become revenue bonds of the Issuer.

The Issuer is subject to the Texas Sunset Act (Chapter 325, Texas Government Code, as amended, hereinafter referred to as the "Sunset Act,") and its continued existence is subject to a review process that resulted in passage of legislation in the 2003 Texas legislative session which continues the Issuer in existence until September 1, 2011, at which time it will again be subject to review. The Sunset Act, however, recognizes the continuing obligation of the State to provide for the payment of bonded indebtedness incurred by a State agency abolished under the provisions thereof and provides that the Governor of the State shall designate an appropriate State agency to continue to carry out all covenants with respect to any bonds outstanding, including the payment of any bonds from the sources provided in the proceedings authorizing such bonds.

In the Act, the State also pledges and agrees with the holders of any bonds issued under the Act (such as the Bonds) that the State will not limit or alter the rights vested in the Issuer to fulfill the terms of any agreements made with the holders thereof that would in any way impair the rights and remedies of such holders until such bonds, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses incurred in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged.

Organization and Membership

Governing Board

The Issuer is governed by a governing board (the "Board") consisting of seven public members, appointed by the Governor of the State, with the advice and consent of the State Senate. Board members hold office for six-year staggered terms. Each member serves until his or her successor is appointed and qualified. Each member is eligible for reappointment. Members serve without compensation, but are entitled to reimbursement for actual expenses incurred in performing their duties of office. The Act requires the Governor to make appointments so that the places on the Board are occupied by persons who have a demonstrated interest in issues related to housing and support services and who broadly reflect the geographic, economic, cultural, and social diversity of the State, including ethnic minorities, persons with disabilities, and women.

The Governor of the State designates a member of the Board to serve as the presiding officer (the "Chair") of the Board at the pleasure of the Governor. The Chair presides at all meetings and performs such other duties as may be prescribed from time to time by the Board and by the Act. In addition, the members of the Board elect one of its members as assistant presiding officer (the "Vice Chair") to perform the duties of the Chair when the Chair is not present or is incapable of performing such duties. The Board also elects a Secretary and a Treasurer (which offices may be held by one individual and neither office holder is required to be a Board member) to perform the duties prescribed by the Board.

The current members of the Board, their occupations and their terms of office are as follows:

ELIZABETH ANDERSON, Chair and Board Member. Marketing/Information Technology Consultant, Dallas, Texas. Her term expires January 31, 2007.

C. KENT CONINE, Vice Chair and Board Member. President, Conine Residential Group, Frisco, Texas. His term expires January 31, 2009.

SHADRICK BOGANY, Board Member. ERA Bogany Properties of Houston, Houston, Texas. His term expired January 31, 2005.

VIDAL GONZALEZ, Board Member. Banker, San Antonio, Texas. His term expired January 31, 2005.

NORBERTO SALINAS, Board Member. Mayor, City of Mission, Mission, Texas and President, S & F Developers and Builders. His term expired January 31, 2005.

All of the above Board members have been appointed by the Governor and confirmed by the State Senate. Any Board member whose term has expired continues to serve until his or her successor has been appointed. Texas law requires that confirmations of any such appointment be considered at the next legislative session, whether regular or special. Two positions currently remain vacant.

Administrative Personnel

The Act provides that the Issuer is to be administered by an Executive Director to be employed by the Board with the approval of the Governor. The Executive Director is responsible for administering the Issuer and its personnel. THE BONDS

General

The Bonds are dated as of the date of delivery and will mature on the Maturity Date, subject to prior redemption as provided in the Indenture. Pursuant to the Indenture, interest on the Bonds will be payable to the registered owners thereof, as of the close of business on the Record Date, in accordance with the terms set forth in the Indenture, on each Interest Payment Date. The Bonds will bear interest at the initial rate of interest as determined in connection with the initial offering of the Bonds from the Closing Date through and including March 1, 2006, and thereafter the Bonds are to bear interest at the Weekly Variable Rate until the interest rate on the Bonds is adjusted to a Reset Rate or a Fixed Rate. The interest rate on the Bonds will be determined by Banc of America Securities LLC, or its successor as remarketing agent (the "Remarketing Agent"). Except during a Reset Period or a Fixed Rate Period, the Bonds will bear interest at the Weekly Variable Rate from time to time as described below. During the Weekly Variable Rate Period, interest will accrue on the basis of a 365-or 366-day year, as applicable, for the actual number of days elapsed.

During each Weekly Variable Rate Period, the Remarketing Agent will determine the Weekly Variable Rate for each Week not later than 4:00 p.m. Eastern Time on each Rate Determination Date. The Weekly Variable Rate will be the minimum rate of interest necessary, in the professional judgment of the Remarketing Agent, taking into consideration prevailing market conditions, to enable the Remarketing Agent to remarket all of the Bonds on the applicable Rate Determination Date at par plus accrued interest on such Bonds for that Week. The Weekly Variable Rate so determined will be effective for the Week for which such rate was determined. The Remarketing Agent will provide notice of the Weekly Variable Rate before 5:00 p.m. Eastern Time on the Rate Determination Date by telephone to any Beneficial Owner, upon request, and to the Trustee, the Loan Servicer (from and after the Conversion Date) and the Bank (so long as the Letter of Credit is in effect) or any Alternate Credit Provider (at such time as an Alternate Credit Facility is in effect), and not later than the next Business Day to the other Remarketing Notice Parties by Electronic Means. The Weekly Variable Rate so determined by the Remarketing Agent will be conclusive and binding upon the Remarketing Notice Parties and the Registered Owners.

Adjustment of the Interest Rate on the Bonds

At the option of the Borrower, on or after the Conversion Date or the Transition Date, the interest rate on all Outstanding Bonds may be adjusted on any Interest Payment Date from the Weekly Variable Rate to a Reset Rate. Each such adjustment is subject to the satisfaction of the conditions precedent set forth in the Indenture, including, but not limited to (a) not less than 45 days before the proposed Reset Date the Borrower delivers written notice to the other Remarketing Notice Parties of the proposed adjustment, which notice must be accompanied by the written preliminary consent of the Credit Provider, and (b) not less than 30 days before the proposed Reset Date the Trustee gives written notice to the Bondholders stating, among other things, that all Bonds are subject to mandatory tender and purchase on the proposed Reset Date. The Indenture also requires that on or prior to the proposed Reset Date there be delivered by the Borrower (i) to the Trustee and the Loan Servicer (from and after the Conversion Date), the written consent of the Credit Provider, and (ii) to the other Remarketing Notice Parties, a Favorable Opinion of Bond Counsel.

At the option of the Borrower, with the consent of the Credit Provider, the interest rate on all Outstanding Bonds may be adjusted to the Fixed Rate, on or after the Conversion Date or the Transition Date, from the Weekly Variable Rate on any Interest Payment Date designated by the Borrower. Each adjustment is subject to satisfaction of conditions precedent set forth in the Indenture, including, but not limited to (a) written notice, not less than 45 days before the proposed Fixed Rate Adjustment Date, from the Borrower to the other Remarketing Notice Parties, which notice must designate the Fixed Rate Adjustment Date and be accompanied by the written preliminary consent of the Credit Provider, and (b) written notice, not less than 30 days before the proposed Fixed Rate Adjustment Date, from the Trustee to the Bondholders as provided in the Indenture. Among other things, the Indenture also requires that on or prior to the proposed Fixed Rate Adjustment Date there be delivered by the Borrower (i) to the Trustee, the written consent of the Credit Provider or a written waiver from the Issuer of the requirement for a Credit Facility during the Fixed Rate Period, and (ii) to the other Remarketing Notice Parties, a Favorable Opinion of Bond Counsel.

The Bonds are subject to mandatory tender and purchase on each Adjustment Date, as set forth in, and in accordance with, the Indenture. See “THE BONDS — Mandatory Tender — Mandatory Tender Dates (Other Than Upon Default); Notice” and “Mandatory Tender Upon Default; Notice” below. The Indenture states that at least 30 days prior to the Adjustment Date, the Trustee will give notice to Bondholders of the proposed Adjustment Date and that all Bonds are thereupon subject to mandatory tender and purchase.

Optional Tender

Optional Tender. Subject to the provisions of the Indenture, during any Weekly Variable Rate Period, the Trustee will purchase any Bond on behalf of and as agent for the Borrower, but solely from the sources provided in the Indenture, on the demand of the Beneficial Owner of such Bond. The purchase price of any Bond tendered for purchase will be equal to 100% of the principal amount of such Bond plus accrued interest, if any, to the date of purchase. The Beneficial Owner may demand purchase of its Bond by delivery of a Bondholder Tender Notice complying with the requirements set forth in the last sentence of this paragraph to the Tender Agent at its Designated Office on any Business Day. Any Bondholder Tender Notice received by the Tender Agent after 3:30 p.m. Eastern time on a Business Day will be treated as received at 9:00 a.m. Eastern time on the following Business Day. The date of purchase will be the date selected by the Beneficial Owner in the Bondholder Tender Notice; provided, however, that such date is a Business Day which is at least seven days after the date of the delivery of the Bondholder Tender Notice to the Tender Agent. A Bondholder Tender Notice complies with the requirements of the Indenture if it: (a) is accompanied by a guaranty of signature acceptable to the

Tender Agent; and (b) contains the CUSIP number of the Bond, the principal amount to be purchased (or portion of a Bond, provided that the retained portion is an Authorized Denomination), the name, address and tax identification number or social security number of the Beneficial Owner of the Bond demanding such payment and the purchase date.

Irrevocability of Optional Tender. By delivering a Bondholder Tender Notice, subject to provisions related to the Book-Entry System, the Beneficial Owner irrevocably agrees to deliver the Tendered Bond (with an appropriate transfer of registration form executed in blank and accompanied by a guaranty of signature satisfactory to the Tender Agent) to the Designated Office of the Tender Agent or any other address designated by the Tender Agent, at or prior to 10:00 a.m. Eastern Time, on the date of purchase specified in the Bondholder Tender Notice. Any election by a Beneficial Owner to tender a Bond or Bonds (or a portion of a Bond or Bonds) for purchase on a Business Day in accordance with the Indenture will also be binding on any transferee of the Beneficial Owner making such election.

Compliance with Optional Tender Requirements. Bonds will be required to be purchased as described above under “Optional Tender” only if the Bond so delivered to the Tender Agent conforms in all respects to the description of such Bonds in the Bondholder Tender Notice. The Tender Agent will determine in its sole discretion whether a Bondholder Tender Notice complies with the requirements of the Indenture and whether Bonds delivered conform in all respects to the description of the Bonds in the Bondholder Tender Notice. Such determination will be binding on the other Remarketing Notice Parties and the Beneficial Owner of the Bonds.

Untendered Bonds. If after delivery of a Bondholder Tender Notice to the Tender Agent the holder making such election fails to deliver any of the Bonds described in the Bondholder Tender Notice as required by the Indenture, each untendered Bond or Bonds or portion thereof (“Untendered Bond” or “Untendered Bonds”) described in such Bondholder Tender Notice will be deemed to have been tendered to the Tender Agent for purchase, to the extent that there is on deposit in the Bond Purchase Fund on the applicable purchase date an amount sufficient to pay the purchase price of such Untendered Bond, and such Untendered Bond from and after such purchase date, will cease to bear interest and no longer be considered to be Outstanding. The Tender Agent will promptly give notice by registered or certified first class mail, postage prepaid, to each Beneficial Owner of any Bond which has been deemed to have been purchased as described in this paragraph, stating that interest on such Untendered Bond ceased to accrue from and after the date of purchase and that moneys representing the purchase price of such Untendered Bond are available against delivery of such Untendered Bond at the Designated Office of the Tender Agent. The Issuer will sign and the Trustee will authenticate and deliver for redelivery a new Bond or Bonds in replacement of such Untendered Bond not so delivered. The replacement of any Bond will not be deemed to create new indebtedness, but will be deemed to evidence the indebtedness previously evidenced by the Untendered Bond.

Mandatory Tender

Mandatory Tender Dates (Other Than Upon Default); Notice. The holders of the Bonds will be required to tender their Bonds to the Tender Agent for purchase on each Mandatory Tender Date by the Trustee acting on behalf of and as agent for the Borrower, but solely from the sources described under “Payment and Sources of Purchase Price” below, at a purchase price equal to 100% of the principal amount of the Bonds, plus accrued interest, if any, to the applicable Mandatory Tender Date. The Owner of any Bond may not elect to retain its Bonds. Mandatory Tender Dates include each Adjustment Date (even if a proposed change in Mode fails to occur), each Extension Date (unless an extension of the Letter of Credit or the Alternate Credit Facility then in effect has been received by the Trustee on or before such date) and each Substitution Date and the first Business Day before a Liquidity Expiration Date. The Trustee will give notice of Mandatory Tender Dates as follows:

(i) Not less than 30 days before any proposed Adjustment Date, the Trustee will give notice by first class mail, postage prepaid, to the Bondholders stating the information required to be set forth in notices pursuant to the applicable provisions of the Indenture.

(ii) Not less than 10 days before any Substitution Date, the Trustee will give notice by first class mail, postage prepaid, to the Bondholders and Remarketing Agent stating (A) an Alternate Credit Facility will be substituted for the Credit Facility then in effect, (B) the Substitution Date, (C) that the Bonds are required to be tendered on the Substitution Date and (D) that Bondholders will not have the right to elect to retain their Bonds.

(iii) Not less than 10 days before any Extension Date, if the Trustee has not received a binding commitment to extend the Letter of Credit or applicable Alternate Credit Facility then in effect, the Trustee will give notice by first class mail, postage prepaid, to the Bondholders and Remarketing Agent stating (A) the Extension Date and that no commitment to extend the Letter of Credit or Alternate Credit Facility then in effect has been received by the Trustee, (B) that such Bonds are required to be tendered on the Extension Date (unless an extension of the Letter of Credit or Alternate Credit Facility then in effect is received prior to the Extension Date, notice of which will be given promptly to Bondholders), and (C) that the Bondholders will not have the right to elect to retain such Bonds if an extension of the Letter of Credit or Alternate Credit Facility then in effect is not received.

(iv) If the Fannie Mae Credit Facility is in effect, not less than 10 days before any Liquidity Expiration Date, if the Trustee has not received a binding commitment from Fannie Mae to extend the Liquidity Expiration Date of the Fannie Mae Credit Facility, the Trustee will give notice by first class mail, postage prepaid, to the Bondholders stating: (i) the Liquidity Expiration Date and that no commitment to extend the Liquidity Expiration Date has been received by the Trustee, (ii) that such Bonds are required to be tendered on the first Business Day before a Liquidity Expiration Date (unless an extension of the Liquidity Expiration Date is received prior to the first Business Day before the Liquidity Expiration Date), and (iii) that the Bondholders will not have the right to elect to retain such Bonds if an extension of the Liquidity Expiration Date is not received.

No mandatory tender is required upon Conversion and replacement of the Letter of Credit with the Fannie Mae Credit Facility.

Mandatory Tender Upon Default; Notice. The Bonds are subject to mandatory tender upon receipt by the Trustee of written notice from the Credit Provider stating that an Event of Default under the Reimbursement Agreement has occurred and directing that the Bonds be subject to mandatory tender. Such mandatory tender will be made on the earliest practicable date, after notice of tender has been given to Bondholders and will be payable solely from the sources provided in the Indenture at a purchase price equal to 100% of the principal amount of the Bonds plus accrued interest to the Mandatory Tender Date. The Owner of any Bond may not elect to retain its Bond. Immediately upon receipt by the Trustee of such written notice from the Credit Provider, the Trustee will give notice by first class mail, postage prepaid to the Owners of the Bonds stating that (a) such event has occurred, (b) such Bonds are required to be tendered on the Mandatory Tender Date specified in such notice, and (c) the Bondholders thereof will not have the right to elect to retain their Bonds.

Untendered Bonds. Pursuant to the Indenture, any Bond which is not so tendered on a Mandatory Tender Date (“Untendered Bond”) will be deemed to have been tendered to the Tender Agent as of such Mandatory Tender Date, and, from and after such Mandatory Tender Date, will cease to bear interest and no longer will be considered to be Outstanding. In the event of a failure by Owners to deliver Bonds on

the Mandatory Tender Date, such Owners will not be entitled to any payment (including any interest to accrue from and after the Mandatory Tender Date) other than the purchase price for such Untendered Bond, and any Untendered Bond will no longer be entitled to the benefits of the Indenture, except for the purpose of payment of the purchase price for such Untendered Bond. The Issuer will sign, and the Trustee will authenticate and deliver to the Remarketing Agent for redelivery to the purchaser, a new Bond in replacement of the Untendered Bond. Pursuant to the Indenture, the replacement of any such Untendered Bond will not be deemed to create new indebtedness, but will be deemed to evidence the indebtedness previously evidenced by the Untendered Bond.

Payment and Sources of Purchase Price. The Tender Agent will make payment for Bonds purchased as described under “Mandatory Tender and Purchase” at or before 4:00 p.m. Eastern time on the Mandatory Tender Date. The Trustee will pay the purchase price: (i) for Bonds purchased as described under “Mandatory Tender Dates (Other Than Upon Default); Notice,” first from remarketing proceeds on deposit in the Bond Purchase Fund, second, from proceeds of a payment under the Credit Facility, and third, from the Borrower; and (ii) for Bonds purchased as described under “Mandatory Tender Upon Default; Notice,” first from proceeds of a payment under the Credit Facility, and second, from the Borrower. See “SECURITY AND ESTIMATED SOURCES OF PAYMENT FOR THE BONDS — Credit Facility.”

Remarketing Agent

Pursuant to a Remarketing Agreement, dated as of March 1, 2006 (the “Remarketing Agreement”), by and between the Remarketing Agent and the Borrower, the Remarketing Agent is required to determine the interest rates on the Bonds in accordance with the Indenture and is required to use its best efforts to remarket the Bonds in accordance with the Indenture and the Remarketing Agreement.

Redemption Provisions

The Bonds are subject to optional and mandatory redemption at the times and redemption prices set forth in the Indenture and summarized below. All redemptions must be in Authorized Denominations.

Optional Redemption. The Bonds are subject to optional redemption in whole or in part upon optional prepayment of the Loan by the Borrower on any Interest Payment Date within a Weekly Variable Rate Period and on any Adjustment Date at a redemption price equal to 100% of the principal amount redeemed plus accrued interest to the Redemption Date.

Mandatory Redemption. The Bonds are subject to mandatory redemption on the earliest practicable Redemption Date for which timely notice of redemption can be given pursuant to the Indenture following the occurrence of the event requiring such redemption. The principal of and accrued interest on any Bond being mandatorily redeemed will (a) prior to the Conversion Date and from and after the Transition Date, be paid from a Draw on the Letter of Credit, (b) from and after the Conversion Date, be paid from an Advance under the Fannie Mae Credit Facility or (c) if an Alternate Credit Facility is in effect, be paid from a Draw under the Alternate Credit Facility. Bonds will be redeemed at a redemption price equal to 100% of the principal amount of such Bonds plus accrued interest to the Redemption Date. Bonds subject to mandatory redemption in part will be redeemed in Authorized Denominations or will be redeemed in such amounts so that Bonds Outstanding following the redemption are in Authorized Denominations. If the Trustee receives an amount for the mandatory redemption of Bonds which is not equal to a whole integral multiple of the Authorized Denomination, the Trustee will redeem Bonds in an amount equal to the next lowest whole integral multiple of the Authorized Denomination to the amount received by the Trustee and hold any excess amount in the Redemption Account.

Casualty or Condemnation. The Bonds will be redeemed in whole or in part in the event and to the extent that proceeds of insurance from any casualty to, or proceeds of any award from any condemnation of, or any award as part of a settlement in lieu of condemnation of, the Development are applied in accordance with the Security Instrument to the prepayment of the Loan.

After an Event of Default Under the Reimbursement Agreement. The Bonds will be redeemed in whole or in part in an amount specified by and at the direction of the Credit Provider requiring that the Bonds be redeemed pursuant to the provisions of the Indenture described in this paragraph following any Event of Default under the Reimbursement Agreement. The Redemption Date will be the earliest practicable date, but in no event will such redemption occur later than two Business Days prior to the date, if any, that the Credit Facility terminates on account of the Credit Provider's giving of direction to the Trustee pursuant to the provisions of the Indenture described in this paragraph to redeem all of the Bonds. Additionally, prior to the Conversion Date and after the Transition Date, the Bonds are subject to mandatory redemption if the Trustee receives notice of non-reinstatement of the interest component of the Letter of Credit following a drawing on the Bonds. The Redemption Date will be no later than the first calendar day (or if such first calendar day is not a Business Day, the next succeeding Business Day) after the Trustee receives notice of non-reinstatement from the Bank.

Principal Reserve Fund. The Bonds will be redeemed in whole or in part as follows: (i) on each Adjustment Date in an amount equal to the amount which has been transferred from the Principal Reserve Fund on such Adjustment Date to the Redemption Account of the Revenue Fund in accordance with the Indenture; and (ii) on any Interest Payment Date in an amount equal to the amount which has been transferred from the Principal Reserve Fund on such Interest Payment Date to the Redemption Account as provided in the Indenture. See APPENDIX B: "SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE — Principal Reserve Fund."

Pre-Conversion Loan Equalization. The Bonds will be redeemed in part in the event that the Borrower makes a Pre-Conversion Loan Equalization Payment. The principal amount of Bonds to be redeemed will be the amount prepaid by the Borrower as a Pre-Conversion Loan Equalization Payment or, if such amount is not an integral multiple of an Authorized Denomination, the next lowest integral multiple of an Authorized Denomination to the amount prepaid.

Excess Loan Funds. The Bonds will be redeemed in whole or in part in the event and to the extent that Net Bond Proceeds on deposit in the Loan Fund are transferred to the Redemption Account pursuant to the Indenture. See APPENDIX B: "SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE — Loan Fund — Transfers to Effect Certain Mandatory Redemptions of Bonds."

Sinking Fund Redemption. The Bonds will be subject to mandatory sinking fund redemption on each Interest Payment Date on and after the Transition Date, if any, in the amounts set forth in the Sinking Fund Schedule attached to the Indenture (subject to the provisions of the Indenture permitting amounts to be credited toward part or all of any one or more Sinking Fund Payments); provided that, in the event of a partial redemption of Bonds other than as described in this paragraph, the amount of each payment required under the Sinking Fund Schedule attached to the Indenture on or after the date of such redemption will be adjusted to provide for level debt service payment of such Bonds over their remaining term from and after the first Interest Payment Date following such redemption.

Notice of Redemption

For any redemption of Bonds described above (other than a redemption of Bonds described under "After an Event of Default under the Reimbursement Agreement" or "Sinking Fund Redemption" above), the Trustee will give notice of redemption by first class mail, postage prepaid, not less than ten days prior

to the specified Redemption Date, to the Registered Owner of each Bond to be redeemed at the address of such Registered Owner as shown on the Bond Register. With respect to Book-Entry Bonds, if the Trustee sends notice of redemption to the Securities Depository pursuant to the Letter of Representations, the Trustee will not be required to give the notice set forth in the immediately preceding sentence. In the case of a redemption of the Bonds described under "After an Event of Default under the Reimbursement Agreement" above, the Trustee will give immediate notice of redemption. In the case of a redemption of the Bonds described under "Sinking Fund Redemption" above, the Trustee will give notice of redemption of Bonds in such amount as is necessary to complete the retirement of a principal amount of Bonds equal to the unsatisfied balance of the applicable Sinking Fund Payment as soon as practical after the 30th day preceding the Sinking Fund Payment. In the case of an optional redemption of Bonds, the notice of redemption will state that it is conditioned upon receipt by the Trustee of sufficient moneys to redeem the Bonds (a "Conditional Redemption"), and such notice and optional redemption will be of no effect if either (a) by no later than the scheduled redemption date, sufficient moneys to redeem the Bonds have not been deposited with the Trustee, or if such moneys are deposited, are not available on the redemption date, or (b) the Trustee at the direction of the Credit Provider rescinds such notice on or prior to the scheduled redemption date.

At the same time notice of redemption is sent to the Registered Owners, the Trustee will send notice of redemption by first class mail, overnight delivery service or other overnight means, postage or service prepaid (a) to the Rating Agency, (b) if the Bonds are not subject to the Book-Entry System, to certain municipal registered securities depositories (as described in the Indenture) which are known to the Trustee, on the second Business Day prior to the date the notice of redemption is mailed to the Bondholders, to be holding Bonds, and (c) at least two of the national information services (as described in the Indenture) that disseminate securities redemption notices.

The Trustee will rescind any Conditional Redemption if the requirements set forth above have not been met on or before the Redemption Date or the Trustee has received a direction to cancel the Conditional Redemption from the Credit Provider. The Trustee will give notice of rescission by the same means as is provided above for the giving of notice of redemption or by Electronic Means confirmed in writing. The optional redemption will be canceled once the Trustee has given notice of rescission. Any Bonds subject to Conditional Redemption where redemption has been rescinded will remain Outstanding, and neither the rescission nor the failure of funds being made available in part or in whole on or before the Redemption Date will constitute an Event of Default under the Indenture. Notwithstanding notice having been given in the manner provided above, any optional redemption of Bonds will be canceled with the consent of or at the direction of the Credit Provider if the Credit Provider has notified the Trustee in writing that an Event of Default under the Reimbursement Agreement has occurred.

Content of Notice

Each notice of redemption must state: (i) the date of the redemption notice; (ii) the Closing Date and the complete official name of the Bonds, including the series designation; (iii) for each Bond to be redeemed, the interest rate or that the interest rate is variable, maturity date and in the case of a partial redemption of Bonds, the principal amount of each Bond to be redeemed; (iv) the CUSIP numbers of all Bonds being redeemed; (v) the place or places where the Bonds to be redeemed must be surrendered for payment and where amounts due upon such redemption will be payable upon surrender of the Bonds to be redeemed; (vi) the Redemption Date and redemption price of each Bond to be redeemed; (vii) the name, address, telephone number and contact person at the office of the Trustee with respect to such redemption; (viii) that interest on all Bonds to be redeemed will not accrue from and after the Redemption Date; (ix) if a redemption is a Conditional Redemption, that redemption is conditional upon receipt by the Trustee of sufficient moneys to redeem the Bonds including Available Moneys to pay any redemption

premium and (x) that the Credit Provider may direct the Trustee to cancel such redemption upon the occurrence of any Event of Default under the Reimbursement Agreement.

If notice of redemption is given substantially in accordance with the Indenture and as provided above, failure of any Bondholder to receive such notice, or any defect in the notice, will not affect the redemption or the validity of the proceedings for the redemption of the Bonds.

Redemption Payments

If notice of redemption has been given and the conditions for such redemption, if applicable, have been met, the Indenture states that the Bonds called for redemption will become due and payable on the Redemption Date, interest on those Bonds will cease to accrue from and after the Redemption Date and the called Bonds will no longer be Outstanding. The holders of the Bonds so called for redemption will thereafter no longer have any security or benefit under the Indenture except to receive payment of the redemption price for such Bonds upon surrender of such Bonds to the Trustee. All moneys held by or on behalf of the Trustee for the redemption of particular Bonds will be held in trust for the account of the holders of the Bonds to be redeemed. If less than the entire principal amount of a Bond is called for redemption, the Issuer will execute, and the Trustee will authenticate and deliver, upon the surrender of such Bond to the Trustee, without charge by the Issuer or the Trustee to the Bondholder, in exchange for the unredeemed principal amount of such Bond, a new Bond or Bonds of the same interest rate, maturity and term, in any Authorized Denomination, in aggregate principal amount equal to the unredeemed balance of the principal amount of the Bond so surrendered.

Selection of Bonds to be Redeemed Upon Partial Redemption

If less than all the Outstanding Bonds are called for redemption, the Trustee will select randomly the Bonds or portions of the Bonds in Authorized Denominations, to be redeemed. In the selection process (i) any Pledged Bond Outstanding will be called for redemption before any other Bonds are selected for redemption and (ii) if applicable, the Bonds with the highest interest rate will be called for redemption before any other Bonds are selected for redemption. Bonds which have previously been selected for redemption will not be deemed Outstanding. Notwithstanding the foregoing, the Securities Depository for Book-Entry Bonds will select the Bonds for redemption within particular maturities according to its stated procedures.

Purchase of Bonds in Lieu of Redemption

If the Bonds are called for redemption in whole or in part, the Bonds called for redemption may be purchased in lieu of redemption in accordance with the Indenture. Purchase in lieu of redemption will be available for all of the Bonds called for redemption or for such lesser portion of such Bonds as constitutes Authorized Denominations. The Credit Provider may direct the Trustee to purchase all or such lesser portion of the Bonds so called for redemption. In no event will Fannie Mae in its capacity as Credit Provider purchase Bonds for its own account in lieu of redemption without the prior written consent of the General Counsel to Fannie Mae.

Book-Entry Only System

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each issue of the Securities, each in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating: “AAA.” The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which

may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices, if any, will be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Issuer or its agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Direct Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner will give notice to elect to have its Securities purchased or tendered, through its Participant, to the tender agent or the remarketing agent, as applicable, and will effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to the tender agent or the remarketing agent, as applicable. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to the DTC account of the tender agent or the remarketing agent, as applicable.

DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

SECURITY AND ESTIMATED SOURCES OF PAYMENT FOR THE BONDS

General

For the purposes of this section, as provided in the Indenture, the term "Credit Provider" means, so long as (i) the Letter of Credit is in effect, the Bank, (ii) at such time and so long as the Fannie Mae Credit Facility is in effect, Fannie Mae or (iii) at any such time any Alternate Credit Facility is in effect, the Alternate Credit Provider then obligated under the Alternate Credit Facility.

Under the terms of the Indenture, the Bonds are secured by the Credit Facility (described under the caption "Credit Facility") and by a pledge of the Trust Estate comprised of the following:

(1) all right, title and interest of the Issuer in and to the Financing Agreement, the Loan, including the Note, the Security Instrument and the other Loan Documents, and all amendments, modifications, supplements, renewals and restatements of the foregoing, reserving, however, the Reserved Rights;

(2) all rights to receive payments on the Note and under the other Loan Documents, including all proceeds of insurance or condemnation awards reserving, however, the Reserved Rights;

(3) all right, title and interest of the Issuer in and to the Revenues, the Net Bond Proceeds and the accrued interest, if any, derived from the sale of the Bonds, and all Funds and Accounts under the Indenture (including, without limitation, moneys, documents, securities, Investments, Investment Income, instruments and general intangibles on deposit or otherwise held by the Trustee) but excluding all moneys in the Fees Account, the Rebate Fund and the Costs of Issuance Fund, unless and to the extent funded with Net Bond Proceeds (including within such exclusion Investment Income retained in the Costs of Issuance Fund (other than Investment Income on Net Bond Proceeds within the Costs of Issuance Fund) and the Rebate Fund);

(4) all funds, moneys and securities and any and all other rights and interests in property, whether tangible or intangible, from time to time conveyed, mortgaged, pledged, assigned or transferred by delivery or by writing of any kind, to the Trustee as additional security under the Indenture for the benefit of the Bondholders and the Credit Provider by the Issuer; and

(5) all of the proceeds of the foregoing, including, without limitation, Investments and Investment Income (except as excluded above).

The foregoing (collectively the "Trust Estate") are pledged for the equal and proportionate benefit, security and protection of (i) all Registered Owners of the Bonds, without privilege, priority or distinction as to the lien or otherwise of any of the Bonds over any of the other Bonds and (ii) the Credit Provider to secure the payment of all amounts owed to the Credit Provider under the Credit Facility Documents and the Loan Documents. The Trust Estate, together with the Credit Facility, comprise the

Security for the Bonds. From and after the earlier of the Conversion Date or the Transition Date, upon any default by the Borrower under any Bond Document, any Loan Document or any Credit Facility Document, all or a portion of the funds on deposit in the Funds and Accounts (other than in the Rebate Fund, the Costs of Issuance Fund and the Fees Account) will be paid or applied in any manner directed by the Credit Provider.

Credit Facility

In addition to the other security provided under the Indenture, the Bonds will be secured by the Letter of Credit. If Conversion occurs, the Indenture provides that the Bonds will be secured from and after the Conversion Date by the Fannie Mae Credit Facility.

Letter of Credit

As described above, in connection with the offering of the Bonds, the Bank will issue a letter of credit (defined as the "Letter of Credit") in the face amount of \$15,167,671.00 of which (i) \$15,000,000 will be available to the Trustee to pay the principal of the Bonds at maturity or upon redemption or acceleration or to pay the portion of the purchase price of Tendered Bonds representing the principal amount of the Tendered Bonds, and (ii) \$167,671.00 (representing 34 days of interest on the maximum aggregate principal amount of Outstanding Bonds that may be issued under the Indenture calculated at the rate of 12% per annum and computed on the basis of a 365 day year) will be available to pay interest on the Bonds or to pay the portion of the purchase price of Tendered Bonds representing accrued interest on the Tendered Bonds. Drawings by the Trustee under the Letter of Credit will reduce the amounts available for subsequent drawings, subject to reinstatement as provided in the Letter of Credit. All or a portion of the amount available to be drawn under the Letter of Credit will be reinstated, following the payment by the Bank of any amount drawn by presentation of a "Tender Drawing," upon reimbursement of the Bank of the amount to be reinstated and delivery by the Trustee to the Bank of a certificate in the form attached to the Letter of Credit to the effect that funds for such reimbursement of the Bank have been received. In addition, the amount available to be drawn under the Letter of Credit will be reinstated automatically by the amount of each Draw for interest. The Letter of Credit expires on September 16, 2008, the Letter of Credit Expiration Date, but is subject to earlier termination in certain events, including termination on the Conversion Date. The Letter of Credit is subject to extension beyond the Letter of Credit Expiration Date as provided in the Reimbursement Agreement.

For information regarding the Bank, see "THE BANK." The form of the Letter of Credit is attached hereto as APPENDIX H: "FORM OF THE LETTER OF CREDIT."

Fannie Mae Credit Facility

If Conversion occurs, Fannie Mae will deliver the Fannie Mae Credit Facility to the Trustee on, and to be effective as of, the Conversion Date. The Fannie Mae Credit Facility is expected to be a direct pay credit enhancement instrument. See APPENDIX I: "PROPOSED FORM OF THE FANNIE MAE CREDIT FACILITY." For information regarding Fannie Mae, see "FANNIE MAE."

Alternate Credit Facility

Upon substitution of any Alternate Credit Facility or termination of the Credit Facility, the Bonds will be subject to mandatory tender for purchase as described below under the caption "THE BONDS — Mandatory Tender." The Fannie Mae Credit Facility is not an Alternate Credit Facility and the delivery thereof will not result in a mandatory tender for purchase.

Principal Reserve Fund

The Principal Reserve Fund is established pursuant to the Indenture and is to be held by the Trustee.

If Conversion occurs the Trustee will deposit each of the following amounts into the Principal Reserve Fund (i) all of the monthly payments made by the Borrower in accordance with the Schedule of Deposits to Principal Reserve Fund attached to the Notice of Conversion, as such schedule may be amended in writing pursuant to the Fannie Mae Reimbursement Agreement, and (ii) Investment Income paid monthly and earned on amounts on deposit in the Principal Reserve Fund. The Trustee will pay or transfer amounts on deposit in the Principal Reserve Fund as follows:

(1) at the written direction of the Credit Provider, to the Credit Provider to reimburse the Credit Provider for any unreimbursed Advance under the Credit Facility and to pay any other amounts required to be paid by the Borrower under the Loan Documents, the Bond Documents or the Credit Facility Documents (including any amounts required to be paid to the Credit Provider);

(2) at the written direction of the Credit Provider, with the written consent of the Borrower (so long as an Event of Default has not occurred and is not continuing under any of the Credit Facility Documents), to the Credit Provider or the Borrower, as the Credit Provider elects, to make improvements or repairs to the Mortgaged Property;

(3) at the written direction of the Credit Provider, if a default has occurred under the Credit Facility Documents, any Loan Document or any Bond Document, to the Credit Provider for any use approved by the Credit Provider;

(4) at the written direction of the Credit Provider, if a new mortgage and mortgage note have been substituted for the Security Instrument and the Note in accordance with the Loan Documents, or if the Borrower otherwise consents, for any purpose approved by the Credit Provider;

(5) on each Adjustment Date, to the Redemption Account;

(6) during a Weekly Variable Rate Period, if the aggregate amount on deposit in the Principal Reserve Fund (excluding all Investment Income) on the tenth day of any month equals or exceeds \$100,000, an amount equal to the amount on deposit in the Principal Reserve Fund (rounded downward to the nearest integral multiple of \$100,000), to the Redemption Account; and

(7) to the Borrower, Investment Income on moneys in the Principal Reserve Fund on the Interest Payment Date following receipt by the Trustee of such interest or profits; provided that there is no deficiency in the Interest Account, the Redemption Account, the Principal Reserve Fund, the Fees Account or the Rebate Fund, and that no default exists under the Credit Facility Documents, any Loan Document or any Bond Document. If a deficiency exists in the Interest Account, the Redemption Account, the Principal Reserve Fund, the Fees Account or the Rebate Fund, the Trustee shall transfer such Investment Income to the Interest Account, the Redemption Account, the Principal Reserve Fund, the Fees Account and/or the Rebate Fund, in that order of priority, prior to any payment to the Borrower.

See APPENDIX B: "SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE — Principal Reserve Fund."

Limited Liability

The Bonds authorized by the Indenture and all payments to be made thereon and to the various funds and accounts established under the Indenture are not general or special obligations of the Issuer but are limited obligations payable solely from payments derived from the Trust Estate.

Enforceability of Remedies

The remedies available to the Trustee and the owners of the Bonds upon an Event of Default under the Credit Facility, the Indenture, the Regulatory Agreement or the Financing Agreement are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, the remedies provided for under such documents may not be readily available or may be limited. The various legal opinions that were delivered concurrently with the delivery of the Bonds and such documents were qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

FANNIE MAE

Fannie Mae is a federally chartered and stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act, 12 U.S.C. 1716 et seq. Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market and became a stockholder-owned and privately managed corporation by legislation enacted in 1968.

Fannie Mae purchases, sells, and otherwise deals in mortgages in the secondary market rather than as a primary lender. It does not make direct mortgage loans but acquires mortgage loans originated

by others. In addition, Fannie Mae issues mortgage-backed securities (“MBS”), primarily in exchange for pools of mortgage loans from lenders. Fannie Mae receives guaranty fees for its guarantee of timely payment of principal of and interest on MBS certificates.

Fannie Mae is subject to regulation by the Secretary of Housing and Urban Development (“HUD”) and the Director of the independent Office of Federal Housing Enterprise Oversight within HUD (“OFHEO”). Approval of the Secretary of Treasury is required for Fannie Mae’s issuance of its debt obligations and MBS. The President of the United States may appoint five members of Fannie Mae’s Board of Directors, and the other thirteen are elected by the holders of Fannie Mae’s common stock. Since May 25, 2004, the date of Fannie Mae’s most recent annual shareholder’s meeting, the President has declined to exercise his authority to appoint directors, and those five Board positions will remain open unless and until the President names new appointees.

The securities of Fannie Mae are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than Fannie Mae.

Information on Fannie Mae and its financial condition is contained in periodic reports that are filed with the SEC. The SEC filings are available at the SEC’s website at www.sec.gov. The periodic reports filed by Fannie Mae with the SEC are also available on Fannie Mae’s web site at <http://www.fanniemae.com/ir/sec> or from Fannie Mae at the Office of Investor Relations at 202-752-7115.

Fannie Mae’s safety and soundness regulator, OFHEO, announced in July 2003 that it was conducting a special examination of Fannie Mae’s accounting policies and practices, and in September 2004 issued a preliminary report of its findings to date. This report raised questions about Fannie Mae’s application of certain accounting practices. OFHEO subsequently identified additional accounting and internal control issues in February 2005.

On December 22, 2004, Fannie Mae reported that the Audit Committee of its Board of Directors (the “Board”) had determined that Fannie Mae’s previously filed interim and audited financial statements and the independent auditor’s reports thereon for the period from January 2001 through the second quarter of 2004 should no longer be relied upon because such financial statements were prepared using accounting principles that did not comply with U.S. generally accepted accounting principles (“GAAP”). Fannie Mae has subsequently initiated an extensive restatement and re-audit of its financial statements with its new independent auditor, Deloitte & Touche LLP. Fannie Mae anticipates that the impact of the restatement will be material to Fannie Mae’s financial statements for many, if not all, of the periods involved.

Fannie Mae’s Board and management have initiated numerous internal and external reviews of Fannie Mae’s accounting processes and controls, financial reporting processes and its application of GAAP. Investigations into Fannie Mae’s accounting policies and practices and its financial reporting also continue to be ongoing with OFHEO, the U.S. Securities and Exchange Commission (the “SEC”), and the U.S. Attorney’s Office for the District of Columbia.

Fannie Mae has not filed Quarterly Reports on Form 10-Q for the third quarter of 2004 or the first, second and third quarters of 2005, nor has Fannie Mae filed its Annual Report on Form 10-K for the year ended December 31, 2004. As Fannie Mae reported in Current Reports on Form 8-K filed with the SEC on August 9, 2005 and November 10, 2005, Fannie Mae estimates that it is unlikely Fannie Mae will complete Fannie Mae’s Annual Report on Form 10-K for the year ended December 31, 2004, which will include Fannie Mae’s restated results, prior to the second half of 2006. Fannie Mae also reported in Fannie Mae’s Current Report on Form 8-K dated November 10, 2005 that the Board appointed Robert T.

Blakely, III as Chief Financial Officer, Michael J. Williams as Chief Operating Officer, and Robert J. Levin as Chief Business Officer.

Form 8-K's that Fannie Mae files with the SEC on or prior to the date of this Official Statement are incorporated herein by reference.

Fannie Mae makes no representation as to the contents of this Official Statement, the suitability of the Bonds for any investor, the feasibility of performance of any project, or compliance with any securities, tax or other laws or regulations. Fannie Mae's role with respect to the Bonds is limited to issuing and discharging its obligations under the Credit Facility and exercising the rights reserved to it in the Indenture and the Reimbursement Agreement.

THE DEVELOPMENT AND THE PRIVATE PARTICIPANTS

The following information has been provided by the Borrower for use herein. While the information is believed to be reliable, none of the Issuer, the Underwriter, subject to the standard of review found on the inside cover hereof, the Bank, Fannie Mae, the Loan Servicer or any of their respective counsel, members, officers or employees make any representations as to the accuracy or sufficiency of such information.

The Development

The Development, to be known as Harris Branch Apartments, is a proposed multifamily rental community of 248 units in 12 two and three story residential apartment buildings. The net rentable area of the Development is expected to be approximately 243,956 square feet. The Development will be located at approximately 12317 Dessau Road, in Austin, Texas, on approximately 15 acres of land.

Development amenities are expected to include full perimeter fencing, a gazebo with sitting area, an accessible walking path, community gardens, public telephones, barbecue grills and picnic tables, a swimming pool, fitness center, an equipped business center, a furnished community room, a covered community porch and a sand volleyball court. The Development is expected to include 525 parking spaces. Construction of the Development is anticipated to commence in March, 2006 and be completed approximately 16 months later.

Unit amenities are expected to include covered entries, high ceilings, microwave ovens, ceiling fixtures in all rooms, laundry connections, storage room, covered patios, carports and energy-star rated kitchen appliances.

The unit mix and approximate square footage for the units of the Development is anticipated to be as follows:

<u>Number of Units</u>	<u>Composition</u>	<u>Approximate Square Footage</u>
52	1/1	701
108	2/2	1012
88	3/2	1116

There can be no assurance that the revenues generated by the Development (“Development Revenues”) will be sufficient in the future to pay the Development’s operating expenses, debt service on the Note, the fees and expenses of the Trustee, fees of the Issuer and all other obligations of the Borrower with respect to the Development, the Loan and the Bonds (collectively, the “Development Obligations”). The Borrower’s ability to pay Development Obligations may be materially and adversely affected to the extent that the Borrower is unable to increase Development Revenues by increasing rents or otherwise if expenses incurred in operating the Development are higher than anticipated or if occupancy of the Development decreases.

The Borrower

The Borrower is Loyola Properties, LP, a Texas limited partnership (the “Borrower”). The Borrower is a single-asset entity formed for the purpose of acquiring, developing and operating the Development. Harris Branch 16, LLC, a Texas limited liability company (the “General Partner”) will own a 0.01% partnership interest in the Borrower. MMA Loyola Properties, LLC, a Delaware limited

liability company (the “Investor Limited Partner”) and MMA Special Limited Partner, Inc., a Florida corporation (the “Special Limited Partner”) will own limited partner interests in the Borrower.

The Investor Limited Partner is expected to make equity contributions totaling approximately \$7,479,000, subject to certain conditions precedent for each installment in the Borrower’s partnership agreement. The total amounts to be funded and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the amount set forth under the “ESTIMATED PLAN OF FINANCING” herein and neither the Issuer nor the Underwriter make any representations as to the availability of such funds.

LDG Development, LLC (the “Developer”), an affiliate of the General Partner, was formed in 1994. The Developer has been involved with the acquisition and financing of various apartment and condominium communities containing approximately 1200 units valued in excess of \$70,000,000.

The Borrower has no substantial assets other than the Development and does not intend to acquire any other substantial assets or to engage in any substantial business activities other than those related to the ownership and operation of the Development. However, the above-referenced affiliate(s) of the Borrower are engaged in and will continue to engage in the acquisition, development, ownership and operation of similar types of housing developments. The principal(s) of such affiliate(s) may be financially interested in, as officers, partners or otherwise, and devote substantial time to, business and activities that may be inconsistent or competitive with the interests of the Development.

The obligations and liabilities of the Borrower under the Note and the Mortgage are of a non-recourse nature (subject to certain exceptions to nonrecourse liability set forth in the Note) and are limited to the Development and moneys derived from the operation of the Development. Neither the Borrower nor its principals and members have any personal liability for payments on the Note to be applied to pay the principal of and interest on the Bonds. Furthermore, no representation is made that the Borrower has substantial funds available for the Development. Accordingly, neither the Borrower’s financial statements nor those of its partners are included in this Official Statement.

A default on the Mortgage loan by the Borrower could result in a redemption of the Bonds prior to their scheduled maturities. See “THE BONDS – Redemption Provisions”.

The Contractor

Xpert Design (the “Contractor”), an affiliate of the General Partner, will serve as the general contractor for the Development. The Contractor was formed in 2002, has 8 employees and has been involved in the construction of 10 multifamily properties in two states and specializes in multifamily construction.

Architect

The architect for the Facility is Weber Group, Inc. (the “Architect”). The Architect was founded in 1996 by Don Weber. The Architect has designed numerous multifamily housing projects containing over 850 units, many or part of such projects being financed with low income housing tax credits.

The Manager

Capstone Real Estate Services, Inc. (the “Manager”) was established in 1969 and has extensive experience managing communities under the Section 42 Tax Credit Program, the RTC Affordable

Housing Program, the HUD 223(f) Loan Program, the HUD Section 8 Program and the Public Housing Program for 501(c)(3) Bonds. The Manager currently maintains 8 regional offices, including one in Austin, Texas, to supervise a portfolio of over 31,000 multi-family units and one million square feet of commercial space nationwide. From these offices, the Manager supervises properties in over 60 cities, and its portfolio currently ranks among the largest third-party management companies in the nation. In addition, the Manager maintains a Compliance Department for properties with governmental reporting requirements. There is no affiliation between the Borrower and the Manager.

The Trustee

The Trustee is Wells Fargo Bank, National Association, a national banking association duly organized and existing under the laws of the United States of America, or its successors or assigns, or any other corporation or association resulting from or surviving any consolidation or merger to which it or its successors may be a party and any successor trustee at any time serving as successor trustee under the Indenture.

The Trustee currently serves as trustee for additional tax-exempt bond transactions, including multifamily bond transactions.

The Trustee and its affiliates may maintain banking relationships with the various parties to the transaction in the ordinary course of business.

The mailing address of Trustee is 505 Main Street, Suite 301, Fort Worth, Texas 76102.

Low Income Housing Tax-Credit Based Equity Syndication

Simultaneously with the issuance of the Bonds, the Borrower expects to sell to the Investor Limited Partner, a 99.99% limited partner interest in the Borrower. Subject to the terms and conditions set forth in the Second Amended and Restated Agreement of Limited Partnership (the "Partnership Agreement"), the total tax credit equity is estimated to be approximately \$7,479,000. The estimated capital contribution payment schedule is subject to change based upon the final projections in the Partnership Agreement. These funding levels and the timing of the funding are subject to numerous adjustments and conditions (in addition to those set forth above) which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from the estimates set forth above and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds. The staged funding arrangements are not expected to adversely affect the completion of the Development. The Borrower's expectations are that the funds available on the Closing Date, when combined with other funds expected to be available, will be sufficient for completion of the Development.

Rent and occupancy restrictions are also required under state law and the Regulatory Agreement. Pursuant to the Regulatory Agreement, during the State Restrictive Period only, the Borrower has agreed to set aside at least 100% of the units for tenants with income of 60% of the area median family income and to cap rents at 30% of 60% of area family income, minus an allowance for utility costs. These restrictions imposed by the Regulatory Agreement will be effective for the duration of the State Restrictive Period.

Additional Restrictive Covenants

In connection with the Tax Credits which are expected to be allocated to the Borrower in connection with the Development, the Borrower will execute an Extended Low-Income Housing Agreement for the Development in accordance with Section 42 of the Code (the "Extended Low-Income

Housing Agreement”). The Extended Low-Income Housing Agreement extends the low-income housing tax credit targeting and rent restrictions for the Development under Section 42 of the Code for at least 15 years beyond the initial 15 year compliance period, subject only to a few exceptions. The Extended Low-Income Housing Agreement will be executed by the Borrower and the Texas Department of Housing and Community Affairs before the end of the first year of the credit period (as defined in Section 42 of the Code) and recorded in the land records of Travis County, Texas, as a covenant running with the land. The Extended Low-Income Housing Agreement for the Development will, among other things, require that at least 100% of the residential rental units in the Development must be occupied by tenants whose gross income is not in excess of 140% of the area median gross income and the units must be rent-restricted under Section 42(g)(2) of the Code throughout the extended use period as defined in the Code. Under the Code, the extended use period terminates prior to its expiration date if the Development is acquired by foreclosure. Notwithstanding the foregoing, the Code requires that any termination of the extended use period due to foreclosure will not permit, before the close of the three year period following such foreclosure: (i) the eviction or termination of tenancy of a tenant without cause, or (ii) any increase in the gross rent of any such units.

Limited Recourse to Borrower

Neither the Borrower nor its respective officers, directors, associates, members or employees have been nor will they be (subject to certain exceptions to nonrecourse liability set forth in the Note) personally liable for payments on the Note, the payments on which are to be applied to pay the principal of and interest on the Bonds, nor will the Borrower or the officers, directors, associates, members or employees of the Borrower, subject to certain exceptions to nonrecourse liability set forth in the Note and the Financing Agreement, be personally liable under the other documents executed in connection with the issuance of the Bonds and the making of the Loan. Furthermore, except to the extent expressly set forth herein, no representation is made that the Borrower will have substantial funds available for the Development. Accordingly, neither the Borrower’s financial statements, if any, nor those of its partners, if any, are included in this Official Statement.

CERTAIN BONDHOLDERS’ RISKS

The following is a summary of certain risks associated with the purchase of the Bonds. This summary is not intended to be a comprehensive list of the risk factors associated with the Bonds. The Bonds are to be payable from payments to be made by the Borrower under the Note. The Borrower’s obligation to make such payments pursuant to the Financing Agreement and Note is nonrecourse and secured only by the Security Instrument. The Borrower’s ability to make such payments is subject to financial conditions applicable to the Borrower and the Mortgaged Property which may change in the future to an extent that cannot be determined at this time.

Failure To Satisfy Conditions to Conversion

If the Conversion Notice is not issued on or before the Termination Date, Conversion will not occur, and unless the term of the Letter of Credit is extended, the Bonds will be subject to mandatory tender in whole on the date which is five Business Days prior to the expiration date of the Letter of Credit. See “THE BONDS — Mandatory Tender.” In addition, prior to the Conversion Date, upon the occurrence of a default under the Construction Phase Credit Documents (including the Construction Phase Reimbursement Agreement), the Construction Lender can effect a corresponding mandatory redemption of the Bonds in whole. See “THE BONDS — Redemption Provisions — Mandatory Redemption — After an Event of Default Under the Reimbursement Agreement.”

Reduction in Authorized Loan Amount

The Bonds are subject to redemption in part if the Loan is prepaid in part in accordance with the Construction Phase Financing Agreement. This would occur, for example, if the net income from the Development does not provide sufficient debt service coverage to support a loan amount equal to the original principal amount of the Loan. No premium will be paid in connection with any such redemption. See “THE BONDS — Redemption Provisions — Mandatory Redemption — Pre-Conversion Loan Equalization.”

Early Redemption

A variety of other factors described herein will result in an early redemption of the Bonds. The possibility of an early redemption could affect the value of the Bonds. See “THE BONDS — Redemption Provisions.”

No Acceleration or Redemption Upon Loss of Tax Exemption of the Bonds

The Borrower has covenanted and agreed to comply with the provisions of the Code relating to the exclusion from gross income for federal income tax purposes of the interest payable on the Bonds. The financing documents contain provisions and procedures designed to assure compliance with such covenant. See “TAX MATTERS.” However, the Borrower’s failure to comply with such provisions will not give rise to a redemption or acceleration of the Bonds (unless the Credit Provider determines, at its option and in its sole and absolute discretion, that such failure will constitute such a default). Consequently, interest on the Bonds may become includable in gross income for purposes of federal income taxation retroactive to the date of issuance of Bonds by reason of the Borrower’s failure to comply with the requirements of federal tax law.

In December 1999, as a part of a larger reorganization of the Internal Revenue Service (“IRS”), the IRS commenced operation of its Tax Exempt and Government Entities Division (the “TE/GE Division”), as the successor to its Employee Plans and Exempt Organizations division. The new TE/GE Division has a subdivision that is specifically devoted to tax-exempt bond compliance. Public statements by IRS officials indicate that the number of tax-exempt bond examinations is expected to increase significantly under the new TE/GE Division. There is no assurance that an IRS examination of the Bonds will not adversely affect the market value of the Bonds.

Performance of the Development

No assurance can be given as to the future performance of the Development. The economic feasibility of the Development depends in large part upon the ability of the Borrower to attract sufficient numbers of residents and to maintain substantial occupancy at projected rent levels throughout the term of the Bonds. Failure to meet projected net operating income at the time of Conversion could result in a redemption of the Bonds in whole or in part. See “Failure to Satisfy Conditions to Conversion” and “Reduction in Authorized Loan Amount” above. Occupancy of the Development may be affected by competition from existing housing facilities (including facilities owned by affiliates of the General Partner) or from housing facilities which may be constructed in the area served by the Development (including facilities constructed by affiliates of the General Partner). Neither the Issuer nor the Underwriter has independently reviewed the feasibility of the Development and neither makes any representation that the Development will be able to generate sufficient income for the Borrower to make its debt service payments under the Note or other payment obligations of the Borrower under the Bond Documents or the Loan Documents and its operating expenses. Restrictions imposed under the Code on

tenant income and the rent that can be charged could have an adverse effect on the Borrower's ability to satisfy its obligations under the Loan Documents, especially if operating expenses should increase beyond what the Borrower had anticipated. A default by the Borrower under the Financing Agreement, including the failure by the Borrower to pay on the date due any amounts required to be paid by the Borrower under the Financing Agreement, the Note, the Security Instrument, the Construction Phase Reimbursement Agreement or the Reimbursement Agreement, may result in a mandatory redemption of the Bonds. No premium will be paid on the Bonds in the event of such a redemption. See "THE BONDS — Redemption Provisions — Mandatory Redemption" and "THE DEVELOPMENT AND THE PRIVATE PARTICIPANTS."

Tax Credit Regulatory Agreement

The Borrower intends to qualify 100% of the units in the Development for low-income housing tax credits allocated to the Development ("Tax Credits") pursuant to Section 42 of the Code and will enter into a Tax Credit Regulatory Agreement with respect to such Tax Credits. The LIHTC Program imposes certain restrictions on the Development including certain rental restrictions, the primary restriction being that rents, including an allowance for utilities, for each unit in the Development may not exceed 30% of the imputed income of the tenant(s) of a unit. The tax credit rent restrictions may adversely affect the ability to increase rents in the future, including in cases where operating costs rise, since tax credit rent restrictions are based on area median income limits.

Environmental Matters

There are potential risks relating to environmental liability associated with the ownership of any property. If hazardous substances are found to be located on a property, the owners of such property may be held liable for costs and other liabilities relating to such hazardous substances. In the event of a foreclosure of the Mortgaged Property or active participation in the management of the Development by the Trustee on behalf of the Bondholders, the Trustee (and, indirectly, the Bondholders) may be held liable for costs and other liabilities related to hazardous substances, if any, on the site of the Mortgaged Property on a strict liability basis and such costs might exceed the value of such property.

Vacancies

The economic feasibility of the Development depends in large part upon its being substantially occupied. Although representatives of the Borrower believe, based on an independent market study of the area where the Development is located, that a substantial number of persons currently need housing facilities such as the Development, occupancy of the Development may be affected by competition from existing housing facilities or from housing facilities which may be constructed in the area served by the Development, including new housing facilities which the Borrower, or its affiliates, may construct. While the Borrower believes the Development is needed, no assurance can be given that there may not be delays in the initial renting of the Development or there may be difficulties in keeping it substantially occupied in future years.

Estimated Development Expenses; Management

The success of the Development depends upon economic conditions, successful management of the Development and other factors. Furthermore, should management of the Development in the future prove to be inefficient, increases in operating expenses might exceed increases in rents which can be supported by market conditions. The economic feasibility of the Development also depends to a large extent on operating expenses. No assurances can be given that moneys available to the Borrower from operation of the Development will be sufficient to make the required payments on the Note.

Competing Facilities

The Issuer, affiliates of the Borrower and others may develop, construct and/or operate other facilities that could compete with the Development for tenants. Any competing facilities, if so constructed, could adversely affect occupancy of the Development.

The Credit Facility

The Credit Provider will issue the Credit Facility which will authorize the Trustee to demand payment under or request advances under, as applicable, the Credit Facility, in accordance with the terms and conditions set forth in the applicable Credit Facility. Such draws or requests are to be made periodically in an amount equal to the interest due on the Bonds and, in the event of the redemption, tender for purchase by a Bondholder, mandatory tender for purchase by a Bondholder or acceleration of the maturity of the Bonds, in an amount not to exceed the principal amount or purchase price of the Bonds to be redeemed or purchased plus accrued interest on such principal amount or purchase price. The Credit Facility is the Bondholders' expected source of payment of principal of and interest on the Bonds. Certain information with respect to the Credit Provider and the Credit Facility is included in this Official Statement under the headings "SECURITY AND EXPECTED SOURCES OF PAYMENT FOR THE BONDS — Credit Facility," "THE BANK," "FANNIE MAE" and APPENDIX I: "PROPOSED FORM OF THE FANNIE MAE CREDIT FACILITY." Prospective purchasers of the Bonds should analyze the credit and liquidity qualifications of the Bank and, on the assumption that Conversion will occur, Fannie Mae, in making any investment decision regarding the Bonds. In the event the Credit Provider is unable to pay the principal of and interest on the Bonds as such payments become due, the Bonds will be payable solely from moneys received by the Trustee pursuant to the Note.

Risks While in Variable Rate Mode

While the Bonds are in the Weekly Variable Rate Mode (a) they are subject to optional redemption without premium and (b) the interest rate borne by the Bonds is fully floating, subject to the Maximum Rate. Following the Conversion Date, the Borrower has agreed to enter into Hedge Documents which, among other things, mitigate interest rate risk for the Borrower and impose certain additional obligations on the Borrower.

THE LOAN SERVICER

The following has been provided by Column Guaranteed LLC (the "Loan Servicer") and none of the Borrower, the Issuer or the Underwriter, subject to the standard of review found on the inside cover hereof, will assume any responsibility for the accuracy and completeness of such information.

Beginning on the Conversion Date, the Loan Servicer will perform mortgage servicing functions with respect to the Loan on behalf of and in accordance with Fannie Mae requirements. The servicing arrangements between Fannie Mae and the Loan Servicer for the servicing of the Loan are solely between Fannie Mae and the Loan Servicer and neither the Issuer nor the Trustee is deemed to be party thereto or has any claim, right, obligation, duty or liability with respect to the servicing of the Loan.

The Loan Servicer will be obligated, pursuant to its arrangements with Fannie Mae and Fannie Mae's servicing requirements, to perform diligently all services and duties customary to the servicing of mortgages, as well as those specifically prescribed by Fannie Mae. Fannie Mae will monitor the Loan Servicer's performance and has the right to remove the Loan Servicer with or without cause. The duties

performed by the Loan Servicer include general loan servicing responsibilities, collection and remittance of principal and interest payments, administration of mortgage escrow accounts and collection of insurance claims.

The selection (or replacement) of the Loan Servicer is in the sole and absolute discretion of Fannie Mae. The servicing arrangements between the Loan Servicer and Fannie Mae are subject to amendment or termination from time to time without the consent of the Issuer, the Trustee or the Borrower, and none of the Trustee, the Issuer or the Borrower have any rights under, and none is a third party beneficiary of, the servicing arrangements between the Loan Servicer and Fannie Mae.

The Loan Servicer is an approved DUS seller/servicer under Fannie Mae's Delegated Underwriting and Servicing product line.

The Loan Servicer makes no representation as to the contents of this Official Statement, the suitability of the Bonds for any investor, the feasibility of performance of the Development or compliance with any securities, tax or other laws or regulations. The Loan Servicer's role is limited to underwriting and servicing the Mortgage Loan.

TAX MATTERS

In the opinion of Bond Counsel, assuming compliance with certain covenants and based upon certain representations, interest on the Bonds prior to the first change of interest rate modes for which a Favorable Opinion of Bond Counsel is required under the Indenture is excludable from gross income for federal income tax purposes under existing law, except with respect to interest on any Bond during any period while it is held by a "substantial user" of the Development or a "related person" within the meaning of Section 147(a) of the Code. The Bonds are "private activity bonds" under the Code and, therefore, interest on the Bonds is an item of tax preference that is includable in alternative minimum taxable income for purposes of determining the alternative minimum tax imposed on individuals and corporations.

The Code imposes a number of requirements that must be satisfied for interest on state or local obligations, such as the Bonds, to be excludable from gross income for federal income tax purposes. These requirements include, among other things, limitations on the use of the bond-financed Development, limitations on the use of bond proceeds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of bond proceeds be paid periodically to the United States, and a requirement that the issuer file an information report with the Internal Revenue Service. The Issuer and the Borrower have covenanted in the Indenture, Financing Agreement and Regulatory Agreement that they will comply with these requirements.

Bond Counsel's opinion will assume continuing compliance with the covenants of the Indenture, Financing Agreement and Regulatory Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes and, in addition, will rely on representations by the Issuer, the Borrower and the Underwriter with respect to matters solely within the knowledge of the Issuer, the Borrower and the Underwriter, respectively, which Bond Counsel has not independently verified. If the Issuer or the Borrower should fail to comply with the covenants in the Indenture, Financing Agreement and Regulatory Agreement or if the foregoing representations should be determined to be inaccurate or incomplete, interest on the Bonds could become includable in gross income for federal income from the date of original delivery of the Bonds, regardless of the date on which the event causing such includability occurs.

In the case of bonds used to provide residential rental housing, such as the Bonds, Section 142 of the Code requires that such bonds also satisfy the tenant eligibility requirements applicable to “qualified residential rental projects” under Section 142(d) of the Code. Section 142(d) of the Code requires that at all times during the Qualified Project Period (as defined herein) a certain percentage of the units in the Development are to be occupied by individuals with income below certain levels as provided in Section 142(d) of the Code. The “Qualified Project Period” means the period of time commencing on the first day on which 10 percent of the units in the Development are occupied and ending on the latest of the following: (1) the date that is 15 years after the date on which at least 50 percent of the units in the Development are first occupied; (2) the date on which no tax-exempt private activity bond (as defined in Section 141 of the Code) remains outstanding; or (3) the date on which any assistance provided with respect to each such project under Section 8 of the United States Housing Act of 1937, as amended, terminates. The United States Department of Treasury issued regulations (the “Regulations”) setting forth requirements for compliance with a comparable provision of the predecessor of Section 142 of the Code. The Regulations require, among other things, that (1) the low-income set aside requirement of this predecessor provision must be met on a continuous basis during the Qualified Project Period, and (2) all of the units in the Development must be rented or available for rental to the general public on a continuous basis during the Qualified Project Period. Under the Regulations, the failure to satisfy the foregoing requirements on a continuous basis or the failure to satisfy any of the other requirements of the Regulations will, unless corrected within a reasonable period of not more than 60 days after such non-compliance is first discovered or would have been discovered by the exercise of reasonable diligence, cause interest on the Bonds to be includable in gross income for federal income tax purposes as of the date of their original issue, irrespective of the date such non-compliance actually occurred.

The Issuer has established requirements, procedures and safeguards that it believes to be sufficient to ensure compliance with the requirements of the Code and the Regulations with respect to the Development. Such requirements, procedures and safeguards are incorporated into the Regulatory Agreement, the Financing Agreement and the Indenture. In addition, the Issuer and the Trustee have each covenanted in the Indenture to follow and enforce such procedures to ensure compliance with such requirements. However, no assurance can be given that in the event of a breach of any of the provisions or covenants described above, the remedies available to the Issuer and the Trustee can be judicially enforced in such manner as to assure compliance with the Code and therefor to prevent the loss of the exclusion from gross income for federal income tax purposes of the interest on the Bonds. Furthermore, if the Borrower fails to comply with the Regulatory Agreement or the Financing Agreement, the enforcement remedies available to the Issuer, the Trustee and the holders of the Bonds are severely limited and may be inadequate to prevent the loss of the excludability from gross income for federal income tax purposes of the interest on the Bonds retroactive to the date of issuance of the Bonds. In such event, there is no provision for acceleration or redemption of the Bonds, and the holders of the Bonds may be required to hold the Bonds until maturity bearing interest that is includable in gross income for federal income tax purposes.

The Code imposes an alternative minimum tax on the “alternative minimum taxable income” of an individual, if the amount of such alternative minimum tax is greater than the amount of such individual’s regular income tax. Generally, the alternative minimum tax rate for individuals is 26 percent of such taxable excess as does not exceed \$175,000 plus 28 percent of so much of such taxable excess as exceeds \$175,000. The Code also imposes a 20 percent alternative minimum tax on the “alternative minimum taxable income” of a corporation, if the amount of such alternative minimum tax is greater than the amount of the corporation’s regular income tax. Generally, the alternative minimum taxable income of an individual or corporation will include items of tax preference under the Code, such as the amount of interest received on “private activity bonds,” such as the Bonds, issued after August 7, 1986. Accordingly, Bond Counsel’s opinion will state that interest on the Bonds is an item of tax preference that

is includable in alternative minimum taxable income for purposes of determining the alternative minimum tax imposed on individuals and corporations and the environmental tax imposed on corporations.

Under the Code, taxpayers are required to report on their returns the amount of tax-exempt interest, such as interest on Bonds, received or accrued during the year. Pursuant to the Indenture, certain changes of interest rate modes are conditioned on delivery of an opinion to the effect that each such change will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes. The delivery of such opinions will depend on facts and law that exist on such future date or dates, if any. Therefore, Bond Counsel's opinions will express no opinion regarding the excludability of interest on the Bonds from gross income for federal income tax purposes, or with respect to any other matters, on and after the date or dates, if any, of any such changes. Further, Bond Counsel will express no opinion on its ability to render the opinion required in connection with such changes.

Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, taxpayers owning an interest in a FASIT that holds tax-exempt obligations and individuals otherwise qualifying for the earned income credit. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profit tax" on their effectively-connected earnings and profits, including tax-exempt interest such as interest on the Bonds. These categories of prospective purchasers should consult their own tax advisors as to the applicability of these consequences.

Except as stated above, Bond Counsel will express no opinion as to any federal, state or local tax consequences resulting from the receipt or accrual of interest on, or the acquisition, ownership or disposition of, the Bonds.

BOND COUNSEL'S OPINIONS ARE BASED ON EXISTING LAW, WHICH IS SUBJECT TO CHANGE. SUCH OPINIONS ARE FURTHER BASED ON BOND COUNSEL'S KNOWLEDGE OF FACTS AS OF THE DATE THEREOF. BOND COUNSEL ASSUMES NO DUTY TO UPDATE OR SUPPLEMENT ITS OPINIONS TO REFLECT ANY FACTS OR CIRCUMSTANCES THAT MAY THEREAFTER COME TO BOND COUNSEL'S ATTENTION OR TO REFLECT ANY CHANGES IN ANY LAW THAT MAY THEREAFTER OCCUR OR BECOME EFFECTIVE. MOREOVER, BOND COUNSEL'S OPINIONS ARE NOT A GUARANTEE OF RESULT AND ARE NOT BINDING ON THE INTERNAL REVENUE SERVICE (THE "SERVICE"); RATHER, SUCH OPINIONS REPRESENT BOND COUNSEL'S LEGAL JUDGMENT BASED UPON ITS REVIEW OF EXISTING LAW AND IN RELIANCE UPON THE REPRESENTATIONS AND COVENANTS REFERENCED ABOVE THAT IT DEEMS RELEVANT TO SUCH OPINIONS. THE SERVICE HAS AN ONGOING AUDIT PROGRAM TO DETERMINE COMPLIANCE WITH RULES THAT RELATE TO WHETHER INTEREST ON STATE OR LOCAL OBLIGATIONS IS INCLUDABLE IN GROSS INCOME FOR FEDERAL INCOME TAX PURPOSES. NO ASSURANCE CAN BE GIVEN WHETHER OR NOT THE SERVICE WILL COMMENCE AN AUDIT OF THE BONDS. IF AN AUDIT IS COMMENCED, IN ACCORDANCE WITH ITS CURRENT PUBLISHED PROCEDURES THE SERVICE IS LIKELY TO TREAT THE ISSUER AS THE TAXPAYER AND THE OWNERS MAY NOT HAVE A RIGHT TO PARTICIPATE IN SUCH AUDIT. PUBLIC AWARENESS OF ANY FUTURE AUDIT OF THE BONDS COULD ADVERSELY AFFECT THE VALUE AND LIQUIDITY OF THE BONDS DURING THE PENDENCY OF THE AUDIT REGARDLESS OF THE ULTIMATE OUTCOME OF THE AUDIT.

LEGAL MATTERS

The authorization, issuance, sale and delivery of the Bonds by the Issuer to the Underwriter are subject to the approving opinion of the Attorney General of the State of Texas and the approval of certain legal matters by Vinson & Elkins L.L.P., Bond Counsel.

Certain legal matters will be passed upon for the Bank by Bradley Arant Rose & White LLP, for Fannie Mae by its Legal Department and by O'Melveny & Myers LLP, for the Borrower by Graves, Dougherty, Hearon & Moody, P.C., Austin, Texas, and for the Underwriter by Eichner & Norris PLLC, Washington, D.C.

NO LITIGATION

The Issuer

At the time of delivery of the Bonds, the Issuer will deliver a certificate to the effect that, to the knowledge of the authorized officer of the Issuer, no litigation is pending or, to the best of its knowledge, threatened against the Issuer (a) to restrain or enjoin the issuance or delivery of the Bonds or questioning or affecting the validity of the Bonds or the proceedings and authority under which they are to be issued, or the pledge or application of any money or security provided for the payment of the Bonds, or (b) which questions the validity of any of the Indenture, the Financing Agreement, the Regulatory Agreement or the Bonds.

The Borrower

There is not now pending or, to the knowledge of the Borrower, threatened any proceeding or litigation against the Borrower affecting the ability of the Borrower to enter into or deliver the Financing Agreement or the Regulatory Agreement, seeking to restrain or enjoin the Borrower's execution and delivery of the agreements described in this Official Statement, or contesting the existence of powers of the Borrower with respect to the transactions described in this Official Statement.

ENFORCEABILITY OF REMEDIES

The remedies available to the Trustee, the Issuer and the Owners of the Bonds upon an Event of Default under the Financing Agreement, the Regulatory Agreement or the Indenture are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, including specifically the Federal Bankruptcy Code, the remedies provided for under the Federal Bankruptcy Code, the Financing Agreement, the Regulatory Agreement or the Indenture may not be readily available or may be limited.

In addition, the Financing Agreement and the Regulatory Agreement both provide that the obligations of the Borrower contained in such agreements (other than certain obligations to the Issuer and the Trustee individually and not on behalf of the Owners of the Bonds) will be limited obligations payable solely from the income and assets of the Borrower, and that no general or limited partner of the Borrower will have any personal liability for the satisfaction of any obligation of the Borrower under such agreements or of any claim against the Borrower arising out of such agreements or the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of various legal instruments by limitations imposed by the valid exercise of the constitutional powers of the State and the United States of America and bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

The Indenture provides that, among other things, absent a Wrongful Dishonor, the Credit Provider itself or Bondholders owning not less than 51% in aggregate principal amount of Bonds then Outstanding, but only with the prior written consent of the Credit Provider, will have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture or any other proceedings under the Indenture.

The Assignment also assigns certain Assigned Rights to the Credit Provider which would permit it to direct virtually all remedial proceedings, absent a Wrongful Dishonor.

CONTINUING DISCLOSURE

During the time the Bonds bear interest at a Weekly Variable Rate pursuant to the Indenture, the Bonds are exempt from the continuing disclosure requirements of Securities Exchange Commission Rule 15c2-12(b)(5). Accordingly, no continuing disclosure with respect to the Bonds, the Borrower, the Bank, Fannie Mae or the Issuer will be provided to the owners of the Bonds so long as the Bonds bear interest at a Weekly Variable Rate. Pursuant to the Financing Agreement, the Borrower covenanted and agreed that on and after adjustment of the Bonds to a Reset Rate, or the Fixed Rate it will comply with and carry out all of the provisions of a continuing disclosure agreement.

RATINGS

The Bonds have received the rating set forth on the cover page hereof from the Rating Agency based on the Letter of Credit. Any desired explanation of the significance of the rating should be obtained from the Rating Agency. Following Conversion, the Rating Agency may change the rating to reflect Fannie Mae's credit enhancement and liquidity support for the Bonds. The Underwriter will confirm, prior to the date the Trustee mails the notice to the Bondholders of the Conversion Date, the rating to be in effect with respect to the Bonds from and after the Conversion Date. Certain information and materials not included in this Official Statement were furnished to the Rating Agency. Generally, rating agencies base their rating on the information and materials so furnished and on investigations, studies, and assumptions by the rating agencies. The rating is not a recommendation to buy, sell, or hold the Bonds. There is no assurance that a particular rating will be maintained for any given period of time or that it will not be lowered or withdrawn entirely if, in the judgment of the rating agency originally establishing the rating, circumstances so warrant. Neither the Underwriter nor the Issuer has undertaken responsibility either to bring to the attention of the Owners of the Bonds any proposed revision or withdrawal of the rating of the Bonds or to oppose any such proposed revision or withdrawal. Any such change in or withdrawal of such a rating could have an adverse effect on the market price of the Bonds if an Owner attempts to sell the same.

UNDERWRITING

Banc of America Securities LLC (the “Underwriter”) has agreed to purchase the Bonds at a price of 100% of the principal amount thereof and will be paid an underwriter’s fee in an amount equal to \$90,000, inclusive of its fees and expenses. The Underwriter has agreed to purchase all of the Bonds, if any are purchased. The initial public offering price may be changed from time to time by the Underwriter.

The Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and certain dealer banks and banks acting as agents at prices lower than the public offering price stated in the immediately preceding paragraph.

The Underwriter has also been retained to serve as remarketing agent for the Bonds and will be paid an on-going remarketing fee for those services.

The Borrower has agreed to indemnify the Issuer and the Underwriter with respect to information in the Official Statement relating to the Borrower, the Development, and the description of the sources and uses of funds.

(e) any other amount received by the Trustee and required by the terms of the Indenture or the Financing Agreement to be deposited into the Redemption Account.

Disbursements from the Redemption Account. On each Redemption Date, date of acceleration of the Bonds and the Maturity Date, the Trustee will disburse from the Redemption Account (x) to the Credit Provider, the amount of any Draw or Advance, as applicable, under the Credit Facility relating to the payment of principal on the Bonds unless the Credit Provider is Fannie Mae and Fannie Mae has been reimbursed by the Loan Servicer for the amount of such Advance, or, (y) in the event of a Wrongful Dishonor or in the event a Credit Facility is not in effect, to the Bondholders, an amount equal to the principal due on the Bonds on such date. In addition, on any date on which premium payable on Bonds in connection with a redemption of such Bonds is due, the Trustee will disburse to the Bondholders, from the segregated subaccount in the Redemption Account, Available Moneys in an amount sufficient to pay such premium.

Revenue Fund – Credit Facility Account

Deposits into the Credit Facility Account. The Trustee will deposit into the Credit Facility Account all Draws and Advances, as applicable, under the Credit Facility, except that from and after the Conversion Date, (i) Advances, if any, on account of the Issuer Administration Fee are to be deposited into the Fees Account and (ii) Draws and Liquidity Advances are to be deposited into the Bond Purchase Fund pursuant to the Indenture. No other moneys are to be deposited into the Credit Facility Account and the Credit Facility Account will be maintained as a segregated account and moneys therein will not be commingled with any other moneys held under the Indenture. The Credit Facility Account is to be closed at such time as the Credit Provider has no continuing liability under the Credit Facility.

Transfers from the Credit Facility Account. The Trustee will cause amounts deposited into the Credit Facility Account to be applied on the date payment is due to the payments for which the Draw or Advance, as applicable, was made pursuant to the Credit Facility. In no event are amounts in the Credit Facility Account to be applied to the payment of principal of and interest and any premium on any Pledged Bonds or on any Bonds known by the Trustee to be held by the Borrower or any Affiliate of the Borrower. Any amounts remaining in the Credit Facility Account after making the payment for which the Draw or Advance was made pursuant to the Credit Facility are to be immediately refunded to the Credit Provider.

Revenue Fund – Fees Account

Deposits into the Fees Account. The Trustee will deposit into the Fees Account all:

- (a) Capitalized Moneys Account. Moneys transferred from the Capitalized Moneys Account pursuant to the Indenture;
- (b) Third Party Fees. Payments made by the Borrower under the Financing Agreement attributable to the Third Party Fees;
- (c) Fees and Expenses. Payments made by the Borrower under the Financing Agreement attributable to the Fees and Expenses; and
- (d) Amounts From the Credit Facility. Amounts derived from the Fannie Mae Credit Facility for the payment of the Issuer Administration Fee.

Disbursements from the Fees Account. On any date on which any amounts are required to pay any Third Party Fees or any Fees and Expenses, such amounts will be withdrawn by the Trustee from the Fees Account for payment to the appropriate party; provided, however, that amounts derived from the Credit Facility and deposited into the Fees Account will be used only to pay the Issuer Administration Fee when due. In the event the amount in the Fees Account is insufficient to pay such Third Party Fees or any Fees and Expenses, the Trustee will transfer an amount attributable to Investment Income from the Interest Account of the Revenue Fund sufficient to pay such insufficiencies. If such amounts remain insufficient to pay such Third Party Fees or any Fees and Expenses, then the Trustee will make written demand on the Borrower for the amount of such insufficiency and, pursuant to the terms of the Financing Agreement, the Borrower will be liable to promptly pay the amount of such insufficiency to the Trustee after the date of the Trustee's written demand.

No other Claims to Trust Estate. None of the Tender Agent, the Remarketing Agent or the Rebate Analyst will have any right to any moneys in any Fund or Account or otherwise in the Trust Estate other than those moneys deposited pursuant to the Indenture into the Fees Account specifically for such Person. Except as otherwise stated in the sections of the Indenture governing (a) disposition of remaining moneys (as described below under the subheading "Disposition of Remaining Moneys") and (b) the payment of outstanding amounts, the Issuer will not have any right to any moneys in any Fund or Account or otherwise in the Trust Estate other than those moneys deposited pursuant to the Indenture into the Fees Account specifically for the Issuer. Except as otherwise stated in the Indenture, the Trustee will not have any right to any moneys in any Fund or Account or otherwise in the Trust Estate other than those moneys deposited pursuant to the Indenture into the Fees Account specifically for the Trustee.

Costs of Issuance Fund

Deposits into the Costs of Issuance Fund. On or before the Closing Date the Borrower will deliver the Costs of Issuance Deposit to the Trustee. On the Closing Date, the Trustee will deposit or transfer, as applicable, the Costs of Issuance Deposit into the Costs of Issuance Deposit Account and will deposit any Net Bond Proceeds received to pay Costs of Issuance into the Net Bond Proceeds Account.

Disbursements from the Costs of Issuance Fund. The Trustee will disburse moneys on deposit in the Costs of Issuance Fund to pay Costs of Issuance. Moneys on deposit in the Costs of Issuance Deposit Account of the Costs of Issuance Fund will not be part of the Trust Estate and will be used solely to pay Costs of Issuance. Moneys on deposit in the Net Bond Proceeds Account of the Costs of Issuance Fund will be part of the Trust Estate and will be used to pay Costs of Issuance.

Disposition of Remaining Amounts. Any moneys remaining in the (i) Costs of Issuance Deposit Account of the Costs of Issuance Fund three six after the Closing Date and not needed to pay still unpaid Costs of Issuance are to be returned to the Borrower and/or (ii) the Net Bond Proceeds Account three months after the Closing Date and not needed to still pay Costs of Issuance will be transferred to the Loan Fund. Upon final disbursement, the Trustee will close the Costs of Issuance Fund.

Rebate Fund

The Rebate Fund will be held and applied as provided in the Indenture. All money at any time deposited in the Rebate Fund will be held by the Trustee in trust, to the extent required to satisfy any Rebate Requirement (as calculated by the Rebate Analyst) to the United States Government; none of the Issuer, the Borrower, the Bondholders or the Credit Provider will have any rights in or claim to such moneys. All amounts deposited into or on deposit in the Rebate Fund will be governed by the Indenture, by the Financing Agreement and by the Tax Certificate.

Bond Purchase Fund

Deposits into Bond Purchase Fund. The Trustee will deposit each of the following into the Bond Purchase Fund: (a) remarketing proceeds received upon the remarketing of Tendered Bonds to any person; and (b) or Liquidity Advances, as applicable, under the Credit Facility to enable the Trustee to pay the purchase price of Tendered Bonds to the extent that moneys obtained pursuant to clause (a) are insufficient on any date to pay the purchase price of Tendered Bonds which amounts the Trustee will transfer to the Tender Agent on or before 3:00 p.m. Eastern Time on each Tender Date.

Subject to the provisions of the Indenture permitting reimbursement of amounts owed to the Credit Provider, moneys in the Bond Purchase Fund are to be held uninvested and exclusively for the payment of the purchase price of Tendered Bonds. Amounts held to pay the purchase price for more than two years are to be applied in the same manner as provided under the Indenture with respect to unclaimed payments of principal and interest.

Disbursements from the Bond Purchase Fund. The Trustee will transfer to the Tender Agent on or before 3:00 p.m. Eastern time on each Tender Date amounts on deposit in the Bond Purchase Fund to pay the purchase price of Tendered Bonds. The Tender Agent will apply such amounts to pay the purchase price of Bonds purchased under the Indenture to the former owners of such Bonds upon presentation of the Bonds to the Tender Agent pursuant to the provisions of the Indenture governing the purchase and mandatory tender and purchase of Bonds.

Moneys to Be Held in Trust

Except for (i) moneys deposited with or paid to the Trustee for the redemption of Bonds for which notice of the redemption has been duly given and (ii) moneys on deposit in the Cost of Issuance Deposit Account of the Costs of Issuance Fund, the Rebate Fund and the Fees Account, all moneys required to be deposited with or paid to the Trustee for the account of any Fund or Account will be held by the Trustee in trust and, while held by the Trustee, will constitute part of the Trust Estate and be subject to the security interest created by the Indenture.

Moneys Held for Particular Bonds

The amounts held by the Trustee for payment of the interest, premium, if any, principal or redemption price due on any date with respect to particular Bonds, pending such payment, will be set aside, and held in trust by the Trustee for the Bondholders entitled to such payment. For the purposes of the Indenture such interest, premium, principal or redemption price, after the due date of payment, will no longer be considered to be unpaid.

Nonpresentment of Bonds

In the event any Bond is not presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three years after such principal has become due and payable, such amounts, to the extent amounts are owed to the Credit Provider as set forth in a written statement of the Credit Provider addressed to the Trustee, will be paid to the Credit Provider and any further amounts will be paid to the Borrower. Upon such payment, all liability of the Issuer and the Trustee to the holder of any Bond for the payment of such Bond will cease and be completely discharged. The obligation of the Trustee under the terms of the Indenture described in this paragraph to pay any such amounts to the Credit Provider or the Borrower will be subject to any provisions of law applicable to the Trustee or to such amounts providing other requirements for disposition of unclaimed property.

Disposition of Remaining Moneys

Provided that the rebate requirements referenced in the Indenture, the Financing Agreement and the Tax Certificate are first satisfied, any amounts remaining in the Revenue Fund or the Principal Reserve Fund after payment in full of the principal of and interest and any premium on the Bonds and any Facility Fees, Third Party Fees or Fees and Expenses will be applied to pay (i) first, to the Credit Provider any unpaid amounts certified by the Credit Provider to be due and owing to the Credit Provider, (ii) second, to the person or persons entitled to be paid, all other unpaid amounts required to be paid under the Indenture or the Financing Agreement, and (iii) third, to the Borrower the balance upon the expiration or sooner cancellation or termination of the term of the Financing Agreement as provided in the Financing Agreement.

Investment Limitations

Except as provided below, moneys held as part of any Fund or Account will be invested and reinvested in Permitted Investments. Permitted Investments will have maturities corresponding to, or will be available for withdrawal without penalty no later than, the dates upon which such moneys will be needed for the purpose for which such moneys are held. Moneys on deposit in the (i) Interest Account are to be invested only in investments described in paragraphs (a), (b), (c) and (h) of the definition of Permitted Investments, (ii) Redemption Account will be invested only in investments described in paragraph (a) or (h) of the definition of Permitted Investments, with a term not exceeding the earlier of 30 days from the date of investment of such moneys or the date or dates that such moneys are anticipated to be required for redemption, (iii) Credit Facility Account and Bond Purchase Fund will be held uninvested and (iv) Costs of Issuance Fund, until disbursed or returned to the Borrower pursuant to the Indenture, are to be invested only in investments described in paragraph (h) of the definition of Permitted Investments. Permitted Investments will be held by or under the control of the Trustee. All Investment Income from

moneys held in all Funds and Accounts other than the Loan Fund, the Rebate Fund, the Costs of Issuance Fund (other than as provided below) and the Principal Reserve Fund, upon receipt, will be deposited into the Interest Account. Investment Income from moneys held in the Loan Fund, the Rebate Fund, the Costs of Issuance Fund and the Principal Reserve Fund will remain in the respective Fund where earned.

The Credit Facility

Acceptance of the Credit Facility. The Trustee will hold the Credit Facility and will enforce in its name all rights of the Trustee and all obligations of the Credit Provider under the Credit Facility for the benefit of the Bondholders. The Trustee will not assign or transfer the Credit Facility except (i) to a successor Trustee under the Indenture, (ii) to the Credit Provider upon expiration or other termination of the Credit Facility in accordance with its terms, including expiration on its stated expiration date or (iii) upon payment under the Credit Facility of the full amount payable under the Credit Facility. The Issuer and the Trustee have acknowledged in the Indenture that the obligations of Fannie Mae as the Credit Provider under the Fannie Mae Credit Facility are not backed by the full faith and credit of the United States of America, but by the credit of Fannie Mae, a federally-chartered, stockholder owned corporation.

Draws and Requests for Advances under the Credit Facility. The Trustee will prior to the Conversion Date and from and after the Transition Date, Draw on the Letter of Credit (provided that any such Draw on the Letter of Credit in case of a purchase of Bonds in connection with a tender thereof will be made one or more days prior to the date funds are required for purchase if necessary to receive sufficient amounts for such purpose on a timely basis) or, on and after the Conversion Date, request Advances under the Fannie Mae Credit Facility or, if an Alternate Credit Facility is in effect, Draw on the Alternate Credit Facility, in each case for the payment of principal of and interest due on any Bond (to the extent required by the Indenture) or purchase price of any Bond to the extent required by the Indenture or, from and after the Conversion Date, any payment of the Issuer Administration Fee that is due and not paid by the Borrower pursuant to the Financing Agreement and in accordance with the terms of the Credit Facility then in effect and cause the proceeds of any Draw or Advance, as applicable, to be applied so that full and timely payments are made on each date on which payment of principal, interest or the purchase price is due on any Bond or, from and after the Conversion Date, the Issuer Administration Fee is due and not paid by the Borrower pursuant to the Financing Agreement. The Trustee will not request, and will not apply the proceeds of, any Draw or Advance, as applicable, to pay (a) principal of, interest on or the purchase price of, any Pledged Bond or any Bond known by the Trustee to be held by the Borrower or any Affiliate of the Borrower, (b) premium that may be payable upon the redemption of any of the Bonds or (c) interest that may accrue on any of the Bonds on or after the maturity of such Bond. Prior to making a Draw or requesting an Advance, as applicable, to pay principal of or interest on the Bonds on an Interest Payment Date, the Trustee will determine the amount necessary to make such payment of principal or interest.

Return of Payments under the Credit Facility. In the event the Trustee receives a Draw or an Advance, as applicable, from the Credit Provider on account of any Tendered Bond and thereafter the Trustee receives remarketing proceeds upon the remarketing of such Tendered Bond, then the Trustee will promptly reimburse the Credit Provider with such funds to the extent of the amount so paid by the Credit Provider as a reimbursement on behalf of the Borrower.

Alternate Credit Facility

Subject to the terms of the Credit Facility Documents, the Trustee will accept any Alternate Credit Facility delivered to the Trustee in substitution for the Credit Facility then in effect if:

- (a) the Alternate Credit Facility meets the requirements of the Indenture;

(b) the Substitution Date for the Alternate Credit Facility is an Interest Payment Date during a Weekly Variable Rate Period or an Adjustment Date which immediately follows a Reset Period;

(c) the Alternate Credit Facility is effective on and from the Substitution Date for such Alternate Credit Facility; and

(d) the Trustee receives on or prior to the effective date of the Alternate Credit Facility (i) an Opinion of Counsel to the Credit Provider issuing the Alternate Credit Facility, in form and substance satisfactory to the Issuer and the Trustee, relating to the due authorization and issuance of the Alternate Credit Facility, its enforceability and that the Alternative Credit Facility satisfies the requirements of the Indenture, and (ii) a Favorable Opinion of Bond Counsel.

The Trustee will give notice to the Bondholders by first class mail, postage prepaid, of the substitution of such Alternate Credit Facility for the Credit Facility then in effect as provided in the Indenture. On the Substitution Date, the Trustee will, if necessary, Draw or request an Advance on the Credit Facility being replaced and will not surrender such Credit Facility until all requests thereon have been honored.

Terms and Conditions of the Initial Letter of Credit

Delivery. The Borrower has agreed, upon the initial authentication and delivery of the Bonds, to arrange for the delivery of the Letter of Credit by the Bank to, and in favor of, the Trustee, for the benefit of the Bondholders. The Letter of Credit will secure the Bonds in accordance with its terms only so long as the Mode in effect for the Bonds is the Weekly Variable Rate.

Draws. So long as the Letter of Credit is in effect the Trustee will make timely Draws in accordance with the Letter of Credit such that (a) timely payment of principal and interest is made on the Bonds as required by the Indenture and (b) timely payment of the purchase price of Tendered Bonds that have not been remarketed is made under the provisions of the Indenture governing purchase and remarketing of the Bonds. The Trustee will make such Draws in such fashion as to be able to obtain on the applicable payment date, such funds to the extent necessary to permit the Trustee or the Tender Agent, as the case may be, to make such payment when due in accordance with the Indenture. If any such Draws are made on a Mandatory Tender Date in connection with the delivery of an Alternate Credit Facility, such Draws will be made upon the Letter of Credit and not on the Alternate Credit Facility.

Extension. For any extension of the term of the Letter of Credit, the Trustee will, at the direction of an Authorized Bank Representative, but only if required to evidence an extension of the term of the Letter of Credit, surrender the Letter of Credit to the Bank in exchange for a new letter of credit or the Letter of Credit with notations on it, as the Bank may so elect, conforming in all material respects to the Letter of Credit, but with the extended expiration date. Any such extension is to be for a period of at least three months or, if less, until the fifteenth day following the maturity date of the Bonds.

Pledged Bonds and Bonds Held by Borrower. No draws are to be made by the Trustee under the Letter of Credit for payment of any Pledged Bond or Bond known by the Trustee to be held by the Borrower or any Affiliate of the Borrower.

Draw Requirement. The Trustee will not terminate or surrender the Letter of Credit until the Trustee has made such Draw(s), if any, required under the Indenture to provide for payment in full of the principal of and interest on the Bonds, and has received the proceeds of such Draw(s) from the Bank.

Beneficiary of Letter of Credit. The Trustee will have the obligation to hold and maintain the Letter of Credit for the benefit of the Owners of the Bonds until the Letter of Credit terminates or expires in accordance with its terms.

Surrender of Letter of Credit. When the Letter of Credit terminates or expires in accordance with its terms, the Trustee will immediately surrender it to the Bank. The Trustee has agreed in the Indenture that, except in the case of a redemption of Bonds in part or any other reduction in the principal amount of Bonds Outstanding, it will not under any circumstances request that the Bank reduce the amount of the Letter of Credit. If at any time all Bonds cease to be Outstanding, the Trustee will surrender the Letter of Credit to the Bank in accordance with its terms.

Wrongful Dishonor

Upon a Wrongful Dishonor, the Trustee will give immediate telephonic notice of such dishonor to the Remarketing Agent, the Issuer, the Borrower, and the Credit Provider and, prior to the Conversion Date, also to Fannie Mae and the Loan Servicer.

Discharge of Lien and Security Interest

Discharge. Upon satisfaction of the conditions described in the following paragraph, the Trustee will (i) cancel and discharge the Indenture and the pledge and assignment of the Security, (ii) execute and deliver to the Issuer such instruments in writing prepared by the Issuer or its counsel and provided to the Trustee and the Credit Provider as may be required to cancel and discharge the Indenture and the pledge and assignment of the Trust Estate, (iii) release, reconvey, assign and deliver to the Issuer so much of the Trust Estate as may be in its possession or subject to its control (except for (A) moneys and Government Obligations held for the purpose of paying Bonds and (B) moneys and Investments held in the Rebate Fund for payment to the United States Government) who will, in turn, convey, assign and deliver the remaining Trust Estate to the Borrower, and (iv) return the Credit Facility to the Credit Provider.

Conditions to Discharge. The conditions precedent to the cancellation and discharge of the Indenture and the other acts described in the immediately preceding paragraph are (i) payment in full of the Bonds, (ii) payment of the Trustee's Annual Fee and the Trustee's ordinary costs and expenses under the Indenture, (iii) receipt by the Trustee of a written statement from the Credit Provider stating that all obligations owed to the Credit Provider under the Credit Facility Documents have been fully paid, (iv) payment of all Extraordinary Items, (v) receipt by the Trustee of a written statement from the Issuer stating that all amounts owed to the Issuer in respect of Reserved Rights have been fully paid and (vi) receipt by the Trustee of an Opinion of Counsel, at the expense of the Borrower, stating that all conditions precedent to the satisfaction and discharge of the Indenture have been satisfied.

Survival of Rights and Powers. The Reserved Rights of the Issuer and the rights and powers granted to the Trustee with respect to the payment, transfer and exchange of Bonds will survive the cancellation and discharge of the Indenture.

Payment of Outstanding Amounts

If the Bonds have been paid in full, but any one or more of the other conditions precedent described under "Discharge of Lien and Security Interest — Conditions to Discharge" above are not satisfied because an amount has not been paid, the Trustee, prior to cancellation and discharge of the Indenture, will pay to the persons listed below, in the strict order set out below, the amounts required to satisfy those conditions precedent:

(a) *Issuer Administration Fee, Trustee's Annual Fee and Ordinary Costs and Expenses.* If any portion of the Issuer Administration Fee, Trustee's Annual Fee or ordinary costs and expenses of the Trustee remain unpaid, the Trustee will pay to the appropriate party so much of the Trust Estate as will fully pay such unpaid amounts. No Extraordinary Items may be included under this subsection (a).

(b) *Credit Provider.* If the Trustee receives a written statement from the Credit Provider stating that moneys are owed to the Credit Provider under the Credit Facility Documents or the Loan Documents, including obligations in respect of reimbursement of funds advanced by the Credit Provider to the Trustee for application to the payment of Remarketing Expenses, the Trustee will pay to the Credit Provider so much of the remaining Trust Estate as will fully pay all amounts due and owing to the Credit Provider, as determined by the Credit Provider. The reimbursement from the Trust Estate of amounts advanced by the Credit Provider for application to the payment of Remarketing Expenses will be made with interest at a rate equal to (i) prior to the Conversion Date and after the Transition Date, the Prime Rate (as that term is defined in the Reimbursement Agreement) plus three percentage points or (ii) after the Conversion Date, the Prime Rate (as that term is defined in the Reimbursement Agreement) plus two percentage points, from the date or dates of such advances through the date of such reimbursement. The Trustee is authorized to rely on the written statement of the Credit Provider as to the amount of such advances and interest accrued on such advances.

(c) *Trustee Extraordinary Items.* If any Extraordinary Items have not been paid to the Trustee, the Trustee will pay to itself so much of the remaining Trust Estate as will fully pay all amounts owing to the Trustee for Extraordinary Items.

(d) *Issuer's Reserved Rights and Other Fees.* If the Trustee receives a written statement from the Issuer stating that moneys are owed to the Issuer in respect of the Reserved Rights, the Trustee will pay to the Issuer so much of the remaining Trust Estate as will fully pay all amounts owing to the Issuer in respect of the Reserved Rights. If any portion of the Issuer's Compliance Fee or Asset Oversight Agent's Fee remains unpaid, the Trustee will pay to the appropriate party so much of the Trust Estate as will fully pay such unpaid amounts.

Defeasance

The Bonds may not be defeased pursuant to the Indenture while the Bonds are in the Weekly Variable Rate Mode.

Defaults and Remedies

Each of the following constitutes an Event of Default under the Indenture:

(a) default in the payment when due and payable of any interest due on any Bond (other than a Pledged Bond) or, unless the Bank specifies otherwise by written notice to the Trustee, on any Bond purchased in lieu of redemption by the Bank pursuant to the Indenture;

(b) default in the payment when due and payable of (i) the principal of or any redemption premium on any Bond (other than a Pledged Bond) or, unless the Bank specifies otherwise by written notice to the Trustee, Bond purchased in lieu of redemption by the Bank pursuant to the Indenture at maturity or upon any redemption or (ii) the purchase price of any Tendered Bond (other than a Pledged Bond);

(c) written notice to the Trustee from the Credit Provider of a default by the Issuer in the observance or performance of any covenant, agreement, warranty or representation on the part of the

Issuer included in the Indenture or in the Bonds (other than an Event of Default described in (a) or (b) above) and the continuance of such default for a period of 30 days after the Trustee receives such notice;

(d) written notice to the Trustee from the Credit Provider of an Event of Default under the Reimbursement Agreement;

(e) written notice to the Trustee from the Credit Provider of an Act of Bankruptcy; or

(f) a Wrongful Dishonor.

The Trustee will immediately notify the Issuer, the Loan Servicer (from and after the Conversion Date), the Borrower, the Limited Partners and the Credit Provider after the Trustee obtains knowledge or receives notice of the occurrence of an Event of Default under the Indenture or an event which would become such an Event of Default with the passage of time, the giving of notice or both, identifying the paragraph in the Indenture under which the Event of Default has occurred or may occur.

Non-Default and Prohibition of Mandatory Redemption upon Tax Event. The occurrence of any event ("Tax Event") which results in the interest payable on the Bonds being includable, for federal income tax purposes, in the gross income of the Bondholders, including any violation of any provision of the Regulatory Agreement or any of the other Bond Documents, will not (i) directly or indirectly constitute an Event of Default under the Indenture or permit any party (other than the Credit Provider) to accelerate, or require acceleration of, the Loan or the Bonds, unless the Credit Provider provides written notice to the Trustee that such Tax Event constitutes a default under the Reimbursement Agreement, (ii) give rise to a mandatory redemption of the Bonds, or (iii) give rise to the payment to the Bondholders of any amount denoted as "supplemental interest," "additional interest," "penalty interest," "liquidated damages," "damages" or otherwise in addition to the amounts payable to the owners of the Bonds prior to the occurrence of the Tax Event. No terms of the Indenture described in this paragraph will be deemed to amend or supplement the terms of the Loan Documents. Promptly upon determining that a Tax Event has occurred, the Issuer or the Trustee, by notice in writing to the Credit Provider, the Loan Servicer, all Registered Owners of the Bonds and the Remarketing Agent, will state that a Tax Event has occurred and whether the Tax Event is cured, curable within a reasonable period or incurable. Notwithstanding the availability of the remedy of specific performance to cure a Tax Event that is curable within a reasonable period, neither the Issuer nor the Trustee will have, upon the occurrence of a Tax Event, any right or obligation to cause or direct acceleration of the Bonds or the Loan, to enforce the Note or to foreclose the Security Instrument, to accept a deed to the Mortgaged Property in lieu of foreclosure, or to effect any other comparable conversion of the Mortgaged Property.

Acceleration, Redemption and Mandatory Tender

Acceleration. Upon:

(a) the occurrence and during the continuance of a Wrongful Dishonor, the Trustee may, and, upon the written request of Bondholders owning not less than 51% in aggregate principal amount of Bonds then Outstanding, must, by written notice to the Issuer, the Borrower, the Credit Provider and the Loan Servicer (from and after the Conversion Date), declare the principal of all Bonds and the interest accrued, and to accrue, on the Bonds to the date of payment immediately due and payable; or

(b) the occurrence of any other Event of Default under the Indenture, the Trustee may, upon receiving the prior written consent of the Credit Provider, and must, upon the written direction of the Credit Provider requiring that the Bonds be accelerated pursuant to this subsection, by written notice to the Issuer, the Borrower, the Credit Provider and the Loan Servicer (from and after the Conversion Date),

declare the principal of all Bonds and the interest accrued, and to accrue, on the Bonds to the date of declaration immediately due and payable.

Redemption and Mandatory Tender. Upon the occurrence of an Event of Default as a result of an event of default under the Reimbursement Agreement:

(a) if the Credit Provider so directs pursuant to the Indenture, the Bonds will be redeemed in whole or in part in the amount specified by and at the direction of the Credit Provider; or

(b) if the Credit Provider so directs pursuant to the Indenture, the Bonds will be subject to mandatory tender.

Notwithstanding anything to the contrary in the Indenture, if the Credit Provider directs that the Bonds be redeemed in part pursuant to the Indenture, the Credit Provider may further direct on one or more other occasions under this subsection that the Bonds be redeemed in whole or in part or that the Bonds be subject to mandatory tender. See “THE BONDS — Redemption Provisions — Mandatory Redemption — After an Event of Default Under the Reimbursement Agreement.”

Notice

Acceleration. Upon any decision to accelerate payment of the Bonds, the Trustee will notify the Bondholders of the declaration of acceleration, that, in the event of acceleration as described in subparagraph (b) above under “Acceleration” above, interest on the Bonds will cease to accrue upon such declaration, and payment of the Bonds will be made upon presentment of the Bonds at the Designated Office of the Trustee. Such notice will be sent by registered mail or overnight delivery service, postage prepaid, or, at the Trustee’s option, may be given by Electronic Means to each Registered Owner of Bonds at such Registered Owner’s last address appearing in the Bond Register. Any defect in or failure to give notice of such declaration will not affect the validity of such declaration.

Redemption. Upon the direction of the Credit Provider to redeem the Bonds in whole or in part pursuant the Indenture and as provided in the Indenture, immediate notice of redemption will be given.

Mandatory Tender. Upon any direction of the Credit Provider that the Bonds be subject to mandatory tender, the Trustee will give notice to the Bondholders as provided in the Indenture.

Payment Under Credit Facility

Immediately upon acceleration, mandatory redemption or mandatory tender of the Bonds, the Trustee will draw on the Letter of Credit, request an Advance under the Fannie Mae Credit Facility, or Draw on the Alternate Credit Facility then in effect, as applicable, in accordance with its terms.

Other Remedies

Upon the occurrence and continuance of an Event of Default under the Indenture, the Trustee may, with or without taking action under the terms of the Indenture governing acceleration of the Bonds (as described under “Acceleration” above), but only with the prior written consent of the Credit Provider, and must at the direction of the Credit Provider if the Event of Default occurs under the Indenture as described in paragraphs (c), (d) or (e) under “Events of Default” above, pursue any of the following remedies:

(a) an action in mandamus or other suit, action or proceeding at law or in equity (i) to enforce the payment of the principal of and interest and any premium on the Bonds, (ii) for the specific performance of any covenant or agreement contained in the Indenture, the Financing Agreement or the Regulatory Agreement or (iii) to require the Issuer to carry out any other covenant or agreement with Bondholders and to perform its duties under the Act;

(b) the liquidation of the Trust Estate; or

(c) an action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the Bondholders and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Bondholders against the Issuer allowed in any bankruptcy or other proceeding.

Subject to the provisions of the Indenture governing rights of the Credit Provider and the Bondholders to direct proceedings and the requirement, if any, that the Credit Provider consent in writing to the exercise by the Trustee of any remedy, upon the occurrence and continuance of an Event of Default under the Indenture, the Trustee will exercise such of the rights and powers conferred by the Indenture as the Trustee, being advised by counsel, deems most effective to enforce and protect the interests of the Bondholders and, unless a Wrongful Dishonor has occurred and is continuing, the Credit Provider.

Waiver

Subject to the conditions precedent set out below, (i) the Trustee may waive, (ii) the Trustee will waive if directed to do so by the Credit Provider and the Bank in writing, and (iii) Bondholders owning not less than 51 percent in aggregate principal amount of Bonds then Outstanding may waive, by written notice to the Trustee, any Event of Default under the Indenture and its consequences and rescind any declaration of acceleration of maturity of principal. The conditions precedent to any waiver are:

(a) unless waiver is directed by the Credit Provider, the Credit Provider consents to such waiver in writing;

(b) the principal and interest on the Bonds in arrears, together with interest thereon (to the extent permitted by law) at the applicable rate or rates of interest borne by the Bonds has been paid or provided for by the Borrower in Available Moneys or by the Credit Provider and all fees and expenses of the Trustee have been paid or provided for by the Borrower or the Credit Provider; and

(c) after the waiver, the Credit Facility remains in effect in an amount equal to the aggregate principal amount of the Bonds Outstanding (other than Pledged Bonds) plus the Interest Requirement, provided, however, that such waiver will be permitted without the Credit Facility remaining in effect if (i) the Issuer consents to the waiver, (ii) the Rating Agency then rating the Bonds is notified and the Trustee gives written notice to the Bondholders that the ratings on the Bonds may be reduced or withdrawn upon the occurrence of such waiver, and (iii) 100% of the Bondholders consent to the waiver.

Upon any such waiver, the default or Event of Default will be deemed cured and will cease to exist for all purposes and the Issuer, the Borrower, the Trustee and the Bondholders will be restored to their former positions and rights under the Indenture. No waiver of any default or Event of Default will extend to or affect any subsequent default or Event of Default or will impair any right or remedy consequent thereto.

Rights of the Credit Provider and the Bondholders to Direct Proceedings

Notwithstanding anything contained in the Indenture to the contrary, the Credit Provider itself or Bondholders owning not less than 51% in aggregate principal amount of Bonds then Outstanding, but only with the prior written consent of the Credit Provider, will have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture or any other proceedings under the Indenture, provided, however, that such direction will not be otherwise than in accordance with the provisions of law and of the Indenture, and provided that the Trustee will be indemnified to its reasonable satisfaction (except for actions required under the provisions of the Indenture governing acceleration of the Bonds).

No Bondholder has or will have the right to enforce the provisions of the Indenture or the Financing Agreement, or to institute any proceeding in equity or at law for the enforcement of the Indenture or the Financing Agreement, or to take any action with respect to an Event of Default under the Indenture or an Event of Default under the Financing Agreement, or to institute, appear in or defend any suit or other proceeding with respect to the Indenture or the Financing Agreement upon an Event of Default unless (i) such Event of Default is a Wrongful Dishonor, (ii) such Bondholder has given the Trustee, the Issuer, the Credit Provider, the Loan Servicer (from and after the Conversion Date) and the Borrower written notice of the Event of Default, (iii) the holders of not less than 51% in aggregate principal amount of Bonds then Outstanding have requested the Trustee in writing to institute such proceeding, (iv) the Trustee has been afforded a reasonable opportunity to exercise its powers or to institute such proceeding, (v) the Trustee has been offered reasonable indemnity, where required, and (vi) the Trustee has thereafter failed or refused to exercise such powers or to institute such proceeding within a reasonable period of time. No Bondholder has or will have any right in any manner whatever to affect, disturb or prejudice the pledge of revenues or of any other moneys, Funds, Accounts or securities under the Indenture. Except as described in this paragraph, no Bondholder has or will have under the Indenture the right, directly or indirectly, individually or as a group, to seek to enforce, collect amounts available under, or otherwise realize on, the Credit Facility.

Application of Moneys

Amounts derived from payments under the Credit Facility (other than amounts derived from an Advance under the Fannie Mae Credit Facility to pay the Issuer Administration Fee) will be deposited into the Credit Facility Account and applied solely to pay the principal of and interest on the Bonds. Amounts on deposit in the Bond Purchase Fund will be applied solely to pay the purchase price of the Bonds. All other moneys received by the Trustee pursuant to any action taken under the terms of the Indenture governing Events of Default under the Indenture and remedies therefor, subject to the provisions of the Indenture governing the application of certain moneys at the direction of the Credit Provider (as described herein under the heading "Certain Moneys to be Applied at the Direction of the Credit Provider") will be deposited into the Interest Account and the Redemption Acct, as applicable, after payment of the ordinary costs and expenses of the Trustee and less such amounts as the Trustee determines may be needed for possible use in paying future fees and expenses and for the preservation and management of the Development (as identified by the Credit Provider), are to be applied as set out below:

Unless the principal on all Bonds has become or been declared due and payable, all moneys will be applied:

First - to the payment of all interest then due on the Bonds, in the order of the maturity of such interest and, if the amount available is not sufficient to pay in full said amount, then to the payment ratably, of the amounts due on such payment, without any discrimination or privilege;

Second - to the payment of the unpaid principal of any of the Bonds which have become due (other than Bonds matured or called for redemption for the payment of which moneys are held pursuant to the Indenture), in the order of due dates, with interest upon the principal amount of the Bonds from the respective dates upon which they become due at the rate or rates borne by the Bonds, to the extent permitted by law, and, if the amount available is not sufficient to pay in full the principal of such Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled to such payment without any discrimination or privilege; and

Third - to the payment of amounts owed to the Credit Provider under the Credit Facility Documents and the Loan Documents, and then to any amounts due to the Trustee for Extraordinary Items, for this purpose including the costs and expenses of any proceedings resulting in the collection of such moneys and of advances incurred or made by the Trustee.

If the principal of all the Bonds has become or been declared due and payable, all such moneys will be applied first, to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably according to the amounts due respectively for principal and interest to the persons entitled to payment, until all such principal and interest has been paid; second, to pay the Credit Provider amounts owed to it under the Credit Facility Documents and the Loan Documents; and third, to any other amounts due and payable under the Indenture.

Whenever moneys are to be applied pursuant to the terms of the Indenture described herein under "Application of Moneys," such moneys are will applied at such times, and from time to time, as the Trustee determines, having due regard for the amount of such moneys available for application, the likelihood of additional moneys becoming available for such application in the future, and potential expenses relating to the exercise of any remedy or right conferred on the Trustee by the Indenture. Whenever the Trustee applies such moneys, it will fix the date (which will be an Interest Payment Date unless it deems an earlier date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date will cease to accrue unless interest has already ceased to accrue in accordance with the Indenture. The Trustee will give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and will not be required to make payment to the owner of any Bond until such Bond is presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

The Trustee

The Trustee has been appointed and agreed to act in such capacity and to perform the duties of the Trustee under the Indenture, the Financing Agreement, the Assignment and the Regulatory Agreement upon the express terms and conditions of the Indenture.

Qualification. The Trustee and any successor Trustee will at all times be a bank or trust company organized under the laws of the United States of America or any state, authorized under such laws to exercise corporate trust powers, having a combined capital stock, surplus and undivided profits of at least \$50,000,000 (or an affiliate of a corporation or banking association meeting that requirement which guarantees the obligations and liabilities of the Trustee) and subject to supervision or examination by federal or state banking authority.

Resignation or Removal of Trustee. The Trustee may resign only upon giving 60 days prior written notice to the Issuer, the Credit Provider, the Loan Servicer (from and after the Conversion Date), the Borrower and to each Registered Owner of Bonds then Outstanding as shown on the Bond Register. The Trustee may be removed at any time upon 30 days prior written notice to the Trustee, (i) by the Issuer, with the prior written consent of the Credit Provider, (ii) by the owners of not less than 51% in aggregate principal amount of Bonds then Outstanding, which written instrument will designate a successor Trustee approved by the Credit Provider, or (iii) by the Credit Provider. Such resignation or removal will not be effective until a successor Trustee satisfying the requirements of the Indenture is appointed and has accepted its appointment.

Appointment of Successor Trustee. Upon the resignation or removal of the Trustee, a successor Trustee, satisfying the requirements of the Indenture, will be appointed by the Issuer with the prior written consent of the Credit Provider (unless appointed by the Bondholders as provided in the Indenture), provided, however, that if the Borrower is then in default under any Bond Document or any Loan Document or if an event has occurred and is continuing which, with notice or the passage of time or both, would constitute such a default, such appointment will be made by the Issuer with the prior written consent of the Credit Provider. If, in the case of resignation or removal of the Trustee, no successor is appointed within 30 days after the notice of resignation or within 30 days after removal, as the case may be, then, in the case of a resignation, the resigning Trustee will appoint a successor with the prior written consent of the Issuer and the Credit Provider or is to apply to a court of competent jurisdiction for the appointment of a successor Trustee and, in the case of a removal, the Credit Provider will have the right to appoint a successor Trustee or to apply to a court of competent jurisdiction for the appointment of a successor Trustee. The successor Trustee must accept in writing its duties and responsibilities under the Indenture, the Financing Agreement, the Assignment and the Regulatory Agreement.

The Tender Agent

The initial Tender Agent is the Trustee. The Tender Agent will designate to the Trustee, the Issuer, the Remarketing Agent and the Credit Provider its Designated Office and signify its acceptance of the duties and obligations imposed upon it under the Indenture by a written instrument of acceptance delivered to the Trustee under which such Tender Agent will agree particularly to: (a) act as agent for the Trustee for the purpose of authenticating, accepting delivery of and delivering Bonds in accordance with the provisions of the Indenture relating to authentication and delivery of Bonds; (b) forward to the Trustee immediately after completion of such authentication the names, addresses, taxpayer identification numbers or social security numbers of all persons in whose names the Bonds are to be registered; (c) deliver authenticated and registered Bonds to or to the order of the persons in whose names such Bonds are registered; (d) as agent for the Trustee, hold all moneys delivered to it for the purchase of Bonds in trust in the Bond Purchase Fund (or deliver to the Trustee for deposit in the Bond Purchase Fund) for the account of the person who delivered such moneys until the Bonds purchased with such moneys have been registered, authenticated and delivered to or to the order of such person; and (e) hold all Bonds delivered to it for purchase in trust for the owner of such Bonds until such owner has received the purchase price for such Bonds.

The Tender Agent will be entitled to the same protections, immunities and limitations from liability afforded the Trustee under the Indenture. The Issuer will cooperate with the Trustee, the Borrower and the Credit Provider to cause the necessary arrangements to be made and to be continued by which amounts from the sources specified in the Indenture and in the Financing Agreement are to be made available for the purchase of Bonds presented at the Designated Office of the Tender Agent, and by which Bonds, executed by the Issuer and to be authenticated by the Tender Agent, are to be made available to the Tender Agent to the extent necessary for delivery pursuant to the terms of the Indenture.

The Tender Agent may resign by giving no less than 30 days prior written notice to the Borrower, the Trustee, the Credit Provider, the Loan Servicer and the Issuer. The Tender Agent may be removed by the Borrower with the written approval of the Issuer and Credit Provider, by an instrument signed by the Borrower stating the reason for such removal filed with the Tender Agent, the Trustee, the Credit Provider and the Issuer. The Trustee or the Credit Provider is authorized, with the prior written approval of the Issuer and the Credit Provider or the Trustee, as applicable, to remove the Tender Agent and appoint a successor. No removal of the Tender Agent will be effective until a successor Tender Agent has been appointed and has accepted such appointment. Failing such appointment by the Borrower prior to the effective date of the Tender Agent's resignation, the Credit Provider will have the right to appoint a successor Tender Agent acceptable to the Issuer. Any successor Tender Agent will be a trust company or bank having trust powers and in good standing, within or without the State. The provisions described in this paragraph will apply if the resignation of the Tender Agent is due to the fact that the Tender Agent no longer exists. In no event will the resignation or removal of the Tender Agent take effect prior to the date a successor Tender Agent has been appointed and is serving under the Indenture and the Tender Agent Agreement.

Supplemental Indentures; Amendments

Supplemental Indentures Not Requiring Bondholder Consent. The Issuer and the Trustee, without the consent of or notice to any Bondholder, may enter into an indenture or indentures supplemental to the Indenture for one or more of the following purposes:

- (a) to cure any ambiguity or to correct or supplement any provision contained in the Indenture or in any supplemental indenture which may be defective or inconsistent with any other provision contained in the Indenture or in any supplemental indenture;
- (b) to amend, modify or supplement the Indenture in any respect if such amendment, modification or supplement is not materially adverse to the interests of the Bondholders;
- (c) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee, or to grant or pledge to the Trustee for the benefit of the Bondholders any additional security other than that granted or pledged under the Indenture;
- (d) to modify, amend or supplement the Indenture in such manner as to permit qualification under the Trust Indenture Act of 1939, as amended, or any similar federal statute then in effect, or to permit the qualification of the Bonds for sale under the securities laws of any of the States of the United States;
- (e) to appoint a successor trustee, separate trustee or co-trustee, or a separate Tender Agent or Bond Registrar;

(f) to make any change requested by the Credit Provider which is not materially adverse to the interests of the Bondholders, including, but not limited to, provision of a Credit Facility other than or in substitution for the initial Credit Facility, provided that the provision of such other Credit Facility does not adversely affect the rating then in effect for the Bonds;

(g) to make any changes in the Indenture or in the terms of the Bonds necessary or desirable in order to maintain the then current rating awarded to the Bonds by the Rating Agency or otherwise to comply with requirements of any Rating Agency then rating the Bonds;

(h) to comply with the Code, the Act, the rules or policies of the Issuer and the regulations and rulings issued with respect to the Code, to the extent determined as necessary in an opinion of Bond Counsel;

(i) to modify, alter, amend or supplement the Indenture in any other respect, including amendments which would otherwise be described in the provisions of the Indenture governing supplemental indentures requiring Bondholder consent (as described in “Supplemental Indentures Requiring Bondholder Consent” below), (1) if such amendments will take effect on a Mandatory Tender Date following the purchase of Tendered Bonds or (2) if notice of the proposed supplemental indenture is given to Bondholders (in the same manner as notices of redemption are given) at least 30 days before the effective date of such amendment, modification, alteration or supplement and, on or before such effective date, the Bondholders have the right to demand purchase of their Bonds pursuant to the Indenture; and

(j) to change any of the time periods for provision of notice relating to the remarketing of Bonds or the determination of the interest rate on the Bonds.

If the Trustee has received written confirmation from the Rating Agency to the effect that such supplemental indenture will not result in the suspension, withdrawal or reduction of the then current rating on the Bonds and all conditions precedent in the Indenture have been satisfied, the Trustee will join the Issuer in the execution of any such supplemental indenture.

Supplemental Indentures Requiring Bondholder Consent. The Issuer and the Trustee may, with the consent of Bondholders owning not less than 51% in aggregate principal amount of Bonds then Outstanding, from time to time, execute indentures supplemental to the Indenture for the purpose of modifying, amending any of the provisions of the Indenture provided, however, that no terms of the Indenture described under this heading “Supplemental Indentures Requiring Bondholder Consent” permits, or will be construed as permitting:

(a) an extension of the maturity of the principal of or interest on, or the mandatory redemption date of, any Bond, without the consent of the owner of such Bond;

(b) a reduction in the principal amount of, or the rate of interest on, any Bond, without the consent of the owner of such Bond;

(c) a preference or priority of any Bond or Bonds over any other Bond or Bonds, without the consent of the owners of all such Bonds;

(d) the creation of a lien prior to or on parity with the lien of the Indenture, without the consent of the owners of all of the Bonds then Outstanding;

(e) a change in the percentage of Bondholders necessary to waive an Event of Default under the Indenture or otherwise approve matters requiring Bondholder approval under the Indenture, including

consent to any supplemental indenture, without the consent of the owners of all the Bonds then Outstanding;

(f) a transfer, assignment or release of the Credit Facility (or modification of the provisions of the Indenture governing such transfer, assignment or release), other than as permitted by the Indenture or the Credit Facility, without the consent of the owners of all of the Bonds then Outstanding;

(g) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental indenture, without the consent of the holders of all of the Bonds then Outstanding;

(h) the creation of any lien other than a lien ratably securing all of the Bonds at any time Outstanding under the Indenture, without the consent of the holders of all of the Bonds then Outstanding; or

(i) the amendment of the provisions of the Indenture described under this heading "Supplemental Indentures Requiring Bondholder Consent," without the consent of the holders of all of the Bonds then Outstanding.

Notice of any amendment pursuant to the terms of the Indenture described above is to be given to the Bondholders promptly following the execution of such amendment.

No Bondholder Consent Required for Amendment to Loan Documents

Unless a Wrongful Dishonor has occurred and is continuing, the Credit Provider alone may consent to any amendment to the Loan Documents and no consent of the Bondholders is required; provided, however, that any amendment or substitution of the Note is to occur only following written confirmation of the Rating Agency that such amendment or substitution will not result in a reduction or withdrawal of the rating on the Bonds.

Amendments to the Credit Facility

The Credit Facility may only be amended, supplemented or otherwise changed in accordance with the following:

At the request of the Credit Provider, the Trustee will exchange the Credit Facility with the Credit Provider for a new Credit Facility (a "Replacement Credit Facility") issued by the Credit Provider, provided that there is delivered to the Trustee (i) a written confirmation from the Rating Agency to the effect that such exchange will not adversely affect the rating then in effect for the Bonds and (ii) a Favorable Opinion of Bond Counsel. No such exchange will require the approval of the Issuer, the Trustee or any of the Bondholders or constitute or require a modification or supplement to the Indenture.

The Trustee may consent, without the consent of the owners of the Bonds, to any amendment to the Credit Facility not otherwise addressed in the immediately preceding paragraph which does not prejudice in any material respect the interest of the Bondholder. Except as otherwise described herein under the heading "Amendments to the Credit Facility," the Credit Facility may be amended only with the consent of the Trustee and the owners of a majority of all Outstanding Bonds. No amendment may be made to the Credit Facility which would reduce the amounts required to be paid under the Credit Facility or change the time for payment of such amounts; provided, however, that any such amounts may be reduced without such consent solely to the extent that such reduction represents a reduction in any fees payable from such amounts.

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE FINANCING AGREEMENT

The following is a brief summary of certain provisions of the Financing Agreement that have not been described elsewhere in this Official Statement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Financing Agreement, a copy of which is on file with the Trustee.

The Loan

The Issuer has authorized the issuance of the Bonds in the aggregate principal amount of \$15,000,000. The Issuer has agreed to make the Loan in the amount of \$15,000,000 to the Borrower with the Net Bond Proceeds. Upon the issuance and delivery of the Bonds, the Issuer will deliver the Net Bond Proceeds to the Trustee. The Loan will be deemed made in full upon deposit of the Net Bond Proceeds into the Loan Fund. The Borrower has accepted the Loan from the Issuer upon the terms and conditions set forth in the Financing Agreement and the Loan Documents, subject to the terms of the Indenture, the Regulatory Agreement and the Assignment. Disbursements will be made from the Loan Fund as provided in the Indenture. The Borrower has agreed in the Financing Agreement to apply the proceeds of the Loan to pay the costs of acquiring, constructing and equipping the Mortgaged Property.

The Loan will be evidenced by, payable in accordance with, and bear interest at the rates and on the terms provided in, the Note and secured by the Security Instrument. Pursuant to the Note, the Borrower is unconditionally obligated to timely pay amounts sufficient to pay, when due, the principal of, premium, if any, and interest on, and the purchase price of, the Bonds.

The Borrower has agreed to cause credit enhancement for the Loan or the Bonds and liquidity support for the Bonds to be in effect in the amounts and during the periods as required by the Indenture. From time to time, the Borrower may arrange for the delivery to the Trustee of one or more Alternate Credit Facilities meeting the requirements of the Indenture and the requirements of the Financing Agreement (set forth below) in substitution for the Credit Facility then in effect.

Prior to the Conversion Date, the Borrower may, upon satisfaction of the conditions set forth in the Indenture, arrange for the delivery to the Trustee of an Alternate Credit Facility in substitution for the Letter of Credit, but only if (a) the Alternate Credit Facility by its terms, has a term expiring no earlier than one day following the Outside Conversion Date and (b) terminates on the Conversion Date upon the Trustee's receipt of the Fannie Mae Credit Facility. Except as provided below, on the Conversion Date, the Fannie Mae Credit Facility, and only the Fannie Mae Credit Facility, will be substituted for the Credit Facility then in effect; provided, however, that Fannie Mae's obligation to provide the Fannie Mae Credit Facility is subject to the satisfaction of all the terms and conditions of the Fannie Mae Commitment and the satisfaction of all of the Conditions to Conversion set forth in the Construction Phase Financing Agreement on or before the Termination Date.

After the earlier of the Conversion Date or the Transition Date, the Borrower may, upon satisfaction of the conditions set forth in the Indenture, arrange for the delivery to the Trustee of an Alternate Credit Facility in substitution for the Credit Facility then in effect.

Payment of Fees, Costs and Expenses

The Borrower will pay when due, without duplication, the fees, expenses and other sums set forth below.

Fees Due at Closing. The Borrower will pay or provide for the payment of all Costs of Issuance and the Trustee's acceptance fee, if any, on the Closing Date.

Third Party Fees. The Borrower will pay the Third Party Fees on a monthly basis. Each monthly payment will be in an amount equal to the aggregate of all of the Third Party Fees prorated monthly so that the Trustee will have the full amount of each fee available in the Fees Account to pay each Third Party Fee as it becomes due without regard to whether any Third Party Fee is payable monthly, annually or on any other periodic basis. The Third Party Fees are as follows:

- (a) The Issuer Fees.
- (b) The Trustee's Annual Fee.
- (c) The Tender Agent's Annual Fee.
- (d) The Remarketing Agent's Fee.
- (e) The Rebate Analyst's Fee, if any.
- (f) The Asset Oversight Agent's Fee.

Fees and Expenses. The Borrower has agreed in the Financing Agreement to pay the following fees and expenses:

- (a) The annual rating maintenance fee of each Rating Agency.
- (b) The Extraordinary Items.
- (c) All advances, out-of-pocket expenses, costs and other charges of each of the Asset Oversight Agent, the Issuer, the Rebate Analyst, the Remarketing Agent, the Tender Agent and the Trustee incurred from time to time, but only to the extent that any such amounts are payable by the Borrower pursuant to an agreement between the Borrower and such Person regarding its services in connection with the Bonds or the Loan.
- (d) All costs of registering, printing, reprinting, preparing and delivering any replacement bonds required under the Indenture and in connection with the registration, printing, reprinting or transfer of Bonds.
- (e) All fees, costs and expenses of any change in Mode or of any tender, purchase, redemption, remarketing or reoffering of any Bonds. The fees, costs and expenses of any tender, purchase, remarketing or reoffering of Bonds must be paid by the Borrower in advance in accordance with the Remarketing Agreement or other agreement relating to the remarketing or reoffering of the Bonds.
- (f) All fees, costs and expenses in connection with Conversion.

The Borrower has agreed to timely honor any demand for payment by the Trustee pursuant to the Indenture on account of any insufficiency in the Fees Account.

Borrower's Obligations upon Tender of Bonds

If any Tendered Bond is not remarketed on any Tender Date and a sufficient amount is not available in the Bond Purchase Fund for the purpose of paying the purchase price of such Bond, the Borrower will cause to be paid to the Trustee pursuant to the Credit Facility or otherwise pay by the applicable times provided in the Indenture, an amount equal to the principal amount of all Bonds tendered and not remarketed, together with interest accrued to the Tender Date.

Obligation of the Borrower to Pay Deficiencies

The Borrower will pay any deficiency resulting from any loss due to a default under any investment in any Fund or Account or a change in value of any investment.

Nature of Borrower's Obligations; Security for the Obligations

To the fullest extent permitted by law, the obligations of the Borrower to repay the Loan, to pay in all events amounts sufficient to timely pay, when due, the principal of, premium, if any, and interest on, the Bonds, to make all payments and perform its other obligations under the Financing Agreement, including but not limited to, the payment of the Rebate Amount, to provide indemnification, and to pay and perform all of its obligations under the Transaction Documents will be absolute, unconditional and irrevocable, will be paid and performed strictly in accordance with the applicable Transaction Documents under all circumstances, including, without limitation, the following circumstances: (a) any invalidity or unenforceability of the Credit Facility or any of the other Transaction Documents; (b) any amendment or waiver of, or any consent to departure from, the terms of the Credit Facility or any of the other Transaction Documents, any extension of time or other modification of the terms and conditions for any act to be performed in connection with the Credit Facility or any of the other Transaction Documents; (c) the existence of any claim, set-off, defense or other right which the Borrower may have at any time against the Issuer, the Trustee, the Tender Agent, the Credit Provider, the Loan Servicer, the Remarketing Agent or any other Person, whether in connection with any of the Transaction Documents, the Mortgaged Property, or any unrelated transaction; (d) the surrender or impairment of any security for the performance or observance of any of the agreements or terms of any of the Transaction Documents; (e) defect in title to the Mortgaged Property, any act or circumstance that may constitute failure of consideration, destruction of, damage to or condemnation of the Mortgaged Property, commercial frustration of purpose, or any change in the tax or other laws of the United States of America or of the State or any political subdivision of either; (f) the breach by the Issuer, the Trustee, the Tender Agent, the Remarketing Agent, the Credit Provider, the Loan Servicer or any other Person of any of its obligations under any Transaction Document; or (g) any other circumstance, happening or omission whatsoever, whether or not similar to any of the foregoing.

Except as provided in the last sentence of this paragraph, the obligations of the Borrower under the Financing Agreement and the obligations of the Borrower under the Regulatory Agreement to pay money, including the obligations of the Borrower with respect to the Reserved Rights, will be (a) general obligations of the Borrower with recourse to the Borrower personally, and (b) subordinate and junior in priority, right of payment and all other respects to any and all obligations of the Borrower under the Loan

Documents and to the Credit Provider under or in respect of the Credit Facility Documents. Nothing in this paragraph will apply to the obligations of the Borrower under any of the Loan Documents, including, without limitation, the obligation relating to the payment of principal and interest on the Note or the Bonds.

All obligations of the Borrower under the Financing Agreement and under the Regulatory Agreement, including the obligations of the Borrower with respect to the Reserved Rights, will not be secured by the Security Instrument and will not constitute a lien on the Mortgaged Property in any manner.

No subsequent owner of the Mortgaged Property (including the Credit Provider as a result of a foreclosure, a deed in lieu of foreclosure or comparable conversion of the Loan) will be liable for any breach or default of any obligation of any prior owner under the Regulatory Agreement or the Financing Agreement, including any payment or indemnification obligation. The owner of the Mortgaged Property at the time any default or breach occurs will remain liable for any and all damages occasioned by such default or breach even after such Person ceases to be the owner. Upon seeking to collect such damages, neither the Issuer nor the Trustee will have recourse against or the right to levy against or otherwise collect on any judgment from the Mortgaged Property.

Additional Charges

The Borrower has agreed to pay when due each and all of the following:

(a) (i) All indemnity payments required to be made under the Financing Agreement to the Issuer and the Trustee; (ii) all fees (including attorneys' fees) and expenses incurred by the Issuer to exercise its Reserved Rights under the Financing Agreement; and (iii) all other expenses incurred by the Issuer and Trustee in relation to the Development which are not otherwise required to be paid by the Borrower under the terms of the Financing Agreement or any separate fee agreement, including costs incurred as a result of a request by the Borrower.

(b) Any and all extraordinary fees and expenses of the Issuer and of the Trustee incurred by or on behalf of either of them at any time related to the Development which are not paid from the amounts held under the Indenture, including, without limitation, legal fees and expenses incurred in connection with the interpretation, performance, enforcement or amendment of the Indenture, the transaction documents or any other documents relating to the Development or the Bonds or in connection with any federal or state tax audit or any questions or other matters arising under such documents. Such costs and expenses will include, without limitation, charges for title insurance (including endorsements), filing, recording and escrow charges, fees for appraisal, architectural and engineering review, construction services and environmental services, mortgage taxes, document review and preparation, expenses of legal counsel and any other fees and costs for services, regardless of whether such services are furnished by the Issuer's or Trustee's employees or agents or independent contractors. Amounts payable or reimbursable, as the case may be, as described under this heading, will include, but not be limited to, (i) all costs of printing any replacement Bonds required to be issued under the Indenture to the extent such costs are not paid by the holders and (ii) the fees and expenses of any experts retained by the Trustee and/or Issuer pursuant to the terms of the Indenture or any of the Transaction Documents.

(c) In accordance with the terms of the Financing Agreement, any Costs of Issuance in excess of amounts available in the Costs of Issuance Fund.

(d) In accordance with the terms of the Financing Agreement, the Rebate Amount to the extent that the funds available under the Indenture for the payment thereof are not sufficient or available therefor.

Covenants Regarding the Tax-Exempt Status of the Bonds

The Borrower will not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the excludability of interest on the Bonds from gross income, as defined in Section 61 of the Code, for federal income tax purposes. The Borrower agrees that, among other things:

(a) (i) During such time that an amount of Net Proceeds of Bonds that is less than 40% of the Sale Proceeds has been spent, then all of the Net Proceeds of the Bonds will have been applied to the payment of Qualified Project Costs that are costs of a “qualified residential rental project” (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is “functionally related and subordinate” thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations) except for expenditures for Costs of Issuance, provided that amounts expended for Costs of Issuance do not exceed 2% of the Sale Proceeds. (ii) once an amount of Net Proceeds of the Bonds that is 40% or more than 40% of the Sale Proceeds has been spent, then at least 95% of the Net Proceeds of the Bonds actually expended will be used to pay Qualified Project Costs that are costs of a “qualified residential rental project” (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is “functionally related and subordinate” thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(b) Less than 25% of the Net Proceeds of the Bonds actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein;

(c) No portion of the Proceeds of the Bonds in excess of 2% of the Sale Proceeds will be expended to pay Costs of Issuance of the Bonds within the meaning of Section 147(g) of the Code;

(d) The Borrower will not use or permit the use of any Proceeds of the Bonds or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises;

(e) The Borrower will not take any action or omit to take any action with respect to the Gross Proceeds of the Bonds or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively would cause any Bond to be classified as an “arbitrage bond” within the meaning of Section 148 of the Code. The Borrower has agreed to take all steps necessary to compute and pay any rebatable arbitrage in accordance with Section 148(f) of the Code;

(f) Except to the extent permitted by Section 149(b) of the Code and the Treasury Regulations and rulings thereunder, the Borrower will not take or omit to take any action which would cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Treasury Regulations and rulings thereunder; and

(g) No portion of the Net Bond Proceeds will be used for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed with the proceeds of the Bonds (with respect to structures other than buildings, this clause will be applied by substituting 100 percent for 15 percent). For purposes of the preceding sentence, the term “rehabilitation expenditures” will have the meaning set forth in section 147(d)(3) of the Code.

Repairs and Maintenance Required by State Law; Physical Needs Assessment

The Borrower will submit to the Issuer, within 15 Business Days of receipt thereof, copies of the most recent Physical Needs Assessment required by the Fannie Mae Replacement Reserve Agreement (as defined in the Financing Agreement), any response by the Borrower to the Physical Needs Assessment, any repairs made in response to the Physical Needs Assessment, and, subject to the Replacement Reserve Agreement, information on any necessary adjustments to amounts held in the Replacement Reserve based on the Physical Needs Assessment.

The Borrower will maintain the Development and make repairs as specified in the Physical Needs Assessment and will otherwise comply with Section 2306.186(e) of the Texas Government Code.

Borrower’s Obligations

The Borrower has released the Issuer, the Trustee, the Tender Agent, the Dissemination Agent and their respective officers, directors, agents, officials, employees (and, as to the Issuer, members of its governing body) and any person who controls the Issuer, the Trustee, the Dissemination Agent or the Tender Agent within the meaning of the Securities Act of 1933, from, and has covenanted and agreed to indemnify, hold harmless and defend the Issuer, the Trustee, the Dissemination Agent, the Tender Agent and their respective officers, directors, employees, agents, members of its governing body, officials and any person who controls such party within the meaning of the Securities Act of 1933 and employees and each of them from and against, any and all losses, claims, demands, damages, liabilities and expenses (including attorneys’ fees and expenses), taxes, causes of action, suits and judgments of any nature, joint or several, by or on behalf of any person arising out of certain events as further described in the Financing Agreement.

Events of Default and Remedies

Events of Default. The occurrence of any one or more of the following events will constitute an Event of Default under the Financing Agreement:

(a) The Borrower fails to pay when due any amount payable by the Borrower under the Financing Agreement.

(b) The Borrower fails to observe or perform any covenant or obligation in the Financing Agreement on its part to be observed or performed for a period of 30 days after receipt of written notice from the Trustee specifying such failure and requesting that it be remedied, provided, however, that if the failure cannot be corrected within such period, it will not constitute an Event of Default if the failure is correctable without material adverse effect on the validity or enforceability of the Bonds or on the

exclusion from gross income, for federal income tax purposes, of the interest on the Bonds, and if corrective action is instituted by the Borrower or the Limited Partner within such period and diligently pursued until the failure is corrected, and provided further that any such failure is cured within 90 days of receipt of notice of such failure.

(c) The Credit Provider provides written notice to the Trustee of an Event of Default under the Financing Agreement by reason of the occurrence of an Event of Default under the Reimbursement Agreement. No Event of Default under the Reimbursement Agreement will constitute a default under the Financing Agreement unless specifically declared to be so by the Credit Provider.

(d) The Borrower fails to comply with the provisions described under “Repairs and Maintenance Required by State Law; Physical Needs Assessment,” as required by Section 2306.186 of the Texas Government Code, and fails to remedy such default or breach within thirty days after mailing of a notice to it by the Issuer.

Remedies upon an Event of Default. Subject to the Assignment, whenever any Event of Default occurs and is continuing under the Financing Agreement, the Issuer, or the Trustee acting on behalf of the Issuer, may take one or any combination of the following remedial steps:

(a) by written notice to the Borrower, declare all amounts then due and payable on the Note to be immediately due and payable;

(b) exercise any of the rights and remedies provided in the Loan Documents;

(c) take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and afterward to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under the Financing Agreement; and

(d) Whenever any Event of Default described in (d) above under “Events of Default and Remedies” will have occurred and be continuing, the Issuer will take whatever action at law or in equity to collect a penalty equal to \$200 times the number of Units in the Development, and to enforce performance and observance of any obligation, agreement, covenant, representation or warranty of the Borrower under the Financing Agreement or the Regulatory Agreement to comply with Section 2306.186 of the Texas Government Code.

No Levy or Other Execution against Mortgaged Property

Neither the Issuer nor the Trustee will have any right to levy, execute or enforce any judgment in respect of the Borrower’s obligations under the Financing Agreement, including the Reserved Rights, against the Mortgaged Property or any other property of the Borrower that secures the obligations of the Borrower under the Loan or to the Credit Provider under any of the Credit Facility Documents.

Enforcement of Reserved Rights

Subject to the terms of the Regulatory Agreement and the Assignment, the Issuer, without the consent of the Trustee, but only after written notice to the Trustee, the Loan Servicer, the Credit Provider, the Bank and the Borrower, may take whatever action may appear necessary or desirable to specifically enforce the performance and observance of any of the Issuer’s Reserved Rights, provided that the Issuer may not, without the prior written consent of the Trustee and the Credit Provider (a) terminate the Financing Agreement or cause the Loan to become due and payable or (b) cause the Trustee to declare the principal of all Bonds then Outstanding and the interest accrued on the Bonds to be immediately due and

payable, or cause the Trustee to accelerate, foreclose or take any other action or seek other remedies under the Bond Documents, the Loan Documents or any other documents contemplated by the Financing Agreement or by such other documents to obtain such performance or observance. Nothing in the Financing Agreement will be interpreted as in any way limiting the ability of the Issuer from enforcing the provisions of the Regulatory Agreement.

Waiver and Annulment

Unless the Credit Provider otherwise consents in writing, neither the Issuer nor the Trustee may waive or annul any Event of Default under the Financing Agreement unless (a) all amounts that would then be payable under the Financing Agreement by the Borrower if such Event of Default had not occurred and was not continuing, are paid by or on behalf of the Borrower, and (b) the Borrower also performs all other obligations in respect of which it is then in default under the Financing Agreement and pays the charges and expenses of the Issuer and the Trustee, including attorneys' fees and expenses paid or incurred in connection with such default. No waiver or annulment will extend to or affect any subsequent Event of Default or impair any right or remedy consequent on such Event of Default.

No Remedy Exclusive

All rights and remedies provided in the Financing Agreement are cumulative, nonexclusive and in addition to any and all rights and remedies that the Issuer and the Trustee may have or may be given by reason of any law, statute, ordinance or otherwise.

No Waiver

No delay or omission to exercise any right or power accruing upon any Event of Default under the Financing Agreement will impair any such right or power or will be construed to be a waiver of such Event of Default, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT

The following is a brief summary of certain provisions of the Regulatory Agreement that have not been described elsewhere in this Official Statement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Regulatory Agreement, a copy of which is on file with the Trustee.

The Borrower will execute the Regulatory Agreement with respect to the Development. The Regulatory Agreement contains representations and covenants of the Borrower concerning the acquisition, construction, and equipping of the Development and the tax-exempt status of the Bonds that must be complied with continuously subsequent to the date of issuance of the Bonds in order that interest on the Bonds be excluded from gross income for federal income tax purposes. For purposes of the Regulatory Agreement the following terms have the meanings set forth below.

“*Annual Income*” means the anticipated annual income of all persons who intend to reside in one Unit calculated pursuant to Section 8 of the Housing Act as required by Section 142(d) of the Code.

“*Costs of Issuance*” means all items of expense related to the authorization, sale, issuance and delivery of the Bonds, as described in Section 147(g) of the Code including, without limitation, printing costs, costs of reproducing documents, counsel fees (including Bond Counsel, Trustee’s counsel, Issuer’s counsel, Borrower’s counsel, as well as any other specialized counsel fees incurred in connection with the issuance of the Bonds), initial Trustee fees and expenses with respect to the Bonds, any fee to the Issuer or expenses incurred by the Issuer that pays or reimburses the Issuer for direct and indirect costs of the Issuer related to the issuance of the Bonds, the expenses of the initial purchaser in acquiring the Bonds and legal fees and charges, financial advisory fees, placement agent’s fees and accountant fees related to issuance of the Bonds, costs of credit ratings, bond registrar and paying agent fees, title insurance fees, survey fees and recording and filing fees, including any applicable documentary stamp taxes, intangible tax and the mortgage registration tax, fees and charges for execution, transportation and safekeeping of Bonds, and charges and fees in connection with the foregoing.

“*Eligible Tenants*” means (i) individuals and families of extremely low, low and very low income, (ii) families of moderate income (in each case in the foregoing clauses (i) and (ii) as such terms are defined by the Issuer under the Act), and (iii) Persons with Special Needs, in each case, with an Annual Income not in excess of 140% of the area median income for a four person household in the applicable standard metropolitan statistical area; provided that all Low-Income Tenants will count as Eligible Tenants.

“*Housing Act*” means the United States Housing Act of 1937, as amended, or a successor thereto.

“*Investment Proceeds*” is defined in Section 1.148-1(b) of the Regulations and generally consists of any amounts actually or constructively received from investing Proceeds.

“*Issue Price*” means “issue price” as defined in Sections 1273 and 1274 of the Code, unless otherwise provided in Sections 1.148-0 through 1.148-11 of the Regulations and, generally, is the aggregate initial offering price (excluding to bond houses, brokers and similar persons or organizations acting in the capacity of wholesalers or underwriters) at which a substantial amount (at least 10 percent) of each maturity of Bonds is sold.

“Low-Income Tenant” means a tenant whose Annual Income is 60% or less of Median Gross Income for the Area, as determined under Section 142(d)(2)(B) of the Code. If all the occupants of a Unit are students (as defined under Section 151(c) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code, such occupants will not qualify as Low-Income Tenants. The determination of a tenant’s status as a Low-Income Tenant will be made by the Owner upon initial occupancy of a Unit in the Development by such tenant, and annually thereafter, on the basis of a Tenant Income Certification executed by each tenant; provided, however that once a tenant qualifies as a Low-Income Tenant, such tenant will continue to qualify annually upon recertification except as provided in the Regulatory Agreement.

“Low-Income Unit” means a Unit that is included as a Unit satisfying the requirements of the Set Aside.

“Median Gross Income for the Area” means, with respect to the Development, the median income for the households in the area which includes the standard metropolitan statistical area in which the Development is located, as determined from time to time by the Secretary of Housing and Urban Development, under Section 8 of the Housing Act (or if such program is terminated, median income determined under the program in effect immediately before such termination), in each case as adjusted for family size.

“Persons with Special Needs” means persons who (i) are considered to be disabled or handicapped under State or federal law, (ii) are elderly, meaning 60 years of age or more, (iii) are designated by the governing board of the Issuer as experiencing a unique need for decent, safe housing that is not being met adequately by private enterprise, or (iv) are legally responsible for caring for an individual described by clauses (i), (ii) or (iii) above and meet the income guidelines established by the governing board of the Issuer.

“Proceeds” is defined in Section 1.148-1(b) of the Regulations and generally means any Sale Proceeds, Investment Proceeds and Transferred Proceeds of the Bonds.

“Qualified Project Period” means, with respect to the Development, the period beginning on the first day on which 10% of the Units are occupied and ending on the latest of (i) the date that is 15 years after the date on which at least 50% of the Units in the Development are occupied, (ii) the first date on which no tax-exempt private activity bond issued with respect to the Development is outstanding for federal income tax purposes, or (iii) the date on which any assistance provided with respect to the Development under Section 8 of the Housing Act terminates.

“Regulations” means the applicable proposed, temporary or final Income Tax Regulations promulgated under the Code or, to the extent applicable to the Code, under the Internal Revenue Code of 1954, as such regulations may be amended or supplemented from time to time.

“Related Person” has the meaning set forth in Section 144(a)(3) of the Code, and generally means a partner of the Owner, a person whose relationship with the Owner would result in a disallowance of losses under Section 267 or 707(b) of the Code or a person who, together with the Owner, is a member of the same controlled group of corporations (as defined in Section 1563(a) of the Code, except that “more than 50 percent” will be substituted for “at least 80 percent” each place it appears therein).

“Sale Proceeds” is defined in Section 1.148-1(b) of the Regulations and generally consists of any amounts actually or constructively received from the sale (or other disposition) of any Bond, including amounts used to pay underwriters’ discount, if any, or compensation and accrued interest other than pre-

issuance accrued interest. Sale Proceeds also include amounts derived from the sale of a right that is associated with any Bond and that is described in Section 1.148-(b)(4) of the Regulations.

“*Set Aside*” means at least 40% of the Units (except for Units occupied or reserved for a resident manager or security or maintenance personnel that are functionally related and subordinate to the Development and are reasonably required for the Development).

“*State Restrictive Period*” means, with respect to the Development, the period the first day on which the Borrower takes legal possession of the Development, and at least 10% of the Units are available for occupancy and ending on the latest of (i) the date that is 30 years after the first day of the State Restrictive Period, (ii) the first date on which no tax-exempt private activity bond issued with respect to the Development is outstanding for federal income tax purposes, or (iii) the date on which any assistance provided with respect to the Development under Section 8 of the Housing Act terminates.”

“*Tenant Income Certification*” means a certification as to income and other matters executed by the household members of each tenant in the Development, in accordance with the Regulatory Agreement.

“*Transferred Proceeds*” means, with respect to any portion of the Bonds that is a refunding issue, proceeds that have ceased to be proceeds of a refunded issue and are transferred proceeds of the refunding issue by reason of Section 1.148-9 of the Regulations.

“*Unit*” means a residential accommodation containing separate and complete facilities for living, sleeping, eating, cooking and sanitation located within the Development.

Tax-Exempt Status of the Bonds

The Borrower will not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the excludability of interest on the Bonds from gross income, as defined in Section 61 of the Code, for federal income tax purposes. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that prior to the final maturity of the Bonds, unless it has received and filed with the Issuer and Trustee an opinion of Bond Counsel to the effect that failure to comply with any such covenant or agreement, in whole or in part, will not adversely affect the exclusion from gross income for federal income tax purposes of interest paid or payable on the Bonds (other than interest on any Bond for a period during which such Bond is held by a “substantial user” of any facility financed with the proceeds of the Bonds or a “related person,” as such terms are used in Section 147(a) of the Code and except as a result of any minimum tax, preference tax or other similar tax):

Qualified Residential Rental Project. The Borrower covenants and agrees that the Development will be operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the Qualified Project Period, to the end that the interest on the Bonds will be excluded from gross income for federal income tax purposes. In particular, the Borrower has covenanted and agreed, at all times during the Qualified Project Period, as follows:

(a) that the Development will qualify as residential rental property and will be owned, managed and operated at all times during the Qualified Project Period as a qualified residential rental project comprised of residential dwelling units and facilities functionally related and subordinate thereto, in accordance with Section 142(d) of the Code;

(b) the Development will consist of one building or structure or several proximate and interrelated buildings or structures, each of which will be a discrete edifice or other man-made construction consisting of an independent foundation, outer walls and a roof, and all of which (A) will be located on a single tract of land or two or more parcels of land that are contiguous (i.e., their boundaries meet at one or more points) except for the interposition of a road, street, stream or similar property, (B) are owned by the same person for federal income tax purposes, and (C) were financed pursuant to a common plan;

(c) substantially all of the Development will consist of similarly constructed dwelling units together with functionally related and subordinate facilities for use by Development tenants, such as swimming pools, other recreational facilities, parking areas, heating and cooling equipment, trash disposal equipment, units for resident managers, security personnel or maintenance personnel and other facilities that are reasonably required for the Development;

(d) each Unit in the Development will contain complete facilities for living, sleeping, eating, cooking and sanitation, e.g., a living area, a sleeping area, bathing and sanitation facilities, and cooking facilities equipped with a cooking range, refrigerator and sink, all of which will be separate and distinct from other units;

(e) each Unit in the Development will be rented or available for rental on a continuous basis to Eligible Tenants (subject to the limitations contained in the Regulatory Agreement and the Financing Agreement) at all times during the Qualified Project Period (unless occupied by or reserved for a resident manager, security personnel or maintenance personnel), that the Borrower will not give preference in renting Units to any particular class or group of persons, other than to Low-Income Tenants and other Eligible Tenants as provided in the Regulatory Agreement, and that at no time will any portion of the Development be exclusively reserved for use by a limited number of nonexempt persons in their trades or businesses;

(f) at no time during the Qualified Project Period above will any Unit in any building or structure in the Development which contains fewer than five units be occupied by the Borrower;

(g) at no time during the Qualified Project Period will any of the Units in the Development be utilized on a transient basis by being leased or rented for a period of less than thirty days or by being used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, sanitarium, nursing home, rest home, trailer park or trailer court; and

(h) the land and the facilities will be functionally related and subordinate to the Units comprising the Development and will be of a size and character that is commensurate with the size and number of such dwelling units.

Further Covenants. The Borrower has represented, covenanted and agreed, continuously during the Qualified Project Period, that:

(a) at least 40% of the Units (except for Units occupied or reserved for a resident manager or security or maintenance personnel that are functionally related and subordinate to the Development and are reasonably required for the Development) within the Development that are available for occupancy will be occupied or held vacant and available for occupancy at all times by Low-Income Tenants. For the purposes of this subparagraph (i), a vacant Unit that was most recently occupied by a Low-Income Tenant is treated as rented and occupied by a Low-Income Tenant until reoccupied, at which time the character of such Unit will be redetermined; and

(b) the Borrower will obtain income certifications from each Low-Income Tenant and maintain complete and accurate records pertaining to Low-Income Tenants and file and maintain all documents, reports and records required by Section 142(d) of the Code and the Regulatory Agreement, including tenant income certifications.

Housing Development During the State Restrictive Period

The Issuer and the Borrower have recognized and declared their understanding and intent that the Development is to be owned, managed and operated as a “housing development,” as such term is defined in Section 2306.004(13) of the Act, and in compliance with applicable restrictions and limitations as provided in the Act and the rules of the Issuer, until the expiration of the State Restrictive Period. To the same end, the Borrower has represented, covenanted and agreed, among other things, as follows during the State Restrictive Period:

(a) except for Units occupied or reserved for a resident manager and maintenance and security personnel that are reasonably required for the Development, to assure that 100% of the Units are reserved for Eligible Tenants; provided that, in accordance with the Borrower’s election under Section 1372.0321 of the Texas Government Code, 100% of the Units will be reserved for Low-Income Tenants; and

(b) to obtain a tenant income certification from each tenant at least annually after the tenant’s initial occupancy and to prepare reports required by the Regulatory Agreement.

Maximum Allowable Rents

During the State Restrictive Period, the Borrower has represented, covenanted and agreed that in consideration for and as required by the reservation granted under Chapter 1372 of the Texas Government Code, as amended, the maximum rent charged by the Borrower for 100% of the Units will not exceed amounts provided in the Regulatory Agreement, which amounts will be annually redetermined by the Borrower, subject to review by the Issuer in connection with its ongoing compliance reviews and will not exceed for 100% of the Units, 30% of the income for a family whose income equals 60% of the Median Gross Income for the Area, minus an allowance for utility costs. Such allowances for utility costs will be determined by the procedures authorized under the federal low-income housing tax credit program.

Persons With Special Needs

The Borrower has represented, covenanted and warranted that (a) at least 5% of the Units within the Development have been designed to be accessible to Persons with Special Needs and hardware and cabinetry will be stored on site or will be provided to be installed on an as needed basis in such Units and (b) during the State Restrictive Period it will use its best efforts (including giving preference to Persons with Special Needs) to: (i) make at least 5% of the Units within the Development available for occupancy by Persons with Special Needs, (ii) make reasonable accommodations for such persons, and (iii) allow reasonable modifications, at the tenant’s sole expense (including the cost of removing the modifications and restoring the related Unit at the end of the tenant’s occupancy) pursuant to the Housing Act. During the State Restrictive Period, the Borrower will maintain written policies regarding the Owner’s outreach program and marketing program to Persons with Special Needs.

Default; Remedies

Upon a violation of any of the provisions of the Regulatory Agreement by the Borrower, the Trustee or the Issuer will give written notice thereof to the Borrower, the Limited Partner and, during such time that Fannie Mae is the Credit Provider, the Loan Servicer.

If a violation of the Regulatory Agreement is not corrected by the Borrower to the satisfaction of the Trustee and the Issuer within the time and otherwise as provided in the Regulatory Agreement, without further notice the Issuer or the Trustee may declare a default under the Regulatory Agreement effective on the date of such declaration of default and upon such default the Issuer or the Trustee may bring action for specific performance to enforce the obligations of the Borrower under the Regulatory Agreement or by mandamus or other suit, action or proceeding at law or in equity, require the Borrower to perform its obligations and covenants under the Regulatory Agreement or enjoin any acts or things which may be lawful or in violation of the rights of the Issuer or Trustee thereunder or otherwise seek injunctive relief.

Sale or Transfer of the Development or Change in General Partner

The Borrower has covenanted and agreed not to sell, transfer or otherwise dispose of the Development, prior to the expiration of the Qualified Project Period (other than pursuant to the lease of Units to Eligible Tenants), without (a) complying with any applicable provisions of the Regulatory Agreement, the Financing Agreement and the Loan Documents and (b) obtaining the prior written consent of the Issuer. Such consent of the Issuer will not be unreasonably withheld and will be given if certain conditions to the sale set forth in the Regulatory Agreement are met or waived in writing by the Issuer. Except as provided in the Regulatory Agreement, the Borrower may not change its general partner by transfer, sale or otherwise without the prior written consent of the Issuer.

Term

The Regulatory Agreement and all and each of the provisions of the Regulatory Agreement will become effective upon its execution and delivery, will remain in full force and effect for the periods provided in the Regulatory Agreement and, except as otherwise provided in this section, will terminate in its entirety at the end of the State Restrictive Period or when no Bond is Outstanding, whichever is later, it being expressly agreed and understood that the provisions of the Regulatory Agreement are intended to survive the retirement of the Bonds, discharge of the Loan, termination of the Financing Agreement and defeasance or termination of the Indenture; provided, however, that the provisions related to the Qualified Project Period that are not incorporated into the State Restrictive Period will terminate in their entirety at the end of the Qualified Project Period.

The other terms of the Regulatory Agreement to the contrary notwithstanding, the requirements set forth therein will terminate, without the requirement of any consent by the Issuer or the Trustee, and be of no further force and effect in the event of involuntary noncompliance with the provisions of the Regulatory Agreement caused by fire, seizure, requisition, change in a federal or Texas law or an action of a federal agency after the Closing Date which prevents the Issuer or the Trustee from enforcing the provisions hereof, or foreclosure or transfer of title by deed in lieu of foreclosure or other similar involuntary transfer, condemnation or a similar event, but only if, within a reasonable period thereafter, either the Bonds are retired in full or amounts received as a consequence of such event are used to provide a qualified residential rental project which meets the requirements of the Code and Texas law set forth in the Regulatory Agreement. The provisions of the preceding sentence will cease to apply and the

requirements referred to therein will be reinstated if, at any time during the Qualified Project Period, after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any Related Person obtains an ownership interest in the Development for federal income tax purposes and for purposes of Texas law.

Pursuant to the Fannie Mae Rider and the Bank Rider (see “Fannie Mae Rider” and “Bank Rider” below), the Regulatory Agreement may be terminated upon agreement by the Issuer, the Trustee, the Credit Provider and the Borrower upon receipt of an opinion of Bond Counsel acceptable to the Trustee that such termination will not adversely affect the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

Fannie Mae Rider

A Fannie Mae Rider is attached to and forms a part of the Regulatory Agreement and in certain circumstances, specific terms of the Regulatory Agreement may be subordinate to the Fannie Mae Rider. The Fannie Mae Rider provides that upon any default by the Borrower under the Regulatory Agreement, the Issuer or the Trustee may seek specific performance of the obligations of the Borrower under the Regulatory Agreement and injunctive relief against acts which may be in violation of the Regulatory Agreement or otherwise unlawful; provided, however, the Issuer or the Trustee may enforce any right it may have under the Regulatory Agreement for monetary damages only against certain funds of the Borrower.

The Regulatory Agreement will not constitute a mortgage, equitable mortgage, deed of trust, deed to secure debt or other lien or security interest in the Mortgaged Property. None of the obligations of the Borrower or any subsequent owner of the Mortgaged Property under the Regulatory Agreement will be secured by a lien on, or security interest in, the Mortgaged Property. All such obligations are expressly intended to be and will remain unsecured obligations. No subsequent owner of the Development will be liable or obligated for the breach or default of any obligation of any prior owner. Such obligations are to be personal to the person who was the owner at the time the default or breach was alleged to have occurred and such person is to remain liable for any and all damages occasioned by the default or breach even after such person ceases to be the owner of the Development.

Bank Rider

A Bank Rider is attached to and forms a part of the Regulatory Agreement and in certain circumstances, specific terms of the Regulatory Agreement may be subordinate to the Bank Rider. The Bank Rider provides that upon any default by the Borrower under the Regulatory Agreement, the Issuer or the Trustee may seek specific performance of the obligations of the Borrower under the Regulatory Agreement and injunctive relief against acts which may be in violation of the Regulatory Agreement or otherwise unlawful; provided, however, the Issuer or the Trustee may enforce any right it may have under the Regulatory Agreement for monetary damages only against certain funds of the Borrower.

The Regulatory Agreement will not constitute a mortgage, equitable mortgage, deed of trust, deed to secure debt or other lien or security interest in the Mortgaged Property. None of the obligations of the Borrower or any subsequent owner of the Mortgaged Property under the Regulatory Agreement will be secured by a lien on, or security interest in, the Mortgaged Property. All such obligations are expressly intended to be and will remain unsecured obligations. No subsequent owner of the Development will be liable or obligated for the breach or default of any obligation of any prior owner. Such obligations are to be personal to the person who was the owner at the time the default or breach was alleged to have occurred and such person is to remain liable for any and all damages occasioned by the default or breach even after such person ceases to be the owner of the Development.

APPENDIX E

SUMMARY OF CERTAIN PROVISIONS OF THE BANK REIMBURSEMENT AGREEMENT

The following statements are a brief summary of certain provisions of the Bank Reimbursement Agreement that have not been described elsewhere in this Official Statement. The summary does not purport to be complete, and reference is made to the Bank Reimbursement Agreement for a full and complete statement of the provisions thereof. Capitalized terms used in this Appendix E and not otherwise defined herein will have the meanings set forth for those terms in the Bank Reimbursement Agreement.

The Letter of Credit is issued pursuant to the Bank Reimbursement Agreement which obligates the Borrower, among other things, to reimburse the Bank for funds advanced by the Bank under the Letter of Credit and to pay various fees and expenses, in each case as provided in the Bank Reimbursement Agreement.

The Bank Reimbursement Agreement sets forth various affirmative and negative covenants of the Borrower, some of which are more restrictive with respect to the Borrower than similar covenants in the Financing Agreement.

The Bank and the Borrower may agree at any time to alter, modify or amend the terms of the Bank Reimbursement Agreement, including the events which constitute "Events of Defaults" thereunder, without notice to or consent of any owners of the Bonds or the Trustee. Furthermore, the Bank may unilaterally waive any Event of Default which may occur under the terms of the Bank Reimbursement Agreement, without notice to or consent of any other person. Accordingly, there should be no expectation on the part of any prospective purchaser of the Bonds that the occurrence of an Event of Default under the Bank Reimbursement Agreement will necessarily result in implementation of remedies by the Bank or in the call of any or all of the Bonds for mandatory tender or redemption under the Indenture.

Money in the Project Account of the Loan Fund may be disbursed by the Trustee to or for the account of the Borrower only by means of a requisition approved by the Bank. The Bank Reimbursement Agreement sets forth certain conditions to such approval, including without limitation (a) compliance with plans and specifications approved by the Bank, (b) compliance with a budget approved from time to time by the Bank, (c) no occurrence of an Event of Default or event which, with the giving of notice or the passage of time, or both, would be an Event of Default under the Bank Reimbursement Agreement and (d) no occurrence of an "Event of Default" or failure of performance under the Indenture, the Financing Agreement or the Regulatory Agreement (collectively, the "Bond Documents") or other event that requires mandatory redemption of the Bonds or event that, with the giving of notice of the passage of time, or both, would be such an Event of Default of failure of performance or event requiring mandatory redemption of the Bonds. After the closing of the Bonds, the Bank is not obligated to consent to disbursement from the Loan Fund until certain conditions set forth in the Bank Reimbursement Agreement are satisfied or waived by the Bank. The Bank does not assure that these procedures will ensure that the Development will remain on budget or that the proceeds of the Bonds will be sufficient to fund the costs of construction of the Development, and the Bank undertakes no duty to the Trustee or to any Bondholder to ensure that the Borrower complies with plans, specifications, budgets or other project-related documents.

The obligations of the Borrower under the Bank Reimbursement Agreement are secured by liens in favor of the Bank upon the Development and related tangible and intangible personal property

(including, without limitation, rights of the Borrower in and to low income housing tax credits) and guaranties of certain individuals who are principals in partners of the Borrower. Among the liens in favor of the Bank that secure obligations of the Borrower under the Bank Reimbursement Agreement are the Security Instrument. The Security Instrument contains an absolute assignment of leases and rents. Foreclosure of the Security Instrument and payment and cancellation of the Bonds may result in termination of the Regulatory Agreement. Bonds tendered for purchase, not remarketed and purchased with the proceeds of a drawing upon the Letter of Credit will be subject to a security interest in favor of the Bank.

Events of Default

The occurrence of any one or more of the following will constitute an Event of Default (hereinafter, "Default") under the Bank Reimbursement Agreement and the other Bond Documents:

(a) The Partnership shall fail to pay any amount payable under any provision of Section 1.3 when due and such failure shall have continued for a period of five days after written notice thereof shall have been given to the Partnership by the Credit Obligor; or

(b) Any representation or warranty made by the Partnership herein or in any of the Related Documents or by the Partnership (or any of its officers) in connection with this Agreement or any of the Related Documents shall prove to have been incorrect in any material respect when made; or

(c) Any report, certificate, financial statement or other instrument furnished in connection with this Agreement or any of the Related Documents shall prove to be false or misleading in any material respect; or

(d) The Partnership shall fail to perform or observe any other term, covenant or agreement contained in this Agreement on its part to be performed or observed which failure shall have continued for a period of thirty (30) days unless during such thirty-day period, the Partnership has commenced and is diligently pursuing corrective action in which case the Partnership shall be entitled to such additional reasonable period as may be required, in the opinion of the Credit Obligor, to cure such failure; or

(e) The Partnership shall fail to make any payment of principal, interest or premium due under the terms of any loan, note, debenture, bond, lease, guaranty or other obligation relating to indebtedness for borrowed money, whether such payment becomes due by scheduled maturity, required prepayment, acceleration, demand or otherwise and such failure shall continue after the applicable grace period, if any, specified in the loan, note, debenture, bond, lease, guaranty or other obligation; or any other default under any such loan, note, debenture, bond, lease, guaranty or other obligation relating to such indebtedness, or any other event, shall occur and shall continue after the applicable grace period, if any, specified in such loan, note, debenture, bond, lease, guaranty or other obligation, if the effect of such default or event is to accelerate, or to permit the acceleration of, the maturity of such indebtedness for borrowed money; or

(f) The Partnership shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against the Partnership or any of its subsidiaries seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, or other similar official for it or for any substantial part of its property; or the Partnership shall take any action to authorize any of the actions set forth above in this subsection (f); provided, however that the institution against the

Partnership without the consent of the Partnership of proceedings seeking any of the actions set forth above in this subsection (f) shall not constitute an Event of Default hereunder if prior to any consent to such proceedings by the Partnership and prior to the entry of any order or decree (i) adjudging the Partnership a bankrupt or insolvent, (ii) approving as properly filed any petition or other request for relief filed by the party instituting such proceedings, or (iii) appointing a receiver, liquidator, assignee, trustee, sequestrator or similar official of the Partnership of any substantial part of its property, or ordering the winding up or liquidation of its affairs, or for the sequestration or attachment of any property of the Partnership, but in any event not later than sixty (60) days after the institution of such proceedings, the proceedings so instituted shall have been dismissed; or

(g) A judgment or order for the payment of money shall be rendered against the Partnership or any of its subsidiaries and (i) the judgment exceeds the amount of insurance coverage carried by the Partnership or such subsidiary with respect to such claim and (ii) either (a) enforcement proceedings shall have been commenced by any creditor upon such judgment or order or (b) there shall be any period of thirty (30) consecutive days during which a stay of enforcement of such judgment or order, by reason of a pending appeal or otherwise, shall not be in effect; or

(h) Any provision of this Agreement shall at any time for any reason cease to be valid and binding on the Partnership, or shall be declared to be null and void, or the Partnership shall deny that it has any or further liability or obligation under this Agreement; or

(i) Any default under any swap agreement (as defined in 11 U.S.C. § 101) with Credit Obligor or any of its affiliates, or

(j) Any “Event of Default” under and as defined in any of the Related Documents shall have occurred.

Upon an Event of Default

Upon the occurrence of any Event of Default, Bank may, at its sole option, do any or all of the following:

(a) If any Event of Default shall have occurred and be continuing, the Credit Obligor may (i) by notice to the Partnership, declare the obligation of the Credit Obligor to issue the Letter of Credit to be terminated, whereupon the same shall forthwith terminate, or, if the Letter of Credit shall have been issued, (ii) give notice to the Trustee that an Event of Default has occurred hereunder and request that the Trustee declare the principal of all Bonds then outstanding and all interest accrued and unpaid thereon to be due and payable, (iii) give notice to the Trustee that an Event of Default has occurred hereunder and direct that the Bonds be purchased pursuant to the provisions of Section 3.3(b) of the Indenture, and (iv) make demand upon the Partnership to, and forthwith upon such demand the Partnership will, pay to the Credit Obligor in immediately available funds at the Credit Obligor’s office designated in such demand, for deposit by the Credit Obligor in a special noninterest bearing cash collateral account (the “Cash Collateral Account”) to be maintained at a bank to be designated by the Credit Obligor, an amount equal to the maximum amount then available to be drawn under the Letter of Credit (assuming compliance with all conditions for drawing thereunder and without regard to any reduction in the maximum amount available to be drawn under the Letter of Credit which is subject to reinstatement). The Cash Collateral Account shall be in the name of the Partnership (as a cash collateral account), but under the sole dominion and control of the Credit Obligor and subject to the terms of this Agreement.

(b) If requested by the Partnership and subject to the right of the Credit Obligor to withdraw funds from the Cash Collateral Account as provided below, the Credit Obligor will from time to time

invest funds on deposit in the Cash Collateral Account, reinvest proceeds of any such investments which may mature or be sold, and invest interest or other income received from any such investments, in each case in such Eligible Securities (as hereinafter defined) as the Partnership may select and notify to the Credit Obligor; provided, however, the Partnership will not request that the Credit Obligor make any investment of funds on deposit in the Cash Collateral Account which would cause any of the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended. Such proceeds, interest or income which are not so invested or reinvested in Eligible Securities shall, except as otherwise provided in this Section 6.2, be deposited and held by the Credit Obligor in the Cash Collateral Account. "Eligible Securities" means (i) United States Treasury bills with a remaining maturity not in excess of 90 days, (ii) negotiable certificates of deposit of any bank having combined capital and surplus of at least \$100,000,000 with a remaining maturity not in excess of 90 days and (iii) such other instruments (within the meaning of Article 9 of the Texas Uniform Commercial Code) as the Partnership may request and the Credit Obligor may approve in writing. Eligible Securities from time to time purchased and held pursuant to this subsection (b) shall be referred to as "Collateral Securities" and shall, for purposes of this Agreement, constitute part of the funds held in the Cash Collateral Account in amounts equal to their respective outstanding principal amounts.

(c) If at any time the Credit Obligor determines that any funds held in the Cash Collateral Account are subject to any right or claim of any person or entity other than the Credit Obligor and the Trustee or that the total amount of such funds is less than the maximum amount at such time available to be drawn under the Letter of Credit, the Partnership will, forthwith upon demand by the Credit Obligor, pay to the Credit Obligor, as additional funds to be deposited and held in the Cash Collateral Account, an amount equal to the excess of (i) such maximum amount at such time available to be drawn under the Letter of Credit over (ii) the total amount of funds, if any, then held in the Cash Collateral Account which the Credit Obligor determines to be free and clear of any such right and claim.

(d) The Partnership hereby pledges, and grants to the Credit Obligor a security interest in, all funds held in the Cash Collateral Account (including Collateral Securities) from time to time and all proceeds thereof, as security for the payment of all amounts due and to become due from the Partnership to the Credit Obligor under this Agreement.

(e) The Credit Obligor may, at any time or from time to time after funds are either deposited in the Cash Collateral Account or invested in Collateral Securities, after selling, if necessary, any Collateral Securities, apply funds then held in the Cash Collateral Account to the payment of any amounts, in such order as the Credit Obligor may elect, as shall have become or shall become due and payable by the Partnership to the Credit Obligor under this Agreement. The Partnership agrees that, to the extent notice of sale of any Collateral Securities shall be required by law, at least five days' notice to the Partnership of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Credit Obligor may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(f) Neither the Partnership nor any person or entity claiming on behalf of or through the Partnership shall have any right to withdraw any of the funds held in the Cash Collateral Account, except as otherwise provided in subsection (g) below and except that after the termination of the Letter of Credit in accordance with its terms and the payment of all amounts payable by the Partnership to the Credit Obligor under this Agreement, any funds remaining in the Cash Collateral Account shall be returned by the Credit Obligor to the Partnership or paid to whomever may be legally entitled thereto.

(g) So long as no Event of Default referred to in subsection (a) or (f) of Section 6.1 shall have occurred and be continuing, the Credit Obligor will release to the Partnership or at its order (i)

interest or other income received on Collateral Securities and (ii) at the written request of the Partnership, funds held in the Cash Collateral Account in an amount up to but not exceeding the excess, if any (immediately prior to the release of any such funds), of (x) the total amount of funds held in the Cash Collateral Account over (y) the maximum amount available to be drawn under the Letter of Credit.

(h) The Partnership agrees that it will not (i) sell or otherwise dispose of any interest in the Cash Collateral Account or any funds held therein, or (ii) create or permit to exist any lien, security interest or other charge or encumbrance upon or with respect to the Cash Collateral Account or any funds held therein, except as provided in or contemplated by this Agreement.

(i) The Credit Obligor shall exercise reasonable care in the custody and preservation of any funds held in the Cash Collateral Account and shall be deemed to have exercised such care if such funds are accorded treatment substantially equivalent to that which the Credit Obligor accords its own property, it being understood that the Credit Obligor shall not have any responsibility for taking any necessary steps to preserve rights against any parties with respect to any such funds.

(j) All swap agreements (as defined in 11 U.S.C. § 101, as in effect from time to time), if any, between the Partnership and the Credit Obligor or its affiliates are independent agreements governed by the written provisions of said swap agreements, which will remain in full force and effect, unaffected by any repayment, prepayment, acceleration, reduction, increase or change in the terms of the Letter of Credit or this Agreement, except as otherwise expressly provided in said written swap agreements, and any payoff statement from Bank relating to the Letter of Credit or this Agreement shall not apply to said swap agreements except as otherwise expressly provided in such payoff statement.

APPENDIX F

SUMMARY OF CERTAIN PROVISIONS OF THE FANNIE MAE REIMBURSEMENT AGREEMENT

The following statements are a brief summary of certain provisions of the Reimbursement Agreement. The summary does not purport to be complete, and reference is made to the Reimbursement Agreement for a full and complete statement of the provisions thereof. In addition, Fannie Mae shall have the right without the consent of, or notice to, the Trustee, the Issuer or the Bondholders, to amend, modify, change, add to or delete any of the provisions of the Reimbursement Agreement. Capitalized terms used in this Exhibit and not otherwise defined will have the meanings given them in the Reimbursement Agreement.

The Credit Facility is issued pursuant to the Reimbursement Agreement. The Reimbursement Agreement obligates the Borrower, among other things, to reimburse Fannie Mae for funds advanced by Fannie Mae under the Credit Facility and to pay various fees and expenses. The Reimbursement Agreement sets forth various affirmative and negative covenants of the Borrower, some of which are more restrictive with respect to the Borrower than similar covenants contained in the Financing Agreement. The Reimbursement Agreement also includes various Events of Default, including, but not limited to, payment defaults, covenant defaults and cross-defaults to other documents, including in some cases other indebtedness.

Upon the occurrence of an Event of Default under the Reimbursement Agreement, Fannie Mae may, among other things, accelerate the Bonds, subject the Bonds to mandatory purchase and/or exercise any other rights or remedies available under any Transaction Document or take any other action, whether at law or in equity, without notice or demand, as it deems advisable to protect and enforce its rights.

Fannie Mae shall have the right, in its sole discretion, to amend, modify, change, add to or delete any provisions of the Reimbursement Agreement, including, but not limited to, adding cross-defaults to any other documents and agreements, without receiving the consent of, or providing notice to, the Trustee, the Issuer or the Bondholders. Fannie Mae shall also have the right, in its sole discretion, to waive any Event of Default under any Transaction Document. Unless such waiver expressly provides to the contrary, any waiver so granted shall extend only to the specific event or occurrence which gave rise to the Event of Default so waived and not to any other similar event or occurrence which occurs subsequent to the date of such waiver.

APPENDIX G

FORM OF PROPOSED OPINION OF BOND COUNSEL

[Closing Date]

Texas Department of Housing and
Community Affairs
Austin, Texas

Wells Fargo Bank, National Association
Fort Worth, Texas

Banc of America Securities LLC
New York, New York

Wachovia Bank, National Association
Houston, Texas

Ladies and Gentlemen:

We have represented the Texas Department of Housing and Community Affairs (the "Issuer") in connection with the issuance by the Issuer of its \$15,000,000 Variable Rate Demand Multifamily Housing Revenue Bonds (Harris Branch Apartments) Series 2006 (the "Bonds") pursuant to a resolution adopted by the Issuer on January 18, 2006 (the "Bond Resolution") and a Trust Indenture dated as of March 1, 2006 (the "Indenture"), by and between the Issuer and Wells Fargo Bank, National Association, as trustee (the "Trustee"). The Bonds bear interest at the rate and mature on the date as provided in the Indenture. The Bonds are subject to mandatory and optional redemption prior to maturity as set forth in the Indenture. Capitalized terms used herein and not otherwise defined are used with the meanings assigned to such terms in the Indenture, in the Financing Agreement dated as of March 1, 2006 (the "Financing Agreement") among the Issuer, the Trustee and Loyola Properties, LP, a Texas limited partnership (the "Borrower"), or in the Regulatory and Land Use Restriction Agreement dated as of March 1, 2006 (the "Regulatory Agreement"), among the Issuer, the Trustee and the Borrower.

The Bonds are being issued for the purpose of obtaining funds to make a loan (the "Loan") to the Borrower to provide financing for the acquisition, construction and equipping of a residential rental development located within Travis County, Texas (the "Development"), to be occupied by individuals and families of low and very low income and families of moderate income, as determined by the Issuer, and persons with special needs, all as required by the Act, and to be occupied at least partially (at least 40 percent) by Low-Income Tenants.

We have assumed with your permission and without independent verification (i) the genuineness of certificates, records and other documents submitted to us and the accuracy and completeness of the statements contained therein; (ii) the due authorization, execution and delivery of the Indenture by the parties thereto, and the validity and binding effect of the Indenture on such parties; (iii) that all documents and certificates submitted to us as originals are accurate and complete; (iv) that all documents and certificates submitted to us as copies are true and correct copies of the originals thereof; and (v) that all information submitted to us and on which we have relied was accurate and complete.

Bond Counsel's opinions also assume continuous compliance with all covenants and requirements set forth in the Indenture, the Financing Agreement and the Regulatory Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes.

The scope of our representation extends solely to an examination of the facts and law incident to rendering an opinion with respect to the legality and validity of the Bonds and the security therefore and with respect to the exclusion from gross income for federal income tax purposes of interest on the Bonds. We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Bonds and we express no opinion relating thereto (excepting only the matters set forth as our supplemental opinion of Bond Counsel of even date herewith). We have not assumed any responsibility with respect to the financial condition or capability of the Issuer, the Borrower or the Credit Enhancer. We have participated in the preparation of and have examined a transcript of certain materials pertaining to the Bonds, including certain certified proceedings of the Issuer, the State of Texas, the Trustee and the Borrower, and customary certificates, opinions, affidavits and other documents executed by officers, agents and representatives of the Issuer, the State of Texas, the Trustee, the Borrower and others. We have also examined the fully-executed Bond numbered R-1.

Based on said examination, and subject to the assumptions, qualifications and limitations set forth herein, it is our opinion that, under existing law and prior to the first change of interest rate modes for which a Favorable Opinion of Bond Counsel is required under the Indenture:

1. The Issuer has duly authorized the issuance, execution and delivery of the Bonds. The Bonds constitute legal, valid and binding limited obligations of the Issuer and are entitled to the benefit and security of the Indenture.
2. Interest on the Bonds is excludable from gross income for federal income tax purposes except with respect to the interest on any Bond for any period during which such Bond is held by a "substantial user" of the Development or a "related person," as those terms are defined for purposes of Section 147(a) of the Code.
3. Interest on the Bonds is an item of tax preference includable in alternative minimum taxable income for purposes of determining the alternative minimum tax on individuals and corporations.

In providing the opinions set forth in paragraphs 2 and 3 above, we have relied on, and assumed the accuracy and completeness of, representations made as of the date hereof by, among others, the Issuer, the Borrower and the Underwriter, with respect to matters solely within the respective knowledge of such parties, which matters we have not independently verified. Furthermore, in providing the opinions set forth in paragraphs 2 and 3 above, we have also assumed that there will be continuing compliance with the procedures, safeguards and covenants in the Indenture, the Financing Agreement, the Regulatory Agreement and the Tax Certificate pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer or the Borrower fails to comply with the foregoing procedures, safeguards and covenants, interest on the Bonds could become includable in gross income for federal income tax purposes from the date of original delivery of the Bonds, regardless of the date on which the event causing such includability occurs.

Further, pursuant to the Indenture, certain changes of interest rate modes are conditioned on delivery of an opinion to the effect that each such change will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes. The delivery of such opinions will depend on facts and law that exist on such future date or dates, if any. Therefore, we express no opinion regarding the excludability of interest on the Bonds from gross income for federal income tax purposes, or with respect to any other matters, on and after the date or dates, if any, of any such changes.

Further, we express no opinion on our ability to render the opinion required in connection with such changes.

Certain other actions may be taken or omitted subject to the terms and conditions set forth in the Indenture and related documents, upon the advice or with an approving opinion of Bond Counsel. Bond Counsel will express no opinion with respect to Bond Counsel's ability to render an opinion that such actions, if taken or omitted, will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Except as stated above, we express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds. Furthermore, we express no opinion as to whether any person treated as the owner of a Bond under the Indenture is also properly treated as the owner of such Bond for federal income tax purposes.

We express no opinion as to the priority or perfection of the security interest granted by the Issuer in the Trust Estate.

The enforceability of certain provisions of the Bonds, the Bond Resolution, the Indenture and the Loan Agreement may be limited by bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors. Furthermore, availability of equitable remedies under the Bonds, the Bond Resolution, the Indenture and the Loan Agreement may be limited by general principles of equity that permit the exercise of judicial discretion.

Owners of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, taxpayers owning an interest in a FASIT that holds tax-exempt obligations and individuals otherwise qualifying for the earned income credit. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profits" tax on their effectively connected earnings and profits, including tax-exempt interest such as interest on the Bonds.

The opinions set forth above speak only as of their date and only in connection with the Bonds and may not be applied to any other transaction. Such opinions are specifically limited to the laws of the State of Texas and, to the extent applicable, the laws of the United States of America.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement these opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service (the "Service"); rather, such opinions represent our legal judgment based upon our review of existing law and in reliance upon the representations and covenants referenced above that we deem relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given whether or not the Service will commence an audit of the Bonds. If an audit is commenced, in

accordance with its current published procedures the Service is likely to treat the Issuer as the taxpayer. We observe that the Issuer and the Borrower have covenanted in the Indenture and the Financing Agreement not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in the treatment of interest on the Bonds as includable in gross income for federal income tax purposes.

Very truly yours,
