INTRODUCTION

This Official Statement provides certain information concerning the Texas Department of Housing and Community Affairs (the "Department") in connection with the issuance of its Single Family Mortgage Revenue Bonds, 2016 Series A (the "Series A Bonds") and Single Family Mortgage Revenue Refunding Bonds, 2016 Series B (Taxable) (the "Series B Bonds," together with the Series A Bonds, the "Series 2016 Bonds"). Capitalized terms used but not otherwise defined herein shall have the respective meanings for such terms as set forth in "APPENDIX A -- GLOSSARY."

The Department, a public and official agency of the State of Texas (the "State"), was created and organized pursuant to and in accordance with the provisions of Chapter 2306, Texas Government Code, as amended (together with other laws of the State applicable to the Department, collectively, the "Act") for the purpose of, among other things, financing sanitary, decent and safe housing for individuals and families of low and very low income and families of moderate income. The Department is the successor agency to the Texas Housing Agency (the "Agency") and the Texas Department of Community Affairs (the "TDCA"), both of which were abolished by the Act and all functions and obligations of which were transferred to the Department pursuant to the Act. Under the Act, the Department may issue bonds, notes and other obligations to finance or refinance residential housing and multi-family developments located in the State of Texas and to refund bonds previously issued by the Agency, the Department or certain other quasi-governmental issuers. See "THE DEPARTMENT."

The Series 2016 Bonds are authorized to be issued pursuant to the Act, a resolution adopted by the Governing Board of the Department on November 12, 2015, a Single Family Mortgage Revenue Bond Trust Indenture, dated as of October 1, 1980 (the "Master Indenture" and, as amended and supplemented from time to time, collectively, the "Trust Indenture") between the Agency or the Department, as the case may be, and The Fort Worth National Bank or its successor, The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), a Sixtieth Supplemental Single Family Mortgage Revenue Bond Trust Indenture (the "Sixtieth Supplemental Indenture") with respect to the Series A Bonds and a Sixty-First Supplemental Single Family Mortgage Revenue Bond Trust Indenture (the "Sixty-First Supplemental Indenture," together with the Sixtieth Supplemental Indenture, the "2016 Supplemental Indentures") with respect to the Series B Bonds. The Trust Indenture authorizes the Department to issue bonds to provide funds to acquire or refinance single family mortgage loans or participations therein ("Mortgage Loans") which are made to eligible borrowers, as determined from time to time by the Department, to refund Outstanding Bonds issued under the Trust Indenture, and to pay costs associated therewith. The Department has previously issued multiple series of single family mortgage revenue bonds (the "Prior Bonds") under the Trust Indenture of which \$337,995,000 in aggregate principal amount was Outstanding as of October 31, 2015. The Series 2016 Bonds, the Prior Bonds and, unless subordinated, all bonds subsequently issued pursuant to the Trust Indenture (collectively, the "Bonds" or the "Single Family Mortgage Revenue Bonds") will be equally and ratably secured by the Trust Estate held by the Trustee pursuant to the Trust Indenture. See "THE TRUST INDENTURE" and "SECURITY FOR THE BONDS – Additional Bonds."

In addition to the Single Family Mortgage Revenue Bonds, the Department has previously issued four (4) series of Junior Lien Bonds (the "Prior Junior Lien Bonds"), of which \$3,855,000 in aggregate principal amount was outstanding as of October 31, 2015. The Junior Lien Bonds are limited obligations of the Department and are payable solely from revenues (as defined in the Junior Lien Trust Indenture) and funds pledged for the payment thereof on a basis which is junior and subordinate to the Bonds. See "THE TRUST INDENTURE".

The Series A Bonds are being issued for the primary purpose of providing funds for the purchase of the 2016 A Mortgage Certificates guaranteed as to timely payment of principal and interest by Ginnie Mae which represent beneficial ownership of pools of Mortgage Loans (the "2016 A Mortgage Loans"). The Series B Bonds are being issued for the purpose of refunding and redeeming the Single Family Mortgage Revenue Refunding Bonds, 2006 Series A, Single Family Mortgage Revenue Refunding Bonds, 2006 Series B, Single Family Mortgage Revenue Bonds, 2006 Series C, Single Family Mortgage Revenue Refunding Bonds, 2006 Series D and Single Family Mortgage Revenue Refunding Bonds, 2006 Series E (collectively, the "Refunded Bonds"). The mortgage-backed, pass-through certificates (the "Mortgage Certificates") originally funded with the Refunded Bonds will become 2016 B Transferred Mortgage Certificates. The 2016 B Transferred Mortgage Certificates are Ginnie Mae Certificates, Fannie Mae Certificates and Freddie Mac Certificates.

Upon issuance of the Series A Bonds, amounts on deposit in the 2016 A Mortgage Loan Account will be used to purchase the 2016 A Mortgage Certificates described in the following paragraph. Mortgage Loan Principal Payments on the 2016 A Mortgage Certificates will be applied to the redemption of the Series A Bonds. See "THE SERIES 2016 BONDS-Redemption Provisions- Redemption from Mortgage Loan Principal Payments -- Series A Bonds." Upon issuance of the Series B Bonds, the 2016 B Transferred Mortgage Certificates will be transferred to the 2016 B Mortgage Loan Account. Mortgage Loan Principal Payments on the 2016 B Transferred Mortgage Certificates will be applied to the redemption of the Series B Bonds. See "THE SERIES 2016 BONDS-Redemption Provisions-Redemption From Mortgage Loan Principal Payments -- Series B Bonds."

The 2016 A Mortgage Certificates will be delivered at closing and will consist of Ginnie Mae Certificates with a pass-through rate of not less than 3.500% or greater than 4.625%. Once identified, all 2016 A Mortgage Certificates will be disclosed in either "APPENDIX G – DATA REGARDING THE 2016 A MORTGAGE CERTIFICATES" or will be filed with the Municipal Securities Rulemaking Board, at its internet repository named "Electronic Municipal Market Access" ("EMMA"), in a document identifying the 2016 A Mortgage Certificates by CUSIP Number, pool number, pass-through rate and outstanding principal amount no later than two Business Days after the date of issuance of the Series A Bonds. Summary information regarding the 2016 A Mortgage Certificates is described herein under "THE 2016 A MORTGAGE CERTIFICATES." To the extent the 2016 A Mortgage Certificates delivered at closing are less than what is reflected in the table under the caption "THE 2016 A MORTGAGE CERTIFICATES," the Department will deliver within 30 days of delivery of the Series A Bonds a replacement 2016 A Mortgage Certificate with similar characteristics to those reflected in "APPENDIX G – DATA REGARDING THE 2016 A MORTGAGE CERTIFICATES."

For more detailed data regarding the 2016 A Mortgage Certificates and 2016 B Transferred Mortgage Certificates see "APPENDIX G – DATA REGARDING THE 2016 A MORTGAGE CERTIFICATES" and "APPENDIX H – DATA REGARDING THE 2016 B TRANSFERRED MORTGAGE CERTIFICATES," respectively.

As used in this Official Statement the term 2016 B Transferred Mortgage Certificates denotes the participation interest in the GNMA Certificates, Fannie Mae Certificates or Freddie Mac Certificates described in Appendix H hereto. Accordingly, for purposes of this Official Statement references to 2016 B Transferred Mortgage Certificates do not mean such GNMA Certificates, Fannie Mae Certificates or Freddie Mac Certificates in whole.

The Bonds are payable solely from and are secured by a pledge of and lien on the Revenues, Mortgages, Mortgage Loans (including Mortgage Certificates), Investment Securities, moneys held in the Funds (excluding the Rebate Account, the Swap Agreement Termination Payment Subaccount and the Swap Agreement Termination Receipt Subaccount of the Surplus Revenues Account of the Revenue Fund and the Policy Payments Account) and other property pledged under the Trust Indenture (collectively, the "Trust Estate"). All payments with respect to principal of and interest on Mortgage Loans (net of servicing fees) and on Mortgage Certificates (net of servicing and guaranty fees) received by the Department and the earnings on investments of Funds and Accounts held pursuant to the Trust Indenture other than the excluded Funds and Accounts constitute Revenues. Bondholders have no rights to or lien on the Swap Agreements. The pledge of and lien on the Trust Estate is subject to discharge if moneys or qualified securities sufficient to provide for the payment of all Outstanding Bonds are deposited and held in trust for such payment.

The Series 2016 Bonds are on a parity in all respects with all outstanding Prior Bonds, and, unless subordinated, any bonds subsequently issued under the Trust Indenture. The Mortgage Loans securing the Bonds were (i) in an amount not greater than eighty percent (80%) of the lesser of (a) the appraised value of the mortgaged property or (b) the sales price of the mortgaged property, or (ii) insured by the Federal Housing Administration ("FHA") or guaranteed by the Department of Veterans Affairs (formerly, the Veterans Administration) ("VA") or (iii) insured by a private mortgage insurance company which has been approved by the Department in the amount by which the Mortgage Loan exceeds eighty percent (80%) of the value of the mortgaged property. The Trust Indenture also permits the acquisition of Mortgage Loans guaranteed by another agency or instrumentality of the United States exercising powers similar to FHA or VA, such as the United States Department of Agriculture Rural Housing Services ("RHS"). In connection with each series of Prior Bonds, the Department either obtained a mortgage pool insurance policy in an amount at least equal to ten percent (10%) of the initial aggregate amount of Mortgage Loans purchased, provided for a mortgage pool self-insurance reserve or used proceeds to acquire Mortgage Certificates. Each Eligible Borrower is required to maintain standard hazard insurance coverage and, if applicable, flood insurance. For information regarding the Mortgage Loans, including the Mortgage Loans underlying the 2016 B Transferred Mortgage Certificates and the Master Servicers for such Mortgage Loans, see "APPENDIX I- CERTAIN INFORMATION REGARDING THE PROGRAM, THE MORTGAGE LOANS, PRIOR SWAP AGREEMENTS AND PRIOR LIQUIDITY FACILITIES-THE PROGRAM AND THE MORTGAGE LOANS." Portfolio Mortgage Loans are a small percentage of the assets under the Trust Indenture as most of the assets in the Trust Indenture are Mortgage Certificates. The Department is not currently originating Portfolio Mortgage Loans and does not intend to originate Mortgage Loans to be pledged under the Trust Indenture.

The Trust Indenture establishes a Debt Service Reserve Account (the "Debt Service Reserve Account") within the Debt Service Fund. The Trust Indenture requires that the Debt Service Reserve Account be maintained in an amount at least equal to three percent (3%) of the aggregate principal amount of the Mortgage Loans outstanding (zero percent (0%) for Mortgage Loans represented by Mortgage Certificates) from time to time (the "Debt Service Reserve Account Requirement"). Moneys in the Debt Service Reserve Account will be made available in the event that there are insufficient funds on deposit in the other accounts of the Debt Service Fund and the Mortgage Loan Fund, respectively, to pay, when due, principal of and interest on the Series 2016 Bonds or any other Outstanding Bonds. As of October 31, 2015, the Debt Service Reserve Account Requirement for the Single Family Mortgage Revenue Bonds was \$16,136 and \$290,092 was on deposit in the Debt Service Reserve Account.

THE SERIES 2016 BONDS ARE LIMITED OBLIGATIONS OF THE DEPARTMENT AND ARE PAYABLE SOLELY FROM THE REVENUES AND FUNDS PLEDGED FOR THE PAYMENT THEREOF AS MORE FULLY DESCRIBED HEREIN. NEITHER THE STATE NOR ANY AGENCY OF THE STATE, OTHER THAN THE DEPARTMENT, NOR THE UNITED STATES OF AMERICA OR ANY AGENCY, DEPARTMENT OR OTHER INSTRUMENTALITY THEREOF, INCLUDING GINNIE MAE, FREDDIE MAC AND FANNIE MAE, IS OBLIGATED TO PAY THE PRINCIPAL OR REDEMPTION PRICE OF, OR

INTEREST ON, THE SERIES 2016 BONDS. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OR THE UNITED STATES OF AMERICA IS PLEDGED, GIVEN OR LOANED TO SUCH PAYMENT. THE DEPARTMENT HAS NO TAXING POWER. GINNIE MAE, FREDDIE MAC AND FANNIE MAE GUARANTEE ONLY THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE GINNIE MAE CERTIFICATES, FREDDIE MAC CERTIFICATES AND FANNIE MAE CERTIFICATES, RESPECTIVELY, WHEN DUE AND DO NOT GUARANTEE THE PAYMENT OF THE SERIES 2016 BONDS OR ANY OTHER OBLIGATIONS ISSUED BY THE DEPARTMENT.

There follows in this Official Statement a brief description of the plan of finance, the Department and its bond programs, summaries of certain terms of the Series 2016 Bonds, the Trust Indenture, and certain provisions of the Act, as well as other matters. All references herein to the Act, the Trust Indenture, and other agreements are qualified in their entirety by reference to each such document, copies of which are available from the Department, and all references to the Series 2016 Bonds are qualified in their entirety by reference to the definitive forms thereof and the information with respect thereto contained in the Trust Indenture.

The Series 2016 Bonds are issuable only as fully registered bonds, without coupons, and will be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company, New York, New York ("DTC"), which will act as the Bond Depository for the Series 2016 Bonds. The Series 2016 Bonds will be available to purchasers in book-entry form only in denominations of \$5,000 or any integral multiple thereof, as more fully described herein. The principal or Redemption Price of, and interest on the Series 2016 Bonds will be payable by the Trustee to DTC, which will be responsible for making such payments to DTC Participants (hereinafter defined) for subsequent remittance to the owners of beneficial interests in the Series 2016 Bonds or their nominees. See "THE SERIES 2016 BONDS – DTC and Book-Entry."

The Series 2016 Bonds mature on the dates and in the amounts set forth on the inside cover hereof.

Interest Rate

The Series 2016 Bonds will accrue interest from the date of delivery, until maturity or prior redemption at the per annum rates of interest set forth on the inside cover page hereof. Interest accrued on the Series 2016 Bonds will be payable on September 1, 2016 and semiannually on each March 1 and September 1 thereafter until maturity or prior redemption. Interest on the Series 2016 Bonds will be calculated on the basis of a 360-day year composed of twelve 30-day months.

Redemption Provisions

The Series 2016 Bonds are subject to redemption at various times prior to their scheduled maturities as described below. **The Department anticipates that substantially all of the Series 2016 Bonds will be redeemed prior to their scheduled maturities as the result of the receipt by the Department of amounts representing Mortgage Loan Principal Payments.**

Redemption From Mortgage Loan Principal Payments

Series A Bonds

The Series A Bonds are subject to redemption prior to maturity and shall be redeemed, in whole or in part, as soon as practicable, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of the Series A Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date, from Mortgage Loan Principal Payments on the 2016 A Mortgage Certificates transferred to the 2016 A Redemption Subaccount.

It is expected that the redemptions will occur on the first day of each month and will be in an aggregate principal amount (subject to rounding to Authorized Denominations) equal to the Mortgage Loan Principal Payments on deposit in the 2016 A Redemption Subaccount approximately 32 days prior to the redemption date.

Series B Bonds

The Series B Bonds are subject to redemption prior to maturity and shall be redeemed, in whole or in part, as soon as practicable, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of the Series B Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date, from Mortgage Loan Principal Payments on the 2016 B Transferred Mortgage Certificates transferred to the 2016 B Redemption Subaccount.

It is expected that the redemptions will occur on the first day of each month and will be in an aggregate principal amount (subject to rounding to Authorized Denominations) equal to the Mortgage Loan Principal Payments on deposit in the 2016 B Redemption Subaccount approximately 32 days prior to the redemption date.

Optional Redemption

The Series 2016 Bonds are subject to redemption prior to maturity, in whole or in part, at any time and from time to time on and after March 1, 2025, at the option of the Department, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of the Series 2016 Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date.

Redemption From Excess Revenues

The Series 2016 Bonds are subject to redemption, in whole or in part, from excess Revenues (including Surplus Indenture Revenues whether or not derived in connection with the Series 2016 Bonds) beginning only on and after the initial optional redemption date of March 1, 2025, after giving notice as provided in the Trust Indenture, at a Redemption Price equal to 100% of the principal amount of the Series 2016 Bonds or portions thereof to be redeemed, plus accrued interest to, but not including, the redemption date.

In general, excess Revenues will consist of funds remaining on each Interest Payment Date in the Revenue Fund after taking into account (1) the provision for payment of Debt Service on such Interest Payment Date, (2) the required transfers of amounts for the redemption of the Bonds, (3) the amounts, if any, required to fund the Debt Service Reserve Account on such Interest Payment Date, and (4) the payment of Department Expenses in accordance with the Trust Indenture.

Selection of Series 2016 Bonds to be Redeemed

The particular Series 2016 Bonds or portions thereof to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate. Any Series 2016 Bonds redeemed in part shall be redeemed in an amount such that the unredeemed portion thereof shall equal an Authorized Denomination, and, in selecting Series 2016 Bonds for redemption, the Trustee shall treat each Series 2016 Bond in a denomination greater than the minimum Authorized Denomination as representing that number of Series 2016 Bonds of the minimum Authorized Denomination which is obtained by dividing the principal amount of such Series 2016 Bonds by the minimum Authorized Denomination.

Notice of Redemption

The Trustee shall give notice, in the name of the Department, of the redemption of Series 2016 Bonds to the holders thereof, which notice shall specify the Series and the maturity date of the Series 2016 Bonds to be redeemed, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2016 Bonds are to be redeemed, the letters and numbers or other

distinguishing marks of such Series 2016 Bonds so to be redeemed, and, in the case of Series 2016 Bonds to be redeemed in part only, such notices shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Series 2016 Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof, in the case of Series 2016 Bonds to be redeemed in part only, together with interest accrued to but not including the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable.

The Trustee shall mail a copy of such notice by first class mail, postage prepaid, not less than 30 days prior to the redemption date, nor more than 60 days to the holders of any Series 2016 Bonds or portions thereof which are to be redeemed, at their last addresses, if any, appearing upon the registry books of the Trustee. The Trustee's obligation to give such notice shall not be conditioned upon the prior payment to the Trustee of funds sufficient to pay the Redemption Price on the Series 2016 Bonds to which such notice relates or interest thereon to the redemption date.

Payment of Redeemed Bonds

Notice having been given as provided in the Trust Indenture, the Series 2016 Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date. Upon presentation and surrender thereof at the office specified in such notice, such Series 2016 Bonds or portions thereof shall be paid at the Redemption Price, plus interest accrued and unpaid to the redemption date. If there shall be called for redemption less than all of the Series 2016 Bonds, the Department shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Series 2016 Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Series 2016 Bond so surrendered, of the registered Series 2016 Bonds in any Authorized Denomination. If, on the redemption date, moneys for the redemption of all the Series 2016 Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Trustee so as to be available on said date and if notice of redemption shall have been given as specified in the Trust Indenture, then from and after the redemption date interest on the Series 2016 Bonds or portions thereof of the Series 2016 Bonds so called for redemption shall cease to accrue and become payable. If such moneys shall not be available on the redemption date, such Series 2016 Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Average Life and Prepayment Speeds

The following information is provided in order to enable potential investors to evaluate the Series 2016 Bonds which are the subject of redemption as described above.

The weighted average life of a bond refers to the average of the length of time that will elapse from the date of issuance of such bond to the date each installment of principal is paid to the bondholder, weighted by the amount of such installment. The weighted average life of the Series A Bonds will be influenced by, among other things, the rate at which principal payments are made on the 2016 A Mortgage Certificates. The weighted average life of the Series B Bonds will be influenced by, among other things, the rate at which principal payments are made on the 2016 B Transferred Mortgage Certificates. Prepayments of mortgage loans are commonly projected in accordance with a prepayment standard or model. The model described in the following discussion is the SIFMA Prepayment Model described in the immediately preceding subsection. The SIFMA Prepayment Model represents an assumed monthly rate of prepayment of the then outstanding principal balance of a pool of new mortgage loans. The SIFMA Prepayment Model does not purport to be either an historical description of the prepayment of any pool of mortgage loans or a prediction of the anticipated rate of prepayment of any pool of mortgage loans, including the 2016 A Mortgage Certificates and the 2016 B Transferred Mortgage Certificates. One hundred percent (100%) of the SIFMA Prepayment Model assumes prepayment rates of 0.2 percent per year of the then unpaid principal

balance of such mortgage loans in the first month of the life of the mortgage loans and an additional 0.2 percent per year in each month thereafter (for example, 0.4 percent per year in the second month) until the 30th month. Beginning in the 30th month and in each month thereafter during the life of the mortgage loans, 100 percent of the SIFMA Prepayment Model assumes a constant prepayment rate of six percent per year. Multiples will be calculated from this prepayment rate speed e.g., 200 percent of the SIFMA Prepayment Model assumes prepayment rates will be 0.4 percent per year on month one, 0.8 percent per year in month two, reaching 12 percent per year in month 30 and remaining constant at 12 percent per year thereafter.

The following table assumes, among other things, that (i) all Series A Bond proceeds deposited into the 2016 A Mortgage Loan Account will be used to purchase 2016 A Mortgage Certificates and all Series B Bond proceeds will be used to refund the Refunded Bonds and, (ii) Series A Bonds and Series B Bonds will be redeemed only as described under "Redemption From Mortgage Loan Principal Prepayments" above, (iii) the weighted average remaining maturity of 2016 B Transferred Mortgage Certificates is 228 months and the weighted average mortgage rate of 2016 B Transferred Mortgage Certificates is 5.923%, (iv) 2016 A Mortgage Certificates will have an original term of 30 years, and the weighted average mortgage rate of 2016 A Mortgage Certificates is 4.623%, (v) the 2016 A Mortgage Loans and the Mortgage Loans underlying the 2016 B Transferred Mortgage Certificates prepay at the indicated percentage of the SIFMA Prepayment Model, (vi) payments on 2016 A Mortgage Certificates and 2016 B Transferred Mortgage Certificates are timely made and used on a timely basis to redeem the Series A and Series B Bonds, respectively, (vii) the Series A Bonds and Series B Bonds are not redeemed pursuant to optional redemption, and (viii) no amounts allocable to any other series of Bonds are used to cross-call the Series A Bonds and Series B Bonds and no amounts allocable to the Series A Bonds and Series B Bonds are used to cross-call any other Series of Bonds.

Based on the foregoing and other assumptions, some or all of which may not reflect actual experience, the table below indicates the projected weighted average life of the Series A Bonds and Series B Bonds.

Prepayment Speed of Mortgage Loans (SIFMA)	Projected Weighted Average Life (in Years) Series A Bonds	Projected Weighted Average Life (in Years) Series B Bonds

[The Remainder of This Page Left Intentionally Blank]

Additional assumptions that do not affect the projected weighted average life table above include (i) Trustee's fees are paid in the amount of .0325% per annum of Series 2016 Bonds outstanding, (ii) Department Expenses are paid in the amount of .20% per annum of 2016 B Transferred Mortgage Certificates and .20% per annum of 2016 A Mortgage Certificates outstanding, and (iii) DPA Recovery Fees in the amount of .75% per annum of a portion of the 2016 A Mortgage Certificates outstanding with pass-through rates ranging from 3.500% to 4.500%, and in the amount of 1.142% per annum of a portion of 2016 A Mortgage Certificates outstanding with pass-through rates ranging from 4.500% to 4.625%. DPA Recovery Fees are transferred to the Surplus Revenues Account.

The Department does not undertake to update this table or any other projections contained in this Official Statement based on the Department's actual experience with respect to repayment and prepayment of the Series A Bonds and Series B Bonds.

The SIFMA Prepayment Model does not purport to be a prediction of the anticipated rate of prepayments of Mortgage Loans and there is no assurance that the prepayments of the Mortgage Loans will conform to any of the assumed prepayment rates. The Department makes no representation as to the percentage of the principal balance of the Mortgage Loans that will be paid as of any date, as to the overall rate of prepayment or as to the projections or methodology set forth under this caption.

The Mortgage Loans underlying the 2016 B Transferred Mortgage Certificates have experienced the following cumulative prepayment rates (taking into account all principal repayments and prepayments paid through January 25, 2016 based on January 2016 Factors):

- (i) 221% of the SIFMA Prepayment Model since inception,
- (ii) 212% of the SIFMA Prepayment Model for the most recent twelve (12) months, and
- (iii) 193% of the SIFMA Prepayment Model for the most recent six (6) months.

The information set forth above with respect to the prepayment experience (as a percentage of the SIFMA Prepayment Model) has been obtained from sources which are believed to be reliable, but such information is not guaranteed as to accuracy or completeness and is not to be construed as a representation of the Department, the Financial Advisor or the Underwriters.

DTC and Book-Entry

DTC will act as securities depository for the Series 2016 Bonds. The Series 2016 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Series 2016 Bonds, in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. Non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates.

Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Series 2016 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2016 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2016 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' Records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2016 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2016 Bonds, except in the event that use of the book-entry system for the Series 2016 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2016 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2016 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2016 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2016 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2016 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2016 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. For example, Beneficial Owners of Series 2016 Bonds may wish to ascertain that the nominee holding the Series 2016 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2016 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2016 Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Department as soon as possible after the record

date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2016 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, principal and interest payments on the Series 2016 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Department or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the Department, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Department or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2016 Bonds at any time by giving reasonable notice to the Department or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The Department may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not to be construed as a representation of, the Department, or the Trustee.

The Department, the Underwriters and the Trustee cannot and do not give any assurances that DTC, the Direct Participants or the Indirect Participants will distribute to the Beneficial Owners of the Series 2016 Bonds (i) payments of principal of or interest and premium, if any, on the Series Bonds, (ii) certificates representing an ownership interest or other confirmation of beneficial ownership interest in Series 2016 Bonds, or (iii) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Series 2016 Bonds, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve and act in the manner described in this Official Statement. The current "Rules" applicable to DTC are on file with the Securities Exchange Commission, and the current "Procedures" of DTC to be followed in dealing with Direct Participants are on file with DTC.

NEITHER THE DEPARTMENT, THE UNDERWRITERS NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON WITH RESPECT TO: (1) THE SERIES 2016 BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE SERIES BONDS; (4) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTIONS TO BE GIVEN TO OWNERS OF SERIES BONDS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF SERIES 2016 BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS A BONDOWNER.

Discontinuation of Book-Entry-Only System

In the event that the book-entry-only system is discontinued by DTC or the Department, the following provisions will be applicable to the Series 2016 Bonds. Series 2016 Bonds may be exchanged for an equal aggregate principal amount of Series 2016 Bonds in other Authorized Denominations of the same Series, maturity and interest rate upon surrender thereof at the applicable corporate trust office of the Trustee with a duly executed assignment in form satisfactory to the Trustee. The transfer of any Series 2016 Bond may be registered on the books maintained by the Trustee for such purpose only upon the surrender of such Series 2016 Bond to the Trustee with a duly executed assignment in form satisfactory to the Trustee. For every exchange or transfer of registration of Series 2016 Bonds, the Department and or Trustee may make a charge sufficient to reimburse it or them for any tax, fee, or other governmental charge required to be paid with respect to such exchange or registration of transfer, as well as the administrative expenses, if any, charged by the Trustee for the transfer or exchange. The Trustee will not be required to transfer or exchange any Series 2016 Bond for a period of 20 days next preceding an interest payment date on such Series 2016 Bonds or next preceding any selection of Series 2016 Bonds to be redeemed or thereafter until after mailing of any notice of redemption on any Series 2016 Bonds called for redemption, or transfer or exchange any Series 2016 Bonds called for redemption. The Department and the Trustee may treat the Person in whose name a Series 2016 Bond is registered as the absolute owner thereof for all purposes, whether such Series 2016 Bond is overdue or not, for the purpose of receiving payment of, or on account of the principal of, interest on, such Series 2016 Bond. If any Series 2016 Bond is not presented for payment when the principal or the Redemption Price therefor becomes due, and if moneys sufficient to pay such Series 2016 Bond (or the portion thereof called for redemption) or such interest, as is applicable, have been deposited under the Trust Indenture, all liability of the Department to the owner thereof for the payment of such Series 2016 Bonds (or portion thereof) or such interest, as applicable, will be discharged, and thereupon it shall be the duty of the Trustee to hold such money for the benefit of the owner of the applicable Series 2016 Bond, who will thereafter be restricted exclusively to such money, for any claim on his part under the Trust Indenture or on or with respect to, such principal, Redemption Price and/or interest. Money not claimed within three years will be turned over to the Comptroller of Public Accounts of the State of Texas (the "Comptroller"), in accordance with Title 6, Texas Property Code.

THE 2016 A MORTGAGE CERTIFICATES

Upon delivery of the Series A Bonds for the purpose of providing funds for the purchase of 2016 A Mortgage Certificates, the 2016 A Mortgage Certificates will be allocated to the 2016 A Mortgage Loan Account. Mortgage Loan Principal Payments on the 2016 A Mortgage Certificates will be used to redeem the Series A Bonds as described herein under "THE SERIES 2016 BONDS-Redemption Provisions-Redemption from Mortgage Loan Principal Payments – Series A Bonds." The Trust Indenture does not grant a priority in the 2016 A Mortgage Loan Account to the Series A Bonds over any other series of Bonds.

Except as noted below, the 2016 A Mortgage Certificates are expected to be acquired on February 24, 2016. The 2016 A Mortgage Loans have original terms of thirty years. The following table reflects summary information with respect to the 2016 A Mortgage Certificates expected to be purchased with Series A Bond proceeds:

THE 2016 B TRANSFERRED MORTGAGE CERTIFICATES

Upon delivery of the Series B Bonds for the purpose of refunding the Refunded Bonds, the 2016 B Transferred Mortgage Certificates will be allocated to the 2016 B Mortgage Loan Account. Mortgage Loan Principal Payments on the 2016 B Transferred Mortgage Certificates will be used to redeem the Series B Bonds as described herein under "THE SERIES 2016 BONDS-Redemption Provisions-Redemption from Mortgage Loan Principal Payments – Series B Bonds." The Trust Indenture does not grant a priority in the 2016 B Mortgage Loan Account to the Series B Bonds over any other series of Bonds.

Based upon January 2016 factors, the outstanding principal amount of the 2016 B Transferred Mortgage Certificates, as of January 25, 2016, is \$59,738,922.03. Substantially all of the 2016 B Transferred Mortgage Certificates were acquired between March 1, 1997 and December 1, 2008. SECURITY FOR THE BONDS

Pledge of Trust Indenture

The Bonds, including the Series 2016 Bonds, are equally and ratably secured by the Trust Indenture for the equal benefit, protection and security of the owners of the Bonds, each of which, regardless of time of issuance or maturity, is to be of equal rank without preference, priority or distinction, except as otherwise provided in the Trust Indenture.

Principal or Redemption Price of and interest on all Bonds are payable solely from and are secured by a pledge of and lien on the Trust Estate, which consists generally of the Revenues, Mortgages, Mortgage Loans (including Mortgage Certificates), money and Investment Securities held in the Funds (excluding the Rebate Account, the Swap Agreement Termination Payment Subaccount and the Swap Agreement Termination Receipt Subaccount of the Surplus Revenues Account of the Revenue Fund and the Policy Payments Account), and other property pledged under the Trust Indenture and any supplemental indenture. Revenues include all payments with respect to the Mortgage Loans (net of servicing, accounting and collection fees) which include Mortgage Certificates (net of servicing and guaranty fees) and the earnings on investments of amounts held under the Trust Indenture and any supplemental indenture. Revenues do not include Swap Agreement Periodic Receipts or Swap Agreement Termination Receipts, payments made in order to obtain or maintain mortgage insurance and fire and other hazard insurance with respect to Mortgage Loans (including Mortgage Certificates), and any payments required to be made with respect to Mortgage Loans (including Mortgage Certificates) for taxes, other governmental charges, and other similar charges customarily required to be escrowed on mortgage loans or commitment fees or other financing charges paid by a Mortgage Lender or the Servicer to the Department in connection with a commitment to sell and deliver Mortgage Loans (including Mortgage Certificates) to the Department. Swap Agreement Periodic Receipts will be available to pay Debt Service on the Bonds. Bondholders have no rights to or lien on the Swap Agreements.

All Bonds issued under the Trust Indenture are also equally and ratably secured by amounts in the Debt Service Reserve Account of the Debt Service Fund. See "THE TRUST INDENTURE—Debt Service Reserve Account." The Trust Indenture requires that the Debt Service Reserve Account be funded in the amount sufficient to cause the Account to be maintained at a level at least equal to three percent (3%) of the aggregate principal amount of Mortgage Loans outstanding (zero percent (0%) for Mortgage Loans represented by Mortgage Certificates) from time to time. As of October 31, 2015 the Debt Service Reserve Account Requirement for the Bonds was \$16,136. As of such date, \$290,092 was on deposit in the Debt Service Reserve Account.

The Series 2016 Bonds are limited obligations of the Department and are payable solely from the Revenues and funds pledged for the payment thereof as more fully described herein. Neither the State nor any agency of the State, other than the Department, nor the United States of America nor any agency, department or other instrumentality thereof, including Ginnie Mae, Freddie Mac, and Fannie Mae, is obligated to pay the principal or redemption price of, or interest on, the Series 2016 Bonds. Neither the faith and credit nor the taxing power of the State or the United States of America is pledged, given or loaned to such payment. The Department has no taxing power. Ginnie Mae, Freddie Mac and Fannie Mae guarantee only the payment of the principal of and interest on the Ginnie Mae Certificates, Freddie Mac Certificates and Fannie Mae Certificates, respectively, when due and do not guarantee the payment of the Series 2016 Bonds or any other obligations issued by the Department.

Certain Information as to Revenues, Investments, Debt Service and Department Expenses

On the basis of the Statement of Projected Revenues prepared in connection with the issuance of the Series 2016 Bonds, as discussed below, the Department expects that the scheduled payments, together with prepayments received, if any, of the principal of and interest on the Mortgage Loans and the Mortgage Certificates and amounts held under the Trust Indenture and the earnings thereon, will be sufficient to pay the principal or Redemption Price of and interest on the Series 2016 Bonds and all other Outstanding Bonds when due. In arriving at the foregoing conclusions, the Department has included all Prior Bonds but has not considered the issuance of other additional Bonds or the application or investment of the proceeds thereof.

Since obligations issued under the Trust Indenture will rank equally and ratably with the Series 2016 Bonds with respect to the security afforded by the Trust Indenture, the availability of money for repayment thereof could be significantly affected by the issuance, application and investment of proceeds of additional Bonds. See "Additional Bonds."

Statement of Projected Revenues

The Department is required to prepare periodically a statement comparing estimates of Revenues with the Debt Service requirements and estimated Department Expenses with respect to Outstanding Bonds (the "Statement of Projected Revenues"). This Statement of Projected Revenues is required to be prepared as a condition to the issuance of Bonds and annually within 180 days after each August 31. A Statement of Projected Revenues is also required to be prepared semiannually at any time that unexpended Bond proceeds remain on deposit in the Mortgage Loan Fund to the extent reasonably necessary to reflect the actual application of amounts therein, the expiration or other termination or alteration of any commitment for the acquisition or refinancing of Mortgage Loans or any revised estimates with respect thereto.

The Department has covenanted that during such time as it is not meeting the Asset Test (as described herein under "THE TRUST INDENTURE – Revenue Fund"), the Department may only direct the Trustee (i) to transfer Surplus Indenture Revenues to the Mortgage Loan Fund or the Redemption Account of the Debt Service Fund; (ii) to invest the Surplus Indenture Revenues in Investment Securities; or (iii) if the Department shall have on file with the Trustee a Statement of Projected Revenues, projecting that Revenues to the extent deemed available or to be available to pay Department Expenses and aggregate Debt Service, including Swap Agreement Periodic Payments, will be sufficient to pay Department Expenses and aggregate Debt Service, including Swap Agreement Periodic Payments, when due in the then current and each succeeding Bond Year and as of the date of such Statement of Projected Revenues, the Department Assets are at least equal to one hundred percent (100%) of the aggregate principal amount of Outstanding Bonds, then Surplus Indenture Revenues may be used to pay principal, interest and redemption price on Junior Lien Bonds or to establish and maintain reserves or other funds and accounts as provided in the indenture or indentures authorizing such Junior Lien Bonds.

At the end of any Bond Year, if the Department meets the Asset Test, the Department may apply any Surplus Indenture Revenues (in excess of those required to be maintained under the Trust Indenture in order to permit the Department to continue to meet the Asset Test):

(i) to the trustee under the Junior Lien Trust Indenture to be used to originate mortgage loans as described in the Trust Indenture, to reimburse a bond insurer or credit provider for amounts provided under a bond insurance policy or other credit support or to originate junior lien mortgage loans;

(ii) to pay principal, interest, and redemption premium on Junior Lien Bonds, or to establish and maintain reserves or other funds and accounts as provided in the indenture authorizing Junior Lien Bonds;

(iii) (a) subject to the provisions of the Trust Indenture or any Supplemental Indenture to the redemption of the Bonds (only on and after the optional redemption date for the Series 2016 Bonds); (b) to the payment of any Department Expenses; (c) to the establishment of reserves therefor, free and clear of the pledge and lien of the Trust Indenture; or (d) to the purchase of Bonds; and

(iv) any other purpose or payment authorized or required by the Act free and clear of the pledge and lien of the Trust Indenture;

provided, however, that no such amounts may be applied in any way which would result in less than ninety percent (90%) of all amounts received by the Department with respect to the Mortgage Loans being used for the following purposes: (v) to pay the principal or Redemption Price of or interest on or purchase or otherwise to service the Bonds; (w) to reimburse the Department for Department Expenses, or to pay, for costs of issuance; (x) to reimburse the Department, or to pay for administrative or other costs or anticipated future losses directly related to the Program; (y) to acquire Mortgage Loans or other loans or mortgages financing residential real property in the State; and (z) to redeem or retire obligations of the Department.

Additional Bonds

Various series of Bonds, including refunding Bonds, may be issued as provided in the Trust Indenture on a parity with the Bonds of all other series, secured by a pledge of and lien on the Trust Estate. As a condition to the issuance of additional Bonds, including refunding Bonds, the Department must deliver various items to the Trustee including an opinion of Bond Counsel to the effect that, among other things, the series of Bonds is legally issued in accordance with the Trust Indenture and the Act. The Department must also deliver a Statement of Projected Revenues which gives effect to the issuance of such additional Bonds, including refunding Bonds, and demonstrates that (i) the estimated Revenues and any other revenues, investment income or moneys reasonably estimated by the Department to be available for the payment of aggregate Debt Service, including Swap Agreement Periodic Payments, for all Outstanding Bonds when due will be sufficient to pay the aggregate Debt Service for all Outstanding Bonds, including Swap Agreement Periodic Payments, and (ii) the remaining balance of the scheduled and estimated Revenues and other revenues, investment income or moneys reasonably estimated by the Department to be available to pay budgeted or estimated Department Expenses allocable by the Department to the Outstanding Bonds, the Trust Indenture and the Department's programs under the Trust Indenture will be sufficient to pay such budgeted or estimated Department Expenses. No additional parity Bonds may be issued unless, upon the issuance of such Bonds, the amounts credited to the Debt Service Reserve Account will be sufficient to maintain its requirements. The Department has reserved the right to adopt one or more additional general bond indentures and to issue other obligations, such as the Junior Lien Bonds, payable from sources other than the Trust Estate and has also reserved the right to issue obligations, other than the Bonds, payable from the Trust Estate, including the Revenues, if the pledge of and lien on the Trust Estate and the Revenues securing such obligations is junior to or subordinate to the pledge of and lien on the Trust Estate and the Revenues securing the Bonds.

In addition to the Series 2016 Bonds to be issued, multiple series of Prior Bonds have been issued pursuant to the Trust Indenture. As of October 31, 2015, \$337,995,000 in aggregate principal amount of such Prior Bonds were Outstanding in the following principal amounts:

BONDHOLDER RISKS

Swap Basis Risk

In connection with the issuance of certain Bonds, the Department entered into the Prior Swap Agreements. Pursuant to the Prior Swap Agreements the Department will pay the Prior Swap Providers payments computed at a fixed rate based on a notional amounts which correspond to the outstanding principal balances of the Bonds associated with the respective Prior Swap Agreements, and the Prior Swap Providers will pay the Department payments computed based on variable rate indices on the same notional amounts. The variable rate used under each of the Prior Swap Agreements is based on specified

percentages of LIBOR, which is intended to approximate the variable interest rate on the Bonds associated with the Prior Swap Agreements. Unlike LIBOR, however, the interest on the Bonds associated with the Prior Swap Agreements, is excludable from gross income for federal income tax purposes; therefore, one of the primary determinants of any changes to the relationship between the variable rate index used under the Prior Swap Agreements and the interest rates on the Bonds associated with the Prior Swap Agreements is expected to include, among other factors, any changes to the top marginal rate of federal income taxation. Payments to the Department under the Prior Swap Agreements may exceed, equal or be less than the Department's interest obligation on the Bonds associated with the Prior Swap Agreements. Regardless of the amount of moneys received under the Prior Swap Agreements, the Department is obligated to make interest payments on variable rate Bonds at rates that are determined by the respective Remarketing Agents. Any mismatch between Bond interest payments associated with the Prior Swap Agreements and the payments due under the Prior Swap Agreements could cause financial losses under the Trust Indenture. See "CERTAIN INFORMATION REGARDING THE PROGRAM, THE MORTGAGE LOANS, PRIOR SWAP AGREEMENTS AND PROIOR LIQUIDITY FACILITIES -- PRIOR SWAP AGREEMENTS" and Note 5 of APPENDIX D-1 – AUDITED FINANCIAL STATEMENTS OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS FOR THE FISCAL YEAR ENDED AUGUST 31, 2015.

Swap Termination Risk

Under certain circumstances, including certain events of default with respect to the Department or the Prior Swap Providers, the Prior Swap Agreements may be terminated in whole or in part prior to maturity. Following termination, if any, of the Prior Swap Agreements, under certain market conditions, the Department could owe a termination payment to the respective Prior Swap Providers that could be substantial. Such termination payment will be payable from amounts pledged under the Trust Indenture, subject and subordinate to (i) the payment or provision of arbitrage rebate; (ii) expenses and compensation of the Trustee; (iii) the payment of principal and interest on all Senior Bonds and Junior Lien Bonds, if any, (iv) the payment of regularly scheduled payments under the Prior Swap Agreements, and (v) required replenishment of the Debt Service Reserve Fund, if any. A bond insurer has issued swap insurance policies insuring the scheduled fixed payments from the Department for all of the Prior Swap Agreements, except the Series 2007A Bonds. The Department's obligation to reimburse the bond insurer, if any, and to pay any Prior Swap Provider that is owed a termination payment is subordinate to scheduled payment of principal of and interest on all Senior Bonds and Junior Lien Bonds, if any, the payment of regularly scheduled payments under the Prior Swap Agreements, and any required replenishment of the Debt Service Reserve Fund.

As of November 30, 2015, the Department estimates that the aggregate termination payments that would have been owed by the Department to the Prior Swap Providers was approximately \$16.75 million; however such estimation is by no means incontrovertible as the actual termination payment, were the Prior Swap Agreements to be terminated, would likely be subject to different valuations from the Prior Swap Providers. For more detailed information concerning "fair value" estimations for each Prior Swap Agreement see "CERTAIN INFORMATION REGARDING THE PROGRAM, THE MORTGAGE LOANS, PRIOR SWAP AGREEMENTS AND PROIOR LIQUIDITY FACILITIES -- PRIOR SWAP AGREEMENTS" and Note 5 of APPENDIX D-1 – AUDITED FINANCIAL STATEMENTS OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS REVENUE BOND PROGRAM FOR THE FISCAL YEAR ENDED AUGUST 31, 2015.

Mortgage Loan Principal Prepayments

The Department anticipates that the Trustee will receive Mortgage Loan Principal Prepayments on the 2016 B Transferred Mortgage Certificates and the 2016 A Mortgage Certificates. Mortgage Loan Principal Prepayments are usually the result of the resale of the premises securing a Mortgage Loan or the refinancing of a Mortgage Loan due to changes in mortgage interest rates. Therefore, economic and

financial market conditions may have a significant short-term effect on the rate of prepayments. The Department is not aware of any means which would allow it to accurately predict the actual level of prepayments it will receive from the 2016 B Transferred Mortgage Certificates and 2016 A Mortgage Certificates. Mortgage Loan Principal Prepayments will be applied to the redemption of the respective Series of the Series 2016 Bonds at the price of one hundred percent (100%) of the principal amount thereof, but without any redemption premium. See “THE SERIES 2016 BONDS—Redemption Provisions—Redemption from Mortgage Loan Principal Payments.”

Nature of the Guarantees of Freddie Mac and Fannie Mae

The obligations of Freddie Mac under its guarantees of the Freddie Mac Certificates are obligations of Freddie Mac only, and the obligations of Fannie Mae under its guarantees of the Fannie Mae Certificates are obligations of Fannie Mae only. Neither the Freddie Mac Certificates nor the Fannie Mae Certificates, including the interest thereon, are guaranteed by the United States or constitute debts or obligations of the United States or any agency or instrumentality of the United States other than Freddie Mac and Fannie Mae, as applicable, and neither is entitled to the full faith and credit of the United States. If Freddie Mac or Fannie Mae is unable to satisfy its obligations under its guarantees, distributions on the Freddie Mac Certificates or the Fannie Mae Certificates, as applicable, would consist solely of payments and other recoveries on the related mortgage loans. In such event, prepayments, delinquencies and defaults on the mortgages would affect distributions on the Freddie Mac and the Fannie Mae Certificates, as applicable, and could adversely affect payments on the Series 2016 Bonds.

Risk of Non-Payment Due to Bank Bond Acceleration

The Department’s ability to pay the debt service on Bonds may be negatively impacted by the inability to remarket variable rate Prior Bonds. Variable rate Prior Bonds comprise approximately 56.2% of the Department’s bonded debt under the Trust Indenture. As of October 31, 2015, the Department has no unremarketed outstanding Bank Bonds. For purposes of this section, the term "Bank Bonds" means Prior Bonds purchased by the Prior Liquidity Facility Provider. As Bank Bonds, the terms of such Bank Bonds have more onerous interest rates and/or principal repayment schedules.

In connection with the Department’s variable rate Prior Bonds, the Department has replaced the original liquidity facility providers with Liquidity Facilities provided by the Comptroller (each, a "Comptroller Liquidity Facility"). The Comptroller Liquidity Facilities expire on April 30, 2016. There is no assurance that the Department will be able to secure substitute liquidity or extend the Comptroller Liquidity Facilities. Failure to do either may have an adverse effect on the ability of the Indenture to generate revenues sufficient to pay principal of and interest on the Series 2016 Bonds.

Risk of Default on Loans

Mortgage Loans originated with loan-to-value ratios in excess of eighty percent (80%) are required to be insured or guaranteed by a private mortgage insurer or by FHA, VA or USDA/RD. Under the Program, the Mortgage Loans related to the Refunded Bonds and 2016 A Mortgage Loans were securitized as 2016 B Transferred Mortgage Certificates and 2016 A Mortgage Certificates, respectively, and guaranteed as to timely payment of principal and interest by Ginnie Mae, Fannie Mae, or Freddie Mac. See "APPENDIX F-1 – ADDITIONAL INFORMATION CONCERNING MORTGAGE LOANS AND MORTGAGE CERTIFICATES" for information relating to the Department’s mortgage loan portfolio. Although a certain portion of Mortgage Loans are covered with various forms of insurance, guarantees or homeowner equity, there can be no assurance that losses incurred in connection with defaults on the Mortgage Loans will not exceed the levels of protection in place or that the providers of such insurance or guarantees will pay in accordance with their obligations under the insurance policies or guarantees. If losses result on the underlying Mortgage Loans and if the providers of guarantees under the Mortgage Certificates

do not pay in accordance with their obligations, the ability of the Trustee to pay principal and interest on the Series 2016 Bonds may be adversely affected. For certain information about Ginnie Mae and the Ginnie Mae Certificates, Freddie Mac and the Freddie Mac Certificates and Fannie Mae and the Fannie Mae Certificates, see APPENDIX C-1, APPENDIX C-2 and APPENDIX C-3, respectively.

Availability of Remedies

The remedies available to the owners of the Series 2016 Bonds upon an Event of Default under the Trust Indenture or other documents described herein are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically Title 11 of the United States Code, the remedies specified by the federal bankruptcy laws, the Trust Indenture and the various Program documents may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2016 Bonds will be qualified, as to the enforceability of the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by general principles of equity which permit the exercise of judicial discretion.

THE DEPARTMENT

General

The Department, a public and official agency of the State of Texas (the "State") was created pursuant to and in accordance with Chapter 2306, Texas Government Code, as amended from time to time (together with other laws of the State applicable to the Department, the "Act"). The Department is the successor agency to the Texas Housing Agency (the "Agency") and the Texas Department of Community Affairs (the "TDCA"), both of which were abolished by the Act and their functions and obligations transferred to the Department. One of the purposes of the Department is to provide for the housing needs of individuals and families of low, very low and extremely low income and families of moderate income in the State. Pursuant to the Act, the Department may issue bonds, notes or other obligations to finance or refinance residential housing and to refund bonds previously issued by the Agency, the Department or certain other quasi-governmental issuers. The Act specifically provides that the revenue bonds of the Agency become revenue bonds of the Department.

The Department is subject to the Texas Sunset Act (Chapter 325, Texas Government Code, as amended, hereinafter referred to as the "Sunset Act") and its continued existence is subject to a review process that resulted in passage of legislation in the Seventy-Eighth Legislative Session in 2003 which continued the Department in existence until September 1, 2011. House Bill 3361 extended the existence of the Department until September 2025, at which time it will be subject to review. The Sunset Act, however, recognizes the continuing obligation of the State to provide for the payment of bonded indebtedness incurred by a State agency abolished under the provisions thereof and provides that the Governor of the State shall designate an appropriate State agency to continue to carry out all covenants with respect to any bonds outstanding, including the payment of any bonds from the sources provided in the proceedings authorizing such bonds.

In the Act, the State also pledges and agrees with the holders of any bonds issued under the Act that the State will not limit or alter the rights vested in the Department to fulfill the terms of any agreements made with the holders thereof that would in any way impair the rights and remedies of such holders until such bonds, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses incurred in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged.

Governing Board

The Department is governed by a governing board (the "Board") consisting of seven public members, appointed by the Governor, with the advice and consent of the State Senate. Board members hold office for six-year staggered terms. Each member serves until his or her successor is appointed and qualified. Each member is eligible for reappointment. Members serve without compensation, but are entitled to reimbursement for actual expenses incurred in performing their duties of office. The Act requires the Governor to make appointments so that the places on the Board are occupied by persons who have a demonstrated interest in issues related to housing and support services and who broadly reflect the geographic, economic, cultural, and social diversity of the State, including ethnic minorities, persons with disabilities, and women.

The Governor of the State designates a member of the Board to serve as the presiding officer (the "Chair") of the Board at the pleasure of the Governor. The Chair presides at all meetings and performs such other duties as may be prescribed from time to time by the Board and by the Act. In addition, the members of the Board elect one of its members as assistant presiding officer (the "Vice Chair") to perform the duties of the Chair when the Chair is not present or is incapable of performing such duties. The Board also elects a Secretary and a Treasurer (which offices may be held by one individual and neither office-holder must be a Board member) to perform the duties prescribed by the Board.

The current members of the Board, their occupations and their terms of office are as follows:

J. PAUL OXER, P.E., Chair and Board Member. Managing Director of McDaniel, Hunter & Prince Inc. His term expires January 31, 2017.

JUAN SANCHEZ MUNOZ, PhD, Board Member. Associate Professor of Education at Texas Tech University and Associate Director of the Texas Tech University College of Education, Center for Research on Leadership and Education. His term expires January 31, 2017.

LESLIE BINGHAM-ESCARENO, Board Member. Chief Executive Officer of Valley Baptist Medical Center-Brownsville. Her term expires January 31, 2019.

TOM GANN, Board Member. President, Gann Medford Real Estate, a commercial and residential real estate brokerage firm. His term expired January 31, 2015.

TOLBERT CHISUM, Board Member. Trustee of The Modern Group. Founder and Vice Chairman and past Chairman and CEO of the Abraham Lincoln Presidential Library Foundation. His term expires January 31, 2019.

J.B. GOODWIN, Board Member. CEO OF JB Goodwin Realtors. His term expired January 31, 2015.

There is currently one vacant seat on the Board.

All of the above Board members have been appointed by the Governor and confirmed by the State Senate. Any Board member whose term has expired or who has tendered his or her resignation continues to serve until his or her successor has been appointed.

Administrative Personnel

The Act provides that the Department is to be administered by an Executive Director to be employed by the Board with the approval of the Governor. The Executive Director serves at the pleasure of the Board, but may also be removed by a newly elected Governor who did not approve the Executive Director's appointment by action taken within 90 days after such Governor takes office. The Executive Director is responsible for administering the Department and its personnel. The Executive Director may employ other employees necessary for the discharge of the duties of the Department, subject to the annual budget and the provisions of any resolution authorizing the issuance of the Department's bonds.

Currently, the Department has 278 employees. The following is a biographical summary of certain of the Department's senior staff members who have responsibility with respect to single-family housing matters.

THE TRUST INDENTURE

General

The Trust Indenture, which includes the Master Indenture and each of the supplements and amendments thereto relating to the Bonds, contains various covenants and security provisions, certain of which are summarized below. Reference should be made to the Trust Indenture, a copy of which may be obtained from the Department, for a full and complete statement of its provisions.

Funds and Accounts

The following Funds are established under the Trust Indenture: Mortgage Loan Fund; Revenue Fund; Debt Service Fund (and a Principal Account, an Interest Account, a Debt Service Reserve Account, a Swap Agreement Periodic Payment Account, and a Redemption Account therein); Expense Fund (and a Rebate Account therein); and Special Mortgage Loan Fund. The Funds and Accounts (except for the Principal Account, Interest Account, Swap Agreement Periodic Payment Account and Redemption Account of the Debt Service Fund which are held and invested by the Trustee and the Expense Fund which is held by the Department) are held by the Trustee and maintained and invested by the Comptroller, acting by and through the Texas Treasury Safekeeping Trust Company, as depository (the "Depository") under the Trust Indenture. See "ADDITIONAL INFORMATION" for information on Texas Treasury Safekeeping Trust Company.

The 2016 Supplemental Indentures create an account for the Series A Bonds and the Series B Bonds, respectively, within each listed Fund, and a Subaccount for the Series A Bonds, and the Series B Bonds, respectively, within each listed Account except for the Special Mortgage Loan Fund, the Debt Service Reserve Account and the Swap Agreement Periodic Payment Account. Moreover, in connection with the Swap Agreements, the corresponding Supplemental Indentures each created a corresponding Swap Agreement Termination Payment Subaccount, Swap Agreement Periodic Receipt Subaccount and Swap Agreement Termination Receipt Subaccount within the Surplus Revenues Account of the Revenue Fund. The Swap Agreement Termination Payment Subaccount and the Swap Agreement Termination Receipt Subaccount are not pledged as security for the payment of principal of or interest on any Bonds. The Accounts and Subaccounts so created do not grant a priority of the Series A Bonds or the Series B Bonds over that of any other series of Bonds.

Mortgage Loan Fund

Amounts in the Mortgage Loan Fund will be used to pay: (i) the costs of acquiring the Mortgage Certificates, (ii) a portion of the costs of issuance of the Bonds, and (iii) any other fees and expenses incurred in connection with the acquisition of the Mortgage Certificates which are payable by the Trustee on behalf of the Department pursuant to any agreement with Mortgage Lenders, and the fees and expenses of the Trustee, the Department and any consultants to the Department. The 2016 B Transferred Mortgage Certificates will be deposited to the 2016 B Mortgage Loan Account.

Under certain circumstances, as required by the Trust Indenture, the Trustee, at the direction of the Department, is required to transfer amounts in the Mortgage Loan Fund to the Redemption Account to pay the principal of Bonds to be redeemed or to be purchased. To the extent other moneys are not available in any other fund or account, amounts in the Mortgage Loan Fund may be applied to the payment of principal or Redemption Price of and interest on the Bonds.

The Department has covenanted in the Trust Indenture that it will acquire, refinance or sell Mortgage Loans or Mortgage Certificates only if it has determined, on the basis of its most recent Statement of Projected Revenues, and other information available to it, that such action will not adversely affect the Department's ability to pay, when due, the principal or Redemption Price of and interest on the Bonds. See "SECURITY FOR THE BONDS – Certain Information as to Revenues, Investments, Debt Service and Department Expenses" and "– Statement of Projected Revenues" and "APPENDIX I – CERTAIN INFORMATION REGARDING THE PROGRAM, THE MORTGAGE LOANS, PRIOR SWAP AGREEMENTS AND PRIOR LIQUIDITY FACILITIES- Sale of Mortgage Loans or Mortgage Certificates."

Expense Fund

Amounts in the Expense Fund (except for amounts in the Rebate Account therein) may be paid out from time to time by the Department for Department Expenses, taxes, insurance, foreclosure fees, including appraisal and legal fees, security, repairs and other expenses incurred by the Department in connection with the protection and enforcement of its rights in any Mortgage Loan and the preservation of the mortgaged property securing such Mortgage Loans. Excess amounts in the Expense Fund may be transferred to the Revenue Fund.

Funds on deposit in the Rebate Account are required to be withdrawn periodically by the Department and set aside to pay any amounts required to be rebated to the United States under applicable provisions of federal income tax law.

Revenue Fund

All Revenues are required to be deposited in the Revenue Fund promptly upon receipt by the Department. On the first day of each month, or as soon thereafter as possible, the Trustee is required to transfer from the Revenue Fund to the Expense Fund the amount, estimated by the Department, to be required to pay the Department Expenses during the next month together with the amount, if any, necessary to maintain or restore an operating reserve in the Expense Fund to the sum estimated in the Department's current annual budget to be required to pay two months' Department Expenses. The Trust Indenture requires the Department to estimate periodically the amounts necessary to pay an amount (the "Rebate Amount") to the United States of America as required under Section 148(f) of the Code and applicable provisions thereunder and thus include such amounts in its monthly estimate of Department Expenses.

On or before each Interest Payment Date on the Bonds, the Trustee is required to transfer Mortgage Loan Principal Payments at the Department's direction to either the Principal Account, the Mortgage Loan Fund, or to the Redemption Account; provided, however, that all amounts representing Mortgage Loan Principal Payments shall be transferred to a Redemption Account and applied to the redemption of the respective Series of Bonds within six months after receipt. The Trustee also must transfer from the Revenue Fund the other amounts on deposit therein representing investment earnings on Funds and Accounts and Mortgage Loan Interest Payments to the Debt Service Fund as follows: (i) to the Interest Account, to the extent required so that the balance in said account equals the amount of the interest which will be due and unpaid on such Interest Payment Date, (ii) to the Principal Account, to the extent required so that the balance in said account equals the amount of principal which will be due and unpaid on such Interest Payment Date, (iii) to the Debt Service Reserve Account, to the extent required so that the balance in such account equals the Debt Service Reserve Account Requirement, and (iv) to the Swap Agreement Periodic Payment Account to the extent required so that the balance in said account equals the Swap Agreement Periodic Payment which will be due and unpaid on such Interest Payment Date. Any amounts remaining in the Revenue Fund after such payments described above are made are deemed Surplus Indenture Revenues.

Surplus Indenture Revenues (with certain exceptions) are transferred to the Surplus Revenues Account of the Revenue Fund. If the Department has satisfied the requirements in the Trust Indenture, amounts in the Surplus Revenues Account are transferred on or before each Interest Payment Date or redemption date for the Junior Lien Bonds to the trustee under the Junior Lien Trust Indenture to the extent such amounts are needed to pay amounts due on the Junior Lien Bonds, to pay fees and expenses associated with the Junior Lien Bonds and to restore reserves and other accounts for such Junior Lien Bonds.

During such time as the Department is not meeting the Asset Test described in the next succeeding paragraph, the Department may only direct the Trustee to use Surplus Indenture Revenues as described under "SECURITY FOR THE BONDS – Statement of Projected Revenues."

The Department will be deemed to have met the Asset Test if (i) the Department shall have on file with the Trustee a Statement of Projected Revenues giving effect to a transfer and release proposed as described in the next succeeding paragraph projecting that available Revenues will be sufficient to pay Department Expenses and aggregate Debt Service on the Bonds, including Swap Agreement Periodic Payments, and debt service on any Outstanding Junior Lien Bonds when due in the then-current and each succeeding Bond Year; (ii) as of the date of such Statement of Projected Revenues the Department Assets (including that portion of junior lien mortgage loans that are permitted to be included as Department Assets by each Rating Agency) are at least equal to one hundred two percent (102%) of the aggregate principal amount of Bonds and any Junior Lien Bonds then Outstanding; and (iii) amounts then on deposit in the Debt Service Reserve Account are at least equal to the Debt Service Reserve Account Requirement and amounts in the reserve fund for the Junior Lien Bonds are equal to the reserve fund requirement therefore.

At the end of any Bond Year, if the Department meets the Asset Test, the Department may direct the Trustee to transfer the Surplus Indenture Revenues (in excess of those required to be maintained under the Trust Indenture in order to permit the Department to continue to meet the Asset Test) to the trustee under the Junior Lien Trust Indenture to be used to originate mortgage loans as described in the Trust Indenture, to reimburse a bond insurer or credit provider for amounts provided under a bond insurance policy or other credit support or to originate Junior Lien Mortgage Loans, or the Department may apply such Surplus Indenture Revenues: (1) in any manner permitted during periods when the Department is not meeting the Asset Test, as described under "SECURITY FOR THE BONDS – Statement of Projected Revenues"; (2) (A) to the redemption of Bonds (only after the optional redemption date for the Series 2016 Bonds); (B) to the payment of any Department Expenses; (C) to the establishment of reserves therefor, free and clear of the pledge and lien of the Trust Indenture; or (D) to the purchase of Bonds; and (3) any other purpose or payment authorized by the Act, free and clear of the pledge and lien of the Trust Indenture.

No Surplus Indenture Revenues may be applied in any way which would result in less than ninety percent (90%) of all amounts received by the Department with respect to the Mortgage Loans being used for the following purposes: (i) to pay the principal or Redemption Price of or interest on or purchase or otherwise to service the Bonds; (ii) to reimburse the Department for Department Expenses, or to pay for costs of issuance of the Bonds; (iii) to reimburse the Department, or to pay for administrative or other costs or anticipated future losses directly related to the Program; (iv) to acquire Mortgage Loans or other loans or mortgages financing residential real property in the State; and (v) to redeem or retire obligations of the Department.

Debt Service Fund – Interest Account; Principal Account; Swap Agreement Periodic Payment Account; Redemption Account

The Trustee is required to pay out of the Interest Account by each Interest Payment Date the amount required for the interest payment on such date. The Trustee is required to pay out of the Principal Account by each principal installment due date, the amount required for the principal installment payable on such due date. By the redemption date for any Bonds, the Trustee is required to pay out of the Interest Account the amount required for the payment of interest on the Bonds to be redeemed. The Trustee is required to pay the Swap Agreement Periodic Payment out of the Swap Agreement Periodic Payment Account on each Interest Payment Date.

Amounts in the Principal Account with respect to any sinking fund redemption (together with amounts in the Interest Account with respect to accrued interest on the Bonds to be so redeemed) are required to be applied by the Trustee to pay the Redemption Price of the Bonds to be so redeemed. Amounts in the Redemption Account (together with amounts in the Interest Account with respect to accrued interest on the Bonds to be redeemed from the Redemption Account) shall be applied by the Trustee to pay the Redemption Price of the Bonds to be redeemed or may (subject to the provisions of any supplemental indenture), at the direction of the Department, be transferred to the Revenue Fund if notice of redemption has not been published or mailed or such amounts have not been committed to the purchase of Bonds. As soon as practicable after the 40th day preceding the redemption date, the Trustee shall proceed to call for redemption, by giving notice as provided in the Trust Indenture, Bonds in such amount as shall be necessary to exhaust as nearly as possible the amounts in the Redemption Account. In the event that any supplemental indenture establishes a "special sinking fund bond payment," amounts in the Redemption Account representing any such special sinking fund bond payment shall be used only for the purpose of redeeming or purchasing the special sinking fund Bonds for which such payments were established.

Upon any purchase or redemption, other than a sinking fund redemption, of Bonds of any series and maturity for which sinking fund installments have been established, there shall be credited toward each such sinking fund installment thereafter to become due a proportional amount of the total principal amount of such Bonds so purchased or redeemed, or may be credited otherwise at the direction of the Department upon satisfaction of certain conditions set out in the Trust Indenture. The Trustee, at any time at the direction of the Department, is required to apply amounts available in the Principal Account or the Redemption Account to pay the principal portion of Bonds which the Department may purchase at a price (excluding accrued interest to the purchase date but including any brokerage or other charges), no greater than the applicable Redemption Price of such Bonds.

The Department has covenanted that it will only purchase Bonds or redeem Bonds pursuant to an optional or special redemption, out of amounts in the Redemption Account, if it has determined, on the basis of its most recent Statement of Projected Revenues, and other information available to the Department, that such action will not adversely affect the ability of the Department to pay, when due, the principal or Redemption Price of and interest on the Bonds.

Debt Service Reserve Account

If on any Interest Payment Date for the Bonds, the amount in the Principal Account is less than the amount required to pay the principal and Redemption Price of Bonds then payable, or the amount in the Interest Account shall be less than the amount required to pay interest then due on the Bonds, the Trustee is required to apply amounts from the Debt Service Reserve Account to the extent necessary to eliminate the deficiency first in the Interest Account and second in the Principal Account.

Any amount on deposit in the Debt Service Reserve Account prior to the monthly allocation from the Revenue Fund that is in excess of the Debt Service Reserve Requirement will, upon the request of the Department, be transferred to the Revenue Fund.

Whenever the amount in the Debt Service Reserve Account, together with the amounts in the Debt Service Fund is sufficient to fully pay all Outstanding Bonds in accordance with their terms (including principal or Redemption Price and interest thereon), the funds on deposit in the Debt Service Reserve Account may be transferred to the Debt Service Fund for credit to the Redemption Account and the Interest Account, as appropriate.

The Debt Service Reserve Account Requirement is three percent (3%) of the current balance of the Mortgage Loans outstanding (for Mortgage Loans represented by Mortgage Certificates the requirement is zero percent (0%)).

Special Mortgage Loan Fund

As a result of the issuance of certain Series of Bonds, the Trust Indenture establishes the Special Mortgage Loan Fund as a separate fund pledged (unless withdrawn as provided by the next paragraph) to and available for payment of Debt Service on the Bonds. In the event of any shortfall in funds available to pay any Debt Service on the Bonds, the Depository shall, upon the request of the Trustee, transfer to the Trustee from the Special Mortgage Loan Fund any amount necessary to provide sufficient funds to pay the amount then due and owing.

Moneys on deposit in the Special Mortgage Loan Fund may be withdrawn by the Department for the purpose of acquiring from mortgage lenders Special Mortgage Loans (including participations therein). Special Mortgage Loans are mortgage loans which otherwise meet the requirements of the Code, applicable to mortgage loans financed with the proceeds of qualified mortgage bonds, which bear interest at a rate of zero percent (0%) per annum, and for which principal amortizes over the term of the loan. Special Mortgage Loans may not satisfy all Mortgage Loan requirements for a Program under the Trust Indenture.

Withdrawals from Funds to Pay Debt Service

If on any Interest Payment Date on the Bonds, the amount in the Interest Account or the Principal Account shall be less than the amount required to be in such Accounts in order to make payments then due, the Trustee shall transfer from the following Funds and Accounts in the following order of priority the amount of such deficit and apply such amount to pay aggregate Debt Service as necessary: (i) Redemption Account, (ii) Mortgage Loan Fund, and (iii) Debt Service Reserve Account.

None of the following are deemed available under the Trust Indenture for the payment of Debt Service on Bonds: (i) moneys in the Redemption Account which are to be used to redeem Bonds as to which notice of redemption has been given or committed to the purchase of Bonds, (ii) moneys in the Mortgage Loan Fund which are to be used to acquire or refinance Mortgage Loans (or Mortgage Certificates) with respect to which the Department has entered into commitments with borrowers or Mortgage Lenders, or (iii) Mortgage Loans credited to the Mortgage Loan Fund. Prior to withdrawing any amounts from the Mortgage Loan Fund, the Department shall file with the Trustee a Statement of Projected Revenues giving effect to such withdrawal, which shall project Revenues sufficient to pay Department Expenses and Debt Service when due in the then-current and each succeeding Bond Year. If there is not sufficient amount in all Funds and Accounts to pay all required principal, interest and Redemption Price on all Bonds, the available amounts will be applied in accordance with the provisions of the Trust Indenture.

Investments

Moneys held in the Mortgage Loan Fund, the Revenue Fund and the Debt Service Fund are required to be invested and reinvested by the Trustee or by any Depository holding all or a portion of the moneys in such Funds, in accordance with instructions from the Department and moneys held in the Expense Fund are required to be invested and reinvested by the Department or by any Depository holding all or a portion of the moneys in such Fund, in accordance with instructions from the Department, to the fullest extent practicable and if permitted by the Act, in Investment Securities (or certificates of deposit or time deposits) the principal of which the Department estimates will be received not later than such times as will be necessary to provide moneys when needed for payments to be made from each such Fund. See "TEXAS TREASURY SAFEKEEPING TRUST COMPANY."

Interest earned from investing any moneys in any Fund or profits realized from any investments in such Fund are required to be retained in such Fund until it contains the amount required by the Trust Indenture to be deposited therein; thereafter such earnings and profits, net of any losses (except that which represents a return of accrued interest paid in connection with the purchase by the Department, the Trustee or any Depository of any investment or as otherwise provided in a Supplemental Indenture), are required to be transferred to the Revenue Fund. In computing the amount in any Fund or Account created under the provisions of the Trust Indenture for any purpose provided in the Trust Indenture, obligations purchased as an investment of moneys therein must be valued at their amortized value, computed as prescribed in the Trust Indenture.

Other Department Covenants

Prior to the beginning of each Bond Year the Department shall prepare and file with the Trustee an annual budget for the ensuing Bond Year. The Department may not expend any amount from the Expense Fund for Department Expenses for such year in excess of the amounts provided therefor in the annual budget as originally adopted or as amended. The Department shall keep proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions in accordance with generally accepted accounting principles. The Department shall annually, within 150 days after the close of each Bond Year, file with the Trustee, and otherwise as provided by law, a copy of an annual report for such year, accompanied by an accountant's certificate, including the following statements in reasonable detail: a statement of financial position as of the end of such year; a statement of Revenues and Department Expenses; and a summary, with respect to each Fund and Account established under the Trust Indenture of the receipts therein and disbursements therefrom during such year and the amounts held therein at the end of such year. The Department shall at all times appoint, retain and employ competent personnel for the purpose of carrying out the Program and shall establish and enforce reasonable rules, regulations, tests and standards governing the employment of such personnel at reasonable compensation, salaries, fees and charges, and all persons employed by the Department shall be qualified for their respective positions.

Events of Default

Each of the following events is an "Event of Default" under the Trust Indenture: (i) default in the due and punctual payment of the principal or Redemption Price of any Bond when due; (ii) default in the due and punctual payment of any installment of interest on any Bond or any sinking fund installment when due and the continuance of such default for a period of 30 days; (iii) default by the Department in the performance or observance of any other of its covenants, agreements, or conditions in the Trust Indenture or in the Bonds, and the continuance of such default for a period of 60 days after written notice thereof to the Department by the Trustee or to the Department and to the Trustee by the owners of not less than ten percent (10%) in principal amount of the Bonds Outstanding; or (iv) the commencement of various proceedings involving the Department in bankruptcy or seeking reorganization, arrangement, readjustment or composition of its debts or for any other relief under the federal bankruptcy laws or under any other insolvency act or law, state or federal, now or hereafter existing, or seeking the involuntary appointment of a receiver or trustee of the Department or for all or a substantial part of its property, and unless commenced by or consented to by the Department, their continuation for 90 days undismissed or undischarged.

Bondholders' Rights in the Event of Default

Acceleration. If an Event of Default occurs and is continuing, then the Trustee may and, upon the written request of the owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, must, by written notice delivered to the Department, declare the principal of the Bonds then Outstanding and the interest accrued thereon immediately due and payable; subject, however, to the right of the owners of more than fifty percent (50%) in aggregate principal amount of the Bonds then Outstanding, by written notice to the Department and to the Trustee, to annul such declaration and destroy its effect at any time if all Events of Default, other than those arising from nonpayment of principal or interest due solely as a result of such acceleration, have been cured. Such annulment will not extend to nor affect any subsequent Event of Default nor impair or exhaust any right or power consequent thereon.

Other Actions by Trustee. If any Event of Default occurs and is continuing, then the Trustee may and, upon the written request of the owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and upon being indemnified to its satisfaction, must: (i) by mandamus or other suit, action or proceeding at law or in equity require the Department to perform its covenants, representations and duties under the Trust Indenture; (ii) bring suit upon the Bonds; (iii) by action or suit in equity require the Department to account as if it were the trustee of an express trust for the owners of the Bonds; (iv) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds; or (v) take such other steps to protect and enforce its rights and the rights of the owners of the Bonds, whether by action, suit or proceeding in aid of the execution of any power granted in the Trust Indenture or for the enforcement of any other appropriate legal or equitable remedy.

Judicial Proceedings. If any Event of Default occurs and is continuing, then the Trustee may, and upon written request by the owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction, must, proceed by suit or suits, at law or in equity or by any other appropriate legal or equitable remedy, to enforce payment of the principal of and interest on the Bonds under a judgment or decree of a court or courts of competent jurisdiction or by the enforcement of any other appropriate legal or equitable remedy, as the Trustee deems most effectual to protect and enforce any of its rights or the rights of the owners of the Bonds under the Trust Indenture.

Application of Proceeds

The proceeds received by the Trustee in case of an Event of Default, together with all securities and other moneys which may then be held by the Trustee as a part of the Trust Estate, are required to be applied in order, as follows:

(a) to the payment of the reasonable and proper charges, expenses and liabilities of the Trustee;

(b) to the payment of the interest and principal or Redemption Price then due on the Bonds, as follows:

(i) unless the principal of all the Bonds shall have become or have been declared due and payable, to the payment to the persons entitled thereto of: first, all installments of interest then due, including Swap Agreement Periodic Payments then due, in order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installments maturing on the same date or Swap Agreement Periodic Payments then due, then to the payment thereof ratably, according to the amounts due thereon, without any discrimination or preference; and second, the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price due on such date, without any discrimination or preference;

(ii) if the principal of all the Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds, including Swap Agreement Periodic Payments then due and unpaid, without preference or priority of principal over interest or of interest over principal, including, in each case, Swap Agreement Periodic Payments, or of any installment of interest over any other installment of interest, including Swap Agreement Periodic Payments or of any Bond over any other Bond ratably, according to the amounts due respectively for principal and interest, including Swap Agreement Periodic Payments, to the persons entitled thereto without any discrimination or preference;

(c) to the payment of Swap Agreement Termination Payments but only to the extent that the amount available shall be sufficient to pay the principal or Redemption Price of and interest on any Junior Lien Bonds then due and payable prior to the payment of any amount in satisfaction of Swap Agreement Termination Payments; and

(d) to the payment of the amounts required for reasonable and necessary Department Expenses allocable to the Bonds, the Trust Indenture or the Program.

Trustee

The Bank of New York Mellon Trust Company, N.A. serves as the Trustee for the Bonds issued under the Trust Indenture, including the Series 2016 Bonds. The Trustee is required to be removed if so requested by the owners of a majority in principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Department. The Trustee may also resign. In either event, a successor is required to be appointed.

Supplemental Indentures without Consent of Bondholders

For any one or more of the following purposes and at any time or from time to time, a supplemental indenture of the Department may be adopted, which, upon filing with the Trustee a copy thereof, certified by an authorized officer of the Department, shall be fully effective in accordance with its terms: (i) to authorize Bonds of a Series and to specify the matters relative to such Bonds which are not contrary to or inconsistent with the Trust Indenture; (ii) to close the Trust Indenture against, or provide limitations on, the delivery of Bonds; (iii) to add to the covenants of the Department in the Trust Indenture; (iv) to add to the restrictions in the Trust Indenture other restrictions to be observed by the Department which are not inconsistent with the Trust Indenture; (v) to confirm the subjection to any lien or pledge created by the Trust Indenture of the Trust Estate or any other moneys; (vi) to modify any of the provisions of the Trust Indenture in any other respect, effective only after all Bonds of any Series Outstanding at the date of the adoption of such supplemental indenture shall cease to be Outstanding; (vii) to amend the Trust Indenture to permit its qualification under the Trust Indenture Act of 1939 or any state blue sky law; or (viii) to surrender any right conferred upon the Department by the terms of the Trust Indenture, provided that the surrender of such right is not inconsistent with the covenants of the Department contained in the Trust Indenture.

For any one or more of the following purposes and at any time or from time to time, a supplemental indenture may be adopted with the consent of the Trustee: (i) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision of the Trust Indenture; (ii) to insert such provisions clarifying matters or questions arising under the Trust Indenture as are necessary or desirable and are not contrary to or inconsistent with the Trust Indenture as theretofore in effect; or (iii) to provide for additional duties of the Trustee in connection with the Trust Estate, the Mortgage Loans or the Program.

Amendment of Indenture with Consent of Bondholders

No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds of which the consent of the owners is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any fiduciary without its written assent thereto. For the purposes of the Trust Indenture, a series is deemed to be affected by a modification or amendment of the Trust Indenture if the same adversely affects or diminishes the rights of the owners of the Bonds of such Series. The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment, Bonds of any particular Series or maturity would be affected by any modification or amendment of the Trust Indenture and any such determination shall be binding and conclusive on the Department and all owners of Bonds.

Defeasance

If the Department shall pay or cause to be paid, or there shall otherwise be paid, to the owners of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Trust Indenture, then the pledge of the Trust Estate under the Trust Indenture and all covenants, agreements and other obligations of the Department to the Bondholders, shall thereupon terminate.

Bonds or interest installments for the payment or redemption of which moneys shall be held in trust by the Trustee or the Paying Agents at the maturity or redemption date thereof shall be deemed to have been paid within the meaning of the Trust Indenture. In addition, all Outstanding Bonds of any Series shall be deemed to have been paid within the meaning of the Trust Indenture if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Department shall have given to the Trustee irrevocable instructions to give notice of redemption of such Bonds on said date, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee or Paying Agents at the same time shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (iii) in the event said Bonds are not be redeemed within the next succeeding 60 days, the Department shall have given the Trustee irrevocable instructions to give a notice to the owners of such Bonds that the deposit required by (ii) above has been made with the Trustee or the Paying Agents and that said Bonds are deemed to have been paid in accordance with the Trust Indenture and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds.

If there are Junior Lien Bonds Outstanding at the time all Bonds are defeased, all moneys or securities held by the Trustee and not required for the payment of principal or Redemption Price and interest on the Bonds shall be transferred to the trustee under the Junior Lien Trust Indenture.

Depositories

The Department may appoint one or more depositories to hold all or a designated portion of the moneys and investments subject to the lien and pledge of the Trust Indenture. Any depository appointed by the Department must be: (i) the Comptroller, acting by and through the Texas Treasury Safekeeping Trust Company; or (ii) a bank, trust company, a national banking association, a savings and loan association, savings bank, or other banking institution or association selected by the Department. See "TEXAS TREASURY SAFEKEEPING TRUST COMPANY."

All moneys and securities deposited with any Depository under the provisions of the Trust Indenture are required to be held in trust for the Trustee or the Department, as applicable, and the owners of the Bonds, and may not be applied in any manner that is inconsistent with the provisions of the Trust Indenture. Each Fund or Account held by the Depository shall be a trust fund for purposes of the Trust Indenture.

PROPOSED AMENDMENTS TO TRUST INDENTURE TO BE EFFECTIVE UPON REQUISITE BONDHOLDER CONSENT

The Trust Indenture was originally adopted in 1980. The Department is proposing a Sixty-Second Supplemental Single Family Mortgage Revenue Bond Trust Indenture (the "Sixty-Second Supplement") to amend the Trust Indenture to allow the Department to issue Bonds using structures that were not anticipated in the original Trust Indenture. Blacklined changes to the current Trust Indenture identifying actual changes to the text are attached as APPENDIX L. The form of the Sixty-Second Supplement is attached as APPENDIX J. Once the Sixty-Second Supplement becomes effective, terms for future Bond issues including the interest payment dates, redemption dates and the specifics of the notice requirements will be described in the Supplemental Indenture authorizing the issuance of those Bonds. Any requirements in the Trust Indenture that all Bonds issued under the Trust Indenture possess uniform terms will be deleted. For example, Bonds issued after the effective date of the Sixty-Second Supplement may pay interest on any date specified in the related Supplemental Indenture, and will not require March 1 and September 1 payment dates. Additional amendments include deleting the requirement that the interest rate of all Bonds of the same maturity and Series be identical and providing that authorized denominations, sinking fund payment dates and dated dates for Bonds be specified in the related Supplemental Indenture authorizing the issuance of each Series of Bonds. The interest payment dates and redemption dates for the Series 2016 Bonds will not be changed as a result of the approval of the Sixty-Second Supplement.

The Trust Indenture provides, with certain limited exceptions that are not applicable to the amendments in the Sixty-Second Supplement, that a Supplemental Indenture of the Department may be adopted modifying or amending any of the provisions of the Trust Indenture with the required consent of Bondholders. The Sixty-Second Supplement will take effect once the Department obtains the consent of Bondholders who hold at least 2/3rds in principal amount of the Bonds Outstanding at the time such consent is given and complies with the other requirements of the Trust Indenture. Each purchaser of the Series 2016 Bonds will be required to execute a written consent to the execution and delivery of the Sixty-Second Supplement and the amendments contained therein, the form of which is attached as APPENDIX K. All subsequent transferees of the Series 2016 Bonds shall be deemed to have consented to the proposed amendments in the Sixty-Second Supplement, as a result of the consent to the amendments by the purchasers of the Series 2016 Bonds, unless such purchaser or transferee specifically revokes such consent in writing filed with Trustee prior to the date on which the Sixty-Second Supplement becomes effective. Consents of Bondholders to amendments to the Trust Indenture are not revocable after the amendments become effective. After the issuance of the Series 2016 Bonds, the refunding of the Refunded Bonds and the corresponding consent to the proposed amendments by the initial purchasers of the Series 2016 Bonds, the Department will have achieved approximately 25.04% Bondholder approval of the proposed amendments based on the amount of Bonds currently Outstanding towards satisfying the requirement of 2/3rds Bondholder consent. The Department intends to seek the consent of the remaining Bondholders, including the holders of any variable rate Bonds, in order to achieve the required 2/3rds Bondholder consent.

TEXAS TREASURY SAFEKEEPING TRUST COMPANY

The Department has entered into a Depository Agreement relating to the Bonds (as amended and supplemented, the "Depository Agreement"), by and among the Department, the Trustee, and the Treasurer of the State of Texas (now, the Texas Treasury Safekeeping Trust Company, a special-purpose trust company organized under the laws of the State of Texas (the "Trust Company")). Pursuant to the Depository Agreement, the Trust Company will hold all moneys and securities required to be credited to all Funds (other than the Principal Account, Interest Account, Swap Agreement Periodic Payment Account and Redemption Account of the Debt Service Fund, and the Expense Fund). All money and securities required by the Trust Indenture to be credited to such Funds and Accounts are required to be remitted to the Trust Company from time to time by the Department and the Trustee. The Trust Company is required to remit amounts from the appropriate accounts held by it to the Trustee at such times as are necessary to pay the principal or Redemption Price of and interest on the Bonds when due. Moneys held in the accounts held by the Trust Company are required to be invested by the Trust Company pursuant to instruction from the Department as described herein under "THE TRUST INDENTURE – Investments." The Trust Company is required to hold all moneys and securities delivered to it under the Depository Agreement in trust for the benefit of the Department, the Trustee and the owners of the Bonds.

The Department has agreed to pay the Trust Company a fee for performing its duties under the Depository Agreement. The Department has the right to remove the Trust Company as Depository under the Depository Agreement at any time by filing a written notice with the Trustee and the Trust Company to that effect. The Trust Company may resign as Depository under the Depository Agreement by giving at least 60 days' written notice to the Department and the Trustee of its determination to resign. Upon any such removal or resignation, the Trust Company is required to deliver all moneys and securities held by it under the Depository Agreement to its successor thereunder, or, if there is no successor, to the Trustee.

TAX MATTERS RELATING TO THE SERIES A BONDS

Tax Exemption

In the opinion of Bracewell & Giuliani LLP, Bond Counsel, subject to certain conditions set forth in the opinion and under existing law, (i) interest on the Series A Bonds will be excludable from gross income for federal income tax purposes and (ii) interest on the Series A Bonds will not be (A) a specific preference item subject to the alternative minimum tax on individuals and corporations, or (B) included in a corporation's adjusted current earnings for purposes of the alternative minimum tax. A copy of the proposed form of opinion of Bond Counsel is attached hereto as APPENDIX E.

The Code imposes a number of requirements that must be satisfied in order for interest on state or local obligations such as the Series A Bonds, to be excludable from gross income for federal income tax purposes. These requirements include the various mortgage eligibility, arbitrage, targeted area, recapture, use of proceeds and information reporting requirements discussed more fully below under the caption "Federal Income Tax Requirements." The Department has covenanted in the Trust Indenture that it will comply with these requirements.

Bond Counsel's opinion will assume continuing compliance with the procedures, safeguards and covenants of the Master Servicer and the covenants of the Department in the Trust Indenture and the Program Agreements pertaining to those sections of the Code that affect the exclusion from gross income of the interest on the Series A Bonds for federal income tax purposes, and in addition, will rely on representations by the Department, the Department's Financial Advisor, the Master Servicer, the Mortgage Lenders and the Underwriters with respect to matters solely within the knowledge of the Department, the Department's Financial Advisor, the Master Servicer, the Mortgage Lenders and the Underwriters, respectively, which representations Bond Counsel has not independently verified. If the Department, a Mortgage Lender, or the Master Servicer fails to comply with such procedures, safeguards and covenants or if such representations should be determined to be inaccurate or incomplete, interest on the Series A Bonds could become includable in gross income from the date of original delivery thereof, regardless of the date on which the event causing such inclusion occurs.

Except as stated above, Bond Counsel will express no opinion as to any federal, state or local tax consequences resulting from the receipt or accrual of interest on, acquisition, ownership or disposition of, the Series A Bonds.

Bond Counsel's opinions are based on existing law, which is subject to change. Such opinions are further based on Bond Counsel's knowledge of facts as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to its attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, Bond Counsel's opinions are not a guarantee of result and are not binding on the Internal Revenue Service (the "Service"); rather, such opinions represent Bond Counsel's legal judgment based upon its review of existing law and in reliance upon the representations and covenants referenced above that it deems relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given as to whether or not the Service will commence an audit of the Series A Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the Department as the taxpayer and the Owners may not have a right to participate in such audit. Public awareness of any future audit of the Series A Bonds could adversely affect the value and liquidity of the Series A Bonds, regardless of the ultimate outcome of the audit.

Collateral Tax Consequences

Prospective purchasers of the Series A Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, low and middle income taxpayers otherwise qualifying for the health insurance premium assistance credit, and individuals otherwise qualifying for the earned income credit. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profits tax" on their effectively connected earnings and profits, including tax-exempt interest such as interest on the Series A Bonds. These categories of prospective purchasers should consult their own tax advisors as to the applicability of these consequences. Prospective purchasers of the Series A Bonds should also be aware that, under the Code, taxpayers are required to report on their returns the amount of tax-exempt interest, such as interest on the Series A Bonds, received or accrued during the year.

Tax Legislative Changes

Current law may change so as to directly or indirectly reduce or eliminate the benefit of the exclusion of interest on the Series A Bonds from gross income for federal income tax purposes. Any proposed legislation, whether or not enacted, could also affect the value and liquidity of the Series A Bonds. Prospective purchasers of the Series A Bonds should consult with their own tax advisors with respect to any proposed, pending or future legislation.

Federal Income Tax Requirements

General

Sections 103 and 143 of the Code and applicable regulations thereunder provide that the interest on bonds the proceeds of which are used directly or indirectly to finance owner-occupied residences, will not be excludable from gross income for federal income tax purposes unless such bonds (i) are "qualified mortgage bonds;" (ii) are issued in fully registered form; (iii) are not "federally guaranteed" and (iv) are not "arbitrage bonds" within the meaning of the Code. "Qualified mortgage bonds" are bonds that are part of an issue meeting the following requirements: (i) all proceeds of the issue (exclusive of issuance costs and a reasonably required reserve fund) are to be used to finance owner-occupied residences with mortgages that satisfy certain mortgage eligibility requirements, as set forth more fully below under the subheading "Mortgage Eligibility Requirements;" (ii) a specified portion of the lendable proceeds of such issue must be made available for a minimum period of time for owner financing of residences located within certain targeted areas, as described more fully below under the subheading "Targeted Area Requirement;" (iii) certain arbitrage limitations described more fully below under the subheading "Requirements Related to Arbitrage" must be satisfied; (iv) certain reporting requirements as set forth more fully below under the subheading "Reporting Requirements" must be satisfied; and (v) mortgagors must be informed regarding the recapture of a portion of the proceeds from the disposition of certain residences, as described more fully below under the subheading "Recapture Requirements" must be satisfied.

In addition, to be "qualified mortgage bonds," the costs of issuance financed by an issue of bonds cannot exceed two percent (2%) of the proceeds of such issue. Further, the amount of such an issue of bonds, other than certain refunding bonds, when added to the amount of all other private activity bonds issued within the State during calendar year of issuance must not exceed the unified volume cap for private activity bonds imposed by the Code and applicable regulations. An allocation of the unified volume cap is not required for refunding bonds if the maturity date of the refunding bond is not later than the date 32 years

after the date on which the refunded bond was issued (or in the case of a series of refundings, the date on which the original bond was issued) and to the extent that the amount of such refunding bond does not exceed the outstanding amount of the refunded bond.

The Department has covenanted in the Trust Indenture that it will take all actions necessary in order to comply with each of the foregoing requirements.

Targeted Area Requirement

The Code requires that either an amount equal to (a) at least twenty percent (20%) of the lendable proceeds of an issue of qualified mortgage bonds or (b) forty percent (40%) of the average annual aggregate principal amount of mortgages executed during the immediately preceding three calendar years for single family, owner-occupied residences in targeted areas within the Department's jurisdiction, if such amount is less, must be reserved, for at least one year from the date such proceeds are first made available to purchase mortgage loans, for the purchase of mortgage loans to provide financing for residences located within one or more targeted areas ("Targeted Area Residences"), which consist of (i) census tracts identified by the United States Treasury Department as having a substantial concentration of lower-income persons or (ii) areas of chronic economic distress designated by the State and approved by HUD. The State, at the request of the Department, has designated and HUD and the Secretary of the Treasury have approved, certain "areas of chronic economic distress" within the State. In addition, the Department has determined that there are "qualified census tracts" within the State. The Department has reserved an amount equal to 20% of the lendable proceeds of the Series A Bonds for Targeted Area Residences. Further, the Department has covenanted to attempt with reasonable diligence to place such proceeds in targeted areas.

Mortgage Eligibility Requirements

The Code contains six basic mortgage eligibility requirements that must be met at the time a mortgage is executed or assumed.

Residence Requirement. The Code requires that each home financed by a mortgage loan be a single family residence which can reasonably be expected to become the principal residence of the mortgagor within a reasonable time after financing is provided and is located in the jurisdiction of the Department.

First-time Homebuyer Requirement. The Code requires that at least ninety-five percent (95%) of the net proceeds of an issue must be used to finance residences of mortgagors who have not had a present ownership interest in any principal residence during the three-year period prior to execution of the mortgage loan; provided, however, that the three-year requirement does not apply (i) to loans to finance Targeted Area Residences, (ii) in the case of land possessed under a contract for deed by a mortgagor whose principal residence is located on such land and whose family income is not more than fifty percent (50%) of the area median family income (the "Contract for Deed Exception"), or (iii) to loans to certain qualified veterans. For purposes of the Contract for Deed Exception, the term "contract for deed" means a seller-financed contract for the conveyance of land under which legal title does not pass to the purchaser until the consideration under the contract is fully paid to the seller, and the seller's remedy for nonpayment is forfeiture rather than judicial or nonjudicial foreclosure.

New Mortgage Requirement. No part of the proceeds of an issue of qualified mortgage bonds may be used to acquire or replace an existing mortgage. Thus, all of the lendable proceeds of an issue must be used to provide new mortgages to persons who did not have an existing mortgage (whether or not paid off) on the residence at any time prior to the execution of the new mortgage. An exception from the new mortgage requirement is provided for (i) the replacement of construction period loans, bridge loans or other similar temporary initial financing having a term not exceeding 24 months, and (ii) certain residences described within the Contract for Deed Exception.

Purchase Price Limitations. The Code requires that the purchase price of the residence may not exceed ninety percent (90%) of the average area purchase price applicable to such residence, or, in the case of Targeted Area Residences, one-hundred ten percent (110%) of the applicable average area purchase price. The Service has published "safe harbor rules" identifying purchase price limitations in the State that are considered to be in compliance with the requirements of the Code. The Department has determined to rely on the safe harbor figures for purposes of the Series A Bonds.

Income Requirements. The Code requires that all the mortgage loans financed with the proceeds of an issue be provided to borrowers whose family income does not exceed 115% (100% in the case of individuals or families of two) of the greater of the statewide median income or the median income of the area in which the residence is located (140% and 120%, respectively, in the case of such loans for Targeted Area Residences).

Requirements as to Assumptions of Mortgages. The Code provides that a mortgage loan may be assumed only if the assuming mortgagor complies with the residence requirement, first-time homebuyer requirement, purchase price limitations and income requirements, as if the loan were being made to the assuming mortgagor for the first time.

Requirements Related to Arbitrage

Sections 143 and 148 of the Code provide that: (i) the effective interest rate on the mortgage loans financed with the proceeds of an issue of qualified mortgage bonds may not exceed the yield on such bonds by more than 1.125 percentage points; (ii) no more than 10% of the proceeds of an issue of bonds may be invested in a reserve fund; (iii) no more than the lesser of 5% of the proceeds of an issue of bonds or \$100,000 (other than amounts invested for certain temporary periods or in a "reasonably required reserve fund") may be invested at a yield materially higher than the yield on such bonds; and (iv) the amount of funds held in certain accounts (other than amounts held for certain temporary periods) for an issue of bonds invested at a yield greater than the yield on such bonds may not exceed 150% of the current year's debt service on such bonds appropriately reduced as mortgage loans are prepaid. In calculating the effective interest rate on the mortgages, all amounts borne by the mortgagor either directly or indirectly must be taken into account.

The Code also requires the issuer to pay to the Treasury certain investment earnings on non-mortgage investments, to the extent that such investment earnings exceed the amount that would have been earned on such investments if the investments were earning a return equal to the yield on the tax-exempt bonds to which such non-mortgage investments relate.

Reporting Requirements

An issuer of qualified mortgage bonds is required to file with the Secretary of the Treasury an informational report containing various data regarding such bonds and the mortgages financed with the proceeds thereof.

Redemption Requirements

The Code contains two redemption requirements that must be satisfied in order for an issue of bonds to be treated as "qualified mortgage bonds." The Code requires all proceeds of an issue of qualified mortgage bonds in an amount of \$250,000 or more that are not expended to finance residences within 42 months of the date of issuance of such bonds must be used within such 42-month period to redeem bonds that are part of such issue of bonds. The Code requires that all amounts of \$250,000 or more that are received by the issuer and represent complete repayments of mortgage loans or prepayments of principal of mortgage loans must be used to redeem bonds of the same issue not later than the close of the first semiannual period beginning after the date the prepayment or complete repayment is received.

Recapture Requirements

The Code subjects to a tax any mortgagor who disposes of an interest in a residence with respect to which there is or was any federally-subsidized indebtedness (i.e., a mortgage loan) made after December 31, 1990, and the payment for which indebtedness the taxpayer was liable in whole or in part. Specifically, such a mortgagor is subject to the payment of an additional tax reflecting the "recapture amount" with respect to such indebtedness. This recapture amount is determined pursuant to a formula established in the Code based on the "federally-subsidized amount," the time of disposition and certain family income limits applicable to the mortgagor. This recapture provision does not apply to any disposition of an interest in a residence by reason of death or any such disposition during the first nine years after the date the mortgage loan is made.

In order to facilitate the collection of the recapture amount from mortgagors, the Code requires that the issuer of any issue of qualified mortgage bonds, at the time of settlement of a mortgage loan, provide a written statement informing the mortgagor of the potential recapture under the Code. Furthermore, the Code requires that the issuer, not later than 90 days after the date each such mortgage is closed, provide a written statement to the mortgagor specifying the federally-subsidized amount with respect to such mortgage loan and the applicable income limits.

The Department, the Mortgage Lenders, and the Master Servicer have covenanted to comply with these information requirements.

Compliance with Tax Requirements

The Code provides that the arbitrage and certain other requirements are deemed to be met if the issuer attempts in good faith to meet such requirements and any failure to meet such requirements is due to inadvertent error. With respect to the mortgage eligibility requirements, however, the Code provides that such requirements are deemed to be met only if: (i) the issuer attempts in good faith to meet such requirements by establishing reasonable procedures and making reasonable investigations before the mortgage loans were executed; (ii) at least 95% of the mortgages, by aggregate principal amount, meet all the mortgage eligibility requirements at the time of execution or assumption; and (iii) any failure to meet such requirements is corrected within a reasonable period of time after such failure is discovered. In determining whether or not 95% of the mortgage loans satisfy the mortgage eligibility requirements, the issuer is entitled to rely upon affidavits of the mortgagors and sellers of residences financed with the mortgage loans and upon federal income tax returns of the mortgagors, even if the relevant information in such affidavits and returns ultimately proves to be false, unless the issuer knows or has reason to know that such information is false.

The Department has covenanted in the Trust Indenture and the Mortgage Lenders and the Master Servicer will covenant in the Program Agreements to comply with the above-described requirements of the Code as applied to the Series A Bonds and to establish and follow procedures and safeguards sufficient to ensure compliance with such requirements. Nevertheless, if the Department, a Mortgage Lender, or the Master Servicer should fail to comply with such covenants, interest on the Series A Bonds could become includable in gross income for federal income tax purposes from the date of issuance thereof, regardless of the date on which the event causing such inclusion occurs.

TAX MATTERS RELATING TO THE SERIES B BONDS

General

The following discussion summarizes certain material U.S. federal income tax considerations that may be relevant to the acquisition, ownership and disposition of the Series B Bonds by an initial U.S. bondholder (as defined below). This discussion is based upon the provisions of the Code, applicable U.S. Treasury Regulations promulgated thereunder, judicial authority and administrative interpretations, as of the date of this document, all of which are subject to change, possibly with retroactive effect, or are subject to different interpretations. Neither the Department nor Bond Counsel offers any assurance that the Internal Revenue Service, or IRS, will not challenge one or more of the tax consequences described in this discussion, and neither of the Department nor Bond Counsel has obtained, nor do the Department or Bond Counsel intend to obtain, a ruling from the IRS or an opinion of counsel with respect to the U.S. federal tax consequences of acquiring, holding or disposing of the Series B Bonds.

This discussion is limited to U.S. bondholders who purchase the Series B Bonds in this initial offering for a price equal to the issue price of the Series B Bonds (*i.e.*, the first price at which a substantial amount of the Series B Bonds is sold for cash other than to bond houses, brokers or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers) and who hold the Series B Bonds as capital assets (generally, property held for investment). This discussion does not address the tax considerations arising under the laws of any foreign, state, local or other jurisdiction or income tax treaties or any U.S. federal estate or gift tax considerations. In addition, this discussion does not address all tax considerations that may be important to a particular holder in light of the holder's circumstances or to certain categories of investors that may be subject to special rules, such as:

- dealers in securities or currencies;
- traders in securities that have elected the mark-to-market method of accounting for their securities;
- U.S. bondholders (as defined below) whose functional currency is not the U.S. dollar;
- persons holding the Series B Bonds as part of a hedge, straddle, conversion or other “synthetic security” or integrated transaction;
- certain U.S. expatriates;
- financial institutions;
- insurance companies;
- regulated investment companies;
- real estate investment trusts;
- persons subject to the alternative minimum tax;
- entities that are tax-exempt for U.S. federal income tax purposes; and
- partnerships and other pass-through entities and holders of interests therein.

If a partnership (including an entity treated as a partnership for U.S. federal income tax purposes) holds the Series B Bonds, the tax treatment of a partner generally will depend upon the status of the partner and the activities of the partnership. A partner of a partnership acquiring the Series B Bonds should consult his/her own tax advisor about the U.S. federal income tax consequences of acquiring, holding and disposing of the Series B Bonds.

INVESTORS CONSIDERING THE PURCHASE OF THE SERIES B BONDS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS REGARDING THE APPLICATION OF THE U.S. FEDERAL INCOME TAX LAWS TO THEIR PARTICULAR SITUATIONS AS WELL AS ANY TAX CONSEQUENCES OF THE PURCHASE, OWNERSHIP OR DISPOSITION OF THE SERIES B BONDS UNDER THE LAWS OF ANY STATE, LOCAL OR FOREIGN JURISDICTION OR UNDER ANY APPLICABLE TAX TREATY.

Tax Consequences to U.S. Bondholders

As used herein “U.S. bondholder” means a beneficial owner of a Series B Bond and who or that is, for U.S. federal income tax purposes:

- an individual who is a U.S. citizen or U.S. resident alien;
- a corporation, or other entity taxable as a corporation for U.S. federal income tax purposes, that was created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate whose income is subject to U.S. federal income taxation regardless of its source; or
- a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons have the authority to control all substantial decisions of the trust, or that has a valid election in effect under applicable U.S. Treasury Regulations to be treated as a United States person.

Interest on the Series B Bonds

A U.S. bondholder will be required to include any stated interest payments in income in accordance with its method of accounting for U.S. federal income tax purposes. If a U.S. bondholder is a cash method taxpayer, such holder must report interest on the Series B Bonds as ordinary income when it is received. If a U.S. bondholder is an accrual method taxpayer, such holder must report the interest on the Series B Bonds as ordinary income as it accrues.

Disposition of the Series B Bonds

A U.S. bondholder will generally recognize capital gain or loss on the sale, redemption, exchange, retirement or other taxable disposition of a Series B Bond. This gain or loss will equal the difference between the U.S. bondholder’s adjusted tax basis in the Series B Bond and the amount realized (excluding any proceeds attributable to accrued but unpaid stated interest which will be recognized as ordinary interest income to the extent any such bondholder has not previously included such amounts in income) by the bondholder. A U.S. bondholder’s adjusted tax basis in the Series B Bonds will generally equal the amount the U.S. bondholder paid for the Series B Bonds. The gain or loss will be long-term capital gain or loss if the bondholder held the Series B Bonds for more than one year at the time of the sale, redemption, exchange, retirement or other disposition. Long-term capital gains of individuals, estates and trusts currently are subject to a reduced rate of U.S. federal income tax. The deductibility of capital losses is subject to certain limitations.

Additional Tax on Investment Income

An additional 3.8% net investment income tax, or the “NIIT,” is imposed on the “net investment income” of certain U.S. bondholders who are individuals and on the undistributed “net investment income” of certain estates and trusts, to the extent the sum of net investment income and other modified adjusted gross income exceeds specified dollar amounts. Among other items, “net investment income” would generally include interest income and net gain from the disposition of property, such as the Series B Bonds, less certain deductions. U.S. bondholders should consult their tax advisors with respect to the tax consequences of the NIIT.

Tax Consequences to Non-U.S. Bondholders

As used herein, a “non-U.S. bondholder” means a beneficial owner of Series B Bonds that is an individual, corporation, estate or trust that is not a U.S. bondholder.

Interest on the Series B Bonds-Portfolio Interest

Payments to a non-U.S. bondholder of interest on the Series B Bonds generally will be exempt from withholding of U.S. federal tax under the “portfolio interest” exemption if the non-U.S. bondholder properly certifies as to the non-U.S. bondholder’s foreign status as described below, and:

- the non-U.S. bondholder does not own, actually or constructively, 10% or more of the Department’s voting stock;
- the non-U.S. bondholder is not a “controlled foreign corporation” for U.S. federal income tax purposes that is related to the Department (actually or constructively); and
- the non-U.S. bondholder is not a bank whose receipt of interest on the Series B Bonds is in connection with an extension of credit made pursuant to a loan agreement entered into in the ordinary course of such bondholder’s trade or business.

The exemption from withholding tax will not apply unless (a) the non-U.S. bondholder provides his, her or its name and address on an IRS Form W-8BEN or IRS Form W-8BEN-E (or successor form), and certifies under penalties of perjury, that such holder is not a U.S. person, (b) a financial institution holding the Series B Bonds on a non-U.S. bondholder’s behalf certifies, under penalties of perjury, that it has received an IRS Form W-8BEN or IRS Form W-8BEN-E (or successor form) from such holder and provides the Trustee with a copy, or (c) the non-U.S. bondholder holds their Series B Bonds directly through a “qualified intermediary,” and the qualified intermediary has sufficient information in its files indicating that such holder is not a U.S. bondholder.

If a non-U.S. bondholder cannot satisfy the requirements described above, payments of principal and interest made to such holder will be subject to the 30% U.S. federal withholding tax, unless such non-U.S. bondholder provides the Trustee with a properly executed (1) IRS Form W-8BEN or IRS Form W-8BEN-E or successor form claiming an exemption from or a reduction of withholding under an applicable tax treaty or (2) IRS Form W-8ECI (or successor form) stating that interest paid on the Series B Bonds is not subject to withholding tax because it is effectively connected with your conduct of a trade or business in the United States.

Interest on the Series B Bonds-Effectively Connected Income

If a non-U.S. bondholder is engaged in an active trade or business in the United States and interest on the Series B Bonds is effectively connected with the active conduct of that trade or business (and, in the case of an applicable tax treaty, is attributable to a U.S. permanent establishment maintained by such holder), such non-U.S. bondholder will be subject to U.S. federal income tax on the interest on a net income basis (although exempt from the 30% withholding tax) in the same manner as if such non-U.S. bondholder were a U.S. person as defined under the Code. In addition, if a non-U.S. bondholder is a foreign corporation, it may be subject to a branch profits tax equal to 30% (or lower applicable treaty rate) of such holder's earnings and profits for the taxable year, subject to certain adjustments, including earnings and profits from an investment in the Series B Bonds, that is effectively connected with the active conduct by such non-U.S. bondholder of a trade or business in the United States.

Disposition of the Series B Bonds

A non-U.S. bondholder generally will not be subject to U.S. federal income tax on any gain realized on the sale, redemption, exchange, retirement or other taxable disposition of a Series B Bond unless:

- the gain is effectively connected with the conduct by the non-U.S. bondholder of a U.S. trade or business (and, if required by an applicable income tax treaty, is treated as attributable to a permanent establishment maintained by the bondholder in the United States);
- the non-U.S. bondholder is a nonresident alien individual who has been present in the United States for 183 days or more in the taxable year of disposition and certain other requirements are met; or
- the gain represents accrued interest, in which case the rules for taxation of interest would apply.

If a non-U.S. bondholder is described in the first bullet point above, the non-U.S. bondholder generally will be subject to U.S. federal income tax in the same manner as a U.S. bondholder (See “—Tax Consequences to Non-U.S. Bondholders—Interest on the Series B Bonds—Effectively Connected Income”). If a non-U.S. bondholder is described in the second bullet point above, the bondholder generally will be subject to U.S. federal income tax at a flat rate of 30% on the gain derived from the sale or other disposition, which may be offset by U.S. source capital losses.

Information Reporting and Backup Withholding

U.S. Bondholders

Information reporting will apply to payments of principal and interest made by the Department on, or the proceeds of the sale or other disposition of, the Series B Bonds with respect to U.S. bondholders (unless such holder is an exempt recipient such as a corporation), and backup withholding, currently at a rate of 28%, may apply unless the recipient of such payment provides the appropriate intermediary with a taxpayer identification number, certified under penalties of perjury, as well as certain other information or otherwise establishes an exemption from backup withholding. Any amount withheld under the backup withholding rules is allowable as a credit against the U.S. bondholder's U.S. federal income tax liability, provided the required information is timely provided to the IRS.

Non-U.S. Bondholders

Payments to non-U.S. bondholders of interest on their Series B Bonds and any amounts withheld from such payments generally will be reported to the IRS and such holder. Backup withholding will not apply to payments of principal and interest on the Series B Bonds if the non-U.S. bondholder certifies as to his, her or its non-U.S. bondholder status on an IRS Form W-8BEN or IRS Form W-8BEN-E (or successor form) under penalties of perjury or such non-U.S. bondholder otherwise qualifies for an exemption (provided that neither the Department nor its agent, if any, know or have reason to know that such bondholder is a U.S. person or that the conditions of any other exemptions are not in fact satisfied).

The payment of the proceeds of the disposition of Series B Bonds to or through the U.S. office of a U.S. or foreign broker will be subject to information reporting and backup withholding unless a non-U.S. bondholder provides the certification described above or such bondholder otherwise qualifies for an exemption.

Foreign Account Tax Compliance

Pursuant to the Foreign Account Tax Compliance Act (“FATCA”), withholding at a rate of 30% generally will be required in certain circumstances on payments of interest in respect of, and, after December 31, 2016, gross proceeds from the sale or other disposition (including payments of principal) of, Series B Bonds held by or through certain foreign financial institutions (including investment funds) that do not qualify for an exemption from these rules, unless the institution either (i) enters into, and complies with, an agreement with the IRS to undertake certain diligence and to report, on an annual basis, information with respect to interests in, and accounts maintained by, the institution that are owned by certain U.S. persons and by certain non-U.S. entities that are wholly or partially owned by U.S. persons and to withhold 30% on certain payments, or (ii) if required under an intergovernmental agreement between the United States and an applicable foreign country, undertakes such diligence and reports such information to its local tax authority, which will exchange such information with the U.S. authorities. An intergovernmental agreement between the United States and an applicable foreign country, or future Treasury Regulations or other guidance, may modify these requirements. Accordingly, the entity through which the Series B Bonds are held will affect the determination of whether such withholding is required. Similarly, in certain circumstances, payments of interest in respect of, and, after December 31, 2016, gross proceeds from the sale or other disposition of, Series B Bonds held by or through a non-financial foreign entity that does not qualify under certain exemptions generally will be subject to withholding at a rate of 30%, unless such entity either (i) certifies that such entity does not have any “substantial United States owners” or (ii) provides certain information regarding the entity’s “substantial United States owners,” which will be provided to the IRS, as required. Prospective bondholders should consult their tax advisors regarding the possible implications of these rules on their investment in the Series B Bonds.

THE PRECEDING DISCUSSION OF CERTAIN U.S. FEDERAL INCOME CONSIDERATIONS IS FOR GENERAL INFORMATION ONLY AND IS NOT TAX ADVICE. EACH PROSPECTIVE INVESTOR SHOULD CONSULT ITS OWN TAX ADVISOR REGARDING THE PARTICULAR U.S. FEDERAL, STATE, LOCAL AND FOREIGN TAX CONSEQUENCES OF PURCHASING, HOLDING AND DISPOSING OF THE SERIES B BONDS, INCLUDING THE CONSEQUENCES OF ANY PROPOSED CHANGE IN APPLICABLE LAWS.

CONTINUING DISCLOSURE OF INFORMATION

In the Continuing Disclosure Agreement, dated as of February 1, 2016 (the "Disclosure Agreement") between the Trustee and the Department, the Department has made the following agreement for the benefit of the holders and beneficial owners of the Series 2016 Bonds. The Department is required to observe the Disclosure Agreement for so long as it remains obligated to advance funds to pay the Series 2016 Bonds. Under the Disclosure Agreement, the Department will be obligated to provide certain updated financial information and operating data annually, and timely notice of specified events, to the Municipal Securities Rulemaking Board (the "MSRB").

No Eligible Borrower is an "obligated person" (as defined in Rule 15c2-12 of the United States Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934, as amended (the "Rule")) for whom financial information or operating data would be presented this Official Statement had such Eligible Borrower been known at the time of the offering of the Series 2016 Bonds.

Annual Reports

The Department will provide certain updated financial information and operating data to the MSRB annually. The information to be updated includes all quantitative financial information and operating data with respect to the Department of the general type included in this Official Statement under the headings "APPENDIX D-1--AUDITED FINANCIAL STATEMENTS OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS REVENUE BOND PROGRAM FOR THE FISCAL YEAR ENDED AUGUST 31, 2015" (financial statements for the last completed fiscal year will be unaudited, unless an audit is performed in which event the audited financial statements will be made available), "APPENDIX F-1 --ADDITIONAL INFORMATION CONCERNING MORTGAGE LOANS AND MORTGAGE CERTIFICATES" and "APPENDIX F-2 -- OTHER INDEBTEDNESS OF THE DEPARTMENT." The Department will update and provide this information within six months after the end of each Fiscal Year ending in or after 2015. The Department will provide the updated information to the MSRB.

The Department may provide updated information in full text or may incorporate by reference certain other publicly available documents, as permitted by the Rule. The updated information will include audited financial statements, if the Department commissions an audit and it is completed by the required time. If audited financial statements are not available by the required time, the Department will provide unaudited financial statements within the required time and audited financial statements when and if the audit report becomes available. Any such financial statements will be prepared in accordance with the accounting principles described in APPENDIX D-1 or such other accounting principles as the Department may be required to employ from time to time pursuant to state law or regulation.

The Department's current Fiscal Year ends on August 31, 2016. Accordingly, it will provide updated information to the MSRB in the electronic format prescribed by the MSRB, if any, by the last day of February in the year 2017 and will be required to provide updated information to the MSRB by the last day of February in each year thereafter, unless the Department changes its Fiscal Year. If the Department changes its Fiscal Year, it will notify the MSRB of the change.

Event Notices

The Department will provide notice to the MSRB of any of the following events with respect to the Series 2016 Bonds, if such event is material within the meaning of the federal securities laws: (1) non-payment related defaults; (2) modifications to rights of securities holders; (3) Series 2016 Bond calls; (4) release, substitution, or sale of property securing repayment of the Series 2016 Bonds; (5) the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or

substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms; and (6) appointment of a successor or additional trustee or the change of name of a trustee.

Availability of Information from MSRB

The Department has agreed to provide the foregoing information only to the MSRB. The information will be available to holders of Series 2016 Bonds only if the holders comply with the procedures and pay any charges that may be established by the MSRB such information vendors or obtain the information through securities brokers who do so. Such information is available at no charge at www.emma.msrb.org.

Limitations and Amendments

The Department has agreed to update information and to provide notices of material events only as described above. The Department has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided, except as described above. The Department makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell Series 2016 Bonds at any future date. The Department disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of its Disclosure Agreement or from any statement made pursuant to its Disclosure Agreement, although holders of Series 2016 Bonds may seek a writ of mandamus to compel the Department to comply with its Disclosure Agreement.

The Disclosure Agreement may be amended by the Department and the Trustee from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Department, but only if (1) the provisions, as so amended, would have permitted an underwriter to purchase or sell any Series 2016 Bonds in the primary offering of the Series 2016 Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of the Disclosure Agreement that authorizes such an amendment) of the Outstanding Series 2016 Bonds consent to such amendment or (b) a person that is unaffiliated with the Department (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interest of the holders and beneficial owners of the Series 2016 Bonds. If the Department so amends the Disclosure Agreement, it has agreed to include with any financial information or operating data next provided in accordance with its agreement described above under "Annual Reports" an explanation, in narrative form, of the reasons for the amendment and of any change in the type of financial information and operating data so provided. The Department may also amend or repeal the provisions of the Disclosure

Agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling any Series 2016 Bonds in the primary offering of such Series 2016 Bonds.

Notwithstanding the foregoing, under current state law, the Department is required to have an audit performed annually by independent accountants, which audit is available to any person who makes a request to the Department and upon payment of the cost of copying thereof.

Duties, Immunities and Liabilities of Trustee

The Trust Indenture is made applicable to the Disclosure Agreement as if the Disclosure Agreement were (solely for this purpose) contained in the Trust Indenture. The Trustee shall have only such duties as are specifically set forth in the Disclosure Agreement, and no implied covenants shall be read into the Disclosure Agreement against the Trustee.

SUMMARY OF CERTAIN MORTGAGE INSURANCE PROGRAMS AND TEXAS FORECLOSURE LAWS

Introduction

The United States Department of Housing and Urban Development ("HUD"), created by the Housing and Urban Development Act of 1965, is responsible for the administration of various Federal programs authorized under the National Housing Act of 1934, as amended, and the United States Housing Act of 1937, as amended. The Department of Veterans Affairs (formerly the Veterans Administration) ("VA") administers the mortgage guaranty program authorized under the Servicemen's Readjustment Act of 1944, as amended. These programs may be financed by annual appropriations from Congress, as well as by mortgage insurance premiums and fees. Subsidies and insurance payments are in some cases made from trust funds established under the various programs.

Following is a summary of certain of these Federal programs and private mortgage insurance programs as they affect insurance on Mortgage Loans acquired by the Department from proceeds of the Bonds. This summary does not purport to summarize or describe all of the provisions of these programs. For a more detailed description regarding these programs, reference is made to specific provisions of the master insurance contracts and such other such information relating to the various mortgage insurers.

FHA Insurance Programs

The National Housing Act of 1934, as amended, authorizes various FHA mortgage insurance programs, which differ in some respects depending primarily upon whether the premises contains five or more dwelling units or less than five such units. Insurance benefits are payable only upon foreclosure (or other acquisition or possession) and conveyance of the premises to HUD or upon assignment of the defaulted loan to HUD. Assignment is allowed only with HUD approval if the premises contains less than five dwelling units. Assignment is at the option of the lender if the premises contains five or more dwelling units, but HUD may decrease the insurance payment by an amount equal to 1% of the unpaid principal amount of the loan if the mortgage lender chooses to assign such a loan.

With respect to the assignment of defaulted loans to HUD, the insured must first make a determination as to whether or not the default is caused by a circumstance or set of circumstances beyond the borrower's control which temporarily renders the family financially unable to cure the delinquency within a reasonable time or make full payments. If a determination is made that the default is caused by such circumstances, HUD must be requested to accept assignment, and must have rejected the request in order for the insured to initiate foreclosure proceedings.

Under some of the FHA insurance programs, insurance claims are paid by HUD in cash unless the insured specifically requests payment in debentures issued by HUD. Under others, HUD has the option at its discretion to pay insurance claims in cash or in such debentures. The current HUD policy, subject to change at any time, is to make insurance payments on mortgages covering less than five dwelling units in cash with respect to all programs covering such units as to which it has discretion to determine the form of insurance payment. HUD debentures issued in satisfaction of FHA insurance claims bear interest at the HUD debenture interest rate in effect under HUD regulations on the date of the mortgage insurance commitment or of the initial insurance endorsement of the loan, whichever rate is higher.

When entitlement to insurance benefit results from foreclosure (or other acquisition or possession) and conveyance, the insurance payment is computed as of the date of default by the borrower, as defined in HUD regulations, and the insured generally is not compensated for interest accrued and unpaid prior to that date.

When entitlement to insurance benefits results from assignment of the loan to HUD, the insurance payment is computed as of the date of the assignment and includes full compensation of interest accrued and unpaid to the assignment date. The regulations under all insurance programs described above provide that the insurance payment itself bears interest from the date of default or, where applicable, assignment, to the date of payment of the claim at the same interest rate as the applicable HUD debenture interest rate determined in the manner set forth above.

When any property conveyed to HUD or securing a loan which is to be assigned to HUD has been damaged by fire, earthquake, flood, or tornado, it is generally required, as a condition to payment of an insurance claim, that such property be repaired by the mortgage lender prior to such conveyance or assignment.

Department of Veterans Affairs Mortgage Guaranty Program

The Servicemen's Readjustment Act of 1944, as amended, permits a veteran (or in certain instances the spouse of a veteran) to obtain a mortgage loan guaranty by the VA covering mortgage financing of the purchase of a one-to-four family dwelling unit. The program has no mortgage loan limits, requires no down payment from the purchaser and permits the guaranty of mortgage loans with terms limited by the estimated economic life of the property, up to approximately thirty (30) years.

The VA uses a three-tier guaranty system. The maximum VA guaranty for mortgage loans of \$45,000 or less is a guaranty of fifty percent (50%) of the loan. The maximum VA guaranty for mortgage loans of more than \$45,000 to \$56,250 is \$22,500. The maximum VA guaranty for mortgage loans of more than \$56,250 is a guaranty of forty percent (40%) of the loan or \$36,000, whichever is less. Under the Program, a VA Mortgage Loan would be guaranteed in an amount which, together with the down payment by or on behalf of the mortgagor, will at least equal twenty-five percent (25%) of the lesser of the sales price or the appraised value of the single-family dwelling. The actual guaranty may be less than the maximum guaranty as described above in the event a veteran's guaranty entitlement previously used for a guaranteed loan has not been restored by the VA.

The liability on the guaranty is reduced or increased pro rata with any reduction or increase in the amount of the indebtedness, but in no event will the amount payable on the guaranty exceed the amount of the original guaranty. Notwithstanding the dollar and percentage limitations of the guaranty, a mortgage holder will ordinarily suffer a monetary loss only where the difference between the unsatisfied indebtedness and the proceeds of a foreclosure sale of the mortgaged premises is greater than the original guaranty, as adjusted. The VA may, at its option and without regard to the guaranty, make full payment to a mortgagee of unsatisfied indebtedness on a mortgage upon its assignment to the VA. Under certain circumstances, a mortgagee is required to accept partial payments on a loan that is more than thirty (30) days overdue.

When a VA loan is foreclosed, the VA must decide whether to (i) acquire the property and pay off the debt or (ii) not acquire the property through the "no bid" process. Under option (ii), the VA gives instructions to the mortgagee to make "no bid" at the foreclosure sale and pays the guaranty amount to the mortgagee, leaving the mortgagee responsible for the disposition of the property. Mortgagees may also "buy down" the veteran's indebtedness at the time of the foreclosure sale to convert a no bid into a VA acquisition. No bids are more likely if the property has significantly declined in value, because the cost to the VA to pay the guaranty amount may be less than their expected cost to acquire, manage and dispose of the property.

United States Department of Agriculture, Rural Development Guaranteed Rural Housing Loan Program

The Cranston-Gonzalez National Affordable Housing Act of 1990 authorized the establishment of the RDA Guaranteed Rural Housing Loan Program. Households with annual incomes at or below one hundred fifteen percent (115%) of median area income are eligible for these loans, subject to the geographic restrictions described below. Households with annual incomes at or below eighty percent (80%) of the area median income may be eligible for interest assistance, in addition to the loan guaranty. The interest assistance paid monthly by RDA to the loan servicer reduces the borrower's effective interest rate. The amount of interest rate reduction is dependent upon the households' annual income, which is re-certified by the loan servicer annually. No funds currently are available for interest assistance.

The RDA Guaranteed Rural Housing Loan program is limited to only certain rural areas of the State. Any city, place, town or village classified as rural prior to October 1, 1990, with a population exceeding 10,000 but not in excess of 25,000, which is rural in character, was considered rural until the year 2000. Any city, place, town or village with a population in excess of 10,000 and determined to be urban prior to August 2, 1991 was not considered an eligible rural area.

The RDA guaranty covers the lesser of (a) any loss equal to ninety percent (90%) of the original principal amount of the loan or (b) any loss in full up to thirty-five percent (35%) of the original principal amount of the loan plus any additional loss on the remaining sixty-five percent (65%) to be shared approximately eight-five percent (85%) by RDA and approximately fifteen percent (15%) by the mortgagee.

RDA does not accept conveyance of the property, but rather pays the lender's claim upon foreclosure. The claim payment includes certain actual costs incurred by the lender prior to foreclosure, including interest expense, and an allowance for the costs associated with liquidating the property. The claim payment amount is based on the net sales proceeds if the property is sold within six (6) months, or if no sale occurs within six (6) months, the claim payment amount is determined according to a formula based upon an appraisal of the property performed by RDA. The lender's actual disposition costs may be higher than the RDA claim payment.

Private Mortgage Insurance Programs

The Department requires that each private mortgage insurer approved for insuring Mortgage Loans (i) shall be approved to issue policies of private mortgage insurance by the Board of Insurance of the State, (ii) be approved to insure mortgages purchased by Fannie Mae or Freddie Mac, and (iii) shall assure the Department in writing that foreclosure of a Mortgage Loan solely on the basis of non-compliance of such Mortgage Loan with provisions of Section 103A of the Tax Code of 1954 and its successor provisions will be an insured event under the terms of its policy of private mortgage insurance. The Freddie Mac eligibility requirements for approving private mortgage insurers presently provide that not more than 10% of the insurers' mortgage insurance risk may be represented by mortgage insurance covering property other than real property.

The maximum amounts insurable by private insurers must conform to applicable Federal and State regulations. Such amounts are often further limited by whether the home is to be owner-occupied. The maximum amounts insurable for owner-occupied dwellings range from 90% to 95% of the appraised value or selling price, whichever is lower. Requirements of borrower equity vary according to the percentage of the mortgage to be insured. Certain companies will credit toward a specified percentage of this amount the value of the land to be improved, trade-in property or work equity, if at least a minimum cash equity is met and the home is to be owner-occupied. Although there may be variations among companies, available coverage by private mortgage insurers is generally limited to first mortgage loans or contracts on improved real estate,

with amortization over the term of the contract in substantially equal monthly payments, including accruals for taxes and insurance.

Under the various policies, delinquencies must be reported to the insurer within four months of default, and proceedings to recover title are required to be commenced within nine months of default. It is common practice for private mortgage insurers to require that mortgage lenders, prior to presenting a claim under the mortgage insurance, acquire and tender to the private mortgage insurer title to the property, free and clear of all liens and encumbrances, including any right of redemption by the mortgagor. When such a claim is presented, the private mortgage insurer will normally have the option of paying the claim in full, taking title to the property and arranging for its sale, or of paying the insured percentage of the claim and allowing the insured mortgage lender to retain title to the property.

The amount of loss payable generally includes the principal balance due under the mortgage agreement, plus accumulated interest, real estate taxes and hazard insurance premiums which have been advanced and expenses incurred in the recovery proceedings.

Mortgage Pool Insurance

In lieu of establishing a mortgage pool self-insurance reserve with respect to any Bonds issued pursuant to the Master Indenture which are not secured by Mortgage Certificates, the Department may provide a mortgage pool insurance policy. The following is a general description of some of the pertinent provisions of the more common mortgage pool insurance now available. This description is only a brief outline and does not purport to summarize or describe all of the provisions of such policies.

In general, the mortgage pool insurance policies provide insurance coverage on the full amount of any loss which is covered by each policy and realized as a result of a default by a mortgagor on a Mortgage Loan insured thereunder. Payment will be made after foreclosure, payment under the primary mortgage insurance policy insuring the Mortgage Loan, if any, and sale of the foreclosed property approved by the insurer, subject to a limitation on aggregate claims of the applicable aggregate initial principal amount of all Mortgage Loans insured under the policy.

As a condition precedent to the payment of any loss under a mortgage pool insurance policy, mortgage insurance approved by the Department and acceptable to the insurer must generally be maintained by or on behalf of the Department on each Mortgage Loan that has a loan-to-value ratio in excess of the applicable percentage at the time of origination of the Mortgage Loan. Such mortgage insurance, at a minimum, must provide coverage on the amount of the Mortgage Loan in excess of 80% of original fair market value of the property, defined as the lesser of either the sale price or the appraised value at the time of origination. Such mortgage insurance must remain in force until the unpaid principal balance of the Mortgage Loan is reduced to the applicable percentage of the original fair market value.

Each mortgage pool insurance policy usually requires, as a condition to payment of a claim, that (i) all hazard insurance premiums, real estate taxes, property protection and preservation expenses, property sale expenses and foreclosure costs (including court costs and reasonable attorney's fees) have been advanced by or on behalf of the Department, as approved by the insurer, (ii) the Department must have acquired good and merchantable title to the property, free and clear of all encumbrances, except permitted encumbrances, including any right of redemption by the mortgagor, and (iii) the Department must have sold the property with the approval of the insurer. In the event of default by the mortgagor, if there is any physical loss or damage to the property from any cause, whether by accidental means or otherwise, it is usually a condition to payment that the insured restore the property to its condition at the time of the issuance of the policy, except for reasonable wear and tear. The mortgage pool insurance policies generally will not insure against a loss sustained by reason of a default arising from or involving certain matters including (i) fraud or negligence in origination or servicing of the Mortgage Loans, including misrepresentation by the Mortgage Lender,

borrower or other persons involved in the origination or servicing of the Mortgage Loans; (ii) failure to construct a property subject to a Mortgage Loan in accordance with specified plans; or (iii) physical damage to a property.

The insurer generally has the option either to pay (i) an amount equal to the unpaid principal balance of the defaulted Mortgage Loan at the time of the approved sale, as provided in the applicable policy, plus accrued and delinquent interest at the mortgage rate to the date of payment of the claim plus advances required to be made by or on behalf of the Department as set forth above, conditioned upon the insurer's being provided good and merchantable title to the mortgaged property (unless the property has been conveyed pursuant to the terms of the applicable primary mortgage insurance policy), or (ii) the amount by which the sum of the unpaid principal balance of the defaulted Mortgage Loan at the time of the approved sale, as provided in the policy, plus accrued and delinquent interest at the mortgage rate to the date of payment of the claim plus advances requiring to be made by or on behalf of the Department as set forth above, exceeds the net proceeds received from a sale of the property which the insurer approved. Under either option, the amount of any payment is reduced by the amount of the loss paid under any private mortgage insurance.

A claim under the applicable mortgage pool insurance policy (except for a claim under the advance claims coverage endorsement, described below) must generally be filed (i) in the case when a private mortgage insurance policy is in force, within a specified period after the claim for loss has been settled or paid or within such time after a sale approved by the insurer, whichever is later, or (ii) in the case when a private mortgage insurance policy is not in force, within a specified period after the Department has conveyed title to the property pursuant to an approved sale.

Premiums on any mortgage pool insurance policies will be paid by the Department. Failure to pay a premium will terminate any such policy. If the aggregate recoveries under a policy reach the applicable pool limit of the aggregate initial principal amount of Mortgage Loans insured, coverage under the policy will be exhausted and further losses due to the foreclosure will be borne by the Department.

The amount of coverage under any mortgage pool insurance policy will be reduced over the life of the Bonds covered by such policy by the dollar amount of claims paid less amounts realized by the insurer upon disposition of mortgaged properties. The amount of claims paid generally includes certain expenses incurred by the Department as well as accrued interest on delinquent Mortgage Loans insured under each policy including interest accrued through completion of foreclosure proceedings (excluding applicable charges and penalty interest). See "Foreclosure Laws" herein. Accordingly, if aggregate recoveries under a mortgage pool insurance policy reach the policy limit, coverage under such mortgage pool insurance policy will be exhausted and any further losses will be borne by Bondholders to the extent remaining moneys held under the Master Indenture are inadequate to pay principal of and interest on the Bonds. Subject to the payment of the applicable premium, an insurer is generally obligated to provide coverage under a mortgage pool insurance policy so long as the Bonds covered by the policy are outstanding.

Some insurers have delivered endorsements to certain mortgage pool insurance policies which provide that they will make advance claims payments in amounts equal to delinquent regular monthly payments of principal of and interest on each Mortgage Loan that is delinquent in three or more monthly payments after receipt of ten days prior written notice thereof. Such advance claims payments will generally be made only if the Mortgage Loan servicer has initiated foreclosure proceedings as required by the mortgage pool insurance policy and diligently pursues such proceedings. The insurer will continue to make such advance claims payments until the insured files, or should have filed, a claim with respect to the Mortgage Loan for which such payments have been made. Advance claims payments must be repaid after payments on the Mortgage Loan have been received (either from the mortgagor, FHA, VA, RDA, private mortgage insurance or through foreclosure) for which advances were previously made or if a claim under the policy is not filed. Claim settlements under a mortgage pool insurance policy will usually be reduced by the sum of unreimbursed claims advances.

The coverage available under the advance claims payment procedure usually equals the limit of coverage provided under the mortgage pool insurance policy. Advance claims payments for which the insurer is ultimately reimbursed are not charged against the limit of coverage under the mortgage pool insurance policy. To the extent foreclosure or other disposition of the property subject to a Mortgage Loan does not result in sufficient liquidation proceeds to reimburse the insurer for all claims advances made under the advance claims payment procedure, aggregate remaining coverage under the mortgage pool insurance policy will be reduced. Upon reaching the applicable aggregate loss limitation under the mortgage pool insurance policy, whether through payments of advances under the advance claims payment procedure or payments as a result of foreclosure losses with respect to Mortgage Loans, coverage under the advance claims procedure also will be exhausted.

Standard Hazard Insurance Policies

Each Mortgage Lender acting as a servicer will cause to be maintained by the mortgagor for each Mortgage Loan fire insurance with extended coverage on the mortgaged property (a "Standard Hazard Insurance Policy") in an amount which is not less than the maximum insurable value of the property or the principal balance owing on the Mortgage Loan, whichever is less. Subject to the laws of the State, any amounts collected by a Mortgage Lender under any such policy will be deposited in a custodial account subject to reimbursement. Such insurance shall be with insurers approved by Fannie Mae or Freddie Mac.

In general, a Standard Hazard Insurance Policy covers physical damage to or destruction of the improvements on the property by fire, lightning, explosion, smoke, windstorm, hail, riot, strike or civil commotion, subject to the conditions and exclusions particularized in each policy. If a residence is located in a designated flood area, flood insurance shall be required to be maintained, and if not covered by other insurance, insurance shall be required to be maintained for wind damage on each residence to the extent deemed advisable by the supervising agent from time to time.

Although policies relating to different Mortgage Loans may be issued by different insurance companies and, therefore, may have minor differences in coverage, the basic terms are dictated by State law. Policies typically exclude physical damage resulting from the following: war, revolution, governmental actions, floods and other water-related causes, earth movement (including earthquakes, landslides and mudflows), nuclear hazard and, in certain cases, vandalism.

In lieu of a Standard Hazard Insurance Policy, each Mortgage Lender acting as a servicer may maintain and keep a "Mortgagee Single Interest Hazard Insurance Policy" throughout the term of the applicable servicing agreement. The Mortgagee Single Interest Insurance Policy provides insurance against losses sustained by a Mortgage Lender or other insured in the event the mortgagor fails to maintain a Standard Hazard Insurance Policy and physical damage occurs. Each Mortgage Lender agrees to pay the premium for the Mortgagee Single Interest Hazard Insurance Policy on the basis prescribed by the policy. Any amounts collected by the Mortgage Lender under such policy relating to the Mortgage Loans will be deposited in a custodial account maintained by the Mortgage Lender subject to withdrawal by the Trustee.

Foreclosure Laws

If a mortgagor defaults on a Mortgage Loan and foreclosure or other recovery proceedings are instituted there will probably be time delays in collection. The following is intended to be a general description of foreclosure laws in the State of Texas and is not intended to be a legal opinion with respect to such laws.

Mortgage instruments utilized in the State generally and the Mortgages to be used in the Department's programs take the form of deeds of trust containing the power of out-of-court foreclosures and sale. Nonjudicial foreclosure proceedings are governed by Chapter 51, Texas Property Code, which authorizes sales under deeds of trust or other contractual liens if such instruments so provide and sets the minimum standards of notice and procedure for the conduct of non-judicial foreclosure sales. Sales under such Chapter may only be made in the event of a default under the note or deed of trust and acceleration of the debt which is secured, must be conducted by the trustee appointed in the deed of trust or other lien instrument or his successor, and may be conducted only after posting written notice at least 21 days preceding the date of the sale at the courthouse door(s) of the county or counties in which the property to be sold is located. Additionally, the holder of the debt to which the power of sales relates must serve written notice of the proposed sale by certified mail on each debtor obligated to pay the debt, according to the most recent records of such holder, at least 21 days preceding the date of the sale (the "Twenty-One Day Notice"). In addition, if the mortgagor resides on the mortgaged property, twenty (20) days' notice of intent to accelerate the Mortgage Loan must be given to the mortgagor prior to the Twenty-One Day Notice. The sale may be conducted only between certain hours on the first Tuesday of the month, as designated in the posted notice of sale. After the foreclosure sale has properly been held in accordance with both the provisions of Chapter 51, Texas Property Code and the provisions of the deed of trust or other lien instrument by which a power of sale is granted, any right to reinstate the debt and all rights of redemption, except rights of the United States, if any, under federal tax lien laws, are extinguished. A nonjudicial foreclosure sale which has not been conducted in accordance with Chapter 51, Texas Property Code and the provisions of the lien instrument granting the power of sale is invalid.

State courts have in the past strictly construed the power of sale created by deeds of trust or other lien instruments and, where both contractual and statutory provisions for nonjudicial foreclosure have not been precisely followed, have declared nonjudicial foreclosure sales to be invalid. In addition, although the State statute providing standards for nonjudicial foreclosures has previously survived challenges that it is unconstitutional, there can be no assurance that such a challenge in the future will not be successful. A foreclosure sale of property on which the United States claims a lien for federal income tax collection, will be made subject to and without disturbing the federal tax lien unless notice of the foreclosure sale is given to the Internal Revenue Service at least 25 days before the sale. Without this prior notice, the sale is made subject to the federal tax lien. Even when such notice is properly given, the United States may redeem such property within 120 days from the date of the sale, upon payment of the amount paid or credited at the sale, and interest from the date of the sale, and any cost in owning property in excess of the derived income. The remedy of nonjudicial foreclosure may be limited, restricted or denied, not only by bankruptcy or other debtor relief proceedings, but also by the death of a mortgagor either without leaving a will or with probate proceedings that are not independent of the probate court or by the appointment of a receiver by the court in a divorce action involving mortgages to which the spouses in such divorce proceedings are parties. The remedies afforded the holder of the mortgage debt in the events set forth in the preceding sentence require judicial action either as a prerequisite to the valid exercise of nonjudicial foreclosure or in the nature of a judicial foreclosure proceeding or sale through the legal representative involved with the sanction of the court.

Under State law, foreclosure of mortgage liens on real property also may be accomplished by judicial proceedings. In foreclosure pursuant to judicial proceedings, a right to make full payment exists prior to the sale of the property, and, except for federal tax liens as discussed above, the redemption rights of all parties are extinguished by a properly conducted foreclosure sale.

APPENDIX C-1 GNMA AND THE GNMA CERTIFICATES

This summary of the GNMA Mortgage Backed Securities Program, the GNMA Certificates and the documents referred to herein does not purport to be comprehensive and is qualified in its entirety by reference to the GNMA Mortgage Backed Securities Guide published by GNMA and to said documents for full and complete statement of their provisions. The following summary is of the GNMA I Program and the GNMA II Program, as amended.

Government National Mortgage Association ("GNMA") is a wholly-owned corporate instrumentality of the United States within the Department of Housing and Urban Development ("HUD") with its principal office in Washington, D.C.

To issue GNMA Certificates, the Master Servicer must first apply to and receive from GNMA the Commitment to Guarantee Mortgage Backed Securities (the "MBS Agreement"). The MBS Agreement authorizes the Master Servicer to apply to GNMA for the issuance of Mortgage-Backed Securities to be eligible for guaranty by GNMA up to a stated date and issue GNMA Certificates up to a stated amount during a one-year period following the date of the MBS Agreement. Each MBS Agreement is valid for a 12-month period from the date of commitment.

Each GNMA Certificate is to be backed by a mortgage pool consisting of Mortgage Loans in a minimum aggregate amount of \$250,000 (or such lesser amount as may be approved by GNMA). Each GNMA I Certificate will be a "mortgage loan pass-through" certificate which will require the Master Servicer to pass through to the paying and transfer agent therefor (the "GNMA Paying Agent") by the fifteenth day of each month (or the sixteenth day, if such day is not a business day, provided that, if neither the fifteenth nor the sixteenth day is a business day, the first business day prior to the fifteenth day of the month), the regular monthly payments on the Mortgage Loans (less the GNMA Guaranty Fee and the Master Servicer's servicing fee, more fully described herein), whether or not the Master Servicer receives such payments, plus any prepayments of principal of the Mortgage Loans received by the Master Servicer in the previous month. Each GNMA II Certificate will require the Master Servicer to pass through to the GNMA Paying Agent for the GNMA II Program, by the nineteenth day of each month (or the twentieth day, if such day is not a business day; provided that, if neither the nineteenth nor the twentieth day is a business day, then the first business day prior to the nineteenth day of the month), the regular monthly payments on the Mortgage Loans (less the GNMA Guaranty Fee and the Master Servicer's servicing fee, more fully described herein), whether or not the Master Servicer received such payments, plus any prepayments on the Mortgage Loan received by the Master Servicer in the previous month. The GNMA Paying Agent is then required to pass through to the Trustee on or before the third business day following the nineteenth day of each month the scheduled payments received from the Master Servicer. GNMA guarantees timely payment of principal of and interest with respect to the GNMA Certificate.

GNMA is authorized by Section 306(g) of Title III of the National Housing Act of 1934, as amended (the "Housing Act"), to guarantee the timely payment of the principal of, and interest on, securities that are based on and backed by a pool of mortgage loans insured by FHA under the Housing Act, or guaranteed by RDA under Title V of the Housing Act of 1949, or guaranteed by VA under the Servicemen's Readjustment Act of 1944, as amended, or Chapter 37 of Title 38, United States Code. Section 306(g) further provides that "the full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guaranty under this subsection." An opinion, dated October 12, 1969, of an Assistant Attorney General of the United States, states that such guarantees under Section 306(g) of mortgage backed certificates of the type being delivered to the Trustee on behalf of the Department are authorized to be made by GNMA and "would constitute general obligations of the United States backed by its full faith and credit."

GNMA, upon execution of the GNMA Guaranty appended to the GNMA Certificate and upon delivery of the GNMA Certificate to the Master Servicer, will have guaranteed to the Trustee as holder of the GNMA Certificate the timely payment of principal of and interest on the GNMA Certificate. In order to meet its obligations under such guaranty, GNMA, in its corporate capacity under Section 306(g) of Title III of the Housing Act, may issue its general obligations to the United States Treasury Department in an amount outstanding at any one time sufficient to enable GNMA, with no limitations as to amount, to perform its obligations under its guaranty of the timely payment of the principal of and interest on the GNMA Certificate. The Treasury is authorized to purchase any obligation so issued by GNMA and has indicated in a letter dated February 13, 1970, from the Secretary of the Treasury to the Secretary of HUD that the Treasury will make loans to GNMA, if needed, to implement the aforementioned guaranty.

GNMA is required to warrant to the Trustee as the holder of the GNMA Certificate, that, in the event it is called upon at any time to make payment on its guaranty of the principal of and interest on the GNMA Certificate, it will, if necessary, in accordance with Section 306(d) of Title III of the Housing Act, apply to the Treasury Department of the United States for a loan or loans in amounts sufficient to make payments of principal and interest.

The Master Servicer will be responsible for servicing and otherwise administering the Mortgage Loans in accordance with generally accepted practices of the mortgage banking industry and the GNMA Mortgage Backed Securities Guide (the "Guide").

The monthly remuneration for the Master Servicer for its servicing and administrative functions, and the Guaranty Fee charged by GNMA are based on the total aggregate unpaid principal balance of Mortgage Loans outstanding. The GNMA Certificates carry an interest rate that is fixed at .50% (subject to adjustment) below the interest rate on the Mortgage Loans; the Master Servicer's servicing fee and the GNMA Guaranty Fee are deducted from payments on the Mortgage Loans before payments are passed through to the holder of the GNMA Certificates.

It is expected that interest and principal payments on the Mortgage Loans received by the Master Servicer will be the source of payments on the GNMA Certificates. If such payments are less than what is due the Master Servicer is obligated to advance its own funds to ensure timely payment of all amounts coming due on the GNMA Certificates. GNMA guarantees such timely payment in the event of the failure of the Master Servicer to pay an amount equal to the scheduled payments (whether or not made).

The Master Servicer is required to advise GNMA in advance of any impending default on scheduled payments so that GNMA as guarantor will be able to continue such payments as scheduled on the third business day following the twentieth day of each month. If, however, such payments are not received as scheduled, the Trustee has recourse directly to GNMA.

The GNMA Guaranty Agreement to be entered into by GNMA and the Master Servicer upon issuance of the GNMA Certificates (the "GNMA Guaranty Agreement") will provide that, in the event of a default by the Master Servicer, GNMA will have the right, by letter to the Master Servicer, to effect and complete the extinguishment of the Master Servicer's interest in the Mortgage Loans, and the Mortgage Loans are to thereupon become the absolute property of GNMA, subject only to the unsatisfied rights of the holder of the GNMA Certificate. In such event, the GNMA Guaranty Agreement will provide that GNMA will be the successor in all respects to the Master Servicer in its capacity under the GNMA Guaranty Agreement and the transaction and arrangements set forth or arranged for therein. At any time, GNMA may enter into an agreement with an institution approved by GNMA under which such institution undertakes and agrees to assume any part or all of such duties, and no such agreement will detract from or diminish the responsibilities, duties or liabilities of GNMA in its capacity as guarantor.

Payment of principal and interest on the GNMA Certificate is required to be made in monthly installments on or before the third business day following the twentieth of each month commencing the month following the date of issue of the GNMA Certificate.

Each installment on the GNMA Certificate is required to be applied first to interest and then in reduction of the principal balance then outstanding on the GNMA Certificate. Interest is to be paid at the specified rate on the unpaid portion of the principal of the GNMA Certificate. The amount of principal due on the GNMA Certificate is to be in an amount at least equal to the scheduled principal amortization currently due on the Mortgage Loans subject to adjustment by reason of unscheduled recoveries of principal on the Mortgage Loans. In any event, the Master Servicer is required to pay to the Trustee, as holder of the GNMA Certificate, monthly installments of not less than the interest due on the GNMA Certificate at the rate specified in the GNMA Certificate, together with any scheduled installments of principal, whether or not such interest or principal is collected from the Mortgagor, and any prepayments or early recovery of principal. Final payment is to be made upon surrender of the outstanding GNMA Certificate.

The Office of Inspector General (OIG) is required to conduct an annual audit of GNMA under the provisions of the Chief Financial Officers (CFO) Act of 1990 ("CFO Act"). The complete OIG report is included in the separate management report of GNMA prepared pursuant to the CFO Act which is available upon request from GNMA at Government National Mortgage Association, 451 Seventh Street, SW, Washington, D.C. 20410-9000.

APPENDIX C-2

FREDDIE MAC AND THE FREDDIE MAC CERTIFICATES

General

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act, Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. Section 1451-1459. Freddie Mac's statutory purposes are to provide stability in the secondary market for residential mortgages, to respond appropriately to the private capital market, to provide ongoing assistance to the secondary market for residential mortgages (including mortgages on housing for low- and moderate-income families), and to promote access to mortgage credit throughout the United States by increasing the liquidity of mortgage investments and improving the distribution of investment capital available for residential mortgage financing. To fulfill these statutory purposes Freddie Mac purchases residential mortgages and mortgage-related securities from mortgage lenders, other mortgage sellers and securities dealers and finances these purchases with debt and equity securities. In addition Freddie Mac guarantees the timely payment of principal and interest on single-class and multiclass securities representing an undivided interest in mortgages and/or mortgage-related securities.

Freddie Mac prepares an Information Statement annually which describes Freddie Mac, its business and operations and contains Freddie Mac's audited financial statements for the two most recent fiscal years ending prior to the date of such Information Statement. The current Information Statement, current prospectuses, any supplements to each of the foregoing and any quarterly report prepared and made available by Freddie Mac can be obtained by writing to Freddie Mac B Investor Inquiry, 8200 Jones Branch Drive, McLean, Virginia 22102 or accessing Freddie Mac's internet website at www.freddiemac.com.

Each Freddie Mac Certificate will represent undivided interests in a pool of fixed-rate, first-lien conventional Mortgage Loans or FHA and VA Loans, or participations interests therein. Freddie Mac guarantees to each holder of a Freddie Mac Certificate the timely payment of interest at the applicable coupon on the Freddie Mac Certificate and the timely payment of scheduled principal, whether or not Freddie Mac receives these payments on the underlying mortgages. Full and final payment of principal on the Freddie Mac Certificates will be made no later than the payment date occurring in the month of the Final Payment date for each Freddie Mac Certificate. Principal and interest payments on the Freddie Mac Certificates are not guaranteed by and are not debts or obligations of the United States or any federal agency or instrumentality other than Freddie Mac. Payments on Freddie Mac Certificates are made on the 15th day of each month or, if the 15th is not a business day, the next business day.

Freddie Mac receives monthly mortgage payments from its mortgage servicers during a Monthly Reporting Period that begins on the 16th of a month and ends on the 15th of the following month. For any month, a payment on a Freddie Mac Certificate will reflect monthly mortgage payments reported by servicers in the previous Monthly Reporting Period and prepayments reported by servicers in the calendar month prior to the payment up through the date Freddie Mac calculates its payment factors. Freddie Mac publishes its payment factors on or about the 5th day of each month.

The summary of the Freddie Mac Certificates does not purport to be comprehensive and is qualified in its entirety by reference to the Freddie Mac prospectuses and other documents relating to the offer and sale of Freddie Mac Certificates described herein.

Federal Housing Finance Agency Actions

In accordance with the Federal Housing Finance Regulatory Reform Act of 2008 (the "Regulatory Reform Act"), the Federal Housing Finance Agency (the "FHFA") was named as the conservator of both Fannie Mae and Freddie Mac (each, a "GSE") on September 6, 2008. The FHFA immediately succeeded to (1) all rights, titles, powers and privileges of each GSE, and of any stockholder, officer or director of such GSE with respect to the GSE and its assets, and (2) title to all books, records and assets of the GSE held by any other legal custodian or third party. Under the Act, the FHFA is authorized to repudiate contracts entered into by a GSE prior to the FHFA's appointment as conservator if the FHFA determines, in its sole discretion, that performance of the contract is burdensome and that repudiation of the contract promotes the orderly administration of the GSEs. This right must be exercised within a reasonable period of time after FHFA's appointment as conservator.

On September 7, 2008, the U.S. Department of Treasury ("Treasury") entered into a "Senior Preferred Stock Purchase Agreement" with each GSE. Those agreements were amended and restated on September 26, 2008, and subsequently amended on May 6, 2009 and December 24, 2009. Each such agreement is indefinite in duration and has a maximum capacity of \$200 billion, which amount will increase as necessary to accommodate any cumulative reduction in net worth calculated on a quarterly basis through December 31, 2012. If the FHFA determines that a GSE's liabilities have exceeded its assets under generally accepted accounting principles, the Treasury is required by the agreement to contribute cash capital to the GSE in an amount equal to the difference between liabilities and assets. On August 17, 2012 the Treasury announced modifications to the Preferred Stock Purchase Agreement whereby Fannie Mae and Freddie Mac would accelerate the wind down of its retained mortgage investment portfolios at an annual rate of 15% and would replace the dividend repayment requirement to the Treasury with a quarterly sweep of every dollar of profit that each firm earns going forward.

So long as the GSEs remain in their current conservatorship and are not placed into receivership, (i) FHFA has no authority to repudiate any contracts entered into after the GSEs were placed into conservatorship, including the GSEs' guaranties related to Certificates they issued during their respective conservatorships, and (ii) the rights of holders of certificates issued during such conservatorship are not restricted.

Under the Regulatory Reform Act, FHFA must place a GSE into receivership if the FHFA's Director makes a determination that the GSE's assets are, and for a period of 60 days have been, less than the GSE's obligations, or the GSE is unable to pay its debts and have been unable to do so for a like period. The FHFA Director may also place a GSE into receivership in his or her discretion for certain other reasons. A receivership would terminate the FHFA's current conservatorship. If FHFA were to become the receiver of a GSE, it could exercise certain powers that could adversely affect the Department (as holder of the GSE's Certificates), as explained below.

[Remainder of This Page Left Intentionally Blank]

As receiver, FHFA could repudiate any contract entered into by a GSE prior to its appointment as receiver if FHFA determines, in its sole discretion that performance of the contract is burdensome and that repudiation of the contract promotes the orderly administration of the GSE's affairs. The Regulatory Reform Act requires that any exercise by FHFA of its right to repudiate any contract occur within a reasonable period following its appointment as receiver. If FHFA, as receiver, were to repudiate the guaranty obligations of Fannie Mae or Freddie Mac, the receivership estate would be liable for actual direct compensatory damages as of the date of receivership under the Regulatory Reform Act. Any such liability could be satisfied only to the extent the GSE's assets were available for that purpose. Moreover, if a GSE's guaranty obligations were repudiated, payments of principal and/or interest to holders of the GSE's certificate holders would be reduced as a result of borrowers' late payments or failure to pay or a servicer's failure to remit borrower payments to the trust. In that case, trust administration fees would be paid from mortgage loan payments prior to distributions to certificate holders. Any actual direct compensatory damages owed due to the repudiation of the GSE guaranty obligations may not be sufficient to offset any shortfalls experienced by certificate holders.

In its capacity as receiver, FHFA would have the right to transfer or sell any asset or liability of a GSE without any approval, assignment or consent of FHFA, as receiver, were to transfer a GSE's guaranty obligation to another party, the Department (as a certificate holder) would have to rely on that party for satisfaction of the guaranty obligation and would be exposed to the credit risk of that party.

During a receivership, certain rights of certificate holders may not be enforceable against FHFA, or enforcement of such rights may be delayed. The Regulatory Reform Act also provides that no person may exercise any right or power to terminate, accelerate or declare an event of default under certain contracts to which a GSE is a party, or obtain possession of or exercise control over any property of a GSE, or affect any contractual rights of the GSE, without the approval of FHFA as receiver, for a period of 90 days following the appointment of FHFA as receiver. If a GSE is placed into receivership and does not or cannot fulfill its guaranty to certificate holders, certificate holders could become unsecured creditors of the GSE with respect to claims made under the GSE's guaranty.

If a GSE emerges from conservatorship and, at a later date, FHFA again were to place the GSE into conservatorship, (i) FHFA would have all of the authority of a new conservator, including the authority to repudiate the guaranty associated with certificates issued by the GSE during the current conservatorship, and (ii) certain rights of holders of certificates issued during the current conservatorship would again be restricted or eliminated. FHFA currently has all of the authority of a conservator as to certificates issued before September 6, 2008, the date the GSEs were placed into conservatorship.

Fannie Mae currently is required to file periodic financial disclosures with the U.S. Securities and Exchange Commission (the "SEC"), including Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K, together with any required exhibits. These reports and other information can be read and copied at the SEC's public reference room at 450 Fifth Street, N.W., Washington, D.C. 20549. The SEC currently maintains a web site (<http://www.sec.gov>) that contains reports, proxy statements and other information that Fannie Mae has filed with the SEC. The Senior Preferred Stock Purchase Agreement between the Treasury and Freddie Mac requires Freddie Mac to provide the Treasury with annual reports on Form 10-K, quarterly reports on Form 10-Q, and current reports on Form 8-K. The Department makes no representation regarding the content, accuracy or availability of any such reports or information filed by Fannie Mae or Freddie Mac with the SEC, or any information provided at such web site. The SEC's web site is not part of this Official Statement.

APPENDIX C-3

FANNIE MAE AND THE FANNIE MAE CERTIFICATES

General

Fannie Mae is a federally chartered and stockholder owned corporation organized and existing under the Federal National Mortgage Association Charter Act, 12 U.S.C. 1716 et seq. Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market and became a stockholder owned and privately managed corporation by legislation enacted in 1968.

Fannie Mae purchases, sells, and otherwise deals in mortgages in the secondary market rather than as a primary lender. It does not make direct mortgage loans but acquires mortgage loans originated by others. In addition, Fannie Mae issues mortgage backed securities ("MBS"), primarily in exchange for pools of mortgage loans from lenders. Fannie Mae receives guaranty fees for its guarantee of timely payment of principal of and interest on MBS certificates.

The securities of Fannie Mae are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than Fannie Mae.

Information on Fannie Mae and its financial condition is contained in periodic reports that are filed with the Securities and Exchange Commission (the "SEC"). The SEC filings are available at the SEC's website at www.sec.gov. The periodic reports filed by Fannie Mae with the SEC are also available on Fannie Mae's web site at <http://www.fanniemae.com/portal/about-us/investor-relations/quarterly-annual-results.HTML> or from Fannie Mae at the Office of Investor Relations at 202-752-7115.

Fannie Mae is incorporating by reference in this Official Statement the documents listed below that Fannie Mae publishes from time to time. This means that Fannie Mae is disclosing information to you by referring you to those documents. Those documents are considered part of this Reoffering Circular, so you should read this Reoffering Circular, and any applicable supplements or amendments, together with those documents before making an investment decision.

You should rely only on the information provided or incorporated by reference in this Official Statement and any applicable supplement, and you should rely only on the most current information.

Fannie Mae makes no representation as to the contents of this Official Statement, the suitability of the Bonds for any investor, the feasibility of performance of any program, or compliance with any securities, tax or other laws or regulations.

Mortgage-backed Securities Program

Fannie Mae is a federally chartered and stockholder-owned corporation organized and existing under the Federal National Mortgage Association Charter Act (12 U.S.C. Section 1716 et seq.). Fannie Mae was originally established in 1938 as a United States government agency to provide supplemental liquidity to the mortgage market, and was transferred into a stockholder-owned and privately managed corporation by legislation enacted in 1968. The Secretary of Housing and Urban Development exercises general regulatory power over Fannie Mae. Fannie Mae provides funds to the mortgage market by purchasing mortgage loans from lenders, thereby replenishing their funds for additional lending. Fannie Mae acquires funds to purchase mortgage loans from many capital market investors that may not ordinarily invest in mortgage loans, thereby expanding the total amount of funds available for housing. In addition, Fannie Mae issues mortgage-backed securities primarily in exchange for pools of mortgage loans from lenders.

Although the Secretary of the Treasury of the United States has certain discretionary authority to purchase obligations of Fannie Mae, neither the United States nor any agency or instrumentality thereof is obligated to finance Fannie Mae's obligations or assist Fannie Mae in any manner.

Fannie Mae has implemented a mortgage-backed securities program pursuant to which Fannie Mae issues securities (the "Fannie Mae Certificates") backed by pools of mortgage loans (the "MBS Program"). The obligations of Fannie Mae, including its obligations under the Fannie Mae Certificates, are obligations solely of Fannie Mae and are not backed by, or entitled to, the full faith and credit of the United States.

The terms of the MBS Program are governed by the Fannie Mae Selling and Servicing Guides (the "Fannie Mae Guides") published by Fannie Mae, as modified by the Pool Purchase Contract (as hereinafter described), and, in the case of mortgage loans such as the Mortgage Loans, a Trust Indenture dated as of November 1, 1981, as amended (the "Fannie Mae Trust Indenture"), and a supplement thereto to be issued by Fannie Mae in connection with each pool.

The summary of the MBS Program set forth herein does not purport to be comprehensive and is qualified in its entirety by reference to the Fannie Mae Guides, the Fannie Mae prospectus and the other documents referred to herein.

Pool Purchase Contract

It is expected that Fannie Mae and the Master Servicer will enter into a Pool Purchase Contract, pursuant to which the Servicer will be permitted to deliver, and Fannie Mae will agree to purchase mortgage loans in exchange for Fannie Mae Certificates. The purpose of the Pool Purchase Contract is to provide for certain additions, deletions and changes to the Fannie Mae Guides relating to the purchase of mortgage loans. In the event of a conflict between the Pool Purchase Contract and the Fannie Mae Guides, the Pool Purchase Contract will control. The description set forth below assumes that the Pool Purchase Contract will be executed substantially in the form presented by Fannie Mae to the Master Servicer as of the date hereof.

The Pool Purchase Contract obligates the Servicer to service the mortgage loans in accordance with the requirements of the Fannie Mae Guides and the Pool Purchase Contract.

Fannie Mae Certificates

Each Fannie Mae Certificate will represent the entire interest in a specified pool of Mortgage Loans purchased by Fannie Mae from the Servicer and identified in records maintained by Fannie Mae.

Fannie Mae will guarantee to the registered holder of the Fannie Mae Certificates that it will distribute amounts representing scheduled principal and interest at the applicable pass-through rate on the Mortgage Loans in the pools represented by such Fannie Mae Certificates, whether or not received, and the full balance of any foreclosed or other finally liquidated Mortgage Loan, whether or not such principal balance is actually received. The obligations of Fannie Mae under such guarantees are obligations solely of Fannie Mae and are not backed by, nor entitled to, the faith and credit of the United States. If Fannie Mae were unable to satisfy such obligations, distributions to the Trustee, as the registered holder of Fannie Mae Certificates, would consist solely of payments and other recoveries on the underlying Mortgage Loans and, accordingly, monthly distributions to the Trustee, as the holder of Fannie Mae Certificates, would be affected by delinquent payments and defaults on such Mortgage Loans.

Payments on Mortgage Loans; Distributions on Fannie Mae Certificates

Payments on a Fannie Mae Certificate will be made on the 25th day of each month (beginning with the month following the month such Fannie Mae Certificate is issued), or, if such 25th day is not a business day, on the first business day next succeeding such 25th day. With respect to each Fannie Mae Certificate, Fannie Mae will distribute to the Trustee an amount equal to the total of (i) the principal due on the Mortgage Loans in the related mortgage pool underlying such Fannie Mae Certificate during the period beginning on the second day of the month prior to the month of such distribution and ending on the first day of such month of distribution, (ii) the stated principal balance of any Mortgage Loan that was prepaid in full during the second month next preceding the month of such distribution (including as prepaid for this purpose at Fannie Mae's election any Mortgage Loan after it is delinquent, in whole or in part, with respect to four consecutive installments of principal and interest), (iii) the amount of any partial prepayment of a Mortgage Loan received in the second month next preceding the month of distribution, and (iv) one month's interest at the pass-through rate on the principal balance of the Fannie Mae Certificate as reported to the Trustee (assuming the Trustee is the registered holder) in connection with the previous distribution (or, respecting the first distribution, the principal balance of the Fannie Mae Certificate on its issue date).

For purposes of distributions, a Mortgage Loan will be considered to have been prepaid in full if, in Fannie Mae's reasonable judgment, the full amount finally recoverable on account of such Mortgage Loan has been received, whether or not such full amount is equal to the stated principal balance of the Mortgage Loan. Fannie Mae may, in its discretion, include with any distribution principal prepayments, both full and partial, received during the month prior to the month of distribution but is under no obligation to do so.

Federal Housing Finance Agency Actions

In accordance with the Federal Housing Finance Regulatory Reform Act of 2008 (the "Regulatory Reform Act"), the Federal Housing Finance Agency (the "FHFA") was named as the conservator of both Fannie Mae and Freddie Mac (each, a "GSE") on September 6, 2008. The FHFA immediately succeeded to (1) all rights, titles, powers and privileges of each GSE, and of any stockholder, officer or director of such GSE with respect to the GSE and its assets, and (2) title to all books, records and assets of the GSE held by any other legal custodian or third party. Under the Act, the FHFA is authorized to repudiate contracts entered into by a GSE prior to the FHFA's appointment as conservator if the FHFA determines, in its sole discretion, that performance of the contract is burdensome and that repudiation of the contract promotes the orderly administration of the GSEs. This right must be exercised within a reasonable period of time after FHFA's appointment as conservator.

On September 7, 2008, the U.S. Department of Treasury ("Treasury") entered into a "Senior Preferred Stock Purchase Agreement" with each GSE. Those agreements were amended and restated on September 26, 2008, and subsequently amended on May 6, 2009 and December 24, 2009. Each such agreement is indefinite in duration and has a maximum capacity of \$200 billion, which amount will increase as necessary to accommodate any cumulative reduction in net worth calculated on a quarterly basis through December 31, 2012. If the FHFA determines that a GSE's liabilities have exceeded its assets under generally accepted accounting principles, the Treasury is required by the agreement to contribute cash capital to the GSE in an amount equal to the difference between liabilities and assets. On August 17, 2012 the Treasury announced modifications to the Preferred Stock Purchase Agreement whereby Fannie Mae and Freddie Mac would accelerate the wind down of its retained mortgage investment portfolios at an annual rate of 15% and would replace the dividend repayment requirement to the Treasury with a quarterly sweep of every dollar of profit that each firm earns going forward.

So long as the GSEs remain in their current conservatorship and are not placed into receivership, (i) FHF A has no authority to repudiate any contracts entered into after the GSEs were placed into conservatorship, including the GSEs' guaranties related to Certificates they issued during their respective conservatorships, and (ii) the rights of holders of certificates issued during such conservatorship are not restricted.

Under the Regulatory Reform Act, FHFA must place a GSE into receivership if the FHFA's Director makes a determination that the GSE's assets are, and for a period of 60 days have been, less than the GSE's obligations, or the GSE is unable to pay its debts and have been unable to do so for a like period. The FHFA Director may also place a GSE into receivership in his or her discretion for certain other reasons. A receivership would terminate the FHFA's current conservatorship. If FHFA were to become the receiver of a GSE, it could exercise certain powers that could adversely affect the Department (as holder of the GSE's Certificates), as explained below.

As receiver, FHFA could repudiate any contract entered into by a GSE prior to its appointment as receiver if FHF A determines, in its sole discretion that performance of the contract is burdensome and that repudiation of the contract promotes the orderly administration of the GSE's affairs. The Regulatory Reform Act requires that any exercise by FHFA of its right to repudiate any contract occur within a reasonable period following its appointment as receiver. If FHFA, as receiver, were to repudiate the guaranty obligations of Fannie Mae or Freddie Mac, the receivership estate would be liable for actual direct compensatory damages as of the date of receivership under the Regulatory Reform Act. Any such liability could be satisfied only to the extent the GSE's assets were available for that purpose. Moreover, if a GSE's guaranty obligations were repudiated, payments of principal and/or interest to holders of the GSE's certificate holders would be reduced as a result of borrowers' late payments or failure to pay or a servicer's failure to remit borrower payments to the trust. In that case, trust administration fees would be paid from mortgage loan payments prior to distributions to certificate holders. Any actual direct compensatory damages owed due to the repudiation of the GSE guaranty obligations may not be sufficient to offset any shortfalls experienced by certificate holders.

In its capacity as receiver, FHFA would have the right to transfer or sell any asset or liability of a GSE without any approval, assignment or consent. If FHFA, as receiver, were to transfer a GSE's guaranty obligation to another party, the Department (as a certificate holder) would have to rely on that party for satisfaction of the guaranty obligation and would be exposed to the credit risk of that party.

During a receivership, certain rights of certificate holders may not be enforceable against FHFA, or enforcement of such rights may be delayed. The Regulatory Reform Act also provides that no person may exercise any right or power to terminate, accelerate or declare an event of default under certain contracts to which a GSE is a party, or obtain possession of or exercise control over any property of a GSE, or affect any contractual rights of the GSE, without the approval of FHFA as receiver, for a period of 90 days following the appointment of FHFA as receiver. If a GSE is placed into receivership and does not or cannot fulfill its guaranty to certificate holders, certificate holders could become unsecured creditors of the GSE with respect to claims made under the GSE's guaranty.

If a GSE emerges from conservatorship and, at a later date, FHFA again were to place the GSE into conservatorship, (i) FHFA would have all of the authority of a new conservator, including the authority to repudiate the guaranty associated with certificates issued by the GSE during the current conservatorship, and (ii) certain rights of holders of certificates issued during the current conservatorship would again be restricted or eliminated. FHFA currently has all of the authority of a conservator as to certificates issued before September 6, 2008, the date the GSEs were placed into conservatorship.

Fannie Mae currently is required to file periodic financial disclosures with the U.S. Securities and Exchange Commission (the "SEC"), including Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K, together with any required exhibits. These reports and other information can be read and copied at the SEC's public reference room at 450 Fifth Street, N.W., Washington, D.C. 20549. The SEC currently maintains a web site (<http://www.sec.gov>) that contains reports, proxy statements and other information that Fannie Mae has filed with the SEC. The Senior Preferred Stock Purchase Agreement between the Treasury and Freddie Mac requires Freddie Mac to provide the Treasury with annual reports on Form 10-K, quarterly reports on Form 10-Q, and current reports on Form 8-K. The Department makes no representation regarding the content, accuracy or availability of any such reports or information filed by Fannie Mae or Freddie Mac with the SEC, or any information provided at such web site. The SEC's web site is not part of this Official Statement.

Report on the Financial Statements

We have audited the accompanying financial statements of the Revenue Bond Program Enterprise Fund (Program) of the Department of Housing and Community Affairs (Department), as of and for the year ended August 31, 2015, and the related notes to the financial statements, which collectively comprise the Program's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes

evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Program of the Department, as of August 31, 2015, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matters

Fund Financial Statements

As discussed in Note 1, the financial statements present only the Program, an enterprise fund of the Department and of the State of Texas, and do not purport to, and do not, present fairly the financial position of the State of Texas or the Department as of August 31, 2015, the changes in its financial position, or, where applicable, its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Program's financial statements. The supplementary bond schedules and supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements.

The supplementary bond schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary bond schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

The supplemental schedules have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 18, 2015, of the Department's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Department's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)

This section of the Texas Department of Housing and Community Affairs - Revenue Bond Program ("Bond Program") annual financial report presents management's discussion and analysis of the financial performance of the Bond Program of the Texas Department of Housing and Community Affairs ("Department") during the fiscal year that ended on August 31, 2015. Please read it in conjunction with the Department's Bond Program financial statements, which follow this section.

FINANCIAL HIGHLIGHTS

- The Bond Program's net position increased by \$8.7 million. This was primarily because of a positive \$11.5 million difference between interest income and interest expense offset by a decrease of \$3.2 million in fees related to the Taxable Mortgage Program ("TMP").
- The Bond Program had an Operating Income of \$13.2 million, a decrease of \$16.0 million from the prior year. The change in operating income was a result of the following factors. Interest and investment income decreased \$9.1 million due to declining investment balances; the net change in fair value of investments decreased from a positive change of \$3.8 million in fiscal year 2014 to a negative change of \$8.7 million in fiscal year 2015, an overall change of \$12.5 million; other operating revenue decreased \$3.5 million; and bond interest expense decreased \$7.8 million due to lower bonds outstanding and lower interest rates related to variable rate debt.
- The Bond Program's debt outstanding of \$1.5 billion as of August 31, 2015, decreased \$160.5 million due to debt retirements of \$159.2 million without any new bond issuances. Loan originations for the year totaled \$9.9 million in the Bond Program.
- In accordance with Governmental Accounting Standards Board Statement (GASB) No. 53 , *Accounting and Financial Reporting for Derivative Instruments* , the Department identified its derivative instruments, measured their effectiveness, and reported the derivative instruments at fair value. The Department's interest rate swaps, which were primarily used to hedge changes in interest rates, are considered to be derivative instruments under GASB 53. GASB 53 requires the fair value of a derivative to be reported at the end of the fiscal year in the balance sheet. As of August 31, 2015, the Department's five interest rate swaps had a total notional amount of \$188.8 million and a negative \$16.9 million fair value which was recorded in the deferred outflow of resources account and as a derivative swap liability.

FINANCIAL STATEMENTS

The financial statements provide information about the Bond Program's funds. The Bond Program has only one type of fund, the proprietary fund, which is as follows:

- ***Proprietary Fund*** - The Bond Program's activities in its proprietary fund are accounted for in a manner similar to businesses operating in the private sector. Funding has primarily arisen through the issuances of taxable and tax-exempt bonds whose proceeds are used primarily to fund various types of loans to finance low- and moderate-income housing. The net position of these funds represents accumulated earnings since their inception and is generally restricted for program purposes or debt service.

The Net Position of the Bond Program increased \$8.7 million, or 4.2%, to \$218.5 million. The restricted net position of the Bond Program increased \$9.6 million, or 4.8%. The increase can be primarily attributed to a positive difference between interest earnings and interest expense offset by a decrease in fees collected. The unrestricted net position decreased \$829.9 thousand, or 7.5%, to \$10.2 million. The unrestricted net position is composed of \$7.3 million related to the Operating Fund and \$5.1 million related to the Taxable Mortgage Program offset by a negative net position related to Multifamily of \$2.2 million.

Cash and investments (current and non-current) decreased \$144.0 million, or 15%, to \$813.1 million, primarily due to the sale of investments used to retire debt.

The Bond Program's loans and contracts (current and non-current) decreased \$27.0 million, or 2.5%, to \$1.0 billion, due primarily as a result of loans paid off related to the Department's Multi-family Bond Program. Total bonds payable (current and non-current) decreased \$160.5 million, or 9.5%, due to the Department's monthly retirement of existing debt primarily due to consumer refinancing and paying off of original loans and the retirement of the associated debt.

In accordance with Governmental Accounting Standards Board Statement (GASB) No. 53 , *Accounting and Financial Reporting for Derivative Instruments* , the Department reported its derivative instruments at fair value on the balance sheet. The Department’s five interest rate swaps are considered to be derivative instruments per GASB No. 53. The negative \$16.9 million fair value of the swaps decreased by \$5.5 million and is reported as deferred outflow of resources and a derivative hedging instrument classified as a liability.

Earnings within the Bond Program’s various bond indentures were \$80.6 million, of which \$65.7 million is classified as restricted and \$14.9 million as unrestricted.

Restricted earnings are primarily composed of \$74.3 million in interest and investment income and \$8.7 million net decrease in fair value of investments. Interest and investment income is restricted per bond covenants for debt service and the net decrease in fair value in investments is a combination of both unrealized and realized gains.

Unrestricted earnings are composed of \$258.4 thousand in interest and investment income, \$18.0 thousand net decrease in fair value of investments, and \$14.6 million in other operating revenue.

The graph below illustrates the composition of interest and investment income for the various bond indentures that make up the Bond Program:

Interest earned on program loans decreased by \$2.0 million, or 4.6%, due primarily to a decrease of \$1.9 million, or 4.4%, within the Bond Program's Multi-Family Program, due to lower loan amounts outstanding throughout the year as a result of loan payoffs.

Investment income decreased \$7.1 million, or 17.6%, and reflected lower investment yields due to declining investment balances. The decrease was primarily due to a decrease of \$4.7 million in the Single Family Revenue Bond Program and a \$2.3 million decrease in the RMRB Revenue Bond Program related to the retirement of their respective bonds outstanding.

Expenses of the Bond Program consist primarily of interest expense and professional fees and services. Interest expense was \$63.1 million, which decreased \$7.8 million, or 11.0%, on the Bond Program's debt incurred to fund its various lending programs. Professional fees and services was \$1.5 million which decreased \$1.1 million or 41.6% associated with costs incurred to evaluate and administer funds within the various bond indentures.

The changes in net assets by bond indenture for the Bond Program for fiscal years 2015 and 2014 are as follows:

Changes in Net Position by Bond Program, Year Ended August 31, (Amounts in Thousands)				
Fund	2015	2014	Increase (Decrease)	
			Amount	Percentage
Single Family	\$ 98,988	\$100,010	\$ (1,022)	(1.0)%
RMRB	102,118	91,668	10,450	11.4 %

Total	<u>\$ 218,528</u>	<u>\$209,792</u>	<u>\$ 8,736</u>	4.2 %

The Net Position of the Single Family Bond Program decreased by \$1.0 million, or 1%, primarily due to a positive difference of \$7.8 million between interest income and bond interest expense offset a negative change in fair value of investments of \$7.8 million and approximately \$862.2 thousand in professional fees.

The Net Position of the RMRB Program increased by \$10.5 million, or 11.4%, primarily due to a positive difference of \$3.3 million between interest income and bond interest expense, \$8.6 million transferred from the Taxable Mortgage Program to fund down payment assistance loans offset by a negative change in fair value of investments of \$836.5 thousand.

BOND PROGRAM DEBT

The Bond Program also had \$159.2 million in debt retirements during the year primarily due to consumer refinancing and paying off of original loans. The net result was a decrease in bonds payable of \$160.5 million to \$1.5 billion of which \$18.8 million is due within one year. For additional information, see Note 4, Bonds Payable, and supplementary bond schedules.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General Statement — The Texas Department of Housing and Community Affairs (the “Department”), was created effective September 1, 1991, by an act of the 72nd Texas Legislature, pursuant to Senate Bill 546 (codified as Article 4413 (501), Texas Revised Civil Statutes) (the “Department Act”), passed by the Texas Legislature on May 24, 1991, and signed by the Governor of the State of Texas. Effective September 1, 1991, the Department was established to assist local governments in helping residents overcome financial, social, and environmental problems; to address low- to moderate-income housing needs; to contribute to the preservation and redevelopment of neighborhoods and communities; to assist the Governor and the Legislature in coordinating federal and state programs affecting local governments; and to continually inform the State and the public about the needs of local government. The Department was created by merging two former agencies: the Texas Housing Agency and the Texas Department of Community Affairs.

The accompanying financial statements represent the financial status of the Revenue Bond Program Enterprise Fund (the “Bond Program”), which is included in the enterprise fund of the Department, and are not intended to present the financial position of the Department or its results of operations or cash flows. The Department is governed by a Board composed of seven members, all of whom are appointed by the Governor with advice and consent of the Senate. The Board then appoints the Executive Director with the approval of the Governor. The Department is authorized to issue tax-exempt or taxable bonds, notes, or other obligations to finance or refinance multifamily housing developments and single-family residential housing. Bonds and notes of the Department do not constitute a debt of the State or any political subdivision thereof. The Department Act specifically provides for the assumption by the Department of the outstanding indebtedness of the former agencies. The Department is required to continue to carry out all covenants with respect to any bonds outstanding, including the payments of any bonds from the sources provided in the proceedings authorizing such bonds. For financial reporting purposes, the Department is an agency of the State and is included in its reporting entity.

The Bond Program operates several bond programs under separate trust indentures, as follows:

Single-Family Bond Program (“Single-Family”) — These bonds are limited obligations of the Department. Bond proceeds were used to originate below-market rate loans for eligible low- and moderate-income residents who were purchasing a residence. These bonds were issued pursuant to a Single-Family Mortgage Revenue Bond Trust Indenture, dated October 1, 1980, and indentures supplemental thereto, and are secured on an equal and ratable basis by the trust estate established by such trust indentures.

Residential Mortgage Revenue Bond Program (“RMRB”) — Thirty-four series (six of which have been refunded) of these bonds have been issued pursuant to the RMRB master indenture and thirty-one separate Series Supplements, and are secured on an equal and ratable basis by the trust estates established by such trust indentures. Proceeds from the 1987 A Bonds were used to purchase single-family loans, while proceeds from the remaining RMRB bond issues were used to purchase pass-through certificates created through the origination of single-family loans.

Collateralized Home Mortgage Revenue Bond Program (“CHMRB”) — The Department issued eleven series of bonds pursuant to the CHMRB Trust Indenture with six separate supplements for each series. The bonds are secured on an equal and ratable basis. Proceeds from the bonds are being used to purchase pass-through certificates created through the funding of loans made to finance the purchase by eligible borrowers of new and existing single-family residences in the state.

Taxable Mortgage Program (“TMP”) — The TMP program was created to provide loans to low to moderate income homebuyers as a tool to fund the First Time Homebuyer Program. It facilitates the trading of mortgage backed securities (“MBS”). The program will be paid for from revenues generated by the packaging and sale of the associated mortgage backed securities.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES Cont'd

Multifamily Housing Revenue Bond Programs ("Multifamily") — These bonds were issued pursuant to separate trust indentures and are secured by individual trust estates, which are not on an equal and ratable basis with each other. The bonds are limited obligations of the Department and are payable solely from the payments received from the assets and guarantors, which secure the individual trust indentures. Under these programs, the proceeds were either provided to nonprofit and for-profit developers of multifamily properties to construct or rehabilitate rental housing or used to refund other multifamily bonds issued for the same purposes.

Significant Accounting Policies — the significant accounting policies of the Bond Program are as follows:

Fund Accounting — The Bond Program's financial statements have been prepared on the basis of the proprietary fund concept as set forth by the Governmental Accounting Standards Board ("GASB"). The proprietary fund concept provides that financial activities operated similarly to private business enterprises and financed through fees and charges assessed primarily to users of the services are presented as a proprietary fund. Proprietary funds are accounted for on the accrual basis of accounting. Revenues are recognized when earned, and expenses are recognized when the liability is incurred. The Bond Program has elected not to apply Financial Accounting Standards Board pronouncements issued after November 30, 1989, as allowed by GASB Statement No. 20, *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting*.

Investments — The Bond Program follows the provisions of GASB Statement No. 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools*. GASB Statement No. 31 requires certain types of investments to be reported at fair value on the Statement of Net Position. The Bond Program utilizes established quoted market prices for determining the fair value of its debt securities in reserve funds. The Bond Program's portfolio of mortgage-backed securities consists of pools of mortgage loans exchanged for mortgage-backed securities or mortgage pass-through certificates. Fair value of the Bond Program's securitized mortgage loans (GNMA/FNMA) has been estimated by each bond issue's trustee using a pricing service.

The Bond Program has reported all investment securities at fair value as of August 31, 2015, with the exception of certain money market investments, and nonparticipating interest-earning investment contracts, which are reported at amortized cost (historical cost adjusted for amortization of premiums and accretion of discounts), provided that the fair value of those investments is not significantly affected by the impairment of the credit standing of the issuer or by other factors (see Note 2).

In accordance with GASB Statement No. 31, changes in the fair value of investments and any realized gains/losses on the sale of investments are reported in the Statement of Revenues, Expenses, and Changes in Fund Net Position as net increase (decrease) in fair value of investments.

Loans and Contracts — Loans and contracts are carried at the unpaid principal balance outstanding less the allowance for estimated loan losses. Interest on loans is credited to income as earned. Loans are generally placed on nonaccrual status when the Department becomes aware that the borrower has entered bankruptcy proceedings or when the loans are 90 days past due as to either principal or interest or when payment in full of principal and interest is not expected.

Real Estate Owned — Properties acquired through foreclosure are carried at the unpaid principal balance on the related property plus accrued interest and reimbursable expenses through the date of foreclosure, less any sales proceeds, reimbursements received from mortgage insurers, and an allowance for estimated losses on such properties. After foreclosure, foreclosed assets are carried at lower of cost or fair value minus selling costs. Interest on real estate owned is credited to income as earned based on a calculation of interest recoverable in accordance with the Department's agreements with its mortgage insurers.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES Cont'd

Allowance for Estimated Losses on Loans and Foreclosed Properties — The allowance for estimated losses on loans is available for future charge offs on single-family and multifamily loans.

All losses are charged to the allowance when the loss actually occurs or when a determination is made that a loss is likely to occur. Periodically, management estimates the likely level of future losses to determine whether the allowances for estimated losses are adequate to absorb anticipated losses in the existing loan and real estate owned portfolios. Based on these estimates, a provision for estimated losses on loans and real estate owned is made to the allowances in order to adjust the allowances to levels estimated to be adequate to absorb reasonably foreseeable losses.

While management uses available information to recognize losses in the loan and real estate owned portfolios, future adjustments may be necessary based on changes in economic conditions. However, it is the judgment of management that the allowances are currently adequate to absorb reasonably foreseeable losses in the existing loan and real estate owned portfolios.

Deferred Outflows of Resources/Derivative Hedging Instrument—The Department identified its derivative instruments and measured their effectiveness in accordance with Governmental Accounting Standards Board Statement (GASB) No. 53, *Accounting and Financial Reporting for Derivative Instruments*. The Department contracted a service provider to measure its derivative effectiveness using the regression analysis method. Since the derivative instruments were deemed to be effective, the Department deferred the changes in fair value for these derivatives and reported them as a deferred outflows of resources.

Operating and Nonoperating Revenues and Expenses — The Department distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services in connection with the Bond Program. The principal operating revenues of the Bond Program are related to interest derived from investments, interest on mortgage loans and bond related administrative fees. Operating expenses are primarily related to interest expense on bonds and general administrative expenses. Revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Discounts and Premiums on Debt — Discounts and premiums on debt are recognized using the interest method over the life of the bonds or collateralized mortgage obligations to which they relate. Prepayments on the bonds result in the proportionate amortization during the current year of the remaining balance of discounts and premiums on debt.

General and Administrative Expenses — Certain General and Administrative expenses are accounted for in the Department's Administrative Program and are not reflected in the Operating Fund section of the Bond Program.

Restricted Net Position — Certain Net Position of the Bond Program are restricted for various purposes of the bond trust indentures. When both restricted and unrestricted resources are available for use, restricted resources are used first, then unrestricted resources are used as they are needed.

Cash Flows — For purposes of reporting cash flows, cash and cash equivalents consist of cash and short-term investments with a maturity at the date of purchase of three months or less, which are highly liquid and are readily exchanged for cash at amounts equal to their stated value.

Interfund Transactions — The Bond Program has transactions between and with other funds of the Department. Quasi-external transactions are charges for services rendered by one fund to another, and they are accounted for as revenue or expense. All other interfund transactions are reported as transfers.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES Cont'd

Loss on Early Extinguishment of Debt — Any loss on extinguishment of debt prior to its stated maturity is recorded as a component of interest expense in the period the debt is retired.

Estimates — In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the Statement of Net Position and the reported revenues and expenses for the period. Actual results could differ significantly from those estimates. Management judgments and accounting estimates are made in the evaluation of the allowance for estimated losses on loans and real estate owned.

NOTE 2: DEPOSITS, INVESTMENTS & REPURCHASE AGREEMENTS

The indentures allow for investments in direct obligations of or guaranteed by the U.S. Government; obligations, debentures, notes or other evidences of indebtedness issued or guaranteed by agencies or intermediaries of the U.S. Government; obligations issued by public agencies or municipalities; obligations and general obligations of or guaranteed by the state; demand deposits, interest-bearing time deposits or certificates of deposit; repurchase agreements in U.S. Government securities; direct or general obligations of any state within the territorial U.S.; investment agreements with any bank or financial institution; and guaranteed investment contracts. Credit Risk

Credit Risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. Preservation and safety of principal is the foremost objective of the investment program. According to the Department's investment policy, investments should be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. Credit risk is mitigated by:

- Limiting investments to the safest types of securities.
- Pre-qualifying the financial institution, broker/dealers, intermediaries, and advisors with which the Department will do business.
- Diversifying the investment portfolio so that potential losses on individual securities will be minimized.

As of August 31, 2015, the Department's credit quality distribution for securities with credit risk exposure was as follows.

Standard & Poor's

Investment Type	Not Rated	AAA	AA+	A
U.S. Government Agency Obligations			\$ 67,250,509	
Repurchase Agreements (TTSTC)	\$ 66,285,889

A total of \$597,606,997 was not subject to credit risk disclosure due to their explicit guarantee by the U.S. Government which is composed of U.S. Government Agency obligations issued by the Government National Mortgage Association.

Concentration of credit risk is the risk of loss attributable to the magnitude of investment in a single issuer. As of August 31, 2015, the Department's concentration of credit risk is as follows.

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of any investment. The longer the maturity of an investment will result in greater sensitivity of its fair value to changes in the market interest rates. The Department's investment policy allows for the mitigation of interest rate risk by:

- Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity.
- Investing operating funds primarily in shorter-term securities.

Information about the sensitivity of the fair values of the Department's investments to market interest rate fluctuations is provided by the following table that shows the distribution of the Department's investments by maturity:

Business Type Activities	Fair Value	Remaining Maturity (in months)			
		12 months or less	13 to 24 months	25 to 60 months	More than 60 months
U.S. Government Agency Obligations	\$ 664,857,506	\$ 9,788	\$ 127,606	\$ 1,228,690	\$ 663,491,422
Repurchase Agreements (TTSTC)	66,285,889	66,285,889			
Fixed Income Money Markets	45,460,849	45,460,849			
Misc (Investment Agreements/GICs)	36,303,727				36,303,727
Total	\$ 812,907,971	\$ 111,756,526	\$ 127,606	\$ 1,228,690	\$ 699,795,149

Highly Sensitive Investments

Mortgage backed securities-These securities are subject to early payment in a period of declining interest rates. These prepayments result in a reduction of expected total cash flows affecting the fair value of these securities and make the fair value of these securities highly sensitive to the changes in interest rates. The Department does not make it a common practice to sell these investments. However, in recent years the Department has sold some of these investments at a premium and used the realized gain to fund Down Payment Assistance loans in connection with the Single Family, First-Time Homebuyer Program. Any fluctuation in fair value generates an unrealized gain or loss. As of August 31, 2015, the Department holds \$664,857,506 in mortgage backed securities.

NOTE 3: SUMMARY OF LONG TERM LIABILITIES Cont'd

Revenue Bonds Payable

The Department issues bonds to assist in financing the purchase of homes by or the construction of rental housing for families with very low to moderate incomes. Loan payments provide the revenues for debt service payments. (See Note 4 for more information.) The \$160,505,991 in reductions is inclusive of \$1,271,051 in amortization of bond premium/discount.

Other Non-current Liabilities

Other non-current liabilities in the Enterprise Fund totaling \$87,929,042 account for funds due to Developers as a result of Multifamily bond proceeds which have corresponding investment balances adjusted to market value. These proceeds are conduit debt issued on behalf of the Developer for the purpose of Multifamily developments and are held by the trustee. Due to the various variables related to the balance, the current portion cannot be reasonably estimated.

NOTE 4: BONDED INDEBTEDNESS

The Department has 113 bond series outstanding at August 31, 2015. All series are revenue bonds backed by the pledged revenue sources and restricted funds specified in the bond resolutions. Each series is designed to be self-supporting with no repayment nor obligation from the State's General Revenue. The Department issues bonds to assist in financing the purchase of homes by or the construction of rental housing for families with very low to moderate incomes. Loan payments provide the revenues for debt service payments. (Detailed supplemental bond information is disclosed in Schedules 3, 4, 5, 6 and 7.) Proceeds from the issuance of bonds under the Single Family indenture prior to 1987 and Residential Mortgage Revenue Bonds (RMRB) Series 1987A Programs were used to acquire loans. Proceeds from Collateralized Home Mortgage Revenue Bond (CHMRB) and the remaining Single Family and RMRB programs were used to acquire pass-through certificates (GNMA, FNMA, FHLMC) backed by mortgage loans. Proceeds from the remaining Multifamily bond issues were used to finance mortgage loans.

Interest on bonds and collateralized mortgage obligations is payable periodically.

The Single Family, RMRB and CHMRB bonds are collateralized by the revenues and assets pledged under the trust indentures, primarily Single Family mortgage loans, mortgage-backed securities and investments. The Multifamily bonds are collateralized by varying methods, including, but not limited to, the mortgage loans on the applicable housing developments, certificates of deposit, letters of credit, guarantees provided by third parties and collateralized mortgage obligations issued by federally chartered, privately owned corporations.

The trust indentures contain positive and negative covenants. Events of default include the following: failure to make timely payment of both principal and interest on any outstanding bond; failure to make timely payment of any other monies required to be paid to the Trustee; and non-performance or non-observance of any other covenants, agreements or conditions contained in the indentures. Management believes they are in compliance with the covenants of the indentures.

Demand Bonds

The Department currently holds seven single family bond series in the amount \$202,095,000 in variable rate demand bonds. The proceeds of these bonds were used to refund outstanding bonds or provide funds for the primary purpose of purchasing mortgaged-backed securities which are pools of first time homebuyer loans. These bond series have the following terms.

These bonds are subject to purchase on the demand of the holder at a price equal to principal plus accrued interest with proper notice and delivery to the corresponding remarketing agent. If the remarketing agent is unable to remarket any bonds, the liquidity facility will purchase the bonds (bank bonds). The liquidity agreement is subject to renewal yearly on an ongoing basis. The Department shall use its best effort to cause the bonds to be purchased from the liquidity facility as soon as possible. The purchased bonds are not subject to term out provisions. For fiscal year 2015, the Trustee did not draw from the liquidity provider, Comptroller of Public Accounts, related to the Department's demand bonds.

Federal Arbitrage Regulations

In accordance with Federal law, the Agency is required to rebate to the Internal Revenue Service ("IRS") the excess of the amount derived from investing the bond proceeds over the amount that would have been earned if those investments had a rate equal to the yield on the bond issue. As of August 31, 2015, the Bond Program had liabilities to the IRS totaling \$45,138 reported in the Statement of Net Position as Other Current Liabilities. Any increase in this liability account has been recorded as a decrease to interest income.

Pledged and Other Sources

GASB Statement No. 48 requires the following disclosures for "specific revenues that have been formally committed to directly collateralize or secure debt of the Department." The following table summarizes by indenture, pledged and other sources and related expenditures for the Department's revenue bonds. A detail schedule of each bond issue is included in Schedule 6.

VARIABLE TO FIXED INTEREST RATE SWAP

Objective

In order to hedge against increases in interest rates on variable rate demand bond issues, the Department has entered into five interest rate swap agreements with the objective of reducing the interest rate risk of certain variable rate demand bonds. The variable rate demand bonds were issued at a lower total interest cost than attainable through traditional fixed rate bond structures. The Department has entered into interest rate swap agreements with various rated counterparties. Under the terms of the agreements, the Department makes periodic fixed interest rate payments in exchange for receiving variable rate payments that are expected to be comparable to the rates payable on the variable rate demand bonds. The swap notional amounts amortize in accordance with the scheduled and/or anticipated reductions in the related variable rate demand bond liability. The Department is potentially exposed to loss in the event of nonperformance by the counterparties under the swap agreements. Termination of the swap agreements may result in the Department making or receiving termination payments. Each swap agreement includes optional early termination provisions granting the Department the right, but not an obligation, to terminate the interest rate swaps at par without a termination payment after an effective date.

- a. Swap Agreement has an optional early par termination date of September 1, 2015 and every March and September thereafter. The Swap Agreement has 100% optional par termination rights on or after September 1, 2021.

- c. Swap Agreement is subject to mandatory early termination date each March 1 and September 1 from mortgage loan repayments.
- d. The Swap Agreement has 100% optional par termination rights on or after March 1, 2016 and every March and September thereafter. The maximum notional amount subject to early termination is current notional amount per the amortization schedule.

Credit Risk

As of August 31, 2015, the Department is not exposed to credit risk on any of its outstanding swaps because the swaps currently have a negative fair value indicating an obligation for the Department to pay the counterparty as opposed to receive payments should the Department exercise its optional right to terminate. If interest rates change and the fair value of the swaps become positive, the department would be exposed to credit risk on those swaps. The swap agreements contain varying collateral agreements. The 2004B swap contains swap termination insurance policies with Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.) to mitigate a portion of any termination payment due by the Department. The credit ratings for the counterparties are as follows.

Counterparty	Standard & Poor's	Moody's
Bank of New York Mellon	AA-/Stable	Aa2/Stable
Goldman Sachs Bank USA*	A/Stable	A1/Stable
JP Morgan Chase Bank	A+/Stable	Aa3/Stable

*Guaranteed by Goldman Sachs Group, Inc.

Basis Risk

The Department's variable-rate bond coupon payments are related to the Securities Industry and Financial Markets Association (SIFMA) rate. The swap agreements designate a function of London Interbank Offered Rate ("LIBOR") as the rate for payments received on these swaps. The Department will be exposed to basis risk should LIBOR and SIFMA rates converge. The swap agreements provide an option to terminate as stated in the Terms and Fair Value table on previous page.

Rollover Risk

Rollover risk is the risk that arises when a derivative associated with a government's variable-rate debt does not extend all the way to the maturity date of the associated debt, thereby creating a gap in the protection otherwise afforded by the derivative. The Department is not exposed to rollover risk on swap agreements because the variable rate debt has been structured to decline with the swap notional balances. The counterparties in the swap agreements have limited rights to terminate the swap. They can terminate only if the Department were to be downgraded below investment grade or default on any swap payments. The swap providers cannot unilaterally terminate any of the swaps subjecting the Department to rollover risk.

NOTE 5: DERIVATIVE INSTRUMENTS Cont'd

The Department has retained par optional termination rights which are listed below. The par optional termination rights are intended to keep the notional amount in line with bonds outstanding to the extent the Department receives prepayments.

Swap Payments and Associated Debt

Using rates as of August 31, 2015, debt service requirements of the Department's outstanding variable-rate debt and net swap payments are as follows. As rates vary, variable-rate debt bond interest payments and new swap payments will vary. The Department's swap agreements contain scheduled reductions to outstanding notional amounts that are expected to follow scheduled reductions in the associated bonds outstanding.

Netting Arrangements—The Department's swap agreements allow for netting arrangements. On each payment date, September 1 and March 1, the party with the lesser obligation will be automatically satisfied and discharged and, the obligation of the party with the greater obligation will become the excess of the larger aggregate amount over the smaller aggregate amount. As of August 31, 2015, the Department has an aggregate liability related to the interest rate swaps in the amount of \$3,307,864 payable September 1, 2015.

NOTE 6: CONTINUANCE SUBJECT TO REVIEW

Under the Texas Sunset Act, the Department will be abolished effective September 1, 2025 unless continued in existence as provided by the Act. If abolished, the Department may continue until September 1, 2026 to close out its operations.

NOTE 7: CONTINGENCIES AND COMMITMENTS

The Department is a defendant in two legal actions known as Inclusive Communities Project, Inc. vs. Texas Department of Housing and Community Affairs (“TDHCA”), *et al* and Galveston Open Government Project (“GOGP”) vs. TDHCA, *et al*. In the first action, the Plaintiffs were awarded \$1.87 million in attorney’s fees and injunctive relief but no monetary damages. The U.S. Fifth Circuit Court of Appeals (“Fifth Circuit”) has reversed the trial court on several issues, including the attorney’s fees, and remanded the matter to the district court judge for further action. TDHCA appealed aspects of the Fifth Circuit’s decision to the United States Supreme Court. Oral arguments were heard in early 2015. The Supreme Court ruled that a cause of action for disparate impact does exist under the Fair Housing Act and otherwise affirmed the Fifth Circuit’s decision. It also clarified issues related to the burden of proof, and remanded the matter back to the trial court for proceedings consistent with its decision. Because the Department continues to contest the plaintiff’s request for attorney fees and other issues, management cannot estimate the amount of its liability for the plaintiff’s attorneys’ fees at this time. In the second action, the Plaintiff is asking for injunctive relief and attorneys fees. The federal district court judge dismissed TDHCA from the lawsuit. GOGP appealed that and other issues to the Fifth Circuit. In July 2015, the Fifth Circuit affirmed the trial court’s dismissal of the Department, and the time for Plaintiff to appeal that decision to the U.S. Supreme Court has expired.

Derivative Instruments

All of the Department’s derivative instruments include provisions that require posting collateral in the event its credit rating falls below a specified level as issued by Moody’s Investor Service and Standard & Poor’s. If the Department fails to post eligible collateral, the derivative instrument may be terminated by the counterparty. The table below lists the triggering event and the collateral exposure for each instrument.

Series	Collateral Posting Exposure at Current Credit Rating	Credit Rating Downgrade Threshold	MTM Threshold for TDHCA or Counterparty
2004B ⁽¹⁾	None	A3/A- or below for AGM and TDHCA	After downgrade of AGM and TDHCA or counterparty, collateral exposure with no threshold
2004D	Yes, if MTM exceeds (\$7.5M)	A3/A- or below	After downgrade, collateral exposure with no threshold
2005A	None	A2/A	After downgrade to A2/A, collateral exposure if MTM exceeds (\$7.5M); after downgrade to A3/A or below, collateral exposure with no threshold

NOTE 7: CONTINGENCIES AND COMMITMENTS (Cont'd)

As of August 31, 2015 the Department's credit rating related to the Single Family Indenture was AA+ issued by Standard & Poor's and Aa1 by Moody's, therefore no collateral was posted. The Department's aggregate fair value of all hedging derivative instruments with these collateral provisions is \$16,909,723. If the collateral posting requirements had been triggered at August 31, 2015, the Department would have been required to post eligible collateral equal to the aggregate fair value of the derivative instruments.

Taxable Mortgage Program

On July 26, 2012, the Department approved the Taxable Mortgage Program ("TMP"). The TMP market facilitates the forward trading of Mortgage Backed Securities ("MBSs") issued by Ginnie Mae and Fannie Mae. In a TMP trade, the seller and buyer agree to the type of security, coupon, face value, price and settlement date at the time of trade but do not specify the actual pools to be traded. The securities are "to be announced" two business days prior to the trade settlement date. The TMP program was created to provide loans to low to moderate income homebuyers as a tool to fund the First Time Homebuyer Program in order to take advantage of this opportunity. The program is paid for from revenues generated by the packaging and sale of the TMP MBSs. An escrow agreement was negotiated and established to limit the recourse to the servicer, who delivers the MBSs to the purchaser who acquires the MBSs backed by the mortgage loans. The amount of the escrow is \$4 million, which is funded from the Department's general funds. The TMP program commenced on October 1, 2012.

NOTE 9: RISK MANAGEMENT

The Department is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. It is the Department's policy to periodically assess the proper combination of commercial insurance and retention of risk to cover losses to which it may be exposed. The Department assumes substantially all risks associated with the performance of its duties. The Department carries Public Official Liabilities Insurance coverage in the amount of \$10,000,000 that includes Network Security and Cyber Liability in the amount of \$1,000,000; Automobile Liability Insurance in the amount of \$1,000,000; Errors and Omissions Insurance in the

amount of \$500,000 related to loan servicing for others; Crime Insurance in the amount of \$350,000; and Commercial Property, Equipment Breakdown & Terrorism Insurance for the Alpine Retirement Center, the Insurance Annex Building and the Twin Towers Office Center in the amount of \$3,836,921.

The Department's liabilities are reported when it is both probable that a loss has occurred and the amount of that loss can be reasonably estimated. Liabilities include an amount for claims that have been incurred but not reported. Liabilities are reevaluated periodically to consider current settlements, frequency of claims, past experience and economic factors. There have been no significant reductions in insurance coverage in the past year and losses did not exceed funding arrangements during the past three years. The Department did not incur any claims in fiscal year 2015.

NOTE 10: SEGMENT INFORMATION FOR ENTERPRISE FUND

The Segment information below is for the Department's direct debt associated with the issuance of Single Family bonds only and does not include the Multifamily bonds where the Department is only a conduit issuer. Therefore, this note represents less than what is reported in the Enterprise Fund as a whole. Each grouping consists of separate indentures that have one or more bonds outstanding with the revenue stream and assets exclusively pledged in support of that debt. Bonds are issued for the primary purpose of providing funds for the purchase of mortgage-backed securities which represent securitized loans financing single family housing. Each indenture imposes the requirement of separate accounting of the revenues, expenses, gains, losses, assets, and liabilities.

Ladies and Gentlemen:

We have acted as Bond Counsel to the Texas Department of Housing and Community Affairs (the “Department”) in connection with the issuance of the Department’s Single Family Mortgage Revenue Bonds, 2016 Series A (the “Series A Bonds”) and the Department’s Single Family Mortgage Revenue Refunding Bonds, 2016 Series B (Taxable) (the “Series B Bonds” and together with the Series A Bonds, collectively the “Series 2016 Bonds”). The Series 2016 Bonds will bear interest from the date of delivery thereof. Interest on the Series 2016 Bonds is payable September 1, 2016, and semiannually thereafter on each March 1 and September 1, and as further provided in the Supplemental Indentures mentioned below, until maturity or prior redemption. The Series 2016 Bonds are issuable only as fully-registered bonds without coupons in denominations of \$5,000 principal amount or any integral multiple thereof. The Series 2016 Bonds are being issued in the principal amounts, bear interest at the rates and mature on the dates as provided in the Indenture mentioned below. The Series 2016 Bonds are subject to redemption prior to maturity on the dates, at the redemption prices and under the circumstances described in the Indenture.

The Series 2016 Bonds are being issued pursuant to a resolution adopted by the Governing Board of the Department on November 12, 2015 (the “Bond Resolution”), the Single Family Mortgage Revenue Bond Trust Indenture dated as of October 1, 1980, between the Department’s predecessor, the Texas Housing Agency, or the Department, as the case may be, and The Fort Worth National Bank or its successors as trustee, including The Bank of New York Mellon Trust Company, N.A. (the “Trustee”), as amended and supplemented (collectively, the “Single Family Indenture”), and the Sixtieth Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of February 1, 2016 between the Department and the Trustee with respect to the Series A Bonds (the “Sixtieth Supplemental Indenture”) and the Sixty-First Supplemental Single Family Mortgage Revenue Bond Trust Indenture dated as of February 1, 2016 between the Department and the Trustee with respect to the Series B Bonds (the “Sixty-First Supplemental Indenture”). The Sixtieth

Supplemental Indenture and the Sixty-First Supplemental Indenture are referred to herein collectively as the “2016 Supplemental Indentures” and the Single Family Indenture and the 2016 Supplemental Indentures are referred to herein collectively as the “Indenture.” The Series A Bonds are being issued for the purpose of providing funds to make and acquire Mortgage Loans and paying a portion of the costs of issuance of the Series A Bonds. The Series B Bonds are being issued by the Department for the purpose of providing funds to refund its outstanding Single Family Mortgage Revenue Refunding Bonds, 2006 Series A, its outstanding Single Family Mortgage Revenue Refunding Bonds, 2006 Series B, its outstanding Single Family Mortgage Revenue Bonds, 2006 Series C, its outstanding Single Family Mortgage Revenue Refunding Bonds, 2006 Series D and its outstanding Single Family Mortgage Revenue Refunding Bonds, 2006 Series E (collectively, the “Refunded Bonds”). Capitalized terms not otherwise defined herein have the meanings assigned to such terms in the Indenture.

The Single Family Indenture permits the issuance of additional bonds on a parity with the Series 2016 Bonds upon the terms and conditions set forth in the Single Family Indenture. The Department reserves the right in the Single Family Indenture to issue other bonds of the Department under the Single Family Indenture for other programs similar to the program initially funded with the proceeds of the Series A Bonds or initially funded with the proceeds of the Refunded Bonds and to refund bonds issued under the Single Family Indenture, and further reserves the right to issue bonds payable from the pledges and assignments in trust pursuant to the Single Family Indenture that are junior or subordinate to the Series 2016 Bonds, all as provided in the Single Family Indenture.

The scope of our engagement as Bond Counsel extends solely to an examination of the facts and law incident to rendering an opinion with respect to the legality and validity of the Series 2016 Bonds and the security therefor. We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Series 2016 Bonds and we express no opinion relating thereto (excepting only the matters set forth as our opinion in the Official Statement). We have not assumed any responsibility with respect to the financial condition or capability of the Department or the disclosure thereof. In our capacity as Bond Counsel, we have participated in the preparation of and have examined a transcript of certain proceedings pertaining to the Series 2016 Bonds, including certain certified and original proceedings of the Department and the State of Texas (the “State”), and customary certificates, opinions, affidavits and other documents executed by officers, agents and representatives of the Department, the State, the Trustee and others. We have also examined applicable provisions of the Internal Revenue Code of 1986, as amended (the “Code”), court decisions, Treasury Regulations and published ratings of the Internal Revenue Service (the “Service”) as we have deemed relevant. We have also examined executed Bond No. TR-1 of each Series of the Series 2016 Bonds.

We have assumed without independent verification (i) the genuineness of certificates, records and other documents (collectively, “documents”) and the accuracy and completeness of the statements of fact contained therein; (ii) the due authorization, execution and delivery of the documents described above by the other parties thereto; (iii) that all documents submitted to us as originals are accurate and complete; and (iv) that all documents submitted to us as copies are true and correct copies of the originals thereof.

Based upon such examination and subject to the assumptions, qualifications and limitations set forth herein, it is our opinion that, under existing law:

1. The Department is a public and official governmental agency of the State, duly created and existing under the laws of the State, particularly Chapter 2306, Texas Government Code, as amended (together with other laws of the State applicable to the Department, the “Act”), and has full power and authority to adopt the Bond Resolution and to perform its obligations thereunder; to execute and deliver the 2016 Supplemental Indentures; to perform its obligations under the Indenture; and to issue and sell the Series 2016 Bonds and to utilize the proceeds therefrom for the purposes set forth in the Bond Resolution and the Indenture.

2. The Department has duly adopted the Bond Resolution and has duly authorized, executed and delivered the 2016 Supplemental Indentures. The Indenture constitutes a legal, valid and binding obligation of the Department. Pursuant to the Indenture, all of the Department’s right, title and interest in and to the Trust Estate, including the Revenues and other amounts to be received by the Department have been validly and effectively assigned and, upon receipt of such Revenues and amounts by the Trustee, pledged as security for the payment of the principal and redemption price of and interest on the Series 2016 Bonds. We draw your attention to the fact that the Series 2016 Bonds are secured on a parity basis with the Department’s Single Family Variable Rate Mortgage Revenue Refunding Bonds, 2004 Series B; Single Family Variable Rate Mortgage Revenue Bonds, 2004 Series D; Single Family Variable Rate Mortgage Revenue Refunding Bonds, 2005 Series A; Single Family Mortgage Revenue Refunding Bonds, 2005 Series B; Taxable Single Family Variable Rate Mortgage Revenue Refunding Bonds, 2005 Series C; Single Family Mortgage Revenue Bonds, 2005 Series D; Single Family Variable Rate Mortgage Revenue Bonds, 2007 Series A; Single Family Mortgage Revenue Bonds, 2007 Series B; Single Family Mortgage Revenue Refunding Bonds, 2013 Series A (Taxable); Single Family Mortgage Revenue Refunding Bonds, 2015 Series A (Taxable); and Single Family Mortgage Revenue Bonds, 2015 Series B, all issued under the Single Family Indenture. The Department has also issued its Taxable Junior Lien Single Family Variable Rate Mortgage Revenue Bonds, Series 2004A, which are secured on a basis subordinate to the Series 2016 Bonds. The Department has also granted security interests on a subordinate basis to the swap providers and the liquidity providers for certain of the foregoing bonds.

3. The Department has duly authorized the issuance, execution and delivery of the Series 2016 Bonds. The authorized officers of the Department have duly executed the Series 2016 Bonds and the Trustee has duly authenticated the Series 2016 Bonds, to the extent required by the Indenture, and delivered the Series 2016 Bonds to or at the direction of the initial purchasers thereof. The Series 2016 Bonds constitute legal, valid and binding limited obligations of the Department and are entitled to the benefit and security of the Indenture.

4. The Series 2016 Bonds are issued pursuant to the provisions of the Act and constitute limited obligations of the Department and are payable solely from the revenues, funds and assets of the Department pledged under the Indenture and not from any other revenues, funds or assets of the Department. The Series 2016 Bonds are not and do not create or constitute in any way an obligation, a debt or a liability of the State, or create or constitute a pledge, giving or lending of the faith or credit or taxing power of the State. The Department has no taxing power.

5. Interest on the Series A Bonds is excludable from gross income for federal income tax purposes under existing law.

6. Interest on the Series A Bonds is not an item of tax preference includable in alternative minimum taxable income for purposes of calculating the federal alternative minimum tax on individuals and corporations and is not included in a corporation's adjusted current earnings for purposes of determining its alternative minimum tax.

We observe that the Department has taken no action to make interest on the Series B Bonds excludable from gross income for federal income tax purposes. We express no opinion as to any federal, state or local tax consequences resulting from the receipt or accrual of interest on, or acquisition, ownership or disposition of the Series B Bonds.

In providing the opinions set forth in paragraphs 5 and 6 above with respect to the Series A Bonds, we have relied on representations of the Department, the Department's Financial Advisor, the Underwriters, the Master Servicer and the Mortgage Lenders, with respect to matters solely within the knowledge of the Department, the Department's Financial Advisor, the Underwriters, the Master Servicer and the Mortgage Lenders, respectively, which we have not independently verified, and have assumed continuing compliance with the procedures, safeguards and covenants in the Indenture and other documents relating to the requirements of the Code. We have further relied on the report (the "Report") of Causey Demgen & Moore, Inc., certified public accountants, regarding the mathematical accuracy of certain computations. In the event that any of such representations or the Report is determined to be inaccurate or incomplete or the Department, a Mortgage Lender or the Master Servicer fails to comply with the foregoing procedures, safeguards and covenants in the Indenture, interest on the Series A Bonds could become includable in gross income for federal income tax purposes under existing law from the date of original delivery thereof, regardless of the date on which the event causing such inclusion occurs.

Except as stated above, we express no opinion as to any federal, state or local tax consequences resulting from the receipt or accrual of interest on, or acquisition, ownership or disposition of the Series A Bonds. Certain actions may be taken or omitted subject to the terms and conditions set forth in the Sixtieth Supplemental Indenture, upon the advice or with an approving opinion of nationally recognized bond counsel. We express no opinion with respect to our ability to render an opinion that such actions, if taken or omitted, will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Series A Bonds.

The enforceability of certain provisions of the Series 2016 Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors. Furthermore, the availability of equitable remedies under the Series 2016 Bonds may be limited by general principles of equity that permit the exercise of judicial discretion. Furthermore, the enforceability of any indemnification provisions contained in the Indenture may be limited by applicable securities laws and public policy.

Holders of the Series A Bonds should also be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, life

insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, low and middle income taxpayers otherwise qualifying for the health insurance premium assistance credit, and individuals otherwise qualifying for the earned income credit. In addition, certain foreign corporations doing business in the United States may be subject to the “branch profits” tax on their effectively connected earnings and profits, including tax-exempt interest such as interest on the Series A Bonds.

The opinions set forth above speak only as of their date and only in connection with the Series 2016 Bonds and may not be applied to any other transaction. Such opinions are specifically limited to the laws of the State of Texas and, to the extent applicable, the laws of the United States of America.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement these opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Service; rather, such opinions represent our legal judgment based upon our review of existing law and in reliance upon the representations and covenants referenced above that we deem relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given as to whether or not the Service will commence an audit of the Series A Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the Department as the taxpayer. We observe that the Department has covenanted in the Sixtieth Supplemental Indenture not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in the treatment of interest on the Series A Bonds as includable in gross income for federal income tax purposes.

Very truly yours,

Part II: Other Information

Mortgage Loan Information Management System

All Mortgage Loans made with proceeds of the Department's mortgage revenue bonds, including the Portfolio Mortgage Loans and any Mortgage Certificate loans, permit partial or complete prepayment without penalty. Mortgage Loans, in general, may also be terminated prior to their respective maturities as a result of events such as default, sale, condemnation or casualty loss. A number of factors, including general economic conditions, homeowner mobility and mortgage market interest rates, will affect the rate of actual prepayments for a particular portfolio of mortgage loans.

The Department is currently managing its Mortgage Loans (other than Mortgage Loans backing Mortgage Certificates) through review of the performance of the various lending institutions participating in the program, review of the delinquency and foreclosure reports of the lenders, directing the investment of monthly receipts, payment of expenses and supervision of claims under the mortgage insurance policies. The Department does not service the Mortgage Loans backing Mortgage Certificates; however, the Department monitors the origination and payment of such Mortgage Loans. The Department currently manages the Mortgage Loans using a new Loan Administration and Servicing System from the MITAS Group, Inc. The MITAS Loan Administration software is a comprehensive and fully integrated system that has the ability to combine all types of loans into a central database and is also capable of fully complying with all aspects of loan servicing as prescribed by major secondary market investors.

THE PROGRAM AND THE MORTGAGE LOANS

The Program

The Department has established a Single Family Mortgage Revenue Bond Program (the "Program") pursuant to the Act for the purpose of assisting in financing the costs of acquisition of residences within the State of Texas by Eligible Borrowers (as described below). In connection with the issuance of the Series 2016 Bonds and the Prior Bonds and any additional Bonds, the Department purchased or shall purchase certain qualified Mortgage Loans (or participations therein) originated by commercial banks, savings and loan associations, mortgage companies, non-profit corporations, and other qualified financial institutions (the "Mortgage Lenders"). As a result of the issuance of the Series 2016 Bonds, the Trustee on behalf of the Department has agreed to purchase 2016 A Mortgage Certificates.

General

The guidelines adopted by the Department from time to time in connection with the Program establish the eligibility of lenders to participate in the Program, time limitations with respect to commitments for and originations of Mortgage Loans, the types of Mortgage Loans eligible for purchase by the Servicer, the eligibility of mortgagors, the requirements for dwellings which secure Mortgage Loans, the fees which a Mortgage Lender may charge to originate a Mortgage Loan, the fees which a lending institution may charge for servicing a Mortgage Loan, as well as other aspects of the Program. In connection with each phase of the Program, the Department and the respective Mortgage Lenders executed origination, sale and servicing agreements or mortgage origination agreements as supplemented by program supplements or program guidelines (collectively, the "Agreement"). The Agreement obligated the Mortgage Lenders to use their best efforts to originate and sell to the Department Mortgage Loans in conformity with the guidelines. Each Mortgage Loan was reviewed prior to acquisition by the Compliance Agent designated by the Department for compliance with applicable provisions of the Program as set forth in the guidelines and with applicable provisions of federal income tax laws. The procedures set forth in the Agreement are established by the Department after consideration of standards and requirements customary in the secondary mortgage market. The Department anticipates that it may revise its procedures from time to time to conform with changes in the procedures followed by Fannie Mae, RHS, Ginnie Mae, VA or other major secondary mortgage market institutions.

Eligible Borrowers

Each Mortgage Loan was required to be made to a person whose family income does not exceed certain income limits. In addition, to be eligible for a Mortgage Loan an applicant must be a person: (i) who intends to occupy the residence to be financed with such Mortgage Loan as his or her principal residence within a reasonable period; (ii) who, except in the case of certain targeted area loans, certain exception loans hereinafter described, and certain homes falling into the Contract for Deed Exception, has not had a present ownership interest in a principal residence at any time during the three-year period preceding the date of execution of the Mortgage; and (iii) who has not had an existing mortgage on the residence (other than a mortgage falling into the Contract for Deed Exception) to be financed with such Mortgage Loan at any time prior to the execution of the Mortgage, other than certain permitted temporary financing mortgages. The Department, subject to the requirements of applicable provisions of federal income tax law and applicable Regulations, may approve a limited number of exception loans that do not satisfy the requirement described in clause (ii) in the immediately preceding sentence. The maximum income for Eligible Borrowers varies according to family size and location.

Eligible Property

Each residence financed with a Mortgage Loan must consist of real property and improvements permanently affixed thereon which is located within the State of Texas. Each residence must be a single-family, owner-occupied attached or detached structure, a single-family condominium unit or a single unit in a planned unit development ("PUD") or a single unit in a qualifying duplex, triplex or four-plex. Each residence financed with a Mortgage Loan must have an acquisition cost (the "Maximum Acquisition Cost") not exceeding certain acquisition cost limits established by the Department from time to time. The maximum Acquisition Cost varies according to location.

Eligible Mortgage Loans

Each Mortgage Loan, or participation therein, acquired by the Department under the Program is required by the Trust Indenture to be a Conventional Mortgage Loan, an FHA Mortgage Loan, a VA Mortgage Loan, or a Mortgage Loan insured or guaranteed by another agency or instrumentality of the United States of America exercising powers similar to the FHA or VA, such as RHS, and must have met the following requirements at the date of purchase thereof:

(a) Each Mortgage Loan must be secured by a first mortgage lien on a one-to-four family residence, subject only to those encumbrances which are permitted under the Fannie Mae FHA/VA Mortgage Selling Contract Supplement, the Fannie Mae Conventional Home Mortgage Selling Contract Supplement, the FHLMC Seller's Guide Conventional Mortgages, or the FHLMC Seller's Guide FHA/VA or similar guide from a successor agency;

(b) Each Mortgage Loan must: (i) be insured or guaranteed by FHA, VA or another similar agency or instrumentality of the United States of America or the State, or (ii) have (or have had at the time it was made) a principal balance not exceeding eighty percent (80%) of the value of the property securing the Mortgage Loan, or (iii) be insured by a private insurance company in the amount by which the loan exceeds eighty percent (80%) of the lower of the appraised value or the purchase price of the property;

(c) Each Mortgage Loan or participation therein must comply in all respects with the guidelines of the Department pertaining thereto;

(d) Each Mortgage Loan must be covered by a valid and subsisting title insurance policy, the benefits of which run to the Department, in an amount at least equal to the outstanding principal balance of the Mortgage Loan and the improvements on the real property securing each Mortgage Loan must be fully covered by a hazard insurance policy and a flood insurance policy, if in the flood plain, in such amount as the Department deems advisable;

(e) Each Mortgage Loan must have a term not exceeding 30 years, must provide for substantially equal payments of principal and interest due on the first day of each month, and must be subject to prepayment at any time without penalty; and

(f) Each Mortgage Loan must be assumable only with the prior approval of the Department and FHA/VA, if applicable, and then only if all requirements relating to the tax exemption of interest on the Bonds are met and upon payment of certain assumption fees.

The Department is not permitted under the Trust Indenture to sell, assign, transfer or otherwise dispose of any Mortgage Loan or any of the rights of the Department with respect to any Mortgage Loan unless the Department determines that such action is in the best interests of the Department and the

Bondholders and will not adversely affect the ability of the Department to pay when due the principal or Redemption Price of and interest on the Bonds, in which case such Mortgage Loan may be so disposed of by the Department free and clear of the lien of the Trust Indenture. See "APPENDIX I -- Sale of Mortgage Loans or Mortgage Certificates."

The Department shall not consent or agree to or permit any amendment or modification of any Mortgage Loan which will in any manner materially impair or materially adversely affect the rights or security of the Bondholders under the Trust Indenture in such Mortgage Loan except for amendments and modifications made in connection with settling any default on any Mortgage Loan which settlement the Department determines to be in the best interests of the Department and the Bondholders or with a refinancing of a Mortgage Loan.

Compliance with Tax Law and Program Guidelines

Each Mortgage Lender was required or will be required to follow certain procedures in the origination of Mortgage Loans to insure compliance with the mortgage eligibility requirements of applicable federal income tax laws and other requirements applicable to the Mortgage Loans. These procedures will include, but may not be limited to, the following: (i) obtaining affidavits of the borrower and seller and certificates of the lender providing and certifying certain information regarding borrower income, home acquisition cost, and other loan information; (ii) reviewing the contents of the affidavits and certificates with the persons executing them prior to the execution thereof; (iii) except in the case of certain targeted area loans or certain other exception loans, obtaining signed or certified copies of the borrower's federal income tax returns or federal tax transcripts for the preceding three years to verify that the borrower did not claim deductions for taxes or interest on indebtedness with respect to real property constituting his or her principal residence or a borrower's affidavit that he or she was not required to file such a return during one or more of the preceding three years; (iv) performing such additional investigations as may be appropriate under the circumstances to verify that the requirements of applicable federal income tax laws are satisfied as of the date of the execution of the Mortgage; (v) reviewing the draft settlement statement to assure that all fees and charges and settlement and financing costs comply with the applicable requirements; and (vi) carrying out such additional verification procedures as may be reasonably requested by the Department, its designated compliance agent, or the Trustee. If any Mortgage Loan fails to meet the guidelines established by the Department, the originating Mortgage Lender will be required to correct such failure within a reasonable time after such failure is discovered by either repurchasing the non-qualifying Mortgage Loan in full or by replacing the non-qualifying Mortgage Loan with a Mortgage Loan which meets the applicable requirements.

Compliance Agent

The compliance agent reviews and examines, or cause to be reviewed and examined, certain documents submitted by each Mortgage Lender in connection with the Mortgage Loans under such Program and make determinations with respect to compliance of such documents with requirements of the Department and the Program. Such requirements primarily relate to, among other things, compliance with FHA, RHS, or VA requirements, as applicable, compliance with the Ginnie Mae Guide, the Fannie Mae Guide, the Freddie Mac Guide and the Program Agreements, and compliance of the Mortgage Loans with the required terms thereof.

Servicing

General

In connection with Mortgage Loans made with proceeds of the Prior Bonds and not included within Mortgage Certificates, the Mortgage Lenders service the Mortgage Loans and the Department acts as an administrator, monitoring the Mortgage Lenders' activities and remittances to the Trustee. The Department maintains a schedule of anticipated receipts which each Mortgage Lender is expected to remit to the Trustee. The Mortgage Lenders report to the Department any delinquent payments and prepayments. The Department's computerized management information system reconciles Trustee receipts with Mortgage Lender reported remittances, reconciles loan amortization, monitors delinquencies and foreclosure actions, and monitors Mortgage Lender performance. Since the lendable funds made available through the release of the Series 2016 Bonds will be used to purchase Mortgage Certificates, the Department will not act as an administrator with respect to Mortgage Loans backed by Mortgage Certificates but will monitor the actions of the Master Servicer.

Servicing of Mortgage Loans Other than those Evidenced by Mortgage Certificates

Each Mortgage Lender was required to be a FHA-approved mortgagee and a Fannie Mae-, VA- or RHS-approved seller and servicer of FHA-insured mortgages. Each Mortgage Lender must service Mortgage Loans in accordance with the servicing standards set forth in the Fannie Mae Home Mortgage Servicer's Contract Supplement or the RHS Servicer's Guide as they may be in effect during the term of the Program, except as such standards are specifically modified by the Agreement, the Department or the lender's manual published by the Department. The servicing standards of the Department are applicable to its existing Mortgage Loans except where additional services must be provided to ensure compliance with applicable federal income tax laws. Each Mortgage Lender is required to service the Mortgage Loans sold by it to the Department unless, prior to the execution of the Agreement, the Department directs the assignment of servicing to another Mortgage Lender. As compensation for such services, a Mortgage Lender is entitled to receive a monthly servicing fee of between 0.25 and 0.375 percent of the unpaid principal balance of each Mortgage Loan serviced. For Mortgage Loans delinquent 15 days or more, late charges may be collected and retained by Mortgage Lenders as permitted by law. A Mortgage Lender is required to pay all expenses incurred by it in connection with its servicing activities (including maintenance of its errors and omissions insurance policy and fidelity bond). A Mortgage Lender may, with the prior written consent of the Department, assign its servicing rights and obligations to another Mortgage Lender in good standing under the Program. The Department may maintain a list of approved standby servicers that have agreed to service Mortgage Loans originated by other Mortgage Lenders at the applicable servicing fee.

All moneys collected by the Mortgage Lender pertaining to the Mortgage Loans may be deposited to a clearing account maintained by the Mortgage Lender; however, all Revenues shall be received in trust by the Mortgage Lender and are required to be deposited promptly to a custodial account on a daily basis subject to withdrawal on the demand of the Trustee on behalf of the Department at any time. The deposits must be made into an account insured by the FDIC. The Mortgage Lender must remit to the Trustee for deposit into the Revenue Fund, after deduction of its servicing fee, on or before the fifteenth day of each calendar month all moneys deposited or held in the custodial account from the first day of such month through the tenth day of such month, and on or before the fifth Business Day of each calendar month all moneys deposited or held in the custodial account on or before the last day of the preceding calendar month which have not been remitted to the Trustee, except that (i) any insurance proceeds are to be held in the custodial account pending the determination of whether such moneys shall be applied to the repair of the related property or constitute principal prepayments, and (ii) any principal prepayment representing

payment in full of a Mortgage Loan less any credit required for federal income tax purposes are to be remitted within five Business Days after receipt by the Trustee for application in accordance with the Trust Indenture. If at any time the amount on deposit in the custodial account shall exceed the lesser of \$100,000 or the amount insured by the FDIC, as the case may be, the Mortgage Lender must remit immediately to the Trustee for application in accordance with the Trust Indenture the amount on deposit in the custodial account. All moneys received as escrow payments by the Mortgage Lender are to be received in trust for the Department and the applicable eligible borrower and are to be deposited by the Mortgage Lender in such account or accounts as the Mortgage Lender is required to maintain for like payments made with respect to mortgages which are being serviced for Fannie Mae or RHS. In the event any mortgagor's escrow account is insufficient for a payment required to be made from such account, the Mortgage Lender must advance such money to make the required payment.

With respect to any Mortgage Loan it is servicing, the Mortgage Lender is responsible for determining the necessity of instituting foreclosure action. The Mortgage Lender is required to submit its foreclosure recommendation to the Department within five Business Days after a Mortgage Loan is 60 days delinquent. If the Department concurs with a recommendation to foreclose, the Mortgage Lender must conduct all foreclosure procedures in accordance with the Agreement. If the Department does not concur with a recommendation to foreclose, the Mortgage Lender is required to continue to service the Mortgage Loan in accordance with the procedures specified in the Agreement. With respect to FHA-insured Mortgage Loans, the regulations governing all of the FHA mortgage insurance programs provide that insurance benefits are payable either upon foreclosure (or other acquisition or possession) and conveyance of the mortgaged premises to the United States Department of Housing and Urban Development ("HUD") or upon assignment of the defaulted Mortgage Loan to HUD.

Upon default in the payment of a Mortgage Loan guaranteed by the VA, the VA has the option to either (i) pay the holder of the Mortgage Loan an amount not in excess of the pro-rata portion of the amount originally guaranteed or (ii) pay the holder of the Mortgage Loan the unpaid balance thereon plus accrued interest and receive an assignment of the Mortgage Loan and security. See "APPENDIX B – SUMMARY OF CERTAIN MORTGAGE INSURANCE PROGRAMS AND TEXAS FORECLOSURE LAWS."

Mortgage Lenders are required to submit various reports and information to the Department, including information concerning Mortgage Loans that are delinquent or in foreclosure, audited annual financial statements and annual certifications regarding compliance by the Mortgage Lender with the Agreement.

The Department may terminate the Agreement with respect to any Mortgage Lender upon the occurrence of certain events set forth in the Agreement. Within 30 days following such termination, a Mortgage Lender is required to deliver to the Department all Mortgage Loan files, all moneys in escrow relating to the Mortgage Loans serviced by such Mortgage Lender and all Revenues received by such Mortgage Lender not previously remitted to the Trustee.

Servicing of the Mortgage Loans Evidenced by the Mortgage Certificates

Each Mortgage Lender is required to assign its rights to service the Mortgage Loans evidenced by Mortgage Certificates originated by it to the Master Servicer. As compensation for its duties as servicer of Mortgage Loans, the Master Servicer will be entitled to receive a monthly servicing fee (subject to adjustment upon written notice from the Department) of the outstanding principal amount of the Mortgage Certificates issued by it. Since the Mortgage Loans will bear interest at a rate which will be 0.50% greater than the rate on the corresponding GNMA Certificate, the Master Servicer may deduct its servicing fees directly from amounts received on the Mortgage Loans included in a GNMA Certificate. See "APPENDIX C-1 - GNMA AND THE GNMA CERTIFICATES." In the case of Mortgage Loans included in a Freddie

Mac Certificate, the Master Servicer may deduct its servicing fees directly from amounts received on such Mortgage Loans, with the remaining amount paid to Freddie Mac as its Freddie Mac guaranty fee. See "APPENDIX C-2 - FREDDIE MAC AND THE FREDDIE MAC CERTIFICATES." In the case of Mortgage Loans included in a Fannie Mae Certificate, the Master Servicer may deduct its servicing fees directly from amounts received on such Mortgage Loans, with the remaining amount paid to Fannie Mae as its Fannie Mae guarantee fee. See "APPENDIX C-3 - FANNIE MAE AND THE FANNIE MAE CERTIFICATES."

Servicing of the Mortgage Loans is required to be carried out in accordance with generally accepted practices in the mortgage lending industry and in accordance with the servicing standards set forth in the GNMA Guide, Freddie Mac Guide or the Fannie Mae Guides, as applicable. In particular, the Master Servicer will be required to pursue collection on the applicable Mortgage Loans with prudence and diligence, manage foreclosure or assignment procedures, and file, process and receive the proceeds from FHA mortgage insurance, VA or RHS guaranty claims, or private mortgage insurance. All proceeds received by the Master Servicer with respect to a Mortgage Loan included in a GNMA Certificate must be deposited into the GNMA Issuer's Primary Custodial Account and administered by the Master Servicer and the GNMA Paying Agent as more fully described herein in "APPENDIX C-1 - GNMA AND THE GNMA CERTIFICATES."

The Master Servicer, as servicer of the Mortgage Loans, must provide to the Department and such other person specified in a Supplemental Indenture, audited financial statements on an annual basis and monthly reports relating to Mortgage Loan originations and purchases. The Master Servicer may not resign from its servicing duties unless it is determined that its duties are no longer permissible under applicable laws or regulations, and then only upon the assumption of the servicing duties by a successor servicer acceptable to FHA, VA, Ginnie Mae, Freddie Mac, Fannie Mae and the Department. In the event the Master Servicer is in material breach of its servicing obligations imposed by Ginnie Mae, Freddie Mac, Fannie Mae or the Department or a material adverse change has occurred in the financial condition of the Master Servicer, the Department, with the approval of Ginnie Mae, Freddie Mac, and Fannie Mae, may terminate the Master Servicer's servicing rights and transfer and assign those rights to another Fannie Mae, Freddie Mac, and Ginnie Mae-approved servicer.

The Master Servicers

U.S. Bank National Association ("US Bank") will serve as Master Servicer of Mortgage Loans related to the Series B Bonds.

The Texas State Affordable Housing Corporation ("TSAHC") is the Master Servicer for various Mortgage Loans financed pursuant to the Trust Indenture. Texas Star Mortgage ("TSM") is the registered business name of TSAHC and is a non-profit mortgage banking company engaging in single and multi-family lending to targeted rural and under-served areas in Texas. As of October 31, 2015, TSM participates as Master Servicer for the Department for approximately 472 Mortgage Loans financed with the proceeds of the Prior Bonds, which Mortgage Loans had an outstanding principal balance in the amount of \$7,535,431. As of October 31, 2015 CitiMortgage, Inc. participates as Master Servicer for the Department for approximately 458 Mortgage Loans financed with the proceeds of the Prior Bonds, which Mortgage Loans had an outstanding principal balance of \$207,577.

Bank of America, N.A. ("Bank of America") is the Master Servicer for various Mortgage Loans financed pursuant to the Trust Indenture. As of October 31, 2015, Bank of America participates as Master Servicer for the Department for approximately 3,123 Mortgage Loans financed with the proceeds of the Prior Bonds, which Mortgage Loans had an outstanding principal balance of \$311,847,522.

US Bank National Association (“US Bank”) is the Master Servicer for various Mortgage Loans financed pursuant to the Trust Indenture. As of October 31, 2015, US Bank participates as Master Servicer for the Department of approximately 143 Mortgage Loans financed with the proceeds of the Prior Bonds, which Mortgage Loans had an outstanding principal balance of \$19,512,034.

Under the terms of the servicing agreement relating to the Series 2016 Bonds (the "Servicing Agreement"), either the Department or the Servicer may terminate the Servicing Agreement without cause upon 120 days advance written notice to the other party. The Department may terminate the Servicing Agreement immediately (subject to any applicable cure period) upon the occurrence of certain events. Events allowing immediate termination of the Servicing Agreement include matters relating to the insolvency and/or bankruptcy of the Servicer, failure by the Servicer to perform under the Servicing Agreement, or the Department’s discovery that any representation or warranty of the Servicer is false in any material respect. The Servicer may immediately resign from its duties and obligations under the Servicing Agreement if funds are no longer available to purchase Mortgage Certificates or if the Servicer determines that the procedures, guidelines and policies of Ginnie Mae, Fannie Mae or Freddie Mac have been amended to such an extent that it is impractical or impossible for the Servicer to perform under the Servicing Agreement. In each case of termination for cause by the Department or resignation, the Servicer shall continue to service all Mortgage Loans it had purchased and is actively servicing pursuant to the Servicing Agreement prior to the resignation or termination. In the event of termination without cause, and the Department’s request for removal of existing servicing, the Servicer shall be entitled to compensation for the removal of such servicing in accordance with procedures set forth in the Servicing Agreement.

Any entity into which the Servicer may be merged or consolidated, or any entity resulting from any merger, conversion or consolidation to which the Servicer shall be a party or any entity succeeding to the business of the Servicer shall be the successor of the Servicer under the Servicing Agreement and shall assume its obligations thereunder, unless objections are raised by Ginnie Mae, Fannie Mae or Freddie Mac.

Miscellaneous

Enforcement of Mortgage Loans

The Department has covenanted in the Trust Indenture to diligently enforce, and take all reasonable steps, actions and proceedings necessary for the enforcement of, all terms, covenants and conditions of all Mortgage Loans, including the prompt payment of all Mortgage Loan interest and principal payments and all other amounts due the Department thereunder, to enforce any insurance policy or guaranty relating to a Mortgage Loan, and to foreclose Mortgages or to enforce the security interests for defaulting Mortgage Loans. The Department has further covenanted not to release the obligation of any borrower under any Mortgage Loan, except upon the execution of a valid and enforceable assumption agreement as permitted by the Trust Indenture, and at all times, to the extent permitted by law, to defend, enforce, preserve and protect the rights and privileges of the Department and of the Bondholders under or with respect to each Mortgage Loan. The Department reserves the right to settle a default on any Mortgage Loan on such terms as the Department shall determine to be in the best interests of the Department and the Bondholders and to forebear from taking action with respect to enforcement of a Mortgage Loan, if it determines such forbearance to be in the best interest of the Department and the Bondholders. The Department has the right under the Trust Indenture to refinance any Mortgage Loan if it will not adversely affect the tax-exempt status of interest on the Bonds (other than any taxable bonds).

Mortgage Pool Insurance

The Trust Indenture imposes no requirement for mortgage pool insurance upon the Series 2016 Bonds or additional Bonds issued in the future. The Trust Indenture does require that, for Bonds issued

prior to November 14, 1996, the Department use its best reasonable efforts to maintain a mortgage pool insurance policy in an amount at least equal to ten percent (10%) of the initial aggregate principal amount of Mortgage Loans acquired with the proceeds of all series of Bonds issued prior to November 14, 1996. Due to the fact that the cost of mortgage pool insurance was, at the time, prohibitively expensive, the Department established a mortgage pool self-insurance program in connection with its Series 1986A Bonds, Series 1986B Bonds, and Series 1987B Bonds. Similarly, the Department was unable to obtain mortgage pool insurance at commercially reasonable rates for Mortgage Loans to be provided with proceeds of the Series 1995 Bonds and Series 1996 Bonds. Instead, such Mortgage Loans have been included in Mortgage Certificates. Information concerning mortgage insurance and guaranty programs and the extent of the coverage provided thereby is contained in "APPENDIX B – SUMMARY OF CERTAIN MORTGAGE INSURANCE PROGRAMS AND TEXAS FORECLOSURE LAWS."

Sale of Mortgage Loans or Mortgage Certificates

The Department may sell the 2016 B Transferred Mortgage Certificates or the 2016 A Mortgage Certificates in whole or in part only upon delivery by the Department of (i) a statement of Projected Revenues establishing that such sale will not adversely affect the ability of the Department to pay when due the principal or the Redemption Price of and interest on the Bonds and (ii) written confirmation from each Rating Agency that such sale will not adversely affect the then current ratings on the Bonds (determined without regard to any bond insurance or similar credit enhancement). If proceeds from the sale of the 2016 B Transferred Mortgage Certificates or the 2016 A Mortgage Certificates are to be applied to the redemption of Series 2016 Bonds, such Series 2016 Bonds must be redeemed under the applicable optional redemption provision.

Investment of Funds

Moneys in all Funds other than the Debt Service Fund (except for the Debt Service Reserve Account therein) will be invested pursuant to the Depository Agreement with the Texas Treasury Safekeeping Trust Company in Investment Securities. See "TEXAS TREASURY SAFEKEEPING TRUST COMPANY." Moneys held or invested in all Funds and Accounts under the Trust Indenture (other than the Rebate Account, the Swap Agreement Termination Payment Subaccount and the Swap Agreement Termination Receipt Subaccount of the Surplus Revenues Account of the Revenue Fund and the Policy Payments Account) are for the equal and ratable benefit of all owners of the Bonds.

The ability of the Department to make timely payments of principal of and interest on the Series 2016 Bonds and the Prior Bonds, could be affected if the parties to the various investment agreements for the Prior Bonds do not honor their obligations thereunder to repay such moneys and the interest thereon at the times and rates set forth in the respective investment agreements.

The Department has adopted an investment policy (the "Investment Policy") which applies to all financial assets of the Department. The Investment Policy's objectives, in the order of priority, are as follows: (1) safety of principal, (2) sufficient liquidity to meet Department cash flow needs, (3) achievement of a market rate of return on investments, and (4) conformance with all applicable State statutes, particularly

the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended. With respect to bond proceeds, the Investment Policy provides that such proceeds should be invested in accordance with the applicable law, in particular the Public Funds Investment Act and as permitted by the applicable trust indenture.

PRIOR SWAP AGREEMENTS

In connection with the issuance of the certain Prior Bonds, the Department has entered into the following interest rate swap agreements with the respective swap providers described below (the "Prior Swap Providers"), as shown in the table below. Under each of the Prior Swap Agreements, the Department is obligated to make payments to the related Swap Provider at a fixed rate and is to receive from such Swap Provider a floating rate payment based upon the variable rate index shown in the table.

Related Series	Swap Provider	Initial Notional Amount	Fixed Rate	Variable Rate Index
2004 Series B	Bank of New York Mellon	\$ 53,000,000	3.671%	65.5% of LIBOR + 0.20%
2004 Series D	Goldman Sachs Capital Markets, L.P.	\$ 35,000,000	3.084%	Lesser of (the greater of 65% of LIBOR and 56% of LIBOR + .45%) and LIBOR
2005 Series A	JPMorgan Chase Bank, N.A.	\$100,000,000	4.01%	Lesser of (the greater of 65% of LIBOR and 56% of LIBOR + .45%) and LIBOR
2007 Series A	JPMorgan Chase Bank, N.A.	\$143,005,000	4.013%	Lesser of (the greater of 65% of LIBOR and 56% of LIBOR + .45%) and LIBOR

Scheduled payments under the Prior Swap Agreements are subordinate to payments of principal and interest on the Bonds. The Department's scheduled payments under the Prior Swap Agreements (other than the swaps associated with the Series 2007A Bonds) are insured by Assured Guaranty Municipal Corp. (formerly Financial Security Assurance).

The Prior Swap Agreements present certain financial risks to the Department under the Indenture. See "BONDHOLDER RISKS – Swap Basis Risk" and " – Swap Termination Risk" herein, and Note 5 of APPENDIX D-1 – AUDITED FINANCIAL STATEMENTS OF THE TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS FOR THE FISCAL YEAR ENDED AUGUST 31, 2015.

PRIOR LIQUIDITY FACILITIES

General

In connection with the issuance of certain Prior Bonds, the Department entered into standby bond purchase agreements (the "Prior Liquidity Facilities") with the Tender Agent and the Comptroller (the "Prior Liquidity Provider"), which succeeded the original liquidity facility providers. The Bondholders of such Prior Bonds have the right, and in certain circumstances may be required, to tender such Prior Bonds at a purchase price equal to 100% of the principal amount thereof, plus accrued interest, if any, to the date of purchase. The purchase price of any such Prior Bonds tendered or deemed tendered for purchase and not remarketed by the purchase date will (subject to certain conditions) be payable from amounts made available under the respective Prior Liquidity Facilities.

Bond Series	Outstanding Bond Amount as of 10/31/2015	Bank Bonds as of 10/31/2015	Liquidity Provider	Liquidity Provider Expiration Date
2004B	\$40,180,000	\$ -	Texas Comptroller	04/30/2016
2004D	\$26,635,000	\$ -	Texas Comptroller	04/30/2016
2005A	\$34,015,000	\$ -	Texas Comptroller	04/30/2016
2007A	\$43,500,000	\$ -	Texas Comptroller	04/30/2016
2004A JL Taxable	\$3,855,000	\$ -	Texas Comptroller	04/30/2016
2005C Taxable	\$3,090,000	\$ -	Texas Comptroller	04/30/2016

Variable Rate Bondholders and Liquidity Facilities

The Prior Liquidity Facilities are scheduled to expire prior to the scheduled final maturity of the related Prior Bonds. In connection with any such scheduled expiration, the Department may take various actions, including, but not limited to, extending, with the consent of the Comptroller, the scheduled expiration of the Prior Liquidity Facility, obtain a substitute liquidity facility to replace the existing Prior Liquidity Facility, or cause the related Prior Bonds to be converted to a fixed rate or to bear interest at an interest rate mode that does not require a liquidity facility. Under certain circumstances, the Prior Liquidity Provider may terminate a Prior Liquidity Facility without affording the applicable Bondholders a right to optionally tender their Prior Bonds. No assurance is given that the Department will be able or will choose to extend the scheduled expiration on any particular Prior Liquidity Facility or obtain a substitute liquidity facility to replace a Prior Liquidity Facility upon terms substantially similar to the terms of the existing Prior Liquidity Facility.

Trust Indenture
Dated as of October 1, 1980

THIS SIXTY-SECOND SUPPLEMENTAL SINGLE FAMILY MORTGAGE BOND TRUST INDENTURE, dated as of _____, but to be effective as set forth herein (this "Supplemental Indenture"), is made by and between the TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS, as successor to the Texas Housing Agency (the "THA") (together with any successor to its rights, duties and obligations hereunder, the "Department" or the "Agency"), a public and official agency of the State of Texas duly created, organized and existing under the laws of the State of Texas, and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A. (6) Such further documents and moneys as are required by the provisions of Article X or any Supplemental Indenture adopted pursuant to Article X.

3. After the original issuance of Bonds of any Series no Bonds of such Series shall be issued except in lieu of or in substitution for other Bonds of such Series pursuant to Article III or Sections 406 or 1106.

(1) There shall be deposited in the Interest Account in the Debt Service Fund the amount of the interest accrued on such Bonds to the date of such delivery thereof and such other amounts as shall be specified in the Supplemental Indenture authorizing such Bonds;

(2) There shall be deposited in the Debt Service Reserve Account of the Debt Service Fund the amount required by paragraph (4) of subsection 1 of Section 302; and

(3) There shall be deposited in the other Funds and Accounts established under the Indenture the amounts, if any, provided in the Supplemental Indenture authorizing such Bonds.

2. The proceeds, including accrued interest of each Series of Refunding Bonds, shall be applied simultaneously with the delivery of such Bonds in the manner provided in the Supplemental Indenture authorizing such Bonds.

SECTION 304. *Medium of Payment; Form and Date; Letters and Numbers.* 1. The Bonds shall be payable, with respect to interest, principal and Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

2. The Bonds of each Series shall be issued either in the form of Coupon Bonds, which may be registered as to principal or in the form of fully registered Bonds without coupons.

3. Each Bond shall be lettered and numbered as provided in this Indenture or the Supplemental Indenture authorizing the Series of which such Bond is a part and so as to be distinguished from every other Bond.

4. Coupon Bonds of each Series shall be dated as provided in this Indenture or the

Supplemental Indenture authorizing the Bonds of such Series. Coupon Bonds of each Series shall bear interest from their date, payable, in the case of installments due on and prior to maturity, in accordance with, and upon surrender of, the appurtenant interest Coupons as they severally mature. Registered Bonds of each Series shall be dated as provided in the Supplemental Indenture authorizing the Bonds of such Series. Registered Bonds of each Series shall bear interest from their date.

SECTION 305. *Legends.* The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of the Indenture as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board, or otherwise, as may be determined by the Department prior to the authentication and delivery thereof.

SECTION 306. *Execution, Authentication and Registration.* 1. The Bonds shall be executed in the name of the Department by the manual or facsimile signature of its Chairman, and its corporate seal (or a facsimile thereof) shall be impressed, imprinted, engraved or otherwise reproduced thereon and attested by the manual or facsimile signature of the Secretary or other Authorized Officer of the Department, or in such other manner as may be required or permitted by a Supplemental Indenture in accordance with the Act. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been authenticated and delivered by the Trustee, such Bonds may, nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any Bond of a Series may be signed and sealed on behalf of the Department by such persons as at the time of the execution of such Bonds shall be duly authorized or hold the proper office in the Department, although at the date borne by the Bonds of such Series such persons may not have been so authorized or have held such office.

2. The Coupons to be attached to the Coupon Bonds of each Series shall be signed by the facsimile signature of the present or any future Chairman of the Department, or in such other manner as may be required or permitted by law, and the Department may adopt and use for that purpose the facsimile signature of any person or persons who shall have been Chairman of the Department at any time on or after the date borne by the Bonds of such Series, notwithstanding that he may not have been such Chairman at the date of any such Bond or may have ceased to be such Chairman at the time when any such Bond shall be authenticated and delivered.

3. Except as provided in this subsection, and if required by the Act, the Bonds of each Series shall be registered by the Comptroller of Public Accounts of the State of Texas which shall be evidenced by the manual signature of the Comptroller of Public Accounts, or his deputy, and the official seal of Comptroller of Public Accounts shall be impressed or placed in facsimile on the Bonds of each Series. Any Bond or Bonds issued in exchange, substitution or replacement for any other Bond or Bonds pursuant to the provisions of Sections 307, 310, 406 or 1106 need not be reregistered by the Comptroller of Public Accountants.

4. The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in this Indenture or the Supplemental Indenture authorizing such Bonds, executed manually by the Trustee. Only such Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under the Indenture and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the Department shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under the Indenture and that the Holder thereof is entitled to the benefits of the Indenture.

5. Except as otherwise provided in Sections 309 and 310, the Trustee, before authenticating and delivering any Coupon Bonds, shall cut off, cancel and destroy all matured Coupons thereto attached, except matured Coupons for which payment in full has not been provided; provided, however, that when Coupon Bonds are issued in exchange for registered Bonds of any Series upon which interest is in default, as shown by the records of the Trustee, such Coupon Bonds shall have attached thereto all Coupons maturing after the date to which interest has been paid in full, as shown by the records of the Trustee, and in case any interest installments shall have been paid in part, appropriate notation shall be made on the Coupons to

evidence such fact.

SECTION 307. *Interchangeability of Bonds.* 1. Coupon Bonds, upon surrender thereof at the principal corporate trust office of the Trustee with all unmatured Coupons attached, may, at the option of the Holder thereof, and upon payment by such Holder of any charges which the Trustee may make as provided in Section 309, be exchanged for an equal aggregate principal amount of fully registered Bonds, if any, of the same Series and maturity of any of the authorized denominations.

2. Registered Bonds, upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his duly authorized attorney, may, at the option of the registered owner thereof, and upon payment by such registered owner of any charges which the Trustee or the Department may make as provided in Section 309, be exchanged for an equal aggregate principal amount of Coupon Bonds of the same Series and maturity with appropriate Coupons attached, or of registered Bonds of the same Series and maturity of any other authorized denominations.

SECTION 308. *Negotiability, Transfer and Registry.* 1. Title to any Coupon Bond, and to any Coupons, shall pass by delivery as negotiable instruments payable to bearer.

2. Registered Bonds shall be transferable only upon the books of the Department, which shall be kept for that purpose at the principal corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Bond and payment of any required fees the Department shall issue in the name of the transferee a new registered Bond or Bonds, or at the option of the transferee, Coupon Bonds, with appropriate Coupons attached of the same aggregate principal amount and maturity as the surrendered bond.

3. The Department and the Trustee may deem and treat the person in whose name any Bond shall be registered upon the books of the Department as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Department nor the Trustee shall be affected by any notice to the contrary.

SECTION 309. *Regulations with Respect to Exchanges and Transfers.* In all cases in which the privilege of exchanging or transferring Bonds is exercised, the Department shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of the Indenture. All fully registered Bonds surrendered in any exchanges or transfers shall forthwith be cancelled by the Trustee. All Coupon Bonds and the Coupons appertaining to such Bonds surrendered in any such exchanges or transfers shall be retained in the possession of the Trustee for the purpose of reissuance upon subsequent exchanges and the Trustee, prior to reissuance of any such Coupon Bonds, shall detach therefrom and cancel all matured Coupons. For every such exchange or transfer of Bonds, whether temporary or definitive, the Department or the Trustee shall make a charge sufficient to reimburse it or them for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and to reimburse Trustee for administrative expenses, which sum or sums shall be paid by the Holder requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. In addition, the cost, if any, of preparing each new Coupon Bond or registered Bond upon such exchange or transfer and any other expenses of the Department or the Trustee incurred in connection therewith shall be paid by the Holder requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer; provided, however, that no such payment shall be required from the Holder of an originally issued Coupon Bond requesting an exchange for a registered Bond. Bonds issued in exchange, substitution or replacement of other Bonds may bear a certificate of the Trustee, which may be executed in facsimile, to the effect that the Series of Bonds of which the exchanged substituted or replaced Bond is a part was approved by the Attorney General of the State of Texas or validated by a State district court and registered by the

Comptroller of Public Accounts. Neither the Department nor the Trustee shall be required (a) to transfer or exchange Bonds for a period of 20 days next preceding an interest payment date on the Bonds or next preceding any selection of Bonds to be redeemed or thereafter until after the first publication or mailing of any notice of redemption; or (b) to transfer or exchange any Bonds called for redemption.

SECTION 310. *Bonds Mutilated, Destroyed, Stolen or Lost.* In case any Bonds shall become mutilated or be destroyed, stolen or lost, the Department shall execute, by facsimile signature or otherwise, and thereupon the Trustee shall authenticate and deliver, a new Bond (with appropriate Coupons attached in the case of Coupon Bonds) of like Series, maturity date, principal amount and interest rate per annum as the Bond and attached Coupons, if any, so mutilated, lost, stolen or destroyed, provided that (i) in the case of such mutilated Bond, such Bond together with all unmatured Coupons appertaining thereto is first surrendered to the Department, (ii) in the case of any such lost, stolen or destroyed Bond, there is first furnished evidence of such loss, theft or destruction satisfactory to the Department together with indemnity satisfactory to the Department, (iii) all other reasonable requirements of the Department are complied with, and (iv) expenses in connection with such transaction are paid by the Holder. In the event any Coupon is mutilated, lost, stolen or destroyed, the Department may issue a duplicate Coupon upon the same terms and conditions as those provided for mutilated, lost, stolen or destroyed Bonds. Except as provided in Section 309, all Bonds and Coupons so surrendered to the Trustee shall be cancelled by it. Any such new Bonds or Coupons issued pursuant to this Section in substitution for Bonds or Coupons alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Department, whether or not the Bonds or Coupons alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under the Indenture, in any Trust Estate held by the Department or the Trustee for the benefit of the Bondholders.

SECTION 311. *Temporary Bonds.* 1. Until the definitive Bonds of any Series are prepared, the Department may execute, in the same manner as is provided in Section 306, and, upon the request of the Department, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds except as to denominations thereof and as to exchangeability for registered Bonds, one or more temporary Bonds (which may be registrable as to principal and interest) substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, but with or without Coupons, in any denominations authorized by the Department pursuant to the Supplemental Indenture authorizing such Bonds, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The installments of interest payable on such temporary Bonds in bearer form shall be payable only upon the presentation and surrender of the Coupons therefor attached thereto or upon presentation of such temporary Bonds for notation thereon of the payment of such interest. The Department at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds, with all unmatured Coupons, and all matured Coupons for which no payment or only partial payment has been provided, attached, for exchange and the cancellation of such surrendered temporary Bonds and Coupons, the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, definitive Coupon Bonds, with appropriate Coupons attached, or, at the option of the Holder, definitive registered Bonds, of the same aggregate principal amount and Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds authenticated and issued pursuant to the Indenture.

2. If the Department shall authorize the issuance of temporary Bonds in more than one denomination, the Holder of any temporary Bond or Bonds may, at his option, surrender the same to the Trustee in exchange for another temporary Bond or Bonds of like aggregate principal amount and Series and maturity of any other authorized denomination or denominations, and thereupon the Department shall execute and the Trustee shall authenticate and, in exchange for the temporary Bond or Bonds so surrendered and upon payment of the taxes, fees and charges provided for in Section 309, shall deliver a temporary Bond or Bonds of like aggregate principal amount, Series and maturity in such other authorized denomination or denominations as shall be requested by such Holder.

3. All temporary Bonds surrendered in exchange either for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith cancelled by the Trustee.

SECTION 312. *Cancellation and Destruction of Bonds.* Except as otherwise provided in the Indenture all Bonds and Coupons paid in full, either at or before maturity, or purchased by the Department pursuant to subsection 6 of Section 506, shall be delivered to the Trustee when such payment or purchase is made, and such Bonds and Coupons shall thereupon be promptly cancelled. Bonds and Coupons so cancelled may at any time be cremated by the Trustee, who shall execute a certificate of cremation in duplicate by the signature of one of its authorized officers describing the Bonds and Coupons so cremated, and one executed certificate shall be filed with the Department and the other executed certificate shall be retained by the Trustee.

ARTICLE IV REDEMPTION OF BONDS

SECTION 401. *Privilege of Redemption and Redemption Price.* Bonds subject to redemption prior to maturity pursuant to a Supplemental Indenture shall be redeemable, upon notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms as may be specified in the Supplemental Indenture authorizing such Series.

SECTION 402. *Redemption at the Election or Direction of the Department.* In the case of any redemption of Bonds at the election or direction of the Department, the Department shall give written notice to the Trustee of its election or direction so to redeem, of the redemption date, of the Series, and of the principal amounts of the Bonds of each maturity of such Series to be redeemed (which Series, maturities, and principal amounts thereof to be redeemed shall be determined by the Department in its sole discretion, subject to any limitations with respect thereto as are contained in Section 404 of the Indenture). Such notice shall be given as provided in the Supplemental Indenture authorizing such Series. In the event notice of redemption shall have been given as in Section 405 provided, there shall be paid prior to the redemption date to the appropriate Paying Agents an amount in cash which, in addition to other moneys, if any, available therefor held by such Paying Agents, will be sufficient to redeem on the redemption date at the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, all of the Bonds to be redeemed.

SECTION 403. *Redemption Otherwise Than at Department's Election or Direction.* Whenever by the terms of the Indenture the Trustee is required or authorized to redeem Bonds otherwise than at the election or direction of the Department, the Trustee shall select the Bonds to be redeemed, give the notice of redemption and pay out moneys available therefor the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article IV and, to the extent applicable, Section 506.

SECTION 404. *Selection of Bonds to be Redeemed.* If less than all of the Bonds of any Series shall be called for prior redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected by the Trustee as provided in the Supplemental Indenture authorizing such Series.

SECTION 405. *Notice of Redemption.* When the Trustee shall receive notice from the Department of its election or direction to redeem Bonds pursuant to Section 402, or when redemption of Bonds is authorized or required pursuant to Section 403, the Trustee shall give notice, in the name of the Department, of the redemption of such Bonds, as provided in the Supplemental Indenture authorizing such Series. The Trustee's obligation to give notice required by this Section 405 shall not be conditioned upon the prior payment to the Trustee of funds sufficient to pay the Redemption Price on the Bonds to which such notice relates or interest thereon to the redemption date.

SECTION 406. *Payment of Redeemed Bonds.* Notice having been given in the manner provided in Section 405, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon the occurrence of any subsequent events or satisfaction of any conditions specified in such notice. If there shall be drawn for redemption less than all of a Bond, the Department shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, at the option of the owner thereof, either Coupon Bonds or registered Bonds of like Series and maturity in

any of the authorized denominations. If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest to the redemption date, shall be held by the Paying Agents so as to be available therefor on said date and if notice of redemption shall have been published as aforesaid, then, from and after the redemption date interest on the Bonds or portions thereof of such Series and maturity so called for redemption shall cease to accrue and become payable, and the Coupons for interest appertaining thereto maturing subsequent to the redemption date shall be void. If said moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

SECTION 407. *Conditional Notices of Redemption.* The Department reserves the right to give notice of its election or direction to redeem Bonds under this Article IV conditioned upon the occurrence of subsequent events.

ARTICLE XI AMENDMENTS

SECTION 1101. *Mailing.* Any provision in this Article for the mailing of a notice or other paper to Bondholders shall be fully complied with if it is mailed postage prepaid only (i) to each registered owner of Bonds then Outstanding at his address, if any, appearing upon the registry books of the Agency, (ii) to each Holder of any Bond payable to bearer who shall have filed with the Trustee within 2 years preceding such mailing an address for notices, and (iii) to the Trustee.

SECTION 1102. *Powers of Amendment.* Any modification or amendment of the Indenture and of the rights and obligations of the Agency and of the Holders of the Bonds and Coupons thereunder, in any particular, may be made by a Supplemental Indenture, with the written consent given as provided in Section 1103(i) of the Holders of at least 2/3rds in principal amount of the Bonds Outstanding at the time such consent is given, and (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of at least 2/3rds in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment changes the terms of any Sinking Fund Installment, of the Holders of at least 2/3rds in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Installment and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds of which the consent of the Holders is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of the Indenture if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. The Trustee may in its discretion determine whether or not, in accordance with the foregoing powers of amendment, Bonds of any particular Series or maturity would be affected by any modification or amendment of the Indenture and any such determination shall be binding and conclusive on the Agency and all Holders of Bonds.

SECTION 1103. *Consent of Bondholders.* The Agency may at any time adopt a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 1102, to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Agency to Bondholders (but failure to mail such copy and request shall not affect the validity of the Supplemental Indenture when consented to as in this Section provided). Such Supplemental Indenture shall not be effective unless and until (i) there shall have been filed with the Trustee (a) the written consents of Holders of the percentages of Outstanding Bonds

specified in Section 1102 and (b) a Counsel's Opinion stating that such Supplemental Indenture has been duly and lawfully adopted and filed by the Agency in accordance with the provisions of the Indenture, is authorized or permitted by the Indenture, and is valid and binding upon the Agency enforceable in accordance with its terms and is in accordance with the Indenture; provided, however, that such Opinion may take exception for limitations imposed by or resulting from bankruptcy, insolvency, moratorium, reorganization or other laws affecting creditors' rights generally; and (ii) a notice shall have been published as hereinafter in this Section 1103 provided. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 1202. A certificate or certificates by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 1202 shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be binding upon the Holder of the Bonds giving such consent and, anything in Section 1202 to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section 1103 provided for is filed, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 1202. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the Agency and the Trustee a written statement that the Holders of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture adopted by the Agency on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section 1103, may be given to Bondholders by the Agency by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as in this Section 1103 provided).

SECTION 1104. *Modifications by Unanimous Consent.* The terms and provisions of the Indenture and the rights and obligations of the Agency and of the Holders of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the Agency of a Supplemental Indenture and the consent of the Holders of all the Bonds then Outstanding, such consent to be given as provided in Section 1103 except that no notice to Bondholders by mailing shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without the written assent thereto of the Trustee in addition to the consent of the Bondholders.

SECTION 1105. *Exclusion of Bonds.* Bonds owned or held by or for the account of the Agency shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article XI, and the Agency shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the Agency shall furnish the Trustee a certificate of an Authorized Officer of the Agency, upon which the Trustee may rely, describing all Bonds so to be excluded.

SECTION 1106. *Notation on Bonds.* Bonds authenticated and delivered after the effective date of any action taken as in Article X or this Article XI provided may, and, if the Trustee so determines, shall bear a notation by endorsement or otherwise in form approved by the Agency and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and presentation of his Bond for the purpose at the principal office of the Trustee or upon any transfer of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer by the Trustee as to any such action. If the Agency or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the Agency to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds then Outstanding, upon surrender of such Bonds for

Bonds of the same Series and maturity then Outstanding, upon surrender of such Bonds with all unpaid Coupons, if any, appertaining thereto.

To: Prospective purchaser of the above bonds (the “*Bonds*”)

The Texas Department of Housing and Community Affairs (the “*Department*”) understands that you have indicated your intention to purchase Bonds of certain maturities and amounts. In that regard, the Department is hereby advising you that the sale of the Bonds by the Department to the underwriters named in the Preliminary Official Statement prepared by the Department in connection with the offering of the Bonds (the “*POS*”) and the subsequent sale of the Bonds by such underwriters to you is conditioned upon receipt of your written consent to the proposed amendments to the Master Indenture (as defined in the POS) contained in the Sixty-Second Supplement (as defined in the POS).

The form of the Sixty-Second Supplement is attached as Appendix J to the POS and the amendments to the Trust Indenture are reflected in a blacklined version of the relevant articles of the Master Indenture which is attached as Appendix L to the POS. A general description of the Sixty-Second Supplement and the procedure for obtaining consent for amendment of the Master Indenture is provided in the POS under the caption “PROPOSED AMENDMENTS TO TRUST INDENTURE TO BE EFFECTIVE UPON REQUISITE BONDHOLDER CONSENT.”

In order to become effective, amendments to the Master Indenture require, among other things, the written consent of the Bondholders of not less than 2/3 of the bonds then Outstanding under the Master Indenture. Accordingly, the Department is requesting that you evidence your consent to the execution and delivery of the Sixty-Second Supplement and the amendments contained therein by executing the acknowledgment set forth below. The underwriters have not been requested to provide, nor will they provide, consent to any amendment to the Master Indenture on behalf of any purchaser of the Bonds. After the issuance of the Bonds, the Department anticipates that it will have achieved approximately % of the 2/3 Bondholder approval required in connection with the amendments to the Master Indenture to be effected by the Sixty-Second Supplement.

By signing in the space provided below:

- (1) you acknowledge you have read and understand the foregoing;

(2) you hereby provide your express and irrevocable written consent to the amendments set forth in the Sixty-Second Supplement and you approve of the execution and delivery of the Sixty-Second Supplement substantially in the form attached as Appendix J to the POS, such consent and approval to be effective immediately upon, and simultaneously with, the delivery of the Bonds to your custodial account with your DTC Participant;

(3) you hereby waive any publication and mailing of notice requirements in connection with the execution and delivery of the Sixty-Second Supplement and the amendments contemplated therein, pursuant to the provisions of the Master Indenture;

(4) you irrevocably waive any right under the Master Indenture to revoke the consent provided hereby and any publication under the Master Indenture that the Department has received the necessary Bondholder consent; and

(5) you acknowledge that the aforementioned consents and waivers shall be on behalf of you and all successors in interest in the Bonds purchased by you.

If you are in agreement with the foregoing, please so indicate by signing and dating in the spaces provided below, and returning this letter to J.P. Morgan's Debt Capital Markets Desk via Fax (917-463-0871) or Email (annie.n.marinaro@jpmorgan.com). For questions, please call 212-834-3261.

2. The Bonds of each Series shall be issued either in the form of Coupon Bonds, which may be registered as to principal or in the form of fully registered Bonds without coupons.

3. Each Bond shall be lettered and numbered as provided in this Indenture or the Supplemental Indenture authorizing the Series of which such Bond is a part and so as to be distinguished from every other Bond.

4. Coupon Bonds of each Series shall be dated as provided in this Indenture or the Supplemental Indenture authorizing the Bonds of such Series. Coupon Bonds of each Series shall bear interest from their date, payable, in the case of installments due on and prior to maturity, in accordance with, and upon surrender of, the appurtenant interest Coupons as they severally mature. ~~Registered Bonds of each Series shall be dated as of the date six months preceding the interest payment date next following the date of authentication thereof by the Trustee, unless such date of authentication shall be an interest payment date, in which case they shall be dated as of such date of authentication; provided, however, that if, as shown by the records of the Trustee, interest on the Bonds of any Series shall be in default, the registered Bonds of any such Series issued in lieu of Bonds surrendered for the transfer or exchange may be dated as of the date to which interest has been paid in full on the Bonds surrendered; provided, further, that if the date of authentication shall be prior to the first interest payment date for the Bonds of such Series, registered Bonds~~

shall be dated as provided in the Supplemental Indenture authorizing the Bonds of such Series. Registered Bonds of each Series shall bear interest from their date.

SECTION 305. *Legends.* The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of the Indenture as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board, or otherwise, as may be determined by the AgencyDepartment prior to the authentication and delivery thereof.

SECTION 306. *Execution, Authentication and Registration.* 1. The Bonds shall be executed in the name of the AgencyDepartment by the manual or facsimile signature of its Chairman, and its corporate seal (or a facsimile thereof) shall be impressed, imprinted, engraved or otherwise reproduced thereon and attested by the manual or facsimile signature of the Secretary or other Authorized Officer of the AgencyDepartment, or in such other manner as may be required or permitted by a Supplemental Indenture in accordance with the Act. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been authenticated and delivered by the Trustee, such Bonds may, nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any Bond of a Series may be signed and sealed on behalf of the AgencyDepartment by such persons as at the time of the execution of such Bonds shall be duly authorized or hold the proper office in the AgencyDepartment, although at the date borne by the Bonds of such Series such persons may not have been so authorized or have held such office.

2. The Coupons to be attached to the Coupon Bonds of each Series shall be signed by the facsimile signature of the present or any future Chairman of the AgencyDepartment, or in such other manner as may be required or permitted by law, and the AgencyDepartment may adopt and use for that purpose the facsimile signature of any person or persons who shall have been Chairman of the AgencyDepartment at any time on or after the date borne by the Bonds of such Series, notwithstanding that he may not have been such Chairman at the date of any such Bond or may have ceased to be such Chairman at the time when any such Bond shall be authenticated and delivered.

3. Except as provided in this subsection, and if required by the Act, the Bonds of each Series shall be registered by the Comptroller of Public Accounts of the State of Texas which shall be evidenced by the manual signature of the Comptroller of Public Accounts, or his deputy, and the official seal of Comptroller of Public Accounts shall be impressed or placed in facsimile on the Bonds of each Series. Any Bond or Bonds issued in exchange, substitution or replacement for any other Bond or Bonds pursuant to the provisions of Sections 307, 310, 406 or 1106 need not be reregistered by the Comptroller of Public Accountants.

4. The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in this Indenture or the Supplemental Indenture authorizing such Bonds, executed manually by the Trustee. Only such Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit under the Indenture and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the AgencyDepartment shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under the Indenture and that the Holder thereof is entitled to the benefits of the Indenture.

5. Except as otherwise provided in Sections 309 and 310, the Trustee, before authenticating and delivering any Coupon Bonds, shall cut off, cancel and destroy all matured Coupons thereto attached, except matured Coupons for which payment in full has not been provided; provided, however, that when Coupon Bonds are issued in exchange for registered Bonds of any Series upon which interest is in default, as shown by the records of the Trustee, such Coupon Bonds shall have attached thereto all Coupons maturing after the date to which interest has been paid in full, as shown by the records of the Trustee, and in case any interest installments shall have been paid in part, appropriate notation shall be made on the Coupons to evidence such fact.

SECTION 307. *Interchangeability of Bonds.* 1. Coupon Bonds, upon surrender thereof at the principal corporate trust office of the Trustee with all unmatured Coupons attached, may, at the option of the Holder thereof, and upon payment by such Holder of any charges which the Trustee may make as provided in Section 309, be exchanged for an equal aggregate principal amount of fully registered Bonds, if any, of the same Series and maturity of any of the authorized denominations.

2. Registered Bonds, upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his duly authorized attorney, may, at the option of the registered owner thereof, and upon payment by such registered owner of any charges which the Trustee or the Agency Department may make as provided in Section 309, be exchanged for an equal aggregate principal amount of Coupon Bonds of the same Series and maturity with appropriate Coupons attached, or of registered Bonds of the same Series and maturity of any other authorized denominations.

SECTION 308. *Negotiability, Transfer and Registry.* 1. Title to any Coupon Bond, and to any Coupons, shall pass by delivery as negotiable instruments payable to bearer.

2. Registered Bonds shall be transferable only upon the books of the Agency Department, which shall be kept for that purpose at the principal corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Bond and payment of any required fees the Agency Department shall issue in the name of the transferee a new registered Bond or Bonds, or at the option of the transferee, Coupon Bonds, with appropriate Coupons attached of the same aggregate principal amount and maturity as the surrendered bond.

3. The Agency Department and the Trustee may deem and treat the person in whose name any Bond shall be registered upon the books of the Agency Department as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Agency Department nor the Trustee shall be affected by any notice to the contrary.

SECTION 309. *Regulations with Respect to Exchanges and Transfers.* In all cases in which the privilege of exchanging or transferring Bonds is exercised, the Agency Department shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of the Indenture. All fully registered Bonds surrendered in any exchanges or transfers shall forthwith be cancelled by the Trustee. All Coupon Bonds and the Coupons appertaining to such Bonds surrendered in any such exchanges or transfers shall be retained in the possession of the Trustee for the purpose of reissuance upon subsequent exchanges and the Trustee, prior to reissuance of any such Coupon Bonds, shall detach therefrom and cancel all matured Coupons. For every such exchange or transfer of Bonds, whether temporary or definitive, the Agency Department or the Trustee shall make a charge sufficient to reimburse it or them for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and to reimburse Trustee for administrative expenses, which sum or sums shall be paid by the Holder requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. In addition, the cost, if any, of preparing each new Coupon Bond or registered Bond upon such exchange or transfer and any other expenses of the Agency Department or the Trustee incurred in connection therewith shall be paid by the Holder requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer; provided, however, that no such payment shall be required from the Holder of an originally issued Coupon Bond requesting an exchange for a registered Bond. Bonds issued in exchange, substitution or replacement of other Bonds may bear a certificate of the Trustee, which may be executed in facsimile, to the effect that the Series of Bonds of which the exchanged substituted or replaced Bond is a part was approved by the Attorney General of the State of Texas or validated by a State district court and registered by the Comptroller of Public Accounts. Neither the Agency Department nor the Trustee shall be required (a) to transfer or exchange Bonds for a period of 20 days next preceding an interest

payment date on the Bonds or next preceding any selection of Bonds to be redeemed or thereafter until after the first publication or mailing of any notice of redemption; or (b) to transfer or exchange any Bonds called for redemption.

SECTION 310. *Bonds Mutilated, Destroyed, Stolen or Lost.* In case any Bonds shall become mutilated or be destroyed, stolen or lost, the Agency Department shall execute, by facsimile signature or otherwise, and thereupon the Trustee shall authenticate and deliver, a new Bond (with appropriate Coupons attached in the case of Coupon Bonds) of like Series, maturity date, principal amount and interest rate per annum as the Bond and attached Coupons, if any, so mutilated, lost, stolen or destroyed, provided that (i) in the case of such mutilated Bond, such Bond together with all unmatured Coupons appertaining thereto is first surrendered to the Agency Department, (ii) in the case of any such lost, stolen or destroyed Bond, there is first furnished evidence of such loss, theft or destruction satisfactory to the Agency Department together with indemnity satisfactory to the Agency Department, (iii) all other reasonable requirements of the Agency Department are complied with, and (iv) expenses in connection with such transaction are paid by the Holder. In the event any Coupon is mutilated, lost, stolen or destroyed, the Agency Department may issue a duplicate Coupon upon the same terms and conditions as those provided for mutilated, lost, stolen or destroyed Bonds. Except as provided in Section 309, all Bonds and Coupons so surrendered to the Trustee shall be cancelled by it. Any such new Bonds or Coupons issued pursuant to this Section in substitution for Bonds or Coupons alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Agency Department, whether or not the Bonds or Coupons alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under the Indenture, in any Trust Estate held by the Agency Department or the Trustee for the benefit of the Bondholders.

SECTION 311. *Temporary Bonds.* 1. Until the definitive Bonds of any Series are prepared, the Agency Department may execute, in the same manner as is provided in Section 306, and, upon the request of the Agency Department, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds except as to denominations thereof and as to exchangeability for registered Bonds, one or more temporary Bonds (which may be registrable as to principal and interest) substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, but with or without Coupons, in ~~any~~ denominations of \$5,000 or any multiples thereof authorized by the Agency Department pursuant to the Supplemental Indenture authorizing such Bonds, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The installments of interest payable on such temporary Bonds in bearer form shall be payable only upon the presentation and surrender of the Coupons therefor attached thereto or upon presentation of such temporary Bonds for notation thereon of the payment of such interest. The Agency Department at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds, with all unmatured Coupons, and all matured Coupons for which no payment or only partial payment has been provided, attached, for exchange and the cancellation of such surrendered temporary Bonds and Coupons, the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, definitive Coupon Bonds, with appropriate Coupons attached, or, at the option of the Holder, definitive registered Bonds, of the same aggregate principal amount and Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds authenticated and issued pursuant to the Indenture.

2. If the Agency Department shall authorize the issuance of temporary Bonds in more than one denomination, the Holder of any temporary Bond or Bonds may, at his option, surrender the same to the Trustee in exchange for another temporary Bond or Bonds of like aggregate principal amount and Series and maturity of any other authorized denomination or denominations, and thereupon the Agency Department shall execute and the Trustee shall authenticate and, in exchange for the temporary Bond or Bonds so surrendered and upon payment of the taxes, fees and charges provided for in Section 309, shall deliver a temporary Bond or Bonds of like aggregate principal amount, Series and maturity in such other authorized denomination or denominations as shall be requested by such Holder.

3. All temporary Bonds surrendered in exchange either for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith cancelled by the Trustee.

SECTION 312. *Cancellation and Destruction of Bonds.* Except as otherwise provided in the Indenture all Bonds and Coupons paid in full, either at or before maturity, or purchased by the Agency Department pursuant to subsection 6 of Section 506, shall be delivered to the Trustee when such payment or purchase is made, and such Bonds and Coupons shall thereupon be promptly cancelled. Bonds and Coupons so cancelled may at any time be cremated by the Trustee, who shall execute a certificate of cremation in duplicate by the signature of one of its authorized officers describing the Bonds and Coupons so cremated, and one executed certificate shall be filed with the Agency Department and the other executed certificate shall be retained by the Trustee.

ARTICLE IV REDEMPTION OF BONDS

SECTION 401. *Privilege of Redemption and Redemption Price.* Bonds subject to redemption prior to maturity pursuant to a Supplemental Indenture shall be redeemable, upon ~~published~~ notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms ~~in addition to the terms contained in this Article IV~~ as may be specified in the Supplemental Indenture authorizing such Series.

SECTION 402. *Redemption at the Election or Direction of the Agency Department.* In the case of any redemption of Bonds at the election or direction of the Agency Department, the Agency Department shall give written notice to the Trustee of its election or direction so to redeem, of the redemption date, of the Series, and of the principal amounts of the Bonds of each maturity of such Series to be redeemed (which Series, maturities, and principal amounts thereof to be redeemed shall be determined by the Agency Department in its sole discretion, subject to any limitations with respect thereto as are contained in Section 404 of the Indenture). Such notice shall be given ~~at least 40 days prior to the redemption date or such shorter period as shall be acceptable to the Trustee~~ as provided in the Supplemental Indenture authorizing such Series. In the event notice of redemption shall have been given as in Section 405 provided, there shall be paid prior to the redemption date to the appropriate Paying Agents an amount in cash which, in addition to other moneys, if any, available therefor held by such Paying Agents, will be sufficient to redeem on the redemption date at the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, all of the Bonds to be redeemed.

SECTION 403. *Redemption Otherwise Than at Agency Department's Election or Direction.* Whenever by the terms of the Indenture the Trustee is required or authorized to redeem Bonds otherwise than at the election or direction of the Agency Department, the Trustee shall select the Bonds to be redeemed, give the notice of redemption and pay out moneys available therefor the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article IV and, to the extent applicable, Section 506.

SECTION 404. *Selection of Bonds to be Redeemed.* If less than all of the Bonds ~~of like maturity~~ of any Series shall be called for prior redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected ~~at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate; provided, however, that the portion of any Bond of a denomination of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or a multiple thereof, and that, in selecting portions of such Bonds for redemption, the Trustee shall treat each such Bond as representing that number of Bonds of \$5,000 denomination which is obtained by dividing the principal amount of such Bond to be redeemed in part by \$5,000~~ as provided in the Supplemental Indenture authorizing such Series.

SECTION 405. *Notice of Redemption.* When the Trustee shall receive notice from the Department of its election or direction to redeem Bonds pursuant to Section 402, or when redemption of Bonds is authorized or required pursuant to Section 403, the Trustee shall give notice, in the name of the Department, of the redemption of such Bonds, ~~which notice shall specify the Series and maturities of the Bonds to be redeemed, the redemption date, and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds of any like Series and maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed, and in the case of Bonds to be redeemed in part only, such notices shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon~~

each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail a copy of such notice by first class mail, postage prepaid, to the registered owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registry book. The notice shall be mailed at least thirty (30) days prior to the redemption date as provided in the Supplemental Indenture authorizing such Series. The Trustee's obligation to give notice required by this Section 405 shall not be conditioned upon the prior payment to the Trustee of funds sufficient to pay the Redemption Price on the Bonds to which such notice relates or interest thereon to the redemption date.

SECTION 406. *Payment of Redeemed Bonds.* Notice having been given ~~by publication~~ in the manner provided in Section 405, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon ~~presentation and surrender thereof at the office~~ the occurrence of any subsequent events or satisfaction of any conditions specified in such notice, ~~together with, in the case of Coupon Bonds, all appurtenant Coupons maturing subsequent to the redemption date, such Bonds, or portions thereof, shall be paid at the Redemption Price, plus interest accrued and unpaid to the redemption date not represented by Coupons for matured interest installments. All interest installments represented by Coupons which shall have matured on or prior to the redemption date shall continue to be payable to the bearers of such Coupons.~~ If there shall be drawn for redemption less than all of a Bond, the ~~Agency~~ Department shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, at the option of the owner thereof, either Coupon Bonds or registered Bonds of like Series and maturity in any of the authorized denominations. If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest to the redemption date, shall be held by the Paying Agents so as to be available therefor on said date and if notice of redemption shall have been published as aforesaid, then, from and after the redemption date interest on the Bonds or portions thereof of such Series and maturity so called for redemption shall cease to accrue and become payable, and the Coupons for interest appertaining thereto maturing subsequent to the redemption date shall be void. If said moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

SECTION 407. *Conditional Notices of Redemption.* The Department reserves the right to give notice of its election or direction to redeem Bonds under this Article IV conditioned upon the occurrence of subsequent events.

ARTICLE XI AMENDMENTS

SECTION 1101. ~~*Mailing and Publication.*~~ ^{1.} Any provision in this Article for the mailing of a notice or other paper to Bondholders shall be fully complied with if it is mailed postage prepaid only (i) to each registered owner of Bonds then Outstanding at his address, if any, appearing upon the registry books of the Agency, (ii) to each Holder of any Bond payable to bearer who shall have filed with the Trustee within 2 years preceding such mailing an address for notices, and (iii) to the Trustee.

~~2. Any provision in this Article for publication of a notice or other matter shall require the publication thereof only in the Authorized Newspapers.~~

SECTION 1102. *Powers of Amendment.* Any modification or amendment of the Indenture and of the rights and obligations of the Agency and of the Holders of the Bonds and Coupons thereunder, in any particular, may be made by a Supplemental Indenture, with the written consent given as provided in Section 1103(i) of the Holders of at least 2/3rds in principal amount of the Bonds Outstanding at the time such consent is given, and (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of at least 2/3rds in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given, and (iii) in case the modification or amendment

changes the terms of any Sinking Fund Installment, of the Holders of at least 2/3rds in principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Installment and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds of which the consent of the Holders is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of the Indenture if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series. The Trustee may in its discretion determine whether or not, in accordance with the foregoing powers of amendment, Bonds of any particular Series or maturity would be affected by any modification or amendment of the Indenture and any such determination shall be binding and conclusive on the Agency and all Holders of Bonds.

SECTION 1103. *Consent of Bondholders.* The Agency may at any time adopt a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 1102, to take effect when and as provided in this Section. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Agency to Bondholders ~~and shall be published in the Authorized Newspapers at least once a week for 2 successive weeks~~ (but failure to mail such copy and request shall not affect the validity of the Supplemental Indenture when consented to as in this Section provided). Such Supplemental Indenture shall not be effective unless and until (i) there shall have been filed with the Trustee (a) the written consents of Holders of the percentages of Outstanding Bonds specified in Section 1102 and (b) a Counsel's Opinion stating that such Supplemental Indenture has been duly and lawfully adopted and filed by the Agency in accordance with the provisions of the Indenture, is authorized or permitted by the Indenture, and is valid and binding upon the Agency enforceable in accordance with its terms and is in accordance with the Indenture; provided, however, that such Opinion may take exception for limitations imposed by or resulting from bankruptcy, insolvency, moratorium, reorganization or other laws affecting creditors' rights generally; and (ii) a notice shall have been published as hereinafter in this Section 1103 provided. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 1202. A certificate or certificates by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with Section 1202 shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be binding upon the Holder of the Bonds giving such consent and, anything in Section 1202 to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section 1103 provided for is filed, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer of such revocation in the manner permitted by Section 1202. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the Agency and the Trustee a written statement that the Holders of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter notice, stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture adopted by the Agency on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section 1103, ~~and may~~ be given to Bondholders by the Agency by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as in this Section

1103 provided) and by publishing the same in the Authorized Newspapers at least once not more than 90 days after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Indenture and the written statement of the Trustee hereinabove provided for is filed. The Agency shall file with the Trustee proof of the publication of such notice and, if the same shall have been mailed to Bondholders, of the mailing thereof. A record, consisting of the papers required or permitted by this Section 1103 to be filed with the Trustee, shall be proof of the matters therein stated. Such Supplemental Indenture making such amendment or modification shall be deemed conclusively binding upon the Agency, the Fiduciaries and the Holders of all Bonds and Coupons at the expiration of 40 days after the filing with the Trustee of the proof of the first of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Indenture in a legal action or equitable proceeding for such purpose commenced within such 40 day period; provided, however, that any Fiduciary and the Agency during such 40 day period and any such further period during which any such action or proceeding may be pending shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as they may deem expedient.

SECTION 1104. *Modifications by Unanimous Consent.* The terms and provisions of the Indenture and the rights and obligations of the Agency and of the Holders of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the Agency of a Supplemental Indenture and the consent of the Holders of all the Bonds then Outstanding, such ~~consent~~ consent to be given as provided in Section 1103 except that no notice to Bondholders by mailing or publication shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of the Trustee without the written assent thereto of the Trustee in addition to the consent of the Bondholders.

SECTION 1105. *Exclusion of Bonds.* Bonds owned or held by or for the account of the Agency shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article XI, and the Agency shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article. At the time of any consent or other action taken under this Article, the Agency shall furnish the Trustee a certificate of an Authorized Officer of the Agency, upon which the Trustee may rely, describing all Bonds so to be excluded.

SECTION 1106. *Notation on Bonds.* Bonds authenticated and delivered after the effective date of any action taken as in Article X or this Article XI provided may, and, if the Trustee so determines, shall bear a notation by endorsement or otherwise in form approved by the Agency and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and presentation of his Bond for the purpose at the principal office of the Trustee or upon any transfer of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer by the Trustee as to any such action. If the Agency or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the Agency to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds then Outstanding, upon surrender of such Bonds for Bonds of the same Series and maturity then Outstanding, upon surrender of such Bonds with all unpaid Coupons, if any, appertaining thereto.
