Reports

Comprehensive Report

- Show data for each county
- Show data by population groups
- Show maps when available

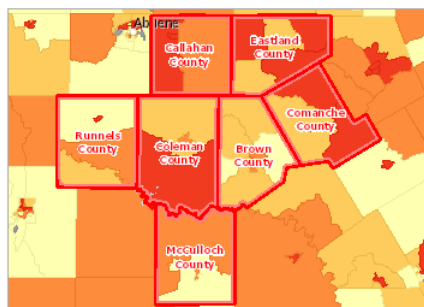

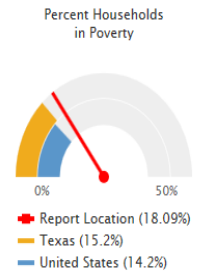

Open >

- Scroll down to the Poverty Population Map and click “View larger map.”

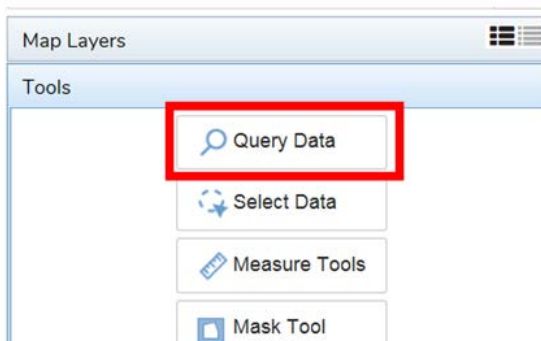

- From the right hand menu, under “Data Geog,” select “ZCTA.”

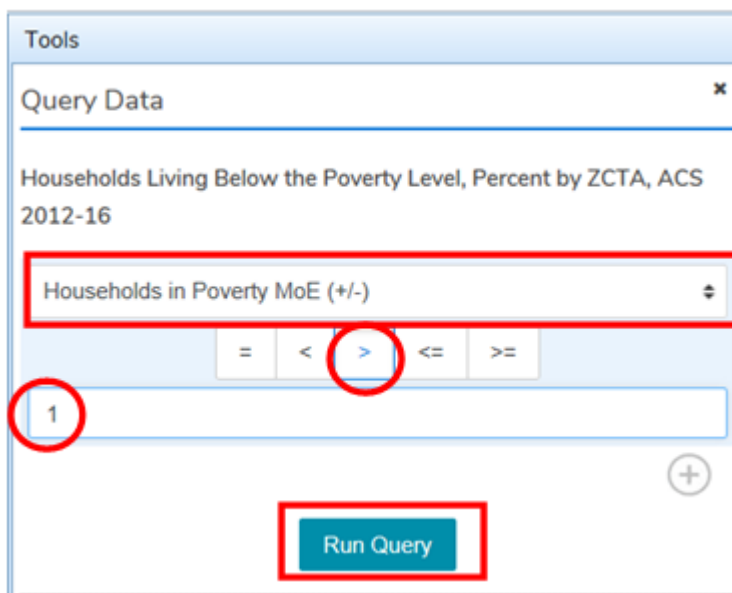

- Go to the top menu bar and select “Tools.”

- Select “Query Data” from the right hand menu box.

- Select “Households in Poverty MoE(+/-)” from the drop-down menu. Select “>” and enter “1” and “Run Query,” as shown below:

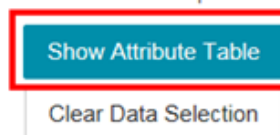

- Once the query is complete, select the “Select Attribute Table” for poverty population by Zip Code data.

Result

Number of features found: 213.

Hover over a selected feature on the map to view its attributes.

- You can then “Download Data” and save this information.*
