Proposed New Chapter 10, Subchapter C

The Texas Department of Housing and Community Affairs (the “Department”) proposes new 10 TAC Chapter 10, Uniform Multifamily Rules, Subchapter C §§10.201 - 10.207, concerning Application Submission Requirements, Ineligibility Criteria, Board Decisions and Waiver of Rules for Applications. The purpose of the proposed new sections is to provide guidance for application submission, define what would cause an applicant and application to be ineligible for consideration of multifamily funding, and explain processes regarding Board decisions. The proposed repeal of existing Subchapter C is published concurrently with this rulemaking.

FISCAL NOTE. Timothy K. Irvine, Executive Director, has determined that, for each year of the first five years the new sections are in effect, enforcing or administering the new sections does not have any foreseeable implications related to new costs or revenues of the state or local governments.

PUBLIC BENEFIT/COST NOTE. Mr. Irvine also has determined that, for each year of the first five years the new sections are in effect, the public benefit anticipated as a result of the new sections will be to provide additional clarity regarding requirements for application submission, define ineligible applicants and applications, and explain processes regarding Board decisions. The average cost of filing an application is between \$50,000 and \$60,000, which may vary depending on the specific type of application, location of the development site, and other non-state of Texas funding sources utilized. The proposed rules do not, on average, result in an increased cost of filing an application as compared to the existing program rules.

ADVERSE IMPACT ON SMALL OR MICRO-BUSINESSES. The Department has determined that there will be no new or additional economic effect on small or micro-businesses. The average cost of filing an application is between \$50,000 and \$60,000, which may vary depending on the specific type of application, location of the development site, and other non-state of Texas funding sources utilized. The proposed rules do not, on average, result in an increased cost of filing an application as compared to the existing program rules.

REQUEST FOR PUBLIC COMMENT. The public comment period will be held September 23, 2016 to October 14, 2016, to receive input on the new sections. Written comments may be submitted to the Texas Department of Housing and Community Affairs, Sharon Gamble, Rule Comments, P.O. Box 13941, Austin, Texas 78711-3941, or by email to sharon.gamble@tdhca.state.tx.us, or by fax to (512) 475-0764, attn: Sharon Gamble. **ALL COMMENTS MUST BE RECEIVED BY 5:00 P.M. AUSTIN LOCAL TIME OCTOBER 14, 2016.**

STATUTORY AUTHORITY. The new sections are proposed pursuant to Tex. Gov't Code §2306.053, which authorizes the Department to adopt rules. Additionally, the new sections are proposed pursuant to Tex. Gov't Code §2306.67022, which specifically authorizes the Department to adopt a qualified allocation plan.

The proposed new sections affect Chapter 2306 of the Tex. Gov't Code, including Subchapter DD, concerning the Low Income Housing Tax Credit Program. The new sections affect no other statutes, articles or codes.

SUBCHAPTER C APPLICATION SUBMISSION REQUIREMENTS, INELIGIBILITY CRITERIA, BOARD DECISIONS AND WAIVER OF RULES FOR APPLICATIONS

§10.201. PROCEDURAL REQUIREMENTS FOR APPLICATION SUBMISSION.

§10.202. INELIGIBLE APPLICANTS AND APPLICATIONS.

§10.203. PUBLIC NOTIFICATIONS.

§10.204. REQUIRED DOCUMENTATION FOR APPLICATION SUBMISSION.

§10.205. REQUIRED THIRD PARTY REPORTS.

§10.206. BOARD DECISIONS.

§10.207. WAIVER OF RULES FOR APPLICATIONS.

§10.201. Procedural Requirements for Application Submission. This subchapter establishes the procedural requirements for Application submission. Only one Applicant may have an Application or Applications for assistance relating to a specific Development Site at any given time. While the Application Acceptance Period is open or prior to the Application deadline, an Applicant may withdraw an Application and subsequently file a new Application utilizing the original pre-application fee (as applicable) that was paid as long as no substantive evaluation was performed by the Department and the re-submitted Application relates to the same Development Site, consistent with §11.9(e)(3) regarding pre-application Site changes. Applicants are subject to the schedule of fees as set forth in §10.901 of this chapter (relating to Fee Schedule). When providing a pre-application, Application or other materials to a state representative, local governmental body, Neighborhood Organization, or anyone else to secure support or approval that may affect the Applicant's competitive posture, an Applicant must disclose that in accordance with the Department's rules aspects of the Development may not yet have been determined or selected or may be subject to change, such as changes in the amenities ultimately selected and provided.

(1) General Requirements.

(A) An Applicant requesting funding from the Department must submit an Application in order to be considered for an award. An Application must be complete (including all required exhibits and supporting materials) and submitted by the required program deadline. If an Application, including the corresponding Application fee as described in §10.901 of this chapter, is not submitted to the Department on or before the applicable deadline, the Applicant will be deemed not to have made an Application; provided, however, that errors in the calculation of applicable fees may be cured via an Administrative Deficiency. The deficiency period for curing fee errors will be three business days and may not be extended. Failure to cure such an error timely will be grounds for termination.

(B) Applying for multifamily funds from the Department is a technical process that must be followed completely. As a result of the competitive nature of some funding sources, an Applicant should proceed on the assumption that deadlines are fixed and firm with respect to both date and time and cannot be waived except where authorized and for truly extraordinary circumstances, such as the occurrence of a significant natural disaster that makes timely adherence impossible. If an Applicant chooses to submit by delivering an item physically to the Department, it is the Applicant's responsibility to be within the Department's doors by the appointed deadline. Applicants are strongly encouraged to submit the required items well in advance of established deadlines. Applicants must ensure that all documents are legible, properly organized and tabbed, and that materials provided in digital media are fully readable by the Department. Department staff receiving an application may perform a cursory review to see if there are any glaring problems. This is a cursory review and may not be relied upon as confirmation that the Application was complete or in proper form.

(C) The Applicant must upload a PDF copy and Excel copy of the complete Application to the Department's secure web transfer server. Each copy must be in a single file and individually bookmarked as further described in the Multifamily Programs Procedures Manual. Additional files required for Application submission (e.g., Third Party Reports) outside the Uniform Application must also be uploaded to the secure web transfer server. It is the responsibility of the Applicant to confirm the upload to the Department's secure web transfer server was successful and to do so in advance of the deadline. Where there are instances of computer problems, mystery glitches, etc. that prevents the Application from being received by the Department prior to the deadline the Application may be terminated.

(D) Applications must include materials addressing each and all of the items enumerated in this chapter and other chapters as applicable. If an Applicant does not believe that a specific item should be applied, the Applicant must include, in its place, a statement identifying the required item, stating that it is not being supplied, and a statement as to why the Applicant does not believe it should be required.

(2) Filing of Application for Tax-Exempt Bond Developments. Applications may be submitted to the Department as described in subparagraphs (A) and (B) of this paragraph. Multiple site applications by the same Applicant for Tax-Exempt Bond Developments will be considered to be one Application as identified in Tex. Gov't Code, Chapter 1372. Applications will be required to satisfy the requirements of the Qualified Allocation Plan (QAP) and Uniform Multifamily Rules in place at the time the Application is received by the Department. Applications that receive a Traditional Carryforward designation after November 15 will not be accepted until after January 2 and will be subject to the QAP and Uniform Multifamily Rules in place at the time the Application is received by the Department.

(A) Lottery Applications. For Applicants participating in the TBRB lottery for private activity bond volume cap and whereby advance notice is given regarding a Certificate of Reservation, the Applicant must submit a Notice to Submit Lottery Application form to the Department no later than the Notice to Submit Lottery Application Delivery Date described in §10.4 of this chapter (relating to Program Dates). The complete Application, accompanied by the Application Fee described in §10.901 of this chapter must be submitted no later than the Applications Associated with Lottery Delivery Date described in §10.4 of this chapter.

(B) Waiting List Applications. Applications designated as Priority 1 or 2 by the TBRB and receiving advance notice of a Certificate of Reservation for private activity bond volume cap must submit Parts 1 - 4 of the Application and the Application Fee described in §10.901 of this chapter prior to the issuance of the Certificate of Reservation by the TBRB. The remaining parts of the Application must be submitted at least seventy-five (75) days prior to the Board meeting at which the decision to issue a Determination Notice would be made. An Application designated as Priority 3 will not be accepted until after the issuer has induced the bonds, with such documentation included in the Application, and is subject to the following additional timeframes:

(i) The Applicant must submit to the Department confirmation that a Certificate of Reservation from the TBRB has been issued not more than thirty (30) days after the Application is received by the Department. The Department may, for good cause, administratively approve an extension for up to an additional thirty (30) days to submit confirmation the Certificate of Reservation has been issued. The Application will be terminated if the Certificate of Reservation is not received within the required timeframe;

(ii) The Department will require at least seventy-five (75) days to review an Application, unless Department staff can complete its evaluation in sufficient time for Board consideration. Applicants should be aware that unusual financing structures, portfolio transactions, and the need to resolve

Administrative Deficiencies may require additional time to review and the prioritization of Applications will be subject to the review priority established in paragraph (6) of this subsection;

(iii) Department staff may choose to delay presentation to the Board in instances in which an Applicant is not reasonably expected to close within sixty (60) days of the issuance of a Determination Notice. Applications that receive Traditional Carryforward will be subject to closing within the same timeframe as would be typical of the Certificate of Reservation. This will be a condition of the award and reflected in the Determination Notice.

(3) Certification of Tax Exempt Bond Applications with New Docket Numbers. Applications that receive an affirmative Board Determination, but for which closing on the bonds does not occur prior to the Certificate of Reservation expiration date, and which subsequently have that docket number withdrawn from the TBRB, may have their Determination Notice reinstated. In the event that the Department's Board has not yet approved the Application, the Application will continue to be processed and ultimately provided to the Board for consideration. The Applicant would need to receive a new docket number from the TBRB and meet the requirements described in subparagraphs (A) - (C) of this paragraph:

(A) The Application must remain unchanged, which means that at a minimum, the following cannot have changed: Site Control, total number of Units, unit mix (bedroom sizes and income restrictions), design/site plan documents, financial structure including bond and Housing Tax Credit amounts, development costs, rent schedule, operating expenses, sources and uses, ad valorem tax exemption status, Target Population, scoring criteria (if TDHCA is bond issuer) or TBRB priority status including the effect on the inclusive capture rate. The entities involved in the Applicant entity and Developer cannot change; however, the certification can be submitted even if the lender, syndicator or issuer changes, as long as the financing structure and terms remain unchanged. Notifications under §10.203 of this chapter (relating to Public Notifications (§2306.6705(9))) are not required to be reissued. A revised Determination Notice will be issued once notice of the assignment of a new docket number has been provided to the Department and the Department has confirmed that the capture rate and market demand remain acceptable. This certification must be submitted no later than thirty (30) calendar days after the date the TBRB issues the new docket number; or

(B) the new docket number may not be issued more than four (4) months from the date the original application was withdrawn from the TBRB. The new docket number must be from the same program year as the original docket number or, for Applications that receive a new docket number from the program year that is immediately succeeding the program year of the original docket number, the requirements in clauses (i) and (ii) of this subparagraph must be met:

(i) The Applicant must certify that the Development will meet all rules and requirements in effect at the time the new docket number is issued; and

(ii) The Department must determine that the changes in the rules applicable to the program(s) under which the Application was originally awarded are not of a material nature that would necessitate a new Application and that any new forms and clarifications to the Application are of a nature that can be resolved through the Administrative Deficiency process; or

(C) if there are changes to the Application as referenced in subparagraph (A) of this paragraph or if such changes in the rules pursuant to subparagraph (B)(ii) of this paragraph are of a material nature the Applicant will be required to submit a new Application in full, along with the applicable fees, to be reviewed and evaluated in its entirety for a new Determination Notice to be issued. If there is public opposition but the Application remains the same pursuant to subparagraph (A) of this paragraph, a new Application will not be required to be submitted; however, the Application must be presented before the Board for consideration of the re-issuance of the Determination Notice.

(4) Withdrawal of Application. An Applicant may withdraw an Application prior to or after receiving an award of funding by submitting to the Department written notice of the withdrawal.

(5) Evaluation Process. Priority Applications, which shall include those Applications believed likely to be competitive, will undergo a program review for compliance with submission requirements and selection criteria, as applicable. In general, Application reviews by the Department shall be prioritized based upon the likelihood that an Application will be competitive for an award based upon the set-aside, self score, received date, or other ranking factors. Thus, non-competitive or lower scoring Applications may never be reviewed. The Director of Multifamily Finance will identify those Applications that will receive a full program review based upon a reasonable assessment of each Application's priority, but no Application with a competitive ranking shall be skipped or otherwise overlooked. This initial assessment may be a high level assessment, not a full assessment. Applications deemed to be priority Applications may change from time to time. The Real Estate Analysis division shall underwrite Applications that received a full program review and remain competitive to determine financial feasibility and an appropriate funding amount. In making this determination, the Department will use §10.302 of this chapter (relating to Underwriting Rules and Guidelines) and §10.307 of this chapter (relating to Direct Loan Requirements). Applications will undergo a previous participation review in accordance with Chapter 1 Subchapter C of this title (relating to Previous Participation) and a Development Site may be evaluated by the Department or its agents through a physical site inspection or site visit, (which may include neighboring areas), independent of or concurrent with a site visit that may be performed in conjunction with §10.101(a)(3) (relating to Undesirable Neighborhood Characteristics). The Department will, from time to time during the review process, publish an application log which shall include the self-score and any scoring adjustments made by staff. The posting of such scores on the application log may trigger appeal rights and corresponding deadlines pursuant to Tex. Gov't. Code §2306.6715 and §10.902 of this chapter (relating to Appeals Process). The Department may also provide a courtesy scoring notice reflecting such score to the Applicant.

(6) Prioritization of Applications under various Programs. This paragraph identifies how ties or other prioritization matters will be handled when dealing with de-concentration requirements, capture rate calculations, and general review priority of Applications submitted under different programs.

(A) De-concentration and Capture Rate. Priority will be established based on the earlier date associated with an Application. The dates that will be used to establish priority are as follows:

(i) For Tax-Exempt Bond Developments, the issuance date of the Certificate of Reservation issued by the TBRB; and

(ii) For all other Developments, the date the Application is received by the Department; and

(iii) Notwithstanding the foregoing, after July 31 of the current program year, a Tax-Exempt Bond Development with a Certificate of Reservation from the TBRB will take precedence over any Housing Tax Credit Application from the current Application Round on the waiting list.

(B) General Review Priority. Review priority for Applications under various multifamily programs will be established based on Department staff's consideration of any statutory timeframes associated with a program or Application in relation to the volume of Applications being processed. In general, those with statutory deadlines or more restrictive deadlines will be prioritized for review and processing ahead of those that are not subject to the same constraints. In general, any non-Competitive Housing Tax Credit Applications received during the competitive tax credit round that include a request to be placed on the May, June or July Board agendas will not be prioritized for review or underwriting due to the statutory constraints on the award and allocation of competitive tax credits. Applicants are advised to keep this in consideration when planning the submission of an Application and issuance of the Certificate of Reservation.

(7) Administrative Deficiency Process. The purpose of the Administrative Deficiency process is to allow an Applicant to provide clarification, correction, or non-material missing information to

resolve inconsistencies in the original Application or to assist staff in evaluating the Application. Staff will request such information via a deficiency notice. Because the review of an Application occurs in several phases, deficiency notices may be issued during any of these phases. Staff will send the deficiency notice via an e-mail to the Applicant and one other contact party if identified by the Applicant in the Application. The time period for responding to a deficiency notice commences on the first business day following the deficiency notice date. Deficiency notices may be sent to an Applicant prior to or after the end of the Application Acceptance Period and may also be sent in response to reviews on post-award submissions. Responses are required to be submitted electronically as a PDF or multiple PDF files. A review of the response provided by the Applicant may reveal that issues initially identified as an Administrative Deficiency are actually determined to be beyond the scope of an Administrative Deficiency process, meaning that they in fact implicated matters of a material nature not susceptible to being resolved. Department staff may in good faith provide an Applicant confirmation that an Administrative Deficiency response has been received or that such response is satisfactory. Communications from staff that the response was satisfactory do not establish any entitlement to points, eligibility status, or to any presumption of having fulfilled any requirements. Final determinations regarding the sufficiency of documentation submitted to cure an Administrative Deficiency as well as the distinction between material and non-material missing information are reserved for the Director of Multifamily Finance, Executive Director, and Board.

(A) It is critical that the use of the Administrative Deficiency process not unduly slow the review process, and since the process is intended to clarify or correct matters or obtain non-material missing information (that should already be in existence), there is a reasonable expectation that a party responding to an Administrative Deficiency will be able to respond immediately. It is the responsibility of a person who receives an Administrative Deficiency to address the matter fully by the close of business on the date by which resolution must be complete and the Administrative Deficiency fully resolved. Merely submitting materials prior to that time places the responsibility on the responding party that if the materials do not fully resolve the matter there may be a point deduction or termination.

(B) Administrative Deficiencies for Competitive HTC Applications. Unless an extension has been timely requested and granted, if an Administrative Deficiency is not fully resolved to the satisfaction of the Department by 5:00 p.m. on the third business day following the date of the deficiency notice, then (1 point) shall be deducted from the selection criteria score. For each additional two (2) days the deficiency remains unresolved an additional (1 point) shall be deducted from the selection criteria score. If Administrative Deficiencies are not resolved by 5:00 p.m. on the seventh business day following the date of the deficiency notice, then the Application shall have (3 points) deducted and be terminated, subject to appeal. An Applicant may not change or supplement any part of an Application in any manner after the filing deadline or while the Application is under consideration for an award, and may not add any set-asides, increase the requested credit amount, revise the Unit mix (both income levels and Bedroom mixes), or adjust their self-score except in response to a direct request from the Department to do so as a result of an Administrative Deficiency. (§2306.6708(b); §2306.6708) To the extent that the review of Administrative Deficiency documentation or the imposing of point reductions for late responses alters the score assigned to the Application, such score will be reflected in the updated application log published on the Department's website.

(C) Administrative Deficiencies for all other Applications or sources of funds. If Administrative Deficiencies are not resolved to the satisfaction of the Department by 5:00 p.m. on the fifth business day following the date of the deficiency notice, then an Administrative Deficiency Notice Late Fee of \$500 for each business day the deficiency remains unresolved will be assessed, and the

Application will not be presented to the Board for consideration until all outstanding fees have been paid. Applications with unresolved deficiencies after 5:00 p.m. on the tenth day following the date of the deficiency notice will be terminated or suspended from further processing so long as the active Application does not impact the processing or underwriting of other Applications. The Applicant will be responsible for the payment of fees accrued pursuant to this paragraph regardless of any termination. Department staff may or may not assess an Administrative Deficiency Notice Late Fee for or terminate Applications for Tax-Exempt Bond or Direct Loan Developments during periods when private activity bond volume cap or Direct Loan funds are undersubscribed. Applicants should be prepared for additional time needed for completion of staff reviews as described in paragraph (2)(B) of this section.

(8) Limited Priority Reviews. If, after the submission of the Application, an Applicant identifies an error in the Application that could likely be the subject of an Administrative Deficiency, the Applicant may request a limited priority review of the specific and limited issues in need of clarification or correction. The issue may not relate to the score of an Application. This limited priority review may only cover the specific issue and not the entire Application. If the limited priority review results in the identification of an issue that requires correction or clarification, staff will request such through the Administrative Deficiency process as stated in paragraph (7) of this section, if deemed appropriate. A limited priority review is intended to address:

(A) clarification of issues that Department staff would have difficulty identifying due to the omission of information that the Department may have access to only through Applicant disclosure, such as a prior removal from a tax credit transaction or participation in a Development that is not identified in the previous participation portion of the Application; or

(B) technical correction of non-material information that would cause an Application deemed non-competitive to be deemed competitive and, therefore, subject to a staff review. For example, failure to mark the Nonprofit Set-Aside in an Application that otherwise included complete submission of documentation for participation in the Nonprofit Set-Aside.

(9) Challenges to Opposition. Any written statement from a Neighborhood Organization expressing opposition to an Application may be challenged if it is contrary to findings or determinations, including zoning determinations, of a municipality, county, school district, or other local Governmental Entity having jurisdiction or oversight over the finding or determination. If any such comment is challenged, the challenger must declare the basis for the challenge and submit such challenge by the Challenges to Neighborhood Organization Opposition Delivery Date as identified in §10.4 of this chapter and no later than May 1, 2017 for Competitive HTC Applications. The Neighborhood Organization expressing opposition will be given seven (7) calendar days to provide any information related to the issue of whether their assertions are contrary to the findings or determinations of a local Governmental Entity. All such materials and the analysis of the Department's staff will be provided to a fact finder, chosen by the Department, for review and a determination of the issue presented by this subsection. The fact finder will not make determinations as to the accuracy of the statements presented, but only with regard to whether the statements are contrary to findings or determinations of a local Governmental Entity. The fact finder's determination will be final and may not be waived or appealed.

§10.202. Ineligible Applicants and Applications. The purpose of this section is to identify those situations in which an Application or Applicant may be considered ineligible for Department funding and subsequently terminated. Such matters may be brought to the attention of staff by anyone, including members of the general public. If such ineligibility is raised by non-staff members it must be made in writing to the Executive Director and the Applicant and must cite the specific ineligible criteria under paragraph (1) of this section and provide factual evidence to support the

claim. Any unsupported claim or claim determined to be untrue may be subject to all remedies available to the Department or Applicant. Staff will make enquiry as it deems appropriate and present the matter to the Board, accompanied by staff's recommendation. The Board may take such action as it deems warranted by the facts presented, including any testimony that may be provided, either declining to take action, in which case the Applicant or Application, as applicable, remains eligible, or finding the Applicant is ineligible, or, for a matter relating to a specific Application, that that Application is ineligible. A Board finding of ineligibility is final. The items listed in this section include those requirements in §42 of the Code, Tex. Gov't Code, Chapter 2306, and other criteria considered important by the Department, and does not represent an exhaustive list of ineligibility criteria that may otherwise be identified in applicable rules or a NOFA specific to the programmatic funding. One or more of the matters enumerated in paragraph (1) of this section may also serve as a basis for debarment, or the assessment of administrative penalties, and nothing herein shall limit the Department's ability to pursue any such matter.

(1) Applicants. An Applicant shall be considered ineligible if any of the criteria in subparagraphs (A) - (M) of this paragraph apply to the Applicant. If any of the criteria apply to any other member of the Development Team, the Applicant will also be deemed ineligible unless a substitution of that Development Team member is specifically allowable under the Department's rules and sought by the Applicant or appropriate corrective action has been accepted and approved by the Department. An Applicant is ineligible if the Applicant:

(A) has been or is barred, suspended, or terminated from procurement in a state or Federal program, including listed in HUD's System for Award Management (SAM); (§2306.0504)

(B) has been convicted of a state or federal felony crime involving fraud, bribery, theft, misrepresentation of material fact, misappropriation of funds, or other similar criminal offenses within fifteen (15) years preceding the Application submission;

(C) is, at the time of Application, subject to an order in connection with an enforcement or disciplinary action under state or federal securities law or by the NASD; subject to a federal tax lien (other than a contested lien for which provision has been made); or the subject of a proceeding in which a Governmental Entity has issued an order to impose penalties, suspend funding, or take adverse action based on an allegation of financial misconduct or uncured violation of material laws, rules, or other legal requirements governing activities considered relevant by the Governmental Entity;

(D) has materially breached a contract with a public agency, and, if such breach is permitted to be cured under the contract, has been given notice of the breach and a reasonable opportunity to cure, and failed to cure that breach within the time specified in the notice of breach;

(E) has misrepresented to a subcontractor the extent to which the Developer has benefited from contracts or financial assistance that has been awarded by a public agency, including the scope of the Developer's participation in contracts with the agency, and the amount of financial assistance awarded to the Developer by the agency;

(F) has been found by the Board to be ineligible based on a previous participation review performed in accordance with Chapter 1 Subchapter C of this title;

(G) is delinquent in any loan, fee, or escrow payments to the Department in accordance with the terms of the loan, as amended, or is otherwise in default with any provisions of such loans;

(H) has failed to cure any past due fees owed to the Department within the time frame provided by notice from the Department and at least ten (10) days prior to the Board meeting at which the decision for an award is to be made;

(I) would be prohibited by a state or federal revolving door or other standard of conduct or conflict of interest statute, including Tex. Gov't Code, §2306.6733, or a provision of Tex. Gov't Code, Chapter 572, from participating in the Application in the manner and capacity they are participating;

(J) has, without prior approval from the Department, had previous Contracts or Commitments that have been partially or fully deobligated during the twelve (12) months prior to the submission of the Application, and through the date of final allocation due to a failure to meet contractual obligations, and the Person is on notice that such deobligation results in ineligibility under this chapter;

(K) has provided falsified documentation or made other intentional or negligent material misrepresentations or omissions in or in connection with an Application or Commitment for a Development.;

(L) was the owner or Affiliate of the owner of a Department assisted rental development for which the federal affordability requirements were prematurely terminated and the affordability requirements have not re-affirmed or Department funds repaid; or

(M) fails to disclose, in the Application, any Principal or any entity or Person in the Development ownership structure who was or is involved as a Principal in any other affordable housing transaction, that has terminated voluntarily or involuntarily within the past ten (10) years or plans to or is negotiating to terminate their relationship with any other affordable housing development. Failure to disclose is grounds for termination. The disclosure must identify the person or persons and development involved, the identity of each other development, and contact information for the other Principals of each such development, a narrative description of the facts and circumstances of the termination or proposed termination, and any appropriate supporting documents. An Application may be referred to the Board for termination based upon factors in the disclosure.

(2) Applications. An Application shall be ineligible if any of the criteria in subparagraphs (A) - (C) of this paragraph apply to the Application:

(A) a violation of Tex. Gov't Code, §2306.1113, exists relating to Ex Parte Communication. An ex parte communication occurs when an Applicant or Person representing an Applicant initiates substantive contact (other than permitted social contact) with a board member, or vice versa, in a setting other than a duly posted and convened public meeting, in any manner not specifically permitted by Tex. Gov't Code, §2306.1113(b). Such action is prohibited. For Applicants seeking funding after initial awards have been made, such as waiting list Applicants, the ex parte communication prohibition remains in effect so long as the Application remains eligible for funding. The ex parte provision does not prohibit the Board from participating in social events at which a Person with whom communications are prohibited may, or will be present; provided that no matters related to any Application being considered by the Board may be discussed. An attempted but unsuccessful prohibited ex parte communication, such as a letter sent to one or more board members but not opened, may be cured by full disclosure in a public meeting, and the Board may reinstate the Application and establish appropriate consequences for cured actions, such as denial of the matters made the subject to the communication.

(B) the Application is submitted after the Application submission deadline (time or date); is missing multiple parts of the Application; or has a Material Deficiency; or

(C) for any Development utilizing Housing Tax Credits or Tax-Exempt Bonds:

(i) at the time of Application or at any time during the two-year period preceding the date the Application Round begins (or for Tax-Exempt Bond Developments any time during the two-year period preceding the date the Application is submitted to the Department), the Applicant or a Related Party is or has been a person covered by Tex. Gov't Code, §2306.6703(a)(1) or §2306.6733;

(ii) the Applicant proposes to replace in less than fifteen (15) years any private activity bond financing of the Development described by the Application, unless the exceptions in Tex. Gov't Code, §2306.6703(a)(2) of the are met.

§10.203. Public Notifications (§2306.6705(9)). A certification, as provided in the Application, that the Applicant met the requirements and deadlines identified in paragraphs (1) - (3) of this section

The Department may request documentation at any time after submission of an Application of the Development Owner's ability to compel title of any affiliated property acquisition(s) and the Development Owner must be able to promptly provide such documentation or the Application, award, or Commitment may be terminated. The Department acknowledges and understands that the Property may have one or more encumbrances at the time of Application submission and the Department will take into account whether any such encumbrance is reasonable within the legal and financial ability of the Development Owner to address without delaying development on the timeline contemplated in the Application. Tax-Exempt Bond Lottery Applications must have Site Control valid through December 1 of the prior program year with the option to extend through March 1 of the current program year.

(B) In order to establish Site Control, one of the items described in clauses (i) - (iii) of this subparagraph must be provided. In the case of land donations, Applicants must demonstrate that the entity donating the land has Site Control as evidenced through one of the items described in clauses (i) - (iii) of this subparagraph or other documentation acceptable to the Department.

(i) a recorded warranty deed vesting indefeasible title in the Development Owner or, if transferrable to the Development Owner, an Affiliate of the Owner, with corresponding executed settlement statement (or functional equivalent for an existing lease with at least forty-five (45) years remaining); or

(ii) a contract or option for lease with a minimum term of forty-five (45) years that includes a price; address and/or legal description; proof of consideration in the form specified in the contract; and expiration date; or

(iii) a contract for sale or an option to purchase that includes a price; address and/or legal description; proof of consideration in the form specified in the contract; and expiration date;

(C) If the acquisition can be characterized as an identity of interest transaction, as described in §10.302 of this chapter, then the documentation as further described therein must be submitted in addition to that of subparagraph (B) of this paragraph.

(11) Zoning. (§2306.6705(5)) Acceptable evidence of zoning for all Developments must include one of subparagraphs (A) - (D) of this paragraph. In instances where annexation of a Development Site occurs while the Application is under review, the Applicant must submit evidence of appropriate zoning with the Commitment or Determination Notice.

(A) No Zoning Ordinance in Effect. The Application must include a letter from a local government official with appropriate jurisdiction stating that the Development is located within the boundaries of a political subdivision that has no zoning.

(B) Zoning Ordinance in Effect. The Application must include a letter from a local government official with appropriate jurisdiction stating the Development is permitted under the provisions of the zoning ordinance that applies to the location of the Development.

(C) Requesting a Zoning Change. The Application must include evidence in the form of a letter from a local government official with jurisdiction over zoning matters that the Applicant or Affiliate has made formal application for a required zoning change and that the jurisdiction has received a release whereby the applicant for the zoning change has agreed to hold the political subdivision and all other parties harmless in the event the appropriate zoning is not granted. Documentation of final approval of appropriate zoning must be submitted to the Department with the Commitment or Determination Notice.

(D) Zoning for Rehabilitation Developments. In an area with zoning, the Application must include documentation of current zoning. If the Property is currently conforming but with an overlay that would make it a non-conforming use as presently zoned, the Application must include a letter from a local government official with appropriate jurisdiction which addresses the items in clauses (i) - (v) of this subparagraph:

(i) a detailed narrative of the nature of non-conformance;

(ii) the applicable destruction threshold;

(iii) that it will allow the non-conformance;

(iv) Owner's rights to reconstruct in the event of damage; and

(v) penalties for noncompliance.

(12) Title Commitment/Policy. A title commitment or title policy must be submitted that includes a legal description that is consistent with the Site Control. If the title commitment or policy is dated more than six (6) months prior to the beginning of the Application Acceptance Period, then a letter from the title company indicating that nothing further has transpired during the six-month period on the commitment or policy must be submitted.

(A) The title commitment must list the name of the Development Owner as the proposed insured and lists the seller or lessor as the current owner of the Development Site.

(B) The title policy must show that the ownership (or leasehold) of the Development Site is vested in the name of the Development Owner.

(13) Ownership Structure and Previous Participation.

(A) Organizational Charts. A chart must be submitted that clearly illustrates the complete organizational structure of the final proposed Development Owner and of any Developer and Guarantor, identifying all Principals thereof and providing the names and ownership percentages of all Persons having an ownership interest in the Development Owner, Developer and Guarantor, as applicable, whether directly or through one or more subsidiaries. Nonprofit entities, public housing authorities, publicly traded corporations, individual board members, and executive directors must be included in this exhibit and trusts must list all beneficiaries that have the legal ability to control or direct activities of the trust and are not just financial beneficiaries.

(B) Previous Participation. Evidence must be submitted that each entity shown on the organizational chart described in subparagraph (A) of this paragraph that the Development Owner and each Affiliate, including entities and individuals (unless excluded under 10 TAC Chapter 1, Subchapter C) has provided a copy of the completed previous participation information to the Department. Individual Principals of such entities identified on the organizational chart must provide the previous participation information, unless excluded from such requirement pursuant to Chapter 1 Subchapter C of this title. In addition, any Person (regardless of any Ownership interest or lack thereof) receiving more than 10 percent of the Developer Fee is also required to submit this information. The information must include a list of all developments that are, or were, previously under ownership or Control of the Applicant and/or each Principal, including any Person providing the required experience. All participation in any Department funded or monitored activity, including non-housing activities, as well as Housing Tax Credit developments or other programs administered by other states using state or federal programs must be disclosed. The individuals providing previous participation information will authorize the parties overseeing such assistance to release compliance histories to the Department.

(14) Nonprofit Ownership. Applications that involve a §501(c)(3) or (4) nonprofit General Partner or Owner shall submit the documentation identified in subparagraph (A) or (B) of this paragraph as applicable.

(A) Competitive HTC Applications. Applications for Competitive Housing Tax Credits involving a §501(c)(3) or (4) nonprofit General Partner and which meet the Nonprofit Set-Aside requirements, must submit all of the documents described in this subparagraph and indicate the nonprofit status on the carryover documentation and IRS Forms 8609. (§2306.6706) Applications that include an affirmative election to not be treated under the set-aside and a certification that they do not expect to receive a benefit in the allocation of tax credits as a result of being affiliated with a nonprofit only need to submit the documentation in subparagraph (B) of this paragraph.

(i) An IRS determination letter which states that the nonprofit organization has been determined by the Internal Revenue Service to be tax-exempt under §501(c)(3) or (4) of the Code;

(ii) The Nonprofit Participation exhibit as provided in the Application, including a list of the names and contact information for all board members, directors, and officers;

(II) not more than ninety (90) miles from the Development, if the Development is not located in a Rural Area.

(B) All Other Applications. Applications that involve a §501(c)(3) or (4) nonprofit General Partner or Owner must submit an IRS determination letter which states that the nonprofit organization has been determined by the Internal Revenue Service to be tax-exempt under §501(c)(3) or (4) of the Code; and the Nonprofit Participation exhibit as provided in the Application. If the Application involves a nonprofit that is not exempt from taxation under §501(c)(3) or (4) of the Code, then they must disclose in the Application the basis of their nonprofit status.

(15) Site Design and Development Feasibility Report. This report, compiled by the Applicant or Third Party Consultant, and prepared in accordance with this paragraph, which reviews site conditions and development requirements of the Development and Development Site, is required for any New Construction or Reconstruction Development.

(A) Executive Summary as a narrative overview of the Development in sufficient detail that would help a reviewer of the Application better understand the site, the site plan, off site requirements (including discussion of any seller contributions or reimbursements), any other unique development requirements, and their impact on Site Work and Off Site Construction costs. The summary should contain a general statement regarding the level of due diligence that has been done relating to site development (including discussions with local government development offices). Additionally, the overview should contain a summary of zoning requirements, subdivision requirements, property identification number(s) and millage rates for all taxing jurisdictions, development ordinances, fire department requirements, site ingress and egress requirements, building codes, and local design requirements impacting the Development (include website links but do not attach copies of ordinances). Careful focus and attention should be made regarding any atypical items materially impacting costs or the successful and timely execution of the Development plan.

(B) Survey or current plat as defined by the Texas Society of Professional Surveyors in their Manual of Practice for Land Surveying in Texas (Category 1A - Land Title Survey or Category 1B - Standard Land Boundary Survey). Surveys may not be older than twelve (12) months from the beginning of the Application Acceptance Period. Plats must include evidence that it has been recorded with the appropriate local entity and that, as of the date of submission, it is the most current plat. Applications proposing noncontiguous single family scattered sites are not required to submit surveys or plats at Application, but this information may be requested during the Real Estate Analysis review.

(C) Preliminary site plan prepared by the civil engineer with a statement that the plan materially adheres to all applicable zoning, site development, and building code ordinances. The site plan must

identify all structures, site amenities, parking spaces (include handicap spaces and ramps) and driveways, topography (using either existing seller topographic survey or U.S. Geological Survey (USGS)/other database topography), site drainage and detention, water and waste water utility tie-ins, general placement of retaining walls, set-back requirements, and any other typical or locally required items. Off-site improvements required for utilities, detention, access or other requirement must be shown on the site plan or ancillary drawings.

(D) Architect or civil engineer prepared statement describing the entitlement, site development permitting process and timing, building permitting process and timing, and an itemization specific to the Development of total anticipated impact, site development permit, building permit, and other required fees.

(16) Section 811 Project Rental Assistance Program. All Applications must meet the requirements of subparagraphs (A) or (B) of this paragraph. Applications that are unable meet the requirements of subparagraphs (A) or (B) must certify to that effect in the Application.

(A) Applicants must apply for and obtain a determination by the Department that an Existing Development is approved to participate in the Department's Section 811 Project Rental Assistance Program ("Section 811 PRA Program"). The approved Existing Development must commit at least 10 units to the Section 811 PRA Program. An approved Existing Development may be used to satisfy the requirements of this paragraph in more than one Housing Tax Credit or other Multifamily Housing program Application, as long as at the time of Carryover, Award Letter or Determination Notice, as applicable, a minimum of 10 Units are provided for each Development awarded housing tax credits or Direct Loan funds. Once an Applicant submits their Application, Applicants may not withdraw their commitment to satisfy the threshold criteria of this subparagraph, although an Applicant may request to utilize a different approved Existing Development than the one submitted in association with the awarded Application to satisfy this criteria. Existing Developments that are included in an Application that does not receive an award are not obligated to participate in the Section 811 PRA Program.

(B) Applicants that cannot meet the requirements of subparagraph (A) of this paragraph must submit evidence of such through a self-certification that the Applicant and any Affiliate do not have an ownership interest in or control of any Existing Development that would meet the criteria outlined in the Section 811 PRA Program Request for Applications, and if applicable, by submitting a copy of any rejection letter(s) that have been provided in response to the Request for Applications. In such cases, the Applicant is able to satisfy the threshold requirement of this paragraph through this subparagraph (B). Applications must meet all of the requirements in clauses (i) – (v) of this subparagraph. Applicants must commit at least 10 Units in the Development for which the Application(s) has been submitted for participation in the Section 811 PRA Program unless the Integrated Housing Rule (10 TAC §1.15) or Section 811 PRA Program guidelines or other requirements limit the proposed Development to fewer than 10 Units. Once elected in the Application(s), Applicants may not withdraw their commitment to have the proposed Development participate in the Section 811 PRA Program unless the Department determines that the Development cannot meet all of the Section 811 PRA Program criteria or the Applicant chooses to request an amendment by Carryover, Award Letter, or subsequent to the issuance of the Determination Notice but prior to closing (for Tax-Exempt Bond Developments), or to place the Units on an Approved Existing Development. If the Applicant or an Affiliate obtain an ownership interest in an Approved Existing Development, the Applicant can submit an Amendment request authorizing that the Application satisfies this criteria under subparagraph (A), not subparagraph (B). Such an Amendment request will be considered a non-material change that has not been implemented, and Applicants will not be subject to the amendment fee required under §10.901(13) (relating to Fee Schedule, Appeals and other Provisions).

- (i) The Development must not be an ineligible Elderly Development;
- (ii) Unless the Development is also proposing to use any federal funding, the Development must not be originally constructed before 1978;
- (iii) The Development must have units available to be committed to the Section 811 PRA Program in the Development, meaning that those Units do not have any other sources of project-based rental assistance within 6 months of receiving Section 811 PRA Program assistance, not have an existing use restriction for Extremely Low-income households, and the Units do not have an existing restriction for Persons with Disabilities;
- (iv) The Development Site must be located in one of the following areas: Austin-Round Rock MSA, Brownsville-Harlingen MSA, Corpus Christi MSA; Dallas-Fort Worth-Arlington MSA; El Paso MSA; Houston-The Woodlands-Sugar Land MSA; McAllen-Edinburg-Mission MSA; or San Antonio-New Braunfels MSA; and
- (v) No new construction activities of projects shall be located in the mapped 500-year floodplain or in the 100-year floodplain according to FEMA's Flood Insurance Rate Maps (FIRM). Rehabilitation Developments that have previously received HUD funding or obtained HUD insurance do not have to follow sections (i) – (iii) of this subparagraph. Existing structures may be assisted in these areas, except for sites located in coastal high hazard areas (V Zones) or regulatory floodways, but must meet the following requirements:
 - (I) The existing structures must be flood-proofed or must have the lowest habitable floor and utilities elevated above both the 500-year floodplain and the 100-year floodplain.
 - (II) The project must have an early warning system and evacuation plan that includes evacuation routing to areas outside of the applicable floodplains.
 - (III) Project structures in the 100-year floodplain must obtain flood insurance under the National Insurance Program. No activities or projects located within the 100-year floodplain may be assisted in a community that is not participating in or has been suspended from the National Flood Insurance Program.

§10.205. Required Third Party Reports. The Environmental Site Assessment, Property Condition Assessment, Appraisal (if applicable), and the Market Analysis must be submitted no later than the Third Party Report Delivery Date as identified in §10.4 of this chapter (relating to Program Dates). For Competitive HTC Applications, the Environmental Site Assessment, Property Condition Assessment, Appraisal (if applicable), and the Primary Market Area map (with definition based on census tracts, and site coordinates in decimal degrees, area of PMA in square miles, and list of census tracts included) must be submitted no later than the Full Application Delivery Date as identified in §11.2 of this title (relating to Program Calendar for Competitive Housing Tax Credits) and the Market Analysis must be submitted no later than the Market Analysis Delivery Date as identified in §11.2 of this title. For Competitive HTC Applications, if the reports, in their entirety, are not received by the deadline, the Application will be terminated. An electronic copy of the report in the format of a single file containing all information and exhibits clearly labeled with the report type, Development name and Development location are required. All Third Party reports must be prepared in accordance with Subchapter D of this chapter (relating to Underwriting and Loan Policy). The Department may request additional information from the report provider or revisions to the report as needed. In instances of non-response by the report provider, the Department may substitute in-house analysis. The Department is not bound by any opinions expressed in the report.

(1) Environmental Site Assessment. This report, required for all Developments and prepared in accordance with the requirements of §10.305 of this chapter (relating to Environmental Site Assessment Rules and Guidelines), must not be dated more than twelve (12) months prior to the first day of the Application Acceptance Period. If this timeframe is exceeded, then a letter or

updated report must be submitted, dated not more than three (3) months prior to the first day of the Application Acceptance Period from the Person or organization which prepared the initial assessment confirming that the site has been re-inspected and reaffirming the conclusions of the initial report or identifying the changes since the initial report.

(A) Developments funded by USDA will not be required to supply this information; however, it is the Applicant's responsibility to ensure that the Development is maintained in compliance with all state and federal environmental hazard requirements.

(B) If the report includes a recommendation that an additional assessment be performed, then a statement from the Applicant must be submitted with the Application indicating those additional assessments and recommendations will be performed prior to closing. If the assessments require further mitigating recommendations, then evidence indicating the mitigating recommendations have been carried out must be submitted at cost certification.

(2) Market Analysis. The Market Analysis, required for all Developments and prepared in accordance with the requirements of §10.303 of this chapter (relating to Market Analysis Rules and Guidelines), must not be dated more than six (6) months prior to the first day of the Application Acceptance Period. If the report is older than six (6) months, but not more than twelve (12) months prior to the first day of the Application Acceptance Period, the Qualified Market Analyst that prepared the report may provide a statement that reaffirms the findings of the original Market Analysis. The statement may not be dated more than six (6) months prior to the first day of the Application Acceptance Period and must be accompanied by the original Market Analysis.

(A) The report must be prepared by a disinterested Qualified Market Analyst approved by the Department in accordance with the approval process outlined in §10.303 of this chapter;

(B) Applications in the USDA Set-Aside proposing Rehabilitation with residential structures at or above 80 percent occupancy at the time of Application submission, the appraisal, required for Rehabilitation Developments and Identity of Interest transactions prepared in accordance with §10.304 of this chapter (relating to Appraisal Rules and Guidelines), will satisfy the requirement for a Market Analysis; however, the Department may request additional information as needed. (§2306.67055; §42(m)(1)(A)(iii))

(C) It is the responsibility of the Applicant to ensure that this analysis forms a sufficient basis for the Applicant to be able to use the information obtained to ensure that the Development will comply with fair housing laws.

(3) Property Condition Assessment (PCA). This report, required for Rehabilitation (excluding Reconstruction) and Adaptive Reuse Developments and prepared in accordance with the requirements of §10.306 of this chapter (relating to Property Condition Assessment Guidelines), must not be dated more than six (6) months prior to the first day of the Application Acceptance Period. If the report is older than six (6) months, but not more than twelve (12) months prior to the first day of the Application Acceptance Period, the report provider may provide a statement that reaffirms the findings of the original PCA. The statement may not be dated more than six (6) months prior to the first day of the Application Acceptance Period and must be accompanied by the original PCA. For Developments which require a capital needs assessment from USDA the capital needs assessment may be substituted and may be more than six (6) months old, as long as USDA has confirmed in writing that the existing capital needs assessment is still acceptable and it meets the requirements of §10.306 of this chapter. All Rehabilitation Developments financed with Direct Loans must also submit a capital needs assessment estimating the useful life of each major system. This assessment must include a comparison between the local building code and the International Existing Building Code of the International Code Council.

(4) Appraisal. This report, required for all Rehabilitation Developments and prepared in accordance with the requirements of §10.304 of this chapter, is required for any Application claiming any

portion of the building acquisition in Eligible Basis, and Identity of Interest transactions pursuant to Subchapter D of this chapter, must not be dated more than six (6) months prior to the first day of the Application Acceptance Period. For Developments that require an appraisal from USDA, the appraisal may be more than six (6) months old, as long as USDA has confirmed in writing that the existing appraisal is still acceptable.

§10.206. Board Decisions (§§2306.6725(c); 2306.6731; and 42(m)(1)(A)(iv)). The Board's decisions regarding awards shall be based upon the Department's and the Board's evaluation of the proposed Developments' consistency with, and fulfillment of, the criteria and requirements set forth in this chapter, Chapter 11 of this title (relating to Housing Tax Credit Program Qualified Allocation Plan) and other applicable Department rules and other applicable state, federal and local legal requirements, whether established in statute, rule, ordinance, published binding policy, official finding, or court order. The Board shall document the reasons for each Application's selection, including any discretionary factors used in making its determination, including good cause, and the reasons for any decision that conflicts with the recommendations made by Department staff. Good cause includes the Board's decision to apply discretionary factors where authorized. The Department reserves the right to reduce the amount of funds requested in an Application, condition the award recommendation or terminate the Application based on the Applicant's inability to demonstrate compliance with program requirements.

§10.207. Waiver of Rules for Applications.

(a) General Waiver Process. This waiver section, unless otherwise specified, is applicable to Subchapter A (relating to General Information and Definitions), Subchapter B of this chapter (relating to Site and Development Requirements and Restrictions), Subchapter C of this chapter (relating to Application Submission Requirements, Ineligibility Criteria, Board Decisions, and Waiver of Rules for Applications), Subchapter D of this chapter (relating to Underwriting and Loan Policy), Subchapter E of this chapter (relating to Post Award and Asset Management Requirements), Subchapter F of this chapter (relating to Compliance Monitoring) Subchapter G of this chapter (relating to Fee Schedule, Appeals, and Other Provisions), Chapter 11 of this title (relating to Housing Tax Credit Program Qualified Allocation Plan), Chapter 12 of this title (relating to Multifamily Housing Revenue Bond Rules), and Chapter 13 (relating to Multifamily Direct Loan Program Rules). An Applicant may request a waiver in writing at or prior to the submission of the pre-application (if applicable) or the Application or subsequent to an award. Waiver requests on Competitive HTC Applications will not be accepted between submission of the Application and any award for the Application. Staff may identify and initiate a waiver request as part of another Board action request. Where appropriate, the Applicant is encouraged to submit with the requested waiver any plans for mitigation or alternative solutions. Any such request for waiver must be specific to the unique facts and circumstances of an actual proposed Development and must be submitted to the Department in the format required in the Multifamily Programs Procedures Manual. Any waiver, if granted, shall apply solely to the Application and shall not constitute a general modification or waiver of the rule involved. Waiver requests that are limited to Development design and construction elements not specifically required in Tex. Gov't Code, Chapter 2306 must meet the requirements of paragraph (1) of this subsection. All other waiver requests must meet the requirements of paragraph (2) of this subsection.

(1) The waiver request must establish good cause for the Board to grant the waiver which may include limitations of local building or zoning codes, limitations of existing building structural elements for Adaptive Reuse or Rehabilitation (excluding Reconstruction) Developments, required amenities or design elements in buildings designated as historic structures that would conflict with

retaining the historic nature of the building(s), or provisions of the design element or amenity that would not benefit the tenants due to limitations of the existing layout or design of the units for Adaptive Reuse or Rehabilitation (excluding Reconstruction) Developments. Staff may recommend the Board's approval for such a waiver if the Executive Director finds that the Applicant has established good cause for the waiver. A recommendation for a waiver may be subject to the Applicant's provision of alternative design elements or amenities of a similar nature or that serve a similar purpose. Waiver requests for items that were elected to meet scoring criteria or where the Applicant was provided a menu of options to meet the requirement will not be considered under this paragraph.

(2) The waiver request must establish how it is necessary to address circumstances beyond the Applicant's control and how, if the waiver is not granted, the Department will not fulfill some specific requirement of law. In this regard, the policies and purposes articulated in Tex. Gov't Code, §§2306.001, 2306.002, 2306.359, and 2306.6701, are general in nature and apply to the role of the Department and its programs, including the Housing Tax Credit program.

(b) Waivers Granted by the Board. The Board, in its discretion, may waive any one or more of the rules in Subchapters A through G of this chapter, Chapter 11, Chapter 12 and Chapter 13, except no waiver shall be granted to provide directly or implicitly any forward commitments or any waiver that is prohibited by statute (i.e., statutory requirements may not be waived). The Board, in its discretion, may grant a waiver that is in response to a natural, federally declared disaster that occurs after the adoption of the multifamily rules to the extent authorized by a governor declared disaster proclamation suspending regulatory requirements.
