The Uniform Multifamily Rules, as adopted by the Department's Governing Board on November 10, 2016, (and subsequently published in the Texas Register and effective on December 29, 2016, for the 2017 program year) contained a reference error relating to common amenities required as part of the threshold requirements for all multifamily developments. The reference error under §10.101(b)(5) requires all multifamily developments to construct a porte-cochere, instead of incorporating Green Building Features, which is what should have been the correct reference.

To address the error, the Department's Governing Board at its meeting on January 26, 2017, granted a waiver to all 2017 multifamily development applications so that having a porte-cochere would not be a requirement. While historically, a multifamily development was required to have some of the required points come from the Green Building Features to meet the threshold requirement, this will not be required for 2017 applications, although applicants may select the option if they would like.

Staff intends to correct the reference that would require a portion of the points required to meet threshold come from the list of Green Building Features when it begins drafting the 2018 Uniform Multifamily Rules later this year.

## Uniform Multifamily Rules

### Subchapter A – General Information and Definitions

**§10.1.Purpose.** This chapter applies to an award of multifamily development funding or other assistance including the award of Housing Tax Credits by the Texas Department of Housing and Community Affairs (the "Department") and establishes the general requirements associated in making such awards. Applicants pursuing such assistance from the Department are required to certify, among other things, that they have familiarized themselves with the rules that govern that specific program including, but not limited to, Chapter 1 Subchapter C of this title (relating to Previous Participation), Chapter 11 of this title (relating to Housing Tax Credit Program Qualified Allocation Plan), Chapter 12 of this title (relating to Multifamily Housing Revenue Bond Rules) and other Department rules. This chapter does not apply to any project-based rental assistance or operating assistance programs or funds unless incorporated by reference in whole or in part in a Notice of Funding Availability ("NOFA") or rules for such a program except to the extent that Developments receiving such assistance and otherwise subject to this chapter remain subject to this chapter.

#### **§10.2.General.**

**(a) Due Diligence and Applicant Responsibility.** Department staff may, from time to time, make available for use by Applicants information and informal guidance in the form of reports, frequently asked questions, rent and income limits, and responses to specific questions. The Department encourages communication with staff in order to clarify any issues that may not be fully addressed in the multifamily rules or may be unclear when applied to specific facts. However, while these resources are offered to help Applicants prepare and submit accurate information, Applicants should also appreciate that this type of guidance is limited by its nature and that staff will apply the multifamily rules to each specific situation as it is presented in the submitted Application. In addition, although the Department may compile data from outside sources in order to assist Applicants in the Application process, it remains the sole responsibility of the Applicant to independently perform the necessary due diligence to research, confirm, and verify any data, opinions, interpretations or other information upon which Applicant bases an Application.

**(b) Board Standards for Review.** Some issues may require or benefit from board review. The Board is not constrained to a particular standard, and while its actions on one matter are not binding as to how it will address another matter, the Board does seek to promote consistency with its policies, including the policies set forth in this chapter.

**(c) Census Data.** Where this chapter requires the use of census or American Community Survey data, the Department shall use the most current data available as of October 1, 2016, unless specifically otherwise provided in federal or state law or in the rules. The availability of more current data shall generally be disregarded. For Rural Area and Urban Area designations, the Department shall use in establishing the designations, the U.S. Census Bureau's Topographically Integrated Geographic Encoding and Referencing

("TIGER") shape files applicable for the population dataset used in making such designations.

**(d) Public Information Requests.** Pursuant to Tex. Gov't Code, §2306.6717, any pre-application and any full Application, including all supporting documents and exhibits, must be made available to the public, in their entirety, on the Department's website. The filing of a pre-application or Application with the Department shall be deemed as consent to the release of any and all information contained therein, including supporting documents and exhibits, and as a waiver of any of the applicable provisions of Tex. Gov't Code, Chapter 552, with the exception of any such provisions that are considered by law as not subject to a waiver.

**(e) Responsibilities of Municipalities and Counties.** In providing resolutions regarding housing de-concentration issues, threshold requirements, or scoring criteria, municipalities and counties should consult their own staff and legal counsel as to whether such resolution will be consistent with Fair Housing laws as they may apply, including, as applicable, consistency with any Fair Housing Activity Statement-Texas ("FHASt") form on file, any current Analysis of Impediments to Fair Housing Choice, any Affirmatively Further Fair Housing analysis, or any current plans such as one year action plans or five year consolidated plans for HUD block grant funds, such as HOME or CDBG funds.

**(f) Deadlines.** Where a specific date or deadline is identified in this chapter, the information or documentation subject to the deadline must be submitted on or before 5:00 p.m. Austin local time on the day of the deadline. If the deadline falls on a weekend or holiday, the deadline is 5:00 p.m. Austin local time on the next day which is not a weekend or holiday and on which the Department is open for general operation. Unless otherwise noted deadlines are based on calendar days.

### **§10.3. Definitions.**

(a) Terms defined in this chapter apply to the Housing Tax Credit Program, Multifamily Housing Revenue Bond Program, Direct Loan Program and any other programs for the development of affordable rental property administered by the Department and as may be defined in this title. Any capitalized terms not specifically mentioned in this section or any section referenced in this document shall have the meaning as defined in Tex. Gov't Code Chapter 2306, Internal Revenue Code (the "Code") §42, the HOME Final Rule, and other Department rules, as applicable.

(1) Adaptive Reuse--The change-in-use of an existing building not, at the time of Application, being used, in whole or in part, for residential purposes (e.g., school, warehouse, office, hospital, hotel, etc.), into a building which will be used, in whole or in part, for residential purposes. Adaptive reuse requires that the exterior walls of the existing building remain in place. All units must be contained within the original exterior walls of the existing building. Porches and patios may protrude beyond the exterior walls. Ancillary non-residential buildings, such as a clubhouse, leasing office and/or amenity center may be

newly constructed outside the walls of the existing building or as detached buildings on the Development Site.

(2) Administrative Deficiencies--Information requested by Department staff that is required to clarify or correct one or more inconsistencies or to provide non-material missing information in the original Application or to assist staff in evaluating the Application that, in the Department staff's reasonable judgment, may be cured by supplemental information or explanation which will not necessitate a substantial reassessment or re-evaluation of the Application. Administrative Deficiencies may be issued at any time while the Application or Contract is under consideration by the Department, including at any time while reviewing performance under a Contract, processing documentation for a Commitment of Funds, closing of a loan, processing of a disbursement request, close-out of a Contract, or resolution of any issues related to compliance.

(3) Affiliate--An individual, corporation, partnership, joint venture, limited liability company, trust, estate, association, cooperative or other organization or entity of any nature whatsoever that directly, or indirectly through one or more intermediaries, has Control of, is Controlled by, or is under common Control with any other Person. All entities that share a Principal are Affiliates.

(4) Affordability Period--The Affordability Period commences as specified in the Land Use Restriction Agreement (LURA) or federal regulation, or commences on the first day of the Compliance Period as defined by the Code §42(i)(1), and continues through the appropriate program's affordability requirements or termination of the LURA, whichever is earlier. The term of the Affordability Period shall be imposed by the LURA or other deed restriction and may be terminated upon foreclosure or deed in lieu of foreclosure. The Department reserves the right to extend the Affordability Period for Direct Loan Developments that fail to meet program requirements. During the Affordability Period, the Department shall monitor to ensure compliance with programmatic rules as applicable, regulations, and Application representations.

(5) Applicable Percentage--The percentage used to determine the amount of the Housing Tax Credit for any Development, as defined more fully in the Code §42(b).

(A) for purposes of the Application, the Applicable Percentage will be projected at:

(i) nine percent for 70 percent present value credits, pursuant to the Code, §42(b);  
or

(ii) fifteen basis points over the current applicable percentage for 30 percent present value credits, unless fixed by Congress, pursuant to §42(b) of the Code for the month in which the Application is submitted to the Department.

(B) For purposes of making a credit recommendation at any other time, the Applicable Percentage will be based on:

(i) the percentage indicated in the Agreement and Election Statement, if executed;  
or

(ii) the percentage as calculated in subparagraph (A) of this paragraph if the Agreement and Election Statement has not been executed and no buildings have been placed in service.

(6) Applicant--Means any individual or a group of individuals and any Affiliates who file an Application for funding or tax credits subject to the requirements of this chapter or 10 TAC Chapters 11, 12, or 13 and who may contemplate the later formation of one or more business entities, such as a limited partnership, that is to be engaged in the ownership of a Development. In administering the application process the Department staff will assume that the applicant will be able to form any such entities and that all necessary rights, powers, and privileges including, but not limited to, site control will be transferable to that entity. The formation of the ownership entity, qualification to do business (if needed), and transfer of such rights, powers, and privileges must be accomplished as required in this Chapter and 10 TAC Chapters 11, 12 and 13, as applicable.

A den, study or other similar space that could reasonably function as a bedroom and meets this definition is considered a bedroom.

(19) Commitment (also referred to as Contract)--A legally binding written contract, setting forth the terms and conditions under which housing tax credits, loans, grants or other sources of funds or financial assistance from the Department will be made available.

(20) Commitment of Funds--Occurs after the Development is approved by the Board and once a Commitment or Award Letter and Loan Term Sheet is executed between the Department and Development Owner. For Direct Loan Programs, this process is distinct from "Committing to a specific local project" as defined in 24 CFR Part 92, which may occur when the activity is set up in the disbursement and information system established by HUD; known as the Integrated Disbursement and Information System (IDIS). The Department's commitment of funds may not align with commitments made by other financing parties.

(29) Control (including the terms "Controlling," "Controlled by," and/or "under common Control with")--The power, ability, or authority, acting alone or in concert with others, directly or indirectly, to manage, direct, superintend, restrict, regulate, govern, administer, or oversee. As used herein "acting in concert" involves more than merely serving as a single member of a multi-member body. For example a single director on a five person board is not automatically deemed to be acting in concert with the other members of the board because they retain independence of judgment. However, if that director is one of three directors on a five person board who all represent a single shareholder, they clearly represent a single interest and are presumptively acting in concert. Similarly, a single shareholder owning only a five percent interest might not exercise control under ordinary circumstances, but if they were in a voting trust under which a majority block of shares were voted as a group, they would be acting in concert with others and in a control position. However, even if a member of a multi-member body is not acting in concert and therefore does not exercise control in that role, they may have other roles, such as executive officer positions, which involve actual or apparent authority to exercise control. Controlling entities of a partnership include the general partners, may include special limited partners when applicable, but not investor limited partners or special limited partners who do not possess other factors or attributes that give them Control. Controlling entities of a limited liability company include but are not limited to the managers, managing members, any members with 10 percent or more ownership of the limited liability company, and any members with authority similar to that of a general partner in a limited partnership, but not investor members who do not possess other factors or attributes that give them Control. Controlling individuals or entities of a corporation, including non-profit corporations, include voting members of the corporation's board, whether or not any one member did not participate in a particular decision due to recusal or absence. Multiple Persons may be deemed to have Control simultaneously.

(30) Credit Underwriting Analysis Report--Sometimes referred to as the "Report." A decision making tool used by the Department and Board containing a synopsis and reconciliation of the Application information submitted by the Applicant.

For example: A two Bedroom/one full bath Unit is considered a different Unit Type than a two Bedroom/two full bath Unit. A three Bedroom/two full bath Unit with 1,000 square feet is considered a different Unit Type than a three Bedroom/two full bath Unit with 1,200 square feet. A one Bedroom/one full bath Unit with 700 square feet will be considered an equivalent Unit Type to a one Bedroom/one full bath Unit with 800 square feet. A powder room is the equivalent of a half-bathroom but does not by itself constitute a change in Unit Type.

The Market Analyst may not consider such development stabilized in the Market Study.

(141) Urban Area--A Place that is located within the boundaries of a primary metropolitan statistical area or a metropolitan statistical area other than a Place described by paragraph (117)(A) of this subsection. **(b) Request for Staff Determinations.** Where the definitions of Development, Development Site, New Construction, Rehabilitation, Reconstruction, Adaptive Reuse, and Target Population fail to account fully for the activities proposed in an Application, an Applicant may request and Department staff may provide a determination to an Applicant explaining how staff will review an Application in relation to these specific terms and their

usage within the applicable rules. Such request must be received by the Department prior to submission of the pre-application (if applicable to the program) or Application (if no pre-application was submitted). Staff's determination may take into account the purpose of or policies addressed by a particular rule or requirement, materiality of elements, substantive elements of the development plan that relate to the term or definition, the common usage of the particular term, or other issues relevant to the rule or requirement. All such determinations will be conveyed in writing. If the determination is finalized after submission of the pre-application or Application, the Department may allow corrections to the pre-application or the Application that are directly related to the issues in the determination. It is an Applicant's sole responsibility to request a determination and an Applicant may not rely on any determination for another Application regardless of similarities in a particular fact pattern. For any Application that does not request and subsequently receive a determination, the definitions and applicable rules will be applied as used and defined herein. Such a determination is intended to provide clarity with regard to Applications proposing activities such as: scattered site development or combinations of construction activities (e.g., Rehabilitation with some New Construction). An Applicant may appeal a determination for their Application if the determination provides for a treatment that relies on factors other than the explicit definition. A Board determination or a staff determination not timely appealed cannot be further appealed or challenged.

**§10.4.Program Dates.** This section reflects key dates for all multifamily development programs except for the Competitive Housing Tax Credit Program. A program calendar for the Competitive Housing Tax Credit Program is provided in Chapter 11 of this title (relating to Housing Tax Credit Program Qualified Allocation Plan). Applicants are strongly encouraged to submit the required items well in advance of established deadlines. Non-statutory deadlines specifically listed in this section may be extended by the Department for a period of not more than five (5) business days provided; however, that the Applicant requests an extension prior to the date of the original deadline and has established to the reasonable satisfaction of the Department that there is good cause for the extension. Except as provided for under 10 TAC §1.1 relating to Reasonable Accommodation Requests, extensions relating to Administrative Deficiency deadlines may only be extended if documentation needed to resolve the item is needed from a Third Party or the documentation involves signatures needed on certifications in the Application.

**(1) Full Application Delivery Date.** The deadline by which the Application must be submitted to the Department. For Direct Loan Applications, such deadline will generally be defined in the applicable NOFA and for Tax-Exempt Bond Developments, such deadlines are more fully explained in §10.201(2) of this chapter (relating to Procedural Requirements for Application Submission).

**(2) Notice to Submit Lottery Application Delivery Date.** No later than December 9, 2016, Applicants that receive an advance notice regarding a Certificate of Reservation must submit a notice to the Department, in the form prescribed by the Department.

**(3) Applications Associated with Lottery Delivery Date.** No later than December 16, 2016, Applicants that participated in the Texas Bond Review Board Lottery must submit the complete tax credit Application to the Department.

**(4) Administrative Deficiency Response Deadline.** Such deadline shall be five (5) business days after the date on the deficiency notice without incurring a penalty fee pursuant to §10.901 of this chapter (relating to Fee Schedule).

**(5) Third Party Report Delivery Date** (Environmental Site Assessment (ESA), Property Condition Assessment (PCA), Appraisal (if applicable), Market Analysis and the Site Design and Development Feasibility Report). For Direct Loan Applications, the Third Party reports meeting specific requirements described in §10.205 must be submitted with the Application in order for it to be considered a complete Application, unless the Application is made in conjunction with an Application for Housing Tax Credits or Tax Exempt Bond, in which case the Delivery Date for those programs will apply. For Tax-Exempt Bond Developments, the Third Party Reports must be submitted no later than seventy-five (75) calendar days prior to the Board meeting at which the tax credits will be considered. The seventy-five (75) calendar day deadlines are available on the Department's website.

**(6) Resolutions Delivery Date.** Resolutions required for Tax-Exempt Bond Developments must be submitted no later than fourteen (14) calendar days before the Board meeting at which consideration of the award will occur. If the Direct Loan Application is made in conjunction with an Application for Housing Tax Credits, or Tax-Exempt Bond Developments, the Resolution Delivery Date for those programs will apply to the Direct Loan Application.

**(7) Challenges to Neighborhood Organization Opposition Delivery Date.** No later than forty-five (45) calendar days prior to the Board meeting at which consideration of the award will occur.

## Subchapter B – Site and Development Requirements and Restrictions

### §10.101.Site and Development Requirements and Restrictions.

**(a) Site Requirements and Restrictions.** The purpose of this section is to identify specific requirements and restrictions related to a Development Site seeking multifamily funding or assistance from the Department.

**(1) Floodplain.** New Construction or Reconstruction Developments located within a one-hundred (100) year floodplain as identified by the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Maps must develop the site in full compliance with the National Flood Protection Act and all applicable federal and state statutory and regulatory requirements. The Applicant will have to use floodplain maps and comply with regulation as they exist at the time of commencement of construction. Even if not required by such provisions, the Site must be developed so that all finished ground floor elevations are at least one foot above the floodplain and parking and drive areas are no lower than six inches below the floodplain. If there are more stringent local requirements they must also be met. If no FEMA Flood Insurance Rate Maps are available for the proposed Development Site, flood zone documentation must be provided from the local government with jurisdiction identifying the one-hundred (100) year floodplain. Rehabilitation (excluding Reconstruction) Developments with existing and ongoing federal funding assistance from the U.S. Department of Housing and Urban Development (HUD) or U.S. Department of Agriculture (USDA) are exempt from this requirement. However, where existing and ongoing federal assistance is not applicable such Rehabilitation (excluding Reconstruction) Developments will be allowed in the one-hundred (100) year floodplain provided the local government has undertaken and can substantiate sufficient mitigation efforts and such documentation is submitted in the Application or the existing structures meet the requirements that are applicable for New Construction or Reconstruction Developments, as certified to by a Third Party engineer.

**(2) Undesirable Site Features.** Development Sites within the applicable distance of any of the undesirable features identified in subparagraphs (A) - (K) of this paragraph may be considered ineligible as determined by the Board, unless the Applicant provides information regarding mitigation of the applicable undesirable site feature(s). Rehabilitation (excluding Reconstruction) Developments with ongoing and existing federal assistance from HUD, USDA, or Veterans Affairs (“VA”) may be granted an exemption by the Board. Such an exemption must be requested at the time of or prior to the filing of an Application. Historic Developments that would otherwise qualify under §11.9(e)(6) of this title (relating to the Qualified Allocation Plan) may be granted an exemption by the Board, and such exemption must be requested at the time of or prior to the filing of an Application. The distances are to be measured from the nearest boundary of the Development Site to the nearest boundary of the property or easement containing the undesirable feature, unless otherwise noted below. Where there is a local ordinance that regulates the proximity of such undesirable feature to a multifamily development that has smaller distances than the minimum distances noted below, then such smaller distances may be used and documentation such as a copy of the local ordinance identifying such distances relative to the Development Site must be included

in the Application. In addition to these limitations, a Development Owner must ensure that the proposed Development Site and all construction thereon comply with all applicable state and federal requirements regarding separation for safety purposes. If Department staff identifies what it believes would constitute an undesirable site feature not listed in this paragraph or covered under subparagraph (K) of this paragraph, staff may request a determination from the Board as to whether such feature is acceptable or not. If the Board determines such feature is not acceptable and that, accordingly, the Site is ineligible, the Application shall be terminated and such determination of Site ineligibility and termination of the Application cannot be appealed.

(A) Development Sites located within 300 feet of junkyards. For purposes of this paragraph, a junkyard shall be defined as stated in Transportation Code, §396.001;

(B) Development Sites located within 300 feet of a solid waste or sanitary landfills;

(C) Development Sites located within 300 feet of a sexually-oriented business. For purposes of this paragraph, a sexually-oriented business shall be defined in Local Government Code, §243.002, or as zoned, licensed and regulated as such by the local municipality;

(D) Development Sites in which the buildings are located within 100 feet of the nearest line or structural element of any overhead high voltage transmission line, support structures for high voltage transmission lines, or other similar structures. This does not apply to local service electric lines and poles;

(E) Development Sites located within 500 feet of active railroad tracks, measured from the closest rail to the boundary of the Development Site, unless the Applicant provides evidence that the city/community has adopted a Railroad Quiet Zone or the railroad in question is commuter or light rail;

(F) Development Sites located within 500 feet of heavy industrial (i.e. facilities that require extensive capital investment in land and machinery, are not easily relocated and produce high levels of external noise such as manufacturing plants, fuel storage facilities (excluding gas stations) etc.);

(G) Development Sites located within 10 miles of a nuclear plant;

(H) Development Sites in which the buildings are located within the accident zones or clear zones of any airport;

(I) Development Sites that contain one or more pipelines, situated underground or aboveground, which carry highly volatile liquids. Development Sites located adjacent to a pipeline easement (for a pipeline carrying highly volatile liquids), the Application must include a plan for developing near the pipeline(s) and mitigation, if any, in accordance with a report conforming to the Pipelines and Informed Planning Alliance (“PIPA”);

(J) Development Sites located within 2 miles of refineries capable of refining more than 100,000 barrels of oil daily; or

(K) Any other Site deemed unacceptable, which would include, without limitation, those with exposure to an environmental factor that may adversely affect the health and safety of the residents and which cannot be adequately mitigated.

### **(3) Undesirable Neighborhood Characteristics.**

(A) If the Development Site has any of the characteristics described in subparagraph (B) of this paragraph, the Applicant must disclose the presence of such characteristics in the Application submitted to the Department. An Applicant may choose to disclose the presence of such characteristics at the time the pre-application (if applicable) is submitted to the Department. Requests for pre-determinations of Site eligibility prior to pre-application or Application submission will not be binding on full Applications submitted at a later date. For Tax-Exempt Bond Developments where the Department is the Issuer, the Applicant may submit the documentation described under subparagraphs (C) and (D) of this paragraph at pre-application or for Tax-Exempt Bond Developments utilizing a local issuer such documentation may be submitted with the request for a pre-determination and staff may perform an assessment of the Development Site to determine Site eligibility. The Applicant understands that any determination made by staff or the Board at that point in time regarding Site eligibility based on the documentation presented, is preliminary in nature. Should additional information related to any of the undesirable neighborhood characteristics become available while the full Application is under review, or the information by which the original determination was made changes in a way that could affect eligibility, then such information will be re-evaluated and presented to the Board. Should staff determine that the Development Site has any of the characteristics described in subparagraph (B) of this paragraph and such characteristics were not disclosed, the Application may be subject to termination. Termination due to non-disclosure may be appealed pursuant to §10.902 of this chapter (relating to Appeals Process (§2306.0321; §2306.6715)). The presence of any characteristics listed in subparagraph (B) of this paragraph will prompt staff to perform an assessment of the Development Site and neighborhood, which may include a site visit, and include, where applicable, a review as described in subparagraph (C) of this paragraph. The assessment of the Development Site and neighborhood will be presented to the Board with a recommendation with respect to the eligibility of the Development Site. Factors to be considered by the Board, despite the existence of the undesirable neighborhood characteristics are identified in subparagraph (E) of this paragraph. Preservation of affordable units alone does not present a compelling reason to support a conclusion of eligibility. Should the Board make a determination that a Development Site is ineligible, the termination of the Application resulting from such Board action is not subject to appeal.

(B) The undesirable neighborhood characteristics include those noted in clauses (i) – (iv) of this subparagraph and additional information as applicable to the undesirable neighborhood characteristic(s) disclosed as provided in subparagraphs (C) and (D) of this paragraph must be submitted in the Application. If an Application for a

Development Site involves three or more undesirable neighborhood characteristics, in order to be found eligible it will be expected that, in addition to demonstrating satisfactory mitigation for each characteristic disclosed, the Development Site must be located within an area in which there is a concerted plan of revitalization already in place or that private sector economic forces, such as those referred to as gentrification are already underway and indicate a strong likelihood of a reasonably rapid transformation of the area to a more economically vibrant area. In order to be considered as an eligible Site despite the presence of such undesirable neighborhood characteristic, an Applicant must demonstrate actions being taken that would lead a reader to conclude that there is a high probability and reasonable expectation the undesirable characteristic will be sufficiently mitigated or significantly improved within a reasonable time, typically prior to placement in service, and that the undesirable characteristic demonstrates a positive trend and continued improvement. Conclusions for such reasonable expectation may need to be affirmed by an industry professional, as appropriate, and may be dependent upon the severity of the undesirable neighborhood characteristic disclosed.

(i) The Development Site is located within a census tract that has a poverty rate above 40 percent for individuals (or 55 percent for Developments in regions 11 and 13).

(ii) The Development Site is located in a census tract or within 1,000 feet of any census tract in an Urban Area and the rate of Part I violent crime is greater than 18 per 1,000 persons (annually) as reported on neighborhoodscout.com.

(iii) The Development Site is located within 1,000 feet (measured from nearest boundary of the Site to the nearest boundary of blighted structure) of multiple vacant structures that have fallen into such significant disrepair, overgrowth, and/or vandalism that they would commonly be regarded as blighted or abandoned.

(iv) The Development Site is located within the attendance zones of an elementary school, a middle school or a high school that does not have a Met Standard rating by the Texas Education Agency. Any school in the attendance zone that has not achieved Met Standard for three consecutive years and has failed by at least one point in the most recent year, unless there is a clear trend indicating imminent compliance, shall be unable to mitigate due to the potential for school closure as an administrative remedy pursuant to Chapter 39 of the Texas Education Code. In districts with district-wide enrollment or choice districts an Applicant shall use the rating of the closest elementary, middle and high school, respectively, which may possibly be attended by the tenants in determining whether or not disclosure is required. The applicable school rating will be the 2016 accountability rating assigned by the Texas Education Agency. School ratings will be determined by the school number, so that in the case where a new school is formed or named or consolidated with another school but is considered to have the same number that rating will be used. A school that has never been rated by the Texas Education Agency will use the district rating. If a school is configured to serve grades that do not align with the Texas Education

Agency's conventions for defining elementary schools (typically grades K-5 or K-6), middle schools (typically grades 6-8 or 7-8) and high schools (typically grades 9-12), the school will be considered to have the lower of the ratings of the schools that would be combined to meet those conventions. In determining the ratings for all three levels of schools, ratings for all grades K-12 must be included, meaning that two or more schools' ratings may be combined. For example, in the case of an elementary school which serves grades K-4 and an intermediate school that serves grades 5-6, the elementary school rating will be the lower of those two schools' ratings. Also, in the case of a 9th grade center and a high school that serves grades 10-12, the high school rating will be considered the lower of those two schools' ratings. Sixth grade centers will be considered as part of the middle school rating. Development Sites subject to an Elderly Limitation is considered exempt and does not have to disclose the presence of this characteristic.

(C) Should any of the undesirable neighborhood characteristics described in subparagraph (B) of this paragraph exist, the Applicant must submit the Undesirable Neighborhood Characteristics Report that contains the information described in clauses (i) - (viii) of this subparagraph and subparagraph (D) of this paragraph as such information might be considered to pertain to the undesirable neighborhood characteristic(s) disclosed so that staff may conduct a further Development Site and neighborhood review.

(i) A determination regarding neighborhood boundaries, which will be based on the review of a combination of natural and manmade physical features (rivers, highways, etc.), apparent changes in land use, the Primary Market Area as defined in the Market Analysis, census tract or municipal boundaries, and information obtained from any Site visits;

(ii) An assessment of general land use in the neighborhood, including comment on the prevalence of residential uses;

(iii) An assessment concerning any of the features reflected in paragraph (2) of this subsection if they are present in the neighborhood, regardless of whether they are within the specified distances referenced in paragraph (2) of this subsection;

(iv) An assessment of the number of existing affordable rental units (generally includes rental properties subject to TDHCA, HUD, or USDA restrictions) in the Primary Market Area, including comment on concentration based on the size of the Primary Market Area;

(v) An assessment of the percentage of households residing in the census tract that have household incomes equal to or greater than the median household income for the MSA or county where the Development Site is located;

(vi) An assessment of the number of market rate multifamily units in the neighborhood and their current rents and levels of occupancy;

(vii) An assessment of school performance for each of the schools in the attendance zone containing the Development that did not achieve the Met

Standard rating, for the previous two academic years (regardless of whether the school Met Standard in those years), that includes the TEA Accountability Rating Report, a discussion of performance indicators and what progress has been made over the prior year, and progress relating to the goals and objectives identified in the campus improvement plan in effect; and

(viii) Any additional information necessary to complete an assessment of the Development Site, as requested by staff.

(D) Information regarding mitigation of undesirable neighborhood characteristics should be relevant to the undesirable characteristics that are present in the neighborhood. Mitigation must include documentation of efforts underway at the time of Application and may include, but is not limited to, the measures described in clauses (i) - (iv) of this subparagraph. In addition to those measures described herein, documentation from the local municipality may also be submitted stating the Development is consistent with their obligation to affirmatively further fair housing.

(i) Evidence that the poverty rate within the census tract has decreased over the five-year period preceding the date of Application, or that the census tract is contiguous to a census tract with a poverty rate below 20% and there are no physical barriers between them such as highways or rivers which would be reasonably considered as separating or dividing the neighborhood containing the proposed Development from the low poverty area must be submitted. Other mitigation may include, but is not limited to, evidence of the availability of adult education and job training that will lead to full-time permanent employment for tenants, , evidence of gentrification in the area which may include contiguous census tracts that could conceivably be considered part of the neighborhood containing the proposed Development, and a clear and compelling reason that the Development should be located at the Site.

(ii) Evidence that crime rates are decreasing, based on violent crime data from the city's police department or county sheriff's department, for the police beat or patrol area within which the Development Site is located, based on the population of the police beat or patrol area that would yield a crime rate below the threshold indicated in this section. The instances of violent crimes within the police beat or patrol area that encompass the census tract, calculated based on the population of the census tract, may also be used. A map plotting all instances of violent crimes within a one-half mile radius of the Development Site may also be provided that it reflects that the crimes identified are not at a level that would warrant an ongoing concern. The data must include incidents reported during the entire 2015 and 2016 calendar year. Violent crimes reported through the date of Application submission may be requested by staff

as part of the assessment performed under subparagraph (C) of this paragraph. A written statement from the local police department or local law enforcement agency, including a description of efforts by such enforcement agency addressing issues of crime and the results of their efforts may be provided, and depending on the data provided by the Applicant, such written statement may be required, as determined by staff. For Rehabilitation or Reconstruction Developments, to the extent that the high level of criminal activity is concentrated at the Development Site, documentation may be submitted to indicate such issue(s) could be remedied by the proposed Development. Evidence of such remediation should go beyond what would be considered a typical scope of work and should include a security plan, partnerships with external agencies, or other efforts to be implemented that would deter criminal activity. Information on whether such security features have been successful at any of the Applicant's existing properties should also be submitted, if applicable.

(iii) Evidence of mitigation efforts to address blight or abandonment may include new construction in the area already underway that evidences public and/or private investment. Acceptable mitigation to address extensive blight should include a plan whereby it is contemplated that a responsible party will use the property in a manner that complies with local ordinances. In instances where blight exists but may only include a few properties, mitigation efforts could include partnerships with local agencies to engage in community-wide clean-up efforts, or other efforts to address the overall condition of the neighborhood.

(iv) Evidence of mitigation for all of the schools in the attendance zone that have not achieved Met Standard will include documentation from a school official with oversight of the school in question that indicates current progress towards meeting the goals and performance objectives identified in the Campus Improvement Plan. For schools that have not achieved Met Standard for two consecutive years, a letter from the superintendent, member of the school board or a member of the transformation team that has direct experience, knowledge and oversight of the specific school must also be submitted. The letter should, at a minimum and to the extent applicable, identify the efforts that have been undertaken to increase student performance, decrease mobility rate, benchmarks for re-evaluation, increased parental involvement, plans for school expansion, and long-term trends that would point toward their achieving Met Standard by the time the Development is placed in service. The letter from such education professional should also speak to why they believe the staff tasked with carrying out the plan will be successful at making progress towards acceptable student performance considering that prior Campus Improvement

Plans were unable to do so. Such assessment could include whether the team involved has employed similar strategies at prior schools and were successful. In addition to the aforementioned letter from the school official, information should also be provided that addresses the types of services and activities offered at the Development or external partnerships that will facilitate and augment classroom performance.

(E) In order for the Development Site to be found eligible by the Board, despite the existence of undesirable neighborhood characteristics, the Board must find that the use of Department funds at the Development Site must be consistent with achieving the goals in clauses (i) - (iii) of this subparagraph.

(i) Preservation of existing occupied affordable housing units to ensure they are safe and suitable or the new construction of high quality affordable housing units that are subject to federal rent or income restrictions; and

(ii) Factual determination that the undesirable characteristic(s) that has been disclosed are not of such a nature or severity that should render the Development Site ineligible based on the assessment and mitigation provided under subparagraphs (C) and (D) of this paragraph.; or

(iii) The Applicant has requested a waiver of the presence of undesirable neighborhood characteristics on the basis that the Development is necessary to enable the state, a participating jurisdiction, or an entitlement community to comply with its obligation to affirmatively further fair housing, a HUD approved Conciliation Agreement, or a final and non-appealable court order and such documentation is submitted with the disclosure.

**(b) Development Requirements and Restrictions.** The purpose of this section is to identify specific restrictions on a proposed Development submitted for multifamily funding by the Department.

**(1) Ineligible Developments.** A Development shall be ineligible if any of the criteria in subparagraphs (A) or (B) of this paragraph are deemed to apply.

**(A) General Ineligibility Criteria.**

(i) Developments such as hospitals, nursing homes, trailer parks, dormitories (or other buildings that will be predominantly occupied by students) or other facilities that are usually classified as transient housing (as provided in the §42(i)(3)(B)(iii) and (iv) of the Code);

(ii) Any Development with any building(s) with four or more stories that does not include an elevator;

(iii) A Housing Tax Credit Development that provides on-site continual or frequent nursing, medical, or psychiatric services. Refer to IRS Revenue Ruling 98-47 for clarification of assisted living;

- (vi) A Development utilizing a Direct Loan that is subject to the Housing and Community Development Act, §104(d) requirements and proposing Rehabilitation or Reconstruction, if the Applicant is not proposing at least the one-for-one replacement of the existing unit mix. Adding additional units would not violate this provision.

**(B) Ineligibility of Elderly Developments.**

- (i) Any Elderly Development of two stories or more that does not include elevator service for any Units or living space above the first floor;
- (ii) Any Elderly Development with any Units having more than two bedrooms with the exception of up to three employee Units reserved for the use of the manager, maintenance, and/or security officer. These employee Units must be specifically designated as such; or

**(2) Development Size Limitations.** The minimum Development size is 16 Units. New Construction or Adaptive Reuse Developments in Rural Areas are limited to a maximum of 80 Units. Other Developments do not have a limitation as to the maximum number of Units.

**(3) Rehabilitation Costs.** Developments involving Rehabilitation must establish a scope of work that will substantially improve the interiors of all units and exterior deferred maintenance. The minimum Rehabilitation amounts identified in subparagraphs (A) – (C) of this paragraph must be maintained through the issuance of IRS Forms 8609.

(A) For Housing Tax Credit Developments under the USDA Set-Aside the minimum Rehabilitation will involve at least \$25,000 per Unit in Building Costs and Site Work;

(B) For Tax-Exempt Bond Developments, less than twenty (20) years old, based on the placed in service date, the minimum Rehabilitation will involve at least \$20,000 per Unit in Building Costs and Site Work. If such Developments are greater than twenty (20) years old, based on the placed in service date, the minimum

Rehabilitation will involve at least \$30,000 per Unit in Building Costs and Site Work; or

(C) For all other Developments, the minimum Rehabilitation will involve at least \$30,000 per Unit in Building Costs and Site Work.

**(4) Mandatory Development Amenities.** (§2306.187) New Construction, Reconstruction or Adaptive Reuse Units must include all of the amenities in subparagraphs (A) - (M) of this paragraph. Rehabilitation (excluding Reconstruction) Developments must provide the amenities in subparagraphs (D) - (M) of this paragraph unless stated otherwise. Supportive Housing Developments are not required to provide the amenities in subparagraph (B), (E), (F), (G), (I), or (M) of this paragraph; however, access must be provided to a comparable amenity in a common area. All amenities listed below must be at no charge to the tenants. Tenants must be provided written notice of the applicable required amenities for the Development.

(A) All Units must be wired with RG-6/U COAX or better and CAT3 phone cable or better, wired to each bedroom, dining room and living room;

(B) Laundry connections;

(L) All Units must have central heating and air-conditioning (Packaged Terminal Air Conditioners meet this requirement for SRO or Efficiency Units only or historic preservation where central would be cost prohibitive); and

(M) Adequate parking spaces consistent with local code, unless there is no local code, in which case the requirement would be one and a half (1.5) spaces per Unit for non- Elderly Developments and one (1) space per Unit for Elderly Developments. The minimum number of required spaces must be available to the tenants at no cost.

**(5) Common Amenities.**

(A) All Developments must include sufficient common amenities as described in subparagraph (C) of this paragraph to qualify for at least the minimum number of points required in accordance with clauses (i) - (vi) of this subparagraph. If fees in addition to rent are charged for amenities, then the amenity may not be included among those provided to satisfy the requirement. All amenities must meet accessibility standards and spaces for activities must be sized appropriately to serve the proposed Target Population. Applications for non-contiguous scattered site housing, excluding non-contiguous single family sites, will have the test applied based on the number of Units per individual site, which includes those amenities required under subparagraph (C)(xxxiii) of this paragraph. If scattered site with fewer than 41 Units per site, at a minimum at least some of the amenities required under subparagraph (C)(xxxiii) of this paragraph must be distributed proportionately across all sites. In the case of additional phases of a Development any amenities that are anticipated to be shared with the first phase development cannot be claimed for purposes of meeting this requirement for the second phase. The second phase must include enough points to meet this requirement that are provided on the Development Site. For example, if a swimming pool exists on the phase one property and it is anticipated that the second phase tenants will be allowed it use it, the swimming pool cannot be claimed for points for purposes of this requirement for the second phase Development. All amenities must be accessible and must be available to all units via an accessible route.

(C) The common amenities and respective point values are set out in clauses (i) - (xxxii) of this subparagraph. Some amenities may be restricted for Applicants proposing a specific Target Population. (C) The Development Owner is and will remain in compliance with state and federal laws, including but not limited to, fair housing laws, including Chapter 301, Property

Code, Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), the Fair Housing Amendments Act of 1988 (42 U.S.C. §§3601 et seq.); the Civil Rights Act of 1964 (42 U.S.C. §§2000a et seq.); the Americans with Disabilities Act of 1990 (42 U.S.C. §§12101 et seq.); the Rehabilitation Act of 1973 (29 U.S.C. §§701 et seq.); Fair Housing Accessibility; the Texas Fair Housing Act; and that the Development is designed consistent with the Fair Housing Act Design Manual produced by HUD, and the Texas Accessibility Standards. (§2306.257; §2306.6705(7))

(D) All Applications proposing Rehabilitation (including Reconstruction) will be treated as Substantial Alteration, in accordance with Chapter 1, Subchapter B of this title.

## **Subchapter C**

### **Application Submission Requirements, Ineligibility Criteria, Board Decisions and Waiver of Rules for Applications**

**§10.201.Procedural Requirements for Application Submission.** This subchapter establishes the procedural requirements for Application submission. Only one Application may be submitted for a Development Site in an Application Round. While the Application Acceptance Period is open or prior to the Application deadline, an Applicant may withdraw an Application and subsequently file a new Application utilizing the original pre-application fee (as applicable) that was paid as long as no substantive evaluation was performed by the Department and the re-submitted Application relates to the same Development Site, consistent with §11.9(e)(3) regarding pre-application Site changes. Applicants are subject to the schedule of fees as set forth in §10.901 of this chapter (relating to Fee Schedule). When providing a pre-application, Application or other materials to a state representative, local governmental body, Neighborhood Organization, or anyone else to secure support or approval that may affect the Applicant's competitive posture, an Applicant must disclose that in accordance with the Department's rules aspects of the Development may not yet have been determined or selected or may be subject to change, such as changes in the amenities ultimately selected and provided.

#### **(1) General Requirements.**

(A) An Applicant requesting funding from the Department must submit an Application in order to be considered for an award. An Application must be complete (including all required exhibits and supporting materials) and submitted by the required program deadline. If an Application, including the corresponding Application fee as described in §10.901 of this chapter, is not submitted to the Department on or before the applicable deadline, the Applicant will be deemed not to have made an Application; provided, however, that errors in the calculation of applicable fees may be cured via an Administrative Deficiency. The deficiency period for curing fee errors will be three business days and may not be extended. Failure to cure such an error timely will be grounds for termination.

(B) Applying for multifamily funds from the Department is a technical process that must be followed completely. As a result of the competitive nature of some funding sources, an Applicant should proceed on the assumption that deadlines are fixed and firm with respect to both date and time and cannot be waived except where authorized and for truly extraordinary circumstances, such as the occurrence of a significant natural disaster that makes timely adherence impossible. If an Applicant chooses to submit by delivering an item physically to the Department, it is the Applicant's responsibility to be within the Department's doors by the appointed deadline. Applicants are strongly encouraged to submit the required items well in advance of established deadlines. Applicants must ensure that all documents are legible, properly organized and tabbed, and that materials provided in digital media are fully readable by the Department. Department staff receiving an application may perform a cursory review to see if there

are any glaring problems. This is a cursory review and may not be relied upon as confirmation that the Application was complete or in proper form.

(C) The Applicant must upload a PDF copy and Excel copy of the complete Application to the Department's secure web transfer server. Each copy must be in a single file and individually bookmarked as further described in the Multifamily Programs Procedures Manual. Additional files required for Application submission (e.g., Third Party Reports) outside the Uniform Application must also be uploaded to the secure web transfer server. It is the responsibility of the Applicant to confirm the upload to the Department's secure web transfer server was successful and to do so in advance of the deadline. Where there are instances of computer problems, mystery glitches, etc. that prevents the Application from being received by the Department prior to the deadline the Application may be terminated.

(D) Applications must include materials addressing each and all of the items enumerated in this chapter and other chapters as applicable. If an Applicant does not believe that a specific item should be applied, the Applicant must include, in its place, a statement identifying the required item, stating that it is not being supplied, and a statement as to why the Applicant does not believe it should be required.

**(2) Filing of Application for Tax-Exempt Bond Developments.** Applications may be submitted to the Department as described in subparagraphs (A) and (B) of this paragraph. Multiple site applications by the same Applicant for Tax-Exempt Bond Developments will be considered to be one Application as identified in Tex. Gov't Code, Chapter 1372. Applications will be required to satisfy the requirements of the Qualified Allocation Plan (QAP) and Uniform Multifamily Rules in place at the time the Application is received by the Department. Applications that receive a Traditional Carryforward designation after November 15 will not be accepted until after January 2 and will be subject to the QAP and Uniform Multifamily Rules in place at the time the Application is received by the Department.

(A) Lottery Applications. For Applicants participating in the TBRB lottery for private activity bond volume cap and whereby advance notice is given regarding a Certificate of Reservation, the Applicant must submit a Notice to Submit Lottery Application form to the Department no later than the Notice to Submit Lottery Application Delivery Date described in §10.4 of this chapter (relating to Program Dates). The complete Application, accompanied by the Application Fee described in §10.901 of this chapter must be submitted no later than the Applications Associated with Lottery Delivery Date described in §10.4 of this chapter.

(B) Waiting List Applications. Applications designated as Priority 1 or 2 by the TBRB and receiving advance notice of a Certificate of Reservation for private activity bond volume cap must submit Parts 1 - 4 of the Application and the Application Fee described in §10.901 of this chapter prior to the issuance of the Certificate of Reservation by the TBRB. The remaining parts of the Application must be submitted at least seventy-five (75) days prior to the Board meeting at which the decision to issue a

Determination Notice would be made. An Application designated as Priority 3 will not be accepted until after the issuer has induced the bonds, with such documentation included in the Application, and is subject to the following additional timeframes:

(i) The Applicant must submit to the Department confirmation that a Certificate of Reservation from the TBRB has been issued not more than thirty (30) days after the Application is received by the Department. The Department may, for good cause, administratively approve an extension for up to an additional thirty (30) days to submit confirmation the Certificate of Reservation has been issued. The Application will be terminated if the Certificate of Reservation is not received within the required timeframe;

(ii) The Department will require at least seventy-five (75) days to review an Application, unless Department staff can complete its evaluation in sufficient time for Board consideration. Applicants should be aware that unusual financing structures, portfolio transactions, and the need to resolve Administrative Deficiencies may require additional time to review and the prioritization of Applications will be subject to the review priority established in paragraph (6) of this subsection;

(iii) Department staff may choose to delay presentation to the Board in instances in which an Applicant is not reasonably expected to close within sixty (60) days of the issuance of a Determination Notice. Applications that receive Traditional Carryforward will be subject to closing within the same timeframe as would be typical of the Certificate of Reservation. This will be a condition of the award and reflected in the Determination Notice.

**(3) Certification of Tax Exempt Bond Applications with New Docket Numbers.** Applications that receive an affirmative Board Determination, but for which closing on the bonds does not occur prior to the Certificate of Reservation expiration date, and which subsequently have that docket number withdrawn from the TBRB, may have their Determination Notice reinstated. In the event that the Department's Board has not yet approved the Application, the Application will continue to be processed and ultimately provided to the Board for consideration. The Applicant would need to receive a new docket number from the TBRB and meet the requirements described in subparagraphs (A) - (C) of this paragraph:

(A) The Application must remain unchanged, which means that at a minimum, the following cannot have changed: Site Control, total number of Units, unit mix (bedroom sizes and income restrictions), design/site plan documents, financial structure including bond and Housing Tax Credit amounts, development costs, rent schedule, operating expenses, sources and uses, ad valorem tax exemption status, Target Population, scoring criteria (if TDHCA is bond issuer) or TBRB priority status including the effect on the inclusive capture rate. The entities involved in the Applicant entity and Developer cannot change; however, the certification can be submitted even if the lender, syndicator or issuer changes, as long as the financing structure and terms

remain unchanged. Notifications under §10.203 of this chapter (relating to Public Notifications (§2306.6705(9))) are not required to be reissued. A revised Determination Notice will be issued once notice of the assignment of a new docket number has been provided to the Department and the Department has confirmed that the capture rate and market demand remain acceptable. This certification must be submitted no later than thirty (30) calendar days after the date the TBRB issues the new docket number; or

(B) the new docket number may not be issued more than four (4) months from the date the original application was withdrawn from the TBRB. The new docket number must be from the same program year as the original docket number or, for Applications that receive a new docket number from the program year that is immediately succeeding the program year of the original docket number, the requirements in clauses (i) and (ii) of this subparagraph must be met:

(i) The Applicant must certify that the Development will meet all rules and requirements in effect at the time the new docket number is issued; and

(ii) The Department must determine that the changes in the rules applicable to the program(s) under which the Application was originally awarded are not of a material nature that would necessitate a new Application and that any new forms and clarifications to the Application are of a nature that can be resolved through the Administrative Deficiency process; or

(C) if there are changes to the Application as referenced in subparagraph (A) of this paragraph or if such changes in the rules pursuant to subparagraph (B)(ii) of this paragraph are of a material nature the Applicant will be required to submit a new Application in full, along with the applicable fees, to be reviewed and evaluated in its entirety for a new Determination Notice to be issued. If there is public opposition but the Application remains the same pursuant to subparagraph (A) of this paragraph, a new Application will not be required to be submitted; however, the Application must be presented before the Board for consideration of the re-issuance of the Determination Notice.

**(4) Withdrawal of Application.** An Applicant may withdraw an Application prior to or after receiving an award of funding by submitting to the Department written notice of the withdrawal.

**(5) Evaluation Process.** Priority Applications, which shall include those Applications believed likely to be competitive, will undergo a program review for compliance with submission requirements and selection criteria, as applicable. In general, Application reviews by the Department shall be prioritized based upon the likelihood that an Application will be competitive for an award based upon the set-aside, self score, received date, or other ranking factors. Thus, non-competitive or lower scoring Applications may never be reviewed. The Director of Multifamily Finance will identify those Applications that will receive a full program review based upon a reasonable assessment of each

Application's priority, but no Application with a competitive ranking shall be skipped or otherwise overlooked. This initial assessment may be a high level assessment, not a full assessment. Applications deemed to be priority Applications may change from time to time. The Real Estate Analysis division shall underwrite Applications that received a full program review and remain competitive to determine financial feasibility and an appropriate funding amount. In making this determination, the Department will use §10.302 of this chapter (relating to Underwriting Rules and Guidelines) and §10.307 of this chapter (relating to Direct Loan Requirements). The Department may have an external party perform all or part of the underwriting evaluation and components thereof to the extent it determines appropriate. The expense of any external underwriting shall be paid by the Applicant prior to the commencement of the aforementioned evaluation pursuant to §10.901(5) of this chapter (relating to Fee Schedule, Appeals and other Provisions). Applications will undergo a previous participation review in accordance with Chapter 1 Subchapter C of this title (relating to Previous Participation) and a Development Site may be evaluated by the Department or its agents through a physical site inspection or site visit, (which may include neighboring areas), independent of or concurrent with a site visit that may be performed in conjunction with §10.101(a)(3) (relating to Undesirable Neighborhood Characteristics). The Department will, from time to time during the review process, publish an application log which shall include the self-score and any scoring adjustments made by staff. The posting of such scores on the application log may trigger appeal rights and corresponding deadlines pursuant to Tex. Gov't. Code §2306.6715 and §10.902 of this chapter (relating to Appeals Process). The Department may also provide a courtesy scoring notice reflecting such score to the Applicant.

**(6) Prioritization of Applications under various Programs.** This paragraph identifies how ties or other prioritization matters will be handled when dealing with de-concentration requirements, capture rate calculations, and general review priority of Applications submitted under different programs.

(A) De-concentration and Capture Rate. Priority will be established based on the earlier date associated with an Application. The dates that will be used to establish priority are as follows:

- (i) For Tax-Exempt Bond Developments, the issuance date of the Certificate of Reservation issued by the TBRB; and
- (ii) For all other Developments, the date the Application is received by the Department; and
- (iii) Notwithstanding the foregoing, after July 31 of the current program year, a Tax-Exempt Bond Development with a Certificate of Reservation from the TBRB will take precedence over any Housing Tax Credit Application from the current Application Round on the waiting list.

(B) General Review Priority. Review priority for Applications under various multifamily programs will be established based on Department staff's consideration of any

statutory timeframes associated with a program or Application in relation to the volume of Applications being processed. In general, those with statutory deadlines or more restrictive deadlines will be prioritized for review and processing ahead of those that are not subject to the same constraints. In general, any non-Competitive Housing Tax Credit Applications received during the competitive tax credit round that include a request to be placed on the May, June or July Board agendas will not be prioritized for review or underwriting due to the statutory constraints on the award and allocation of competitive tax credits. Applicants are advised to keep this in consideration when planning the submission of an Application and issuance of the Certificate of Reservation.

**(7) Administrative Deficiency Process.** The purpose of the Administrative Deficiency process is to allow an Applicant to provide clarification, correction, or non-material missing information to resolve inconsistencies in the original Application or to assist staff in evaluating the Application. Staff will request such information via a deficiency notice. Because the review of an Application occurs in several phases, deficiency notices may be issued during any of these phases. Staff will send the deficiency notice via an e-mail to the Applicant and one other contact party if identified by the Applicant in the Application. The time period for responding to a deficiency notice commences on the first business day following the deficiency notice date. Deficiency notices may be sent to an Applicant prior to or after the end of the Application Acceptance Period and may also be sent in response to reviews on post-award submissions. Responses are required to be submitted electronically as a PDF or multiple PDF files. A review of the response provided by the Applicant may reveal that issues initially identified as an Administrative Deficiency are actually determined to be beyond the scope of an Administrative Deficiency process, meaning that they in fact implicated matters of a material nature not susceptible to being resolved. Department staff may in good faith provide an Applicant confirmation that an Administrative Deficiency response has been received or that such response is satisfactory. Communications from staff that the response was satisfactory do not establish any entitlement to points, eligibility status, or to any presumption of having fulfilled any requirements. Final determinations regarding the sufficiency of documentation submitted to cure an Administrative Deficiency as well as the distinction between material and non-material missing information are reserved for the Director of Multifamily Finance, Executive Director, and Board.

(A) It is critical that the use of the Administrative Deficiency process not unduly slow the review process, and since the process is intended to clarify or correct matters or obtain non-material missing information (that should already be in existence), there is a reasonable expectation that a party responding to an Administrative Deficiency will be able to respond immediately. It is the responsibility of a person who receives an Administrative Deficiency to address the matter fully by the close of business on the date by which resolution must be complete and the Administrative Deficiency fully resolved. Merely submitting materials prior to that time places the responsibility on the responding party that if the materials do not fully resolve the matter there may be a point deduction or termination.

(B) Administrative Deficiencies for Competitive HTC Applications. Unless an extension has been timely requested and granted, if an Administrative Deficiency is not fully resolved to the satisfaction of the Department by 5:00 p.m. on the fifth business day following the date of the deficiency notice, then (5 points) shall be deducted from the selection criteria score for each additional day the deficiency remains unresolved. If Administrative Deficiencies are not resolved by 5:00 p.m. on the seventh business day following the date of the deficiency notice, then the Application shall be terminated, subject to appeal. An Applicant may not change or supplement any part of an Application in any manner after the filing deadline or while the Application is under consideration for an award, and may not add any set-asides, increase the requested credit amount, revise the Unit mix (both income levels and Bedroom mixes), or adjust their self-score except in response to a direct request from the Department to do so as a result of an Administrative Deficiency. (§2306.6708(b); §2306.6708) To the extent that the review of Administrative Deficiency documentation or the imposing of point reductions for late responses alters the score assigned to the Application, such score will be reflected in the updated application log published on the Department's website.

(C) Administrative Deficiencies for all other Applications or sources of funds. If Administrative Deficiencies are not resolved to the satisfaction of the Department by 5:00 p.m. on the fifth business day following the date of the deficiency notice, then an Administrative Deficiency Notice Late Fee of \$500 for each business day the deficiency remains unresolved will be assessed, and the Application will not be presented to the Board for consideration until all outstanding fees have been paid. Applications with unresolved deficiencies after 5:00 p.m. on the tenth day following the date of the deficiency notice will be terminated or suspended from further processing so long as the active Application does not impact the processing or underwriting of other Applications. The Applicant will be responsible for the payment of fees accrued pursuant to this paragraph regardless of any termination. Department staff may or may not assess an Administrative Deficiency Notice Late Fee for or terminate Applications for Tax-Exempt Bond or Direct Loan Developments during periods when private activity bond volume cap or Direct Loan funds are undersubscribed. Applicants should be prepared for additional time needed for completion of staff reviews as described in paragraph (2)(B) of this section.

**(8) Limited Priority Reviews.** If, after the submission of the Application, an Applicant identifies an error in the Application that could likely be the subject of an Administrative Deficiency, the Applicant may request a limited priority review of the specific and limited issues in need of clarification or correction. The issue may not relate to the score of an Application. This limited priority review may only cover the specific issue and not the entire Application. If the limited priority review results in the identification of an issue that requires correction or clarification, staff will request such through the Administrative Deficiency process as stated in paragraph (7) of this section, if deemed appropriate. A limited priority review is intended to address:

(A) clarification of issues that Department staff would have difficulty identifying due to the omission of information that the Department may have access to only through

Applicant disclosure, such as a prior removal from a tax credit transaction or participation in a Development that is not identified in the previous participation portion of the Application; or

(B) technical correction of non-material information that would cause an Application deemed non-competitive to be deemed competitive and, therefore, subject to a staff review. For example, failure to mark the Nonprofit Set-Aside in an Application that otherwise included complete submission of documentation for participation in the Nonprofit Set-Aside.

**(9) Challenges to Opposition.** Any written statement from a Neighborhood Organization expressing opposition to an Application may be challenged if it is contrary to findings or determinations, including zoning determinations, of a municipality, county, school district, or other local Governmental Entity having jurisdiction or oversight over the finding or determination. If any such comment is challenged, the challenger must declare the basis for the challenge and submit such challenge by the Challenges to Neighborhood Organization Opposition Delivery Date as identified in §10.4 of this chapter and no later than May 1, 2017 for Competitive HTC Applications. The Neighborhood Organization expressing opposition will be given seven (7) calendar days to provide any information related to the issue of whether their assertions are contrary to the findings or determinations of a local Governmental Entity. All such materials and the analysis of the Department's staff will be provided to a fact finder, chosen by the Department, for review and a determination of the issue presented by this subsection. The fact finder will not make determinations as to the accuracy of the statements presented, but only with regard to whether the statements are contrary to findings or determinations of a local Governmental Entity. The fact finder's determination will be final and may not be waived or appealed.

**§10.202. Ineligible Applicants and Applications.** The purpose of this section is to identify those situations in which an Application or Applicant may be considered ineligible for Department funding and subsequently terminated. Such matters may be brought to the attention of staff by anyone, including members of the general public. If such ineligibility is raised by non-staff members it must be made in writing to the Executive Director and the Applicant and must cite the specific ineligible criteria under paragraph (1) of this section and provide factual evidence to support the claim. Any unsupported claim or claim determined to be untrue may be subject to all remedies available to the Department or Applicant. Staff will make enquiry as it deems appropriate and may send a notice to the Applicant and provide them the opportunity to explain how they believe they or their Application is eligible. Staff will present the matter to the Board, accompanied by staff's recommendation. The Board may take such action as it deems warranted by the facts presented, including any testimony that may be provided, either declining to take action, in which case the Applicant or Application, as applicable, remains eligible, or finding the Applicant is ineligible, or, for a matter relating to a specific Application, that that Application is ineligible. A Board finding of ineligibility is final. The items listed in this section include those requirements in §42 of the Code, Tex. Gov't Code, Chapter 2306, and other criteria considered important by the Department, and does not represent an exhaustive list of ineligibility criteria that may otherwise be identified in applicable rules or

a NOFA specific to the programmatic funding. One or more of the matters enumerated in paragraph (1) of this section may also serve as a basis for debarment, or the assessment of administrative penalties, and nothing herein shall limit the Department's ability to pursue any such matter.

**(1) Applicants.** An Applicant shall be considered ineligible if any of the criteria in subparagraphs (A) - (M) of this paragraph apply to those identified on the organizational chart for the Applicant, Developer and Guarantor. An Applicant is ineligible if the Applicant, Developer, or Guarantor:

(A) has been or is barred, suspended, or terminated from procurement in a state or Federal program, including listed in HUD's System for Award Management (SAM); (§2306.0504)

(B) has been convicted of a state or federal felony crime involving fraud, bribery, theft, misrepresentation of material fact, misappropriation of funds, or other similar criminal offenses within fifteen (15) years preceding the Application submission;

(C) is, at the time of Application, subject to an order in connection with an enforcement or disciplinary action under state or federal securities law or by the NASD; subject to a federal tax lien (other than a contested lien for which provision has been made); or the subject of a proceeding in which a Governmental Entity has issued an order to impose penalties, suspend funding, or take adverse action based on an allegation of financial misconduct or uncured violation of material laws, rules, or other legal requirements governing activities considered relevant by the Governmental Entity;

(D) has materially breached a contract with a public agency, and, if such breach is permitted to be cured under the contract, has been given notice of the breach and a reasonable opportunity to cure, and failed to cure that breach within the time specified in the notice of breach;

(E) has misrepresented to a subcontractor the extent to which the Developer has benefited from contracts or financial assistance that has been awarded by a public agency, including the scope of the Developer's participation in contracts with the agency, and the amount of financial assistance awarded to the Developer by the agency;

(F) has been found by the Board to be ineligible based on a previous participation review performed in accordance with Chapter 1 Subchapter C of this title;

(G) is delinquent in any loan, fee, or escrow payments to the Department in accordance with the terms of the loan, as amended, or is otherwise in default with any provisions of such loans;

(H) has failed to cure any past due fees owed to the Department within the time frame provided by notice from the Department and at least ten (10) days prior to the Board meeting at which the decision for an award is to be made;

(I) would be prohibited by a state or federal revolving door or other standard of conduct or conflict of interest statute, including Tex. Gov't Code, §2306.6733, or a provision of Tex. Gov't Code, Chapter 572, from participating in the Application in the manner and capacity they are participating;

(J) has, without prior approval from the Department, had previous Contracts or Commitments that have been partially or fully deobligated during the twelve (12) months prior to the submission of the Application, and through the date of final allocation due to a failure to meet contractual obligations, and the Person is on notice that such deobligation results in ineligibility under this chapter;

(K) has provided falsified documentation or made other intentional or negligent material misrepresentations or omissions in or in connection with an Application or Commitment for a Development.;

(L) was the owner or Affiliate of the owner of a Department assisted rental development for which the federal affordability requirements were prematurely terminated and the affordability requirements have not re-affirmed or Department funds repaid; or

(M) fails to disclose, in the Application, any Principal or any entity or Person in the Development ownership structure who was or is involved as a Principal in any other affordable housing transaction, that has terminated voluntarily or involuntarily within the past ten (10) years or plans to or is negotiating to terminate their relationship with any other affordable housing development. Failure to disclose is grounds for termination. The disclosure must identify the person or persons and development involved, the identity of each other development, and contact information for the other Principals of each such development, a narrative description of the facts and circumstances of the termination or proposed termination, and any appropriate supporting documents. An Application may be referred to the Board for termination based upon factors in the disclosure. Staff shall present a determination to the Board as to a person's fitness to be involved as a principal with respect to an Application using the factors described in clauses (i) – (v) of this subparagraph as considerations:

(i) The amount of resources in a development and the amount of the benefit received from the development;

(ii) the legal and practical ability to address issues that may have precipitated the termination or proposed termination of the relationship;

(iii) the role of the person in causing or materially contributing to any problems with the success of the development;

(iv) the person's compliance history, including compliance history on other developments; and

(v) any other facts or circumstances that have a material bearing on the question of the person's ability to be a compliant and effective participant in their proposed role as described in the Application.

**(2) Applications.** An Application shall be ineligible if any of the criteria in subparagraphs (A) - (C) of this paragraph apply to the Application:

(A) a violation of Tex. Gov't Code, §2306.1113, exists relating to Ex Parte Communication. An ex parte communication occurs when an Applicant or Person representing an Applicant initiates substantive contact (other than permitted social contact) with a board member, or vice versa, in a setting other than a duly posted and convened public meeting, in any manner not specifically permitted by Tex. Gov't Code, §2306.1113(b). Such action is prohibited. For Applicants seeking funding after initial awards have been made, such as waiting list Applicants, the ex parte communication prohibition remains in effect so long as the Application remains eligible for funding. The ex parte provision does not prohibit the Board from participating in social events at which a Person with whom communications are prohibited may, or will be present; provided that no matters related to any Application being considered by the Board may be discussed. An attempted but unsuccessful prohibited ex parte communication, such as a letter sent to one or more board members but not opened, may be cured by full disclosure in a public meeting, and the Board may reinstate the Application and establish appropriate consequences for cured actions, such as denial of the matters made the subject to the communication.

(B) the Application is submitted after the Application submission deadline (time or date); is missing multiple parts of the Application; or has a Material Deficiency; or

(C) for any Development utilizing Housing Tax Credits or Tax-Exempt Bonds:

(i) at the time of Application or at any time during the two-year period preceding the date the Application Round begins (or for Tax-Exempt Bond Developments any time during the two-year period preceding the date the Application is submitted to the Department), the Applicant or a Related Party is or has been a person covered by Tex. Gov't Code, §2306.6703(a)(1) or §2306.6733;

(ii) the Applicant proposes to replace in less than fifteen (15) years any private activity bond financing of the Development described by the Application, unless the exceptions in Tex. Gov't Code, §2306.6703(a)(2) of the are met.

**§10.203. Public Notifications** (§2306.6705(9)). A certification, as provided in the Application, that the Applicant met the requirements and deadlines identified in paragraphs (1) - (3) of this section must be submitted with the Application. For Applications utilizing Competitive Housing Tax Credits, notifications must not be older than three (3) months from the first day of the Application Acceptance Period. For Tax-Exempt Bond Developments notifications and proof thereof must not be older than three (3) months prior to the date Parts 5 and 6 of the Application are submitted, and for all other

Applications no older than three (3) months prior to the date the Application is submitted. If notifications were made in order to satisfy requirements of pre-application submission (if applicable to the program) for the same Application, then no additional notification is required at Application. However, re-notification is required by all Applicants who have submitted a change from pre-application to Application that reflects a total Unit increase of greater than 10 percent or a 5 percent increase in density (calculated as units per acre) as a result of a change in the size of the Development Site. In addition, should a change in elected official occur between the submission of a pre-application and the submission of an Application, Applicants are required to notify the newly elected (or appointed) official no later than the Full Application Delivery Date.

**(1) Neighborhood Organization Notifications.**

(A) The Applicant must identify and notify all Neighborhood Organizations on record with the county or the state as of 30 days prior to the Full Application Delivery Date and whose boundaries include the proposed Development Site. As used in this section, “on record with the state” means on record with the Secretary of State.

(B) The Applicant must list, in the certification form provided in the Application, all Neighborhood Organizations on record with the county or state as of 30 days prior to the Full Application Delivery Date and whose boundaries include the proposed Development Site as of the submission of the Application.

**(2) Notification Recipients.** No later than the date the Application is submitted, notification must be sent to all of the persons or entities identified in subparagraphs (A) - (H) of this paragraph. Developments located in an Extra Territorial Jurisdiction (ETJ) of a city are required to notify both city and county officials. The notifications may be sent by e-mail, fax or mail with return receipt requested or similar tracking mechanism in the format required in the Application Notification Template provided in the Application. Evidence of notification is required in the form of a certification provided in the Application. The Applicant is encouraged to retain proof of delivery in the event it is requested by the Department. Evidence of proof of delivery is demonstrated by a signed receipt for mail or courier delivery and confirmation of receipt by recipient for fax and e-mail. Officials to be notified are those officials in office at the time the Application is submitted. Note that between the time of pre-application (if made) and full Application, such officials may change and the boundaries of their jurisdictions may change. By way of example and not by way of limitation, events such as redistricting may cause changes which will necessitate additional notifications at full Application. Meetings and discussions do not constitute notification. Only a timely and compliant written notification to the correct person constitutes notification.

(A) Neighborhood Organizations on record with the state or county as of 30 days prior to the Full Application Delivery Date whose boundaries include the Development Site;

(B) Superintendent of the school district in which the Development Site is located;

- (C) Presiding officer of the board of trustees of the school district in which the Development Site is located;
- (D) Mayor of the municipality (if the Development Site is within a municipality or its extraterritorial jurisdiction);
- (E) All elected members of the Governing Body of the municipality (if the Development Site is within a municipality or its extraterritorial jurisdiction);
- (F) Presiding officer of the Governing Body of the county in which the Development Site is located;
- (G) All elected members of the Governing Body of the county in which the Development Site is located; and
- (H) State Senator and State Representative of the districts whose boundaries include the Development Site.

### **(3) Contents of Notification.**

(A) The notification must include, at a minimum, all information described in clauses (i) - (vi) of this subparagraph.

- (i) the Applicant's name, address, individual contact name, and phone number;
- (ii) the Development name, address, city and county;
- (iii) a statement indicating the program(s) to which the Applicant is applying with the Texas Department of Housing and Community Affairs;

## **(7) Financing Requirements.**

(A) Non-Department Debt Financing. Interim and permanent financing sufficient to fund the proposed Total Housing Development Cost less any other funds requested from the Department must be included in the Application. For any Development that is a part of a larger development plan on the same site, the Department may request and evaluate information related to the other components of the development plan in instances in which the financial viability of the Development is in whole or in part dependent upon the other portions of the development plan. Any local, state or federal financing identified in this section which restricts household incomes at any level that is lower than restrictions required pursuant to this chapter or elected in accordance with Chapter 11 of this title (relating to Housing Tax Credit Program Qualified Allocation

Plan) must be identified in the rent schedule and the local, state or federal income restrictions must include corresponding rent levels in accordance with §42(g) of the Code. The certification from a Third Party engineer must describe the necessity of the off-site improvements, including the relevant requirements of the local jurisdiction with authority over building codes. If any Off-Site Construction costs are included in Eligible Basis, a letter must be provided from a certified public accountant allocating which portions of those costs should be included in Eligible Basis. If off-site costs are included in Eligible Basis based on PLR 200916007, a statement of findings from a CPA must be provided which describes the facts relevant to the Development and affirmatively certifies that the fact pattern of the Development matches the fact pattern in PLR 200916007.

All of the sellers of the proposed Property for the thirty-six (36) months prior to the first day of the Application Acceptance Period and their relationship, if any, to members of the Development Team must be identified at the time of Application. The Department may request documentation at any time after submission of an Application of the Development Owner's ability to compel title of any affiliated property acquisition(s) and the Development Owner must be able to promptly provide such documentation or the Application, award, or Commitment may be terminated. The Department acknowledges and understands that the Property may have one or more encumbrances at the time of Application submission and the Department will take into account whether any such encumbrance is reasonable within the legal and financial ability of the Development Owner to address without delaying development on the timeline contemplated in the Application. Tax-Exempt Bond Lottery Applications must have Site Control valid through December 1 of the prior program year with the option to extend through March 1 of the current program year.

(B) In order to establish Site Control, one of the items described in clauses (i) - (iii) of this subparagraph must be provided. In the case of land donations, Applicants must demonstrate that the entity donating the land has Site Control as evidenced through one of the items described in clauses (i) - (iii) of this subparagraph or other documentation acceptable to the Department.

(C) Requesting a Zoning Change. The Application must include evidence in the form of a letter from a local government official with jurisdiction over zoning matters that the Applicant or Affiliate has made formal application for a required zoning change and that the jurisdiction has received a release whereby the applicant for the zoning change has agreed to hold the political subdivision and all other parties harmless in the event the appropriate zoning is not granted. Documentation of final approval of appropriate zoning must be submitted to the Department with the Commitment or Determination Notice.

(D) Zoning for Rehabilitation Developments. In an area with zoning, the Application must include documentation of current zoning. If the Property is currently conforming but with an overlay that would make it a non-conforming use as presently zoned, the Application must include a letter from a local government official with appropriate jurisdiction which addresses the items in clauses (i) - (v) of this subparagraph:

- (i) a detailed narrative of the nature of non-conformance;
- (ii) the applicable destruction threshold;

A chart must be submitted that clearly illustrates the complete organizational structure of the final proposed Development Owner and of any Developer and Guarantor, identifying all Principals thereof and providing the names and ownership percentages of all Persons having an ownership interest in the Development Owner, Developer and Guarantor, as applicable, whether directly or through one or more subsidiaries. Nonprofit entities, public housing authorities, publicly traded corporations, individual board members, and executive directors must be included in this exhibit and trusts must list all beneficiaries that have the legal ability to control or direct activities of the trust and are not just financial beneficiaries.

(B) Previous Participation. Individual Principals of such entities identified on the organizational chart must provide the previous participation information, unless excluded from such requirement pursuant to Chapter 1 Subchapter C of this title. In addition, any Person (regardless of any Ownership interest or lack thereof) receiving more than 10 percent of the Developer Fee is also required to submit this information. The information must include a list of all developments that are, or were, previously under ownership or Control of the Applicant and/or each Principal, including any Person providing the required experience. All participation in any Department funded or monitored activity, including non-housing activities, as well as Housing Tax Credit developments or other programs administered by other states using state or federal programs must be disclosed. (B) All Other Applications. Applications that involve a §501(c)(3) or (4) nonprofit General Partner or Owner must submit an IRS determination letter which states that the nonprofit organization has been determined by the Internal Revenue Service to be tax-exempt under §501(c)(3) or (4) of the Code; and the Nonprofit Participation exhibit as provided in the Application. If the Application involves a nonprofit that is not exempt from taxation under §501(c)(3) or (4) of the Code, then they must disclose in the Application the basis of their nonprofit status.

**(15) Site Design and Development Feasibility Report.** This report, compiled by the Applicant or Third Party Consultant, and prepared in accordance with this paragraph, which reviews site conditions and development requirements of the Development and Development Site, is required for any New Construction or Reconstruction Development.

(A) Executive Summary as a narrative overview of the Development in sufficient detail that would help a reviewer of the Application better understand the site, the site plan, off site requirements (including discussion of any seller contributions or reimbursements), any other unique development requirements, and their impact on Site Work and Off Site Construction costs. The summary should contain a general statement regarding the level of due diligence that has been done relating to site development (including discussions with local government development offices). Additionally, the overview should contain a summary of zoning requirements, subdivision requirements, property identification number(s) and millage rates for all taxing jurisdictions, development ordinances, fire department requirements, site ingress and egress requirements, building codes, and local design requirements impacting the Development (include website links but do not attach copies of ordinances). Careful focus and attention should be made regarding any atypical items materially impacting costs or the successful and timely execution of the Development plan.

(B) Survey or current plat as defined by the Texas Society of Professional Surveyors in their Manual of Practice for Land Surveying in Texas (Category 1A - Land Title Survey or Category 1B - Standard Land Boundary Survey). Surveys may not be older than twelve (12) months from the beginning of the Application Acceptance Period. Plats must include evidence that it has been recorded with the appropriate local entity and that, as of the date of submission, it is the most current plat. Applications proposing noncontiguous single family scattered sites are not required to submit surveys or plats at Application, but this information may be requested during the Real Estate Analysis review.

(C) Preliminary site plan prepared by the civil engineer with a statement that the plan materially adheres to all applicable zoning, site development, and building code ordinances. The site plan must identify all structures, site amenities, parking spaces

(include handicap spaces and ramps) and driveways, topography (using either existing seller topographic survey or U.S. Geological Survey (USGS)/other database topography), site drainage and detention, water and waste water utility tie-ins, general placement of retaining walls, set-back requirements, and any other typical or locally required items. Off-site improvements required for utilities, detention, access or other requirement must be shown on the site plan or ancillary drawings.

(D) Architect or civil engineer prepared statement describing the entitlement, site development permitting process and timing, building permitting process and timing, and an itemization specific to the Development of total anticipated impact, site development permit, building permit, and other required fees.

**(16) Section 811 Project Rental Assistance Program.** All Competitive HTC Applications, Direct Loan only Applications and Tax-Exempt Bond Development Applications that are layered with Direct Loan funds must meet the requirements of subparagraphs (A) or (B) of this paragraph. Applications that are unable meet the requirements of subparagraphs (A) or (B) must certify to that effect in the Application.

(A) Applicants must apply for and obtain a determination by the Department that an Existing Development is approved to participate in the Department's Section 811 Project Rental Assistance Program ("Section 811 PRA Program"). The approved Existing Development must commit at least the lower of 10 units or 10% of the total number of Units in the Development to the Section 811 PRA Program unless the Integrated Housing Rule (10 TAC §1.15) or Section 811 PRA Program guidelines (§PRA.305) or other requirements limit the proposed Development to fewer than 10 Units. An approved Existing Development may be used to satisfy the requirements of this paragraph in more than one Housing Tax Credit or other Multifamily Housing program Application, as long as at the time of Carryover, Award Letter or Determination Notice, as applicable, the minimum number of Units as stated above are provided for each Development awarded housing tax credits or Direct Loan funds. Once an Applicant submits their Application, Applicants may not withdraw their commitment to satisfy the threshold criteria of this subparagraph, although an Applicant may request to utilize a different approved Existing Development than the one submitted in association with the awarded Application to satisfy this criteria. Existing Developments that are included in an Application that does not receive an award are not obligated to participate in the Section 811 PRA Program. An Applicant may be exempt from having to provide 811 units in an Existing Development if approval from either their lender or investor cannot be obtained and documentation to that effect is submitted in the Application, but they would be required to provide such Units through subparagraph (B) of this paragraph.

(B) Applicants that cannot meet the requirements of subparagraph (A) of this paragraph must submit evidence of such through a self-certification that the Applicant and any Affiliate do not have an ownership interest in or control of any Existing Development that would meet the criteria outlined in the Section 811 PRA Program Request for Applications, and if applicable, by submitting a copy of any rejection letter(s) that have been provided in response to the Request for Applications. In such cases, the Applicant is able to satisfy the

threshold requirement of this paragraph through this subparagraph (B). Applications must meet all of the requirements in clauses (i) – (v) of this subparagraph. Applicants must commit at least the lower of 10 Units or 10% of the total number of Units in the Development for which the Application(s) has been submitted for participation in the Section 811 PRA Program unless the Integrated Housing Rule (10 TAC §1.15) or Section 811 PRA Program guidelines or other requirements limit the proposed Development to fewer than 10 Units. Once elected in the Application(s), Applicants may not withdraw their commitment to have the proposed Development participate in the Section 811 PRA Program unless the Department determines that the Development cannot meet all of the Section 811 PRA Program criteria or the Applicant chooses to request an amendment by Carryover, Award Letter, or subsequent to the issuance of the Determination Notice but prior to closing (for Tax-Exempt Bond Developments), or to place the Units on an Approved Existing Development. If the Applicant or an Affiliate obtain an ownership interest in an Approved Existing Development, the Applicant can submit an Amendment request authorizing that the Application satisfies this criteria under subparagraph (A), not subparagraph (B). Such an Amendment request will be considered a non-material change that has not been implemented, and Applicants will not be subject to the amendment fee required under §10.901(13) (relating to Fee Schedule, Appeals and other Provisions).

(i) The Development must not be an ineligible Elderly Development;

(ii) Unless the Development is also proposing to use any federal funding, the Development must not be originally constructed before 1978;

(iii) The Development must have Units available to be committed to the Section 811 PRA Program in the Development, meaning that those Units do not have any other sources of project-based rental assistance within 6 months of receiving Section 811 PRA Program assistance, not have an existing use restriction for Extremely Low-income households, and the Units do not have an existing restriction for Persons with Disabilities;

(iv) The Development Site must be located in one of the following areas: Austin-Round Rock MSA, Brownsville-Harlingen MSA, Corpus Christi MSA; Dallas-Fort Worth-Arlington MSA; El Paso MSA; Houston-The Woodlands-Sugar Land MSA; McAllen-Edinburg-Mission MSA; or San Antonio-New Braunfels MSA; and

(v) No new construction activities or projects shall be located in the mapped 500-year floodplain or in the 100-year floodplain according to FEMA's Flood Insurance Rate Maps (FIRM). Rehabilitation Developments that have previously received HUD funding or obtained HUD insurance do not have to follow sections (i) – (iii) of this subparagraph. Existing structures may be assisted in these areas, except for sites located in coastal high hazard areas (V Zones) or regulatory floodways, but must meet the following requirements:

(I) The existing structures must be flood-proofed or must have the lowest habitable floor and utilities elevated above both the 500-year floodplain and the 100-year floodplain.

(II) The project must have an early warning system and evacuation plan that includes evacuation routing to areas outside of the applicable floodplains.

(III) Project structures in the 100-year floodplain must obtain flood insurance under the National Insurance Program. No activities or projects located within the 100-year floodplain may be assisted in a community that is not participating in or has been suspended from the National Flood Insurance Program.

**§10.205. Required Third Party Reports.** The Environmental Site Assessment, Property Condition Assessment, Appraisal (if applicable), and the Market Analysis must be submitted no later than the Third Party Report Delivery Date as identified in §10.4 of this chapter (relating to Program Dates). For Competitive HTC Applications, the Environmental Site Assessment, Property Condition Assessment, Appraisal (if applicable), and the Primary Market Area map (with definition based on census tracts, and site coordinates in decimal degrees, area of PMA in square miles, and list of census tracts included) must be submitted no later than the Full Application Delivery Date as identified in §11.2 of this title (relating to Program Calendar for Competitive Housing Tax Credits) and the Market Analysis must be submitted no later than the Market Analysis Delivery Date as identified in §11.2 of this title. For Competitive HTC Applications, if the reports, in their entirety, are not received by the deadline, the Application will be terminated. An electronic copy of the report in the format of a single file containing all information and exhibits clearly labeled with the report type, Development name and Development location are required. All Third Party reports must be prepared in accordance with Subchapter D of this chapter (relating to Underwriting and Loan Policy). The Department may request additional information from the report provider or revisions to the report as needed. In instances of non-response by the report provider, the Department may substitute in-house analysis. The Department is not bound by any opinions expressed in the report.

**(1) Environmental Site Assessment.** This report, required for all Developments and prepared in accordance with the requirements of §10.305 of this chapter (relating to Environmental Site Assessment Rules and Guidelines), must not be dated more than twelve (12) months prior to the first day of the Application Acceptance Period. If this timeframe is exceeded, then a letter or updated report must be submitted, dated not more than three (3) months prior to the first day of the Application Acceptance Period from the Person or organization which prepared the initial assessment confirming that the site has been re-inspected and reaffirming the conclusions of the initial report or identifying the changes since the initial report.

(A) Developments funded by USDA will not be required to supply this information; however, it is the Applicant's responsibility to ensure that the Development is maintained in compliance with all state and federal environmental hazard requirements.

(B) If the report includes a recommendation that an additional assessment be performed, then a statement from the Applicant must be submitted with the

Application indicating those additional assessments and recommendations will be performed prior to closing. If the assessments require further mitigating recommendations, then evidence indicating the mitigating recommendations have been carried out must be submitted at cost certification.

**(2) Market Analysis.** The Market Analysis, required for all Developments and prepared in accordance with the requirements of §10.303 of this chapter (relating to Market Analysis Rules and Guidelines), must not be dated more than six (6) months prior to the first day of the Application Acceptance Period. If the report is older than six (6) months, but not more than twelve (12) months prior to the first day of the Application Acceptance Period, the Qualified Market Analyst that prepared the report may provide a statement that reaffirms the findings of the original Market Analysis. The statement may not be dated more than six (6) months prior to the first day of the Application Acceptance Period and must be accompanied by the original Market Analysis.

(A) The report must be prepared by a disinterested Qualified Market Analyst approved by the Department in accordance with the approval process outlined in §10.303 of this chapter;

(B) Applications in the USDA Set-Aside proposing Rehabilitation with residential structures at or above 80 percent occupancy at the time of Application submission, the appraisal, required for Rehabilitation Developments and Identity of Interest transactions prepared in accordance with §10.304 of this chapter (relating to Appraisal Rules and Guidelines), will satisfy the requirement for a Market Analysis; however, the Department may request additional information as needed. (§2306.67055; §42(m)(1)(A)(iii))

(C) It is the responsibility of the Applicant to ensure that this analysis forms a sufficient basis for the Applicant to be able to use the information obtained to ensure that the Development will comply with fair housing laws.

**(3) Property Condition Assessment (PCA).** This report, required for Rehabilitation (excluding Reconstruction) and Adaptive Reuse Developments and prepared in accordance with the requirements of §10.306 of this chapter (relating to Property Condition Assessment Guidelines), must not be dated more than six (6) months prior to the first day of the Application Acceptance Period. If the report is older than six (6) months, but not more than twelve (12) months prior to the first day of the Application Acceptance Period, the report provider may provide a statement that reaffirms the findings of the original PCA. The statement may not be dated more than six (6) months prior to the first day of the Application Acceptance Period and must be accompanied by the original PCA. For Developments which require a capital needs assessment from USDA the capital needs assessment may be substituted and may be more than six (6) months old, as long as USDA has confirmed in writing that the existing capital needs assessment is still acceptable and it meets the requirements of §10.306 of this chapter. All Rehabilitation Developments financed with Direct Loans must also submit a capital needs assessment estimating the useful life of each major system. This assessment must include a comparison between the

local building code and the International Existing Building Code of the International Code Council.

**(4) Appraisal.** This report, required for all Rehabilitation Developments and prepared in accordance with the requirements of §10.304 of this chapter, is required for any Application claiming any portion of the building acquisition in Eligible Basis, and Identity of Interest transactions pursuant to Subchapter D of this chapter, must not be dated more than six (6) months prior to the first day of the Application Acceptance Period. For Developments that require an appraisal from USDA, the appraisal may be more than six (6) months old, as long as USDA has confirmed in writing that the existing appraisal is still acceptable.

**§10.206. Board Decisions** (§§2306.6725(c); 2306.6731; and 42(m)(1)(A)(iv)). The Board's decisions regarding awards shall be based upon the Department's and the Board's evaluation of the proposed Developments' consistency with, and fulfillment of, the criteria and requirements set forth in this chapter, Chapter 11 of this title (relating to Housing Tax Credit Program Qualified Allocation Plan) and other applicable Department rules and other applicable state, federal and local legal requirements, whether established in statute, rule, ordinance, published binding policy, official finding, or court order. The Board shall document the reasons for each Application's selection, including any discretionary factors used in making its determination, including good cause, and the reasons for any decision that conflicts with the recommendations made by Department staff. Good cause includes the Board's decision to apply discretionary factors where authorized. The Department reserves the right to reduce the amount of funds requested in an Application, condition the award recommendation or terminate the Application based on the Applicant's inability to demonstrate compliance with program requirements.

#### **§10.207. Waiver of Rules for Applications.**

**(a) General Waiver Process.** This waiver section, unless otherwise specified, is applicable to Subchapter A of this chapter (relating to General Information and Definitions), Subchapter B of this chapter (relating to Site and Development Requirements and Restrictions), Subchapter C of this chapter (relating to Application Submission Requirements, Ineligibility Criteria, Board Decisions, and Waiver of Rules for Applications), Subchapter D of this chapter (relating to Underwriting and Loan Policy), Subchapter E of this chapter (relating to Post Award and Asset Management Requirements), Subchapter F of this chapter (relating to Compliance Monitoring) Subchapter G of this chapter (relating to Fee Schedule, Appeals, and Other Provisions), Chapter 11 of this title (relating to Housing Tax Credit Program Qualified Allocation Plan), Chapter 12 of this title (relating to Multifamily Housing Revenue Bond Rules), and Chapter 13 (relating to Multifamily Direct Loan Program Rules). An Applicant may request a waiver in writing at or prior to the submission of the pre-application (if applicable) or the Application or subsequent to an award. Waiver requests on Competitive HTC Applications will not be accepted between submission of the Application and any award for the Application. Staff may identify and initiate a waiver request as part of another Board action request. Where appropriate, the Applicant is encouraged to submit with the requested waiver any plans for mitigation or

alternative solutions. Any such request for waiver must be specific to the unique facts and circumstances of an actual proposed Development and must be submitted to the Department in the format required in the Multifamily Programs Procedures Manual. Any waiver, if granted, shall apply solely to the Application and shall not constitute a general modification or waiver of the rule involved. Waiver requests that are limited to Development design and construction elements not specifically required in Tex. Gov't Code, Chapter 2306 must meet the requirements of paragraph (1) of this subsection. All other waiver requests must meet the requirements of paragraph (2) of this subsection.

(1) The waiver request must establish good cause for the Board to grant the waiver which may include limitations of local building or zoning codes, limitations of existing building structural elements for Adaptive Reuse or Rehabilitation (excluding Reconstruction) Developments, required amenities or design elements in buildings designated as historic structures that would conflict with retaining the historic nature of the building(s), or provisions of the design element or amenity that would not benefit the tenants due to limitations of the existing layout or design of the units for Adaptive Reuse or Rehabilitation (excluding Reconstruction) Developments. Staff may recommend the Board's approval for such a waiver if the Executive Director finds that the Applicant has established good cause for the waiver. A recommendation for a waiver may be subject to the Applicant's provision of alternative design elements or amenities of a similar nature or that serve a similar purpose. Waiver requests for items that were elected to meet scoring criteria or where the Applicant was provided a menu of options to meet the requirement will not be considered under this paragraph.

(2) The waiver request must establish how it is necessary to address circumstances beyond the Applicant's control and how, if the waiver is not granted, the Department will not fulfill some specific requirement of law. In this regard, the policies and purposes articulated in Tex. Gov't Code, §§2306.001, 2306.002, 2306.359, and 2306.6701, are general in nature and apply to the role of the Department and its programs, including the Housing Tax Credit program.

**(b) Waivers Granted by the Board.** The Board, in its discretion, may waive any one or more of the rules in Subchapters A through G of this chapter, Chapter 11, Chapter 12 and Chapter 13, except no waiver shall be granted to provide directly or implicitly any forward commitments or any waiver that is prohibited by statute (i.e., statutory requirements may not be waived). The Board, in its discretion, may grant a waiver that is in response to a natural, federally declared disaster that occurs after the adoption of the multifamily rules to the extent authorized by a governor declared disaster proclamation suspending regulatory requirements.

## **Subchapter G – Fee Schedule, Appeals and other Provisions**

**§10.901. Fee Schedule.** Any fees, as stated in this section, not paid will cause an Applicant to be ineligible to apply for Department funding, ineligible to receive additional Department funding associated with a Commitment, Determination Notice or Contract, and ineligible to submit extension requests, ownership transfers, and Application amendments until such time the Department receives payment. Payments of the fees shall be in the form of a check and to the extent there are insufficient funds available, it may cause the Application, Commitment, Determination Notice or Contract to be terminated or Allocation rescinded. The Department may extend the deadline for specific extenuating and extraordinary circumstances, provided the Applicant submits a written request for an extension no later than ten (10) business days prior to the deadline associated with the particular fee. For those requests that do not have a specified deadline, the written request for a fee waiver and description of extenuating and extraordinary circumstances must be included in the original request cover letter.

**(1) Competitive Housing Tax Credit Pre-Application Fee.** A pre-application fee, in the amount of \$10 per Unit, based on the total number of Units reflected in the pre-application, must be submitted with the pre-application in order for the pre-application to be considered accepted by the Department. Pre-applications in which a Community Housing Development Corporation (CHDO) or a private Qualified Nonprofit Organization intends to serve as the Managing General Partner of the Development Owner, or Control the Managing General Partner of the Development Owner, may be eligible to receive a discount of 10 percent off the calculated pre-application fee provided such documentation is submitted with the fee. (§2306.6716(d))

**(2) Refunds of Pre-application Fees.** (§2306.6716(c)) Upon written request from the Applicant, the Department shall refund the balance of the pre-application fee for a pre-application that is withdrawn by the Applicant and that is not fully processed by the Department. The amount of refund will be commensurate with the level of review completed. Initial processing will constitute 50 percent of the review, threshold review prior to a deficiency issued will constitute 30 percent of the review, and deficiencies submitted and reviewed constitute 20 percent of the review.

**(3) Application Fee.** Each Application must be accompanied by an Application fee.

(A) Housing Tax Credit Applications. For Applicants having submitted a competitive housing tax credit pre-application which met the pre-application threshold requirements, and for which a pre-application fee was paid, the Application fee will be \$20 per Unit based on the total number of Units in the full Application. Otherwise, the Application fee will be \$30 per Unit based on the total number of Units in the full Application. Applications in which a CHDO or Qualified Nonprofit Organization intends to serve as the Managing General Partner of the Development Owner, or Control the Managing General Partner of the Development Owner, may

be eligible to receive a discount of 10 percent off the calculated Application fee provided such documentation is submitted with the fee. (§2306.6716(d))

(B) Direct Loan Applications. The fee will be \$1,000 per Application except for those Applications that are layered with Housing Tax Credits and submitted simultaneously with the Housing Tax Credit Application. Pursuant to Tex. Gov't Code §2306.147(b), the Department is required to waive Application fees for private nonprofit organizations that offer expanded services such as child care, nutrition programs, job training assistance, health services, or human services and if HOME funds are awarded. In lieu of the Application fee, these organizations must include proof of their exempt status and a description of their supportive services as part of the Application. The Application fee is not a reimbursable cost under the HOME Program.

**(4) Refunds of Application Fees.** Upon written request from the Applicant, the Department shall refund the balance of the Application fee for an Application that is withdrawn by the Applicant and that is not fully processed by the Department. The amount of refund will be commensurate with the level of review completed. Initial processing will constitute 20 percent, the site visit will constitute 20 percent, program review will constitute 40 percent, , and underwriting review will constitute 20 percent.

**(5) Third Party Underwriting Fee.** Applicants will be notified in writing prior to the evaluation in whole or in part of a Development by an independent external underwriter if such a review is required. The fee must be received by the Department prior to the engagement of the underwriter. The fees paid by the Development Owner to the Department for the external underwriting will be credited against the Commitment or Determination Notice Fee, as applicable, established in paragraphs (8) and (9) of this section, in the event that a Commitment or Determination Notice is issued by the Department to the Development Owner.

**(6) Administrative Deficiency Notice Late Fee.** (Not applicable for Competitive Housing Tax Credit Applications.) Applications that fail to resolve Administrative Deficiencies pursuant to §10.201(7) of this chapter may incur a late fee in the amount of \$500 for each business day the deficiency remains unresolved.

**(7) Third Party Deficiency Request Fee.** For Competitive Housing Tax Credits (HTC) Applications, a fee equal to \$500 must be submitted with a Third Party Request for Administrative Deficiency that is submitted per Application pursuant to §11.10 of this title (relating to Housing Tax Credit Program Qualified Allocation Plan).

**(8) Housing Tax Credit Commitment Fee.** No later than the expiration date in the Commitment, a fee equal to 4 percent of the annual Housing Credit Allocation amount must be submitted. If the Development Owner has paid the fee and returns the credits by November 1 of the current Application Round, then a refund of 50 percent of the Commitment Fee may be issued upon request.

**(9) Tax Exempt Bond Development Determination Notice Fee.** No later than the expiration date in the Determination Notice, a fee equal to 4 percent of the annual Housing Credit Allocation amount must be submitted. If the Development Owner has paid the fee and is not able close on the bonds within ninety (90) days of the issuance date of the Determination Notice, then a refund of 50 percent of the Determination Notice Fee may be issued upon request.

**(10) Building Inspection Fee.** (For Housing Tax Credit and Tax-Exempt Bond Developments only.) No later than the expiration date in the Commitment or Determination Notice, a fee of \$750 must be submitted. Building inspection fees in excess of \$750 may be charged to the Development Owner not to exceed an additional \$250 per Development.

**(11) Tax-Exempt Bond Credit Increase Request Fee.** Requests for increases to the credit amounts to be issued on IRS Forms 8609 for Tax-Exempt Bond Developments must be submitted with a request fee equal to 4 percent of the amount of the credit increase for one (1) year.

**(12) Extension Fees.** All extension requests for deadlines relating to the Carryover, 10 Percent Test (submission and expenditure), Construction Status Reports, or Cost Certification requirements submitted at least thirty (30) calendar days in advance of the applicable deadline will not be required to submit an extension fee. Any extension request submitted fewer than thirty (30) days in advance or after the original deadline must be accompanied by an extension fee of \$2,500. A subsequent request on the same activity, regardless of whether the first request was submitted thirty (30) calendar days in advance of the applicable deadline, must include a fee of \$3,000 and if a third request for such amendment is made, it must include a fee of \$3,500. An extension fee will not be required for extensions requested on Developments that involve Rehabilitation when the Department or U.S. Department of Agriculture (USDA) is the primary lender if USDA or the Department is the cause for the Applicant not meeting the deadline.

**(13) Amendment Fees.** An amendment request for a non-material change that has not been implemented will not be required to pay an amendment fee. Material amendment requests (whether implemented or not), or non-material amendment requests that have already been implemented will be required to submit an amendment fee of \$2,500. A subsequent request, related to the same application, regardless of whether the first request was non-material and did not require a fee, must include a fee of \$3,000 and if a third request for such amendment is made, it must include a fee of \$3,500. Amendment fees and fee increases are not required for the Direct Loan programs.

**(14) Right of First Refusal Fee.** Requests for approval of the satisfaction of the Right of First Refusal provision of the Land Use Restriction Agreement (LURA) must be accompanied by a non-refundable fee of \$2,500.

**(15) Qualified Contract Pre-Request Fee.** A Development Owner must file a preliminary Qualified Contract Request to confirm eligibility to submit a Qualified Contract request. The Pre-Request must be accompanied by a non-refundable processing fee of \$250.

**(16) Qualified Contract Fee.** Upon eligibility approval of the Qualified Contract Pre-Request, the Development Owner may file a Qualified Contract Request. Such request must be accompanied by a non-refundable processing fee of \$3,000.

**(17) Ownership Transfer Fee.** Requests to approve an ownership transfer must be accompanied by a non-refundable processing fee of \$1,000.

**(18) Unused Credit or Penalty Fee.** Development Owners who have more tax credits allocated to them than they can substantiate through Cost Certification will return those excess tax credits prior to issuance of IRS Form 8609. For Competitive Housing Tax Credit Developments, a penalty fee equal to the one year credit amount of the lost credits (10 percent of the total unused tax credit amount) will be required to be paid by the Owner prior to the issuance of IRS Form 8609 if the tax credits are not returned, and 8609's issued, within one hundred eighty (180) days of the end of the first year of the credit period. This penalty fee may be waived without further Board action if the Department recaptures and re-issues the returned tax credits in accordance with Internal Revenue Code, §42. If an Applicant returns a full credit allocation after the Carryover Allocation deadline required for that allocation, the Executive Director will recommend to the Board the imposition of a penalty on the score for any Competitive Housing Tax Credit Applications submitted by that Applicant or any Affiliate for any Application in an Application Round occurring concurrent to the return of credits or if no Application Round is pending, the Application Round immediately following the return of credits. If any such point penalty is recommended to be assessed and presented for final determination by the Board, it must include notice from the Department to the affected party not less than fourteen (14) calendar days prior to the scheduled Board meeting. The Executive Director may, but is not required, to issue a formal notice after disclosure if it is determined that the matter does not warrant point penalties. The penalty will be assessed in an amount that reduces the Applicant's final awarded score by an additional 20 percent.

**(19) Compliance Monitoring Fee.** Upon receipt of the cost certification for HTC Developments or HTC Developments that are layered with Direct Loan funds, or upon the completion of the 24-month development period and the beginning of the repayment period for Direct Loan only Developments, the Department will invoice the Development Owner for compliance monitoring fees. The amount due will equal \$40 per tax credit Unit and \$34 per Direct Loan designated Unit, with two fees due for units that are dually designated. For HTC Developments, the fee will be collected, retroactively if applicable, beginning with the first year of the credit period. Except as prohibited by law and the Department's Ex Parte Communications policy, the Department encourages informal communications between Department staff and Applicants, and other interested persons, to exchange information and informally resolve disputes. The Department also has administrative appeals processes to fairly and expeditiously resolve disputes. If at any time an Applicant or other person would like to engage the Department in an ADR procedure, the person may send a proposal to the Department's Dispute Resolution Coordinator. For additional information on the Department's ADR Policy, see the Department's General Administrative Rule on ADR at §1.17 of this title.
