(a) The Partnership shall not recognize any Voluntary Transfer of a General Partner’s Partnership Interest and any such attempted Voluntary Transfer shall be invalid and ineffective as to the Partnership and the Limited Partner, unless and until: (i) the proposed transfer is of all the Partnership Interest owned by such General Partner; (ii) the Limited Partner and the Special Limited Partner have each received a copy of a written instrument of transfer of all such Partnership Interest, which instrument shall be signed by the General Partner and the transferee and shall contain the name and address of the transferee and the transferee’s express acceptance of an agreement to be bound by all of the terms and conditions of this Partnership Agreement; (iii) the General Partner has paid or caused to be paid all costs related to such Voluntary Transfer, including, without limitation, the reimbursement of all legal fees and expenses incurred by the Partnership in connection with such transfer; (iv) such Voluntary Transfer will not result in the termination of the Partnership for federal income tax purposes; (v) such Voluntary Transfer will not result in the Partnership being classified as an “association” which is taxable as a corporation for federal income tax purposes; (vi) the Partnership receives an opinion of legal counsel to the effect of clause (v); and (vii) the Limited Partner has consented in writing to such Voluntary Transfer, which consent may be withheld or given, in the sole discretion of the Limited Partner.

(b) Upon compliance with this §10.1, such transfer of a General Partner’s Partnership Interest shall bind the Partnership and all the Limited Partners and no such Voluntary Transfer shall cause the termination of the Partnership. In addition, effective as of the date of full compliance with the requirements of this §10.1, the transferee of a General Partner’s Partnership Interest shall be admitted as a new General Partner of the Partnership and shall be vested with all the powers and obligations with respect to the management of the Partnership as are granted to and placed upon the transferor General Partner under this Partnership Agreement.

§10.2 Involuntary Transfers. An Involuntary Transfer of a General Partner’s Partnership Interest at such time as there is more than one General Partner shall not dissolve the Partnership, but rather the business of the Partnership shall be continued without interruption and all of the management powers and authority granted herein to the General Partner making such Involuntary Transfer shall automatically be placed upon the remaining General Partner(s), unless the Limited Partner otherwise elects within thirty (30) days after the occurrence of such Involuntary Transfer to dissolve the Partnership and have the Partnership’s affairs and business wound up and terminated pursuant to Article 11. An Involuntary Transfer of a General Partner’s Partnership Interest when there is no other General Partner in existence shall dissolve the Partnership and the Partnership’s affairs and business shall be wound up and terminated under Article 11, unless the Limited Partner agrees in writing to the continuation of the business of the Partnership and the appointment of a new General Partner pursuant to the provisions of §10.3.

§10.3 Continuation of Partnership After Involuntary Transfer of General Partner’s Partnership Interests. Upon an Involuntary Transfer of the last remaining General Partner’s Partnership Interest, the Partnership will dissolve and the affairs and business of the Partnership will
be wound up and terminated under Article 11, unless within ninety (90) days after the occurrence of such Involuntary Transfer, the Limited Partner agrees in writing to the continuation of the business of the Partnership and the appointment of a new General Partner. Unless such an election is made within such 90-day period, the Partnership may conduct only those activities, that are necessary to wind up and terminate its affairs and business. If such an election is made within such 90-day period, then: (a) the reconstituted partnership will continue until the end of the term of the Partnership's existence set forth in this Partnership Agreement; and (b) immediately upon its receipt of cash in an amount equal to the greater of (1) $100 or (2) the then positive balance in its Capital Account, the former General Partner is automatically (and without the need for the execution of any further documentation) deemed to have relinquished its entire Partnership Interest, with such relinquished Partnership Interest being automatically allocated to the new General Partner.

§10.4 Distributions and Allocations with Respect to Transferred Partnership Interests. If any transfer (whether a Voluntary or Involuntary Transfer) of a General Partner's Partnership Interest is recognized by the Partnership under this Article 10, then all allocations of Profits and Losses attributable to the transferred Partnership Interest are divided and allocated between the transferor and the transferee by taking into account their varying interests during such fiscal period, using any convention or method of allocation selected by the Limited Partner which is then permitted under §706 of the Code and the Regulations promulgated thereunder. Any distributions of Cash Flow made prior to the effective date of any such transfer are made to the transferor and any such distributions made after the effective date of such transfer shall be made to the transferee. Neither the Partnership nor the Limited Partner will incur any liability for making allocations and distributions in accordance with the provisions of this §10.4.

§10.5 Voluntary Withdrawal. A General Partner may not voluntarily withdraw from the Partnership without the prior written consent of the Limited Partner.

§10.6 Removal of General Partner and/or Special Limited Partner. The Limited Partner may remove the General Partner and/or the Special Limited Partner, for any of the following Events of Default in this §10.6(a), as applicable; provided, however, either Partner may be removed only as to its own default and not as to the default of the other Partner. Notwithstanding anything to the contrary in the immediately preceding sentence, if there is an Event of Default under §10.6(a)(xiv) below with respect to the Guaranty Agreement between Guarantor Group A and the Limited Partner and the Guaranty Agreement between Guarantor Group B and the Limited Partner, both the General Partner and the Special Limited Partner may be removed by the Limited Partner pursuant to this §10.6, unless either the General Partner or the Special Limited Partner cures such default of Guarantor Group A and Guarantor Group B within thirty (30) days after notice of such default.

Under all other circumstances, such removal shall be effective only after:

(i) failure by the General Partner or Special Limited Partner to cure the default(s) set forth in the notice of removal within the prescribed cure period,

ARTICLE 11: DISSOLUTION, WINDING UP AND TERMINATION

§11.1 Dissolution. The Partnership will dissolve upon the occurrence of any of the following events:

(a) The expiration of the term of the Partnership’s existence;

(b) The sale or other disposition of all or substantially all of the Partnership Property and the Partnership’s receipt of all or substantially all of the proceeds therefrom;

(c) The Partners’ mutual election to dissolve the Partnership;

(d) The Limited Partner’s election to dissolve the Partnership made at any time that is more than three years after the end of the Compliance Period;

(e) The failure of the Limited Partner to agree in writing at the time and in the manner provided in §10.3 hereof to the continuation of the business of the Partnership and the appointment of a new General Partner upon the occurrence of an Involuntary Transfer of the last remaining General Partner’s Partnership Interest or the removal of the General Partner; or

(f) The Limited Partner’s election pursuant to §10.2 hereof to dissolve the Partnership upon the occurrence of an Involuntary Transfer of a General Partner’s Partnership Interest, notwithstanding the fact that one or more other General Partner is in existence at such time.

§11.2 Winding Up and Termination. Upon the dissolution of the Partnership, the affairs and business of the Partnership will be wound up and terminated, the Partnership’s liabilities discharged and the Partnership Property liquidated and distributed in the manner hereinafter described. A reasonable time will be allowed for the orderly winding up of the affairs and business of the Partnership so as to enable the Partnership to minimize the normal losses attendant to the winding up and termination period. The winding up and termination of the affairs and business of the Partnership shall be supervised and conducted by the Liquidation Manager. The Liquidation Manager has the exclusive power and authority to act on behalf of the Partnership to wind up and terminate the affairs and business of the Partnership, to sell and convey the Partnership Property to such Persons (including, without limitation, any Partner or any Affiliate thereof) for such consideration and upon such terms and conditions as it deems necessary or appropriate, to discharge the Partnership’s liabilities, to establish any reserves that it deems necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership, and to distribute the liquidation proceeds in the manner hereinafter described.

Upon completion of the winding up of the affairs and business of the Partnership, the liquidation proceeds will be distributed by the Liquidation Manager in the following manner and order of priority:
(a) First, such liquidation proceeds will be applied to the payment of debts and liabilities of the Partnership (excluding any loans the General Partner or its Affiliates made pursuant to §6.4(f)(i), §6.4(f)(ii), and/or §6.4(f)(iii) hereof and the Guaranty Agreement and any unpaid Development Fee) and the payment of expenses of the winding up of the affairs and business of the Partnership;

(b) Second, such liquidation proceeds will be applied to the setting up of any reserves (to be held by the Liquidation Manager in an interest-bearing account) which the Liquidation Manager may deem necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership; provided, however, that at the expiration of such time as the Liquidation Manager deems necessary or appropriate, the balance of such reserves remaining after payment of such liabilities or obligations will be distributed by the Liquidation Manager in the manner hereinafter set forth in this §11.2; and

(c) Third, such liquidation proceeds will be paid to satisfy debts and liabilities owed to Partners and their Affiliates described in §5.2(a) hereof and in accordance with the priority set forth therein; and

(d) Fourth, such liquidation proceeds will be distributed in compliance with §1.704-1(b)(2)(ii)(b)(2) of the Regulations to the Partners in accordance with their positive Capital Accounts, after giving effect to all contributions, distributions and allocations for all periods, including, without limitation, the allocations to be made under §4.2(m) hereof.

§11.3 Compliance with Liquidation Requirements of Regulations. If the Partnership is “liquidated” within the meaning of §1.704-1(b)(2)(ii)(g) of the Regulations, then:

(a) Distributions will be made pursuant to §11.2 hereof (if such “liquidation” constitutes a dissolution and termination of the Partnership) to the Partners who have positive balances in their Capital Accounts in compliance with §1.704-1(b)(2)(ii)(b)(2) of the Regulations;

(b) If a General Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including, without limitation, the taxable year in which such liquidation occurs), then such General Partner will contribute to the capital of the Partnership the amount necessary to restore the balance in its Capital Account to zero;

(c) If a Limited Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including, without limitation, the taxable year in which such liquidation occurs), then such Limited Partner will contribute to the capital of the Partnership the lesser of (1) such deficit balance in its Capital Account or (2) the limited dollar amount, if any, of its Capital Account deficit which the Limited Partner has expressly agreed in writing to restore to the capital of the Partnership pursuant to §11.4 hereof; and
(d) Any such contribution by a Partner shall be made on or before the later of (1) the end of the taxable year of the “liquidation” or (2) ninety (90) days after the date of the “liquidation”.

Notwithstanding anything to the contrary contained in this §11.3, in the event the Partnership is “liquidated” within the meaning of §1.704-1(b)(2)(ii)(g) of the Regulations, but such “liquidation” does not constitute a dissolution and termination of the Partnership pursuant to this Partnership Agreement, then no distributions shall be made pursuant to §11.2 hereof. Instead, the Partnership shall be deemed to have distributed the Partnership Property in kind to the Partners, who shall be deemed to have assumed and taken subject to all Partnership liabilities, all in accordance with their respective Capital Accounts. Immediately thereafter, the Partners shall be deemed to have recontributed the Partnership Property in kind to the Partnership, which shall be deemed to have assumed and taken subject to all such liabilities.

§11.4 Rights and Obligations of Limited Partner Upon Dissolution. Except as otherwise expressly provided in §11.3(b) hereof, the Limited Partner shall look solely to the assets of the Partnership for the return of its Capital Contribution. Except as otherwise elected by the Limited Partner pursuant to this §11.4, the Limited Partner and Special Limited Partner shall not have any obligation to restore any deficit in their Capital Accounts upon the liquidation of the Partnership. Notwithstanding anything to the contrary contained in this Partnership Agreement, the Limited Partner and Special Limited Partner may from time to time elect to be obligated to restore a deficit in their Capital Accounts up to a limited dollar amount. Such election shall be made by the delivery of a written notice of election to the General Partner no later than April 15 following the taxable year for which such election is to be effective and shall specify the dollar amount of the deficit in its Capital Account that the Limited Partner or the Special Limited Partner agrees to restore. Such election shall be irrevocable and shall be binding on subsequent transferees of the Limited Partner’s or the Special Limited Partner’s Partnership Interest.

§11.5 Waiver of Partition. Each Partner hereby waives any right to partition or cause a partition of the Partnership Property.

§11.6 Final Accounting. The Liquidation Manager shall furnish each of the Partners with a statement setting forth the assets and liabilities of the Partnership as of the date of the completion of the winding up and termination of the affairs and business of the Partnership. Upon completion of the distribution plan set forth in this Article 11, the Liquidation Manager shall cause to be executed by the appropriate parties and filed in such public offices as shall be required under the Act a cancellation of the Certificate of Formation, or any amendment thereto, of the Partnership and any and all other documents which the Liquidation Manager deems necessary or appropriate to effect the dissolution and termination of the Partnership.

Brad – unfortunately NEF cannot provide permission to accommodate 811 units in NEF’s existing projects. The attached letter details the reasoning.

If you have any questions or need anything further, please let me know.

Re: Churchill’s 811 Eligible Properties  

Dear Mr. Forslund:  

National Equity Fund (“NEF”) serves as the Limited Partner and LIHTC investor in five LIHTC properties that are operated by Churchill Residential (“Churchill”) and are eligible for the Section 811 Project Rental Assistance Program (“811”). The five properties are as follows:

- Evergreen at Morningstar – 6245 Morning Star Dr. The Colony, TX  
- Churchill at Champions Circle – 3424 Outlet Blvd. Fort Worth, TX  
- Evergreen at Vista Ridge – 455 Highland Dr. Lewisville, TX  
- Evergreen at Arbor Hills – 2314 Parker Rd. Carrollton, TX  
- Evergreen at Rowlett – 5611 Old Rowlett Rd. Rowlett, TX  

Churchill has brought to NEF’s attention an inquiry to add 811 units to these existing properties. NEF has a responsibility to its investors to maintain the initial underwriting, operational, and risk profile of these projects contemplated at closing and thus we respectfully deny this request as it would present significant challenges for each project’s stakeholders. NEF’s denial is based on the following:

1. NEF’s LPA Requires Consent to Alter a Project’s Unit Mix/Restrictions for all 5 Churchill projects listed above – To use Evergreen at Rowlett as an example, stated in the Limited Partnership Agreement (LPA) under Section 6.2 Restrictions of GP’s Authority:

   Notwithstanding anything to the contrary contained in this Partnership Agreement, neither the General Partner nor the Special Limited Partner shall have the authority to take any of the actions set forth below without the prior written consent of the Limited Partner and the General Partner shall not have the authority to seek the Limited Partner’s consent if the Special Limited Partner has not previously consented to such action:

   6.2.1 Do any act in contravention of or inconsistent with this Partnership Agreement or any other agreement to which the Partnership is a party (including, without limitation, those relating to the Project Documents, Construction Loan, Permanent Loan and Subordinate Cash Flow Loans);
The documents referenced above spell out the various rent set asides, tenant targeting, operating revenues and expenses, etc. associated with the property – incorporating 811 units constitutes as a change to those documents and thus legally requires NEF’s written approval.

2. Economic Risk – currently none of the Churchill properties listed above include project based vouchers; it would take significant costs to train management, compliance, and accounting personnel to accommodate 811 vouchers as Churchill manages their own properties and thus cannot leverage the knowledge of a larger, third party property management firm. These additional upfront and ongoing costs were not initially contemplated and underwritten at project closing. NEF recognizes that the 811 program provides subsidized rents that could potentially offset some or all of these costs; however, that determination would require an in-depth analysis (and potentially revised third party reports such as market study and appraisal) which would incur investor/lender costs that are in addition to the added on-going costs at the property level.

3. Operational Risk – The 5 properties above are stable, well performing communities with an active tenant base – 4 of the 5 are senior properties. These tenants are demanding, informed, and organized. It is unclear to NEF how the current tenant base will react to the potential of 811 tenants that were not contemplated when they made the decision to lease. The risk of increased tenant concerns and turnover is real even if the actual risk posed by 811 tenants is not.

To be clear, NEF does not have any issue with the 811 program and respects its purpose/mission as a worthy one. NEF plans to participate in many Texas communities going forward that include 811 units and NEF and the project’s stakeholders will have the ability to underwrite the program’s operational and economic implications at closing. However, it is extremely difficult and risky for NEF to recommend to our investors a significant change in unit restrictions, tenant targeting, economics, and operations after closing.

Please let me know if you have any questions regarding this matter.

Sincerely,

Jason Aldridge

Re: Evergreen at Richardson in Richardson, Texas
Existing TDHCA Property for Section 811 Consideration

Dear Mr. Duran:

We have received notification of this existing development’s potential to be approved for placement of Section 811 PRAC Program units for the 2019 9% Competitive Housing Tax Credit Application cycle.

We understand and appreciate the importance of this program and all the efforts made by the Department to reach Texans of low to moderate incomes and to provide quality housing options for these families.

However, after careful review and consideration, we cannot approve Section 811 units being placed on this property for the 2019 cycle as outlined in the 2019 Qualified Allocation Plan. This property is not currently participating in the program and we do not approve Section 811 units to be set aside.

In December 2010, Raymond James Housing Opportunities Fund 8 entered into the Evergreen Richardson Senior Community Limited Partnership as the investor limited partner. As part of our due diligence and underwriting process, we carefully considered the construction, amenities, staffing, and operational expenses which would be required to operate the expected tenant population of Evergreen at Richardson ("development"), which are seniors age 62 and older. It was under that specific premise that the investor limited partner contributed in excess of $16 million for the construction of Evergreen at Richardson in order to receive the Low Income Housing Tax Credits associated with this development. No other unit types nor tenant population were contemplated. As such, it is uncertain if the development has adequate resources and/or staffing to properly consider adding Section 811 units to this development.

We appreciate the opportunity to provide feedback on our property and look forward to providing many more years of affordable housing in Texas. If you have any questions, please do not hesitate to contact me at (727) 567-5014 or via email at gary.k.robinson@raymondjames.com.

To the extent the allocation of any Losses to a Limited Partner would cause that Limited Partner to have an Adjusted Capital Account Deficit at the end of any Fiscal Year of the Partnership, then those Losses will not be allocated to that Limited Partner, but rather will be specially allocated to the General Partner.

4.2.3 Profit Chargeback. To the extent any Losses are allocated to the General Partner in accordance with Section 4.2.2 above, then Profits will thereafter first be specially allocated to the General Partner in proportion to and in an amount (1) up to but not exceeding the amount of any such allocations of Losses made to the General Partner under such Section 4.2.2, but (2) not to the extent that Losses would be allocated to the Limited Partner in excess of the amount permitted by such Section 4.2.2.

4.2.4 Partnership Minimum Gain Chargeback. Notwithstanding any other provision of this Article 4, if there is a net decrease in Partnership Minimum Gain during any Partnership Fiscal Year, then each Partner will be specially allocated items of Partnership income or gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to the portion of such Partner's share of the net decrease in the Partnership Minimum Gain (determined in accordance with Section 1.704-2(g) of the Regulations). Any allocations made pursuant to this subparagraph (d) are to be made in
proportion to the respective amounts required to be allocated to each of the Partners pursuant thereto. The items of Partnership income or gain specially allocated under this subparagraph (d) are to be determined in accordance with Section 1.704-2(f) of the Regulations. This subparagraph (d) is intended to comply with the minimum gain chargeback requirements of Section 1.704-2(f) of the Regulations and will be interpreted consistently therewith.

4.2.5 Partner Minimum Gain Chargeback. Notwithstanding any other provision of this Article 4 (except Section 4.2.4), if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any Partnership Fiscal Year, then each Partner who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt (as determined in accordance with Section 1.704-2(i)(5) of the Regulations) will be specially allocated items of Partnership income and gain for such Fiscal Year (and if necessary, subsequent Fiscal Years) in an amount equal to the portion of such Partner’s share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt (as determined in accordance with Section 1.704-2(i)(4) of the Regulations). Any allocations made pursuant to this Section 4.2.5 will be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items of Partnership income or gain specially allocated under this Section 4.2.5 will be determined in accordance with Section 1.704-2(i)(4) of the Regulations. This Section 4.2.5 is intended to comply with the minimum gain chargeback requirements of Section 1.704-2(i)(4) of the Regulations and will be interpreted consistently therewith.

4.2.6 Qualified Income Offset. If a Limited Partner unexpectedly receives any adjustments, allocations, or distributions described in Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, then items of Partnership income or gain will be specially allocated to that Limited Partner in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of that Limited Partner as quickly as possible. The special allocations required pursuant to this subparagraph (f) are made only if and to the extent that that Limited Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 4 have been tentatively made as if this subparagraph (f) were not in the Partnership Agreement. This subparagraph (f) is intended to comply with the qualified income offset requirements of Section 1.704-1(b)(2)(ii)(d) of the Regulations and will be interpreted consistently therewith.

4.2.7 Gross Income Allocation. If a Limited Partner has a deficit balance in its Capital Account at the end of any Partnership Fiscal Year which exceeds the sum of (1) the amount that Limited Partner is obligated to restore pursuant to any provision of this Partnership Agreement and (2) the amount that Limited Partner is deemed to be obligated to restore pursuant to the penultimate sentences of Section 1.704-2(g)(1) and Section 1.704-2(i)(5) of the Regulations, then that Limited Partner will be specially allocated items of Partnership income or gain in the amount of such excess as quickly as possible. The special allocations required pursuant to this Section 4.2.7 are made only if and to the extent that that Limited Partner would have a deficit Capital Account in excess of the aforementioned sum after all of the allocations provided for in this Article 4 have
been tentatively made as if Section 4.2.6 and this Section 4.2.7 were not in the
Partnership Agreement.

4.2.8 Nonrecourse Deductions. Nonrecourse Deductions are specially
allocated among the Partners in accordance with the same percentages set forth in Section
4.1 with respect to Profits and Losses.

4.2.9 Partner Nonrecourse Deductions. Partner Nonrecourse Deductions
are specially allocated to the Partner who bears the economic risk of loss with respect to
the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are
attributable in accordance with Section 1.704-2(i) of the Regulations.

4.2.10 754 Adjustment. To the extent an adjustment to the adjusted tax basis
of any Partnership Property undertaken pursuant to Section 734(b) or 743(b) of the Code
is required to be taken into account in determining the Capital Accounts of the Partners
under Section 1.704-1(b)(2)(iv)(m) of the Regulations, then the amount of such
adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment
increases the basis of the asset) or loss (if the adjustment decreases such basis) and such
gain or loss will be specially allocated to the Partners in a manner consistent with the
manner in which their Capital Accounts are required to be adjusted pursuant to the
aforementioned section of the Regulations.

4.2.11 Imputed Interest. To the extent the Partnership has taxable interest
income with respect to any Capital Contribution pursuant to Section 483 or Sections 1271
through 1288 of the Code, then (i) such interest income will be specially allocated to the
Partner to whom such Capital Contribution relates, and (ii) the amount of such interest
income will be excluded from the Capital Contributions credited to such Partner’s Capital
Account in connection with the payments of principal with respect to such Capital
Contribution.

4.2.12 Curative Allocations. The special allocations set forth in Section 4.2.4
through Section 4.2.9 are intended to comply with the requirements of Section 1.704-1(b)
of the Regulations. These special allocations may lead to results, which are inconsistent
with the Partners’ intentions concerning their sharing in Partnership distributions.
Accordingly, the General Partner is hereby authorized and directed to specially allocate
other items of Partnership income, gain, loss, and deduction among the Partners so as to
prevent the special allocations required under Section 4.2.4 through Section 4.2.9 of this
Section 4.2 from distorting the Partners’ understanding of the manner in which
Partnership distributions are to be made to the Partners upon the dissolution and
termination of the Partnership. In general, it is anticipated that the special allocations, if
any, made under this Section 4.2.12 are made by specially allocating other items of
Partnership income, gain, loss, and deduction among the Partners so that the sum of the
special allocations made to each Partner pursuant to Section 4.2.4 through Section 4.2.9
of this Section 4.2 equals the sum of the special allocations made under this Section
4.2.4. In order to preserve its Capital Account to allow the allocation of Tax Credits to
the Limited Partner in accordance with Section 4.2.1, the Limited Partner may select
certain classes of deductions (but not depreciation deductions) to be allocated solely to
the General Partner. The Limited Partner shall notify the General Partner in writing no later than the due date (without extension) of the Partnership tax return for any fiscal year of the deductions to be allocated to the General Partner in this manner, and the General Partner and Limited Partner shall cause the Partnership Agreement to be amended to reflect the special allocation described in the preceding sentence. Such amendment shall be considered effective as of the first day of the year for which such return relates.

4.2.13 Matching Income Allocation of Income or Gain from Sales and Refinancing Proceeds. All items of Partnership income or gain arising from events resulting in Net Cash from Sales or Refinancings are allocated:

(i) first, as specified in Sections 4.2.4 through 4.2.7, Section 4.2.10 and Section 4.2.12 and Section 4.4.3 of this Partnership Agreement;

(ii) second, if after the allocation of Profits and Losses for the Fiscal Year in which the gain arose, any Limited Partner has a negative Capital Account balance, 99.99% to the Limited Partner, 0.005% to the Special Limited Partner, and 0.005% to the General Partner, until each Limited Partner’s negative Capital Account is equal to zero;

(iii) third, to any General Partner that has a negative Capital Account balance after the allocation of Profits and Losses for the Fiscal Year in which the gain arose, until its Capital Account balance is equal to zero;

(iv) fourth, 99.99% to the Limited Partner, 0.005% to the Special Limited Partner, and 0.005% to the General Partner, until each Limited Partner’s positive Capital Account balance equals any amount to be distributed to the Limited Partner pursuant to Section 5.2.1(i) and Section 5.2.1(ii); and

(v) fifth, to the Partners in accordance with the percentages specified in Section 5.2.2.

4.2.14 Grant Income. Any income recognized as a result of any receipt of grants by the Partnership shall be allocated one hundred percent (100%) to the General Partner. In addition, if the General Partner is (i) a “tax-exempt entity” within the meaning of Section 168(h)(2) of the Code, or (ii) a “tax-exempt controlled entity” within the meaning of Section 168(h)(6)(F)(iii) of the Code and has not made the election under Section 168(h)(6)(F)(ii) of the Code, the allocations to the General Partner under this Section 4.2 shall be limited to the highest percentage of the Partnership’s property treated as tax-exempt use property, as reflected in the Projections.

4.2.15 Special Adjustment. The special allocations in this Section 4.2.15 shall apply notwithstanding any provision of this Partnership Agreement to the contrary. Prior to making any special allocations set forth in this Section 4.2, items of expenses and other deductions (other than depreciation, amortization, cost recovery deductions and Nonrecourse Deductions) equal to the sum of the amount of any loans to the Partnership made by the General Partner or any of its Affiliates pursuant to or for the purposes described in Section 3.7 and Sections 6.4.6(i), 6.4.6(ii), and 6.4.6(iii) are specially
allocated to the General Partner in each tax year in which any such loan is made. Further, if any loans of the General Partner or its Affiliates are repaid by the Partnership from Cash Flow pursuant to Section 5.1(a), the General Partner shall be specially allocated an amount of gross income equal to the lesser of (i) the amount of such repayment, or (ii) the aggregate amount of expenses and deductions specifically allocated to the General Partner under this Section 4.2.15. If the General Partner is (i) a “tax-exempt entity” within the meaning of Section 168(h)(2) of the Code, or (ii) a “tax-exempt controlled entity” within the meaning of Section 168(h)(6)(F)(iii) of the Code and has not made the election under Section 168(h)(6)(F)(ii) of the Code, the allocations to the General Partner under this Section 4.2.15 shall be limited to the highest percentage of the Partnership’s property treated as tax-exempt use property, as reflected in the Projections.

Section 4.3 Timing of Allocations. Except as otherwise expressly provided in this Partnership Agreement, all allocations of Profits, Losses, and Tax Credits are to be made as of the last day of each Fiscal Year of the Partnership.

Section 4.4 Other Allocation Rules. The following rules apply for the purpose of interpreting and applying the provisions of this Article 4 relating to the allocation of Profits, Losses, and Tax Credits among the Partners:

4.4.1 Excess Nonrecourse Liabilities. Solely for purposes of determining a Partner’s proportionate share of the “excess nonrecourse liabilities” of the Partnership within the meaning of Section 1.752-3(a)(3) of the Regulations, the Partners’ respective interests in Partnership Profits shall be those percentage interests set forth in Section 4.1 (determined without regard to Section 4.2).

4.4.2 Effect of Cash Distributions. To the extent permitted by Sections 1.704-2(h) and 1.704-2(i)(6) of the Regulations, the General Partner shall endeavor to treat distributions of Cash Flow as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such distributions would cause or increase an Adjusted Capital Account Deficit for any Limited Partner.

4.4.3 Recharacterization of Fee as Distribution. If any fee or portion thereof payable to any Partner or any Affiliate thereof is determined to be a nondeductible distribution from the Partnership to a Partner for federal income tax purposes, there will be allocated to such Partner an amount of gross income equal to such distribution.

Notwithstanding anything to the contrary in this Partnership Agreement, if the (i) Project Property was acquired from the General Partner or its Affiliate, and (ii) Projections reflect any amount of Tax Credits allocated in respect of the acquisition of the Project Property, then, except as set forth in the Code or the Treasury Regulations thereunder, the General Partner shall not be allocated nor shall the General Partner receive a distribution in excess of 49% of the Profits, Losses, or Cash Flow (except for payment of Developer Fees or repayment of any General Partner loans) of the Partnership.
Section 4.5 **Tax Effect of Allocations.** Except as otherwise required under the second paragraph of this Section 4.5, the allocation of Profits, Losses, and Tax Credits to any Partner under this Article 4 is deemed an allocation to that Partner of the same proportionate part of each separate item of Partnership taxable income, gain, loss, deduction, or credit comprising such Profits, Losses, and Tax Credits, including, without limitation, any “unrealized receivable” or “substantially appreciated inventory item” under Section 751 of the Code. The Partners are aware of the income tax consequences of the allocations made pursuant to this Article 4 and hereby agree to be bound by the provisions of this Article 4 in reporting their respective shares of Partnership income, gain, loss, deduction, and credit for income tax purposes.

Notwithstanding anything to the contrary contained in this Article 4, income, gain, loss, deduction, and credit with respect to any Partnership Property contributed to the capital of the Partnership by any Partner is, solely for tax purposes, allocated among the Partners so as to take into account any variation between the adjusted tax basis of such Partnership Property to the Partnership for federal income tax purposes and the value assigned to such Partnership Property for the purposes of the computation of the Partners’ Capital Accounts. If any revaluation of the Partnership Property is made by the General Partner (which revaluation may only be made with the consent of the Limited Partner) then any subsequent allocations of income, gain, loss, deduction, and credit with respect to such Partnership Property will take into account any variation between the adjusted tax basis of such Partnership Property for federal income tax purposes and the value assigned to such Partnership Property as a result of such revaluation. All allocations required under this paragraph of Section 4.5 are solely for purposes of federal, state, and local income taxes. These allocations do not affect and must not in any way be taken into account in computing any Partner’s Capital Account or any Partner’s share of Profits, Losses, Tax Credits or other items or distributions required or permitted to be made pursuant to any provision of this Partnership Agreement. This Section 4.5 is intended to conform to Section 704(c) of the Code.
ARTICLE 5: DISTRIBUTIONS

Section 5.1 Distribution of Cash Flow.

5.1.1 Cash Flow shall be paid, prior to the making of any distributions pursuant to Section 5.1.2 hereof, in the following order and priority:

(i) First, to the Limited Partner to the extent of any amount which the Limited Partner is entitled to receive in order to satisfy any amounts owed to it pursuant to Section 6.9 hereof;

(ii) Second, to the Asset Manager to pay any accrued and payable Asset Management Fees;

(iii) Third, to pay any accrued and unpaid principal and interest on loans made by the Limited Partner pursuant to Section 3.7;

(iv) Fourth, to the Operating Reserve Account until such time as such account is replenished up to the Operating Reserve Target Amount;

(v) Fifth, to the Developer to pay any unpaid balance on the Deferred Development Fee;

(vi) Sixth, to repay any accrued and unpaid principal and interest on loans made by the General Partner and Special Limited Partner, pro rata, pursuant to Section 3.7;

(vii) Seventh, to the General Partner (in the order of loans made, with earlier loans repaid in full before subsequent loans are repaid) to repay any amounts treated as loans to the Partnership (without interest) by the General Partner pursuant to Section 6.4.6(i), 6.4.6(ii) or 6.4.6(iii) and not yet repaid;

(viii) Eighth, to the payment of any then payable Cash Flow Debt Service Payments, in accordance with the applicable Loan Documents;

(ix) Ninth, until the end of the Compliance Period, ninety percent (90%) of the balance, if any, to the General Partner and the Special Limited Partner first as an Incentive Partnership Management Fee, on a non-cumulative basis (to be allocated 90% to the Special Limited Partner and 10% to the General Partner), and thereafter as a distribution pursuant to Section 6.5.5 hereof.

5.1.2 After making the payments described in Section 5.1.1 hereof, the remaining Cash Flow, if any, shall be distributed to the Partners in accordance with the following percentages:

<table>

<tr>
<th>Partner</th>

<tbody>
<tr>
<td>General Partner</td>

</tr>
</tbody>
</table>
Notwithstanding any other provision of this Section 5.1 to the contrary for each Fiscal Year a sufficient amount of Cash Flow shall be distributed to the Limited Partner such that, when such distribution is added to all other distributions of Cash Flow made to the Limited Partner with respect to such Fiscal Year, the Limited Partner will have received an amount of Cash Flow equal to at least 10% of all Cash Flow which remains after repayment of the loans referred to in Section 5.1.1(vii) with respect to such Fiscal Year.

Section 5.2 Net Cash from Sales and Refinancings. Except as otherwise provided in Article 11 of this Partnership Agreement (pertaining to the liquidation and dissolution of the Partnership), Net Cash from Sales and Refinancings shall be paid or distributed to the Partners as provided in this Section 5.2.

5.2.1 Payments. Net Cash from Sales and Refinancings and any unutilized Operating Deficit Reserves shall be paid in the following order and priority:

(i) First, to the Limited Partner to the extent of any amount which the Limited Partner is entitled to receive in order to satisfy any amounts owed to it pursuant to Section 6.9;

(ii) Second, to the Limited Partner an amount equal to the amount of taxes which will be imposed upon the Limited Partner as a result of the sale or refinancing, assuming that the Limited Partner is subject to the highest marginal federal, state and local income tax rates in effect at such time for corporations;

(iii) Third, to pay any accrued and unpaid principal and interest on loans made by the Limited Partner pursuant to Section 3.7;

(iv) Fourth, to the payment of current and accrued Asset Management Fees, if outstanding;

(v) Fifth, to the Developer to pay any unpaid balance, if any, on the Deferred Development Fee;

(vi) Sixth, to the Asset Manager the Disposition Fee;

(vii) Seventh, to repay any accrued and unpaid principal and interest on loans made by the General Partner and Special Limited Partner, pro rata, pursuant to Section 3.7; and

(viii) Eighth, to the General Partner (in the order of loans made, with earlier loans repaid in full before subsequent loans are repaid) to repay any amounts treated as loans to the Partnership (without interest) by the General Partner pursuant to Section 6.4.6(i), 6.4.6(ii), or 6.4.6(iii), and not yet repaid.

5.2.2 Distributions. After making the payments specified in Section 5.2.1 hereof, the balance of Net Cash from Sales and Refinancings, if any, shall be distributed
10% to the Limited Partner, 80% to the Special Limited Partner and 10% to the General Partner.

Section 5.3 Timing of Distributions. Distributions of Cash Flow shall be made annually within ninety (90) days after the end of each Fiscal Year of the Partnership. The determination of the amount of Cash Flow distributable annually to the Partners under this Article 5 shall be based upon the state of facts existing on the last day of each Fiscal Year of the Partnership.

Section 5.4 Treatment of Distributions. Distributions to a Partner of Cash Flow are considered draws against such Partner’s allocable share of the Partnership’s Profits and Losses.

Section 5.5 Failure to Make Tax Elections. Notwithstanding anything to the contrary in this Article 5, if the General Partner is required to make the election pursuant to Section 168(h)(6)(F)(ii) of the Code and the election to be taxed as a corporation for Federal income tax purposes prior to the end of the calendar year in which the Project achieves Placement in Service, but fails to properly do so, then the General Partner shall not be entitled to any distributions under this Article 5 (except for the payment of any Developer Fee or repayment of any General Partner loans) in excess of 0.01% of the Cash Flow.
ARTICLE 6: POWERS, RIGHTS AND DUTIES OF GENERAL PARTNER

Section 6.1 Management of Partnership. The Partnership is managed by the General Partner, who exercises full and exclusive control over the affairs of the Partnership, subject, however, to the limitations on its authority set forth in this Partnership Agreement (including, without limitation, Section 6.2 and Section 6.3); and provided, however the General Partner acknowledges that, until the Compliance Period has expired, the Special Limited Partner and its Affiliates will have guarantee obligations and the risks and rewards associated therewith will depend on the management decisions made in connection with the Project, and accordingly, the General Partner will keep the Special Limited Partner informed of the Partnership business and affairs, and will provide the Special Limited Partner with access to the books and records relating to the Partnership and will regularly meet with and obtain input from the Special Limited Partner. The General Partner is under a fiduciary duty to conduct and manage the affairs of the Partnership in a prudent, businesslike, and lawful manner and will devote such part of its time to the affairs of the Partnership as is deemed necessary and appropriate to pursue the business and carry out the purposes of the Partnership as contemplated in this Partnership Agreement. The General Partner shall use its best efforts and exercise good faith in all activities related to the business of the Partnership. The General Partner shall perform services in connection with the acquisition of the Project Property, including, if applicable, negotiating the purchase agreement with the seller of the Project Property, acting on behalf of the Partnership with federal, state and local authorities with respect to the Project Property, monitoring compliance with zoning, land use and other requirements with respect to the Project Property, and preparing or causing to be prepared such third-party studies as it deems necessary in connection with the acquisition of the Project Property.

6.1.1 Notwithstanding any provision of this Partnership Agreement or the Development Fee Agreement to the contrary, during the Compliance Period the General Partner shall materially participate (within the meaning of Section 469(h) of the Code and Treasury Regulations promulgated thereunder) in the development and operation of the Project. The General Partner shall devote such time and effort as necessary to assist the Developer in the development of the Property and the Project and to operate the Property and the Project. During the development of and throughout the Compliance Period for the Project, the sole owner of the General Partner shall maintain its federal tax exempt status and take such other actions under Section 42(h)(5)(c) of the Code to qualify as a “qualified non-profit organization”. The General Partner acknowledges that the Limited Partner is relying on the General Partner’s (or its sole member’s) participation and involvement in the Project to accomplish the development and operation of the Project. The General Partner will keep reasonable records of its hours spent participating in the Project and shall make such records available to the Limited Partner upon request.

(iii) approve the choice of architects and consultants with respect to the development and construction of the Project;

(iv) assist in obtaining all local approvals and permits necessary for the construction of the Project;

6.1.3 Construction of the Project. The sole shareholder of the General Partner shall act as the Contractor in addition to its duties and responsibilities as sole shareholder of the General Partner. The General Partner or Sponsor shall engage in the following activities during the construction phase of the Project:

(iii) attend construction progress meetings with the subcontractors, and approve all change orders;

(iv) attend meetings with the Construction Lender.

6.1.4 Operation of the Project. The General Partner shall materially participate in all aspects of operating the Project. As stated above the sole member of the General Partner of the Partnership is a Qualified Non-profit. Notwithstanding anything to the contrary contained herein, the General Partner, or its sole member shall engage in the following activities throughout the Compliance Period:

(i) attempt to obtain grants and other subsidies from private institutions such as foundations and public entities to be used to subsidize rents for residents of the Project or otherwise reduce expenses of operations or provide amenities to the Project;

(xvi) prepare, review and approve any changes to the Project’s marketing plan or management plan;

(xvii) perform all of its duties as the General Partner of the Partnership;
(xviii) the General Partner shall require that the Sponsor maintain certification as a Community Housing Development Corporation (“CHDO”) and comply with all requirements to provide a CHDO ad valorem tax exemption to the Project pursuant to the Texas Tax Code.

(xix) The General Partner acknowledges that (i) the amount of the Incentive Partnership Management Fee, of which it receives 10% of the total, is contingent upon the success of the Project, including the General Partner’s successful performance of the services listed herein; (ii) the General Partner has not been promised any definitive amount for the payment of the Incentive Partnership Management Fee; and (iii) it is aware that if the Project performs poorly it may not receive any payment pursuant to the conditions for payment of the Incentive Partnership Management Fee.

Section 6.2 Restrictions on General Partner’s Authority. Notwithstanding anything to the contrary contained in this Partnership Agreement, neither the General Partner nor the Special Limited Partner shall have the authority to take any of the actions set forth below without the prior written consent of the Limited Partner and the General Partner shall not have the authority to seek the Limited Partner’s consent if the Special Limited Partner has not previously consented to such action:

6.2.1 Do any act in contravention of or inconsistent with this Partnership Agreement or any other agreement to which the Partnership is a party (including, without limitation, those relating to the Construction Loan, Permanent Loan, and Subordinate Loans);

6.2.2 Do any act making it impossible to carry on the ordinary business of the Partnership;

6.2.3 Initiate any litigation or administrative proceedings on behalf of the Partnership (other than in the ordinary course of the Partnership’s business) or confess a judgment against the Partnership;

6.2.4 Use Partnership Property or assign rights in specific Partnership Property for other than a Partnership purpose;

6.2.5 Sell or otherwise transfer any interest in the Project Property or an material asset of the Partnership (other than leases of Residential Units or, where applicable, commercial space, in the ordinary course of the Partnership’s business, and a transfer pursuant to Article 9 below);

6.2.6 Incur any debt or liability (or enter into any agreement resulting in any such debt or liability being incurred) on behalf of the Partnership (i) that is not in ordinary course of the Partnership’s business or (ii) any debt or liabilities in the ordinary course of the Partnership’s business, in excess of Twenty-Five Thousand and No/100 Dollars ($25,000.00) other than the Construction Loan, the Permanent Loan and the Subordinate Loans, and those liabilities (or agreements relating thereto) which have been disclosed to and approved in writing by the Limited Partner and the Special Limited
Partner, provided, however, that in all events a Project loan or other form of financing that is secured by a mortgage, deed of trust, trust deed or other security instrument encumbering the Project or any interest therein, including without limitation any refinancing of any existing Project debt, shall be subject to the prior written approval of the Limited Partner;

6.2.7 Acquire any interest in real property or acquire any item of personal property on behalf of the Partnership having a purchase price of more than Ten Thousand and No/100 Dollars ($10,000.00), unless such acquisition is part of the development budget or annual operating budget that has been approved in writing by the Limited Partner;

6.2.9 Compromise any claim or liability in excess of Twenty-Five Thousand and No/100 Dollars ($25,000.00) owed by or to the Partnership;

6.2.10 Make, amend or revoke any tax election required of or permitted to be made by the Partnership under the Code or the Regulations, including, without limitation, any election under Section 42 or Section 754 of the Code. In this regard, the General Partner shall make (and the Limited Partner consents thereto) any elections required or permitted under Section 42 of the Code requested in writing by the Asset Manager;

6.2.11 Change any accounting method or practice of the Partnership;

6.2.12 Take any action that would cause the termination of the Partnership for federal income tax purposes or the dissolution of the Partnership for state law purposes;

6.2.13 Construct any improvements on the Project Property other than those contemplated in the Plans and Specifications (or any modification thereof if such modification is expressly approved in writing by the Limited Partner);

6.2.14 Lease or otherwise operate any Tax Credit Unit in such a manner that such Tax Credit Unit would fail to be treated as a “low-income unit” under Section 42(i)(3) of the Code, or operate the Project in such a manner that the Project would fail to be treated as a qualified low-income housing project under Section 42 of the Code;

6.2.15 Except for the Construction Loan, Permanent Loan, and Subordinate Loans (including any regulatory agreements or declarations governing such loans), mortgage, pledge or encumber any interest in any Partnership Property, including, without limitation, the Project Property;

6.2.16 Cause the Partnership to make a loan of any funds belonging to the Partnership or cause the Partnership to provide a guarantee of indebtedness of any other Person;

(ii) The General Partner shall not enter into and has not entered into any contract or agreement with any affiliate of the General Partner, any constituent party of the General Partner, or any affiliate of any constituent party, except upon terms and conditions that are intrinsically fair and substantially similar to those that would be available on an arm’s length basis with third parties other than any such party;

(iii) To the extent that the General Partner and any of its Affiliates: (a) occupy any premises in the same location; (b) share the same officers and other
employees; (c) jointly contract or do business with vendors or service providers or share overhead expenses; and (d) contract or do business with vendors or service providers where the goods or services are wholly or partially for the benefit of its Affiliates, the General Partner, to the extent that the General Partner is liable for any such expenses, has and shall always allocate fairly, appropriately and nonarbitrarily any expenses and costs among and between such entities with the result that each entity bears its fair share of all such rent and expenses;

(iv) The General Partner has and shall continue to pay its debts and liabilities from its own assets as the same shall become due; provided, however, that the foregoing shall not be construed as a guaranty of the Partnership's obligations except as expressly provided in this Partnership Agreement. No Affiliate has paid any debts or liabilities on behalf of the General Partner;

(v) The General Partner has and shall continue to maintain books, financial records and bank accounts that are separate and distinct from the books, financial records and bank accounts of any other Person including any Affiliate;

(vi) The General Partner has and shall continue to maintain separate annual financial statements prepared in accordance with GAAP, showing its assets and liabilities separate and distinct from those of any other entity; in the event the financial statements of the General Partner are consolidated with the financial statements of any other entity, the General Partner has and shall continue to cause to be included in such consolidated financial statements: (a) a narrative description of the separate assets, liabilities, business functions, operations and existence of the General Partner to ensure that such separate assets, liabilities, business functions, operations and existence are readily distinguishable by any entity receiving or relying upon a copy of such consolidated financial statements; and (b) a statement that the General Partner's assets and credit are not available to satisfy the debts of such other entity or any other person;

(vii) The General Partner has and shall continue to file its own tax returns and pay its own taxes required to be paid under applicable law;

(viii) The General Partner has and shall continue to (a) hold itself out as an entity separate and distinct from any other Person; (b) not identify itself or any of its Affiliates as a division or part of the other; (c) correct any known misunderstanding regarding its separate status; and (d) use separate stationery, invoices, checks, and the like bearing its own name;

(ix) The General Partner has and shall continue to conduct its business in its own name so as to avoid or correct any misunderstanding on the part of any creditor concerning the fact that any invoices and other statements of account from creditors of the General Partner are to be addressed and mailed directly to the General Partner, though this provision shall not prohibit such mail to be delivered to the General Partner c/o any other entity;
(x) The General Partner has and intends to maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations consistent with the requirements of this Partnership Agreement;

(xi) The General Partner has not and shall not commingle any of its assets, funds or liabilities with the assets, funds or liabilities of any other Person or Affiliate;

(xii) The General Partner has and shall continue to maintain its assets in such a manner that it will not be costly or difficult to segregate, ascertain or identify its individual assets from those of any party;

(xiii) The General Partner has not and shall not (a) assume or guaranty the debts of any other Person in a manner that includes a pledge, encumbrance, transfer or hypothecation (whether by operation of law or otherwise) of any assets or interests of the Partnership, (b) hold itself out to be responsible for the debts of another Person in a manner that includes the pledge, encumbrance, transfer or hypothecation of any assets or interests of the Partnership (whether by operation of law or otherwise), (c) otherwise pledge, encumber, transfer or hypothecate the assets of the Partnership for the benefit of another Person or permit the same to occur, or (d) hold the Partnership’s credit as being available to satisfy the obligations of any other Person; and

(xiv) All transactions carried out by the General Partner have been and will be, in all instances, made in good faith and without intent to hinder, delay or defraud creditors of the General Partner.

Section 6.4 Specific Obligations of General Partner. The General Partner shall, on behalf of and in the name of the Partnership and in addition to any obligations placed upon it elsewhere in this Partnership Agreement, have the following specific obligations:

6.4.1 Securities Law Matters. The General Partner shall prepare and file appropriate reports for the Partnership, if any, with the Securities and Exchange Commission and state securities administrators.

6.4.2 Limited Partnership Status. The General Partner shall (i) file such certificates and do such other acts as may be required to qualify and maintain the Partnership as a limited partnership under the Act and to qualify the Partnership to transact business in all such jurisdictions as may be required under applicable provisions of law and (ii) take or cause the Partnership to take all reasonable steps deemed necessary by counsel to the Partnership to assure that the Partnership is at all times classified as a partnership for federal and state income tax purposes.

6.4.3 Tax Matters Partner. For the purposes of Subchapter C of Chapter 63 of the Code, the General Partner shall serve as the “Tax Matters Partner” of the Partnership and, as such, has all of the rights and obligations given to a Tax Matters Partner under said Subchapter. Notwithstanding anything to the contrary contained
herein, the General Partner, in its capacity as the Tax Matters Partner, shall not take any of the following actions without first obtaining the prior written consent of the Limited Partner:

(i) Extend the statute of limitations for assessing or computing any tax liability against the Partnership (or the amount or character of any Partnership tax item);

(ii) Settle any audit with the IRS concerning the adjustment or readjustment of any Partnership tax item;

(iii) File a request for an administrative adjustment with the IRS at any time or file a petition for judicial review with respect to any IRS adjustment;

(iv) Initiate or settle any judicial review or action concerning the amount or character of any Partnership tax item;

(v) Intervene in any action brought by any other Partner for judicial review of a final adjustment of any Partnership tax item; or

(vi) Take any other action that would have the effect of finally resolving a tax matter affecting the rights of the Partnership and its Partners or otherwise have a material adverse effect on any tax matters affecting the Partnership and its Partners.

The General Partner shall keep the Limited Partner and the Special Limited Partner advised of any dispute the Partnership may have with any federal, state, or local taxing authority, and shall afford the Limited Partner and the Special Limited Partner the right to participate directly in negotiations with any such taxing authority in an effort to resolve any such dispute.

6.4.4 Governmental Filings. The General Partner shall prepare, sign, and submit to the IRS, the State Housing Finance Agency, and any other governmental authority having jurisdiction over the Project Property, on a timely basis, any and all annual reports, information returns, and other certifications and information required by any such governmental agency. The General Partner shall comply with all other applicable requirements of any federal, state, or local agency having jurisdiction over the Project Property, including, without limitation, any requirements of any such governmental agency with respect to the funding and maintenance of any operating or replacement reserves for the Project Property.

6.4.5 Bank Accounts. The General Partner shall establish in the name and on behalf of the Partnership such bank accounts as shall be required to facilitate the operation of the Partnership’s business. The Partnership’s funds shall not be commingled with any other funds of the General Partner or any of its Affiliates, including without limitation, any other partnership in which the General Partner is a general partner. Funds of the Partnership held in bank accounts shall be deposited in one or more interest bearing accounts maintained in FDIC insured banking institutions, with no such account
having a balance in excess of the maximum insured amount, or in such other investment vehicle as shall be approved in writing by the Limited Partner. If the Partnership incurs any loss due to any Partnership funds being deposited in non-FDIC insured accounts, the General Partner and the Guarantor (pursuant to the Guaranty Agreement) shall be absolutely and unconditionally liable to the Partnership and the Limited Partner with respect to any such loss. Promptly upon the request of the Limited Partner, the General Partner shall obtain and deliver to the Limited Partner full, complete, and accurate statements of the amount and status of all Partnership bank accounts and all withdrawals therefrom and deposits thereto.

6.4.6 Guaranties. The General Partner shall have the following guaranty obligations.

(i) Development Completion Guaranty. The General Partner hereby absolutely and unconditionally guaranties to the Partnership and the Limited Partner that the Project Property will be constructed in a good and workmanlike manner free and clear of all mechanics', materialmen's, and similar liens, in accordance with the Plans and Specifications and in accordance with the terms, conditions and provisions of the Construction Loan, Permanent Loan, Subordinate Loans and this Partnership Agreement, will be equipped with all necessary and appropriate fixtures, equipment and personal property on or before the Construction Completion Date, and the Project will be leased-up in accordance with the Projections ("Development Completion Guaranty"). The obligations of the General Partner under the Development Completion Guaranty shall be unlimited and shall include, without limitation, the obligation to provide all funds required of the Partnership to complete construction of the Project Property and to repair any latent defects that occur within one year of completion of construction (to the extent not then available under the Construction Loan, Permanent Loan, Subordinate Loans or Capital Contributions), and further including, without limitation, funds needed for unanticipated or additional development or construction costs, on and off site escrows, taxes, insurance premiums, interest, funding of Operating Deficits, reserves, escrows, legal expenses, and accounting expenses until the Project achieves Stabilized Occupancy. The repayment of any borrowings arranged by the General Partner to fund its obligations under this Section 6.4.6(i) are the sole obligation of the General Partner. Funds made available by the General Partner to fulfill its obligations pursuant to this Section 6.4.6(i) shall be accounted for as unsecured loans to the Partnership by the General Partner and may be reimbursed to the General Partner, without interest, in accordance with Section 5.1 hereof, or out of the proceeds of refinancing or sale pursuant to Section 5.2 hereof. If the construction cost overruns are due to the gross negligence or willful misconduct of the General Partner or any of its Affiliates, then any guaranty advances made by the General Partner to cover such costs shall be deemed to be damages that are not repayable as loans to the Partnership.

(ii) Operating Deficit Guaranty.
(a) The General Partner shall be obligated to provide any funds needed by the Partnership, after all funds in the Operating Reserve Account have been used, to fund Operating Deficits during the Operating Deficit Guaranty Period ("Operating Deficit Guaranty").

(b) The General Partner shall be required, upon the reduction of the Operating Reserve Account to zero, to promptly provide funds to the Partnership from time to time as needed in an amount up to the Operating Deficit Guaranty Amount for Operating Deficits occurring during the Operating Deficit Guaranty Period. Repayment of any letters of credit or other borrowings arranged by the General Partner to meet its obligations under this Section 6.4.6(ii)(b) shall be the sole obligation of the General Partner. Subject to Section 6.4.6(ii)(c) below, funds made available by the General Partner to fulfill its obligations pursuant to this Section 6.4.6(ii)(b) shall be accounted for as unsecured loans to the Partnership by the General Partner and may be reimbursed to the General Partner, without interest, in accordance with Section 5.1.1 hereof, or out of the proceeds of refinancing or sale pursuant to Section 5.1.2 hereof.

(c) If the Operating Deficits overruns are due to the gross negligence or willful misconduct of the General Partner, then any guaranty advances made by the General Partner to cover such costs shall be deemed to be damages that are not repayable as loans to the Partnership.

(iii) **Permanent Loan Conversion Guaranty.** If, immediately prior to the conversion of the Construction Loan to the Permanent Loan, the Right-Sized Permanent Loan Amount is less than the Permanent Loan amount that is set forth in the Projections (the difference between the two amounts being referred to herein as the "Right-Sized Payment Amount"), then the amount of the Permanent Loan shall be reduced to the Right-Sized Permanent Loan Amount and the General Partner shall be required to provide funds to the Partnership in an amount equal to the sum of (a) the Right-Sized Payment Amount plus (b) an amount equal to any penalties or premiums the Partnership is obligated to pay to the Permanent Lender due to the reduction of the Permanent Loan amount to the Right-Sized Permanent Loan Amount. Any funds provided by the General Partner in accordance with the preceding clause (b) shall be promptly paid by the Partnership to the Permanent Lender. If, however, the Partnership is prohibited from reducing the amount of the Permanent Loan pursuant to the Permanent Loan Documents, then the General Partner using its own funds shall deposit into the Operating Reserve Account an amount equal to the Right-Sized Payment Amount. Funds provided by the General Partner to fulfill its obligations pursuant to this Section 6.4.6(iii) shall be accounted for as unsecured loans to the Partnership.
Partnership by the General Partner and may be reimbursed to the General Partner, without interest, in accordance with Section 5.1 hereof or out of the proceeds of refinancing or sale pursuant to Section 5.2 hereof.

(iv) Services Guaranty. If the Project is required to ensure the provision of services to the tenants pursuant to any Project Document and the costs of such services are not included in the Projections, the General Partner shall be responsible for ensuring that all such required services continue at no cost to the Partnership, and the General Partner shall guaranty that all such services will be provided except to the extent that the Project Documents are modified, waived or released such that some or all of the services are no longer required to be provided to the tenants of the Project.

(v) Cumulative Guaranty Obligations. The various guaranty obligations under this Section 6.4.6 are cumulative, not concurrent. Any limitation of liability under one guaranty shall not affect the amount of liability under any other guaranty, and any payment of obligations under one guaranty shall not reduce the amount of liability under any other guaranty.

6.4.7 Required Reserves.

(i) Lease-up Reserve. The General Partner shall establish a lease-up reserve (the “Lease-up Reserve”) which shall be used only to fund Operating Deficits incurred by the Partnership prior to the commencement of the Operating Deficit Guaranty Period. The Lease-up Reserve shall be funded from Limited Partner’s Second Installment of Project Equity in the amount of Five Hundred Seventy-Seven Thousand Two Hundred Ninety-Seven and No/100 Dollars ($577,297), held in a separate bank account (the “Lease-up Reserve Account”), controlled by the General Partner (or a Project lender, if required by such lender), and maintained until the beginning of the Operating Deficit Guaranty Period. The General Partner shall report on disbursements from the Lease-up Reserve in the quarterly management reports provided to the Asset Manager in accordance with Section 8.2.2. Any disbursement from the Lease-up Reserve by the General Partner for any purpose other than funding Operating Deficits prior to the Operating Deficit Guaranty Period shall constitute an Event of Default under Section 10.6.1. The obligations related to the Lease-up Reserve are in addition to, and not in place of, those of the General Partner pursuant to Sections 6.4.6(i) and 6.4.6(ii) above. If, on the date that the Partnership achieves Stabilized Occupancy there are any funds remaining in the Lease-up Reserve Account, those funds shall, subject to any required Lender consent and after being used to fund any amounts identified in Section 3.2.7(v)(A) and (B), be used to fund up to $200,000 of the incentive construction oversight fee contemplated in Section 3.2.7(v) hereof, and then the remainder shall be deposited into the Replacement Reserve Account described below, in addition to the amounts required to be deposited in the Replacement Reserve Account pursuant to Section 6.4.7(ii), below.
(ii) **Operating Reserve.** The General Partner shall establish an operating reserve (the “Operating Reserve”) to fund Operating Deficits incurred by the Partnership. The Operating Reserve shall be funded from Limited Partner’s Fifth Installment of Project Equity in the amount of Four Hundred Seventy-Seven Thousand Seven Hundred Seventy and No/100 Dollars ($477,770), held in a separate bank account (the “Operating Reserve Account”), controlled by the General Partner (or a Project lender, if required by such lender), and maintained until the end of the Project’s Compliance Period. Throughout the Compliance Period, the General Partner shall also be obligated, to the extent funds are available, to replenish the Operating Reserve Account up to the Operating Reserve Target Amount out of Cash Flow in accordance with Section 5.1 hereof or from sales or refinancings (prior to the distribution of Net Cash from Sales and Refinancings). Withdrawals from the Operating Reserve Account will require the prior written approval of the Asset Manager (except in the event of an emergency that has an immediate impact on the safety of the residents or structural integrity of the Project, in which case the General Partner shall, within five (5) business days of such withdrawal, notify the Asset Manager and the Special Limited Partner in writing of the amount of the withdrawal from the Operating Reserve Account and the purpose for which such withdrawal was made). If the Operating Reserve Account is under the control of a Project lender, the General Partner shall first obtain the approval of the Asset Manager prior to obtaining the consent of the Project lender. Within thirty (30) days of receipt by the Asset Manager of such request, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such thirty (30) day period, the withdrawal request will be deemed to be approved. Upon depletion of all of the funds in the Operating Reserve Account, any continuing shortfalls shall be funded pursuant to the Operating Deficit Guaranty described above in Section 6.4.6(ii). Notwithstanding anything to the contrary in this §6.4.6(ii), beginning in the eleventh (11th) year of the Credit Period and for every year thereafter, the General Partner shall be allowed to request of the Asset Manager the ability to use up to twenty percent (20%) of any funds remaining in the Operating Reserve Account for each remaining year of the Compliance Period for the sole purpose of funding capital improvements and repairs to the Project, in accordance with Section 6.4.7(iii) below; provided, however, that (A) the Operating Reserve Account on the first day of the eleventh (11th) year is funded in an amount not less than the Operating Reserve Target Amount, (B) the Project has achieved an average Debt Service Coverage Ratio of 1.15 or better for the immediate prior 24 months (during which time there had been no draws upon the Operating Reserve Account), and (C) the General Partner provides satisfactory evidence to the Asset Manager that the Project is projected to operate at a Debt Service Coverage Ratio of 1.15 or better for the remaining term of the Compliance Period. Any excess funds remaining in the Operating Reserve Account at the end of the Compliance Period shall be released from the Operating Reserve Account and used by the Partnership to first pay the Limited Partner’s exit taxes due upon sale or dissolution pursuant to Section 5.2 and
Section 11.2 hereof. Any funds in the Operating Reserve Account still remaining after the Limited Partner's exit taxes have been paid shall be distributed to the Partners in accordance with Section 5.2 and Section 11.2 hereof.

(iii) **Replacement Reserve.** The General Partner shall establish a replacement reserve (the "Replacement Reserve") to fund capital improvements and repairs to the Project. The General Partner shall fund the Replacement Reserve with proceeds from Gross Cash Receipt beginning on January 1st of the year immediately following the year in which the Project is Placed in Service. The Replacement Reserve shall be held in a separate bank account (the "Replacement Reserve Account"), controlled by the General Partner (or a Project lender, if required by such lender), and maintained throughout the Project's Compliance Period. The General Partner will be required to fund the Replacement Reserve Account on a cumulative basis, annually, in an amount equal to the greater of $300 per unit per year (to be increased annually by 3%) or such amount as required by any Project lender, from Gross Cash Receipts prior to distribution of Cash Flow. Withdrawals from the Replacement Reserve Account during any calendar year that in the aggregate exceed the lesser of Five Thousand and No/100 Dollars ($5,000.00) or ten percent (10%) of the amount of any remaining funds in the Replacement Reserve Account at such time, shall require the written approval of the General Partner and the Asset Manager. Within ten (10) business days of receipt of the request, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such ten (10) business day period, the withdrawal request will be deemed to be approved. Any funds remaining in the Replacement Reserve Account at the end of the Project's Compliance Period shall, subject to any required Lender consent, be released from the Replacement Reserve Account and used by the Partnership to first pay the Limited Partner's exit taxes due upon sale or dissolution pursuant to Section 5.2 and Section 11.1 hereof. Any funds still remaining in the Replacement Reserve Account after the Limited Partner's exit taxes have been fully paid shall, subject to any required Lender consent, be distributed to the Partners in accordance with Section 5.2 hereof (in the case of a sale of the Project), or in accordance with Section 11.2 hereof (in the case of the dissolution of the Partnership). After the completion of the seventh (7th) year of the Project's Compliance Period, the Asset Manager shall have the right to require a physical assessment of the Project pursuant to which the amount required to be maintained in the Replacement Reserve Account may be increased at the reasonable discretion of the Asset Manager.

The above reserves shall be held in segregated interest bearing accounts (the Lease-up Reserve, if applicable, may be held in the same account as the Operating Reserve). Any failure to obtain any required approval of the Asset Manager or failure to provide the Asset Manager with proper notice shall constitute an Event of Default under Section 10.6 below. Any interest earned with respect to any of the above reserve accounts shall be deposited into that respective reserve account for the benefit of the Partnership.
6.4.8 Qualified Occupancy. The General Partner shall use its best efforts to cause the Project Property to achieve Qualified Occupancy on or before the Qualified Occupancy Date.

6.4.9 Property Management. The General Partner, on behalf of the Partnership, shall enter into a Property Management Agreement with the Property Management Agent for the physical property management and leasing of the Project, in form and of content as set forth in a separate document approved in writing by the General Partner and the Asset Manager. The General Partner, on behalf of the Partnership, shall diligently enforce all of the obligations of the Property Management Agent under the Property Management Agreement and shall perform all of the Partnership’s obligations as owner thereunder, subject to the following terms and conditions:

(i) Renewal or Successor Agreements. Upon the termination of such Property Management Agreement or any subsequent Property Management Agreement, the General Partner shall renew the same or enter into an agreement that does not differ materially from the initial Property Management Agreement in Property Management Agent obligations and owner remedies, or in any other respect, with the same Property Management Agent or another Property Management Agent of at least comparable ability and experience who can reasonably be expected to perform at least as well, subject to the requirements of subparagraphs (ii) and (iii) hereinbelow.

(ii) Notice and Consultation. If the General Partner wishes to enter into a new form of management agreement or retain the services of a different Property Management Agent, it shall give the Asset Manager and the Special Limited Partner at least thirty (30) business days’ prior written notice of the proposed change, accompanied by a copy of any proposed new Property Management Agreement and a written description of the identity and qualifications of any proposed new Property Management Agent, and the General Partner shall consult with the Asset Manager regarding the proposed change.

(iii) Asset Manager Consent. Under any circumstances, the General Partner shall not enter into a new management agreement materially different from the initial Property Management Agreement in any respect without the prior written consent of the Asset Manager as to the form and content of such new management agreement, nor shall the General Partner retain the services of a property management agent other than a property management agent previously approved by the Asset Manager without the prior written consent of the Asset Manager as to the identity and qualifications of such new property management agent, provided such consent shall not be unreasonably withheld, conditioned or delayed. For purposes of this provision, a management agreement shall be deemed to be materially different if the agreement involves a change in the parties, services or fees to be provided to the Property Management Agent.
(iv) **Termination of Non-Performing Property Management Agent.**

If the Property Management Agent fails to perform any of its obligations under the Property Management Agreement, whether general or specific obligations, in any material respect, including without limitation, failure to capably manage the Project as measured by sustained high Project vacancies, delinquent rents, or Operating Deficits (in each case beyond levels specified in the Projections), inadequate maintenance, or failure to qualify tenants under low-income housing tax credit requirements, or repeated failure to provide or unreasonable delay in providing accurate financial or operating reports to the General Partner and the Limited Partner, the General Partner shall promptly comply with the terms of the Property Management Agreement regarding notice to the Property Management Agent and its opportunity to cure. The General Partner shall also simultaneously provide the Asset Manager and the Special Limited Partner with a copy of this notice and any documentation explaining why the Property Management Agent should not be terminated for cause. Upon expiration of the applicable cure period, and the failure of the Property Management Agent to cure its breach of the Property Management Agreement, the General Partner shall consult with the Asset Manager as to whether or not the Property Management Agent should be retained and, if so, under what terms and conditions. Unless within ten (10) business days of the delivery of this notice the Asset Manager consents in writing to the retention of the Managing Agent, the General Partner shall terminate the Property Management Agent for cause, in accordance with the terms of the Property Management Agreement. The General Partner shall also immediately enter into a new Property Management Agreement with a substitute Property Management Agent, subject to the prior written consent of the Asset Manager. For purposes of this Section 6.4.9(iv), “cause” shall include, but not be limited to, any one of the following: (a) failure to promptly and competently perform (after any applicable notice and within the applicable cure period) all duties of the Property Management Agent under the Property Management Agreement with the Partnership, (b) failure of the Project to generate at least 80% of the Projected Tax Credits in any calendar year, (c) failure to materially comply with the record keeping, tenant qualification and rental requirements of the Extended Use Agreement and Section 42 of the Code and the Regulations, rulings, and policies related thereto, (d) material mismanagement of the Project, or (e) if the Property Management Agent is an Affiliate of the General Partner, removal of the General Partner pursuant to Section 10.6 hereof.

(v) **Removal of Non-Complying General Partner.** If the General Partner fails to comply with any of the requirements of this Section 6.4.9, it may be removed for cause pursuant to Section 10.6 hereof.

All Property Management Agreements shall contain specific provisions requiring the Property Management Agent to rent to low-income tenants at the level required to maintain Qualified Occupancy, to obtain prior written approval of the General Partner for any deviation from such level, to obtain tenant income certifications and employer and/or other relevant verifications of tenant income, to determine low-income tenant eligibility for tax credit purposes, to deliver
certifications of its compliance with these requirements and of Project rent rolls upon Qualified Occupancy and annually prior to the times such information is required for low-income housing tax credit purposes, to keep records of such low-income rental and occupancy and deliver copies of leases, certifications, and verifications to the Partnership, and to prepare elections, certifications, and any other materials contemplated by Section 6.4.12 hereof, to the extent necessary or advisable to qualify for and maintain the Tax Credit and any other available tax benefits in connection with such rental and occupancy. Where the Property Management Agent is the General Partner, the Special Limited Partner, or their Affiliate, each management agreement shall provide that the property management agent’s monthly fees are accrued and subordinated to payment of Operating Deficits until funds are available to pay such fees.

6.4.10 Cooperation with Asset Manager. The General Partner shall cooperate and shall cause the Property Management Agent to cooperate fully with the Asset Manager so that the Asset Manager may carry out its duties and obligations. In the event that the Asset Manager is replaced or substituted by the Limited Partner, in its sole and absolute discretion, all rights, duties and obligations of the Asset Manager shall be assumed by and inure to the benefit of any such substitute or replacement Asset Manager upon delivery of notice by the Limited Partner to the General Partner of such replacement or substitution.

6.4.11 Rental Program. The General Partner shall cause the Project to be rented to low-income tenants to the extent projected in the Projections. Without limitation of the foregoing, the General Partner shall (i) use its best efforts to achieve Qualified Occupancy (as defined in Article I) within the time specified in the Projections; (ii) comply with the rent schedule set forth in the Projections; (iii) cause to be kept all records of rental and occupancy throughout the Compliance Period; (iv) cause the Property Management Agent to comply with all income certification or other record-keeping requirements of the Code and Regulations, and of prudent management accounting practices, to support the claim of a low-income housing tax credit based on the occupancy requirements for the Project and any other material tax benefits resulting from such low-income occupancy of the Project; and (v) take such other actions required under Section 6.4.12 below to claim all available tax benefits in connection therewith. The General Partner and the Property Management Agent shall comply with all income certification or other record-keeping requirements of the Code and Regulations, and of prudent management accounting practices, to support the claim of a Tax Credit based on the occupancy requirements for the Project and any other material tax benefits resulting from such low-income occupancy of the Project.

6.4.12 Tax Benefits Requirements. The General Partner acknowledges that it is of great importance that the Tax Credits and all other tax benefits contemplated in the Projections be achieved and maintained. Accordingly, the General Partner agrees as follows:
(i) **No Delays.** The General Partner shall not cause or suffer any
delay in Placement in Service or Qualified Occupancy that would reduce such
anticipated tax benefits.

(ii) **Record-Keeping.** The General Partner shall cause to be kept all
records and cause to be made all elections and certifications, pertaining to the
number and size of apartment units, occupancy thereof by tenants, income levels
of tenants, set-aside for low-income tenants, and any other matters now or
hereafter required to qualify for and maintain the Tax Credits and any other
available tax benefits in connection with low-income occupancy of the Project.

(iii) **Set-Aside Election.** The minimum low-income set-aside
requirement specified in the Projections was elected in the application for the Tax
Credits and may not be changed.

(iv) **Initial Tax Credit Year.** The General Partner shall elect, upon
the request of the Limited Partner or subject to the approval of the Limited
Partner, to claim such Tax Credits for each Building in the Project commencing
with the earlier of the year in which Qualified Occupancy for such Building is
achieved or the year succeeding the year in which Placement in Service occurs.
The General Partner shall develop and lease the Project within such time that the
initial year during which such Tax Credit is elected to be claimed will be no later
than the year specified in the Projections.

(v) **Annual Compliance Procedures.** As soon as feasible after
Qualified Occupancy has occurred and annually thereafter, prior to the times
such information is required by the State Housing Finance Agency for Tax Credit
reporting purposes, the General Partner shall:

(a) cause the Partnership’s Property Management Agent to
submit to the Partnership the certifications and all other
applicable materials related to low-income leasing described
in Section 6.4.11 hereof;

(b) check and verify the same against leases, certifications, and
other appropriate back-up materials to the extent necessary
or advisable to determine with reasonable assurance that the
low-income leasing requirements have been met for Tax
Credit purposes; and

(c) execute and deliver to the Limited Partner a certification, in
form reasonably acceptable to the Limited Partner, stating
that the General Partner has complied with the foregoing
requirements and attaching copies of the managing agent’s
certification and rent roll in a format reasonably acceptable
to the Limited Partner.
The General Partner's initial certification following Qualified Occupancy shall also specify the Qualified Occupancy Date.

(vi) **Cost Accounting.** As soon as feasible after Placement in Service has occurred, prior to the time such information is required by the State Housing Finance Agency for Tax Credit reporting purposes, the General Partner shall:

(a) cause the Accountant to submit to the General Partner a letter, as required by the State Housing Finance Agency and in a form and content reasonably acceptable to the Limited Partner, certifying that the Accountant has examined the Partnership's books and records for the Project and, subject to any changes in facts or applicable law, is prepared to sign a tax return for the Partnership reflecting that all costs specified in the letter or in an attached schedule are includable in qualified basis for the Tax Credits; and

(b) execute and deliver to the Limited Partner a Cost Certification, in form and content reasonably acceptable to the Limited Partner, stating that the amounts described in the Accountant's letter accurately reflect Project costs incurred and attaching a copy of such letter.

(vii) **Tax Filings.** The General Partner shall properly reflect all Tax Credits and other tax benefits in preparing and filing federal return of income forms on behalf of the Partnership in accordance with Section 8.4 hereof. Notwithstanding anything in this Partnership Agreement to the contrary, in no event shall the General Partner cause or suffer any delay in the filing of such form covering the year in which Qualified Occupancy occurred. The General Partner shall obtain and deliver to the Limited Partner at the earliest feasible time a fully executed Form 8609.

(viii) **Compliance Certifications.** The General Partner shall certify compliance with the elected set-aside requirement and report the dollar amount of Qualified Basis, maximum Applicable Percentage and Qualified Basis under the State Housing Finance Agency allocation, date of Placement in Service, and any other information required for the aforesaid Tax Credit within ninety (90) days after the end of the first taxable year for which such Tax Credit is claimed and for each taxable year thereafter during the Compliance Period for such Tax Credit, or such other time periods as may hereafter be required by the Code or Regulations thereunder for such Tax Credit.

(ix) **Notice of Tax Benefits Reduction.** In the event at any time it becomes apparent that the tax benefits projected in the Projections are likely to be reduced, the General Partner shall promptly notify the Limited Partner of the circumstances.
(x) **Consequences of Tax Benefits Reduction or Delay.** In the event there is a reduction or delay of tax benefits, then the provisions of Section 6.9 hereof relating to reduction in the amount of remaining installments of Limited Partner's Capital Contributions and other consequences described therein shall govern where applicable.

(xi) **Extended Use Agreement.** The General Partner, on behalf of the Partnership, shall enter into an Extended Use Agreement pursuant to Section 42(h)(6) of the Code, in the form of an agreement between the Partnership and the State Housing Finance Agency that has allocated or will allocate Tax Credits to the Project, and shall cause such agreement to be recorded pursuant to state law as a restrictive covenant as soon as feasible but in any event prior to the end of the tax year during which the Project is deemed to achieve Placement in Service under Section 42 of the Code.

(xii) **Local Code Compliance.** The General Partner shall maintain the Project in compliance with rules prescribed by the Secretary of Treasury pursuant to Section 42(i)(3)(B)(ii) of the Code. The General Partner shall also promptly provide the Limited Partner with any notice or other documentation sent by any federal, state or local governmental agency that the Project may be in violation of any health, environmental, safety, building, or other federal, state or local statute, regulation, or ordinance. With respect to building code or Environmental Law violations that are to be corrected during the construction or rehabilitation of the Project, the General Partner shall certify or shall cause the Architect or the project general contractor to certify upon completion of the Project that such building code and Environmental Law violations have been corrected. In lieu of a certification regarding the correction of building code violations, the General Partner may obtain or cause to be obtained a current owner's title insurance policy indicating that no building code violations exist at the time construction or rehabilitation is completed.

(xiii) **Carryover Allocation Agreement.** The General Partner shall obtain from the State Housing Finance Agency and shall deliver to the Limited Partner within 10 days after receipt the following:

(a) a Carryover Allocation Agreement accompanied by the Accountant's Carryover Certification which states that the Partnership's basis in the Project, as of the dated required under Section 42(h)(l)(E)(ii) of the Code, was greater than ten percent (10%) of the Partnership's reasonably expected basis in the Project as of the end of the second calendar year following the calendar year in which the Tax Credit allocation for the Project was awarded; or

(b) a reservation of Tax Credits, provided that:
(1) the General Partner shall deliver or cause to be delivered to the Limited Partner the Accountant's Carryover Certification thirty (30) days prior to the date specified by the State Housing Finance Agency for the required Accountant's Carryover Certification to be submitted to the State Housing Finance Agency; and

(2) the General Partner shall deliver a copy of the Carryover Allocation Agreement to the Limited Partner and the Special Limited Partner within thirty (30) days from the date that such Carryover Allocation Agreement is delivered to the Partnership.

(xiv) **Depreciation Schedule.** The General Partner shall take all acts and make any necessary filings or elections to cause the Project's improvements to be depreciated for tax purposes in accordance with the Projections and shall not take any action or permit any event or circumstances to occur which would cause depreciation of the Project's improvements to be changed therefrom. The General Partners shall cause to be kept adequate records of any such filings or elections and all other matters applicable to the Partnership's depreciation of the Project's improvements.

6.4.13 **Mold Inspections.** The General Partner agrees to inspect the Project Property at least once annually for the presence of any mold, fungus or moisture buildup in or on the Project Property. In the event any material amount of mold, fungus or moisture buildup is identified in or on the Project Property, the General Partner shall notify the Limited Partner within ten (10) business days and shall consult with the Limited Partner regarding the need to hire an environmental consultant to evaluate the mold, fungus or moisture buildup and the need to prepare and implement a remediation plan.

**Section 6.5 Fees for Services Rendered.** The Partnership shall pay the following described fees to the Partners or Affiliates of one or more Partners indicated below:

6.5.1 **Development Fee.** As provided in the Development Agreement and Section 3.2 hereof, the Partnership shall pay the Developer Fee to the Developer for the services and obligations described in the Development Agreement.

6.5.2 **Asset Management Fee.** The Partnership shall pay the Asset Management Fee annually to the Asset Manager for property management oversight, tax credit compliance monitoring, and related services. The Asset Manager will not incur any liability to the General Partner or the Partnership as a result of the Asset Manager's performance of or failure to perform its asset management services. The Asset Manager owes no duty to the General Partner or the Partnership and may only be terminated by the Limited Partner.
6.5.3 **Disposition Fee.** The Partnership shall pay the Asset Manager a Disposition Fee equal to $25,000 at the time of closing of the sale of the Project (out of the net sales proceeds) or the Limited Partner's interest in the Project.

6.5.4 **Incentive Partnership Management Fee.** The Partnership shall pay an Incentive Partnership Management Fee, on an annual, non-cumulative basis, in the amount and priority specified in Section 5.1.1 hereof to compensate the General Partner for monitoring the activities of the Partnership, supervising the Property Management Agent, and reporting to the Asset Manager so as to enable the Partnership to comply with all Code requirements for the Tax Credit and to establish eligibility for such Tax Credit with respect to the Project and avoid recapture thereof during the Compliance Period.

6.5.5 **Other Considerations.**

(i) The Development Agreement and any other agreements entered into by the Partnership and the General Partner, the Special Limited Partner, or any of their Affiliates thereof will specifically provide that such agreement shall be terminable, with respect to each of them, at the election of the Limited Partner if the General Partner or Special Limited Partner is removed pursuant to Section 10.6 hereof and that, from and after the delivery of notice of such removal pursuant to Section 12.1 hereof, the Partnership shall have no obligation to make any further payments to the General Partner or any Affiliate thereof for fees that would otherwise be due and payable pursuant to such agreement. As compensation to the Partnership for a default leading to removal of the General Partner, the General Partner shall be deemed to have contributed to the Partnership upon its removal as the General Partner of the Partnership the amount of any unpaid portion of the Development Fee and such amount shall be deemed paid by the Partnership to the Developer in satisfaction of the unpaid portion of the Development Fee.

(ii) None of the fee payments or reimbursements to any of the Persons indicated in Section 6.5 or elsewhere in this Agreement will be considered a distribution of Cash Flow to any Partner pursuant to Section 5.1.2, and, except as otherwise specifically provided herein, the General Partner may make any such reimbursement or fee payment prior to any distribution of any Cash Flow to the Partners.

Notwithstanding anything to the contrary herein, the sum of (A) the Incentive Partnership Management Fee, plus (B) any other incentive fees, plus (C) if the Property Management Agent is an Affiliate of the General Partner, the fee payable to the Property Management Agent pursuant to the Property Management Agreement, shall not exceed 12% of the gross income of the Partnership, adjusted for regional variations. Any amounts in excess of 12% of the gross income of the Partnership, shall be distributed to the General Partner and Special Limited Partner as a distribution rather than a fee.
Section 6.6 Outside Ventures of Partners. Any Partner may engage in or possess an interest in any other business venture of any type or description, independently or with others (including, without limitation, any venture which may be competitive with the business being conducted by the Partnership) and neither the Partnership, nor any General Partner will, by virtue of this Partnership Agreement, have any right, title or interest in or to such outside ventures or the income or other benefits derived therefrom.

Section 6.7 Dealing With Affiliates. The General Partner may employ or retain in any capacity any Partner or Affiliate of any Partner so long as the terms upon which such Partner or such Affiliate is employed or retained are commercially reasonable under the circumstances and comparable to those terms which could be obtained from an independent person for comparable services in the area where the Project is located or the Partnership has its principal office.

Section 6.8 Indemnification of Partnership and Limited Partner.

6.8.1 The General Partner and the Special Limited Partner hereby agree to defend, indemnify, and hold harmless the Partnership and the Limited Partner and their successors and assigns, from and against any loss, claims, demands, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees or damages (including foreseen and unforeseen damages and consequential damages) arising directly or indirectly out of the presence on or under the Project Property of any Hazardous Substance, or the use, release, generation, manufacture, storage, or disposal of any Hazardous Substance on, under or about the Project Property.

6.8.2 In the event the Partnership or the Limited Partner becomes liable, due to the presence of any Hazardous Substance in the Project, under any statute, regulation, ordinance, or other provision of federal, state, or local law pertaining to the protection of the environment or otherwise pertaining to public health or employee health and safety, including without limitation protection from hazardous waste, lead-based paint, asbestos, methane gas, urea formaldehyde insulation, oil, toxic substance, underground storage tanks, PCBs, and radon, the General Partner and Special Limited Partner shall indemnify and hold harmless the Limited Partner and the Partnership for any and all actual out of pocket costs, expenses (including reasonable attorneys’ fees), damages, or liabilities incurred by the Limited Partner upon demand by the Limited Partner at any time and from time to time, to the extent that the Partnership or the Limited Partner is required to discharge such costs, expenses, damages, or liabilities in whole or in part from any source. The foregoing indemnification obligations of the General Partner and Special Limited Partner shall be limited if and to the extent the Limited Partner participates in the control of the Partnership’s business after the formation of the Partnership and such participation is the direct cause of the conditions affecting the Project that resulted in such liability under applicable law and the consequent costs, expenses, damages, or liability of the Limited Partner. References in this Section 6.8.2 to the Limited Partner shall include each of the Limited Partner’s assignee(s) (and their respective partners, if any). The foregoing indemnification shall be a recourse obligation of the General Partner and the Special Limited Partner and shall survive the dissolution of the Partnership and/or
the death, retirement, incompetency, insolvency, bankruptcy, or withdrawal of the General Partner and Special Limited Partner. The indemnification authorized by this Section 6.8.2 shall include, but not be limited to, the costs and expenses (including reasonable attorneys' fees) of the removal of any liens affecting any property of the indemnitee as a result of such legal action. The parties hereto agree and acknowledge that the Limited Partner's exercise of the rights and approvals reserved to the Limited Partner under this Partnership Agreement shall not constitute participation in the control of the Partnership's business for purposes of this paragraph.

6.8.3 The General Partner shall defend, indemnify, and hold harmless the Partnership, the Limited Partner, the Special Limited Partner, and their successors and assigns from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys' fees, arising directly or indirectly, in whole or in part, out of the General Partner's gross negligence, fraud, willful misconduct, malfeasance, breach of fiduciary duty or actions performed outside the scope of the authority of the General Partner, or breach of any or all of the representations, warranties, covenants, and agreements contained in this Partnership Agreement, including, without limitation, those contained in Section 6.3 hereof. In addition to the foregoing indemnification, the Partnership, Limited Partner, and/or the Special Limited Partner may pursue any other available legal or equitable remedy against the General Partner with respect to the General Partner's breach of any of the representations, warranties, or covenants contained herein, including, without limitation, the Limited Partner's deferral of the payment of its Capital Contribution pursuant to Section 3.2. The General Partner shall defend, indemnify and hold harmless the Limited Partner and the Special Limited Partner for any liability incurred by it for Partnership obligations (including, without limitation, the Loan Documents), except to the extent that either (i) a court of competent jurisdiction, or (ii) a mediator mutually selected by the General Partner, Special Limited Partner, and the Limited Partner, has made a determination that such liability is the result of actions taken by the Limited Partner or Special Limited Partner or rights exercised by the Limited Partner or Special Limited Partner with respect to the operation of the Limited Partner or Special Limited Partner in excess of those actions and rights granted or allowed under this Partnership Agreement or the Act. The General Partner's obligations described in this Section 6.8 shall survive the termination and/or liquidation of the Partnership.

6.8.4 The Special Limited Partner shall defend, indemnify, and hold harmless the Partnership, General Partner and Limited Partner and their successors and assigns from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys' fees, arising directly or indirectly, in whole or in part, out of the Special Limited Partner's gross negligence, fraud, willful misconduct, malfeasance, breach of fiduciary duty or actions performed outside the scope of the authority of the Special Limited Partner, or breach of any or all of the representations, warranty, covenant, and agreements contained in this Partnership Agreement, including, without limitation, those contained in §6.3 hereof. In addition to the foregoing indemnification, the Partnership, General Partner and/or the Limited Partner may pursue any other available legal or equitable remedy against the Special Limited Partner with respect to the Special Limited
Partner’s breach of any of the representations, warranties, or covenants contained herein, including, without limitation, the Limited Partner’s deferral of the payment of its Capital Contribution pursuant to §3.2. The Special Limited Partner shall defend, indemnify and hold harmless the General Partner and Limited Partner for any liability incurred by it for Partnership obligations (including, without limitation, the Loan Documents), except to the extent that either (i) a court of competent jurisdiction, or (ii) a mediator mutually selected by the General Partner, Limited Partner and the Special Limited Partner, has made a determination that such liability is the result of actions taken by the General Partner or Limited Partner or rights exercised by the General Partner or Limited Partner with respect to the operation of the Limited Partner in excess of those actions and rights granted or allowed under this Partnership Agreement or the Act. The Special Limited Partner’s obligations described in this Section 6.8 shall survive the termination and/or liquidation of the Partnership.

6.8.5 Subject to the extent of any amount of insurance proceeds received by the Partnership in respect of any insurance policy insuring the acts of the General Partner in its role as a general partner, the General Partner shall not be liable, responsible or accountable in damages or otherwise to any to the Partners for any act or omission performed or omitted by it in its capacity as General Partner of the Partnership in good faith on behalf of the Partnership and in a manner reasonably believed by it to be within the scope of authority granted to it by this Partnership Agreement and in the best interest of the Partnership; provided, however, such insurance proceeds are applied towards and in satisfaction of any liability or obligations to the Partners for which the insurance proceeds were paid, and such acts or omission was not attributable to any negligence, willful breach, misconduct, fraud or any breach of fiduciary duty on the part of the General Partner.

6.8.6 The General Partner and the Special Limited Partner hereby agree to defend, indemnify, and hold harmless the Partnership and the Limited Partner and their successors and assigns, from and against any loss, claims, demands, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees or damages (including foreseen and unforeseen damages and consequential damages) arising directly or indirectly out of the use of Foreign Drywall in the construction of the Project.

Notwithstanding anything to the contrary in this Section 6.8, the obligations of the General Partner and the Special Limited Partner shall be joint and several.

Section 6.9 Credit Adjusters.

6.9.1 Permanent Reduction in Tax Credits. If, as of the end of the first year of the Credit Period and based upon the Cost Certification prepared by the Accountant or the IRS Form(s) 8609 for the Project, it is determined that the amount of Actual Tax Credits over the Credit Period for the Project will be less than the Projected Tax Credits over the Credit Period (a “Permanent Credit Reduction”), then there will be a reduction (the “Permanent Credit Reduction Adjustment”) in the Limited Partner’s Capital Contribution in an amount equal to the product of (i) the Permanent Credit
Reduction and (ii) $1.00. The Permanent Credit Reduction means the amount by which the Actual Tax Credits are or will be less than the Projected Tax Credits over the Credit Period due to (A) the actual Applicable Percentage being less than projected; (B) the actual Eligible Basis being less than projected; (C) the actual Qualified Basis as of the end of the first year of the Credit Period being less than the projected Qualified Basis; (D) the actual final allocation of Tax Credits as indicated on Form 8609 being less than the Projected Tax Credits; or (E) any combination of the above. This Permanent Credit Reduction Adjustment shall be made, at the option of the Limited Partner, by first decreasing the amount, if any, of the Limited Partner’s Capital Contribution installment next due, and, if necessary, further installments (reducing the earliest ones first) by the amount of the Permanent Credit Reduction Adjustment. In the event that there are no remaining Limited Partner Capital Contributions, or the Permanent Credit Reduction Adjustment required hereunder exceeds the remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Permanent Credit Reduction Adjustment against the remaining Limited Partner Capital Contribution installments, the General Partner and the Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount necessary for the Partnership to make the Permanent Credit Reduction Adjustment, followed by an immediate distribution in such amount by the Partnership to the Limited Partner, unless it is determined by the Limited Partner’s tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner and the Special Limited Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis, will be equal to the Permanent Credit Reduction Adjustment. In the event that any Capital Contribution installments are reduced or General Partner and Special Limited Partner payments are required to be made under this §6.9(a), the Projections attached hereto as Appendix I will be correspondingly revised and will be considered amendments and determinative of the “Projected Tax Credits” and other amounts set forth herein if there is a conflict between any amounts set forth therein and in this Agreement.

6.9.2 Timing Difference in Tax Credits (Downward). If, for the Projected First Tax Credit Year and the Projected Second Tax Credit Year, any portion of the Projected Tax Credits cannot be claimed (as determined by the Accountant) by the Limited Partner during such Projected First Tax Credit Year and the Projected Second Tax Credit Year, but must be delayed and taken in a later year or years of the Compliance Period, then the Limited Partner shall be entitled to reduce its Capital Contribution by an amount equal to $.50 times the amount by which the Projected Tax Credits for the Projected First Tax Credit Year and the Projected Second Tax Credit Year, respectively, exceed the Actual Tax Credits for such years (the “Timing Reduction”). This Timing Reduction is intended to compensate the Limited Partner for the reduced present value of such delayed Tax Credits, while taking into account the Tax Credits the Limited Partner may be entitled to receive no later than the 11th and 12th years of the Compliance Period. No adjustment shall be made under this Section 6.9.2 for any shortfall in Tax Credits for which an adjustment is already made pursuant to Section 6.9.1. In the event that there are no remaining Limited Partner Capital Contributions, or the Timing Reduction required hereunder exceeds the remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Timing Reduction against the remaining Limited
Partner Capital Contribution installments, the General Partner and the Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount necessary for the Partnership to make the Timing Reduction, followed by an immediate distribution in such amount by the Partnership to the Limited Partner, unless it is determined by the Limited Partner’s Tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner and the Special Limited Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis will be equal to the Timing Reduction. In the event that a Timing Reduction is incurred, the Limited Partner shall revise its Projections accordingly.

6.9.3 Ongoing Tax Credit Shortfall. If, for any Fiscal Year after the Projected First Tax Credit Year, for any reason whatsoever (1) the Actual Tax Credits are less than the Projected Tax Credits (as adjusted in any revised Projections prepared pursuant to Section 6.9.1 or Section 6.9.2) for such Fiscal Year or (2) a Limited Partner is required to recapture (resulting from other than a transfer of part or all of the Limited Partner’s Partnership Interest) all or any part of the Tax Credits claimed by it in any prior Fiscal Year of the Partnership (the “Credit Shortfall”), then, at the option of the Limited Partner, the Limited Partner’s Capital Contributions shall be reduced in chronological order in an amount (the “Credit Reduction Payment”) equal to the sum of (i) One Dollar ($1.00) times the difference between (A) the Projected Tax Credits (as adjusted in any revised Projections prepared in connection with Section 6.9.1 or Section 6.9.2) for the Fiscal Year and all subsequent Fiscal Years, and (B) the Actual Tax Credits for such Fiscal Year and the Tax Credits projected by the Accountant as being available to the Limited Partner for all subsequent Fiscal Years, and (ii) the amount of the Tax Credits recaptured in such Fiscal Year, plus the amount of any interest or penalty payable by the Limited Partner as a result of the recapture. In the event there are no remaining Capital Contributions or the Credit Reduction Payment exceeds the amount of remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Credit Reduction Payment against the remaining Limited Partner Capital Contribution payments, the General Partner and Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount equal to the Credit Reduction Payment or the unpaid portion thereof, and the Credit Reduction Payment shall be immediately distributed to the Limited Partner and shall neither constitute nor be limited by the distribution limits for Cash Flow, pursuant to Section 5.1, hereof, or for Net Cash from Sales and Refinancings, pursuant to Section 5.2, hereof. In the event that a Credit Shortfall is incurred, the Limited Partner shall revise its Projections accordingly.

6.9.4 Permanent Increase in Tax Credits. If it is determined that the amount of Actual Tax Credits over the Credit Period for the Project will be greater than the Projected Tax Credits over the Credit Period (such difference being defined herein as the “Permanent Credit Increase”) and the Asset Manager is provided with satisfactory written documentation to evidence the allocation of the Permanent Credit Increase, the Limited Partner will increase its Capital Contribution by an amount that is equal to the product of (i) the Permanent Credit Increase, and (ii) $1.00, subject to the limitations described in Section 6.9.6.
6.9.5 **Increase in First and/or Second Year Tax Credits.** If it is determined that the amount of Actual Tax Credits for the period prior to the end of the Projected First Tax Credit Year and Projected Second Tax Credit Year will be greater than the Projected Tax Credits for the period prior to the end of the Projected First Tax Credit Year and Projected Second Tax Credit Year, respectively (such difference being defined herein as the “Projected First and Second Tax Credit Year Increase”), and the Asset Manager is provided with satisfactory written documentation to evidence the allocation of the Projected First and Second Tax Credit Year Increase, the Limited Partner will increase its Capital Contribution by an amount that is equal to the product of (i) the Projected First and Second Tax Credit Year Increase, and (ii) $.50. Such increase will be subject to limitations described in Section 6.9.6.

6.9.6 **Limitation on Upward Adjuster.** Notwithstanding anything to the contrary contained herein, the Limited Partner will increase its Capital Contribution only once during the 90 day period following the later of (a) achievement of Stabilized Occupancy or (b) the allocating agency’s issuance of the Form 8609 for all Buildings. The Limited Partner will increase its Capital Contribution under Sections 6.9.4 and 6.9.5 only if the Limited Partner, in the exercise of its sole discretion, determines that it has sufficient funds to make the additional Capital Contribution. In no event shall the increase in the Limited Partner’s Capital Contribution pursuant to Sections 6.9.4 and 6.9.5 exceed, in the aggregate, five percent (5%) of the Limited Partner’s Capital Contribution as set forth in the Projections in effect on the date of this Partnership Agreement (i.e., no subsequent increases in the Limited Partner’s Capital Contribution shall be taken into account for purposes of calculating the five percent (5%) limitation).

6.9.7 **Repurchase.** Notwithstanding anything contained herein to the contrary, in the event that (i) any Building does not generate any Tax Credits during the taxable year succeeding the taxable year in which such Building is placed in service or the Project Property does not generate any Tax Credits during calendar year 2015 for any reason whatsoever, (ii) Construction Completion and Placement in Service of all Buildings are not achieved, or in the reasonable judgment of the Limited Partner, based on all of the relevant facts and circumstances, will not be achieved on or before the Construction Completion Date (which in no event shall exceed the end of the second year after the year in which the Project receives a Tax Credit allocation pursuant to Section 42(h)(1)(E) of the Code or by the date required by any Lender or State Agency), (iii) the Partnership fails to comply with any other requirements of Section 42 of the Code and such failure is not cured within any cure period provided by the State Housing Finance Agency, including the minimum set-aside test and/or the rent restriction test (as described in Section 42(g) of the Code) before the end of the year in which the Building is placed in service or, at the election of the General Partner pursuant to Section 42(f)(i)(B) (which election shall be made in accordance with Section 6.4.12(iv) hereof), the end of the succeeding taxable year, or any requirements set forth in the Regulatory Agreement, (iv) Stabilized Occupancy does not occur within six (6) months of the Projected Stabilized Occupancy Date, (v) unless the Project is financed with tax-exempt bonds, the Partnership’s basis in the Project Property for federal income tax purposes, as finally determined by the Accountant or pursuant to an audit by the IRS, as of the date by which all required steps must be taken for the Project to receive a carryover allocation of Tax
Credits, was not 10% of the Partnership's reasonably expected basis in the Project Property, as required pursuant to Section 42(h)(1)(E) of the Code, (vi) proceedings have been commenced, filed or initiated to foreclose the Construction Loan mortgage or permanently enjoin construction or rehabilitation of the Project and such proceedings have not been stayed or vacated within thirty (30) days of commencement, filing or initiation, (vii) [reserved], (viii) the General Partner fails to deliver to the Asset Manager a Form 8609 for each Building in the Project on or before the date by which the General Partner is required to deliver to the Asset Manager the Tax Return Documents for the first year of the Credit Period pursuant to Section 8.4.3, (ix) any portion of the Project was constructed using Foreign Drywall, (x) any one of the following occurs with regard to the Permanent Loan: (a) the Permanent Loan commitment has been terminated or substantially modified (unless the commitment is replaced with a commitment of equivalent terms as determined by the Limited Partner in its reasonable judgment), (b) any interest rate lock applicable to the Permanent Loan has expired and not been replaced within thirty (30) days by a new rate lock acceptable to the Limited Partner or (c) the Permanent Loan has not been fully funded on or before the maturity date of the Construction Loan (including any extensions of maturity), or (xi) the Partnership fails to deliver 70% of the Projected Tax Credits to the Limited Partner with respect to the first twelve (12) taxable months of the Credit Period, then, in the event any of the conditions described in clauses (i) through (x) above occurs, upon the written notice of the Limited Partner, the General Partner and the Special Limited Partner shall purchase the Limited Partner's entire interest in the Partnership for an amount equal to (a) the sum of (1) all Capital Contributions actually made to the Partnership by the Limited Partner, plus (2) $50,000, plus (3) all expenses incurred by the Limited Partner in connection with entering into the Partnership (not including any funds reimbursed), minus (b) an amount equal to the purchase price paid by the Limited Partner for any Tax Credits already received by the Limited Partner, net of any amounts that the Limited Partner has paid or will have to pay as the result of any recapture of any portion of the Tax Credits that the Limited Partner has received, and (c) any amounts that have already been reimbursed to the Limited Partner by the Partnership and/or the General Partner and Special Limited Partner (the "Repurchase Amount"). Notwithstanding anything to the contrary in this Partnership Agreement, the Limited Partner may, in its sole discretion and at any time following any of the events described in this Section 6.9.77, after any applicable notice and cure period and regardless of whether the Repurchase Amount or any portion thereof has been received by the Limited Partner at such time, withdraw from the Partnership as the Limited Partner. Upon receipt of this amount, the Limited Partner's interest as a limited partner in the Partnership will terminate, the Limited Partner shall transfer its interest in the Partnership to the General Partner and Special Limited Partner or their designee(s), and the General Partner and Special Limited Partner shall indemnify and hold harmless the Limited Partner from and against any losses, damages, and liabilities to which the Limited Partner (as a result of its participation hereunder) may be subject.

6.9.8 Failure to Pay; Remedies. If the General Partner or Special Limited Partner fail to pay any amount payable pursuant to Section 6.9.1, 6.9.2 or 6.9.3 above, or the Repurchase Amount pursuant to the preceding section owing to the Limited Partner within ten (10) days after written demand by the Limited Partner (with a copy to the Special Limited Partner), then, in addition to any other rights the Limited Partner may
have, any sums payable to the General Partner or Special Limited Partner (or any Affiliate thereof) pursuant to the terms of this Partnership Agreement (including, without limitation, Cash Flow and any fees payable by the Partnership to the General Partner or Special Limited Partner or their Affiliates) will instead be paid to the Limited Partner until such time as all amounts owing to the Limited Partner pursuant to this Section 6.9 are fully repaid. For purposes of this Partnership Agreement, any sums distributed to the Limited Partner pursuant to the immediately preceding sentence are deemed to have been paid to the General Partner or Special Limited Partner (or their Affiliates) and subsequently loaned by the General Partner or Special Limited Partner to the Partnership, followed by a distribution to the Limited Partner from the Partnership of such loan proceeds in satisfaction of the General Partner’s and Special Limited Partner’s obligations hereunder. Any such deemed loan by the General Partner or Special Limited Partner to the Partnership shall bear no interest and shall be reimbursable to the General Partner or Special Limited Partner out of Cash Flow in accordance with the priority set forth in Section 5.1.1 hereof, or out of the proceeds of refinancing or sale pursuant to Section 5.2.1 hereof. The rights and remedies granted to the Limited Partner by this Section 6.9 are not exclusive of, but are in addition to, any other rights and remedies granted to the Limited Partner under this Partnership Agreement or by applicable law. The obligations of the General Partner and Special Limited Partner under this Section 6.9 are deemed to have arisen as a consequence of a transaction between the General Partner, Special Limited Partner and the Limited Partner other than in their capacities as Partners and the Capital Accounts or loans of the Partners are not affected in any way as a result of the making of any credits or payments hereunder.

6.9.9 Survival. The obligations of the General Partner, Special Limited Partner, and their Affiliates prescribed or described in this Section 6.9 will survive the termination and/or liquidation of the Partnership.

6.9.10 Joint and Several. Notwithstanding anything to the contrary in this Section 6.9, the obligations of the General Partner and the Special Limited Partner shall be joint and several.

Section 6.10 Publicity and Promotional Events. The General Partner shall be obligated to notify the Asset Manager at least fifteen (15) days in advance of any (i) groundbreaking, (ii) open house, (iii) public relations event or other similar activities related to the Project. Representatives of the Limited Partner (including any beneficial owners thereof), the Special Limited Partner, the Asset Manager, and any investors who have provided funds that have been invested in the Project by the Limited Partner (collectively, the “Publicity Parties”) shall be entitled to attend such events. The General Partner shall also be obligated to place the names of any entities that the Asset Manager might designate on any signage that is erected for publicity purposes during the construction of the Project. Any costs related thereto shall be paid by the Partnership. The General Partner shall notify the Asset Manager when any such signage is being prepared and provide the Asset Manager with a reasonable amount of time to provide the names it wants included on the signs. The General Partner acknowledges that it will benefit from any publicity generated by the Publicity Parties with respect to the Project. In consideration thereof, the Partnership hereby consents, grants, and releases to the Publicity Parties all rights related to the use of the Project, including, but not limited to, the use of the
name of the Project, any photographs of the Project, and any written materials related to the Project, in any commercial, promotional or marketing materials such as press releases, publications, and publicity events that any of the Publicity Parties may wish to issue or conduct.

Section 6.11 Co-General Partners. If there is more than one General Partner, or if the General Partner is a joint venture or partnership in which there is more than one general partner, then all general partners of the partnership or of such joint venture of partnership shall be jointly and severally liable to the Partnership, to the Limited Partner, and to its successors and assigns for all obligations of the General Partner, and for any damages that may arise from the acts or omissions of any of such general partners in their performance or breach of the guaranties, management, and all other obligations and the representations and warranties of the General Partner, whether now existing or hereafter created, under this Partnership Agreement as the same may from time to time be amended and under applicable law. Notwithstanding anything to the contrary herein, no General Partner shall be liable to the Partnership or to the Limited Partner for the fraud of any other General Partner.

Section 6.12 Representation of General Partner, Special Limited Partner and Limited Partner. If the General Partner fails to submit the Report to the Asset Manager and the Special Limited Partner by the Submission Date, the General Partner shall be assessed a penalty of $100 per day pursuant to Section 8.6 below. Without limiting the right of the Limited Partner under Section 8.6.3 below, the Limited Partner shall have the right to require the General Partner to remove the Accountant and the right to approve or identify a replacement accountant if the Accountant fails to submit the Report to the Asset Manager and the Special Limited Partner by the Submission Date.

(ii) In addition to the requirements set forth in Section 8.4.2(i) above, the General Partner shall submit or cause to be submitted to the Asset Manager and the Special Limited Partner, (a) on or before December 31st of the year the Project achieves Placement in Service, an "interim" audited financial statement, prepared in accordance with GAAP, which shall reflect the financial status of the Project as of September 30th of that year, and (b) at any time after the first calendar quarter of each year within thirty (30) days after notice from the Asset Manager, (1) unaudited or, at the election of the Asset Manager, audited financial statements, prepared in accordance with GAAP, of the General Partner for the prior calendar year, (2) tax returns of the General Partner and Guarantor for the preceding calendar year and (3) such other financial information documenting the current financial condition of the General Partner and Guarantor as the Asset Manager may reasonably require.

required in connection therewith (the “Tax Return Documents”), and (ii) cause to be prepared and filed with the appropriate agencies within sixty (60) days after each taxable year ends, the Tax Return Documents, which shall be revised or amended to include any comments made by the Asset Manager. Within such sixty (60) day period, the General Partner shall deliver a copy of the filed Tax Return Documents to the Asset Manager. In addition, the General Partner shall comply with all requirements of Section 6.3.2 hereof with respect to anticipated Tax Credits and other tax benefits and shall deliver to the Asset Manager a copy of the Section 168 Tax Return concurrently with the filing of the original with the IRS.

8.4.4 Tax Returns Due to Termination. If, pursuant to Section 9.1 below, there are subsequent transfers of Limited Partner’s beneficial interests or partnership interests which cause a termination of the Partnership pursuant to Section 708(b) of the Code (“Termination”), the General Partner shall (i) deliver to the Asset Manager, for its review and approval, within thirty (30) days after receipt of written notice from the Limited Partner of such Termination, a draft of Form 1065 and Schedule K-1 or any successor federal return of income forms required to be filed on behalf of the Partnership, and any and all other forms, schedules or materials required in connection therewith (the “Termination Tax Return Documents”), and (ii) cause to be prepared and filed with the appropriate agencies within the time period prescribed under the Code, the Termination Tax Return Documents, which shall be revised or amended to include any comments made by the Asset Manager. Any costs associated with the General Partner’s satisfaction of this Section 8.4.4 shall be paid in accordance with Section 9.1 below.

8.4.5 Estimated Tax Credits. Prior to October 15th of each year, the General Partner shall send to the Asset Manager and the Special Limited Partner an estimate of the Limited Partner’s and the Special Limited Partner’s share of Tax Credits by each Building of the Project, estimate of total Tax Credits, and estimates of Profits and Losses for federal income tax purposes in a form specified by the Limited Partners. The General Partner and the Accountant shall prepare this estimate.

Section 8.5 Review of Compliance.

8.5.1 The General Partner shall, seventy-five (75) days after the end of each Fiscal Year of the Partnership, certify to the Asset Manager and the Special Limited Partner in the same scope and manner that it is required to certify, if requested, to the applicable State Housing Finance Agency, that the Partnership is in compliance with all regulations and procedures relating to the operation of the Project as a qualified Tax Credit project within the meaning of Section 42(h) of the Code. Upon initial lease-up of the Project and thereafter no more frequently than annually, the Limited Partner may, at the Partnership’s expense, conduct or cause to be conducted an audit or review (which may include an on-site inspection of the Project) of the Partnership’s compliance with all regulations and procedures relating to the operation of the Project as a qualified Tax Credit project within the meaning of Section 42(h) of the Code. This audit or review will be conducted not less than thirty (30) nor more than ninety (90) days following a written request by the Limited Partner for such audit or review. The General Partner shall cooperate with any such audit by making appropriate personnel of the General Partner
and the Property Management Agent and all books and records (including, without limitation, copies of initial tenant files, any IRS Forms 8823 issued to the Partnership, and other applicable related documents and reports) of the Project and Partnership available to the Limited Partner or its representatives at the offices of the Partnership during regular business hours.

8.5.2 The General Partner shall, within thirty (30) days following achievement of Qualified Occupancy, deliver to the Asset Manager one or more discs containing scanned copies of the First Year Tenant Files.

8.5.3 The General Partner shall provide access to the Project at all reasonable times and upon reasonable advance notice and shall extend full cooperation to the Asset Manager or the Special Limited Partner in connection with such physical inspections of the Project and any records as the Asset Manager or the Special Limited Partner may wish to conduct in order to monitor the General Partner's performance of its obligations under this Partnership Agreement.

Section 8.6 Failure to Provide Information.

8.6.1 Failure by the General Partner to provide the reports required under this Article 8 will result in the assessment of a $100 per day penalty, due and payable to the Limited Partner, until the reports are received in a form that is acceptable to the Limited Partner. This penalty will not be applicable if (i) waived by the Limited Partner, or (ii) the required information is received within seven (7) business days of receipt of a written notice of demand from the Limited Partner.

8.6.2 If the General Partner fails to provide in a timely manner any information, report or data required to be provided by the General Partner under this Article 8, or otherwise fails to perform its obligations under this Article 8, then, in addition to any remedies the Limited Partner may have under this Partnership Agreement or applicable law, the Partnership shall not make any distributions or payments to the General Partner pursuant to Section 5.1 or Section 5.2 hereof until such time as such information, report, or data have been provided or such other obligations have been fulfilled.

8.6.3 Regardless of whether the penalties are paid or waived, the Limited Partner shall have the right to require the General Partner to remove the Accountant and the right to approve or identify a replacement accountant if any of the above applicable reporting requirements are not met. The failure on the part of the General Partner to remove the Accountant and replace it with an accounting firm that is acceptable to the Limited Partner within thirty (30) days of a written request to do so from the Limited Partner shall be an Event of Default under Section 10.6.1 hereof.

8.6.4 If the General Partner causes or suffers repeated or unreasonable delay in providing any reports or information required to be submitted to the Limited Partner and the Special Limited Partner under Article 8, such delay shall constitute an Event of Default under Section 10.6.1 hereof.
ARTICLE 9: TRANSFER OF LIMITED PARTNER'S PARTNERSHIP INTERESTS

Section 9.1 Voluntary Transfers. A Limited Partner may at any time make a Voluntary Transfer of all or any part of its Partnership Interest, so long as such Voluntary Transfer complies with the following conditions: (i) the General Partner has received a written instrument of transfer of all such Partnership Interest, which instrument shall be signed by the transferor Limited Partner and the transferee and shall contain the name and address of the transferee and the transferee's express acceptance of and agreement to be bound by all of the terms and conditions of this Partnership Agreement; (ii) all requirements of applicable state and federal securities laws, if any, have been complied with; (iii) such Voluntary Transfer will not result in the Partnership's loss of any exemption (federal or state) from the registration of the sale of securities relied upon in its offering of the Partnership Interest; (iv) such Voluntary Transfer will not result in the Partnership being classified as an "association" which is taxable as a corporation for federal income tax purposes; and (v) the General Partner has received evidence of any applicable consents required for such transfer. Upon compliance with all of the conditions of this Section 9.1, such Voluntary Transfer of a Limited Partner's Partnership Interest binds the Partnership and the General Partner. No such transfer may cause the dissolution and termination (other than tax termination) of the Partnership and the transferee shall automatically be deemed to be an Assignee with respect to such Partnership Interest. If any transfer of a Limited Partner's Partnership Interest, including the transfer of beneficial interests, results in a tax termination of the Partnership, the Limited Partner shall be responsible for the cost of preparing and filing any additional tax returns.

9.1.1 The Limited Partner intends to either (i) hold only bare legal title to its Partnership Interest and will ultimately transfer beneficial interests in its Partnership Interest to one or more Persons, or (ii) ultimately transfer its Partnership Interest to an investment fund managed by an Affiliate of the Limited Partner, and in either case, the Limited Partner or such Persons or investment fund may also transfer such beneficial interests or Partnership Interest, or, as security for debt, assign or pledge all or portions of such Partnership Interest. Notwithstanding the provisions of Section 9.1, the General Partner hereby acknowledges and consents to any such transfers, assignments or pledges, and agrees that, upon any such transfer or any foreclosure or other enforcement under any such assignment or pledge, it will recognize the assignee of the (a) beneficial interests as the owner of such beneficial interests in the Partnership Interest, or (b) Partnership Interest as the Substituted Limited Partner.

9.1.2 The Limited Partner or its transferee shall reimburse the Partnership for any reasonable costs actually incurred by the Partnership as a result of a transfer pursuant to this Section 9.1.

Section 9.2 General Partner's Consent to Substitution as a Limited Partner.

9.2.1 In addition to the requirements set forth in Section 9.1, an Assignee of a Limited Partner's Partnership Interest in connection with a Voluntary Transfer, other than an assignee of a beneficial interest, will not become a Substituted Limited Partner, unless and until the General Partner consents in writing to such substitution, which consent may not be unreasonably withheld and is hereby granted for the transfers, assignments and
pledges described in Section 9.1.1; provided that no such consent shall be required for the 
(i) substitution of an Assignee that is an Affiliate of the Limited Partner, or (ii) any 
transfer by the Limited Partner of its Partnership Interest after its Capital Contributions 
have been paid in full. The General Partner shall duly file for record any required 
amendment to the Certificate of Formation reflecting such substitution in such public 
offices as shall be required under the Act. The effective date of the substitution of the 
Assignee as a Substituted Limited Partner shall be the date on which the General Partner 
provides its consent if required or the date of the assignment to such Affiliated Assignee, 
as the case may be.

9.2.2 If the General Partner’s consent is required but the General Partner 
does not consent to the substitution of a Limited Partner’s Partnership 
Interest in connection with a Voluntary Transfer, then the transferor Limited Partner 
retains all the rights of a transferor of a limited partnership interest under the Act and, 
except as otherwise provided in Section 9.4, the Assignee shall not be treated as owning 
any interest in the Partnership. In particular, an Assignee of a Limited Partner’s 
Partnership Interest in connection with a Voluntary Transfer, other than an assignee of a 
beneficial interest, who is not admitted as a Substituted Limited Partner under this 
Section 9.2 shall not be entitled to: (i) require any accounting of the Partnership’s 
transactions; (ii) inspect the Partnership’s books and records; (iii) require any information 
from the Partnership; or (iv) exercise any privilege or right of a Limited Partner that is 
not specifically granted to a nonsubstituted transferee of a limited partnership interest 
under the Act.

Section 9.3 Involuntary Transfers. The Involuntary Transfer of all or any part of 
any Limited Partner’s Partnership Interest will not cause the dissolution and termination of the 
Partnership, but rather the business of the Partnership is continued without interruption in 
accordance with the provisions of this Section 9.3. Upon an Involuntary Transfer of all or any 
part of any Limited Partner’s Partnership Interest, such Limited Partner’s successor or legal 
representative shall automatically be deemed to be a Substituted Limited Partner.

Section 9.4 Distributions and Allocations with Respect to Transferred 
Partnership Interests. Upon any transfer (whether a Voluntary Transfer or Involuntary 
Transfer recognized by the Partnership or other transfer) of the Limited Partner’s Partnership 
Interest under this Article 9, all allocations of Profits and Losses attributable to the transferred 
Partnership Interest shall be divided and allocated between the transferor and the transferee by 
taking into account their varying interests during such fiscal period, using any convention or 
method of allocation selected by the General Partner which is then permitted under Section 706 
of the Code and the Regulations promulgated thereunder. All distributions of Cash Flow made 
prior to the effective date of any such transfer shall be made to the transferor and any such 
distributions made after the effective date of such transfer shall be made to the transferee.

Section 9.5 Disposition of Project. Subject to the restrictions and rights reserved in 
the Extended Use Agreement or to the General Partner below, the General Partner may cause 
the sale of all or any portion of the assets or business of the Partnership for their fair market 
value upon such terms as it shall determine in the exercise of reasonable discretion and prudent 
business judgment. If causing the sale of all or any portion of the assets or business of the
Partnership, the General Partner will use best efforts to cause the Project to be sold or exercise any right it may have hereunder to purchase the Limited Partner’s Interest or the Project within a reasonable time after the expiration of the Compliance Period. After the payment of or provision for creditors, the net proceeds of sale shall in the discretion of the General Partner either in whole or in part be distributed among the Partners as provided in Section 5.2 or Section 11.2 hereof, as applicable, or in whole or in part be retained by the Partnership and utilized in the business of the Partnership. Any such sale shall cause the dissolution and liquidation of the Partnership only if required by the provisions of Article 11 hereof. Notwithstanding the foregoing, upon any sale of the Project (which term, as used in this Section 9.5, shall include any portion of the Project containing one or more rental units and any related assets or business of the Partnership), the net proceeds thereof shall be distributed in accordance with Section 5.2 or Section 11.2 hereof, as applicable. Except as specifically provided below, the General Partner (with the consent of the Special Limited Partner) shall not sell the Project without the prior written consent of the Limited Partner, and shall comply with the following requirements in any proposed sale or refinancing:

The General Partner may in its discretion begin advertising the Project for sale and entertaining third-party purchase offers at any time during the last twelve (12) months of the Compliance Period and shall forward copies of all inquiries and purchase offers as and when received by it to the Limited Partner and the Special Limited Partner, but shall have no right or obligation to pursue any sale to a third party except as described further herein below. If the Purchase Option and Right of First Refusal described in Section 9.6 hereof is exercised and all conditions thereof are met in full to the satisfaction of the Limited Partner, then in lieu of any sale to an unrelated third party, the General Partner shall cause the Project to be sold as provided and within the time specified therein, after the expiration of the Compliance Period. However, if such Purchase Option and Right of First Refusal is not exercised or the Project is not sold as provided and within the time specified therein, the General Partner shall, commencing upon the expiration of the Purchase Option and Right of First Refusal promptly begin advertising the Project for sale and entertaining third-party purchase offers, as described above. Notwithstanding the foregoing, any disposition of the Project shall be conducted in accordance with the Extended Use Agreement and the rules of the State Housing Finance Agency.

Section 9.6 Purchase Option and Right of First Refusal. The provisions of Section 9.5 hereof shall be subject to that certain Purchase Option and Right of First Refusal Agreement between the Partnership, as grantor, and Grantee, as grantee, dated on or about the date hereof, pursuant to which the Partnership has granted to the Special Limited Partner and Grantee an option to purchase the Project or the Limited Partner’s Partnership Interest and a right of first refusal to purchase the Project, on the terms and conditions set forth therein, provided that the General Partner and the Special Limited Partner, as applicable, remain in good standing without the occurrence of any event described in Section 10.6 hereof, in the form attached hereto as Exhibit A.

Section 9.7 Warehouse Lender. Notwithstanding the foregoing provisions of this Article or any other provision of this Agreement:
9.7.1 The General Partner acknowledges and consents to (i) the Limited Partner’s pledge and collateral assignment of its Partnership Interest (the “LP Pledge”) to the Warehouse Lender;

9.7.2 The Warehouse Lender shall have the rights of a secured party to retain, sell or transfer the Partnership Interest so pledged in accordance with the LP Pledge, including, without limitation, the right to transfer or assign its rights hereunder and under the LP Pledge without the consent of the Partnership, any Partner or any other Person, subject only to Section 9.7.6;

9.7.3 Upon the enforcement of the LP Pledge and the foreclosure upon the Partnership Interest pledged thereunder, the Warehouse Lender (or its nominee or transferee) shall be immediately, automatically and unconditionally admitted as a Substituted Limited Partner, subject only to Section 9.7.6;

9.7.4 Neither the Partnership nor any Partner shall cause the Partnership Interest to be or become, a “security”, “investment property” or held in a “securities account” (within the meaning of Articles 8 and 9 of the Uniform Commercial Code of the State (the “UCC”)) and the Partnership Interest will be, and will remain, “general intangibles” within the meaning of Article 9 of the UCC, and any action by the Partnership or any Partner to cause any of the Partnership Interest to be deemed to be or to be treated other than as general intangibles within the meanings of Article 9 of the UCC shall be void and of no effect;

9.7.5 The Partnership and the Partners agree (i) to notify the Warehouse Lender in writing at the applicable addresses provided in the definition of “Warehouse Lender” of any default by the Limited Partner of any of its obligations hereunder, (ii) to refrain from exercising any rights or remedies as a result of such default (whether hereunder or otherwise at law or in equity) until the Warehouse Lender has received such notice and has been given 60 days to cure such default, and (iii) that the Warehouse Lender can cure such default by paying only those portions of the Limited Partner’s Capital Contribution for which the conditions to payment set forth in Section 3.2 have then been satisfied;

9.7.6 The Warehouse Lender’s rights hereunder are subject to compliance with all HUD requirements regarding transfer of physical assets and submission and approval of a HUD Prior Participation Certificate, and/or obtaining the State Housing Finance Agency’s written consent if required; and

9.7.7 So long as the Limited Partner’s Partnership Interest continues to be “Pledged Collateral” under the LP Pledge, any amendment to (i) this section, (ii) any other provision herein which would materially affect the Warehouse Lender’s rights and priorities under the LP Pledge, or (iii) the identity of the Asset Manager, the Asset Management Fee, the Disposition Fee or any other fee payable to the Asset Manager, or the terms of payment thereof, shall require the prior written consent of the Warehouse Lender.
9.7.8 The Warehouse Lender is an intended third party beneficiary of this Section 9.7.

Section 9.8 Voluntary Withdrawal. Notwithstanding anything in this Article 9 to the contrary, the Limited Partner shall have the right to withdraw from the Partnership without the General Partner’s consent at any time after the Limited Partner has paid in full its Capital Contributions. The Limited Partner shall provide the General Partner with ten (10) days’ prior written notice of the effective date of such withdrawal. At the Limited Partner’s request, the General Partner shall cooperate with the Limited Partner by taking such actions as the Limited Partner determines are necessary or advisable in order to effectuate such withdrawal.

Section 9.9 Put Right. Commencing on the expiration date of the Compliance Period, the Limited Partner shall have the right to require the General Partner to purchase the Limited Partner’s Partnership Interest (the “Put Right”) for a purchase price of One Thousand and No/100 Dollars ($1,000.00) (the “Purchase Price”). The Put Right may be exercised by the Limited Partner by giving written notice to the General Partner at any time on or after the date that is thirty (30) days prior to the expiration of the Compliance Period. In the event that the Limited Partner exercises its Put Right pursuant to this Section 9.9, the Purchase Price shall be paid to the Limited Partner in cash or immediately available funds, unless otherwise mutually agreed, at a closing to occur on the first business day following the date that is thirty (30) days after the Limited Partner has given notice to the General Partner of the exercise of the Put Right. All costs of the purchase of the Limited Partner’s Partnership Interest shall be paid by the General Partner. Upon receipt of the Purchase Price, the Limited Partner shall transfer the Partnership Interest free and clear of any liens, charges, encumbrances or interests of any third party and shall execute or cause to be executed any documents required to fully transfer such Partnership Interest. As of the effective date of such closing, the Limited Partner shall have no further interest in the Partnership.
ARTICLE 10: TRANSFER OF GENERAL PARTNER'S PARTNERSHIP INTERESTS

Section 10.1 Voluntary Transfers.

10.1.1 The Partnership shall not recognize any Voluntary Transfer of a General Partner's Partnership Interest and any such attempted Voluntary Transfer shall be invalid and ineffective as to the Partnership and the Limited Partner, unless and until: (i) the proposed transfer is of all the Partnership Interest owned by such General Partner; (ii) the Limited Partner and the Special Limited Partner have each received a copy of written instrument of transfer of all such Partnership Interest, which instrument shall be signed by the General Partner and the transferee and shall contain the name and address of the transferee and the transferee's express acceptance of an agreement to be bound by all of the terms and conditions of this Partnership Agreement; (iii) the General Partner has paid or caused to be paid all costs related to such Voluntary Transfer, including, without limitation, the reimbursement of all legal fees and expenses incurred by the Partnership in connection with such transfer; (iv) such Voluntary Transfer will not result in the termination of the Partnership for federal income tax purposes; (v) such Voluntary Transfer will not result in the Partnership being classified as an “association” which is taxable as a corporation for federal income tax purposes; (vi) the Partnership receives an opinion of legal counsel to the effect of clause (v); (vii) such Voluntary Transfer will not result in the loss of the ad valorem tax exemption granted to the Project (i.e. the substitute general partner must qualify for the exemption); and (viii) the Limited Partner has consented in writing to such Voluntary Transfer, which consent may be withheld or given, in the sole discretion of the Limited Partner.

10.1.2 Upon compliance with this Section 10.1, such transfer of a General Partner's Partnership Interest shall bind the Partnership and all the Limited Partners and no such Voluntary Transfer shall cause the termination of the Partnership. In addition, effective as of the date of full compliance with the requirements of this Section 10.1, the transferee of a General Partner's Partnership Interest shall be admitted as a new General Partner of the Partnership and shall be vested with all the powers and obligations with respect to the management of the Partnership as are granted to and placed upon the transferor General Partner under this Partnership Agreement.

Section 10.2 Involuntary Transfers. An Involuntary Transfer of a General Partner’s Partnership Interest at such time as there is more than one General Partner shall not dissolve the Partnership, but rather the business of the Partnership shall be continued without interruption and all of the management powers and authority granted herein to the General Partner making such Involuntary Transfer shall automatically be placed upon the remaining General Partner(s), unless the Limited Partner otherwise elects within thirty (30) days after the occurrence of such Involuntary Transfer to dissolve the Partnership and have the Partnership’s affairs and business wound up and terminated pursuant to Article 11. An Involuntary Transfer of a General Partner’s Partnership Interest when there is no other General Partner in existence shall dissolve the Partnership and the Partnership’s affairs and business shall be wound up and terminated under Article 11, unless the Limited Partner agrees in writing to the continuation of the business of the Partnership and the appointment of a new General Partner pursuant to the provisions of Section 10.3.
Section 10.3 Continuation of Partnership After Involuntary Transfer of General Partner's Partnership Interests. Upon an Involuntary Transfer of the last remaining General Partner's Partnership Interest, the Partnership will dissolve and the affairs and business of the Partnership will be wound up and terminated under Article 11, unless within ninety (90) days after the occurrence of such Involuntary Transfer, the Limited Partner agrees in writing to the continuation of the business of the Partnership and the appointment of a new General Partner. Unless such an election is made within such 90-day period, the Partnership may conduct only those activities that are necessary to wind up and terminate its affairs and business. If such an election is made within such 90-day period, then: (a) the reconstituted partnership will continue until the end of the term of the Partnership's existence set forth in this Partnership Agreement; and (b) immediately upon its receipt of cash in an amount equal to the greater of (1) $100 or (2) the then positive balance in its Capital Account, the former General Partner is automatically (and without the need for the execution of any further documentation) deemed to have relinquished its entire Partnership Interest, with such relinquished Partnership Interest being automatically allocated to the new General Partner.

Section 10.4 Distributions and Allocations with Respect to Transferred Partnership Interests. If any transfer (whether a Voluntary or Involuntary Transfer) of a General Partner's Partnership Interest is recognized by the Partnership under this Article 10, then all allocations of Profits and Losses attributable to the transferred Partnership Interest are divided and allocated between the transferor and the transferee by taking into account their varying interests during such fiscal period, using any convention or method of allocation selected by the Limited Partner which is then permitted under Section 706 of the Code and the Regulations promulgated thereunder. Any distributions of Cash Flow made prior to the effective date of any such transfer are made to the transferor and any such distributions made after the effective date of such transfer shall be made to the transferee. Neither the Partnership nor the Limited Partner will incur any liability for making allocations and distributions in accordance with the provisions of this Section 10.4.

Section 10.5 Voluntary Withdrawal. A General Partner may not voluntarily withdraw from the Partnership without the prior written consent of the Limited Partner.

Section 10.6 Removal of General Partner and/or Special Limited Partner. The Limited Partner may remove the General Partner and/or Special Limited Partner for any of the following Events of Default in this Section 10.6.1, as applicable; provided, however, either Partner may be removed only as to its own default and not as to the default of the other Partner:

10.6.1 Events of Default.

(viii) The Project or the Partnership is substantially mismanaged and such mismanagement has a material adverse effect on the Partnership, the Project, or the Limited Partner; or

(x) The Partnership fails to achieve 80% of Projected Tax Credits to the Limited Partner with respect to any calendar year; or

(xii) The General Partner fails to remove the Accountant and replace it with an accountant that is approved by the Limited Partner in accordance with the requirements of Section 8.6.3 hereof; or

(xiii) Any payment required to be made to the Limited Partner or the Partnership by the General Partner or Special Limited Partner pursuant to Sections 6.4.6(i), 6.4.6(ii), and Section 6.9 is not timely made by or on behalf of the General Partner or Special Limited Partner or any guarantor of such obligation; or

10.6.2 Effectiveness. Prior to removing and replacing the General Partner
or Special Limited Partner for an Event of Default, the Limited Partner shall give the
General Partner or Special Limited Partner reasonable prior written notice setting forth in
detail the Event of Default(s) providing the basis for such possible removal and a
reasonable opportunity (as determined by the Limited Partner in its discretion) to cure
such default(s); provided, however, that no opportunity to cure such default(s) shall be
given where the extent or nature of the default is such that there is a likelihood of
material loss, liability, or prejudice to the Partnership or the Limited Partner, or both,
from any delay in removal and replacement. If the grounds for removal justify an
immediate removal under the preceding sentence, such removal shall be effective upon
the delivery of a notice thereof to the specified address in accordance with Section 12.1
hereof. Under all other circumstances, such removal shall be effective only after:

(i) failure by the General Partner or Special Limited Partner to cure
the default(s) set forth in the notice of removal within the prescribed cure period,

(ii) a decision by the Limited Partner, in its sole and reasonable
discretion, to remove the General Partner or Special Limited Partner, and

(iii) the Limited Partner provides the General Partner or Special
Limited Partner with written notice of its removal as General Partner or Special
Limited Partner, with a copy to the Special Limited Partner, which notice shall
specify the date on which such removal shall become effective.

Notwithstanding such removal, the General Partner or Special Limited Partner, as applicable,
shall remain liable to the Partnership and the Limited Partner for (i) all obligations and liabilities
(including, without limitation, its obligations to make any payments pursuant to Sections 6.4.6(i),
6.4.6(ii), 6.4.6(iii), and Section 6.9 of this Partnership Agreement and liabilities resulting from
any breach of any of the representations and warranties set forth in Section 6.3 of this
Partnership Agreement) incurred by it as a General Partner or Special Limited Partner before the
effective date of such removal but is free of any obligations and liabilities incurred on account of
Partnership activities from and after the time of such removal and (ii) all damages and other
amounts recoverable or payable hereunder or under applicable law by or to the Partnership or the
Limited Partner or Special Limited Partner as a result of the occurrence of the event giving rise
to such removal. From and after delivery of notice of such removal, the Partnership shall have
no obligation to make any further payments to the Partner or its Affiliates for fees that would
otherwise be due and payable pursuant to this Partnership Agreement, any other agreement
entered into by the Partnership and the Partner or any Affiliate thereof, or in connection with the
performance of the Partner’s obligations hereunder.
10.6.3 Waiver. Any forbearance by the Limited Partner in exercising any right or remedy under this Section 10.6 or any other provision in this Partnership Agreement or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any other right or remedy, or the subsequent exercise of any right or remedy. The enforcement by the Limited Partner of any right herein shall not constitute an election by the Limited Partner of remedies so as to preclude the exercise of any other right available to the Limited Partner.

Section 10.7 Nominee’s Enforcement Powers. If the Limited Partner holds bare legal title, as nominee, to its Partnership Interest and transfers the beneficial interests in the Limited Partner’s Partnership Interest to one or more Persons, the General Partner hereby acknowledges and agrees that the Limited Partner, in its capacity as nominee, shall be entitled to exercise all rights and remedies reserved to the Limited Partner under this Partnership Agreement, including without limitation, the right to bring any legal action to enforce the General Partner’s obligations hereunder.
ARTICLE 11: DISSOLUTION, WINDING UP AND TERMINATION

Section 11.1 Dissolution. The Partnership will dissolve upon the occurrence of any of the following events:

11.1.1 The expiration of the term of the Partnership’s existence;

11.1.2 The sale or other disposition of all or substantially all of the Partnership Property and the Partnership’s receipt of all or substantially all of the proceeds therefrom;

11.1.3 The Partners’ mutual election to dissolve the Partnership;

11.1.4 The failure of the Limited Partner to agree in writing at the time and in the manner provided in Section 10.3 hereof to the continuation of the business of the Partnership and the appointment of a new General Partner upon the occurrence of an Involuntary Transfer of the last remaining General Partner’s Partnership Interest or the removal of the General Partner; or

11.1.5 The Limited Partner’s election pursuant to Section 10.2 hereof to dissolve the Partnership upon the occurrence of an Involuntary Transfer of a General Partner’s Partnership Interest, notwithstanding the fact that one or more other General Partner is in existence at such time.

11.1.6 The Limited Partner’s withdrawal pursuant to Section 9.8 or exercise of its put right pursuant to Section 9.9, unless the General Partner admits one or more substitute limited partners to the Partnership within ninety (90) days after the Limited Partner’s withdrawal or exercise of its put right.

Section 11.2 Winding Up and Termination. Upon the dissolution of the Partnership, the affairs and business of the Partnership will be wound up and terminated, the Partnership’s liabilities discharged and the Partnership Property liquidated and distributed in the manner hereinafter described. A reasonable time will be allowed for the orderly winding up of the affairs and business of the Partnership so as to enable the Partnership to minimize the normal losses attendant to the winding up and termination period. The winding up and termination of the affairs and business of the Partnership shall be supervised and conducted by the Liquidation Manager. The Liquidation Manager has the exclusive power and authority to act on behalf of the Partnership to wind up and terminate the affairs and business of the Partnership, to sell and convey the Partnership Property to such Persons (including, without limitation, any Partner or any Affiliate thereof) for such consideration and upon such terms and conditions as it deems necessary or appropriate, to discharge the Partnership’s liabilities, to establish any reserves that it deems necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership, and to distribute the liquidation proceeds in the manner hereinafter described.

Upon completion of the winding up of the affairs and business of the Partnership, the liquidation proceeds will be distributed by the Liquidation Manager in the following manner and order of priority:

11.2.1 First, such liquidation proceeds will be applied to the payment of debts and liabilities of the Partnership (excluding any loans the General Partner or its Affiliates
made pursuant to Section 6.4.6(i), 6.4.6(ii), and/or 6.4.6(iii) hereof and the Guaranty Agreement and any unpaid Development Fee) and the payment of expenses of the winding up of the affairs and business of the Partnership;

11.2.2 Second, such liquidation proceeds will be applied to the setting up of any reserves (to be held by the Liquidation Manager in an interest-bearing account) which the Liquidation Manager may deem necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership; provided, however, that at the expiration of such time as the Liquidation Manager deems necessary or appropriate, the balance of such reserves remaining after payment of such liabilities or obligations will be distributed by the Liquidation Manager in the manner hereinafter set forth in this Section 11.2; and

11.2.3 Third, such liquidation proceeds will be paid to satisfy debts and liabilities owed to Partners and their Affiliates described in Section 5.2.1 hereof and in accordance with the priority set forth therein; and

11.2.4 Fourth, such liquidation proceeds will be distributed in compliance with Section 1.704-1(b)(2)(ii)(b)(2) of the Regulations to the Partners in accordance with their positive Capital Accounts, after giving effect to all contributions, distributions and allocations for all periods, including, without limitation, the allocations to be made under Section 4.2.13 hereof.

Section 11.3 Compliance with Liquidation Requirements of Regulations. If the Partnership is “liquidated” within the meaning of 1.704-1(b)(2)(ii)(g) of the Regulations, then:

11.3.1 Distributions will be made pursuant to Section 11.2 hereof (if such “liquidation” constitutes a dissolution and termination of the Partnership) to the Partners who have positive balances in their Capital Accounts in compliance with Section 1.704 1(b)(2)(ii)(b)(2) of the Regulations;

11.3.2 If a General Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including, without limitation, the taxable year in which such liquidation occurs), then such General Partner will contribute to the capital of the Partnership the amount necessary to restore the balance in its Capital Account to zero;

11.3.3 If a Limited Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including, without limitation, the taxable year in which such liquidation occurs), then such Limited Partner will contribute to the capital of the Partnership the lesser of (1) such deficit balance in its Capital Account or (2) the limited dollar amount, if any, of its Capital Account deficit which the Limited Partner has expressly agreed in writing to restore to the capital of the Partnership pursuant to Section 11.4 hereof; and

11.3.4 Any such contribution by a Partner shall be made on or before the later of (1) the end of the taxable year of the “liquidation” or (2) ninety (90) days after the date of the “liquidation”.
Notwithstanding anything to the contrary contained in this 11.3, in the event the Partnership is “liquidated” within the meaning of Section 1.704-1(b)(2)(ii)(g) of the Regulations, but such “liquidation” does not constitute a dissolution and termination of the Partnership pursuant to this Partnership Agreement, then no distributions shall be made pursuant to Section 11.2 hereof. Instead, the Partnership shall be deemed to have distributed the Partnership Property in kind to the Partners, who shall be deemed to have assumed and taken subject to all Partnership liabilities, all in accordance with their respective Capital Accounts. Immediately thereafter, the Partners shall be deemed to have recontributed the Partnership Property in kind to the Partnership, which shall be deemed to have assumed and taken subject to all such liabilities.

Section 11.4 Rights and Obligations of Limited Partner Upon Dissolution. Except as otherwise expressly provided in Section 11.3.2 hereof, the Limited Partner shall look solely to the assets of the Partnership for the return of its Capital Contribution. Except as otherwise elected by the Limited Partner pursuant to this Section 11.4, the Limited Partner and Special Limited Partner shall not have any obligation to restore any deficit in their Capital Accounts upon the liquidation of the Partnership. Notwithstanding anything to the contrary contained in this Partnership Agreement, the Limited Partner and Special Limited Partner may from time to time elect to be obligated to restore a deficit in their Capital Accounts up to a limited dollar amount. Such election shall be made by the delivery of a written notice of election to the General Partner no later than April 15 following the taxable year for which such election is to be effective and shall specify the dollar amount of the deficit in its Capital Account that the Limited Partner or the Special Limited Partner agrees to restore. Such election shall be irrevocable and shall be binding on subsequent transferees of the Limited Partner’s or the Special Limited Partner’s Partnership Interest.

Section 11.5 Waiver of Partition. Each Partner hereby waives any right to partition or cause a partition of the Partnership Property.

Section 11.6 Final Accounting. The Liquidation Manager shall furnish each of the Partners with a statement setting forth the assets and liabilities of the Partnership as of the date of the completion of the winding up and termination of the affairs and business of the Partnership. Upon completion of the distribution plan set forth in this Article 11, the Liquidation Manager shall cause to be executed by the appropriate parties and filed in such public offices as shall be required under the Act a cancellation of the Certificate of Formation, or any amendment thereto, of the Partnership and any and all other documents which the Liquidation Manager deems necessary or appropriate to effect the dissolution and termination of the Partnership.

Brad – unfortunately NEF cannot provide permission to accommodate 811 units in NEF’s existing projects. The attached letter details the reasoning.

If you have any questions or need anything further, please let me know.

Thank you – Jason

Re: Churchill’s 811 Eligible Properties

Dear Mr. Forslund:

National Equity Fund (“NEF”) serves as the Limited Partner and LIHTC investor in five LIHTC properties that are operated by Churchill Residential (“Churchill”) and are eligible for the Section 811 Project Rental Assistance Program (“811”). The five properties are as follows:

- Evergreen at Morningstar – 6245 Morning Star Dr. The Colony, TX
- Churchill at Champions Circle – 3424 Outlet Blvd. Fort Worth, TX
- Evergreen at Vista Ridge – 455 Highland Dr. Lewisville, TX
- Evergreen at Arbor Hills – 2314 Parker Rd. Carrollton, TX
- Evergreen at Rowlett – 5611 Old Rowlett Rd. Rowlett, TX

Churchill has brought to NEF’s attention an inquiry to add 811 units to these existing properties. NEF has a responsibility to its investors to maintain the initial underwriting, operational, and risk profile of these projects contemplated at closing and thus we respectfully deny this request as it would present significant challenges for each project’s stakeholders. NEF’s denial is based on the following:

1. NEF’s LPA Requires Consent to Alter a Project’s Unit Mix/Restrictions for all 5 Churchill projects listed above – To use Evergreen at Rowlett as an example, stated in the Limited Partnership Agreement (LPA) under Section 6.2 Restrictions of GP’s Authority:

   Notwithstanding anything to the contrary contained in this Partnership Agreement, neither the General Partner nor the Special Limited Partner shall have the authority to take any of the actions set forth below without the prior written consent of the Limited Partner and the General Partner shall not have the authority to seek the Limited Partner’s consent if the Special Limited Partner has not previously consented to such action:

   6.2.1 Do any act in contravention of or inconsistent with this Partnership Agreement or any other agreement to which the Partnership is a party (including, without limitation, those relating to the Project Documents, Construction Loan, Permanent Loan and Subordinate Cash Flow Loans);
The documents referenced above spell out the various rent set asides, tenant targeting, operating revenues and expenses, etc. associated with the property – incorporating 811 units constitutes as a change to those documents and thus legally requires NEF’s written approval.

2. Economic Risk – currently none of the Churchill properties listed above include project based vouchers; it would take significant costs to train management, compliance, and accounting personnel to accommodate 811 vouchers as Churchill manages their own properties and thus cannot leverage the knowledge of a larger, third party property management firm. These additional upfront and on-going costs were not initially contemplated and underwritten at project closing. NEF recognizes that the 811 program provides subsidized rents that could potentially offset some or all of these costs; however, that determination would require an in-depth analysis (and potentially revised third party reports such as market study and appraisal) which would incur investor/lender costs that are in addition to the added on-going costs at the property level.

3. Operational Risk – The 5 properties above are stable, well performing communities with an active tenant base – 4 of the 5 are senior properties. These tenants are demanding, informed, and organized. It is unclear to NEF how the current tenant base will react to the potential of 811 tenants that were not contemplated when they made the decision to lease. The risk of increased tenant concerns and turnover is real even if the actual risk posed by 811 tenants is not.

To be clear, NEF does not have any issue with the 811 program and respects its purpose/mission as a worthy one. NEF plans to participate in many Texas communities going forward that include 811 units and NEF and the project’s stakeholders will have the ability to underwrite the program’s operational and economic implications at closing. However, it is extremely difficult and risky for NEF to recommend to our investors a significant change in unit restrictions, tenant targeting, economics, and operations after closing.

Please let me know if you have any questions regarding this matter.

Sincerely,

Jason Aldridge

Upon any such withdrawal, the Partnership shall (i) immediately return to the Limited Partner all Capital Contributions actually made to the Partnership by the Limited Partner, plus all expenses reasonably incurred by the Limited Partner in connection with entering into and withdrawing from the partnership, and (ii) execute and file a release of the Limited Partner’s UCC Financing Statement securing its Capital Contribution obligation, the Partners shall execute an amendment to the Partnership Agreement, and the General Partner shall execute, file, and record, as applicable, an amendment to the Partnership’s Certificate of Formation, reflecting the withdrawal of the Limited Partner and the release of all of the Limited Partner’s obligations and liabilities in connection with the Partnership, all of the foregoing documents to be in form and content satisfactory to the Limited Partner. Notwithstanding any failure or delay in such execution and delivery, however, the Partnership Agreement shall be deemed to have been amended in accordance with the provisions of this Section 3.9 once the Limited Partner has provided the General Partner with written notice of its intent to withdraw. Nothing herein shall be construed to diminish any of the General Partner’s obligations under the Partnership Agreement to issue final accounting and tax reports to the Limited Partner for all periods prior to its withdrawal and in which its withdrawal occurred.
ARTICLE 4: ALLOCATION OF PROFITS, LOSSES AND TAX CREDITS

Section 4.2 Special Allocations. Notwithstanding anything to the contrary contained in Section 4.1, the following special allocations in all events apply in determining the allocation of Profits and Losses among the Partners and are made prior to the allocations required under Section 4.1:

4.2.1 Depreciation and Tax Credits.

(i) Depreciation (cost recovery) deductions and Tax Credits are allocated 0.005% to the General Partner, 0.005% to the Special Limited Partner and 99.99% to the Limited Partner.

(ii) Any recapture of Tax Credits is allocated to the Partners that were allocated (or whose predecessors-in-interest were allocated) the depreciation/cost recovery deduction and Tax Credits associated therewith.

4.2.2 Limitation on Allocations of Losses. To the extent the allocation of any Losses to a Limited Partner would cause that Limited Partner to have an Adjusted Capital Account Deficit at the end of any Fiscal Year of the Partnership, then those Losses will not be allocated to that Limited Partner, but rather will be specially allocated to the General Partner.

4.2.3 Profit Chargeback. To the extent any Losses are allocated to the General Partner in accordance with Section 4.2.2 above, then Profits will thereafter first be specially allocated to the General Partner in proportion to and in an amount (1) up to but not exceeding the amount of any such allocations of Losses made to the General Partner under such Section 4.2.2, but (2) not to the extent that Losses would be allocated to the Limited Partner in excess of the amount permitted by such Section 4.2.2.

4.2.4 Partnership Minimum Gain Chargeback. Notwithstanding any other provision of this Article 4, if there is a net decrease in Partnership Minimum Gain during any Partnership Fiscal Year, then each Partner will be specially allocated items of Partnership income or gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to the portion of such Partner's share of the net decrease in the Partnership Minimum Gain (determined in accordance with Section 1.704-2(g) of the Regulations). Any allocations made pursuant to this Section 4.2.4 are to be made in
proportion to the respective amounts required to be allocated to each of the Partners pursuant thereto. The items of Partnership income or gain specially allocated under this Section 4.2.4 are to be determined in accordance with Section 1.704-2(f) of the Regulations. This Section 4.2.4 is intended to comply with the minimum gain chargeback requirements of Section 1.704-2(f) of the Regulations and will be interpreted consistently therewith.

4.2.5 Partner Minimum Gain Chargeback. Notwithstanding any other provision of this Article 4 (except Section 4.2.4), if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any Partnership Fiscal Year, then each Partner who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt (as determined in accordance with Section 1.704-2(i)(5) of the Regulations) will be specially allocated items of Partnership income and gain for such Fiscal Year (and if necessary, subsequent Fiscal Years) in an amount equal to the portion of such Partner's share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt (as determined in accordance with Section 1.704-2(i)(4) of the Regulations). Any allocations made pursuant to this Section 4.2.5 will be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items of Partnership income or gain specially allocated under this Section 4.2.5 will be determined in accordance with Section 1.704-2(i)(4) of the Regulations. This Section 4.2.5 is intended to comply with the minimum gain chargeback requirements of Section 1.704-2(i)(4) of the Regulations and will be interpreted consistently therewith.

4.2.6 Qualified Income Offset. If a Limited Partner unexpectedly receives any adjustments, allocations, or distributions described in Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, then items of Partnership income or gain will be specially allocated to that Limited Partner in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of that Limited Partner as quickly as possible. The special allocations required pursuant to this Section 4.2.6 are made only if and to the extent that that Limited Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 4 have been tentatively made as if this Section 4.2.6 were not in the Partnership Agreement. This Section 4.2.6 is intended to comply with the qualified income offset requirements of Section 1.704-1(b)(2)(ii)(d) of the Regulations and will be interpreted consistently therewith.

4.2.7 Gross Income Allocation. If a Limited Partner has a deficit balance in its Capital Account at the end of any Partnership Fiscal Year which exceeds the sum of (1) the amount that Limited Partner is obligated to restore pursuant to any provision of this Partnership Agreement and (2) the amount that Limited Partner is deemed to be obligated to restore pursuant to the penultimate sentences of Section 1.704-2(g)(1) and Section 1.704-2(i)(5) of the Regulations, then that Limited Partner will be specially allocated items of Partnership income or gain in the amount of such excess as quickly as possible. The special allocations required pursuant to this Section 4.2.7 are made only if and to the extent that that Limited Partner would have a deficit Capital Account in excess of the aforementioned sum after all of the allocations provided for in this Article 4 have
been tentatively made as if Section 4.2.6 and this Section 4.2.7 were not in the Partnership Agreement.

4.2.8 **Nonrecourse Deductions.** Nonrecourse Deductions are specially allocated among the Partners in accordance with the same percentages set forth in Section 4.1 with respect to Profits and Losses.

4.2.9 **Partner Nonrecourse Deductions.** Partner Nonrecourse Deductions are specially allocated to the Partner who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Section 1.704-2(i) of the Regulations.

4.2.10 **754 Adjustment.** To the extent an adjustment to the adjusted tax basis of any Partnership Property undertaken pursuant to Section 734(b) or 743(b) of the Code is required to be taken into account in determining the Capital Accounts of the Partners under Section 1.704-1(b)(2)(iv)(m) of the Regulations, then the amount of such adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss will be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to the aforementioned section of the Regulations.

4.2.11 **Imputed Interest.** To the extent the Partnership has taxable interest income with respect to any Capital Contribution pursuant to Section 483 or Sections 1271 through 1288 of the Code, then (i) such interest income will be specially allocated to the Partner to whom such Capital Contribution relates, and (ii) the amount of such interest income will be excluded from the Capital Contributions credited to such Partner’s Capital Account in connection with the payments of principal with respect to such Capital Contribution.

4.2.12 **Curative Allocations.** The special allocations set forth in Section 4.2.4 through Section 4.2.9 are intended to comply with the requirements of Section 1.704-1(b) of the Regulations. These special allocations may lead to results, which are inconsistent with the Partners’ intentions concerning their sharing in Partnership distributions. Accordingly, the General Partner is hereby authorized and directed to specially allocate other items of Partnership income, gain, loss, and deduction among the Partners so as to prevent the special allocations required under Section 4.2.4 through Section 4.2.9 of this Section 4.2 from distorting the Partners’ understanding of the manner in which Partnership distributions are to be made to the Partners upon the dissolution and termination of the Partnership. In general, it is anticipated that the special allocations, if any, made under this Section 4.2.12 are made by specially allocating other items of Partnership income, gain, loss, and deduction among the Partners so that the sum of the special allocations made to each Partner pursuant to Section 4.2.4 through Section 4.2.9 of this Section 4.2 equals the sum of the special allocations made under this Section 4.2.4. In order to preserve its Capital Account to allow the allocation of Tax Credits to the Limited Partner in accordance with Section 4.2.1, the Limited Partner may select certain classes of deductions (but not depreciation deductions) to be allocated solely to
the General Partner. The Limited Partner shall notify the General Partner in writing no later than the due date (without extension) of the Partnership tax return for any fiscal year of the deductions to be allocated to the General Partner in this manner, and the General Partner and Limited Partner shall cause the Partnership Agreement to be amended to reflect the special allocation described in the preceding sentence. Such amendment shall be considered effective as of the first day of the year for which such return relates.

4.2.13 Matching Income Allocation of Income or Gain from Sales and Refinancing Proceeds. All items of Partnership income or gain arising from events resulting in Net Cash from Sales or Refinancings are allocated:

(i) first, as specified in Sections 4.2.4 through 4.2.7, Section 4.2.10 and Section 4.2.12 and Section 4.4.3 of this Partnership Agreement;

(ii) second, if after the allocation of Profits and Losses for the Fiscal Year in which the gain arose, any Limited Partner has a negative Capital Account balance, 99.99% to the Limited Partner, 0.005% to the Special Limited Partner, and 0.005% to the General Partner, until each Limited Partner’s negative Capital Account is equal to zero;

(iii) third, to any General Partner that has a negative Capital Account balance after the allocation of Profits and Losses for the Fiscal Year in which the gain arose, until its Capital Account balance is equal to zero;

(iv) fourth, 99.99% to the Limited Partner, 0.005% to the Special Limited Partner, and 0.005% to the General Partner, until each Limited Partner’s positive Capital Account balance equals any amount to be distributed to the Limited Partner pursuant to Section 5.2.1(i) and Section 5.2.1(ii); and

(v) fifth, to the Partners in accordance with the percentages specified in Section 5.2.2.

4.2.14 Grant Income. Any income recognized by the Partnership as a result of any receipt of grants by the Partnership shall be allocated 100% to the General Partner, provided that if the General Partner is (i) a tax-exempt entity within the meaning of Section 168(h)(2) of the Code, or (ii) a tax-exempt controlled entity within the meaning of Section 168(h)(6)(F)(ii) of the Code and has not made the election under Section 168(h)(6)(F) of the Code, the allocations to the General Partner under this Section 4.2 and Section 4.3 shall be limited to the highest percentage of the Partnership’s property treated as tax-exempt use property, as reflected in the Projections.

4.2.15 Special Adjustment. The special allocations in this Section 4.2.15 shall apply notwithstanding any provision of this Partnership Agreement to the contrary. Prior to making any special allocations set forth in this Section 4.2, items of expenses and other deductions (other than depreciation, amortization, cost recovery deductions and Nonrecourse Deductions) equal to the sum of the amount of any loans to the Partnership made by the General Partner or any of its Affiliates pursuant to or for the purposes described in Section 3.7 and Sections 6.4.6(i) and 6.4.6(ii) are specially allocated to the
General Partner in each tax year in which any such loan is made. Further, if any loans of the General Partner or its Affiliates are repaid by the Partnership from Cash Flow pursuant to Section 5.1(a), the General Partner shall be specially allocated an amount of gross income equal to the lesser of (i) the amount of such repayment, or (ii) the aggregate amount of expenses and deductions specifically allocated to the General Partner under this Section 4.2.15. If the General Partner is a “tax-exempt entity” within the meaning of Section 168(h)(2) of the Code, or a “tax-exempt controlled entity” within the meaning of Section 168(h)(6)(F)(iii) of the Code and has not made the election under Section 168(h)(6)(F)(ii) of the Code, the allocations to the General Partner under this Section 4.2.15 shall be limited to the highest percentage of the Partnership’s property treated as tax-exempt use property, as reflected in the Projections.

Section 4.3 Timing of Allocations. Except as otherwise expressly provided in this Partnership Agreement, all allocations of Profits, Losses, and Tax Credits are to be made as of the last day of each Fiscal Year of the Partnership.

Section 4.4 Other Allocation Rules. The following rules apply for the purpose of interpreting and applying the provisions of this Article 4 relating to the allocation of Profits, Losses, and Tax Credits among the Partners:

4.4.1 Excess Nonrecourse Liabilities. Solely for purposes of determining a Partner’s proportionate share of the excess nonrecourse liabilities of the Partnership within the meaning of Section 1.752-3(a)(3) of the Regulations, the Partners’ respective interests in Partnership Profits shall be those percentage interests set forth in Section 4.1 (determined without regard to Section 4.2).

4.4.2 Effect of Cash Distributions. To the extent permitted by Sections 1.704-2(h) and 1.704-2(i)(6) of the Regulations, the General Partner shall endeavor to treat distributions of Cash Flow as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such distributions would cause or increase an Adjusted Capital Account Deficit for any Limited Partner.

4.4.3 Recharacterization of Fee as Distribution. If any fee or portion thereof payable to any Partner or any Affiliate thereof is determined to be a nondeductible distribution from the Partnership to a Partner for federal income tax purposes, there will be allocated to such Partner an amount of gross income equal to such distribution.

Notwithstanding anything to the contrary in this Partnership Agreement, if the (i) Project Property was acquired from the General Partner or its Affiliate, and (ii) Projections reflect any amount of Tax Credits allocated in respect of the acquisition of the Project Property, then, except as set forth in the Code or the Treasury Regulations thereunder, the General Partner shall not be allocated nor shall the General Partner receive a distribution in excess of 45% of the Profits, Losses, or Cash Flow (except for payment of Development Fees or repayment of any General Partner loans) of the Partnership.
Section 4.5  **Tax Effect of Allocations.** Except as otherwise required under the second paragraph of this Section 4.5, the allocation of Profits, Losses, and Tax Credits to any Partner under this Article 4 is deemed an allocation to that Partner of the same proportionate part of each separate item of Partnership taxable income, gain, loss, deduction, or credit comprising such Profits, Losses, and Tax Credits, including, without limitation, any unrealized receivable or substantially appreciated inventory item under Section 751 of the Code. The Partners are aware of the income tax consequences of the allocations made pursuant to this Article 4 and hereby agree to be bound by the provisions of this Article 4 in reporting their respective shares of Partnership income, gain, loss, deduction, and credit for income tax purposes.

Notwithstanding anything to the contrary contained in this Article 4, income, gain, loss, deduction, and credit with respect to any Partnership Property contributed to the capital of the Partnership by any Partner is, solely for tax purposes, allocated among the Partners so as to take into account any variation between the adjusted tax basis of such Partnership Property to the Partnership for federal income tax purposes and the value assigned to such Partnership Property for the purposes of the computation of the Partners' Capital Accounts. If any revaluation of the Partnership Property is made by the General Partner (which revaluation may only be made with the consent of the Limited Partner) then any subsequent allocations of income, gain, loss, deduction, and credit with respect to such Partnership Property will take into account any variation between the adjusted tax basis of such Partnership Property for federal income tax purposes and the value assigned to such Partnership Property as a result of such revaluation. All allocations required under this paragraph of Section 4.5 are solely for purposes of federal, state, and local income taxes. These allocations do not affect and must not in any way be taken into account in computing any Partner's Capital Account or any Partner's share of Profits, Losses, Tax Credits or other items or distributions required or permitted to be made pursuant to any provision of this Partnership Agreement. This Section 4.5 is intended to conform to Section 704(c) of the Code.
ARTICLE 5: DISTRIBUTIONS

Section 5.1 Distribution of Cash Flow.

5.1.1 Cash Flow shall be paid, prior to the making of any distributions pursuant to Section 5.1.2 hereof, in the following order and priority:

(i) First, to the Limited Partner to the extent of any amount which the Limited Partner is entitled to receive in order to satisfy any amounts owed to it pursuant to Section 6.9 hereof;

(ii) Second, to the Asset Manager to pay any accrued and payable Asset Management Fees;

(iii) Third, to pay any accrued and unpaid principal and interest on loans made by the Limited Partner pursuant to Section 3.7;

(iv) Fourth, to the Operating Reserve Account until such time as such account is replenished up to the Operating Reserve Target Amount;

(v) Fifth, to the Developer to pay any unpaid balance on the Deferred Development Fee;

(vi) Sixth, to repay any accrued and unpaid principal and interest on loans made by the General Partner and Special Limited Partner, pro rata, pursuant to Section 3.7;

(vii) Seventh, to the General Partner (in the order of loans made, with earlier loans repaid in full before subsequent loans are repaid) to repay any amounts treated as loans to the Partnership (without interest) by the General Partner pursuant to Section 6.4.6(i) or 6.4.6(i)(a) and not yet repaid;

(viii) Eighth, to the payment of any then payable Cash Flow Debt Service Payments, in accordance with the applicable Loan Documents;

(ix) Ninth, until the end of the Compliance Period, 90% of the balance, if any, to be allocated 10% to the General Partner as an Incentive Partnership Management Fee and 90% to the Special Limited Partner as a Guaranty Procurement Fee, both on a non-cumulative basis, and thereafter as a distribution (in those same respective proportions) pursuant to Section 6.5.5 hereof.

5.1.2 After making the payments described in Section 5.1.1 hereof, the remaining Cash Flow, if any, shall be distributed to the Partners in accordance with the following percentages:
General Partner 0.005%
Special Limited Partner 0.005%
Limited Partner 99.990%
Total 100.000%

Notwithstanding any other provision of this Section 5.1 to the contrary for each Fiscal Year a sufficient amount of Cash Flow shall be distributed to the Limited Partner such that, when such distribution is added to all other distributions of Cash Flow made to the Limited Partner with respect to such Fiscal Year, the Limited Partner will have received an amount of Cash Flow equal to at least 10% of all Cash Flow which remains after repayment of the loans referred to in Section 5.1.1(vii) with respect to such Fiscal Year.

Section 5.2 Net Cash from Sales and Refinancings. Except as otherwise provided in Article 11 of this Partnership Agreement (pertaining to the liquidation and dissolution of the Partnership), Net Cash from Sales and Refinancings shall be paid or distributed to the Partners as provided in this Section 5.2.

5.2.1 Payments. Net Cash from Sales and Refinancings and any unutilized Operating Reserves shall be paid in the following order and priority:

(i) First, to the Limited Partner to the extent of any amount which the Limited Partner is entitled to receive in order to satisfy any amounts owed to it pursuant to Section 6.9;

(ii) Second, to the Limited Partner an amount equal to the amount of taxes which will be imposed upon the Limited Partner as a result of the sale or refinancing, assuming that the Limited Partner is subject to the highest marginal federal, state and local income tax rates in effect at such time for corporations;

(iii) Third, to pay any accrued and unpaid principal and interest on loans made by the Limited Partner pursuant to Section 3.7;

(iv) Fourth, to the payment of current and accrued Asset Management Fees, if outstanding;

(v) Fifth, to the Developer to pay any unpaid balance, if any, on the Deferred Development Fee;

(vi) Sixth, to the Asset Manager the Disposition Fee;

(vii) Seventh, to repay any accrued and unpaid principal and interest on loans made by the General Partner and Special Limited Partner, pro rata, pursuant to Section 3.7; and

(viii) Eighth, to the General Partner (in the order of loans made, with earlier loans repaid in full before subsequent loans are repaid) to repay any amounts treated as loans to the Partnership (without interest) by the General Partner pursuant to Section 6.4.6(i) or 6.4.6(i)(a), and not yet repaid.
5.2.2 **Distributions.** After making the payments specified in Section 5.2.1 hereof, the balance of Net Cash from Sales and Refinancings, if any, shall be distributed 10% to the Limited Partner, 81% to the Special Limited Partner and 9% to the General Partner.

Section 5.3 **Timing of Distributions.** Distributions of Cash Flow shall be made annually within 90 days after the end of each Fiscal Year of the Partnership. The determination of the amount of Cash Flow distributable annually to the Partners under this Article 5 shall be based upon the state of facts existing on the last day of each Fiscal Year of the Partnership.

Section 5.4 **Treatment of Distributions.** Distributions to a Partner of Cash Flow are considered draws against such Partner’s allocable share of the Partnership’s Profits and Losses.

Section 5.5 **Failure to Make Tax Elections.** Notwithstanding anything to the contrary in this Article 5 or Article 4, if the General Partner is required to make the election pursuant to Section 168(h)(6)(F)(ii) of the Code and the election to be taxed as a corporation for Federal income tax purposes but fails to properly do so within the timeframe set forth in this Agreement, then the General Partner shall not be entitled to (i) any distributions under this Article 5 (except for the payment of any Development Fee or repayment of any General Partner loans) in excess of 0.005% of the Cash Flow or (ii) any Profit and Loss allocation under Article 4 (except as required under Section 704 of the Code or the Regulations thereunder) in excess of 0.005%.
ARTICLE 6: POWERS, RIGHTS AND DUTIES OF GENERAL PARTNER

Section 6.1 Management of Partnership. The Partnership is managed by the General Partner, who exercises full and exclusive control over the affairs of the Partnership, subject, however, to the limitations on its authority set forth in this Partnership Agreement (including, without limitation, Section 6.2 and Section 6.3); and provided, however the General Partner acknowledges that, until the Compliance Period has expired, the Special Limited Partner and its Affiliates will have guarantee obligations and the risks and rewards associated therewith will depend on the management decisions made in connection with the Project, and accordingly, the General Partner will keep the Special Limited Partner informed of the Partnership business and affairs, and will provide the Special Limited Partner with access to the books and records relating to the Partnership and will regularly meet with and obtain input from the Special Limited Partner. The General Partner is under a fiduciary duty to conduct and manage the affairs of the Partnership in a prudent, businesslike, and lawful manner and will devote such part of its time to the affairs of the Partnership as is deemed necessary and appropriate to pursue the business and carry out the purposes of the Partnership as contemplated in this Partnership Agreement. The General Partner shall use its best efforts and exercise good faith in all activities related to the business of the Partnership. The General Partner shall perform services in connection with the acquisition of the Project Property, including, if applicable, negotiating the purchase agreement with the seller of the Project Property, acting on behalf of the Partnership with federal, state and local authorities with respect to the Project Property, monitoring compliance with zoning, land use and other requirements with respect to the Project Property, and preparing or causing to be prepared such third-party studies as it deems necessary in connection with the acquisition of the Project Property.

6.1.1 Notwithstanding any provision of this Partnership Agreement or the Development Fee Agreement to the contrary, during the Compliance Period the General Partner shall materially participate (within the meaning of Section 469(h) of the Code and Treasury Regulations promulgated thereunder) in the development and operation of the Project. The General Partner shall devote such time and effort as necessary to assist the Developer in the development of the Property and the Project and to operate the Property and the Project. During the development of and throughout the Compliance Period for the Project, the sole member of the General Partner shall maintain its federal tax exempt status and take such other actions under Section 42(h)(5)(c) of the Code to qualify as a qualified non-profit organization. The General Partner acknowledges that the Limited Partner is relying on the General Partner's or its sole member's participation and involvement in the Project to accomplish the development and operation of the Project. The General Partner will keep reasonable records of its hours spent participating in the Project and shall make such records available to the Limited Partner upon request.

6.1.3 Construction of the Project. The sole member of the General Partner shall act as the Contractor in addition to its duties and responsibilities as sole member of the General Partner. The General Partner or Sponsor shall engage in the following activities during the construction phase of the Project:

6.1.4 Operation of the Project. The General Partner shall materially participate in all aspects of operating the Project. As stated above the sole member of the General Partner of the Partnership is a Qualified Non-profit. Notwithstanding anything to the contrary contained herein, the General Partner, or its sole member shall engage in the following activities throughout the Compliance Period:

(i) attempt to obtain grants and other subsidies from private institutions such as foundations and public entities to be used to subsidize rents for residents of the Project or otherwise reduce expenses of operations or provide amenities to the Project;

(ii) attempt to obtain development cost subsidies and rebates for the Project and residents thereof and attempt to obtain other affordable housing subsidies that will result in reduced rents for residents of the Project;

(iii) determine the particular requirements of low income families, and the manner in which the Project can be developed in a cost effective manner to best serve such needs;

(iv) consult with the Limited Partner and Special Limited Partner as requested on any matters regarding the Project and the surrounding community;

(v) use its best efforts to provide social services to the residents of the Project;
(vi) identify an appropriate package of services to be delivered to the residents of the Project based on the demographic profile of the anticipated resident community, and ultimately the actual resident community.

(vii) coordinate, on behalf of the Partnership, all relations with outside social service entities for delivery of services to the residents and coordinate with local service agencies, including housing authorities, welfare and social services departments, churches and other organizations operating for the purpose of assisting the needy, to advise such agencies about the availability of the Project as desirable housing for low-income families, and promote and encourage such agencies to refer potential tenants to the Project;

(xv) ensure that the Project is developed and operated as a low-income housing project in accordance with Section 42 of the Code and all rules and regulations;

(xvi) prepare, review and approve any changes to the project's marketing plan or management plan;

(xvii) perform all of its duties as the General Partner of the Partnership; and
the General Partner shall require that the Sponsor comply with all requirements to provide an ad valorem tax exemption to the Project pursuant to Section 11.1825 of the Texas Tax Code.

The General Partner acknowledges that (i) the amount of the Incentive Partnership Management Fee, of which it receives 10% of the total, is contingent upon the success of the Project, including the General Partner’s successful performance of the services listed herein; (ii) the General Partner has not been promised any definitive amount for the payment of the Incentive Partnership Management Fee; and (iii) it is aware that if the Project performs poorly it may not receive any payment pursuant to the conditions for payment of the Incentive Partnership Management Fee.

Section 6.2 Restrictions on General Partner’s Authority. Notwithstanding anything to the contrary contained in this Partnership Agreement, neither the General Partner nor the Special Limited Partner shall have the authority to take any of the actions set forth below without the prior written consent of the Limited Partner and the General Partner shall not have the authority to seek the Limited Partner’s consent if the Special Limited Partner has not previously consented to such action:

6.2.1 Do any act in contravention of or inconsistent with this Partnership Agreement or any other agreement to which the Partnership is a party (including, without limitation, those relating to the Project Documents, Construction Loan, Permanent Loan, and Subordinate Cash Flow Loans);

6.2.2 Do any act making it impossible to carry on the ordinary business of the Partnership;

6.2.3 Initiate any litigation or administrative proceedings on behalf of the Partnership (other than proceedings initiated in the ordinary course of the Partnership’s business such as evictions) or confess a judgment against the Partnership;

6.2.4 Use Partnership Property or assign rights in specific Partnership Property for other than a Partnership purpose;

6.2.5 Sell or otherwise transfer any interest in the Project Property or a material asset of the Partnership (other than leases of Residential Units or, where applicable, commercial space, in the ordinary course of the Partnership’s business, and a transfer pursuant to Article 9 below);

6.2.6 Incur any debt or liability (or enter into any agreement resulting in any such debt or liability being incurred) on behalf of the Partnership (i) that is not in ordinary course of the Partnership’s business or (ii) any debt or liabilities in the ordinary course of the Partnership’s business, in excess of $25,000.00 other than the Construction Loan, the Permanent Loan and the Subordinate Cash Flow Loans, and those liabilities (or agreements relating thereto) which have been disclosed to and approved in writing by the Limited Partner and the Special Limited Partner, provided, however, that in all events a Project loan or other form of financing that is secured by a mortgage, deed of trust, trust
deed or other security instrument encumbering the Project or any interest therein, including without limitation any refinancing of any existing Project debt, shall be subject to the prior written approval of the Limited Partner;

6.2.7 Acquire any interest in real property or acquire any item of personal property on behalf of the Partnership having a purchase price of more than $10,000.00, unless such acquisition is part of the development budget or annual operating budget that has been approved in writing by the Limited Partner;

which shall include, but not be limited to, providing to each Project lender the names, addresses, tax identification numbers and/or such other identification information concerning the Partnership, the General Partner, the Special Limited Partner, any of their respective Affiliates, the Sponsor, or the Guarantor, as shall be necessary for each Project lender to comply with federal law;

6.3.55 The General Partner shall cause the Accountant to prepare the Partnership's financial statement in accordance with GAAP and to comply with any instructions received from the Limited Partner concerning depreciation periods to be used for real and personal property in accordance with GAAP.

6.3.56 No Foreign Drywall was used or will be used in the construction and/or rehabilitation of the Project;

6.3.57 The General Partner shall deliver to the Limited Partner within 30 days of the date first set forth above, the Owner's Title Insurance Policy;

6.3.58 The General Partner shall (i) cause the Partnership to pay, on or prior to any applicable due date related thereto, any and all taxes, fees, and impositions, including but not limited to, transfer taxes, stamp taxes, and other related costs or charges incurred by or to be incurred by the Partnership in connection with the acquisition, either in fee simple or through a leasehold interest, of the land underlying the Project Property; and (ii) promptly deliver to the Limited Partner satisfactory evidence of such payments, including but not limited to, any state and/or local transfer tax declarations; provided, however, that if the acquisition, either in fee simple or through a leasehold interest, of the land underlying the Project Property is exempt from any such aforementioned taxes, then the General Partner's counsel shall deliver a letter to the Limited Partner (and its successors and/or assigns) setting forth the basis of such exemption, which shall also include a copy of any filings required to support such exemption;

6.3.59 To the extent not inconsistent with the Loan Documents and unless otherwise directed in writing by the Limited Partner, the General Partner shall promptly apply all proceeds of insurance and condemnation awards to the restoration and rebuilding of the Project, provided that such proceeds shall be applied in accordance with (i) all requirements of any applicable laws, rules, regulations, and ordinances, and (ii) plans and specifications previously approved by the Limited Partner;

6.3.60 The aggregate Projected Tax Credits applicable to the Project which are anticipated to be available to the Partnership for the Credit Period is $15,000,000;

6.3.61 The General Partner has made the Section 168(h)(6) Election and the election to be taxed as a corporation in the manner and within the timeframes described by the Accountant in the Accountant's Section 168(h) Certificate.

6.3.62 If the General Partner is required by the terms of this Agreement to make an additional Capital Contribution in the performance of its obligations hereunder, the General Partner shall give the Limited Partner ten business days prior written notice.
and the Limited Partner shall have the right, based on the advice of its tax counsel, to provide written direction to the General Partner within such ten business day period confirming that the action to be taken shall be structured as the making of a Capital Contribution or redirecting the General Partner to structure the action as a loan to the Partnership in the same amount in lieu of a Capital Contribution. The General Partner agrees to abide by such direction from the Limited Partner, provided that if the Limited Partner fails to respond to the General Partner’s notice within such ten business day period, the General Partner may proceed to satisfy its obligations by making the additional Capital Contribution in accordance with the terms of this Partnership Agreement; and

6.3.63 The General Partner hereby represents and warrants as follows:

(i) The General Partner shall not engage, has not engaged and does not engage, in any business other than being the General Partner of the Partnership;

(ii) The General Partner shall not enter into and has not entered into any contract or agreement with any affiliate of the General Partner, any constituent party of the General Partner, or any affiliate of any constituent party, except upon terms and conditions that are intrinsically fair and substantially similar to those that would be available on an arm’s length basis with third parties other than any such party;

(iii) To the extent that the General Partner and any of its Affiliates: (a) occupy any premises in the same location; (b) share the same officers and other employees; (c) jointly contract or do business with vendors or service providers or share overhead expenses; and (d) contract or do business with vendors or service providers where the goods or services are wholly or partially for the benefit of its Affiliates, the General Partner, to the extent that the General Partner is liable for any such expenses, has and shall always allocate fairly, appropriately and nonarbitrarily any expenses and costs among and between such entities with the result that each entity bears its fair share of all such rent and expenses;

(iv) The General Partner has and shall continue to pay its debts and liabilities from its own assets as the same shall become due; provided, however, that the foregoing shall not be construed as a guaranty of the Partnership’s obligations except as expressly provided in this Partnership Agreement. No Affiliate has paid any debts or liabilities on behalf of the General Partner;

(v) The General Partner has and shall continue to maintain books, financial records and bank accounts that are separate and distinct from the books, financial records and bank accounts of any other Person including any Affiliate;

(vi) The General Partner has and shall continue to maintain separate annual financial statements prepared in accordance with GAAP, showing its assets and liabilities separate and distinct from those of any other entity; in the
event the financial statements of the General Partner are consolidated with the financial statements of any other entity, the General Partner has and shall continue to cause to be included in such consolidated financial statements: (a) a narrative description of the separate assets, liabilities, business functions, operations and existence of the General Partner to ensure that such separate assets, liabilities, business functions, operations and existence are readily distinguishable by any entity receiving or relying upon a copy of such consolidated financial statements; and (b) a statement that the General Partner’s assets and credit are not available to satisfy the debts of such other entity or any other person;

(vii) The General Partner has and shall continue to file its own tax returns and pay its own taxes required to be paid under applicable law;

(viii) The General Partner has and shall continue to (a) hold itself out as an entity separate and distinct from any other Person; (b) not identify itself or any of its Affiliates as a division or part of the other; (c) correct any known misunderstanding regarding its separate status; and (d) use separate stationery, invoices, checks, and the like bearing its own name;

(ix) The General Partner has and shall continue to conduct its business in its own name so as to avoid or correct any misunderstanding on the part of any creditor concerning the fact that any invoices and other statements of account from creditors of the General Partner are to be addressed and mailed directly to the General Partner, though this provision shall not prohibit such mail to be delivered to the General Partner c/o any other entity;

(x) The General Partner has and intends to maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations consistent with the requirements of this Partnership Agreement;

(xi) The General Partner has not and shall not commingle any of its assets, funds or liabilities with the assets, funds or liabilities of any other Person or Affiliate;

(xii) The General Partner has and shall continue to maintain its assets in such a manner that it will not be costly or difficult to segregate, ascertain or identify its individual assets from those of any party;

(xiii) The General Partner has not and shall not (a) assume or guaranty the debts of any other Person in a manner that includes a pledge, encumbrance, transfer or hypothecation (whether by operation of law or otherwise) of any assets or interests of the Partnership, (b) hold itself out to be responsible for the debts of another Person in a manner that includes the pledge, encumbrance, transfer or hypothecation of any assets or interests of the Partnership (whether by operation of law or otherwise), (c) otherwise pledge, encumber, transfer or hypothecate the assets of the Partnership for the benefit of another Person or permit the same to

(xiv) All transactions carried out by the General Partner have been and will be, in all instances, made in good faith and without intent to hinder, delay or defraud creditors of the General Partner.

Section 6.4 Specific Obligations of General Partner. The General Partner shall, on behalf of and in the name of the Partnership and in addition to any obligations placed upon it elsewhere in this Partnership Agreement, have the following specific obligations:

6.4.1 Securities Law Matters. The GeneralPartner shall prepare and file appropriate reports for the Partnership, if any, with the Securities and Exchange Commission and state securities administrators.

6.4.2 Limited Partnership Status. The General Partner shall (i) file such certificates and do such other acts as may be required to qualify and maintain the Partnership as a limited partnership under the Act and to qualify the Partnership to transact business in all such jurisdictions as may be required under applicable provisions of law and (ii) take or cause the Partnership to take all reasonable steps deemed necessary by counsel to the Partnership to assure that the Partnership is at all times classified as a partnership for federal and state income tax purposes.

6.4.3 Tax Matters Partner. For the purposes of Subchapter C of Chapter 63 of the Code, the General Partner shall serve as the Tax Matters Partner of the Partnership and, as such, has all of the rights and obligations given to a Tax Matters Partner under said Subchapter. Notwithstanding anything to the contrary contained herein, the General Partner, in its capacity as the Tax Matters Partner, shall not take any of the following actions without first obtaining the prior written consent of the Limited Partner:

(i) Extend the statute of limitations for assessing or computing any tax liability against the Partnership (or the amount or character of any Partnership tax item);

(ii) Settle any audit with the IRS concerning the adjustment or readjustment of any Partnership tax item;

(iii) File a request for an administrative adjustment with the IRS at any time or file a petition for judicial review with respect to any IRS adjustment;

(iv) Initiate or settle any judicial review or action concerning the amount or character of any Partnership tax item;

(v) Intervene in any action brought by any other Partner for judicial review of a final adjustment of any Partnership tax item; or
(vi) Take any other action that would have the effect of finally resolving a tax matter affecting the rights of the Partnership and its Partners or otherwise have a material adverse effect on any tax matters affecting the Partnership and its Partners.

The General Partner shall keep the Limited Partner and the Special Limited Partner advised of any dispute the Partnership may have with any federal, state, or local taxing authority, and shall afford the Limited Partner and the Special Limited Partner the right to participate directly in negotiations with any such taxing authority in an effort to resolve any such dispute.

6.4.4 Governmental Filings. The General Partner shall prepare, sign, and submit to the IRS, the State Housing Finance Agency, and any other governmental authority having jurisdiction over the Project Property, on a timely basis, any and all annual reports, information returns, and other certifications and information required by any such governmental agency. The General Partner shall cause the Partnership to comply with all other applicable requirements of any federal, state, or local agency having jurisdiction over the Project Property, including, without limitation, any requirements of any such governmental agency with respect to the funding and maintenance of any operating or replacement reserves for the Project Property.

6.4.5 Bank Accounts. The General Partner shall establish in the name and on behalf of the Partnership such bank accounts as shall be required to facilitate the operation of the Partnership's business. The Partnership's funds shall not be commingled with any other funds of the General Partner or any of its Affiliates, including without limitation, any other partnership in which the General Partner is a general partner. Funds of the Partnership held in bank accounts shall be deposited in one or more interest bearing accounts maintained in FDIC insured banking institutions, with no such account having a balance in excess of the maximum insured amount, or in Temporary Permitted Investments. If the Partnership incurs any loss due to any Partnership funds being deposited in FDIC insured accounts with balances in excess of the maximum insured amount and that are not Temporary Permitted Investments, the General Partner and the Guarantor (pursuant to the Guaranty Agreement) shall be absolutely and unconditionally liable to the Partnership and the Limited Partner with respect to any such loss. Promptly upon the request of the Limited Partner, the General Partner shall obtain and deliver to the Limited Partner full, complete, and accurate statements of the amount and status of all Partnership bank accounts and all withdrawals therefrom and deposits thereto.

6.4.6 Guaranties. The General Partner shall have the following guaranty obligations.

(i) Development Completion Guaranty.

(a) The General Partner hereby absolutely and unconditionally guaranties to the Partnership and the Limited Partner that the Project Property will be constructed in a good and workmanlike manner free and clear of all mechanics', materialmen's, and similar liens, in accordance
with the Plans and Specifications and in accordance with the terms, conditions and provisions of the Construction Loan, Permanent Loan, Subordinate Cash Flow Loans and this Partnership Agreement, will be equipped with all necessary and appropriate fixtures, equipment and personal property on or before the Construction Completion Date, and the Project will be leased-up in accordance with the Projections. The obligations of the General Partner under the Development Completion Guaranty shall be unlimited in amount and shall include, without limitation, the obligation to provide all funds (a) required of the Partnership to complete construction of the Project Property and to repair any latent defects that occur within one year of completion of construction (to the extent not then available under the Construction Loan, Permanent Loan, Subordinate Cash Flow Loans or Capital Contributions), (b) needed for unanticipated or additional development or construction costs, on- and off-site escrows, taxes, insurance premiums, interest, funding of Operating Deficits, reserves, escrows, legal expenses, and accounting expenses until the Project achieves Stabilized Occupancy, (c) needed for repayment in full of the Construction Loan and (d) required to pay the Right-Sized Payment Amount and any other amounts due from the General Partner under Section 6.4.6(i)(b) hereof. The repayment of any borrowings arranged by the General Partner to fund its obligations under this Section 6.4.6(i) are the sole obligation of the General Partner. Funds made available by the General Partner to fulfill its obligations pursuant to this Section 6.4.6(i) shall be accounted for as unsecured loans to the Partnership by the General Partner and may be reimbursed to the General Partner, without interest, in accordance with Section 5.1 hereof, or out of the proceeds of refinancing or sale pursuant to Section 5.2 hereof. If the construction cost overruns are due to the gross negligence or willful misconduct of the General Partner or any of its Affiliates, then any guaranty advances made by the General Partner to cover such costs shall be deemed to be damages that are not repayable as loans to the Partnership.

(b) If, immediately prior to the conversion of the Construction Loan to the Permanent Loan, the Right-Sized Permanent Loan Amount is less than the Permanent Loan amount that is set forth in the Projections (the difference between the two amounts being referred to herein as the "Right-Sized Payment Amount"), then the amount of the Permanent Loan shall be reduced to the Right-Sized Permanent Loan Amount and the General Partner shall be required, as part of its Development Completion Guaranty, to provide funds to the Partnership in an amount equal to the sum of (a) the Right-Sized Payment Amount plus (b) an amount equal to any penalties or premiums the Partnership is obligated to pay to the Permanent Lender due to the reduction of the Permanent Loan amount to the Right-Sized Permanent Loan Amount. Any funds provided by the General Partner in accordance with the preceding clause (b) shall be promptly paid by the Partnership to the Permanent Lender. If, however,
the Partnership is prohibited from reducing the amount of the Permanent Loan pursuant to the Permanent Loan Documents, then the General Partner using its own funds shall deposit into the Operating Reserve Account an amount equal to the Right-Sized Payment Amount.

(ii) **Operating Deficit Guaranty.** The General Partner shall be required, upon the reduction of the Operating Reserve Account to zero, to promptly provide funds to the Partnership from time to time as needed in an amount up to the Operating Deficit Guaranty Amount for Operating Deficits occurring during the Operating Deficit Guaranty Period. Repayment of any letters of credit or other borrowings arranged by the General Partner to meet its obligations under this Section 6.4.6(ii) shall be the sole obligation of the General Partner. Subject to Section 6.4.6(iii) below, funds made available by the General Partner to fulfill its obligations pursuant to this Section 6.4.6(ii) shall be accounted for as unsecured loans to the Partnership by the General Partner and may be reimbursed to the General Partner, without interest, in accordance with Section 5.1 hereof, or out of the proceeds of refinancing or sale pursuant to Section 5.2 hereof. If the Operating Deficits overruns are due to the gross negligence or willful misconduct of the General Partner, then any guaranty advances made by the General Partner to cover such costs shall be deemed to be damages that are not repayable as loans to the Partnership.

(iii) **Cumulative Guaranty Obligations.** The various guaranty obligations under this Section 6.4.6 are cumulative, not concurrent. Any limitation of liability under one guaranty shall not affect the amount of liability under any other guaranty, and any payment of obligations under one guaranty shall not reduce the amount of liability under any other guaranty.

6.4.7 **Required Reserves.**

(i) **Lease-up Reserve.** The General Partner shall establish a lease-up reserve, which shall be used only to fund operating Deficits incurred by the Partnership prior to the commencement of the Operating Deficit Guaranty Period. The Lease-up Reserve shall be funded from Limited Partner’s Second Installment of Project Equity in the amount of $300,000.00, held in a separate bank account controlled by the General Partner (or a Project lender, if required by such lender), and maintained until the beginning of the Operating Deficit Guaranty Period. The General Partner shall report on disbursements from the Lease-up Reserve in the quarterly management reports provided to the Asset Manager in accordance with Section 8.2.2. Any disbursement from the Lease-up Reserve by the General Partner for any purpose other than funding Operating Deficits prior to the Operating Deficit Guaranty Period shall constitute an Event of Default under Section 10.6.1. The obligations related to the Lease-up Reserve are in addition to, and not in place of, those of the General Partner pursuant to Sections 6.4.6(i) and 6.4.6(i)(a) above. If, on the date that the Partnership achieves Stabilized Occupancy there are any funds remaining in the Lease-up Reserve Account, those funds shall, subject to
any required Lender consent and after being used to fund any amounts identified in Section 3.2.7(v)(A) and (B), be used to fund up to $200,000 of the incentive construction oversight fee contemplated in Section 3.2.7(v) hereof, and then the remainder shall be deposited into the Replacement Reserve Account described below, in addition to the amounts required to be deposited in the Replacement Reserve Account pursuant to Section 6.4.7(ii), below.

(ii) **Operating Reserve.** The General Partner shall establish an operating reserve to fund operating deficits incurred by the Partnership. The Operating Reserve shall be funded from Limited Partner’s Fifth Installment of Project Equity in the amount of $481,483.00, held in a separate bank account, controlled by the General Partner (or a Project lender, if required by such lender), and maintained until the end of the Project’s Compliance Period. Throughout the Compliance Period, the General Partner shall also be obligated, to the extent funds are available, to replenish the Operating Reserve Account up to the Operating Reserve Target Amount out of Cash Flow in accordance with Section 5.1 hereof or from sales or refinancings (prior to the distribution of Net Cash from Sales and Refinancings). Withdrawals from the Operating Reserve Account will require the prior written approval of the Asset Manager (except in the event of an emergency that has an immediate impact on the safety of the residents or structural integrity of the Project, in which case the General Partner shall, within five business days of such withdrawal, notify the Asset Manager and the Special Limited Partner in writing of the amount of the withdrawal from the Operating Reserve Account and the purpose for which such withdrawal was made). If the Operating Reserve Account is under the control of a Project lender, the General Partner shall first secure the approval of the Asset Manager prior to obtaining the consent of the Project lender. Within 30 days of Receipt and approval by the Asset Manager of such request, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such 30-day period, the withdrawal request will be deemed to be approved. Upon depletion of all of the funds in the Operating Reserve Account, any continuing shortfalls shall be funded pursuant to the Operating Deficit Guaranty described above in Section 6.4.6(ii). Notwithstanding anything to the contrary in this Section 6.4.7(ii), beginning in the 11th year of the Credit Period and for every year thereafter, the General Partner shall be allowed to request of the Asset Manager the ability to use up to 20.00% of any funds remaining in the Operating Reserve Account for each remaining year of the Compliance Period for the sole purpose of funding capital improvements and repairs to the Project, in accordance with Section 6.4.7(iii) below; provided, however, that (A) the Operating Reserve Account on the first day of the 11th year is funded in an amount not less than the Operating Reserve Target Amount, (B) the Project has achieved an average Debt Service Coverage Ratio of 1.15 or better for the immediate prior 24 months (during which time there had been no draws upon the Operating Reserve Account), and (C) the General Partner provides satisfactory evidence to the Asset Manager that the Project is projected to operate at a Debt Service Coverage Ratio
of 1.15 or better for the remaining term of the Compliance Period. Any excess funds remaining in the Operating Reserve Account at the end of the Compliance Period shall be released from the Operating Reserve Account and used by the Partnership to first pay the Limited Partner’s exit taxes due upon sale or dissolution pursuant to Section 5.2 and Section 11.2 hereof. Any funds in the Operating Reserve Account still remaining after the Limited Partner’s exit taxes have been paid shall be distributed to the Partners in accordance with Section 5.2 and Section 11.2 hereof.

(iii) **Replacement Reserve.** The General Partner shall establish a replacement reserve to fund capital improvements and repairs to the Project. The General Partner shall fund the Replacement Reserve with proceeds from Gross Cash Receipt beginning on January 1st of the year immediately following the year in which the Project is Placed in Service. The Replacement Reserve shall be held in a separate bank account (the “Replacement Reserve Account”), controlled by the General Partner (or a Project lender, if required by such lender), and maintained throughout the Project’s Compliance Period. The General Partner will be required to fund the Replacement Reserve Account on a cumulative basis, annually, in an amount equal to the greater of $250 per unit per year (to be increased annually by 3%) or such amount as required by any Project lender, from Gross Cash Receipts prior to distribution of Cash Flow. Withdrawals from the Replacement Reserve Account during any calendar year that in the aggregate exceed the lesser of $6,000.00 or 10.00% of the amount of any remaining funds in the Replacement Reserve Account at such time, shall require the written approval of the General Partner and the Asset Manager. Within ten business days of Receipt and approval by the Asset Manager of such request, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such ten-business-day period, the withdrawal request will be deemed to be approved. Any funds remaining in the Replacement Reserve Account at the end of the Project’s Compliance Period shall, subject to any required Lender consent, be released from the Replacement Reserve Account and used by the Partnership to first pay the Limited Partner’s exit taxes due upon sale or dissolution pursuant to Section 5.2 and Section 11.1 hereof. Any funds still remaining in the Replacement Reserve Account after the Limited Partner’s exit taxes have been fully paid shall, subject to any required Lender consent, be distributed to the Partners in accordance with Section 5.2 hereof (in the case of a sale of the Project), or in accordance with Section 11.2 hereof (in the case of the dissolution of the Partnership). After the completion of the seventh year of the Project’s Compliance Period, the Asset Manager shall have the right to require a physical assessment of the Project pursuant to which the amount required to be maintained in the Replacement Reserve Account may be increased at the reasonable discretion of the Asset Manager.

The above reserves shall be held in segregated interest bearing accounts (the Lease-up Reserve, if applicable, may be held in the same account as the
Operating Reserve). Any failure to obtain any required approval of the Asset Manager or failure to provide the Asset Manager with proper notice shall constitute an Event of Default under Section 10.6 below. Any interest earned with respect to any of the above reserve accounts shall be deposited into that respective reserve account for the benefit of the Partnership.

6.4.8 **Qualified Occupancy.** The General Partner shall use its best efforts to cause the Project Property to achieve Qualified Occupancy on or before the Qualified Occupancy Date.

6.4.9 **Property Management.** The General Partner, on behalf of the Partnership, shall enter into a Property Management Agreement with the Property Management Agent for the physical property management and leasing of the Project, in form and of content as set forth in a separate document approved in writing by the General Partner and the Asset Manager. The General Partner, on behalf of the Partnership, shall diligently enforce all of the obligations of the Property Management Agent under the Property Management Agreement and shall perform all of the Partnership’s obligations as owner thereunder, subject to the following terms and conditions:

(i) **Renewal or Successor Agreements.** Upon the termination of such Property Management Agreement or any subsequent Property Management Agreement, the General Partner shall renew the same or enter into an agreement that does not differ materially from the initial Property Management Agreement in Property Management Agent obligations and owner remedies, or in any other respect, with the same Property Management Agent or another Property Management Agent of at least comparable ability and experience who can reasonably be expected to perform at least as well, subject to the requirements of subparagraphs (ii) and (iii) hereinbelow.

(ii) **Notice and Consultation.** If the General Partner wishes to enter into a new form of management agreement or retain the services of a different Property Management Agent, it shall give the Asset Manager and the Special Limited Partner at least 30 business days prior written notice of the proposed change, accompanied by a copy of any proposed new Property Management Agreement and a written description of the identity and qualifications of any proposed new Property Management Agent, and the General Partner shall consult with the Asset Manager regarding the proposed change.

(iii) **Asset Manager Consent.** Under any circumstances, the General Partner shall not enter into a new management agreement materially different from the initial Property Management Agreement in any respect without the prior written consent of the Asset Manager as to the form and content of such new management agreement, nor shall the General Partner retain the services of a property management agent other than a property management agent previously approved by the Asset Manager without the prior written consent of the Asset Manager as to the identity and qualifications of such new property management
agent, provided such consent shall not be unreasonably withheld, conditioned or delayed. For purposes of this provision, a management agreement shall be deemed to be materially different if the agreement involves a change in the parties, services or fees to be provided to the Property Management Agent.

(iv) **Termination of Non-Performing Property Management Agent.** If the Property Management Agent fails to perform any of its obligations under the Property Management Agreement, whether general or specific obligations, in any material respect, including without limitation, failure to capably manage the Project as measured by sustained high Project vacancies, delinquent rents, or Operating Deficits (in each case beyond levels specified in the Projections), inadequate maintenance, or failure to qualify tenants under low-income housing tax credit requirements, or repeated failure to provide or unreasonable delay in providing accurate financial or operating reports to the General Partner and the Limited Partner, the General Partner shall promptly comply with the terms of the Property Management Agreement regarding notice to the Property Management Agent and its opportunity to cure. The General Partner shall also simultaneously provide the Asset Manager and the Special Limited Partner with a copy of this notice and any documentation explaining why the Property Management Agent should not be terminated for cause. Upon expiration of the applicable cure period, and the failure of the Property Management Agent to cure its breach of the Property Management Agreement, the General Partner shall consult with the Asset Manager as to whether or not the Property Management Agent should be retained and, if so, under what terms and conditions. Unless within ten business days of the delivery of this notice the Asset Manager consents in writing to the retention of the Managing Agent, the General Partner shall terminate the Property Management Agent for cause, in accordance with the terms of the Property Management Agreement. The General Partner shall also immediately enter into a new Property Management Agreement with a substitute Property Management Agent, subject to the prior written consent of the Asset Manager. For purposes of this Section 6.4.9(iv), cause shall include, but not be limited to, any one of the following: (a) failure to promptly and competently perform (after any applicable notice and within the applicable cure period) all duties of the Property Management Agent under the Property Management Agreement with the Partnership, (b) failure of the Project to generate at least 80% of the Projected Tax Credits in any calendar year, (c) failure to materially comply with the record keeping, tenant qualification and rental requirements of the Extended Use Agreement and Section 42 of the Code and the Regulations, rulings, and policies related thereto, (d) material mismanagement of the Project, or (e) if the Property Management Agent is an Affiliate of the General Partner, removal of the General Partner pursuant to Section 10.6 hereof.

(v) **Removal of Non-Complying General Partner.** If the General Partner fails to comply with any of the requirements of this Section 6.4.9, it may be removed for cause pursuant to Section 10.6 hereof.
All Property Management Agreements shall contain specific provisions requiring the Property Management Agent to rent to low-income tenants at the level required to maintain Qualified Occupancy, to obtain prior written approval of the General Partner for any deviation from such level, to obtain tenant income certifications and employer and/or other relevant verifications of tenant income, to determine low-income tenant eligibility for tax credit purposes, to deliver certifications of its compliance with these requirements and of Project rent rolls upon Qualified Occupancy and annually prior to the times such information is required for low-income housing tax credit purposes, to keep records of such low-income rental and occupancy and deliver copies of leases, certifications, and verifications to the Partnership, and to prepare elections, certifications, and any other materials contemplated by Section 6.4.12 hereof, to the extent necessary or advisable to qualify for and maintain the Tax Credit and any other available tax benefits in connection with such rental and occupancy. Where the Property Management Agent is the General Partner, the Special Limited Partner, or their Affiliate, each management agreement shall provide that the property management agent’s monthly fees are accrued and subordinated to payment of Operating Deficits until funds are available to pay such fees.

6.4.10 Cooperation with Asset Manager. The General Partner shall cooperate and shall cause the Property Management Agent to cooperate fully with the Asset Manager so that the Asset Manager may carry out its duties and obligations. In the event that the Asset Manager is replaced or substituted by the Limited Partner, in its sole and absolute discretion, all rights, duties and obligations of the Asset Manager shall be assumed by and inure to the benefit of any such substitute or replacement Asset Manager upon delivery of notice by the Limited Partner to the General Partner of such replacement or substitution.

6.4.11 Rental Program. The General Partner shall cause the Project to be rented to low-income tenants to the extent projected in the Projections. Without limitation of the foregoing, the General Partner shall (i) use its best efforts to achieve Qualified Occupancy (as defined in Article I) within the time specified in the Projections; (ii) comply with the rent schedule set forth in the Projections; (iii) cause to be kept all records of rental and occupancy throughout the Compliance Period; (iv) cause the Property Management Agent to comply with all income certification or other record-keeping requirements of the Code and Regulations, and of prudent management accounting practices, to support the claim of a low-income housing tax credit based on the occupancy requirements for the Project and any other material tax benefits resulting from such low-income occupancy of the Project; and (v) take such other actions required under Section 6.4.12 below to claim all available tax benefits in connection therewith. The General Partner and the Property Management Agent shall comply with all income certification or other record-keeping requirements of the Code and Regulations, and of prudent management accounting practices, to support the claim of a Tax Credit based on the occupancy requirements for the Project and any other material tax benefits resulting from such low-income occupancy of the Project.
6.4.12 **Tax Benefits Requirements.** The General Partner acknowledges that it is of great importance that the Tax Credits and all other tax benefits contemplated in the Projections be achieved and maintained. Accordingly, the General Partner agrees as follows:

(i) **No Delays.** The General Partner shall not cause or suffer any delay in Placement in Service or Qualified Occupancy that would reduce such anticipated tax benefits.

(ii) **Record-Keeping.** The General Partner shall cause to be kept all records and cause to be made all elections and certifications, pertaining to the number and size of apartment units, occupancy thereof by tenants, income levels of tenants, set-aside for low-income tenants, and any other matters now or hereafter required to qualify for and maintain the Tax Credits and any other available tax benefits in connection with low-income occupancy of the Project.

(iii) **Set-Aside Election.** The minimum low-income set-aside requirement specified in the Projections was elected in the application for Tax Credits and may not be changed.

(iv) **Initial Tax Credit Year.** The General Partner shall elect, upon the request of the Limited Partner or subject to the approval of the Limited Partner, to claim such Tax Credits for each Building in the Project commencing with the earlier of the year in which Qualified Occupancy for such Building is achieved or (if the Partnership, with the express consent of the Limited Partner, makes a timely election pursuant to Code Section 42(f)(1)(B)) the year succeeding the year in which Placement in Service occurs. Subject to the foregoing, the General Partner shall develop and lease the Project so that the initial year during which such Tax Credit is claimed will be no later than the year specified in the Projections.

(v) **Annual Compliance Procedures.** As soon as feasible after Qualified Occupancy has occurred and annually thereafter, prior to the times such information is required by the State Housing Finance Agency for Tax Credit reporting purposes, the General Partner shall:

   (a) cause the Partnership's Property Management Agent to submit to the Partnership the certifications and all other applicable materials related to low-income leasing described in Section 6.4.11 hereof;

   (b) check and verify the same against leases, certifications, and other appropriate back-up materials to the extent necessary or advisable to determine with reasonable assurance that the low-income leasing requirements have been met for Tax Credit purposes; and

   (c) execute and deliver to the Limited Partner a certification, in form reasonably acceptable to the Limited Partner, stating that the General Partner has complied with the foregoing requirements and attaching copies
of the managing agent's certification and rent roll in a format reasonably acceptable to the Limited Partner.

The General Partner's initial certification following Qualified Occupancy shall also specify the Qualified Occupancy Date.

(vi) **Cost Accounting.** As soon as feasible after Placement in Service has occurred, prior to the time such information is required by the State Housing Finance Agency for Tax Credit reporting purposes, the General Partner shall:

(a) cause the Accountant to submit to the General Partner a letter, as required by the State Housing Finance Agency and in a form and content reasonably acceptable to the Limited Partner, certifying that the Accountant has examined the Partnership's books and records for the Project and, subject to any changes in facts or applicable law, is prepared to sign a tax return for the Partnership reflecting that all costs specified in the letter or in an attached schedule are includable in qualified basis for the Tax Credits; and

(b) execute and deliver to the Limited Partner a Cost Certification, in form and content reasonably acceptable to the Limited Partner, stating that the amounts described in the Accountant's letter accurately reflect Project costs incurred and attaching a copy of such letter.

(vii) **Tax Filings.** The General Partner shall properly reflect all Tax Credits and other tax benefits in preparing and filing federal return of income forms on behalf of the Partnership in accordance with Section 8.4 hereof. Notwithstanding anything in this Partnership Agreement to the contrary, in no event shall the General Partner cause or suffer any delay in the filing of such form covering the year in which Qualified Occupancy occurred. The General Partner shall obtain and deliver to the Limited Partner at the earliest feasible time a fully executed Form 8609.

(viii) **Compliance Certifications.** The General Partner shall certify compliance with the elected set-aside requirement and report the dollar amount of Qualified Basis, maximum Applicable Percentage and Qualified Basis under the State Housing Finance Agency allocation, date of Placement in Service, and any other information required for the aforesaid Tax Credit within 90 days after the end of the first taxable year for which such Tax Credit is claimed and for each taxable year thereafter during the Compliance Period for such Tax Credit, or such other time periods as may hereafter be required by the Code or Regulations thereunder for such Tax Credit.

(ix) **Notice of Tax Benefits Reduction.** In the event at any time it becomes apparent to the General Partner that the tax benefits projected in the
Projections are likely to be reduced, the General Partner shall promptly notify the Limited Partner of the circumstances.

(x) **Consequences of Tax Benefits Reduction or Delay.** In the event there is a reduction or delay of tax benefits, then the provisions of Section 6.9 hereof relating to reduction in the amount of remaining installments of Limited Partner’s Capital Contributions and other consequences described therein shall govern where applicable.

(xi) **Extended Use Agreement.** The General Partner, on behalf of the Partnership, shall enter into an Extended Use Agreement pursuant to Section 42(h)(6) of the Code, in the form of an agreement between the Partnership and the State Housing Finance Agency that has allocated or will allocate Tax Credits to the Project, and shall cause such agreement to be recorded pursuant to state law as a restrictive covenant as soon as feasible but in any event prior to the end of the tax year during which the Project is deemed to achieve Placement in Service under Section 42 of the Code.

(xii) **Local Code Compliance.** The General Partner shall maintain the Project in compliance with rules prescribed by the Secretary of Treasury pursuant to Section 42(i)(3)(B)(ii) of the Code. The General Partner shall also promptly provide the Limited Partner with any notice or other documentation sent by any federal, state or local governmental agency that the Project may be in violation of any health, environmental, safety, building, or other federal, state or local statute, regulation, or ordinance. With respect to building code or Environmental Law violations that are to be corrected during the construction or rehabilitation of the Project, the General Partner shall certify or shall cause the Architect or the project general contractor to certify upon completion of the Project that such building code and Environmental Law violations have been corrected. In lieu of a certification regarding the correction of building code violations, the General Partner may obtain or cause to be obtained a current owner's title insurance policy indicating that no building code violations exist at the time construction or rehabilitation is completed.

(xiii) **Carryover Allocation Agreement.** The General Partner shall obtain from the State Housing Finance Agency and shall deliver to the Limited Partner within 10 days after receipt of each of the following:

(b) a reservation of Tax Credits, provided that:
(1) the General Partner shall deliver or cause to be delivered to the Limited Partner the Accountant’s Carryover Certification 30 days prior to the date specified by the State Housing Finance Agency for the required Accountant’s Carryover Certification to be submitted to the State Housing Finance Agency; and

(2) the General Partner shall deliver a copy of the Carryover Allocation Agreement to the Limited Partner and the Special Limited Partner within 30 days from the date that such Carryover Allocation Agreement is delivered to the Partnership.

(xiv) **Depreciation Schedule.** The General Partner shall take all acts and make any necessary filings or elections to cause the Project’s improvements to be depreciated for tax purposes in accordance with the Projections and shall not take any action or permit any event or circumstances to occur which would cause depreciation of the Project’s improvements to be changed therefrom. The General Partners shall cause to be kept adequate records of any such filings or elections and all other matters applicable to the Partnership’s depreciation of the Project’s improvements.

6.4.13 **Mold Inspections.** The General Partner agrees to inspect the Project Property at least once annually for the presence of any mold, fungus or moisture buildup in or on the Project Property. In the event any material amount of mold, fungus or moisture buildup is identified in or on the Project Property, the General Partner shall notify the Limited Partner within ten business days and shall consult with the Limited Partner regarding the need to hire an environmental consultant to evaluate the mold, fungus or moisture buildup and the need to prepare and implement a remediation plan.

**Section 6.5 Fees for Services Rendered.** The Partnership shall pay the following described fees to the Partners or Affiliates of one or more Partners indicated below:

6.5.3 **Asset Management Fee.** The Partnership shall pay the Asset Management Fee annually to the Asset Manager for property management oversight, tax credit compliance monitoring, and related services. The Asset Manager will not incur any liability to the General Partner or the Partnership as a result of the Asset Manager’s performance or failure to perform its asset management services. The Asset Manager
owes no duty to the General Partner or the Partnership and may only be terminated by the Limited Partner.

6.5.4 Disposition Fee. The Partnership shall pay the Asset Manager a Disposition Fee equal to $25,000 at the time of closing of the sale of the Project (out of the net sales proceeds) for the Limited Partner’s interest in the Project.

6.5.5 Incentive Partnership Management Fee. The Partnership shall pay an Incentive Partnership Management Fee, on an annual, non-cumulative basis, in the amount and priority specified in Section 5.1.1 hereof to compensate the General Partner for monitoring the activities of the Partnership, supervising the Property Management Agent, and reporting to the Asset Manager so as to enable the Partnership to comply with all Code requirements for the Tax Credit and to establish eligibility for such Tax Credit with respect to the Project and avoid recapture thereof during the Compliance Period.

6.5.6 Guaranty Procurement Fee. The Partnership shall pay a Guaranty Procurement Fee, on an annual, non-cumulative basis, in the amount and priority specified in Section 5.1.1 hereof to compensate the Special Limited Partner for obtaining the Guarantor’s guarantees under the Guaranty Agreement and negotiating the terms of that agreement on the behalf of the Partnership.

6.5.7 Other Considerations.

(i) The Development Agreement and any other agreements entered into by the Partnership and the General Partner, the Special Limited Partner, or any of their Affiliates thereof will specifically provide that such agreement shall be terminable, with respect to each of them, at the election of the Limited Partner if the General Partner or Special Limited Partner is removed pursuant to Section 10.6 hereof (provided that such termination shall only be with respect to the Partner or its Affiliates that is removed, and not the other Partner) and that, from and after the delivery of notice of such removal pursuant to Section 12.1 hereof, the General Partner’s or Special Limited Partner’s obligation to make an additional Capital Contribution in accordance with Section 3.1.5 in the amount of the outstanding balance of the Deferred Development Fee and any accrued and unpaid interest thereon shall be accelerated, and the General Partner or Special Limited Partner, as applicable, shall be obligated to make such additional Capital Contribution within five business days after delivery of notice of removal; provided that the acceleration of such obligations shall only be with respect to the portion of the Deferred Development Fee owed to the Affiliated Developer of the Partner that is being removed. The Partnership shall use this Capital Contribution to pay the remaining balance of the Deferred Development Fee (or portion thereof to the Affiliated Developer of the removed Partner, as applicable) and any accrued and unpaid interest thereon, and if the General Partner or Special Limited Partner, as applicable, fails to pay this additional Capital Contribution in full within such five-business-day period, the Partnership shall receive a dollar credit for payment of the applicable portion of the Deferred Development Fee and accrued and unpaid interest thereon for each dollar by which the amount of the
additional Capital Contribution so paid by the General Partner or Special Limited Partner, as applicable, is less than the required payment amount. Once proceeds of the General Partner’s or Special Limited Partner’s additional Capital Contribution or any such credits, or both, have been so applied, the Partnership shall have no obligation to make any further payments to the General Partner or Special Limited Partner that is being removed, or any respective Affiliate thereof for fees that would otherwise be due and payable pursuant to such agreement, provided that the foregoing shall not affect the continued payment of fees to the Partner (and its Affiliates) that is not being removed.

(ii) None of the fee payments or reimbursements to any of the Persons indicated in Section 6.5 or elsewhere in this Partnership Agreement will be considered a distribution of Cash Flow to any Partner pursuant to Section 5.1.2, and, except as otherwise specifically provided herein, the General Partner may make any such reimbursement or fee payment prior to any distribution of any Cash Flow to the Partners.

Notwithstanding anything to the contrary herein, the sum of (a) the Incentive Partnership Management Fee, plus (b) any other incentive fees, plus (c) if the Property Management Agent is an Affiliate of the General Partner, the fee payable to the Property Management Agent pursuant to the Property Management Agreement, shall not exceed 12.00% of the gross income of the Partnership, adjusted for regional variations. Any amounts in excess of 12.00% of the gross income of the Partnership, shall be distributed to the General Partner and Special Limited Partner as a distribution rather than a fee.

Section 6.6 Outside Ventures of Partners. Any Limited Partner or Affiliate of the General Partner may engage in or possess an interest in any other business venture of any type or description, independently or with others (including, without limitation, any venture which may be competitive with the business being conducted by the Partnership) and neither the Partnership, nor any General Partner will, by virtue of this Partnership Agreement, have any right, title or interest in or to such outside ventures or the income or other benefits derived therefrom.

Section 6.7 Dealing With Affiliates. The General Partner may employ or retain in any capacity any Partner or Affiliate of any Partner so long as the terms upon which such Partner or such Affiliate is employed or retained are commercially reasonable under the circumstances and comparable to those terms which could be obtained from an independent person for comparable services in the area where the Project is located or the Partnership has its principal office.

Section 6.8 Indemnification of Partnership and Limited Partner. 6.8.1 The General Partner and the Special Limited Partner hereby agree to defend, indemnify, and hold harmless the Partnership and the Limited Partner and their successors and assigns, from and against any loss, claims, demands, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees or damages including foreseen and unforeseen damages and
consequential damages) arising directly or indirectly out of the presence on, under, or about the Project Property of any Hazardous Substance, or the use, release, generation, manufacture, storage, or disposal of any Hazardous Substance on, under or about the Project Property.

6.8.2 In the event the Partnership or the Limited Partner becomes liable, due to the presence of any Hazardous Substance in the Project, under any statute, regulation, ordinance, or other provision of federal, state, or local law pertaining to the protection of the environment or otherwise pertaining to public health or employee health and safety, including without limitation protection from hazardous waste, lead-based paint, asbestos, methane gas, urea formaldehyde insulation, oil, toxic substance, underground storage tanks, PCBs, and radon, the General Partner and Special Limited Partner shall indemnify and hold harmless the Limited Partner and the Partnership for any and all actual out of pocket costs, expenses including reasonable attorneys' fees, damages, or liabilities incurred by the Limited Partner upon demand by the Limited Partner at any time and from time to time, to the extent that the Partnership or the Limited Partner is required to discharge such costs, expenses, damages, or liabilities in whole or in part from any source. The foregoing indemnification obligations of the General Partner and Special Limited Partner shall be limited if and to the extent the Limited Partner participates in the control of the Partnership's business after the formation of the Partnership and such participation is the direct cause of the conditions affecting the Project that resulted in such liability under applicable law and the consequent costs, expenses, damages, or liability of the Limited Partner. References in this Section 6.8.2 to the Limited Partner shall include each of the Limited Partner's assignee(s) (and their respective partners, if any). The foregoing indemnification shall be a recourse obligation of the General Partner and the Special Limited Partner and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, insolvency, bankruptcy, or withdrawal of the General Partner and Special Limited Partner. The indemnification authorized by this Section 6.8.2 shall include, but not be limited to, the costs and expenses (including reasonable attorneys' fees) of the removal of any liens affecting any property of the indemnitee as a result of such legal action. The parties hereto agree and acknowledge that the Limited Partner's exercise of the rights and approvals reserved to the Limited Partner under this Partnership Agreement shall not constitute participation in the control of the Partnership's business for purposes of this paragraph.

6.8.3 The General Partner shall defend, indemnify, and hold harmless the Partnership, the Limited Partner, the Special Limited Partner, and their successors and assigns from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys' fees, arising directly or indirectly, in whole or in part, of the General Partner's gross negligence, fraud, willful misconduct, malfeasance, breach of fiduciary duty or actions performed outside the scope of the authority of the General Partner, or breach of any or all of the representations, warranties, covenants, and agreements contained in this Partnership Agreement, including, without limitation, those contained in Section 6.3 hereof. In addition to the foregoing indemnification, the Partnership, Limited Partner, and/or the Special Limited Partner may pursue any other available legal or equitable remedy against the General Partner with respect to the General Partner's reach
of any of the representations, warranties, or covenants contained herein, including, without limitation, the Limited Partner's deferral of the payment of its Capital Contribution pursuant to Section 3.2. The General Partner shall defend, indemnify and hold harmless the Limited Partner and the Special Limited Partner for any liability incurred by it for Partnership obligations (including, without limitation, the Loan Documents), except to the extent that either (i) a court of competent jurisdiction, or (ii) a mediator mutually selected by the General Partner, Special Limited Partner, and the Limited Partner, has made a determination that such liability is the result of actions taken by the Limited Partner or Special Limited Partner or rights exercised by the Limited Partner or Special Limited Partner with respect to the operation of the Limited Partner or Special Limited Partner in excess of those actions and rights granted or allowed under this Partnership Agreement or the Act. The General Partner's obligations described in this Section 6.8 shall survive the termination and/or liquidation of the Partnership.

6.8.4 The Special Limited Partner shall defend, indemnify, and hold harmless the Partnership, General Partner and Limited Partner and their successors and assigns from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys' fees, arising directly or indirectly, in whole or in part, out of the Special Limited Partner's gross negligence, fraud, willful misconduct, malfeasance, breach of fiduciary duty or actions performed outside the scope of the authority of the Special Limited Partner, or breach of any or all of the representations, warranty, covenant, and agreements contained in this Partnership Agreement, including, without limitation, those contained in Section 6.3 hereof. In addition to the foregoing indemnification, the Partnership, General Partner and/or the Limited Partner may pursue any other available legal or equitable remedy against the Special Limited Partner with respect to the Special Limited Partner's breach of any of the representations, warranties, or covenants contained herein, including, without limitation, the Limited Partner's deferral of the payment of its Capital Contribution pursuant to Section 3.2. The Special Limited Partner shall defend, indemnify and hold harmless the General Partner and Limited Partner for any liability incurred by it for Partnership obligations (including, without limitation, the Loan Documents), except to the extent that either (i) a court of competent jurisdiction, or (ii) a mediator mutually selected by the General Partner, Limited Partner and the Special Limited Partner, has made a determination that such liability is the result of actions taken by the General Partner or Limited Partner or rights exercised by the General Partner or Limited Partner with respect to the operation of the Limited Partner in excess of those actions and rights granted or allowed under this Partnership Agreement or the Act. The Special Limited Partner's obligations described in this Section 6.8 shall survive the termination and/or liquidation of the Partnership.

6.8.5 Subject to the extent of any amount of insurance proceeds received by the Partnership in respect of any insurance policy insuring the acts of the General Partner in its role as a general partner, the General Partner shall not be liable, responsible or accountable in damages or otherwise to any to the Partners for any act or omission performed or omitted by it in its capacity as General Partner of the Partnership in good faith on behalf of the Partnership and in a manner reasonably believed by it to be within the scope of authority granted to it by this Partnership Agreement and in the best interest
of the Partnership; provided, however, such insurance proceeds are applied towards and in satisfaction of any liability or obligations to the Partners for which the insurance proceeds were paid, and such acts or omission was not attributable to any negligence, willful breach, misconduct, fraud or any breach of fiduciary duty on the part of the General Partner.

6.8.6 The General Partner and the Special Limited Partner hereby agree to defend, indemnify, and hold harmless the Partnership and the Limited Partner and their successors and assigns, from and against any loss, claims, demands, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees or damages including foreseen and unforeseen damages and consequential damages) arising directly or indirectly out of the use of Foreign Drywall in the construction of the Project.

Section 6.9 Credit Adjusters.

6.9.1 Permanent Reduction in Tax Credits. If, as of the end of the first year of the Credit Period and based upon the Cost Certification prepared by the Accountant or the IRS Form(s) 8609 for the Project, it is determined that the amount of Actual Tax Credits over the Credit Period for the Project will be less than the Projected Tax Credits over the Credit Period, then there will be a reduction in the Limited Partner’s Capital Contribution in an amount equal to the product of (i) the Permanent Credit Reduction and (ii) $1.04. The Permanent Credit Reduction means the amount by which the Actual Tax Credits are or will be less than the Projected Tax Credits over the Credit Period due to (a) the actual Applicable Percentage being less than projected; (b) the actual Eligible Basis being less than projected; (c) the actual Qualified Basis as of the end of the first year of the Credit Period being less than the projected Qualified Basis; (d) the actual final allocation of Tax Credits as indicated on Form 8609 being less than the Projected Tax Credits; or (e) any combination of the above. This Permanent Credit Reduction Adjustment shall be made, at the option of the Limited Partner, by first decreasing the amount, if any, of the Limited Partner’s Capital Contribution installment next due, and, if necessary, further installments (reducing the earliest ones first) by the amount of the Permanent Credit Reduction Adjustment. In the event that there are no remaining Limited Partner Capital Contributions, or the Permanent Credit Reduction Adjustment required hereunder exceeds the remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Permanent Credit Reduction Adjustment against the remaining Limited Partner Capital Contribution installments, the General Partner and the Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount necessary for the Partnership to make the Permanent Credit Reduction Adjustment, followed by an immediate distribution in such amount by the Partnership to the Limited Partner, unless it is determined by the Limited Partner’s tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner and the Special Limited Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis, will be equal to the Permanent Credit Reduction Adjustment. In the event that any
Capital Contribution installments are reduced or General Partner and Special Limited Partner payments are required to be made under this Section 6.9(a), the Projections attached hereto as Appendix I will be correspondingly revised and will be considered amendments and determinative of the Projected Tax Credits and other amounts set forth herein if there is a conflict between any amounts set forth therein and in this Partnership Agreement.

6.9.2 **Timing Difference in Tax Credits (Downward).**  If, for the Projected First Tax Credit Year and the Projected Second Tax Credit Year, any portion of the Projected Tax Credits cannot be claimed (as determined by the Accountant) by the Limited Partner during such Projected First Tax Credit Year and the Projected Second Tax Credit Year, but must be delayed and taken in a later year or years of the Compliance Period, then the Limited Partner shall be entitled to reduce its Capital Contribution by an amount equal to $.42 times the amount by which the Projected Tax Credits for the Projected First Tax Credit Year and the Projected Second Tax Credit Year, respectively, exceed the Actual Tax Credits for such years. This Timing Reduction is intended to compensate the Limited Partner for the reduced present value of such delayed Tax Credits, while taking into account the Tax Credits the Limited Partner may be entitled to receive no later than the 11th and 12th years of the Compliance Period. No adjustment shall be made under this Section 6.9.2 for any shortfall in Tax Credits for which an adjustment is already made pursuant to Section 6.9.1. In the event that there are no remaining Limited Partner Capital Contributions, or the Timing Reduction required hereunder exceeds the remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Timing Reduction against the remaining Limited Partner Capital Contribution installments, the General Partner and the Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount necessary for the Partnership to make the Timing Reduction, followed by an immediate distribution in such amount by the Partnership to the Limited Partner, unless it is determined by the Limited Partner's Tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner and the Special Limited Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis will be equal to the Timing Reduction. In the event that a Timing Reduction is incurred, the Limited Partner shall revise its Projections accordingly.

6.9.3 **Ongoing Tax Credit Shortfall.**  If, for any Fiscal Year after the Projected First Tax Credit Year, for any reason whatsoever (1) the Actual Tax Credits are less than the Projected Tax Credits (as adjusted in any revised Projections prepared pursuant to Section 6.9.1 or Section 6.9.2) for such Fiscal Year or (2) a Limited Partner is required to recapture (resulting from other than a transfer of part or all of the Limited Partner's Partnership Interest) all or any part of the Tax Credits claimed by it in any prior Fiscal Year of the Partnership (the Credit Shortfall), then, at the option of the Limited Partner, the Limited Partner's Capital Contributions shall be reduced in chronological order in an amount equal to the Credit Shortfall divided by the sum of 1.00 times the difference between (A) the Projected Tax Credits (as adjusted in any revised Projections prepared in connection with Section 6.9.1 or Section 6.9.2) for the Fiscal Year and all subsequent Fiscal Years, and (B) the Actual Tax Credits for such Fiscal Year.
and the Tax Credits projected by the Accountant as being available to the Limited Partner for all subsequent Fiscal Years, and (ii) the amount of the Tax Credits recaptured in such Fiscal Year, plus the amount of any interest or penalty payable by the Limited Partner as a result of the recapture. In the event there are no remaining Capital Contributions or the Credit Reduction Payment exceeds the amount of remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Credit Reduction Payment against the remaining Limited Partner Capital Contribution payments, the General Partner and Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount equal to the Credit Reduction Payment or the unpaid portion thereof, and the Credit Reduction Payment shall be immediately distributed to the Limited Partner and shall neither constitute nor be limited by the distribution limits for Cash Flow, pursuant to Section 5.1 hereof, or for Net Cash from Sales and Refinancings, pursuant to Section 5.2 hereof, unless it is determined by the Limited Partner’s counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis will be equal to the Credit Reduction Payment hereof. In the event that a Credit Shortfall is incurred, the Limited Partner shall revise its Projections accordingly.

6.9.4 Permanent Increase in Tax Credits. If it is determined that the amount of Actual Tax Credits over the Credit Period for the Project will be greater than the Projected Tax Credits over the Credit Period (such difference being defined herein as the Permanent Credit Increase and the Asset Manager is provided with satisfactory written documentation to evidence the allocation of the Permanent Credit Increase, the Limited Partner will increase its Capital Contribution by an amount that is equal to the product of (i) the Permanent Credit Increase, and (ii) $1.04, subject to the limitations described in Section 6.9.6.

6.9.5 Increase in First and/or Second Year Tax Credits. If it is determined that the amount of Actual Tax Credits for the period prior to the end of the Projected First Tax Credit Year and Projected Second Tax Credit Year will be greater than the Projected Tax Credits for the period prior to the end of the Projected First Tax Credit Year and Projected Second Tax Credit Year, respectively (such difference being defined herein as the Projected First and Second Year Credit Year Increase and the Asset Manager is provided with satisfactory written documentation to evidence the allocation of the Projected First and Second Tax Credit Year Increase, the Limited Partner will increase its Capital Contribution by an amount that is equal to the product of (i) the Projected First and Second Tax Credit Year Increase, and (ii) $.42. Such increase will be subject to limitations described in Section 6.9.6.

6.9.6 Limitation on Upward Adjuster. Notwithstanding anything to the contrary contained herein, the Limited Partner will increase its Capital Contribution only once during the 90 day period following the later of (a) achievement of Stabilized Occupancy or (b) the allocating agency’s issuance of the Form 8609 for all Buildings. The Limited Partner will increase its Capital Contribution under Sections 6.9.4 and 6.9.5 only if the Limited Partner, in the exercise of its sole discretion, determines that is has
sufficient funds to make the additional Capital Contribution. In no event shall the increase in the Limited Partner’s Capital Contribution pursuant to Sections 6.9.4 and 6.9.5 exceed, in the aggregate, 5.00% of the Limited Partner’s Capital Contribution as set forth in the Projections in effect on the date of this Partnership Agreement (i.e., no subsequent increases in the Limited Partner’s Capital Contribution shall be taken into account for purposes of calculating the 5.00% limitation).

6.9.7 Repurchase. Notwithstanding anything contained herein to the contrary, in the event that (i) any Building does not generate any Tax Credits during the taxable year succeeding the taxable year in which such Building is placed in service or the Project Property does not generate any Tax Credits during calendar year 2016 for any reason whatsoever, (ii) Construction Completion and Placement in Service of all Buildings are not achieved, or in the reasonable judgment of the Limited Partner, based on all of the relevant facts and circumstances, will not be achieved on or before the Construction Completion Date (which in no event shall exceed the end of the second year after the year in which the Project receives a Tax Credit allocation pursuant to Section 42(h)(1)(E) of the Code or by the date required by any Lender or State Agency), (iii) the Partnership fails to comply with the minimum set-aside test and/or the rent restriction test (as described in Section 42(g) of the Code) before the end of the year in which the Building is placed in service or, at the election of the General Partner pursuant to Section 42(f)(i)(B) (which election shall be made in accordance with Section 6.4.12(iv) hereof), the end of the succeeding taxable year, (iv) Stabilized Occupancy does not occur within six (6) months of the Projected Stabilized Occupancy Date, (v) unless the Project is financed with tax-exempt bonds, the Partnership’s basis in the Project Property for federal income tax purposes, as finally determined by the Accountant or pursuant to an audit by the IRS, as of the date by which all required steps must be taken for the Project to receive a carryover allocation of Credits, as not 10% of the Partnership’s reasonably expected basis in the Project Property, as required pursuant to Section 42(h)(1)(E) of the Code, (vi) proceedings have been commenced, filed or initiated to foreclose the Construction Loan mortgage or permanently enjoin construction or rehabilitation of the Project and such proceedings have not been stayed or vacated within thirty (30) days of commencement, filing or initiation, (vii) construction of the access road described in the CFA is not completed, and thereby delays occupancy of the Project, by August 1, 2016, (viii) the General Partner fails to deliver to the Asset Manager a Form 8609 for each Building in the Project on or before the date by which the General Partner is required to deliver to the Asset Manager the Tax Return Documents for the first year of the Credit Period pursuant to Section 8.4.3, (ix) any one of the following occurs with regard to the Permanent Loan: (a) the Permanent Loan commitment has been terminated or substantially modified (unless the commitment is replaced with a commitment of equivalent terms as determined by the Limited Partner in its reasonable judgment), (b) any interest rate lock applicable to the Permanent Loan has expired and not been replaced within 30 days by a new rate lock acceptable to the Limited Partner or (c) the Permanent Loan has not been fully funded on or before the maturity date of the Construction Loan, (x) upon the Partnership’s receipt of a Form 8609 for each Building in the Project, it is determined that the Project will deliver less than 80% of the aggregate Projected Tax Credits over the Credit Period to the Limited Partner, or (xi) the General Partner fails to perform any obligation under its Development Completion Guaranty that is not fully
performed within any applicable cure period contained in the Guaranty Agreement, if applicable, then, in the event any of the conditions described in clauses (i) through (x) above occurs, upon the written notice of the Limited Partner, the General Partner and the Special Limited Partner shall purchase the Limited Partner’s entire interest in the Partnership for an amount equal to (a) the sum of (1) all Capital Contributions actually made to the Partnership by the Limited Partner, plus (2) $50,000, plus (3) all expenses incurred by the Limited Partner in connection with entering into the Partnership (not including any funds reimbursed), minus (b) an amount equal to the purchase price paid by the Limited Partner for any Tax Credits already received by the Limited Partner, net of any amounts that the Limited Partner has paid or will have to pay as the result of any recapture of any portion of the Tax Credits that the Limited Partner has received, and (c) any amounts that have already been reimbursed to the Limited Partner by the Partnership and/or the General Partner and Special Limited Partner (the “Repurchase Amount”). Notwithstanding anything to the contrary in this Partnership Agreement, the Limited Partner may, in its sole discretion and at any time following any of the events described in this Section 6.9.7, after any applicable notice and cure period and regardless of whether the Repurchase Amount or any portion thereof has been received by the Limited Partner at such time, withdraw from the Partnership as the Limited Partner. Upon receipt of this amount, the Limited Partner’s interest as a limited partner in the Partnership will terminate, the Limited Partner shall transfer its interest in the Partnership to the General Partner and Special Limited Partner or their designee(s), and the General Partner and Special Limited Partner shall indemnify and hold harmless the Limited Partner from and against any losses, damages, and liabilities to which the Limited Partner (as a result of its participation hereunder) may be subject.

6.9.8 Failure to Pay; Remedies. If the General Partner or Special Limited Partner fail to pay any amount payable pursuant to Section 6.9.1, 6.9.2 or 6.9.3 above, or the Repurchase Amount pursuant to the preceding section owing to the Limited Partner within ten days after written demand by the Limited Partner (with a copy to the Special Limited Partner), then, in addition to any other rights the Limited Partner may have, any sums payable to the General Partner or Special Limited Partner (or any Affiliate thereof) pursuant to the terms of this Partnership Agreement (including, without limitation, Cash Flow and any fees payable by the Partnership to the General Partner or Special Limited Partner or their Affiliates) will instead be paid to the Limited Partner until such time as all amounts owing to the Limited Partner pursuant to this Section 6.9 are fully repaid. For purposes of this Partnership Agreement, any sums distributed to the Limited Partner pursuant to the immediately preceding sentence are deemed to have been paid to the General Partner or Special Limited Partner (or their Affiliates) and subsequently loaned by the General Partner or Special Limited Partner to the Partnership, followed by a distribution to the Limited Partner from the Partnership of such loan proceeds in satisfaction of the General Partner’s and Special Limited Partner’s obligations hereunder, unless it is determined by Limited Partner’s counsel that such a distribution would cause Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the amount payable to the Limited Partner in accordance with the preceding sentence shall be an amount that, on an after-tax basis, will be equal to the Permanent Credit Reduction Adjustment, Timing Reduction, Credit Reduction Payment or Repurchase Amount, as applicable, and such amount shall
be deemed to have been paid directly by the General Partner and Special Limited Partner to the Limited Partner. ARTICLE 9: TRANSFER OF LIMITED PARTNER'S PARTNERSHIP INTERESTS

Section 9.1 Voluntary Transfers. A Limited Partner may at any time make a Voluntary Transfer of all or any part of its Partnership Interest, so long as such Voluntary Transfer complies with the following conditions: (i) the General Partner has received a written instrument of transfer of all such Partnership Interest, which instrument shall be signed by the transferor Limited Partner and the transferee and shall contain the name and address of the transferee and the transferee's express acceptance of and agreement to the terms and conditions of this Partnership Agreement; (ii) all requirements of applicable state and federal securities laws, if any, have been complied with; (iii) such Voluntary Transfer will not result in the Partnership's loss of any exemption (federal or state) from the registration of the sale of securities relied upon in its offering of the Partnership Interest; (iv) such Voluntary Transfer will not result in the Partnership being classified as an "association" which is taxable as a corporation for federal income tax purposes; and (v) the General Partner has received evidence of any applicable consents required for such transfer. Upon compliance with all of the conditions of this Section 9.1, such Voluntary Transfer of a Limited Partner's Partnership Interest binds the Partnership and the General Partner. No such transfer may cause the dissolution and termination (other than tax termination) of the Partnership and the transferee shall automatically be deemed to be an Assignee with respect to such Partnership Interest. If any transfer of a Limited Partner's Partnership Interest, including the transfer of beneficial interests, results in a tax termination of the Partnership, the Limited Partner shall be responsible for the cost of preparing and filing any additional tax returns.

9.1.1 The Limited Partner intends to either (i) hold only bare legal title to its Partnership Interest and will ultimately transfer beneficial interests in its Partnership Interest to one or more Persons, or (ii) ultimately transfer its Partnership Interest to an investment fund managed by an Affiliate of the Limited Partner, and in either case, the Limited Partner or such Persons or investment fund may also transfer such beneficial interests or Partnership Interest, or, as security for debt, assign or pledge all or portions of such Partnership Interest. Notwithstanding the provisions of Section 9.1, the General Partner hereby acknowledges and consents to any such transfers, assignments or pledges, and agrees that, upon any such transfer or any foreclosure or other enforcement under any such assignment or pledge, it will recognize the assignee of the (a) beneficial interests as the owner of such beneficial interests in the Partnership Interest, or (b) Partnership Interest as the Substituted Limited Partner.

9.1.2 The Limited Partner or its transferee shall reimburse the Partnership for any reasonable costs actually incurred by the Partnership as a result of a transfer pursuant to this Section 9.1.

Section 9.2 General Partner’s Consent to Substitution as a Limited Partner.

9.2.1 In addition to the requirements set forth in Section 9.1, an Assignee of a Limited Partner's Partnership Interest in connection with a Voluntary Transfer, other than an assignee of a beneficial interest, will not become a Substituted Limited Partner, unless and until the General Partner consents in writing to such substitution, which consent may not be unreasonably withheld and is hereby granted for the transfers, assignments and
pledges described in Section 9.1.1; provided that no such consent shall be required for the (i) substitution of an Assignee that is an Affiliate of the Limited Partner, or (ii) any transfer by the Limited Partner of its Partnership Interest after its Capital Contributions have been paid in full. The General Partner shall duly file for record any required amendment to the Certificate of Formation reflecting such substitution in such public offices as shall be required under the Act. The effective date of the substitution of the Assignee as a Substituted Limited Partner shall be the date on which the General Partner provides its consent if required or the date of the assignment to such Affiliated Assignee, as the case may be.

9.2.2 If the General Partner's consent is required but the General Partner does not consent to the substitution of an Assignee of a Limited Partner's Partnership Interest in connection with a Voluntary Transfer, then the transferor Limited Partner retains all the rights of a transferor of a limited partnership interest under the Act and, except as otherwise provided in Section 9.4, the Assignee shall not be treated as owning any interest in the Partnership. In particular, an Assignee of a Limited Partner's Partnership Interest in connection with a Voluntary Transfer, other than an assignee of a beneficial interest, who is not admitted as a Substituted Limited Partner under this Section 9.2 shall not be entitled to require any accounting of the Partnership's transactions or inspect the Partnership's books and records or require any information from the Partnership or (iv) exercise any privilege or right of a Limited Partner that is not specifically granted to a nonsubstituted transferee of a limited partnership interest under the Act.

Section 9.3 Involuntary Transfers. The Involuntary Transfer of all or any part of any Limited Partner's Partnership Interest will not cause the dissolution and termination of the Partnership, but rather the business of the Partnership is continued without interruption in accordance with the provisions of this Section 9.3. Upon an Involuntary Transfer of all or any part of any Limited Partner's Partnership Interest, such Limited Partner's successor or legal representative shall automatically be deemed to be a Substituted Limited Partner.

Section 9.4 Distributions and Allocations with Respect to Transferred Partnership Interests. Upon any transfer (whether a Voluntary Transfer or Involuntary Transfer recognized by the Partnership or other transfer of the Limited Partner's Partnership Interest under this Article 9, all allocations of Profits and Losses attributable to the transferred Partnership Interest shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during such fiscal period, using any convention or method of allocation selected by the General Partner which is then permitted under Section 706 of the Code and the Regulations promulgated thereunder. All distributions of Cash Flow made prior to the effective date of any such transfer shall be made to the transferor and any such distributions made after the effective date of such transfer shall be made to the transferee.

Section 9.5 Disposition of Project. Subject to the restrictions and rights reserved in the Extended Use Agreement or to the General Partner below and with the consent of the Special Limited Partner, the General Partner may cause the sale of all or any portion of the assets or business of the Partnership for their fair market value upon such terms as it shall determine in the exercise of reasonable discretion and prudent business judgment. If causing the sale of all or any portion of the assets or business of the Partnership, the General Partner will use best efforts to
cause the Project to be sold or exercise any right it may have hereunder to purchase the Limited Partner’s Interest or the Project within a reasonable time after the expiration of the Compliance Period. After the payment of or provision for creditors, the net proceeds of sale shall in the discretion of the General Partner either in whole or in part be distributed among the Partners as provided in Section 5.2 or Section 11.2 hereof, as applicable, or in whole or in part be retained by the Partnership and utilized in the business of the Partnership. Any such sale shall cause the dissolution and liquidation of the Partnership only if required by the provisions of Article 11 hereof. Notwithstanding the foregoing, upon any sale of the Project (which term, as used in this Section 9.5, shall include any portion of the Project containing one or more rental units and any related assets or business of the Partnership), the net proceeds thereof shall be distributed in accordance with Section 5.2 or Section 11.2 hereof, as applicable. Except as specifically provided below, the General Partner (with the consent of the Special Limited Partner) shall not sell the Project without the prior written consent of the Limited Partner, and shall comply with the following requirements in any proposed sale or refinancing:

The General Partner may in its discretion begin advertising the Project for sale and entertaining third-party purchase offers at any time during the last 12 months of the Compliance Period and shall forward copies of all inquiries and purchase offers as and when received by it to the Limited Partner and the Special Limited Partner, but shall have no right or obligation to pursue any sale to a third party except as described further herein below. If the Purchase Option and Right of First Refusal described in Section 9.6 hereof is exercised and all conditions thereof are met in full to the satisfaction of the Limited Partner, then in lieu of any sale to an unrelated third party, the General Partner shall cause the Project to be sold as provided and within the time specified therein, after the expiration of the Compliance Period. However, if such Purchase Option and Right of First Refusal is not exercised or the Project is not sold as provided and within the time specified therein, the General Partner shall, commencing upon the expiration of the Purchase Option and Right of First Refusal promptly begin advertising the Project for sale and entertaining third-party purchase offers, as described above. Notwithstanding the foregoing, any disposition of the Project shall be conducted in accordance with the Extended Use Agreement and the rules of the State Housing Finance Agency.

Section 9.6 Purchase Option and Right of First Refusal. The provisions of Section 9.5 hereof shall be subject to that certain Purchase Option and Right of First Refusal Agreement between the Partnership, as grantor, and Sponsor, as grantee, dated on or about the date hereof, pursuant to which the Partnership has granted to the Special Limited Partner and Sponsor an option to purchase the Project or the Limited Partner’s Partnership Interest and a right of first refusal to purchase the Project, on the terms and conditions set forth therein, provided that the General Partner and the Special Limited Partner, as applicable, remain in good standing without the occurrence of any event described in Section 10.6 hereof, in the form attached hereto as Exhibit A, and the Special Limited Partner has consented to the proposed purchase.

Section 9.7 Warehouse Lender. Notwithstanding the foregoing provisions of this Article or any other provision of this Partnership Agreement:

9.7.1 The General Partner acknowledges and consents to (i) the Limited Partner’s pledge and collateral assignment of its Partnership Interest to the Warehouse Lender;
9.7.2 The Warehouse Lender shall have the rights of a secured party to retain, sell or transfer the Partnership Interest so pledged in accordance with the LP Pledge, including, without limitation, the right to transfer or assign its rights hereunder and under the LP Pledge without the consent of the Partnership, any Partner or any other Person, subject only to Section 9.7.6;

Section 9.8 Voluntary Withdrawal. Notwithstanding anything in this Article 9 to the contrary, the Limited Partner shall have the right to withdraw from the Partnership without the General Partner’s consent at any time after the Limited Partner has paid in full its Capital Contributions. The Limited Partner shall provide the General Partner with ten days prior written notice of the effective date of such withdrawal. Section 9.9 Put Right. Commencing on the expiration date of the Compliance Period, the Limited Partner shall have the right to require the General Partner to purchase the Limited Partner’s Partnership Interest for a purchase price of $1,000.00 (the “Purchase Price”). In the event that the Limited Partner exercises its Put Right pursuant to this Section 9.9, the Purchase Price shall be paid to the Limited Partner in cash or immediately available funds, unless otherwise mutually agreed, at a closing to occur on the first business day following the date that is 30 days after the Limited Partner has given notice to the General Partner of the exercise of the Put Right. ARTICLE 10: TRANSFER OF GENERAL PARTNER’S PARTNERSHIP INTERESTS

Section 10.1 Voluntary Transfers.

10.1.1 The Partnership shall not recognize any Voluntary Transfer of a General Partner’s Partnership Interest and any such attempted Voluntary Transfer shall be invalid and ineffective as to the Partnership and the Limited Partner, unless and until: (i) the proposed transfer is of all the Partnership Interest owned by such General Partner; (ii) the Limited Partner and the Special Limited Partner have each received a copy of written instrument of transfer of all such Partnership Interest, which instrument shall be signed by the General Partner and the transferee and shall contain the name and address of the transferee and the transferee’s express acceptance of an agreement to be bound by all of the terms and conditions of this Partnership Agreement; (iii) the General Partner has paid or caused to be paid all costs related to such Voluntary Transfer, including, without limitation, the reimbursement of all legal fees and expenses incurred by the Partnership in connection with such transfer; (iv) such Voluntary Transfer will not result in the termination of the Partnership for federal income tax purposes; (v) such Voluntary Transfer will not result in the Partnership being classified as an “association” which is taxable as a corporation for federal income tax purposes; (vi) the Partnership receives an opinion of legal counsel to the effect of clause (v); (vii) such Voluntary Transfer will not result in the loss of the ad valorem tax exemption granted to the Project (i.e., the substitute general partner must qualify for the exemption); and (viii) the Limited Partner has consented in writing to such Voluntary Transfer, which consent may be withheld or given, in the sole discretion of the Limited Partner.

10.1.2 Upon compliance with this Section 10.1, such transfer of a General Partner’s Partnership Interest shall bind the Partnership and all the Limited Partners and no such Voluntary Transfer shall cause the termination of the Partnership. In addition, effective as of the date of full compliance with the requirements of this Section 10.1, the transferee of a General Partner’s Partnership Interest shall be admitted as a new General Partner of the Partnership and shall be vested with all the powers and obligations with respect to the management of the Partnership as are granted to and placed upon the transferor General Partner under this Partnership Agreement.

Section 10.2 Involuntary Transfers. An Involuntary transfer of a General Partner’s Partnership Interest at such time as there is more than one General Partner shall not dissolve the Partnership, but rather the business of the Partnership shall be continued without interruption and all of the management powers and authority granted herein to the General Partner making such Involuntary Transfer shall automatically be placed upon the remaining General Partner(s), unless the Limited Partner otherwise elects within 30 days after the occurrence of such Involuntary Transfer to dissolve the Partnership and have the Partnership’s affairs and business wound up and terminated pursuant to Article 11. An Involuntary transfer of a General Partner’s Partnership Interest when there is no other General Partner in existence shall dissolve the Partnership and the Partnership’s affairs and business shall be wound up and terminated under Article 11, unless the Limited Partner agrees in writing to the continuation of the business of the Partnership and the appointment of a new General Partner pursuant to the provisions of Section 10.3.
Section 10.3 Continuation of Partnership After Involuntary Transfer of General Partner’s Partnership Interests. Upon an Involuntary Transfer of the last remaining General Partner’s Partnership Interest, the Partnership will dissolve and the affairs and business of the Partnership will be wound up and terminated under Article 11, unless within 90 days after the occurrence of such Involuntary Transfer, the Limited Partner agrees in writing to the continuation of the business of the Partnership and the appointment of a new General Partner. Unless such an election is made within such 90-day period, the Partnership may conduct only those activities that are necessary to wind up and terminate its affairs and business. If such an election is made within such 90-day period, then: (a) the reconstituted partnership will continue until the end of the term of the Partnership’s existence set forth in this Partnership Agreement and (b) immediately upon its receipt of cash in an amount equal to the greater of (1) $100 or (2) the then positive balance in its Capital Account, the former General Partner is automatically (and without the need for the execution of any further documentation) deemed to have relinquished its entire Partnership Interest, with such relinquished Partnership Interest being automatically allocated to the new General Partner.

Section 10.4 Distributions and Allocations with Respect to Transferred Partnership Interests. If any transfer (whether a Voluntary or Involuntary Transfer) of a General Partner’s Partnership Interest is recognized by the Partnership under this Article 10, then all allocations of Profits and Losses attributable to the transferred Partnership Interest are divided and allocated between the transferor and the transferee by taking into account their varying interests during such fiscal period, using any convention or method of allocation selected by the Limited Partner which is then permitted under Section 706 of the Code and the Regulations promulgated thereunder. Any distributions of Cash Flow made prior to the effective date of any such transfer are made to the transferor and any such distributions made after the effective date of such transfer shall be made to the transferee. Neither the Partnership nor the Limited Partner will incur any liability for making allocations and distributions in accordance with the provisions of this Section 10.4.

Section 10.5 Voluntary Withdrawal. A General Partner may not voluntarily withdraw from the Partnership without the prior written consent of the Limited Partner.

Section 10.6 Removal of General Partner and/or Special Limited Partner. The Limited Partner may remove the General Partner and/or Special Limited Partner for any of the following Events of Default in this Section 10.6.1, as applicable; provided, however, either Partner may be removed only as to its own default (and those of its Affiliates) and not as to the default of the other Partner or that Partner’s Affiliates:

10.6.2 **Effectiveness.** Prior to removing and replacing the General Partner or Special Limited Partner for an Event of Default, the Limited Partner shall give the General Partner or Special Limited Partner reasonable prior written notice setting forth in detail the Event of Default(s) providing the basis for such possible removal and a reasonable opportunity (as determined by the Limited Partner in its discretion) to cure such default(s); provided, however, that no opportunity to cure such default(s) shall be given where the extent or nature of the default is such that there is a likelihood of material loss, liability, or prejudice to the Partnership or the Limited Partner, or both, from any delay in removal and replacement. If the grounds for removal justify an immediate removal under the preceding sentence, such removal shall be effective upon the delivery of a notice thereof to the specified address in accordance with Section 12.1 hereof. Under all other circumstances, such removal shall be effective only after:

(i) failure by the General Partner or Special Limited Partner to cure the default(s) set forth in the notice of removal within the prescribed cure period,

(ii) a decision by the Limited Partner, in its sole and reasonable discretion, to remove the General Partner or Special Limited Partner, and

(iii) the Limited Partner provides the General Partner or Special Limited Partner with written notice of its removal as General Partner or Special Limited Partner, with a copy to the Special Limited Partner, which notice shall specify the date on which such removal shall become effective.

Notwithstanding such removal, the General Partner or Special Limited Partner, as applicable, shall remain liable to the Partnership and the Limited Partner for (i) all obligations and liabilities (including, without limitation, its obligations to make any payments pursuant to Sections 6.4.6(i), 6.4.6(ii), 6.4.6(iii), and Section 6.9 of this Partnership Agreement and liabilities resulting from any breach of any of the representations and warranties set forth in Section 6.3 of this Partnership Agreement) incurred by it as a General Partner or Special Limited Partner before the effective date of such removal but is free of any obligations and liabilities incurred on account of Partnership activities from and after the time of such removal and (ii) all damages and other amounts recoverable or payable hereunder or under applicable law by or to the Partnership or the Limited Partner or Special Limited Partner as a result of the occurrence of the event giving rise to such removal. From and after delivery of notice of such removal, except as otherwise expressly provided in Section 6.5.6, the Partnership shall have no obligation to make any further payments to the Partner or its Affiliates for fees that would otherwise be due and payable pursuant to this Partnership Agreement, any
other agreement entered into by the Partnership and the Partner or any Affiliate thereof, or in connection with the performance of the Partner’s obligations hereunder.

10.6.3 Waiver. Any forbearance by the Limited Partner in exercising any right or remedy under this Section 10.6 or any other provision in this Partnership Agreement or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any other right or remedy, or the subsequent exercise of any right or remedy. The enforcement by the Limited Partner of any right herein shall not constitute an election by the Limited Partner of remedies so as to preclude the exercise of any other right available to the Limited Partner.

Section 10.7 Nominee’s Enforcement Powers. If the Limited Partner holds bare legal title, as nominee, to its Partnership Interest and transfers the beneficial interests in the Limited Partner’s Partnership Interest to one or more Persons, the General Partner hereby acknowledges and agrees that the Limited Partner, in its capacity as nominee, shall be entitled to exercise all rights and remedies reserved to the Limited Partner under this Partnership Agreement, including without limitation, the right to bring any legal action to enforce the General Partner’s obligations hereunder.
ARTICLE 11: DISSOLUTION, WINDING UP AND TERMINATION

Section 11.1 Dissolution. The Partnership will dissolve upon the occurrence of any of the following events:

11.1.1 The expiration of the term of the Partnership’s existence;
11.1.2 The sale or other disposition of all or substantially all of the Partnership’s property and the Partnership’s receipt of all or substantially all of the proceeds therefrom;
11.1.3 The Partners’ mutual election to dissolve the Partnership;
11.1.4 The failure of the Limited Partner to agree in writing at the time and in the manner provided in Section 10.3 hereof to the continuation of the business of the Partnership and the appointment of a new General Partner upon the occurrence of an Involuntary Transfer of the last remaining General Partner’s Partnership Interest or the removal of the General Partner; or
11.1.5 The Limited Partner’s election pursuant to Section 10.2 hereof to dissolve the Partnership upon the occurrence of an Involuntary Transfer of a General Partner’s Partnership Interest, notwithstanding the fact that one or more other General Partner is in existence at such time.
11.1.6 The Limited Partner’s withdrawal pursuant to Section 9.8 or exercise of its put right pursuant to Section 9.9, unless the General Partner admits one or more substitute limited partners to the Partnership within 90 days after the Limited Partner’s withdrawal or exercise of its put right.

Section 11.2 Winding Up and Termination. Upon the dissolution of the Partnership, the affairs and business of the Partnership will be wound up and terminated, the Partnership’s liabilities discharged and the Partnership Property liquidated and distributed in the manner hereinafter described. A reasonable time will be allowed for the orderly winding up of the affairs and business of the Partnership so as to enable the Partnership to minimize the normal losses attendant to the winding up and termination period. The winding up and termination of the affairs and business of the Partnership shall be supervised and conducted by the Liquidation Manager. The Liquidation Manager has the exclusive power and authority to act on behalf of the Partnership to wind up and terminate the affairs and business of the Partnership, to sell and convey the Partnership Property to such Persons (including, without limitation, any Partner or any Affiliate thereof) for such consideration and upon such terms and conditions as it deems necessary or appropriate, to discharge the Partnership’s liabilities, to establish any reserves that it deems necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership, and to distribute the liquidation proceeds in the manner hereinafter described.

Upon completion of the winding up of the affairs and business of the Partnership, the liquidation proceeds will be distributed by the Liquidation Manager in the following manner and order of priority:
11.2.1 First, such liquidation proceeds will be applied to the payment of debts and liabilities of the Partnership (excluding any loans the General Partner or its Affiliates made pursuant to Section 6.4.6(i), 6.4.6(ii), and/or 6.4.6(iii) hereof and the Guaranty Agreement and any unpaid Development Fee) and the payment of expenses of the winding up of the affairs and business of the Partnership;

11.2.2 Second, such liquidation proceeds will be applied to the setting up of any reserves (to be held by the Liquidation Manager in an interest-bearing account) which the Liquidation Manager may deem necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership; provided, however, that at the expiration of such time as the Liquidation Manager deems necessary or appropriate, the balance of such reserves remaining after payment of such liabilities or obligations will be distributed by the Liquidation Manager in the manner hereinafter set forth in this Section 11.2; and

11.2.3 Third, such liquidation proceeds will be paid to satisfy debts and liabilities owed to Partners and their Affiliates described in Section 5.2.1 hereof and in accordance with the priority set forth therein; and

11.2.4 Fourth, such liquidation proceeds will be distributed in compliance with Section 1.704-1(b)(2)(ii)(b)(2) of the Regulations to the Partners in accordance with their positive Capital Accounts, after giving effect to all contributions, distributions and allocations for all periods, including, without limitation, the allocations to be made under Section 4.2.13 hereof.

Section 11.3 Compliance with Liquidation Requirements of Regulations. If the Partnership is “liquidated” within the meaning of 1.704-1(b)(2)(ii)(g) of the Regulations, then:

11.3.1 Distributions will be made pursuant to Section 11.2 hereof (if such liquidation constitutes a dissolution and termination of the Partnership) to the Partners who have positive balances in their Capital Accounts in compliance with Section 1.704-1(b)(2)(ii)(b)(2) of the Regulations;

11.3.2 If a General Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including, without limitation, the taxable year in which such liquidation occurs), then such General Partner will contribute to the capital of the Partnership the amount necessary to restore the balance in its Capital Account to zero;

11.3.3 If a Limited Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including, without limitation, the taxable year in which such liquidation occurs), then such Limited Partner will contribute to the capital of the Partnership the lesser of (1) such deficit balance in its Capital Account or (2) the limited dollar amount, if any, of its Capital Account deficit which the Limited Partner has expressly agreed in writing to restore to the capital of the Partnership pursuant to Section 11.4 hereof; and
11.3.4 Any such contribution by a Partner shall be made on or before the later of (1) the end of the taxable year of the liquidation or (2) 90 days after the date of the liquidation.

Notwithstanding anything to the contrary contained in this 11.3, in the event the Partnership is liquidated within the meaning of Section 1.704-1(b)(2)(ii)(g) of the Regulations, such liquidation does not constitute a dissolution and termination of the Partnership pursuant to this Partnership Agreement, then no distributions shall be made pursuant to Section 11.2 hereof. Instead, the Partnership shall be deemed to have distributed the Partnership Property in kind to the Partners, who shall be deemed to have assumed and taken subject to all Partnership liabilities, all in accordance with their respective Capital Accounts. Immediately thereafter, the Partners shall be deemed to have recontributed the Partnership Property in kind to the Partnership, which shall be deemed to have assumed and taken subject to all such liabilities.

Section 11.4 Rights and Obligations of Limited Partner Upon Dissolution. Except as otherwise expressly provided in Section 11.3.2 hereof, the Limited Partner shall look solely to the assets of the Partnership for the return of its Capital Contribution. Except as otherwise elected by the Limited Partner pursuant to this Section 11.4, the Limited Partner and Special Limited Partner shall not have any obligation to restore any deficit in their Capital Accounts upon the liquidation of the Partnership. Notwithstanding anything to the contrary contained in this Partnership Agreement, the Limited Partner and Special Limited Partner may from time to time elect to be obligated to restore a deficit in their Capital Accounts up to a limited dollar amount. Such election shall be made by the delivery of a written notice of election to the General Partner no later than April 15 following the taxable year for which such election is to be effective and shall specify the dollar amount of the deficit in its Capital Account that the Limited Partner or the Special Limited Partner agrees to restore. Such election shall be irrevocable and shall be binding on subsequent transferees of the Limited Partner’s or the Special Limited Partner’s Partnership Interest.

Section 11.5 Waiver of Partition. Each Partner hereby waives any right to partition or cause a partition of the Partnership Property.

Section 11.6 Final Accounting. The Liquidation Manager shall furnish each of the Partners with a statement setting forth the assets and liabilities of the Partnership as of the date of the completion of the winding up and termination of the affairs and business of the Partnership. Upon completion of the distribution plan set forth in this Article 11, the Liquidation Manager shall cause to be executed by the appropriate parties and filed in such public offices as shall be required under the Act a cancellation of the Certificate of Formation, or any amendment thereto, of the Partnership and any and all other documents which the Liquidation Manager deems necessary or appropriate to effect the dissolution and termination of the Partnership.

Brad – unfortunately NEF cannot provide permission to accommodate 811 units in NEF’s existing projects. The attached letter details the reasoning.

If you have any questions or need anything further, please let me know.

Re: Churchill’s 811 Eligible Properties

Dear Mr. Forslund:

National Equity Fund (“NEF”) serves as the Limited Partner and LIHTC investor in five LIHTC properties that are operated by Churchill Residential (“Churchill”) and are eligible for the Section 811 Project Rental Assistance Program (“811”). The five properties are as follows:

- Evergreen at Morningstar – 6245 Morning Star Dr. The Colony, TX
- Churchill at Champions Circle – 3424 Outlet Blvd. Fort Worth, TX
- Evergreen at Vista Ridge – 455 Highland Dr. Lewisville, TX
- Evergreen at Arbor Hills – 2314 Parker Rd. Carrollton, TX
- Evergreen at Rowlett – 5611 Old Rowlett Rd. Rowlett, TX

Churchill has brought to NEF’s attention an inquiry to add 811 units to these existing properties. NEF has a responsibility to its investors to maintain the initial underwriting, operational, and risk profile of these projects contemplated at closing and thus we respectfully deny this request as it would present significant challenges for each project’s stakeholders. NEF’s denial is based on the following:

1. NEF’s LPA Requires Consent to Alter a Project’s Unit Mix/Restrictions for all 5 Churchill projects listed above – To use Evergreen at Rowlett as an example, stated in the Limited Partnership Agreement (LPA) under Section 6.2 Restrictions of GP’s Authority:

   Notwithstanding anything to the contrary contained in this Partnership Agreement, neither the General Partner nor the Special Limited Partner shall have the authority to take any of the actions set forth below without the prior written consent of the Limited Partner and the General Partner shall not have the authority to seek the Limited Partner’s consent if the Special Limited Partner has not previously consented to such action:

   6.2.1 Do any act in contravention of or inconsistent with this Partnership Agreement or any other agreement to which the Partnership is a party (including, without limitation, those relating to the Project Documents, Construction Loan, Permanent Loan and Subordinate Cash Flow Loans);
The documents referenced above spell out the various rent set asides, tenant targeting, operating revenues and expenses, etc. associated with the property – incorporating 811 units constitutes as a change to those documents and thus legally requires NEF’s written approval.

2. Economic Risk – currently none of the Churchill properties listed above include project based vouchers; it would take significant costs to train management, compliance, and accounting personnel to accommodate 811 vouchers as Churchill manages their own properties and thus cannot leverage the knowledge of a larger, third party property management firm. These additional upfront and ongoing costs were not initially contemplated and underwritten at project closing. NEF recognizes that the 811 program provides subsidized rents that could potentially offset some or all of these costs; however, that determination would require an in-depth analysis (and potentially revised third party reports such as market study and appraisal) which would incur investor/lender costs that are in addition to the added on-going costs at the property level.

3. Operational Risk – The 5 properties above are stable, well performing communities with an active tenant base – 4 of the 5 are senior properties. These tenants are demanding, informed, and organized. It is unclear to NEF how the current tenant base will react to the potential of 811 tenants that were not contemplated when they made the decision to lease. The risk of increased tenant concerns and turnover is real even if the actual risk posed by 811 tenants is not.

To be clear, NEF does not have any issue with the 811 program and respects its purpose/mission as a worthy one. NEF plans to participate in many Texas communities going forward that include 811 units and NEF and the project’s stakeholders will have the ability to underwrite the program’s operational and economic implications at closing. However, it is extremely difficult and risky for NEF to recommend to our investors a significant change in unit restrictions, tenant targeting, economics, and operations after closing.

Please let me know if you have any questions regarding this matter.

Sincerely,

Jason Aldridge  
Vice President

(i) Notwithstanding anything to the contrary in Section 3.2 above, the Asset Manager may, in its sole and absolute discretion, waive any one or more of the requirements set forth in Sections 3.2.1 through 3.2.55 above and pay that installment of Project Equity; provided, however, any requirement that is waived must be satisfied prior to the payment by the Limited Partner of the respective Development Fee Equity.

(ii) Notwithstanding any reduction of the Limited Partner’s Capital Contribution installment next due, including a reduction to $0 of the installment next due or a reduction to $0 of all remaining Capital Contributions, that results from the operation of the provisions found in Sections 6.9.1 through 6.9.3, the General Partner shall remain obligated to satisfy on a timely basis all of the conditions related to the payment of the Project Equity and Non-Deferred Development Fee portions of each installment of Capital Contribution as described in Sections 3.2.1 through 3.2.55 above.

(iii) A portion of the Development Fee in the amount of $632,658.00 that is not projected to be paid out of the Limited Partner’s Capital Contribution or the Project financing shall be payable from available Cash Flow, with interest thereon at the rate of 0.00%, compounding annually and, if applicable, as provided in Section 3.1.5, above, subordinated to certain Cash Flow payments to be made to the Limited Partner. If any principal and/or accrued interest on the Deferred Development Fee remain unpaid by the end of the 12th year of the Compliance Period, the General Partner and Special Limited Partner shall make a Capital Contribution to the Partnership, as provided for in Section 3.1.5 above, in an amount sufficient to enable the Partnership to pay the outstanding amount of the Deferred Development Fee.

(iv) The General Partner shall deliver to the Limited Partner, not more than 30 days nor less than ten business days prior to the due date of each installment of the Limited Partner’s Capital Contribution, the General Partner’s
written certification in the form attached as Exhibit C that each of the applicable conditions set forth in Section 3.2.7, has been satisfied.

(v) Notwithstanding anything to the contrary herein, if there are any cost savings with respect to the development of the Project ("Cost Savings"), such Cost Savings shall be distributed, subject to the approval of the Asset Manager, in the following order: (A) first, in accordance with Section 5.1.1(i) through (v) hereof, (B) second, to reduce the amount of the Right-Sized Payment Amount (which shall not be deemed loans by the General Partner or the Special Limited Partner), as set forth in Section 6.4.6(i)(a), and (C) to the Special Limited Partner as an incentive construction oversight fee in an amount not to exceed such amount as permitted by the State Housing Finance Agency or in any of the Loan Documents.

3.2.7 The obligation to pay the amounts due under Section 3.2.1 through Section 3.2.5 is expressly conditioned upon each of the following requirements, in addition to those requirements that are set forth above, being satisfied at all times prior to and including the due dates of the above payments:

(i) The General Partner has fully complied with all of its covenants and obligations set forth in this Partnership Agreement (including, without limitation, those covenants, representations, and warranties set forth in Section 6.3);

(ii) The representations and warranties of the General Partner set forth in the Partnership Agreement are true and correct as of the date of funding of the Limited Partner Capital Contribution payment (including, without limitation, those set forth in Section 6.3);

(iii) The General Partner has fully complied with its obligation to furnish the Limited Partner with any reports or other information, in satisfactory form, required to be provided by the General Partner pursuant to Article 8 hereof, it being acknowledged and agreed that any penalty assessed against the General Partner under Section 8.6.1 for late delivery of reports shall be payable by the General Partner to the Limited Partner from any installment of the Development Fee payable under Section 3.2, and the Limited Partner shall be entitled to deduct and pay such penalty amount from any installment due under Section 3.2 and the amount so deducted and applied shall be deemed for all intents and purposes to have been applied toward payment of the Development Fee;

(iv) There has been no, and there is no imminent nor threatened, material adverse change in the General Partner’s financial or business condition or operations that affects (or with the passage of time will affect) its ability to perform its obligations hereunder; and

(v) There has been no Change in Law.
3.2.8 Subject to the provisions set forth above, if a Limited Partner's interest in the Partnership is liquidated (within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g)) prior to the payment of the Limited Partner's entire Capital Contribution pursuant to this Section 3.2, and the Limited Partner does not or has not provided a negotiable promissory note to evidence its obligation to pay its Capital Contribution, the Limited Partner shall pay no later than the end of the taxable year of the Partnership in which the Limited Partner’s interest is liquidated or, if later, within 90 days after the date of the liquidation the lesser of (1) the unpaid balance of its Capital Contribution; and (2) its negative Capital Account balance.

Section 3.3 Additional Provisions Concerning Capital Contributions

3.3.1 Each installment of the Limited Partner's Capital Contribution paid prior to conversion to the Permanent Loan shall be deposited into a designated account in the name of the Partnership with Construction Lender to be used in accordance with and as provided in the Credit Support and Funding Agreement entered into by and between the Partnership and Construction Lender.

3.3.2 Notwithstanding any other provision of this Partnership Agreement, but subject to credit adjusters provided in Section 6.9 herein, none of the amount, timing or conditions of the Limited Partner’s Capital Contributions may be amended nor shall any conditions to the funding of the Limited Partner’s Capital Contributions be added without the written consent of Construction Lender as long as the Construction Loan remains outstanding.

Section 3.4 Interest on Capital Contributions. The Partnership shall not pay any Partner interest on its Capital Contribution.

Section 3.5 Withdrawal and Return of Capital Contributions. Except as provided elsewhere herein, no Partner has the right: (i) to withdraw any part of its Capital Contribution from the Partnership; (ii) to demand a return of its Capital Contribution; or (iii) to receive property other than cash in return for its Capital Contribution.

Section 3.6 Capital Accounts.

3.6.1 The Partnership shall maintain for each Partner a separate capital account in accordance with Section 1.704-1(b) of the Regulations. The Capital Account of each Partner consists of the amount of its Capital Contribution, and will be (1) increased by (i) the fair market value of any property contributed by it to the Partnership, (ii) the amount of any Partnership liability assumed by such Partner or which is secured by any Partnership Property distributed to such Partner, and (iii) its allocable share of Profits and any items of income or gain specially allocated to it pursuant to Section 4.2.4 through Section 4.2.15, and (2) decreased by (i) the amount of any cash distributed to it, (ii) the fair market value of any Partnership Property distributed to it, (iii) the amount of any liability of such Partner assumed by the Partnership or which is secured by any property contributed by such Partner to the Partnership, and (iv) its allocable share of
Losses and any items of loss or deduction specially allocated to it pursuant to Section 4.2.4 through Section 4.2.15.

3.6.2 If any Partnership Interests are transferred in accordance with the terms of this Partnership Agreement, then the transferee will succeed to the Capital Account of the transferor to the extent it relates to the transferred Partnership Interest. Upon the occurrence of any of the following events, the Partnership shall revalue the Partnership Property and adjust the Partners’ Capital Accounts to reflect the gain (or loss) that would have been allocated to each Partner if all the Partnership Property had been sold at its fair market value immediately prior to the occurrence of any of the following events, and if required to cause the provisions herein regarding the maintenance of Capital Accounts to comply with Section 1.704(b) of the Regulations:

(i) Any new or existing Partner acquiring an additional interest in the Partnership in exchange for more than a de minimis Capital Contribution;

(ii) The Partnership distributing to a Partner more than a de minimis amount of property or money in consideration for an interest in the Partnership; or

(iii) The “liquidation” of the Partnership within the meaning of Section 1.704-1(b)(2)(ii)(g) of the Regulations, other than a “liquidation” resulting from a termination under Section 1.708-1(b)(2) of the Regulations.

The revaluation of the Partnership Property referred to in the immediately preceding sentence will be made in accordance with Section 1.704-1(b)(2)(iv)(f) of the Regulations.

The foregoing provisions and all other provisions of this Partnership Agreement relating to the maintenance of Capital Accounts are intended to comply with Section 1.704-1(b) of the Regulations and will be interpreted and applied in a manner consistent with such Regulations.

Section 3.7 Partnership Loans. Subject to the limitations set forth in Section 6.2.16, if from time to time the Partnership needs funds in excess of those provided by the Construction Loan, Permanent Loan, Subordinate Cash Flow Loans, Capital Contributions of the Partners, and funds required to be provided by the General Partner or any Affiliate of the General Partner pursuant to any obligation hereunder or any other agreement (such as pursuant to Sections 6.4.6(i) and 6.4.6(i)(a)), any Partner or other person, organization, or institution may loan such additional funds to the Partnership at an interest cost to the Partnership and upon such terms, as agreed upon by the General Partner in its reasonable discretion, subject to compliance with the terms of existing loan agreements and this Partnership Agreement. Any loan made by a General Partner or an Affiliate of a General Partner will not bear interest in excess of the long term annual compounding Applicable Federal Rate. Any Partner making any loan to the Partnership will be considered, in its capacity as maker of the loan, a general creditor of the Partnership and not as a Partner. Any loan made hereunder by a Partner will be paid as provided in Section 5.1 and Section 5.2 hereof.

Section 3.8 Additional Capital Contributions. Except as expressly provided in this Partnership Agreement, no Partner is required to make contributions to the capital of the Partnership.
Section 3.9  Limited Partner’s Withdrawal Option. In the event that the following events have not occurred by the specified dates, unless such dates are waived or extended in writing by the Limited Partner, then the Limited Partner may, at its sole option and discretion, withdraw from the Partnership at any time unless and until it waives such withdrawal right in writing.

Upon any such withdrawal, the Partnership shall (i) immediately return to the Limited Partner all Capital Contributions actually made to the Partnership by the Limited Partner, plus all expenses reasonably incurred by the Limited Partner in connection with entering into and withdrawing from the Partnership, and (ii) execute and file a release of the Limited Partner’s UCC Financing Statement securing its Capital Contribution obligation, the Partners shall execute an amendment to the Partnership Agreement, and the General Partner shall execute, file, and record, as applicable, an amendment to the Partnership’s Certificate of Formation, reflecting the withdrawal of the Limited Partner and the release of all of the Limited Partner’s obligations and liabilities in connection with the Partnership, all of the foregoing documents to be in form and content satisfactory to the Limited Partner. Notwithstanding any failure or delay in such execution and delivery, however, the Partnership Agreement shall be deemed to have been amended in accordance with the provisions of this Section 3.9 once the Limited Partner has provided the General Partner with written notice of its intent to withdraw. Nothing herein shall be construed to diminish any of the General Partner’s obligations under the Partnership Agreement to issue final accounting and tax reports to the Limited Partner for all periods prior to its withdrawal and in which its withdrawal occurred.
ARTICLE 4: ALLOCATION OF PROFITS, LOSSES AND TAX CREDITS

Section 4.1 Profit and Loss Allocations. Except as otherwise provided in Section 4.2, Profits and Losses for any Fiscal Year of the Partnership are allocated among the Partners in accordance with the following percentages:

Section 4.2 Special Allocations. Notwithstanding anything to the contrary contained in Section 4.1, the following special allocations in all events apply in determining the allocation of Profits and Losses among the Partners and are made prior to the allocations required under Section 4.1:

4.2.1 Depreciation and Tax Credits.

(i) Depreciation (cost recovery) deductions and Tax Credits are allocated 0.005% to the General Partner, 0.005% to the Special Limited Partner and 99.99% to the Limited Partner.

(ii) Any recapture of Tax Credits is allocated to the Partners that were allocated (or whose predecessors-in-interest were allocated) the depreciation/cost recovery deduction and Tax Credits associated therewith.

4.2.2 Limitation on Allocations of Losses. To the extent the allocation of any Losses to a Limited Partner would cause that Limited Partner to have an Adjusted Capital Account Deficit at the end of any Fiscal Year of the Partnership, then those Losses will not be allocated to that Limited Partner, but rather will be specially allocated to the General Partner.

4.2.3 Profit Chargeback. To the extent any Losses are allocated to the General Partner in accordance with Section 4.2.2 above, then Profits will thereafter first be specially allocated to the General Partner in proportion to and in an amount (1) up to but not exceeding the amount of any such allocations of Losses made to the General Partner under such Section 4.2.2, but (2) not to the extent that Losses would be allocated to the Limited Partner in excess of the amount permitted by such Section 4.2.2.

4.2.4 Partnership Minimum Gain Chargeback. Notwithstanding any other provision of this Article 4, if there is a net decrease in Partnership Minimum Gain during any Partnership Fiscal Year, then each Partner will be specially allocated items of Partnership income or gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to the portion of such Partner’s share of the net decrease in the Partnership Minimum Gain (determined in accordance with Section 1.704-2(g) of the Regulations). Any allocations made pursuant to this Section 4.2.4 are to be made in
proportion to the respective amounts required to be allocated to each of the Partners pursuant thereto. The items of Partnership income or gain specially allocated under this Section 4.2.4 are to be determined in accordance with Section 1.704-2(f) of the Regulations. This Section 4.2.4 is intended to comply with the minimum gain chargeback requirements of Section 1.704-2(f) of the Regulations and will be interpreted consistently therewith.

4.2.5 **Partner Minimum Gain Chargeback.** Notwithstanding any other provision of this Article 4 (except Section 4.2.4), if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any Partnership Fiscal Year, then each Partner who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt (as determined in accordance with Section 1.704-2(i)(5) of the Regulations) will be specially allocated items of Partnership income and gain for such Fiscal Year (and if necessary, subsequent Fiscal Years) in an amount equal to the portion of such Partner's share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt (as determined in accordance with Section 1.704-2(i)(4) of the Regulations). Any allocations made pursuant to this Section 4.2.5 will be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items of Partnership income or gain specially allocated under this Section 4.2.5 will be determined in accordance with Section 1.704-2(i)(4) of the Regulations. This Section 4.2.5 is intended to comply with the minimum gain chargeback requirements of Section 1.704-2(i)(4) of the Regulations and will be interpreted consistently therewith.

4.2.6 **Qualified Income Offset.** If a Limited Partner unexpectedly receives any adjustments, allocations, or distributions described in Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, then items of Partnership income or gain will be specially allocated to that Limited Partner in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of that Limited Partner as quickly as possible. The special allocations required pursuant to this Section 4.2.6 are made only if and to the extent that that Limited Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 4 have been tentatively made as if this Section 4.2.6 were not in the Partnership Agreement. This Section 4.2.6 is intended to comply with the qualified income offset requirements of Section 1.704-1(b)(2)(ii)(d) of the Regulations and will be interpreted consistently therewith.

4.2.7 **Gross Income Allocation.** If a Limited Partner has a deficit balance in its Capital Account at the end of any Partnership Fiscal Year which exceeds the sum of (1) the amount that Limited Partner is obligated to restore pursuant to any provision of this Partnership Agreement and (2) the amount that Limited Partner is deemed to be obligated to restore pursuant to the penultimate sentences of Section 1.704-2(g)(1) and Section 1.704-2(i)(5) of the Regulations, then that Limited Partner will be specially allocated items of Partnership income or gain in the amount of such excess as quickly as possible. The special allocations required pursuant to this Section 4.2.7 are made only if and to the extent that that Limited Partner would have a deficit Capital Account in excess of the aforementioned sum after all of the allocations provided for in this Article 4 have
been tentatively made as if Section 4.2.6 and this Section 4.2.7 were not in the Partnership Agreement.

4.2.8 **Nonrecourse Deductions.** Nonrecourse Deductions are specially allocated among the Partners in accordance with the same percentages set forth in Section 4.1 with respect to Profits and Losses.

4.2.9 **Partner Nonrecourse Deductions.** Partner Nonrecourse Deductions are specially allocated to the Partner who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Section 1.704-2(i) of the Regulations.

4.2.10 **754 Adjustment.** To the extent an adjustment to the adjusted tax basis of any Partnership Property undertaken pursuant to Section 734(b) or 743(b) of the Code is required to be taken into account in determining the Capital Accounts of the Partners under Section 1.704-1(b)(2)(iv)(m) of the Regulations, then the amount of such adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss will be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to the aforementioned section of the Regulations.

4.2.11 **Imputed Interest.** To the extent the Partnership has taxable interest income with respect to any Capital Contribution pursuant to Section 483 or Sections 1271 through 1288 of the Code, then (i) such interest income will be specially allocated to the Partner to whom such Capital Contribution relates, and (ii) the amount of such interest income will be excluded from the Capital Contributions credited to such Partner’s Capital Account in connection with the payments of principal with respect to such Capital Contribution.

4.2.12 **Curative Allocations.** The special allocations set forth in Section 4.2.4 through Section 4.2.9 are intended to comply with the requirements of Section 1.704-1(b) of the Regulations. These special allocations may lead to results, which are inconsistent with the Partners’ intentions concerning their sharing in Partnership distributions. Accordingly, the General Partner is hereby authorized and directed to specially allocate other items of Partnership income, gain, loss, and deduction among the Partners so as to prevent the special allocations required under Section 4.2.4 through Section 4.2.9 of this Section 4.2 from distorting the Partners’ understanding of the manner in which Partnership distributions are to be made to the Partners upon the dissolution and termination of the Partnership. In general, it is anticipated that the special allocations, if any, made under this Section 4.2.12 are made by specially allocating other items of Partnership income, gain, loss, and deduction among the Partners so that the sum of the special allocations made to each Partner pursuant to Section 4.2.4 through Section 4.2.9 of this Section 4.2 equals the sum of the special allocations made under this Section 4.2.4. In order to preserve its Capital Account to allow the allocation of Tax Credits to the Limited Partner in accordance with Section 4.2.1, the Limited Partner may select certain classes of deductions (but not depreciation deductions) to be allocated solely to
the General Partner. The Limited Partner shall notify the General Partner in writing no later than the due date (without extension) of the Partnership tax return for any fiscal year of the deductions to be allocated to the General Partner in this manner, and the General Partner and Limited Partner shall cause the Partnership Agreement to be amended to reflect the special allocation described in the preceding sentence. Such amendment shall be considered effective as of the first day of the year for which such return relates.

4.2.13 Matching Income Allocation of Income or Gain from Sales and Refinancing Proceeds. All items of Partnership income or gain arising from events resulting in Net Cash from Sales or Refinancings are allocated:

(i) first, as specified in Sections 4.2.4 through 4.2.7, Section 4.2.10 and Section 4.2.12 and Section 4.4.3 of this Partnership Agreement;

(ii) second, if after the allocation of Profits and Losses for the Fiscal Year in which the gain arose, any Limited Partner has a negative Capital Account balance, 99.99% to the Limited Partner, 0.005% to the Special Limited Partner, and 0.005% to the General Partner, until each Limited Partner’s negative Capital Account is equal to zero;

(iii) third, to any General Partner that has a negative Capital Account balance after the allocation of Profits and Losses for the Fiscal Year in which the gain arose, until its Capital Account balance is equal to zero;

(iv) fourth, 99.99% to the Limited Partner, 0.005% to the Special Limited Partner, and 0.005% to the General Partner, until each Limited Partner’s positive Capital Account balance equals any amount to be distributed to the Limited Partner pursuant to Section 5.2.1(i) and Section 5.2.1(ii); and

(v) fifth, to the Partners in accordance with the percentages specified in Section 5.2.2.

4.2.14 Grant Income. Any income recognized by the Partnership as a result of any receipt of grants by the Partnership shall be allocated 100% to the General Partner, provided that if the General Partner is (i) a “tax-exempt entity” within the meaning of Section 168(h)(2) of the Code, or (ii) a “tax-exempt controlled entity” within the meaning of Section 168(h)(6)(F)(iii) of the Code and has not made the election under Section 168(h)(6)(F)(ii) of the Code, the allocations to the General Partner under this Section 4.2 and Section 4.3 shall be limited to the highest percentage of the Partnership’s property treated as tax-exempt use property, as reflected in the Projections.

4.2.15 Special Adjustment. The special allocations in this Section 4.2.15 shall apply notwithstanding any provision of this Partnership Agreement to the contrary. Prior to making any special allocations set forth in this Section 4.2, items of expenses and other deductions (other than depreciation, amortization, cost recovery deductions and Nonrecourse Deductions) equal to the sum of the amount of any loans to the Partnership made by the General Partner or any of its Affiliates pursuant to or for the purposes described in Section 3.7 and Sections 6.4.6(i) and 6.4.6(ii) are specially allocated to the
General Partner in each tax year in which any such loan is made. Further, if any loans of the General Partner or its Affiliates are repaid by the Partnership from Cash Flow pursuant to Section 5.1(a), the General Partner shall be specially allocated an amount of gross income equal to the lesser of (i) the amount of such repayment, or (ii) the aggregate amount of expenses and deductions specifically allocated to the General Partner under this Section 4.2.15. If the General Partner is (i) a “tax-exempt entity” within the meaning of Section 168(h)(2) of the Code, or (ii) a “tax-exempt controlled entity” within the meaning of Section 168(h)(6)(F)(iii) of the Code and has not made the election under Section 168(h)(6)(F)(ii) of the Code, the allocations to the General Partner under this Section 4.2.15 shall be limited to the highest percentage of the Partnership’s property treated as tax-exempt use property, as reflected in the Projections.

Section 4.3 Timing of Allocations. Except as otherwise expressly provided in this Partnership Agreement, all allocations of Profits, Losses, and Tax Credits are to be made as of the last day of each Fiscal Year of the Partnership.

Section 4.4 Other Allocation Rules. The following rules apply for the purpose of interpreting and applying the provisions of this Article 4 relating to the allocation of Profits, Losses, and Tax Credits among the Partners:

4.4.1 Excess Nonrecourse Liabilities. Solely for purposes of determining a Partner’s proportionate share of the “excess nonrecourse liabilities” of the Partnership within the meaning of Section 1.752-3(a)(3) of the Regulations, the Partners’ respective interests in Partnership Profits shall be those percentage interests set forth in Section 4.1 (determined without regard to Section 4.2).

4.4.2 Effect of Cash Distributions. To the extent permitted by Sections 1.704-2(h) and 1.704-2(i)(6) of the Regulations, the General Partner shall endeavor to treat distributions of Cash Flow as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such distributions would cause or increase an Adjusted Capital Account Deficit for any Limited Partner.

4.4.3 Recharacterization of Fee as Distribution. If any fee or portion thereof payable to any Partner or any Affiliate thereof is determined to be a nondeductible distribution from the Partnership to a Partner for federal income tax purposes, there will be allocated to such Partner an amount of gross income equal to such distribution.

Notwithstanding anything to the contrary in this Partnership Agreement, if the (i) Project Property was acquired from the General Partner or its Affiliate, and (ii) Projections reflect any amount of Tax Credits allocated in respect of the acquisition of the Project Property, then, except as set forth in the Code or the Treasury Regulations thereunder, the General Partner shall not be allocated nor shall the General Partner receive a distribution in excess of 45% of the Profits, Losses, or Cash Flow (except for payment of Development Fees or repayment of any General Partner loans) of the Partnership.
Section 4.5  **Tax Effect of Allocations.** Except as otherwise required under the second paragraph of this Section 4.5, the allocation of Profits, Losses, and Tax Credits to any Partner under this Article 4 is deemed an allocation to that Partner of the same proportionate part of each separate item of Partnership taxable income, gain, loss, deduction, or credit comprising such Profits, Losses, and Tax Credits, including, without limitation, any “unrealized receivable” or “substantially appreciated inventory item” under Section 751 of the Code. The Partners are aware of the income tax consequences of the allocations made pursuant to this Article 4 and hereby agree to be bound by the provisions of this Article 4 in reporting their respective shares of Partnership income, gain, loss, deduction, and credit for income tax purposes.

Notwithstanding anything to the contrary contained in this Article 4, income, gain, loss, deduction, and credit with respect to any Partnership Property contributed to the capital of the Partnership by any Partner is, solely for tax purposes, allocated among the Partners so as to take into account any variation between the adjusted tax basis of such Partnership Property for the Partnership for federal income tax purposes and the value assigned to such Partnership Property for the purposes of the computation of the Partners’ Capital Accounts. If any revaluation of the Partnership Property is made by the General Partner (which revaluation may only be made with the consent of the Limited Partner) then any subsequent allocations of income, gain, loss, deduction, and credit with respect to such Partnership Property will take into account any variation between the adjusted tax basis of such Partnership Property for federal income tax purposes and the value assigned to such Partnership Property as a result of such revaluation. All allocations required under this paragraph of Section 4.5 are solely for purposes of federal, state, and local income taxes. These allocations do not affect and must not in any way be taken into account in computing any Partner’s Capital Account or any Partner’s share of Profits, Losses, Tax Credits or other items or distributions required or permitted to be made pursuant to any provision of this Partnership Agreement. This Section 4.5 is intended to conform to Section 704(c) of the Code.

5.1.2 After making the payments described in Section 5.1.1 hereof, the remaining Cash Flow, if any, shall be distributed to the Partners in accordance with the following percentages:
Notwithstanding any other provision of this Section 5.1 to the contrary for each Fiscal Year a sufficient amount of Cash Flow shall be distributed to the Limited Partner such that, when such distribution is added to all other distributions of Cash Flow made to the Limited Partner with respect to such Fiscal Year, the Limited Partner will have received an amount of Cash Flow equal to at least 10% of all Cash Flow which remains after repayment of the loans referred to in Section 5.1.1(vii) with respect to such Fiscal Year.

Section 5.2 Net Cash from Sales and Refinancings. Except as otherwise provided in Article 11 of this Partnership Agreement (pertaining to the liquidation and dissolution of the Partnership), Net Cash from Sales and Refinancings shall be paid or distributed to the Partners as provided in this Section 5.2.

(iii) Third, to pay any accrued and unpaid principal and interest on loans made by the Limited Partner pursuant to Section 3.7;

(iv) Fourth, to the payment of current and accrued Asset Management Fees, if outstanding;

5.2.2 **Distributions.** After making the payments specified in Section 5.2.1 hereof, the balance of Net Cash from Sales and Refinancings, if any, shall be distributed 10% to the Limited Partner, 81% to the Special Limited Partner and 9% to the General Partner.

Section 5.3 **Timing of Distributions.** Distributions of Cash Flow shall be made annually within 90 days after the end of each Fiscal Year of the Partnership. The determination of the amount of Cash Flow distributable annually to the Partners under this Article 5 shall be based upon the state of facts existing on the last day of each Fiscal Year of the Partnership.

Section 5.4 **Treatment of Distributions.** Distributions to a Partner of Cash Flow are considered draws against such Partner’s allocable share of the Partnership’s Profits and Losses.

Section 5.5 **Failure to Make Tax Elections.** Notwithstanding anything to the contrary in this Article 5 or Article 4, if the General Partner is required to make the election pursuant to Section 168(h)(6)(F)(ii) of the Code and the election to be taxed as a corporation for Federal income tax purposes but fails to properly do so within the timeframe set forth in this Agreement, then the General Partner shall not be entitled to (i) any distributions under this Article 5 (except for the payment of any Development Fee or repayment of any General Partner loans) in excess of 0.005% of the Cash Flow or (ii) any Profit and Loss allocation under Article 4 (except as required under Section 704 of the Code or the Regulations thereunder) in excess of 0.005%.

6.4.1 Securities Law Matters. The General Partner shall prepare and file appropriate reports for the Partnership, if any, with the Securities and Exchange Commission and state securities administrators.

6.4.2 Limited Partnership Status. The General Partner shall (i) file such certificates and do such other acts as may be required to qualify and maintain the Partnership as a limited partnership under the Act and to qualify the Partnership to transact business in all such jurisdictions as may be required under applicable provisions of law and (ii) take or cause the Partnership to take all reasonable steps deemed necessary by counsel to the Partnership to assure that the Partnership is at all times classified as a partnership for federal and state income tax purposes.

6.4.3 Tax Matters Partner. For the purposes of Subchapter C of Chapter 63 of the Code, the General Partner shall serve as the “Tax Matters Partner” of the Partnership and, as such, has all of the rights and obligations given to a Tax Matters Partner under said Subchapter. (v) Intervene in any action brought by any other Partner for judicial review of a final adjustment of any Partnership tax item; or

(vi) Take any other action that would have the effect of finally resolving a tax matter affecting the rights of the Partnership and its Partners or otherwise have a material adverse effect on any tax matters affecting the Partnership and its Partners.

The General Partner shall keep the Limited Partner and the Special Limited Partner advised of any dispute the Partnership may have with any federal, state, or local taxing authority, and shall afford the Limited Partner and the Special Limited Partner the right to participate directly in negotiations with any such taxing authority in an effort to resolve any such dispute.

6.4.4 Governmental Filings. The General Partner shall prepare, sign, and submit to the IRS, the State Housing Finance Agency, and any other governmental authority having jurisdiction over the Project Property, on a timely basis, any and all annual reports, information returns, and other certifications and information required by any such governmental agency. The General Partner shall cause the Partnership to comply with all other applicable requirements of any federal, state, or local agency having jurisdiction over the Project Property, including, without limitation, any requirements of any such governmental agency with respect to the funding and maintenance of any operating or replacement reserves for the Project Property.

6.4.5 Bank Accounts. The General Partner shall establish in the name and on behalf of the Partnership such bank accounts as shall be required to facilitate the operation of the Partnership’s business. Funds of the Partnership held in bank accounts shall be deposited in one or more interest bearing accounts maintained in FDIC insured banking institutions, with no such account having a balance in excess of the maximum insured amount, or in Temporary Permitted Investments. If the Partnership incurs any loss due to any Partnership funds being deposited in FDIC insured accounts with balances in excess of the maximum insured amount and that are not Temporary Permitted Investments, the General Partner and the Guarantor (pursuant to the Guaranty Agreement) shall be absolutely and unconditionally liable to the Partnership and the Limited Partner with respect to any such loss. If the construction cost overruns are due to the gross negligence or willful misconduct of the General Partner or any of its Affiliates, then any guaranty advances made by the General Partner to cover such costs shall be deemed to be damages that are not repayable as loans to the Partnership.

(b) If, immediately prior to the conversion of the Construction Loan to the Permanent Loan, the Right-Sized Permanent Loan Amount is less than the Permanent Loan amount that is set forth in the Projections (the difference between the two amounts being referred to herein as the "Right-Sized Payment Amount"), then the amount of the Permanent Loan shall be reduced to the Right-Sized Permanent Loan Amount and the General Partner shall be required, as part of its Development Completion Guaranty, to provide funds to the Partnership in an amount equal to the
sum of (a) the Right-Sized Payment Amount plus (b) an amount equal to any penalties or premiums the Partnership is obligated to pay to the Permanent Lender due to the reduction of the Permanent Loan amount to the Right-Sized Permanent Loan Amount. Any funds provided by the General Partner in accordance with the preceding clause (b) shall be promptly paid by the Partnership to the Permanent Lender. If, however, the Partnership is prohibited from reducing the amount of the Permanent Loan pursuant to the Permanent Loan Documents, then the General Partner using its own funds shall deposit into the Operating Reserve Account an amount equal to the Right-Sized Payment Amount.

(ii) **Operating Deficit Guaranty.** The General Partner shall be required, upon the reduction of the Operating Reserve Account to zero, to promptly provide funds to the Partnership from time to time as needed in an amount up to the Operating Deficit Guaranty Amount for Operating Deficits occurring during the Operating Deficit Guaranty Period. Repayment of any letters of credit or other borrowings arranged by the General Partner to meet its obligations under this Section 6.4.6(ii) shall be the sole obligation of the General Partner. Subject to Section 6.4.6(iii) below, funds made available by the General Partner to fulfill its obligations pursuant to this Section 6.4.6(ii) shall be accounted for as unsecured loans to the Partnership by the General Partner and may be reimbursed to the General Partner, without interest, in accordance with Section 5.1 hereof, or out of the proceeds of refinancing or sale pursuant to Section 5.2 hereof. If the Operating Deficit overruns are due to the gross negligence or willful misconduct of the General Partner, then any guaranty advances made by the General Partner to cover such costs shall be deemed to be damages that are not repayable as loans to the Partnership.

(iii) **Cumulative Guaranty Obligations.** The various guaranty obligations under this Section 6.4.6 are cumulative, not concurrent. Any limitation of liability under one guaranty shall not affect the amount of liability under any other guaranty, and any payment of obligations under one guaranty shall not reduce the amount of liability under any other guaranty.

6.4.7 **Required Reserves.**

(i) **Lease-up Reserve.** The General Partner shall establish a lease-up reserve (the “Lease-up Reserve”) which shall be used only to fund Operating Deficits incurred by the Partnership prior to the commencement of the Operating Deficit Guaranty Period. The Lease-up Reserve shall be funded from Limited Partner’s Second Installment of Project Equity in the amount of $551,566.00, held in a separate bank account (the “Lease-up Reserve Account”), controlled by the General Partner (or a Project lender, if required by such lender), and maintained until the beginning of the Operating Deficit Guaranty Period. The General Partner shall report on disbursements from the Lease-up Reserve in the quarterly management reports provided to the Asset Manager in accordance with Section 8.2.2. Any disbursement from the Lease-up Reserve by the General Partner for
any purpose other than funding Operating Deficits prior to the Operating Deficit Guaranty Period shall constitute an Event of Default under Section 10.6.1. The obligations related to the Lease-up Reserve are in addition to, and not in place of, those of the General Partner pursuant to Sections 6.4.6(i) and 6.4.6(i)(a) above. If, on the date that the Partnership achieves Stabilized Occupancy there are any funds remaining in the Lease-up Reserve Account, those funds shall, subject to any required Lender consent and after being used to fund any amounts identified in Section 3.2.6(v)(A) and (B), be used to fund up to $200,000 of the incentive construction oversight fee contemplated in Section 3.2.6(v) hereof, and then the remainder shall be deposited into the Replacement Reserve Account described below, in addition to the amounts required to be deposited in the Replacement Reserve Account pursuant to Section 6.4.7(ii), below.

(ii) **Operating Reserve.** The General Partner shall establish an operating reserve (the "Operating Reserve") to fund Operating Deficits incurred by the Partnership. The Operating Reserve shall be funded from Limited Partner’s Fifth Installment of Project Equity in the amount of $514,938.00, held in a separate bank account (the “Operating Reserve Account”), controlled by the General Partner (or a Project lender, if required by such lender), and maintained until the end of the Project’s Compliance Period. Throughout the Compliance Period, the General Partner shall also be obligated, to the extent funds are available, to replenish the Operating Reserve Account up to the Operating Reserve Target Amount out of Cash Flow in accordance with Section 5.1 hereof or from sales or refinancings (prior to the distribution of Net Cash from Sales and Refinancings). Withdrawals from the Operating Reserve Account will require the prior written approval of the Asset Manager (except in the event of an emergency that has an immediate impact on the safety of the residents or structural integrity of the Project, in which case the General Partner shall, within five business days of such withdrawal, notify the Asset Manager and the Special Limited Partner in writing of the amount of the withdrawal from the Operating Reserve Account and the purpose for which such withdrawal was made). If the Operating Reserve Account is under the control of a Project lender, the General Partner shall first obtain the approval of the Asset Manager prior to obtaining the consent of the Project lender. Within 30 days of receipt and approval by the Asset Manager of such request, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such 30-day period, the withdrawal request will be deemed to be approved. Upon depletion of all of the funds in the Operating Reserve Account, any continuing shortfalls shall be funded pursuant to the Operating Deficit Guaranty described above in Section 6.4.6(ii). Notwithstanding anything to the contrary in this Section 6.4.7(ii), beginning in the 11th year of the Credit Period and for every year thereafter, the General Partner shall be allowed to request of the Asset Manager the ability to use up to 20.00% of any funds remaining in the Operating Reserve Account for each remaining year of the Compliance Period for the sole purpose of funding capital improvements and repairs to the Project, in accordance with Section 6.4.7(iii) below; provided, however, that (A) the Operating Reserve
Account on the first day of the 11th year is funded in an amount not less than the Operating Reserve Target Amount, (B) the Project has achieved an average Debt Service Coverage Ratio of 1.15 or better for the immediate prior 24 months (during which time there had been no draws upon the Operating Reserve Account), and (C) the General Partner provides satisfactory evidence to the Asset Manager that the Project is projected to operate at a Debt Service Coverage Ratio of 1.15 or better for the remaining term of the Compliance Period. Any excess funds remaining in the Operating Reserve Account at the end of the Compliance Period shall be released from the Operating Reserve Account and used by the Partnership to first pay the Limited Partner’s exit taxes due upon sale or dissolution pursuant to Section 5.2 and Section 11.2 hereof. Any funds in the Operating Reserve Account still remaining after the Limited Partner’s exit taxes have been paid shall be distributed to the Partners in accordance with Section 5.2 and Section 11.2 hereof.

(iii) Replacement Reserve. The General Partner shall establish a replacement reserve (the “Replacement Reserve”) to fund capital improvements and repairs to the Project. The General Partner shall fund the Replacement Reserve with proceeds from Gross Cash Receipt beginning on January 1st of the year immediately following the year in which the Project is Placed in Service. The Replacement Reserve shall be held in a separate bank account (the “Replacement Reserve Account”), controlled by the General Partner (or a Project lender, if required by such lender), and maintained throughout the Project’s Compliance Period. The General Partner will be required to fund the Replacement Reserve Account on a cumulative basis, annually, in an amount equal to the greater of $250 per unit per year (to be increased annually by 3%) or such amount as required by any Project lender, from Gross Cash Receipts prior to distribution of Cash Flow. Withdrawals from the Replacement Reserve Account during any calendar year that in the aggregate exceed the lesser of $5,000.00 or 10.00% of the amount of any remaining funds in the Replacement Reserve Account at such time, shall require the written approval of the General Partner and the Asset Manager. Within ten business days of Receipt and approval by the Asset Manager of such request, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such ten-business-day period, the withdrawal request will be deemed to be approved. Any funds remaining in the Replacement Reserve Account at the end of the Project’s Compliance Period shall, subject to any required Lender consent, be released from the Replacement Reserve Account and used by the Partnership to first pay the Limited Partner’s exit taxes due upon sale or dissolution pursuant to Section 5.2 and Section 11.1 hereof. Any funds still remaining in the Replacement Reserve Account after the Limited Partner’s exit taxes have been fully paid shall, subject to any required Lender consent, be distributed to the Partners in accordance with Section 5.2 hereof (in the case of a sale of the Project), or in accordance with Section 11.2 hereof (in the case of the dissolution of the Partnership). After the completion of the seventh year of the Project’s Compliance Period, the Asset Manager shall have the right to require a
physical assessment of the Project pursuant to which the amount required to be maintained in the Replacement Reserve Account may be increased at the reasonable discretion of the Asset Manager.

The above reserves shall be held in segregated interest bearing accounts (the Lease-up Reserve, if applicable, may be held in the same account as the Operating Reserve). Any failure to obtain any required approval of the Asset Manager or failure to provide the Asset Manager with proper notice shall constitute an Event of Default under Section 10.6 below. Any interest earned with respect to any of the above reserve accounts shall be deposited into that respective reserve account for the benefit of the Partnership.

6.4.8 **Qualified Occupancy.** The General Partner shall use its best efforts to cause the Project Property to achieve Qualified Occupancy on or before the Qualified Occupancy Date.

6.4.9 **Property Management.** The General Partner, on behalf of the Partnership, shall enter into a Property Management Agreement with the Property Management Agent for the physical property management and leasing of the Project, in form and of content as set forth in a separate document approved in writing by the General Partner and the Asset Manager. The General Partner, on behalf of the Partnership, shall diligently enforce all of the obligations of the Property Management Agent under the Property Management Agreement and shall perform all of the Partnership's obligations as owner thereunder, subject to the following terms and conditions:

(i) **Renewal or Successor Agreements.** Upon the termination of such Property Management Agreement or any subsequent Property Management Agreement, the General Partner shall renew the same or enter into an agreement that does not differ materially from the initial Property Management Agreement in Property Management Agent obligations and owner remedies, or in any other respect, with the same Property Management Agent or another Property Management Agent of at least comparable ability and experience who can reasonably be expected to perform at least as well, subject to the requirements of subparagraphs (ii) and (iii) hereinbelow.

(ii) **Notice and Consultation.** If the General Partner wishes to enter into a new form of management agreement or retain the services of a different Property Management Agent, it shall give the Asset Manager and the Special Limited Partner at least 30 business days' prior written notice of the proposed change, accompanied by a copy of any proposed new Property Management Agreement and a written description of the identity and qualifications of any proposed new Property Management Agent, and the General Partner shall consult with the Asset Manager regarding the proposed change.

(iii) **Asset Manager Consent.** Under any circumstances, the General Partner shall not enter into a new management agreement materially different
from the initial Property Management Agreement in any respect without the prior
written consent of the Asset Manager as to the form and content of such new
management agreement, nor shall the General Partner retain the services of a
property management agent other than a property management agent previously
approved by the Asset Manager without the prior written consent of the Asset
Manager as to the identity and qualifications of such new property management
agent, provided such consent shall not be unreasonably withheld, conditioned or
delayed. For purposes of this provision, a management agreement shall be
deemed to be materially different if the agreement involves a change in the
parties, services or fees to be provided to the Property Management Agent.

(iv) **Termination of Non-Performing Property Management Agent.**
If the Property Management Agent fails to perform any of its obligations under
the Property Management Agreement, whether general or specific obligations, in
any material respect, including without limitation, failure to capably manage the
Project as measured by sustained high Project vacancies, delinquent rents, or
Operating Deficits (in each case beyond levels specified in the Projections),
inadequate maintenance, or failure to qualify tenants under low-income housing
tax credit requirements, or repeated failure to provide or unreasonable delay in
providing accurate financial or operating reports to the General Partner and the
Limited Partner, the General Partner shall promptly comply with the terms of the
Property Management Agreement regarding notice to the Property Management
Agent and its opportunity to cure. The General Partner shall also simultaneously
provide the Asset Manager and the Special Limited Partner with a copy of this
notice and any documentation explaining why the Property Management Agent
should not be terminated for cause. Upon expiration of the applicable cure
period, and the failure of the Property Management Agent to cure its breach of the
Property Management Agreement, the General Partner shall consult with the
Asset Manager as to whether or not the Property Management Agent should be
retained and, if so, under what terms and conditions. Unless within ten business
days of the delivery of this notice the Asset Manager consents in writing to the
retention of the Managing Agent, the General Partner shall terminate the Property
Management Agent for cause, in accordance with the terms of the Property
Management Agreement. The General Partner shall also immediately enter into a
new Property Management Agreement with a substitute Property Management
Agent, subject to the prior written consent of the Asset Manager. For purposes of
this Section 6.4.9(iv), “cause” shall include, but not be limited to, any one of the
following: (a) failure to promptly and competently perform (after any applicable
notice and within the applicable cure period) all duties of the Property
Management Agent under the Property Management Agreement with the
Partnership, (b) failure of the Project to generate at least 80% of the Projected Tax
Credits in any calendar year, (c) failure to materially comply with the record
keeping, tenant qualification and rental requirements of the Extended Use
Agreement and Section 42 of the Code and the Regulations, rulings, and policies
related thereto, (d) material mismanagement of the Project, or (e) if the Property
Management Agent is an Affiliate of the General Partner, removal of the General
Partner pursuant to Section 10.6 hereof.
6.4.9 Removal of Non-Complying General Partner. If the General Partner fails to comply with any of the requirements of this Section 6.4.9, it may be removed for cause pursuant to Section 10.6 hereof.

All Property Management Agreements shall contain specific provisions requiring the Property Management Agent to rent to low-income tenants at the level required to maintain Qualified Occupancy, to obtain prior written approval of the General Partner for any deviation from such level, to obtain tenant income certifications and employer and/or other relevant verifications of tenant income, to determine low-income tenant eligibility for tax credit purposes, to deliver certifications of its compliance with these requirements and of Project rent rolls upon Qualified Occupancy and annually prior to the times such information is required for low-income housing tax credit purposes, to keep records of such low-income rental and occupancy and deliver copies of leases, certifications, and verifications to the Partnership, and to prepare elections, certifications, and any other materials contemplated by Section 6.4.12 hereof, to the extent necessary or advisable to qualify for and maintain the Tax Credit and any other available tax benefits in connection with such rental and occupancy. Where the Property Management Agent is the General Partner, the Special Limited Partner, or their Affiliate, each management agreement shall provide that the property management agent’s monthly fees are accrued and subordinated to payment of Operating Deficits until funds are available to pay such fees.

6.4.10 Cooperation with Asset Manager. The General Partner shall cooperate and shall cause the Property Management Agent to cooperate fully with the Asset Manager so that the Asset Manager may carry out its duties and obligations. In the event that the Asset Manager is replaced or substituted by the Limited Partner, in its sole and absolute discretion, all rights, duties and obligations of the Asset Manager shall be assumed by and inure to the benefit of any such substitute or replacement Asset Manager upon delivery of notice by the Limited Partner to the General Partner of such replacement or substitution.

6.4.11 Rental Program. The General Partner shall cause the Project to be rented to low-income tenants to the extent projected in the Projections. Without limitation of the foregoing, the General Partner shall (i) use its best efforts to achieve Qualified Occupancy (as defined in Article I) within the time specified in the Projections; (ii) comply with the rent schedule set forth in the Projections; (iii) cause to be kept all records of rental and occupancy throughout the Compliance Period; (iv) cause the Property Management Agent to comply with all income certification and record-keeping requirements of the Code and Regulations, and of prudent management accounting practices, to support the claim of a low-income housing tax credit based on the occupancy requirements for the Project and any other material tax benefits resulting from such low-income occupancy of the Project; and (v) take such other actions required under Section 6.4.12 below to claim all available tax benefits in connection therewith. The General Partner and the Property Management Agent shall comply with all income certification and other record-keeping requirements of the Code and Regulations, and of prudent management accounting practices, to support the claim of a Tax Credit based on
the occupancy requirements for the Project and any other material tax benefits resulting from such low-income occupancy of the Project.

6.4.12 Tax Benefits Requirements. The General Partner acknowledges that it is of great importance that the Tax Credits and all other tax benefits contemplated in the Projections be achieved and maintained. Accordingly, the General Partner agrees as follows:

(i) **No Delays.** The General Partner shall not cause or suffer any delay in Placement in Service or Qualified Occupancy that would reduce such anticipated tax benefits.

(ii) **Record-Keeping.** The General Partner shall cause to be kept all records and cause to be made all elections and certifications, pertaining to the number and size of apartment units, occupancy thereof by tenants, income levels of tenants, set-aside for low-income tenants, and any other matters now or hereafter required to qualify for and maintain the Tax Credits and any other available tax benefits in connection with low-income occupancy of the Project.

(iii) **Set-Aside Election.** The minimum low-income set-aside requirement specified in the Projections was elected in the application for Tax Credits and may not be changed.

(iv) **Initial Tax Credit Year.** The General Partner shall elect, upon the request of the Limited Partner or subject to the approval of the Limited Partner, to claim such Tax Credits for each Building in the Project commencing with the earlier of the year in which Qualified Occupancy for such Building is achieved or (if the Partnership, with the express consent of the Limited Partner, makes a timely election pursuant to Code Section 42(f)(1)(B)) the year succeeding the year in which Placement in Service occurs. Subject to the foregoing, the General Partner shall develop and lease the Project so that the initial year during which such Tax Credit is claimed will be no later than the year specified in the Projections.

(v) **Annual Compliance Procedures.** As soon as feasible after Qualified Occupancy has occurred and annually thereafter, prior to the times such information is required by the State Housing Finance Agency for Tax Credit reporting purposes, the General Partner shall:

   (a) cause the Partnership’s Property Management Agent to submit to the Partnership the certifications and all other applicable materials related to low-income leasing described in Section 6.4.11 hereof;

   (b) check and verify the same against leases, certifications, and other appropriate back-up materials to the extent necessary or advisable to determine with reasonable assurance that the low-income leasing requirements have been met for Tax Credit purposes; and
(c) execute and deliver to the Limited Partner a certification, in form reasonably acceptable to the Limited Partner, stating that the General Partner has complied with the foregoing requirements and attaching copies of the managing agent’s certification and rent roll in a format reasonably acceptable to the Limited Partner.

The General Partner’s initial certification following Qualified Occupancy shall also specify the Qualified Occupancy Date.

(vi) **Cost Accounting.** As soon as feasible after Placement in Service has occurred, prior to the time such information is required by the State Housing Finance Agency for Tax Credit reporting purposes, the General Partner shall:

(a) cause the Accountant to submit to the General Partner a letter, as required by the State Housing Finance Agency and in a form and content reasonably acceptable to the Limited Partner, certifying that the Accountant has examined the Partnership’s books and records for the Project and, subject to any changes in facts or applicable law, is prepared to sign a tax return for the Partnership reflecting that all costs specified in the letter or in an attached schedule are includable in qualified basis for the Tax Credits; and

(b) execute and deliver to the Limited Partner a Cost Certification, in form and content reasonably acceptable to the Limited Partner, stating that the amounts described in the Accountant’s letter accurately reflect Project costs incurred and attaching a copy of such letter.

(vii) **Tax Filings.** The General Partner shall properly reflect all Tax Credits and other tax benefits in preparing and filing federal return of income forms on behalf of the Partnership in accordance with Section 8.4 hereof. Notwithstanding anything in this Partnership Agreement to the contrary, in no event shall the General Partner cause or suffer any delay in the filing of such form covering the year in which Qualified Occupancy occurred. The General Partner shall obtain and deliver to the Limited Partner at the earliest feasible time a fully executed Form 8609.

(viii) **Compliance Certifications.** The General Partner shall certify compliance with the elected set-aside requirement and report the dollar amount of Qualified Basis, maximum Applicable Percentage and Qualified Basis under the State Housing Finance Agency allocation, date of Placement in Service, and any other information required for the aforesaid Tax Credit within 90 days after the end of the first taxable year for which such Tax Credit is claimed and for each taxable year thereafter during the Compliance Period for such Tax Credit, or such other time periods as may hereafter be required by the Code or Regulations thereunder for such Tax Credit.
(ix) **Notice of Tax Benefits Reduction.** In the event at any time it becomes apparent to the General Partner that the tax benefits projected in the Projections are likely to be reduced, the General Partner shall promptly notify the Limited Partner of the circumstances.

(x) **Consequences of Tax Benefits Reduction or Delay.** In the event there is a reduction or delay of tax benefits, then the provisions of Section 6.9 hereof relating to reduction in the amount of remaining installments of Limited Partner’s Capital Contributions and other consequences described therein shall govern where applicable.

(xi) **Extended Use Agreement.** The General Partner, on behalf of the Partnership, shall enter into an Extended Use Agreement pursuant to Section 42(h)(6) of the Code, in the form of an agreement between the Partnership and the State Housing Finance Agency that has allocated or will allocate Tax Credits to the Project, and shall cause such agreement to be recorded pursuant to state law as a restrictive covenant as soon as feasible but in any event prior to the end of the tax year during which the Project is deemed to achieve Placement in Service under Section 42 of the Code.

(xii) **Local Code Compliance.** The General Partner shall maintain the Project in compliance with rules prescribed by the Secretary of Treasury pursuant to Section 42(i)(3)(B)(ii) of the Code. The General Partner shall also promptly provide the Limited Partner with any notice or other documentation sent by any federal, state or local governmental agency that the Project may be in violation of any health, environmental, safety, building, or other federal, state or local statute, regulation, or ordinance. With respect to building code or Environmental Law violations that are to be corrected during the construction or rehabilitation of the Project, the General Partner shall certify or shall cause the Architect or the project general contractor to certify upon completion of the Project that such building code and Environmental Law violations have been corrected. In lieu of a certification regarding the correction of building code violations, the General Partner may obtain or cause to be obtained a current owner’s title insurance policy indicating that no building code violations exist at the time construction or rehabilitation is completed.

(xiii) **Carryover Allocation Agreement.** The General Partner shall obtain from the State Housing Finance Agency and shall deliver to the Limited Partner within 10 days after receipt of each of the following:

(a) a Carryover Allocation Agreement and the Accountant’s Carryover Certification which states that the Partnership’s basis in the Project, as of the dated required under Section 42(h)(1)(E)(ii) of the Code, was greater than 10.00% of the Partnership’s reasonably expected basis in the Project as of the end of the second calendar year following the calendar year in which the Tax Credit allocation for the Project was awarded; or
(b) a reservation of Tax Credits, provided that:

1) the General Partner shall deliver or cause to be delivered to the Limited Partner the Accountant’s Carryover Certification 30 days prior to the date specified by the State Housing Finance Agency for the required Accountant’s Carryover Certification to be submitted to the State Housing Finance Agency; and

2) the General Partner shall deliver a copy of the Carryover Allocation Agreement to the Limited Partner and the Special Limited Partner within 30 days from the date that such Carryover Allocation Agreement is delivered to the Partnership.

(xiv) **Depreciation Schedule.** The General Partner shall take all acts and make any necessary filings or elections to cause the Project’s improvements to be depreciated for tax purposes in accordance with the Projections and shall not take any action or permit any event or circumstances to occur which would cause depreciation of the Project’s improvements to be changed therefrom. The General Partners shall cause to be kept adequate records of any such filings or elections and all other matters applicable to the Partnership’s depreciation of the Project’s improvements.

6.4.13 **Mold Inspections.** The General Partner agrees to inspect the Project Property at least once annually for the presence of any mold, fungus or moisture buildup in or on the Project Property. In the event any material amount of mold, fungus or moisture buildup is identified in or on the Project Property, the General Partner shall notify the Limited Partner within ten business days and shall consult with the Limited Partner regarding the need to hire an environmental consultant to evaluate the mold, fungus or moisture buildup and the need to prepare and implement a remediation plan.

**Section 6.5 Fees for Services Rendered.** The Partnership shall pay the following described fees to the Partners or Affiliates of one or more Partners indicated below:

6.5.1 **Development Fee.** As provided in the Development Agreement and Section 3.2 hereof, the Partnership shall pay the Development Fee to the Developer for the services and obligations described in the Development Agreement.

6.5.2 **Supplemental Development Fee.** As provided in the Development Agreement, the Partnership shall pay the Supplemental Development Fee to LifeNet Community Behavioral Healthcare pursuant to the terms of, and for the services and obligations described in, the Development Agreement.

6.5.3 **Asset Management Fee.** The Partnership shall pay the Asset Management Fee annually to the Asset Manager for property management oversight, tax credit compliance monitoring, and related services. The Asset Manager will not incur any liability to the General Partner or the Partnership as a result of the Asset Manager’s performance of or failure to perform its asset management services. The Asset Manager
owes no duty to the General Partner or the Partnership and may only be terminated by the Limited Partner.

6.5.4 **Disposition Fee.** The Partnership shall pay the Asset Manager a Disposition Fee equal to $25,000 at the time of closing of the sale of the Project (out of the net sales proceeds) or the Limited Partner’s interest in the Project.

6.5.5 **Incentive Partnership Management Fee.** The Partnership shall pay an Incentive Partnership Management Fee, on an annual, non-cumulative basis, in the amount and priority specified in Section 5.1.1 hereof to compensate the General Partner for monitoring the activities of the Partnership, supervising the Property Management Agent, and reporting to the Asset Manager so as to enable the Partnership to comply with all Code requirements for the Tax Credit and to establish eligibility for such Tax Credit with respect to the Project and avoid recapture thereof during the Compliance Period.

6.5.6 **Guaranty Procurement Fee.** The Partnership shall pay a Guaranty Procurement Fee, on an annual, non-cumulative basis, in the amount and priority specified in Section 5.1.1 hereof to compensate the Special Limited Partner for obtaining the Guarantor’s guarantees under the Guaranty Agreement and negotiating the terms of that agreement on the behalf of the Partnership.

6.5.7 **Other Considerations.**

(i) The Development Agreement and any other agreements entered into by the Partnership and the General Partner, the Special Limited Partner, or any of their Affiliates thereof will specifically provide that such agreement shall be terminable, with respect to each of them, at the election of the Limited Partner if the General Partner or Special Limited Partner is removed pursuant to Section 10.6 hereof (provided that such termination shall only be with respect to the Partner or its Affiliates that is removed, and not the other Partner) and that, from and after the delivery of notice of such removal pursuant to Section 12.1 hereof, the General Partner’s or Special Limited Partner’s obligation to make an additional Capital Contribution in accordance with Section 3.1.5 in the amount of the outstanding balance of the Deferred Development Fee and any accrued and unpaid interest thereon shall be accelerated, and the General Partner or Special Limited Partner, as applicable, shall be obligated to make such additional Capital Contribution within five business days after delivery of notice of removal; provided that the acceleration of such obligations shall only be with respect to the portion of the Deferred Development Fee owed to the Affiliated Developer of the Partner that is being removed. The Partnership shall use this Capital Contribution to pay the remaining balance of the Deferred Development Fee (or portion thereof to the Affiliated Developer of the removed Partner, as applicable) and any accrued and unpaid interest thereon, and if the General Partner or Special Limited Partner, as applicable, fails to pay this additional Capital Contribution in full within such five-business-day period, the Partnership shall receive a dollar credit for payment of the applicable portion of the Deferred Development Fee and accrued and unpaid interest thereon for each dollar by which the amount of the
additional Capital Contribution so paid by the General Partner or Special Limited Partner, as applicable, is less than the required payment amount. Once proceeds of the General Partner’s or Special Limited Partner’s additional Capital Contribution or any such credits, or both, have been so applied, the Partnership shall have no obligation to make any further payments to the General Partner or Special Limited Partner that is being removed, or any respective Affiliate thereof for fees that would otherwise be due and payable pursuant to such agreement, provided that the foregoing shall not affect the continued payment of fees to the Partner (and its Affiliates) that is not being removed.

(ii) None of the fee payments or reimbursements to any of the Persons indicated in Section 6.5 or elsewhere in this Partnership Agreement will be considered a distribution of Cash Flow to any Partner pursuant to Section 5.1.2, and, except as otherwise specifically provided herein, the General Partner may make any such reimbursement or fee payment prior to any distribution of any Cash Flow to the Partners.

Notwithstanding anything to the contrary herein, the sum of (a) the Incentive Partnership Management Fee, plus (b) any other incentive fees, plus (c) if the Property Management Agent is an Affiliate of the General Partner, the fee payable to the Property Management Agent pursuant to the Property Management Agreement, shall not exceed 12.00% of the gross income of the Partnership, adjusted for regional variations. Any amounts in excess of 12.00% of the gross income of the Partnership, shall be distributed to the General Partner and Special Limited Partner as a distribution rather than a fee.

Section 6.6 Outside Ventures of Partners. Any Limited Partner or Affiliate of the General Partner may engage in or possess an interest in any other business venture of any type or description, independently or with others (including, without limitation, any venture which may be competitive with the business being conducted by the Partnership) and neither the Partnership, nor any General Partner will, by virtue of this Partnership Agreement, have any right, title or interest in or to such outside ventures or the income or other benefits derived therefrom.

Section 6.7 Dealing With Affiliates. The General Partner may employ or retain in any capacity any Partner or Affiliate of any Partner so long as the terms upon which such Partner or such Affiliate is employed or retained are commercially reasonable under the circumstances and comparable to those terms which could be obtained from an independent person for comparable services in the area where the Project is located or the Partnership has its principal office.

Section 6.8 Indemnification of Partnership and Limited Partner.

6.8.1 The General Partner and the Special Limited Partner hereby agree to defend, indemnify, and hold harmless the Partnership and the Limited Partner and their successors and assigns, from and against any loss, claims, demands, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees or damages (including foreseen and unforeseen damages and
consequential damages) arising directly or indirectly out of the presence on, under, or about the Project Property of any Hazardous Substance, or the use, release, generation, manufacture, storage, or disposal of any Hazardous Substance on, under or about the Project Property.

**6.8.2** In the event the Partnership or the Limited Partner becomes liable, due to the presence of any Hazardous Substance in the Project, under any statute, regulation, ordinance, or other provision of federal, state, or local law pertaining to the protection of the environment or otherwise pertaining to public health or employee health and safety, including without limitation protection from hazardous waste, lead-based paint, asbestos, methane gas, urea formaldehyde insulation, oil, toxic substance, underground storage tanks, PCBs, and radon, the General Partner and Special Limited Partner shall indemnify and hold harmless the Limited Partner and the Partnership for any and all actual out of pocket costs, expenses (including reasonable attorneys’ fees), damages, or liabilities incurred by the Limited Partner upon demand by the Limited Partner at any time and from time to time, to the extent that the Partnership or the Limited Partner is required to discharge such costs, expenses, damages, or liabilities in whole or in part from any source. The foregoing indemnification obligations of the General Partner and Special Limited Partner shall be limited if and to the extent the Limited Partner participates in the control of the Partnership’s business after the formation of the Partnership and such participation is the direct cause of the conditions affecting the Project that resulted in such liability under applicable law and the consequent costs, expenses, damages, or liability of the Limited Partner. References in this Section 6.8.2 to the Limited Partner shall include each of the Limited Partner’s assignee(s) (and their respective partners, if any). The foregoing indemnification shall be a recourse obligation of the General Partner and the Special Limited Partner and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, insolvency, bankruptcy, or withdrawal of the General Partner and Special Limited Partner. The indemnification authorized by this Section 6.8.2 shall include, but not be limited to, the costs and expenses (including reasonable attorneys’ fees) of the removal of any liens affecting any property of the indemnitee as a result of such legal action. The parties hereto agree and acknowledge that the Limited Partner’s exercise of the rights and approvals reserved to the Limited Partner under this Partnership Agreement shall not constitute participation in the control of the Partnership’s business for purposes of this paragraph.

**6.8.3** The General Partner shall defend, indemnify, and hold harmless the Partnership, the Limited Partner, the Special Limited Partner, and their successors and assigns from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees, arising directly or indirectly, in whole or in part, out of the General Partner’s gross negligence, fraud, willful misconduct, malfeasance, breach of fiduciary duty or actions performed outside the scope of the authority of the General Partner, or breach of any or all of the representations, warranties, covenants, and agreements contained in this Partnership Agreement, including, without limitation, those contained in Section 6.3 hereof. In addition to the foregoing indemnification, the Partnership, Limited Partner, and/or the Special Limited Partner may pursue any other available legal or equitable remedy against the General Partner with respect to the General Partner’s breach
of any of the representations, warranties, or covenants contained herein, including, without limitation, the Limited Partner’s deferral of the payment of its Capital Contribution pursuant to Section 3.2. The General Partner shall defend, indemnify and hold harmless the Limited Partner and the Special Limited Partner for any liability incurred by it for Partnership obligations (including, without limitation, the Loan Documents), except to the extent that either (i) a court of competent jurisdiction, or (ii) a mediator mutually selected by the General Partner, Special Limited Partner, and the Limited Partner, has made a determination that such liability is the result of actions taken by the Limited Partner or Special Limited Partner or rights exercised by the Limited Partner or Special Limited Partner with respect to the operation of the Limited Partner or Special Limited Partner in excess of those actions and rights granted or allowed under this Partnership Agreement or the Act. The General Partner’s obligations described in this Section 6.8 shall survive the termination and/or liquidation of the Partnership.

6.8.4 The Special Limited Partner shall defend, indemnify, and hold harmless the Partnership, General Partner and Limited Partner and their successors and assigns from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees, arising directly or indirectly, in whole or in part, out of the Special Limited Partner’s gross negligence, fraud, willful misconduct, malfeasance, breach of fiduciary duty or actions performed outside the scope of the authority of the Special Limited Partner, or breach of any or all of the representations, warranty, covenant, and agreements contained in this Partnership Agreement, including, without limitation, those contained in Section 6.3 hereof. In addition to the foregoing indemnification, the Partnership, General Partner and/or the Limited Partner may pursue any other available legal or equitable remedy against the Special Limited Partner with respect to the Special Limited Partner’s breach of any of the representations, warranties, or covenants contained herein, including, without limitation, the Limited Partner’s deferral of the payment of its Capital Contribution pursuant to Section 3.2. The Special Limited Partner shall defend, indemnify and hold harmless the General Partner and Limited Partner for any liability incurred by it for Partnership obligations (including, without limitation, the Loan Documents), except to the extent that either (i) a court of competent jurisdiction, or (ii) a mediator mutually selected by the General Partner, Limited Partner and the Special Limited Partner, has made a determination that such liability is the result of actions taken by the General Partner or Limited Partner or rights exercised by the General Partner or Limited Partner with respect to the operation of the Limited Partner in excess of those actions and rights granted or allowed under this Partnership Agreement or the Act. The Special Limited Partner’s obligations described in this Section 6.8 shall survive the termination and/or liquidation of the Partnership.

6.8.5 Subject to the extent of any amount of insurance proceeds received by the Partnership in respect of any insurance policy insuring the acts of the General Partner in its role as a general partner, the General Partner shall not be liable, responsible or accountable in damages or otherwise to any to the Partners for any act or omission performed or omitted by it in its capacity as General Partner of the Partnership in good faith on behalf of the Partnership and in a manner reasonably believed by it to be within the scope of authority granted to it by this Partnership Agreement and in the best interest
of the Partnership; provided, however, such insurance proceeds are applied towards and in satisfaction of any liability or obligations to the Partners for which the insurance proceeds were paid, and such acts or omission was not attributable to any negligence, willful breach, misconduct, fraud or any breach of fiduciary duty on the part of the General Partner.

6.8.6 The General Partner and the Special Limited Partner hereby agree to defend, indemnify, and hold harmless the Partnership and the Limited Partner and their successors and assigns, from and against any loss, claims, demands, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys' fees or damages (including foreseen and unforeseen damages and consequential damages) arising directly or indirectly out of the use of Foreign Drywall in the construction of the Project.

Section 6.9 Credit Adjusters.

6.9.1 Permanent Reduction in Tax Credits. If, as of the end of the first year of the Credit Period and based upon the Cost Certification prepared by the Accountant or the IRS Form(s) 8609 for the Project, it is determined that the amount of Actual Tax Credits over the Credit Period for the Project will be less than the Projected Tax Credits over the Credit Period (a "Permanent Credit Reduction"), then there will be a reduction (the "Permanent Credit Reduction Adjustment") in the Limited Partner's Capital Contribution in an amount equal to the product of (i) the Permanent Credit Reduction and (ii) $1.09. The Permanent Credit Reduction means the amount by which the Actual Tax Credits are or will be less than the Projected Tax Credits over the Credit Period due to (a) the actual Applicable Percentage being less than projected; (b) the actual Eligible Basis being less than projected; (c) the actual Qualified Basis as of the end of the first year of the Credit Period being less than the projected Qualified Basis; (d) the actual final allocation of Tax Credits as indicated on Form 8609 being less than the Projected Tax Credits; or (e) any combination of the above. This Permanent Credit Reduction Adjustment shall be made, at the option of the Limited Partner, by first decreasing the amount, if any, of the Limited Partner's Capital Contribution installment next due, and, if necessary, further installments (reducing the earliest ones first) by the amount of the Permanent Credit Reduction Adjustment. In the event that there are no remaining Limited Partner Capital Contributions, or the Permanent Credit Reduction Adjustment required hereunder exceeds the remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Permanent Credit Reduction Adjustment against the remaining Limited Partner Capital Contribution installments, the General Partner and the Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount necessary for the Partnership to make the Permanent Credit Reduction Adjustment, followed by an immediate distribution in such amount by the Partnership to the Limited Partner, unless it is determined by the Limited Partner's tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner and the Special Limited Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis, will be equal to the Permanent Credit Reduction Adjustment. In the event that any
Capital Contribution installments are reduced or General Partner and Special Limited Partner payments are required to be made under this Section 6.9(a), the Projections attached hereto as Appendix I will be correspondingly revised and will be considered amendments and determinative of the "Projected Tax Credits" and other amounts set forth herein if there is a conflict between any amounts set forth therein and in this Partnership Agreement.

6.9.2 **Timing Difference in Tax Credits (Downward).** If, for the Projected First Tax Credit Year and the Projected Second Tax Credit Year, any portion of the Projected Tax Credits cannot be claimed (as determined by the Accountant) by the Limited Partner during such Projected First Tax Credit Year and the Projected Second Tax Credit Year, but must be delayed and taken in a later year or years of the Compliance Period, then the Limited Partner shall be entitled to reduce its Capital Contribution by an amount equal to $.60 times the amount by which the Projected Tax Credits for the Projected First Tax Credit Year and the Projected Second Tax Credit Year, respectively, exceed the Actual Tax Credits for such years (the "Timing Reduction"). This Timing Reduction is intended to compensate the Limited Partner for the reduced present value of such delayed Tax Credits, while taking into account the Tax Credits the Limited Partner may be entitled to receive no later than the 11th and 12th years of the Compliance Period. No adjustment shall be made under this Section 6.9.2 for any shortfall in Tax Credits for which an adjustment is already made pursuant to Section 6.9.1. In the event that there are no remaining Limited Partner Capital Contributions, or the Timing Reduction required hereunder exceeds the remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Timing Reduction against the remaining Limited Partner Capital Contribution installments, the General Partner and the Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount necessary for the Partnership to make the Timing Reduction, followed by an immediate distribution in such amount to the Limited Partner, unless it is determined by the Limited Partner's Tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner and the Special Limited Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis will be equal to the Timing Reduction. In the event that a Timing Reduction is incurred, the Limited Partner shall revise its Projections accordingly.

6.9.3 **Ongoing Tax Credit Shortfall.** If, for any Fiscal Year after the Projected First Tax Credit Year, for any reason whatsoever (1) the Actual Tax Credits are less than the Projected Tax Credits (as adjusted in any revised Projections prepared pursuant to Section 6.9.1 or Section 6.9.2) for such Fiscal Year or (2) a Limited Partner is required to recapture (resulting from other than a transfer of part or all of the Limited Partner’s Partnership Interest) any or all of the Tax Credits claimed by it in any prior Fiscal Year of the Partnership (the "Credit Shortfall"), then, at the option of the Limited Partner, the Limited Partner's Capital Contributions shall be reduced in chronological order in an amount (the "Credit Reduction Payment") equal to the sum of (i) $1.09 times the difference between (A) the Projected Tax Credits (as adjusted in any revised Projections prepared in connection with Section 6.9.1 or Section 6.9.2) for the Fiscal Year and all subsequent Fiscal Years, and (B) the Actual Tax Credits for such Fiscal Year.
and the Tax Credits projected by the Accountant as being available to the Limited Partner for all subsequent Fiscal Years, and (ii) the amount of the Tax Credits recaptured in such Fiscal Year, plus the amount of any interest or penalty payable by the Limited Partner as a result of the recapture. In the event there are no remaining Capital Contributions or the Credit Reduction Payment exceeds the amount of remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Credit Reduction Payment against the remaining Limited Partner Capital Contribution payments, the General Partner and Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount equal to the Credit Reduction Payment or the unpaid portion thereof, and the Credit Reduction Payment shall be immediately distributed to the Limited Partner and shall neither constitute nor be limited by the distribution limits for Cash Flow, pursuant to Section 5.1 hereof, or for Net Cash from Sales and Refinancings, pursuant to Section 5.2 hereof, unless it is determined by the Limited Partner’s Tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis will be equal to the Credit Reduction Payment hereof. In the event that a Credit Shortfall is incurred, the Limited Partner shall revise its Projections accordingly.

6.9.4 Permanent Increase in Tax Credits. If it is determined that the amount of Actual Tax Credits over the Credit Period for the Project will be greater than the Projected Tax Credits over the Credit Period (such difference being defined herein as the “Permanent Credit Increase”) and the Asset Manager is provided with satisfactory written documentation to evidence the allocation of the Permanent Credit Increase, the Limited Partner will increase its Capital Contribution by an amount that is equal to the product of (i) the Permanent Credit Increase, and (ii) $1.09, subject to the limitations described in Section 6.9.6.

6.9.5 [Reserved].

6.9.6 Limitation on Upward Adjuster. Notwithstanding anything to the contrary contained herein, the Limited Partner will increase its Capital Contribution only once during the 90 day period following the later of (a) achievement of Stabilized Occupancy or (b) the allocating agency’s issuance of the Form 8609 for all Buildings. The Limited Partner will increase its Capital Contribution under Sections 6.9.4 and 6.9.5 only if the Limited Partner, in the exercise of its sole discretion, determines that it has sufficient funds to make the additional Capital Contribution. In no event shall the increase in the Limited Partner’s Capital Contribution pursuant to Sections 6.9.4 and 6.9.5 exceed, in the aggregate, 5.00% of the Limited Partner’s Capital Contribution as set forth in the Projections in effect on the date of this Partnership Agreement (i.e., no subsequent increases in the Limited Partner’s Capital Contribution shall be taken into account for purposes of calculating the 5.00% limitation).

6.9.7 Repurchase. Notwithstanding anything contained herein to the contrary, in the event that (i) any Building does not generate any Tax Credits during the taxable year succeeding the taxable year in which such Building is placed in service or
the Project Property does not generate any Tax Credits during calendar year 2018 for any reason whatsoever, (ii) Construction Completion and Placement in Service of all Buildings are not achieved, or in the reasonable judgment of the Limited Partner, based on all of the relevant facts and circumstances, will not be achieved on or before the Construction Completion Date (which in no event shall exceed the end of the second year after the year in which the Project receives a Tax Credit allocation pursuant to Section 42(h)(1)(E) of the Code or by the date required by any Lender or State Agency), (iii) the Partnership fails to comply with the minimum set-aside test and/or the rent restriction test (as described in Section 42(g) of the Code) before the end of the year in which the Building is placed in service or, at the election of the General Partner pursuant to Section 42(f)(i)(B) (which election shall be made in accordance with Section 6.4.12(iv) hereof), the end of the succeeding taxable year, (iv) Stabilized Occupancy does not occur within six (6) months of the Projected Stabilized Occupancy Date, (v) unless the Project is financed with tax-exempt bonds, the Partnership’s basis in the Project Property for federal income tax purposes, as finally determined by the Accountant or pursuant to an audit by the IRS, as of the date by which all required steps must be taken for the Project to receive a carryover allocation of Tax Credits, was not 10% of the Partnership’s reasonably expected basis in the Project Property, as required pursuant to Section 42(h)(1)(E) of the Code, (vi) proceedings have been commenced, filed or initiated to foreclose the Construction Loan mortgage or permanently enjoin construction or rehabilitation of the Project and such proceedings have not been stayed or vacated within thirty (30) days of commencement, filing or initiation, (vii) the General Partner fails to deliver to the Asset Manager a Form 8609 for each Building in the Project on or before the date by which the General Partner is required to deliver to the Asset Manager the Tax Return Documents for the first year of the Credit Period pursuant to Section 8.4.3, (viii) any one of the following occurs with regard to the Permanent Loan: (a) the Permanent Loan commitment has been terminated or substantially modified (unless the commitment is replaced with a commitment of equivalent terms as determined by the Limited Partner in its reasonable judgment), (b) any interest rate lock applicable to the Permanent Loan has expired and not been replaced within 30 days by a new rate lock acceptable to the Limited Partner or (c) the Permanent Loan has not been fully funded on or before the maturity date of the Construction Loan, (ix) upon the Partnership’s receipt of a Form 8609 for each Building in the Project, it is determined that the Project will deliver less than 80% of the aggregate Projected Tax Credits over the Credit Period to the Limited Partner, or (x) the General Partner fails to perform any obligation under its Development Completion Guaranty that is not fully performed within any applicable cure period contained in the Guaranty Agreement, if applicable, then, in the event any of the conditions described in clauses (i) through (ix) above occurs, upon the written notice of the Limited Partner, the General Partner and the Special Limited Partner shall purchase the Limited Partner’s entire interest in the Partnership for an amount equal to (a) the sum of (1) all Capital Contributions actually made to the Partnership by the Limited Partner, plus (2) $50,000, plus (3) all expenses incurred by the Limited Partner in connection with entering into the Partnership (not including any funds reimbursed), minus (b) an amount equal to the purchase price paid by the Limited Partner for any Tax Credits already received by the Limited Partner, net of any amounts that the Limited Partner has paid or will have to pay as the result of any recapture of any portion of the Tax Credits that the
Limited Partner has received, and (c) any amounts that have already been reimbursed to the Limited Partner by the Partnership and/or the General Partner and Special Limited Partner (the "Repurchase Amount"). Notwithstanding anything to the contrary in this Partnership Agreement, the Limited Partner may, in its sole discretion and at any time following any of the events described in this Section 6.9.7, after any applicable notice and cure period and regardless of whether the Repurchase Amount or any portion thereof has been received by the Limited Partner at such time, withdraw from the Partnership as the Limited Partner. Upon receipt of this amount, the Limited Partner's interest as a limited partner in the Partnership will terminate, the Limited Partner shall transfer its interest in the Partnership to the General Partner and Special Limited Partner or their designee(s), and the General Partner and Special Limited Partner shall indemnify and hold harmless the Limited Partner from and against any losses, damages, and liabilities to which the Limited Partner (as a result of its participation hereunder) may be subject.

6.9.8 Failure to Pay; Remedies. If the General Partner or Special Limited Partner fail to pay any amount payable pursuant to Section 6.9.1, 6.9.2 or 6.9.3 above, or the Repurchase Amount pursuant to the preceding section owing to the Limited Partner within ten days after written demand by the Limited Partner (with a copy to the Special Limited Partner), then, in addition to any other rights the Limited Partner may have, any sums payable to the General Partner or Special Limited Partner (or any Affiliate thereof) pursuant to the terms of this Partnership Agreement (including, without limitation, Cash Flow and any fees payable by the Partnership to the General Partner or Special Limited Partner or their Affiliates) will instead be paid to the Limited Partner until such time as all amounts owing to the Limited Partner pursuant to this Section 6.9 are fully repaid. For purposes of this Partnership Agreement, any sums distributed to the Limited Partner pursuant to the immediately preceding sentence are deemed to have been paid to the General Partner or Special Limited Partner (or their Affiliates) and subsequently loaned by the General Partner or Special Limited Partner to the Partnership, followed by a distribution to the Limited Partner from the Partnership of such loan proceeds in satisfaction of the General Partner's and Special Limited Partner's obligations hereunder, unless it is determined by Limited Partner's tax counsel that such a distribution would cause Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the amount payable to the Limited Partner in accordance with the preceding sentence shall be an amount that, on an after-tax basis, will be equal to the Permanent Credit Reduction Adjustment, Timing Reduction, Credit Reduction Payment or Repurchase Amount, as applicable, and such amount shall be deemed to have been paid directly by the General Partner and Special Limited Partner to the Limited Partner. Any such deemed loan by the General Partner or Special Limited Partner to the Partnership shall bear no interest and shall be reimbursable to the General Partner or Special Limited Partner out of Cash Flow in accordance with the priority set forth in Section 5.1.1 hereof, or out of the proceeds of refinancing or sale pursuant to Section 5.2.1 hereof. The rights and remedies granted to the Limited Partner by this Section 6.9 are not exclusive of, but are in addition to, any other rights and remedies granted to the Limited Partner under this Partnership Agreement or by applicable law. The obligations of the General Partner and Special Limited Partner under this Section 6.9 are deemed to have arisen as a consequence of a transaction between the General Partner, Special Limited Partner and the Limited Partner other than in their capacities as Partners.
and the Capital Accounts or loans of the Partners are not affected in any way as a result of the making of any credits or payments hereunder.

6.9.9 **Survival.** The obligations of the General Partner, Special Limited Partner, and their Affiliates prescribed or described in this Section 6.9 will survive the termination and/or liquidation of the Partnership.

6.9.10 **Joint and Several.** Notwithstanding anything to the contrary in this Section 6.9, the obligations of the General Partner and the Special Limited Partner shall be joint and several.

6.9.11 **Publicity and Promotional Events.** The General Partner shall be obligated to notify the Asset Manager at least 15 days in advance of any (i) groundbreaking, (ii) open house, (iii) public relations event or other similar activities related to the Project. Representatives of the Limited Partner (including any beneficial owners thereof), the Special Limited Partner, the Asset Manager, and any investors who have provided funds that have been invested in the Project by the Limited Partner (collectively, the “Publicity Parties”) shall be entitled to attend such events. The General Partner shall also be obligated to place the names of any entities that the Asset Manager might designate on any signage that is erected for publicity purposes during the construction of the Project. Any costs related thereto shall be paid by the Partnership. The General Partner shall notify the Asset Manager when any such signage is being prepared and provide the Asset Manager with a reasonable amount of time to provide the names it wants included on the signs. The General Partner acknowledges that it will benefit from any publicity generated by the Publicity Parties with respect to the Project. In consideration thereof, the Partnership hereby consents, grants, and releases to the Publicity Parties all rights related to the use of the Project, including, but not limited to, the use of the name of the Project, any photographs of the Project, and any written materials related to the Project, in any commercial, promotional or marketing materials such as press releases, publications, and publicity events that any of the Publicity Parties may wish to issue or conduct.

Section 6.10 **Co-General Partners.** If there is more than one General Partner, or if the General Partner is a joint venture or partnership in which there is more than one general partner, then all general partners of the partnership or of such joint venture of partnership shall be jointly and severally liable to the Partnership, to the Limited Partner, and to its successors and assigns for all obligations of the General Partner, and for any damages that may arise from the acts or omissions of any of such general partners in their performance or breach of the guaranties, management, and all other obligations and the representations and warranties of the General Partner, whether now existing or hereafter created, under this Partnership Agreement as the same may from time to time be amended and under applicable law. Notwithstanding anything to the contrary herein, no General Partner shall be liable to the Partnership or to the Limited Partner for the fraud of any other General Partner.

Section 6.11 **Representation of General Partner, Special Limited Partner and Limited Partner.** The General Partner, Special Limited Partner and Limited Partner acknowledge and represent that the State Housing Finance Agency (i) has neither underwritten
the Project nor (ii) certified that any of the buildings will actually meet the requirements necessary to qualify for the Tax Credit, (iii) the State Housing Finance Agency has not performed any independent investigation as to the qualification of the buildings in the Project for the Tax Credit and will not perform such investigation or otherwise monitor the buildings or eligibility for the Tax Credit in the future except as required by law, (iv) the State Housing Finance Agency makes no representation concerning the applicability of the Tax Credit to the buildings in the Project or the ability of any owner or investor in the Project to utilize such Tax Credit, (v) the State Housing Finance Agency has not performed any review nor makes any representations of the commercial viability of the Project, (vi) the Partnership is not the agent of the State Housing Finance Agency and has no authority to act on behalf of, or bind the State Housing Finance Agency, including its officers, employees and representatives, (vii) the State Housing Finance Agency bears no liability to any owner, investor, tenant, lender, or any other person or entity for any claim arising out of the Project or the Tax Credit program, and (viii) the Partnership has consulted with its tax counsel to determine whether the Project qualifies for Tax Credits; whether the General Partner, Special Limited Partner and Limited Partner may utilize the Tax Credit, if any; and the commercial viability of the Project.
ARTICLE 7: POWERS, RIGHTS AND DUTIES OF LIMITED PARTNER

Section 7.1 Limitation of Liability. Except as otherwise required under the Act (relating to a limited partner’s liability under certain circumstances to refund to the Partnership distributions of cash previously made to it as a return of capital), the Limited Partner and the Special Limited Partner shall not be personally liable for any loss or liability of the Partnership beyond the amount of such limited partner’s agreed-upon Capital Contribution.

Section 7.2 No Participation in Management. Except as otherwise expressly provided in this Partnership Agreement, neither the Limited Partner nor the Special Limited Partner shall participate in the operation, management, or control of the Partnership’s business, transact any business in the Partnership’s name, or have any power to sign documents for or otherwise bind the Partnership.

The General Partner shall also prepare and deliver to or shall cause to be prepared and delivered to the Asset Manager and the Special Limited Partner the following reports:

The General Partner shall also submit such additional documentation or supporting documentation as the Asset Manager or the Special Limited Partner may request.

8.2.3 **Annual Budget.** Annually, no later than October 15th of each calendar year, throughout the term of the Partnership, the General Partner and Special Limited Partner shall prepare and submit, for approval by the Asset Manager, a proposed operating budget for the Project that provides budget projections based upon anticipated Project revenues and expenses, beginning with the first full calendar year after the year of Placement in Service, and for each succeeding year thereafter. The Partnership will reimburse the General Partner for any reasonable costs associated with such compliance, including but not limited to the cost of financial audit with respect to the General Partner.

8.2.5 **Evidence of Insurance.** The General Partner shall deliver to the Limited Partner, at least 30 days prior to the date such insurance policy expires, a certificate of insurance for each insurance coverage required by the Limited Partner as evidence of its renewal.

8.4.2 Financial Reports.

(i) The General Partner shall, within 15 days after each calendar quarter, submit or cause to be submitted to the Asset Manager unaudited financial statements, prepared in accordance with GAAP, for the Partnership. With respect to each taxable year of the Partnership, the General Partner shall submit or cause to be submitted to the Asset Manager and the Special Limited Partner (a) on or before February 15 of the following calendar year, a draft of the audited financial statements prepared by the Accountant in accordance with GAAP for review and comment by the Asset Manager, and (b) on or before February 28 of the following calendar year (the “Submission Date”), a written report prepared by the Accountant, which shall include a Schedule K-1 or its successor form for preparing federal income tax returns and audited financial statements, prepared in accordance with GAAP, certified by the Accountant, and reflecting the comments received from the Asset Manager to the draft documents (the “Report”). The Report’s audited financial statement shall include the following: a balance sheet of the Partnership as at the end of such year; an itemized statement of income, expenses, surplus and deficits; a financial summary which reconciles and summarizes the financial statements and bank statements as of the end of such
year; changes in fund balances and changes in financial position for such year; supporting schedules; a statement of Partners’ capital; the status, amount, and timing of the Projected Tax Credits and other tax benefits from the Project as compared with the Projections; and such additional statements with respect to the status of the Partnership and the distribution of profits and losses therefrom as are considered necessary by the General Partner or the Accountant to advise all Partners properly about their investment in the Partnership for federal income tax reporting purposes. If the General Partner fails to submit the Report to the Asset Manager and the Special Limited Partner by the Submission Date, the General Partner shall be assessed a penalty of $100 per day pursuant to Section 8.6 below. Without limiting the right of the Limited Partner under Section 8.6.3 below, the Limited Partner shall have the right to require the General Partner to remove the Accountant and the right to approve or identify a replacement accountant if the Accountant fails to submit the Report to the Asset Manager and the Special Limited Partner by the Submission Date.

(ii) In addition to the requirements set forth in Section 8.4.2(i) above, the General Partner shall submit or cause to be submitted to the Asset Manager and the Special Limited Partner, (a) on or before December 31st of the year the Project achieves Placement in Service, an “interim” audited financial statement, prepared in accordance with GAAP, which shall reflect the financial status of the Project as of September 30th of that year, and (b) at any time after the first calendar quarter of each year within 30 days after notice from the Asset Manager, (1) unaudited or, at the election of the Asset Manager, audited financial statements, prepared in accordance with GAAP, of the General Partner for the prior calendar year, (2) tax returns of the General Partner and Guarantor for the preceding calendar year and (3) such other financial information documenting the current financial condition of the General Partner and Guarantor as the Asset Manager may reasonably require.

(iii) At the request of the Asset Manager, the General Partner shall submit or cause to be submitted to the Asset Manager within (a) 15 days after each calendar quarter, unaudited financial statements, prepared in accordance with GAAP, for the Guarantor(s); and (b) forty-five (45) days after each calendar year, unaudited financial statements or, in the event that such unaudited financial statements are incomplete for the purposes of the Asset Manager prior to the end of the Operating Deficit Guaranty Period, at the election of the Asset Manager, audited financial statements, prepared in accordance with GAAP, for the Guarantor(s), until such time as all of the “General Partner Obligations” or “Guaranteed Obligations” (as such terms are defined in the Guaranty Agreement) have been fully performed or paid.

8.4.3 Tax Returns. With respect to each taxable year of the Partnership, the General Partner shall (i) deliver to the Asset Manager and the Special Limited Partner, for review and approval, within 30 days after each taxable year ends, drafts of Form 1065 and Schedule K-1 or any successor federal return of income forms required to be filed on behalf of the Partnership, and any and all other forms, schedules, materials required in
connection therewith (the “Tax Return Documents”), and (ii) cause to be prepared and filed with the appropriate agencies within 60 days after each taxable year ends, the Tax Return Documents, which shall be revised or amended to include any comments made by the Asset Manager. Within such 60 day period, the General Partner shall deliver a copy of the filed Tax Return Documents to the Asset Manager. In addition, the General Partner shall comply with all requirements of Section 6.3.2 hereof with respect to anticipated Tax Credits and other tax benefits and shall deliver to the Asset Manager a copy of the Section 168 Tax Return concurrently with the filling of the original with the IRS.

8.4.4 **Tax Returns Due to Termination.** If, pursuant to Section 9.1 below, there are subsequent transfers of Limited Partner’s beneficial interests or partnership interests which cause a termination of the Partnership pursuant to Section 708(b) of the Code (“Termination”), the General Partner shall (i) deliver to the Asset Manager, for its review and approval, within 30 days after receipt of written notice from the Limited Partner of such Termination, a draft of Form 1065 and Schedule K-1 or any successor federal return of income forms required to be filed on behalf of the Partnership, and any and all other forms, schedules or materials required in connection therewith (the “Termination Tax Return Documents”), and (ii) cause to be prepared and filed with the appropriate agencies within the time period prescribed under the Code, the Termination Tax Return Documents, which shall be revised or amended to include any comments made by the Asset Manager. Any costs associated with the General Partner’s satisfaction of this Section 8.4.4 shall be paid in accordance with Section 9.1 below.

8.4.5 **Estimated Tax Credits.** Prior to October 15th of each year, the General Partner shall send to the Asset Manager and the Special Limited Partner an estimate of the Limited Partner’s and the Special Limited Partner’s share of Tax Credits by each Building of the Project, estimate of total Tax Credits, and estimates of Profits and Losses for federal income tax purposes in a form specified by the Limited Partners. The General Partner and the Accountant shall prepare this estimate.

Section 8.5 **Review of Compliance.**

8.5.1 The General Partner shall, seventy-five (75) days after the end of each Fiscal Year of the Partnership, certify to the Asset Manager and the Special Limited Partner in the same scope and manner that it is required to certify, if requested, to the applicable State Housing Finance Agency, that the Partnership is in compliance with all regulations and procedures relating to the operation of the Project as a qualified Tax Credit project within the meaning of Section 42(h) of the Code. Upon initial lease-up of the Project and thereafter no more frequently than annually, the Limited Partner may, at the Partnership’s expense, conduct or cause to be conducted an audit or review (which may include an on-site inspection of the Project) of the Partnership’s compliance with all regulations and procedures relating to the operation of the Project as a qualified Tax Credit project within the meaning of Section 42(h) of the Code. This audit or review will be conducted not less than 30 nor more than 90 days following a written request by the Limited Partner for such audit or review. The General Partner shall cooperate with any such audit by making appropriate personnel of the General Partner and the Property
Management Agent and all books and records (including, without limitation, copies of initial tenant files, any IRS Forms 8823 issued to the Partnership, and other applicable related documents and reports) of the Project and Partnership available to the Limited Partner or its representatives at the offices of the Partnership during regular business hours.

8.5.2 The General Partner shall, within 30 days following achievement of Qualified Occupancy, deliver to the Asset Manager one or more discs containing scanned copies of the First Year Tenant Files.

8.5.3 The General Partner shall provide access to the Project at all reasonable times and upon reasonable advance notice and shall extend full cooperation to the Asset Manager or the Special Limited Partner in connection with such physical inspections of the Project and any records as the Asset Manager or the Special Limited Partner may wish to conduct in order to monitor the General Partner's performance of its obligations under this Partnership Agreement.

Section 8.6 Failure to Provide Information.

8.6.1 Failure by the General Partner to provide the reports required under this Article 8 will result in the assessment of a $100 per day penalty, due and payable to the Limited Partner, until the reports are received in a form that is acceptable to the Limited Partner. This penalty will not be applicable if (i) waived by the Limited Partner, or (ii) the required information is received within seven (7) business days of receipt of a written notice of demand from the Limited Partner.

8.6.2 If the General Partner fails to provide in a timely manner any information, report or data required to be provided by the General Partner under this Article 8, or otherwise fails to perform its obligations under this Article 8, then, in addition to any other remedies the Limited Partner may have under this Partnership Agreement or applicable law, the Partnership shall not make any distributions or payments to the General Partner pursuant to Section 5.1 or Section 5.2 hereof until such time as such information, report, or data have been provided or such other obligations have been fulfilled.

8.6.3 Regardless of whether the penalties are paid or waived, the Limited Partner shall have the right to require the General Partner to remove the Accountant and the right to approve or identify a replacement accountant if any of the above applicable reporting requirements are not met. The failure on the part of the General Partner to remove the Accountant and replace it with an accounting firm that is acceptable to the Limited Partner within 30 days of a written request to do so from the Limited Partner shall be an Event of Default under Section 10.6.1 hereof.

8.6.4 If the General Partner causes or suffers repeated or unreasonable delay in providing any reports or information required to be submitted to the Limited Partner and the Special Limited Partner under Article 8, and fails to provide such report or information within ten business days after receiving notice of such delay from the
Limited Partner or the Special Limited Partner, such delay shall constitute an Event of Default under Section 10.6.1 hereof.
ARTICLE 9: TRANSFER OF LIMITED PARTNER'S PARTNERSHIP INTERESTS

Section 9.1 Voluntary Transfers. A Limited Partner may at any time make a Voluntary Transfer of all or any part of its Partnership Interest, so long as such Voluntary Transfer complies with the following conditions: (i) the General Partner has received a written instrument of transfer of all such Partnership Interest, which instrument shall be signed by the transferor Limited Partner and the transferee and shall contain the name and address of the transferee and the transferee’s express acceptance of and agreement to be bound by all of the terms and conditions of this Partnership Agreement; (ii) all requirements of applicable state and federal securities laws, if any, have been complied with; (iii) such Voluntary Transfer will not result in the Partnership’s loss of any exemption (federal or state) from the registration of the sale of securities relied upon in its offering of the Partnership Interest; (iv) such Voluntary Transfer will not result in the Partnership being classified as an “association” which is taxable as a corporation for federal income tax purposes; and (v) the General Partner has received evidence of any applicable consents required for such transfer. Upon compliance with all of the conditions of this Section 9.1, such Voluntary Transfer of a Limited Partner’s Partnership Interest binds the Partnership and the General Partner. No such transfer may cause the dissolution and termination (other than tax termination) of the Partnership and the transferee shall automatically be deemed to be an Assignee with respect to such Partnership Interest. If any transfer of a Limited Partner’s Partnership Interest, including the transfer of beneficial interests, results in a tax termination of the Partnership, the Limited Partner shall be responsible for the cost of preparing and filing any additional tax returns.

9.1.1 The Limited Partner intends to either (i) hold only bare legal title to its Partnership Interest and will ultimately transfer beneficial interests in its Partnership Interest to one or more Persons, or (ii) ultimately transfer its Partnership Interest to an investment fund managed by an Affiliate of the Limited Partner, and in either case, the Limited Partner or such Persons or investment fund may also transfer such beneficial interests or Partnership Interest, or, as security for debt, assign or pledge all or portions of such Partnership Interest. Notwithstanding the provisions of Section 9.1, the General Partner hereby acknowledges and consents to any such transfers, assignments or pledges, and agrees that, upon any such transfer or any foreclosure or other enforcement under any such assignment or pledge, it will recognize the assignee of the (a) beneficial interests as the owner of such beneficial interests in the Partnership Interest, or (b) Partnership Interest as the Substituted Limited Partner.

9.1.2 The Limited Partner or its transferee shall reimburse the Partnership for any reasonable costs actually incurred by the Partnership as a result of a transfer pursuant to this Section 9.1.

Section 9.2 General Partner’s Consent to Substitution as a Limited Partner.

9.2.1 In addition to the requirements set forth in Section 9.1, an Assignee of a Limited Partner’s Partnership Interest in connection with a Voluntary Transfer, other than an assignee of a beneficial interest, will not become a Substituted Limited Partner, unless and until the General Partner consents in writing to such substitution, which consent may not be unreasonably withheld and is hereby granted for the transfers, assignments and
pledges described in Section 9.1.1; provided that no such consent shall be required for the
(i) substitution of an Assignee that is an Affiliate of the Limited Partner, or (ii) any
transfer by the Limited Partner of its Partnership Interest after its Capital Contributions
have been paid in full. The General Partner shall duly file for record any required
amendment to the Certificate of Formation reflecting such substitution in such public
offices as shall be required under the Act. The effective date of the substitution of the
Assignee as a Substituted Limited Partner shall be the date on which the General Partner
provides its consent if required or the date of the assignment to such Affiliated Assignee,
as the case may be.

9.2.2 If the General Partner’s consent is required but the General Partner does
not consent to the substitution of an Assignee of a Limited Partner’s Partnership Interest
in connection with a Voluntary Transfer, then the transferor Limited Partner retains all
the rights of a transferor of a limited partnership interest under the Act and, except as
otherwise provided in Section 9.4, the Assignee shall not be treated as owning any
interest in the Partnership. In particular, an Assignee of a Limited Partner’s Partnership
Interest in connection with a Voluntary Transfer, other than an assignee of a beneficial
interest, who is not admitted as a Substituted Limited Partner under this Section 9.2 shall
not be entitled to: (i) require any accounting of the Partnership’s transactions; (ii) inspect
the Partnership’s books and records; (iii) require any information from the Partnership; or
(iv) exercise any privilege or right of a Limited Partner that is not specifically granted to
a nonsubstituted transferee of a limited partnership interest under the Act.

Section 9.3 Involuntary Transfers. The Involuntary Transfer of all or any part of
any Limited Partner’s Partnership Interest will not cause the dissolution and termination of the
Partnership, but rather the business of the Partnership is continued without interruption in
accordance with the provisions of this Section 9.3. Upon an Involuntary Transfer of all or any
part of any Limited Partner’s Partnership Interest, such Limited Partner’s successor or legal
representative shall automatically be deemed to be a Substituted Limited Partner.

Section 9.4 Distributions and Allocations with Respect to Transferred
Partnership Interests. Upon any transfer (whether a Voluntary Transfer or Involuntary
Transfer recognized by the Partnership or other transfer) of the Limited Partner’s Partnership
Interest under this Article 9, all allocations of Profits and Losses attributable to the transferred
Partnership Interest shall be divided and allocated between the transferor and the transferee by
taking into account their varying interests during such fiscal period, using any convention or
method of allocation selected by the General Partner which is then permitted under Section 706
of the Code and the Regulations promulgated thereunder. All distributions of Cash Flow made
prior to the effective date of any such transfer shall be made to the transferor and any such
distributions made after the effective date of such transfer shall be made to the transferee.

Section 9.5 Disposition of Project. Subject to the restrictions and rights reserved in
the Extended Use Agreement or to the General Partner below and with the consent of the Special
Limited Partner, the General Partner may cause the sale of all or any portion of the assets or
business of the Partnership for their fair market value upon such terms as it shall determine in the
exercise of reasonable discretion and prudent business judgment. If causing the sale of all or any
portion of the assets or business of the Partnership, the General Partner will use best efforts to
cause the Project to be sold or exercise any right it may have hereunder to purchase the Limited Partner's Interest or the Project within a reasonable time after the expiration of the Compliance Period. After the payment of or provision for creditors, the net proceeds of sale shall in the discretion of the General Partner either in whole or in part be distributed among the Partners as provided in Section 5.2 or Section 11.2 hereof, as applicable, or in whole or in part be retained by the Partnership and utilized in the business of the Partnership. Any such sale shall cause the dissolution and liquidation of the Partnership only if required by the provisions of Article 11 hereof. Notwithstanding the foregoing, upon any sale of the Project (which term, as used in this Section 9.5, shall include any portion of the Project containing one or more rental units and any related assets or business of the Partnership), the net proceeds thereof shall be distributed in accordance with Section 5.2 or Section 11.2 hereof, as applicable. Except as specifically provided below, the General Partner (with the consent of the Special Limited Partner) shall not sell the Project without the prior written consent of the Limited Partner, and shall comply with the following requirements in any proposed sale or refinancing:

The General Partner may in its discretion begin advertising the Project for sale and entertaining third-party purchase offers at any time during the last 12 months of the Compliance Period and shall forward copies of all inquiries and purchase offers as and when received by it to the Limited Partner and the Special Limited Partner, but shall have no right or obligation to pursue any sale to a third party except as described further herein below. If the Purchase Option and Right of First Refusal described in Section 9.6 hereof is exercised and all conditions thereof are met in full to the satisfaction of the Limited Partner, then in lieu of any sale to an unrelated third party, the General Partner shall cause the Project to be sold as provided and within the time specified therein, after the expiration of the Compliance Period. However, if such Purchase Option and Right of First Refusal is not exercised or the Project is not sold as provided and within the time specified therein, the General Partner shall, commencing upon the expiration of the Purchase Option and Right of First Refusal promptly begin advertising the Project for sale and entertaining third-party purchase offers, as described above. Notwithstanding the foregoing, any disposition of the Project shall be conducted in accordance with the Extended Use Agreement and the rules of the State Housing Finance Agency.

Section 9.6 Purchase Option and Right of First Refusal. The provisions of Section 9.5 hereof shall be subject to that certain Purchase Option and Right of First Refusal Agreement between the Partnership, as grantor, and Sponsor, as grantee, dated on or about the date hereof, pursuant to which the Partnership has granted to the Special Limited Partner and Sponsor an option to purchase the Project or the Limited Partner's Partnership Interest and a right of first refusal to purchase the Project, on the terms and conditions set forth therein, provided that the General Partner and the Special Limited Partner, as applicable, remain in good standing without the occurrence of any event described in Section 10.6 hereof, in the form attached hereto as Exhibit A, and the Special Limited Partner has consented to the proposed purchase.

Section 9.7 Warehouse Lender. Notwithstanding the foregoing provisions of this Article or any other provision of this Partnership Agreement:

9.7.1 The General Partner acknowledges and consents to (i) the Limited Partner's pledge and collateral assignment of its Partnership Interest (the "LP Pledge") to the Warehouse Lender;
9.7.2 The Warehouse Lender shall have the rights of a secured party to retain, sell or transfer the Partnership Interest so pledged in accordance with the LP Pledge, including, without limitation, the right to transfer or assign its rights hereunder and under the LP Pledge without the consent of the Partnership, any Partner or any other Person, subject only to Section 9.7.6;

9.7.3 Upon the enforcement of the LP Pledge and the foreclosure upon the Partnership Interest pledged thereunder, the Warehouse Lender (or its nominee or transferee) shall be immediately, automatically and unconditionally admitted as a Substituted Limited Partner, subject only to Section 9.7.6;

9.7.4 Neither the Partnership nor any Partner shall cause the Partnership Interest to be or become, a “security”, “investment property” or held in a “securities account” (within the meaning of Articles 8 and 9 of the Uniform Commercial Code of the State (the “UCC”)) and the Partnership Interest will be, and will remain, “general intangibles” within the meaning of Article 9 of the UCC, and any action by the Partnership or any Partner to cause any of the Partnership Interest to be deemed to be or to be treated other than as general intangibles within the meanings of Article 9 of the UCC shall be void and of no effect;

9.7.5 The Partnership and the Partners agree (i) to notify the Warehouse Lender in writing at the applicable addresses provided in the definition of “Warehouse Lender” of any default by the Limited Partner of any of its obligations hereunder, (ii) to refrain from exercising any rights or remedies as a result of such default (whether hereunder or otherwise at law or in equity) until the Warehouse Lender has received such notice and has been given 60 days to cure such default, and (iii) that the Warehouse Lender can cure such default by paying only those portions of the Limited Partner’s Capital Contribution for which the conditions to payment set forth in Section 3.2 have then been satisfied;

9.7.6 The Warehouse Lender’s rights hereunder are subject to compliance with all HUD requirements regarding transfer of physical assets and submission and approval of a HUD Prior Participation Certificate, and/or obtaining the State Housing Finance Agency’s written consent if required; and

9.7.7 So long as the Limited Partner’s Partnership Interest continues to be “Pledged Collateral” under the LP Pledge, any amendment to (i) this section, (ii) any other provision herein which would materially affect the Warehouse Lender’s rights and priorities under the LP Pledge, or (iii) the identity of the Asset Manager, the Asset Management Fee, the Disposition Fee or any other fee payable to the Asset Manager, or the terms of payment thereof, shall require the prior written consent of the Warehouse Lender.

9.7.8 The Warehouse Lender is an intended third party beneficiary of this Section 9.7.
Section 9.8 Voluntary Withdrawal. Notwithstanding anything in this Article 9 to the contrary, the Limited Partner shall have the right to withdraw from the Partnership without the General Partner’s consent at any time after the Limited Partner has paid in full its Capital Contributions. The Limited Partner shall provide the General Partner with ten days’ prior written notice of the effective date of such withdrawal. At the Limited Partner’s request, the General Partner shall cooperate with the Limited Partner by taking such actions as the Limited Partner determines are necessary or advisable in order to effectuate such withdrawal.

Section 9.9 Put Right. Commencing on the expiration date of the Compliance Period, the Limited Partner shall have the right to require the General Partner to purchase the Limited Partner’s Partnership Interest (the “Put Right”) for a purchase price of $1,000.00 (the “Purchase Price”). The Put Right may be exercised by the Limited Partner by giving written notice to the General Partner at any time on or after the date that is 30 days prior to the expiration of the Compliance Period. In the event that the Limited Partner exercises its Put Right pursuant to this Section 9.9, the Purchase Price shall be paid to the Limited Partner in cash or immediately available funds, unless otherwise mutually agreed, at a closing to occur on the first business day following the date that is 30 days after the Limited Partner has given notice to the General Partner of the exercise of the Put Right. All costs of the purchase of the Limited Partner’s Partnership Interest shall be paid by the General Partner. Upon receipt of the Purchase Price, the Limited Partner shall transfer the Partnership Interest free and clear of any liens, charges, encumbrances or interests of any third party and shall execute or cause to be executed any documents required to fully transfer such Partnership Interest. As of the effective date of such closing, the Limited Partner shall have no further interest in the Partnership.
ARTICLE 10: TRANSFER OF GENERAL PARTNER’S PARTNERSHIP INTERESTS

Section 10.1 Voluntary Transfers.

10.1.1 The Partnership shall not recognize any Voluntary Transfer of a General Partner’s Partnership Interest and any such attempted Voluntary Transfer shall be invalid and ineffective as to the Partnership and the Limited Partner, unless and until: (i) the proposed transfer is of all the Partnership Interest owned by such General Partner; (ii) the Limited Partner and the Special Limited Partner have each received a copy of written instrument of transfer of all such Partnership Interest, which instrument shall be signed by the General Partner and the transferee and shall contain the name and address of the transferee and the transferee’s express acceptance of an agreement to be bound by all of the terms and conditions of this Partnership Agreement; (iii) the General Partner has paid or caused to be paid all costs related to such Voluntary Transfer, including, without limitation, the reimbursement of all legal fees and expenses incurred by the Partnership in connection with such transfer; (iv) such Voluntary Transfer will not result in the termination of the Partnership for federal income tax purposes; (v) such Voluntary Transfer will not result in the Partnership being classified as an “association” which is taxable as a corporation for federal income tax purposes; (vi) the Partnership receives an opinion of legal counsel to the effect of clause (v); (vii) such Voluntary Transfer will not result in the loss of the ad valorem tax exemption granted to the Project (i.e., the substitute general partner must qualify for the exemption); and (viii) the Limited Partner has consented in writing to such Voluntary Transfer, which consent may be withheld or given, in the sole discretion of the Limited Partner.

10.1.2 Upon compliance with this Section 10.1, such transfer of a General Partner’s Partnership Interest shall bind the Partnership and all the Limited Partners and no such Voluntary Transfer shall cause the termination of the Partnership. In addition, effective as of the date of full compliance with the requirements of this Section 10.1, the transferee of a General Partner’s Partnership Interest shall be admitted as a new General Partner of the Partnership and shall be vested with all the powers and obligations with respect to the management of the Partnership as are granted to and placed upon the transferor General Partner under this Partnership Agreement.

Section 10.2 Involuntary Transfers. An Involuntary Transfer of a General Partner’s Partnership Interest at such time as there is more than one General Partner shall not dissolve the Partnership, but rather the business of the Partnership shall be continued without interruption and all of the management powers and authority granted herein to the General Partner making such Involuntary Transfer shall automatically be placed upon the remaining General Partner(s), unless the Limited Partner otherwise elects within 30 days after the occurrence of such Involuntary Transfer to dissolve the Partnership and have the Partnership’s affairs and business wound up and terminated pursuant to Article 11. An Involuntary Transfer of a General Partner’s Partnership Interest when there is no other General Partner in existence shall dissolve the Partnership and the Partnership’s affairs and business shall be wound up and terminated under Article 11, unless the Limited Partner agrees in writing to the continuation of the business of the Partnership and the appointment of a new General Partner pursuant to the provisions of Section 10.3.
Section 10.3 Continuation of Partnership After Involuntary Transfer of General Partner’s Partnership Interests. Upon an Involuntary Transfer of the last remaining General Partner’s Partnership Interest, the Partnership will dissolve and the affairs and business of the Partnership will be wound up and terminated under Article 11, unless within 90 days after the occurrence of such Involuntary Transfer, the Limited Partner agrees in writing to the continuation of the business of the Partnership and the appointment of a new General Partner. Unless such an election is made within such 90-day period, the Partnership may conduct only those activities that are necessary to wind up and terminate its affairs and business. If such an election is made within such 90-day period, then: (a) the reconstituted partnership will continue until the end of the term of the Partnership’s existence set forth in this Partnership Agreement; and (b) immediately upon its receipt of cash in an amount equal to the greater of (1) $100 or (2) the then positive balance in its Capital Account, the former General Partner is automatically (and without the need for the execution of any further documentation) deemed to have relinquished its entire Partnership Interest, with such relinquished Partnership Interest being automatically allocated to the new General Partner.

Section 10.4 Distributions and Allocations with Respect to Transferred Partnership Interests. If any transfer (whether a Voluntary or Involuntary Transfer) of a General Partner’s Partnership Interest is recognized by the Partnership under this Article 10, then all allocations of Profits and Losses attributable to the transferred Partnership Interest are divided and allocated between the transferor and the transferee by taking into account their varying interests during such fiscal period, using any convention or method of allocation selected by the Limited Partner which is then permitted under Section 706 of the Code and the Regulations promulgated thereunder. Any distributions of Cash Flow made prior to the effective date of any such transfer are made to the transferor and any such distributions made after the effective date of such transfer shall be made to the transferee. Neither the Partnership nor the Limited Partner will incur any liability for making allocations and distributions in accordance with the provisions of this Section 10.4.

Section 10.5 Voluntary Withdrawal. A General Partner may not voluntarily withdraw from the Partnership without the prior written consent of the Limited Partner.

Section 10.6 Removal of General Partner and/or Special Limited Partner. The Limited Partner may remove the General Partner and/or Special Limited Partner for any of the following Events of Default in this Section 10.6.1, as applicable; provided, however, either Partner may be removed only as to its own default (and those of its Affiliates) and not as to the default of the other Partner or that Partner’s Affiliates:

10.6.1 Events of Default:

(i) Any fraud, gross negligence, malfeasance or intentional misconduct of the General Partner or Special Limited Partner; or

(ii) Any act by the General Partner or Special Limited Partner outside the scope of its duties or obligations under this Partnership Agreement or any breach by the General Partner or Special Limited Partner of any fiduciary duty to the Partnership or the Limited Partner; or

(v) Any action or inaction by the Partnership, General Partner, Special Limited Partner, or any Affiliate of the General Partner or Special Limited Partner that does, or with the passage of time would, (a) cause the termination of the Partnership for federal income tax purposes (except to the extent such action is expressly authorized herein), (b) cause the Partnership to be treated for federal income tax purposes as an association taxable as a corporation, (c) violate any applicable federal or state securities laws (as they relate to the Partnership or the Partnership Interest), (d) cause the Partnership to fail to qualify as a limited partnership under the Act, (e) cause the Limited Partner to be liable for Partnership obligations in excess of its Capital Contribution, (f) qualify as an event of removal or withdrawal with respect to the General Partner or Special Limited Partner under the Act, or (g) otherwise substantially reduce tax benefits or substantially increase tax liabilities of the Limited Partner and otherwise is not cured by payments made pursuant to Section 6.9 hereof or consented to by the Limited Partner; or

(vi) Any construction cost overruns or Operating Deficits are incurred by the Partnership and such cost overruns and Operating Deficits are not funded by loans or other sources of funds on terms that do not materially adversely affect the Projections or financial viability of the Project or the Partnership; or

(vii) A material default occurs under the Construction Loan, Permanent Loan, Subordinate Cash Flow Loan, or any Project Documents and such default is not cured or waived by the Lender within 30 days after the occurrence of such default, or if such default takes more than 30 days to cure, the General Partner or Special Limited Partner has failed to commence diligent efforts to effect a cure within such 30 day period and diligently pursue such remedies until the default is fully cured (it being acknowledged and agreed that an Event of Default under this subsection (vii) exists independently of an Event of Default under subsection (ix) hereof and does not merge with subsection (ix) if a foreclosure or other creditor’s action is filed in connection with the Construction Loan, Permanent Loan or Subordinate Cash Flow Loan); or

(viii) The Project or the Partnership is substantially mismanaged and such mismanagement has a material adverse effect on the Partnership, the Project, or the Limited Partner; or
(ix) Any Lender to the Partnership or other creditor of the Partnership files a foreclosure or other creditor's action for exercise of control over the Project or the rents therefrom, or the filing of a bankruptcy petition or similar creditor's action by or against the Partnership and any such action is not dismissed within 30 days; or

(x) The Partnership fails to deliver 80% of Projected Tax Credits to the Limited Partner with respect to any calendar year; or

(xi) The General Partner fails to timely and promptly discharge the Property Management Agent if at any time cause (as such term is defined in Section 6.4.9(v) hereof) for such removal exists; or

(xii) The General Partner fails to remove the Accountant and replace it with an accountant that is approved by the Limited Partner in accordance with the requirements of Section 8.6.3 hereof; or

(xiii) Any payment required to be made to the Limited Partner or the Partnership by the General Partner or Special Limited Partner pursuant to Sections 6.4.6(i), 6.4.6(i)(a), and Section 6.9 is not timely made by or on behalf of the General Partner or Special Limited Partner or any guarantor of such obligation; or

(xiv) The occurrence of a breach of any obligation, representation, warranty or covenant of any of the Guarantors under the Guaranty Agreement; or

(xv) A General Partner or Special Limited Partner permits an owner thereof to transfer a controlling interest in such entity without the consent of the Limited Partner as required in Section 6.3.30 of this Partnership Agreement; or

(xvi) Repeated failure to provide in a timely manner any reports or information required to be submitted to the Limited Partner, the Special Limited Partner or the Asset Manager under Article 8, hereof; or

(xvii) The commencement by a General Partner, Special Limited Partner or a Guarantor of a proceeding in bankruptcy or insolvency seeking a compromise, adjustment or other relief under the laws of the United States or of any state relating to the relief of debtors; or

(xviii) The failure of the General Partner or Special Limited Partner to obtain the dismissal of any case commenced against a General Partner or Special Limited Partner (i) for the appointment of a trustee for such General Partner or Special Limited Partner, or any of its property or (ii) in bankruptcy or insolvency or for compromise adjustment or other relief under the laws of the United States or any state relating to the relief of debtors; or
During the Compliance Period, the General Partner has operated the Project in a manner such as that 20% or more of the Tax Credit Units fail to qualify for the Tax Credits; or

The use by the General Partner of any funds in any of the reserves described in Section 6.4.7 above for purposes other than permitted therein.

10.6.2 Effectiveness. Prior to removing and replacing the General Partner or Special Limited Partner for an Event of Default, the Limited Partner shall give the General Partner or Special Limited Partner reasonable prior written notice setting forth in detail the Event of Default(s) providing the basis for such possible removal and a reasonable opportunity (as determined by the Limited Partner in its discretion) to cure such default(s); provided, however, that no opportunity to cure such default(s) shall be given where the extent or nature of the default is such that there is a likelihood of material loss, liability, or prejudice to the Partnership or the Limited Partner, or both, from any delay in removal and replacement. If the grounds for removal justify an immediate removal under the preceding sentence, such removal shall be effective upon the delivery of a notice thereof to the specified address in accordance with Section 12.1 hereof. Under all other circumstances, such removal shall be effective only after:

(i) failure by the General Partner or Special Limited Partner to cure the default(s) set forth in the notice of removal within the prescribed cure period,

(ii) a decision by the Limited Partner, in its sole and reasonable discretion, to remove the General Partner or Special Limited Partner, and

(iii) the Limited Partner provides the General Partner or Special Limited Partner with written notice of its removal as General Partner or Special Limited Partner, with a copy to the Special Limited Partner, which notice shall specify the date on which such removal shall become effective.

Notwithstanding such removal, the General Partner or Special Limited Partner, as applicable, shall remain liable to the Partnership and the Limited Partner for (i) all obligations and liabilities (including, without limitation, its obligations to make any payments pursuant to Sections 6.4.6(i), 6.4.6(ii), 6.4.6(iii), and Section 6.9 of this Partnership Agreement and liabilities resulting from any breach of any of the representations and warranties set forth in Section 6.3 of this Partnership Agreement) incurred by it as a General Partner or Special Limited Partner before the effective date of such removal but is free of any obligations and liabilities incurred on account of Partnership activities from and after the time of such removal and (ii) all damages and other amounts recoverable or payable hereunder or under applicable law by or to the Partnership or the Limited Partner or Special Limited Partner as a result of the occurrence of the event giving rise to such removal. From and after delivery of notice of such removal, except as otherwise expressly provided in Section 6.5.6, the Partnership shall have no obligation to make any further payments to the Partner or its Affiliates for fees that would otherwise be due and payable pursuant to this Partnership Agreement, any
other agreement entered into by the Partnership and the Partner or any Affiliate thereof, or in connection with the performance of the Partner’s obligations hereunder.

10.6.3 Waiver. Any forbearance by the Limited Partner in exercising any right or remedy under this Section 10.6 or any other provision in this Partnership Agreement or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any other right or remedy, or the subsequent exercise of any right or remedy. The enforcement by the Limited Partner of any right herein shall not constitute an election by the Limited Partner of remedies so as to preclude the exercise of any other right available to the Limited Partner.

Section 10.7 Nominee’s Enforcement Powers. If the Limited Partner holds bare legal title, as nominee, to its Partnership Interest and transfers the beneficial interests in the Limited Partner’s Partnership Interest to one or more Persons, the General Partner hereby acknowledges and agrees that the Limited Partner, in its capacity as nominee, shall be entitled to exercise all rights and remedies reserved to the Limited Partner under this Partnership Agreement, including without limitation, the right to bring any legal action to enforce the General Partner’s obligations hereunder.
ARTICLE 11: DISSOLUTION, WINDING UP AND TERMINATION

Section 11.1 Dissolution. The Partnership will dissolve upon the occurrence of any of the following events:

11.1.1 The expiration of the term of the Partnership’s existence;

11.1.2 The sale or other disposition of all or substantially all of the Partnership Property and the Partnership’s receipt of all or substantially all of the proceeds therefrom;

11.1.3 The Partners’ mutual election to dissolve the Partnership;

11.1.4 The failure of the Limited Partner to agree in writing at the time and in the manner provided in Section 10.3 hereof to the continuation of the business of the Partnership and the appointment of a new General Partner upon the occurrence of an Involuntary Transfer of the last remaining General Partner’s Partnership Interest or the removal of the General Partner; or

11.1.5 The Limited Partner’s election pursuant to Section 10.2 hereof to dissolve the Partnership upon the occurrence of an Involuntary Transfer of a General Partner’s Partnership Interest, notwithstanding the fact that one or more other General Partner is in existence at such time.

11.1.6 The Limited Partner’s withdrawal pursuant to Section 9.8 or exercise of its put right pursuant to Section 9.9, unless the General Partner admits one or more substitute limited partners to the Partnership within 90 days after the Limited Partner’s withdrawal or exercise of its put right.

Section 11.2 Winding Up and Termination. Upon the dissolution of the Partnership, the affairs and business of the Partnership will be wound up and terminated, the Partnership’s liabilities discharged and the Partnership Property liquidated and distributed in the manner hereinafter described. A reasonable time will be allowed for the orderly winding up of the affairs and business of the Partnership so as to enable the Partnership to minimize the normal losses attendant to the winding up and termination period. The winding up and termination of the affairs and business of the Partnership shall be supervised and conducted by the Liquidation Manager. The Liquidation Manager has the exclusive power and authority to act on behalf of the Partnership to wind up and terminate the affairs and business of the Partnership, to sell and convey the Partnership Property to such Persons (including, without limitation, any Partner or any Affiliate thereof) for such consideration and upon such terms and conditions as it deems necessary or appropriate, to discharge the Partnership’s liabilities, to establish any reserves that it deems necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership, and to distribute the liquidation proceeds in the manner hereinafter described.

Upon completion of the winding up of the affairs and business of the Partnership, the liquidation proceeds will be distributed by the Liquidation Manager in the following manner and order of priority:
11.2.1 First, such liquidation proceeds will be applied to the payment of debts and liabilities of the Partnership (excluding any loans the General Partner or its Affiliates made pursuant to Section 6.4.6(i), 6.4.6(ii), and/or 6.4.6(iii) hereof and the Guaranty Agreement and any unpaid Development Fee) and the payment of expenses of the winding up of the affairs and business of the Partnership;

11.2.2 Second, such liquidation proceeds will be applied to the setting up of any reserves (to be held by the Liquidation Manager in an interest-bearing account) which the Liquidation Manager may deem necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership; provided, however, that at the expiration of such time as the Liquidation Manager deems necessary or appropriate, the balance of such reserves remaining after payment of such liabilities or obligations will be distributed by the Liquidation Manager in the manner hereinafter set forth in this Section 11.2; and

11.2.3 Third, such liquidation proceeds will be paid to satisfy debts and liabilities owed to Partners and their Affiliates described in Section 5.2.1 hereof and in accordance with the priority set forth therein; and

11.2.4 Fourth, such liquidation proceeds will be distributed in compliance with Section 1.704-1(b)(2)(ii)(b)(2) of the Regulations to the Partners in accordance with their positive Capital Accounts, after giving effect to all contributions, distributions and allocations for all periods, including, without limitation, the allocations to be made under Section 4.2.13 hereof.

Section 11.3 Compliance with Liquidation Requirements of Regulations. If the Partnership is “liquidated” within the meaning of 1.704-1(b)(2)(ii)(g) of the Regulations, then:

11.3.1 Distributions will be made pursuant to Section 11.2 hereof (if such “liquidation” constitutes a dissolution and termination of the Partnership) to the Partners who have positive balances in their Capital Accounts in compliance with Section 1.704 1(b)(2)(ii)(b)(2) of the Regulations;

11.3.2 If a General Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including, without limitation, the taxable year in which such liquidation occurs), then such General Partner will contribute to the capital of the Partnership the amount necessary to restore the balance in its Capital Account to zero;

11.3.3 If a Limited Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including, without limitation, the taxable year in which such liquidation occurs), then such Limited Partner will contribute to the capital of the Partnership the lesser of (1) such deficit balance in its Capital Account or (2) the limited dollar amount, if any, of its Capital Account deficit which the Limited Partner has expressly agreed in writing to restore to the capital of the Partnership pursuant to Section 11.4 hereof; and
11.3.4 Any such contribution by a Partner shall be made on or before the later of (1) the end of the taxable year of the “liquidation” or (2) 90 days after the date of the “liquidation”.

Notwithstanding anything to the contrary contained in this 11.3, in the event the Partnership is “liquidated” within the meaning of Section 1.704-1(b)(2)(ii)(g) of the Regulations, but such “liquidation” does not constitute a dissolution and termination of the Partnership pursuant to this Partnership Agreement, then no distributions shall be made pursuant to Section 11.2 hereof. Instead, the Partnership shall be deemed to have distributed the Partnership Property in kind to the Partners, who shall be deemed to have assumed and taken subject to all Partnership liabilities, all in accordance with their respective Capital Accounts. Immediately thereafter, the Partners shall be deemed to have recontributed the Partnership Property in kind to the Partnership, which shall be deemed to have assumed and taken subject to all such liabilities.

Section 11.4 Rights and Obligations of Limited Partner Upon Dissolution. Except as otherwise expressly provided in Section 11.3.2 hereof, the Limited Partner shall look solely to the assets of the Partnership for the return of its Capital Contribution. Except as otherwise elected by the Limited Partner pursuant to this Section 11.4, the Limited Partner and Special Limited Partner shall not have any obligation to restore any deficit in their Capital Accounts upon the liquidation of the Partnership. Notwithstanding anything to the contrary contained in this Partnership Agreement, the Limited Partner and Special Limited Partner may from time to time elect to be obligated to restore a deficit in their Capital Accounts up to a limited dollar amount. Such election shall be made by the delivery of a written notice of election to the General Partner no later than April 15 following the taxable year for which such election is to be effective and shall specify the dollar amount of the deficit in its Capital Account that the Limited Partner or the Special Limited Partner agrees to restore. Such election shall be irrevocable and shall be binding on subsequent transferees of the Limited Partner’s or the Special Limited Partner’s Partnership Interest.

Section 11.5 Waiver of Partition. Each Partner hereby waives any right to partition or cause a partition of the Partnership Property.

Section 11.6 Final Accounting. The Liquidation Manager shall furnish each of the Partners with a statement setting forth the assets and liabilities of the Partnership as of the date of the completion of the winding up and termination of the affairs and business of the Partnership. Upon completion of the distribution plan set forth in this Article 11, the Liquidation Manager shall cause to be executed by the appropriate parties and filed in such public offices as shall be required under the Act a cancellation of the Certificate of Formation, or any amendment thereto, of the Partnership and any and all other documents which the Liquidation Manager deems necessary or appropriate to effect the dissolution and termination of the Partnership.

Section 12.8 Limitation of Benefits. Except with respect to those provisions hereof that confer rights to the Warehouse Lender, it is the explicit intention of the Partners that no person or entity other than the Partners, the owner(s) of the beneficial interests in the Limited Partner’s Partnership Interest and the Partnership is or shall be entitled to bring any action or enforce any provision of this Partnership Agreement against any Partner or the Partnership, and that the covenants, undertakings and agreements set forth in this Partnership Agreement shall be solely for the benefit of and shall be enforceable only by the Partners, the owners of such beneficial interests and the Partnership and their or its respective successors and assigns as permitted hereunder).

(ii) all amendments to the Certificate of Formation or other instrument that are required to be filed under applicable law.

The appointment by the Limited Partner of the General Partner as attorney-in-fact shall be deemed to be a power coupled with an interest in recognition of the fact that each of the Partners under the Partnership Agreement will be relying upon the power of the General Partner to act as contemplated by the Partnership Agreement in any filing and other action by it on behalf of the Partnership. The foregoing power of attorney shall survive the dissolution and termination of the Limited Partner or the assignment by the Limited Partner of the whole or any part of its Partnership Interest hereunder. Nothing contained herein shall be construed to limit the authority of the General Partner under Article 6 hereof to execute documents and act on behalf of the Partnership without execution or action by the Limited Partner.

PURCHASE OPTION AND RIGHT OF FIRST REFUSAL
PURCHASE OPTION AND RIGHT OF FIRST REFUSAL AGREEMENT

This Purchase Option and Right of First Refusal Agreement (this "Agreement") is made as of the 19th day of April, 2016 by and among EVERGREEN ROWLETT SENIOR COMMUNITY, L.P., a Texas limited partnership (the "Partnership"), CHURCHILL SENIOR RESIDENTIAL, LLC, a Texas limited liability company (the "Special Limited Partner"), LIFENET COMMUNITY BEHAVIORAL HEALTHCARE, a Texas non-profit corporation ("Grantee"), which is the sole member of EVERGREEN ROWLETT SENIOR COMMUNITY GP, LLC, a Texas limited liability company (the "General Partner"), and is consented to by NEF ASSIGNMENT CORPORATION, an Illinois not-for-profit corporation, as nominee (the "Consenting Limited Partner" or "Limited Partner").

Whereas, the General Partner, Limited Partner, and Special Limited Partner are entering into that certain Amended and Restated Limited Partnership Agreement dated as of the date hereof (the "Partnership Agreement") forming the Partnership or continuing it by amending and restating a prior partnership agreement; and

Whereas, the General Partner, Special Limited Partner and Grantee have been instrumental in the development of the Project, as described in the Partnership Agreement; and

Whereas, the General Partner, Special Limited Partner and Grantee have performed, or have agreed to perform, services (the "Services") relating to the acquisition and syndication of the Project, as defined in the Partnership Agreement, which services include procuring permanent financing, securing the low-income housing tax credits and negotiating the Consenting Limited Partner's investment in the Partnership, and the Partnership wishes to provide to the General Partner, Special Limited Partner and Grantee certain rights under this Agreement in consideration of the General Partner, Special Limited Partner and Grantee performing such services; and

Whereas, the Project is or will be subject to one or more governmental agency regulatory agreements (collectively, the "Regulatory Agreements") restricting its use to low-income housing (the "Use Restrictions"), including but not limited to the Declaration of Land Use Restrictive Covenants/Land Use Restriction Agreement for Low-Income Housing Tax Credits (the "LURA"), a form of which has been provided to the Consenting Limited Partner; and

Whereas, as a condition precedent to the continuation of the Partnership pursuant to the Partnership Agreement, the General Partner, Special Limited Partner and Grantee have negotiated and required that the Partnership execute and deliver this Agreement, and the Consenting Limited Partner has consented to this Agreement in order to induce the General Partner and Special Limited Partner to execute and deliver the Partnership Agreement;

NOW, THEREFORE, in consideration of the execution and delivery of the Partnership Agreement, the performance of the Services by the General Partner, Special Limited Partner and Grantee for the benefit of the Partnership and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

- I -
1. **Grant of Options.** The Partnership hereby grants to the Special Limited Partner an option either (a) to purchase the real estate, fixtures and personal property comprising the Project or associated with the physical operation thereof, located at the Project and owned by the Partnership at the time of purchase (the “Project Option”) as determined under Section 42(i)(l) of the Internal Revenue Code of 1986, as amended (the “Code”); or (b) to purchase the Limited Partner’s limited partnership interest in the Partnership (the “Partnership Interest Option”). In accordance with Section 6.b below, the Special Limited Partner’s purchase pursuant to the Project Option shall be effective on the last day of the 15-year compliance period for the low-income housing tax credit for the Project (the “Compliance Period”). The Partnership Interest Option (i) shall be triggered prior to the end of the Compliance Period if the Partnership receives an offer from an unrelated third party to purchase the Project or the limited partnership interest which the Limited Partner wishes to accept, in its sole discretion, and (ii) may be exercised at any time after the end of the Compliance Period. Both the Project Option and the Partnership Interest Option shall be on the terms and conditions set forth in this Agreement and subject to the conditions precedent to exercise of such Options specified herein. The Partnership additionally hereby grants to the Grantee a subordinate right to purchase the Limited Partner’s limited partnership interest in the Partnership (the “Subordinate Partnership Interest Option”) which is triggered by the Special Limited Partner declining or failing to exercise its Partnership Interest Option after an offer from an unrelated third party to purchase the Project or the Limited Partner’s limited partnership interest which the Limited Partner wishes to accept, in its sole discretion. The Project real estate is legally described in Exhibit A attached hereto and made a part hereof. The Regulatory Agreement containing the Use Restrictions to which the Project real estate will remain subject is described in Exhibit B attached hereto and made a part hereof. The Project Option, the Partnership Interest Option and the Subordinate Partnership Interest Option are collectively sometimes herein referred to as the “Options” and each of them is sometimes herein referred to as an “Option”.

2. **Grant of Refusal Right to Grantee.** In the event the Partnership receives an offer from an unrelated third party to purchase the Project which the Limited Partner wishes to accept, the Partnership will not sell the Project or any portion thereof without first providing Grantee with a written notice (the “Notice of Refusal Right”) offering to Grantee a right of first refusal (the “Refusal Right”) to purchase the Project after the close of the Compliance Period, on the terms and conditions set forth in this Agreement and subject to the conditions precedent to exercise of the Refusal Right specified herein. The Refusal Right shall be subordinated to the Partnership Interest Option and the Subordinate Partnership Interest Option that are simultaneously triggered, and if the Limited Partner’s limited partnership interest is acquired by either the Special Limited Partner or the Grantee, the consent of such acquiring party shall be required prior to the sale of the Project or any portion thereof pursuant to either a third party offer or the Refusal Right. In addition to all other applicable conditions set forth in this Agreement, (a) the foregoing grant of the Refusal Right shall be effective only if Grantee is currently and remains at all times hereafter, until (i) the Refusal Right has been exercised and the resulting purchase and sale has been closed or (ii) the Refusal Right has been assigned to a Permitted Assignee described in Paragraph 9 hereof, whichever first occurs, a qualified nonprofit organization, as defined in Section 42(b)(5)(C) of the Code, and (b) any assignment of the Refusal Right permitted under this Agreement and the Refusal Right so assigned shall be effective only if the assignee is at the time of the assignment and remains at all times thereafter,
until the Refusal Right has been exercised and the resulting purchase and sale has been closed, a Permitted Assignee described in Paragraph 9 hereof meeting the requirements of Section 42(i)(7)(A) of the Code as determined in its reasonable judgment by tax counsel to the Consenting Limited Partner.

3. Purchase Price Under Options. The purchase price under the Project Option or the Partnership Interest Option shall be as follows:

a. Project Option. The purchase price under the Project Option shall be the greater of the following amounts:

   (i) **Debt, Taxes and Credit Adjusters.** The sum of: (a) an amount sufficient to pay all debts (including partner loans) and liabilities of the Partnership upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Option, (b) an amount sufficient to distribute to the Limited Partner pursuant to Section 5.2(a)(ii) of the Partnership Agreement, cash proceeds equal to the state, local and federal taxes projected to be imposed on the Limited Partner as a result of the sale of the Project pursuant to the Option less any amounts distributed or to be distributed to the Limited Partner from the Operating Reserve Account and/or the Replacement Reserve Account for the purpose of paying such taxes, and (c) any unpaid portion of any credit adjuster payments due and owing to the Limited Partner pursuant to Section 6.9 of the Partnership Agreement; or

   (ii) **Fair Market Value.** The fair market value of the Project, appraised as low-income housing to the extent continuation of such use is required under the Use Restrictions, less any liabilities, including all Partnership debt (including Partner loans) assuming the Project is affordable for the period of the Use Restrictions. The above-referenced appraisal shall be made by a licensed appraiser who is a member of the Master Appraiser Institute ("MAI") and who has experience in the geographic area in which the Project is located. The fair market value of the Project shall be determined by an MAI appraiser selected by the Partners, with the prior consent of the Limited Partner. The appraisal shall be paid for by the Partnership. If the Partners are unable to agree upon an MAI appraiser, the fair market value of the Project shall be determined by an MAI appraiser agreed upon by an MAI appraiser selected by the General Partner, an MAI appraiser selected by the Special Limited Partner, and an MAI appraiser selected by the Limited Partner, which appraisal shall be paid for by the Partnership.

b. Partnership Interest Option and Subordinate Partnership Interest Option. The purchase price under the Partnership Interest Option or under the Subordinate Partnership Interest Option shall be the greater of:

   (i) **Fair Market Value Analysis.** The purchase price for the Limited Partner's Partnership Interest shall be the equivalent of the sum that the Limited Partner would have received in distribution of Net Cash pursuant to Section 5.2 of the Partnership Agreement if the Project had been sold to a third party for the appraised fair market value. Any such appraisal shall be made by a licensed appraiser who is a member of the MAI and who has experience in the geographic area in which the Project is located. The fair market value of the Project shall be determined by an MAI appraiser selected by the General Partner (or Special Limited Partner
when exercising the Partnership Interest Option), with the prior consent of the Limited Partner. The appraisal shall be paid for by the Partnership. If the Partners are unable to agree upon an MAI appraiser, the fair market value of the Project shall be determined by an MAI appraiser agreed upon by an MAI appraiser selected by the General Partner (or the Special Limited Partner when exercising the Partnership Interest Option) and an MAI appraiser selected by the Limited Partner, which appraisal shall be paid for by the Partnership; or

(ii) **Partner Loans, Taxes and Credit Adjusters.** The sum of: (a) an amount equal to the outstanding principal balance and all accrued and unpaid interest on any loans that the Limited Partner has made to the Partnership, (b) an amount sufficient to distribute to the Limited Partner pursuant to Section 5.2(a)(ii) of the Partnership Agreement, cash proceeds equal to the state, local and federal taxes projected to be imposed on the Limited Partner as a result of the sale of its Partnership Interest pursuant to the Option, and (c) any unpaid portion of any credit adjuster payments due and owing to the Limited Partner pursuant to Section 6.9 of the Partnership Agreement.

4. **Purchase Price Under Refusal Right.** The purchase price for the Project pursuant to the Refusal Right shall be equal to the sum of: (a) an amount sufficient to pay all debts (including partner loans) and liabilities of the Partnership upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Refusal Right, (b) an amount sufficient to distribute to the Limited Partner, pursuant to Section 5.2(a)(ii) of the Partnership Agreement, cash proceeds equal to the state, local and federal taxes projected to be imposed on the Limited Partner as a result of the sale pursuant to the Refusal Right, (c) any unpaid portion of any credit adjuster payments due and owing to the Limited Partner pursuant to Section 6.9 of the Partnership Agreement.

5. **Conditions Precedent.** Notwithstanding anything in this Agreement to the contrary, the Options and the Refusal Right granted hereunder shall be contingent on all of the following:

   a. **General Partner and Special Limited Partner.** As to the Project Option and the Partnership Interest Option, the Special Limited Partner shall have remained in good standing as a special limited partner of the Partnership without the occurrence of any event described in Section 10.6 of the Partnership Agreement that has not been cured as provided in Section 10.6(b) of the Partnership Agreement. As to the Refusal Right and the Subordinate Partnership Interest Option, the General Partner shall have remained in good standing as general partner of the Partnership without the occurrence of any event described in Section 10.6 of the Partnership Agreement that has not been cured as provided in Section 10.6(b) of the Partnership Agreement.

   b. **Regulatory Agreements.** Either (i) the Regulatory Agreements shall have been entered into and remained in full force and effect, and those Use Restrictions to be contained therein, shall have remained unmodified as to material terms affecting the affordability of the Project or income eligibility standards therein (unless the Consenting Limited Partner has approved a modification in writing), or (ii) if the Regulatory Agreements are no longer in effect due to reasons other than a default thereunder by the Partnership, such Use Restrictions, as so approved and unmodified, shall have remained in effect by other means and shall continue in effect by means of covenants recorded against the property.
c. Performance by the General Partner and Special Limited Partner of the Services. The General Partner, Special Limited Partner and Grantee shall have performed the Services set forth in the recitals of this Agreement. The General Partner, Special Limited Partner and Grantee shall have been deemed to have performed the Services upon the completion of all of the following:

(i) the admission of the Consenting Limited Partner to the Partnership;

(ii) the closing of all permanent loans secured by the Project, as described in the Partnership Agreement;

(iii) the acquisition of all of the real property comprising the Project by the Partnership; and

(iv) the receipt by the Partnership of all Forms 8609 to be issued in connection with the Project, evidencing the low-income housing tax credits projected to be delivered by the Project (as adjusted in any revised Projections prepared in accordance with Section 6.9 of the Partnership Agreement).

If any or all of such conditions precedent have not been met, the Options and the Refusal Right shall not be exercisable. Upon any of the events terminating the Options or the Refusal Right under Sections 9.5 and 9.6 of the Partnership Agreement, terminating either the General Partner as a general partner or the Special Limited Partner as a special limited partner, respectively, of the Partnership under Article 10 of the Partnership Agreement, or affecting the Regulatory Agreement as described in this Paragraph 5, the Options and the Refusal Right shall be void and of no further force and effect as to the Partner to which such terminating event has occurred.

6. Exercise of Refusal Right or Options and Priority.

a. Refusal Right. The Refusal Right may be exercised by Grantee only by complying in full with the following: (i) Grantee shall give written notice of its intent to exercise the Refusal Right delivered to the Partnership and each of its Partners in the manner provided in the Partnership Agreement and in compliance with the requirements of this Paragraph 6, and (ii) Grantee shall comply with the contract and closing requirements of Paragraph 8 hereof. Any such notice of intent to exercise the Refusal Right shall (I) be given no later than thirty (30) days after Grantee has received the Partnership’s Notice of Refusal Right; provided, however, if Grantee has not received the Partnership’s Notice of Refusal Right on or before the end of the fourteenth (14th) year of the Compliance Period, Grantee’s Refusal Right shall be terminated (the “Refusal Right Termination Date”), and (II) specify a closing date within one hundred eighty (180) days immediately following the end of the Compliance Period.

b. Options. At any time during the final year of the Compliance Period, the Special Limited Partner may indicate its intent to exercise the Project Option by complying in full with the following: (i) the Special Limited Partner shall give written notice of the Special Limited Partner’s intent to exercise the Project Option, with such notice to be executed by the Special Limited Partner to the Partnership in the manner provided in the Partnership Agreement and in
compliance with the requirements of this Paragraph 6, the Special Limited Partner hereby acknowledging that any such notice that is not executed by the Special Limited Partner shall be deemed null and void, and (ii) the Special Limited Partner shall comply with the contract and closing requirements of Paragraph 8 hereof. Any such notice of intent to exercise the Project Option shall be given only during the final year of the Compliance Period, and shall specify that the Special Limited Partner’s purchase pursuant to the Project Option shall become effective as of the final day of the Compliance Period.

Immediately following the Partnership’s receipt of an offer from an unrelated third party to purchase the Project or the Limited Partner’s limited partnership interest which the Limited Partner wishes to accept, in its sole discretion, or at any time following the end of the Compliance Period, the Partnership Interest Option may be exercised by the Special Limited Partner only by complying in full with the following: (i) the Special Limited Partner shall give written notice of the Special Limited Partner’s intent to exercise the Partnership Interest Option, such notice to be executed by the Special Limited Partner to the Partnership in the manner provided in the Partnership Agreement and in compliance with the requirements of this Paragraph 6, the Special Limited Partner hereby acknowledging that any such notice that is not executed by the Special Limited Partner shall be deemed null and void, and (ii) the Special Limited Partner shall comply with the contract and closing requirements of Paragraph 8 hereof. Any such notice of intent to exercise the Partnership Interest Option shall be given no later than thirty (30) days after the triggering event, if any, and shall specify a closing date within ninety (90) days after the notice of intent. In the event that following the Partnership’s receipt of an offer from an unrelated third party to purchase the Project or the Limited Partner’s limited partnership interest which the Limited Partner wishes to accept, in its sole discretion, the Special Limited Partner declines or fails to exercise its Partnership Interest Option within the timeframe set forth above, then the Grantee may exercise its Subordinate Partnership Interest Option. The Subordinate Partnership Interest Option may be exercised by the Grantee only by complying in full with the following: (i) the Grantee shall give written notice of the Grantee’s intent to exercise the Subordinate Partnership Interest Option, such notice to be delivered to the Partnership and each of its Partners in the manner provided in the Partnership Agreement and in compliance with the requirements of this Paragraph 6, the Grantee hereby acknowledging that any such notice that is not executed by the Grantee shall be deemed null and void, and (ii) the Grantee shall comply with the contract and closing requirements of Paragraph 8 hereof. Any such notice of intent to exercise the Subordinate Partnership Interest Option shall be given no later than thirty (30) days after the Special Limited Partner fails or declines to exercise its Partnership Interest Option, and which shall specify a closing date within ninety (90) days after the triggering event.

In the event of any claim, demand, dispute, lawsuit or lien arising in connection with the propriety of any exercise or purported exercise of the Refusal Rights or the Options, as applicable, either the Special Limited Partner (if the Project Option or the Partnership Interest Option is in issue) or Grantee (if Right of Refusal or the Subordinate Partnership Interest Option is in issue) shall indemnify, hold harmless and defend the Partnership and the Consenting Limited Partner against any and all costs, expenses and fees, including reasonable attorneys’ fees, incurred in connection with any such claim, demand, dispute, lawsuit or lien.
(c) **Expiration; Priority.** If the foregoing requirements and those set forth in Paragraph 8 hereof are not met as and when provided herein, the Options or the Refusal Right, or all of them, as applicable, shall expire and be of no further force or effect. Upon notice by the Special Limited Partner or Grantee of the Special Limited Partner's or Grantee's intent to exercise the Options or Refusal Right, as applicable, all of the other rights shall be subordinate to the rights then being so exercised unless and until such exercise is withdrawn or discontinued, and upon the closing of any sale of the Project or the Limited Partner's Partnership Interest, as the case may be, pursuant to such notice, all of the other rights shall expire and be of no further force or effect, provided that in the event that the Options and the Refusal Right are hereafter held by different parties by reason of any permitted assignment or otherwise, the Special Limited Partner or Grantee in its assignment, or such parties by written agreement, may specify any other order of priority consistent with the other terms and conditions of this Agreement.

7. **Determination of Price.** Upon notice by the Special Limited Partner or Grantee of its intent to exercise one of the Options, or notice by Grantee of its intent to exercise the Refusal Right, the Partnership and either the Special Limited Partner or Grantee, as applicable, shall exercise best efforts in good faith to agree on the purchase price for the Project or the Limited Partner's Partnership Interest, as the case may be. Any such agreement shall be subject to the prior written consent of the Consenting Limited Partner, which shall not be withheld as to any purchase price determined properly in accordance with this Agreement.

8. **Contract and Closing.**

   a. Upon determination of the purchase price, the Partnership and the Special Limited Partner, in the case of exercise of the Project Option or the Partnership Interest Option, or the Partnership and Grantee, in the case of exercise of the Refusal Right or the Subordinate Partnership Interest Option, shall enter into a written contract for the purchase and sale of the Project or the Partnership Interest, as the case may be, in accordance with this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area in which the Project is located, providing for a closing not later than the date specified in the notice of intent to exercise the Option or the Refusal Right, as applicable, or thirty (30) days after the purchase price has been determined, whichever is later. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of any one of the Options or the Refusal Right, as applicable. The purchase and sale hereunder shall be closed (i) with respect to the Options or Right of First Refusal, through a deed-and-money escrow with the title insurer for the Project or another mutually acceptable title company; and (ii) with respect to the Partnership Interests, through an agreement providing for the assignment of such interests on terms mutually agreeable to the applicable parties.

   b. It shall be a condition precedent to the exercise of an Option with a closing date prior to the end of Compliance Period that the Special Limited Partner and Grantee (i) covenant and agree to maintain the Project as a qualified low-income housing project for the balance of the Compliance Period, (ii) satisfy all requirements of any bond or loan document affecting the Project applicable to such exercise of the Option, and (iii) obtain the consent of the Consenting Limited Partner (which shall include its tax counsel), in its sole discretion, for such exercise of the Option with a closing date prior to the end of the Compliance Period.
c. It shall be a condition precedent of closing any transaction hereunder that the Partnership shall have received consent for such transaction from the State Housing Finance Agency, if required.

9. Assignment. If the Special Limited Partner elects not to exercise any of its rights under Section 1 of this Agreement, then, subject to the rights of the Grantee with regard to the Subordinate Partnership Interest Option, the Special Limited Partner may assign all or any of its rights under Section 1 of this Agreement to (a) a qualified nonprofit organization, as defined in Section 42(h)(5)(C) of the Code, (b) a government agency, or (c) a tenant organization (in cooperative form or otherwise) or resident management corporation of the Project (each a “Permitted Assignee”) that demonstrates its ability and willingness to maintain the Project as low-income housing in accordance with the Use Restrictions, subject to the prior written consent of the Consenting Limited Partner, which shall not be unreasonably withheld if the proposed assignee demonstrates that it is reputable and creditworthy and is a capable, experienced owner and operator of residential rental property, and subject in any event to the conditions precedent to the Refusal Right grant and the Option prices set forth in Paragraphs 2 and 4 hereof.

Prior to any assignment or proposed assignment of its rights hereunder, the assigning party shall give written notice thereof to the Partnership, the other Partners, Grantee, and the Consenting Limited Partner. Upon any permitted assignment hereunder to any entity described hereinafter, references in this Agreement to Grantee shall mean the Permitted Assignee where the context so requires, subject to all applicable conditions to the effectiveness of the rights granted under this Agreement and so assigned. No assignment of a Grantee’s rights hereunder shall be effective unless and until the Permitted Assignee enters into a written agreement accepting the assignment and assuming all of the assigning Grantee’s obligations under this Agreement and copies of such written agreement are delivered to the Partnership, the Partners, Grantee and the Consenting Limited Partner. This Agreement shall be binding upon the Limited Partner’s successors and assigns. Except as specifically permitted herein, Grantee’s rights hereunder shall not be assignable.

10. Miscellaneous. This Agreement shall be liberally construed in accordance with the laws of the state in which the Project is located in order to effectuate the purposes of this Agreement. This Agreement may be executed in counterparts or counterpart signature pages, which together shall constitute a single agreement. Neither this Agreement nor any memorandum or notice hereof shall be recorded. Capitalized terms not otherwise defined in this Agreement shall have the meaning given to such terms in the Partnership Agreement. The parties intend to fully comply with the Partnership’s obligations to the State Housing Finance Agency; accordingly, in the event of a conflict between this Agreement and the LURA, the LURA shall control.

11. Interpretation. If any provision, paragraph, sentence, clause, phrase, or word of this Agreement, or the application of any thereof, in any circumstance, is deemed invalid or unenforceable, such unenforceability or invalidity shall not affect the validity of the remainder of this Agreement, which shall be construed as if such invalid or unenforceable part were never included herein.

GUARANTY AGREEMENT
GUARANTY AGREEMENT

THIS GUARANTY AGREEMENT (this “Guaranty”) is made as of this 19th day of April, 2016, by CHURCHILL SENIOR COMMUNITIES, L.P., a Texas limited partnership (the “Guarantor”), to and for the benefit of EVERGREEN ROWLETT SENIOR COMMUNITY, L.P., a Texas limited partnership (the “Partnership”) and NEF ASSIGNMENT CORPORATION, an Illinois-not-for-profit corporation, as nominee (the “Limited Partner”). The Partnership consists of Evergreen Rowlett Senior Community GP, LLC, a Texas limited liability company, as general partner (the “General Partner”), Churchill Senior Residential, LLC, a Texas limited liability company, as special limited partner (the “Special Limited Partner”) and the Limited Partner, as limited partner.

WITNESSETH:

WHEREAS, the Partnership is being continued concurrently herewith, pursuant to an Amended and Restated Limited Partnership Agreement of the Partnership dated as of the date hereof (the “Partnership Agreement”), for the purposes of acquiring, rehabilitating or constructing, financing, operating, managing, leasing, and otherwise dealing with the real estate described therein, in significant part as low-income rental housing (the “Project”); and

WHEREAS, capitalized terms appearing in this Guaranty and not otherwise defined herein shall have the meanings assigned to such terms in the Partnership Agreement; and

WHEREAS, the General Partner and/or its affiliate(s) are to receive substantial fees as payment for certain services rendered or to be rendered to the Partnership in accordance with the Partnership Agreement, as well as a general partner interest in the Partnership, and the Guarantor will receive payment of certain fees in connection with and otherwise substantially and materially benefit from these transactions; and

WHEREAS, Guarantor wishes to induce the Limited Partner to invest in the Partnership; and

WHEREAS, in reliance on the obligations of the General Partner and the Guarantor to be performed under the Partnership Agreement and this Guaranty, the Limited Partner is investing substantial equity for a limited partner interest in the Partnership; and

WHEREAS, the Limited Partner requires the execution and delivery of this Guaranty as a condition of its execution and delivery of the Partnership Agreement and investment in the Partnership, but for which the aforesaid fees and general partner interest would not be paid or granted, and the General Partner and the Special Limited Partner have caused the Guarantor to execute and deliver this Guaranty; and

WHEREAS, the Guarantor acknowledges that the Partnership and the Limited Partner are the intended beneficiaries of this Guaranty.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:
1. Guaranteed Obligations. The Guarantor hereby irrevocably and unconditionally guarantees the General Partner’s and the Special Limited Partner’s full, faithful and timely performance of all of their respective obligations under the Partnership Agreement (collectively, the “Guaranteed Obligations”), including, without limitation, the General Partner’s Partnership management duties, its development completion and operating deficit guaranties, its guaranties with respect to payment for reduced and delayed tax credits and its repurchase obligations.

2. Guaranty Funding. No later than ten days after notice from the Partnership or Limited Partner, the Guarantor shall pay to the Partnership or the Limited Partner, in accordance with such notice, all funds that are necessary to ensure full compliance with this Guaranty, including any compensation due to the Limited Partner under the Partnership Agreement for damages resulting from noncompliance, and shall further pay any and all expenses (including without limitation attorneys’ fees) incurred by the Partnership and/or the Limited Partner in the enforcement of this Guaranty and the preparation therefor, whether or not an action or proceeding to enforce the same shall have been instituted. By executing and delivering this Guaranty, the Guarantor acknowledges and agrees to comply with the terms and conditions of the Partnership Agreement, to the extent applicable to it in the performance of its obligations under this Guaranty, and to be bound by the provisions thereof.

3. Guaranty of Payment. The guaranty made hereunder is of payment and not of collection, and Guarantor waives any right to require that any action be brought against the General Partner, the Special Limited Partner, or any other person liable for performance or payment of any of the Guaranteed Obligations or that resort first be had to any other security therefor.

4. Enforcement. In any right of action that may accrue to the Partnership by reason of any obligations guaranteed hereunder, the Partnership and/or the Limited Partner, may, at its option, proceed against (a) the Guarantor, together with the General Partner and the Special Limited Partner, (b) the Guarantor, the Special Limited Partner, and the General Partner individually, or (c) the Guarantor only, without having first proceeded against the General Partner, the Special Limited Partner, or any other person or entity. If there is more than one Guarantor, General Partner, or Special Limited Partner, each of the foregoing remedies may be enforced by the Partnership and/or the Limited Partner against any one or more or all of them. Prior to filing any action against the Guarantor to enforce the guaranty made hereunder, excluding any action to enforce Guarantor’s funding obligations under Paragraph 2 hereof, the Partnership and/or the Limited Partner shall first give the General Partner, Special Limited Partner, and the Guarantor a reasonable period of notice with an opportunity to cure any failure to perform as required hereunder, which shall be at least ten days except in case of emergency, provided that the Partnership or the Limited Partner may terminate the cure period at any time if the Partnership and/or Limited Partner determines that the Guarantor has failed to exercise diligent, continuous efforts to effect a cure.

5. Waiver by Guarantor. Guarantor hereby waives (a) notice of acceptance of this Guaranty; (b) any and all other notices to which Guarantor might otherwise be entitled except as required herein; (c) any and all defenses arising by reason of any disability of the General Partner or the Special Limited Partner or any defense of any other person or entity; (d) any and all rights to extension, composition, election with respect to any collateral under any provision of the
Federal Bankruptcy Code, as now existing or hereafter amended from time to time, or any other
developer's or guarantor's remedy thereunder or under any other federal or state law affecting
creditors' rights; (e) diligence in any attempt to enforce the obligations guaranteed hereby, to
realize upon any other security therefor, or to collect from whomsoever any amount, the payment
of which is guaranteed hereby, and any right to require that any action be brought against the
General Partner or any other person or entity or to require that resort first be had to any such
security; (f) protection of any such security for the payment of the obligations guaranteed hereby;
and (g) the observance of any and all formalities that might otherwise be required to charge
Guarantor with liability hereunder.

6. **Liquidity.** The Guarantor shall maintain at all times until Construction
Completion has occurred, liquid assets (defined as cash or an asset that is readily convertible into
cash, such as a marketable security or a certificate of deposit with a term of less than 12 months)
in an aggregate, collective, unrestricted amount of at least $500,000 and a minimum net worth of
$1,000,000. Following Construction Completion and until Permanent Loan conversion, the
Guarantor shall maintain liquid assets in the aggregate, collective, unrestricted amount of at least
$350,000. Following Permanent Loan conversion and until the end of the Operating Deficit
Guaranty Period, the Guarantor shall maintain liquid assets in the aggregate, collective,
unrestricted amount of $250,000.

7. **Partnership's Rights.** The Partnership may, at any time and from time to time,
with or without the consent of, or notice to, Guarantor, and without incurring responsibility or
liability to Guarantor or impairing or releasing the obligations of Guarantor hereunder:

      renew, replace, extend, or otherwise modify any document now or hereafter creating,
      securing, or governing the disbursement of any of the Guaranteed Obligations (including
      without limitation the Partnership Agreement) other than this Guaranty;

   b. sell, exchange, release, surrender, realize upon, or otherwise deal with, in
      any manner and in any order, any property by whomsoever and whenever pledged to
      secure, or howsoever securing, any of the Guaranteed Obligations or any liability
      (including without limitation any of those hereunder) incurred directly or indirectly in
      respect thereof or hereof, or any offset there against;

   c. exercise or refrain from exercising, for any period of time whatsoever, any
      rights against the General Partner, the Special Limited Partner, or others (including
      without limitation Guarantor) available to the Partnership and/or Limited Partner by law
      or under any document now or hereafter creating any of the Guaranteed Obligations, any
      other security therefor, or any liability (including without limitation any of those
      hereunder) incurred directly or indirectly in connection therewith or herewith (including
      without limitation failing to attempt to collect any of the Guaranteed Obligations);

   d. settle or compromise any of the Guaranteed Obligations, any security
      therefor, or any liability (including without limitation any of those hereunder) incurred
      directly or indirectly in connection therewith or herewith;
e. accept any further security for payment of the Guaranteed Obligations in addition to this Guaranty; and

f. perform such other acts as may be permitted under the Partnership Agreement.

8. **Covenants, Representations and Warranties.** Guarantor makes the following covenants, representations and warranties, acknowledging that, but for the truth and accuracy of the following representations and warranties which shall be given as of the date hereof and shall be deemed to be given as of each date hereafter throughout the term of this Guaranty, the Limited Partner would not have agreed to acquire a limited partner interest in the Partnership:

a. the execution, delivery and performance by Guarantor of this Guaranty does not and will not contravene or conflict with any law, order, rule, regulation, writ, injunction or decree now in effect of any government, governmental instrumentality or court or tribunal having jurisdiction over Guarantor or any contractual restriction binding on or affecting Guarantor;

b. there are no facts or circumstances of any kind or nature whatsoever known or which should be known to Guarantor that could in any way impair or prevent Guarantor from performing its obligations under this Guaranty;

c. all financial information with respect to Guarantor that Guarantor has given to the Partnership or the Limited Partner in connection with the transactions contemplated in this Guaranty and in the Partnership Agreement fairly and accurately present its financial condition and results of operations as of the date thereof and for the period indicated therein; since the date thereof, there has been no material adverse change in the financial condition or, if applicable, results of operations of Guarantor; and Guarantor shall notify the Partnership and the Limited Partner of any material adverse change in the financial condition or, if applicable, results of operations of Guarantor within thirty (30) days after the occurrence of such change;

d. with the assistance of counsel of its choice, Guarantor has read and reviewed this Guaranty, the Partnership Agreement and such other documents as it and its counsel deem necessary or desirable to read;

e. Guarantor is a Texas limited partnership validly existing and in good standing under the laws of the jurisdiction of its formation (and all other jurisdictions where its failure to be so qualified would have a material adverse effect on its financial condition or results of operations) and has the full power and authority to enter into and perform its obligations under this Guaranty; and

f. this Guaranty has been duly authorized, executed and delivered on behalf of Guarantor and is fully enforceable against Guarantor in accordance with its terms.

9. **Events of Default.** Each of the following shall constitute an event of default (referred to herein as an "Event of Default"), whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment
or order of any court of any order, rule or regulation of any governmental or nongovernmental body:

a. failure to make any payment due under Paragraph 2 hereof within ten (10) days after demand for payment;

b. any representation or warranty made by Guarantor under this Guaranty or any other agreement, report, certificate, financial statement or other instrument referred to in and furnished to the Partnership or the Limited Partner in connection with this Guaranty shall prove incorrect or misleading in any material respect when made or when deemed to have been made;

c. any default by Guarantor in the performance or observance of any agreement or covenant contained in this Guaranty and the continuation of such default beyond any applicable notice and cure period described in Paragraph 4 hereof;

d. the occurrence of any one or more of the following: the filing by Guarantor of a petition for the appointment of a trustee with respect to itself, himself or any of its or his property; the making by Guarantor of an assignment for the benefit of creditors; the commencement by Guarantor of a case in bankruptcy or insolvency or for compromise, adjustment or other relief under the laws of the United States or of any state relating to the relief of debtors; the failure of Guarantor to obtain the dismissal, within sixty (60) days after service upon Guarantor of any case commenced against Guarantor (i) for the appointment of a trustee for Guarantor, or any of its property or (ii) in bankruptcy or insolvency or for compromise, adjustment or other relief under the laws of the United States or of any state relating to the relief of debtors; or the failure of Guarantor to generally pay its or his material debts as such debts become due; or

e. the making or attempted making by Guarantor of a fraudulent transfer within the meaning of the Uniform Fraudulent Transfers Act.

10. **Subrogation.** Until the Guaranteed Obligations have been performed and paid in full, the Guarantor shall have (a) no right of subrogation against the General Partner or the Special Limited Partner in connection with this Guaranty and any payments made by the Guarantor hereunder and (b) no right to participate in realization upon any security for any of the Guaranteed Obligations.

11. **Subordination.** Any indebtedness of the General Partner, the Special Limited Partner, and/or the Partnership to the Guarantor now or hereafter existing is hereby subordinated to the General Partner's performance of the Guaranteed Obligations and Guarantor's obligations under this Guaranty. Any such indebtedness of the General Partner, Special Limited Partner, and/or the Partnership to Guarantor, upon written demand of the Partnership or the Limited Partner, shall be collected and received by Guarantor in trust for the Partnership and shall be paid over to the Partnership or the Limited Partner on account of the Guaranteed Obligations without impairing or releasing the obligations of Guarantor hereunder, provided that while no default exists in the payment of the Guaranteed Obligations, Guarantor may apply to its own account
any payments made to it on account of any indebtedness of the General Partner, the Special Limited Partner, and/or the Partnership to Guarantor.

12. **Absolute Guaranty.** This Guaranty is an absolute, irrevocable, present, and continuing one, and the Limited Partner's agreement to acquire a limited partner interest in the Partnership shall be conclusively presumed to have been made in reliance hereon.

13. **Primary Obligation.** This Guaranty is a primary obligation of Guarantor. No irregularity, unenforceability, or invalidity of any of the documents creating the Guaranteed Obligations or of any other document, item, matter, action, or circumstance shall impair, release, or be a defense to this Guaranty.

14. **Defenses.** Guarantor has no, or hereby waives any, present defense whatsoever to any action or proceeding at law or otherwise that may be instituted on this Guaranty, except for any defense other than disability that the General Partner or the Special Limited Partner may have at law or under the Act.

15. **Limited Partner Enforcement.** In the event the General Partner or the Special Limited Partner fails to perform any of the Guaranteed Obligations and the Partnership fails to enforce diligently the Guarantor's obligations under this Guaranty, the Limited Partner shall, after giving the General Partner, the Special Limited Partner, and the Guarantor reasonable notice and an opportunity to cure such failure as may be required under Paragraph 4 hereof, have all rights and remedies available to the Partnership hereunder or at law or in equity to enforce the Guarantor's guaranty obligations hereunder and to recover any and all damages for Guarantor's breach thereof.

16. **Notices.** Whenever the Partnership, the General Partner, the Special Limited Partner, the Limited Partner, or the Guarantor desires to give any notice to any other such party, it shall be sufficient for all purposes herein if such notice is personally delivered or sent by a nationally recognized overnight courier or registered or certified United States mail, postage prepaid. Brad – unfortunately NEF cannot provide permission to accommodate 811 units in NEF’s existing projects. The attached letter details the reasoning.

Re: Churchill’s 811 Eligible Properties

Dear Mr. Forslund:

National Equity Fund (“NEF”) serves as the Limited Partner and LIHTC investor in five LIHTC properties that are operated by Churchill Residential (“Churchill”) and are eligible for the Section 811 Project Rental Assistance Program (“811”). The five properties are as follows:

- Evergreen at Morningstar – 6245 Morning Star Dr. The Colony, TX
- Churchill at Champions Circle – 3424 Outlet Blvd. Fort Worth, TX
- Evergreen at Vista Ridge – 455 Highland Dr. Lewisville, TX
- Evergreen at Arbor Hills – 2314 Parker Rd. Carrollton, TX
- Evergreen at Rowlett – 5611 Old Rowlett Rd. Rowlett, TX

Churchill has brought to NEF’s attention an inquiry to add 811 units to these existing properties. NEF has a responsibility to its investors to maintain the initial underwriting, operational, and risk profile of these projects contemplated at closing and thus we respectfully deny this request as it would present significant challenges for each project’s stakeholders. NEF’s denial is based on the following:

1. NEF’s LPA Requires Consent to Alter a Project’s Unit Mix/Restrictions for all 5 Churchill projects listed above – To use Evergreen at Rowlett as an example, stated in the Limited Partnership Agreement (LPA) under Section 6.2 Restrictions of GP’s Authority:

   Notwithstanding anything to the contrary contained in this Partnership Agreement, neither the General Partner nor the Special Limited Partner shall have the authority to take any of the actions set forth below without the prior written consent of the Limited Partner and the General Partner shall not have the authority to seek the Limited Partner’s consent if the Special Limited Partner has not previously consented to such action:

   6.2.1 Do any act in contravention of or inconsistent with this Partnership Agreement or any other agreement to which the Partnership is a party (including, without limitation, those relating to the Project Documents, Construction Loan, Permanent Loan and Subordinate Cash Flow Loans);
The documents referenced above spell out the various rent set asides, tenant targeting, operating revenues and expenses, etc. associated with the property – incorporating 811 units constitutes as a change to those documents and thus legally requires NEF’s written approval.

2. Economic Risk – currently none of the Churchill properties listed above include project based vouchers; it would take significant costs to train management, compliance, and accounting personnel to accommodate 811 vouchers as Churchill manages their own properties and thus cannot leverage the knowledge of a larger, third party property management firm. These additional upfront and on-going costs were not initially contemplated and underwritten at project closing. NEF recognizes that the 811 program provides subsidized rents that could potentially offset some or all of these costs; however, that determination would require an in-depth analysis (and potentially revised third party reports such as market study and appraisal) which would incur investor/lender costs that are in addition to the added on-going costs at the property level.

3. Operational Risk – The 5 properties above are stable, well performing communities with an active tenant base – 4 of the 5 are senior properties. These tenants are demanding, informed, and organized. It is unclear to NEF how the current tenant base will react to the potential of 811 tenants that were not contemplated when they made the decision to lease. The risk of increased tenant concerns and turnover is real even if the actual risk posed by 811 tenants is not.

To be clear, NEF does not have any issue with the 811 program and respects its purpose/mission as a worthy one. NEF plans to participate in many Texas communities going forward that include 811 units and NEF and the project’s stakeholders will have the ability to underwrite the program’s operational and economic implications at closing. However, it is extremely difficult and risky for NEF to recommend to our investors a significant change in unit restrictions, tenant targeting, economics, and operations after closing.

Please let me know if you have any questions regarding this matter.

Sincerely,

Jason Aldridge

Accessible Hearing/Visual Units Calculation

Include this worksheet in the Application (or a signed and certified worksheet provided by your accessibility professional that shows the calculations).

To the maximum extent feasible and subject to reasonable health and safety requirements, accessible units must be:
(1) Distributed throughout the Unit types AND the Development; and
(2) Made available in a sufficient range of sizes and amenities so that the choice of living arrangements of qualified persons with Disabilities is, as a whole, comparable to that of other persons eligible for housing assistance under the same program.

Multifamily Housing Development covered by 10 TAC 11.101(b)(8)(A) must have a minimum of 5% of all units in the development set aside for the mobility impaired and an additional 2% must be set aside for the hearing and/or visually impaired.

Accessible Parking Calculation for Residential Units

Parking calculations are based on:

FHA Calculation: FHA requires minimum of 2% of parking serving covered dwelling units be HC accessible and on an accessible route.

Covered dwelling units (CDUs):
If a building has more than one floor and does not have an elevator, all of the ground floor units are "covered". If the building has an elevator, all (100%) of the units in the building are "covered".  
33 # CDUs x 2% = 1 CDU HC spaces required

FHA Distribution:
At least one in each type of CDU parking (surface, carport, garage) must be accessible, even if that means exceeding 2%.

Surface Spaces  Development includes 174 spaces and  spaces are accessible
Carports  Development includes  carports and  carports are accessible
Garages  Development includes  garages and  garages are accessible

ADA Calculation: 
Number of Units: 99 means 5 accessible units and the same number of accessible spaces at a minimum.
If total resident parking is more than one space per unit, ADA requires additional HC spaces.  
174 total spaces - 99 1 space/total units - 5 minimum = 70 spaces x 2% = 2 additional HC spaces required for a total of 7 HC spaces required

ADA Distribution: (if less than one space per Unit is provided and/or different types of parking is provided)  
Surface Spaces  Development includes 174 spaces and per 208.2  must be accessible
Carports  Development includes  carports and per 208.2  must be accessible
Garages  Development includes  garages and per 208.2  must be accessible

Van Spaces: Of these, at least one of every 6 or fraction of 6 must be a van space.

Surface Spaces Development includes at least 7 HC spaces and at least 2 must be van accessible
Carport Development includes at least 0 HC carports and at least 0 must be van accessible
Garage Development includes at least 0 HC garages and at least 0 must be van accessible

Accessible Parking Calculation

Submit this worksheet or a comparable document certified by an accessibility professional.

Although Fair Housing Standards may apply in unusual circumstances, ADA Standards typically determine the required number of Accessible Parking Spaces (APSs). This worksheet is intended to handle typical (ADA) cases, where all parking spaces are within a single parking lot. However, it might be possible to determine the APS requirements of multiple lots (or facilities) by completing this same worksheet for each of the lots. The worksheet might also be usable for Developments with less than one parking space to serve each dwelling unit, by filling in the information on page one, bypassing inapplicable spaces in the first section of page two, and completing the second section of page two, "Distribution of APSs Among the Various Types of Parking", referencing ADA Table 208.2. In unique cases where Fair Housing applies, or where this worksheet cannot be applied, create a certification specifying the types and numbers of the parking spaces applicable, including standard and accessible parking for dwelling units and amenities (e.g., office, mail kiosk, laundry, dumpster, pool, playground, etc., collectively, "amenities"), and for each type of parking facility, e.g., surface spaces, carports, garages, etc., for staff review. Links to the applicable accessibility rules are provided below.

ADA Design Manual, Ch. 2, Sec. 208:  
FHA Design Manual Page 2.23:

Accessible Parking for Facilities and Amenities

Determining the number of APSs that serve the dwelling units requires accounting for APSs that do not serve dwelling units. In the yellow spaces below, identify the individual amenities served by an APS. Groups of amenities in close proximity typically are allowed to share a single APS. If groups of amenities share one APS (or APSs), identify each such group. In the yellow space to the right of each of these identifications, state the number of APSs designated to serve the amenity or group identified. If parking is provided near dumpsters, at least 1 dumpster must have an APS. The total of these APSs will be subtracted from the total of all types of parking spaces to determine the number of parking spaces that serve the dwelling units and the APSs required for the dwelling units.

Total of Accessible Parking Spaces that Do Not Serve Dwelling Units: 1
Accessible Parking for Residential Units

This portion of the worksheet was written for Developments having at least one parking space serving each dwelling unit, having surface parking spaces as the APSs that are not for dwelling units, and having only one parking lot, i.e., none of the parking spaces are physically segregated from the others by gates or by curbs or other barriers that require vehicles to exit the Development to travel between separate parking lots that serve it. The worksheet might, or might not be, useful for other cases.

Enter the information indicated below.

| Total dwelling Units in the Development: | 99 |
| Total surface parking spaces: | 174 |
| Total carports: | 0 |
| Total garages: | 0 |
| Total parking spaces of all types: | Calculated from above: 174 |

This worksheet is intended to handle typical (ADA) cases, where all parking spaces are within a single parking lot. However, it might be possible to determine the APS requirements of multiple lots (or facilities) by completing this same worksheet for each of the lots. The worksheet might also be usable for Developments with less than one parking space to serve each dwelling unit, by filling in the information on page one, bypassing inapplicable spaces in the first section of page two, "Distribution of APSs Among the Various Types of Parking", referencing ADA Table 208.2. In unique cases where Fair Housing applies, or where this worksheet cannot be applied, create a certification specifying the types and numbers of the parking spaces applicable, including standard and accessible parking for dwelling units and amenities (e.g., office, mail kiosk, laundry, dumpster, pool, playground, etc., collectively, "amenities"), and for each type of parking facility, e.g., surface spaces, carports, garages, etc., for staff review. Links to the applicable accessibility rules are provided below.

**Accessible Parking for Facilities and Amenities**

Determining the number of APSs that serve the dwelling units requires accounting for APSs that do not serve dwelling units. In the yellow spaces below, identify the individual amenities served by an APS. Groups of amenities in close proximity typically are allowed to share a single APS. If groups of amenities share one APS (or APSs), identify each such group. In the yellow space to the right of each of these identifications, state the number of APSs designated to serve the amenity or group identified. If parking is provided near dumpsters, at least 1 dumpster must have an APS. The total of these APSs will be subtracted from the total of all types of parking spaces to determine the number of parking spaces that serve the dwelling units and the APSs required for the dwelling units.

Total of Accessible Parking Spaces that Do Not Serve Dwelling Units: 0
### Accessible Parking for Residential Units

Enter the information indicated below.

**Total dwelling Units in the Development:**

**Total surface parking spaces:**

**Total carports:**

**Total garages:**

**Total parking spaces of all types:**

**Total APSs that serve non-residential purposes (i.e. office, amenities, etc.):**

**Total of all types of parking spaces that serve dwelling units:**

**APSs for mobility accessible units (5% of unit count, if spaces are sufficient):**

**Parking spaces that serve dwelling units in excess of one per unit (if applicable):**

**APSs required in excess of one per mobility accessible unit:**

**Total APSs required (including dwelling units and facilities/amenities):**

All Developments, including those having fewer than one parking space serving each dwelling unit, should use this portion of the worksheet. Enter the number of APSs indicated by ADA Table 208.2 for the total of each type of parking space, i.e., surface spaces, carports, etc., including both amenity spaces and dwelling unit spaces.

**Distribution of APSs Among the Various Types of Parking**

- Minimum number of surface parking spaces (include dwelling unit and amenity spaces) that must be APSs:

- Minimum number of carports that must be APSs:

- Number of garages that must be APSs:

**APSs that Must Be Van Spaces**

- **Total Van APSs required, including all types of spaces:**

- Minimum number of surface parking spaces that must be van APSs:

- Minimum number of carports that must be van APSs:

- Minimum number of garages that must be van APSs:

By signing below, I (WE) certify that the information above meets the requirements in the 2010 ADA Standards for Accessible Design Title III regulations at 28 CFR part 36, subpart D, and the 2004 ADA Accessibility Guidelines at 36 CFR part 1191, appendices B and D. There will be at least one accessible parking space per accessible unit located on the closest route to the accessible unit. For every 6 or fraction of 6 accessible spaces required, at least one will be van accessible. Accessible spaces will be dispersed amongst the parking types provided. Where parking for amenities or non-residents is provided, a sufficient number of accessible spaces will be provided.

RE: 2019 HTC Application – proposed site located in Fort Worth, Texas  
HTC File: 19009

Dear Mr. Forslund:

The Texas Department of Housing and Community Affairs has received a request submitted for proposed a 2019 Housing Tax Credit (“HTC”), located in Fort Worth, to calculate the utility allowance using the Written Local Estimate in accordance with the 10TAC§10.614(k). This allowance is calculated based on the following representations:

1. That the buildings are not HUD-Regulated;
2. That the building(s) are not RHS assisted or have RHS assisted tenants; and,
3. That the residents are financially responsible for electricity and that the utility is not paid to or through the owner of the building based on an allocation formula or RUBS.

In accordance with Treasury Regulation §1.42-10, the utility allowance for those units occupied by Section 8 voucher holders remains the applicable Public Housing Authority utility allowance established from where the resident receives the assistance.

Please see attached written local estimate from Reliant dated February 11, 2019. This allowance can be used for underwriting purposes. If you are successful in obtaining an allocation, to utilize the Written Local Estimate to establish the initial utility allowance for the Development, the Owner must submit utility allowance documentation for Department approval, at minimum, 90 days prior to the commencement of leasing activities.

If you have any further questions, please contact Cody Campbell toll free in Texas at (800) 643-8204, directly at (512) 475-4603, or email: cody.campbell@tdhca.state.tx.us.

RE: Utility Allowance Estimate

To Whom It May Concern:

In our opinion, as of this date, the monthly utility charge estimates listed below would apply for the above noted property to be built within the service area of Reliant Energy:

<table>
<thead>
<tr>
<th>ELECTRIC - Utility Allowances</th>
<th>1 BR</th>
<th>2 BR</th>
<th>3 BR</th>
</tr>
</thead>
<tbody>
<tr>
<td>TOTAL</td>
<td>$49.00</td>
<td>$60.00</td>
<td>$66.00</td>
</tr>
</tbody>
</table>

NOTES:

1. At a minimum, the subject property is to be built subject to the 2009 International Energy Conservation Code (IECC).

2. Once built and ready for occupancy, the utility allowance estimates will be reviewed and revised using the Reliant Energy rates in effect at the time.

3. The above utility allowances are only an estimate.

4. The monthly utility charge estimates are for a unit of similar size and construction for the geographic area in which the building containing the unit is located.

5. The above utility allowances, by bedroom type, apply to all building configurations on this property.

6. Estimates based on an “Energy Conservative Household” and other criteria as defined by the U.S. Department of Housing and Urban Development (HUD).

7. Estimates include costs for heating; cooking; other electric (lighting, etc.); air conditioning; water heating; all monthly component charges.

Sincerely yours,

[Signature]

### 15 Year Rental Housing Operating Pro Forma (All Programs)

The pro forma should be based on the operating income and expense information for the base year first year of stabilized occupancy using today’s best estimates of market rents, restricted rents, rental income and expenses, and principal and interest debt service. The Department uses an annual growth rate of 2% for income and 3% for expenses. Written explanation for any deviations from these growth rates or for assumptions other than straight-line growth made during the proforma period should be attached to this exhibit.

# 15 Year Rental Housing Operating Pro Forma (All Programs)

The pro forma should be based on the operating income and expense information for the base year (first year of stabilized occupancy using today's best estimates of market rents, restricted rents, rental income and expenses), and principal and interest debt service. The Department uses an annual growth rate of 2% for income and 3% for expenses. Written explanation for any deviations from these growth rates or for assumptions other than straight-line growth made during the proforma period should be attached to this exhibit.

## 15 Year Rental Housing Operating Pro Forma (All Programs)

The pro forma should be based on the operating income and expense information for the base year (first year of stabilized occupancy using today's best estimates of market rents, restricted rents, rental income and expenses), and principal and interest debt service. The Department uses an annual growth rate of 2% for income and 3% for expenses. Written explanation for any deviations from these growth rates or for assumptions other than straight-line growth made during the proforma period should be attached to this exhibit.

INSTRUCTIONS: Describe the sources of funds that will finance Development. The description must include construction, permanent, and bridge loans, and all other types of funds to be used for development. The information must be consistent with all other documentation in this section. Provide sufficient detail to identify the source and explain the use (in terms of the timing and any specific uses) of each type of funds to be contributed. In addition, describe/explain replacement reserves. Finally, describe/explain operating items. The narrative must include rents, operating subsidies, project based assistance, and all other sources of funds for operations. In the foregoing discussion of both development and operating funds, specify the status (dates and deadlines) for applications, approvals and closings, etc., associated with the commitments.

Describe the sources and uses of funds (specify the status (dates and deadlines) for applications, approvals and closings, etc., associated with the commitments). For Direct Loan or Tax-Exempt Bond Applications that contemplate an FHA-insured loan, this includes the anticipated date that FHA application will be submitted to HUD (if not already submitted).

National Equity Fund will provide LIHTC equity in the amount of $14,098,590. 35% of this amount will be funded during construction. The syndication rate is $.94. A first lien construction and permanent loan would be provided by Capital One. The construction loan would be for a term of 36 months at an interest rate of 5% and payable interest only. The permanent loan would be based on an interest rate of 6%, amortization of 30 years and a term of 13 years. The City of Fort Worth would be providing a waiver of fees in the amount of $2,500. NE Construction would be providing a match in the amount of $65,300 in the form of a contribution of construction materials. Churchill Senior Communities, LLC will be providing a deferred developer fee of $425,325.

Describe the replacement reserves. Are there any existing reserve accounts that will transfer with the property? If so, describe what will be done with these funds.

There will be standard lender and investor escrows once the property converts to its permanent loan. The long-term reserve of $431,688 shown in the Development Cost Schedule is not available for replacement reserves and is restricted by the investor.

Describe the operating items (rents, operating subsidies, project based assistance, etc., and specify the status (dates and deadlines) for applications, approvals and closings, etc., associated with the commitments.

INSTRUCTIONS: Describe the sources of funds that will finance Development. The description must include construction, permanent, and bridge loans, and all other types of funds to be used for development. The information must be consistent with all other documentation in this section. Provide sufficient detail to identify the source and explain the use (in terms of the timing and any specific uses) of each type of funds to be contributed. In addition, describe/explain replacement reserves. Finally, describe/explain operating items. The narrative must include rents, operating subsidies, project based assistance, and all other sources of funds for operations. In the foregoing discussion of both development and operating funds, specify the status (dates and deadlines) for applications, approvals and closings, etc., associated with the commitments.

Describe the sources and uses of funds (specify the status (dates and deadlines) for applications, approvals and closings, etc., associated with the commitments). For Direct Loan or Tax-Exempt Bond Applications that contemplate an FHA-insured loan, this includes the anticipated date that FHA application will be submitted to HUD (if not already submitted).

National Equity Fund will provide LIHTC equity in the amount of $14,098,590. 35% of this amount will be funded during construction. The syndication rate is $.94. A first lien construction and permanent loan would be provided by Capital One. The construction loan would be for a term of 36 months at an interest rate of 5% and payable interest only. The permanent loan would be based on an interest rate of 6%, amortization of 30 years and a term of 15 years. The City of Fort Worth would be providing a waiver of fees in the amount of $2,500. NE Construction would be providing a match in the amount of $65,000 in the form of a contribution of construction materials. Churchill Senior Communities, LLC will be providing a deferred developer fee of $425,325.

Describe the replacement reserves. Are there any existing reserve accounts that will transfer with the property? If so, describe what will be done with these funds.

There will be standard lender and investor escrows once the property converts to its permanent loan. The long-term reserve of $431,688 shown in the Development Cost Schedule is not available for replacement reserves and is restricted by the investor.

Describe the operating items (rents, operating subsidies, project based assistance, etc., and specify the status (dates and deadlines) for applications, approvals and closings, etc., associated with the commitments.

By signing below I acknowledge that the amounts and terms of all anticipated sources of funds as stated above are consistent with the assumptions of my institution as one of the providers of funds.

This form must be submitted with the Development Cost Schedule if the development has offsite costs, whether those costs are included in the budget as a line item, embedded in the acquisition costs, or referenced in utility provider letters. Therefore, the total costs listed on this worksheet may or may not exactly correspond with those off-site costs indicated on the Development Costs Schedule. However, all costs listed here should be able to be justified in another place in the application.

**Column A:** The offsite activity reflected here should correspond to the offsite activity reflected in the Development Cost Schedule or other supporting documentation.

**Columns B and C:** In determining actual construction cost, two different methods may be used:

**Column D:** To arrive at total construction costs in Column D:

**Column E:** Any proposed activity involving the acquisition of real property, easements, rights-of-way, etc., must have the projected costs of this acquisition for the activity.

**Column F:** Engineering/architectural costs must be broken out by the offsite work activity.

**Column G:** Figures for Column G, Total Activity Cost, are obtained by adding together Columns D, E, and F to get the total costs.

**ALL contingency must be included in the Contingency line item on the Development Cost Schedule and NOT on this form**

**This form must be completed by a professional engineer licensed to practice in the State of Texas. His or her signature and registration seal must be on the form.**

### 15 Year Rental Housing Operating Pro Forma (All Programs)

The pro formas should be based on the operating income and expense information for the base year (first year of stabilized occupancy using today’s best estimates of market rents, restricted rents, rental income and expenses), and principal and interest debt service. The Department uses an annual growth rate of 2% for income and 5% for expenses. Written explanation for any deviations from these growth rates or for assumptions other than straight-line growth made during the proforma period should be attached to this exhibit.

CONFIDENTIAL

Re: Churchill at Golden Triangle - Fort Worth, TX

Dear Mr. Forslund,

Capital One, National Association (together with its affiliates, “Capital One”) is pleased to provide you with its proposal as outlined in the attached summary of terms and conditions (this letter together with the exhibits attached hereto, the “Proposal”) to provide financing for your proposed development, Churchill at Golden Triangle (the “Development”).

This Proposal contains an outline of suggested terms only, and it does not represent a commitment by Capital One or create any obligation whatsoever on Capital One's part. It is for discussion purposes only, and the outlined terms have not received final approval by the appropriate Capital One lending authorities. This Proposal replaces and voids any and all previous financing proposals by Capital One for the Development.

Based on the information you have provided, the Development appears feasible, and Capital One is willing to begin due diligence on the following terms.

The attached 15-year pro forma was prepared by the Borrower for Churchill at Golden Triangle located in Fort Worth. The pro forma is consistent with the unit rental rate assumptions, total operating expenses, net operating income, and debt service coverage based on Capital One’s current underwriting parameters and consistent with the loan terms indicated in the term sheet and is preliminarily considered feasible, pending further diligence review. The debt service for each year maintains no less than a 1.15 debt coverage ratio.

Additionally, we have performed a preliminary review of the credit worthiness of the Guarantor and its principals. At this time, Capital One has no reservations with the Borrower or any of the principals. We anticipate no additional guarantors or financial strength will be needed to facilitate a loan to this borrower, other than those requirements disclosed herein.

The proposed terms and conditions below (including capitalized terms in bold) are supplemented by those set forth in Exhibit A hereto.

BORROWER: A formed or to-be-formed limited partnership or limited liability company will act as the Borrower.

TYPE and PURPOSE of LOANS: The Construction Loan is a non-revolving multiple-draw loan advanced to finance a portion of the Property Improvements and to bridge the LIHTC equity pay-ins or other subordinated financing. Closing of the Construction Loan will be subject to satisfaction of the conditions set forth in Exhibit B.
Advances under the **Construction Loan** will be made no more frequently than monthly, with the funding based upon the percentage-of-completion for actual work-in-place as approved by Capital One and its construction consultant. Retainage will be withheld on each advance and the terms of the construction contract between the Borrower and the Development’s general contractor (the “General Contractor”) must be acceptable to Capital One. **Retainage Terms** with the General Contractor to be approved by Capital One. Funds will be deposited into the Borrower’s construction account held by Capital One. If requested, funds may be wired from that account; however, scheduled wire charges may apply.

The **Permanent Loan** will be provided by Capital One in the form of a single-draw amortizing term loan. Certain amounts outstanding under the Construction Loan will be converted to the Permanent Loan (the “Conversion”) at the end of the construction phase, subject to satisfaction of the conditions set forth in Exhibit C.

**COLLATERAL; ETC.:** First lien deed of trust/mortgage on the Borrower’s interest in real property and improvements (whether fee simple or leasehold). Assignments and/or first lien security interest in rents and leases, general partner/managing member’s interest, low income housing tax credits, construction contract, architect’s contract, management contract, development agreement, social service contract, FF&E and all accounts including escrow, reserve, and operating accounts.

The **Construction Loan** and **Permanent Loan** will become due upon sale of, or refinance of any debt incurred in respect of, the Project property or **Property Improvements**.

**AFFORDABILITY RESTRICTIONS:** The Development will be affordable to tenants under the **Affordability Restrictions** and may include any **Operating Subsidies** awarded to the Borrower.

**AMOUNT OF LOANS:** The maximum amount of the **Construction Loan** (during the construction phase) shall be the lesser of:
- The **Construction Loan** amount set forth on Exhibit A
- Up to 80% of the sum of the value of the property including the as completed and stabilized value including rent restrictions, inclusive of property tax abatement (if applicable) and the value of the tax credits at the lesser of appraised value or the accepted purchase price

The maximum amount of the **Permanent Loan** (during the permanent phase) shall be the least of:
- The **Permanent Loan** amount set forth on Exhibit A
- The **Permanent Loan to Value** of the as completed and stabilized appraised value (including rent restrictions)
- An amount that would be supported by Development cash flow on the **Debt Service Coverage Ratio** in the reasonable determination of Capital One

**LOAN FEES:** The **Construction Loan Origination Fee** on the full amount of the Construction Loan and the **Permanent Loan Origination Fee** on the full amount of the Permanent Loan. All such fees are due at the closing of the Construction Loan and are nonrefundable.

If the Borrower terminates the commitment for the Permanent Loan, then Borrower will be assessed an exit fee of 5% of the full amount of the Permanent Loan commitment; provided that if the Borrower terminates the commitment for the Permanent Loan in conjunction with
a refinancing by Capital One Multifamily Finance, then Borrower will be charged the lesser of
the 5% exit fee or breakage costs.

CONSTRUCTION LOAN INTEREST RATE and PAYMENTS: Rates quoted are predicated on the
assumption that all operating accounts, construction accounts, reserve accounts and any
other deposit accounts of the Borrower and the Development, including escrow accounts, will
be maintained with Capital One for the entire period that the Construction Loan is outstanding.
If circumstances are such that this cannot be achieved, pricing may vary.

For the Construction Loan, the rate will be determined using Construction Loan Spread
plus an Index which will re-price monthly. Indicative loan pricing for today’s date can be
found in Exhibit A. For underwriting purposes, the interest reserve will be sized assuming a
Construction Minimum Rate.

During construction, interest only payments will be due monthly. Interest shall be calculated
utilizing a 360-day basis for the actual number of days principal is outstanding.

CONSTRUCTION LOAN TERM and EXTENSION: The Construction Loan Term is inclusive of
the Construction Completion Date, which shall not be extended more than 60 days due to
force majeure and, in any event, shall not be extended beyond the placed in service date.
Construction shall commence no later than 30 days of the Anticipated Closing Date.

If the construction loan is extended, there will be an Extension Fee based on the amount of
the Construction Loan extended, including unfunded amounts that will remain available after
extension. An Extension Period may be authorized subject to satisfaction of conditions
including, but not limited to:

- compliance with all placed in service requirements
- lien free completion
- adequate interest reserve
- all scheduled equity due at that point having been funded
- receipt of extension for all additional financing sources as necessary
- no event of default in any documents governing any credit facility, subordinate debt,
  grant, equity or other binding agreements governing the borrower, Development or
guarantor
- Extension Period Physical Occupancy
- Extension Debt Service Coverage Ratio
- Extension Fee payment

Additional extension criteria may be added upon changes in the financing structure and/or
receipt of the loan/equity documents for other lenders/financing partners. If the extension is
exercised, the Borrower will pay any and all reasonable costs related to the extension,
including cost for an updated appraisal, if required.

PERMANENT LOAN TERM, RATE and PREPAYMENT: The Permanent Loan Term and the
Permanent Loan Amortization are set forth in Exhibit A.

An indicative Permanent Loan Rate quoted as of today’s date is set forth in Exhibit A. The
Permanent Loan Rate is subject to change based on market conditions and Capital One will
underwrite and size the Permanent Loan assuming a Minimum Permanent Loan Rate, until
the permanent commitment is rate locked. Rate lock is subject to Capital One’s approval and
a rate lock agreement may be required. A non-refundable Rate Lock Fee will be due at the
closing of the Construction Loan.
Prepayment of the Permanent Loan is permitted during the term of the Permanent Loan, subject to prepayment premium calculated as the greater of 1% of the outstanding Permanent Loan balance or using Fannie Mae’s yield maintenance formula.

GUARANTIES: Capital One will have full recourse to the Borrower, as well as a payment and performance guaranty from (i) the general partner/managing member of the Borrower and (ii) each Guarantor listed on Exhibit A which shall be satisfactory to Capital One following due diligence (collectively, the “Guarantor Parties”). The Guarantor Parties may be subject to Additional Covenants. In addition, Lien Free Completion Guaranties will be required from the parties listed on Exhibit A. These guaranties will include post-Conversion carve outs which are customary for transactions of this type.

The Borrower and the Guarantor Parties will jointly and severally provide environmental indemnification which shall survive the Conversion.

EQUITY: Total LIHTC Contribution will come from the sale of tax credits. Equity terms must be acceptable to Capital One and are subject to credit approval.

Except for certain costs approved by Capital One to be paid at closing of the Construction Loan from the proceeds of equity, the equity investor shall deposit the equity contribution amount in an account of Borrower held at and controlled by Capital One. The funds in that account will be disbursed by Capital One to: (i) pay for approved budgeted items and/or applied to the Construction Loan in accordance with the loan documents, and (ii) pay down the Construction Loan after construction completion to the amount of the Permanent Loan. Capital One will have no obligation to make an advance of the Construction Loan unless and until Capital One has disbursed any installment of equity proceeds then on deposit with Capital One (as will be more particularly provided for in the applicable loan documents).

ADDITIONAL SOURCES OF FINANCING: For all Additional Sources included in the financing structure, all amounts owing to the Additional Sources must remain subordinate on terms satisfactory to Capital One to the amounts outstanding under the Construction Loan or the Permanent Loan until paid in full. There will be a Servicing Fee to administer the Additional Sources during construction.

CASH DEVELOPER FEE: Cash Developer Fee payments will be subordinate to the Construction Loan and will be paid out in accordance with a schedule to be agreed during underwriting.

CONTINGENCIES: Capital One requires a minimum Hard Cost Contingency and Soft Cost Contingency within the budget. Should the applicable finance agency not permit the such contingencies, then a portion of Cash Developer Fee will be escrowed at closing of the Construction Loan in the amount of such contingencies less what is included in the budget. The escrowed Cash Developer Fee will be released with the completion equity installment.

PAYMENT AND PERFORMANCE BONDS OR LETTERS OF CREDIT: The General Contractor will provide payment and performance bonds during construction, provided by a surety with at least an AM Best rating of “A” and acceptable to Capital One in its sole discretion. However, if the General Contractor is unable to provide bonds, or uses a surety company with a lower rating, Capital One is willing to consider a letter of credit in favor of Capital One for no less than 15% of the total amount stated under the construction contract from a highly-rated issuer acceptable to Capital One in its sole discretion.
THIRD PARTIES: Third party firms including, but not limited to, the General Contractor, property manager, consulting engineer, and environmental consultant are subject to Capital One’s review and approval.

NET OPERATING INCOME: Net Operating Income will be treated as set forth on Exhibit A. All Net Operating Income will be held in a deposit account at Capital One.

EXPENSES and GOOD FAITH DEPOSIT: Underwriting, closing, and any other expenses must be reimbursed to Capital One whether or not the Construction Loan closes. Customary expenses include but are not limited to: appraisal, plan & cost review, flood search, legal fees or costs, insurance consultant review, and construction signage.

Please include a Good Faith Deposit when you return a countersigned copy of this Proposal to us. Within three weeks following the closing of the Construction Loan, the deposit will be returned provided that Capital One has confirmed all third-party costs have been paid from the closing requisition. The Good Faith Deposit should not be included as a line item in the development budget. If for any reason the Construction Loan does not close, any third party or legal costs billed to Capital One will be deducted from the deposit and any remaining portion will be refunded. Additional deposits may be required for continued underwriting and legal document drafting if current estimates exceed original estimates prior to final credit approval and closing.

PATRIOT ACT DISCLOSURE: We hereby notify you that pursuant to the requirements of the USA PATRIOT Act, Title III of Pub. L. 107-56 (signed into law on October 26, 2001) (the “PATRIOT Act”), Capital One may be required to obtain, verify and record information that identifies the Borrower and each Guarantor Party, which information includes the name, address, tax identification number and other information regarding the Borrower and each Guarantor Party that will allow Capital One to identify the Borrower and each Guarantor Party in accordance with the PATRIOT Act. This notice is given in accordance with the requirements of the PATRIOT Act.

ECOA NOTICE: The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status, age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant’s income derives from any public assistance program, or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. To obtain the statement, please contact the office of Capital One listed at the top of this letter within 60 days from the date you are notified of our decision. We will send you a written statement of reasons for the denial within 30 days of receiving your request for the statement.

CONFIDENTIALITY: The contents of this Proposal may not be shared with any third party without Capital One’s prior written consent, except for potential equity and subordinated debt investors, professional advisors, management and regulatory or other governmental bodies on a need-to-know basis. All persons who are informed of the contents of this Proposal also shall be informed that such contents are confidential and cannot be disclosed without Capital One’s prior written consent.

WAIVER OF JURY TRIAL: THE PARTIES HERETO, TO THE EXTENT PERMITTED BY LAW, WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING ARISING OUT OF, IN
CONNECTION WITH OR RELATING TO, THIS PROPOSAL, THE CONSTRUCTION LOAN, THE
PERMANENT LOAN AND ANY OTHER TRANSACTION RELATED HERETO OR THERETO. THIS
WAIVER APPLIES TO ANY ACTION, SUIT OR PROCEEDING WHETHER SOUNDING IN TORT,
CONTRACT OR OTHERWISE.

ACCEPTANCE; EXPIRATION: To accept this Proposal, the Proposal must be countersigned and
returned to us along with the Good Faith Deposit within ten (10) business days of the date of
the letter or the terms of this letter shall become null and void. Once accepted, if the closing
of the Construction Loan does not occur by the Anticipated Closing Date, the terms of this
Proposal shall become null and void.

Notwithstanding the foregoing, the provisions of this letter set forth under the headings
“Expenses and Good Faith Deposit”, “Confidentiality” and “Waiver of Jury Trial” shall survive
the termination or expiration of this Proposal and shall remain in full force and effect
regardless of whether the Construction Loan closes.

Re: Churchill at Golden Triangle - Fort Worth, TX

Dear Mr. Forslund,

Capital One, National Association (together with its affiliates, “Capital One”) is pleased to provide you with its proposal as outlined in the attached summary of terms and conditions (this letter together with the exhibits attached hereto, the “Proposal”) to provide financing for your proposed development, Churchill at Golden Triangle (the “Development”).

This Proposal contains an outline of suggested terms only, and it does not represent a commitment by Capital One or create any obligation whatsoever on Capital One's part. It is for discussion purposes only, and the outlined terms have not received final approval by the appropriate Capital One lending authorities. This Proposal replaces and voids any and all previous financing proposals by Capital One for the Development.

Based on the information you have provided, the Development appears feasible, and Capital One is willing to begin due diligence on the following terms.

The attached 15-year pro forma was prepared by the Borrower for Churchill at Golden Triangle located in Fort Worth. The pro forma is consistent with the unit rental rate assumptions, total operating expenses, net operating income, and debt service coverage based on Capital One’s current underwriting parameters and consistent with the loan terms indicated in the term sheet and is preliminarily considered feasible, pending further diligence review. The debt service for each year maintains no less than a 1.15 debt coverage ratio.

Additionally, we have performed a preliminary review of the credit worthiness of the Guarantor and its principals. At this time, Capital One has no reservations with the Borrower or any of the principals. We anticipate no additional guarantors or financial strength will be needed to facilitate a loan to this borrower, other than those requirements disclosed herein.

The proposed terms and conditions below (including capitalized terms in **bold**) are supplemented by those set forth in Exhibit A hereto.

BORROWER: A formed or to-be-formed limited partnership or limited liability company will act as the Borrower.

TYPE and PURPOSE of LOANS: The **Construction Loan** is a non-revolving multiple-draw loan advanced to finance a portion of the **Property Improvements** and to bridge the LIHTC equity pay-ins or other subordinated financing. Closing of the Construction Loan will be subject to satisfaction of the conditions set forth in Exhibit B.
Advances under the **Construction Loan** will be made no more frequently than monthly, with the funding based upon the percentage-of-completion for actual work-in-place as approved by Capital One and its construction consultant. Retainage will be withheld on each advance and the terms of the construction contract between the Borrower and the Development’s general contractor (the “General Contractor”) must be acceptable to Capital One. **Retainage Terms** with the General Contractor to be approved by Capital One. Funds will be deposited into the Borrower’s construction account held by Capital One. If requested, funds may be wired from that account; however, scheduled wire charges may apply.

The **Permanent Loan** will be provided by Capital One in the form of a single-draw amortizing term loan. Certain amounts outstanding under the Construction Loan will be converted to the Permanent Loan (the “Conversion”) at the end of the construction phase, subject to satisfaction of the conditions set forth in Exhibit C.

**COLLATERAL; ETC.:** First lien deed of trust/mortgage on the Borrower’s interest in real property and improvements (whether fee simple or leasehold). Assignments and/or first lien security interest in rents and leases, general partner/managing member's interest, low income housing tax credits, construction contract, architect’s contract, management contract, development agreement, social service contract, FF&E and all accounts including escrow, reserve, and operating accounts.

The **Construction Loan** and **Permanent Loan** will become due upon sale of, or refinance of any debt incurred in respect of, the Project property or Property Improvements.

**AFFORDABILITY RESTRICTIONS:** The Development will be affordable to tenants under the **Affordability Restrictions** and may include any **Operating Subsidies** awarded to the Borrower.

**AMOUNT OF LOANS:** The maximum amount of the **Construction Loan** (during the construction phase) shall be the lesser of:

- The **Construction Loan** amount set forth on Exhibit A
- Up to 80% of the sum of the value of the property including the as completed and stabilized value including rent restrictions, inclusive of property tax abatement (if applicable) and the value of the tax credits at the lesser of appraised value or the accepted purchase price

The maximum amount of the **Permanent Loan** (during the permanent phase) shall be the least of:

- The **Permanent Loan** amount set forth on Exhibit A
- The **Permanent Loan to Value** of the as completed and stabilized appraised value (including rent restrictions)
- An amount that would be supported by Development cash flow on the **Debt Service Coverage Ratio** in the reasonable determination of Capital One

**LOAN FEES:** The **Construction Loan Origination Fee** on the full amount of the Construction Loan and the **Permanent Loan Origination Fee** on the full amount of the Permanent Loan. All such fees are due at the closing of the Construction Loan and are nonrefundable.

If the Borrower terminates the commitment for the Permanent Loan, then Borrower will be assessed an exit fee of 5% of the full amount of the Permanent Loan commitment; provided that if the Borrower terminates the commitment for the Permanent Loan in conjunction with
a refinancing by Capital One Multifamily Finance, then Borrower will be charged the lesser of the 5% exit fee or breakage costs.

**CONSTRUCTION LOAN INTEREST RATE and PAYMENTS:** Rates quoted are predicated on the assumption that all operating accounts, construction accounts, reserve accounts and any other deposit accounts of the Borrower and the Development, including escrow accounts, will be maintained with Capital One for the entire period that the Construction Loan is outstanding. If circumstances are such that this cannot be achieved, pricing may vary.

For the **Construction Loan**, the rate will be determined using **Construction Loan Spread plus an Index** which will re-price monthly. Indicative loan pricing for today’s date can be found in Exhibit A. For underwriting purposes, the interest reserve will be sized assuming a **Construction Minimum Rate**.

During construction, interest only payments will be due monthly. Interest shall be calculated utilizing a 360-day basis for the actual number of days principal is outstanding.

**CONSTRUCTION LOAN TERM and EXTENSION:** The **Construction Loan Term** is inclusive of the **Construction Completion Date**, which shall not be extended more than 60 days due to force majeure and, in any event, shall not be extended beyond the placed in service date. Construction shall commence no later than 30 days of the **Anticipated Closing Date**.

If the construction loan is extended, there will be an **Extension Fee** based on the amount of the Construction Loan extended, including unfunded amounts that will remain available after extension. An **Extension Period** may be authorized subject to satisfaction of conditions including, but not limited to:

- compliance with all placed in service requirements
- lien free completion
- adequate interest reserve
- all scheduled equity due at that point having been funded
- receipt of extension for all additional financing sources as necessary
- no event of default in any documents governing any credit facility, subordinate debt, grant, equity or other binding agreements governing the borrower, Development or guarantor
  - **Extension Period Physical Occupancy**
  - **Extension Debt Service Coverage Ratio**
  - **Extension Fee** payment

Additional extension criteria may be added upon changes in the financing structure and/or receipt of the loan/equity documents for other lenders/financing partners. If the extension is exercised, the Borrower will pay any and all reasonable costs related to the extension, including cost for an updated appraisal, if required.

**PERMANENT LOAN TERM, RATE and PREPAYMENT:** The **Permanent Loan Term** and the **Permanent Loan Amortization** are set forth in Exhibit A.

An indicative **Permanent Loan Rate** quoted as of today’s date is set forth in Exhibit A. The **Permanent Loan Rate** is subject to change based on market conditions and Capital One will underwrite and size the Permanent Loan assuming a **Minimum Permanent Loan Rate**, until the permanent commitment is rate locked. Rate lock is subject to Capital One’s approval and a rate lock agreement may be required. A non-refundable **Rate Lock Fee** will be due at the closing of the Construction Loan.
Prepayment of the Permanent Loan is permitted during the term of the Permanent Loan, subject to prepayment premium calculated as the greater of 1% of the outstanding Permanent Loan balance or using Fannie Mae’s yield maintenance formula.

GUARANTIES: Capital One will have full recourse to the Borrower, as well as a payment and performance guaranty from (i) the general partner/managing member of the Borrower and (ii) each Guarantor listed on Exhibit A which shall be satisfactory to Capital One following due diligence (collectively, the “Guarantor Parties”). The Guarantor Parties may be subject to Additional Covenants. In addition, Lien Free Completion Guaranties will be required from the parties listed on Exhibit A. These guaranties will include post-Conversion carve outs which are customary for transactions of this type.

The Borrower and the Guarantor Parties will jointly and severally provide environmental indemnification which shall survive the Conversion.

EQUITY: Total LIHTC Contribution will come from the sale of tax credits. Equity terms must be acceptable to Capital One and are subject to credit approval.

Except for certain costs approved by Capital One to be paid at closing of the Construction Loan from the proceeds of equity, the equity investor shall deposit the equity contribution amount in an account of Borrower held at and controlled by Capital One. The funds in that account will be disbursed by Capital One to: (i) pay for approved budgeted items and/or applied to the Construction Loan in accordance with the loan documents, and (ii) pay down the Construction Loan after construction completion to the amount of the Permanent Loan. Capital One will have no obligation to make an advance of the Construction Loan unless and until Capital One has disbursed any installment of equity proceeds then on deposit with Capital One (as will be more particularly provided for in the applicable loan documents).

ADDITIONAL SOURCES OF FINANCING: For all Additional Sources included in the financing structure, all amounts owing to the Additional Sources must remain subordinate on terms satisfactory to Capital One to the amounts outstanding under the Construction Loan or the Permanent Loan until paid in full. There will be a Servicing Fee to administer the Additional Sources during construction.

CASH DEVELOPER FEE: Cash Developer Fee payments will be subordinate to the Construction Loan and will be paid out in accordance with a schedule to be agreed during underwriting.

CONTINGENCIES: Capital One requires a minimum Hard Cost Contingency and Soft Cost Contingency within the budget. Should the applicable finance agency not permit the such contingencies, then a portion of Cash Developer Fee will be escrowed at closing of the Construction Loan in the amount of such contingencies less what is included in the budget. The escrowed Cash Developer Fee will be released with the completion equity installment.

PAYMENT AND PERFORMANCE BONDS OR LETTERS OF CREDIT: The General Contractor will provide payment and performance bonds during construction, provided by a surety with at least an AM Best rating of “A” and acceptable to Capital One in its sole discretion. However, if the General Contractor is unable to provide bonds, or uses a surety company with a lower rating, Capital One is willing to consider a letter of credit in favor of Capital One for no less than 15% of the total amount stated under the construction contract from a highly-rated issuer acceptable to Capital One in its sole discretion.
THIRD PARTIES: Third party firms including, but not limited to, the General Contractor, property manager, consulting engineer, and environmental consultant are subject to Capital One’s review and approval.

NET OPERATING INCOME: Net Operating Income will be treated as set forth on Exhibit A. All Net Operating Income will be held in a deposit account at Capital One.

EXPENSES and GOOD FAITH DEPOSIT: Underwriting, closing, and any other expenses must be reimbursed to Capital One whether or not the Construction Loan closes. Customary expenses include but are not limited to: appraisal, plan & cost review, flood search, legal fees or costs, insurance consultant review, and construction signage.

Please include a Good Faith Deposit when you return a countersigned copy of this Proposal to us. Within three weeks following the closing of the Construction Loan, the deposit will be returned provided that Capital One has confirmed all third-party costs have been paid from the closing requisition. The Good Faith Deposit should not be included as a line item in the development budget. If for any reason the Construction Loan does not close, any third party or legal costs billed to Capital One will be deducted from the deposit and any remaining portion will be refunded. Additional deposits may be required for continued underwriting and legal document drafting if current estimates exceed original estimates prior to final credit approval and closing.

PATRIOT ACT DISCLOSURE: We hereby notify you that pursuant to the requirements of the USA PATRIOT Act, Title III of Pub. L. 107-56 (signed into law on October 26, 2001) (the “PATRIOT Act”), Capital One may be required to obtain, verify and record information that identifies the Borrower and each Guarantor Party, which information includes the name, address, tax identification number and other information regarding the Borrower and each Guarantor Party that will allow Capital One to identify the Borrower and each Guarantor Party in accordance with the PATRIOT Act. Re: Churchill at Golden Triangle Community – Preliminary Commitment

Dear Mr. Forslund:

This letter is a preliminary equity investment commitment from the National Equity Fund, Inc. (NEF) for Churchill at Golden Triangle ("Project"), a proposed LIHTC, multifamily community which will consist of 99 units that will serve families. The community is located in Fort Worth, TX.

NEF, an affiliate of the Local Initiatives Support Corporation (LISC), was incorporated in 1987 with the mission to identify and develop new sources of financing to help provide affordable housing for low income families and to assist non-profit organizations in creating this housing. NEF has worked with 700 local development partners in forming partnerships which acquire, develop, rehabilitate and manage low-income rental housing. Since the enactment of the Federal Low Income Housing Tax Credit in 1986, NEF has raised more than $11 billion in equity and invested it in more than 2,200 affordable housing projects in 46 states, including Washington, D.C. and Puerto Rico.

Described below are the basic terms, conditions and assumptions of this preliminary commitment:

- The Project will be a 99 unit housing development containing one, two, and three bedroom units. 89 units will be set aside for families with incomes at or below 60% of Area Median Income while the remaining 10 units will be unrestricted.

- The project will be owned by Churchill at Golden Triangle Community, L.P. LifeNet Community Behavioral Healthcare will own the General Partner, Churchill Golden Triangle Community GP, LLC, and Churchill Senior Residential, LLC will act as Special Limited Partner. The Limited Partner will be NEF Assignment Corporation. NEF has reviewed the entities and principals involved and has no reservations at this time.

- NEF proposes to be the Federal Low Income Housing tax credit investor with an equity investment of $13,800,000 which represents a price of $0.92 based upon an annual allocation of Federal low income housing tax credits of approximately $1,500,000. NEF’s proposed equity pay-in schedule is depicted on the following page:
The final timing and amounts of equity payments at closing and during construction will be agreed upon by NEF and the General Partner prior to closing.

- **Developer Fee** - The current projections indicate a payment of developer fee in the amount of $1,897,758. It is projected that $402,464 of the developer fee will be deferred and payable from cash flow.

- **Reserves** - The Limited Partner will require the following reserves: Rent Up Reserve of $391,912; Operating Reserve of $250,000; Escrow Reserve of $431,688; and Replacement Reserve of $250 per unit per year to be funded monthly.

- **Guaranties and Adjusters** – NEF will require the General Partner, Special Limited Partner, and guarantors acceptable to NEF in its sole discretion to provide guaranties of development completion, operating deficits, and the repurchase of NEF’s interest if the project fails to meet basic tax credit benchmarks. The project’s partnership agreement will include adjusters to the Limited Partner’s capital contributions if there is a change in the agreed upon amounts of total projected tax credits or projected first year credits.

A final determination of our investment will depend upon confirmation of the project’s assumptions; a full underwriting of the Project, the development team and their financial statements; the review of plans and specifications; the commitment for all other sources of financing; the development schedule; review of due diligence materials; successful negotiation of the partnership agreement and approval by NEF’s Investment Review Committee and by its final tax credit investors.

MISSION

The mission of LifeNet Community Behavioral Healthcare (LCBH) is to help people improve their lives by providing decent affordable housing opportunities. We believe that everyone deserves a chance to live a healthy and productive life. We meet this need by delivering quality, safe, affordable housing and associated supportive services to individuals, seniors and families in need. Homelessness is a significant threat to a person’s ability to rebuild their life. A community support system can help.

This is our mission – every day!

ORGANIZATIONAL HISTORY

LifeNet Texas was founded and incorporated in 1977 in Dallas, Texas as a 501c(3) under the name Phoenix House. LifeNet Texas, provided a variety of resources to help people find stability in their lives. They were led by a talented staff of professionals, who provided addiction therapy and mental health care treatment to thousands of people each year. Through a strong network of community partners, they helped put Texans back to work. They provided for basic needs by delivering food, shelter and clothing directly to those in need. The resident’s average length of stay in a LifeNet Texas property was 31 months for LifeNet’s permanent supportive housing clients. Eight-five percent of LifeNet participants met the 7 month threshold established by HUD. LifeNet also witnessed a significant reduction in hospitalization rates for their housing clients. They were the area’s leading provider of housing for the homeless. Their services were available to anyone who sought help, including the uninsured and underfunded. In 2001, LifeNet Texas began providing project-based housing case management services. In this time, they grew to be the largest non-government provider of Permanent Supportive Housing in the Dallas area. In 2012 LCBH created LifeNet Services.

In 2015 LifeNet Services merged with Metrocare Services another Dallas area provider of mental health services. LCBH, no longer associated with LifeNet Services, continued in its mission to provide affordable housing and supportive services in the state of Texas as confirmed by their board resolution dated May 16, 2012. LCBH is under the supervision of Mr. Gary Keep, President. LCBH is partnered with Churchill Residential and Affiliates, a for-profit developer, to create affordable housing options, as detailed in the table below.

They have experience directly related to the housing industry and meet the requirements of Section 42(h)(5) of the Code and Section 2306.185 of the Texas Government Code.

LCBH will participate in regular on-site visits to the property. LCBH will oversee the planning and coordination and management of special supportive services for the community in sufficient quantity and frequency to address their needs. LCBH will provide these services to the residents either directly through the management company or through a third-party provider that has expressed their commitment to work in partnership with them in providing services to the community.
The names and ownership percentages of all Persons having an ownership interest in the Development Owner, Developer, and/or Guarantor.

Nonprofit entities, public housing authorities, publicly traded corporations, individual board members and executive directors must be included in Organization charts.

Any and all trusts must list all beneficiaries that have the legal ability to control or direct activities of the trust and are not just financial beneficiaries.

In the case of:

(A) Partnerships - Principals include all general Partners and Special LPs (any LP that is not the Syndicator is a "Special LP);

(B) Corporations - Principals include the executive director and all members of the board (shown with "0%" ownership as applicable). For to-be formed instrumentalities of PHAs, where the executive director and board remain to be determined, include the PHA, itself, and its members;

(C) Limited liability companies - Principals include all the managing members and all other members.

List of Organizations and Principals

Provide the requested information for all partnerships, corporations, limited liability companies, trusts, or any other public or private entity and their Affiliates identified on the Owner and Developer Organization Charts. Organizations that own or control other organizations should also be identified until the only remaining sub-entity would be natural persons. Organizations that are Developers and/or Guarantors must also be listed on this form as must any organization (and natural person whose ownership interest in an applicable entity is direct instead of via membership in an organization) that will receive any portion of the developer fee whether by subcontract or otherwise, except if the Person is acting as a consultant with no Control. (Note - Entity Names, Principals, and ownership percentage should coincide with the Owner and Developer Organization Charts)

Be advised that the definition of “Control” has been revised. Refer to 10 TAC §11.1(d)(30) to ensure compliance.

Address of Development:
   ~11000 Metroport Way
   Fort Worth, Texas 76177
Development Owner:
   Churchill at Golden Triangle Community, L.P.

Ladies and Gentlemen:

Churchill at Golden Triangle Community, L.P., a Texas limited partnership, is the Applicant (herein so called). LifeNet Community Behavioral Healthcare, a Texas non-profit corporation ("LifeNet"), is the sole general partner of Applicant through LifeNet's wholly-owned subsidiary. We have been asked to render our legal opinion to meet the requirements of Texas Government Code Section 2306.6706 and 10 Texas Administrative Code Section 10.204(14)(A)(iii). This opinion is issued to the Texas Department of Housing and Community Affairs (the "Department") so that the Department, its governing board, and its staff may rely on it in making any determinations that the Applicant is eligible under Texas Government Code Section 2306.6706(b) for a housing tax credit application from the non-profit set-aside.

In rendering our opinion, we have reviewed (i) the Restated Certificate of Formation for LifeNet filed with the Texas Secretary of State on April 9, 2012, as amended by the First Amendment to Restated Certificate of Formation filed with the Texas Secretary of State on February 1, 2016; (ii) Second Amended and Restated Bylaws of LifeNet dated December 31, 2015; (iii) a letter from the Internal Revenue Service dated August 30, 2007, recognizing the tax-exempt status of LifeNet as a 501(c)(3) organization; (iv) a Certification of LifeNet to our firm with respect to certain matters set forth herein (the "Certification"); (v) a listing of the board of directors of LifeNet with each director's address of principal residence (the "Board List"); and (vi) a Certificate of Fact with respect to LifeNet issued by the Texas Secretary of State and a Statement of Franchise Tax Account Status with respect to LifeNet issued by the Texas Comptroller of Public Accounts, each dated February 18, 2019 (collectively, the "Good Standing Certificates").

We have also examined the records of LifeNet to determine whether or not there exists any identity of interest between LifeNet and any for-profit sponsors of the above-referenced development (the "Development"). We have also reviewed such other documents,
instruments, and writings as we deemed necessary or advisable to enable us to render this opinion. We have assumed and relied upon the genuineness of all certifications and have no reason to question them. The review of all such documents, individually and collectively, forms the basis for our opinion.

Based upon our review of the foregoing, it is our opinion that:

1. LifeNet is not affiliated with, or Controlled (within the meaning of 10 Texas Administrative Code Section 10.3(a)(29)) by, a for-profit organization with respect to the Development, based on the Articles of Incorporation, Bylaws, and Certification of LifeNet referenced above.

2. LifeNet is a "Qualified Nonprofit Organization" within the meaning of Section 2306.6706 of the Texas Government Code and Section 42(h)(5) of the Internal Revenue Code.

3. LifeNet is an organization described in paragraph (3) or (4) of Section 501(c) and is exempt from tax under Section 501(a) of the Internal Revenue Code. LifeNet is an organization that has its Internal Revenue Service documentation of designation as a Section 501(c)(3) or 501(c)(4) organization as of the beginning of the Application Acceptance Period for the 2019 tax credit allocation round. LifeNet, through its wholly-owned subsidiary, is the managing general partner of the Applicant.

4. LifeNet is an organization which specifically has the fostering of low-income housing as one of its tax exempt purposes, and the development and operation of the Development as low income housing is a legal purpose of the Applicant.

5. The Applicant is eligible for a housing credit allocation from the set-aside reserved for the use of qualified nonprofit organizations based on the Applicant's representations in the tax credit application for the Development that LifeNet will have 100% control of the Applicant's managing general partner. Moreover, based on the Certification and the Board List, a majority of the members of LifeNet's Board of Directors reside within 90 miles of the proposed Development.

6. The Applicant will have the managing general partner or an affiliate or subsidiary that is also a nonprofit entity or its nonprofit affiliate or subsidiary meeting the requirements of Sections 2306.6706 and 2306.6729 of the Texas Government Code and Section 42(h)(5) of the Internal Revenue Code be the Developer or co-Developer as evidenced in the development agreement.

7. LifeNet prohibits any member of its board of directors (the "Board"), other than a chief staff member serving concurrently as a member of the Board, from receiving material compensation for service on the Board.

8. Based on the Good Standing Certificates, LifeNet has the corporate authority to do business as a non-profit corporation in Texas.
In rendering Opinion 6 above, we have assumed that the development agreement that will be entered into for the Development will be consistent with the representations in the tax credit application for the Development regarding nonprofit participation.

Sincerely,

Lifenet Community Behavioral Healthcare

We have audited the accompanying consolidated financial statements of Lifenet Community Behavioral Healthcare and Affiliates, which comprise the consolidated statement of financial position as of December 31, 2017, and the related consolidated statements of activities, changes in net assets and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management’s Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We did not audit the financial statements of the tax credit limited partnerships, which statements reflect total assets of $125,728,633 and total liabilities of $62,992,348 as of December 31, 2017. Those financial statements were audited by other auditors, whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for the tax credit limited partnerships, is based solely on the reports of the other auditors. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity’s preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.
We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, based on our audit and the reports of other auditors the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Lifenet Community Behavioral Healthcare and Affiliates as of December 31, 2017, and the changes in net assets and cash flows for the year then ended in accordance with U.S. generally accepted accounting principles.

**Correction of Error**

As described in Note 3 to the consolidated financial statements, Lifenet Community Behavioral Healthcare’s net assets were restated to include a division of Lifenet Community Behavioral Healthcare that was improperly excluded. Our opinion is not modified with respect to his matter.

1. Organization

Lifenet Community Behavioral Healthcare (LCBH) and its affiliates provide low-income housing to persons with severe and persistent mental illness in the Dallas County community. LCBH was established in 1979 as a Texas nonprofit corporation.

LCBH has formed several limited liability companies (LLCs). The purpose of these LLCs is to act as the general partner in several real estate limited partnerships (LPs), which offer low-income housing tax credits to investors.

The consolidated financial statements include the accounts of LCBH and certain real estate limited partnerships (collectively, the Organization). The Organization is supported through client rental payments, rent subsidies from the U.S. Department of Housing and Urban Development (HUD) and partnership management fees.

2. Summary of Significant Accounting Policies

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of LCBH and certain real estate LPs in which LCBH has a controlling interest. All material inter-organization transactions and accounts have been eliminated in consolidation.

Financial Statement Presentation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles (GAAP). Revenues are recorded when earned and expense are recorded when incurred.

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

*Unrestricted net assets* - Net assets not subject to donor-imposed stipulations.

*Temporarily restricted net assets* - Net assets subject to donor stipulations that will be met by actions of the Organization and/or the passage of time. LCBH’s had temporarily restricted net assets at December 31, 2017 restricted by donors for housing.

*Permanently restricted net assets* - Net assets subject to donor-imposed stipulations that will never lapse thus requiring the funds to be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purpose. The Organization had no permanently restricted net assets as of December 31, 2017.
Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

Financial Instruments and Credit Risk Concentrations

Financial instruments which are potentially subject to concentrations of credit risk consist principally of cash. Cash is placed with high credit quality financial institutions to minimize risk. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to $250,000. At December 31, 2017, the Organization does not have any uninsured balances.

Property and Equipment

Property and equipment purchased by the Organization is recorded at cost or if acquired by gift, fair market value at the date of the gift. The Organization follows the practice of capitalizing all expenditures for property and equipment in excess of $2,000; the fair value of donated fixed assets is similarly capitalized. Depreciation is calculated using the straight-line method based upon the estimated useful lives of 30 years for residential real estate and 3 to 10 years for furniture and equipment.

The Organization reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Recoverability is measured by a comparison of the carrying amount to future net undiscounted cash flow expected to be generated and any estimated proceeds from the eventual disposition. If the long-lived asset is considered impaired, the impairment to be recognized is measured at the amount by which the carrying amount exceeds the fair value as determined from an appraisal, discounted cash flows analysis, or other valuation technique. There was no impairment loss recognized for 2017.

In January 2017, the Organization sold property located at 4515 Live Oak for $825,000 resulting in a loss on sale of approximately $1,198,000.

Restricted Cash

Restricted cash is not considered a cash equivalent, and includes cash held with financial institutions for refunds of tenant security deposits, funding of operating deficits and repairs or improvements to the property located at 4515 Live Oak. This property was disposed of during the year and restricted cash accounts were closed in connection with the sale.
Relevant recognition

Rental income attributable to residential leases is recorded when due from residents, generally upon the first day of each month. Leases are for periods of up to one year, with rental payments due monthly. A portion of the rental income is in the form of a subsidy payments from HUD under Section 8 of the National Housing Act.

Other income results from fees earned for late payments, cleaning, damages, and laundry facilities and is recorded when earned. Advance receipts of revenue are deferred and classified as liabilities until earned.

Contributions are generally recorded only upon receipt, unless evidence of an unconditional promise to give has been received. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the amounts expected to be collected. Conditional promises to give are not included as support until such time as the conditions are substantially met. All contributions are considered available for unrestricted use unless specifically restricted by the donor.

Federal Income Taxes

LCBH is recognized by the Internal Revenue Service as exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code (IRC) and is not a private foundation as defined in the IRC. LCBH did not have any material unrelated business income for the year ended December 31, 2017. For the year ended December 31, 2017, LCBH did not identify any uncertain tax positions that qualify for either recognition or disclosure in the consolidated financial statements.

The LLCs are wholly-owned for-profit subsidiaries of LCBH which are considered to be disregarded entities in the preparation of LCBH’s federal information return.

Allocation of Functional Expenses

The costs of providing the various program services and supporting activities have been summarized on a functional basis in the accompanying consolidated statement of activities. Accordingly, certain costs have been allocated among the various functions.

Estimates and Assumptions

The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimated.
Limited Partnerships

In accordance with FASB ASC 810-20, *Control of Partnerships and Similar Entities*, LCBH has determined that it controls certain real estate limited partnerships and, therefore, has included the limited partnerships’ financial statements in the consolidated financial statements.

The Organization has formed ten LLCs that hold a controlling general partner interest in their respective limited partnerships. These housing projects are rented to low-income tenants and are operated in a manner necessary to qualify for federal low-income housing tax credits as provided for in Section 42 of the IRC. Such LLCs and LPs are as follows:

Assets and liabilities of the limited partnerships consist principally of land, buildings, construction-in-progress and long-term debt. Noncontrolling interests in the limited partnerships of $62,723,713 at December 31, 2017 represents the ownership by the limited partners and not that of the general partners that is required under ASC 810-20 to be included in the consolidated financial statements.

3. Prior Year Restatement

LCBH’s net assets at January 1, 2017 were restated to include a division of LCBH that was improperly excluded from the 2016 consolidated financial statements. The cumulative effect of the restatement as of January 1, 2017 resulted in a decrease to unrestricted net assets of $33,725, an increase to temporarily restricted net assets of $66,945 and an increase to total net assets of $33,220.
4. Commitments and Contingencies

In August 2011, LCBH acquired a permanent supportive housing project. LCBH maintains and rents the project to tenants qualifying for the Section 8 Rental Voucher Program administered by HUD. The project was developed using monies provided by grants and restrictive, low interest rate loans. The terms of the grant and loan restricts the use of the property and generally require it be rented to low-income qualified tenants for the period of the grant and related loan term. LCBH must use the project for the purpose of providing long-term housing and supportive services to low-income families until December 31, 2029. Failure to comply with the restrictions could result in a requirement to repay a portion or all of the proceeds received. The restricted grant is classified in the consolidated statement of financial position as temporarily restricted net assets. During the year ended December 31, 2017, the Organization sold the property to an eligible buyer and released temporarily restricted net assets related to this property of $1,013,315.

5. Related Party Transactions

Management fee income is related to services provided to affiliates. In addition, the general partners earn partnership management fees for oversight of the properties. Management fee income associated with affiliates is eliminated in consolidation. The elimination of these fees is allocated to the controlling interest.

6. Subsequent Events

Management evaluated subsequent events after the consolidated statement of financial position date through June 26, 2018, the date the consolidated financial statements were available to be issued, and noted that no additional disclosures were required.

RE: REQUEST FOR EXPERIENCE CERTIFICATE UNDER 2016 UNIFORM MULTIFAMILY RULES

Dear Mr. Forslund:

We have reviewed your request for an experience certificate, which is provided to individuals that meet the requirements of §10.204(6) of the Uniform Multifamily Rules. In order to meet the experience requirements an individual must establish that they have experience in the development and placement in service of at least 150 residential units. We find that the documentation you have provided is sufficient to establish this required experience. Additionally, you have certified to compliance with the requirements of §10.204(6)(B), including the following requirements:

(ii) Experience may not be established for a Person who at any time within the preceding three years has been involved with affordable housing in another state, in which the Person or Affiliate has been the subject of issued IRS Form 8823 citing non-compliance that has not been or is not being corrected with reasonable due diligence. ...

(iv) Notwithstanding the foregoing, no person may be used to establish such required experience if that Person or an Affiliate of that Person would not be eligible to be an Applicant themselves.

Should you choose to participate as a member of the Development Team or an individual providing experience for any Application submitted for funding, a Previous Participation Review (10 TAC §1.5) may be conducted prior to any award of funds. Additionally, should it be determined at any point in time that the information provided in your request for experience is fraudulent, knowingly falsified, intentionally or negligibly materially misrepresented, or omits relevant information, this
certificate of experience is null and void and you may be subject to other sanctions under the Texas Department of Housing and Community Affairs' rules and requirements.

If you have any questions or concerns regarding this certificate or the experience requirements, please contact Marni Holloway at marni.holloway@tdhca.state.tx.us.

It is recommended that the City Council:

1. Acknowledge the receipt of requests for City support for applications to the Texas Department of Housing and Community Affairs for 2019 Competitive (9%) Housing Tax Credits from various developers;

2. Consider and adopt the attached Resolutions of Support and Resolutions of No Objection for 2019 applications for Competitive (9%) Housing Tax Credits for the proposed multifamily housing developments listed below to be located at various sites throughout the City;

3. Approve fee waivers in an amount not to exceed $2,500.00 for each of the developments listed below that receive a Resolution of Support as the City's commitment of development funding, find that the fee waivers for these developments serve the public purpose of providing quality, accessible, affordable housing for low to moderate income households, in accordance with the City's Comprehensive Plan and Annual Action Plan, and find that adequate controls are in place through the Neighborhood Services Department to carry out such public purpose;

4. Determine that Palladium Fain Street, Cielo Place, Sunset at Fash Place, and Avenue at Sycamore Park are the developments that contribute more than any other to the City's concerted revitalization efforts either in an Urban Village, a Neighborhood Empowerment Zone, or a distinct area within a Neighborhood Empowerment Zone with a Strategic Plan; and

5. Determine that the Columbia Renaissance Square III and Southside at Broadway developments are specifically allowed to be located in census tracts that have more than 20 percent Housing Tax Credit units per total households and that these developments are consistent with the City's obligation to affirmatively further fair housing.

DISCUSSION:

On November 13, 2018, the City Council adopted a policy for City support of applications to the Texas Department of Housing and Community Affairs (TDHCA) for Noncompetitive (4%) and Competitive (9%) Housing Tax Credits and for City commitments of development funding (M&C G-19421). On December
11, 2018, the City Council amended the policy to correct the set aside of Permanent Supportive Housing (PSH) units from ten percent to five percent of the total units in 9% tax credit projects (M&C G-19435). This year the City received eleven applications from developers requesting Resolutions of Support for proposed 9% tax credit developments in Fort Worth, but one application has been withdrawn by the developer. Staff has reviewed the applications for consistency with the City’s policy.

**Resolutions of Support:**
Staff requests that the City Council consider and adopt Resolutions of Support for the following developments as they have met the unit set aside criteria and notification requirements outlined in the City’s policy. Additionally, all of these developments are located in close proximity to jobs, retail, transit and services. None of these developments are tax exempt.

**Resolutions of Support, Local Development Funding, Concerted Revitalization Plan:**
The following developments are also recommended to receive local Commitments of Development Funding and are the ones that contribute more than any other to the City’s Concerted Revitalization Plans:

- **Palladium Fain Street** to be developed by Palladium Fain Street, Ltd., an affiliate of Palladium USA International, Inc. to be located at 4001 Fain Street (Council District 4). The site for the proposed development is zoned "PD" - Planned Development for all uses in "D" High Density Multifamily.

- **Cielo Place** to be developed by Cielo Place, LLC, an affiliate of Saigebrook Development, LLC and O-SDA Industries, LLC, to be located at 3101 Race Street (Council District 9). The site for the proposed development is zoned "MU-1" - Low Intensity Mixed-Use and "CF" - Community Facilities. Developer is currently working with City to determine if a zoning change is required.

- **Sunset at Fash Place** to be developed by Sunset at Fash Place, LLC, an affiliate of Saigebrook Development, LLC and O-SDA Industries, LLC, to be located at 2504 Oakland Boulevard (Council District 8). The site for the proposed development is zoned "CF" - Community Facilities and "A-10" - One Family, proposed to be changed to "PD" - Planned Development.

- **Avenue at Sycamore Park** to be developed by GFH Avenue at Sycamore Park, Ltd., an affiliate of Ground Floor Affordable Housing, LLC, to be located at 2601 Avenue J (Council District 8). The site for the proposed development is zoned "UR" - Urban Residential. The proposed development will not be tax exempt.

**Resolution of Support and Local Development Funding:**
The following developments are also recommended to receive local Commitments of Development Funding:

- **Churchill at Golden Triangle Community** to be developed by Churchill at Golden Triangle Community, L.P., an affiliate of Churchill Senior Residential, LLC, to be located in the 11000 block of Metroport Way (Council District 7). The site for the proposed development is zoned "PD" - Planned Development for all uses in "D" High Density Multifamily.

- **Everly Plaza** to be developed by Everly Plaza, LLC, an affiliate of Saigebrook Development, LLC and O-SDA Industries, LLC, to be located at 1801 8th Avenue (Council District 9). The site for the proposed development is zoned "NS" - Near Southside.

**Resolutions of No Objection:**
Staff recommends that the City Council consider and adopt Resolutions of No Objection for the following developments as they have met the unit set aside criteria and notification requirements outlined in the policy. None of these developments are tax exempt.
**Residences at Fairmount** to be developed by NDG Fairmount Housing Partners, LTD, an affiliate of The Nu Rock Companies, to be located at 2260 Hemphill Street (Council District 9). The site for the proposed development is zoned "E" – Neighborhood Commercial, proposed to be changed to "UR" – Urban Residential.

**Reserve at Risinger** to be developed by Reserve at Risinger LLC, an affiliate of MVAH Partners LLC, to be located at the southwest corner of Risinger Road and McCart Ave (Council District 6). The site for the proposed development is zoned "C" – Medium Density Multifamily.

**Columbia Renaissance Square III** to be developed by Columbia Renaissance Square III, LP, an affiliate of New Columbia Residential, LLC, to be located at 2829 Moresby Street (Council District 8). The site for the proposed development is zoned "PD" – Planned Development.

**Southside at Broadway** to be developed by FW Southside at Broadway Housing, LP, an affiliate of OM Housing, LLC, to be located at 301 South Freeway (Council District 8). The site for the proposed development is zoned "NS" – Near Southside.

**Commitment of Development Funding:**
The policy allows a local commitment of development funding at City Council discretion. This commitment of development funding qualifies tax credit applicants for an additional point and increases the competitiveness of their applications to TDHCA. Staff requests that City Council approve commitments of development funding in the form of fee waivers in an amount not to exceed $2,500.00 for each development recommended for a Resolution of Support. The fee waiver amount may be applied to:
- Building permit related fees (including Plans Review, Inspections and Re-inspection Fees);
- Plat/Replat Application Fees;
- Board of Adjustment Application Fees;
- Demolition Fees;
- Structure Moving Fees;
- Zoning Fees;
- Street/Alley and Utility Easement Vacation Application Fees;
- Temporary Encroachment Fees;
- Consent/Encroachment Agreement Application Fees;
- Urban Forestry Application Fees;
- Sign Permit Fees;
- Community Facilities Agreement (CFA) Application Fees; and
- Street Closure Fees.

Fee waivers will be conditioned upon the development receiving an award of tax credits from TDHCA. The City's Neighborhood Services Department will be responsible for verifying that the public purpose for the fee waivers is carried out.

**Concerted Revitalization Plan:**
TDHCA rules state that an application may receive additional points if the proposed development is identified in a resolution as contributing more than any other development to a city or county’s concerted revitalization efforts. The City has created Urban Villages to help promote central city revitalization. They are districts which are more compact, contain a greater mix of land uses, and give greater emphasis to pedestrian and transit access. The City’s Neighborhood Empowerment Zones (NEZs) were created to promote affordable housing and economic development in the designated zone. Four NEZs have adopted Strategic Plans for certain distinct areas located in the larger NEZ to guide the rebuilding neighborhoods with compatible quality infill housing and appropriate mixed use development in commercial areas. On January 29, 2019 the City Council amended the City’s NEZ program and policies and consolidated 20 NEZ areas into six (M&Cs G-19467, G-19468 and G-19469). All of the City’s Urban Villages and NEZs are included in the City’s annual Comprehensive Plan as part of its goal of revitalizing central city neighborhoods and commercial districts (2018 Comprehensive Plan, Part II, Chapter 5: Housing, and Part III, Chapter 10: Economic Development).

The Palladium Fain Street, Cielo Place, Sunset at Fash Place, and Avenue at Sycamore Park developments are located either in Urban Villages created by City Council in 2002, a NEZ created by City Council in 2019, or a distinct area within a NEZ with a Strategic Plan. Staff determined that these developments will significantly contribute to the City’s ongoing revitalization efforts in each of the Urban Villages and NEZs in which they will be located since the recommended developments are new affordable
housing for households earning at or below 80 per cent of Area Median Income. In addition, the increased density of this new housing will support the new retail, office and other housing development located or being developed in each Urban Village and NEZ. Staff recommends that the City Council adopt the attached Resolutions determining that the Palladium Fain Street, Cielo Place, Sunset at Fash Place, and Avenue at Sycamore Park developments contribute more than any other developments to the City's concerted revitalization efforts underway in the Urban Villages and NEZs in which they are located.

**Limitations on Developments in Certain Census Tracts:**
TDHCA rules state that if a proposed development will be located in a census tract with more than 20 percent Housing Tax Credit units per total households as established by the five year American Community Survey, it will be ineligible for tax credits unless the governing body of the jurisdiction votes to specifically allow the development, and also submits a Resolution to TDHCA stating that the proposed development is consistent with the jurisdiction's federal obligation to affirmatively further fair housing.

The Columbia Renaissance Square III and Southside at Broadway developments will be located in census tracts in which more than 20 percent of the total households are Housing Tax Credit units. Staff recommends that City Council vote to specifically allow these developments, and approve the additional finding in the attached Resolutions that they are consistent with the City's obligation to affirmatively further fair housing.

These proposed developments are subject to all applicable City laws, ordinances, policies and procedures including those pertaining to zoning changes and annexation. Councilmember support for purposes of approving these Resolutions does not constitute approval of any required zoning change or annexation.

The proposed developments are located in COUNCIL DISTRICTS 4, 6, 7, 8 and 9.

This M&C does not request approval of a contract with a business entity.

**FISCAL INFORMATION / CERTIFICATION:**
The Director of Finance certifies that this action will have no material effect on the City's Fiscal Year 2019 Budget. Upon approval, permitting and related fees will be waived in an amount up to $17,500.00 to assist in facilitating the goals of the City's Comprehensive Plan and Annual Action Plan.

Re: Support for Churchill at Golden Triangle Community, L.P., Fort Worth / TDHCA No. 19009

Dear Ms. Holloway:

I received the Public Notification for Churchill at Golden Triangle Community, L.P. (TDHCA Application #19009) located East of North Freeway and South of Timberland in the City of Fort Worth. The site is located in House District 93, which I am honored to represent. Churchill at Golden Triangle Community, L.P.'s developers have shared with me the below facts and written statements that serve as my basis for this letter of support for Churchill's Spring 2019 application to TDHCA:

1. The Fort Worth City Council issued a signed Resolution of Support for the development of Churchill at Golden Triangle Community, L.P.

2. The City of Fort Worth Housing and Neighborhood Services - as a part of their extensive formal process to obtain a Council Support Resolution - worked with Churchill to communicate with both the Villages of Woodland Springs and the North Fort Worth Alliance. Our state office contacted a currently-elected representative from both of these residential homeowners' organizations. One organization remained "neutral" - having no opposition to the development. The other organization formally supported the development - citing a great need for more workforce housing in North Fort Worth.

3. "We [Churchill] will be paying all taxes for city, county, school etc. Also, there is no city expense on infrastructure. We will be paying park and roadway fees."

4. "We [Churchill] develop high quality properties for 15+ years ownership. We manage the properties and have won #1 in the U.S. for customer satisfaction 6 years in a row."

5. "The reason we [Churchill] are working in this area of Fort Worth is because of the huge number of jobs in the Alliance corridor. Churchill has had at least 6 meetings with the folks at the Hillwood/Alliance/Texas Workforce Commission job placement office."

Based on the above facts and statements, I support this Churchill at Golden Triangle Community development.

Sincerely,

State Representative Matt Krause

Meals On Wheels, Inc. of Tarrant County is a 501(c)(3) not-for-profit charitable organization that started in 1973 as a collaboration between 11 faith-based organizations in downtown Fort Worth to bring food to the elderly in the central city area. Over the years, we have grown and now serve all of Tarrant County, providing approximately 1 million meals each year to some of Tarrant County's most frail citizens. By providing home-delivered meals, professional case management, and other needed items or services to our homebound, elderly and disabled clients, we enable them to remain living independently in their own homes, surrounded by a lifetime of memories.

Most of our clients have lived in the same home for many years. This home is where they feel safe and comfortable. Due to illness or the blessing of many birthdays, the majority of our clients can no longer remain at home without assistance. Without our help, many of our clients would be forced into nursing homes or other care facilities. Our goal is to keep our clients in their homes – where they want to be – for as long as possible.
Some people may be recovering from a hospital stay or illness and will only be on the program for a short period of time. Others have a long-term need and may receive home-delivered meals on an ongoing basis.

In an independent study of hunger among the elderly in the United States, Texas ranked fourth highest in the number of seniors going to bed hungry. We can deliver meals to one homebound person for an entire year at a cost lower than one day in a hospital or six days in a nursing home. Plus, through our Home-Delivered Meals program, we save money for taxpayers, who subsidize the cost of nursing home care for those who cannot afford it. Another study by the Center for Effective Government found that every dollar invested in Meals On Wheels saves up to $50 in Medicaid spending.

Meals are delivered by over 5,000 caring volunteers who freely give of their time and personal resources to ensure that our clients receive a nutritious meal. These caring individuals do more than just provide a meal and a friendly home visit. They are trained to contact our office if a client does not answer the door. This daily safety check gives many of our clients and their families an added peace of mind.

**Mission Statement**

*To promote the dignity and independence of older adults, persons with disabilities, and other homebound persons by delivering nutritious meals and providing or coordinating needed services.*

**Our History**

From humble beginnings to a benchmark program that now serves approximately 1 million meals per year, Meals On Wheels of Tarrant County is an immense source of pride for the citizens of Tarrant County. Despite our tremendous growth, our commitment to helping the homebound, elderly and disabled residents of Tarrant County remain in their own homes will never change.
In 1972, representatives from 11 downtown Fort Worth faith-based organizations met to discuss hunger in the central city. These organizations included Broadway Baptist, Central Baptist, Greater St. James Baptist, Mt. Gilead Baptist, First Christian, First United Methodist, First Presbyterian, Gethsemane Presbyterian, St. Andrew's Episcopal, St. Patrick's Cathedral, and Temple Beth-El. From this meeting, the Association of Central City Ministries (ACCM) was formed. Its first concern was providing meals to the elderly. ACCM made the commitment to bring food to the elderly in the central city area and on May 15, 1973, Meals On Wheels of Tarrant County was begun using all volunteer help. On that day, 25 people were fed. Meals On Wheels of Tarrant County owes a debt of gratitude to the members of ACCM and the many volunteers from these organizations who worked so diligently to make it a success. These wonderful faith-based organizations continue to support Meals On Wheels as we serve those in need within our community.

In 1989, Meals On Wheels of Tarrant County turned to the community to ask for help to fund a central kitchen. Rapidly escalating costs from food service companies as well as limited control of the final product compelled us to seek our own meal-preparation facility. Within eight months, an existing building was purchased and renovated into both the central kitchen and administrative offices. Although the building was expanded a number of times over the years, in 2010, the Board of Directors decided the best course of action was to construct a new meal-production facility that could meet the ever-increasing demand for services.

In January 2015, we embarked on an exciting new chapter in the history of Meals On Wheels as we broke ground on a new 62,000-square-foot meal production and distribution facility. We relocated to the new facility in March 2016. The current building, located at 5740 Airport Freeway in Haltom City, now houses the central kitchen, volunteer training center, nutrition intern project center, storage and distribution center, meeting space, and administrative offices.

This new facility will enable Meals On Wheels to meet the current demand for 1 million meals per year as well as the tremendous growth expected as Baby Boomers enter retirement. Much has changed since 1972; however, the original commitment to serve elderly and disabled
people will never change. With your assistance, we are helping this frail segment of our community to remain living at home by providing meals, needed services, and a caring smile.

ENGAGE WITH AATC

Community Service

It was once said, never doubt that a small group of committed people can change the world, for that’s the only thing that ever has. The Apartment Association is focused on making a difference in people’s lives.

In addition to the our long-standing relationship between two community service partnerships; *Union Gospel Mission of Fort Worth* and *US Marine Corps Toys for Tots*, we have recently added a new organization that we are proud to be a partners with—the *American Red Cross*, a shining example of community service.

Our members get behind each of these wonderful organizations in an effort to make a difference in our communities.

Current Partnerships

**THE AMERICAN RED CROSS**
We have partnered with the American Red Cross to help our industry raise awareness on topics such as Fire Safety, Water Safety & Drowning Prevention, Disaster Response, and Education.

**UNION GOSPEL MISSION – FORT WORTH**
AATC uses the net profit from our annual bowling tournament ($) to help fund most of the work we do for UGM. Over the years our initiatives have included: food drives, a wide variety of construction projects, new vehicles, furniture, toys, school backpacks, clothing and cash. In addition, many of our members take their commitment a step further by personally donating meals, providing equipment and construction materials and by helping tutor the Mission’s kids.

There are few activities that warm my heart more than serving at the Mission – Lisa Clark, AATC’s Past-President.

**TOYS FOR TOTS**
We also join hands each fall with our friends from AACG to help raise money and toys to support the US Marine Corps Toys for Tots campaign. I simply love walking into the Annual Holiday Reception and seeing thousands of toys piled up to the ceiling waiting to be delivered to kids in the DFW area who would likely wouldn’t see a single gift for Christmas if it wasn’t for the unfailing giving of our multifamily housing colleagues – Chris Lee, AATC former Community Service Chair.
AATC is a 50-year-old, not-for-profit trade association representing a highly-engaged group of business interests dedicated to providing top-notch rental homes to communities throughout a 9-county region of North Central Texas.

Our members: business owners, developers, managers, large and small companies who aim to provide exceptional products or services to over 1,800 members of the association.

Our members work hard to provide over 200,000 apartments homes to the great people of Texas.

We hope to return AWESOME value for your hard-earned membership investment!

Today - Easter Seals North Texas continues its longstanding history in the community of providing programs and services for individuals of all abilities.

National Story

As America's largest nonprofit health care organization, Easterseals is committed to the comprehensive health and wellness of the more than 1.4 million people it serves each year and is prepared to respond to the needs of the one in four Americans living with disability today with outcomes-based services for all disabilities throughout the lifespan.

Among our services: early intervention, inclusive childcare, medical rehabilitation and autism services for young children and their families; job training and coaching; employment placement and transportation services for adults with disabilities, including veterans; adult day services and employment opportunities for older adults – in addition to a variety of additional services for people of all ages including mental health and recovery programs.
assistive technology, camp and recreation, caregiving support including respite – and much more.

Additionally, we’ve served transitioning military, veterans and their families and caregivers since WWII and continue to be the “go to” resource for them to help ensure their successful transition to civilian life.

Tragedy Leads to Inspiration

In 1907, Ohio-businessman Edgar Allen lost his son in a streetcar accident. The lack of adequate medical services available to save his son prompted Allen to sell his business and begin a fundraising campaign to build a hospital in his hometown of Elyria, Ohio. Through this new hospital, Allen was surprised to learn that children with disabilities were often hidden from public view. Inspired to make a difference, in 1919 Allen founded the National Society for Crippled Children, the first organization of its kind.

The Birth of the Seal

In the spring of 1934, the organization launched its first Easter “seals” campaign to raise money for its services. To show their support, donors placed the seals on envelopes and letters. Cleveland Plain Dealer cartoonist J.H. Donahay designed the first seal. Donahay based the design on a concept of simplicity because those served by the charity asked “simply for the right to live a normal life.” The lily - a symbol of spring - was officially incorporated as the National Society for Crippled Children’s logo in 1952 for its association with new life and new beginnings.

Expansion of the organization

In 1945, we expanded our vision across the country and in communities nationwide when we opened our services to adults and returning WWII veterans.

Easterseals Emerges

The overwhelming public support for the Easter “seals” campaign triggered a nationwide expansion of the organization and a swell of grassroots efforts on behalf of people with disabilities. By 1967, the Easter “seal” was so well recognized, the organization formally adopted the name “Easter Seals.”

Americans with Disabilities Act

Prior to the passing of the ADA on July 26, 1990, Easterseals was a leading advocate for the American Disabilities Act (ADA) and actively lobbied in Washington and across the country for its adoption. Easterseals also created some of the most powerful advocacy campaigns with messages to support the law and its implementation. After the passing of the ADA, Easterseals worked tirelessly to ensure that all people are empowered to access their rights under the ADA.

Read more about Easterseals history with the Americans with Disabilities Act.

Dear Applicant:

Our letter dated JUNE 2000, stated you would be exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code, and you would be treated as a public charity, rather than as a private foundation, during an advance ruling period.

Based on the information you submitted, you are classified as a public charity under the Code section listed in the heading of this letter. Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(3) of the Code.

Publication 557, Tax-Exempt Status for Your Organization, provides detailed information about your rights and responsibilities as an exempt organization. You may request a copy by calling the toll-free number for forms, (800) 829-3676. Information is also available on our Internet Web Site at www.irs.gov.

If you have general questions about exempt organizations, please call our toll-free number shown in the heading between 8:30 a.m. - 5:30 p.m. Eastern time.

Please keep this letter in your permanent records.

Sincerely yours,

Lois G. Lerner

Advance Ruling Period Begins: March 5, 2000
Advance Ruling Period Ends: December 31, 2004
Addendum Applies: No

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make
a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

Contributions to you are deductible by donors beginning March 5, 2000.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally $25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally $25,000 or less, and sign the return. Because you will be treated as
APARTMENT LIFE INC

a public charity for return filing purposes during your entire advance ruling period, you should file Form 990 for each year in your advance ruling period that you exceed the $25,000 filing threshold even if your sources of support do not satisfy the public support test specified in the heading of this letter.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of $20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed $10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding $1,000,000 in any year, the penalty is $100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding $1,000,000 shall not exceed $50,000. This penalty may also be charged if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are spent only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence that the funds will remain dedicated to the required purposes and that the recipient will use the funds for those purposes.

Letter 1045 (DO/CG)

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Steven T. Miller

RE: TDHCA #19009 – Churchill Golden Triangle Community – Deficiency Response

Dear Ms. Cline-Rew,

On behalf of Churchill Golden Triangle Community, please see our responses below and attachments as necessary to address the deficiencies noted in your email of April 23, 2019.

1. Site Control: Submit evidence that all earnest money due as specified in the contract has been received by the title company.

   Please see the enclosed email from Stephen Lindsey dated 12/14/2018 confirming receipt of the initial $10,000 earnest money check. This is also evidenced in the contract by the Title Company on page 160 of the application. We are enclosing an amendment to the contract moving the inspection period from March 31, 2019 to May 20, 2019.

2. Site Plan: I don’t find an accessible route depicted for the accessible parking spaces located north of the clubhouse. Identify all accessible routes.

   Please see the revised site plan where the ADA path has been extended to the spaces north of the clubhouse. All other "ADA" routes were identified on the engineering site plan and included with the original application page 2,166.

3. Site Plan: Clarify the number and location of the van accessible parking spaces.

   We have identified the location of the 4 "van" accessible parking spaces they are labeled VAN on the site plan noted in item 2.

4. Accessible Parking Calculation Worksheet: The calculation worksheet does not include accessible parking spaces for amenities depicted on the site plan, such as the pool, cabana, and playground. The Accessible Parking Calculation Worksheet should identify these amenities and reflect one accessible parking space for them. Please note that the number of accessible spaces shown on the site plan is acceptable, however, the worksheet should be corrected.

   Please see the enclosed corrected worksheet.

5. Rent Schedule: Provide a description of the non-rental income in the space provided.

   Please see the enclosed revised Rent Schedule with the non-rental income noted.

6. Rent Schedule: The application appears to violate 10 TAC §11.204(8)(D) of the 2019 QAP. No more than 10% of the Direct Loan units may be designated at 80% High HOME. Please revise the appropriate exhibit(s).

   The Rent Schedule has been revised, and included with this letter, to reflect 10 TAC §11.204(8)(D). There is now 2 50% AMI LH units and 6 60% AMI HH units. This had no impact on the rental income.

7. Annual Operating Expenses: The Direct Loan Compliance fees were omitted. Please revise the exhibit.
Please see the revised Annual Operating Expenses and Pro Forma with the Direct Loan Compliance fees noted.

8. Applicant Credit Limit Certification Part I: The entity name of the general partner does not agree with the Ownership Charts. Please clarify the correct name and revise the appropriate exhibit(s).

   The correct entity name is Churchill Golden Triangle Community GP, LLC the Ownership Charts were correct; attached with item 9 below is the corrected Applicant Credit Limit Certification.

9. Applicant Credit Limit Certification Part I: The exhibit was not executed.

   Enclosed is the executed Applicant Credit Limit Certification Part I, the executed document was inadvertently omitted into the final pdf document.

10. ESA: Submit a statement that the recommendations of the ESA will be performed prior to closing, if awarded.

    A statement is included with this letter.

11. Site Design and Development Feasibility Report: I don't find a survey in the report. Submit a survey that conforms to the requirements of 10 TAC §11.204(15)(B) of the 2019 QAP.

    Page 8 of the engineering feasibility report contains the preliminary engineering site plan. The survey that was updated in February 2019 was incorporated into and the basis of this site plan. We have attached that survey by itself for your files.

12. Site Design and Development Feasibility Report: I don't find an overview that describes the millage rates for all taxing jurisdictions and property identification numbers. Either submit clarification from the report provider or clarify the location if I missed it.

Accessible Parking Calculation

Submit this worksheet or a comparable document certified by an accessibility professional.

Although Fair Housing Standards may apply in unusual circumstances, ADA Standards typically determine the required number of Accessible Parking Spaces (APSs). This worksheet is intended to handle typical (ADA) cases, where all parking spaces are within a single parking lot. However, it might be possible to determine the APS requirements of multiple lots (or facilities) by completing this same worksheet for each of the lots. The worksheet might also be usable for Developments with less than one parking space to serve each dwelling unit, by filling in the information on page one, bypassing inapplicable spaces in the first section of page two, and completing the second section of page two, "Distribution of APSs Among the Various Types of Parking", referencing ADA Table 208.2. In unique cases where Fair Housing applies, or where this worksheet cannot be applied, create a certification specifying the types and numbers of the parking spaces applicable, including standard and accessible parking for dwelling units and amenities (e.g., office, mail kiosk, laundry, dumpster, pool, playground, etc., collectively, "amenities"), and for each type of parking facility, e.g., surface spaces, carports, garages, etc., for staff review. Links to the applicable accessibility rules are provided below.

### Accessible Parking for Facilities and Amenities

Determining the number of APSs that serve the dwelling units requires accounting for APSs that do not serve dwelling units. In the yellow spaces below, identify the individual amenities served by an APS. Groups of amenities in close proximity typically are allowed to share a single APS. If groups of amenities share one APS (or APSs), identify each such group. In the yellow space to the right of each of these identifications, state the number of APSs designated to serve the amenity or group identified. If parking is provided near dumpsters, at least 1 dumpster must have an APS. The total of these APSs will be subtracted from the total of all types of parking spaces to determine the number of parking spaces that serve the dwelling units and the APSs required for the dwelling units.

# 15 Year Rental Housing Operating Pro Forma (All Programs)

A pro forma should be based on the operating income and expense information for the base year (first year of stabilized occupancy using today’s best estimates of market rents, restricted rents, rental income, and principal and interest debt service). The Department uses an annual growth rate of 2% for income and 3% for expenses. Written explanation for any deviations from these growth rates or for assumptions other than straight-line growth made during the proforma period should be attached to this exhibit.

Recommendations

PSI recommends that a noise study or mitigation be conducted regarding the traffic noise levels identified in the HUD Noise calculator worksheet. This is confirmation that we will do a noise study as well as mitigation to bring the noise decibels down from the 68.9284 at or below the HUD threshold level of 65 decibels.
