F. The Partnership shall indemnify the TMP (including the officers and directors of a corporate TMP) against judgments, fines, amounts paid in settlement and expenses (including attorneys' fees) reasonably incurred by the TMP in any civil, criminal or investigative proceeding in which the TMP is involved or threatened to be involved by reason of being the TMP, provided that the TMP acted in good faith, within what it reasonably believed to be in the best interests of the Partnership or its Partners. The TMP shall not be indemnified under this provision against any liability to the Partnership or its Partners to any greater extent than the indemnification allowed by Section 6.6 of this Agreement. The indemnification provided by this subparagraph shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any applicable statute, agreement, vote of the Partners, or otherwise.
Section 6.3. Business Management and Control; Designation of Managing General Partner; Tax Matters Partner; Certain Rights of the Special Limited Partner

A. The General Partners shall have the exclusive right to manage the business of the Partnership in accordance with this Agreement. No Limited Partner shall have any authority or right to act for or bind the Partnership.

B. The powers and duties of the General Partners hereunder may be exercised in the first instance by one or more Managing General Partners. Each Managing General Partner is hereby authorized to execute and deliver in the name and on behalf of the Partnership all such documents and papers (including any required by any Lender or Governmental Agency) as such Managing General Partner deems necessary or desirable in carrying out such duties hereunder. LifeNet-Lewisville GP, LLC is hereby designated as the initial Managing General Partner; if such Person shall become unable to serve in such capacity or shall cease to be a General Partner, the remaining General Partners may from time to time designate from among themselves by consent one or more substitute or additional Managing General Partners. If for any reason no designation is in effect, the powers of the Managing General Partners shall be exercised by the majority consent of the remaining General Partners. A designation of a successor as Managing General Partner or the designation of an additional Managing General Partner pursuant to Section 7.3 or 7.5 shall supersede any designation or other exercise of rights pursuant to this Section 6.3B.

C. In the event that (i) the Partnership is in material default of any of its obligations under the Project Documents, which default, in the reasonable judgment of the Special Limited Partner, threatens an assignment or foreclosure of any Mortgage, (ii) any General Partner, Developer or Guarantor is in default in any material respect under any of its obligations under this Agreement or any of the Related Agreements, (iii) a Recapture Event involving five or more units shall have occurred, (iv) a sole General Partner shall Retire, (v) an Event of Bankruptcy shall have occurred as to a General Partner, the Developer or any Guarantor or, (vi) the General Partner or its Affiliate shall have committed fraud or breach of fiduciary duty, the Special Limited Partner may, at its election, give notice of such default or event to the then General Partners, if any, and, (a) in the case of a default, if such default is not cured within ten (10) business days (or cured within a reasonable time in the event it is impossible to cure such default within such ten (10)-day period, provided that the General Partner is diligently and in good faith seeking to cure such default and there has been no assignment of or institution of proceedings to foreclose any Mortgage), or (b) in the event of such Retirement, Recapture Event or Event of Bankruptcy, promptly after the occurrence of such event, the Special Limited Partner or any Entity of which a majority of the stock or beneficial interest is owned, directly or indirectly, by the Special Limited Partner or MMA Financial, may, with the Consent of the Investor Limited Partner, elect to become an additional General Partner with all the rights and privileges of a General Partner. The Special Limited Partner shall provide the General Partners with true and correct copies of the written instruments evidencing such Consent of the Investor Limited Partner within ten (10) days after the Special Limited Partner's receipt thereof (with a copy to the Servicing Agent). Upon such election by the Special Limited Partner or such Entity and such Consent, the Special Limited Partner or such Entity shall automatically become and shall be deemed a General Partner and each Partner hereby irrevocably appoints the Special Limited
Partner (with full power of substitution) as the attorney-in-fact of such Partner for the purpose of executing, acknowledging, swearing to, recording and/or filing any amendment to this Agreement and the Certificate necessary or appropriate to confirm the foregoing. If the Special Limited Partner or such Entity shall become an additional General Partner as herein stated, its Interest shall not be increased thereby (except that the Special Limited Partner may assign its Interest to such Entity). In the event of the admission of the Special Limited Partner or such Entity as a General Partner pursuant to this Section 6.3C, and if there are then any other General Partners, the Special Limited Partner or such Entity shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them.

Section 6.4. Duties and Obligations of the General Partners and Class B Limited Partner

A. The General Partners shall use their reasonable best efforts to carry out the purposes, business and objectives of the Partnership, and shall devote to Partnership business such time and effort as may be reasonably necessary to (i) supervise the activities of the Management Agent, (ii) make inspections of the Project to determine if the Project is being properly maintained and that necessary repairs are being made thereto, (iii) prepare or cause to be prepared all reports of operations which are to be furnished to the Partners or to any Lender or Governmental Agency, (iv) with the Consent of the Investor Limited Partner, elect to defer the commencement of the Credit Period for all or any portion of the low-income housing tax credit allowable to the Partners under Section 42(g) of the Code, to the extent that any such deferral may be in the best economic interest of the Investor Limited Partner, (v) cause the Project to be insured in accordance with the requirements set forth in Exhibit C and (vi) cause the Partnership and the Project to comply in all material respects with each of the representations and covenants of the applicant set forth in the Tax Credit Application.

B. Subject to the Project Documents and the requirements of Section 42 of the Code, the General Partners shall use reasonable efforts consistent with sound management practice to maximize income produced by the Project, including, if necessary, seeking any necessary approvals of, and implementing, appropriate adjustments in the rent schedule of the Project.

C. The General Partners shall timely execute and record in the appropriate Filing Office an Extended Use Agreement which satisfies all of the requirements of Section 42(h)(6) of the Code. The General Partners shall hold for occupancy such percentage of the apartments in the Project in such a manner as to qualify the entire Project as a “qualified low income housing project” under Section 42(g) of the Code as interpreted from time to time in regulations and rulings promulgated thereunder. The General Partners shall not take any action which would cause the termination or discontinuance of the qualification of the Project as a “qualified low income housing project” under Section 42(g) of the Code or which would cause the recapture of any Tax Credits without the Consent of the Investor Limited Partner.

D. The General Partners shall prepare and submit to the Secretary of the Treasury (or any other Governmental Agency designated for such purpose), on a timely basis, any and all
annual reports, information returns and other certifications and information and shall take any and all other action required (i) to insure that the Partnership (and its Partners) will continue to qualify for Tax Credits to the extent contemplated under this Agreement and (ii) unless the Consent of the Investor Limited Partner is received to act otherwise in a particular instance, to avoid recapture of Tax Credits for failure to comply with the requirements of Section 42 of the Code or other applicable law.

E. Except as provided in or contemplated by the Project Documents, the General Partners agree that neither they nor any Related Person will at any time bear the Economic Risk of Loss for payment or performance of any Mortgage Loan (except for nonrecourse carveouts and indemnification required under Section 3.8 and Article XII of the Bond Loan Agreement). Each General Partner agrees that it will not cause any Limited Partner at any time to bear the Economic Risk of Loss for payment or performance under any Note or Mortgage. Each Limited Partner agrees not to take any action which would cause it to bear the Economic Risk of Loss for payment of any Mortgage Loan.

F. The General Partners shall have fiduciary responsibility for the safekeeping and use of all funds and assets of the Partnership, whether or not in their immediate possession or control. The General Partners shall not employ, or permit another to employ, such funds or assets in any manner except for the exclusive benefit of the Partnership.

G. No General Partner shall contract away the fiduciary duty owed at common law to the Limited Partners.

H. The General Partner shall be solely responsible for the following:

1. analyzing the Qualified Allocation Plan (“QAP”) for targeted areas within a state;
2. analyzing a site’s economy and forecasting future growth potential;
3. determining the site’s zoning status and possible rezoning strategies;
4. contacting local government officials concerning access to utilities, public transportation and local ordinances;
5. performing environmental tests;
6. negotiating the purchase of the Land and the financing therefor;
7. causing the Partnership to acquire the Land;
8. processing necessary documentation with the Credit Agency in connection with the Tax Credits;
9. arranging the permanent mortgage financing for the Project; and
(10) arranging for the admission to the Partnership of the Investor Limited Partner and the Special Limited Partner.

In consideration for its services set forth in this Section 6.4H, the General Partners have received their interests in the profits of the Partnership as set forth in Section 10.3. The General Partner shall not assign any of these duties to the Developer.

I. The General Partners shall (i) not store (except in compliance with applicable Hazardous Waste Laws) or dispose of any Hazardous Material at the Project; (ii) neither directly nor indirectly transport or arrange for the transport of any Hazardous Material to, at or from the Project (except in compliance with applicable Hazardous Waste Laws); (iii) provide the Limited Partners with written notice (x) upon any General Partner's obtaining knowledge of any potential or known release, or threat of release, of any Hazardous Material at or from the Project; (y) upon any General Partner's receipt of any written notice to such effect from any federal, state, or other Governmental Agency; and (z) upon any General Partner's obtaining knowledge of any incurrence of any expense or loss by any such Governmental Agency in connection with the assessment, containment, or removal of any Hazardous Material for which expense or loss any General Partner may be liable or for which expense or loss a lien may be imposed on the Project.

J. [Reserved]

K. The General Partners, with the advice and Consent of the Investor Limited Partner shall take such actions as may be necessary (after giving effect to applicable provisions of the Development Agreement) to assure that 50% or more of the aggregate basis of each of the Buildings (including site improvements) and the Land attributable thereto is financed with an obligation the interest on which is exempt from tax under Section 103 of the Code and which is within the State's volume cap.

L. In the event that the Investor Limited Partner shall give notice to the General Partner that in the reasonable judgment of the Investor Limited Partner depreciation deductions will no longer be allocated to the Investor Limited Partner as a result of the treatment of the Mortgage Loan or Development Amount and accrued interest thereon as a Partner Nonrecourse Debt ("Related Party Financing"), then the General Partner shall take all such action as may be necessary to assure that any outstanding balance of such Related Party Financing shall constitute a Partnership Nonrecourse Liability and the Investor Limited Partner shall give its Consent to allow the General Partners to take all necessary action, provided such action does not have any negative tax consequences for the Partnership or the Investor Limited Partner. One such action shall be the assignment of the outstanding balance of such Related Party Financing to an Entity which is not a Related Person.

M. The General Partners shall cause all leases of dwelling units in the Project to contain a provision obligating tenants to notify the Management Agent immediately of any suspected water leaks, moisture problems or mold in dwelling units or common areas of the Project. In addition, the General Partners shall furnish such reports and implement such actions, if any, required under the provisions of Section 12.1J.
N. The Class B Limited Partner shall deliver to the Investor Limited Partner copies of all draw requests and reports by the Inspecting Architect submitted to the Servicing Agent and Bond Lender in connection with construction of the Project.

O. The General Partner and Class B Limited Partner shall take all steps necessary to provide social services as required by any applicable Governmental Agency.

P. The General Partner shall take all actions and file all materials necessary to obtain and maintain a 50% exemption from ad valorem taxes applicable to the Property throughout the Compliance Period.

(iii) No default by any General Partner, any Affiliate thereof having any relationship with the Project, or the Partnership, in any material respect has occurred or is continuing (nor has there occurred any continuing event which, with the giving of notice or the passage of time or both, would constitute such a default in any material respect) under any of the Project Documents.

Each such Entity is duly organized and validly existing under the law of the state of its organization.

(iv) No Event of Bankruptcy has occurred and is continuing with respect to the Partnership, any General Partner, any Guarantor, the Class B Limited Partner, the Contingent Guarantor, or the Developer.

Section 6.6. Indemnification

A. Each General Partner (including any Retired General Partner) shall be indemnified by the Partnership against any losses, judgments, liabilities, expenses and amounts paid in settlement of any claims sustained by him or it in connection with the Partnership, provided that the same were not the result of negligence or misconduct on the part of any General Partner or any of its “Designated Affiliates” (as such term is defined in Section 6.7B) and were the result of a course of conduct which such General Partner, in good faith, determined was in the best interest of the Partnership. Any indemnity under this Section 6.6 shall be provided out of and to the extent of Partnership assets only, and no Limited Partner shall have any personal liability on account thereof; provided, however, that no indemnification shall be provided for any losses, liabilities or expenses arising from or out of any alleged violation of federal or state securities laws unless (i) there has been a successful adjudication on the merits of each count involving alleged securities law violations as to the particular indemnitee and the court approves indemnification of litigation costs; (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular indemnitee and the court approves indemnification of litigation costs; or (iii) a court of competent jurisdiction approves a settlement of the claims against a particular indemnitee and finds that indemnification of the settlement and related costs should be made.

B. The Partnership shall not incur that cost of that portion of any insurance which insures any party against any liability as to which such party is herein prohibited from being indemnified.

C. The General Partners agree promptly to indemnify, defend and hold harmless the Partnership and the Limited Partners from and against any and all claims, losses, damages, costs, expenses and liabilities which the Partnership and the Limited Partners may incur by reason of any liabilities to which either the Partnership or the Project is subject at the Investment Closing; provided, however, that the foregoing indemnification shall not apply to any Mortgage,
necessary contractual obligations normally incurred in connection with the Property, or to acts
for which such General Partners are entitled to indemnification under Section 6.6A.

D. The General Partners agree to promptly indemnify, defend, and hold harmless the
Partnership and the Limited Partners from and against any claims, losses, damages, costs,
expenses or liabilities which the Partnership and the Limited Partners may incur on account of
the presence or escape of any Hazardous Material at or from the Property (or at any other
location), provided, however, that with respect to mold, the indemnification by the General
Partner of the Partnership shall only apply in the event that the General Partner caused, or had
knowledge of, the condition which gave rise to the occurrence of mold. Any such claims, losses,
damages, costs, expenses or liabilities may be defended, compromised, settled, or pursued by the
Limited Partners with counsel of the Limited Partners’ selection, but at the expense of the
General Partners. The foregoing indemnification shall be a recourse obligation of the General
Partners and shall survive the dissolution of the Partnership and/or the death, retirement,
incompetency, bankruptcy or withdrawal of any General Partner.

E. The General Partners shall defend, indemnify and hold harmless the Partnership
and the Limited Partners from any liability, loss, damage, fees, costs and expenses, judgments or
amounts paid in settlement incurred by reason of any demands, claims, suits, actions or
proceedings arising out of the General Partners’ or any Designated Affiliate’s negligence,
misconduct, fraud, breach of fiduciary duty or breach of this Agreement, including without
limitation any breach by any General Partner or any Designated Affiliate of any representation,
warranty, covenant or agreement set forth in Section 6.5 or elsewhere in this Agreement,
including all reasonable legal fees and costs incurred in defending against any claim or liability
or protecting itself or the Partnership from, or lessening the effect of, any such breach. The
foregoing indemnification shall be a recourse obligation of the General Partners and shall survive
the dissolution of the Partnership and/or the death, retirement, incompetency, bankruptcy or
withdrawal of any General Partner.

Section 6.7. Liability of General Partners to Limited Partners

A. Except as set forth in Section 6.6, no General Partner or Designated Affiliate (as
defined in Section 6.7B) shall be liable, responsible or accountable for damages or otherwise to
the Partnership or to any Limited Partner for any loss suffered by the Partnership which arises
out of any action or inaction of such General Partner or Designated Affiliate (i) if such General
Partner or Designated Affiliate, in good faith, determined that such course of conduct was in the
best interests of the Partnership and (ii) such course of conduct did not constitute negligence,
breach of fiduciary duty or misconduct on the part of that General Partner or Designated Affiliate
or breach of this Agreement.

B. As used in Sections 6.6 and 6.7, a “Designated Affiliate” is any Person
performing services on behalf of the Partnership, within the scope of authority of the General
Partner who: (i) directly or indirectly controls, is controlled by, or is under common control with
any General Partner, (ii) owns or controls 10% or more of the outstanding voting securities of
any General Partner, (iii) is an officer, director, partner, member or trustee of any General
Partner, or (iv) if any General Partner is an officer, director, partner, member or trustee, of any
company for which such General Partner acts in any such capacity.
Section 6.8. Certain Obligations of the Developer

A. The Partnership has entered into an agreement with the Developer pursuant to which the Developer is obligated to complete the construction of the Improvements and to pay certain development costs and other expenses as set forth in the Development Agreement.

B. The undertakings of the Developer set forth in the Development Agreement are made for the benefit of and shall be enforceable by the Partnership and the Partners and shall not inure to the benefit of any creditor of the Partnership other than a Partner, notwithstanding any pledge or assignment by the Partnership of this Agreement or the Development Agreement or any rights thereunder.

C. The Class B Limited Partner hereby unconditionally jointly and severally guarantees to the Partnership and the Investor Limited Partner the due and punctual performance of all obligations of the Developer under the Development Agreement. The Class B Limited Partner hereby agrees that its obligations hereunder shall constitute a guaranty of payment and not of collection and shall be unconditional irrespective of the regularity or enforceability of this Agreement or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor or any other circumstances which might otherwise limit the recourse to the Class B Limited Partner. The undertakings of the Class B Limited Partner set forth in this Section 6.8 and in Section 6.9 are made for the benefit of the Partners and shall not inure to the benefit of any creditor of the Partnership other than a Partner, notwithstanding any pledge or assignment by the Partnership of this Agreement or any rights hereunder.

D. In addition to the foregoing, the Class B Limited Partner hereby guarantees to the Limited Partners the prompt payment by the Partnership of all Other Development Costs. Accordingly, if the amount of Other Development Costs exceeds the balance of Designated Proceeds remaining after payment of all Eligible Development Costs, the Class B Limited Partner shall furnish to the Partnership the funds required to pay such excess at or prior to the time such excess is payable by the Partnership. Amounts so furnished to fund such excess Other Development Costs shall not be reimbursable, shall not be credited to the Capital Account of any Partner or otherwise change the Interest of any Person in the Partnership, but shall be the sole expense and responsibility of the Class B Limited Partner as a cost incurred by them in fulfilling their guaranty under this Section 6.8D.

Section 6.9. Obligation to Provide for Operating Expenses

A. During the period commencing on the Admission Date and ending on the third anniversary of the Development Obligation Date, the General Partners agree that if the Partnership requires funds to discharge Operating Expenses (other than to make payments to Partners, payments of any outstanding Operating Expense Loans or other obligations herein provided to be payable solely out of Cash Flow or distributions of proceeds from a Capital Transaction), the General Partners shall furnish to the Partnership the funds required. Amounts so furnished to fund Operating Expenses incurred prior to the Development Obligation Date shall be deemed Special Capital Contributions. Amounts furnished to fund Operating Expenses incurred on or after the Development Obligation Date but prior to the third anniversary of the Development Obligation Date shall constitute Operating Expense Loans. Notwithstanding the
foregoing, however, the General Partners shall not be obligated to make Operating Expense Loans under this Section 6.9A to the extent that the outstanding aggregate principal amount of such Operating Expense Loans would exceed $950,000 which includes the funding of the Replacement Reserve. Any such Operating Expense Loans shall bear interest at the Prime Rate and be repayable only as provided in Article X.

B. Commencing on the third anniversary of the Development Obligation Date, Churchill Residential, Inc. shall be obligated to make working capital advances to the Partnership when and as needed, except that Churchill Residential, Inc. shall not be obligated to make further advances under this Section 6.9B to the extent that the aggregate outstanding balance of such advances shall exceed $100,000. Advances made pursuant to this Section 6.9B shall constitute Working Capital Loans and shall be repayable only as provided in Article X.

C. In addition to the obligations set forth in Sections 6.9A and 6.9B, the General Partners agree that if at any time during the Compliance Period the Partnership is requested to pay real estate taxes ("Excess Real Estate Taxes") and has an operating deficit, then the General Partners shall furnish to the Partnership the funds required to pay such operating deficit, not to exceed the amount of the Excess Real Estate Taxes. Amounts so furnished by the General Partners shall be deemed Special Capital Contributions.

Section 6.10. Certain Payments to the General Partners and Affiliates

A. For its services in connection with the development of the Property and the supervision to completion of the construction of the Improvements and as reimbursement for Development Advances, the Developer shall be entitled to receive the amounts set forth in the Development Agreement.

B. All of the Partnership's expenses shall be billed directly to, and paid by, the Partnership to the extent practicable. Subject to the terms of this Agreement, reimbursements to a General Partner or any of its Affiliates by the Partnership shall be allowed subject to the following conditions:

(i) such goods or services must be necessary for the prudent formation, development, organization or operation of the Partnership;

(ii) reimbursement for goods or services provided by Persons who are not affiliated with a General Partner shall not exceed the cost to a General Partners or their Affiliates of obtaining such goods or services; and

(iii) reimbursement for goods and services obtained directly from a General Partner or its Affiliates shall not exceed the amount the Partnership would be required to pay independent parties for comparable goods and services in the same geographic location and shall not include reimbursement for the general overhead of the General Partners or their Affiliates (including salaries and benefits of employees thereof).

C. Neither the General Partners nor any of their Affiliates shall be entitled to any compensation, fees or profits from the Partnership in connection with the acquisition,
construction, development or rent-up of the Land or Improvements or for the administration of
the Partnership's business or otherwise, except for (i) payments provided for or referred to in
Sections 2.4(v) or 6.10A, (ii) payments of the Management Fee and Incentive Management Fee
referred to in Article XI, (iii) fees and distributions under Article X, (iv) such other fees and
distributions as may be permitted to be paid by any Lender or the Governmental Agency out of
the proceeds of any Mortgage Loan and (v) payments to the Builder under the Construction
Contract.

Section 6.11. Joint and Several Obligations

If there is more than one General Partner, all obligations of the General Partners
hereunder shall be joint and several obligations of the General Partners, except as herein
expressly provided to the contrary.

Section 6.12. Reserve Accounts

A. The General Partners shall establish a reserve account for capital replacements,
which account shall be funded by monthly deposits of $3633, which amount equals $200 per unit
per year (or such greater amount as may be required by any Lender or, subject to any Requisite
Approvals, such lesser amount as shall be approved in writing by the Special Limited Partner
from time to time) commencing on the Completion Date. Withdrawals from such reserve shall
be utilized solely to fund capital repairs and improvements deemed necessary by the General
Partners.

B. The General Partners shall cause the Partnership to establish a Lease-Up Reserve,
as required under the terms of the Indenture.

ARTICLE VII

Withdrawal of a General Partner; New General Partners

Section 7.1. Voluntary Withdrawal

No General Partner shall have the right to withdraw or Retire voluntarily from the
Partnership or sell, assign or encumber his or its Interest without the Consent of the Investor
Limited Partner, the Class B Limited Partner and any Requisite Approvals.

Section 7.2. Obligation to Continue

In the event of the Retirement of any General Partner, the remaining General Partners, if
any, and any successor General Partner shall have the obligation to continue the business of the
Partnership employing its assets and name. Immediately after the occurrence of such Retirement,
the remaining General Partners, if any, shall notify the Investor Limited Partner (with a copy to
the Servicing Agent) thereof.

- 47-
Section 7.3. Successor General Partner

A. Upon the occurrence of any Retirement, the remaining General Partners may designate a Person to become a successor General Partner to the Retired General Partner. Any Person so designated, subject to any Requisite Approvals, the Consent of the Investor Limited Partner and, if required by the Uniform Act or any other applicable law, the consent of any other Partner so required, shall become a successor General Partner. Any Person designated to become a Successor General partner must be a "Community Housing Development Organization" under the laws of the State of Texas and must qualify the Property for an ad valorem property tax exemption.

B. If any Retirement shall occur at a time when there is no remaining General Partner and no successor General Partner is to be admitted pursuant to Section 7.3A or the remaining General Partners do not elect to continue the business of the Partnership pursuant to Section 7.2, then the Investor Limited Partner shall have the right, subject to any Requisite Approvals and Section 6.3C, to designate a Person to become a successor General Partner.

C. If the Investor Limited Partner elects to reconstitute the Partnership and admit a successor General Partner pursuant to this Section 7.3, the relationship of the Partners in the reconstituted Partnership shall be governed by this Agreement.

Section 7.4. Interest of Predecessor General Partner

A. Except as provided in Section 7.3A, no assignee or transferee of all or any part of the Interest of a General Partner shall have any automatic right to become a General Partner. Until the acquisition of the Interest of a Retiring General Partner pursuant to Section 7.7, such Interest shall be deemed to be that of an assignee and the holder thereof shall be entitled only to such rights as an assignee may have as such under the laws of the State.

B. Anything herein contained to the contrary notwithstanding, any General Partner withdrawing voluntarily in violation of Section 7.1 shall remain liable for all of his obligations under this Agreement, for all its other obligations and liabilities hereunder incurred or accrued prior to the date of its withdrawal and for any loss or damage which the Partnership or any of its Partners may incur as a result of such withdrawal (except as provided in Section 6.7), except for any loss or damage attributable to the default, negligence or misconduct of a successor General Partner admitted in its place under this Agreement.

C. The disposition of the General Partner Interest of a General Partner who Retiring voluntarily in compliance with this Agreement shall be accomplished in such manner as shall be acceptable to the remaining General Partners, shall be approved by Consent of the Investor Limited Partner and shall have obtained any Requisite Approvals. Any other Retirement of a General Partner shall be governed by Section 7.7D.

Section 7.5. Designation of New General Partners

The General Partners may, with the written consent of all Partners, at any time designate new General Partners, each with such Interest as a General Partner in the Partnership as the General Partners may specify, subject to any Requisite Approvals.
Any new General Partner shall, as a condition of receiving any interest in the Partnership property, agree to be bound by the Project Documents and any other documents required in connection therewith and by the provisions of this Agreement, to the same extent and on the same terms as any other General Partner.

Section 7.6. Amendment of Certificate; Approval of Certain Events

Upon the admission of a new General Partner, the Schedule shall be amended to reflect such admission and an amendment to the Certificate, also reflecting such admission, shall be filed as required by the Uniform Act.

Each Partner hereby consents to and authorizes any admission or substitution of a General Partner or any other transaction, including, without limitation, the continuation of the Partnership business, which has been authorized under the provisions of this Agreement, and hereby ratifies and confirms each amendment of this Agreement necessary or appropriate to give effect to any such transaction.

Section 7.7. Removal of the General Partner

A. In addition to any other rights granted to the Limited Partners hereunder, the Special Limited Partner shall have the right to remove and replace the General Partner in accordance with the provisions of this Section 7.7 if a Material Default occurs and is not cured within the time period set forth in this Section 7.7. If at any time there is more than one General Partner, all General Partners may be removed and replaced in accordance with the provisions of this Section 7.7 in the event of a Material Default by any General Partner.

B. As used in this Section 7.7, “Material Default” means the occurrence of any of the following events:

(i) a breach by any General Partner (or any of its Affiliates) of any of its representations or warranties contained herein or in the performance of any of its obligations under this Agreement or any Related Agreement, which breach could have a material adverse impact on the Partnership, the Project or the Investor Limited Partner;

(ii) a violation by any General Partner of any law, regulation or order applicable to the Partnership, or a material breach by the Partnership or any General Partner under any Project Document or other material agreement or document affecting the Partnership or the Project which has or may have a material adverse effect on the Partnership, the Investor Limited Partner or the Project;

(iii) an Event of Bankruptcy as to any General Partner, any Guarantor or the Partnership;

(iv) the commencement of foreclosure proceedings with respect to any Mortgage, which have not been withdrawn or dismissed within thirty (30) days after the date of such commencement; or
(v) gross negligence, fraud, willful misconduct, misappropriation of Partnership funds, or a breach of fiduciary duty by a General Partner or any Affiliate of a General Partner providing services to or in connection with the Partnership or the Project.

C. In the event that the Special Limited Partner determines to remove any General Partner pursuant to the provisions of this Section 7.7, the Special Limited Partner shall notify the General Partner in writing (with a copy to the Servicing Agent), of the Material Default that is the cause for the removal of the General Partner (any such notice being referred to herein as a “Removal Notice” and the date of such Removal Notice being referred to herein as the “Removal Notice Date”). In the case of any Material Default described in clauses (i) or (ii) of Section 7.7B above, the General Partner shall have ten (10) business days (or thirty (30) business days if it is a non-monetary default) from the Removal Notice Date to cure the Material Default; provided, however, that if a non-monetary Material Default cannot be reasonably cured within thirty (30) business days, the General Partner shall not be removed if the General Partner commences such cure within thirty (30) business days and proceeds in good faith to cure diligently thereafter, provided that the cure is completed within ninety (90) business days following the Removal Notice Date (or such lesser period as is required to cure the Material Default), and the failure to cure such Material Default within a shorter period does not have a material adverse effect on the Partnership, the Property, or the Investor Limited Partner. For purposes of this paragraph, the failure to provide or maintain any insurance required by this Agreement shall be deemed to be a monetary default. If the General Partner fails to cure within the specified time period, or if no cure right is afforded under the terms hereof, the removal of the General Partner shall be deemed to be effective as of the expiration of any applicable cure period described above; otherwise, such removal shall be effective upon the conclusion of the applicable cure period without a cure of such Material Default reasonably acceptable to the Investor Limited Partner. The General Partner shall have no right to cure any Material Default described in clause (v) of Section 7.7B above.

D. If a General Partner is removed pursuant to this Section 7.7, the Partnership shall pay to such General Partner in the manner set forth in Section 7.7G an amount equal to (x) the sum of (i) an amount equal to the General Partner’s positive Capital Account balance, if any, following a deemed sale of all Partnership property and a deemed liquidation of the Partnership (but prior to any deemed distributions upon liquidation), (ii) the unpaid principal balance of any Operating Expense Loans, and (iii) any fees owed to the General Partner and/or its Affiliates in the manner described in Section 7.7E below minus (y) an amount equal to any Adverse Consequences suffered by the Partnership or the Limited Partners as a result of the acts or omissions of the General Partner prior to its removal, including, without limitation, the Material Default creating the right of the Special Limited Partner to remove the General Partner pursuant to the provisions of this Section 7.7. Any transfer taxes that are triggered by the removal and the cost of any additional title insurance or title endorsements deemed to be necessary by the Special Limited Partner as a result of such removal shall be paid by the removed General Partner. The resulting amount is referred to herein as the “Removal Purchase Price.” Notwithstanding the foregoing, the Removal Purchase Price shall not exceed the amount which the removed General Partner would have received under Section 10.1B from a deemed sale of the Project on the Removal Notice Date, based on the Appraised Value of the Project determined under Section 7.7F below.
E. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any fees owed to the General Partner or its Affiliates (including, without limitation, any unpaid Development Amount) for services performed prior to the Removal Notice Date shall be part of the Removal Purchase Price as described above, provided, however, that (i) if any Adverse Consequences suffered by the Partnership or the Limited Partners exceed the Removal Purchase Price as calculated pursuant to the provisions of Section 7.7D above, or (ii) there exist any unpaid obligations or liabilities of the General Partner that relate to the period up to and including the effective date of the removal of the General Partner, any such unpaid fees owed to the General Partner or its Affiliates shall, to the extent of any such Adverse Consequences or obligations or liabilities, as the case may be, be treated as if they were paid to the General Partner (or such Affiliates) and applied by the General Partner (or such Affiliates) to the payment or satisfaction of such Adverse Consequences, obligations or liabilities, and, to the extent of such application, the obligation of the Partnership to make actual cash payments of such fees to the General Partner (or such Affiliates) shall be reduced or eliminated, as the case may be. In the event the General Partner is removed but the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect.

F. The Appraised Value of the Property shall be determined as follows. As soon as practicable and in any event within ten (10) business days following the effective date of removal as specified in Section 7.7C above, the General Partner and the Special Limited Partner shall select a mutually acceptable Independent Appraiser. If either party fails to select an Independent Appraiser within the time period described above, the determination of the other Independent Appraiser shall control. In the event that the parties are unable to agree upon an Independent Appraiser within such ten (10) Business Day period, the General Partner and the Special Limited Partner each shall select an Independent Appraiser. If the difference between the Appraised Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Value set forth in the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two Independent Appraisers shall jointly select a third Independent Appraiser whose determination of Appraised Value shall be deemed to be binding on all parties as long as the third determination is between the other two determinations. If the third determination is either lower or higher than both of the other two appraisers, then the average of all three appraisers shall be the fair market value. The Partnership and the removed General Partner shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this Section 7.7F.

G. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any Removal Purchase Price due to the General Partner pursuant to the provisions of Section 7.7D above shall be payable from the first available proceeds of a Capital Transaction prior to any other distributions or payments to the Partners under Section 10.1B hereof except for those items listed in clauses First and Second of Section 10.1B.

H. Upon determination of the Removal Purchase Price under the provisions of this Section 7.7, the Partnership and its remaining Partners shall be deemed to be completely released from all liability to such General Partner and its Affiliates generally and to any others claiming by or through the General Partner to whom any distributions or loan, fee or other payments are to
be made under Article X or otherwise, and the General Partner shall be released from any and all obligations to the Partnership and the Partners which arise after the Removal Notice Date. Concurrently with the determination of the Removal Purchase Price, each General Partner shall provide the Partnership, the successor General Partner(s) and the Investor Limited Partner with additional written releases from the General Partner (and any Affiliates to whom obligations of any kind are owed by the Partnership, the successor General Partner(s), the Limited Partners or any of their respective Affiliates) confirming such releases.

I. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, (i) all agreements between the Partnership and the General Partner and/or its Affiliates may, at the election of the Partnership, be terminated and, except for payment of the Removal Purchase Price due to the General Partner (or such Affiliates), the Partnership shall have no further obligations under such agreements; and (ii) the removed General Partner shall be liable for all reasonable costs and expenses incurred by the Partnership or the Limited Partners in connection with the admission to the Partnership of a successor General Partner, which shall be considered Adverse Consequences for a purpose of this Section. Notwithstanding the foregoing however, if the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect. From and after the effective date of its removal, the removed General Partner shall not be liable for obligations of the Partnership incurred subsequent to such effective date unless such obligations arise out of acts or omissions of the removed General Partner prior to such effective date. The removed General Partner shall continue to be liable for all obligations, liabilities, and guarantees incurred by it in its capacity as the General Partner and any Partnership obligations not listed in the prior year's financial statements or otherwise described in writing to the Special Limited Partner, and for any Adverse Consequences caused by or arising out of its acts or omissions, prior to the effective date of its removal. Without limiting the generality of the foregoing, and in addition to any of its other obligations hereunder, the removed General Partner shall continue to be liable for any payments or advances due to the Limited Partners or the Partnership pursuant to the Capital Contribution adjustment provisions of Article V as a result of any adjustments determined thereunder, other than adjustments arising from a Recapture Event or the acts or omissions of any replacement or successor General Partner, in either case subsequent to the effective date of the removal of the removed General Partner.

J. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the Special Limited Partner may designate a Person or Persons, including, without limitation, an Affiliate of the Special Limited Partner, to become a successor General Partner or Partners replacing the removed General Partner, subject to any Requisite Approvals and to the terms of the Project Documents.

K. The election by the Special Limited Partner to remove any General Partner pursuant to the provisions of this Section 7.7 shall not limit or restrict the availability and use of any other remedy that the Special Limited Partner or the Investor Limited Partner may have with respect to any General Partner in connection with its undertakings and responsibilities under this Agreement, and the exercise by the Special Limited Partner of the rights granted to it in this Section 7.7 is understood by the parties hereto to be permitted by the Uniform Act as the exercise of powers not constituting participation in the control of the business so as to cause the Special
Limited Partner (or the Investor Limited Partner) to be liable for Partnership obligations as a
general partner.

L. In the event that the General Partner is removed pursuant to the provisions of this
Section 7.7, the removed General Partner shall immediately deliver to the Special Limited
Partner all books, records, tax and financial information relating to the Partnership and the
Property that are in the possession or under the control of the General Partner or any of its
Affiliates. The General Partner agrees that if it fails to comply with the provisions of this
Section 7.7L, the Limited Partners may enforce such provisions by specific performance, and no
portion of the Removal Purchase Price shall be payable unless the provisions of this Section are
fully and promptly complied with.

M. If the General Partner fails to comply with any of its obligations under this
Section 7.7 or contests the right of the Special Limited Partner to exercise the removal or other
rights described in this Section 7.7, and the Special Limited Partner prevails in any proceeding,
any costs and expenses incurred by the Limited Partners in enforcing their rights in this Section
7.7, including, without limitation, legal fees and expenses, shall be paid by the General Partner
upon presentation of an itemized statement describing the same, which costs shall be deemed to
be Adverse Consequences for purposes of this Section.

N. In the event that the Special Limited Partner sends a Removal Notice, the Special
Limited Partner may, as of such date, elect to become, or to designate another Person, including,
without limitation, an Affiliate of the Investor Limited Partner or the Special Limited Partner, to
become, an additional General Partner with all the rights and privileges of a General Partner. If
the Special Limited Partner or such other Person shall become an additional General Partner as
herein stated, its interest in the Partnership shall not be increased as a result thereof. In the event
of the admission of the Special Limited Partner or such Person as a General Partner pursuant to
this Section 7.7N, and if there are then any other General Partners, the Special Limited Partner or
such other Person shall have managerial rights, authority and voting rights of 51% on any
matters to be decided or voted upon by the General Partners or the Managing General Partner, as
the case may be, and the rights and authority of the remaining General Partners or the Managing
General Partner, as the case may be, shall be deemed equally divided among them. The Special
Limited Partner shall be entitled to receive reasonable compensation for serving as a General
Partner under this Section, and any such compensation shall be a reduction of the Removal
Purchase Price.

ARTICLE VIII

Transfer of Limited Partner Interests

Section 8.1. Right to Assign

A. Except as restricted in this Article VIII or by operation of law, and subject to the
Regulations, each Limited Partner shall have the right to assign its Interest and to substitute its
assignee in its place as a Substitute Limited Partner without the written consent of the General
Partners, provided, however, that if the Assignee is not an affiliate of or controlled by MMA, the
consent of the General Partner and the Class B Limited Partner will be required to such substitution, which consent will not be unreasonably withheld or delayed.

B. The General Partners, at the sole expense of the assigning Limited Partner, shall cooperate in good faith to effect such assignment as expeditiously as possible, including without limitation the execution of appropriate amendments to, or updates of, the Related Agreements and/or any other documents which the assigning Limited Partner reasonably determines necessary or appropriate to accomplish such assignment, including, but not limited to, any amendments, updated opinion of Partnership Counsel, authorizing resolutions of the General Partner and Developer and any other documents reasonably deemed necessary and appropriate by the Investor Limited Partner. In addition, in the event of a transfer of any interest in the Investor Limited Partner, the General Partner agrees to make such changes to this Agreement and the Related Agreements as the Investor Limited Partner may reasonably request.

C. The assignor shall assume any costs incurred by the Partnership in connection with an assignment of its Interest.

D. Notwithstanding the foregoing, or any other provision of this Agreement: (1) the Investor Limited Partner may pledge, without the consent of the General Partners or any other Person, its Interest to Fleet National Bank as Agent (together with its successors and/or assigns in such capacity, "Fleet") to secure a loan to an affiliate of the Investor Limited Partner, the proceeds of which have been used by the Investor Limited Partner to make its Capital Contribution to the Partnership (the "Fleet Pledge"); (2) Fleet shall have the rights of a secured party to retain, sell or transfer the Interest so pledged in accordance with the Fleet Pledge; (3) Fleet shall have the right to transfer or assign its rights hereunder and under the Fleet Pledge without the consent of the General Partners or any other Person; (4) in the event of any enforcement of the Fleet Pledge and the foreclosure upon or other disposition of the Interest, Fleet (or its nominee, successor, transferee or assignee) shall be immediately, automatically and unconditionally admitted as a Substitute Limited Partner, subject only to its execution of an agreement to be bound by this Agreement and (5) so long as the Fleet Pledge shall not have been released in accordance with its terms, (a) the Interests will not be, and will not become, "investment property" or held in a "securities account" (within the meaning of the Uniform Commercial Code of the State (the "UCC") and will be, and will remain, "general intangibles" within the meaning of Article 9 of the UCC and (b) any action by any Partner to cause any of the Interests to be deemed to be or to be treated as a "security" or as "investment property" or to be held in a "securities account" within the meanings of Article 8 and Article 9, respectively, of the UCC, shall be void and of no effect. Fleet, as Agent, is an intended third party beneficiary of this section.

Section 8.2. Substitute Limited Partners

A. The Limited Partner shall have the right to substitute an assignee as a Limited Partner in its place, subject to any Requisite Approvals. Any Substitute Limited Partner shall agree to be bound (to the same extent to which its predecessor in interest was so bound) by the Project Documents and this Agreement as a condition to its being admitted to the Partnership.
Section 8.3. Assignees

A. Any permitted assignee of a Limited Partner which does not become a Substitute Limited Partner shall have the right to receive the same share of profits, losses and distributions of the Partnership to which the assigning Limited Partner would have been entitled.

B. Any assigning Limited Partner shall cease to be a Limited Partner and shall no longer have any rights or obligations of a Limited Partner except that, unless and until the assignee of such Limited Partner is admitted to the Partnership as a Substitute Limited Partner, said assigning Limited Partner shall retain the statutory rights and be subject to the statutory obligations of an assignor limited partner under the Uniform Act as well as the obligation to make the Capital Contributions attributable to the Interest in question, if any portion thereof remains unpaid.

C. There shall be filed with the Partnership a duly executed and acknowledged counterpart of the instrument making each assignment; such instrument must evidence the written acceptance of the assignee to this Agreement and the Project Documents. If such an instrument is not so filed, the Partnership need not recognize any such assignment for any purpose.

D. In the case of any assignment of a Limited Partner's Interest as a Limited Partner, where the assignee does not become a Substitute Limited Partner, the Partnership shall recognize the assignment not later than the last day of the calendar month following receipt of notice of assignment and required documentation.

E. An assignee who does not become a Substitute Limited Partner and who desires to make a further assignment of its Interest shall also be subject to the provisions of this Article VIII.

Section 8.4. Voluntary Withdrawal of the Class B Limited Partner

No Class B Limited Partner shall have the right to withdraw or Retire voluntarily from the Partnership or sell, assign or encumber his or its Interest without the Consent of the Investor Limited Partner.

Section 8.5. Removal of the Class B Limited Partner

A. The Class B Limited Partner is an affiliate of the Developer and the Contingent Guarantor. In addition to any other rights granted to the Limited Partners hereunder, the Special Limited Partner shall have the right to remove and replace the Class B Limited Partner in accordance with the provisions of this Section 8.5 if a Class B Default occurs and is not cured within the time period set forth in this Section 8.5.

B. As used in this Section 8.5, "Class B Default" means the occurrence of any of the following events:

(i) a material default by the Developer of any of its obligations under the Development Agreement which is not cured after written notice from the
Investor Limited Partner and which results in a termination of the Development Agreement;

(ii) a material default by the Contingent Guarantor in the performance of any of its obligations under the Contingent Guaranty Agreement.

C. In the event that the Special Limited Partner determines to remove the Class B Limited Partner pursuant to the provisions of this Section 8.5, the Special Limited Partner shall notify the Class B Limited Partner in writing, of the Class B Default that is the cause for the removal of the Class B Limited Partner (any such notice being referred to herein as a “Class B Removal Notice” and the date of such Class B Removal Notice being referred to herein as the “Class B Removal Notice Date”). In the case of any Class B Default described in clauses (i) or (ii) of Section 8.5B above, the Class B Limited Partner shall have thirty (30) business days (or ninety (90) business days if it is a non-monetary default) from the Class B Removal Notice Date to cure the Class B Default; provided, however, that if a non-monetary Class B Default cannot be reasonably cured within ninety (90) business days, the Class B Limited Partner shall not be removed if the Class B Limited Partner commences such cure within ninety (90) business days and proceeds in good faith to cure diligently thereafter, provided that the cure is completed within one hundred fifty (150) business days following the Class B Removal Notice Date (or such lesser period as is required to cure the Class B Default), and the failure to cure such Class B Default within a shorter period does not have a material adverse effect on the Partnership, the Property, or the Investor Limited Partner. If the Class B Limited Partner fails to cure within the specified time period, or if no cure right is afforded under the terms hereof, the removal of the Class B Limited Partner shall be deemed to be effective as of the expiration of any applicable cure period described above; otherwise, such removal shall be effective upon the conclusion of the applicable cure period without a cure of such Class B Default reasonably acceptable to the Investor Limited Partner.

D. If a Class B Limited Partner is removed pursuant to this Section 8.5, the Partnership shall pay to such Class B Limited Partner in the manner set forth in Section 8.5G an amount equal to the amount which the removed Class B Limited Partner would have received under Section 10.1B from a deemed sale of the Project on the Class B Removal Notice Date, based on the Appraised Value of the Project determined under Section 8.5F below minus an amount equal to any Adverse Consequences suffered by the Partnership or the Limited Partners as a result of the acts or omissions of the Class B Limited Partner prior to its removal, including, without limitation, the Class B Default creating the right of the Special Limited Partner to remove the Class B Limited Partner pursuant to the provisions of this Section 8.5. Any transfer taxes that are triggered by the removal and the cost of any additional title insurance or title endorsements deemed to be necessary by the Special Limited Partner as a result of such removal shall be paid by the removed Class B Limited Partner. The resulting amount is referred to herein as the “Class B Removal Purchase Price.” Notwithstanding the foregoing, the Class B Removal Purchase Price shall not be less than zero.

E. In the event of the removal of the Class B Limited Partner pursuant to the provisions of this Section 8.5, any fees owed to the Class B Limited Partner or its Affiliates (including, without limitation, any unpaid Development Amount) for services performed prior to the Class B Removal Notice Date shall be part of the Class B Removal Purchase Price as
described above, provided, however, that (i) if any Adverse Consequences suffered by the Partnership or the Limited Partners exceed the Class B Removal Purchase Price as calculated pursuant to the provisions of Section 8.5D above, or (ii) there exist any unpaid obligations or liabilities of the Class B Limited Partner that relate to the period up to and including the effective date of the removal of the Class B Limited Partner, any such unpaid fees owed to the Class B Limited Partner or its Affiliates shall, to the extent of any such Adverse Consequences or obligations or liabilities, as the case may be, be treated as if they were paid to the Class B Limited Partner (or such Affiliates) and applied by the Class B Limited Partner (or such Affiliates) to the payment or satisfaction of such Adverse Consequences, obligations or liabilities, and, to the extent of such application, the obligation of the Partnership to make actual cash payments of such fees to the Class B Limited Partner (or such Affiliates) shall be reduced or eliminated, as the case may be.

F. The Appraised Value of the Property shall be determined as follows. As soon as practicable and in any event within ten (10) business days following the effective date of removal as specified in Section 8.5C above, the Class B Limited Partner and the Special Limited Partner shall select a mutually acceptable Independent Appraiser. In the event that the parties are unable to agree upon an Independent Appraiser within such ten (10) business day period, the Class B Limited Partner and the Special Limited Partner each shall select an Independent Appraiser. If either party fails to select an Independent Appraiser within the time period described above, the determination of the other Independent Appraiser shall control. If the difference between the Appraised Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Value set forth in the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two Independent Appraisers shall jointly select a third Independent Appraiser whose determination of Appraised Value shall be deemed to be binding on all parties as long as the third determination is between the other two (2) determinations. If the third (3rd) determination is either lower or higher than both of the other two (2) appraisers, then the average of all three (3) appraisers shall be the fair market value. The Partnership and the removed Class B Limited Partner shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this Section 8.5F.

G. In the event of the removal of the Class B Limited Partner pursuant to the provisions of this Section 8.5, any Class B Removal Purchase Price due to the Class B Limited Partner pursuant to the provisions of Section 8.5D above shall be payable from the first available proceeds of a Capital Transaction prior to any other distributions or payments to the Partners under Section 10.1B hereof except for those items listed in clauses First and Second of Section 10.1B.

H. Upon determination of the Class B Removal Purchase Price under the provisions of this Section 8.5, the Partnership and its remaining Partners shall be deemed to be completely released from all liability to such Class B Limited Partner and its Affiliates generally and to any others claiming by or through the Class B Limited Partner or its Affiliates to whom any distributions or loan, fee or other payments are to be made under Article X or otherwise, and the Class B Limited Partner shall be released from any and all obligations to the Partnership and the Partners which arise after the Class B Removal Notice Date. Concurrently with the
determination of the Class B Removal Purchase Price, the Class B Limited Partner shall provide
the Partnership, the successor Class B Limited Partner, if any, and the Investor Limited Partner
with additional written releases from the Class B Limited Partner (and any Affiliates to whom
obligations of any kind are owed by the Partnership, the successor Class B Limited Partner, if
any, the Limited Partners or any of their respective Affiliates) confirming such releases.

I. In the event that the Class B Limited Partner is removed pursuant to the
provisions of this Section 8.5, all agreements between the Partnership and the Class B Limited
Partner and/or its Affiliates shall be terminated and, except for payment of the Class B Removal
Purchase Price due to the Class B Limited (or such Affiliates), the Partnership shall have no
further obligations under such agreements. From and after the effective date of its removal, the
removed Class B Limited Partner shall not be liable for obligations of the Partnership incurred
subsequent to such effective date unless such obligations arise out of acts or omissions of the
Class B Limited Partner prior to such effective date. The removed Class B Limited Partner shall
continue to be liable for all obligations, liabilities, and guarantees incurred by it in its capacity as
the Class B Limited Partner and any Partnership obligations not listed in the prior year’s
financial statements or otherwise described in writing to the Special Limited Partner, and for any
Adverse Consequences caused by or arising out of its acts or omissions, prior to the effective
date of its removal. Without limiting the generality of the foregoing, and in addition to any of its
other obligations hereunder, the removed Class B Limited Partner shall continue to be liable for
any payments or advances due to the Limited Partners or the Partnership pursuant to the Capital
Contribution adjustment provisions of Article V as a result of any adjustments determined
thereunder, other than adjustments arising from a Recapture Event subsequent to the effective
date of the removal of the removed Class B Limited Partner.

J. The election by the Special Limited Partner to remove any Class B Limited
Partner pursuant to the provisions of this Section 8.5 shall not limit or restrict the availability and
use of any other remedy that the Special Limited Partner or the Investor Limited Partner may
have with respect to any Class B Limited Partner in connection with its undertakings and
responsibilities under this Agreement, and the exercise by the Special Limited Partner of the
rights granted to it in this Section 8.5 is understood by the parties hereto to be permitted by the
Uniform Act as the exercise of powers not constituting participation in the control of the
business so as to cause the Special Limited Partner (or the Investor Limited Partner) to be liable
for Partnership obligations as a general partner.

K. In the event that any Class B Limited Partner is removed pursuant to the
provisions of this Section 8.5, the removed Class B Limited Partner shall immediately deliver to
the Special Limited Partner all books, records, tax and financial information relating to the
Partnership and the Property that are in the possession or under its control of the Class B
Limited Partner or any of its Affiliates. The Class B Limited Partner agrees that if it fails to
comply with the provisions of this Section 8.5K, the Limited Partners may enforce such
provisions by specific performance, and no portion of the Class B Removal Purchase Price shall
be payable unless the provisions of this Section are fully and promptly complied with.

L. If any Class B Limited Partner fails to comply with any of its obligations under
this Section 8.5 or contests the right of the Special Limited Partner to exercise the removal or
other rights described in this Section 8.5, any costs and expenses incurred by the Limited
Partners in enforcing their rights in this Section 8.5, including, without limitation, legal fees and expenses, shall be paid by the Class B Limited Partner upon presentation of an itemized statement describing the same, which costs shall be deemed to be Adverse Consequences for purposes of this Section.

M. Notwithstanding the foregoing, in the event a bona fide dispute exists as to the occurrence of a Class B Default, the Class B Limited Partner shall have the right, within twenty (20) days of the Class B Removal Notice Date to submit the matter for non-binding mediation and then Arbitration in Dallas, Texas, in accordance with the rules of the American Arbitration Association, and if the arbitrator (the “Arbitrator”) finds that a Class B Default has occurred, the Class B Limited Partner agrees that the Class B Limited Partner will be removed as a Partner from the Partnership; provided, however, that (1) any finding by the Arbitrator shall not be final or binding; (2) the Class B Limited Partner or the Investor Limited Partner, as the case may be, shall have the right, only after the Class B Limited Partner has been removed pursuant to Section 8.5 of this Agreement, to challenge the Arbitrator’s finding in a court of competent jurisdiction; and (3) in no event shall the removal of the Class B Limited Partner be construed as a waiver of such right. In addition to the requirements set forth above, testimony during Arbitration shall be limited to three (3) days per party and the prevailing party shall be entitled to reimbursement for any attorney’s fees incurred in connection with such Arbitration.

ARTICLE IX

Loans; Mortgage Refinancing; Property Disposition

Section 9.1. General

A. The Partnership shall be authorized to obtain the Mortgage Loans to finance the acquisition, development and construction of the Property and (to the extent permitted by the Lender) shall secure the same by the Mortgages. Except as set forth in the Project Documents as they exist on the date of Investment Closing, each Mortgage shall provide that no Partner or Related Person shall bear the Economic Risk of Loss for all or any part of such Mortgage Loans except for nonrecourse carveouts and indemnification required under Section 3.8 and Article XII of the Bond Loan Agreement.

B. Subject to Section 6.1, the General Partners are specifically authorized, for and on behalf of the Partnership, to execute the Project Documents and any permitted amendments thereto and, subject to the limitations set forth herein, such other documents as they deem necessary or appropriate in connection with the acquisition, development, operation and financing of the Property.

C. All Partnership borrowings shall be subject to Section 6.1, this Article, the Project Documents and the Regulations. To the extent borrowings are permitted, they may be made from any source, including Partners and Affiliates. The Partnership may accept Development Advances as and when permitted pursuant to the Development Agreement, and may issue instruments evidencing Operating Expense Loans and Working Capital Loans.
D. If any Partner shall lend any monies to the Partnership, any such loan shall be unsecured and the amount of any such additional loan shall not be an increase of its Capital Contribution. Until such time as the General Partners and the Developer shall have performed fully their obligations to make Operating Expense Loans, Working Capital Loans and Development Advances, any loan from a General Partner or an Affiliate of a General Partner shall be an obligation of the Partnership to the Partner or Affiliate only if it constitutes an Operating Expense Loan, Working Capital Loan or Development Advance in accordance with the provisions of this Agreement or the Development Agreement, as applicable and shall be repayable as therein provided. Subject to the preceding sentence, any loans to the Partnership by a General Partner or an Affiliate of a General Partner may be made on such terms and conditions as may be agreed on by the Partnership, consistent with good business practices.

E. Subject to the provisions of this Agreement with respect to related party loans, a limited partner or member (which may include without limitation the Federal Home Loan Mortgage Corporation) in the Investor Limited Partner (such limited partner or member being referred to herein as a “Mortgagee Limited Partner”) at any time may make, guarantee, own acquire, or otherwise credit enhance, in whole or in part, a loan secured by a mortgage, deed of trust, trust deed, or other security instrument encumbering the Property owned by the Partnership (any such loan being referred to as a “Related Mortgage Loan”). Under no circumstances will a Mortgagee Limited Partner be considered to be acting on behalf or as an agent or the alter ego of the Investor Limited Partner. A Mortgagee Limited Partner may take any actions that the Mortgagee Limited Partner, in its discretion, determines to be advisable in connection with its Related Mortgage Loan (including in connection with the enforcement of its Related Mortgage Loan). Each Partner agrees, to the extent permitted by applicable law, that no Mortgagee Limited Partner owes the Partnership or any Partner any fiduciary duty or other duty or obligation whatsoever by virtue of such Mortgagee Limited Partner being a limited partner or member in the Investor Limited Partner. Neither the Partnership nor any Partner will make any claim against a Mortgagee Limited Partner, or against the Investor Limited Partner in which the Mortgagee Limited Partner is a partner or member, relating to a Related Mortgage Loan and alleging any breach of any fiduciary duty, duty of care, or other duty whatsoever to the Partnership or to any Partner based in any way upon the Mortgagee Limited Partner's status as a limited partner or member of the Investor Limited Partner. Notwithstanding any provision to the contrary in this Section 9.1E, the General Partners shall not obtain or consent to any Related Mortgage Loan unless (i) they have obtained the prior Consent of the Investor Limited Partner and (ii) they have determined, based on the financial projections prepared at the time of requesting such Consent and the advice of Investor Tax Counsel, that the Related Mortgage Loan will not result in any reallocation of Tax Credits or other tax benefits among the Partners.

F. Any debt or bond financing or any credit support, guarantee or other financial enhancement of indebtedness related to or for the benefit of the Partnership or the Project (collectively, “Financing”) shall require the consent of the Investor Limited Partner if Fannie Mae has any present involvement (or any contemplated future involvement pursuant to a commitment existing at such time) with or relationship to such Financing. The request for the Investor Limited Partner’s consent shall include the General Partners’ determination, based upon advice of the tax counsel or Accountants for the Partnership, that the Financing from Fannie Mae will not cause any reallocation or recapture of profits, losses, tax credits or other tax benefits of or among the Partners of the Partnership.
G. The General Partners shall take any action within their reasonable control necessary to remedy any reallocation or recapture of profits, losses, tax credits or other tax benefits of or among the Partners of the Partnership resulting from any Financing from Fannie Mae related to or for the benefit of the Partnership or the Project.

Section 9.2. Refinancing and Sale

The Partnership may not increase the amount of or otherwise materially modify any Mortgage Loan, obtain any new Mortgage Loan or refinance any Mortgage Loan (other than pursuant to and substantially in accordance with a Forward Commitment in existence at Investment Closing) including any required transfer or conveyance of Partnership assets for security or mortgage purposes, and may not sell, lease, exchange or otherwise transfer or convey all or substantially all the assets of the Partnership without the Consent of the Investor Limited Partner which Consent, after the Compliance Period, shall not be unreasonably withheld. Notwithstanding the foregoing, no such Consent shall be required for the leasing of apartments to tenants in the normal course of operations; provided, however, unless such Consent is obtained the Partnership shall lease the Project in such a manner as to qualify as a “qualified low-income housing project” under Section 42(g)(1) of the Code, and shall lease all of the Low Income Units to Qualified Tenants.

Section 9.3. Sales Commissions

In connection with the sale of the Property by the Partnership, no Person may receive real estate commissions in excess of that which is reasonable, customary, and competitive with those paid in similar transactions in the same geographic area. Real estate commissions may be paid to an Affiliate of the General Partners.

ARTICLE X

Profits, Losses and Distributions

Section 10.1. Distributions Prior to Dissolution

A. Distribution of Cash Flow. Subject to any Requisite Approvals, (i) net rental income generated through the Completion Date shall be includable in Designated Proceeds and shall be available to the Developer and the General Partners for the purposes and subject to the conditions set forth in the Development Agreement and Section 6.8D hereof, (ii) Cash Flow in respect of the period from the Completion Date through the first anniversary of the Completion Date shall be used to pay the Priority Distribution to the Investor Limited Partner, with any balance paid to the Developer as payment of the Deferred Development Fee, and (ii) Cash Flow for each Fiscal Year (or fractional portion thereof) after the first anniversary of the Completion Date shall be distributed, within ninety (90) days after the end of each Fiscal Year, in the following order of priority: First, to the Investor Limited Partner until the Investor Limited Partner has received distributions under this Section 10.1A (exclusive of distributions pursuant to Clause Second below) equal to the Cumulative Priority Distribution;
Second, to the Investor Limited Partner an amount equal to any theretofore unpaid Tax Credit Shortfall Payments;

Third, to the payment of any Deferred Development Fee and any accrued interest thereon; or to the payment to the General Partners of the Capital Contribution made by the General Partners under Section 4.1 hereof;

Fourth, to the repayment of any Operating Expense Loans or Working Capital Loans then outstanding; and

Fifth, 10% of the balance remaining after Clause Fourth above shall be distributed to the Investor Limited Partner;

Sixth, to the payment of the Incentive Management Fee;

Seventh, any balance shall be used as follows: 85% shall be paid to the Class B Limited Partner, 15% shall be distributed to the General Partner.

B. Distributions of Capital Transaction Proceeds

Prior to dissolution, if the General Partners shall determine that there are proceeds available for distribution from a Capital Transaction, such proceeds shall be applied and distributed as follows:

First, to discharge, to the extent required by any lender or creditor, the debts and obligations of the Partnership (other than items listed in the ensuing clauses of this Section 10.1B);

Second, to fund reserves for contingent liabilities to the extent deemed reasonable by the General Partner (other than items listed in the ensuing clauses of this Section 10.1B);

Third, to the repayment of any outstanding Deferred Development Fee and any interest accrued thereon; or to the payment to the General Partners of the Capital Contribution made by the General Partners under Section 4.1 hereof;

Fourth, to the payment of any outstanding Operating Expense Loans and any outstanding Working Capital Loans;

Fifth, to the Investor Limited Partner an amount equal to the excess (if any) of (i) the amount of the Cumulative Priority Distribution over (ii) the sum of (a) prior distributions under this Clause Fifth and (b) prior distributions under Clause First of Section 10.1A;

Sixth, to the Investor Limited Partner an amount equal to theretofore unpaid Tax Credit Shortfall Payments;

Seventh, $10,000 to the Special Limited Partner; and
Eighth, the balance of such proceeds, if any, shall be distributed 20% to
the Investor Limited Partner, 10% to the General Partner, and 70% to the Class B
Limited Partner.

C. **Sharing of Distributions**

All distributions to the respective classes of the Partners shall be shared by the members
of such classes in accordance with the percentages set forth opposite their respective names on
the Schedule, except as otherwise provided in this Agreement.

D. **Proceeds from Insurance**

Notwithstanding the provisions of Sections 10.1A or 10.1B, if the Partnership receives
proceeds from the Title Policy, an insurance policy, or as the result of a casualty or
condemnation after payment of debts and obligations of the Partnership, such proceeds shall be
applied and distributed as follows: first, pursuant to Section 10.1B First; second, pursuant to
Section 10.1B Second; third, to the payment to the Investor Limited Partner of an amount equal
to 100% of its Net Capital Contribution that has been contributed to date, less the value of the
Federal Tax Credits and losses taken and less any cash distributions received under Section
10.1A, and then pursuant to Section 10.1B beginning with Section 10.1B Third.

**Section 10.2. Distributions Upon Dissolution**

A. Upon dissolution and termination, after payment of, or adequate provision for, the
debts and obligations of the Partnership, the remaining assets of the Partnership shall be
distributed to the Partners in accordance with the positive balances in their Capital Accounts
after taking into account all Capital Account adjustments for the Partnership taxable year,
including adjustments to Capital Accounts pursuant to Sections 10.2B and 10.3B. Liquidation
distributions shall be made by the end of the taxable year in which the liquidation occurs or, if
later, within ninety (90) days after the date of liquidation. In the event that a General Partner or
Investor Limited Partner has a negative balance in its Capital Account following the liquidation
of the Partnership or its Interest after taking into account all Capital Account adjustments for the
Partnership taxable year in which the liquidation occurs, such General Partner shall pay to the
Partnership in cash an amount equal to the negative balance in its Capital Account. Such
payment shall be made by the end of such taxable year (or, if later, within ninety (90) days after
the date of such liquidation) and shall, upon liquidation of the Partnership, be paid to recourse
creditors of the Partnership or distributed to other Partners in accordance with the positive
balances in their Capital Accounts. Notwithstanding the foregoing, the obligation of the Investor
Limited Partner to contribute such deficit shall be zero unless and until it shall notify the
Partnership in writing of its election to have a different amount (the “Designated Amount”) apply,
which Designated Amount may be increased or reduced (subject to the provisions of the
following sentence) by similar written notice from the Investor Limited Partner at any
subsequent date. No such notice shall be effective with respect to any Fiscal Year unless the
same shall be given prior to the end of such Fiscal Year. No subsequent reduction to the
Designated Amount shall reduce the same below the Investor Limited Partner’s deficit balance in
its Capital Account (as such Capital Account is increased by the Investor Limited Partner’s share
of Partnership Minimum Gain) at the end of the Partnership’s immediately preceding tax year.
With respect to assets distributed in kind to the Partners in liquidation or otherwise, (i) any unrealized appreciation or unrealized depreciation in the values of such assets shall be deemed to be profits and losses realized by the Partnership immediately prior to the liquidation or other distribution event; and (ii) such profits and losses shall be allocated to the Partners in accordance with Section 10.3B, and any property so distributed shall be treated as a distribution of an amount in cash equal to the excess of such fair market value over the outstanding principal balance of and accrued interest on any debt by which the property is encumbered. For the purposes of this Section 10.2B, "unrealized appreciation" or "unrealized depreciation" shall mean the difference between the fair market value of such assets, taking into account the fair market value of the associated financing (but subject to Section 7701(g) of the Code), and the Partnership's adjusted basis for such assets as determined under Section 1.704-1(b). This Section 10.2B is merely intended to provide a rule for allocating unrealized gains and losses upon liquidation or other distribution event, and nothing contained in this Section 10.2B or elsewhere herein is intended to treat or cause such distributions to be treated as sales for value. The fair market value of such assets shall be determined by an appraiser to be selected by the General Partners with the Consent of the Investor Limited Partner.

Section 10.3. Profits, Losses and Tax Credits

A. Except as otherwise specifically provided in this Article X, for each Fiscal Year or portion thereof, profits, tax-exempt income, losses and non-deductible, non-capitalizable expenditures incurred and/or accrued by the Partnership, shall be allocated 0.01% to the General Partners, 0.01% to the Class B Limited Partner and 99.98% to the Investor Limited Partner.

B. Except as otherwise specifically provided in Section 10.4 or elsewhere in this Article X, all profits and losses arising from a Capital Transaction shall be allocated to the Partners as follows:

As to profits:

First, an amount of profit equal to the aggregate negative balances (if any) in the Capital Accounts of all Partners having negative balance Capital Accounts shall be allocated to such Partners in proportion to their negative Capital Account balances until all such Capital Accounts shall have zero balances; and

Second, an amount of profits shall be allocated to each of the Partners until the positive balance in the Capital Account of each Partner equals, as nearly as possible, the amount of cash which would be distributed to such Partner if the aggregate amount in the Capital Accounts of all Partners were cash available to be distributed in accordance with the provisions of Clauses Fifth through Eighth of Section 10.1B.

As to losses:

First, an amount of losses equal to the aggregate positive balances (if any) in the Capital Accounts of all Partners having positive balance Capital Accounts shall be allocated to such Partners in proportion to their positive Capital Account balances until all such Capital Accounts shall have zero balances; provided,
that if the amount of losses so to be allocated is less than the sum of the positive balances in the Capital Accounts of those Partners having positive balances in their Capital Accounts, then such losses shall be allocated to the Partners in such proportions and in such amounts so that the Capital Account balances of each Partner shall equal, as nearly as possible, the amount such Partner would receive if an amount equal to the excess of (a) the sum of all Partners' balances in their Capital Accounts computed prior to the allocation of losses under this clause First over (b) the aggregate amount of losses to be allocated to the Partners pursuant to this clause First were distributed to the Partners in accordance with the provisions of Fifth through Eighth of Section 10.1B; and

Second, the balance, if any, of such losses shall be allocated 0.01% to the General Partners, 0.01% to the Class B Limited Partner, and 99.98% to the Investor Limited Partner.

C. If the Partnership (i) incurs recourse obligations or Partner Nonrecourse Debt (including without limitation Operating Expense Loans), (ii) accepts Special Capital Contributions pursuant to Section 6.9 or (iii) incurs losses from extraordinary events which are not recovered from insurance or otherwise (the items referred to in clauses (i), (ii) and (iii) being hereinafter referred to collectively as the “Section 10.3C Items”) in respect of any Partnership taxable year, then the calculation and allocation of profits and losses shall be adjusted as follows: first, an amount of deductions (consisting of operating expenses and not cost recovery deductions) attributable to the Section 10.3C Items shall be allocated to the General Partners; and second, the balance of such deductions shall be allocated as provided in Section 10.3A. For purposes of this Section 10.3C, extraordinary events includes casualty losses, losses resulting from liability to third parties for tortious injury, losses resulting from a breach of a legal duty by the Partnership or by the General Partners, and deductions resulting from other liabilities which are not incurred in the ordinary course of business. Nothing in this Section 10.3C shall prevent the Partnership from recovering an extraordinary loss from a General Partner who is liable therefor by law or under this Agreement.

D. If any Section 10.3C Items shall be repaid from cash generated in respect of any Fiscal Year, then the allocation of profits and losses under Section 10.3A for such Fiscal Year shall be adjusted as follows: first, the General Partners shall be allocated an amount of the gross income of the Partnership equal to the lesser of (i) the amount of items of loss or expense previously allocated to the General Partners under Section 10.3C and not previously offset by allocations of gross income under this Section 10.3D or items thereof and (ii) the amount of the Section 10.3C Items repaid in F-I-youń and second, all remaining gross income and all expenses shall be allocated as provided in Section 10.3A. Nothing in this Section 10.3D shall be construed to authorize the return of Special Capital Contributions. This section shall be applied in conjunction with Section 10.4B to avoid the double allocation of gain under such sections when Operating Expense Loans are repaid.

E. Notwithstanding the foregoing provisions of Sections 10.3.A and 10.3.B, in no event shall any losses be allocated to a Limited Partner if and to the extent that such allocation would cause, as of the end of the Partnership taxable year, the negative balance in such Limited
Partner's Capital Account to exceed such Limited Partner's share of Partnership Minimum Gain plus such Limited Partner's share of Partner Nonrecourse Debt Minimum Gain plus the amount if any, of such Limited Partner's Designated Amount (as specified in accordance with Section 10.2A). Any losses which are not allocated to the Limited Partners by virtue of the application of this Section 10.3E shall be allocated as required under Treasury Regulation Section 1.704-1(b). For purposes of this Section 10.3E, a Partner's Capital Account shall be treated as reduced by Qualified Income Offset Items.

F. The terms “profits” and “losses” used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering into the computation thereof, as determined in accordance with the accounting methods followed by the Partnership and computed in a manner consistent with Treasury Regulation Section 1.704-1(b)(2)(iv). Profits and losses for federal income tax purposes shall be allocated in the same manner as profits and losses under Section 10.3 except as provided in Section 10.5B.

G. Tax credits under Section 42 of the Code shall be allocated among the Partners in the same manner as the deductions attributable to the expenditures creating the tax credit are allocated among the Partners in accordance with Treasury Regulation Section 1.704-1(b)(4)(ii).

Section 10.4. Minimum Gain Chargebacks and Qualified Income Offset

A. If there is a net decrease in Partnership Minimum Gain during a Partnership taxable year, each Partner will be allocated items of income and gain for such year (and, if necessary, subsequent years) in the proportion to, and to the extent of, an amount equal to such Partner's share of the net decrease in Partnership Minimum Gain during the year. A Partner is not subject to this Partnership Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(f) under Section 704 of the Code.

B. If there is a net decrease in Partner Nonrecourse Debt Minimum Gain during a Partnership taxable year, then each Partner with a share of the minimum gain attributable to such debt at the beginning of such year will be allocated items of income and gain for such year (and, if necessary, subsequent years) in proportion to, and to the extent of, an amount equal to such Partner's share of the net decrease in Partner Nonrecourse Debt Minimum Gain during the year. A Partner is not subject to this Partner Nonrecourse Debt Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(i)(4)(4) applied consistently with Treasury Regulation Section 1.704-2(i)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(i)(4) under Section 704 of the Code.

C. If a Limited Partner unexpectedly receives in any taxable year (1) any adjustments, allocations or distributions described in Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) or (2) a distribution, and such adjustment, allocation and/or distribution would cause the negative balance in such Partner's Capital Account to exceed (i) such Partner's share of Partnership Minimum Gain plus (ii) such Partner's share of Partner Nonrecourse Debt Minimum Gain and (iii) the amount of such Partner's obligation, if any, to
restore a deficit balance in his Capital Account, then such Partner shall be allocated items of income and gain in an amount and manner sufficient to eliminate such negative balance as quickly as possible. For purposes of this Section 10.4C, a Partner's Capital Account shall be treated as reduced by Qualified Income Offset Items.

Section 10.5. Special Provisions

A. Except as otherwise provided in this Agreement, all profits, losses, credits and distributions shared by the respective classes composed of the Special Limited Partner and the General Partners shall be allocated among the members of such class in accordance with the percentages set forth opposite their respective names in the Schedule. Subject to the provisions of Section 13.8, the Investor Limited Partner and Special Limited Partner each shall be deemed to have been admitted to the Partnership as of the first day of the month during which its actual admission occurs for purposes of allocating profits and losses.

B. Income, gain, loss and deduction with respect to property which has a variation between its basis computed in accordance with Treasury Regulation Section 1.704-1(b) and its basis computed for federal income tax purposes shall be shared among the Partners for tax purposes so as to take account of such variation in a manner consistent with the principles of Section 704(c) of the Code and Treasury Regulation Sections 1.704-1(b)(2)(iv)(g) and 1.704-3.

C. If the Partnership shall receive any purchase money indebtedness in partial payment of the purchase price of the Project and such indebtedness is distributed to the Partners pursuant to the provisions of Section 10.1B or Section 10.2, the distributions of the cash portion of such purchase price and the principal amount of such purchase money indebtedness hereunder shall be allocated among the Partners in the following manner: On the basis of the sum of the principal amount of the purchase money indebtedness and cash payments received on the sale (net of amounts required to pay Partnership obligations and fund reasonable reserves), there shall be calculated the percentage of the total net proceeds distributable to each class of Partners based on Section 10.1B or Section 10.2, as applicable, treating cash payments and purchase money indebtedness principal interchangeably for this purpose, and the respective classes shall receive such respective percentages of the net cash purchase price and purchase money principal. Payments on such purchase money indebtedness retained by the Partnership shall be distributed in accordance with the respective portions of principal allocated to the respective classes of Partners in accordance with the preceding sentence, and if any such purchase money indebtedness shall be sold, the sale proceeds shall be allocated in the same proportion.

D. In the event that any fee payable to any General Partner or any Affiliate shall instead be determined to be a non-deductible, non-capitalizable distribution from the Partnership to a Partner for federal income tax purposes, then there shall be allocated to such General Partner an amount of gross income equal to the amount of such distribution.

E. Notwithstanding any provision to the contrary in this Article X, funds of the Partnership constituting Designated Proceeds shall be applied to pay Development Costs and the Development Amount in accordance with the provisions of this Agreement, the Development Agreement and the Project Documents.
F. In applying the provisions of this Article X with respect to distributions and allocations, the following ordering of priorities shall apply:

Capital Accounts shall be deemed to be reduced by Qualified Income Offset Items.

Capital Accounts shall be reduced by distributions of Cash Flow under Section 10.1A.

Capital Accounts shall be reduced by distributions from Capital Transactions under Section 10.1B.

Capital Accounts shall be increased by any minimum gain chargeback under Section 10.4A or 10.4B.

Capital Accounts shall be increased by any qualified income offset under Section 10.4C.

Capital Accounts shall be increased by allocations of profits under Section 10.3A.

Capital Accounts shall be reduced by allocations of losses under Section 10.3A.

Capital Accounts shall be reduced by allocations of losses under Section 10.3B.

Capital Accounts shall be increased by allocations of profits under Section 10.3B.

G. For purposes of determining each Partner's proportionate share of excess Partnership Nonrecourse Liabilities pursuant to Treasury Regulation Section 1.752-3(a)(3), the Investor Limited Partner shall be deemed to have a 99.98% interest in profits of the Partnership, the Class B Limited Partner shall be deemed to have a 0.01% interest in profits of the Partnership, and the General Partners shall be deemed to have a 0.01% interest in profits of the Partnership.

H. To the maximum extent permitted under the Code, allocations of profits and losses shall be modified so that the Partners' Capital Accounts reflect the amount they would have reflected if adjustments required by Section 10.4 had not occurred. Furthermore, if for any Fiscal Year the application of the provisions of Section 10.4 would cause a distortion in the economic sharing arrangement among the Partners and it is not expected that the Partnership will have sufficient other income to correct that distortion, the General Partners may request a waiver from the Service of the application in whole or in part of Section 10.4 in accordance with Treasury Regulation Section 1.704-2(f)(4). Notwithstanding any provision to the contrary in this Section 10.5H, depreciation deductions shall in all events be allocated 99.98% to the Investor Limited Partner, 0.01% to the General Partners, and 0.01% to the Class B Limited Partner.

I. To the extent that interest on obligations to any General Partner or its Affiliates is determined to be deductible by the Partnership in excess of the stated amount of interest payable thereunder, the corresponding additional interest deduction shall be allocated solely to such General Partner.

J. Any interest income earned by the Partnership on any and all reserve, escrow or other accounts prior to the Completion Date shall be specially allocated to the General Partner.
K. Nonrecourse deductions as defined in Treasury Regulation Section 1.704-2(b)(1) for any Fiscal Year shall be allocated 99.98% to the Investor Limited Partner, 0.01% to the Class B Limited Partner, and 0.01% to the General Partners.

L. Any partner nonrecourse deductions as determined under Treasury Regulation Sections 1.704-2(i)(2) and 1.704-2(k) with respect to Partner Nonrecourse Debt for any Fiscal Year shall be specially allocated to the Partner or Partners that bear the Economic Risk of Loss with respect to the Partner Nonrecourse Debt to which such deductions are attributable in accordance with Treasury Regulation Section 1.704-2(b)(4) and 1.704-2(i).

M. The Partnership and its Partners shall be permitted to disclose to any and all Persons, without limitation of any kind, the tax treatment and tax structure (as defined in Treasury Regulation Section 1.6011-4(c)) of the transaction contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) relating to such tax treatment and tax structure.

**ARTICLE XI**

**Management Agent**

Section 11.1. Management Agent

The General Partners shall have responsibility for obtaining a Management Agent acceptable to the Investor Limited Partner and each Lender and Governmental Agency to manage the Project in accordance with the requirements of each Lender and Governmental Agency. The General Partners shall cause the Partnership to enter into the Management Agreement with the Management Agent, which may be an Affiliate of a General Partner; provided, however, that in the event that the Management Agreement is with an Affiliate of a General Partner, the Management Agreement shall provide that the Management Agent shall be removed and the Management Agreement shall be terminated if the General Partner is removed pursuant to this Agreement. The initial Management Agent shall be Alpha-Barnes Real Estate Services. Subject to the Regulations, the Management Agent shall be entitled to receive a reasonable and competitive Management Fee (determined by reference to arm's-length property management arrangements for comparable properties in force in the general locality of the Project) initially of the lesser of 3.5% of gross rental income or the maximum amount permitted by any relevant Governmental Agency or Lender. Notwithstanding the foregoing however, the General Partner in its reasonable discretion and upon its determination that project revenues are sufficient to support the payment of a higher Management Fee may increase such Management Fee to an amount which will not exceed the lesser of 5% of gross rental income or the maximum amount permitted by any relevant Governmental Agency or Lender.

If at any time after the Completion Date:

(i) the Project shall be subject to any substantial building code violation which shall not have been cured within ninety (90) days after notice from the applicable Governmental Agency or department or unless such violation is being validly contested by the General Partners by proceedings which operate
to prevent any fines or criminal penalties from being levied against the Partnership or unless, in the case of any such violation not susceptible of cure within such ninety (90)-day period, the General Partners are diligently making reasonable efforts to cure the same,

(ii) operating revenues of the Project in respect of any period of twenty-four (24) consecutive calendar months after the Completion Date shall be insufficient to permit the Partnership to pay when due on a current basis all Partnership obligations in respect of such twenty-four (24)-month period,

(iii) the Project ceases to qualify as a "qualified low-income housing project" under Section 42(g) of the Code or any Low Income Unit in the Project ceases to qualify as a "low income unit" under Section 42(i)(3) of the Code,

(iv) a Recapture Event shall have occurred, or

(v) the Management Agent or its agents or employees have demonstrated incompetence or malfeasance in the management of the Project, or

(vi) the Special Limited Partner has elected to remove a General Partner that is an Affiliate of the Management Agent pursuant to the provisions of Section 7.7,

then the General Partners shall forthwith give to the Special Limited Partner notice of such event, (a "Management Default Notice") and thereafter the Partnership shall, subject to any Requisite Approvals, forthwith terminate its management agreement with the Management Agent, unless the approval of the Special Limited Partner is obtained to the retention of the Management Agent. Upon any termination, the General Partners shall immediately proceed to select a qualified Person as the new Management Agent (which, in the event the terminated Management Agent was an Affiliate of a General Partner, shall be unaffiliated with any General Partner) as the new Management Agent for the Property, which selection shall be subject to the Consent of the Investor Limited Partner and any Requisite Approvals; and, after such selection, no Management Fee shall be payable to any Person which is an Affiliate of a General Partner unless the management contract with any such Person shall provide for the right of the Partnership to terminate the same upon the occurrence of the circumstance described in this Article XI. By its execution hereof, the Management Agent agrees that the provisions of this Section which limit the amount of the Management Fee and provide for the termination of the Management Agent under the circumstances herein described are hereby incorporated into any present or future Management Agreement (which shall be deemed amended hereby to the extent necessary to give effect to such provisions).

Section 11.2. Special Power of Attorney

If an event described in clauses (i) through (vi) of Section 11.1 above occurs and the General Partner fails to send a Management Default Notice to the Special Limited Partner within the ten (10) days of the date the General Partner became aware of such event, the Special Limited Partner hereby is granted an irrevocable power of attorney, coupled with an interest, to
take such action, and to execute and deliver such documents on behalf of the Partners and the Partnership, as shall be legally necessary and sufficient to effect the provisions of this Article XI.

ARTICLE XII

Books and Reporting, Accounting, Tax Election, Etc

Section 12.1. Books, Records and Reporting

A. The General Partners shall keep or cause to be kept a complete and accurate set of books and supporting documentation with respect to the Partnership's business. The books of the Partnership shall be kept on the accrual basis. The books and records of the Partnership (including all records required to be maintained under the Uniform Act) shall at all times be maintained at the offices of the Developer until the Completion Date, and thereafter at the principal office of the Partnership. Each Partner, its duly authorized representatives and any regulatory authority which regulates such Partner shall have the right to examine the books of the Partnership and all other records and information concerning the Partnership and the Project at reasonable times. The books and records of the Partnership shall include, without limitation, copies of the following: (i) the Partnership's federal, state and local income tax or information returns and reports, if any, and all related back-up documentation for ten (10) years from the date of production and (ii) financial statements of the Partnership for ten (10) years from the date of production.

B. The books of the Partnership shall be examined by the Accountants in accordance with generally accepted auditing standards annually as of the end of each Fiscal Year of the Partnership. The General Partners shall prepare a balance sheet as of the end of each such year and statements of income, partners' equity and cash flows for such year. Said balance sheet and statements shall be accompanied by the opinion of the Accountants that said balance sheet and statements have been prepared in accordance with generally accepted accounting principles applied consistently with prior periods identifying any matters to which the Accountants take exception and stating, to the extent practicable, the effect of each such exception on such financial statements. As a note to such financial statements, the General Partners shall prepare a schedule of all loans to the Partnership (to be reviewed by the Accountants), setting forth the purpose of such loan and Section of this Agreement or the Development Agreement under which such loan was obtained. Such schedule shall demonstrate that loans have been made, used, carried on the books of the Partnership (and repaid, if applicable) in accordance with the provisions of this Agreement and the Development Agreement. In addition, after the first year in which the Accountants examine the financial statements of the Partnership after completion of the Project, the depreciation schedule for that year and all future years, along with the depreciation worksheet, shall be prepared by the General Partners, reviewed by the Accountants and furnished to the Investor Limited Partner. The General Partners shall, promptly upon receipt of such balance sheet and statements and in any event within sixty (60) days after the end of each Fiscal Year, transmit to the Investor Limited Partner a copy thereof. The Accountants shall also review and sign the federal and state income tax returns of the Partnership. In connection with the preparation of such tax returns, the General Partners shall seek and obtain the advice of the Special Limited Partner with respect to material allocations of assets for cost recovery purposes. The General Partners shall complete the books of the Partnership in such time as will allow the
Accountants to complete such tax returns within forty-five (45) days after the end of such Fiscal Year. The General Partners shall cause such tax returns to be filed within such time periods and shall immediately upon the filing thereof transmit to the Investor Limited Partner a copy of Schedule K-1. If the General Partners fail to complete such tax returns and to transmit such Schedule K-1 to the Investor Limited Partner within such time periods, shall fail to transmit the annual balance sheet and financial statements to the Investor Limited Partner within the time period set forth above or shall fail to deliver any of the information required by Section 12.1E within twenty (20) days after the end of any applicable quarter of the Partnership’s Fiscal Year, the General Partners shall pay as damages the sum of $250 per day (plus interest at the Designated Prime Rate plus 3% per annum) to the Investor Limited Partner until such Schedule K-1, and financial statements and information required pursuant to Section 12.1E are received by the Investor Limited Partner. Such damages shall be paid forthwith by the General Partners and failure to so pay shall constitute a default of the General Partners under Section 6.3C. In addition, if the General Partners fail to so pay, the Investor Limited Partner may deduct any unpaid damages from any portion of its Capital Contribution not yet paid, or if such Capital Contribution has been fully paid then the General Partners and their Affiliates shall forthwith cease to be entitled to any Cash Flow or to the payment of any fees which are payable from Cash Flow as provided in Section 10.1A (“Cash Flow Fees”). Such payments of Cash Flow and Cash Flow Fees shall only be restored upon the payment of such damages in full and any amount of such damages not so paid shall be deducted against payments of the Cash Flow and Cash Flow Fees otherwise due to the General Partners or their Affiliates.

Such reports and estimates shall clearly indicate the methods under which they were prepared and shall be made at the expense of the Partnership.

C. If the General Partners fail to complete such tax returns and submit such Schedules K-1 on a timely basis, the Investor Limited Partner may select a firm of accountants who shall prepare such returns and Forms K-1. The General Partners shall immediately furnish all necessary documentation and other information to prepare such tax returns and such Schedules K-1 to such accountants.

D. Every Limited Partner shall at all times have access to the records of the Partnership and may inspect and copy any of them. A list of the names and addresses of all of the Limited Partners shall be maintained as part of the books and records of the Partnership and shall be mailed to any Limited Partner upon request. A reasonable charge for copy work may be charged by the Partnership. Within a reasonable time following receipt of a written direction from the Investor Limited Partner, the General Partners shall furnish copies of information or reports required to be maintained or prepared pursuant to this Article XII to members or limited partners of the Investor Limited Partner. Any such direction shall specifically identify the information or reports requested and the name and address of each member or limited partner of the Investor Limited Partner to receive the same.

E. Within fifteen (15) days following the end of each of the first three (3) quarters of each Fiscal Year (and, if and to the extent specifically requested in writing by the Investor Limited Partner, within twenty (20) days following the end of such Fiscal Year), the Managing General Partner shall send to each Person who was a Limited Partner at any time during such quarter one or more reports which, taken together, provide the following information (which
need not be audited): (i) a balance sheet as at the end of such quarter; (ii) a statement of income for such quarter on the cash as well as accrual bases; (iii) a statement of cash available for distribution and reserves for such quarter; (iv) a statement describing (a) any new agreement, contract or arrangement between the Partnership and a General Partner or an Affiliate of a General Partner except for payroll and related benefits paid to the Management Company, (b) the amount of all fees and other compensation and distributions and reimbursed expenses paid by the Partnership for the quarter to any General Partner or Affiliate of a General Partner, and (c) the amount of all distributions of Cash Flow and Capital Transaction proceeds made to Partners; and (v) a report of the significant activities of the Partnership during the fiscal quarter. Each quarterly report shall also contain a certification by the General Partner that the Partnership or the General Partner has not received any notice or has been cited by or otherwise warned in writing of any “Violation” (as hereinafter defined) by any Governmental Agency, which Violation could have a materially adverse impact on any of them. For purposes of this certification, a Violation shall mean any act or omission complained of which, if uncured, would be in violation of (a) any applicable statute, code, ordinance, rule or regulation, (b) any agreement or instrument to which the Governmental Agency and the Partnership or the General Partner is a party or to which the Project is subject, (c) any license or permit, or (d) any judgment, decree or order of a court. Any exceptions to the foregoing shall be described in such certification. In addition, if requested by the Investor Limited Partner in writing, within a reasonable time after receipt of such a request, each General Partner shall send to the Investor Limited Partner such recent financial statements (including a balance sheet and statement of income) as shall have been so requested.

F. The General Partners shall provide the Investor Limited Partner and the Class B Limited Partner with (i) a copy of each draw request for construction or development costs as such requests are made to the Lender; (ii) a copy of each inspection report, evaluation or similar report issued to the Partnership by any Governmental Agency or Lender (including without limitation any REAC inspection reports, if applicable) promptly upon receipt thereof; (iii) a copy of each low-income housing tax credit compliance report delivered to or prepared by the applicable tax credit monitoring agency or agencies with respect to the Project; (iv) prompt notice of any casualty or other significant adverse event relating to the Partnership; (v) evidence of insurance, (vi) at least annually, a schedule setting forth the adjustments necessary, if any, to state the income of the Partnership using the longer depreciable lives available under generally accepted accounting principles (rather than the depreciable lives used for federal income tax purposes), and (vii) such other information as the Investor Limited Partner may specifically request from time to time with regard to the business or operations of the Partnership. The General Partner shall authorize the Developer to execute draw requests on behalf of the Partnership.

G. By the fifteenth (15th) day of each month prior to the Development Obligation Date, the Class B Limited Partner shall provide the Investor Limited Partner with a brief written summary of the status of the construction, development, lease-up and operations of the Project during the prior month.

H. An annual pro forma operating budget for the succeeding calendar year shall be prepared by the General Partners and furnished to the Investor Limited Partner by November 30 of each year. In addition, the General Partners shall prepare and furnish to the Investor Limited
Partner an estimate of the profits and losses of the Partnership for federal income tax purposes for the current Fiscal Year not later than September 30 of each year.

I. Within thirty (30) days following the close of the first year of the Credit Period with respect to the Project, the Class B Limited Partner shall provide the Investor Limited Partner with a copy (in electronic form, if feasible) of all records establishing the qualification of tenants under Section 42 of the Code.

J. The General Partners shall furnish to the Investor Limited Partner a radon gas test measurement report and conclusion (a “Radon Report”) for each Building upon completion of construction or rehabilitation thereof, unless the Project is located in a county in the lowest risk EPA radon map Zone 3. The Radon Report must come from a radon service professional who (i) meets state-specific requirements, if any, for providing such Radon Reports, and (ii) has a proficiency listing, accreditation or certification in radon test measurement from either (a) The National Environmental Health Association (“NEHA”) National Radon Proficiency Program or (b) The National Radon Safety Board (“NRSB”). Alternatively, a Radon Report from an environmental professional who lacks such a proficiency listing, accreditation or certification from NEHA or NRSB may be acceptable if it follows state-specific requirements and EPA recommendations and protocols set forth in the following EPA publications: Protocols for Radon and Radon Decay Product Measurements in Homes (EPA 402-R-93-003, June, 1993) and the Indoor Radon and Radon Decay Product Measurement Device Protocols (EPA 402-R-92-004, July, 1992), which protocols are summarized at www.airchek.com. If the Radon Report demonstrates that the radon gas level for a Building exceeds the EPA standard for radon action or remediation then in effect, the General Partners shall install a radon mitigation system or take other recommended mitigation measures and shall provide a follow-up Radon Report to confirm effectiveness.

K. The General Partners will notify the Partners of any "reportable transaction" under Treasury Regulation Section 1.6011-4 in which the Partnership shall engage.

Section 12.2. Bank Accounts

Subject to any Requisite Approvals, the bank accounts of the Partnership shall be maintained in such banking institutions as the General Partners shall determine and withdrawals shall be made only in the regular course of Partnership business on the signature of the Managing General Partner. All deposits and other funds not needed in the operation of the business shall be deposited, to the extent permitted by the Lender and the Governmental Agency, in interest-bearing accounts or invested in short-term United States Government obligations maturing within one (1) year.

Section 12.3. Elections

Unless the Consent of the Investor Limited Partner is obtained permitting a different treatment, and except to the extent otherwise required by Section 168(g)(1)(B) of the Code, the Partnership shall depreciate its residential rental property, site improvements and personal property costs, respectively, over twenty-seven and a half (27.5) years, fifteen (15) years and seven (7) years for federal income tax purposes and over forty (40) years, twenty (20) years and
ten (10) years (or over such other relevant useful lives as the Accountants shall deem appropriate) for financial accounting purposes. Subject to the provisions of Section 12.4, all other elections required or permitted to be made by the Partnership under the Code shall be made by the General Partners in such manner as they consider to be most advantageous to the Limited Partners.

Section 12.4. Special Adjustments

In the event of (i) a transfer of all or any part of any Interest or (ii) an election pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) is made by the Investor Limited Partner, the Partnership shall elect, if requested by the transferee or by the Investor Limited Partner (as the case may be), pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) to adjust the basis of Partnership assets. Notwithstanding anything to the contrary contained in Article X, any adjustments made pursuant to said Section 754 shall affect only the successor in interest to the transferring Partner. Each Partner will furnish the Partnership with all information necessary to give effect to such election.

Section 12.5. Fiscal Year

The Fiscal Year of the Partnership shall be the calendar year unless a different year is required by the Code.

ARTICLE XIII

Section 13.2. Word Meanings

The words such as "herein," "hereinafter," "hereof," and "hereunder" refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires. The singular shall include the plural and the masculine gender shall include the feminine and neuter, and vice versa, unless the context otherwise requires. Any references to "Sections" or "Articles" are to Sections or Articles of this Agreement, unless reference is expressly made to a different document.

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement. Subject to the preceding sentence and except with regard to the Fleet Pledge, none of the provisions of this Agreement shall be for the benefit of any lender or any other Person who is not a Partner.

Section 13.4. Applicable Law

This Agreement shall be construed and enforced in accordance with the internal laws of the State.

Section 13.5. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 13.6. Paragraph Titles

Paragraph titles and any table of contents herein are for descriptive purposes only, and shall not affect the meaning of this Agreement as set forth in the text.

Section 13.7. Separability of Provisions; Rights and Remedies; Arbitration

A. Each provision of this Agreement shall be considered separable and (i) if for any reason any provisions herein are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid, or (ii) if for any reason any provisions herein would cause the Limited Partners to be bound by the obligations of the Partnership under the laws of the State as the same may now or hereafter exist, such provisions shall be deemed void and of no effect.

B. Each of the parties hereto irrevocably waives during the term of the Partnership (including any periods during which the business of the Partnership is required to be continued under Article VII) any right (i) that such party may have to maintain any action for partition with respect to the property of the Partnership, and (ii) to commence an action seeking dissolution of the Partnership (unless the Consent of the Investor Limited Partner has been obtained).
C. The rights and remedies of any of the parties hereunder shall not be mutually exclusive, and the exercise of one or more of the provisions hereof shall not preclude the exercise of any other provisions hereof. Each of the parties confirms that damages at law may be an inadequate remedy for breach or threat of breach of any provisions hereof. The respective rights and obligations hereunder shall be enforceable by specific performance, injunction, or other equitable remedy, but nothing herein contained is intended to limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other parties for a breach or threat of breach of any provision hereof, it being the intention that the respective rights and obligations of the Partners shall be enforceable in equity as well as at law or otherwise.

D. In any instance in which any matter is to be determined by arbitration, such matter shall be submitted in the manner provided under the Commercial Arbitration Rules of the American Arbitration Association then in effect; such arbitration shall be conducted before one arbitrator, chosen in accordance with such rules in Dallas, Texas, and shall be binding on all parties to the dispute; judgment on the award of such arbitrator may be rendered by any court having jurisdiction of such parties and the subject matter. The expense of such arbitration shall be borne equally by the parties thereto, except that each party shall bear the cost of its legal counsel.

E. Each Partner and each Guarantor irrevocably:

(i) agrees that any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby shall be brought in the courts of record of Denton County of the State of Texas or the courts of the United States located in San Antonio, Texas;

(ii) consents to the jurisdiction of each such court in any such suit, action or proceeding;

(iii) waives any objection which he may have to the laying of venue of any such suit, action or proceeding in any of such courts; and

(iv) waives its right to a jury trial with respect to any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby.

Section 13.8. Effective Date of Admission

Any Partner admitted to the Partnership during any calendar month shall be deemed to have been admitted as of the first day of such calendar month for all purposes of this Agreement including the allocation of profits, losses and credits under Article X; provided, however, that if regulations are issued by the Service or an amendment to the Code is adopted which would require, in the opinion of the Accountants, that a Partner be deemed admitted on a date other than as of the first day of such month, then the General Partners shall select a permitted admission date which is most favorable to the Partner.
Section 13.9. **Delivery of Certificate**

Promptly upon the filing of the Certificate and each amendment thereto in the appropriate filing office, the General Partners shall deliver or mail a copy thereof to each Limited Partner.

Section 13.10. **Additional Information**

At the request of the Investor Limited Partner, the General Partners shall furnish to the Investor Limited Partner: (i) plans and specifications for the Project; (ii) manuals, booklets and other documents describing the location and operation of all systems within the Project, including without limitation heating, air conditioning, elevator, electrical and plumbing systems; (iii) a list and copies of all agreements concerning the maintenance, operation and management of the Project; and (iv) such other information regarding the Partnership, the Project or the Related Agreements as the Investor Limited Partner may reasonably request.

Section 13.11. **Further Documents and Actions**

The Partners agree that they shall, from time to time, execute and deliver such further documents and do such further actions and things as may be reasonably requested by any other such party in order to effect fully the purposes of this Agreement and each other agreement or instrument identified on the Document Schedule.

Section 13.12. **Brokers or Finders**

The parties hereto agree that no broker or finder has any claim for commissions or fees in connection with the transaction embodied herein. The General Partners shall jointly and severally indemnify the Limited Partners against any brokers' or finders' fees or commissions claimed through the General Partners or their Affiliates in connection with the transactions contemplated hereby, including without limitation fees or commissions claimed by any syndicator or consultant engaged by the General Partners or any of their Affiliates. Fees payable to MMA are not covered hereby.

Section 13.13. **Amendment**

This Agreement may only be amended in writing signed by the General Partner, the Investor Limited Partner, the Special Limited Partner, and the Class B Limited Partner (with a copy to the Servicing Agent). All parties agree that no oral agreements or course of conduct of the parties shall be deemed to be an amendment to this Agreement unless in writing signed as described above. So long as the Fleet Pledge is outstanding, any amendment of those provisions herein of which Fleet, as Agent, is a third party beneficiary, or any other amendment to any other provision herein which would materially affect Fleet's rights and priorities as Agent under the Fleet Pledge, shall require the prior written consent of Fleet. Fleet, as Agent, is an intended third party beneficiary of this section.
IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed under seal as of the day and year first above written.

Insurance Requirements

I. General Insurance Requirements

The following are construction period and permanent insurance requirements. This outline describes the minimum types and amounts of insurance that are satisfactory to the Special Limited Partner:

i. Partnership’s Commercial General Liability Insurance (Bodily Injury and Property Damage);

ii. During the construction period, a special form, Builder’s Risk policy (written on a completed value form with an agreed value endorsement) and, thereafter, Partnership’s Property Insurance;

iii. Partnership’s Automobiles/Hired and Non-Owned Liability Insurance;

iv. Insurance for boiler and machinery (if applicable), in the amount of full replacement cost. To be written on a comprehensive form, and to include loss of rents with a maximum of “24 hour” deductible with a mechanical breakdown endorsement;

v. Insurance for flood if project is located within a 100-year flood plain (FEMA Flood Zone “A” – or any sub-designation of Zone “A”). Policies must be obtained through the National Flood Insurance Plan (NFIP) in an amount equal to the full replacement cost or, if that is not available, the maximum amount of insurance available under the NFIP with a deductible not to exceed 2% of the total insured value per building. An excess Flood or Difference in Conditions (DIC) policy should provide for the difference, if any, between the maximum limit provided by NFIP policies and the full insurable value. Flood policies must be in full effect for both the construction and permanent phases;

vi. If the project is located in Seismic Zones 3 or 4, a Seismic Report must be completed to determine Probable Maximum Loss (PML). If the PML is shown to have an expected seismic damage ratio of less than 20%, then earthquake coverage may be waived. If earthquake coverage is required, it must be in full effect for both construction and permanent phases in the amount not less than full insurable value;

vii. Windstorm is a generally accepted exclusion from “All-Risk” insurance policies, provided that a separate policy is obtained for that exclusion. The wind policy must include business income/rents loss coverage for a minimum of 12 months;

Re: Lewisville Senior Community, L.P., a Texas limited partnership
(the “Partnership”)

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership dated as of December 1, 2004 (the “Partnership Agreement”). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Using information provided to us by the Partnership concerning Evergreen at Lewisville Apartments, an apartment complex located in Lewisville, Texas (referred to herein as the “Project”), we have performed the following procedures:

We have compiled a statement of income and expenses for the three months ended __________, 20__.

We have obtained an annual budget prepared by the Project’s management agent for the year ended December 31, 20__.

We have adjusted the statement to annualize all expenditures, including those of a seasonal or irregular nature which might reasonably be expected to be incurred on an unequal basis during a full annual period of operations. (Examples of such expenditures include debt service, reserve funding, maintenance, utilities, snow removal and real estate taxes.)

We have compared the budget for such period to the statement of actual results, and have made all inquiries we considered necessary with respect to any material variances.
We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership and the management agent.

We have determined that the Project, for each of three calendar months commencing on or after Final Closing, has achieved Breakeven, as that term is defined in the Partnership Agreement.

Copies of the calculations and adjustments we have made in reaching the determination above and of financial statements and budgets upon which such calculations are based are attached hereto.

Re: Lewisville Senior Community, L.P., a Texas limited partnership
  (the "Partnership")

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership among MMA Evergreen at Lewisville, LLC, a Delaware limited liability company ("MMAF") and other parties dated as of December 1, 2004 (the "Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Based upon information provided to us by the Partnership concerning Evergreen at Lewisville Apartments (an apartment complex located in Lewisville, Texas, referred to herein as the "Project"), we have performed the following procedures.

We have compiled a statement of the development costs through __________, 20__ and the expected classification of each cost for tax purposes.

We have obtained a budget for the development costs from the Partnership.

We have compared the budget for such costs to the actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership.

We have determined that the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner will be $__________.
We have further determined that 50% or more of the aggregate basis of the buildings and the land on which the buildings are located is financed by an obligation, the interest on which is exempt from tax under Section 103 of the Code and which is within the State's volume cap as provided in Section 146 of the Code.

Furthermore, nothing has come to our attention to suggest that the data or assumptions on which the above determinations are based are incorrect or inappropriate.

In making these determinations, we have assumed that 100% of the apartment units in the Project will be "low-income units" as such term is defined in Section 42(i)(3) of the Internal Revenue Code of 1986, as amended, and have no reason to believe that such assumption is unwarranted.

Copies of the calculations we have made in reaching the determinations above and of the financial statements and budgets upon which such calculations are based are attached hereto.

(iii) the third Installment (the “Third Installment”) in the amount of $1,290,000, shall be paid on the later of (a) two hundred seventy (270) days after the Admission Date and (b) the 75% Completion Date;

(iv) the fourth Installment (the “Fourth Installment”) in the amount of $505,000 shall be paid on the Completion Date;

(v) the fifth Installment (the “Fifth Installment”) in the amount of $242,000, shall be paid upon the later of (a) Final Closing and (b) the date the Accountants determine the amount of the Federal Tax Credits and determine that the Project satisfies the requirements of Section 42(h) of the Code;

(vi) the sixth Installment (the “Sixth Installment”) in the amount of $242,000, shall be paid upon the date the Partnership achieves a 112% Debt Service Coverage Ratio for each of three (3) consecutive months; and

(vii) the seventh Installment (the “Seventh Installment”) in the amount of $143,000, shall be paid upon the receipt by the Partnership of properly executed Form(s) 8609 with respect to all of the Buildings comprising the Project and receipt of a properly recorded Extended Use Agreement.

B. The obligation of the Investor Limited Partner to make each Installment (except as otherwise provided) is subject to each of the following conditions:

(i) The General Partners shall have properly completed, executed and delivered to the Investor Limited Partner a certificate relating to the appropriate remaining Installments (the “Payment Certificate”), in the forms attached hereto as exhibits, relating to the appropriate remaining Installments, dated the date such
Installment is to be paid to the Partnership and attaching the Title Policy endorsement and any other materials referred to therein. In connection with the payment of each Installment, the Investor Limited Partner shall have the right to conduct a physical inspection of the Property to determine that the condition of the Project is consistent with sound business practices in the geographic area in which the Project is located, including no deferred maintenance. The Investor Limited Partner shall conduct such inspection within ten (10) business days of being requested to do so by the General Partner, provided, however, that the Investor Limited Partner will be deemed to waive such physical inspection requirement if it does not make such inspection within ten (10) business days of receipt of a written request by the General Partner to do so (which may be sent prior to the date of the Payment Certificate, but not more than ten (10) business days prior to the date of the Payment Certificate).

(ii) In the case of the First Installment, all Requisite Approvals to the admission of the Investor Limited Partner pursuant to this Agreement shall have been obtained and the Project shall have received a Credit Approval in the amount of at least $557,245 per annum.

(iii) Each of the representations and warranties set forth in Section 6.5 shall in all material respects be true and correct.

(iv) No event shall have occurred which would permit the Investor Limited Partner to give an Election Notice under Section 5.3.

(v) From and after the date of the occurrence of an Event of Bankruptcy as to any General Partner, any Guarantor or the Developer, the obligation of the Investor Limited Partner to pay the Installments shall be suspended, and such obligation shall be reinstated only when such Event of Bankruptcy shall have been cured in a manner approved in writing by the Investor Limited Partner.

(vi) No Installment shall be payable unless all conditions for all prior Installments have been satisfied.

Section 5.2. Adjustment to Capital Contributions of Investor Limited Partner

The Capital Contribution of the Investor Limited Partner shall be subject to adjustment in the manner provided in this Section 5.2.

A. Federal Downward Basis Adjuster If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to which, the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner during the Credit Period for all of the Buildings in the Project is or will be less than the Projected Aggregate Federal Tax Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be reduced in the aggregate by the “Federal Adjustment Factor” (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Tax Credit Amount is less than the Projected Aggregate Federal Tax Credit Amount (except to the extent
such shortfall is attributable to the recapture of Federal Tax Credits previously reported on a Partnership tax return, in which event the Federal Adjustment Factor shall be $1.00 with respect to the portion of such shortfall attributable to such recapture), (ii) the amount of any interest and/or penalties paid or payable by the Investor Limited Partner (or its participants) as a result of any Recapture Event affecting the foregoing calculation, and (iii) 10% per annum commencing on the Admission Date and continuing until the payment of the amount of such reduction in full (for purposes of this sentence, any reduction effected by reduction in the amount of an Installment as provided in Section 5.2C shall be deemed to have been paid on the date on which such Installment shall actually become payable hereunder). Prior to the release of the Fifth Installment, the “Federal Adjustment Factor” shall be an amount equal to $0.87. From and after the release of the Fifth Installment, the “Federal Adjustment Factor” shall be an amount equal to $0.914. Any amount payable under this Section is referred to as the "Federal Adjustment Amount".

B. **Federal Timing Adjuster**. If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to which, the amount of the Federal Tax Credits properly allocable to the Investor Limited Partner is less than $147,083 in 2006, $460,192 in 2007, and $557,134 in 2008 (the “Target Amounts”), then the Capital Contribution of the Investor Limited Partner shall be reduced by $0.60 for each $1.00 that the Federal Tax Credits properly allocable to the Investor Limited Partner is less than $147,083 in 2006, $460,192 in 2007, and $557,134 in 2008 (a "Federal Timing Adjustment"). Notwithstanding the foregoing, however, in the event that the Adjusted Aggregate Federal Tax Credit Amount shall vary from the Projected Aggregate Federal Tax Credit Amount in effect on the date of the Investment Closing, the Target Amounts for purposes of the preceding sentence shall be adjusted by the same percentage by which the Adjusted Aggregate Federal Tax Credit Amount varies from the Projected Aggregate Federal Tax Credit Amount.

C. **Payment of Federal Adjustments**. Any Federal Adjustment Amount (as increased pursuant to the last sentence of Section 5.2A) or Federal Timing Adjustment shall be applied first to reduce the amount of any unpaid portions of the Installments of the Capital Contribution of the Investor Limited Partner, in order, by a corresponding amount. If the aggregate Federal Adjustment Amount (as increased pursuant to Section 5.2A) and Federal Timing Adjustment exceeds the amount of such unpaid Installments, then the General Partners shall make a payment (a “Federal Tax Credit Shortfall Payment”) to the Investor Limited Partner in the amount of such excess within thirty (30) days of the date of the determination in question. Any such Federal Tax Credit Shortfall Payment by the General Partners shall constitute a Capital Contribution to the Partnership but shall not be reimbursable by the Partnership, and shall be immediately distributed by the Partnership to the Investor Limited Partner. If full payment of such excess amount is not received within such thirty (30)-day period, the unpaid balance shall thereafter bear interest at the Designated Prime Rate. Notwithstanding the foregoing, any Federal Adjustment Amount which was caused by a Recapture Event shall be payable solely out of Cash Flow or proceeds of a Capital Transaction.

D. **Provisional Adjustments**. If, upon receipt by the Investor Limited Partner of a Payment Certificate with respect to any Installment, the Investor Limited Partner shall have a reasonable basis to believe that the amount of such Installment would have been subject to reduction if the Accountants had made a current determination or projection under Section 5.2A.
or 5.2B above, the Investor Limited Partner may so notify the General Partners within seven (7) business days of receipt of such Payment Certificate, and the General Partners shall thereupon engage the Accountants to make such determination or projection (unless the General Partners and Investor Limited Partner shall mutually agree upon the adjustments to be made). The amount of the Installment in question shall then be provisionally reduced in accordance with such projection or agreement; provided, however, that if the Accountants’ subsequent determinations with respect to matters provisionally reduced under this paragraph shall vary from the determinations or mutual agreements described herein, then either (i) the Investor Limited Partner shall, within seven (7) business days after receipt of notice of the determination, pay to the Partnership the amounts, if any, by which the provisional reduction exceeded the reduction as subsequently determined or (ii) the amount, if any, by which the reduction as subsequently determined exceeded the provisional reduction shall be applied against future Installments or refunded as provided in Section 5.2C above. The due date for payment by the Investor Limited Partner of any Installment which shall become the subject of the procedure described in this paragraph shall be tolled pending determination of the provisional reduction (if any) as provided herein.

E. Federal Upward Basis Adjuster If at any time and from time to time the Accountants shall determine or there shall be a Final Determination that the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Tax Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be increased in the aggregate by the “Federal Increase Factor” (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Tax Credit Amount. The “Federal Increase Factor” shall be an amount equal to $0.87 for every $1.00 by which the Adjusted Aggregate Federal Tax Credit Amount exceeds the Projected Aggregate Federal Tax Credit Amount. In no event shall any increase in the Investor Limited Partner’s Capital Contribution pursuant to this Section 5.2E exceed $500,000. Such increase in the Investor Limited Partner’s Capital Contribution shall be payable at the time of the payment of the Seventh Installment. Notwithstanding the foregoing, in the event that, through the Completion Date the amount of interest income allocated to the Investor Limited Partner exceeds the deductible investment interest expense allocated to the Investor Limited Partner (the “Net Interest Income”), then the increased Capital Contribution payable under this Section 5.2E shall be reduced by an amount equal to 40% of any Net Interest Income.

Section 5.3. Repurchase of Investor Limited Partner’s Interest

A. The General Partner hereby agrees to purchase the Interest of the Investor Limited Partner if any of the following events shall occur:

(i) Final Closing and Permanent Mortgage Commencement shall not have taken place on or before February 1, 2008, provided, however, that such date may be automatically extended for a period of up to twelve (12) months to the extent the expiration dates set forth in the Project Documents shall have been extended beyond such date; or

- 26-
(ii) at any time prior to the Development Obligation Date, (1) any action to foreclose any Mortgage shall have been commenced and such action is not terminated or withdrawn within ninety (90) days or a binding agreement with the holder(s) thereof to effect the same entered into within such period, and any notice of acceleration of indebtedness waived or withdrawn; (2) any action is commenced to foreclose any mechanics' or any other lien (other than the lien of any Mortgage) against the Project and such action has not within ninety (90) days been either bonded against in such a manner as to preclude the holder of such lien from having any recourse to the Property or to the Partnership for payment of any debt secured thereby, or affirmatively insured against by the title insurance policy or an endorsement thereto issued to the Partnership by a reputable title insurance company (which insurance company will not have indemnity from or recourse against Partnership assets by reason of any loss it may suffer by reason of such insurance) in an amount satisfactory to Investor Tax Counsel; (3) construction or operation of the Project shall have been enjoined by a final order (from which no further appeals are possible) of a court having jurisdiction and such injunction shall continue for a period of ninety (90) days; (4) a casualty occurs resulting in substantial destruction of more than 50% of the Project, or there is substantial destruction of less than 50% of the Project and the insurance proceeds (if any) are insufficient to restore the Project or the Project is not so restored within twenty-four (24) months following such casualty; or (5) the Project shall become ineligible for 50% or more of the low-income housing tax credit anticipated to be generated by the Project, as calculated on the basis of the information set forth in the Investment Assumptions.

B. If any such event set forth in Section 5.3A shall occur, the General Partners shall give notice to the Investor Limited Partner and the Class B Limited Partner (with a copy to the Servicing Agent) of the obligations of the General Partner hereunder to purchase the Investor Limited Partner's Interest (such obligation being herein called a “Purchase Obligation” and such notice the “Purchase Obligation Notice”) within fifteen (15) days after the occurrence of any event giving rise to such obligation. If the Investor Limited Partner elects to sell its Interest hereunder, it shall give the General Partners and the Class B Limited Partner notice of such election (an “Election Notice”) within thirty (30) days after such Purchase Obligation Notice from the General Partners is received by the Investor Limited Partner (or, in the event that such Purchase Obligation Notice from the General Partners is not given, at any time after the occurrence of such event).

C. Within thirty (30) business days after delivery to the General Partners and the Class B Limited Partner of an Election Notice from the Investor Limited Partner, the General Partner shall pay the Investor Limited Partner a purchase price (the “Purchase Price”) in cash (with interest thereon at the Designated Prime Rate commencing on the fifth (5th) day following the date of such delivery) equal to (i) the sum of (a) 110% of the Investor Limited Partner's Net Capital Contribution (whether or not theretofore paid-in to the Partnership), plus (b) the amount of any interest or penalties payable in connection with any recapture of tax credits allocated to the Investor Limited Partner pursuant to the Partnership Agreement less (ii) the sum of (a) that portion of the Net Capital Contribution which has not theretofore been paid-in to the Partnership, (b) the amount of Cash Flow theretofore distributed by the Partnership in respect of the Investor
Limited Partner’s Interest and (c) the amount of any tax credits allocable to the Interest which will not be recaptured as a result of the disposition of said Interest or otherwise.

D. Upon the giving of its Election Notice, the Investor Limited Partner shall have no further obligations under this Agreement, and the General Partners and Class B Limited Partner shall indemnify and defend the Investor Limited Partner and hold it harmless against any such obligations. The General Partners and the Class B Limited Partner shall take all action and shall pay all costs necessary to enable the Investor Limited Partner to receive and retain the Purchase Price as against any creditor of any General Partner, the Class B Limited Partner or the Partnership. Notwithstanding the purchase by the General Partner of the Interest of the Investor Limited Partner pursuant to Section 5.3A, to the extent permitted under the applicable provisions of the Code, the Investor Limited Partner shall be allocated any profits or losses and tax credits in respect of said Interest for the period prior to the date of the receipt by the Investor Limited Partner of payment therefor. Anything herein to the contrary notwithstanding, title to the Interest of the Investor Limited Partner shall not vest in the General Partner until payment in full of the Purchase Price therefor. Upon such payment, the General Partner and the Class B Limited Partner shall forthwith cause an amendment hereto and to the Certificate and any other necessary papers to be executed, filed, recorded and published wherever required showing such substitution.

E. No agreement affecting the Project shall prevent the exercise by the Investor Limited Partner of its right to require the purchase by the General Partner of its Interest in the manner described in this Section 5.3.

F. The Investor Limited Partner shall have the right to waive its right to have its Interest repurchased at any time during which any of such rights shall be in effect. Any such waiver shall be exercised by delivery to the General Partners and the Class B Limited Partner of a written notice stating under which clause(s) of this Section it is waiving its right to have its Interest repurchased and that its rights thereunder are thereby irrevocably waived from that date forward.

G. Should any General Partner repurchase the Interest of the Investor Limited Partner pursuant to this Section 5.3, then the Special Limited Partner agrees to withdraw from the Partnership at the same time as the Investor Limited Partner’s withdrawal is effective.

Section 5.4. Default of Investor Limited Partner

A. In the event that the Investor Limited Partner shall fail to pay an Installment in full when due in accordance with this Agreement, the Partnership shall give written notice to such defaulting Limited Partner (the “Defaulting Limited Partner”), who shall have thirty (30) days after such notice to make such payment. If the Defaulting Limited Partner fails to make such payment within such period, then such failure shall constitute a default by the Defaulting Limited Partner under this Agreement and all unpaid future Capital Contributions shall be immediately payable and the Partnership shall have the following rights and remedies, to be exercised as determined by the General Partner, without need for consent of the Defaulting Limited Partner or the Special Limited Partner, each of which remedies shall be cumulative and concurrent and may be pursued separately, successively, or together except as is otherwise
provided in this Section, and such rights and remedies may be exercised as often as occasion theretofore shall arise, all to the maximum extent permitted by the laws of the State of Texas.

(i) **Sale of Interest.** After the notice of default by the Partnership and expiration of the thirty (30) day cure period described above, the Partnership may elect, upon ten (10) days' written notice to the Investor Limited Partner, to sell the Investor Limited Partner's Interest in the Partnership. In connection with such sale, the General Partner agrees to use reasonable efforts to obtain the highest price for the Investor Limited Partner’s Interest. The Investor Limited Partner shall receive any remaining net proceeds of such sale after satisfaction of the obligations of the Investor Limited Partner hereunder.

(ii) **Actions for Specific Performance.** At any time, after the notice of default by the Partnership and after expiration of the thirty (30) day cure period described above, the Partnership may pursue any or all of the rights and remedies available to the Partnership by law or as provided in this Agreement, including suits, to recover all future Capital Contributions, interest thereon, and reasonable costs and expenses, including reasonable attorney’s fees, incurred in collecting such amounts. The Partnership may pursue any such action or proceeding simultaneously with the Partnership’s exercise of its rights under subsection (i) above.

(iii) **Interest.** After default by the Partnership, the defaulted future Capital Contributions will bear interest at the Designated Prime Rate until paid in full, and such interest will be paid by Investor Limited Partner as demanded by the Partnership.

(iv) **Certain Disputes.** Notwithstanding the foregoing, this Section 5.4 shall not apply, and the Investor Limited Partner shall not be deemed to be in default hereunder, in the event a bona fide dispute exists as to the satisfaction of any condition to the payment of an Installment. If such a dispute exists, such dispute shall be submitted during the thirty (30)-day period described above for non-binding mediation and then Arbitration in Keller, Texas, in accordance with the rules of the American Arbitration Association, and if the arbitrator (the "Arbitrator") finds that all conditions to the disputed Installment were satisfied, the Investor Limited Partner agrees that it will immediately pay the full amount of the disputed Installment to the Partnership together with interest as described above; provided, however, that (1) any finding by the Arbitrator shall not be final or binding; (2) the Investor Limited Partner or the General Partner, as the case may be, shall have the right, only after payment of the amounts described above, to challenge the Arbitrator’s finding in a court of competent jurisdiction; and (3) in no event shall the payment by the Investor Limited Partner of the disputed Installment be construed as a waiver of such right. The General Partner’s rights under this Section 5.4 shall not apply unless the Investor Limited Partner fails to pay the full amount of the disputed Installment within ten (10) days following a finding by the Arbitrator that all conditions to the disputed Installment were satisfied (regardless of whether the Investor Limited Partner has exercised its
right to challenge the Arbitrator’s finding pursuant to (2) above). If the Investor Limited Partner fails to pay such amounts within such ten (10) day period, the Investor Limited Partner shall not be entitled to exercise its rights under (2) above and the finding by the Arbitrator shall be deemed final and binding. In addition to the requirements set forth above, testimony during Arbitration shall be limited to three (3) days per party and the prevailing party shall be entitled to reimbursement for any reasonable attorney’s fees incurred in connection with such Arbitration.

B. Notwithstanding any other provision hereof, the Partnership acknowledges that the Investor Limited Partner has previously pledged its Interest to Fleet pursuant to the Fleet Pledge described in Section 8.1D hereof. The Partnership agrees that it will give Fleet written notice (at the following address: Fleet National Bank, Mail Code: MA5-503-04-16, One Federal Street, Boston, MA 02110, Attention: John F. Simon, Senior Vice President) of any default by the Investor Limited Partner hereunder, and further agrees that Fleet will have sixty (60) days from its receipt of such notice to cure any such default prior to the Partnership’s exercising any of its rights and remedies hereunder or otherwise at law or in equity, including, without limitation, its right to sell the Interest hereunder. Fleet may cure any such default by paying only the Installment or Installments for which the conditions to payment set forth in Section 5.1 hereof have then been satisfied. Fleet, as "Agent", is an intended third party beneficiary of this Section 5.4B.

Section 5.5. Redemption of Partnership Interest.

The Investor Limited Partner shall have the right, exercised by giving written notice to the Partnership (with a copy to the Servicing Agent) within one hundred eighty (180) days following the end of the Compliance Period, to require the Partnership to redeem the Interest of the Investor Limited Partner for a redemption price of $100, and the Partnership shall promptly so redeem such Interest, whereupon the Investor Limited Partner shall cease to be a Partner and shall have no further rights, duties or obligations with respect to the Partnership or any of the other Partners.

ARTICLE VI

Rights, Powers and Duties of the General Partners

Section 6.1. Restrictions on Authority

A. Notwithstanding any other provisions of this Agreement, the General Partners shall have no authority to perform any act in respect of the Partnership or the Project in violation of (i) any applicable law or regulation or (ii) any agreement between the Partnership and any Lender or Governmental Agency.

B. The General Partners shall not have any authority to do any of the following acts without the Consent of the Investor Limited Partner and the Class B Limited Partner and any Requisite Approvals:

(i) to incur indebtedness for money borrowed on the general credit of the Partnership, except as specifically permitted by Article IX, or
(ii) following completion of construction of the Improvements, to construct any new capital improvements, or to replace any existing capital improvements if construction or replacement would substantially alter the use of the Property, or

(iii) to acquire any real property in addition to the Property (other than easements or similar rights necessary or convenient for the operation of the Project), or

(iv) to cause the Partnership to make any loan or advance to any Person (for purposes of this clause 6.1B(iv), accounts receivable in the ordinary course of business from Persons other than the General Partners or their Affiliates shall not be deemed to be advances or loans), or

(v) to lease any Low Income Unit to other than Qualified Tenants or otherwise operate the Project in such a manner or take any action which could cause any Low Income Unit to fail to be treated as a qualified low-income housing unit under Section 42(i)(3) of the Code or which would cause the recapture by the Partnership of any low-income housing credit under Section 42 of the Code, or

(vi) after the Investment Closing, to enter into any material Project Document or to amend any Project Document, or to permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, the General Partners or their Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, the Investor Limited Partner (notwithstanding that the Investor Limited Partner is neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective), or

(vii) to apply for or accept any grant funds on behalf of the Partnership regardless of the source of the grant which consent will not be unreasonably withheld provided there are no adverse tax consequences; or

(viii) to obtain, increase, refinance or materially modify any Mortgage Loan after Investment Closing or to sell or convey the Property or any substantial portion thereof, except as provided in Article IX, and except that the General Partners may cause the Partnership to grant easements and similar rights affecting the Land to obtain utility services for the Project or for other purposes necessary or convenient for the operation of the Project, or

(ix) to cause the Partnership to commence a proceeding seeking any decree, relief, order or appointment in respect to the Partnership under the federal bankruptcy laws, as now or hereafter constituted, or under any other federal or state bankruptcy, insolvency or similar law, or the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) for the
Partnership or for any substantial part of the Partnership's business or property, or to cause the Partnership to consent to any such decree, relief, order or appointment initiated by any Person other than the Partnership, or

(x) to pledge or assign any of the Capital Contribution of the Investor Limited Partner or the proceeds thereof, or

(xi) to amend any of the Related Agreements, or

(xii) to permit the merger, termination or dissolution of the Partnership, or

(xiii) to approve any changes to the plans and specifications for the Project which would result, either individually or in the aggregate, in an overall development cost increase or decrease in excess of $75,000 (provided, however, that any Consent of the Investor Limited Partner required under this clause (xiii) shall not be unreasonably withheld), or

(xiv) to take any action which would cause the Property or any part thereof to be treated as tax exempt use property within the meaning of Section 168(h) of the Code.

C. The General Partners shall not (a) cause the Partnership to utilize Cash Flow to acquire interests in other limited partnerships or (b) cause the Partnership to invest the proceeds of any sale or refinancing of the Project unless a sufficient portion thereof is distributed to the Investor Limited Partner to enable each limited partner thereof, assuming that it is in a combined federal, state and local marginal income tax bracket of 40%, to pay the federal, state and local income tax liability arising from the sale or refinancing which generated such proceeds, and in any event sale or refinancing proceeds shall not be reinvested without the Consent of the Investor Limited Partner.

D. Any Partner may engage independently or with others in other business ventures of every nature and description including, without limitation, the ownership, operation, management, and development of real estate, regardless of whether such real estate directly competes with the Project, and neither the Partnership nor any Partner shall have any rights by reason of this Agreement in and to such independent ventures.

Section 6.2. Tax Matters Partners

A. The Managing General Partner is hereby designated as the "Tax Matters Partner" for the Partnership. Upon the Retirement of the Person serving as the TMP (the "Retired TMP"), the Partnership shall designate a successor TMP in accordance with Treasury Regulation Section 301.6231(a)(7)-1(T) or any successor Regulation, but such designee shall not become the TMP until the designation of such Person has been approved by Consent of the Investor Limited Partner. Such successor TMP shall notify the Service of its designation as such for such year as well as for all prior years for which the Retired TMP served in such capacity.
B. The TMP shall employ experienced tax counsel to represent the Partnership in connection with any audit or investigation of the Partnership by the Service, and in connection with all subsequent administrative and judicial proceedings arising out of such audit. The fees and expenses of such counsel shall be a Partnership expense and shall be paid by the Partnership. Such counsel shall be responsible for representing the Partnership; it shall be the responsibility of the General Partners and of the Investor Limited Partner, at their own expense, to employ tax counsel to represent their respective separate interests.

C. The TMP shall keep the Partners informed of all administrative and judicial proceedings, as required by Section 6223(g) of the Code, and shall furnish to each Partner who so requests in writing, a copy of each notice or other communication received by the TMP from the Service (except such notices or communications as are sent directly to such requesting Partner by the Service). All reasonable third party costs and expenses incurred by the TMP in serving as the TMP shall be Partnership expenses and shall be paid by the Partnership.

D. The TMP shall have no authority, without the Consent of the Investor Limited Partner, to (i) enter into a settlement agreement with the Service which purports to bind Partners other than the TMP, (ii) file a petition as contemplated in Section 6226(a) or 6228 of the Code, (iii) intervene in any action as contemplated in Section 6226(b) of the Code, (iv) file any request contemplated in Section 6227(b) of the Code, (v) enter into an agreement extending the period of limitations as contemplated in Section 6229(b)(1)(B) of the Code or (vi) take any other substantial action which would affect the Investor Limited Partner.

E. The relationship of the TMP to the Investor Limited Partner is that of a fiduciary, and the TMP hereby acknowledges its fiduciary obligation to perform its duties in such manner as will serve the best interests of the Partnership and the Investor Limited Partner.

F. The Partnership shall indemnify the TMP (including the officers and directors of a corporate TMP) against judgments, fines, amounts paid in settlement and expenses (including reasonable attorneys' fees) reasonably incurred by the TMP in any civil, criminal or investigative proceeding in which the TMP is involved or threatened to be involved by reason of being the TMP, provided that the TMP acted in good faith, within what it reasonably believed to be in the best interests of the Partnership or its Partners. The TMP shall not be indemnified under this provision against any liability to the Partnership or its Partners to any greater extent than the indemnification allowed by Section 6.6 of this Agreement. The indemnification provided by this subparagraph shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any applicable statute, agreement, vote of the Partners, or otherwise.

Section 6.3. Business Management and Control; Designation of Managing General Partner; Tax Matters Partner; Certain Rights of the Special Limited Partner

A. The General Partners shall have the exclusive right to manage the business of the Partnership in accordance with this Agreement. No Limited Partner shall have any authority or right to act for or bind the Partnership.
B. The powers and duties of the General Partners hereunder may be exercised in the first instance by one or more Managing General Partners. Each Managing General Partner is hereby authorized to execute and deliver in the name and on behalf of the Partnership all such documents and papers (including any required by any Lender or Governmental Agency) as such Managing General Partner deems necessary or desirable in carrying out such duties hereunder. LifeNet-Keller GP, LLC is hereby designated as the initial Managing General Partner; if such Person shall become unable to serve in such capacity or shall cease to be a General Partner, the remaining General Partners may from time to time designate from among themselves by consent one or more substitute or additional Managing General Partners. If for any reason no designation is in effect, the powers of the Managing General Partners shall be exercised by the majority consent of the remaining General Partners. A designation of a successor as Managing General Partner or the designation of an additional Managing General Partner pursuant to Section 7.3 or 7.5 shall supersede any designation or other exercise of rights pursuant to this Section 6.3B.

C. In the event that (i) the Partnership is in material default of any of its obligations under the Project Documents, which default, in the reasonable judgment of the Special Limited Partner, threatens an assignment or foreclosure of any Mortgage, (ii) the General Partner, Developer or Guarantor is in default in any material respect under their respective obligations under this Agreement, the Development Agreement, or Guaranty Agreement, (iii) a Recapture Event involving five or more units shall have occurred, (iv) a sole General Partner shall Retire, (v) an Event of Bankruptcy shall have occurred as to the Developer prior to the Completion Date, (vi) an Event of Bankruptcy shall have occurred as to a General Partner, (vi) an Event of Bankruptcy shall have occurred as to the Guarantor prior to the expiration of the Guaranty by its own terms, or, (vii) the General Partner or its Affiliate shall have committed fraud or breach of fiduciary duty in connection with the Partnership or the Property, the Special Limited Partner may, at its election, give notice of such default or event to the then General Partners, if any, and, (a) in the case of a default, if such default is not cured within ten (10) business days (or cured within a reasonable time in the event it is impossible to cure such default within such ten (10)-day period, provided that the General Partner is diligently and in good faith seeking to cure such default and there has been no assignment of or institution of proceedings to foreclose any Mortgage), or (b) in the event of such Retirement, Recapture Event or Event of Bankruptcy, promptly after the occurrence of such event, the Special Limited Partner or any Entity of which a majority of the stock or beneficial interest is owned, directly or indirectly, by the Special Limited Partner or MMA Financial, may, with the Consent of the Investor Limited Partner, elect to become an additional General Partner with all the rights and privileges of a General Partner. The Special Limited Partner shall provide the General Partners with true and correct copies of the written instruments evidencing such Consent of the Investor Limited Partner within ten (10) days after the Special Limited Partner's receipt thereof (with a copy to the Servicing Agent). Upon such election by the Special Limited Partner or such Entity and such Consent, the Special Limited Partner or such Entity shall automatically become and shall be deemed a General Partner and each Partner hereby irrevocably appoints the Special Limited Partner (with full power of substitution) as the attorney-in-fact of such Partner for the purpose of executing, acknowledging, swearing to, recording and/or filing any amendment to this Agreement and the Certificate necessary or appropriate to confirm the foregoing. If the Special Limited Partner or such Entity shall become an additional General Partner as herein stated, its Interest shall not be increased thereby (except that the Special Limited Partner may assign its Interest to such Entity). In the event of the admission of the Special Limited Partner or such Entity as a General Partner
pursuant to this Section 6.3C, and if there are then any other General Partners, the Special Limited Partner or such Entity shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them.

Section 6.4. Duties and Obligations of the General Partners and Class B Limited Partner

A. The General Partners shall use their reasonable best efforts to carry out the purposes, business and objectives of the Partnership, and shall devote to Partnership business such time and effort as may be reasonably necessary to (i) supervise the activities of the Management Agent, (ii) make inspections of the Project to determine if the Project is being properly maintained and that necessary repairs are being made thereto, (iii) prepare or cause to be prepared all reports of operations which are to be furnished to the Partners or to any Lender or Governmental Agency, (iv) with the Consent of the Investor Limited Partner, elect to defer the commencement of the Credit Period for all or any portion of the low-income housing tax credit allowable to the Partners under Section 42(g) of the Code, to the extent that any such deferral may be in the best economic interest of the Investor Limited Partner, (v) cause the Project to be insured in accordance with the requirements set forth in Exhibit C and (vi) cause the Partnership and the Project to comply in all material respects with each of the representations and covenants of the applicant set forth in the Tax Credit Application.

B. Subject to the Project Documents and the requirements of Section 42 of the Code, the General Partners shall use reasonable efforts consistent with sound management practice to maximize income produced by the Project, including, if necessary, seeking any necessary approvals of, and implementing, appropriate adjustments in the rent schedule of the Project.

C. The General Partners shall timely execute and record in the appropriate Filing Office an Extended Use Agreement which satisfies all of the requirements of Section 42(h)(6) of the Code. The General Partners shall hold for occupancy such percentage of the apartments in the Project in such a manner as to qualify the entire Project as a "qualified low income housing project" under Section 42(g) of the Code as interpreted from time to time in regulations and rulings promulgated thereunder. The General Partners shall not take any action which would cause the termination or discontinuance of the qualification of the Project as a "qualified low income housing project" under Section 42(g) of the Code or which would cause the recapture of any Tax Credits without the Consent of the Investor Limited Partner.

D. The General Partners shall prepare and submit to the Secretary of the Treasury (or any other Governmental Agency designated for such purpose), on a timely basis, any and all annual reports, information returns and other certifications and information and shall take any and all other action required (i) to insure that the Partnership (and its Partners) will continue to qualify for Tax Credits to the extent contemplated under this Agreement and (ii) unless the Consent of the Investor Limited Partner is received to act otherwise in a particular instance, to avoid recapture of Tax Credits for failure to comply with the requirements of Section 42 of the Code or other applicable law.
E. Except as provided in or contemplated by the Project Documents, the General Partners agree that neither they nor any Related Person will at any time bear the Economic Risk of Loss for payment or performance of any Mortgage Loan (except for nonrecourse carve outs and indemnification required under Section 3.8(b) and Article XII of the Bond Loan Agreement). Each General Partner agrees that it will not cause any Limited Partner at any time to bear the Economic Risk of Loss for payment or performance under any Note or Mortgage. Each Limited Partner agrees not to take any action which would cause it to bear the Economic Risk of Loss for payment of any Mortgage Loan.

F. The General Partners shall have fiduciary responsibility for the safekeeping and use of all funds of the Partnership, whether or not in their immediate possession or control. The General Partners shall not employ, or permit another to employ, such funds or assets in any manner except for the exclusive benefit of the Partnership.

L. In the event that the Investor Limited Partner shall give notice to the General Partner that in the reasonable judgment of the Investor Limited Partner depreciation deductions will no longer be allocated to the Investor Limited Partner as a result of the treatment of the Mortgage Loan or Development Amount and accrued interest thereon as a Partner Nonrecourse Debt (“Related Party Financing”), then the General Partner shall take all such action as may be necessary to assure that any outstanding balance of such Related Party Financing shall constitute a Partnership Nonrecourse Liability and the Investor Limited Partner shall give its Consent to allow the General Partners to take all necessary action, provided such action does not have any negative tax consequences for the Partnership or the Investor Limited Partner. M. The General Partners shall cause all leases of dwelling units in the Project to contain a provision obligating tenants to notify the Management Agent immediately of any suspected water leaks, moisture problems or mold in dwelling units or common areas of the Project. In addition, the General Partners shall furnish such reports and implement such actions, if any, required under the provisions of Section 12.1J.

Any indemnity under this Section 6.6 shall be provided out of and to the extent of Partnership assets only, and no Limited Partner shall have any personal liability on account thereof; provided, however, that no indemnification shall be provided for any losses, liabilities or expenses arising from or out of any alleged violation of federal or state securities laws unless (i) there has been a successful adjudication on the merits of each count involving alleged securities law violations as to the particular indemnitee and the court approves indemnification of litigation costs; (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular indemnitee and the court approves indemnification of litigation costs; or (iii) a court of competent jurisdiction approves a settlement of the claims against a particular indemnitee and finds that indemnification of the settlement and related costs should be made.

B. The Partnership shall not incur that cost of that portion of any insurance which insures any party against any liability as to which such party is herein prohibited from being indemnified.

C. The General Partners agree promptly to indemnify, defend and hold harmless the Partnership and the Limited Partners from and against any and all claims, losses, damages, costs, expenses and liabilities which the Partnership and the Limited Partners may incur by reason of any liabilities to which either the Partnership or the Project is subject at the Investment Closing; provided, however, that the foregoing indemnification shall not apply to any Mortgage, necessary contractual obligations normally incurred in connection with the Property, or to acts for which such General Partners are entitled to indemnification under Section 6.6A.
D. The General Partners agree to promptly indemnify, defend, and hold harmless the Partnership and the Limited Partners from and against any claims, losses, damages, costs, expenses or liabilities which the Partnership and the Limited Partners may incur on account of the presence or escape of any Hazardous Material at or from the Property (or at any other location). Any such indemnity by the General Partner of the Partnership shall be limited to those claims, losses, damages, costs, expenses or liabilities which were caused by the negligent acts or omissions of the General Partner or the Developer or to the extent that the General Partner or the Developer had knowledge of the condition which gave rise to the release of Hazardous Material. Any such claims, losses, damages, costs, expenses or liabilities may be defended, compromised, settled, or pursued by the Limited Partners with counsel of the Limited Partners' selection, but at the expense of the General Partners. The foregoing indemnification shall be a recourse obligation of the General Partners and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, bankruptcy or withdrawal of any General Partner.

E. The General Partners shall defend, indemnify and hold harmless the Partnership and the Limited Partners from any liability, loss, damage, fees, costs and expenses, judgments or amounts paid in settlement incurred by reason of any demands, claims, suits, actions or proceedings arising out of the General Partners' or any Designated Affiliate's negligence, misconduct, fraud, breach of fiduciary duty or breach of this Agreement, including without limitation any breach by any General Partner or any Designated Affiliate of any representation, warranty, covenant or agreement set forth in Section 6.5 or elsewhere in this Agreement, including all reasonable legal fees and costs incurred in defending against any claim or liability or protecting itself or the Partnership from, or lessening the effect of, any such breach. The foregoing indemnification shall be a recourse obligation of the General Partners and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, bankruptcy or withdrawal of any General Partner.

Section 6.7. Liability of General Partners to Limited Partners

A. Except as set forth in Section 6.6, no General Partner or Designated Affiliate (as defined in Section 6.7B) shall be liable, responsible or accountable for damages or otherwise to the Partnership or to any Limited Partner for any loss suffered by the Partnership which arises out of any action or inaction of such General Partner or Designated Affiliate (i) if such General Partner or Designated Affiliate, in good faith, determined that such course of conduct was in the best interests of the Partnership and (ii) such course of conduct did not constitute negligence, breach of fiduciary duty or misconduct on the part of that General Partner or Designated Affiliate or breach of this Agreement.

B. As used in Sections 6.6 and 6.7, a "Designated Affiliate" is any Person performing services on behalf of the Partnership, within the scope of authority of the General Partner who: (i) directly or indirectly controls, is controlled by, or is under common control with any General Partner, (ii) owns or controls 10% or more of the outstanding voting securities of any General Partner, (iii) is an officer, director, partner, member or trustee of any General Partner, or (iv) if any General Partner is an officer, director, partner, member or trustee, of any company for which such General Partner acts in any such capacity.

C. The Class B Limited Partner hereby unconditionally jointly and severally guarantees to the Partnership and the Investor Limited Partner the due and punctual performance of all obligations of the Developer under the Development Agreement. The Class B Limited Partner hereby agrees that its obligations hereunder shall constitute a guaranty of payment and not of collection and shall be unconditional irrespective of the regularity or enforceability of this Agreement or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor or any other circumstances which might otherwise limit the recourse to the Class B Limited Partner. The undertakings of the Class B Limited Partner set forth in this Section 6.8 and in Section 6.9 are made for the benefit of the Partners and shall not inure to the benefit of any creditor of the Partnership other than a Partner, notwithstanding any pledge or assignment by the Partnership of this Agreement or any rights hereunder.

D. In addition to the foregoing, the Class B Limited Partner hereby guarantees to the Limited Partners the prompt payment by the Partnership of all Other Development Costs. Accordingly, if the amount of Other Development Costs exceeds the balance of Designated Proceeds remaining after payment of all Eligible Development Costs, the Class B Limited Partner shall furnish to the Partnership the funds required to pay such excess at or prior to the time such excess is payable by the Partnership. Amounts so furnished to fund such excess Other Development Costs shall not be reimbursable, shall not be credited to the Capital Account of any Partner or otherwise change the interest of any Person in the Partnership, but shall be the sole expense and responsibility of the Class B Limited Partner as a cost incurred by them in fulfilling their guaranty under this Section 6.8D.

Section 6.9. Obligation to Provide for Operating Expenses

A. During the period commencing on the Admission Date and ending on the third anniversary of the Development Obligation Date, the General Partners agree that if the Partnership requires funds to discharge Operating Expenses (other than to make payments to Partners, payments of any outstanding Operating Expense Loans or other obligations herein provided to be payable solely out of Cash Flow or distributions of proceeds from a Capital Transaction), the General Partners shall furnish to the Partnership the funds required. Amounts so furnished to fund Operating Expenses incurred prior to the Development Obligation Date shall be deemed Special Capital Contributions. Amounts furnished to fund Operating Expenses incurred on or after the Development Obligation Date but prior to the third anniversary of the Development Obligation Date shall constitute Operating Expense Loans. Notwithstanding the
foregoing, however, the General Partners shall not be obligated to make Operating Expense Loans under this Section 6.9A to the extent that the outstanding aggregate principal amount of such Operating Expense Loans would exceed $1,000,000 which includes the funding of the Replacement Reserve. Any such Operating Expense Loans shall bear interest at the Prime Rate and be repayable only as provided in Article X.

B. Commencing on the third anniversary of the Development Obligation Date, Churchill Residential, Inc. shall be obligated to make working capital advances to the Partnership when and as needed, except that Churchill Residential, Inc. shall not be obligated to make further advances under this Section 6.9B to the extent that the aggregate outstanding balance of such advances shall exceed $100,000. Advances made pursuant to this Section 6.9B shall constitute Working Capital Loans and shall be repayable only as provided in Article X.

Section 6.10. Certain Payments to the General Partners and Affiliates

C. Neither the General Partners nor any of their Affiliates shall be entitled to any compensation, fees or profits from the Partnership in connection with the acquisition, construction, development or rent-up of the Land or Improvements or for the administration of the Partnership's business or otherwise, except for (i) payments provided for or referred to in Sections 2.4(v) or 6.10A, (ii) payments of the Management Fee and Incentive Management Fee referred to in Article XI, (iii) fees and distributions under Article X, (iv) such other fees and distributions as may be permitted to be paid by any Lender or the Governmental Agency out of the proceeds of any Mortgage Loan and (v) payments to the Builder under the Construction Contract.

Until the acquisition of the Interest of a Retiring General Partner pursuant to Section 7.7, such Interest shall be deemed to be that of an assignee and the holder thereof shall be entitled only to such rights as an assignee may have as such under the laws of the State.

B. Anything herein contained to the contrary notwithstanding, any General Partner withdrawing voluntarily in violation of Section 7.1 shall remain liable for all of his obligations under this Agreement, for all its other obligations and liabilities hereunder incurred or accrued prior to the date of its withdrawal and for any loss or damage which the Partnership or any of its Partners may incur as a result of such withdrawal (except as provided in Section 6.7), except for any loss or damage attributable to the default, negligence or misconduct of a successor General Partner admitted in its place under this Agreement.

C. The disposition of the General Partner Interest of a General Partner who Retiring voluntarily in compliance with this Agreement shall be accomplished in such manner as shall be acceptable to the remaining General Partners, shall be approved by Consent of the Investor Limited Partner and shall have obtained any Requisite Approvals. Any other Retirement of a General Partner shall be governed by Section 7.7D.

Section 7.5. Designation of New General Partners

The General Partners may, with the written consent of all Partners, at any time designate new General Partners, each with such Interest as a General Partner in the Partnership as the General Partners may specify, subject to any Requisite Approvals.
Any new General Partner shall, as a condition of receiving any interest in the Partnership property, agree to be bound by the Project Documents and any other documents required in connection therewith and by the provisions of this Agreement, to the same extent and on the same terms as any other General Partner.

Section 7.6. Amendment of Certificate; Approval of Certain Events

Upon the admission of a new General Partner, the Schedule shall be amended to reflect such admission and an amendment to the Certificate, also reflecting such admission, shall be filed as required by the Uniform Act.

Each Partner hereby consents to and authorizes any admission or substitution of a General Partner or any other transaction, including, without limitation, the continuation of the Partnership business, which has been authorized under the provisions of this Agreement, and hereby ratifies and confirms each amendment of this Agreement necessary or appropriate to give effect to any such transaction.

Section 7.7. Removal of the General Partner

A. In addition to any other rights granted to the Limited Partners hereunder, the Special Limited Partner shall have the right to remove and replace the General Partner in accordance with the provisions of this Section 7.7 if a Material Default occurs and is not cured within the time period set forth in this Section 7.7. If at any time there is more than one General Partner, all General Partners may be removed and replaced in accordance with the provisions of this Section 7.7 in the event of a Material Default by any General Partner.

B. As used in this Section 7.7, “Material Default” means the occurrence of any of the following events:

   (i) a breach by any General Partner (or any of its Affiliates) of any of its representations or warranties contained herein or in the performance of any of its obligations under this Agreement or any Related Agreement, which breach could have a material adverse impact on the Partnership, the Project or the Investor Limited Partner;

   (ii) a violation by any General Partner of any law, regulation or order applicable to the Partnership, or a material breach by the Partnership or any General Partner under any Project Document or other material agreement or document affecting the Partnership or the Project which has or may have a material adverse effect on the Partnership, the Investor Limited Partner or the Project;

   (iii) an Event of Bankruptcy as to any General Partner, the Guarantor or the Partnership;

   (iv) the commencement of foreclosure proceedings with respect to any Mortgage, which have not been withdrawn or dismissed within thirty (30) days after the date of such commencement; or
C. In the event that the Special Limited Partner determines to remove any General Partner pursuant to the provisions of this Section 7.7, the Special Limited Partner shall notify the General Partner in writing (with a copy to the Servicing Agent), of the Material Default that is the cause for the removal of the General Partner (any such notice being referred to herein as a “Removal Notice” and the date of receipt of such Removal Notice being referred to herein as the “Removal Notice Date”). In the case of any Material Default described in clauses (i) or (ii) of Section 7.7B above, the General Partner shall have ten (10) business days (or thirty (30) business days if it is a non-monetary default) from the Removal Notice Date to cure the Material Default; provided, however, that if a non-monetary Material Default cannot be reasonably cured within thirty (30) business days, the General Partner shall not be removed if the General Partner commences such cure within thirty (30) business days and proceeds in good faith to cure diligently thereafter, provided that the cure is completed within ninety (90) business days following the Removal Notice Date (or such lesser period as is required to cure the Material Default), and the failure to cure such Material Default within a shorter period does not have a material adverse effect on the Partnership, the Property, or the Investor Limited Partner. For purposes of this paragraph, the failure to provide or maintain any insurance required by this Agreement shall be deemed to be a monetary default. If the General Partner fails to cure within the specified time period, or if no cure right is afforded under the terms hereof, the removal of the General Partner shall be deemed to be effective as of the expiration of any applicable cure period described above; otherwise, such removal shall be effective upon the conclusion of the applicable cure period without a cure of such Material Default reasonably acceptable to the Special Limited Partner. The General Partner shall have no right to cure any Material Default described in clause (v) of Section 7.7B above.

D. If a General Partner is removed pursuant to this Section 7.7, the Partnership shall pay to such removed General Partner in the manner set forth in Section 7.7G an amount equal to (x) the sum of (i) an amount equal to the General Partner’s positive Capital Account balance, if any, following a deemed sale of all Partnership property and a deemed liquidation of the Partnership (but prior to any deemed distributions upon liquidation), (ii) the unpaid principal balance of any Operating Expense Loans, and (iii) any fees owed to the General Partner and/or its Affiliates in the manner described in Section 7.7E below minus (y) an amount equal to any Adverse Consequences suffered by the Partnership or the Limited Partners as a result of the acts or omissions of the General Partner prior to its removal, including, without limitation, the Material Default creating the right of the Special Limited Partner to remove the General Partner pursuant to the provisions of this Section 7.7. Any transfer taxes that are triggered by the removal and the cost of any additional title insurance or title endorsements deemed to be necessary by the Special Limited Partner as a result of such removal shall be paid by the removed General Partner. The resulting amount is referred to herein as the “Removal Purchase Price.” Notwithstanding the foregoing, the Removal Purchase Price shall not exceed the amount which the removed General Partner would have received under Section 10.1B from a deemed sale of the Project on the Removal Notice Date, based on the Appraised Value of the Project determined under Section 7.7F below.
E. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any fees owed to the General Partner or its Affiliates (including, without limitation, any unpaid Development Amount) for services performed prior to the Removal Notice Date shall be part of the Removal Purchase Price as described above, provided, however, that (i) if any Adverse Consequences suffered by the Partnership or the Limited Partners exceed the Removal Purchase Price as calculated pursuant to the provisions of Section 7.7D above, or (ii) there exist any unpaid obligations or liabilities of the General Partner that relate to the period up to and including the effective date of the removal of the General Partner, any such unpaid fees owed to the General Partner or its Affiliates shall, to the extent of any such Adverse Consequences or obligations or liabilities, as the case may be, be treated as if they were paid to the General Partner (or such Affiliates) and applied by the General Partner (or such Affiliates) to the payment or satisfaction of such Adverse Consequences, obligations or liabilities, and, to the extent of such application, the obligation of the Partnership to make actual cash payments of such fees to the General Partner (or such Affiliates) shall be reduced or eliminated, as the case may be. In the event the General Partner is removed but the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect.

F. The Appraised Value of the Property shall be determined as follows. As soon as practicable and in any event within ten (10) business days following the effective date of removal as specified in Section 7.7C above, the General Partner and the Special Limited Partner shall select a mutually acceptable Independent Appraiser. If either party fails to select an Independent Appraiser within the time period described above, the determination of the other Independent Appraiser shall control. In the event that the parties are unable to agree upon an Independent Appraiser within such ten (10) Business Day period, the General Partner and the Special Limited Partner each shall select an Independent Appraiser. If the difference between the Appraised Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Value set forth in the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two Independent Appraisers shall jointly select a third Independent Appraiser whose determination of Appraised Value shall be deemed to be binding on all parties as long as the third determination is between the other two determinations. If the third determination is either lower or higher than both of the other two appraisers, then the average of all three appraisers shall be the fair market value. The Partnership and the removed General Partner shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this Section 7.7F.

G. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any Removal Purchase Price due to the General Partner pursuant to the provisions of Section 7.7D above shall be payable from the first available proceeds of a Capital Transaction prior to any other distributions or payments to the Partners under Section 10.1B hereof except for those items listed in clauses First and Second of Section 10.1B.

H. Upon determination of the Removal Purchase Price under the provisions of this Section 7.7, the Partnership and its remaining Partners shall be deemed to be completely released from all liability to such General Partner and its Affiliates generally and to any others claiming by or through the General Partner to whom any distributions or loan, fee or other payments are to
be made under Article X or otherwise, and the General Partner shall be released from any and all obligations to the Partnership and the Partners which arise after the Removal Notice Date. Concurrently with the determination of the Removal Purchase Price, each General Partner shall provide the Partnership, the successor General Partner(s) and the Investor Limited Partner with additional written releases from the General Partner (and any Affiliates to whom obligations of any kind are owed by the Partnership, the successor General Partner(s), the Limited Partners or any of their respective Affiliates) confirming such releases.

I. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, (i) all agreements between the Partnership and the General Partner and/or its Affiliates may, at the election of the Partnership, be terminated and, except for payment of the Removal Purchase Price due to the General Partner (or such Affiliates), the Partnership shall have no further obligations under such agreements; and (ii) the removed General Partner shall be liable for all reasonable costs and expenses incurred by the Partnership or the Limited Partners in connection with the admission to the Partnership of a successor General Partner, which shall be considered Adverse Consequences for a purpose of this Section. Notwithstanding the foregoing however, if the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect. From and after the effective date of its removal, the removed General Partner shall not be liable for obligations of the Partnership incurred subsequent to such effective date unless such obligations arise out of acts or omissions of the removed General Partner prior to such effective date. The removed General Partner shall continue to be liable for all obligations, liabilities, and guarantees incurred by it in its capacity as the General Partner and any Partnership obligations not listed in the prior year's financial statements or otherwise described in writing to the Special Limited Partner, and for any Adverse Consequences caused by or arising out of its acts or omissions, prior to the effective date of its removal. Without limiting the generality of the foregoing, and in addition to any of its other obligations hereunder, the removed General Partner shall continue to be liable for any payments or advances due to the Limited Partners or the Partnership pursuant to the Capital Contribution adjustment provisions of Article V as a result of any adjustments determined thereunder, other than adjustments arising from a Recapture Event or the acts or omissions of any replacement or successor General Partner, in either case subsequent to the effective date of the removal of the removed General Partner.

J. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the Special Limited Partner may designate a Person or Persons, including, without limitation, an Affiliate of the Special Limited Partner, to become a successor General Partner or Partners replacing the removed General Partner, subject to any Requisite Approvals and to the terms of the Project Documents.

K. The election by the Special Limited Partner to remove any General Partner pursuant to the provisions of this Section 7.7 shall not limit or restrict the availability and use of any other remedy that the Special Limited Partner or the Investor Limited Partner may have with respect to any General Partner in connection with its undertakings and responsibilities under this Agreement, and the exercise by the Special Limited Partner of the rights granted to it in this Section 7.7 is understood by the parties hereto to be permitted by the Uniform Act as the exercise of powers not constituting participation in the control of the business so as to cause the Special
Limited Partner (or the Investor Limited Partner) to be liable for Partnership obligations as a general partner.

L. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the removed General Partner shall immediately deliver to the Special Limited Partner all books, records, tax and financial information relating to the Partnership and the Property that are in the possession or under the control of the General Partner or any of its Affiliates. The General Partner agrees that if it fails to comply with the provisions of this Section 7.7L, the Limited Partners may enforce such provisions by specific performance, and no portion of the Removal Purchase Price shall be payable unless the provisions of this Section are fully and promptly complied with.

M. If the General Partner fails to comply with any of its obligations under this Section 7.7 or contests the right of the Special Limited Partner to exercise the removal or other rights described in this Section 7.7, and the Special Limited Partner prevails in any proceeding, any costs and expenses incurred by the Limited Partners in enforcing their rights in this Section 7.7, including, without limitation, reasonable legal fees and expenses, shall be paid by the General Partner upon presentation of an itemized statement describing the same, which costs shall be deemed to be Adverse Consequences for purposes of this Section.

N. In the event that the Special Limited Partner sends a Removal Notice, the Special Limited Partner may, as of such date, elect to become, or to designate another Person, including, without limitation, an Affiliate of the Investor Limited Partner or the Special Limited Partner, to become, an additional General Partner with all the rights and privileges of a General Partner. If the Special Limited Partner or such other Person shall become an additional General Partner as herein stated, the Special Limited Partner’s interest in the Partnership shall not be increased as a result thereof. In the event of the admission of the Special Limited Partner or such Person as a General Partner pursuant to this Section 7.7N, and if there are then any other General Partners, the Special Limited Partner or such other Person shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them. The Special Limited Partner shall be entitled to receive reasonable compensation for serving as a General Partner under this Section, and any such compensation shall be a reduction of the Removal Purchase Price.

ARTICLE VIII

Transfer of Limited Partner Interests

Section 8.1. Right to Assign

A. Except as restricted in this Article VIII or by operation of law, and subject to the Regulations, each Limited Partner shall have the right to assign its Interest and to substitute its assignee in its place as a Substitute Limited Partner without the written consent of the General Partners, provided, however, that if the Assignee is not an affiliate of or controlled by MMA or
Fleet, the consent of the General Partner and the Class B Limited Partner will be required to such substitution, which consent will not be unreasonably withheld or delayed.

B. The General Partners, at the sole expense of the assigning Limited Partner, shall cooperate in good faith to effect such assignment as expeditiously as possible, including without limitation the execution of appropriate amendments to, or updates of, the Related Agreements and/or any other documents which the assigning Limited Partner reasonably determines necessary or appropriate to accomplish such assignment, including, but not limited to, any amendments, updated opinion of Partnership Counsel, authorizing resolutions of the General Partner and Developer and any other documents reasonably deemed necessary and appropriate by the Investor Limited Partner. In addition, in the event of a transfer of any interest in the Investor Limited Partner, the General Partner agrees to make such changes to this Agreement and the Related Agreements as the Investor Limited Partner may reasonably request.

C. The assignor shall assume any costs incurred by the Partnership in connection with an assignment of its Interest.

D. Notwithstanding the foregoing, or any other provision of this Agreement: (1) the Investor Limited Partner may pledge, without the consent of the General Partners, the Class B Limited Partner or any other Person, its Interest to Fleet National Bank as Agent (together with its successors and/or assigns in such capacity, "Fleet") to secure a loan to an affiliate of the Investor Limited Partner, the proceeds of which have been used by the Investor Limited Partner to make its Capital Contribution to the Partnership (the "Fleet Pledge"); (2) Fleet shall have the rights of a secured party to retain, sell or transfer the Interest so pledged in accordance with the Fleet Pledge; (3) Fleet shall have the right to transfer or assign its rights hereunder and under the Fleet Pledge without the consent of the General Partners or any other Person; (4) in the event of any enforcement of the Fleet Pledge and the foreclosure upon or other disposition of the Interest, Fleet (or its nominee, successor, transferee or assignee) shall be immediately, automatically and unconditionally admitted as a Substitute Limited Partner, subject only to its execution of an agreement to be bound by this Agreement and (5) so long as the Fleet Pledge shall not have been released in accordance with its terms, (a) the Interests will not be, and will not become, "investment property" or held in a "securities account" (within the meaning of the Uniform Commercial Code of the State (the "UCC") and will be, and will remain, "general intangibles" within the meaning of Article 9 of the UCC and (b) any action by any Partner to cause any of the Interests to be deemed to be or to be treated as a "security" or as "investment property" or to be held in a "securities account" within the meanings of Article 8 and Article 9, respectively, of the UCC, shall be void and of no effect. Fleet, as Agent, is an intended third party beneficiary of this section.

Section 8.2. Substitute Limited Partners

A. The Limited Partner shall have the right to substitute an assignee as a Limited Partner in its place, subject to the limitations contained in Section 8.1A and any Requisite Approvals. Any Substitute Limited Partner shall agree to be bound (to the same extent to which its predecessor in interest was so bound) by the Project Documents and this Agreement as a condition to its being admitted to the Partnership.
Section 8.3. Assignees

A. Any permitted assignee of a Limited Partner which does not become a Substitute Limited Partner shall have the right to receive the same share of profits, losses and distributions of the Partnership to which the assigning Limited Partner would have been entitled.

B. Any assigning Limited Partner shall cease to be a Limited Partner and shall no longer have any rights or obligations of a Limited Partner except that, unless and until the assignee of such Limited Partner is admitted to the Partnership as a Substitute Limited Partner, said assigning Limited Partner shall retain the statutory rights and be subject to the statutory obligations of an assignor limited partner under the Uniform Act as well as the obligation to make the Capital Contributions attributable to the Interest in question, if any portion thereof remains unpaid.

C. There shall be filed with the Partnership a duly executed and acknowledged counterpart of the instrument making each assignment; such instrument must evidence the written acceptance of the assignee to this Agreement and the Project Documents. If such an instrument is not so filed, the Partnership need not recognize any such assignment for any purpose.

D. In the case of any assignment of a Limited Partner's Interest as a Limited Partner, where the assignee does not become a Substitute Limited Partner, the Partnership shall recognize the assignment not later than the last day of the calendar month following receipt of notice of assignment and required documentation.

E. An assignee who does not become a Substitute Limited Partner and who desires to make a further assignment of its Interest shall also be subject to the provisions of this Article VIII.

Section 8.4. Voluntary Withdrawal of the Class B Limited Partner

No Class B Limited Partner shall have the right to withdraw or Retire voluntarily from the Partnership or sell, assign or encumber his or its Interest without the Consent of the Investor Limited Partner.

Section 8.5. Removal of the Class B Limited Partner

A. The Class B Limited Partner is an Affiliate of the Developer and the Contingent Guarantor. In addition to any other rights granted to the Limited Partners hereunder, the Special Limited Partner shall have the right to remove and replace the Class B Limited Partner in accordance with the provisions of this Section 8.5 if a Class B Default occurs and is not cured within the time period set forth in this Section 8.5.

B. As used in this Section 8.5, “Class B Default” means the occurrence of any of the following events:

(i) a material default by the Developer of any of its obligations under the Development Agreement which is not cured after written notice from the
Investor Limited Partner and which results in a termination of the Development Agreement;

(ii) a material default by the Contingent Guarantor in the performance of any of its obligations under the Contingent Guaranty Agreement.

C. In the event that the Special Limited Partner determines to remove the Class B Limited Partner pursuant to the provisions of this Section 8.5, the Special Limited Partner shall notify the Class B Limited Partner in writing, of the Class B Default that is the cause for the removal of the Class B Limited Partner (any such notice being referred to herein as a “Class B Removal Notice” and the date of such Class B Removal Notice being referred to herein as the “Class B Removal Notice Date”). In the case of any Class B Default described in clauses (i) or (ii) of Section 8.5B above, the Class B Limited Partner shall have thirty (30) business days (or ninety (90) business days if it is a non-monetary default) from the Class B Removal Notice Date to cure the Class B Default; provided, however, that if a non-monetary Class B Default cannot be reasonably cured within ninety (90) business days, the Class B Limited Partner shall not be removed if the Class B Limited Partner commences such cure within ninety (90) business days and proceeds in good faith to cure diligently thereafter, provided that the cure is completed within one hundred fifty (150) business days following the Class B Removal Notice Date (or such lesser period as is required to cure the Class B Default), and the failure to cure such Class B Default within a shorter period does not have a material adverse effect on the Partnership, the Property, or the Investor Limited Partner. If the Class B Limited Partner fails to cure within the specified time period, or if no cure right is afforded under the terms hereof, the removal of the Class B Limited Partner shall be deemed to be effective as of the expiration of any applicable cure period described above; otherwise, such removal shall be effective upon the conclusion of the applicable cure period without a cure of such Class B Default reasonably acceptable to the Investor Limited Partner.

D. If a Class B Limited Partner is removed pursuant to this Section 8.5, the Partnership shall pay to such Class B Limited Partner in the manner set forth in Section 8.5G an amount equal to the amount which the removed Class B Limited Partner would have received under Section 10.1B from a deemed sale of the Project on the Class B Removal Notice Date, based on the Appraised Value of the Project determined under Section 8.5F below minus an amount equal to any Adverse Consequences suffered by the Partnership or the Limited Partners as a result of the acts or omissions of the Class B Limited Partner prior to its removal, including, without limitation, the Class B Default creating the right of the Special Limited Partner to remove the Class B Limited Partner pursuant to the provisions of this Section 8.5. Any transfer taxes that are triggered by the removal and the cost of any additional title insurance or title endorsements deemed to be necessary by the Special Limited Partner as a result of such removal shall be paid by the removed Class B Limited Partner. The resulting amount is referred to herein as the “Class B Removal Purchase Price.” Notwithstanding the foregoing, the Class B Removal Purchase Price shall not be less than zero.

E. In the event of the removal of the Class B Limited Partner pursuant to the provisions of this Section 8.5, any fees owed to the Class B Limited Partner or its Affiliates (including, without limitation, any unpaid Development Amount) for services performed prior to the Class B Removal Notice Date shall be part of the Class B Removal Purchase Price as
described above, provided, however, that (i) if any Adverse Consequences suffered by the Partnership or the Limited Partners exceed the Class B Removal Purchase Price as calculated pursuant to the provisions of Section 8.5D above, or (ii) there exist any unpaid obligations or liabilities of the Class B Limited Partner that relate to the period up to and including the effective date of the removal of the Class B Limited Partner, any such unpaid fees owed to the Class B Limited Partner or its Affiliates shall, to the extent of any such Adverse Consequences or obligations or liabilities, as the case may be, be treated as if they were paid to the Class B Limited Partner (or such Affiliates) and applied by the Class B Limited Partner (or such Affiliates) to the payment or satisfaction of such Adverse Consequences, obligations or liabilities, and, to the extent of such application, the obligation of the Partnership to make actual cash payments of such fees to the Class B Limited Partner (or such Affiliates) shall be reduced or eliminated, as the case may be.

F. The Appraised Value of the Property shall be determined as follows. As soon as practicable and in any event within ten (10) business days following the effective date of removal as specified in Section 8.5C above, the Class B Limited Partner and the Special Limited Partner shall select a mutually acceptable Independent Appraiser. In the event that the parties are unable to agree upon an Independent Appraiser within such ten (10) business day period, the Class B Limited Partner and the Special Limited Partner each shall select an Independent Appraiser. If either party fails to select an Independent Appraiser within the time period described above, the determination of the other Independent Appraiser shall control. If the difference between the Appraised Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Value set forth in the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two Independent Appraisers shall jointly select a third Independent Appraiser whose determination of Appraised Value shall be deemed to be binding on all parties as long as the third determination is between the other two (2) determinations. If the third (3rd) determination is either lower or higher than both of the other two (2) appraisers, then the average of all three (3) appraisers shall be the fair market value. The Partnership and the removed Class B Limited Partner shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this Section 8.5F.

G. In the event of the removal of the Class B Limited Partner pursuant to the provisions of this Section 8.5, any Class B Removal Purchase Price due to the Class B Limited Partner pursuant to the provisions of Section 8.5D above shall be payable from the first available proceeds of a Capital Transaction prior to any other distributions or payments to the Partners under Section 10.1B hereof except for those items listed in clauses First and Second of Section 10.1B.

H. Upon determination of the Class B Removal Purchase Price under the provisions of this Section 8.5, the Partnership and its remaining Partners shall be deemed to be completely released from all liability to such Class B Limited Partner and its Affiliates generally and to any others claiming by or through the Class B Limited Partner or its Affiliates to whom any distributions or loan, fee or other payments are to be made under Article X or otherwise, and the Class B Limited Partner shall be released from any and all obligations to the Partnership and the Partners which arise after the Class B Removal Notice Date. Concurrently with the
determination of the Class B Removal Purchase Price, the Class B Limited Partner shall provide
the Partnership, the successor Class B Limited Partner, if any, and the Investor Limited Partner
with additional written releases from the Class B Limited Partner (and any Affiliates to whom
obligations of any kind are owed by the Partnership, the successor Class B Limited Partner, if
any, the Limited Partners or any of their respective Affiliates) confirming such releases.

I. In the event that the Class B Limited Partner is removed pursuant to the
provisions of this Section 8.5, all agreements between the Partnership and the Class B Limited
Partner and/or its Affiliates shall be terminated and, except for payment of the Class B Removal
Purchase Price due to the Class B Limited (or such Affiliates), the Partnership shall have no
further obligations under such agreements. From and after the effective date of its removal, the
removed Class B Limited Partner shall not be liable for obligations of the Partnership incurred
subsequent to such effective date unless such obligations arise out of acts or omissions of the
Class B Limited Partner prior to such effective date. The removed Class B Limited Partner shall
continue to be liable for all obligations, liabilities, and guarantees incurred by it in its capacity as
the Class B Limited Partner and any Partnership obligations not listed in the prior year's
financial statements or otherwise described in writing to the Special Limited Partner, and for any
Adverse Consequences caused by or arising out of its acts or omissions, prior to the effective
date of its removal. Without limiting the generality of the foregoing, and in addition to any of its
other obligations hereunder, the removed Class B Limited Partner shall continue to be liable for
any payments or advances due to the Limited Partners or the Partnership pursuant to the Capital
Contribution adjustment provisions of Article V as a result of any adjustments determined
thereunder, other than adjustments arising from a Recapture Event subsequent to the effective
date of the removal of the removed Class B Limited Partner.

J. The election by the Special Limited Partner to remove any Class B Limited
Partner pursuant to the provisions of this Section 8.5 shall not limit or restrict the availability and
use of any other remedy that the Special Limited Partner or the Investor Limited Partner may
have with respect to any Class B Limited Partner in connection with its undertakings and
responsibilities under this Agreement, and the exercise by the Special Limited Partner of the
rights granted to it in this Section 8.5 is understood by the parties hereto to be permitted by the
Uniform Act as the exercise of powers not constituting participation in the control of the
business so as to cause the Special Limited Partner (or the Investor Limited Partner) to be liable
for Partnership obligations as a general partner.

K. In the event that any Class B Limited Partner is removed pursuant to the
provisions of this Section 8.5, the removed Class B Limited Partner shall immediately deliver to
the Special Limited Partner all books, records, tax and financial information relating to the
Partnership and the Property that are in the possession or under the control of the Class B
Limited Partner or any of its Affiliates. The Class B Limited Partner agrees that if it fails to
comply with the provisions of this Section 8.5K, the Limited Partners may enforce such
provisions by specific performance, and no portion of the Class B Removal Purchase Price shall
be payable unless the provisions of this Section are fully and promptly complied with.

L. If any Class B Limited Partner fails to comply with any of its obligations under
this Section 8.5 or contests the right of the Special Limited Partner to exercise the removal or
other rights described in this Section 8.5, any costs and expenses incurred by the Limited
Partners in enforcing their rights in this Section 8.5, including, without limitation, reasonable legal fees and expenses, shall be paid by the Class B Limited Partner upon presentation of an itemized statement describing the same, which costs shall be deemed to be Adverse Consequences for purposes of this Section.

M. Notwithstanding the foregoing, in the event a bona fide dispute exists as to the occurrence of a Class B Default, the Class B Limited Partner shall have the right, within twenty (20) days of the Class B Removal Notice Date to submit the matter for non-binding mediation and then Arbitration in Keller, Texas, in accordance with the rules of the American Arbitration Association, and if the arbitrator (the “Arbitrator”) finds that a Class B Default has occurred, the Class B Limited Partner agrees that the Class B Limited Partner will be removed as a Partner from the Partnership; provided, however, that (1) any finding by the Arbitrator shall not be final or binding; (2) the Class B Limited Partner or the Investor Limited Partner, as the case may be, shall have the right, only after the Class B Limited Partner has been removed pursuant to Section 8.5 of this Agreement, to challenge the Arbitrator’s finding in a court of competent jurisdiction; and (3) in no event shall the removal of the Class B Limited Partner be construed as a waiver of such right. In addition to the requirements set forth above, testimony during Arbitration shall be limited to three (3) days per party and the prevailing party shall be entitled to reimbursement for any reasonable attorney’s fees incurred in connection with such Arbitration.

ARTICLE IX

Loans; Mortgage Refinancing; Property Disposition

Section 9.1. General

A. The Partnership shall be authorized to obtain the Mortgage Loans to finance the acquisition, development and construction of the Property and (to the extent permitted by the Lender) shall secure the same by the Mortgages. Except as set forth in the Project Documents as they exist on the date of Investment Closing, each Mortgage shall provide that no Partner or Related Person shall bear the Economic Risk of Loss for all or any part of such Mortgage Loans except for nonrecourse carveouts and indemnification required under Section 3.8 and Article XII of the Bond Loan Agreement.

B. Subject to Section 6.1, the General Partners are specifically authorized, for and on behalf of the Partnership, to execute the Project Documents and any permitted amendments thereto and, subject to the limitations set forth herein, such other documents as they deem necessary or appropriate in connection with the acquisition, development, operation and financing of the Property.

C. All Partnership borrowings shall be subject to Section 6.1, this Article, the Project Documents and the Regulations. To the extent borrowings are permitted, they may be made from any source, including Partners and Affiliates. The Partnership may accept Development Advances as and when permitted pursuant to the Development Agreement, and may issue instruments evidencing Operating Expense Loans and Working Capital Loans.

D. If any Partner shall lend any monies to the Partnership, any such loan shall be unsecured and the amount of any such additional loan shall not be an increase of its Capital
Contribution. Until such time as the General Partners and the Developer shall have performed fully their obligations to make Operating Expense Loans, Working Capital Loans and Development Advances, any loan from a General Partner or an Affiliate of a General Partner shall be an obligation of the Partnership to the Partner or Affiliate only if it constitutes an Operating Expense Loan, Working Capital Loan or Development Advance in accordance with the provisions of this Agreement or the Development Agreement, as applicable and shall be repayable as herein provided. Subject to the preceding sentence, any loans to the Partnership by a General Partner or an Affiliate of a General Partner may be made on such terms and conditions as may be agreed on by the Partnership, consistent with good business practices.

E. Subject to the provisions of this Agreement with respect to related party loans, a limited partner or member (which may include without limitation the Federal Home Loan Mortgage Corporation) in the Investor Limited Partner (such limited partner or member being referred to herein as a “Mortgagee Limited Partner”) at any time may make, guarantee, own acquire, or otherwise credit enhance, in whole or in part, a loan secured by a mortgage, deed of trust, trust deed, or other security instrument encumbering the Property owned by the Partnership (any such loan being referred to as a “Related Mortgage Loan”). Under no circumstances will a Mortgagee Limited Partner be considered to be acting on behalf or as an agent or the alter ego of the Investor Limited Partner. A Mortgagee Limited Partner may take any actions that the Mortgagee Limited Partner, in its discretion, determines to be advisable in connection with its Related Mortgage Loan (including in connection with the enforcement of its Related Mortgage Loan). Each Partner agrees, to the extent permitted by applicable law, that no Mortgagee Limited Partner owes the Partnership or any Partner any fiduciary duty or other duty or obligation whatsoever by virtue of such Mortgagee Limited Partner being a limited partner or member in the Investor Limited Partner. Neither the Partnership nor any Partner will make any claim against a Mortgagee Limited Partner, or against the Investor Limited Partner in which the Mortgagee Limited Partner is a partner or member, relating to a Related Mortgage Loan and alleging any breach of any fiduciary duty, duty of care, or other duty whatsoever to the Partnership or to any Partner based in any way upon the Mortgagee Limited Partner's status as a limited partner or member of the Investor Limited Partner. Notwithstanding any provision to the contrary in this Section 9.1E, the General Partners shall not obtain or consent to any Related Mortgage Loan unless (i) they have obtained the prior Consent of the Investor Limited Partner and (ii) they have determined, based on the financial projections prepared at the time of requesting such Consent and the advice of Investor Tax Counsel, that the Related Mortgage Loan will not result in any reallocation of Tax Credits or other tax benefits among the Partners.

F. Any debt or bond financing or any credit support, guarantee or other financial enhancement of indebtedness related to or for the benefit of the Partnership or the Project (collectively, “Financing”) shall require the consent of the Investor Limited Partner if Fannie Mae has any present involvement (or any contemplated future involvement pursuant to a commitment existing at such time) with or relationship to such Financing. The request for the Investor Limited Partner’s consent shall include the General Partners’ determination, based upon advice of the tax counsel or Accountants for the Partnership, that the Financing from Fannie Mae will not cause any reallocation or recapture of profits, losses, tax credits or other tax benefits of or among the Partners of the Partnership.
G. The General Partners shall take any action within their reasonable control necessary to remedy any reallocation or recapture of profits, losses, tax credits or other tax benefits of or among the Partners of the Partnership resulting from any Financing from Fannie Mae related to or for the benefit of the Partnership or the Project.

Section 9.2. Refinancing and Sale

The Partnership may not increase the amount of or otherwise materially modify any Mortgage Loan, obtain any new Mortgage Loan or refinance any Mortgage Loan (other than pursuant to and substantially in accordance with a Mortgage Loan Commitment in existence at Investment Closing) including any required transfer or conveyance of Partnership assets for security or mortgage purposes, and may not sell, lease, exchange or otherwise transfer or convey all or substantially all the assets of the Partnership without the Consent of the Investor Limited Partner and Class B Limited Partner which Consent, after the Compliance Period, shall not be unreasonably withheld. Notwithstanding the foregoing, no such Consent shall be required for the leasing of apartments to tenants in the normal course of operations; provided, however, unless such Consent is obtained the Partnership shall lease the Project in such a manner as to qualify as a “qualified low-income housing project” under Section 42(g)(1) of the Code, and shall lease all of the Low Income Units to Qualified Tenants.

Section 9.3. Sales Commissions

In connection with the sale of the Property by the Partnership, no Person may receive real estate commissions in excess of that which is reasonable, customary, and competitive with those paid in similar transactions in the same geographic area. Real estate commissions may be paid to an Affiliate of the General Partners.

ARTICLE X

Profits, Losses and Distributions

Section 10.1. Distributions Prior to Dissolution

A. Distribution of Cash Flow. Subject to any Requisite Approvals, (i) net rental income generated through the Completion Date shall be includable in Designated Proceeds and shall be available to the Developer and the General Partners for the purposes and subject to the conditions set forth in the Development Agreement and Section 6.8D hereof, (ii) Cash Flow in respect of the period from the Completion Date through the first anniversary of the Completion Date shall be used to pay the Priority Distribution to the Investor Limited Partner, with any balance paid to the Developer as payment of the Deferred Development Fee, and (ii) Cash Flow for each Fiscal Year (or fractional portion thereof) after the first anniversary of the Completion Date shall be distributed, within ninety (90) days after the end of each Fiscal Year, in the following order of priority:

First, to the Investor Limited Partner until the Investor Limited Partner has received distributions under this Section 10.1A (exclusive of distributions pursuant to Clause Second below) equal to the Cumulative Priority Distribution;
Second, to the Investor Limited Partner an amount equal to any theretofore unpaid Tax Credit Shortfall Payments;

Third, to the payment of any Deferred Development Fee and any accrued interest thereon; or to the payment to the General Partners of the Capital Contribution made by the General Partners under Section 4.1 hereof;

Fourth, to the repayment of any Operating Expense Loans or Working Capital Loans then outstanding; and

Fifth, 10% of the balance remaining after Clause Fourth above shall be distributed to the Investor Limited Partner;

Sixth, to the payment of the Incentive Management Fee;

Seventh, any balance shall be used as follows: 83% shall be paid to the Class B Limited Partner, 17% shall be distributed to the General Partner.

B. Distributions of Capital Transaction Proceeds

Prior to dissolution, if the General Partners shall determine that there are proceeds available for distribution from a Capital Transaction, such proceeds shall be applied and distributed as follows:

First, to discharge, to the extent required by any lender or creditor, the debts and obligations of the Partnership (other than items listed in the ensuing clauses of this Section 10.1B);

Second, to fund reserves for contingent liabilities to the extent deemed reasonable by the General Partner (other than items listed in the ensuing clauses of this Section 10.1B);

Third, to the repayment of any outstanding Deferred Development Fee and any interest accrued thereon; or to the payment to the General Partners of the Capital Contribution made by the General Partners under Section 4.1 hereof;

Fourth, to the payment of any outstanding Operating Expense Loans and any outstanding Working Capital Loans;

Fifth, to the Investor Limited Partner an amount equal to the excess (if any) of (i) the amount of the Cumulative Priority Distribution over (ii) the sum of (a) prior distributions under this Clause Fifth and (b) prior distributions under Clause First of Section 10.1A;

Sixth, to the Investor Limited Partner an amount equal to theretofore unpaid Tax Credit Shortfall Payments;

Seventh, $10,000 to the Special Limited Partner; and
Eighth, the balance of such proceeds, if any, shall be distributed 20% to the Investor Limited Partner, 10% to the General Partner, and 70% to the Class B Limited Partner.

C. Sharing of Distributions

All distributions to the respective classes of the Partners shall be shared by the members of such classes in accordance with the percentages set forth opposite their respective names on the Schedule, except as otherwise provided in this Agreement.

D. Proceeds from Insurance

Notwithstanding the provisions of Sections 10.1A or 10.1B, if the Partnership receives proceeds from the Title Policy, an insurance policy, or as the result of a casualty or condemnation after payment of debts and obligations of the Partnership, such proceeds shall be applied and distributed as follows: first, pursuant to Section 10.1B First; second, pursuant to Section 10.1B Second, third, to the payment to the Investor Limited Partner of an amount equal to 100% of its Net Capital Contribution that has been contributed to date, less the value of the Federal Tax Credits and losses taken and less any cash distributions received under Section 10.1A, and then pursuant to Section 10.1B beginning with Section 10.1B Third.

Section 10.2. Distributions Upon Dissolution

A. Upon dissolution and termination, after payment of, or adequate provision for, the debts and obligations of the Partnership, the remaining assets of the Partnership shall be distributed to the Partners in accordance with the positive balances in their Capital Accounts after taking into account all Capital Account adjustments for the Partnership taxable year, including adjustments to Capital Accounts pursuant to Sections 10.2B and 10.3B. Liquidation distributions shall be made by the end of the taxable year in which the liquidation occurs or, if later, within ninety (90) days after the date of liquidation. In the event that a General Partner or Investor Limited Partner has a negative balance in its Capital Account following the liquidation of the Partnership or its Interest after taking into account all Capital Account adjustments for the Partnership taxable year in which the liquidation occurs, such General Partner shall pay to the Partnership in cash an amount equal to the negative balance in its Capital Account. Such payment shall be made by the end of such taxable year (or, if later, within ninety (90) days after the date of such liquidation) and shall, upon liquidation of the Partnership, be paid to recourse creditors of the Partnership or distributed to other Partners in accordance with the positive balances in their Capital Accounts. Notwithstanding the foregoing, the obligation of the Investor Limited Partner to contribute such deficit shall be zero unless and until it shall notify the Partnership in writing of its election to have a different amount (the “Designated Amount”) apply, which Designated Amount may be increased or reduced (subject to the provisions of the following sentence) by similar written notice from the Investor Limited Partner at any subsequent date. No such notice shall be effective with respect to any Fiscal Year unless the same shall be given prior to the end of such Fiscal Year. No subsequent reduction to the Designated Amount shall reduce the same below the Investor Limited Partner’s deficit balance in its Capital Account (as such Capital Account is increased by the Investor Limited Partner’s share of Partnership Minimum Gain) at the end of the Partnership’s immediately preceding tax year.
B. With respect to assets distributed in kind to the Partners in liquidation or otherwise, (i) any unrealized appreciation or unrealized depreciation in the values of such assets shall be deemed to be profits and losses realized by the Partnership immediately prior to the liquidation or other distribution event; and (ii) such profits and losses shall be allocated to the Partners in accordance with Section 10.3B, and any property so distributed shall be treated as a distribution of an amount in cash equal to the excess of such fair market value over the outstanding principal balance of and accrued interest on any debt by which the property is encumbered. For the purposes of this Section 10.2B, "unrealized appreciation" or "unrealized depreciation" shall mean the difference between the fair market value of such assets, taking into account the fair market value of the associated financing (but subject to Section 7701(g) of the Code), and the Partnership's adjusted basis for such assets as determined under Section 1.704-1(b). This Section 10.2B is merely intended to provide a rule for allocating unrealized gains and losses upon liquidation or other distribution event, and nothing contained in this Section 10.2B or elsewhere herein is intended to treat or cause such distributions to be treated as sales for value. The fair market value of such assets shall be determined by an appraiser to be selected by the General Partners with the Consent of the Investor Limited Partner.

Section 10.3. Profits, Losses and Tax Credits

A. Except as otherwise specifically provided in this Article X, for each Fiscal Year or portion thereof, profits, tax-exempt income, losses and non-deductible, non-capitalizable expenditures incurred and/or accrued by the Partnership, shall be allocated 0.01% to the General Partners, 0.01% to the Class B Limited Partner and 99.98% to the Investor Limited Partner.

B. Except as otherwise specifically provided in Section 10.4 or elsewhere in this Article X, all profits and losses arising from a Capital Transaction shall be allocated to the Partners as follows:

As to profits:

First, an amount of profit equal to the aggregate negative balances (if any) in the Capital Accounts of all Partners having negative balance Capital Accounts shall be allocated to such Partners in proportion to their negative Capital Account balances until all such Capital Accounts shall have zero balances; and

Second, an amount of profits shall be allocated to each of the Partners until the positive balance in the Capital Account of each Partner equals, as nearly as possible, the amount of cash which would be distributed to such Partner if the aggregate amount in the Capital Accounts of all Partners were cash available to be distributed in accordance with the provisions of Clauses Fifth through Eighth of Section 10.1B.

As to losses:

First, an amount of losses equal to the aggregate positive balances (if any) in the Capital Accounts of all Partners having positive balance Capital Accounts shall be allocated to such Partners in proportion to their positive Capital Account balances until all such Capital Accounts shall have zero balances; provided,
however, that if the amount of losses so to be allocated is less than the sum of the positive balances in the Capital Accounts of those Partners having positive balances in their Capital Accounts, then such losses shall be allocated to the Partners in such proportions and in such amounts so that the Capital Account balances of each Partner shall equal, as nearly as possible, the amount such Partner would receive if an amount equal to the excess of (a) the sum of all Partners' balances in their Capital Accounts computed prior to the allocation of losses under this clause First over (b) the aggregate amount of losses to be allocated to the Partners pursuant to this clause First were distributed to the Partners in accordance with the provisions of Fifth through Eighth of Section 10.1B; and

Second, the balance, if any, of such losses shall be allocated 0.01% to the General Partners, 0.01% to the Class B Limited Partner, and 99.98% to the Investor Limited Partner.

C. If the Partnership (i) incurs recourse obligations or Partner Nonrecourse Debt (including without limitation Operating Expense Loans), (ii) accepts Special Capital Contributions pursuant to Section 6.9 or (iii) incurs losses from extraordinary events which are not recovered from insurance or otherwise (the items referred to in clauses (i), (ii) and (iii) being hereinafter referred to collectively as the "Section 10.3C Items") in respect of any Partnership taxable year, then the calculation and allocation of profits and losses shall be adjusted as follows: first, an amount of deductions (consisting of operating expenses and not cost recovery deductions) attributable to the Section 10.3C Items shall be allocated to the General Partners; and second, the balance of such deductions shall be allocated as provided in Section 10.3A. For purposes of this Section 10.3C, extraordinary events includes casualty losses, losses resulting from liability to third parties for tortious injury, losses resulting from a breach of a legal duty by the Partnership or by the General Partners, and deductions resulting from other liabilities which are not incurred in the ordinary course of business. Nothing in this Section 10.3C shall prevent the Partnership from recovering an extraordinary loss from a General Partner who is liable therefor by law or under this Agreement.

D. If any Section 10.3C Items shall be repaid from cash generated in respect of any Fiscal Year, then the allocation of profits and losses under Section 10.3A for such Fiscal Year shall be adjusted as follows: first, the General Partners shall be allocated an amount of the gross income of the Partnership equal to the lesser of (i) the amount of items of loss or expense previously allocated to the General Partners under Section 10.3C and not previously offset by allocations of gross income under this Section 10.3D or items thereof and (ii) the amount of the Section 10.3C Items repaid in such year and second, all remaining gross income and all expenses shall be allocated as provided in Section 10.3A. Nothing in this Section 10.3D shall be construed to authorize the return of Special Capital Contributions. This section shall be applied in conjunction with Section 10.4B to avoid the double allocation of gain under such sections when Operating Expense Loans are repaid.

E. Notwithstanding the foregoing provisions of Sections 10.3.A and 10.3.B, in no event shall any losses be allocated to a Limited Partner if and to the extent that such allocation would cause, as of the end of the Partnership taxable year, the negative balance in such Limited
Partner's Capital Account to exceed such Limited Partner's share of Partnership Minimum Gain plus such Limited Partner's share of Partner Nonrecourse Debt Minimum Gain plus the amount, of such Limited Partner's Designated Amount (as specified in accordance with Section 10.2A). Any losses which are not allocated to the Limited Partners by virtue of the application of this Section 10.3E shall be allocated as required under Treasury Regulation Section 1.704-1(b). For purposes of this Section 10.3E, a Partner's Capital Account shall be treated as reduced by Qualified Income Offset Items.

F. The terms “profits” and “losses” used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering into the computation thereof, as determined in accordance with the accounting methods followed by the Partnership and computed in a manner consistent with Treasury Regulation Section 1.704-1(b)(2)(iv). Profits and losses for federal income tax purposes shall be allocated in the same manner as profits and losses under Section 10.3 except as provided in Section 10.5B.

G. Tax credits under Section 42 of the Code shall be allocated among the Partners in the same manner as the deductions attributable to the expenditures creating the tax credit are allocated among the Partners in accordance with Treasury Regulation Section 1.704-1(b)(4)(ii).

Section 10.4. Minimum Gain Chargebacks and Qualified Income Offset

A. If there is a net decrease in Partnership Minimum Gain during a Partnership taxable year, each Partner will be allocated items of income and gain for such year (and, if necessary, subsequent years) in the proportion to, and to the extent of, an amount equal to such Partner's share of the net decrease in Partnership Minimum Gain during the year. A Partner is not subject to this Partnership Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(f) under Section 704 of the Code.

B. If there is a net decrease in Partner Nonrecourse Debt Minimum Gain during a Partnership taxable year, then each Partner with a share of the minimum gain attributable to such debt at the beginning of such year will be allocated items of income and gain for such year (and, if necessary, subsequent years) in proportion to, and to the extent of, an amount equal to such Partner's share of the net decrease in Partner Nonrecourse Debt Minimum Gain during the year. A Partner is not subject to this Partner Nonrecourse Debt Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(f)(4) under Section 704 of the Code.

C. If a Limited Partner unexpectedly receives in any taxable year (1) any adjustments, allocations or distributions described in Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) or (2) a distribution, and such adjustment, allocation and/or distribution would cause the negative balance in such Partner's Capital Account to exceed (i) such Partner's share of Partnership Minimum Gain plus (ii) such Partner's share of Partner Nonrecourse Debt Minimum Gain and (iii) the amount of such Partner's obligation, if any, to
restore a deficit balance in his Capital Account, then such Partner shall be allocated items of income and gain in an amount and manner sufficient to eliminate such negative balance as quickly as possible. For purposes of this Section 10.4C, a Partner's Capital Account shall be treated as reduced by Qualified Income Offset Items.

Section 10.5. Special Provisions

A. Except as otherwise provided in this Agreement, all profits, losses, credits and distributions shared by the respective classes composed of the Special Limited Partner and the General Partners shall be allocated among the members of such class in accordance with the percentages set forth opposite their respective names in the Schedule. Subject to the provisions of Section 13.8, the Investor Limited Partner and Special Limited Partner each shall be deemed to have been admitted to the Partnership as of the first day of the month during which its actual admission occurs for purposes of allocating profits and losses.

B. Income, gain, loss and deduction with respect to property which has a variation between its basis computed in accordance with Treasury Regulation Section 1.704-1(b) and its basis computed for federal income tax purposes shall be shared among the Partners for tax purposes so as to take account of such variation in a manner consistent with the principles of Section 704(c) of the Code and Treasury Regulation Sections 1.704-1(b)(2)(iv)(g) and 1.704-3.

C. If the Partnership shall receive any purchase money indebtedness in partial payment of the purchase price of the Project and such indebtedness is distributed to the Partners pursuant to the provisions of Section 10.1B or Section 10.2, the distributions of the cash portion of such purchase price and the principal amount of such purchase money indebtedness hereunder shall be allocated among the Partners in the following manner: On the basis of the sum of the principal amount of the purchase money indebtedness and cash payments received on the sale (net of amounts required to pay Partnership obligations and fund reasonable reserves), there shall be calculated the percentage of the total net proceeds distributable to each class of Partners based on Section 10.1B or Section 10.2, as applicable, treating cash payments and purchase money indebtedness principal interchangeably for this purpose, and the respective classes shall receive such respective percentages of the net cash purchase price and purchase money principal. Payments on such purchase money indebtedness retained by the Partnership shall be distributed in accordance with the respective portions of principal allocated to the respective classes of Partners in accordance with the preceding sentence, and if any such purchase money indebtedness shall be sold, the sale proceeds shall be allocated in the same proportion.

D. In the event that any fee payable to any General Partner or any Affiliate shall instead be determined to be a non-deductible, non-capitalizable distribution from the Partnership to a Partner for federal income tax purposes, then there shall be allocated to such General Partner an amount of gross income equal to the amount of such distribution.

E. Notwithstanding any provision to the contrary in this Article X, funds of the Partnership constituting Designated Proceeds shall be applied to pay Development Costs and the Development Amount in accordance with the provisions of this Agreement, the Development Agreement and the Project Documents.
F. In applying the provisions of this Article X with respect to distributions and allocations, the following ordering of priorities shall apply:

1. Capital Accounts shall be deemed to be reduced by Qualified Income Offset Items.
2. Capital Accounts shall be reduced by distributions of Cash Flow under Section 10.1A.
3. Capital Accounts shall be reduced by distributions from Capital Transactions under Section 10.1B.
4. Capital Accounts shall be increased by any minimum gain chargeback under Section 10.4A or 10.4B.
5. Capital Accounts shall be increased by any qualified income offset under Section 10.4C.
6. Capital Accounts shall be increased by allocations of profits under Section 10.3A.
7. Capital Accounts shall be reduced by allocations of losses under Section 10.3A.
8. Capital Accounts shall be reduced by allocations of losses under Section 10.3B.
9. Capital Accounts shall be increased by allocations of profits under Section 10.3B.

G. For purposes of determining each Partner's proportionate share of excess Partnership Nonrecourse Liabilities pursuant to Treasury Regulation Section 1.752-3(a)(3), the Investor Limited Partner shall be deemed to have a 99.98% interest in profits of the Partnership, the Class B Limited Partner shall be deemed to have a 0.01% interest in profits of the Partnership, and the General Partners shall be deemed to have a 0.01% interest in profits of the Partnership.

H. To the maximum extent permitted under the Code, allocations of profits and losses shall be modified so that the Partners' Capital Accounts reflect the amount they would have reflected if adjustments required by Section 10.4 had not occurred. Furthermore, if for any Fiscal Year the application of the provisions of Section 10.4 would cause a distortion in the economic sharing arrangement among the Partners and it is not expected that the Partnership will have sufficient other income to correct that distortion, the General Partners may request a waiver from the Service of the application in whole or in part of Section 10.4 in accordance with Treasury Regulation Section 1.704-2(f)(4). Notwithstanding any provision to the contrary in this Section 10.5H, depreciation deductions shall in all events be allocated 99.98% to the Investor Limited Partner, 0.01% to the General Partners, and 0.01% to the Class B Limited Partner.
I. To the extent that interest on obligations to any General Partner or its Affiliates is determined to be deductible by the Partnership in excess of the stated amount of interest payable thereunder, the corresponding additional interest deduction shall be allocated solely to such General Partner.

J. Any interest income earned by the Partnership on any and all reserve, escrow or other accounts prior to the Completion Date shall be specially allocated to the General Partner.

K. Nonrecourse deductions as defined in Treasury Regulation Section 1.704-2(b)(1) for any Fiscal Year shall be allocated 99.98% to the Investor Limited Partner, 0.01% to the Class B Limited Partner, and 0.01% to the General Partners.

L. Any partner nonrecourse deductions as determined under Treasury Regulation Sections 1.704-2(i)(2) and 1.704-2(k) with respect to Partner Nonrecourse Debt for any Fiscal Year shall be specially allocated to the Partner or Partners that bear the Economic Risk of Loss with respect to the Partner Nonrecourse Debt to which such deductions are attributable in accordance with Treasury Regulation Section 1.704-2(b)(4) and 1.704-2(i).

M. The Partnership and its Partners shall be permitted to disclose to any and all Persons, without limitation of any kind, the tax treatment and tax structure (as defined in Treasury Regulation Section 1.6011-4(c)) of the transaction contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) relating to such tax treatment and tax structure.

ARTICLE XI

Management Agent

Section 11.1. Management Agent

The General Partners shall have responsibility for obtaining a Management Agent acceptable to the Investor Limited Partner and each Lender and Governmental Agency to manage the Project in accordance with the requirements of each Lender and Governmental Agency. The General Partners shall cause the Partnership to enter into the Management Agreement with the Management Agent, which may be an Affiliate of a General Partner or the Class B Limited Partner; provided, however, that in the event that the Management Agreement is with an Affiliate of a General Partner, the Management Agreement shall provide that the Management Agent shall be removed and the Management Agreement shall be terminated if the General Partner is removed pursuant to this Agreement. The initial Management Agent shall be Alpha-Barnes Real Estate Services. Subject to the Regulations, the Management Agent shall be entitled to receive a reasonable and competitive Management Fee (determined by reference to arm's-length property management arrangements for comparable properties in force in the general locality of the Project) initially of the lesser of 3.5% of gross rental income or the maximum amount permitted by any relevant Governmental Agency or Lender. Notwithstanding the foregoing however, the General Partner in its reasonable discretion (with the approval of the Class B Limited Partner) and upon its determination that project revenues are sufficient to support the payment of a higher Management Fee may increase such Management Fee to an
amount which will not exceed the lesser of 5% of gross rental income or the maximum amount permitted by any relevant Governmental Agency or Lender.

If at any time after the Completion Date:

(i) the Project shall be subject to any substantial building code violation which shall not have been cured within ninety (90) days after notice from the applicable Governmental Agency or department or unless such violation is being validly contested by the General Partners by proceedings which operate to prevent any fines or criminal penalties from being levied against the Partnership or unless, in the case of any such violation not susceptible of cure within such ninety (90)-day period, the General Partners are diligently making reasonable efforts to cure the same,

(ii) operating revenues of the Project in respect of any period of twenty-four (24) consecutive calendar months after the Completion Date shall be insufficient to permit the Partnership to pay when due on a current basis all Partnership obligations in respect of such twenty-four (24)-month period,

(iii) the Project ceases to qualify as a "qualified low-income housing project" under Section 42(g) of the Code or any Low Income Unit in the Project ceases to qualify as a "low income unit" under Section 42(i)(3) of the Code,

(iv) a Recapture Event shall have occurred, or

(v) the Management Agent or its agents or employees have demonstrated incompetence or malfeasance in the management of the Project, or

(vi) the Special Limited Partner has elected to remove a General Partner that is an Affiliate of the Management Agent pursuant to the provisions of Section 7.7,

then the General Partners shall forthwith give to the Special Limited Partner notice of such event, (a "Management Default Notice") and thereafter the Partnership shall, subject to any Requisite Approvals, forthwith terminate its management agreement with the Management Agent, unless the approval of the Special Limited Partner is obtained to the retention of the Management Agent. Upon any termination, the General Partners shall immediately proceed to select a qualified Person as the new Management Agent (which, in the event the terminated Management Agent was an Affiliate of a General Partner, shall be unaffiliated with any General Partner) as the new Management Agent for the Property, which selection shall be subject to the Consent of the Investor Limited Partner and any Requisite Approvals; and, after such selection, no Management Fee shall be payable to any Person which is an Affiliate of a General Partner unless the management contract with any such Person shall provide for the right of the Partnership to terminate the same upon the occurrence of the circumstance described in this Article XI.
Section 11.2. Special Power of Attorney

If an event described in clauses (i) through (vi) of Section 11.1 above occurs and the General Partner fails to send a Management Default Notice to the Special Limited Partner within the ten (10) days of the date the General Partner became aware of such event, the Special Limited Partner hereby is granted an irrevocable power of attorney, coupled with an interest, to take such action, and to execute and deliver such documents on behalf of the Partners and the Partnership, as shall be legally necessary and sufficient to effect the provisions of this Article XI.

ARTICLE XII

Books and Reporting, Accounting, Tax Election, Etc

Section 12.1. Books, Records and Reporting

A. The General Partners shall keep or cause to be kept a complete and accurate set of books and supporting documentation with respect to the Partnership's business. The books of the Partnership shall be kept on the accrual basis. The books and records of the Partnership (including all records required to be maintained under the Uniform Act) shall at all times be maintained at the offices of the Developer until the Completion Date, and thereafter at the principal office of the Partnership. Each Partner, its duly authorized representatives and any regulatory authority which regulates such Partner shall have the right to examine the books of the Partnership and all other records and information concerning the Partnership and the Project at reasonable times. The books and records of the Partnership shall include, without limitation, copies of the following: (i) the Partnership's federal, state and local income tax or information returns and reports, if any, and all related back-up documentation for ten (10) years from the date of production and (ii) financial statements of the Partnership for ten (10) years from the date of production.

B. The books of the Partnership shall be examined by the Accountants in accordance with generally accepted auditing standards annually as of the end of each Fiscal Year of the Partnership. The General Partners shall prepare a balance sheet as of the end of each such year and statements of income, partners' equity and cash flows for such year. Said balance sheet and statements shall be accompanied by the opinion of the Accountants that said balance sheet and statements have been prepared in accordance with generally accepted accounting principles applied consistently with prior periods identifying any matters to which the Accountants take exception and stating, to the extent practicable, the effect of each such exception on such financial statements. As a note to such financial statements, the General Partners shall prepare a schedule of all loans to the Partnership (to be reviewed by the Accountants), setting forth the purpose of such loan and Section of this Agreement or the Development Agreement under which such loan was obtained. Such schedule shall demonstrate that loans have been made, used, carried on the books of the Partnership (and repaid, if applicable) in accordance with the provisions of this Agreement and the Development Agreement. In addition, after the first year in which the Accountants examine the financial statements of the Partnership after completion of the Project, the depreciation schedule for that year and all future years, along with the depreciation worksheet, shall be prepared by the General Partners, reviewed by the Accountants and furnished to the Investor Limited Partner. The General Partners shall, promptly upon receipt
of such balance sheet and statements and in any event within sixty (60) days after the end of each 
Fiscal Year, transmit to the Investor Limited Partner a copy thereof. The Accountants shall also 
review and sign the federal and state income tax returns of the Partnership. In connection with 
the preparation of such tax returns, the General Partners shall seek and obtain the advice of the 
Special Limited Partner with respect to material allocations of assets for cost recovery purposes. 
The General Partners shall complete the books of the Partnership in such time as will allow the 
Accountants to complete such tax returns within forty-five (45) days after the end of such Fiscal 
Year. The General Partners shall cause such tax returns to be filed within such time periods and 
shall immediately upon the filing thereof transmit to the Investor Limited Partner a copy of 
Schedule K-1. If the General Partners fail to complete such tax returns and to transmit such 
Schedule K-1 to the Investor Limited Partner within such time periods, shall fail to transmit the 
annual balance sheet and financial statements to the Investor Limited Partner within the time 
period set forth above or shall fail to deliver any of the information required by Section 12.1E 
within twenty (20) days after the end of any applicable quarter of the Partnership's Fiscal Year, 
the General Partners shall pay as damages the sum of $250 per day (plus interest equal to the 
lesser of (i) the highest prime rate as published in the Wall Street Journal (or any comparable 
presentation selected by the Investor Limited Partner in its reasonable discretion if the Wall Street 
Journal ceases to publish such index) plus 3%, with calculations of interest to be made on a daily 
basis and on the basis of a three hundred sixty (360)-day year and (ii) the maximum rate allowed 
by law) to the Investor Limited Partner until such Schedule K-1, and financial statements and 
information required pursuant to Section 12.1E are received by the Investor Limited Partner. 
Such damages shall be paid forthwith by the General Partners and failure to so pay shall 
constitute a default of the General Partners under Section 6.3C. In addition, if the General 
Partners fail to so pay, the Investor Limited Partner may deduct any unpaid damages from any 
portion of its Capital Contribution not yet paid, or if such Capital Contribution has been fully 
paid then the General Partners and their Affiliates shall forthwith cease to be entitled to any Cash 
Flow or to the payment of any fees which are payable from Cash Flow as provided in Section 
10.1A ("Cash Flow Fees"). Such payments of Cash Flow and Cash Flow Fees shall only be 
restored upon the payment of such damages in full and any amount of such damages not so paid 
shall be deducted against payments of the Cash Flow and Cash Flow Fees otherwise due to the 
General Partners or their Affiliates.

Such reports and estimates shall clearly indicate the methods under which they were 
prepared and shall be made at the expense of the Partnership.

C. If the General Partners fail to complete such tax returns and submit such 
Schedules K-1 on a timely basis, the Investor Limited Partner may select a firm of accountants 
who shall prepare such returns and Forms K-1. The General Partners shall immediately furnish 
all necessary documentation and other information to prepare such tax returns and such 
Schedules K-1 to such accountants.

D. Every Limited Partner shall at all times have access to the records of the 
Partnership and may inspect and copy any of them. A list of the names and addresses of all of 
the Limited Partners shall be maintained as part of the books and records of the Partnership and 
shall be mailed to any Limited Partner upon request. A reasonable charge for copy work may be 
charged by the Partnership. Within a reasonable time following receipt of a written direction 
from the Investor Limited Partner, the General Partners shall furnish copies of information or

- 72-
reports required to be maintained or prepared pursuant to this Article XII to members or limited partners of the Investor Limited Partner. Any such direction shall specifically identify the information or reports requested and the name and address of each member or limited partner of the Investor Limited Partner to receive the same.

E. Within fifteen (15) days following the end of each of the first three (3) quarters of each Fiscal Year (and, if and to the extent specifically requested in writing by the Investor Limited Partner, within twenty (20) days following the end of such Fiscal Year), the Managing General Partner shall send to each Person who was a Limited Partner at any time during such quarter one or more reports which, taken together, provide the following information (which need not be audited): (i) a balance sheet as at the end of such quarter; (ii) a statement of income for such quarter on the cash as well as accrual bases; (iii) a statement of cash available for distribution and reserves for such quarter; (iv) a statement describing (a) any new agreement, contract or arrangement between the Partnership and a General Partner or an Affiliate of a General Partner except for payroll and related benefits paid to the Management Company, (b) the amount of all fees and other compensation and distributions and reimbursed expenses paid by the Partnership for the quarter to any General Partner or Affiliate of a General Partner, and (c) the amount of all distributions of Cash Flow and Capital Transaction proceeds made to Partners; and (v) a report of the significant activities of the Partnership during the fiscal quarter. Each quarterly report shall also contain a certification by the General Partner that the Partnership or the General Partner has not received any notice or has been cited by or otherwise warned in writing of any “Violation” (as hereinafter defined) by any Governmental Agency, which Violation could have a materially adverse impact on any of them. For purposes of this certification, a Violation shall mean any act or omission complained of which, if uncured, would be in violation of (a) any applicable statute, code, ordinance, rule or regulation, (b) any agreement or instrument to which the Governmental Agency and the Partnership or the General Partner is a party or to which the Project is subject, (c) any license or permit, or (d) any judgment, decree or order of a court. Any exceptions to the foregoing shall be described in such certification. In addition, if requested by the Investor Limited Partner in writing, within a reasonable time after receipt of such a request, each General Partner shall send to the Investor Limited Partner such recent financial statements (including a balance sheet and statement of income) as shall have been so requested.

F. The General Partners shall provide the Investor Limited Partner and the Class B Limited Partner with (i) a copy of each draw request for construction or development costs as such requests are made to the Lender; (ii) a copy of each inspection report, evaluation or similar report issued to the Partnership by any Governmental Agency or Lender (including without limitation any REAC inspection reports, if applicable) promptly upon receipt thereof; (iii) a copy of each low-income housing tax credit compliance report delivered to or prepared by the applicable tax credit monitoring agency or agencies with respect to the Project; (iv) prompt notice of any casualty or other significant adverse event relating to the Partnership; (v) evidence of insurance, (vi) at least annually, a schedule setting forth the adjustments necessary, if any, to state the income of the Partnership using the longer depreciable lives available under generally accepted accounting principles (rather than the depreciable lives used for federal income tax purposes), and (vii) such other information as the Investor Limited Partner may specifically request from time to time with regard to the business or operations of the Partnership. The
General Partner shall authorize the Developer to execute draw requests on behalf of the Partnership.

G. By the fifteenth (15th) day of each month prior to the Development Obligation Date, the Class B Limited Partner shall provide the Investor Limited Partner with a brief written summary of the status of the construction, development, lease-up and operations of the Project during the prior month.

H. An annual pro forma operating budget for the succeeding calendar year shall be prepared by the General Partners and furnished to the Investor Limited Partner by November 30 of each year. In addition, the General Partners shall prepare and furnish to the Investor Limited Partner an estimate of the profits and losses of the Partnership for federal income tax purposes for the current Fiscal Year not later than September 30 of each year.

I. Within thirty (30) days following the close of the first year of the Credit Period with respect to the Project, the Class B Limited Partner shall provide the Investor Limited Partner with a copy (in electronic form, if feasible) of all records establishing the qualification of tenants under Section 42 of the Code.

J. The General Partners shall furnish to the Investor Limited Partner a radon gas test measurement report and conclusion (a "Radon Report") for each Building upon completion of construction or rehabilitation thereof, unless the Project is located in a county in the lowest risk EPA radon map Zone 3. The Radon Report must come from a radon service professional who (i) meets state-specific requirements, if any, for providing such Radon Reports, and (ii) has a proficiency listing, accreditation or certification in radon test measurement from either (a) The National Environmental Health Association ("NEHA") National Radon Proficiency Program or (b) The National Radon Safety Board ("NRSB"). Alternatively, a Radon Report from an environmental professional who lacks such a proficiency listing, accreditation or certification from NEHA or NRSB may be acceptable if it follows state-specific requirements and EPA recommendations and protocols set forth in the following EPA publications: Protocols for Radon and Radon Decay Product Measurements in Homes (EPA 402-R-93-003, June, 1993) and the Indoor Radon and Radon Decay Product Measurement Device Protocols (EPA 402-R-92-004, July, 1992), which protocols are summarized at www.aircheck.com. If the Radon Report demonstrates that the radon gas level for a Building exceeds the EPA standard for radon action or remediation then in effect, the General Partners shall install a radon mitigation system or take other recommended mitigation measures and shall provide a follow-up Radon Report to confirm effectiveness.

K. The General Partners will notify the Partners of any "reportable transaction" under Treasury Regulation Section 1.6011-4 in which the Partnership shall engage.

Section 12.2. Bank Accounts

Subject to any Requisite Approvals, the bank accounts of the Partnership shall be maintained in such banking institutions as the General Partners shall determine and withdrawals shall be made only in the regular course of Partnership business on the signature of the Managing General Partner. All deposits and other funds not needed in the operation of the business shall be
deposited, to the extent permitted by the Lender and the Governmental Agency, in interest-bearing accounts or invested in short-term United States Government obligations maturing within one (1) year.

Section 12.3. Elections

Unless the Consent of the Investor Limited Partner is obtained permitting a different treatment, and except to the extent otherwise required by Section 168(g)(1)(B) of the Code, the Partnership shall depreciate its residential rental property, site improvements and personal property costs, respectively, over twenty-seven and a half (27.5) years, fifteen (15) years and seven (7) years for federal income tax purposes and over forty (40) years, twenty (20) years and ten (10) years (or over such other relevant useful lives as the Accountants shall deem appropriate) for financial accounting purposes. Subject to the provisions of Section 12.4, all other elections required or permitted to be made by the Partnership under the Code shall be made by the General Partners in such manner as they consider to be most advantageous to the Limited Partners.

Section 12.4. Special Adjustments

In the event of (i) a transfer of all or any part of any Interest or (ii) an election pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) is made by the Investor Limited Partner, the Partnership shall elect, if requested by the transferee or by the Investor Limited Partner (as the case may be), pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) to adjust the basis of Partnership assets. Notwithstanding anything to the contrary contained in Article X, any adjustments made pursuant to said Section 754 shall affect only the successor in interest to the transferring Partner. Each Partner will furnish the Partnership with all information necessary to give effect to such election.

Section 12.5. Fiscal Year

The Fiscal Year of the Partnership shall be the calendar year unless a different year is required by the Code.

ARTICLE XIII

Goldberg, Esq., Gallagher Evelius & Jones LLP, 218 North Charles Street, Suite 400, Baltimore, MD 21201.

Section 13.2. Word Meanings

The words such as “herein,” “hereinafter,” “hereof,” and “hereunder” refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires. The singular shall include the plural and the masculine gender shall include the feminine and neuter, and vice versa, unless the context otherwise requires. Any references to “Sections” or “Articles” are to Sections or Articles of this Agreement, unless reference is expressly made to a different document. A defined term (i) has the same meaning throughout this Agreement, (ii) may appear in this Agreement before its definition, and (iii) applies to all grammatical variations of the term also shown with initial capital letters (e.g., the definition of the noun “Affiliate” also applies to the verb “affiliated” and the adjective “unaffiliated”). The word “including” does not exclude items not listed.

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement. Subject to the preceding sentence and except with regard to the Fleet Pledge, none of the provisions of this Agreement shall be for the benefit of any lender or any other Person who is not a Partner.

Section 13.4. Applicable Law

This Agreement shall be construed and enforced in accordance with the internal laws of the State.

Section 13.5. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 13.6. Paragraph Titles

Paragraph titles and any table of contents herein are for descriptive purposes only, and shall not affect the meaning of this Agreement as set forth in the text.
Section 13.7. Separability of Provisions; Rights and Remedies; Arbitration

A. Each provision of this Agreement shall be considered separable and (i) if for any reason any provisions herein are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid, or (ii) if for any reason any provisions herein would cause the Limited Partners to be bound by the obligations of the Partnership under the laws of the State as the same may now or hereafter exist, such provisions shall be deemed void and of no effect.

B. Each of the parties hereto irrevocably waives during the term of the Partnership (including any periods during which the business of the Partnership is required to be continued under Article VII) any right (i) that such party may have to maintain any action for partition with respect to the property of the Partnership, and (ii) to commence an action seeking dissolution of the Partnership (unless the Consent of the Investor Limited Partner has been obtained).

C. The rights and remedies of any of the parties hereunder shall not be mutually exclusive, and the exercise of one or more of the provisions hereof shall not preclude the exercise of any other provisions hereof. Each of the parties confirms that damages at law may be an inadequate remedy for breach or threat of breach of any provisions hereof. The respective rights and obligations hereunder shall be enforceable by specific performance, injunction, or other equitable remedy, but nothing herein contained is intended to limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other parties for a breach or threat of breach of any provision hereof, it being the intention that the respective rights and obligations of the Partners shall be enforceable in equity as well as at law or otherwise.

D. In any instance in which any matter is to be determined by arbitration, such matter shall be submitted in the manner provided under the Commercial Arbitration Rules of the American Arbitration Association then in effect; such arbitration shall be conducted before one arbitrator, chosen in accordance with such rules in Keller, Texas, and shall be binding on all parties to the dispute; judgment on the award of such arbitrator may be rendered by any court having jurisdiction of such parties and the subject matter. The expense of such arbitration shall be borne equally by the parties thereto, except that each party shall bear the cost of its legal counsel.

E. Each Partner and each Guarantor irrevocably:

(i) agrees that any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby shall be brought in the courts of record of Tarrant County of the State of Texas or the courts of the United States located in Fort Worth, Texas;

(ii) consents to the jurisdiction of each such court in any such suit, action or proceeding;

(iii) waives any objection which he may have to the laying of venue of any such suit, action or proceeding in any of such courts; and
(iv) waives its right to a jury trial with respect to any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby.

Section 13.8. Effective Date of Admission

Any Partner admitted to the Partnership during any calendar month shall be deemed to have been admitted as of the first day of such calendar month for all purposes of this Agreement including the allocation of profits, losses and credits under Article X; provided, however, that if regulations are issued by the Service or an amendment to the Code is adopted which would require, in the opinion of the Accountants, that a Partner be deemed admitted on a date other than as of the first day of such month, then the General Partners shall select a permitted admission date which is most favorable to the Partner.

Section 13.9. Delivery of Certificate

Promptly upon the filing of the Certificate and each amendment thereto in the appropriate filing office, the General Partners shall deliver or mail a copy thereof to each Limited Partner.

Section 13.10. Additional Information

At the request of the Investor Limited Partner, the General Partners shall furnish to the Investor Limited Partner: (i) plans and specifications for the Project; (ii) manuals, booklets and other documents describing the location and operation of all systems within the Project, including without limitation heating, air conditioning, elevator, electrical and plumbing systems; (iii) a list and copies of all agreements concerning the maintenance, operation and management of the Project; and (iv) such other information regarding the Partnership, the Project or the Related Agreements as the Investor Limited Partner may reasonably request.

Section 13.11. Further Documents and Actions

The Partners agree that they shall, from time to time, execute and deliver such further documents and do such further actions and things as may be reasonably requested by any other such party in order to effect fully the purposes of this Agreement and each other agreement or instrument identified on the Document Schedule.

Section 13.12. Brokers or Finders

The parties hereto agree that no broker or finder has any claim for commissions or fees in connection with the transaction embodied herein. The General Partners shall jointly and severally indemnify the Limited Partners against any brokers' or finders' fees or commissions claimed through the General Partners or their Affiliates in connection with the transactions contemplated hereby, including without limitation fees or commissions claimed by any syndicator or consultant engaged by the General Partners or any of their Affiliates. Fees payable to MMA are not covered hereby.
Section 13.13. Amendment

This Agreement may only be amended in writing signed by the General Partner, the Investor Limited Partner, the Special Limited Partner, and the Class B Limited Partner (with a copy to the Servicing Agent). All parties agree that no oral agreements or course of conduct of the parties shall be deemed to be an amendment to this Agreement unless in writing signed as described above. So long as the Fleet Pledge is outstanding, any amendment of those provisions herein of which Fleet, as Agent, is a third party beneficiary, or any other amendment to any other provision herein which would materially affect Fleet's rights and priorities as Agent under the Fleet Pledge, shall require the prior written consent of Fleet. Fleet, as Agent, is an intended third party beneficiary of this section.
IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed under seal as of the day and year first above written.

Insurance Requirements

I. General Insurance Requirements

The following are construction period and permanent insurance requirements. This outline describes the minimum types and amounts of insurance that are satisfactory to the Special Limited Partner:

i. Partnership’s Commercial General Liability Insurance (Bodily Injury and Property Damage);

ii. During the construction period, a special form, Builder’s Risk policy (written on a completed value form with an agreed value endorsement) and, thereafter, Partnership’s Property Insurance;

iii. Partnership’s Automobiles/Hired and Non-Owned Liability Insurance;

iv. Insurance for boiler and machinery (if applicable), in the amount of full replacement cost. To be written on a comprehensive form, and to include loss of rents with a maximum of “24 hour” deductible with a mechanical breakdown endorsement;

v. Insurance for flood if project is located within a 100-year flood plain (FEMA Flood Zone “A” – or any sub-designation of Zone “A”). Policies must be obtained through the National Flood Insurance Plan (NFIP) in an amount equal to the full replacement cost or, if that is not available, the maximum amount of insurance available under the NFIP with a deductible not to exceed 2% of the total insured value per building. An excess Flood or Difference in Conditions (DIC) policy should provide for the difference, if any, between the maximum limit provided by NFIP policies and the full insurable value. Flood policies must be in full effect for both the construction and permanent phases;

vi. If the project is located in Seismic Zones 3 or 4, a Seismic Report must be completed to determine Probable Maximum Loss (PML). If the PML is shown to have an expected seismic damage ratio of less than 20%, then earthquake coverage may be waived. If earthquake coverage is required, it must be in full effect for both construction and permanent phases in the amount not less than full insurable value;

vii. Windstorm is a generally accepted exclusion from “All-Risk” insurance policies, provided that a separate policy is obtained for that exclusion. The wind policy must include business income/rents loss coverage for a minimum of 12 months;
viii. Fidelity Bond in an amount not less than six (6) months of project's gross rental receipts. Fidelity Bond coverage must be in full effect for both the construction and permanent phases;

ix. Management agent's Workers' Compensation and Employer's Liability Insurance in the statutory amount;

x. During the construction period, General Contractor's Commercial General Liability and Property Damage Insurance; Automobile/Hired and Non-Owned Liability; and Workers' Compensation and Employer's Liability Insurance;

xi. During the construction period, Architect's Errors and Omissions (Professional Liability) Insurance is required;

xii. Ordinance and Law Coverage must be obtained when the project represents a non-conforming use under current building, zoning or land use laws or ordinances. Amount to cover loss of undamaged portion of the building at replacement cost, demolition cost (10% of replacement cost) and increased cost of construction (10% of the replacement cost); and

xiii. Terrorism coverage is required for all projects equal to or greater than $20 million. For projects under $20 million, terrorism coverage is an acceptable exclusion, but remains strongly encouraged.
Additional Insurance Items

• No commercial general liability insurance policy may contain an exclusion for loss or damage caused by mold, fungus, moisture, microbial contamination or pathogenic organisms, and no property insurance policy may contain an exclusion for loss or damage caused by mold, fungus, moisture, microbial contamination or pathogenic organisms in connection with another covered peril (e.g. mold in connection with water damage caused by storm or fire) unless the Special Limited Partner determines that the potential risk for material loss or damage as a result of such exclusions is minimal or that such insurance without those exclusions is unavailable or available only at a price that is not commercially reasonable, or it is not customary practice in the geographic region in which the Property is located to obtain such coverage for the type of construction involved.

• All carriers must be A or better rated according to A.M. Best & Company, with a Financial Size Category rating by A.M. Best of VIII or higher.

• All insurance binders, certificates, and policies for the Partnership’s insurance must name the Partnership as the named insured. All Partnership’s insurance must name the Investor Limited Partner and Special Limited Partner as an additional insured or loss payee as expressly indicated, under a customary form of lender’s or mortgagee’s clause, with a minimum of 30 days notice of cancellation. All architect’s and General Contractor’s insurance must name the Partnership as additional insured or loss payee as indicated.

• All policies shall provide for a minimum of 30 days prior written notice to the Special Limited Partner of cancellation, termination, or reduction of coverage except for non-payment of premium where ten (10) days notice shall be given.

• Please reference the name of the Property or the Partnership, including address, in the “description section” of the insurance certificate.

• Each Certificate/Binder must include a broker or agent contact name along with their phone and fax number.

• Special Limited Partner reserves the right to modify the insurance requirements as conditions warrant.

Re: Keller Senior Community, L.P., a Texas limited partnership
(the “Partnership”)

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership dated as of January 1, 2005 (the “Partnership Agreement”). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Using information provided to us by the Partnership concerning Evergreen at Keller Apartments, an apartment complex located in Keller, Texas (referred to herein as the “Project”), we have performed the following procedures:

We have compiled a statement of income and expenses for the three months ended ______________, 20__.

We have obtained an annual budget prepared by the Project’s management agent for the year ended December 31, 20__.

We have adjusted the statement to annualize all expenditures, including those of a seasonal or irregular nature which might reasonably be expected to be incurred on an unequal basis during a full annual period of operations. (Examples of such expenditures include debt service, reserve funding, maintenance, utilities, snow removal and real estate taxes.)

We have compared the budget for such period to the statement of actual results, and have made all inquiries we considered necessary with respect to any material variances.
We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership and the management agent.

We have determined that the Project, for each of three calendar months commencing on or after Final Closing, has achieved Breakeven, as that term is defined in the Partnership Agreement.

Copies of the calculations and adjustments we have made in reaching the determination above and of financial statements and budgets upon which such calculations are based are attached hereto.

DETERMINATION OF TAX CREDIT

Attention: Asset Management

Re: Keller Senior Community, L.P., a Texas limited partnership
   (the "Partnership")

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership among MMA Evergreen at Keller, LLC, a Delaware limited liability company ("MMAF") and other parties dated as of January 1, 2005 (the "Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Based upon information provided to us by the Partnership concerning Evergreen at Keller Apartments (an apartment complex located in Keller, Texas, referred to herein as the "Project"), we have performed the following procedures.

We have compiled a statement of the development costs through _________, 20__ and the expected classification of each cost for tax purposes.

We have obtained a budget for the development costs from the Partnership.

We have compared the budget for such costs to the actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership.

We have determined that the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner will be $_________. 
We have further determined that 50% or more of the aggregate basis of the buildings and the land on which the buildings are located is financed by an obligation, the interest on which is exempt from tax under Section 103 of the Code and which is within the State's volume cap as provided in Section 146 of the Code.

Furthermore, nothing has come to our attention to suggest that the data or assumptions on which the above determinations are based are incorrect or inappropriate.

In making these determinations, we have assumed that 100% of the apartment units in the Project will be “low-income units” as such term is defined in Section 42(i)(3) of the Internal Revenue Code of 1986, as amended, and have no reason to believe that such assumption is unwarranted.

Copies of the calculations we have made in reaching the determinations above and of the financial statements and budgets upon which such calculations are based are attached hereto.

2. 3. The Partnership has achieved a Debt Service Coverage Ratio of 112% for each of three (3) consecutive months, as evidenced by the attached determination letter.

8. Attached hereto is a true copy of the Title Policy, including all endorsements thereto, evidencing the accuracy of the representation contained in Section 6.5A(viii) of the Partnership Agreement.

Re: Existing TDHCA Properties for 811 Consideration

Dear Mr. Duran:

As the syndicator for the following developments that have been financed with Low Income Housing Tax Credits, we have reviewed your request to enter into a Section 811 contract to provide additional Section 811 units at the following properties.

Churchill at Pinnacle Park – Section 811 Project ID#4058
Evergreen at Keller Senior Community – Section 811 Project ID#4185
Evergreen at Plano Senior Community – Section 811 Project ID#4050

These properties have been placed in service and were underwritten and closed without contemplation of additional Section 811 units. Because the potential impact to these transactions was not evaluated prior to closing, we do not approve the addition of Section 811 units for these properties at this time.

(s) Neither The Partnership or the General Partner has received any notice of any special assessments or public improvements which are likely to result in such being contemplated.

(t) The General Partner shall prevent a default from occurring under the Project Documents resulting from a breach by the General Partner or its Affiliates of any term, condition or restriction applicable to such parties under the Project Documents, including, without limitation, a breach of a restriction on the ownership of the General Partner or the financial condition of the General Partner or its Affiliates.

(u) Neither the General Partner nor its Affiliates will receive, directly or indirectly, from the Partnership or from any other Person, any fee, commission, compensation or other consideration in connection with (i) this Agreement, (ii) the acquisition of the Land, and/or (iii) the construction or operation of the Apartment Complex, except for the payment of fees and distributions to the General Partner under this Agreement, and the payment of fees and distributions to LifeNet under the Construction Contract.

(v) The General Partner shall not commingle Partnership funds with funds of any other Person or misapply or misappropriate funds of the Partnership, including without limitation by the unauthorized payment of fees or lending of Partnership funds to Affiliates of the General Partner.

(w) The Apartment Complex will be operated in a manner which satisfies the Tax Credit Tests, and any other requirements necessary for the Apartment Complex to initially qualify, and to continue to qualify, for Tax Credits, including all applicable requirements set forth in the Regulatory Agreements.

(x) The General Partner has made (if applicable) and shall make such elections, or refrain from making such elections, with respect to the Tax Credits, as are necessary to achieve and maintain the maximum allowable Tax Credits during the Credit Period to SHF, unless otherwise directed by SHF. Any such elections (including elections made at the direction or with the Consent of SHF) shall not reduce the obligations of the General Partner pursuant to this Agreement.

(y) The General Partner has made the irrevocable election under Section 168(h)(6)(F)(ii) of the Code.

(z) The General Partner has made (if applicable) and shall make such elections, or refrain from making such elections, with respect to the Tax Credits, as are necessary to achieve and maintain the maximum allowable Tax Credits during the Credit Period to SHF, unless otherwise directed by SHF. Any such elections (including elections made at the direction or with the Consent of SHF) shall not reduce the obligations of the General Partner pursuant to this Agreement.
All of the representations, warranties and covenants contained in this Section 4.3 shall survive the date of Stabilization and the funding date of each Capital Contribution made by SHF. The General Partner shall indemnify and hold harmless SHF against a breach of any of the foregoing representations, warranties and covenants and any damage, loss or claim caused thereby, including reasonable attorneys' fees and costs and expenses of litigation and collection.

4.4 Joint Representations, Warranties and Covenants Relating to the Apartment Complex and the Partnership. As of the date hereof, the SLP and the General Partner hereby represent, warrant and covenant to the Partnership and to the SHF that:

(a) The SLP has submitted to SHF detailed for-construction plans and specifications for the construction and equipment of the Apartment Complex (including any club houses, pools, tot lots, fitness facilities or other amenities) as stamped by an architect and/or engineer (the "Plans and Specs"). In no event shall the Partnership commence construction without first having obtained the approval of the Term Lender and the Consent of SHF to the Plans and Specs. Neither the SLP nor the General Partner shall agree to any change orders or changes in the Plans and Specs in connection with the construction of the Apartment Complex without the consent of the SHF and the SLP other than (i) an individual change order to the Plans and Specs which involves a budget adjustment of less than $25,000; and (B) more than one change order to the Plans and Specs which involve, in the aggregate, a budget adjustment of less than $100,000 on a net basis; provided, however, that the SLP or General Partner shall notify the SHF of any change order to the Plans and Specs.

(b) The Partnership and LifeNet have entered into that certain construction contract relating to the construction of the Apartment Complex, and the General Partner has obtained the Consent of SHF thereto (the "Construction Contract"). In addition, LifeNet has entered into a subcontract with Contractor. The Construction Contract obligates LifeNet, and the Construction Subcontract obligates the Contractor, to construct the Apartment Complex in accordance with the Plans and Specs. No fee, rebate, discount or other consideration or fee (including any advisory or consulting fee) shall be paid to the Contractor in its capacity as the Contractor (or LifeNet as the general contractor) for the Apartment Complex (or in connection with the construction thereof) other than the amounts set forth in the Construction Contract or Construction Subcontract. In addition, no fee, rebate, discount or other consideration shall be paid to the Developers, the SLP or the General Partner by the Contractor or LifeNet. To the extent the costs of off-site improvements are not included as part of depreciable basis of the Apartment Complex and are paid with funds provided by the seller of the Land to the Partnership, such costs shall be paid by the Contractor, General Partner or seller of the Land (and not by the Partnership).

(c) No restrictions on the sale or refinancing of the Apartment Complex, other than the restrictions to be set forth in this Agreement, the Regulatory Agreements and Section 42 of the Code, shall, at any time while SHF is a Limited Partner, be placed upon the sale or refinancing of the Apartment Complex.

(d) Neither the General Partner, SLP nor the Partnership has entered into any other enforceable agreement or commitment with any other equity investor to acquire the Tax Credits, or, in the alternative, the General Partner, SLP and/or the Partnership has obtained
legally enforceable releases or termination agreements from all prior potential equity investors ("Potential Investors") with whom the General Partner, SLP and/or the Partnership has previously entered into an agreement whereby said Potential Investors may acquire the Tax Credits. The General Partner and SLP shall at all times indemnify and hold harmless SHF and its Affiliates (the "RSI Entities"), and all past and present officers, directors, managers, employees, partners, agents, shareholders, members, trustees, predecessors, successors, subrogees, attorneys, insurance carriers, and assigns of the RSI Entities (the "RSI Released Parties") against and from any and all claims, suits, actions, damages, costs, judgments and expenses, of any nature whatsoever, suffered or incurred by the RSI Released Parties as a result of the General Partner, SLP and/or the Partnership's prior dealings, negotiations, agreements, and/or commitments with Potential Investors.

(e) The Partnership has no employees and shall have none.

(f) Except as has been disclosed to SHF in writing, (i) no financing has been obtained by the Partnership whereunder Fannie Mae provides any credit support, guarantee, loss sharing arrangement or any other credit support or enhancement, and (ii) no consents of any governmental agencies, including, without limitation, 2530 Department of Housing and Urban Development clearances, are or shall be required in connection with the admission of limited partners to SHF.

(g) No financing will be obtained by the Partnership in which Fannie Mae provides any credit support, guarantee, loss sharing arrangement, or any other credit support or enhancement for any bonds providing the financing of the Apartment Complex. The Partnership shall not incur any new secured indebtedness or refinancing of secured indebtedness without the Consent of SHF.

(h) If SHF (or RSI) is requested to provide the following representations and warranties in connection with any direct or indirect transfer of limited partner interests in SHF, then upon the request of SHF or RSI, the General Partner and SLP shall provide to RSI a written certificate stating that the following is true and correct as of the date of such certificate (except as disclosed in such certificate): neither the Partnership, the General Partner nor the Land (A) is subject to investigation, examination or inquiry by any governmental or regulatory agency, (B) is engaged in litigation or a dispute likely to involve litigation or (C) has received notice of any violation of laws, including, without limitation, the Fair Housing Act of 1968 or regulations. After such certificate is requested, if the General Partner or SLP becomes aware of any facts or circumstances that would render the representations and warranties contained in such certificate untrue thereafter in the future, the General Partner and/or SLP shall promptly report such facts and circumstances to SHF in writing. In addition, upon the request of SHF, the SLP and General Partner shall provide to SHF a written certificate stating that the representations and warranties contained in Section 4.4(f) are true and correct as if made on the date of such certificate.

(i) The General Partner and SLP shall cause the Accountants to certify the Eligible Basis of the Apartment Complex in conjunction with the Partnership's application to the Agency for Forms 8609 and in conjunction with the audited cost certification of Eligible Basis prepared in connection with the making of the Second Additional Capital Contribution.
(j) The General Partner and SLP shall provide to the Accountants and SHF, promptly upon their request, such written documentation as is reasonably requested by the Accountants or SHF in order to verify the determination of Eligible Basis, including documentation supporting the allocation of any costs incurred by the Partnership into the determination of Eligible Basis.

(k) The General Partner and SLP shall execute on behalf of the Partnership all documents necessary to elect, pursuant to Sections 734, 743 and 754 of the Code, to adjust the basis of the Partnership's property upon the request of SHF, if, in the sole opinion of SHF, such election would be advantageous to SHF.

(l) The term of the Extended Use Agreement will not exceed 40 years and under the Extended Use Agreement the Partnership shall have the right to cause a termination of the Extended Use Agreement after the end of the Compliance Period, but prior to the end of such 40 year term, in accordance with Section 42(h)(6)(E)(i) of the Code.

(m) The General Partner shall cause the Partnership to comply in full with all rental restrictions and tenant income limitations and other requirements set forth in any regulatory agreement or other documents executed by the Partnership in connection with the HOME Loan, including, if applicable, Davis-Bacon Act (40 U.S.C. Sections 276a through 276a-5) compliance requirements and the overtime provisions of the Contract Work Hours and Safety Standards Act (40 U.S.C. Sections 327 through 332).

(n) The Partnership has not made, and neither the SLP nor the General Partners will cause the Partnership to make, an election under Regulations Section 301.7701-(3)(c) to be classified as an association taxable as a corporation.

(o) None of the SLP, the General Partners or the Partnership (i) is in violation of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Public Law 107-56 of the United States of America, as amended from time to time, or the rules and regulations promulgated thereunder from time to time; (ii) is a Person or entity described by section 1 of Executive Order 13224 of September 24, 2001, Blocking Property and Prohibiting Transactions with Persons who Commit, Threaten to Commit, or Support Terrorism, 66 Fed. Reg. 49,079 (2001), and (iii) to the best knowledge and belief of the SLP and the General Partner, none of the SLP, the General Partner or the Partnership engages in any dealings or transactions, or is otherwise associated, with any such Persons or entities.

All of the representations, warranties and covenants contained in this Section 4.4 shall survive the date of Stabilization and the funding date of each Capital Contribution made by SHF. The General Partner and SLP shall indemnify and hold harmless SHF against a breach of any of the foregoing representations, warranties and covenants and any damage, loss or claim caused thereby, including reasonable attorneys' fees and costs and expenses of litigation and collection.
Article 5
CAPITAL CONTRIBUTIONS, BRIDGE LOAN, PARTNER LOANS

5.1 Capital Contributions.

(a) General Partner and SLP.

(i) Initial Capital Contribution. Each of SLP and the General Partner has made a Capital Contribution to the Partnership of $100. Each of SLP and the General Partner represents that as of the date of this Agreement its Capital Account does not exceed $100.

(ii) SLP Special Capital Contribution. If the Partnership has not paid the Development Fee, including the Deferred Development Fee, in full by the first to occur of (A) the tenth anniversary of the date hereof, (B) the date of liquidation of the Partnership, or (C) the date of removal of SLP from the Partnership (the "DDF Outside Date"), then on the DDF Outside Date SLP shall make a Capital Contribution equal to the amount of such outstanding Development Fee (the "SLP Special Capital Contribution"). The Partnership shall use the proceeds of the SLP Partner Special Capital Contribution to pay such outstanding Development Fee.

(b) SHF. Subject to the provisions of this Agreement, including, without limitation, the provisions of Sections 5.1(c) and 6.12 of this Agreement, SHF shall be obligated to make Capital Contributions to the Partnership in installments, as follows:

(i) Initial Capital Contribution. Concurrently with the execution hereof, SHF shall make an Initial Capital Contribution (the "Initial Capital Contribution") in the amount of $143,139. The Initial Capital Contribution shall be used to pay $35,000 of the legal fees of SHF, to pay the fee to SAHP pursuant to Section 5.2(b) and to pay $4,000 of Development Costs.

(ii) First Additional Capital Contribution. After satisfaction of all of the conditions set forth below, and review and approval by SHF of the items described below, SHF shall make a Capital Contribution in the amount of $8,734,187 (the “First Additional Capital Contribution”), subject to reduction as provided in Section 5.1(c) of this Agreement:

(A) Partner’s Certificate. SHF shall have received a certificate from each of SLP and the General Partner that the representations and warranties of such Partner contained herein are true and accurate as of the date of the proposed First Additional Capital Contribution and that such Partner and the Partnership are not in default of any of their obligations hereunder and under the Project Documents as of the date of the proposed First Additional Capital Contribution.

(B) Bridge Loan. The Partnership shall have paid the Bridge Loan in full or will pay the Bridge Loan in full from the proceeds of and concurrently with the funding of the First Additional Capital Contribution.
(C) **Physical Inspection.** A construction consultant selected by SHF shall have prepared a physical inspection report.

(D) **Completion.** Completion of the Apartment Complex shall have occurred.

(E) **Title Policy.** To the extent available from the jurisdiction in which the Apartment Complex is located, the Title Company shall have issued the following endorsements to the Owner's Title Policy: (1) an endorsement indicating that the Partnership owns fee simple title to the Land; and (2) a "date down" endorsement extending the effective date of the Owner's Title Policy to the date of funding and showing no exceptions to the title other than the Permitted Exceptions, except as shall be acceptable to SHF. If such endorsements are not available in the jurisdiction in which the Apartment Complex is located, SHF shall have received evidence of the matters set forth such endorsements as SHF may reasonably require.

(F) **Survey.** SHF shall have received and approved an updated and re-certified "as-built" ALTA Minimum Standard Detail Requirements for ALTA/ACSM Land Title Survey (established and adopted by ALTA, ACSM and NSPS in 2005), which includes 1 through 4, 6 through 11 and 13 through 16 of Table A thereof, satisfactory to SHF.

(G) **"As-Built" Plans and Specifications.** SHF shall have received a written document executed by SLP, the architect and the Contractor certifying no material change to the approved "for-construction" Plans and Specs.

(H) **Permits, Licenses and Certificates of Occupancy.** SHF shall have received a copy of any permits and licenses which are required for the operation and use of the Apartment Complex and a copy of the final and unconditional certificate or certificates of occupancy, or the equivalent, issued by the appropriate governmental authorities for the Apartment Complex in its entirety.

(I) **Environmental Matters.** SHF shall have received a report in form satisfactory to SHF showing that radon gas is not present in any of the apartment units at a level above the recommended permitted safe level as determined by the Environmental Protection Agency or any other applicable governmental authority. In addition, the General Partner or SLP shall have provided SHF evidence that the construction of the Apartment Complex did not result in the filling or disturbance of any wetlands and that any actions recommended to be taken which were contained in any environmental assessment reports prepared in conjunction with the development of the Apartment Complex or were contained in any report by the Environmental Consultant have each been appropriately completed in a manner that fully complies with such recommendations and Environmental Laws.

(J) **Rent Roll.** The General Partner or SLP shall have delivered to SHF a current rent roll for the Apartment Complex certified to SHF by the General Partner (or SLP) and the Property Manager, and in form and substance
reasonably satisfactory to SHF, together with copies of all tenant leases, if requested by SHF.

(K) **Estoppel Certificates.** The General Partner or SLP shall have provided SHF with an estoppel certificate from the Term Lender (other than an Affiliate of RSI) or other evidence satisfactory to SHF that there are no defaults or events which, with notice or the passage of time, or both, would constitute a default under the Term Loan Documents.

(L) **Architect's Certificate.** The General Partner shall have delivered to SHF an architect's certificate in the form of AIA Form G704.

(M) **Payment of Taxes.** SHF shall have received satisfactory evidence (which may be included in the endorsements to the Owner's Title Policy described in Section 5.1(b)(ii)(E) of this Agreement) that all real property taxes and assessments for the Apartment Complex due and payable through the date of funding have been timely and fully paid.

(N) **Tax Credit Documents.** All documents provided to the Agency by the Partnership, SLP or the General Partner or provided by the Agency to the Partnership, SLP or the General Partner relating to the Tax Credits, including without limitation, the Application for Tax Credits, a Low-Income Housing Credit Reservation and a Carryover Allocation Agreement and confirmation that the Carryover Allocation Agreement indicates the Partnership is entitled to Tax Credits from the appropriate state or local Authority in an amount equal to or greater than the Projected Credits.

(O) **Other Documentation.** SHF shall have received such other documentation as it may reasonably request to verify the accuracy of the representations and warranties and compliance with the covenants, duties and obligations set forth in this Agreement.

(P) **Completion of Due Diligence.** SHF shall have received and approved any items which were required as a condition to any draw under the Bridge Loan but which SHF deferred until the First Additional Capital Contribution.

The funds contributed as the First Additional Capital Contribution shall be used (1) to repay amounts due under the Bridge Loan, and (2) the balance shall be used to pay a portion of the Development Fee in accordance with the Development Agreement.

(iii) **Second Additional Capital Contribution.** After satisfaction of the following conditions, SHF shall make a Capital Contribution in the amount of $908,115 (the "Second Additional Capital Contribution"), subject to reduction as provided in Section 5.1(c) of this Agreement:

(A) Satisfaction of the conditions to funding of SHF's First Additional Capital Contribution;
(B) receipt of any items which were required as a condition to the First Additional Capital Contribution but which SHF deferred until the Second Additional Capital Contribution;

(C) Stabilization (as defined in the deed of trust securing the Term Loan);

(D) receipt of an audited cost certification of Eligible Basis (as defined in Section 42(d) of the Code) for the Apartment Complex prepared by the Accountants and evidence that the application for issuance of Forms 8609 for the entire Apartment Complex has been submitted to the Agency;

(E) receipt by SHF of a copy of an as-recorded Extended Use Agreement;

(F) SHF shall have received satisfactory evidence that the Applicable Fraction (as defined in Section 42(c)(1)(B) of the Code) for the Apartment Complex equals or exceeds forty percent (40%) determined as of the last day of the first year of the Compliance Period.

(G) receipt of a certificate from each of the General Partner and the SLP that (1) the representations, warranties and covenants in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement) made by such Partner continue to be true and accurate through the date of the proposed Second Additional Capital Contribution, and (2) the Partnership and such Partner are not in default of any of their obligations with respect to the Partnership or the Apartment Complex at such time; and

(H) receipt of such other documentation as it may reasonably request to verify the accuracy of the representations and warranties of SLP and the General Partner and compliance with the covenants, duties and obligations of SLP and the General Partner set forth in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement).

The Partnership shall use the Second Additional Capital Contribution to pay a portion of the Development Fee in accordance with the Development Agreement.

(iv) Third Additional Capital Contribution. After satisfaction of the following conditions, SHF shall make a Capital Contribution in the amount of $250,908 (the "Third Additional Capital Contribution"), subject to reduction as provided in Section 5.1(c) of this Agreement:

(A) Satisfaction of the conditions to funding of SHF's Second Additional Capital Contribution;

(B) receipt of any items which were required as a condition to the First Additional Capital Contribution or the Second Additional Capital Contribution but which SHF deferred until the Third Additional Capital Contribution;
(C) since funding of the Second Additional Capital Contribution, the average monthly Debt Service Coverage Ratio, as reasonably approved by SHF, is equal to or greater than 1.10;

(D) SHF shall have received copies of Forms 8609 for the entire Apartment Complex executed by the Agency;

(E) receipt of a certificate from each of SLP and the General Partner that (1) the representations, warranties and covenants in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement) by such Partner continue to be true and accurate through the date of the proposed Third Additional Capital Contribution, and (2) the Partnership and such Partner are not in default of any of their obligations with respect to the Partnership or the Apartment Complex at such time; and

(F) receipt of such other documentation as it may reasonably request to verify the accuracy of the representations and warranties of SLP and the General Partner and compliance with the covenants, duties and obligations of SLP and the General Partner set forth in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement).

The Partnership shall use the Third Additional Capital Contribution to pay a portion of the Development Fee in accordance with the Development Agreement.

(v) Cost Savings and Operating Reserve.

(A) The Accountants shall determine the amount of Cost Savings as of the date of the Second Additional Capital Contribution. Subject to Section 5.1(c)(ii) of this Agreement, if Cost Savings exist, the Partnership shall use Cost Savings as follows: (i) until the Deferred Development Fee has been paid in full, to payment of the Deferred Development Fee, then (ii) up to $200,000 (in the aggregate including any payments made from an Upward Adjuster) shall be paid to SLP as a "completion guaranty fee" and then (iii) to reduce the balance of the Term Loan.

(B) The Partnership shall establish an operating reserve of up to $212,732 (the "Operating Reserve") from the proceeds of the Bridge Loan. The Partnership shall be entitled to use any funds in the Operating Reserve as determined by SLP and SHF. Any funds remaining in the Operating Reserve at the time the Partnership has achieved a Debt Service Coverage Ratio of 1.0 for the twelve consecutive calendar months immediately preceding the date of disbursement (provided, however, such disbursement shall not occur prior to the expiration of the Initial Period) shall be disbursed as follows: (1) until the Deferred Development Fee has been paid in full, to payment of the Deferred Development Fee, then (2) the balance, if any, shall be paid to the Partners as follows: the NCF Percentage of the balance shall be divided 12.5% to the General Partner and 87.5% to SLP as an "operating deficit guaranty fee" and the remainder to SHF as a distribution.
(vi) Special Additional Capital Contributions. If, in any Fiscal Year, SHF's Capital Account balance may be reduced to or below zero, SHF may, in its sole and absolute discretion, make a special additional Capital Contribution to the Partnership in an amount reasonably required to avoid the reduction of SHF's Capital Account balance to or below zero (a "Special Additional Capital Contribution"). If SHF makes a Special Additional Capital Contribution to the Partnership pursuant to this Section 5.1(b)(vi), SHF shall receive a guaranteed payment pursuant to Section 5.6 of this Agreement for the use of its Special Additional Capital Contribution.

(c) Adjustment to Capital Contributions of SHF. Upon the issuance of Forms 8609, the Accountants shall calculate the Upward Adjustor or the Downward Adjustor, as applicable. If subsequent events result in an increase or decrease in the Late Delivery Adjustment, then the Accountants shall recalculate the Upward Adjustor or the Downward Adjustor, as applicable, and the Partners or the Partnership, as appropriate, shall make payments pursuant to Sections 5.1(c)(i) and 5.1(c)(ii) of this Agreement to reflect such recalculation.

(i) If there is a Downward Adjustor, then the Capital Contributions of SHF shall be immediately reduced by the Downward Adjustor. The Downward Adjustor shall first reduce the First Additional Capital Contribution and then the Second Additional Capital Contribution (if either contribution has not previously been funded), and then to the extent necessary, the Third Additional Capital Contribution. If the Downward Adjustor exceeds the total of all unfunded Capital Contributions (prior to the reduction under this provision), then SLP shall make a payment to the Partnership within seventy-five (75) days after the Accountants deliver to the Partners a written calculation of the Certified Credits equal to the amount of such excess, and the Partnership shall immediately distribute such amount to SHF as a return of its Capital Contributions. Such payment by SLP shall constitute a non-reimbursable funding by it of Excess Development Costs and shall not give rise to any right as a loan or credit as a Capital Contribution which would otherwise result in any increase in the Capital Account of SLP.

(ii) If there is an Upward Adjustor, then the Third Additional Capital Contribution shall be increased by the Upward Adjustor. The Partnership shall use the increase in the Third Additional Capital Contribution (A) first to pay Development Costs (other than Operating Deficits), and (B) then, in the same manner as Cost Savings is used pursuant to Section 5.1(b)(v) of this Agreement.

(iii) The following definitions shall apply for purposes of determining adjustments to Capital Contributions:

"Upward Adjustor" shall mean the following: if there is a Certified Credit Increase, the positive amount, if any, by which the Certified Credit Increase exceeds the Late Delivery Adjustment.

"Downward Adjustor" shall mean the following: (a) if either there is a Certified Credit Decrease or if the Certified Credit Adjustment is zero, then the Certified Credit Decrease plus the Late Delivery Adjustment; or (b) if there is a Certified Credit Increase, the positive amount, if any, by which the Late Delivery Adjustment exceeds the Certified Credit Increase.
"Certified Credit Adjustment" shall equal the product of (a) Certified Credits for the Credit Period (excluding any Tax Credits resulting from an increase in qualified basis under Section 42(f)(3) of the Code), minus $10,413,906, and (b) $0.95. The Certified Credit Adjustment may be a positive or negative number. A positive Certified Credit Adjustment is referred to as a "Certified Credit Increase"; a negative Certified Credit Adjustment is referred to as a "Certified Credit Decrease".

"Late Delivery Adjustment" shall mean the amount, if any, by which $500,000 for Fiscal Year 2008 exceeds Actual Credits for such year and the amount, if any, by which 100% of Certified Credits for Fiscal Year 2009 and each Fiscal Year thereafter prior to issuance of Forms 8609 exceeds Actual Credits for such year.

(iv) The General Partner and SLP shall cause the Accountants to provide to the Partners a calculation of the Certified Credits for each year during the Credit Period based, among other things, on the Forms 8609 issued by the Agency for all the buildings comprising the Apartment Complex and on the cost certification prepared in connection with the application by the Partnership for Forms 8609.

(d) Payment of Legal Fee Amount; Excess Legal Fee Capital Contributions. The Partnership shall pay the legal fees, costs and expenses incurred by SHF in connection with this Agreement, the due diligence activities of SHF and the closing of the transactions described herein ("Legal Fees"). If the Legal Fees exceed $35,000, then SHF shall make a Capital Contribution to fund the amount of such excess. If SHF has funded its Initial Capital Contribution and satisfied its obligation to make any Capital Contribution required of it under this Section 5.1(d), then the Partnership shall pay the Legal Fees either upon execution of this Agreement or within ten (10) days after receipt of invoices, with respect to Legal Fees billed after the execution of this Agreement. SHF's agreement to make a Capital Contribution or Capital Contributions equal to the amount of the excess over $35,000 does not apply to legal fees, costs or expenses incurred by SHF in connection with any subsequent amendments or further transactions relating to the Partnership or the Apartment Complex.

(e) Deposits of Capital Contributions. The cash portion of the Capital Contributions of each Partner shall be deposited at the General Partner's discretion in a segregated checking, savings and/or money market or similar account to be established and maintained in the name of the Partnership or invested in government securities or certificates of deposit issued by any bank. Thereafter, such amounts shall be utilized for the conduct of the Partnership business under this Agreement.

5.2 Bridge Loan.

(a) SHF shall cause a loan to be made to the Partnership (the "Bridge Loan") in the maximum amount of $8,434,187; provided, however, none of the Bridge Loan shall be available for draw prior to the Partnership receiving the proceeds of the Project Loans. The Bridge Loan shall be used to pay for costs of constructing the Apartment Complex.
(b) In consideration of arranging the Bridge Loan, the Partnership shall pay a fee to SAHP in the amount of $104,139.

(c) The Bridge Loan shall be a recourse obligation of the Partnership, advanced in accordance with the procedures set forth in this Section. 5.2. The Bridge Loan may be guaranteed by the Bridge Loan Guarantor.

(d) The Bridge Loan shall be made in accordance with the Bridge Loan Note; provided, however, that, notwithstanding the contrary provisions of the Bridge Loan Note, as between SHF and the Partnership, the following terms and provisions shall also apply:

(i) The term and interest rate (which may include a guarantee fee payable to the Bridge Loan Guarantor or its designee and which may be one or a blend of the rate alternatives set forth in the Bridge Loan Note) shall be selected by the Bridge Loan Guarantor or its designee.

(ii) On the due date for any principal installment of the Bridge Loan, the Partnership shall pay to the Facility Account an amount equal to the outstanding principal amount of the Bridge Loan Note due on such date. Payments of principal and interest (as such interest is to be paid pursuant to Section 5.2(d)(iv)) owing on the Bridge Loan shall be made directly to the Facility Account and, from the Facility Account, will be paid to the maker of the Bridge Loan and if necessary, to SHF and/or the Bridge Loan Guarantor or its designee to repay any BL Advances and/or any funds advanced by any of them to the Bridge Loan lender for the account of the Partnership. The Bridge Loan Guarantor or its designee may maintain and invest all funds in the Facility Account without obligation to pay interest on any invested funds. SHF shall cause payments to the Facility Account by the Partnership to be applied against the Bridge Loan Note as and when required by the terms of the Bridge Loan Note.

(iii) The Bridge Loan shall be due on the earlier of the second anniversary of the date hereof or the date on which the First Additional Capital Contribution is made, and may be prepaid at any time without premium or penalty at the option of the Partnership.

(iv) SHF shall fund, or cause to be funded by an Affiliate, Excess Interest before the time at which a default would occur under the Bridge Loan by reason of a failure to pay such Excess Interest. At the option of SHF, such fundings shall constitute either Capital Contributions ("BL Capital Contributions") or loans ("BL Advances"). Any BL Advance shall be a non-recourse loan, collectible only from a BL Capital Contribution. If SHF elects to treat all or a portion of such fundings as BL Advances, then on the date of the funding of the First Additional Capital Contribution, it shall make a BL Capital Contribution to repay the BL Advances (such BL Capital Contribution may be made by SHF's election to convert BL Advances to BL Capital Contributions on a dollar-for-dollar basis). SHF may wire transfer or otherwise fund BL Advances or BL Capital Contributions directly to the Facility Account to facilitate payment of the Bridge Loan.

(e) SHF shall have the right at any time to make or arrange for a substitute, renewal or replacement of a Bridge Loan (a "Replacement Bridge Loan"), provided that such
substitution, renewal or replacement does not have a material adverse effect on the General Partner or the Partnership. If SHF arranges for a Replacement Bridge Loan, the General Partner shall cause the Partnership to execute and deliver a replacement of the Bridge Loan Note (a "Replacement Bridge Loan Note") upon request of SHF. Nothing herein shall be construed as authorizing a loan origination fee for such Replacement Bridge Loan. Amounts outstanding under the existing Bridge Loan Note shall be repaid from proceeds of the Replacement Bridge Loan. Upon the making of a Replacement Bridge Loan and the execution of a Replacement Bridge Loan Note, all references in this Agreement to the Bridge Loan and the Bridge Loan Note shall be deemed to be references to the Replacement Bridge Loan and Replacement Bridge Loan Note.

(f) [Intentionally left blank].

(g) Each advance of proceeds of the Bridge Loan shall be conditioned on neither the Partnership, the General Partner nor the SLP being in default of any of their obligations under this Agreement or any Project Document, and the representations, warranties and covenants of the General Partner and the SLP in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement) being true and accurate.

(h) SHF has designated SAHP as its agent for the purpose of reviewing copies of requests for draws under the Bridge Loan, the Term Loan and Capital Contributions to pay costs of constructing the Apartment Complex ("Draws"). SHF has the right, exercisable from time to time as hereinafter provided, to substitute another person or entity as its agent for such purpose by delivering to the Partnership written notice of the appointment of a successor agent. The agent at any time serving as the agent of SHF hereunder shall hereinafter be called the "Agent."

(i) Draws under the Bridge Loan shall be requested as follows:

(i) Not more than once a month and not less than five (5) Business Days before the date on which the Partnership desires a Draw to be made, the Partnership shall deliver to the Agent the following documents (together, the "Draw Documents"):

(A) an original Contractor's requisition for payment (the "Contractor's Requisition") in a form reasonably satisfactory to the Agent (American Institute of Architects standard form G-722 or G-702/G-703 shall be deemed satisfactory) certified by the architect for actual improvements in place and for materials securely stored on site through the date of that requisition;

(B) an original Schedule of Values showing costs incurred in the various construction and soft cost categories, summarized in a format provided by the Agent, together with copies of invoices or other appropriate backup information required by SHF or the Agent;

(C) a certification from the General Partner that as of the date of the Draw request neither the Partnership nor such Partner is in default of any of their obligations under this Agreement or any Project Document, and the representations,
warranties and covenants of such Partner in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement) continue to be true and accurate;

(D) a certification from SLP that as of the date of the Draw request neither the Partnership nor such Partner is in default of any of their obligations under this Agreement or any Project Document, and the representations, warranties and covenants of such Partner in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement) continue to be true and accurate;

(E) a copy of the Owner's and Contractor's Affidavit (construction in progress) in the form of Exhibit E, duly executed and acknowledged on behalf of the Contractor, LifeNet and the Partnership;

(F) copies of the partial waiver of liens (subject to retainages) for current invoices and the unconditional waiver of liens for past invoices, of each subcontractor and material supplier, as to all work performed and materials purchased for which the immediately preceding Draw, if any, had been made, in form acceptable to the Title Company, and an accounting prepared by the Contractor of all payments made under the immediately preceding Draw;

(G) with respect to the first Draw made after the pouring of foundations, a foundation survey of the real property (locating the foundations only);

(H) a copy of the project schedule, updated monthly, showing the progress of the work; and

(I) endorsements issued by the Title Company to the Owner's Title Policy which (a) increase the coverage thereunder by the amount of the Draw and (b) report no exceptions for filed mechanics or materialmen's liens or other liens not previously included on the Owner's Title Policy (or if such liens are reported, affirmatively insures the insured thereunder against loss or damage caused by such liens).

In addition, no advances shall be made under the Bridge Loan until SHF receives and approves items number 1.64, 2.17 and 2.21 of the Due Diligence Checklist attached hereto as Exhibit Q. SHF agrees that there shall not be any retainage on draws made under the Bridge Loan to pay general conditions (not contractor profit) of the Contractor.

(ii) The Agent shall have five (5) Business Days after receiving the Draw Documents in which it has the right, exercisable by notice by facsimile transmittal to the Partnership, to object to the Draw on the basis that the Draw Documents are incomplete or inaccurate, or do not otherwise comply with the Project Documents or this Agreement. As soon as practical after receipt of such notice, the Partnership shall complete the Draw Documents, correct all inaccuracies and resubmit the Draw Documents for approval. If the Agent does not object to the Draw Documents within such five-day period, the Draw Documents shall be deemed approved. Review of the Draw Documents may proceed concurrently with review by the lenders under the Project Loans, provided if the Agent requires any corrections, the General Partner shall promptly make such corrections on all Draw Documents being processed by such lenders.
(iii) Within five (5) Business Days after the Agent approves the Draw Documents, SHF shall authorize funding of the Draw by wire transfer to the Partnership.

5.3 Return of Capital Contribution. Except as provided in this Agreement, no Partner shall be entitled to demand or receive the return of its Capital Contribution.

5.4 Legal Opinion. As a condition precedent to SHF's making or causing the Bridge Loan to be made and making the Initial Capital Contribution, SHF shall receive an opinion of counsel with respect to the matters set forth in Exhibit M which shall explicitly state that counsel to RSI may rely upon it.

5.5 Repurchase Obligation.

(a) If (i) all Tax Credit units in the Apartment Complex are not placed in service by December 31, 2008, or (ii) Forms 8609 are not issued by the State Agency by the date necessary to allow the Partnership to claim Tax Credits for the first year of the Credit Period unless caused solely by the delay of the Agency, or (iii) the Partnership fails to meet any Tax Credit Test by the close of the first year of the Credit Period, or (iv) the Partnership's basis in the Apartment Complex for federal income tax purposes, as finally determined by the Accountants or pursuant to an audit by the IRS, as of June 30, 2007, or such other date specified by the Agency is less than ten percent (10%) of the Partnership's reasonably expected basis in the Apartment Complex, as required pursuant to Section 42(h)(1)(E) of the Code, or (v) an Extended Use Agreement is not in effect before the end of the first year of the Credit Period (any of which is a "Repurchase Event"), then SHF, in each case, shall have the right (individually, a "Repurchase Put"), but not the obligation, to require SLP to purchase the Interest of SHF on the terms set forth in this Section 5.5.

(b) The terms of each Repurchase Put shall be as follows: (i) it shall be exercisable until 60 days after the date on which SLP delivers notice to SHF that a Repurchase Event has occurred; (ii) SHF shall exercise the Repurchase Put by giving Notice to SLP; (iii) the closing of the Repurchase Put shall occur on the date sixty (60) days after SHF delivers the Notice of its exercise of the Repurchase Put (the "Repurchase Closing Date"); (iv) at the closing of the Repurchase Put, SLP shall cause the Partnership to pay the Bridge Loan and any LP Loans in full; and (v) on the Repurchase Closing Date, SLP shall make a payment to SHF by wire transfer of immediately available funds in the amount of the sum of its Capital Contributions, and interest on such Capital Contributions at the annual rate of the Prime Rate plus two percent (2%) per annum or ten percent (10%) per annum, whichever is greater, but in no event greater than the highest rate permitted by law; (vi) by the Repurchase Closing Date, SLP shall cause the Partnership to effect the release of any letter of credit, guaranty or collateral which SHF or its Affiliates may have provided to secure obligations of the Partnership and to reimburse SHF and its Affiliates for any loss, damage or liability they may have incurred as a result of providing any such letter of credit, guaranty or collateral; (vii) SLP shall indemnify, defend and hold harmless SHF and its Affiliates from any losses, damages, and/or liabilities, to or as a result of claims to which SHF may be subject as a result of its Interest in the Partnership; and (viii) provided SLP shall have satisfied its obligations relating to the Repurchase Obligation, SHF shall execute a document wherein it withdraws from the Partnership and acknowledges that it has no Interest in the Partnership.
5.6 Guaranteed Payments. No later than ninety (90) days after the end of the Fiscal Year, any Partner who has made a Special Additional Capital Contribution shall receive, as a guaranteed payment for the use of its capital, an amount equal to the annual interest earned by the Partnership, on the proceeds of such Special Additional Capital Contributions. The Partnership shall invest the proceeds of such Special Additional Capital Contributions as reasonably directed by the contributing Partner. Both the interest earned on the proceeds of such Special Additional Capital Contributions and any guaranteed payment due to a Partner shall be excluded from Net Cash Flow. Any guaranteed payment which is not paid when due shall remain a liability of the Partnership and shall bear at a rate equal to the lesser of fifteen percent (15%) per year and the highest rate permitted by law.

5.7 Assignment to the Partnership. Each of SLP and the General Partner hereby transfers and assigns to the Partnership all of its right, title and interest in and related to the Apartment Complex, including the following: (a) all contracts with architects, contractors (including the Contractor and all subcontractors) and supervising architects with respect to the development of the Apartment Complex; (b) all plans, specifications and working drawings, heretofore prepared or obtained in connection with the Apartment Complex and all governmental approvals obtained, including planning, zoning and building permits; (c) any and all commitments with respect to the Term Loan and the Tax Credits; (d) any and all rights under and pursuant to the Project Documents; and (e) any other work product related to the Apartment Complex. Each of SLP and the General Partner represent that they have good title to the property transferred and assigned pursuant to this Section 5.7 and have held such title as a nominee of the Partnership as owner of such property. The property transferred and assigned pursuant to this Section 5.7 shall not constitute a Capital Contribution inasmuch as the applicable transferring Partner held such property as nominee of the Partnership.

5.8 Payment of Environmental Assessment Consultant Fees. The Partners acknowledges that, on behalf of SHF, SAHP will retain an environmental consultant (the "Environmental Consultant") to review and give recommendations related to environmental reports that are provided to SHF by the General Partner or SLP (including, but not limited to, Phase I and Phase II environmental assessments, wetlands reports, lead and asbestos reports, abatement reports and other environmental reports required by the Environmental Consultant, to the reasonable satisfaction of the Environmental Consultant) for the Land or the rehabilitation of existing buildings. SHF shall be solely responsible for the payment of the fees of the Environmental Consultant up to a cumulative maximum of $1,000.00. The Partnership shall be solely liable for the payment of fees charged by the Environmental Consultant in excess of $1,000.00, and the Partnership shall pay such fees within thirty (30) days after receipt of invoices.

5.9 Partner Loans.

(a) SLP Loans. SLP shall have the right, but not the obligation, to make loans to the Partnership subject to the conditions and on the terms set forth in this Section 5.9 ("SLP Loans"). SLP Loans shall be on the following terms: (i) the right of SLP to make SLP Loans is subject to the condition that SLP shall not be in default in its obligations under this Agreement (including without limitation its obligations under Section 6.9); (ii) SLP Loans shall be used exclusively to fund Operating Deficits and other reasonable and necessary expenses of the Partnership Agreement Rockwall Senior Community, L.P.
Partnership; (iii) interest shall accrue on the Excess SLP Loan Amount at an annual interest rate of fifteen percent (15%), compounded annually, and on the balance of the SLP Loans at an annual interest rate of ten percent (10%), compounded annually; and (iv) SLP Loans shall be payable solely at the time, and in the manner and order of priority set forth in Sections 9.1, 9.2 and 9.3 of this Agreement. By making a SLP Loan, SLP does not waive, release or modify any claim of, or remedies with respect to a default, if any, by SHF under this Agreement.

(b) LP Loans. SHF, or its designee, shall have the right, but not the obligation, to make loans to the Partnership subject to the conditions and on the terms set forth in this Section 5.9 ("LP Loans"). LP Loans shall be on the following terms: (i) LP Loans shall be used exclusively to fund Operating Deficits and other reasonable and necessary expenses of the Partnership; (ii) interest shall accrue on Default LP Loans at an annual interest rate of eighteen percent (18%) compounded annually; (iii) interest shall accrue on the Excess LP Loan Amount (excluding Default LP Loans) at an annual interest rate of fifteen percent (15%), compounded annually, and on the balance of the LP Loans (excluding Default LP Loans) at an annual interest rate of ten percent (10%), compounded annually; and (iv) LP Loans shall be payable solely at the time, and in the manner and order of priority set forth in Sections 9.1, 9.2 and 9.3 of this Agreement, and Default LP Loans shall also be payable from the proceeds of any payments made by the General Partner or SLP to the Partnership to cure defaults by the General Partner or SLP that gave rise to such Default LP Loans. By making an LP Loan, SHF does not waive, release or modify any claim of, or remedies with respect to a default, if any, by the General Partner or SLP under this Agreement.

(c) Notice of Loans. If either SHF or SLP desires to make a Partner Loan, such Partner (the "Initiating Partner") shall give the other (the "Non-Initiating Partners") Notice of the Initiating Partner's intent to fund a Partner Loan, which Notice shall state the following: (i) the total amount of the Partner Loan proposed to be funded; (ii) the purpose for the proposed Partner Loan; and (iii) the proposed funding date of such Partner Loan, which date (the "Funding Date") shall not be less than fifteen (15) days following the date of such Notice; provided that (A) the notice requirement shall be shortened to the extent necessary to permit a Partner to fund a Partner Loan for the purpose of curing or preventing the occurrence of a default under the Project Loans or under the Project Documents, and (B) if the SLP is in default in its obligations hereunder, SHF may fund a Partner Loan without prior Notice to SLP. The Non-Initiating Partner shall notify the Initiating Partner at least five (5) days prior to the Contribution Date whether and in what amount the Non-Initiating Partner intends to make a Partner Loan to the Partnership, which amount may be up to, but not in excess of, fifty percent (50%) of the total proposed Partner Loan. The Initiating Partner and the Non-Initiating Partners shall each fund the portion of the Partner Loan it agreed to make by the Contribution Date. If a Partner fails to make such Partner Loan to the Partnership on or before the Contribution Date, the Partner who makes such Partner's share of the Partner Loan may, at such Partner's option, advance to the Partnership the amount of the non-lending Partner's share of the Partner Loan. Without limiting the generality of the foregoing, SHF shall have the right to propose and fund a Partner Loan for the purpose of payment of any indebtedness owed to RSI or its Affiliates. No Partner has the right to propose and fund a Partner Loan to fund distributions and/or payments to be made pursuant to Sections 9.1, 9.2 and 9.3 of this Agreement and SLP shall not have the right to propose and fund a Partner Loan to fund any indemnity obligation of the Partnership to SLP.
(d) Documentation of Partner Loans. At the request of a Partner, which request may be made quarterly, any Partner Loan shall be evidenced by a non-negotiable promissory note or notes reflecting any such Partner Loans made during or prior to the preceding calendar quarter. Partner Loans shall be an unsecured loan by such Partner and the Partners shall have no recourse to the assets of the General Partner or SLP for the repayment thereof, except SHF shall have recourse to the assets of SLP for repayment of Default LP Loans. Partner Loans shall not be considered Capital Contributions, and shall not increase such lending Partner's Capital Account.

(e) Usury Savings Clause. Notwithstanding anything to the contrary herein or in any note evidencing a Partner Loan, in no event shall interest accrue on any Partner Loan at a rate in excess of the highest rate permitted by applicable law.

(f) Capital Contribution Alternative. If a Partner that has made or intends to make a Partner Loan (a "Lending Partner") reasonably concludes that the operation of the usury savings clause in Section 5.9(e) of this Agreement will result in a reduction in the interest rate otherwise specified in this Section 5.9(f), or if SHF reasonably concludes that it may now have or sometime in the future likely will have a negative Capital Account, then the Lending Partner may request that its existing or proposed Partner Loans be restructured as Capital Contributions. In such event, all the Partners shall cooperate to negotiate and execute an amendment to this Agreement, which shall include the following terms: (i) each of SHF (or its designee) and the General Partner has the right to make Capital Contributions pursuant to such amendment ("Section 5.9 Capital Contributions") either instead of making LP Loans and SLP Loans, respectively, or to fund the concurrent repayment by the Partnership of LP Loans or SLP Loans, respectively; (ii) with respect to such Section 5.9 Capital Contributions, the Partner(s) making them shall be entitled to receive (A) guaranteed payments or a preferred return in amounts and at times corresponding to interest payments that would have been due had the Section 5.9 Capital Contributions been made as Partner Loans, and (B) distributions as a return of capital in amounts and at times corresponding to principal payments that would have been due had the Section 5.9 Capital Contributions been made as Partner Loans; (iii) Article 9 shall be revised to the maximum extent feasible to provide that such guaranteed payments or a preferred return and return of capital distributions shall have the same amounts, timing, priority of payment and tax consequences as the corresponding payments of Partner Loans would have had; and (iv) the definition of the NCF Percentage shall be revised so that Section 5.9 Capital Contributions shall have the same effect on reductions in the NCF Percentage as Partner Loans. Notwithstanding the foregoing, SHF shall have no obligation to consent to any amendment pursuant to this Section 5.9(f), which it concludes could adversely affect the timing or amount of the allocation to SHF of Tax Credits, losses, income or gains.

Article 6

RIGHTS, OBLIGATIONS AND POWERS OF THE GENERAL PARTNER

6.1 Management of the Partnership. Except as otherwise set forth in this Agreement, the General Partner, within the authority granted to it under this Agreement, shall be responsible for the management of the Partnership's business and shall manage the affairs of the Partnership to the best of its ability and use its best efforts to carry out the purpose of the Partnership. In so
doing, the General Partner shall take all actions necessary or appropriate to protect the interests of SHF and of the Partnership. The General Partner shall devote such time as is necessary to conduct the business of the Partnership.

6.2 Duties and Obligations of the General Partner. The General Partner shall have the following duties and obligations with respect to the Apartment Complex and the Partnership:

(a) While conducting the business of the Partnership, the General Partner shall not act in any manner which it knows or should have known after due inquiry will (i) cause the termination of the Partnership for federal income tax purposes without the Consent of SHF, or (ii) cause the Partnership to be treated for federal income tax purposes as an association taxable as a corporation.

(b) The General Partner shall conduct the affairs of the Partnership with due and reasonable care and prudence, and at all times in the best interest of the Partnership. Specifically, without limitation, the General Partner shall have a fiduciary responsibility for the safekeeping and proper use of all funds and assets of the Apartment Complex, and shall take no action with respect to the business and property of the Partnership which is not reasonably related to the achievement of the purpose of the Partnership.

(c) All of (i) the fixtures, maintenance supplies, tools, equipment and the like now and to be owned by the Partnership or to be appurtenant to, or to be used in the operation of the Apartment Complex, as well as (ii) the Apartment Complex and the rents, revenues and profits earned from the operation of the Apartment Complex, will be free and clear of all security interests and encumbrances except for those created pursuant to the Loan Documents.

(d) The General Partner shall, during and after the period in which it is a Partner, provide the Partnership with such information and sign such documents as are necessary for the Partnership to make timely, accurate and complete submissions of federal and state income tax returns.

(e) The General Partner shall comply and cause the Partnership to comply with the provisions of all applicable governmental requirements and the Project Documents.

(f) The General Partner shall be responsible for the payment or other satisfaction of any fines, penalties or sanctions imposed pursuant to the Project Documents and any documents executed in connection with obtaining Tax Credits (other than with respect to payments of principal or interest under any Project Loan) attributable to any action or inaction of the General Partner or its Affiliates, whether imposed by the Agency or any Project Lender or any other party thereto.

(g) The General Partner shall immediately give Notice to SHF of any written or oral notice of (i) any default or failure of compliance with respect to any Project Loan or Project Document or any other financial, contractual or governmental obligation of the Partnership or the General Partner, or (ii) any IRS proceeding or other governmental investigation regarding the Apartment Complex, the Partnership, the General Partner, the SLP or Guarantor. With respect to any such default, failure to comply, proceeding or investigation, the General Partner shall provide SHF and its agents full access to all related documentation and
written materials, as well as the opportunity to discuss such matters with the individuals that are involved.

(h) [intentionally left blank]

(i) The General Partner shall maintain, at the offices of SLP, for the Partners and the Partnership, books, files and records including tenant leasing files in compliance with the Code, the Regulations and which will adequately document the timing, amount and availability of the Tax Credits. The General Partner shall cause construction related files and files which document the initial qualification of apartment units for Tax Credits to be copied and stored off-site at the SLP’s principal place of business or at another location over which the General Partner or SLP has potential control for a period of not less than 21 years; provided, however, that the General Partner may change such location from time to time after ten (10) days prior Notice to SHF and SLP. Within 30 days of the date on which all units in the Apartment Complex have been occupied, the General Partner or SLP shall provide SHF with a copy of all files which document the initial qualification of units for Tax Credits. Within five days’ Notice from SHF, the General Partner or SLP shall afford SHF and its agents access to all such files, including files stored off-site during ordinary business hours. All such files are property of the Partnership and not of the General Partner or SLP.

(j) The General Partner shall be solely responsible for the following: (i) analyzing the qualified allocation plan for targeted areas within the State; (ii) identifying potential land sites and analyzing the demographics of potential sites; (iii) analyzing the economy and forecasting future growth potential of the geographic area in which the Apartment Complex is located; (iv) determining the Land’s zoning status and possible rezoning strategies (except to the extent that the Developers are responsible for compliance with zoning regulations); (v) contacting local government officials concerning access to utilities, public transportation, impact fees and local ordinances; (vi) performing environmental tests on the Land (except to the extent that the Developers are responsible for such tests on any buildings or Land immediately below the buildings); (vii) negotiating the purchase of the Land and its related financing; (viii) processing necessary documentation with the Agency in connection with Tax Credits; (ix) arranging the permanent financing for the Partnership; and (x) arranging for the admission to the Partnership of SHF. In consideration for its services set forth in this subsection, the General Partner has received its interests in distributions of the Partnership’s Net Cash Flow and of the proceeds from sale and liquidation of Partnership property as set forth in Sections 9.1, 9.2, and 9.3 of this Agreement. The General Partner shall not assign or delegate any of these duties to any other Person (including without limitation the Developers).

6.3 Special Purpose Entity. The General Partner shall engage in no other business or activity other than that of being the General Partner of the Partnership. The General Partner was formed exclusively for the purpose of acting as the General Partner of the Partnership and has never engaged in any other activity, business or endeavor. As of the date of this Agreement, the General Partner has no liabilities or indebtedness other than its liability for the debts of the Partnership, and the General Partner shall not incur any indebtedness other than its liability for the debts of the Partnership. If the General Partner determines it needs additional funds for any purpose, it shall obtain such funds solely from capital contributions from its members. The General Partner has observed and shall continue to observe all necessary or appropriate entity
formalities in the conduct of its business. The General Partner shall keep its books and records separate and distinct from those of its members and Affiliates. The General Partner shall clearly identify itself as a legal entity separate and distinct from its members and its Affiliates in all dealings with other Persons. The General Partner has been adequately capitalized for the purposes of conducting its business and will not make distributions at a time when it would have unreasonably small capital for the continued conduct of its business.

6.4 Limitations Upon the Authority of the General Partner.

(a) The General Partner shall not have any authority to:

(i) perform any act in violation of any applicable law or regulation thereunder;

(ii) perform any act in violation of the provisions of the Regulatory Agreements, or any other Project Documents;

(iii) do any act required to be approved in writing by SHF under the Act unless the right to do so is expressly otherwise given in this Agreement or unless SHF has provided such approval;

(iv) borrow from, or otherwise misappropriate funds of, the Partnership, commingle Partnership funds with funds of any other Person or use Partnership funds other than for the particular purpose for which such funds were advanced or contributed; or

(v) conduct the business of the Partnership in violation of the Partnership's purposes set forth in Article 3.

(b) The General Partner shall not, without the Consent of SHF and SLP, which Consent may be withheld in SHF's and SLP's sole and absolute discretion, have any authority to:

(i) sell or otherwise dispose of, at any time, any interest in the Apartment Complex or any other material portion of the assets of the Partnership;

(ii) Cause the Partnership to commence a proceeding seeking any decree, relief, order or appointment in respect to the Partnership under the federal bankruptcy laws, as now or hereafter constituted, or under any other federal or state bankruptcy, insolvency or similar law, or the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) for the Partnership or for any substantial part of the Partnership's business or property, or to cause the Partnership to consent to any such decree, relief, order or appointment initiated by any person other than the Partnership;

(iii) borrow on the general credit of the Partnership, except LP Loans, SLP Loans and Operating Deficit Loans, and except as and to the extent provided for in an approved budget pursuant to Section 12.4(a) of this Agreement;
(iv) following Completion, construct any new or replacement capital improvements on the Apartment Complex which substantially alter the Apartment Complex or its use or which are at a cost in excess of $10,000 in a single Fiscal Year, except (a) replacements and remodeling in the ordinary course of business or under emergency conditions, or (b) reconstruction paid with insurance proceeds, or (c) as and to the extent provided for in an approved budget pursuant to Section 12.4(a) of this Agreement;

(v) acquire any real property in addition to the Apartment Complex other than easements reasonable and necessary for the operation of the Apartment Complex;

(vi) take any action requiring the Consent of SHF hereunder without first having obtained such Consent;

(vii) Do any act in contravention of this Agreement;

(viii) Change the nature of the business of the Partnership;

(ix) change the Property Manager other than pursuant to Section 6.16;

(x) cause the Partnership to make any loan or advance to any person (for purposes of this clause (x), accounts receivable in the ordinary course of business from persons other than the General Partner or its Affiliates shall not be deemed to be advances or loans);

(xi) lease any unit in the Apartment Complex or otherwise operate the Apartment Complex in such a manner or take any action which could cause any unit to fail to be treated as a qualified low-income housing unit under Section 42(i)(3) of the Code or which would cause the recapture by the Partnership of any Tax Credit;

(xii) amend any Project Document, or permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, the SHF or their Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, the SLP (notwithstanding that the SLP is neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective) (only the consent of the SLP is necessary under this clause);

(xiii) amend any Project Document, or permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, the SLP or their Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, the SHF (notwithstanding that the SHF is neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective) (only the consent of the SHF is necessary under this clause);

(xiv) apply for or accept any grant funds on behalf of the Partnership regardless of the source of the grant;
(xv) pledge or assign any Capital Contribution or the proceeds thereof; or

(xvi) Take any action which would cause the Apartment Complex or any part thereof to be treated as tax exempt use property within the meaning of Section 168(h) of the Code.

6.5 Continued Compliance Sale. Notwithstanding the foregoing, at any time after the fourteenth (14th) anniversary of the first day of the first taxable year of the applicable Compliance Period, SHF (but only with the Consent of SLP, which may not be unreasonably withheld) may request that the Partnership do one of the following (subject to the Extended Use Agreement): (a) sell the Apartment Complex subject to the Extended Use Agreement (a "Continued Compliance Sale"); or (b) request that the Agency arrange for the sale of the Apartment Complex after submission of a Qualified Contract (a "Compliance Termination Sale"). Any sale of the Apartment Complex during the term of the Extended Use Agreement shall be subject to Agency requirements.

(a) A request from SHF for a Continued Compliance Sale ("Continued Compliance Sale Request") shall include the minimum sales price at which the Partnership is to sell the Apartment Complex, and such other terms and conditions for the sale of the Apartment Complex as SHF shall determine in its sole discretion, including, but not limited to a sale subject to or the assumption of any financing secured by the Apartment Complex. Promptly after the receipt by the General Partner and SLP of a Continued Compliance Sale Request, the General Partner and SLP shall cause the Partnership to diligently and continuously market the Apartment Complex, and shall use commercially reasonable efforts to cause the Partnership to sell the Apartment Complex pursuant to a bona-fide purchase agreement with a Person not an Affiliate of any Partner, which Purchase Agreement shall be on terms no less favorable than those set forth in the Continued Compliance Sale Request and shall require that the purchase of the Apartment Complex be subject to the Extended Use Agreement; provided, however, the General Partner or SLP shall be entitled to make an offer to purchase the Apartment Complex. By Notice to the General Partner and SLP, SHF shall have the right to modify the terms of a Continued Compliance Sale Request, including without limitation, the minimum purchase price for the Apartment Complex. If the General Partner or SLP does not cause the sale of the Apartment Complex by the date six (6) months after the date of the Continued Compliance Sale Request, then upon Notice from SHF, SHF may require that the Partnership enter into a "Marketing Agreement" with SHF or an Affiliate of SHF ("Marketing Agent") designated by SHF and/or SHF shall have the right to locate a purchaser for the Apartment Complex. Such Marketing Agreement shall be on the following terms: (A) the Partnership shall authorize the Marketing Agent to perform all acts (excluding repairs or capital improvements of the Apartment Complex) which the Marketing Agent deems reasonable or necessary to cause the sale of the Apartment Complex (either in a single sale or multiple sales) on terms no less favorable to the Partnership than those set forth in the Continued Compliance Sale Request; (B) the Marketing Agent shall have the authority and power on behalf of the Partnership to engage third party brokers, advertise and otherwise market the Apartment Complex, negotiate with prospective buyers of the Apartment Complex, and negotiate and execute purchase agreements and other agreements related to the sale of the Apartment Complex on behalf of the Partnership which provides for a purchase price approved by SHF and which is at least as favorable to the Partnership as the best
offer, if any, located by the General Partner or SLP; (C) the Marketing Agent shall not be entitled to any fee for its services under the Marketing Agreement, but the Partnership shall reimburse the Marketing Agent for any out-of-pocket costs and expenses reasonably incurred by Marketing Agent in connection with the Marketing Agreement; and (D) the Partnership shall cooperate fully with the Marketing Agent in connection with the sale of the Apartment Complex, including without limitation providing information concerning the property and executing and/or ratifying contracts related to the marketing and sale of the Apartment Complex.

(b) After receipt of a request for a Compliance Termination Sale, the General Partner shall make a request to the Agency to obtain a buyer who is willing to acquire and operate the low-income units of the Apartment Complex as a qualified low-income building and who will submit a Qualified Contract for the low-income portion of the Apartment Complex. If the Agency finds a buyer who will submit a Qualified Contract for the low-income portion of the Apartment Complex, then upon Notice from SHF, the General Partner shall cause the Partnership to execute the Qualified Contract and to perform its obligations thereunder. If, however, no Qualified Contract is submitted within one year of the date of the General Partner's request to the Agency, then SHF may send the General Partner a "Compliance Termination Sale Request," which request shall include the minimum sales price at which the Partnership is to sell the Apartment Complex, and such other terms and conditions for the sale of the Apartment Complex as SHF shall determine in its sole discretion, including, but not limited to a sale subject to or the assumption of any financing secured by the Apartment Complex. Promptly after the receipt by the General Partner and SLP of a Compliance Termination Sale Request, the General Partner and SLP shall cause the Partnership to diligently and continuously market the Apartment Complex, and shall use commercially reasonable efforts to cause the Partnership to sell the Apartment Complex pursuant to a bona-fide purchase agreement with a Person not an Affiliate of any Partner, which Purchase Agreement shall be on terms no less favorable than those set forth in the Compliance Termination Sale Request; provided, however, the General Partner or SLP shall be entitled to make an offer to purchase the Apartment Complex. By Notice to the General Partner and SLP, SHF shall have the right to modify the terms of a Compliance Termination Sale Request, including without limitation, the minimum purchase price for the Apartment Complex. If the General Partner does not cause the sale of the Apartment Complex by the date six (6) months after the date of the Compliance Termination Sale Request, then upon Notice from SHF, SHF may require the Partnership to enter into a Marketing Agreement with the Marketing Agent, which Marketing Agreement shall be on the same terms as set forth in Section 6.5(a) of this Agreement, except that references to "Continued Compliance Sale Request" shall be changed to "Compliance Termination Sale Request", and/or SHF shall have a right to locate a purchaser for the Apartment Complex. If the Agency does submit a Qualified Contract during the one year period and the Partnership does not execute such Qualified Contract, then, in addition to its rights under this Section 6.5(b), SHF shall still have the right to submit a Continued Compliance Sale Request pursuant to Section 6.5(a) of this Agreement.

(c) The Partnership shall enter into a right of first refusal with LifeNet which contains the terms set forth in Exhibit N attached hereto and is otherwise satisfactory to the SHF and the SLP (the "Right of First Refusal"), and any sale of the Apartment Complex shall be made in accordance with such right of first refusal. The Partnership has additionally entered into an Agreement to the Provision of Right of First Refusal with the Agency (the "Agency RoFR Agreement").
6.6 General Partner or Affiliates Dealing with Partnership. The General Partner or any Affiliates thereof shall have the right to contract or otherwise deal with the Partnership for the sale of goods or services to the Partnership, in addition to those expressly authorized herein, if SHF has given its Consent (which may be withheld in its sole and absolute discretion) to the particular contract or other dealings between the Partnership and the General Partner or its Affiliates. Any contract covering such transactions shall be in writing and shall be terminable without penalty on sixty (60) days Notice. Any payment made to the General Partner or any Affiliate for such goods or services shall be fully disclosed to all Limited Partners in the reports required under Section 12.4 of this Agreement. Neither the General Partner nor any Affiliate shall, by the making of lump sum payments to any other Person for disbursement by such other Person, circumvent the provisions of this Section 6.6.

6.7 Other Activities. This Agreement shall not prohibit (i) any Affiliate of the General Partner or (ii) SLP, from engaging in or possessing interests in other business ventures of every kind and description for their own account, including, without limitation, serving as general partner of other partnerships which own, either directly or through interests in other partnerships, government-assisted housing projects similar to the Apartment Complex. Neither the Partnership nor any of the Partners shall have any rights by virtue of this Agreement in or to such other business ventures or to the income or profits derived therefrom. The General Partner, however, shall be bound by the restrictions set forth in this Agreement, including without limitation Sections 6.3 and 6.4 of this Agreement.

6.8 Liability for Acts and Omissions. The General Partner shall not be liable, responsible or accountable in damages or otherwise to any of the Partners for any act or omission performed or omitted by it in its capacity as General Partner of the Partnership in good faith on behalf of the Partnership and in a manner reasonably believed by it to be within the scope of the authority granted to it by this Agreement and in the best interest of the Partnership, provided that the protection afforded the General Partner pursuant to this Section 6.8 shall not apply in the case of negligence, willful breach, misconduct, fraud or any breach of fiduciary duty by the General Partner. Any loss or damage incurred by any General Partner by reason of any act or omission performed or omitted by it in good faith on behalf of the Partnership and in a manner reasonably believed by it to be within the scope of the authority granted by this Agreement (and otherwise in accordance with this Agreement) and in the best interests of the Partnership (but not, in any event, any loss or damage incurred by the General Partner by reason of negligence, willful breach, misconduct, fraud or any breach of fiduciary duty by the General Partner) shall be paid from Partnership assets to the extent available (but SHF and SLP shall not have any personal liability to the General Partner under any circumstances on account of any such loss or damage incurred by the General Partner or on account of the payment thereof).

6.9 Construction of the Apartment Complex, Construction Cost Overruns, Operating Deficits; Other Guarantees.

(a) Construction Guaranty. The SLP unconditionally covenants, guarantees and warrants as follows:

(i) The SLP shall cause Completion to occur not later than the earliest of December 31, 2008, or the date for Completion required in the Project Documents or the date
required for the Partnership to qualify for the Tax Credits. In addition, SLP shall cause the Partnership to commence and continue substantial construction of the Project no later than December 1, 2007, in accordance with Section 50.15 of the 2006 TDHCA Housing Tax Credit Program Qualified Allocation Plan and Rules.

(ii) The SLP shall cause the Partnership to satisfy all construction related requirements in the Loan Documents and this Agreement, including any requirement related to completion of the Apartment Complex, and all requirements for the issuance of all necessary permanent, unconditional certificates of occupancy for the Apartment Complex and any other governmental approvals required to permit occupancy of all of the apartment units in the Apartment Complex.

(iii) The SLP hereby agrees to pay all Excess Development Costs and acknowledges the Partnership shall have no obligation to pay any Excess Development Costs. Any amounts paid by the SLP pursuant to this clause (iii) shall not be repaid by the Partnership, nor shall such amounts be considered or treated as Capital Contributions of the SLP to the Partnership, except (A) to the extent the amounts advanced were necessary to cover timing differences between the due date of obligations and the receipt of funds (in which case such advances will be repaid to the SLP when the funds are received) or the amounts advanced were made pursuant to a balancing request (in which case such advances will be returned to the extent not needed to cover the cost overruns or shortfalls for which they were advanced or it is later determined that savings in other areas were sufficient to cover such cost overruns or shortfalls) and (B) if an Excess Development Cost constitutes Eligible Basis necessary to cause the Certified Credits to equal or exceed the Projected Credits, then funds provided by the SLP to pay such cost shall be deemed a Capital Contribution of the SLP.

(iv) The SLP shall pay any Excess Development Costs pursuant to Section 6.9(a)(iii) by the earliest of (A) the date required to avoid a default or penalties under Partnership obligations, including without limitation the Term Loan, (B) the date required to keep all sources of funding for the Apartment Complex "in balance," (C) the date required to keep all expenses without a specific maturity date paid on a sixty (60) day current basis, or (D) such earlier date as may be set forth in this Agreement.

(b) Operating Deficit Guaranty. If, at any time during the period commencing on the achievement of Stabilization and ending on the third anniversary of the achievement of Stabilization (the "Initial Period"), an Operating Deficit (for purposes of this Section only, Operating Deficits shall be measured based on expenses which are due in the month in question) shall exist, the SLP shall make a loan to the Partnership (an "Operating Deficit Loan") as shall be necessary to pay such Operating Deficit(s); provided, however, that the SLP shall not be obligated to make Operating Deficit Loans if and to the extent such loan would cause the sum of the then outstanding Operating Deficit Loans to exceed an amount equal to $423,000. Any Operating Deficit Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall not bear interest; (iii) it shall be repayable solely from Net Cash Flow as set forth in Section 9.1 of this Agreement, and from the proceeds of a Capital Transaction as set forth in Section 9.2 of this Agreement and from the net proceeds resulting from liquidation of the Partnership as set forth in Section 9.3 of this Agreement; and (iv) it shall be fully subordinated to payment of Project Loans, LP Loans, SLP Loans, indebtedness of the Partnership to all Persons other than Partners
and to all other amounts which have a payment priority under Sections 9.1, 9.2 and 9.3 of this Agreement. If on or before expiration of the Initial Period, the SLP or any Affiliate of the SLP constructs or participates in a project that is not owned by an entity in which an Affiliate of RSI has an ownership interest (the "New Project") which qualifies for Tax Credits within a one (1) mile radius of the location of the Apartment Complex (the "Radius"), then the obligation of the SLP to make Operating Deficit Loans shall continue until six (6) years from the date the last certificate of occupancy for the New Project is issued by the applicable Authority (the "Issuance Date"). If the SLP or any Affiliate of the SLP, constructs or otherwise participates in a New Project within the Radius after the Initial Period, then the SLP shall provide Operating Deficit Loans for a period of six (6) years commencing on the Issuance Date. The SLP shall be required to fund Operating Deficits pursuant to this Section 6.9(b) by the earlier of (A) the date required to avoid a default or penalties under Partnership obligations, including without limitation the Term Loan, and (B) the date required to keep all expenses without a specific maturity date paid on a sixty (60) day current basis.

(c) Guaranty of Bridge Loan. The SLP hereby irrevocably and unconditionally guarantees to SHF and its Affiliates, as applicable, the full and timely repayment of and the performance of all obligations of the Partnership under the Bridge Loan and the Bridge Loan Note, other than the payment of Excess Interest. The SLP shall at all times indemnify, defend and hold harmless SHF and its Affiliates against and from any and all claims, suits, actions, debts, damages, costs, charges, losses, obligations, judgments and expenses, of any nature whatsoever, suffered or incurred by any of them and arising from a breach by the SLP of this subsection.

(d) Tax Credit Compliance Guaranty.

(i) Subject to Section 6.9(d)(iv), the SLP irrevocably and unconditionally guarantees that if there is a Tax Credit Shortfall for any Fiscal Year, then on the first Payment Date following such Fiscal Year the SLP shall pay to SHF the sum of the following amounts: (A) the amount of the Tax Credit Shortfall for the Fiscal Year immediately preceding the Payment Date, (B) all penalties and interest imposed by the Code and assessed against SHF by the IRS with respect to any Tax Credit Shortfall, and (C) an amount sufficient to pay any tax liability owed by SHF resulting from the receipt of the amounts specified in the foregoing clauses (A), (B) and this clause (C) (such calculation to be made assuming SHF is subject to the highest federal and California state rate imposed on corporate taxpayers under the Code and applicable state law for the taxable year of SHF in which such payment is taken into income by SHF) together with interest on such amounts at the AFR accruing from such Payment Date, compounded annually. Notwithstanding the foregoing, if a foreclosure of the Apartment Complex occurs which is not directly or indirectly a result of a breach by the SLP of any of its obligations hereunder, then the SLP shall not be required to make payments to SHF under this Section 6.9(d)(i) with respect to the Tax Credit Shortfall resulting from such foreclosure.

(ii) Subject to Section 6.9(d)(iv), the SLP irrevocably and unconditionally guarantees that if there is a Tax Credit Loss Event, the SLP shall pay to SHF the sum of the following amounts: (A) the amount of Tax Credits previously allocated to SHF and subsequently disallowed because of such Tax Credit Loss Event; (B) the "credit recapture amount" (as defined in Section 42(j)(2) of the Code) allocated to SHF because of such Tax
Credit Loss Event; (C) all penalties and interest imposed by the Code and assessed against SHF by the IRS with respect to such Tax Credit Loss Event; (D) an amount sufficient to pay any tax liability owed by SHF resulting from the receipt of the amounts specified in the foregoing clauses (A), (B), (C), and this clause (D) (such calculation to be made assuming SHF is subject to the highest federal and California state rate imposed on corporate taxpayers under the Code and applicable state law for the taxable year of SHF in which such payment is taken into income by SHF) together with interest on such amounts at the AFR accruing from the date SHF remits funds to a taxing authority with respect to a Tax Credit Loss Event, compounded annually; and (E) if the cause of the Tax Credit Loss Event will in the reasonable determination of SHF decrease the maximum amount of Tax Credits that will be available to the Partnership and allocated to SHF during the remainder of the Credit Period assuming full compliance with Section 42 of the Code, then an amount equal to such decrease. The SLP shall make such payment to SHF within seventy-five (75) days of the Tax Credit Loss Event. Notwithstanding the foregoing, if a foreclosure of the Apartment Complex occurs which is not directly or indirectly a result of a breach by the SLP of any of its obligations hereunder, then the SLP shall not be required to make payments to SHF under this Section 6.9(d)(ii) with respect to such Tax Credit Loss Event.

(iii) If SHF receives a payment under this Section 6.9(d) and the Partnership has appealed the issue giving rise to such payment (but has not caused a stay of enforcement with respect to such payment), and if the Partnership prevails on such appeal based on a final ruling by a federal court of competent jurisdiction, then SHF shall refund the excess payment under this Section which it had received.

(iv) If there is a Tax Law Change, the SLP shall use its good faith, reasonable efforts to comply with such Tax Law Change and to avoid a Tax Credit Shortfall or Tax Credit Loss Event based on such Tax Law Change. If despite the SLP's good faith, reasonable efforts to comply with the Tax Law Change, such Tax Law Change results in a claim under Section 6.9(d)(i) or 6.9(d)(ii) of this Agreement (a "Limited Recourse Liability"), then payment of such Limited Recourse Liability shall be made solely from distributions under Sections 9.1, 9.2 and 9.3 and from the SLP Pledged Payments and the SLP shall have no personal liability for the payment of such Limited Recourse Liability (unless and to the extent it wrongfully received distributions under Sections 9.1, 9.2 and/or 9.3 or SLP Pledged Payments that should have been made to SHF in satisfaction of the Limited Recourse Liability).

(e) HOME Loan.

(i) Concurrently with the execution hereof, the Partnership is obtaining a loan which meets the requirements set forth on Exhibit L attached hereto ("HOME Loan"). The HOME Loan shall be used to pay Development Costs. Prior to execution of any of the HOME Loan Documents, the General Partner shall obtain the Consent of SHF to the terms and forms of the HOME Loan Documents.

(ii) The General Partner shall not cause or permit the Partnership to amend the HOME Loan Documents without the Consent of SHF. In addition, any replacement or refinancing of the HOME Loan with a substitute HOME Loan shall require the Consent of SHF.
(iii) The General Partner covenants that the HOME Loan Documents shall include nonrecourse language that eliminates all personal liability of the Partnership and its Partners for the payment of the HOME Loan, excluding only carveouts to the nonrecourse language typically required by institutional lenders based on fraud, misappropriation of funds or other specified "bad acts" of the Partnership or its Partners. In addition, neither the General Partner nor its Affiliates shall enter into any guaranty or credit support agreement or provide any letter of credit or other collateral that will cause the HOME Loan not to be nonrecourse debt for federal income tax purposes. The General Partner represents and warrants that the HOME Loan shall at all times constitute nonrecourse indebtedness for federal income tax purposes.

(f) The Term Loan.

(i) The SLP irrevocably and unconditionally guarantees and covenants that the Partnership shall obtain and receive funding of a construction/term loan ("Term Loan"), which converts to a long-term loan upon the satisfaction of the conditions set forth in the Term Loan Documents and which meets the requirements of the Financing Summary attached hereto as Exhibit L, by no later than the third anniversary hereof.

(ii) The SLP shall make a Capital Contribution equal to the amount, if any, of the Term Loan which must be repaid to cause Stabilization to occur which shall be used to make such repayment.

(iii) The General Partner shall not cause or permit the Partnership to amend the Term Loan Documents without the Consent of SHF and SLP. In addition, any replacement or refinancing of the Term Loan shall require the Consent of SHF and SLP, which Consent may be withheld in the sole discretion of SHF and SLP.

(iv) The General Partner and SLP covenant that the Term Loan Documents shall include nonrecourse language that eliminates all personal liability of the Partnership and its Partners for the payment of the Term Loan, excluding only carveouts to the nonrecourse language typically required by institutional lenders based on fraud, misappropriation of funds or other specified "bad acts" of the Partnership or its Partners. In addition, neither the General Partner, SLP nor any of their respective Affiliates shall enter into any guaranty or credit support agreement or provide any letter of credit or other collateral that will cause the Term Loan not to be nonrecourse debt for federal income tax purposes. The General Partner and SLP represents and warrants that the Term Loan shall at all times constitute nonrecourse indebtedness for federal income tax purposes.

(g) Misconduct Indemnity.

(i) The General Partner shall at all times indemnify and hold harmless the Partnership and SHF and SHF's Affiliates against and from any and all claims, suits, actions, debts, damages, costs, charges, losses, obligations, judgments and expenses, or orders by a governmental authority, of any nature whatsoever, suffered or incurred by the Partnership, SHF or SHF's Affiliates arising from or in connection with any of the following (a "GP Misconduct Event"): breach of fiduciary duty by the General Partner, any intentional misstatement in any certificate delivered by the General Partner or any gross negligence, willful breach, intentional
misconduct, bad faith, misappropriation of funds or fraud by the General Partner or any Affiliate of the General Partner (including without limitation, LifeNet or the Property Manager, if an Affiliate of the General Partner), or any intentional breach by the General Partner of any representation or warranty contained in this Agreement, any Project Documents or any certification delivered in connection therewith, by the Property Manager under the Management Agreement (if an Affiliate of the General Partner) or by LifeNet under the Construction Contract.

(ii) The SLP shall at all times indemnify and hold harmless the Partnership and SHF and SHF's Affiliates against and from any and all claims, suits, actions, debts, damages, costs, charges, losses, obligations, judgments and expenses, or orders by a governmental authority, of any nature whatsoever, suffered or incurred by the Partnership, SHF or SHF's Affiliates arising from or in connection with any of the following (an "SLP Misconduct Event"): breach of fiduciary duty by the SLP, any intentional misstatement in any certificate delivered by the SLP or any gross negligence, willful breach, intentional misconduct, bad faith, misappropriation of funds or fraud by the SLP or any Affiliate of the SLP (including without limitation, Churchill Communities, the Property Manager, if an Affiliate of the SLP, or the Contractor, if an Affiliate of the SLP), or any intentional breach by the SLP of any representation or warranty contained in this Agreement, any Project Documents or any certification delivered in connection therewith, by the Property Manager under the Management Agreement (if an Affiliate of the SLP) or by the Contractor under the Construction Contract (if an Affiliate of the SLP).

6.10 Development Fee. The Partnership has entered into the Development Agreement with the Developers for their services in connection with the development and construction of the Apartment Complex. In consideration for such services, the Partnership shall pay the Developers a Development Fee in the total amount of $1,809,023, in accordance with the terms of the Development Agreement and Article 9 of this Agreement.

6.11 Incentive Partnership Management Fee. The Partnership has entered into the Incentive Partnership Management Agreement with the SLP and the General Partner for services in managing the business of the Partnership. In no event shall the Incentive Partnership Management Fee exceed $200,000 per year. The Incentive Partnership Management Fee shall only be payable pursuant to Section 9.1 of this Agreement and shall not be cumulative.

6.12 Withholding of Fee Payments.

(a) If (i) the General Partner, LifeNet, or any successor General Partner shall not have complied with any provisions under this Agreement, the Development Agreement, the Incentive Partnership Management Agreement or the Construction Contract, as applicable, within thirty (30) days after the date SHF delivers written notice of such noncompliance to the General Partner, or (ii) any holder of any Project Loan shall have declared the Partnership to be in default under the applicable Project Loan after the expiration of all applicable cure periods, if any, as a result of acts or omissions of the General Partner, LifeNet or any Affiliate of any of them, or (iii) foreclosure proceedings shall have been commenced against the Apartment Complex as a result of acts or omissions of the General Partner, LifeNet or any Affiliate of any of them, then the General Partner and LifeNet shall be in default of this Agreement, the Development Agreement, the Incentive Partnership Management Agreement and the
Construction Contract, as the case may be, and SHF, at its sole election, may cause the withholding of payment of any Additional Capital Contribution otherwise payable to the Partnership which are to be used to make any payments to the General Partner or LifeNet, and the Partnership shall withhold payment of any installment of fees payable to the General Partner and/or LifeNet.

(b) If (i) the SLP, Churchill Communities or the Contractor (if an Affiliate of the SLP), or any successor SLP shall not have complied with any provisions under this Agreement, the Development Agreement, the Incentive Partnership Management Agreement or the Construction Contract, as applicable, within thirty (30) days after the date SHF delivers written notice of such noncompliance to the SLP, or (ii) any holder of any Project Loan shall have declared the Partnership to be in default under the applicable Project Loan after the expiration of all applicable cure periods, if any, as a result of acts or omissions of the SLP, Churchill Communities, the Contractor (if an Affiliate of the SLP) or any Affiliate of any of them, or (iii) foreclosure proceedings shall have been commenced against the Apartment Complex as a result of acts or omissions of the SLP, Churchill Communities, the Contractor (if an Affiliate of the SLP) or any Affiliate of any of them, then the SLP, Churchill Communities and the Contractor (if an Affiliate of the SLP) shall be in default of this Agreement, the Development Agreement, the Incentive Partnership Management Agreement and the Construction Contract, as the case may be, and SHF, at its sole election, may cause the withholding of payment of any Additional Capital Contribution otherwise payable to the Partnership which are to be used to make any payments to the SLP, Churchill Communities or the Contractor (if an Affiliate of the SLP), and the Partnership shall withhold payment of any installment of fees payable to the SLP, Churchill Communities and/or the Contractor (if an Affiliate of the SLP).

(c) All amounts so withheld by the Partnership and/or SHF under this Section 6.12 shall be promptly released to the payees thereof within five (5) days after the General Partner, the SLP, the Developers, the Affiliate and/or the Contractor, as applicable, have cured the default justifying the withholding as demonstrated by evidence reasonably acceptable to SHF.

6.13 Pledged Payments. To secure the payment and performance by the SLP and Churchill Communities of the SLP's obligations under this Agreement and Churchill Communities obligations under the Development Agreement, the SLP hereby collaterally assigns, pledges and grants a security interest to SHF in all of the SLP's right, title and interest in and to any distributions and payments under this Agreement, including without limitation payments with respect to Operating Deficit Loans and SLP Loans and distributions of Net Cash Flow and proceeds of a Capital Transaction (collectively, the "SLP Pledged Payments"). The SLP irrevocably directs the Partnership to pay to SHF any SLP Pledged Payments at any time that there is an unsatisfied obligation secured by the Pledged Payments. The Partnership and the Partners shall treat any SLP Pledged Payments made by the Partnership to SHF as a payment by the Partnership to the SLP of the particular SLP Pledged Payment and a payment by the SLP to SHF of the particular obligation owed to SHF; without limiting the generality of the foregoing, to the extent a Tax Credit Compliance Guaranty Obligation is paid through the distributions under Article 9, such payment shall be treated as a payment or distribution to the SLP and then a payment of the Tax Credit Compliance Guaranty Obligation by the SLP to SHF. If there is more
than one type of outstanding obligation owed at the time an SLP Pledged Payment is made to SHF, SHF in its sole discretion shall decide to which secured obligation the SLP Pledged Payments shall be applied. This Section 6.13 shall constitute a security agreement under applicable law. In addition, the SLP grants SHF a right of offset against SLP Pledged Payments with respect to all amounts due to the SLP under this Agreement.

6.14 Reserve For Replacements. On the first day of each calendar month commencing after Completion, the Partnership shall fund a Reserve For Replacements (the annual amount of contributions to the Reserve For Replacements shall be funded in twelve (12) equal monthly payments). The Reserve For Replacements shall be funded as follows: (i) from the date of Completion until the date five (5) years after the date of Completion, the Reserve for Replacements shall be funded based on $250 per apartment unit per year; (ii) from the date five (5) years from the date of Completion until the date ten (10) years after the date of Completion, the Reserve For Replacements shall be funded based on $300 per apartment unit per year; and (iii) with respect to each subsequent five (5) year period, the required funding shall be increased by $50 per apartment unit per five-year period, provided that after the tenth (10th) year after the date of Completion the General Partner shall increase the minimum funding of the Reserve For Replacements if reasonably necessary to ensure that such increase is reasonably necessary to comply with sound asset management principles. With the Consent of SHF, the General Partner may make withdrawals from the Reserve For Replacements solely for the purpose of paying the cost of capital items, which shall consist of the acquisition or replacement of property expected to have a useful life of two (2) years or more and the cost of repairs to property that will extend the useful life of such property by two (2) years or more. Examples of such capital items and repairs are outlined in Exhibit K attached hereto. If the Term Loan Documents impose more strict requirements regarding the funding and/or use of Reserve For Replacements, such more strict requirements shall apply.

6.15 Selection of Property Manager; Management Agreement.

(a) The General Partner shall cause the Partnership at all times during which the Partnership owns the Apartment Complex to engage a Property Manager to provide property management services for the Partnership with respect to the Apartment Complex pursuant to a management agreement in the form of Exhibit G attached hereto (the "Management Agreement").

(b) The General Partner and SLP shall at least once each Fiscal Year review the performance of the Property Manager and recommend to SHF in writing whether to continue the Management Agreement with the then current Property Manager or whether to replace such Property Manager. The recommendation of the General Partner and SLP shall be implemented by the Partnership provided that the General Partner has obtained the Consent of SHF, which Consent shall not be unreasonably withheld, except as provided in Section 6.15(c) of this Agreement and subject to SHF’s rights under Section 6.16.

(c) Notwithstanding anything to the contrary herein, no Affiliate of the General Partner shall act as the Property Manager without the prior written Consent of SHF which may be withheld in its sole discretion. SHF hereby consents to Churchill Residential Management, L.P., a Texas limited partnership, an Affiliate of the SLP, as the initial Property
Manager. The Consent to the use of an Affiliate Property Manager as to the initial Property Management Agreement or any renewal thereof shall not prevent SHF from withholding its Consent in connection with a periodic performance review pursuant to Section 6.15(b) of this Agreement or from causing the Partnership to remove the Property Manager pursuant to Section 6.16 of this Agreement.

6.16 Removal of the Property Manager. At the request of SHF, the General Partner shall cause the Partnership to terminate the Management Agreement then in place and appoint a replacement Property Manager (for which SHF has given its Consent) and execute a new Management Agreement if any of the following events occur: (a) if the Property Manager becomes Bankrupt; (b) if the Property Manager defaults in its obligations under the Management Agreement and fails to cure such default within any applicable cure period provided therein; (c) if SHF is the holder of any outstanding LP Loans which LP Loans were made during the period that such Property Manager was engaged by the Partnership; (d) if there are any Tax Credit Shortfalls attributable to the Property Manager's noncompliance with the Tax Credit Tests and the SLP has not made the payment required under Section 6.9(d)(i) with respect to such Tax Credit Shortfall; (e) if the Property Manager is an Affiliate of the SLP and cause for removal of the SLP exists under this Agreement, (f) if the Property Manager is an Affiliate of the General Partner and cause for removal of the General Partner exists under this Agreement, (g) if there is a voluntary or involuntary sale or assignment of a majority of the ownership interests in the Property Manager, and (h) if an Operating Deficit is reasonably anticipated to occur which exceeds the amount of the Operating Deficit Loans which the SLP is obligated to make. The General Partner shall cause such replacement to occur on the date designated by SHF in such written request, which date must be not less than forty-five (45) days from the date of such written request.

6.17 Environmental Matters.

(a) (i) The SLP represents and warrants that it has no knowledge of any deposit, storage, disposal, burial, discharge, spillage, uncontrolled loss, seepage or filtration of any Hazardous Materials at, upon, under or within the Land or any contiguous real estate and (ii) each of the SLP and the General Partner represents and warrants that it has not caused or permitted to occur, and it shall not knowingly permit to exist, any condition which may cause a discharge of any Hazardous Materials at, upon, under or within the Land or on any contiguous real estate.

(b) The General Partner further represents and warrants that (i) neither it nor, to the best of its knowledge, any other party is or will be involved in operations at or, pursuant to the General Partner's best knowledge, near the Land, which operations could lead to (A) a determination of liability under the Environmental Laws as to the Partnership or (B) the creation of a lien on the Land under the Environmental Laws; and (ii) the General Partner has not permitted, and will use best efforts not to permit, any tenant or occupant of the Apartment Complex to engage in any activity that could impose liability under the Environmental Laws on such tenant or occupant, on the Land or on any other owner of the Apartment Complex.

(c) The General Partner shall comply strictly and in all respects with all material requirements of the Environmental Laws.
(d) The SLP shall at all times indemnify and hold harmless the Partnership, SHF and SHF's Affiliates against any claims, actions, damages, costs, losses, obligations, judgments and expenses incurred by them relating to Pre-Existing Environmental Conditions, including (A) costs and expenses related to the removal or abatement of Pre-Existing Environmental Conditions, (B) costs related to claims against the Partnership by third parties for the clean-up of properties owned by such third parties attributable to Pre-Existing Environmental Conditions, (C) costs related to claims against the Partnership by third parties for bodily injury or property damage attributable to Pre-Existing Environmental Conditions and (D) legal defense costs related to the foregoing. Notwithstanding the foregoing, the SLP may cause the Partnership to use Permitted Sources to pay costs and expenses related to the removal or abatement of Pre-Existing Environmental Conditions if and to the extent (i) such use does not violate any of the Project Documents, (ii) such use does not cause the Permitted Sources to be "out-of-balance" as a source of payment for anticipated remaining Development Costs, and (iii) such use does not pay costs and expenses attributable to a breach of laws by the SLP or the General Partner, the negligence of the SLP or the General Partner or the violation of this Agreement by the General Partner or the SLP.

(e) The SLP further represents and warrants that neither it nor, to the best of its knowledge, any other party has been, is or will be involved in operations at or, pursuant to the SLP's best knowledge, near the Land, which operations could lead to (i) a determination of liability under the Environmental Laws as to the Partnership or (ii) the creation of a lien on the Land under the Environmental Laws.

6.18 Tax Matters Partner.

(a) The General Partner hereby is designated as Tax Matters Partner of the Partnership, and shall engage in such undertakings as are required of the Tax Matters Partner of the Partnership, as provided in regulations pursuant to Section 6231 of the Code. Each Partner, by its execution of this Agreement, Consents to such designation of the Tax Matters Partner and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such Consent.

(b) Notwithstanding any other provision of this Agreement, SHF hereby is granted the authority at any time to be admitted, or to cause an Affiliate of SHF to be admitted, as a General Partner by converting all or any portion of SHF's limited partnership Interest to a general partnership Interest for the purpose of acting as the Tax Matters Partner. Unless otherwise specifically provided or agreed, the new Tax Matters Partner in these circumstances will not be responsible for or have the right to conduct any operational or managerial functions of the Partnership besides those required to discharge its responsibilities as Tax Matters Partner. SHF may exercise its right to assume or cause an Affiliate to assume the Tax Matters Partner responsibilities for the Partnership, as provided herewith, upon ten (10) days Notice to the then existing General Partner, and may continue as Tax Matters Partner indefinitely. If SHF exercises such right hereunder, the former Tax Matters Partner will resign in accordance with Regulation Section 6231(a)(7)-1(i) and will designate SHF or its Affiliate as Tax Matters Partner in accordance with Regulation Section 301.6231(a)(7)-1(e). Each Partner, by its execution of this Agreement Consents to such admission and designation and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents
as may be necessary or appropriate to evidence such Consent. SHF or its Affiliate shall, upon admission as the Tax Matters Partner, replace the then existing General Partner as Tax Matters Partner and shall have thereafter all the authority and powers given to the then existing General Partner as Tax Matters Partner of the Partnership under the Code and under this Agreement; provided, however, SHF, or its Affiliate, as Tax Matters Partner, shall not be entitled to settle any claim by the Internal Revenue Service without the consent of SLP, which will not be unreasonably delayed or withheld, if such settlement would result in a Tax Credit Shortfall or Tax Credit Loss Event.

(c) The Tax Matters Partner is hereby authorized, but not required to do the following:

(i) to enter into any settlement with the IRS or the Secretary with respect to any tax audit or judicial review, in which agreement the Tax Matters Partner may expressly state that such agreement shall bind the other Partners, except that such settlement agreement shall not bind any Partner who (within the time prescribed pursuant to the Code and regulations thereunder) files a statement with the Secretary providing that the Tax Matters Partner shall not have the authority to enter into a settlement agreement on behalf of such Partner;

(ii) if a notice of a final administrative adjustment at the Partnership level of any item required to be taken into account by a Partner for tax purposes (a "final adjustment") is mailed to the Tax Matters Partner, to seek judicial review of such final adjustment, including the filing of a petition for readjustment with the Tax Court, the District Court of the United States for the district in which the Partnership's principal place of business is located, or the United States Claims Court;

(iii) to intervene in any action brought by any other Partner for judicial review of a final adjustment;

(iv) to file a request for an administrative adjustment with the IRS at any time and, if any part of such request is not allowed by the IRS, to file a petition for judicial review with respect to such request;

(v) to enter into an agreement with the IRS to extend the period for assessing any tax which is attributable to any item required to be taken into account by a Partner for tax purposes, or an item affected by such item; and

(vi) to take any other action on behalf of the Partners or the Partnership in connection with any administrative or judicial tax proceeding to the extent permitted by applicable law or regulations.

6.19 Expenses of Tax Matters Partner. The Partnership shall indemnify and reimburse the Tax Matters Partner for all reasonable expenses, including legal and accounting fees, claims, liabilities, losses and damages incurred in connection with any administrative or judicial proceeding with respect to Partnership tax matters. The payment of all such expenses shall be made before any distributions are made from Net Cash Flow or from the proceeds of a Capital Transaction or any discretionary reserves are set aside by the General Partner. The General
Partner shall have the obligation to provide funds for such purpose to the extent that Partnership funds are not otherwise available therefor. The taking of any action and the incurring of any expense by the Tax Matters Partner in connection with any such proceeding, except to the extent required by law, is a matter in the sole discretion of the Tax Matters Partner and the provisions on limitations of liability of the General Partner and indemnification set forth in Section 6.8 of this Agreement shall be fully applicable to the Tax Matters Partner in its capacity as such.

6.20 Security Agreements and Guarantees.

(a) Concurrently with the execution hereof, Guarantor shall execute the Guaranty.

(b) Concurrently with the execution hereof, Churchill Communities shall execute a security agreement in favor of SHF and in a form satisfactory to SHF pursuant to which Churchill Communities pledges its Development Fee to secure the SLP's obligations hereunder.

6.21 Duties of SLP. If at any time during the construction or rehabilitation of the Apartment Complex, (i) construction or rehabilitation stops or is suspended for a period of twenty (20) consecutive days, or (ii) construction or rehabilitation has been delayed so that in the reasonable determination of the SLP (A) Completion may not be achieved by the date set forth in the Construction Contract, or (B) the Projected Credits for any year during the Credit Period may not be achieved, the SLP shall immediately send Notice of such occurrence, together with an explanation of the circumstances surrounding such occurrence, to SHF.

6.22 Additional Loans. SHF acknowledges the General Partner desires to obtain additional grants and/or soft loans for the Partnership to pay certain Development Costs. The Partnership may not, either directly or indirectly through the General Partner or an Affiliate of General Partner, obtain any such grants or soft loans without the Consent of SHF. The proceeds of any grant or soft loan shall be distributed in accordance with Section 9.1

6.23 HOME Loan Set-Aside Election. This Agreement was prepared on the basis that eligible basis will be reduced by the principal amount of the HOME Loan and tenants will have income at or below 60% of area median income. If on or before July 1, 2007, (a) the General Partner, in a Notice delivered to SHF, elects not to reduce eligible basis by the principal amount of the HOME Loan and elects to have the Partnership comply with Section 42(i)(2)(E) of the Code, or (b) the General Partner does not deliver the Notice described in clause (a) and does not deliver a consent by the Agency to eliminate its requirements that the Partnership rent units in the Apartment Complex to tenants with incomes not in excess of 50% of area median income, the Partners shall amend this Agreement and the Development Agreement to reflect the terms set forth in Exhibit P attached hereto.

Article 7
RIGHTS AND OBLIGATIONS OF LIMITED PARTNERS

7.1 Limitation on Liability of Limited Partners. Except as may otherwise be provided under applicable law, no Limited Partner shall be bound by, or personally liable for, the
expenses, liabilities or obligations of the Partnership; provided, however, nothing contained in
this sentence shall limit the obligations of the SLP to the SHF under this Agreement or any
agreement executed by the SLP for the benefit of the SHF. No Limited Partner shall have any
obligations to make any Capital Contributions other than as required under Article 5 of this
Agreement. No Limited Partner shall have any other liability to contribute money to, or in
respect of the liabilities or obligations of, the Partnership, nor shall any Limited Partner be
personally liable for any obligations of the Partnership; provided, however, nothing contained in
this sentence shall limit the obligations of the SLP to the SHF under this Agreement or any
agreement executed by the SLP for the benefit of the SHF.

7.2 Other Activities. Any Limited Partner may engage in or possess interests in other
business ventures of every kind and description, independently or with others, including without
limitation, serving as general or limited partner of other partnerships which own, either directly
or through interests in other partnerships, government-assisted housing projects similar to the
Apartment Complex. Neither the Partnership nor any of the Partners shall have any right by
virtue of this Agreement in or to such other business ventures to the income or profits derived
therefrom.

7.3 Insurance Obtained by SHF. SHF and its Affiliates shall have the right, but not
the obligation, to obtain one or more policies of insurance related to the Apartment Complex,
including, without limitation, policies related to earthquakes, environmental liabilities and acts of
war or terrorism (the "LP Policies"); provided, however, that LP Policies shall not include any
Forced Place Coverage (as defined in Exhibit H to this Agreement). SHF shall pay all insurance
premiums and other costs of obtaining LP Policies without any right of reimbursement from the
Partnership, SLP or the General Partner. SHF shall have sole control over the terms of the LP
Policies, including choice of insurer, policy limits, risks covered, exclusions from coverage, and
the designation of insureds (which designation may or may not include the Partnership). Neither
the Partnership, the General Partner nor the SLP shall have any right to approve or to Consent to
the terms of any LP Policy. Unless SHF otherwise agrees, in its sole and absolute discretion,
neither the Partnership, the General Partner nor SLP shall have any right to provide notice of a
claim under an LP Policy, to submit a claim under an LP Policy, to receive any proceeds of an
LP Policy or to make any decisions or elections under an LP Policy. Nothing in this Section
shall modify the obligations of the General Partner to cause the Partnership to obtain insurance
coverage as provided elsewhere in this Agreement.

Article 8
TRANSFERS OF PARTNER INTERESTS, WITHDRAWAL, ADMISSION OF SUBSTITUTE
PARTNERS

8.1 Transfers.

(a) Neither the General Partner nor the SLP may sell, transfer, pledge, hypothecate, assign, encumber or otherwise dispose of (whether voluntarily, involuntarily or by
operation of law) all or any part of its Interest as a Partner without the prior Consent of SHF,
which Consent may be withheld in its sole and absolute discretion. For purposes of this Section
8.1(a) and without limiting the application of the immediately preceding sentence, the sale,
transfer, pledge, hypothecation or assignment of an actual or beneficial interest in or within the General Partner or SLP or any entity with a direct or indirect ownership interest in the General Partner or SLP shall be deemed to constitute an event that is in violation of this Section 8.1(a). Notwithstanding the foregoing, Brad Forslund ("Forslund") and J. Anthony Sisk ("Sisk") may transfer their respective interest in the SLP between each of them or to a trust for the benefit of either of them, their spouses or their children, provided that either Forslund or Sisk have sole voting power with respect to the interests in the SLP.

(b) Upon the occurrence of an event that is a violation of Section 8.1(a) of this Agreement or that is a withdrawal of the General Partner or the SLP in violation of Section 8.2 of this Agreement, the applicable Partner shall be deemed immediately prior to such event to have assigned to SHF its Interest as a Partner.

(c) No Limited Partner may sell, transfer, pledge hypothecate or assign all or any part of its Interest as Limited Partner without the prior Consent of the General Partner, which Consent may be withheld in its sole and absolute discretion. SHF may not sell, transfer, pledge hypothecate or assign all or any part of its Interest as Limited Partner without the prior Consent of the SLP, which Consent may be withheld in its sole and absolute discretion. Nothing in this Section 8.1(c) shall limit the authority of the partners in SHF to sell, transfer, pledge, hypothecate or assign interests within SHF, in the sole discretion of SHF and its partners.

(d) Except as provided in this Article and as required by operation of law, the Partnership shall not be obligated for any purpose whatsoever to recognize the assignment by any Partner of its Interest until the evidence of such transfer is delivered to the other Partners.

(e) Any Person who is the assignee of all or any portion of a Limited Partner's Interest, but does not become a Substitute LP, and who desires to make a further assignment of such Interest, shall be subject to all the provisions of this Section 8.1 to the same extent and in the same manner as any Limited Partner desiring to make an assignment of its Interest.

(f) If the General Partner or SLP becomes the subject of Bankruptcy proceedings pursuant to the Bankruptcy Code, then (i) any other Partner shall thereupon be entitled to immediate relief from any automatic stay imposed by Section 362 of the Bankruptcy Code or otherwise, on or against the exercise of the rights and remedies available to such Partner pursuant to this Agreement or otherwise, and (ii) any Partner may apply or move the bankruptcy court in which the Bankruptcy proceedings are pending for a change of venue to the bankruptcy court where the Partnership has its principal place of business and the General Partner and SLP agree not to oppose or object to such application or motion in any way. The foregoing shall in no way preclude, restrict or prevent the General Partner or SLP from filing for protection under the Bankruptcy Code.

(g) This is an agreement under which applicable law excuses SHF from accepting performance from any Partner which is a debtor in a case under the Bankruptcy Code, from a trustee of any such debtor and from the assignee of any such debtor or trustee. SHF has entered into this Agreement with each of the General Partner and SLP in reliance upon its unique knowledge, experience and expertise, and that of its principals in the planning and implementation of the development of the Apartment Complex and in the area of affordable
housing and development in general. The foregoing restriction on transfer is based in part on the
above factors. The General Partner expressly agrees that SHF shall not be required to accept
performance under this Agreement from any person other than the General Partner, including,
without limitation, any trustee of the General Partner appointed under the Bankruptcy Code, and
any assignee of any such trustee. The SLP expressly agrees that SHF shall not be required to
accept performance under this Agreement from any person other than the SLP, including,
without limitation, any trustee of the SLP appointed under the Bankruptcy Code, and any
assignee of any such trustee.

8.2 Withdrawal. Neither the SLP nor the General Partner may withdraw from the
Partnership without the prior Consent of SHF, which Consent may be withheld in its sole and
absolute discretion.

8.3 [Intentionally Left Blank].

8.4 [Intentionally Left Blank].

8.5 Admission of an Additional Limited Partner Following Dilution. After the
Greatest Excess LP Loan Amount at any time exceeds $50,000, notwithstanding anything to the
contrary herein, SHF shall have the right, power and authority to cause one or more entities to be
admitted as an additional Limited Partner, provided that the Interest in the Partnership of such
additional Limited Partner is derived from the Interest in the Partnership of SHF (after taking
into consideration the effect of the Greatest Excess LP Loan Amount exceeding $50,000 on the
Interests of all the Partners).

8.6 Removal/Withdrawal.

(a) The General Partner may be removed and cease to be the General Partner of
the Partnership only upon the following events (an event set forth in Section 8.6 shall not
be grounds for removal of the General Partner):

(1) Upon the affirmative vote or written consent of SHF to remove the
General Partner, specifying one of the following causes (unless the breach, default
or other removal event is cured within thirty (30) days after written notice
specifying the breach, default or removal event is delivered to the General Partner
by SHF or if such breach, default or other removal event is not susceptible to cure
within such 30 day period, the General Partner has commenced to cure such
breach, default or other removal event within such 30 day period, the General
Partner continues to take action to cure such breach, default or other removal event after such 30
do not and such cure is effected no later than 90 days after
written notice specifying the breach, default or removal event is delivered to the
General Partner by SHF; provided, however, there shall be no cure period for
fraud or misappropriation of funds):

(A) any intentional misconduct or failure to exercise reasonable
care with respect to any material matter in the discharge of its duties and obligations as
the General Partner (provided that such violation has resulted in, or is likely to result in, a
material detriment to or an impairment of the Apartment Complex or assets of the
Partnership) (removal under this clause (A) shall be permitted even if the General Partner satisfies its indemnity obligations under Section 6.9 hereof);

(B) the General Partner or the Partnership shall have violated any provisions of law or any Project Document or any provisions of the Project Lenders, and/or Agency requirements applicable to the Apartment Complex, which violation has not been explicitly waived in writing by the Project Lenders, the Agency or the other party to such Project Document, as applicable (provided that such violation has resulted in, or is likely to result in, a material detriment to or an impairment of the Apartment Complex or assets of the Partnership);

(C) the General Partner shall have breached any of its representations or warranties in any material respect or shall have breached any material provision of this Agreement; or

(D) a GP Misconduct Event has occurred which is not cured within 30 days of Notice of the Misconduct Event (except there shall be no cure period for fraud or misappropriation of funds).

(2) Upon a default by the Partnership under any of the Project Loans due to the acts or omissions of the General Partner or any Affiliate thereof, which default remains uncured after the expiration of any applicable cure period.

(3) Upon the Bankruptcy of the General Partner; or

(4) If an event occurs prior to Stabilization which shall be cause for removal of the general partner, manager or managing member of any GP Affiliated Entity and such removal has not been cured within the cure period, if any, set forth in the partnership or operating agreement for the applicable Affiliated Entity.

(b) The SLP may be removed and cease to be the SLP of the Partnership only upon the following events:

(1) Upon the affirmative vote or written consent of SHF to remove the SLP, specifying one of the following causes (unless the breach, default or other removal event is cured within thirty (30) days after written notice specifying the breach, default or removal event is delivered to the SLP by SHF or if such breach, default or other removal event is not susceptible to cure within such 30 day period, the SLP has commenced to cure such breach, default or other removal event within such 30 day period, the SLP continues to take action to cure such breach, default or other removal event after such 30 day period and such cure is effected no later than 90 days after written notice specifying the breach, default or removal event is delivered to the SLP by SHF; provided, however, there shall be no cure period for fraud or misappropriation of funds):

(A) any intentional misconduct or failure to exercise reasonable care with respect to any material matter in the discharge of its duties and
obligations as the SLP (provided that such violation has resulted in, or is likely to result in, a material detriment to or an impairment of the Apartment Complex or assets of the Partnership) (removal under this clause (A) shall be permitted even if the SLP satisfies its indemnity obligations under Section 6.9 hereof);

(B) the SLP or the Partnership shall have violated any provisions of law or any Project Document or any provisions of the Project Lenders, and/or Agency requirements applicable to the Apartment Complex, which violation has not been explicitly waived in writing by the Project Lenders, the Agency or the other party to such Project Document, as applicable (provided that such violation has resulted in, or is likely to result in, a material detriment to or an impairment of the Apartment Complex or assets of the Partnership);

(C) the SLP shall have breached any of its representations or warranties in any material respect or shall have breached any material provision of this Agreement (including, without limitation, its obligations under Sections 5.1(a)(ii), 5.1(c), 6.9 and 6.17); or

(D) an SLP Misconduct Event has occurred which is not cured within 30 days of Notice of the Misconduct Event (except there shall be no cure period for fraud or misappropriation of funds).

(2) Upon a default by the Partnership under any of the Project Loans due to the acts or omissions of the SLP or any Affiliate thereof, which default remains uncured after the expiration of any applicable cure period.

(3) Upon the Bankruptcy of the SLP or Guarantor; or

(4) The Guarantor attempts to revoke or repudiate the Guaranty or a default by the Guarantor occurs under the Guaranty.

(c) Notice of the removal of the General Partner or SLP shall be given by SHF to the General Partner. Such Notice shall set forth the date on which the removal is to become effective, which date shall not be less than thirty (30) days after such notice is delivered. This Notice may be the same as the notice of a breach delivered pursuant to Section 8.6(a)(1) or (b)(1); provided, however, in such case the removal shall not be effective until the cure period specified in Section 8.6(a)(1) or (b)(1), as the case may be, expires without cure of the applicable default or breach. On the effective date set forth in such Notice with respect to the General Partner, the General Partner shall cease to be a general partner of the Partnership and the powers and authorities conferred on the General Partner hereunder or under applicable law for general partners of limited partnerships shall cease. On the effective date set forth in such Notice with respect to the SLP, the SLP shall cease to be a limited partner of the Partnership and the powers and authorities conferred on the SLP hereunder or under applicable law for limited partners of limited partnerships shall cease.
(d) In the event of the removal of the General Partner pursuant to this Section 8.6 or withdrawal of the General Partner, (i) the General Partner shall cease to have any Interest in the Partnership, (ii) the General Partner shall not be entitled to any distributions or allocations from the Partnership, and (iii) the General Partner shall not be entitled to any payments of any fees, including the Incentive Partnership Management Fee, relating to the period of time after the date of its removal. Such General Partner shall be entitled, however, to receive repayment of any GP Loans in the time and manner specified in this Agreement.

(e) In the event of the removal of the SLP pursuant to this Section 8.6 or withdrawal of the SLP, (i) the SLP shall cease to have any Interest in the Partnership, (ii) the SLP shall not be entitled to any distributions or allocations from the Partnership, (iii) the SLP shall not be entitled to any repayment of Operating Deficit Loans, and (iv) the SLP shall not be entitled to any payments of any fees, including the Incentive Partnership Management Fee, relating to the period of time after the date of its removal. Such SLP shall be entitled, however, to receive repayment of any SLP Loans in the time and manner specified in this Agreement.

(f) The General Partner shall cooperate reasonably and in good faith in effecting the orderly and efficient transition after its removal or withdrawal, including providing the substitute general partner with all books, accounts and property of the Partnership in the possession or control of the General Partner.

(g) Any reduction in the Interest of the General Partner or SLP in connection with a removal thereof shall be payable to SHF or its designee.

(h) The removal or withdrawal of the General Partner shall not affect its duties, obligations and liabilities hereunder, except that (i) the General Partner shall not be liable for any liabilities and obligations directly arising from the negligence, intentional misconduct or breach of this Agreement by any substitute general partner, and (ii) the General Partner shall not have an obligation to manage the affairs of the Partnership. Without limiting the generality of the foregoing, after removal, the General Partner shall remain obligated as provided in Section 6.9 of this Agreement.

(i) The removal or withdrawal of the SLP shall not affect its duties, obligations and liabilities hereunder, except that the SLP shall not be liable for any liabilities and obligations directly arising from the negligence, intentional misconduct or breach of this Agreement by any substitute special limited partner. Without limiting the generality of the foregoing, after removal, the General Partner shall remain obligated as provided in Section 6.9 of this Agreement.

(j) The General Partner and SLP shall cooperate reasonably and in good faith to obtain any Consents, which SHF deems necessary or appropriate to further document or evidence the removal of the General Partner or SLP and the admission of any substitute general partner, including, but not limited to, any Consents required by the Agency, any Project Lender or any party providing credit enhancement in connection with a Project Loan.
(k) The General Partner and SLP shall execute such additional documents and instruments as SHF may reasonably request to effect, document, evidence and consummate the withdrawal of the General Partner or SLP pursuant to this Section 8.6. Each of the General Partner and SLP hereby grants to each of RSI, and Howard Heitner and Michael L. Fowler, as authorized agent and Vice President of RSI, respectively, a power-of-attorney to execute such documents on behalf of the General Partner or the SLP, as appropriate; provided, however, that such persons shall not exercise such power-of-attorney if the General Partner or SLP, as the case may be, is contesting the removal in good faith and unless and until it has submitted the requested documents to the General Partner or SLP, and the General Partner or SLP has failed to execute such documents within three days of its receipt of such documents. The foregoing powers-of-attorney are irrevocable and coupled with an interest.

(l) SHF's right of removal under this Section 8.6 is cumulative with all of its other rights and remedies under this Agreement.

8.7 Admission of Additional or Substitute Partners.

(a) Except as provided in Sections 6.18, 8.1, 8.4 and 8.5 of this Agreement, the admission of an additional General Partner or additional Limited Partner shall require the Consent of the Partners (which may be granted or withheld in their sole and absolute discretion).

(b) Subject to the other provisions of this Section 8.7, an assignee of the Interest of a Limited Partner shall be admitted as a substitute limited partner ("Substitute LP") of the Partnership only upon the satisfactory completion of the following:

(i) the assignee has accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart thereof or an appropriate amendment hereto, and such other documents or instruments as the General Partner may reasonably require in order to effect the admission of such Person as a Limited Partner;

(ii) the assignee has provided the General Partner with evidence reasonably satisfactory to Counsel for the Partnership of its authority to become a Limited Partner under the terms and provisions of this Agreement; and

(iii) the assignee or the assignor has reimbursed the Partnership for all reasonable expenses, including all reasonable legal fees and recording charges, incurred by the Partnership in connection with such assignment.

(c) For the purpose of allocation of profits, losses and credits, and for the purpose of distributing cash of the Partnership, a Substitute LP shall be treated as having become, and as appearing in the records of the Partnership as, a Partner upon its signing of an amendment to this Agreement agreeing to be bound hereby.

(d) The General Partner shall cooperate with the Person seeking to become a Substitute LP by preparing the documentation required by this Section and making all official filings and publications. The Partnership shall take all such action, including the filing, if required, of any amended Agreement and/or Certificate evidencing the admission of any Person.
as a Limited Partner, and the making of any other official filings and publications, as promptly as practicable after the satisfaction by the assignee of the Interest of a Limited Partner of the conditions contained in this Section 8.7 to the admission of such Person as a Limited Partner of the Partnership. Any cost or expense incurred in connection with such admission shall be borne by the Substitute LP.

Article 9
DISTRIBUTIONS

9.1 Distribution of Net Cash Flow.

(a) Net Cash Flow shall be applied and/or distributed on each Payment Date in the following priority:

(i) First, to the payment of any outstanding Excess LP Loan Amount or Excess SLP Loan Amount, as the case may be, then to the payment of any remaining LP Loans and SLP Loans pro rata based on their respective outstanding balances and then to the payment of any accrued but unpaid Asset Management Fee (including interest thereon);

(ii) Next, the NCF Percentage of the remainder shall be used as follows:

(A) First, to pay any Tax Credit Compliance Guaranty Obligations;

(B) Next to pay the Deferred Development Fee;

(C) Next, to pay the Operating Deficit Loans;

(D) Next, up to the maximum amount payable as an Incentive Partnership Management Fee less the amounts paid under clause (A) of this subparagraph on such Payment Date shall be divided (A) 12.5% first, if the General Partner has a positive Capital Account, to make a distribution to the General Partner equal to such positive Capital Account and then to pay the Incentive Partnership Management Fee payable to the General Partner and (B) 87.5% first, if SLP has a positive Capital Account, to make a distribution to SLP equal to such positive Capital Account, then to pay the Incentive Partnership Management Fee to SLP;

(E) Thereafter, 12.5% to the General Partner and 87.5% to SLP as a distribution;

(iii) Thereafter, the remaining Net Cash Flow shall be paid to the Partners as a distribution, pro rata in accordance with their Percentage Interests.

(b) The Partnership shall not distribute Net Cash Flow prior to Stabilization.
9.2 Distribution of Proceeds from Capital Transaction (Other Than in Connection with a Liquidation). The proceeds resulting from a Capital Transaction (other than a sale or other disposition of the property of the Partnership in connection with a liquidation and dissolution of the Partnership which is governed by Section 9.3 of this Agreement) shall be used and applied in the following order of priority:

(a) to the payment of all matured debts and liabilities of the Partnership (including any Project Loan) and all expenses of the Partnership incident to any such sale or refinancing, but excluding unsecured debts and liabilities of the Partnership to the Partners or former Partners and the Asset Management Fee and Deferred Development Fee;

(b) to the setting up of any reserves which the General Partner deems reasonably necessary for contingent, unmatured or unforeseen liabilities or obligations of the Partnership;

(c) (i) to the payment of any outstanding Excess LP Loan Amount or Excess SLP Loan Amount, as the case may be, until paid in full, and then to the payment of any remaining LP Loans and SLP Loans pro rata based on their respective outstanding balances until paid in full; (ii) then to the payment of accrued but unpaid Asset Management Fee (including interest thereon), (iii) then to pay any Tax Credit Compliance Guaranty Obligations; (iv) then to pay the unpaid Development Fee and (v) then to the payment of any other debts and liabilities (including unpaid fees) owed to the Partners or former Partners for Partnership obligations that are expressly permitted under this Agreement (other than Operating Deficit Loans and Incentive Partnership Management Fee);

(d) to the payment of any Operating Deficit Loans; and

(e) thereafter, to the Partners in the following percentages: (i) the NCF Percentage shall be divided 12.5% to the General Partner and 87.5% to SLP as a distribution; and (ii) the remainder to SHF as a distribution.

9.3 Distribution Upon Liquidation. The net proceeds resulting from the liquidation of the Partnership shall be used and applied in the following order of priority:

(a) to the payment of all debts and liabilities of the Partnership (including any Project Loans) and all expenses of the Partnership incident to any such dissolution and liquidation), but excluding unsecured debts and liabilities of the Partnership to the Partners or former Partners and the Asset Management Fee and Deferred Development Fee;

(b) to the setting up of any reserves which the Liquidator deems reasonably necessary for contingent, unmatured or unforeseen liabilities or obligations of the Partnership;

(c) (i) to the payment of any outstanding Excess LP Loan Amount or Excess SLP Loan Amount, as the case may be, until paid in full, and then to the payment of any remaining LP Loans and SLP Loans pro rata based on their respective outstanding balances until paid in full; (ii) then to the payment of accrued but unpaid Asset Management Fee (including interest thereon), (iii) then to pay any Tax Credit Compliance Guaranty Obligations; (iv) then to pay the unpaid Development Fee and (v) then to the payment of any other debts and liabilities
(including unpaid fees) owed to the Partners or former Partners for Partnership obligations that are expressly permitted under this Agreement (other than Operating Deficit Loans and Incentive Partnership Management Fee);

(d) to the payment of any Operating Deficit Loans; and

(e) thereafter, to the Partners in accordance with the Partners' respective positive Capital Account balances as determined by taking into account all Capital Account adjustments required by Exhibit I and otherwise required by this Agreement.

9.4 Project Documents. Notwithstanding the foregoing, the General Partner shall not cause or permit the Partnership to fund a distribution or payment pursuant to this Article 9 if such distribution or payment would constitute a default under any Project Document.

Article 10
ALLOCATION PROVISIONS, CAPITAL ACCOUNTS

Exhibit I attached hereto provides for the maintenance of Capital Accounts and the allocation of profits and losses of the Partnership. Each and all of the provisions of Exhibit I are made a part hereof, are incorporated herein and shall constitute a part of this Agreement.

Article 11
DISSOLUTION AND LIQUIDATION

11.1 General. The Partnership shall be dissolved upon the earlier of the expiration of the term of the Partnership, or upon:

(a) the withdrawal, Bankruptcy, death, dissolution or adjudication of incompetency of the General Partner who is at that time the sole General Partner, subject to the provisions of Section 8.3 of this Agreement, unless SHF within ninety (90) days after the occurrence of such event, elects a successor General Partner and elects to continue the business of the Partnership;

(b) the sale or other disposition of all or substantially all of the assets of the Partnership;

(c) the election by the General Partner, with the Consent of SHF and SLP; or

(d) any other event causing the dissolution of the Partnership under the Act and which under the terms of the Act cannot be waived in a written partnership agreement.

11.2 Winding Up of Partnership. Upon the dissolution of the Partnership pursuant to this Article 11, (i) a Certificate of Cancellation shall be filed in such offices within the State as may be required or appropriate, and (ii) the Partnership business shall be wound up and its assets liquidated as provided in this Article 11. The Liquidator shall file all certificates and notices of the dissolution of the Partnership required by law. The Liquidator shall proceed without any
unnecessary delay to sell and otherwise liquidate the Partnership's property and assets; provided, however, that if the Liquidator shall determine that an immediate sale of part or all of the Partnership property would cause undue loss to the Partners, then in order to avoid such loss, the Liquidator may, except to the extent provided by the Act, defer the liquidation as may be necessary to satisfy the debts and liabilities of the Partnership to Persons other than the Partners. The net proceeds resulting from such liquidation shall be distributed and applied pursuant to Section 9.3 of this Agreement. Upon the complete liquidation and distribution of the Partnership assets, the Partners shall cease to be Partners of the Partnership, and the Liquidator shall execute, acknowledge and cause to be filed all certificates and notices required by the law to terminate the Partnership.

11.3 Accountant's Statement. Upon the dissolution and liquidation of the Partnership pursuant to this Section, the Accountants shall promptly prepare, and the Liquidator shall furnish to each Partner, a statement setting forth the assets and liabilities of the Partnership upon its dissolution. Promptly following the complete liquidation and distribution of the Partnership property and assets, the Accountants shall prepare, and the Liquidator shall furnish to each Partner, a statement showing the manner in which the Partnership assets were liquidated and distributed.

**Article 12**

**BOOKS AND RECORDS, ACCOUNTING, TAX ELECTIONS**

12.1 Books and Records. The books and records of the Partnership shall be maintained on an accrual basis in accordance with sound federal income tax accounting principles. These and all other records of the Partnership, including information relating to the status of the Apartment Complex and information with respect to the sale by the General Partner or any Affiliate of goods or services to the Partnership, shall be kept at the principal office of the Partnership and shall be available for examination there by any Partner, or its duly authorized representative, at any and all reasonable times. SHF shall have the right, at any and all reasonable times, to review and copy, at SHF's expense, the books, records and accounts (including bank account records and ledgers) of the Partnership, the General Partner, the SLP, the Developers or any Affiliate of the General Partner or the SLP providing materials and or services to the Partnership to the extent that such books, records and accounts relate to the Partnership, the Land and the Apartment Complex, but not otherwise. Any such review shall be conducted during normal business hours at the General Partner's or SLP's principal place of business by the Person chosen by SHF, in its sole and absolute discretion. If SHF determines there are material misstatements in the applicable books and records, the party whose books and records are inaccurate shall (a) correct such misstatements at such party's expense (from non-Partnership funds) and (b) immediately return all unauthorized distributions, overcharges and payments to the Partnership. Such return of funds shall not be treated as either a loan or a Capital Contribution to the Partnership. The General Partner and SLP shall cooperate with SHF reasonably and in good faith to implement the terms of this Section 12.1. Any Partner, or its duly authorized representative, upon paying the costs of collection, duplication and mailing, shall be entitled to a copy of the list of names and addresses of all Partners and a copy of all Partnership, SLP and General Partner records.
12.2 Bank Accounts. All funds of the Partnership not otherwise invested shall be deposited in one or more accounts maintained in such banking institutions as the General Partner shall determine, and withdrawals shall be made only in the regular course of Partnership business only and for the benefit of the Partnership on such signature or signatures as the General Partner may, from time to time, determine. No funds of the Partnership shall be deposited in any financial institution in which any Partner is an officer, director or holder of any proprietary interest.

12.3 Tax Returns.

(a) The General Partner shall select a firm of certified public accountants to prepare the Partnership income tax returns. The General Partner may select any of the following as the accountants for the Partnership: KPMG Peat Marwick, Novogradač & Company, Reznick Group, P.C., or such other firm of independent certified public accountants as may be engaged by the General Partner with the Consent of SHF. If the reporting requirements set forth in Section 12.4 of this Agreement are not met, SHF, in its reasonable discretion, may direct the General Partner to dismiss the Accountants, and to designate successor Accountants, subject to the Consent of SHF; provided, however, that if the General Partner and SHF cannot agree on the designation of successor Accountants, the successor Accountants shall be designated by SHF in its reasonable discretion, and the fees of such successor Accountants shall be paid by the Partnership.

(b) With respect to each Fiscal Year during the Partnership's operations, at such time as the Accountants have prepared the proposed tax return for such year, the Accountants shall provide copies of such proposed tax return to SHF for its review and comment. Any changes in such proposed tax return reasonably recommended by SHF's accountants shall be made by the Accountants prior to the completion of such tax return for execution by the General Partner.

12.4 Reports to Partners.

(a) Not less than seventy-five (75) days prior to the commencement of each Fiscal Year, the General Partner and the SLP shall submit to SHF for its review and Consent (which Consent shall not be unreasonably withheld), proposed operating and capital budgets for the Apartment Complex and the Partnership for the next Fiscal Year. Such budgets shall specifically list all budgeted expenses in all major categories including, but not limited to, administration, operation, repairs and maintenance, utilities, taxes, insurance, interest, debt service with respect to any Project Loan, capital improvements, and all budgeted expenses which are to be paid to the General Partner, SLP or any of their Affiliates. SHF shall submit its response to such proposed budgets to the General Partner and SLP within forty-five (45) days after its receipt of such proposed budgets; such response shall either evidence its approval of the proposed budgets or shall contain specific comments and recommendations with respect thereto. If no such response is submitted to the General Partner or SLP within such period, SHF will be deemed not to have approved such budget. The General Partner, SLP and the SHF shall cooperate in good faith to resolve any disputes regarding any proposed budget. If the General Partner, SLP and the SHF are unable to agree on a budget within 30 days after the SHF has submitted its objections to the General Partner and SLP, any Partner shall be entitled to submit
the disputed items to binding arbitration in accordance with the rules of the American Arbitration Association before an arbitrator acceptable to the Partners. During the pendency of the consideration of any such budget and resolution of any dispute regarding such budget, the General Partner shall continue to be authorized to manage the Partnership in accordance with the applicable budget most recently approved by the SHF, as adjusted for modifications which have been approved by the SHF and increases for expenditures not reasonably within the control of the General Partner such as taxes, utilities, insurance premiums and emergency repairs or replacements.

(b) The General Partner shall cause to be prepared and distributed to all Persons who were Partners at any time during a Fiscal Year:

(i) within seventy-five (75) days after the close of each Fiscal Year, audited financial statements prepared by the Accountants in accordance with generally accepted accounting principles, and such financial information with respect to each Fiscal Year as shall be reportable for federal and state income tax purposes.

(ii) within thirty-five (35) days after the end of each month, a report of operations for such month containing:

(A) a balance sheet, which may be unaudited;

(B) a statement of income and expense and a cash flow statement for the month and the period then ended, which may be unaudited;

(C) a rent roll certified by the Property Manager and the General Partner;

(D) until the occurrence of Stabilization, an update of the Development Budget based on actual costs and cash flow, showing all variances of actual costs and cash flow from the original Development Budget; and

(E) other pertinent information regarding the Partnership and its activities during the period covered by the report.

(c) Within seventy-five (75) days after the end of each Fiscal Year, the General Partner shall provide to SHF:

(i) a certification by the General Partner that (A) all Project Loan payments and taxes and insurance payments with respect to the Apartment Complex are current as of the date of the year-end report, (B) there is no material default under the Project Documents or this Agreement, or if there is any material default, a description thereof, and (C) it has not received notice of any building, health or fire code violation or similar violation of a governmental law, ordinance or regulation against the Apartment Complex or, if any such notice of any violation has been received, a description thereof;

(ii) the information specified in Section 12.4(d) of this Agreement;
(iii) a descriptive statement of all transactions during the Fiscal Year between the Partnership and the General Partner and/or any Affiliate, including the nature of the transaction and the payments involved (including accrued cash or other payments);

(iv) a Net Cash Flow statement; and

(v) a copy of the annual report to be filed with the Agency concerning the status of the Apartment Complex as low-income housing.

(d) Upon the written request of any Limited Partner for further information with respect to any matter covered in items (a), (b) or (c) above, the General Partner shall furnish such information within 30 days of receipt of such request.

(e) The General Partner, on behalf of the Partnership, shall send to SHF, on or before July 31 in each year, a report which shall state for the six-month period ended June 30 of such year:

(i) the occupancy level of the Apartment Complex, certified by the Property Manager and the General Partner;

(ii) if there are any Operating Deficits or anticipated Operating Deficits, the manner in which such Operating Deficits will be funded; and

(iii) such other matters as shall be material to the operation of the Partnership, including, without limitation, any building, health or fire code violation or similar violation of a governmental law, ordinance or regulation by the Apartment Complex of which the General Partner is aware.

(f) Prior to November 15 of each year, the General Partner, on behalf of the Partnership, shall send to SHF an estimate of such Partner's share of the Tax Credits, profits and losses of the Partnership for federal income tax purposes for the current Fiscal Year.

(g) Within fifteen (15) days after one of the following events occurs, the General Partner shall send SHF a detailed report thereof:

(i) there is a default by the Partnership under the Project Documents or in payment of any mortgage, taxes, interest or other obligation on secured or unsecured debt;

(ii) any reserve has been reduced or terminated by application of funds therein for purposes different from those for which such reserve was established; or

(iii) the General Partner has received any notice of a material fact which may substantially affect further distributions, or may materially and adversely affect the Partnership, the Apartment Complex or the Partners.

(h) The General Partner, on behalf of the Partnership, shall send to SHF, a copy of all applicable periodic reports covering the status of the Apartment Complex as may be
required by the Agency or any Project Lender, within ten (10) days of submission of such reports to the Agency and/or applicable Project Lender.

(i) If the reports or information provided for in Sections 12.4(a), (b) and (c) of this Agreement are, at any time, not provided within the time frames set forth therein or within five days after demand is made, the General Partner shall be obligated to pay to SHF the sum of $250 per day, as liquidated damages, for each day from the date upon which such reports or information is (are) due pursuant to the provisions of the aforesaid Sections until the date upon which such reports or information is (are) provided; however, that any delays beyond the aforesaid dates in the provision of the applicable reports or information due to factors beyond the control of the General Partner and the Accountants may be a cause for waiver of the aforesaid liquidated damages, but only if the delayed reports or information were supplied by the applicable aforesaid date in a draft or estimated form.

(ii) If the reporting requirements set forth in any of the above provisions of this Section 12.4 are not met, SHF, in its reasonable discretion, may direct the General Partner to dismiss the Accountants, and to designate successor Accountants, subject to the Consent of SHF; provided, however, that if the General Partner and SHF cannot agree on the designation of successor Accountants, the successor Accountants shall be designated by SHF in its sole reasonable discretion, and the fees of such successor Accountants shall be paid by the General Partner out of Partnership funds.

12.5 Asset Management Fee. Commencing with the Fiscal Year in which the Partnership first receives revenue from renting apartments in the Apartment Complex, the Partnership shall pay, as an operational expense of the Partnership, an annual fee of $5,000 (the "Asset Management Fee") to SAHP (or to such other entity as SHF shall designate), for an annual review of the operations of the Partnership and the Apartment Complex. The Partnership shall pay the Asset Management Fee (a) from Net Cash Flow on each Payment Date for the Fiscal Year preceding such Payment Date, (b) from the proceeds of a Capital Transaction at the time of the Capital Transaction, and (c) from the net proceeds resulting from the liquidation of the Partnership on the date of liquidation. If on any Payment Date the Partnership lacks sufficient Net Cash Flow to pay all of the accrued but unpaid Asset Management Fee pursuant to this Section 12.5, then that portion of the accrued Asset Management Fee shall be deferred until the next Payment Date or other date on which payment of the Asset Management Fee is due. Interest shall accrue on any portion of the Asset Management Fee on which payment has been deferred at an annual rate of twelve percent (12%), compounded annually. With respect to any Fiscal Year which is less than a full Fiscal Year or during which the Asset Management Fee does not accrue for the entire Fiscal Year, the amount of the Asset Management Fee shall be prorated.

12.6 Section 754 Elections. In the event of a transfer of all or any part of the Interest of a General Partner or of a Limited Partner, the Partnership shall elect, pursuant to Sections 743 and 754 of the Code (or any corresponding provision of succeeding law), to adjust the basis of the Partnership property if, in the opinion of SHF such election would be most advantageous to SHF. Each Partner agrees to furnish the Partnership with all information necessary to give effect to such election.
12.7 Fiscal Year and Accounting Method. The Fiscal Year of the Partnership shall be determined pursuant to Section 706(b) of the Code. Accordingly, the Fiscal Year of the Partnership shall initially be the fiscal year of SHF, which ends at December 31. All Partnership accounts shall be determined on the accrual basis.

Article 13
AMENDMENTS

This Agreement may be amended only by a written amendment executed by all of the Partners. Notwithstanding the foregoing or anything to the contrary contained herein, if SHF either has or is projected to have a deficit balance in its Capital Account and SHF proposes an amendment to this Agreement which is intended to preserve the allocation of Tax Credits in the manner set forth in Exhibit I attached hereto and the allocation of 99.9% of Net Losses and Net Profits to SHF (or such lesser percentage determined by SHF), the General Partner and the SLP shall effectuate the adoption of such amendment, including without limitation the execution of an amendment to this Agreement.

Article 14
CONSENTS, VOTING AND MEETINGS

14.1 Submissions to Limited Partner. The General Partner shall give the Limited Partners Notice of any proposal or other matter required by any provision of this Agreement or by law to be submitted for consideration and approval of the Limited Partners. Such Notice shall include any information required by the relevant provision or by law.

14.2 Meetings; Submission of Matter for Voting. A majority of the Percentage Interests of all the Partners shall have the authority to convene meetings of the Partnership and to submit matters to a vote of the Partners.

14.3 Voting Rights of SLP. Except for a vote to amend this Agreement in accordance with Section 13 hereof and the consent rights under this Agreement, SLP shall not have any voting rights. To the extent SLP has voting rights under the Act which may not be eliminated by agreement, SLP shall vote with SHF as one class. To the extent SLP and SHF vote as one class, the required vote of the Limited Partners to approve the action subject to the vote shall be the vote of holders of a majority of the Percentage Interests of all Limited Partners.

INCENTIVE PARTNERSHIP MANAGEMENT AGREEMENT

THIS INCENTIVE PARTNERSHIP MANAGEMENT AGREEMENT (this "Agreement") is entered into as of January 9, 2006, by and among ROCKWALL SENIOR COMMUNITY, L.P., a Texas limited partnership (the "Partnership"), CHURCHILL RESIDENTIAL, INC., a Texas corporation ("SLP") and LIFENET-ROCKWALL GP, L.L.C., a Texas limited liability company (the "General Partner").

WHEREAS, the General Partner, SLP and SunAmerica Housing Fund 1472, A Nevada Limited Partnership, as the limited partner (the "Limited Partner"), are all of the partners of the Partnership.

WHEREAS, the Partnership is governed by the Amended and Restated Agreement of Limited Partnership of the Partnership of even date herewith among the General Partner, SLP and the Limited Partner (the "Partnership Agreement"). All capitalized terms not defined herein shall have the meaning therefor set forth in the Partnership Agreement.

WHEREAS, the Partnership has been formed to develop the Apartment Complex;

WHEREAS, the Partnership desires that the General Partner and SLP provide certain management services with respect to the business of the Partnership for the period commencing as of the date hereof and continuing throughout the term of the Partnership.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto, and of other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties agree as follows:

1. Appointment. The Partnership hereby appoints the General Partner and SLP to render services in managing and administering the Partnership during the term of the Partnership as herein contemplated.

2. Authority. In conformity with the provisions of the Partnership Agreement and subject to any consent rights of the Limited Partner set forth in the Partnership Agreement, throughout the term of the Partnership, the General Partner and the SLP shall have the following obligations:

   (a) the General Partner shall administer, manage and direct the business of the Partnership, and take such further action as it may deem necessary or desirable to further the interest of the Partnership in accordance with the provisions of the Partnership Agreement;

   (b) the General Partner shall monitor the day-to-day operations of the Project and make recommendations with respect thereto;

   (c) the General Partner and the SLP shall investigate and make recommendations with respect to the selection and conduct of relations with consultants and technical advisors (including, without limitation, accountants and other similar advisors, attorneys, corporate fiduciaries, escrow agents, depositories, custodians, agents for collection,
insurers, insurance agents and banks) and persons acting in any other capacity in connection with the Partnership;

(d) the General Partner shall maintain books and records of the Partnership as required by the Partnership Agreement and as required by any Project Lender, including information relating to the sale by any General Partner, the SLP or any Affiliate thereof of goods or services to the Partnership;

(e) the General Partner shall be responsible for the safekeeping and use of all funds and assets of the Partnership, including the maintenance of bank accounts in accordance with the Partnership Agreement;

(f) the General Partner shall furnish all documents required by Exhibit H of the Partnership Agreement;

(g) the General Partner shall provide the reports which Section 12.4 of the Partnership Agreement requires the General Partner to deliver to any Partner; and

(h) the SLP shall monitor the performance of the General Partner's obligations hereunder and under the Partnership Agreement.

3. Fees. For services to be performed under this Agreement, on each Payment Date relating to a distribution of Cash From Operations, the Partnership shall pay the General Partner and the SLP an incentive management fee (divided 87.5% to the SLP and 12.5% to the General Partner) for the prior Fiscal Year solely from Net Cash Flow pursuant to Paragraph 9.1(a) of the Partnership Agreement. In no event shall such incentive management fee in the aggregate for any Fiscal Year exceed $150,000 per annum less amounts paid or distributed under Section 9.1(a)(ii)(A) on the date the incentive management fee is paid. Such incentive management fee shall not be cumulative from year to year and payment thereof is subject to compliance with the Project Loans.

4. Withholding of Fee Payments. The Partnership shall be entitled to withhold payments to the General Partner and the SLP hereunder pursuant to Section 6.12 of the Partnership Agreement.

5. Termination. This Agreement shall terminate (i) as to the General Partner, on the removal or withdrawal of the General Partner for any reason, (ii) as to the SLP, on the removal or withdrawal of the SLP for any reason or (iii) as to the General Partner and the SLP, upon the sale or transfer of the Apartment Complex.

6. Assignment; Successors and Assigns. Neither the SLP nor the General Partner shall assign its rights or delegate its obligations under this Agreement without the prior written consent of the Limited Partner, which consent may be withheld in its sole and absolute discretion. This Agreement shall be binding on the parties hereto and their successors and assigns.

7. Separability of Provisions. Each provision of this Agreement shall be considered separable and if for any reason any provision which is not essential to the effectuation
of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.

8. **Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.

9. **No Continuing Waiver.** The waiver by any party of any breach of this Agreement shall not operate or be construed to be a waiver of any subsequent breach.

10. **Applicable Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of California.

11. **Third Party Beneficiary.** The Limited Partner is a third party beneficiary of this Agreement, and the Partnership, the SLP and the General Partner hereby expressly agree that any amendment to this Agreement shall not be effective unless and until same is consented to by the Limited Partner.

(p) review change orders as to construction of the Apartment Complex; and

(q) review requests for disbursements of proceeds of loans to the Partnership for the construction of the Apartment Complex.
3. **Obligations of the General Partner (not the Developers).** Notwithstanding the foregoing, the Developers shall not have the following duties:

(a) analyzing the qualified allocation plan for targeted areas within the state in which the Land is located;

(b) identifying potential land sites and analyzing the demographics of potential sites;

(c) analyzing the economy and forecasting future growth potential of the geographic area in which the Apartment Complex is located;

(d) determining the Property's zoning status and possible rezoning strategies;

(e) contacting local government officials concerning access to utilities, public transportation, impact fees and local ordinances;

(f) performing environmental tests on the Land (except to the extent that the Developers are responsible for such tests on any buildings or Land immediately below the buildings);

(g) negotiating the purchase of the Property and its related financing;

(h) causing the Partnership to acquire the Land;

(i) arranging for the closing of the Term Loan; and

(j) processing necessary documentation with the Agency in connection with Tax Credits.

4. **Development Fee.**

(a) For services performed and to be performed under Sections 1 and 2 of this Agreement, the Partnership shall pay the Developers a Development Fee in the aggregate amount of $1,809,023 as follows: (i) $50,000 shall be paid to LifeNet and $300,000 shall be paid to Churchill Communities upon execution of the Partnership Agreement and closing of the Term Loan and HOME Loan, (ii) $300,000 shall be paid to Churchill Communities at the time SHF makes the First Additional Capital Contribution, (iii) $908,115 shall be paid to Churchill Communities at the time SHF makes the Second Additional Capital Contribution, and (iv) $250,908 shall be paid to Churchill Communities at the time SHF makes the Third Additional Capital Contribution; provided, however, the amount payable from the Additional Capital Contributions is subject to adjustment downward by an amount equal to the reductions in, or refunds of, the Additional Capital Contributions under Section 5.1(c) of the Partnership Agreement and subject to adjustment in accordance with Section 6.23 of the Partnership Agreement. Subject to Section 4(b), any portion of the Development Fee not paid under the prior sentence (the "Deferred Development Fee") shall be paid solely from Net Cash Flow, proceeds of a Capital Transaction and proceeds of a dissolution and liquidation of the Partnership pursuant to Section 9 of the Partnership Agreement. The Development Fee shall be the only
amount payable to the Developers for services performed pursuant to this Agreement. The Developers shall not be entitled to any reimbursement for costs and expenses, including without limitation salaries, compensation and fringe benefits of employees of a Developer or for a Developer's overhead.

(b) The Deferred Development Fee shall bear interest commencing upon the date on which SHF makes its Third Additional Capital Contribution to the Partnership (the "Effective Date") on the outstanding unpaid balance at the "applicable Federal long-term rate" (as defined in Section 1274(d) of the Code) in effect on the Effective Date, compounded annually. All payments made to the Deferred Development Fee shall be applied first to interest due under the Deferred Development Fee and then to the outstanding balance of the Deferred Development Fee until the Deferred Development Fee is paid in full. Notwithstanding anything to the contrary contained in Section 6, any unpaid portion of the Deferred Development Fee shall be payable by the earlier of (i) the tenth year following the date hereof, (ii) the date of liquidation of the Partnership, or (iii) the date of removal of the SLP from the Partnership.

(c) Each Developer and the Partnership shall execute and deliver the Affidavit of Services Rendered in the form attached hereto as Exhibit A and the Affirmation of Receipt of Services in the form attached hereto as Exhibit B to SHF; upon request by SHF.

(d) In the event of the withdrawal of the SLP in contravention of the Partnership Agreement or the removal of the SLP, the rights of the Developer hereunder, including the right to receive any unpaid Development Fee, shall be assigned to SHF or its designee.

5. Scope of Developers' Responsibility. Each of the Developers is responsible for the duties that it has specifically undertaken in this Agreement, and no additional duties or responsibilities may be implied from this Agreement.

(a) If (i) the SLP, any successor SLP, Churchill Communities or LifeNet shall not have complied with any provisions under the Partnership Agreement, this Agreement, the Incentive Partnership Management Agreement, or the Construction Contract, as applicable, within thirty (30) days after SHF delivers written notice of such noncompliance to the SLP, or (ii) any holder of any Project Loan shall have declared the Partnership to be in default under the applicable Project Loan after the expiration of all applicable cure periods, if any, as a result of acts or omissions of the SLP, Churchill Communities, LifeNet or any Affiliates of any of them, or (iii) foreclosure proceedings shall have been commenced against the Property as a result of acts or omissions of the SLP, Churchill Communities, LifeNet or any Affiliate of any of them, then the Developers shall be in default of this Agreement and the Partnership shall withhold payment of any installment of fees payable to Churchill Communities.

(b) All amounts so withheld by the Partnership under this Paragraph shall be promptly released to Churchill Communities only after the default justifying the withholding has been cured, as demonstrated by evidence reasonably acceptable to the SHF. In addition, the
Partnership shall be entitled to withhold payments to Churchill Communities hereunder pursuant to Section 6.12 of the Partnership Agreement.

7. **Pledged Payments.** Churchill Communities irrevocably directs the Partnership to pay to SHF any payments due hereunder to Churchill Communities (the “Pledged Payments”) at any time that there is an unsatisfied obligation secured by the Pledged Payments which is due and owing. The Partnership and Churchill Communities shall treat any Pledged Payments made by the Partnership to SHF as a payment by the Partnership to Churchill Communities hereunder of the particular Pledged Payment and a payment by Churchill Communities to SHF of the particular obligation which it secures. If there is more than one type of outstanding obligation secured at the time a Pledged Payment is made to SHF, SHF, in its sole discretion, shall decide to which secured obligation the Pledged Payments shall be applied.

8. **Assignment of Fees.** Each Developer shall not assign, pledge or otherwise encumber, for security or otherwise, the Development Fee, or any portion thereof or any right of a Developer thereto, without the Consent of SHF.

9. [Intentionally left blank]

10. **Successors and Assigns.** This Agreement shall be binding on the parties hereto, their heirs, successors and assigns. However, this Agreement may not be assigned by any party hereto without the Consent of SHF, nor may it be terminated without the Consent of SHF.

11. **No Lien Filings.** Each Developer hereby represents, warrants and covenants that neither it nor its Affiliates shall file a mechanic's lien, materialmen's lien or other lien against the Apartment Complex or any other assets of the Partnership, and hereby waives and releases any right it may have or may hereafter acquire to file a such lien against the Apartment Complex or any other assets of the Partnership. Each Developer shall indemnify and hold harmless the Partnership, SHF from any losses, damages, and/or liabilities, to or as a result of a breach of this provisions.

12. **Separability of Provisions.** Each provision of this Agreement shall be considered separable and if for any reason any provision which is not essential to the effectuation of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.

13. **Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.

14. **Waiver of Jury Trial.** EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (a) ARISING UNDER THIS DEVELOPMENT AGREEMENT, INCLUDING WITHOUT LIMITATION, ANY PRESENT OR FUTURE AMENDMENT THEREOF, OR (b) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF
THEM WITH RESPECT TO THE DEVELOPMENT AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF ANY RIGHT THEY MIGHT OTHERWISE HAVE TO TRIAL BY JURY.

15. **No Continuing Waiver.** No waiver by a party hereto of any breach of this Agreement shall be effective unless in a writing executed by such party. No waiver shall operate or be construed to be a waiver of any subsequent breach.

16. **Applicable Law.** This Agreement shall be construed and enforced in accordance with the laws of Texas.

17. **Third Party Beneficiary.** SHF is a third party beneficiary of this Agreement.

18. **Amendments.** Each party hereto expressly agrees that any amendment to this Agreement shall not be effective unless signed by the parties hereto and Consented to by SHF.

19. **Attorney's Fees.** Each party hereto agrees to pay the other party, without demand, reasonable attorney's fees and all costs and expenses expended or incurred in collecting any amounts payable by such party hereunder or in enforcing this Agreement against the other party, whether or not suit is filed.

20. **Notices.** Any Notice required by the provisions of this Agreement to be given to one or more parties shall be in writing and shall be deemed to have been validly given or served by delivery of same in person to the addressee or by depositing same with Federal Express for next Business Day delivery or by depositing same in the United States mail, postage prepaid, registered or certified mail, return receipt requested, or by sending same by facsimile transmission, addressed as follows:

In no event shall the rate of interest payable hereunder exceed the Maximum Rate. Any portion of the outstanding principal balance of this Note from time to time constituting a Base Rate Advance shall, during such time, bear interest at the rate per annum equal to the Alternate Base Rate from and including the date on which such Advance was converted into or otherwise became a Base Rate Advance to (but not including) the date on which such Base Rate Advance is paid or converted to a Eurodollar Advance. At the option of the Company, all or any portion of the principal amount hereof may from time to time bear interest at the Eurodollar Rate for a specified Interest Period. Any portion of the outstanding principal balance of this Note from time to time constituting a Eurodollar Advance shall bear interest from and including the first day of the Interest Period applicable thereto, but not including, the last day of such Interest Period at the rate per annum equal to the Eurodollar Rate for such Interest Period.
In its sole discretion, the Company shall choose the method of calculating interest, the type of Advance (whether a Base Rate Advance or Eurodollar Advance), the date on which interest is payable hereunder, and the length of Interest Periods for Eurodollar Advances.

For purposes hereof, the following terms have the following meanings:

"Alternate Base Rate" - for any day, a rate of interest per annum equal to the higher of (a) the Corporate Base Rate for such day, and (b) the sum of the Federal Funds Effective Rate for such day plus 1/2% per annum; "Base Rate Advance" - at any time, that portion of the outstanding principal amount of this Note as to which interest is not accruing at the Eurodollar Rate; "Corporate Base Rate" - a rate per annum equal to the corporate base rate of interest announced by Citibank, N.A., from time to time, changing when and as said corporate base rate changes (the Corporate Base Rate is a reference rate and does not necessarily represent the lowest or best rate of interest actually charged to any customer); "Eurodollar Advance" - at any time, any portion of the outstanding principal amount of this Note which accrues interest at the Eurodollar Rate for a specified Interest Period pursuant to an election made by the Company on behalf of Maker pursuant to this Section 2 (when used with respect to any Lender, "Eurodollar Advance" shall mean such Lender's share thereof); "Eurodollar Base Rate" - with respect to a Eurodollar Advance for the relevant Interest Period, (a) the rate at which deposits in U.S. Dollars appear on Telerate page 3750 as of 11 a.m. (London time) two Business Days prior to the first day of such Interest Period or (b) for any Interest Period for which no such Telerate quote is available, the rate at which deposits in U.S. Dollars are offered by the Agent (or its successor, if any, as agent for the Lenders under the Facility Agreement) to first-class banks in the London interbank market at approximately 11:00 a.m. (London time) two Business Days prior to the first day of such Interest Period, in an amount agreed upon by the Company and the Lenders and having a maturity approximately equal to such Interest Period; "Eurodollar Rate" - with respect to a Eurodollar Advance for the relevant Interest Period, the sum of (a) the quotient of (i) the Eurodollar Base Rate applicable to such Interest Period, divided by (ii) one minus the Reserve Requirement (expressed as a decimal) applicable to such Interest Period, plus (b) 0.19% (the Eurodollar Rate shall be rounded to the next higher multiple of 1/16 of 1% if the rate is not such a multiple); "Federal Funds Effective Rate" - for any day, an interest rate per annum equal to the weighted average of the rates on overnight Federal funds transactions with members of the Federal Reserve System arranged by Federal funds brokers on such day, as published for such day (or, if such day is not a Business Day, for the immediately preceding Business Day) by the Federal Reserve Bank of New York, or, if such rate is not so published for any day which is a Business Day, the average of the quotations at approximately 10 a.m. (New York time) on such day on such transactions received by the Agent from three Federal funds brokers of recognized standing selected by the Agent in its sole discretion; "Interest Period" - with respect to a Eurodollar Advance, a period of one, two, three or six months commencing on a Business Day selected by the Company on behalf of Maker pursuant to this Section 2 (such Interest Period shall end on the day which corresponds numerically to such date one, two, three or six months thereafter as selected by the Company); provided, however, that if there is no such numerically corresponding day, such Interest Period shall end on the last Business Day of such next, second, third or sixth succeeding month. If an Interest Period would otherwise end on a day which is not a Business Day, such Interest Period shall end on the next succeeding Business Day; provided, however, that if said next succeeding Business Day falls in a new calendar month, such Interest Period shall end on the immediately preceding Business Day).
3. **Payment.** The outstanding principal balance hereof, together with interest and all other amounts payable hereunder, shall be due on the Maturity Date.

4. **Payment of Interest.** All amounts due hereunder shall be payable in lawful money of the United States of America. Accrued interest not paid when due shall, to the fullest extent allowed by law, bear interest at the same rate as the principal of this Note.

5. **Interest Payment Dates; Interest Basis.** Interest accrued on each Base Rate Advance shall be payable on the last day of each month, commencing with the first such date to occur after the date hereof, on any date on which a Base Rate Advance is prepaid, whether due to acceleration or otherwise, and at maturity. Interest accrued on each Eurodollar Advance shall be payable on the last day of its applicable Interest Period, on any date on which such Eurodollar Advance is prepaid, whether by acceleration or otherwise, and at maturity. Interest accrued on each Eurodollar Advance having an Interest Period longer than three months shall also be payable on the last day of each three-month interval during such Interest Period. Interest shall be calculated for actual days elapsed on the basis of a 360-day year. Interest shall be payable for the day the Loan is made but not for the day of any payment on the amount paid if payment is received by the Agent prior to 1:00 P.M. (New York time) at the place of payment. If any payment of principal of or interest on the Loan shall become due on a day which is not a Business Day, such payment shall be due on the next succeeding Business Day.

6. **Method of Payment.** All payments hereunder shall be made, without setoff, deduction or counterclaim, in immediately available funds to the Facility Account, or to such other account as the Agent may designate in writing to Maker and Company, by 1:00 P.M. (New York time) on the date when due.

7. **Voluntary Prepayment; Reborrowings.** This Note may not be voluntarily prepaid except with the consent of the Company. Any such prepayment shall be subject to Section 17 hereof. Except as provided in the preceding two sentences, Maker may prepay this Note at any time without premium or penalty. Maker shall not be entitled to reborrow any amounts prepaid hereunder except, with the consent of the Company, as described in Section 16. Although the face amount of this Note may exceed the initial Advance hereunder, the Lenders shall be under no obligation to Maker to make any additional Advances.

8. **Mandatory Prepayment.** Whenever Maker receives a cash capital contribution from the Company or any affiliate of the Company, Maker shall promptly remit an amount equal to 100% of such capital contribution to the Facility Account to be used first to pay interest and other amounts (other than principal) payable hereunder, and next to repay principal of this Note, on the date specified by the Company.

9. **Administrative Matters.** Maker hereby authorizes Holder to extend, convert or continue Advances, effect selections of interest options and to transfer funds based on telephonic notices made by any person or persons Holder in good faith believes to be acting on behalf of the Company.

10. **Taxes.** Any payments made by Maker under this Note shall be made free and clear of, and without deduction or withholding for or on account of, any present or future taxes
or similar charges imposed by any U.S. federal governmental authority, excluding net income
taxes and franchise taxes or any other tax based upon any income imposed on the Agent or any
Lender by the jurisdiction in which the Agent or such Lender is incorporated or has its principal
place of business; provided that if any such non-excluded taxes or similar charges ("Non-
Excluded Taxes") are required to be withheld from any amounts payable to the Agent or any
Lender hereunder, such deduction or withholding shall be made and the amount thereof shall be
paid to the relevant tax authority and the amounts so payable to the Agent or such Lender shall,
upon demand of the Agent or relevant Lender, as applicable, be increased to the extent necessary
so that the Agent or such Lender receives the amount it would have received hereunder if such
withholding or deduction had not been made. Whenever any Non-Excluded Taxes are payable
by Maker, as promptly as practicable thereafter Maker shall send to the Agent for its own
account or for the account of such Lender, as the case may be, a certified copy of an original
official receipt therefor. The agreements in this Section shall survive the termination of this Note
and the payment of all other amounts payable hereunder. Maker shall also pay any present or
future sales, stamp or documentary taxes or excise or property taxes, charges or similar levies
which arise from any payment hereunder or in connection with this Note.

11. Events of Default. At the option of Holder (or, in the case of (c) or (d) below,
automatically), the payment of all principal, any interest accrued thereon and any other
sums then due and payable under the provisions of this Note will be accelerated and such principal,
interest and such other sums shall be immediately due and payable without notice or demand
upon the earlier to occur of any of the following events (each an "Event of Default"):

   (a) the failure of Maker to pay any amounts hereunder when due;

   (b) a default under any Loan Document, not cured within any applicable grace
       period;

   (c) Maker's making an assignment for the benefit of creditors or filing a
       voluntary petition in bankruptcy or filing any petition or answer seeking for itself any
       arrangement, composition, adjustment, liquidation, dissolution or similar relief to which it may
       be entitled, or filing any answer admitting the material allegations of any petition filed against it
       in any such proceedings, or seeking or consenting to or acquiescing in the appointment of any
       trustee, receiver, custodian or liquidator of all or a substantial part of its properties or assets; and

   (d) the commencement of a bankruptcy or insolvency proceeding against
       Maker (unless stayed or dismissed within sixty days).

12. Release. Each Maker, endorser, cosigner and guarantor of this Note hereby
expressly grants to Holder the right to release or to agree not to sue any other person, or to
suspend the right to enforce this Note against such other person or to otherwise discharge such
person; and each such Maker, endorser, cosigner and guarantor hereby agrees that the exercise of
such rights by Holder shall have no effect on the liability of any other person, primarily or
secondarily liable hereunder.

13. Waivers. Maker, for itself and its legal representatives, successors and assigns,
expressly waives presentment, protest, demand, notice of dishonor, notice of nonpayment, notice
of maturity, notice of protest, presentment for the purposes of accelerating the maturity, and
diligence in collection.

14. Attorneys' Fees. If Holder or Company employs counsel to collect this Note or
otherwise to exercise its remedies, including without limitation filing a claim in connection with
any bankruptcy or insolvency proceedings, Maker shall pay the reasonable fees, costs and
expenses of Holder and Company, including without limitation attorneys' fees, whether or not
suit is brought.

15. Limitations on Interest. This Note is subject to the express condition that at no
time shall Maker be obligated or required to pay interest on the principal balance at a rate which
could subject Holder to either civil or criminal liability as a result of being in excess of the
maximum rate which Maker is permitted by law to contract or agree to pay. If by the terms of
this Note Maker is at any time required or obligated to pay interest on the principal balance at a
rate in excess of such maximum rate, the rate of interest under this Note shall be deemed to be
immediately reduced to such maximum rate and interest payable hereunder shall be computed at
such maximum rate.

16. Illegality. If any Lender having outstanding any Eurodollar Advances shall
determine that it may not lawfully continue to maintain and fund any of its outstanding
Eurodollar Advances to maturity and shall so specify in a notice to the Company, Maker shall,
upon request from the Company, promptly prepay in full the then outstanding principal amount
of each such Eurodollar Advance together with accrued interest thereon in conjunction with a
Base Rate Advance in a like principal amount from such Lender.

17. Funding Losses. If for any reason Maker makes any payment of principal with
respect to any Eurodollar Advance on any day other than the last day of the Interest Period
applicable thereto, or if Maker fails to borrow or prepay any Eurodollar Advance after notice
thereof has been given, Maker shall, on request of the Company, reimburse each Lender within
30 days after demand for any resulting loss or expense incurred by it (or by any participant in the
related Advance), including (without limitation) any loss incurred in obtaining, liquidating or
employing deposits from third parties, but excluding loss of margin for the period after any such
payment or failure to borrow, provided that such Lender has delivered to the Company (with a
copy to the Agent) a certificate setting forth in reasonable detail calculations as to the amount of
such loss or expense, which certificate shall be conclusive and binding on Maker in the absence
of manifest error.

18. Role of Agent. Maker acknowledges and agrees that this Note is made payable to
the order of the Agent as a matter of administrative convenience and that this Note evidences a
number of discreet loans in the aggregate principal amount set forth in the first paragraph of this
Note, which loans have been made on the same date by the Lenders.

19. Authority of the Company. Maker irrevocably authorizes the Company from time
to time to give and receive notices and directions on behalf of Maker with respect to this Note
(including without limitation notices with respect to borrowing, repayment, the selection of
Interest Periods, the selection of Eurodollar Advances or Base Rate Advances, and the basis
upon which interest shall be calculated). Maker irrevocably and unconditionally agrees to be
bound by such notices and directions by the Company, and agrees that the Agent and the Lenders may rely upon, and shall incur no liability by acting upon, any such notices or directions and the Company shall incur no liability to Maker in connection therewith.

20. The Facility Account. Maker irrevocably directs the Agent to disburse the proceeds of this Note to the Facility Account and agrees that such funds shall be deemed received by Maker (and interest shall commence accruing thereupon) upon the deposit of such amounts in the Facility Account. The foregoing shall be true without respect to whether or when such amounts are transmitted by the Company to Maker, and Maker irrevocably releases the Lenders, the Agent and their respective officers, directors and employees from any and all liabilities in respect of any misdirection or misapplication of such funds by the Company. Maker agrees that, notwithstanding its deposit of funds into the Facility Account as a step towards payment of any amount due under the Loan Documents, such amounts shall be deemed received by the Lenders (and, if applicable, interest thereon shall cease accruing) only upon the actual receipt by the Agent or the Lenders, as applicable, of such amount (it being understood that for such purpose the Facility Account is an account of the Company, not of the Agent or the Lenders) and Maker shall have no interest in or claim on the Facility Account or amounts therein. Maker agrees that the Company may in its discretion transfer to the Agent, or hold, any such amounts in the Facility Account or otherwise withdraw and invest such amounts, and not transfer such amounts to the Agent for purposes of payment hereunder until the end of any current Interest Period relating thereto or otherwise as the Company determines appropriate.

21. Notice. Whenever any party hereto shall desire to, or be required to, give or serve any notice, demand, request or other communication with respect to this Note, each such notice, demand, request or communication shall be in writing and shall be effective only if the same is delivered by personal service (including, without limitation, courier or express service) or mailed certified or registered mail, postage prepaid, return receipt requested, or sent by facsimile transmission with confirmation of receipt, to the parties at the addresses and facsimile numbers shown throughout this Note or such other addresses which the parties may provide to one another in accordance herewith. If notice is sent to Holder or Company, a copy of such notice shall also be given to Jeffer, Mangels, Butler & Marmaro LLP, 1900 Avenue of the Stars, 7th Floor, Los Angeles, California 90067; Attention: Frederick W. Gartside, Esq. Notices delivered personally will be effective upon delivery to an authorized representative of the party at the designated address; notices sent by mail in accordance with this Section will be effective upon execution by the addressee of the return receipt. Notices delivered via facsimile will be effective upon confirmation of receipt.

22. Recourse Obligation. This Note is specifically a full recourse obligation, and nothing herein contained shall be construed to prevent Holder from proceeding personally against Maker under this Note. Maker may not transfer its obligations under this Note without the prior written consent of Holder and Company.

23. Subordination. Holder agrees that payments on this Note shall be subordinate and inferior to all payments with respect to any Project Loan (other than to the Company or an affiliate of the Company) and that Holder shall not seek or accept any payments in violation of any applicable loan documents, and that if Holder receives payments during the pendency of a default, it shall hold such payments in trust for the benefit of the holder of such Project Loan.
(other than a Project Loan to the Company or an affiliate of the Company). Notwithstanding the foregoing, nothing herein shall preclude any Company payments to Holder pursuant to the guaranty of the Note given by the Company pursuant to the Facility Agreement.

24. **Termination.** This Note may not be terminated or amended orally, but only by a termination in writing signed by Holder and Company or an amendment in writing signed by Holder, Maker and Company. This Note shall inure to the benefit of Agent, Lenders and their respective successors and assigns.

25. **Business Purpose.** Maker certifies that this loan is obtained, and the proceeds of the Loans will be used by Maker for, its business purposes, and that the proceeds thereof will not be used for personal, family, household or agricultural purposes, and that no part of the proceeds of any Loan will be used to purchase or carry any margin stock or to extend credit to others for the purpose of purchasing or carrying any margin stock (within the meaning of Regulation G or Regulation U of the Board of Governors of the Federal Reserve System). Neither the making of any Loan nor the use of the proceeds thereof will violate or be inconsistent with the provisions of Regulation G, T, U or X of the Board of Governors of the Federal Reserve System (relating to margin stock in the case of each such regulation).

26. **Representations and Warranties.** Maker makes the following representations and warranties, which shall be deemed to be continuing representations and warranties in favor of Holder, and covenants and agrees to perform all acts necessary to maintain the truth and correctness, in all material respects, of the following:

(a) Maker’s Employer Identification Number is 20-5394331 and its principal place of business is at the address first written above.

(b) Maker agrees that it shall not, without prior written notification to Holder, move or otherwise change its principal place of business.

27. **CHOICE OF LAW.** THIS NOTE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. THE PARTIES FURTHER AGREE THAT IN THE EVENT OF DEFAULT, THIS NOTE MAY BE ENFORCED IN ANY COURT OF COMPETENT JURISDICTION IN THE STATE OF TEXAS AND THEY DO HEREBY SUBMIT TO THE JURISDICTION OF ANY AND ALL SUCH COURTS REGARDLESS OF THEIR RESIDENCE OR WHERE THIS NOTE OR ANY ENDORSEMENT HEREOF MAY BE EXECUTED.

28. **WAIVER OF TRIAL BY JURY.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AND ACKNOWLEDGING THAT THE CONSEQUENCES OF SAID WAIVER ARE FULLY UNDERSTOOD, MAKER HEREBY EXPRESSLY WAIVES THE RIGHT TO TRIAL BY JURY (AND BY ACCEPTANCE HEREOF, THE AGENT AND EACH LENDER WAIVES SUCH RIGHT), THE RIGHT TO INTERPOSE ANY DEFENSE BASED UPON ANY STATUTE OF LIMITATIONS, ANY CLAIM OF LACHES AND ANY SETOFF OR COUNTERCLAIM OF ANY NATURE OR DESCRIPTION IN ANY ACTION OR
PROCEEDING INSTITUTED AGAINST MAKER OR ANY OTHER PERSON LIABLE ON THIS NOTE. MAKER ACKNOWLEDGES AND AGREES THAT HOLDER SHALL HAVE ALL RIGHTS OF A THIRD PARTY CREDITOR WITH RESPECT TO THIS NOTE, AND MAKER WAIVES AND RELEASES FOR ITSELF ALL CLAIMS TO THE CONTRARY.

The Commercial General Liability insurance policy shall be endorsed to include as additional insured the Owner, SHF, AIG Retirement Services, Inc. ("RSI"), and SunAmerica Affordable Housing Partners, Inc. (k) **Waiver of Subrogation.** Manager hereby waives all rights of recovery against Owner, each person who holds a direct or indirect ownership interest in Owner, and the respective partners, officers, directors, trustees, agents, employees and affiliates of Owner and such owners for any Claim (as hereinafter defined) covered under any insurance policy that is maintained by Owner or Manager (whether or not required by this Agreement). Manager shall upon obtaining the policies of insurance required by this Section, notify the insurance carrier that the foregoing waiver is contained in this Agreement and shall require such carrier to include an appropriate waiver of subrogation provision in the insurance policies.

(l) **Maintenance of Records.** Manager agrees to keep and maintain at all times all necessary books and records relating to the leasing, management and operation of the Apartment Complex, including all books and records relating to the reporting requirements under Code Section 42, and to prepare and render to Owner monthly itemized accounts of receipts and
disbursements incurred in connection with its leasing operation and management by the twentieth (20th) day of the following month. Unless Owner, in writing, expressly directs, Manager shall not be required to file any reports other than such monthly statements and annual reports required under Section 5(f)(viii)(D). An annual audit report shall be prepared at Owner's expense, out of available cash flow, showing a balance sheet and an income and expense statement, all in reasonable detail and certified by an independent Certified Public Accountant. All books, correspondence and data pertaining to the leasing, management and operation of the Apartment Complex shall, at all times, be safely preserved. Such books, correspondence and data shall be available to Owner at all reasonable times, and shall, upon the termination of this Agreement be delivered to Owner in their entirety and upon request of Owner be delivered to Owner within thirty (30) days of such request. Manager shall maintain files of all original documents relating to reporting requirements under Section 42 of the Code, leases, vendors and all other business of the Apartment Complex in an orderly fashion at the Apartment Complex, which files shall be the property of Owner and shall at all times be open to Owner's inspection.

Manager shall not request payment of any invoices, whether to itself or a third party, marked-up above cost, nor shall Manager request payment of any compliance fees, marketing fees, mark-up on employees' salary or travel or fees for personnel off-site.

If (a) there is a violation of applicable laws regarding the storage, release and disposal of such hazardous materials, or toxic substances, or (b) Manager reasonably believes that the storage, release or disposal of any hazardous material, petroleum product, or toxic substances, could cause liability to the Owner, including any releases caused by Tenants, third parties or employees, on the Apartment Complex, Manager shall notify Owner immediately.

(iv) Subject to the Regulatory Requirements, the Manager agrees that the Apartment Complex shall be offered to all prospective tenants on a nondiscriminatory basis without regard to race, color, religion, sex, family status, handicap or national origin in accordance with applicable law.

(o) Computers. All computers, hardware, software, computer upgrades and maintenance in connection therewith for the Apartment Complex shall be at Owner's expense.

(c) **Survival.** The provisions of this Paragraph 8 shall survive the termination of this Agreement.

Immediately after termination, Manager shall leave the Apartment Complex and cause its employees to leave the Apartment Complex without causing any damage thereto. Under no circumstances shall any default by Owner give rise to any lien on the Apartment Complex or give rise to a right of Manager to stay on the Apartment Complex after the date of termination. Termination of this Agreement under any of the provisions of this
Agreement shall not release either party as against the other from liability for failure to perform any of its duties or obligations as expressed herein and required to be performed prior to such termination. Manager agrees to cooperate with Owner in the obligations set forth in this Section 10(h).

11. CONFIDENTIALITY.

(a) Preservation of Confidentiality. In connection with the performance of obligations hereunder, Manager acknowledges that it will have access to "Confidential Information" (as defined below). In the event that such protective order or other remedy is not obtained by Owner or Owner waives compliance with the provisions of this Agreement, Manager shall furnish or cause to be furnished only that portion of the Confidential Information which Manager is required by applicable law to furnish, and will exercise commercially reasonable efforts to obtain reliable assurances that confidential treatment is accorded the Confidential Information so furnished.

(b) Property Right in Confidential Information. All Confidential Information shall remain the property of Owner and Manager shall have no ownership interest therein.

12. SURVIVAL OF AGREEMENT. All indemnity obligations set forth herein, all obligations to pay earned and accrued fees and expenses, all confidentiality obligations, and all obligations to perform and duties accrued prior to the date of termination shall survive the termination of this Agreement.

13. ENFORCEMENT OF AGREEMENT. This Agreement, its interpretation, performance and enforcement, and the rights and remedies of the parties hereto, shall be governed and construed by and in accordance with the law of the State in which the Apartment Complex is located. In any dispute pertaining to, or litigation or arbitration to enforce or interpret the provisions of, this Agreement, the prevailing party shall be entitled to recover its attorneys fees and costs, including those incurred in connection with all appellate levels, bankruptcy, mediation or otherwise to maintain such action, from the losing party.

14. ASSIGNMENT. Manager shall not directly or indirectly (except with the consent of Owner and SHF, and of any lender or governmental entity, if required) sell, assign or

The policy shall carry no coinsurance provisions. If the policy is not available prior to occupancy, then certificates of insurance detailing the policy terms and conditions as noted above shall be provided, but the policies must then be provided within sixty days. All such policies shall include endorsements requiring at least 30 days prior written notice to SHF of any cancellation, termination or reduction of coverage therein. Notice of the renewal of any policy shall be made at least 10 days prior to the scheduled date of such renewal, and shall be in the form of endorsement to the policy. Notice to SHF of any replacement of any policy shall be made at least 10 days prior to such replacement, and shall be in the form of a copy of the replacement policy, or by certificate, as noted above.

If the General Partner fails to cause the Partnership to effect, maintain or renew insurance that satisfies the requirements of this Exhibit, or fails to cause the Partnership to pay the premiums thereof or to deliver to SHF evidence of such insurance, then, at SHF's option but without the obligation to do so, SHF may take such action as it deems necessary or appropriate to address the General Partner's failure, including paying insurance premiums for the benefit of the Partnership or placing additional insurance coverage for the benefit of the Partnership ("Forced Placed Coverage"). The General Partner acknowledges that Forced Placed Coverage may include coverage that duplicates some previously existing insurance coverage of the Partnership.

All payments by SHF under this Exhibit, including payments of insurance premiums on behalf of the Partnership related to insurance policies obtained by the General Partner or to Forced Placed Coverage, shall be treated as LP Loans from SHF. Such payments shall not limit SHF's remedies against the General Partner under this Agreement. Within three (3) business days of Notice from SHF that it has made an LP Loan for the purposes specified in this Exhibit, the General Partners shall repay such LP Loan from the General Partner's funds.

SHF shall not be responsible for obtaining or maintaining any insurance required under this Exhibit and shall not, by reason of accepting, rejecting, approving or obtaining any such insurance, incur any liability for the existence, nonexistence of, or insufficient coverage of insurance.

The General Partner hereby releases and relieves SHF, SLP, RSI and SAHP for any and all liability, and waives its entire right of recovery against them, with respect to any loss or damage of property or for property damage, bodily injury or personal injury to third-parties arising out of or incident to any loss or peril insured against under any of the foregoing policies, and any other perils for which the General Partner has arranged.
Exhibit I

Allocation Provisions, Capital Accounts

1. Allocation of Profits, Losses and Credits from Operations.

(a) Subject to the special allocations contained in this Section 1, all profits, losses and credits, except those items in Section 5 of this Exhibit below, shall be allocated to the Partners in accordance with their Percentage Interests.

(b) In any year in which a Partner sells, assigns or transfers all or any portion of an Interest to any Person who during such year is admitted as a substitute Partner, the share of all profits and losses allocated to, and of all Net Cash Flow and of all cash proceeds distributable under Section 9.2 of this Partnership Agreement distributed to, all Partners which is attributable to the Interest sold, assigned or transferred shall be divided between the assignor and the assignee ratably on the basis of the number of monthly periods in such year before, and the number of monthly periods on and after, the first day of the month during which such Person is admitted as a substitute Partner.

(c) If there is a determination that there is any original issue discount or imputed interest attributable to the Capital Contribution of any Partner, or any loan between a Partner and the Partnership, any income or deduction of the Partnership attributable to such imputed interest or original issue discount on such Capital Contribution or loan (whether stated or unstated) shall be allocated solely to such Partner. All deductions for interest accrued on the Bridge Loan by the Partnership shall be allocated solely to SHF.

(d) If the deduction of all or a portion of any fee paid or incurred by the Partnership to a Partner or an Affiliate of a Partner is disallowed for federal income tax purposes by the IRS with respect to a taxable year of the Partnership, the Partnership shall then allocate to such Partner an amount of gross income of the Partnership for such year equal to the amount of such fee as to which the deduction is disallowed.

(e) If any Partner's Interest in the Partnership is reduced but not eliminated because of the admission of new Partners or otherwise, or if any Partner is treated as receiving any items of property described in Section 751(a) of the Code, the Partner's Interest in such items of Section 751(a) property that was property of the Partnership while such Person was a Partner shall not be reduced, but shall be retained by the Partner so long as the Partner has an Interest in the Partnership and so long as the Partnership has an Interest in such property.

(f) In accordance with Section 704(c) of the Code (relating to allocations with respect to appreciated contributed property) and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Partnership shall be allocated, solely for tax purposes, among the Partners so as to take account of any variation between the adjusted basis of such property to the Partnership for federal income tax purposes and its fair market value. Any elections or other decisions relating to such allocations shall be made by the General Partner in any manner that reasonably reflects the purpose and intention of the Partnership Agreement, subject, however, to the Consent of SHF.
(g) The payment by the General Partner of Excess Development Costs (excluding only payments used to fund Operating Deficits) shall not be treated as an item of income or gain to the Partnership. The payment by the Developer of costs under the Development Agreement shall not be treated as an item of income or gain to the Partnership. If the General Partner funds any Operating Deficit Loans pursuant to Section 6.9 of the Partnership Agreement, any deductions or losses of the Partnership attributable to the use of those funds shall be specially allocated to the General Partner, and in any year, if there is a repayment of all or part of such funds, the General Partner shall be allocated in such year an amount of gross income equal to the amount of such repayment.

(h) If a Partner makes any Partner Loan pursuant to Section 5.9 of the Partnership Agreement, any deductions or losses of the Partnership attributable to the use of those funds shall be specially allocated to such Partner, and in any year, if there is a repayment of all or part of such funds, such Partner shall be allocated in such year an amount of gross income equal to the amount of such repayment.

(i) Any Partnership depreciation or other cost recovery deductions not otherwise allocated pursuant to Section 6(e) of this Exhibit shall be allocated among the Partners in accordance with their Percentage Interests.

(j) Notwithstanding any other provision of the Partnership Agreement, before any other allocation of gross income and gain is made under the Partnership Agreement, in the event that any unanticipated gross income arises from a subsequent recharacterization of a tax reporting position of the Partnership, it is the intent of the Partners that all such gross income shall be allocated to the General Partner.

(k) To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Sections 734(b) or 743(b) of the Code is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Regulations.

(l) One hundred percent (100%) of the item of expense attributable to Partnership deductions for Excess Interest payments paid through a BL Advance or a Capital Contribution by SHF (or if such expenses are capitalized, depreciation, amortization or other charges in respect thereof) shall be allocated to SHF and 100% of the item of expense attributable to Partnership deductions for the fee paid to SAHP pursuant to Section 5.2(b) shall be allocated to SHF.

(m) Notwithstanding anything to the contrary contained herein, gross income of the Partnership in the amount distributed to each of the General Partner and SLP pursuant to Section 9.1(a)(ii)(E) shall be allocated to the General Partner and SLP, respectively, for the Fiscal Year to which the Net Cash Flow used to make such payment relates.
(n) To the extent costs of off-site improvements are included as part of depreciable basis of the Apartment Complex and such costs are paid with funds provided by the seller of the Land to the Partnership and such payment results in income to the Partnership, gross income in the amount of such payment shall be allocated to the General Partner.

2. Determination of Profits, Losses and Credits. Profits, losses and credits for all purposes of the Partnership Agreement shall be determined in accordance with the accrual accounting method, except that any adjustments made pursuant to Section 754 of the Code shall be taken into account under Section 1(k) of this Exhibit. Every item of income, gain, loss, deduction, credit or tax preference entering into the computation of such profits or losses, or applicable to the period during which such profits and losses were realized, shall be considered allocated to each Partner in the same proportion as profits and losses are allocated to such Partner.

3. Allocation of Gains and Losses from Sale. Subject to the special allocations contained in Section 1 of this Exhibit, all gains and losses recognized by the Partnership upon the sale, exchange or other disposition of all or substantially all of the property owned by the Partnership, except for those items in Sections 5 and 6 of this Exhibit, shall be allocated in the following manner:

(a) Gains shall be allocated (i) first, to the Partners with negative Adjusted Capital Account balances, that portion of gains (including any gains treated as ordinary income for federal income tax purposes) which is equal in amount to, and in proportion to, such Partners' respective negative Adjusted Capital Accounts in the Partnership; provided that no gain shall be allocated under this Section 3(a) to a Partner once such Partner's Adjusted Capital Account balance is brought to zero and (ii) second, gains in excess of the amount allocated under (i) shall be allocated to the Partners in the amounts and to the extent necessary to increase the Partners' respective Adjusted Capital Accounts so that the proceeds distributed in accordance with the Partners' respective Adjusted Capital Account balances under Section 9.3(e) of the Partnership Agreement will equal the amounts that would have been received if the proceeds were instead distributed under Section 9.2(e) of the Partnership Agreement.

(b) Losses shall be allocated (i) first, to the Partners in the amounts and to the extent necessary so that the proceeds distributed in accordance with the Partners' respective Adjusted Capital Account balances under Section 9.3(e) of the Partnership Agreement will equal the amounts that would have been received if the proceeds were instead distributed under Section 9.2(e) of the Partnership Agreement, and (ii) second, any remaining loss to the Partners in accordance with the manner in which they bear the economic risk of loss associated with such loss or, if none, to the Partners in accordance with their Percentage Interests.

(c) Any portion of the gains treated as ordinary income for federal income tax purposes under Sections 1245 and 1250 of the Code shall be allocated on a dollar for dollar basis to those Partners to whom the items of Partnership deduction or loss giving rise to such gains had been previously allocated.

4. Capital Accounts. A separate Capital Account shall be maintained and adjusted for each Partner. There shall be credited to each Partner's Capital Account the amount of its
Capital Contribution, the fair market value of any property contributed to the Partnership (net of any liabilities secured by such property) and such Partner's distributive share of the profits for tax purposes of the Partnership; and there shall be charged against each Partner's Capital Account the amount of all cash flow distributed to such Partner, the fair market value of any property distributed to such Partner (net of any liabilities secured by such property), the net proceeds resulting from the liquidation of the Partnership's assets or from any sale or refinancing of the Apartment Complex distributed to such Partner, and such Partner's distributive share of the losses for tax purposes of the Partnership. Each Partner's Capital Account shall be maintained and adjusted in accordance with the Code and the Regulations thereunder. The foregoing provisions and the other provisions of the Partnership Agreement relating to the maintenance of Capital Accounts are intended to comply with Regulation Section 1.704-1(b), and shall be interpreted and applied in a manner consistent with such regulations. It is the intention of the Partners that the Capital Accounts maintained under the Partnership Agreement be determined and maintained throughout the full term of the Partnership Agreement in accordance with the accounting rules of Regulation Section 1.704-1(b)(2)(iv).

If the Partnership is liquidated within the meaning of Regulation Section 1.704-1(b)(2)(ii)(g) but no event has occurred under Section 11.1 of the Partnership Agreement to dissolve the Partnership, the Partnership assets shall not be liquidated, the Partnership's liabilities shall not be paid or discharged, and the Partnership's affairs shall not be wound up.

If a Partner has more than one interest in the Partnership, such Partner shall have a single capital account that reflects all such interests, regardless of the class of interests owned by such Partner and regardless of the time or manner in which such interests were acquired.

5. Authority of the General Partner to Vary Allocations to Preserve and Protect Partners' Intent.

(a) It is the intent of the Partners that each Partner's distributive share of income, gain, loss, deduction, or credit (or item thereof) shall be determined and allocated in accordance with Section 1 of this Exhibit to the fullest extent permitted by Section 704(b) of the Code. In order to preserve and protect the determinations and allocations provided for in Section 1 of this Exhibit, the General Partner shall have the authority (subject to Section 5(b) of this Exhibit) to allocate income, gain, loss, deduction, or credit (or item thereof) arising in any year differently than otherwise provided for in such Section 1 to the extent that allocating income, gain, loss, deduction or credit (or item thereof) in the manner provided for in such Section 1 would cause the determinations and allocations of each Partner's distributive share of income, gain, loss, deduction, or credit (or item thereof) not to be permitted by Section 704(b) of the Code and Regulations promulgated thereunder. Any allocation made pursuant to this Section 5 shall be deemed to be a complete substitute for any allocation otherwise provided for in Section 1 of this Exhibit, and no amendment of the Partnership Agreement or approval of any Partner shall be required.

(b) In making any allocation (the "new allocation") under Section 5(a) of this Exhibit, the General Partner is authorized to act only after having received the Consent of SHF and after having been advised by the Accountants that, under Section 704(b) of the Code and the Regulations thereunder, (i) the new allocation is necessary and (ii) the new allocation is the
minimum modification of the allocations otherwise provided for in Section 1 of this Exhibit necessary in order to assure that, either in the then current year or in any preceding year, each Partner's distributive share of income, gain, loss, deduction, or credit (or item thereof) is determined and allocated in accordance with such Section 1 to the fullest extent permitted by Section 704(b) of the Code and the Regulations thereunder.

(c) New allocations made by the General Partner under this Section 5 and in reliance upon the advice of the Accountants with the Consent of SHF shall be deemed to be made pursuant to the fiduciary obligation of the General Partner to the Partnership and SHF, and no such allocation shall give rise to any claim or cause of action by SHF.

(a) Notwithstanding any other provision of the Partnership Agreement, no allocation of loss or deduction (or item thereof) shall be made by the Partnership to a Partner if such allocation would cause the sum of the deficit Capital Account balances of the Partner or Partners otherwise receiving such allocation (excluding the portion of such deficit balances that must be restored (or which the Partner is deemed to have to restore) to the Partnership under the Partnership Agreement, if any) to exceed the Partner's share of "Partnership minimum gain" (as defined in Regulation Section 1.704-2(b)(2) and Section 1.704-2(d), and "Partner nonrecourse debt minimum gain" (as defined in Regulation Section 1.704-2(i)(2), both determined at the end of the Partnership taxable year to which the allocation relates.

(b) Notwithstanding any other provision of the Partnership Agreement, if there is a net decrease in Partnership minimum gain or in Partner nonrecourse debt minimum gain during a Partnership taxable year, items of income and gain for such year (and if necessary, for future years) shall be allocated to each Partner in an amount equal to the Partner's share of the net decrease in Partnership minimum gain or Partner nonrecourse debt minimum gain, as applicable.

(c) If any Partner unexpectedly receives any adjustments, allocations or distributions described in Regulation Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of Partnership income and gain shall be specially allocated to each such Partner in an amount and manner sufficient to eliminate (to the extent required by the Regulations under Section 704(b) of the Code) the deficit balance in each such Partner's Capital Account as quickly as possible, provided that an allocation pursuant to this Section 6(c) shall be made if and only to the extent that such Partner would have a deficit Capital Account after all other allocations provided for in this Exhibit have been tentatively made as if this Section 6(c) were not in this Exhibit.

(d) If any Partner has a deficit Capital Account at the end of any Fiscal Year in excess of the sum of (i) the amount that such Partner must restore to the Partnership upon liquidation, if any, and (ii) the amount such Partner is deemed obligated to restore pursuant to the penultimate sentence of Regulation Section 1.704-2(g) and Section 1.704-2(i)(5), such Partner shall be specially allocated items of Partnership income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 6(d) shall be made if and only to the extent that such Partner would have a deficit Capital Account in excess of such sum
after all other allocations provided for in this Exhibit have been tentatively made as if this 
Section 6(d) and Section 6(c) of this Exhibit were not in the Partnership Agreement.

(e) "Nonrecourse deductions" (within the meaning of Regulation Section 1.704-2(b)(1)) shall be allocated to the Partners in accordance with their Percentage Interests. "Partner nonrecourse deductions" (within the meaning of Regulation Section 1.704-(2)(c)) shall be allocated to the Partner who bears the economic risk of loss associated with such deductions, in accordance with Regulation Section 1.704-2(i).

7. SHF’s Deficit Restoration Obligation.

(a) Capital Account Upon Liquidation. Until such time as SHF delivers a 
DRO Adjustment Notice, as defined below, to the General Partner, if the Partnership is 
liquidated within the meaning of Regulation Section 1.704-1(b)(2)(ii)(g), SHF hereby agrees to 
restore the deficit balance in its Capital Account, determined after taking into account all Capital 
Account adjustments for the fiscal year during which such liquidation occurs (the "Liquidating Capital Account Amount"). At anytime after SHF delivers a DRO Adjustment Notice to the 
General Partner, SHF hereby agrees to restore the lesser of (i) the Liquidating Capital Account Amount or (ii) the DRO Cap Amount. The obligation to restore the amount described in this 
Section 7(a) shall be satisfied upon the later of ninety (90) days after the date of such liquidation 
or the end of the fiscal year in which the liquidation occurs.

(b) DRO Adjustment Notice.

(i) Election. At the sole election of SHF, which election shall be 
made by SHF’s delivery of an executed copy of a notice substantially in the form as that notice 
described in Section 7(b)(iii) of this Exhibit (the "DRO Adjustment Notice") to the General 
Partner, SHF can thereby establish a DRO Cap Amount, as defined below, which DRO Cap 
Amount shall remain in effect until such time as SHF delivers a subsequent DRO Adjustment 
Notice to the General Partner establishing a new DRO Cap Amount.

(ii) DRO Cap Amount. At the time that a DRO Adjustment Notice is 
delivered to the General Partner, the "DRO Cap Amount" to apply thereafter shall be the greater 
of (A) the amount reflected in the newly delivered DRO Adjustment Notice (the "DRO Notice 
Amount") or (B) the absolute value of the deficit balance, if any, in SHF’s Capital Account, after 
reduction for the items described in Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), and (6), 
determined as of the end of the taxable year preceding the taxable year during which the DRO 
Adjustment Notice is delivered to the General Partner. For the first taxable year of the 
Partnership, the amount described in Section 7(b)(ii)(B) above shall be equal to zero.

(iii) Form of DRO Adjustment Notice. SHF’s DRO Adjustment Notice 
shall be in a form substantially similar as that below:

DRO ADJUSTMENT NOTICE

By the delivery of this notice, dated _____________, to the General Partner of Rockwall 
Senior Community, L.P., a Texas limited partnership, SunAmerica Housing Fund 1472, A
Nevada Limited Partnership, hereby notifies such General Partner that, effective as of the date of this notice, the DRO Notice Amount shall be $______________.

[Signature Block]

(c) **Allocation of Income.** For each of the five (5) fiscal years of the Partnership beginning with the first fiscal year after the end of the Credit Period as defined in Section 42(f) of the Code (the "Allocation Period"), gross income of the Partnership shall be allocated to SHF in equal amounts as required to restore SHF's Capital Account to zero by the end of the Allocation Period after taking into account SHF's share of Partnership minimum gain within the meaning of Regulation Section 1.704-2(b)(2) and SHF's share of partner non-recourse debt minimum gain within the meaning of Regulation Section 1.704-2(i); provided, however, the allocation of gross income to SHF pursuant to this Section 7(c) shall not exceed the amount of the depreciation deductions allocated to SHF in the sixth fiscal year preceding the allocation of gross income made pursuant to this Section 7(c). For example, if $400,000 of depreciation deductions were allocated to SHF for the fiscal year ending December 31, Year 1, then up to $400,000 of gross income may be allocated to SHF for the fiscal year ending December 31, Year 6. Notwithstanding the foregoing, in the last year of the Compliance Period, as defined in Section 42(i)(1) of the Code, gross income shall be allocated to SHF in an amount required to restore SHF's Capital Account to zero after taking into account SHF's share of Partnership minimum gain within the meaning of Regulation Section 1.704-2(b)(2) and SHF's share of partner non-recourse debt minimum gain within the meaning Regulation Section 1.704-2(i).

(d) **Special Allocation of Losses.** SHF may elect, by delivery of written notice to the General Partner, to receive an allocation of a deduction for the full amount of the Partnership's depreciation deduction and to have all remaining losses, other than losses causing an increase in SHF's share of minimum gain, to be allocated to the General Partner for the Fiscal Year in which such election is made and for each Fiscal Year thereafter until SHF terminates the election by delivery of subsequent written notice to the General Partner.

(e) **Binding Effect of the DRO Provisions.** The amounts determined under this Section 7 are binding upon subsequent transferees of SHF's interest in the Partnership.

Exhibit N

Right of First Refusal

See attached.
Applicants may qualify for 1 points for qualifying under this exhibit by certifying below.

This certification serves as evidence that the Development Owner agrees to provide a right of first refusal to purchase the Development upon or following the end of the Compliance Period for the minimum purchase price provided in, and in accordance with the requirements of, §42(i)(7) of the Code (the “Minimum Purchase Price”), to a Qualified Nonprofit Organization, the Department, or either an individual tenant with respect to a single family building, or a tenant cooperative, a resident management corporation in the Development or other association of tenants in the Development with respect to multifamily developments (together, in all such cases, including the tenants of a single family building, a "Tenant Organization"). Development Owner may qualify for these points by providing the right of first refusal in the following terms.

(A) Upon the earlier to occur of:
   (i) the Development Owner’s determination to sell the Development, or
   (ii) the Development Owner’s request to the Department, pursuant to §42(b)(6)(E)(ii) of the Code, to find a buyer who will purchase the Development pursuant to a "qualified contract" within the meaning of §42(b)(6)(F) of the Code, the Development Owner shall provide a notice of intent to sell the Development ("Notice of Intent") to the Department and to such other parties as the Department may direct at that time. If the Development Owner determines that it will sell the Development at the end of the Compliance Period, the Notice of Intent shall be given no later than two years prior to expiration of the Compliance Period. If the Development Owner determines that it will sell the Development at some point later than the end of the Compliance Period, the Notice of Intent shall be given no later than two years prior to date upon which the Development Owner intends to sell the Development.

   (B) During the two years following the giving of a Notice of Intent, the Sponsor may enter into an agreement to sell the Development only in accordance with a right of first refusal for sale at the Minimum Purchase Price with parties in the following order of priority:
   (i) during the first six-month period after the Notice of Intent, only with a Qualified Nonprofit Organization that is also a community housing development organization, as defined for purposes of the federal HOME Investment Partnerships Program at 24 C.F.R. § 92.1 (a "CHDO") and is approved by the Department;
   (ii) during the second six-month period after the Notice of Intent, only with a Qualified Nonprofit Organization or a Tenant Organization; and
   (iii) during the second year after the Notice of Intent, only with the Department or with a Qualified Nonprofit Organization approved by the Department or a Tenant Organization approved by the Department.

   (iv) If, during such two-year period, the Development Owner shall receive an offer to purchase the Development at the Minimum Purchase Price from one of the organizations designated in clauses (i) through (iii) of this subparagraph (within the period(s) appropriate to such organization), the Development Owner shall sell the Development at the Minimum Purchase Price to such organization. If, during such period, the Development Owner shall receive more than one offer to purchase the Development at the Minimum Purchase Price from one or more of the organizations designated in clauses (i) through (iii) of this subparagraph (within the period(s) appropriate to such organizations), the Development Owner shall sell the Development at the Minimum Purchase Price to whichever of such organizations it shall choose.

   (C) After whichever occurs the later of:
   (i) the end of the Compliance Period; or
   (ii) two years from delivery of a Notice of Intent,
the Development Owner may sell the Development without regard to any right of first refusal established by the LURA if no offer to purchase the Development at or above the Minimum Purchase Price has been made by a Qualified Nonprofit Organization, a Tenant Organization or the Department, or a period of 120 days has expired from the date of acceptance of all such offers as shall have been received without the sale having occurred, provided that the failure(s) to close within any such 120-day period shall not have been caused by the Development Owner or matters related to the title for the Development.

(D) At any time prior to the giving of the Notice of Intent, the Development Owner may enter into an agreement with one or more specific Qualified Nonprofit Organizations and/or Tenant Organizations to provide a right of first refusal to purchase the Development for the Minimum Purchase Price, but any such agreement shall only permit purchase of the Development by such organization in accordance with and subject to the priorities set forth in subparagraph (B) of this paragraph.

(E) The Department shall, at the request of the Development Owner, identify in the LURA a Qualified Nonprofit Organization or Tenant Organization which shall hold a limited priority in exercising a right of first refusal to purchase the Development at the Minimum Purchase Price, in accordance with and subject to the priorities set forth in subparagraph (B) of this paragraph.

(F) The Department shall have the right to enforce the Development Owner's obligation to sell the Development as herein contemplated by obtaining a power-of-attorney from the Development Owner to execute such a sale or by obtaining an order for specific performance of such obligation or by such other means or remedy as shall be, in the Department's discretion, appropriate.

Section 811 Program Participation

Dear Brad:

This letter is to advise that at this time, we are unable to approve participation in the Section 811 program by these partnerships.

The goals of the 811 program are admirable, and we appreciate the efforts of TDHCA to reach people of low and moderate incomes and provide good housing options for these families.

However, after careful consideration, we cannot approve Section 811 units being placed on these properties at this time. The projects are not participating in the program currently, and we cannot allow Section 811 units to be set aside for this purpose. Our investments have multiple limited partner investors whose decisions to participate in LIHTC partnerships was based upon their review and understanding of the specific set aside requirements established at the time of development, and as reflected in the recorded land use restriction agreements.

Thank you for providing information regarding the 811 program. We look forward to continuing to provide quality affordable housing to the residents of these apartment communities under the current set aside requirements at these developments.

Yours Truly,

Rick White  
Director of Asset Management

(v) The General Partner shall not commingle Partnership funds with funds of any other Person or misapply or misappropriate funds of the Partnership, including without limitation by the unauthorized payment of fees or lending of Partnership funds to Affiliates of the General Partner.

(w) The Apartment Complex will be operated in a manner which satisfies the Tax Credit Tests, and any other requirements necessary for the Apartment Complex to initially qualify, and to continue to qualify, for Tax Credits, including all applicable requirements set forth in the Regulatory Agreements.

(x) The General Partner has made (if applicable) and shall make such elections, or refrain from making such elections, with respect to the Tax Credits, as are necessary to achieve and maintain the maximum allowable Tax Credits during the Credit Period to SHF, unless otherwise directed by SHF. Any such elections (including elections made at the direction or with the Consent of SHF) shall not reduce the obligations of the General Partner pursuant to this Agreement.

(y) The General Partner has made the irrevocable election under Section 168(h)(6)(F)(ii) of the Code.
(z) The General Partner has made (if applicable) and shall make such elections, or refrain from making such elections, with respect to the Tax Credits, as are necessary to achieve and maintain the maximum allowable Tax Credits during the Credit Period to SHF, unless otherwise directed by SHF. Any such elections (including elections made at the direction or with the Consent of SHF) shall not reduce the obligations of the General Partner pursuant to this Agreement.

All of the representations, warranties and covenants contained in this Section 4.3 shall survive the date of Stabilization and the funding date of each Capital Contribution made by SHF. The General Partner shall indemnify and hold harmless SHF and the SLP against a breach of any of the foregoing representations, warranties and covenants and any damage, loss or claim caused thereby, including reasonable attorneys' fees and costs and expenses of litigation and collection.

4.4 Joint Representations, Warranties and Covenants Relating to the Apartment Complex and the Partnership. As of the date hereof, the SLP and the General Partner hereby represent, warrant and covenant to the Partnership and to the SHF that:

(a) The SLP has submitted to SHF detailed for-construction plans and specifications for the construction and equipment of the Apartment Complex (including any club houses, pools, tot lots, fitness facilities or other amenities) as stamped by an architect and/or engineer (the "Plans and Specs"). In no event shall the Partnership commence construction without first having obtained the approval of the Term Lender and the Consent of SHF to the Plans and Specs. Neither the SLP nor the General Partner shall agree to any change orders or changes in the Plans and Specs in connection with the construction of the Apartment Complex without the consent of the SHF and the SLP other than (i) an individual change order to the Plans and Specs which involves a budget adjustment of less than $25,000; and (B) more than one change order to the Plans and Specs which involve, in the aggregate, a budget adjustment of less than $100,000 on a net basis; provided, however, that the SLP or General Partner shall notify the SHF of any change order to the Plans and Specs.

(b) The Partnership and LifeNet will enter into a construction contract relating to the construction of the Apartment Complex provided SHF has given its Consent thereto (the "Construction Contract"). In addition, LifeNet will enter into a subcontract with Contractor provided SHF has given its Consent thereto (the "Construction Subcontract"). The Construction Contract obligates LifeNet, and the Construction Subcontract obligates the Contractor, to construct the Apartment Complex in accordance with the Plans and Specs. No fee, rebate, discount or other consideration or fee (including any advisory or consulting fee) shall be paid to the Contractor in its capacity as the Contractor (or LifeNet as the general contractor) for the Apartment Complex (or in connection with the construction thereof) other than the amounts set forth in the Construction Contract or Construction Subcontract. In addition, no fee, rebate, discount or other consideration shall be paid to the Developers, the SLP or the General Partner by the Contractor or LifeNet, except a construction management fee approved by SHF in writing may be paid to SLP or its affiliate by the Contractor. To the extent the costs of off-site improvements are not included as part of depreciable basis of the Apartment Complex and are paid with funds provided by the seller of the Land to the Partnership, such costs shall be paid by the Contractor, General Partner or seller of the Land (and not by the Partnership).
(c) No restrictions on the sale or refinancing of the Apartment Complex, other than the restrictions to be set forth in this Agreement, the Regulatory Agreements and Section 42 of the Code, shall, at any time while SHF is a Limited Partner, be placed upon the sale or refinancing of the Apartment Complex.

(d) Neither the General Partner, SLP nor the Partnership has entered into any other enforceable agreement or commitment with any other equity investor to acquire the Tax Credits, or, in the alternative, the General Partner, SLP and/or the Partnership has obtained legally enforceable releases or termination agreements from all prior potential equity investors ("Potential Investors") with whom the General Partner, SLP and/or the Partnership has previously entered into an agreement whereby said Potential Investors may acquire the Tax Credits. The General Partner and SLP shall at all times indemnify and hold harmless SHF and its Affiliates (the "RSI Entities"), and all past and present officers, directors, managers, employees, partners, agents, shareholders, members, trustees, predecessors, successors, subrogees, attorneys, insurance carriers, and assigns of the RSI Entities (the "RSI Released Parties") against and from any and all claims, suits, actions, damages, costs, judgments and expenses, of any nature whatsoever, suffered or incurred by the RSI Released Parties as a result of the General Partner, SLP and/or the Partnership's prior dealings, negotiations, agreements, and/or commitments with Potential Investors.

(e) The Partnership has no employees and shall have none.

(f) Except as has been disclosed to SHF in writing, (i) no financing has been obtained by the Partnership whereunder Fannie Mae provides any credit support, guarantee, loss sharing arrangement or any other credit support or enhancement, and (ii) no consents of any governmental agencies, including, without limitation, 2530 Department of Housing and Urban Development clearances, are, or shall be required, in connection with the admission of limited partners to SHF.

(g) No financing will be obtained by the Partnership in which Fannie Mae provides any credit support, guarantee, loss sharing arrangement, or any other credit support or enhancement for any bonds providing the financing of the Apartment Complex. The Partnership shall not incur any new secured indebtedness or refinancing of secured indebtedness without the Consent of SHF.

(h) If SHF (or RSI) is requested to provide the following representations and warranties in connection with any direct or indirect transfer of limited partner interests in SHF, then upon the request of SHF or RSI, the General Partner and SLP shall provide to RSI a written certificate stating that the following is true and correct as of the date of such certificate (except as disclosed in such certificate): neither the Partnership, the General Partner nor the Land (A) is subject to investigation, examination or inquiry by any governmental or regulatory agency, (B) is engaged in litigation or a dispute likely to involve litigation or (C) has received notice of any violation of laws, including, without limitation, the Fair Housing Act of 1968) or regulations. After such certificate is requested, if the General Partner or SLP becomes aware of any facts or circumstances that would render the representations and warranties contained in such certificate untrue thereafter in the future, the General Partner and/or SLP shall promptly report such facts and circumstances to SHF in writing. In addition, upon the request of SHF, the SLP and General
Partner shall provide to SHF a written certificate stating that the representations and warranties contained in Section 4.4(f) are true and correct as if made on the date of such certificate.

(i) The General Partner and SLP shall cause the Accountants to certify the Eligible Basis of the Apartment Complex in conjunction with the Partnership's application to the Agency for Forms 8609 and in conjunction with the audited cost certification of Eligible Basis prepared in connection with the making of the Second Additional Capital Contribution.

(j) The General Partner and SLP shall provide to the Accountants and SHF, promptly upon their request, such written documentation as is reasonably requested by the Accountants or SHF in order to verify the determination of Eligible Basis, including documentation supporting the allocation of any costs incurred by the Partnership into the determination of Eligible Basis.

(k) The General Partner and SLP shall execute on behalf of the Partnership all documents necessary to elect, pursuant to Sections 734, 743 and 754 of the Code, to adjust the basis of the Partnership's property upon the request of SHF, if, in the sole opinion of SHF, such election would be advantageous to SHF.

(l) The term of the Extended Use Agreement will not exceed 40 years and under the Extended Use Agreement the Partnership shall have the opportunity to cause a termination of the Extended Use Agreement after the end of the Compliance Period, but prior to the end of such 40 year term, in accordance with Section 42(h)(6)(E)(i) of the Code.

(m) The General Partner shall cause the Partnership to comply in full with all rental restrictions and tenant income limitations and other requirements set forth in any regulatory agreement or other documents executed by the Partnership, including, if applicable, Davis-Bacon Act (40 U.S.C. Sections 276a through 276a-5) compliance requirements and the overtime provisions of the Contract Work Hours and Safety Standards Act (40 U.S.C. Sections 327 through 332).

(n) The Partnership has not made, and neither the SLP nor the General Partner will cause the Partnership to make, an election under Regulations Section 301.7701-(3)(c) to be classified as an association taxable as a corporation.

(o) None of the SLP, the General Partner or the Partnership (i) is in violation of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Public Law 107-56 of the United States of America, as amended from time to time, or the rules and regulations promulgated thereunder from time to time; (ii) is a Person or entity described by section 1 of Executive Order 13224 of September 24, 2001, Blocking Property and Prohibiting Transactions with Persons who Commit, Threaten to Commit, or Support Terrorism, 66 Fed. Reg. 49,079 (2001), and (iii) to the best knowledge and belief of the SLP and the General Partner, none of the SLP, the General Partner or the Partnership engages in any dealings or transactions, or is otherwise associated, with any such Persons or entities.

All of the representations, warranties and covenants contained in this Section 4.4 shall survive the date of Stabilization and the funding date of each Capital Contribution made by
SHF. The General Partner and SLP shall indemnify and hold harmless SHF against a breach of any of the foregoing representations, warranties and covenants and any damage, loss or claim caused thereby, including reasonable attorneys' fees and costs and expenses of litigation and collection.

Article 5
CAPITAL CONTRIBUTIONS, BRIDGE LOAN, PARTNER LOANS

5.1 Capital Contributions.

(a) General Partner and SLP.

(i) Initial Capital Contribution. Each of SLP and the General Partner has made a Capital Contribution to the Partnership of $100. Each of SLP and the General Partner represents that as of the date of this Agreement its Capital Account does not exceed $100.

(ii) SLP and General Partner Special Capital Contribution. If the Partnership has not paid the Development Fee, including the Deferred Development Fee, in full by the first to occur of (A) the tenth anniversary of the date hereof, (B) the date of liquidation of the Partnership, or (C) the date of removal of SLP from the Partnership (the "DDF Outside Date"), then on the DDF Outside Date SLP shall make a Capital Contribution equal to the amount of such outstanding Development Fee payable to Churchill Communities (the "SLP Special Capital Contribution") and the General Partner shall make a Capital Contribution equal to the amount of such outstanding Development Fee payable to LifeNet (the "GP Special Capital Contribution"). The Partnership shall use the proceeds of the SLP Special Capital Contribution to pay such outstanding Development Fee payable to Churchill Communities and shall use the proceeds of the GP Special Capital Contribution to pay such outstanding Development Fee payable to LifeNet.

(b) SHF. Subject to the provisions of this Agreement, including, without limitation, the provisions of Sections 5.1(c) and 6.12 of this Agreement, SHF shall be obligated to make Capital Contributions to the Partnership in installments, as follows:

(i) Initial Capital Contribution. Concurrently with the execution hereof, SHF shall make an Initial Capital Contribution (the "Initial Capital Contribution") in the amount of $154,375. The Initial Capital Contribution shall be used to pay $35,000 of the legal fees of SHF and to pay the fee to SAHP pursuant to Section 5.2(b).

(ii) First Additional Capital Contribution. After satisfaction of all of the conditions set forth below, and review and approval by SHF of the items described below, SHF shall make a Capital Contribution in the amount of $10,624,768 (the "First Additional Capital Contribution"), subject to reduction as provided in Section 5.1(c) of this Agreement:

(A) Partner's Certificate. SHF shall have received a certificate from each of SLP and the General Partner that the representations and warranties of such Partner contained herein are true and accurate as of the date of the proposed First
Additional Capital Contribution and that such Partner and the Partnership are not in default of any of their obligations hereunder and under the Project Documents as of the date of the proposed First Additional Capital Contribution.

(B) **Bridge Loan.** The Partnership shall have paid the Bridge Loan in full or will pay the Bridge Loan in full from the proceeds of and concurrently with the funding of the First Additional Capital Contribution.

(C) **Physical Inspection.** A construction consultant selected by SHF shall have prepared a physical inspection report.

(D) **Completion.** Completion of the Apartment Complex shall have occurred.

(E) **Title Policy.** To the extent available from the jurisdiction in which the Apartment Complex is located, the Title Company shall have issued the following endorsements to the Owner's Title Policy: (1) an endorsement indicating that the Partnership owns fee simple title to the Land; and (2) a "date down" endorsement extending the effective date of the Owner's Title Policy to the date of funding and showing no exceptions to the title other than the Permitted Exceptions, except as shall be acceptable to SHF. If such endorsements are not available in the jurisdiction in which the Apartment Complex is located, SHF shall have received evidence of the matters set forth such endorsements as SHF may reasonably require.

(F) **Survey.** SHF shall have received and approved an updated and re-certified "as-built" ALTA Minimum Standard Detail Requirements for ALTA/ACSM Land Title Survey (established and adopted by ALTA, ACSM and NSPS in 2005), which includes 1 through 4, 6 through 11 and 13 through 16 of Table A thereof, satisfactory to SHF.

(G) **"As-Built" Plans and Specifications.** SHF shall have received a written document executed by SLP, the architect and the Contractor certifying no material change to the approved "for-construction" Plans and Specs.

(H) **Permits, Licenses and Certificates of Occupancy.** SHF shall have received a copy of any permits and licenses which are required for the operation and use of the Apartment Complex and a copy of the final and unconditional certificate or certificates of occupancy, or the equivalent, issued by the appropriate governmental authorities for the Apartment Complex in its entirety.

(I) **Environmental Matters.** SHF shall have received a report in form satisfactory to SHF showing that radon gas is not present in any of the apartment units at a level above the recommended permitted safe level as determined by the Environmental Protection Agency or any other applicable governmental authority. In addition, the General Partner or SLP shall have provided SHF evidence that the construction of the Apartment Complex did not result in the filling or disturbance of any wetlands and that any actions recommended to be taken which were contained in any environmental assessment reports prepared in conjunction with the development of the
Apartment Complex or were contained in any report by the Environmental Consultant have each been appropriately completed in a manner that fully complies with such recommendations and Environmental Laws.

(J) Rent Roll. The General Partner or SLP shall have delivered to SHF a current rent roll for the Apartment Complex certified to SHF by the General Partner (or SLP) and the Property Manager, and in form and substance reasonably satisfactory to SHF, together with copies of all tenant leases, if requested by SHF.

(K) Estoppel Certificates. The General Partner or SLP shall have provided SHF with an estoppel certificate from the Term Lender (other than an Affiliate of RSI) or other evidence satisfactory to SHF that there are no defaults or events which, with notice or the passage of time, or both, would constitute a default under the Term Loan Documents.

(L) Architect's Certificate. The General Partner shall have delivered to SHF an architect's certificate in the form of AIA Form G704.

(M) Payment of Taxes. SHF shall have received satisfactory evidence (which may be included in the endorsements to the Owner's Title Policy described in Section 5.1(b)(ii)(E) of this Agreement) that all real property taxes and assessments for the Apartment Complex due and payable through the date of funding have been timely and fully paid.

(N) Tax Credit Documents. All documents provided to the Agency by the Partnership, SLP or the General Partner or provided by the Agency to the Partnership, SLP or the General Partner relating to the Tax Credits, including without limitation, the Application for Tax Credits, a Low-Income Housing Credit Reservation and a Carryover Allocation Agreement and confirmation that the Carryover Allocation Agreement indicates the Partnership is entitled to Tax Credits from the appropriate state or local Authority in an amount equal to or greater than the Projected Credits.

(O) Other Documentation. SHF shall have received such other documentation as it may reasonably request to verify the accuracy of the representations and warranties and compliance with the covenants, duties and obligations set forth in this Agreement.

(P) Completion of Due Diligence. SHF shall have received and approved any items which were required as a condition to any draw under the Bridge Loan but which SHF deferred until the First Additional Capital Contribution.

The funds contributed as the First Additional Capital Contribution shall be used (1) to repay amounts due under the Bridge Loan, and (2) the balance shall be used to pay a portion of the Development Fee in accordance with the Development Agreement.

(iii) Second Additional Capital Contribution. After satisfaction of the following conditions, SHF shall make a Capital Contribution in the amount of $251,937 (the
“Second Additional Capital Contribution”), subject to reduction as provided in Section 5.1(c) of this Agreement:

(A) Satisfaction of the conditions to funding of SHF's First Additional Capital Contribution;

(B) receipt of any items which were required as a condition to the First Additional Capital Contribution but which SHF deferred until the Second Additional Capital Contribution;

(C) Stabilization (as defined in the deed of trust securing the Term Loan);

(D) receipt of an audited cost certification of Eligible Basis (as defined in Section 42(d) of the Code) for the Apartment Complex prepared by the Accountants and evidence that the application for issuance of Forms 8609 for the entire Apartment Complex has been submitted to the Agency;

(E) receipt by SHF of a copy of an as-recorded Extended Use Agreement;

(F) SHF shall have received satisfactory evidence that the Applicable Fraction (as defined in Section 42(c)(1)(B) of the Code) for the Apartment Complex equals or exceeds forty percent (40%) determined as of the last day of the first year of the Compliance Period.

(G) receipt of a certificate from each of the General Partner and the SLP that (1) the representations, warranties and covenants in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement) made by such Partner continue to be true and accurate through the date of the proposed Second Additional Capital Contribution, and (2) the Partnership and such Partner are not in default of any of their obligations with respect to the Partnership or the Apartment Complex at such time; and

(H) receipt of such other documentation as it may reasonably request to verify the accuracy of the representations and warranties of SLP and the General Partner and compliance with the covenants, duties and obligations of SLP and the General Partner set forth in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement).

The Partnership shall use the Second Additional Capital Contribution to pay a portion of the Development Fee in accordance with the Development Agreement.

(iv) Third Additional Capital Contribution. After satisfaction of the following conditions, SHF shall make a Capital Contribution in the amount of $225,124 (the “Third Additional Capital Contribution”), subject to reduction as provided in Section 5.1(c) of this Agreement:
(A) Satisfaction of the conditions to funding of SHF's Second Additional Capital Contribution;

(B) receipt of any items which were required as a condition to the First Additional Capital Contribution or the Second Additional Capital Contribution but which SHF deferred until the Third Additional Capital Contribution;

(C) since funding of the Second Additional Capital Contribution, the average monthly Debt Service Coverage Ratio, as reasonably approved by SHF, is equal to or greater than 1.10;

(D) SHF shall have received copies of Forms 8609 for the entire Apartment Complex executed by the Agency;

(E) receipt of a certificate from each of SLP and the General Partner that (1) the representations, warranties and covenants in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement) by such Partner continue to be true and accurate through the date of the proposed Third Additional Capital Contribution, and (2) the Partnership and such Partner are not in default of any of their obligations with respect to the Partnership or the Apartment Complex at such time; and

(F) receipt of such other documentation as it may reasonably request to verify the accuracy of the representations and warranties of SLP and the General Partner and compliance with the covenants, duties and obligations of SLP and the General Partner set forth in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement).

The Partnership shall use the Third Additional Capital Contribution to pay a portion of the Development Fee in accordance with the Development Agreement.

(v) Cost Savings. The Accountants shall determine the amount of Cost Savings as of the date of the Second Additional Capital Contribution. Subject to Section 5.1(c)(ii) of this Agreement, if Cost Savings exist, the Partnership shall use Cost Savings as follows: (A) until the Deferred Development Fee has been paid in full, to payment of the Deferred Development Fee, then (B) up to $200,000 (in the aggregate including any payments made from an Upward Adjuster) shall be paid to SLP as a "completion guaranty fee" and then (C) to reduce the balance of the Term Loan.

(vi) Special Additional Capital Contributions. If, in any Fiscal Year, SHF's Capital Account balance may be reduced to or below zero, SHF may, in its sole and absolute discretion, make a special additional Capital Contribution to the Partnership in an amount reasonably required to avoid the reduction of SHF's Capital Account balance to or below zero (a "Special Additional Capital Contribution"). If SHF makes a Special Additional Capital Contribution to the Partnership pursuant to this Section 5.1(b)(vi), SHF shall receive a guaranteed payment pursuant to Section 5.6 of this Agreement for the use of its Special Additional Capital Contribution.
(c) Adjustment to Capital Contributions of SHF. Upon the issuance of Forms 8609, the Accountants shall calculate the Upward Adjustor or the Downward Adjustor, as applicable. If subsequent events result in an increase or decrease in the Late Delivery Adjustment, then the Accountants shall recalculate the Upward Adjustor or the Downward Adjustor, as applicable, and the Partners or the Partnership, as appropriate, shall make payments pursuant to Sections 5.1(c)(i) and 5.1(c)(ii) of this Agreement to reflect such recalculation.

(i) If there is a Downward Adjustor, then the Capital Contributions of SHF shall be immediately reduced by the Downward Adjustor. The Downward Adjustor shall first reduce the First Additional Capital Contribution and then the Second Additional Capital Contribution (if either contribution has not previously been funded), and then to the extent necessary, the Third Additional Capital Contribution. If the Downward Adjustor exceeds the total of all unfunded Capital Contributions (prior to the reduction under this provision), then SLP shall make a payment to the Partnership within seventy-five (75) days after the Accountants deliver to the Partners a written calculation of the Certified Credits equal to the amount of such excess, and the Partnership shall immediately distribute such amount to SHF as a return of its Capital Contributions. Such payment by SLP shall constitute a non-reimbursable funding by it of Excess Development Costs and shall not give rise to any right as a loan or credit as a Capital Contribution which would otherwise result in any increase in the Capital Account of SLP.

(ii) If there is an Upward Adjustor, then the Third Additional Capital Contribution shall be increased by the Upward Adjustor. The Partnership shall use the increase in the Third Additional Capital Contribution (A) first to pay Development Costs (other than Operating Deficits), and (B) then, in the same manner as Cost Savings is used pursuant to Section 5.1(b)(v) of this Agreement.

(iii) The following definitions shall apply for purposes of determining adjustments to Capital Contributions:

"Upward Adjustor" shall mean the following: if there is a Certified Credit Increase, the positive amount, if any, by which the Certified Credit Increase exceeds the Late Delivery Adjustment.

"Downward Adjustor" shall mean the following: (a) if either there is a Certified Credit Decrease or if the Certified Credit Adjustment is zero, then the Certified Credit Decrease plus the Late Delivery Adjustment; or (b) if there is a Certified Credit Increase, the positive amount, if any, by which the Late Delivery Adjustment exceeds the Certified Credit Increase.

"Certified Credit Adjustment" shall equal the product of (a) Certified Credits for the Credit Period (excluding any Tax Credits resulting from an increase in qualified basis under Section 42(f)(3) of the Code), minus $11,937,451, and (b) $0.93. The Certified Credit Adjustment may be a positive or negative number. A positive Certified Credit Adjustment is referred to as a "Certified Credit Increase"; a negative Certified Credit Adjustment is referred to as a "Certified Credit Decrease".
"Late Delivery Adjustment" shall mean the amount, if any, by which $550,000 for Fiscal Year 2009 exceeds Actual Credits for such year and the amount, if any, by which 100% of Certified Credits for Fiscal Year 2010 and each Fiscal Year thereafter prior to issuance of Forms 8609 exceeds Actual Credits for such year.

(iv) The General Partner and SLP shall cause the Accountants to provide to the Partners a calculation of the Certified Credits for each year during the Credit Period based, among other things, on the Forms 8609 issued by the Agency for all the buildings comprising the Apartment Complex and on the cost certification prepared in connection with the application by the Partnership for Forms 8609.

(d) Payment of Legal Fee Amount; Excess Legal Fee Capital Contributions. The Partnership shall pay the legal fees, costs and expenses incurred by SHF in connection with this Agreement, the due diligence activities of SHF and the closing of the transactions described herein ("Legal Fees"). If the Legal Fees exceed $35,000, then SHF shall make a Capital Contribution to fund the amount of such excess. If SHF has funded its Initial Capital Contribution and satisfied its obligation to make any Capital Contribution required of it under this Section 5.1(d), then the Partnership shall pay the Legal Fees either upon execution of this Agreement or within ten (10) days after receipt of invoices, with respect to Legal Fees billed after the execution of this Agreement. SHF's agreement to make a Capital Contribution or Capital Contributions equal to the amount of the excess over $35,000 does not apply to legal fees, costs or expenses incurred by SHF in connection with any subsequent amendments or further transactions relating to the Partnership or the Apartment Complex.

(e) Deposits of Capital Contributions. The cash portion of the Capital Contributions of each Partner shall be deposited at the General Partner's discretion in a segregated checking, savings and/or money market or similar account to be established and maintained in the name of the Partnership or invested in government securities or certificates of deposit issued by any bank. Thereafter, such amounts shall be utilized for the conduct of the Partnership business under this Agreement.

5.2 Bridge Loan.

(a) SHF shall cause a loan to be made to the Partnership (the "Bridge Loan") in the maximum amount of $10,524,768; provided, however, none of the Bridge Loan shall be available for draw prior to the Partnership receiving the proceeds of the Project Loans. The Bridge Loan shall be used to pay for costs of constructing the Apartment Complex.

(b) In consideration of arranging the Bridge Loan, the Partnership shall pay a fee to SAHP in the amount of $119,375.

(c) The Bridge Loan shall be a recourse obligation of the Partnership, advanced in accordance with the procedures set forth in this Section 5.2. The Bridge Loan may be guaranteed by the Bridge Loan Guarantor.

(d) The Bridge Loan shall be made in accordance with the Bridge Loan Note; provided, however, that, notwithstanding the contrary provisions of the Bridge Loan Note, as between SHF and the Partnership, the following terms and provisions shall also apply:
(i) The term and interest rate (which may include a guarantee fee payable to the Bridge Loan Guarantor or its designee and which may be one or a blend of the rate alternatives set forth in the Bridge Loan Note) shall be selected by the Bridge Loan Guarantor or its designee.

(ii) On the due date for any principal installment of the Bridge Loan, the Partnership shall pay to the Facility Account an amount equal to the outstanding principal amount of the Bridge Loan Note due on such date. Payments of principal and interest (as such interest is to be paid pursuant to Section 5.2(d)(iv)) owing on the Bridge Loan shall be made directly to the Facility Account and, from the Facility Account, will be paid to the maker of the Bridge Loan and if necessary, to SHF and/or the Bridge Loan Guarantor or its designee to repay any BL Advances and/or any funds advanced by any of them to the Bridge Loan lender for the account of the Partnership. The Bridge Loan Guarantor or its designee may maintain and invest all funds in the Facility Account without obligation to pay interest on any invested funds. SHF shall cause payments to the Facility Account by the Partnership to be applied against the Bridge Loan Note as and when required by the terms of the Bridge Loan Note.

(iii) The Bridge Loan shall be due on the earlier of the second anniversary of the date hereof or the date on which the First Additional Capital Contribution is made, and may be prepaid at any time without premium or penalty at the option of the Partnership.

(iv) SHF shall fund, or cause to be funded by an Affiliate, Excess Interest before the time at which a default would occur under the Bridge Loan by reason of a failure to pay such Excess Interest. At the option of SHF, such fundings shall constitute either Capital Contributions ("BL Capital Contributions") or loans ("BL Advances"). Any BL Advance shall be a non-recourse loan, collectible only from a BL Capital Contribution. If SHF elects to treat all or a portion of such fundings as BL Advances, then on the date of the funding of the First Additional Capital Contribution, it shall make a BL Capital Contribution to repay the BL Advances (such BL Capital Contribution may be made by SHF's election to convert BL Advances to BL Capital Contributions on a dollar-for-dollar basis). SHF may wire transfer or otherwise fund BL Advances or BL Capital Contributions directly to the Facility Account to facilitate payment of the Bridge Loan.

(e) SHF shall have the right at any time to make or arrange for a substitute, renewal or replacement of a Bridge Loan (a "Replacement Bridge Loan"), provided that such substitution, renewal or replacement does not have a material adverse effect on the General Partner or the Partnership. If SHF arranges for a Replacement Bridge Loan, the General Partner shall cause the Partnership to execute and deliver a replacement of the Bridge Loan Note (a "Replacement Bridge Loan Note") upon request of SHF. Nothing herein shall be construed as authorizing a loan origination fee for such Replacement Bridge Loan. Amounts outstanding under the existing Bridge Loan Note shall be repaid from proceeds of the Replacement Bridge Loan. Upon the making of a Replacement Bridge Loan and the execution of a Replacement Bridge Loan Note, all references in this Agreement to the Bridge Loan and the Bridge Loan Note shall be deemed to be references to the Replacement Bridge Loan and Replacement Bridge Loan Note.
(g) Each advance of proceeds of the Bridge Loan shall be conditioned on neither the Partnership, the General Partner nor the SLP being in default of any of their obligations under this Agreement or any Project Document, and the representations, warranties and covenants of the General Partner and the SLP in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement) being true and accurate.

(h) SHF has designated SAHP as its agent for the purpose of reviewing copies of requests for draws under the Bridge Loan, the Term Loan and Capital Contributions to pay costs of constructing the Apartment Complex ("Draws"). SHF has the right, exercisable from time to time as hereinafter provided, to substitute another person or entity as its agent for such purpose by delivering to the Partnership written notice of the appointment of a successor agent. The agent at any time serving as the agent of SHF hereunder shall hereinafter be called the "Agent."

(i) Draws under the Bridge Loan shall be requested as follows:

(i) Not more than once a month and not less than five (5) Business Days before the date on which the Partnership desires a Draw to be made, the Partnership shall deliver to the Agent the following documents (together, the "Draw Documents"):

(A) an original Contractor's requisition for payment (the "Contractor's Requisition") in a form reasonably satisfactory to the Agent (American Institute of Architects standard form G-722 or G-702/G-703 shall be deemed satisfactory) certified by the architect for actual improvements in place and for materials securely stored on site through the date of that requisition;

(B) an original Schedule of Values showing costs incurred in the various construction and soft cost categories, summarized in a format provided by the Agent, together with copies of invoices or other appropriate backup information required by SHF or the Agent;

(C) a certification from the General Partner that as of the date of the Draw request neither the Partnership nor such Partner is in default of any of their obligations under this Agreement or any Project Document, and the representations, warranties and covenants of such Partner in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement) continue to be true and accurate;

(D) a certification from SLP that as of the date of the Draw request neither the Partnership nor such Partner is in default of any of their obligations under this Agreement or any Project Document, and the representations, warranties and covenants of such Partner in this Agreement (including without limitation in Article 4 and Section 6.17 of this Agreement) continue to be true and accurate;

(E) a copy of the Owner's and Contractor's Affidavit (construction in progress) in the form of Exhibit E, duly executed and acknowledged on behalf of the Contractor, LifeNet and the Partnership;
(F) copies of the partial waiver of liens (subject to retainages) for current invoices and the unconditional waiver of liens for past invoices, of each subcontractor and material supplier, as to all work performed and materials purchased for which the immediately preceding Draw, if any, had been made, in form acceptable to the Title Company, and an accounting prepared by the Contractor of all payments made under the immediately preceding Draw;

(G) with respect to the first Draw made after the pouring of foundations, a foundation survey of the real property (locating the foundations only);

(H) a copy of the project schedule, updated monthly, showing the progress of the work; and

(I) endorsements issued by the Title Company to the Owner's Title Policy which (a) increase the coverage thereunder by the amount of the Draw and (b) report no exceptions for filed mechanics or materialmen's liens or other liens not previously included on the Owner's Title Policy (or if such liens are reported, affirmatively insures the insured thereunder against loss or damage caused by such liens).

In addition, after the initial advance, no advances shall be made under the Bridge Loan until (1) SHF receives and approves items number 1.45, 1.63, site development permit issued by the city in which the Apartment Complex will be located, 2.08 through 2.10, 2.12 and 2.13 of the Due Diligence Checklist attached hereto as Exhibit Q, and (2) a representative of SAHP has attended a buy-out meeting with the Contractor, after approval of the design documents, to ensure adherence to the original approved budget and to review the scope of work for the major subcontractors (collectively, the "Post-Closing Conditions"). In addition, no advances shall be made under the Bridge Loan after the date on which lumber is first delivered to the Land unless SHF has received and approved item number 2.06 of such Due Diligence Checklist. Further, no advances shall be made under the Bridge Loan for purposes of funding costs for any construction that requires building permits until SHF receives and approves items number 1.64, 2.17 and 2.21 of such Due Diligence Checklist. SHF agrees that there shall not be any retainage on draws made under the Bridge Loan to pay general conditions (not contractor profit) of the Contractor.

(ii) The Agent shall have five (5) Business Days after receiving the Draw Documents in which it has the right, exercisable by notice by facsimile transmittal to the Partnership, to object to the Draw on the basis that the Draw Documents are incomplete or inaccurate, or do not otherwise comply with the Project Documents or this Agreement. As soon as practical after receipt of such notice, the Partnership shall complete the Draw Documents, correct all inaccuracies and resubmit the Draw Documents for approval. If the Agent does not object to the Draw Documents within such five-day period, the Draw Documents shall be deemed approved. Review of the Draw Documents may proceed concurrently with review by the lenders under the Project Loans, provided if the Agent requires any corrections, the General Partner shall promptly make such corrections on all Draw Documents being processed by such lenders.

(iii) Within five (5) Business Days after the Agent approves the Draw Documents, SHF shall authorize funding of the Draw by wire transfer to the Partnership.

5.3 Return of Capital Contribution. Except as provided in this Agreement, no Partner shall be entitled to demand or receive the return of its Capital Contribution.

5.4 Legal Opinion. As a condition precedent to SHF's making or causing the Bridge Loan to be made and making the Initial Capital Contribution, SHF shall receive an opinion of counsel with respect to the matters set forth in Exhibit M which shall explicitly state that counsel to RSI may rely upon it.

5.5 Repurchase Obligation.

(a) If (i) all Tax Credit units in the Apartment Complex are not placed in service by December 31, 2009 or (ii) Forms 8609 are not issued by the State Agency by the date necessary to allow the Partnership to claim Tax Credits for the first year of the Credit Period unless caused solely by the delay of the Agency, or (iii) the Partnership fails to meet any Tax Credit Test by the close of the first year of the Credit Period, or (iv) the Partnership's basis in the Apartment Complex for federal income tax purposes, as finally determined by the Accountants or pursuant to an audit by the IRS, as of June 30, 2008, or such other date specified by the Agency is less than ten percent (10%) of the Partnership's reasonably expected basis in the Apartment Complex, as required pursuant to Section 42(h)(1)(E) of the Code, or (v) an Extended Use Agreement is not in effect before the end of the first year of the Credit Period (any of which is a "Repurchase Event"), then SHF, in each case, shall have the right (individually, a "Repurchase Put"), but not the obligation, to require SLP and the General Partner to purchase the Interest of SHF on the terms set forth in this Section 5.5.

(b) The terms of each Repurchase Put shall be as follows: (i) it shall be exercisable until 60 days after the date on which SLP delivers notice to SHF that a Repurchase Event has occurred; (ii) SHF shall exercise the Repurchase Put by giving Notice to SLP and the General Partner; (iii) the closing of the Repurchase Put shall occur on the date sixty (60) days after SHF delivers the Notice of its exercise of the Repurchase Put (the "Repurchase Closing Date"); (iv) at the closing of the Repurchase Put, SLP and the General Partner shall cause the Partnership to pay the Bridge Loan and any LP Loans in full; and (v) on the Repurchase Closing Date, SLP and the General Partner shall make a payment to SHF by wire transfer of immediately available funds in the amount of the sum of its Capital Contributions, and interest on such Capital Contributions at the annual rate of the Prime Rate plus two percent (2%) per annum or ten percent (10%) per annum, whichever is greater, but in no event greater than the highest rate permitted by law; (vi) by the Repurchase Closing Date, SLP and the General Partner shall cause the Partnership to effect the release of any letter of credit, guaranty or collateral which SHF or its Affiliates may have provided to secure obligations of the Partnership and to reimburse SHF and its Affiliates for any loss, damage or liability they may have incurred as a result of providing any such letter of credit, guaranty or collateral; (vii) SLP and the General Partner shall indemnify, defend and hold harmless SHF and its Affiliates from any losses, damages, and/or liabilities, to or as a result of claims to which SHF may be subject as a result of its Interest in the Partnership; and (viii) provided each of SLP and the General Partner shall have satisfied its obligations relating to the Repurchase Obligation, SHF shall execute a document wherein it withdraws from the Partnership and acknowledges that it has no Interest in the Partnership.
5.6 Guaranteed Payments. No later than ninety (90) days after the end of the Fiscal Year, any Partner who has made a Special Additional Capital Contribution shall receive, as a guaranteed payment for the use of its capital, an amount equal to the annual interest earned by the Partnership, on the proceeds of such Special Additional Capital Contributions. The Partnership shall invest the proceeds of such Special Additional Capital Contributions as reasonably directed by the contributing Partner. Both the interest earned on the proceeds of such Special Additional Capital Contributions and any guaranteed payment due to a Partner shall be excluded from Net Cash Flow. Any guaranteed payment which is not paid when due shall remain a liability of the Partnership and shall bear at a rate equal to the lesser of fifteen percent (15%) per year and the highest rate permitted by law.

5.7 Assignment to the Partnership. Each of SLP and the General Partner hereby transfers and assigns to the Partnership all of its right, title and interest in and related to the Apartment Complex, including the following: (a) all contracts with architects, contractors (including the Contractor and all subcontractors) and supervising architects with respect to the development of the Apartment Complex; (b) all plans, specifications and working drawings, heretofore prepared or obtained in connection with the Apartment Complex and all governmental approvals obtained, including planning, zoning and building permits; (c) any and all commitments with respect to the Term Loan and the Tax Credits; (d) any and all rights under and pursuant to the Project Documents; and (e) any other work product related to the Apartment Complex. Each of SLP and the General Partner represent that they have good title to the property transferred and assigned pursuant to this Section 5.7 and have held such title as a nominee of the Partnership as owner of such property. The property transferred and assigned pursuant to this Section 5.7 shall not constitute a Capital Contribution inasmuch as the applicable transferring Partner held such property as nominee of the Partnership.

5.8 Payment of Environmental Assessment Consultant Fees. The Partners acknowledges that, on behalf of SHF, SAHP will retain an environmental consultant (the "Environmental Consultant") to review and give recommendations related to environmental reports that are provided to SHF by the General Partner or SLP (including, but not limited to, Phase I and Phase II environmental assessments, wetlands reports, lead and asbestos reports, abatement reports and other environmental reports required by the Environmental Consultant, to the reasonable satisfaction of the Environmental Consultant) for the Land or the rehabilitation of existing buildings. SHF shall be solely responsible for the payment of the fees of the Environmental Consultant up to a cumulative maximum of $1,000.00. The Partnership shall be solely liable for the payment of fees charged by the Environmental Consultant in excess of $1,000.00, and the Partnership shall pay such fees within thirty (30) days after receipt of invoices.

5.9 Partner Loans.

(a) SLP Loans. SLP shall have the right, but not the obligation, to make loans to the Partnership subject to the conditions and on the terms set forth in this Section 5.9 ("SLP Loans"). SLP Loans shall be on the following terms: (i) the right of SLP to make SLP Loans is subject to the condition that SLP shall not be in default in its obligations under this Agreement (including without limitation its obligations under Section 6.9); (ii) SLP Loans shall be used exclusively to fund Operating Deficits and other reasonable and necessary expenses of the Partnership Agreement
Farmers Branch Senior Community, L.P.
Partnership; (iii) interest shall accrue on the Excess SLP Loan Amount at an annual interest rate of fifteen percent (15%), compounded annually, and on the balance of the SLP Loans at an annual interest rate of ten percent (10%), compounded annually; and (iv) SLP Loans shall be payable solely at the time, and in the manner and order of priority set forth in Sections 9.1, 9.2 and 9.3 of this Agreement. By making a SLP Loan, SLP does not waive, release or modify any claim of, or remedies with respect to a default, if any, by SHF under this Agreement.

(b) LP Loans. SHF, or its designee, shall have the right, but not the obligation, to make loans to the Partnership subject to the conditions and on the terms set forth in this Section 5.9 ("LP Loans"). LP Loans shall be on the following terms: (i) LP Loans shall be used exclusively to fund Operating Deficits and other reasonable and necessary expenses of the Partnership; (ii) interest shall accrue on Default LP Loans at an annual interest rate of eighteen percent (18%) compounded annually; (iii) interest shall accrue on the Excess LP Loan Amount (excluding Default LP Loans) at an annual interest rate of fifteen percent (15%), compounded annually, and on the balance of the LP Loans (excluding Default LP Loans) at an annual interest rate of ten percent (10%), compounded annually; and (iv) LP Loans shall be payable solely at the time, and in the manner and order of priority set forth in Sections 9.1, 9.2 and 9.3 of this Agreement, and Default LP Loans shall also be payable from the proceeds of any payments made by the General Partner or SLP to the Partnership to cure defaults by the General Partner or SLP that gave rise to such Default LP Loans. By making an LP Loan, SHF does not waive, release or modify any claim of, or remedies with respect to a default, if any, by the General Partner or SLP under this Agreement.

(c) Notice of Loans. If either SHF or SLP desires to make a Partner Loan, such Partner (the "Initiating Partner") shall give the other (the "Non-Initiating Partners") and the General Partner Notice of the Initiation Partner's intent to fund a Partner Loan, which Notice shall state the following: (i) the total amount of the Partner Loan proposed to be funded; (ii) the purpose for the proposed Partner Loan; and (iii) the proposed funding date of such Partner Loan, which date (the "Funding Date") shall not be less than fifteen (15) days following the date of such Notice; provided that (A) the notice requirement shall be shortened to the extent necessary to permit a Partner to fund a Partner Loan for the purpose of curing or preventing the occurrence of a default under the Project Loans or under the Project Documents, and (B) if the SLP is in default in its obligations hereunder, SHF may fund a Partner Loan without prior Notice to SLP. The Non-Initiating Partner shall notify the Initiating Partner at least five (5) days prior to the Contribution Date whether and in what amount the Non-Initiating Partner intends to make a Partner Loan to the Partnership, which amount may be up to, but not in excess of, fifty percent (50%) of the total proposed Partner Loan. The Initiating Partner and the Non-Initiating Partners shall each fund the portion of the Partner Loan it agreed to make by the Contribution Date. If a Partner fails to make such Partner Loan to the Partnership on or before the Contribution Date, the Partner who makes such Partner's share of the Partner Loan may, at such Partner's option, advance to the Partnership the amount of the non-lending Partner's share of the Partner Loan. Without limiting the generality of the foregoing, SHF shall have the right to propose and fund a Partner Loan for the purpose of payment of any indebtedness owed to RSI or its Affiliates. No Partner has the right to propose and fund a Partner Loan to fund distributions and/or payments to be made pursuant to Sections 9.1, 9.2 and 9.3 of this Agreement and SLP shall not have the right to propose and fund a Partner Loan to fund any indemnity obligation of the Partnership to SLP.
(d) **Documentation of Partner Loans.** At the request of a Partner, which request may be made quarterly, any Partner Loan shall be evidenced by a non-negotiable promissory note or notes reflecting any such Partner Loans made during or prior to the preceding calendar quarter. Partner Loans shall be an unsecured loan by such Partner and the Partners shall have no recourse to the assets of the General Partner or SLP for the repayment thereof, except SHF shall have recourse to the assets of SLP for repayment of Default LP Loans. Partner Loans shall not be considered Capital Contributions, and shall not increase such lending Partner's Capital Account.

(e) **Usury Savings Clause.** Notwithstanding anything to the contrary herein or in any note evidencing a Partner Loan, in no event shall interest accrue on any Partner Loan at a rate in excess of the highest rate permitted by applicable law.

(f) **Capital Contribution Alternative.** If a Partner that has made or intends to make a Partner Loan (a "Lending Partner") reasonably concludes that the operation of the usury savings clause in Section 5.9(e) of this Agreement will result in a reduction in the interest rate otherwise specified in this Section 5.9(f), or if SHF reasonably concludes that it may now have or sometime in the future likely will have a negative Capital Account, then the Lending Partner may request that its existing or proposed Partner Loans be restructured as Capital Contributions. In such event, all the Partners shall cooperate to negotiate and execute an amendment to this Agreement, which shall include the following terms: (i) each of SHF (or its designee) and the General Partner has the right to make Capital Contributions pursuant to such amendment ("Section 5.9 Capital Contributions") either instead of making LP Loans and SLP Loans, respectively, or to fund the concurrent repayment by the Partnership of LP Loans or SLP Loans, respectively; (ii) with respect to such Section 5.9 Capital Contributions, the Partner(s) making them shall be entitled to receive (A) guaranteed payments or a preferred return in amounts and at times corresponding to interest payments that would have been due had the Section 5.9 Capital Contributions been made as Partner Loans, and (B) distributions as a return of capital in amounts and at times corresponding to principal payments that would have been due had the Section 5.9 Capital Contributions been made as Partner Loans; (iii) Article 9 shall be revised to the maximum extent feasible to provide that such guaranteed payments or a preferred return and return of capital distributions shall have the same amounts, timing, priority of payment and tax consequences as the corresponding payments of Partner Loans would have had; and (iv) the definition of the NCF Percentage shall be revised so that Section 5.9 Capital Contributions shall have the same effect on reductions in the NCF Percentage as Partner Loans. Notwithstanding the foregoing, SHF shall have no obligation to consent to any amendment pursuant to this Section 5.9(f), which it concludes could adversely affect the timing or amount of the allocation to SHF of Tax Credits, losses, income or gains.

**Article 6**

**RIGHTS, OBLIGATIONS AND POWERS OF THE GENERAL PARTNER**

6.1 **Management of the Partnership.** Except as otherwise set forth in this Agreement, the General Partner, within the authority granted to it under this Agreement, shall be responsible for the management of the Partnership's business and shall manage the affairs of the Partnership to the best of its ability and use its best efforts to carry out the purpose of the Partnership. In so
doing, the General Partner shall take all actions necessary or appropriate to protect the interests of SHF and of the Partnership. The General Partner shall devote such time as is necessary to conduct the business of the Partnership.

6.2 Duties and Obligations of the General Partner. The General Partner shall have the following duties and obligations with respect to the Apartment Complex and the Partnership:

(a) While conducting the business of the Partnership, the General Partner shall not act in any manner which it knows or should have known after due inquiry will (i) cause the termination of the Partnership for federal income tax purposes without the Consent of SHF, or (ii) cause the Partnership to be treated for federal income tax purposes as an association taxable as a corporation.

(b) The General Partner shall conduct the affairs of the Partnership with due and reasonable care and prudence, and at all times in the best interest of the Partnership. Specifically, without limitation, the General Partner shall have a fiduciary responsibility for the safekeeping and proper use of all funds and assets of the Apartment Complex, and shall take no action with respect to the business and property of the Partnership which is not reasonably related to the achievement of the purpose of the Partnership.

(c) All of (i) the fixtures, maintenance supplies, tools, equipment and the like now and to be owned by the Partnership or to be appurtenant to, or to be used in the operation of the Apartment Complex, as well as (ii) the Apartment Complex and the rents, revenues and profits earned from the operation of the Apartment Complex, will be free and clear of all security interests and encumbrances except for those created pursuant to the Loan Documents.

(d) The General Partner shall, during and after the period in which it is a Partner, provide the Partnership with such information and sign such documents as are necessary for the Partnership to make timely, accurate and complete submissions of federal and state income tax returns.

(e) The General Partner shall comply and cause the Partnership to comply with the provisions of all applicable governmental requirements and the Project Documents.

(f) The General Partner shall be responsible for the payment or other satisfaction of any fines, penalties or sanctions imposed pursuant to the Project Documents and any documents executed in connection with obtaining Tax Credits (other than with respect to payments of principal or interest under any Project Loan) attributable to any action or inaction of the General Partner or its Affiliates, whether imposed by the Agency or any Project Lender or any other party thereto.

(g) The General Partner shall immediately give Notice to SHF of any written or oral notice of (i) any default or failure of compliance with respect to any Project Loan or Project Document or any other financial, contractual or governmental obligation of the Partnership or the General Partner, or (ii) any IRS proceeding or other governmental investigation regarding the Apartment Complex, the Partnership, the General Partner, the SLP or Guarantor. With respect to any such default, failure to comply, proceeding or investigation, the General Partner shall provide SHF and its agents full access to all related documentation and
written materials, as well as the opportunity to discuss such matters with the individuals that are involved.

(h) [intentionally left blank]

(i) The General Partner shall maintain, at the offices of SLP, for the Partners and the Partnership, books, files and records including tenant leasing files in compliance with the Code, the Regulations and which will adequately document the timing, amount and availability of the Tax Credits. The General Partner shall cause construction related files and files which document the initial qualification of apartment units for Tax Credits to be copied and stored off-site at the SLP's principal place of business or at another location over which the General Partner or SLP has potential control for a period of not less than 21 years; provided, however, that the General Partner may change such location from time to time after ten (10) days prior Notice to SHF and SLP. Within 30 days of the date on which all units in the Apartment Complex have been occupied, the General Partner or SLP shall provide SHF with a copy of all files which document the initial qualification of units for Tax Credits. Within five days' Notice from SHF, the General Partner or SLP shall afford SHF and its agents access to all such files, including files stored off-site during ordinary business hours. All such files are property of the Partnership and not of the General Partner or SLP.

(j) The General Partner shall be solely responsible for the following: (i) analyzing the qualified allocation plan for targeted areas within the State; (ii) identifying potential land sites and analyzing the demographics of potential sites; (iii) analyzing the economy and forecasting future growth potential of the geographic area in which the Apartment Complex is located; (iv) determining the Land's zoning status and possible rezoning strategies (except to the extent that the Developers are responsible for compliance with zoning regulations); (v) contacting local government officials concerning access to utilities, public transportation, impact fees and local ordinances; (vi) performing environmental tests on the Land (except to the extent that the Developers are responsible for such tests on any buildings or Land immediately below the buildings); (vii) negotiating the purchase of the Land and its related financing; (viii) processing necessary documentation with the Agency in connection with Tax Credits; (ix) arranging the permanent financing for the Partnership; and (x) arranging for the admission to the Partnership of SHF. In consideration for its services set forth in this subsection, the General Partner has received its interests in distributions of the Partnership's Net Cash Flow and of the proceeds from sale and liquidation of Partnership property as set forth in Sections 9.1, 9.2, and 9.3 of this Agreement. The General Partner shall not assign or delegate any of these duties to any other Person (including without limitation the Developers).

6.3 **Special Purpose Entity.** The General Partner shall engage in no other business or activity other than that of being the General Partner of the Partnership. The General Partner was formed exclusively for the purpose of acting as the General Partner of the Partnership and has never engaged in any other activity, business or endeavor. As of the date of this Agreement, the General Partner has no liabilities or indebtedness other than its liability for the debts of the Partnership, and the General Partner shall not incur any indebtedness other than its liability for the debts of the Partnership. If the General Partner determines it needs additional funds for any purpose, it shall obtain such funds solely from capital contributions from its members. The General Partner has observed and shall continue to observe all necessary or appropriate entity
formalities in the conduct of its business. The General Partner shall keep its books and records separate and distinct from those of its members and Affiliates. The General Partner shall clearly identify itself as a legal entity separate and distinct from its members and its Affiliates in all dealings with other Persons. The General Partner has been adequately capitalized for the purposes of conducting its business and will not make distributions at a time when it would have unreasonably small capital for the continued conduct of its business.

6.4 Limitations Upon the Authority of the General Partner.

(a) The General Partner shall not have any authority to:

(i) perform any act in violation of any applicable law or regulation thereunder;

(ii) perform any act in violation of the provisions of the Regulatory Agreements, or any other Project Documents;

(iii) do any act required to be approved in writing by SHF under the Act unless the right to do so is expressly otherwise given in this Agreement or unless SHF has provided such approval;

(iv) borrow from, or otherwise misappropriate funds of, the Partnership, commingle Partnership funds with funds of any other Person or use Partnership funds other than for the particular purpose for which such funds were advanced or contributed; or

(v) conduct the business of the Partnership in violation of the Partnership's purposes set forth in Article 3.

(b) The General Partner shall not, without the Consent of SHF and SLP, which Consent may be withheld in SHF's and SLP's sole and absolute discretion, have any authority to:

(i) sell or otherwise dispose of, at any time, any interest in the Apartment Complex or any other material portion of the assets of the Partnership;

(ii) Cause the Partnership to commence a proceeding seeking any decree, relief, order or appointment in respect to the Partnership under the federal bankruptcy laws, as now or hereafter constituted, or under any other federal or state bankruptcy, insolvency or similar law, or the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) for the Partnership or for any substantial part of the Partnership's business or property, or to cause the Partnership to consent to any such decree, relief, order or appointment initiated by any person other than the Partnership;

(iii) borrow on the general credit of the Partnership, except LP Loans, SLP Loans and Operating Deficit Loans, and except as and to the extent provided for in an approved budget pursuant to Section 12.4(a) of this Agreement;
(iv) following Completion, construct any new or replacement capital improvements on the Apartment Complex which substantially alter the Apartment Complex or its use or which are at a cost in excess of $10,000 in a single Fiscal Year, except (a) replacements and remodeling in the ordinary course of business or under emergency conditions, or (b) reconstruction paid with insurance proceeds, or (c) as and to the extent provided for in an approved budget pursuant to Section 12.4(a) of this Agreement;

(v) acquire any real property in addition to the Apartment Complex other than easements reasonable and necessary for the operation of the Apartment Complex;

(vi) take any action requiring the Consent of SHF hereunder without first having obtained such Consent;

(vii) Do any act in contravention of this Agreement;

(viii) Change the nature of the business of the Partnership;

(ix) change the Property Manager other than pursuant to Section 6.16;

(x) cause the Partnership to make any loan or advance to any person (for purposes of this clause (x), accounts receivable in the ordinary course of business from persons other than the General Partner or its Affiliates shall not be deemed to be advances or loans);

(xi) lease any unit in the Apartment Complex or otherwise operate the Apartment Complex in such a manner or take any action which could cause any unit to fail to be treated as a qualified low-income housing unit under Section 42(i)(3) of the Code or which would cause the recapture by the Partnership of any Tax Credit;

(xii) amend any Project Document, or permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, SHF or their Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, the SLP (notwithstanding that the SLP is neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective) (only the consent of the SLP is necessary under this clause);

(xiii) amend any Project Document, or permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, the SLP or their Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, SHF (notwithstanding that SHF is neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective) (only the consent of SHF is necessary under this clause);

(xiv) apply for or accept any grant funds on behalf of the Partnership regardless of the source of the grant;
(xv) pledge or assign any Capital Contribution or the proceeds thereof; or

(xvi) Take any action which would cause the Apartment Complex or any part thereof to be treated as tax exempt use property within the meaning of Section 168(h) of the Code.

6.5 Continued Compliance Sale. Notwithstanding the foregoing, at any time after the fourteenth (14th) anniversary of the first day of the first taxable year of the applicable Compliance Period, SHF (but only with the Consent of SLP, which may not be unreasonably withheld) may request that the Partnership do one of the following (subject to the Extended Use Agreement): (a) sell the Apartment Complex subject to the Extended Use Agreement (a "Continued Compliance Sale"); or (b) request that the Agency arrange for the sale of the Apartment Complex after submission of a Qualified Contract (a "Compliance Termination Sale"). Any sale of the Apartment Complex during the term of the Extended Use Agreement shall be subject to Agency requirements.

(a) A request from SHF for a Continued Compliance Sale ("Continued Compliance Sale Request") shall include the minimum sales price at which the Partnership is to sell the Apartment Complex, and such other terms and conditions for the sale of the Apartment Complex as SHF shall determine in its sole discretion, including, but not limited to a sale subject to or the assumption of any financing secured by the Apartment Complex. Promptly after the receipt by the General Partner and SLP of a Continued Compliance Sale Request, the General Partner and SLP shall cause the Partnership to diligently and continuously market the Apartment Complex, and shall use commercially reasonable efforts to cause the Partnership to sell the Apartment Complex pursuant to a bona-fide purchase agreement with a Person not an Affiliate of any Partner, which Purchase Agreement shall be on terms no less favorable than those set forth in the Continued Compliance Sale Request and shall require that the purchase of the Apartment Complex be subject to the Extended Use Agreement; provided, however, the General Partner or SLP shall be entitled to make an offer to purchase the Apartment Complex. By Notice to the General Partner and SLP, SHF shall have the right to modify the terms of a Continued Compliance Sale Request, including without limitation, the minimum purchase price for the Apartment Complex. If the General Partner or SLP does not cause the sale of the Apartment Complex by the date six (6) months after the date of the Continued Compliance Sale Request, then upon Notice from SHF, SHF may require that the Partnership enter into a "Marketing Agreement" with SHF or an Affiliate of SHF ("Marketing Agent") designated by SHF and/or SHF shall have the right to locate a purchaser for the Apartment Complex. Such Marketing Agreement shall be on the following terms: (A) the Partnership shall authorize the Marketing Agent to perform all acts (excluding repairs or capital improvements of the Apartment Complex) which the Marketing Agent deems reasonable or necessary to cause the sale of the Apartment Complex (either in a single sale or multiple sales) on terms no less favorable to the Partnership than those set forth in the Continued Compliance Sale Request; (B) the Marketing Agent shall have the authority and power on behalf of the Partnership to engage third party brokers, advertise and otherwise market the Apartment Complex, negotiate with prospective buyers of the Apartment Complex, and negotiate and execute purchase agreements and other agreements related to the sale of the Apartment Complex on behalf of the Partnership which provides for a purchase price approved by SHF and which is at least as favorable to the Partnership as the best
offer, if any, located by the General Partner or SLP; (C) the Marketing Agent shall not be entitled to any fee for its services under the Marketing Agreement, but the Partnership shall reimburse the Marketing Agent for any out-of-pocket costs and expenses reasonably incurred by Marketing Agent in connection with the Marketing Agreement; and (D) the Partnership shall cooperate fully with the Marketing Agent in connection with the sale of the Apartment Complex, including without limitation providing information concerning the property and executing and/or ratifying contracts related to the marketing and sale of the Apartment Complex.

(b) After receipt of a request for a Compliance Termination Sale, the General Partner shall make a request to the Agency to obtain a buyer who is willing to acquire and operate the low-income units of the Apartment Complex as a qualified low-income building and who will submit a Qualified Contract for the low-income portion of the Apartment Complex. If the Partnership qualifies to have the Apartment Complex participate in the Qualified Contract procedure and the Agency finds a buyer who will submit a Qualified Contract for the low-income portion of the Apartment Complex, then upon Notice from SHF, the General Partner shall cause the Partnership to execute the Qualified Contract and to perform its obligations thereunder. If, however, the Partnership does not qualify to have the Apartment Complex participate in the Qualified Contract procedure or no Qualified Contract is submitted within one year of the date of the General Partner's request to the Agency, then SHF may send the General Partner a "Compliance Termination Sale Request," which request shall include the minimum sales price at which the Partnership is to sell the Apartment Complex, and such other terms and conditions for the sale of the Apartment Complex as SHF shall determine in its sole discretion, including, but not limited to a sale subject to or the assumption of any financing secured by the Apartment Complex. Promptly after the receipt by the General Partner and SLP of a Compliance Termination Sale Request, the General Partner and SLP shall cause the Partnership to diligently and continuously market the Apartment Complex, and shall use commercially reasonable efforts to cause the Partnership to sell the Apartment Complex pursuant to a bona-fide purchase agreement with a Person not an Affiliate of any Partner, which Purchase Agreement shall be on terms no less favorable than those set forth in the Compliance Termination Sale Request; provided, however, the General Partner or SLP shall be entitled to make an offer to purchase the Apartment Complex. By Notice to the General Partner and SLP, SHF shall have the right to modify the terms of a Compliance Termination Sale Request, including without limitation, the minimum purchase price for the Apartment Complex. If the General Partner does not cause the sale of the Apartment Complex by the date six (6) months after the date of the Compliance Termination Sale Request, then upon Notice from SHF, SHF may require the Partnership to enter into a Marketing Agreement with the Marketing Agent, which Marketing Agreement shall be on the same terms as set forth in Section 6.5(a) of this Agreement, except that references to "Continued Compliance Sale Request" shall be changed to "Compliance Termination Sale Request", and/or SHF shall have a right to locate a purchaser for the Apartment Complex. If the Agency does submit a Qualified Contract during the one year period and the Partnership does not execute such Qualified Contract, then, in addition to its rights under this Section 6.5(b), SHF shall still have the right to submit a Continued Compliance Sale Request pursuant to Section 6.5(a) of this Agreement.

(c) The Partnership shall enter into a right of first refusal with LifeNet which contains the terms set forth in Exhibit N attached hereto and is otherwise satisfactory to the SHF and the SLP (the "Right of First Refusal"), and any sale of the Apartment Complex shall be made.
in accordance with such right of first refusal. The Partnership has additionally entered into an Agreement to the Provision of Right of First Refusal with the Agency (the "Agency RoFR Agreement").

6.6 General Partner or Affiliates Dealing with Partnership. The General Partner or any Affiliates thereof shall have the right to contract or otherwise deal with the Partnership for the sale of goods or services to the Partnership, in addition to those expressly authorized herein, if SHF has given its Consent (which may be withheld in its sole and absolute discretion) to the particular contract or other dealings between the Partnership and the General Partner or its Affiliates. Any contract covering such transactions shall be in writing and shall be terminable without penalty on sixty (60) days Notice. Any payment made to the General Partner or any Affiliate for such goods or services shall be fully disclosed to all Limited Partners in the reports required under Section 12.4 of this Agreement. Neither the General Partner nor any Affiliate shall, by the making of lump sum payments to any other Person for disbursement by such other Person, circumvent the provisions of this Section 6.6.

6.7 Other Activities. This Agreement shall not prohibit (i) any Affiliate of the General Partner or (ii) SLP, from engaging in or possessing interests in other business ventures of every kind and description for their own account, including, without limitation, serving as general partner of other partnerships which own, either directly or through interests in other partnerships, government-assisted housing projects similar to the Apartment Complex. Neither the Partnership nor any of the Partners shall have any rights by virtue of this Agreement in or to such other business ventures or to the income or profits derived therefrom. The General Partner, however, shall be bound by the restrictions set forth in this Agreement, including without limitation Sections 6.3 and 6.4 of this Agreement.

6.8 Liability for Acts and Omissions. The General Partner shall not be liable, responsible or accountable in damages or otherwise to any of the Partners for any act or omission performed or omitted by it in its capacity as General Partner of the Partnership in good faith on behalf of the Partnership and in a manner reasonably believed by it to be within the scope of the authority granted to it by this Agreement and in the best interest of the Partnership, provided that the protection afforded the General Partner pursuant to this Section 6.8 shall not apply in the case of negligence, willful breach, misconduct, fraud or any breach of fiduciary duty by the General Partner. Any loss or damage incurred by any General Partner by reason of any act or omission performed or omitted by it in good faith on behalf of the Partnership and in a manner reasonably believed by it to be within the scope of the authority granted by this Agreement (and otherwise in accordance with this Agreement) and in the best interests of the Partnership (but not, in any event, any loss or damage incurred by the General Partner by reason of negligence, willful breach, misconduct, fraud or any breach of fiduciary duty by the General Partner) shall be paid from Partnership assets to the extent available (but SHF and SLP shall not have any personal liability to the General Partner under any circumstances on account of any such loss or damage incurred by the General Partner or on account of the payment thereof).

6.9 Construction of the Apartment Complex, Construction Cost Overruns, Operating Deficits; Other Guarantees.
(a) **Construction Guaranty.** The SLP and the General Partner unconditionally covenant, guarantee and warrant as follows:

(i) The SLP and the General Partner shall cause Completion to occur not later than the earliest of December 31, 2009, or the date for Completion required in the Project Documents or the date required for the Partnership to qualify for the Tax Credits. In addition, SLP and the General Partner shall cause the Partnership to achieve commencement of substantial construction of the Project no later than December 1, 2008, in accordance with Section 49.14(c) of the 2007 TDHCA Housing Tax Credit Program Qualified Allocation Plan and Rules.

(ii) The SLP and the General Partner shall cause the Partnership to satisfy all construction related requirements in the Loan Documents and this Agreement, including any requirement related to completion of the Apartment Complex, and all requirements for the issuance of all necessary permanent, unconditional certificates of occupancy for the Apartment Complex and any other governmental approvals required to permit occupancy of all of the apartment units in the Apartment Complex.

(iii) The SLP and the General Partner hereby agree to pay all Excess Development Costs and acknowledges the Partnership shall have no obligation to pay any Excess Development Costs. Any amounts paid by the SLP or the General Partner pursuant to this clause (iii) shall not be repaid by the Partnership, nor shall such amounts be considered or treated as Capital Contributions of the SLP or the General Partner to the Partnership, except (A) to the extent the amounts advanced were necessary to cover timing differences between the due date of obligations and the receipt of funds (in which case such advances will be repaid to the SLP or the General Partner, as applicable, when the funds are received) or the amounts advanced were made pursuant to a balancing request (in which case such advances will be returned to the extent not needed to cover the cost overruns or shortfalls for which they were advanced or it is later determined that savings in other areas were sufficient to cover such cost overruns or shortfalls) and (B) if an Excess Development Cost constitutes Eligible Basis necessary to cause the Certified Credits to equal or exceed the Projected Credits, then funds provided by the SLP or the General Partner to pay such cost shall be deemed a Capital Contribution of the SLP or the General Partner, as applicable.

(iv) The SLP and the General Partner shall pay any Excess Development Costs pursuant to Section 6.9(a)(iii) by the earliest of (A) the date required to avoid a default or penalties under Partnership obligations, including without limitation the Term Loan, (B) the date required to keep all sources of funding for the Apartment Complex "in balance," (C) the date required to keep all expenses without a specific maturity date paid on a sixty (60) day current basis, or (D) such earlier date as may be set forth in this Agreement.

(b) **Operating Deficit Guaranty.** If, at any time during the period commencing on the achievement of Stabilization and ending on the third anniversary of the achievement of Stabilization (the "Initial Period"), an Operating Deficit (for purposes of this Section only, Operating Deficits shall be measured based on expenses which are due in the month in question) shall exist, the SLP and the General Partner shall make a loan to the Partnership (an "Operating Deficit Loan") as shall be necessary to pay such Operating Deficit(s); provided, however, that
the SLP and the General Partner shall not be obligated to make Operating Deficit Loans if and to the extent such loan would cause the sum of the then outstanding Operating Deficit Loans to exceed an amount equal to $270,000. Any Operating Deficit Loan shall be on the following terms: (i) it shall be unsecured; (ii) it shall not bear interest; (iii) it shall be repayable solely from Net Cash Flow as set forth in Section 9.1 of this Agreement, and from the proceeds of a Capital Transaction as set forth in Section 9.2 of this Agreement and from the net proceeds resulting from liquidation of the Partnership as set forth in Section 9.3 of this Agreement; and (iv) it shall be fully subordinated to payment of Project Loans, LP Loans, SLP Loans, indebtedness of the Partnership to all Persons other than Partners and to all other amounts which have a payment priority under Sections 9.1, 9.2 and 9.3 of this Agreement. If on or before expiration of the Initial Period, the SLP, the General Partner or any Affiliate of the SLP or the General Partner constructs or participates in a project that is not owned by an entity in which an Affiliate of RSI has an ownership interest (the "New Project") which qualifies for Tax Credits within a one (1) mile radius of the location of the Apartment Complex (the "Radius"), then the obligation of the SLP and the General Partner to make Operating Deficit Loans shall continue until six (6) years from the date the last certificate of occupancy for the New Project is issued by the applicable Authority (the "Issuance Date"). If the SLP, the General Partner or any Affiliate of the SLP or the General Partner constructs or otherwise participates in a New Project within the Radius after the Initial Period, then the SLP and the General Partner shall provide Operating Deficit Loans for a period of six (6) years commencing on the Issuance Date. The SLP and the General Partner shall be required to fund Operating Deficits pursuant to this Section 6.9(b) by the earlier of (A) the date required to avoid a default or penalties under Partnership obligations, including without limitation the Term Loan, and (B) the date required to keep all expenses without a specific maturity date paid on a sixty (60) day current basis.

(c) Guaranty of Bridge Loan. The SLP and the General Partner hereby irrevocably and unconditionally guarantee to SHF and its Affiliates, as applicable, the full and timely repayment of and the performance of all obligations of the Partnership under the Bridge Loan and the Bridge Loan Note, other than the payment of Excess Interest. The SLP and the General Partner shall at all times indemnify, defend and hold harmless SHF and its Affiliates against and from any and all claims, suits, actions, debts, damages, costs, charges, losses, obligations, judgments and expenses, of any nature whatsoever, suffered or incurred by any of them and arising from a breach by the SLP or the General Partner of this subsection.

(d) Tax Credit Compliance Guaranty.

(i) Subject to Section 6.9(d)(iv), the SLP and the General Partner irrevocably and unconditionally guarantee that if there is a Tax Credit Shortfall for any Fiscal Year, then on the first Payment Date following such Fiscal Year the SLP and the General Partner shall pay to SHF the sum of the following amounts: (A) the amount of the Tax Credit Shortfall for the Fiscal Year immediately preceding the Payment Date, (B) all penalties and interest imposed by the Code and assessed against SHF by the IRS with respect to any Tax Credit Shortfall, and (C) an amount sufficient to pay any tax liability owed by SHF resulting from the receipt of the amounts specified in the foregoing clauses (A), (B) and this clause (C) (such calculation to be made assuming SHF is subject to the highest federal and California state rate imposed on corporate taxpayers under the Code and applicable state law for the taxable year of SHF in which such payment is taken into income by SHF) together with interest on such
amounts at the AFR accruing from such Payment Date, compounded annually. Notwithstanding the foregoing, if a foreclosure of the Apartment Complex occurs which is not directly or indirectly a result of a breach by the SLP or the General Partner of any of its obligations hereunder, then the SLP and the General Partner shall not be required to make payments to SHF under this Section 6.9(d)(i) with respect to the Tax Credit Shortfall resulting from such foreclosure.

(ii) Subject to Section 6.9(d)(iv), the SLP and the General Partner irrevocably and unconditionally guarantee that if there is a Tax Credit Loss Event, the SLP and the General Partner shall pay to SHF the sum of the following amounts: (A) the amount of Tax Credits previously allocated to SHF and subsequently disallowed because of such Tax Credit Loss Event; (B) the "credit recapture amount" (as defined in Section 42(j)(2) of the Code) allocated to SHF because of such Tax Credit Loss Event; (C) all penalties and interest imposed by the Code and assessed against SHF by the IRS with respect to such Tax Credit Loss Event; (D) an amount sufficient to pay any tax liability owed by SHF resulting from the receipt of the amounts specified in the foregoing clauses (A), (B), (C), and this clause (D) (such calculation to be made assuming SHF is subject to the highest federal and California state rate imposed on corporate taxpayers under the Code and applicable state law for the taxable year of SHF in which such payment is taken into income by SHF) together with interest on such amounts at the AFR accruing from the date SHF remits funds to a taxing authority with respect to a Tax Credit Loss Event, compounded annually; and (E) if the cause of the Tax Credit Loss Event will in the reasonable determination of SHF decrease the maximum amount of Tax Credits that will be available to the Partnership and allocated to SHF during the remainder of the Credit Period assuming full compliance with Section 42 of the Code, then an amount equal to such decrease. The SLP shall make such payment to SHF within seventy-five (75) days of the Tax Credit Loss Event. Notwithstanding the foregoing, if a foreclosure of the Apartment Complex occurs which is not directly or indirectly a result of a breach by the SLP or the General Partner of any of its obligations hereunder, then the SLP and the General Partner shall not be required to make payments to SHF under this Section 6.9(d)(ii) with respect to such Tax Credit Loss Event.

(iii) If SHF receives a payment under this Section 6.9(d) and the Partnership has appealed the issue giving rise to such payment (but has not caused a stay of enforcement with respect to such payment), and if the Partnership prevails on such appeal based on a final ruling by a federal court of competent jurisdiction, then SHF shall refund the excess payment under this Section which it had received.

(iv) If there is a Tax Law Change, each of the SLP and the General Partner shall use its good faith, reasonable efforts to comply with such Tax Law Change and to avoid a Tax Credit Shortfall or Tax Credit Loss Event based on such Tax Law Change. If despite the SLP's and the General Partner's good faith, reasonable efforts to comply with the Tax Law Change, such Tax Law Change results in a claim under Section 6.9(d)(i) or 6.9(d)(ii) of this Agreement (a "Limited Recourse Liability"), then payment of such Limited Recourse Liability shall be made solely from distributions under Sections 9.1, 9.2 and 9.3 and from the SLP Pledged Payments and GP Pledged Payments and the SLP and the General Partner shall have no personal liability for the payment of such Limited Recourse Liability (unless and to the extent it wrongfully received distributions under Sections 9.1, 9.2 and/or 9.3 or SLP Pledged Payments or
GP Pledged Payments that should have been made to SHF in satisfaction of the Limited Recourse Liability).

(e) [intentionally left blank]

(f) The Term Loan.

(i) The SLP and the General Partner irrevocably and unconditionally guarantee and covenant that the Partnership shall obtain and receive funding of a construction/term loan ("Term Loan"), which converts to a long-term loan upon the satisfaction of the conditions set forth in the Term Loan Documents and which meets the requirements of the Financing Summary attached hereto as Exhibit L, by no later than the third anniversary hereof.

(ii) The SLP and the General Partner shall make a Capital Contribution equal to the amount, if any, of the Term Loan which must be repaid to cause Stabilization to occur which shall be used to make such repayment.

(iii) The General Partner shall not cause or permit the Partnership to amend the Term Loan Documents without the Consent of SHF and SLP. In addition, any replacement or refinancing of the Term Loan shall require the Consent of SHF and SLP, which Consent may be withheld in the sole discretion of SHF and SLP.

(iv) The General Partner and SLP covenant that the Term Loan Documents shall include nonrecourse language that eliminates all personal liability of the Partnership and its Partners for the payment of the Term Loan, excluding only carveouts to the nonrecourse language typically required by institutional lenders based on fraud, misappropriation of funds or other specified "bad acts" of the Partnership or its Partners. In addition, neither the General Partner, SLP nor any of their respective Affiliates shall enter into any guaranty or credit support agreement or provide any letter of credit or other collateral that will cause the Term Loan not to be nonrecourse debt for federal income tax purposes. The General Partner and SLP represents and warrants that the Term Loan shall at all times constitute nonrecourse indebtedness for federal income tax purposes.

(g) Misconduct Indemnity.

(i) The General Partner shall at all times indemnify and hold harmless the Partnership, the SLP and SHF and SHF's Affiliates against and from any and all claims, suits, actions, debts, damages, costs, charges, losses, obligations, judgments and expenses, or orders by a governmental authority, of any nature whatsoever, suffered or incurred by the Partnership, SLP, SHF or SHF's Affiliates arising from or in connection with any of the following (a "GP Misconduct Event"): breach of fiduciary duty by the General Partner, any intentional misstatement in any certificate delivered by the General Partner or any gross negligence, willful breach, intentional misconduct, bad faith, misappropriation of funds or fraud by the General Partner or any Affiliate of the General Partner (including without limitation, LifeNet or the Property Manager, if an Affiliate of the General Partner), or any intentional breach by the General Partner of any representation or warranty contained in this Agreement, any Project Documents or any certification delivered in connection therewith, by the Property Manager.
under the Management Agreement (if an Affiliate of the General Partner) or by LifeNet under the Construction Contract.

(ii) The SLP shall at all times indemnify and hold harmless the Partnership, the General Partner and SHF and SHF's Affiliates against and from any and all claims, suits, actions, debts, damages, costs, charges, losses, obligations, judgments and expenses, or orders by a governmental authority, of any nature whatsoever, suffered or incurred by the Partnership, the General Partner, SHF or SHF's Affiliates arising from or in connection with any of the following (an "SLP Misconduct Event"): breach of fiduciary duty by the SLP, any intentional misstatement in any certificate delivered by the SLP or any gross negligence, willful breach, intentional misconduct, bad faith, misappropriation of funds or fraud by the SLP or any Affiliate of the SLP (including without limitation, Churchill Communities, the Property Manager, if an Affiliate of the SLP, or the Contractor, if an Affiliate of the SLP), or any intentional breach by the SLP of any representation or warranty contained in this Agreement, any Project Documents or any certification delivered in connection therewith, by the Property Manager under the Management Agreement (if an Affiliate of the SLP) or by the Contractor under the Construction Contract (if an Affiliate of the SLP).

6.10 Development Fee. The Partnership has entered into the Development Agreement with the Developers for their services in connection with the development and construction of the Apartment Complex. In consideration for such services, the Partnership shall pay the Developers a Development Fee in the total amount of $1,573,566, in accordance with the terms of the Development Agreement and Article 9 of this Agreement.

6.11 Incentive Partnership Management Fee. The Partnership has entered into the Incentive Partnership Management Agreement with the SLP and the General Partner for services in managing the business of the Partnership. In no event shall the Incentive Partnership Management Fee exceed $200,000 per year. The Incentive Partnership Management Fee shall only be payable pursuant to Section 9.1 of this Agreement and shall not be cumulative.

6.12 Withholding of Fee Payments.

(a) If (i) the General Partner, LifeNet, or any successor General Partner shall not have complied with any provisions under this Agreement, the Development Agreement, the Incentive Partnership Management Agreement or the Construction Contract, as applicable, within thirty (30) days after the date SHF delivers written notice of such noncompliance to the General Partner, or (ii) any holder of any Project Loan shall have declared the Partnership to be in default under the applicable Project Loan after the expiration of all applicable cure periods, if any, as a result of acts or omissions of the General Partner, LifeNet or any Affiliate of any of them, or (iii) foreclosure proceedings shall have been commenced against the Apartment Complex as a result of acts or omissions of the General Partner, LifeNet or any Affiliate of any of them, then the General Partner and LifeNet shall be in default of this Agreement, the Development Agreement, the Incentive Partnership Management Agreement and the Construction Contract, as the case may be, and SHF, at its sole election, may cause the withholding of payment of any Additional Capital Contribution otherwise payable to the Partnership which are to be used to make any payments to the General Partner or LifeNet, and
the Partnership shall withhold payment of any installment of fees payable to the General Partner, Developers and/or LifeNet.

(b) If (i) the SLP, Churchill Communities or the Contractor (if an Affiliate of the SLP), or any successor SLP shall not have complied with any provisions under this Agreement, the Development Agreement, the Incentive Partnership Management Agreement or the Construction Contract, as applicable, within thirty (30) days after the date SHF delivers written notice of such noncompliance to the SLP, or (ii) any holder of any Project Loan shall have declared the Partnership to be in default under the applicable Project Loan after the expiration of all applicable cure periods, if any, as a result of acts or omissions of the SLP, Churchill Communities, the Contractor (if an Affiliate of the SLP) or any Affiliate of them, or (iii) foreclosure proceedings shall have been commenced against the Apartment Complex as a result of acts or omissions of the SLP, Churchill Communities, the Contractor (if an Affiliate of the SLP) or any Affiliate of any of them, then the SLP, Churchill Communities and the Contractor (if an Affiliate of the SLP) shall be in default of this Agreement, the Development Agreement, the Incentive Partnership Management Agreement and the Construction Contract, the case may be, and SHF, at its sole election, may cause the withholding of payment of any Additional Capital Contribution otherwise payable to the Partnership which are to be used to make any payments to the SLP, Churchill Communities or the Contractor (if an Affiliate of the SLP), and the Partnership shall withhold payment of any installment of fees payable to Developers, the SLP, Churchill Communities and/or the Contractor (if an Affiliate of the SLP).

c) All amounts so withheld by the Partnership and/or SHF under this Section 6.12 shall be promptly released to the payees thereof within five (5) days after the General Partner, the SLP, the Developers, the Affiliate and/or the Contractor, as applicable, have cured the default justifying the withholding as demonstrated by evidence reasonably acceptable to SHF.

6.13 Pledged Payments.

(a) To secure the payment and performance of the SLP's obligations under this Agreement and Churchill Communities' obligations under the Development Agreement, the SLP hereby collaterally assigns, pledges and grants a security interest to SHF in all of the SLP's right, title and interest in and to any distributions and payments under this Agreement, including without limitation payments with respect to Operating Deficit Loans and SLP Loans and distributions of Net Cash Flow and proceeds of a Capital Transaction (collectively, the "SLP Pledged Payments"). The SLP irrevocably directs the Partnership to pay to SHF any SLP Pledged Payments at any time that there is an unsatisfied obligation secured by the Pledged Payments. The Partnership and the Partners shall treat any SLP Pledged Payments made by the Partnership to SHF as a payment by the Partnership to the SLP of the particular SLP Pledged Payment and a payment by the SLP to SHF of the particular obligation owed to SHF; without limiting the generality of the foregoing, to the extent a Tax Credit Compliance Guaranty Obligation is paid through the distributions under Article 9, such payment shall be treated as a payment or distribution to the SLP and then a payment of the Tax Credit Compliance Guaranty Obligation by the SLP to SHF. If there is more than one type of outstanding obligation owed at the time an SLP Pledged Payment is made to SHF, SHF in its sole discretion shall decide to
which secured obligation the SLP Pledged Payments shall be applied. This Section 6.13(a) shall constitute a security agreement under applicable law. In addition, the SLP grants SHF a right of offset against SLP Pledged Payments with respect to all amounts due to the SLP under this Agreement.

(b) To secure the payment and performance of the General Partner's obligations under this Agreement and LifeNet's obligations under the Development Agreement, the General Partner hereby collaterally assigns, pledges and grants a security interest to SHF in all of the General Partner's right, title and interest in and to any distributions and payments under this Agreement, including without limitation distributions of Net Cash Flow and proceeds of a Capital Transaction (collectively, the "GP Pledged Payments"). The General Partner irrevocably directs the Partnership to pay to SHF any GP Pledged Payments at any time that there is an unsatisfied obligation secured by the Pledged Payments. The Partnership and the Partners shall treat any GP Pledged Payments made by the Partnership to SHF as a payment by the Partnership to the General Partner of the particular GP Pledged Payment and a payment by the GP to SHF of the particular obligation owed to SHF; without limiting the generality of the foregoing, to the extent a Tax Credit Compliance Guaranty Obligation is paid through the distributions under Article 9, such payment shall be treated as a payment or distribution to the General Partner and then a payment of the Tax Credit Compliance Guaranty Obligation by the GP to SHF. If there is more than one type of outstanding obligation owed at the time a GP Pledged Payment is made to SHF, SHF in its sole discretion shall decide to which secured obligation the GP Pledged Payments shall be applied. This Section 6.13(b) shall constitute a security agreement under applicable law. In addition, the General Partner grants SHF a right of offset against GP Pledged Payments with respect to all amounts due to the General Partner under this Agreement.

6.14 Reserve For Replacements. On the first day of each calendar month commencing after Completion, the Partnership shall fund a Reserve For Replacements (the annual amount of contributions to the Reserve For Replacements shall be funded in twelve (12) equal monthly payments). The Reserve For Replacements shall be funded as follows: (i) from the date of Completion until the date five (5) years after the date of Completion, the Reserve for Replacements shall be funded based on $250 per apartment unit per year; (ii) from the date five (5) years from the date of Completion until the date ten (10) years after the date of Completion, the Reserve For Replacements shall be funded based on $300 per apartment unit per year; and (iii) with respect to each subsequent five (5) year period, the required funding shall be increased by $50 per apartment unit per five-year period, provided that after the tenth (10th) year after the date of Completion the General Partner shall increase the minimum funding of the Reserve For Replacements if reasonably necessary to ensure that such increase is reasonably necessary to comply with sound asset management principles. With the Consent of SHF, the General Partner may make withdrawals from the Reserve For Replacements solely for the purpose of paying the cost of capital items, which shall consist of the acquisition or replacement of property expected to have a useful life of two (2) years or more and the cost of repairs to property that will extend the useful life of such property by two (2) years or more. Examples of such capital items and repairs are outlined in Exhibit K attached hereto. If the Term Loan Documents impose more strict requirements regarding the funding and/or use of Reserve For Replacements, such more strict requirements shall apply.
6.15 Selection of Property Manager; Management Agreement.

(a) The General Partner shall cause the Partnership at all times during which the Partnership owns the Apartment Complex to engage a Property Manager to provide property management services for the Partnership with respect to the Apartment Complex pursuant to a management agreement in the form of Exhibit G attached hereto (the "Management Agreement").

(b) The General Partner and SLP shall at least once each Fiscal Year review the performance of the Property Manager and recommend to SHF in writing whether to continue the Management Agreement with the then current Property Manager or whether to replace such Property Manager. The recommendation of the General Partner and SLP shall be implemented by the Partnership provided that the General Partner has obtained the Consent of SHF, which Consent shall not be unreasonably withheld, except as provided in Section 6.15(c) of this Agreement and subject to SHF’s rights under Section 6.16.

(c) Notwithstanding anything to the contrary herein, no Affiliate of the General Partner shall act as the Property Manager without the prior written Consent of SHF which may be withheld in its sole discretion. SHF hereby consents to Churchill Residential Management, L.P., a Texas limited partnership, an Affiliate of the SLP, as the initial Property Manager. The Consent to the use of an Affiliate Property Manager as to the initial Property Management Agreement or any renewal thereof shall not prevent SHF from withholding its Consent in connection with a periodic performance review pursuant to Section 6.15(b) of this Agreement or from causing the Partnership to remove the Property Manager pursuant to Section 6.16 of this Agreement.

6.16 Removal of the Property Manager. At the request of SHF, the General Partner shall cause the Partnership to terminate the Management Agreement then in place and appoint a replacement Property Manager (for which SHF has given its Consent) and execute a new Management Agreement if any of the following events occur: (a) if the Property Manager becomes Bankrupt; (b) if the Property Manager defaults in its obligations under the Management Agreement and fails to cure such default within any applicable cure period provided therein; (c) if SHF is the holder of any outstanding LP Loans which LP Loans were made during the period that such Property Manager was engaged by the Partnership; (d) if there are any Tax Credit Shortfalls attributable to the Property Manager’s noncompliance with the Tax Credit Tests and the SLP has not made the payment required under Section 6.9(d)(i) with respect to such Tax Credit Shortfall; (e) if the Property Manager is an Affiliate of the SLP and cause for removal of the SLP exists under this Agreement, (f) if the Property Manager is an Affiliate of the General Partner and cause for removal of the General Partner exists under this Agreement, (g) if there is a voluntary or involuntary sale or assignment of a majority of the ownership interests in the Property Manager, and (h) if an Operating Deficit is reasonably anticipated to occur which exceeds the amount of the Operating Deficit Loans which the SLP is obligated to make. The General Partner shall cause such replacement to occur on the date designated by SHF in such written request, which date must be not less than forty-five (45) days from the date of such written request.

6.17 Environmental Matters.
(a) (i) The SLP represents and warrants that it has no knowledge of any deposit, storage, disposal, burial, discharge, spillage, uncontrolled loss, seepage or filtration of any Hazardous Materials at, upon, under or within the Land or any contiguous real estate and (ii) each of the SLP and the General Partner represents and warrants that it has not caused or permitted to occur, and it shall not knowingly permit to exist, any condition which may cause a discharge of any Hazardous Materials at, upon, under or within the Land or on any contiguous real estate.

(b) The General Partner further represents and warrants that (i) neither it nor, to the best of its knowledge, any other party is or will be involved in operations at or, pursuant to the General Partner's best knowledge, near the Land, which operations could lead to (A) a determination of liability under the Environmental Laws as to the Partnership or (B) the creation of a lien on the Land under the Environmental Laws; and (ii) the General Partner has not permitted, and will use best efforts not to permit, any tenant or occupant of the Apartment Complex to engage in any activity that could impose liability under the Environmental Laws on such tenant or occupant, on the Land or on any other owner of the Apartment Complex.

(c) The General Partner shall comply strictly and in all respects with all material requirements of the Environmental Laws.

(d) The SLP shall at all times indemnify and hold harmless the Partnership, SHF and SHF's Affiliates against any claims, actions, damages, costs, losses, obligations, judgments and expenses incurred by them relating to Pre-Existing Environmental Conditions, including (A) costs and expenses related to the removal or abatement of Pre-Existing Environmental Conditions, (B) costs related to claims against the Partnership by third parties for the clean-up of properties owned by such third parties attributable to Pre-Existing Environmental Conditions, (C) costs related to claims against the Partnership by third parties for bodily injury or property damage attributable to Pre-Existing Environmental Conditions and (D) legal defense costs related to the foregoing. Notwithstanding the foregoing, the SLP may cause the Partnership to use Permitted Sources to pay costs and expenses related to the removal or abatement of Pre-Existing Environmental Conditions if and to the extent (i) such use does not violate any of the Project Documents, (ii) such use does not cause the Permitted Sources to be "out-of-balance" as a source of payment for anticipated remaining Development Costs, and (iii) such use does not pay costs and expenses attributable to a breach of laws by the SLP or the General Partner, the negligence of the SLP or the General Partner or the violation of this Agreement by the General Partner or the SLP.

(e) The SLP further represents and warrants that neither it nor, to the best of its knowledge, any other party has been, is or will be involved in operations at or, pursuant to the SLP's best knowledge, near the Land, which operations could lead to (i) a determination of liability under the Environmental Laws as to the Partnership or (ii) the creation of a lien on the Land under the Environmental Laws.

6.18 Tax Matters Partner.

(a) The General Partner hereby is designated as Tax Matters Partner of the Partnership, and shall engage in such undertakings as are required of the Tax Matters Partner of
the Partnership, as provided in regulations pursuant to Section 6231 of the Code. Each Partner, by its execution of this Agreement, Consents to such designation of the Tax Matters Partner and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such Consent.

(b) Notwithstanding any other provision of this Agreement, SHF hereby is granted the authority at any time to be admitted, or to cause an Affiliate of SHF to be admitted, as a General Partner by converting all or any portion of SHF’s limited partnership Interest to a general partnership Interest for the purpose of acting as the Tax Matters Partner. Unless otherwise specifically provided or agreed, the new Tax Matters Partner in these circumstances will not be responsible for or have the right to conduct any operational or managerial functions of the Partnership besides those required to discharge its responsibilities as Tax Matters Partner. SHF may exercise its right to assume or cause an Affiliate to assume the Tax Matters Partner responsibilities for the Partnership, as provided herewith, upon ten (10) days Notice to the then existing General Partner, and may continue as Tax Matters Partner indefinitely. If SHF exercises such right hereunder, the former Tax Matters Partner will resign in accordance with Regulation Section 6231(a)(7)-1(i) and will designate SHF or its Affiliate as Tax Matters Partner in accordance with Regulation Section 301.6231(a)(7)-1(e). Each Partner, by its execution of this Agreement Consents to such admission and designation and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such Consent. SHF or its Affiliate shall, upon admission as the Tax Matters Partner, replace the then existing General Partner as Tax Matters Partner and shall have thereafter all the authority and powers given to the then existing General Partner as Tax Matters Partner of the Partnership under the Code and under this Agreement; provided, however, SHF, or its Affiliate, as Tax Matters Partner, shall not be entitled to settle any claim by the Internal Revenue Service without the consent of SLP, which will not be unreasonably delayed or withheld, if such settlement would result in a Tax Credit Shortfall or Tax Credit Loss Event.

(c) The Tax Matters Partner is hereby authorized, but not required to do the following:

(i) to enter into any settlement with the IRS or the Secretary with respect to any tax audit or judicial review, in which agreement the Tax Matters Partner may expressly state that such agreement shall bind the other Partners, except that such settlement agreement shall not bind any Partner who (within the time prescribed pursuant to the Code and regulations thereunder) files a statement with the Secretary providing that the Tax Matters Partner shall not have the authority to enter into a settlement agreement on behalf of such Partner;

(ii) if a notice of a final administrative adjustment at the Partnership level of any item required to be taken into account by a Partner for tax purposes (a "final adjustment") is mailed to the Tax Matters Partner, to seek judicial review of such final adjustment, including the filing of a petition for readjustment with the Tax Court, the District Court of the United States for the district in which the Partnership's principal place of business is located, or the United States Claims Court;
(iii) to intervene in any action brought by any other Partner for judicial review of a final adjustment;

(iv) to file a request for an administrative adjustment with the IRS at any time and, if any part of such request is not allowed by the IRS, to file a petition for judicial review with respect to such request;

(v) to enter into an agreement with the IRS to extend the period for assessing any tax which is attributable to any item required to be taken into account by a Partner for tax purposes, or an item affected by such item; and

(vi) to take any other action on behalf of the Partners or the Partnership in connection with any administrative or judicial tax proceeding to the extent permitted by applicable law or regulations.

6.19 Expenses of Tax Matters Partner. The Partnership shall indemnify and reimburse the Tax Matters Partner for all reasonable expenses, including legal and accounting fees, claims, liabilities, losses and damages incurred in connection with any administrative or judicial proceeding with respect to Partnership tax matters. The payment of all such expenses shall be made before any distributions are made from Net Cash Flow or from the proceeds of a Capital Transaction or any discretionary reserves are set aside by the General Partner. The General Partner shall have the obligation to provide funds for such purpose to the extent that Partnership funds are not otherwise available therefor. The taking of any action and the incurring of any expense by the Tax Matters Partner in connection with any such proceeding, except to the extent required by law, is a matter in the sole discretion of the Tax Matters Partner and the provisions on limitations of liability of the General Partner and indemnification set forth in Section 6.8 of this Agreement shall be fully applicable to the Tax Matters Partner in its capacity as such.

6.20 Security Agreements and Guarantees.

(a) Concurrently with the execution hereof, Guarantor shall execute the Guaranty.

(b) Concurrently with the execution hereof, Churchill Communities shall execute a security agreement in favor of SHF and in a form satisfactory to SHF pursuant to which Churchill Communities pledges its Development Fee to secure the SLP's obligations hereunder.

(c) Concurrently with the execution hereof, LifeNet shall execute a security agreement in favor of SHF and in a form satisfactory to SHF pursuant to which LifeNet pledges its Development Fee to secure the SLP's and the General Partner's obligations hereunder.

6.21 Duties of SLP. If at any time during the construction or rehabilitation of the Apartment Complex, (i) construction or rehabilitation stops or is suspended for a period of twenty (20) consecutive days, or (ii) construction or rehabilitation has been delayed so that in the reasonable determination of the SLP (A) Completion may not be achieved by the date set forth in the Construction Contract, or (B) the Projected Credits for any year during the Credit Period may
not be achieved, the SLP shall immediately send Notice of such occurrence, together with an explanation of the circumstances surrounding such occurrence, to SHF and the General Partner.

6.22 Additional Loans. SHF acknowledges the General Partner desires to obtain additional grants and/or soft loans for the Partnership to pay certain Development Costs. The Partnership may not, either directly or indirectly through the General Partner or an Affiliate of General Partner, obtain any such grants or soft loans without the Consent of SHF. The proceeds of any grant or soft loan shall be distributed in accordance with Section 9.1.

6.23 Refinancing of Term Loan. SHF may request the Partnership to seek refinancing the Term Loan on terms satisfactory to SHF.

Article 7
RIGHTS AND OBLIGATIONS OF LIMITED PARTNERS

7.1 Limitation on Liability of Limited Partners. Except as may otherwise be provided under applicable law, no Limited Partner shall be bound by, or personally liable for, the expenses, liabilities or obligations of the Partnership; provided, however, nothing contained in this sentence shall limit the obligations of the SLP to the SHF under this Agreement or any agreement executed by the SLP for the benefit of the SHF. No Limited Partner shall have any obligations to make any Capital Contributions other than as required under Article 5 of this Agreement. No Limited Partner shall have any other liability to contribute money to, or in respect of the liabilities or obligations of, the Partnership, nor shall any Limited Partner be personally liable for any obligations of the Partnership; provided, however, nothing contained in this sentence shall limit the obligations of the SLP to the SHF under this Agreement or any agreement executed by the SLP for the benefit of the SHF.

7.2 Other Activities. Any Limited Partner may engage in or possess interests in other business ventures of every kind and description, independently or with others, including without limitation, serving as general or limited partner of other partnerships which own, either directly or through interests in other partnerships, government-assisted housing projects similar to the Apartment Complex. Neither the Partnership nor any of the Partners shall have any right by virtue of this Agreement in or to such other business ventures to the income or profits derived therefrom.

7.3 Insurance Obtained by SHF. SHF and its Affiliates shall have the right, but not the obligation, to obtain one or more policies of insurance related to the Apartment Complex, including, without limitation, policies related to earthquakes, environmental liabilities and acts of war or terrorism (the "LP Policies"); provided, however, that LP Policies shall not include any Forced Place Coverage (as defined in Exhibit H to this Agreement). SHF shall pay all insurance premiums and other costs of obtaining LP Policies without any right of reimbursement from the Partnership, SLP or the General Partner. SHF shall have sole control over the terms of the LP Policies, including choice of insurer, policy limits, risks covered, exclusions from coverage, and the designation of insureds (which designation may or may not include the Partnership). Neither the Partnership, the General Partner nor the SLP shall have any right to approve or to Consent to the terms of any LP Policy. Unless SHF otherwise agrees, in its sole and absolute discretion,
neither the Partnership, the General Partner nor SLP shall have any right to provide notice of a claim under an LP Policy, to submit a claim under an LP Policy, to receive any proceeds of an LP Policy or to make any decisions or elections under an LP Policy. Nothing in this Section shall modify the obligations of the General Partner to cause the Partnership to obtain insurance coverage as provided elsewhere in this Agreement.

Article 8
TRANSFERS OF PARTNER INTERESTS, WITHDRAWAL, ADMISSION OF SUBSTITUTE PARTNERS

8.1 Transfers.

(a) Neither the General Partner nor the SLP may sell, transfer, pledge, hypothecate, assign, encumber or otherwise dispose of (whether voluntarily, involuntarily or by operation of law) all or any part of its Interest as a Partner without the prior Consent of SHF, which Consent may be withheld in its sole and absolute discretion. For purposes of this Section 8.1(a) and without limiting the application of the immediately preceding sentence, the sale, transfer, pledge, hypothecation or assignment of an actual or beneficial interest in or within the General Partner or SLP or any entity with a direct or indirect ownership interest in the General Partner or SLP shall be deemed to constitute an event that is in violation of this Section 8.1(a). Notwithstanding the foregoing, Brad Forslund ("Forslund") and J. Anthony Sisk ("Sisk") may transfer their respective interest in the SLP between each of them or to a trust for the benefit of either of them, their spouses or their children, provided that either Forslund or Sisk have sole voting power with respect to the interests in the SLP.

(b) Upon the occurrence of an event that is a violation of Section 8.1(a) of this Agreement or that is a withdrawal of the General Partner or the SLP in violation of Section 8.2 of this Agreement, the applicable Partner shall be deemed immediately prior to such event to have assigned to SHF its Interest as a Partner.

(c) No Limited Partner may sell, transfer, pledge hypothecate or assign all or any part of its Interest as Limited Partner without the prior Consent of the General Partner, which Consent may be withheld in its sole and absolute discretion. SHF may not sell, transfer, pledge hypothecate or assign all or any part of its Interest as Limited Partner without the prior Consent of the SLP, which Consent may be withheld in its sole and absolute discretion. Nothing in this Section 8.1(c) shall limit the authority of the partners in SHF to sell, transfer, pledge, hypothecate or assign interests within SHF, in the sole discretion of SHF and its partners.

(d) Except as provided in this Article and as required by operation of law, the Partnership shall not be obligated for any purpose whatsoever to recognize the assignment by any Partner of its Interest until the evidence of such transfer is delivered to the other Partners.

(e) Any Person who is the assignee of all or any portion of a Limited Partner's Interest, but does not become a Substitute LP, and who desires to make a further assignment of such Interest, shall be subject to all the provisions of this Section 8.1 to the same extent and in the same manner as any Limited Partner desiring to make an assignment of its Interest.
(f) If the General Partner or SLP becomes the subject of Bankruptcy proceedings pursuant to the Bankruptcy Code, then (i) any other Partner shall thereupon be entitled to immediate relief from any automatic stay imposed by Section 362 of the Bankruptcy Code or otherwise, on or against the exercise of the rights and remedies available to such Partner pursuant to this Agreement or otherwise, and (ii) any Partner may apply or move the bankruptcy court in which the Bankruptcy proceedings are pending for a change of venue to the bankruptcy court where the Partnership has its principal place of business and the General Partner and SLP agree not to oppose or object to such application or motion in any way. The foregoing shall in no way preclude, restrict or prevent the General Partner or SLP from filing for protection under the Bankruptcy Code.

(g) This is an agreement under which applicable law excuses SHF from accepting performance from any Partner which is a debtor in a case under the Bankruptcy Code, from a trustee of any such debtor and from the assignee of any such debtor or trustee. SHF has entered into this Agreement with each of the General Partner and SLP in reliance upon its unique knowledge, experience and expertise, and that of its principals in the planning and implementation of the development of the Apartment Complex and in the area of affordable housing and development in general. The foregoing restriction on transfer is based in part on the above factors. The General Partner expressly agrees that SHF shall not be required to accept performance under this Agreement from any person other than the General Partner, including, without limitation, any trustee of the General Partner appointed under the Bankruptcy Code, and any assignee of any such trustee. The SLP expressly agrees that SHF shall not be required to accept performance under this Agreement from any person other than the SLP, including, without limitation, any trustee of the SLP appointed under the Bankruptcy Code, and any assignee of any such trustee.

8.2 Withdrawal. Neither the SLP nor the General Partner may withdraw from the Partnership without the prior Consent of SHF, which Consent may be withheld in its sole and absolute discretion.

8.3 [Intentionally Left Blank].

8.4 [Intentionally Left Blank].

8.5 Admission of an Additional Limited Partner Following Dilution. After the Greatest Excess LP Loan Amount at any time exceeds $50,000, notwithstanding anything to the contrary herein, SHF shall have the right, power and authority to cause one or more entities to be admitted as an additional Limited Partner, provided that the Interest in the Partnership of such additional Limited Partner is derived from the Interest in the Partnership of SHF (after taking into consideration the effect of the Greatest Excess LP Loan Amount exceeding $50,000 on the Interests of all the Partners).

8.6 Removal/Withdrawal.

(a) The General Partner may be removed and cease to be the General Partner of the Partnership only upon the following events (an event set forth in Section 8.6 shall not be grounds for removal of the General Partner):
Upon the affirmative vote or written consent of SHF to remove the General Partner, specifying one of the following causes (unless the breach, default or other removal event is cured within thirty (30) days after written notice specifying the breach, default or removal event is delivered to the General Partner by SHF or if such breach, default or other removal event is not susceptible to cure within such 30 day period, the General Partner has commenced to cure such breach, default or other removal event within such 30 day period, the General Partner continues to take action to cure such breach, default or other removal event after such 30 day period and such cure is effected no later than 90 days after written notice specifying the breach, default or removal event is delivered to the General Partner by SHF; provided, however, there shall be no cure period for fraud or misappropriation of funds):

(A) any intentional misconduct or failure to exercise reasonable care with respect to any material matter in the discharge of its duties and obligations as the General Partner (provided that such violation has resulted in, or is likely to result in, a material detriment to or an impairment of the Apartment Complex or assets of the Partnership) (removal under this clause (A) shall be permitted even if the General Partner satisfies its indemnity obligations under Section 6.9 hereof);

(B) the General Partner or the Partnership shall have violated any provisions of law or any Project Document or any provisions of the Project Lenders, and/or Agency requirements applicable to the Apartment Complex, which violation has not been explicitly waived in writing by the Project Lenders, the Agency or the other party to such Project Document, as applicable (provided that such violation has resulted in, or is likely to result in, a material detriment to or an impairment of the Apartment Complex or assets of the Partnership);

(C) the General Partner shall have breached any of its representations or warranties in any material respect or shall have breached any material provision of this Agreement; or

(D) a GP Misconduct Event has occurred which is not cured within 30 days of Notice of the Misconduct Event (except there shall be no cure period for fraud or misappropriation of funds).

(2) Upon a default by the Partnership under any of the Project Loans due to the acts or omissions of the General Partner or any Affiliate thereof, which default remains uncured after the expiration of any applicable cure period.

(3) Upon the Bankruptcy of the General Partner; or

(4) If an event occurs prior to Stabilization which shall be cause for removal of the general partner, manager or managing member of any GP Affiliated Entity and such removal has not been cured within the cure period, if any, set forth in the partnership or operating agreement for the applicable Affiliated Entity.
(b) The SLP may be removed and cease to be the SLP of the Partnership only upon the following events:

(1) Upon the affirmative vote or written consent of SHF to remove the SLP, specifying one of the following causes (unless the breach, default or other removal event is cured within thirty (30) days after written notice specifying the breach, default or removal event is delivered to the SLP by SHF or if such breach, default or other removal event is not susceptible to cure within such 30 day period, the SLP has commenced to cure such breach, default or other removal event within such 30 day period, the SLP continues to take action to cure such breach, default or other removal event after such 30 day period and such cure is effected no later than 90 days after written notice specifying the breach, default or removal event is delivered to the SLP by SHF; provided, however, there shall be no cure period for fraud or misappropriation of funds):

(A) any intentional misconduct or failure to exercise reasonable care with respect to any material matter in the discharge of its duties and obligations as the SLP (provided that such violation has resulted in, or is likely to result in, a material detriment to or an impairment of the Apartment Complex or assets of the Partnership) (removal under this clause (A) shall be permitted even if the SLP satisfies its indemnity obligations under Section 6.9 hereof);

(B) the SLP or the Partnership shall have violated any provisions of law or any Project Document or any provisions of the Project Lenders, and/or Agency requirements applicable to the Apartment Complex, which violation has not been explicitly waived in writing by the Project Lenders, the Agency or the other party to such Project Document, as applicable (provided that such violation has resulted in, or is likely to result in, a material detriment to or an impairment of the Apartment Complex or assets of the Partnership);

(C) the SLP shall have breached any of its representations or warranties in any material respect or shall have breached any material provision of this Agreement (including, without limitation, its obligations under Sections 5.1(a)(ii), 5.1(c), 6.9 and 6.17); or

(D) an SLP Misconduct Event has occurred which is not cured within 30 days of Notice of the Misconduct Event (except there shall be no cure period for fraud or misappropriation of funds).

(2) Upon a default by the Partnership under any of the Project Loans due to the acts or omissions of the SLP or any Affiliate thereof, which default remains uncured after the expiration of any applicable cure period.

(3) Upon the Bankruptcy of the SLP or Guarantor; or

(4) The Guarantor attempts to revoke or repudiate the Guaranty or a default by the Guarantor occurs under the Guaranty.
(c) Notice of the removal of the General Partner or SLP shall be given by SHF to the General Partner. Such Notice shall set forth the date on which the removal is to become effective, which date shall not be less than thirty (30) days after such notice is delivered. This Notice may be the same as the notice of a breach delivered pursuant to Section 8.6(a)(1) or (b)(1); provided, however, in such case the removal shall not be effective until the cure period specified in Section 8.6(a)(1) or (b)(1), as the case may be, expires without cure of the applicable default or breach. On the effective date set forth in such Notice with respect to the General Partner, the General Partner shall cease to be a general partner of the Partnership and the powers and authorities conferred on the General Partner hereunder or under applicable law for general partners of limited partnerships shall cease. On the effective date set forth in such Notice with respect to the SLP, the SLP shall cease to be a limited partner of the Partnership and the powers and authorities conferred on the SLP hereunder or under applicable law for limited partners of limited partnerships shall cease.

(d) In the event of the removal of the General Partner pursuant to this Section 8.6 or withdrawal of the General Partner, (i) the General Partner shall cease to have any Interest in the Partnership, (ii) the General Partner shall not be entitled to any distributions or allocations from the Partnership, and (iii) the General Partner shall not be entitled to any payments of any fees, including the Incentive Partnership Management Fee, relating to the period of time after the date of its removal. Such General Partner shall be entitled, however, to receive repayment of any GP Loans in the time and manner specified in this Agreement.

(e) In the event of the removal of the SLP pursuant to this Section 8.6 or withdrawal of the SLP, (i) the SLP shall cease to have any Interest in the Partnership, (ii) the SLP shall not be entitled to any distributions or allocations from the Partnership, (iii) the SLP shall not be entitled to any repayment of Operating Deficit Loans, and (iv) the SLP shall not be entitled to any payments of any fees, including the Incentive Partnership Management Fee, relating to the period of time after the date of its removal. Such SLP shall be entitled, however, to receive repayment of any SLP Loans in the time and manner specified in this Agreement.

(f) The General Partner shall cooperate reasonably and in good faith in effecting the orderly and efficient transition after its removal or withdrawal, including providing the substitute general partner with all books, accounts and property of the Partnership in the possession or control of the General Partner.

(g) Any reduction in the Interest of the General Partner or SLP in connection with a removal thereof shall be payable to SHF or its designee.

(h) The removal or withdrawal of the General Partner shall not affect its duties, obligations and liabilities hereunder, except that (i) the General Partner shall not be liable for any liabilities and obligations directly arising from the negligence, intentional misconduct or breach of this Agreement by any substitute general partner, and (ii) the General Partner shall not have an obligation to manage the affairs of the Partnership Agreement
Farmers Branch Senior Community, L.P.
Partnership. Without limiting the generality of the foregoing, after removal, the General Partner shall remain obligated as provided in Section 6.9 of this Agreement.

(i) The removal or withdrawal of the SLP shall not affect its duties, obligations and liabilities hereunder, except that the SLP shall not be liable for any liabilities and obligations directly arising from the negligence, intentional misconduct or breach of this Agreement by any substitute special limited partner. Without limiting the generality of the foregoing, after removal, the General Partner shall remain obligated as provided in Section 6.9 of this Agreement.

(j) The General Partner and SLP shall cooperate reasonably and in good faith to obtain any Consents, which SHF deems necessary or appropriate to further document or evidence the removal of the General Partner or SLP and the admission of any substitute general partner, including, but not limited to, any Consents required by the Agency, any Project Lender or any party providing credit enhancement in connection with a Project Loan.

(k) The General Partner and SLP shall execute such additional documents and instruments as SHF may reasonably request to effect, document, evidence and consummate the withdrawal of the General Partner or SLP pursuant to this Section 8.6. Each of the General Partner and SLP hereby grants to each of RSI, and Howard Heitner and Michael L. Fowler, as authorized agent and Vice President of RSI, respectively, a power-of-attorney to execute such documents on behalf of the General Partner or the SLP, as appropriate; provided, however, that such persons shall not exercise such power-of-attorney if the General Partner or SLP, as the case may be, is contesting the removal in good faith and unless and until it has submitted the requested documents to the General Partner or SLP, and the General Partner or SLP has failed to execute such documents within three days of its receipt of such documents. The foregoing powers-of-attorney are irrevocable and coupled with an interest.

(l) SHF's right of removal under this Section 8.6 is cumulative with all of its other rights and remedies under this Agreement.

8.7 Admission of Additional or Substitute Partners.

(a) Except as provided in Sections 6.18, 8.1, 8.4 and 8.5 of this Agreement, the admission of an additional General Partner or additional Limited Partner shall require the Consent of the Partners (which may be granted or withheld in their sole and absolute discretion).

(b) Subject to the other provisions of this Section 8.7, an assignee of the Interest of a Limited Partner shall be admitted as a substitute limited partner ("Substitute LP") of the Partnership only upon the satisfactory completion of the following:

(i) the assignee has accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart thereof or an appropriate amendment hereto, and such other documents or instruments as the General Partner may reasonably require in order to effect the admission of such Person as a Limited Partner;
(ii) the assignee has provided the General Partner with evidence reasonably satisfactory to Counsel for the Partnership of its authority to become a Limited Partner under the terms and provisions of this Agreement; and

(iii) the assignee or the assignor has reimbursed the Partnership for all reasonable expenses, including all reasonable legal fees and recording charges, incurred by the Partnership in connection with such assignment.

(c) For the purpose of allocation of profits, losses and credits, and for the purpose of distributing cash of the Partnership, a Substitute LP shall be treated as having become, and as appearing in the records of the Partnership as, a Partner upon its signing of an amendment to this Agreement agreeing to be bound hereby.

(d) The General Partner shall cooperate with the Person seeking to become a Substitute LP by preparing the documentation required by this Section and making all official filings and publications. The Partnership shall take all such action, including the filing, if required, of any amended Agreement and/or Certificate evidencing the admission of any Person as a Limited Partner, and the making of any other official filings and publications, as promptly as practicable after the satisfaction by the assignee of the Interest of a Limited Partner of the conditions contained in this Section 8.7 to the admission of such Person as a Limited Partner of the Partnership. Any cost or expense incurred in connection with such admission shall be borne by the Substitute LP.

Article 9

(a) Net Cash Flow shall be applied and/or distributed on each Payment Date in the following priority:

The proceeds resulting from a Capital Transaction (other than a sale or other disposition of the property of the Partnership in connection with a liquidation and dissolution of the Partnership which is governed by Section 9.3 of this Agreement) shall be used and applied in the following order of priority:

(a) to the payment of all matured debts and liabilities of the Partnership (including any Project Loan) and all expenses of the Partnership incident to any such sale or refinancing), but excluding unsecured debts and liabilities of the Partnership to the Partners or former Partners and the Asset Management Fee and Deferred Development Fee;

(e) thereafter, to the Partners in the following percentages: (i) the NCF Percentage shall be divided 12.5% to the General Partner and 87.5% to SLP as a distribution; and (ii) the remainder to SHF as a distribution.

66 Partnership Agreement
Farmers Branch Senior Community, L.P.
9.3 Distribution Upon Liquidation. The net proceeds resulting from the liquidation of the Partnership shall be used and applied in the following order of priority:

(a) to the payment of all debts and liabilities of the Partnership (including any Project Loans) and all expenses of the Partnership incident to any such dissolution and liquidation, but excluding unsecured debts and liabilities of the Partnership to the Partners or former Partners and the Asset Management Fee and Deferred Development Fee;

(b) to the setting up of any reserves which the Liquidator deems reasonably necessary for contingent, unmatured or unforeseen liabilities or obligations of the Partnership;

(e) thereafter, to the Partners in accordance with the Partners' respective positive Capital Account balances as determined by taking into account all Capital Account adjustments required by Exhibit I and otherwise required by this Agreement.

9.4 Project Documents. Notwithstanding the foregoing, the General Partner shall not cause or permit the Partnership to fund a distribution or payment pursuant to this Article 9 if such distribution or payment would constitute a default under any Project Document.

Article 10
ALLOCATION PROVISIONS, CAPITAL ACCOUNTS

Exhibit I attached hereto provides for the maintenance of Capital Accounts and the allocation of profits and losses of the Partnership. Each and all of the provisions of Exhibit I are made a part hereof, are incorporated herein and shall constitute a part of this Agreement.

Article 11
DISSOLUTION AND LIQUIDATION

11.1 General. The Partnership shall be dissolved upon the earlier of the expiration of the term of the Partnership, or upon:
(a) the withdrawal, Bankruptcy, death, dissolution or adjudication of incompetency of the General Partner who is at that time the sole General Partner, subject to the provisions of Section 8.3 of this Agreement, unless SHF within ninety (90) days after the occurrence of such event, elects a successor General Partner and elects to continue the business of the Partnership;

(b) the sale or other disposition of all or substantially all of the assets of the Partnership;

(c) the election by the General Partner, with the Consent of SHF and SLP; or

(d) any other event causing the dissolution of the Partnership under the Act and which under the terms of the Act cannot be waived in a written partnership agreement.

11.2 Winding Up of Partnership. Upon the dissolution of the Partnership pursuant to this Article 11, (i) a Certificate of Cancellation shall be filed in such offices within the State as may be required or appropriate, and (ii) the Partnership business shall be wound up and its assets liquidated as provided in this Article 11. The Liquidator shall file all certificates and notices of the dissolution of the Partnership required by law. The Liquidator shall proceed without any unnecessary delay to sell and otherwise liquidate the Partnership's property and assets; provided, however, that if the Liquidator shall determine that an immediate sale of part or all of the Partnership property would cause undue loss to the Partners, then in order to avoid such loss, the Liquidator may, except to the extent provided by the Act, defer the liquidation as may be necessary to satisfy the debts and liabilities of the Partnership to Persons other than the Partners. The net proceeds resulting from such liquidation shall be distributed and applied pursuant to Section 9.3 of this Agreement. Upon the complete liquidation and distribution of the Partnership assets, the Partners shall cease to be Partners of the Partnership, and the Liquidator shall execute, acknowledge and cause to be filed all certificates and notices required by the law to terminate the Partnership.

11.3 Accountant's Statement. Upon the dissolution and liquidation of the Partnership pursuant to this Section, the Accountants shall promptly prepare, and the Liquidator shall furnish to each Partner, a statement setting forth the assets and liabilities of the Partnership upon its dissolution. Promptly following the complete liquidation and distribution of the Partnership property and assets, the Accountants shall prepare, and the Liquidator shall furnish to each Partner, a statement showing the manner in which the Partnership assets were liquidated and distributed.

Article 12
BOOKS AND RECORDS, ACCOUNTING, TAX ELECTIONS

12.1 Books and Records. The books and records of the Partnership shall be maintained on an accrual basis in accordance with sound federal income tax accounting principles. These and all other records of the Partnership, including information relating to the status of the Apartment Complex and information with respect to the sale by the General Partner or any Affiliate of goods or services to the Partnership, shall be kept at the principal office of the Partnership (or the SLP) and shall be available for examination there by any Partner, or its duly
authorized representative, at any and all reasonable times. SHF shall have the right, at any and all reasonable times, to review and copy, at SHF’s expense, the books, records and accounts (including bank account records and ledgers) of the Partnership, the General Partner, the SLP, the Developers or any Affiliate of the General Partner or the SLP providing materials and or services to the Partnership to the extent that such books, records and accounts relate to the Partnership, the Land and the Apartment Complex, but not otherwise. Any such review shall be conducted during normal business hours at the General Partner’s or SLP’s principal place of business by the Person chosen by SHF, in its sole and absolute discretion. If SHF determines there are material misstatements in the applicable books and records, the party whose books and records are inaccurate shall (a) correct such misstatements at such party's expense (from non-Partnership funds) and (b) immediately return all unauthorized distributions, overcharges and payments to the Partnership. Such return of funds shall not be treated as either a loan or a Capital Contribution to the Partnership. The General Partner and SLP shall cooperate with SHF reasonably and in good faith to implement the terms of this Section 12.1. Any Partner, or its duly authorized representative, upon paying the costs of collection, duplication and mailing, shall be entitled to a copy of the list of names and addresses of all Partners and a copy of all Partnership, SLP and General Partner records.

12.2 Bank Accounts. All funds of the Partnership not otherwise invested shall be deposited in one or more accounts maintained in such banking institutions as the General Partner shall determine, and withdrawals shall be made only in the regular course of Partnership business only and for the benefit of the Partnership on such signature or signatures as the General Partner may, from time to time, determine. No funds of the Partnership shall be deposited in any financial institution in which any Partner is an officer, director or holder of any proprietary interest.

12.3 Tax Returns.

(a) The General Partner shall select a firm of certified public accountants to prepare the Partnership income tax returns. The General Partner may select any of the following as the accountants for the Partnership: KPMG Peat Marwick, Novogradac & Company, Reznick Group, P.C., or such other firm of independent certified public accountants as may be engaged by the General Partner with the Consent of SHF. If the reporting requirements set forth in Section 12.4 of this Agreement are not met, SHF, in its reasonable discretion, may direct the General Partner to dismiss the Accountants, and to designate successor Accountants, subject to the Consent of SHF; provided, however, that if the General Partner and SHF cannot agree on the designation of successor Accountants, the successor Accountants shall be designated by SHF in its reasonable discretion, and the fees of such successor Accountants shall be paid by the Partnership.

(b) With respect to each Fiscal Year during the Partnership's operations, at such time as the Accountants have prepared the proposed tax return for such year, the Accountants shall provide copies of such proposed tax return to SHF for its review and comment. Any changes in such proposed tax return reasonably recommended by SHF's accountants shall be made by the Accountants prior to the completion of such tax return for execution by the General Partner.
12.4 Reports to Partners.

(a) Not less than seventy-five (75) days prior to the commencement of each Fiscal Year, the General Partner and the SLP shall submit to SHF for its review and Consent (which Consent shall not be unreasonably withheld), proposed operating and capital budgets for the Apartment Complex and the Partnership for the next Fiscal Year. Such budgets shall specifically list all budgeted expenses in all major categories including, but not limited to, administration, operation, repairs and maintenance, utilities, taxes, insurance, interest, debt service with respect to any Project Loan, capital improvements, and all budgeted expenses which are to be paid to the General Partner, SLP or any of their Affiliates. SHF shall submit its response to such proposed budgets to the General Partner and SLP within forty-five (45) days after its receipt of such proposed budgets; such response shall either evidence its approval of the proposed budgets or shall contain specific comments and recommendations with respect thereto. If no such response is submitted to the General Partner or SLP within such period, SHF will be deemed not to have approved such budget. The General Partner, SLP and the SHF shall cooperate in good faith to resolve any disputes regarding any proposed budget. If the General Partner, SLP and the SHF are unable to agree on a budget within 30 days after the SHF has submitted its objections to the General Partner and SLP, any Partner shall be entitled to submit the disputed items to binding arbitration in accordance with the rules of the American Arbitration Association before an arbitrator acceptable to the Partners. During the pendency of the consideration of any such budget and resolution of any dispute regarding such budget, the General Partner shall continue to be authorized to manage the Partnership in accordance with the applicable budget most recently approved by the SHF, as adjusted for modifications which have been approved by the SHF and increases for expenditures not reasonably within the control of the General Partner such as taxes, utilities, insurance premiums and emergency repairs or replacements.

(b) The General Partner shall cause to be prepared and distributed to all Persons who were Partners at any time during a Fiscal Year:

(i) within seventy-five (75) days after the close of each Fiscal Year, audited financial statements prepared by the Accountants in accordance with generally accepted accounting principles, and such financial information with respect to each Fiscal Year as shall be reportable for federal and state income tax purposes.

(ii) within thirty-five (35) days after the end of each month, a report of operations for such month containing:

(A) a balance sheet, which may be unaudited;

(B) a statement of income and expense and a cash flow statement for the month and the period then ended, which may be unaudited;

(C) a rent roll certified by the Property Manager and the General Partner;
(D) until the occurrence of Stabilization, an update of the Development Budget based on actual costs and cash flow, showing all variances of actual costs and cash flow from the original Development Budget; and

(E) other pertinent information regarding the Partnership and its activities during the period covered by the report.

(c) Within seventy-five (75) days after the end of each Fiscal Year, the General Partner shall provide to SHF:

(i) a certification by the General Partner that (A) all Project Loan payments and taxes and insurance payments with respect to the Apartment Complex are current as of the date of the year-end report, (B) there is no material default under the Project Documents or this Agreement, or if there is any material default, a description thereof, and (C) it has not received notice of any building, health or fire code violation or similar violation of a governmental law, ordinance or regulation against the Apartment Complex or, if any such notice of any violation has been received, a description thereof;

(ii) the information specified in Section 12.4(d) of this Agreement;

(iii) a descriptive statement of all transactions during the Fiscal Year between the Partnership and the General Partner and/or any Affiliate, including the nature of the transaction and the payments involved (including accrued cash or other payments);

(iv) a Net Cash Flow statement; and

(v) a copy of the annual report to be filed with the Agency concerning the status of the Apartment Complex as low-income housing.

(d) Upon the written request of any Limited Partner for further information with respect to any matter covered in items (a), (b) or (c) above, the General Partner shall furnish such information within 30 days of receipt of such request.

(e) The General Partner, on behalf of the Partnership, shall send to SHF, on or before July 31 in each year, a report which shall state for the six-month period ended June 30 of such year:

(i) the occupancy level of the Apartment Complex, certified by the Property Manager and the General Partner;

(ii) if there are any Operating Deficits or anticipated Operating Deficits, the manner in which such Operating Deficits will be funded; and

(iii) such other matters as shall be material to the operation of the Partnership, including, without limitation, any building, health or fire code violation or similar violation of a governmental law, ordinance or regulation by the Apartment Complex of which the General Partner is aware.
(f) Prior to November 15 of each year, the General Partner, on behalf of the Partnership, shall send to SHF an estimate of such Partner's share of the Tax Credits, profits and losses of the Partnership for federal income tax purposes for the current Fiscal Year.

(g) Within fifteen (15) days after one of the following events occurs, the General Partner shall send SHF a detailed report thereof:

(i) there is a default by the Partnership under the Project Documents or in payment of any mortgage, taxes, interest or other obligation on secured or unsecured debt;

(ii) any reserve has been reduced or terminated by application of funds therein for purposes different from those for which such reserve was established; or

(iii) the General Partner has received any notice of a material fact which may substantially affect further distributions, or may materially and adversely affect the Partnership, the Apartment Complex or the Partners.

(h) The General Partner, on behalf of the Partnership, shall send to SHF, a copy of all applicable periodic reports covering the status of the Apartment Complex as may be required by the Agency or any Project Lender, within ten (10) days of submission of such reports to the Agency and/or applicable Project Lender.

(i) If the reports or information provided for in Sections 12.4(a), (b) and (c) of this Agreement are, at any time, not provided within the time frames set forth therein or within five days after demand is made, the General Partner shall be obligated to pay to SHF the sum of $250 per day, as liquidated damages, for each day from the date upon which such reports or information is (are) due pursuant to the provisions of the aforesaid Sections until the date upon which such reports or information is (are) provided; however, that any delays beyond the aforesaid dates in the provision of the applicable reports or information due to factors beyond the control of the General Partner and the Accountants may be a cause for waiver of the aforesaid liquidated damages, but only if the delayed reports or information were supplied by the applicable aforesaid date in a draft or estimated form.

(ii) If the reporting requirements set forth in any of the above provisions of this Section 12.4 are not met, SHF, in its reasonable discretion, may direct the General Partner to dismiss the Accountants, and to designate successor Accountants, subject to the Consent of SHF; provided, however, that if the General Partner and SHF cannot agree on the designation of successor Accountants, the successor Accountants shall be designated by SHF in its sole reasonable discretion, and the fees of such successor Accountants shall be paid by the General Partner out of Partnership funds.

12.5 Asset Management Fee. Commencing with the Fiscal Year in which the Partnership first receives revenue from renting apartments in the Apartment Complex, the Partnership shall pay, as an operational expense of the Partnership, an annual fee of $5,000 (the "Asset Management Fee") to SAHP (or to such other entity as SHF shall designate), for an annual review of the operations of the Partnership and the Apartment Complex. The Partnership shall pay the Asset Management Fee (a) from Net Cash Flow on each Payment Date for the Fiscal Year preceding such Payment Date, (b) from the proceeds of a Capital Transaction at the
time of the Capital Transaction, and (c) from the net proceeds resulting from the liquidation of the Partnership on the date of liquidation. If on any Payment Date the Partnership lacks sufficient Net Cash Flow to pay all of the accrued but unpaid Asset Management Fee pursuant to this Section 12.5, then that portion of the accrued Asset Management Fee shall be deferred until the next Payment Date or other date on which payment of the Asset Management Fee is due. Interest shall accrue on any portion of the Asset Management Fee on which payment has been deferred at an annual rate of twelve percent (12%), compounded annually. With respect to any Fiscal Year which is less than a full Fiscal Year or during which the Asset Management Fee does not accrue for the entire Fiscal Year, the amount of the Asset Management Fee shall be prorated.

12.6 Section 754 Elections. In the event of a transfer of all or any part of the Interest of a General Partner or of a Limited Partner, the Partnership shall elect, pursuant to Sections 743 and 754 of the Code (or any corresponding provision of succeeding law), to adjust the basis of the Partnership property if, in the opinion of SHF such election would be most advantageous to SHF. Each Partner agrees to furnish the Partnership with all information necessary to give effect to such election.

12.7 Fiscal Year and Accounting Method. The Fiscal Year of the Partnership shall be determined pursuant to Section 706(b) of the Code. Accordingly, the Fiscal Year of the Partnership shall initially be the fiscal year of SHF, which ends at December 31. All Partnership accounts shall be determined on the accrual basis.

**Article 13**
**AMENDMENTS**

This Agreement may be amended only by a written amendment executed by all of the Partners. Notwithstanding the foregoing or anything to the contrary contained herein, if SHF either has or is projected to have a deficit balance in its Capital Account and SHF proposes an amendment to this Agreement which is intended to preserve the allocation of Tax Credits in the manner set forth in Exhibit I attached hereto and the allocation of 99.9% of Net Losses and Net Profits to SHF (or such lesser percentage determined by SHF), the General Partner and the SLP shall effectuate the adoption of such amendment, including without limitation the execution of an amendment to this Agreement.

**Article 14**
**CONSENTS, VOTING AND MEETINGS**

To the extent SLP has voting rights under the Act which may not be eliminated by agreement, SLP shall vote with SHF as one class. To the extent SLP and SHF vote as one class, the required vote of the Limited Partners to approve the action subject to the vote shall be the vote of holders of a majority of the Percentage Interests of all Limited Partners.

THIS DEVELOPMENT AGREEMENT (this "Agreement") is made and entered into as of October 25, 2007, between FARMERS BRANCH SENIOR COMMUNITY, L.P., a Texas limited partnership (the "Partnership"), CHURCHILL COMMUNITIES, L.P., a Texas limited partnership ("Churchill Communities"), LIFENET COMMUNITY BEHAVIORAL HEALTHCARE, a Texas non-profit corporation ("LifeNet" and together with Churchill Communities, the "Developers").

A. The Partnership is governed by its Amended and Restated Agreement of Limited Partnership dated as of even date herewith (the "Partnership Agreement") (capitalized terms used herein without definition shall have the definitions given them in the Partnership Agreement).

C. LifeNet-Farmers Branch, GP, L.L.C., a Texas limited liability company (the "General Partner"), Churchill Residential, Inc., a Texas corporation, and SunAmerica Housing Fund 1555, A Nevada Limited Partnership ("SHF"), are the sole Partners in the Partnership.

D. The Partnership desires to appoint the Developers to provide certain services for the Partnership with respect to overseeing the development of the Apartment Complex until all development work is completed.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed as follows:

1. Appointment. The Partnership hereby appoints the Developers to render services for the Partnership, and confirms and ratifies the appointment of the Developers with respect to services rendered for the Partnership to date, in supervising and overseeing the development of the Apartment Complex as herein contemplated.

In conformity with the provisions of the Partnership Agreement, Churchill Communities shall have, and has had, the authority and the obligation to do all of the following and Life Net shall have, and has had, the authority and the obligation to do the services set forth in Sections 2(l), (p) and (q):

   (a) coordinate the preparation of the plans and specifications (the "Plans and Specs") by the architect ("Architect") selected by the Partnership and recommend alternative solutions whenever in a Developer's judgment design details affect construction feasibility or schedules;

   (b) monitor disbursement and payment of amounts owed to the Architect and the subcontractors;

   (c) inspect the construction of the Apartment Complex and advise the Partnership of items a Developer finds to be deficient;

(g) make available to the Partnership, during normal business hours and upon the Partnership's written request, copies of all material contracts and subcontracts held by a Developer related to the Apartment Complex;

(h) provide and periodically update an Apartment Complex construction time schedule which coordinates and integrates Architect's services with construction schedules;

(i) assist the Partnership in negotiating the Construction Contract and supervising construction;

(j) provide regular monitoring of the schedule as construction progresses, identify potential variances between scheduled and probable completion dates, review the schedule for work not started or incomplete, recommend to the Partnership adjustments in the schedule to meet the probable completion date, provide summary reports of such monitoring, and document all changes in the schedule;

(k) provide regular monitoring of the approved estimate of construction cost, show actual costs for activities in process and estimates for uncompleted tasks, identify variances between actual and budgeted or estimated costs and advise the Partnership whenever projected costs exceed budgets or estimates;

(b) identifying potential land sites and analyzing the demographics of potential sites;

(c) analyzing the economy and forecasting future growth potential of the geographic area in which the Apartment Complex is located;

4. **Development Fee.**

(a) For services performed and to be performed under Sections 1 and 2 of this Agreement, the Partnership shall pay the Developers a Development Fee in the aggregate amount of $1,573,566. The development fee shall be divided $78,678 to LifeNet and $1,494,888. Other than the payments to LifeNet and Churchill under clause (i) of this subsection (a), the payments of the Development Fee shall be divided between LifeNet and Churchill pro-rata based on the unpaid portion of the Development Fee payable to them. A portion of the Development Fee shall be paid as follows: (i) $50,000 shall be paid to LifeNet and $200,000 shall be paid to Churchill Communities upon execution of the Partnership Agreement and closing of the Term Loan and satisfaction of the Post-Closing Conditions, as defined in Section 5.2(h)(i) of the Partnership Agreement, (ii) $100,000 shall be paid at the time SHF makes the First Additional Capital Contribution, (iii) $251,937 shall be paid at the time SHF makes the Second Additional Capital Contribution, and (iv) $225,124 shall be paid at the time SHF makes the Third Additional Capital Contribution; provided, however, the amount payable from the Additional Capital Contributions is subject to adjustment downward by an amount equal to the reductions in, or refunds of, the Additional Capital Contributions under Section 5.1(c) of the Partnership Agreement and subject to adjustment in accordance with Section 6.23 of the Partnership Agreement.
Agreement. Subject to Sections 4(b) and (e), any portion of the Development Fee not paid under the prior sentence (the "Deferred Development Fee") shall be paid solely from Net Cash Flow, proceeds of a Capital Transaction and proceeds of a dissolution and liquidation of the Partnership pursuant to Section 9 of the Partnership Agreement. The Development Fee shall be the only amount payable to the Developers for services performed pursuant to this Agreement. The Developers shall not be entitled to any reimbursement for costs and expenses, including without limitation salaries, compensation and fringe benefits of employees of a Developer or for a Developer's overhead.

(b) The Deferred Development Fee shall bear interest commencing upon the date on which SHF makes its Third Additional Capital Contribution to the Partnership (the "Effective Date") on the outstanding unpaid balance at the "applicable Federal long-term rate" (as defined in Section 1274(d) of the Code) in effect on the Effective Date, compounded annually. All payments made to the Deferred Development Fee shall be applied first to interest due under the Deferred Development Fee and then to the outstanding balance of the Deferred Development Fee until the Deferred Development Fee is paid in full. Notwithstanding anything to the contrary contained in Section 6, any unpaid portion of the Deferred Development Fee shall be payable by the earlier of (i) the tenth year following the date hereof, (ii) the date of liquidation of the Partnership, or (iii) the date of removal of the SLP from the Partnership.

(c) Each Developer and the Partnership shall execute and deliver the Affidavit of Services Rendered in the form attached hereto as Exhibit A and the Affirmation of Receipt of Services in the form attached hereto as Exhibit B to SHF upon request by SHF.

(d) In the event of the withdrawal of the SLP in contravention of the Partnership Agreement or the removal of the SLP, the rights of Churchill Communities and any rights of Life Net previously assigned to the SLP hereunder, including the right to receive any unpaid Development Fee, shall be assigned to SHF or its designee. In the event of the withdrawal of the General Partner in contravention of the Partnership Agreement or the removal of the General Partner, the rights of LifeNet hereunder, including the right to receive any unpaid Development Fee, shall be assigned to SLP.

(e) Cost Savings shall be used to pay Deferred Development Fee in accordance with the Partnership Agreement.

5. Scope of Developers' Responsibility. Each of the Developers is responsible for the duties that it has specifically undertaken in this Agreement, and no additional duties or responsibilities may be implied from this Agreement.

(a) If (i) the General Partner, SLP, any successor SLP, Churchill Communities or LifeNet shall not have complied with any provisions under the Partnership Agreement, this Agreement, the Incentive Partnership Management Agreement, or the Construction Contract, as applicable, within thirty (30) days after SHF delivers written notice of such noncompliance to the SLP, or (ii) any holder of any Project Loan shall have declared the Partnership to be in default under the applicable Project Loan after the expiration of all
applicable cure periods, if any, as a result of acts or omissions of the General Partner, SLP, Churchill Communities, LifeNet or any Affiliates of any of them, or (iii) foreclosure proceedings shall have been commenced against the Property as a result of acts or omissions of the General Partner, SLP, Churchill Communities, LifeNet or any Affiliate of any of them, then the Developers shall be in default of this Agreement and the Partnership shall withhold payment of any installment of fees payable to either Developer.

(b) All amounts so withheld by the Partnership under this Paragraph shall be promptly released to the applicable Developer only after the default justifying the withholding has been cured, as demonstrated by evidence reasonably acceptable to the SHF. In addition, the Partnership shall be entitled to withhold payments to Developers hereunder pursuant to Section 6.12 of the Partnership Agreement.

7. Pledged Payments. Churchill Communities irrevocably directs the Partnership to pay to SHF any payments due hereunder to Churchill Communities (the "Pledged Payments") at any time that there is an unsatisfied obligation secured by the Pledged Payments which is due and owing. The Partnership and Churchill Communities shall treat any Pledged Payments made by the Partnership to SHF as a payment by the Partnership to Churchill Communities hereunder of the particular Pledged Payment and a payment by Churchill Communities to SHF of the particular obligation which it secures. If there is more than one type of outstanding obligation secured at the time a Pledged Payment is made to SHF, SHF, in its sole discretion, shall decide to which secured obligation the Pledged Payments shall be applied.

8. Assignment of Fees. Each Developer shall not assign, pledge or otherwise encumber, for security or otherwise, the Development Fee, or any portion thereof or any right of a Developer thereto, without the Consent of SHF.

9. [Intentionally left blank]

10. Successors and Assigns. This Agreement shall be binding on the parties hereto, their heirs, successors and assigns. However, this Agreement may not be assigned by any party hereto without the Consent of SHF, nor may it be terminated without the Consent of SHF.

11. No Lien Filings. Each Developer hereby represents, warrants and covenants that neither it nor its Affiliates shall file a mechanic's lien, materialmen's lien or other lien against the Apartment Complex or any other assets of the Partnership, and hereby waives and releases any right it may have or may hereafter acquire to file a such lien against the Apartment Complex or any other assets of the Partnership. Each Developer shall indemnify and hold harmless the Partnership, SHF from any losses, damages, and/or liabilities, to or as a result of a breach of this provisions.

12. Separability of Provisions. Each provision of this Agreement shall be considered separable and if for any reason any provision which is not essential to the effectuation of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.
13. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.

14. Waiver of Jury Trial. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (a) ARISING UNDER THIS DEVELOPMENT AGREEMENT, INCLUDING WITHOUT LIMITATION, ANY PRESENT OR FUTURE AMENDMENT THEREOF, OR (b) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THE DEVELOPMENT AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF ANY RIGHT THEY MIGHT OTHERWISE HAVE TO TRIAL BY JURY.

15. No Continuing Waiver. No waiver by a party hereto of any breach of this Agreement shall be effective unless in a writing executed by such party. No waiver shall operate or be construed to be a waiver of any subsequent breach.

16. Applicable Law. This Agreement shall be construed and enforced in accordance with the laws of Texas.

17. Third Party Beneficiary. SHF is a third party beneficiary of this Agreement.

18. Amendments. Each party hereto expressly agrees that any amendment to this Agreement shall not be effective unless signed by the parties hereto and Consented to by SHF.

19. Attorney's Fees. Each party hereto agrees to pay the other party, without demand, reasonable attorney's fees and all costs and expenses expended or incurred in collecting any amounts payable by such party hereunder or in enforcing this Agreement against the other party, whether or not suit is filed.

20. Notices. Any Notice required by the provisions of this Agreement to be given to one or more parties shall be in writing and shall be deemed to have been validly given or served by delivery of same in person to the addressee or by depositing same with Federal Express for next Business Day delivery or by depositing same in the United States mail, postage prepaid, registered or certified mail, return receipt requested, or by sending same by facsimile transmission, addressed as follows:

Company. AIG Retirement Services, Inc., a Delaware corporation.

Facility Account. The account of the Company at Citibank, N.A., as may from time to time be identified in writing to Maker by the Company as the "Facility Account."

The maximum non-usurious rate of interest per annum permitted by whichever of applicable United States federal law or Texas law permits the higher interest rate, including, to the extent permitted by such applicable law, any amendments thereof or any new law thereafter coming into effect to the extent a higher maximum non-usurious rate of interest is permitted thereby. The Maximum Rate shall be applied by taking into account all amounts characterized by applicable law as interest on the debt evidenced by this Note, so that the aggregate of all interest does not exceed the maximum non-usurious amount permitted by applicable law.

Note. This Bridge Loan Note.

Partnership Agreement. The Amended and Restated Agreement of Limited Partnership dated of even date herewith between LifeNet-Farmers Branch, GP, L.L.C., a Texas limited liability company, Churchill Residential, Inc. and SunAmerica Housing Fund 1555, A Nevada Limited Partnership, governing Maker, as amended from time to time.

2. Interest Rate. The outstanding principal balance of this Note shall bear interest from time to time at the Alternate Base Rate or, if applicable, at the rate, or combination of rates, chosen by the Company as set forth below, provided however that during any time after the occurrence and continuation of an Event of Default, at the option of the Company, the outstanding principal balance hereof shall bear interest at a rate per annum equal to the rate otherwise applicable plus 2% per annum. In no event shall the rate of interest payable hereunder exceed the Maximum Rate. Any portion of the outstanding principal balance of this Note from time to time constituting a Base Rate Advance shall, during such time, bear interest at the rate per annum equal to the Alternate Base Rate from and including the date of such Advance or the date on which such Advance was converted into or otherwise became a Base Rate Advance to (but not including) the date on which such Base Rate Advance is paid or converted to a Eurodollar Advance. At the option of the Company, all or any portion of the principal amount hereof may from time to time bear interest at the Eurodollar Rate for a specified Interest Period. Any portion of the outstanding principal balance of this Note from time to time constituting a Eurodollar Advance shall bear interest from and including the first day of the Interest Period applicable thereto to, but not including, the last day of such Interest Period at the rate per annum equal to the Eurodollar Rate for such Interest Period.
In its sole discretion, the Company shall choose the method of calculating interest, the type of Advance (whether a Base Rate Advance or Eurodollar Advance), the date on which interest is payable hereunder, and the length of Interest Periods for Eurodollar Advances.

For purposes hereof, the following terms have the following meanings:

"Alternate Base Rate" - for any day, a rate of interest per annum equal to the higher of (a) the Corporate Base Rate for such day, and (b) the sum of the Federal Funds Effective Rate for such day plus 1/2% per annum; "Base Rate Advance" - at any time, that portion of the outstanding principal amount of this Note as to which interest is not accruing at the Eurodollar Rate; "Corporate Base Rate" - a rate per annum equal to the corporate base rate of interest announced by Citibank, N.A., from time to time, changing when and as said corporate base rate changes (the Corporate Base Rate is a reference rate and does not necessarily represent the lowest or best rate of interest actually charged to any customer); "Eurodollar Advance" - at any time, any portion of the outstanding principal amount of this Note which accrues interest at the Eurodollar Rate for a specified Interest Period pursuant to an election made by the Company on behalf of Maker pursuant to this Section 2 (when used with respect to any Lender, "Eurodollar Advance" shall mean such Lender's share thereof); "Eurodollar Base Rate" - with respect to a Eurodollar Advance for the relevant Interest Period, (a) the rate at which deposits in U.S. Dollars appear on Telerate page 3750 as of 11 a.m. (London time) two Business Days prior to the first day of such Interest Period or (b) for any Interest Period for which no such Telerate quote is available, the rate at which deposits in U.S. Dollars are offered by the Agent (or its successor, if any, as agent for the Lenders under the Facility Agreement) to first-class banks in the London interbank market at approximately 11:00 a.m. (London time) two Business Days prior to the first day of such Interest Period, in an amount agreed upon by the Company and the Lenders and having a maturity approximately equal to such Interest Period; "Eurodollar Rate" - with respect to a Eurodollar Advance for the relevant Interest Period, the sum of (a) the quotient of (i) the Eurodollar Base Rate applicable to such Interest Period, divided by (ii) one minus the Reserve Requirement (expressed as a decimal) applicable to such Interest Period, plus (b) 0.19% (the Eurodollar Rate shall be rounded to the next higher multiple of 1/16 of 1% if the rate is not such a multiple); "Federal Funds Effective Rate" - for any day, an interest rate per annum equal to the weighted average of the rates on overnight Federal funds transactions with members of the Federal Reserve System arranged by Federal funds brokers on such day, as published for such day (or, if such day is not a Business Day, for the immediately preceding Business Day) by the Federal Reserve Bank of New York, or, if such rate is not so published for any day which is a Business Day, the average of the quotations at approximately 10 a.m. (New York time) on such day on such transactions received by the Agent from three Federal funds brokers of recognized standing selected by the Agent in its sole discretion; "Interest Period" - with respect to a Eurodollar Advance, a period of one, two, three or six months commencing on a Business Day selected by the Company on behalf of Maker pursuant to this Section 2 (such Interest Period shall end on the day which corresponds numerically to such date one, two, three or six months thereafter as selected by the Company); provided, however, that if there is no such numerically corresponding day, such Interest Period shall end on the last Business Day of such next, second, third or sixth succeeding month. If an Interest Period would otherwise end on a day which is not a Business Day, such Interest Period shall end on the next succeeding Business Day; provided, however, that if said next succeeding Business Day falls in a new calendar month, such Interest Period shall end on the immediately preceding Business Day).
3. **Payment.** The outstanding principal balance hereof, together with interest and all other amounts payable hereunder, shall be due on the Maturity Date.

4. **Payment of Interest.** All amounts due hereunder shall be payable in lawful money of the United States of America. Accrued interest not paid when due shall, to the fullest extent allowed by law, bear interest at the same rate as the principal of this Note.

5. **Interest Payment Dates; Interest Basis.** Interest accrued on each Base Rate Advance shall be payable on the last day of each month, commencing with the first such date to occur after the date hereof, on any date on which a Base Rate Advance is prepaid, whether due to acceleration or otherwise, and at maturity. Interest accrued on each Eurodollar Advance shall be payable on the last day of its applicable Interest Period, on any date on which such Eurodollar Advance is prepaid, whether by acceleration or otherwise, and at maturity. Interest accrued on each Eurodollar Advance having an Interest Period longer than three months shall also be payable on the last day of each three-month interval during such Interest Period. Interest shall be calculated for actual days elapsed on the basis of a 360-day year. Interest shall be payable for the day the Loan is made but not for the day of any payment on the amount paid if payment is received by the Agent prior to 1:00 P.M. (New York time) at the place of payment. If any payment of principal of or interest on the Loan shall become due on a day which is not a Business Day, such payment shall be due on the next succeeding Business Day.

6. **Method of Payment.** All payments hereunder shall be made, without setoff, deduction or counterclaim, in immediately available funds to the Facility Account, or to such other account as the Agent may designate in writing to Maker and Company, by 1:00 P.M. (New York time) on the date when due.

7. **Voluntary Prepayment; Reborrowings.** This Note may not be voluntarily prepaid except with the consent of the Company. Any such prepayment shall be subject to Section 17 hereof. Except as provided in the preceding two sentences, Maker may prepay this Note at any time without premium or penalty. Maker shall not be entitled to reborrow any amounts prepaid hereunder except, with the consent of the Company, as described in Section 16. Although the face amount of this Note may exceed the initial Advance hereunder, the Lenders shall be under no obligation to Maker to make any additional Advances.

8. **Mandatory Prepayment.** Whenever Maker receives a cash capital contribution from the Company or any affiliate of the Company, Maker shall promptly remit an amount equal to 100% of such capital contribution to the Facility Account to be used first to pay interest and other amounts (other than principal) payable hereunder, and next to repay principal of this Note, on the date specified by the Company.

9. **Administrative Matters.** Maker hereby authorizes Holder to extend, convert or continue Advances, effect selections of interest options and to transfer funds based on telephonic notices made by any person or persons Holder in good faith believes to be acting on behalf of the Company.

10. **Taxes.** Any payments made by Maker under this Note shall be made free and clear of, and without deduction or withholding for or on account of, any present or future taxes.
or similar charges imposed by any U.S. federal governmental authority, excluding net income taxes and franchise taxes or any other tax based upon any income imposed on the Agent or any Lender by the jurisdiction in which the Agent or such Lender is incorporated or has its principal place of business; provided that if any such non-excluded taxes or similar charges ("Non-Excluded Taxes") are required to be withheld from any amounts payable to the Agent or any Lender hereunder, such deduction or withholding shall be made and the amount thereof shall be paid to the relevant tax authority and the amounts so payable to the Agent or such Lender shall, upon demand of the Agent or relevant Lender, as applicable, be increased to the extent necessary so that the Agent or such Lender receives the amount it would have received hereunder if such withholding or deduction had not been made. Whenever any Non-Excluded Taxes are payable by Maker, as promptly as practicable thereafter Maker shall send to the Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original official receipt therefor. The agreements in this Section shall survive the termination of this Note and the payment of all other amounts payable hereunder. Maker shall also pay any present or future sales, stamp or documentary taxes or excise or property taxes, charges or similar levies which arise from any payment hereunder or in connection with this Note.

11. Events of Default. At the option of Holder (or, in the case of (c) or (d) below, automatically), the payment of all principal, any interest accrued thereon and any other sums then due and payable under the provisions of this Note will be accelerated and such principal, interest and such other sums shall be immediately due and payable without notice or demand upon the earlier to occur of any of the following events (each an "Event of Default"):  

(a) the failure of Maker to pay any amounts hereunder when due;  

(b) a default under any Loan Document, not cured within any applicable grace period;  

(c) Maker's making an assignment for the benefit of creditors or filing a voluntary petition in bankruptcy or filing any petition or answer seeking for itself any arrangement, composition, adjustment, liquidation, dissolution or similar relief to which it may be entitled, or filing any answer admitting the material allegations of any petition filed against it in any such proceedings, or seeking or consenting to or acquiescing in the appointment of any trustee, receiver, custodian or liquidator of all or a substantial part of its properties or assets; and  

(d) the commencement of a bankruptcy or insolvency proceeding against Maker (unless stayed or dismissed within sixty days).  

12. Release. Each Maker, endorser, cosigner and guarantor of this Note hereby expressly grants to Holder the right to release or to agree not to sue any other person, or to suspend the right to enforce this Note against such other person or to otherwise discharge such person; and each such Maker, endorser, cosigner and guarantor hereby agrees that the exercise of such rights by Holder shall have no effect on the liability of any other person, primarily or secondarily liable hereunder.

13. Waivers. Maker, for itself and its legal representatives, successors and assigns, expressly waives presentment, protest, demand, notice of dishonor, notice of nonpayment, notice
of maturity, notice of protest, presentment for the purposes of accelerating the maturity, and diligence in collection.

14. **Attorneys' Fees.** If Holder or Company employs counsel to collect this Note or otherwise to exercise its remedies, including without limitation filing a claim in connection with any bankruptcy or insolvency proceedings, Maker shall pay the reasonable fees, costs and expenses of Holder and Company, including without limitation attorneys' fees, whether or not suit is brought.

15. **Limitations on Interest.** This Note is subject to the express condition that at no time shall Maker be obligated or required to pay interest on the principal balance at a rate which could subject Holder to either civil or criminal liability as a result of being in excess of the maximum rate which Maker is permitted by law to contract or agree to pay. If by the terms of this Note Maker is at any time required or obligated to pay interest on the principal balance at a rate in excess of such maximum rate, the rate of interest under this Note shall be deemed to be immediately reduced to such maximum rate and interest payable hereunder shall be computed at such maximum rate.

16. **Illegality.** If any Lender having outstanding any Eurodollar Advances shall determine that it may not lawfully continue to maintain and fund any of its outstanding Eurodollar Advances to maturity and shall so specify in a notice to the Company, Maker shall, upon request from the Company, promptly prepay in full the then outstanding principal amount of each such Eurodollar Advance together with accrued interest thereon in conjunction with a Base Rate Advance in a like principal amount from such Lender.

17. **Funding Losses.** If for any reason Maker makes any payment of principal with respect to any Eurodollar Advance on any day other than the last day of the Interest Period applicable thereto, or if Maker fails to borrow or prepay any Eurodollar Advance after notice thereof has been given, Maker shall, on request of the Company, reimburse each Lender within 30 days after demand for any resulting loss or expense incurred by it (or by any participant in the related Advance), including (without limitation) any loss incurred in obtaining, liquidating or employing deposits from third parties, but excluding loss of margin for the period after any such payment or failure to borrow, provided that such Lender has delivered to the Company (with a copy to the Agent) a certificate setting forth in reasonable detail calculations as to the amount of such loss or expense, which certificate shall be conclusive and binding on Maker in the absence of manifest error.

18. **Role of Agent.** Maker acknowledges and agrees that this Note is made payable to the order of the Agent as a matter of administrative convenience and that this Note evidences a number of discreet loans in the aggregate principal amount set forth in the first paragraph of this Note, which loans have been made on the same date by the Lenders.

19. **Authority of the Company.** Maker irrevocably authorizes the Company from time to time to give and receive notices and directions on behalf of Maker with respect to this Note (including without limitation notices with respect to borrowing, repayment, the selection of Interest Periods, the selection of Eurodollar Advances or Base Rate Advances, and the basis upon which interest shall be calculated). Maker irrevocably and unconditionally agrees to be
bound by such notices and directions by the Company, and agrees that the Agent and the Lenders may rely upon, and shall incur no liability by acting upon, any such notices or directions and the Company shall incur no liability to Maker in connection therewith.

20. **The Facility Account.** Maker irrevocably directs the Agent to disburse the proceeds of this Note to the Facility Account and agrees that such funds shall be deemed received by Maker (and interest shall commence accruing thereupon) upon the deposit of such amounts in the Facility Account. The foregoing shall be true without respect to whether or when such amounts are transmitted by the Company to Maker, and Maker irrevocably releases the Lenders, the Agent and their respective officers, directors and employees from any and all liabilities in respect of any misdirection or misapplication of such funds by the Company. Maker agrees that, notwithstanding its deposit of funds into the Facility Account as a step towards payment of any amount due under the Loan Documents, such amounts shall be deemed received by the Lenders (and, if applicable, interest thereon shall cease accruing) only upon the actual receipt by the Agent or the Lenders, as applicable, of such amount (it being understood that for such purpose the Facility Account is an account of the Company, not of the Agent or the Lenders) and Maker shall have no interest in or claim on the Facility Account or amounts therein. Maker agrees that the Company may in its discretion transfer to the Agent, or hold, any such amounts in the Facility Account or otherwise withdraw and invest such amounts, and not transfer such amounts to the Agent for purposes of payment hereunder until the end of any current Interest Period relating thereto or otherwise as the Company determines appropriate.

Maker may not transfer its obligations under this Note without the prior written consent of Holder and Company.

23. **Subordination.** Holder agrees that payments on this Note shall be subordinate and inferior to all payments with respect to any Project Loan (other than to the Company or an affiliate of the Company) and that Holder shall not seek or accept any payments in violation of any applicable loan documents, and that if Holder receives payments during the pendency of a default, it shall hold such payments in trust for the benefit of the holder of such Project Loan.
(other than a Project Loan to the Company or an affiliate of the Company). Notwithstanding the foregoing, nothing herein shall preclude any Company payments to Holder pursuant to the guaranty of the Note given by the Company pursuant to the Facility Agreement.

24. **Termination.** This Note may not be terminated or amended orally, but only by a termination in writing signed by Holder and Company or an amendment in writing signed by Holder, Maker and Company. 2. **APPOINTMENT OF MANAGER.** On and subject to the terms and conditions of this Agreement, Owner hereby retains Manager commencing on the date on which Owner provides notice to Manager (the "Commencement Date") to manage and lease the Apartment Complex.

3. **TERM.** This Agreement shall commence on the Commencement Date and, subject to Section 10 of this Agreement, shall expire on the date twelve months from the Commencement Date (the "Original Term"). As an Affiliate of Owner, Manager agrees to accrue the Management Fee to the extent necessary at any time to prevent a default under the Project Loans and such accrued portion shall be paid without interest when such payment would not cause a default to occur under the Project Loans.

5. **AUTHORITY AND RESPONSIBILITIES OF MANAGER.**

   (a) **Independent Contractor.** In the performance of its duties hereunder, the Manager shall be and act as an independent contractor, with the sole duty to supervise, manage, operate, control and direct performance of the details of its duties incident to the specified duties and obligations hereunder, subject to the rights of the Owner, as described herein. (vi) Manager shall, on the twenty-fifth (25th) day of each month, pay Owner an amount equal to Gross Operating Revenues, less amounts paid for approved operating expenses of the Apartment Complex in accordance with this Agreement.

(vii) Manager acknowledges the Owner's objective of obtaining Tax Credits for one hundred percent (100%) of the units in the Apartment Complex. Manager represents and warrants that it is familiar with Section 42 of the Code and the requirements thereto including without limitation (A) the Tax Credit Tests, (B) the Extended Use Agreement, (C) the Regulatory Agreement, if any, (D) the requirements in Section 42(g)(2)(D) of the Code that the next available unit must be rented to a low-income tenant if income rises above 140 percent of income limit; (E) rules and regulations regarding qualification for Tax Credits where units are vacant; and (F) rules and regulations by the Agency (collectively referred to herein as the "Regulatory Requirements").

(viii) Manager agrees to operate the Apartment Complex in a manner which meets the Regulatory Requirements, including but not limited to the following:

(B) To obtain from all tenants in the Apartment Complex the right to receive annual reports from such tenants concerning their incomes and family sizes and any other information required by the Regulatory Requirements;

(C) To execute a lease for any rental unit in respect of which Tax Credits have been allocated to the Owner only upon first obtaining certification from the tenant, and such other information as may be required by the Regulatory Requirements to determine income criteria for low-income housing, that the tenant satisfies the income criteria for low-income housing;

(D) To prepare for Owner's signature, and then to file in a proper manner, the annual certifications required by the provisions of law referred to in Section 42(g)(4) of the Code; and

(E) To cause the Apartment Complex to be operated in a manner that complies with all other statutes, regulations and agreements which must be complied with in order for Owner to obtain the Tax Credits with respect to at least one hundred percent (100%) of units in the Apartment Complex.

Manager acknowledges receipt of the Tax Credit Compliance Manual (3rd Edition) proposed by SunAmerica Affordable Housing Partners, Inc. ("Manual") and shall comply with the terms and conditions set forth in the Manual.

The responsibilities and services included in this Section 5 as part of Manager's duties shall not entitle Manager to any additional compensation over and above the Management Fee. Manager shall not be entitled to any compensation based upon any Apartment Complex financing or sale of the Apartment Complex, unless Manager is engaged by Owner pursuant to a separate agreement approved in writing by SHF to provide brokerage services in connection therewith, in which case Manager's right to compensation for Apartment Complex financing or sale shall be based upon such separate agreement.

Repair, Maintenance and Service.

Manager shall maintain the Apartment Complex in good repair and condition, consistent with the standard of care set forth herein.

Manager shall act at arms length with all contractors and shall employ no Affiliates of Manager or the General Partner without the prior written consent of the Owner and SHF.

Manager's Employees. Manager shall have in its employ at all times a sufficient number of employees to enable it to professionally manage the Apartment Complex in accordance with the terms of this Agreement. Manager shall prepare, execute and file all forms, reports and returns required by applicable laws. All payroll costs for on-site employees shall be at Owner's expense from available cash flow. If an employee (other than a supervisory employee) is assigned to the Apartment Complex and one or more other properties managed by Manager, a portion of the payroll costs of such employee will be reimbursable by Owner, based on the respective amounts of time (as indicated on a time card kept by such employee) that the employee devotes to the Apartment Complex and such other properties. However, Owner shall not pay or reimburse Manager for all or any part of Manager's general, administrative and overhead expenses, including salaries and payroll expenses of personnel of Manager not working full or part-time on-site. All matters pertaining to the employment and supervision of all of Manager's employees shall be the sole responsibility of the Manager, which in all respects shall be the employer of such employees, and Owner shall have no liability with respect to such matters.

Each policy shall be from an insurance company rated "A" or higher by the A.M. Best Insurance Guide, with a financial size category rating of 12 or higher. Each policy shall be endorsed to include the provision giving the Owner at least thirty (30) days prior written notice of cancellation, non-renewal or material change of the policy. The Commercial General Liability insurance policy shall be endorsed to include as additional insured the Owner, SHF, AIG Retirement Services, Inc. An annual audit report shall be prepared at Owner's expense, out of available cash flow, showing a balance sheet and an income and expense statement, all in reasonable detail and certified by an independent Certified Public Accountant. All books, correspondence and data pertaining to the leasing, management and operation of the Apartment Complex shall, at all times, be safely preserved. Such books, correspondence and data shall be available to Owner at all reasonable times, and shall, upon the termination of this Agreement be delivered to Owner in their entirety and upon request of Owner be delivered to Owner within thirty (30) days of such request. Manager shall maintain files of all original documents relating to reporting requirements under Section 42 of the Code, leases, vendors and all other business of the Apartment Complex in an orderly fashion at the Apartment Complex, which files shall be the property of Owner and shall at all times be open to Owner's inspection.

(m) Operating Expenses. Manager shall use reasonable efforts to minimize operating expenses by obtaining competitive pricing on all services and obtaining at least three bids on expenditures exceeding Ten Thousand and No/100 Dollars ($10,000) (a "major expenditure"). Manager shall use reasonable efforts to comply with the limitations on expenditures set forth in the Budget. Manager shall obtain Owner's prior written consent before incurring on behalf of Owner any single expenditure in excess of Five Thousand Dollars ($5,000) excluding utility bills and other normal and recurring expenses included in the Budget, except in an emergency in which case Manager may incur such expenses as are reasonably necessary to protect life and property. Manager shall notify Owner of any such emergency expenses as soon as practicable after they are incurred but in no event later than three (3) days thereafter. Manager shall not request payment of any invoices, whether to itself or a third party, marked-up above cost, nor shall Manager request payment of any compliance fees, marketing fees, mark-up on employees' salary or travel or fees for personnel off-site.

(n) Legal Proceedings and Compliance with Applicable Laws.

(i) Manager shall promptly notify Owner in writing of the receipt or service of any demand, notice or legal process upon Manager (although Manager is not authorized to accept service of process on behalf of the Owner), or the occurrence of any significant casualty loss, injury or damage on or about the Apartment Complex;

(ii) Manager shall fully comply and cause its employees to fully comply, with all applicable laws in connection with this Agreement and the performance of its obligations hereunder, including all federal, state and local laws, ordinances and regulations relative to the leasing, use, operation, repair and maintenance of the Apartment Complex and the operations of Manager, including without limitation, laws prohibiting discrimination in housing, employment laws (including those related to unfair labor practices), laws regarding tenant security deposits and laws regarding the storage, release and disposal of hazardous materials, and toxic substances, including without limitation, asbestos, petroleum and petroleum products.

(iii) Manager agrees that it shall not, and shall cause its employees to not, cause any hazardous materials or toxic substances, to be stored, released or disposed of on or
in the Apartment Complex except as may be incidental to the operation of any apartment project (e.g., cleaning supplies, fertilizers, paint, pool supplies and chemicals) and then only in complete compliance with all applicable laws and regulations and in conformity with good property management. If (a) there is a violation of applicable laws regarding the storage, release and disposal of such hazardous materials, or toxic substances, or (b) Manager reasonably believes that the storage, release or disposal of any hazardous material, petroleum product, or toxic substances, could cause liability to the Owner, including any releases caused by Tenants, third parties or employees, on the Apartment Complex, Manager shall notify Owner immediately.

(iv) Subject to the Regulatory Requirements, the Manager agrees that the Apartment Complex shall be offered to all prospective tenants on a nondiscriminatory basis without regard to race, color, religion, sex, family status, handicap or national origin in accordance with applicable law.

(o) Computers. All computers, hardware, software, computer upgrades and maintenance in connection therewith for the Apartment Complex shall be at Owner's expense.

6. REPRESENTATIONS AND DUTIES OF MANAGER. The Manager represents, warrants, covenants and agrees that:

(a) it has the authority to enter into and to perform this Agreement, to execute and deliver all documents relating to this Agreement, and to incur the obligations provided for in this Agreement;

(c) the Manager has all necessary licenses, consents and permissions to enter into this Agreement, manage the Apartment Complex, and otherwise comply with and perform Manager’s obligations and duties hereunder. (d) during the term of this Agreement, the Manager will be a valid corporation, duly organized under the laws of the State of its formation, and shall have full power and authority to manage the Apartment Complex, and otherwise comply with and perform Manager’s obligations and duties under this Agreement;

(e) the Apartment Complex shall be managed in a manner to satisfy all restrictions, including tenant income and rent restrictions, applicable to projects generating Tax Credits;

(f) the Manager shall comply with the requirements under the Partnership Agreement and Project Loans for the Reserve For Replacements. Withdrawals from the Reserve For Replacements shall be subject to the approval of the Owner and, to the extent necessary under the Partnership Agreement, SHF, in their sole discretion.

7. REPRESENTATIONS OF OWNER. The Owner represents and warrants, that:
8. INDEMNIFICATION.

The Manager shall indemnify, protect, defend (with legal counsel approved by Owner) and hold harmless Owner and Owner's partners, including SHF, together with the respective officers, directors, agents, employees and affiliates of Owner and the partners of Owner, including, without limitation, RSI (collectively "Indemnitees") from and against any and all claims, demands, actions, liabilities, losses, costs, expenses, damages, penalties, interest, fines, injuries and obligations, including reasonable attorneys' fees, court costs and litigation expenses ("Claims") incurred by any Indemnitee as a result of (i) any act by Manager (or any officer, member, manager, agent, employee or contractor of Manager) outside the scope of Manager's authority hereunder, (ii) any act or failure to act by Manager (or any officer, member, manager, agent, employee or contractor of Manager) constituting negligence, misconduct, fraud or breach of this Agreement, other than as covered by Owner's then existing insurance (for negligence or misconduct only), (iii) Claims made by current or former employees or applicants for employment arising from hiring, supervising or firing same, (iv) any act or omission by Manager, its employees, officers, members, managers, agents or contractors in violation of any applicable law, or (v) Manager's failure to comply with the Regulatory Requirements in the leasing and management of the Apartment Complex, including, without limitation, any loss (or deferral) of Tax Credits.

(b) Indemnification of Manager by Owner. Owner shall indemnify, protect, defend and hold harmless Manager from and against any and all Claims incurred by Manager resulting from performance of its obligations under this Agreement, except that this indemnification shall not apply with respect to any Claims resulting from (i) any act by Manager (or any officer, member, manager, agent or employee or contractor of Manager) outside the scope of Manager's authority hereunder, (ii) any act or failure to act constituting negligence, misconduct, fraud or breach of this Agreement, (iii) Claims made by current, former employees or applicants for employment arising from hiring, supervising or firing same, (iv) any act by Manager, its officers, members, managers, employees, agents or contractors in violation of any applicable law or (v) Manager's failure to comply with the Regulatory Requirements in the leasing and management of the Apartment Complex, including, without limitation, any loss (or deferral) of Tax Credits. Owner shall control, without recourse, all aspects of Manager's defense against any Claims in matters in which Manager is entitled to indemnification under this Paragraph 8(b). If at any time during the course of such defense Owner determines, in its reasonable judgment, that such Claim results from an event, action or nonaction for which Manager is not entitled to indemnification hereunder, Owner shall automatically be entitled to immediate reimbursement for all losses, costs and expenses incurred on behalf of itself and of Manager incurred to the date of such determination.
9. **DEFAULTS.**

(a) **Manager's Event of Default.** Manager shall be deemed to be in default hereunder upon the happening of any of the following ("Manager's Event of Default"):  

(i) The failure by Manager to keep, observe or perform any covenant, agreement, term or provision of this Agreement and the continuation of such failure, in full or in part, for a period of thirty (30) days after written notice thereof by Owner to Manager, provided that if such default cannot be cured within such 30 day period, then provided Manager is diligently pursuing such cure to completion, such reasonable period as necessary to cure such default, not to exceed 90 days in addition to such initial 30 day period.

All of Owner's rights and remedies shall be cumulative.

(c) **Owner's Event of Default.** Owner shall be deemed to be in default hereunder (an "Owner's Event of Default") if Owner shall fail to keep, observe or perform any covenant, agreement, term or provision of this Agreement to be kept, observed or performed by Owner, and such default shall continue for a period of thirty (30) days after written notice thereof by Manager to Owner, or if such default cannot be cured within such thirty (30) day period, then such additional period as shall be reasonable, provided Owner commences to cure such default within such thirty (30) day period and proceeds diligently to prosecute such cure to completion.

(d) **Remedies of Manager.** Upon an Owner's Event of Default, Manager shall be entitled (i) to terminate in writing this Agreement effective as of the date designated by Manager which is at least 10 days after receipt of such notice of termination by Owner provided
the Event of Default has not then been cured or such cure commenced, and/or (ii) to pursue an
action for the actual compensatory damages incurred by Manager (which action must take into
consideration Owner's termination right under Section 10(d) of this Agreement). Manager
expressly agrees that termination and compensatory monetary damages are its sole rights and
remedies with respect to an Owner's Event of Default and Manager expressly waives and
releases the right to seek equitable relief, including specific performance or injunctive relief, and
to sue for any consequential or punitive damages.

10. TERMINATION RIGHTS.

(a) Expiration of Term. If not sooner terminated, this Agreement shall
terminate on the expiration of its term set forth in Section 3 of this Agreement.

Manager's Event of Default, Owner may terminate this Agreement as specified in Section 9(b)
of this Agreement.

(c) Termination By Manager Upon Owner's Event of Default. Upon an
Owner's Event of Default, Manager may terminate this Agreement as specified in Section 9(d)
of this Agreement.

(d) Termination By Owner Without Cause. Even in the absence of any other

(h) Delivery of Apartment Complex Upon Termination. Immediately after
termination of this Agreement for any reason, Manager shall deliver to or as directed by Owner
all funds, checks, keys, lease files, books and records and other Confidential Information (as
defined below) to Owner. Immediately after termination, Manager shall leave the Apartment
Complex and cause its employees to leave the Apartment Complex without causing any damage
thereto. Under no circumstances shall any default by Owner give rise to any lien on the
Apartment Complex or give rise to a right of Manager to stay on the Apartment Complex after
the date of termination. Termination of this Agreement under any of the provisions of this
Agreement shall not release either party as against the other from liability for failure to perform any of its duties or obligations as expressed herein and required to be performed prior to such termination. Manager agrees to cooperate with Owner in the obligations set forth in this Section 10(h).

11. CONFIDENTIALITY.

If Manager or anyone to whom Manager transmits Confidential Information pursuant to this Agreement becomes legally compelled to disclose any of the Confidential Information, Manager shall provide Owner with prompt notice thereof so that Owner may seek a protective order or other appropriate remedy or waive compliance with the provisions of this Agreement. In the event that such protective order or other remedy is not obtained by Owner or Owner waives compliance with the provisions of this Agreement, Manager shall furnish or cause to be furnished only that portion of the Confidential Information which Manager is required by applicable law to furnish, and will exercise commercially reasonable efforts to obtain reliable assurances that confidential treatment is accorded the Confidential Information so furnished.

(b) Property Right in Confidential Information. All Confidential Information shall remain the property of Owner and Manager shall have no ownership interest therein.

12. SURVIVAL OF AGREEMENT. All indemnity obligations set forth herein, all obligations to pay earned and accrued fees and expenses, all confidentiality obligations, and all obligations to perform and duties accrued prior to the date of termination shall survive the termination of this Agreement.

13. ENFORCEMENT OF AGREEMENT. This Agreement, its interpretation, performance and enforcement, and the rights and remedies of the parties hereto, shall be governed and construed by and in accordance with the law of the State in which the Apartment Complex is located. In any dispute pertaining to, or litigation or arbitration to enforce or interpret the provisions of, this Agreement, the prevailing party shall be entitled to recover its attorneys fees and costs, including those incurred in connection with all appellate levels, bankruptcy, mediation or otherwise to maintain such action, from the losing party.

14. ASSIGNMENT. Manager shall not directly or indirectly (except with the consent of Owner and SHF, and of any lender or governmental entity, if required) sell, assign or

The General Partner acknowledges that Forced Placed Coverage may include coverage that duplicates some previously existing insurance coverage of the Partnership.

All payments by SHF under this Exhibit, including payments of insurance premiums on behalf of the Partnership related to insurance policies obtained by the General Partner or to Forced Placed Coverage, shall be treated as LP Loans from SHF. Such payments shall not limit SHF's remedies against the General Partner under this Agreement. SHF shall not be responsible for obtaining or maintaining any insurance required under this Exhibit and shall not, by reason of accepting, rejecting, approving or obtaining any such insurance, incur any liability for the existence, nonexistence of, or insufficient coverage of insurance.

Exhibit I

Allocation Provisions, Capital Accounts

1. Allocation of Profits, Losses and Credits from Operations.

   (a) Subject to the special allocations contained in this Section 1, all profits, losses and credits, except those items in Section 5 of this Exhibit below, shall be allocated to the Partners in accordance with their Percentage Interests.

   (b) In any year in which a Partner sells, assigns or transfers all or any portion of an Interest to any Person who during such year is admitted as a substitute Partner, the share of all profits and losses allocated to, and of all Net Cash Flow and of all cash proceeds distributable under Section 9.2 of this Partnership Agreement distributed to, all Partners which is attributable to the Interest sold, assigned or transferred shall be divided between the assignor and the assignee ratably on the basis of the number of monthly periods in such year before, and the number of monthly periods on and after, the first day of the month during which such Person is admitted as a substitute Partner.

   (c) If there is a determination that there is any original issue discount or imputed interest attributable to the Capital Contribution of any Partner, or any loan between a Partner and the Partnership, any income or deduction of the Partnership attributable to such imputed interest or original issue discount on such Capital Contribution or loan (whether stated or unstated) shall be allocated solely to such Partner. All deductions for interest accrued on the Bridge Loan by the Partnership shall be allocated solely to SHF.

   (d) If the deduction of all or a portion of any fee paid or incurred by the Partnership to a Partner or an Affiliate of a Partner is disallowed for federal income tax purposes by the IRS with respect to a taxable year of the Partnership, the Partnership shall then allocate to such Partner an amount of gross income of the Partnership for such year equal to the amount of such fee as to which the deduction is disallowed.

   (e) If any Partner's Interest in the Partnership is reduced but not eliminated because of the admission of new Partners or otherwise, or if any Partner is treated as receiving any items of property described in Section 751(a) of the Code, the Partner's Interest in such items of Section 751(a) property that was property of the Partnership while such Person was a Partner shall not be reduced, but shall be retained by the Partner so long as the Partner has an Interest in the Partnership and so long as the Partnership has an Interest in such property.

   (f) In accordance with Section 704(c) of the Code (relating to allocations with respect to appreciated contributed property) and the Regulations thereunder, income, gain, loss, and deduction with respect to any property contributed to the capital of the Partnership shall be allocated, solely for tax purposes, among the Partners so as to take account of any variation between the adjusted basis of such property to the Partnership for federal income tax purposes and its fair market value. Any elections or other decisions relating to such allocations shall be made by the General Partner in any manner that reasonably reflects the purpose and intention of the Partnership Agreement, subject, however, to the Consent of SHF.
(g) The payment by the General Partner of Excess Development Costs (excluding only payments used to fund Operating Deficits) shall not be treated as an item of income or gain to the Partnership. The payment by the Developer of costs under the Development Agreement shall not be treated as an item of income or gain to the Partnership. If the General Partner funds any Operating Deficit Loans pursuant to Section 6.9 of the Partnership Agreement, any deductions or losses of the Partnership attributable to the use of those funds shall be specially allocated to the General Partner, and in any year, if there is a repayment of all or part of such funds, the General Partner shall be allocated in such year an amount of gross income equal to the amount of such repayment.

(h) If a Partner makes any Partner Loan pursuant to Section 5.9 of the Partnership Agreement, any deductions or losses of the Partnership attributable to the use of those funds shall be specially allocated to such Partner, and in any year, if there is a repayment of all or part of such funds, such Partner shall be allocated in such year an amount of gross income equal to the amount of such repayment.

(i) Any Partnership depreciation or other cost recovery deductions not otherwise allocated pursuant to Section 6(e) of this Exhibit shall be allocated among the Partners in accordance with their Percentage Interests.

(j) Notwithstanding any other provision of the Partnership Agreement, before any other allocation of gross income and gain is made under the Partnership Agreement, in the event that any unanticipated gross income arises from a subsequent recharacterization of a tax reporting position of the Partnership, it is the intent of the Partners that all such gross income shall be allocated to the General Partner.

(k) To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Sections 734(b) or 743(b) of the Code is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Regulations.

(l) One hundred percent (100%) of the item of expense attributable to Partnership deductions for Excess Interest payments paid through a BL Advance or a Capital Contribution by SHF (or if such expenses are capitalized, depreciation, amortization or other charges in respect thereof) shall be allocated to SHF and 100% of the item of expense attributable to Partnership deductions for the fee paid to SAHP pursuant to Section 5.2(b) shall be allocated to SHF.

(m) Notwithstanding anything to the contrary contained herein, gross income of the Partnership in the amount distributed to each of the General Partner and SLP pursuant to Section 9.1(a)(ii)(E) shall be allocated to the General Partner and SLP, respectively, for the Fiscal Year to which the Net Cash Flow used to make such payment relates.
2. **Determination of Profits, Losses and Credits.** Profits, losses and credits for all purposes of the Partnership Agreement shall be determined in accordance with the accrual accounting method, except that any adjustments made pursuant to Section 754 of the Code shall be taken into account under Section 1(k) of this Exhibit. Every item of income, gain, loss, deduction, credit or tax preference entering into the computation of such profits or losses, or applicable to the period during which such profits and losses were realized, shall be considered allocated to each Partner in the same proportion as profits and losses are allocated to such Partner.

3. **Allocation of Gains and Losses from Sale.** Subject to the special allocations contained in Section 1 of this Exhibit, all gains and losses recognized by the Partnership upon the sale, exchange or other disposition of all or substantially all of the property owned by the Partnership, except for those items in Sections 5 and 6 of this Exhibit, shall be allocated in the following manner:

   (a) **Gains** shall be allocated (i) first, to the Partners with negative Adjusted Capital Account balances, that portion of gains (including any gains treated as ordinary income for federal income tax purposes) which is equal in amount to, and in proportion to, such Partners' respective negative Adjusted Capital Accounts in the Partnership; provided that no gain shall be allocated under this Section 3(a) to a Partner once such Partner's Adjusted Capital Account balance is brought to zero and (ii) second, gains in excess of the amount allocated under (i) shall be allocated to the Partners to increase the Partners' respective Adjusted Capital Accounts so that, to the maximum extent possible, the proceeds distributed in accordance with the Partners' respective Adjusted Capital Account balances under Section 9.3(e) of the Partnership Agreement will equal, or most closely approximate (recognizing there may not be enough gains to make it equal), the amounts that would have been received if the proceeds were instead distributed under Section 9.2(e) of the Partnership Agreement.

   (b) **Losses** shall be allocated (i) first, to decrease the Partners' respective Adjusted Capital Accounts so that, to the maximum extent possible, the proceeds distributed in accordance with the Partners' respective Adjusted Capital Account balances under Section 9.3(e) of the Partnership Agreement will equal, or most closely approximate (recognizing there may not be enough losses to make it equal), the amounts that would have been received if the proceeds were instead distributed under Section 9.2(e), (ii) second, any losses in excess of the amount allocated under (i) shall be allocated to the Partners to the extent and in such proportions as their respective positive Adjusted Capital Account balances provided that no loss shall be allocated under this Section 3(b)(ii) to a Partner once such Partner's Adjusted Capital Account balance is reduced to zero, and (iii) third, any remaining losses shall be allocated to the Partners in accordance with the manner in which they bear the economic risk of loss associated with such loss or, if none, to the Partners in accordance with their Percentage Interests.

   (c) **Any portion of the gains** treated as ordinary income for federal income tax purposes under Sections 1245 and 1250 of the Code shall be allocated on a dollar for dollar basis to those Partners to whom the items of Partnership deduction or loss giving rise to such gains had been previously allocated.
4. **Capital Accounts.** A separate Capital Account shall be maintained and adjusted for each Partner. There shall be credited to each Partner's Capital Account the amount of its Capital Contribution, the fair market value of any property contributed to the Partnership (net of any liabilities secured by such property) and such Partner's distributive share of the profits for tax purposes of the Partnership; and there shall be charged against each Partner's Capital Account the amount of all cash flow distributed to such Partner, the fair market value of any property distributed to such Partner (net of any liabilities secured by such property), the net proceeds resulting from the liquidation of the Partnership's assets or from any sale or refinancing of the Apartment Complex distributed to such Partner, and such Partner's distributive share of the losses for tax purposes of the Partnership. Each Partner's Capital Account shall be maintained and adjusted in accordance with the Code and the Regulations thereunder. The foregoing provisions and the other provisions of the Partnership Agreement relating to the maintenance of Capital Accounts are intended to comply with Regulation Section 1.704-1(b), and shall be interpreted and applied in a manner consistent with such regulations. It is the intention of the Partners that the Capital Accounts maintained under the Partnership Agreement be determined and maintained throughout the full term of the Partnership Agreement in accordance with the accounting rules of Regulation Section 1.704-1(b)(2)(iv).

If the Partnership is liquidated within the meaning of Regulation Section 1.704-1(b)(2)(ii)(g) but no event has occurred under Section 11.1 of the Partnership Agreement to dissolve the Partnership, the Partnership assets shall not be liquidated, the Partnership's liabilities shall not be paid or discharged, and the Partnership's affairs shall not be wound up.

If a Partner has more than one interest in the Partnership, such Partner shall have a single capital account that reflects all such interests, regardless of the class of interests owned by such Partner and regardless of the time or manner in which such interests were acquired.

5. **Authority of the General Partner to Vary Allocations to Preserve and Protect Partners' Intent.**

(a) It is the intent of the Partners that each Partner's distributive share of income, gain, loss, deduction, or credit (or item thereof) shall be determined and allocated in accordance with Section 1 of this Exhibit to the fullest extent permitted by Section 704(b) of the Code. In order to preserve and protect the determinations and allocations provided for in Section 1 of this Exhibit, the General Partner shall have the authority (subject to Section 5(b) of this Exhibit) to allocate income, gain, loss, deduction, or credit (or item thereof) arising in any year differently than otherwise provided for in such Section 1 to the extent that allocating income, gain, loss, deduction or credit (or item thereof) in the manner provided for in such Section 1 would cause the determinations and allocations of each Partner's distributive share of income, gain, loss, deduction, or credit (or item thereof) not to be permitted by Section 704(b) of the Code and Regulations promulgated thereunder. Any allocation made pursuant to this Section 5 shall be deemed to be a complete substitute for any allocation otherwise provided for in Section 1 of this Exhibit, and no amendment of the Partnership Agreement or approval of any Partner shall be required.

(b) In making any allocation (the "new allocation") under Section 5(a) of this Exhibit, the General Partner is authorized to act only after having received the Consent of SHF
and after having been advised by the Accountants that, under Section 704(b) of the Code and the Regulations thereunder, (i) the new allocation is necessary and (ii) the new allocation is the minimum modification of the allocations otherwise provided for in Section 1 of this Exhibit necessary in order to assure that, either in the then current year or in any preceding year, each Partner's distributive share of income, gain, loss, deduction, or credit (or item thereof) is determined and allocated in accordance with such Section 1 to the fullest extent permitted by Section 704(b) of the Code and the Regulations thereunder.

(c) New allocations made by the General Partner under this Section 5 and in reliance upon the advice of the Accountants with the Consent of SHF shall be deemed to be made pursuant to the fiduciary obligation of the General Partner to the Partnership and SHF, and no such allocation shall give rise to any claim or cause of action by SHF.

(a) Notwithstanding any other provision of the Partnership Agreement, no allocation of loss or deduction (or item thereof) shall be made by the Partnership to a Partner if such allocation would cause the sum of the deficit Capital Account balances of the Partner or Partners otherwise receiving such allocation (excluding the portion of such deficit balances that must be restored (or which the Partner is deemed to have to restore) to the Partnership under the Partnership Agreement, if any) to exceed the Partner's share of "Partnership minimum gain" (as defined in Regulation Section 1.704-2(b)(2) and Section 1.704-2(d), and "Partner nonrecourse debt minimum gain" (as defined in Regulation Section 1.704-2(i)(2), both determined at the end of the Partnership taxable year to which the allocation relates.

(b) Notwithstanding any other provision of the Partnership Agreement, if there is a net decrease in Partnership minimum gain or Partner nonrecourse debt minimum gain during a Partnership taxable year, items of income and gain for such year (and if necessary, for future years) shall be allocated to each Partner in an amount equal to the Partner's share of the net decrease in Partnership minimum gain or Partner nonrecourse debt minimum gain, as applicable.

(c) If any Partner unexpectedly receives any adjustments, allocations or distributions described in Regulation Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of Partnership income and gain shall be specially allocated to such Partner in an amount and manner sufficient to eliminate (to the extent required by the Regulations under Section 704(b) of the Code) the deficit balance in such Partner's Capital Account as quickly as possible, provided that an allocation pursuant to this Section 6(c) shall be made if and only to the extent that such Partner would have a deficit Capital Account after all other allocations provided for in this Exhibit have been tentatively made as if this Section 6(c) were not in this Exhibit.

(d) If any Partner has a deficit Capital Account at the end of any Fiscal Year in excess of the sum of (i) the amount that such Partner must restore to the Partnership upon liquidation, if any, and (ii) the amount such Partner is deemed obligated to restore pursuant to the penultimate sentence of Regulation Section 1.704-2(g) and Section 1.704-2(i)(5), such Partner shall be specially allocated items of Partnership income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 6(d) shall be made if and
only to the extent that such Partner would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Exhibit have been tentatively made as if this Section 6(d) and Section 6(e) of this Exhibit were not in the Partnership Agreement.

(e) "Nonrecourse deductions" (within the meaning of Regulation Section 1.704-2(b)(1)) shall be allocated to the Partners in accordance with their Percentage Interests.

"Partner nonrecourse deductions" (within the meaning of Regulation Section 1.704-2(c)) shall be allocated to the Partner who bears the economic risk of loss associated with such deductions, in accordance with Regulation Section 1.704-2(i).

7. SHF's Deficit Restoration Obligation.

(a) Capital Account Upon Liquidation. Until such time as SHF delivers a DRO Adjustment Notice, as defined below, to the General Partner, if the Partnership is liquidated within the meaning of Regulation Section 1.704-1(b)(2)(ii)(g), SHF hereby agrees to restore the deficit balance in its Capital Account, determined after taking into account all Capital Account adjustments for the fiscal year during which such liquidation occurs (the "Liquidating Capital Account Amount"). At anytime after SHF delivers a DRO Adjustment Notice to the General Partner, SHF hereby agrees to restore the lesser of (i) the Liquidating Capital Account Amount or (ii) the DRO Cap Amount. The obligation to restore the amount described in this Section 7(a) shall be satisfied upon the later of ninety (90) days after the date of such liquidation or the end of the fiscal year in which the liquidation occurs.

(b) DRO Adjustment Notice.

(i) Election. At the sole election of SHF, which election shall be made by SHF's delivery of an executed copy of a notice substantially in the form as that notice described in Section 7(b)(iii) of this Exhibit (the "DRO Adjustment Notice") to the General Partner, SHF can thereby establish a DRO Cap Amount, as defined below, which DRO Cap Amount shall remain in effect until such time as SHF delivers a subsequent DRO Adjustment Notice to the General Partner establishing a new DRO Cap Amount.

(ii) DRO Cap Amount. At the time that a DRO Adjustment Notice is delivered to the General Partner, the "DRO Cap Amount" to apply thereafter shall be the greater of (A) the amount reflected in the newly delivered DRO Adjustment Notice (the "DRO Notice Amount") or (B) the absolute value of the deficit balance, if any, in SHF's Capital Account, after reduction for the items described in Regulations Sections 1.704-1(b)(2)(ii)(d)(4), (5), and (6), determined as of the end of the taxable year preceding the taxable year during which the DRO Adjustment Notice is delivered to the General Partner. For the first taxable year of the Partnership, the amount described in Section 7(b)(ii)(B) above shall be equal to zero.

(iii) Form of DRO Adjustment Notice. SHF's DRO Adjustment Notice shall be in a form substantially similar as that below:

DRO ADJUSTMENT NOTICE

By the delivery of this notice, dated ________________, to the General Partner of Farmers Branch Senior Community, L.P., a Texas limited partnership, SunAmerica Housing Fund 1555,
A Nevada Limited Partnership, hereby notifies such General Partner that, effective as of the date of this notice, the DRO Notice Amount shall be $______________.

[Signature Block]

(c) Allocation of Income. For each of the five (5) fiscal years of the Partnership beginning with the first fiscal year after the end of the Credit Period as defined in Section 42(f) of the Code (the "Allocation Period"), gross income of the Partnership shall be allocated to SHF in equal amounts as required to restore SHF's Capital Account to zero by the end of the Allocation Period after taking into account SHF's share of Partnership minimum gain within the meaning of Regulation Section 1.704-2(b)(2) and SHF's share of partner non-recourse debt minimum gain within the meaning of Regulation Section 1.704-2(i); provided, however, the allocation of gross income to SHF pursuant to this Section 7(c) shall not exceed the amount of the losses allocated to SHF in the sixth fiscal year preceding the allocation of gross income made pursuant to this Section 7(c). For example, if $400,000 of losses were allocated to SHF for the fiscal year ending December 31, Year 1, then up to $400,000 of gross income may be allocated to SHF for the fiscal year ending December 31, Year 6. Notwithstanding the foregoing, in the last year of the Compliance Period, as defined in Section 42(i)(1) of the Code, gross income shall be allocated to SHF in an amount required to restore SHF's Capital Account to zero after taking into account SHF's share of Partnership minimum gain within the meaning of Regulation Section 1.704-2(b)(2) and SHF's share of partner non-recourse debt minimum gain within the meaning Regulation Section 1.704-2(i).

(d) Special Allocation of Losses. SHF may elect, by delivery of written notice to the General Partner, to receive an allocation of a deduction for the full amount of the Partnership's depreciation deduction and to have all remaining losses, other than losses causing an increase in SHF's share of minimum gain, to be allocated to the General Partner for the Fiscal Year in which such election is made and for each Fiscal Year thereafter until SHF terminates the election by delivery of subsequent written notice to the General Partner.

(e) Binding Effect of the DRO Provisions. The amounts determined under this Section 7 are binding upon subsequent transferees of SHF's interest in the Partnership.

    Section 811 Program Participation

Dear Brad:

This letter is to advise that at this time, we are unable to approve participation in the Section 811 program by these partnerships.

The goals of the 811 program are admirable, and we appreciate the efforts of TDHCA to reach people of low and moderate incomes and provide good housing options for these families.

However, after careful consideration, we cannot approve Section 811 units being placed on these properties at this time. The projects are not participating in the program currently, and we cannot allow Section 811 units to be set aside for this purpose. Our investments have multiple limited partner investors whose decisions to participate in LIHTC partnerships was based upon their review and understanding of the specific set aside requirements established at the time of development, and as reflected in the recorded land use restriction agreements.

Thank you for providing information regarding the 811 program. We look forward to continuing to provide quality affordable housing to the residents of these apartment communities under the current set aside requirements at these developments.

Yours Truly,

Rick White

(H) Receipt and approval by the Asset Manager of any outstanding delivery items required by this Partnership Agreement; and

(I) April 1, 2011.
A portion in the Developer Fee in the amount of $347,195 that is not projected to be paid out of the Limited Partner's Capital Contribution or the Project financing shall be payable from available Cash Flow, with interest thereon at the rate of four percent (4.0%), compounding annually and, if applicable, as provided in §3.1(c), above, subordinated to any Cash Flow payments to be made to the Limited Partner in satisfaction of a required Credit Reduction Payment. If any principal and/or accrued interest on the Deferred Development Fee remain unpaid by the end of the twelfth (12th) year of the Compliance Period, the General Partner shall make a Capital Contribution to the Partnership, as provided for in §3.1(c) above, in an amount sufficient to enable the Partnership to pay the outstanding amount of the Deferred Development Fee.

Notwithstanding anything to the contrary herein, if there are any cost savings with respect to the construction of the Project ("Cost Savings"), such Cost Savings shall be distributed, subject to the approval of the Asset Manager, in the following order: (A) first, in accordance with §5.1(a)(i) through (iii) hereof, (B) second, to reduce the amount of the Permanent Loan Gap Amount (which shall not be deemed loans by the General Partner or the Special Limited Partner), as set forth in §6.4(f)(iii), and (C) to the Developer as an incentive construction oversight fee in an amount not to exceed such amount as permitted by the State Housing Finance Agency or in any of the Loan Documents.

(c) The obligation to pay the amounts due under §3.2(a) and (b) is expressly conditioned upon each of the following requirements, in addition to those requirements that are set forth above, being satisfied at all times prior to and including the due dates of the above payments:

(i) The General Partner has fully complied with all of its covenants and obligations set forth in this Partnership Agreement (including, without limitation, those covenants and obligations set forth in §6.3);

(ii) The representations and warranties of the General Partner set forth in the Partnership Agreement are true and correct as of the date of funding of the Capital Contribution payment (including, without limitation, those set forth in §6.3);

(iii) The General Partner has fully complied with its obligation to furnish the Limited Partner with any reports or other information, in satisfactory form, required to be provided by the General Partner pursuant to Article 8 hereof, it being acknowledged and agreed that any penalty assessed against the General Partner under §8.6(a) for late delivery of reports shall be payable by the General Partner to the Limited Partner from any installment of the Developer Fee payable under §3.2(b), and the Limited Partner shall be entitled to deduct and pay such penalty amount from any installment due under §3.2(b) and the amount so deducted and applied shall be deemed for all intents and purposes to have been applied toward
payment of the Developer Fee (to be allocated 2.43% to LifeNet Community Behavioral Healthcare and 97.57% to Churchill Communities, L.P.);

(iv) There has been no, and there is no imminent nor threatened, material adverse change in the General Partner’s financial or business condition or operations that affects (or with the passage of time will affect) its ability to perform its obligations hereunder; and

(v) There has been no change in any law or regulation which would adversely affect the ability of the Partnership to generate Tax Credits.

(d) The General Partner shall deliver to the Limited Partner, not more than thirty (30) days nor less than ten (10) business days prior to the due date of each installment of the Limited Partner’s Capital Contribution, the General Partner’s written certification that each of the conditions set forth in §3.2(c), above, has been satisfied.

(e) Subject to the provisions set forth above, if a Limited Partner’s interest in the Partnership is liquidated (within the meaning of Regulations §1.704-1(b)(2)(ii)(g)) prior to the payment of the Limited Partner’s entire Capital Contribution pursuant to this §3.2, and this Limited Partner does not or has not provided a negotiable promissory note to evidence its obligation to pay its Capital Contribution, the Limited Partner shall pay no later than the end of the taxable year of the Partnership in which the Limited Partner’s interest is liquidated or, if later, within ninety (90) days after the date of the liquidation the lesser of (1) the unpaid balance of its Capital Contribution; and (2) its negative Capital Account balance.

§3.3 Intentionally Omitted.

§3.4 Interest on Capital Contributions. The Partnership shall not pay any Partner interest on its Capital Contribution.

§3.5 Withdrawal and Return of Capital Contributions. Except as provided elsewhere herein, no Partner has the right: (a) to withdraw any part of its Capital Contribution from the Partnership; (b) to demand a return of its Capital Contribution; or (c) to receive property other than cash in return for its Capital Contribution.

§3.6 Capital Accounts.

(a) The Partnership shall maintain for each Partner a separate capital account in accordance with §1.704-1(b) of the Regulations. The Capital Account of each Partner consists of the amount of its Capital Contribution, and will be (1) increased by (i) the fair market value of any property contributed by it to the Partnership, (ii) the amount of any Partnership liability assumed by such Partner or which is secured by any Partnership Property distributed to such Partner, and (iii) its allocable share of Profits and any items of income or gain specially allocated to it pursuant to §§4.2 (d) through (o), and (2) decreased by (i) the amount of any cash distributed to it, (ii) the fair market value of any Partnership
Property distributed to it, (iii) the amount of any liability of such Partner assumed by the Partnership or which is secured by any property contributed by such Partner to the Partnership, and (iv) its allocable share of Losses and any items of loss or deduction specially allocated to it pursuant to §§4.2 (d) through (o).

(b) If any Partnership Interests are transferred in accordance with the terms of this Partnership Agreement, then the transferee will succeed to the Capital Account of the transferor to the extent it relates to the transferred Partnership Interest. Upon the occurrence of any of the following events, the Partnership shall revalue the Partnership Property and adjust the Partners' Capital Accounts to reflect the gain (or loss) that would have been allocated to each Partner if all the Partnership Property had been sold at its fair market value immediately prior to the occurrence of any of the following events, and if required to cause the provisions herein regarding the maintenance of Capital Accounts to comply with §1.704(b) of the Regulations:

(i) Any new or existing Partner acquiring an additional interest in the Partnership in exchange for more than a de minimis Capital Contribution;

(ii) The Partnership distributing to a Partner more than a de minimis amount of property or money in consideration for an interest in the Partnership; or

(iii) The “liquidation” of the Partnership within the meaning of §1.704-1(b)(2)(ii)(g) of the Regulations, other than a “liquidation” resulting from a termination under §1.708-1(b)(1)(ii) of the Regulations.

The revaluation of the Partnership Property referred to in the immediately preceding sentence will be made in accordance with §1.704-1(b)(2)(iv)(f) of the Regulations.

The foregoing provisions and all other provisions of this Partnership Agreement relating to the maintenance of Capital Accounts are intended to comply with §1.704-1(b) of the Regulations and will be interpreted and applied in a manner consistent with such Regulations.

§3.7 Partnership Loans. Subject to the limitations set forth in §6.2(f), if from time to time the Partnership needs funds in excess of those provided by the Construction Loan, Permanent Loan, Subordinate Loan, Capital Contributions of the Partners, and funds required to be provided by the General Partner or any Affiliate of the General Partner pursuant to any obligation hereunder or any other agreement (such as pursuant to §§6.4(f)(i), §6.4(f)(ii), and §6.4(f)(iii)), any Partner or other person, organization, or institution may loan such additional funds to the Partnership at an interest cost to the Partnership and upon such terms, as agreed upon by the General Partner in its reasonable discretion, subject to compliance with the terms of existing loan agreements and this Partnership Agreement. Any loan made by a General Partner or an Affiliate of a General Partner will not bear interest in excess of the long term annual compounding Applicable Federal Rate. Any loan made hereunder by a Partner will be paid as provided in §5.1 and §5.2 hereof.
§3.8 Additional Capital Contributions. Except as expressly provided in this Partnership Agreement, no Partner is required to make contributions to the capital of the Partnership.

§3.9 Limited Partner’s Withdrawal Option. In the event that the following events have not occurred by the specified dates, unless such dates are waived or extended in writing by the Limited Partner:

<table>
<thead>
<tr>
<th>Event</th>
<th>Completion or Delivery Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Commencement of construction of the Project as evidenced in a manner as reasonably required by the Asset Manager.</td>

then the Limited Partner may, at its sole option and discretion, withdraw from the Partnership at any time unless and until it waives such withdrawal right in writing. Upon any such withdrawal, the Partnership shall execute and file a release of the Limited Partner’s UCC Financing Statement securing its Capital Contribution obligation, and the Partners shall execute an amendment to the Partnership Agreement, the General Partner shall execute, file, and record, as applicable, an amendment to the Partnership’s Certificate of Formation, reflecting the withdrawal of the Limited Partner and the release of all of the Limited Partner's obligations and liabilities in connection with the Partnership, all of the foregoing documents to be in form and content satisfactory to the Limited Partner. Notwithstanding any failure or delay in such execution and delivery, however, the Partnership Agreement shall be deemed to have been amended in accordance with the provisions of this §3.9 once the Limited Partner has provided the General Partner with written notice of its intent to withdraw. Nothing herein shall be construed to diminish any of the General Partner’s obligations under the Partnership Agreement to issue final accounting and tax reports to the Limited Partner for all periods prior to its withdrawal and in which its withdrawal occurred.
ARTICLE 4: ALLOCATION OF PROFITS, LOSSES AND TAX CREDITS

§4.1 Profit and Loss Allocations. Except as otherwise provided in §4.2, Profits and Losses for any fiscal year of the Partnership are allocated among the Partners in accordance with the following percentages:

§4.2 Special Allocations. Notwithstanding anything to the contrary contained in §4.1, the following special allocations in all events apply in determining the allocation of Profits and Losses among the Partners and are made prior to the allocations required under §4.1:

(a)  **Depreciation and Tax Credits.**

   (i) Depreciation (cost recovery) deductions and Tax Credits are allocated 0.009% to the General Partner, 0.001% to the Special Limited Partner and 99.99% to the Limited Partner.

   (ii) Any recapture of Tax Credits is allocated to the Partners that were allocated (or whose predecessors-in-interest were allocated) the depreciation/cost recovery deduction and Tax Credits associated therewith.

(b)  **Limitation on Allocations of Losses.** To the extent the allocation of any Losses to a Limited Partner would cause that Limited Partner to have an Adjusted Capital Account Deficit at the end of any fiscal year of the Partnership, then those Losses will not be allocated to that Limited Partner, but rather will be specially allocated to the General Partner.

(c)  **Profit Chargeback.** To the extent any Losses are allocated to the General Partner in accordance with subparagraph (b) of this §4.2, then Profits will thereafter first be specially allocated to the General Partner in proportion to and in an amount (1) up to but not exceeding the amount of any such allocations of Losses made to the General Partner under such subparagraph (b) but (2) not to the extent that Losses would be allocated to the Limited Partner in excess of the amount permitted by such subparagraph (b).

(d)  **Partnership Minimum Gain Chargeback.** Notwithstanding any other provision of this Article 4, if there is a net decrease in Partnership Minimum Gain during any Partnership fiscal year, then each Partner will be specially allocated items of Partnership income or gain for such fiscal year (and, if necessary, subsequent fiscal years) in an amount equal to the portion of such Partner’s share of the net decrease in the Partnership Minimum
Gain (determined in accordance with §1.704-2(g) of the Regulations). Any allocations made pursuant to this subparagraph (d) are to be made in proportion to the respective amounts required to be allocated to each of the Partners pursuant thereto. The items of Partnership income or gain specially allocated under this subparagraph (d) are to be determined in accordance with §1.704-2(f) of the Regulations. This subparagraph (d) is intended to comply with the minimum gain chargeback requirements of §1.704-2(f) of the Regulations and will be interpreted consistently therewith.

(e) **Partner Minimum Gain Chargeback.** Notwithstanding any other provision of this Article 4 (except subparagraph (d) of this §4.2), if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any Partnership fiscal year, then each Partner who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt (as determined in accordance with §1.704-2(i)(5) of the Regulations) will be specially allocated items of Partnership income and gain for such fiscal year (and if necessary, subsequent fiscal years) in an amount equal to the portion of such Partner's share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt (as determined in accordance with §1.704-2(i)(4) of the Regulations). Any allocations made pursuant to this subparagraph (e) will be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items of Partnership income or gain specially allocated under this subparagraph (e) will be determined in accordance with §1.704-2(i)(4) of the Regulations. This subparagraph (e) is intended to comply with the minimum gain chargeback requirements of §1.704-2(i)(4) of the Regulations and will be interpreted consistently therewith.

(f) **Qualified Income Offset.** If a Limited Partner unexpectedly receives any adjustments, allocations, or distributions described in §1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, then items of Partnership income or gain will be specially allocated to that Limited Partner in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of that Limited Partner as quickly as possible. The special allocations required pursuant to this subparagraph (f) are made only if and to the extent that that Limited Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 4 have been tentatively made as if this subparagraph (f) were not in the Partnership Agreement. This subparagraph (f) is intended to comply with the qualified income offset requirements of §1.704-1(b)(2)(ii)(d) of the Regulations and will be interpreted consistently therewith.

(g) **Gross Income Allocation.** If a Limited Partner has a deficit balance in its Capital Account at the end of any Partnership fiscal year which exceeds the sum of (1) the amount that Limited Partner is obligated to restore pursuant to any provision of this Partnership Agreement and (2) the amount that Limited Partner is deemed to be obligated to restore pursuant to the penultimate sentences of §1.704-2(g)(1) and 1.704-2(i)(5) of the Regulations, then that Limited Partner will be specially allocated items of Partnership income or gain in the amount of such excess as quickly as possible. The special allocations required pursuant to this subparagraph (g) are made only if and to the extent that that Limited Partner would have a deficit Capital Account in excess of the aforementioned sum.
after all of the allocations provided for in this Article 4 have been tentatively made as if subparagraph (f) and this subparagraph (g) were not in the Partnership Agreement.

(h) **Nonrecourse Deductions.** Nonrecourse Deductions are specially allocated among the Partners in accordance with the same percentages set forth in §4.1 with respect to Profits and Losses.

(i) **Partner Nonrecourse Deductions.** Partner Nonrecourse Deductions are specially allocated to the Partner who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with §1.704-2(i) of the Regulations.

(j) **§754 Adjustment.** To the extent an adjustment to the adjusted tax basis of any Partnership Property undertaken pursuant to §734(b) or 743(b) of the Code is required to be taken into account in determining the Capital Accounts of the Partners under §1.704-1(b)(2)(iv)(m) of the Regulations, then the amount of such adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss will be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to the aforementioned section of the Regulations.

(k) **Imputed Interest.** To the extent the Partnership has taxable interest income with respect to any Capital Contribution pursuant to §483 or §§1271 through 1288 of the Code, then (i) such interest income will be specially allocated to the Partner to whom such Capital Contribution relates, and (ii) the amount of such interest income will be excluded from the Capital Contributions credited to such Partner’s Capital Account in connection with the payments of principal with respect to such Capital Contribution.

(l) **Curative Allocations.** The special allocations set forth in subparagraphs (d) through (i) of this §4.2 are intended to comply with the requirements of §1.704-1(b) of the Regulations. These special allocations may lead to results, which are inconsistent with the Partners’ intentions concerning their sharing in Partnership distributions. Accordingly, the General Partner is hereby authorized and directed to specially allocate other items of Partnership income, gain, loss, and deduction among the Partners so as to prevent the special allocations required under subparagraphs (d) through (i) of this §4.2 from distorting the Partners’ understanding of the manner in which Partnership distributions are to be made to the Partners upon the dissolution and termination of the Partnership. In general, it is anticipated that the special allocations, if any, made under this subparagraph (l) are made by specially allocating other items of Partnership income, gain, loss, and deduction among the Partners so that the sum of the special allocations made to each Partner pursuant to subparagraphs (d) through (i) of this §4.2 equals the sum of the special allocations made under this subparagraph (l).
(m) **Matching Income Allocation of Income or Gain from Sales and Refinancing Proceeds.** All items of Partnership income or gain arising from events resulting in Net Cash from Sales or Refinancings are allocated:

(i) first, as specified in §4.2(d) through (g), (j) and (l) and §4.4(c) of this Partnership Agreement;

(ii) second, if after the allocation of Profits and Losses for the fiscal year in which the gain arose, any Limited Partner has a negative Capital Account balance, 99.99% to the Limited Partner, 0.001% to the Special Limited Partner and 0.009% to the General Partner, until each Limited Partner’s negative Capital Account is equal to zero;

(iii) third, 99.99% to the Limited Partner, 0.001% to the Special Limited Partner and 0.009% to the General Partner, until each Limited Partner’s positive Capital Account balance equals any amount to be distributed to the Limited Partner pursuant to §§5.2(a)(i) and 5.2(a)(ii); and

(iv) fourth, to the Partners in accordance with the percentages specified in §5.2(b).

(n) **Grant Income.** Any income recognized as a result of any receipt of grants by the Partnership shall be allocated one hundred percent (100%) to the General Partner, except that this provision shall not apply to the extent that the Project will be financed with tax-exempt bond proceeds. In addition, if the General Partner is (i) a “tax-exempt entity” within the meaning of §168(h)(2) of the Code, or (ii) a “tax-exempt controlled entity” within the meaning of §168(h)(6)(F)(iii) of the Code and has not made the election under §168(h)(6)(F)(ii) of the Code, the allocations to the General Partner under this §4.2 shall be limited to the highest percentage of the Partnership’s property treated as tax-exempt use property, as reflected in the Projections.

(o) **Special Adjustment.** The special allocations in this §4.2(o) shall apply notwithstanding any provision of this Partnership Agreement to the contrary. Prior to making any special allocations set forth in this §4.2, items of expenses and other deductions (other than depreciation, amortization, cost recovery deductions and Nonrecourse Deductions) equal to the sum of the amount of any loans to the Partnership made by the General Partner or any of its Affiliates pursuant to or for the purposes described in §§3.7 and 6.4(f)(i), 6.4(f)(ii) and 6.4(f)(iii) are specially allocated to the General Partner in each tax year in which any such loan is made. Further, if any loans of the General Partner or its Affiliates are repaid by the Partnership from Cash Flow pursuant to §5.1(a), the General Partner shall be specially allocated an amount of gross income equal to the lesser of (i) the amount of such repayment, or (ii) the aggregate amount of expenses and deductions specifically allocated to the General Partner under this §4.2(o). If the General Partner is (i) a “tax-exempt entity” within the meaning of §168(h)(2) of the Code, or (ii) a “tax-exempt controlled entity” within the meaning of §168(h)(6)(F)(iii) of the Code and has
not made the election under §168(h)(6)(F)(ii) of the Code, the allocations to the General Partner under this §4.2 (o) shall be limited to the highest percentage of the Partnership’s property treated as tax-exempt use property, as reflected in the Projections.

§4.3 Timing of Allocations. Except as otherwise expressly provided in this Partnership Agreement, all allocations of Profits, Losses, and Tax Credits are to be made as of the last day of each fiscal year of the Partnership.

§4.4 Other Allocation Rules. The following rules apply for the purpose of interpreting and applying the provisions of this Article 4 relating to the allocation of Profits, Losses, and Tax Credits among the Partners:

(a) Excess Nonrecourse Liabilities. Solely for purposes of determining a Partner’s proportionate share of the “excess nonrecourse liabilities” of the Partnership within the meaning of §1.752-3(a)(3) of the Regulations, the Partners’ respective interests in Partnership Profits shall be those percentage interests set forth in §4.1 (determined without regard to §4.2).

(b) Effect of Cash Distributions. To the extent permitted by §1.704-2(h) and §1.704-2(i)(6) of the Regulations, the General Partner shall endeavor to treat distributions of Cash Flow as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such distributions would cause or increase an Adjusted Capital Account Deficit for any Limited Partner.

(c) Recharacterization of Fee as Distribution. If any fee or portion thereof payable to any Partner or any Affiliate thereof is determined to be a nondeductible distribution from the Partnership to a Partner for federal income tax purposes, there will be allocated to such Partner an amount of gross income equal to such distribution.

§4.5 Tax Effect of Allocations. Except as otherwise required under the second paragraph of this §4.5, the allocation of Profits, Losses, and Tax Credits to any Partner under this Article 4 is deemed an allocation to that Partner of the same proportionate part of each separate item of Partnership taxable income, gain, loss, deduction, or credit comprising such Profits, Losses, and Tax Credits, including, without limitation, any “unrealized receivable” or “substantially appreciated inventory item” under §751 of the Code. The Partners are aware of the income tax consequences of the allocations made pursuant to this Article 4 and hereby agree to be bound by the provisions of this Article 4 in reporting their respective shares of Partnership income, gain, loss, deduction, and credit for income tax purposes.

Notwithstanding anything to the contrary contained in this Article 4, income, gain, loss, deduction, and credit with respect to any Partnership Property contributed to the capital of the Partnership by any Partner is, solely for tax purposes, allocated among the Partners so as to take into account any variation between the adjusted tax basis of such Partnership Property to the Partnership for federal income tax purposes and the value assigned to such Partnership Property for the purposes of the computation of the Partners’ Capital Accounts. If any revaluation of the Partnership Property
is made by the General Partner (which revaluation may only be made with the consent of the
Limited Partner) then any subsequent allocations of income, gain, loss, deduction, and credit with
respect to such Partnership Property will take into account any variation between the adjusted tax
basis of such Partnership Property for federal income tax purposes and the value assigned to such
Partnership Property as a result of such revaluation. All allocations required under this paragraph of
§4.5 are solely for purposes of federal, state, and local income taxes. These allocations do not affect
and must not in any way be taken into account in computing any Partner’s Capital Account or any
Partner’s share of Profits, Losses, Tax Credits or other items or distributions required or permitted to
be made pursuant to any provision of this Partnership Agreement. This §4.5 is intended to conform
to §704(c) of the Code.
ARTICLE 5: DISTRIBUTIONS

§5.1 Distribution of Cash Flow.

(a) Cash Flow shall be paid, prior to the making of any distributions pursuant to §5.1(b) hereof, in the following order and priority:

   (i) First, to the Limited Partner to the extent of any amount which the Limited Partner is entitled to receive in order to satisfy any amounts owed to it pursuant to §6.9 hereof;

   (ii) Second, to the Asset Manager to pay any accrued and payable Asset Management Fees;

   (iii) Third, to the Developer to pay any unpaid balance on the Deferred Development Fee;

   (iv) Fourth, to the Operating Reserve Account until such time as such account is replenished up to the Operating Reserve Target Amount;

   (v) Fifth, to pay any accrued and unpaid principal and interest on loans made by the Limited Partner pursuant to §3.7;

   (vi) Sixth, to repay any accrued and unpaid principal and interest on loans made by the General Partner and Special Limited Partner, pro rata, pursuant to §3.7;

   (vii) Seventh, to the General Partner (in the order of loans made, with earlier loans repaid in full before subsequent loans are repaid) to repay any amounts treated as loans to the Partnership (without interest) by the General Partner pursuant to §6.4(f)(i), §6.4(f)(ii) or §6.4(f)(iii) and not yet repaid; and

   (viii) Eighth, ninety percent (90.0%) of the balance, if any, to the General Partner and the Special Limited Partner as an Incentive Partnership Management Fee, on a non-cumulative basis (to be allocated 88% to the Special Limited Partner and 12% to the General Partner).
(b) After making the payments described in §5.1(a) hereof, the remaining Cash Flow, if any, shall be distributed to the Partners in accordance with the following percentages:

Notwithstanding any other provision of this §5.1 to the contrary for each fiscal year a sufficient amount of Cash Flow shall be distributed to the Limited Partner such that, when such distribution is added to all other distributions of Cash Flow made to the Limited Partner with respect to such fiscal year, the Limited Partner will have received an amount of Cash Flow equal to at least 10% of all Cash Flow which remains after repayment of the loans referred to in §5.1(a)(vii) with respect to such fiscal year.

§5.2 Net Cash from Sales and Refinancings. Except as otherwise provided in Article 11 of this Partnership Agreement (pertaining to the liquidation and dissolution of the Partnership), Net Cash from Sales and Refinancings shall be paid or distributed to the Partners as provided in this §5.2.

(a) Payments. Net Cash from Sales and Refinancings shall be paid in the following order and priority:

(i) First, to the Limited Partner to the extent of any amount to which the Limited Partner is entitled to receive pursuant to §6.9;

(ii) Second, to the Limited Partner an amount equal to the amount of taxes which will be imposed upon the Limited Partner as a result of the sale or refinancing, assuming that the Limited Partner is subject to the highest marginal federal, state and local income tax rates in effect at such time for corporations;

(iii) Third, to the payment of current and accrued Asset Management Fees, if outstanding;

(iv) Fourth, to the Developer to pay any unpaid balance, if any, on the Deferred Development Fee;

(v) Fifth, to the Asset Manager the Disposition Fee;

(vi) Sixth, to pay any accrued and unpaid principal and interest on loans made by the Limited Partner pursuant to §3.7;
(vii) Seventh, to repay any accrued and unpaid principal and interest on loans made by the General Partner and Special Limited Partner, pro rata, pursuant to §3.7; and

(viii) Eighth, to the General Partner (in the order of loans made, with earlier loans repaid in full before subsequent loans are repaid) to repay any amounts treated as loans to the Partnership (without interest) by the General Partner pursuant to §6.4(f)(i), §6.4(f)(ii) or §6.4(f)(iii), and not yet repaid.

(b) **Distributions.** After making the payments specified in §5.2(a) hereof, the balance of Net Cash from Sales and Refinancings, if any, shall be distributed 10% to the Limited Partner, 10% to the General Partner and 80% to the Special Limited Partner..

**§5.3 Timing of Distributions.** Distributions of Cash Flow shall be made annually within ninety (90) days after the end of each fiscal year of the Partnership. The determination of the amount of Cash Flow distributable annually to the Partners under this Article 5 shall be based upon the state of facts existing on the last day of each fiscal year of the Partnership.

**§5.4 Treatment of Distributions.** Distributions to a Partner of Cash Flow are considered draws against such Partner’s allocable share of the Partnership’s Profits and Losses.

**§5.5 Failure to Make Tax Elections.** Notwithstanding anything to the contrary in this Article 5, if the General Partner is required to make the election pursuant to §168(h)(6)(F)(ii) of the Code and the election to be taxed as a corporation for Federal income tax purposes prior to the end of the calendar year in which the Project achieves Placement in Service, but fails to properly do so, then the General Partner shall not be entitled to any distributions under this Article 5 (except for the payment of any Developer Fee or repayment of any General Partner loans) in excess of 0.01% of the Cash Flow.
ARTICLE 6: POWERS, RIGHTS AND DUTIES OF GENERAL PARTNER

§6.1 Management of Partnership. The Partnership is managed by the General Partner, who exercises full and exclusive control over the affairs of the Partnership, subject, however, to the limitations on its authority set forth in this Partnership Agreement (including, without limitation, §§6.2 and 6.3). The General Partner is under a fiduciary duty to conduct and manage the affairs of the Partnership in a prudent, businesslike, and lawful manner and will devote such part of its time to the affairs of the Partnership as is deemed necessary and appropriate to pursue the business and carry out the purposes of the Partnership as contemplated in this Partnership Agreement. The General Partner shall use its best efforts and exercise good faith in all activities related to the business of the Partnership. The General Partner shall perform services in connection with the acquisition of the Project Property, including, if applicable, negotiating the purchase agreement with the seller of the Project Property, acting on behalf of the Partnership with federal, state and local authorities with respect to the Project Property, monitoring compliance with zoning, land use and other requirements with respect to the Project Property, and preparing or causing to be prepared such third-party studies as it deems necessary in connection with the acquisition of the Project Property.

§6.2 Restrictions on General Partner’s Authority. Notwithstanding anything to the contrary contained in this Partnership Agreement, the General Partner does not have the authority to take any of the actions set forth below without the prior written consent of the Limited Partner:

(a) Do any act in contravention of or inconsistent with this Partnership Agreement or any other agreement to which the Partnership is a party (including, without limitation, those relating to the Construction Loan, Permanent Loan, and Subordinate Loan);

(b) Do any act making it impossible to carry on the ordinary business of the Partnership;

(c) Confess a judgment against the Partnership;

(d) Use Partnership Property or assign rights in specific Partnership Property for other than a Partnership purpose;

(e) Sell or otherwise transfer any interest in the Project Property or an material asset of the Partnership (other than leases of Residential Units or, where applicable, commercial space, in the ordinary course of the Partnership’s business, and a transfer pursuant to §9.6 below);

(B) In the event that the General Partner fails to pay development costs as required under this §6.4(f)(i), an amount not in excess of the total of any remaining unpaid Limited Partner Capital Contribution installments will be applied by the Partnership to meet such obligations of the General Partner and any Guarantors. The General Partner and any Guarantors shall remain liable for all of their guaranty obligations including any portion funded from remaining unpaid Limited Partner Capital Contribution described in the prior sentence. Any direction and application of funds otherwise payable pursuant to §3.2 hereof constitutes reductions in amounts owed pursuant to §3.2, and the Limited Partner’s obligation to make such installment payments pursuant to §3.2.
(ii) **Operating Deficit Guaranty.**

(A) The General Partner shall be obligated to provide any funds needed by the Partnership, after all funds in the Operating Reserve Account have been used, to fund Operating Deficits during the Operating Deficit Guaranty Period ("Operating Deficit Guaranty").

(B) The General Partner shall be required, upon the reduction of the Operating Reserve Account to zero, to promptly provide funds to the Partnership from time to time as needed in an amount up to the Operating Deficit Guaranty Amount for Operating Deficits occurring during the Operating Deficit Guaranty Period. Repayment of any letters of credit or other borrowings arranged by the General Partner to meet its obligations under this §6.4(f)(ii)(B) shall be the sole obligation of the General Partner. Subject to §6.4(f)(ii)(C) below, funds made available by the General Partner to fulfill its obligations pursuant to this §6.4(f)(ii)(B) shall be accounted for as unsecured loans to the Partnership by the General Partner and may be reimbursed to the General Partner, without interest, in accordance with §5.1 hereof, or out of the proceeds of refinancing or sale pursuant to § 5.2 hereof.

(C) If the Operating Deficits overruns are due to the gross negligence or willful misconduct of the General Partner, then any guaranty advances made by the General Partner to cover such costs shall be deemed to be damages that are not repayable as loans to the Partnership.

(iii) **Permanent Loan Conversion Guaranty.** If, immediately prior to the conversion of the Construction Loan to the Permanent Loan, the Right-Sized Permanent Loan Amount is less than the Permanent Loan amount that is set forth in the Projections ("Permanent Loan Gap Amount"), then the General Partner shall be required to provide funds to the Partnership in an amount equal to the Permanent Loan Gap Amount. Funds provided by the General Partner to fulfill its obligations pursuant to this §6.4(f)(iii) shall be accounted for as unsecured loans to the Partnership by the General Partner and may be reimbursed to the General Partner, without interest, in accordance with §5.1 hereof or out of the proceeds of refinancing or sale pursuant to §5.2 hereof.

(iv) **Cumulative Guaranty Obligations.** The various guaranty obligations under this §6.4(f) are cumulative, not concurrent. Any limitation of liability under one guaranty shall not affect the amount of liability under any other guaranty, and any payment of obligations under one guaranty shall not reduce the amount of liability under any other guaranty.

(g) **Required Reserves.**
(ii) Operating Reserve. The General Partner shall establish an operating reserve (the "Operating Reserve") to fund Operating Deficits incurred by the Partnership. The Operating Reserve shall be funded from NEFAC's Fourth Installment of Non-Developer Equity in the amount of Three Hundred Seventy Thousand One Hundred Fifty and No/100 Dollars ($370,150.00), held in a separate bank account (the "Operating Reserve Account"), controlled by the General (or a Project lender, if required by such lender), and maintained until the end of the Project's Compliance Period. Throughout the Compliance Period, the General Partner shall also be obligated, to the extent funds are available, to replenish the Operating Reserve Account up to the Operating Reserve Target Amount out of Cash Flow in accordance with §5.1 hereof or from sales or refinancings (prior to the distribution of Net Cash from Sales and Refinancings). Withdrawals from the Operating Reserve Account will require the written approval of the General Partner and the Asset Manager (except in the event of an emergency that has an immediate impact on the safety of the residents or structural integrity of the Project and in cases where the Account is under the control of a Project lender in which case the General Partner shall, within five (5) business days of such withdrawal, notify the Asset Manager and the Special Limited Partner in writing of the amount of the withdrawal from the Operating Reserve Account and the purpose for which such withdrawal was made). If applicable, within five (5) business days of receipt by the Asset Manager of such request, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such five (5) business day period, the withdrawal request will be deemed to be approved by such non-responsive party. Upon depletion of all of the funds in the Operating Reserve Account, any continuing shortfalls shall be funded pursuant to the Operating Deficit Guaranty described above in §6.4(f)(ii).

Notwithstanding anything to the contrary in this §6.4(g)(ii), beginning in the eleventh (11th) year of the Credit Period and for every year thereafter, the General Partner shall be allowed to request of the Asset Manager the ability to use up to twenty percent (20%) of any funds remaining in the Operating Reserve Account for each remaining year of the Compliance Period for the sole purpose of funding capital improvements and repairs to the Project, in accordance with §6.4(g)(iii) below; provided, however, that (A) the Operating Reserve Account on the first day of the eleventh (11th) year is funded in an amount not less than the Operating Reserve Target Amount, (B) the Project has achieved an average Debt Service Coverage Ratio of 1.15 or better for the immediate prior 24 months (during which time there had been no draws upon the Operating Reserve Account), and (C) the General Partner provides satisfactory evidence to the Asset Manager that the Project is projected to operate at a Debt Service Coverage Ratio of 1.15 or better for the remaining term of the Compliance Period.
(iii) **Replacement Reserve.** The General Partner shall establish a replacement reserve (the "Replacement Reserve") to fund capital improvements and repairs to the Project. The Replacement Reserve shall be funded from the Limited Partner's Fourth Installment of Project Equity in the amount of One-Hundred and No/100 Dollars ($100.00), held in a separate bank account (the "Replacement Reserve Account"), controlled by the General Partner (or a Project lender, if required by such lender), and maintained until throughout the Project's Compliance Period. The General Partner will also be required to fund the Replacement Reserve Account on a cumulative basis, annually, in an amount equal to the greater of $250 per unit per year (to be increased annually by 3.0%) or such amount as required by any Project lender, from Gross Cash Receipts prior to distribution of Cash Flow. Withdrawals from the Replacement Reserve Account in excess of Five Thousand and No/100 Dollars ($5,000.00) in the aggregate in any given month (unless such withdrawal was provided for in the approved Project budget) will require the written approval of the General Partner and the Asset Manager (except in cases where the Replacement Reserve Account is under the control of a Project lender, in which case the General Partner shall, within five (5) business days of such withdrawal, notify the Asset Manager and the Special Limited Partner in writing of the amount of the withdrawal from the Replacement Reserve Account and the purpose for which such withdrawal was made). If applicable, within five (5) business days of receipt by the Asset Manager of such request, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such five (5) business day period, the withdrawal request will be deemed to be approved. Any funds remaining in the Replacement Reserve Account at the end of the Project's Compliance Period shall, subject to any required Lender consent, be released from the Replacement Reserve Account and used by the Partnership to first pay the Limited Partner's exit taxes due upon sale or dissolution pursuant to §9.6 and §11.1 hereof. Any funds still remaining in the Replacement Reserve Account after the Limited Partner's exit taxes have been fully paid shall, subject to any required Lender consent, be distributed to the Partners in accordance with §5.2 hereof (in the case of a sale of the Project), or in accordance with §11.2 hereof (in the case of the dissolution of the Partnership). After the completion of the seventh (7th) year of the Project's Compliance Period, the Asset Manager shall have the right to require a physical assessment of the Project pursuant to which the amount required to be maintained in the Replacement Reserve Account may be increased at the reasonable discretion of the Asset Manager.

The above reserves shall be held in segregated interest bearing accounts (the Lease-up Reserve, if applicable, may be held in the same account as the Operating Reserve). Any failure to obtain any required approval of the Asset Manager or failure to provide the Asset Manager with proper notice shall constitute an Event of Default under
§10.6 below. Any interest earned with respect to any of the above reserve accounts shall be deposited into that respective reserve account for the benefit of the Partnership.

(h) **Qualified Occupancy.** The General Partner shall cause the Project Property to achieve Qualified Occupancy on or before the Qualified Occupancy Date.

(i) **Property Management.** The General Partner, on behalf of the Partnership, shall enter into a Property Management Agreement with the Property Management Agent for the physical property management and leasing of the Project, in form and of content as set forth in a separate document approved in writing by the General Partner and the Asset Manager. The General Partner, on behalf of the Partnership, shall diligently enforce all of the obligations of the Property Management Agent under the Property Management Agreement and shall perform all of the Partnership's obligations as owner thereunder, subject to the following terms and conditions:

(i) **Renewal or Successor Agreements.** Upon the termination of such Property Management Agreement or any subsequent Property Management Agreement, the General Partner shall renew the same or enter into an agreement that does not differ materially from the initial Property Management Agreement in Property Management Agent obligations and owner remedies, or in any other respect, with the same Property Management Agent or another Property Management Agent of at least comparable ability and experience who can reasonably be expected to perform at least as well, subject to the requirements of subparagraphs (ii) and (iii) hereinbelow.

(ii) **Notice and Consultation.** If the General Partner wishes to enter into a new form of management agreement or retain the services of a different Property Management Agent, it shall give the Asset Manager and the Special Limited Partner at least thirty (30) business days' prior written notice of the proposed change, accompanied by a copy of any proposed new Property Management Agreement and a written description of the identity and qualifications of any proposed new Property Management Agent, and the General Partner shall consult with the Asset Manager regarding the proposed change.

(iii) **Asset Manager Consent.** Under any circumstances, the General Partner shall not enter into a new management agreement materially different from the initial Property Management Agreement in any respect without the prior written consent of the Asset Manager as to the form and content of such new management agreement, nor shall the General Partner retain the services of a management agent other than a management agent previously approved by the Asset Manager without the prior written consent of the Asset Manager as to the identity and qualifications of such new management agent, provided such consent shall not be unreasonably withheld, conditioned or delayed. For purposes of this provision, a management agreement shall be deemed to be materially different if
the agreement involves a change in the parties, services or fees to be provided to the management agent.

(iv) Termination of Non-Performing Property Management Agent. If the Property Management Agent fails to perform any of its obligations under the Property Management Agreement, whether general or specific obligations, in any material respect, including without limitation, failure to capably manage the Project as measured by sustained high Project vacancies, delinquent rents, or Operating Deficits (in each case beyond levels specified in the Projections), inadequate maintenance, or failure to qualify tenants under low-income housing tax credit requirements, or repeated failure to provide or unreasonable delay in providing accurate financial or operating reports to the General and the Limited Partner, the General Partner shall promptly comply with the terms of the Property Management Agreement regarding notice to the Management Agent and its opportunity to cure. The General Partner shall also simultaneously provide the Asset Manager and the Special Limited Partner with a copy of this notice and any documentation explaining why the Management Agent should not be terminated for cause. Upon expiration of the applicable cure period, and the failure of the Management Agent to cure its breach of the Property Management Agreement, the General Partner shall consult with the Asset Manager as to whether or not the Management Agent should be retained and, if so, under what terms and conditions. Unless within ten (10) business days of the delivery of this notice the Asset Manager consents in writing to the retention of the Managing Agent, the General Partner shall terminate the Management Agent for cause, in accordance with the terms of the Property Management Agreement. The General Partner shall also immediately enter into a new Property Management Agreement with a substitute Management Agent, subject to the prior written consent of the Asset Manager. For purposes of this §6.4(i)(iv), “cause” shall include, but not be limited to, any one of the following: (a) failure to promptly and competently perform (after any applicable notice and within the applicable cure period) all duties of the Management Agent under the Property Management Agreement with the Partnership, (b) failure of the Project to generate at least 80% of the Projected Tax Credits in any calendar year, (c) failure to materially comply with the record keeping, tenant qualification and rental requirements of the Extended Use Agreement and §42 of the Code and the Regulations, rulings, and policies related thereto, (d) material mismanagement of the Project, or (e) if the Management Agent is an Affiliate of the General Partner, removal of the General Partner pursuant to §10.6 hereof.

(v) Removal of Non-Complying General Partner. If the General Partner fails to comply with any of the requirements of this §6.4(i), it may be removed for cause pursuant to §10.6 hereof.

All Property Management Agreements shall contain specific provisions requiring the Property Management Agent to rent to low-income tenants at the level required to

-57-
maintain Qualified Occupancy, to obtain prior written approval of the General Partner for any deviation from such level, to obtain tenant income certifications and employer and/or other relevant verifications of tenant income, to determine low-income tenant eligibility for tax credit purposes, to deliver certifications of its compliance with these requirements and of Project rent rolls upon Qualified Occupancy and annually prior to the times such information is required for low-income housing tax credit purposes, to keep records of such low-income rental and occupancy and deliver copies of leases, certifications, and verifications to the Partnership, and to prepare elections, certifications, and any other materials contemplated by §6.4(i) hereof, to the extent necessary or advisable to qualify for and maintain the Tax Credit and any other available tax benefits in connection with such rental and occupancy. Where the Property Management Agent is the General Partner, the Special Limited Partner or their Affiliate, each management agreement shall provide that the management agent’s monthly fees are accrued and subordinated to payment of Operating Deficits until funds are available to pay such fees.

(j) **Cooperation with Asset Manager.** The General Partner shall cooperate and shall cause the Property Management Agent to cooperate fully with the Asset Manager so that the Asset Manager may carry out its duties and obligations.

(k) **Rental Program.** The General Partner shall cause the Project to be rented to low-income tenants to the extent projected in the Projections. Without limitation of the foregoing, the General Partner shall (i) achieve Qualified Occupancy (as defined in Article I) within the time specified in the Projections; (ii) comply with the rent schedule set forth in the Projections; (iii) cause to be kept all records of rental and occupancy throughout the Compliance Period; (iv) cause the Property Management Agent to comply with all income certification or other record-keeping requirements of the Code and Regulations, and of prudent management accounting practices, to support the claim of a low-income housing tax credit based on the occupancy requirements for the Project and any other material tax benefits resulting from such low-income occupancy of the Project; and (v) take such other actions required under §6.4 (i) below to claim all available tax benefits in connection therewith. The General Partner and the Property Management Agent shall comply with all income certification or other record-keeping requirements of the Code and Regulations, and of prudent management accounting practices, to support the claim of a Tax Credit based on the occupancy requirements for the Project and any other material tax benefits resulting from such low-income occupancy of the Project.

(l) **Tax Benefits Requirements.** The General Partner acknowledges that it is of great importance that the Tax Credits and all other tax benefits contemplated in the Projections be achieved and maintained. Accordingly, the General Partner agrees as follows:

(i) **No Delays.** The General Partner shall not cause or suffer any delay in Placement in Service or Qualified Occupancy that would reduce such anticipated tax benefits.
(ii) **Record-Keeping.** The General Partner shall cause to be kept all records and cause to be made all elections and certifications, pertaining to the number and size of apartment units, occupancy thereof by tenants, income levels of tenants, set-aside for low-income tenants, and any other matters now or hereafter required to qualify for and maintain the Tax Credits and any other available tax benefits in connection with low-income occupancy of the Project.

(iii) **Set-Aside Election.** The General Partner shall elect the minimum low-income set-aside requirement specified in the Projections within twelve (12) months after Placement in Service or such other time period as may hereafter be required by the Code or Regulations thereunder for such Tax Credits; provided, however, that in the event it becomes reasonably certain that such set-aside either will not be met or will be exceeded, the General Partner shall promptly so notify the Partners in writing and shall proceed to elect such other minimum set-aside requirement as will best protect or enhance the projected tax benefits to the Partners under the circumstances.

(iv) **Initial Tax Credit Year.** The General Partner shall elect, subject to the approval of the Limited Partner, to claim such Tax Credits for each building in the Project commencing with the earlier of the year in which Qualified Occupancy for such building is achieved or the year succeeding the year in which Placement in Service occurs. The General Partner shall develop and lease the Project within such time that the initial year during which such Tax Credit is elected to be claimed will be no later than the year specified in the Projections.

(v) **Annual Compliance Procedures.** As soon as feasible after Qualified Occupancy has occurred and annually thereafter, prior to the times such information is required by the State Housing Finance Agency for Tax Credit reporting purposes, the General Partner shall:

(A) cause the Partnership's Property Management Agent to submit to the Partnership the certifications and all other applicable materials related to low-income leasing described in §6.4(k) hereof;

(B) check and verify the same against leases, certifications, and other appropriate back-up materials to the extent necessary or advisable to determine with reasonable assurance that the low-income leasing requirements have been met for Tax Credit purposes; and

(C) execute and deliver to the Limited Partner a certification, in form reasonably acceptable to the Limited Partner, stating that the General Partner has complied with the foregoing requirements and attaching copies of the managing agent’s certification and rent roll in a format reasonably acceptable to the Limited Partner.
The General Partner’s initial certification following Qualified Occupancy shall also specify the Qualified Occupancy Date.

(vi) **Cost Accounting.** As soon as feasible after Placement in Service has occurred, prior to the time such information is required by the State Housing Finance Agency for Tax Credit reporting purposes, the General Partner shall:

(A) cause the Accountant to submit to the General Partner a letter, as required by the State Housing Finance Agency and in a form and content reasonably acceptable to the Limited Partner, certifying that the Accountant has examined the Partnership’s books and records for the Project and, subject to any changes in facts or applicable law, is prepared to sign a tax return for the Partnership reflecting that all costs specified in the letter or in an attached schedule are includable in qualified basis for the Tax Credits; and

(B) execute and deliver to the Limited Partner a Cost Certification, in form and content reasonably acceptable to the Limited Partner, stating that the amounts described in the Accountant’s letter accurately reflect Project costs incurred and attaching a copy of such letter.

(vii) **Tax Filings.** The General Partner shall properly reflect all Tax Credits and other tax benefits in preparing and filing federal return of income forms on behalf of the Partnership in accordance with §8.4 hereof. Notwithstanding anything in this Partnership Agreement to the contrary, in no event shall the General Partner cause or suffer any delay in the filing of such form covering the year in which Qualified Occupancy occurred. The General Partner shall obtain and deliver to the Limited Partner at the earliest feasible time a fully executed Form 8609.

(viii) **Compliance Certifications.** The General Partner shall certify compliance with the elected set-aside requirement and report the dollar amount of Qualified Basis, maximum Applicable Percentage and Qualified Basis under the State Housing Finance Agency allocation, date of Placement in Service, and any other information required for the aforesaid Tax Credit within ninety (90) days after the end of the first taxable year for which such Tax Credit is claimed and for each taxable year thereafter during the Compliance Period for such Tax Credit, or such other time periods as may hereafter be required by the Code or Regulations thereunder for such Tax Credit.

(ix) **Intentionally Omitted.**

(x) **Notice of Tax Benefits Reduction.** In the event at any time it becomes
apparent that the tax benefits projected in the Projections are likely to be reduced, the General Partner shall promptly notify the Limited Partner of the circumstances.

(xii) **Consequences of Tax Benefits Reduction or Delay.** In the event there is a reduction or delay of tax benefits, then the provisions of §6.9 hereof relating to reduction in the amount of remaining installments of Limited Partner’s Capital Contributions and other consequences described therein shall govern where applicable.

(xii) **Extended Use Agreement.** The General Partner, on behalf of the Partnership, shall enter into an Extended Use Agreement pursuant to §42(h)(6) of the Code, in the form of an agreement between the Partnership and the State Housing Finance Agency that has allocated or will allocate Tax Credits to the Project, and shall cause such agreement to be recorded pursuant to state law as a restrictive covenant as soon as feasible but in any event prior to the end of the tax year during which the Project is deemed to achieve Placement in Service under §42 of the Code.

(xiii) **Local Code Compliance.** The General Partner shall maintain the Project in compliance with rules prescribed by the Secretary of Treasury pursuant to §42(i)(3)(B)(ii) of the Code. The General Partner shall also promptly provide the Limited Partner with any notice or other documentation sent by any federal, state or local governmental agency that the Project may be in violation of any health, environmental, safety, building, or other federal, state or local statute, regulation, or ordinance. With respect to building code or Environmental Law violations that are to be corrected during the construction or rehabilitation of the Project, the General Partner shall certify or shall cause the project architect or the project general contractor to certify upon completion of the Project that such building code and Environmental Law violations have been corrected. In lieu of a certification regarding the correction of building code violations, the General Partner may obtain or cause to be obtained a current owner’s title insurance policy indicating that no building code violations exist at the time construction or rehabilitation is completed.

(xiv) **Carryover Allocation.** The General Partner shall obtain from the State Housing Finance Agency and shall deliver to the Limited Partner within 10 days after receipt the following:

(A) a Carryover Allocation accompanied by a tax opinion that is based on the Accountant’s Carryover Certification which states that the Partnership’s basis in the Project, as of the dated required under §42(h)(1)(E)(ii) of the Code, was greater than ten percent (10%) of the Partnership’s reasonably expected basis in the Project as of the end of the
second calendar year following the calendar year in which the Tax Credit allocation for the Project was awarded; or

(B) a reservation of Tax Credits, provided that:

(1) the General Partner shall deliver or cause to be delivered to the Limited Partner the Accountant's Carryover Certification thirty (30) days prior to the date specified by the State Housing Finance Agency for the required Accountant's Carryover Certification to be submitted to the State Housing Finance Agency; and

(2) the General Partner shall deliver a copy of the Carryover Allocation to the Limited Partner and the Special Limited Partner within thirty (30) days from the date that such Carryover Allocation is delivered to the Partnership.

(m) **Mold Inspections:** The General Partner agrees to inspect the Project Property at least once annually for the presence of any mold, fungus or moisture buildup in or on the Project Property. In the event any material amount of mold, fungus or moisture buildup is identified in or on the Project Property, the General Partner shall notify the Limited Partner within ten (10) business days and shall consult with the Limited Partner regarding the need to hire an environmental consultant to evaluate the mold, fungus or moisture buildup and the need to prepare and implement a remediation plan.

§6.5 **Fees for Services Rendered.** The Partnership shall pay the following described fees to the Partners or Affiliates of one or more Partners indicated below:

(a) **Development Fee.** As provided in the Development Agreement and §3.2(b) hereof, the Partnership shall pay the Developer Fee to the Developer for the services and obligations described in the Development Agreement.

(b) **Intentionally Omitted.**

(c) **Asset Management Fee.** The Partnership shall pay the Asset Management Fee annually to the Asset Manager for property management oversight, tax credit compliance monitoring, and related services. The Asset Manager will not incur any liability to the General Partner or the Partnership as a result of the Asset Manager's performance of or failure to perform its asset management services. The Asset Manager owes no duty to the General Partner or the Partnership and may only be terminated by the Limited Partner.
(d) **Disposition Fee.** The Partnership shall pay the Asset Manager a Disposition Fee equal to $25,000 at the time of closing of the sale of the Project (out of the net sales proceeds) or the Limited Partner's interest in the Project.

(e) **Incentive Partnership Management Fee.** The Partnership shall pay an Incentive Partnership Management Fee, on an annual, non-cumulative basis, in the amount and priority specified in §5.1(a) hereof to compensate the General Partner for monitoring the activities of the Partnership, supervising the Management Agent, and reporting to the Asset Manager so as to enable the Partnership to comply with all Code requirements for the Tax Credit and to establish eligibility for such Tax Credit with respect to the Project and avoid recapture thereof during the Compliance Period.

(f) **Other Considerations.**

(i) The Development Agreement and any other agreement entered into by the Partnership and the General Partner, the Special Limited Partner, or any of their Affiliates thereof will specifically provide that such agreement shall be terminable, with respect to each of them, at the election of the Limited Partner if the General Partner or Special Limited Partner is removed pursuant to §10.6 hereof; provided, however, that any accrued or deferred fees payable to either Developer pursuant to the Development Agreement will be paid to that Developer through the date of such termination.

(ii) None of the payments or reimbursements to any of the Persons indicated above will be considered a distribution of Cash Flow to any Partner and, except as otherwise specifically provided herein, the General Partner may make any such reimbursement or payment prior to any distribution of any Cash Flow to the Partners.

Notwithstanding anything to the contrary herein, the sum of (A) the Incentive Partnership Management Fee, plus (B) any other incentive fees, plus (C) if the Management Agent is an Affiliate of the General Partner, the fee payable to the Management Agent pursuant to the Property Management Agreement, shall not exceed 12% of the gross income of the Partnership, adjusted for regional variations.

§6.6 **Outside Ventures of Partners.** Any Partner may engage in or possess an interest in any other business venture of any type or description, independently or with others (including, without limitation, any venture which may be competitive with the business being conducted by the Partnership) and neither the Partnership, nor any Partner will, by virtue of this Partnership Agreement, have any right, title or interest in or to such outside ventures or the income or other benefits derived therefrom.

§6.7 **Dealing With Affiliates.** The General Partner may employ or retain in any capacity any Partner or Affiliate of any Partner so long as the terms upon which such Partner or such Affiliate is employed or retained are commercially reasonable under the circumstances and
comparable to those terms which could be obtained from an independent person for comparable services in the area where the Project is located or the Partnership has its principal office.

§6.8 Indemnification of Partnership and Limited Partner, Limitation on Liability.

(a) The General Partner and Special Limited Partner hereby agree to defend, indemnify, and hold harmless the Partnership and the Limited Partner and their successors and assigns, from and against any loss, claims, demands, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees or damages (including foreseen and unforeseen damages and consequential damages) arising directly or indirectly out of the presence on or under the Project Property of any Hazardous Substance, or the use, release, generation, manufacture, storage, or disposal of any Hazardous Substance on, under or about the Project Property.

(b) In the event the Partnership or the Limited Partner becomes liable, due to the presence of any Hazardous Substance in the Project, under any statute, regulation, ordinance, or other provision of federal, state, or local law pertaining to the protection of the environment or otherwise pertaining to public health or employee health and safety, including without limitation protection from hazardous waste, lead-based paint, asbestos, methane gas, urea formaldehyde insulation, oil, toxic substance, underground storage tanks, PCBs, and radon, the General Partner and Special Limited Partner shall indemnify and hold harmless the Limited Partner and the Partnership for any and all actual out of pocket costs, expenses (including reasonable attorneys’ fees), damages, or liabilities incurred by the Limited Partner upon demand by the Limited Partner at any time and from time to time, to the extent that the Partnership or the Limited Partner is required to discharge such costs, expenses, damages, or liabilities in whole or in part from any source. The foregoing indemnification obligations of the General Partner and Special Limited Partner shall be limited if and to the extent the Limited Partner participates in the control of the Partnership’s business after the formation of the Partnership and such participation is the direct cause of the conditions affecting the Project that resulted in such liability under applicable law and the consequent costs, expenses, damages, or liability of the Limited Partner. References in this §6.8(b) to the Limited Partner shall include each of the Limited Partner’s assignee(s) (and their respective partners, if any). The foregoing indemnification shall be a recourse obligation of the General Partner and Special Limited Partner and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, insolvency, bankruptcy, or withdrawal of the General Partner and Special Limited Partner. The indemnification authorized by this §6.8(b) shall include, but not be limited to, the costs and expenses (including reasonable attorneys’ fees) of the removal of any liens affecting any property of the indemnitee as a result of such legal action. The parties hereto agree and acknowledge that the Limited Partner’s exercise of the rights and approvals reserved to the Limited Partner under this Partnership Agreement shall not constitute participation in the control of the Partnership’s business for purposes of this paragraph.
(c) The General Partner shall defend, indemnify, and hold harmless the Partnership, Limited Partner and Special Limited Partner and their successors and assigns from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees, arising directly or indirectly, in whole or in part, out of the General Partner’s gross negligence, fraud, willful misconduct, malfeasance, breach of fiduciary duty or actions performed outside the scope of the authority of the General Partner, or breach of any or all of the representations, warranty, covenant, and agreements contained in this Partnership Agreement, including, without limitation, those contained in §6.3 hereof. In addition to the foregoing indemnification, the Partnership, Limited Partner and/or Special Limited Partner may pursue any other available legal or equitable remedy against the General Partner with respect to the General Partner’s breach of any of the representations, warranties, or covenants contained herein, including, without limitation, the Limited Partner’s deferral of the payment of its Capital Contribution pursuant to §3.2. The General Partner shall defend, indemnify and hold harmless the Limited Partner and Special Limited Partner for any liability incurred by it for Partnership obligations (including, without limitation, the Loan Documents), except to the extent that either (i) a court of competent jurisdiction, or (ii) a mediator mutually selected by the General Partner, Limited Partner and Special Limited Partner, has made a determination that such liability is the result of actions taken by the Limited Partner or Special Limited Partner or rights exercised by the Limited Partner or Special Limited Partner with respect to the operation of the Limited Partner or Special Limited Partner in excess of those actions and rights granted or allowed under this Partnership Agreement or the Act. The General Partner’s obligations described in this §6.8 shall survive the termination and/or liquidation of the Partnership.

(d) The Special Limited Partner shall defend, indemnify, and hold harmless the Partnership, General Partner and Limited Partner and their successors and assigns from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees, arising directly or indirectly, in whole or in part, out of the Special Limited Partner’s gross negligence, fraud, willful misconduct, malfeasance, breach of fiduciary duty or actions performed outside the scope of the authority of the Special Limited Partner, or breach of any or all of the representations, warranty, covenant, and agreements contained in this Partnership Agreement, including, without limitation, those contained in §6.3 hereof. In addition to the foregoing indemnification, the Partnership, General Partner and/or the Limited Partner may pursue any other available legal or equitable remedy against the Special Limited Partner with respect to the Special Limited Partner’s breach of any of the representations, warranties, or covenants contained herein, including, without limitation, the Special Limited Partner’s deferral of the payment of its Capital Contribution pursuant to §3.2. The Special Limited Partner shall defend, indemnify and hold harmless the General Partner and Limited Partner for any liability incurred by it for Partnership obligations (including, without limitation, the Loan Documents), except to the extent that either (i) a court of competent jurisdiction, or (ii) a mediator mutually selected by the General Partner, Limited Partner and Special Limited Partner, has made a determination that such liability
is the result of actions taken by the General Partner or Limited Partner or rights exercised by the General Partner or Limited Partner with respect to the operation of the Limited Partner in excess of those actions and rights granted or allowed under this Partnership Agreement or the Act. The Special Limited Partner’s obligations described in this §6.8 shall survive the termination and/or liquidation of the Partnership.

(e) Subject to the extent of any amount of insurance proceeds received by the Partnership in respect of any insurance policy insuring the acts of the General Partner in its role as a general partner, the General Partner shall not be liable, responsible or accountable in damages or otherwise to any to the Partners for any act or omission performed or omitted by it in its capacity as General Partner of the Partnership in good faith on behalf of the Partnership and in a manner reasonably believed by it to be within the scope of authority granted to it by this Partnership Agreement and in the best interest of the Partnership; provided, however, such insurance proceeds are applied towards and in satisfaction of any liability or obligations to the Partners for which the insurance proceeds were paid, and such acts or omission was not attributable to any negligence, willful breach, misconduct, fraud or any breach of fiduciary duty on the part of the General Partner.

Notwithstanding anything to the contrary in this §6.8, the obligations of the General Partner and the Special Limited Partner shall be joint and several.

§6.9 Credit Adjusters.

(a) Permanent Reduction in Tax Credit. If, as of the end of the first year of the Credit Period and based upon the Cost Certification prepared by the Accountant or the IRS Form(s) 8609 for the Project, it is determined that the amount of Actual Tax Credits over the Credit Period for the Project will be less than the Projected Tax Credits over the Credit Period (a “Permanent Credit Reduction”), then there will be a reduction (the “Permanent Credit Reduction Adjustment”) in the Limited Partner’s Capital Contribution in an amount equal to the product of (i) the Permanent Credit Reduction and (ii) $0.814. The Permanent Credit Reduction means the amount by which the Actual Tax Credits are or will be less than the Projected Tax Credits over the Credit Period due to (A) the actual Applicable Percentage being less than projected; (B) the actual Eligible Basis being less than projected; (C) the actual Qualified Basis as of the end of the first year of the Credit Period being less than the projected Qualified Basis; (D) the actual final allocation of Tax Credits as indicated on Form 8609 being less than the Projected Tax Credits; or (E) any combination of the above. This Permanent Credit Reduction Adjustment shall be made, at the option of the Limited Partner, by first decreasing the amount, if any, of the Limited Partner’s Capital Contribution installment next due, and, if necessary, further installments (reducing the earliest ones first) by the amount of the Permanent Credit Reduction Adjustment. In the event that there are no remaining Limited Partner Capital Contributions, or the Permanent Credit Reduction Adjustment required hereunder exceeds the remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Permanent Credit Reduction Adjustment against the remaining Limited Partner Capital Contribution installments, the General Partner and Special Limited Partner shall
immediately make a Capital Contribution to the Partnership in an amount necessary for the Partnership to make the Permanent Credit Reduction Adjustment, followed by an immediate distribution in such amount by the Partnership to the Limited Partner, unless it is determined by the Limited Partner’s tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner and Special Limited Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis, will be equal to the Permanent Credit Reduction Adjustment. In the event that any Capital Contribution installments are reduced or General Partner and Special Limited Partner payments are required to be made under this §6.9(a), the Projections attached hereto as Appendix I will be correspondingly revised and will be considered amendments and determinative of the “Projected Tax Credits” and other amounts set forth herein if there is a conflict between any amounts set forth therein and in this Agreement.

(b) **Timing Difference in Tax Credits (Downward).** If, for the Projected First Tax Credit Year, any portion of the Projected Tax Credits cannot be claimed (as determined by the Accountant) by the Limited Partner during such Projected First Tax Credit Year [and the Projected Second Tax Credit Year, but must be delayed and taken in a later year or years of the Compliance Period, then the Limited Partner shall be entitled to reduce its Capital Contribution by an amount equal to $0.61 times the amount by which the Projected Tax Credits for the Projected First Tax Credit Year (the “Timing Reduction”). This Timing Reduction is intended to compensate the Limited Partner for the reduced present value of such delayed Tax Credits. No adjustment shall be made under this §6.9(b) for any shortfall in Tax Credits for which an adjustment is already made pursuant to §6.9(a). “In the event that there are no remaining Limited Partner Capital Contributions, or the Timing Reduction required hereunder exceeds the remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Timing Reduction against the remaining Limited Partner Capital Contribution installments, the General Partner and Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount necessary for the Partnership to make the Timing Reduction, followed by an immediate distribution in such amount by the Partnership to the Limited Partner, unless it is determined by the Limited Partner’s tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner and Special Limited Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis will be equal to the Timing Reduction.

(c) **Ongoing Credit Shortfall.** If, for any fiscal year after the Projected First Tax Credit Year, for any reason whatsoever (1) the Actual Tax Credits are, on a cumulative basis, less than the Projected Tax Credits (as adjusted in any revised Projections prepared pursuant to §6.9(a) or (b)) for such fiscal year or (2) a Limited Partner is required to recapture (resulting from other than a transfer of part or all of the Limited Partner’s Partnership Interest) all or any part of the Tax Credits claimed by it in any prior fiscal year of the Partnership (the “Credit Shortfall”), then, at the option of the Limited Partner, the Limited Partner’s Capital Contributions shall be reduced in chronological order in an
amount (the “Credit Reduction Payment”) equal to the sum of One Dollar ($1.00) times (i) the difference between (A) the Projected Tax Credits (as adjusted in any revised Projections prepared in connection with §6.9(a) or (b)) for the fiscal year and all subsequent fiscal years, and (B) the Actual Tax Credits for such fiscal year and the Tax Credits projected by the Accountant as being available to the Limited Partner for all subsequent fiscal years, and (ii) the amount of the Tax Credits recaptured in such fiscal year, plus the amount of any interest or penalty payable by the Limited Partner as a result of the recapture. In the event there are no remaining Capital Contributions or the Credit Reduction Payment exceeds the amount of remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Credit Reduction Payment against the remaining Limited Partner Capital Contribution payments, the General Partner and Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount equal to the Credit Reduction Payment or the unpaid portion thereof, and the Credit Reduction Payment shall be immediately distributed to the Limited Partner and shall neither constitute nor be limited by the distribution limits for Cash Flow, pursuant to §5.1, hereof, or for Net Cash from Sales and Refinancings, pursuant to §5.2, hereof.

(d) **Permanent Increase in Tax Credit.** If it is determined that the amount of Actual Tax Credits over the Credit Period for the Project will be greater than the Projected Tax Credits over the Credit Period (such difference being defined herein as the “Permanent Credit Increase”) and the Asset Manager is provided with satisfactory written documentation to evidence the allocation of the Permanent Credit Increase, the Limited Partner will increase its Capital Contribution by an amount that is equal to the product of (i) the Permanent Credit Increase, and (ii) $0.61; provided, however, such increase will be limited to a one-time increase and will occur during the six (6) month period following the issuance of a final certificate of occupancy for all Residential Units.

(e) **Limitation on Upward Adjuster.** Notwithstanding anything to the contrary contained herein, in no event shall the increase in the Limited Partner’s Capital Contribution pursuant to §6.9(d) exceed, in the aggregate, five percent (5%) of the Limited Partner’s Capital Contribution as set forth in the Projections in effect on the date of this Partnership Agreement (i.e., no subsequent increases in the Limited Partner’s Capital Contribution shall be taken into account for purposes of calculating the five percent (5%) limitation).

(f) **Repurchase.** Notwithstanding anything contained herein to the contrary, in the event that (1) the Project Property does not generate any Tax Credits during calendar year 2011 for any reason whatsoever, (2) Construction Completion and Placement in Service of all buildings are not achieved, or in the reasonable judgment of the Limited Partner, based on all of the relevant facts and circumstances, will not be achieved on or before the Construction Completion Date (which in no event shall exceed the end of the second year after the year in which the Project receives a Tax Credit allocation pursuant to §42(h)(1)(E) of the Code or by the date required by any Lender or State Agency), (3) the Partnership fails to comply with any other requirements of §42 of the Code and such failure is not cured within any cure period provided by the State Housing Finance
Agency, including the minimum set-aside test and/or the rent restriction test before the end of the first year of the Credit Period, or any requirements set forth in the Regulatory Agreement, (4) Stabilized Occupancy does not occur by December 31, 2011, unless the General Partner and Special Limited Partner fund all Operating Deficits until Stabilized Occupancy occurs, (5) the Partnership’s basis in the Project Property for federal income tax purposes, as finally determined by the Accountant or pursuant to an audit by the IRS, as of the date by which all required steps must be taken for the Project to receive a Carryover Allocation of Tax Credits, was not 10% of the Partnership’s reasonably expected basis in the Project Property, as required pursuant to §42(h)(1)(E) of the Code, (6) proceedings have been commenced, filed or initiated to foreclose the Construction Loan mortgage or permanently enjoin construction or rehabilitation of the Project and such proceedings have not been stayed or vacated within thirty (30) days of commencement, filing or initiation, (7) the General Partner and Special Limited Partner fail to make the post-closing document deliveries in a timely manner pursuant to §3.9 or commence construction as provided for in §3.9, (8) the General Partner and Special Limited Partner fail to timely deliver to the Limited Partner a Form 8609 for each building in the Project, (9) foreclosure proceedings have been commenced under any Project loans, (10) the General Partner, Special Limited Partner or Guarantor fails to provide or cause to be provided any funds required to be provided by such General Partner and Special Limited Partner hereunder or by such Guarantor under a Guaranty Agreement within thirty (30) days after written notice that continued failure to pay will result in exercise of rights under this section, (11) a default occurs under §10.6 hereof and is not cured within any applicable cure period, or (12) the Permanent Loan has not been fully funded on or before the Conversion Deadline (as defined in the Permanent Loan Documents), then, in any such event, upon the written notice of the Limited Partner, the General Partner and Special Limited Partner shall purchase the Limited Partner’s entire interest in the Partnership for an amount equal to (x) the sum of (A) all Capital Contributions actually made to the Partnership by the Limited Partner, plus (B) all expenses incurred by the Limited Partner in connection with entering into the Partnership (not including any funds reimbursed), minus (y) an amount equal to the purchase price paid by the Limited Partner for any Tax Credits already received by the Limited Partner, net of any amounts that the Limited Partner has paid or will have to pay as the result of any recapture of any portion of the Tax Credits that the Limited Partner has received, and (z) any amounts that have already been reimbursed to the Limited Partner by the Partnership and/or the General Partner and Special Limited Partner. Upon receipt of this amount, the Limited Partner’s interest as a limited partner in the Partnership will terminate, the Limited Partner shall transfer its interest in the Partnership to the General Partner and Special Limited Partner or their designee(s), and the General Partner and Special Limited Partner shall indemnify and hold harmless the Limited Partner from and against any losses, damages, and liabilities to which the Limited Partner (as a result of its participation hereunder) may be subject.

(g) **Failure to Pay; Remedies.** If the General Partner or Special Limited Partner fail to pay any amount payable pursuant to §6.9(a), (b) or (c) above, or the repurchase amount pursuant to §6.9(f), owing to the Limited Partner within ten (10) days after written demand by the Limited Partner (with a copy to the Special Limited Partner),
then, in addition to any other rights the Limited Partner may have, any sums payable to the General Partner or Special Limited Partner (or any Affiliate thereof) pursuant to the terms of this Partnership Agreement (including, without limitation, Cash Flow and any fees payable by the Partnership to the General Partner or Special Limited Partner or their Affiliates) will instead be paid to the Limited Partner until such time as all amounts owing to the Limited Partner pursuant to this §6.9 are fully repaid. For purposes of this Partnership Agreement, any sums distributed to the Limited Partner pursuant to the immediately preceding sentence are deemed to have been paid to the General Partner or Special Limited Partner (or their Affiliates) and subsequently loaned by the General Partner or Special Limited Partner to the Partnership, followed by a distribution to the Limited Partner from the Partnership of such loan proceeds in satisfaction of the General Partner’s and Special Limited Partner’s obligations hereunder. Any such deemed loan by the General Partner or Special Limited Partner to the Partnership shall bear no interest and shall be reimbursable to the General Partner or Special Limited Partner out of Cash Flow in accordance with the priority set forth in §5.1(a) hereof, or out of the proceeds of refinancing or sale pursuant to §5.2(a) hereof. The rights and remedies granted to the Limited Partner by this §6.9 are not exclusive of, but are in addition to, any other rights and remedies granted to the Limited Partner under this Partnership Agreement or by applicable law. The obligations of the General Partner and Special Limited Partner under this §6.9 are deemed to have arisen as a consequence of a transaction between the General Partner, Special Limited Partner and the Limited Partner other than in their capacities as Partners and the Capital Accounts or loans of the Partners are not affected in any way as a result of the making of any credits or payments hereunder.

(h) Survival The obligations of the General Partner, Special Limited Partner and their Affiliates prescribed or described in this §6.9 will survive the termination and/or liquidation of the Partnership.

The General Partner shall notify the Asset Manager when any such signage is being prepared and provide the Asset Manager with a reasonable amount of time to provide the names it wants included on the signs.

§6.11 Co-General Partners. If there is more than one General Partner, or if the General Partner is a joint venture or partnership in which there is more than one general partner, then all

-70-

Notwithstanding anything to the contrary herein, no General Partner shall be liable to the Partnership or to the Limited Partner for the fraud of any other General Partner.

The General Partner and the Accountant shall prepare this estimate.

§8.5 **Review of Compliance.**

(a) The General Partner shall, seventy-five (75) days after the end of each fiscal year of the Partnership, certify to the Asset Manager and the Special Limited Partner in the same scope and manner that it is required to certify, if requested, to the applicable State Housing Finance Agency, that the Partnership is in compliance with all regulations and procedures relating to the operation of the Project as a qualified Tax Credit project within
the meaning of §42(h) of the Code. Upon initial lease-up of the Project and thereafter no more frequently than annually, the Limited Partner may, at the Partnership’s expense, conduct or cause to be conducted an audit or review (which may include an on-site inspection of the Project) of the Partnership’s compliance with all regulations and procedures relating to the operation of the Project as a qualified Tax Credit project within the meaning of §42(h) of the Code. This audit or review will be conducted not less than thirty (30) nor more than ninety (90) days following a written request by the Limited Partner for such audit or review. The General Partner shall cooperate with any such audit by making appropriate personnel of the General Partner and the Property Management Agent and all books and records (including, without limitation, copies of initial tenant files, any IRS Forms 8823 issued to the Partnership, and other applicable related documents and reports) of the Project and Partnership available to the Limited Partner or its representatives at the offices of the Partnership during regular business hours.

(b) The General Partner shall, within thirty (30) days following achievement of Qualified Occupancy, deliver to the Asset Manager and the Special Limited Partner one or more discs containing scanned copies of the First Year Tenant Files.

§8.6 Failure to Provide Information.

(a) Failure by the General Partner to provide the reports required under this Article 8 will result in the assessment of a $100 per day penalty, due and payable to the Limited Partner, until the reports are received in a form that is acceptable to the Limited Partner. This penalty will not be applicable if (i) waived by the Limited Partner, or (ii) the required information is received within seven (7) business days of receipt of a written notice of demand from the Limited Partner.

(b) If the General Partner fails to provide in a timely manner any information, report or data required to be provided by the General Partner under this Article 8, or otherwise fails to perform its obligations under this Article 8, then, in addition to any remedies the Limited Partner may have under this Partnership Agreement or applicable law, the Partnership shall not make any distributions or payments to the General Partner pursuant to §5.1 or §5.2 hereof until such time as such information, report, or data have been provided or such other obligations have been fulfilled.

(c) Regardless of whether the penalties are paid or waived, the Limited Partner shall have the right to require the General Partner to remove the Accountant and the right to approve or identify a replacement accountant if any of the above applicable reporting
requirements are not met. The failure on the part of the General Partner to remove the Accountant and replace it with an accounting firm that is acceptable to the Limited Partner within thirty (30) days of a written request to do so from the Limited Partner shall be an Event of Default under §10.6(a) hereof.

(d) If the General Partner causes or suffers repeated or unreasonable delay in providing any reports or information required to be submitted to the Limited Partner and the Special Limited Partner under Article 8, such delay shall constitute an Event of Default under §10.6(a) hereof.
ARTICLE 9: TRANSFER OF LIMITED PARTNER’S PARTNERSHIP INTERESTS

§9.1 Voluntary Transfers.

(a) A Limited Partner may at any time make a Voluntary Transfer of all or any part of its Partnership Interest, so long as such Voluntary Transfer complies with the following conditions: (i) the General Partner has received a written instrument of transfer of all such Partnership Interest, which instrument shall be signed by the transferor Limited Partner and the transferee and shall contain the name and address of the transferee and the transferee’s express acceptance of and agreement to be bound by all of the terms and conditions of this Partnership Agreement; (ii) all requirements of applicable state and federal securities laws have been complied with; (iii) such Voluntary Transfer will not result in the Partnership’s loss of any exemption (federal or state) from the registration of the sale of securities relied upon in its offering of the Partnership Interest; (iv) such Voluntary Transfer will not result in the Partnership being classified as an “association” which is taxable as a corporation for federal income tax purposes; and (v) the General Partner has received evidence of any applicable consents required for such transfer. Upon compliance with all of the conditions of this §9.1, such Voluntary Transfer of a Limited Partner’s Partnership Interest binds the Partnership and the General Partner. No such transfer may cause the dissolution and termination of the Partnership and the transferee shall automatically be deemed to be an Assignee with respect to such Partnership Interest. If any transfer of a Limited Partner’s Partnership Interest, including the transfer of beneficial interests, results in a tax termination of the Partnership, the Limited Partner shall be responsible for the cost of preparing and filing any additional tax returns.

(b) The Limited Partner intends to either (i) hold only bare legal title to its Partnership Interest and will ultimately transfer beneficial interests in its Partnership Interest to one or more Persons, or (ii) ultimately transfer its Partnership Interest to an investment fund managed by an Affiliate of the Limited Partner, and in either case, the Limited Partner or such Persons or investment fund may also transfer such beneficial interests or Partnership Interest, or, as security for debt, assign or pledge all or portions of such Partnership Interest. Notwithstanding the provisions of §9.1(a), the General Partner hereby acknowledges and consents to any such transfers, assignments or pledges, and agrees that, upon any such transfer or any foreclosure or other enforcement under any such assignment or pledge, it will recognize the assignee of the (X) beneficial interests as the owner of such beneficial interests in the Partnership Interest, or (Y) Partnership Interest as the Substituted Limited Partner.

(c) The Limited Partner or its transferee shall reimburse the Partnership for any reasonable costs actually incurred by the Partnership as a result of a transfer pursuant to this §9.1.
§9.2 **General Partner's Consent to Substitution as a Limited Partner.**

(a) In addition to the requirements set forth in §9.1(a), an Assignee of a Limited Partner’s Partnership Interest, other than an assignee of a beneficial interest, will not become a Substituted Limited Partner, unless and until the General Partner consents in writing to such substitution, which consent may not be unreasonably withheld and is hereby granted for the transfers, assignments and pledges described in §9.1(b); provided that no such consent shall be required for the substitution of an Assignee that is an Affiliate of the Limited Partner. The General Partner shall duly file for record any required amendment to the Certificate of Formation reflecting such substitution in such public offices as shall be required under the Act. The effective date of the substitution of the Assignee as a Substituted Limited Partner shall be the date on which the General Partner provides its consent if required or the date of the assignment to such Affiliated Assignee, as the case may be.

(b) If the General Partner’s consent is required but the General Partner does not consent to the substitution of an Assignee of a Limited Partner’s Partnership Interest, then the transferor Limited Partner retains all the rights of a transferor of a limited partnership interest under the Act and, except as otherwise provided in §9.4, the Assignee shall not be treated as owning any interest in the Partnership. In particular, an Assignee of a Limited Partner’s Partnership Interest, other than an assignee of a beneficial interest, who is not admitted as a Substituted Limited Partner under this §9.2 shall not be entitled to: (i) require any accounting of the Partnership’s transactions; (ii) inspect the Partnership’s books and records; (iii) require any information from the Partnership; or (iv) exercise any privilege or right of a Limited Partner that is not specifically granted to a nonsubstituted transferee of a limited partnership interest under the Act.

§9.3 **Involuntary Transfers.** The Involuntary Transfer of all or any part of any Limited Partner’s Partnership Interest will not cause the dissolution and termination of the Partnership, but rather the business of the Partnership is continued without interruption in accordance with the provisions of this §9.3. Upon an Involuntary Transfer of all or any part of any Limited Partner’s Partnership Interest, such Limited Partner’s successor or legal representative shall automatically be deemed to be a Substituted Limited Partner.

§9.4 **Distributions and Allocations with Respect to Transferred Partnership Interests.** If any transfer (whether a Voluntary or Involuntary Transfer) of the Limited Partner’s Partnership Interest is recognized by the Partnership under this Article 9, then all allocations of Profits and Losses attributable to the transferred Partnership Interest shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during such fiscal period, using any convention or method of allocation selected by the General Partner which is then permitted under §706 of the Code and the Regulations promulgated thereunder. All distributions of Cash Flow made prior to the effective date of any such transfer shall be made to the transferor and any such distributions made after the effective date of such transfer shall be made to the transferee.
§9.5 Disposition of Project. Subject to the restrictions set forth below, the General Partner may cause the sale of all or any portion of the assets or business of the Partnership for their fair market value upon such terms as it shall determine in the exercise of reasonable discretion and prudent business judgment. After the payment of or provision for creditors, the net proceeds of sale shall in the discretion of the General Partner either in whole or in part be distributed among the Partners as provided in §5.2 or §11.2 hereof, as applicable, or in whole or in part be retained by the Partnership and utilized in the business of the Partnership. Any such sale shall cause the dissolution and liquidation of the Partnership only if required by the provisions of Article 11 hereof. Notwithstanding the foregoing, upon any sale of the Project (which term, as used in this §9.5, shall include any portion of the Project containing one or more rental units and any related assets or business of the Partnership), the net proceeds thereof shall be distributed in accordance with §5.2 or §11.2 hereof, as applicable. Except as specifically provided below, the General Partner shall not sell the Project without the prior written consent of the Limited Partner, and shall comply with the following requirements in any proposed sale or refinancing:

The General Partner may in its discretion begin advertising the Project for sale and entertaining third-party purchase offers at any time during the last twelve (12) months of the Compliance Period and shall forward copies of all inquiries and purchase offers as and when received by it to the Limited Partner and the Special Limited Partner, but shall have no right or obligation to pursue any sale to a third party except as described further herein below. If the Purchase Option and Right of First Refusal described in §9.6 hereof is exercised and all conditions thereof are met in full to the satisfaction of the Limited Partner, then in lieu of any sale to an unrelated third party, the General Partner shall cause the Project to be sold as provided and within the time specified therein, after the expiration of the Compliance Period. If such Purchase Option and Right of First Refusal is not exercised or the Project is not sold as provided and within the time specified therein, however, the General Partner shall, commencing upon expiration of Purchase Option and Right of First Refusal begin advertising the Project for sale and entertaining third-party purchase offers, as described above. Notwithstanding the foregoing, any disposition of the Project shall be conducted in accordance with the Extended Use Agreement and the rules of the State Housing Finance Agency.

§9.6 Purchase Option and Right of First Refusal. The provisions of §9.5 hereof shall be subject to that certain Purchase Option and Right of First Refusal Agreement between the Partnership, as grantor, and Grantee, as grantee, dated on or about the date hereof, pursuant to which the Partnership has granted to Grantee an option to purchase the Project or the Limited Partner’s Partnership Interest and a right of first refusal to purchase the Project, on the terms and conditions set forth therein, provided that the General Partner remains in good standing as General Partner without the occurrence of any event described in §10.6 hereof.

§9.7 CUSA. Notwithstanding the foregoing provisions of this Article or any other provision of this Agreement:
(a) The General Partner acknowledges and consents to (i) the Limited Partner’s pledge and collateral assignment of its Partnership Interest (the “LP Pledge”) to Citicorp USA, Inc., as agent (together with its successors and/or assigns in such capacity, “CUSA”);

(b) CUSA shall have the rights of a secured party to retain, sell or transfer the Partnership Interest so pledged in accordance with the LP Pledge, including, without limitation, the right to transfer or assign its rights hereunder and under the LP Pledge without the consent of the Partnership, any Partner or any other Person, subject only to §9.7(f);

(c) Upon the enforcement of the LP Pledge and the foreclosure upon the Partnership Interest pledged thereunder, CUSA (or its nominee or transferee) shall be immediately, automatically and unconditionally admitted as a Substituted Limited Partner, subject only to §9.7(f);

(d) Neither the Partnership nor any Partner shall cause the Partnership Interest to be or become, a “security”, “investment property” or held in a “securities account” (within the meaning of Articles 8 and 9 of the Uniform Commercial Code of the State (the “UCC”)) and the Partnership Interest will be, and will remain, “general intangibles” within the meaning of Article 9 of the UCC, and any action by the Partnership or any Partner to cause any of the Partnership Interest to be deemed to be or to be treated other than as general intangibles within the meanings of Article 9 of the UCC shall be void and of no effect;

(e) the Partnership and the Partners agree (i) to notify CUSA in writing (at One Court Square, 45th Floor, Zone 12, Long Island City, New York, 11120, Attention: Maria McKeon, Director, Tel.: 718-248-4760, Fax: 718-248-4991, or at such other address as CUSA may from time to time designate) of any default by the Limited Partner of any of its obligations hereunder, (ii) to refrain from exercising any rights or remedies as a result of such default (whether hereunder or otherwise at law or in equity) until CUSA has received such notice and has been given 60 days to cure such default, and (iii) that CUSA can cure such default by paying only those portions of the Limited Partner’s Capital Contribution for which the conditions to payment set forth in §§3.2(a), 3.2(b) and 3.2(c) have then been satisfied;

(f) CUSA’s rights hereunder are subject to compliance with all HUD requirements regarding transfer of physical assets and submission and approval of a HUD Prior Participation Certificate, and/or obtaining the State Housing Finance Agency’s written consent if required; and

(g) So long as the Limited Partner’s Partnership Interest continues to be “Pledged Collateral” under the LP Pledge, any amendment to (i) this section, (ii) any other provision herein which would materially affect CUSA’s rights and priorities under the LP Pledge, or (iii) the identity of the Asset Manager, the Asset Management Fee, the
Disposition Fee or any other fee payable to the Asset Manager, or the terms of payment thereof, shall require the prior written consent of CUSA.

(h) CUSA is an intended third party beneficiary of this §9.7.

ARTICLE 10: TRANSFER OF GENERAL PARTNER’S PARTNERSHIP INTERESTS

§10.1 Voluntary Transfers.

(a) The Partnership shall not recognize any Voluntary Transfer of a General Partner’s Partnership Interest and any such attempted Voluntary Transfer shall be invalid and ineffective as to the Partnership and the Limited Partner, unless and until: (i) the proposed transfer is of all the Partnership Interest owned by such General Partner; (ii) the Limited Partner and the Special Limited Partner have each received a copy of a written instrument of transfer of all such Partnership Interest, which instrument shall be signed by the General Partner and the transferee and shall contain the name and address of the transferee and the transferee’s express acceptance of an agreement to be bound by all of the terms and conditions of this Partnership Agreement; (iii) the General Partner has paid or caused to be paid all costs related to such Voluntary Transfer, including, without limitation, the reimbursement of all legal fees and expenses incurred by the Partnership in connection with such transfer; (iv) such Voluntary Transfer will not result in the termination of the Partnership for federal income tax purposes; (v) such Voluntary Transfer will not result in the Partnership being classified as an “association” which is taxable as a corporation for federal income tax purposes; (vi) the Partnership receives an opinion of legal counsel to the effect of clause (v); and (vii) the Limited Partner has consented in writing to such Voluntary Transfer, which consent may be withheld or given, in the sole discretion of the Limited Partner.

(b) Upon compliance with this §10.1, such transfer of a General Partner’s Partnership Interest shall bind the Partnership and all the Limited Partners and no such Voluntary Transfer shall cause the termination of the Partnership. In addition, effective as of the date of full compliance with the requirements of this §10.1, the transferee of a General Partner’s Partnership Interest shall be admitted as a new General Partner of the Partnership and shall be vested with all the powers and obligations with respect to the management of the Partnership as are granted to and placed upon the transferor General Partner under this Partnership Agreement.

§10.2 Involuntary Transfers. An Involuntary Transfer of a General Partner’s Partnership Interest at such time as there is more than one General Partner shall not dissolve the Partnership, but rather the business of the Partnership shall be continued without interruption and all of the management powers and authority granted herein to the General Partner making such Involuntary Transfer shall automatically be placed upon the remaining General Partner(s), unless the Limited Partner otherwise elects within thirty (30) days after the occurrence of such Involuntary Transfer to dissolve the Partnership and have the Partnership’s affairs and business wound up and terminated pursuant to Article 11. An Involuntary Transfer of a General Partner’s Partnership Interest when
there is no other General Partner in existence shall dissolve the Partnership and the Partnership’s affairs and business shall be wound up and terminated under Article 11, unless the Limited Partner agrees in writing to the continuation of the business of the Partnership and the appointment of a new General Partner pursuant to the provisions of §10.3.

§10.3 Continuation of Partnership After Involuntary Transfer of General Partner’s Partnership Interests. Upon an Involuntary Transfer of the last remaining General Partner’s Partnership Interest, the Partnership will dissolve and the affairs and business of the Partnership will be wound up and terminated under Article 11, unless within ninety (90) days after the occurrence of such Involuntary Transfer, the Limited Partner agrees in writing to the continuation of the business of the Partnership and the appointment of a new General Partner. Unless such an election is made within such 90-day period, the Partnership may conduct only those activities, that are necessary to wind up and terminate its affairs and business. If such an election is made within such 90-day period, then: (a) the reconstituted partnership will continue until the end of the term of the Partnership’s existence set forth in this Partnership Agreement; and (b) immediately upon its receipt of cash in an amount equal to the greater of (1) $100 or (2) the then positive balance in its Capital Account, the former General Partner is automatically (and without the need for the execution of any further documentation) deemed to have relinquished its entire Partnership Interest, with such relinquished Partnership Interest being automatically allocated to the new General Partner.

§10.4 Distributions and Allocations with Respect to Transferred Partnership Interests. If any transfer (whether a Voluntary or Involuntary Transfer) of a General Partner’s Partnership Interest is recognized by the Partnership under this Article 10, then all allocations of Profits and Losses attributable to the transferred Partnership Interest are divided and allocated between the transferor and the transferee by taking into account their varying interests during such fiscal period, using any convention or method of allocation selected by the Limited Partner which is then permitted under §706 of the Code and the Regulations promulgated thereunder. Any distributions of Cash Flow made prior to the effective date of any such transfer are made to the transferor and any such distributions made after the effective date of such transfer shall be made to the transferee. Neither the Partnership nor the Limited Partner will incur any liability for making allocations and distributions in accordance with the provisions of this §10.4.

§10.5 Voluntary Withdrawal. A General Partner may not voluntarily withdraw from the Partnership without the prior written consent of the Limited Partner.

§10.6 Removal of General Partner and/or Special Limited Partner. The Limited Partner may remove the General Partner and/or the Special Limited Partner, for any of the following Events of Default in this §10.6(a), as applicable; provided, however, either Partner may be removed only as to its own default and not as to the default of the other Partner. Notwithstanding anything to the contrary in the immediately preceding sentence, if there is an Event of Default under §10.6(a)(xiv) below with respect to the Guaranty Agreement between Guarantor Group A and the Limited Partner and the Guaranty Agreement between Guarantor Group C and the Limited Partner, both the General Partner and the Special Limited may be removed by the Limited Partner pursuant to this §10.6, unless either the General Partner or the Special Limited Partner cures such default of Guarantor Group A and Guarantor Group C within thirty (30) days after notice of such default.

(xx) The use by the General Partner of any funds in any of the reserves described in §6.4(g) above for purposes other than permitted therein.

(b) Effectiveness. Prior to removing and replacing the General Partner or Special Limited Partner for an Event of Default, the Limited Partner shall give the General Partner or Special Limited Partner reasonable prior written notice setting forth in detail the Event of Default(s) providing the basis for such possible removal and a reasonable opportunity to cure such default(s); provided, however, that no opportunity to cure such default(s) shall be given where the extent or nature of the default is such that there is a likelihood of material loss, liability, or prejudice to the Partnership or the Limited Partner, or both, from any delay in removal and replacement. If the grounds for removal justify an immediate removal under the preceding sentence, such removal shall be effective upon the delivery of a notice thereof to the specified address in accordance with §12.1 hereof. Under all other circumstances, such removal shall be effective only after:

(i) failure by the General Partner or Special Limited Partner to cure the default(s) set forth in the notice of removal within the prescribed cure period,

ARTICLE 11: DISSOLUTION, WINDING UP AND TERMINATION

§11.1 Dissolution. The Partnership will dissolve upon the occurrence of any of the following events:

(a) The expiration of the term of the Partnership’s existence;

(b) The sale or other disposition of all or substantially all of the Partnership Property and the Partnership’s receipt of all or substantially all of the proceeds therefrom;

(c) The Partners’ mutual election to dissolve the Partnership;

(d) The Limited Partner’s election to dissolve the Partnership made at any time that is more than three years after the end of the Compliance Period;

(e) The failure of the Limited Partner to agree in writing at the time and in the manner provided in §10.3 hereof to the continuation of the business of the Partnership and the appointment of a new General Partner upon the occurrence of an Involuntary Transfer of the last remaining General Partner’s Partnership Interest or the removal of the General Partner; or

(f) The Limited Partner’s election pursuant to §10.2 hereof to dissolve the Partnership upon the occurrence of an Involuntary Transfer of a General Partner’s Partnership Interest, notwithstanding the fact that one or more other General Partner is in existence at such time.

§11.2 Winding Up and Termination. Upon the dissolution of the Partnership, the affairs and business of the Partnership will be wound up and terminated, the Partnership’s liabilities discharged and the Partnership Property liquidated and distributed in the manner hereinafter described. A reasonable time will be allowed for the orderly winding up of the affairs and business of the Partnership so as to enable the Partnership to minimize the normal losses attendant to the winding up and termination period. The winding up and termination of the affairs and business of the Partnership shall be supervised and conducted by the Liquidation Manager. The Liquidation Manager has the exclusive power and authority to act on behalf of the Partnership to wind up and terminate the affairs and business of the Partnership, to sell and convey the Partnership Property to such Persons (including, without limitation, any Partner or any Affiliate thereof) for such consideration and upon such terms and conditions as it deems necessary or appropriate, to discharge the Partnership’s liabilities, to establish any reserves that it deems necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership, and to distribute the liquidation proceeds in the manner hereinafter described.

Upon completion of the winding up of the affairs and business of the Partnership, the liquidation proceeds will be distributed by the Liquidation Manager in the following manner and order of priority:

-89-
(a) First, such liquidation proceeds will be applied to the payment of debts and liabilities of the Partnership (excluding any loans the General Partner or its Affiliates made pursuant to §6.4(f)(i), §6.4(f)(ii), and/or §6.4(f)(iii) hereof and the Guaranty Agreement and any unpaid Development Fee) and the payment of expenses of the winding up of the affairs and business of the Partnership;

(b) Second, such liquidation proceeds will be applied to the setting up of any reserves (to be held by the Liquidation Manager in an interest-bearing account) which the Liquidation Manager may deem necessary or appropriate for any contingent or unforeseen liabilities or obligations of the Partnership; provided, however, that at the expiration of such time as the Liquidation Manager deems necessary or appropriate, the balance of such reserves remaining after payment of such liabilities or obligations will be distributed by the Liquidation Manager in the manner hereinafter set forth in this §11.2; and

(c) Third, such liquidation proceeds will be paid to satisfy debts and liabilities owed to Partners and their Affiliates described in §5.2(a) hereof and in accordance with the priority set forth therein; and

(d) Fourth, such liquidation proceeds will be distributed in compliance with §1.704-1(b)(2)(ii)(b)(2) of the Regulations to the Partners in accordance with their positive Capital Accounts, after giving effect to all contributions, distributions and allocations for all periods, including, without limitation, the allocations to be made under §4.2(m) hereof.

§11.3 Compliance with Liquidation Requirements of Regulations. If the Partnership is “liquidated” within the meaning of §1.704-1(b)(2)(ii)(g) of the Regulations, then:

(a) Distributions will be made pursuant to §11.2 hereof (if such “liquidation” constitutes a dissolution and termination of the Partnership) to the Partners who have positive balances in their Capital Accounts in compliance with §1.704-1(b)(2)(ii)(b)(2) of the Regulations;

(b) If a General Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including, without limitation, the taxable year in which such liquidation occurs), then such General Partner will contribute to the capital of the Partnership the amount necessary to restore the balance in its Capital Account to zero;

(c) If a Limited Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including, without limitation, the taxable year in which such liquidation occurs), then such Limited Partner will contribute to the capital of the Partnership the lesser of (1) such deficit balance in its Capital Account or (2) the limited dollar amount, if any, of its Capital Account deficit which the Limited Partner has expressly agreed in writing to restore to the capital of the Partnership pursuant to §11.4 hereof; and
(d) Any such contribution by a Partner shall be made on or before the later of (1) the end of the taxable year of the "liquidation" or (2) ninety (90) days after the date of the "liquidation".

Notwithstanding anything to the contrary contained in this §11.3, in the event the Partnership is "liquidated" within the meaning of §1.704-1(b)(2)(ii)(g) of the Regulations, but such "liquidation" does not constitute a dissolution and termination of the Partnership pursuant to this Partnership Agreement, then no distributions shall be made pursuant to §11.2 hereof. Instead, the Partnership shall be deemed to have distributed the Partnership Property in kind to the Partners, who shall be deemed to have assumed and taken subject to all Partnership liabilities, all in accordance with their respective Capital Accounts. Immediately thereafter, the Partners shall be deemed to have recontributed the Partnership Property in kind to the Partnership, which shall be deemed to have assumed and taken subject to all such liabilities.

§11.4 Rights and Obligations of Limited Partner Upon Dissolution. Except as otherwise expressly provided in §11.3(b) hereof, the Limited Partner shall look solely to the assets of the Partnership for the return of its Capital Contribution. Except as otherwise elected by the Limited Partner pursuant to this §11.4, the Limited Partner and Special Limited Partner shall not have any obligation to restore any deficit in their Capital Accounts upon the liquidation of the Partnership. Notwithstanding anything to the contrary contained in this Partnership Agreement, the Limited Partner and Special Limited Partner may from time to time elect to be obligated to restore a deficit in their Capital Accounts up to a limited dollar amount. Such election shall be made by the delivery of a written notice of election to the General Partner no later than April 15 following the taxable year for which such election is to be effective and shall specify the dollar amount of the deficit in its Capital Account that the Limited Partner or the Special Limited Partner agrees to restore. Such election shall be irrevocable and shall be binding on subsequent transferees of the Limited Partner's or the Special Limited Partner's Partnership Interest.

§11.5 Waiver of Partition. Each Partner hereby waives any right to partition or cause a partition of the Partnership Property.

§11.6 Final Accounting. The Liquidation Manager shall furnish each of the Partners with a statement setting forth the assets and liabilities of the Partnership as of the date of the completion of the winding up and termination of the affairs and business of the Partnership. Upon completion of the distribution plan set forth in this Article 11, the Liquidation Manager shall cause to be executed by the appropriate parties and filed in such public offices as shall be required under the Act a cancellation of the Certificate of Formation, or any amendment thereto, of the Partnership and any and all other documents which the Liquidation Manager deems necessary or appropriate to effect the dissolution and termination of the Partnership.

(i) all certificates and other instruments, including any certificate of formation and any amendment thereto, that are required to form, continue, or qualify the Partnership as a limited partnership or to transact business under the Act; and

(ii) all amendments to the Certificate of Formation or other instrument that are required to be filed under applicable law.

The appointment by the Limited Partner of the General Partner as attorney-in-fact shall be deemed to be a power coupled with an interest in recognition of the fact that each of the Partners under the Partnership Agreement will be relying upon the power of the General Partner to act as contemplated by the Partnership Agreement in any filing and other action by it on behalf of the Partnership. The foregoing power of attorney shall survive the dissolution and termination of the Limited Partner or the assignment by the Limited Partner of the whole or any
part of its Partnership Interest hereunder. Nothing contained herein shall be construed to limit the authority of the General Partner under Article 6 hereof to execute documents and act on behalf of the Partnership without execution or action by the Limited Partner.

(b) **Removal for Cause.** The General Partner, by the execution hereof, hereby irrevocably constitutes and appoints the Limited Partner its true and lawful attorney-in-fact, with full power and authority in its name, place, and stead, to execute and acknowledge under oath, swear to, and, if necessary, deliver, file, and record at the appropriate public offices such documents as may be required by law to carry out the provisions of §10.6 of this Partnership Agreement, including without limitation:

(i) all certificates and other instruments, including any certificate of formation and any amendment thereto, that are required to remove the General Partner from its role as general partner and replace it with a substitute general partner;

(ii) all amendments to this Partnership Agreement required to remove the General Partner from its role as general partner and replace it with a substitute general partner; and

(iii) all other certificates, documents, amendments, and instruments required to effectuate the provisions of §10.6 hereof.

The appointment by the General Partner of the Limited Partner as attorney-in-fact shall be deemed to be a power coupled with an interest in recognition of the fact that each of the Partners under this Partnership Agreement will be relying upon the power of the Limited Partner to act as contemplated by §10.6 hereof in any filing and other action by it on behalf of the Partnership. The foregoing power of attorney shall survive the dissolution and termination of the General Partner or the assignment by the General Partner of the whole or any part of its interest hereunder.

PURCHASE OPTION AND RIGHT OF FIRST REFUSAL
PURCHASE OPTION AND
RIGHT OF FIRST REFUSAL AGREEMENT

This Purchase Option and Right of First Refusal Agreement (this "Agreement") is made as of the 12th day of December, 2008 by and among The Colony Senior Community, L.P., a Texas limited partnership (the "Partnership"), Churchill Residential, Inc., a Texas corporation (the "Special Limited Partner"), LifeNet Community Behavioral Healthcare, a Texas non-profit corporation ("Grantee"), which is the sole member of LCBH-The Colony GP, L.L.C., a Texas limited liability company (the "General Partner"), and is consented to hereinbelow by NEF Assignment Corporation, an Illinois not-for-profit corporation, as nominee (the "Consenting Limited Partner" or "Limited Partner").

Whereas, the General Partner and Special Limited Partner are entering into that certain Amended and Restated Limited Partnership Agreement dated as of the date hereof (the "Partnership Agreement") forming the Partnership or continuing it by amending and restating a prior partnership agreement; and

Whereas, the General Partner, Special Limited Partner and Grantee have been instrumental in the development of the Project, as described in the Partnership Agreement; and

Whereas, the General Partner, Special Limited Partner and Grantee have performed, or have agreed to perform, services (the "Services") relating to the acquisition and syndication of the Project, as defined in the Partnership Agreement, which services include procuring permanent financing, securing the low-income housing tax credits and negotiating the Consenting Limited Partner’s investment in the Partnership, and the Partnership wishes to provide to the General Partner, Special Limited Partner and Grantee certain rights under this Agreement in consideration of the General Partner, Special Limited Partner and Grantee performing such services; and

Whereas, the Project is or will be subject to one or more governmental agency regulatory agreements (collectively, the "Regulatory Agreements") restricting its use to low-income housing (the "Use Restrictions"), including but not limited to the Declaration of Land Use Restrictive Covenants/Land Use Restriction Agreement for Low-Income Housing Tax Credits (the "LURA"), a form of which has been provided to the Consenting Limited Partner; and

Whereas, as a condition precedent to the continuation of the Partnership pursuant to the Partnership Agreement, the General Partner, Special Limited Partner and Grantee have negotiated and required that the Partnership execute and deliver this Agreement, and the Consenting Limited Partner has consented to this Agreement in order to induce the General Partner and Special Limited Partner to execute and deliver the Partnership Agreement;

NOW, THEREFORE, in consideration of the execution and delivery of the Partnership Agreement, the performance of the Services by the General Partner, Special Limited Partner and Grantee for the benefit of the Partnership and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:
1. **Grant of Options.** The Partnership hereby grants to the Special Limited Partner an option to either (a) after the close of the fifteen (15) year compliance period for the low-income housing tax credit for the Project (the “Compliance Period”), purchase the real estate, fixtures and personal property comprising the Project or associated with the physical operation thereof, located at the Project and owned by the Partnership at the time of purchase (the “Project Option”) as determined under Section 42(i)(1) of the Internal Revenue Code of 1986, as amended (the “Code”); or (b) purchase the Limited Partner’s limited partnership interest in the Partnership (the “Partnership Interest Option”). The Partnership Interest Option (i) shall be triggered prior to the end of the Compliance Period if the Partnership receives an offer from an unrelated third party to purchase the Project or the limited partnership interest which the Limited Partner wishes to accept, in its sole discretion, and (ii) may be exercised at any time after the end of the Compliance Period. Both the Project Option and the Partnership Interest Option shall be on the terms and conditions set forth in this Agreement and subject to the conditions precedent to exercise of such Options specified herein. The Partnership additionally hereby grants to the Grantee a subordinate right to purchase the Limited Partner’s limited partnership interest in the Partnership (the “Subordinate Partnership Interest Option”) which is triggered by the Special Limited Partner declining or failing to exercise its Partnership Interest Option after an offer from an unrelated third party to purchase the Project or the Limited Partner’s limited partnership interest which the Limited Partner wishes to accept, in its sole discretion. The Project real estate is legally described in Exhibit A attached hereto and made a part hereof. The Regulatory Agreement containing the Use Restrictions to which the Project real estate will remain subject is described in Exhibit B attached hereto and made a part hereof. The Project Option, the Partnership Interest Option and the Subordinate Partnership Interest Option are collectively sometimes herein referred to as the “Options” and each of them is sometimes herein referred to as an “Option”.

2. **Grant of Refusal Right to Grantee.** In the event the Partnership receives an offer from an unrelated third party to purchase the Project which the Limited Partner wishes to accept, the Partnership will not sell the Project or any portion thereof without first providing Grantee with a written notice (the “Notice of Refusal Right”) offering to Grantee a right of first refusal to purchase the Project (the “Refusal Right”) after the close of the Compliance Period, on the terms and conditions set forth in this Agreement and subject to the conditions precedent to exercise of the Refusal Right specified herein. The Refusal Right shall be subordinated to the Partnership Interest Option and the Subordinate Partnership Interest Option that are simultaneously triggered, and if the Limited Partner’s limited partnership interest is acquired by either the Special Limited Partner or the Grantee, the consent of such acquiring party shall be required prior to the sale of the Project or any portion thereof pursuant to either a third party offer or the Refusal Right. In addition to all other applicable conditions set forth in this Agreement, (a) the foregoing grant of the Refusal Right shall be effective only if Grantee is currently and remains at all times hereafter, until (i) the Refusal Right has been exercised and the resulting purchase and sale has been closed or (ii) the Refusal Right has been assigned to a Permitted Assignee described in Paragraph 9 hereof, whichever first occurs, a qualified nonprofit organization, as defined in Section 42(h)(5)(C) of the Code, and (b) any assignment of the Refusal Right permitted under this Agreement and the Refusal Right so assigned shall be effective only if the assignee is at the time of the assignment and remains at all times thereafter, until the Refusal Right has been exercised and the resulting purchase and sale has been closed, a Permitted Assignee described in Paragraph
9 hereof meeting the requirements of Section 42(i)(7)(A) of the Code as determined in its reasonable judgment by tax counsel to the Consenting Limited Partner.

3. **Purchase Price Under Options.** The purchase price under the Project Option or the Partnership Interest Option shall be as follows:

   a. **Project Option.** The purchase price under the Project Option shall be the greater of the following amounts:

      (i) **Debt, Taxes and Credit Adjusters.** The sum of: (a) an amount sufficient to pay all debts (including partner loans) and liabilities of the Partnership upon its termination and liquidation as projected to occur immediately following the sale pursuant to the Option, (b) an amount sufficient to distribute to the Limited Partner pursuant to Section 5.2(a)(ii) of the Partnership Agreement, cash proceeds equal to the state, local and federal taxes projected to be imposed on the Limited Partner as a result of the sale of the Project pursuant to the Option less any amounts distributed or to be distributed to the Limited Partner from the Operating Reserve Account and/or the Replacement Reserve Account for the purpose of paying such taxes, and (c) any unpaid portion of any credit adjuster payments due and owing to the Limited Partner pursuant to Section 6.9 of the Partnership Agreement; or

      (ii) **Fair Market Value.** The fair market value of the Project, appraised as low-income housing to the extent continuation of such use is required under the Use Restrictions, less any liabilities, including all Partnership debt (including Partner loans) assuming the Project is affordable for the period of the Use Restrictions. The above-referenced appraisal shall be made by a licensed appraiser who is a member of the Master Appraiser Institute ("MAI") and who has experience in the geographic area in which the Project is located. The fair market value of the Project shall be determined by an MAI appraiser selected by the Partners, with the prior consent of the Limited Partner. The appraisal shall be paid for by the Partnership. If the Partners are unable to agree upon an MAI appraiser, the fair market value of the Project shall be determined by an MAI appraiser agreed upon by an MAI appraiser selected by the General Partner and an MAI appraiser selected by the Limited Partner, which appraisal shall be paid for by the Partnership.

   b. **Partnership Interest Option and Subordinate Partnership Interest Option.** The purchase price under the Partnership Interest Option or under the Subordinate Partnership Interest Option shall be the greater of:

      (i) **Fair Market Value Analysis.** The purchase price for the Limited Partner’s Partnership Interest shall be the equivalent of the sum that the Limited Partner would have received in distribution of Net Cash pursuant to Section 5.2 of the Partnership Agreement if the Project had been sold to a third party for the appraised fair market value. Any such appraisal shall be made by a licensed appraiser who is a member of the MAI and who has experience in the geographic area in which the Project is located. The fair market value of the Project shall be determined by an MAI appraiser selected by the General Partner, with the prior consent of the Limited Partner. The appraisal shall be paid for by the Partnership. If the Partners are unable to
agree upon an MAI appraiser, the fair market value of the Project shall be determined by an MAI
apraiser agreed upon by an MAI appraiser selected by the General Partner and an MAI appraiser
selected by the Limited Partner, which appraisal shall be paid for by the Partnership; or

(ii) Partner Loans, Taxes and Credit Adjusters. The sum of: (a) an amount equal to
the outstanding principal balance and all accrued and unpaid interest on any loans that the
Limited Partner has made to the Partnership, (b) an amount sufficient to distribute to the Limited
Partner pursuant to Section 5.2(a)(ii) of the Partnership Agreement, cash proceeds equal to the
state, local and federal taxes projected to be imposed on the Limited Partner as a result of the sale
of its Partnership Interest pursuant to the Option, and (c) any unpaid portion of any credit adjuster
payments due and owing to the Limited Partner pursuant to Section 6.9 of the Partnership
Agreement.

4. Purchase Price Under Refusal Right. The purchase price for the Project pursuant to the
Refusal Right shall be equal to the sum of: (a) an amount sufficient to pay all debts (including
partner loans) and liabilities of the Partnership upon its termination and liquidation as projected
to occur immediately following the sale pursuant to the Refusal Right, (b) an amount sufficient to
distribute to the Limited Partner, pursuant to Section 5.2(a)(ii) of the Partnership Agreement, cash
proceeds equal to the state, local and federal taxes projected to be imposed on the Limited
Partner as a result of the sale pursuant to the Refusal Right, (c) any unpaid portion of any credit adjuster
payments due and owing to the Limited Partner pursuant to Section 6.9 of the Partnership
Agreement.

5. Conditions Precedent. Notwithstanding anything in this Agreement to the contrary, the
Options and the Refusal Right granted hereunder shall be contingent on all of the following:

a. General Partner and Special Limited Partner. As to the Project Option and the
Partnership Interest Option, the Special Limited Partner shall have remained in good standing as
a special limited partner of the Partnership without the occurrence of any event described in
Section 10.6 of the Partnership Agreement that has not been cured as provided in Section 10.6(b)
of the Partnership Agreement. As to the Refusal Right and the Subordinate Partnership Interest
Option, the General Partner shall have remained in good standing as special limited partner of the
Partnership without the occurrence of any event described in Section 10.6 of the Partnership
Agreement that has not been cured as provided in Section 10.6(b) of the Partnership Agreement.

b. Regulatory Agreements. Either (i) the Regulatory Agreements shall have been
entered into and remained in full force and effect, and those Use Restrictions to be contained
therein, shall have remained unmodified as to material terms affecting the affordability of the
Project or income eligibility standards therein (unless the Consenting Limited Partner has
approved a modification in writing), or (ii) if the Regulatory Agreements are no longer in effect
due to reasons other than a default thereunder by the Partnership, such Use Restrictions, as so
approved and unmodified, shall have remained in effect by other means and shall continue in
effect by means of covenants recorded against the property.

c. Performance by the General Partner and Special Limited Partner of the Services.
The General Partner, Special Limited Partner and Grantee shall have performed the Services set forth in the recitals of this Agreement. The General Partner, Special Limited Partner and Grantee shall have been deemed to have performed the Services upon the completion of all of the following:

(i) the admission of the Consenting Limited Partner to the Partnership;

(ii) the closing of all permanent loans secured by the Project, as described in the Partnership Agreement;

(iii) the acquisition of all of the real property comprising the Project by the Partnership; and

(iv) the receipt by the Partnership of all Forms 8609 to be issued in connection with the Project, evidencing the low-income housing tax credits projected to be delivered by the Project (as adjusted in any revised Projections prepared in accordance with Section 6.9 of the Partnership Agreement).

If any or all of such conditions precedent have not been met, the Options and the Refusal Right shall not be exercisable. Upon any of the events terminating the Options or the Refusal Right under Sections 9.5 and 9.6 of the Partnership Agreement, terminating either the General Partner as a general partner or the Special Limited Partner as a special limited partner, respectively, of the Partnership under Article 10 of the Partnership Agreement, or affecting the Regulatory Agreement as described in this Paragraph 5, the Options and the Refusal Right shall be void and of no further force and effect as to the Partner to which such terminating event has occurred.

6. Exercise of Refusal Right or Options and Priority.

(a) Refusal Right. The Refusal Right may be exercised by Grantee only by complying in full with the following: (i) Grantee shall give written notice of its intent to exercise the Refusal Right delivered to the Partnership and each of its Partners in the manner provided in the Partnership Agreement and in compliance with the requirements of this Paragraph 6, and (ii) Grantee shall comply with the contract and closing requirements of Paragraph 8 hereof. Any such notice of intent to exercise the Refusal Right shall (I) be given no later than thirty (30) days after Grantee has received the Partnership’s Notice of Refusal Right; provided, however, if Grantee has not received the Partnership’s Notice of Refusal Right on or before the end of the fourteenth (14th) year of the Compliance Period, Grantee’s Refusal Right shall be terminated (the “Refusal Right Termination Date”), and (II) specify a closing date within one hundred eighty (180) days immediately following the end of the Compliance Period.

(b) Options. Immediately following the occurrence of the Refusal Right Termination Date, the Project Option may be exercised by the Special Limited Partner only by complying in full with the following: (i) the Special Limited Partner shall give written notice of the Special Limited Partner’s intent to exercise the Project Option, such notice to be executed by the Special Limited Partner to the Partnership in the manner provided in the Partnership Agreement and in
compliance with the requirements of this Paragraph 6, the Special Limited Partner hereby acknowledging that any such notice that is not executed by the Special Limited Partner shall be deemed null and void, and (ii) the Special Limited Partner shall comply with the contract and closing requirements of Paragraph 8 hereof. Any such notice of intent to exercise the Project Option shall be given no later than thirty (30) days after the Refusal Right Termination Date, which shall specify a closing date within one hundred eighty (180) days after the Refusal Right Termination Date.

Immediately following the Partnership’s receipt of an offer from an unrelated third party to purchase the Project or the Limited Partner’s limited partnership interest which the Limited Partner wishes to accept, in its sole discretion, or at any time following the end of the Compliance Period, the Partnership Interest Option may be exercised by the Special Limited Partner only by complying in full with the following: (i) the Special Limited Partner shall give written notice of the Special Limited Partner’s intent to exercise the Partnership Interest Option, such notice to be executed by the Special Limited Partner to the Partnership in the manner provided in the Partnership Agreement and in compliance with the requirements of this Paragraph 6, the Special Limited Partner hereby acknowledging that any such notice that is not executed by the Special Limited Partner shall be deemed null and void, and (ii) the Special Limited Partner shall comply with the contract and closing requirements of Paragraph 8 hereof. Any such notice of intent to exercise the Partnership Interest Option shall be given no later than thirty (30) days after the triggering event, and which shall specify a closing date within ninety (90) days after the triggering event.

In the event that following the Partnership’s receipt of an offer from an unrelated third party to purchase the Project or the Limited Partner’s limited partnership interest which the Limited Partner wishes to accept, in its sole discretion, the Special Limited Partner declines or fails to exercise its Partnership Interest Option, then the Grantee may exercise its Subordinate Partnership Interest Option. The Subordinate Partnership Interest Option may be exercised by the Grantee only by complying in full with the following: (i) the Grantee shall give written notice of the Grantee’s intent to exercise the Subordinate Partnership Interest Option, such notice to be delivered to the Partnership and each of its Partners in the manner provided in the Partnership Agreement and in compliance with the requirements of this Paragraph 6, the Grantee hereby acknowledging that any such notice that is not executed by the Grantee shall be deemed null and void, and (ii) the Grantee shall comply with the contract and closing requirements of Paragraph 8 hereof. Any such notice of intent to exercise the Subordinate Partnership Interest Option shall be given no later than thirty (30) days after the Special Limited Partner fails or declines to exercise its Partnership Interest Option, and which shall specify a closing date within ninety (90) days after the triggering event.

In the event of any claim, demand, dispute, lawsuit or lien arising in connection with the propriety of any exercise or purported exercise of the Refusal Rights or the Options, as applicable, either the Special Limited Partner (if the Project Option or the Partnership Interest Option is in issue) or Grantee (if Right of Refusal or the Subordinate Partnership Interest Option is in issue) shall indemnify, hold harmless and defend the Partnership and the Consenting Limited Partner against any and all costs, expenses and fees, including reasonable attorneys’ fees, incurred in connection with any such claim, demand, dispute, lawsuit or lien.

(c) Expiration; Priority. If the foregoing requirements and those set forth in Paragraph 8
hereof are not met as and when provided herein, the Options or the Refusal Right, or all of them, as applicable, shall expire and be of no further force or effect. Upon notice by the Special Limited Partner or Grantee of the Special Limited Partner’s or Grantee’s intent to exercise the Options or Refusal Right, as applicable, all of the other rights shall be subordinate to the rights then being so exercised unless and until such exercise is withdrawn or discontinued, and upon the closing of any sale of the Project or the Limited Partner’s Partnership Interest, as the case may be, pursuant to such notice, all of the other rights shall expire and be of no further force or effect, provided that in the event that the Options and the Refusal Right are hereafter held by different parties by reason of any permitted assignment or otherwise, the Special Limited Partner or Grantee in its assignment, or such parties by written agreement, may specify any other order of priority consistent with the other terms and conditions of this Agreement.

7. **Determination of Price.** Upon notice by the Special Limited Partner or Grantee of its intent to exercise one of the Options, or notice by Grantee of its intent to exercise the Refusal Right, the Partnership and either the Special Limited Partner or Grantee, as applicable, shall exercise best efforts in good faith to agree on the purchase price for the Project or the Limited Partner’s Partnership Interest, as the case may be. Any such agreement shall be subject to the prior written consent of the Consenting Limited Partner, which shall not be withheld as to any purchase price determined properly in accordance with this Agreement.

8. **Contract and Closing.**

(a) Upon determination of the purchase price, the Partnership and the Special Limited Partner, in the case of exercise of the Project Option or the Partnership Interest Option, or the Partnership and Grantee, in the case of exercise of the Refusal Right or the Subordinate Partnership Interest Option, shall enter into a written contract for the purchase and sale of the Project or the Partnership Interest, as the case may be, in accordance with this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area in which the Project is located, providing for a closing not later than the date specified in the notice of intent to exercise the Option or the Refusal Right, as applicable, or thirty (30) days after the purchase price has been determined, whichever is later. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of any one of the Options or the Refusal Right, as applicable. The purchase and sale hereunder shall be closed through a deed-and-money escrow with the title insurer for the Project or another mutually acceptable title company.

(b) It shall be a condition precedent to the exercise of an Option with a closing date prior to the end of Compliance Period that the Special Limited Partner and Grantee (i) covenant and agree to maintain the Project as a qualified low-income housing project for the balance of the Compliance Period, (ii) satisfy all requirements of any bond or loan document affecting the Project applicable to such exercise of the Option, and (iii) obtain the consent of the Consenting Limited Partner (which shall include its tax counsel), in its sole discretion, for such exercise of the Option with a closing date prior to the end of the Compliance Period.
(c) It shall be a condition precedent of closing any transaction hereunder that the Partnership shall have received consent for such transaction from the State Housing Finance Agency, if required.

9. Assignment. If the Special Limited Partner elects not to exercise any of its rights under Section 1 of this Agreement, then, subject to the rights of the Grantee with regard to the Subordinate Partnership Interest Option, the Special Limited Partner may assign all or any of its rights under Section 1 of this Agreement to (a) a qualified nonprofit organization, as defined in Section 42(h)(5)(C) of the Code, (b) a government agency, or (c) a tenant organization (in cooperative form or otherwise) or resident management corporation of the Project (each a “Permitted Assignee”) that demonstrates its ability and willingness to maintain the Project as low-income housing in accordance with the Use Restrictions, subject to the prior written consent of the Consenting Limited Partner, which shall not be unreasonably withheld if the proposed assignee demonstrates that it is reputable and creditworthy and is a capable, experienced owner and operator of residential rental property, and subject in any event to the conditions precedent to the Refusal Right grant and the Option prices set forth in Paragraphs 2 and 4 hereof.

Prior to any assignment or proposed assignment of its rights hereunder, the assigning party shall give written notice thereof to the Partnership, the other Partners, Grantee, and the Consenting Limited Partner. Upon any permitted assignment hereunder to any entity described hereinabove, references in this Agreement to Grantee shall mean the Permitted Assignee where the context so requires, subject to all applicable conditions to the effectiveness of the rights granted under this Agreement and so assigned. No assignment of a Grantee’s rights hereunder shall be effective unless and until the Permitted Assignee enters into a written agreement accepting the assignment and assuming all of the assigning Grantee’s obligations under this Agreement and copies of such written agreement are delivered to the Partnership, the Partners, Grantee and the Consenting Limited Partner. This Agreement shall be binding upon the Limited Partner’s successors and assigns. Except as specifically permitted herein, Grantee’s rights hereunder shall not be assignable.

10. Miscellaneous. This Agreement shall be liberally construed in accordance with the laws of the state in which the Project is located in order to effectuate the purposes of this Agreement. This Agreement may be executed in counterparts or counterpart signature pages, which together shall constitute a single agreement. Neither this Agreement nor any memorandum or notice hereof shall be recorded. Capitalized terms not otherwise defined in this Agreement shall have the meaning given to such terms in the Partnership Agreement. The parties intend to fully comply with the Partnership’s obligations to the State Housing Finance Agency; accordingly, in the event of a conflict between this Agreement and the LURA, the LURA shall control.

Re: Churchill’s 811 Eligible Properties

Dear Mr. Forslund:

National Equity Fund (“NEF”) serves as the Limited Partner and LIHTC investor in five LIHTC properties that are operated by Churchill Residential (“Churchill”) and are eligible for the Section 811 Project Rental Assistance Program (“811”). The five properties are as follows:

- Evergreen at Morningstar – 6245 Morning Star Dr. The Colony, TX
- Churchill at Champions Circle – 3424 Outlet Blvd. Fort Worth, TX
- Evergreen at Vista Ridge – 455 Highland Dr. Lewisville, TX
- Evergreen at Arbor Hills – 2314 Parker Rd. Carrollton, TX
- Evergreen at Rowlett – 5611 Old Rowlett Rd. Rowlett, TX

Churchill has brought to NEF’s attention an inquiry to add 811 units to these existing properties. NEF has a responsibility to its investors to maintain the initial underwriting, operational, and risk profile of these projects contemplated at closing and thus we respectfully deny this request as it would present significant challenges for each project’s stakeholders. NEF’s denial is based on the following:

1. NEF’s LPA Requires Consent to Alter a Project’s Unit Mix/Restrictions for all 5 Churchill projects listed above – To use Evergreen at Rowlett as an example, stated in the Limited Partnership Agreement (LPA) under Section 6.2 Restrictions of GP’s Authority:

   *Notwithstanding anything to the contrary contained in this Partnership Agreement, neither the General Partner nor the Special Limited Partner shall have the authority to take any of the actions set forth below without the prior written consent of the Limited Partner and the General Partner shall not have the authority to seek the Limited Partner’s consent if the Special Limited Partner has not previously consented to such action:*

   6.2.1 Do any act in contravention of or inconsistent with this Partnership Agreement or any other agreement to which the Partnership is a party (including, without limitation, those relating to the Project Documents, Construction Loan, Permanent Loan and Subordinate Cash Flow Loans);
The documents referenced above spell out the various rent set asides, tenant targeting, operating revenues and expenses, etc. associated with the property – incorporating 811 units constitutes as a change to those documents and thus legally requires NEF’s written approval.

2. Economic Risk – currently none of the Churchill properties listed above include project based vouchers; it would take significant costs to train management, compliance, and accounting personnel to accommodate 811 vouchers as Churchill manages their own properties and thus cannot leverage the knowledge of a larger, third party property management firm. These additional upfront and on-going costs were not initially contemplated and underwritten at project closing. NEF recognizes that the 811 program provides subsidized rents that could potentially offset some or all of these costs; however, that determination would require an in-depth analysis (and potentially revised third party reports such as market study and appraisal) which would incur investor/lender costs that are in addition to the added on-going costs at the property level.

3. Operational Risk – The 5 properties above are stable, well performing communities with an active tenant base – 4 of the 5 are senior properties. These tenants are demanding, informed, and organized. It is unclear to NEF how the current tenant base will react to the potential of 811 tenants that were not contemplated when they made the decision to lease. The risk of increased tenant concerns and turnover is real even if the actual risk posed by 811 tenants is not.

To be clear, NEF does not have any issue with the 811 program and respects its purpose/mission as a worthy one. NEF plans to participate in many Texas communities going forward that include 811 units and NEF and the project’s stakeholders will have the ability to underwrite the program’s operational and economic implications at closing. However, it is extremely difficult and risky for NEF to recommend to our investors a significant change in unit restrictions, tenant targeting, economics, and operations after closing.

Please let me know if you have any questions regarding this matter.

Sincerely,

Jason Aldridge

Upon any such withdrawal, the Partnership shall (i) immediately return to the Limited Partner all Capital Contributions actually made to the Partnership by the Limited Partner, plus all expenses reasonably incurred by the Limited Partner in connection with entering into and withdrawing from the Partnership, and (ii) execute and file a release of the Limited Partner’s UCC Financing Statement securing its Capital Contribution obligation, and the Partners shall execute an amendment to the Partnership Agreement, the General Partner shall execute, file, and record, as applicable, an amendment to the Partnership’s Certificate of Formation, reflecting the withdrawal of the Limited Partner and the release of all of the Limited Partner’s obligations and liabilities in connection with the Partnership, all of the foregoing documents to be in form and content satisfactory to the Limited Partner. Notwithstanding any failure or delay in such execution and delivery, however, the Partnership Agreement shall be deemed to have been amended in accordance with the provisions of this §3.9 once the Limited Partner has provided the General Partner with written notice of its intent to withdraw. Nothing herein shall be construed to diminish any of the General Partner’s obligations under the Partnership Agreement to issue final accounting and tax reports to the Limited Partner for all periods prior to its withdrawal and in which its withdrawal occurred.
ARTICLE 4: ALLOCATION OF PROFITS, LOSSES AND TAX CREDITS

§4.1 Profit and Loss Allocations. Except as otherwise provided in §4.2, Profits and Losses for any fiscal year of the Partnership are allocated among the Partners in accordance with the following percentages:

§4.2 Special Allocations. Notwithstanding anything to the contrary contained in §4.1, the following special allocations in all events apply in determining the allocation of Profits and Losses among the Partners and are made prior to the allocations required under §4.1:

(a) Depreciation and Tax Credits.

(i) Depreciation (cost recovery) deductions and Tax Credits are allocated 0.009% to the General Partner, 0.001% to the Special Limited Partner and 99.99% to the Limited Partner.

(ii) Any recapture of Tax Credits is allocated to the Partners that were allocated (or whose predecessors-in-interest were allocated) the depreciation/cost recovery deduction and Tax Credits associated therewith.

(b) Limitation on Allocations of Losses. To the extent the allocation of any Losses to a Limited Partner would cause that Limited Partner to have an Adjusted Capital Account Deficit at the end of any fiscal year of the Partnership, then those Losses will not be allocated to that Limited Partner, but rather will be specially allocated to the General Partner.

(c) Profit Chargeback. To the extent any Losses are allocated to the General Partner in accordance with subparagraph (b) of this §4.2, then Profits will thereafter first be specially allocated to the General Partner in proportion to and in an amount (1) up to but not exceeding the amount of any such allocations of Losses made to the General Partner under such subparagraph (b) but (2) not to the extent that Losses would be allocated to the Limited Partner in excess of the amount permitted by such subparagraph (b).

(d) Partnership Minimum Gain Chargeback. Notwithstanding any other provision of this Article 4, if there is a net decrease in Partnership Minimum Gain during any Partnership fiscal year, then each Partner will be specially allocated items of Partnership income or gain for such fiscal year (and, if necessary, subsequent fiscal years) in an amount equal to the portion of such Partner's share of the net decrease in the Partnership Minimum
Gain (determined in accordance with §1.704-2(g) of the Regulations). Any allocations made pursuant to this subparagraph (d) are to be made in proportion to the respective amounts required to be allocated to each of the Partners pursuant thereto. The items of Partnership income or gain specially allocated under this subparagraph (d) are to be determined in accordance with §1.704-2(f) of the Regulations. This subparagraph (d) is intended to comply with the minimum gain chargeback requirements of §1.704-2(f) of the Regulations and will be interpreted consistently therewith.

(e) **Partner Minimum Gain Chargeback.** Notwithstanding any other provision of this Article 4 (except subparagraph (d) of this §4.2), if there is a net decrease in Partner Minimum Gain attributable to a Partner Nonrecourse Debt during any Partnership fiscal year, then each Partner who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt (as determined in accordance with §1.704-2(i)(5) of the Regulations) will be specially allocated items of Partnership income and gain for such fiscal year (and if necessary, subsequent fiscal years) in an amount equal to the portion of such Partner’s share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt (as determined in accordance with §1.704-2(i)(4) of the Regulations). Any allocations made pursuant to this subparagraph (e) will be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items of Partnership income or gain specially allocated under this subparagraph (e) will be determined in accordance with §1.704-2(i)(4) of the Regulations. This subparagraph (e) is intended to comply with the minimum gain chargeback requirements of §1.704-2(i)(4) of the Regulations and will be interpreted consistently therewith.

(f) **Qualified Income Offset.** If a Limited Partner unexpectedly receives any adjustments, allocations, or distributions described in §1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Regulations, then items of Partnership income or gain will be specially allocated to that Limited Partner in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of that Limited Partner as quickly as possible. The special allocations required pursuant to this subparagraph (f) are made only if and to the extent that that Limited Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article 4 have been tentatively made as if this subparagraph (f) were not in the Partnership Agreement. This subparagraph (f) is intended to comply with the qualified income offset requirements of §1.704-1(b)(2)(ii)(d) of the Regulations and will be interpreted consistently therewith.

(g) **Gross Income Allocation.** If a Limited Partner has a deficit balance in its Capital Account at the end of any Partnership fiscal year which exceeds the sum of (1) the amount that Limited Partner is obligated to restore pursuant to any provision of this Partnership Agreement and (2) the amount that Limited Partner is deemed to be obligated to restore pursuant to the penultimate sentences of §1.704-2(g)(1) and 1.704-2(ii)(5) of the Regulations, then that Limited Partner will be specially allocated items of Partnership income or gain in the amount of such excess as quickly as possible. The special allocations required pursuant to this subparagraph (g) are made only if and to the extent that that Limited Partner would have a deficit Capital Account in excess of the aforementioned sum.
after all of the allocations provided for in this Article 4 have been tentatively made as if subparagraph (f) and this subparagraph (g) were not in the Partnership Agreement.

(h) **Nonrecourse Deductions.** Nonrecourse Deductions are specially allocated among the Partners in accordance with the same percentages set forth in §4.1 with respect to Profits and Losses.

(i) **Partner Nonrecourse Deductions.** Partner Nonrecourse Deductions are specially allocated to the Partner who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with §1.704-2(i) of the Regulations.

(j) **§754 Adjustment.** To the extent an adjustment to the adjusted tax basis of any Partnership Property undertaken pursuant to §734(b) or 743(b) of the Code is required to be taken into account in determining the Capital Accounts of the Partners under §1.704-1(b)(2)(iv)(m) of the Regulations, then the amount of such adjustment to the Capital Accounts will be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss will be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to the aforementioned section of the Regulations.

(k) **Imputed Interest.** To the extent the Partnership has taxable interest income with respect to any Capital Contribution pursuant to §483 or §§1271 through 1288 of the Code, then (i) such interest income will be specially allocated to the Partner to whom such Capital Contribution relates, and (ii) the amount of such interest income will be excluded from the Capital Contributions credited to such Partner’s Capital Account in connection with the payments of principal with respect to such Capital Contribution.

(l) **Curative Allocations.** The special allocations set forth in subparagraphs (d) through (i) of this §4.2 are intended to comply with the requirements of §1.704-1(b) of the Regulations. These special allocations may lead to results, which are inconsistent with the Partners’ intentions concerning their sharing in Partnership distributions. Accordingly, the General Partner is hereby authorized and directed to specially allocate other items of Partnership income, gain, loss, and deduction among the Partners so as to prevent the special allocations required under subparagraphs (d) through (i) of this §4.2 from distorting the Partners’ understanding of the manner in which Partnership distributions are to be made to the Partners upon the dissolution and termination of the Partnership. In general, it is anticipated that the special allocations, if any, made under this subparagraph (l) are made by specially allocating other items of Partnership income, gain, loss, and deduction among the Partners so that the sum of the special allocations made to each Partner pursuant to subparagraphs (d) through (i) of this §4.2 equals the sum of the special allocations made under this subparagraph (l).
(m) **Matching Income Allocation of Income or Gain from Sales and Refinancing Proceeds.** All items of Partnership income or gain arising from events resulting in Net Cash from Sales or Refinancings are allocated:

(i) first, as specified in §4.2(d) through (g), (j) and (l) and §4.4(c) of this Partnership Agreement;

(ii) second, if after the allocation of Profits and Losses for the fiscal year in which the gain arose, any Limited Partner has a negative Capital Account balance, 99.99% to the Limited Partner, 0.001% to the Special Limited Partner and 0.009% to the General Partner, until each Limited Partner’s negative Capital Account balance is equal to zero;

(iii) third, 99.99% to the Limited Partner, 0.001% to the Special Limited Partner and 0.009% to the General Partner, until each Limited Partner’s positive Capital Account balance equals any amount to be distributed to the Limited Partner pursuant to §§5.2(a)(i) and 5.2(a)(ii); and

(iv) fourth, to the Partners in accordance with the percentages specified in §5.2(b).

(n) **Grant Income.** Any income recognized as a result of any receipt of grants by the Partnership shall be allocated one hundred percent (100%) to the General Partner, except that this provision shall not apply to the extent that the Project will be financed with tax-exempt bond proceeds. In addition, if the General Partner is (i) a “tax-exempt entity” within the meaning of §168(h)(2) of the Code, or (ii) a “tax-exempt controlled entity” within the meaning of §168(h)(6)(F)(iii) of the Code and has not made the election under §168(h)(6)(F)(ii) of the Code, the allocations to the General Partner under this §4.2 shall be limited to the highest percentage of the Partnership’s property treated as tax-exempt use property, as reflected in the Projections.

(o) **Special Adjustment.** The special allocations in this §4.2(o) shall apply notwithstanding any provision of this Partnership Agreement to the contrary. Prior to making any special allocations set forth in this §4.2, items of expenses and other deductions (other than depreciation, amortization, cost recovery deductions and Nonrecourse Deductions) equal to the sum of the amount of any loans to the Partnership made by the General Partner or any of its Affiliates pursuant to or for the purposes described in §§3.7 and 6.4(f)(i), 6.4(f)(ii) and 6.4(f)(iii) are specially allocated to the General Partner in each tax year in which any such loan is made. Further, if any loans of the General Partner or its Affiliates are repaid by the Partnership from Cash Flow pursuant to §5.1(a), the General Partner shall be specially allocated an amount of gross income equal to the lesser of (i) the amount of such repayment, or (ii) the aggregate amount of expenses and deductions specifically allocated to the General Partner under this §4.2(o). If the General Partner is (i) a “tax-exempt entity” within the meaning of §168(h)(2) of the Code, or (ii) a “tax-exempt controlled entity” within the meaning of §168(h)(6)(F)(iii) of the Code and has
not made the election under §168(h)(6)(F)(ii) of the Code, the allocations to the General Partner under this §4.2 (o) shall be limited to the highest percentage of the Partnership’s property treated as tax-exempt use property, as reflected in the Projections.

§4.3 **Timing of Allocations.** Except as otherwise expressly provided in this Partnership Agreement, all allocations of Profits, Losses, and Tax Credits are to be made as of the last day of each fiscal year of the Partnership.

§4.4 **Other Allocation Rules.** The following rules apply for the purpose of interpreting and applying the provisions of this Article 4 relating to the allocation of Profits, Losses, and Tax Credits among the Partners:

(a) **Excess Nonrecourse Liabilities.** Solely for purposes of determining a Partner’s proportionate share of the “excess nonrecourse liabilities” of the Partnership within the meaning of §1.752-3(a)(3) of the Regulations, the Partners’ respective interests in Partnership Profits shall be those percentage interests set forth in §4.1 (determined without regard to §4.2).

(b) **Effect of Cash Distributions.** To the extent permitted by §1.704-2(h) and §1.704-2(i)(6) of the Regulations, the General Partner shall endeavor to treat distributions of Cash Flow as having been made from the proceeds of a Nonrecourse Liability or a Partner Nonrecourse Debt only to the extent that such distributions would cause or increase an Adjusted Capital Account Deficit for any Limited Partner.

(c) **Recharacterization of Fee as Distribution.** If any fee or portion thereof payable to any Partner or any Affiliate thereof is determined to be a nondeductible distribution from the Partnership to a Partner for federal income tax purposes, there will be allocated to such Partner an amount of gross income equal to such distribution.

(d) **Allocation and Distributions Among Limited Partners.** Any adjuster, allocation, or distribution to the Limited Partners shall be 92.17% to NEFAC and 7.83% to MS Shared.

§4.5 **Tax Effect of Allocations.** Except as otherwise required under the second paragraph of this §4.5, the allocation of Profits, Losses, and Tax Credits to any Partner under this Article 4 is deemed an allocation to that Partner of the same proportionate part of each separate item of Partnership taxable income, gain, loss, deduction, or credit comprising such Profits, Losses, and Tax Credits, including, without limitation, any “unrealized receivable” or “substantially appreciated inventory item” under §751 of the Code. The Partners are aware of the income tax consequences of the allocations made pursuant to this Article 4 and hereby agree to be bound by the provisions of this Article 4 in reporting their respective shares of Partnership income, gain, loss, deduction, and credit for income tax purposes.

Notwithstanding anything to the contrary contained in this Article 4, income, gain, loss, deduction, and credit with respect to any Partnership Property contributed to the capital of the
Partnership by any Partner is, solely for tax purposes, allocated among the Partners so as to take into account any variation between the adjusted tax basis of such Partnership Property to the Partnership for federal income tax purposes and the value assigned to such Partnership Property for the purposes of the computation of the Partners’ Capital Accounts. If any revaluation of the Partnership Property is made by the General Partner (which revaluation may only be made with the consent of the Limited Partner) then any subsequent allocations of income, gain, loss, deduction, and credit with respect to such Partnership Property will take into account any variation between the adjusted tax basis of such Partnership Property for federal income tax purposes and the value assigned to such Partnership Property as a result of such revaluation. All allocations required under this paragraph of §4.5 are solely for purposes of federal, state, and local income taxes. These allocations do not affect and must not in any way be taken into account in computing any Partner’s Capital Account or any Partner’s share of Profits, Losses, Tax Credits or other items or distributions required or permitted to be made pursuant to any provision of this Partnership Agreement. This §4.5 is intended to conform to §704(c) of the Code.
ARTICLE 5: DISTRIBUTIONS

§5.1 Distribution of Cash Flow.

(a) Cash Flow shall be paid, prior to the making of any distributions pursuant to §5.1(b) hereof, in the following order and priority:

(i) First, to the Limited Partner to the extent of any amount which the Limited Partner is entitled to receive in order to satisfy any amounts owed to it pursuant to §6.9 hereof;

(ii) Second, to the Asset Manager to pay any accrued and payable Asset Management Fees;

(iii) Third, to the Operating Reserve Account until such time as such account is replenished up to the Operating Reserve Target Amount;

(iv) Fourth, to pay any accrued and unpaid principal and interest on loans made by the Limited Partner pursuant to §3.7;

(v) Fifth, to the Developer to pay any unpaid balance on the Deferred Development Fee;

(vi) Sixth, to repay any accrued and unpaid principal and interest on loans made by the General Partner and Special Limited Partner, pro rata, pursuant to §3.7;

(vii) Seventh, to the General Partner (in the order of loans made, with earlier loans repaid in full before subsequent loans are repaid) to repay any amounts treated as loans to the Partnership (without interest) by the General Partner pursuant to §6.4(f)(i), §6.4(f)(ii) or §6.4(f)(iii) and not yet repaid; and

(viii) Eighth, ninety percent (90.0%) of the balance, if any, to the General Partner and the Special Limited Partner as an Incentive Partnership Management Fee, on a non-cumulative basis (to be allocated 90% to the Special Limited Partner and 10% to the General Partner).
(b) After making the payments described in §5.1(a) hereof, the remaining Cash Flow, if any, shall be distributed to the Partners in accordance with the following percentages:

Notwithstanding any other provision of this §5.1 to the contrary for each fiscal year a sufficient amount of Cash Flow shall be distributed to the Limited Partner such that, when such distribution is added to all other distributions of Cash Flow made to the Limited Partner with respect to such fiscal year, the Limited Partner will have received an amount of Cash Flow equal to at least 10% of all Cash Flow which remains after repayment of the loans referred to in §5.1(a)(vii) with respect to such fiscal year.

§5.2 Net Cash from Sales and Refinancings. Except as otherwise provided in Article 11 of this Partnership Agreement (pertaining to the liquidation and dissolution of the Partnership), Net Cash from Sales and Refinancings shall be paid or distributed to the Partners as provided in this §5.2.

(a) Payments. Net Cash from Sales and Refinancings and any unutilized Operating Deficit Reserves shall be paid in the following order and priority:

(i) First, to the Limited Partner to the extent of any amount to which the Limited Partner is entitled to receive pursuant to §6.9;

(ii) Second, to the Limited Partner an amount equal to the amount of taxes which will be imposed upon the Limited Partner as a result of the sale or refinancing, assuming that the Limited Partner is subject to the highest marginal federal, state and local income tax rates in effect at such time for corporations;

(iii) Third, to the payment of current and accrued Asset Management Fees, if outstanding;

(iv) Fourth, to pay any accrued and unpaid principal and interest on loans made by the Limited Partner pursuant to §3.7;

(v) Fifth, to the Developer to pay any unpaid balance, if any, on the Deferred Development Fee;

(vi) Sixth, to the Asset Manager the Disposition Fee;

(vii) Seventh, to the General Partner (in the order of loans made, with earlier loans repaid in full before subsequent loans are repaid) to repay any amounts
treated as loans to the Partnership (without interest) by the General Partner pursuant to §6.4(f)(i), §6.4(f)(ii) or §6.4(f)(iii), and not yet repaid; and

(viii) Eight, to repay any accrued and unpaid principal and interest on loans made by the General Partner and Special Limited Partner, pro rata, pursuant to §3.7.

(b) **Distributions.** After making the payments specified in §5.2(a) hereof, the balance of Net Cash from Sales and Refinancings, if any, shall be distributed 10% to the Limited Partner, 10% to the General Partner and 80% to the Special Limited Partner.

§5.3 **Timing of Distributions.** Distributions of Cash Flow shall be made annually within ninety (90) days after the end of each fiscal year of the Partnership. The determination of the amount of Cash Flow distributable annually to the Partners under this Article 5 shall be based upon the state of facts existing on the last day of each fiscal year of the Partnership.

§5.4 **Treatment of Distributions.** Distributions to a Partner of Cash Flow are considered draws against such Partner’s allocable share of the Partnership’s Profits and Losses.

§5.5 **Failure to Make Tax Elections.** Notwithstanding anything to the contrary in this Article 5, if the General Partner is required to make the election pursuant to §168(h)(6)(F)(ii) of the Code and the election to be taxed as a corporation for Federal income tax purposes prior to the end of the calendar year in which the Project achieves Placement in Service, but fails to properly do so, then the General Partner shall not be entitled to any distributions under this Article 5 (except for the payment of any Developer Fee or repayment of any General Partner loans) in excess of 0.01% of the Cash Flow.
ARTICLE 6: POWERS, RIGHTS AND DUTIES OF GENERAL PARTNER

§6.1 Management of Partnership. The Partnership is managed by the General Partner, who exercises full and exclusive control over the affairs of the Partnership, subject, however, to the limitations on its authority set forth in this Partnership Agreement (including, without limitation, §§6.2 and 6.3). The General Partner is under a fiduciary duty to conduct and manage the affairs of the Partnership in a prudent, businesslike, and lawful manner and will devote such part of its time to the affairs of the Partnership as is deemed necessary and appropriate to pursue the business and carry out the purposes of the Partnership as contemplated in this Partnership Agreement. The General Partner shall use its best efforts and exercise good faith in all activities related to the business of the Partnership. The General Partner shall perform services in connection with the acquisition of the Project Property, including, if applicable, negotiating the purchase agreement with the seller of the Project Property, acting on behalf of the Partnership with federal, state and local authorities with respect to the Project Property, monitoring compliance with zoning, land use and other requirements with respect to the Project Property, and preparing or causing to be prepared such third-party studies as it deems necessary in connection with the acquisition of the Project Property.

§6.2 Restrictions on General Partner’s Authority. Notwithstanding anything to the contrary contained in this Partnership Agreement, the General Partner does not have the authority to take any of the actions set forth below without the prior written consent of the Limited Partner:

(a) Do any act in contravention of or inconsistent with this Partnership Agreement or any other agreement to which the Partnership is a party (including, without limitation, those relating to the Construction Loan, Permanent Loan, and Subordinate Loan);

(b) Do any act making it impossible to carry on the ordinary business of the Partnership;

(c) Confess a judgment against the Partnership;

(d) Use Partnership Property or assign rights in specific Partnership Property for other than a Partnership purpose;

(f) Incur any debt or liability (or enter into any agreement resulting in any such debt or liability being incurred) on behalf of the Partnership (i) that is not in ordinary course of the Partnership’s business or (ii) any debt or liabilities in the ordinary course of the Partnership’s business, in excess of Twenty-Five Thousand and No/100 Dollars ($25,000.00) other than the Construction Loan, the Permanent Loan and the Subordinate
Loan, and those liabilities (or agreements relating thereto) which have been disclosed to and approved in writing by the Limited Partner and the Special Limited Partner;

(g) Acquire any interest in real property or acquire any item of personal property on behalf of the Partnership having a purchase price of more than Ten Thousand and No/100 Dollars ($10,000.00), unless such acquisition is part of the development budget or annual operating budget that has been approved in writing by the Limited Partner;

(h) Refinance, prepay, amend or modify any mortgage or long-term liability of the Partnership, including, without limitation the Permanent Loan or the Subordinate Loan;

(i) Compromise any claim or liability in excess of Twenty-Five Thousand and No/100 Dollars ($25,000.00) owed by or to the Partnership;

(j) Make, amend or revoke any tax election required of or permitted to be made by the Partnership under the Code or the Regulations, including, without limitation, any election under §42 or §754 of the Code. In this regard, the General Partner shall make (and the Limited Partner consents thereto) any elections required or permitted under §42 of the Code requested in writing by the Asset Manager;

(k) Change any accounting method or practice of the Partnership;

(l) Take any action that would cause the termination of the Partnership for federal income tax purposes or the dissolution of the Partnership for state law purposes;

(m) Construct any improvements on the Project Property other than those contemplated in the Plans and Specifications (or any modification thereof if such modification is expressly approved in writing by the Limited Partner and Special Limited Partner);

(n) Lease or otherwise operate any Tax Credit Unit in such a manner that such Tax Credit Unit would fail to be treated as a "low-income unit" under §42(i)(3) of the Code, or operate the Project in such a manner that the Project would fail to be treated as a qualified low-income housing project under §42 of the Code;

(o) Except for the Construction Loan, Permanent Loan, and Subordinate Loan (including any regulatory agreements or declarations governing such loans), mortgage, pledge or encumber any interest in any Partnership Property, including, without limitation, the Project Property;

(p) Loan any money on behalf of the Partnership or guarantee on behalf of the Partnership the indebtedness of any other Person;

(q) Change the nature of the business or purpose of the Partnership;
(r) Hire or retain any Person to manage the Project Property or the Partnership’s business other than the Property Management Agent. The Project’s management agreement with Property Management Agent as the Project Property manager will contain the provisions specified in this Agreement, including those specified under “Property Management Agent” in the Article I hereof;

(s) Take any action (or fail to take any action) causing or resulting in a breach of any of the representations, warranties or covenants of the General Partner set forth in this Partnership Agreement, including, without limitation, those set forth in §6.3;

(t) Admit any other person or entity as a Partner, except as specifically permitted herein;

(u) Except as permitted by §11.1 (pertaining to dissolution of the Partnership), take any action that may cause the dissolution of the Partnership;

(v) Perform any act subjecting any Limited Partner to liability as a general partner in any jurisdiction;

(w) Deposit any Partnership funds in any bank, savings and loan, or other financial institution whose accounts are not fully insured by the Federal Deposit Insurance Corporation;

(x) Commingle any Partnership funds with the funds of (1) any other partnership or limited liability company in which a General Partner is a partner or managing member, as the case may be, (2) a General Partner or any of its affiliates, or (3) any other entity;

(y) Execute or deliver any assignment for the benefit of creditors;

(aa) Modify or amend this Partnership Agreement except as authorized herein, or materially amend any fee agreement or the construction contract, or materially deviate from the Plans and Specifications for the construction of the Project from those provided to the Limited Partner prior to its admission to the Partnership;

(bb) After the Construction Completion Date, construct any improvements on the Project Property other than those contemplated in the Plans and Specifications (or any modification thereof if such modification is expressly approved in writing by the Limited Partner) with a cost basis in excess of $25,000. If prior to the Construction Completion Date there are change orders for the approved Plans and Specifications for the Project Property, such change orders shall be permitted only with the consent of the Limited Partner, unless all of the following are satisfied: (A) an individual change is for an
amount not in excess of $25,000 and, when combined with all prior change orders, does
not cause the aggregate amount of change orders to exceed $150,000, (B) the change
order does not cause a material diminishment in the construction materials or methods
approved in the Plans and Specifications, and (C) when combined with all prior change
orders, the change order will not extend by more than thirty (30) days the initial
scheduled date for Construction Completion as specified in the Project documents;

(cc) Hire any person or persons as an employee of the Partnership;

(dd) Acquire or purchase on behalf of the Partnership any automobiles;

for such activities in its sole discretion;

(ff) Enter into any contractual arrangement on behalf of the General Partner
for the provision of medical services, medication management, home health care or
related personal care services to the tenants of the Project without the prior written
consent of the Limited Partner. The Limited Partner shall have no obligation to consent
to any such arrangement at any time and may withhold any consent for such activities in
its sole discretion; and

(gg) File any petition for bankruptcy or reorganization or to appoint a receiver
on behalf of the Partnership; provide, however, the consent of the Special Limited
Partner, which shall not be unreasonably withheld, denied, or delayed, shall also be
required.

§6.3 Representations, Warranties and Covenants of the General Partner and the
Special Limited Partner. As an inducement to the Limited Partner to enter into this Partnership
Agreement, and in addition to the representations, warranties, and covenants set forth elsewhere in
this Partnership Agreement, the General Partner and the Special Limited Partner, as applicable,
hereby make the following representations, warranties, and covenants to and with the Limited
Partner. All of the representations and warranties are deemed given as of the date hereof and as of
every date thereafter throughout the term of the Partnership’s existence and may be relied upon by
counsel to the Limited Partner in connection with the Limited Partner’s investment in the
Partnership. With respect to the representations, warranties, and covenants by both the General
Partner and the Special Limited Partner, each such Partner makes such representations, warranties,
and covenants as to itself and not as to the other Partner. In addition, the General Partner and the
Special Limited Partner, as applicable, hereby agree that all of the representations, warranties, and
covenants made herein may be relied upon by the Limited Partner’s tax counsel in rendering its tax
opinion to the Limited Partner. Unless stated otherwise, the General Partner and the Special
Limited Partner, as applicable, shall fully comply with and abide by all of these covenants at all
times throughout the term of the Partnership’s existence.

(a) The Partnership has received an allocation or a reservation (and has or will
timely comply with all requirements necessary to receive an allocation) of Tax Credits in an
amount that will deliver no less than the Projected Tax Credits to the Limited Partner, and will timely comply with all requirements set forth in such Carryover Allocations and the QAP (to the extent applicable);

(b) At all times following the completion of the contemplated improvements to the Project Property, the General Partner shall operate the Project Property in order to qualify one hundred twenty (120) of the Residential Units in the Project Property for the Tax Credit with one-hundred percent (100%) of the tenants thereof qualifying under the appropriate income and rent restrictions of §42 of the Code as the same may be modified pursuant to the Extended Use Agreement (assuming no repeal or amendment of §42 of the Code renders such qualification impracticable), and in all other respects shall comply with the provision of §42 of the Code;

(c) To the best of the General Partner’s and Special Limited Partner’s knowledge after due inquiry, and except as otherwise previously disclosed and certified in writing to the Limited Partner, there are no actions, suits, or proceedings pending or threatened by any person or governmental authority against or affecting the Project Property, the General Partner, Special Limited Partner or any of their Affiliates that may have a material adverse effect on the Project Property or the Partnership or on the ability of the General Partner and Special Limited Partner to perform their obligations hereunder;

If applicable, within five (5) business days of receipt by the Asset Manager of such request, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such five (5) business day period, the withdrawal request will be deemed to be approved. The obligations related to the Lease-up Reserve are in addition to, and not in place of, those of the Sponsor and General Partner pursuant to Sections 6.4.6(i), 6.4.6(ii), and 6.4.6(iii) above. If, on the date that the Partnership achieves Stabilized Occupancy there are any funds remaining in the Lease-up Reserve Account, such funds shall, subject to any required Lender consent, be used to pay the following, in the order of priority until paid in full: first, to the Developer to pay the Deferred Developer Fee, and second, to the Property Management Agent as an incentive lease-up fee.

(ii) Operating Reserve. The General Partner shall establish an operating reserve (the “Operating Reserve”) to fund Operating Deficits incurred by the Partnership. The Operating Reserve shall be funded from NEFAC’s Fourth Installment of Project Equity in the amount of Four Hundred Thirty Thousand Five Hundred Fifty-Seven and No/100 Dollars ($430,557.00), held in a separate bank account (the “Operating Reserve Account”), controlled by the General (or a Project lender, if required by such lender), and maintained until the end of the Project’s Compliance Period. Throughout the Compliance Period, the General Partner shall also be obligated, to the extent funds are available, to replenish the Operating Reserve Account up to the Operating Reserve Target Amount out of Cash Flow in accordance with §5.1 hereof or from sales or refinancings (prior to the distribution of Net Cash from Sales and Refinancings). Withdrawals from the Operating Reserve Account will require the written approval of the General Partner and the Asset Manager (except in the event of an emergency that has an immediate impact on the safety of the residents or structural integrity of the Project and in cases where the Account is under the control of a Project lender in which case the General Partner shall, within five (5) business days of such withdrawal, notify the Asset Manager and the Special Limited Partner in writing of the amount of the withdrawal from the Operating Reserve Account and the purpose for which such withdrawal was made). If applicable, within five (5) business days of receipt by the Asset Manager of such request, the Asset Manager shall notify the General Partner
whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such five (5) business day period, the withdrawal request will be deemed to be approved by such non-responsive party. Upon depletion of all of the funds in the Operating Reserve Account, any continuing shortfalls shall be funded pursuant to the Operating Deficit Guaranty described above in §6.4(f)(ii). Notwithstanding anything to the contrary in this §6.4(g)(ii), beginning in the eleventh (11th) year of the Credit Period and for every year thereafter, the General Partner shall be allowed to request of the Asset Manager the ability to use up to twenty percent (20%) of any funds remaining in the Operating Reserve Account for each remaining year of the Compliance Period for the sole purpose of funding capital improvements and repairs to the Project, in accordance with §6.4(g)(iii) below; provided, however, that (A) the Operating Reserve Account on the first day of the eleventh (11th) year is funded in an amount not less than the Operating Reserve Target Amount, (B) the Project has achieved an average Debt Service Coverage Ratio of 1.15 or better for the immediate prior 24 months (during which time there had been no draws upon the Operating Reserve Account), and (C) the General Partner provides satisfactory evidence to the Asset Manager that the Project is projected to operate at a Debt Service Coverage Ratio of 1.15 or better for the remaining term of the Compliance Period.

(iii) Replacement Reserve. The General Partner shall establish a replacement reserve (the “Replacement Reserve”) to fund capital improvements and repairs to the Project. The Replacement Reserve shall be funded from the Limited Partner’s Fourth Installment of Project Equity in the amount of One-Hundred and No/100 Dollars ($100.00), held in a separate bank account (the “Replacement Reserve Account”), controlled by the General Partner (or a Project lender, if required by such lender), and maintained until throughout the Project’s Compliance Period. The General Partner will also be required to fund the Replacement Reserve Account on a cumulative basis, annually, in an amount equal to the greater of $250 per unit per year (to be increased annually by 3.0%) or such amount as required by any Project lender, from Gross Cash Receipts prior to distribution of Cash Flow. Withdrawals from the Replacement Reserve Account in excess of Five Thousand and No/100 Dollars ($5,000.00) in the aggregate in any given month (unless such withdrawal was provided for in the approved Project budget) will require the written approval of the General Partner and the Asset Manager (except in cases where the Replacement Reserve Account is under the control of a Project lender, in which case the General Partner shall, within five (5) business days of such withdrawal, notify the Asset Manager and the Special Limited Partner in writing of the amount of the withdrawal from the Replacement Reserve Account and the purpose for which such withdrawal was made). If applicable, within five (5) business days of receipt by the Asset Manager of such request, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such five (5) business day
period, the withdrawal request will be deemed to be approved. Any funds remaining in the Replacement Reserve Account at the end of the Project’s Compliance Period shall, subject to any required Lender consent, be released from the Replacement Reserve Account and used by the Partnership to first pay the Limited Partner’s exit taxes due upon sale or dissolution pursuant to §9.6 and §11.1 hereof. Any funds still remaining in the Replacement Reserve Account after the Limited Partner’s exit taxes have been fully paid shall, subject to any required Lender consent, be distributed to the Partners in accordance with §5.2 hereof (in the case of a sale of the Project), or in accordance with §11.2 hereof (in the case of the dissolution of the Partnership). After the completion of the seventh (7th) year of the Project’s Compliance Period, the Asset Manager shall have the right to require a physical assessment of the Project pursuant to which the amount required to be maintained in the Replacement Reserve Account may be increased at the reasonable discretion of the Asset Manager.

(iv) Revenue Deficit Reserve. The General Partner shall, on behalf of the Partnership, establish a revenue deficit reserve (the “Revenue Deficit Reserve”) to fund deficits incurred by the Partnership as described below. The Revenue Deficit Reserve shall be funded from Limited Partner’s Fifth Installment of Project Equity in the amount of Two Hundred Thousand and No/100 Dollars ($200,000.00), held in a separate bank account (the “Revenue Deficit Reserve Account), under the control of the General Partner, and the Partnership will maintain this account until the end of the Compliance Period. Any withdrawals from the Revenue Deficit Reserve Account will require the written approval of the General Partner and the Asset Manager. Within ten (10) business days of receipt by the Asset Manager of such requests, the Asset Manager shall notify the General Partner whether the request has been approved, disapproved or whether additional information is needed to evaluate the request. If the Asset Manager does not respond within such ten (10) business day period, the withdrawal request will be deemed to be approved. The Revenue Deficit Reserve funds shall only be used to fund any Operating Deficits directly caused by or attributable to the stagnant growth in area median income in Denton County, as determined by reports prepared annually by Freddie Mac or such comparable institution approved by the Asset Manager. Any excess funds remaining in the Revenue Deficit Reserve Account at the end of the Compliance Period shall be released from the Revenue Deficit Reserve Account and applied by the Partnership in accordance with §5.2 hereof, in the case of a sale of the Project, or in accordance with §11.2 hereof, in the case of the dissolution of the Partnership. Notwithstanding anything to the contrary in this §6.4(g)(iv), beginning in the eleventh (11th) year of the Credit Period and for every year thereafter, the General Partner shall be allowed to request of the Asset Manager the ability to release a portion of the funds remaining in the Revenue Deficit Reserve Account for each remaining year of the Compliance Period to be applied by the Partnership in accordance with §5.2 hereof, in the case of a sale of the Project, or in accordance with §11.2 hereof, in the case of the dissolution of the Partnership; provided, however, that (A) the Operating Reserve Account on the first day of the eleventh
(11th) year is funded in an amount not less than the Operating Reserve Target Amount, (B) the Project has achieved an average Debt Service Coverage Ratio of 1.20 or better for the immediate prior 12 months (during which time there had been no draws upon the Operating Reserve Account), (C) the General Partner provides satisfactory evidence to the Asset Manager that the Project is projected to operate at a Debt Service Coverage Ratio of 1.20 or better for the remaining term of the Compliance Period, and (D) the General Partner provides satisfactory evidence, such as reports prepared annually by Freddie Mac or such comparable institution approved by the Asset Manager, of acceptable growth in area median income in Denton County.

The above reserves shall be held in segregated interest bearing accounts (the Lease-up Reserve, if applicable, may be held in the same account as the Operating Reserve). Any failure to obtain any required approval of the Asset Manager or failure to provide the Asset Manager with proper notice shall constitute an Event of Default under §10.6 below. Any interest earned with respect to any of the above reserve accounts shall be deposited into that respective reserve account for the benefit of the Partnership.

(h) **Qualified Occupancy.** The General Partner shall cause the Project Property to achieve Qualified Occupancy on or before the Qualified Occupancy Date.

(i) **Property Management.** The General Partner, on behalf of the Partnership, shall enter into a Property Management Agreement with the Property Management Agent for the physical property management and leasing of the Project, in form and of content as set forth in a separate document approved in writing by the General Partner and the Asset Manager. The General Partner, on behalf of the Partnership, shall diligently enforce all of the obligations of the Property Management Agent under the Property Management Agreement and shall perform all of the Partnership’s obligations as owner thereunder, subject to the following terms and conditions:

(i) **Renewal or Successor Agreements.** Upon the termination of such Property Management Agreement or any subsequent Property Management Agreement, the General Partner shall renew the same or enter into an agreement that does not differ materially from the initial Property Management Agreement in Property Management Agent obligations and owner remedies, or in any other respect, with the same Property Management Agent or another Property Management Agent of at least comparable ability and experience who can reasonably be expected to perform at least as well, subject to the requirements of subparagraphs (ii) and (iii) hereinbelow.

(ii) **Notice and Consultation.** If the General Partner wishes to enter into a new form of management agreement or retain the services of a different Property Management Agent, it shall give the Asset Manager and the Special Limited Partner at least thirty (30) business days’ prior written notice of the proposed
change, accompanied by a copy of any proposed new Property Management Agreement and a written description of the identity and qualifications of any proposed new Property Management Agent, and the General Partner shall consult with the Asset Manager regarding the proposed change.

(iii) Asset Manager Consent. Under any circumstances, the General Partner shall not enter into a new management agreement materially different from the initial Property Management Agreement in any respect without the prior written consent of the Asset Manager as to the form and content of such new management agreement, nor shall the General Partner retain the services of a management agent other than a management agent previously approved by the Asset Manager without the prior written consent of the Asset Manager as to the identity and qualifications of such new management agent, provided such consent shall not be unreasonably withheld, conditioned or delayed. For purposes of this provision, a management agreement shall be deemed to be materially different if the agreement involves a change in the parties, services or fees to be provided to the management agent.

(iv) Termination of Non-Performing Property Management Agent. If the Property Management Agent fails to perform any of its obligations under the Property Management Agreement, whether general or specific obligations, in any material respect, including without limitation, failure to capably manage the Project as measured by sustained high Project vacancies, delinquent rents, or Operating Deficits (in each case beyond levels specified in the Projections), inadequate maintenance, or failure to qualify tenants under low-income housing tax credit requirements, or repeated failure to provide or unreasonable delay in providing accurate financial or operating reports to the General and the Limited Partner, the General Partner shall promptly comply with the terms of the Property Management Agreement regarding notice to the Management Agent and its opportunity to cure. The General Partner shall also simultaneously provide the Asset Manager and the Special Limited Partner with a copy of this notice and any documentation explaining why the Management Agent should not be terminated for cause. Upon expiration of the applicable cure period, and the failure of the Management Agent to cure its breach of the Property Management Agreement, the General Partner shall consult with the Asset Manager as to whether or not the Management Agent should be retained and, if so, under what terms and conditions. Unless within ten (10) business days of the delivery of this notice the Asset Manager consents in writing to the retention of the Managing Agent, the General Partner shall terminate the Management Agent for cause, in accordance with the terms of the Property Management Agreement. The General Partner shall also immediately enter into a new Property Management Agreement with a substitute Management Agent, subject to the prior written consent of the Asset Manager. For purposes of this §6.4(i)(iv), “cause” shall include, but not be limited to, any one of the following: (a) failure to promptly and competently perform (after any applicable notice and within the applicable cure period) all duties of the
Management Agent under the Property Management Agreement with the Partnership, (b) failure of the Project to generate at least 80% of the Projected Tax Credits in any calendar year, (c) failure to materially comply with the record keeping, tenant qualification and rental requirements of the Extended Use Agreement and §42 of the Code and the Regulations, rulings, and policies related thereto, (d) material mismanagement of the Project, or (e) if the Management Agent is an Affiliate of the General Partner, removal of the General Partner pursuant to §10.6 hereof.

(v) Removal of Non-Complying General Partner. If the General Partner fails to comply with any of the requirements of this §6.4(i), it may be removed for cause pursuant to §10.6 hereof.

All Property Management Agreements shall contain specific provisions requiring the Property Management Agent to rent to low-income tenants at the level required to maintain Qualified Occupancy, to obtain prior written approval of the General Partner for any deviation from such level, to obtain tenant income certifications and employer and/or other relevant verifications of tenant income, to determine low-income tenant eligibility for tax credit purposes, to deliver certifications of its compliance with these requirements and of Project rent rolls upon Qualified Occupancy and annually prior to the times such information is required for low-income housing tax credit purposes, to keep records of such low-income rental and occupancy and deliver copies of leases, certifications, and verifications to the Partnership, and to prepare elections, certifications, and any other materials contemplated by §6.4(l) hereof, to the extent necessary or advisable to qualify for and maintain the Tax Credit and any other available tax benefits in connection with such rental and occupancy. Where the Property Management Agent is the General Partner, the Special Limited Partner or their Affiliate, each management agreement shall provide that the management agent's monthly fees are accrued and subordinated to payment of Operating Deficits until funds are available to pay such fees.

(j) Cooperation with Asset Manager. The General Partner shall cooperate and shall cause the Property Management Agent to cooperate fully with the Asset Manager so that the Asset Manager may carry out its duties and obligations.

(k) Rental Program. The General Partner shall cause the Project to be rented to low-income tenants to the extent projected in the Projections. Without limitation of the foregoing, the General Partner shall (i) achieve Qualified Occupancy (as defined in Article I) within the time specified in the Projections; (ii) comply with the rent schedule set forth in the Projections; (iii) cause to be kept all records of rental and occupancy throughout the Compliance Period; (iv) cause the Property Management Agent to comply with all income certification or other record-keeping requirements of the Code and Regulations, and of prudent management accounting practices, to support the claim of a low-income housing tax credit based on the occupancy requirements for the Project and any other material tax benefits resulting from such low-income occupancy of the Project; and (v) take such other actions required under §6.4(l) below to claim all available tax benefits.
benefits in connection therewith. The General Partner and the Property Management
Agent shall comply with all income certification or other record-keeping requirements of
the Code and Regulations, and of prudent management accounting practices, to support
the claim of a Tax Credit based on the occupancy requirements for the Project and any
other material tax benefits resulting from such low-income occupancy of the Project.

(i) **Tax Benefits Requirements.** The General Partner acknowledges that it is of
great importance that the Tax Credits and all other tax benefits contemplated in the
Projections be achieved and maintained. Accordingly, the General Partner agrees as
follows:

(i) **No Delays.** The General Partner shall not cause or suffer any delay in
Placement in Service or Qualified Occupancy that would reduce such anticipated
tax benefits.

(ii) **Record-Keeping.** The General Partner shall cause to be kept all
records and cause to be made all elections and certifications, pertaining to the
number and size of apartment units, occupancy thereof by tenants, income levels
of tenants, set-aside for low-income tenants, and any other matters now or
hereafter required to qualify for and maintain the Tax Credits and any other
available tax benefits in connection with low-income occupancy of the Project.

(iii) **Set-Aside Election.** The General Partner shall elect the minimum
low-income set-aside requirement specified in the Projections within twelve (12)
months after Placement in Service or such other time period as may hereafter be
required by the Code or Regulations thereunder for such Tax Credits; provided,
however, that in the event it becomes reasonably certain that such set-aside either
will not be met or will be exceeded, the General Partner shall promptly so notify
the Partners in writing and shall proceed to elect such other minimum set-aside
requirement as will best protect or enhance the projected tax benefits to the
Partners under the circumstances.

(iv) **Initial Tax Credit Year.** The General Partner shall elect, subject to the
approval of the Limited Partner, to claim such Tax Credits for each building in the
Project commencing with the earlier of the year in which Qualified Occupancy for
such building is achieved or the year succeeding the year in which Placement in
Service occurs. The General Partner shall develop and lease the Project within
such time that the initial year during which such Tax Credit is elected to be
claimed will be no later than the year specified in the Projections.

(v) **Annual Compliance Procedures.** As soon as feasible after Qualified
Occupancy has occurred and annually thereafter, prior to the times such
information is required by the State Housing Finance Agency for Tax Credit
reporting purposes, the General Partner shall:
(A) cause the Partnership’s Property Management Agent to submit to the Partnership the certifications and all other applicable materials related to low-income leasing described in §6.4(k) hereof;

(B) check and verify the same against leases, certifications, and other appropriate back-up materials to the extent necessary or advisable to determine with reasonable assurance that the low-income leasing requirements have been met for Tax Credit purposes; and

(C) execute and deliver to the Limited Partner a certification, in form reasonably acceptable to the Limited Partner, stating that the General Partner has complied with the foregoing requirements and attaching copies of the managing agent’s certification and rent roll in a format reasonably acceptable to the Limited Partner.

The General Partner’s initial certification following Qualified Occupancy shall also specify the Qualified Occupancy Date.

(vi) **Cost Accounting.** As soon as feasible after Placement in Service has occurred, prior to the time such information is required by the State Housing Finance Agency for Tax Credit reporting purposes, the General Partner shall:

(A) cause the Accountant to submit to the General Partner a letter, as required by the State Housing Finance Agency and in a form and content reasonably acceptable to the Limited Partner, certifying that the Accountant has examined the Partnership’s books and records for the Project and, subject to any changes in facts or applicable law, is prepared to sign a tax return for the Partnership reflecting that all costs specified in the letter or in an attached schedule are includable in qualified basis for the Tax Credits; and

(B) execute and deliver to the Limited Partner a Cost Certification, in form and content reasonably acceptable to the Limited Partner, stating that the amounts described in the Accountant’s letter accurately reflect Project costs incurred and attaching a copy of such letter.

(vii) **Tax Filings.** The General Partner shall properly reflect all Tax Credits and other tax benefits in preparing and filing federal return of income forms on behalf of the Partnership in accordance with §8.4 hereof. Notwithstanding anything in this Partnership Agreement to the contrary, in no event shall the General Partner cause or suffer any delay in the filing of such form covering the year in which Qualified Occupancy occurred. The General Partner shall obtain and deliver to the Limited Partner at the earliest feasible time a fully executed Form 8609.
(viii) **Compliance Certifications.** The General Partner shall certify compliance with the elected set-aside requirement and report the dollar amount of Qualified Basis, maximum Applicable Percentage and Qualified Basis under the State Housing Finance Agency allocation, date of Placement in Service, and any other information required for the aforesaid Tax Credit within ninety (90) days after the end of the first taxable year for which such Tax Credit is claimed and for each taxable year thereafter during the Compliance Period for such Tax Credit, or such other time periods as may hereafter be required by the Code or Regulations thereunder for such Tax Credit.

(ix) **Intentionally Omitted.**

(x) **Notice of Tax Benefits Reduction.** In the event at any time it becomes apparent that the tax benefits projected in the Projections are likely to be reduced, the General Partner shall promptly notify the Limited Partner of the circumstances.

(xi) **Consequences of Tax Benefits Reduction or Delay.** In the event there is a reduction or delay of tax benefits, then the provisions of §6.9 hereof relating to reduction in the amount of remaining installments of Limited Partner's Capital Contributions and other consequences described therein shall govern where applicable.

(xii) **Extended Use Agreement.** The General Partner, on behalf of the Partnership, shall enter into an Extended Use Agreement pursuant to §42(h)(6) of the Code, in the form of an agreement between the Partnership and the State Housing Finance Agency that has allocated or will allocate Tax Credits to the Project, and shall cause such agreement to be recorded pursuant to state law as a restrictive covenant as soon as feasible but in any event prior to the end of the tax year during which the Project is deemed to achieve Placement in Service under §42 of the Code.

(xiii) **Local Code Compliance.** The General Partner shall maintain the Project in compliance with rules prescribed by the Secretary of Treasury pursuant to §42(i)(3)(B)(ii) of the Code. The General Partner shall also promptly provide the Limited Partner with any notice or other documentation sent by any federal, state or local governmental agency that the Project may be in violation of any health, environmental, safety, building, or other federal, state or local statute, regulation, or ordinance. With respect to building code or Environmental Law violations that are to be corrected during the construction or rehabilitation of the Project, the General Partner shall certify or shall cause the project architect or the project general contractor to certify upon completion of the Project that such building code and Environmental Law violations have been corrected. In lieu of a certification regarding the correction of building code violations, the General Partner may obtain or cause to be obtained a current owner’s title insurance policy.
indicating that no building code violations exist at the time construction or rehabilitation is completed.

(xiv) Carryover Allocation. The General Partner shall obtain from the State Housing Finance Agency and shall deliver to the Limited Partner within 10 days after receipt the following:

(A) a Carryover Allocation accompanied by a tax opinion that is based on the Accountant’s Carryover Certification which states that the Partnership’s basis in the Project, as of the dated required under §42(h)(1)(E)(ii) of the Code, was greater than ten percent (10%) of the Partnership’s reasonably expected basis in the Project as of the end of the second calendar year following the calendar year in which the Tax Credit allocation for the Project was awarded; or

(B) a reservation of Tax Credits, provided that:

(1) the General Partner shall deliver or cause to be delivered to the Limited Partner the Accountant’s Carryover Certification thirty (30) days prior to the date specified by the State Housing Finance Agency for the required Accountant’s Carryover Certification to be submitted to the State Housing Finance Agency; and

(2) the General Partner shall deliver a copy of the Carryover Allocation to the Limited Partner and the Special Limited Partner within thirty (30) days from the date that such Carryover Allocation is delivered to the Partnership.

(xv) Depreciation Schedule. The General Partner shall take all acts and make any necessary filings or elections to cause the Project’s improvements to be depreciated for tax purposes in accordance with the Projections and shall not take any action or permit any event or circumstances to occur which would cause depreciation of the Project’s improvements to be changed therefrom. The General Partners shall cause to be kept adequate records of any such filings or elections and all other matters applicable to the Partnership’s depreciation of the Project’s improvements.

(m) Mold Inspections: The General Partner agrees to inspect the Project Property at least once annually for the presence of any mold, fungus or moisture buildup in or on the Project Property. In the event any material amount of mold, fungus or moisture buildup is identified in or on the Project Property, the General Partner shall notify the Limited Partner within ten (10) business days and shall consult with the Limited Partner regarding the need to hire an environmental consultant to evaluate the
mold, fungus or moisture buildup and the need to prepare and implement a remediation plan.

§6.5 Fees for Services Rendered. The Partnership shall pay the following described fees to the Partners or Affiliates of one or more Partners indicated below:

(a) Development Fee. As provided in the Development Agreement and §3.2(b) hereof, the Partnership shall pay the Developer Fee to the Developer for the services and obligations described in the Development Agreement.

(b) Intentionally Omitted.

(c) Asset Management Fee. The Partnership shall pay the Asset Management Fee annually to the Asset Manager for property management oversight, tax credit compliance monitoring, and related services. The Asset Manager will not incur any liability to the General Partner or the Partnership as a result of the Asset Manager's performance of or failure to perform its asset management services. The Asset Manager owes no duty to the General Partner or the Partnership and may only be terminated by the Limited Partner.

(d) Disposition Fee. The Partnership shall pay the Asset Manager a Disposition Fee equal to $25,000 at the time of closing of the sale of the Project (out of the net sales proceeds) or the Limited Partner's interest in the Project.

(e) Incentive Partnership Management Fee. The Partnership shall pay an Incentive Partnership Management Fee, on an annual, non-cumulative basis, in the amount and priority specified in §5.1(a) hereof to compensate the General Partner for monitoring the activities of the Partnership, supervising the Management Agent, and reporting to the Asset Manager so as to enable the Partnership to comply with all Code requirements for the Tax Credit and to establish eligibility for such Tax Credit with respect to the Project and avoid recapture thereof during the Compliance Period.

(f) Other Considerations.

(i) The Development Agreement and any other agreement entered into by the Partnership and the General Partner, the Special Limited Partner, or any of their Affiliates thereof will specifically provide that such agreement shall be terminable, with respect to each of them, at the election of the Limited Partner if the General Partner or Special Limited Partner is removed pursuant to §10.6 hereof; provided, however, that any accrued or deferred fees payable to either Developer pursuant to the Development Agreement will be paid to that Developer through the date of such termination.

(ii) None of the payments or reimbursements to any of the Persons indicated above will be considered a distribution of Cash Flow to any Partner and, except as otherwise specifically provided herein, the General Partner may make any
such reimbursement or payment prior to any distribution of any Cash Flow to the Partners.

Notwithstanding anything to the contrary herein, the sum of (A) the Incentive Partnership Management Fee, plus (B) any other incentive fees, plus (C) if the Management Agent is an Affiliate of the General Partner, the fee payable to the Management Agent pursuant to the Property Management Agreement, shall not exceed 12% of the gross income of the Partnership, adjusted for regional variations.

§6.6 **Outside Ventures of Partners.** Any Partner may engage in or possess an interest in any other business venture of any type or description, independently or with others (including, without limitation, any venture which may be competitive with the business being conducted by the Partnership) and neither the Partnership, nor any Partner will, by virtue of this Partnership Agreement, have any right, title or interest in or to such outside ventures or the income or other benefits derived therefrom.

§6.7 **Dealing With Affiliates.** The General Partner may employ or retain in any capacity any Partner or Affiliate of any Partner so long as the terms upon which such Partner or such Affiliate is employed or retained are commercially reasonable under the circumstances and comparable to those terms which could be obtained from an independent person for comparable services in the area where the Project is located or the Partnership has its principal office.

§6.8 **Indemnification of Partnership and Limited Partner, Limitation on Liability.**

(a) The General Partner and Special Limited Partner hereby agree to defend, indemnify, and hold harmless the Partnership and the Limited Partner and their successors and assigns, from and against any loss, claims, demands, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys' fees or damages (including foreseen and unforeseen damages and consequential damages) arising directly or indirectly out of the presence on or under the Project Property of any Hazardous Substance, or the use, release, generation, manufacture, storage, or disposal of any Hazardous Substance on, under or about the Project Property.

(b) In the event the Partnership or the Limited Partner becomes liable, due to the presence of any Hazardous Substance in the Project, under any statute, regulation, ordinance, or other provision of federal, state, or local law pertaining to the protection of the environment or otherwise pertaining to public health or employee health and safety, including without limitation protection from hazardous waste, lead-based paint, asbestos, methane gas, urea formaldehyde insulation, oil, toxic substance, underground storage tanks, PCBs, and radon, the General Partner and Special Limited Partner shall indemnify and hold harmless the Limited Partner and the Partnership for any and all actual out of pocket costs, expenses (including reasonable attorneys' fees), damages, or liabilities incurred by the Limited Partner upon demand by the Limited Partner at any time and from time to time, to the extent that the Partnership or the Limited Partner is required to discharge such costs, expenses, damages, or liabilities in whole or in part from any
source. The foregoing indemnification obligations of the General Partner and Special Limited Partner shall be limited if and to the extent the Limited Partner participates in the control of the Partnership's business after the formation of the Partnership and such participation is the direct cause of the conditions affecting the Project that resulted in such liability under applicable law and the consequent costs, expenses, damages, or liability of the Limited Partner. References in this §6.8(b) to the Limited Partner shall include each of the Limited Partner's assignee(s) (and their respective partners, if any). The foregoing indemnification shall be a recourse obligation of the General Partner and Special Limited Partner and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, insolvency, bankruptcy, or withdrawal of the General Partner and Special Limited Partner. The indemnification authorized by this §6.8(b) shall include, but not be limited to, the costs and expenses (including reasonable attorneys' fees) of the removal of any liens affecting any property of the indemnitee as a result of such legal action. The parties hereto agree and acknowledge that the Limited Partner's exercise of the rights and approvals reserved to the Limited Partner under this Partnership Agreement shall not constitute participation in the control of the Partnership's business for purposes of this paragraph.

(c) The General Partner shall defend, indemnify, and hold harmless the Partnership, Limited Partner and Special Limited Partner and their successors and assigns from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys' fees, arising directly or indirectly, in whole or in part, out of the General Partner's gross negligence, fraud, willful misconduct, malfeasance, breach of fiduciary duty or actions performed outside the scope of the authority of the General Partner, or breach of any or all of the representations, warranty, covenant, and agreements contained in this Partnership Agreement, including, without limitation, those contained in §6.3 hereof. In addition to the foregoing indemnification, the Partnership, Limited Partner and/or Special Limited Partner may pursue any other available legal or equitable remedy against the General Partner with respect to the General Partner's breach of any of the representations, warranties, or covenants contained herein, including, without limitation, those contained in §6.3 hereof. In addition to the foregoing indemnification, the Partnership, Limited Partner and/or Special Limited Partner may pursue any other available legal or equitable remedy against the General Partner with respect to the General Partner's breach of any of the representations, warranties, or covenants contained herein, including, without limitation, the Limited Partner's deferral of the payment of its Capital Contribution pursuant to §3.2. The General Partner shall defend, indemnify and hold harmless the Limited Partner and Special Limited Partner for any liability incurred by it for Partnership obligations (including, without limitation, the Loan Documents), except to the extent that either (i) a court of competent jurisdiction, or (ii) a mediator mutually selected by the General Partner, Limited Partner and Special Limited Partner, has made a determination that such liability is the result of actions taken by the Limited Partner or Special Limited Partner or rights exercised by the Limited Partner or Special Limited Partner with respect to the operation of the Limited Partner or Special Limited Partner in excess of those actions and rights granted or allowed under this Partnership Agreement or the Act. The General Partner's obligations described in this §6.8 shall survive the termination and/or liquidation of the Partnership.

-74-
(d) The Special Limited Partner shall defend, indemnify, and hold harmless the Partnership, General Partner and Limited Partner and their successors and assigns from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees, arising directly or indirectly, in whole or in part, out of the Special Limited Partner’s gross negligence, fraud, willful misconduct, malfeasance, breach of fiduciary duty or actions performed outside the scope of the authority of the Special Limited Partner, or breach of any or all of the representations, warranty, covenant, and agreements contained in this Partnership Agreement, including, without limitation, those contained in §6.3 hereof. In addition to the foregoing indemnification, the Partnership, General Partner and/or the Limited Partner may pursue any other available legal or equitable remedy against the Special Limited Partner with respect to the Special Limited Partner’s breach of any of the representations, warranties, or covenants contained herein, including, without limitation, the Limited Partner’s deferral of the payment of its Capital Contribution pursuant to §3.2. The Special Limited Partner shall defend, indemnify and hold harmless the General Partner and Limited Partner for any liability incurred by it for Partnership obligations (including, without limitation, the Loan Documents), except to the extent that either (i) a court of competent jurisdiction, or (ii) a mediator mutually selected by the General Partner, Limited Partner and Special Limited Partner, has made a determination that such liability is the result of actions taken by the General Partner or Limited Partner or rights exercised by the General Partner or Limited Partner with respect to the operation of the Limited Partner in excess of those actions and rights granted or allowed under this Partnership Agreement or the Act. The Special Limited Partner’s obligations described in this §6.8 shall survive the termination and/or liquidation of the Partnership.

(e) Subject to the extent of any amount of insurance proceeds received by the Partnership in respect of any insurance policy insuring the acts of the General Partner in its role as a general partner, the General Partner shall not be liable, responsible or accountable in damages or otherwise to any of the Partners for any act or omission performed or omitted by it in its capacity as General Partner of the Partnership in good faith on behalf of the Partnership and in a manner reasonably believed by it to be within the scope of authority granted to it by this Partnership Agreement and in the best interest of the Partnership; provided, however, such insurance proceeds are applied towards and in satisfaction of any liability or obligations to the Partners for which the insurance proceeds were paid, and such acts or omission was not attributable to any negligence, willful breach, misconduct, fraud or any breach of fiduciary duty on the part of the General Partner.

(f) The General Partner and the Special Limited Partner hereby agree to defend, indemnify, and hold harmless the Partnership and the Limited Partner and their successors and assigns, from and against any loss, claims, demands, liabilities, lawsuits and other proceedings, judgments, awards, costs, and expenses including, without limitation, attorneys’ fees or damages (including foreseen and unforeseen damages and consequential damages) arising directly or indirectly out of (i) the use of Foreign Drywall in the construction of the Project, and (ii) the use by the Contractor of its sales tax exemption.
Notwithstanding anything to the contrary in this §6.8, the obligations of the General Partner and the Special Limited Partner shall be joint and several.

§6.9 Credit Adjusters.

(a) **Permanent Reduction in Tax Credit.** If, as of the end of the first year of the Credit Period and based upon the Cost Certification prepared by the Accountant or the IRS Form(s) 8609 for the Project, it is determined that the amount of Actual Tax Credits over the Credit Period for the Project will be less than the Projected Tax Credits over the Credit Period (a “Permanent Credit Reduction”), then there will be a reduction (the “Permanent Credit Reduction Adjustment”) in the Limited Partner’s Capital Contribution in an amount equal to the product of (i) the Permanent Credit Reduction and (ii) $0.7701. The Permanent Credit Reduction means the amount by which the Actual Tax Credits are or will be less than the Projected Tax Credits over the Credit Period due to (A) the actual Applicable Percentage being less than projected; (B) the actual Eligible Basis being less than projected; (C) the actual Qualified Basis as of the end of the first year of the Credit Period being less than the projected Qualified Basis; (D) the actual final allocation of Tax Credits as indicated on Form 8609 being less than the Projected Tax Credits; or (E) any combination of the above. This Permanent Credit Reduction Adjustment shall be made, at the option of the Limited Partner, by first decreasing the amount, if any, of the Limited Partner’s Capital Contribution installment next due, and, if necessary, further installments (reducing the earliest ones first) by the amount of the Permanent Credit Reduction Adjustment. In the event that there are no remaining Limited Partner Capital Contributions, or the Permanent Credit Reduction Adjustment required hereunder exceeds the remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to offset the Permanent Credit Reduction Adjustment against the remaining Limited Partner Capital Contribution installments, the General Partner and Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount necessary for the Partnership to make the Permanent Credit Reduction Adjustment, followed by an immediate distribution in such amount by the Partnership to the Limited Partner, unless it is determined by the Limited Partner’s tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, in which event the General Partner and Special Limited Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis, will be equal to the Permanent Credit Reduction Adjustment. In the event that any Capital Contribution installments are reduced or General Partner and Special Limited Partner payments are required to be made under this §6.9(a), the Projections attached hereto as Appendix I will be correspondingly revised and will be considered amendments and determinative of the “Projected Tax Credits” and other amounts set forth herein if there is a conflict between any amounts set forth therein and in this Agreement.

(b) **Timing Difference in Tax Credits (Downward).** If, for the Projected First Tax Credit Year and the Projected Second Tax Credit Year, any portion of the Projected Tax Credits cannot be claimed (as determined by the Accountant) by the Limited Partner during
such Projected First Tax Credit Year and the Projected Second Tax Credit Year, but must be
delayed and taken in a later year or years of the Compliance Period, then the Limited Partner
shall be entitled to reduce its Capital Contribution by an amount equal to $0.5776 times the
amount by which the Projected Tax Credits for the Projected First Tax Credit Year and the
Projected Second Tax Credit Year, respectively, exceed the Actual Tax Credits for such year
(the "Timing Reduction"). This Timing Reduction is intended to compensate the Limited
Partner for the reduced present value of such delayed Tax Credits. No adjustment shall be
made under this §6.9(b) for any shortfall in Tax Credits for which an adjustment is already
made pursuant to §6.9(a). In the event that there are no remaining Limited Partner Capital
Contributions, or the Timing Reduction required hereunder exceeds the remaining Capital
Contributions of the Limited Partner, or the Limited Partner elects not to offset the Timing
Reduction against the remaining Limited Partner Capital Contribution installments, the
General Partner and Special Limited Partner shall immediately make a Capital Contribution
to the Partnership in an amount necessary for the Partnership to make the Timing Reduction,
followed by an immediate distribution in such amount by the Partnership to the Limited
Partner, unless it is determined by the Limited Partner's Tax counsel that such a distribution
would cause the Partnership profits, losses, and credits to be allocated other than in
accordance with the percentage interests of the Partners, in which event the General Partner
and Special Limited Partner shall pay directly to the Limited Partner an amount which, on
an after-tax basis will be equal to the Timing Reduction.

(c) **Ongoing Credit Shortfall.** If, for any fiscal year after the Projected First
Tax Credit Year, for any reason whatsoever (1) the Actual Tax Credits are, on a cumulative
basis, less than the Projected Tax Credits (as adjusted in any revised Projections prepared
pursuant to §6.9(a) or (b)) for such fiscal year or (2) a Limited Partner is required to
recapture (resulting from other than a transfer of part or all of the Limited Partner's
Partnership Interest) all or any part of the Tax Credits claimed by it in any prior fiscal year
of the Partnership (the "Credit Shortfall"), then, at the option of the Limited Partner, the
Limited Partner's Capital Contributions shall be reduced in chronological order in an
amount (the "Credit Reduction Payment") equal to the sum of One Dollar ($1.00) times (i)
the difference between (A) the Projected Tax Credits (as adjusted in any revised Projections
prepared in connection with §6.9(a) or (b)) for the fiscal year and all subsequent fiscal years,
and (B) the Actual Tax Credits for such fiscal year and the Tax Credits projected by the
Accountant as being available to the Limited Partner for all subsequent fiscal years, and (ii)
the amount of the Tax Credits recaptured in such fiscal year, plus the amount of any interest
or penalty payable by the Limited Partner as a result of the recapture. In the event there are
no remaining Capital Contributions or the Credit Reduction Payment exceeds the amount of
remaining Capital Contributions of the Limited Partner, or the Limited Partner elects not to
offset the Credit Reduction Payment against the remaining Limited Partner Capital
Contribution payments, the General Partner and Special Limited Partner shall immediately
make a Capital Contribution to the Partnership in an amount equal to the Credit Reduction
Payment or the unpaid portion thereof, and the Credit Reduction Payment shall be
immediately distributed to the Limited Partner and shall neither constitute nor be limited by
the distribution limits for Cash Flow, pursuant to §5.1, hereof, or for Net Cash from Sales
and Refinancings, pursuant to §5.2, hereof.
(d) **Permanent Increase in Tax Credit.** If it is determined that the amount of Actual Tax Credits over the Credit Period for the Project will be greater than the Projected Tax Credits over the Credit Period (such difference being defined herein as the “Permanent Credit Increase”) and the Asset Manager is provided with satisfactory written documentation to evidence the allocation of the Permanent Credit Increase, the Limited Partner will increase its Capital Contribution by an amount that is equal to the product of (i) the Permanent Credit Increase, and (ii) the then prevailing market price as determined by the Limited Partner in its sole reasonable discretion; provided, however, such increase will be limited to a one-time increase and will occur during the six (6) month period following the issuance of a final certificate of occupancy for all Residential Units and receipt of IRS Forms 8609s.

(e) **Limitation on Upward Adjuster.** Notwithstanding anything to the contrary contained herein, in no event shall the increase in the Limited Partner’s Capital Contribution pursuant to §6.9(d) exceed, in the aggregate, ten percent (10%) of the Limited Partner’s Capital Contribution as set forth in the Projections in effect on the date of this Partnership Agreement (i.e., no subsequent increases in the Limited Partner’s Capital Contribution shall be taken into account for purposes of calculating the ten percent (10%) limitation).

(f) **Specified Products Adjuster.** Prior to the date of the payment of the Second Installment of Project Equity, and based upon the final Specified Products Utilization Certification received and approved by the Asset Manager, the Asset Manager shall determine whether the Project has failed to achieve either (a) 90% of the Overall Cost Goal or (b) 80% of each of the Specified Manufacturer’s Products Cost Goals based in each case upon the Specified Products Utilization Plan, as the plan may have been amended with the approval of the Asset Manager in the course of construction of the Project to reflect actual costs provided by the General Partner and Special Limited Partner. If the Asset Manager determines that the requirements described in clause (a) or (b) of the previous sentence have not been met, then there will be a reduction in the total amount of Non-Deferred Developer Fee Equity remaining to be paid equal to the product of (i) the Projected Tax Credits, and (ii) $0.02 (the “Specified Products Reduction Adjustment”); provided, however, that the Limited Partner in its sole discretion may elect to reduce the amount of any such adjustment taking into consideration the actual level of Specified Products utilized in the course of construction of the Project. In the event that the Specified Products Reduction Adjustment required hereunder exceeds the aggregate amount of Non-Deferred Developer Fee Equity remaining to be paid, then the General Partner and Special Limited Partner shall immediately make a Capital Contribution to the Partnership in an amount necessary for the Partnership to make the Specified Products Reduction Adjustment, followed by an immediate distribution in such amount by the Partnership to the Limited Partner. If it is determined by the Limited Partner’s tax counsel that such a distribution would cause the Partnership profits, losses, and credits to be allocated other than in accordance with the percentage interests of the Partners, then, in place of such a distribution, the General Partner and Special Limited Partner shall pay directly to the Limited Partner an amount which, on an after-tax basis, will be equal to the amount necessary for the Partnership to make the Specified Products Reduction
Adjustment. In the event that a Capital Contribution installment is reduced or General Partner and Special Limited Partner payment are required to be made under this Section 6.9(f), the Projections attached hereto as Appendix I will be correspondingly revised and, as revised, will be determinative of the “Projected Tax Credits” and other defined amounts referenced in this Partnership Agreement if there is a conflict between the Projections, as amended, and any defined amounts referenced in this Partnership Agreement.

(g) Repurchase. Notwithstanding anything contained herein to the contrary, in the event that (1) the Project Property does not generate any Tax Credits during calendar year 2012 for any reason whatsoever, (2) Construction Completion and Placement in Service of all buildings are not achieved, or in the reasonable judgment of the Limited Partner, based on all of the relevant facts and circumstances, will not be achieved on or before the Construction Completion Date (which in no event shall exceed the end of the second year after the year in which the Project receives a Tax Credit allocation pursuant to §42(h)(1)(E) of the Code or by the date required by any Lender or State Agency), (3) the Partnership fails to comply with any other requirements of §42 of the Code and such failure is not cured within any cure period provided by the State Housing Finance Agency, including the minimum set-aside test and/or the rent restriction test before the end of the first year of the Credit Period, or any requirements set forth in the Regulatory Agreement, (4) Stabilized Occupancy does not occur by December 31, 2012, unless the General Partner and Special Limited Partner fund all Operating Deficits until Stabilized Occupancy occurs, (5) the Partnership’s basis in the Project Property for federal income tax purposes, as finally determined by the Accountant or pursuant to an audit by the IRS, as of the date by which all required steps must be taken for the Project to receive a Carryover Allocation of Tax Credits, was not 10% of the Partnership’s reasonably expected basis in the Project Property, as required pursuant to §42(h)(1)(E) of the Code, (6) proceedings have been commenced, filed or initiated to foreclose the Construction Loan mortgage or permanently enjoin construction or rehabilitation of the Project and such proceedings have not been stayed or vacated within thirty (30) days of commencement, filing or initiation, (7) the General Partner and Special Limited Partner fail to make the post-closing document deliveries in a timely manner pursuant to §3.9 or commence construction as provided for in §3.9, (8) the General Partner and Special Limited Partner fail to timely deliver to the Limited Partner a Form 8609 for each building in the Project, (9) foreclosure proceedings have been commenced under any Project loans, (10) the General Partner, Special Limited Partner or Guarantor fails to provide or cause to be provided any funds required to be provided by such General Partner and Special Limited Partner hereunder or by such Guarantor under a Guaranty Agreement within thirty (30) days after written notice that continued failure to pay will result in exercise of rights under this section, (11) a default occurs under §10.6 hereof and is not cured within any applicable cure period, (12) any portion of the Project was constructed using Foreign Drywall, or (13) the Permanent Loan has not been fully funded on or before the Conversion Deadline (as defined in the Permanent Loan Documents), then, in any such event, upon the written notice of the Limited Partner, the General Partner and Special Limited Partner shall purchase the Limited Partner’s entire interest in the Partnership for an amount equal to (x) the sum of (A) all
Capital Contributions actually made to the Partnership by the Limited Partner, plus (B) all expenses incurred by the Limited Partner in connection with entering into the Partnership (not including any funds reimbursed), minus (y) an amount equal to the purchase price paid by the Limited Partner for any Tax Credits already received by the Limited Partner, net of any amounts that the Limited Partner has paid or will have to pay as the result of any recapture of any portion of the Tax Credits that the Limited Partner has received, and (z) any amounts that have already been reimbursed to the Limited Partner by the Partnership and/or the General Partner and Special Limited Partner (the “Repurchase Amount”). Notwithstanding anything to the contrary in this Partnership Agreement, the Limited Partner may, in its sole discretion and at any time following any of the events described in this Section 6.9(g), after any applicable notice and cure period and regardless of whether the Repurchase Amount or any portion thereof has been received by the Limited Partner at such time, withdraw from the Partnership as the Limited Partner. Upon receipt of this amount, the Limited Partner’s interest as a limited partner in the Partnership will terminate, the Limited Partner shall transfer its interest in the Partnership to the General Partner and Special Limited Partner or their designee(s), and the General Partner and Special Limited Partner shall indemnify and hold harmless the Limited Partner from and against any losses, damages, and liabilities to which the Limited Partner (as a result of its participation hereunder) may be subject.

(g) **Failure to Pay; Remedies.** If the General Partner or Special Limited Partner fail to pay any amount payable pursuant to §6.9(a), (b) or (c) above, or the repurchase amount pursuant to §6.9(f), owing to the Limited Partner within ten (10) days after written demand by the Limited Partner (with a copy to the Special Limited Partner), then, in addition to any other rights the Limited Partner may have, any sums payable to the General Partner or Special Limited Partner (or any Affiliate thereof) pursuant to the terms of this Partnership Agreement (including, without limitation, Cash Flow and any fees payable by the Partnership to the General Partner or Special Limited Partner or their Affiliates) will instead be paid to the Limited Partner until such time as all amounts owing to the Limited Partner pursuant to this §6.9 are fully repaid. For purposes of this Partnership Agreement, any sums distributed to the Limited Partner pursuant to the immediately preceding sentence are deemed to have been paid to the General Partner or Special Limited Partner (or their Affiliates) and subsequently loaned by the General Partner or Special Limited Partner to the Partnership, followed by a distribution to the Limited Partner from the Partnership of such loan proceeds in satisfaction of the General Partner’s and Special Limited Partner’s obligations hereunder. Any such deemed loan by the General Partner or Special Limited Partner to the Partnership shall bear no interest and shall be reimbursable to the General Partner or Special Limited Partner out of Cash Flow in accordance with the priority set forth in §5.1(a) hereof, or out of the proceeds of refinancing or sale pursuant to §5.2(a) hereof. The rights and remedies granted to the Limited Partner by this §6.9 are not exclusive of, but are in addition to, any other rights and remedies granted to the Limited Partner under this Partnership Agreement or by applicable law. The obligations of the General Partner and Special Limited Partner under this §6.9 are deemed to have arisen as a consequence of a transaction between the General Partner, Special Limited Partner and the Limited Partner other than in their capacities as Partners and the Capital Accounts or loans
of the Partners are not affected in any way as a result of the making of any credits or payments hereunder.

(h) **Survival** The obligations of the General Partner, Special Limited Partner and their Affiliates prescribed or described in this §6.9 will survive the termination and/or liquidation of the Partnership.

(i) **Joint and Several.** Notwithstanding anything to the contrary in this §6.9, the obligations of the General Partner and the Special Limited Partner shall be joint and several.

§6.10 **Publicity and Promotional Events.** The General Partner shall be obligated to notify the Asset Manager at least fifteen (15) days in advance of any (a) groundbreaking, (b) open house, (c) public relations event or other similar activities related to the Project. Representatives of the Limited Partner (including any beneficial owners thereof), the Special Limited Partner, the Asset Manager and any investors who have provided funds that have been invested in the Project by the Limited Partner (collectively, the “Publicity Parties”) shall be entitled to attend such events. The General Partner shall also be obligated to place the names of any entities that the Asset Manager might designate on any signage that is erected for publicity purposes during the construction of the Project. Any costs related thereto shall be paid by the Partnership. The General Partner shall notify the Asset Manager when any such signage is being prepared and provide the Asset Manager with a reasonable amount of time to provide the names it wants included on the signs. The General Partner acknowledges that it will benefit from any publicity generated by the Publicity Parties with respect to the Project. In consideration thereof, the Partnership hereby consents, grants, and releases to the Publicity Parties all rights related to the use of the Project, including, but not limited to, the use of the name of the Project, any photographs of the Project, and any written materials related to the Project, in any commercial, promotional or marketing materials such as press releases, publications, and publicity events that any of the Publicity Parties may wish to issue or conduct.

§6.11 **Co-General Partners.** If there is more than one General Partner, or if the General Partner is a joint venture or partnership in which there is more than one general partner, then all general partners of the partnership or of such joint venture of partnership shall be jointly and severally liable to the Partnership, to the Limited Partner, and to its successors and assigns for all obligations of the General Partner, and for any damages that may arise from the acts or omissions of any of such general partners in their performance or breach of the guaranties, management, and all other obligations and the representations and warranties of the General Partner, whether now existing or hereafter created, under this Partnership Agreement as the same may from time to time be amended and under applicable law. Notwithstanding anything to the contrary herein, no General Partner shall be liable to the Partnership or to the Limited Partner for the fraud of any other General Partner.

§6.12 **Representation of General Partner, Special Limited Partner and Limited Partner.** The General Partner, Special Limited Partner and Limited Partner acknowledge and represent that the State Housing Finance Agency (the “Commission”) (i) has neither underwritten the Project nor (ii) certified that any of the buildings will actually meet the
requirements necessary to qualify for the Tax Credit, (iii) the Commission has not performed any independent investigation as to the qualification of the buildings in the Project for the Tax Credit and will not perform such investigation or otherwise monitor the buildings or eligibility for the Tax Credit in the future except as required by law, (iv) the Commission makes no representation concerning the applicability of the Tax Credit to the buildings in the Project or the ability of any owner or investor in the Project to utilize such Tax Credit, (v) the Commission has not performed any review nor makes any representations of the commercial viability of the Project, (vi) the Partnership is not the agent of the State Housing Finance Agency and has no authority to act on behalf of, or bind the State Housing Finance Agency, including its officers, employees and representatives, (vii) the State Housing Finance Agency bears no liability to any owner, investor, tenant, lender, or any other person or entity for any claim arising out of the Project or the Tax Credit program, and (viii) the Partnership has consulted with its tax counsel to determine whether the Project qualifies for Tax Credits; whether the General Partner, Special Limited Partner and Limited Partner may utilize the Tax Credit, if any; and the commercial viability of the Project.

ARTICLE 7: POWERS, RIGHTS AND DUTIES OF LIMITED PARTNERS

§7.1 Limitation of Liability. Except as otherwise required under the Act (relating to a limited partner’s liability under certain circumstances to refund to the Partnership distributions of cash previously made to it as a return of capital), the Limited Partner and the Special Limited Partner shall not be personally liable for any loss or liability of the Partnership beyond the amount of such limited partner’s agreed-upon Capital Contribution.

§7.2 No Participation in Management. Except as otherwise expressly provided in this Partnership Agreement, neither the Limited Partner nor the Special Limited Partner shall participate in the operation, management, or control of the Partnership’s business, transact any business in the Partnership’s name, or have any power to sign documents for or otherwise bind the Partnership.
ARTICLE 8: ACCOUNTING AND FISCAL AFFAIRS

§8.1 Books of Account. The General Partner shall keep proper books of account for the Partnership. Such books of account shall be kept at the principal office of the Partnership and the General Partner shall make them available during normal business hours for examination and copying by the Limited Partner or its authorized representatives. The General Partner shall retain such books of account for six (6) years after the termination of the Partnership. All decisions as to the fiscal year and accounting methods to be used by the Partnership shall be made only with the prior written consent of the Limited Partner.

The General Partner shall retain all documentation with respect to initial qualification of the Project as a qualified Tax Credit project until the later of six (6) years after completion of the Project’s Compliance Period or as long as is required under applicable law. The General Partner shall retain such other documentation relating to the continuing Tax Credit qualification of the Project for at least six (6) years, unless requested by the Asset Manager or required by applicable law to retain such documentation for a longer period.

The General Partner shall cooperate fully and in good faith, and shall instruct and cause the Property Management Agent to cooperate fully and in good faith, with the Asset Manager, the Special Limited Partner and the Limited Partner with respect to their monitoring of the Partnership’s operation of the Project Property, including the review of and compliance with Tax Credit related laws and regulations.

§8.2 Management Reports. The General Partner shall deliver or cause to be furnished to the Asset Manager any periodic financial or performance report provided by the Partnership to any federal, state, or local governmental agency or to any Lender or any compliance monitoring report provided to the Partnership by the State Housing Finance Agency responsible for compliance monitoring or its designee. The General Partner shall deliver any such report to the Asset Manager within twenty (20) days (unless otherwise stated below) after such report is filed with any such governmental agency, a Lender or provided to the Partnership.

The General Partner shall also prepare and deliver to or shall cause to be prepared and delivered to the Asset Manager and the Special Limited Partner the following reports:

(a) Monthly Development Reports. During the Project development period (and through completion of lease-up with respect to Section 8.2.(a)(ii)) of the Project, within ten (10) days after the end of each month, the General Partner shall provide a (i) Specified Products Utilization Certification, and (ii) monthly status report on the development of the Project, containing information on development costs, completion schedule, projected occupancy, operating income and expenses, accounts payable, and any difficulties encountered or anticipated in conjunction with any of these matters. The General Partner shall also submit, such additional documentation or supporting documentation as the Limited Partner or the Special Limited Partner may reasonably request.
(b) **Quarterly Management Reports.** Before and after lease-up of the Project, as soon as practicable after the end of each calendar quarter but in no event later than fifteen (15) days thereafter, the General Partner shall provide a management report on the Project and any other Partnership affairs, containing such information as is reasonably necessary to advise the Asset Manager about its investment in the Partnership and the development or operation of the Project (including, to the extent now or hereafter requested by the Asset Manager, a rent roll containing tenant names and addresses, monthly rent, security deposit, lease renewal date; an income and expense statement with budget comparison and a balance sheet). The General Partner shall also submit such additional documentation or supporting documentation as the Asset Manager or the Special Limited Partner may request.

(c) **Annual Budget.** Annually, no later than October 15th of each calendar year, throughout the term of the Partnership, the General Partner and Special Limited Partner shall prepare and submit, for approval by the Asset Manager, a proposed operating budget for the Project that provides budget projections based upon anticipated Project revenues and expenses, beginning with the first full calendar year after the year of Placement in Service, and for each succeeding year thereafter. The proposed budgets shall include without limitation an itemized account of projected operating income, expenses, an analysis prepared by the General Partner and Special Limited Partner in a form satisfactory to the Asset Manager of reserve sufficiency for the period covered by the budget, and a copy of the most recent rent roll for the Project.

(i) The Asset Manager shall review and approve or disapprove the proposed budget based on the financial statements for preceding operating years, the anticipated increases in operating expenses, the current and projected operating income, and the completeness of the documentation provided by the General Partner and Special Limited Partner.

(ii) The Asset Manager shall submit to the General Partner and Special Limited Partner, in writing, any comments on the proposed budget within thirty (30) days after receipt of same. If the Asset Manager does not submit comments on the proposed budget within said 30 day period, the proposed budget shall be deemed to be approved by the Asset Manager.

(iii) The General Partner and Special Limited Partner shall have fifteen (15) days to submit a response, in writing, to the Asset Manager’s comments on the proposed budget. If the Asset Manager does not respond in writing to the General Partner’s and Special Limited Partner’s comments within 15 days after receipt of same, the proposed budget shall be deemed approved by the Asset Manager.

(iv) If the Asset Manager responds in writing to the General Partner’s and Special Limited Partner’s comments within fifteen (15) days after receipt of same,
the General Partner and Special Limited Partner shall submit a revised proposed budget within fifteen (15) days after receipt of the Asset Manager’s comments, responding to same.

(d) **Annual Real Property Tax-Exemption or Abatement.** To the extent the Partnership is expected to receive, on an annual basis, a partial exemption from real property taxes in respect of the Project, the General Partner shall, no later than June 30th of each calendar year, or such other date as may be established by Texas law, throughout the term of the Compliance Period, prepare and submit to the appropriate agency or authority and the Asset Manager, such documents as may be required to permit the Partnership to receive a partial exemption from real property taxes. The Partnership will reimburse the General Partner for any reasonable costs associated with such compliance, including but not limited to the cost of financial audit with respect to the General Partner or with regard to the Sponsor, but only to the extent that involvement of the Sponsor with the Project results in additional audit costs to Sponsor.

(e) **Other Information.** Upon request from time to time, the General Partner and Special Limited Partner shall provide such information and reports as may be reasonably requested by the Limited Partner with respect to the Partnership and the Project.

(f) **Annual Certification of Compliance.** The General Partner and the Special Limited Partner shall deliver to the Asset Manager, within five (5) days after submission, a copy of the Project’s annual certification of compliance that was submitted to the State Housing Finance Agency.

§8.3 **General Disclosure.**

(a) The General Partner shall deliver to the Asset Manager and the Special Limited Partner a detailed report of any of the following events or receipt of the following information as quickly as possible but no later than five (5) days after the occurrence of such event or receipt of such information:

(i) a material default by the Partnership under any loan, grant, subsidy, construction or property management documents or in payment of any mortgage, taxes, interest, or other obligation on secured or unsecured debt;

(ii) receipt by the General Partner of any information regarding any lawsuits to which the Partnership has been made a party, any claims against the Project’s hazard or liability insurance, any tax liens filed against the Project or the Partnership, or any notices of violations pertaining to the Project or the Partnership;

(iii) receipt of any notice, including any Form 8823, Report of Noncompliance or Building Disposition from the State Housing Finance Agency
with respect to the Partnership or the Project, together with a copy of any such notice;

(iv) receipt of any notice of any IRS or State Housing Finance Agency audit or proceeding involving the Partnership, together with a copy of any such notice; and

(v) the occurrence of any natural disaster or incident of widespread property damage having an impact on the Project, containing the following information to the extent available: (A) the extent of the damage to the Project, (B) any expected delays in construction or rehabilitation, (C) the effect that the damage sustained, if any, may have on marketing and lease-up activity, and (D) the amount that is anticipated to be recoverable under available insurance policies.

(b) The General Partner shall deliver to the Asset Manager and the Special Limited Partner a detailed report of any of the following events with ten (10) days after the end of any calendar quarter during which such event occurred:

(i) any reserve has been reduced or terminated by application of funds therein for purposes materially different from those for which such reserves was established; or

(ii) any General Partner has received any notice of a material fact which may substantially affect further distributions.

§8.4 Tax Information.

(a) Tax Credit Eligible Basis. Within forty-five (45) days after substantial completion of the Project's construction, a Tax Credit Eligible Basis worksheet for each building of the Project shall be provided to the Asset Manager by the General Partner, in a form specified by the Asset Manager.

(b) Financial Reports.

(i) The General Partner shall, within fifteen (15) days after each calendar quarter, submit or cause to be submitted to the Asset Manager unaudited financial statements for the Partnership. With respect to each taxable year of the Partnership, the General Partner shall submit or cause to be submitted to the Asset Manager and the Special Limited Partner, on or before February 28th of the following calendar year (the “Submission Date”), a written report prepared by the Accountant, which shall include a Schedule K-1 or its successor form for preparing federal income tax returns and audited financial statements certified by the Accountant (the “Report”). The Report’s audited financial statement shall include the following: a balance sheet of the Partnership as at the end of such year; an itemized statement of income, expenses, surplus and deficits; a financial
summary which reconciles and summarizes the financial statements and bank statements as of the end of such year; changes in fund balances and changes in financial position for such year; supporting schedules; a statement of Partners' capital; the status, amount, and timing of the projected Tax Credits and other tax benefits from the Project as compared with the Projections; and such additional statements with respect to the status of the Partnership and the distribution of profits and losses therefrom as are considered necessary by the General Partner or the Accountant to advise all Partners properly about their investment in the Partnership for federal income tax reporting purposes. If the General Partner fails to submit the Report to the Asset Manager and the Special Limited Partner by the Submission Date, the General Partner shall be assessed a penalty of $100 per day pursuant to §8.6 below; provided, however, no penalty shall be imposed if the General Partner submits both (A) an “unaudited” financial statement by the Submission Date; and (B) the audited financial statement by April 15th of the same calendar year. Without limiting the right of the Limited Partner under §8.6(c) below, the Limited Partner shall have the right to require the General Partner to remove the Accountant and the right to approve or identify a replacement accountant if the Accountant fails to submit the Report to the Asset Manager and the Special Limited Partner by the Submission Date.

(ii) In addition to the requirements set forth in §8.4(b)(i) above, the General Partner shall submit or cause to be submitted to the Asset Manager and the Special Limited Partner, (A) on or before December 31st of the year the Project achieves Placement in Service, an “interim” audited financial statement, which shall reflect the financial status of the Project as of September 30th of that year, and (B) at any time after the first calendar quarter of each year within thirty (30) days after notice from the Asset Manager, (I) unaudited or, at the election of the Asset Manager, audited financial statements of the General Partner for the prior calendar year, (II) tax returns of the General Partner, Guarantor Group A (if available), and Guarantor Group B for the preceding calendar year and (III) such other financial information documenting the current financial condition of the General Partner, Guarantor Group A (if available), and Guarantor Group B as the Asset Manager may reasonably require.

(iii) The General Partner shall submit or cause to be submitted to the Asset Manager within (A) fifteen (15) days after each calendar quarter, unaudited financial statements for the Guarantors; and (B) forty-five (45) days after each calendar year, unaudited financial statements for the Guarantors, until such time as all of the General Partner Obligations (as defined in the Guaranty Agreement) have been fully performed or paid.

(c) Tax Returns. With respect to each taxable year of the Partnership, the General Partner shall (i) deliver to the Asset Manager and the Special Limited Partner, for review and approval, within thirty (30) days after each taxable year ends, drafts of Form 1065 and Schedule K-1 or any successor federal return of income forms required to
be filed on behalf of the Partnership, and any and all other forms, schedules, materials
required in connection therewith (the "Tax Return Documents"), and (ii) cause to be
prepared and filed with the appropriate agencies within sixty (60) days after each taxable
year ends, the Tax Return Documents, which shall be revised or amended to include any
comments made by the Asset Manager. In addition, the General Partner shall comply
with all requirements of §6.3(b) hereof with respect to anticipated Tax Credits and other
tax benefits.

(d) **Tax Returns Due to Termination.** If, pursuant to §9.1 below, there are
subsequent transfers of Limited Partner's beneficial interests or partnership interests
which cause a termination of the Partnership pursuant to §708(b) of the Code
("Termination"), the General Partner shall (i) deliver to the Asset Manager, for its review
and approval, within thirty (30) days after receipt of written notice from the Limited
Partner of such Termination, a draft of Form 1065 and Schedule K-1 or any successor
federal return of income forms required to be filed on behalf of the Partnership, and any
and all other forms, schedules, materials required in connection therewith (the
"Termination Tax Return Documents"), and (ii) cause to be prepared and filed with the
appropriate agencies within the time period prescribed under the Code, the Termination
Tax Return Documents, which shall be revised or amended to include any comments
made by the Asset Manager. Any costs associated with the General Partner's satisfaction
of this Section 8.4(d) shall be paid in accordance with §9.1 below.

(e) **Estimated Tax Credits.** Prior to October 15th of each year, the General
Partner shall send to the Asset Manager and the Special Limited Partner an estimate of the
Limited Partner's and the Special Limited Partner's share of Tax Credits by each building of
the Project, estimate of total Tax Credits, and estimates of Profits and Losses for federal
income tax purposes in a form specified by the Limited Partners. The General Partner and
the Accountant shall prepare this estimate.

§8.5 **Review of Compliance.**

(a) The General Partner shall, seventy-five (75) days after the end of each fiscal
year of the Partnership, certify to the Asset Manager and the Special Limited Partner in the
same scope and manner that it is required to certify, if requested, to the applicable State
Housing Finance Agency, that the Partnership is in compliance with all regulations and
procedures relating to the operation of the Project as a qualified Tax Credit project within
the meaning of §42(h) of the Code. Upon initial lease-up of the Project and thereafter no
more frequently than annually, the Limited Partner may, at the Partnership's expense,
conduct or cause to be conducted an audit or review (which may include an on-site
inspection of the Project) of the Partnership's compliance with all regulations and
procedures relating to the operation of the Project as a qualified Tax Credit project within
the meaning of §42(h) of the Code. This audit or review will be conducted not less than
thirty (30) nor more than ninety (90) days following a written request by the Limited Partner
for such audit or review. The General Partner shall cooperate with any such audit by
making appropriate personnel of the General Partner and the Property Management Agent
and all books and records (including, without limitation, copies of initial tenant files, any IRS Forms 8823 issued to the Partnership, and other applicable related documents and reports) of the Project and Partnership available to the Limited Partner or its representatives at the offices of the Partnership during regular business hours.

(b) The General Partner shall, within thirty (30) days following achievement of Qualified Occupancy, deliver to the Asset Manager and the Special Limited Partner one or more discs containing scanned copies of the First Year Tenant Files.

(c) The General Partner shall provide access to the Project at all reasonable times and upon reasonable advance notice and shall extend full cooperation to the Asset Manager or the Special Limited Partner in connection with such physical inspections of the Project and any records as the Asset Manager or the Special Limited Partner may wish to conduct in order to monitor the General Partner's performance of its obligations under this Partnership Agreement.

§8.6 Failure to Provide Information.

(a) Failure by the General Partner to provide the reports required under this Article 8 will result in the assessment of a $100 per day penalty, due and payable to the Limited Partner, until the reports are received in a form that is acceptable to the Limited Partner. This penalty will not be applicable if (i) waived by the Limited Partner, or (ii) the required information is received within seven (7) business days of receipt of a written notice of demand from the Limited Partner.

(b) If the General Partner fails to provide in a timely manner any information, report or data required to be provided by the General Partner under this Article 8, or otherwise fails to perform its obligations under this Article 8, then, in addition to any remedies the Limited Partner may have under this Partnership Agreement or applicable law, the Partnership shall not make any distributions or payments to the General Partner pursuant to §5.1 or §5.2 hereof until such time as such information, report, or data have been provided or such other obligations have been fulfilled.

(c) Regardless of whether the penalties are paid or waived, the Limited Partner shall have the right to require the General Partner to remove the Accountant and the right to approve or identify a replacement accountant if any of the above applicable reporting requirements are not met. The failure on the part of the General Partner to remove the Accountant and replace it with an accounting firm that is acceptable to the Limited Partner within thirty (30) days of a written request to do so from the Limited Partner shall be an Event of Default under §10.6(a) hereof.

(d) If the General Partner causes or suffers repeated or unreasonable delay in providing any reports or information required to be submitted to the Limited Partner and the Special Limited Partner under Article 8, such delay shall constitute an Event of Default under §10.6(a) hereof.
ARTICLE 9: TRANSFER OF LIMITED PARTNER’S PARTNERSHIP INTERESTS

§9.1 Voluntary Transfers.

(a) A Limited Partner may at any time make a Voluntary Transfer of all or any part of its Partnership Interest, so long as such Voluntary Transfer complies with the following conditions: (i) the General Partner has received a written instrument of transfer of all such Partnership Interest, which instrument shall be signed by the transferor Limited Partner and the transferee and shall contain the name and address of the transferee and the transferee’s express acceptance of and agreement to be bound by all of the terms and conditions of this Partnership Agreement; (ii) all requirements of applicable state and federal securities laws have been complied with; (iii) such Voluntary Transfer will not result in the Partnership’s loss of any exemption (federal or state) from the registration of the sale of securities relied upon in its offering of the Partnership Interest; (iv) such Voluntary Transfer will not result in the Partnership being classified as an “association” which is taxable as a corporation for federal income tax purposes; and (v) the General Partner has received evidence of any applicable consents required for such transfer. Upon compliance with all of the conditions of this §9.1, such Voluntary Transfer of a Limited Partner’s Partnership Interest binds the Partnership and the General Partner. No such transfer may cause the dissolution and termination of the Partnership and the transferee shall automatically be deemed to be an Assignee with respect to such Partnership Interest. If any transfer of a Limited Partner’s Partnership Interest, including the transfer of beneficial interests, results in a tax termination of the Partnership, the Limited Partner shall be responsible for the cost of preparing and filing any additional tax returns.

(b) The Limited Partner intends to either (i) hold only bare legal title to its Partnership Interest and will ultimately transfer beneficial interests in its Partnership Interest to one or more Persons, or (ii) ultimately transfer its Partnership Interest to an investment fund managed by an Affiliate of the Limited Partner, and in either case, the Limited Partner or such Persons or investment fund may also transfer such beneficial interests or Partnership Interest, or, as security for debt, assign or pledge all or portions of such Partnership Interest. If, pursuant to §9.1, there are subsequent transfers of Limited Partner’s beneficial interests or partnership interests which cause a termination of the Partnership pursuant to §708(b) of the Code, the Limited Partner shall pay to the Partnership any costs actually incurred by the Partnership in connection with the Partnership’s preparation of multiple tax returns for the year in which the termination occurred. Notwithstanding the provisions of §9.1(a), the General Partner hereby acknowledges and consents to any such transfers, assignments or pledges, and agrees that, upon any such transfer or any foreclosure or other enforcement under any such assignment or pledge, it will recognize the assignee of the (X) beneficial interests as the owner of such beneficial interests in the Partnership Interest, or (Y) Partnership Interest as the Substituted Limited Partner.

(c) The Limited Partner or its transferee shall reimburse the Partnership for any reasonable costs actually incurred by the Partnership as a result of a transfer pursuant to this §9.1.
§9.2 General Partner's Consent to Substitution as a Limited Partner.

(a) In addition to the requirements set forth in §9.1(a), an Assignee of a Limited Partner’s Partnership Interest, other than an assignee of a beneficial interest, will not become a Substituted Limited Partner, unless and until the General Partner consents in writing to such substitution, which consent may not be unreasonably withheld and is hereby granted for the transfers, assignments and pledges described in §9.1(b); provided that no such consent shall be required for the substitution of an Assignee that is an Affiliate of the Limited Partner. The General Partner shall duly file for record any required amendment to the Certificate of Formation reflecting such substitution in such public offices as shall be required under the Act. The effective date of the substitution of the Assignee as a Substituted Limited Partner shall be the date on which the General Partner provides its consent if required or the date of the assignment to such Affiliated Assignee, as the case may be.

(b) If the General Partner’s consent is required but the General Partner does not consent to the substitution of an Assignee of a Limited Partner’s Partnership Interest, then the transferor Limited Partner retains all the rights of a transferor of a limited partnership interest under the Act and, except as otherwise provided in §9.4, the Assignee shall not be treated as owning any interest in the Partnership. In particular, an Assignee of a Limited Partner’s Partnership Interest, other than an assignee of a beneficial interest, who is not admitted as a Substituted Limited Partner under this §9.2 shall not be entitled to: (i) require any accounting of the Partnership’s transactions; (ii) inspect the Partnership’s books and records; (iii) require any information from the Partnership; or (iv) exercise any privilege or right of a Limited Partner that is not specifically granted to a nonsubstituted transferee of a limited partnership interest under the Act.

§9.3 Involuntary Transfers. The Involuntary Transfer of all or any part of any Limited Partner’s Partnership Interest will not cause the dissolution and termination of the Partnership, but rather the business of the Partnership is continued without interruption in accordance with the provisions of this §9.3. Upon an Involuntary Transfer of all or any part of any Limited Partner’s Partnership Interest, such Limited Partner’s successor or legal representative shall automatically be deemed to be a Substituted Limited Partner.

§9.4 Distributions and Allocations with Respect to Transferred Partnership Interests. If any transfer (whether a Voluntary or Involuntary Transfer) of the Limited Partner’s Partnership Interest is recognized by the Partnership under this Article 9, then all allocations of Profits and Losses attributable to the transferred Partnership Interest shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during such fiscal period, using any convention or method of allocation selected by the General Partner which is then permitted under §706 of the Code and the Regulations promulgated thereunder. All distributions of Cash Flow made prior to the effective date of any such transfer shall be made to the transferor and any such distributions made after the effective date of such transfer shall be made to the transferee.
§9.5 **Disposition of Project.** Subject to the restrictions set forth below, the General Partner may cause the sale of all or any portion of the assets or business of the Partnership for their fair market value upon such terms as it shall determine in the exercise of reasonable discretion and prudent business judgment. After the payment of or provision for creditors, the net proceeds of sale shall in the discretion of the General Partner either in whole or in part be distributed among the Partners as provided in §5.2 or §11.2 hereof, as applicable, or in whole or in part be retained by the Partnership and utilized in the business of the Partnership. Any such sale shall cause the dissolution and liquidation of the Partnership only if required by the provisions of Article 11 hereof. Notwithstanding the foregoing, upon any sale of the Project (which term, as used in this §9.5, shall include any portion of the Project containing one or more rental units and any related assets or business of the Partnership), the net proceeds thereof shall be distributed in accordance with §5.2 or §11.2 hereof, as applicable. Except as specifically provided below, the General Partner shall not sell the Project without the prior written consent of the Limited Partner, and shall comply with the following requirements in any proposed sale or refinancing:

The General Partner may in its discretion begin advertising the Project for sale and entertaining third-party purchase offers at any time during the last twelve (12) months of the Compliance Period and shall forward copies of all inquiries and purchase offers as and when received by it to the Limited Partner and the Special Limited Partner, but shall have no right or obligation to pursue any sale to a third party except as described further herein below. If the Purchase Option and Right of First Refusal described in §9.6 hereof is exercised and all conditions thereof are met in full to the satisfaction of the Limited Partner, then in lieu of any sale to an unrelated third party, the General Partner shall cause the Project to be sold as provided and within the time specified therein, after the expiration of the Compliance Period. If such Purchase Option and Right of First Refusal is not exercised or the Project is not sold as provided and within the time specified therein, however, the General Partner shall, commencing upon expiration of Purchase Option and Right of First Refusal begin advertising the Project for sale and entertaining third-party purchase offers, as described above. Notwithstanding the foregoing, any disposition of the Project shall be conducted in accordance with the Extended Use Agreement and the rules of the State Housing Finance Agency.

§9.6 **Purchase Option and Right of First Refusal.** The provisions of §9.5 hereof shall be subject to that certain Purchase Option and Right of First Refusal Agreement between the Partnership, as grantor, and Grantee, as grantee, dated on or about the date hereof, pursuant to which the Partnership has granted to Grantee an option to purchase the Project or the Limited Partner’s Partnership Interest and a right of first refusal to purchase the Project, on the terms and conditions set forth therein, provided that the General Partner remains in good standing as General Partner without the occurrence of any event described in §10.6 hereof.

§9.7 **Intentionally Omitted.**
