All representations, undertakings and commitments made by Applicant in the Application process for Development assistance expressly constitute conditions to any Commitment, Determination Notice, Carryover Allocation, or Direct Loan Commitment for such Development which the Department may issue or award, and the violation of any such condition shall be sufficient cause for the cancellation and rescission of such Commitment, Determination Notice, Carryover Allocation, or Direct Loan Award Letter, Commitment or Contract by the Department. To the extent allowed under Tex. Gov't Code §2306.6720, if any such representations,
undertakings and commitments concern or relate to the ongoing features or operation of the Development, they shall each and all be enforceable even if not reflected in the Land Use Restriction Agreement. When providing a Pre-Application, Application or other materials to a state representative, local governmental body, Neighborhood Organization, or anyone else to secure support or approval that may affect the Applicant’s competitive posture, an Applicant must disclose in accordance with the Department’s rules those aspects of the Development that may not have been determined or selected or may be subject to change, such as changes in the amenities ultimately selected and provided.

I (We) hereby make application to the Texas Department of Housing and Community Affairs (the “Department”) for an award of Multifamily Direct Loan funds, which may be composed of HOME Investment Partnerships Program (“HOME”), Tax Credit Assistance Program Repayment Funds “TCAP RF,” Neighborhood Stabilization Program Round 1 Program Income (“NSP1 PI”), and/or National Housing Trust Fund (“NHTF”). The undersigned hereby acknowledges that an award by the Department does not warrant that the Development is deemed qualified to receive such award. I (We) agree that the Department or any of its directors, officers, employees, and agents will not be held responsible or liable for any representations made to the undersigned or its investors relating to the Multifamily Direct Loan; therefore, I (We) assume the risk of all damages, losses, costs, and expenses related thereto and agree to indemnify and save harmless the Department and any of its officers, employees, and agents against any and all claims, suits, losses, damages, costs, and expenses of any kind and of any nature that the Department may hereinafter suffer, incur, or pay arising out of its decision concerning this application for Multifamily Direct Loan funds or the use of information concerning the Multifamily Direct Loan.

On behalf of the Applicant and all affiliates of the Applicant (hereinafter “Applicant”), I (We) hereby certify that the Applicant is familiar with the state Rules, as published in 10 TAC Chapters 1, 2, 11, and 13, as well as Chapter 12 as applicable. I (We) hereby acknowledge that this Application is subject to disclosure under Chapter 552, Texas Government Code, the Texas Public Information Act, unless a valid exception exists.

I (We) hereby assert that the information contained in this Application as required or deemed necessary by the materials governing the Multifamily Direct Loan are true and correct and that I (We) have undergone sufficient investigation to affirm the validity of the statements made and the Department may rely on any such statements.

Further, I (We) hereby assert that I (We) have read and understand all the information contained in this Application. By signing this document, I (We) affirm that all statements made in this government document are true and correct under penalty of Chapter 37 of the Texas Penal Code titled Perjury and Other Falsification and subject to criminal penalties as defined by the State of Texas. TEX. PENAL CODE ANN. §37.01 et seq. (Vernon 2011).

I (We) understand and agree that if false information is provided in this Application which has the effect of increasing the Applicant’s competitive advantage, the Department will disqualify the Applicant and may hold the Applicant ineligible to apply for Multifamily Direct Loan funds or until any issue of restitution is resolved. If false information is discovered after the award of
Multifamily Direct Loan funds, the Department may terminate the Applicant’s written agreement and recapture all Multifamily Direct Loan funds expended.

I (We) shall not, in the provision of services, or in any other manner discriminate against any person on the basis of age, race, color, religion, sex, national origin, familial status, or disability. Verification of any of the information contained in this application may be obtained from any source named herein.

I (We) have written below the name of the individual authorized to execute the Multifamily Direct Loan agreement and any and all future Multifamily Direct Loan commitments and contracts related to this application. If this individual is replaced by the organization, I (We) must inform the Department within 30 days of the person authorized to execute agreements, commitment and/or contracts on behalf of the Applicant.

I (We) certify that no person or entity that would benefit from the award of Multifamily Direct Loan funds has committed to providing a source of match.

I (We) certify that I (We) will meet, Texas Minimum Construction Standards, 2010 ADA Standards for Accessible Design, as well as the Fair Housing Accessibility Standards and Section 504 of the Rehabilitation Act of 1973 as further detailed in 10 TAC Chapter 1, Subchapter B. I (We) certify that if Department funds have a first lien position in the project for which assistance is being requested, assurance of completion of the development will be provided in the form of payment and performance bonds in the full amount of the construction contract, running to the Department as obligee, or equivalent guarantee in the sole determination of the Department.

I (We) certify that if refinancing is a component of the proposed development the Applicant must confirm that Multifamily Direct Loan funds will not be used to replace loans, grants or other financing by any other Federal program, or in violation of the provisions of 10 TAC §13.3(e).

I (We) certify that if other federal or governmental assistance is used in the financing of this development I (We) will notify the Texas Department of Housing and Community Affairs.

Subject: LNU-Farmland Protection
Proposed Churchill at Golden Triangle Project
NEPA/FPPA Evaluation
City of Fort Worth, Tarrant County, Texas

We have reviewed the information provided in your correspondence dated February 4, 2019 concerning the proposed multifamily development project located in the City of Fort Worth, Tarrant County, Texas. This review is part of the National Environmental Policy Act (NEPA) evaluation for the U.S. Department of Housing and Urban Development (HUD). We have evaluated the proposed site as required by the Farmland Protection Policy Act (FPPA).

The proposed site may involve areas of Prime Farmland; however, we consider the location to be “land committed to urban development” due to its location within the city limits of Fort Worth, Texas. Additionally, the project site location is included within an area of land with a density of 30 structures per 40-acre area. Due to these reasons, this project is exempt from provisions of FPPA. We strongly encourage the use of acceptable erosion control methods during the construction of this project.

If you have further questions, please contact me at 254.742.9836 or by email at Carlos.Villarreal@usda.gov (Preferred).

Enlargement of maps beyond the scale of mapping can cause misunderstanding of the detail of mapping and accuracy of soil line placement. The maps do not show the small areas of contrasting soils that could have been shown at a more detailed scale.

Survey Area Data: Version 16, Sep 16, 2018
Soil map units are labeled (as space allows) for map scales 1:50,000 or larger.

Date(s) aerial images were photographed: Oct 29, 2016—Nov 29, 2017

The orthophoto or other base map on which the soil lines were compiled and digitized probably differs from the background imagery displayed on these maps. As a result, some minor shifting of map unit boundaries may be evident.

Description

Farmland classification identifies map units as prime farmland, farmland of statewide importance, farmland of local importance, or unique farmland. It identifies the location and extent of the soils that are best suited to food, feed, fiber, forage, and oilseed crops. NRCS policy and procedures on prime and unique farmlands are published in the "Federal Register," Vol. 43, No. 21, January 31, 1978.

X Not applicable.

[1] Other Asian alone, or two or more Asian categories.
[2] Other Pacific Islander alone, or two or more Native Hawaiian and Other Pacific Islander categories.
[4] In combination with one or more of the other races listed. The six numbers may add to more than the total population, and the six
percentages may add to more than 100 percent because individuals may report more than one race.

[5] This category is composed of people whose origins are from the Dominican Republic, Spain, and Spanish-speaking Central or South American countries. It also includes general origin responses such as “Latino” or “Hispanic.”

[6] “Spouse” represents spouse of the householder. It does not reflect all spouses in a household. Responses of “same-sex spouse” were edited during processing to “unmarried partner.”

[7] “Family households” consist of a householder and one or more other people related to the householder by birth, marriage, or adoption. They do not include same-sex married couples even if the marriage was performed in a state issuing marriage certificates for same-sex couples. Same-sex couple households are included in the family households category if there is at least one additional person related to the householder by birth or adoption. Same-sex couple households with no relatives of the householder present are tabulated in nonfamily households. “Nonfamily households” consist of people living alone and households which do not have any members related to the householder.

[8] The homeowner vacancy rate is the proportion of the homeowner inventory that is vacant “for sale.” It is computed by dividing the total number of vacant units “for sale only” by the sum of owner-occupied units, vacant units that are “for sale only,” and vacant units that have been sold but not yet occupied; and then multiplying by 100.

[9] The rental vacancy rate is the proportion of the rental inventory that is vacant “for rent.” It is computed by dividing the total number of vacant units “for rent” by the sum of the renter-occupied units, vacant units that are “for rent,” and vacant units that have been rented but not yet occupied; and then multiplying by 100.

[1] Other Asian alone, or two or more Asian categories.
[2] Other Pacific Islander alone, or two or more Native Hawaiian and Other Pacific Islander categories.
[4] In combination with one or more of the other races listed. The six numbers may add to more than the total population, and the six percentages may add to more than 100 percent because individuals may report more than one race.
This category is composed of people whose origins are from the Dominican Republic, Spain, and Spanish-speaking Central or South American countries. It also includes general origin responses such as "Latino" or "Hispanic."

"Spouse" represents spouse of the householder. It does not reflect all spouses in a household. Responses of "same-sex spouse" were edited during processing to "unmarried partner."

"Family households" consist of a householder and one or more other people related to the householder by birth, marriage, or adoption. They do not include same-sex married couples even if the marriage was performed in a state issuing marriage certificates for same-sex couples. Same-sex couple households are included in the family households category if there is at least one additional person related to the householder by birth or adoption. Same-sex couple households with no relatives of the householder present are tabulated in nonfamily households. "Nonfamily households" consist of people living alone and households which do not have any members related to the householder.

The homeowner vacancy rate is the proportion of the homeowner inventory that is vacant "for sale." It is computed by dividing the total number of vacant units "for sale only" by the sum of owner-occupied units, vacant units that are "for sale only," and vacant units that have been sold but not yet occupied; and then multiplying by 100.

The rental vacancy rate is the proportion of the rental inventory that is vacant "for rent." It is computed by dividing the total number of vacant units "for rent" by the sum of the renter-occupied units, vacant units that are "for rent," and vacant units that have been rented but not yet occupied; and then multiplying by 100.

Three Year Inspection Summary
- Inspectors routinely monitor compliance with Licensing standards, rules and law. At a minimum, licensed and certified operations are inspected at least once a year; Registered Child Care Homes (?) are inspected at least once every two years, Listed Family Homes (?) are inspected only if there is a report of abuse/neglect or if we receive a report that the home is caring for too many children.

- When operations have serious deficiencies or a significant number of deficiencies, repeat deficiencies, or fail to make corrections timely, they are inspected more frequently by licensing staff, to ensure the health and safety of children in care.

- In the last three years, Licensing conducted the following:
5 - Inspections
0 - Assessments
0 - Self Reported Incidents
1 - Reports

Click on the inspection type to see additional details related to each inspection.

- There are many standards that an operation must comply with; the total number varies for each type of operation. An operation or home is generally given an opportunity to correct deficiencies and has the right to request a review of a deficiency. Deficiencies pending review are not included in the two year history.

Three Year Compliance Summary
- During the last three years, 2827 standards were evaluated for compliance at this operation.

- Of the standards evaluated, 6 deficiencies were cited.

Click on the number of deficiencies to see additional details.

- Each standard is assigned a weight. The weight ensures all inspectors consider standard violations in the same way, and represents the potential impact a deficiency might have on children. Review the inspection reports to learn more about each citation. It's important to remember; weights are not assigned to an individual operation, inspection, or circumstance and are not intended to result in a ranking of operations or score.

- The weights of the standard deficiencies cited in the past three years are as follows:

  1 was weighted as **High**
  2 were weighted as **Medium - High**
  3 were weighted as **Medium**
  0 were weighted as **Medium - Low**
  0 were weighted as **Low**

Click on the weight to see additional details about each deficiency.

Disclaimer: The online compliance history includes only information after January 1, 2002. In addition, the online compliance history does not include minimum standard violations or corrective or adverse actions until after the child-care operation has had due process or waived its rights. For compliance history prior to January 1, 2002 or history with pending due process, please contact your local licensing office. Child-Care Licensing disclaims liability for any errors or omissions from the compliance history information.

CHAPEL

Chapel at Alliance Christian Academy and Little Sprouts Preschool is a foundational thread of who we are as a family community and illustrates our desire to grow our students to be character witnesses for Christ in the coming generations. In partnership with our parents and families, we aim to not only lead students to Christ, but also to lead them to develop a strong relationship with Him as they walk their path to learning who they are in Him, how they love Him, and where they are called to serve Him.

Little Sprouts Chapel occurs weekly on campus and is a strong support to lessons and teachings happening both in the classroom and at home. Our time together is filled with worship, games, skits and stories, all centered around a character quality for the month. The primary focus of Chapel is to expose our youngest hearts to the power, love, and authority of our God. We also provide opportunities for families at home to “dig deeper” with their children by providing a monthly newsletter that shares the character focus, scripture memory, and activities to do together as a family unit.

LANGUAGE ARTS

Little Sprouts focuses on developing oral language skills as well as discriminating between auditory and visual stimuli. Children are provided the opportunity to develop memory skills and readiness in both reading and writing.

MATHEMATICS

Using manipulatives and games, children are taught numerals and number concepts. Problem solving strategies, geometry and classification skills are introduced through everyday experiences.

SCIENCE AND SOCIAL STUDIES

Science and Social Studies are designed to build upon a child’s natural curiosity and love of exploration. Character development is emphasized as children are introduced to the world and given opportunities to learn to relate to others.

Additional enrichment experiences in our preschool include hands-on science, Spanish, library, creative movement and author study (pre-K only).

“Developing Lifelong Leaders & Learners Loving the Lord”
Our Story

The Met began in my heart in 1987 when I felt God was calling me to minister to people who, in the past, would have never entered a church. I wanted to reach people through an energetic service with contemporary music and practical messages that people could apply to their every day lives. At that time I was the Senior Pastor at First Baptist Church of Fort Worth, and I knew God was calling me to a new vision and adventure. So, on August 11, 1996, I launched Metroport Cities Fellowship (The Met) in the auditorium of Carroll High School in Southlake. Our vision was to reach people living in the Alliance corridor, which developers were calling the Metroport area.

Starting a church can be challenging, but during those first months, I was overwhelmed and inspired by the dedication and sacrifice of a core group of leaders. I cannot remember a week passing without hearing from someone whose life had been transformed by the power of God through The Met, and we were so excited to see the vision God had for us take shape.

In the Fall of 1999, we lost our temporary location at Carroll High School, but God had been so faithful through this entire journey that we knew He would provide. I was informed that The Metro Food Outlet in Keller was closing, but the asking price was more than we could afford to pay. We stepped out on faith, submitted a lower offer, prayed, and left the outcome in God’s hands. Of course, He provided. The owner of the building was a Christian, and when he found out we were a church, he accepted our offer. It took a vast amount of renovation to transform a grocery store into a church, but on March 12, 2000, we held our first service in our new home. The building that once provided food for the body was now providing food for the soul.
all God has done through the Met. We have witnessed record numbers of people giving their lives to Christ and going public with their faith through baptism. Families continue to be healed and strengthened as they grow in their relationship with God, and our children and youth are being taught to stand for Christ and be our next generation of leaders. The Met ministers to over 3000 people each week and over 6000 people call The Met their church home. We are so excited about the next phase of our story and the opportunity to be a part of the work God is doing through The Met.

Worship Services

WORSHIP SCHEDULE
Saturday: 5:00pm
Sunday: 9:30 & 11:00am

WEEKEND WORSHIP SERVICES
The weekend worship service is step one in connecting people to God and one another. This is accomplished by providing an atmosphere that is worshipful, relevant, inspiring and unique. We are intentional about introducing God to those who are seeking Him and challenging those who have established that relationship with God to continue to strengthen and develop that bond. We view the weekend service as the doorway to the Met Family - an opportunity for regular attendees to bring their family, neighbors and acquaintances to hear about God’s love for them.

The weekend worship service offers several areas for people to serve God and their church with the talents given to them. We strive to address those talents and place people in appropriate volunteer positions - vocal, instrumental, technical, drama, various other creative arts. While we encourage variety within involvement our first priority is to make sure we submit a quality program that will not distract the listener from hearing the message about God’s love.

The Met's mission is to provide a place where the needy receive food assistance as well as support to get involved in activities that will assist them in growth towards a brighter tomorrow. By providing a pantry to the surrounding area we are able to assist our community with a "mini-market" style food pantry where clients can choose from a variety of food and personal care items. Volunteers help to organize, schedule, collect, distribute, and ultimately serve the community on a weekly basis.

Recipients for the food pantry will apply to receive a minimum of 3-6 months of food assistance. They will shop for free food and other items every Saturday. If any applicant...

STEP 2 - Qualify for Food Assistance (Proof of Income & ID requested)

Once you qualify for the Food Pantry:

STEP 3 - You will receive a weekly email with a new link each week to sign-up for your Food Pantry appointment time for the upcoming Saturday.

- Food is given to first-come-first-serve recipients with no appointment AFTER 11:30, while supplies last.

We are located in a 12,000 square foot warehouse that is 100% CrossFit. Our program efficiently combines the most effective training methods of Weightlifting, Gymnastics, and High Intensity Cardio. There isn’t a strength and conditioning program anywhere that works with a greater diversity of tools, modalities, and drills.

The community aspect of CrossFit is our greatest strength. At CrossFit there are no ego’s, no room for bad attitudes. We are supportive, we are competitive, we are strong, we are humble, we are athletes...we are CrossFit.

About Us

Agency Overview

Meals On Wheels, Inc. of Tarrant County is a 501(c)(3) not-for-profit charitable organization that started in 1973 as a collaboration between 11 faith-based organizations in downtown Fort Worth to bring food to the elderly in the central city area. Over the years, we have grown and now serve all of Tarrant County, providing approximately 1 million meals each year to some of Tarrant County's most frail citizens. By providing home-delivered meals, professional case management, and other needed items or services to our homebound, elderly and disabled clients, we enable them to remain living independently in their own homes, surrounded by a lifetime of memories.

Most of our clients have lived in the same home for many years. This home is where they feel safe and comfortable. Due to illness or the blessing of many birthdays, the majority of our clients can no longer remain at home without assistance. Without our help, many of our clients would be forced into nursing homes or other care facilities. Our goal is to keep our clients in their homes – where they want to be – for as long as possible.
Some people may be recovering from a hospital stay or illness and will only be on the program for a short period of time. Others have a long-term need and may receive home-delivered meals on an ongoing basis.

In an independent study of hunger among the elderly in the United States, Texas ranked fourth highest in the number of seniors going to bed hungry. We can deliver meals to one homebound person for an entire year at a cost lower than one day in a hospital or six days in a nursing home. Plus, through our Home-Delivered Meals program, we save money for taxpayers, who subsidize the cost of nursing home care for those who cannot afford it. Another study by the Center for Effective Government found that every dollar invested in Meals On Wheels saves up to $50 in Medicaid spending.

Meals are delivered by over 5,000 caring volunteers who freely give of their time and personal resources to ensure that our clients receive a nutritious meal. These caring individuals do more than just provide a meal and a friendly home visit. They are trained to contact our office if a client does not answer the door. This daily safety check gives many of our clients and their families an added peace of mind.

Mission Statement

To promote the dignity and independence of older adults, persons with disabilities, and other homebound persons by delivering nutritious meals and providing or coordinating needed services.

Our History

From humble beginnings to a benchmark program that now serves approximately 1 million meals per year, Meals On Wheels of Tarrant County is an immense source of pride for the citizens of Tarrant County. Despite our tremendous growth, our commitment to helping the homebound, elderly and disabled residents of Tarrant County remain in their own homes will never change.
In 1972, representatives from 11 downtown Fort Worth faith-based organizations met to discuss hunger in the central city. These organizations included Broadway Baptist, Central Baptist, Greater St. James Baptist, Mt. Gilead Baptist, First Christian, First United Methodist, First Presbyterian, Gethsemane Presbyterian, St. Andrew's Episcopal, St. Patrick's Cathedral, and Temple Beth-El. From this meeting, the Association of Central City Ministries (ACCM) was formed. Its first concern was providing meals to the elderly. ACCM made the commitment to bring food to the elderly in the central city area and on May 15, 1973, Meals On Wheels of Tarrant County was begun using all volunteer help. On that day, 25 people were fed. Meals On Wheels of Tarrant County owes a debt of gratitude to the members of ACCM and the many volunteers from these organizations who worked so diligently to make it a success. These wonderful faith-based organizations continue to support Meals On Wheels as we serve those in need within our community.

In 1989, Meals On Wheels of Tarrant County turned to the community to ask for help to fund a central kitchen. Rapidly escalating costs from food service companies as well as limited control of the final product compelled us to seek our own meal-preparation facility. Within eight months, an existing building was purchased and renovated into both the central kitchen and administrative offices. Although the building was expanded a number of times over the years, in 2010, the Board of Directors decided the best course of action was to construct a new meal-production facility that could meet the ever-increasing demand for services.

In January 2015, we embarked on an exciting new chapter in the history of Meals On Wheels as we broke ground on a new 62,000-square-foot meal production and distribution facility. We relocated to the new facility in March 2016. The current building, located at 5740 Airport Freeway in Haltom City, now houses the central kitchen, volunteer training center, nutrition intern project center, storage and distribution center, meeting space, and administrative offices.

This new facility will enable Meals On Wheels to meet the current demand for 1 million meals per year as well as the tremendous growth expected as Baby Boomers enter retirement. Much has changed since 1972; however, the original commitment to serve elderly and disabled...
people will never change. With your assistance, we are helping this frail segment of our community to remain living at home by providing meals, needed services, and a caring smile.

Upon the Closing, the Earnest Money will be applied to the Purchase Price. If the Closing does not occur as required pursuant to this Agreement, then Escrow Agent must disburse the Earnest Money in the manner provided for elsewhere herein. Purchaser's obligation to deliver the
Earnest Money as provided in this Section 4.1 is a condition precedent to Seller's obligations and Purchaser's rights hereunder. If Purchaser fails to deposit the Earnest Money as required herein, Seller may terminate this Agreement upon written notice to Purchaser prior to Purchaser's deposit of the Earnest Money (without any opportunity by Purchaser to cure). Following any termination by Seller in accordance with this Section 4.1, neither party will have any further rights, obligations, or remedies under this Agreement (other than Surviving Obligations). The Independent Consideration is not refundable and, upon Closing or upon any termination of this Agreement, Escrow Agent must disburse the Independent Consideration to Seller. 5.3 Review Period. Purchaser shall have 60 days after the Effective Date in which to review and deliver to Seller in writing such objections as Purchaser may have to anything contained or set forth in the Title Commitment, the title exception documents or the Survey. If Purchaser timely objects to any matter contained in the Title Commitment, title exception documents or Survey, Seller will have 10 days after receipt of Purchaser's objections (the "Response Period") within which Seller may (but will not be obligated to) attempt to cure such objections. If Seller notifies Purchaser at any time that Seller is unable or unwilling to cure any such objections or, alternatively, if Seller does not respond to Purchaser's objections within the Response Period, then within five days after the earlier of delivery of Seller's notice or the expiration of the Response Period, as applicable, Purchaser must elect to either (i) terminate this Agreement, in which case Seller retains the Earnest Money, or (ii) waive such objections and proceed toward Closing. If Purchaser does not elect either clause (i) or (ii) within such five-day period, then Purchaser will be deemed to have elected clause (ii). In all cases, however, Purchaser's right to terminate this Agreement pursuant to this Section 5.3 will lapse and terminate upon the expiration of the Inspection Period, at which time Purchaser's approval of the Title Commitment (and title exception documents) and Survey will become absolute and all items referenced therein will be considered Permitted Exceptions. Each item to which Purchaser does not object within the 60-day period described above, or to which Purchaser objects, but Purchaser waives, or is deemed to have waived by not terminating this Agreement, will be considered a Permitted Exception.

5.4 Title Policy. At Closing, Title Company must issue to Purchaser the Title Policy. Seller will pay the standard premium for the Title Policy at Closing as a charge against Seller, to be reflected as such on the closing statement. Furthermore, Purchaser must not undertake any invasive testing procedures with respect to any portion of the Property without Seller's prior written permission, which shall not be unreasonably withheld. Purchaser immediately must restore the Property to its original pre-inspection condition, if changed due to the tests and inspection performed by Purchaser. If Purchaser does not purchase the Property pursuant to this Agreement, Purchaser will deliver promptly to Seller copies of any and all studies or tests, including, without limitation, soils tests, topographical information, structural tests and engineering studies (collectively, "Studies"), obtained by Purchaser in connection with its inspection of the Property. The provisions of this Section 6.1 will survive any termination of this Agreement.

6.3 Inspection Period. If Purchaser notifies Seller in writing on or before the expiration of the Inspection Period, that Purchaser, for any reason whatsoever, does not desire to purchase the Property pursuant to this Agreement, then this Agreement will terminate, Escrow Agent will release the Earnest Money to Seller, and the parties hereto will have no further obligations hereunder except for Surviving Obligations. If Purchaser does not deliver written notice of termination on or before the expiration of the Inspection Period, then Purchaser will have waived any and all claims or rights whatsoever to terminate this Agreement pursuant to this Section 6.3, and Purchaser and Seller will proceed with the Closing. In no event shall Purchaser have the right to extend the Inspection Period or terminate this Agreement beyond the Inspection Period (except in accordance with Section 5.5 above).

THE PROVISIONS OF THIS SECTION 7 ARE LIMITED SO AS TO NOT BE CONSTRUED AS DIMINISHING OR NEGATING (I) SELLER'S RESPONSIBILITY FOR ANY REPRESENTATIONS PROVIDED IN SECTION 10 HEREOF (BUT ONLY TO THE EXTENT EXPRESSLY PROVIDED AND FOR THE DURATION STATED), AND (II) ANY WARRANTY OF TITLE SET FORTH IN THE DEED TO BE DELIVERED BY SELLER TO PURCHASER AT CLOSING.

7.4 SURVIVAL: NO MERGER WITH DEED. THE TERMS AND PROVISIONS OF THIS SECTION 7 WILL EXPRESSLY SURVIVE THE CLOSING AND WILL NOT MERGE INTO THE DEED AND OTHER DOCUMENTS TO BE DELIVERED BY SELLER TO PURCHASER AT CLOSING.

EACH PARTY HERETO REPRESENTS TO THE OTHER THAT (I) THERE ARE NO REAL ESTATE COMMISSIONS, FINDERS' FEES OR BROKERS' FEES THAT HAVE BEEN OR WILL BE INCURRED IN CONNECTION WITH THIS AGREEMENT OR THE SALE OF THE PROPERTY (OTHER THAN THE COMMISSION TO PURCHASER'S BROKER, PAYABLE SOLELY BY PURCHASER), AND (II) SUCH PARTY HAS NOT AUTHORIZED ANY BROKER OR FINDER TO ACT ON SUCH PARTY'S BEHALF IN CONNECTION WITH THE SALE AND PURCHASE HEREUNDER (OTHER THAN

Section 2510.3-101), and Purchaser is acquiring the Property for Purchaser's own personal account and that the Property shall not constitute plan assets subject to ERISA upon conveyance of the property by Seller and the closing of this Agreement between Purchaser and Seller. Seller shall not have any obligation to close the transaction contemplated by this Agreement if the transaction for any reason constitutes a prohibited transaction under ERISA. The foregoing representation and warranty shall survive the Closing.

10.3 Survival. The representations provided in this Section 10 will survive the Closing for a period of six (6) months (except for the representation made by Seller in Section 10.2(b), which will not survive the Closing), it being hereby acknowledged that such representations will not merge with the Deed to be delivered at Closing. Notwithstanding any other provision of this Agreement, any agreement contemplated by this Agreement, or any rights or claims which Purchaser might otherwise have at law, equity or by statute, whether based on contract or some other claim, Purchaser agrees that any liability of Seller to Purchaser with respect to the Surviving Obligations will be limited to $100,000.00.

If possible, Seller's payment of such amounts must be based upon taxes and assessments actually assessed for the calendar year in which Closing occurs. If ad valorem taxes and assessments for the calendar year in which
Closing occurs have not been assessed as of Closing Date, Seller and Purchaser agree to estimate such amounts based upon ad valorem taxes and assessments for the immediately preceding calendar year. If Purchaser elects to enforce specific performance hereunder, it must file suit in the appropriate court within 120 days after the scheduled Closing Date (and Purchaser’s failure to do so will constitute a waiver of the remedy of specific performance hereunder). The remedies set forth in this Section 13.1 are Purchaser’s sole and exclusive remedies. In no event will Seller ever be liable to Purchaser hereunder for any punitive, speculative, or consequential damages.

13.2 **Purchaser Default.** If the sale is not consummated because of a default on the part of Purchaser, then, as Seller’s sole and exclusive remedy for such default, Seller may terminate this Agreement by written notice to Purchaser. In such event: (a) Escrow Agent must deliver the Earnest Money (and the Additional Deposit) to Seller as liquidated damages for Purchaser’s default (which amount is agreed upon by and between Seller and Purchaser as liquidated damages due to the difficulty and inconvenience of ascertaining and measuring actual damages, and the uncertainty thereof). The remedy set forth in this Section 13.2 is Seller’s sole and exclusive remedy for the sale not being consummated due to a default by Purchaser. However, nothing contained in this
Section 13.2 limits Purchaser’s liability for a default in the performance of any representations, covenants, indemnities or obligations that survive the Closing or the termination of this Agreement, and Seller will have the right to pursue any remedies available at law or in equity against Purchaser for a breach of such obligations. In no event will Purchaser ever be liable to Seller hereunder for any punitive, speculative, or consequential damages.

14.2 Confidentiality. Except as otherwise provided herein, Seller, Purchaser, and Escrow Agent agree not to disclose to the public or to any third party any information regarding the terms of this Agreement. Notwithstanding the foregoing, Seller, Purchaser or Escrow Agent may disclose any aspect of this if required under applicable law or if required by the Texas Department of Housing and Community Affairs in connection with participation in its Housing Tax Credit Program. Furthermore, Seller and Purchaser may disclose such matters on a confidential basis to any attorneys, accountants, professional consultants, financial advisors, partners, investors or potential investors, or lenders or potential lenders to the extent necessary to complete the transaction contemplated.
by this Agreement. The provisions of this Section 14.2 will survive any termination or cancellation of this Agreement.

14.3 Successors and Assignment. This Agreement is binding upon and will inure to the benefit of the parties and their respective heirs, legal representatives, and permitted successors and assigns. The rights of Seller under this Agreement are not assignable without the prior written consent of Purchaser, which consent shall not be unreasonably withheld. The rights of Purchaser under this Agreement are not assignable without the prior written consent of Seller, which consent may be granted or withheld at Seller’s sole discretion, unless the assignment is made to either (i) an entity that can qualify for an ad valorem tax exemption; or (ii) an entity which controls, is controlled by, or is under common control with Purchaser, or in which Purchaser owns a membership interest; in which case Seller’s consent is not required. In any event, the assignee must assume the obligations of its assignor hereunder pursuant to an agreement in form and substance reasonably acceptable to the non-assigning party, and in no case will the assignor be released from the performance of its obligations hereunder.

14.4 No Recordation. Neither party will record this Agreement or any memorandum or affidavit of this Agreement.

14.5 Governing Law. This Agreement is governed by the laws of the State and is performable in, and the exclusive venue for any action brought with respect hereto, will be in the County and State.

14.6 Amendment. To be effective, any amendment or modification of this Agreement must be in writing and must be signed by an authorized signatory of Seller and Purchaser.

14.7 No Oral or Implied Waiver. The parties may waive any of the rights or conditions contained herein or any of the obligations of the other party hereunder, but unless this Agreement expressly provides that a condition, right, or obligation is deemed waived, any such waiver will be effective only if in writing and signed by the party waiving such condition, right, or obligation. The failure of either party to insist at any time upon the strict performance of any covenant or agreement in this Agreement or to exercise any right, power, or remedy contained in this Agreement will not be construed as a waiver or a relinquishment thereof for the future.

14.8 Time of Essence. Time is of the essence in the performance of the covenants contained in this Agreement.

14.9 Legal Fees. If it becomes necessary for either party hereto to file a suit to enforce this Agreement or any provisions contained herein, the party prevailing in such action is entitled to recover, in addition to all other remedies or damages, reasonable legal fees and court costs incurred by the prevailing party in such suit.

14.10 Headings. The descriptive headings of the various Sections contained in this Agreement are inserted for convenience only and do not control or affect the meaning or construction of any of the provisions hereof.

14.11 Total Agreement. This Agreement constitutes the entire agreement among the parties pertaining to the subject matter hereof and supersedes all prior and contemporaneous agreements and understandings of the parties in connection therewith.

14.12 Severability. If any term or provision of this Agreement, or the application thereof to any person or circumstance will, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, will not be affected thereby, and each term and provision of this Agreement will be valid and enforced to the fullest extent permitted by law.

14.13 Counterpart Execution. To facilitate execution, this Agreement may be executed in as many counterparts as may be convenient or required. It is not necessary that the signature of all persons required to bind any party appear on each counterpart. All counterparts collectively constitute a single instrument.
14.14 **Weekends and Holidays.** If the date upon which any duties or obligations hereunder to be performed occurs upon a weekend or legal holiday, then, in such event, the due date for performance of any duty or obligation automatically will be extended to the next succeeding business day. However, any future dates that are dependent upon the date that falls on the weekend or legal holiday will be figured from the original date (rather than the date to which the original date was extended). By way of example, if the Inspection Period expires on a Saturday and the Closing Date is scheduled for the date that is 45 days thereafter, then the Inspection Period deadline will be extended to the first business day after Saturday but the Closing Date will occur on the date that is 45 days after Saturday.

14.15 **Rule of Construction.** Seller and Purchaser acknowledge that each party and its counsel have taken the opportunity to review and revise this Agreement and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not be employed in the interpretation of this Agreement or any amendments or exhibits to this Agreement.

14.16 **Offer.** This Agreement, when first signed by either party, represents an offer to sell or purchase the Property, as the case may be, that will expire automatically (without any further notice from or action by such party) on the 10th day after execution by the offering party unless it is signed by both parties and received by the offeror within such period.

**SECTION 15 - SPECIAL PROVISIONS**

15.1 **Rollback Taxes.** In accordance with Section 5.010(a) of the Texas Property Code, as amended, Seller hereby notifies Purchaser of the following:

**NOTICE REGARDING POSSIBLE LIABILITY FOR ADDITIONAL TAXES**

If for the current ad valorem tax year the taxable value of the land that is the subject of this Agreement is determined by a special appraisal method that allows for appraisal of the land at less than its market value, the person to whom the land is transferred may not be allowed to qualify the land for that special appraisal in a subsequent tax year and the land may then be appraised at its full market value. In addition, the transfer of the land or a subsequent change in the use of the land may result in the imposition of an additional tax ("Rollback Tax") plus interest as a penalty for the transfer or the change in the use of the land. The taxable value of the land and the applicable method of appraisal for the current tax year is public information and may be obtained from the tax appraisal district established for the county in which the land is located.

Notwithstanding any provision herein to the contrary, Purchaser and Seller shall each be responsible for the payment of fifty percent (50%) of any Rollback Tax assessed against the Property; however purchaser's portion will not exceed $150,000 as a result of a change in land use or ownership as contemplated and provided under this Agreement. Seller and Purchaser shall estimate the amount of Rollback Tax that will be payable as a result of the change in use of the Property following Closing and escrow such amounts with Title Company for payment when the amounts are due, subject to the provisions of Section 12.4(c) above. The provisions of this Section 15.1 shall survive Closing.

15.2 **Section 1031 Exchange.** Purchaser or Seller may consummate the purchase or sale, respectively, of the Property as part of a like-kind exchange (the "Exchange") pursuant to §1031 of the Internal Revenue Code of 1986, as amended, provided that: (a) the Closing shall not be delayed or affected by reason of the Exchange unless agreed to by Purchaser and Seller and (b) the non-exchanging party shall not be required to acquire or hold title to any real property for purposes of consummating the Exchange. The non-exchanging party shall not, by this Agreement or acquiescence to the Exchange, (a) have its rights under this Agreement affected or diminished in any manner or incur any additional liability or expense or (b) be responsible for compliance with or be deemed to have warranted to the exchanging party that the Exchange in fact complies with §1031 of the Internal Revenue Code of 1986, as amended.

15.3 **NOTICE OF WATER LEVEL FLUCTUATIONS.** The water level of the impoundment of
water adjoining the Property fluctuates for various reasons, including as a result of: (1) an entity lawfully exercising its right to use the water stored in the impoundment; or (2) drought or flood conditions.

15.4 HUD Environmental. Provided that Purchaser initiates (by appropriate notice or filing or otherwise) a review of the Property by the Texas Department of Housing and Community Affairs ("TDHCA") prior to the expiration of the Inspection Period and thereafter diligently pursues obtaining the TDHCA Approval Confirmation (as hereinafter defined), it shall be a condition to Purchaser's obligation to Close that TDHCA has provided Purchaser and Seller with a written notification (the "TDHCA Approval Confirmation") that: (1) TDHCA has completed a federally required environmental review and its request for release of funds has been approved and, (a) the purchase may proceed, or (b) the purchase may proceed only if certain conditions to address issues in the environmental review shall be satisfied after the purchase of the property; or (2) TDHCA has determined that the purchase is exempt from federal environmental review and a request for release of funds is not required. Purchaser shall use its best efforts to obtain the TDHCA Approval Confirmation expeditiously. If TDHCA provides Purchaser with notice that a release of funds has been denied or that the purchase may not proceed (a "Denial Notice"), then Purchaser shall immediately notify Seller of the Denial Notice in writing, at which time, at Purchaser's option, this Agreement shall immediately terminate, all Earnest Money and other deposits made by Purchaser hereunder shall be released immediately to Seller, and the parties shall have no further rights or obligations hereunder except the Surviving Obligations.

UTILITY PLAN AND DRAINAGE PLAN

Follows this cover page.
THE FOLLOWING COMMITMENT FOR TITLE INSURANCE IS NOT VALID UNLESS YOUR NAME AND THE POLICY AMOUNT ARE SHOWN IN SCHEDULE A, AND OUR AUTHORIZED REPRESENTATIVE HAS COUNTERSIGNED BELOW.

COMMITMENT FOR TITLE INSURANCE

Issued By

ALLIANT NATIONAL TITLE INSURANCE COMPANY, INC.

We (Alliant National Title Insurance Company, Inc.) will issue our title insurance policy or policies (the Policy) to You (the proposed insured) upon payment of the premium and other charges due, and compliance with the requirements in Schedule C. Our policy will be in the form approved by the Texas Department of Insurance at the date of issuance, and will insure your interest in the land described in Schedule A. The estimated premium for our Policy and applicable endorsements is shown on Schedule D. There may be additional charges such as recording fees, and expedited delivery expenses.

This Commitment ends ninety (90) days from the effective date, unless the Policy is issued sooner, or failure to issue the Policy is our fault. Our liability and obligations to you are under the express terms of this Commitment and end when this Commitment expires.

Title insurance insures you against loss resulting from certain risks to your title.

The commitment for Title Insurance is the title insurance company's promise to issue the title insurance policy. The commitment is a legal document. You should review it carefully to completely understand it before your closing date.

El seguro de título le asegura en relación a perdidas resultantes de ciertos riesgos que pueden afectar el título de su propiedad. El Compromiso para Seguro de Título es la promesa de la compañía aseguradora de títulos de emitir la póliza de seguro de título. El Compromiso es un documento legal. Usted debe leerlo cuidadosamente y entenderlo completamente antes de la fecha para finalizar su transacción.

Your Commitment for Title Insurance is a legal contract between you and us. The Commitment is not an opinion or report of your title. It is a contract to issue you a policy subject to the Commitment's terms and requirements.

Before issuing a Commitment for Title Insurance (the Commitment) or a Title Insurance Policy (the Policy), the title Insurance Company (the Company) determines whether the title is insurable. This determination has already been made. Part of that determination involves the Company's decision to insure the title except for certain risks that will not be covered by the Policy. Some of these risks are listed in Schedule B of the attached Commitment as Exceptions. Other risks are stated in the Policy as Exclusions. These risks will not be covered by the Policy. The Policy is not an abstract of title nor does a Company have an obligation to determine the ownership of any mineral interest.

MINERALS AND MINERAL RIGHTS may not be covered by the Policy. The Company may be unwilling to insure title unless there is an exclusion or an exception as to Minerals and Mineral Rights in the Policy. Optional endorsements insuring certain risks involving minerals, and the use of improvements (excluding laws, shrubbery and trees) and permanent buildings may be available for purchase. If the title insurer issues the title policy with an exclusion or exception to the minerals and mineral rights, neither this Policy, nor the optional endorsements, ensure that the purchaser has title to the mineral rights related to the surface estate.

Another part of the determination involves whether the promise to insure is conditioned upon certain requirements being met. Schedule C of the Commitment lists these requirements that must be satisfied or the Company will refuse to cover them. You may want to discuss any matters shown in Schedules B and C of the Commitment with an attorney. These matters will affect your title and your use of the land.

When your Policy is issued, the coverage will be limited by the Policy's Exception, Exclusions and Conditions, defined below.

**Exceptions** are title risks that a Policy generally covers but does not cover in a particular instance. Exceptions are shown on Schedule B or discussed in Schedule C of the Commitment. They can also be added if you do not comply with the Conditions section of the Commitment. When the Policy is issued, all Exceptions will be on Schedule B of the Policy.

**Exclusions** are title risks that a Policy generally does not cover. Exclusions are contained in the Policy but not shown or discussed in the Commitment.

**Conditions** are additional provisions that qualify or limit your coverage. Conditions include your responsibilities and those of the Company. They are contained in the Policy but not shown or discussed in the Commitment. The Policy Conditions are not the same as the Commitment Conditions.

You can get a copy of the policy form approved by the Texas Department of Insurance by calling the Title Insurance Company at (877)788-9800 or by calling the title insurance agent that issued the Commitment. The Texas Department of Insurance may revise the policy form from time to time.
You can also get a brochure that explains the policy from the Texas Department of Insurance by calling (800)252-3439.

Before the Policy is issued, you may request changes in the policy. Some of the changes to consider are:

Request amendment of the "area and boundary" exception (Schedule B, paragraph 2). To get this amendment, you must furnish a survey and comply with other requirements of the Company. On the Owner's Policy, you must pay an additional premium for the amendment. If the survey is acceptable to the Company and if the Company's other requirements are met, your Policy will insure you against loss because of discrepancies or conflicts in boundary lines, encroachments or protrusions, or overlapping of improvements. The Company may then decide not to insure against specific boundary or survey problems by making special exceptions in the Policy. Whether or not you request amendment of the "area and boundary" exception, you should determine whether you want to purchase and review a survey if a survey is not being provided to you.

Allow the Company to add an exception to "rights of parties in possession". If you refuse this exception, the Company or the title insurance agent may inspect the property. The Company may except to and not insure you against the rights of specific persons, such as renters, adverse owners or easement holders who occupy the land. The company may charge you for the inspection. If you want to make your own inspection, you must sign a Waiver of Inspection form and allow the Company to add this exception to your Policy.

The entire premium for a Policy must be paid when the Policy is issued. You will not owe any additional premiums unless you want to increase your coverage at a later date and the Company agrees to add an Increased Value Endorsement.

Your Policy will not cover loss, costs, attorney's fees, and expenses resulting from the following requirements that will appear as Exceptions in Schedule B of the Policy, unless you dispose of these matters to our satisfaction, before the date the Policy is issued:

1. Documents creating your title or interest must be approved by us and must be signed, notarized and filed for record.

2. Satisfactory evidence must be provided that:
   a. no person occupying the land claims any interest in that land against the persons named in paragraph 3 of Schedule A,
   b. all standby fees, taxes, assessments and charges against the property have been paid,
   c. all improvements or repairs to the property are completed and accepted by the owner, and that all contractors, sub-contractors, laborers and suppliers have been fully paid, and that no mechanic's, laborer's or materialmen's liens have attached to the property,
   d. there is legal right of access to and from the land,
   e. (on a Loan Policy only) restrictions have not been and will not be violated that affect the validity and priority of the insured mortgage.

3. You must pay the seller or borrower the agreed amount for your property or interest.

4. Any defect, lien or other matter that may affect title to the land or interest insured, that arises or is filed after the effective date of this Commitment.

5. OTHER SPECIFIC EXCEPTIONS:
   a. Unless otherwise requested in writing prior to closing of the subject transaction, all Endorsements to each Loan Policy of Title Insurance issued pursuant to this Commitment able to be incorporated by reference will be so incorporated in each said Loan Policy.
      i. The Company shall follow the Rules as set out by the Texas Department of Insurance in disbursing the funds provided by the Assured and/or Insured on Schedule A of this Commitment. Good Funds shall be as defined in Rule P-27; however, the Company requires that such funds be "collected funds" prior to disbursement, except for funds delivered to the Company by bank wire, cashier's check or cash. The Company does not accept any ACH (Automated Clearing House) funds of any type or form. The Company's wire transfer instructions are attached to this commitment.
      ii. Your policy will contain an arbitration provision. It allows you or the Company to require arbitration if the amount of insurance is $2,000,000 or less. If you want to retain your right to sue the Company in case of a dispute over a claim, you must request deletion of the arbitration provision before the policy is issued. You can do this by signing the enclosed form and returning it to the Company at or before the closing of your real estate transaction. (Not applicable to Residential Owner Policy)
      iii. The Contract you entered into agreeing to purchase the property described in Schedule
SCHEDULE C
(Continued)

A of this Commitment may provide that the standard Owner Title Policy contains an exception as to "discrepancies, conflicts, shortages in area or boundary lines, encroachments or protrusions, or overlapping of improvements", and that Buyer, at Buyer's expense or at the expense of the party designated in the Contract, may have the exception amended to read, "shortages in area", thereby giving you coverage for these matters.

Also, the Texas Title Insurance Information portion of this Commitment for Title Insurance advises the Insured that the Policy will insure against loss because of such discrepancies or conflicts in boundary lines, encroachment or protrusions, or overlapping of improvements, so long as a survey is provided that is acceptable to the Company, and an additional premium for the coverage is paid.

The Owner Policy of Title Insurance to be issued in this transaction will contain the coverage described in the above paragraph, and, unless the Contract provides otherwise, the Insured will be charged the additional premium promulgated by the Texas Department of Insurance, unless an acceptable survey is not furnished, or, on or before the date of closing, the Insured advises the Company in writing that the Insured rejects this coverage.

(Applies to the Owner Title Insurance Policy only)

v. The Texas Title Insurance Information portion of this Commitment advises the Insured that the Policy is not an abstract of title and that the Company does not have an obligation to determine the ownership of any mineral interest(s). In addition, it states that minerals and mineral rights may not be covered by the Policy and that the Company may include an exclusion or exception as to minerals and mineral rights in the Policy. In the event the Company issues the Policy with an exclusion or exception to mineral and mineral rights, optional endorsements insuring certain risks involving minerals and the use of improvements (excluding lawns, shrubbery and trees) and permanent buildings, as applicable for the nature of the property to be insured, may be available upon payment of an additional premium. However, if the Policy is issued with an exclusion or exception as to minerals and mineral rights, neither this Policy, nor the optional endorsements insure that the Insured has title to the minerals or mineral rights related to the surface estate.

The Owner's Policy of Title Insurance to be issued in this transaction will contain the coverage described in the above paragraph, and the Insured will be charged the additional premium promulgated by the Texas Department of Insurance, unless, on or before the date of closing, (i) the Company chooses not to issue such coverage or, (ii) the Insured advises the Company in writing that the Insured rejects this coverage.

(Applies to the Owner's Policy of Title Insurance only.)

vi. All oil, gas, and/or other reservations created at closing of the subject transaction shall be included as an exception in the Policy/Policies issued.

vii. This transaction may be subject to a confidential order issued pursuant to the Bank Secrecy Act. Information necessary to comply with the confidential order must be provided prior to the closing. This transaction will not be insured until this information is submitted, reviewed and found to be complete.

No outstanding voluntary liens are found of record affecting the subject property. Inquire into the existence of any unrecorded liens or other indebtedness which could give rise to a security interest in the subject property.
7. Secure copy of the partnership agreement of TRIANGLE I-35 REALTY, LTD., for examination and possible additional requirements and/or exceptions, and require execution of the necessary instruments by all members.

Secure Certificate from the Secretary of State (Texas), showing that TRIANGLE I-35 REALTY, LTD. has been properly registered.

8. Amend the Contract of Sale to correct the legal description, and have change(s) initialed by all parties to the contract.

9. In Policy(ies) to be issued, except to any and all restrictions to be created at closing.

DELETION OF ARBITRATION PROVISION
(Not applicable to the Texas Residential Owner's Policy)

Commitment No.: 18-4566
GF No.: 18-4566

ARBITRATION is a common form of alternative dispute resolution. It can be a quicker and cheaper means to settle a dispute with your Title Insurance Company. However, if you agree to arbitrate, you give up your right to take the Title Insurance Company to court and your rights to discovery of evidence may be limited in the arbitration process. In addition, you cannot usually appeal an arbitrator's award.

Your policy contains an arbitration provision (shown below). It allows you or the Company to require arbitration if the amount of insurance is $2,000,000 or less. If you want to retain your right to sue the Company in case of a dispute over a claim, you must request deletion of the arbitration provision before the policy is issued. You can do this by signing this form and returning it to the Company at or before the closing of your real estate transaction or by writing to the Company.

The arbitration provision in the Policy is as follows:

"Either the Company or the Insured may demand that the claim or controversy shall be submitted to arbitration pursuant to the Title Insurance Arbitration Rules of the American Land Title Association ("Rules"). Except as provided in the Rules, there shall be no joinder or consolidation with claims or controversies of other persons. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Insured arising out of or relating to this policy, any service in connection with its issuance or the breach of a policy provision, or to any other controversy or claim arising out of the transaction giving rise to this policy. All arbitrable matters when the Amount of Insurance is $2,000,000 or less shall be arbitrated at the option of either the Company or the Insured, unless the Insured is an individual person (as distinguished from an Entity). All arbitrable matters when the Amount of Insurance is in excess of $2,000,000 shall be arbitrated only when agreed to by both the Company and the Insured. Arbitration pursuant to this policy and under the Rules shall be binding upon the parties. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court of competent jurisdiction."

On behalf of the Applicant and all Affiliates of the Applicant (“Applicant”), I (We) hereby certify that the Applicant is familiar with the provisions of HUD’s Section 811 Project Rental Assistance (“PRA”) program, enacted by Section 811 of the Cranston Gonzalez National Affordable Housing Act (Pub L. 111-374) and the Frank Melville Supportive Housing Investment Act of 2010, the Texas Department of Housing and Community Affairs (“TDHCA”) Rules as published in Title 10 of the Texas Administrative Code, HUD Handbook 4350.3 REV-1 (Occupancy Requirements of Multifamily Housing Programs), and the Section 811 Project Rental Assistance Program Cooperative Agreement, including the Rental Assistance Contract (“RAC”) and the Use Agreement. I (We) hereby certify that the Applicant will comply with future guidance regarding the Section 811 PRA Program provided by HUD and/or TDHCA, including Rules, FAQs, and program manuals.

I (We) hereby certify that Applicant will execute a Section 811 PRA Owner Participation Agreement, in a form to be provided by TDHCA, for a TDHCA approved Existing Development, or if authorized by TDHCA, for the awarded Development included in this Application. Once an Owner Participation Agreement has been executed, I (We) hereby certify that I (We) understand that TDHCA will market the property under the Owner Participation Agreement to potential Section 811 PRA tenants at any time during the term of the Owner Participation Agreement, and I (We) hereby certify that I (We) will furnish to TDHCA, all marketing materials generated, including pictures and unit features, at the time the Owner Participation Agreement is signed and returned to TDHCA to do such marketing. If requested by TDHCA, I (We) hereby certify that I (We) will execute a RAC and record the required Use Agreement in the county deed records.

I (We) understand, that even though the Owner or the Owner of the Existing Development will be required to execute an Owner Participation Agreement, TDHCA may never require the Development to execute a RAC and therefore the Development may not be required to serve Section 811 PRA tenants.

I (We) hereby certify that I (We) will comply with all HUD regulations, court rulings, related administrative rules, and eligibility guidelines and restrictions during the application process and in the event of award, for the duration of the Section 811 Owner Participation Agreement or the Use Agreement, whichever has a longer term.

I (We) hereby make application to the TDHCA to participate in the Section 811 PRA Program. The undersigned hereby acknowledges that an award by the TDHCA does not warrant that the Existing Development or the Development proposed in the Application is deemed qualified to participate in the Section 811 PRA Program. I (We) agree that the TDHCA or any of its directors, officers, employees, and agents will not be held responsible or liable for any representations made to the undersigned or its investors relating to the Section 811 PRA Program; therefore, I (We) assume the risk of all damages, losses, costs, and expenses related thereto and agree to indemnify and save harmless the TDHCA and any of its officers, employees, and agents against any and all claims, suits, losses, damages, costs, and expenses of any kind and of any nature that the TDHCA may hereinafter suffer, incur, or pay arising out of its decision concerning this application involving Section 811 PRA funds or the use of information concerning the 811 PRA Program.
I (We) hereby acknowledge that this Application is subject to disclosure under Chapter 552, Texas Government Code, the Texas Public Information Act, unless a valid exception exists.

I (We) acknowledge all representations, undertakings, and commitments made by Applicant in the application process for a Development, whether with respect to eligibility criteria, selection criteria or otherwise, shall be deemed to be a condition to any Commitment or Contract for such Development, the violation of which shall be cause for cancellation of such Commitment or Contract by the TDHCA and if concerning the ongoing features or operation of the Development, shall be enforceable by the TDHCA and the tenants of the Development, including enforcement by administrative penalties for failure to perform, in accordance with the LURA. The obligation to sign an Owner Participation Agreement is binding. I (We) must sign an Owner Participation Agreement if the Development receives an award and is requested to do so by the Department.

I (We) agree the TDHCA may, at its discretion, request additional information and/or documentation in its evaluation of this Application to garner required information relating to the qualification of the Development for the 811 Program. I (We) hereby agree that the information contained in this Application as required or deemed necessary by the materials governing the 811 PRA program are true and correct and that I (We) have undergone sufficient investigation to affirm the validity of the statements made.

Further, I (We) hereby assert that I (We) have read and understand all the information contained in the Application. By signing this document, I (We) affirm that all statements made in this government document are true and correct under penalty of Chapter 37 of the Texas Penal Code titled Perjury and Other Falsification and subject to criminal penalties as defined by the State of Texas. TEX. PENAL CODE ANN. §37.01 et seq. (Vernon 2011).

I (We) understand and agree that if false information is provided in this Application which has the effect of increasing the Applicant's competitive advantage, the TDHCA will disqualify the Applicant and may hold the Applicant ineligible to receive 811 PRA funds or until any issue of restitution is resolved.

If, at any time, including after the signing a Section 811 PRA Program Owner Participation Agreement, it is discovered that I (We) provided false or misleading information to TDHCA, TDHCA may terminate the Applicant's HUD RAC and/or the Section 811 PRA Program Owner Participation Agreement and recapture all Section 811 PRA funds expended.

I (We) hereby certify that I (We) will comply with applicable fair housing and civil rights requirements in 24 CFR §5.105(a), including, but not limited to, the Fair Housing Act; Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; and Title II of the Americans with Disabilities Act. Further, I (We) certify that I (We) shall not, in the provision of services, or in any other manner, discriminate against any person on the basis of race, color, religion, sex, national origin, familial status, or disability. I (We) certify that I (We) will comply with HUD's Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity requirements. See 24 C.F.R. §§ 5.100, 5.105(a)(2), 5.403. I (We) hereby certify that I (We) understand that the Development must prominently display HUD's Fair Housing Poster (HUD Form 928.1) in all offices in which rental activity takes place. This includes property management leasing offices located at their projects with Section 811 PRA units, and may include a designated place where information or
other business regarding the Section 811 PRA program is conducted with potential tenants. I (We) will comply with any requirements of the Section 811 PRA Program that require changes to the Development's tenant selection plans, house rules, marketing materials, or application.

I (We) will at all times indemnify and hold the TDHCA harmless against all losses, costs, damages, expenses, and liabilities of any nature directly or indirectly resulting from, arising out of or relating to the TDHCA's acceptance, consideration, approval or disapproval of this request and the issuance or non-issuance of a RAC or 811 PRA funds herewith.

I (We) have written below the name of the individual(s) authorized to execute the TDHCA Owner Participation Agreement, the HUD RAC, the HUD Use Agreement, and any and all future commitments and contracts related to this Application. I (We) hereby certify that this individual(s) has the full authority and has been authorized by all of the Parties, Affiliates, or associates with interest in the Development in this Application. If this individual is replaced by the organization, I (We) must inform the TDHCA within 30 days of the person authorized to execute agreements, commitments and/or contracts on behalf of the Applicant.

I (We) certify that I (We) do not and will not knowingly employ an undocumented worker, where "undocumented worker" means an individual who, at the time of employment, is not lawfully admitted for permanent residence to the United States or authorized under law to be employed in that manner in the United States.

If, after receiving a public subsidy (including Section 811 PRA Program funds), I (We) are convicted of a violation under 8 U.S.C Section 1324a(f), I (We) shall repay the amount of the public subsidy with interest, at the rate and according to the other terms provided by an agreement under Tex. I (We) certify that TDHCA approved Existing Development, or if allowed by TDHCA in writing, the Development referenced in this Application is or will be in compliance and that during the term of the Section 811 Participation Agreement and/or RAC the Applicant will respond to all requests for compliance deficiency resolution within the timeframes mandated by the Texas Administrative Code Rules at 10 TAC Chapters 1, 2, 8, 10, and 11, or other requirements associated with the satisfactory provision of a unit as required by the 811 PRA program.

On behalf of the Applicant and all affiliates of the Applicant, I (We) hereby certify that the Applicant is familiar with the provisions and requirements of the Section 811 PRA Program for which I (We) am applying.

I (We) understand that the Development identified to receive the 811 PRA assistance must adhere to the TDHCA’s Integrated Housing Rule at 10 TAC §1.15, 10 TAC Chapter 8 and Exhibit 5 of the Section 811 PRA Cooperative Agreement § PRA.305.

I (We) certify that the units identified for 811 PRA assistance will be dispersed throughout the property and must not be segregated to one area of a building or Development.

I (We) certify to follow the requirements of § PRA.403 regarding the Selection and Admission of Eligible Tenants. In addition, I (We) understand that prior to receiving referrals for Section 811 tenants, I (We) must submit and receive approval by the TDHCA for the Development’s Tenant Selection Plan. I (We) understand that the Applicant or their designated property management staff will accept referrals of Section 811 applicants from the TDHCA and determine eligibility based on the TDHCA-approved Tenant Selection Plan. I (We) understand that upon the request of TDHCA or HUD, the Applicant must furnish copies of all applications to HUD and/or TDHCA.

I (We) understand that the Section 811 tenants' participation in supportive services is voluntary and cannot be required as a condition of admission or occupancy.

I (We) understand that if the Applicant or their designated property management staff determines that an applicant is ineligible on the basis of income or Household composition, or because of failure by an Section 811 applicant to sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies, or that the Applicant or their designated property management staff is not selecting the Section 811 applicant for other reasons, the Applicant or their designated property management staff will promptly notify the Section 811 applicant in writing of the determination and its reasons, and that the applicant has the right to meet with the Applicant or their designated property management staff and has the right to request a reasonable accommodation, if applicable. I (We) understand that the Section 811 applicant may also exercise other rights if the applicant believes that he or she is being discriminated against on the basis of race, color, national origin, religion, sex, disability or familial status. I (We) understand that records on Section 811 applicants and Section 811 tenants, which provide racial, ethnic, gender and place of previous residency data required by HUD, must be maintained and retained for three (3) years. In addition, I (We) certify that we understand that all lease addendums must be approved by TDHCA. TDHCA will consider lease addendums on a case by case basis and may opt to request approval from HUD. Owners may only modify the lease terms with a tenant at the end of the initial term or a successive term by serving an appropriate notice to the tenant, together with the provision of a revised TDHCA approved agreement or addendum.

I (We) certify to follow requirements of § PRA.406. I (We) understand that prior to occupancy of a Section 811 unit, that an Eligible Section 811 Household must be given the opportunity to be present for the move-in unit inspection. I (We) understand that the inspection of the Section 811 Unit will be completed by both the Applicant or the designated Property Management staff and the Eligible Section 811 Household and both shall certify, on a form prescribed or approved by TDHCA that they have inspected the Section 811 Unit and have determined it to be Decent, Safe, and

In addition, I (We) certify that the Applicant or the designated Property Management staff shall perform unit inspections of the Section 811 Units on at least an annual basis to determine whether the appliances and equipment in the unit are functioning properly and to assess whether a component needs to be repaired or replaced. This will ensure that the Applicant is meeting its obligation to maintain the Assisted Units in Decent, Safe, and Sanitary condition.

In addition, I (We) understand that the TDHCA and/or HUD may ask, and must be permitted, to review the records related to the RAC at least annually to determine compliance. I (We) understand that HUD may independently inspect project operations and Section 811 Units at any time with reasonable notice prior to inspection; and Equal Opportunity reviews may be conducted by HUD at any time.

I (We) certify that the Applicant or the designated Property Management staff shall comply with the Overcrowded and Under Occupied Unit requirements set by TDHCA and will ensure that Section 811 tenants are not over or under housed according to those requirements.

I (We) certify that the Applicant or the designated Property Management staff shall comply and participate with any dispute resolution processes as required by TDHCA.

I (We) certify, as referenced in § PRA.409, that the Applicant shall not impede the reasonable efforts of tenants of the Assisted Units to organize pursuant to 24 CFR Part 245, or any successor regulations of 24 CFR Part 245, or unreasonably withhold the use of any community room or other available space appropriate for meetings which is part of the mortgaged property when requested by: (i) a resident tenant organization in connection with the representational purposes of the organization; or (ii) tenants seeking to organize or to consider collectively any matter pertaining to the operation of the mortgaged property.

(ii) the second Installment (the “Second Installment”) in the amount of $2,488,900 shall be paid upon the receipt of and approval by the Investor Limited Partner of all items of due diligence set forth on Exhibit B;

(iii) the third Installment (the “Third Installment”) in the amount of $717,000 shall be paid on the Completion Date;

(iv) the fourth Installment (“Fourth Installment”) in the amount of $401,000 shall be paid on the later to occur of (a) Final Closing or (b) the date the Accountants determine the amount of the Annual Credit, and determine that the Project satisfies the requirements of Section 42(h)(4) of the Code;

(v) the fifth Installment (the “Fifth Installment”) in the amount of $401,000 shall be paid on the later to occur of (a) the date the Partnership achieves a 115% Debt Service Coverage Ratio for each of three (3) consecutive months, or (b) the receipt by the Partnership of properly executed Forms 8609 from the Credit Agency with respect to all of the buildings comprising the Project, or (c) the receipt by the Partnership of evidence that the Project has been granted a CHDO exemption by the Tarrant Appraisal District.

B. The Capital Contribution of the Investor Limited Partner shall be subject to reduction in the manner provided in this Section 5.1B.

(i) If at any time and from time to time the Accountants shall determine or there shall be a Final Determination that the aggregate amount of the Annual Credit (as hereinafter defined) properly allocable to the Investor Limited Partner during the Credit Period for all of the Buildings in the Project is less than $510,613 then the Capital Contribution of the Investor Limited Partner shall be reduced in the aggregate by the
“Adjustment Factor” (as hereinafter defined) for each $1.00 that the aggregate Annual Credit properly allocable to the Investor Limited Partner is less than $510,613 (the resulting product being referred to herein as the “Adjustment Amount”). The “Adjustment Factor” shall be an amount equal to $9.12. The Adjustment Amount shall be increased by 10% per annum commencing on the Admission Date and continuing until the payment of the amount of such reduction in full.

(ii) If the Accountants shall determine or there shall be a Final Determination that the amount of the low income housing credit properly allocable to the Investor Limited Partner under Section 42(a) of the Code is less than $40,397 in 2003 or $367,878 in 2004, then the Capital Contribution of the Investor Limited Partner shall be reduced by $0.75 for each $1.00 that the low-income housing credit properly allocable to the Investor Limited Partner is less than $40,397 in 2003 or $367,878 in 2004, except to the extent such reduction has already been effected pursuant to the foregoing subparagraph (i).

(iii) For the purposes of this Section 5.1B., the term “Annual Credit” shall mean the annual amount of the “low-income housing credit” allowable to the Partners under Section 42(a) of the Code; provided, however, that in determining such amount the following adjustments shall be made:

(a) no amount of any increase in the credit allowable pursuant to Section 42(f)(3) of the Code shall be considered in determining the Annual Credit unless such increase is allowable during the second year of the “Credit Period”;

(b) the Annual Credit shall be determined without regard to the following provisions of Section 42 of the Code: (x) the adjustments to the amount allowable for the first year of the “Credit Period” pursuant to Sections 42(f)(2) or 42(f)(3)(B) of the Code; (y) any reduction to the number of Low Income Units which occurs subsequent to the fifth year of the “Credit Period”; or (z) a failure of a portion of the Project to qualify as a “qualified low-income building” which occurs subsequent to the fifth year of the “credit period”.

(iv) Any reduction in the Capital Contribution of the Investor Limited Partner shall be applied to reduce the amount of any unpaid portions of the Third, Fourth or Fifth Installments, in order, by a corresponding amount. If such reduction exceeds the amount of such unpaid Installments (or if only the Fifth Installment remains unpaid or all Installments have already been paid), then the General Partner shall pay to the Investor Limited Partner the amount of such excess reduction within thirty (30) days of the date of the determination in question. Any such payment by the General Partner shall constitute a Special Capital Contribution by the General Partner and shall not be reimbursable by the Partnership, and the Partnership shall distribute such amount to the Investor Limited Partner within five (5) days from the date the Partnership receives such amount from the General Partner. If full payment of such amount is not received within such thirty (30)-day period, the unpaid balance shall thereafter bear interest at the Designated Prime Rate.

(v) If the Accountants shall determine that the amount of the Annual Credit allocable to the Investor Limited Partner is greater than $510,613 then the Capital Contributions of the Investor Limited Partner shall be increased by $7.85 for each $1.00
that the Annual Credit allocable to the Investor Limited Partner is greater than $510,613. The aggregate increase to the Capital Contributions of the Investor Limited Partner under this subsection (v) shall not exceed $200,000. Such increase in the Investor Limited Partner’s Capital Contribution shall be payable at the time of the payment of the Fifth Installment. Notwithstanding the foregoing, in the event that, through the completion date: (1) the amount of interest income allocated to the Investor Limited Partner exceeds the deductible investment interest expense allocated to the Investor Limited Partner (the “Net Interest Income”), and/or (2) the amount of deductible investment interest expense in excess of interest income allocated to the Investor Limited Partner is less than $46,152 (the “Interest Expense Shortfall”), then the increased Capital Contribution payable under this Section 5.1B(v) shall be reduced by an amount equal to 40% of any Net Interest Income and Interest Expense Shortfall.

(i) The General Partner shall have properly completed, executed and delivered to the Investor Limited Partner a certificate relating to the appropriate remaining Installments (the “Payment Certificate”), in the forms attached hereto as Exhibits relating to the appropriate remaining Installments, dated the date such Installment is to be paid to the Partnership and attaching the Title Policy endorsement and any other materials referred to therein. In connection with the payment of each Installment, the Investor Limited Partner shall have the right to conduct a physical inspection of the Property to determine that the condition of the Project is consistent with sound business practices in the geographic area in which the Project is located, including no deferred maintenance. The Investor Limited Partner shall conduct such inspection within ten (10) days of being requested to do so by the General Partner, provided, however, that the Investor Limited Partner will be deemed to waive such physical inspection requirement if it does not make such inspection within ten (10) days of receipt of a written request by the General Partner to do so (which may be sent prior to the date of the Payment Certificate, but not more than ten (10) days prior to the date of the Payment Certificate).

(ii) In the case of the First Installment, all Requisite Approvals to the admission of the Investor Limited Partner pursuant to this Agreement shall have been obtained and the Project shall have received a Credit Approval in the amount of at least $510,664 per annum.

(iii) Each of the representations and warranties set forth in Section 6.5 shall in all material respects be true and correct.

(iv) No event shall have occurred which would permit the Investor Limited Partner to give an Election Notice under Section 5.2.

(v) From and after the date of the occurrence of an Event of Bankruptcy as to any General Partner, any Guarantor or the Developer, the obligation of the Investor Limited Partner to pay the Installments shall be suspended, and such obligation shall be
reinstated only when such Event of Bankruptcy shall have been cured in a manner approved in writing by the Investor Limited Partner.

(vi) No Installment shall be payable unless all conditions for all prior Installments have been satisfied.

Section 5.2  Repurchase of Investor Limited Partner’s Interest

A. The General Partner hereby agrees to purchase the Interest of the Investor Limited Partner if any of the following events shall occur:

(i) Final Closing shall not have taken place on or before November 1, 2004, provided, however, that such date may be automatically extended for a period of up to twelve (12) months to the extent the expiration dates set forth in the Project Documents shall have been extended beyond such date; or

(ii) at any time prior to the Development Obligation Date, (1) any action to foreclose any Mortgage shall have been commenced and such action is not terminated or withdrawn within thirty (30) days or a binding agreement with the holder(s) thereof to effect the same entered into within such period, and any notice of acceleration of indebtedness waived or withdrawn; (2) any action is commenced to foreclose any mechanics’ or any other lien (other than the lien of any Mortgage) against the Project and such action has not within thirty (30) days been either bonded against in such a manner as to preclude the holder of such lien from having any recourse to the Property or to the Partnership for payment of any debt secured thereby, or affirmatively insured against by the title insurance policy or an endorsement thereto issued to the Partnership by a reputable title insurance company (which insurance company will not have indemnity from or recourse against Partnership assets by reason of any loss it may suffer by reason of such insurance) in an amount satisfactory to Special Tax Counsel; (3) construction or operation of the Project shall have been enjoined by a final order (from which no further appeals are possible) of a court having jurisdiction and such injunction shall continue for a period of thirty (30) days; (4) a casualty occurs resulting in substantial destruction of more than 50% of the Project, or there is substantial destruction of less than 50% of the Project and the insurance proceeds (if any) are insufficient to restore the Project or the Project is not so restored within twenty-four (24) months following such casualty; or (5) the Project shall become ineligible for 30% or more of the low-income housing tax credit anticipated to be generated by the Project, as calculated on the basis of the information set forth in the Investment Assumptions; or

(iii) any Lender or Agency shall disapprove, or fail to give a required approval of, the Investor Limited Partner as a Partner of the Partnership.

B. If any such event set forth in Section 5.2A shall occur, the General Partner shall give notice to the Investor Limited Partner of the obligations of the General Partner hereunder to purchase its Interest (such obligation being herein called a “Purchase Obligation” and such notice the “Purchase Obligation Notice”) within fifteen (15) days after the occurrence of any event giving rise to such obligation. If the Investor Limited Partner elects to sell its Interest hereunder, it shall give the General Partner notice of such election (an “Election Notice”) within
thirty (30) days after such Purchase Obligation Notice from the General Partner is received by
the Investor Limited Partner (or, in the event that such Purchase Obligation Notice from the
General Partner is not given, at any time after the occurrence of such event).

C. Within thirty (30) business days after delivery to the General Partner of an
Election Notice from the Investor Limited Partner, the General Partner shall pay the Investor
Limited Partner a purchase price (the “Purchase Price”) in cash (with interest thereon at the
Designated Prime Rate commencing on the fifth (5th) day following the date of such delivery)
equal to (i) the sum of (a) 110% of the Investor Limited Partner’s Net Capital Contribution
(whether or not theretofore paid-in to the Partnership), plus (b) the amount of any interest or
penalties payable in connection with any recapture of tax credits allocated to the Investor
Limited Partner pursuant to this Agreement less (ii) the sum of (a) that portion of the Net Capital
Contribution which has not theretofore been paid-in to the Partnership, (b) the amount of Cash
Flow theretofore distributed by the Partnership in respect of the Investor Limited Partner’s
Interest and (c) the amount of any tax credits allocable to the Interest which will not be
recaptured as a result of the disposition of said Interest or otherwise.

D. Upon the giving of its Election Notice, the Investor Limited Partner shall have no
further obligations under this Agreement, and the General Partner shall indemnify and defend the
Investor Limited Partner and hold it harmless against any such obligations. The General Partner
shall take all action and shall pay all costs necessary to enable the Investor Limited Partner to
receive and retain the Purchase Price as against any creditor of any General Partner or the
Partnership. Notwithstanding the purchase by the General Partner of the Interest of the Investor
Limited Partner pursuant to Section 5.2A, to the extent permitted under the applicable provisions
of the Code, the Investor Limited Partner shall be allocated any profits or losses and tax credits
in respect of said Interest for the period prior to the date of the receipt by the Investor Limited
Partner of payment therefor. Anything herein to the contrary notwithstanding, title to the Interest
of the Investor Limited Partner shall not vest in the General Partner until payment in full of the
Purchase Price therefor. Upon such payment, the General Partner shall forthwith cause an
amendment hereto and to the Certificate and any other necessary papers to be executed, filed,
recorded and published wherever required showing such substitution.

E. No agreement affecting the Project shall prevent the exercise by the Investor
Limited Partner of its right to require the purchase by the General Partner of its Interest in the
manner described in this Section 5.2.

F. The Investor Limited Partner shall have the right to waive its right to have its
Interest repurchased at any time during which any of such rights shall be in effect. Any such
waiver shall be exercised by delivery to the General Partner of a written notice stating under
which clause(s) of this Section it is waiving its right to have its Interest repurchased and that its
rights thereunder are thereby irrevocably waived from that date forward.

In the event that the Investor Limited Partner shall fail to pay an Installment in full when due in accordance with this Agreement, the Partnership may declare a default in the payment of all unpaid future Capital Contributions, by written notice to the Investor Limited Partner. The Investor Limited Partner shall have 30 days after such notice to cure such default. If the Investor Limited Partner fails to so cure such default within such period, then such failure shall constitute a default by the Investor Limited Partner under this Agreement and all unpaid future Capital Contributions shall be immediately payable and the Partnership shall have the following rights and remedies, to be exercised as determined by the General Partner, without need for consent of the Investor Limited Partner, each of which shall be cumulative and concurrent and may be pursued separately; successively, or together except as is otherwise provided in this Section, and such rights and remedies may be exercised as often as occasion therefor shall arise, all to the maximum extent permitted by the laws of the State of Texas.

(i) Sale of Interest. After the notice of default by the Partnership and expiration of the 30 day cure period described above, the Partnership may elect, upon five days' written notice to the Investor Limited Partner, to sell the Investor Limited Partner’s Interest in the Partnership. In connection with such sale, the General Partner agrees to use reasonable good faith efforts to obtain the highest price for the Investor Limited Partner’s Interest. The Investor Limited Partner shall receive the net proceeds of such sale upon satisfaction of the obligations of the Investor Limited Partner hereunder. The Investor Limited Partner appoints the Managing General Partner with full power of substitution in the premises, as its true and lawful attorney-in-fact with full power and authority in its name, place and stead solely for purposes of executing and delivering an amendment to this Agreement in order to effectuate the provisions of this clause (i), subject to the provisions of clause (iv) below.

(ii) Actions for Damages and Specific Performance. At any time, after the notice of default by the Partnership and after expiration of the 30 day cure period described above, the Partnership may pursue any or all of the rights and remedies available to the Partnership by law or as provided in this Agreement, including suits for damages, against the Investor Limited Partner, to recover any and all economic damages sustained by the Partnership resulting from the Investor Limited Partner’s default, including, but not limited to, all future Capital Contributions, interest thereon, and reasonable costs and expenses, including reasonable attorney’s fees, incurred in collecting such amounts. The Partnership may pursue any such action or proceeding simultaneously with the Partnership’s exercise of its rights under subsection (i) above.
(iii) **Interest.** After notice of default by the Partnership and after expiration of the cure period described above, the defaulted future Capital Contributions will bear interest at the annual rate of one percent (1%) over the prime commercial rate prevailing at the end of the preceding calendar month until paid in full, and such interest will be paid by Investor Limited Partner as demanded by the Partnership.

(iv) **Certain Disputes and Limitations on Remedies.** Notwithstanding the foregoing, this Section 5.4 shall not apply, and the Investor Limited Partner shall not be deemed to be in default hereunder if the Investor Limited Partner disputes the satisfaction of any condition to the payment of an Installment. If such a dispute exists, such dispute shall be submitted during the 30-day period described above for Arbitration in Boston, Massachusetts in accordance with the rules of the American Arbitration Association, and if the arbitrator (the “Arbitrator”) finds that all conditions to the disputed Installment were satisfied, the Investor Limited Partner agrees that it will immediately pay the full amount of the disputed Installment to the Partnership together with interest as described in (iii), above; provided, however, that (1) any finding by the Arbitrator shall not be final or binding; (2) the Investor Limited Partner or the General Partner, as the case may be, shall have the right, only after payment of the amounts described above, to challenge the Arbitrator’s finding in a court of competent jurisdiction; and (3) in no event shall the payment by the Investor Limited Partner of the disputed Installment be construed as a waiver of such right. The General Partner’s rights under this Section 5.4 shall not apply unless the Investor Limited Partner fails to pay the full amount of the disputed Installment within ten (10) days following a finding by the Arbitrator that all conditions to the disputed Installment were satisfied (regardless of whether the Investor Limited Partner has exercised its right to challenge the Arbitrator’s finding pursuant to (2) above. If the Investor Limited Partner fails to pay such amounts within such ten (10) day period, the Investor Limited Partner shall not be entitled to exercise its rights under (2) above and the finding by the Arbitrator shall be deemed final and binding.

B. **Notwithstanding the above, in order to secure the performance of the Investor Limited Partner’s obligation to make Capital Contributions under this Agreement (subject to the default and adjustment provisions herein), the Investor Limited Partner has granted to the Partnership a security interest in the Investor Limited Partner’s Interest in the Partnership. The Investor Limited Partner hereby represents that the security interest granted is a first security interest in the collateral described subject and subordinate, if applicable, to the Bond Loan. The Investor Limited Partner acknowledges and agrees that the Partnership may assign the Investor Limited Partner’s Interest to Bank of America, N.A. as security for the construction phase of the Bond Loan. The Partnership will not take any action to foreclose against such security interest prior to thirty (30) days written notice received by the Investor Limited Partner (the “Notice Period”). Further, if the Investor Limited Partner contests such action within the Notice Period giving written protest setting forth the basis of its objections (the “Protest Notice”), then the matter will be submitted to binding arbitration as set forth herein. If the Investor Limited Partner does not contest such action within the Notice Period by Protest Notice, then the Partnership may proceed, however, the Investor Limited Partner will be given a reasonable opportunity to appear and bid at any public or private sale of such Interest, or of any part thereof.
ARTICLE VI

RIGHTS, POWERS AND DUTIES OF THE GENERAL PARTNER

Section 6.1 Restrictions on Authority

A. Notwithstanding any other provisions of this Agreement, the General Partner shall have no authority to perform any act in respect of the Partnership or the Project in violation of (i) any applicable law or regulation or (ii) any agreement between the Partnership and any Lender or Agency.

B. The General Partner shall not have any authority to do any of the following acts without the Consent of the Investor Limited Partner, the Developer Limited Partner and any Requisite Approvals:

(i) to incur indebtedness for money borrowed on the general credit of the Partnership, except as specifically permitted by Article IX, or

(ii) following completion of construction of the Improvements, to construct any new capital improvements, or to replace any existing capital improvements if construction or replacement would substantially alter the use of the Property, or

(iii) to acquire any real property in addition to the Property (other than easements or similar rights necessary or convenient for the operation of the Project), or

(iv) to cause the Partnership to make any loan or advance to any Person (for purposes of this clause 6.1B(iv), accounts receivable in the ordinary course of business from Persons other than the General Partner or its Affiliates shall not be deemed to be advances or loans), or

(v) to lease any Low Income Unit to other than Qualified Tenants or otherwise operate the Project in such a manner or take any action which could cause any Low Income Unit to fail to be treated as a qualified low-income housing unit under Section 42(i)(3) of the Code or which would cause the recapture by the Partnership of any low-income housing credit under Section 42 of the Code, or

(vi) to amend any Project Document, or to permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, the General Partner or its Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, the Investor Limited Partner (notwithstanding that the Investor Limited Partner is neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective), or

(vii) to obtain, increase, refinance or materially modify any Mortgage Loan after Investment Closing or to sell or convey the Property or any substantial portion thereof, except as provided in Article IX, and except that the General Partner may cause
the Partnership to grant easements and similar rights affecting the Land to obtain utility services for the Project or for other purposes necessary or convenient for the operation of the Project, or

(viii) to cause the Partnership to commence a proceeding seeking any decree, relief, order or appointment in respect to the Partnership under the federal bankruptcy laws, as now or hereafter constituted, or under any other federal or state bankruptcy, insolvency or similar law, or the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) for the Partnership or for any substantial part of the Partnership's business or property, or to cause the Partnership to consent to any such decree, relief, order or appointment initiated by any Person other than the Partnership, or

(ix) to pledge or assign any of the Capital Contribution of the Investor Limited Partner or the proceeds thereof, or

(x) to amend any of the Related Agreements, or

(xi) to permit the merger, termination or dissolution of the Partnership, or

(xii) to approve any changes to the plans and specifications for the Project which would result, either individually or in the aggregate, in an overall development cost increase or decrease in excess of $50,000 (provided, however, that any Consent of the Investor Limited Partner required under this clause (xii) shall not be unreasonably withheld.) or

(xiii) to take any action which would cause the Property or any part thereof to be treated as tax exempt use property within the meaning of Section 168(h) of the Code.

C. The General Partner shall not (a) cause the Partnership to utilize Cash Flow to acquire interests in other limited partnerships or (b) cause the Partnership to invest the proceeds of any sale or refinancing of the Project unless a sufficient portion thereof is distributed to the Investor Limited Partner to enable each limited partner thereof, assuming that it is in a combined federal, state and local marginal income tax bracket of 40%, to pay the federal, state and local income tax liability arising from the sale or refinancing which generated such proceeds, and in any event sale or refinancing proceeds shall not be reinvested without the Consent of the Investor Limited Partner.

D. Any Partner may engage independently or with others in other business ventures of every nature and description including, without limitation, the ownership, operation, management, and development of real estate, regardless of whether such real estate directly competes with the Project, and neither the Partnership nor any Partner shall have any rights by reason of this Agreement in and to such independent ventures.

Section 6.2 Tax Matters Partners

A. The Managing General Partner is hereby designated as the Tax Matters Partner for the Partnership. Upon the Retirement of the Person serving as the TMP (the "Retired TMP"),
the Partnership shall designate a successor TMP in accordance with Treasury Regulation Section 301.6231(a)(7)-1 or any successor Regulation, but such designee shall not become the TMP until the designation of such Person has been approved by Consent of the Investor Limited Partner. Such successor TMP shall notify the Service of its designation as such for such year as well as for all prior years for which the Retired TMP served in such capacity.

B. The TMP shall employ experienced tax counsel to represent the Partnership in connection with any audit or investigation of the Partnership by the Service, and in connection with all subsequent administrative and judicial proceedings arising out of such audit. The fees and expenses of such counsel shall be a Partnership expense and shall be paid by the Partnership. Such counsel shall be responsible for representing the Partnership; it shall be the responsibility of the General Partner and of the Investor Limited Partner, at their own expense, to employ tax counsel to represent their respective separate interests.

C. The TMP shall keep the Partners informed of all administrative and judicial proceedings, as required by Section 6223(g) of the Code, and shall furnish to each Partner who so requests in writing, a copy of each notice or other communication received by the TMP from the Service (except such notices or communications as are sent directly to such requesting Partner by the Service). All reasonable third party costs and expenses incurred by the TMP in serving as the TMP shall be Partnership expenses and shall be paid by the Partnership.

D. The TMP shall have no authority, without the Consent of the Investor Limited Partner, to (i) enter into a settlement agreement with the Service which purports to bind Partners other than the TMP, (ii) file a petition as contemplated in Section 6226(a) or 6228 of the Code, (iii) intervene in any action as contemplated in Section 6226(b) of the Code, (iv) file any request contemplated in Section 6227(b) of the Code, (v) enter into an agreement extending the period of limitations as contemplated in Section 6229(b)(1)(B) of the Code or (vi) take any other substantial action which would affect the Investor Limited Partner.

E. The relationship of the TMP to the Investor Limited Partner is that of a fiduciary, and the TMP hereby acknowledges its fiduciary obligation to perform its duties in such manner as will serve the best interests of the Partnership and the Investor Limited Partner.

F. The Partnership shall indemnify the TMP (including the officers and directors of a corporate TMP) against judgments, fines, amounts paid in settlement and expenses (including attorneys’ fees) reasonably incurred by the TMP in any civil, criminal or investigative proceeding in which the TMP is involved or threatened to be involved by reason of being the TMP, provided that the TMP acted in good faith, within what it reasonably believed to be in the best interests of the Partnership or its Partners. The TMP shall not be indemnified under this provision against any liability to the Partnership or its Partners to any greater extent than the indemnification allowed by Section 6.6 of this Agreement. The indemnification provided by this subparagraph shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any applicable statute, agreement, vote of the Partners, or otherwise.
Section 6.3  Business Management and Control; Designation of Managing General Partner; Tax Matters Partner; Certain Rights of the Special Limited Partner

A. The General Partner shall have the exclusive right to manage the business of the Partnership in accordance with this Agreement. No Limited Partner shall have any authority or right to act for or bind the Partnership.

B. The powers and duties of the General Partner hereunder may be exercised in the first instance by one or more Managing General Partners. Each Managing General Partner is hereby authorized to execute and deliver in the name and on behalf of the Partnership all such documents and papers (including any required by any Lender or Agency) as such Managing General Partner deems necessary or desirable in carrying out such duties hereunder. MAEDC-Hulen Bend GP, LLC is hereby designated as the initial Managing General Partner; if such Person shall become unable to serve in such capacity or shall cease to be a General Partner, the remaining General Partners may from time to time designate from among themselves by consent one or more substitute or additional Managing General Partners. If for any reason no designation is in effect, the powers of the Managing General Partners shall be exercised by the majority consent of the remaining General Partners. A designation of a successor as Managing General Partner or the designation of an additional Managing General Partner pursuant to Section 7.3 or 7.5 shall supersede any designation or other exercise of rights pursuant to this Section 6.3B.

C. In the event that (i) the Partnership is in material default of any of its obligations under the Project Documents, (ii) any General Partner, Developer or Guarantor is in default in any material respect under any of its obligations under this Agreement or any of the Related Agreements, (iii) a Recapture Event shall have occurred, (iv) a sole General Partner shall Retire, (v) an Event of Bankruptcy shall have occurred as to a General Partner; the Developer or any Guarantor or (vi) the General Partner or its Affiliate shall have committed fraud or breach of fiduciary duty, the Special Limited Partner may, at its election, give notice of such default or event to the then General Partners, if any, and, (a) in the case of a default, if such default is not cured within twenty (20) business days (or cured within a reasonable time (not to exceed forty-five (45) business days) in the event it is impossible to cure such default within such twenty (20)-business day period, provided that the General Partner is diligently and in good faith seeking to cure such default and there has been no assignment of or institution of proceedings to foreclose any Mortgage), or (b) in the event of such Retirement, Recapture Event or Event of Bankruptcy, promptly after the occurrence of such event, the Special Limited Partner or any Entity of which a majority of the stock or beneficial interest is owned, directly or indirectly, by the Special Limited Partner or Lend Lease, may, with the Consent of the Investor Limited Partner, elect to become an additional General Partner with all the rights and privileges of a General Partner. The Special Limited Partner shall provide the General Partners with true and correct copies of the written instruments evidencing such Consent of the Investor Limited Partner within ten (10) days after the Special Limited Partner’s receipt thereof. Upon such election by the Special Limited Partner or such Entity and such Consent, the Special Limited Partner or such Entity shall automatically become and shall be deemed a General Partner and each Partner hereby irrevocably appoints the Special Limited Partner (with full power of substitution) as the attorney-in-fact of such Partner for the purpose of executing, acknowledging, swearing to, recording and/or filing any amendment to this Agreement and the Certificate necessary or appropriate to confirm the
foregoing. If the Special Limited Partner or such Entity shall become an additional General Partner as herein stated, its Interest shall not be increased thereby (except that the Special Limited Partner may assign its Interest to such Entity). In the event of the admission of the Special Limited Partner or such Entity as a General Partner pursuant to this Section 6.3, and if there are then any other General Partners, the Special Limited Partner or such Entity shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partner or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them.

Section 6.4 Duties and Obligations of the General Partner

A. The General Partner shall use its reasonable best efforts to carry out the purposes, business and objectives of the Partnership, and shall devote to Partnership business such time and effort as may be reasonably necessary to (i) supervise the activities of the Management Agent, (ii) make inspections of the Project to determine if the Project is being properly maintained and that necessary repairs are being made thereto, (iii) prepare or cause to be prepared all reports of operations which are to be furnished to the Partners by any Lender or Agency, (iv) with the Consent of the Investor Limited Partner, elect to defer the commencement of the credit period for all or any portion of the low-income housing tax credit allowable to the Partners under Section 42(g) of the Code, to the extent that any such deferral may be in the best economic interest of the Investor Limited Partner, (v) cause the Project to be insured in accordance with the requirements set forth in Exhibit C.

B. Subject to the Project Documents and the requirements of Section 42 of the Code, the General Partner shall use reasonable efforts consistent with sound management practice to maximize income produced by the Project, including, if necessary, seeking any necessary approvals of, and implementing, appropriate adjustments in the rent schedule of the Project.

C. The General Partner shall timely execute and record in the appropriate Filing Office an Extended Use Agreement which satisfies all of the requirements of Section 42(h)(6) of the Code. The General Partner shall hold for occupancy such percentage of the apartments in the Project in such a manner as to qualify the entire Project as a qualified low income housing project under Section 42(g) of the Code as interpreted from time to time in regulations and rulings promulgated thereunder. The General Partner shall not take any action which would cause the termination or discontinuance of the qualification of the Project as a “qualified low income housing project” under Section 42(g) of the Code or which would cause the recapture of any low income housing tax credit under the Code without the Consent of the Investor Limited Partner.

D. The General Partner shall prepare and submit to the Secretary of the Treasury (or any other Agency designated for such purpose), on a timely basis, any and all annual reports, information returns and other certifications and information and shall take any and all other action required (i) to insure that the Partnership (and its Partners) will continue to qualify for the low-income housing credit described in Section 42 of the Code for all Low Income Units and (ii) unless the Consent of the Investor Limited Partner is received to act otherwise in a particular instance, to avoid recapture of such credit for failure to comply with the requirements of Section 42 of the Code.
E. Except as provided in or contemplated by the Forward Commitments, the General Partner agrees that neither it nor any Related Person will at any time bear the Economic Risk of Loss for payment or performance of any Mortgage Loan. The General Partner agrees that it will not cause any Limited Partner at any time to bear the Economic Risk of Loss for payment or performance under any Note or Mortgage. Each Limited Partner agrees not to take any action which would cause it to bear the Economic Risk of Loss for payment of any Mortgage Loan.

F. The General Partner shall have fiduciary responsibility for the safekeeping and use of all funds and assets of the Partnership, whether or not in their immediate possession or control. The General Partner shall not employ, or permit another to employ, such funds or assets in any manner except for the exclusive benefit of the Partnership.

G. No General Partner shall contract away the fiduciary duty owed at common law to the Limited Partners.

H. The General Partner shall be solely responsible for the following:

1. analyzing the Qualified Allocation Plan ("QAP") for targeted areas within a state;
2. identifying potential land sites and analyzing the demographics of potential sites;
3. analyzing a site's economy and forecasting future growth potential;
4. determining the site's zoning status and possible rezoning strategies;
5. contacting local government officials concerning access to utilities, public transportation, impact fees and local ordinances;
6. performing environmental tests on selected sites;
7. negotiating the purchase of the Land and its related financing;
8. causing the Partnership to acquire the Land;
9. processing necessary documentation with the Credit Agency in connection with the low income housing credit;
10. arranging the permanent mortgage financing for the Project; and
11. arranging for the admission to the Partnership of the Investor Limited Partner and the Special Limited Partner.

In consideration for its services set forth in this Section 6.4H, the General Partner has received its interest in the profits of the Partnership as set forth in Section 10.3. The General Partner shall not assign any of these duties to the Developer.
I. The General Partner shall (i) not store (except in compliance with applicable Hazardous Waste Laws) or dispose of any Hazardous Material at the Project, or at or on any other Facility or Vessel owned, occupied, or operated either by any General Partner, any Affiliate of a General Partner, or any Person for whose conduct any General Partner or Affiliate of a General Partner is or was responsible; (ii) neither directly nor indirectly transport or arrange for the transport of any Hazardous Material (except in compliance with applicable Hazardous Waste Laws); (iii) provide the Limited Partners with written notice (x) upon any General Partner’s obtaining knowledge of any potential or known release, or threat of release, of any Hazardous Material at or from the Project or any other Facility or Vessel owned, occupied, or operated by any General Partner, any Affiliate of a General Partner or any Person for whose conduct any General Partner or Affiliate of a General Partner is or was responsible or whose liability may result in a lien on the Project; (y) upon any General Partner’s receipt of any notice to such effect from any federal, state, or other governmental authority; and (z) upon any General Partner’s obtaining knowledge of any incurrence of any expense or loss by any such governmental authority in connection with the assessment, containment, or removal of any Hazardous Material for which expense or loss any General Partner may be liable or for which expense or loss a lien may be imposed on the Project.

J. The General Partner shall establish a reserve account for capital replacements, which account shall be funded by monthly deposits of $200 per unit per year following the Completion Date (or such lesser amount as shall be approved in writing by the Special Limited Partner and the Developer Limited Partner from time to time). Withdrawals from such reserve shall be utilized solely to fund capital repairs and improvements deemed necessary by the General Partner.

K. The General Partner, with the advice and Consent of the Investor Limited Partner shall take such actions as may be necessary (after giving effect to applicable provisions of the Development Agreement) to assure that 50% or more of the aggregate basis of the Buildings (including site improvements) and the Land is financed with an obligation the interest on which is exempt from tax under Section 103 of the Code and which is within the State’s volume cap.

L. In the event that the Investor Limited Partner shall give notice to the General Partner that in the reasonable judgment of the Investor Limited Partner its Capital Account as of the close of the tax year in which such notice is given will have a zero balance, then the General Partner shall take all such action as may be necessary to assure that any outstanding balance of the Development Amount shall constitute a “nonrecourse liability” of the Partnership as such term is defined in Treasury Regulation Section 1.752-1(a)(2) or any successor regulation. Unless another action is proposed by the General Partner and approved by the Investor Limited Partner, the General Partner shall cause the Developer to assign the outstanding balance of the Development Amount to an entity which is not a Related Person.

Section 6.5 Representations and Warranties; Certain Indemnities

A. The General Partner hereby represents and warrants to the Investor Limited Partner that the following are true as of Investment Closing and will be true on the due date for payment of each Installment and at all times hereafter:
(i) The Partnership is a duly organized limited partnership validly existing under the laws of the State and has complied with all recording requirements with each proper governmental authority necessary to establish the limited liability of the Limited Partners as provided herein.

(ii) No litigation or proceeding against the Partnership, the General Partner, any Guarantor, the Builder or the Developer, nor any other litigation or proceeding directly affecting the Project, is pending before any court, administrative agency or other governmental authority which would, if adversely determined, have a material adverse effect on the Partnership, the General Partner, any Guarantor, the Builder, the Developer or their respective businesses or operations, except for such matters as to which the likelihood of such a determination adverse to the Partnership is, in the opinion of Partnership Counsel or other counsel acceptable to the Investor Limited Partner, remote.

(iii) No default by any General Partner, any Affiliate thereof having any relationship with the Project, or the Partnership, in any material respect has occurred or is continuing (nor has there occurred any continuing event which, with the giving of notice or the passage of time or both, would constitute such a default in any material respect) under any of the Project Documents.

(iv) The Project Documents are in full force and effect (except to the extent fully performed in accordance with their respective terms).

(v) All accounts and reserves are fully funded to the extent currently required by the Project Documents and this Agreement.

(vi) No Partner or Related Person bears the Economic Risk of Loss with respect to the indebtedness evidenced by any Note and secured by any Mortgage, except to the extent contemplated by the Project Documents as they exist on the date of Investment Closing.

(vii) All building, zoning and other applicable certificates, permits, approvals and licenses necessary to permit the construction, rehabilitation, repair, use, occupancy and operation of the Project have been obtained (other than prior to completion of the Project or a specified portion thereof, such as will be issued only after the completion of the Project or such specified portion thereof) and neither the Partnership nor any General Partner has received any notice or has any knowledge of any violation with respect to the Project of any law, rule, regulation, order or decree of any governmental authority having jurisdiction which would have a material adverse effect on the Project or the construction, use or occupancy thereof, except for violations which have been cured and notices or citations which have been withdrawn or set aside by the issuing agency or by an order of a court of competent jurisdiction.

(viii) The Partnership owns the fee simple interest in the Property and has good and marketable title thereto, free and clear of any liens, charges or encumbrances other than the Mortgages, matters set forth in the Title Policy delivered at Investment Closing, encumbrances the Partnership is permitted to create under Sections 2.4 and 6.1, and mechanics’ or other liens which have been bonded or insured against in such a manner as
to preclude the holder of such lien or such surety or insurer from having any recourse to
the Property or the Partnership for payment of any debt secured thereby. None of the
liens, charges, encumbrances or exceptions set forth in the Title Policy delivered at
Investment Closing has or will have a material adverse effect upon the construction or
operation of the Project.

(ix) The execution and delivery of all instruments and the performance of all
acts heretofore or hereafter made or taken or to be made or taken, pertaining to the
Partnership or the Property by any General Partner or an Affiliate thereof which is a
corporation or limited liability company have been or will be duly authorized by all
necessary action, and the consummation of any such transactions with or on behalf of the
Partnership will not constitute a breach or violation of, or a default under, the
organizational documents of any such Entity or any agreement by which any such Entity
or any of its properties is bound, nor constitute a violation of any law, administrative
regulation or court decree. Each such Entity is duly organized and validly existing under
the law of the state of its incorporation.

(x) No General Partner is in default in any material respect in the observance
or performance of any provision of this Agreement to be observed or performed by such
General Partner.

(xi) The Related Agreements are in full force and effect and no default by any
party thereto (other than the Investor Limited Partner or its Affiliates) has occurred or is
continuing thereunder (nor has there occurred any event which, with the giving of notice
or the passage of time, or both, would constitute such a default in any material respect
thereunder).

(xii) No Event of Bankruptcy has occurred and is continuing with respect to the
Partnership, any General Partner, any Guarantor or the Developer.

(xiii) The Project will qualify on and after the Completion Date as a “qualified
low-income housing project” under Section 42(g) of the Code and all Low Income Units
in the Project will qualify as “low income units” under Section 42(i)(3) of the Code.

(xiv) All tax returns, financial statements, Schedules K-1 and reports due under
Sections 12.1B and 12.1E have been properly filed and/or transmitted, as applicable.

(xv) No General Partner, Affiliate of a General Partner, or Person for whose
conduct any General Partner is or was responsible has ever: (i) owned, occupied, or
operated a Facility or Vessel on which any Hazardous Material was or is stored,
transported, or disposed of (except if such storage, transport or disposition was or is at all
times in compliance with applicable Hazardous Waste Laws); (ii) directly or indirectly
transported, or arranged for transport, of any Hazardous Material (except if such transport
was or is at all times in compliance with applicable Hazardous Waste Laws); (iii) caused
or was legally responsible for any release or threat of release of any Hazardous Material;
(iv) received notification from any federal, state or other governmental authority of (x)
any potential, known, or threat of release of any Hazardous Material from the Project or
any other Facility or Vessel owned, occupied, or operated by any General Partner,
Affiliate of a General Partner, or Person for whose conduct any General Partner or Affiliate of a General Partner is or was responsible or whose liability may result in a lien on the Project; or (y) the incurrence of any expense or loss by any such governmental authority or by any other Person in connection with the assessment, containment, or removal of any release or threat of release of any Hazardous Material from the Project or any such Facility or Vessel.

(xvi) To the best of the General Partner's knowledge, no Hazardous Material was ever or is now stored on, transported or disposed of on the Land (except to the extent any such storage, transport or disposition was at all times in compliance with all Hazardous Waste Laws).

(xvii) No General Partner, Affiliate of a General Partner, shareholder of a General Partner, director of a General Partner, officer of a General Partner or manager of a General Partner has ever (i) been convicted of a crime; (ii) had a judgment entered against them for fraud, willful misconduct or breach of fiduciary duty; or (iii) been sanctioned by HUD, the Securities and Exchange Commission or any other government agency.

(xviii) There are currently no criminal or civil actions or administrative proceedings pending against the General Partner or its Affiliates, shareholders, directors, officers or managers.

(xix) The amount of the Annual Credit (as defined in Section 5.1B(iii)) shall be at least $510,664.

(xx) Fifty percent (50%) or more of the aggregate basis of the Buildings and the Land will be financed with an obligation the interest on which is exempt from tax under Section 104 of the Code and which is within the State's volume cap as provided in Section 146 of the Code.

(xxi) The General Partner has made or will timely make the election permitted under Section 168(h)(6)(F)(ii) of the Code so that no part of the Project shall constitute "tax-exempt use property" within the meaning of Section 168(h) of the Code.

(xxii) On or before the contribution of the Investor Limited Partner's Third Installment, the General Partner will obtain the CHDO exemption from real estate taxes for the Project from the Tarrant Appraisal District. The General Partner's failure to obtain the CHDO exemption from real estate taxes on or before the Investor Limited Partner contributes the Third Installment of its capital contribution and/or the failure of the General Partner to maintain the CHDO exemption from real estate taxes throughout the Compliance Period shall be grounds for removal of the General Partner pursuant to Section 7.7.

(xxiii) All of the representations and warranties set forth in the Closing Certificate are true and correct.
B. The General Partner agrees promptly to indemnify, defend and hold harmless the Partnership and the Limited Partners from and against any and all claims, losses, damages, costs, expenses and liabilities which the Partnership and the Limited Partners may incur by reason of any liabilities to which either the Partnership or the Project is subject at the Admission Date; provided, however, that the foregoing indemnification shall not apply to any Mortgage, necessary contractual obligations normally incurred in connection with the Property, or to acts for which such General Partner is entitled to indemnification under Section 6.6.

A. The General Partner agrees to promptly indemnify, defend, and hold harmless the Partnership and the Limited Partners from and against any claims, losses, damages, costs, expenses or liabilities which the Partnership and the Limited Partners may incur on account of the presence or escape of any Hazardous Material at or from the Property (or at any other location). Any such claims, losses, damages, costs, expenses or liabilities may be defended, compromised, settled, or pursued by the Limited Partners with counsel of the Limited Partners' selection, but at the expense of the General Partner. Notwithstanding anything else set forth in this Agreement, this indemnification shall survive the withdrawal of any General Partner and/or the termination of this Agreement.

Section 6.6 Indemnification

A. Each General Partner (including any Retired General Partner) shall be indemnified by the Partnership against any losses, judgments, liabilities, expenses and amounts paid in settlement of any claims sustained by him or it in connection with the Partnership, provided that the same were not the result of negligence or misconduct on the part of any General Partner or any of its “Designated Affiliates” (as such term is defined in Section 6.7B) and were the result of a course of conduct which such General Partner, in good faith, determined was in the best interest of the Partnership. Any indemnity under this Section 6.6 shall be provided out of and to the extent of Partnership assets only, and no Limited Partner shall have any personal liability on account thereof; provided, however, that no indemnification shall be provided for any losses, liabilities or expenses arising from or out of any alleged violation of federal or state securities laws unless (i) there has been a successful adjudication on the merits of each count involving alleged securities law violations as to the particular indemnitee and the court approves indemnification of litigation costs; (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular indemnitee and the court approves indemnification of litigation costs; or (iii) a court of competent jurisdiction approves a settlement of the claims against a particular indemnitee and finds that indemnification of the settlement and related costs should be made.

B. The Partnership shall not incur that cost of that portion of any insurance which insures any party against any liability as to which such party is herein prohibited from being indemnified.

Section 6.7 Liability of General Partner to Limited Partners

A. No General Partner or Designated Affiliate (as defined in Section 6.7B) shall be liable, responsible or accountable for damages or otherwise to the Partnership or to any Limited Partner for any loss suffered by the Partnership which arises out of any action or inaction of such General Partner or Designated Affiliate (i) if such General Partner or Designated Affiliate, in
good faith, determined that such course of conduct was in the best interests of the Partnership and (ii) such course of conduct did not constitute negligence, breach of fiduciary duty or misconduct on the part of that General Partner or Designated Affiliate or breach of this Agreement.

B. As used in Sections 6.6. and 6.7, a “Designated Affiliate” is any Person performing services on behalf of the Partnership, within the scope of authority of the General Partner who: (i) directly or indirectly controls, is controlled by, or is under common control with any General Partner, (ii) owns or controls 10% or more of the outstanding voting securities of any General Partner, (iii) is an officer, director, partner or trustee of any General Partner, or (iv) if any General Partner is an officer, director, partner or trustee, of any company for which such General Partner acts in any such capacity.

C. The General Partner shall defend, indemnify and hold harmless the Partnership and the Limited Partners from any liability, loss, damage, fees, costs and expenses, judgments or amounts paid in settlement incurred by reason of any demands, claims, suits, actions or proceedings arising out of the General Partner’s or any Designated Affiliate’s negligence, misconduct, fraud, breach of fiduciary duty or breach of this Agreement, including without limitation any breach by any General Partner or any Designated Affiliate of any representation, warranty, covenant or agreement set forth in Section 6.5 or elsewhere in this Agreement, including all reasonable legal fees and costs incurred in defending against any claim or liability or protecting itself or the Partnership from, or lessening the effect of, any such breach. The foregoing indemnification shall be a recourse obligation of the General Partner and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, bankruptcy or withdrawal of any General Partner.

Section 6.8 Certain Obligations of the Developer

A. The Partnership has entered into an agreement with the Developer pursuant to which the Developer is obligated to complete the construction of the Improvements and to pay certain development costs and other expenses as set forth in the Development Agreement.

B. The undertakings of the Developer set forth in the Development Agreement are made for the benefit of and shall be enforceable by the Partnership and the Partners and shall not inure to the benefit of any creditor of the Partnership other than a Partner, notwithstanding any pledge or assignment by the Partnership of this Agreement or the Development Agreement or any rights thereunder.

C. In addition to the foregoing, the General Partner hereby guarantees to the Limited Partners the prompt payment by the Partnership of all Other Development Costs. Accordingly, if the amount of Other Development Costs exceeds the balance of Designated Proceeds remaining after payment of all Eligible Development Costs, the General Partner shall furnish to the Partnership the funds required to pay such excess at or prior to the time such excess is payable by the Partnership. Amounts so furnished to fund such excess Other Development Costs shall not be reimbursable, shall not be credited to the Capital Account of any Partner or otherwise change the Interest of any Person in the Partnership, but shall be the sole expense and responsibility of the General Partner as a cost incurred by it in fulfilling their guaranty under this Section 6.8C.
Section 6.9  Obligation to Provide for Operating Expenses

A. During the period commencing on the Admission Date and ending five (5) years after the Development Obligation Date, the General Partner agrees that if the Partnership requires funds to discharge Operating Expenses (other than to make payments to Partners, payments of any outstanding Operating Expense Loans or other obligations herein provided to be payable solely out of Cash Flow or distributions of proceeds from a Capital Transaction), the General Partner shall furnish to the Partnership the funds required. Amounts so furnished to fund Operating Expenses incurred prior to the Development Obligation Date shall be deemed Special Capital Contributions. Amounts furnished to fund Operating Expenses incurred on or after the Development Obligation Date shall constitute Operating Expense Loans. Notwithstanding the foregoing, however, the General Partner shall not be obligated to make Operating Expense Loans under this Section 6.9A to the extent that (i) the outstanding aggregate principal amount of such Operating Expense Loans would exceed $1,000,000 until the end of the third year after the Development Obligation Date; (ii) the outstanding principal amount of such Operating Expense Loans would exceed $600,000 until the end of the fourth year after the Development Obligation Date and (iii) the outstanding principal amount of such Operating Expense Loans would exceed $300,000 until the end of the fifth year after the Development Obligation Date. Any such Operating Expense Loans shall not bear interest and be repayable only as provided in Article X.

B. The Partnership will establish an Operating Reserve in the amount of $250,000. It is expected that the Operating Reserve will be funded out of the proceeds of the Third or Fourth Installments of the Investor Limited Partner. If for any reason the Third and Fourth Installments are not sufficient to fully fund the Operating Reserve, the General Partner shall make a Special Capital Contribution to the Partnership to the extent necessary to fully fund the Operating Reserve. If an Operating Deficit exists, funds in the Operating Reserve may be used to pay such Operating Deficit with the Consent of the Investor Limited Partner. Any amounts so used will be deemed Operating Expense Loans under Section 6.9A above.

C. Commencing on the fifth anniversary of the Development Obligation Date, the General Partner shall be obligated to make working capital advances to the Partnership when and as needed, except that the General Partner shall not be obligated to make further advances under this Section 6.9C to the extent that the aggregate outstanding balance of such advances shall exceed $100,000. Advances made pursuant to this Section 6.9C shall constitute Working Capital Loans and shall be repayable only as provided in Article X.

D. In addition to the obligations set forth in 6.9A, 6.9B and 6.9C, the General Partner agrees that if at any time during the Compliance Period the Partnership is required to pay real estate taxes and as a result an operating deficit exists, then the General Partner shall furnish to the Partnership the funds required to pay such operating deficit, up to the amount of the real estate taxes. Amounts so furnished by the General Partner shall be deemed Special Capital Contributions.

Section 6.10  Certain Payments to the General Partner and Affiliates

A. For its services in connection with the development of the Property and the supervision to completion of the construction of the Improvements and as reimbursement for
Development Advances, the Developer shall be entitled to receive the amounts set forth in the Development Agreement.

B. All of the Partnership's expenses shall be billed directly to, and paid by, the Partnership to the extent practicable. Subject to the terms of this Agreement, reimbursements to a General Partner or any of its Affiliates by the Partnership shall be allowed subject to the following conditions:

(i) such goods or services must be necessary for the prudent formation, development, organization or operation of the Partnership;

(ii) reimbursement for goods or services provided by Persons who are not affiliated with a General Partner shall not exceed the cost to a General Partner or its Affiliates of obtaining such goods or services; and

(ii) reimbursement for goods and services obtained directly from a General Partner or its Affiliates shall not exceed the amount the Partnership would be required to pay independent parties for comparable goods and services in the same geographic location and shall not include reimbursement for the general overhead of the General Partner or its Affiliates (including salaries and benefits of employees thereof).

C. Neither the General Partner nor any of its Affiliates shall be entitled to any compensation, fees or profits from the Partnership in connection with the acquisition, construction, development or rent-up of the Land or Improvements or for the administration of the Partnership's business or otherwise, except for (i) payments provided for or referred to in Sections 2.4(v) or 6.10, (ii) payments of the Management Fee and Incentive Management Fee referred to in Article XI, (iii) fees and distributions under Article X, (iv) such other fees and distributions as may be permitted to be paid by any Lender or the Agency out of the proceeds of any Mortgage Loan and (v) payments to the Builder under the Construction Contract.

Section 6.11 Joint and Several Obligations

If there is more than one General Partner, all obligations of the General Partners hereunder shall be joint and several obligations of the General Partners, except as herein expressly provided to the contrary.

ARTICLE VII

WITHDRAWAL AND REMOVAL OF A GENERAL PARTNER

Section 7.1 Voluntary Withdrawal

No General Partner shall have the right to withdraw or Retire voluntarily from the Partnership or sell, assign or encumber his or its Interest without the Consent of the Investor Limited Partner and any Requisite Approvals. Notwithstanding the above, the Investor Limited Partner acknowledges that the GeneralPartner has pledged its interest to Bank of America, N.A., pursuant to the Collateral Assignment of General Partner Interest.
Section 7.2  Obligation to Continue

In the event of the Retirement of any General Partner, the remaining General Partners, if any, and any successor General Partner shall have the obligation to continue the business of the Partnership employing its assets and name. Immediately after the occurrence of such Retirement, the remaining General Partners, if any, shall notify the Investor Limited Partner thereof.

Section 7.3  Successor General Partner

A. Upon the occurrence of any Retirement, the remaining General Partners may designate a Person to become a successor General Partner to the Retired General Partner. Any Person so designated, subject to any Requisite Approvals, the Consent of the Investor Limited Partner and, if required by the Uniform Act or any other applicable law, the consent of any other Partner so required, shall become a successor General Partner.

B. If any Retirement shall occur at a time when there is no remaining General Partner and no successor General Partner is to be admitted pursuant to Section 7.3A or the remaining General Partners do not elect to continue the business of the Partnership pursuant to Section 7.2, then the Investor Limited Partner shall have the right, subject to any Requisite Approvals and Section 6.3C, to designate a Person to become a successor General Partner.

C. If the Investor Limited Partner elects to reconstitute the Partnership and admit a successor General Partner pursuant to this Section 7.3, the relationship of the Partners in the reconstituted Partnership shall be governed by this Agreement.

Section 7.4  Interest of Predecessor General Partner

A. Except as provided in Section 7.3A, no assignee or transferee of all or any part of the Interest of a General Partner shall have any automatic right to become a General Partner. Until the acquisition of the Interest of a Retiring General Partner pursuant to Section 7.4D or 7.7, such Interest shall be deemed to be that of an assignee and the holder thereof shall be entitled only to such rights as an assignee may have as such under the laws of the State.

B. Anything herein contained to the contrary notwithstanding, any General Partner who withdraws voluntarily in violation of Section 7.1 shall remain liable for all of his obligations under this Agreement, for all his other obligations and liabilities hereunder incurred or accrued prior to the date of his withdrawal and for any loss or damage which the Partnership or any of its Partners may incur as a result of such withdrawal (except as provided in Section 6.7), except for any loss or damage attributable to the default, negligence or misconduct of a successor General Partner admitted in his place under this Agreement.

C. The disposition of the General Partner Interest of a General Partner who Retires voluntarily in compliance with this Agreement shall be accomplished in such manner as shall be acceptable to the remaining General Partners and shall be approved by Consent of the Investor Limited Partner. Any other Retirement of a General Partner shall be governed by Section 7.7D.
Section 7.5  
**Designation of New General Partners**

The General Partner may, with the written consent of all Partners, at any time designate new General Partner(s), each with such Interest as a General Partner in the Partnership as the General Partner may specify, subject to any Requisite Approvals.

Any new General Partner shall, as a condition of receiving any interest in the Partnership property, agree to be bound by the Project Documents and any other documents required in connection therewith and by the provisions of this Agreement, to the same extent and on the same terms as any other General Partner.

Section 7.6  
**Amendment of Certificate; Approval of Certain Events**

Upon the admission of a new General Partner, the Schedule shall be amended to reflect such admission and an amendment to the Certificate, also reflecting such admission, shall be filed as required by the Uniform Act.

Each Partner hereby consents to and authorizes any admission or substitution of a General Partner or any other transaction, including, without limitation, the continuation of the Partnership business, which has been authorized under the provisions of this Agreement, and hereby ratifies and confirms each amendment of this Agreement necessary or appropriate to give effect to any such transaction.

Section 7.7  
**Removal of the General Partner**

A. In addition to any other rights granted to the Limited Partners hereunder, the Special Limited Partner and the Developer Limited Partner shall have the right to remove and replace the General Partner in accordance with the provisions of this Section 7.7 if a Material Default occurs and is not cured within the time period set forth in this Section 7.7. If at any time there is more than one General Partner, all General Partners may be removed and replaced in accordance with the provisions of this Section 7.7 in the event of a Material Default by any General Partner.

B. As used in this Section 7.7, “Material Default” means the occurrence of any of the following events:

(i) a breach by any General Partner (or any of its Affiliates) of any of its representations or warranties contained herein or in the performance of any of its obligations under this Agreement or any Related Agreement;

(ii) the Developer is in default under the Development Agreement, which default is not cured within any applicable time periods;

(iii) a violation by any General Partner of any law, regulation or order applicable to the Partnership, or a material breach by the Partnership or any General Partner under any Project Document or other material agreement or document affecting the Partnership or the Project which has or may have a material adverse effect on the Partnership, the Investor Limited Partner or the Project;
(iv) an Event of Bankruptcy as to any General Partner, any Guarantor or the Partnership;

(v) the commencement of foreclosure proceedings with respect to any Mortgage, which have not been withdrawn or dismissed within thirty (30) days after the date of such commencement; or

(vi) gross negligence, fraud, willful misconduct, misappropriation of Partnership funds, or a breach of fiduciary duty by a General Partner or any Affiliate of a General Partner providing services to or in connection with the Partnership or the Project.

C. In the event that the Special Limited Partner determines to remove any General Partner pursuant to the provisions of this Section 7.7, the Special Limited Partner shall notify the General Partner and the Developer Limited Partner in writing, of the Material Default that is the cause for the removal of the General Partner (any such notice being referred to herein as a "Removal Notice" and the date of such Removal Notice being referred to herein as the "Removal Notice Date"). In the case of any Material Default described in clauses (i) or (ii) of Section 7.7B above, the General Partner shall have twenty (20) business days (or thirty (30) business days if it is a non-monetary default) from the Removal Notice Date to cure the Material Default; provided, however, that if a non-monetary Material Default cannot be reasonably cured within thirty (30) business days, the General Partner shall not be removed if the General Partner commences such cure within thirty (30) business days and proceeds in good faith to cure diligently thereafter, provided that the cure is completed within ninety (90) business days following the Removal Notice Date (or such lesser period as is required to cure the Material Default), and the failure to cure such Material Default within a shorter period does not have a material adverse effect on the Partnership, the Property, or the Investor Limited Partner. For purposes of this paragraph, the failure to provide or maintain any insurance required by this Agreement shall be deemed to be a monetary default. If the General Partner fails to cure within the specified time period, or if no cure right is afforded under the terms hereof, the removal of the General Partner shall be deemed to be effective as of the expiration of any applicable cure period described above; otherwise, such removal shall be effective upon the conclusion of the applicable cure period without a cure of such Material Default reasonably acceptable to the Investor Limited Partner. The General Partner shall have no right to cure any Material Default described in clause (v) of Section 7.7B above.

D. If a General Partner is removed pursuant to this Section 7.7, the Partnership shall pay to such General Partner in the manner set forth in Section 7.7G an amount equal to (x) the sum of (i) an amount equal to the General Partner's positive Capital Account balance, if any, following a deemed sale of all Partnership property and a deemed liquidation of the Partnership (but prior to any deemed distributions upon liquidation), (ii) the unpaid principal balance of any Operating Expense Loans, and (iii) any fees owed to the General Partner and/or its Affiliates in the manner described in Section 7.7E below minus (y) an amount equal to any Adverse Consequences suffered by the Partnership or the Limited Partners as a result of the acts or omissions of the General Partner prior to its removal, including, without limitation, the Material Default creating the right of the Special Limited Partner to remove the General Partner pursuant to the provisions of this Section 7.7. Any transfer taxes that are triggered by the removal and the cost of any additional title insurance or title endorsements deemed to be necessary by the Special Limited Partner as a result of such removal shall be paid by the removed General Partner.
resulting amount is referred to herein as the “Removal Purchase Price.” Notwithstanding the foregoing, the Removal Purchase Price shall not exceed the amount which the removed General Partner would have received under Section 10.1B from a deemed sale of the Project on the Removal Notice Date, based on the Appraised Value of the Project determined under Section 7.7F below.

E. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any fees owed to the General Partner or its Affiliates (including, without limitation, any unpaid Development Amount) for services performed prior to the Removal Notice Date shall be part of the Removal Purchase Price as described above, provided, however, that (i) if any Adverse Consequences suffered by the Partnership or the Limited Partners exceed the amounts payable to the General Partner pursuant to the provisions of Section 7.7D above, or (ii) there exist any unpaid obligations or liabilities of the General Partner that relate to the period up to and including the effective date of the removal of the General Partner, any such unpaid fees owed to the General Partner or its Affiliates shall, to the extent of any such Adverse Consequences or obligations or liabilities, as the case may be, be treated as if they were paid to the General Partner (or such Affiliates) and applied by the General Partner (or such Affiliates) to the payment or satisfaction of such Adverse Consequences, obligations or liabilities, and, to the extent of such application, the obligation of the Partnership to make actual cash payments of such fees to the General Partner (or such Affiliates) shall be reduced or eliminated, as the case may be.

F. The Appraised Value of the Property shall be determined as follows. As soon as practicable and in any event within ten (10) business days following the effective date of removal as specified in Section 7.7C above, the General Partner and the Special Limited Partner shall select a mutually acceptable Independent Appraiser. In the event that the parties are unable to agree upon an Independent Appraiser within such ten (10) Business Day period, the General Partner and the Special Limited Partner each shall select an Independent Appraiser. If either party fails to select an Independent Appraiser within the time period described above, the determination of the other Independent Appraiser shall control. If the difference between the Appraised Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Value set forth in the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two Independent Appraisers shall jointly select a third Independent Appraiser whose determination of Appraised Value shall be deemed to be binding on all parties as long as the third determination is between the other two (2) determinations. If the third (3rd) determination is either lower or higher than both of the other two (2) appraisers, then the average of all three (3) appraisers shall be the fair market value. The Partnership and the removed General Partner shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this Section 7.7F.

G. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any Removal Purchase Price due to the General Partner pursuant to the provisions of Section 7.7D above shall be payable from the first available proceeds of a Capital Transaction prior to any other distributions or payments to the Partners under Section 10.1B hereof except for those items listed in clauses First and Second of Section 10.1B.
H. Upon determination of the Removal Purchase Price under the provisions of this Section 7.7, the Partnership and its remaining Partners shall be deemed to be completely released from all liability to such General Partner and its Affiliates generally and to any others claiming by or through the General Partner to whom any distributions or loan, fee or other payments are to be made under Article X or otherwise, and the General Partner shall be released from any and all obligations to the Partnership and the Partners which arise after the Removal Notice Date. Concurrently with the determination of the Removal Purchase Price, each General Partner shall provide the Partnership, the successor General Partner(s) and the Investor Limited Partner with additional written releases from the General Partner (and any Affiliates to whom obligations of any kind are owed by the Partnership, the successor General Partner(s), the Limited Partners or any of their respective Affiliates) confirming such releases.

I. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, (i) all agreements between the Partnership and the General Partner and/or its Affiliates may, at the election of the Partnership, be terminated and, except for payment of the Removal Purchase Price due to the General Partner (or such Affiliates), the Partnership shall have no further obligations under such agreements, and (ii) the removed General Partner shall be liable for all costs and expenses incurred by the Partnership or the Limited Partners in connection with the admission to the Partnership of a successor General Partner, which shall be considered Adverse Consequences for a purpose of this Section. From and after the effective date of its removal, the removed General Partner shall not be liable for obligations of the Partnership incurred subsequent to such effective date unless such obligations arise out of acts or omissions of the removed General Partner prior to such effective date. The removed General Partner shall continue to be liable for all obligations, liabilities, and guarantees incurred by it in its capacity as the General Partner and any Partnership obligations not listed in the prior year’s financial statements or otherwise described in writing to the Special Limited Partner, and for any Adverse Consequences caused by or arising out of its acts or omissions, prior to the effective date of its removal. Without limiting the generality of the foregoing, and in addition to any of its other obligations hereunder, the removed General Partner shall continue to be liable for any payments or advances due to the Limited Partners or the Partnership pursuant to the provisions of Section 5.1B as a result of any adjustments described in Section 5.1B, other than adjustments arising from a Recapture Event or the acts or omissions of any replacement or successor General Partner, in either case subsequent to the effective date of the removal of the removed General Partner.

J. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the Special Limited Partner may designate a Person or Persons, including, without limitation, an Affiliate of the Special Limited Partner, to become a successor General Partner or Partners replacing the removed General Partner, subject to any Requisite Approvals and to the terms of the Project Documents.

K. The election by the Special Limited Partner to remove any General Partner pursuant to the provisions of this Section 7.7 shall not limit or restrict the availability and use of any other remedy that the Special Limited Partner or the Investor Limited Partner may have with respect to any General Partner in connection with its undertakings and responsibilities under this Agreement, and the exercise by the Special Limited Partner of the rights granted to it in this Section 7.7 is understood by the parties hereto to be permitted by the Uniform Act as the exercise
of powers not constituting participation in the control of the business so as to cause the Special Limited Partner (or the Investor Limited Partner) to be liable for Partnership obligations as a general partner.

L. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the removed General Partner shall immediately deliver to the Special Limited Partner all books, records, tax and financial information relating to the Partnership and the Property that are in the possession or under the control of the General Partner or any of its Affiliates. The General Partner agrees that if it fails to comply with the provisions of this Section 7.7L, the Limited Partners may enforce such provisions by specific performance, and no portion of the Removal Purchase Price shall be payable unless the provisions of this Section are fully and promptly complied with.

M. If the General Partner fails to comply with any of its obligations under this Section 7.7, any costs and expenses incurred by the Limited Partners in enforcing their rights in this Section 7.7, including, without limitation, legal fees and expenses, shall be paid by the General Partner upon presentation of an itemized statement describing the same, which costs shall be deemed to be Adverse Consequences for purposes of this Section.

N. In the event that the Special Limited Partner designates a Person as a successor General Partner under Section 7.7J, such Person shall be deemed to be a General Partner and each Partner hereby irrevocably appoints the Special Limited Partner (with full power of substitution) as the attorney-in-fact of such Partner for the purpose of executing, acknowledging, swearing to, recording and/or filing any amendment to this Agreement and the Certificate necessary or appropriate to confirm the foregoing. If the Special Limited Partner or such other Person shall become an additional General Partner as herein stated, its interest in the Partnership shall not be increased as a result thereof. In the event of the admission of the Special Limited Partner or such Person as a General Partner pursuant to this Section 7.7J, and if there are then any other General Partners, the Special Limited Partner or such other Person shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them. The Special Limited Partner shall be entitled to receive reasonable compensation for serving as a General Partner under this Section, and any such compensation shall be a reduction of the Removal Purchase Price.

ARTICLE VIII
TRANSFER OF LIMITED PARTNER INTERESTS

Section 8.1 Right to Assign

A. Except as restricted in this Article VIII or by operation of law, and subject to the Regulations, each Limited Partner shall have the right to assign its Interest to an Affiliate of such Limited Partner and to substitute its Affiliate assignee in its place as a Substitute Limited Partner without the written consent of the General Partner. Any other assignment by a Limited Partner of its Interest shall require the prior, written consent of the General Partner.
B. The General Partner, at the sole expense of the assigning Limited Partner, shall cooperate in good faith to effect such assignment as expeditiously as possible, including without limitation the execution of appropriate amendments to, or updates of, the Related Agreements and/or any other documents which the assigning Limited Partner reasonably determines necessary or appropriate to accomplish such assignment, including, but not limited to, any amendments, updated opinion of Partnership Counsel, authorizing resolutions of the General Partner and Developer and any other documents reasonably deemed necessary and appropriate by the Investor Limited Partner. In addition, in the event of a transfer of membership interest in the Investor Limited Partner, the General Partner agrees to make such changes to this Agreement and the Related Agreements as the Investor Limited Partner may reasonably request.

C. The assignor shall assume any costs incurred by the Partnership in connection with an assignment of its Interest.

Section 8.2 Substitute Limited Partners

The Limited Partner shall have the right to substitute an assignee as a Limited Partner in its place, subject to any Requisite Approvals. Any Substitute Limited Partner shall agree to be bound by the Project Documents and this Agreement as a condition to its being admitted to the Partnership.

Section 8.3 Assignees

A. Any permitted assignee of a Limited Partner which does not become a Substitute Limited Partner shall have the right to receive the same share of profits, losses and distributions of the Partnership to which the assigning Limited Partner would have been entitled.

B. Any assigning Limited Partner shall cease to be a Limited Partner and shall no longer have any rights or obligations of a Limited Partner except that, unless and until the assignee of such Limited Partner is admitted to the Partnership as a Substitute Limited Partner, said assigning Limited Partner shall retain the statutory rights and be subject to the statutory obligations of an assignor limited partner under the Uniform Act as well as the obligation to make the Capital Contributions attributable to the Interest in question, if any portion thereof remains unpaid.

C. There shall be filed with the Partnership a duly executed and acknowledged counterpart of the instrument making each assignment; such instrument must evidence the written acceptance of the assignee to this Agreement and the Project Documents. If such an instrument is not so filed, the Partnership need not recognize any such assignment for any purpose.

D. In the case of any assignment of a Limited Partner’s Interest as a Limited Partner, where the assignee does not become a Substitute Limited Partner, the Partnership shall recognize the assignment not later than the last day of the calendar month following receipt of notice of assignment and required documentation.
E. An assignee who does not become a Substitute Limited Partner and who desires to make a further assignment of its Interest shall also be subject to the provisions of this Article VIII.

ARTICLE IX

LOANS; MORTGAGE REFINANCING; PROPERTY DISPOSITION

Section 9.1 General

A. The Partnership shall be authorized to obtain the Mortgage Loan to finance the acquisition, development and construction of the Property and (to the extent permitted by the Lender) shall secure the same by the Mortgages. Except as set forth in the Project Documents as they exist on the date of Investment Closing, each Mortgage shall provide that no Partner or Related Person shall bear the Economic Risk of Loss for all or any part of such Mortgage Loan.

B. The General Partner is specifically authorized, for and on behalf of the Partnership, to execute the Project Documents and any permitted amendments thereto and subject to the limitations set forth herein, such other documents as they deem necessary or appropriate in connection with the acquisition, development, operation and financing of the Property.

C. All Partnership borrowings shall be subject to Section 6.1, this Article, the Project Documents and the Regulations. To the extent borrowings are permitted, they may be made from any source, including Partners and Affiliates. The Partnership may accept Development Advances as and when permitted pursuant to the Development Agreement, and may issue instruments evidencing Operating Expense Loans pursuant to Section 6.9.

D. If any Partner shall lend any monies to the Partnership, any such loan shall be unsecured and the amount of any such additional loan shall not be an increase of its Capital Contribution. Until such time as the General Partner and the Developer shall have performed fully their obligations to furnish funds pursuant to Sections 6.8 and 6.9 hereof and pursuant to the Development Agreement, any loan from a General Partner or an Affiliate of a General Partner shall be an obligation of the Partnership to the Partner or Affiliate only if it constitutes a borrowing permitted by Sections 6.8 or 6.9 or pursuant to the Development Agreement and shall be repayable as therein provided. Subject to the preceding sentence, any loans to the Partnership by a General Partner or an Affiliate of a General Partner may be made on such terms and conditions as may be agreed on by the Partnership, consistent with good business practices.

Section 9.2 Refinancing and Sale

The Partnership may not increase the amount of or otherwise materially modify any Mortgage Loan, obtain any new Mortgage Loan or refinance any Mortgage Loan including any required transfer or conveyance of Partnership assets for security or mortgage purposes, and may not sell, lease, exchange or otherwise transfer or convey all or substantially all the assets of the Partnership without the Consent of the Investor Limited Partner. Notwithstanding the foregoing, no such Consent shall be required for the leasing of apartments to tenants in the normal course of operations; provided, however, unless such Consent is obtained the Partnership shall lease the
Project in such a manner as to qualify as a "qualified low-income housing project" under Section 42(g)(1) of the Code, and shall lease all of the Low Income Units to Qualified Tenants.

Section 9.3 Sales Commissions

Upon the sale of the Property by the Partnership, no Person may pay to any Person real estate commissions in excess of that which is reasonable, customary, and competitive with those paid in similar transactions in the same geographic area. Real estate commissions may be paid to an Affiliate of the General Partner.

ARTICLE X

PROFITS, LOSSES AND DISTRIBUTIONS

Section 10.1 Distributions Prior to Dissolution

A. Distribution of Cash Flow. Subject to any Requisite Approvals, (i) net rental income generated through the Completion Date shall be includable in Designated Proceeds and shall be available to the Developer and the General Partner for the purposes and subject to the conditions set forth in the Development Agreement and Section 6.8C hereof, (ii) Cash Flow in respect of the period from the Completion Date through the first anniversary of the Completion Date shall be used to pay the Asset Management Fee to the Investor Limited Partner, with any balance used to pay any Deferred Development Fee and (iii) Cash Flow for each fiscal year (or fractional portion thereof) after the first anniversary of the Completion Date shall be distributed, within ninety (90) days after the end of each fiscal year, in the following order of priority:

First, to pay the Asset Management Fee to the Investor Limited Partner;

Second, to the payment of amounts necessary to maintain and/or replenish the Operating Reserve as set forth in Section 6.9B up to an amount equal to $250,000;

Third, to the payment of any Deferred Development Fee and any accrued interest thereon;

Fourth, to the repayment of any Operating Expense Loans or Working Capital Loans then outstanding; and

Fifth, ten percent (10%) of any balance shall be distributed to the Investor Limited Partner and ninety percent (90%) of any balance shall be used as follows: first, as payment of the Incentive Management Fee until such fee is paid in full for such fiscal year and any balance shall be distributed equally to the General Partner and the Developer Limited Partner.

If the Partnership shall have unfunded operating deficits or if any Recapture Amount or Credit Reallocation Amount shall be then due and owing to the Investor Limited Partner, then the General Partner and its Affiliates shall not be entitled to any distributions, fees or loan repayments under this Section 10.1A and any amounts which would otherwise have been paid or distributed to the General Partner pursuant to this Section 10.1A shall be reduced by such
Recapture Amount or Credit Reallocation Amount and the amount which would otherwise have been distributed to the Investor Limited Partner pursuant to this Section 10.1A shall be increased by such Recapture Amount or Credit Reallocation Amount.

B. **Distributions of Capital Transaction Proceeds**

Prior to dissolution, if the General Partner shall determine that there are proceeds available for distribution from a Capital Transaction, such proceeds shall be applied and distributed as follows:

*First*, to discharge, to the extent required by any lender or creditor, the debts and obligations of the Partnership (other than items listed in the ensuing clauses of this Section 10.1B);

*Second*, to fund reserves for contingent liabilities to the extent deemed reasonable by the General Partner (other than items listed in the ensuing clauses of this Section 10.1B);

*Third*, to the payment of any outstanding Operating Expense Loans and any outstanding Working Capital Loans;

*Fourth*, to the Investor Limited Partner an amount equal to 200% of any unpaid amount of the Asset Management Fee;

*Fifth*, to the repayment of any outstanding Deferred Development Amount [and any accrued interest thereon];

*Sixth*, to the Investor Limited Partner an amount equal to (a) 200% of the excess of the Recapture Amount determined under Section 10.5 over the sum of all Cash Flow distributions theretofore made to the Investor Limited Partner to effect payment of Recapture Amounts or Credit Reallocation Amount less (b) amounts previously paid to the Investor Limited Partner pursuant to this Clause Sixth;

*Seventh*, $10,000 to the Special Limited Partner; and

*Eighth*, the balance of such proceeds shall be distributed 20% to the Investor Limited Partner and 40% to the General Partner and 40% to the Developer Limited Partner.

C. **Sharing of Distributions**

All distributions to the respective classes of the Partners shall be shared by the members of such classes in accordance with the percentages set forth opposite their respective names on the Schedule, except as otherwise provided in this Agreement.

**Section 10.2 Distributions Upon Dissolution**

A. Upon dissolution and termination, after payment of, or adequate provision for, the debts and obligations of the Partnership, the remaining assets of the Partnership shall be
distributed to the Partners in accordance with the positive balances in their Capital Accounts after taking into account all Capital Account adjustments for the Partnership taxable year, including adjustments to Capital Accounts pursuant to Sections 10.2B and 10.3B. In the event that a General Partner has a negative balance in his Capital Account following the liquidation of the Partnership or his Interest after taking into account all Capital Account adjustments for the Partnership taxable year in which the liquidation occurs, such General Partner shall pay to the Partnership in cash an amount equal to the negative balance in his Capital Account. Such payment shall be made by the end of such taxable year (or, if later, within ninety (90) days after the date of such liquidation) and shall, upon liquidation of the Partnership, be paid to recourse creditors of the Partnership or distributed to other Partners in accordance with the positive balances in their Capital Accounts.

B. With respect to assets distributed in kind to the Partners in liquidation or otherwise, (i) any unrealized appreciation or unrealized depreciation in the values of such assets shall be deemed to be profits and losses realized by the Partnership immediately prior to the liquidation or other distribution event; and (ii) such profits and losses shall be allocated to the Partners in accordance with Section 10.3B, and any property so distributed shall be treated as a distribution of an amount in cash equal to the excess of such fair market value over the outstanding principal balance of and accrued interest on any debt by which the property is encumbered. For the purposes of this Section 10.2B, "unrealized appreciation" or "unrealized depreciation" shall mean the difference between the fair market value of such assets, taking into account the fair market value of the associated financing (but subject to Section 7701(g) of the Code), and the Partnership's adjusted basis for such assets as determined under Section 1.704-1(b). This Section 10.2B is merely intended to provide a rule for allocating unrealized gains and losses upon liquidation or other distribution event, and nothing contained in this Section 10.2B or elsewhere herein is intended to treat or cause such distributions to be treated as sales for value. The fair market value of such assets shall be determined by an appraiser to be selected by the General Partner with the Consent of the Investor Limited Partner.

Section 10.3 Profits, Losses and Tax Credits

A. Except as otherwise specifically provided in this Article, for each fiscal year or portion thereof, profits, tax-exempt income, losses and non-deductible, non-capitalizable expenditures incurred and/or accrued by the Partnership, shall be allocated 0.01% to the General Partner and 99.99% to the Investor Limited Partner.

B. Except as otherwise specifically provided in Section 10.4 or elsewhere in this Article, all profits and losses arising from a Capital Transaction shall be allocated to the Partners as follows:

As to profits:

First, an amount of profit equal to the aggregate negative balances (if any) in the Capital Accounts of all Partners having negative balance Capital Accounts shall be allocated to such Partners in proportion to their negative Capital Account balances until all such Capital Accounts shall have zero balances; and
Second, an amount of profits shall be allocated to each of the Partners until the positive balance in the Capital Account of each Partner equals, as nearly as possible, the amount of cash which would be distributed to such Partner if the aggregate amount in the Capital Accounts of all Partners were cash available to be distributed in accordance with the provisions of Clauses Third, Fourth, Sixth, Seventh and Eighth of Section 10.1B.

As to losses:

First, an amount of losses equal to the aggregate positive balances (if any) in the Capital Accounts of all Partners having positive balance Capital Accounts shall be allocated to such Partners in proportion to their positive Capital Account balances until all such Capital Accounts shall have zero balances; provided, however, that if the amount of losses so to be allocated is less than the sum of the positive balances in the Capital Accounts of those Partners having positive balances in their Capital Accounts, then such losses shall be allocated to the Partners in such proportions and in such amounts so that the Capital Account balances of each Partner shall equal, as nearly as possible, the amount such Partner would receive if an amount equal to the excess of (a) the sum of all Partners’ balances in their Capital Accounts computed prior to the allocation of losses under this clause First over (b) the aggregate amount of losses to be allocated to the Partners pursuant to this clause First were distributed to the Partners in accordance with the provisions of Clauses Third, Fourth, Sixth, Seventh and Eighth of Section 10.1B; and

Third, the balance, if any, of such losses shall be allocated 0.01% to the General Partner and 99.99% to the Investor Limited Partner.

C. If the Partnership (i) incurs recourse obligations or Partner Nonrecourse Debt (including without limitation Operating Expense Loans), (ii) accepts Special Capital Contributions pursuant to Section 6.9 or (iii) incurs losses from extraordinary events which are not recovered from insurance or otherwise (the items referred to in clauses (i), (ii) and (iii) being hereinafter referred to collectively as the “Section 10.3C Items”) in respect of any Partnership taxable year, then the calculation and allocation of profits and losses shall be adjusted as follows: first, an amount of deductions (consisting of operating expenses and not cost recovery deductions) attributable to the Section 10.3C Items shall be allocated to the General Partner; and second, the balance of such deductions shall be allocated as provided in Section 10.3A. For purposes of this Section 10.3C, extraordinary events includes casualty losses, losses resulting from liability to third parties for tortious injury, losses resulting from a breach of a legal duty by the Partnership or by the General Partner, and deductions resulting from other liabilities which are not incurred in the ordinary course of business. Nothing in this Section 10.3C. shall prevent the Partnership from recovering an extraordinary loss from a General Partner who is liable therefor by law or under this Agreement.

D. If any Section 10.3C Items shall be repaid from cash generated in respect of any fiscal year, then the allocation of profits and losses under Section 10.3A for such fiscal year shall be adjusted as follows: first, the General Partner shall be allocated an amount of the gross income of the Partnership equal to the lesser of (i) the amount of items of loss or expense previously allocated to the General Partner under Section 10.3C and not previously offset by allocations of gross income under this Section 10.3D or items thereof and (ii) the amount of the Section 10.3C Items repaid in such year and second, all remaining gross income and all expenses
shall be allocated as provided in Section 10.3A. Nothing in this Section 10.3D shall be construed to authorize the return of Special Capital Contributions. This section shall be applied in conjunction with Section 10.4B to avoid the double allocation of gain under such sections when Operating Expense Loans are repaid.

E. Notwithstanding the foregoing provisions of Sections 10.3A and 10.3B, in no event shall any losses be allocated to a Limited Partner if and to the extent that such allocation would cause, as of the end of the Partnership taxable year, the negative balance in such Limited Partner’s Capital Account to exceed such Limited Partner’s share of Partnership Minimum Gain plus such Limited Partner’s share of Partner Nonrecourse Debt Minimum Gain. Any losses which are not allocated to the Limited Partners by virtue of the application of this Section 10.3E shall be allocated as required under Treasury Regulation Section 1.704-1(b). For purposes of this Section 10.3E, a Partner’s Capital Account shall be treated as reduced by Qualified Income Offset Items.

F. The terms “profits” and “losses” used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering into the computation thereof, as determined in accordance with the accounting methods followed by the Partnership and computed in a manner consistent with Treasury Regulation Section 1.704-1(b)(2)(iv). Profits and losses for federal income tax purposes shall be allocated in the same manner as profits and losses under Section 10.3 except as provided in Section 10.6B.

G. Tax credits under Section 42 of the Code shall be allocated among the Partners in the same manner as the deductions attributable to the expenditures creating the tax credit are allocated among the Partners in accordance with Treasury Regulation Section 1.704-1(b)(4)(ii).

Section 10.4 Minimum Gain Chargebacks and Qualified Income Offset

A. If there is a net decrease in Partnership Minimum Gain during a Partnership taxable year, each Partner will be allocated items of income and gain for such year (and, if necessary, subsequent years) in the proportion to, and to the extent of, an amount equal to such Partner’s share of the net decrease in Partnership Minimum Gain during the year. A Partner is not subject to this Partnership Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(f) under Section 704 of the Code.

B. If there is a net decrease in Partner Nonrecourse Debt Minimum Gain during a Partnership taxable year, then each Partner with a share of the minimum gain attributable to such debt at the beginning of such year will be allocated items of income and gain for such year (and, if necessary, subsequent years) in proportion to, and to the extent of, an amount equal to such Partner’s share of the net decrease in Partner Nonrecourse Debt Minimum Gain during the year. A Partner is not subject to this Partner Nonrecourse Debt Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(i)(4) applied consistently with Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(i)(4) under Section 704 of the Code.
C. If a Limited Partner unexpectedly receives (1) an allocation of loss or deduction or expenditures described in Section 705(a)(2)(B) of the Code made pursuant to Section 704(e)(2) of the Code to a donee of an interest in the Partnership, (b) pursuant to Section 706(d) of the Code as the result of a change in any Partner's interest in the Partnership, or (c) pursuant to Regulation Section 1.751-1(b)(2)(ii) as a result of a distribution by the Partnership of unrealized receivables or inventory items or (2) a distribution, and such allocation and/or distribution would cause the negative balance in such Partner's Capital Account to exceed (i) such Partner's share of Partnership Minimum Gain plus (ii) such Partner's share of Partner Nonrecourse Debt Minimum Gain and (iii) the amount of such Partner's obligation, if any, to restore a deficit balance in his Capital Account, then such Partner shall be allocated items of income and gain in an amount and manner sufficient to eliminate such negative balance as quickly as possible. For purposes of this Section 10.4C, a Partner's Capital Account shall be treated as reduced by Qualified Income Offset Items.

Section 10.5 Recapture Amount

A. If at any time during the Compliance Period, the Project ceases to be a "qualified low income housing project" (as defined in Section 42(g)(1) of the Code) or any Low-Income Unit ceases to be a "low income unit" (as defined in Section 42(i)(3) of the Code), and as a result thereof all or any portion of credits allowed to the Partnership and its Partners under Section 42 of the Code are subject to recapture pursuant to Section 42(j) of the Code (such an occurrence being referred to herein as a "Recapture Event"), the Investor Limited Partner shall become entitled to additional cash distributions equal to the "Recapture Amount".

B. The Recapture Amount is an amount that, after deduction of all federal income taxes payable by the Investor Limited Partner (or its partners) as computed under Section 10.5D below, is equal to the sum of (i) the "credit recapture amount" allocable to the Investor Limited Partner as defined in Section 42(j) of the Code plus (ii) the amount of credits allocable to the Investor Limited Partner which are disallowed in the year of the Recapture Event and in each subsequent year. Notwithstanding the foregoing, however, the Recapture Amount attributable to an event which also results in a reduction of the Capital Contribution of the Investor Limited Partner pursuant to Section 5.1B shall be zero if such reduction is actually effected by reduction of subsequent Installments or payments by the General Partner pursuant to Section 5.1B.

C. Any Recapture Amount distributable to the Investor Limited Partner pursuant to the foregoing provisions shall be distributed as funds become available for such distributions, but such distributions shall not be made prior to (i) in the case of the "credit recapture amount," the year of the Recapture Event and (ii) in the case of any credits disallowed with respect to any year subsequent to the Recapture Event, in each such subsequent year.

D. Determination of the Recapture Amount shall be made on the assumption that receipt or accrual by each partner of the Investor Limited Partner of any amounts distributable to such partner under Section 10.5C above will currently be subject to United States federal income tax at the highest marginal rate applicable to corporations for the year(s) in question (giving effect to the application of the alternative minimum tax).

E. All computations required under this Section 10.5 shall be made reasonably by the Investor Limited Partner, and the results of such computations, together with a statement
describing in reasonable detail the manner in which such computations were made, shall be delivered to the Managing General Partner in writing. Within fifteen (15) days following receipt of such computation, the Managing General Partner may request that the Accountants determine whether such computations are reasonable and are not erroneous. If the Accountants determine that such computations are unreasonable or contain errors, then the Accountants shall determine what they believe to be the appropriate computations. If the Investor Limited Partner does not agree with the determination of the Accountants, then another accounting firm other than the Accountants to be selected jointly by the Investor Limited Partner and the Managing General Partner or, if they cannot agree, by the American Arbitration Association, from among the ten largest national accounting firms, shall make such computations. The computations of the Investor Limited Partner, the Accountants, or the other accounting firm so selected, whichever is applicable, shall be final, binding and conclusive upon the parties. All fees and expenses payable to an accounting firm other than the Accountants under this paragraph shall be borne solely by the Managing General Partner. All fees and expenses payable to the American Arbitration Association shall be borne equally by the General Partner and the Investor Limited Partner.

F. In the event that a claim is made by the Service which, if successful, would result in the determination that a Recapture Event has occurred, the Investor Limited Partner hereby agrees to take such action in connection with contesting such claim as the Managing General Partner shall reasonably request in writing from time to time; provided that: (i) within thirty (30) days after receiving notice of such claim, the Managing General Partner shall request that such claim be contested; (ii) the Investor Limited Partner shall not enter into a settlement or compromise with the Service with respect to, or shall otherwise concede, any claim which the Managing General Partner has requested be contested without the prior written consent of the Managing General Partner, which shall not be unreasonably withheld or delayed; and (iii) notwithstanding the foregoing, the Investor Limited Partner, in its sole option, may forego any and all administrative appeals, proceedings, hearings and conferences with the Service and pay (or cause its partners to pay) the tax claimed and sue for a refund in the appropriate United States District Court and/or the Court of Federal Claims, considering, however, in good faith such request as the Managing General Partner shall make concerning the most appropriate forum in which to proceed, in which event the Managing General Partner shall, if the Managing General Partner desires, contest such claim in the United States District Court or the Court of Federal Claims. The Investor Limited Partner agrees to notify the Managing General Partner in writing of any such claim and agrees not to make payment of the tax for at least thirty (30) days after giving such notice and agrees to give the Managing General Partner any information that is relevant and material to contest such claim and to cooperate in all reasonable respects with the Managing General Partner in good faith in order to contest any such claim effectively. The Managing General Partner and its counsel shall maintain confidentiality with respect to all such information insofar as is possible, consistent with the conduct of a contest hereunder. All reasonable legal and accounting fees and other third party costs and expenses incurred by the Investor Limited Partner or its partners in contesting a claim or with respect to such litigation shall be borne by the Managing General Partner.

G. If any claim referred to above shall be made by the Service and the Managing General Partner shall have reasonably requested the Investor Limited Partner or its partners to contest such claim as above provided and shall have duly complied with all of the terms of the foregoing provisions, the Recapture Amount as a consequence of such claim shall become fixed
upon the Final Determination of the liability of the Investor Limited Partner or its partners for the tax claimed and after giving effect to any refund obtained, together with interest thereon; but in all other cases the Recapture Amount shall become fixed at the time the Investor Limited Partner or its partners agree to the adjustments relating to such claim.

Section 10.6 Special Provisions

A. Except as otherwise provided in this Agreement, all profits, losses, credits and distributions shared by the respective classes composed of the Special Limited Partner and the General Partner shall be allocated among the members of such class in accordance with the percentages set forth opposite their respective names in the Schedule. Subject to the provisions of Section 13.8, the Investor Limited Partner and Special Limited Partner each shall be deemed to have been admitted to the Partnership as of the first day of the month during which its actual admission occurs for purposes of allocating profits and losses.

B. Income, gain, loss and deduction with respect to property which has a variation between its basis computed in accordance with Treasury Regulation Section 1.704-1(b) and its basis computed for federal income tax purposes shall be shared among the Partners for tax purposes so as to take account of such variation in a manner consistent with the principles of Section 704(c) of the Code and Treasury Regulation Sections 1.704-1(b)(2)(iv)(g) and 1.704-3.

C. If the Partnership shall receive any purchase money indebtedness in partial payment of the purchase price of the Project and such indebtedness is distributed to the Partners pursuant to the provisions of Section 10.1B or Section 10.2, the distributions of the cash portion of such purchase price and the principal amount of such purchase money indebtedness hereunder shall be allocated among the Partners in the following manner: On the basis of the sum of the principal amount of the purchase money indebtedness and cash payments received on the sale (net of amounts required to pay Partnership obligations and fund reasonable reserves), there shall be calculated the percentage of the total net proceeds distributable to each class of Partners based on Section 10.1B or Section 10.2, as applicable, treating cash payments and purchase money indebtedness principal interchangeably for this purpose, and the respective classes shall receive such respective percentages of the net cash purchase price and purchase money principal. Payments on such purchase money indebtedness retained by the Partnership shall be distributed in accordance with the respective portions of principal allocated to the respective classes of Partners in accordance with the preceding sentence, and if any such purchase money indebtedness shall be sold, the sale proceeds shall be allocated in the same proportion.

D. In the event that any fee payable to any General Partner or any Affiliate shall instead be determined to be a non-deductible, non-capitalizable distribution from the Partnership to a Partner for federal income tax purposes, then there shall be allocated to such General Partner an amount of gross income equal to the amount of such distribution.

E. Notwithstanding any provision to the contrary in this Article X, funds of the Partnership constituting Designated Proceeds shall be applied to pay Development Costs and the Development Amount in accordance with the provisions of this Agreement, the Development Agreement and the Project Documents.
F. In applying the provisions of this Article X with respect to distributions and allocations, the following ordering of priorities shall apply:

1. Capital Accounts shall be deemed to be reduced by Qualified Income Offset Items.

2. Capital Accounts shall be reduced by distributions of Cash Flow under Section 10.1A.

3. Capital Accounts shall be reduced by distributions from Capital Transactions under Section 10.1B.

4. Capital Accounts shall be increased by any minimum gain chargeback under Section 10.4A or 10.4B.

5. Capital Accounts shall be increased by any qualified income offset under Section 10.4C.

6. Capital Accounts shall be increased by allocations of profits under Section 10.3A.

7. Capital Accounts shall be reduced by allocations of losses under Section 10.3A.

8. Capital Accounts shall be reduced by allocations of losses under Section 10.3B.

9. Capital Accounts shall be increased by allocations of profits under Section 10.3B.

G. For purposes of determining each Partner’s proportionate share of excess Partnership Nonrecourse Liabilities pursuant to Treasury Regulation Section 1.752-3(a)(3), the Investor Limited Partner shall be deemed to have a 99.99% interest in profits of the Partnership and the General Partner shall be deemed to have a 0.01% interest in profits of the Partnership.

H. To the maximum extent permitted under the Code, allocations of profits and losses shall be modified so that the Partners’ Capital Accounts reflect the amount they would have reflected if adjustments required by Section 10.4 had not occurred. Furthermore, if for any fiscal year the application of the provisions of Section 10.4 would cause a distortion in the economic sharing arrangement among the Partners and it is not expected that the Partnership will have sufficient other income to correct that distortion, the General Partner may request a waiver from the Service of the application in whole or in part of Section 10.4 in accordance with Treasury Regulation Section 1.704-2(f)(4).

I. To the extent that interest on obligations to any General Partner or its Affiliates is determined to be deductible by the Partnership in excess of the stated amount of interest payable thereunder, the corresponding additional interest deduction shall be allocated solely to such General Partner.
J. Any interest income earned by the Partnership on any and all reserve, escrow or other accounts prior to the Completion Date shall be specially allocated to the General Partner.

ARTICLE XI

MANAGEMENT AGENT

Section 11.1 Management Agent

The General Partner shall have responsibility for obtaining a Management Agent acceptable to the Investor Limited Partner and the Developer Limited Partner and each Lender and Agency to manage the Project in accordance with the requirements of each Lender and Agency. The General Partner shall cause the Partnership to enter into the Management Agreement with the Management Agent, which may be an Affiliate of a General Partner. The initial Management Agent shall be Alpha-Barnes Residential Services. Subject to the Regulations, the Management Agent shall be entitled to receive a reasonable and competitive Management Fee (determined by reference to arm’s-length property management arrangements for comparable properties in force in the general locality of the Project) not to exceed the lesser of 4.5% of gross rental income or the maximum amount permitted by any relevant Agency or Lender.

If at any time after the Completion Date:

(i) the Project shall be subject to any substantial building code violation which shall not have been cured within ninety (90) days after notice from the applicable governmental agency or department or unless such violation is being validly contested by the General Partner by proceedings which operate to prevent any fines or criminal penalties from being levied against the Partnership or unless, in the case of any such violation not susceptible of cure within such ninety (90)-day period, the General Partner is diligently making reasonable efforts to cure the same,

(ii) operating revenues of the Project in respect of any period of twenty-four (24) consecutive calendar months after the Completion Date shall be insufficient to permit the Partnership to pay when due on a current basis all Partnership obligations in respect of such twenty-four (24)-month period,

(iii) the Project ceases to qualify as a “qualified low-income housing project” under Section 42(g) of the Code or any of the Low Income Units in the Project ceases to qualify as a “low income unit” under Section 42(i)(3) of the Code,

(iv) a Recapture Event shall have occurred,

(v) the Management Agent or its agents or employees have demonstrated incompetence or malfeasance in the management of the Project, or

(vi) the Special Limited Partner has elected to remove a General Partner that is an Affiliate of the Management Agent pursuant to the provisions of Section 7.7,
then the General Partner shall forthwith give to the Special Limited Partner notice of such event (a “Management Default Notice”), and thereafter the Partnership shall, subject to any Requisite Approvals, forthwith terminate its management agreement with the Management Agent, unless the approval of the Special Limited Partner is obtained to the retention of the Management Agent. Upon any termination, the General Partner shall immediately proceed to select a qualified Person as the new Management Agent (which, in the event the terminated Management Agent was an Affiliate of a General Partner, shall be unaffiliated with any General Partner) as the new Management Agent for the Property, which selection shall be subject to any Requisite Approvals; and, after such selection, no Management Fee shall be payable to any Person which is an Affiliate of a General Partner unless the management contract with any such Person shall provide for the right of the Partnership to terminate the same upon the occurrence of the circumstance described in this Article XI. By its execution hereof, the Management Agent agrees that the provisions of this Section which limit the amount of the Management Fee and provide for the termination of the Management Agent under the circumstances herein described are hereby incorporated into any present or future Management Agreement (which shall be deemed amended hereby to the extent necessary to give effect to such provisions).

Section 11.2 Special Power of Attorney

If an event described in clauses (i) through (vi) of Section 11.1 above occurs and the General Partner fails to send a Management Default Notice to the Special Limited Partner within the ten (10) days of the date the General Partner became aware of such event, the Special Limited Partner hereby is granted an irrevocable power of attorney, coupled with an interest, to take such action, and to execute and deliver such documents on behalf of the Partners and the Partnership, as shall be legally necessary and sufficient to effect the provisions of this Article XI.

ARTICLE XII

BOOKS AND REPORTING, ACCOUNTING, TAX ELECTION, ETC

Section 12.1 Books, Records and Reporting

A. The General Partner shall keep or cause to be kept a complete and accurate set of books and supporting documentation with respect to the Partnership’s business. The books of the Partnership shall be kept on the accrual basis. The books and records of the Partnership (including all records required to be maintained under the Uniform Act) shall at all times be maintained at the principal office of the Partnership. Each Partner, its duly authorized representatives and any regulatory authority which regulates such Partner shall have the right to examine the books of the Partnership and all other records and information concerning the Partnership and the Project at reasonable times. The books and records of the Partnership shall include, without limitation, copies of the following: (i) the Partnership’s federal, state and local income tax or information returns and reports, if any, and all related back-up documentation for ten (10) years from the date of production and (ii) financial statements of the Partnership for ten (10) years from the date of production.

B. The books of the Partnership shall be examined by the Accountants in accordance with generally accepted auditing standards annually as of the end of each fiscal year of the Partnership. The General Partner shall prepare a balance sheet as of the end of each such year.
and statements of income, partners’ equity and cash flows for such year. Said balance sheet and statements shall be accompanied by the opinion of the Accountants that said balance sheet and statements have been prepared in accordance with generally accepted accounting principles applied consistently with prior periods identifying any matters to which the Accountants take exception and stating, to the extent practicable, the effect of each such exception on such financial statements. As a note to such financial statements, the General Partner shall prepare a schedule of all loans to the Partnership (to be reviewed by the Accountants), setting forth the purpose of such loan and Section of this Agreement under which such loan was obtained. Such schedule shall demonstrate that loans have been made, used, carried on the books of the Partnership (and repaid, if applicable) in accordance with the provisions of this Agreement. In addition, after the first year in which the Accountants examine the financial statements of the Partnership after completion of the Project, the depreciation schedule for that year and all future years, along with the depreciation worksheet, shall be prepared by the General Partner, reviewed by the Accountants and furnished to the Investor Limited Partner. In connection with the audited financial statements for the year in which the Development Obligation Date occurred, the Accountants shall attach to the financial statements the determination letter in the form attached hereto as Exhibit J. The General Partner shall, promptly upon receipt of such balance sheet and statements and in any event within sixty (60) days after the end of each fiscal year, transmit to the Investor Limited Partner a copy thereof. The Accountants shall also review and sign the federal and state income tax returns of the Partnership. In connection with the preparation of such tax returns, the General Partner shall seek and obtain the advice of the Special Limited Partner with respect to material allocations of assets for cost recovery purposes. The General Partner shall complete the books of the Partnership in such time as will allow the Accountants to complete such tax returns within forty-five (45) days after the end of such fiscal year. The General Partner shall cause such tax returns to be filed within such time periods and shall immediately upon the filing thereof transmit to the Investor Limited Partner a copy of Schedule K-1. If the General Partner fails to complete such tax returns and to transmit such Schedule K-1 to the Investor Limited Partner within such time periods, shall fail to transmit the annual balance sheet and financial statements to the Investor Limited Partner within the time period set forth above or shall fail to deliver any of the information required by Section 12.1E within twenty (20) days after the end of any applicable quarter of the Partnership’s fiscal year, the General Partner shall pay as damages the sum of $500 per day (plus interest at the Designated Prime Rate plus 3% per annum) to the Investor Limited Partner until such Schedule K-1, balance sheet and financial statements and information required pursuant to Section 12.1E are received by the Investor Limited Partner. Such damages shall be paid forthwith by the General Partner and failure to so pay shall constitute a default of the General Partner under Section 6.3C. In addition, if the General Partner fails to so pay, the Investor Limited Partner may deduct any unpaid damages from any portion of its Capital Contribution not yet paid, or if such Capital Contribution has been fully paid then the General Partner and its Affiliates shall forthwith cease to be entitled to the Incentive Management Fee and any Cash Flow. Such payments of the Incentive Management Fee and Cash Flow shall only be restored upon the payment of such damages in full and any amount of such damages not so paid shall be deducted against payments of the Incentive Management Fee and Cash Flow otherwise due to the General Partner or its Affiliates.

Such reports and estimates shall clearly indicate the methods under which they were prepared and shall be made at the expense of the Partnership.
C. If the General Partner fails to complete such tax returns and submit such Schedules K-1 on a timely basis, the Investor Limited Partner may select a firm of accountants who shall prepare such returns and Forms K-1. The General Partner shall immediately furnish all necessary documentation and other information to prepare such tax returns and such Schedules K-1 to such accountants.

D. Every Limited Partner shall at all times have access to the records of the Partnership and may inspect and copy any of them. A list of the names and addresses of all of the Limited Partners shall be maintained as part of the books and records of the Partnership and shall be mailed to any Limited Partner upon request. A reasonable charge for copy work may be charged by the Partnership. Within a reasonable time following receipt of a written direction from the Investor Limited Partner, the General Partner shall furnish copies of information or reports required to be maintained or prepared pursuant to this Article XII to members or limited partners of the Investor Limited Partner. Any such direction shall specifically identify the information or reports requested and the name and address of each member or limited partner of the Investor Limited Partner to receive the same.

E. Within fifteen (15) days following the end of each of the first three (3) quarters of each fiscal year (and, if and to the extent specifically requested in writing by the Investor Limited Partner, within twenty (20) days following the end of such fiscal year), the Managing General Partner shall send to each Person who was a Limited Partner at any time during such quarter one or more reports which, taken together, provide the following information (which need not be audited): (i) a balance sheet as at the end of such quarter; (ii) a statement of income for such quarter on the cash as well as accrual bases; (iii) a statement of cash available for distribution and reserves for such quarter; (iv) a statement describing (a) any new agreement, contract or arrangement between the Partnership and a General Partner or an Affiliate of a General Partner, (b) the amount of all fees and other compensation and distributions and reimbursed expenses paid by the Partnership for the quarter to any General Partner or Affiliate of a General Partner, and (c) the amount of all distributions of Cash Flow and Capital Transaction proceeds made to Partners; and (v) a report of the significant activities of the Partnership during the fiscal quarter. Each quarterly report shall also contain a certification by the General Partner that the Partnership or the General Partner has not received any notice or has been cited by or otherwise warned in writing of any “Violation” (as hereinafter defined) by any governmental entity, which Violation could have a materially adverse impact on any of them. For purposes of this certification, a Violation shall mean any act or omission complained of which, if uncured, would be in violation of (a) any applicable statute, code, ordinance, rule or regulation, (b) any agreement or instrument to which the governmental entity and the Partnership or the General Partner is a party or to which the Project is subject, (c) any license or permit, or (d) any judgment, decree or order of a court. Any exceptions to the foregoing shall be described in such certification. In addition, if requested by the Investor Limited Partner in writing, within a reasonable time after receipt of such a request, each General Partner shall send to the Investor Limited Partner such recent financial statements (including a balance sheet and statement of income) as shall have been so requested.

F. The General Partner shall provide the Investor Limited Partner with (i) a copy of each draw request for construction or development costs as such requests are made to the Lender; (ii) a copy of each inspection report, evaluation or similar report issued to the
Partnership by any Agency or Lender promptly upon receipt thereof; (iii) a copy of each low-income housing tax credit compliance report delivered to or prepared by the applicable tax credit monitoring agency or agencies with respect to the Project; (iv) prompt notice of any casualty or other significant adverse event relating to the Partnership; (v) evidence of insurance, (vi) at least annually, a schedule setting forth the adjustments necessary, if any, to state the income of the Partnership using the longer depreciable lives available under generally accepted accounting principles (rather than the depreciable lives used for federal income tax purposes), and (vii) such other information as the Investor Limited Partner may specifically request from time to time with regard to the business or operations of the Partnership.

G. By the fifteenth (15th) day of each month prior to the Development Obligation Date, the General Partner shall provide the Investor Limited Partner with a brief written summary of the status of the construction, development, lease-up and operations of the Project during the prior month.

H. An annual pro forma operating budget for the succeeding calendar year shall be prepared by the General Partner and furnished to the Investor Limited Partner by November 30 of each year. In addition, the General Partner shall prepare and furnish to the Investor Limited Partner an estimate of the profits and losses of the Partnership for federal income tax purposes for the current fiscal year not later than September 30 of each year.

I. Within thirty (30) days following the close of the first year of the credit period with respect to the Project, the General Partner shall provide the Investor Limited Partner with a copy (in electronic form, if feasible) of all records establishing the qualification of tenants under Section 42 of the Code.

Section 12.2 Bank Accounts

Subject to any Requisite Approvals, the bank accounts of the Partnership shall be maintained in such banking institutions as the General Partner shall determine and withdrawals shall be made only in the regular course of Partnership business on the signature of the Managing General Partner. All deposits and other funds not needed in the operation of the business shall be deposited, to the extent permitted by the Lender and the Agency, in interest-bearing accounts or invested in short-term United States Government obligations maturing within one (1) year.

Section 12.3 Elections

Unless the Consent of the Investor Limited Partner is obtained permitting a different treatment, and except to the extent otherwise required by Section 168(g)(1)(B) of the Code, the Partnership shall depreciate its residential rental property, site improvements and personal property costs, respectively, over twenty-seven and a half (27.5) years, fifteen (15) years and five (5) years for federal income tax purposes and over forty (40) years, twenty (20) years and ten (10) years (or over such other relevant useful lives as the Accountants shall deem appropriate) for financial accounting purposes. Subject to the provisions of Section 12.4, all other elections required or permitted to be made by the Partnership under the Code shall be made by the General Partner in such manner as it considers to be most advantageous to the Limited Partners.
Section 12.4 Special Adjustments

In the event of (i) a transfer of all or any part of any Interest or (ii) an election pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) is made by the Investor Limited Partner, the Partnership shall elect, if requested by the transferee or by the Investor Limited Partner (as the case may be), pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) to adjust the basis of Partnership assets. Notwithstanding anything to the contrary contained in Article X, any adjustments made pursuant to said Section 754 shall affect only the successor in interest to the transferring Partner. Each Partner will furnish the Partnership with all information necessary to give effect to such election.

Section 13.2 Word Meanings

The words such as “herein,” “hereinafter,” “hereof,” and “hereunder” refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires. The singular shall include the plural and the masculine gender shall include the feminine and neuter, and vice versa, unless the context otherwise requires. Any references to “Sections” or “Articles” are to Sections or Articles of this Agreement, unless reference is expressly made to a different document.
Section 13.3 Binding Provisions

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

Section 13.4 Applicable Law

This Agreement shall be construed and enforced in accordance with the internal laws of the State.

Section 13.5 Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 13.6 Paragraph Titles

Paragraph titles and any table of contents herein are for descriptive purposes only, and shall not affect the meaning of this Agreement as set forth in the text.

Section 13.7 Separability of Provisions; Rights and Remedies

A. Each provision of this Agreement shall be considered separable and (i) if for any reason any provisions herein are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid, or (ii) if for any reason any provisions herein would cause the Limited Partners to be bound by the obligations of the Partnership under the laws of the State as the same may now or hereafter exist, such provisions shall be deemed void and of no effect.

B. Each of the parties hereto irrevocably waives during the term of the Partnership (including any periods during which the business of the Partnership is required to be continued under Article VII) any right (i) that such party may have to maintain any action for partition with respect to the property of the Partnership, and (ii) to commence an action seeking dissolution of the Partnership (unless the Consent of the Investor Limited Partner has been obtained).

C. The rights and remedies of any of the parties hereunder shall not be mutually exclusive, and the exercise of one or more of the provisions hereof shall not preclude the exercise of any other provisions hereof. Each of the parties confirms that damages at law may be an inadequate remedy for breach or threat of breach of any provisions hereof. The respective rights and obligations hereunder shall be enforceable by specific performance, injunction, or other equitable remedy, but nothing herein contained is intended to limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other parties for a breach or threat of breach of any provision hereof, it being the intention that the respective rights and obligations of the Partners shall be enforceable in equity as well as at law or otherwise.
D. Each Partner and each Guarantor irrevocably:

(i) agrees that any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby shall be brought in the courts of record of Tarrant County Texas or the courts of the United States located in Fort Worth, Texas;

Section 13.8 Effective Date of Admission

Any Partner admitted to the Partnership during any calendar month shall be deemed to have been admitted as of the first day of such calendar month for all purposes of this Agreement including the allocation of profits, losses and credits under Article X; provided, however, that if regulations are issued by the Service or an amendment to the Code is adopted which would require, in the opinion of the Accountants, that a Partner be deemed admitted on a date other than as of the first day of such month, then the General Partner shall select a permitted admission date which is most favorable to the Partner.

Section 13.9 Delivery of Certificate

Promptly upon the filing of the Certificate and each amendment thereto in the Filing Office, the General Partner shall deliver or mail a copy thereof to each Limited Partner.

Section 13.10 Additional Information

Section 13.12 Brokers or Finders

The parties hereto agree that no broker or finder has any claim for commissions or fees in connection with the transaction embodied herein. The General Partner shall indemnify the Limited Partners against any brokers' or finders' fees or commissions claimed through the General Partner or its Affiliates in connection with the transactions contemplated hereby, including without limitation fees or commissions claimed by any syndicator or consultant engaged by the General Partner or any of its Affiliates. Fees payable to Lend Lease are not covered hereby.

A. For as long as any Mortgage from the Partnership held by the Lender shall be outstanding:

   (i) Each of the provisions of this Agreement shall be subject to, and the General Partners covenant to act in accordance with the Regulations and Bond Loan, but in no event shall any Partner be personally liable for the performance of this covenant;

   (ii) The Regulations and Bond Loan shall be binding upon and shall govern the rights and obligations of the Partners, their heirs, executors, administrators, successors and assigns, but only to the extent expressly provided therein;

   (iii) Any Partner hereafter shall, as a condition of receiving an interest in the Partnership Property, agree to be bound by the Bond Loan and other documents required in connection with the Bond Loan to the same extent and on the same terms as the other parties;

   (v) No amendment of this Agreement which would affect the rights of the Lenders under any of the documents referred to in this Section 13.14 shall be made without the prior written consent of the Lender;

   (vi) Any other provisions of this Agreement to the contrary notwithstanding, if any provisions of this Agreement shall be in conflict with any provision of the Bond Loan Documents, the provisions of the Bond Loan Documents shall control;
(vii) No distributions (as that term is defined in the Regulatory Agreement) shall be made except as permitted by the terms of the Regulatory Agreement;

(viii) Any other provisions of this Agreement to be the contrary notwithstanding, fees for services payable to the Developer pursuant to the Development Agreement shall be payable only out of Capital Contributions or Cash Flow;

Section 13.15 Requirements for Bonds

A. Notwithstanding any other provision of this Agreement to the contrary, so long as any Bonds shall be outstanding, the Partnership shall not, and the General Partner shall have no authority in respect of the Partnership or the Project to, perform any act or permit any act to be taken on its behalf which:

(i) is contrary to or would result in a breach or violation of or a default under any requirement, covenant or other obligation of the Partnership set forth in any Bond Document; or

(ii) No amendment of this Agreement which would affect the rights of any party to any Bond Document (other than the Partnership) shall be made without the prior written consent of such party and without prior compliance with the conditions for amending such bond Document;

(iii) If any provision of this Agreement shall be in conflict with any provision of any Bond Document, such conflicting provision of this Agreement shall be suspended and the provisions of the Bond Document shall control;
(iv) No part of the Project will be sold or otherwise disposed of or leased and no change in the use of the Project shall be made, except in accordance with the terms and conditions of the Bond Documents;

(v) The Partnership shall not change or permit any change in its identity or ownership (except for admitting additional limited partners or as contemplated by Sections 6.3C, 8.1 and 7.7 of the Partnership Agreement), undertake any other obligations, directly or indirectly, or take or permit any other actions which would impair or prevent performance of its obligations, except as permitted thereby, without obtaining the requisite approvals under the Bond Documents;

(vi) To the extent reasonably possible, the Partners shall take all actions necessary to amend this Agreement to comply with any amendments to the Code or the Treasury Regulations effective retroactive to the date of such changes that are applicable to the exemptions of federal taxation under the Code of the interest paid on the Bonds; and

(vii) The provisions of this Section 13.15 shall not be deleted, amended or modified without the prior written consent of the parties to the Bond Documents.

(1) "all risk" builders risk insurance satisfactory to the Special Limited Partner covering all property to be incorporated into the completed Project, whether under construction, stored on or off the Land or in transit, in an amount of not less than the full completed value of the Project (including architectural fees). Such insurance shall be written on a completed value form, may be subject to a per loss deductible not to exceed $10,000 and shall be specifically endorsed to provide coverage for the cost of any total or partial demolition of the Project required by law. Additional coverages shall be provided as follows for Projects located as set forth below:

   (a) if the Project is located in California, earthquake coverage in an amount acceptable to the Special Limited Partner and subject to a deductible not to exceed 5% of the total insured value of the Project; provided, however, that such requirement shall be waived if the Project is shown to have an expected seismic damage ratio not greater than 10% as determined by independent engineers retained by the Special Limited Partner; or

   (b) if the Project is located within ten miles off the coast of Florida, Alabama, Louisiana, Mississippi, North Carolina, South Carolina or Texas, windstorm coverage in an amount not less than the total insured value of the Project, which coverage shall be subject to a deductible not greater than 2% of the Project’s total insured value;

the insurance described in this subparagraph (1) shall remain in force for the benefit of the Partnership until the Completion Date shall have occurred and the insurance coverage described in subsection (iv) below shall be in place;

(2) commercial general liability insurance in amounts of not less than $1,000,000 per occurrence (combined single limit) and $2,000,000 in the aggregate; and

The Builder's commercial liability insurance shall apply as primary insurance with respect to any other insurance maintained by the Partnership and shall specifically name the Partnership and the Investor as additional insureds;

(2) contractors professional liability in an amount of not less than $1,000,000 in the aggregate;

(3) comprehensive automobile insurance in an amount of not less than $1,000,000 per occurrence and $2,000,000 in the aggregate covering liability arising out of any owned, non-owned or hired vehicle utilized by the Builder in conjunction with the Project;

Such contract of insurance shall include loss of rents coverage in an amount of not less than the Project's currently projected annual gross rent, an agreed amount endorsement covering all property and rental values and a standard building laws endorsement, including coverage for building ordinance compliance, demolition and increased cost of construction, and shall be subject to a per loss deductible not to exceed $10,000. Additional coverages shall be provided as follows for Projects located as set forth below;

(a) if the Project is located in California, earthquake coverage in an amount acceptable to the Special Limited Partner and subject to a deductible not to exceed 5% of the total insured value of the Project; provided, however, that such requirement shall be waived if the Project is shown to have an expected seismic damage ratio not greater than 10% as

(v) The General Partner shall cause the Management Agreement to require that the Management Agent obtain and maintain at all times with respect to the Project the insurance coverage as required in clauses (i) - (iv) above, to the extent that the General Partner has not arranged for such coverage and to require that the Management Agent maintain:

(1) a policy of commercial general liability insurance in amounts not less than $1,000,000 per occurrence and $2,000,000 in the aggregate which shall name the Partnership as an additional insured;

Re: MAEDC-Hulen Bend Senior Community, L.P., a Texas limited partnership (the "Partnership")

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership dated as of November 14, 2002 (the "Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Based upon information provided to us by the Partnership concerning Hulen Bend Senior Apartments (an apartment complex located in Fort Worth, Texas, referred to herein as the "Project"), we have performed the following procedures.

We have compiled a statement of the development costs through ___ , 20__ and the expected classification of each cost for tax purposes.

We have obtained a budget for the development costs from the Partnership.

We have compared the budget for such costs to the actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership.

We have determined that the Annual Credit properly allocable to the Investor Limited Partner will be approximately $_______.

We have further determined that 50% or more of the aggregate basis of the buildings and the land on which the buildings are located is financed by an obligation, the interest on which is exempt from tax under Section 103 of the Code and which is within the State’s volume cap as provided in Section 146 of the Code.
Furthermore, nothing has come to our attention to suggest that the data or assumptions on which the above determinations are based are incorrect or inappropriate.

In making these determinations, we have assumed that 100% of the apartment units in the Project will be "low-income units" as such term is defined in Section 42(i)(3) of the Internal Revenue Code of 1986, as amended, and have no reason to believe that such assumption is unwarranted.

Copies of the calculations we have made in reaching the determinations above and of the financial statements and budgets upon which such calculations are based are attached hereto.

1. All preconditions, representations, warranties and agreements set forth in the Partnership Agreement and applicable to the Fifth Installment have been satisfied.

2. As set forth in Section 5.1A of the Partnership Agreement, the amount of the Fifth Installment is $401,000, there being no reduction in the amount thereof pursuant to Section 5.1B of the Partnership Agreement. [Modify as appropriate if any adjustment shall have occurred and attach supporting calculations and documentation.]

3. The Partnership has achieved a Debt Service Coverage Ratio of 115% for each of three (3) consecutive months, as evidenced by the determination letter attached hereto as Attachment A.

4. The Partnership has received properly executed Forms 8609 from the Credit Agency with respect to each building which comprises the Project.

5. The Partnership has received evidence that the Project has been granted a CHDO exemption by the Tarrant Appraisal District.

6. Each of the representations and warranties set forth in Section 6.5 of the Partnership Agreement is true and correct.

7. No event has occurred which would permit the Investor Limited Partner to give an Election Notice under Section 5.2 of the Partnership Agreement.

8. No Event of Bankruptcy as to any General Partner, Developer or Guarantor shall have occurred unless such Event of Bankruptcy shall have been cured in a manner approved in writing by the Investor Limited Partner.

9. No event has occurred which suspends or terminates the obligations of the Investor Limited Partner to pay Installments under the Partnership Agreement which has not been cured as therein provided.

10. Attached hereto is a true copy of the Title Policy, including all endorsements thereto, evidencing the accuracy of the representation contained in Section 6.5A(viii) of the Partnership Agreement.

Re: MAEDC-Hulen Bend Senior Community, L.P., a Texas limited partnership (the "Partnership")

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership dated as of November 14, 2002 (the "Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Using information provided to us by the Partnership concerning Hulen Bend Senior Apartments (an apartment complex located in Forth Worth, Texas referred to herein as the "Project"), we have performed the following procedures:

We have compiled a statement of income and expenses for the [six (6) months] ended __________, 20__.

We have obtained an annual budget prepared by the Project's management agent for the year ended December 31, 20__.

We have adjusted the statement to annualize all expenditures, including those of a seasonal or irregular nature which might reasonably be expected to be incurred on an unequal basis during a full annual period of operations. (Examples of such expenditures include debt service, reserve funding, maintenance, utilities, snow removal and real estate taxes.)

We have compared the budget for such period to the statement of actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership and the management agent.
We have determined that the Partnership, for a period of three (3) calendar months (and during each individual month) beginning on __________ 20__, (which date is subsequent to Final Closing) has achieved a Debt Service Coverage Ratio of 120%. Furthermore, nothing has come to our attention to suggest that the data or assumptions on which the above determination is based are incorrect or inappropriate.

Copies of the calculations and adjustments we have made in reaching the determination above and of financial statements and budgets upon which such calculations are based are attached hereto.

1.02 REGISTERED OFFICE AND AGENT

The address of the registered office provided in the Articles of Incorporation, as duly filed with the Texas Secretary of State, is: 7017 Chipperton, Suite 100, Dallas, Texas 75225

The name of the registered agent of the Corporation at such address, as set forth in its Amended and Restated Articles of Incorporation, is: Monique S. Allen 7017 Chipperton, Suite 100, Dallas, Texas 75225

The registered agent or office may be changed by filing a Statement of Change of Registered Agent or Office or Both with the Texas Secretary of State, and not otherwise. Such filing shall be made promptly with each change. Arrangements for each change in registered agent or office shall ensure that the Corporation is not exposed to the possibility of a default judgment. Each successive registered agent shall be of reliable character and well informed of the necessity of immediately furnishing the papers of any lawsuit against the Corporation to its attorneys.

1.03 BUSINESS OFFICE

The address of the initial principal office of the Corporation is hereby established as: 7017 Chipperton, Suite 100, Dallas, Texas 75225. The Corporation may have additional business offices within the State of Texas, and where it may be duly qualified to do business outside of Texas, as the Board of Directors may designate or the business of the Corporation may require.

1.04 AMENDMENT OF BYLAWS

The Board of Directors may alter, amend, or repeal these Bylaws, and adopt new Bylaws. All such Bylaw changes shall take effect upon adoption by the Directors. Notice of Bylaws changes shall be given in or before notice of the first Members' meeting following their adoption.

ARTICLE TWO- DIRECTORS AND DIRECTORS' MEETINGS

2.01 POWERS

The business and affairs of the Corporation and all corporate powers shall be exercised by or under authority of the Board of Directors, subject to the limitations imposed by law, the Articles of Incorporation, and these Bylaws.
2.02 VACANCIES

Vacancies on the Board of Directors shall exist upon: (a) the failure of the Members to elect the full authorized number of Directors to be voted for at any Member’s meeting at which any Director is to be elected; (b) a declaration of vacancy under Section 2.03(a) of these Bylaws; (c) an increase in the authorized number of Directors; or (d) the death, resignation, or removal of any Director.

2.02(a) DECLARATION OF A VACANCY

A majority of the Board of Directors may declare the office of a Director vacant if the Director is adjudged incompetent by a court; is convicted of a crime involving moral turpitude; or fails to accept the office of Director, either by a letter of acceptance or by attending a meeting of the Board of Directors within thirty (30) days of notice of election.

2.02(b) FILLING VACANCIES BY DIRECTORS

Vacancies other than those caused by an increase in the number of Directors shall be temporarily filled by majority vote of the remaining Directors, though less than a quorum, or by a sole remaining Director. Each Director so elected shall hold office until a successor is elected at a Member’s meeting. Vacancies reducing the number of Directors to less than three shall be filled before the transaction of any other business.

2.02(c) FILLING VACANCIES BY MEMBERS

Any vacancy on the Board of Directors, including those caused by an increase in the number of Directors, shall be filled by the Members at the next annual meeting or at a special meeting called for that purpose. Upon the resignation of a Director tendered to take effect at a future time, the Board or the Members may elect a successor to take office when the resignation becomes effective.

2.03 REMOVAL OF DIRECTORS

The entire Board of Directors or any individual Director may be removed from office by a vote of a majority of Members entitled to vote at an election of Directors. However, if less than the entire Board is to be removed, and the Members are given the right to cumulate votes in the Articles of Incorporation, no one of the Directors may be removed if the votes cast against his removal would be sufficient to elect him if then voted at an election of the entire Board of Directors. If any or all Directors are so removed, their replacements may be elected at the same meeting.

2.04 ACTION BY CONSENT OF BOARD WITHOUT MEETING
Any action required or permitted to be taken by the Board of Directors may be taken without a meeting and shall have the same force and effect as a unanimous vote of Directors if all the Directors consent to the action in writing. Such consent may be given individually or collectively.

2.05 PLACE OF MEETINGS

Meetings of the Board of Directors shall be held at any place within or without the State of Texas as may be designated by the Board.

2.06 REGULAR MEETINGS

Regular meetings of the Board of Directors shall be held, without call or notice, immediately following each annual Members' meeting, and at any other regularly repeating times as the Directors may designate.

2.07 SPECIAL MEETINGS

Special meetings of the Board of Directors for any purpose may be called at any time by the President or, if the President is absent or unable or refuses to act, by any Vice President or any two Directors. Written notice of the special meeting, stating the time and place of the meeting, shall be mailed ten (10) days before, or personally delivered so as to be received by each Director not later than two (2) days before, the day appointed for the meeting. The notice may include a tentative agenda, but the meeting shall not be confined to any agenda included with the notice, and none is required.

Upon providing notice, the Secretary or other officer sending notice shall sign and file in the Corporate Record Book a statement of the details of the notice given to each Director. If such statement should later not be found in the Corporate Record Book, due notice shall be presumed.

2.08 QUORUM

The presence throughout any Directors' meeting, or adjournment thereof, of a majority of the authorized number of Directors shall be necessary to constitute a quorum to transact any business, except to adjourn. If a quorum is present, every act done or resolution passed by a majority of the Directors present and voting shall be the act of the Board of Directors, unless the act of a greater number is required by law, the Articles of Incorporation, or these Bylaws. Directors present by proxy shall not be counted toward a quorum.

2.09 ADJOURNMENT AND NOTICE OF ADJOURNED MEETINGS
A quorum of the Directors may adjourn any Directors' meeting to meet again at a stated hour on a stated day. Notice of the time and place where an adjourned meeting will be held need not be given to absent Directors if the time and place are fixed at the adjourned meeting. In the absence of a quorum, a majority of the Directors present may adjourn to a set time and place if notice is duly given to the absent members, or until the time of the next regular meeting of the Board.

2.10 CONDUCT OF MEETINGS

The President shall chair all meetings of the Board of Directors. In the President's absence, the Vice President or a Chairmen chosen by a majority of the Directors present shall preside. The Secretary of the Corporation shall act as Secretary of the Board of Directors' meetings. When the Secretary is absent from any meeting, the Chairman may appoint any person to act as Secretary of that meeting.

2.11 NUMBER OF DIRECTORS

The number of Directors of this Corporation shall be three, none of whom need be residents of Texas or Members. The number of Directors may be increased or decreased from time to time by amendment of these Bylaws. Any decrease in the total number of Directors shall not have the effect of reducing the total number of Directors below three, nor of shortening the tenure which any incumbent Director would otherwise enjoy.

2.12 TERM OF OFFICE

Directors shall be entitled to hold office until removed or their successors are elected and qualified. Election for all Director positions, vacant or not, shall occur at each annual Members' meeting and may be held at any special Members' meeting called specifically for that purpose.

2.13 COMPENSATION

Directors as such shall not receive salaries for their services, but by resolution of the Board of Directors a fixed sum plus expenses of attendance, if any, may be paid to Directors for attendance at each meeting of the Board. This policy does not preclude any Director from serving the Corporation in any other capacity and receiving compensation for such additional service.

2.14 INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Corporation shall indemnify all officers, Directors, employees, and agents to the extent required by law. The Board of Directors may, by separate resolution, provide for additional indemnification as allowed by law.

2.15 INSURING DIRECTORS, OFFICERS, AND EMPLOYEES
The Corporation may purchase and maintain insurance, or make any other arrangement, on behalf of any person as permitted by Article 2.22A(R) of the Texas Non-Profit Corporation Act, whether or not the Corporation has the power to indemnify that person against liability for any acts.

2.16 BOARD COMMITTEES-AUTHORITY TO APPOINT

The Board of Directors may designate one or more committees to conduct the business and affairs of the Corporation to the extent authorized. Each Board committee shall contain at least two (2) members, a majority of whom must be Directors. The Board shall have the power to change the powers and membership of, fill in vacancies in, and dissolve any committee at any time. Members of any committee shall receive such compensation as the Board of Directors may from time to time provide. The designation of any committee and the delegation of authority thereto shall not operate to relieve the Board of Directors, or any member thereof, of any responsibility imposed by law. The Board may also elect or appoint Members' committees, but these committees shall not conduct the business of the Corporation.

2.17 PROXIES

A Director may vote in person or by proxy executed in writing. No proxy shall be valid after three months from the date of its execution. Each proxy shall be revocable unless expressly provided therein to be irrevocable and otherwise irrevocable by law.

ARTICLE THREE-MEMBERS AND MEMBERS' MEETINGS

3.01 ADMISSION OF MEMBERS

Members shall be admitted by the Board of Directors. An affirmative vote of two-thirds of the Directors shall be required for admission. The Directors shall set, and may alter, qualifications and classes of membership. Membership is not transferable or assignable.

3.02 VOTING RIGHTS

Members of any class(es) entitled to vote shall have one vote on each matter submitted to a vote of the Members.

3.03 TERMINATION OF MEMBERSHIP

The Board of Directors, by two-thirds affirmative vote, may suspend or expel a Member for cause after notice and hearing and may, by a majority vote, terminate the membership of any Member who becomes ineligible for membership, or suspend or expel any Member who shall be in default in the payment of dues for the period fixed by the Directors.

3.04 REINSTATEMENT
Upon written request signed by a former Member and filed with the Secretary, the Board of Directors may, by two-thirds affirmative vote, reinstate such former Member on such terms as the Board of Directors may deem appropriate.

3.05 RESIGNATION

Any Member may resign by filing a written resignation with the Secretary, but such resignation shall not relieve the Member so resigning of the obligation to pay any dues, assessments, or other charges theretofore accrued and unpaid.

3.06 ANNUAL MEETINGS

The time, place, and date of the annual meeting of the Members of the Corporation, for the purpose of electing Directors and for the transaction of any other business as may come before the meeting, shall be set by a majority vote of the Board of Directors. If the day fixed for the annual meeting is a legal holiday in the State of Texas, such meeting shall be held on the next succeeding business day. If the election of Directors is not held on the day thus designated for any annual meeting, or at any adjournment thereof, the Board of Directors shall cause the election to be held at a special meeting of the Members as soon thereafter as possible.

3.07 ACTION WITHOUT MEETING

Any action that may be taken at a meeting of the Members under any provision of the Texas Non-Profit Corporation Act may be taken without a meeting if authorized by a consent or waiver signed by all of the persons who would be entitled to vote on that action at a meeting and filed with the Secretary of the Corporation. Each such signed consent, or a true copy thereof, shall be placed in the Corporate Record Book.

3.08 PLACE OF MEETINGS

Members' meetings shall be held at any place within or without the State of Texas as may be designated by the written consent of all persons entitled to vote at a Members' meeting. Any meeting is valid wherever held if written consent to the meeting is given by all persons entitled to vote at the meeting.

3.09 TELEPHONE MEETINGS
Subject to the notice provisions required by these Bylaws and by the Texas Non-Profit Corporation Act, Members may participate in and hold a meeting by means of conference telephone or similar communications equipment by which all persons participating can hear each other. Participation in such a meeting shall constitute presence in person at such meeting, except participation for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

3.10 FAILURE TO HOLD ANNUAL MEETING

If, within any thirteen (13) month period, an annual Members' Meeting is not held, any Member may demand, by registered mail to any officer, that the meeting be held within a reasonable time. If the meeting is not held within sixty (60) days of the demand, any Member may compel the meeting by legal action against the Board of Directors.

3.11 CONDUCT OF MEETINGS

Members' meetings shall be chaired by the President, or, in the President's absence, a Vice President or any other person chosen by a majority of the Members present in person or by proxy and entitled to vote. The Secretary of the Corporation, or, in the Secretary's absence, an Assistant Secretary, shall act as Secretary of the Members' meetings. In the absence of the Secretary or Assistant Secretary, the Chairman of the meeting shall appoint another person to act as Secretary of the meeting.

3.12 NOTICE OF MEETINGS

The officer or persons giving notice of a Members' meeting shall deliver written notice to each Director and to each Member entitled to vote at the meeting at least ten (10) but not more than fifty (50) days before the date of the meeting. Such notice shall state the place, day, and hour of the meeting, and, in case of a special meeting, the purpose or purposes for which the meeting is called. The notice may be given personally, by mail, or by other means. The notice shall be addressed to each recipient at such address as appears in the Corporation's records or as the recipient has given to the Corporation for the purpose of notice. Meetings provided for in these Bylaws shall not be invalid for lack of notice if all persons entitled to notice consent to the meeting in writing or are present at the meeting in person or by proxy and do not object to the notice given. Consent may be given either before or after the meeting. Notice of the reconvening of an adjourned meeting is not necessary unless the meeting is adjourned more than thirty (30) days past the date stated in the notice, in which case notice of the adjourned meeting shall be given as in the case of any special meeting.

3.13 SPECIAL MEETINGS

A special Members' meeting may be called at any time by the President, the Board of Directors, or one or more Members holding one-tenth or more of all the votes entitled to vote at the meeting. Such meeting may be called for any purpose. The party calling the meeting may do so only by written request sent by certified mail or delivered in person to the President or Secretary.
officer receiving the written request shall cause notice of the meeting to be sent to all the
Members entitled to vote at the meeting. If the officer does not give notice of the meeting within
ten (10) days after receipt of the written request, the person or persons calling the meeting may
fix the time of the meeting and give the notice. The notice shall be sent pursuant to Section 3.12
of these Bylaws. The notice of a special Members' meeting must state the purpose or purposes of
the meeting and, absent consent of every Member to the specific action taken, shall be limited to
purposes plainly stated in the notice, notwithstanding other provisions herein.

3.14 QUORUM

3.14(a) QUORUM OF MEMBERS

As to each item of business to be voted on, the presence (in person or by proxy) of the
persons who are entitled to vote at least one-tenth of the Members' votes on that matter
shall constitute the quorum necessary for the consideration of the matter at a Members'
meeting. If a quorum is present, every act done or resolution passed by a majority of the
Members present shall be the act of the Members.

3.14(b) ADJOURNMENT FOR LACK OF QUORUM

No business may be transacted in the absence of a quorum, or upon the withdrawal of
enough Members to leave less than a quorum, other than to adjourn the meeting from time
to time by the vote of a majority of the votes represented at the meeting.

3.15 VOTING BY VOICE OR BALLOT

Elections for Directors need not be by ballot unless a Member demands election by ballot before
the voting begins.

3.16 PROXIES

A Member may vote either in person or by proxy executed in writing by the Member or his or her
duly authorized attorney in fact. Unless otherwise provided in the proxy or by law, each proxy
shall be revocable and shall not be valid after eleven (11) months from the date of its execution.

3.17 VOTING BY MAIL

Any election of Directors may be conducted by mail in such manner as the Board of Directors
shall determine.

ARTICLE FOUR-OFFICERS

4.01 TITLE AND APPOINTMENT
The officers of the Corporation shall be a President, a Vice President, a Secretary, and such other officers as the Board may designate. Any two or more offices, except President and Secretary, may be held by the same person. All officers shall be elected by and hold office at the pleasure of the Board of Directors, which shall fix the compensation and tenure, not to exceed three (3) years, of all officers. The Board of Directors may delegate this power to appoint officers to any officer or committee, and such officer or committee shall have full authority over the officers they appoint, subject to the power of the Board as a whole. Election or appointment of an officer shall not of itself create contract rights.

4.02 REMOVAL AND RESIGNATION

Any officer may be removed, with or without cause, by vote of a majority of the Directors at any meeting of the Board, or, except in case of an officer chosen by the Board of Directors, by any committee or officer upon whom that power of removal may be conferred by the Board. Such removal shall be without prejudice to the contract rights, if any, of the person removed. Any officer may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary of the Corporation. Any resignation shall take effect upon receipt or at any later time specified therein. Unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

4.03 VACANCIES

Should any vacancy occur in any office of the Corporation, the Board of Directors may elect an acting successor to hold office for the unexpired term or until a permanent successor is elected.

4.04 COMPENSATION

The compensation of the officers shall be fixed from time to time by the Board of Directors, and no officer shall be prevented from receiving a salary by reason of the fact that the officer is also a Member or a Director of the Corporation, or both.

4.05 PRESIDENT

The President shall be the chief executive officer of the Corporation, subject to the control of the Board of Directors. The President shall have general supervision, direction, and control of the business and officers of the Corporation; shall have the general powers and duties of management usually vested in the office of the President of a corporation; shall have such other powers and duties as may be prescribed by the Board of Directors or the Bylaws; and shall be ex officio a member of all standing committees, including the executive committee, if any. In addition, the President shall preside at all meetings of the Members and Board of Directors.

4.06 VICE PRESIDENT

The Vice President(s) shall have such powers and perform such duties as from time to time may be prescribed by these Bylaws, the Board of Directors, or the President. In the absence or
disability of the President, the senior Vice President shall perform all the duties of the President, pending action by the Board. While so acting, the senior Vice President shall have the powers of, and be subject to all the restrictions on, the President.

4.07 SECRETARY

The Secretary shall:

(A) See that all notices are duly given as required by law, the Articles of Incorporation, or these Bylaws. In case of the absence or disability of the Secretary, or the Secretary's refusal or neglect to act, notice may be given and served by an Assistant Secretary or by the President, Vice President, or Board of Directors.

(B) Be custodian of the minutes of the Corporation's meetings, its Corporate Record Book, its other records, and any seal which it may adopt. When the Corporation exercises its right to use a seal, the Secretary shall see that the seal is embossed upon all documents authorized to be executed under seal in accordance with these Bylaws.

(C) Maintain, in the Corporate Record Book, a record of all Members of the Corporation, together with their current mailing addresses.

(D) In general, perform all duties incident to the office of Secretary, and such other duties as from time to time may be required by Article Six of these Bylaws, by these Bylaws generally, by the President, by the Board of Directors, or by law.

4.08 TREASURER

The Treasurer shall:

(A) Have charge and custody of, and be responsible for, all funds and securities of the Corporation, and deposit all funds in the name of the Corporation in those banks, trust companies, or other depositories as the Board of Directors select.

(B) Receive, and give receipt for, monies due and payable to the Corporation.

(C) Disburse or cause to be disbursed the funds of the Corporation as may be directed by the Board of Directors, taking proper vouchers for those disbursements.

(D) If required by the Board of Directors or the President, give to the Corporation a bond to assure the faithful performance of the duties of the Treasurer's office and the restoration to the Corporation of all corporate books, papers, vouchers, money, and other property of whatever kind in the Treasurer's possession or control, in case of the Treasurer's death, resignation, retirement, or...
removal from office. Any such bond shall be in a sum satisfactory to the Board of Directors, with one or more individual securities or with a surety company satisfactory to the Board of Directors.

(E) In general, perform all the duties incident to the office of the Treasurer, and such other duties as from time to time may be assigned to the Treasurer by Article Six of these Bylaws, by these Bylaws generally, by the President, by the Board of Directors, or by law.

4.09 ASSISTANT SECRETARY AND ASSISTANT TREASURER

The Assistant Secretary and Assistant Treasurer shall have such powers and perform such duties as the Secretary or Treasurer, respectively, or as the President or Board of Directors may prescribe. In the absence of the Secretary or Treasurer, the Assistant Secretary or Assistant Treasurer, respectively, may perform all the functions of the Secretary or Treasurer.

ARTICLE FIVE-AUTHORITY TO EXECUTE INSTRUMENTS

5.01 NO AUTHORITY ABSENT SPECIFIC AUTHORIZATION

These Bylaws provide certain authority for the execution of instruments. The Board of Directors, except as otherwise provided in these Bylaws, may additionally authorize any officer(s) or agent(s), to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation. Such authority may be general or confined to specific instances. Unless expressly authorized by these Bylaws or the Board of Directors, no officer, agent, or employee shall have any power or authority to bind the Corporation by any contract or engagement nor to pledge its credit nor to render it liable pecuniarily for any purpose or in any amount.

5.02 EXECUTION OF CERTAIN INSTRUMENTS

Formal contracts, promissory notes, deeds, deeds of trust, mortgages, pledges, and other evidences of indebtedness of the Corporation, other corporate documents, and certificates of ownership of liquid assets held by the Corporation shall be signed or endorsed by the President or any Vice President and by the Secretary or the Treasurer, unless otherwise specifically determined by the Board of Directors or otherwise required by law.

ARTICLE SIX-CORPORATE RECORDS AND ADMINISTRATION

6.01 MINUTES OF CORPORATE MEETINGS

The Corporation shall keep at the principal office, or such other place as the Board of Directors may order, a Corporate Record Book containing minutes of all meetings of the Corporation's Members, Directors, and committees. The minutes shall show the time and place of each meeting, whether the meeting was regular or special, a copy of the notice given or written waiver thereof.
and, if it is a special meeting, how the meeting was authorized. The minutes of all meetings shall further show the proceedings and the names of those present. Minutes of Member meetings shall also show the number of votes present or represented.

6.02 BOOKS OF ACCOUNT AND ANNUAL REPORTS

The Corporation shall maintain current true and accurate financial records with full and correct entries made with respect to all financial transactions, including all income and expenditures, in accordance with generally accepted accounting practices. Based on these records, the Board of Directors shall annually prepare or approve a report of the Corporation's financial activity for the preceding year. The report must conform to accounting standards as promulgated by the American Institute of Certified Public Accountants and must include a statement of support, revenue, expenses, and changes in fund balances, a statement of functional expenses, and balance sheets for all funds. All records, books, and annual reports of the financial activity of the Corporation shall be kept at its principal office for at least three years after the closing of each fiscal year and shall be available to the public for inspection and copying there during normal business hours. The Corporation may charge for the reasonable expense of preparing a copy of a record or report.

6.03 MEMBERSHIP REGISTER

The Corporation shall keep, at the principal office, a membership register showing the names of the Members, their addresses, the date they became a Member, and the date any former Member's membership terminated. The above-specified information may be kept on an information storage device, such as electronic data processing equipment, provided that the equipment is capable of reproducing the information in clearly legible form for the purposes of inspection by any Member, Director, officer, or agent of the Corporation during regular business hours.

6.04 CORPORATE SEAL

The Board of Directors may at any time adopt, prescribe the use of, or discontinue the use of, such corporate seal as it deems desirable, and the appropriate officers shall cause such seal to be affixed to such documents as the Board of Directors may direct.

6.05 FISCAL YEAR

The fiscal year of the Corporation shall be as determined by the Board of Directors and approved by the Internal Revenue Service. The Treasurer shall forthwith arrange a consultation with the Corporation's tax advisers to determine whether the Corporation is to have a fiscal year other than the calendar year. If so, the Treasurer shall file an election with the Internal Revenue Service as early as possible, and all correspondence with the IRS, including the application for the Corporation's Employer Identification Number, shall reflect such non-calendar year election.

6.07 LOANS TO OFFICERS AND DIRECTORS

The Corporation shall not loan money to any of its Directors.

6.08 WAIVER OF NOTICE AND CONSENT TO ACTION

Meetings provided for in these Bylaws shall not be invalid for lack of notice if all persons entitled to notice either waive notice or consent to the meeting, in writing, or are present and do not object to the notice given. Waiver or consent may be given either before or after the meeting. Attendance at a meeting shall constitute a waiver of notice of such meeting, except where a person attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

ARTICLE SEVEN-DUES

7.01 ANNUAL DUES

The Board of Directors may determine from time to time the amount of initiation fee, if any, and the annual dues payable to the Corporation by each class of Members.

(vii) the seventh Installment (the “Seventh Installment”) in the amount of $186,000, shall be paid upon the latest of (a) receipt by the Partnership of properly executed Form(s) 8609 with respect to all of the Buildings comprising the Project and receipt of a properly recorded Extended Use Agreement, and (b) the receipt by the Partnership of evidence that the Project has been granted a CHDO Tax Exemption.

B. The obligation of the Investor Limited Partner to make each Installment (except as otherwise provided) is subject to each of the following conditions:

(i) The General Partners shall have properly completed, executed and delivered to the Investor Limited Partner a certificate relating to the appropriate
remaining Installments (the “Payment Certificate”), in the forms attached hereto
as Exhibits E through J, relating to the appropriate remaining Installments, dated
the date such Installment is to be paid to the Partnership and attaching the Title
Policy endorsement and any other materials referred to therein. In connection
with the payment of each Installment, the Investor Limited Partner shall have the
right to conduct a physical inspection of the Property to determine that the
condition of the Project is consistent with sound business practices in the
geographic area in which the Project is located, including no deferred
maintenance. The Investor Limited Partner shall conduct such inspection within
ten (10) business days of being requested to do so by the General Partner,
provided, however, that the Investor Limited Partner will be deemed to waive
such physical inspection requirement if it does not make such inspection within
ten (10) business days of receipt of a written request by the General Partner to do
so (which may be sent prior to the date of the Payment Certificate, but not more
than ten (10) business days prior to the date of the Payment Certificate).

(ii) In the case of the First Installment, all Requisite Approvals to the
admission of the Investor Limited Partner pursuant to this Agreement shall have
been obtained and the Project shall have received a Credit Approval in the amount
of at least $469,118 per annum.

(iii) Each of the representations and warranties set forth in Section 6.5
shall in all material respects be true and correct.

(iv) No event shall have occurred which would permit the Investor
Limited Partner to give an Election Notice under Section 5.2.

(v) From and after the date of the occurrence of an Event of
Bankruptcy as to any General Partner, any Guarantor or the Developer, the
obligation of the Investor Limited Partner to pay the Installments shall be
suspended, and such obligation shall be reinstated only when such Event of
Bankruptcy shall have been cured in a manner approved in writing by the Investor
Limited Partner.

(vi) No Installment shall be payable unless all conditions for all prior
Installments have been satisfied.

Section 5.2. Adjustment to Capital Contributions of Investor Limited Partner

The Capital Contribution of the Investor Limited Partner shall be subject to adjustment in
the manner provided in this Section 5.2.

A. Federal Downward Basis Adjuster If at any time and from time to time the
Accountants shall determine that, or there shall be a Final Determination or a Recapture Event
pursuant to which, the Adjusted Aggregate Federal Credit Amount properly allocable to the
Investor Limited Partner during the Credit Period for all of the Buildings in the Project is or will
be less than the Projected Aggregate Federal Credit Amount, then the Capital Contribution of the
Investor Limited Partner shall be reduced in the aggregate by the “Federal Adjustment Factor”
(as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Credit Amount is less than the Projected Aggregate Federal Credit Amount (the resulting product being referred to herein as the "Federal Adjustment Amount"). Prior to the release of the Fifth Installment, the "Adjustment Factor" shall be an amount equal to $8.00. From and after the release of the Fifth Installments, the "Adjustment Factor" shall be an amount equal to $9.14. The Federal Adjustment Amount shall be increased by 10% per annum commencing on the Admission Date and continuing until the payment of the amount of such reduction in full (for purposes of this sentence, any reduction effected by reduction in the amount of an Installment as provided in Section 5.2C shall be deemed to have been paid on the date on which such Installment shall actually become payable hereunder).

B. Federal Timing Adjuster If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to which, the amount of the Federal Tax Credits properly allocable to the Investor Limited Partner is less than $392,456 in 2005, or $469,071 in 2006 (the "Target Amounts"), then the Capital Contribution of the Investor Limited Partner shall be reduced by $0.60 for each $1.00 that the Federal Tax Credits properly allocable to the Investor Limited Partner is less than $392,456 in 2005, or $469,071 in 2006 (a "Federal Timing Adjustment"). Notwithstanding the foregoing, however, in the event that the Adjusted Aggregate Federal Credit Amount shall vary from the Projected Aggregate Federal Credit Amount in effect on the date of the Investment Closing, the Target Amounts for purposes of the preceding sentence shall be adjusted by the same percentage by which the Adjusted Aggregate Federal Credit Amount varies from the Projected Aggregate Federal Credit Amount.

C. Payment of Federal Adjustments Any Federal Adjustment Amount (as increased pursuant to the last sentence of Section 5.2A) or Federal Timing Adjustment shall be applied first to reduce the amount of any unpaid portions of the Installments of the Capital Contribution of the Investor Limited Partner, in order, by a corresponding amount. If the aggregate Federal Adjustment Amount (as increased pursuant to the last sentence of Section 5.2A) and Federal Timing Adjustment exceeds the amount of such unpaid Installments, then the General Partners shall make a payment (a "Federal Tax Credit Shortfall Payment") to the Investor Limited Partner in the amount of such excess within thirty (30) days of the date of the determination in question. Unless the treatment thereof as a Capital Contribution is approved in writing by the Investor Limited Partner in its sole discretion, any such Federal Tax Credit Shortfall Payment by the General Partners shall not constitute a Capital Contribution, loan or advance to the Partnership and shall not be reimbursable by the Partnership, but shall be treated as a payment by the General Partners to the Investor Limited Partner for breach of warranty by the General Partners to the Investor Limited Partner. If full payment of such excess amount is not received within such thirty (30)-day period, the unpaid balance shall thereafter bear interest at the Designated Prime Rate.

D. Provisional Adjustments If, upon receipt by the Investor Limited Partner of a Payment Certificate with respect to any Installment, the Investor Limited Partner shall have a reasonable basis to believe that the amount of such Installment would have been subject to reduction if the Accountants had made a current determination or projection under Section 5.2A or 5.2B above, the Investor Limited Partner may so notify the General Partners within seven (7) business days of receipt of such Payment Certificate, and the General Partners shall thereupon
engage the Accountants to make such determination or projection (unless the General Partners and Investor Limited Partner shall mutually agree upon the adjustments to be made). The amount of the Installment in question shall then be provisionally reduced in accordance with such projection or agreement; provided, however, that if the Accountants’ subsequent determinations with respect to matters provisionally reduced under this paragraph shall vary from the determinations or mutual agreements described herein, then either (i) the Investor Limited Partner shall promptly pay to the Partnership the amounts, if any, by which the provisional reduction exceeded the reduction as subsequently determined or (ii) the amount, if any, by which the reduction as subsequently determined exceeded the provisional reduction shall be applied against future Installments or refunded as provided in Section 5.2C above. The due date for payment by the Investor Limited Partner of any Installment which shall become the subject of the procedure described in this paragraph shall be tolled pending determination of the provisional reduction (if any) as provided herein.

E. Federal Upward Basis Adjuster  If at any time and from time to time the Accountants shall determine or there shall be a Final Determination that the Adjusted Aggregate Federal Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be increased in the aggregate by the “Federal Increase Factor” (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Credit Amount. The “Federal Increase Factor” shall be an amount equal to $8.00 for every $1.00 by which the Adjusted Aggregate Federal Credit Amount exceeds the Projected Aggregate Federal Credit Amount. In no event shall any increase in the Investor Limited Partner’s Capital Contribution pursuant to this Section 5.2E exceed $300,000. Such increase in the Investor Limited Partner’s Capital Contribution shall be payable at the time of the payment of the Seventh Installment. Notwithstanding the foregoing, in the event that, through the Completion Date: (1) the amount of interest income allocated to the Investor Limited Partner exceeds the deductible investment interest expense allocated to the Investor Limited Partner (the “Net Interest Income”), then the increased Capital Contribution payable under this Section 5.2E shall be reduced by an amount equal to 40% of any Net Interest Income.

Section 5.3. Repurchase of Investor Limited Partner’s Interest

A. The General Partner hereby agrees to purchase the Interest of the Investor Limited Partner if any of the following events shall occur:

(i) Final Closing and Permanent Mortgage Commencement shall not have taken place on or before March 1, 2006, provided, however, that such date may be automatically extended for a period of up to twelve (12) months to the extent the expiration dates set forth in the Project Documents shall have been extended beyond such date; or

(ii) at any time prior to the Development Obligation Date, (1) any action to foreclose any Mortgage shall have been commenced and such action is not terminated or withdrawn within ninety (90) days or a binding agreement with
the holder(s) thereof to effect the same entered into within such period, and any notice of acceleration of indebtedness waived or withdrawn; (2) any action is commenced to foreclose any mechanics' or any other lien (other than the lien of any Mortgage) against the Project and such action has not within ninety (90) days been either bonded against in such a manner as to preclude the holder of such lien from having any recourse to the Property or to the Partnership for payment of any debt secured thereby, or affirmatively insured against by the title insurance policy or an endorsement thereto issued to the Partnership by a reputable title insurance company (which insurance company will not have indemnity from or recourse against Partnership assets by reason of any loss it may suffer by reason of such insurance) in an amount satisfactory to Special Tax Counsel; (3) construction or operation of the Project shall have been enjoined by a final order (from which no further appeals are possible) of a court having jurisdiction and such injunction shall continue for a period of ninety (90) days; (4) any of the Forward Commitments is terminated, withdrawn or becomes unenforceable (except as a result of full performance thereof in accordance with its terms) and such Forward Commitment is not reinstated (or replaced on terms at least as favorable to the Partnership) within ninety (90) days; (5) a casualty occurs resulting in substantial destruction of more than 50% of the Project, or there is substantial destruction of less than 50% of the Project and the insurance proceeds (if any) are insufficient to restore the Project or the Project is not so restored within twenty-four (24) months following such casualty; or (6) the Project shall become ineligible for 30% or more of the low-income housing tax credit anticipated to be generated by the Project, as calculated on the basis of the information set forth in the Investment Assumptions; or

(iii) any Lender or Agency shall disapprove, or fail to give a required approval of, the Investor Limited Partner as a Partner of the Partnership.

B. If any such event set forth in Section 5.2A shall occur, the General Partners shall give notice to the Investor Limited Partner and the Class B Limited Partner of the obligations of the Class B Limited Partner hereunder to purchase the Investor Limited Partner’s Interest (such obligation being herein called a “Purchase Obligation” and such notice the “Purchase Obligation Notice”) within fifteen (15) days after the occurrence of any event giving rise to such obligation. If the Investor Limited Partner elects to sell its Interest hereunder, it shall give the General Partners and the Class B Limited Partner notice of such election (an “Election Notice”) within thirty (30) days after such Purchase Obligation Notice from the General Partners is received by the Investor Limited Partner (or, in the event that such Purchase Obligation Notice from the General Partners is not given, at any time after the occurrence of such event).

C. Within thirty (30) business days after delivery to the General Partners and the Class B Limited Partner of an Election Notice from the Investor Limited Partner, the Class B Limited Partner shall pay the Investor Limited Partner a purchase price (the “Purchase Price”) in cash (with interest thereon at the Designated Prime Rate commencing on the fifth (5th) day following the date of such delivery) equal to (i) the sum of (a) 110% of the Investor Limited Partner’s Net Capital Contribution (whether or not theretofore paid-in to the Partnership), plus (b) the amount of any interest or penalties payable in connection with any recapture of tax credits
allocated to the Investor Limited Partner pursuant to the Partnership Agreement less (ii) the sum of (a) that portion of the Net Capital Contribution which has not theretofore been paid-in to the Partnership, (b) the amount of Cash Flow theretofore distributed by the Partnership in respect of the Investor Limited Partner's Interest and (c) the amount of any tax credits allocable to the Interest which will not be recaptured as a result of the disposition of said Interest or otherwise.

D. Upon the giving of its Election Notice, the Investor Limited Partner shall have no further obligations under this Agreement, and the General Partners and Class B Limited Partner shall indemnify and defend the Investor Limited Partner and hold it harmless against any such obligations. The General Partners and the Class B Limited Partner shall take all action and shall pay all costs necessary to enable the Investor Limited Partner to receive and retain the Purchase Price as against any creditor of any General Partner, the Class B Limited Partner or the Partnership. Notwithstanding the purchase by the Class B Limited Partner of the Interest of the Investor Limited Partner pursuant to Section 5.2A, to the extent permitted under the applicable provisions of the Code, the Investor Limited Partner shall be allocated any profits or losses and tax credits in respect of said Interest for the period prior to the date of the receipt by the Investor Limited Partner of payment therefor. Anything herein to the contrary notwithstanding, title to the Interest of the Investor Limited Partner shall not vest in the General Partners until payment in full of the Purchase Price therefor. Upon such payment, the General Partners shall forthwith cause an amendment hereto and to the Certificate and any other necessary papers to be executed, filed, recorded and published wherever required showing such substitution.

E. No agreement affecting the Project shall prevent the exercise by the Investor Limited Partner of its right to require the purchase by the Class B Limited Partner of its Interest in the manner described in this Section 5.2.

F. The Investor Limited Partner shall have the right to waive its right to have its Interest repurchased at any time during which any of such rights shall be in effect. Any such waiver shall be exercised by delivery to the General Partners and the Class B Limited Partner of a written notice stating under which clause(s) of this Section it is waiving its right to have its Interest repurchased and that its rights thereunder are thereby irrevocably waived from that date forward.

G. Should any Class B Limited Partner repurchase the Interest of the Investor Limited Partner pursuant to this Section 5.2, then the Special Limited Partner agrees to withdraw from the Partnership at the same time as the Investor Limited Partner's withdrawal is effective.

Section 5.4. Default of Investor Limited Partner

A. In the event that the Investor Limited Partner shall fail to pay an Installment in full when due in accordance with this Agreement, the Partnership shall give written notice to such defaulting Limited Partner (the "Defaulting Limited Partner"), who shall have thirty (30) days after such notice to make such payment. If the Defaulting Limited Partner fails to make such payment within such period, then such failure shall constitute a default by the Defaulting Limited Partner under this Agreement and all unpaid future Capital Contributions shall be immediately payable and the Partnership shall have the following rights and remedies, to be exercised as determined by the General Partner, without need for Consent of the Defaulting Limited Partner or the Special Limited Partner, each of which remedies shall be cumulative and
concurrent and may be pursued separately, successively, or together except as is otherwise provided in this Section, and such rights and remedies may be exercised as often as occasion therefor shall arise, all to the maximum extent permitted by the laws of the State of Texas.

(i) **Sale of Interest.** After the notice of default by the Partnership and expiration of the thirty (30) day cure period described above, the Partnership may elect, upon ten (10) days’ written notice to the Investor Limited Partner, to sell the Investor Limited Partner’s Interest in the Partnership. In connection with such sale, the General Partner agrees to use reasonable best efforts to obtain the highest price for the Investor Limited Partner’s Interest. The Investor Limited Partner shall receive any remaining net proceeds of such sale after satisfaction of the obligations of the Investor Limited Partner hereunder.

(ii) **Actions for Specific Performance.** At any time, after the notice of default by the Partnership and after expiration of the thirty (30) day cure period described above, the Partnership may pursue any or all of the rights and remedies available to the Partnership by law or as provided in this Agreement, including suits, to recover all future Capital Contributions, interest thereon, and reasonable costs and expenses, including reasonable attorney’s fees, incurred in collecting such amounts. The Partnership may pursue any such action or proceeding simultaneously with the Partnership’s exercise of its rights under subsection (i) above.

(iii) **Interest.** After default by the Partnership, the defaulted future Capital Contributions will bear interest at the Designated Prime Rate plus one percent (1%) until paid in full, and such interest will be paid by Investor Limited Partner as demanded by the Partnership.

(iv) **Certain Disputes.** Notwithstanding the foregoing, this Section 5.3 shall not apply, and the Investor Limited Partner shall not be deemed to be in default hereunder, in the event a bona fide dispute exists as to the satisfaction of any condition to the payment of an Installment. If such a dispute exists, such dispute shall be submitted during the thirty (30)-day period described above for non-binding mediation and then Arbitration in Dallas, Texas, in accordance with the rules of the American Arbitration Association, and if the arbitrator (the “Arbitrator”) finds that all conditions to the disputed Installment were satisfied, the Investor Limited Partner agrees that it will immediately pay the full amount of the disputed Installment to the Partnership together with interest as described above; provided, however, that (1) any finding by the Arbitrator shall not be final or binding; (2) the Investor Limited Partner or the General Partner, as the case may be, shall have the right, only after payment of the amounts described above, to challenge the Arbitrator’s finding in a court of competent jurisdiction; and (3) in no event shall the payment by the Investor Limited Partner of the disputed Installment be construed as a waiver of such right. The General Partner’s rights under this Section 5.3 shall not apply unless the Investor Limited Partner fails to pay the full amount of the disputed Installment within ten (10) days following a finding by the Arbitrator that all conditions to the disputed Installment were
satisfied (regardless of whether the Investor Limited Partner has exercised its right to challenge the Arbitrator’s finding pursuant to (2) above). If the Investor Limited Partner fails to pay such amounts within such ten (10) day period, the Investor Limited Partner shall not be entitled to exercise its rights under (2) above and the finding by the Arbitrator shall be deemed final and binding. In addition to the requirements set forth above, testimony during Arbitration shall be limited to three (3) days per party and the prevailing party shall be entitled to reimbursement for any attorney’s fees incurred in connection with such Arbitration.

B. Notwithstanding the above, in order to secure the performance of the Investor Limited Partner’s obligation to make Capital Contributions under this Agreement (subject to the default and adjustment provisions herein), the Investor Limited Partner has granted to the Partnership a security interest in the Investor Limited Partner’s Interest in the Partnership. The Investor Limited Partner hereby represents that the security interest granted is a first security interest in the collateral described subject and subordinate, if applicable, to the Bond Loan. The Partnership will not take any action to foreclose against such security interest prior to thirty (30) days written notice received by the Investor Limited Partner (the “Notice Period”). Further, if the Investor Limited Partner contests such action within the Notice Period giving written protest setting forth the basis of its objections (the “Protest Notice”), then the matter will be submitted to binding arbitration as set forth herein. If the Investor Limited Partner does not contest such action within the Notice Period by Protest Notice, then the Partnership may proceed, however, the Investor Limited Partner will be given a reasonable opportunity to appear and bid at any public or private sale of such Interest, or of any part thereof.

This agreement shall constitute the grant by the Investor Limited Partner and the Special Limited Partner of a security interest in the entire Interest in the Partnership and for purposes hereof the Special Limited Partner’s Interest shall be deemed included within the Investor Limited Partner’s interest. The Partnership acknowledges that such security interest shall only secure the Investor Limited Partner’s obligation to make Capital Contributions in accordance with the terms hereof. The Partnership shall be entitled to file a UCC to reflect the terms hereof. The Partnership acknowledges that the Investor Limited Partner has pledged its Interest to Fleet National Bank (“Fleet”), as described in Section 8.1D hereof. The Partnership agrees that, notwithstanding any contrary provision herein, it will give Fleet written notice at the following address: Fleet National Bank, Mail Code: MADE10304X, One Federal Street, Boston, MA 02110, Attention: John F. Simon, Vice President of any default of the Investor Limited Partner hereunder, and Fleet will have sixty (60) days from its receipt of such notice to cure any such default prior to the Partnership’s exercising any of its rights and remedies hereunder or otherwise at law or in equity, including, without limitation, its right to sell the Interest hereunder.

Section 5.5. Redemption of Partnership Interest.

The Investor Limited Partner shall have the right, exercised by giving written notice to the Partnership (with a copy to the Servicing Agent) within one hundred eighty (180) days following the end of the Compliance Period, to require the Partnership to redeem the Interest of the Investor Limited Partner for a redemption price of $100, and the Partnership shall promptly so redeem such Interest, whereupon the Investor Limited Partner shall cease to be a Partner and

shall have no further rights, duties or obligations with respect to the Partnership or any of the other Partners.

**ARTICLE VI**

**Rights, Powers and Duties of the General Partners**

**Section 6.1. Restrictions on Authority**

A. Notwithstanding any other provisions of this Agreement, the General Partners shall have no authority to perform any act in respect of the Partnership or the Project in violation of (i) any applicable law or regulation or (ii) any agreement between the Partnership and any Lender or Agency.

B. The General Partners shall not have any authority to do any of the following acts without the Consent of the Investor Limited Partner and the Class B Limited Partner and any Requisite Approvals:

(i) to incur indebtedness for money borrowed on the general credit of the Partnership, except as specifically permitted by Article IX, or

(ii) following completion of construction of the Improvements, to construct any new capital improvements, or to replace any existing capital improvements if construction or replacement would substantially alter the use of the Property, or

(iii) to acquire any real property in addition to the Property (other than easements or similar rights necessary or convenient for the operation of the Project), or

(iv) to cause the Partnership to make any loan or advance to any Person (for purposes of this clause 6.1B(iv), accounts receivable in the ordinary course of business from Persons other than the General Partners or their Affiliates shall not be deemed to be advances or loans), or

(v) to lease any Low Income Unit to other than Qualified Tenants or otherwise operate the Project in such a manner or take any action which could cause any Low Income Unit to fail to be treated as a qualified low-income housing unit under Section 42(i)(3) of the Code or which would cause the recapture by the Partnership of any low-income housing credit under Section 42 of the Code, or

(vi) to amend any Project Document, or to permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, the General Partners or their Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, the Investor Limited Partner (notwithstanding that the Investor Limited Partner is
neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective), or

(vii) to obtain, increase, refinance or materially modify any Mortgage Loan after Investment Closing or to sell or convey the Property or any substantial portion thereof, except as provided in Article IX, and except that the General Partners may cause the Partnership to grant easements and similar rights affecting the Land to obtain utility services for the Project or for other purposes necessary or convenient for the operation of the Project, or

(viii) to apply for or accept any grant funds on behalf of the Partnership regardless of the source of the grant which consent will not unreasonably withheld provided there are no adverse tax consequences, or

(ix) to cause the Partnership to commence a proceeding seeking any decree, relief, order or appointment in respect to the Partnership under the federal bankruptcy laws, as now or hereafter constituted, or under any other federal or state bankruptcy, insolvency or similar law, or the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) for the Partnership or for any substantial part of the Partnership's business or property, or to cause the Partnership to consent to any such decree, relief, order or appointment initiated by any Person other than the Partnership, or

(x) to pledge or assign any of the Capital Contribution of the Investor Limited Partner or the proceeds thereof, or

(xi) to amend any of the Related Agreements, or

(xii) to permit the merger, termination or dissolution of the Partnership, or

(xiii) to approve any changes to the plans and specifications for the Project which would result, either individually or in the aggregate, in an overall development cost increase or decrease in excess of $75,000 (provided, however, that any Consent of the Investor Limited Partner required under this clause (xii) shall not be unreasonably withheld.) or

(xiv) to take any action which would cause the Property or any part thereof to be treated as tax exempt use property within the meaning of Section 168(h) of the Code.

C. The General Partners shall not (a) cause the Partnership to utilize Cash Flow to acquire interests in other limited partnerships or (b) cause the Partnership to invest the proceeds of any sale or refinancing of the Project unless a sufficient portion thereof is distributed to the Investor Limited Partner to enable each limited partner thereof, assuming that it is in a combined federal, state and local marginal income tax bracket of 40%, to pay the federal, state and local income tax liability arising from the sale or refinancing which generated such proceeds, and in
any event sale or refinancing proceeds shall not be reinvested without the Consent of the Investor Limited Partner.

D. Any Partner may engage independently or with others in other business ventures of every nature and description including, without limitation, the ownership, operation, management, and development of real estate, regardless of whether such real estate directly competes with the Project, and neither the Partnership nor any Partner shall have any rights by reason of this Agreement in and to such independent ventures.

Section 6.2. Tax Matters Partners

A. The Managing General Partner is hereby designated as the Tax Matters Partner for the Partnership. Upon the Retirement of the Person serving as the TMP (the “Retired TMP”), the Partnership shall designate a successor TMP in accordance with Treasury Regulation Section 301.6231(a)(7)-1(T) or any successor Regulation, but such designee shall not become the TMP until the designation of such Person has been approved by Consent of the Investor Limited Partner. Such successor TMP shall notify the Service of its designation as such for such year as well as for all prior years for which the Retired TMP served in such capacity.

B. The TMP shall employ experienced tax counsel to represent the Partnership in connection with any audit or investigation of the Partnership by the Service, and in connection with all subsequent administrative and judicial proceedings arising out of such audit. The fees and expenses of such counsel shall be a Partnership expense and shall be paid by the Partnership. Such counsel shall be responsible for representing the Partnership; it shall be the responsibility of the General Partners and of the Investor Limited Partner, at their own expense, to employ tax counsel to represent their respective separate interests.

C. The TMP shall keep the Partners informed of all administrative and judicial proceedings, as required by Section 6223(g) of the Code, and shall furnish to each Partner who so requests in writing, a copy of each notice or other communication received by the TMP from the Service (except such notices or communications as are sent directly to such requesting Partner by the Service). All reasonable third party costs and expenses incurred by the TMP in serving as the TMP shall be Partnership expenses and shall be paid by the Partnership.

D. The TMP shall have no authority, without the Consent of the Investor Limited Partner, to (i) enter into a settlement agreement with the Service which purports to bind Partners other than the TMP, (ii) file a petition as contemplated in Section 6226(a) or 6228 of the Code, (iii) intervene in any action as contemplated in Section 6226(b) of the Code, (iv) file any request contemplated in Section 6227(b) of the Code, (v) enter into an agreement extending the period of limitations as contemplated in Section 6229(b)(1)(B) of the Code or (vi) take any other substantial action which would affect the Investor Limited Partner.

E. The relationship of the TMP to the Investor Limited Partner is that of a fiduciary, and the TMP hereby acknowledges its fiduciary obligation to perform its duties in such manner as will serve the best interests of the Partnership and the Investor Limited Partner.

F. The Partnership shall indemnify the TMP (including the officers and directors of a corporate TMP) against judgments, fines, amounts paid in settlement and expenses (including
attorneys' fees) reasonably incurred by the TMP in any civil, criminal or investigative proceeding in which the TMP is involved or threatened to be involved by reason of being the TMP, provided that the TMP acted in good faith, within what it reasonably believed to be in the best interests of the Partnership or its Partners. The TMP shall not be indemnified under this provision against any liability to the Partnership or its Partners to any greater extent than the indemnification allowed by Section 6.6 of this Agreement. The indemnification provided by this subparagraph shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any applicable statute, agreement, vote of the Partners, or otherwise.

Section 6.3. Business Management and Control; Designation of Managing General Partner; Tax Matters Partner; Certain Rights of the Special Limited Partner

A. The General Partners shall have the exclusive right to manage the business of the Partnership in accordance with this Agreement. No Limited Partner shall have any authority or right to act for or bind the Partnership.

B. The powers and duties of the General Partners hereunder may be exercised in the first instance by one or more Managing General Partners. Each Managing General Partner is hereby authorized to execute and deliver in the name and on behalf of the Partnership all such documents and papers (including any required by any Lender or Agency) as such Managing General Partner deems necessary or desirable in carrying out such duties hereunder. PWA-Mesquite GP, LLC, is hereby designated as the initial Managing General Partner; if such Person shall become unable to serve in such capacity or shall cease to be a General Partner, the remaining General Partners may from time to time designate from among themselves by consent one or more substitute or additional Managing General Partners. If for any reason no designation is in effect, the powers of the Managing General Partners shall be exercised by the majority consent of the remaining General Partners. A designation of a successor as Managing General Partner or the designation of an additional Managing General Partner pursuant to Section 7.3 or 7.5 shall supersede any designation or other exercise of rights pursuant to this Section 6.3B.

C. In the event that (i) the Partnership is in material default of any of its obligations under the Project Documents, which default, in the reasonable judgment of the Special Limited Partner, threatens an assignment or foreclosure of any Mortgage, (ii) any General Partner, Developer or Guarantor is in default in any material respect under any of its obligations under this Agreement or any of the Related Agreements, (iii) a Recapture Event involving five or more units shall have occurred, (iv) a sole General Partner shall Retire, (v) an Event of Bankruptcy shall have occurred as to a General Partner, the Developer or any Guarantor or, (vi) the General Partner or its Affiliate shall have committed fraud or breach of fiduciary duty, the Special Limited Partner may, at its election, give notice of such default or event to the then General Partners, if any, and, (a) in the case of a default, if such default is not cured within ten (10) business days (or cured within a reasonable time in the event it is impossible to cure such default within such ten (10)-day period, provided that the General Partner is diligently and in good faith seeking to cure such default and there has been no assignment of or institution of proceedings to foreclose any Mortgage), or (b) in the event of such Retirement, Recapture Event or Event of Bankruptcy, promptly after the occurrence of such event, the Special Limited Partner or any Entity of which a majority of the stock or beneficial interest is owned, directly or indirectly, by
the Special Limited Partner or MMA, may, with the Consent of the Investor Limited Partner (with a copy to the Servicing Agent), elect to become an additional General Partner with all the rights and privileges of a General Partner. The Special Limited Partner shall provide the General Partners with true and correct copies of the written instruments evidencing such Consent of the Investor Limited Partner within ten (10) days after the Special Limited Partner's receipt thereof. Upon such election by the Special Limited Partner or such Entity and such Consent, the Special Limited Partner or such Entity shall automatically become and shall be deemed a General Partner and each Partner hereby irrevocably appoints the Special Limited Partner (with full power of substitution) as the attorney-in-fact of such Partner for the purpose of executing, acknowledging, swearing to, recording and/or filing any amendment to this Agreement and the Certificate necessary or appropriate to confirm the foregoing. If the Special Limited Partner or such Entity shall become an additional General Partner as herein stated, its Interest shall not be increased thereby (except that the Special Limited Partner may assign its Interest to such Entity). In the event of the admission of the Special Limited Partner or such Entity as a General Partner pursuant to this Section 6.3, and if there are then any other General Partners, the Special Limited Partner or such Entity shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them.

Section 6.4. Duties and Obligations of the General Partners

A. The General Partners shall use their reasonable best efforts to carry out the purposes, business and objectives of the Partnership, and shall devote to Partnership business such time and effort as may be reasonably necessary to (i) supervise the activities of the Management Agent, (ii) make inspections of the Project to determine if the Project is being properly maintained and that necessary repairs are being made thereto, (iii) prepare or cause to be prepared all reports of operations which are to be furnished to the Partners by any Lender or Agency, (iv) with the Consent of the Investor Limited Partner, elect to defer the commencement of the credit period for all or any portion of the low-income housing tax credit allowable to the Partners under Section 42(g) of the Code, to the extent that any such deferral may be in the best economic interest of the Investor Limited Partner, (v) cause the Project to be insured in accordance with the requirements set forth in Exhibit C.

B. Subject to the Project Documents and the requirements of Section 42 of the Code, the General Partners shall use reasonable efforts consistent with sound management practice to maximize income produced by the Project, including, if necessary, seeking any necessary approvals of, and implementing, appropriate adjustments in the rent schedule of the Project.

C. The General Partners shall timely execute and record in the appropriate Filing Office an Extended Use Agreement which satisfies all of the requirements of Section 42(h)(6) of the Code. The General Partners shall hold for occupancy such percentage of the apartments in the Project in such a manner as to qualify the entire Project as a “qualified low income housing project” under Section 42(g) of the Code as interpreted from time to time in regulations and rulings promulgated thereunder. The General Partners shall not take any action which would cause the termination or discontinuance of the qualification of the Project as a “qualified low income housing project” under Section 42(g) of the Code or which would cause the recapture of
any low income housing tax credit under the Code without the Consent of the Investor Limited Partner.

D. The General Partners shall prepare and submit to the Secretary of the Treasury (or any other Agency designated for such purpose), on a timely basis, any and all annual reports, information returns and other certifications and information and shall take any and all other action required (i) to insure that the Partnership (and its Partners) will continue to qualify for the low-income housing credit described in Section 42 of the Code for all Low Income Units and (ii) unless the Consent of the Investor Limited Partner is received to act otherwise in a particular instance, to avoid recapture of such credit for failure to comply with the requirements of Section 42 of the Code.

E. Except as provided in or contemplated by the Forward Commitments and the Mortgage Loan Documents, the General Partners agree that neither they nor any Related Person will at any time bear the Economic Risk of Loss for payment or performance of any Mortgage Loan. Each General Partner agrees that it will not cause any Limited Partner at any time to bear the Economic Risk of Loss for payment or performance under any Note or Mortgage. Each Limited Partner agrees not to take any action which would cause it to bear the Economic Risk of Loss for payment of any Mortgage Loan.

F. The General Partners shall have fiduciary responsibility for the safekeeping and use of all funds and assets of the Partnership, whether or not in their immediate possession or control. The General Partners shall not employ, or permit another to employ, such funds or assets in any manner except for the exclusive benefit of the Partnership.

G. No General Partner shall contract away the fiduciary duty owed at common law to the Limited Partners.

H. [Reserved].

I. The General Partners shall (i) not store (except in compliance with applicable Hazardous Waste Laws) or dispose of any Hazardous Material at the Project, or at or on any other Facility or Vessel owned, occupied, or operated either by any General Partner; (ii) neither directly nor indirectly transport or arrange for the transport of any Hazardous Material (except in compliance with applicable Hazardous Waste Laws); (iii) provide the Limited Partners with written notice (x) upon any General Partner's obtaining knowledge of any potential or known release, or threat of release, of any Hazardous Material at or from the Project or any other Facility or Vessel owned, occupied, or operated by any General Partner or any Person whose liability may result in a lien on the Project; (y) upon any General Partner's receipt of any notice to such effect from any federal, state, or other governmental authority; and (z) upon any General Partner's obtaining knowledge of any incurrence of any expense or loss by any such governmental authority in connection with the assessment, containment, or removal of any Hazardous Material for which expense or loss any General Partner may be liable or for which expense or loss a lien may be imposed on the Project.

J. The General Partner shall establish a reserve account for capital replacements (the "Replacement Reserve"), which account shall be funded by deposits of $175 per unit per year (or such lesser amount as shall be approved in writing by the Special Limited Partner from time to
time) commencing on the Completion Date. Withdrawals from such reserve shall be utilized solely to fund capital repairs and improvements deemed necessary by the General Partner and the Class B Limited Partner.

K. The General Partners, with the advice and Consent of the Investor Limited Partner shall take such actions as may be necessary (after giving effect to applicable provisions of the Development Agreement) to assure that 50% or more of the aggregate basis of the Buildings (including site improvements) and the Land is financed with an obligation the interest on which is exempt from tax under Section 103 of the Code and which is within the State's volume cap.

L. In the event that the Investor Limited Partner shall give notice to the General Partner that in the reasonable judgment of the Investor Limited Partner depreciation deductions will no longer be allocated to the Investor Limited Partner as a result of the treatment of the Development Amount as a Partner Nonrecourse Debt ("Related Party Financing"), then the General Partner shall take all such action as may be necessary to assure that any outstanding balance of such Related Party Financing shall constitute a Partnership Nonrecourse liability and the Investor Limited Partner shall give its Consent to allow the General Partners to take all necessary action, provided such action does not have any negative tax consequences for the Partnership or the Investor Limited Partner. One such action shall be the assignment of the outstanding balance of such Related Party Financing to an entity which is not a Related Person.

M. The General Partners shall cause all leases of dwelling units in the Project to contain a provision obligating tenants to notify the Management Agent immediately of any suspected water leaks, moisture problems or mold in dwelling units or common areas of the Project. In addition, the General Partners shall furnish such reports and implement such actions, if any, required under the provisions of Section 12.1J.

N. The Class B Limited Partner shall deliver to the Investor Limited Partner copies of all draw requests and reports by the Inspecting Architect submitted to the Servicing Agent and Bond Lender in connection with construction of the Project.

Section 6.5. Representations, Warranties and Covenants: Certain Indemnities

A. The General Partners hereby represent and warrant to the Investor Limited Partner that the following are true as of the date hereof, will be true on the due date for payment of each Installment and at all times hereafter:

(i) The Partnership is a duly organized limited partnership validly existing under the laws of the State and has complied with all recording requirements with each proper governmental authority necessary to establish the limited liability of the Limited Partners as provided herein.

(ii) No litigation or proceeding against the Partnership, any General Partner or the Builder, nor any other litigation or proceeding directly affecting the Project, is pending before any court, administrative agency or other governmental authority which would, if adversely determined, have a material adverse effect on the Partnership, any General Partner, Guarantor, the Builder, the Developer or their respective businesses or operations, except for such matters as to which the
likelihood of such a determination adverse to the Partnership is, in the opinion of Partnership Counsel or other counsel acceptable to the Investor Limited Partner, remote.

(iii) No default by any General Partner, any Affiliate thereof having any relationship with the Project, or the Partnership, in any material respect has occurred or is continuing (nor has there occurred any continuing event which, with the giving of notice or the passage of time or both, would constitute such a default in any material respect) under any of the Project Documents.

(iv) The Project Documents are in full force and effect (except to the extent fully performed in accordance with their respective terms).

(v) All reserves are fully funded to the extent currently required by the Project Documents and this Agreement.

(vi) No Partner or Related Person bears the Economic Risk of Loss with respect to the indebtedness evidenced by any Note and secured by any Mortgage, except to the extent contemplated by the Project Documents as they exist on the date of this Agreement.

(vii) [Reserved]

(viii) The Partnership owns the fee simple interest in the Property and has good and indefeasible title thereto, free and clear of any liens, charges or encumbrances other than the Mortgages, matters set forth in the Title Policy delivered at Investment Closing, encumbrances the Partnership is permitted to create under Sections 2.4 and 6.1, and mechanics’ or other liens which have been bonded or insured against in such a manner as to preclude the holder of such lien or such surety or insurer from having any recourse to the Property or the Partnership for payment of any debt secured thereby. None of the liens, charges, encumbrances or exceptions set forth in the Title Policy delivered at Investment Closing has or will have a material adverse effect upon the construction or operation of the Project.

(ix) The execution and delivery of all instruments and the performance of all acts heretofore or hereafter made or taken or to be made or taken, pertaining to the Partnership or the Property by any General Partner or an Affiliate thereof which is a corporation or limited liability company have been or will be duly authorized by all necessary action, and the consummation of any such transactions with or on behalf of the Partnership will not constitute a breach or violation of, or a default under, the organizational documents of any such Entity or any agreement by which any such Entity or any of its properties is bound, nor constitute a violation of any law, administrative regulation or court decree. Each such Entity is duly organized and validly existing under the law of the state of its incorporation.
(x) No General Partner is in default in any material respect in the observance or performance of any provision of this Agreement to be observed or performed by such General Partner.

(xi) The Related Agreements are in full force and effect and no default by any party thereto (other than the Investor Limited Partner or its Affiliates) has occurred or is continuing thereunder (nor has there occurred any event which, with the giving of notice or the passage of time, or both, would constitute such a default in any material respect thereunder).

(xii) No Event of Bankruptcy has occurred and is continuing with respect to the Partnership, any General Partner, any Guarantor or the Developer.

(xiii) The Project will qualify on and after the Completion Date as a “qualified low-income housing project” under Section 42(g) of the Code and all Low Income Units in the Project will qualify as “low income units” under Section 42(i)(3) of the Code.

(xiv) All tax returns, financial statements, Schedules K-1 and reports due under Sections 12.1B and 12.1E have been properly filed and/or transmitted, as applicable.

(xvi) To the best of the General Partner's knowledge, no Hazardous Material was ever or is now stored on, transported or disposed of on the Land (except to the extent any such storage, transport or disposition was at all times in compliance with all Hazardous Waste Laws).

(xvii) No General Partner, Affiliate of a General Partner, shareholder of a General Partner, director of a General Partner, officer of a General Partner or manager of a General Partner has ever (i) been convicted of a crime; (ii) had a

(xviii) There are currently no criminal or civil actions or administrative proceedings pending against the General Partners or their Affiliates, shareholders, directors, officers or managers.

(xix) Fifty percent (50%) or more of the aggregate basis of the Buildings and the Land will be financed with an obligation the interest on which is exempt from tax under Section 103 of the Code and which is within the State's volume cap as provided in Section 146 of the Code.

(xx) On or before the contribution of the Investor Limited Partner’s Seventh Installment, the General Partner will obtain the CHDO Tax Exemption. The General Partner’s failure to obtain the CHDO Tax Exemption on or before the Investor Limited Partner contributes the Fourth Installment of its capital contribution and/or the failure of the General Partner to maintain the CHDO Tax Exemption throughout the Compliance Period shall be grounds for removal of the General Partner pursuant to Section 7.7.

(xxii) The General Partner has made or will timely make the election permitted under Section 168(h)(6)(F)(ii) of the Code so that no part of the Project shall constitute “tax-exempt use property” within the meaning of Section 168(h) of the Code.

(xxiii) The General Partners shall cause the Partnership to

(a) maintain its books and records separate from those of any other person or entity, including the General Partners or any Affiliates of the Partnership;

(b) except as specifically permitted by the Project Documents, not commingle assets with those of any other entity, including the General Partners or any Affiliates of the Partnership;

(k) use invoices and checks separate from any other person or entity, including the General Partners or any Affiliates of the Partnership; and

(l) hold itself out as and operate as an entity separate and apart from any other entity, including the General Partners or any Affiliates of the Partnership.

(xxiv) All of the representations and warranties set forth in the Closing Certificate are true and correct.

B. The Class B Limited Partner hereby represents and warrants to the Investor Limited Partner that the following are true as of the date hereof, will be true on the due date for payment of each Installment and at all times hereafter:

(i) No litigation or proceeding against the Guarantor or the Developer, nor any other litigation or proceeding directly affecting the Project, is pending before any court, administrative agency or other governmental authority which would, if adversely determined, have a material adverse effect on the Partnership, any General Partner, Guarantor, the Builder, the Developer or their respective businesses or operations, except for such matters as to which the likelihood of such a determination adverse to the Partnership is, in the opinion of Partnership Counsel or other counsel acceptable to the Investor Limited Partner, remote.

(ii) All building, zoning and other applicable certificates, permits, approvals and licenses necessary to permit the construction, rehabilitation, repair, use, occupancy and operation of the Project have been obtained (other than prior to completion of the Project or a specified portion thereof, such as will be issued
only after the completion of the Project or such specified portion thereof) and neither the Partnership nor any General Partner has received any notice or has any knowledge of any violation with respect to the Project of any law, rule, regulation, order or decree of any governmental authority having jurisdiction which would have a material adverse effect on the Project or the construction, use or occupancy thereof, except for violations which have been cured and notices or citations which have been withdrawn or set aside by the issuing agency or by an order of a court of competent jurisdiction.

(iii) The Related Agreements are in full force and effect and no default by any party thereto (other than the Investor Limited Partner or its Affiliates) has occurred or is continuing thereunder (nor has there occurred any event which, with the giving of notice or the passage of time, or both, would constitute such a default in any material respect thereunder).

(iv) No Event of Bankruptcy has occurred and is continuing with respect to the Partnership, any General Partner, any Guarantor or the Developer.

C. The General Partners agree promptly to indemnify, defend and hold harmless the Partnership and the Limited Partners from and against any and all claims, losses, damages, costs, expenses and liabilities which the Partnership and the Limited Partners may incur by reason of any liabilities to which either the Partnership or the Project is subject at the Admission Date; provided, however, that the foregoing indemnification shall not apply to any Mortgage, necessary contractual obligations normally incurred in connection with the Property, or to acts for which such General Partner is entitled to indemnification under Section 6.6.

D. The General Partners agree to promptly indemnify, defend, and hold harmless the Partnership and the Limited Partners from and against any claims, losses, damages, costs, expenses or liabilities which the Partnership and the Limited Partners may incur on account of the presence or escape of any Hazardous Material at or from the Property (or at any other location). Any such indemnity by the General Partner of the Partnership shall be limited to those claims, losses, damages, costs, expenses or liabilities which were caused by the negligent acts or omissions of the General Partner. Any such claims, losses, damages, costs, expenses or liabilities may be defended, compromised, settled, or pursued by the Limited Partners with counsel of the Limited Partners' selection, but at the expense of the General Partners. Notwithstanding anything else set forth in this Agreement, this indemnification shall survive the withdrawal of any General Partner and/or the termination of this Agreement.

Section 6.6. Indemnification

A. Each General Partner (including any Retired General Partner) shall be indemnified by the Partnership against any losses, judgments, liabilities, expenses and amounts paid in settlement of any claims sustained by him or it in connection with the Partnership, provided that the same were not the result of negligence or misconduct on the part of any General Partner or any of its “Designated Affiliates” (as such term is defined in Section 6.7B) and were the result of a course of conduct which such General Partner, in good faith, determined was in the best interest of the Partnership. Any indemnity under this Section 6.6 shall be provided out of and to the extent of Partnership assets only, and no Limited Partner shall have
any personal liability on account thereof; provided, however, that no indemnification shall be provided for any losses, liabilities or expenses arising from or out of any alleged violation of federal or state securities laws unless (i) there has been a successful adjudication on the merits of each count involving alleged securities law violations as to the particular indemnitee and the court approves indemnification of litigation costs; (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular indemnitee and the court approves indemnification of litigation costs; or (iii) a court of competent jurisdiction approves a settlement of the claims against a particular indemnitee and finds that indemnification of the settlement and related costs should be made.

B. The Partnership shall not incur that cost of that portion of any insurance which insures any party against any liability as to which such party is herein prohibited from being indemnified.

Section 6.7. Liability of General Partners to Limited Partners

A. No General Partner or Designated Affiliate (as defined in Section 6.7B) shall be liable, responsible or accountable for damages or otherwise to the Partnership or to any Limited Partner for any loss suffered by the Partnership which arises out of any action or inaction of such General Partner or Designated Affiliate (i) if such General Partner or Designated Affiliate, in good faith, determined that such course of conduct was in the best interests of the Partnership and (ii) such course of conduct did not constitute negligence, breach of fiduciary duty or misconduct on the part of that General Partner or Designated Affiliate or breach of this Agreement.

B. As used in Sections 6.6 and 6.7, a "Designated Affiliate" is any Person performing services on behalf of the Partnership, within the scope of authority of the General Partner who: (i) directly or indirectly controls, is controlled by, or is under common control with any General Partner, (ii) owns or controls 10% or more of the outstanding voting securities of any General Partner, (iii) is an officer, director, partner or trustee of any General Partner, or (iv) if any General Partner is an officer, director, partner or trustee, of any company for which such General Partner acts in any such capacity.

C. The General Partners shall defend, indemnify and hold harmless the Partnership and the Limited Partners from any liability, loss, damage, fees, costs and expenses, judgments or amounts paid in settlement incurred by reason of any demands, claims, suits, actions or proceedings arising out of the General Partners' or any Designated Affiliate's negligence, misconduct, fraud, breach of fiduciary duty or breach of this Agreement, including without limitation any breach by any General Partner or any Designated Affiliate of any representation, warranty, covenant or agreement set forth in Section 6.5 or elsewhere in this Agreement, including all reasonable legal fees and costs incurred in defending against any claim or liability or protecting itself or the Partnership from, or lessening the effect of, any such breach. The foregoing indemnification shall be a recourse obligation of the General Partners and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, bankruptcy or withdrawal of any General Partner.
Section 6.8. Certain Obligations of the Developer

A. The Partnership has entered into an agreement with the Developer pursuant to which the Developer is obligated to complete the construction of the Improvements and to pay certain development costs and other expenses as set forth in the Development Agreement.

B. The undertakings of the Developer set forth in the Development Agreement are made for the benefit of and shall be enforceable by the Partnership and the Partners and shall not inure to the benefit of any creditor of the Partnership other than a Partner, notwithstanding any pledge or assignment by the Partnership of this Agreement or the Development Agreement or any rights thereunder.

C. The Class B Limited Partner hereby unconditionally jointly and severally guarantees to the Partnership and the Investor Limited Partner the due and punctual performance of all obligations of the Developer under the Development Agreement. The Class B Limited Partner hereby agrees that its obligations hereunder shall constitute a guaranty of payment and not of collection and shall be unconditional irrespective of the regularity or enforceability of this Agreement or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor or any other circumstances which might otherwise limit the recourse to the Class B Limited Partner. The undertakings of the Class B Limited Partner set forth in this Section 6.8 and in Section 6.9 are made for the benefit of the Partners and shall not inure to the benefit of any creditor of the Partnership other than a Partner, notwithstanding any pledge or assignment by the Partnership of this Agreement or any rights hereunder.

D. In addition to the foregoing, the Class B Limited Partner hereby guarantees to the Limited Partners the prompt payment by the Partnership of all other Development Costs. Accordingly, if the amount of Other Development Costs exceeds the balance of Designated Proceeds remaining after payment of all Eligible Development Costs, the Class B Limited Partner shall furnish to the Partnership the funds required to pay such excess at or prior to the time such excess is payable by the Partnership. Amounts so furnished to fund such excess Other Development Costs shall not be reimbursable, shall not be credited to the Capital Account of any Partner or otherwise change the Interest of any Person in the Partnership, but shall be the sole expense and responsibility of the Class B Limited Partner as a cost incurred by them in fulfilling their guaranty under this Section 6.8D.

Section 6.9. Obligation to Provide for Operating Expenses

A. During the period commencing on the Admission Date and ending on the third anniversary of the Development Obligation Date, the General Partners agree that if the Partnership requires funds to discharge Operating Expenses (other than to make payments to Partners, payments of any outstanding Operating Expense Loans or other obligations herein provided to be payable solely out of Cash Flow or distributions of proceeds from a Capital Transaction), the General Partners shall furnish to the Partnership the funds required. Amounts so furnished to fund Operating Expenses incurred prior to the Development Obligation Date shall be deemed Special Capital Contributions; amounts furnished to fund Operating Expenses incurred on or after the Development Obligation Date but prior to the third anniversary of the Development Obligation Date shall constitute Operating Expense Loans. Notwithstanding the foregoing, however, the General Partners shall not be obligated to make Operating Expense
Loans under this Section 6.9 to the extent that the outstanding aggregate principal amount of such Operating Expense Loans would exceed $1,000,000 which includes the funding of the Replacement Reserve Account. Any such Operating Expense Loans shall bear interest at the Prime Rate and be repayable only as provided in Article X.

B. Commencing on the third anniversary of the Development Obligation Date, Churchill Residential, Inc. shall be obligated to make working capital advances to the Partnership when and as needed, except that Churchill Residential, Inc. shall not be obligated to make further advances under this Section 6.9B to the extent that the aggregate outstanding balance of such advances shall exceed $75,000. Advances made pursuant to this Section 6.9B shall constitute Working Capital Loans and shall be repayable only as provided in Article X.

C. The General Partners shall cause the Partnership to establish an operating reserve in the initial amount of $50,000, as required under Article IV of the Indenture.

D. In addition to the obligations set forth in 6.9A, 6.9B, and 6.9C, the General Partner agrees that if at any time during the Compliance Period the Partnership is required to pay real estate taxes in excess of those contemplated by the PILOT Agreements and CHDO Tax Exemption ("Excess Real Estate Taxes") and has an operating deficit, then the General Partner shall furnish to the Partnership the funds required to pay such operating deficit, not to exceed the amount of the Excess Real Estate Taxes. Amounts so furnished by the General Partner shall be deemed Special Capital Contributions.

Section 6.10. Certain Payments to the General Partners and Affiliates

A. For its services in connection with the development of the Property and the supervision to completion of the construction of the Improvements and as reimbursement for Development Advances, the Developer shall be entitled to receive the amounts set forth in the Development Agreement.

B. All of the Partnership's expenses shall be billed directly to, and paid by, the Partnership to the extent practicable. Subject to the terms of this Agreement, reimbursements to a General Partner or any of its Affiliates by the Partnership shall be allowed subject to the following conditions:

   (i) such goods or services must be necessary for the prudent formation, development, organization or operation of the Partnership;

   (ii) reimbursement for goods or services provided by Persons who are not affiliated with a General Partner shall not exceed the cost to a General Partners or their Affiliates of obtaining such goods or services; and

   (iii) reimbursement for goods and services obtained directly from a General Partner or its Affiliates shall not exceed the amount the Partnership would be required to pay independent parties for comparable goods and services in the same geographic location and shall not include reimbursement for the general overhead of the General Partners or their Affiliates (including salaries and benefits of employees thereof).
C. Neither the General Partners nor any of their Affiliates shall be entitled to any compensation, fees or profits from the Partnership in connection with the acquisition, construction, development or rent-up of the Land or Improvements or for the administration of the Partnership's business or otherwise, except for (i) payments provided for or referred to in Sections 2.4(v) or 6.10A, (ii) payments of the Management Fee and Incentive Management Fee referred to in Article XI, (iii) fees and distributions under Article X, (iv) such other fees and distributions as may be permitted to be paid by any Lender or the Agency out of the proceeds of any Mortgage Loan and (v) payments to the Builder under the Construction Contract.

D. The General Partner is entitled to reimbursement for all reasonable costs incurred in connection with the annual audit requirements mandated under the CHDO Tax Exemption as set forth in Section 11.182(g) of the Texas Tax Code.

Section 6.11. Joint and Several Obligations

If there is more than one General Partner, all obligations of the General Partners hereunder shall be joint and several obligations of the General Partners, except as herein expressly provided to the contrary.

ARTICLE VII

Withdrawal of a General Partner; New General Partners

Section 7.1. Voluntary Withdrawal

No General Partner shall have the right to withdraw or Retire voluntarily from the Partnership or sell, assign or encumber his or its Interest without the Consent of the Investor Limited Partner, the Class B Limited Partner and any Requisite Approvals.

Section 7.2. Obligation to Continue

In the event of the Retirement of any General Partner, the remaining General Partners, if any, and any successor General Partner shall have the obligation to continue the business of the Partnership employing its assets and name. Immediately after the occurrence of such Retirement, the remaining General Partners, if any, shall notify the Investor Limited Partner thereof.

Section 7.3. Successor General Partner

A. Upon the occurrence of any Retirement, the remaining General Partners may designate a Person to become a successor General Partner to the Retired General Partner. Any Person so designated, subject to any Requisite Approvals, the Consent of the Investor Limited Partner and, if required by the Uniform Act or any other applicable law, the consent of any other Partner so required, shall become a successor General Partner.

B. If any Retirement shall occur at a time when there is no remaining General Partner and no successor General Partner is to be admitted pursuant to Section 7.3A or the remaining General Partners do not elect to continue the business of the Partnership pursuant to
Section 7.2, then the Investor Limited Partner shall have the right, subject to any Requisite Approvals and Section 6.3C, to designate a Person to become a successor General Partner.

C. If the Investor Limited Partner elects to reconstitute the Partnership and admit a successor General Partner pursuant to this Section 7.3, the relationship of the Partners in the reconstituted Partnership shall be governed by this Agreement.

Section 7.4. Interest of Predecessor General Partner

A. Except as provided in Section 7.3A, no assignee or transferee of all or any part of the Interest of a General Partner shall have any automatic right to become a General Partner. Until the acquisition of the Interest of a Retiring General Partner pursuant to Section 7.4D or 7.7, such Interest shall be deemed to be that of an assignee and the holder thereof shall be entitled only to such rights as an assignee may have as such under the laws of the State.

B. Anything herein contained to the contrary notwithstanding, any General Partner who withdraws voluntarily in violation of Section 7.1 shall remain liable for all of his obligations under this Agreement, for all his other obligations and liabilities hereunder incurred or accrued prior to the date of his withdrawal and for any loss or damage which the Partnership or any of its Partners may incur as a result of such withdrawal (except as provided in Section 6.7), except for any loss or damage attributable to the default, negligence or misconduct of a successor General Partner admitted in his place under this Agreement.

C. The disposition of the General Partner Interest of a General Partner who Retires voluntarily in compliance with this Agreement shall be accomplished in such manner as shall be acceptable to the remaining General Partners and shall be approved by Consent of the Investor Limited Partner. Any other Retirement of a General Partner shall be governed by Section 7.7D.

Section 7.5. Designation of New General Partners

The General Partners may, with the written consent of all Partners, at any time designate new General Partners, each with such Interest as a General Partner in the Partnership as the General Partners may specify, subject to any Requisite Approvals.

Any new General Partner shall, as a condition of receiving any interest in the Partnership property, agree to be bound by the Project Documents and any other documents required in connection therewith and by the provisions of this Agreement, to the same extent and on the same terms as any other General Partner.

Section 7.6. Amendment of Certificate; Approval of Certain Events

Upon the admission of a new General Partner, the Schedule shall be amended to reflect such admission and an amendment to the Certificate, also reflecting such admission, shall be filed as required by the Uniform Act.

Each Partner hereby consents to and authorizes any admission or substitution of a General Partner or any other transaction, including, without limitation, the continuation of the Partnership business, which has been authorized under the provisions of this Agreement, and

Section 7.7. Removal of the General Partner

A. In addition to any other rights granted to the Limited Partners hereunder, the Special Limited Partner shall have the right to remove and replace the General Partner in accordance with the provisions of this Section 7.7 if a Material Default occurs and is not cured within the time period set forth in this Section 7.7. If at any time there is more than one General Partner, all General Partners may be removed and replaced in accordance with the provisions of this Section 7.7 in the event of a Material Default by any General Partner.

B. As used in this Section 7.7, “Material Default” means the occurrence of any of the following events:

   (i) a breach by any General Partner (or any of its Affiliates) of any of its representations or warranties contained herein or in the performance of any of its obligations under this Agreement or any Related Agreement, which breach could have a material adverse impact on the Partnership, the Project or the Investor Limited Partner;

   (ii) a violation by any General Partner of any law, regulation or order applicable to the Partnership, or a material breach by the Partnership or any General Partner under any Project Document or other material agreement or document affecting the Partnership or the Project which has or may have a material adverse effect on the Partnership, the Investor Limited Partner or the Project;

   (iii) an Event of Bankruptcy as to any General Partner, more than one Guarantor or the Partnership;

   (v) gross negligence, fraud, willful misconduct, misappropriation of Partnership funds, or a breach of fiduciary duty by a General Partner or any Affiliate of a General Partner providing services to or in connection with the Partnership or the Project.

C. In the event that the Special Limited Partner determines to remove any General Partner pursuant to the provisions of this Section 7.7, the Special Limited Partner shall notify the General Partner in writing (with a copy to the Servicing Agent), of the Material Default that is the cause for the removal of the General Partner (any such notice being referred to herein as a “Removal Notice” and the date of such Removal Notice being referred to herein as the “Removal Notice Date”). In the case of any Material Default described in clauses (i) or (ii) of Section 7.7 above, the General Partner shall have ten (10) business days (or thirty (30) business days if it is a non-monetary default) from the Removal Notice Date to cure the Material Default; provided,
however, that if a non-monetary Material Default cannot be reasonably cured within thirty (30) business days, the General Partner shall not be removed if the General Partner commences such cure within thirty (30) business days and proceeds in good faith to cure diligently thereafter, provided that the cure is completed within ninety (90) business days following the Removal Notice Date (or such lesser period as is required to cure the Material Default), and the failure to cure such Material Default within a shorter period does not have a material adverse effect on the Partnership, the Property, or the Investor Limited Partner. For purposes of this paragraph, the failure to provide or maintain any insurance required by this Agreement shall be deemed to be a monetary default. If the General Partner fails to cure within the specified time period, or if no cure right is afforded under the terms hereof, the removal of the General Partner shall be deemed to be effective as of the Removal Notice Date; otherwise, such removal shall be effective upon the conclusion of the applicable cure period without a cure of such Material Default reasonably acceptable to the Investor Limited Partner. The General Partner shall have no right to cure any Material Default described in clause (v) of Section 7.7B above.

D. If a General Partner is removed pursuant to this Section 7.7, the Partnership shall pay to such General Partner in the manner set forth in Section 7.7G an amount equal to (x) the sum of (i) an amount equal to the General Partner’s positive Capital Account balance, if any, following a deemed sale of all Partnership property and a deemed liquidation of the Partnership (but prior to any deemed distributions upon liquidation), (ii) the unpaid principal balance of any Operating Expense Loans, and (iii) any fees owed to the General Partner and/or its Affiliates in the manner described in Section 7.7E below minus (y) an amount equal to any Adverse Consequences suffered by the Partnership or the Limited Partners as a result of the acts or omissions of the General Partner prior to its removal, including, without limitation, the Material Default creating the right of the Special Limited Partner to remove the General Partner pursuant to the provisions of this Section 7.7. Any transfer taxes that are triggered by the removal and the cost of any additional title insurance or title endorsements deemed to be necessary by the Special Limited Partner as a result of such removal shall be paid by the removed General Partner. The resulting amount is referred to herein as the “Removal Purchase Price.” Notwithstanding the foregoing, the Removal Purchase Price shall not exceed the amount which the removed General Partner would have received under Section 10.1B from a deemed sale of the Project on the Removal Notice Date, based on the Appraised Value of the Project determined under Section 7.7F below.

E. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any fees owed to the General Partner or its Affiliates (including, without limitation, any unpaid Development Amount) for services performed prior to the Removal Notice Date shall be part of the Removal Purchase Price as described above, provided, however, that (i) if any Adverse Consequences suffered by the Partnership or the Limited Partners exceed the amounts payable to the General Partner pursuant to the provisions of Section 7.7D above, or (ii) there exist any unpaid obligations or liabilities of the General Partner that relate to the period up to and including the effective date of the removal of the General Partner, any such unpaid fees owed to the General Partner or its Affiliates shall, to the extent of any such Adverse Consequences or obligations or liabilities, as the case may be, be treated as if they were paid to the General Partner (or such Affiliates) and applied by the General Partner (or such Affiliates) to the payment or satisfaction of such Adverse Consequences, obligations or liabilities, and, to the extent of such application, the obligation of the Partnership to make actual cash payments of
such fees to the General Partner (or such Affiliates) shall be reduced or eliminated, as the case may be. In the event the General Partner is removed but the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect.

F. The Appraised Value of the Property shall be determined as follows. As soon as practicable and in any event within ten (10) business days following the effective date of removal as specified in Section 7.7C above, the General Partner and the Special Limited Partner shall select a mutually acceptable Independent Appraiser. In the event that the parties are unable to agree upon an Independent Appraiser within such ten (10) Business Day period, the General Partner and the Special Limited Partner each shall select an Independent Appraiser. If the difference between the Appraised Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Value set forth in the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two Independent Appraisers shall jointly select a third Independent Appraiser whose determination of Appraised Value shall be deemed to be binding on all parties. The Partnership and the removed General Partner shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this Section 7.7F.

G. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any Removal Purchase Price due to the General Partner pursuant to the provisions of Section 7.7D above shall be payable from the first available proceeds of a Capital Transaction prior to any other distributions or payments to the Partners under Section 10.1B hereof except for those items listed in clauses First and Second of Section 10.1B.

H. Upon determination of the Removal Purchase Price under the provisions of this Section 7.7, the Partnership and its remaining Partners shall be deemed to be completely released from all liability to such General Partner and its Affiliates generally and to any others claiming by or through the General Partner to whom any distributions or loan, fee or other payments are to be made under Article X or otherwise, and the General Partner shall be released from any and all obligations to the Partnership and the Partners which arise after the Removal Notice Date. Concurrently with the determination of the Removal Purchase Price, each General Partner shall provide the Partnership, the successor General Partner(s) and the Investor Limited Partner with additional written releases from the General Partner (and any Affiliates to whom obligations of any kind are owed by the Partnership, the successor General Partner(s), the Limited Partners or any of their respective Affiliates) confirming such releases.

I. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, (i) all agreements between the Partnership and the General Partner and/or its Affiliates may, at the election of the Partnership, be terminated and, except for payment of the Removal Purchase Price due to the General Partner (or such Affiliates), the Partnership shall have no further obligations under such agreements; and (ii) the removed General Partner shall be liable for all reasonable costs and expenses incurred by the Partnership or the Limited Partners in connection with the admission to the Partnership of a successor General Partner, which shall be considered Adverse Consequences for a purpose of this Section. Notwithstanding the foregoing however, if the Developer is not in default under its obligations under the Development Agreement.
Agreement, the Development Agreement will remain in effect. From and after the effective date of its removal, the removed General Partner shall not be liable for obligations of the Partnership incurred subsequent to such effective date unless such obligations arise out of acts or omissions of the removed General Partner prior to such effective date. The removed General Partner shall continue to be liable for all obligations, liabilities, and guarantees incurred by it in its capacity as the General Partner, and for any Adverse Consequences caused by or arising out of its acts or omissions, prior to the effective date of its removal. Without limiting the generality of the foregoing, and in addition to any of its other obligations hereunder, the removed General Partner shall continue to be liable for any payments or advances due to the Limited Partners or the Partnership pursuant to the provisions of Section 5.1B as a result of any adjustments described in Section 5.1B, other than adjustments arising from a Recapture Event or the acts or omissions of any replacement or successor General Partner, in either case subsequent to the effective date of the removal of the removed General Partner.

J. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the Special Limited Partner may designate a Person or Persons, including, without limitation, an Affiliate of the Special Limited Partner, to become a successor General Partner or Partners replacing the removed General Partner, subject to any Requisite Approvals and to the terms of the Project Documents.

K. The election by the Special Limited Partner to remove any General Partner pursuant to the provisions of this Section 7.7 shall not limit or restrict the availability and use of any other remedy that the Special Limited Partner or the Investor Limited Partner may have with respect to any General Partner in connection with its undertakings and responsibilities under this Agreement, and the exercise by the Special Limited Partner of the rights granted to it in this Section 7.7 is understood by the parties hereto to be permitted by the Uniform Act as the exercise of powers not constituting participation in the control of the business so as to cause the Special Limited Partner (or the Investor Limited Partner) to be liable for Partnership obligations as a general partner.

L. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the removed General Partner shall immediately deliver to the Special Limited Partner all books, records, tax and financial information relating to the Partnership and the Property that are in the possession or under the control of the General Partner or any of its Affiliates. The General Partner agrees that if it fails to comply with the provisions of this Section 7.7L, the Limited Partners may enforce such provisions by specific performance, and no portion of the Removal Purchase Price shall be payable unless the provisions of this Section are fully and promptly complied with.

M. If the General Partner contests the right of the Special Limited Partner to exercise the removal or other rights described in this Section 7.7, and the Special Limited Partner prevails in any proceeding, any costs and expenses incurred by the Limited Partners in enforcing their rights in this Section 7.7, including, without limitation, legal fees and expenses, shall be paid by the General Partner upon presentation of an itemized statement describing the same, which costs shall be deemed to be Adverse Consequences for purposes of this Section.
N. In the event that the Special Limited Partner sends a Removal Notice, the Special Limited Partner may, as of such date, elect to become, or to designate another Person, including, without limitation, an Affiliate of the Investor Limited Partner or the Special Limited Partner, to become, an additional General Partner with all the rights and privileges of a General Partner. If the Special Limited Partner or such other Person shall become an additional General Partner as herein stated, its interest in the Partnership shall not be increased as a result thereof. In the event of the admission of the Special Limited Partner or such Person as a General Partner pursuant to this Section 7.7N, and if there are then any other General Partners, the Special Limited Partner or such other Person shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them. The Special Limited Partner shall be entitled to receive reasonable compensation for serving as a General Partner under this Section, and any such compensation shall be a reduction of the Removal Purchase Price.

ARTICLE VIII

Transfer of Limited Partner Interests

Section 8.1. Right to Assign

A. Except as restricted in this Article VIII or by operation of law, and subject to the Regulations, each Limited Partner shall have the right to assign its Interest and to substitute its assignee in its place as a Substitute Limited Partner without the written consent of the General Partners, provided, however, that if the Assignee is not an affiliate of or controlled by MMA, the consent of the General Partner and the Class B Limited Partner will be required to such substitution, which consent will not be unreasonably withheld or delayed.

B. The General Partners, at the sole expense of the assigning Limited Partner, shall cooperate in good faith to effect such assignment as expeditiously as possible, including without limitation the execution of appropriate amendments to, or updates of, the Related Agreements and/or any other documents which the assigning Limited Partner reasonably determines necessary or appropriate to accomplish such assignment, including, but not limited to, an Assignment of Investor Limited Partner Interest and Omnibus Amendment, updated opinion of Partnership Counsel, authorizing resolutions of the General Partner and Developer and any other documents reasonably deemed necessary and appropriate by the Investor Limited Partner. In addition, in the event of a transfer of membership interest in the Investor Limited Partner to an Affiliate of MMA, the General Partner agrees to make such changes to the Agreement and Related Agreements as such transferee may reasonably request.

C. The assignor shall assume any costs incurred by the Partnership in connection with an assignment of its Interest.

D. Notwithstanding the foregoing, or any other provision of this Agreement: (1) MMA Financial Bond Warehousing, LLC may pledge, without the consent of the General Partners or any other Person, its Interest to Fleet National Bank (together with its successors and/or assigns, "Fleet") to secure a loan enabling the Investor Limited Partner to make its Capital
Contribution to the Partnership (the "Fleet Pledge"); (2) Fleet shall have the rights of a secured party to retain, sell or transfer the Interest so pledged in accordance with the Fleet Pledge; (3) Fleet shall have the right to transfer or assign its rights hereunder and under the Fleet Pledge without the consent of the General Partners or any other Person; (4) in the event of any enforcement of the Fleet Pledge and the foreclosure upon or other disposition of the Interest, Fleet (or its nominee, successor, transferee or assignee) shall be immediately, automatically and unconditionally admitted as a Substitute Limited Partner, subject only to its execution of an agreement to be bound by this Agreement and (5) so long as the Fleet Pledge shall not have been released in accordance with its terms, (a) the Interests will not be, and will not become, "investment property" or held in a "securities account" (within the meaning of the Uniform Commercial Code (the "UCC") and will be, and will remain, "general intangibles" within the meaning of Article 9 of the UCC and (b) any action by any Partner to cause any of the Interests to be deemed to be or to be treated as a "security" or as "investment property" or to be held in a "securities account" within the meanings of Article 8 and Article 9, respectively, of the UCC, shall be void and of no effect.

E. Without limitation of the foregoing provisions of this Section 8.1, the Partners specifically acknowledge that MMA Financial Bond Warehousing, LLC contemplates the transfer of its Interest to MMA Mesquite Senior Community, LLC, a Delaware limited liability company, pursuant to the terms and provisions of the Initial Transfer Agreement, and all Partners hereby consent thereto. Such transfer shall be effective on such date as may be designated by the transferor in writing to the Partnership.

Section 8.2. Substitute Limited Partners

A. The Limited Partner shall have the right to substitute an assignee as a Limited Partner in its place, subject to any Requisite Approvals. Any Substitute Limited Partner shall agree to be bound by the Project Documents and this Agreement as a condition to its being admitted to the Partnership. Without limitation of the foregoing, the transferee of the Interest of the Investor Limited Partner pursuant to the Initial Transfer Agreement shall be automatically admitted to the Partnership as a Substitute Limited Partner on the date such transfer shall become effective as provided in Section 8.1E.

Section 8.3. Assignees

A. Any permitted assignee of a Limited Partner which does not become a Substitute Limited Partner shall have the right to receive the same share of profits, losses and distributions of the Partnership to which the assigning Limited Partner would have been entitled.

B. Any assigning Limited Partner shall cease to be a Limited Partner and shall no longer have any rights or obligations of a Limited Partner except that, unless and until the assignee of such Limited Partner is admitted to the Partnership as a Substitute Limited Partner, said assigning Limited Partner shall retain the statutory rights and be subject to the statutory obligations of an assignor limited partner under the Uniform Act as well as the obligation to make the Capital Contributions attributable to the Interest in question, if any portion thereof remains unpaid.
C. There shall be filed with the Partnership a duly executed and acknowledged counterpart of the instrument making each assignment; such instrument must evidence the written acceptance of the assignee to this Agreement and the Project Documents. If such an instrument is not so filed, the Partnership need not recognize any such assignment for any purpose.

D. In the case of any assignment of a Limited Partner’s Interest as a Limited Partner, where the assignee does not become a Substitute Limited Partner, the Partnership shall recognize the assignment not later than the last day of the calendar month following receipt of notice of assignment and required documentation.

E. An assignee who does not become a Substitute Limited Partner and who desires to make a further assignment of its Interest shall also be subject to the provisions of this Article VIII.

Section 8.4. Voluntary Withdrawal of the Class B Limited Partner

No Class B Limited Partner shall have the right to withdraw or Retire voluntarily from the Partnership or sell, assign or encumber his or its Interest without the Consent of the Investor Limited Partner.

ARTICLE IX

Loans; Mortgage Refinancing; Property Disposition

Section 9.1. General

A. The Partnership shall be authorized to obtain the Mortgage Loans to finance the acquisition, development and construction of the Property and (to the extent permitted by the Lender) shall secure the same by the Mortgages. Except as set forth in the Project Documents as they exist on the date hereof, each Mortgage shall provide that no Partner or Related Person shall bear the Economic Risk of Loss for all or any part of such Mortgage Loans.

B. The General Partners are specifically authorized, for and on behalf of the Partnership, to execute the Project Documents and any permitted amendments thereto and, subject to the limitations set forth herein, such other documents as they deem necessary or appropriate in connection with the acquisition, development, operation and financing of the Property.

C. All Partnership borrowings shall be subject to Section 6.1, this Article, the Project Documents and the Regulations. To the extent borrowings are permitted, they may be made from any source, including Partners and Affiliates. The Partnership may accept Development Advances as and when permitted pursuant to the Development Agreement, and may issue instruments evidencing Operating Expense Loans pursuant to Section 6.9.

D. If any Partner shall lend any monies to the Partnership, any such loan shall be unsecured and the amount of any such additional loan shall not be an increase of its Capital Contribution. Until such time as the General Partners and the Developer shall have performed
fully their obligations to furnish funds pursuant to Sections 6.8 and 6.9 hereof and pursuant to the Development Agreement, any loan from a General Partner or an Affiliate of a General Partner shall be an obligation of the Partnership to the Partner or Affiliate only if it constitutes a borrowing permitted by Sections 6.8 or 6.9 or pursuant to the Development Agreement and shall be repayable as therein provided. Subject to the preceding sentence, any loans to the Partnership by a General Partner or an Affiliate of a General Partner may be made on such terms and conditions as may be agreed on by the Partnership, consistent with good business practices.

Section 9.2. Refinancing and Sale

The Partnership may not increase the amount of or otherwise materially modify any Mortgage Loan, obtain any new Mortgage Loan or refinance any Mortgage Loan (other than pursuant to and substantially in accordance with a Forward Commitment in existence at Investment Closing) including any required transfer or conveyance of Partnership assets for security or mortgage purposes, and may not sell, lease, exchange or otherwise transfer or convey all or substantially all the assets of the Partnership without the Consent of the Investor Limited Partner which Consent, after the Compliance Period, shall not be unreasonably withheld. Notwithstanding the foregoing, no such Consent shall be required for the leasing of apartments to tenants in the normal course of operations; provided, however, unless such Consent is obtained the Partnership shall lease the Project in such a manner as to qualify as a “qualified low-income housing project” under Section 42(g)(1) of the Code, and shall lease all of the Low Income Units to Qualified Tenants.

Section 9.3. Sales Commissions

Upon the sale of the Property by the Partnership, no Person may pay to any Person real estate commissions in excess of that which is reasonable, customary, and competitive with those paid in similar transactions in the same geographic area. Real estate commissions may be paid to an Affiliate of the General Partners.

ARTICLE X

Profits, Losses and Distributions

Section 10.1. Distributions Prior to Dissolution

A. Distribution of Cash Flow. Subject to any Requisite Approvals, (i) net rental income generated through the Completion Date shall be includable in Designated Proceeds and shall be available to the Developer and the General Partners for the purposes and subject to the conditions set forth in the Development Agreement and Section 6.8D hereof, (ii) Cash Flow in respect of the period from the Completion Date through the first anniversary of the Completion Date shall be used to pay the Priority Distribution to the Investor Limited Partner, with any balance paid to the Developer as payment of the Deferred Development Fee, and (iii) Cash Flow for each fiscal year (or fractional portion thereof) after the first anniversary of the Completion Date shall be distributed, within ninety (90) days after the end of each fiscal year, in the following order of priority:
First, to the payments required to be made pursuant to the PILOT Agreements;

Second, to the Investor Limited Partner until the Investor Limited Partner has received distributions under this Section 10.1A (exclusive of distributions constituting Recapture Amounts) equal to the Cumulative Priority Distribution;

Third, to the payment of any Deferred Development Fee, plus accrued interest thereon; or to the payment to the General Partners of the Capital Contribution made by the General Partners under Section 4.1 hereof;

Fourth, to the repayment of any Operating Expense Loans or Working Capital Loans then outstanding; and

Fifth, 10% of the balance remaining after Clause Third above shall be distributed to the Investor Limited Partner;

Sixth, to the payment of the Incentive Management Fee;

Seventh, any balance shall be used as follows: 69.44% shall be paid to the Class B Limited Partner, 30.55% shall be distributed to the General Partner, and .01% shall be distributed to the Investor Limited Partner.

If the Partnership shall have unfunded operating deficits or if any Recapture Amount or Credit Reallocation Amount shall be then due and owing to the Investor Limited Partner, then the General Partners and their Affiliates shall not be entitled to any distributions, fees or loan repayments under this Section 10.1A and any amounts which would otherwise have been paid or distributed to the General Partners pursuant to this Section 10.1A shall be reduced by such Recapture Amount or Credit Reallocation Amount and the amount which would otherwise have been distributed to the Investor Limited Partner pursuant to this Section 10.1A shall be increased by such Recapture Amount or Credit Reallocation Amount.

B. Distributions of Capital Transaction Proceeds

Prior to dissolution, if the General Partners shall determine that there are proceeds available for distribution from a Capital Transaction, such proceeds shall be applied and distributed as follows:

First, to discharge, to the extent required by any lender or creditor, the debts and obligations of the Partnership (other than items listed in the ensuing clauses of this Section 10.1B);

Second, to fund reserves for contingent liabilities to the extent deemed reasonable by the General Partner (other than items listed in the ensuing clauses of this Section 10.1B);
Third, to the repayment of any outstanding Deferred Development Fee and any interest accrued thereon; or to the payment to the General Partners of the Capital Contribution made by the General Partners under Section 4.1 hereof;

Fourth, to the repayment of any outstanding Operating Expense Loans and any outstanding Working Capital Loans;

Fifth, to the Investor Limited Partner an amount equal to any unpaid amount of the Cumulative Priority Distribution;

Sixth, to the Investor Limited Partner an amount equal to (a) the excess of the Recapture Amount determined under Section 10.5 over the sum of all Cash Flow distributions theretofore made to the Investor Limited Partner to effect payment of Recapture Amounts or Credit Reallocation Amount less (b) amounts previously paid to the Investor Limited Partner pursuant to this Clause Sixth;

Seventh, $10,000 to the Special Limited Partner; and

Eighth, the balance of such proceeds, if any, shall be distributed 20% to the Investor Limited Partner, 27.5% to the General Partner, and 52.5% to the Class B Limited Partner.

C. Sharing of Distributions

All distributions to the respective classes composed of the Special Limited Partner and the General Partners shall be shared by the members of such classes in accordance with the percentages set forth opposite their respective names on the Schedule, except as otherwise provided in this Agreement.

D. Proceeds from Insurance

Notwithstanding the provisions of Sections 10.1A or 10.1B, if the Partnership receives proceeds from the Title Policy, an insurance policy, or as the result of a casualty or condemnation after payment of debts and obligations of the Partnership, such proceeds shall be applied and distributed as follows: first, pursuant to Section 10.1B First; second, pursuant to Section 10.1B Second, third, to the payment to the Investor Limited Partner of an amount equal to 100% of its Net Capital Contribution that has been contributed to date, less the value of the Federal Tax Credits and losses taken and less any cash distributions received under Section 10.1A, and then pursuant to Section 10.1B beginning with Section 10.1B Third.

Section 10.2. Distributions Upon Dissolution

A. Upon dissolution and termination, after payment of, or adequate provision for, the debts and obligations of the Partnership, the remaining assets of the Partnership shall be distributed to the Partners in accordance with the positive balances in their Capital Accounts after taking into account all Capital Account adjustments for the Partnership taxable year, including adjustments to Capital Accounts pursuant to Sections 10.2B and 10.3B. In the event that a General Partner or Investor Limited Partner has a negative balance in its Capital Account
following the liquidation of the Partnership or its Interest after taking into account all Capital Account adjustments for the Partnership taxable year in which the liquidation occurs, such General Partner shall pay to the Partnership in cash an amount equal to the negative balance in his Capital Account. Such payment shall be made by the end of such taxable year (or, if later, within ninety (90) days after the date of such liquidation) and shall, upon liquidation of the Partnership, be paid to recourse creditors of the Partnership or distributed to other Partners in accordance with the positive balances in their Capital Accounts. Notwithstanding the foregoing, the obligation of a Partner to contribute such deficit shall be zero unless and until it shall notify the Partnership in writing of its election to have a different amount (the “Designated Amount”) apply, which Designated Amount may be increased or reduced (subject to the provisions of the following sentence) by similar written notice from the Investor Limited Partner at any subsequent date. No such notice shall be effective with respect to any Fiscal Year unless the same shall be given prior to the end of such Fiscal Year. No subsequent reduction to the Designated Amount shall reduce the same below the Investor Limited Partner’s deficit balance in its Capital Account (as such Capital Account is increased by the Investor Limited Partner’s share of Partnership Minimum Gain) at the end of the Partnership’s immediately preceding tax year.

B. With respect to assets distributed in kind to the Partners in liquidation or otherwise, (i) any unrealized appreciation or unrealized depreciation in the values of such assets shall be deemed to be profits and losses realized by the Partnership immediately prior to the liquidation or other distribution event; and (ii) such profits and losses shall be allocated to the Partners in accordance with Section 10.3B, and any property so distributed shall be treated as a distribution of an amount in cash equal to the excess of such fair market value over the outstanding principal balance of and accrued interest on any debt by which the property is encumbered. For the purposes of this Section 10.2B, “unrealized appreciation” or “unrealized depreciation” shall mean the difference between the fair market value of such assets, taking into account the fair market value of the associated financing (but subject to Section 7701(g) of the Code), and the Partnership’s adjusted basis for such assets as determined under Section 1.704-1(b). This Section 10.2B is merely intended to provide a rule for allocating unrealized gains and losses upon liquidation or other distribution event, and nothing contained in this Section 10.2B or elsewhere herein is intended to treat or cause such distributions to be treated as sales for value. The fair market value of such assets shall be determined by an appraiser to be selected by the General Partners with the Consent of the Investor Limited Partner.

Section 10.3. Profits, Losses and Tax Credits

A. Except as otherwise specifically provided in this Article, for each fiscal year or portion thereof, profits, tax-exempt income, losses and non-deductible, non-capitalizable expenditures incurred and/or accrued by the Partnership, shall be allocated 0.01% to the General Partners and 99.99% to the Investor Limited Partner.

B. Except as otherwise specifically provided in Section 10.4 or elsewhere in this Article, all profits and losses arising from a Capital Transaction shall be allocated to the Partners as follows:
As to profits:

First, an amount of profit equal to the aggregate negative balances (if any) in the Capital Accounts of all Partners having negative balance Capital Accounts shall be allocated to such Partners in proportion to their negative Capital Account balances until all such Capital Accounts shall have zero balances; and

Second, an amount of profits shall be allocated to each of the Partners until the positive balance in the Capital Account of each Partner equals, as nearly as possible, the amount of cash which would be distributed to such Partner if the aggregate amount in the Capital Accounts of all Partners were cash available to be distributed in accordance with the provisions of Clauses Fifth through Eighth of Section 10.1B.

As to losses:

First, an amount of losses equal to the aggregate positive balances (if any) in the Capital Accounts of all Partners having positive balance Capital Accounts shall be allocated to such Partners in proportion to their positive Capital Account balances until all such Capital Accounts shall have zero balances; provided, however, that if the amount of losses so to be allocated is less than the sum of the positive balances in the Capital Accounts of those Partners having positive balances in their Capital Accounts, then such losses shall be allocated to the Partners in such proportions and in such amounts so that the Capital Account balances of each Partner shall equal, as nearly as possible, the amount such Partner would receive if an amount equal to the excess of (a) the sum of all Partners' balances in their Capital Accounts computed prior to the allocation of losses under this clause First over (b) the aggregate amount of losses to be allocated to the Partners pursuant to this clause First were distributed to the Partners in accordance with the provisions of Fifth through Eighth of Section 10.1B; and

Second, the balance, if any, of such losses shall be allocated 0.01% to the General Partners and 99.99% to the Investor Limited Partner.

C. If the Partnership (i) incurs recourse obligations or Partner Nonrecourse Debt (including without limitation Operating Expense Loans), (ii) accepts Special Capital Contributions pursuant to Section 6.9 or (iii) incurs losses from extraordinary events which are not recovered from insurance or otherwise (the items referred to in clauses (i), (ii) and (iii) being hereinafter referred to collectively as the “Section 10.3C Items”) in respect of any Partnership taxable year, then the calculation and allocation of profits and losses shall be adjusted as follows: first, an amount of deductions (consisting of operating expenses and not cost recovery deductions) attributable to the Section 10.3C Items shall be allocated to the General Partners; and second, the balance of such deductions shall be allocated as provided in Section 10.3A. For purposes of this Section 10.3C, extraordinary events includes casualty losses, losses resulting from liability to third parties for tortious injury, losses resulting from a breach of a legal duty by the Partnership or by the General Partners, and deductions resulting from other liabilities which are not incurred in the ordinary course of business. Nothing in this Section 10.3C. shall prevent
the Partnership from recovering an extraordinary loss from a General Partner who is liable therefor by law or under this Agreement.

D. If any Section 10.3C Items shall be repaid from cash generated in respect of any fiscal year, then the allocation of profits and losses under Section 10.3A for such fiscal year shall be adjusted as follows: first, the General Partners shall be allocated an amount of the gross income of the Partnership equal to the lesser of (i) the amount of items of loss or expense previously allocated to the General Partners under Section 10.3C and not previously offset by allocations of gross income under this Section 10.3D or items thereof and (ii) the amount of the Section 10.3C Items repaid in such year and second, all remaining gross income and all expenses shall be allocated as provided in Section 10.3A. Nothing in this Section 10.3D shall be construed to authorize the return of Special Capital Contributions. This section shall be applied in conjunction with Section 10.4B to avoid the double allocation of gain under such sections when Operating Expense Loans are repaid.

E. Notwithstanding the foregoing provisions of Sections 10.3.A and 10.3.B, in no event shall any losses be allocated to a Limited Partner if and to the extent that such allocation would cause, as of the end of the Partnership taxable year, the negative balance in such Limited Partner's Capital Account to exceed such Limited Partner's share of Partnership Minimum Gain plus such Limited Partner's share of Partner Nonrecourse Debt Minimum Gain. Any losses which are not allocated to the Limited Partners by virtue of the application of this Section 10.3E shall be allocated as required under Treasury Regulation Section 1.704-1(b). For purposes of this Section 10.3E, a Partner's Capital Account shall be treated as reduced by Qualified Income Offset Items.

F. The terms “profits” and “losses” used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering into the computation thereof, as determined in accordance with the accounting methods followed by the Partnership and computed in a manner consistent with Treasury Regulation Section 1.704-1(b)(2)(iv). Profits and losses for federal income tax purposes shall be allocated in the same manner as profits and losses under Section 10.3 except as provided in Section 10.6B.

G. Tax credits under Section 42 of the Code shall be allocated among the Partners in the same manner as the deductions attributable to the expenditures creating the tax credit are allocated among the Partners in accordance with Treasury Regulation Section 1.704-1(b)(4)(ii).

Section 10.4. Minimum Gain Chargebacks and Qualified Income Offset

A. If there is a net decrease in Partnership Minimum Gain during a Partnership taxable year, each Partner will be allocated items of income and gain for such year (and, if necessary, subsequent years) in the proportion to, and to the extent of, an amount equal to such Partner’s share of the net decrease in Partnership Minimum Gain during the year. A Partner is not subject to this Partnership Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(f) under Section 704 of the Code.
B. If there is a net decrease in Partner Nonrecourse Debt Minimum Gain during a Partnership taxable year, then each Partner with a share of the minimum gain attributable to such debt at the beginning of such year will be allocated items of income and gain for such year (and, if necessary, subsequent years) in proportion to, and to the extent of, an amount equal to such Partner’s share of the net decrease in Partner Nonrecourse Debt Minimum Gain during the year. A Partner is not subject to this Partner Nonrecourse Debt Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(i)(4) applied consistently with Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(i)(4) under Section 704 of the Code.

C. If a Limited Partner unexpectedly receives (1) an allocation of loss or deduction or expenditures described in Section 705(a)(2)(B) of the Code made (a) pursuant to Section 704(e)(2) of the Code to a donee of an interest in the Partnership, (b) pursuant to Section 706(d) of the Code as the result of a change in any Partner’s interest in the Partnership, or (c) pursuant to Regulation Section 1.751-1(b)(2)(ii) as a result of a distribution by the Partnership of unrealized receivables or inventory items or (2) a distribution, and such allocation and/or distribution would cause the negative balance in such Partner’s Capital Account to exceed (i) such Partner’s share of Partnership Minimum Gain plus (ii) such Partner’s share of Partner Nonrecourse Debt Minimum Gain and (iii) the amount of such Partner’s obligation, if any, to restore a deficit balance in his Capital Account, then such Partner shall be allocated items of income and gain in an amount and manner sufficient to eliminate such negative balance as quickly as possible. For purposes of this Section 10.4C, a Partner’s Capital Account shall be treated as reduced by Qualified Income Offset Items.

Section 10.5. Recapture Amount

A. If at any time during the Compliance Period, the Project ceases to be a “qualified low income housing project” (as defined in Section 42(g)(1) of the Code) or any Low-Income Unit ceases to be a “low income unit” (as defined in Section 42(i)(3) of the Code), and as a result thereof all or any portion of credits allowed to the Partnership and its Partners under Section 42 of the Code are subject to recapture pursuant to Section 42(j) of the Code (such an occurrence being referred to herein as a Recapture Event), the Investor Limited Partner shall become entitled to additional cash distributions equal to the Recapture Amount.

B. The Recapture Amount is an amount that, after deduction of all federal income taxes payable by the Investor Limited Partner (or its partners) as computed under Section 10.5D below, is equal to the sum of (i) the “credit recapture amount” allocable to the Investor Limited Partner as defined in Section 42(j) of the Code (together with any interest or penalties incurred in connection with such credit recapture amount to the extent not otherwise included in such definition) plus (ii) the amount of credits allocable to the Investor Limited Partner which are disallowed in the year of the Recapture Event and in each subsequent year. Notwithstanding the foregoing, however, the Recapture Amount attributable to an event which also results in a reduction of the Capital Contribution of the Investor Limited Partner pursuant to Section 5.1B shall be zero if such reduction is actually effected by reduction of subsequent Installments or Tax Credit Shortfall Payments by the General Partners pursuant to Section 5.1B(iv).
C. Any Recapture Amount distributable to the Investor Limited Partner pursuant to the foregoing provisions shall be distributed as funds become available for such distributions, but such distributions shall not be made prior to (i) in the case of the “credit recapture amount,” the year of the Recapture Event and (ii) in the case of any credits disallowed with respect to any year subsequent to the Recapture Event, in each such subsequent year.

D. Determination of the Recapture Amount shall be made on the assumption that receipt or accrual by each partner of the Investor Limited Partner of any amounts distributable to such partner under Section 10.5C above will currently be subject to United States federal income tax at the highest marginal rate applicable to corporations for the year(s) in question (giving effect to the application of the alternative minimum tax).

E. All computations required under this Section 10.5 shall be made reasonably by the Investor Limited Partner, and the results of such computations, together with a statement describing in reasonable detail the manner in which such computations were made, shall be delivered to the Managing General Partner in writing. Within fifteen (15) days following receipt of such computation, the Managing General Partner may request that the Accountants determine whether such computations are reasonable and are not erroneous. If the Accountants determine that such computations are unreasonable or contain errors, then the Accountants shall determine what they believe to be the appropriate computations. If the Investor Limited Partner does not agree with the determination of the Accountants, then another accounting firm other than the Accountants to be selected jointly by the Investor Limited Partner and the Managing General Partner or, if they cannot agree, by the American Arbitration Association, from among the ten largest national accounting firms, shall make such computations. The computations of the Investor Limited Partner, the Accountants, or the other accounting firm so selected, whichever is applicable, shall be final, binding and conclusive upon the parties. All fees and expenses payable to an accounting firm other than the Accountants under this paragraph shall be borne solely by the Managing General Partner. All fees and expenses payable to the American Arbitration Association shall be borne equally by the General Partners and the Investor Limited Partner.

F. In the event that a claim is made by the Service which, if successful, would result in the determination that a Recapture Event has occurred, the Investor Limited Partner hereby agrees to take such action in connection with contesting such claim as the Managing General Partner shall reasonably request in writing from time to time; provided that: (i) within thirty (30) days after receiving notice of such claim, the Managing General Partner shall request that such claim be contested; (ii) the Investor Limited Partner shall not enter into a settlement or compromise with the Service with respect to, or shall otherwise concede, any claim which the Managing General Partner has requested be contested without the prior written consent of the Managing General Partner, which shall not be unreasonably withheld or delayed; and (iii) notwithstanding the foregoing, the Investor Limited Partner, in its sole option, may forego any and all administrative appeals, proceedings, hearings and conferences with the Service and pay (or cause its partners to pay) the tax claimed and sue for a refund in the appropriate United States District Court and/or the Court of Federal Claims, considering, however, in good faith such request as the Managing General Partner shall make concerning the most appropriate forum in which to proceed, in which event the Managing General Partner shall, if the Managing General Partner desires, contest such claim in the United States District Court or the Court of Federal Claims. The Investor Limited Partner agrees to notify the Managing General Partner in writing.
of any such claim and agrees not to make payment of the tax for at least thirty (30) days after
giving such notice and agrees to give the Managing General Partner any information that is
relevant and material to contest such claim and to cooperate in all reasonable respects with the
Managing General Partner in good faith in order to contest any such claim effectively. The
Managing General Partner and its counsel shall maintain confidentiality with respect to all such
information insofar as is possible, consistent with the conduct of a contest hereunder. All
reasonable legal and accounting fees and other third party costs and expenses incurred by the
Investor Limited Partner or its partners in contesting a claim or with respect to such litigation
shall be borne by the Managing General Partner.

G. If any claim referred to above shall be made by the Service and the Managing
General Partner shall have reasonably requested the Investor Limited Partner or its partners to
contest such claim as above provided and shall have duly complied with all of the terms of the
foregoing provisions, the Recapture Amount as a consequence of such claim shall become fixed
upon the Final Determination of the liability of the Investor Limited Partner or its partners for the
tax claimed and after giving effect to any refund obtained, together with interest thereon; but in
all other cases the Recapture Amount shall become fixed at the time the Investor Limited Partner
or its partners agree to the adjustments relating to such claim.

Section 10.6. Special Provisions

A. Except as otherwise provided in this Agreement, all profits, losses, credits and
distributions shared by the respective classes composed of the Special Limited Partner and the
General Partners shall be allocated among the members of such class in accordance with the
percentages set forth opposite their respective names in the Schedule. Subject to the provisions
of Section 13.8, the Investor Limited Partner and Special Limited Partner each shall be deemed
to have been admitted to the Partnership as of the first day of the month during which its actual
admission occurs for purposes of allocating profits and losses.

B. Income, gain, loss and deduction with respect to property which has a variation,
between its basis computed in accordance with Treasury Regulation Section 1.704-1(b) and its
basis computed for federal income tax purposes shall be shared among the Partners for tax
purposes so as to take account of such variation in a manner consistent with the principles of
Section 704(c) of the Code and Treasury Regulation Sections 1.704-1(b)(2)(iv)(g) and 1.704-3.

C. If the Partnership shall receive any purchase money indebtedness in partial
payment of the purchase price of the Project and such indebtedness is distributed to the Partners
pursuant to the provisions of Section 10.1B or Section 10.2, the distributions of the cash portion
of such purchase price and the principal amount of such purchase money indebtedness hereunder
shall be allocated among the Partners in the following manner: On the basis of the sum of the
principal amount of the purchase money indebtedness and cash payments received on the sale
(net of amounts required to pay Partnership obligations and fund reasonable reserves), there shall
be calculated the percentage of the total net proceeds distributable to each class of Partners based
on Section 10.1B or Section 10.2, as applicable, treating cash payments and purchase money
indebtedness principal interchangeably for this purpose, and the respective classes shall receive
such respective percentages of the net cash purchase price and purchase money principal.
Payments on such purchase money indebtedness retained by the Partnership shall be distributed
in accordance with the respective portions of principal allocated to the respective classes of Partners in accordance with the preceding sentence, and if any such purchase money indebtedness shall be sold, the sale proceeds shall be allocated in the same proportion.

D. In the event that any fee payable to any General Partner or any Affiliate shall instead be determined to be a non-deductible, non-capitalizable distribution from the Partnership to a Partner for federal income tax purposes, then there shall be allocated to such General Partner an amount of gross income equal to the amount of such distribution.

E. Notwithstanding any provision to the contrary in this Article X, funds of the Partnership constituting Designated Proceeds shall be applied to pay Development Costs and the Development Amount in accordance with the provisions of this Agreement, the Development Agreement and the Project Documents.

F. In applying the provisions of this Article X with respect to distributions and allocations, the following ordering of priorities shall apply:

1. Capital Accounts shall be deemed to be reduced by Qualified Income Offset Items.
2. Capital Accounts shall be reduced by distributions of Cash Flow under Section 10.1A.
3. Capital Accounts shall be reduced by distributions from Capital Transactions under Section 10.1B.
4. Capital Accounts shall be increased by any minimum gain chargeback under Section 10.4A or 10.4B.
5. Capital Accounts shall be increased by any qualified income offset under Section 10.4C.
6. Capital Accounts shall be increased by allocations of profits under Section 10.3A.
7. Capital Accounts shall be reduced by allocations of losses under Section 10.3A.
8. Capital Accounts shall be reduced by allocations of losses under Section 10.3B.
9. Capital Accounts shall be increased by allocations of profits under Section 10.3B.

G. For purposes of determining each Partner's proportionate share of excess Partnership Nonrecourse Liabilities pursuant to Treasury Regulation Section 1.752-3(a)(3), the Investor Limited Partner shall be deemed to have a 99.99% interest in profits of the Partnership and the General Partners shall be deemed to have a 0.01% interest in profits of the Partnership.
H. To the maximum extent permitted under the Code, allocations of profits and losses shall be modified so that the Partners' Capital Accounts reflect the amount they would have reflected if adjustments required by Section 10.4 had not occurred. Furthermore, if for any fiscal year the application of the provisions of Section 10.4 would cause a distortion in the economic sharing arrangement among the Partners and it is not expected that the Partnership will have sufficient other income to correct that distortion, the General Partners may request a waiver from the Service of the application in whole or in part of Section 10.4 in accordance with Treasury Regulation Section 1.704-2(f)(4).

I. To the extent that interest on obligations to any General Partner or its Affiliates is determined to be deductible by the Partnership in excess of the stated amount of interest payable thereunder, the corresponding additional interest deduction shall be allocated solely to such General Partner.

J. Any interest income earned by the Partnership on any and all reserve, escrow or other accounts prior to the Completion Date shall be specially allocated to the General Partner.

ARTICLE XI

Management Agent

Section 11.1. Management Agent

The General Partners shall have responsibility for obtaining a Management Agent acceptable to the Investor Limited Partner and each Lender and Agency to manage the Project in accordance with the requirements of each Lender and Agency. The General Partners shall cause the Partnership to enter into the Management Agreement with the Management Agent, which may be an Affiliate of a General Partner; provided, however, that in the event that the Management Agreement is with an Affiliate of a General Partner, the Management Agreement shall provide that the Management Agent shall be removed and the Management Agreement shall be terminated if the General Partner is removed pursuant to this Agreement. The initial Management Agent shall be Alpha-Barnes Real Estate Services. Subject to the Regulations, the Management Agent shall be entitled to receive a reasonable and competitive Management Fee (determined by reference to arm's-length property management arrangements for comparable properties in force in the general locality of the Project) not to exceed the lesser of 4% of gross rental income or the maximum amount permitted by any relevant Agency or Lender.

If at any time after the Completion Date:

(i) the Project shall be subject to any substantial building code violation which shall not have been cured within ninety (90) days after notice from the applicable governmental agency or department or unless such violation is being validly contested by the General Partners by proceedings which operate to prevent any fines or criminal penalties from being levied against the Partnership or unless, in the case of any such violation not susceptible of cure within such ninety (90)-day period, the General Partners are diligently making reasonable efforts to cure the same,
(ii) operating revenues of the Project in respect of any period of twenty-four (24) consecutive calendar months after the Completion Date shall be insufficient to permit the Partnership to pay when due on a current basis all Partnership obligations in respect of such twenty-four (24)-month period,

(iii) the Project ceases to qualify as a "qualified low-income housing project" under Section 42(g) of the Code or any of the Low Income Units in the Project ceases to qualify as a "low income unit" under Section 42(i)(3) of the Code,

(iv) a Recapture Event shall have occurred, or

(v) the Management Agent or its agents or employees have demonstrated incompetence or malfeasance in the management of the Project, or

(vi) the Special Limited Partner has elected to remove a General Partner that is an Affiliate of the Management Agent pursuant to the provisions of Section 7.7,

then the General Partners shall forthwith give to the Special Limited Partner notice of such event, and thereafter the Partnership shall, subject to any Requisite Approvals, forthwith terminate its management agreement with the Management Agent, unless the approval of the Special Limited Partner is obtained to the retention of the Management Agent. Upon any termination, the General Partners shall immediately proceed to select a qualified Person as the new Management Agent (which, in the event the terminated Management Agent was an Affiliate of a General Partner, shall be unaffiliated with any General Partner) as the new Management Agent for the Property, which selection shall be subject to any Requisite Approvals; and, after such selection, no Management Fee shall be payable to any Person which is an Affiliate of a General Partner unless the management contract with any such Person shall provide for the right of the Partnership to terminate the same upon the occurrence of the circumstance described in this Article XI. By its execution hereof, the Management Agent agrees that the provisions of this Section which limit the amount of the Management Fee and provide for the termination of the Management Agent under the circumstances herein described are hereby incorporated into any present or future Management Agreement (which shall be deemed amended hereby to the extent necessary to give effect to such provisions).

Section 11.2. Special Power of Attorney

If an event described in clauses (i) through (vi) of Section 11.1 above occurs and the General Partner fails to send a Management Default Notice to the Special Limited Partner within the ten (10) days of the date the General Partner became aware of such event, the Special Limited Partner hereby is granted an irrevocable power of attorney, coupled with an interest, to take such action, and to execute and deliver such documents on behalf of the Partners and the Partnership, as shall be legally necessary and sufficient to effect the provisions of this Article XI.
ARTICLE XII

Books and Reporting, Accounting, Tax Election, Etc

Section 12.1. Books, Records and Reporting

A. The General Partners shall keep or cause to be kept a complete and accurate set of books and supporting documentation with respect to the Partnership's business. The books of the Partnership shall be kept on the accrual basis. The books and records of the Partnership (including all records required to be maintained under the Uniform Act) shall at all times be maintained at the principal office of the Partnership. Each Partner, its duly authorized representatives and any regulatory authority which regulates such Partner shall have the right to examine the books of the Partnership and all other records and information concerning the Partnership and the Project at reasonable times. The books and records of the Partnership shall include, without limitation, copies of the following: (i) the Partnership's federal, state and local income tax or information returns and reports, if any, and all related back-up documentation for ten (10) years from the date of production and (ii) financial statements of the Partnership for ten (10) years from the date of production.

B. The books of the Partnership shall be examined by the Accountants in accordance with generally accepted auditing standards annually as of the end of each fiscal year of the Partnership. The General Partners shall prepare a balance sheet as of the end of each such year and statements of income, partners' equity and cash flows for such year. Said balance sheet and statements shall be accompanied by the opinion of the Accountants that said balance sheet and statements have been prepared in accordance with generally accepted accounting principles applied consistently with prior periods identifying any matters to which the Accountants take exception and stating, to the extent practicable, the effect of each such exception on such financial statements. As a note to such financial statements, the General Partners shall prepare a schedule of all loans to the Partnership (to be reviewed by the Accountants), setting forth the purpose of such loan and Section of this Agreement under which such loan was obtained. Such schedule shall demonstrate that loans have been made, used, carried on the books of the Partnership (and repaid, if applicable) in accordance with the provisions of this Agreement. In addition, after the first year in which the Accountants examine the financial statements of the Partnership after completion of the Project, the depreciation schedule for that year and all future years, along with the depreciation worksheet, shall be prepared by the General Partners, reviewed by the Accountants and furnished to the Investor Limited Partner. The General Partners shall, promptly upon receipt of such balance sheet and statements and in any event within sixty (60) days after the end of each fiscal year, transmit to the Investor Limited Partner a copy thereof. The Accountants shall also review and sign the federal and state income tax returns of the Partnership. In connection with the preparation of such tax returns, the General Partners shall seek and obtain the advice of the Special Limited Partner with respect to material allocations of assets for cost recovery purposes. The General Partners shall complete the books of the Partnership in such time as will allow the Accountants to complete such tax returns within forty-five (45) days after the end of such fiscal year. The General Partners shall cause such tax returns to be filed within such time periods and shall immediately upon the filing thereof transmit to the Investor Limited Partner a copy of Schedule K-1. If the General Partners fail to complete such tax returns and to transmit such Schedule K-1 to the Investor Limited Partner

within such time periods, shall fail to transmit the annual balance sheet and financial statements to the Investor Limited Partner within the time period set forth above or shall fail to deliver any of the information required by Section 12.1E within twenty (20) days after the end of any applicable quarter of the Partnership’s fiscal year, the General Partners shall pay as damages the sum of $250 per day (plus interest at the Designated Prime Rate plus 3% per annum) to the Investor Limited Partner until such Schedule K-1, and financial statements and information required pursuant to Section 12.1E are received by the Investor Limited Partner. Such damages shall be paid forthwith by the General Partners and failure to so pay shall constitute a default of the General Partners under Section 6.3C. In addition, if the General Partners fail to so pay, the Investor Limited Partner may deduct any unpaid damages from any portion of its Capital Contribution not yet paid, or if such Capital Contribution has been fully paid then the General Partners and their Affiliates shall forthwith cease to be entitled to the Incentive Management Fee and any Cash Flow. Such payments of the Incentive Management Fee and Cash Flow shall only be restored upon the payment of such damages in full and any amount of such damages not so paid shall be deducted against payments of the Incentive Management Fee and Cash Flow otherwise due to the General Partners or their Affiliates.

Such reports and estimates shall clearly indicate the methods under which they were prepared and shall be made at the expense of the Partnership.

C. If the General Partners fail to complete such tax returns and submit such Schedules K-1 on a timely basis, the Investor Limited Partner may select a firm of accountants who shall prepare such returns and Forms K-1. The General Partners shall immediately furnish all necessary documentation and other information to prepare such tax returns and such Schedules K-1 to such accountants.

D. Every Limited Partner shall at all times have access to the records of the Partnership and may inspect and copy any of them. A list of the names and addresses of all of the Limited Partners shall be maintained as part of the books and records of the Partnership and shall be mailed to any Limited Partner upon request. A reasonable charge for copy work may be charged by the Partnership. Within a reasonable time following receipt of a written direction from the Investor Limited Partner, the General Partners shall furnish copies of information or reports required to be maintained or prepared pursuant to this Article XII to members or limited partners of the Investor Limited Partner. Any such direction shall specifically identify the information or reports requested and the name and address of each member or limited partner of the Investor Limited Partner to receive the same.

E. Within fifteen (15) days following the end of each of the first three (3) quarters of each fiscal year (and, if and to the extent specifically requested in writing by the Investor Limited Partner, within twenty (20) days following the end of such fiscal year), the Managing General Partner shall send to each Person who was a Limited Partner at any time during such quarter one or more reports which, taken together, provide the following information (which need not be audited): (i) a balance sheet as at the end of such quarter; (ii) a statement of income for such quarter on the cash as well as accrual bases; (iii) a statement of cash available for distribution and reserves for such quarter; (iv) a statement describing (a) any new agreement, contract or arrangement between the Partnership and a General Partner or an Affiliate of a General Partner except for payroll and related benefits paid to the Management Company, (b) the
amount of all fees and other compensation and distributions and reimbursed expenses paid by the Partnership for the quarter to any General Partner or Affiliate of a General Partner, and (c) the amount of all distributions of Cash Flow and Capital Transaction proceeds made to Partners; and (v) a report of the significant activities of the Partnership during the fiscal quarter. Each quarterly report shall also contain a certification by the General Partner that the Partnership or the General Partner has not received any notice or has been cited by or otherwise warned in writing of any “Violation” (as hereinafter defined) by any governmental entity, which Violation could have a materially adverse impact on any of them. For purposes of this certification, a Violation shall mean any act or omission complained of which, if uncured, would be in violation of (a) any applicable statute, code, ordinance, rule or regulation, (b) any agreement or instrument to which the governmental entity and the Partnership or the General Partner is a party or to which the Project is subject, (c) any license or permit, or (d) any judgment, decree or order of a court. Any exceptions to the foregoing shall be described in such certification. In addition, if requested by the Investor Limited Partner in writing, within a reasonable time after receipt of such a request, each General Partner shall send to the Investor Limited Partner such recent financial statements (including a balance sheet and statement of income) as shall have been so requested.

F. The General Partners shall provide the Investor Limited Partner and the Class B Limited Partner with (i) a copy of each draw request for construction or development costs as such requests are made to the Lender; (ii) a copy of each inspection report, evaluation or similar report issued to the Partnership by any Agency or Lender promptly upon receipt thereof; (iii) a copy of each low-income housing tax credit compliance report delivered to or prepared by the applicable tax credit monitoring agency or agencies with respect to the Project; (iv) prompt notice of any casualty or other significant adverse event relating to the Partnership; (v) evidence of insurance, (vi) at least annually, a schedule setting forth the adjustments necessary, if any, to state the income of the Partnership using the longer depreciable lives available under generally accepted accounting principles (rather than the depreciable lives used for federal income tax purposes), and (vii) such other information as the Investor Limited Partner may specifically request from time to time with regard to the business or operations of the Partnership.

G. By the fifteenth (15th) day of each month prior to the Development Obligation Date, the Class B Limited Partner shall provide the Investor Limited Partner with a brief written summary of the status of the construction, development, lease-up and operations of the Project during the prior month.

H. An annual pro forma operating budget for the succeeding calendar year shall be prepared by the General Partners and furnished to the Investor Limited Partner by November 30 of each year. In addition, the General Partners shall prepare and furnish to the Investor Limited Partner an estimate of the profits and losses of the Partnership for federal income tax purposes for the current fiscal year not later than September 30 of each year.

I. Within thirty (30) days following the close of the first year of the credit period with respect to the Project, the Class B Limited Partner shall provide the Investor Limited Partner with a copy (in electronic form, if feasible) of all records establishing the qualification of tenants under Section 42 of the Code.
J. The General Partners shall furnish to the Investor Limited Partner a radon gas test measurement report and conclusion (a "Radon Report") for each Building upon completion of construction or rehabilitation thereof, unless the Project is located in a county in the lowest risk EPA radon map Zone 3. The Radon Report must come from a radon service professional who (i) meets state-specific requirements, if any, for providing such Radon Reports, and (ii) has a proficiency listing, accreditation or certification in radon test measurement from either (a) The National Environmental Health Association ("NEHA") National Radon Proficiency Program or (b) The National Radon Safety Board ("NRSB"). Alternatively, a Radon Report from an environmental professional who lacks such a proficiency listing, accreditation or certification from NEHA or NRSB may be acceptable if it follows state-specific requirements and EPA recommendations and protocols set forth in the following EPA publications: Protocols for Radon and Radon Decay Product Measurements in Homes (EPA 402-R-93-003, June, 1993) and the Indoor Radon and Radon Decay Product Measurement Device Protocols (EPA 402-R-92-004, July, 1992), which protocols are summarized at www.airchek.com. If the Radon Report demonstrates that the radon gas level for a Building exceeds the EPA standard for radon action or remediation then in effect, the General Partners shall install a radon mitigation system or take other recommended mitigation measures and shall provide a follow-up Radon Report to confirm effectiveness.

Section 12.2. Bank Accounts

Subject to any Requisite Approvals, the bank accounts of the Partnership shall be maintained in such banking institutions as the General Partners shall determine and withdrawals shall be made only in the regular course of Partnership business on the signature of the Managing General Partner. All deposits and other funds not needed in the operation of the business shall be deposited, to the extent permitted by the Lender and the Agency, in interest-bearing accounts or invested in short-term United States Government obligations maturing within one (1) year.

Section 12.3. Elections

Unless the Consent of the Investor Limited Partner is obtained permitting a different treatment, and except to the extent otherwise required by Section 168(g)(1)(B) of the Code, the Partnership shall depreciate its residential rental property, site improvements and personal property costs, respectively, over twenty-seven and a half (27.5) years, fifteen (15) years and seven (7) years for federal income tax purposes and over forty (40) years, twenty (20) years and ten (10) years (or over such other relevant useful lives as the Accountants shall deem appropriate) for financial accounting purposes. Subject to the provisions of Section 12.4, all other elections required or permitted to be made by the Partnership under the Code shall be made by the General Partners in such manner as they consider to be most advantageous to the Limited Partners.

Section 12.4. Special Adjustments

In the event of (i) a transfer of all or any part of any Interest or (ii) an election pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) is made by the Investor Limited Partner, the Partnership shall elect, if requested by the transferee or by the Investor Limited Partner (as the case may be), pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) to adjust the basis of Partnership assets. Notwithstanding anything
to the contrary contained in Article X, any adjustments made pursuant to said Section 754 shall affect only the successor in interest to the transferring Partner. Each Partner will furnish the Partnership with all information necessary to give effect to such election.

Section 12.5. Fiscal Year

The fiscal year of the Partnership shall be the calendar year unless a different year is required by the Code.

Each provision of this Agreement shall be considered separable and (i) if for any reason any provisions herein are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid, or (ii) if for any reason any provisions herein would cause the Limited Partners to be bound by the obligations of the Partnership under the laws of the State as the same may now or hereafter exist, such provisions shall be deemed void and of no effect.

B. Each of the parties hereto irrevocably waives during the term of the Partnership (including any periods during which the business of the Partnership is required to be continued under Article VII) any right (i) that such party may have to maintain any action for partition with respect to the property of the Partnership, and (ii) to commence an action seeking dissolution of the Partnership (unless the Consent of the Investor Limited Partner has been obtained).

C. The rights and remedies of any of the parties hereunder shall not be mutually exclusive, and the exercise of one or more of the provisions hereof shall not preclude the exercise of any other provisions hereof. Each of the parties confirms that damages at law may be an inadequate remedy for breach or threat of breach of any provisions hereof. The respective rights and obligations hereunder shall be enforceable by specific performance, injunction, or other equitable remedy, but nothing herein contained is intended to limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other parties for a breach or threat of breach of any provision hereof, it being the intention that the respective rights and obligations of the Partners shall be enforceable in equity as well as at law or otherwise.

D. In any instance in which any matter is to be determined by arbitration, such matter shall be submitted in the manner provided under the Commercial Arbitration Rules of the American Arbitration Association then in effect; such arbitration shall be conducted before one arbitrator, chosen in accordance with such rules in Dallas, Texas, and shall be binding on all parties to the dispute; judgment on the award of such arbitrator may be rendered by any court having jurisdiction of such parties and the subject matter. The expense of such arbitration shall
be borne equally by the parties thereto, except that each party shall bear the cost of its legal counsel.

E. Each Partner and each Guarantor irrevocably:

   (i) agrees that any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby shall be brought in the courts of record of Dallas County of the State of Texas or the courts of the United States located in Dallas, Texas;

   (ii) consents to the jurisdiction of each such court in any such suit, action or proceeding;

   (iii) waives any objection which he may have to the laying of venue of any such suit, action or proceeding in any of such courts; and

   (iv) waives its right to a jury trial with respect to any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby.

Section 13.8. Effective Date of Admission

Any Partner admitted to the Partnership during any calendar month shall be deemed to have been admitted as of the first day of such calendar month for all purposes of this Agreement including the allocation of profits, losses and credits under Article X; provided, however, that if regulations are issued by the Service or an amendment to the Code is adopted which would require, in the opinion of the Accountants, that a Partner be deemed admitted on a date other than as of the first day of such month, then the General Partners shall select a permitted admission date which is most favorable to the Partner.

Section 13.9. Delivery of Certificate

Promptly upon the filing of the Certificate and each amendment thereto in the Filing Office, the General Partners shall deliver or mail a copy thereof to each Limited Partner.

Section 13.10. Additional Information

At the request of the Investor Limited Partner, the General Partners shall furnish to the Investor Limited Partner: (i) plans and specifications for the Project; (ii) manuals, booklets and other documents describing the location and operation of all systems within the Project, including without limitation heating, air conditioning, elevator, electrical and plumbing systems; (iii) a list and copies of all agreements concerning the maintenance, operation and management of the Project; and (iv) such other information regarding the Partnership, the Project or the Related Agreements as the Investor Limited Partner may reasonably request.
Section 13.11. Further Documents and Actions

The Partners agree that they shall, from time to time, execute and deliver such further documents and do such further actions and things as may be reasonably requested by any other such party in order to effect fully the purposes of this Agreement and each other agreement or instrument identified on the Document Schedule.

Section 13.12. Brokers or Finders

The parties hereto agree that no broker or finder has any claim for commissions or fees in connection with the transaction embodied herein. The General Partners shall jointly and severally indemnify the Limited Partners against any brokers' or finders' fees or commissions claimed through the General Partners or their Affiliates in connection with the transactions contemplated hereby, including without limitation fees or commissions claimed by any syndicator or consultant engaged by the General Partners or any of their Affiliates. Insurance Requirements

(i) The General Partners shall cause the Partnership to maintain the following insurance types and coverages:

(1) “all risk” builders risk insurance satisfactory to the Special Limited Partner covering all property to be incorporated into the completed Project, whether under construction, stored on or off the Land or in transit, in an amount of not less than the full completed value of the Project (including architectural fees). Such insurance shall be written on a completed value form, may be subject to a per loss deductible not to exceed $10,000 and shall be specifically endorsed to provide coverage for the cost of any total or partial demolition of the Project required by law. Additional coverages shall be provided as follows for Projects located as set forth below:

(a) if the Project is located in California, earthquake coverage in an amount acceptable to the Special Limited Partner and subject to a deductible not to exceed 5% of the total insured value of the Project; provided, however, that such requirement shall be waived if the Project is shown to have an expected seismic damage ratio not greater than 10% as determined by independent engineers retained by the Special Limited Partner; or

(b) if the Project is located within ten miles off the coast of Florida, Alabama, Louisiana, Mississippi, North Carolina, South Carolina or Texas, windstorm coverage in an amount not less than the total insured value of the Project, which coverage shall be subject to a deductible not greater than 2% of the Project's total insured value; and

(c) if the Project is located within a 100-year flood plain (FEMA Flood Zone “A” – or any subdesignation of Zone “A”), National Flood Insurance Plan (NFIP) coverage is required with a deductible no greater than $500 per building. This coverage shall be obtained in addition to the “all risk” property insurance described in subparagraph (1) above;

the insurance described in this subparagraph (1) shall remain in force for the benefit of the Partnership until the Completion Date shall have occurred and the insurance coverage described in subsection (iv) below shall be in place;

(2) commercial general liability insurance in amounts of not less than $1,000,000 per occurrence (combined single limit) and $2,000,000 in the aggregate; and
(3) excess or umbrella liability insurance in an amount of not less than $5,000,000 (combined single limit), the terms of which shall follow the form of a general liability coverage specified in subparagraph (2) above.

(ii) The General Partners shall cause the Builder to obtain and maintain the following insurance types and coverages:

(1) commercial general liability insurance in amounts of not less than $1,000,000 per occurrence (combined single limit), $2,000,000 general policy aggregate and $1,000,000 product-completed operations aggregate. Such aggregate amounts of insurance shall apply separately to the Project. The Builder's commercial liability insurance shall apply as primary insurance with respect to any other insurance maintained by the Partnership and shall specifically name the Partnership and MMA Mesquite Senior Community, LLC as additional insureds;

(2) contractors professional liability in an amount of not less than $1,000,000 in the aggregate;

(3) comprehensive automobile insurance in an amount of not less than $1,000,000 per occurrence and $2,000,000 in the aggregate covering liability arising out of any owned, non-owned or hired vehicle utilized by the Builder in conjunction with the Project;

(4) workers compensation insurance providing statutory benefits to all employees of the Builder and employer's liability coverage in an amount of not less than $500,000; and

(5) excess or umbrella liability in an amount of not less than $5,000,000 (combined single limit) which follows the form of all underlying liability insurance (excepting contractors professional liability) maintained by the Builder pursuant to this Agreement.

(iii) The General Partners shall use their best efforts to assure that the Builder shall cause each of its subcontractors to purchase and maintain insurance of the types specified in subparagraph (ii) above. The General Partners shall obtain from the Builder copies of certificates of insurance evidencing such coverage for each such subcontractor.

(iv) Commencing on the Completion Date and at all times thereafter, the General Partners shall cause the Partnership to maintain the following insurance types and coverages:

(1) "all risk" property insurance in an amount of not less than the minimum amount required by any Lender, or the full replacement cost of all real and personal property, whichever is greater. Such contract of insurance shall include loss of rents coverage in an amount of not less than the Project's currently projected annual gross rent, an agreed amount endorsement covering all property and rental values and a standard building laws endorsement, including coverage
for building ordinance compliance, demolition and increased cost of construction, and shall be subject to a per loss deductible not to exceed $10,000. Additional coverages shall be provided as follows for Projects located as set forth below;

(a) if the Project is located in California, earthquake coverage in an amount acceptable to the Special Limited Partner and subject to a deductible not to exceed 5% of the total insured value of the Project; provided, however, that such requirement shall be waived if the Project is shown to have an expected seismic damage ratio not greater than 10% as determined by independent engineers retained by the Special Limited Partner; or

(b) if the Project is located within ten miles of the coast of Florida, Alabama, Louisiana, Mississippi, North Carolina, South Carolina or Texas, windstorm coverage in an amount not less than the total insured value of the Project, which coverage shall be subject to a deductible not greater than 2% of the Project's total insured value; and

(c) if the Project is located within a 100-year flood plain (FEMA Flood Zone “A” - or any subdesignation of Zone “A”), National Flood Insurance Plan (NFIP) coverage is required with a deductible no greater than $500 per building. This coverage shall be obtained in addition to the “all risk” property insurance described in subparagraph (1) above.

(d) the above “all risk” policy shall not contain any exclusion for acts of terrorism. If the above policy contains such an exclusion, the Partnership shall obtain separate insurance covering any such exclusion for terrorist acts, provided that such coverage is available in the marketplace, purchased by similar properties in the same region, and available at a commercially reasonable price.

(2) commercial general liability insurance, issued in the name of the Partnership, in amounts of not less than $1,000,000 per occurrence (combined single limit) and $2,000,000 in the aggregate;

(3) workers compensation insurance providing statutory benefits for all employees of the Partnership, and employer’s liability insurance for the benefit of the Partnership in an amount of not less than $1,000,000;

(4) obtain and maintain a contract of comprehensive automobile insurance, including non-owned automobile liability, for the benefit of the Partnership in an amount not less than $1,000,000 (combined single limit); and

(5) obtain and maintain a contract of excess or umbrella liability insurance in an amount not less than $5,000,000 (combined single limit), which follows the form of all underlying liability contracts and is issued in the name of the Partnership.
(v) The General Partners shall cause the Management Agreement to require that the Management Agent obtain and maintain at all times with respect to the Project the insurance coverage as required in clauses (i) - (iv) above, to the extent that the General Partners have not arranged for such coverage and to require that the Management Agent maintain:

(1) a policy of commercial general liability insurance in amounts not less than $1,000,000 per occurrence and $2,000,000 in the aggregate which shall name the Partnership as an additional insured;

   (a) the above commercial general liability policy shall contain no exclusion for mold or other bacterial contaminants. If the policy does contain such exclusion, the Partnership shall secure coverage for these exclusions by buying back the coverage from the liability carrier or purchasing an environmental liability policy that does not contain this exclusion.

(2) worker's compensation coverage for that company's employees;

(3) employee dishonesty coverage in the amount of $500,000;

(4) comprehensive automobile liability insurance (where applicable) in an amount not less than $1,000,000 (combined single limit); and

(5) property manager's professional errors and omissions insurance in an amount not less than $1,000,000 (the Management Agent shall provide the General Partners with evidence of the required coverage in the form of current certificates of insurance for as long as the Management Agreement shall remain in force).

All of the insurance policies required by this Exhibit C shall (a) be written by insurance companies holding a Standard & Poor's claims paying ability rating of A or better, and which are licensed to do business in the State where the Project is located, or obtained through a duly authorized surplus line insurance agent or otherwise in conformity with the laws of such State, with a rating of not less than the third (3rd) highest rating category by any one of the Rating Agencies or with an A.M. Best Company, Inc. rating of <A> or higher and a financial size category of not less than VII or a rating of at least BBBq in the Insurer Solvency Review published by Standard & Poor's; (b) specifically identify the Investor Limited Partner as a named additional insured with the Partnership as the named insured; and (c) include a provision requiring the insurance company to notify the Investor Limited Partner in writing no less than thirty (30) days prior to any cancellation, non-renewal or material change in the terms and conditions of coverage. In addition, the General Partners shall provide the Investor Limited Partner with certified copies of all insurance contracts required by this Section 6.4A within thirty (30) days of their inception and subsequent renewals.

The General Partners shall review regularly all of the Partnership and Project insurance coverage to insure that it is adequate. In particular, the General Partners shall review at least
annually the insurance coverage required hereunder to insure that it is in an amount at least equal to the then current full replacement value of the Improvements.

Without limitation of the foregoing, the General Partners shall deliver to the Investor Limited Partner on or before the date of Investment Closing one or more certificates or memoranda or insurance, in form reasonably acceptable to the Investor Limited Partner, evidencing, (i) the existence of the insurance policies and coverages specified above, (ii) that the Partnership and its Partners (including the Investor Limited Partner and Special Limited Partner) are named insureds on such policies, and (iii) that such insurance policies will not be cancelled by the insurers except within thirty (30) days' written notice to the Investor Limited Partner. From time to time following Investment Closing, the General Partners shall deliver to the Investor Limited Partner such further certificates or memoranda of insurance as the Investor Limited Partner may reasonably require to confirm that such insurance and notice provisions with respect to insurance under this Agreement have been complied with.

Re: PWA-Mesquite Senior Community, LP, a Texas limited partnership (the "Partnership")

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership dated as of August 1, 2003 (the "Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Using information provided to us by the Partnership concerning Mesquite Senior Community, an apartment complex located in Mesquite, Texas (referred to herein as the "Project"), we have performed the following procedures:

We have compiled a statement of income and expenses for the three months ended

We have obtained an annual budget prepared by the Project's management agent for the year ended December 31, 20__.

We have adjusted the statement to annualize all expenditures, including those of a seasonal or irregular nature which might reasonably be expected to be incurred on an unequal basis during a full annual period of operations. (Examples of such expenditures include debt service, reserve funding, maintenance, utilities, snow removal and real estate taxes.)

We have compared the budget for such period to the statement of actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership and the management agent.
We have determined that the Project, for each of three calendar months commencing on or after Final Closing, has achieved Breakeven, as that term is defined in the Partnership Agreement.

Copies of the calculations and adjustments we have made in reaching the determination above and of financial statements and budgets upon which such calculations are based are attached hereto.

Re: PWA-Mesquite Senior Community, LP, a Texas limited partnership
(the “Partnership”)

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership among MMA Financial Bond Warehousing, LLC, a Maryland limited liability company ("MMAF") and other parties dated as of August 1, 2003 (the "Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Based upon information provided to us by the Partnership concerning Mesquite Senior Community (an apartment complex located in Mesquite, Texas, referred to herein as the "Project"), we have performed the following procedures.

We have compiled a statement of the development costs through ________ 200_ and the expected classification of each cost for tax purposes.

We have obtained a budget for the development costs from the Partnership.

We have compared the budget for such costs to the actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership.

We have determined that the Annual Credit properly allocable to MMAF as the Investor Limited Partner will be approximately $_______.

Furthermore, nothing has come to our attention to suggest that the data or assumptions on which the above determinations are based are incorrect or inappropriate.
In making these determinations, we have assumed that 100% of the apartment units in the Project will be “low-income units” as such term is defined in Section 42(i)(3) of the Internal Revenue Code of 1986, as amended, and have no reason to believe that such assumption is unwarranted.

Copies of the calculations we have made in reaching the determinations above and of the financial statements and budgets upon which such calculations are based are attached hereto.

B. The obligation of the Investor Limited Partner to make each Installment (except as otherwise provided) is subject to each of the following conditions:

(i) The General Partners shall have properly completed, executed and delivered to the Investor Limited Partner a certificate relating to the appropriate remaining Installments (the "Payment Certificate"), in the forms attached hereto as exhibits, relating to the appropriate remaining Installments, dated the date such Installment is to be paid to the Partnership and attaching the Title Policy endorsement and any other materials referred to therein. In connection with the payment of each Installment, the Investor Limited Partner shall have the right to conduct a physical inspection of the Property to determine that the condition of the Project is consistent with sound business practices in the geographic area in which the Project is located, including no deferred maintenance. The Investor Limited Partner shall conduct such inspection within ten (10) business days of being requested to do so by the General Partner, provided, however, that the Investor Limited Partner will be deemed to waive such physical inspection requirement if it does not make such inspection within ten (10) business days of receipt of a written request by the General Partner to do so (which may be sent prior to the date of the Payment Certificate, but not more than ten (10) business days prior to the date of the Payment Certificate). If no prior request for an inspection has been made, the Investor Limited Partner’s receipt of the Payment Certificate is deemed a request for inspection.

(ii) In the case of the First Installment, all Requisite Approvals to the admission of the Investor Limited Partner pursuant to this Agreement shall have been obtained and the Project shall have received a Credit Allocation in the amount of at least $727,212 per annum.

obligation of the Investor Limited Partner to pay the Installments shall be suspended, and such obligation shall be reinstated only when such Event of Bankruptcy shall have been cured in a manner approved in writing by the Investor Limited Partner.

(vi) No Installment shall be payable unless all conditions for all prior Installments have been satisfied.

Section 5.2. Adjustment to Capital Contributions of Investor Limited Partner

The Capital Contribution of the Investor Limited Partner shall be subject to adjustment in the manner provided in this Section 5.2.

A. Federal Downward Basis Adjuster If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to which, the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner during the Credit Period for all of the Buildings in the Project is or will be less than the Projected Aggregate Federal Tax Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be reduced in the aggregate by the sum of (i) the "Federal Adjustment Factor" (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Tax Credit Amount is less than the Projected Aggregate Federal Tax Credit Amount (except to the extent such shortfall is attributable to the recapture of Federal Tax Credits previously reported on a Partnership tax return, in which event the Federal Adjustment Factor shall be $1.00 with respect to the portion of such shortfall attributable to such recapture), (ii) the amount of any interest and/or penalties paid or payable by the Investor Limited Partner (or its participants) as a result of any Recapture Event affecting the foregoing calculation, and (iii) 10% per annum commencing on the Admission Date and continuing until the payment of the amount of such reduction in full (for purposes of this sentence, any reduction effected by reduction in the amount of an Installment as provided in Section 5.2D shall be deemed to have been paid on the date on which such Installment shall actually become payable hereunder). Prior to the release of the Fifth Installment, the "Federal Adjustment Factor" shall be an amount equal to $0.90. From and after the release of the Fifth Installment, the "Federal Adjustment Factor" shall be an amount equal to $0.914. Any amount payable under this Section is referred to as the "Federal Adjustment Amount".

B. Federal Downward Timing Adjuster If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to which, the amount of the Federal Tax Credits properly allocable to the Investor Limited Partner is less than $222,160 in 2006, $686,674 in 2007, and $727,067 in 2008 (the "Target Amounts"), then the Capital Contribution of the Investor Limited Partner shall be reduced by $0.60 for each $1.00 that the Federal Tax Credits properly allocable to the Investor Limited Partner is less than $222,160 in 2006, $686,674 in 2007, and $727,067 in 2008 (a "Downward Federal Timing Adjustment"). Notwithstanding the foregoing, however, in the event that the Adjusted Aggregate Federal Tax Credit Amount shall vary from the Projected Aggregate Federal Tax Credit Amount in effect on the date of the Investment Closing, the Target Amounts for purposes of the preceding sentence shall be adjusted by the same percentage by
which the Adjusted Aggregate Federal Tax Credit Amount varies from the Projected Aggregate Federal Tax Credit Amount.

C. Federal Upward Basis Adjuster If at any time and from time to time the Accountants shall determine or there shall be a Final Determination that the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Tax Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be increased in the aggregate by the “Federal Increase Factor” (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Tax Credit Amount. The “Federal Increase Factor” shall be an amount equal to $0.90 for every $1.00 by which the Adjusted Aggregate Federal Tax Credit Amount exceeds the Projected Aggregate Federal Tax Credit Amount. In no event shall any increase in the Investor Limited Partner’s Capital Contribution pursuant to this Section 5.2C exceed $500,000. Such increase in the Investor Limited Partner’s Capital Contribution shall be payable at the time of the payment of the Seventh Installment.

D. Application of Adjustments. If, upon the occurrence of any determination or event giving rise to an adjustment in the Capital Contribution of the Investor Limited Partner under this Section 5.2 (aggregating and/or netting, as applicable, all concurrent adjustments applicable to the Investor Limited Partner under this Section 5.2), there is a net reduction in such Capital Contribution, then such net reduction shall be applied first to reduce the amount of any unpaid portions of the Installments of the Capital Contribution of the Investor Limited Partner, in order, by a corresponding amount. If the aggregate Federal Adjustment Amount (as increased pursuant to Section 5.2A) and Downward Federal Timing Adjustment exceeds the amount of such unpaid Installments, then the General Partners shall make a payment (a “Tax Credit Shortfall Payment”) to the Investor Limited Partner in the amount of such excess within thirty (30) days of the date of the determination in question. Any such Tax Credit Shortfall Payment by the General Partners shall constitute a Special Capital Contribution to the Partnership but shall not be reimbursable by the Partnership, and shall be immediately distributed by the Partnership to the Investor Limited Partner. If full payment of such excess amount is not received within such thirty (30)-day period, the unpaid balance shall thereafter bear interest at the Designated Prime Rate.

E. Provisional Adjustments If, upon receipt by the Investor Limited Partner of a Payment Certificate with respect to any Installment, the Investor Limited Partner shall have a reasonable basis to believe that the amount of such Installment would have been subject to reduction if the Accountants had made a current determination or projection under Section 5.2A or 5.2B above, the Investor Limited Partner may so notify the General Partners within seven (7) business days of receipt of such Payment Certificate, and the General Partners shall thereupon engage the Accountants to make such determination or projection (unless the General Partners and Investor Limited Partner shall mutually agree upon the adjustments to be made). The amount of the Installment in question shall then be provisionally reduced in accordance with such projection or agreement; provided, however, that if the Accountants’ subsequent determinations with respect to matters provisionally reduced under this paragraph shall vary from the determinations or mutual agreements described herein, then either (i) the Investor Limited Partner shall, within seven (7) business days after receipt of notice of the determination,
pay to the Partnership the amounts, if any, by which the provisional reduction exceeded the reduction as subsequently determined or (ii) the amount, if any, by which the reduction as subsequently determined exceeded the provisional reduction shall be applied against future Installments or refunded as provided in Section 5.2D above. The due date for payment by the Investor Limited Partner of any Installment which shall become the subject of the procedure described in this paragraph shall be tolled pending determination of the provisional reduction (if any) as provided herein.

F. Federal Upward Timing Adjuster  If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination pursuant to which, the amount of the Federal Tax Credits properly allocable to the Investor Limited Partner is greater than $222,160 in 2006, and $686,674 in 2007 (the “Target Amounts”), then the Capital Contribution of the Investor Limited Partner shall be increased by $0.40 for each $1.00 that the Federal Tax Credits properly allocable to the Investor Limited Partner is greater than $222,160 in 2006, and $686,674 in 2007 (the “Upward Federal Timing Adjustment”). In no event shall any increase in the Investor Limited Partner’s Capital Contribution pursuant to this Section 5.2E exceed $200,000. Such increase in the Investor Limited Partner’s Capital Contribution shall be payable at the time of the payment of the Seventh Installment. Notwithstanding the foregoing, however, in the event that the Adjusted Aggregate Federal Tax Credit Amount shall vary from the Projected Aggregate Federal Tax Credit Amount in effect on the date of the Investment Closing, the Target Amounts for purposes of the preceding sentence shall be adjusted by the same percentage by which the Adjusted Aggregate Federal Tax Credit Amount varies from the Projected Aggregate Federal Tax Credit Amount.

Section 5.3. Repurchase of Investor Limited Partner’s Interest

A. The General Partner hereby agrees to purchase the Interest of the Investor Limited Partner if any of the following events shall occur:

(i) Final Closing and Permanent Mortgage Commencement shall not have taken place on or before July 30, 2007, provided, however, that such date may be automatically extended for a period of up to twelve (12) months to the extent the expiration dates set forth in the Project Documents shall have been extended beyond such date; or

(ii) at any time prior to the Development Obligation Date, (1) any action to foreclose any Mortgage shall have been commenced and such action is not terminated or withdrawn within ninety (90) days or a binding agreement with the holder(s) thereof to effect the same entered into within such period, and any notice of acceleration of indebtedness waived or withdrawn; (2) any action is commenced to foreclose any mechanics’ or any other lien (other than the lien of any Mortgage) against the Project and such action has not within ninety (90) days been either bonded against in such a manner as to preclude the holder of such lien from having any recourse to the Property or to the Partnership for payment of any debt secured thereby, or affirmatively insured against by the title insurance policy or an endorsement thereto issued to the Partnership by a reputable title insurance company (which insurance company will not have indemnity from or recourse
against Partnership assets by reason of any loss it may suffer by reason of such insurance) in an amount satisfactory to Investor Tax Counsel; (3) construction or operation of the Project shall have been enjoined by a final order (from which no further appeals are possible) of a court having jurisdiction and such injunction shall continue for a period of ninety (90) days; (4) a casualty occurs resulting in substantial destruction of more than 50% of the Project, or there is substantial destruction of less than 50% of the Project and the insurance proceeds (if any) are insufficient to restore the Project or the Project is not so restored within twenty-four (24) months following such casualty; or (5) the Project shall become ineligible for 50% or more of the low-income housing tax credit anticipated to be generated by the Project, as calculated on the basis of the information set forth in the Investment Assumptions; or

(iii) the Partnership shall fail to achieve Breakeven within 18 months following the Completion Date; or

(iv) the Partnership shall not have received Forms 8609 for each Building in the Project by the due date (as the same may have been properly extended, if applicable) for filing of the Partnership’s federal income tax returns for the first year of the Credit Period (unless such delay is, in the judgment of the Special Limited Partner, beyond the reasonable control of the General Partners); or

(v) any Lender or Governmental Agency shall disapprove, or fail to give a required approval of, the Investor Limited Partner as a Partner of the Partnership.

B. If any such event set forth in Section 5.3A shall occur, the General Partners shall give notice to the Investor Limited Partner and the Class B Limited Partner of the obligations of the General Partner hereunder to purchase the Investor Limited Partner’s Interest (such obligation being herein called a “Purchase Obligation” and such notice the “Purchase Obligation Notice”) within fifteen (15) days after the occurrence of any event giving rise to such obligation. If the Investor Limited Partner elects to sell its Interest hereunder, it shall give the General Partners and the Class B Limited Partner notice of such election (an “Election Notice”) within thirty (30) days after such Purchase Obligation Notice from the General Partners is received by the Investor Limited Partner (or, in the event that such Purchase Obligation Notice from the General Partners is not given, at any time after the occurrence of such event).

C. Within thirty (30) business days after delivery to the General Partners and the Class B Limited Partner of an Election Notice from the Investor Limited Partner, the General Partner shall pay the Investor Limited Partner a purchase price (the “Purchase Price”) in cash (with interest thereon at the Designated Prime Rate commencing on the fifth (5th) day following the date of such delivery) equal to (i) the sum of (a) 106% of the Investor Limited Partner’s Net Capital Contribution (whether or not theretofore paid-in to the Partnership), plus (b) the amount of any interest or penalties payable in connection with any recapture of tax credits allocated to the Investor Limited Partner pursuant to the Partnership Agreement less (ii) the sum of (a) that portion of the Net Capital Contribution which has not theretofore been paid-in to the Partnership,
(b) the amount of Cash Flow theretofore distributed by the Partnership in respect of the Investor Limited Partner’s Interest and (c) the amount of any tax credits allocable to the Interest which will not be recaptured as a result of the disposition of said Interest or otherwise.

D. Upon the giving of its Election Notice, the Investor Limited Partner shall have no further obligations under this Agreement, and the General Partners and Class B Limited Partner shall indemnify and defend the Investor Limited Partner and hold it harmless against any such obligations. The General Partners and the Class B Limited Partner shall take all action and shall pay all costs necessary to enable the Investor Limited Partner to receive and retain the Purchase Price as against any creditor of any General Partner, the Class B Limited Partner or the Partnership. Notwithstanding the purchase by the General Partner of the Interest of the Investor Limited Partner pursuant to Section 5.3A, to the extent permitted under the applicable provisions of the Code, the Investor Limited Partner shall be allocated any profits or losses and tax credits in respect of said Interest for the period prior to the date of the receipt by the Investor Limited Partner of payment therefor. Anything herein to the contrary notwithstanding, title to the Interest of the Investor Limited Partner shall not vest in the General Partner until payment in full of the Purchase Price therefor. Upon such payment, the General Partner and the Class B Limited Partner shall forthwith cause an amendment hereto and to the Certificate and any other necessary papers to be executed, filed, recorded and published wherever required showing such substitution.

E. No agreement affecting the Project shall prevent the exercise by the Investor Limited Partner of its right to require the purchase by the General Partner of its Interest in the manner described in this Section 5.3.

F. The Investor Limited Partner shall have the right to waive its right to have its Interest repurchased at any time during which any of such rights shall be in effect. Any such waiver shall be exercised by delivery to the General Partners and the Class B Limited Partner of a written notice stating under which clause(s) of this Section it is waiving its right to have its Interest repurchased and that its rights thereunder are thereby irrevocably waived from that date forward.

G. Should any General Partner repurchase the Interest of the Investor Limited Partner pursuant to this Section 5.3, then the Special Limited Partner agrees to withdraw from the Partnership at the same time as the Investor Limited Partner’s withdrawal is effective.

Section 5.4. Default of Investor Limited Partner

A. In the event that the Investor Limited Partner shall fail to pay an Installment in full when due in accordance with this Agreement, the Partnership shall give written notice to such defaulting Limited Partner (the “Defaulting Limited Partner”), who shall have thirty (30) days after such notice to make such payment. If the Defaulting Limited Partner fails to make such payment within such period, then such failure shall constitute a default by the Defaulting Limited Partner under this Agreement and all unpaid future Capital Contributions shall be immediately payable and the Partnership shall have the following rights and remedies, to be exercised as determined by the General Partner, without need for consent of the Defaulting Limited Partner or the Special Limited Partner, each of which remedies shall be cumulative and
concurrent and may be pursued separately, successively, or together except as is otherwise provided in this Section, and such rights and remedies may be exercised as often as occasion therefor shall arise, all to the maximum extent permitted by the laws of the State of Texas.

(i) **Sale of Interest.** After the notice of default by the Partnership and expiration of the thirty (30) day cure period described above, the Partnership may elect, upon ten (10) days’ written notice to the Investor Limited Partner, to sell the Investor Limited Partner’s Interest in the Partnership. In connection with such sale, the General Partner agrees to use reasonable efforts to obtain the highest price for the Investor Limited Partner’s Interest. The Investor Limited Partner shall receive any remaining net proceeds of such sale after satisfaction of the obligations of the Investor Limited Partner hereunder.

(ii) **Actions for Specific Performance.** At any time, after the notice of default by the Partnership and after expiration of the thirty (30) day cure period described above, the Partnership may pursue any or all of the rights and remedies available to the Partnership by law or as provided in this Agreement, including suits, to recover all future Capital Contributions, interest thereon, and reasonable costs and expenses, including reasonable attorney’s fees, incurred in collecting such amounts. The Partnership may pursue any such action or proceeding simultaneously with the Partnership’s exercise of its rights under subsection (i) above.

(iii) **Interest.** After default by the Partnership, the defaulted future Capital Contributions will bear interest at the Designated Prime Rate until paid in full, and such interest will be paid by Investor Limited Partner as demanded by the Partnership.

(iv) **Certain Disputes.** Notwithstanding the foregoing, this Section 5.4 shall not apply, and the Investor Limited Partner shall not be deemed to be in default hereunder, in the event a bona fide dispute exists as to the satisfaction of any condition to the payment of an Installment. If such a dispute exists, such dispute shall be submitted during the thirty (30)-day period described above for non-binding mediation and then Arbitration in Commerce, Texas, or such other location in Texas as shall be mutually agreed upon by the parties, in accordance with the rules of the American Arbitration Association, and if the arbitrator (the “Arbitrator”) finds that all conditions to the disputed Installment were satisfied, the Investor Limited Partner agrees that it will immediately pay the full amount of the disputed Installment to the Partnership together with interest as described above; provided, however, that (1) any finding by the Arbitrator shall not be final or binding; (2) the Investor Limited Partner or the General Partner, as the case may be, shall have the right, only after payment of the amounts described above, to challenge the Arbitrator’s finding in a court of competent jurisdiction; and (3) in no event shall the payment by the Investor Limited Partner of the disputed Installment be construed as a waiver of such right. The General Partner’s rights under this Section 5.4 shall not apply unless the Investor Limited Partner fails to pay the full amount of the disputed Installment within ten (10) days following a
finding by the Arbitrator that all conditions to the disputed Installment were
satisfied (regardless of whether the Investor Limited Partner has exercised its
right to challenge the Arbitrator’s finding pursuant to (2) above). If the Investor
Limited Partner fails to pay such amounts within such ten (10) day period, the
Investor Limited Partner shall not be entitled to exercise its rights under (2) above
and the finding by the Arbitrator shall be deemed final and binding. In addition to
the requirements set forth above, testimony during Arbitration shall be limited to
three (3) days per party and the prevailing party shall be entitled to reimbursement
for any reasonable attorney’s fees incurred in connection with such Arbitration.

B. Notwithstanding any other provision hereof, the Partnership acknowledges that
the Investor Limited Partner has previously pledged its Interest to Fleet pursuant to the Fleet
Pledge described in Section 8.1D hereof. The Partnership agrees that it will give Fleet written
notice (at the following address: Fleet National Bank, Mail Code: MA5-503-04-16, One Federal
Street, Boston, MA 02110, Attention: John F. Simon, Senior Vice President) of any default by
the Investor Limited Partner hereunder, and further agrees that Fleet will have sixty (60) days
from its receipt of such notice to cure any such default prior to the Partnership’s exercising any
of its rights and remedies hereunder or otherwise at law or in equity, including, without
limitation, its right to sell the Interest hereunder. Fleet may cure any such default by paying only
the Installment or Installments for which the conditions to payment set forth in Section 5.1
hereof have then been satisfied. Fleet, as “Agent”, is an intended third party beneficiary of this
Section 5.4B. This Section 5.4B shall terminate upon the expiration or termination of the Fleet
Pledge.

Section 5.5. Redemption of Partnership Interest.

The Investor Limited Partner shall have the right, exercised by giving written notice to
the Partnership within one hundred eighty (180) days following the end of the Compliance
Period, to require the Partnership to redeem the Interest of the Investor Limited Partner for a
redemption price of $100, and the Partnership shall promptly so redeem such Interest,
whereupon the Investor Limited Partner shall cease to be a Partner and shall have no further
rights, duties or obligations with respect to the Partnership or any of the other Partners. Should
the Investor Limited Partner’s Interest be redeemed under this Section 5.5, then the Special
Limited Partner agrees to withdraw from the Partnership at the same time as the redemption is
effective.

ARTICLE VI

Rights, Powers and Duties of the General Partners

Section 6.1. Restrictions on Authority

A. Notwithstanding any other provisions of this Agreement, the General Partners
shall have no authority to perform any act in respect of the Partnership or the Project in violation
of (i) any applicable law or regulation or (ii) any agreement between the Partnership and any
Lender or Governmental Agency.
B. The General Partners shall not have any authority to do any of the following acts without the Consent of the Investor Limited Partner and the Class B Limited Partner and any Requisite Approvals:

(i) to incur indebtedness for money borrowed on the general credit of the Partnership, except as specifically permitted by Article IX, or

(ii) following completion of construction of the Improvements, to construct any new capital improvements, or to replace any existing capital improvements if construction or replacement would substantially alter the use of the Property, or

(iii) to acquire any real property in addition to the Property (other than easements or similar rights necessary or convenient for the operation of the Project), or

(iv) to cause the Partnership to make any loan or advance to any Person (for purposes of this clause 6.1B(iv), accounts receivable in the ordinary course of business from Persons other than the General Partners or their Affiliates shall not be deemed to be advances or loans), or

(v) to lease any Low Income Unit to other than Qualified Tenants or otherwise operate the Project in such a manner or take any action which could cause any Low Income Unit to fail to be treated as a qualified low-income housing unit under Section 42(i)(3) of the Code or which would cause the recapture by the Partnership of any low-income housing credit under Section 42 of the Code, or

(vi) after the Investment Closing, to enter into any material Project Document or to amend any Project Document, or to permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, the General Partners or their Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, the Investor Limited Partner (notwithstanding that the Investor Limited Partner is neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective), or

(vii) to apply for or accept any grant funds on behalf of the Partnership regardless of the source of the grant, provided that such consent will not be unreasonably withheld if there are no adverse tax consequences; or

(viii) to obtain, increase, refinance or materially modify any Mortgage Loans after Investment Closing or to sell or convey the Property or any substantial portion thereof, except as provided in Article IX, and except that the General Partners may cause the Partnership to grant easements and similar rights affecting the Land to obtain utility services for the Project or for other purposes necessary or convenient for the operation of the Project, or
(ix) to cause the Partnership to commence a proceeding seeking any decree, relief, order or appointment in respect to the Partnership under the federal bankruptcy laws, as now or hereafter constituted, or under any other federal or state bankruptcy, insolvency or similar law, or the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) for the Partnership or for any substantial part of the Partnership’s business or property, or to cause the Partnership to consent to any such decree, relief, order or appointment initiated by any Person other than the Partnership, or

(x) to pledge or assign any of the Capital Contribution of the Investor Limited Partner or the proceeds thereof, or

(xi) **to amend any of the Related Agreements, or**

(xii) to permit the merger, termination or dissolution of the Partnership, or

(xiii) to approve any changes to the plans and specifications for the Project which would result, either individually or in the aggregate, in an overall development cost increase or decrease in excess of $75,000 (provided, however, that any Consent of the Investor Limited Partner required under this clause (xiii) shall not be unreasonably withheld), or

(xiv) to take any action which would cause the Property or any part thereof to be treated as tax exempt use property within the meaning of Section 168(h) of the Code.

C. The General Partners shall not (a) cause the Partnership to utilize Cash Flow to acquire interests in other limited partnerships or (b) cause the Partnership to invest the proceeds of any sale or refinancing of the Project unless a sufficient portion thereof is distributed to the Investor Limited Partner to enable each limited partner thereof, assuming that it is in a combined federal, state and local marginal income tax bracket of 40%, to pay the federal, state and local income tax liability arising from the sale or refinancing which generated such proceeds, and in any event sale or refinancing proceeds shall not be reinvested without the Consent of the Investor Limited Partner.

D. Any Partner may engage independently or with others in other business ventures of every nature and description including, without limitation, the ownership, operation, management, and development of real estate, regardless of whether such real estate directly competes with the Project, and neither the Partnership nor any Partner shall have any rights by reason of this Agreement in and to such independent ventures.

**Section 6.2. Tax Matters Partners**

A. The Managing General Partner is hereby designated as the “Tax Matters Partner” for the Partnership. Upon the Retirement of the Person serving as the TMP (the “Retired TMP”), the Partnership shall designate a successor TMP in accordance with Treasury Regulation Section 301.6231(a)(7)-1(T) or any successor Regulation, but such designee shall not become the TMP.
until the designation of such Person has been approved by Consent of the Investor Limited Partner. Such successor TMP shall notify the Service of its designation as such for such year as well as for all prior years for which the Retired TMP served in such capacity.

B. The TMP shall employ experienced tax counsel to represent the Partnership in connection with any audit or investigation of the Partnership by the Service, and in connection with all subsequent administrative and judicial proceedings arising out of such audit. The fees and expenses of such counsel shall be a Partnership expense and shall be paid by the Partnership. Such counsel shall be responsible for representing the Partnership; it shall be the responsibility of the General Partners and of the Investor Limited Partner, at their own expense, to employ tax counsel to represent their respective separate interests.

C. The TMP shall keep the Partners informed of all administrative and judicial proceedings, as required by Section 6223(g) of the Code, and shall furnish to each Partner who so requests in writing, a copy of each notice or other communication received by the TMP from the Service (except such notices or communications as are sent directly to such requesting Partner by the Service). All reasonable third party costs and expenses incurred by the TMP in serving as the TMP shall be Partnership expenses and shall be paid by the Partnership.

D. The TMP shall have no authority, without the Consent of the Investor Limited Partner, to (i) enter into a settlement agreement with the Service which purports to bind Partners other than the TMP, (ii) file a petition as contemplated in Section 6226(a) or 6228 of the Code, (iii) intervene in any action as contemplated in Section 6226(b) of the Code, (iv) file any request contemplated in Section 6227(b) of the Code, (v) enter into an agreement extending the period of limitations as contemplated in Section 6229(b)(1)(B) of the Code or (vi) take any other substantial action which would affect the Investor Limited Partner.

E. The relationship of the TMP to the Investor Limited Partner is that of a fiduciary, and the TMP hereby acknowledges its fiduciary obligation to perform its duties in such manner as will serve the best interests of the Partnership and the Investor Limited Partner.

F. The Partnership shall indemnify the TMP (including the officers and directors of a corporate TMP) against judgments, fines, amounts paid in settlement and expenses (including reasonable attorneys’ fees) reasonably incurred by the TMP in any civil, criminal or investigative proceeding in which the TMP is involved or threatened to be involved by reason of being the TMP, provided that the TMP acted in good faith, within what it reasonably believed to be in the best interests of the Partnership or its Partners. The TMP shall not be indemnified under this provision against any liability to the Partnership or its Partners to any greater extent than the indemnification allowed by Section 6.6 of this Agreement. The indemnification provided by this subparagraph shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any applicable statute, agreement, vote of the Partners, or otherwise.
Section 6.3. Business Management and Control; Designation of Managing General Partner; Certain Rights of the Special Limited Partner

A. The General Partners shall have the exclusive right to manage the business of the Partnership in accordance with this Agreement. No Limited Partner shall have any authority or right to act for or bind the Partnership.

B. The powers and duties of the General Partners hereunder may be exercised in the first instance by one or more Managing General Partners. Each Managing General Partner is hereby authorized to execute and deliver in the name and on behalf of the Partnership all such documents and papers (including any required by any Lender or Governmental Agency) as such Managing General Partner deems necessary or desirable in carrying out such duties hereunder. LifeNet-Commerce GP, L.L.C. is hereby designated as the initial Managing General Partner; if such Person shall become unable to serve in such capacity or shall cease to be a General Partner, the remaining General Partners may from time to time designate from among themselves by consent one or more substitute or additional Managing General Partners. If for any reason no designation is in effect, the powers of the Managing General Partners shall be exercised by the majority consent of the remaining General Partners. A designation of a successor as Managing General Partner or the designation of an additional Managing General Partner pursuant to Section 7.3 or 7.5 shall supersede any designation or other exercise of rights pursuant to this Section 6.3B.

C. In the event that (i) the Partnership is in material default of any of its obligations under the Project Documents, which default, in the reasonable judgment of the Special Limited Partner, threatens an assignment or foreclosure of any Mortgage, (ii) the General Partner, Developer or Guarantor is in default in any material respect under their respective obligations under this Agreement, the Development Agreement, or Guaranty Agreement, (iii) a Recapture Event involving five or more units shall have occurred, (iv) a sole General Partner shall Retire, (v) an Event of Bankruptcy shall have occurred as to the Developer prior to the Completion Date, (vi) an Event of Bankruptcy shall have occurred as to a General Partner, (vi) an Event of Bankruptcy shall have occurred as to the Guarantor prior to the expiration of the Guaranty by its own terms, or, (vii) the General Partner or its Affiliate shall have committed fraud or breach of fiduciary duty in connection with the Partnership or the Property, the Special Limited Partner may, at its election, give notice of such default or event to the then General Partners, if any, and, (a) in the case of a default, if such default is not cured within ten (10) business days (or cured within a reasonable time in the event it is impossible to cure such default within such ten (10)-day period, provided that the General Partner is diligently and in good faith seeking to cure such default and there has been no assignment of or institution of proceedings to foreclose any Mortgage), or (b) in the event of such Retirement, Recapture Event or Event of Bankruptcy, fraudulent act or fiduciary breach, promptly after the occurrence of such event, the Special Limited Partner or any Entity of which a majority of the stock or beneficial interest is owned, directly or indirectly, by the Special Limited Partner or MMA Financial, may, with the Consent of the Investor Limited Partner, elect to become an additional General Partner with all the rights and privileges of a General Partner. The Special Limited Partner shall provide the General Partners with true and correct copies of the written instruments evidencing such Consent of the Investor Limited Partner within ten (10) days after the Special Limited Partner's receipt thereof. Upon such election by the Special Limited Partner or such Entity and such Consent, the Special
Limited Partner or such Entity shall automatically become and shall be deemed a General Partner and each Partner hereby irrevocably appoints the Special Limited Partner (with full power of substitution) as the attorney-in-fact of such Partner for the purpose of executing, acknowledging, swearing to, recording and/or filing any amendment to this Agreement and the Certificate necessary or appropriate to confirm the foregoing. If the Special Limited Partner or such Entity shall become an additional General Partner as herein stated, its Interest shall not be increased thereby (except that the Special Limited Partner may assign its Interest to such Entity). In the event of the admission of the Special Limited Partner or such Entity as a General Partner pursuant to this Section 6.3C, and if there are then any other General Partners, the Special Limited Partner or such Entity shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them.

Section 6.4. Duties and Obligations of the General Partners and Class B Limited Partner

A. The General Partners shall use their reasonable best efforts to carry out the purposes, business and objectives of the Partnership, and shall devote to Partnership business such time and effort as may be reasonably necessary to (i) supervise the activities of the Management Agent, (ii) make inspections of the Project to determine if the Project is being properly maintained and that necessary repairs are being made thereto, (iii) prepare or cause to be prepared all reports of operations which are to be furnished to the Partners or to any Lender or Governmental Agency, (iv) with the Consent of the Investor Limited Partner, elect to defer the commencement of the Credit Period for all or any portion of the low-income housing tax credit allowable to the Partners under Section 42(g) of the Code, to the extent that any such deferral may be in the best economic interest of the Investor Limited Partner, (v) cause the Project to be insured in accordance with the requirements set forth in Exhibit C and (vi) cause the Partnership and the Project to comply in all material respects with each of the representations and covenants of the applicant set forth in the Tax Credit Application.

B. Subject to the Project Documents and the requirements of Section 42 of the Code, the General Partners shall use reasonable efforts consistent with sound management practice to maximize income produced by the Project, including, if necessary, seeking any necessary approvals of, and implementing, appropriate adjustments in the rent schedule of the Project.

C. The General Partners shall timely execute and record in the appropriate Filing Office an Extended Use Agreement which satisfies all of the requirements of Section 42(h)(6) of the Code. The General Partners shall hold for occupancy such percentage of the apartments in the Project in such a manner as to qualify the Project as a “qualified low income housing project” under Section 42(g) of the Code as interpreted from time to time in regulations and rulings promulgated thereunder. The General Partners shall not take any action which would cause the termination or discontinuance of the qualification of the Project as a “qualified low income housing project” under Section 42(g) of the Code or which would cause the recapture of any Tax Credits without the Consent of the Investor Limited Partner.
D. The General Partners shall prepare and submit to the Secretary of the Treasury (or any other Governmental Agency designated for such purpose), on a timely basis, any and all annual reports, information returns and other certifications and information and shall take any and all other action required (i) to insure that the Partnership (and its Partners) will continue to qualify for Tax Credits to the extent contemplated under this Agreement and (ii) unless the Consent of the Investor Limited Partner is received to act otherwise in a particular instance, to avoid recapture of Tax Credits for failure to comply with the requirements of Section 42 of the Code or other applicable law.

E. Except as provided in or contemplated by the Project Documents in existence at Investment Closing, the General Partners agree that neither they nor any Related Person will at any time bear the Economic Risk of Loss for payment or performance of any Mortgage Loans. Each General Partner agrees that it will not cause any Limited Partner at any time to bear the Economic Risk of Loss for payment or performance under any Note or Mortgage. Each Limited Partner agrees not to take any action which would cause it to bear the Economic Risk of Loss for payment of any Mortgage Loans.

F. The General Partners shall have fiduciary responsibility for the safekeeping and use of all funds of the Partnership, whether or not in their immediate possession or control. The General Partners shall not employ, or permit another to employ, such funds or assets in any manner except for the exclusive benefit of the Partnership.

G. No General Partner shall contract away the fiduciary duty owed at common law to the Limited Partners.

H. The General Partner shall be solely responsible for the following:

(1) analyzing the Qualified Allocation Plan ("QAP") for targeted areas within a state;

(2) analyzing a site’s economy and forecasting future growth potential;

(3) determining the site’s zoning status and possible rezoning strategies;

(4) contacting local government officials concerning access to utilities, public transportation and local ordinances;

(5) performing environmental tests;

(6) negotiating the purchase of the Land and the financing therefor;

(7) causing the Partnership to acquire the Land;

(8) processing necessary documentation with the Credit Agency in connection with the Tax Credits;

(9) arranging the permanent mortgage financing for the Project; and
arranging for the admission to the Partnership of the Investor Limited Partner and the Special Limited Partner.

In consideration for its services set forth in this Section 6.4H, the General Partners have received their interests in the profits of the Partnership as set forth in Section 10.3. The General Partner shall not assign any of these duties to the Developer.

I. The General Partners shall (i) not store (except in compliance with applicable Hazardous Waste Laws) or dispose of any Hazardous Material at the Project; (ii) neither directly nor indirectly transport or arrange for the transport of any Hazardous Material to, at or from the Project (except in compliance with applicable Hazardous Waste Laws); (iii) provide the Limited Partners with written notice (x) upon any General Partner’s obtaining knowledge of any potential or known release, or threat of release, of any Hazardous Material at or from the Project; (y) upon any General Partner’s receipt of any written notice to such effect from any federal, state, or other Governmental Agency; and (z) upon any General Partner’s obtaining knowledge of any incurrence of any expense or loss by any such Governmental Agency in connection with the assessment, containment, or removal of any Hazardous Material for which expense or loss any General Partner may be liable or for which expense or loss a lien may be imposed on the Project.

J. [Reserved]

K. [Reserved]

L. In the event that the Investor Limited Partner shall give notice to the General Partner that in the reasonable judgment of the Investor Limited Partner depreciation deductions will no longer be allocated to the Investor Limited Partner as a result of the treatment of the Mortgage Loans or Development Amount and accrued interest thereon as a Partner Nonrecourse Debt (“Related Party Financing”), then the General Partner shall take all such action as may be necessary to assure that any outstanding balance of such Related Party Financing shall constitute a Partnership Nonrecourse Liability and the Investor Limited Partner shall give its Consent to allow the General Partners to take all necessary action, provided such action does not have any negative tax consequences for the Partnership or the Investor Limited Partner. One such action shall be the assignment of the outstanding balance of such Related Party Financing to an Entity which is not a Related Person.

M. The General Partners shall cause all leases of dwelling units in the Project to contain a provision obligating tenants to notify the Management Agent immediately of any suspected water leaks, moisture problems or mold in dwelling units or common areas of the Project. In addition, the General Partners shall furnish such reports and implement such actions, if any, required under the provisions of Section 12.1J.

N. The General Partner and the Class B Limited Partner shall deliver to the Investor Limited Partner copies of all draw requests and reports by the Inspecting Architect submitted to the First Mortgage Lender in connection with construction of the Project.

O. The General Partner and Class B Limited Partner shall take all steps necessary to provide social services as required by any applicable Governmental Agency.
Section 6.5. **Representations, Warranties and Covenants; Certain Indemnities**

A. The General Partners hereby represent and warrant to the Investor Limited Partner that the following are true as of the Investment Closing, will be true on the due date for payment of each Installment (except for Sections 6.5A (i), (vi), (vii), (viii), (xii), (xiii), (xvii), (xix), (xx), (xxi), (xxii), (xxiii), (xxiv), (xxv) which are continuing representations):

(i) The Partnership is a duly organized limited partnership validly existing under the laws of the State and has complied with all recording requirements with each proper Governmental Agency necessary to establish the limited liability of the Limited Partners as provided herein.

(ii) No litigation or proceeding against the Partnership, any General Partner, or the Builder, nor any other litigation or proceeding directly affecting the Project, is pending before any court, administrative agency or other Governmental Agency which would, if adversely determined, have a material adverse effect on the Partnership, any General Partner, Guarantor, the Class B Limited Partner, the Contingent Guarantor, the Builder, the Developer or their respective businesses or operations, except for such matters as to which the likelihood of such a determination adverse to the Partnership is, in the opinion of Partnership Counsel or other counsel acceptable to the Investor Limited Partner, remote.

(iii) No default by any General Partner, any Affiliate thereof having any relationship with the Project, or the Partnership, in any material respect has occurred or is continuing (nor has there occurred any continuing event which, with the giving of notice or the passage of time or both, would constitute such a default in any material respect) under any of the Project Documents.

(iv) The Project Documents are in full force and effect (except to the extent fully performed in accordance with their respective terms).

(v) All accounts and reserves are fully funded to the extent currently required by the Project Documents and this Agreement.

(vi) No Partner or Related Person bears the Economic Risk of Loss with respect to the indebtedness evidenced by any Note and secured by any Mortgage, except to the extent contemplated by the Project Documents as they exist on the date of Investment Closing.

(vii) All building, zoning and other applicable certificates, permits, approvals and licenses necessary to permit the construction, rehabilitation, repair, use, occupancy and operation of the Project have been obtained (other than prior to completion of the Project or a specified portion thereof, such as will be issued only after the completion of the Project or such specified portion thereof) or, a “will-issue” letter has been obtained by the relevant Governmental Agency which provides that all building, zoning and other applicable certificates, permits, approvals and licenses necessary to permit the construction, rehabilitation, repair, use, occupancy and operation of the Project are ready and may be obtained.
subject only to payment of a required fee and neither the Partnership nor any General Partner has received any notice or has any knowledge of any violation with respect to the Project of any law, rule, regulation, order or decree of any Governmental Agency having jurisdiction which would have a material adverse effect on the Project or the construction, use or occupancy thereof, except for violations which have been cured and notices or citations which have been withdrawn or set aside by the issuing agency or by an order of a court of competent jurisdiction.

Any indemnity under this Section 6.6 shall be provided out of and to the extent of Partnership assets only, and no Limited Partner shall have any personal liability on account thereof, provided, however, that no indemnification shall be provided for any losses, liabilities or expenses arising from or out of any alleged violation of federal or state securities laws unless (i) there has been a successful adjudication on the merits of each count involving alleged securities law violations as to the particular indemnitee and the court approves indemnification of litigation costs; (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular indemnitee and the court approves indemnification of litigation costs; or (iii) a court of competent jurisdiction approves a settlement of the claims against a particular indemnitee and finds that indemnification of the settlement and related costs should be made.

B. The Partnership shall not incur that cost of that portion of any insurance which insures any party against any liability as to which such party is herein prohibited from being indemnified.
C. The General Partners agree promptly to indemnify, defend and hold harmless the Partnership and the Limited Partners from and against any and all claims, losses, damages, costs, expenses and liabilities which the Partnership and the Limited Partners may incur by reason of any liabilities to which either the Partnership or the Project is subject at the Investment Closing; provided, however, that the foregoing indemnification shall not apply to any Mortgage, necessary contractual obligations normally incurred in connection with the Property, or to acts for which such General Partners are entitled to indemnification under Section 6.6A.

D. The General Partners agree to promptly indemnify, defend, and hold harmless the Partnership and the Limited Partners from and against any claims, losses, damages, costs, expenses or liabilities which the Partnership and the Limited Partners may incur on account of the presence or escape of any Hazardous Material at or from the Property (or at any other location). Any such indemnity by the General Partner of the Partnership shall be limited to those claims, losses, damages, costs, expenses or liabilities which were caused by the negligent acts or omissions of the General Partner or the Developer or to the extent that the General Partner or the Developer had knowledge of the condition which gave rise to the release of Hazardous Material. Any such claims, losses, damages, costs, expenses or liabilities may be defended, compromised, settled, or pursued by the Limited Partners with counsel of the Limited Partners’ selection, but at the expense of the General Partners. The foregoing indemnification shall be a recourse obligation of the General Partners and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, bankruptcy or withdrawal of any General Partner.

E. The General Partners shall defend, indemnify and hold harmless the Partnership and the Limited Partners from any liability, loss, damage, fees, costs and expenses, judgments or amounts paid in settlement incurred by reason of any demands, claims, suits, actions or proceedings arising out of the General Partners’ or any Designated Affiliate’s negligence, misconduct, fraud, breach of fiduciary duty or breach of this Agreement, including without limitation any breach by any General Partner or any Designated Affiliate of any representation, warranty, covenant or agreement set forth in Section 6.5 or elsewhere in this Agreement, including all reasonable legal fees and costs incurred in defending against any claim or liability or protecting itself or the Partnership from, or lessening the effect of, any such breach. The foregoing indemnification shall be a recourse obligation of the General Partners and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, bankruptcy or withdrawal of any General Partner.

Section 6.7. Liability of General Partners to Limited Partners

A. Except as set forth in Section 6.6, no General Partner or Designated Affiliate (as defined in Section 6.7B) shall be liable, responsible or accountable for damages or otherwise to the Partnership or to any Limited Partner for any loss suffered by the Partnership which arises out of any action or inaction of such General Partner or Designated Affiliate (i) if such General Partner or Designated Affiliate, in good faith, determined that such course of conduct was in the best interests of the Partnership and (ii) such course of conduct did not constitute negligence, breach of fiduciary duty or misconduct on the part of that General Partner or Designated Affiliate or breach of this Agreement.
B. As used in Sections 6.6 and 6.7, a “Designated Affiliate” is any Person performing services on behalf of the Partnership, within the scope of authority of the General Partner who: (i) directly or indirectly controls, is controlled by, or is under common control with any General Partner, (ii) owns or controls 10% or more of the outstanding voting securities of any General Partner, (iii) is an officer, director, partner, member or trustee of any General Partner, or (iv) if any General Partner is an officer, director, partner, member or trustee, of any company for which such General Partner acts in any such capacity.

B. The undertakings of the Developer set forth in the Development Agreement are made for the benefit of and shall be enforceable by the Partnership and the Partners and shall not inure to the benefit of any creditor of the Partnership other than a Partner, notwithstanding any pledge or assignment by the Partnership of this Agreement or the Development Agreement or any rights thereunder.

C. The Class B Limited Partner hereby unconditionally jointly and severally guarantees to the Partnership and the Investor Limited Partner the due and punctual performance of all obligations of the Developer under the Development Agreement. The Class B Limited Partner hereby agrees that its obligations hereunder shall constitute a guaranty of payment and not of collection and shall be unconditional irrespective of the regularity or enforceability of this Agreement or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor or any other circumstances which might otherwise limit the recourse to the Class B Limited Partner. The undertakings of the Class B Limited Partner set forth in this Section 6.8 and in Section 6.9 are made for the benefit of the Partners and shall not inure to the benefit of any creditor of the Partnership other than a Partner, notwithstanding any pledge or assignment by the Partnership of this Agreement or any rights thereunder.

D. In addition to the foregoing, the Class B Limited Partner hereby guarantees to the Limited Partners the prompt payment by the Partnership of all Other Development Costs. Accordingly, if the amount of Other Development Costs exceeds the balance of Designated Proceeds remaining after payment of all Eligible Development Costs, the Class B Limited Partner shall furnish to the Partnership the funds required to pay such excess at or prior to the time such excess is payable by the Partnership. Amounts so furnished to fund such excess Other Development Costs shall not be reimbursable, shall not be credited to the Capital Account of any Partner or otherwise change the Interest of any Person in the Partnership, but shall be the sole expense and responsibility of the Class B Limited Partner as a cost incurred by them in fulfilling their guaranty under this Section 6.8D.

Section 6.9. Obligation to Provide for Operating Expenses

A. During the period commencing on the Admission Date and ending on the third anniversary of the Development Obligation Date, the General Partners agree that if the
Partnership requires funds to discharge Operating Expenses (other than to make payments to Partners, payments of any outstanding Operating Expense Loans or other obligations herein provided to be payable solely out of Cash Flow or distributions of proceeds from a Capital Transaction), the General Partners shall furnish to the Partnership the funds required. Amounts so furnished to fund Operating Expenses incurred prior to the Development Obligation Date shall be deemed Special Capital Contributions. Amounts furnished to fund Operating Expenses incurred on or after the Development Obligation Date but prior to the third anniversary of the Development Obligation Date shall constitute Operating Expense Loans. Notwithstanding the foregoing, however, the General Partners shall not be obligated to make Operating Expense Loans under this Section 6.9A to the extent that the outstanding aggregate principal amount of such Operating Expense Loans would exceed $240,000 which includes the funding of the Replacement Reserve. Any such Operating Expense Loans shall bear interest at the Prime Rate and be repayable only as provided in Article X.

B. Commencing on the third anniversary of the Development Obligation Date, Churchill Residential, Inc. shall be obligated to make working capital advances to the Partnership when and as needed, except that Churchill Residential, Inc. shall not be obligated to make further advances under this Section 6.9B to the extent that the aggregate outstanding balance of such advances shall exceed $50,000. Advances made pursuant to this Section 6.9B shall constitute Working Capital Loans and shall be repayable only as provided in Article X.

C. In addition to the obligations set forth in 6.9A and 6.9B, the General Partner agrees that if at any time during the Compliance Period the Partnership is required to pay real estate taxes in excess of those contemplated by the Tax Exemption ("Excess Real Estate Taxes") and has an operating deficit, then the General Partner shall furnish to the Partnership the funds required to pay such operating deficit, not to exceed the amount of the Excess Real Estate Taxes. Amounts so furnished by the General Partner shall be deemed Special Capital Contributions.

Section 6.10. Certain Payments to the General Partners and Affiliates

A. For its services in connection with the development of the Property and the supervision to completion of the construction of the Improvements and as reimbursement for Development Advances, the Developer shall be entitled to receive the amounts set forth in the Development Agreement.

B. All of the Partnership’s expenses shall be billed directly to, and paid by, the Partnership to the extent practicable. Subject to the terms of this Agreement, reimbursements to a General Partner or any of its Affiliates by the Partnership shall be allowed subject to the following conditions:

(i) such goods or services must be necessary for the prudent formation, development, organization or operation of the Partnership;

(ii) reimbursement for goods or services provided by Persons who are not affiliated with a General Partner shall not exceed the cost to a General Partners or their Affiliates of obtaining such goods or services; and
(iii) reimbursement for goods and services obtained directly from a General Partner or its Affiliates shall not exceed the amount the Partnership would be required to pay independent parties for comparable goods and services in the same geographic location and shall not include reimbursement for the general overhead of the General Partners or their Affiliates (including salaries and benefits of employees thereof).

C. Neither the General Partners nor any of their Affiliates shall be entitled to any compensation, fees or profits from the Partnership in connection with the acquisition, construction, development or rent-up of the Land or Improvements or for the administration of the Partnership’s business or otherwise, except for (i) payments provided for or referred to in Sections 2.4(v) or 6.10A, (ii) payments of the Management Fee and Incentive Management Fee referred to in Article XI, (iii) fees and distributions under Article X, (iv) such other fees and distributions as may be permitted to be paid by any Lender or the Governmental Agency out of the proceeds of any Mortgage Loans and (v) payments to the Builder under the Construction Contract.

D. The General Partner is entitled to reimbursement for all reasonable costs incurred in connection with the annual audit requirements mandated under the Tax Exemption as set forth in Section 11.1825 of the Texas Tax Code.

Section 6.11. Joint and Several Obligations

If there is more than one General Partner, all obligations of the General Partners hereunder shall be joint and several obligations of the General Partners, except as herein expressly provided to the contrary.

Section 6.12. Reserve Accounts

The General Partners shall cause the Partnership to establish a reserve account for capital replacements, which account shall be funded by monthly deposits of $1,667, which amount equals $200 per unit per year (or such greater amount as may be required by any Lender or, subject to any Requisite Approvals, such lesser amount as shall be approved in writing by the Special Limited Partner from time to time) commencing on the Completion Date. Withdrawals from such reserve shall be utilized solely to fund capital repairs and improvements deemed necessary by the General Partners.

Section 7.2. Obligation to Continue

In the event of the Retirement of any General Partner, the remaining General Partners, if any, and any successor General Partner shall have the obligation to continue the business of the Partnership employing its assets and name. Immediately after the occurrence of such Retirement, the remaining General Partners, if any, shall notify the Investor Limited Partner thereof.

Section 7.3. Successor General Partner

A. Upon the occurrence of any Retirement, the remaining General Partners may designate a Person to become a successor General Partner to the Retired General Partner. Any Person so designated, subject to any Requisite Approvals, the Consent of the Investor Limited Partner and, if required by the Uniform Act or any other applicable law, the consent of any other Partner so required, shall become a successor General Partner. Any Person designated to become a Successor General Partner must be a “Community Housing Development Organization” under the laws of the State of Texas and must qualify the Property for an ad valorem property tax exemption.

B. If any Retirement shall occur at a time when there is no remaining General Partner and no successor General Partner is to be admitted pursuant to Section 7.3A or the remaining General Partners do not elect to continue the business of the Partnership pursuant to Section 7.2, then the Investor Limited Partner shall have the right, subject to any Requisite Approvals and Section 6.3C, to designate a Person to become a successor General Partner.

C. If the Investor Limited Partner elects to reconstitute the Partnership and admit a successor General Partner pursuant to this Section 7.3, the relationship of the Partners in the reconstituted Partnership shall be governed by this Agreement.

Section 7.4. Interest of Predecessor General Partner

A. Except as provided in Section 7.3A, no assignee or transferee of all or any part of the Interest of a General Partner shall have any automatic right to become a General Partner. Until the acquisition of the Interest of a Retiring General Partner pursuant to Section 7.7, such Interest shall be deemed to be that of an assignee and the holder thereof shall be entitled only to such rights as an assignee may have as such under the laws of the State.

B. Anything herein contained to the contrary notwithstanding, any General Partner withdrawing voluntarily in violation of Section 7.1 shall remain liable for all of its obligations under this Agreement, for all its other obligations and liabilities hereunder incurred or accrued prior to the date of its withdrawal and for any loss or damage which the Partnership or any of its Partners may incur as a result of such withdrawal (except as provided in Section 6.7), except for any loss or damage attributable to the default, negligence or misconduct of a successor General Partner admitted in its place under this Agreement.

C. The disposition of the General Partner Interest of a General Partner who is retiring voluntarily in compliance with this Agreement shall be accomplished in such manner as shall be acceptable to the remaining General Partners, shall be approved by Consent of the Investor

Section 7.5. Designation of New General Partners

A. The General Partners may, with the written consent of all Partners, at any time designate new General Partners, each with such Interest as a General Partner in the Partnership as the General Partners may specify, subject to any Requisite Approvals.

Any new General Partner shall, as a condition of receiving any interest in the Partnership property, agree to be bound by the Project Documents and any other documents required in connection therewith and by the provisions of this Agreement, to the same extent and on the same terms as any other General Partner.

B. In the event that the General Partner is removed for failure to maintain the Tax Exemption throughout the Compliance Period, all Partners agree that the Investor Limited Partner may designate a new General Partner within thirty days as required under Section 11.1825 of the Texas Tax Code, which is, or is controlled by a qualified non-profit organization, in order to maintain the Tax Exemption.

Section 7.6. Amendment of Certificate; Approval of Certain Events

Upon the admission of a new General Partner, the Schedule shall be amended to reflect such admission and an amendment to the Certificate, also reflecting such admission, shall be filed as required by the Uniform Act.

Each Partner hereby consents to and authorizes any admission or substitution of a General Partner or any other transaction, including, without limitation, the continuation of the Partnership business, which has been authorized under the provisions of this Agreement, and hereby ratifies and confirms each amendment of this Agreement necessary or appropriate to give effect to any such transaction.

Section 7.7. Removal of the General Partner

A. In addition to any other rights granted to the Limited Partners hereunder, the Special Limited Partner shall have the right to remove and replace the General Partner in accordance with the provisions of this Section 7.7 if a Material Default occurs and is not cured within the time period set forth in this Section 7.7. If at any time there is more than one General Partner, all General Partners may be removed and replaced in accordance with the provisions of this Section 7.7 in the event of a Material Default by any General Partner.

B. As used in this Section 7.7, “Material Default” means the occurrence of any of the following events:

(i) a breach by any General Partner (or any of its Affiliates) of any of its representations or warranties contained herein or in the performance of any of its obligations under this Agreement or any Related Agreement, which breach
could have a material adverse impact on the Partnership, the Project or the Investor Limited Partner;

(ii) a violation by any General Partner of any law, regulation or order applicable to the Partnership, or a material breach by the Partnership or any General Partner under any Project Document or other material agreement or document affecting the Partnership or the Project which has or may have a material adverse effect on the Partnership, the Investor Limited Partner or the Project;

(iii) an Event of Bankruptcy as to any General Partner, the Guarantor or the Partnership;

(iv) the commencement of foreclosure proceedings with respect to any Mortgage, which have not been withdrawn or dismissed within thirty (30) days after the date of such commencement; or

(v) gross negligence, fraud, willful misconduct, misappropriation of Partnership funds, or a breach of fiduciary duty by a General Partner or any Affiliate of a General Partner providing services to or in connection with the Partnership or the Project.

C. In the event that the Special Limited Partner determines to remove any General Partner pursuant to the provisions of this Section 7.7, the Special Limited Partner shall notify the General Partner in writing, of the Material Default that is the cause for the removal of the General Partner (any such notice being referred to herein as a “Removal Notice” and the date of receipt of such Removal Notice being referred to herein as the “Removal Notice Date”). In the case of any Material Default described in clauses (i) or (ii) of Section 7.7B above, the General Partner shall have ten (10) business days (or thirty (30) business days if it is a non-monetary default) from the Removal Notice Date to cure the Material Default; provided, however, that if a non-monetary Material Default cannot be reasonably cured within thirty (30) business days, the General Partner shall not be removed if the General Partner commences such cure within thirty (30) business days and proceeds in good faith to cure diligently thereafter, provided that the cure is completed within ninety (90) business days following the Removal Notice Date (or such lesser period as is required to cure the Material Default), and the failure to cure such Material Default within a shorter period does not have a material adverse effect on the Partnership, the Property, or the Investor Limited Partner. For purposes of this paragraph, the failure to provide or maintain any insurance required by this Agreement shall be deemed to be a monetary default. If the General Partner fails to cure within the specified time period, or if no cure right is afforded under the terms hereof, the removal of the General Partner shall be deemed to be effective as of the expiration of any applicable cure period described above; otherwise, such removal shall be effective upon the conclusion of the applicable cure period without a cure of such Material Default reasonably acceptable to the Special Limited Partner. The General Partner shall have no right to cure any Material Default described in clause (v) of Section 7.7B above.

D. If a General Partner is removed pursuant to this Section 7.7, the Partnership shall pay to such removed General Partner in the manner set forth in Section 7.7G an amount equal to
(x) the sum of (i) an amount equal to the General Partner’s positive Capital Account balance, if any, following a deemed sale of all Partnership property and a deemed liquidation of the Partnership (but prior to any deemed distributions upon liquidation), (ii) the unpaid principal balance of any Operating Expense Loans, and (iii) any fees owed to the General Partner and/or its Affiliates in the manner described in Section 7.7E below minus (y) an amount equal to any Adverse Consequences suffered by the Partnership or the Limited Partners as a result of the acts or omissions of the General Partner prior to its removal, including, without limitation, the Material Default creating the right of the Special Limited Partner to remove the General Partner pursuant to the provisions of this Section 7.7. Any transfer taxes that are triggered by the removal and the cost of any additional title insurance or title endorsements deemed to be necessary by the Special Limited Partner as a result of such removal shall be paid by the removed General Partner. The resulting amount is referred to herein as the “Removal Purchase Price.” Notwithstanding the foregoing, the Removal Purchase Price shall not exceed the amount which the removed General Partner would have received under Section 10.1B from a deemed sale of the Project on the Removal Notice Date, based on the Appraised Value of the Project determined under Section 7.7F below.

E. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any fees owed to the General Partner or its Affiliates (including, without limitation, any unpaid Development Amount) for services performed prior to the Removal Notice Date shall be part of the Removal Purchase Price as described above, provided, however, that (i) if any Adverse Consequences suffered by the Partnership or the Limited Partners exceed the Removal Purchase Price as calculated pursuant to the provisions of Section 7.7D above, or (ii) there exist any unpaid obligations or liabilities of the General Partner that relate to the period up to and including the effective date of the removal of the General Partner, any such unpaid fees owed to the General Partner or its Affiliates shall, to the extent of any such Adverse Consequences or obligations or liabilities, as the case may be, be treated as if they were paid to the General Partner (or such Affiliates) and applied by the General Partner (or such Affiliates) to the payment or satisfaction of such Adverse Consequences, obligations or liabilities, and, to the extent of such application, the obligation of the Partnership to make actual cash payments of such fees to the General Partner (or such Affiliates) shall be reduced or eliminated, as the case may be. In the event the General Partner is removed but the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect.

F. The Appraised Value of the Property shall be determined as follows. As soon as practicable and in any event within ten (10) business days following the effective date of removal as specified in Section 7.7C above, the General Partner and the Special Limited Partner shall select a mutually acceptable Independent Appraiser. If either party fails to select an Independent Appraiser within the time period described above, the determination of the other Independent Appraiser shall control. In the event that the parties are unable to agree upon an Independent Appraiser within such ten (10) Business Day period, the General Partner and the Special Limited Partner each shall select an Independent Appraiser. If the difference between the Appraised Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Value set forth in the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two Independent Appraisers
shall jointly select a third Independent Appraiser whose determination of Appraised Value shall be deemed to be binding on all parties as long as the third determination is between the other two determinations. If the third determination is either lower or higher than both of the other two appraisers, then the average of all three appraisers shall be the fair market value. The Partnership and the removed General Partner shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this Section 7.7F.

G. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any Removal Purchase Price due to the General Partner pursuant to the provisions of Section 7.7D above shall be payable from the first available proceeds of a Capital Transaction prior to any other distributions or payments to the Partners under Section 10.1B hereof except for those items listed in clauses First and Second of Section 10.1B.

H. Upon determination of the Removal Purchase Price under the provisions of this Section 7.7, the Partnership and its remaining Partners shall be deemed to be completely released from all liability to such General Partner and its Affiliates generally and to any others claiming by or through the General Partner to whom any distributions or loan, fee or other payments are to be made under Article X or otherwise, and the General Partner shall be released from any and all obligations to the Partnership and the Partners which arise after the Removal Notice Date. Concurrently with the determination of the Removal Purchase Price, each General Partner shall provide the Partnership, the successor General Partner(s) and the Investor Limited Partner with additional written releases from the General Partner (and any Affiliates to whom obligations of any kind are owed by the Partnership, the successor General Partner(s), the Limited Partners or any of their respective Affiliates) confirming such releases.

I. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, (i) all agreements between the Partnership and the General Partner and/or its Affiliates may, at the election of the Partnership, be terminated and, except for payment of the Removal Purchase Price due to the General Partner (or such Affiliates), the Partnership shall have no further obligations under such agreements; and (ii) the removed General Partner shall be liable for all reasonable costs and expenses incurred by the Partnership or the Limited Partners in connection with the admission to the Partnership of a successor General Partner, which shall be considered Adverse Consequences for a purpose of this Section. Notwithstanding the foregoing however, if the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect. From and after the effective date of its removal, the removed General Partner shall not be liable for obligations of the Partnership incurred subsequent to such effective date unless such obligations arise out of acts or omissions of the removed General Partner prior to such effective date. The removed General Partner shall continue to be liable for all obligations, liabilities, and guarantees incurred by it in its capacity as the General Partner and any Partnership obligations not listed in the prior year’s financial statements or otherwise described in writing to the Special Limited Partner, and for any Adverse Consequences caused by or arising out of its acts or omissions, prior to the effective date of its removal. Without limiting the generality of the foregoing, and in addition to any of its other obligations hereunder, the removed General Partner shall continue to be liable for any payments or advances due to the Limited Partners or the Partnership pursuant to the Capital Contribution adjustment provisions of Article V as a result of any adjustments determined thereunder, other than adjustments arising from a Recapture Event or the acts or omissions of any replacement or
successor General Partner, in either case subsequent to the effective date of the removal of the removed General Partner.

J. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the Special Limited Partner may designate a Person or Persons, including, without limitation, an Affiliate of the Special Limited Partner, to become a successor General Partner or Partners replacing the removed General Partner, subject to any Requisite Approvals and to the terms of the Project Documents.

K. The election by the Special Limited Partner to remove any General Partner pursuant to the provisions of this Section 7.7 shall not limit or restrict the availability and use of any other remedy that the Special Limited Partner or the Investor Limited Partner may have with respect to any General Partner in connection with its undertakings and responsibilities under this Agreement, and the exercise by the Special Limited Partner of the rights granted to it in this Section 7.7 is understood by the parties hereto to be permitted by the Uniform Act as the exercise of powers not constituting participation in the control of the business so as to cause the Special Limited Partner (or the Investor Limited Partner) to be liable for Partnership obligations as a general partner.

L. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the removed General Partner shall immediately deliver to the Special Limited Partner all books, records, tax and financial information relating to the Partnership and the Property that are in the possession or under the control of the General Partner or any of its Affiliates. The General Partner agrees that if it fails to comply with the provisions of this Section 7.7L, the Limited Partners may enforce such provisions by specific performance, and no portion of the Removal Purchase Price shall be payable unless the provisions of this Section are fully and promptly complied with.

M. If the General Partner fails to comply with any of its obligations under this Section 7.7 or contests the right of the Special Limited Partner to exercise the removal or other rights described in this Section 7.7, and the Special Limited Partner prevails in any proceeding, any costs and expenses incurred by the Limited Partners in enforcing their rights in this Section 7.7, including, without limitation, reasonable legal fees and expenses, shall be paid by the General Partner upon presentation of an itemized statement describing the same, which costs shall be deemed to be Adverse Consequences for purposes of this Section.

N. In the event that the Special Limited Partner sends a Removal Notice, the Special Limited Partner may, as of such date, elect to become, or to designate another Person, including, without limitation, an Affiliate of the Investor Limited Partner or the Special Limited Partner, to become, an additional General Partner with all the rights and privileges of a General Partner. If the Special Limited Partner or such other Person shall become an additional General Partner as herein stated, the Special Limited Partner’s interest in the Partnership shall not be increased as a result thereof. In the event of the admission of the Special Limited Partner or such Person as a General Partner pursuant to this Section 7.7N, and if there are then any other General Partners, the Special Limited Partner or such other Person shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining
General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them. The Special Limited Partner shall be entitled to receive reasonable compensation for serving as a General Partner under this Section, and any such compensation shall be a reduction of the Removal Purchase Price.

ARTICLE VIII

Transfer of Limited Partner Interests

Section 8.1. Right to Assign

A. Except as restricted in this Article VIII or by operation of law, and subject to the Regulations, each Limited Partner shall have the right to assign its Interest and to substitute its assignee in its place as a Substitute Limited Partner without the written consent of the General Partners, provided, however, that if the Assignee is not an affiliate of or controlled by MMA, the consent of the General Partner and the Class B Limited Partner will be required to such substitution, which consent will not be unreasonably withheld or delayed.

B. The General Partners, at the sole expense of the assigning Limited Partner, shall cooperate in good faith to effect such assignment as expeditiously as possible, including without limitation the execution of appropriate amendments to, or updates of, the Related Agreements and/or any other documents which the assigning Limited Partner reasonably determines necessary or appropriate to accomplish such assignment, including, but not limited to, any amendments, updated opinion of Partnership Counsel, authorizing resolutions of the General Partner and Developer and any other documents reasonably deemed necessary and appropriate by the Investor Limited Partner. In addition, in the event of a transfer of any interest in the Investor Limited Partner, the General Partner agrees to make such changes to this Agreement and the Related Agreements as the Investor Limited Partner may reasonably request.

C. The assignor shall assume any costs incurred by the Partnership in connection with an assignment of its Interest.

D. Notwithstanding the foregoing, or any other provision of this Agreement: (1) the Investor Limited Partner may pledge, without the consent of the General Partners, the Class B Limited Partner or any other Person, its Interest to Fleet National Bank as Agent (together with its successors and/or assigns in such capacity, "Fleet") to secure a loan to an affiliate of the Investor Limited Partner, the proceeds of which have been used by the Investor Limited Partner to make its Capital Contribution to the Partnership (the "Fleet Pledge"); (2) Fleet shall have the rights of a secured party to retain, sell or transfer the Interest so pledged in accordance with the Fleet Pledge; (3) Fleet shall have the right to transfer or assign its rights hereunder and under the Fleet Pledge without the consent of the General Partners, the Class B Limited Partner, or any other Person; (4) in the event of any enforcement of the Fleet Pledge and the foreclosure upon or other disposition of the Interest, Fleet (or its nominee, successor, transferee or assignee) shall be immediately, automatically and unconditionally admitted as a Substitute Limited Partner, subject only to its execution of an agreement to be bound by this Agreement and (5) so long as the Fleet Pledge shall not have been released in accordance with its terms, (a) the Interests will not be, and will not become, “investment property” or held in a “securities account” (within the meaning of
the Uniform Commercial Code of the State (the “UCC”) and will be, and will remain, “general intangibles” within the meaning of Article 9 of the UCC and (b) any action by any Partner to cause any of the Interests to be deemed to be or to be treated as a “security” or as “investment property” or to be held in a “securities account” within the meanings of Article 8 and Article 9, respectively, of the UCC, shall be void and of no effect. Fleet, as Agent, is an intended third party beneficiary of this section.

Section 8.2. Substitute Limited Partners

A. The Limited Partner shall have the right to substitute an assignee as a Limited Partner in its place, subject to the limitations contained in Section 8.1A and any Requisite Approvals. Any Substitute Limited Partner shall agree to be bound (to the same extent to which its predecessor in interest was so bound) by the Project Documents and this Agreement as a condition to its being admitted to the Partnership.

Section 8.3. Assignees

A. Any permitted assignee of a Limited Partner which does not become a Substitute Limited Partner shall have the right to receive the same share of profits, losses and distributions of the Partnership to which the assigning Limited Partner would have been entitled.

B. Any assigning Limited Partner shall cease to be a Limited Partner and shall no longer have any rights or obligations of a Limited Partner except that, unless and until the assignee of such Limited Partner is admitted to the Partnership as a Substitute Limited Partner, said assigning Limited Partner shall retain the statutory rights and be subject to the statutory obligations of an assignor limited partner under the Uniform Act as well as the obligation to make the Capital Contributions attributable to the Interest in question, if any portion thereof remains unpaid.

C. There shall be filed with the Partnership a duly executed and acknowledged counterpart of the instrument making each assignment; such instrument must evidence the written acceptance of the assignee to this Agreement and the Project Documents. If such an instrument is not so filed, the Partnership need not recognize any such assignment for any purpose.

D. In the case of any assignment of a Limited Partner’s Interest as a Limited Partner, where the assignee does not become a Substitute Limited Partner, the Partnership shall recognize the assignment not later than the last day of the calendar month following receipt of notice of assignment and required documentation.

E. An assignee who does not become a Substitute Limited Partner and who desires to make a further assignment of its Interest shall also be subject to the provisions of this Article VIII.
Section 8.4. **Voluntary Withdrawal of the Class B Limited Partner**

No Class B Limited Partner shall have the right to withdraw or Retire voluntarily from the Partnership or sell, assign or encumber its Interest without the Consent of the Investor Limited Partner.

Section 8.5. **Removal of the Class B Limited Partner**

A. The Class B Limited Partner is an Affiliate of the Developer and the Contingent Guarantor. In addition to any other rights granted to the Limited Partners hereunder, the Special Limited Partner shall have the right to remove and replace the Class B Limited Partner in accordance with the provisions of this Section 8.5 if a Class B Default occurs and is not cured within the time period set forth in this Section 8.5.

B. As used in this Section 8.5, “Class B Default” means the occurrence of any of the following events:

1. A material default by the Developer of any of its obligations under the Development Agreement which is not cured after written notice from the Investor Limited Partner and which results in a termination of the Development Agreement;

2. A material default by the Contingent Guarantor in the performance of any of its obligations under the Contingent Guaranty Agreement.

C. In the event that the Special Limited Partner determines to remove the Class B Limited Partner pursuant to the provisions of this Section 8.5, the Special Limited Partner shall notify the Class B Limited Partner in writing, of the Class B Default that is the cause for the removal of the Class B Limited Partner (any such notice being referred to herein as a “Class B Removal Notice” and the date of such Class B Removal Notice being referred to herein as the “Class B Removal Notice Date”). In the case of any Class B Default described in clauses (i) or (ii) of Section 8.5B above, the Class B Limited Partner shall have thirty (30) business days (or ninety (90) business days if it is a non-monetary default) from the Class B Removal Notice Date to cure the Class B Default; provided, however, that if a non-monetary Class B Default cannot be reasonably cured within ninety (90) business days, the Class B Limited Partner shall not be removed if the Class B Limited Partner commences such cure within ninety (90) business days and proceeds in good faith to cure diligently thereafter, provided that the cure is completed within one hundred fifty (150) business days following the Class B Removal Notice Date (or such lesser period as is required to cure the Class B Default), and the failure to cure such Class B Default within a shorter period does not have a material adverse effect on the Partnership, the Property, or the Investor Limited Partner. If the Class B Limited Partner fails to cure within the specified time period, or if no cure right is afforded under the terms hereof, the removal of the Class B Limited Partner shall be deemed to be effective as of the expiration of any applicable cure period described above; otherwise, such removal shall be effective upon the conclusion of the applicable cure period without a cure of such Class B Default reasonably acceptable to the Investor Limited Partner.
D. If a Class B Limited Partner is removed pursuant to this Section 8.5, the Partnership shall pay to such Class B Limited Partner in the manner set forth in Section 8.5G an amount equal to the amount which the removed Class B Limited Partner would have received under Section 10.1B from a deemed sale of the Project on the Class B Removal Notice Date, based on the Appraised Value of the Project determined under Section 8.5F below minus an amount equal to any Adverse Consequences suffered by the Partnership or the Limited Partners as a result of the acts or omissions of the Class B Limited Partner prior to its removal, including, without limitation, the Class B Default creating the right of the Special Limited Partner to remove the Class B Limited Partner pursuant to the provisions of this Section 8.5. Any transfer taxes that are triggered by the removal and the cost of any additional title insurance or title endorsements deemed to be necessary by the Special Limited Partner as a result of such removal shall be paid by the removed Class B Limited Partner. The resulting amount is referred to herein as the “Class B Removal Purchase Price.” Notwithstanding the foregoing, the Class B Removal Purchase Price shall not be less than zero.

E. In the event of the removal of the Class B Limited Partner pursuant to the provisions of this Section 8.5, any fees owed to the Class B Limited Partner or its Affiliates (including, without limitation, any unpaid Development Amount) for services performed prior to the Class B Removal Notice Date shall be part of the Class B Removal Purchase Price as described above, provided, however, that (i) if any Adverse Consequences suffered by the Partnership or the Limited Partners exceed the Class B Removal Purchase Price as calculated pursuant to the provisions of Section 8.5D above, or (ii) there exist any unpaid obligations or liabilities of the Class B Limited Partner that relate to the period up to and including the effective date of the removal of the Class B Limited Partner, any such unpaid fees owed to the Class B Limited Partner or its Affiliates shall, to the extent of any such Adverse Consequences or obligations or liabilities, as the case may be, be treated as if they were paid to the Class B Limited Partner (or such Affiliates) and applied by the Class B Limited Partner (or such Affiliates) to the payment or satisfaction of such Adverse Consequences, obligations or liabilities, and, to the extent of such application, the obligation of the Partnership to make actual cash payments of such fees to the Class B Limited Partner (or such Affiliates) shall be reduced or eliminated, as the case may be.

F. The Appraised Value of the Property shall be determined as follows. As soon as practicable and in any event within ten (10) business days following the effective date of removal as specified in Section 8.5C above, the Class B Limited Partner and the Special Limited Partner shall select a mutually acceptable Independent Appraiser. In the event that the parties are unable to agree upon an Independent Appraiser within such ten (10) business day period, the Class B Limited Partner and the Special Limited Partner each shall select an Independent Appraiser. If either party fails to select an Independent Appraiser within the time period described above, the determination of the other Independent Appraiser shall control. If the difference between the Appraised Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Value set forth in the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two Independent Appraisers shall jointly select a third Independent Appraiser whose determination of Appraised Value shall be deemed to be binding on all parties as long as the third determination is between the other two (2) determinations. If the third (3rd) determination is either lower or
higher than both of the other two (2) appraisers, then the average of all three (3) appraisers shall be the fair market value. The Partnership and the removed Class B Limited Partner shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this Section 8.5F.

G. In the event of the removal of the Class B Limited Partner pursuant to the provisions of this Section 8.5, any Class B Removal Purchase Price due to the Class B Limited Partner pursuant to the provisions of Section 8.5D above shall be payable from the first available proceeds of a Capital Transaction prior to any other distributions or payments to the Partners under Section 10.1B hereof except for those items listed in clauses First and Second of Section 10.1B.

H. Upon determination of the Class B Removal Purchase Price under the provisions of this Section 8.5, the Partnership and its remaining Partners shall be deemed to be completely released from all liability to such Class B Limited Partner and its Affiliates generally and to any others claiming by or through the Class B Limited Partner or its Affiliates to whom any distributions or loan, fee or other payments are to be made under Article X or otherwise, and the Class B Limited Partner shall be released from any and all obligations to the Partnership and the Partners which arise after the Class B Removal Notice Date. Concurrently with the determination of the Class B Removal Purchase Price, the Class B Limited Partner shall provide the Partnership, the successor Class B Limited Partner, if any, and the Investor Limited Partner with additional written releases from the Class B Limited Partner (and any Affiliates to whom obligations of any kind are owed by the Partnership, the successor Class B Limited Partner, if any, the Limited Partners or any of their respective Affiliates) confirming such releases.

I. In the event that the Class B Limited Partner is removed pursuant to the provisions of this Section 8.5, all agreements between the Partnership and the Class B Limited Partner and/or its Affiliates shall be terminated and, except for payment of the Class B Removal Purchase Price due to the Class B Limited (or such Affiliates), the Partnership shall have no further obligations under such agreements. From and after the effective date of its removal, the removed Class B Limited Partner shall not be liable for obligations of the Partnership incurred subsequent to such effective date unless such obligations arise out of acts or omissions of the Class B Limited Partner prior to such effective date. The removed Class B Limited Partner shall continue to be liable for all obligations, liabilities, and guarantees incurred by it in its capacity as the Class B Limited Partner and any Partnership obligations not listed in the prior year’s financial statements or otherwise described in writing to the Special Limited Partner, and for any Adverse Consequences caused by or arising out of its acts or omissions, prior to the effective date of its removal. Without limiting the generality of the foregoing, and in addition to any of its other obligations hereunder, the removed Class B Limited Partner shall continue to be liable for any payments or advances due to the Limited Partners or the Partnership pursuant to the Capital Contribution adjustment provisions of Article V as a result of any adjustments determined thereunder, other than adjustments arising from a Recapture Event subsequent to the effective date of the removal of the removed Class B Limited Partner.

J. The election by the Special Limited Partner to remove any Class B Limited Partner pursuant to the provisions of this Section 8.5 shall not limit or restrict the availability and use of any other remedy that the Special Limited Partner or the Investor Limited Partner may
have with respect to any Class B Limited Partner in connection with its undertakings and responsibilities under this Agreement, and the exercise by the Special Limited Partner of the rights granted to it in this Section 8.5 is understood by the parties hereto to be permitted by the Uniform Act as the exercise of powers not constituting participation in the control of the business so as to cause the Special Limited Partner (or the Investor Limited Partner) to be liable for Partnership obligations as a general partner.

K. In the event that any Class B Limited Partner is removed pursuant to the provisions of this Section 8.5, the removed Class B Limited Partner shall immediately deliver to the Special Limited Partner all books, records, tax and financial information relating to the Partnership and the Property that are in the possession or under the control of the Class B Limited Partner or any of its Affiliates. The Class B Limited Partner agrees that if it fails to comply with the provisions of this Section 8.5K, the Limited Partners may enforce such provisions by specific performance, and no portion of the Class B Removal Purchase Price shall be payable unless the provisions of this Section are fully and promptly complied with.

L. If any Class B Limited Partner fails to comply with any of its obligations under this Section 8.5 or contests the right of the Special Limited Partner to exercise the removal or other rights described in this Section 8.5, any costs and expenses incurred by the Limited Partners in enforcing their rights in this Section 8.5, including, without limitation, reasonable legal fees and expenses, shall be paid by the Class B Limited Partner upon presentation of an itemized statement describing the same, which costs shall be deemed to be Adverse Consequences for purposes of this Section.

M. Notwithstanding the foregoing, in the event a bona fide dispute exists as to the occurrence of a Class B Default, the Class B Limited Partner shall have the right, within twenty (20) days of the Class B Removal Notice Date to submit the matter for non-binding mediation and then Arbitration in Commerce, Texas, or such other location in Texas as shall be mutually agreed upon by the parties, in accordance with the rules of the American Arbitration Association, and if the arbitrator (the “Arbitrator”) finds that a Class B Default has occurred, the Class B Limited Partner agrees that the Class B Limited Partner will be removed as a Partner from the Partnership; provided, however, that (1) any finding by the Arbitrator shall not be final or binding; (2) the Class B Limited Partner or the Investor Limited Partner, as the case may be, shall have the right, only after the Class B Limited Partner has been removed pursuant to Section 8.5 of this Agreement, to challenge the Arbitrator’s finding in a court of competent jurisdiction; and (3) in no event shall the removal of the Class B Limited Partner be construed as a waiver of such right. In addition to the requirements set forth above, testimony during Arbitration shall be limited to three (3) days per party and the prevailing party shall be entitled to reimbursement for any reasonable attorney’s fees incurred in connection with such Arbitration.
ARTICLE IX

Loans; Mortgage Refinancing; Property Disposition

Section 9.1. General

A. The Partnership shall be authorized to obtain the Mortgage Loans to finance the acquisition, development and construction of the Property and (to the extent permitted by the Lender) shall secure the same by the Mortgages. Except as set forth in the Project Documents as they exist on the date of Investment Closing, each Mortgage shall provide that no Partner or Related Person shall bear the Economic Risk of Loss for all or any part of such Mortgage Loans.

B. Subject to Section 6.1, the General Partners are specifically authorized, for and on behalf of the Partnership, to execute the Project Documents and any permitted amendments thereto and, subject to the limitations set forth herein, such other documents as they deem necessary or appropriate in connection with the acquisition, development, operation and financing of the Property.

C. All Partnership borrowings shall be subject to Section 6.1, this Article, the Project Documents and the Regulations. To the extent borrowings are permitted, they may be made from any source, including Partners and Affiliates. The Partnership may accept Development Advances as and when permitted pursuant to the Development Agreement, and may issue instruments evidencing Operating Expense Loans and Working Capital Loans.

D. If any Partner shall lend any monies to the Partnership, any such loan shall be unsecured and the amount of any such additional loan shall not be an increase of its Capital Contribution. Until such time as the General Partners and the Developer shall have performed fully their obligations to make Operating Expense Loans, Working Capital Loans and Development Advances, any loan from a General Partner or an Affiliate of a General Partner shall be an obligation of the Partnership to the Partner or Affiliate only if it constitutes an Operating Expense Loan, Working Capital Loan or Development Advance in accordance with the provisions of this Agreement or the Development Agreement, as applicable and shall be repayable as therein provided. Subject to the preceding sentence, any loans to the Partnership by a General Partner or an Affiliate of a General Partner may be made on such terms and conditions as may be agreed on by the Partnership, consistent with good business practices.

E. Subject to the provisions of this Agreement with respect to related party loans, a limited partner or member (which may include without limitation the Federal Home Loan Mortgage Corporation) in the Investor Limited Partner (such limited partner or member being referred to herein as a “Mortgagee Limited Partner”) at any time may make, guarantee, own acquire, or otherwise credit enhance, in whole or in part, a loan secured by a mortgage, deed of trust, trust deed, or other security instrument encumbering the Property owned by the Partnership (any such loan being referred to as a “Related Mortgage Loan”). Under no circumstances will a Mortgagee Limited Partner be considered to be acting on behalf or as an agent or the alter ego of the Investor Limited Partner. A Mortgagee Limited Partner may take any actions that the Mortgagee Limited Partner, in its discretion, determines to be advisable in connection with its Related Mortgage Loan (including in connection with the enforcement of its
Related Mortgage Loan). Each Partner agrees, to the extent permitted by applicable law, that no Mortgagee Limited Partner owes the Partnership or any Partner any fiduciary duty or other duty or obligation whatsoever by virtue of such Mortgagee Limited Partner being a limited partner or member in the Investor Limited Partner. Neither the Partnership nor any Partner will make any claim against a Mortgagee Limited Partner, or against the Investor Limited Partner in which the Mortgagee Limited Partner is a partner or member, relating to a Related Mortgage Loan and alleging any breach of any fiduciary duty, duty of care, or other duty whatsoever to the Partnership or to any Partner based in any way upon the Mortgagee Limited Partner’s status as a limited partner or member of the Investor Limited Partner. Notwithstanding any provision to the contrary in this Section 9.1E, the General Partners shall not obtain or consent to any Related Mortgage Loan unless (i) they have obtained the prior Consent of the Investor Limited Partner and (ii) they have determined, based on the financial projections prepared at the time of requesting such Consent and the advice of Investor Tax Counsel, that the Related Mortgage Loan will not result in any reallocation of Tax Credits or other tax benefits among the Partners.

F. Any debt or bond financing or any credit support, guarantee or other financial enhancement of indebtedness related to or for the benefit of the Partnership or the Project (collectively, “Financing”) shall require the consent of the Investor Limited Partner if Fannie Mae has any present involvement (or any contemplated future involvement pursuant to a commitment existing at such time) with or relationship to such Financing. The request for the Investor Limited Partner’s consent shall include the determination of the tax counsel or Accountants for the Partnership, that the Financing from Fannie Mae will not cause any reallocation or recapture of profits, losses, tax credits or other tax benefits of or among the Partners of the Partnership.

G. The General Partners shall take any action within their reasonable control necessary to remedy any reallocation or recapture of profits, losses, tax credits or other tax benefits of or among the Partners of the Partnership resulting from any Financing from Fannie Mae related to or for the benefit of the Partnership or the Project.

Section 9.2. Refinancing and Sale

The Partnership may not increase the amount of or otherwise materially modify any Mortgage Loan, obtain any new Mortgage Loan or refinance any Mortgage Loan (other than pursuant to and substantially in accordance with a Mortgage Loan Commitment in existence at Investment Closing) including any required transfer or conveyance of Partnership assets for security or mortgage purposes, and may not sell, lease, exchange or otherwise transfer or convey all or substantially all the assets of the Partnership without the Consent of the Investor Limited Partner and Class B Limited Partner which Consent, after the Compliance Period, shall not be unreasonably withheld. Notwithstanding the foregoing, no such Consent shall be required for the leasing of apartments to tenants in the normal course of operations; provided, however, unless such Consent is obtained the Partnership shall lease the Project in such a manner as to qualify as a “qualified low-income housing project” under Section 42(g)(1) of the Code, and shall lease all of the Low Income Units to Qualified Tenants.
Section 9.3. **Sales Commissions**

In connection with the sale of the Property by the Partnership, no Person may receive real estate commissions in excess of that which is reasonable, customary, and competitive with those paid in similar transactions in the same geographic area. Real estate commissions may be paid to an Affiliate of the General Partners.

*Sixth*, to the Investor Limited Partner an amount equal to theretofor unpaid Tax Credit Shortfall Payments;

*Seventh*, $10,000 to the Special Limited Partner; and

*Eighth*, the balance of such proceeds, if any, shall be distributed 20% to the Investor Limited Partner, 10% to the General Partner, and 70% to the Class B Limited Partner.

C. **Sharing of Distributions**

All distributions to the respective classes of the Partners shall be shared by the members of such classes in accordance with the percentages set forth opposite their respective names on the Schedule, except as otherwise provided in this Agreement.

D. **Proceeds from Insurance**

Section 10.2. Distributions Upon Dissolution

A. Upon dissolution and termination, after payment of, or adequate provision for, the debts and obligations of the Partnership, the remaining assets of the Partnership shall be distributed to the Partners in accordance with the positive balances in their Capital Accounts after taking into account all Capital Account adjustments for the Partnership taxable year, including adjustments to Capital Accounts pursuant to Sections 10.2B and 10.3B. Liquidation distributions shall be made by the end of the taxable year in which the liquidation occurs or, if later, within ninety (90) days after the date of liquidation. In the event that a General Partner or Investor Limited Partner has a negative balance in its Capital Account following the liquidation of the Partnership or its Interest after taking into account all Capital Account adjustments for the Partnership taxable year in which the liquidation occurs, such General Partner shall pay to the Partnership in cash an amount equal to the negative balance in its Capital Account. Such payment shall be made by the end of such taxable year (or, if later, within ninety (90) days after the date of such liquidation) and shall, upon liquidation of the Partnership, be paid to recourse creditors of the Partnership or distributed to other Partners in accordance with the positive balances in their Capital Accounts. Notwithstanding the foregoing, the obligation of the Investor Limited Partner to contribute such deficit shall be zero unless and until it shall notify the Partnership in writing of its election to have a different amount (the “Designated Amount”) apply, which Designated Amount may be increased or reduced (subject to the provisions of the following sentence) by similar written notice from the Investor Limited Partner at any subsequent date. No such notice shall be effective with respect to any Fiscal Year unless the same shall be given prior to the end of such Fiscal Year. No subsequent reduction to the Designated Amount shall reduce the same below the Investor Limited Partner’s deficit balance in its Capital Account (as such Capital Account is increased by the Investor Limited Partner’s share of Partnership Minimum Gain) at the end of the Partnership’s immediately preceding tax year.

B. With respect to assets distributed in kind to the Partners in liquidation or otherwise, (i) any unrealized appreciation or unrealized depreciation in the values of such assets shall be deemed to be profits and losses realized by the Partnership immediately prior to the liquidation or other distribution event; and (ii) such profits and losses shall be allocated to the Partners in accordance with Section 10.3B, and any property so distributed shall be treated as a distribution of an amount in cash equal to the excess of such fair market value over the outstanding principal balance of and accrued interest on any debt by which the property is encumbered. For the purposes of this Section 10.2B, “unrealized appreciation” or “unrealized depreciation” shall mean the difference between the fair market value of such assets, taking into account the fair market value of the associated financing (but subject to Section 7701(g) of the Code), and the Partnership’s adjusted basis for such assets as determined under Section 1.704-1(b). This Section 10.2B is merely intended to provide a rule for allocating unrealized gains and losses upon liquidation or other distribution event, and nothing contained in this Section 10.2B or elsewhere herein is intended to treat or cause such distributions to be treated as
sales for value. The fair market value of such assets shall be determined by an appraiser to be selected by the General Partners with the Consent of the Investor Limited Partner.

Section 10.3. Profits, Losses and Tax Credits

A. Except as otherwise specifically provided in this Article X, for each Fiscal Year or portion thereof, profits, tax-exempt income, losses and non-deductible, non-capitalizable expenditures incurred and/or accrued by the Partnership, shall be allocated 0.01% to the General Partners, 0.01% to the Class B Limited Partner and 99.98% to the Investor Limited Partner.

B. Except as otherwise specifically provided in Section 10.4 or elsewhere in this Article X, all profits and losses arising from a Capital Transaction shall be allocated to the Partners as follows:

As to profits:

First, an amount of profit equal to the aggregate negative balances (if any) in the Capital Accounts of all Partners having negative balance Capital Accounts shall be allocated to such Partners in proportion to their negative Capital Account balances until all such Capital Accounts shall have zero balances; and

Second, an amount of profits shall be allocated to each of the Partners until the positive balance in the Capital Account of each Partner equals, as nearly as possible, the amount of cash which would be distributed to such Partner if the aggregate amount in the Capital Accounts of all Partners were cash available to be distributed in accordance with the provisions of Clauses Fifth through Eighth of Section 10.1B.

As to losses:

First, an amount of losses equal to the aggregate positive balances (if any) in the Capital Accounts of all Partners having positive balance Capital Accounts shall be allocated to such Partners in proportion to their positive Capital Account balances until all such Capital Accounts shall have zero balances; provided, however, that if the amount of losses so to be allocated is less than the sum of the positive balances in the Capital Accounts of those Partners having positive balances in their Capital Accounts, then such losses shall be allocated to the Partners in such proportions and in such amounts so that the Capital Account balances of each Partner shall equal, as nearly as possible, the amount such Partner would receive if an amount equal to the excess of (a) the sum of all Partners' balances in their Capital Accounts computed prior to the allocation of losses under this clause First over (b) the aggregate amount of losses to be allocated to the Partners pursuant to this clause First were distributed to the Partners in accordance with the provisions of Fifth through Eighth of Section 10.1B; and
Second, the balance, if any, of such losses shall be allocated 0.01% to the General Partners, 0.01% to the Class B Limited Partner, and 99.98% to the Investor Limited Partner.

C. If the Partnership (i) incurs recourse obligations or Partner Nonrecourse Debt (including without limitation Operating Expense Loans), (ii) accepts Special Capital Contributions pursuant to Section 6.9 or (iii) incurs losses from extraordinary events which are not recovered from insurance or otherwise (the items referred to in clauses (i), (ii) and (iii) being hereinafter referred to collectively as the “Section 10.3C Items”) in respect of any Partnership taxable year, then the calculation and allocation of profits and losses shall be adjusted as follows: first, an amount of deductions (consisting of operating expenses and not cost recovery deductions) attributable to the Section 10.3C Items shall be allocated to the General Partners; and second, the balance of such deductions shall be allocated as provided in Section 10.3A. For purposes of this Section 10.3C, extraordinary events includes casualty losses, losses resulting from liability to third parties for tortious injury, losses resulting from a breach of a legal duty by the Partnership or by the General Partners, and deductions resulting from other liabilities which are not incurred in the ordinary course of business. Nothing in this Section 10.3C shall prevent the Partnership from recovering an extraordinary loss from a General Partner who is liable therefor by law or under this Agreement.

D. If any Section 10.3C Items shall be repaid from cash generated in respect of any Fiscal Year, then the allocation of profits and losses under Section 10.3A for such Fiscal Year shall be adjusted as follows: first, the General Partners shall be allocated an amount of the gross income of the Partnership equal to the lesser of (i) the amount of items of loss or expense previously allocated to the General Partners under Section 10.3C and not previously offset by allocations of gross income under this Section 10.3D or items thereof and (ii) the amount of the Section 10.3C Items repaid in such year and second, all remaining gross income and all expenses shall be allocated as provided in Section 10.3A. Nothing in this Section 10.3D shall be construed to authorize the return of Special Capital Contributions. This section shall be applied in conjunction with Section 10.4B to avoid the double allocation of gain under such sections when Operating Expense Loans are repaid.

E. Notwithstanding the foregoing provisions of Sections 10.3.A and 10.3.B, in no event shall any losses be allocated to a Limited Partner if and to the extent that such allocation would cause, as of the end of the Partnership taxable year, the negative balance in such Limited Partner’s Capital Account to exceed such Limited Partner’s share of Partnership Minimum Gain plus such Limited Partner’s share of Partner Nonrecourse Debt Minimum Gain plus the amount if any, of such Limited Partner’s Designated Amount (as specified in accordance with Section 10.2A). Any losses which are not allocated to the Limited Partners by virtue of the application of this Section 10.3E shall be allocated as required under Treasury Regulation Section 1.704-1(b). For purposes of this Section 10.3E, a Partner’s Capital Account shall be treated as reduced by Qualified Income Offset Items.

F. The terms “profits” and “losses” used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering into the computation thereof, as determined in accordance with the accounting methods followed by the Partnership and computed in a manner consistent with Treasury Regulation Section 1.704-1(b)(2)(iv).
Profits and losses for federal income tax purposes shall be allocated in the same manner as profits and losses under Section 10.3 except as provided in Section 10.5B.

G. Tax credits under Section 42 of the Code shall be allocated among the Partners in the same manner as the deductions attributable to the expenditures creating the tax credit are allocated among the Partners in accordance with Treasury Regulation Section 1.704-1(b)(4)(ii).

Section 10.4. Minimum Gain Chargebacks and Qualified Income Offset

A. If there is a net decrease in Partnership Minimum Gain during a Partnership taxable year, each Partner will be allocated items of income and gain for such year (and, if necessary, subsequent years) in the proportion to, and to the extent of, an amount equal to such Partner’s share of the net decrease in Partnership Minimum Gain during the year. A Partner is not subject to this Partnership Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(f) under Section 704 of the Code.

B. If there is a net decrease in Partner Nonrecourse Debt Minimum Gain during a Partnership taxable year, then each Partner with a share of the minimum gain attributable to such debt at the beginning of such year will be allocated items of income and gain for such year (and, if necessary, subsequent years) in proportion to, and to the extent of, an amount equal to such Partner’s share of the net decrease in Partner Nonrecourse Debt Minimum Gain during the year. A Partner is not subject to this Partner Nonrecourse Debt Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(i)(4) applied consistently with Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(i)(4) under Section 704 of the Code.

C. If a Limited Partner unexpectedly receives in any taxable year (1) any adjustments, allocations or distributions described in Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) or (2) a distribution, and such adjustment, allocation and/or distribution would cause the negative balance in such Partner’s Capital Account to exceed (i) such Partner’s share of Partnership Minimum Gain plus (ii) such Partner’s share of Partner Nonrecourse Debt Minimum Gain and (iii) the amount of such Partner’s obligation, if any, to restore a deficit balance in its Capital Account, then such Partner shall be allocated items of income and gain in an amount and manner sufficient to eliminate such negative balance as quickly as possible. For purposes of this Section 10.4C, a Partner’s Capital Account shall be treated as reduced by Qualified Income Offset Items.

Section 10.5. Special Provisions

A. Except as otherwise provided in this Agreement, all profits, losses, credits and distributions shared by the respective classes composed of the Special Limited Partner and the General Partners shall be allocated among the members of such class in accordance with the percentages set forth opposite their respective names in the Schedule. Subject to the provisions of Section 13.8, the Investor Limited Partner and Special Limited Partner each shall be deemed
to have been admitted to the Partnership as of the first day of the month during which its actual admission occurs for purposes of allocating profits and losses.

B. Income, gain, loss and deduction with respect to property which has a variation between its basis computed in accordance with Treasury Regulation Section 1.704-1(b) and its basis computed for federal income tax purposes shall be shared among the Partners for tax purposes so as to take account of such variation in a manner consistent with the principles of Section 704(c) of the Code and Treasury Regulation Sections 1.704-1(b)(2)(iv)(g) and 1.704-3.

C. If the Partnership shall receive any purchase money indebtedness in partial payment of the purchase price of the Project and such indebtedness is distributed to the Partners pursuant to the provisions of Section 10.1B or Section 10.2, the distributions of the cash portion of such purchase price and the principal amount of such purchase money indebtedness hereunder shall be allocated among the Partners in the following manner: On the basis of the sum of the principal amount of the purchase money indebtedness and cash payments received on the sale (net of amounts required to pay Partnership obligations and fund reasonable reserves), there shall be calculated the percentage of the total net proceeds distributable to each class of Partners based on Section 10.1B or Section 10.2, as applicable, treating cash payments and purchase money indebtedness principal interchangeably for this purpose, and the respective classes shall receive such respective percentages of the net cash purchase price and purchase money principal. Payments on such purchase money indebtedness retained by the Partnership shall be distributed in accordance with the respective portions of principal allocated to the respective classes of Partners in accordance with the preceding sentence, and if any such purchase money indebtedness shall be sold, the sale proceeds shall be allocated in the same proportion.

D. In the event that any fee payable to any General Partner or any Affiliate shall instead be determined to be a non-deductible, non-capitalizable distribution from the Partnership to a Partner for federal income tax purposes, then there shall be allocated to such General Partner an amount of gross income equal to the amount of such distribution.

E. Notwithstanding any provision to the contrary in this Article X, funds of the Partnership constituting Designated Proceeds shall be applied to pay Development Costs and the Development Amount in accordance with the provisions of this Agreement, the Development Agreement and the Project Documents.

F. In applying the provisions of this Article X with respect to distributions and allocations, the following ordering of priorities shall apply:

(1) Capital Accounts shall be deemed to be reduced by Qualified Income Offset Items.

(2) Capital Accounts shall be reduced by distributions of Cash Flow under Section 10.1A.

(3) Capital Accounts shall be reduced by distributions from Capital Transactions under Section 10.1B.
(4) Capital Accounts shall be increased by any minimum gain chargeback under Section 10.4A or 10.4B.

(5) Capital Accounts shall be increased by any qualified income offset under Section 10.4C.

(6) Capital Accounts shall be increased by allocations of profits under Section 10.3A.

(7) Capital Accounts shall be reduced by allocations of losses under Section 10.3A.

(8) Capital Accounts shall be reduced by allocations of losses under Section 10.3B.

(9) Capital Accounts shall be increased by allocations of profits under Section 10.3B.

G. For purposes of determining each Partner's proportionate share of excess Partnership Nonrecourse Liabilities pursuant to Treasury Regulation Section 1.752-3(a)(3), the Investor Limited Partner shall be deemed to have a 99.98% interest in profits of the Partnership, the Class B Limited Partner shall be deemed to have a 0.01% interest in profits of the Partnership, and the General Partners shall be deemed to have a 0.01% interest in profits of the Partnership.

H. To the maximum extent permitted under the Code, allocations of profits and losses shall be modified so that the Partners' Capital Accounts reflect the amount they would have reflected if adjustments required by Section 10.4 had not occurred. Furthermore, if for any Fiscal Year the application of the provisions of Section 10.4 would cause a distortion in the economic sharing arrangement among the Partners and it is not expected that the Partnership will have sufficient other income to correct that distortion, the General Partners may request a waiver from the Service of the application in whole or in part of Section 10.4 in accordance with Treasury Regulation Section 1.704-2(f)(4). Notwithstanding any provision to the contrary in this Section 10.5H, depreciation deductions shall in all events be allocated 99.98% to the Investor Limited Partner, 0.01% to the General Partners, and 0.01% to the Class B Limited Partner.

I. To the extent that interest on obligations to any General Partner or its Affiliates is determined to be deductible by the Partnership in excess of the stated amount of interest payable thereunder, the corresponding additional interest deduction shall be allocated solely to such General Partner.

J. Any interest income earned by the Partnership on any and all reserve, escrow or other accounts prior to the Completion Date shall be specially allocated to the General Partner.

K. Nonrecourse deductions as defined in Treasury Regulation Section 1.704-2(b)(1) for any Fiscal Year shall be allocated 99.98% to the Investor Limited Partner, 0.01% to the Class B Limited Partner, and 0.01% to the General Partners.
L. Any partner nonrecourse deductions as determined under Treasury Regulation Sections 1.704-2(i)(2) and 1.704-2(k) with respect to Partner Nonrecourse Debt for any Fiscal Year shall be specially allocated to the Partner or Partners that bear the Economic Risk of Loss with respect to the Partner Nonrecourse Debt to which such deductions are attributable in accordance with Treasury Regulation Section 1.704-2(b)(4) and 1.704-2(i).

M. The Partnership and its Partners shall be permitted to disclose to any and all Persons, without limitation of any kind, the tax treatment and tax structure (as defined in Treasury Regulation Section 1.6011-4(c)) of the transaction contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) relating to such tax treatment and tax structure.

N. To the extent that any loan or capital contribution is determined to be a grant resulting in taxable income to the Partnership, any such taxable income shall be specially allocated to the General Partner.

ARTICLE XI

Management Agent

Section 11.1. Management Agent

The General Partners shall have responsibility for obtaining a Management Agent acceptable to the Investor Limited Partner and each Lender and Governmental Agency to manage the Project in accordance with the requirements of each Lender and Governmental Agency. The General Partners shall cause the Partnership to enter into the Management Agreement with the Management Agent, which may be an Affiliate of a General Partner or the Class B Limited Partner; provided, however, that in the event that the Management Agreement is with an Affiliate of a General Partner, the Management Agreement shall provide that the Management Agent shall be removed and the Management Agreement shall be terminated if the General Partner is removed pursuant to this Agreement. The initial Management Agent shall be Churchill Residential Management, L.P. Subject to the Regulations, the Management Agent shall be entitled to receive a reasonable and competitive Management Fee (determined by reference to arm’s-length property management arrangements for comparable properties in force in the general locality of the Project) initially of the lesser of 5% of gross rental income or the maximum amount permitted by any relevant Governmental Agency or Lender.

If at any time after the Completion Date:

(i) the Project shall be subject to any substantial building code violation which shall not have been cured within ninety (90) days after notice from the applicable Governmental Agency or department or unless such violation is being validly contested by the General Partners by proceedings which operate to prevent any fines or criminal penalties from being levied against the Partnership or unless, in the case of any such violation not susceptible of cure within such ninety (90)-day period, the General Partners are diligently making reasonable efforts to cure the same,
(ii) operating revenues of the Project in respect of any period of nine (9) consecutive calendar months after the Completion Date shall be insufficient to permit the Partnership to pay when due on a current basis all Partnership obligations in respect of such nine (9)-month period,

(iii) the Project ceases to qualify as a “qualified low-income housing project” under Section 42(g) of the Code or any Low Income Unit in the Project ceases to qualify as a “low income unit” under Section 42(i)(3) of the Code,

(iv) a Recapture Event shall have occurred, or

(v) the Management Agent or its agents or employees have demonstrated incompetence or malfeasance in the management of the Project, or

(vi) the Special Limited Partner has elected to remove a General Partner that is an Affiliate of the Management Agent pursuant to the provisions of Section 7.7,

then the General Partners shall forthwith give to the Special Limited Partner notice of such event, (a “Management Default Notice”) and thereafter the Partnership shall, subject to any Requisite Approvals, forthwith terminate its management agreement with the Management Agent, unless the approval of the Special Limited Partner is obtained to the retention of the Management Agent. Upon any termination, the General Partners shall immediately proceed to select a qualified Person as the new Management Agent (which, in the event the terminated Management Agent was an Affiliate of a General Partner, shall be unaffiliated with any General Partner) as the new Management Agent for the Property, which selection shall be subject to the Consent of the Investor Limited Partner, the Class B Limited Partner and any Requisite Approvals; and, after such selection, no Management Fee shall be payable to any Person which is an Affiliate of a General Partner unless the management contract with any such Person shall provide for the right of the Partnership to terminate the same upon the occurrence of the circumstance described in this Article XI.

Notwithstanding anything to the contrary herein, in the event that the Management Agent has received notice from the Investor Limited Partner that the number of Units that have been leased in any given month beginning in March of 2006 are eighty percent (80%) or less than the number of Units that are projected to be leased according to Exhibit B of the Investment Assumptions (the “Unit Shortfall”), the General Partner shall forthwith terminate the management agreement with the Management Agent unless any such amount of Units comprising the Unit Shortfall are leased within the next succeeding month to the satisfaction of the Investor Limited Partner.

Section 11.2. Special Power of Attorney

If an event described in clauses (i) through (vi) of Section 11.1 above occurs and the General Partner fails to send a Management Default Notice to the Special Limited Partner within the ten (10) days of the date the General Partner became aware of such event, the Special Limited Partner hereby is granted an irrevocable power of attorney, coupled with an interest, to
take such action, and to execute and deliver such documents on behalf of the Partners and the Partnership, as shall be legally necessary and sufficient to effect the provisions of this Article XI.

Section 11.3. Compliance Consultant

The General Partner and Class B Limited Partner shall have responsibility for obtaining a Compliance Consultant acceptable to the Investor Limited Partner to assist the Management Agent in the management of the Project in accordance with the requirements of each Lender and Governmental Agency. The General Partner and the Class B Limited Partner shall cause the Partnership or the Management Agent to enter into a Compliance Consultant Agreement with a Compliance Consultant. Any such Compliance Consultant Agreement shall provide that it may be terminated with or without cause upon thirty days notice. The General Partner and Class B Limited Partner agree to terminate the Compliance Consultant Agreement at any time upon the request of the Investor Limited Partner and to promptly obtain a replacement Compliance Consultant acceptable to the Investor Limited Partner.

ARTICLE XII

Books and Reporting, Accounting, Tax Election, Etc

Section 12.1. Books, Records and Reporting

A. The General Partners shall keep or cause to be kept a complete and accurate set of books and supporting documentation with respect to the Partnership’s business. The books of the Partnership shall be kept on the accrual basis. The books and records of the Partnership (including all records required to be maintained under the Uniform Act) shall at all times be maintained at the offices of the Developer until the Completion Date, and thereafter at the principal office of the Partnership. Each Partner, its duly authorized representatives and any regulatory authority which regulates such Partner shall have the right to examine the books of the Partnership and all other records and information concerning the Partnership and the Project at reasonable times. The books and records of the Partnership shall include, without limitation, copies of the following: (i) the Partnership’s federal, state and local income tax or information returns and reports, if any, and all related back-up documentation for ten (10) years from the date of production and (ii) financial statements of the Partnership for ten (10) years from the date of production.

B. The books of the Partnership shall be examined by the Accountants in accordance with generally accepted auditing standards annually as of the end of each Fiscal Year of the Partnership. The General Partners shall prepare a balance sheet as of the end of each such year and statements of income, partners’ equity and cash flows for such year. Said balance sheet and statements shall be accompanied by the opinion of the Accountants that said balance sheet and statements have been prepared in accordance with generally accepted accounting principles applied consistently with prior periods identifying any matters to which the Accountants take exception and stating, to the extent practicable, the effect of each such exception on such financial statements. As a note to such financial statements, the General Partners shall prepare a schedule of all loans to the Partnership (to be reviewed by the Accountants), setting forth the purpose of such loan and Section of this Agreement or the Development Agreement under which
such loan was obtained. Such schedule shall demonstrate that loans have been made, used, carried on the books of the Partnership (and repaid, if applicable) in accordance with the provisions of this Agreement and the Development Agreement. In addition, after the first year in which the Accountants examine the financial statements of the Partnership after completion of the Project, the depreciation schedule for that year and all future years, along with the depreciation worksheet, shall be prepared by the General Partners, reviewed by the Accountants and furnished to the Investor Limited Partner. The General Partners shall, promptly upon receipt of such balance sheet and statements and in any event within sixty (60) days after the end of each Fiscal Year, transmit to the Investor Limited Partner a copy thereof. The Accountants shall also review and sign the federal and state income tax returns of the Partnership. In connection with the preparation of such tax returns, the General Partners shall seek and obtain the advice of the Special Limited Partner with respect to material allocations of assets for cost recovery purposes. The General Partners shall complete the books of the Partnership in such time as will allow the Accountants to complete such tax returns within forty-five (45) days after the end of such Fiscal Year. The General Partners shall cause such tax returns to be filed within such time periods and shall immediately upon the filing thereof transmit to the Investor Limited Partner a copy of Schedule K-1. If the General Partners fail to complete such tax returns and to transmit such Schedule K-1 to the Investor Limited Partner within such time periods, shall fail to transmit the annual balance sheet and financial statements to the Investor Limited Partner within the time period set forth above or shall fail to deliver any of the information required by Section 12.1E within twenty (20) days after the end of any applicable quarter of the Partnership’s Fiscal Year, the General Partners shall pay as damages the sum of $250 per day (plus interest equal to the lesser of (i) the highest prime rate as published in the Wall Street Journal (or any comparable publication selected by the Investor Limited Partner in its reasonable discretion if the Wall Street Journal ceases to publish such index) plus 3%, with calculations of interest to be made on a daily basis and on the basis of a three hundred sixty (360)-day year and (ii) the maximum rate allowed by law) to the Investor Limited Partner until such Schedule K-1, and financial statements and information required pursuant to Section 12.1E are received by the Investor Limited Partner. Such damages shall be paid forthwith by the General Partners and failure to so pay shall constitute a default of the General Partners under Section 6.3C. In addition, if the General Partners fail to so pay, the Investor Limited Partner may deduct any unpaid damages from any portion of its Capital Contribution not yet paid, or if such Capital Contribution has been fully paid then the General Partners and their Affiliates shall forthwith cease to be entitled to any Cash Flow or to the payment of any fees which are payable from Cash Flow as provided in Section 10.1A (“Cash Flow Fees”). Such payments of Cash Flow and Cash Flow Fees shall only be restored upon the payment of such damages in full and any amount of such damages not so paid shall be deducted against payments of the Cash Flow and Cash Flow Fees otherwise due to the General Partners or their Affiliates.

Such reports and estimates shall clearly indicate the methods under which they were prepared and shall be made at the expense of the Partnership.

C. If the General Partners fail to complete such tax returns and submit such Schedules K-1 on a timely basis, the Investor Limited Partner may select a firm of accountants who shall prepare such returns and Forms K-1. The General Partners shall immediately furnish all necessary documentation and other information to prepare such tax returns and such Schedules K-1 to such accountants.
D. Every Limited Partner shall at all times have access to the records of the Partnership and may inspect and copy any of them. A list of the names and addresses of all of the Limited Partners shall be maintained as part of the books and records of the Partnership and shall be mailed to any Limited Partner upon request. A reasonable charge for copy work may be charged by the Partnership. Within a reasonable time following receipt of a written direction from the Investor Limited Partner, the General Partners shall furnish copies of information or reports required to be maintained or prepared pursuant to this Article XII to members or limited partners of the Investor Limited Partner. Any such direction shall specifically identify the information or reports requested and the name and address of each member or limited partner of the Investor Limited Partner to receive the same.

E. Within fifteen (15) days following the end of each of the first three (3) quarters of each Fiscal Year (and, if and to the extent specifically requested in writing by the Investor Limited Partner, within twenty (20) days following the end of such Fiscal Year), the Managing General Partner shall send to each Person who was a Limited Partner at any time during such quarter one or more reports which, taken together, provide the following information (which need not be audited): (i) a balance sheet as at the end of such quarter; (ii) a statement of income for such quarter on the cash as well as accrual bases; (iii) a statement of cash available for distribution and reserves for such quarter; (iv) a statement describing (a) any new agreement, contract or arrangement between the Partnership and a General Partner or an Affiliate of a General Partner except for payroll and related benefits paid to the Management Company, (b) the amount of all fees and other compensation and distributions and reimbursed expenses paid by the Partnership for the quarter to any General Partner or Affiliate of a General Partner, and (c) the amount of all distributions of Cash Flow and Capital Transaction proceeds made to Partners; and (v) a report of the significant activities of the Partnership during the fiscal quarter. Each quarterly report shall also contain a certification by the General Partner that the Partnership or the General Partner has not received any notice or has been cited by or otherwise warned in writing of any “Violation” (as hereinafter defined) by any Governmental Agency, which Violation could have a materially adverse impact on any of them. For purposes of this certification, a Violation shall mean any act or omission complained of which, if uncured, would be in violation of (a) any applicable statute, code, ordinance, rule or regulation, (b) any agreement or instrument to which the Governmental Agency and the Partnership or the General Partner is a party or to which the Project is subject, (c) any license or permit, or (d) any judgment, decree or order of a court. Any exceptions to the foregoing shall be described in such certification. In addition, if requested by the Investor Limited Partner in writing, within a reasonable time after receipt of such a request, each General Partner shall send to the Investor Limited Partner such recent financial statements (including a balance sheet and statement of income) as shall have been so requested.

F. The General Partners shall provide the Investor Limited Partner and the Class B Limited Partner with (i) a copy of each draw request for construction or development costs as such requests are made to the Lender; (ii) a copy of each inspection report, evaluation or similar report issued to the Partnership by any Governmental Agency or Lender (including without limitation any REAC inspection reports, if applicable) promptly upon receipt thereof; (iii) a copy of each low-income housing tax credit compliance report delivered to or prepared by the applicable tax credit monitoring agency or agencies with respect to the Project; (iv) a copy of any notice received from any Governmental Agency or Lender indicating any adverse findings with
respect to the Partnership or the Project (including without limitation management review findings or allegations of violations of any Project Document); (v) prompt notice of any casualty or other significant adverse event relating to the Partnership; (vi) evidence of insurance, (vii) at least annually, a schedule setting forth the adjustments necessary, if any, to state the income of the Partnership using the longer depreciable lives available under generally accepted accounting principles (rather than the depreciable lives used for federal income tax purposes), and (viii) such other information as the Investor Limited Partner may specifically request from time to time with regard to the business or operations of the Partnership. The General Partner shall authorize the Developer to execute draw requests on behalf of the Partnership.

G. By the fifteenth (15th) day of each month prior to the Development Obligation Date, the Class B Limited Partner shall provide the Investor Limited Partner with a brief written summary of the status of the construction, development, lease-up and operations of the Project during the prior month.

H. An annual pro forma operating budget for the succeeding calendar year shall be prepared by the General Partners and furnished to the Investor Limited Partner by November 30 of each year. In addition, the General Partners shall prepare and furnish to the Investor Limited Partner an estimate of the profits and losses of the Partnership for federal income tax purposes for the current Fiscal Year not later than September 30 of each year.

I. Within thirty (30) days following the close of the first year of the Credit Period with respect to the Project, the Class B Limited Partner shall provide the Investor Limited Partner with a copy (in electronic form, if feasible) of all records establishing the qualification of tenants under Section 42 of the Code.

J. The General Partners shall furnish to the Investor Limited Partner a radon gas test measurement report and conclusion (a “Radon Report”) for each Building upon completion of construction or rehabilitation thereof, unless the Project is located in a county in the lowest risk EPA radon map Zone 3. The Radon Report must come from a radon service professional who (i) meets state-specific requirements, if any, for providing such Radon Reports, and (ii) has a proficiency listing, accreditation or certification in radon test measurement from either (a) The National Environmental Health Association (“NEHA”) National Radon Proficiency Program or (b) The National Radon Safety Board (“NRSB”). Alternatively, a Radon Report from an environmental professional who lacks such a proficiency listing, accreditation or certification from NEHA or NRSB may be acceptable if it follows state-specific requirements and EPA recommendations and protocols set forth in the following EPA publications: Protocols for Radon and Radon Decay Product Measurements in Homes (EPA 402-R-93-003, June, 1993) and the Indoor Radon and Radon Decay Product Measurement Device Protocols (EPA 402-R-92-004, July, 1992), which protocols are summarized at www.airchek.com. If the Radon Report demonstrates that the radon gas level for a Building exceeds the EPA standard for radon action or remediation then in effect, the General Partners shall install a radon mitigation system or take other recommended mitigation measures and shall provide a follow-up Radon Report to confirm effectiveness.

K. The General Partners will notify the Partners of any “reportable transaction” under Treasury Regulation Section 1.6011-4 in which the Partnership shall engage.
Section 12.2. Bank Accounts

Subject to any Requisite Approvals, the bank accounts of the Partnership shall be maintained in such banking institutions as the General Partners shall determine and withdrawals shall be made only in the regular course of Partnership business on the signature of the Managing General Partner. All deposits and other funds not needed in the operation of the business shall be deposited, to the extent permitted by the Lender and the Governmental Agency, in interest-bearing accounts or invested in short-term United States Government obligations maturing within one (1) year.

Section 12.3. Elections

Unless the Consent of the Investor Limited Partner is obtained permitting a different treatment, and except to the extent otherwise required by Section 168(g)(1)(B) of the Code, the Partnership shall depreciate its residential rental property, site improvements and personal property costs, respectively, over twenty-seven and a half (27.5) years, fifteen (15) years and seven (7) years for federal income tax purposes and over forty (40) years, twenty (20) years and ten (10) years (or over such other relevant useful lives as the Accountants shall deem appropriate) for financial accounting purposes. Subject to the provisions of Section 12.4, all other elections required or permitted to be made by the Partnership under the Code shall be made by the General Partners in such manner as they consider to be most advantageous to the Limited Partners.

Section 12.4. Special Adjustments

In the event of (i) a transfer of all or any part of any Interest or (ii) an election pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) is made by the Investor Limited Partner, the Partnership shall elect, if requested by the transferee or by the Investor Limited Partner (as the case may be), pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) to adjust the basis of Partnership assets. Notwithstanding anything to the contrary contained in Article X, any adjustments made pursuant to said Section 754 shall affect only the successor in interest to the transferring Partner. Each Partner will furnish the Partnership with all information necessary to give effect to such election.

Section 12.5. Fiscal Year

The Fiscal Year of the Partnership shall be the calendar year unless a different year is required by the Code.

Section 13.2. Word Meanings

The words such as “herein,” “hereinafter,” “hereof,” and “hereunder” refer to this
Agreement as a whole and not merely to a subdivision in which such words appear unless the
context otherwise requires. The singular shall include the plural and the masculine gender shall
include the feminine and neuter, and vice versa, unless the context otherwise requires. Any
references to “Sections” or “Articles” are to Sections or Articles of this Agreement, unless
reference is expressly made to a different document. A defined term (i) has the same meaning
throughout this Agreement, (ii) may appear in this Agreement before its definition, and (iii)
applies to all grammatical variations of the term also shown with initial capital letters (e.g., the
definition of the noun “Affiliate” also applies to the verb “affiliated” and the adjective
“unaffiliated”). The word “including” does not exclude items not listed.

The covenants and agreements contained herein shall be binding upon, and inure to the
benefit of, the heirs, legal representatives, successors and assignees of the respective parties
hereto, except in each case as expressly provided to the contrary in this Agreement. Subject to
the preceding sentence and except with regard to the Fleet Pledge, none of the provisions of this
Agreement shall be for the benefit of any lender or any other Person who is not a Partner.

Section 13.4. Applicable Law

This Agreement shall be construed and enforced in accordance with the internal laws of
the State.

Section 13.5. Counterparts

This Agreement may be executed in several counterparts and all so executed shall
constitute one agreement binding on all parties hereto, notwithstanding that all the parties have
not signed the original or the same counterpart.
Section 13.6. Paragraph Titles

Paragraph titles and any table of contents herein are for descriptive purposes only, and shall not affect the meaning of this Agreement as set forth in the text.

Section 13.7. Separability of Provisions; Rights and Remedies; Arbitration

A. Each provision of this Agreement shall be considered separable and (i) if for any reason any provisions herein are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid, or (ii) if for any reason any provisions herein would cause the Limited Partners to be bound by the obligations of the Partnership under the laws of the State as the same may now or hereafter exist, such provisions shall be deemed void and of no effect.

B. Each of the parties hereto irrevocably waives during the term of the Partnership (including any periods during which the business of the Partnership is required to be continued under Article VII) any right (i) that such party may have to maintain any action for partition with respect to the property of the Partnership, and (ii) to commence an action seeking dissolution of the Partnership (unless the Consent of the Investor Limited Partner has been obtained).

C. The rights and remedies of any of the parties hereunder shall not be mutually exclusive, and the exercise of one or more of the provisions hereof shall not preclude the exercise of any other provisions hereof. Each of the parties confirms that damages at law may be an inadequate remedy for breach or threat of breach of any provisions hereof. The respective rights and obligations hereunder shall be enforceable by specific performance, injunction, or other equitable remedy, but nothing herein contained is intended to limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other parties for a breach or threat of breach of any provision hereof, it being the intention that the respective rights and obligations of the Partners shall be enforceable in equity as well as at law or otherwise.

D. In any instance in which any matter is to be determined by arbitration, such matter shall be submitted in the manner provided under the Commercial Arbitration Rules of the American Arbitration Association then in effect; such arbitration shall be conducted before one arbitrator, chosen in accordance with such rules in Commerce, Texas, and shall be binding on all parties to the dispute; judgment on the award of such arbitrator may be rendered by any court having jurisdiction of such parties and the subject matter. The expense of such arbitration shall be borne equally by the parties thereto, except that each party shall bear the cost of its legal counsel.

E. Each Partner and each Guarantor irrevocably:

   (i) agrees that any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby shall be brought in the courts of record of Hunt County of the State of Texas or the courts of the United States located in Dallas, Texas;
(ii) consents to the jurisdiction of each such court in any such suit, action or proceeding;

(iii) waives any objection which he may have to the laying of venue of any such suit, action or proceeding in any of such courts; and

(iv) waives its right to a jury trial with respect to any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby.

Section 13.8. Effective Date of Admission

Any Partner admitted to the Partnership during any calendar month shall be deemed to have been admitted as of the first day of such calendar month for all purposes of this Agreement including the allocation of profits, losses and credits under Article X; provided, however, that if regulations are issued by the Service or an amendment to the Code is adopted which would require, in the opinion of the Accountants, that a Partner be deemed admitted on a date other than as of the first day of such month, then the General Partners shall select a permitted admission date which is most favorable to the Partner.

Section 13.9. Delivery of Certificate

Promptly upon the filing of the Certificate and each amendment thereto in the appropriate filing office, the General Partners shall deliver or mail a copy thereof to each Limited Partner.

Section 13.10. Additional Information

At the request of the Investor Limited Partner, the General Partners shall furnish to the Investor Limited Partner: (i) plans and specifications for the Project; (ii) manuals, booklets and other documents describing the location and operation of all systems within the Project, including without limitation heating, air conditioning, elevator, electrical and plumbing systems; (iii) a list and copies of all agreements concerning the maintenance, operation and management of the Project; and (iv) such other information regarding the Partnership, the Project or the Related Agreements as the Investor Limited Partner may reasonably request.

Section 13.11. Further Documents and Actions

The Partners agree that they shall, from time to time, execute and deliver such further documents and do such further actions and things as may be reasonably requested by any other such party in order to effect fully the purposes of this Agreement and each other agreement or instrument identified on the Document Schedule.

Section 13.12. Brokers or Finders

The parties hereto agree that no broker or finder has any claim for commissions or fees in connection with the transaction embodied herein. The General Partners shall jointly and severally indemnify the Limited Partners against any brokers’ or finders’ fees or commissions claimed through the General Partners or their Affiliates in connection with the transactions.
contemplated hereby, including without limitation fees or commissions claimed by any syndicator or consultant engaged by the General Partners or any of their Affiliates. Fees payable to MMA are not covered hereby.

Section 13.13. Amendment

This Agreement may only be amended in writing signed by the General Partner, the Investor Limited Partner, the Special Limited Partner, and the Class B Limited Partner. All parties agree that no oral agreements or course of conduct of the parties shall be deemed to be an amendment to this Agreement unless in writing signed as described above. So long as the Fleet Pledge is outstanding, any amendment of those provisions herein of which Fleet, as Agent, is a third party beneficiary, or any other amendment to any other provision herein which would materially affect Fleet’s rights and priorities as Agent under the Fleet Pledge, shall require the prior written consent of Fleet. Fleet, as Agent, is an intended third party beneficiary of this section.

Insurance Requirements

I. General Insurance Requirements

The following are construction period and permanent insurance requirements. This outline describes the minimum types and amounts of insurance that are satisfactory to the Special Limited Partner:

i. Partnership’s Commercial General Liability Insurance (Bodily Injury and Property Damage);

ii. During the construction period, a special form, Builder’s Risk policy (written on a completed value form with an agreed value endorsement) and, thereafter, Partnership’s Property Insurance;

iii. Partnership’s Automobiles/Hired and Non-Owned Liability Insurance;

iv. Insurance for boiler and machinery (if applicable), in the amount of full replacement cost. To be written on a comprehensive form, and to include loss of rents with a maximum of “24 hour” deductible with a mechanical breakdown endorsement;

v. Insurance for flood if project is located within a 100-year flood plain (FEMA Flood Zone “A” – or any sub-designation of Zone “A”). Policies must be obtained through the National Flood Insurance Plan (NFIP) in an amount equal to the full replacement cost or, if that is not available, the maximum amount of insurance available under the NFIP with a deductible not to exceed 2% of the total insured value per building. An excess Flood or Difference in Conditions (DIC) policy should provide for the difference, if any, between the maximum limit provided by NFIP policies and the full insurable value. Flood policies must be in full effect for both the construction and permanent phases;

vi. If the project is located in Seismic Zones 3 or 4, a Seismic Report must be completed to determine Probable Maximum Loss (PML). If the PML is shown to have an expected seismic damage ratio of less than 20%, then earthquake coverage may be waived. If earthquake coverage is required, it must be in full effect for both construction and permanent phases in the amount not less than full insurable value;

vii. Windstorm is a generally accepted exclusion from “All-Risk” insurance policies, provided that a separate policy is obtained for that exclusion. The wind policy must include business income/rents loss coverage for a minimum of 12 months;
viii. Fidelity Bond in an amount not less than six (6) months of project’s gross rental receipts. Fidelity Bond coverage must be in full effect for both the construction and permanent phases;

ix. Management agent’s Workers’ Compensation and Employer’s Liability Insurance in the statutory amount;

x. During the construction period, General Contractor’s Commercial General Liability and Property Damage Insurance; Automobile/Hired and Non-Owned Liability; and Workers’ Compensation and Employer’s Liability Insurance;

xi. During the construction period, Architect’s Errors and Omissions (Professional Liability) Insurance is required;

xii. Ordinance and Law Coverage must be obtained when the project represents a non-conforming use under current building, zoning or land use laws or ordinances. Amount to cover loss of undamaged portion of the building at replacement cost, demolition cost (10% of replacement cost) and increased cost of construction (10% of the replacement cost); and

xiii. Terrorism coverage is required for all projects equal to or greater than $20 million. For projects under $20 million, terrorism coverage is an acceptable exclusion, but remains strongly encouraged.
Additional Insurance Items

- No commercial general liability insurance policy may contain an exclusion for loss or damage caused by mold, fungus, moisture, microbial contamination or pathogenic organisms, and no property insurance policy may contain an exclusion for loss or damage caused by mold, fungus, moisture, microbial contamination or pathogenic organisms in connection with another covered peril (e.g. mold in connection with water damage caused by storm or fire) unless the Special Limited Partner determines that the potential risk for material loss or damage as a result of such exclusions is minimal or that such insurance without those exclusions is unavailable or available only at a price that is not commercially reasonable, or it is not customary practice in the geographic region in which the Property is located to obtain such coverage for the type of construction involved.

- All carriers must be A or better rated according to A.M. Best & Company, with a Financial Size Category rating by A.M. Best of VIII or higher.

- All insurance binders, certificates, and policies for the Partnership’s insurance must name the Partnership as the named insured. All Partnership’s insurance must name the Investor Limited Partner and Special Limited Partner as an additional insured or loss payee as expressly indicated, under a customary form of lender’s or mortgagee’s clause, with a minimum of 30 days notice of cancellation. All architect’s and General Contractor’s insurance must name the Partnership as additional insured or loss payee as indicated.

- All policies shall provide for a minimum of 30 days prior written notice to the Special Limited Partner of cancellation, termination, or reduction of coverage except for non-payment of premium where ten (10) days notice shall be given.

- Please reference the name of the Property or the Partnership, including address, in the “description section” of the insurance certificate.

- Each Certificate/Binder must include a broker or agent contact name along with their phone and fax number.

- Special Limited Partner reserves the right to reasonably modify the insurance requirements as conditions warrant.

Re: Commerce Family Community, L.P., a Texas limited partnership (the "Partnership")

Gentlemen:

We have reviewed the pertinent portions of the Second Amended and Restated Agreement of Limited Partnership of the Partnership dated as of April 28, 2005 (the "Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Using information provided to us by the Partnership concerning Churchill at Commerce Apartments, an apartment complex located in Commerce, Texas (referred to herein as the "Project"), we have performed the following procedures:

We have compiled a statement of income and expenses for the three months ended ________, 20__.

We have obtained an annual budget prepared by the Project's management agent for the year ended December 31, 20__.

We have adjusted the statement to annualize all expenditures, including those of a seasonal or irregular nature which might reasonably be expected to be incurred on an unequal basis during a full annual period of operations. (Examples of such expenditures include debt service, reserve funding, maintenance, utilities, snow removal and real estate taxes.)

We have compared the budget for such period to the statement of actual results, and have made all inquiries we considered necessary with respect to any material variances.
We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership and the management agent.

We have determined that the Project, for each of three calendar months commencing on or after Final Closing, has achieved Breakeven, as that term is defined in the Partnership Agreement.

Copies of the calculations and adjustments we have made in reaching the determination above and of financial statements and budgets upon which such calculations are based are attached hereto.

Re: Commerce Family Community, L.P., a Texas limited partnership
(the “Partnership”)

Gentlemen:

We have reviewed the pertinent portions of the Second Amended and Restated Agreement of Limited Partnership of the Partnership among MMA Churchill at Commerce, LLC, a Delaware limited liability company (“MMAF”) and other parties dated as of April 28, 2005 (the “Partnership Agreement”). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Based upon information provided to us by the Partnership concerning Churchill at Commerce Apartments (an apartment complex located in Commerce, Texas, referred to herein as the “Project”), we have performed the following procedures.

We have compiled a statement of the development costs through __________, 200_ and the expected classification of each cost for tax purposes.

We have obtained a budget for the development costs from the Partnership.

We have compared the budget for such costs to the actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership.

We have determined that the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner will be $_________.
Furthermore, nothing has come to our attention to suggest that the data or assumptions on which the above determinations are based are incorrect or inappropriate.

In making these determinations, we have assumed that 90% of the apartment units in the Project will be "low-income units" as such term is defined in Section 42(i)(3) of the Internal Revenue Code of 1986, as amended, and have no reason to believe that such assumption is unwarranted.

Copies of the calculations we have made in reaching the determinations above and of the financial statements and budgets upon which such calculations are based are attached hereto.

Re: Commerce Family Community, L.P., a Texas limited partnership (the “Partnership”)

Gentlemen:

We have reviewed the pertinent portions of the Second Amended and Restated Agreement of Limited Partnership of the Partnership dated as of April 28, 2005 (the “Partnership Agreement”). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Using information provided to us by the Partnership concerning Churchill at Commerce Apartments (an apartment complex located in Commerce, Texas referred to herein as the “Project”), we have performed the following procedures:

We have compiled a statement of income and expenses for the _____ months ended __________, 20__.

We have obtained an annual budget prepared by the Project’s management agent for the year ended December 31, 20__.

We have adjusted the statement to annualize all expenditures, including those of a seasonal or irregular nature which might reasonably be expected to be incurred on an unequal basis during a full annual period of operations. (Examples of such expenditures include debt service, reserve funding, maintenance, utilities, snow removal and real estate taxes.)

We have compared the budget for such period to the statement of actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership and the management agent.
We have determined that the Partnership, for a period of _______ calendar months (and during each individual month) beginning on __________ 20___ (which date is subsequent to Final Closing) has achieved a Debt Service Coverage Ratio of ___%. Furthermore, nothing has come to our attention to suggest that the data or assumptions on which the above determination is based are incorrect or inappropriate.

Copies of the calculations and adjustments we have made in reaching the determination above and of financial statements and budgets upon which such calculations are based are attached hereto.

B. The obligation of the Investor Limited Partner to make each Installment (except as otherwise provided) is subject to each of the following conditions:

(i) The General Partners shall have properly completed, executed and delivered to the Investor Limited Partner a certificate relating to the appropriate remaining Installments (the “Payment Certificate”), in the forms attached hereto as Exhibits E through J, relating to the appropriate remaining Installments, dated the date such Installment is to be paid to the Partnership and attaching the Title Policy endorsement and any other materials referred to therein. In connection with the payment of each Installment, the Investor Limited Partner shall have the right to conduct a physical inspection of the Property to determine that the condition of the Project is consistent with sound business practices in the geographic area in which the Project is located, including no deferred maintenance. The Investor Limited Partner shall conduct such inspection within ten (10) business days of being requested to do so by the General Partner, provided, however, that the Investor Limited Partner will be deemed to waive such physical inspection requirement if it does not make such inspection within ten (10) business days of receipt of a written request by the General Partner to do so (which may be sent prior to the date of the Payment Certificate, but not more than ten (10) business days prior to the date of the Payment Certificate).

(ii) In the case of the First Installment, all Requisite Approvals to the admission of the Investor Limited Partner pursuant to this Agreement shall have been obtained and the Project shall have received a Credit Approval in the amount of at least $576,431 per annum (the "Annual Credit").

(vi) No Installment shall be payable unless all conditions for all prior Installments have been satisfied.

Section 5.2. Adjustment to Capital Contributions of Investor Limited Partner

The Capital Contribution of the Investor Limited Partner shall be subject to adjustment in the manner provided in this Section 5.2.

A. Federal Downward Basis Adjuster If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to which, the Adjusted Aggregate Federal Credit Amount properly allocable to the Investor Limited Partner during the Credit Period for all of the Buildings in the Project is or will be less than the Projected Aggregate Federal Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be reduced in the aggregate by the “Federal Adjustment Factor” (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Credit Amount is less than the Projected Aggregate Federal Credit Amount (the resulting product being referred to herein as the “Federal Adjustment Amount”). Prior to the release of the Fifth Installment, the “Adjustment Factor” shall be an amount equal to $0.845. From and after the release of the Fifth Installments, the “Adjustment Factor” shall be an amount equal to $0.914. The Federal Adjustment Amount shall be increased by 10% per annum commencing on the Admission Date and continuing until the payment of the amount of such reduction in full (for purposes of this sentence, any reduction effected by reduction in the amount of an Installment as provided in Section 5.2C shall be deemed to have been paid on the date on which such Installment shall actually become payable hereunder).

B. Federal Timing Adjuster If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to which, the amount of the Federal Tax Credits properly allocable to the Investor Limited Partner is less than $114,122 in 2005, $447,458 in 2006, and $576,373 in 2007 (the “Target Amounts”), then the Capital Contribution of the Investor Limited Partner shall be reduced by $0.60 for each $1.00 that the Federal Tax Credits properly allocable to the Investor Limited Partner is less than $114,122 in 2005, $447,458 in 2006, and $576,373 in 2007 (a "Federal Timing Adjustment"). Notwithstanding the foregoing, however, in the event that the Adjusted Aggregate Federal Credit Amount shall vary from the Projected Aggregate Federal Credit Amount in effect on the date of the Investment Closing, the Target Amounts for purposes of the preceding sentence shall be adjusted by the same percentage by which the Adjusted Aggregate Federal Credit Amount varies from the Projected Aggregate Federal Credit Amount.
C. Payment of Federal Adjustments. Any Federal Adjustment Amount (as increased pursuant to the last sentence of Section 5.2A) or Federal Timing Adjustment shall be applied first to reduce the amount of any unpaid portions of the Installments of the Capital Contribution of the Investor Limited Partner, in order, by a corresponding amount. If the aggregate Federal Adjustment Amount (as increased pursuant to the last sentence of Section 5.2A) and Federal Timing Adjustment exceeds the amount of such unpaid Installments, then the General Partners shall make a payment (a "Federal Tax Credit Shortfall Payment") to the Investor Limited Partner in the amount of such excess within thirty (30) days of the date of the determination in question. Unless the treatment thereof as a Capital Contribution is approved in writing by the Investor Limited Partner in its sole discretion, any such Federal Tax Credit Shortfall Payment by the General Partners shall not constitute a Capital Contribution, loan or advance to the Partnership and shall not be reimbursable by the Partnership, but shall be treated as a payment by the General Partners to the Investor Limited Partner for breach of warranty by the General Partners to the Investor Limited Partner. If full payment of such excess amount is not received within such thirty (30)-day period, the unpaid balance shall thereafter bear interest at the Designated Prime Rate.

D. Provisional Adjustments. If, upon receipt by the Investor Limited Partner of a Payment Certificate with respect to any Installment, the Investor Limited Partner shall have a reasonable basis to believe that the amount of such Installment would have been subject to reduction if the Accountants had made a current determination or projection under Section 5.2A or 5.2B above, the Investor Limited Partner may so notify the General Partners within seven (7) business days of receipt of such Payment Certificate, and the General Partners shall thereupon engage the Accountants to make such determination or projection (unless the General Partners and Investor Limited Partner shall mutually agree upon the adjustments to be made). The amount of the Installment in question shall then be provisionally reduced in accordance with such projection or agreement; provided, however, that if the Accountants’ subsequent determinations with respect to matters provisionally reduced under this paragraph shall vary from the determinations or mutual agreements described herein, then either (i) the Investor Limited Partner shall promptly pay to the Partnership the amounts, if any, by which the provisional reduction exceeded the reduction as subsequently determined or (ii) the amount, if any, by which the reduction as subsequently determined exceeded the provisional reduction shall be applied against future Installments or refunded as provided in Section 5.2C above. The due date for payment by the Investor Limited Partner of any Installment which shall become the subject of the procedure described in this paragraph shall be tolled pending determination of the provisional reduction (if any) as provided herein.

E. Federal Upward Basis Adjuster. If at any time and from time to time the Accountants shall determine or there shall be a Final Determination that the Adjusted Aggregate Federal Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be increased in the aggregate by the "Federal Increase Factor" (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Credit Amount. The "Federal Increase Factor" shall be an amount equal to $0.845 for every $1.00 by which the Adjusted Aggregate Federal Credit Amount exceeds the Projected Aggregate Federal Credit Amount. In no event shall any
increase in the Investor Limited Partner’s Capital Contribution pursuant to this Section 5.2E exceed $500,000. Such increase in the Investor Limited Partner’s Capital Contribution shall be payable at the time of the payment of the Seventh Installment. Notwithstanding the foregoing, in the event that, through the Completion Date: (1) the amount of interest income allocated to the Investor Limited Partner exceeds the deductible investment interest expense allocated to the Investor Limited Partner (the “Net Interest Income”), then the increased Capital Contribution payable under this Section 5.2E shall be reduced by an amount equal to 40% of any Net Interest Income.

Section 5.3. Repurchase of Investor Limited Partner’s Interest

A. The General Partner hereby agrees to purchase the Interest of the Investor Limited Partner if any of the following events shall occur:

   (i) Final Closing and Permanent Mortgage Commencement shall not have taken place on or before June 1, 2007, provided, however, that such date may be automatically extended for a period of up to twelve (12) months to the extent the expiration dates set forth in the Project Documents shall have been extended beyond such date; or

   (ii) at any time prior to the Development Obligation Date, (1) any action to foreclose any Mortgage shall have been commenced and such action is not terminated or withdrawn within ninety (90) days or a binding agreement with the holder(s) thereof to effect the same entered into within such period, and any notice of acceleration of indebtedness waived or withdrawn; (2) any action is commenced to foreclose any mechanics’ or any other lien (other than the lien of any Mortgage) against the Project and such action has not within ninety (90) days been either bonded against in such a manner as to preclude the holder of such lien from having recourse to the Property or to the Partnership for payment of any debt secured thereby, or affirmatively insured against by the title insurance policy or an endorsement thereto issued to the Partnership by a reputable title insurance company (which insurance company will not have indemnity from or recourse against Partnership assets by reason of any loss it may suffer by reason of such insurance) in an amount satisfactory to Special Tax Counsel; (3) construction or operation of the Project shall have been enjoined by a final order (from which no further appeals are possible) of a court having jurisdiction and such injunction shall continue for a period of ninety (90) days; (4) any of the Forward Commitments is terminated, withdrawn or becomes unenforceable (except as a result of full performance thereof in accordance with its terms) and such Forward Commitment is not reinstated (or replaced on terms at least as favorable to the Partnership) within ninety (90) days; (5) a casualty occurs resulting in substantial destruction of more than 50% of the Project, or there is substantial destruction of less than 50% of the Project and the insurance proceeds (if any) are insufficient to restore the Project or the Project is not so restored within twenty-four (24) months following such casualty; or (6) the Project shall become ineligible for 50% or more of the low-income housing tax credit anticipated to be generated by the Project, as calculated on the basis of the information set forth in the Investment Assumptions; or
(iii) any Lender or Agency shall disapprove, or fail to give a required approval of, the Investor Limited Partner as a Partner of the Partnership.

B. If any such event set forth in Section 5.2A shall occur, the General Partners shall give notice to the Investor Limited Partner and the Class B Limited Partner of the obligations of the Class B Limited Partner hereunder to purchase the Investor Limited Partner's Interest (such obligation being herein called a "Purchase Obligation" and such notice the "Purchase Obligation Notice") within fifteen (15) days after the occurrence of any event giving rise to such obligation. If the Investor Limited Partner elects to sell its Interest hereunder, it shall give the General Partners and the Class B Limited Partner notice of such election (an "Election Notice") within thirty (30) days after such Purchase Obligation Notice from the General Partners is received by the Investor Limited Partner (or, in the event that such Purchase Obligation Notice from the General Partners is not given, at any time after the occurrence of such event).

C. Within thirty (30) business days after delivery to the General Partners and the Class B Limited Partner of an Election Notice from the Investor Limited Partner, the Class B Limited Partner shall pay the Investor Limited Partner a purchase price (the "Purchase Price") in cash (with interest thereon at the Designated Prime Rate commencing on the fifth (5th) day following the date of such delivery) equal to (i) the sum of (a) 110% of the Investor Limited Partner's Net Capital Contribution (whether or not theretofore paid-in to the Partnership), plus (b) the amount of any interest or penalties payable in connection with any recapture of tax credits allocated to the Investor Limited Partner pursuant to the Partnership Agreement less (ii) the sum of (a) that portion of the Net Capital Contribution which has not theretofore been paid-in to the Partnership, (b) the amount of Cash Flow theretofore distributed by the Partnership in respect of the Investor Limited Partner's Interest and (c) the amount of any tax credits allocable to the Interest which will not be recaptured as a result of the disposition of said Interest or otherwise.

D. Upon the giving of its Election Notice, the Investor Limited Partner shall have no further obligations under this Agreement, and the General Partners and Class B Limited Partner shall indemnify and defend the Investor Limited Partner and hold it harmless against any such obligations. The General Partners and the Class B Limited Partner shall take all action and shall pay all costs necessary to enable the Investor Limited Partner to receive and retain the Purchase Price as against any creditor of any General Partner, the Class B Limited Partner or the Partnership. Notwithstanding the purchase by the Class B Limited Partner of the Interest of the Investor Limited Partner pursuant to Section 5.2A, to the extent permitted under the applicable provisions of the Code, the Investor Limited Partner shall be allocated any profits or losses and tax credits in respect of said Interest for the period prior to the date of the receipt by the Investor Limited Partner of payment therefor. Anything herein to the contrary notwithstanding, title to the Interest of the Investor Limited Partner shall not vest in the General Partners until payment in full of the Purchase Price therefor. Upon such payment, the General Partners shall forthwith cause an amendment hereto and to the Certificate and any other necessary papers to be executed, filed, recorded and published wherever required showing such substitution.

E. No agreement affecting the Project shall prevent the exercise by the Investor Limited Partner of its right to require the purchase by the Class B Limited Partner of its Interest in the manner described in this Section 5.2.
F. The Investor Limited Partner shall have the right to waive its right to have its Interest repurchased at any time during which any of such rights shall be in effect. Any such waiver shall be exercised by delivery to the General Partners and the Class B Limited Partner of a written notice stating under which clause(s) of this Section it is waiving its right to have its Interest repurchased and that its rights thereunder are thereby irrevocably waived from that date forward.

G. Should any Class B Limited Partner repurchase the Interest of the Investor Limited Partner pursuant to this Section 5.2, then the Special Limited Partner agrees to withdraw from the Partnership at the same time as the Investor Limited Partner's withdrawal is effective.

Section 5.4. Default of Investor Limited Partner

A. In the event that the Investor Limited Partner shall fail to pay an Installment in full when due in accordance with this Agreement, the Partnership shall give written notice to such defaulting Limited Partner (the "Defaulting Limited Partner"), who shall have thirty (30) days after such notice to make such payment. If the Defaulting Limited Partner fails to make such payment within such period, then such failure shall constitute a default by the Defaulting Limited Partner under this Agreement and all unpaid future Capital Contributions shall be immediately payable and the Partnership shall have the following rights and remedies, to be exercised as determined by the General Partner, without need for Consent of the Defaulting Limited Partner or the Special Limited Partner, each of which remedies shall be cumulative and concurrent and may be pursued separately, successively, or together except as is otherwise provided in this Section, and such rights and remedies may be exercised as often as occasion therefor shall arise, all to the maximum extent permitted by the laws of the State of Texas.

   (i) Sale of Interest. After the notice of default by the Partnership and expiration of the thirty (30) day cure period described above, the Partnership may elect, upon ten (10) days' written notice to the Investor Limited Partner, to sell the Investor Limited Partner's Interest in the Partnership. In connection with such sale, the General Partner agrees to use reasonable best efforts to obtain the highest price for the Investor Limited Partner's Interest. The Investor Limited Partner shall receive any remaining net proceeds of such sale after satisfaction of the obligations of the Investor Limited Partner hereunder.

   (ii) Actions for Specific Performance. At any time, after the notice of default by the Partnership and after expiration of the thirty (30) day cure period described above, the Partnership may pursue any or all of the rights and remedies available to the Partnership by law or as provided in this Agreement, including suits, to recover all future Capital Contributions, interest thereon, and reasonable costs and expenses, including reasonable attorney's fees, incurred in collecting such amounts. The Partnership may pursue any such action or proceeding simultaneously with the Partnership's exercise of its rights under subsection (i) above.

   (iii) Interest. After default by the Partnership, the defaulted future Capital Contributions will bear interest at the Designated Prime Rate plus one
percent (1%) until paid in full, and such interest will be paid by Investor Limited Partner as demanded by the Partnership.

(iv) Certain Disputes. Notwithstanding the foregoing, this Section 5.3 shall not apply, and the Investor Limited Partner shall not be deemed to be in default hereunder, in the event a bona fide dispute exists as to the satisfaction of any condition to the payment of an Installment. If such a dispute exists, such dispute shall be submitted during the thirty (30)-day period described above for non-binding mediation and then Arbitration in Dallas, Texas, in accordance with the rules of the American Arbitration Association, and if the arbitrator (the “Arbitrator”) finds that all conditions to the disputed Installment were satisfied, the Investor Limited Partner agrees that it will immediately pay the full amount of the disputed Installment to the Partnership together with interest as described above; provided, however, that (1) any finding by the Arbitrator shall not be final or binding; (2) the Investor Limited Partner or the General Partner, as the case may be, shall have the right, only after payment of the amounts described above, to challenge the Arbitrator’s finding in a court of competent jurisdiction; and (3) in no event shall the payment by the Investor Limited Partner of the disputed Installment be construed as a waiver of such right. The General Partner’s rights under this Section 5.3 shall not apply unless the Investor Limited Partner fails to pay the full amount of the disputed Installment within ten (10) days following a finding by the Arbitrator that all conditions to the disputed Installment were satisfied (regardless of whether the Investor Limited Partner has exercised its right to challenge the Arbitrator’s finding pursuant to (2) above). If the Investor Limited Partner fails to pay such amounts within such ten (10) day period, the Investor Limited Partner shall not be entitled to exercise its rights under (2) above and the finding by the Arbitrator shall be deemed final and binding. In addition to the requirements set forth above, testimony during Arbitration shall be limited to three (3) days per party and the prevailing party shall be entitled to reimbursement for any attorney’s fees incurred in connection with such Arbitration.

B. Notwithstanding the above, in order to secure the performance of the Investor Limited Partner’s obligation to make Capital Contributions under this Agreement (subject to the default and adjustment provisions herein), the Investor Limited Partner has granted to the Partnership a security interest in the Investor Limited Partner’s Interest in the Partnership. The Investor Limited Partner hereby represents that the security interest granted is a first security interest in the collateral described subject and subordinate, if applicable, to the Bond Loan. The Partnership will not take any action to foreclose against such security interest prior to thirty (30) days written notice received by the Investor Limited Partner (the “Notice Period”). Further, if the Investor Limited Partner contests such action within the Notice Period giving written protest setting forth the basis of its objections (the “Protest Notice”), then the matter will be submitted to binding arbitration as set forth herein. If the Investor Limited Partner does not contest such action within the Notice Period by Protest Notice, then the Partnership may proceed, however, the Investor Limited Partner will be given a reasonable opportunity to appear and bid at any public or private sale of such Interest, or of any part thereof.
This agreement shall constitute the grant by the Investor Limited Partner and the Special Limited Partner of a security interest in the entire Interest in the Partnership and for purposes hereof the Special Limited Partner's Interest shall be deemed included within the Investor Limited Partner's interest. The Partnership acknowledges that such security interest shall only secure the Investor Limited Partner's obligation to make Capital Contributions in accordance with the terms hereof. The Partnership shall be entitled to file a UCC to reflect the terms hereof. The Partnership acknowledges that the Investor Limited Partner has pledged its Interest to Fleet National Bank ("Fleet"), as described in Section 8.1D hereof. The Partnership agrees that, notwithstanding any contrary provision herein, it will give Fleet written notice at the following address: Fleet National Bank, Mail Code: MADE10304X, One Federal Street, Boston, MA 02110, Attention: John F. Simon, Vice President of any default by the Investor Limited Partner hereunder, and further agrees that Fleet will have sixty (60) days from its receipt of such notice to cure any such default prior to the Partnership's exercising any of its rights and remedies hereunder or otherwise at law or in equity, including, without limitation, its right to sell the Interest hereunder. Fleet may cure any such default by paying only the Installment or Installments for which the conditions to payment set forth in Section 5.1 hereof have then been satisfied. Fleet is an intended third party beneficiary of this Section 5.4B.

Section 5.5. Redemption of Partnership Interest.

The Investor Limited Partner shall have the right, exercised by giving written notice to the Partnership (with a copy to the Servicing Agent) within one hundred eighty (180) days following the end of the Compliance Period, to require the Partnership to redeem the Interest of the Investor Limited Partner for a redemption price of $100, and the Partnership shall promptly so redeem such Interest, whereupon the Investor Limited Partner shall cease to be a Partner and shall have no further rights, duties or obligations with respect to the Partnership or any of the other Partners.

ARTICLE VI

Rights, Powers and Duties of the General Partners

Section 6.1. Restrictions on Authority

A. Notwithstanding any other provisions of this Agreement, the General Partners shall have no authority to perform any act in respect of the Partnership or the Project in violation of (i) any applicable law or regulation or (ii) any agreement between the Partnership and any Lender or Agency.

B. The General Partners shall not have any authority to do any of the following acts without the Consent of the Investor Limited Partner and the Class B Limited Partner and any Requisite Approvals:

(i) to incur indebtedness for money borrowed on the general credit of the Partnership, except as specifically permitted by Article IX, or

(ii) following completion of construction of the Improvements, to construct any new capital improvements, or to replace any existing capital
improvements if construction or replacement would substantially alter the use of the Property, or

(iii) to acquire any real property in addition to the Property (other than easements or similar rights necessary or convenient for the operation of the Project), or

(iv) to cause the Partnership to make any loan or advance to any Person (for purposes of this clause 6.1B(iv), accounts receivable in the ordinary course of business from Persons other than the General Partners or their Affiliates shall not be deemed to be advances or loans), or

(v) to lease any Low Income Unit to other than Qualified Tenants or otherwise operate the Project in such a manner or take any action which could cause any Low Income Unit to fail to be treated as a qualified low-income housing unit under Section 42(j)(3) of the Code or which would cause the recapture by the Partnership of any low-income housing credit under Section 42 of the Code, or

(vi) to amend any Project Document, or to permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, the General Partners or their Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, the Investor Limited Partner (notwithstanding that the Investor Limited Partner is neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective), or

(vii) to obtain, increase, refinance or materially modify any Mortgage Loan after Investment Closing or to sell or convey the Property or any substantial portion thereof, except as provided in Article IX, and except that the General Partners may cause the Partnership to grant easements and similar rights affecting the Land to obtain utility services for the Project or for other purposes necessary or convenient for the operation of the Project, or

(viii) to apply for or accept any grant funds on behalf of the Partnership regardless of the source of the grant which consent will not unreasonably withheld provided there are no adverse tax consequences, or

(ix) to cause the Partnership to commence a proceeding seeking any decree, relief, order or appointment in respect to the Partnership under the federal bankruptcy laws, as now or hereafter constituted, or under any other federal or state bankruptcy, insolvency or similar law, or the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) for the Partnership or for any substantial part of the Partnership's business or property, or to cause the Partnership to consent to any such decree, relief, order or appointment initiated by any Person other than the Partnership, or
(x) to pledge or assign any of the Capital Contribution of the Investor Limited Partner or the proceeds thereof, or

(xi) to amend any of the Related Agreements, or

(xii) to permit the merger, termination or dissolution of the Partnership,

or

(xiii) to approve any changes to the plans and specifications for the Project which would result, either individually or in the aggregate, in an overall development cost increase or decrease in excess of $75,000 (provided, however, that any Consent of the Investor Limited Partner required under this clause (xii) shall not be unreasonably withheld.) or

(xiv) to take any action which would cause the Property or any part thereof to be treated as tax exempt use property within the meaning of Section 168(h) of the Code.

C. The General Partners shall not (a) cause the Partnership to utilize Cash Flow to acquire interests in other limited partnerships or (b) cause the Partnership to invest the proceeds of any sale or refinancing of the Project unless a sufficient portion thereof is distributed to the Investor Limited Partner to enable each limited partner thereof, assuming that it is in a combined federal, state and local marginal income tax bracket of 40%, to pay the federal, state and local income tax liability arising from the sale or refinancing which generated such proceeds, and in any event sale or refinancing proceeds shall not be reinvested without the Consent of the Investor Limited Partner.

D. Any Partner may engage independently or with others in other business ventures of every nature and description including, without limitation, the ownership, operation, management, and development of real estate, regardless of whether such real estate directly competes with the Project, and neither the Partnership nor any Partner shall have any rights by reason of this Agreement in and to such independent ventures.

Section 6.2. Tax Matters Partners

A. The Managing General Partner is hereby designated as the Tax Matters Partner for the Partnership. Upon the Retirement of the Person serving as the TMP (the “Retired TMP”), the Partnership shall designate a successor TMP in accordance with Treasury Regulation Section 301.6231(a)(7)-1(T) or any successor Regulation, but such designee shall not become the TMP until the designation of such Person has been approved by Consent of the Investor Limited Partner. Such successor TMP shall notify the Service of its designation as such for such year as well as for all prior years for which the Retired TMP served in such capacity.

B. The TMP shall employ experienced tax counsel to represent the Partnership in connection with any audit or investigation of the Partnership by the Service, and in connection with all subsequent administrative and judicial proceedings arising out of such audit. The fees and expenses of such counsel shall be a Partnership expense and shall be paid by the Partnership. Such counsel shall be responsible for representing the Partnership; it shall be the responsibility of
the General Partners and of the Investor Limited Partner, at their own expense, to employ tax
counsel to represent their respective separate interests.

C. The TMP shall keep the Partners informed of all administrative and judicial
proceedings, as required by Section 6223(g) of the Code, and shall furnish to each Partner who
so requests in writing, a copy of each notice or other communication received by the TMP from
the Service (except such notices or communications as are sent directly to such requesting
Partner by the Service). All reasonable third party costs and expenses incurred by the TMP in
serving as the TMP shall be Partnership expenses and shall be paid by the Partnership.

D. The TMP shall have no authority, without the Consent of the Investor Limited
Partner, to (i) enter into a settlement agreement with the Service which purports to bind Partners
other than the TMP, (ii) file a petition as contemplated in Section 6226(a) or 6228 of the Code,
(iii) intervene in any action as contemplated in Section 6226(b) of the Code, (iv) file any request
contemplated in Section 6227(b) of the Code, (v) enter into an agreement extending the period of
limitations as contemplated in Section 6229(b)(1)(B) of the Code or (vi) take any other
substantial action which would affect the Investor Limited Partner.

E. The relationship of the TMP to the Investor Limited Partner is that of a fiduciary,
and the TMP hereby acknowledges its fiduciary obligation to perform its duties in such manner
as will serve the best interests of the Partnership and the Investor Limited Partner.

F. The Partnership shall indemnify the TMP (including the officers and directors of a
corporate TMP) against judgments, fines, amounts paid in settlement and expenses (including
attorneys' fees) reasonably incurred by the TMP in any civil, criminal or investigative proceeding
in which the TMP is involved or threatened to be involved by reason of being the TMP, provided
that the TMP acted in good faith, within what it reasonably believed to be in the best interests of
the Partnership or its Partners. The TMP shall not be indemnified under this provision against
any liability to the Partnership or its Partners to any greater extent than the indemnification
allowed by Section 6.6 of this Agreement. The indemnification provided by this subparagraph
shall not be deemed exclusive of any other rights to which those indemnified may be entitled
under any applicable statute, agreement, vote of the Partners, or otherwise.

Section 6.3. Business Management and Control; Designation of Managing General
Partner; Tax Matters Partner; Certain Rights of the Special Limited
Partner

A. The General Partners shall have the exclusive right to manage the business of the
Partnership in accordance with this Agreement. No Limited Partner shall have any authority or
right to act for or bind the Partnership.

B. The powers and duties of the General Partners hereunder may be exercised in the
first instance by one or more Managing General Partners. Each Managing General Partner is
hereby authorized to execute and deliver in the name and on behalf of the Partnership all such
documents and papers (including any required by any Lender or Agency) as such Managing
General Partner deems necessary or desirable in carrying out such duties hereunder. PWA-2004
G.P., LLC, is hereby designated as the initial Managing General Partner; if such Person shall
become unable to serve in such capacity or shall cease to be a General Partner, the remaining
General Partners may from time to time designate from among themselves by consent one or more substitute or additional Managing General Partners. If for any reason no designation is in effect, the powers of the Managing General Partners shall be exercised by the majority consent of the remaining General Partners. A designation of a successor as Managing General Partner or the designation of an additional Managing General Partner pursuant to Section 7.3 or 7.5 shall supersede any designation or other exercise of rights pursuant to this Section 6.3B.

C. In the event that (i) the Partnership is in material default of any of its obligations under the Project Documents, which default, in the reasonable judgment of the Special Limited Partner, threatens an assignment or foreclosure of any Mortgage, (ii) any General Partner, Developer or Guarantor is in default in any material respect under any of its obligations under this Agreement or any of the Related Agreements, (iii) a Recapture Event involving five or more units shall have occurred, (iv) a sole General Partner shall Retire, (v) an Event of Bankruptcy shall have occurred as to a General Partner, the Developer or any Guarantor or, (vi) the General Partner or its Affiliate shall have committed fraud or breach of fiduciary duty, the Special Limited Partner may, at its election, give notice of such default or event to the then General Partners, if any, and, (a) in the case of a default, if such default is not cured within ten (10) business days (or cured within a reasonable time in the event it is impossible to cure such default within such ten (10)-day period, provided that the General Partner is diligently and in good faith seeking to cure such default and there has been no assignment of or institution of proceedings to foreclose any Mortgage), or (b) in the event of such Retirement, Recapture Event or Event of Bankruptcy, promptly after the occurrence of such event, the Special Limited Partner or any Entity of which a majority of the stock or beneficial interest is owned, directly or indirectly, by the Special Limited Partner or MMA, may, with the Consent of the Investor Limited Partner (with a copy to the Servicing Agent), elect to become an additional General Partner with all the rights and privileges of a General Partner. The Special Limited Partner shall provide the General Partners with true and correct copies of the written instruments evidencing such Consent of the Investor Limited Partner within ten (10) days after the Special Limited Partner's receipt thereof. Upon such election by the Special Limited Partner or such Entity and such Consent, the Special Limited Partner or such Entity shall automatically become and shall be deemed a General Partner and each Partner hereby irrevocably appoints the Special Limited Partner (with full power of substitution) as the attorney-in-fact of such Partner for the purpose of executing, acknowledging, swearing to, recording and/or filing any amendment to this Agreement and the Certificate necessary or appropriate to confirm the foregoing. If the Special Limited Partner or such Entity shall become an additional General Partner as herein stated, its Interest shall not be increased thereby (except that the Special Limited Partner may assign its Interest to such Entity). In the event of the admission of the Special Limited Partner or such Entity as a General Partner pursuant to this Section 6.3, and if there are then any other General Partners, the Special Limited Partner or such Entity shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them.

Section 6.4. Duties and Obligations of the General Partners

A. The General Partners shall use their reasonable best efforts to carry out the purposes, business and objectives of the Partnership, and shall devote to Partnership business
such time and effort as may be reasonably necessary to (i) supervise the activities of the Management Agent, (ii) make inspections of the Project to determine if the Project is being properly maintained and that necessary repairs are being made thereto, (iii) prepare or cause to be prepared all reports of operations which are to be furnished to the Partners by any Lender or Agency, (iv) with the Consent of the Investor Limited Partner, elect to defer the commencement of the credit period for all or any portion of the low-income housing tax credit allowable to the Partners under Section 42(g) of the Code, to the extent that any such deferral may be in the best economic interest of the Investor Limited Partner, (v) cause the Project to be insured in accordance with the requirements set forth in Exhibit C and (vi) cause the Partnership and the Project to comply in all material respects with each of the representations and covenants of the applicant set forth in the Tax Credit Application.

B. Subject to the Project Documents and the requirements of Section 42 of the Code, the General Partners shall use reasonable efforts consistent with sound management practice to maximize income produced by the Project, including, if necessary, seeking any necessary approvals of, and implementing, appropriate adjustments in the rent schedule of the Project.

C. The General Partners shall timely execute and record in the appropriate Filing Office an Extended Use Agreement which satisfies all of the requirements of Section 42(h)(6) of the Code. The General Partners shall hold for occupancy such percentage of the apartments in the Project in such a manner as to qualify the entire Project as a “qualified low income housing project” under Section 42(g) of the Code as interpreted from time to time in regulations and rulings promulgated thereunder. The General Partners shall not take any action which would cause the termination or discontinuance of the qualification of the Project as a “qualified low income housing project” under Section 42(g) of the Code or which would cause the recapture of any low income housing tax credit under the Code without the Consent of the Investor Limited Partner.

D. The General Partners shall prepare and submit to the Secretary of the Treasury (or any other Agency designated for such purpose), on a timely basis, any and all annual reports, information returns and other certifications and information and shall take any and all other action required (i) to insure that the Partnership (and its Partners) will continue to qualify for the low-income housing credit described in Section 42 of the Code for all Low Income Units and (ii) unless the Consent of the Investor Limited Partner is received to act otherwise in a particular instance, to avoid recapture of such credit for failure to comply with the requirements of Section 42 of the Code.

E. Except as provided in or contemplated by the Forward Commitments and the Mortgage Loan Documents, the General Partners agree that neither they nor any Related Person will at any time bear the Economic Risk of Loss for payment or performance of any Mortgage Loan. Each General Partner agrees that it will not cause any Limited Partner at any time to bear the Economic Risk of Loss for payment or performance under any Note or Mortgage. Each Limited Partner agrees not to take any action which would cause it to bear the Economic Risk of Loss for payment of any Mortgage Loan.

F. The General Partners shall have fiduciary responsibility for the safekeeping and use of all funds and assets of the Partnership, whether or not in their immediate possession or
control. The General Partners shall not employ, or permit another to employ, such funds or assets in any manner except for the exclusive benefit of the Partnership.

G. No General Partner shall contract away the fiduciary duty owed at common law to the Limited Partners.

H. [Reserved].

I. The General Partners shall (i) not store (except in compliance with applicable Hazardous Waste Laws) or dispose of any Hazardous Material at the Project; (ii) neither directly nor indirectly transport or arrange for the transport of any Hazardous Material (except in compliance with applicable Hazardous Waste Laws); (iii) provide the Limited Partners with written notice (x) upon any General Partner's obtaining knowledge of any potential or known release, or threat of release, of any Hazardous Material at or from the Project; (y) upon any General Partner's receipt of any notice to such effect from any federal, state, or other governmental authority; and (z) upon any General Partner's obtaining knowledge of any incurrence of any expense or loss by any such governmental authority in connection with the assessment, containment, or removal of any Hazardous Material for which expense or loss any General Partner may be liable or for which expense or loss a lien may be imposed on the Project.

J. The General Partner shall establish a reserve account for capital replacements (the “Replacement Reserve”), which account shall be funded by deposits of $200 per unit per year (or such greater amount as may be required by any Lender or, subject to any Requisite Approvals, such lesser amount as shall be approved in writing by the Special Limited Partner from time to time) commencing on the Completion Date. Withdrawals from such reserve shall be utilized solely to fund capital repairs and improvements deemed necessary by the General Partner and the Class B Limited Partner.

K. The General Partners, with the advice and Consent of the Investor Limited Partner shall take such actions as may be necessary (after giving effect to applicable provisions of the Development Agreement) to assure that 50% or more of the aggregate basis of the Buildings (including site improvements) and the Land is financed with an obligation the interest on which is exempt from tax under Section 103 of the Code and which is within the State's volume cap.

L. In the event that the Investor Limited Partner shall give notice to the General Partner that in the reasonable judgment of the Investor Limited Partner depreciation deductions will no longer be allocated to the Investor Limited Partner as a result of the treatment of the Development Amount as a Partner Nonrecourse Debt (“Related Party Financing”), then the General Partner shall take all such action as may be necessary to assure that any outstanding balance of such Related Party Financing shall constitute a Partnership Nonrecourse liability and the Investor Limited Partner shall give its Consent to allow the General Partners to take all necessary action, provided such action does not have any negative tax consequences for the Partnership or the Investor Limited Partner. One such action shall be the assignment of the outstanding balance of such Related Party Financing to an entity which is not a Related Person.

M. The General Partners shall cause all leases of dwelling units in the Project to contain a provision obligating tenants to notify the Management Agent immediately of any suspected water leaks, moisture problems or mold in dwelling units or common areas of the
Project. In addition, the General Partners shall furnish such reports and implement such actions, if any, required under the provisions of Section 12.1J.

N. The Class B Limited Partner shall deliver to the Investor Limited Partner copies of all draw requests and reports by the Inspecting Architect submitted to the Servicing Agent and Bond Lender in connection with construction of the Project.

Section 6.5. Representations, Warranties and Covenants: Certain Indemnities

A. The General Partners hereby represent and warrant to the Investor Limited Partner that the following are true as of the date hereof, will be true on the due date for payment of each Installment and at all times hereafter:

(i) The Partnership is a duly organized limited partnership validly existing under the laws of the State and has complied with all recording requirements with each proper governmental authority necessary to establish the limited liability of the Limited Partners as provided herein.

(ii) No litigation or proceeding against the Partnership, any General Partner or the Builder, nor any other litigation or proceeding directly affecting the Project, is pending before any court, administrative agency or other governmental authority which would, if adversely determined, have a material adverse effect on the Partnership, any General Partner, Guarantor, the Builder, the Developer or their respective businesses or operations, except for such matters as to which the likelihood of such a determination adverse to the Partnership is, in the opinion of Partnership Counsel or other counsel acceptable to the Investor Limited Partner, remote.

(iii) No default by any General Partner, any Affiliate thereof having any relationship with the Project, or the Partnership, in any material respect has occurred or is continuing (nor has there occurred any continuing event which, with the giving of notice or the passage of time or both, would constitute such a default in any material respect) under any of the Project Documents.

(iv) The Project Documents are in full force and effect (except to the extent fully performed in accordance with their respective terms).

(v) All reserves are fully funded to the extent currently required by the Project Documents and this Agreement.

(vi) No Partner or Related Person bears the Economic Risk of Loss with respect to the indebtedness evidenced by any Note and secured by any Mortgage, except to the extent contemplated by the Project Documents as they exist on the date of this Agreement.

(vii) [Reserved]
(viii) The Partnership owns the fee simple interest in the Property and has good and indefeasible title thereto, free and clear of any liens, charges or encumbrances other than the Mortgages, matters set forth in the Title Policy delivered at Investment Closing, encumbrances the Partnership is permitted to create under Sections 2.4 and 6.1, and mechanics' or other liens which have been bonded or insured against in such a manner as to preclude the holder of such lien or such surety or insurer from having any recourse to the Property or the Partnership for payment of any debt secured thereby. None of the liens, charges, encumbrances or exceptions set forth in the Title Policy delivered at Investment Closing has or will have a material adverse effect upon the construction or operation of the Project.

(ix) The execution and delivery of all instruments and the performance of all acts heretofore or hereafter made or taken or to be made or taken, pertaining to the Partnership or the Property by any General Partner or an Affiliate thereof which is a corporation or limited liability company have been or will be duly authorized by all necessary action, and the consummation of any such transactions with or on behalf of the Partnership will not constitute a breach or violation of, or a default under, the organizational documents of any such Entity or any agreement by which any such Entity or any of its properties is bound, nor constitute a violation of any law, administrative regulation or court decree. Each such Entity is duly organized and validly existing under the law of the state of its incorporation.

(x) No General Partner is in default in any material respect in the observance or performance of any provision of this Agreement to be observed or performed by such General Partner.

(xi) The Related Agreements are in full force and effect and no default by any party thereto (other than the Investor Limited Partner or its Affiliates) has occurred or is continuing thereunder (nor has there occurred any event which, with the giving of notice or the passage of time, or both, would constitute such a default in any material respect thereunder).

(xii) No Event of Bankruptcy has occurred and is continuing with respect to the Partnership, any General Partner, any Guarantor or the Developer.

(xiii) The Project will qualify on and after the Completion Date as a “qualified low-income housing project” under Section 42(g) of the Code and all Low Income Units in the Project will qualify as “low income units” under Section 42(i)(3) of the Code.

(xiv) All tax returns, financial statements, Schedules K-1 and reports due under Sections 12.1B and 12.1E have been properly filed and/or transmitted, as applicable.

(xv) No General Partner, or Person for whose conduct any General Partner is or was responsible has ever: (i) directly or indirectly transported, or
arranged for transport, of any Hazardous Material (except if such transport was or is at all times in compliance with applicable Hazardous Waste Laws); (ii) caused or was legally responsible for any release or threat of release of any Hazardous Material; (iii) received notification from any federal, state or other governmental authority of (x) any potential, known, or threat of release of any Hazardous Material from the Project; or (y) the incurrence of any expense or loss by any such governmental authority or by any other Person in connection with the assessment, containment, or removal of any release or threat of release of any Hazardous Material from the Project.

(xvi) To the best of the General Partner's knowledge, no Hazardous Material was ever or is now stored on, transported or disposed of on the Land (except to the extent any such storage, transport or disposition was at all times in compliance with all Hazardous Waste Laws).

(xvii) No General Partner, Affiliate of a General Partner, shareholder of a General Partner, director of a General Partner, officer of a General Partner or manager of a General Partner has ever (i) been convicted of a crime; (ii) had a judgment entered against them for fraud, willful misconduct or breach of fiduciary duty; or (iii) been sanctioned by HUD, the Securities and Exchange Commission or any other government agency.

(xviii) There are currently no criminal or civil actions or administrative proceedings pending against the General Partners or their Affiliates, shareholders, directors, officers or managers.

(xix) Fifty percent (50%) or more of the aggregate basis of the Buildings and the Land will be financed with an obligation the interest on which is exempt from tax under Section 103 of the Code and which is within the State's volume cap as provided in Section 146 of the Code.

(xx) On or before the contribution of the Investor Limited Partner’s Seventh Installment, the General Partner will obtain the Tax Exemption. The General Partner’s failure to obtain the Tax Exemption on or before the Investor Limited Partner contributes the Seventh Installment of its capital contribution and/or the failure of the General Partner to maintain the Tax Exemption throughout the Compliance Period shall be grounds for removal of the General Partner pursuant to Section 7.7.

(xxi) The General Partner will elect to be treated as a corporation for tax purposes under the “check-the-box” regulations promulgated under section 7701 of the Code. The General Partner intends to be treated as a “tax-exempt controlled entity” as such term is defined in Section 168(h)(6)(F)(iii) of the Code;

(xxii) The General Partner has made or will timely make the election permitted under Section 168(h)(6)(F)(ii) of the Code so that no part of the Project shall constitute “tax-exempt use property” within the meaning of Section 168(h) of the Code.
(xxiii) The General Partners shall cause the Partnership to

(a) maintain its books and records separate from those of any other person or entity, including the General Partners or any Affiliates of the Partnership;

(b) except as specifically permitted by the Project Documents, not commingle assets with those of any other entity, including the General Partners or any Affiliates of the Partnership;

(c) conduct its own business in its own name or the name of the Project so as not to mislead others as to the identity of such entity;

(d) maintain separate financial statements from any other person or entity, including the General Partners or any Affiliates of the Partnership;

(e) except as specifically permitted by the Project Documents, pay its own liabilities out of its own funds;

(f) pay the salaries of its own employees;

(g) observe all partnership formalities including without limitation holding all meetings and obtaining all consents required by this Agreement;

(h) maintain an arm’s length relationship with its Affiliates;

(i) except as specifically permitted by the Project Documents, not guarantee or become obligated for the debts of any other entity or hold out its credit as being available to satisfy the obligations of others, including the General Partners or any Affiliates of the Partnership;

(j) allocate fairly and reasonably any overhead for shared office space or other similar expenses;

(k) use invoices and checks separate from any other person or entity, including the General Partners or any Affiliates of the Partnership; and

(l) hold itself out as and operate as an entity separate and apart from any other entity, including the General Partners or any Affiliates of the Partnership.

(xxiv) All of the representations and warranties set forth in the Closing Certificate are true and correct.
(xxv) The Project will constitute an "Independent Living Facility" as such term is defined under the terms of the City of Plano Zoning Ordinance.

B. The Class B Limited Partner hereby represents and warrants to the Investor Limited Partner that the following are true as of the date hereof, will be true on the due date for payment of each Installment and at all times hereafter:

(i) No litigation or proceeding against the Guarantor or the Developer, nor any other litigation or proceeding directly affecting the Project, is pending before any court, administrative agency or other governmental authority which would, if adversely determined, have a material adverse effect on the Partnership, any General Partner, Guarantor, the Builder, the Developer or their respective businesses or operations, except for such matters as to which the likelihood of such a determination adverse to the Partnership is, in the opinion of Partnership Counsel or other counsel acceptable to the Investor Limited Partner, remote.

(ii) All building, zoning and other applicable certificates, permits, approvals and licenses necessary to permit the construction, rehabilitation, repair, use, occupancy and operation of the Project have been obtained (other than prior to completion of the Project or a specified portion thereof, such as will be issued only after the completion of the Project or such specified portion thereof) and neither the Partnership nor any General Partner has received any notice or has any knowledge of any violation with respect to the Project of any law, rule, regulation, order or decree of any governmental authority having jurisdiction which would have a material adverse effect on the Project or the construction, use or occupancy thereof, except for violations which have been cured and notices or citations which have been withdrawn or set aside by the issuing agency or by an order of a court of competent jurisdiction.

(iii) The Related Agreements are in full force and effect and no default by any party thereto (other than the Investor Limited Partner or its Affiliates) has occurred or is continuing thereunder (nor has there occurred any event which, with the giving of notice or the passage of time, or both, would constitute such a default in any material respect thereunder).

(iv) No Event of Bankruptcy has occurred and is continuing with respect to the Partnership, any General Partner, any Guarantor or the Developer.

C. The General Partners agree promptly to indemnify, defend and hold harmless the Partnership and the Limited Partners from and against any and all claims, losses, damages, costs, expenses and liabilities which the Partnership and the Limited Partners may incur by reason of any liabilities to which either the Partnership or the Project is subject at the Admission Date; provided, however, that the foregoing indemnification shall not apply to any Mortgage, necessary contractual obligations normally incurred in connection with the Property, or to acts for which such General Partner is entitled to indemnification under Section 6.6.

D. The General Partners agree to promptly indemnify, defend, and hold harmless the Partnership and the Limited Partners from and against any claims, losses, damages, costs,
expenses or liabilities which the Partnership and the Limited Partners may incur on account of
the presence or escape of any Hazardous Material at or from the Property (or at any other
location). Any such indemnity by the General Partner of the Partnership shall be limited to those
claims, losses, damages, costs, expenses or liabilities which were caused by the negligent acts or
omissions of the General Partner. Any such claims, losses, damages, costs, expenses or
liabilities may be defended, compromised, settled, or pursued by the Limited Partners with
counsel of the Limited Partners' selection, but at the expense of the General Partners.
Notwithstanding anything else set forth in this Agreement, this indemnification shall survive the
withdrawal of any General Partner and/or the termination of this Agreement.

Section 6.6. Indemnification

A. Each General Partner (including any Retired General Partner) shall be in-
demnified by the Partnership against any losses, judgments, liabilities, expenses and amounts
paid in settlement of any claims sustained by him or it in connection with the Partnership,
provided that the same were not the result of negligence or misconduct on the part of any
General Partner or any of its “Designated Affiliates” (as such term is defined in Section 6.7B)
and were the result of a course of conduct which such General Partner, in good faith, determined
was in the best interest of the Partnership. Any indemnity under this Section 6.6 shall be
provided out of and to the extent of Partnership assets only, and no Limited Partner shall have
any personal liability on account thereof; provided, however, that no indemnification shall be
provided for any losses, liabilities or expenses arising from or out of any alleged violation of
federal or state securities laws unless (i) there has been a successful adjudication on the merits of
each count involving alleged securities law violations as to the particular indemnitee and the
court approves indemnification of litigation costs; (ii) such claims have been dismissed with pre-
judice on the merits by a court of competent jurisdiction as to the particular indemnitee and the
court approves indemnification of litigation costs; or (iii) a court of competent jurisdiction
approves a settlement of the claims against a particular indemnitee and finds that indemnification
of the settlement and related costs should be made.

B. The Partnership shall not incur that cost of that portion of any insurance which
insures any party against any liability as to which such party is herein prohibited from being
indemnified.

C. In the event the Partnership incurs any liability to Alcatel USA Sourcing, L.P.
under the terms of that certain Temporary License Agreement dated May 26, 2004, the General
Partner will immediately advance such amounts to the Partnership.

Section 6.7. Liability of General Partners to Limited Partners

A. No General Partner or Designated Affiliate (as defined in Section 6.7B) shall be
liable, responsible or accountable for damages or otherwise to the Partnership or to any Limited
Partner for any loss suffered by the Partnership which arises out of any action or inaction of such
General Partner or Designated Affiliate (i) if such General Partner or Designated Affiliate, in
good faith, determined that such course of conduct was in the best interests of the Partnership
and (ii) such course of conduct did not constitute negligence, breach of fiduciary duty or
misconduct on the part of that General Partner or Designated Affiliate or breach of this
Agreement.
B. As used in Sections 6.6 and 6.7, a "Designated Affiliate" is any Person performing services on behalf of the Partnership, within the scope of authority of the General Partner who: (i) directly or indirectly controls, is controlled by, or is under common control with any General Partner, (ii) owns or controls 10% or more of the outstanding voting securities of any General Partner, (iii) is an officer, director, partner or trustee of any General Partner, or (iv) if any General Partner is an officer, director, partner or trustee, of any company for which such General Partner acts in any such capacity.

C. The General Partners shall defend, indemnify and hold harmless the Partnership and the Limited Partners from any liability, loss, damage, fees, costs and expenses, judgments or amounts paid in settlement incurred by reason of any demands, claims, suits, actions or proceedings arising out of the General Partners' or any Designated Affiliate's negligence, misconduct, fraud, breach of fiduciary duty or breach of this Agreement, including without limitation any breach by any General Partner or any Designated Affiliate of any representation, warranty, covenant or agreement set forth in Section 6.5 or elsewhere in this Agreement, including all reasonable legal fees and costs incurred in defending against any claim or liability or protecting itself or the Partnership from, or lessening the effect of, any such breach. The foregoing indemnification shall be a recourse obligation of the General Partners and shall survive the dissolution of the Partnership and/or the death, retirement, incompetency, bankruptcy or withdrawal of any General Partner.

Section 6.8. Certain Obligations of the Developer

A. The Partnership has entered into an agreement with the Developer pursuant to which the Developer is obligated to complete the construction of the Improvements and to pay certain development costs and other expenses as set forth in the Development Agreement.

B. The undertakings of the Developer set forth in the Development Agreement are made for the benefit of and shall be enforceable by the Partnership and the Partners and shall not inure to the benefit of any creditor of the Partnership other than a Partner, notwithstanding any pledge or assignment by the Partnership of this Agreement or any rights thereunder.

C. The Class B Limited Partner hereby unconditionally jointly and severally guarantees to the Partnership and the Investor Limited Partner the due and punctual performance of all obligations of the Developer under the Development Agreement. The Class B Limited Partner hereby agrees that its obligations hereunder shall constitute a guaranty of payment and not of collection and shall be unconditional irrespective of the regularity or enforceability of this Agreement or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor or any other circumstances which might otherwise limit the recourse to the Class B Limited Partner. The undertakings of the Class B Limited Partner set forth in this Section 6.8 and in Section 6.9 are made for the benefit of the Partners and shall not inure to the benefit of any creditor of the Partnership other than a Partner, notwithstanding any pledge or assignment by the Partnership of this Agreement or any rights hereunder.

D. In addition to the foregoing, the Class B Limited Partner hereby guarantees to the Limited Partners the prompt payment by the Partnership of all other Development Costs. Accordingly, if the amount of Other Development Costs exceeds the balance of Designated
Proceeds remaining after payment of all Eligible Development Costs, the Class B Limited Partner shall furnish to the Partnership the funds required to pay such excess at or prior to the time such excess is payable by the Partnership. Amounts so furnished to fund such excess Other Development Costs shall not be reimbursable, shall not be credited to the Capital Account of any Partner or otherwise change the Interest of any Person in the Partnership, but shall be the sole expense and responsibility of the Class B Limited Partner as a cost incurred by them in fulfilling their guaranty under this Section 6.8D.

E. In the Event the Partnership incurs any costs as a result of the existing or proposed drainage easements granted or to be granted to the City of Plano with respect to the Project, including any costs incurred repairing or replacing carports, the General Partner shall advance all amounts that may be required.

Section 6.9. Obligation to Provide for Operating Expenses

A. During the period commencing on the Admission Date and ending on the third anniversary of the Development Obligation Date, the General Partners agree that if the Partnership requires funds to discharge Operating Expenses (other than to make payments to Partners, payments of any outstanding Operating Expense Loans or other obligations herein provided to be payable solely out of Cash Flow or distributions of proceeds from a Capital Transaction), the General Partners shall furnish to the Partnership the funds required. Amounts so furnished to fund Operating Expenses incurred prior to the Development Obligation Date shall be deemed Special Capital Contributions; amounts furnished to fund Operating Expenses incurred on or after the Development Obligation Date but prior to the third anniversary of the Development Obligation Date shall constitute Operating Expense Loans. Notwithstanding the foregoing, however, the General Partners shall not be obligated to make Operating Expense Loans under this Section 6.9 to the extent that the outstanding aggregate principal amount of such Operating Expense Loans would exceed $1,000,000 which includes the funding of the Replacement Reserve Account. Any such Operating Expense Loans shall bear interest at the Prime Rate and be repayable only as provided in Article X.

B. Commencing on the third anniversary of the Development Obligation Date, Churchill Residential, Inc. shall be obligated to make working capital advances to the Partnership when and as needed, except that Churchill Residential, Inc. shall not be obligated to make further advances under this Section 6.9B to the extent that the aggregate outstanding balance of such advances shall exceed $100,000. Advances made pursuant to this Section 6.9B shall constitute Working Capital Loans and shall be repayable only as provided in Article X.

C. The General Partners shall cause the Partnership to establish a lease-up reserve in the initial amount of $595,000, as required under the terms of the Indenture.

D. In addition to the obligations set forth in 6.9A, 6.9B, and 6.9C, the General Partner agrees that if at any time during the Compliance Period the Partnership is required to pay real estate taxes in excess of those contemplated by the Tax Exemption ("Excess Real Estate Taxes") and has an operating deficit, then the General Partner shall furnish to the Partnership the funds required to pay such operating deficit, not to exceed the amount of the Excess Real Estate Taxes. Amounts so furnished by the General Partner shall be deemed Special Capital Contributions.
Section 6.10. Certain Payments to the General Partners and Affiliates

A. For its services in connection with the development of the Property and the supervision to completion of the construction of the Improvements and as reimbursement for Development Advances, the Developer shall be entitled to receive the amounts set forth in the Development Agreement.

B. All of the Partnership’s expenses shall be billed directly to, and paid by, the Partnership to the extent practicable. Subject to the terms of this Agreement, reimbursements to a General Partner or any of its Affiliates by the Partnership shall be allowed subject to the following conditions:

(i) such goods or services must be necessary for the prudent formation, development, organization or operation of the Partnership;

(ii) reimbursement for goods or services provided by Persons who are not affiliated with a General Partner shall not exceed the cost to a General Partners or their Affiliates of obtaining such goods or services; and

(iii) reimbursement for goods and services obtained directly from a General Partner or its Affiliates shall not exceed the amount the Partnership would be required to pay independent parties for comparable goods and services in the same geographic location and shall not include reimbursement for the general overhead of the General Partners or their Affiliates (including salaries and benefits of employees thereof).

C. Neither the General Partners nor any of their Affiliates shall be entitled to any compensation, fees or profits from the Partnership in connection with the acquisition, construction, development or rent-up of the Land or Improvements or for the administration of the Partnership’s business or otherwise, except for (i) payments provided for or referred to in Sections 2.4(v) or 6.10A, (ii) payments of the Management Fee and Incentive Management Fee referred to in Article XI, (iii) fees and distributions under Article X, (iv) such other fees and distributions as may be permitted to be paid by any Lender or the Agency out of the proceeds of any Mortgage Loan and (v) payments to the Builder under the Construction Contract.

D. The General Partner is entitled to reimbursement for all reasonable costs incurred in connection with the annual audit requirements mandated under the Tax Exemption as set forth in Section 11.1825 of the Texas Tax Code.

Section 6.11. Joint and Several Obligations

If there is more than one General Partner, all obligations of the General Partners hereunder shall be joint and several obligations of the General Partners, except as herein expressly provided to the contrary.
ARTICLE VII

Withdrawal of a General Partner; New General Partners

Section 7.1. Voluntary Withdrawal

No General Partner shall have the right to withdraw or Retire voluntarily from the Partnership or sell, assign or encumber his or its Interest without the Consent of the Investor Limited Partner, the Class B Limited Partner and any Requisite Approvals.

Section 7.2. Obligation to Continue

In the event of the Retirement of any General Partner, the remaining General Partners, if any, and any successor General Partner shall have the obligation to continue the business of the Partnership employing its assets and name. Immediately after the occurrence of such Retirement, the remaining General Partners, if any, shall notify the Investor Limited Partner thereof.

Section 7.3. Successor General Partner

A. Upon the occurrence of any Retirement, the remaining General Partners may designate a Person to become a successor General Partner to the Retired General Partner. Any Person so designated, subject to any Requisite Approvals, the Consent of the Investor Limited Partner and, if required by the Uniform Act or any other applicable law, the consent of any other Partner so required, shall become a successor General Partner.

B. If any Retirement shall occur at a time when there is no remaining General Partner and no successor General Partner is to be admitted pursuant to Section 7.3A or the remaining General Partners do not elect to continue the business of the Partnership pursuant to Section 7.2, then the Investor Limited Partner shall have the right, subject to any Requisite Approvals and Section 6.3C, to designate a Person to become a successor General Partner.

C. If the Investor Limited Partner elects to reconstitute the Partnership and admit a successor General Partner pursuant to this Section 7.3, the relationship of the Partners in the reconstituted Partnership shall be governed by this Agreement.

Section 7.4. Interest of Predecessor General Partner

A. Except as provided in Section 7.3A, no assignee or transferee of all or any part of the Interest of a General Partner shall have any automatic right to become a General Partner. Until the acquisition of the Interest of a Retiring General Partner pursuant to Section 7.4D or 7.7, such Interest shall be deemed to be that of an assignee and the holder thereof shall be entitled only to such rights as an assignee may have as such under the laws of the State.

B. Anything herein contained to the contrary notwithstanding, any General Partner who withdraws voluntarily in violation of Section 7.1 shall remain liable for all of his obligations under this Agreement, for all his other obligations and liabilities hereunder incurred or accrued prior to the date of his withdrawal and for any loss or damage which the Partnership or any of its Partners may incur as a result of such withdrawal (except as provided in Section 6.7), except for
any loss or damage attributable to the default, negligence or misconduct of a successor General Partner admitted in his place under this Agreement.

C. The disposition of the General Partner Interest of a General Partner who Retires voluntarily in compliance with this Agreement shall be accomplished in such manner as shall be acceptable to the remaining General Partners and shall be approved by Consent of the Investor Limited Partner. Any other Retirement of a General Partner shall be governed by Section 7.7D.

Section 7.5. Designation of New General Partners

A. The General Partners may, with the written consent of all Partners, at any time designate new General Partners, each with such Interest as a General Partner in the Partnership as the General Partners may specify, subject to any Requisite Approvals.

Any new General Partner shall, as a condition of receiving any interest in the Partnership property, agree to be bound by the Project Documents and any other documents required in connection therewith and by the provisions of this Agreement, to the same extent and on the same terms as any other General Partner.

B. In the event that the General Partner is removed for failure to maintain the Tax Exemption throughout the Compliance Period, all Partners agree that the Investor Limited Partner may designate a new General Partner within thirty days as required under Section 11.1825 of the Texas Tax Code, which is, or is controlled by a qualified non-profit organization, in order to maintain the Tax Exemption.

Section 7.6. Amendment of Certificate; Approval of Certain Events

Upon the admission of a new General Partner, the Schedule shall be amended to reflect such admission and an amendment to the Certificate, also reflecting such admission, shall be filed as required by the Uniform Act.

Each Partner hereby consents to and authorizes any admission or substitution of a General Partner or any other transaction, including, without limitation, the continuation of the Partnership business, which has been authorized under the provisions of this Agreement, and hereby ratifies and confirms each amendment of this Agreement necessary or appropriate to give effect to any such transaction.

Section 7.7. Removal of the General Partner

A. In addition to any other rights granted to the Limited Partners hereunder, the Special Limited Partner shall have the right to remove and replace the General Partner in accordance with the provisions of this Section 7.7 if a Material Default occurs and is not cured within the time period set forth in this Section 7.7. If at any time there is more than one General Partner, all General Partners may be removed and replaced in accordance with the provisions of this Section 7.7 in the event of a Material Default by any General Partner.

B. As used in this Section 7.7, “Material Default” means the occurrence of any of the following events:
(i) a breach by any General Partner (or any of its Affiliates) of any of its representations or warranties contained herein or in the performance of any of its obligations under this Agreement or any Related Agreement, which breach could have a material adverse impact on the Partnership, the Project or the Investor Limited Partner;

(ii) a violation by any General Partner of any law, regulation or order applicable to the Partnership, or a material breach by the Partnership or any General Partner under any Project Document or other material agreement or document affecting the Partnership or the Project which has or may have a material adverse effect on the Partnership, the Investor Limited Partner or the Project;

(iii) an Event of Bankruptcy as to any General Partner, more than one Guarantor or the Partnership;

(iv) the commencement of foreclosure proceedings with respect to any Mortgage, which have not been withdrawn or dismissed within thirty (30) days after the date of such commencement; or

(v) gross negligence, fraud, willful misconduct, misappropriation of Partnership funds, or a breach of fiduciary duty by a General Partner or any Affiliate of a General Partner providing services to or in connection with the Partnership or the Project.

C. In the event that the Special Limited Partner determines to remove any General Partner pursuant to the provisions of this Section 7.7, the Special Limited Partner shall notify the General Partner in writing (with a copy to the Servicing Agent), of the Material Default that is the cause for the removal of the General Partner (any such notice being referred to herein as a “Removal Notice” and the date of such Removal Notice being referred to herein as the “Removal Notice Date”). In the case of any Material Default described in clauses (i) or (ii) of Section 7.7 above, the General Partner shall have ten (10) business days (or thirty (30) business days if it is a non-monetary default) from the Removal Notice Date to cure the Material Default; provided, however, that if a non-monetary Material Default cannot be reasonably cured within thirty (30) business days, the General Partner shall not be removed if the General Partner commences such cure within thirty (30) business days and proceeds in good faith to cure diligently thereafter, provided that the cure is completed within ninety (90) business days following the Removal Notice Date (or such lesser period as is required to cure the Material Default), and the failure to cure such Material Default within a shorter period does not have a material adverse effect on the Partnership, the Property, or the Investor Limited Partner. For purposes of this paragraph, the failure to provide or maintain any insurance required by this Agreement shall be deemed to be a monetary default. If the General Partner fails to cure within the specified time period, or if no cure right is afforded under the terms hereof, the removal of the General Partner shall be deemed to be effective as of the Removal Notice Date; otherwise, such removal shall be effective upon the conclusion of the applicable cure period without a cure of such Material Default reasonably acceptable to the Investor Limited Partner. The General Partner shall have no right to cure any Material Default described in clause (v) of Section 7.7B above.
D. If a General Partner is removed pursuant to this Section 7.7, the Partnership shall pay to such General Partner in the manner set forth in Section 7.7G an amount equal to (x) the sum of (i) an amount equal to the General Partner’s positive Capital Account balance, if any, following a deemed sale of all Partnership property and a deemed liquidation of the Partnership (but prior to any deemed distributions upon liquidation), (ii) the unpaid principal balance of any Operating Expense Loans, and (iii) any fees owed to the General Partner and/or its Affiliates in the manner described in Section 7.7E below minus (y) an amount equal to any Adverse Consequences suffered by the Partnership or the Limited Partners as a result of the acts or omissions of the General Partner prior to its removal, including, without limitation, the Material Default creating the right of the Special Limited Partner to remove the General Partner pursuant to the provisions of this Section 7.7. Any transfer taxes that are triggered by the removal and the cost of any additional title insurance or title endorsements deemed to be necessary by the Special Limited Partner as a result of such removal shall be paid by the removed General Partner. The resulting amount is referred to herein as the “Removal Purchase Price.” Notwithstanding the foregoing, the Removal Purchase Price shall not exceed the amount which the removed General Partner would have received under Section 10.1B from a deemed sale of the Project on the Removal Notice Date, based on the Appraised Value of the Project determined under Section 7.7F below.

E. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any fees owed to the General Partner or its Affiliates (including, without limitation, any unpaid Development Amount) for services performed prior to the Removal Notice Date shall be part of the Removal Purchase Price as described above, provided, however, that (i) if any Adverse Consequences suffered by the Partnership or the Limited Partners exceed the amounts payable to the General Partner pursuant to the provisions of Section 7.7D above, or (ii) there exist any unpaid obligations or liabilities of the General Partner that relate to the period up to and including the effective date of the removal of the General Partner, any such unpaid fees owed to the General Partner or its Affiliates shall, to the extent of any such Adverse Consequences or obligations or liabilities, as the case may be, be treated as if they were paid to the General Partner (or such Affiliates) and applied by the General Partner (or such Affiliates) to the payment or satisfaction of such Adverse Consequences, obligations or liabilities, and, to the extent of such application, the obligation of the Partnership to make actual cash payments of such fees to the General Partner (or such Affiliates) shall be reduced or eliminated, as the case may be. In the event the General Partner is removed but the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect.

F. The Appraised Value of the Property shall be determined as follows. As soon as practicable and in any event within ten (10) business days following the effective date of removal as specified in Section 7.7C above, the General Partner and the Special Limited Partner shall select a mutually acceptable Independent Appraiser. In the event that the parties are unable to agree upon an Independent Appraiser within such ten (10) Business Day period, the General Partner and the Special Limited Partner each shall select an Independent Appraiser. If the difference between the Appraised Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Value set forth in the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two
Independent Appraisers shall jointly select a third Independent Appraiser whose determination of Appraised Value shall be deemed to be binding on all parties. The Partnership and the removed General Partner shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this Section 7.7F.

G. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any Removal Purchase Price due to the General Partner pursuant to the provisions of Section 7.7D above shall be payable from the first available proceeds of a Capital Transaction prior to any other distributions or payments to the Partners under Section 10.1B hereof except for those items listed in clauses First and Second of Section 10.1B.

H. Upon determination of the Removal Purchase Price under the provisions of this Section 7.7, the Partnership and its remaining Partners shall be deemed to be completely released from all liability to such General Partner and its Affiliates generally and to any others claiming by or through the General Partner to whom any distributions or loan, fee or other payments are to be made under Article X or otherwise, and the General Partner shall be released from any and all obligations to the Partnership and the Partners which arise after the Removal Notice Date. Concurrently with the determination of the Removal Purchase Price, each General Partner shall provide the Partnership, the successor General Partner(s) and the Investor Limited Partner with additional written releases from the General Partner (and any Affiliates to whom obligations of any kind are owed by the Partnership, the successor General Partner(s), the Limited Partners or any of their respective Affiliates) confirming such releases.

I. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, (i) all agreements between the Partnership and the General Partner and/or its Affiliates may, at the election of the Partnership, be terminated and, except for payment of the Removal Purchase Price due to the General Partner (or such Affiliates), the Partnership shall have no further obligations under such agreements; and (ii) the removed General Partner shall be liable for all reasonable costs and expenses incurred by the Partnership or the Limited Partners in connection with the admission to the Partnership of a successor General Partner, which shall be considered Adverse Consequences for a purpose of this Section. Notwithstanding the foregoing however, if the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect. From and after the effective date of its removal, the removed General Partner shall not be liable for obligations of the Partnership incurred subsequent to such effective date unless such obligations arise out of acts or omissions of the removed General Partner prior to such effective date. The removed General Partner shall continue to be liable for all obligations, liabilities, and guarantees incurred by it in its capacity as the General Partner, and for any Adverse Consequences caused by or arising out of its acts or omissions, prior to the effective date of its removal. Without limiting the generality of the foregoing, and in addition to any of its other obligations hereunder, the removed General Partner shall continue to be liable for any payments or advances due to the Limited Partners or the Partnership pursuant to the provisions of Section 5.1B as a result of any adjustments described in Section 5.1B, other than adjustments arising from a Recapture Event or the acts or omissions of any replacement or successor General Partner, in either case subsequent to the effective date of the removal of the removed General Partner.

J. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the Special Limited Partner may designate a Person or Persons, including, without
limitation, an Affiliate of the Special Limited Partner, to become a successor General Partner or Partners replacing the removed General Partner, subject to any Requisite Approvals and to the terms of the Project Documents.

K. The election by the Special Limited Partner to remove any General Partner pursuant to the provisions of this Section 7.7 shall not limit or restrict the availability and use of any other remedy that the Special Limited Partner or the Investor Limited Partner may have with respect to any General Partner in connection with its undertakings and responsibilities under this Agreement, and the exercise by the Special Limited Partner of the rights granted to it in this Section 7.7 is understood by the parties hereto to be permitted by the Uniform Act as the exercise of powers not constituting participation in the control of the business so as to cause the Special Limited Partner (or the Investor Limited Partner) to be liable for Partnership obligations as a general partner.

L. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the removed General Partner shall immediately deliver to the Special Limited Partner all books, records, tax and financial information relating to the Partnership and the Property that are in the possession or under the control of the General Partner or any of its Affiliates. The General Partner agrees that if it fails to comply with the provisions of this Section 7.7L, the Limited Partners may enforce such provisions by specific performance, and no portion of the Removal Purchase Price shall be payable unless the provisions of this Section are fully and promptly complied with.

M. If the General Partner contests the right of the Special Limited Partner to exercise the removal or other rights described in this Section 7.7, and the Special Limited Partner prevails in any proceeding, any costs and expenses incurred by the Limited Partners in enforcing their rights in this Section 7.7, including, without limitation, legal fees and expenses, shall be paid by the General Partner upon presentation of an itemized statement describing the same, which costs shall be deemed to be Adverse Consequences for purposes of this Section.

N. In the event that the Special Limited Partner sends a Removal Notice, the Special Limited Partner may, as of such date, elect to become, or to designate another Person, including, without limitation, an Affiliate of the Investor Limited Partner or the Special Limited Partner, to become, an additional General Partner with all the rights and privileges of a General Partner. If the Special Limited Partner or such other Person shall become an additional General Partner as herein stated, its interest in the Partnership shall not be increased as a result thereof. In the event of the admission of the Special Limited Partner or such Person as a General Partner pursuant to this Section 7.7N, and if there are then any other General Partners, the Special Limited Partner or such other Person shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them. The Special Limited Partner shall be entitled to receive reasonable compensation for serving as a General Partner under this Section, and any such compensation shall be a reduction of the Removal Purchase Price.
ARTICLE VIII

Transfer of Limited Partner Interests

Section 8.1. Right to Assign

A. Except as restricted in this Article VIII or by operation of law, and subject to the Regulations, each Limited Partner shall have the right to assign its Interest and to substitute its assignee in its place as a Substitute Limited Partner without the written consent of the General Partners, provided, however, that if the Assignee is not an affiliate of or controlled by MMA, the consent of the General Partner and the Class B Limited Partner will be required to such substitution, which consent will not be unreasonably withheld or delayed.

B. The General Partners, at the sole expense of the assigning Limited Partner, shall cooperate in good faith to effect such assignment as expeditiously as possible, including without limitation the execution of appropriate amendments to, or updates of, the Related Agreements and/or any other documents which the assigning Limited Partner reasonably determines necessary or appropriate to accomplish such assignment, including, but not limited to, an Assignment of Investor Limited Partner Interest and Omnibus Amendment, updated opinion of Partnership Counsel, authorizing resolutions of the General Partner and Developer and any other documents reasonably deemed necessary and appropriate by the Investor Limited Partner. In addition, in the event of a transfer of membership interest in the Investor Limited Partner to an Affiliate of MMA, the General Partner agrees to make such changes to the Agreement and Related Agreements as such transferee may reasonably request.

C. The assignor shall assume any costs incurred by the Partnership in connection with an assignment of its Interest.

D. Notwithstanding the foregoing, or any other provision of this Agreement: (1) MMA Financial Bond Warehousing, LLC may pledge, without the consent of the General Partners or any other Person, its Interest to Fleet National Bank as Agent (together with its successors and/or assigns in such capacity, "Fleet") to secure a loan enabling the Investor Limited Partner to make its Capital Contribution to the Partnership (the "Fleet Pledge"); (2) Fleet shall have the rights of a secured party to retain, sell or transfer the Interest so pledged in accordance with the Fleet Pledge; (3) Fleet shall have the right to transfer or assign its rights hereunder and under the Fleet Pledge without the consent of the General Partners or any other Person; (4) in the event of any enforcement of the Fleet Pledge and the foreclosure upon or other disposition of the Interest, Fleet (or its nominee, successor, transferee or assignee) shall be immediately, automatically and unconditionally admitted as a Substitute Limited Partner, subject only to its execution of an agreement to be bound by this Agreement and (5) so long as the Fleet Pledge shall not have been released in accordance with its terms, (a) the Interests will not be, and will not become, "investment property" or held in a "securities account" (within the meaning of the Uniform Commercial Code of the State (the "UCC") and will be, and will remain, "general intangibles" within the meaning of Article 9 of the UCC and (b) any action by any Partner to cause any of the Interests to be deemed to be or to be treated as a "security" or as "investment property" or to be held in a "securities account" within the meanings of Article 8 and Article 9, respectively, of the UCC, shall be void and of no effect. Fleet, as Agent, is an intended third party beneficiary of this section.
E. Without limitation of the foregoing provisions of this Section 8.1, the Partners specifically acknowledge that MMA Financial Bond Warehousing, LLC contemplates the transfer of its Interest to MMA Evergreen at Plano Senior Community, LLC, a Delaware limited liability company, pursuant to the terms and provisions of the Initial Transfer Agreement, and all Partners hereby consent thereto. Such transfer shall be effective on such date as may be designated by the transferor in writing to the Partnership.

Section 8.2. Substitute Limited Partners

A. The Limited Partner shall have the right to substitute an assignee as a Limited Partner in its place, subject to any Requisite Approvals. Any Substitute Limited Partner shall agree to be bound (to the same extent to which its predecessor in interest was so bound) by the Project Documents and this Agreement as a condition to its being admitted to the Partnership. Without limitation of the foregoing, the transferee of the Interest of the Investor Limited Partner pursuant to the Initial Transfer Agreement shall be automatically admitted to the Partnership as a Substitute Limited Partner on the date such transfer shall become effective as provided in Section 8.1E.

Section 8.3. Assignees

A. Any permitted assignee of a Limited Partner which does not become a Substitute Limited Partner shall have the right to receive the same share of profits, losses and distributions of the Partnership to which the assigning Limited Partner would have been entitled.

B. Any assigning Limited Partner shall cease to be a Limited Partner and shall no longer have any rights or obligations of a Limited Partner except that, unless and until the assignee of such Limited Partner is admitted to the Partnership as a Substitute Limited Partner, said assigning Limited Partner shall retain the statutory rights and be subject to the statutory obligations of an assignor limited partner under the Uniform Act as well as the obligation to make the Capital Contributions attributable to the Interest in question, if any portion thereof remains unpaid.

C. There shall be filed with the Partnership a duly executed and acknowledged counterpart of the instrument making each assignment; such instrument must evidence the written acceptance of the assignee to this Agreement and the Project Documents. If such an instrument is not so filed, the Partnership need not recognize any such assignment for any purpose.

D. In the case of any assignment of a Limited Partner's Interest as a Limited Partner, where the assignee does not become a Substitute Limited Partner, the Partnership shall recognize the assignment not later than the last day of the calendar month following receipt of notice of assignment and required documentation.

E. An assignee who does not become a Substitute Limited Partner and who desires to make a further assignment of its Interest shall also be subject to the provisions of this Article VIII.
Section 8.4. Voluntary Withdrawal of the Class B Limited Partner

No Class B Limited Partner shall have the right to withdraw or Retire voluntarily from the Partnership or sell, assign or encumber his or its Interest without the Consent of the Investor Limited Partner.

ARTICLE IX

Loans; Mortgage Refinancing; Property Disposition

Section 9.1. General

A. The Partnership shall be authorized to obtain the Mortgage Loans to finance the acquisition, development and construction of the Property and (to the extent permitted by the Lender) shall secure the same by the Mortgages. Except as set forth in the Project Documents as they exist on the date hereof, each Mortgage shall provide that no Partner or Related Person shall bear the Economic Risk of Loss for all or any part of such Mortgage Loans.

B. The General Partners are specifically authorized, for and on behalf of the Partnership, to execute the Project Documents and any permitted amendments thereto and, subject to the limitations set forth herein, such other documents as they deem necessary or appropriate in connection with the acquisition, development, operation and financing of the Property.

C. All Partnership borrowings shall be subject to Section 6.1, this Article, the Project Documents and the Regulations. To the extent borrowings are permitted, they may be made from any source, including Partners and Affiliates. The Partnership may accept Development Advances as and when permitted pursuant to the Development Agreement, and may issue instruments evidencing Operating Expense Loans pursuant to Section 6.9.

D. If any Partner shall lend any monies to the Partnership, any such loan shall be unsecured and the amount of any such additional loan shall not be an increase of its Capital Contribution. Until such time as the General Partners and the Developer shall have performed fully their obligations to furnish funds pursuant to Sections 6.8 and 6.9 hereof and pursuant to the Development Agreement, any loan from a General Partner or an Affiliate of a General Partner shall be an obligation of the Partnership to the Partner or Affiliate only if it constitutes a borrowing permitted by Sections 6.8 or 6.9 or pursuant to the Development Agreement and shall be repayable as therein provided. Subject to the preceding sentence, any loans to the Partnership by a General Partner or an Affiliate of a General Partner may be made on such terms and conditions as may be agreed on by the Partnership, consistent with good business practices.

E. Subject to the provisions of this Agreement with respect to related party loans, a limited partner or member (which may include without limitation the Federal Home Loan Mortgage Corporation) in the Investor Limited Partner (such limited partner or member being referred to herein as a “Mortgagee Limited Partner”) at any time may make, guarantee, own acquire, or otherwise credit enhance, in whole or in part, a loan secured by a mortgage, deed of trust, trust deed, or other security instrument encumbering the Property owned by the Partnership (any such loan being referred to as a “Related Mortgage Loan”). Under no
circumstances will a Mortgagee Limited Partner be considered to be acting on behalf or as an agent or the alter ego of the Investor Limited Partner. A Mortgagee Limited Partner may take any actions that the Mortgagee Limited Partner, in its discretion, determines to be advisable in connection with its Related Mortgage Loan (including in connection with the enforcement of its Related Mortgage Loan). Each Partner agrees, to the extent permitted by applicable law, that no Mortgagee Limited Partner owes the Partnership or any Partner any fiduciary duty or other duty or obligation whatsoever by virtue of such Mortgagee Limited Partner being a limited partner or member in the Investor Limited Partner. Neither the Partnership nor any Partner will make any claim against a Mortgagee Limited Partner, or against the Investor Limited Partner in which the Mortgagee Limited Partner is a partner or member, relating to a Related Mortgage Loan and alleging any breach of any fiduciary duty, duty of care, or other duty whatsoever to the Partnership or to any Partner based in any way upon the Mortgagee Limited Partner's status as a limited partner or member of the Investor Limited Partner.

Section 9.2. Refinancing and Sale

The Partnership may not increase the amount of or otherwise materially modify any Mortgage Loan, obtain any new Mortgage Loan or refinance any Mortgage Loan (other than pursuant to and substantially in accordance with a Forward Commitment in existence at Investment Closing) including any required transfer or conveyance of Partnership assets for security or mortgage purposes, and may not sell, lease, exchange or otherwise transfer or convey all or substantially all the assets of the Partnership without the Consent of the Investor Limited Partner which Consent, after the Compliance Period, shall not be unreasonably withheld. Notwithstanding the foregoing, no such Consent shall be required for the leasing of apartments to tenants in the normal course of operations; provided, however, unless such Consent is obtained the Partnership shall lease the Project in such a manner as to qualify as a “qualified low-income housing project” under Section 42(g)(1) of the Code, and shall lease all of the Low Income Units to Qualified Tenants.

Section 9.3. Sales Commissions

Upon the sale of the Property by the Partnership, no Person may pay to any Person real estate commissions in excess of that which is reasonable, customary, and competitive with those paid in similar transactions in the same geographic area. Real estate commissions may be paid to an Affiliate of the General Partners.

ARTICLE X

Profits, Losses and Distributions

Section 10.1. Distributions Prior to Dissolution

A. Distribution of Cash Flow. Subject to any Requisite Approvals, (i) net rental income generated through the Completion Date shall be includable in Designated Proceeds and shall be available to the Developer and the General Partners for the purposes and subject to the conditions set forth in the Development Agreement and Section 6.8D hereof, (ii) Cash Flow in respect of the period from the Completion Date through the first anniversary of the Completion Date shall be used to pay the Priority Distribution to the Investor Limited Partner, with any
balance paid to the Developer as payment of the Deferred Development Fee, and (iii) Cash Flow for each fiscal year (or fractional portion thereof) after the first anniversary of the Completion Date shall be distributed, within ninety (90) days after the end of each fiscal year, in the following order of priority:

First, to the Investor Limited Partner until the Investor Limited Partner has received distributions under this Section 10.1A (exclusive of distributions constituting Recapture Amounts) equal to the Cumulative Priority Distribution;

Second, to the payment of any Deferred Development Fee, plus accrued interest thereon; or to the payment to the General Partners of the Capital Contribution made by the General Partners under Section 4.1 hereof;

Third, to the repayment of any Operating Expense Loans or Working Capital Loans then outstanding; and

Fourth, 10% of the balance remaining after Clause Third above shall be distributed to the Investor Limited Partner;

Fifth, to the payment of the Asset Management Fee to the Class B Limited Partner;

Sixth, to the payment of the Incentive Management Fee;

Seventh, any balance shall be used as follows: 75% shall be paid to the Class B Limited Partner and 25% shall be distributed to the General Partner.

If the Partnership shall have unfunded operating deficits or if any Recapture Amount or Credit Reallocation Amount shall be then due and owing to the Investor Limited Partner, then the General Partners and their Affiliates shall not be entitled to any distributions, fees or loan repayments under this Section 10.1A and any amounts which would otherwise have been paid or distributed to the General Partners pursuant to this Section 10.1A shall be reduced by such Recapture Amount or Credit Reallocation Amount and the amount which would otherwise have been distributed to the Investor Limited Partner pursuant to this Section 10.1A shall be increased by such Recapture Amount or Credit Reallocation Amount.

B. Distributions of Capital Transaction Proceeds

Prior to dissolution, if the General Partners shall determine that there are proceeds available for distribution from a Capital Transaction, such proceeds shall be applied and distributed as follows:

First, to discharge, to the extent required by any lender or creditor, the debts and obligations of the Partnership (other than items listed in the ensuing clauses of this Section 10.1B);

Second, to fund reserves for contingent liabilities to the extent deemed reasonable by the General Partner (other than items listed in the ensuing clauses of this Section 10.1B);
Third, to the repayment of any outstanding Deferred Development Fee and any interest accrued thereon; or to the payment to the General Partners of the Capital Contribution made by the General Partners under Section 4.1 hereof;

Fourth, to the repayment of any outstanding Operating Expense Loans and any outstanding Working Capital Loans;

Fifth, to the Investor Limited Partner an amount equal to any unpaid amount of the Cumulative Priority Distribution;

Sixth, to the Investor Limited Partner an amount equal to (a) the excess of the Recapture Amount determined under Section 10.5 over the sum of all Cash Flow distributions theretofore made to the Investor Limited Partner to effect payment of Recapture Amounts or Credit Reallocation Amount less (b) amounts previously paid to the Investor Limited Partner pursuant to this Clause Sixth;

Seventh, $10,000 to the Special Limited Partner; and

Eighth, the balance of such proceeds, if any, shall be distributed 20% to the Investor Limited Partner, 25% to the General Partner, and 55% to the Class B Limited Partner.

C. Sharing of Distributions

All distributions to the respective classes composed of the Special Limited Partner and the General Partners shall be shared by the members of such classes in accordance with the percentages set forth opposite their respective names on the Schedule, except as otherwise provided in this Agreement.

D. Proceeds from Insurance

Notwithstanding the provisions of Sections 10.1A or 10.1B, if the Partnership receives proceeds from the Title Policy, an insurance policy, or as the result of a casualty or condemnation after payment of debts and obligations of the Partnership, such proceeds shall be applied and distributed as follows: first, pursuant to Section 10.1B First; second, pursuant to Section 10.1B Second, third, to the payment to the Investor Limited Partner of an amount equal to 100% of its Net Capital Contribution that has been contributed to date, less the value of the Federal Tax Credits and losses taken and less any cash distributions received under Section 10.1A, and then pursuant to Section 10.1B beginning with Section 10.1B Third.

Section 10.2. Distributions Upon Dissolution

A. Upon dissolution and termination, after payment of, or adequate provision for, the debts and obligations of the Partnership, the remaining assets of the Partnership shall be distributed to the Partners in accordance with the positive balances in their Capital Accounts after taking into account all Capital Account adjustments for the Partnership taxable year, including adjustments to Capital Accounts pursuant to Sections 10.2B and 10.3B. In the event that a General Partner or Investor Limited Partner has a negative balance in its Capital Account
following the liquidation of the Partnership or its Interest after taking into account all Capital Account adjustments for the Partnership taxable year in which the liquidation occurs, such General Partner shall pay to the Partnership in cash an amount equal to the negative balance in his Capital Account. Such payment shall be made by the end of such taxable year (or, if later, within ninety (90) days after the date of such liquidation) and shall, upon liquidation of the Partnership, be paid to recourse creditors of the Partnership or distributed to other Partners in accordance with the positive balances in their Capital Accounts. Notwithstanding the foregoing, the obligation of a Partner to contribute such deficit shall be zero unless and until it shall notify the Partnership in writing of its election to have a different amount (the “Designated Amount”) apply, which Designated Amount may be increased or reduced (subject to the provisions of the following sentence) by similar written notice from the Investor Limited Partner at any subsequent date. No such notice shall be effective with respect to any Fiscal Year unless the same shall be given prior to the end of such Fiscal Year. No subsequent reduction to the Designated Amount shall reduce the same below the Investor Limited Partner’s deficit balance in its Capital Account (as such Capital Account is increased by the Investor Limited Partner’s share of Partnership Minimum Gain) at the end of the Partnership’s immediately preceding tax year.

B. With respect to assets distributed in kind to the Partners in liquidation or otherwise, (i) any unrealized appreciation or unrealized depreciation in the values of such assets shall be deemed to be profits and losses realized by the Partnership immediately prior to the liquidation or other distribution event; and (ii) such profits and losses shall be allocated to the Partners in accordance with Section 10.3B, and any property so distributed shall be treated as a distribution of an amount in cash equal to the excess of such fair market value over the outstanding principal balance of and accrued interest on any debt by which the property is encumbered. For the purposes of this Section 10.2B, “unrealized appreciation” or “unrealized depreciation” shall mean the difference between the fair market value of such assets, taking into account the fair market value of the associated financing (but subject to Section 7701(g) of the Code), and the Partnership's adjusted basis for such assets as determined under Section 1.704-1(b). This Section 10.2B is merely intended to provide a rule for allocating unrealized gains and losses upon liquidation or other distribution event, and nothing contained in this Section 10.2B or elsewhere herein is intended to treat or cause such distributions to be treated as sales for value. The fair market value of such assets shall be determined by an appraiser to be selected by the General Partners with the Consent of the Investor Limited Partner.

Section 10.3. Profits, Losses and Tax Credits

A. Except as otherwise specifically provided in this Article, for each fiscal year or portion thereof, profits, tax-exempt income, losses and non-deductible, non-capitalizable expenditures incurred and/or accrued by the Partnership, shall be allocated 0.01% to the General Partners and 99.99% to the Investor Limited Partner.

B. Except as otherwise specifically provided in Section 10.4 or elsewhere in this Article, all profits and losses arising from a Capital Transaction shall be allocated to the Partners as follows:
As to profits:

First, an amount of profit equal to the aggregate negative balances (if any) in the Capital Accounts of all Partners having negative balance Capital Accounts shall be allocated to such Partners in proportion to their negative Capital Account balances until all such Capital Accounts shall have zero balances; and

Second, an amount of profits shall be allocated to each of the Partners until the positive balance in the Capital Account of each Partner equals, as nearly as possible, the amount of cash which would be distributed to such Partner if the aggregate amount in the Capital Accounts of all Partners were cash available to be distributed in accordance with the provisions of Clauses Fifth through Eighth of Section 10.1B.

As to losses:

First, an amount of losses equal to the aggregate positive balances (if any) in the Capital Accounts of all Partners having positive balance Capital Accounts shall be allocated to such Partners in proportion to their positive Capital Account balances until all such Capital Accounts shall have zero balances; provided, however, that if the amount of losses so to be allocated is less than the sum of the positive balances in the Capital Accounts of those Partners having positive balances in their Capital Accounts, then such losses shall be allocated to the Partners in such proportions and in such amounts so that the Capital Account balances of each Partner shall equal, as nearly as possible, the amount such Partner would receive if an amount equal to the excess of (a) the sum of all Partners' balances in their Capital Accounts computed prior to the allocation of losses under this clause First over (b) the aggregate amount of losses to be allocated to the Partners pursuant to this clause First were distributed to the Partners in accordance with the provisions of Fifth through Eighth of Section 10.1B; and

Second, the balance, if any, of such losses shall be allocated 0.01% to the General Partners and 99.99% to the Investor Limited Partner.

C. If the Partnership (i) incurs recourse obligations or Partner Nonrecourse Debt (including without limitation Operating Expense Loans), (ii) accepts Special Capital Contributions pursuant to Section 6.9 or (iii) incurs losses from extraordinary events which are not recovered from insurance or otherwise (the items referred to in clauses (i), (ii) and (iii) being hereinafter referred to collectively as the “Section 10.3C Items”) in respect of any Partnership taxable year, then the calculation and allocation of profits and losses shall be adjusted as follows: first, an amount of deductions (consisting of operating expenses and not cost recovery deductions) attributable to the Section 10.3C Items shall be allocated to the General Partners; and second, the balance of such deductions shall be allocated as provided in Section 10.3A. For purposes of this Section 10.3C, extraordinary events includes casualty losses, losses resulting from liability to third parties for tortious injury, losses resulting from a breach of a legal duty by the Partnership or by the General Partners, and deductions resulting from other liabilities which are not incurred in the ordinary course of business. Nothing in this Section 10.3C. shall prevent
the Partnership from recovering an extraordinary loss from a General Partner who is liable therefor by law or under this Agreement.

D. If any Section 10.3C Items shall be repaid from cash generated in respect of any fiscal year, then the allocation of profits and losses under Section 10.3A for such fiscal year shall be adjusted as follows: first, the General Partners shall be allocated an amount of the gross income of the Partnership equal to the lesser of (i) the amount of items of loss or expense previously allocated to the General Partners under Section 10.3C and not previously offset by allocations of gross income under this Section 10.3D or items thereof and (ii) the amount of the Section 10.3C Items repaid in such year and second, all remaining gross income and all expenses shall be allocated as provided in Section 10.3A. Nothing in this Section 10.3D shall be construed to authorize the return of Special Capital Contributions. This section shall be applied in conjunction with Section 10.4B to avoid the double allocation of gain under such sections when Operating Expense Loans are repaid.

E. Notwithstanding the foregoing provisions of Sections 10.3.A and 10.3.B, in no event shall any losses be allocated to a Limited Partner if and to the extent that such allocation would cause, as of the end of the Partnership taxable year, the negative balance in such Limited Partner’s Capital Account to exceed such Limited Partner’s share of Partnership Minimum Gain plus such Limited Partner’s share of Partner Nonrecourse Debt Minimum Gain. Any losses which are not allocated to the Limited Partners by virtue of the application of this Section 10.3E shall be allocated as required under Treasury Regulation Section 1.704-1(b). For purposes of this Section 10.3E, a Partner’s Capital Account shall be treated as reduced by Qualified Income Offset Items.

F. The terms “profits” and “losses” used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering into the computation thereof, as determined in accordance with the accounting methods followed by the Partnership and computed in a manner consistent with Treasury Regulation Section 1.704-1(b)(2)(iv). Profits and losses for federal income tax purposes shall be allocated in the same manner as profits and losses under Section 10.3 except as provided in Section 10.6B.

G. Tax credits under Section 42 of the Code shall be allocated among the Partners in the same manner as the deductions attributable to the expenditures creating the tax credit are allocated among the Partners in accordance with Treasury Regulation Section 1.704-1(b)(4)(ii).

Section 10.4. Minimum Gain Chargebacks and Qualified Income Offset

A. If there is a net decrease in Partnership Minimum Gain during a Partnership taxable year, each Partner will be allocated items of income and gain for such year (and, if necessary, subsequent years) in the proportion to, and to the extent of, an amount equal to such Partner’s share of the net decrease in Partnership Minimum Gain during the year. A Partner is not subject to this Partnership Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(f) under Section 704 of the Code.
B. If there is a net decrease in Partner Nonrecourse Debt Minimum Gain during a Partnership taxable year, then each Partner with a share of the minimum gain attributable to such debt at the beginning of such year will be allocated items of income and gain for such year (and, if necessary, subsequent years) in proportion to, and to the extent of, an amount equal to such Partner's share of the net decrease in Partner Nonrecourse Debt Minimum Gain during the year. A Partner is not subject to this Partner Nonrecourse Debt Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(i)(4) applied consistently with Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(i)(4) under Section 704 of the Code.

C. If a Limited Partner unexpectedly receives (1) an allocation of loss or deduction or expenditures described in Section 705(a)(2)(B) of the Code made (a) pursuant to Section 704(e)(2) of the Code to a donee of an interest in the Partnership, (b) pursuant to Section 706(d) of the Code as the result of a change in any Partner's interest in the Partnership, or (c) pursuant to Regulation Section 1.751-1(b)(2)(ii) as a result of a distribution by the Partnership of unrealized receivables or inventory items or (2) a distribution, and such allocation and/or distribution would cause the negative balance in such Partner's Capital Account to exceed (i) such Partner's share of Partnership Minimum Gain plus (ii) such Partner's share of Partner Nonrecourse Debt Minimum Gain and (iii) the amount of such Partner's obligation, if any, to restore a deficit balance in his Capital Account, then such Partner shall be allocated items of income and gain in an amount and manner sufficient to eliminate such negative balance as quickly as possible. For purposes of this Section 10.4C, a Partner's Capital Account shall be treated as reduced by Qualified Income Offset Items.

Section 10.5. Recapture Amount

A. If at any time during the Compliance Period, the Project ceases to be a “qualified low income housing project” (as defined in Section 42(g)(1) of the Code) or any Low-Income Unit ceases to be a “low income unit” (as defined in Section 42(i)(3) of the Code), and as a result thereof all or any portion of credits allowed to the Partnership and its Partners under Section 42 of the Code are subject to recapture pursuant to Section 42(j) of the Code (such an occurrence being referred to herein as a Recapture Event), the Investor Limited Partner shall become entitled to additional cash distributions equal to the Recapture Amount.

B. The Recapture Amount is an amount that, after deduction of all federal income taxes payable by the Investor Limited Partner (or its partners) as computed under Section 10.5D below, is equal to the sum of (i) the “credit recapture amount” allocable to the Investor Limited Partner as defined in Section 42(j) of the Code (together with any interest or penalties incurred in connection with such credit recapture amount to the extent not otherwise included in such definition) plus (ii) the amount of credits allocable to the Investor Limited Partner which are disallowed in the year of the Recapture Event and in each subsequent year. Notwithstanding the foregoing, however, the Recapture Amount attributable to an event which also results in a reduction of the Capital Contribution of the Investor Limited Partner pursuant to Section 5.1B shall be zero if such reduction is actually effected by reduction of subsequent Installments or Tax Credit Shortfall Payments by the General Partners.
C. Any Recapture Amount distributable to the Investor Limited Partner pursuant to the foregoing provisions shall be distributed as funds become available for such distributions, but such distributions shall not be made prior to (i) in the case of the "credit recapture amount," the year of the Recapture Event and (ii) in the case of any credits disallowed with respect to any year subsequent to the Recapture Event, in each such subsequent year.

D. Determination of the Recapture Amount shall be made on the assumption that receipt or accrual by each partner of the Investor Limited Partner of any amounts distributable to such partner under Section 10.5C above will currently be subject to United States federal income tax at the highest marginal rate applicable to corporations for the year(s) in question (giving effect to the application of the alternative minimum tax).

E. All computations required under this Section 10.5 shall be made reasonably by the Investor Limited Partner, and the results of such computations, together with a statement describing in reasonable detail the manner in which such computations were made, shall be delivered to the Managing General Partner in writing. Within fifteen (15) days following receipt of such computation, the Managing General Partner may request that the Accountants determine whether such computations are reasonable and are not erroneous. If the Accountants determine that such computations are unreasonable or contain errors, then the Accountants shall determine what they believe to be the appropriate computations. If the Investor Limited Partner does not agree with the determination of the Accountants, then another accounting firm other than the Accountants to be selected jointly by the Investor Limited Partner and the Managing General Partner or, if they cannot agree, by the American Arbitration Association, from among the ten largest national accounting firms, shall make such computations. The computations of the Investor Limited Partner, the Accountants, or the other accounting firm so selected, whichever is applicable, shall be final, binding and conclusive upon the parties. All fees and expenses payable to an accounting firm other than the Accountants under this paragraph shall be borne solely by the Managing General Partner. All fees and expenses payable to the American Arbitration Association shall be borne equally by the General Partners and the Investor Limited Partner.

F. In the event that a claim is made by the Service which, if successful, would result in the determination that a Recapture Event has occurred, the Investor Limited Partner hereby agrees to take such action in connection with contesting such claim as the Managing General Partner shall reasonably request in writing from time to time; provided that: (i) within thirty (30) days after receiving notice of such claim, the Managing General Partner shall request that such claim be contested; (ii) the Investor Limited Partner shall not enter into a settlement or compromise with the Service with respect to, or shall otherwise concede, any claim which the Managing General Partner has requested be contested without the prior written consent of the Managing General Partner, which shall not be unreasonably withheld or delayed; and (iii) notwithstanding the foregoing, the Investor Limited Partner, in its sole option, may forego any and all administrative appeals, proceedings, hearings and conferences with the Service and pay (or cause its partners to pay) the tax claimed and sue for a refund in the appropriate United States District Court and/or the Court of Federal Claims, considering, however, in good faith such request as the Managing General Partner shall make concerning the most appropriate forum in which to proceed, in which event the Managing General Partner shall, if the Managing General Partner desires, contest such claim in the United States District Court or the Court of Federal Claims. The Investor Limited Partner agrees to notify the Managing General Partner in writing.
of any such claim and agrees not to make payment of the tax for at least thirty (30) days after giving such notice and agrees to give the Managing General Partner any information that is relevant and material to contest such claim and to cooperate in all reasonable respects with the Managing General Partner in good faith in order to contest any such claim effectively. The Managing General Partner and its counsel shall maintain confidentiality with respect to all such information insofar as is possible, consistent with the conduct of a contest hereunder. All reasonable legal and accounting fees and other third party costs and expenses incurred by the Investor Limited Partner or its partners in contesting a claim or with respect to such litigation shall be borne by the Managing General Partner.

G. If any claim referred to above shall be made by the Service and the Managing General Partner shall have reasonably requested the Investor Limited Partner or its partners to contest such claim as above provided and shall have duly complied with all of the terms of the foregoing provisions, the Recapture Amount as a consequence of such claim shall become fixed upon the Final Determination of the liability of the Investor Limited Partner or its partners for the tax claimed and after giving effect to any refund obtained, together with interest thereon; but in all other cases the Recapture Amount shall become fixed at the time the Investor Limited Partner or its partners agree to the adjustments relating to such claim.

Section 10.6. Special Provisions

A. Except as otherwise provided in this Agreement, all profits, losses, credits and distributions shared by the respective classes composed of the Special Limited Partner and the General Partners shall be allocated among the members of such class in accordance with the percentages set forth opposite their respective names in the Schedule. Subject to the provisions of Section 13.8, the Investor Limited Partner and Special Limited Partner each shall be deemed to have been admitted to the Partnership as of the first day of the month during which its actual admission occurs for purposes of allocating profits and losses.

B. Income, gain, loss and deduction with respect to property which has a variation between its basis computed in accordance with Treasury Regulation Section 1.704-1(b) and its basis computed for federal income tax purposes shall be shared among the Partners for tax purposes so as to take account of such variation in a manner consistent with the principles of Section 704(c) of the Code and Treasury Regulation Sections 1.704-1(b)(2)(iv)(g) and 1.704-3.

C. If the Partnership shall receive any purchase money indebtedness in partial payment of the purchase price of the Project and such indebtedness is distributed to the Partners pursuant to the provisions of Section 10.1B or Section 10.2, the distributions of the cash portion of such purchase price and the principal amount of such purchase money indebtedness hereunder shall be allocated among the Partners in the following manner: On the basis of the sum of the principal amount of the purchase money indebtedness and cash payments received on the sale (net of amounts required to pay Partnership obligations and fund reasonable reserves), there shall be calculated the percentage of the total net proceeds distributable to each class of Partners based on Section 10.1B or Section 10.2, as applicable, treating cash payments and purchase money indebtedness principal interchangeably for this purpose, and the respective classes shall receive such respective percentages of the net cash purchase price and purchase money principal. Payments on such purchase money indebtedness retained by the Partnership shall be distributed in accordance with the respective portions of principal allocated to the respective classes of
Partners in accordance with the preceding sentence, and if any such purchase money indebtedness shall be sold, the sale proceeds shall be allocated in the same proportion.

D. In the event that any fee payable to any General Partner or any Affiliate shall instead be determined to be a non-deductible, non-capitalizable distribution from the Partnership to a Partner for federal income tax purposes, then there shall be allocated to such General Partner an amount of gross income equal to the amount of such distribution.

E. Notwithstanding any provision to the contrary in this Article X, funds of the Partnership constituting Designated Proceeds shall be applied to pay Development Costs and the Development Amount in accordance with the provisions of this Agreement, the Development Agreement and the Project Documents.

F. In applying the provisions of this Article X with respect to distributions and allocations, the following ordering of priorities shall apply:

   (1) Capital Accounts shall be deemed to be reduced by Qualified Income Offset Items.

   (2) Capital Accounts shall be reduced by distributions of Cash Flow under Section 10.1A.

   (3) Capital Accounts shall be reduced by distributions from Capital Transactions under Section 10.1B.

   (4) Capital Accounts shall be increased by any minimum gain chargeback under Section 10.4A or 10.4B.

   (5) Capital Accounts shall be increased by any qualified income offset under Section 10.4C.

   (6) Capital Accounts shall be increased by allocations of profits under Section 10.3A.

   (7) Capital Accounts shall be reduced by allocations of losses under Section 10.3A.

   (8) Capital Accounts shall be reduced by allocations of losses under Section 10.3B.

   (9) Capital Accounts shall be increased by allocations of profits under Section 10.3B.

G. For purposes of determining each Partner's proportionate share of excess Partnership Nonrecourse Liabilities pursuant to Treasury Regulation Section 1.752-3(a)(3), the Investor Limited Partner shall be deemed to have a 99.99% interest in profits of the Partnership and the General Partners shall be deemed to have a 0.01% interest in profits of the Partnership.
H. To the maximum extent permitted under the Code, allocations of profits and losses shall be modified so that the Partners' Capital Accounts reflect the amount they would have reflected if adjustments required by Section 10.4 had not occurred. Furthermore, if for any fiscal year the application of the provisions of Section 10.4 would cause a distortion in the economic sharing arrangement among the Partners and it is not expected that the Partnership will have sufficient other income to correct that distortion, the General Partners may request a waiver from the Service of the application in whole or in part of Section 10.4 in accordance with Treasury Regulation Section 1.704-2(f)(4).

I. To the extent that interest on obligations to any General Partner or its Affiliates is determined to be deductible by the Partnership in excess of the stated amount of interest payable thereunder, the corresponding additional interest deduction shall be allocated solely to such General Partner.

J. Any interest income earned by the Partnership on any and all reserve, escrow or other accounts prior to the Completion Date shall be specially allocated to the General Partner.

**ARTICLE XI**

**Management Agent**

Section 11.1. Management Agent

The General Partners shall have responsibility for obtaining a Management Agent acceptable to the Investor Limited Partner and each Lender and Agency to manage the Project in accordance with the requirements of each Lender and Agency. The General Partners shall cause the Partnership to enter into the Management Agreement with the Management Agent, which may be an Affiliate of a General Partner; provided, however, that in the event that the Management Agreement is with an Affiliate of a General Partner, the Management Agreement shall provide that the Management Agent shall be removed and the Management Agreement shall be terminated if the General Partner is removed pursuant to this Agreement. The initial Management Agent shall be Alpha-Barnes Real Estate Services. Subject to the Regulations, the Management Agent shall be entitled to receive a reasonable and competitive Management Fee (determined by reference to arm's-length property management arrangements for comparable properties in force in the general locality of the Project) not to exceed the lesser of 4% of gross rental income or the maximum amount permitted by any relevant Agency or Lender.

If at any time after the Completion Date:

(i) the Project shall be subject to any substantial building code violation which shall not have been cured within ninety (90) days after notice from the applicable governmental agency or department or unless such violation is being validly contested by the General Partners by proceedings which operate to prevent any fines or criminal penalties from being levied against the Partnership or unless, in the case of any such violation not susceptible of cure within such ninety (90)-day period, the General Partners are diligently making reasonable efforts to cure the same,
(ii) operating revenues of the Project in respect of any period of twenty-four (24) consecutive calendar months after the Completion Date shall be insufficient to permit the Partnership to pay when due on a current basis all Partnership obligations in respect of such twenty-four (24)-month period,

(iii) the Project ceases to qualify as a “qualified low-income housing project” under Section 42(g) of the Code or any of the Low Income Units in the Project ceases to qualify as a “low income unit” under Section 42(i)(3) of the Code,

(iv) a Recapture Event shall have occurred, or

(v) the Management Agent or its agents or employees have demonstrated incompetence or malfeasance in the management of the Project, or

(vi) the Special Limited Partner has elected to remove a General Partner that is an Affiliate of the Management Agent pursuant to the provisions of Section 7.7,

then the General Partners shall forthwith give to the Special Limited Partner notice of such event, and thereafter the Partnership shall, subject to any Requisite Approvals, forthwith terminate its management agreement with the Management Agent, unless the approval of the Special Limited Partner is obtained to the retention of the Management Agent. Upon any termination, the General Partners shall immediately proceed to select a qualified Person as the new Management Agent (which, in the event the terminated Management Agent was an Affiliate of a General Partner, shall be unaffiliated with any General Partner) as the new Management Agent for the Property, which selection shall be subject to any Requisite Approvals; and, after such selection, no Management Fee shall be payable to any Person which is an Affiliate of a General Partner unless the management contract with any such Person shall provide for the right of the Partnership to terminate the same upon the occurrence of the circumstance described in this Article XI. By its execution hereof, the Management Agent agrees that the provisions of this Section which limit the amount of the Management Fee and provide for the termination of the Management Agent under the circumstances herein described are hereby incorporated into any present or future Management Agreement (which shall be deemed amended hereby to the extent necessary to give effect to such provisions).

Section 11.2. Special Power of Attorney

If an event described in clauses (i) through (vi) of Section 11.1 above occurs and the General Partner fails to send a Management Default Notice to the Special Limited Partner within the ten (10) days of the date the General Partner became aware of such event, the Special Limited Partner hereby is granted an irrevocable power of attorney, coupled with an interest, to take such action, and to execute and deliver such documents on behalf of the Partners and the Partnership, as shall be legally necessary and sufficient to effect the provisions of this Article XI.
ARTICLE XII

Books and Reporting, Accounting, Tax Election, Etc

Section 12.1. Books, Records and Reporting

A. The General Partners shall keep or cause to be kept a complete and accurate set of books and supporting documentation with respect to the Partnership's business. The books of the Partnership shall be kept on the accrual basis. The books and records of the Partnership (including all records required to be maintained under the Uniform Act) shall, at all times be maintained at the offices of the Developer until the Completion Date, and thereafter at the principal office of the Partnership. Each Partner, its duly authorized representatives and any regulatory authority which regulates such Partner shall have the right to examine the books of the Partnership and all other records and information concerning the Partnership and the Project at reasonable times. The books and records of the Partnership shall include, without limitation, copies of the following: (i) the Partnership's federal, state and local income tax or information returns and reports, if any, and all related back-up documentation for ten (10) years from the date of production and (ii) financial statements of the Partnership for ten (10) years from the date of production.

B. The books of the Partnership shall be examined by the Accountants in accordance with generally accepted auditing standards annually as of the end of each fiscal year of the Partnership. The General Partners shall prepare a balance sheet as of the end of each such year and statements of income, partners' equity and cash flows for such year. Said balance sheet and statements shall be accompanied by the opinion of the Accountants that said balance sheet and statements have been prepared in accordance with generally accepted accounting principles applied consistently with prior periods identifying any matters to which the Accountants take exception and stating, to the extent practicable, the effect of each such exception on such financial statements. As a note to such financial statements, the General Partners shall prepare a schedule of all loans to the Partnership (to be reviewed by the Accountants), setting forth the purpose of such loan and Section of this Agreement under which such loan was obtained. Such schedule shall demonstrate that loans have been made, used, carried on the books of the Partnership (and repaid, if applicable) in accordance with the provisions of this Agreement. In addition, after the first year in which the Accountants examine the financial statements of the Partnership after completion of the Project, the depreciation schedule for that year and all future years, along with the depreciation worksheet, shall be prepared by the General Partners, reviewed by the Accountants and furnished to the Investor Limited Partner. The General Partners shall, promptly upon receipt of such balance sheet and statements and in any event within sixty (60) days after the end of each fiscal year, transmit to the Investor Limited Partner a copy thereof. The Accountants shall also review and sign the federal and state income tax returns of the Partnership. In connection with the preparation of such tax returns, the General Partners shall seek and obtain the advice of the Special Limited Partner with respect to material allocations of assets for cost recovery purposes. The General Partners shall complete the books of the Partnership in such time as will allow the Accountants to complete such tax returns within forty-five (45) days after the end of such fiscal year. The General Partners shall cause such tax returns to be filed within such time periods and shall immediately upon the filing thereof transmit to the Investor Limited Partner a copy of Schedule K-1. If the General Partners fail to
complete such tax returns and to transmit such Schedule K-1 to the Investor Limited Partner within such time periods, shall fail to transmit the annual balance sheet and financial statements to the Investor Limited Partner within the time period set forth above or shall fail to deliver any of the information required by Section 12.1E within twenty (20) days after the end of any applicable quarter of the Partnership's fiscal year, the General Partners shall pay as damages the sum of $250 per day (plus interest at the Designated Prime Rate plus 3% per annum) to the Investor Limited Partner until such Schedule K-1, and financial statements and information required pursuant to Section 12.1E are received by the Investor Limited Partner. Such damages shall be paid forthwith by the General Partners and failure to so pay shall constitute a default of the General Partners under Section 6.3C. In addition, if the General Partners fail to so pay, the Investor Limited Partner may deduct any unpaid damages from any portion of its Capital Contribution not yet paid, or if such Capital Contribution has been fully paid then the General Partners and their Affiliates shall forthwith cease to be entitled to the Incentive Management Fee and any Cash Flow. Such payments of the Incentive Management Fee and Cash Flow shall only be restored upon the payment of such damages in full and any amount of such damages not so paid shall be deducted against payments of the Incentive Management Fee and Cash Flow otherwise due to the General Partners or their Affiliates.

Such reports and estimates shall clearly indicate the methods under which they were prepared and shall be made at the expense of the Partnership.

C. If the General Partners fail to complete such tax returns and submit such Schedules K-1 on a timely basis, the Investor Limited Partner may select a firm of accountants who shall prepare such returns and Forms K-1. The General Partners shall immediately furnish all necessary documentation and other information to prepare such tax returns and such Schedules K-1 to such accountants.

D. Every Limited Partner shall at all times have access to the records of the Partnership and may inspect and copy any of them. A list of the names and addresses of all of the Limited Partners shall be maintained as part of the books and records of the Partnership and shall be mailed to any Limited Partner upon request. A reasonable charge for copy work may be charged by the Partnership. Within a reasonable time following receipt of a written direction from the Investor Limited Partner, the General Partners shall furnish copies of information or reports required to be maintained or prepared pursuant to this Article XII to members or limited partners of the Investor Limited Partner. Any such direction shall specifically identify the information or reports requested and the name and address of each member or limited partner of the Investor Limited Partner to receive the same.

E. Within fifteen (15) days following the end of each of the first three (3) quarters of each fiscal year (and, if and to the extent specifically requested in writing by the Investor Limited Partner, within twenty (20) days following the end of such fiscal year), the Managing General Partner shall send to each Person who was a Limited Partner at any time during such quarter one or more reports which, taken together, provide the following information (which need not be audited): (i) a balance sheet as at the end of such quarter; (ii) a statement of income for such quarter on the cash as well as accrual bases; (iii) a statement of cash available for distribution and reserves for such quarter; (iv) a statement describing (a) any new agreement, contract or arrangement between the Partnership and a General Partner or an Affiliate of a General Partner except for payroll and related benefits paid to the Management Company, (b) the
amount of all fees and other compensation and distributions and reimbursed expenses paid by the Partnership for the quarter to any General Partner or Affiliate of a General Partner, and (c) the amount of all distributions of Cash Flow and Capital Transaction proceeds made to Partners; and (v) a report of the significant activities of the Partnership during the fiscal quarter. Each quarterly report shall also contain a certification by the General Partner that the Partnership or the General Partner has not received any notice or has been cited by or otherwise warned in writing of any “Violation” (as hereinafter defined) by any governmental entity, which Violation could have a materially adverse impact on any of them. For purposes of this certification, a Violation shall mean any act or omission complained of which, if uncured, would be in violation of (a) any applicable statute, code, ordinance, rule or regulation, (b) any agreement or instrument to which the governmental entity and the Partnership or the General Partner is a party or to which the Project is subject, (c) any license or permit, or (d) any judgment, decree or order of a court. Any exceptions to the foregoing shall be described in such certification. In addition, if requested by the Investor Limited Partner in writing, within a reasonable time after receipt of such a request, each General Partner shall send to the Investor Limited Partner such recent financial statements (including a balance sheet and statement of income) as shall have been so requested.

F. The General Partners shall provide the Investor Limited Partner and the Class B Limited Partner with (i) a copy of each draw request for construction or development costs as such requests are made to the Lender; (ii) a copy of each inspection report, evaluation or similar report issued to the Partnership by any Agency or Lender promptly upon receipt thereof; (iii) a copy of each low-income housing tax credit compliance report delivered to or prepared by the applicable tax credit monitoring agency or agencies with respect to the Project; (iv) prompt notice of any casualty or other significant adverse event relating to the Partnership; (v) evidence of insurance, (vi) at least annually, a schedule setting forth the adjustments necessary, if any, to state the income of the Partnership using the longer depreciable lives available under generally accepted accounting principles (rather than the depreciable lives used for federal income tax purposes), and (vii) such other information as the Investor Limited Partner may specifically request from time to time with regard to the business or operations of the Partnership. The General Partner shall authorize the Developer to execute draw requests on behalf of the Partnership.

G. By the fifteenth (15th) day of each month prior to the Development Obligation Date, the Class B Limited Partner shall provide the Investor Limited Partner with a brief written summary of the status of the construction, development, lease-up and operations of the Project during the prior month.

H. An annual pro forma operating budget for the succeeding calendar year shall be prepared by the General Partners and furnished to the Investor Limited Partner by November 30 of each year. In addition, the General Partners shall prepare and furnish to the Investor Limited Partner an estimate of the profits and losses of the Partnership for federal income tax purposes for the current fiscal year not later than September 30 of each year.

I. Within thirty (30) days following the close of the first year of the credit period with respect to the Project, the Class B Limited Partner shall provide the Investor Limited Partner with a copy (in electronic form, if feasible) of all records establishing the qualification of tenants under Section 42 of the Code.
J. The General Partners shall furnish to the Investor Limited Partner a radon gas test measurement report and conclusion (a “Radon Report”) for each Building upon completion of construction or rehabilitation thereof, unless the Project is located in a county in the lowest risk EPA radon map Zone 3. The Radon Report must come from a radon service professional who (i) meets state-specific requirements, if any, for providing such Radon Reports, and (ii) has a proficiency listing, accreditation or certification in radon test measurement from either (a) The National Environmental Health Association (“NEHA”) National Radon Proficiency Program or (b) The National Radon Safety Board (“NRSB”). Alternatively, a Radon Report from an environmental professional who lacks such a proficiency listing, accreditation or certification from NEHA or NRSB may be acceptable if it follows state-specific requirements and EPA recommendations and protocols set forth in the following EPA publications: Protocols for Radon and Radon Decay Product Measurements in Homes (EPA 402-R-93-003, June, 1993) and the Indoor Radon and Radon Decay Product Measurement Device Protocols (EPA 402-R-92-004, July, 1992), which protocols are summarized at www.airchek.com. If the Radon Report demonstrates that the radon gas level for a Building exceeds the EPA standard for radon action or remediation then in effect, the General Partners shall install a radon mitigation system or take other recommended mitigation measures and shall provide a follow-up Radon Report to confirm effectiveness.

Section 12.2. Bank Accounts

Subject to any Requisite Approvals, the bank accounts of the Partnership shall be maintained in such banking institutions as the General Partners shall determine and withdrawals shall be made only in the regular course of Partnership business on the signature of the Managing General Partner. All deposits and other funds not needed in the operation of the business shall be deposited, to the extent permitted by the Lender and the Agency, in interest-bearing accounts or invested in short-term United States Government obligations maturing within one (1) year.

Section 12.3. Elections

Unless the Consent of the Investor Limited Partner is obtained permitting a different treatment, and except to the extent otherwise required by Section 168(g)(1)(B) of the Code, the Partnership shall depreciate its residential rental property, site improvements and personal property costs, respectively, over twenty-seven and a half (27.5) years, fifteen (15) years and seven (7) years for federal income tax purposes and over forty (40) years, twenty (20) years and ten (10) years (or over such other relevant useful lives as the Accountants shall deem appropriate) for financial accounting purposes. Subject to the provisions of Section 12.4, all other elections required or permitted to be made by the Partnership under the Code shall be made by the General Partners in such manner as they consider to be most advantageous to the Limited Partners.

Section 12.4. Special Adjustments

In the event of (i) a transfer of all or any part of any Interest or (ii) an election pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) is made by the Investor Limited Partner, the Partnership shall elect, if requested by the transferee or by the Investor Limited Partner (as the case may be), pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) to adjust the basis of Partnership assets. Notwithstanding anything
Section 12.5. Fiscal Year

The fiscal year of the Partnership shall be the calendar year unless a different year is required by the Code.

Section 13.4. Applicable Law

This Agreement shall be construed and enforced in accordance with the internal laws of the State.

Section 13.5. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 13.6. Paragraph Titles

Paragraph titles and any table of contents herein are for descriptive purposes only, and shall not affect the meaning of this Agreement as set forth in the text.

Section 13.7. Separability of Provisions; Rights and Remedies; Arbitration

A. Each provision of this Agreement shall be considered separable and (i) if for any reason any provisions herein are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid, or (ii) if for any reason any provisions herein would cause the Limited Partners to be bound by the obligations of the Partnership under the laws of the State as the same may now or hereafter exist, such provisions shall be deemed void and of no effect.

B. Each of the parties hereto irrevocably waives during the term of the Partnership (including any periods during which the business of the Partnership is required to be continued under Article VII) any right (i) that such party may have to maintain any action for partition with respect to the property of the Partnership, and (ii) to commence an action seeking dissolution of the Partnership (unless the Consent of the Investor Limited Partner has been obtained).

C. Each of the parties confirms that damages at law may be an inadequate remedy for breach or threat of breach of any provisions hereof. The respective rights and obligations hereunder shall be enforceable by specific performance, injunction, or other equitable remedy, but nothing herein contained is intended to limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other parties for a breach or threat of breach of any provision hereof, it being the intention that the respective rights and obligations of the Partners shall be enforceable in equity as well as at law or otherwise.

D. In any instance in which any matter is to be determined by arbitration, such matter shall be submitted in the manner provided under the Commercial Arbitration Rules of the American Arbitration Association then in effect; such arbitration shall be conducted before one arbitrator, chosen in accordance with such rules in Dallas, Texas, and shall be binding on all parties to the dispute; judgment on the award of such arbitrator may be rendered by any court having jurisdiction of such parties and the subject matter. Section 13.8. Effective Date of Admission

Any Partner admitted to the Partnership during any calendar month shall be deemed to have been admitted as of the first day of such calendar month for all purposes of this Agreement including the allocation of profits, losses and credits under Article X; provided, however, that if regulations are issued by the Service or an amendment to the Code is adopted which would require, in the opinion of the Accountants, that a Partner be deemed admitted on a date other than as of the first day of such month, then the General Partners shall select a permitted admission date which is most favorable to the Partner.

Section 13.9. Delivery of Certificate

Promptly upon the filing of the Certificate and each amendment thereto in the Filing Office, the General Partners shall deliver or mail a copy thereof to each Limited Partner.

All parties agree that no oral agreements or course of conduct of the parties shall be deemed to be an amendment to this Agreement unless in writing signed as described above. So long as the Fleet Pledge is outstanding, any amendment of those provisions herein of which Fleet, as Agent, is a third party beneficiary, or any other amendment to any other provision herein which would materially affect Fleet's rights and priorities as Agent under the Fleet Pledge, shall require the prior written consent of Fleet. Insurance Requirements

(i) The General Partners shall cause the Partnership to maintain the following insurance types and coverages:

(1) “all risk” builders risk insurance satisfactory to the Special Limited Partner covering all property to be incorporated into the completed Project, whether under construction, stored on or off the Land or in transit, in an amount of not less than the full completed value of the Project (including architectural fees). Such insurance shall be written on a completed value form, may be subject to a per loss deductible not to exceed $10,000 and shall be specifically endorsed to provide coverage for the cost of any total or partial demolition of the Project required by law. Additional coverages shall be provided as follows for Projects located as set forth below:

(a) if the Project is located in California, earthquake coverage in an amount acceptable to the Special Limited Partner and subject to a deductible not to exceed 5% of the total insured value of the Project; provided, however, that such requirement shall be waived if the Project is shown to have an expected seismic damage ratio not greater than 10% as determined by independent engineers retained by the Special Limited Partner; and

(b) if the Project is located within ten miles off the coast of Florida, Alabama, Louisiana, Mississippi, North Carolina, South Carolina or Texas, windstorm coverage in an amount not less than the total insured value of the Project, which coverage shall be subject to a deductible not greater than 2% of the Project's total insured value; and

(c) if the Project is located within a 100-year flood plain (FEMA Flood Zone “A” – or any subdesignation of Zone “A”), National Flood Insurance Plan (NFIP) coverage is required with a deductible no greater than $500 per building. This coverage shall be obtained in addition to the “all risk” property insurance described in subparagraph (1) above;

the insurance described in this subparagraph (1) shall remain in force for the benefit of the Partnership until the Completion Date shall have occurred and the insurance coverage described in subsection (iv) below shall be in place;

(2) commercial general liability insurance in amounts of not less than $1,000,000 per occurrence (combined single limit) and $2,000,000 in the aggregate; and
(3) excess or umbrella liability insurance in an amount of not less than $5,000,000 (combined single limit), the terms of which shall follow the form of a general liability coverage specified in subparagraph (2) above.

(ii) The General Partners shall cause the Builder to obtain and maintain the following insurance types and coverages:

1. commercial general liability insurance in amounts of not less than $1,000,000 per occurrence (combined single limit), $2,000,000 general policy aggregate and $1,000,000 product-completed operations aggregate. Such aggregate amounts of insurance shall apply separately to the Project. The Builder's commercial liability insurance shall apply as primary insurance with respect to any other insurance maintained by the Partnership and shall specifically name the Partnership and the Investor Limited Partner as additional insureds;

2. contractors professional liability in an amount of not less than $1,000,000 in the aggregate;

3. comprehensive automobile insurance in an amount of $1,000,000 combined single limit covering liability arising out of any owned, non-owned or hired vehicle utilized by the Builder in conjunction with the Project;

4. workers compensation insurance providing statutory benefits to all employees of the Builder and employer's liability coverage in an amount of not less than $500,000; and

5. excess or umbrella liability in an amount of not less than $5,000,000 (combined single limit) which follows the form of all underlying liability insurance (excepting contractors professional liability) maintained by the Builder pursuant to this Agreement.

(iii) The General Partners shall use their best efforts to assure that the Builder shall cause each of its subcontractors to purchase and maintain insurance of the types specified in subparagraph (ii) above. The General Partners shall obtain from the Builder copies of certificates of insurance evidencing such coverage for each such subcontractor.

(iv) Commencing on the Completion Date and at all times thereafter, the General Partners shall cause the Partnership to maintain the following insurance types and coverages:

1. "all risk" property insurance in an amount of not less than the minimum amount required by any Lender, or the full replacement cost of all real and personal property, whichever is greater. Such contract of insurance shall include loss of rents coverage in an amount of not less than the Project's currently projected annual gross rent, an agreed amount endorsement covering all property and rental values and a standard building laws endorsement, including coverage for building ordinance compliance, demolition and increased cost of construction,
and shall be subject to a per loss deductible not to exceed $10,000. Additional coverages shall be provided as follows for Projects located as set forth below;

(a) if the Project is located in California, earthquake coverage in an amount acceptable to the Special Limited Partner and subject to a deductible not to exceed 5% of the total insured value of the Project; provided, however, that such requirement shall be waived if the Project is shown to have an expected seismic damage ratio not greater than 10% as determined by independent engineers retained by the Special Limited Partner; and

(b) if the Project is located within ten miles of the coast of Florida, Alabama, Louisiana, Mississippi, North Carolina, South Carolina or Texas, windstorm coverage in an amount not less than the total insured value of the Project, which coverage shall be subject to a deductible not greater than 2% of the Project's total insured value; and

(c) if the Project is located within a one hundred (100)-year flood plain (FEMA Flood Zone “A” - or any subdesignation of Zone “A”), National Flood Insurance Plan (NFIP) coverage is required with a deductible no greater than $500 per building. This coverage shall be obtained in addition to the “all risk” property insurance described in subparagraph (1) above; and

(d) the above “all risk” policy shall not contain any exclusion for acts of terrorism. If the above policy contains such an exclusion, the Partnership shall obtain separate insurance covering any such exclusion for terrorist acts, provided that such coverage is available in the marketplace, purchased by similar properties in the same region, and available at a commercially reasonable price.

(2) commercial general liability insurance, issued in the name of the Partnership, in amounts of not less than $1,000,000 per occurrence (combined single limit) and $2,000,000 in the aggregate;

(3) workers compensation insurance providing statutory benefits for all employees of the Partnership, and employer's liability insurance for the benefit of the Partnership in an amount of not less than $1,000,000;

(4) obtain and maintain a contract of comprehensive automobile insurance, including non-owned automobile liability, for the benefit of the Partnership in an amount not less than $1,000,000 (combined single limit); and

(5) obtain and maintain a contract of excess or umbrella liability insurance in an amount not less than $5,000,000 (combined single limit), which follows the form of all underlying liability contracts and is issued in the name of the Partnership.
(v) The General Partners shall cause the Management Agreement to require that the Management Agent obtain and maintain at all times with respect to the Project the insurance coverage as required in clause (iv) above, to the extent that the General Partners have not arranged for such coverage and to require that the Management Agent maintain:

(1) a policy of commercial general liability insurance in amounts not less than $1,000,000 per occurrence and $2,000,000 in the aggregate which shall name the Partnership as an additional insured;

   (a) the above commercial general liability policy shall contain no exclusion for mold or other bacterial contaminants. If the policy does contain such exclusion, the Partnership shall secure coverage for these exclusions by buying back the coverage from the liability carrier or purchasing an environmental liability policy that does not contain this exclusion.

(2) worker's compensation coverage for that company's employees;

(3) a fidelity bond in an amount not less than six (6) months of Project gross rental receipts;

(4) comprehensive automobile liability insurance (where applicable) in an amount not less than $1,000,000 (combined single limit); and

(5) property manager's professional errors and omissions insurance in an amount not less than $1,000,000 (the Management Agent shall provide the General Partners with evidence of the required coverage in the form of current certificates of insurance for as long as the Management Agreement shall remain in force).

All of the insurance policies required by this Exhibit C shall (a) be written by insurance companies which are licensed to do business in the State where the Project is located, or obtained through a duly authorized surplus line insurance agent or otherwise in conformity with the laws of such State, with a rating of not less than the third (3rd) highest rating category by any one of the Rating Agencies or with an A.M. Best Company, Inc. rating of <A> or higher and a financial size category of not less than VII or a rating of at least BBBo in the Insurer Solvency Review published by Standard & Poor's; (b) specifically identify the Investor Limited Partner as a named additional insured with the Partnership as the named insured; and (c) include a provision requiring the insurance company to notify the Investor Limited Partner in writing no less than thirty (30) days prior to any cancellation, non-renewal or material change in the terms and conditions of coverage. In addition, the General Partners shall provide the Investor Limited Partner with certificates of insurance and certified copies of all insurance contracts required by this Exhibit C within thirty (30) days of their inception and subsequent renewals.

The General Partners shall review regularly all of the Partnership and Project insurance coverage to insure that it is adequate. In particular, the General Partners shall review at least annually the insurance coverage required hereunder to insure that it is in an amount at least equal to the then current full replacement value of the Improvements.
Without limitation of the foregoing, the General Partners shall deliver to the Investor Limited Partner on or before the date of Investment Closing one or more certificates or memoranda or insurance, in form reasonably acceptable to the Investor Limited Partner, evidencing, (i) the existence of the insurance policies and coverages specified above, (ii) that the Partnership and its Partners (including the Investor Limited Partner and Special Limited Partner) are named as additional insureds, and (iii) that such insurance policies will not be cancelled by the insurers except within thirty (30) days' written notice to the Investor Limited Partner. From time to time following Investment Closing, the General Partners shall deliver to the Investor Limited Partner such further certificates or memoranda of insurance as the Investor Limited Partner may reasonably require to confirm that such insurance and notice provisions with respect to insurance under this Agreement have been complied with.

Re: PWA-Plano Independence Senior Community, L.P., a Texas limited partnership (the "Partnership")

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership dated as of May 1, 2004 (the "Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Using information provided to us by the Partnership concerning Evergreen at Plano Parkway, an apartment complex located in Plano, Texas (referred to herein as the "Project"), we have performed the following procedures:

We have compiled a statement of income and expenses for the three months ended [Date], 20__.

We have obtained an annual budget prepared by the Project's management agent for the year ended December 31, 20__.

We have adjusted the statement to annualize all expenditures, including those of a seasonal or irregular nature which might reasonably be expected to be incurred on an unequal basis during a full annual period of operations. (Examples of such expenditures include debt service, reserve funding, maintenance, utilities, snow removal and real estate taxes.)

We have compared the budget for such period to the statement of actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership and the management agent.
We have determined that the Project, for each of three calendar months commencing on or after Final Closing, has achieved Breakeven, as that term is defined in the Partnership Agreement.

Copies of the calculations and adjustments we have made in reaching the determination above and of financial statements and budgets upon which such calculations are based are attached hereto.

Re: PWA-Plano Independence Senior Community, L.P., a Texas limited partnership
(the "Partnership")

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement
of Limited Partnership of the Partnership among MMA Financial Bond Warehousing, LLC, a
Maryland limited liability company ("MMAF") and other parties dated as of May 1, 2004 (the
"Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have
the meanings set forth in the Partnership Agreement.

Based upon information provided to us by the Partnership concerning Evergreen at Plano
Parkway (an apartment complex located in Plano, Texas, referred to herein as the "Project"), we
have performed the following procedures.

We have compiled a statement of the development costs through _______, 200_ and
the expected classification of each cost for tax purposes.

We have obtained a budget for the development costs from the Partnership.

We have compared the budget for such costs to the actual results, and have made all
inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both
the assumptions used and the information provided to us by the Partnership.

We have determined that the Annual Credit properly allocable to MMAF as the Investor
Limited Partner will be approximately $_______.

Furthermore, nothing has come to our attention to suggest that the data or assumptions on
which the above determinations are based are incorrect or inappropriate.
In making these determinations, we have assumed that 100% of the apartment units in the Project will be "low-income units" as such term is defined in Section 42(i)(3) of the Internal Revenue Code of 1986, as amended, and have no reason to believe that such assumption is unwarranted.

Copies of the calculations we have made in reaching the determinations above and of the financial statements and budgets upon which such calculations are based are attached hereto.

Re: Existing TDHCA Properties for 811 Consideration

Dear Mr. Duran:

As the syndicator for the following developments that have been financed with Low Income Housing Tax Credits, we have reviewed your request to enter into a Section 811 contract to provide additional Section 811 units at the following properties.

(vii) the seventh Installment (the “Seventh Installment”) in the amount of $229,000, shall be paid upon the receipt by the Partnership of properly executed Form(s) 8609 with respect to all of the Buildings comprising the Project and receipt of a properly recorded Extended Use Agreement.

B. The obligation of the Investor Limited Partner to make each Installment (except as otherwise provided) is subject to each of the following conditions:

(i) The General Partners shall have properly completed, executed and delivered to the Investor Limited Partner a certificate relating to the appropriate remaining Installments (the “Payment Certificate”), in the forms attached hereto as Exhibits E through I, relating to the appropriate remaining Installments, dated
the date such Installment is to be paid to the Partnership and attaching the Title Policy endorsement and any other materials referred to therein. In connection with the payment of each Installment, the Investor Limited Partner shall have the right to conduct a physical inspection of the Property to determine that the condition of the Project is consistent with sound business practices in the geographic area in which the Project is located, including no deferred maintenance. The Investor Limited Partner shall conduct such inspection within ten (10) business days of being requested to do so by the General Partner, provided, however, that the Investor Limited Partner will be deemed to waive such physical inspection requirement if it does not make such inspection within ten (10) business days of receipt of a written request by the General Partner to do so (which may be sent prior to the date of the Payment Certificate, but not more than ten (10) business days prior to the date of the Payment Certificate).

(ii) In the case of the First Installment, all Requisite Approvals to the admission of the Investor Limited Partner pursuant to this Agreement shall have been obtained and the Project shall have received a Credit Approval in the amount of at least $615,327 per annum.

(iii) Each of the representations and warranties set forth in Section 6.5 shall in all material respects be true and correct.

(iv) No event shall have occurred which would permit the Investor Limited Partner to give an Election Notice under Section 5.2.

(v) From and after the date of the occurrence of an Event of Bankruptcy as to any General Partner, any Guarantor or the Developer, the obligation of the Investor Limited Partner to pay the Installments shall be suspended, and such obligation shall be reinstated only when such Event of Bankruptcy shall have been cured in a manner approved in writing by the Investor Limited Partner.

(vi) No Installment shall be payable unless all conditions for all prior Installments have been satisfied.

Section 5.2. Adjustment to Capital Contributions of Investor Limited Partner

The Capital Contribution of the Investor Limited Partner shall be subject to adjustment in the manner provided in this Section 5.2.

A. Federal Downward Basis Adjuster If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to which, the Adjusted Aggregate Federal Credit Amount properly allocable to the Investor Limited Partner during the Credit Period for all of the Buildings in the Project is or will be less than the Projected Aggregate Federal Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be reduced in the aggregate by the “Federal Adjustment Factor” (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Credit Amount is less than the Projected Aggregate Federal Credit Amount (the resulting product being referred to
herein as the “Federal Adjustment Amount”). Prior to the release of the Fifth Installment, the
“Adjustment Factor” shall be an amount equal to $0.83. From and after the release of the Fifth
Installment, the “Adjustment Factor” shall be an amount equal to $0.914. The Federal
Adjustment Amount shall be increased by 10% per annum commencing on the Admission Date
and continuing until the payment of the amount of such reduction in full (for purposes of this
sentence, any reduction effected by reduction in the amount of an Installment as provided in
Section 5.2C shall be deemed to have been paid on the date on which such Installment shall
actually become payable hereunder).

B. Federal Timing Adjuster If at any time and from time to time the Accountants
shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to
which, the amount of the Federal Tax Credits properly allocable to the Investor Limited Partner
is less than $107,661 in 2005, $551,120 in 2006, and $615,204 in 2007 (the “Target Amounts”),
then the Capital Contribution of the Investor Limited Partner shall be reduced by $0.60 for each
$1.00 that the Federal Tax Credits properly allocable to the Investor Limited Partner is less than
$107,661 in 2005, $551,120 in 2006, and $615,204 in 2007 (a "Federal Timing Adjustment”)
Notwithstanding the foregoing, however, in the event that the Adjusted Aggregate Federal Credit
Amount shall vary from the Projected Aggregate Federal Credit Amount in effect on the date of
the Investment Closing, the Target Amounts for purposes of the preceding sentence shall be
adjusted by the same percentage by which the Adjusted Aggregate Federal Credit Amount varies
from the Projected Aggregate Federal Credit Amount.

C. Payment of Federal Adjustments Any Federal Adjustment Amount (as increased
pursuant to the last sentence of Section 5.2A) or Federal Timing Adjustment shall be applied first
to reduce the amount of any unpaid portions of the Installments of the Capital Contribution of the
Investor Limited Partner, in order, by a corresponding amount. If the aggregate Federal
Adjustment Amount (as increased pursuant to the last sentence of Section 5.2A) and Federal
Timing Adjustment exceeds the amount of such unpaid Installments, then the General Partners
shall make a payment (a “Federal Tax Credit Shortfall Payment”) to the Investor Limited Partner
in the amount of such excess within thirty (30) days of the date of the determination in question.
Unless the treatment thereof as a Capital Contribution is approved in writing by the Investor
Limited Partner in its sole discretion, any such Federal Tax Credit Shortfall Payment by the
General Partners shall not constitute a Capital Contribution, loan or advance to the Partnership
and shall not be reimbursable by the Partnership, but shall be treated as a payment by the General
Partners to the Investor Limited Partner for breach of warranty by the General Partners to the
Investor Limited Partner. If full payment of such excess amount is not received within such
thirty (30)-day period, the unpaid balance shall thereafter bear interest at the Designated Prime
Rate.

D. Provisional Adjustments If, upon receipt by the Investor Limited Partner of a
Payment Certificate with respect to any Installment, the Investor Limited Partner shall have a
reasonable basis to believe that the amount of such Installment would have been subject to
reduction if the Accountants had made a current determination or projection under Section 5.2A
or 5.2B above, the Investor Limited Partner may so notify the General Partners within seven (7)
business days of receipt of such Payment Certificate, and the General Partners shall thereupon
engage the Accountants to make such determination or projection (unless the General Partners
and Investor Limited Partner shall mutually agree upon the adjustments to be made). The
amount of the Installment in question shall then be provisionally reduced in accordance with such projection or agreement; provided, however, that if the Accountants' subsequent determinations with respect to matters provisionally reduced under this paragraph shall vary from the determinations or mutual agreements described herein, then either (i) the Investor Limited Partner shall promptly pay to the Partnership the amounts, if any, by which the provisional reduction exceeded the reduction as subsequently determined or (ii) the amount, if any, by which the reduction as subsequently determined exceeded the provisional reduction shall be applied against future Installments or refunded as provided in Section 5.2C above. The due date for payment by the Investor Limited Partner of any Installment which shall become the subject of the procedure described in this paragraph shall be tolled pending determination of the provisional reduction (if any) as provided herein.

E. Federal Upward Basis Adjuster If at any time and from time to time the Accountants shall determine or there shall be a Final Determination that the Adjusted Aggregate Federal Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be increased in the aggregate by the "Federal Increase Factor" (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Credit Amount exceeds the Projected Aggregate Federal Credit Amount. The "Federal Increase Factor" shall be an amount equal to $0.83 for every $1.00 by which the Adjusted Aggregate Federal Credit Amount exceeds the Projected Aggregate Federal Credit Amount. In no event shall any increase in the Investor Limited Partner's Capital Contribution pursuant to this Section 5.2E exceed $500,000. Such increase in the Investor Limited Partner’s Capital Contribution shall be payable at the time of the payment of the Seventh Installment. Notwithstanding the foregoing, in the event that, through the Completion Date: (1) the amount of interest income allocated to the Investor Limited Partner exceeds the deductible investment interest expense allocated to the Investor Limited Partner (the “Net Interest Income”), then the increased Capital Contribution payable under this Section 5.2E shall be reduced by an amount equal to 40% of any Net Interest Income.

Section 5.3. Repurchase of Investor Limited Partner's Interest

A. The General Partner hereby agrees to purchase the Interest of the Investor Limited Partner if any of the following events shall occur:

(i) Final Closing and Permanent Mortgage Commencement shall not have taken place on or before August 1, 2007, provided, however, that such date may be automatically extended for a period of up to twelve (12) months to the extent the expiration dates set forth in the Project Documents shall have been extended beyond such date; or

(ii) at any time prior to the Development Obligation Date, (1) any action to foreclose any Mortgage shall have been commenced and such action is not terminated or withdrawn within ninety (90) days or a binding agreement with the holder(s) thereof to effect the same entered into within such period, and any notice of acceleration of indebtedness waived or withdrawn; (2) any action is
commenced to foreclose any mechanics' or any other lien (other than the lien of any Mortgage) against the Project and such action has not within ninety (90) days been either bonded against in such a manner as to preclude the holder of such lien from having any recourse to the Property or to the Partnership for payment of any debt secured thereby, or affirmatively insured against by the title insurance policy or an endorsement thereto issued to the Partnership by a reputable title insurance company (which insurance company will not have indemnity from or recourse against Partnership assets by reason of any loss it may suffer by reason of such insurance) in an amount satisfactory to Special Tax Counsel; (3) construction or operation of the Project shall have been enjoined by a final order (from which no further appeals are possible) of a court having jurisdiction and such injunction shall continue for a period of ninety (90) days; (4) any of the Forward Commitments is terminated, withdrawn or becomes unenforceable (except as a result of full performance thereof in accordance with its terms) and such Forward Commitment is not reinstated (or replaced on terms at least as favorable to the Partnership) within ninety (90) days; (5) a casualty occurs resulting in substantial destruction of more than 50% of the Project, or there is substantial destruction of less than 50% of the Project and the insurance proceeds (if any) are insufficient to restore the Project or the Project is not so restored within twenty-four (24) months following such casualty; or (6) the Project shall become ineligible for 50% or more of the low-income housing tax credit anticipated to be generated by the Project, as calculated on the basis of the information set forth in the Investment Assumptions;

(iii) any Lender or Agency shall disapprove, or fail to give a required approval of, the Investor Limited Partner as a Partner of the Partnership; or

(iv) in the event Building Permits for the Project have not been received by the Investor Limited Partner by October 15, 2004.

B. If any such event set forth in Section 5.2A shall occur, the General Partners shall give notice to the Investor Limited Partner and the Class B Limited Partner (with a copy to the Servicing Agent) of the obligations of the Class B Limited Partner hereunder to purchase the Investor Limited Partner’s Interest (such obligation being herein called a “Purchase Obligation” and such notice the “Purchase Obligation Notice”) within fifteen (15) days after the occurrence of any event giving rise to such obligation. If the Investor Limited Partner elects to sell its Interest hereunder, it shall give the General Partners and the Class B Limited Partner notice of such election (an “Election Notice”) within thirty (30) days after such Purchase Obligation Notice from the General Partners is received by the Investor Limited Partner (or, in the event that such Purchase Obligation Notice from the General Partners is not given, at any time after the occurrence of such event).

C. Within thirty (30) business days after delivery to the General Partners and the Class B Limited Partner of an Election Notice from the Investor Limited Partner, the Class B Limited Partner shall pay the Investor Limited Partner a purchase price (the “Purchase Price”) in cash (with interest thereon at the Designated Prime Rate commencing on the fifth (5th) day following the date of such delivery) equal to (i) the sum of (a) 110% of the Investor Limited
Partner’s Net Capital Contribution (whether or not theretofore paid-in to the Partnership), plus (b) the amount of any interest or penalties payable in connection with any recapture of tax credits allocated to the Investor Limited Partner pursuant to the Partnership Agreement less (ii) the sum of (a) that portion of the Net Capital Contribution which has not theretofore been paid-in to the Partnership, (b) the amount of Cash Flow theretofore distributed by the Partnership in respect of the Investor Limited Partner’s Interest and (c) the amount of any tax credits allocable to the Interest which will not be recaptured as a result of the disposition of said Interest or otherwise.

D. Upon the giving of its Election Notice, the Investor Limited Partner shall have no further obligations under this Agreement, and the General Partners and Class B Limited Partner shall indemnify and defend the Investor Limited Partner and hold it harmless against any such obligations. The General Partners and the Class B Limited Partner shall take all action and shall pay all costs necessary to enable the Investor Limited Partner to receive and retain the Purchase Price as against any creditor of any General Partner, the Class B Limited Partner or the Partnership. Notwithstanding the purchase by the Class B Limited Partner of the Interest of the Investor Limited Partner pursuant to Section 5.2A, to the extent permitted under the applicable provisions of the Code, the Investor Limited Partner shall be allocated any profits or losses and tax credits in respect of said Interest for the period prior to the date of the receipt by the Investor Limited Partner of payment therefor. Anything herein to the contrary notwithstanding, title to the Interest of the Investor Limited Partner shall not vest in the General Partners until payment in full of the Purchase Price therefor. Upon such payment, the General Partners shall forthwith cause an amendment hereto and to the Certificate and any other necessary papers to be executed, filed, recorded and published wherever required showing such substitution.

E. No agreement affecting the Project shall prevent the exercise by the Investor Limited Partner of its right to require the purchase by the Class B Limited Partner of its Interest in the manner described in this Section 5.3.

F. The Investor Limited Partner shall have the right to waive its right to have its Interest repurchased at any time during which any of such rights shall be in effect. Any such waiver shall be exercised by delivery to the General Partners and the Class B Limited Partner of a written notice stating under which clause(s) of this Section it is waiving its right to have its Interest repurchased and that its rights thereunder are thereby irrevocably waived from that date forward.

G. Should any Class B Limited Partner repurchase the Interest of the Investor Limited Partner pursuant to this Section 5.3, then the Special Limited Partner agrees to withdraw from the Partnership at the same time as the Investor Limited Partner’s withdrawal is effective.

Section 5.4. Default of Investor Limited Partner

A. In the event that the Investor Limited Partner shall fail to pay an Installment in full when due in accordance with this Agreement, the Partnership shall give written notice to such defaulting Limited Partner (the “Defaulting Limited Partner”), who shall have thirty (30) days after such notice to make such payment. If the Defaulting Limited Partner fails to make such payment within such period, then such failure shall constitute a default by the Defaulting Limited Partner under this Agreement and all unpaid future Capital Contributions shall be
immediately payable and the Partnership shall have the following rights and remedies, to be
exercised as determined by the General Partner, without need for Consent of the Defaulting
Limited Partner or the Special Limited Partner, each of which remedies shall be cumulative and
concurrent and may be pursued separately, successively, or together except as is otherwise
provided in this Section, and such rights and remedies may be exercised as often as occasion
therefor shall arise, all to the maximum extent permitted by the laws of the State of Texas.

(i) **Sale of Interest.** After the notice of default by the Partnership and
expiration of the thirty (30) day cure period described above, the Partnership may
elect, upon ten (10) days' written notice to the Investor Limited Partner, to sell the
Investor Limited Partner's Interest in the Partnership. In connection with such
sale, the General Partner agrees to use reasonable best efforts to obtain the highest
price for the Investor Limited Partner's Interest. The Investor Limited Partner
shall receive any remaining net proceeds of such sale after satisfaction of the
obligations of the Investor Limited Partner hereunder.

(ii) **Actions for Specific Performance.** At any time, after the notice of
default by the Partnership and after expiration of the thirty (30) day cure period
described above, the Partnership may pursue any or all of the rights and remedies
available to the Partnership by law or as provided in this Agreement, including
suits, to recover all future Capital Contributions, interest thereon, and reasonable
costs and expenses, including reasonable attorney's fees, incurred in collecting
such amounts. The Partnership may pursue any such action or proceeding
simultaneously with the Partnership's exercise of its rights under subsection (i)
above.

(iii) **Interest.** After default by the Partnership, the defaulted future
Capital Contributions will bear interest at the Designated Prime Rate plus one
percent (1%) until paid in full, and such interest will be paid by Investor Limited
Partner as demanded by the Partnership.

(iv) **Certain Disputes.** Notwithstanding the foregoing, this Section 5.4
shall not apply, and the Investor Limited Partner shall not be deemed to be in
default hereunder, in the event a bona fide dispute exists as to the satisfaction of
any condition to the payment of an Installment. If such a dispute exists, such
dispute shall be submitted during the thirty (30)-day period described above for
non-binding mediation and then Arbitration in Dallas, Texas, in accordance with
the rules of the American Arbitration Association, and if the arbitrator (the
"Arbitrator") finds that all conditions to the disputed Installment were satisfied,
the Investor Limited Partner agrees that it will immediately pay the full amount of
the disputed Installment to the Partnership together with interest as described
above; provided, however, that (1) any finding by the Arbitrator shall not be final
or binding; (2) the Investor Limited Partner or the General Partner, as the case
may be, shall have the right, only after payment of the amounts described above,
to challenge the Arbitrator's finding in a court of competent jurisdiction; and (3)
in no event shall the payment by the Investor Limited Partner of the disputed
Installment be construed as a waiver of such right. The General Partner's rights
under this Section 5.4 shall not apply unless the Investor Limited Partner fails to
pay the full amount of the disputed Installment within ten (10) days following a
finding by the Arbitrator that all conditions to the disputed Installment were
satisfied (regardless of whether the Investor Limited Partner has exercised its
right to challenge the Arbitrator’s finding pursuant to (2) above). If the Investor
Limited Partner fails to pay such amounts within such ten (10) day period, the
Investor Limited Partner shall not be entitled to exercise its rights under (2) above
and the finding by the Arbitrator shall be deemed final and binding. In addition to
the requirements set forth above, testimony during Arbitration shall be limited to
three (3) days per party and the prevailing party shall be entitled to reimbursement
for any attorney’s fees incurred in connection with such Arbitration.

B. Notwithstanding the above, in order to secure the performance of the Investor
Limited Partner’s obligation to make Capital Contributions under this Agreement (subject to the
default and adjustment provisions herein), the Investor Limited Partner has granted to the
Partnership a security interest in the Investor Limited Partner’s Interest in the Partnership. The
Investor Limited Partner hereby represents that the security interest granted is a first security
interest in the collateral described subject and subordinate, if applicable, to the Bond Loan. The
Partnership will not take any action to foreclose against such security interest prior to thirty (30)
days written notice received by the Investor Limited Partner (the “Notice Period”). Further, if
the Investor Limited Partner contests such action within the Notice Period giving written protest
setting forth the basis of its objections (the “Protest Notice”), then the matter will be submitted to
binding arbitration as set forth herein. If the Investor Limited Partner does not contest such
action within the Notice Period by Protest Notice, then the Partnership may proceed, however,
the Investor Limited Partner will be given a reasonable opportunity to appear and bid at any
public or private sale of such Interest, or of any part thereof.

This agreement shall constitute the grant by the Investor Limited Partner and the Special
Limited Partner of a security interest in the entire Interest in the Partnership and for purposes
hereof the Special Limited Partner’s Interest shall be deemed included within the Investor
Limited Partner’s interest. The Partnership acknowledges that such security interest shall only
secure the Investor Limited Partner’s obligation to make Capital Contributions in accordance
with the terms hereof. The Partnership shall be entitled to file a UCC to reflect the terms hereof.
The Partnership acknowledges that the Investor Limited Partner has pledged its Interest to Fleet
National Bank (“Fleet”) as described in Section 8.1D hereof. The Partnership agrees that,
notwithstanding any contrary provision herein, it will give Fleet written notice (at the following
address: Fleet National Bank, Mail Code: MADE10304X, One Federal Street, Boston, MA
02110, Attention: John F. Simon, Vice President) of any default by the Investor Limited Partner
hereunder, and further agrees that Fleet will have sixty (60) days from its receipt of such notice
to cure any such default prior to the Partnership’s exercising any of its rights and remedies
hereunder or otherwise at law or in equity, including, without limitation, its right to sell the
Interest hereunder. Fleet may cure any such default by paying only the Installment or
Installments for which the conditions to payment set forth in Section 5.1 hereof have then been
satisfied. Fleet is an intended third party beneficiary of this Section 5.4B

# 1880177_v4 - 30-
Section 5.5. Redemption of Partnership Interest.

The Investor Limited Partner shall have the right, exercised by giving written notice to the Partnership (with a copy to the Servicing Agent) within one hundred eighty (180) days following the end of the Compliance Period, to require the Partnership to redeem the Interest of the Investor Limited Partner for a redemption price of $100, and the Partnership shall promptly so redeem such Interest, whereupon the Investor Limited Partner shall cease to be a Partner and shall have no further rights, duties or obligations with respect to the Partnership or any of the other Partners.

ARTICLE VI

Rights, Powers and Duties of the General Partners

Section 6.1. Restrictions on Authority

A. Notwithstanding any other provisions of this Agreement, the General Partners shall have no authority to perform any act in respect of the Partnership or the Project in violation of (i) any applicable law or regulation or (ii) any agreement between the Partnership and any Lender or Agency.

B. The General Partners shall not have any authority to do any of the following acts without the Consent of the Investor Limited Partner and the Class B Limited Partner and any Requisite Approvals:

(i) to incur indebtedness for money borrowed on the general credit of the Partnership, except as specifically permitted by Article IX, or

(ii) following completion of construction of the Improvements, to construct any new capital improvements, or to replace any existing capital improvements if construction or replacement would substantially alter the use of the Property, or

(iii) to acquire any real property in addition to the Property (other than easements or similar rights necessary or convenient for the operation of the Project), or

(iv) to cause the Partnership to make any loan or advance to any Person (for purposes of this clause 6.1B(iv), accounts receivable in the ordinary course of business from Persons other than the General Partners or their Affiliates shall not be deemed to be advances or loans), or

(v) to lease any Low Income Unit to other than Qualified Tenants or otherwise operate the Project in such a manner or take any action which could cause any Low Income Unit to fail to be treated as a qualified low-income housing unit under Section 42(i)(3) of the Code or which would cause the recapture by the Partnership of any low-income housing credit under Section 42 of the Code, or
(vi) to amend any Project Document, or to permit any party thereunder to amend any Project Document, or to permit any party thereunder to amend any Project Document, or to permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, the General Partners or their Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, the Investor Limited Partner (notwithstanding that the Investor Limited Partner is neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective), or

(vii) to obtain, increase, refinance or materially modify any Mortgage Loan after Investment Closing or to sell or convey the Property or any substantial portion thereof, except as provided in Article IX, and except that the General Partners may cause the Partnership to grant easements and similar rights affecting the Land to obtain utility services for the Project or for other purposes necessary or convenient for the operation of the Project, or

(viii) to apply for or accept any grant funds on behalf of the Partnership regardless of the source of the grant which consent will not unreasonably withheld provided there are no adverse tax consequences, or

(ix) to cause the Partnership to commence a proceeding seeking any decree, relief, order or appointment in respect to the Partnership under the federal bankruptcy laws, as now or hereafter constituted, or under any other federal or state bankruptcy, insolvency or similar law, or the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) for the Partnership or for any substantial part of the Partnership's business or property, or to cause the Partnership to consent to any such decree, relief, order or appointment initiated by any Person other than the Partnership, or

(x) to pledge or assign any of the Capital Contribution of the Investor Limited Partner or the proceeds thereof, or

(xi) to amend any of the Related Agreements, or

(xii) to permit the merger, termination or dissolution of the Partnership, or

(xiii) to approve any changes to the plans and specifications for the Project which would result, either individually or in the aggregate, in an overall development cost increase or decrease in excess of $75,000 (provided, however, that any Consent of the Investor Limited Partner required under this clause (xii) shall not be unreasonably withheld.) or

(xiv) to take any action which would cause the Property or any part thereof to be treated as tax exempt use property within the meaning of Section 168(h) of the Code.
C. The General Partners shall not (a) cause the Partnership to utilize Cash Flow to acquire interests in other limited partnerships or (b) cause the Partnership to invest the proceeds of any sale or refinancing of the Project unless a sufficient portion thereof is distributed to the Investor Limited Partner to enable each limited partner thereof, assuming that it is in a combined federal, state and local marginal income tax bracket of 40%, to pay the federal, state and local income tax liability arising from the sale or refinancing which generated such proceeds, and in any event sale or refinancing proceeds shall not be reinvested without the Consent of the Investor Limited Partner.

D. Any Partner may engage independently or with others in other business ventures of every nature and description including, without limitation, the ownership, operation, management, and development of real estate, regardless of whether such real estate directly competes with the Project, and neither the Partnership nor any Partner shall have any rights by reason of this Agreement in and to such independent ventures.

Section 6.2. Tax Matters Partners

A. The Managing General Partner is hereby designated as the Tax Matters Partner for the Partnership. Upon the Retirement of the Person serving as the TMP (the “Retired TMP”), the Partnership shall designate a successor TMP in accordance with Treasury Regulation Section 301.6231(a)(7)-1(T) or any successor Regulation, but such designee shall not become the TMP until the designation of such Person has been approved by Consent of the Investor Limited Partner. Such successor TMP shall notify the Service of its designation as such for such year as well as for all prior years for which the Retired TMP served in such capacity.

B. The TMP shall employ experienced tax counsel to represent the Partnership in connection with any audit or investigation of the Partnership by the Service, and in connection with all subsequent administrative and judicial proceedings arising out of such audit. The fees and expenses of such counsel shall be a Partnership expense and shall be paid by the Partnership. Such counsel shall be responsible for representing the Partnership; it shall be the responsibility of the General Partners and of the Investor Limited Partner, at their own expense, to employ tax counsel to represent their respective separate interests.

C. The TMP shall keep the Partners informed of all administrative and judicial proceedings, as required by Section 6223(g) of the Code, and shall furnish to each Partner who so requests in writing, a copy of each notice or other communication received by the TMP from the Service (except such notices or communications as are sent directly to such requesting Partner by the Service). All reasonable third party costs and expenses incurred by the TMP in serving as the TMP shall be Partnership expenses and shall be paid by the Partnership.

D. The TMP shall have no authority, without the Consent of the Investor Limited Partner, to (i) enter into a settlement agreement with the Service which purports to bind Partners other than the TMP, (ii) file a petition as contemplated in Section 6226(a) or 6228 of the Code, (iii) intervene in any action as contemplated in Section 6226(b) of the Code, (iv) file any request contemplated in Section 6227(b) of the Code, (v) enter into an agreement extending the period of limitations as contemplated in Section 6229(b)(1)(B) of the Code or (vi) take any other substantial action which would affect the Investor Limited Partner.
E. The relationship of the TMP to the Investor Limited Partner is that of a fiduciary, and the TMP hereby acknowledges its fiduciary obligation to perform its duties in such manner as will serve the best interests of the Partnership and the Investor Limited Partner.

F. The Partnership shall indemnify the TMP (including the officers and directors of a corporate TMP) against judgments, fines, amounts paid in settlement and expenses (including attorneys' fees) reasonably incurred by the TMP in any civil, criminal or investigative proceeding in which the TMP is involved or threatened to be involved by reason of being the TMP, provided that the TMP acted in good faith, within what it reasonably believed to be in the best interests of the Partnership or its Partners. The TMP shall not be indemnified under this provision against any liability to the Partnership or its Partners to any greater extent than the indemnification allowed by Section 6.6 of this Agreement. The indemnification provided by this subparagraph shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any applicable statute, agreement, vote of the Partners, or otherwise.

Section 6.3. Business Management and Control; Designation of Managing General Partner; Tax Matters Partner; Certain Rights of the Special Limited Partner

A. The General Partners shall have the exclusive right to manage the business of the Partnership in accordance with this Agreement. No Limited Partner shall have any authority or right to act for or bind the Partnership.

B. The powers and duties of the General Partners hereunder may be exercised in the first instance by one or more Managing General Partners. Each Managing General Partner is hereby authorized to execute and deliver in the name and on behalf of the Partnership all such documents and papers (including any required by any Lender or Agency) as such Managing General Partner deems necessary or desirable in carrying out such duties hereunder. LifeNet-Pinnacle Park GP, L.L.C. is hereby designated as the initial Managing General Partner; if such Person shall become unable to serve in such capacity or shall cease to be a General Partner, the remaining General Partners may from time to time designate from among themselves by consent one or more substitute or additional Managing General Partners. If for any reason no designation is in effect, the powers of the Managing General Partners shall be exercised by the majority consent of the remaining General Partners. A designation of a successor as Managing General Partner or the designation of an additional Managing General Partner pursuant to Section 7.3 or 7.5 shall supersede any designation or other exercise of rights pursuant to this Section 6.3B.

C. In the event that (i) the Partnership is in material default of any of its obligations under the Project Documents, which default, in the reasonable judgment of the Special Limited Partner, threatens an assignment or foreclosure of any Mortgage, (ii) any General Partner, Developer or Guarantor is in default in any material respect under any of its obligations under this Agreement or any of the Related Agreements, (iii) a Recapture Event involving five or more units shall have occurred, (iv) a sole General Partner shall Retire, (v) an Event of Bankruptcy shall have occurred as to a General Partner, the Developer or any Guarantor or, (vi) the General Partner or its Affiliate shall have committed fraud or breach of fiduciary duty, the Special Limited Partner may, at its election, give notice of such default or event to the then General Partners, if any, and, (a) in the case of a default, if such default is not cured within ten (10)
business days (or cured within a reasonable time in the event it is impossible to cure such default within such ten (10)-day period, provided that the General Partner is diligently and in good faith seeking to cure such default and there has been no assignment of or institution of proceedings to foreclose any Mortgage), or (b) in the event of such Retirement, Recapture Event or Event of Bankruptcy, promptly after the occurrence of such event, the Special Limited Partner or any Entity of which a majority of the stock or beneficial interest is owned, directly or indirectly, by the Special Limited Partner or MMA, may, with the Consent of the Investor Limited Partner, elect to become an additional General Partner with all the rights and privileges of a General Partner. The Special Limited Partner shall provide the General Partners with true and correct copies of the written instruments evidencing such Consent of the Investor Limited Partner within ten (10) days after the Special Limited Partner’s receipt thereof (with a copy to the Servicing Agent). Upon such election by the Special Limited Partner or such Entity and such Consent, the Special Limited Partner or such Entity shall automatically become and shall be deemed a General Partner and each Partner hereby irrevocably appoints the Special Limited Partner (with full power of substitution) as the attorney-in-fact of such Partner for the purpose of executing, acknowledging, swearing to, recording and/or filing any amendment to this Agreement and the Certificate necessary or appropriate to confirm the foregoing. B. As used in this Section 7.7, “Material Default” means the occurrence of any of the following events:

(i) a breach by any General Partner (or any of its Affiliates) of any of its representations or warranties contained herein or in the performance of any of its obligations under this Agreement or any Related Agreement, which breach could have a material adverse impact on the Partnership, the Project or the Investor Limited Partner;

(ii) a violation by any General Partner of any law, regulation or order applicable to the Partnership, or a material breach by the Partnership or any General Partner under any Project Document or other material agreement or document affecting the Partnership or the Project which has or may have a material adverse effect on the Partnership, the Investor Limited Partner or the Project;

(iii) an Event of Bankruptcy as to any General Partner, more than one Guarantor or the Partnership;

(iv) the commencement of foreclosure proceedings with respect to any Mortgage, which have not been withdrawn or dismissed within thirty (30) days after the date of such commencement; or

(v) gross negligence, fraud, willful misconduct, misappropriation of Partnership funds, or a breach of fiduciary duty by a General Partner or any Affiliate of a General Partner providing services to or in connection with the Partnership or the Project.

C. In the event that the Special Limited Partner determines to remove any General Partner pursuant to the provisions of this Section 7.7, the Special Limited Partner shall notify the General Partner in writing (with a copy to the Servicing Agent), of the Material Default that is the cause for the removal of the General Partner (any such notice being referred to herein as a “Removal Notice” and the date of such Removal Notice being referred to herein as the “Removal
Notice Date”). In the case of any Material Default described in clauses (i) or (ii) of Section 7.7 above, the General Partner shall have ten (10) business days (or thirty (30) business days if it is a non-monetary default) from the Removal Notice Date to cure the Material Default; provided, however, that if a non-monetary Material Default cannot be reasonably cured within thirty (30) business days, the General Partner shall not be removed if the General Partner commences such cure within thirty (30) business days and proceeds in good faith to cure diligently thereafter, provided that the cure is completed within ninety (90) business days following the Removal Notice Date (or such lesser period as is required to cure the Material Default), and the failure to cure such Material Default within a shorter period does not have a material adverse effect on the Partnership, the Property, or the Investor Limited Partner. For purposes of this paragraph, the failure to provide or maintain any insurance required by this Agreement shall be deemed to be a monetary default. If the General Partner fails to cure within the specified time period, or if no cure right is afforded under the terms hereof, the removal of the General Partner shall be deemed to be effective as of the Removal Notice Date; otherwise, such removal shall be effective upon the conclusion of the applicable cure period without a cure of such Material Default reasonably acceptable to the Investor Limited Partner. The General Partner shall have no right to cure any Material Default described in clause (v) of Section 7.7B above.

D. If a General Partner is removed pursuant to this Section 7.7, the Partnership shall pay to such General Partner in the manner set forth in Section 7.7G an amount equal to (x) the sum of (i) an amount equal to the General Partner’s positive Capital Account balance, if any, following a deemed sale of all Partnership property and a deemed liquidation of the Partnership (but prior to any deemed distributions upon liquidation), (ii) the unpaid principal balance of any Operating Expense Loans, and (iii) any fees owed to the General Partner and/or its Affiliates in the manner described in Section 7.7E below minus (y) an amount equal to any Adverse Consequences suffered by the Partnership or the Limited Partners as a result of the acts or omissions of the General Partner prior to its removal, including, without limitation, the Material Default creating the right of the Special Limited Partner to remove the General Partner pursuant to the provisions of this Section 7.7. Any transfer taxes that are triggered by the removal and the cost of any additional title insurance or title endorsements deemed to be necessary by the Special Limited Partner as a result of such removal shall be paid by the removed General Partner. The resulting amount is referred to herein as the “Removal Purchase Price.” Notwithstanding the foregoing, the Removal Purchase Price shall not exceed the amount which the removed General Partner would have received under Section 10.1B from a deemed sale of the Project on the Removal Notice Date, based on the Appraised Value of the Project determined under Section 7.7F below.

E. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any fees owed to the General Partner or its Affiliates (including, without limitation, any unpaid Development Amount) for services performed prior to the Removal Notice Date shall be part of the Removal Purchase Price as described above, provided, however, that (i) if any Adverse Consequences suffered by the Partnership or the Limited Partners exceed the amounts payable to the General Partner pursuant to the provisions of Section 7.7D above, or (ii) there exist any unpaid obligations or liabilities of the General Partner that relate to the period up to and including the effective date of the removal of the General Partner, any such unpaid fees owed to the General Partner or its Affiliates shall, to the extent of any such Adverse Consequences or obligations or liabilities, as the case may be, be treated as if they were paid to
the General Partner (or such Affiliates) and applied by the General Partner (or such Affiliates) to the payment or satisfaction of such Adverse Consequences, obligations or liabilities, and, to the extent of such application, the obligation of the Partnership to make actual cash payments of such fees to the General Partner (or such Affiliates) shall be reduced or eliminated, as the case may be. In the event the General Partner is removed but the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect.

F. The Appraised Value of the Property shall be determined as follows. As soon as practicable and in any event within ten (10) business days following the effective date of removal as specified in Section 7.7C above, the General Partner and the Special Limited Partner shall select a mutually acceptable Independent Appraiser. In the event that the parties are unable to agree upon an Independent Appraiser within such ten (10) Business Day period, the General Partner and the Special Limited Partner each shall select an Independent Appraiser. If the difference between the Appraised Values set forth in the two appraisals is not more than ten percent (10%) of the Appraised Value set forth in the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two Independent Appraisers shall jointly select a third Independent Appraiser whose determination of Appraised Value shall be deemed to be binding on all parties. The Partnership and the removed General Partner shall each pay one-half of the fees and expenses of any Independent Appraiser(s) selected pursuant to this Section 7.7F.

G. In the event of the removal of the General Partner pursuant to the provisions of this Section 7.7, any Removal Purchase Price due to the General Partner pursuant to the provisions of Section 7.7D above shall be payable from the first available proceeds of a Capital Transaction prior to any other distributions or payments to the Partners under Section 10.1B hereof except for those items listed in clauses First and Second of Section 10.1B.

H. Upon determination of the Removal Purchase Price under the provisions of this Section 7.7, the Partnership and its remaining Partners shall be deemed to be completely released from all liability to such General Partner and its Affiliates generally and to any others claiming by or through the General Partner to whom any distributions or loan, fee or other payments are to be made under Article X or otherwise, and the General Partner shall be released from any and all obligations to the Partnership and the Partners which arise after the Removal Notice Date. Concurrently with the determination of the Removal Purchase Price, each General Partner shall provide the Partnership, the successor General Partner(s) and the Investor Limited Partner with additional written releases from the General Partner (and any Affiliates to whom obligations of any kind are owed by the Partnership, the successor General Partner(s), the Limited Partners or any of their respective Affiliates) confirming such releases.

I. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, (i) all agreements between the Partnership and the General Partner and/or its Affiliates may, at the election of the Partnership, be terminated and, except for payment of the Removal Purchase Price due to the General Partner (or such Affiliates), the Partnership shall have no further obligations under such agreements; and (ii) the removed General Partner shall be liable for all reasonable costs and expenses incurred by the Partnership or the Limited Partners in
connection with the admission to the Partnership of a successor General Partner, which shall be considered Adverse Consequences for a purpose of this Section. Notwithstanding the foregoing however, if the Developer is not in default under its obligations under the Development Agreement, the Development Agreement will remain in effect. From and after the effective date of its removal, the removed General Partner shall not be liable for obligations of the Partnership incurred subsequent to such effective date unless such obligations arise out of acts or omissions of the removed General Partner prior to such effective date. The removed General Partner shall continue to be liable for all obligations, liabilities, and guarantees incurred by it in its capacity as the General Partner, and for any Adverse Consequences caused by or arising out of its acts or omissions, prior to the effective date of its removal. Without limiting the generality of the foregoing, and in addition to any of its other obligations hereunder, the removed General Partner shall continue to be liable for any payments or advances due to the Limited Partners or the Partnership pursuant to the provisions of Section 5.1B as a result of any adjustments described in Section 5.1B, other than adjustments arising from a Recapture Event or the acts or omissions of any replacement or successor General Partner, in either case subsequent to the effective date of the removal of the removed General Partner.

J. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the Special Limited Partner may designate a Person or Persons, including, without limitation, an Affiliate of the Special Limited Partner, to become a successor General Partner or Partners replacing the removed General Partner, subject to any Requisite Approvals and to the terms of the Project Documents.

K. The election by the Special Limited Partner to remove any General Partner pursuant to the provisions of this Section 7.7 shall not limit or restrict the availability and use of any other remedy that the Special Limited Partner or the Investor Limited Partner may have with respect to any General Partner in connection with its undertakings and responsibilities under this Agreement, and the exercise by the Special Limited Partner of the rights granted to it in this Section 7.7 is understood by the parties hereto to be permitted by the Uniform Act as the exercise of powers not constituting participation in the control of the business so as to cause the Special Limited Partner (or the Investor Limited Partner) to be liable for Partnership obligations as a general partner.

L. In the event that the General Partner is removed pursuant to the provisions of this Section 7.7, the removed General Partner shall immediately deliver to the Special Limited Partner all books, records, tax and financial information relating to the Partnership and the Property that are in the possession or under the control of the General Partner or any of its Affiliates. The General Partner agrees that if it fails to comply with the provisions of this Section 7.7L, the Limited Partners may enforce such provisions by specific performance, and no portion of the Removal Purchase Price shall be payable unless the provisions of this Section are fully and promptly complied with.

M. If the General Partner contests the right of the Special Limited Partner to exercise the removal or other rights described in this Section 7.7, and the Special Limited Partner prevails in any proceeding, any costs and expenses incurred by the Limited Partners in enforcing their rights in this Section 7.7, including, without limitation, legal fees and expenses, shall be paid by
the General Partner upon presentation of an itemized statement describing the same, which costs shall be deemed to be Adverse Consequences for purposes of this Section.

N. In the event that the Special Limited Partner sends a Removal Notice, the Special Limited Partner may, as of such date, elect to become, or to designate another Person, including, without limitation, an Affiliate of the Investor Limited Partner or the Special Limited Partner, to become, an additional General Partner with all the rights and privileges of a General Partner. If the Special Limited Partner or such other Person shall become an additional General Partner as herein stated, its interest in the Partnership shall not be increased as a result thereof. In the event of the admission of the Special Limited Partner or such Person as a General Partner pursuant to this Section 7.7N, and if there are then any other General Partners, the Special Limited Partner or such other Person shall have managerial rights, authority and voting rights of 51% on any matters to be decided or voted upon by the General Partners or the Managing General Partner, as the case may be, and the rights and authority of the remaining General Partners or the Managing General Partner, as the case may be, shall be deemed equally divided among them. The Special Limited Partner shall be entitled to receive reasonable compensation for serving as a General Partner under this Section, and any such compensation shall be a reduction of the Removal Purchase Price.

ARTICLE VIII

Transfer of Limited Partner Interests

Section 8.1. Right to Assign

A. Except as restricted in this Article VIII or by operation of law, and subject to the Regulations, each Limited Partner shall have the right to assign its Interest and to substitute its assignee in its place as a Substitute Limited Partner without the written consent of the General Partners, provided, however, that if the Assignee is not an affiliate of or controlled by MMA, the consent of the General Partner and the Class B Limited Partner will be required to such substitution, which consent will not be unreasonably withheld or delayed.

B. The General Partners, at the sole expense of the assigning Limited Partner, shall cooperate in good faith to effect such assignment as expeditiously as possible, including without limitation the execution of appropriate amendments to, or updates of, the Related Agreements and/or any other documents which the assigning Limited Partner reasonably determines necessary or appropriate to accomplish such assignment, including, but not limited to, an Assignment of Investor Limited Partner Interest and Omnibus Amendment, updated opinion of Partnership Counsel, authorizing resolutions of the General Partner and Developer and any other documents reasonably deemed necessary and appropriate by the Investor Limited Partner. In addition, in the event of a transfer of membership interest in the Investor Limited Partner to an Affiliate of MMA, the General Partner agrees to make such changes to the Agreement and Related Agreements as such transferee may reasonably request.

C. The assignor shall assume any costs incurred by the Partnership in connection with an assignment of its Interest.
D. Notwithstanding the foregoing, or any other provision of this Agreement: (1) the Investor Limited Partner may pledge, without the consent of the General Partners or any other Person, its Interest to Fleet National Bank as Agent (together with its successors and/or assignees in such capacity, "Fleet") to secure a loan to an affiliate of the Investor Limited Partner, the proceeds of which have been used by the Investor Limited Partner to make its Capital Contribution to the Partnership (the "Fleet Pledge"); (2) Fleet shall have the rights of a secured party to retain, sell or transfer the Interest so pledged in accordance with the Fleet Pledge; (3) Fleet shall have the right to transfer or assign its rights hereunder and under the Fleet Pledge without the consent of the General Partners or any other Person; (4) in the event of any enforcement of the Fleet Pledge and the foreclosure upon or other disposition of the Interest, Fleet (or its nominee, successor, transferee or assignee) shall be immediately, automatically and unconditionally admitted as a Substitute Limited Partner, subject only to its execution of an agreement to be bound by this Agreement and (5) so long as the Fleet Pledge shall not have been released in accordance with its terms, (a) the Interests will not be, and will not become, "investment property" or held in a "securities account" (within the meaning of the Uniform Commercial Code of the State (the "UCC") and will be, and will remain, "general intangibles" within the meaning of Article 9 of the UCC and (b) any action by any Partner to cause any of the Interests to be deemed to be or to be treated as a "security" or as "investment property" or to be held in a "securities account" within the meanings of Article 8 and Article 9, respectively, of the UCC, shall be void and of no effect. Fleet, as Agent, is an intended third party beneficiary of this section.

Section 8.2. Substitute Limited Partners

A. The Limited Partner shall have the right to substitute an assignee as a Limited Partner in its place, subject to any Requisite Approvals. Any Substitute Limited Partner shall agree to be bound (to the same extent to which its predecessor in interest was so bound) by the Project Documents and this Agreement as a condition to its being admitted to the Partnership.

Section 8.3. Assignees

A. Any permitted assignee of a Limited Partner which does not become a Substitute Limited Partner shall have the right to receive the same share of profits, losses and distributions of the Partnership to which the assigning Limited Partner would have been entitled.

B. Any assigning Limited Partner shall cease to be a Limited Partner and shall no longer have any rights or obligations of a Limited Partner except that, unless and until the assignee of such Limited Partner is admitted to the Partnership as a Substitute Limited Partner, said assigning Limited Partner shall retain the statutory rights and be subject to the statutory obligations of an assignor limited partner under the Uniform Act as well as the obligation to make the Capital Contributions attributable to the Interest in question, if any portion thereof remains unpaid.

C. There shall be filed with the Partnership a duly executed and acknowledged counterpart of the instrument making each assignment; such instrument must evidence the written acceptance of the assignee to this Agreement and the Project Documents. If such an
instrument is not so filed, the Partnership need not recognize any such assignment for any purpose.

D. In the case of any assignment of a Limited Partner’s Interest as a Limited Partner, where the assignee does not become a Substitute Limited Partner, the Partnership shall recognize the assignment not later than the last day of the calendar month following receipt of notice of assignment and required documentation.

E. An assignee who does not become a Substitute Limited Partner and who desires to make a further assignment of its Interest shall also be subject to the provisions of this Article VIII.

Section 8.4. Voluntary Withdrawal of the Class B Limited Partner

No Class B Limited Partner shall have the right to withdraw or Retire voluntarily from the Partnership or sell, assign or encumber his or its Interest without the Consent of the Investor Limited Partner.

ARTICLE IX

Loans; Mortgage Refinancing; Property Disposition

Section 9.1. General

A. The Partnership shall be authorized to obtain the Mortgage Loans to finance the acquisition, development and construction of the Property and (to the extent permitted by the Lender) shall secure the same by the Mortgages. Except as set forth in the Project Documents as they exist on the date hereof, each Mortgage shall provide that no Partner or Related Person shall bear the Economic Risk of Loss for all or any part of such Mortgage Loans.

B. The General Partners are specifically authorized, for and on behalf of the Partnership, to execute the Project Documents and any permitted amendments thereto and, subject to the limitations set forth herein, such other documents as they deem necessary or appropriate in connection with the acquisition, development, operation and financing of the Property.

C. All Partnership borrowings shall be subject to Section 6.1, this Article, the Project Documents and the Regulations. To the extent borrowings are permitted, they may be made from any source, including Partners and Affiliates. The Partnership may accept Development Advances as and when permitted pursuant to the Development Agreement, and may issue instruments evidencing Operating Expense Loans pursuant to Section 6.9.

D. If any Partner shall lend any monies to the Partnership, any such loan shall be unsecured and the amount of any such additional loan shall not be an increase of its Capital Contribution. Until such time as the General Partners and the Developer shall have performed fully their obligations to furnish funds pursuant to Sections 6.8 and 6.9 hereof and pursuant to the Development Agreement, any loan from a General Partner or an Affiliate of a General Partner shall be an obligation of the Partnership to the Partner or Affiliate only if it constitutes a
borrowing permitted by Sections 6.8 or 6.9 or pursuant to the Development Agreement and shall be repayable as therein provided. Subject to the preceding sentence, any loans to the Partnership by a General Partner or an Affiliate of a General Partner may be made on such terms and conditions as may be agreed on by the Partnership, consistent with good business practices.

E. Subject to the provisions of this Agreement with respect to related party loans, a limited partner or member (which may include without limitation the Federal Home Loan Mortgage Corporation) in the Investor Limited Partner (such limited partner or member being referred to herein as a “Mortgagee Limited Partner”) at any time may make, guarantee, own acquire, or otherwise credit enhance, in whole or in part, a loan secured by a mortgage, deed of trust, trust deed, or other security instrument encumbering the Property owned by the Partnership (any such loan being referred to as a “Related Mortgage Loan”). Under no circumstances will a Mortgagee Limited Partner be considered to be acting on behalf or as an agent or the alter ego of the Investor Limited Partner. A Mortgagee Limited Partner may take any actions that the Mortgagee Limited Partner, in its discretion, determines to be advisable in connection with its Related Mortgage Loan (including in connection with the enforcement of its Related Mortgage Loan). Each Partner agrees, to the extent permitted by applicable law, that no Mortgagee Limited Partner owes the Partnership or any Partner any fiduciary duty or other duty or obligation whatsoever by virtue of such Mortgagee Limited Partner being a limited partner or member in the Investor Limited Partner. Neither the Partnership nor any Partner will make any claim against a Mortgagee Limited Partner, or against the Investor Limited Partner in which the Mortgagee Limited Partner is a partner or member, relating to a Related Mortgage Loan and alleging any breach of any fiduciary duty, duty of care, or other duty whatsoever to the Partnership or to any Partner based in any way upon the Mortgagee Limited Partner’s status as a limited partner or member of the Investor Limited Partner.

Section 9.2. Refinancing and Sale

The Partnership may not increase the amount of or otherwise materially modify any Mortgage Loan, obtain any new Mortgage Loan or refinance any Mortgage Loan (other than pursuant to and substantially in accordance with a Forward Commitment in existence at Investment Closing) including any required transfer or conveyance of Partnership assets for security or mortgage purposes, and may not sell, lease, exchange or otherwise transfer or convey all or substantially all the assets of the Partnership without the Consent of the Investor Limited Partner which Consent, after the Compliance Period, shall not be unreasonably withheld. Notwithstanding the foregoing, no such Consent shall be required for the leasing of apartments to tenants in the normal course of operations; provided, however, unless such Consent is obtained the Partnership shall lease the Project in such a manner as to qualify as a “qualified low-income housing project” under Section 42(g)(1) of the Code, and shall lease all of the Low Income Units to Qualified Tenants.

Section 9.3. Sales Commissions

Upon the sale of the Property by the Partnership, no Person may pay to any Person real estate commissions in excess of that which is reasonable, customary, and competitive with those paid in similar transactions in the same geographic area. Real estate commissions may be paid to an Affiliate of the General Partners.
ARTICLE X

Profits, Losses and Distributions

Section 10.1. Distributions Prior to Dissolution

A. Distribution of Cash Flow. Subject to any Requisite Approvals, (i) net rental income generated through the Completion Date shall be includable in Designated Proceeds and shall be available to the Developer and the General Partners for the purposes and subject to the conditions set forth in the Development Agreement and Section 6.8D hereof, (ii) Cash Flow in respect of the period from the Completion Date through the first anniversary of the Completion Date shall be used to pay the Priority Distribution to the Investor Limited Partner, with any balance paid to the Developer as payment of the Deferred Development Fee, and (iii) Cash Flow for each fiscal year (or fractional portion thereof) after the first anniversary of the Completion Date shall be distributed, within ninety (90) days after the end of each fiscal year, in the following order of priority:

First, to the Investor Limited Partner until the Investor Limited Partner has received distributions under this Section 10.1A (exclusive of distributions constituting Recapture Amounts) equal to the Cumulative Priority Distribution;

Second, to the payment of any Deferred Development Fee, plus accrued interest thereon; or to the payment to the General Partners of the Capital Contribution made by the General Partners under Section 4.1 hereof;

Third, to the repayment of any Operating Expense Loans or Working Capital Loans then outstanding; and

Fourth, 10% of the balance remaining after Clause Third above shall be distributed to the Investor Limited Partner;

Fifth, to the payment of the Incentive Management Fee;

Sixth, any balance shall be used as follows: 90% shall be paid to the Class B Limited Partner, 10% shall be distributed to the General Partner.

If the Partnership shall have unfunded operating deficits or if any Recapture Amount or Credit Reallocation Amount shall be then due and owing to the Investor Limited Partner, then the General Partners and their Affiliates shall not be entitled to any distributions, fees or loan repayments under this Section 10.1A and any amounts which would otherwise have been paid or distributed to the General Partners pursuant to this Section 10.1A shall be reduced by such Recapture Amount or Credit Reallocation Amount and the amount which would otherwise have been distributed to the Investor Limited Partner pursuant to this Section 10.1A shall be increased by such Recapture Amount or Credit Reallocation Amount.
B. **Distributions of Capital Transaction Proceeds**

Prior to dissolution, if the General Partners shall determine that there are proceeds available for distribution from a Capital Transaction, such proceeds shall be applied and distributed as follows:

*First,* to discharge, to the extent required by any lender or creditor, the debts and obligations of the Partnership (other than items listed in the ensuing clauses of this Section 10.1B);

*Second,* to fund reserves for contingent liabilities to the extent deemed reasonable by the General Partner (other than items listed in the ensuing clauses of this Section 10.1B);

*Third,* to the repayment of any outstanding Deferred Development Fee and any interest accrued thereon; or to the payment to the General Partners of the Capital Contribution made by the General Partners under Section 4.1 hereof;

*Fourth,* to the repayment of any outstanding Operating Expense Loans and any outstanding Working Capital Loans;

*Fifth,* to the Investor Limited Partner an amount equal to any unpaid amount of the Cumulative Priority Distribution;

*Sixth,* to the Investor Limited Partner an amount equal to (a) the excess of the Recapture Amount determined under Section 10.5 over the sum of all Cash Flow distributions theretofore made to the Investor Limited Partner to effect payment of Recapture Amounts or Credit Reallocation Amount less (b) amounts previously paid to the Investor Limited Partner pursuant to this Clause Sixth;

*Seventh,* $10,000 to the Special Limited Partner; and

*Eighth,* the balance of such proceeds, if any, shall be distributed 20% to the Investor Limited Partner, 10% to the General Partner, and 70% to the Class B Limited Partner.

C. **Sharing of Distributions**

All distributions to the respective classes composed of the Special Limited Partner and the General Partners shall be shared by the members of such classes in accordance with the percentages set forth opposite their respective names on the Schedule, except as otherwise provided in this Agreement.

D. **Proceeds from Insurance**

Notwithstanding the provisions of Sections 10.1A or 10.1B, if the Partnership receives proceeds from the Title Policy, an insurance policy, or as the result of a casualty or condemnation after payment of debts and obligations of the Partnership, such proceeds shall be
applied and distributed as follows: first, pursuant to Section 10.1B First; second, pursuant to Section 10.1B Second, third, to the payment to the Investor Limited Partner of an amount equal to 100% of its Net Capital Contribution that has been contributed to date, less the value of the Federal Tax Credits and losses taken and less any cash distributions received under Section 10.1A, and then pursuant to Section 10.1B beginning with Section 10.1B Third.

Section 10.2. Distributions Upon Dissolution

A. Upon dissolution and termination, after payment of, or adequate provision for, the debts and obligations of the Partnership, the remaining assets of the Partnership shall be distributed to the Partners in accordance with the positive balances in their Capital Accounts after taking into account all Capital Account adjustments for the Partnership taxable year, including adjustments to Capital Accounts pursuant to Sections 10.2B and 10.3B. In the event that a General Partner or Investor Limited Partner has a negative balance in its Capital Account following the liquidation of the Partnership or its Interest after taking into account all Capital Account adjustments for the Partnership taxable year in which the liquidation occurs, such General Partner shall pay to the Partnership in cash an amount equal to the negative balance in his Capital Account. Such payment shall be made by the end of such taxable year (or, if later, within ninety (90) days after the date of such liquidation) and shall, upon liquidation of the Partnership, be paid to recourse creditors of the Partnership or distributed to other Partners in accordance with the positive balances in their Capital Accounts. Notwithstanding the foregoing, the obligation of a Partner to contribute such deficit shall be zero unless and until it shall notify the Partnership in writing of its election to have a different amount (the “Designated Amount”) apply, which Designated Amount may be increased or reduced (subject to the provisions of the following sentence) by similar written notice from the Investor Limited Partner at any subsequent date. No such notice shall be effective with respect to any Fiscal Year unless the same shall be given prior to the end of such Fiscal Year. No subsequent reduction to the Designated Amount shall reduce the same below the Investor Limited Partner’s deficit balance in its Capital Account (as such Capital Account is increased by the Investor Limited Partner’s share of Partnership Minimum Gain) at the end of the Partnership’s immediately preceding tax year.

B. With respect to assets distributed in kind to the Partners in liquidation or otherwise, (i) any unrealized appreciation or unrealized depreciation in the values of such assets shall be deemed to be profits and losses realized by the Partnership immediately prior to the liquidation or other distribution event; and (ii) such profits and losses shall be allocated to the Partners in accordance with Section 10.3B, and any property so distributed shall be treated as a distribution of an amount in cash equal to the excess of such fair market value over the outstanding principal balance of and accrued interest on any debt by which the property is encumbered. For the purposes of this Section 10.2B, “unrealized appreciation” or “unrealized depreciation” shall mean the difference between the fair market value of such assets, taking into account the fair market value of the associated financing (but subject to Section 7701(g) of the Code), and the Partnership’s adjusted basis for such assets as determined under Section 1.704-1(b). This Section 10.2B is merely intended to provide a rule for allocating unrealized gains and losses upon liquidation or other distribution event, and nothing contained in this Section 10.2B or elsewhere herein is intended to treat or cause such distributions to be treated as sales for value. The fair market value of such assets shall be determined by an appraiser to be selected by the General Partners with the Consent of the Investor Limited Partner.
Section 10.3. Profits, Losses and Tax Credits

A. Except as otherwise specifically provided in this Article, for each fiscal year or portion thereof, profits, tax-exempt income, losses and non-deductible, non-capitalizable expenditures incurred and/or accrued by the Partnership, shall be allocated 0.01% to the General Partners, 0.01% to the Class B Limited Partner and 99.98% to the Investor Limited Partner.

B. Except as otherwise specifically provided in Section 10.4 or elsewhere in this Article, all profits and losses arising from a Capital Transaction shall be allocated to the Partners as follows:

*As to profits:*

First, an amount of profit equal to the aggregate negative balances (if any) in the Capital Accounts of all Partners having negative balance Capital Accounts shall be allocated to such Partners in proportion to their negative Capital Account balances until all such Capital Accounts shall have zero balances; and

Second, an amount of profits shall be allocated to each of the Partners until the positive balance in the Capital Account of each Partner equals, as nearly as possible, the amount of cash which would be distributed to such Partner if the aggregate amount in the Capital Accounts of all Partners were cash available to be distributed in accordance with the provisions of Clauses *Fifth* through *Eighth* of Section 10.1B.

*As to losses:*

First, an amount of losses equal to the aggregate positive balances (if any) in the Capital Accounts of all Partners having positive balance Capital Accounts shall be allocated to such Partners in proportion to their positive Capital Account balances until all such Capital Accounts shall have zero balances; *provided, however,* that if the amount of losses so to be allocated is less than the sum of the positive balances in the Capital Accounts of those Partners having positive balances in their Capital Accounts, then such losses shall be allocated to the Partners in such proportions and in such amounts so that the Capital Account balances of each Partner shall equal, as nearly as possible, the amount such Partner would receive if an amount equal to the excess of (a) the sum of all Partners' balances in their Capital Accounts computed prior to the allocation of losses under this clause *First* over (b) the aggregate amount of losses to be allocated to the Partners pursuant to this clause *First* were distributed to the Partners in accordance with the provisions of *Fifth* through *Eighth* of Section 10.1B; and

Second, the balance, if any, of such losses shall be allocated 0.01% to the General Partners, 0.01% to the Class B Limited Partner, and 99.98% to the Investor Limited Partner.
C. If the Partnership (i) incurs recourse obligations or Partner Nonrecourse Debt (including without limitation Operating Expense Loans), (ii) accepts Special Capital Contributions pursuant to Section 6.9 or (iii) incurs losses from extraordinary events which are not recovered from insurance or otherwise (the items referred to in clauses (i), (ii) and (iii) being hereinafter referred to collectively as the “Section 10.3C Items”) in respect of any Partnership taxable year, then the calculation and allocation of profits and losses shall be adjusted as follows: first, an amount of deductions (consisting of operating expenses and not cost recovery deductions) attributable to the Section 10.3C Items shall be allocated to the General Partners; and second, the balance of such deductions shall be allocated as provided in Section 10.3A. For purposes of this Section 10.3C, extraordinary events includes casualty losses, losses resulting from liability to third parties for tortious injury, losses resulting from a breach of a legal duty by the Partnership or by the General Partners, and deductions resulting from other liabilities which are not incurred in the ordinary course of business. Nothing in this Section 10.3C. shall prevent the Partnership from recovering an extraordinary loss from a General Partner who is liable therefor by law or under this Agreement.

D. If any Section 10.3C Items shall be repaid from cash generated in respect of any fiscal year, then the allocation of profits and losses under Section 10.3A for such fiscal year shall be adjusted as follows: first, the General Partners shall be allocated an amount of the gross income of the Partnership equal to the lesser of (i) the amount of items of loss or expense previously allocated to the General Partners under Section 10.3C and not previously offset by allocations of gross income under this Section 10.3D or items thereof and (ii) the amount of the Section 10.3C Items repaid in such year and second, all remaining gross income and all expenses shall be allocated as provided in Section 10.3A. Nothing in this Section 10.3D shall be construed to authorize the return of Special Capital Contributions. This section shall be applied in conjunction with Section 10.4B to avoid the double allocation of gain under such sections when Operating Expense Loans are repaid.

E. Notwithstanding the foregoing provisions of Sections 10.3.A and 10.3.B, in no event shall any losses be allocated to a Limited Partner if and to the extent that such allocation would cause, as of the end of the Partnership taxable year, the negative balance in such Limited Partner's Capital Account to exceed such Limited Partner's share of Partnership Minimum Gain plus such Limited Partner's share of Partner Nonrecourse Debt Minimum Gain. Any losses which are not allocated to the Limited Partners by virtue of the application of this Section 10.3E shall be allocated as required under Treasury Regulation Section 1.704-1(b). For purposes of this Section 10.3E, a Partner's Capital Account shall be treated as reduced by Qualified Income Offset Items.

F. The terms “profits” and “losses” used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering into the computation thereof, as determined in accordance with the accounting methods followed by the Partnership and computed in a manner consistent with Treasury Regulation Section 1.704-1(b)(2)(iv). Profits and losses for federal income tax purposes shall be allocated in the same manner as profits and losses under Section 10.3 except as provided in Section 10.6B.
G. Tax credits under Section 42 of the Code shall be allocated among the Partners in the same manner as the deductions attributable to the expenditures creating the tax credit are allocated among the Partners in accordance with Treasury Regulation Section 1.704-1(b)(4)(ii).

Section 10.4. Minimum Gain Chargebacks and Qualified Income Offset

A. If there is a net decrease in Partnership Minimum Gain during a Partnership taxable year, each Partner will be allocated items of income and gain for such year (and, if necessary, subsequent years) in the proportion to, and to the extent of, an amount equal to such Partner's share of the net decrease in Partnership Minimum Gain during the year. A Partner is not subject to this Partnership Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(f) under Section 704 of the Code.

B. If there is a net decrease in Partner Nonrecourse Debt Minimum Gain during a Partnership taxable year, then each Partner with a share of the minimum gain attributable to such debt at the beginning of such year will be allocated items of income and gain for such year (and, if necessary, subsequent years) in proportion to, and to the extent of, an amount equal to such Partner's share of the net decrease in Partner Nonrecourse Debt Minimum Gain during the year. A Partner is not subject to this Partner Nonrecourse Debt Minimum Gain chargeback to the extent that any of the exceptions provided in Treasury Regulation Section 1.704-2(i)(4) applied consistently with Treasury Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Treasury Regulation Section 1.704-2(i)(4) under Section 704 of the Code.

C. If a Limited Partner unexpectedly receives (1) an allocation of loss or deduction or expenditures described in Section 705(a)(2)(B) of the Code made (a) pursuant to Section 704(e)(2) of the Code to a donee of an interest in the Partnership, (b) pursuant to Section 706(d) of the Code as the result of a change in any Partner's interest in the Partnership, or (c) pursuant to Regulation Section 1.751-1(b)(2)(ii) as a result of a distribution by the Partnership of unrealized receivables or inventory items or (2) a distribution, and such allocation and/or distribution would cause the negative balance in such Partner's Capital Account to exceed (i) such Partner's share of Partnership Minimum Gain plus (ii) such Partner's share of Partner Nonrecourse Debt Minimum Gain and (iii) the amount of such Partner's obligation, if any, to restore a deficit balance in his Capital Account, then such Partner shall be allocated items of income and gain in an amount and manner sufficient to eliminate such negative balance as quickly as possible. For purposes of this Section 10.4C, a Partner's Capital Account shall be treated as reduced by Qualified Income Offset Items.

Section 10.5. Recapture Amount

A. If at any time during the Compliance Period, the Project ceases to be a "qualified low income housing project" (as defined in Section 42(g)(1) of the Code) or any Low-Income Unit ceases to be a "low income unit" (as defined in Section 42(i)(3) of the Code), and as a result thereof all or any portion of credits allowed to the Partnership and its Partners under Section 42 of the Code are subject to recapture pursuant to Section 42(j) of the Code (such an occurrence
being referred to herein as a Recapture Event), the Investor Limited Partner shall become entitled to additional cash distributions equal to the Recapture Amount.

B. The Recapture Amount is an amount that, after deduction of all federal income taxes payable by the Investor Limited Partner (or its partners) as computed under Section 10.5D below, is equal to the sum of (i) the "credit recapture amount" allocable to the Investor Limited Partner as defined in Section 42(j) of the Code (together with any interest or penalties incurred in connection with such credit recapture amount to the extent not otherwise included in such definition) plus (ii) the amount of credits allocable to the Investor Limited Partner which are disallowed in the year of the Recapture Event and in each subsequent year. Notwithstanding the foregoing, however, the Recapture Amount attributable to an event which also results in a reduction of the Capital Contribution of the Investor Limited Partner pursuant to Section 5.1B shall be zero if such reduction is actually effected by reduction of subsequent Installments or Tax Credit Shortfall Payments by the General Partners.

C. Any Recapture Amount distributable to the Investor Limited Partner pursuant to the foregoing provisions shall be distributed as funds become available for such distributions, but such distributions shall not be made prior to (i) in the case of the "credit recapture amount," the year of the Recapture Event and (ii) in the case of any credits disallowed with respect to any year subsequent to the Recapture Event, in each such subsequent year.

D. Determination of the Recapture Amount shall be made on the assumption that receipt or accrual by each partner of the Investor Limited Partner of any amounts distributable to such partner under Section 10.5C above will currently be subject to United States federal income tax at the highest marginal rate applicable to corporations for the year(s) in question (giving effect to the application of the alternative minimum tax).

E. All computations required under this Section 10.5 shall be made reasonably by the Investor Limited Partner, and the results of such computations, together with a statement describing in reasonable detail the manner in which such computations were made, shall be delivered to the Managing General Partner in writing. Within fifteen (15) days following receipt of such computation, the Managing General Partner may request that the Accountants determine whether such computations are reasonable and are not erroneous. If the Accountants determine that such computations are unreasonable or contain errors, then the Accountants shall determine what they believe to be the appropriate computations. If the Investor Limited Partner does not agree with the determination of the Accountants, then another accounting firm other than the Accountants to be selected jointly by the Investor Limited Partner and the Managing General Partner or, if they cannot agree, by the American Arbitration Association, from among the ten largest national accounting firms, shall make such computations. The computations of the Investor Limited Partner, the Accountants, or the other accounting firm so selected, whichever is applicable, shall be final, binding and conclusive upon the parties. All fees and expenses payable to an accounting firm other than the Accountants under this paragraph shall be borne solely by the Managing General Partner. All fees and expenses payable to the American Arbitration Association shall be borne equally by the General Partners and the Investor Limited Partner.

F. In the event that a claim is made by the Service which, if successful, would result in the determination that a Recapture Event has occurred, the Investor Limited Partner hereby
agrees to take such action in connection with contesting such claim as the Managing General Partner shall reasonably request in writing from time to time; provided that: (i) within thirty (30) days after receiving notice of such claim, the Managing General Partner shall request that such claim be contested; (ii) the Investor Limited Partner shall not enter into a settlement or compromise with the Service with respect to, or shall otherwise concede, any claim which the Managing General Partner has requested be contested without the prior written consent of the Managing General Partner, which shall not be unreasonably withheld or delayed; and (iii) notwithstanding the foregoing, the Investor Limited Partner, in its sole option, may forego any and all administrative appeals, proceedings, hearings and conferences with the Service and pay (or cause its partners to pay) the tax claimed and sue for a refund in the appropriate United States District Court and/or the Court of Federal Claims, considering, however, in good faith such request as the Managing General Partner shall make concerning the most appropriate forum in which to proceed, in which event the Managing General Partner shall, if the Managing General Partner desires, contest such claim in the United States District Court or the Court of Federal Claims. The Investor Limited Partner agrees to notify the Managing General Partner in writing of any such claim and agrees not to make payment of the tax for at least thirty (30) days after giving such notice and agrees to give the Managing General Partner any information that is relevant and material to contest such claim and to cooperate in all reasonable respects with the Managing General Partner in good faith in order to contest any such claim effectively. The Managing General Partner and its counsel shall maintain confidentiality with respect to all such information insofar as is possible, consistent with the conduct of a contest hereunder. All reasonable legal and accounting fees and other third party costs and expenses incurred by the Investor Limited Partner or its partners in contesting a claim or with respect to such litigation shall be borne by the Managing General Partner.

G. If any claim referred to above shall be made by the Service and the Managing General Partner shall have reasonably requested the Investor Limited Partner or its partners to contest such claim as above provided and shall have duly complied with all of the terms of the foregoing provisions, the Recapture Amount as a consequence of such claim shall become fixed upon the Final Determination of the liability of the Investor Limited Partner or its partners for the tax claimed and after giving effect to any refund obtained, together with interest thereon; but in all other cases the Recapture Amount shall become fixed at the time the Investor Limited Partner or its partners agree to the adjustments relating to such claim.

Section 10.6. Special Provisions

A. Except as otherwise provided in this Agreement, all profits, losses, credits and distributions shared by the respective classes composed of the Special Limited Partner and the General Partners shall be allocated among the members of such class in accordance with the percentages set forth opposite their respective names in the Schedule. Subject to the provisions of Section 13.8, the Investor Limited Partner and Special Limited Partner each shall be deemed to have been admitted to the Partnership as of the first day of the month during which its actual admission occurs for purposes of allocating profits and losses.

B. Income, gain, loss and deduction with respect to property which has a variation between its basis computed in accordance with Treasury Regulation Section 1.704-1(b) and its basis computed for federal income tax purposes shall be shared among the Partners for tax
purposes so as to take account of such variation in a manner consistent with the principles of Section 704(c) of the Code and Treasury Regulation Sections 1.704-1(b)(2)(iv)(g) and 1.704-3.

C. If the Partnership shall receive any purchase money indebtedness in partial payment of the purchase price of the Project and such indebtedness is distributed to the Partners pursuant to the provisions of Section 10.1B or Section 10.2, the distributions of the cash portion of such purchase price and the principal amount of such purchase money indebtedness hereunder shall be allocated among the Partners in the following manner: On the basis of the sum of the principal amount of the purchase money indebtedness and cash payments received on the sale (net of amounts required to pay Partnership obligations and fund reasonable reserves), there shall be calculated the percentage of the total net proceeds distributable to each class of Partners based on Section 10.1B or Section 10.2, as applicable, treating cash payments and purchase money indebtedness principal interchangeably for this purpose, and the respective classes shall receive such respective percentages of the net cash purchase price and purchase money principal. Payments on such purchase money indebtedness retained by the Partnership shall be distributed in accordance with the respective portions of principal allocated to the respective classes of Partners in accordance with the preceding sentence, and if any such purchase money indebtedness shall be sold, the sale proceeds shall be allocated in the same proportion.

D. In the event that any fee payable to any General Partner or any Affiliate shall instead be determined to be a non-deductible, non-capitalizable distribution from the Partnership to a Partner for federal income tax purposes, then there shall be allocated to such General Partner an amount of gross income equal to the amount of such distribution.

E. Notwithstanding any provision to the contrary in this Article X, funds of the Partnership constituting Designated Proceeds shall be applied to pay Development Costs and the Development Amount in accordance with the provisions of this Agreement, the Development Agreement and the Project Documents.

F. In applying the provisions of this Article X with respect to distributions and allocations, the following ordering of priorities shall apply:

1. Capital Accounts shall be deemed to be reduced by Qualified Income Offset Items.
2. Capital Accounts shall be reduced by distributions of Cash Flow under Section 10.1A.
3. Capital Accounts shall be reduced by distributions from Capital Transactions under Section 10.1B.
4. Capital Accounts shall be increased by any minimum gain chargeback under Section 10.4A or 10.4B.
5. Capital Accounts shall be increased by any qualified income offset under Section 10.4C.
(6) Capital Accounts shall be increased by allocations of profits under Section 10.3A.

(7) Capital Accounts shall be reduced by allocations of losses under Section 10.3A.

(8) Capital Accounts shall be reduced by allocations of losses under Section 10.3B.

(9) Capital Accounts shall be increased by allocations of profits under Section 10.3B.

G. For purposes of determining each Partner's proportionate share of excess Partnership Nonrecourse Liabilities pursuant to Treasury Regulation Section 1.752-3(a)(3), the Investor Limited Partner shall be deemed to have a 99.98% interest in profits of the Partnership, the Class B Limited Partner shall be deemed to have a 0.01% interest in profits of the Partnership, and the General Partners shall be deemed to have a 0.01% interest in profits of the Partnership.

H. To the maximum extent permitted under the Code, allocations of profits and losses shall be modified so that the Partners' Capital Accounts reflect the amount they would have reflected if adjustments required by Section 10.4 had not occurred. Furthermore, if for any fiscal year the application of the provisions of Section 10.4 would cause a distortion in the economic sharing arrangement among the Partners and it is not expected that the Partnership will have sufficient other income to correct that distortion, the General Partners may request a waiver from the Service of the application in whole or in part of Section 10.4 in accordance with Treasury Regulation Section 1.704-2(f)(4).

I. To the extent that interest on obligations to any General Partner or its Affiliates is determined to be deductible by the Partnership in excess of the stated amount of interest payable thereunder, the corresponding additional interest deduction shall be allocated solely to such General Partner.

J. Any interest income earned by the Partnership on any and all reserve, escrow or other accounts prior to the Completion Date shall be specially allocated to the General Partner.

**ARTICLE XI**

**Management Agent**

**Section 11.1. Management Agent**

The General Partners shall have responsibility for obtaining a Management Agent acceptable to the Investor Limited Partner and each Lender and Agency to manage the Project in accordance with the requirements of each Lender and Agency. The General Partners shall cause the Partnership to enter into the Management Agreement with the Management Agent, which may be an Affiliate of a General Partner; provided, however, that in the event that the Management Agreement is with an Affiliate of a General Partner, the Management Agreement
shall provide that the Management Agent shall be removed and the Management Agreement shall be terminated if the General Partner is removed pursuant to this Agreement. The initial Management Agent shall be Alpha-Barnes Real Estate Services. Subject to the Regulations, the Management Agent shall be entitled to receive a reasonable and competitive Management Fee (determined by reference to arm's-length property management arrangements for comparable properties in force in the general locality of the Project) not to exceed the lesser of 3.5% of gross rental income or the maximum amount permitted by any relevant Agency or Lender.

If at any time after the Completion Date:

(i) the Project shall be subject to any substantial building code violation which shall not have been cured within ninety (90) days after notice from the applicable governmental agency or department or unless such violation is being validly contested by the General Partners by proceedings which operate to prevent any fines or criminal penalties from being levied against the Partnership or unless, in the case of any such violation not susceptible of cure within such ninety (90)-day period, the General Partners are diligently making reasonable efforts to cure the same,

(ii) operating revenues of the Project in respect of any period of twenty-four (24) consecutive calendar months after the Completion Date shall be insufficient to permit the Partnership to pay when due on a current basis all Partnership obligations in respect of such twenty-four (24)-month period,

(iii) the Project ceases to qualify as a “qualified low-income housing project” under Section 42(g) of the Code or any of the Low Income Units in the Project ceases to qualify as a “low income unit” under Section 42(i)(3) of the Code,

(iv) a Recapture Event shall have occurred, or

(v) the Management Agent or its agents or employees have demonstrated incompetence or malfeasance in the management of the Project, or

(vi) the Special Limited Partner has elected to remove a General Partner that is an Affiliate of the Management Agent pursuant to the provisions of Section 7.7,

then the General Partners shall forthwith give to the Special Limited Partner notice of such event, and thereafter the Partnership shall, subject to any Requisite Approvals, forthwith terminate its management agreement with the Management Agent, unless the approval of the Special Limited Partner is obtained to the retention of the Management Agent. Upon any termination, the General Partners shall immediately proceed to select a qualified Person as the new Management Agent (which, in the event the terminated Management Agent was an Affiliate of a General Partner, shall be unaffiliated with any General Partner) as the new Management Agent for the Property, which selection shall be subject to any Requisite Approvals; and, after such selection, no Management Fee shall be payable to any Person which is an Affiliate of a General Partner unless the management contract with any such Person shall provide for the right of the
Partnership to terminate the same upon the occurrence of the circumstance described in this Article XI. By its execution hereof, the Management Agent agrees that the provisions of this Section which limit the amount of the Management Fee and provide for the termination of the Management Agent under the circumstances herein described are hereby incorporated into any present or future Management Agreement (which shall be deemed amended hereby to the extent necessary to give effect to such provisions).

Section 11.2. Special Power of Attorney

If an event described in clauses (i) through (vi) of Section 11.1 above occurs and the General Partner fails to send a Management Default Notice to the Special Limited Partner within the ten (10) days of the date the General Partner became aware of such event, the Special Limited Partner hereby is granted an irrevocable power of attorney, coupled with an interest, to take such action, and to execute and deliver such documents on behalf of the Partners and the Partnership, as shall be legally necessary and sufficient to effect the provisions of this Article XI.

ARTICLE XII

Books and Reporting, Accounting, Tax Election, Etc

Section 12.1. Books, Records and Reporting

A. The General Partners shall keep or cause to be kept a complete and accurate set of books and supporting documentation with respect to the Partnership's business. The books of the Partnership shall be kept on the accrual basis. The books and records of the Partnership (including all records required to be maintained under the Uniform Act) shall at all times be maintained at the offices of the Developer until the Completion Date, and thereafter at the principal office of the Partnership. Each Partner, its duly authorized representatives and any regulatory authority which regulates such Partner shall have the right to examine the books of the Partnership and all other records and information concerning the Partnership and the Project at reasonable times. The books and records of the Partnership shall include, without limitation, copies of the following: (i) the Partnership's federal, state and local income tax or information returns and reports, if any, and all related back-up documentation for ten (10) years from the date of production and (ii) financial statements of the Partnership for ten (10) years from the date of production.

B. The books of the Partnership shall be examined by the Accountants in accordance with generally accepted auditing standards annually as of the end of each fiscal year of the Partnership. The General Partners shall prepare a balance sheet as of the end of each such year and statements of income, partners' equity and cash flows for such year. Said balance sheet and statements shall be accompanied by the opinion of the Accountants that said balance sheet and statements have been prepared in accordance with generally accepted accounting principles applied consistently with prior periods identifying any matters to which the Accountants take exception and stating, to the extent practicable, the effect of each such exception on such financial statements. As a note to such financial statements, the General Partners shall prepare a schedule of all loans to the Partnership (to be reviewed by the Accountants), setting forth the purpose of such loan and Section of this Agreement under which such loan was obtained. Such
schedule shall demonstrate that loans have been made, used, carried on the books of the Partnership (and repaid, if applicable) in accordance with the provisions of this Agreement. In addition, after the first year in which the Accountants examine the financial statements of the Partnership after completion of the Project, the depreciation schedule for that year and all future years, along with the depreciation worksheet, shall be prepared by the General Partners, reviewed by the Accountants and furnished to the Investor Limited Partner. The General Partners shall, promptly upon receipt of such balance sheet and statements and in any event within sixty (60) days after the end of each fiscal year, transmit to the Investor Limited Partner a copy thereof. The Accountants shall also review and sign the federal and state income tax returns of the Partnership. In connection with the preparation of such tax returns, the General Partners shall seek and obtain the advice of the Special Limited Partner with respect to material allocations of assets for cost recovery purposes. The General Partners shall complete the books of the Partnership in such time as will allow the Accountants to complete such tax returns within forty-five (45) days after the end of such fiscal year. The General Partners shall cause such tax returns to be filed within such time periods and shall immediately upon the filing thereof transmit to the Investor Limited Partner a copy of Schedule K-1. If the General Partners fail to complete such tax returns and to transmit such Schedule K-1 to the Investor Limited Partner within such time periods, they shall fail to transmit the annual balance sheet and financial statements to the Investor Limited Partner within the time period set forth above or shall fail to deliver any of the information required by Section 12.1E within twenty (20) days after the end of any applicable quarter of the Partnership's fiscal year, the General Partners shall pay as damages the sum of $250 per day (plus interest at the Designated Prime Rate plus 3% per annum) to the Investor Limited Partner until such Schedule K-1, and financial statements and information required pursuant to Section 12.1E are received by the Investor Limited Partner. Such damages shall be paid forthwith by the General Partners and failure to so pay shall constitute a default of the General Partners under Section 6.3C. In addition, if the General Partners fail to so pay, the Investor Limited Partner may deduct any unpaid damages from any portion of its Capital Contribution not yet paid, or if such Capital Contribution has been fully paid then the General Partners and their Affiliates shall forthwith cease to be entitled to the Incentive Management Fee and any Cash Flow. Such payments of the Incentive Management Fee and Cash Flow shall only be restored upon the payment of such damages in full and any amount of such damages not so paid shall be deducted against payments of the Incentive Management Fee and Cash Flow otherwise due to the General Partners or their Affiliates.

Such reports and estimates shall clearly indicate the methods under which they were prepared and shall be made at the expense of the Partnership.

C. If the General Partners fail to complete such tax returns and submit such Schedules K-1 on a timely basis, the Investor Limited Partner may select a firm of accountants who shall prepare such returns and Forms K-1. The General Partners shall immediately furnish all necessary documentation and other information to prepare such tax returns and such Schedules K-1 to such accountants.

D. Every Limited Partner shall at all times have access to the records of the Partnership and may inspect and copy any of them. A list of the names and addresses of all of the Limited Partners shall be maintained as part of the books and records of the Partnership and shall be mailed to any Limited Partner upon request. A reasonable charge for copy work may be
charged by the Partnership. Within a reasonable time following receipt of a written direction from the Investor Limited Partner, the General Partners shall furnish copies of information or reports required to be maintained or prepared pursuant to this Article XII to members or limited partners of the Investor Limited Partner. Any such direction shall specifically identify the information or reports requested and the name and address of each member or limited partner of the Investor Limited Partner to receive the same.

E. Within fifteen (15) days following the end of each of the first three (3) quarters of each fiscal year (and, if and to the extent specifically requested in writing by the Investor Limited Partner, within twenty (20) days following the end of such fiscal year), the Managing General Partner shall send to each Person who was a Limited Partner at any time during such quarter one or more reports which, taken together, provide the following information (which need not be audited): (i) a balance sheet as at the end of such quarter; (ii) a statement of income for such quarter on the cash as well as accrual bases; (iii) a statement of cash available for distribution and reserves for such quarter; (iv) a statement describing (a) any new agreement, contract or arrangement between the Partnership and a General Partner or an Affiliate of a General Partner except for payroll and related benefits paid to the Management Company, (b) the amount of all fees and other compensation and distributions and reimbursed expenses paid by the Partnership for the quarter to any General Partner or Affiliate of a General Partner, and (c) the amount of all distributions of Cash Flow and Capital Transaction proceeds made to Partners; and (v) a report of the significant activities of the Partnership during the fiscal quarter. Each quarterly report shall also contain a certification by the General Partner that the Partnership or the General Partner has not received any notice or has been cited by or otherwise warned in writing of any “Violation” (as hereinafter defined) by any governmental entity, which Violation could have a materially adverse impact on any of them. For purposes of this certification, a Violation shall mean any act or omission complained of which, if uncured, would be in violation of (a) any applicable statute, code, ordinance, rule or regulation, (b) any agreement or instrument to which the governmental entity and the Partnership or the General Partner is a party or to which the Project is subject, (c) any license or permit, or (d) any judgment, decree or order of a court. Any exceptions to the foregoing shall be described in such certification. In addition, if requested by the Investor Limited Partner in writing, within a reasonable time after receipt of such a request, each General Partner shall send to the Investor Limited Partner such recent financial statements (including a balance sheet and statement of income) as shall have been so requested.

F. The General Partners shall provide the Investor Limited Partner and the Class B Limited Partner with (i) a copy of each draw request for construction or development costs as such requests are made to the Lender; (ii) a copy of each inspection report, evaluation or similar report issued to the Partnership by any Agency or Lender promptly upon receipt thereof; (iii) a copy of each low-income housing tax credit compliance report delivered to or prepared by the applicable tax credit monitoring agency or agencies with respect to the Project; (iv) prompt notice of any casualty or other significant adverse event relating to the Partnership; (v) evidence of insurance, (vi) at least annually, a schedule setting forth the adjustments necessary, if any, to state the income of the Partnership using the longer depreciable lives available under generally accepted accounting principles (rather than the depreciable lives used for federal income tax purposes), and (vii) such other information as the Investor Limited Partner may specifically request from time to time with regard to the business or operations of the Partnership. The
General Partner shall authorize the Developer to execute draw requests on behalf of the Partnership.

G. By the fifteenth (15th) day of each month prior to the Development Obligation Date, the Class B Limited Partner shall provide the Investor Limited Partner with a brief written summary of the status of the construction, development, lease-up and operations of the Project during the prior month.

H. An annual pro forma operating budget for the succeeding calendar year shall be prepared by the General Partners and furnished to the Investor Limited Partner by November 30 of each year. In addition, the General Partners shall prepare and furnish to the Investor Limited Partner an estimate of the profits and losses of the Partnership for federal income tax purposes for the current fiscal year not later than September 30 of each year.

I. Within thirty (30) days following the close of the first year of the credit period with respect to the Project, the Class B Limited Partner shall provide the Investor Limited Partner with a copy (in electronic form, if feasible) of all records establishing the qualification of tenants under Section 42 of the Code.

J. The General Partners shall furnish to the Investor Limited Partner a radon gas test measurement report and conclusion (a “Radon Report”) for each Building upon completion of construction or rehabilitation thereof, unless the Project is located in a county in the lowest risk EPA radon map Zone 3. The Radon Report must come from a radon service professional who (i) meets state-specific requirements, if any, for providing such Radon Reports, and (ii) has a proficiency listing, accreditation or certification in radon test measurement from either (a) The National Environmental Health Association (“NEHA”) National Radon Proficiency Program or (b) The National Radon Safety Board (“NRSB”). Alternatively, a Radon Report from an environmental professional who lacks such a proficiency listing, accreditation or certification from NEHA or NRSB may be acceptable if it follows state-specific requirements and EPA recommendations and protocols set forth in the following EPA publications: Protocols for Radon and Radon Decay Product Measurements in Homes (EPA 402-R-93-003, June, 1993) and the Indoor Radon and Radon Decay Product Measurement Device Protocols (EPA 402-R-92-004, July, 1992), which protocols are summarized at www.airchek.com. If the Radon Report demonstrates that the radon gas level for a Building exceeds the EPA standard for radon action or remediation then in effect, the General Partners shall install a radon mitigation system or take other recommended mitigation measures and shall provide a follow-up Radon Report to confirm effectiveness.

Section 12.2. Bank Accounts

Subject to any Requisite Approvals, the bank accounts of the Partnership shall be maintained in such banking institutions as the General Partners shall determine and withdrawals shall be made only in the regular course of Partnership business on the signature of the Managing General Partner. All deposits and other funds not needed in the operation of the business shall be deposited, to the extent permitted by the Lender and the Agency, in interest-bearing accounts or invested in short-term United States Government obligations maturing within one (1) year.
Section 12.3. Elections

Unless the Consent of the Investor Limited Partner is obtained permitting a different treatment, and except to the extent otherwise required by Section 168(g)(1)(B) of the Code, the Partnership shall depreciate its residential rental property, site improvements and personal property costs, respectively, over twenty-seven and a half (27.5) years, fifteen (15) years and seven (7) years for federal income tax purposes and over forty (40) years, twenty (20) years and ten (10) years (or over such other relevant useful lives as the Accountants shall deem appropriate) for financial accounting purposes. Subject to the provisions of Section 12.4, all other elections required or permitted to be made by the Partnership under the Code shall be made by the General Partners in such manner as they consider to be most advantageous to the Limited Partners.

Section 12.4. Special Adjustments

In the event of (i) a transfer of all or any part of any Interest or (ii) an election pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) is made by the Investor Limited Partner, the Partnership shall elect, if requested by the transferee or by the Investor Limited Partner (as the case may be), pursuant to Section 754 of the Code (or corresponding provisions of succeeding law) to adjust the basis of Partnership assets. Notwithstanding anything to the contrary contained in Article X, any adjustments made pursuant to said Section 754 shall affect only the successor in interest to the transferring Partner. Each Partner will furnish the Partnership with all information necessary to give effect to such election.

Section 12.5. Fiscal Year

The fiscal year of the Partnership shall be the calendar year unless a different year is required by the Code.

Section 13.2. Word Meanings

The words such as "herein," "hereinafter," "hereof," and "hereunder" refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires. The singular shall include the plural and the masculine gender shall include the feminine and neuter, and vice versa, unless the context otherwise requires. Any references to "Sections" or "Articles" are to Sections or Articles of this Agreement, unless reference is expressly made to a different document.

The covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the heirs, legal representatives, successors and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement. Subject to the preceding sentence and except as otherwise specifically set forth herein with respect to Fleet, none of the provisions of this Agreement shall be for the benefit of any lender or any other Person who is not a Partner.

Section 13.4. Applicable Law

This Agreement shall be construed and enforced in accordance with the internal laws of the State.

Section 13.5. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 13.6. Paragraph Titles

Paragraph titles and any table of contents herein are for descriptive purposes only, and shall not affect the meaning of this Agreement as set forth in the text.

Section 13.7. Separability of Provisions; Rights and Remedies; Arbitration

A. Each provision of this Agreement shall be considered separable and (i) if for any reason any provisions herein are determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid, or (ii) if for any reason any provisions herein would cause the Limited Partners to be bound by the obligations of the Partnership under the laws of the State as the same may now or hereafter exist, such provisions shall be deemed void and of no effect.

2000, Houston, TX 77046; and Michael Eaton, Esq., Eaton, Deaguero & Bishop, PLLC, 1111 West Mockingbird, Suite 1150, Dallas, TX 75247; and if to the Servicing Agent or Bond Lender, Attn: Director, Asset Management, MuniMae Portfolio Services, LLC, 621 East Pratt Street, Third Floor, Baltimore, MD 21202.
B. Each of the parties hereto irrevocably waives during the term of the Partnership (including any periods during which the business of the Partnership is required to be continued under Article VII) any right (i) that such party may have to maintain any action for partition with respect to the property of the Partnership, and (ii) to commence an action seeking dissolution of the Partnership (unless the Consent of the Investor Limited Partner has been obtained).

C. The rights and remedies of any of the parties hereunder shall not be mutually exclusive, and the exercise of one or more of the provisions hereof shall not preclude the exercise of any other provisions hereof. Each of the parties confirms that damages at law may be an inadequate remedy for breach or threat of breach of any provisions hereof. The respective rights and obligations hereunder shall be enforceable by specific performance, injunction, or other equitable remedy, but nothing herein contained is intended to limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other parties for a breach or threat of breach of any provision hereof, it being the intention that the respective rights and obligations of the Partners shall be enforceable in equity as well as at law or otherwise.

D. In any instance in which any matter is to be determined by arbitration, such matter shall be submitted in the manner provided under the Commercial Arbitration Rules of the American Arbitration Association then in effect; such arbitration shall be conducted before one arbitrator, chosen in accordance with such rules in Dallas, Texas, and shall be binding on all parties to the dispute; judgment on the award of such arbitrator may be rendered by any court having jurisdiction of such parties and the subject matter. The expense of such arbitration shall be borne equally by the parties thereto, except that each party shall bear the cost of its legal counsel.

E. Each Partner and each Guarantor irrevocably:

(i) agrees that any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby shall be brought in the courts of record of Dallas County of the State of Texas or the courts of the United States located in Dallas, Texas;

(ii) consents to the jurisdiction of each such court in any such suit, action or proceeding;

(iii) waives any objection which he may have to the laying of venue of any such suit, action or proceeding in any of such courts; and

(iv) waives its right to a jury trial with respect to any suit, action or other legal proceeding arising out of this Agreement, any of the Related Agreements or any of the transactions contemplated hereby or thereby.

Section 13.8. Effective Date of Admission

Any Partner admitted to the Partnership during any calendar month shall be deemed to have been admitted as of the first day of such calendar month for all purposes of this Agreement including the allocation of profits, losses and credits under Article X; provided, however, that if
regulations are issued by the Service or an amendment to the Code is adopted which would require, in the opinion of the Accountants, that a Partner be deemed admitted on a date other than as of the first day of such month, then the General Partners shall select a permitted admission date which is most favorable to the Partner.

Section 13.9. Delivery of Certificate

Promptly upon the filing of the Certificate and each amendment thereto in the Filing Office, the General Partners shall deliver or mail a copy thereof to each Limited Partner.

Section 13.10. Additional Information

At the request of the Investor Limited Partner, the General Partners shall furnish to the Investor Limited Partner: (i) plans and specifications for the Project; (ii) manuals, booklets and other documents describing the location and operation of all systems within the Project, including without limitation heating, air conditioning, elevator, electrical and plumbing systems; (iii) a list and copies of all agreements concerning the maintenance, operation and management of the Project; and (iv) such other information regarding the Partnership, the Project or the Related Agreements as the Investor Limited Partner may reasonably request.

Section 13.11. Further Documents and Actions

The Partners agree that they shall, from time to time, execute and deliver such further documents and do such further actions and things as may be reasonably requested by any other such party in order to effect fully the purposes of this Agreement and each other agreement or instrument identified on the Document Schedule.

Section 13.12. Brokers or Finders

The parties hereto agree that no broker or finder has any claim for commissions or fees in connection with the transaction embodied herein. The General Partners shall jointly and severally indemnify the Limited Partners against any brokers' or finders' fees or commissions claimed through the General Partners or their Affiliates in connection with the transactions contemplated hereby, including without limitation fees or commissions claimed by any syndicator or consultant engaged by the General Partners or any of their Affiliates. Fees payable to MMA are not covered hereby.

Section 13.13. Amendment

This Agreement may only be amended in writing signed by the General Partner, the Investor Limited Partner, the Special Limited Partner, and the Class B Limited Partner (with a copy to the Servicing Agent). All parties agree that no oral agreements or course of conduct of the parties shall be deemed to be an amendment to this Agreement unless in writing signed as described above. So long as the Fleet Pledge is outstanding, any amendment of those provisions herein of which Fleet, as Agent, is a third party beneficiary, or any other amendment to any other provision herein which would materially affect Fleet's rights and priorities as Agent under the Fleet Pledge, shall require the prior written consent of Fleet. Fleet, as Agent, is an intended third party beneficiary of this section.
IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed under seal as of the day and year first above written.

Insurance Requirements

I. General Insurance Requirements

The following are construction period and permanent insurance requirements. This outline describes the minimum types and amounts of insurance that are satisfactory to the Special Limited Partner:

i. Partnership’s Commercial General Liability Insurance (Bodily Injury and Property Damage);

ii. During the construction period, a special form, Builder’s Risk policy (written on a completed value form with an agreed value endorsement) and, thereafter, Partnership’s Property Insurance;

iii. Partnership’s Automobiles/Hired and Non-Owned Liability Insurance;

iv. Insurance for boiler and machinery (if applicable), in the amount of full replacement cost. To be written on a comprehensive form, and to include loss of rents with a maximum of “24 hour” deductible with a mechanical breakdown endorsement;

v. Insurance for flood if project is located within a 100-year flood plain (FEMA Flood Zone “A” – or any sub-designation of Zone “A”). Policies must be obtained through the National Flood Insurance Plan (NFIP) in the amount equal to the lesser of the full insurable value or $250,000 per building with a deductible not to exceed $5,000 per building. An excess Flood or Difference in Conditions (DIC) policy should provide for the difference, if any, between the maximum limit provided by NFIP policies and the full insurable value. Flood policies must be in full effect for both the construction and permanent phases;

vi. If the project is located in Seismic Zones 3 or 4, a Seismic Report must be completed to determine Probable Maximum Loss (PML). If the PML is shown to have an expected seismic damage ratio of less than 20%, then earthquake coverage may be waived. If earthquake coverage is required, it must be in full effect for both construction and permanent phases in the amount not less than full insurable value;

vii. Windstorm is a generally accepted exclusion from “All-Risk” insurance policies, provided that a separate policy is obtained for that exclusion. The wind policy must include business income/rents loss coverage for a minimum of 12 months;

viii. Fidelity Bond in an amount not less than six (6) months of project’s gross rental receipts. Fidelity Bond coverage must be in full effect for both the construction and permanent phases;
ix. Management agent’s Workers’ Compensation and Employer’s Liability Insurance in the statutory amount;

x. During the construction period, General Contractor’s Commercial General Liability and Property Damage Insurance; Automobile/Hired and Non-Owned Liability; and Workers’ Compensation and Employer’s Liability Insurance;

xi. During the construction period, Architect’s Errors and Omissions (Professional Liability) Insurance is required;

xii. Ordinance and Law Coverage must be obtained when the project represents a non-conforming use under current building, zoning or land use laws or ordinances. Amount to cover loss of undamaged portion of the building at replacement cost, demolition cost (10% of replacement cost) and increased cost of construction (10% of the replacement cost); and

xiii. Terrorism coverage is required for all projects equal to or greater than $20 million. For projects under $20 million, terrorism coverage is an acceptable exclusion, but remains strongly encouraged.

Additional Insurance Items

- No commercial general liability insurance policy may contain an exclusion for loss or damage caused by mold, fungus, moisture, microbial contamination or pathogenic organisms, and no property insurance policy may contain an exclusion for loss or damage caused by mold, fungus, moisture, microbial contamination or pathogenic organisms in connection with another covered peril (e.g. mold in connection with water damage caused by storm or fire) unless the Special Limited Partner determines that the potential risk for material loss or damage as a result of such exclusions is minimal or that such insurance without those exclusions is unavailable or available only at a price that is not commercially reasonable, or it is not customary practice in the geographic region in which the Property is located to obtain such coverage for the type of construction involved.

- All carriers must be A- or better rated according to A.M. Best & Company, with a Financial Size Category rating by A.M. Best of VIII or higher.

- All insurance binders, certificates, and policies for the Partnership’s insurance must name the Partnership as the named insured. All Partnership’s insurance must name the Investor Limited Partner and Special Limited Partner as an additional insured or loss payee as expressly indicated, under a customary form of lender’s or mortgagee’s clause, with a minimum of 30 days notice of cancellation. All architect’s and General Contractor’s insurance must name the Partnership as additional insured or loss payee as indicated.

- All policies shall provide for a minimum of 30 days prior written notice to the Special Limited Partner of cancellation, termination, or reduction of coverage except for non-payment of premium where ten (10) days notice shall be given.
• Please reference the name of the Property or the Partnership, including address, in the “description section” of the insurance certificate.

• Each Certificate/Binder must include a broker or agent contact name along with their phone and fax number.

• Special Limited Partner reserves the right to modify the insurance requirements as conditions warrant.

Re: Churchill at Pinnacle Park, L.P., a Texas limited partnership (the “Partnership”)

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership dated as of July 1, 2004 (the “Partnership Agreement”). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Using information provided to us by the Partnership concerning Churchill at Pinnacle Park Apartments, an apartment complex located in Dallas, Texas (referred to herein as the “Project”), we have performed the following procedures:

We have compiled a statement of income and expenses for the three months ended _________, 20__.

We have obtained an annual budget prepared by the Project’s management agent for the year ended December 31, 20__.

We have adjusted the statement to annualize all expenditures, including those of a seasonal or irregular nature which might reasonably be expected to be incurred on an unequal basis during a full annual period of operations. (Examples of such expenditures include debt service, reserve funding, maintenance, utilities, snow removal and real estate taxes.)

We have compared the budget for such period to the statement of actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership and the management agent.
We have determined that the Project, for each of three calendar months commencing on or after Final Closing, has achieved Breakeven, as that term is defined in the Partnership Agreement.

Copies of the calculations and adjustments we have made in reaching the determination above and of financial statements and budgets upon which such calculations are based are attached hereto.

Attention: MMAF Asset Management

Re: Churchill at Pinnacle Park, L.P., a Texas limited partnership
(the "Partnership")

Gentlemen:

We have reviewed the pertinent portions of the First Amended and Restated Agreement of Limited Partnership of the Partnership among MMA Pinnacle Park, LLC, a Delaware limited liability company ("MMAF") and other parties dated as of July 1, 2004 (the "Partnership Agreement"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Partnership Agreement.

Based upon information provided to us by the Partnership concerning Churchill at Pinnacle Park Apartments (an apartment complex located in Dallas, Texas, referred to herein as the "Project"), we have performed the following procedures.

We have compiled a statement of the development costs through ________, 20__ and the expected classification of each cost for tax purposes.

We have obtained a budget for the development costs from the Partnership.

We have compared the budget for such costs to the actual results, and have made all inquiries we considered necessary with respect to any material variances.

We have performed such other procedures as we considered necessary to evaluate both the assumptions used and the information provided to us by the Partnership.

We have determined that the Adjusted Aggregate Federal Credit Amount properly allocable to MMAF as the Investor Limited Partner will be approximately $_________.

Furthermore, nothing has come to our attention to suggest that the data or assumptions on which the above determinations are based are incorrect or inappropriate.
In making these determinations, we have assumed that 100% of the apartment units in the Project will be "low-income units" as such term is defined in Section 42(i)(3) of the Internal Revenue Code of 1986, as amended, and have no reason to believe that such assumption is unwarranted.

Copies of the calculations we have made in reaching the determinations above and of the financial statements and budgets upon which such calculations are based are attached hereto.

Re: Existing TDHCA Properties for 811 Consideration

Dear Mr. Duran:

As the syndicator for the following developments that have been financed with Low Income Housing Tax Credits, we have reviewed your request to enter into a Section 811 contract to provide additional Section 811 units at the following properties.

Churchill at Pinnacle Park – Section 811 Project ID#4058
Evergreen at Keller Senior Community – Section 811 Project ID#4185
Evergreen at Plano Senior Community – Section 811 Project ID#4050

These properties have been placed in service and were underwritten and closed without contemplation of additional Section 811 units. Because the potential impact to these transactions was not evaluated prior to closing, we do not approve the addition of Section 811 units for these properties at this time.

Please contact me with any questions.

The purposes of this amendment to, and restatement of, the Original Partnership

(iv) the fourth Installment (the “Fourth Installment”) in the amount of $218,000 shall be paid on the Completion Date;

(v) the fifth Installment (the “Fifth Installment”) in the amount of $218,000, shall be paid upon the latest of (a) Final Closing and (b) the date the Accountants determine the amount of the Federal Tax Credits and determine that the Project satisfies the requirements of Section 42(h) of the Code;

B. The obligation of the Investor Limited Partner to make each Installment (except as otherwise provided) is subject to each of the following conditions:

(i) The General Partners shall have properly completed, executed and delivered to the Investor Limited Partner a certificate relating to the appropriate remaining Installments (the “Payment Certificate”), in the forms attached hereto as exhibits, relating to the appropriate remaining Installments, dated the date such
Installment is to be paid to the Partnership and attaching the Title Policy endorsement and any other materials referred to therein. In connection with the payment of each Installment, the Investor Limited Partner shall have the right to conduct a physical inspection of the Property to determine that the condition of the Project is consistent with sound business practices in the geographic area in which the Project is located, including no deferred maintenance. The Investor Limited Partner shall conduct such inspection within ten (10) business days of being requested to do so by the General Partner, provided, however, that the Investor Limited Partner will be deemed to waive such physical inspection requirement if it does not make such inspection within ten (10) business days of receipt of a written request by the General Partner to do so (which may be sent prior to the date of the Payment Certificate, but not more than ten (10) business days prior to the date of the Payment Certificate).

(ii) In the case of the First Installment, all Requisite Approvals to the admission of the Investor Limited Partner pursuant to this Agreement shall have been obtained and the Project shall have received a Credit Approval in the amount of at least $506,556 per annum.

(iii) Each of the representations and warranties set forth in Section 6.5 shall in all material respects be true and correct.

(iv) No event shall have occurred which would permit the Investor Limited Partner to give an Election Notice under Section 5.3.

(v) From and after the date of the occurrence of an Event of Bankruptcy as to any General Partner, any Guarantor or the Developer, the obligation of the Investor Limited Partner to pay the Installments shall be suspended, and such obligation shall be reinstated only when such Event of Bankruptcy shall have been cured in a manner approved in writing by the Investor Limited Partner.

(vi) No Installment shall be payable unless all conditions for all prior Installments have been satisfied.

Section 5.2. Adjustment to Capital Contributions of Investor Limited Partner

The Capital Contribution of the Investor Limited Partner shall be subject to adjustment in the manner provided in this Section 5.2.

A. Federal Downward Basis Adjuster If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to which, the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner during the Credit Period for all of the Buildings in the Project is or will be less than the Projected Aggregate Federal Tax Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be reduced in the aggregate by the “Federal Adjustment Factor” (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Tax Credit Amount is less than the Projected Aggregate Federal Tax Credit Amount (except to the extent
such shortfall is attributable to the recapture of Federal Tax Credits previously reported on a Partnership tax return, in which event the Federal Adjustment Factor shall be $1.00 with respect to the portion of such shortfall attributable to such recapture, (ii) the amount of any interest and/or penalties paid or payable by the Investor Limited Partner (or its participants) as a result of any Recapture Event affecting the foregoing calculation, and (iii) 10% per annum commencing on the Admission Date and continuing until the payment of the amount of such reduction in full (for purposes of this sentence, any reduction effected by reduction in the amount of an Installment as provided in Section 5.2C shall be deemed to have been paid on the date on which such Installment shall actually become payable hereunder). Prior to the release of the Fifth Installment, the “Federal Adjustment Factor” shall be an amount equal to $0.86. From and after the release of the Fifth Installment, the “Federal Adjustment Factor” shall be an amount equal to $0.914. Any amount payable under this Section is referred to as the "Federal Adjustment Amount".

B. Federal Timing Adjuster. If at any time and from time to time the Accountants shall determine that, or there shall be a Final Determination or a Recapture Event pursuant to which, the amount of the Federal Tax Credits properly allocable to the Investor Limited Partner is less than $183,531 in 2006, $485,546 in 2007, and $506,455 in 2008 (the “Target Amounts”), then the Capital Contribution of the Investor Limited Partner shall be reduced by $0.60 for each $1.00 that the Federal Tax Credits properly allocable to the Investor Limited Partner is less than $183,531 in 2006, $485,546 in 2007, and $506,455 in 2008 (a "Federal Timing Adjustment"). Notwithstanding the foregoing, however, in the event that the Adjusted Aggregate Federal Tax Credit Amount shall vary from the Projected Aggregate Federal Tax Credit Amount in effect on the date of the Investment Closing, the Target Amounts for purposes of the preceding sentence shall be adjusted by the same percentage by which the Adjusted Aggregate Federal Tax Credit Amount varies from the Projected Aggregate Federal Tax Credit Amount.

C. Payment of Federal Adjustments. Any Federal Adjustment Amount (as increased pursuant to the last sentence of Section 5.2A) or Federal Timing Adjustment shall be applied first to reduce the amount of any unpaid portions of the Installments of the Capital Contribution of the Investor Limited Partner, in order, by a corresponding amount. If the aggregate Federal Adjustment Amount (as increased pursuant to Section 5.2A) and Federal Timing Adjustment exceeds the amount of such unpaid Installments, then the General Partners shall make a payment (a “Federal Tax Credit Shortfall Payment”) to the Investor Limited Partner in the amount of such excess within thirty (30) days of the date of the determination in question. Any such Federal Tax Credit Shortfall Payment by the General Partners shall constitute a Capital Contribution to the Partnership but shall not be reimbursable by the Partnership, and shall be immediately distributed by the Partnership to the Investor Limited Partner. If full payment of such excess amount is not received within such thirty (30)-day period, the unpaid balance shall thereafter bear interest at the Designated Prime Rate. Notwithstanding the foregoing, any Federal Adjustment Amount which was caused by a Recapture Event shall be payable solely out of Cash Flow or proceeds of a Capital Transaction.

D. Provisional Adjustments. If, upon receipt by the Investor Limited Partner of a Payment Certificate with respect to any Installment, the Investor Limited Partner shall have a reasonable basis to believe that the amount of such Installment would have been subject to reduction if the Accountants had made a current determination or projection under Section 5.2A.
or 5.2B above, the Investor Limited Partner may so notify the General Partners within seven (7) business days of receipt of such Payment Certificate, and the General Partners shall thereupon engage the Accountants to make such determination or projection (unless the General Partners and Investor Limited Partner shall mutually agree upon the adjustments to be made). The amount of the Installment in question shall then be provisionally reduced in accordance with such projection or agreement; provided, however, that if the Accountants' subsequent determinations with respect to matters provisionally reduced under this paragraph shall vary from the determinations or mutual agreements described herein, then either (i) the Investor Limited Partner shall promptly pay to the Partnership the amounts, if any, by which the provisional reduction exceeded the reduction as subsequently determined or (ii) the amount, if any, by which the reduction as subsequently determined exceeded the provisional reduction shall be applied against future Installments or refunded as provided in Section 5.2C above. The due date for payment by the Investor Limited Partner of any Installment which shall become the subject of the procedure described in this paragraph shall be tolled pending determination of the provisional reduction (if any) as provided herein.

E. Federal Upward Basis Adjuster If at any time and from time to time the Accountants shall determine or there shall be a Final Determination that the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Tax Credit Amount, then the Capital Contribution of the Investor Limited Partner shall be increased in the aggregate by the “Federal Increase Factor” (as hereinafter defined) for each $1.00 that the Adjusted Aggregate Federal Tax Credit Amount properly allocable to the Investor Limited Partner during the Credit Period is greater than the Projected Aggregate Federal Tax Credit Amount. The “Federal Increase Factor” shall be an amount equal to $0.86 for every $1.00 by which the Adjusted Aggregate Federal Tax Credit Amount exceeds the Projected Aggregate Federal Tax Credit Amount. In no event shall any increase in the Investor Limited Partner’s Capital Contribution pursuant to this Section 5.2E exceed $500,000. Such increase in the Investor Limited Partner’s Capital Contribution shall be payable at the time of the payment of the Seventh Installment. Notwithstanding the foregoing, in the event that, through the Completion Date the amount of interest income allocated to the Investor Limited Partner exceeds the deductible investment interest expense allocated to the Investor Limited Partner (the “Net Interest Income”), then the increased Capital Contribution payable under this Section 5.2E shall be reduced by an amount equal to 40% of any Net Interest Income.

Section 5.3. Repurchase of Investor Limited Partner’s Interest

A. The General Partner hereby agrees to purchase the Interest of the Investor Limited Partner if any of the following events shall occur:

(i) Final Closing and Permanent Mortgage Commencement shall not have taken place on or before October 1, 2007, provided, however, that such date may be automatically extended for a period of up to twelve (12) months to the extent the expiration dates set forth in the Project Documents shall have been extended beyond such date; or
(ii) at any time prior to the Development Obligation Date, (1) any action to foreclose any Mortgage shall have been commenced and such action is not terminated or withdrawn within ninety (90) days or a binding agreement with the holder(s) thereof to effect the same entered into within such period, and any notice of acceleration of indebtedness waived or withdrawn; (2) any action is commenced to foreclose any mechanics' or any other lien (other than the lien of any Mortgage) against the Project and such action has not within ninety (90) days been either bonded against in such a manner as to preclude the holder of such lien from having any recourse to the Property or to the Partnership for payment of any debt secured thereby, or affirmatively insured against by the title insurance policy or an endorsement thereto issued to the Partnership by a reputable title insurance company (which insurance company will not have indemnity from or recourse against Partnership assets by reason of any loss it may suffer by reason of such insurance) in an amount satisfactory to Investor Tax Counsel; (3) construction or operation of the Project shall have been enjoined by a final order (from which no further appeals are possible) of a court having jurisdiction and such injunction shall continue for a period of ninety (90) days; (4) a casualty occurs resulting in substantial destruction of more than 50% of the Project, or there is substantial destruction of less than 50% of the Project and the insurance proceeds (if any) are insufficient to restore the Project or the Project is not so restored within twenty-four (24) months following such casualty; or (5) the Project shall become ineligible for 50% or more of the low-income housing tax credit anticipated to be generated by the Project, as calculated on the basis of the information set forth in the Investment Assumptions; or

(iii) any Lender or Governmental Agency shall disapprove, or fail to give a required approval of, the Investor Limited Partner as a Partner of the Partnership.

B. If any such event set forth in Section 5.3A shall occur, the General Partners shall give notice to the Investor Limited Partner and the Class B Limited Partner (with a copy to the Servicing Agent) of the obligations of the General Partner hereunder to purchase the Investor Limited Partner's Interest (such obligation being herein called a "Purchase Obligation" and such notice the "Purchase Obligation Notice") within fifteen (15) days after the occurrence of any event giving rise to such obligation. If the Investor Limited Partner elects to sell its Interest hereunder, it shall give the General Partners and the Class B Limited Partner notice of such election (an "Election Notice") within thirty (30) days after such Purchase Obligation Notice from the General Partners is received by the Investor Limited Partner (or, in the event that such Purchase Obligation Notice from the General Partners is not given, at any time after the occurrence of such event).

C. Within thirty (30) business days after delivery to the General Partners and the Class B Limited Partner of an Election Notice from the Investor Limited Partner, the General Partner shall pay the Investor Limited Partner a purchase price (the "Purchase Price") in cash (with interest thereon at the Designated Prime Rate commencing on the fifth (5th) day following the date of such delivery) equal to (i) the sum of (a) 110% of the Investor Limited Partner's Net Capital Contribution (whether or not theretofore paid-in to the Partnership), plus (b) the amount
of any interest or penalties payable in connection with any recapture of tax credits allocated to
the Investor Limited Partner pursuant to the Partnership Agreement less (ii) the sum of (a) that
portion of the Net Capital Contribution which has not theretofore been paid-in to the Partnership,
(b) the amount of Cash Flow theretofore distributed by the Partnership in respect of the Investor
Limited Partner's Interest and (c) the amount of any tax credits allocable to the Interest which
will not be recaptured as a result of the disposition of said Interest or otherwise.

D. Upon the giving of its Election Notice, the Investor Limited Partner shall have no
further obligations under this Agreement, and the General Partners and Class B Limited Partner
shall indemnify and defend the Investor Limited Partner and hold it harmless against any such
obligations. The General Partners and the Class B Limited Partner shall take all action and shall
pay all costs necessary to enable the Investor Limited Partner to receive and retain the Purchase
Price as against any creditor of any General Partner, the Class B Limited Partner or the
Partnership. Notwithstanding the purchase by the General Partner of the Interest of the Investor
Limited Partner pursuant to Section 5.3A, to the extent permitted under the applicable provisions
of the Code, the Investor Limited Partner shall be allocated any profits or losses and tax credits
in respect of said Interest for the period prior to the date of the receipt by the Investor Limited
Partner of payment therefor. Anything herein to the contrary notwithstanding, title to the Interest
of the Investor Limited Partner shall not vest in the General Partner until payment in full of the
Purchase Price therefor. Upon such payment, the General Partner and the Class B Limited
Partner shall forthwith cause an amendment hereto and to the Certificate and any other necessary
papers to be executed, filed, recorded and published wherever required showing such
substitution.

E. No agreement affecting the Project shall prevent the exercise by the Investor
Limited Partner of its right to require the purchase by the General Partner of its Interest in the
manner described in this Section 5.3.

F. The Investor Limited Partner shall have the right to waive its right to have its
Interest repurchased at any time during which any of such rights shall be in effect. Any such
waiver shall be exercised by delivery to the General Partners and the Class B Limited Partner of
a written notice stating under which clause(s) of this Section it is waiving its right to have its
Interest repurchased and that its rights thereunder are thereby irrevocably waived from that date
forward.

G. Should any General Partner repurchase the Interest of the Investor Limited
Partner pursuant to this Section 5.3, then the Special Limited Partner agrees to withdraw from
the Partnership at the same time as the Investor Limited Partner's withdrawal is effective.

Section 5.4. Default of Investor Limited Partner

A. In the event that the Investor Limited Partner shall fail to pay an Installment in
full when due in accordance with this Agreement, the Partnership shall give written notice to
such defaulting Limited Partner (the "Defaulting Limited Partner"), who shall have thirty (30)
days after such notice to make such payment. If the Defaulting Limited Partner fails to make
such payment within such period, then such failure shall constitute a default by the Defaulting
Limited Partner under this Agreement and all unpaid future Capital Contributions shall be
immediately payable and the Partnership shall have the following rights and remedies, to be exercised as determined by the General Partner, without need for consent of the Defaulting Limited Partner or the Special Limited Partner, each of which remedies shall be cumulative and concurrent and may be pursued separately, successively, or together except as is otherwise provided in this Section, and such rights and remedies may be exercised as often as occasion therefor shall arise, all to the maximum extent permitted by the laws of the State of Texas.

(i) Sale of Interest. After the notice of default by the Partnership and expiration of the thirty (30) day cure period described above, the Partnership may elect, upon ten (10) days’ written notice to the Investor Limited Partner, to sell the Investor Limited Partner’s Interest in the Partnership. In connection with such sale, the General Partner agrees to use reasonable best efforts to obtain the highest price for the Investor Limited Partner’s Interest. The Investor Limited Partner shall receive any remaining net proceeds of such sale after satisfaction of the obligations of the Investor Limited Partner hereunder.

(ii) Actions for Specific Performance. At any time, after the notice of default by the Partnership and after expiration of the thirty (30) day cure period described above, the Partnership may pursue any or all of the rights and remedies available to the Partnership by law or as provided in this Agreement, including suits, to recover all future Capital Contributions, interest thereon, and reasonable costs and expenses, including reasonable attorney’s fees, incurred in collecting such amounts. The Partnership may pursue any such action or proceeding simultaneously with the Partnership’s exercise of its rights under subsection (i) above.

(iii) Interest. After default by the Partnership, the defaulted future Capital Contributions will bear interest at the Designated Prime Rate plus one percent (1%) until paid in full, and such interest will be paid by Investor Limited Partner as demanded by the Partnership.

(iv) Certain Disputes. Notwithstanding the foregoing, this Section 5.4 shall not apply, and the Investor Limited Partner shall not be deemed to be in default hereunder, in the event a bona fide dispute exists as to the satisfaction of any condition to the payment of an Installment. If such a dispute exists, such dispute shall be submitted during the thirty (30)-day period described above for non-binding mediation and then Arbitration in Dallas, Texas, in accordance with the rules of the American Arbitration Association, and if the arbitrator (the “Arbitrator”) finds that all conditions to the disputed Installment were satisfied, the Investor Limited Partner agrees that it will immediately pay the full amount of the disputed Installment to the Partnership together with interest as described above; provided, however, that (1) any finding by the Arbitrator shall not be final or binding; (2) the Investor Limited Partner or the General Partner, as the case may be, shall have the right, only after payment of the amounts described above, to challenge the Arbitrator’s finding in a court of competent jurisdiction; and (3) in no event shall the payment by the Investor Limited Partner of the disputed Installment be construed as a waiver of such right. The General Partner’s rights
under this Section 5.4 shall not apply unless the Investor Limited Partner fails to pay the full amount of the disputed Installment within ten (10) days following a finding by the Arbitrator that all conditions to the disputed Installment were satisfied (regardless of whether the Investor Limited Partner has exercised its right to challenge the Arbitrator's finding pursuant to (2) above). If the Investor Limited Partner fails to pay such amounts within such ten (10) day period, the Investor Limited Partner shall not be entitled to exercise its rights under (2) above and the finding by the Arbitrator shall be deemed final and binding. In addition to the requirements set forth above, testimony during Arbitration shall be limited to three (3) days per party and the prevailing party shall be entitled to reimbursement for any attorney's fees incurred in connection with such Arbitration.

B. Notwithstanding any other provision hereof, the Partnership acknowledges that the Investor Limited Partner has previously pledged its Interest to Fleet pursuant to the Fleet Pledge described in Section 8.1D hereof. The Partnership agrees that it will give Fleet written notice (at the following address: Fleet National Bank, Mail Code: MA5-503-04-16, One Federal Street, Boston, MA 02110, Attention: John F. Simon, Senior Vice President) of any default by the Investor Limited Partner hereunder, and further agrees that Fleet will have sixty (60) days from its receipt of such notice to cure any such default prior to the Partnership's exercising any of its rights and remedies hereunder or otherwise at law or in equity, including, without limitation, its right to sell the Interest hereunder. Fleet may cure any such default by paying only the Installment or Installments for which the conditions to payment set forth in Section 5.1 hereof have then been satisfied. Fleet, as "Agent", is an intended third party beneficiary of this Section 5.4B

Section 5.5. Redemption of Partnership Interest.

The Investor Limited Partner shall have the right, exercised by giving written notice to the Partnership (with a copy to the Servicing Agent) within one hundred eighty (180) days following the end of the Compliance Period, to require the Partnership to redeem the Interest of the Investor Limited Partner for a redemption price of $100, and the Partnership shall promptly so redeem such Interest, whereupon the Investor Limited Partner shall cease to be a Partner and shall have no further rights, duties or obligations with respect to the Partnership or any of the other Partners.

ARTICLE VI

Rights, Powers and Duties of the General Partners

Section 6.1. Restrictions on Authority

A. Notwithstanding any other provisions of this Agreement, the General Partners shall have no authority to perform any act in respect of the Partnership or the Project in violation of (i) any applicable law or regulation or (ii) any agreement between the Partnership and any Lender or Governmental Agency.
B. The General Partners shall not have any authority to do any of the following acts without the Consent of the Investor Limited Partner and the Class B Limited Partner and any Requisite Approvals:

(i) to incur indebtedness for money borrowed on the general credit of the Partnership, except as specifically permitted by Article IX, or

(ii) following completion of construction of the Improvements, to construct any new capital improvements, or to replace any existing capital improvements if construction or replacement would substantially alter the use of the Property, or

(iii) to acquire any real property in addition to the Property (other than easements or similar rights necessary or convenient for the operation of the Project), or

(iv) to cause the Partnership to make any loan or advance to any Person (for purposes of this clause 6.1B(iv), accounts receivable in the ordinary course of business from Persons other than the General Partners or their Affiliates shall not be deemed to be advances or loans), or

(v) to lease any Low Income Unit to other than Qualified Tenants or otherwise operate the Project in such a manner or take any action which could cause any Low Income Unit to fail to be treated as a qualified low-income housing unit under Section 42(i)(3) of the Code or which would cause the recapture by the Partnership of any low-income housing credit under Section 42 of the Code, or

(vi) after the Investment Closing, to enter into any material Project Document or to amend any Project Document, or to permit any party thereunder to waive any provision thereof, to the extent that the effect of such amendment or waiver would be to eliminate, diminish or defer any obligation or undertaking of the Partnership, the General Partners or their Affiliates which accrues, directly or indirectly, to the benefit of, or provides additional security or protection to, the Investor Limited Partner (notwithstanding that the Investor Limited Partner is neither a party to nor express beneficiary of such provision or was not a Partner when such provision became effective), or

(vii) to apply for or accept any grant funds on behalf of the Partnership regardless of the source of the grant which consent will not be unreasonably withheld provided there are no adverse tax consequences; or

(viii) to obtain, increase, refinance or materially modify any Mortgage Loan after Investment Closing or to sell or convey the Property or any substantial portion thereof, except as provided in Article IX, and except that the General Partners may cause the Partnership to grant easements and similar rights affecting the Land to obtain utility services for the Project or for other purposes necessary or convenient for the operation of the Project, or
(ix) to cause the Partnership to commence a proceeding seeking any decree, relief, order or appointment in respect to the Partnership under the federal bankruptcy laws, as now or hereafter constituted, or under any other federal or state bankruptcy, insolvency or similar law, or the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) for the Partnership or for any substantial part of the Partnership's business or property, or to cause the Partnership to consent to any such decree, relief, order or appointment initiated by any Person other than the Partnership, or

(x) to pledge or assign any of the Capital Contribution of the Investor Limited Partner or the proceeds thereof, or

(xi) to amend any of the Related Agreements, or

(xii) to permit the merger, termination or dissolution of the Partnership, or

(xiii) to approve any changes to the plans and specifications for the Project which would result, either individually or in the aggregate, in an overall development cost increase or decrease in excess of $75,000 (provided, however, that any Consent of the Investor Limited Partner required under this clause (xiii) shall not be unreasonably withheld), or

(xiv) to take any action which would cause the Property or any part thereof to be treated as tax exempt use property within the meaning of Section 168(h) of the Code.

C. The General Partners shall not (a) cause the Partnership to utilize Cash Flow to acquire interests in other limited partnerships or (b) cause the Partnership to invest the proceeds of any sale or refinancing of the Project unless a sufficient portion thereof is distributed to the Investor Limited Partner to enable each limited partner thereof, assuming that it is in a combined federal, state and local marginal income tax bracket of 40%, to pay the federal, state and local income tax liability arising from the sale or refinancing which generated such proceeds, and in any event sale or refinancing proceeds shall not be reinvested without the Consent of the Investor Limited Partner.

D. Any Partner may engage independently or with others in other business ventures of every nature and description including, without limitation, the ownership, operation, management, and development of real estate, regardless of whether such real estate directly competes with the Project, and neither the Partnership nor any Partner shall have any rights by reason of this Agreement in and to such independent ventures.

Section 6.2. Tax Matters Partners

A. The Managing General Partner is hereby designated as the "Tax Matters Partner" for the Partnership. Upon the Retirement of the Person serving as the TMP (the "Retired TMP"), the Partnership shall designate a successor TMP in accordance with Treasury Regulation Section 301.6231(a)(7)-1(T) or any successor Regulation, but such designee shall not become the TMP
until the designation of such Person has been approved by Consent of the Investor Limited Partner. Such successor TMP shall notify the Service of its designation as such for such year as well as for all prior years for which the Retired TMP served in such capacity.

B. The TMP shall employ experienced tax counsel to represent the Partnership in connection with any audit or investigation of the Partnership by the Service, and in connection with all subsequent administrative and judicial proceedings arising out of such audit. The fees and expenses of such counsel shall be a Partnership expense and shall be paid by the Partnership. Such counsel shall be responsible for representing the Partnership; it shall be the responsibility of the General Partners and of the Investor Limited Partner, at their own expense, to employ tax counsel to represent their respective separate interests.

C. The TMP shall keep the Partners informed of all administrative and judicial proceedings, as required by Section 6223(g) of the Code, and shall furnish to each Partner who so requests in writing, a copy of each notice or other communication received by the TMP from the Service (except such notices or communications as are sent directly to such requesting Partner by the Service). All reasonable third party costs and expenses incurred by the TMP in serving as the TMP shall be Partnership expenses and shall be paid by the Partnership.

D. The TMP shall have no authority, without the Consent of the Investor Limited Partner, to (i) enter into a settlement agreement with the Service which purports to bind Partners other than the TMP, (ii) file a petition as contemplated in Section 6226(a) or 6228 of the Code, (iii) intervene in any action as contemplated in Section 6226(b) of the Code, (iv) file any request contemplated in Section 6227(b) of the Code, (v) enter into an agreement extending the period of limitations as contemplated in Section 6229(b)(1)(B) of the Code or (vi) take any other substantial action which would affect the Investor Limited Partner.

E. The relationship of the TMP to the Investor Limited Partner is that of a fiduciary, and the TMP hereby acknowledges its fiduciary obligation to perform its duties in such manner as will serve the best interests of the Partnership and the Investor Limited Partner.
