All representations, undertakings and commitments made by Applicant in the Application process for a Development, whether with respect to Threshold Criteria, selection criteria or otherwise, expressly constitute conditions to any Commitment, Determination Notice, Carryover Allocation, or Direct Loan Commitment for such Development which the Department may issue or award, and the violation of any such condition shall be sufficient cause for the cancellation and rescission of such Commitment, Determination Notice, Carryover Allocation, or Direct Loan Commitment by the Department. To the extent allowed under §2306.6720 Tex. Gov’t Code, if any such representations, undertakings and commitments concern or relate to the ongoing features or operation of the Development, they shall each and all shall be enforceable even if not reflected in the Land Use Restriction Agreement. All such representations, undertakings and commitments are also enforceable by the Department and/or the tenants of the Development, including but not limited to enforcement by assessment of administrative penalties for failure to perform, in accordance with the Land Use Restriction Agreement, the entry of orders by the Department’s Governing Board requiring strict performance, or the obtaining of injunctive relief.

Neither Applicant nor any other member of the Development Team has breached a contract with a public agency and failed to cure that breach within the timeframe provided or allowed by contract. If such breach is permitted to be cured under the contract, notice of the breach has been given and a reasonable opportunity to cure.

Neither Applicant nor any other member of the Development Team has misrepresented to a subcontractor the extent to which the Developer has benefited from contracts or financial assistance that has been awarded by a public agency, including the scope of the Developer's participation in contracts with the agency and the amount of financial assistance awarded to the Developer by the agency.

The making of an allocation or award by the Department does not constitute a finding or determination that the Development is deemed qualified to receive such allocation or award. Applicant agrees that the Department or any of its directors, officers, employees, and agents will not be held responsible or liable for any representations made to the undersigned or its investors relating to the Housing Tax Credit Program; therefore, Applicant assumes the risk of all damages, losses, costs, and expenses related thereto and agrees to indemnify and hold harmless the Department and any of its officers, employees, and agents against any and all claims, suits, losses, damages, costs, and expenses of any kind and of any nature that the Department may hereinafter suffer, incur, or pay arising out of its decisions and actions concerning this Application for Housing Tax Credits or the use of information concerning the Housing Tax Credit Program.

Warning: Soil Map may not be valid at this scale.

Enlargement of maps beyond the scale of mapping can cause misunderstanding of the detail of mapping and accuracy of soil line placement. The maps do not show the small areas of contrasting soils that could have been shown at a more detailed scale.

Please rely on the bar scale on each map sheet for map measurements.

Source of Map: Natural Resources Conservation Service
Web Soil Survey URL: Coordinate System: Web Mercator (EPSG:3857)
Maps from the Web Soil Survey are based on the Web Mercator projection, which preserves direction and shape but distorts distance and area. A projection that preserves area, such as the Albers equal-area conic projection, should be used if more accurate calculations of distance or area are required.

This product is generated from the USDA-NRCS certified data as of the version date(s) listed below.

Soil Survey Area: Bexar County, Texas
Survey Area Data: Version 22, Sep 14, 2018
Soil map units are labeled (as space allows) for map scales 1:50,000 or larger.

Date(s) aerial images were photographed: Oct 15, 2014—Nov 17, 2014

The orthophoto or other base map on which the soil lines were compiled and digitized probably differs from the background imagery displayed on these maps. As a result, some minor shifting of map unit boundaries may be evident.

Description

Farmland classification identifies map units as prime farmland, farmland of statewide importance, farmland of local importance, or unique farmland. It identifies the location and extent of the soils that are best suited to food, feed, fiber, forage, and oilseed crops. NRCS policy and procedures on prime and unique farmlands are published in the "Federal Register," Vol. 43, No. 21, January 31, 1978.

The Inspiration

Call her a catalyst, a spark, an inspiration. Morgan Hartman doesn’t realize it, but her ability to smile through physical and cognitive challenges spurred her parents – Gordon and Maggie Hartman – to do things never before accomplished for individuals with special needs and their families. Morgan not only inspired the creation of a one-of-a-kind theme park but also a unique school and other initiatives benefitting the special-needs community.

The tipping point occurred in 2005 when Gordon observed Morgan wanting to play with other vacationing kids at a hotel swimming pool, but the kids were leery of Morgan and didn’t want to interact with her. Then and there, Gordon resolved to create opportunities and places where those with and without disabilities can come together not only for fun but also for a better understanding of one another. That led to the construction of Morgan’s Wonderland in an abandoned quarry in Northeast San Antonio. It’s apropos that the butterfly is the symbol of this unique theme park, soaring to one success after another is now commonplace.

When it celebrated its grand opening April 10, 2010, Morgan’s Wonderland became the world’s first theme park designed with special-needs individuals in mind and built for everyone’s enjoyment. The completely wheelchair-accessible park features more than 25 elements including rides, playgrounds and other colorful attractions. From the very beginning, anyone with a special need has been admitted free of charge, no questions asked.

It is Morgan’s fervent hope that everyone with a special need – young and older, healthy or ailing, introspective or outgoing – will be touched in a very special way by Morgan’s Wonderland: a shrine of inclusion, an oasis of friendship, an unforgettable wonderland…Morgan’s Wonderland!

The Visionary

Native San Antonian Gordon V. Hartman is a philanthropist and former businessman who at the age of 15 started his own landscaping business while attending a local seminary. By age 19, he had saved enough to begin his home-building business, and by age 23, he had started a land development company. Founded in 1983, Gordon Hartman Homes built housing for low- to moderate-income families. Over the next 22 years, Gordon grew his company into the largest locally owned home-building and land development enterprise in San Antonio.
Since 2005, Maggie and Gordon Hartman and The Gordon Hartman Family Foundation have committed more than $50 million for the betterment of those with special needs. In 2007, he recognized the tremendous need for fully accessible outdoor recreational facilities, so he made another dream come true – the April 2010 grand opening of Morgan’s Wonderland. Two years later, global automotive giant Toyota, a leader in mobility solutions for drivers with disabilities, opted to become the presenting sponsor of Morgan’s Wonderland under a long-term philanthropic agreement with Gordon.

**Vision and Mission**

**Our Vision**

Everyday we work to provide a special place where smiles and laughter lead to wonderful memories with family members, friends and caregivers. We want Morgan’s Wonderland to be a place where the common element of play creates an atmosphere of inclusion for those with and without disabilities, encouraging everyone to gain a greater understanding of one another.

Morgan’s Wonderland is just like any other theme park except for a culture and environment that assures 100 percent enjoyment by every person who enters through the Welcome Center. Unfortunately, countless children and adults with special needs do not have access to facilities that enable them to fully enjoy outdoor recreation. Morgan’s Wonderland has begun to change that.

**Our Mission**

To provide a safe, clean and beautiful environment free of physical and economic barriers that all individuals – regardless of age, special need or disability – can come to and enjoy.

Three Year Inspection Summary
- Inspectors routinely monitor compliance with Licensing standards, rules and law. At a minimum, licensed and certified operations are inspected at least once a year; Registered Child Care Homes are inspected at least once every two years, Listed Family Homes are inspected only if there is a report of abuse/neglect or if we receive a report that the home is caring for too many children.

- When operations have serious deficiencies or a significant number of deficiencies, repeat deficiencies, or fail to make corrections timely, they are inspected more frequently by licensing staff, to ensure the health and safety of children in care.

- In the last three years, Licensing conducted the following:
  - 9 Inspections
  - 0 Assessments
  - 0 Self Reported Incidents
  - 0 Reports

Click on the inspection type to see additional details related to each inspection.

Are you searching for a daycare center that cares as much about your child’s growth and education as you do? As a parent, no one witnesses and influences your child’s development as you do. We understand that life often requires that you seek a safe place for your children while you work away from home.

Ms. Annie’s Daycare & Learning Center wants you to know that when your child is under our care, he or she will be provided with a fun, safe, and stimulating environment to grow and learn. Because children go through several milestones during childhood, we provide special care programs tailored to your child’s specific stage of life.

Age groups between six weeks and five years old we care for include:

- Infants
- Toddlers
- Early Preschoolers
- Preschoolers
- Pre-Kindergarten

No matter what stage your child is in right now, we want to provide them with the care and attention you would give them if circumstances allowed. As a CCDS Approved facility, we are large enough to offer professional educational materials while remaining small enough to give your children the one-on-one attention they deserve.

Professional Education, Personalized Care

Ms. Annie’s was established in San Antonio in 1996 and opened a second location in Universal City in 2010, which provides service to Schertz, TX as well. We are not a chain day care center and are committed to keeping our facility clean, safe, and enjoyable for your children. All meals are provided free of additional charges and active military families are eligible for special discount rates. To learn more about our daycare services, we encourage you to call either our Universal City location, (210) 290-8533 or San Antonio location, (210) 599-6010. We would love to invite you in for a free walk-through when you and your child can experience our learning center.

THE LANGUAGE SET FORTH BELOW MUST BE INCORPORATED INTO A COVER LETTER AND SUCH COVER LETTER MUST BE ATTACHED TO ALL TITLE INSURANCE COMMITMENTS. EXCEPTION: IF THE RECIPIENT IS AN OUT-OF-COUNTY TITLE COMPANY, USE THE OUT-OF-COUNTY TITLE COMPANY COVER LETTER.

Required Language for a Title Insurance Commitment Cover Letter

The attached title insurance commitment contains information which has been obtained or derived from records and information owned by Title Data, Inc. or one of its subsidiaries (collectively “Title Data”). Title Data owns and maintains land title plants for various Texas counties. Title Data created its title plants through the investment of extensive time, labor, skill and money. The information contained in the title plants is protected by federal copyright law and Texas common law on trade secrets and contract.

Title Data has granted our company a license to use one or more of its title plants. Our company’s right to access and use Title Data’s title plants is governed by our contract with Title Data. Our contract with Title Data restricts who can receive and/or use a title insurance commitment which is based, in whole or in part, upon Title Data’s records and information.

Under the terms of our contract with Title Data, we are permitted to provide you with the attached title insurance commitment for limited use and distribution only. Specifically, you are sublicensed to deliver, exhibit, or furnish the attached title insurance commitment (or any copies thereof) ONLY to your bona fide employees and a third party who is playing a bona fide role in this proposed real estate transaction, including a lawyer, a lender, a surveyor, a real estate broker or agent, and the parties to this proposed transaction.

For purposes of our agreement with Title Data, “deliver, exhibit, or furnish” includes, without limitation, copying this title insurance commitment (whether such copying be by means of a photocopier, facsimile machine, another electronic scanning device, or any other method of reproduction) and providing such copy to any third party.

Your furnishing of the attached title insurance commitment to anyone not specifically enumerated above is not permitted by our contract with Title Data and constitutes a breach of our sublicense to you. Your furnishing of the attached title insurance commitment to anyone not specifically enumerated above is also a violation of federal copyright law and Texas common law.

Therefore, as an express condition of us providing you with the attached title insurance commitment, you specifically agree to limit its uses to those set forth herein, and to provide a copy of this letter to any party to whom you deliver, exhibit, or furnish the attached title insurance commitment (or any copies thereof).

In the event you are unable or unwilling to comply with these conditions, immediately return the attached title insurance commitment to our company, without reviewing, copying, or otherwise utilizing in any way the information contained therein.

A COPY OF THIS LETTER MUST ACCOMPANY THE ATTACHED TITLE INSURANCE COMMITMENT AT ALL TIMES. ALL DOWNSTREAM RECIPIENTS MUST PROVIDE A COPY OF THIS LETTER TO ANY OTHER AUTHORIZED USERS OF THE ATTACHED TITLE INSURANCE COMMITMENT.
WIRE FRAUD ALERT

This Notice is not intended to provide legal or professional advice. If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.

- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. DO NOT use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the number of relevant parties to the transaction as soon as an escrow account is opened.** DO NOT send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.

- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do NOT reuse the same password for other online accounts.

- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.

DELETION OF ARBITRATION PROVISION
(Not applicable to the Texas Residential Owner’s Policy)

ARBITRATION is a common form of alternative dispute resolution. It can be a quicker and cheaper means to settle a dispute with your Title Insurance Company. However, if you agree to arbitrate, you give up your right to take the Title Insurance Company to court and your rights to discovery of evidence may be limited in the arbitration process. In addition, you cannot usually appeal an arbitrator's award.

Your policy contains an arbitration provision (shown below). It allows you or the Company to require arbitration if the amount of insurance is $2,000,000 or less. If you want to retain your right to sue the Company in case of a dispute over a claim, you must request deletion of the arbitration provision before the policy is issued. You can do this by signing this form and returning it to the Company at or before the closing of your real estate transaction or by writing to the Company.

The arbitration provision in the Policy is as follows:

“Either the Company or the Insured may demand that the claim or controversy shall be submitted to arbitration pursuant to the Title Insurance Arbitration Rules of the American Land Title Association (“Rules”). Except as provided in the Rules, there shall be no joinder or consolidation with claims or controversies of other persons. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Insured arising out of or relating to this policy, any service in connection with its issuance or the breach of a policy provision, or to any other controversy or claim arising out of the transaction giving rise to this policy. All arbitrable matters when the Amount of Insurance is $2,000,000 or less shall be arbitrated at the option of either the Company or the Insured, unless the Insured is an individual person (as distinguished from an Entity). All arbitrable matters when the Amount of Insurance is in excess of $2,000,000 shall be arbitrated only when agreed to by both the Company and the Insured. Arbitration pursuant to this policy and under the Rules shall be binding upon the parties. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court of competent jurisdiction.”

TEXAS TITLE INSURANCE INFORMATION

Title insurance insures you against loss resulting from certain risks to your title.
The commitment for Title Insurance is the title insurance company's promise to issue the title insurance policy. The commitment is a legal document. You should review it carefully to completely understand it before your closing date.

El seguro de título le asegura en relación a pérdidas resultantes de ciertos riesgos que pueden afectar el título de su propiedad.
El Compromiso para Seguro de Título es la promesa de la compañía aseguradora de títulos de emitir la póliza de seguro de título. El Compromiso es un documento legal. Usted debe leerlo cuidadosamente y entenderlo completamente antes de la fecha para finalizar su transacción.

Your Commitment for Title insurance is a legal contract between you and us. The Commitment is not an opinion or report of your title. It is a contract to issue you a policy subject to the Commitment's terms and requirements.

Before issuing a Commitment for Title Insurance (the Commitment) or a Title Insurance Policy (the Policy), the Title Insurance Company (the Company) determines whether the title is insurable. This determination has already been made. Part of that determination involves the Company's decision to insure the title except for certain risks that will not be covered by the Policy. Some of these risks are listed in Schedule B of the attached Commitment as Exceptions. Other risks are stated in the Policy as Exclusions. These risks will not be covered by the Policy. The Policy is not an abstract of title nor does a Company have an obligation to determine the ownership of any mineral interest.

--MINERALS AND MINERAL RIGHTS may not be covered by the Policy. The Company may be unwilling to insure title unless there is an exclusion or an exception as to Minerals and Mineral Rights in the Policy. Optional endorsements insuring certain risks involving minerals, and the use of improvements (excluding lawns, shrubbery and trees) and permanent buildings may be available for purchase. If the title insurer issues the title policy with an exclusion or exception to the minerals and mineral rights, neither this Policy, nor the optional endorsements, insure that the purchaser has title to the mineral rights related to the surface estate.

Another part of the determination involves whether the promise to insure is conditioned upon certain requirements being met. Schedule C of the Commitment lists these requirements that must be satisfied or the Company will refuse to cover them. You may want to discuss any matters shown in Schedules B and C of the Commitment with an attorney. These matters will affect your title and your use of the land.

When your Policy is issued, the coverage will be limited by the Policy's Exceptions, Exclusions and Conditions, defined below.

---EXCEPTIONS are title risks that a Policy generally covers but does not cover in a particular instance. Exceptions are shown on Schedule B or discussed in Schedule C of the Commitment. They can also be added if you do not comply with the Conditions section of the Commitment. When the Policy is issued, all Exceptions will be on Schedule B of the Policy.

---EXCLUSIONS are title risks that a Policy generally does not cover. Exclusions are contained in the Policy but not shown or discussed in the Commitment.

---CONDITIONS are additional provisions that qualify or limit your coverage. Conditions include your responsibilities and those of the Company. They are contained in the Policy but not shown or discussed in the Commitment. The Policy Conditions are not the same as the Commitment Conditions.

FORM T-7: Commitment for Title Insurance (Title Insurance Information) (01/03/14)
TEXAS TITLE INSURANCE INFORMATION

You can get a copy of the policy form approved by the Texas Department of Insurance by calling the Title Insurance Company at 1-800-442-7067 or by calling the title insurance agent that issued the Commitment. The Texas Department of Insurance may revise the policy form from time to time.

You can also get a brochure that explains the policy from the Texas Department of Insurance by calling 1-800-252-3439.

Before the Policy is issued, you may request changes in the policy. Some of the changes to consider are:

---Request amendment of the "area and boundary" exception (Schedule B, paragraph 2). To get this amendment, you must furnish a survey and comply with other requirements of the Company. On the Owner's Policy, you must pay an additional premium for the amendment. If the survey is acceptable to the Company and if the Company's other requirements are met, your Policy will insure you against loss because of discrepancies or conflicts in boundary lines, encroachments or protrusions, or overlapping of improvements. The Company may then decide not to insure against specific boundary or survey problems by making special exceptions in the Policy. Whether or not you request amendment of the "area and boundary" exception, you should determine whether you want to purchase and review a survey if a survey is not being provided to you.

---Allow the Company to add an exception to "rights of parties in possession." If you refuse this exception, the Company or the title insurance agent may inspect the property. The Company may except to and not insure you against the rights of specific persons, such as renters, adverse owners or easement holders who occupy the land. The Company may charge you for the inspection. If you want to make your own inspection, you must sign a Waiver of Inspection form and allow the Company to add this exception to your Policy.

The entire premium for a Policy must be paid when the Policy is issued. You will not owe any additional premiums unless you want to increase your coverage at a later date and the Company agrees to add an Increased Value Endorsement.

Section 811 Project Rental Assistance ("PRA") Program Supplement Packet

Introduction

The purpose of this Packet is to formalize the process by which an Applicant establishes its lack of legal authority to commit Section 811 PRA Program Units in a Development as described pursuant to 10 TAC §11.9(c)(6)(A) of the Qualified Allocation Plan ("QAP").

This Packet is required only if all of the following conditions are true:

1) An Applicant is selecting points under Tenant Populations with Special Housing Needs pursuant to 10 TAC §11.9(c)(6) AND

2) An Applicant is seeking to establish its lack of legal authority where an Applicant or Affiliate Owns or Controls an Existing Development that otherwise meets the criteria established by 10 TAC §11.9(c)(6)(B) of the QAP.

One Packet must be submitted for each Existing Development for which the Applicant or Affiliate is seeking a determination that the needed legal authority is lacking and that the Development can be excluded from consideration.

Instructions: Complete the Questionnaire on page 2 of this packet, then complete the fields on each of the subsequent form cover pages, and attach the denoted documentation for each item behind each included cover pages. Submit each Packet, including Attachments in PDF format and include bookmarks for each item. The Packet must be saved and uploaded as one standalone file to the Serv-U folder associated with each 2019 Multifamily Application.

This Packet and all supporting documentation must be uploaded to the Department’s Serv-U system at the same time as, but as a separate document from, the Application. Refer to the Multifamily Programs Procedures Manual posted at http://www.tdhca.state.tx.us/multifamily/applyfunds.htm for an explanation of the process to set-up a Serv-U Account if needed.

Questions about this Packet may be submitted to Spencer Duran: spencer.duran@tdhca.state.tx.us

PRE-EQUITY LOAN AND SECURITY AGREEMENT

THIS PRE-EQUITY LOAN AND SECURITY AGREEMENT (this “Agreement”) is made and entered into as of January 14, 2019, by and between (i) HUDSON HT LP, a Delaware limited partnership whose principal place of business is located at 630 Fifth Avenue, 28th Floor, New York, New York 10111 (“Lender”); (ii) SAN JUAN MISSION VILLAS, LTD., a Texas limited partnership (“Borrower”); (iii) SAN JUAN MISSION VILLAS GP, LLC, a Texas limited liability company (“General Partner”); (iv) JEREMY MEARS, an individual (“Mears” or “Limited Partner”); (v) MEARS DEVELOPMENT AND CONSTRUCTION, INC., a Louisiana corporation (“Developer”); (vi) BROWNSTONE AFFORDABLE HOUSING, LTD., a Texas limited partnership (“Brownstone”); (vii) LESLIE HOLLEMAN, an individual (“Holleman”); and (viii) DOAK BROWN, an individual (“Brown”) (each of Brownstone, Holleman, Brown and Mears, a “Guarantor”, and, collectively, the “Guarantors”).

Reference is hereby made to the following:

A. Lender is making a loan to Borrower, in the principal amount of up to Six Hundred Thousand and 00/100 Dollars ($600,000.00) (the “Loan”) as evidenced by the Promissory Note, of even date herewith, executed by Borrower in favor of Lender (the “Note”), for the purpose of enabling Borrower to pay acquisition and pre-development costs associated with the “Property” (as hereinafter defined).

B. General Partner is the sole general partner of Borrower and Limited Partner is the sole limited partner of Borrower.

C. The purpose of Borrower is to own, construct, maintain and operate a 102-unit multifamily apartment complex intended for rental to persons of low income in San Antonio, TX to be known as San Juan Mission Villas (the “Property”).

D. Borrower has received a reservation of low-income housing tax credits with respect to the Property from the appropriate agency in the annual amount of $1,140,000 (the “Reservation”).

E. As security for the repayment of the Loan and all other amounts which may become payable by Borrower and/or the Guarantors pursuant to the “Loan Documents” (as defined in Section 3 hereof), and the performance by Borrower and the Guarantors of all of their obligations under the Loan Documents, Borrower, General Partner, Limited Partner and Developer are willing to pledge to, and create a security interest in favor of Lender in the “Collateral” (as hereinafter defined).

F. In consideration of Lender making the Loan to Borrower, Borrower shall pay to Lender a non-refundable origination fee of $6,000.

Accordingly, in order to induce Lender to make the Loan, Borrower, General Partner, Limited Partner, Developer and each Guarantor hereby agree with Lender as follows:
1. **Repayment of the Note.** If demand for payment has not earlier been made, advances made under the Note may be repaid from excess funds available to Borrower. Nothing in this paragraph or elsewhere in the Loan Documents shall limit the full, complete and sole discretion of Lender to decide whether to invest in Borrower and to make demand for payment on the Note to the extent permitted in the Note and this Agreement, and Borrower and the Guarantors shall at all times remain fully and personally liable for all amounts due to Lender under the Note and the other Loan Documents.

2. **Pledge of Collateral.** As security for the repayment of the Note and the performance of all other “Obligations” (as hereinafter defined), Borrower, General Partner, Limited Partner and Developer, as appropriate, hereby:

   (a) pledge, assign and deliver to Lender and grant to Lender a security interest in all of Borrower’s, General Partner’s, Limited Partner’s or Developer’s rights and interests in the Reservation; and

   (b) pledge, assign and deliver to Lender and grant to Lender a security interest in (i) all of General Partner’s general partner interest in Borrower and Limited Partner’s limited partner interest in Borrower and the proceeds and products thereof, including without limitation all distributions and other property, rights and interests that they are at any time entitled to receive on account of such interests; and (ii) all payments due or to be paid to General Partner and Limited Partner by Borrower, as fees, returns of capital, distributions, repayments of loans or advances or for any other purpose; and

   (c) pledge, assign and deliver to Lender and grant to Lender a security interest in all of Developer’s or any of its affiliates’ rights and interests in the payment of all development and overhead fees to be paid to any of them pursuant to any development agreement entered into or to be entered into between the Developer and Borrower regarding the Property (the “Development Fees”).

The items referred to in clauses (a), (b) and (c) shall collectively be referred to herein as the “Collateral.” For purposes of the security interest granted hereunder and any foreclosure or other transfer by Lender hereunder, Borrower, General Partner, Limited Partner and Developer, to the extent they are able to do so, hereby waive any restrictions on transferability and encumbrance of the Collateral or any portion thereof applicable to Borrower.

3. **Obligations Secured.** The Collateral is pledged, assigned and transferred, and a security interest therein is granted to Lender as security for the payment and performance of any and all liabilities, indebtedness and obligations set forth in the Note, this Agreement, financing statements and in all other documents governing, securing and/or evidencing the Loan, including that certain Unconditional Guaranty made by the Guarantors for the benefit of Lender (collectively, the “Loan Documents”). The liabilities, indebtedness and obligations so secured are hereinafter referred to as the “Obligations”.

2
4. [Reserved.]

5. **Covenants, Representations and Warranties.** Borrower, General Partner, Limited Partner, Developer and the Guarantors jointly and severally covenant, represent and warrant that:

   (a) **Ownership.** The Collateral is and shall remain free and clear of any security interests, pledges, liens, encumbrances and restrictions on the transfer thereof other than those created pursuant to the Loan Documents and other than those created in favor of Lender or its affiliates. The Collateral includes all of the partnership interests in Borrower owned by General Partner or Limited Partner, whether of record or beneficial, or direct or indirect.

   (b) **No Admission, Withdrawal, Sale or Other Disposition.** So long as any Obligations remain outstanding, without the prior written consent of Lender: (i) neither Borrower, General Partner, Limited Partner, Developer nor any Guarantor will offer, sell, assign, transfer or otherwise dispose of; give any option or grant any consent with respect to, or further pledge, hypothecate, or in any manner whatsoever encumber the Collateral or any portion thereof or any interest therein or, in the case of General Partner and Limited Partner, withdraw from Borrower; and (ii) neither Borrower, General Partner, Limited Partner, Developer nor any Guarantor will offer, sell, assign, transfer or otherwise dispose of, or give any option or grant any consent with respect to, or further pledge, hypothecate or in any manner whatsoever encumber the Property or such other property upon which the Property is or will be located, or any portion thereof or any interest therein, except as contemplated by the project financing arrangement heretofore disclosed to and approved by Lender.

   (c) **Authority.** Borrower, General Partner, Limited Partner, Developer and each Guarantor each have the power and authority to enter into and perform the Loan Documents; each of the Loan Documents constitutes the legal, valid and binding obligation of each of the aforesaid parties and requires no approval or filing with any governmental authority which has not been obtained or performed; and the execution, delivery and performance of the Loan Documents by each of the aforesaid parties and the execution, delivery and performance of this Agreement and the related financing statements will not constitute a violation of or result in the breach of or constitute a default under any contract to which any of the aforesaid parties is a party or by which it is bound, or violate any law, judgment, decree or governmental order, rule or regulation applicable to the aforesaid parties.

   (d) **Financial Statements.** Each of the most recent balance sheets of the Guarantors delivered to Lender is complete and correct in all material respects and presents fairly the financial position of the person or entity to which it relates as of the date thereof, and there has been no material adverse change in the condition, financial or otherwise, of said person or entity since the date as of which the aforementioned balance sheet related. Each Guarantor will furnish Lender with such additional financial statements and other information respecting its or his respective financial condition as Lender may from time to time reasonably request.

---

*Adding 811 units would be considered an additional encumbrance on the property that would require Lender written consent.*
(e) **Place of Business.** Each of the aforesaid parties maintains its place of business at the address set forth in Section 11 below, and will promptly notify Lender of any change in such address.

(f) **Ownership of the Property.** Borrower has the right to acquire a fee simple interest in the Property.

(g) **Litigation, etc.** No litigation or proceeding against Borrower, General Partner, Limited Partner, Developer or any of the Guarantors, nor any other litigation or proceeding directly affecting the Property, is pending or, to the knowledge of Borrower, General Partner, Limited Partner, Developer or the Guarantors, threatened before any court, administrative agency, or other governmental authority which would, if adversely determined, have a material adverse effect on Borrower, General Partner, Limited Partner, Developer, any Guarantor, or any of their businesses or the development, rehabilitation and/or operations of the Property.

(h) **Tax Credits.** Borrower has received the Reservation from the appropriate agency and the Reservation is in full force and effect.

(i) **Property.** The Property is presently in compliance in all material respects with all applicable building, zoning, antipollution, hazardous substance, hazardous material, oil, environmental, health, safety or other laws, ordinances or regulations, and neither Borrower, General Partner, Limited Partner, Developer nor any Guarantor has received notification that the Property is in violation of any of the foregoing provisions, except for any non-compliance with respect to the foregoing which does not have or will not have a direct or indirect material adverse effect on the business or properties of Borrower, General Partner, Limited Partner, Developer or any Guarantor or their respective abilities to meet their obligations under any of the Loan Documents. Except as set forth in the environment reports delivered to Lender (if any), no inquiry, notice or threat to give notice by any governmental authority or third party has been received by Borrower, General Partner, Limited Partner, Developer or any Guarantor with respect to the generation, storage or disposal or release or threat of release of any hazardous substance, hazardous material or oil, or with respect to any violation of any federal, state or local environmental, health or safety statute or regulation.

(j) **OFAC Compliance.** Neither Borrower, General Partner, Limited Partner, Developer nor any Guarantor, nor any of their respective affiliates or principals appears on the Specially Designated Nationals and Blocked Persons List of the Office of Foreign Assets Control of the United States Department of the Treasury or in the Annex to United States Executive Order 13224-Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, nor are they otherwise a prohibited party under any anti-money laundering laws of the United States. For the avoidance of doubt, this representation shall not apply to any beneficial owners of Borrower, General Partner, Limited Partner, Developer or Brownstone, nor any of their affiliates or principals that are indirect beneficial owners as a result of their ownership in a publicly traded company.
6. **Perfection of Security Interest in Collateral.** Borrower, General Partner, Limited Partner, Developer and each Guarantor will, if requested, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments, including appropriate UCC-1 financing statements, and take all such action as Lender may reasonably deem necessary or advisable to carry out the intent and purposes of the Loan Documents, or for assuring and confirming to Lender the grant and perfection of its security interest in the Collateral.

7. **Custody of Collateral.** Lender shall have no duty or responsibility as to the collection or protection of the Collateral or any part thereof or any income thereon, or as to the preservation or perfection of any rights pertaining thereto or security interests therein.

8. **General Partner Acknowledgment.** By its execution hereof, the General Partner acknowledges and confirms the security interests created hereby and the rights to apply funds as set forth herein.

9. **Indemnity.** Borrower, General Partner, Limited Partner, Developer and the Guarantors will jointly and severally indemnify and save and hold Lender harmless from and against any and all claims, damages, loss, liability or judgments which may be incurred or sustained by Lender or asserted against Lender, directly or indirectly, in connection with (a) the existence of or the exercise of any of the security rights with respect to the Collateral and (b) any such claims, damages, loss, liability or judgments arising from or on account of any law, regulation, order, directive or judgment relating to environmental matters or hazardous substances unless any of the foregoing directly resulted from the gross negligence or willful misconduct of Lender. The covenants contained in this paragraph shall survive the termination of the other provisions of the Loan Documents.

10. **Default and Remedies.**

   (a) The occurrence of any of the following events shall constitute an event of default ("Events of Default"): (i) Borrower or the Guarantors shall fail to make any payment under the Note when due; or (ii) any representation or warranty made by Borrower, General Partner, Limited Partner, Developer or any Guarantor in the Loan Documents or in any certificate, agreement, instrument or statement contemplated by or made or delivered pursuant to or in connection with the Loan Documents shall prove to have been incorrect in any material respect when made; or (iii) Borrower, General Partner, Limited Partner, Developer or any Guarantor shall fail to perform or observe any other material term, covenant or agreement
contained in the Loan Documents on its part to be performed or observed, and any such failure continues for a period of fifteen (15) days after written notice thereof shall have been given to Borrower, General Partner, Limited Partner, Developer or a Guarantor, as appropriate; or

(iv) if, for any reason (other than full satisfaction or written release by Lender) the Loan Documents shall cease to be valid and binding, except if exclusively due to the action or inaction of Lender, and in full force and effect or Borrower, General Partner, Limited Partner, Developer or any Guarantor shall assert that it or he is not liable under the Loan Documents; or

(v) a judgment or order for the payment of money shall be rendered against Borrower, General Partner, Limited Partner, Developer or any Guarantor which would have a material adverse effect on such party, its business or operations and such judgment or order shall continue unsatisfied and unstayed for a period of 90 days;

(vi) if Borrower, General Partner, Limited Partner, Developer or any Guarantor files or consents to the filing of, or commences or consents to the commencement of, any proceeding, action, petition or filing under the Federal Bankruptcy Code or any similar state or federal law now or hereafter in effect relating to bankruptcy, reorganization or insolvency, or the arrangement or adjustment of debts ("Bankruptcy Proceeding");

(vii) if any Bankruptcy Proceeding shall have been filed against Borrower, General Partner, Limited Partner, Developer or any Guarantor and the same is not withdrawn, dismissed, canceled or terminated within 120 days of such filing;

(viii) if Borrower, General Partner, Limited Partner, Developer or any Guarantor is adjudicated bankrupt or insolvent or a petition for reorganization of Borrower, General Partner, Limited Partner, Developer or any Guarantor is granted;

(ix) if Borrower, or any affiliate thereof, defaults under the Letter of Intent between Borrower and Hudson Housing Capital LLC dated November 29, 2018 (the “Letter of Intent”); or

(x) if Borrower, General Partner, Limited Partner, Developer or any Guarantor shall make an assignment for the benefit of its creditors or shall admit in writing the inability to pay its debts generally as they become due; or

(xi) Borrower shall cause or permit an Event of Default under Section 11 of the Note.

(b) Upon the occurrence of an Event of Default in addition to any other rights it may have under the Loan Documents or otherwise, Lender shall have the following rights:
(i) Acceleration. Lender may, upon 10 days’ written notice to Borrower and the Guarantors, declare the entire unpaid principal amount of the Note, and all other amounts payable under the Loan Documents, to be forthwith due and payable without presentment, demand, protest or further notification of any kind, all of which are hereby expressly waived by Borrower and the Guarantors.

(ii) Sale of Collateral. Lender shall have all of the rights and remedies of a secured party under the Uniform Commercial Code in force in the State of Texas, including without limitation, the right without demand or notice to Borrower, General Partner, Limited Partner, Developer or any Guarantor to collect, receive or take possession of the Collateral or any part thereof. Borrower and the Guarantors, jointly and severally, shall be liable for, and shall pay on demand, all expenses of retaking, holding, preparing for sale, sale, or the like, and all reasonable attorneys’ fees and other expenses incurred by Lender in connection with the collection of the Obligations and the enforcement of Lender’s rights under the Loan Documents, all of which expenses and fees shall constitute additional Obligations secured by the Loan Documents. Borrower, General Partner, Limited Partner, Developer and each Guarantor each will execute and deliver, or cause to be executed and delivered, such instruments, documents, assignments, waivers, certificates and affidavits and supply or cause to be supplied such further information and take such action as Lender shall reasonably require in connection with such sale.

(iii) Application of Proceeds. The proceeds of all collections, and any other monies, the application of which is not otherwise herein provided for, shall be applied as follows: First, to the payment of the costs and expenses of such collections, and the reasonable compensation of Lender and its counsel; Second, to the payment of the Obligations in such order and manner as Lender in its sole discretion may determine; and Third, to payment to Borrower, subject, however, to the rights of the holders of any then-existing lien of which Lender has actual notice.

(iv) Power of Attorney. Upon an Event of Default, each of Borrower, General Partner, Limited Partner, Developer and each Guarantor hereby appoints Lender its attorney-in-fact (the “Attorney”) with full power of substitution (such power of attorney acknowledged to be coupled with an interest), (A) to arrange for the transfer of the Collateral or any part thereof on the books of Borrower, General Partner, Limited Partner and Developer into the name of Lender or into the name of Lender’s nominee, if, at any time following Lender’s exercise of its rights hereunder, the Attorney shall, in its sole discretion, deem such a transfer to be desirable, and (B) to take any other action and execute any document or instrument, in the name of Borrower, General Partner, Limited Partner, Developer or any Guarantor or otherwise, which the Attorney may at any time deem necessary or appropriate, in its sole reasonable discretion, in order to protect Lender’s security interest in the Collateral or any part thereof or to foreclose said security interest in accordance herewith or otherwise fulfill the obligations of Borrower, General Partner Limited Partner, Developer or any under the Loan Documents. Lender may at any time terminate the appointment of Lender as the Attorney hereunder and designate a successor Attorney hereunder, upon written notice to Borrower, General Partner,
Limited Partner, Developer or a Guarantor, as the case may be, of the designation of such successor Attorney.

11. Notices. All notices required or permitted to be given hereunder shall be in writing and delivered by hand or mailed, postage prepaid, by overnight courier service, or by registered or certified mail, addressed in the case of Borrower, General Partner, Limited Partner, Developer and the Guarantors, to their addresses set forth below, and in the case of Lender to it at the address set forth above, or to such other address as a party may from time to time specify by like notice.

12. Assignability. If any or all of the Obligations are assigned by Lender, this Agreement shall automatically be assigned therewith in whole or in part, as applicable, without the need of any express assignment and when so assigned, each party hereto shall be bound as set forth herein to the assignee(s) without in any manner affecting such party’s liability hereunder for any part of the Obligations retained by Lender.

RE: San Juan Mission Villas – Request for Additional 811 Units

Mr. Lappen:

As you are already aware, the San Juan Mission Villas project was underwritten with an existing ten (10) units that are to be subject to the Section 811 Project Rental Assistance Program (“Section 811 Program”). We are in the process of submitting our 2019 Tax Credit Applications with the Texas Department of Housing and Community Affairs. In the event one of our deals is successful with an award of tax credits, is there a possibility that San Juan Mission Villas can be committed to the Section 811 program with an additional ten (10) units? We are writing this letter to seek lender approval under the existing predevelopment loan agreement to allow us to increase the Section 811 units on San Juan Mission Villas to twenty (20) total units.

Sincerely,

Mears Development & Construction, Inc.

Re: Request for Additional 811 PRA Units at San Juan Mission Villas

Dear Jeremy:

As you are aware, San Juan Mission Villas has already committed to participate in the Section 811 Program. Therefore, after further review, we have determined that additional encumbering of this property would not be in the best interest of the development. Our underwriting did not factor any additional operating expenses associated with these additional Section 811 units. Hence, we are not in a position to approve this significant change at this time.

Please feel free to contact me at (212) 218-4465 if you have any questions.

Sincerely,

I (We) hereby certify that the Applicant will comply with future guidance regarding the Section 811 PRA Program provided by HUD and/or TDHCA, including Rules, FAQs, and program manuals.

I (We) hereby certify that Applicant will execute a Section 811 PRA Owner Participation Agreement, in a form to be provided by TDHCA, for a TDHCA approved Existing Development, or if authorized by TDHCA, for the awarded Development included in this Application. Once an Owner Participation Agreement has been executed, I (We) hereby certify that I (We) understand that TDHCA will market the property under the Owner Participation Agreement to potential Section 811 PRA tenants at any time during the term of the Owner Participation Agreement, and I (We) hereby certify that I (We) will furnish to TDHCA, all marketing materials generated, including pictures and unit features, at the time the Owner Participation Agreement is signed and returned to TDHCA to do such marketing. If requested by TDHCA, I (We) hereby certify that I (We) will execute a RAC and record the required Use Agreement in the county deed records.

I (We) understand, that even though the Owner or the Owner of the Existing Development will be required to execute an Owner Participation Agreement, TDHCA may never require the Development to execute a RAC and therefore the Development may not be required to serve Section 811 PRA tenants.

I (We) hereby certify that I (We) will comply with all HUD regulations, court rulings, related administrative rules, and eligibility guidelines and restrictions during the application process and in the event of award, for the duration of the Section 811 Owner Participation Agreement or the Use Agreement, whichever has a longer term.

I (We) hereby make application to the TDHCA to participate in the Section 811 PRA Program. The undersigned hereby acknowledges that an award by the TDHCA does not warrant that the Existing Development or the Development proposed in the Application is deemed qualified to participate in the Section 811 PRA Program. I (We) agree that the TDHCA or any of its directors, officers, employees, and agents will not be held responsible or liable for any representations made to the undersigned or its investors relating to the Section 811 PRA Program; therefore, I (We) assume the risk of all damages, losses, costs, and expenses related thereto and agree to indemnify and save harmless the TDHCA and any of its officers, employees, and agents against any and all claims, suits, losses, damages, costs, and expenses of any kind and of any nature that the TDHCA may hereinafter suffer, incur, or pay arising out of its decision concerning this application involving Section 811 PRA funds or the use of information concerning the 811 PRA Program.
I (We) hereby acknowledge that this Application is subject to disclosure under Chapter 552, Texas Government Code, the Texas Public Information Act, unless a valid exception exists.

I (We) acknowledge all representations, undertakings, and commitments made by Applicant in the application process for a Development, whether with respect to eligibility criteria, selection criteria or otherwise, shall be deemed to be a condition to any Commitment or Contract for such Development, the violation of which shall be cause for cancellation of such Commitment or Contract by the TDHCA and if concerning the ongoing features or operation of the Development, shall be enforceable by the TDHCA and the tenants of the Development, including enforcement by administrative penalties for failure to perform, in accordance with the LURA. The obligation to sign an Owner Participation Agreement is binding. I (We) must sign an Owner Participation Agreement if the Development receives an award and is requested to do so by the Department.

I (We) agree the TDHCA may, at its discretion, request additional information and/or documentation in its evaluation of this Application to garner required information relating to the qualification of the Development for the 811 Program. I (We) hereby assert that the information contained in this Application as required or deemed necessary by the materials governing the 811 PRA program are true and correct and that I (We) have undergone sufficient investigation to affirm the validity of the statements made.

Further, I (We) hereby assert that I (We) have read and understand all the information contained in the Application. By signing this document, I (We) affirm that all statements made in this government document are true and correct under penalty of Chapter 37 of the Texas Penal Code titled Perjury and Other Falsification and subject to criminal penalties as defined by the State of Texas. TEX. PENAL CODE ANN. §37.01 et seq. (Vernon 2011).

I (We) understand and agree that if false information is provided in this Application which has the effect of increasing the Applicant’s competitive advantage, the TDHCA will disqualify the Applicant and may hold the Applicant ineligible to receive 811 PRA funds or until any issue of restitution is resolved.

If, at any time, including after the signing a Section 811 PRA Program Owner Participation Agreement, it is discovered that I (We) provided false or misleading information to TDHCA, TDHCA may terminate the Applicant’s HUD RAC and/or the Section 811 PRA Program Owner Participation Agreement and recapture all Section 811 PRA funds expended.

I (We) hereby certify that I (We) will comply with applicable fair housing and civil rights requirements in 24 CFR §5.105(a), including, but not limited to, the Fair Housing Act; Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; and Title II of the Americans with Disabilities Act. Further, I (We) certify that I (We) shall not, in the provision of services, or in any other manner, discriminate against any person on the basis of race, color, religion, sex, national origin, familial status, or disability. This includes property management leasing offices located at their projects with Section 811 PRA units, and may include a designated place where information or
other business regarding the Section 811 PRA program is conducted with potential tenants. I (We) will comply with any requirements of the Section 811 PRA Program that require changes to the Development’s tenant selection plans, house rules, marketing materials, or application.

I (We) will at all times indemnify and hold the TDHCA harmless against all losses, costs, damages, expenses, and liabilities of any nature directly or indirectly resulting from, arising out of or relating to the TDHCA’s acceptance, consideration, approval or disapproval of this request and the issuance or non-issuance of a RAC or 811 PRA funds herewith.

I (We) have written below the name of the individual(s) authorized to execute the TDHCA Owner Participation Agreement, the HUD RAC, the HUD Use Agreement, and any and all future commitments and contracts related to this Application. I (We) hereby certify that this individual(s) has the full authority and has been authorized by all of the Parties, Affiliates, or associates with interest in the Development in this Application. If this individual is replaced by the organization, I (We) must inform the TDHCA within 30 days of the person authorized to execute agreements, commitments and/or contracts on behalf of the Applicant.

I (We) certify that I (We) do not and will not knowingly employ an undocumented worker, where “undocumented worker” means an individual who, at the time of employment, is not lawfully admitted for permanent residence to the United States or authorized under law to be employed in that manner in the United States.

If, after receiving a public subsidy (including Section 811 PRA Program funds), I (We) are convicted of a violation under 8 U.S.C Section 1324a(f), I (We) shall repay the amount of the public subsidy with interest, at the rate and according to the other terms provided by an agreement under Tex. ### SPECIFICATIONS AND BUILDING/UNIT TYPE CONFIGURATION

Unit types should be entered from smallest to largest based on "# of Bedrooms" and "Sq. Ft. Per Unit." "Unit Label" should correspond to the unit label or name used on the unit floor plan. "Building Label" should conform to the building label or name on the building floor plan. The total number of units per unit type and totals for "Total # of Units" and "Total Sq Ft. for Unit Type" should match the rent schedule and site plan. If additional building types are needed, they are available by un-hiding columns Q through AA, and rows 51 through 79.

## Accessible Mobility Units Calculation

Include this worksheet in the Application (or a signed and certified worksheet provided by your accessibility professional that shows the calculations).

To the maximum extent feasible and subject to reasonable health and safety requirements, accessible units must be:

1. Distributed throughout the Unit types AND the Development; and
2. Made available in a sufficient range of sizes and amenities so that the choice of living arrangements of qualified persons with Disabilities is, as a whole, comparable to that of other persons eligible for housing assistance under the same program.

Multifamily Housing Developments covered by 10 TAC 11.101(b)(8)(A) must have a minimum of 5% of all units in the development set aside for the mobility impaired and an additional 2% must be set aside for the hearing and/or visually impaired.

Accessible Parking Calculation

Submit this worksheet or a comparable document certified by an accessibility professional.

Although Fair Housing Standards may apply in unusual circumstances, ADA Standards typically determine the required number of Accessible Parking Spaces (APSs). This worksheet is intended to handle typical (ADA) cases, where all parking spaces are within a single parking lot. However, it might be possible to determine the APS requirements of multiple lots (or facilities) by completing this same worksheet for each of the lots. The worksheet might also be usable for Developments with less than one parking space to serve each dwelling unit, by filling in the information on page one, bypassing inapplicable spaces in the first section of page two, "Distribution of APSs Among the Various Types of Parking", referencing ADA Table 208.2. In unique cases where Fair Housing applies, or where this worksheet cannot be applied, create a certification specifying the types and numbers of the parking spaces applicable, including standard and accessible parking for dwelling units and amenities (e.g., office, mail kiosk, laundry, dumpster, pool, playground, etc., collectively, "amenities"), and for each type of parking facility, e.g., surface spaces, carports, garages, etc., for staff review. Links to the applicable accessibility rules are provided below.

ADA Design Manual, Ch. 2, Sec. 208:  
FHA Design Manual, Page 2.23:

Accessible Parking for Facilities and Amenities

Determining the number of APSs that serve the dwelling units requires accounting for APSs that do not serve dwelling units. In the yellow spaces below, identify the individual amenities served by an APS. Groups of amenities in close proximity typically are allowed to share a single APS. If groups of amenities share one APS (or APSs), identify each such group. In the yellow space to the right of each of these identifications, state the number of APSs designated to serve the amenity or group identified. If parking is provided near dumpsters, at least 1 dumpster must have an APS. The total of these APSs will be subtracted from the total of all types of parking spaces to determine the number of parking spaces that serve the dwelling units and the APSs required for the dwelling units.

# Accessible Parking for Residential Units

This portion of the worksheet was written for Developments having at least one parking space serving each dwelling unit, having surface parking spaces as the APSs that are not for dwelling units, and having only one parking lot, i.e., none of the parking spaces are physically segregated from the others by gates or by curbs or other barriers that require vehicles to exit the Development to travel between separate parking lots that serve it. The worksheet might, or might not be, useful for other cases.

All Developments, including those having fewer than one parking space serving each dwelling unit, should use this portion of the worksheet. By signing below, I (WE) certify that the information above meets the requirements in the 2010 ADA Standards for Accessible Design Title III regulations at 28 CFR part 36, subpart D, and the 2004 ADA Accessibility Guidelines at 36 CFR part 1191, appendices B and D. There will be at least one accessible parking space per accessible unit located on the closest route to the accessible unit. For every 6 or fraction of 6 accessible spaces required, at least one will be van accessible. Accessible spaces will be dispersed amongst the parking types provided. Where parking for amenities or non-residents is provided, a sufficient number of accessible spaces will be provided.

# 15 Year Rental Housing Operating Pro Forma (All Programs)

The pro forma should be based on the operating income and expense information for the base year (first year of stabilized occupancy using today's best estimates of market rents, restricted rents, rental income and expenses), and principal and interest debt service. The Department uses an annual growth rate of 2% for income and 3% for expenses. Written explanation for any deviations from these growth rates or for assumptions other than straight-line growth made during the proforma period should be attached to this exhibit.

# Off-Site Cost Breakdown

This form must be submitted with the Development Cost Schedule if the development has offsite costs, whether those costs are included in the budget as a line item, embedded in the acquisition costs, or referenced in utility provider letters. Therefore, the total costs listed on this worksheet may or may not exactly correspond with those off-site costs indicated on the Development Costs Schedule. However, all costs listed here should be able to be justified in another place in the application.

Column A: The offsite activity reflected here should correspond to the offsite activity reflected in the Development Cost Schedule or other supporting documentation.

Columns B and C: In determining actual construction cost, two different methods may be used:

Column D: To arrive at total construction costs in Column D:

Column E: Any proposed activity involving the acquisition of real property, easements, rights-of-way, etc., must have the projected costs of this acquisition for the activity.

Column F: Engineering/architectural costs must be broken out by the offsite work activity.

Column G: Figures for Column G, Total Activity Cost, are obtained by adding together Columns D, E, and F to get the total costs.

**ALL contingency must be included in the Contingency line item on the Development Cost Schedule and NOT on this form**

**This form must be completed by a professional engineer licensed to practice in the State of Texas. His or her signature and registration seal must be on the form.**

- The use of unit price (Column B) and the number of units (Column C) data for the activity.

**Column D:** To arrive at total construction costs in Column D:
- If based on labor and materials, add Column B and Column C together to arrive at total construction costs.
- If based on unit price measures, Column B is multiplied by Column C to arrive at total construction costs.

**Column E:** Any proposed activity involving the acquisition of real property, easements, rights-of-way, etc., must have the projected costs of this acquisition for the activity.

**Column F:** Engineering/architectural costs must be broken out by the Site Work activity.

6. During the term of the Construction Mortgage Loan and the Bridge Loan or the Permanent Mortgage Loan, the Company will not further encumber or convey the Mortgaged Property in any manner, without the prior written approval of the Bank.

7. The Bank’s letter of intent is subject to receipt, review and approval by the Bank of a current appraisal and market study (including information on capture rate, absorption rate and demand rate) of the Project addressed to the Bank or Texas Department of Housing and Community Affairs (the “Texas Housing Tax Credit Agency”) and prepared (within the last six months) by an independent appraiser/market study professional approved by the Bank or the Texas Housing Tax Credit Agency. Such appraisal and market study shall be in form and content satisfactory to the Bank. The Permanent Mortgage Loan cannot exceed 80.00% of the appraised value of the Project, without considering the value of the federal low-income tax credits (“Federal Housing Tax Credits”) under Section 42 of the Internal Revenue Code of 1986, as amended (the “Code”). An appraisal review fee shall be paid by the Company to the Bank.

8. The Bank’s letter of intent is contingent upon receipt of a copy of the Texas Housing Tax Credit Agency’s reservation letter (the “Housing Tax Credit Reservation Letter”) reflecting total Federal Housing Tax Credits available to the Company in a minimum amount of $1,500,000 per annum. The terms, conditions and contents of the Housing Tax Credit Reservation Letter shall be acceptable to the Bank in its sole discretion. The Company shall provide to the Bank and its legal counsel copies of the Housing Tax Credit application, Housing Tax Credit Reservation Letter, carryover allocation agreement and all related documents. Additionally, the Company shall provide copies of such other documents as may be requested by the Bank or its legal counsel, including, but not limited to those set forth on a closing or due diligence checklist provided by the Bank’s legal counsel.

9. The Bank’s letter of intent is subject to the Company obtaining, and accepting, a commitment from Regions Bank for the investment in the limited partnership interest in the Company entitled to an allocation of Federal Housing Tax Credits such that the combination of the Permanent Mortgage Loan, other financing sources and the equity will allow for a viable project. All equity proceeds shall be used for the Project and related expenses in accordance with the development budget.

10. The Company shall provide an opinion of its counsel, covering such matters as shall be required, to the Bank.

11. Construction must commence within thirty (30) days from the date of the closing of the Construction Mortgage Loan and the Bridge Loan. Construction must be pursued with reasonable diligence and shall be completed within eighteen (18) months from such closing. Time is of the essence.

12. The budget for the Project must include a reserve for operating deficits in the amount required by the limited partners of the Company.

13. No later than twenty-four (24) months from closing of the Construction Mortgage Loan and the Bridge Loan, the Company must have achieved a Debt Service Coverage Ratio of 1.15:1 based on the previous three (3) months operations. The Debt Service Coverage Ratio is defined as the ratio of Net Operating Income to Debt Service. Net Operating Income shall be defined as the Effective Gross Income of the Project less Operating Expenses and shall include the Replacement Reserve Amount and the greater of (i) the actual vacancy rate or (ii) seven percent (7.00%) and a deduction for the greater of (i) proforma operating expenses or (ii) actual Operating Expenses. Effective Gross Income shall mean the gross receipts of the Company. Operating Expenses shall include a minimum property management fee of five percent (5.00%) of Effective Gross Income. Debt Service will be determined using a thirty-five (35) year amortization of principal at an interest rate of six percent (6.00%) per annum.
14. The Company must maintain a ratio of the remaining principal amount of the Construction Mortgage Loan to Value of no more than eighty percent (80%) during the term of the Construction Mortgage Loan. Value shall mean the fair market value of the Project without considering the value of the Federal Housing Tax Credits as determined by an appraiser selected by the Bank, which appraisal shall be subject to the review and approval of the Bank. The Bank shall have the right to order a new appraisal at any time during the term of the Construction Mortgage Loan and the Bridge Loan, and the Company will agree to pay for one additional appraisal during the term. In the event that the ratio of the remaining principal amount of the Construction Mortgage Loan to Value ever exceeds eighty percent (80%), the Company shall immediately deposit with the Bank, as additional collateral, an amount which will bring the remaining principal amount of the Construction Mortgage Loan into compliance with this covenant. The loan to value for the Permanent Mortgage Loan shall be ninety percent (90%).

DOCUMENTATION OF THE LOAN: The Bank shall be furnished with such loan and security instruments, as the Bank shall deem necessary for its protection under this letter of intent including representations and warranties and covenants (affirmative and negative) customary for transactions of this type. All documentation shall be satisfactory to the Bank and its legal counsel, Jones Walker LLP. Without limiting the generality of the foregoing, the Bank and the Company will enter into a Credit Agreement that will provide for financial reporting and tax returns for the Company and each Credit Guarantor will execute and deliver to the Bank the Credit Guaranty Agreement that will provide for financial reporting and tax returns as required by the Bank.

INFORMATION: The Bank has issued this letter of intent based upon the information supplied by the Company. The Bank has the right to cancel this letter of intent, whereupon the Bank shall have no obligations hereunder, in the event of: (i) a material adverse change in the financial condition, operations, management, prospects or ownership of (A) the Company, (B) the General Partner or (C) any Credit Guarantor; (ii) a material adverse change in the accuracy of the information, representations, exhibits or other materials submitted by the Company in connection with its request for financing; or (iii) (A) loss of, (B) damage to, (C) a taking of, (D) or the presence of any hazardous substances at, on, the Mortgaged Property. Mr. David Cervantes
Acting Director
Texas Department of Housing and Community Affairs
P.O. Box 13941
Austin, Texas 78711-3941

RE: Commitment of Funding for Residences at Thousand Oaks, TDHCA 19062

Dear Mr. Cervantes:

This letter is being provided by the City of San Antonio (the “City”) to the Texas Department of Housing and Community Affairs (TDHCA) concerning the 2019 Competitive 9% Housing Tax Credit Program to satisfy the requirements of the Section 11.9(d)(2) of the 2019 Qualified Allocation Plan.

This project is eligible to receive development fee waivers through the City of San Antonio Fee Waiver Program. City ordinance permits fee waivers for developments with at least 25% affordable housing units and an additional 25% of units reserved for either affordable or workforce housing. All affordable housing must remain affordable for at least 15 years or comply with the terms of a state or federal affordable housing program such as the 9% Housing Tax Credit Program.

This letter confirms the City’s contribution of funding in the form of fee waivers to Residences at Thousand Oaks, Ltd’s construction of Residences at Thousand Oaks. This project will receive waivers of City development fees in the amount of $500.00. The fee waivers provide a direct benefit to this project by reducing development costs.

This fee waiver is contingent upon the development’s compliance with the City of San Antonio Fee Waiver Program and successful award of 2019 Competitive 9% Housing Tax Credits by TDHCA. If the development does not receive an award of Housing Tax Credits, this commitment shall be void. The $500.00 commitment provided herein shall be incorporated into any future incentive package provided by the City.

Regards,

Christopher Lazaro

RE: REQUEST FOR EXPERIENCE CERTIFICATE UNDER 2016 UNIFORM MULTIFAMILY RULES

Dear Mr. Mears:

We have reviewed your request for an experience certificate, which is provided to individuals that meet the requirements of §10.204(6) of the Uniform Multifamily Rules. In order to meet the experience requirements an individual must establish that they have experience in the development and placement in service of at least 150 residential units. We find that the documentation you have provided is sufficient to establish this required experience. Additionally, you have certified to compliance with the requirements of §10.204(6)(B), including the following requirements:

(ii) Experience may not be established for a Person who at any time within the preceding three years has been involved with affordable housing in another state, in which the Person or Affiliate has been the subject of issued IRS Form 8823 citing non-compliance that has not been or is not being corrected with reasonable due diligence. ...

(iv) Notwithstanding the foregoing, no person may be used to establish such required experience if that Person or an Affiliate of that Person would not be eligible to be an Applicant themselves.

Should you choose to participate as a member of the Development Team or an individual providing experience for any Application submitted for funding, a Previous Participation Review (10 TAC §1.5) may be conducted prior to any award of funds. Additionally, should it be determined at any point in time that the information provided in your request for experience is fraudulent, knowingly falsified, intentionally or negligibly materially misrepresented, or omits relevant information, this certificate of experience is null and void and you may be subject to other sanctions under the Texas Department of Housing and Community Affairs’ rules and requirements.
If you have any questions or concerns regarding this certificate or the experience requirements, please contact Marni Holloway at marni.holloway@tdhca.state.tx.us.

Sincerely,

Welcome to the San Antonio Fatherhood Campaign website. It is our hope and mission to encourage you on your journey of fatherhood. We know the role a parent plays in the life of their child is a vital one, so we have created a website to help motivate our dads to “be involved” and “stay involved” through their child’s life. The role of FATHERHOOD is a reflection of the lives of children and many of the lessons that a child will learn are a reflection of the time parents dedicate to them.

MISSION STATEMENT

In San Antonio, an idea that began with the vision of a handful of concerned Latino/Chicano and Native American fathers quickly developed into an organized community campaign to promote responsible fatherhood to fathers of all ages. The campaign, which began in February 2004, received substantial assistance from Making Connections—San Antonio and the Annie E. Casey Foundation Fatherhood Initiative.

Ramon Vasquez, Executive Director

Ramon was born in San Antonio and transferred to Milwaukee, Wisconsin where he worked as a gang specialist for Centro De La Comunidad Unidos in a position he dedicated himself to for five years. During his tenure at Centro, he specialized in the development and implementation of intervention projects amongst Latino Street gangs. In 1996, he and his family moved back to San Antonio and joined the Good Samaritan Center as Program Director for the Youth in Conflict Program. Ramon was instrumental in the establishment of a 5 year Peacemaker between the San Antonio city and notorious street gangs. In 1999, he was appointed and currently serves as Executive Director of the American Indians in Texas at the Spanish Colonial Missions. Ramon has spent the last 6 years specifically working on community mobilization and Community Academic partnerships. Primarily focusing on the mobilization of men in the areas of substance reduction, promoting positive images on fatherhood and reinforcing male stereotypes and fatherhood. He is the Co-Founder and Co-President of the Land Heritage Institute Foundation, Co-Founder of the American Indians in Texas Institute and Co-Founder of the National Urban Indian Family Coalition.

Greg Marshall, San Antonio Fatherhood Program Manager

Greg Marshall is a single father of three wonderful kids. He has the honor of being a full-time dad. With the flexibility of the Fatherhood Campaign, he has the ability to raise his kids off to school and pick them up as they are getting off the bus. His involvement with the Campaign has helped him be the best father he can be, deeply improving his proficiency, giving him the education experience and skills to guide, honor and parent his children as they become young adults. Greg has been a key member of San Antonio Fatherhood Campaign since 2012.

Greg was born, raised and educated in the state of Michigan. His father was a happy-go-lucky alcoholic who quit drinking when Greg was 12. His father was a very active member of his twelve-step community, maintaining his sobriety until the day he died, in twenty years later. Showing & teaching Greg that it was never too late to change, never too late to heal, never too late to learn. Greg’s mother suffered from rheumatoid arthritis, vascular disease, and lupus. Much like many of the Fatherhood Campaign’s clients, he didn’t have the best parental role models. Yes, his parents loved him, but that didn’t give him the skills to be a good father. The Fatherhood Campaign was there to help him, so in turn, he is dedicated to raising his children and helping the Fatherhood clients raise theirs.

Spending almost 20 years in corporate America, working for the automobile industry, corporate wellness, and in a consulting firm, Greg believes that it is not our government, or even non-profit, to heal our community. That it is for us, the people, to heal our community. He saw men in recovery heal his children. Part of that healing process is sharing their stories with others, becoming our childrens’ story tellers.

Greg enjoys hearing people’s stories, please visit with him and tell him your story.

About Us

San Antonio Fatherhood Campaign grew from a vision of concerned fathers in San Antonio, an idea that began with the vision of a handful of concerned Latino/Chicano and Native-American fathers who quickly developed into an organized community campaign to promote responsible fatherhood to fathers of all ages. Making Connections San Antonio and the ADCT Fatherhood Initiative and community fathers’ help put together the efforts to a larger segment of the community.

The San Antonio Fatherhood Campaign spun off from work being done by several groups who were involved with programs directed to helping young men and teens. Two already established organizations, the American Indians in Texas-6 parish Colonial Missions (AIM-6CM) and the San Antonio National Catholic Pastoral Network (SANCEN), provided early support.

Their work in SANCEN’s organizational efforts to mentor young men caused the founder to question the role of fathers in the broader community. Seeing that fathers are often overlooked and undervalued, they questioned what could be done to improve the role men play as fathers.

A group of fathers who subsequently developed the Fatherhood Campaign were eager to celebrate and share their personal devotion to family, culture and community. They took the lead in developing the Fatherhood Campaign.

Initially, the founders of the Fatherhood Campaign were just friends and colleagues meeting together in a Círculo de Hombres (Circle of Dudes) – sharing ideas, wisdom, philosophy and the value of their individual personal experiences.

Since many members of the group are Native American, as well as Latino/Chicanos, they borrowed heavily from tribal customs, occasionally incorporating such things as the Círculo (Talking Circle) of Elders.

They also incorporated ideas from training given by Jerry Tellis. Tellis is an internationally recognized writer, trainer and expert on Latino fathers, family strengthening, and responsibility/fatherhood issues. Tellis’s work is based on the ancient Codex Florentino (Florentine Codex) of Moacan indigenous people. The Codex Florentino, a spiritual code rich in ancient teachings about male youth development, emphasizes becoming a balanced person. The “Rites of Passage” curriculum designed by Tellis utilizes storytelling to help youth in their self-development. Recognition of the work of the San Antonio fathers spread by word of mouth. Others joined the group, many of whom had a passion to share their experiences.

The group began to ask themselves, “If we are doing all this on a part-time basis with no funding, how much more could we do if we put our efforts together?” They went in search of some funding to expand their efforts.

The group got a boost in 2003, when one of the core organizations, ATT-6CM, received a grant from the Texas Department of Health (TDH) to expand the fatherhood and male involvement efforts. ATT-6CM had already offered office space in its own headquarters building, which is located in San Antonio’s East End (in the heart of the Making Connections area). With the TDH grant, the group could expand its work to other fathers in the community.

Several organizations joined to form the network nucleus or “Core Group” of the San Antonio Fatherhood Campaign. The “Core Group” now includes: American Indians in Texas-6 parish Colonial Missions (ATT-6CM), Southwest Key Program, Inc., InnerCircle Outreach and Vocational/Educational Network (COVEN), San Antonio Children’s Shelter, San Antonio National Catholic Pastoral Network (SANCEN), Matt Chavez/Flat-C, the PEACE Initiative and Forget Worth, as well as Making Connections San Antonio. Although each organization has a slightly different objective, each dedicates a major portion of its work to strengthening families, fostering male responsibility, supporting fatherhood, and raising awareness of Latino and Native American cultures.

HUNGER DOES NOT DISCRIMINATE

The San Antonio Food Bank has quickly grown to serve 58,000 individuals a week in one of the largest service areas in Southwest Texas. Through our network of more than 500 partner agencies and our own direct service programs, we are capable of distributing millions of pounds of food and groceries a year to combat hunger!

WHO WE SERVE

CHILDREN
Through no fault of their own, 35% of our clients are children. In Bexar County, one in four children don’t know where they will find their next meal. Without access to food outside of school, nutrition takes a backseat to hunger.

SENIORS
Most of our seniors often have to choose between food and medical care being on a limited income. With nearly a third of our clients being seniors, we work to ensure that our elderly are properly fed and have access to medical resources.

WORKING POOR
Many working adults struggle with covering expenses until their next paycheck. Of the households we serve, 46% have at least 1 working adult. The ability to sufficiently provide nutritious food for their families is our goal.

SINGLE PARENTS
Providing for your family as a single parent is not easy. Single parents often find that the ability to provide nutritious food loses priority to other expenses such as rent, transportation utilities, and sometimes daycare.

VETERANS
The hidden face of hunger often includes those who have served in the U.S. Military. Of those served through the Feeding America network, 1 in 5 households includes a family member who is a current or former military member.

HOMELESS
Much like hunger, homelessness is a symptom of a larger systemic breakdown. Beyond initial food assistance, we work with shelters and group homes to provide resources towards self-sustainability and sufficiency.

COUNTIES WE SERVE

Our service area spans 16 counties, reaching north to Kerrville, south to LaSalle, west to Uvalde, and east to Seguin.
HUNGER STATS IN SOUTHWEST TEXAS

Texas is ranked 2nd in the nation for food insecurity with 1 in 6 living in food insecure homes.

- 35% of our clients are children, under the age of 18
- 25% of our clients had to choose between food and medical
- 46% of our clients work and still cannot afford food
- 67% of our clients have incomes below the federal poverty level
OUR LEADERSHIP

ERIC COOPER
PRESIDENT & CEO

Eric Cooper is the President and CEO of the San Antonio Food Bank, the largest hunger relief organization in Southwest Texas. Through a network of more than 530 nonprofit agencies and a myriad of distribution programs, the San Antonio Food Bank provides more than 61 million pounds of food and grocery items to needy Texans in a 16 county service area.

In 2001, the San Antonio Food Bank selected Eric to become the youngest Executive Director in the history of the organization. During his 15 year tenure, the San Antonio Food Bank has grown to more than 180 employees, increased food distribution from 10 million pounds to more than 61 million pounds last year, increased the number and impact of its programs, and was awarded Food Bank of the Year in 2007 by Feeding America, the national network of 200+ Food Banks.

Locally, Eric serves on a number of committees around food and nutrition, such as the Mayor’s Fitness Council Executive Committee. At the state level, he has served on the Executive Committee for Feeding Texas. Nationally, he serves on several of Feeding America’s committees and is chair of the New Business Marketing Solutions Committee. Eric was also recognized as the Executive Director of the Year in 2011 by Feeding America.

Prior to the San Antonio Food Bank, Eric served as the Product Donations Manager for the North Texas Food Bank. SAN ANTONIO - Frigid temperatures Friday prompted Alex Fleming, the pastor of the Life Restored Church, to open his doors to the city's homeless population.

The church will provide those in need with warm clothes, food and shelter.

"Before I saw him, I was planning on staying on the streets, but then he told us about this place," Joe Salas said about Fleming.

The church opened its doors at 5 p.m. Friday and will stay open until noon Saturday. They will reopen Saturday at 5 p.m.

"I've been homeless in a few different places. Here in San Antonio, I've stayed at the courtyard, and it was never fun when someone would die from the cold," Matthew Beattie said.

Fleming has taken to the streets to spread the word. He believes he can make a difference, but knows it takes more than just sitting inside his church.

"It's like anything. You have to earn respect. This is still the streets, so you earn respect not by being hard, but by being loving, by showing the love of Christ," Fleming said.

Anyone who would like to help the church can donate items at its location on 400 Arbor Place. The church is in need of food, clothes and hygiene packs.

Yes Indeed!! The consumer saint looks for a church that they can “get fed” at while a missional saint looks for a church they can get “equipped” at!!

Life Restored Church located at (400 arbor place, San Antonio TX, 78207) believes that ministering to the poor is not supposed to be just an outreach, but the very DNA and culture of the Church. We have an equal balance of homeless and families at Life Restored and all of us are on equal platforms. We love each other with the love of Christ. James 2:1-5 says:

1 “My brothers and sisters, practice your faith in our glorious Lord Jesus Christ by not favoring one person over another. 2 For example, two men come to your worship service. One man is wearing gold rings and fine clothes; the other man, who is poor, is wearing shabby clothes. 3 Suppose you give special attention to the man wearing fine clothes and say to him, “Please have a seat.” But you say to the poor man, “Stand over there,” or “Sit on the floor at my feet. 4 Aren’t you discriminating against people and using a corrupt standard to make judgments? 5 Listen, my dear brothers and sisters! Didn’t God choose poor people in the world to become rich in faith and to receive the kingdom that he promised to those who love him?”

MISSION

Our mission at Life Restored Church is to reach lives and restore hope through Jesus Christ. We believe in going out and reaching the lives that are less fortunate, dehumanized and marginalized and restoring the hope that is truly theirs in Christ.

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

Vision

Our vision is to become a 24/7 church that never closes its doors and a lighthouse to our city. We will be a place that meets every need that our society and loved ones have every day at every hour of the day. We will restore people who are homeless, addicted and hopeless and place them back into society transforming them to be who Christ died for them to be.
Partnerships

Our mission in partnerships is to be a base for churches across the city, state and nation to minister to the less fortunate. We believe that in order for us to become a 24/7 church we need The Church to partner with us and become the light of the world. When a church partners with us 3 things are going to happen. First God is going to change the way you see yourself. You will be used by GOD in a powerful way as He uses you to minister to His people. Second God is going to change the way you see God. You will come to an understanding that God cares about people that are not on Your radar and third you will change the way you see others. You will realize that not all people who are homeless are lazy many have suffered trauma, addiction, mental illness, prison, prostitution etc. You will go back to your church with a new fire for God and people and change your community for the glory of our Father!

TREATING HOMELESSNESS

One of the things we hear most often from the homeless in our community is how they feel loved, respected, that they matter, and most importantly, they do not feel ashamed when they come through the doors of our church. This has become a crucial cornerstone in how we develop relationships with those we are trying to reach. Therefore our first steps in treating homelessness are to develop relationships by establishing and building trust and for those seeking help to know we love them and have their best interest in mind. We begin our relationship building through our many outreaches such as weekly pancake breakfasts, scheduled showers, drug/addiction recovery bible studies, converting our church into a shelter during the cold winters, and providing them with essentials such as clothing and hygiene products. Once we have begun the steps to treating homelessness we progress to transitioning.

TRANSITION HOMLESSNESS

Once we have developed relationships and have established trust we begin step two for those who express an interest in wanting more than just hand-outs and a desire for a better, productive life. We encourage and most often see their interest and involvement in the church. What a beautiful site it is to see homeless serving the church and other homeless! As we spend time with them we are able to grow into deeper relationships with each individual which allows us to be instrumental in their spiritual growth and to more effectively assess their individual needs. For example, we might start with helping them obtain missing/lost legal documents required to secure a job, assist them with outside programs such as Veteran’s assistance or work with them to find housing that will take them off the streets. During the transition phase we continue in encouragement and direction while stirring within them the faith and hope that comes from Christ alone, so that they might focus on Him as the light at the end of the tunnel instead of the dark circumstances they have been accustomed to.
END HOMELESSNESS

It is our goal by step three that through the love of Christ and the encouragement and assistance of the church, each individual will be equipped with the tools necessary to lead a productive and fulfilling life.

Values

The five values of our church are:

1. **Servant leadership** - We believe that in order to truly lead we must first learn to serve. We believe in leading from the trenches not from an office chair. All of our servant leaders main goal is to exemplify their leadership and not just talk about it.

2. **Humility** - We believe that humility is the foundation for leadership. They're no power trips in Christianity. We firmly believe what James 1:19 says concerning this: “My dear brothers and sisters, take note of this: Everyone should be quick to listen, slow to speak and slow to become angry,”

3. **Honor** - We believe in showing respect to every one that enters our doors. We celebrate people in their success and encourage people in their struggles.

4. **Generosity** - We believe that being a giving person is the very nature of God. God GAVE His Son for us so we give resources to our community and we give financially to our church to keep expanding the Kingdom of God.

5. **Commitment** - We are committed to God in our faith and the way we live our lives. We are committed to each other in love, accountability, encouragement and growing in faith. We are committed to others in bring the Gospel message to those who have not received it.
