Re: Resolution of Support for Vi Collina

Dear Ms. Lasch,

At the Austin City Council meeting on February 7, 2019, staff presented the requests from multiple entities for resolutions of support for applications to the Texas Department of Housing and Community Affairs Competitive Low Income Housing Tax Credit Program. Generally, staff presents these resolutions en masse, having reviewed and vetted each request, and Council approves the resolutions on consent. This year, the City of Austin received eighteen requests for resolutions of support, with ten proposals ultimately going before Council. As staff worked to prepare all of the documentation and resolutions for Council to approve, we unfortunately made a minor error in the drafting of the resolution of support for Vi Collina. This resolution was advertised and listed in the agenda as being in support of the Vi Collina application. The language in the agenda clearly stated that this resolution was to be in support of Vi Collina. The supporting documentation for this agenda item included the original request from you, the applicant, for a resolution of support for Vi Collina, as well as multiple documents showing staff’s analysis of the location proposed in your application. Further, the resolution lists Vi Collina, LLC as the “applicant” and identifies the proposed development to be located at 2401 East Oltorf Street. Unfortunately, the resolution then states that the applicant intends to apply for the tax credits for “the Development to be known as Tierra Skyline.” This was an error. The resolution is in support of the application submitted by Vi Collina, LLC for the development to be located at 2401 East Oltorf Street, to be known as Vi Collina, or whatever name the developer ultimately chooses. Please accept this as an explanation of events and an apology for the confusion.

Sincerely,

James B. May, AICP

Three Year Inspection Summary

- Inspectors routinely monitor compliance with Licensing standards, rules and law. At a minimum, licensed and certified operations are inspected at least once a year; Registered Child Care Homes are inspected at least once every two years, Listed Family Homes are inspected only if there is a report of abuse/neglect or if we receive a report that the home is caring for too many children.

- When operations have serious deficiencies or a significant number of deficiencies, repeat deficiencies, or fail to make corrections timely, they are inspected more frequently by licensing staff, to ensure the health and safety of children in care.

- In the last three years, Licensing conducted the following:

  - 16 - Inspections
  - 0 - Assessments
  - 8 - Self Reported Incidents
  - 1 - Reports

Click on the inspection type to see additional details related to each inspection.

- There are many standards that an operation must comply with; the total number varies for each type of operation. An operation or home is generally given an opportunity to correct deficiencies and has the right to request a review of a deficiency. Deficiencies pending review are not included in the two year history.

Three Year Compliance Summary

- During the last three years, 2072 standards were evaluated for compliance at this operation.

  - Of the standards evaluated deficiencies were cited.

Click on the number of deficiencies to see additional details.

- Each standard is assigned a weight. The weight ensures all inspectors consider standard violations in the same way, and represents the potential impact a deficiency might have on children. Review the inspection reports to learn more about each citation. It's important to remember; weights are not assigned to an individual operation, inspection, or circumstance and are not intended to result in a ranking of operations or score.

- The weights of the standard deficiencies cited in the past three years are as follows:

  - 4 were weighted as High
  - 5 were weighted as Medium - High
  - 0 were weighted as Medium
  - 0 were weighted as Medium - Low
  - 0 were weighted as Low

Click on the weight to see additional details about each deficiency.

Disclaimer: The online compliance history includes only information after January 1, 2002. In addition, the online compliance history does not include minimum standard violations or corrective or adverse actions until after the child-care operation has had due process or waived its rights. For compliance history prior to January 1, 2002 or history with pending due process, please contact your local licensing office. Child-Care Licensing disclaims liability for any errors or omissions from the compliance history information.

SKATE PARKS

The Austin Parks and Recreation Department currently operates two skate parks - one in Mabel Davis District Park and the Heath Eiland and Morgan Moss BMX Skate Park at 1213 Shoal Creek Boulevard next to Austin Recreation Center.

Mabel Davis District Park - Skate Park

Austin's first skate park is located in Mabel Davis District Park at 3427 Parker Lane. The skate park includes a skate bowl, streetscape elements and a grass seating area for interested onlookers. It opened in late-2005 and is a 12,000-square-feet concrete skate park.

Heath Eiland and Morgan Moss BMX Skate Park

Heath Eiland and Morgan Moss BMX Skate Park opened at 1213 Shoal Creek Boulevard on June 16, 2011. This 30,000-square-feet facility features a skate bowl, large plaza with streetscape elements, shade structures, unisex restroom and skateable public art piece. This project was funded by the 2006 bond election and designed by New Line Skateparks out of British Columbia, Canada.
The Faith Food Pantry helps over 200 persons in 70 families per month, with an all-volunteer staff filling requests for food that we receive from other churches and social service agencies, who call the pantry’s unlisted telephone number to request groceries for their members or clients. The history of our church’s food pantry includes starting four other Austin pantries, and in founding the Central Texas Food Bank.

THIS ADDENDUM TO COMMERCIAL CONTRACT - UNIMPROVED PROPERTY (this "Addendum") is by and between CEDAR WILLOW CREEK, LTD., a Texas limited partnership ("Seller"), whose office address is 3839 Bee Cave Road, Suite 200, Austin, Texas 78746, and SAIGEBROOK DEVELOPMENT, LLC, a Florida limited liability company, its successors and/or assigns ("Buyer"), whose office address is 421 West 3rd Street, Suite 1504, Austin, Texas 78701. The effective date of this Addendum shall be the date that this Addendum is fully executed by Seller and Buyer (the "Effective Date").

WHEREAS, Seller and Buyer are parties to that certain Commercial Contract - Unimproved Property of even date herewith (the "Contract");

WHEREAS, Seller and Buyer desire to modify and supplement the Contract as more particularly set forth herein.

NOW, THEREFORE, in consideration of $10.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller and Buyer agree that the Contract is hereby modified and supplemented to include the following provisions:

1. Title Commitment. Notwithstanding anything contained in Section 6 of the Contract, the following provisions shall govern and control Buyer's review of and objection to title to the Property:

   (a) Within the Feasibility Period, Buyer may, at its sole expense, obtain (i) a title insurance commitment (the "Title Commitment") for a fee owner's title insurance policy covering the Property (the "Title Policy") from a title insurance company selected by Buyer (the "Title Company") and (ii) a survey of the Property (the "Survey"). The cost of the Owner's Title Policy shall be borne by Buyer.

   (b) Buyer shall, within thirty (30) days of receipt of Title Commitment, notify Seller in writing specifying any objections to matters shown on the Title Commitment or the Survey (the "Title Objections"). Any matters on the Title Commitment or the Survey that Buyer does not timely object to, and which are not items set forth in Sections 1(c)(ii)-(iv) below, shall be deemed "Permitted Exceptions." If Buyer notifies Seller of any title objections, Seller has ten (10) days from receipt of Buyer's notice to notify Buyer whether Seller agrees to cure the objections before closing ("Cure Notice"). If Seller does not timely give its Cure Notice or timely gives its Cure Notice but does not agree to cure all the title objections before closing, Buyer may, within five (5) days after the deadline for the giving of Seller's Cure Notice, notify Seller that this Contract is terminated, in which case the Earnest Money (less the Independent Consideration) shall be refunded to Buyer. If Buyer does not terminate this Contract as provided in this paragraph, then at or before Closing Seller must cure the Title Objections that Seller has agreed to cure and Buyer shall be deemed to have waived any remaining Title Objections.

   (c) Notwithstanding anything in Section 1(b) above, at or prior to Closing, Seller shall cause to be cured, remedied, or released (i) any and all Title Objections which
Seller has elected, or is deemed to have elected, to cure pursuant to Section 1(b) hereof, (ii) any mortgages, deeds of trust or judgment liens, (iii) construction liens and other liens (other than the lien of real estate taxes and assessments not yet due and payable) concerning the Property provided for by statute, code or ordinance, or created by express grant in writing by Seller, and (iv) any and all encumbrances and/or exceptions concerning the Property created by, under or through Seller after the Effective Date.

(d) From time to time prior to Closing, Buyer may cause, at its sole expense, the Title Commitment and/or the survey to be updated (the "Title Update") and a copy of the Title Update shall be delivered to Seller. If within ten (10) days following receipt of same Buyer objects in writing to any matters shown on the Title Update that were not shown on the Title Commitment or the survey, such matters shall be deemed Title Objections and the provisions of subparagraph 6(C) of the Contract shall apply to those matters.

2. Earnest Money.

(a) Within two (2) business days following the Effective Date, Buyer shall deposit as an earnest money deposit, the sum of Fifteen Thousand and No/100 Dollars ($15,000.00) (the "Initial Deposit") with the Title Company (the "Escrow Agent"). Buyer shall make an additional deposit payable to Escrow Agent in the amount of Twenty-Five Thousand and No/100 Dollars ($25,000.00) (the "Second Deposit") within two (2) business days following the expiration of the Feasibility Period. The Initial Deposit and the Second Deposit are collectively referred to herein as the "Escrow Deposit." If Buyer fails to terminate the Contract and this Addendum prior to the expiration of the Feasibility Period, the Escrow Deposit, to the extent paid, shall be non-refundable to Buyer (except as otherwise expressly provided for in the Contract and this Addendum) and credited to the Purchase Price at Closing (as hereinafter defined), unless a party is in default under the Contract or this Addendum, in which case the Escrow Deposit, less the $100.00 independent consideration referenced in Section 2(b) hereof, together with any interest accrued thereon, if any, shall be disbursed by Escrow Agent to the appropriate party in accordance with the applicable provisions of the Contract and this Addendum. Notwithstanding anything contained in the Contract or this Addendum to the contrary, portions of the Escrow Deposit shall become non-refundable to Purchaser in all events as follows:

(i) if the Contract has not been terminated by Buyer in accordance with the terms hereof by the expiration of the Feasibility Period, $10,000.00 of the Escrow Deposit shall be deemed hard and non-refundable to Buyer, unless Closing does not occur as a result of a default by Seller, Seller's inability to deliver indefeasible title subject only to the Permitted Exceptions at Closing, or termination of the Contract due to condemnation;

(ii) if the Contract has not been terminated by Buyer in accordance with the terms hereof by 5:00 p.m. Central Time on May 31, 2018, $10,000.00 of the Escrow Deposit shall be deemed hard and non-refundable to Buyer, for an aggregate hard Escrow Deposit of $20,000.00, unless Closing does not occur as a result of a default by Seller, Seller's inability to
deliver indefeasible title subject only to the Permitted Exceptions at Closing, or termination of
the Contract due to condemnation;

(ii) if the Contract has not been terminated by Buyer in accordance with the
terms hereof by 5:00 p.m. Central Time on June 29, 2018, $10,000.00 of the Escrow Deposit
shall be deemed hard and non-refundable to Buyer, for an aggregate hard Escrow Deposit of
$30,000.00, unless Closing does not occur as a result of a default by Seller, Seller's inability to
deliver indefeasible title subject only to the Permitted Exceptions at Closing, or termination of
the Contract due to condemnation; and

(iv) if the Contract has not been terminated by Buyer in accordance with the
terms hereof by 5:00 p.m. Central Time on July 31, 2018, $10,000.00 of the Escrow Deposit
shall be deemed hard and non-refundable to Buyer, for an aggregate hard Escrow Deposit of
$40,000.00, unless Closing does not occur as a result of a default by Seller, Seller's inability to
deliver indefeasible title subject only to the Permitted Exceptions at Closing, or termination of
the Contract due to condemnation.

(b) Paragraph 7B(1) of the Contract is hereby amended to provide that in the event
Buyer terminates the Contract within the Feasibility Period, the Escrow Deposit will be refunded
to Buyer less $100.00 that Seller will retain as independent consideration for Buyer's
unrestricted right to terminate.

3. Legal Description. Notwithstanding any contrary provision in the Contract or herein, if
Buyer's Survey produces a legal description which includes land not described in the
deed vesting title in Seller, Seller shall, to the extent owned by Seller, convey such excess
parcel by a quitclaim deed without warranty.

4. Seller's Representations, Warranties and Covenants. As of the Effective Date and as of
the Closing, Seller represents and warrants to Buyer, and where indicated, covenants and
agrees, as follows:

(a) The execution, delivery and performance by Seller of the Contract, as
supplemented by this Addendum, has been duly and validly authorized by all requisite
action on the part of Seller, and no consent of any person not heretofore obtained is
required.

(b) The Contract, as supplemented by this Addendum, constitutes the legal,
valid and binding obligation of Seller, enforceable against Seller in accordance with its
terms.

(c) Seller owns the Property in fee simple, subject only to the Permitted
Exceptions.

(d) Seller and its general partner are duly organized and validly existing under
the laws of their respective jurisdictions of organization and are authorized to transact
business in the State of Texas, with full power and authority to enter into and perform the
Contract and this Addendum in accordance with their terms.
(e) There are no actions, suits or proceedings pending or, to the best of Seller's current actual knowledge, threatened against Seller or the Property.

(f) There are no condemnation or eminent domain proceedings pending or to the Seller's knowledge, threatened concerning the Property, and Seller has received no written notice from any governmental or quasi-governmental agency or authority or potential condemnor concerning any right-of-way, utility, or other taking which may affect the Property.

(g) Except as may be set forth to the contrary in any environmental assessment, soils, or similar investigation reports concerning the Property delivered by Seller to Purchaser, Seller has no current actual knowledge of hazardous substances present on the Property in any quantity or manner that violates, or that gives rise to liability, under any applicable environmental law, regulation, or ordinance. Notwithstanding such representation, Buyer intends to perform its own due diligence and obtain third party reports to assess all environmental conditions, as well as the feasibility of developing the Property.

(h) Neither the execution and delivery of the Contract or this Addendum by Seller, nor the consummation by Seller of the transactions contemplated hereby, will (i) require Seller to file or register with, notify, or obtain any permit, authorization, consent, or approval of any person or entity (including any limited partners of Seller, governmental, quasi-governmental or regulatory authority), (ii) violate or breach any provision of, or constitute a default (or an event which, with notice or lapse of time or both, would constitute a default) under any agreement or other instrument, commitment, or obligation to which Seller, the Property, or any of Seller's assets may be bound, or (iii) violate any order, writ, injunction, decree, judgment, statute, law, or ruling of any court or governmental authority applicable to Seller, the Property or any of Seller's assets.

(i) During the term of the Contract, Seller shall maintain (i) the Property in substantially the same condition as it is in on the Effective Date and (ii) all insurance policies, if any, for the Property as of the Effective Date in full force and effect through Closing.

(j) There are no existing (i) contracts for the sale of all or any portion of the Property, (ii) options to purchase all or any portion of the Property, or (iii) rights of first refusal with respect to the sale of all or any portion of the Property.

(k) Unless otherwise permitted under the Contract or this Addendum, Seller shall not grant or otherwise create or consent to the creation of any easement, restriction, lien, assessment or encumbrance affecting the Property, or pursue any re-zoning of the Property or any other land use approvals relating to the Property without Purchaser's written consent, which consent may be withheld at Purchaser's sole and absolute discretion.
There are no leases, tenancies, or other rights of occupancy or use of any portion of the Property.

Seller is not in default (and has committed no act that, with the passage of time and/or the giving of notice would be a default) under any indenture, mortgage, deed of trust, loan agreement, or other agreement to which Seller is a party and which affects the Property.

Seller (i) has not made an assignment for the benefit of creditors, (ii) has not admitted in writing its inability to pay its debts as they mature, or (iii) has not been adjudicated as bankrupt or insolvent, or filed a petition for voluntary bankruptcy or a petition or answer seeking reorganization or an arrangement with creditors under the federal bankruptcy law or any other similar law or statute of the United States or any State, and no such petition has been served upon Seller.

To the best of Seller's current knowledge, no commitments relating to the Property have been made by Seller to any governmental authority, utility company, school board, church or other religious body, any property owners' association, or any other organization, group or individual which would impose an obligation upon Purchaser or its successors or assigns to make any contribution, or dedication of money or land or to construct, install or maintain any improvements of a public or private nature on or off the Property, and to the best of Seller's knowledge, no governmental authority has imposed any requirement that any owner of the Property pay directly or indirectly any special fees or contributions or incur any expenses or obligations in connection with the Property.

The representations contained in this Section 4 shall survive the Closing for a period of one (1) year.

5. **Governmental Approval Applications.** Seller shall promptly, upon Buyer's request and provided Seller thereby assumes no liability or obligation and at no cost to Seller, join in or otherwise consent to any and all applications (collectively, the “Applications”) with respect to zoning, platting, site plan approval, vacations, dedications, surface water management permits, drainage permits, concurrency compliance approvals, building permits, and any and all other permits, consents, approvals, and/or authorizations which, in Buyer's reasonable opinion, are necessary or desirable for the development of the Property for Buyer's Intended Use. Buyer's “Intended Use” shall refer to the development of the Property with no less than one hundred (100) multifamily residential units. Notwithstanding the foregoing, Buyer agrees that in the event Closing does not occur, Seller's existing use of the Property shall not be disturbed and no encumbrance shall be placed on the Property without the advance written consent of the Seller.

6. **Closing Conditions.** Seller and Buyer acknowledge and agree that the obligation of Buyer to consummate the transaction contemplated hereby is also subject to the satisfaction of the following conditions (the “Closing Conditions”), unless waived in writing by Buyer prior to Closing:
(a) At Closing, there shall have been no material, adverse change to the condition of the Property from the condition existing on the Effective Date (ordinary wear and tear excepted), including, without limitation, any adverse change to the environmental condition of the Property.

(b) By Closing, Buyer shall have obtained TDHCA Financing (as hereinafter defined), or Buyer shall have waived in writing the requirement and condition precedent to obtain TDHCA Financing. For purposes of this Addendum, the term “TDHCA Financing” means, collectively: (i) an award from Texas Department of Housing and Community Affairs (“TDHCA”) in the 2018 Application Cycle for Federal Income Tax Credits under the Low Income Housing Tax Credit Program (“Tax Credits”), combined with (ii) such other resources which may be awarded by TDHCA during this application cycle concurrent with the Tax Credits in an amount sufficient, in Buyer’s sole and absolute discretion, to enable Buyer to acquire the Property and construct its intended improvements on the Property, with all time to appeal such award having expired and with no appeal then pending and no appeal instituted or petition filed, and (iii) a binding commitment acceptable to Buyer in its sole and absolute discretion for a syndication/sale of such Tax Credits to an investor.

In addition to any rights or remedies that Buyer may be entitled to under the Contract and this Addendum, if (a) any of the Closing Conditions are not satisfied by the time specified above, or (b) Buyer shall have made a good faith determination that its application for TDHCA Financing will not be successful, then in any such event, Buyer shall have the right to terminate the Contract and this Addendum upon delivering written notice to Seller, and the Earnest Money (less the Independent Consideration) not deemed to be non-refundable pursuant to Section 2(a) hereof as of the date of such termination shall be returned to Buyer and all further obligations of the parties hereunder shall terminate, except those that expressly survive termination hereof. With respect to Section 6(b) above, Buyer’s withdrawal of its application for Tax Credits shall not be a condition precedent to the return of any portion of the Escrow Deposit.

7. Closing. Unless sooner terminated by either Seller or Buyer pursuant to the provisions of the Contract and this Addendum and subject to the terms and conditions of the Contract and this Addendum, Closing shall take place at the offices of the Title Company at 10:00 a.m. Central Time, or by mail, or at any other time mutually agreed to by the parties, on or before August 31, 2018 (the “Closing Date”). Buyer shall have the right to close this transaction prior to the then scheduled Closing Date. If Buyer elects to exercise such right, it will notify Seller of the earlier Closing Date at least ten (10) days prior to the new Closing Date. Buyer shall also have the right to extend the Closing Date (but to no later than December 31, 2018) by exercising up to four (4) consecutive 1-month Closing extensions (each 1-month Closing extension being referred to herein as a “Closing Extension”). If Buyer elects to exercise a Closing Extension, it shall notify Seller and Title Company in writing of such election on or before ten (10) days of the previously-scheduled Closing Date and deliver an extension fee in the amount of Ten Thousand and No/100 Dollars ($10,000.00) (“Extension Fee”) to Seller. If a Closing Extension is timely exercised by Buyer, the Closing Date will be extended by one (1) month to the last business day of the calendar month following the month of the prior Closing Date. Each Extension Fee is non-refundable upon payment to Seller, except if Closing does not occur.
due to a default by Seller under the Contract or this Addendum or Seller’s inability to deliver indefeasible title to the Property, in which case the Extension Fee shall be immediately returned to Buyer. Buyer will receive a credit toward its payment of the Purchase Price for each of the first two Extension Fees paid to Seller, but will not receive a credit toward its payment of the Purchase Price for the last two Extension Fees paid to Seller.

8. **Seller Default.** Sections 15(B) and 15(C) of the Contract are hereby deleted in its entirety and the following inserted in their place and stead: In the event that Seller is not entitled to terminate the Contract or this Addendum under any provision hereof and Buyer is not in default in performance of the terms hereof, then in the event that Seller should fail to consummate the transaction contemplated herein, fail to perform any of its obligations hereunder, or is otherwise in breach or default hereunder in any respect, including, but not limited to, being in breach of a representation or warranty, then Seller shall be in default under the Contract and this Addendum and Buyer may elect, as its sole and exclusive remedy, either to (i) terminate the Contract and this Addendum and (1) receive the return of the Earnest Money (less the Independent Consideration) and any interest accrued thereon and (2) recover from Seller damages in an amount equal to all out of pocket costs and expenses incurred by Buyer in connection with the proposed acquisition and development of the Property, but not to exceed One Hundred Thousand and No/100 Dollars ($100,000.00), or (ii) pursue an action for specific performance. Notwithstanding the foregoing, if Seller’s default consists of a sale of the Property to a third party in violation of Buyer’s rights under the Contract and this Addendum, Buyer shall have the right to pursue any legal remedy available at law or in equity.

9. **Brokers.** The parties hereby represent and warrant each to the other that they have not utilized or engaged any real estate broker, salesman or finder with respect to the transaction contemplated by the Contract and this Addendum, other than Michael Levy of Mathias Partners and Steve Portnoy of Carlson Commercial Properties, LLC, whose commissions shall be paid by Seller pursuant to separate agreement. Each party hereby agrees to indemnify and hold the other harmless from and against any liability, loss, cost or expense (including reasonable attorneys’ fees and court costs, including those incurred in dispute resolution or appellate matters) resulting from a claim or demand for any commissions in connection with the Contract or the purchase and sale of the Property which the indemnified party shall suffer as a result of a breach of the representations and warranties contained in this Section 9. The provisions of this Section 9 shall survive Closing or the earlier termination of the Contract and this Addendum.

10. **Escrow Deposit.**

(a) The Escrow Deposit shall be held in escrow by the Title Company and paid over or disbursed according to the terms of the Contract and this Addendum (together, the “Agreement”), and, unless otherwise refunded pursuant to the terms of the Agreement, the Escrow Deposit shall be paid over and applied against the Purchase Price at Closing. The Escrow Deposit shall be deposited by the Title Company in an interest bearing account. Any interest earned on the Escrow Deposit will be paid to the party that becomes entitled to the Escrow Deposit. Title Company shall have no responsibility for, nor shall Title Company be
held liable for, any loss occurring which arises from the fact that the amount of the Escrow Deposit may cause the aggregate amount of any depositor's accounts to exceed $250,000 and that the excess amount is not insured by the Federal Deposit Insurance Corporation. Title Company shall not be responsible for any delay in the electronic wire transfer of funds.

(b) In the event of any disagreement between Buyer and Seller resulting in conflicting instructions to, or adverse claims or demands upon Title Company with respect to the release of the Escrow Deposit, Title Company shall refuse to comply with such instruction, claim or demand so long as such disagreement shall continue, and shall not release the Escrow Deposit. Title Company shall not be or become liable in any way to Buyer or Seller for its failure or refusal to comply with any such conflicting instructions or adverse claims or demands, and it shall be entitled to continue so to refrain from acting until such conflicting or adverse demands (a) shall have been adjusted by agreement and it shall have been notified in writing thereof by Buyer and Seller, or (b) shall have finally been determined in a court of competent jurisdiction in Travis County, Texas. Additionally, at its discretion Title Company may proceed with filing an interpleader action in Travis County, Texas. Upon depositing the Escrow Deposit with a court of competent jurisdiction in Travis County, Texas, Title Company shall be released from any further obligation, responsibility or liability under the Agreement and shall be entitled to seek reimbursement out of the Escrow Deposit for its costs and reasonable attorney’s fees that are incurred in connection with filing the interpleader action. Title Company is not a trustee for any party for any purpose, and is merely acting as a depository and a ministerial capacity hereunder with the limited duties herein prescribed and has no responsibility in respect of any instructions, certificate or notice delivered to it or of the Escrow Deposit other than faithfully to carry out the obligations undertaken in the Agreement and to follow the directions in such instructions or notice provided in accordance with the terms hereof.

(c) The Seller and Buyer hereby agree to jointly and severally indemnify and hold harmless the Title Company from and against all costs, damages, judgment, attorney’s fees, expenses, obligations, and liabilities of any kind or nature, which Title Company in good faith may incur or sustain in connection with serving as Title Company under this Agreement (collectively, the “Title Company Costs”), excepting any costs, damages, judgment, attorney’s fees, expenses, obligations and liabilities arising from or as a result of a breach of this Agreement by Title Company, or the negligence of Title Company.

(d) The Title Company may resign as escrow agent hereunder by giving thirty (30) days written notice thereof to Buyer and Seller. Within ten (10) days after receipt of such notice, Buyer and Seller shall furnish to the Title Company written instructions for the release of the Escrow Deposit and corresponding escrow documents. If the Buyer and Seller fail to furnish the written instructions within the ten (10) day period, the Title Company may petition any court of competent jurisdiction for the appointment of a successor escrow agent and, upon such appointment, deliver the Escrow Deposit and corresponding escrow documents to such successor. By doing so, the Title Company shall not incur any liability to any party to this Agreement and shall be released from any further obligation, responsibility and liability under this Agreement. Furthermore, Title Company shall be entitled to be reimbursed out of the Escrow Deposit for its costs and reasonable attorney’s fees that are incurred as a result of having to petition the court for the appointment of a successor.
11. **WAIVER OF JURY TRIAL.** SELLER AND BUYER WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE ARISING OUT OF, CONNECTED WITH, RELATED TO OR INCIDENTAL TO THE CONTRACT OR THIS ADDENDUM OR THE RELATIONSHIP ESTABLISHED BETWEEN THEM IN CONNECTION WITH THE CONTRACT AND THIS ADDENDUM. ANY SUCH DISPUTES SHALL BE RESOLVED IN A BENCH TRIAL WITHOUT A JURY.

12. **Binding Effect.** This Addendum shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors, representatives and assigns.

13. **Headings.** Headings in this Addendum are for convenience and reference only and shall not be used to interpret or construe its provisions.

14. **Counterparts.** The Contract and this Addendum may be executed in multiple counterparts, each of which shall be deemed an original, but all of which, together, shall constitute but one and the same instrument. Any signature delivered by facsimile, email, or other forms of electronic transmission, such as a PDF, shall be considered an original signature by the sending party. Either party or both parties shall be permitted to electronically execute the Contract, this Addendum and all other related documents, in accordance with Texas Statutes Chapter 322.

15. **Conflict.** In the event of any conflict between the terms of the Contract and this Addendum, the terms of this Addendum shall prevail. Except as modified herein, the Contract remains unchanged and in full force and effect and is hereby ratified and confirmed in all respects.

Title insurance insures you against loss resulting from certain risks to your title.

The commitment for Title Insurance is the title insurance company's promise to issue the title insurance policy. The commitment is a legal document. You should review it carefully to completely understand it before your closing date.

Your commitment for Title Insurance is a legal contract between you and us. The Commitment is not an opinion or report of your title. It is a contract to issue you a policy subject to the Commitment’s terms and requirements.

Before issuing a Commitment for Title Insurance (the Commitment) or a Title Insurance Policy (the Policy), the title insurance Company (the Company) determines whether the title is insurable. This determination has already been made. Part of that determination involves the Company’s decision to insure the title except for certain risks that will not be covered by the Policy. Some of these risks are listed in Schedule B of the attached Commitment as Exceptions. Other risks are stated in the Policy as Exclusions. These risks will not be covered by the Policy. The Policy is not an abstract of title nor does a Company have an obligation to determine the ownership of any mineral interest.

MINERALS AND MINERAL RIGHTS may not be covered by the Policy. The Company may be unwilling to insure title unless there is an exclusion or an exception as to Minerals and Mineral Rights in the Policy. Optional endorsements insuring certain risks involving minerals, and the use of improvements (excluding lawns, shrubbery and trees) and permanent buildings may be available for purchase. If the title insurer issues the title policy with an exclusion or exception to the minerals and mineral rights, neither this Policy, nor the optional endorsements, ensure that the purchaser has title to the mineral rights related to the surface estate.

Another part of the determination involves whether the promise to insure is conditioned upon certain requirements being met. Schedule C of the Commitment lists these requirements that must be satisfied or the Company will refuse to cover them. You may want to discuss any matters shown in Schedules B and C of the Commitment with an attorney. These matters will affect your title and your use of the land.

When your Policy is issued, the coverage will be limited by the Policy’s Exceptions, Exclusions and Conditions, defined below.

- EXCEPTIONS are title risks that a Policy generally covers but does not cover in a particular instance. Exceptions are shown on Schedule B or discussed in Schedule C of the Commitment. They can also be added if you do not comply with the Conditions section of the Commitment. When the Policy is issued, all Exceptions will be on Schedule B of the Policy.
- EXCLUSIONS are title risks that a Policy generally does not cover. Exclusions are contained in the Policy but not shown or discussed in the Commitment.
- CONDITIONS are additional provisions that qualify or limit your coverage. Conditions include your responsibilities and those of the Company. They are contained in the Policy but not shown or discussed in the Commitment. The Policy Conditions are not the same as the Commitment Conditions.

You can get a copy of the policy form approved by the Texas Department of Insurance by calling the Title Insurance Company at 1-800-729-1902 or by calling the title insurance agent that issued the Commitment. The Texas Department of Insurance may revise the policy form from time to time.

You can also get a brochure that explains the policy from the Texas Department of Insurance by calling 1-800-252-3439.

Before the Policy is issued, you may request changes in the Policy. Some of the changes to consider are:

- Request amendment of the "area and boundary" exception (Schedule B, paragraph 2). To get this amendment, you must furnish a survey and comply with other requirements of the Company. On the Owner’s Policy, you must pay an additional premium for the amendment. If the survey is acceptable to the Company and if the Company’s other requirements are met, your Policy will insure you against loss because of discrepancies or conflicts in boundary lines, encroachments or protrusions, or overlapping of improvements. The Company may then decide not to insure against specific boundary or survey problems by making special exceptions in the Policy. Whether or not you request amendment of the "area and boundary" exception, you should determine whether you want to purchase and review a survey if a survey is not being provided to you.
- Allow the Company to add an exception to "rights of parties in possession". If you refuse this exception, the Company or the title insurance agent may inspect the property. The Company may then decide not to insure against specific boundary or survey problems by making special exceptions in the Policy. Whether or not you refuse amendment of the "area and boundary" exception, you should determine whether you want to purchase and review a survey if a survey is not being provided to you.
- Allow the Company to add an exception to "rights of parties in possession". If you refuse this exception, the Company or the title insurance agent may inspect the property. The Company may then decide not to insure against specific boundary or survey problems by making special exceptions in the Policy. Whether or not you request amendment of the "area and boundary" exception, you should determine whether you want to purchase and review a survey if a survey is not being provided to you.

The entire premium for a Policy must be paid when the Policy is issued. You will not owe any additional premiums unless you want to increase your coverage at a later date and the Company agrees to add an Increased Value Endorsement.

ARBITRATION is a common form of alternative dispute resolution. It can be a quicker and cheaper means to settle a dispute with your Title Insurance Company. However, if you agree to arbitrate, you give up your right to take the Title Insurance Company to court and your rights to discovery of evidence may be limited in the arbitration process. In addition, you cannot usually appeal an arbitrator’s award.

Your policy contains an arbitration provision (shown below). It allows you or the Company to require arbitration if the amount of insurance is $2,000,000 or less. If you want to retain your right to sue the Company in case of a dispute over a claim, you must request deletion of the arbitration provision before the policy is issued. You can do this by signing this form and returning it to the Company at or before the closing of your real estate transaction or by writing to the Company.

The arbitration provision in the Policy is as follows:

“Either the Company or the Insured may demand that the claim or controversy shall be submitted to arbitration pursuant to the Title Insurance Arbitration Rules of the American Land Title Association ("Rules"). Except as provided in the Rules, there shall be no joinder or consolidation with claims or controversies of other persons. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Insured arising out of or relating to this policy, any service in connection with its issuance or the breach of a policy provision, or to any other controversy or claim arising out of the transaction giving rise to this policy. All arbitrable matters when the Amount of Insurance is $2,000,000 or less shall be arbitrated at the option of either the Company or the Insured, unless the Insured is an individual person (as distinguished from an Entity). All arbitrable matters when the Amount of Insurance is in excess of $2,000,000 shall be arbitrated only when agreed to by both the Company and the Insured. Arbitration pursuant to this policy and under the Rules shall be binding upon the parties. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court of competent jurisdiction.”

Section 811 Information
Section 811 Project Rental Assistance Program “PRA” Certification

On behalf of the Applicant and all Affiliates of the Applicant (“Applicant”), I (We) hereby certify that the Applicant is familiar with the provisions of HUD’s Section 811 Project Rental Assistance (“PRA”) program, enacted by Section 811 of the Cranston Gonzalez National Affordable Housing Act (Pub L. 111-374) and the Frank Melville Supportive Housing Investment Act of 2010, the Texas Department of Housing and Community Affairs (“TDHCA”) Rules as published in Title 10 of the Texas Administrative Code, HUD Handbook 4350.3 REV-1 (Occupancy Requirements of Multifamily Housing Programs), and the Section 811 Project Rental Assistance Program Cooperative Agreement, including the Rental Assistance Contract (“RAC”) and the Use Agreement. I (We) hereby certify that the Applicant will comply with future guidance regarding the Section 811 PRA Program provided by HUD and/or TDHCA, including Rules, FAQs, and program manuals.

I (We) hereby certify that Applicant will execute a Section 811 PRA Owner Participation Agreement, in a form to be provided by TDHCA, for a TDHCA approved Existing Development, or if authorized by TDHCA, for the awarded Development included in this Application. Once an Owner Participation Agreement has been executed, I (We) hereby certify that I (We) understand that TDHCA will market the property under the Owner Participation Agreement to potential Section 811 PRA tenants at any time during the term of the Owner Participation Agreement, and I (We) hereby certify that I (We) will furnish to TDHCA, all marketing materials generated, including pictures and unit features, at the time the Owner Participation Agreement is signed and returned to TDHCA to do such marketing. If requested by TDHCA, I (We) hereby certify that I (We) will execute a RAC and record the required Use Agreement in the county deed records.

I (We) understand, that even though the Owner or the Owner of the Existing Development will be required to execute an Owner Participation Agreement, TDHCA may never require the Development to execute a RAC and therefore the Development may not be required to serve Section 811 PRA tenants.

I (We) hereby certify that I (We) will comply with all HUD regulations, court rulings, related administrative rules, and eligibility guidelines and restrictions during the application process and in the event of award, for the duration of the Section 811 Owner Participation Agreement or the Use Agreement, whichever has a longer term.

I (We) hereby make application to the TDHCA to participate in the Section 811 PRA Program. The undersigned hereby acknowledges that an award by the TDHCA does not warrant that the Existing Development or the Development proposed in the Application is deemed qualified to participate in the Section 811 PRA Program. I (We) agree that the TDHCA or any of its directors, officers, employees, and agents will not be held responsible or liable for any representations made to the undersigned or its investors relating to the Section 811 PRA Program; therefore, I (We) assume the risk of all damages, losses, costs, and expenses related thereto and agree to indemnify and save harmless the TDHCA and any of its officers, employees, and agents against any and all claims, suits, losses, damages, costs, and expenses of any kind and of any nature that the TDHCA may hereinafter suffer, incur, or pay arising out of its decision concerning this application involving Section 811 PRA funds or the use of information concerning the 811 PRA Program.
I (We) hereby acknowledge that this Application is subject to disclosure under Chapter 552, Texas Government Code, the Texas Public Information Act, unless a valid exception exists.

I (We) acknowledge all representations, undertakings, and commitments made by Applicant in the application process for a Development, whether with respect to eligibility criteria, selection criteria or otherwise, shall be deemed to be a condition to any Commitment or Contract for such Development, the violation of which shall be cause for cancellation of such Commitment or Contract by the TDHCA and if concerning the ongoing features or operation of the Development, shall be enforceable by the TDHCA and the tenants of the Development, including enforcement by administrative penalties for failure to perform, in accordance with the LURA. The obligation to sign an Owner Participation Agreement is binding. I (We) must sign an Owner Participation Agreement if the Development receives an award and is requested to do so by the Department.

I (We) agree the TDHCA may, at its discretion, request additional information and/or documentation in its evaluation of this Application to garner required information relating to the qualification of the Development for the 811 Program. I (We) hereby assert that the information contained in this Application as required or deemed necessary by the materials governing the 811 PRA program are true and correct and that I (We) have undergone sufficient investigation to affirm the validity of the statements made.

Further, I (We) hereby assert that I (We) have read and understand all the information contained in the Application. By signing this document, I (We) affirm that all statements made in this government document are true and correct under penalty of Chapter 37 of the Texas Penal Code titled Perjury and Other Falsification and subject to criminal penalties as defined by the State of Texas. TEX. PENAL CODE ANN. §37.01 et seq. (Vernon 2011).

I (We) understand and agree that if false information is provided in this Application which has the effect of increasing the Applicant’s competitive advantage, the TDHCA will disqualify the Applicant and may hold the Applicant ineligible to receive 811 PRA funds or until any issue of restitution is resolved.

Section 811 Project Rental Assistance ("PRA") Program Supplement Packet

Introduction

The purpose of this Packet is to formalize the process by which an Applicant establishes its lack of legal authority to commit Section 811 PRA Program Units in a Development as described pursuant to 10 TAC §11.9(c)(6)(A) of the Qualified Allocation Plan ("QAP").

This Packet is required only if all of the following conditions are true:

1) An Applicant is selecting points under Tenant Populations with Special Housing Needs pursuant to 10 TAC §11.9(c)(6) AND

2) An Applicant is seeking to establish its lack of legal authority where an Applicant or Affiliate Owns or Controls an Existing Development that otherwise meets the criteria established by 10 TAC §11.9(c)(6)(B) of the QAP.

One Packet must be submitted for each Existing Development for which the Applicant or Affiliate is seeking a determination that the needed legal authority is lacking and that the Development can be excluded from consideration.

Instructions: Complete the Questionnaire on page 2 of this packet, then complete the fields on each of the subsequent form cover pages, and attach the denoted documentation for each item behind each included cover pages. Submit each Packet, including Attachments in PDF format and include bookmarks for each item. The Packet must be saved and uploaded as one standalone file to the Serv-U folder associated with each 2019 Multifamily Application.

This Packet and all supporting documentation must be uploaded to the Department’s Serv-U system at the same time as, but as a separate document from, the Application. Refer to the Multifamily Programs Procedures Manual posted at [http://www.tdhca.state.tx.us/multifamily/applyforfunds.htm](http://www.tdhca.state.tx.us/multifamily/applyforfunds.htm) for an explanation of the process to set-up a Serv-U Account if needed.

(i) **First Installment.** The Investor Member shall make a Capital Contribution in an amount equal to $837,315 (the “First Installment”) upon the latest of (i) the Closing Date and (ii) satisfaction of the Funding Conditions relating to the First Installment, with such funds to be used solely for site acquisition, development and construction costs, including an expense reimbursement of $65,000 to the Investor Member or an Affiliate of the Investor Member for its review and approval costs in connection with the Closing, and to pay a portion of the Development Fee.

(ii) **Second Installment.** The Investor Member shall make a Capital Contribution in an amount equal to $837,315 (the “Second Installment”), subject to reduction as provided in Section 4.2(d), after the Investor Member has reasonably determined in its good faith discretion that all of the Funding Conditions relating to the Second Installment have been fully satisfied, with such funds to be used to pay hard and soft costs of the Construction as reasonably acceptable to the Investor Member.

(iii) **Third Installment.** The Investor Member shall make a Capital Contribution in an amount equal to $837,315 (the “Third Installment”), subject to reduction as provided in Section 4.2(d), after the Investor Member has reasonably determined in its good faith discretion that all of the Funding Conditions relating to the Third Installment have been fully satisfied, with such funds to be used first to pay hard and soft costs of the Construction as reasonably acceptable to the Investor Member, second to repay a portion of the BBVA Loan and to pay a portion of the Development Fee.

(iv) **Fourth Installment.** The Investor Member shall make a Capital Contribution in an amount equal to $5,811,208 (the “Fourth Installment”), subject to adjustment as provided in Section 4.2(d) after the Investor Member has reasonably determined in its good faith discretion that all of the Funding Conditions relating to the Fourth Installment have been fully satisfied, with such funds to be used first to pay hard and soft costs of the Construction as reasonably acceptable to the Investor Member, second to pay-down the BBVA Loan to its permanent phase, third to fully fund the Operating Reserve and fourth to pay a portion of the Development Fee.

(v) **Fifth Installment.** The Investor Member shall make a Capital Contribution in an amount equal to $50,000 (the “Fifth Installment”), subject to adjustment as provided in Section 4.2(d) after the Investor Member has reasonably determined in its good faith discretion that all of the Funding Conditions relating to the Fifth Installment have been fully satisfied, with such funds to be used to pay a portion of the Development Fee.

(vi) **Source of Funding of Installments.** The Investor Member, in its sole discretion, may fund any Installment on or prior to satisfaction of the Funding Conditions by providing funds from one or more of the following: (A) itself or (B) funds arranged by Hunt to be provided from any Entity as equity or debt but without any security interest in or lien on the Apartment Complex.

(vii) **Withholding of Capital Contributions.** The Investor Member may withhold any Installment if at any time it determines, in its sole discretion, that a Development Deficit exists or is projected to exist prior to such Installment, and shall not fund such
Installment until such Development Deficit or projected Development Deficit is cured by the Managing Member.

(c) **Special Additional Capital Contributions and Investor Member Deficit Restoration Obligation.**

(i) If, in any fiscal year of the Company, the Investor Member’s Capital Account balance may be reduced to or below zero, the Investor Member may, in its sole and absolute discretion, make a special additional Capital Contribution to the Company in an amount reasonably required to avoid the reduction of the Investor Member’s Account balance to or below zero (a “Special Additional Capital Contribution”).

(ii) Notwithstanding any other provision herein to the contrary, the Investor Member hereby agrees, pursuant to this Section 4.2(c), that if there is a deficit balance in its Capital Account as of the last day of 2019 and/or 2020, determined after taking into account all Capital Account adjustments for 2019 and/or 2020, the Investor Member shall be unconditionally obligated to restore the amount of such deficit by contributing to the Company the dollar amount of such deficit (a “Deficit Restoration Contribution”), as so determined, not later than the last day of the year in which the liquidation of the Company or the Investor Member’s Interest in the Company occurs (or, if later, within 90 days after the date of such liquidation) (the “Deficit Restoration Obligation”); provided, however, that in no event shall the Deficit Restoration Obligation exceed the unpaid Capital Contribution Obligations of the Investor Member, as adjusted pursuant to Section 4.2(d). Any subsequent Capital Contributions of the Investor Member made in 2019 and/or 2020 or thereafter shall reduce the Deficit Restoration Obligation on a dollar-for-dollar basis. If the dollar amount of such subsequent Capital Contributions equals or exceeds the Deficit Restoration Obligation, then the Deficit Restoration Obligation shall be deemed satisfied in full.

(iii) If the Investor Member makes a Special Additional Capital Contribution or a Deficit Restoration Contribution to the Company pursuant to this Section 4.2(c), the Investor Member shall receive a guaranteed payment pursuant to Section 4.9 for the use of its Special Additional Capital Contribution or Deficit Restoration Contribution, as applicable.

(d) **Adjustment to Capital Contributions of the Investor Member.**

(i) If upon the issuance of Forms 8609 by the Agency for any or all of the buildings comprising the Apartment Complex, or if upon delivery of the Cost Certification, the Investor Member (in its reasonable discretion) or the Accountants determine that there is a Housing Tax Credit Shortfall for the Credit Period because the Actual Housing Tax Credits available to the Investor Member pursuant to Section 42(a) of the Code are less than the Projected Housing Tax Credits (or, if applicable, the Revised Projected Housing Tax Credits for such year), the Investor Member’s Capital Contribution shall be reduced by a Housing Tax Credit Shortfall Payment equal to the Housing Tax Credit Shortfall multiplied by the Housing Tax Credit Price. If upon such issuance of Forms 8609 by the Agency, the Investor Member (in its reasonable discretion) or the Accountants determine that the Actual Housing Tax Credits available to the Investor Member pursuant to Section 42(a) of the Code are greater than the
Projected Housing Tax Credits (or, if applicable, the Revised Projected Housing Tax Credits for such year), giving rise to a “Housing Tax Credit Excess,” then the Investor Member’s Capital Contribution shall be increased by an amount equal to the Housing Tax Credit Price multiplied by the Housing Tax Credit Excess; provided, however, that any such increase shall be subject to the limitation set forth in Section 4.2(d)(vi) hereof.

(ii) In the event that there is a Housing Tax Credit Shortfall because the Actual Housing Tax Credits for any of 2020 or 2021 (determined separately for each year) are less than the Projected Housing Tax Credits for such year (or, if applicable, the Revised Projected Housing Tax Credits for such year) solely by reason that the Applicable Fraction for such year with respect to any buildings in the Apartment Complex was, by reason of the application of Section 42(f)(2) of the Code, lower than the Applicable Fraction projected in the Projected Housing Tax Credits (or Revised Projected Housing Tax Credits, if applicable) (each, a “Shortfall Year”), as determined by the Investor Member, upon receipt of final Company tax returns for the subject year or in advance of receipt of such final Company tax returns, estimated on a monthly basis by the Investor Member, the Service or the Accountants, the Investor Member’s Capital Contribution shall be reduced by a Housing Tax Credit Shortfall Payment in an aggregate amount equal to the product of (x) Projected Housing Tax Credits (or if applicable, Revised Projected Housing Tax Credits) less Actual Housing Tax Credits delivered to the Investor Member for such Shortfall Year (determined separately for each year) and (y) $0.60. Notwithstanding the foregoing, if any building in the Apartment Complex does not achieve Initial 100% Occupancy by the end of the first year of the Credit Period for such building and, as a result, any portion of the Housing Tax Credits with respect to such building will be available over 15 years, then the reduction to the Investor Member’s Capital Contribution shall be the sum of (1) the amount determined under the first sentence of this Section 4.2(d)(ii), plus (2) the amount, if any, that the Projected Housing Tax Credits (or, if applicable, the Revised Projected Housing Tax Credits) for years 2020 (year 1) through 2030 (year 11) exceed the Housing Tax Credits (or, if applicable, the Revised Projected Housing Tax Credits) projected to be available in years 2020 (year 1) through 2029 (year 10), as calculated by the Investor Member at the end of the first year of the Credit Period.

(iii) If at any time the Investor Member (in its reasonable discretion) or the Accountants determine that, for any Fiscal Year or portion thereof during the Company’s operation, by reason of any event other than an event described in Sections 4.2(d)(i) and/or 4.2(d)(ii) hereof (but not including a Tax Law Change or a transfer by the Investor Member of its Interests), there is (a) a Housing Tax Credit Shortfall because the Actual Housing Tax Credits for such Fiscal Year or portion thereof are less than the Projected Housing Tax Credits, or the Revised Projected Housing Tax Credits, if applicable, for such Fiscal Year or portion thereof, including, without limitation, the Apartment Complex not being Placed in Service by the end of the second calendar year after the year in which the Housing Tax Credits were allocated or the failure of the Company to operate the Apartment Complex so as to have 100% of the Housing Tax Credit Units therein eligible for the Housing Tax Credits, (b) a Housing Tax Credit Disallowance Event, or (c) a failure of the Company to allocate 99.99% of the Housing Tax Credits shown on the IRS Forms 8609 for each building comprising the Apartment Complex to the Investor Member over the Credit Period, the Investor Member’s Capital Contribution shall be reduced by a Housing Tax Credit Shortfall Payment equal to the Housing Tax Credit Shortfall and further reduced by all additions to the tax of the Investor Member, and all penalties and
interest assessed (including, without limitation, the “recapture amount” provided for in Section 42(j)(2) of the Code) against the Investor Member or any of its constituent partners as a result of the event giving rise to the Housing Tax Credit Shortfall.

(iv) Whenever in this Section 4.2(d) it is provided that the Investor Member’s Capital Contribution shall be reduced, each remaining installment of the Investor Member’s Capital Contribution then outstanding shall be reduced first, if such deferral is permitted pursuant to Section 8.1(b), for scheduled payments of Development Fees, which shall become Deferred Development Fees and second, pro rata so that the aggregate contributions, when made, will total the new reduced amount of the Investor Member’s Capital Contribution. If the outstanding balance of the Investor Member’s Capital Contribution has been reduced to zero by reason of the aforesaid adjustments to the Investor Member’s Capital Contribution and/or payments previously made thereon or offsets applied thereto, then either (1) the Managing Member shall within fifteen (15) days make a Capital Contribution to the Company in the amount owed to the Investor Member (including, without limitation, interest thereon at 12% per annum from the date that the Investor Member’s Capital Contribution(s) were made), from its own funds, and shall cause the Company immediately to distribute such amount to the Investor Member, or (2) if tax counsel to the Investor Member determines that such a Capital Contribution and distribution would cause Company profits, losses, and credits to be allocated other than in accordance with the Percentage Interests of the Members, the Managing Member shall pay the amount owed to the Investor Member (including, without limitation, any interest thereon at 12% per annum from the date that the Investor Member’s Capital Contribution(s) were made) plus any amount needed to cause the net amount of the payment received by the Investor Member to be the same, on an after-tax basis as the amount of payment that would have been received under clause (1) above), from their own funds, directly to the Investor Member; provided, however, to the extent that the Managing Member fails to pay any such amount owed to the Investor Member, such unpaid amounts shall be payable from Cash Flow and Sale or Refinancing Transaction Proceeds as provided in Sections 14.1(a) and 14.1(b), respectively, hereof, but the Managing Member shall remain in default hereunder.

(v) In the event that the Actual Housing Tax Credits 2020 exceeds the Projected Housing Tax Credits for such year (or, if applicable, the Revised Projected Housing Tax Credits for such year) (an “Excess Year”), as determined by the Investor Member, upon receipt of the Company’s final tax returns for the subject year, the Investor Member’s Fifth Installment with respect to 2020 shall be increased by the “Housing Tax Credit Surplus Payment”, which is an aggregate amount equal to the product of (x) Actual Housing Tax Credits delivered to the Investor Member, less the Projected Housing Tax Credits (or if applicable, Revised Projected Housing Tax Credits) for the Excess Year, and (y) $0.50. The Housing Tax Credit Surplus Payment shall be paid within 30 days of such determination or, if the Fifth Installment is not yet due, upon the payment of the Fifth Installment. In no event shall any Housing Tax Credit Surplus Payment exceed $90,000 and shall be subject to the limitations set forth in Section 4.2(d)(vi). The Company shall use the increase in the Fifth Installment to (i) pay any amounts then owed to the Investor Member and/or Hunt, (ii) then to pay any unpaid Development Fee or Deferred Development Fee, (iii) then to repay any Development Deficit Loans then outstanding, and (iv) then distributed in accordance with Section 14.1(a) of this Agreement.
(vi) With respect to any increase in the Investor Member’s Capital Contribution pursuant to this Section 4.2(d), in no event shall the amount of the Investor Member’s Capital Contribution increase exceed 10% of the Investor Member’s Capital Contribution as originally set forth herein. To the extent that an increase in the amount of Housing Tax Credits would have otherwise resulted in an increase in excess of 10% of the Investor Member’s Capital Contribution, the Investor Member shall have the option to either (1) increase the Investor Member’s Capital Contribution in excess of such 10%, provided that such additional increase over 10% shall be based on the lesser of the Housing Tax Credit Price or the Investor Member’s then-current pricing available generally for investments in Housing Tax Credits, or (2) reduce its Interest so that the Investor Member shall be in the same economic position (i.e., the allocations provided in this Agreement shall be adjusted accordingly by the Managing Member) as if the increase in Housing Tax Credits had not resulted in an increase in the Investor Member’s Capital Contribution in excess of 10% thereof. Any Investor Member’s Capital Contribution payable as a result of any such increase in the available Housing Tax Credits pursuant to Section 4.2(d)(i) shall be payable with the Fifth Installment of the Investor Member’s Capital Contribution set forth herein, provided that all IRS Forms 8609 have been received.

(vii) Whenever there is an adjustment pursuant to this Section 4.2(d) to the Investor Member’s Capital Contribution and/or the Interest of the Investor Member, then the amount of the Projected Housing Tax Credits shall be increased or reduced, as the case may be, and shall thereafter be referred to as the “Revised Projected Housing Tax Credits”.

4.3 Reserved.

4.4 Draws. Prior to Permanent Loan Closing, the Investor Member shall be entitled to conduct monthly inspections of the progress of construction of the Apartment Complex, and review and approve construction draw requests submitted to the BBVA Lender or HOME Lender (“Construction Loan Draw”). Each month prior to Permanent Loan Closing, the Managing Member shall provide proposed Construction Loan Draw requests to the Investor Member simultaneous with submission to the BBVA Lender and HOME Lender. The Investor Member shall Notify the Managing Member to the extent that it disapproves and requires changes in a Construction Loan Draw request within ten (10) Business Days after submission. The Managing Member will cause the BBVA Loan documents and HOME Loan documents to require that the Managing Member shall not accept and the BBVA Lender and HOME Lender, as applicable, shall not disburse on Construction Loan Draws until approved by the BBVA Lender or HOME Lender, as applicable, based on the finding of such Lender’s construction consultant, or the written approval of the Investor Member, the Managing Member shall not accept and the applicable lender shall not disburse on Construction Loan Draws until approved by the Investor Member.

4.5 Liability of the Investor Member. No Investor Member shall be liable for any debts, liabilities, contracts or obligations of the Company and each Investor Member shall only be liable to pay their respective Capital Contributions as and when the same are due hereunder and under the Uniform Act.
4.6 **Interest on Capital Contributions.** No interest shall be paid on any Capital Contribution. No Member shall have the right to withdraw its Capital Contribution or to demand and receive property of the Company in return for its Capital Contribution, except as may be specifically provided in this Agreement or required by law.

4.7 **Deposit of Capital Contributions.** The cash portion of the Capital Contributions of each Member shall be deposited at the Managing Member’s discretion in a checking, savings and/or money market or similar account to be established and maintained in the name of the Company or invested in government securities or certificates of deposit issued by any bank. Thereafter, such amounts shall be utilized for the conduct of the Company business pursuant to the terms of this Agreement and withdrawals can only be made upon the signatures as the Managing Member determines with the Consent of the Investor Member.

4.8 **Payment of Third Party Costs.** The Company shall pay the legal fees, costs and expenses incurred by the Investor Member in connection with this Agreement, the due diligence activities of the Investor Member, the Closing and costs incurred in making the Capital Contributions pursuant to Section 4.2(b) of this Agreement in an amount of $65,000. To the extent that third party costs exceed $65,000, the Investor Member’s Capital Contribution may be increased at the option of the Investor Member and used by the Company to pay such costs.

4.9 **Guaranteed Payment.** No later than ninety (90) days after the end of the Company’s fiscal year, if the Investor Member has made a Special Additional Capital Contribution pursuant to Section 4.2(c), it shall receive, as a guaranteed payment for the use of its capital, an amount equal to the annual interest earned by the Company, if any, on such Special Capital Contributions. The Company shall invest any amounts contributed pursuant to Section 4.2(c) in a federally insured interest-bearing account in such banking institutions as the Managing Member shall determine in accordance with Section 4.7. Any guaranteed payment due to a Member shall be deemed an expense of the Company for purposes of determining Cash Flow. Any guaranteed payment which is not paid when due shall remain a liability of the Company and shall bear interest at the rate of 15% per year.

4.10 **Return of Capital Contributions.** Except as provided in this Agreement, no Member shall be entitled to demand or receive the return of its Capital Contribution.

4.11 **MM Loans.** The Managing Member has the right, but not the obligation, after funding all other obligations under this Agreement, including, without limitation, its obligation to fund Development Deficits under its Construction Completion Guaranty in accordance with Section 8.1 hereof or to fund Operating Deficits under its Operating Deficit Guaranty in accordance with Section 8.2 hereof, to make loans pursuant to this Section 4.11 to fund Operating Deficits of the Company or to fund other reasonable and necessary obligations of the Company (together with interest thereon, “MM Loans”); provided, however, that the Managing Member shall not have such right to make such MM Loans at any time when it has an unsatisfied obligation to pay Development Deficits and to make Operating Deficit Loans or to make a Managing Member Capital Contribution as required under this Agreement. MM Loans shall be on the following terms: (i) interest shall accrue on the MM Loans at an annual interest rate not to exceed 5% per annum, compounded annually; (ii) MM Loans shall be repayable solely as set forth in Sections 14.1(a), 14.1(b) and 17.2 of this Agreement; and (iii) MM Loans shall be an
unsecured, nonrecourse obligation of the Company. By making a MM Loan, the Managing Member does not waive any claim of, or remedies with respect to, a default, if any, by the Investor Member in its obligations under this Agreement. Notwithstanding the foregoing, no MM Loan shall be made without the Consent of the Investor Member, which Consent shall not be unreasonably withheld, delayed or conditioned.

4.12 IM Loans. The Investor Member or its designee has the right, but not the obligation, to make loans pursuant to this Section to fund Operating Deficits of the Company or to fund other reasonable and necessary obligations of the Company (together with interest thereon, “IM Loans”). IM Loans shall be on the following terms: (i) interest shall accrue on Default IM Loans at an annual interest rate of eight percent (8%) per annum, compounded annually; (ii) interest shall accrue on the Excess IM Loan Amount (other than Default IM Loans) at an annual interest rate of eight percent (8%) per annum, compounded annually, and on any other IM Loans at an annual interest rate of eight percent (8%) per annum, compounded annually; (iii) IM Loans shall be repayable solely as set forth in Sections 14.1(a), 14.1(b) and 17.2 of this Agreement; and (iv) IM Loans shall be an unsecured, nonrecourse obligation of the Company. By making an IM Loan, neither the Investor Member, nor its designee, waives any claim of, or remedies with respect to, a default, if any, by the Managing Member in its obligations under this Agreement.

4.13 Notice of Member Loans. Except for any Operating Deficit Loans that may be required of the Managing Member under the terms of this Agreement, if the Company shall require a Member Loan to fund Operating Deficits or to satisfy other reasonable and necessary obligations of the Company, a Member (the “Initiating Member”) may give the other Members (the “Non-Initiating Members”) Notice of the Initiating Member’s intent to fund a Member Loan, which Notice shall state (i) the total amount of such Member Loan proposed to be funded, (ii) the purpose for such Member Loan, and (iii) the proposed funding date of such Member Loan, which date (the “Contribution Date”) shall not be less than ten (10) days following the date of such Notice; provided that the Notice requirement shall be shortened to the extent necessary to permit a Member to fund a Member Loan for the purpose of curing a default under a Loan. The Initiating Member and the Non-Initiating Members shall each fund the portion of the Member Loan it agreed to make by the Contribution Date. If a Member fails to make such Member Loan to the Company on or before the Contribution Date, any Member who makes such Member’s share of the Member Loan may, at such Member’s option, advance to the Company the amount of the non-lending Member’s share of the Member Loan. No Member has the right to propose and fund a Member Loan to fund distributions and/or payments to be made pursuant to Sections 14.1(a), 14.1(b) or 17.2. Notwithstanding anything herein to the contrary, the Managing Member is obligated to make an Operating Deficit Loan during the Operating Deficit Guaranty Period and a MM Loan after the expiration of the Operating Deficit Guaranty Period to fund any Operating Deficits.

4.14 Documentation of Member Loans. At the request of a Member, any Member Loan shall be evidenced by a non-negotiable promissory note or notes reflecting any such Member Loans made during or prior to the preceding calendar quarter. Member Loans shall be unsecured loans by such Member. Except as set forth in Section 4.16, Member Loans shall not be considered Capital Contributions, and shall not increase such Member’s Capital Account.
4.15 **Usury Savings Clause.** Notwithstanding anything to the contrary herein or in any note evidencing a Member Loan, in no event shall interest accrue on any Member Loan at a rate in excess of the highest rate permitted by applicable law.

4.16 **Capital Contribution Alternative.** If a Member which has made or intends to make a Member Loan (a “Lending Member”) reasonably concludes that the operation of the usury savings clause in Section 4.15 will result in a reduction in the interest rate otherwise specified in Article 4, or if the Investor Member reasonably concludes that it may now have or sometime in the future likely will have a negative Capital Account, then the Lending Member may request that its existing or proposed Member Loans be restructured as Capital Contributions. In such event, all the Members shall cooperate to negotiate and execute an amendment to this Agreement (the “Amendment”), at the expense of the requesting Member, which shall include the following terms: (i) each of the Investor Member (or its designee) and the Managing Member has the right to make Capital Contributions pursuant to the Amendment (“Section 4.16 Capital Contributions”) either instead of making IM Loans and MM Loans, respectively, or to fund the concurrent repayment by the Company of IM Loans or MM Loans, respectively; (ii) with respect to such Section 4.16 Capital Contributions, the Member(s) making them shall be entitled to receive (A) guaranteed payments or a preferred return in amounts and at times corresponding to interest payments that would have been due had the Section 4.16 Capital Contributions been made as Member Loans, and (B) distributions as a return of capital in amounts and at times corresponding to principal payments that would have been due had the Section 4.16 Capital Contributions been made as Member Loans; and (iii) Article 14 shall be revised to the maximum extent feasible to provide that such guaranteed payments or a preferred return and return of capital distributions shall have the same amounts, timing, priority of payment and tax consequences as the corresponding payments of Member Loans would have had. Notwithstanding the foregoing, the Investor Member shall have no obligation to consent to any Amendment pursuant to this Section 4.16, which it concludes could adversely affect the timing or amount of the allocation to the Investor Member of Housing Tax Credits, losses, income or gains.

**ARTICLE 5**
**MANAGING MEMBER RIGHTS, DUTIES AND OBLIGATIONS**

5.1 **Management of the Company.** Subject to the terms of this Agreement, the Managing Member shall have the sole and exclusive right to manage the business and affairs of the Company; provided, however, that the Managing Member must do so only so as to accomplish the Purposes of this Company. In so doing, the Managing Member shall take all actions necessary or appropriate to protect the interests of the Investor Member and the Company.

5.2 **Duties and Obligations.**

(a) The Managing Member shall ensure that all requirements shall be met which are necessary to obtain or achieve (i) compliance with the Minimum Set-Aside Test, the HOME Minimum Set-Aside Test, the Rent Restriction Test, and any other requirements necessary for the Apartment Complex to initially qualify, and to continue to qualify, for Housing
Tax Credits, including all applicable requirements set forth in the Extended Use Agreement, (ii) issuance of Forms 8609, (iii) issuance of all necessary permanent, unconditional certificates of occupancy, including all governmental approvals required to permit occupancy of all of the apartment units in the Apartment Complex, (iv) Construction Loan Closing and Conversion; (v) compliance with all material provisions of the Project Documents, (vi) compliance with all provisions contained in the Application, including, without limitation, those as to which the Agency awarded points pursuant to its scoring or award procedures, and (vii) compliance with all provisions contained in the Carryover Allocation.

(b) During the period the Extended Use Agreement is in effect, the Managing Member shall (i) operate the Apartment Complex and cause the Management Agent to manage the Apartment Complex in such a manner that (A) 86.21% of the residential rental units in the Apartment Complex will qualify as “low-income units” under Code Section 42(i)(3), (B) and the Applicable Fraction as defined in Section 42(c) of the Code is at least 84.88%; (ii) operate the Apartment Complex and cause the Management Agent to manage the Apartment Complex in such a manner that no less than eighty percent (80%) of the gross income from the Apartment Complex in every year is rental income from or with respect to dwelling units in the Apartment Complex used to provide living accommodations not on a transient basis (“Units”); (iii) operate the Apartment Complex and cause the Management Agent to manage the Apartment Complex in such a manner that the Apartment Complex will qualify as a “qualified low-income housing project” under Code Section 42(g); (iv) develop and maintain the Apartment Complex as a first class property; and (v) make, or cause to be made, all certifications required by Code Section 42(l).

(c) The Managing Member shall promptly take all action which may be necessary or appropriate for the proper development, construction, maintenance and operation of the Apartment Complex in accordance with the provisions of this Agreement, the Project Documents and applicable laws and regulations including making any required Capital Contributions pursuant to Section 4.1 and as otherwise required by this Agreement.

(d) While conducting the business of the Company, the Managing Member shall not act in any manner which it knows or should have reasonably known after due inquiry will (i) cause the termination of the Company for federal income tax purposes without the Consent of the Investor Member, or (ii) cause the Company to be treated for federal income tax purposes as an association taxable as a corporation.

(e) The Managing Member shall, during and after the period in which it is a Member, provide the Company with such information and sign such documents as are necessary for the Company to make timely, accurate and complete submissions of federal and state income tax returns.

(f) The Managing Member shall use its best efforts to cause the Company to generate Cash Flow for distribution to the Members at the maximum realizable level in view of (i) any applicable Agency and other regulations, (ii) the Minimum Set-Aside Test and the HOME Minimum Set-Aside Test and (iii) the Rent Restriction Test, and, if necessary, the Managing Member shall also use its best efforts to obtain approvals and implementation of appropriate adjustments in the rental schedule of the Apartment Complex.
(g) The Managing Member shall cause the Company to obtain and keep in force, during the term of the Company, insurance in accordance with Exhibit D hereto. The Managing Member shall provide the Investor Member with written evidence of all insurance required by Exhibit D hereto, in each case in form and substance reasonably acceptable to the Investor Member and, for each particular insurance coverage, both (i) within fifteen (15) days after the first day on which such coverage is required by Exhibit D hereto and (ii) from time to time, as the Investor Member may reasonably request. The Managing Member shall provide the Investor Member with Notice of any cancellation, reduction in coverage, or other coverage changes within 15 days of receipt of notice from the insurance provider. The Investor Member shall have the right to acquire any insurance required by Exhibit D at the expense of the Company if the Managing Member fails to do so and such purchase shall not cure the Managing Member’s default hereunder. In addition, the Managing Member shall indemnify and hold the Hunt Indemnified Parties harmless from any loss suffered by the Hunt Indemnified Parties with respect to its investment in the Company and arising out of any uninsured loss suffered by the Company which would have been insured against by one or more of the policies of insurance described on Exhibit D hereto but which lapsed or which were not in force at the time of such loss because the Managing Member did not obtain or keep said policy or policies in force.

(h) The Managing Member has made (if applicable) and shall make such elections, or refrain from making such elections, with respect to the Housing Tax Credits as are necessary to achieve and maintain the maximum allowable Housing Tax Credits to the Investor Member, unless otherwise directed by the Investor Member. Any such elections (including elections made at the direction or with the Consent of the Investor Member) shall not reduce the obligations of the Managing Member pursuant to this Agreement. Notwithstanding the foregoing, the Investor Member must Consent, before any election is made to defer commencement of the Credit Period pursuant to Code Section 42(f)(1). In the event Building One is Placed in Service in 2019, but the Company is unable to deliver all or a portion of the Projected Housing Tax Credits for 2019, the Managing Member may defer the commencement of the Credit Period to 2020 without the Consent of the Investor Member.

(i) The Managing Member shall (i) not store or dispose of (except in compliance with all laws, including all Environmental Laws, ordinances, and regulations pertaining thereto) any Hazardous Material at the Apartment Complex; (ii) neither directly nor indirectly transport or arrange for the transport of any Hazardous Material (except in compliance with all laws, including all Environmental Laws, ordinances and regulations pertaining thereto) to or from the Apartment Complex; (iii) provide the Investor Member with Notice (A) upon any Managing Member’s obtaining knowledge of any potential or known release, or threat of release, of any Hazardous Material at or from the Apartment Complex; (B) upon any Managing Member’s receipt of any Notice to such effect from any federal, state, or other governmental authority by any other Person; and (C) upon any Managing Member’s obtaining knowledge of any incurrence of any expense or loss by any such governmental authority or third party in connection with the assessment, containment, or removal of any Hazardous Material at or from the Apartment Complex or any claim for loss or damage associated with Hazardous Materials at or from the Apartment Complex for which expense or loss the Managing Member may be liable or for which expense or loss a lien may be imposed on the Apartment Complex.
(j) The Managing Member shall use all reasonable efforts to maintain the Apartment Complex and the Land upon which it is located so that there is no discharge, release, spillage, uncontrolled loss or seepage of any oil, petroleum or chemical liquids or solids, liquid or gaseous products or Hazardous Material. The Managing Member shall use all best efforts to maintain the Apartment Complex and the Land so as not to violate any Environmental Laws. If any Hunt Indemnified Party becomes liable with respect to the Apartment Complex under any Environmental Law, the Managing Member shall indemnify and hold harmless such Hunt Indemnified Party (except to the extent attributable solely to direct actions of such Hunt Indemnified Party) for any and all costs, expenses (including reasonable attorneys’ fees necessarily incurred), damages or liabilities to the extent that such Hunt Indemnified Party is required to discharge such costs, expenses, damages, or liabilities in whole or in part. If any claim or loss described in the immediately preceding sentence is brought against any Hunt Indemnified Party, and such Hunt Indemnified Party notifies the Managing Member of the commencement thereof, as soon as practicable but in any event no later than 45 days after receipt of notice by the Investor Member, the Managing Member will be entitled to participate in, and, to the extent that it chooses to do so, to assume the investigation and defense thereof (including the employment of counsel reasonably satisfactory to the Hunt Indemnified Party), and the Managing Member will assume the payment of all fees and expenses relating to such investigation and defense and will have the right to negotiate and consent to settlement thereof provided such settlement expressly and unconditionally releases the Hunt Indemnified Party from all liabilities and obligations with respect to the claim without prejudice and the settlement would not otherwise materially adversely affect the Hunt Indemnified Party. Any one or more of the Hunt Indemnified Parties will have the right to employ separate counsel in any such action and to participate in the defense thereof, but after notice from the Managing Member to such Hunt Indemnified Party of its election to assume the defense thereof, the fees and expenses of such separate counsel will be at the expense of such Hunt Indemnified Party unless (i) the employment of such counsel and the payment of such fees and expenses by the Managing Member has been specifically authorized in writing by the Managing Member, (ii) the Managing Member has not employed counsel to have charge of the defense of such action within a reasonable time after receipt of a request by the Hunt Indemnified Party to assume the defense of the action, or (iii) counsel for such Hunt Indemnified Party or Parties has reasonably concluded that there may be material defenses available to it or them which are different from or additional to those available to the Managing Member and other Hunt Indemnified Parties (in which case, the Managing Member will not have the right to direct the defense of such action on behalf of such Hunt Indemnified Party and the fees and expenses of counsel necessary as a result of the occurrence of the events described in (i), (ii), or (iii) above will be borne by the Managing Member). The Managing Member will not be liable for any settlement of any such action effected without its Consent, but if settled with the Consent of the Managing Member or if there is a final judgment for the plaintiff in any such action as to which the Managing Member has received notice in writing as hereinabove required, the Managing Member agrees to indemnify and hold harmless the Hunt Indemnified Party from and against any loss or liability by reason of such settlement or judgment. The foregoing indemnification shall be a recourse obligation of the Managing Member, and shall survive the Withdrawal of the Managing Member. The Managing Member shall not be liable for any claims that arise from actions of others after its withdrawal or removal as a Managing Member under this Agreement, and no settlement of a claim of loss shall occur without the prior written Consent of the Managing Member.
(k) The Managing Member shall promptly request in writing of each Lender that such Lender provide the Investor Member copies of all notices delivered to the Managing Member or the Company under its Loan, and grant an opportunity for the Investor Member to cure any default under such Loan.

(l) The Managing Member shall cause the Company to maintain tenant deposits in separate accounts, which must be used solely to hold tenant deposits as security for the tenant rents and as security for damages. No funds may be used from such account for any other purpose, including payment of Operating Deficits of the Company.

(m) The Managing Member will execute on behalf of the Company all documents necessary to elect, pursuant to Sections 732, 734, 743, and 754 of the Code, to adjust the basis of the Company’s property upon the request of the Investor Member. The Managing Member shall provide the initial Forms 8609 to the Investor Member within ten (10) days of receipt thereof by the Managing Member. Subject to the Agency providing the same, the Managing Member shall cause the Extended Use Agreement to be recorded in the appropriate real estate records no later than the last day of the year in which the Apartment Complex is Placed in Service.

The Managing Member shall also furnish to the Investor Member within seven (7) Business Days of execution a copy of all amendments or changes to the articles, bylaws, certificates, partnership agreement, operating agreement or other organizational documents of the Managing Member or any Guarantor. (r) If any of the Housing Tax Credit Units fail at any time during the Compliance Period to constitute low-income units or if the Apartment Complex is not in compliance with the requirements contained in Code Section 42, the Managing Member agrees to Notify the Investor Member within three (3) Business Days of its knowledge of such event or occurrence and the Managing Member shall take all actions reasonably necessary to bring the Units or the Apartment Complex, as the case may be, into compliance with the requirements of Code Section 42, such that the Apartment Complex will qualify and continue to qualify for Housing Tax Credits during the Compliance Period as projected.

(xvi) To accept any grants on behalf of the Company.

5.4 **Personal Services.** The Managing Member or any Affiliates thereof shall have the right to contract or otherwise deal with the Company for the sale of goods or services to the Company in addition to those set forth herein, if (a) compensation paid or promised for such
goods or services is reasonable (i.e., at fair market value) and is paid only for goods or services actually furnished to the Company, (b) the goods or services to be furnished shall be reasonable for and necessary to the Company, (c) the fees, terms and conditions of such transaction are at least as favorable to the Company as would be obtainable in an arm’s-length transaction, and (d) the Investor Member has given its Consent to the particular contract or other dealings between the Company and the Managing Member or its Affiliates. Any contract covering such transactions shall be in writing and shall be terminable without penalty on sixty (60) days’ Notice. Any payment made to the Managing Member or any Affiliate for such goods or services shall be fully disclosed to the Investor Member in writing in the reports required under Section 18.7. Neither the Managing Member nor any Affiliate shall, by the making of lump sum payments to any other Person for disbursement by such other Person, circumvent the provisions of this Section 5.4.

5.5 Continued Compliance Sale. Notwithstanding the foregoing, subject to the Purchase Option Agreement commitments in the Application, at any time after the Compliance Period, the Investor Member may request that the Company sell the Apartment Complex subject to the Extended Use Agreement (a “Continued Compliance Sale”)

(a) After receipt of a request for a Continued Compliance Sale, the Managing Member shall use its best efforts to find a third party purchaser for the Apartment Complex and to cause the Company to consummate a sale of the Apartment Complex subject to the Extended Use Agreement and on terms Consented to by the Investor Member. If such efforts are not successful on terms reasonably satisfactory to the Investor Member within six (6) months of the date of the Investor Member’s request, the Investor Member shall have the right thereafter to locate a purchaser for the Apartment Complex. If the Investor Member locates such a purchaser, then the Managing Member shall be obligated to either (i) consent to the sale to such purchaser and execute all documents in connection with such sale or (ii) purchase the Investor Member’s Interest for an amount equal to what the Investor Member would have received for a sale of the Apartment Complex.

(b) At all times after the end of the Compliance Period, the Investor Member shall have the right, exercisable in its sole and absolute discretion, to put its entire Interest to the Managing Member (or its designee) for a price equal to $100.

5.6 Other Activities. Any Investor Member may engage independently or with others in other business ventures of every nature and description including the ownership, operation, management, syndication and development of competing real estate; neither the Company nor any other Member shall have any rights in and to such independent ventures or the income or profits derived therefrom.

5.7 Indemnification of the Managing Member.

(a) No Managing Member nor any Affiliate thereof shall have liability to the Company or to any Investor Member for any loss suffered by the Company which arises out of any action or inaction of such Managing Member or Affiliate thereof if such Managing Member or Affiliate thereof in good faith determined that such course of conduct was in the best interest of the Company and such course of conduct did not constitute gross negligence, misconduct,
fraud or any breach of fiduciary duty of such Managing Member or Affiliate thereof or a breach of this Agreement by such Managing Member or Affiliate thereof.

(b) A Managing Member or any Affiliate thereof shall be indemnified by the Company against losses, judgments, liabilities, expenses and amounts paid in settlement of any claims sustained in connection with the Company, provided that all of the following conditions are met: (i) such Managing Member has determined, in good faith, that the course of conduct which caused the loss, judgment, liability, expense or amount paid in settlement was in the best interests of the Company; and (ii) such loss, judgment, liability, expense or amount paid in settlement was not the result of gross negligence, misconduct, fraud, breach of fiduciary duty on the part of such Managing Member or Affiliate thereof or breach of this Agreement; and (iii) such indemnification or agreement to hold harmless is recoverable only out of the assets of the Company, and not from the Investor Member.

(c) Subject to the provisions of Section 5.7(b), no Managing Member or any Affiliate thereof performing services for the Company shall be indemnified for any losses, liabilities or expenses arising from or out of an alleged violation of federal or state securities laws unless (i) there has been a successful adjudication on the merits of each count involving securities laws violations as to the particular indemnitee and the court approves the indemnification of such litigation costs, (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular indemnitee and the court approves the indemnification of such litigation costs or (iii) a court of competent jurisdiction approves a settlement of the claims against a particular indemnitee and the court finds that indemnification of the settlement and related costs should be made. In any claim for indemnification for federal or state securities law violations, the party seeking indemnification shall, prior to seeking court approval for such indemnification, place before the court the positions of the Securities and Exchange Commission and any applicable state securities administrator with respect to the issue of indemnification for securities law violations.

(d) The Company shall not incur the cost of the portion of any insurance, other than public liability insurance, which insures any party against any liability as to which such party is herein prohibited from being indemnified.

5.8 Indemnification of the Company and the Hunt Indemnified Parties.

(a) The Managing Member shall indemnify, defend and hold harmless the Company and the Hunt Indemnified Parties, and the Company shall indemnify, defend, and hold harmless the Hunt Indemnified Parties, from and against any and all loss, damage and liability, cost or expense (including reasonable attorneys’ fees) which the Company or any Hunt Indemnified Party may incur by reason of the past, present or future actions or omissions of the Managing Member or any of their Affiliates constituting gross negligence, misconduct, fraud, breach of fiduciary duty or a breach or an Event of Default with respect to or under this Agreement; provided, however, that the foregoing indemnification shall not constitute a guaranty of the Loans.
(b) Notwithstanding the foregoing, no Managing Member shall be liable to a Hunt Indemnified Party or the Company for any act or omission for which the Company is required to indemnify such Managing Member under Section 5.7.

(c) The Managing Member shall indemnify, defend, and hold the Company and the Hunt Indemnified Parties harmless from and against any claims, suits, actions, debts, damages, costs, charges, losses, obligations, judgments and expenses of any nature whatsoever (other than actions caused by a third party on property outside of the Apartment Complex over which the Managing Member has no control and about which the Managing Member had no prior knowledge and no ability to prevent or mitigate the impact of those actions on the Apartment Complex) suffered or incurred by the Hunt Indemnified Parties and arising directly or indirectly out of the presence on, under or about the Apartment Complex of any Hazardous Substance, the use, generation, manufacture, storage or disposal of any Hazardous Substance on, under or about the Apartment Complex, or the violation of any Environmental Laws by the Managing Member or its representatives. The Managing Member shall further indemnify and hold harmless the Company and the Hunt Indemnified Parties and their respective Affiliates and successors from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs and expenses including, without limitation, reasonable attorneys’ fees, arising directly or indirectly, in whole or in part, out of a breach of any or all of the representations, warranties and covenants contained in this Agreement. In case such action is brought against any Hunt Indemnified Party, and it notifies the Managing Member of the commencement thereof as soon as practicable, the Managing Member will be entitled to participate in, and, to the extent that it chooses so to do, to assume the investigation and defense thereof (including the employment of counsel reasonably satisfactory to the Hunt Indemnified Party), and the Managing Member will assume the payment of all fees and expenses relating to such investigation and defense and will have the right to negotiate and consent to settlement thereof provided such settlement expressly and unconditionally releases the Hunt Indemnified Party from all liabilities and obligations with respect to the claim without prejudice and the settlement would not otherwise materially adversely affect the Hunt Indemnified Party. Any one or more of the Hunt Indemnified Parties will have the right to employ separate counsel in any such action and to participate in the defense thereof, but after notice from the Managing Member to such Hunt Indemnified Party of its election to assume the defense thereof, the fees and expenses of such separate counsel will be at the expense of such Hunt Indemnified Party unless (i) the employment of such counsel and the payment of such fees and expenses by the Managing Member has been specifically authorized in writing by the Managing Member, or (ii) the Managing Member has not employed counsel to have charge of the defense of such action within a reasonable time after receipt of a request by the Hunt Indemnified Party to assume the defense of the action, (iii) counsel for such Hunt Indemnified Party or Parties has reasonably concluded that there may be material defenses available to it or them which are different from or additional to those available to the Managing Member and other Hunt Indemnified Parties (in which case, the Managing Member will not have the right to direct the defense of such action on behalf of such Hunt Indemnified Party and the fees and expenses of counsel necessary as a result of the occurrence of the events described in (i), (ii), or (iii) above will be borne by the Managing Member). The Managing Member will not be liable for any settlement of any such action effected without its Consent, but if settled with the Consent of the Managing Member or if there is a final judgment for the plaintiff in any such action as to which the Managing Member has received notice in writing as hereinabove required, the Managing Member agrees to indemnify
and hold harmless the Hunt Indemnified Party from and against any loss or liability by reason of such settlement or judgment. In addition to the foregoing indemnification, the Hunt Indemnified Parties may pursue any other available legal or equitable remedy against the Managing Member with respect to the Managing Member’s breach of any of the representations, warranties or covenants contained herein, including, without limitation, the Investor Member’s deferral of the payment of its Capital Contribution pursuant to Section 4.2.

(d) The indemnification rights contained in this Section 5.8 shall be recourse obligations of the Managing Member and shall survive dissolution of the Company and Withdrawal or Involuntary Withdrawal of the Managing Member (except that the Managing Member shall not be liable for claims arising solely from the actions of others after its Withdrawal or Involuntary Withdrawal) and shall be cumulative of, and in addition to, any and all rights, remedies and recourse to which the Hunt Indemnified Parties shall be entitled, whether pursuant to the provisions of this Agreement, at law or in equity.

(e) The Managing Member, on behalf of itself and the Company, hereby waives any and all claims it may now or in the future have against any Lender and the Investor Member relating to the BBVA Loan based in any way upon Lender’s status as an investor in the Investor Member.

5.9 Certain Payments to the Managing Member and Affiliates.

(a) Development Fee. The Company shall pay the Developer the Development Fee on the terms, at the times and in the manner set forth in the Development Agreement. The Development Agreement provides for a Development Fee equal to $1,040,056. No Development Fee shall be paid by the Company upon the occurrence of an Event of Default or the occurrence of an event, which with the giving of notice or the passage of time or both would result in an Event of Default.

(b) MM Incentive Management Fee. The Company shall pay the Managing Member an annual non-cumulative fee payable in arrears (the “MM Incentive Management Fee”), for services commencing at Rental Achievement in connection with the administration of the day-to-day business of the Company in an annual amount not to exceed the lesser of: $40,000 or 7% of Gross Operating Revenue. The MM Incentive Management Fee for each fiscal year of the Company shall be payable from Cash Flow in the manner and priority set forth in Section 14.1(a) and shall be prorated for a partial fiscal year.

(c) Payment of Development Fee and MM Incentive Management Fee. In the event of the occurrence of an Event of Default by the Managing Member under this Agreement, no Development Fee or MM Incentive Management Fee shall be paid, and there shall be no payments on any Operating Deficit Loans, MM Loans, and Excess MM Loans.

5.10 Reserve Accounts.

(a) The Managing Member shall establish and maintain the Replacement Reserve (the “Replacement Reserve”) to provide for working capital needs, improvements, replacements and any other contingencies of the Company as required by the Lenders and/or any Agency. Commencing on the date on which the first building in the Apartment Complex
receives a certificate of occupancy or other license or permit allowing for the occupancy of such first building, the Managing Member shall cause the Company to deposit into Replacement Reserve from its Cash Receipts, the amount of $14,500 annually (the annual amount of contributions to the Replacement Reserve shall be funded in twelve (12) equal monthly payments), which amount shall be adjusted upward each year, commencing on the one year anniversary of the due date for the initial deposit to the Replacement Reserve, by three percent (3%). Following the 10th year of the Compliance Period, and every five (5) years thereafter, the Investor Member shall have the right to require a physical needs assessment for the Apartment Complex at the Company’s expense, which may result in adjustments to the Replacement Reserve. Withdrawals and expenditures from the Replacement Reserve shall be made only with the Consent of the Investor Member and are subject to any written approval which may be required by any Lender or Agency. If the terms of any loan impose more strict requirements regarding the funding and/or use of Replacement Reserve, such more strict requirements shall apply. If the BBVA Lender does not require that it shall hold and control the Replacement Reserve, then the Replacement Reserve shall be deposited at an FDIC commercial member bank selected by the Investor Member, in an account requiring the signature of the Investor Member for any withdrawals (including any interest earned on the account).

(b) The Managing Member shall cause to be established and maintained the Operating Reserve to fund Operating Deficits (the “Operating Reserve”). Concurrently with the Fourth Installment, the Managing Member shall cause the Company to deposit into the Operating Reserve the greater of $236,000 or an amount equal to six months of Operating Expenses and Debt Service Expense, as determined at the time of Rental Achievement and any contributions to the Operating Reserve required by the Agency or any Lender (the “Initial Operating Reserve Amount”). The Operating Reserve shall be deposited at an FDIC commercial member bank selected by the Investor Member, in an account requiring the signature of the Investor Member for any withdrawals (including any interest earned on the account). Withdrawals and expenditures from the Operating Reserve shall be made only with the Consent of the Investor Member, which Consent shall not be unreasonably withheld, conditioned or delayed, and are not subject to any approval by any Lender or Agency. The Investor Member shall facilitate withdrawals without condition or delay, to such extent that the Managing Member requests to use any funds in the Operating Reserve in excess of $118,000 to pay Operating Deficits prior to funding under its Operating Deficit Guaranty; provided, however, that such funds shall not be applied against the Operating Deficit Loan Cap and shall not be available to pay fees to the Management Agent if it is an Affiliate of the Managing Member, the Developer, or Guarantors. Notwithstanding anything to the contrary, the Managing Member shall cause the Company to increase the Operating Reserve from time to time to the extent necessary to cause the Company to comply with all Operating Reserve (or comparable reserve) requirements imposed, from time to time, by any Lender or the Agency. The Operating Reserve shall be maintained from Cash Flow throughout the Compliance Period at an amount equal to or exceeding the Initial Operating Reserve Amount, and shall not be subject to release prior to the end of the Compliance Period. Upon expiration of the Compliance Period, funds in the Operating Reserve shall be distributed pursuant to Section 14.1(a), except to the extent otherwise required by Section 17.2 of this Agreement, provided, however, that no distribution shall be made to the Managing Member pursuant to such sections if an Event of Default has occurred and is continuing under this Agreement. The release of the Operating Reserve shall not require the consent of the BBVA Lender.
(c) [Reserved]

(d) The Managing Member shall establish and maintain the rental achievement reserve (the “Rental Achievement Reserve”) in the amount of the Permanent Loan Shortfall to pay Debt Service Expense on the BBVA Loan in the event the terms of the BBVA Loan and the BBVA Lender do not permit the application of the Permanent Loan Shortfall to the redemption of the BBVA Loan as set forth in Section 8.4. The Rental Achievement Reserve shall be deposited at an FDIC member bank selected by the Investor Member, in an account requiring the signature of the Investor Member for any withdrawals (including any interest earned on the account). The Investor Member shall facilitate withdrawals without condition or delay, to such extent that the Managing Member requests to use any funds in the Rental Achievement Reserve to pay Debt Service Expense on the BBVA Loan to the extent Cash Receipts are not sufficient to pay all Cash Expenditures. Commencing not sooner than the first anniversary of Rental Achievement, the Investor Member shall facilitate annual disbursements from the Rental Achievement Reserve (as Cash Flow in accordance with Section 14.1(a) hereof), with each annual disbursement in an amount up to 1/15th of the original balance of the Rental Achievement Reserve, provided that such annual disbursements shall only be made if each of the following is true: (i) there are no uncured events of default under the Project Documents, and (ii) the annual audited financial statements of the Company for the immediately preceding year demonstrate a Debt Service Coverage Ratio of not less than 1.15 to 1.00 and no accrued trade payable liabilities aged more than thirty (30) days. The Rental Achievement Reserve shall be held through the Compliance Period and shall be released as Cash Flow pursuant to Section 14.1(a) hereof at the end of the Compliance Period, and any remaining balance in the Rental Achievement Reserve upon sale of the Project shall be disbursed as provided in accordance with Section 14.1(b).

5.11 Pledged Payments. To secure the payment and performance by the Managing Member and the Developer to Investor Member of the Managing Member’s obligations under this Agreement and the Developer’s obligations under the Development Agreement, the Managing Member, in accordance with the Managing Member Pledge, hereby collaterally assigns, pledges and grants a security interest to the Investor Member in all right, title and interest the Managing Member has in the right to receive any distributions and payments under this Agreement, payments with respect to Operating Deficit Loans and MM Loans and distributions of Cash Flow and Cash From Capital Transaction, and the Developer, in accordance with the Developer Pledge, hereby collaterally assigns, pledges and grants a security interest to the Investor Member in all right, title and interest the Developer has in the Development Agreement, including, without limitation, any payments of the Development Fee (collectively, the “Pledged Payments”). The Managing Member and the Developer, in accordance with the terms of the Managing Member Pledge and Developer Pledge, respectively, irrevocably direct the Company to pay to the Investor Member any Pledged Payments at any time that there is an unsatisfied obligation secured by the Pledged Payments. The Company and the Members shall treat any Pledged Payments made by the Company to the Investor Member as a payment by the Company to the Managing Member or the Developer, as applicable, of the particular Pledged Payment and a payment by the Managing Member or Developer, to the Investor Member, of the particular obligation which it secures. If there is more than one type of outstanding obligation secured at the time a Pledged Payment is made to the Investor Member, the Investor Member, in its sole discretion shall decide to which secured obligation the Pledged Payments shall be
applied. This Section 5.11 shall constitute a security agreement under the laws of the State. In addition, the Managing Member and the Developer each grant the Investor Member a right of offset against Pledged Payments with respect to all amounts due to the Managing Member under this Agreement and the Developer under the Development Agreement.

5.12 Assignment to Company. The Managing Member hereby transfers and assigns to the Company all of its right, title and interest in and to the Apartment Complex and in and to all of the Project Documents, including, without limitation, the following: (i) all contracts with architects, supervising architects, engineers and contractors with respect to the development of the Apartment Complex; (ii) all plans, specifications and working drawings heretofore prepared or obtained in connection with the Apartment Complex; (iii) all governmental commitments and approvals obtained, and applications therefor, including those relating to planning, zoning, building permits, Housing Tax Credits; (iv) any and all commitments with respect to the Loans; (v) any and all contracts or rights with respect to any agreements with the Lenders and any Agency; and (vi) any other work product related to the Apartment Complex and/or the Company, all of which, with respect to the Managing Member, shall have an agreed to value of $1.00.

5.13 Meetings. Any Member may call meetings of the Company for any matters for which the Investor Member may vote as set forth in this Agreement. Within seven (7) days after receipt of Notice requesting a meeting, which Notice shall state the purpose of a meeting, the Managing Member shall provide the Investor Member with Notice (either in person or by certified mail) of a meeting and the purpose of such meeting to be held on a date not less than ten (10) nor more than twenty (20) days after receipt of said request, at a time convenient to the Investor Member, except in the case of an emergency such meeting to be held within two (2) days after receipt of a request. All meetings shall be held at the principal office of the Company.

5.14 Purchase Option. The Co-Managing Member shall have the right to purchase with respect to the Apartment Complex in accordance with the terms set forth in the Purchase Option Agreement.

(n) Any Managing Member which is a corporation or limited liability company has been duly organized, is validly existing and in good standing under the laws of its state of organization and has all requisite power to be a Managing Member and to perform its duties and obligations as contemplated by this Agreement and the Project Documents. (ii) The Managing Member shall not enter into and has not entered into any contract or agreement with any Affiliate of the Managing Member, any constituent party of the Managing Member, or any Affiliate of any constituent party, except upon terms and conditions that are intrinsically fair and substantially similar to those that would be available on an arm’s length basis with third parties other than any such party.

(ix) The Managing Member has and intends to maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations.

(x) The Managing Member has not and shall not commingle any of its assets, funds or liabilities with the assets, funds or liabilities of any other Person or Affiliate.

(x) The Agency has designated the Apartment Complex as requiring an increase in Housing Tax Credits for financial feasibility under Section 42(d)(5)(B)(v) of the Code so that the Apartment Complex is treated as located in a “difficult development area” under Section 42(d)(5)(B) of the Code. Consequently, the Company will be entitled to increase the Eligible Basis of the buildings comprising the Apartment Complex to one hundred thirty percent (130%) of what it would otherwise be.

Any one or more of the Hunt Indemnified Parties will have the right to employ separate counsel in any such action and to participate in the defense thereof, but after Notice from the Managing Member to such Hunt Indemnified Party of its election to assume the defense thereof, the fees and expenses of such separate counsel will be at the expense of such Hunt Indemnified Party unless (i) the employment of such counsel and the payment of such fees and expenses by the Managing Member has been specifically authorized in writing by the Managing Member, or (ii) the Managing Member has not employed counsel to have charge of the defense of such action within a reasonable time after receipt of a request by the Hunt Indemnified Party to assume the defense of the action, (iii) counsel for such Hunt Indemnified Party or Parties has reasonably concluded that there may be material defenses available to it or them which are different from or additional to those available to the Managing Member and other Hunt Indemnified Parties (in which case, the Managing Member will not have the right to direct the defense of such action on behalf of such Hunt Indemnified Party and the fees and expenses of counsel necessary as a result of the occurrence of the events described in (i), (ii), or (iii) above will be borne by the Managing Member). The Managing Member will not be liable for any settlement of any such action effected without its Consent, but if settled with the Consent of the Managing Member or if there
is a final judgment for the plaintiff in any such action as to which the Managing Member has received Notice as hereinabove required, the Managing Member agrees to indemnify and hold harmless the Hunt Indemnified Party from and against any loss or liability by reason of such settlement or judgment.

(v) The Managing Member, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, agrees that if the Managing Member becomes the subject of Bankruptcy proceedings pursuant to the United States Bankruptcy Code, as it may be amended (the “Bankruptcy Code”), then (i) any other Member shall thereupon be entitled to immediate relief from any automatic stay imposed by Section 362 of the Bankruptcy Code or otherwise, on or against the exercise of the rights and remedies available to such Member pursuant to this Agreement or otherwise, and (ii) any Member may apply or move the bankruptcy court in which the Bankruptcy proceedings are pending for a change of venue to the bankruptcy court where the Company has its principal place of business and the Managing Member agrees not to oppose or object to such application or motion in any way. The foregoing shall in no way preclude, restrict or prevent the Managing Member from filing for protection under the Bankruptcy Code.

(vi) This is an agreement under which applicable law excuses the Investor Member from accepting performance from any Managing Member which is a debtor in a case under the Bankruptcy Code, 11 U.S.C. § 101 et seq., from a trustee of any such debtor and from the assignee of any such debtor or trustee. The Managing Member acknowledges that the Investor Member has entered into this Agreement with the Managing Member in consideration of and in reliance upon its unique knowledge, experience and expertise, and that of its principals in the planning and implementation of the development of the Apartment Complex and in the area of affordable housing and development in general. The foregoing restriction on transfer is based in part on the above factors. The Managing Member expressly agrees that the Investor Member shall not be required to accept performance under this Agreement from any person other than the Managing Member, including, without limitation, any trustee of the Managing Member appointed under the Bankruptcy Code, 11 U.S.C. § 101 et seq., and any assignee of any such trustee or any receiver or examiner appointed under federal or state law.

(vii) Upon the occurrence of an Event of Default, the Company shall withhold payment of any installment of fees payable pursuant to Section 5.9 and the Managing Member shall be liable for the Company’s payment of any and all installments of the Development Fee payable pursuant to the Development Agreement. All amounts so withheld by the Company under this Section 7.2(b)(vii) shall be promptly released to the payees thereof only after the Managing Member has cured the default justifying the withholding, as demonstrated by evidence acceptable to the Investor Member.

(viii) In addition to the foregoing remedies, the Investor Member can take suits, actions or proceedings in equity or at law, either for the specific performance of any covenant or contract contained herein or in aid or execution of any right herein granted, or for any legal or equitable remedy as the Investor Member shall deem most effectual to protect and enforce this Agreement, the Guaranty and the Project Documents.
(c) **Cure.** After Notice from the Investor Member pursuant to Section 7.2(a), the Managing Member shall have the following opportunity to cure only the following Events of Default:

(i) There shall be no cure period with respect to Events of Default described in Section 7.1(a). There shall be no cure period with respect to Events of Default described in any of Sections 7.1(b)(ii) and (iii) (the “No Cure Sections”).

(ii) The Managing Member shall have ten (10) Business Days from the date of the Notice of Default to cure a monetary Event of Default described in Sections 7.1(b)(i), (iv), (vi), (xi), (xvi) and (xvii) in a manner acceptable to the Investor Member in its sole discretion.

(iii) In the case of an Event of Default in Section 7.1(b) that is susceptible of cure, the Managing Member shall have thirty (30) days from the date of the Notice of Default to cure such Event of Default in a manner acceptable to the Investor Member in its sole discretion or, if the Managing Member commences such cure within thirty (30) days from the date of the Notice of Default and proceeds diligently and in good faith to cure such Event of Default, ninety (90) days from the date of the Notice of Default; but only if the failure to cure such Event of Default within such ninety (90) day period does not have, or in the sole judgment of the Investor Member, will not have, a material adverse effect on the Company, the Apartment Complex or the Investor Member.

(iv) With respect to any Event of Default attributable solely to the Co-Managing Member and for which such Event of Default has been cured by the Administrative Member, the Administrative Member shall have the right to replace the Co-Managing Member with another entity Consented to by the Investor Member. With respect to any Event of Default attributable solely to the Administrative Member and for which such Event of Default has been cured by the Co-Managing Member, the Co-Managing Member shall have the right to replace the Administrative Member with another entity Consented to by the Investor Member.

(v) Any cure of an Event of Default by the Investor Member or an Affiliate of the Investor Member shall not constitute a cure by the Managing Member.

7.3 Nonexclusive Remedies. No remedy herein conferred upon or reserved to the Investor Member is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Investor Member to exercise any remedy reserved to it in this Article, it shall not be necessary to give any Notice other than such Notice as may be herein expressly required or as may be required by law.

7.4 Attorney’s Fees and Expenses. If an Event of Default shall exist under this Agreement and the Investor Member employs attorneys or incurs other expenses for the
collection of any amounts due hereunder, or for the enforcement of performance of any obligation or agreement on the part of the Managing Member, Developer or Guarantor, the Managing Member shall upon demand pay to the Investor Member the reasonable fees of such attorneys and such other expenses so incurred.

7.5 Effect of Waiver. In the event any Event of Default is waived by the Investor Member, such waiver shall be limited to the particular Event of Default so waived and shall not be deemed to waive any other Event of Default hereunder. Any such waiver shall only be effective if signed in writing by the Investor Member.

ARTICLE 8

(iii) Cause the full funding of the HOME Loan by Conversion; and

(iv) Fulfill all actions required of the Company to assure that the Apartment Complex satisfies the Minimum Set-Aside Test and the Rent Restriction Test on or before by the end of the first year of the Credit Period.

(b) The Managing Member hereby is obligated to pay all Development Deficits when and as incurred. The Company shall have no obligation to pay any Development Deficits. Any amounts funded by the Managing Member pursuant to this clause (b) shall not be treated as a Capital Contribution or a Member Loan and shall not be repaid by the Company. Such Development Deficits may, at the Managing Member’s election together with the prior Consent of the Investor Member, be paid by the Managing Member, through the deferral of additional Development Fee as set forth in Section 3(b) of the Development Agreement, causing a portion of the unpaid Development Fee then due (not to exceed the lesser of the amount such Development Deficits or the unpaid cash portion of the Development Fee then due to the Developer) to be changed to a Deferred Development Fee in the manner provided in Section 3(b) of the Development Agreement (a “DDF Election”), provided, the Investor Member shall Consent to such deferral only if the Investor Member determines, in its sole discretion, that all of the Deferred Development Fee (including any additional deferral to pay Development Costs) can be repaid by the Company through distributions from the cash flow waterfall under Section 14.1(a) within thirteen years after Rental Achievement, further provided that such Consent shall not be required if the Deferred Development Fee is not necessary to be included in the Eligible Basis in order to generate Projected Housing Tax Credits and the Investor Member’s Capital Account is expected to remain positive throughout the period of eleven (11) taxable years beginning with the first taxable year of the Credit Period.
(c) The Managing Member shall pay any Development Deficits pursuant to Section 8.1 by the earlier of (i) the date required to avoid a default or penalties under Company obligations, including, without limitation, the Loans, (ii) the date required to keep all sources of funding for the Apartment Complex “in balance,” (iii) the date required to keep all expenses without a specific maturity date paid on a sixty (60) day current basis or (iv) such earlier date as may be set forth in this Agreement.

(d) If, as the result of any failure by the Sub-Contractor to fulfill its obligations under that certain agreement between Sub-Contractor and General Contractor with respect to the Apartment Complex, a Development Deficit exists and the Guarantor makes a payment of such Development Deficit under the Guaranty, any liquidated damages payment received by the Partnership under the Construction Contract shall be paid to the Guarantor to the extent the Guarantor makes such a payment.

8.2 Operating Deficit Guaranty. Subject to the Managing Member’s right under Section 5.10(b) to use funds in the Operating Deficit Reserve to pay Operating Deficits, if at any time during the Operating Deficit Guaranty Period, an Operating Deficit shall exist, the Managing Member shall make an Operating Deficit Loan to the Company as shall be necessary to pay such Operating Deficits; provided, however, that the Managing Member shall not be obligated to make an Operating Deficit Loan if and to the extent such loan would cause the aggregate amount of all Operating Deficit Loans then outstanding to exceed six (6) months of Operating Expenses and Debt Service Expense as reasonably determined by the Investor Member upon the achievement of Rental Achievement (the “Operating Deficit Loan Cap”). Any Operating Deficit Loan shall be on the following terms: (a) it shall be unsecured; (b) it shall not bear interest; (c) it shall be repayable solely from Cash Flow and proceeds of a Capital Transaction at the time and in the amounts set forth in Sections 14.1(a), 14.1(b) and 17.2(b) of this Agreement; and (d) it shall be fully subordinated to payment of the Loans, IM Loans, MM Loans and indebtedness of the Company to all Persons other than Members. The Managing Member shall be required to fund Operating Deficits pursuant to this Section 8.2 by the earlier of (A) the date required to avoid a default or penalties under Company obligations, including, without limitation, the Loans, and (B) the date required to keep all expenses without a specific maturity date paid on a sixty (60) day current basis. Proceeds of an Operating Deficit Loan may not be used to pay fees to the Management Agent if it is an Affiliate of the Managing Member, the Developer, or the Guarantors.

8.3 Housing Tax Credit Compliance Guaranty.

(a) If, at any time after the earlier to occur of (i) the date that the Investor Member’s Capital Contribution obligation has been reduced to zero or (ii) the occurrence of an Event of Default, there is a Housing Tax Credit Shortfall other than as a result of a Housing Tax Credit Disallowance Event, the Managing Member shall promptly, but in any event within five (5) calendar days after demand, pay the Investor Member an amount equal to (1) the amount of the Housing Tax Credit Shortfall for the fiscal year immediately preceding the Payment Date, (2) all penalties and interest imposed by the Code and assessed against the Investor Member, by the Service with respect to any Housing Tax Credit Shortfall, and (3) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt from the Managing Member of the amounts specified in the foregoing clauses (1), (2) and this clause (3) (such
calculation to be made assuming the Investor Member is subject to the highest federal and Texas state rate imposed on corporate taxpayers under the Code and applicable state law for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member) together with interest on such amounts at the AFR accruing from such Payment Date if such payments in (i), (ii) and (iii) are not made on the Payment Date. There shall be no duplication between amounts paid under this Section 8.3(a) and amounts reflected as reductions in Capital Contributions (and/or payments by the Managing Member, if applicable) under Section 4.2(d).

(b) If at any time after the earlier to occur of (i) payment of the Investor Member’s Capital Contribution or (ii) the occurrence of an Event of Default, there is a Housing Tax Credit Disallowance Event, the Managing Member shall promptly, but in any event within five (5) days after demand, pay to the Investor Member the sum of the following amounts: (i) the amount of Housing Tax Credits previously allocated to the Investor Member, and subsequently disallowed because of such Housing Tax Credit Disallowance Event; (ii) the “credit recapture amount” (as defined in Code Section 42(j)(2)) allocated to the Investor Member because of such Housing Tax Credit Disallowance Event; (iii) all penalties and interest imposed by the Code and assessed against the Investor Member by the Service with respect to such Housing Tax Credit Disallowance Event; (iv) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt from the Managing Member of the amounts specified in the foregoing clauses (i), (ii), (iii), and this clause (iv) (such calculation to be made assuming the Investor Member is subject to the highest federal and Texas state rate imposed on corporate taxpayers under the Code and applicable state law for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member) together with interest on such amounts at the AFR accruing from such Payment Date if such payments in (i), (ii) and (iii) are not made on the Payment Date. There shall be no duplication between amounts paid under this Section 8.3(a) and amounts reflected as reductions in Capital Contributions (and/or payments by the Managing Member, if applicable) under Section 4.2(d).

(c) If the Investor Member receives a payment under the Housing Tax Credit Compliance Guaranty and the Company has appealed the issue giving rise to such payment (but has not caused a stay of enforcement with respect to such issue), and if the Company prevails on such appeal based on a final ruling by a federal court of competent jurisdiction, then the Investor Member shall refund the excess payment under the Housing Tax Credit Compliance Guaranty which it had received.

(d) If there is a Tax Law Change, the Managing Member shall use its good faith, reasonable efforts to comply with such Tax Law Change and to avoid a Housing Tax Credit Shortfall or Housing Tax Credit Disallowance Event, based on such Tax Law Change. If despite the Managing Member’s good faith, reasonable efforts to comply with the Tax Law Change, such Tax Law Change results in a claim under Section 8.3 (a “Limited Recourse Liability”), then the sole recourse of the Investor Member with respect to the Limited Recourse
Liability shall be to the Pledged Payments (excluding only payments of the Development Fee) and the Managing Member shall have no personal liability for the payment of such Limited Recourse Liability (unless and to the extent it wrongfully received Pledged Payments or otherwise breached this Agreement) that should have been made to the Investor Member in satisfaction of the Limited Recourse Liability.

8.4 **Permanent Loan Funding Guaranty.**

(a) The Managing Member irrevocably and unconditionally guarantees and covenants that in no event shall the principal amount of the BBVA Loan shall result in a Debt Service Coverage Ratio being less than one hundred fifteen percent (115%), as determined by the Investor Member in its reasonable discretion. The principal balance of the permanent phase of the BBVA Loan shall not exceed $2,000,000 and the interest rate shall be fixed at [6.51]% over its eighteen (18) year term (thirty-five (35) year amortization schedule). Upon Conversion, all Loans shall be nonrecourse, except for customary carve-outs.

(b) A “Permanent Loan Shortfall” shall be the amount by which $2,000,000 exceeds the actual principal amount of the BBVA Loan after Conversion, not to exceed the amount which would result in an aggregate Debt Service Coverage Ratio equal to one hundred fifteen percent (115%), as determined by the Investor Member in its sole discretion. The Managing Member shall provide such funds to the Company or, with the Consent of the Investor Member, defer the Managing Member’s portion of the Development Fee to be paid as a Deferred Development Fee, as may be necessary to pay for any Permanent Loan Shortfall before Conversion; provided, the Investor Member shall Consent to such deferral only if the Investor Member determines, in its sole discretion, that all of the Deferred Development Fee (including any additional deferral to pay Development Costs) can be repaid by the Company through distributions from the cash flow waterfall under Section 14.1(a) within thirteen years after the Placed in Service Date, further provided that such Consent shall not be required if the Deferred Development Fee is not necessary to be included in the Eligible Basis in order to allocate Projected Housing Tax Credits to the Investor Member and the Investor Member’s Capital Account is expected to remain positive throughout the period of eleven (11) taxable years beginning with the first taxable year of the Credit Period. Any amounts funded by the Managing Member pursuant to this clause (b) shall not be treated as a Capital Contribution or a Member Loan and shall not be repaid by the Company. The Permanent Loan Shortfall shall be used by the Company to reduce the principal amount of the BBVA Loan to result in an aggregate Debt Service Coverage Ratio of not less than 1.15 to 1.00.

8.5 **Security Documents.** As security for the foregoing guarantees and the other obligations of the Managing Member under this Agreement and the Developer under the Development Agreement and concurrently with the execution of this Agreement, the Managing Member shall cause to be delivered to the Investor Member the following documents: (a) Managing Member Pledge; (b) Developer Pledge; and (c) Guaranty.
ARTICLE 9

(b) In the case of a Managing Member who is an individual, upon the death or adjudication of incompetence of such Managing Member, such Managing Member shall cease to be a Managing Member and shall have no Interest in the Company.

9.2 Admission of Additional Managing Member(s) under Certain Circumstances.

(a) Except as otherwise provided in Article 7, a Person shall be admitted as a Managing Member (the “Additional Managing Member”) of the Company only if the following terms and conditions are satisfied, or waived by the Investor Member:

(i) except as otherwise provided in Article 7 or in the event of the Withdrawal of the Managing Member, the admission of such Person has been consented to by the Managing Member or its successor;

(v) Counsel for the Company has rendered an opinion that the admission of the successor or additional Person is in conformity with the Uniform Act and that none of the actions taken in connection with the admission of the successor Person will cause the termination or dissolution of the Company or will cause it to be classified other than as a limited liability company for federal income tax purposes.

9.3 Effect of Voluntary Withdrawal of Managing Member.
(a) In the event of the Voluntary Withdrawal of the Managing Member, the business of the Company shall be continued by the other Managing Member(s); provided, however, that if the withdrawn Managing Member is then the sole Managing Member, or if such Managing Member withdraws from the Company in contravention of the provisions of Section 9.1 of this Agreement, then the Company shall be terminated, unless within ninety (90) days after receiving Notice of such withdrawal, a majority-in-interest of the other Members elect to designate a successor Managing Member and continue the Company upon the admission of such successor Managing Member to the Company.

(b) If, at the time of the Voluntary Withdrawal of a Managing Member, the withdrawing Managing Member was not the sole Managing Member of the Company, the remaining Managing Member or Managing Members shall immediately (i) give Notice to the Investor Member of such Withdrawal, and (ii) make such amendments to this Agreement and execute and file such amendments or documents or other instruments as are necessary to reflect the disposition of the Interest of the withdrawing Managing Member pursuant to this Section 9.3. The remaining Managing Member or Managing Members are hereby granted an irrevocable power of attorney, coupled with an interest, to execute any or all documents on behalf of the Members and the Company and to file such documents as may be required to effectuate the provisions of this Section 9.3.

(c) Upon a Voluntary Withdrawal, (i) the Managing Member shall cease to have any Interest in the Company, (ii) the Managing Member shall not be entitled to any distributions or allocations from the Company, (iii) the Managing Member shall not be entitled to any repayment of Operating Deficit Loans and (iv) the Managing Member shall not be entitled to any payments of the MM Incentive Management Fee relating to the period of time after the date of its withdrawal. The Managing Member shall be entitled, however, to receive any fees expressly provided for under this Agreement which have been fully earned and accrued prior to the date of Withdrawal, which fee shall be paid when and as specified in this Agreement and shall be entitled to the payment of any MM Loans in the time and manner specified in this Agreement.

(d) If the Managing Member Withdraws from the Company, including, without limitation, an Involuntary Withdrawal, then the Managing Member shall be and shall remain liable for all damages to the Investor Member resulting from the Withdrawal of the Managing Member in breach of this Agreement and for all its obligations and liabilities under this Agreement, including, without limitation, all its liabilities and obligations under Article 5 (including, without limitation, its obligation to make a Managing Member’s Special Capital Contribution in an amount sufficient to pay the Deferred Development Fee on or before the date of such Deferred Development Fee as required to be paid under this Agreement); provided, however, that the Managing Member shall have no liability with respect to any actions or failure to act on the part of any Replacement Managing Member or for claims arising after its removal and not attributable to the former Managing Member’s actions or inactions.

(e) Upon a Voluntary Withdrawal, the Investor Member, or its designee shall, at the sole option of the Investor Member, be admitted as a Replacement Managing Member on the terms set forth in Section 7.2(b)(ii).

ARTICLE 10

10.1 Management of the Company. No Investor Member shall have the right to take part in the management or control of the business of the Company or to transact any business in the name of the Company. No provision of this Agreement which makes the Consent of any Investor Member a condition for the effectiveness of an action taken by the Managing Member is intended and no such provision shall be construed to give any Investor Member any participation in the control of the Company business.

10.2 Limitation on Liability of the Investor Member. The liability of each Investor Member shall be limited to its Capital Contribution as and when payable under the provisions of this Agreement, and as provided under the Uniform Act. The Asset Management Fee shall be payable from Cash Flow and proceeds of a Capital Transaction, in the manner and priority set forth in Article 14 on April 1 of each year. If, however, Cash Flow in any fiscal year is insufficient to pay the full amount of Asset Management Fee, the Asset Management Fee shall accrue without interest and be payable to Hunt until such time there is sufficient Cash Flow in the manner and priority set forth in Article 14. Any Asset Management Fee earned prior to
Rental Achievement shall accrue without interest until Rental Achievement at which time interest shall start to accrue on any unpaid portion.

Any decision required to be made by the majority in interest of the Investor Members shall be made by the Investor Members of any class whose Percentage Interest in the Company exceeds fifty percent (50%) of the Percentage Interests of all Investor Members. The decision of the majority in interest of the Investor Members shall be effective after five (5) days’ Notice has been given to each Investor Member and the occurrence of any of the following: (i) a written document signed by the Investor Members; or (ii) a written document signed by the Investor Members who own more than fifty percent (50%) of the Percentage Interests of the Investor Members.

**ARTICLE 11**

11.1 **Assignment or Pledge of Investor Member Interests.**

(a) The Investor Member shall have the right at any time to make an Assignment of its Interests as follows:

(i) Prior to payment of all of its Capital Contributions:

   (A) to any Person without the Consent or approval of the Managing Member or any other Member, provided that an Affiliate of the Investor Member will serve as the manager or general partner of such Person; and

   (B) to a non-Affiliate with the approval of the Managing Member which approval shall not be unreasonably withheld or delayed.

(ii) After payment of its Capital Contributions:

   (A) to any Person without any restriction.

In connection with the Investor Member’s admission into the Company and acquisition of their respective Interests, the Managing Member acknowledges that the Investor Member intends to assign its Interest subsequent to the Closing Date and may pledge its Interests to the Equity Lender. The Investor Member shall Notify the Managing Member as to any Assignment.

(b) The Investor Member whose interest is being transferred shall pay such reasonable expenses as may be incurred by the Company in connection with such transfer.

(c) The Managing Member shall cooperate with the Investor in facilitating such Assignment by promptly furnishing complete and accurate financial and other relevant data regarding the Company, the Apartment Complex, the Managing Member and Affiliates of the Managing Member and any other matters reasonably necessary in the judgment of the Investor
Member to facilitate such Assignment, including any amendments to this Agreement or the Project Documents so long as such amendments do not materially adversely affect the Managing Member.

(d) Within five (5) days of receipt of notification, the Managing Member shall execute the form of Assignment and shall cause Counsel for the Company, at the Managing Member’s expense, to deliver to the Investor Member an opinion as to the enforceability of such Assignment, if not already provided (the form of such Assignment is attached hereto as Exhibit M).

11.2 Admission of Substitute Investor Member.

(a) Subject to the other provisions of this Article 11, an assignee of the Interest of an Investor Member (which shall be understood to include any purchaser, transferee, donee, or other recipient of any disposition of such Interest) shall be deemed admitted as a Substitute Investor Member of the Company only upon the satisfactory completion of the following:

(i) Consent of the Managing Member (which may not be unreasonably withheld), and the consent of the BBVA Lender, if required, has been given; such Consent of the Managing Member may be evidenced by the execution by the Managing Member of an amended Agreement and/or Certificate evidencing the admission of such Person as an Investor Member pursuant to the requirements of the Uniform Act; provided, however, the Investor Member may transfer its Interest to an Affiliate and to any tax credit syndication fund of which the Investor Member or an Affiliate thereof is the general partner or managing member, pursuant to the Assignment, in the form attached hereto as Exhibit M, without obtaining the consent of Managing Member or any Lender;

(ii) the assignee has accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart thereof or an appropriate amendment hereto, and such other documents or instruments as the Managing Member may reasonably require in order to effect the admission of such Person as an Investor Member; and

(iii) if required by the Act, an amended Agreement and/or Certificate evidencing the admission of such Person as an Investor Member shall be filed.

(b) For the purpose of allocation of profits, losses and credits, and for the purpose of distributing cash of the Company, a Substitute Investor Member shall be treated as having become, and as appearing in, the records of the Company as a Member upon its signing of an amendment to this Agreement agreeing to be bound hereby.

(c) The Managing Member shall cooperate with the Person seeking to become a Substitute Investor Member by preparing the documentation required by this Section and making all official filings and publications. The Company shall take all such action, including the filing, if required, of any amended Agreement and/or Certificate, if obtainable, evidencing the admission of any Person as an Investor Member, bringing forward the effective date of the Title Policy and issuing any new or modified endorsements to the Title Policy that the Substitute Investor Member may require, and the making of any other official filings and publications, as
promptly as practicable after the satisfaction by the assignee of the Interest of an Investor Member of the conditions contained in this Article 11 to the admission of such Person as an Investor Member of the Company. Any cost or expense incurred in connection with such admission (including any transfer taxes) shall be borne by the Substitute Investor Member.

11.3 Rights of Assignee of Limited Liability Company Interest.

(a) Except as provided in this Article 11 and as required by operation of law, the Company shall not be obligated for any purpose whatsoever to recognize the assignment by any Investor Member of its Interest until the Company has received actual Notice thereof.

(b) Any Person who is the assignee of all or any portion of an Investor Member’s Interest, but does not become a Substitute Investor Member, and who desires to make a further assignment of such Interest, shall be subject to all the provisions of this Article 11 to the same extent and in the same manner as any Investor Member desiring to make an assignment of its Interest.

11.4 Equity Lender. The Members acknowledge that the Equity Lender may advance funds to the Investor Member prior to the admission of investors into the funds sponsored by the Investor Member and, to the extent that the Investor Member has loans outstanding from the Equity Lender in order to finance their Capital Contributions, all Members hereby Consent to the admission of the Equity Lender as a Substitute Investor Member if the Equity Lender finds itself in the position of enforcing certain remedies in connection with its loan to the Investor Member. Each Member hereby agrees to cooperate with the Equity Lender, as the Investor Member may from time to time reasonably request, by delivering to the Equity Lender information concerning the Company and documents executed by such Member.

11.5 Funds Sponsored by Investor Member(s). All Members hereby agree to cooperate with the Investor Member, as may be reasonably requested by the Investor Member, in connection with the admission of investors into the funds sponsored by the Investor Member. In addition to such Opinion of Counsel (which Opinion of Counsel shall be at the expense of the Company), if the Investor Member request then the Managing Member shall cause, from time to time, one or more updates to the Opinion of Counsel to be delivered to the Investor Member, which updates shall be at the expense of the Company.

ARTICLE 12
BORROWINGS

12.1 Borrowings. The Company is authorized to receive Operating Deficit Loans, IM Loans and MM Loans on the terms set forth in this Agreement. In addition, if (a) additional funds are required by the Company for any purpose relating to the business of the Company or for any of its obligations, expenses, costs or expenditures, and (b) the Company has not received an Operating Deficit Loan, IM Loan or MM Loan to pay such amounts, then the Company may borrow such funds as are needed from a Person or organization other than a Member in accordance with the terms of this Section 12.1, for such period of time and on such terms as the Managing Member and the Investor Members may agree; provided, however, that no such additional loans shall be secured by any mortgage or other encumbrance on the property of the
Company without the prior approval of the Investor Member and, to the extent required, the Consent of the Agency and/or the Lenders. Nothing in this Section 12.1 shall modify or affect the obligation of the Managing Member to make Operating Deficit Loans and to perform its obligations when and as required by this Agreement.

ARTICLE 13
ALLOCATIONS

13.1  Allocation of Profits, Losses and Housing Tax Credits from Operations. After giving effect to the special allocations set forth in Section 13.4, all profits, losses and Housing Tax Credits incurred or accrued by the Company, other than those arising from a Capital Transaction, shall be allocated to the Members in accordance with the Members’ Percentage Interests.

13.2  Allocation of Profits and Losses From Capital Transactions. After giving effect to the special allocations set forth in Section 13.4, all profits and losses recognized by the Company from a Capital Transaction in any fiscal year shall be allocated in the following manner:

(a)  Profits. (i) First, profits shall be allocated to the Members with negative Adjusted Capital Account balances, that portion of profits (including any treated as ordinary income for federal income tax purposes) which is equal in amount to, and in proportion to, such Members’ respective negative Adjusted Capital Accounts in the Company; provided that no profit shall be allocated under this Section 13.2(a) to a Member once such Member’s Adjusted Capital Account balance is brought to zero and (ii) second, profits in excess of the amount allocated under (i) shall be allocated to the Members in the amounts and to the extent necessary to increase the Members’ respective positive Capital Accounts so that the proceeds distributed in accordance with the Members’ respective positive Capital Account balances under Section 17.2(b)(iv) below will equal the amounts that would have been received if the proceeds were instead distributed under Section 14.1(b)(viii) below.

(b)  Losses. (i) First, losses shall be allocated to the Members in the amount and to the extent necessary so that the proceeds distributed in accordance with the Members’ respective positive Capital Account balances under Section 17.2(b)(iv) below will equal the amounts that would have been received if the proceeds were instead distributed under Section 14.1(b)(viii) below, and (ii) second, any remaining losses shall be allocated to the Members in accordance with the manner in which they bear the economic risk of loss associated with such losses or, if none, to the Members in accordance with their Percentage Interests.

13.3  Determination of Profits and Losses. The terms “profits” and “losses” used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering in to the computation thereof determined in accordance with the method of accounting followed by the Company and computed in accordance with Code Sections 703(a) and 704(b), and Regulation Section 1.704-1(b)(2)(iv). Every item of income, gain, loss, deduction, credit or tax preference entering into the computation of such profits or losses, or applicable to the period during which such profits and losses are allocated to such partner, shall
be considered allocated to each Member in the same proportion as profits and losses are allocated to such Member.

13.4 Special Allocations. Notwithstanding the foregoing provisions of this Article 13:

(a) Recourse Obligations.

(i) If the Company incurs losses from extraordinary events that are not recovered from insurance or otherwise, including casualty losses, losses resulting from liability to third parties for tortious injury, losses resulting from a breach of legal duty by the Company or by the Managing Member, and losses resulting from other liabilities which are not incurred in the ordinary course of business ("Recourse Obligations"), such losses shall be allocated to the Managing Member. Nothing in this Section 13.4(a)(i) shall prevent the Company from recovering an extraordinary loss from a Managing Member who is liable therefor by law or under this Agreement.

(ii) If the Company incurs Recourse Obligations secured by Company property with respect to which the Managing Member or a related person of the Managing Member bears the risk of loss, then except to the extent otherwise required by the Regulations, deductions attributable to the Recourse Obligations shall be allocated to the Members in accordance with their Percentage Interests provided, however, that any such deductions which, if allocated to the Investor Members, would cause or increase a negative balance in their Capital Accounts shall be allocated to the Managing Member. Upon the disposition of such property, any income or gain shall be allocated first to the Managing Member to the extent of any deductions specially allocated to the Managing Member under this Section 13.4(a)(ii) and then to the Members in accordance with their Percentage Interests.

(b) Recapture Allocation. If any profit arises from the sale or other disposition of any Company asset which shall be treated as ordinary income under the depreciation recapture provisions of the Code including, but not limited to, Sections 1245 and 1250, then the full amount of such ordinary income shall be allocated among the Members in the proportions that the Company deductions from the depreciation giving rise to such recapture were actually allocated. If subsequently-enacted provisions of the Code result in other recapture income, no allocation of such recapture income shall be made to any Member who has not received the benefit of those items giving rise to such other recapture income.

(c) Tax Allocations, Section 704(c). Income, gain, loss and deduction with respect to any asset which has a variation between its basis computed in accordance with Regulation Section 1.704-1(b) and its basis computed for federal income tax purposes shall be shared among the Members so as to take account of such variation in a manner consistent with the principles of Section 704(c) of the Code and Regulation Section 1.704-1(b)(2)(iv)(g).

(d) Minimum Gain Chargeback. If there is a net decrease in Company Minimum Gain during a Company taxable year, each Member will be allocated (without duplication of items allocated in 13.4(a) and 13.4(b)) items of income and gain for such year (and, if necessary, subsequent years) in proportion to, and to the extent of, an amount equal to such Member’s share of the net decrease in Company Minimum Gain during the year, before any
other allocation of Company items for such taxable year. A Member shall not be subject to this mandatory allocation of income or gain to the extent that any of the exceptions provided in Regulation Section 1.704-2(f)(2)-(5) apply. All allocations pursuant to this Section 13.4(d) shall be in accordance with Regulation Section 1.704-2(f). This provision is a “minimum gain chargeback” within the meaning of Regulation 1.704-2(f) and shall be construed as such.

(c) **Member Nonrecourse Debt Minimum Gain.** If the Company incurs Member Nonrecourse Liability in which a Member or a related person to the Member bears the risk of loss, then partner nonrecourse deductions (within the meaning of Regulations Section 1.704-2(i)(2)) shall be allocated to such Member. If there is a net decrease in Member Nonrecourse Debt Minimum Gain during a Company taxable year, then each Member with a share of the minimum gain attributable to such debt at the beginning of such year will be allocated items of income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member’s share of the net decrease in Member Nonrecourse Debt Minimum Gain during the year. A Member is not subject to this Member Nonrecourse Debt Minimum Gain chargeback to the extent that any of the exceptions provided in Regulation Section 1.704-2(i)(4) applied consistently with Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Regulation Section 1.704-2(i)(4) under Section 704 of the Code.

(f) **Qualified Income Offset.** If an Investor Member unexpectedly receives (i) an allocation of loss or deduction or expenditures described in Section 705(a)(2)(B) of the Code made (A) pursuant to Section 704(e)(2) of the Code to a donee of an Interest, (B) pursuant to Section 706(d) of the Code as the result of a change in any Member’s Interest or (C) pursuant to Regulation Section 1.751-1(b)(2)(ii) as a result of a distribution by the Company of unrealized receivables or inventory items or (ii) a distribution, and such allocation and/or distribution would cause the negative balance in such Member’s Capital Account to exceed (1) such Member’s share of Company Minimum Gain plus (2) the amount of such Member’s obligation (actual or deemed) to restore a negative balance in such Member’s Capital Account plus (3) such Member’s share of Member Nonrecourse Debt Minimum Gain, then such Member shall be allocated items of income and gain in an amount and manner sufficient to eliminate such negative balance as quickly as possible. For purposes of Section 13.6, a Member’s Capital Account shall be treated as reduced by Qualified Income Offset Items. This provision is a “qualified income offset” under the meaning of Regulation Section 1.704-1(b)(2)(ii)(d)(3) and shall be interpreted and applied in a manner consistent with such Regulation.

(g) **Nondeductible Items.** If any fee payable to any Managing Member or any Affiliate thereof shall instead be determined to be a nondeductible, noncapitalizable distribution from the Company to a Member for federal income tax purposes, then there shall be allocated to such Managing Member in the year(s) of payment an amount of gross income equal to the amount of such distribution in such year(s).

(h) **Member Loans.** If a Member makes any Member Loans pursuant to Article 4, any deductions or losses of the Company attributable to the use of those funds shall be specially allocated to such Member and if there is a repayment of all or part of such funds in any year, such Member shall be allocated in such year an amount of gross income equal to the amount of such repayment.
(i) **Operating Deficit Loans.** Subject to Section 13.4(a), if the Managing Member funds any Operating Deficit Loans pursuant to Section 8.2, any deductions or losses of the Company attributable to the use of those funds shall be specially allocated to the Managing Member, and if there is a repayment of all or part of such funds in any year, the Managing Member shall be allocated in such year an amount of gross income equal to the amount of such repayment.

(j) **Gross Income Allocation for Unanticipated Gross Income.** Notwithstanding any other provision of this Agreement, before any other allocation of gross income and gain is made under this Agreement, in the event that any unanticipated gross income arises from a subsequent recharacterization of a tax reporting position of the Company, it is the intent of the Members that all such gross income shall be allocated to the Managing Member.

(k) **Gross Income Allocation for Unanticipated Fee Recharacterization.** If any fee payable by the Company to any Member or any Affiliate thereof shall instead be determined to be a nondeductible, noncapitalizable distribution from the Company to a Member for federal income tax purposes, then there shall be allocated to such Member in the year of payment an amount of gross income equal to the amount of distribution in such year(s).

(l) **Construction Period Income.** One hundred percent (100%) of the Company’s net taxable income incurred during the Construction Period shall be specially allocated to the Managing Member.

(m) **Nonrecourse Deductions.** “Nonrecourse deductions” (within the meaning of Regulation Section 1.704-2(b)(1)) shall be allocated to the Members in accordance with their Percentage Interests. “Member nonrecourse deductions” (within the meaning of Regulation section 1.704-2(c)) shall be allocated to the Member who bears the economic risk of loss associated with such deductions, in accordance with Regulation Section 1.704-2(i).

13.5 **Authority of the Managing Member to Vary Allocations to Preserve and Protect the Members’ Intent.**

(a) It is the intent of the Members that each Member’s distributive share of profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures and credits (and items thereof) shall be determined and allocated in accordance with this Agreement to the fullest extent permitted by Section 704(b) of the Code. In order to preserve and protect the determinations and allocations provided for in this Agreement, subject to the prior written Consent of the Investor Member, the Managing Member is hereby authorized and directed to allocate profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures and credits (and items thereof) arising in any year differently than otherwise provided for in this Agreement to the extent that allocating profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures or credits (or any item thereof) in the manner provided for herein would cause the determinations and allocations of each Member’s distributive share of profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures or credits (or any item thereof) not to be permitted by Section 704(b) of the Code. Any allocation made pursuant to this Section 13.5 shall be deemed to be a complete substitute for any allocation otherwise provided.
for in this Agreement, and no amendment of this Agreement or approval of any Member shall be required.

(b) In making any allocation under Section 13.5(a) (a “New Allocation”), the Managing Member is authorized to act only after having been advised in writing by the Accountants or the Investor Member that, under Section 704(b) of the Code, (i) the New Allocation is necessary, and (ii) the New Allocation is the minimum modification of the allocations otherwise provided for in this Agreement necessary in order to assure that, either in the then-current year or in any preceding year, each Member’s distributive share of profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures and credits (or any item thereof) is determined and allocated in accordance with this Agreement to the fullest extent permitted by Section 704(b) of the Code.

(c) If the Managing Member is required by Section 13.5(a) to make any New Allocation in a manner less favorable to the Investor Member than is otherwise provided for herein, then the Managing Member is authorized and directed, only after having been advised in writing by the Accountants or the Investor Member that such an allocation is permitted by Section 704(b) of the Code, to allocate profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures and credits (and any item thereof) arising in later years in such manner so as to bring the allocations of profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures and credits (and each item thereof) to the Members as nearly as possible to the allocations thereof otherwise contemplated by this Agreement.

(d) New Allocations made by the Managing Member under Section 13.5(a) and Section 13.5(c) in reliance upon the advice of the Accountants shall be deemed to be made pursuant to the fiduciary obligation of the Managing Member to the Company and the Members, and no such allocation shall give rise to any claim or cause of action by any Member.

13.6 Capital Account.

(a) An individual Capital Account shall be established and maintained on behalf of each Member, including any additional or Substitute Investor Member who shall hereafter receive an interest in the Company. In accordance with Regulation Section 1.704-1(b), the Capital Account of each Member shall consist of (i) the amount of cash such Member has contributed to the Company plus (ii) the fair market value of any property such Member has contributed to the Company net of any liabilities assumed by the Company or to which such property is subject plus (iii) the amount of profits or income (including tax-exempt income) allocated to such Member less (iv) the amount of losses and deductions allocated to such Member less (v) the amount of all cash distributed to such Member less (vi) the fair market value of any property distributed to such Member net of any liabilities assumed by such Member or to which such property is subject less (vii) such Member’s share of any other expenditures which are not deductible by the Company for federal income tax purposes or which are not allowable as additions to the basis of Company property and shall be (viii) subject to such other adjustments as may be required under the Code. Each Member’s Capital Account shall be maintained and adjusted in accordance with the Code and the Regulations. It is the intention of the partners that the Capital Accounts maintained under this Agreement be determined and maintained throughout the full term of this Agreement in accordance with the accounting rules of Regulation Section
1.704-1(b)(2)(iv), and the foregoing provisions shall be interpreted and applied in a manner consistent with such Regulation.

(b) If the Company is liquidated within the meaning of Regulation Section 1.704-1(b)(2)(ii)(g) and if the Managing Member’s Capital Account has a deficit balance (after giving effect to all contributions, distributions and allocations for all taxable years, including the year during which such liquidation occurs), the Managing Member shall make Capital Contributions in the amount of such deficit in compliance with Regulation Section 1.704-1(b)(2)(ii)(b)(3). Notwithstanding the foregoing, if the Company is liquidated within the meaning of Regulation Section 1.704-1(b)(2)(ii)(g) but no event has occurred under Section 17.1 to dissolve the Company, the Company assets shall not be liquidated, the Company’s liabilities shall not be paid or discharged, and the Company’s affairs shall not be wound up.

(c) The original Capital Account established for any Substitute Investor Member shall be in the same amount as, and shall replace, the Capital Account of the Member which such Substitute Investor Member succeeds, and, for the purposes of this Agreement, such Substitute Investor Member shall be deemed to have made the Capital Contribution, to the extent actually paid in, of the Member which such Substitute Investor Member succeeds. To the extent a Substitute Investor Member receives less than one hundred percent (100%) of the Interest of a Member it succeeds, the original Capital Account of such transferee Substitute Investor Member and his Capital Contribution shall be in proportion to the portion of the transferor Member’s Interest prior to the transfer which the transferee receives, and the Capital Account of the transferor Member who retains a portion of its former Interest and its Capital Contribution shall continue, and not be replaced, in proportion to the portion of the transferor Member’s Interest prior to the transfer which the transferor Member retains. Nothing in this Section 13.6 shall affect the limitations on transferability of Interests set forth in Article 11.

13.7 Excess Nonrecourse Liabilities. The Members agree that, except as otherwise determined by the Investor Member pursuant to this Section, the Members’ interests in the Company profits for such purposes of determining such Members’ interests in Company profits for purposes of such Members’ share of the excess nonrecourse liabilities of the Company under Treasury Regulation Section 1.752-3(a)(3) shall be determined by the Members’ allocable share of profits from Section 13.2(a); provided, however, that the Members agree that, upon giving written notice to the Managing Member, the Investor Member shall have the right at any time to cause the Company to use the alternative method under Treasury Regulation Section 1.752-3(a)(3) if the Investor Member reasonably determines that such alternative method would (or could reasonably be expected to) avoid or mitigate any tax or economic detriment to the Investor Member or its Affiliates (as a result of an actual or pending change in law, change in circumstance or otherwise). Without limiting the foregoing, the Managing Member shall provide written notice to the Investor Member no later than 45 days following the close of any taxable year of the Company in which the Investor Member’s adjusted basis in the Company interest is or is reasonably likely to be zero.

15.2 Partnership Representative

(a) Appointment and Designation. The Members hereby authorize the Company to appoint the Co-Managing Member as the initial partnership representative of the Company pursuant to Section 6223(a) of the Code (the “Partnership Representative”). The Partnership Representative shall timely designate, with the Consent of the Investor Member, an individual to serve as the sole individual through whom the Partnership Representative will act for purposes of the Revised Partnership Audit Rules (the “Designated Individual”). The Designated Individual must agree in writing to be bound by the same obligations and restrictions imposed on the Partnership Representative under this Article 15 prior to and as condition of such designation.

(b) Resignation; Revocation. The Company shall revoke the designation of the Co-Managing Member as the Partnership Representative for all taxable years during which such designation was in effect by written notice to the Partnership Representative and the Service: (i) upon withdrawal or removal of the Co-Managing Member for any reason, (ii) upon request of the Investor Member at a time when there exists any Event of Default and any notice of Partnership Adjustment has been issued by the Service, or (iii) upon request of the Investor Member in the event of a default by the Partnership Representative or Designated Individual of its/his/her duties and obligations under this Article 15. The designation of the Designated Individual as the Designated Individual shall automatically terminate on the effective date of the resignation or revocation of the applicable entity as Partnership Representative. If a Designated Individual becomes unable to perform the tasks required of a Designated Individual, no longer has the “capacity to act” within the meaning of the Revised Partnership Audit Rules, or the Partnership Representative otherwise determines that such individual should be removed as the Designated Individual, the Partnership Representative shall promptly notify the Investor Member of such determination and take all necessary actions to effectuate the resignation of such individual as Designated Individual for all applicable taxable years. Notice of any revocation of a Partnership Representative or Designated Individual shall be given to the Service in the time and manner prescribed by the Service and shall include the designation of another Person selected by the Investor Member as the successor Partnership Representative and/or the designation of another Person selected by the Partnership Representative (with the Consent of the Investor Member) as the successor Designated Individual. The resigning or removed Partnership Representative and/or Designated Individual shall remain obligated hereunder in such capacity until the replacement is acknowledged by the Service. The Co-Managing Member hereby constitutes and appoints the Investor Member, with full power of substitution, its true and lawful attorney-in-fact in its name, place and stead to carry out fully the provisions of this Section 15.2(b) and take any action which the Investor Member may deem necessary or appropriate in connection herewith. The power of attorney hereby granted shall be deemed to be coupled with an interest, shall be irrevocable and shall survive and shall not be affected by the subsequent incapacity, dissolution, resignation, revocation or other termination of the Co-Managing Member as the Partnership Representative.

(c) Successor Partnership Representative. Any successor Partnership Representative and/or Designated Individual must satisfy all statutory and regulatory requirements imposed by the Revised Partnership Audit Rules and must agree in writing to be bound by the terms of this Article 15.

Without limiting the generality of the foregoing, the Company immediately shall send to all Affected Members copies of any notice of a proposed or final Partnership Adjustment received by the Company and/or the Partnership Representative from the Service. To the extent requested by the Affected Member and permitted under Treasury Regulations or by the Service or other taxing authority in a particular tax audit or contest, the Partnership Representative shall cooperate in allowing the Affected Member or its representative to participate, at its own expense, in such tax audit or contest.

(e) **Duties and Limitations on Authority.** The Partnership Representative and any Designated Individual shall have all power and authority of a partnership representative and designated individual, respectively, as set forth in Section 6223 of the Code, and shall represent the Company and its Members in all dealings with the Service and state and local taxing authorities. If the Company receives notice of a final Partnership Adjustment from the Service, the Partnership Representative shall so notify the Affected Members, and if requested to do so by the Investor Member, (i) the Partnership Representative shall file a petition for readjustment within the time frame required by Treasury Regulations or Service guidance, and/or (ii) the Partnership Representative shall cause the Company to seek any and all available judicial review of such final Partnership Adjustment as is available under applicable law. Notwithstanding the foregoing, except as specifically provided in Section 15.3 below, the Partnership Representative shall not, without the Consent of the Investor Member (and, in the case of (C), (D) and (F), the Investor Member for the Reviewed Year), have any power or authority to do any or all of the following:

(A) make an election to opt out of the application of the Revised Partnership Audit Rules to the Company;

(g) Indemnification. To the extent of available funds, the Company shall indemnify the Partnership Representative against judgments, fines, amounts paid in settlement and expenses (including attorneys’ fees) reasonably incurred by the Partnership Representative in its capacity as the Partnership Representative, and not its capacity as a Member or a Former Member, in connection with any audit or administrative or judicial proceeding in which the Partnership Representative is involved solely by reason of being the Partnership Representative of the Company, provided that the same were not the result of negligence, misconduct, fraud, breach of fiduciary duty or breach of this Agreement on the part of the Partnership Representative and were the result of a course of conduct which the Partnership Representative, in good faith, reasonably believed to be in the best interests of the Investor Member and within the scope of its authority under this Article 15.

15.3 Modifications and Company Elections

(a) Modifications to Imputed Underpayment. If requested to do so by the Investor Member, the Managing Member shall request modification of an Imputed Underpayment in accordance with any applicable Treasury Regulations, forms, instructions, and other guidance prescribed by the Service. With any such request, the Investor Member shall describe the modifications or adjustment factors that the Investor Member believes affect the calculation of the Imputed Underpayment in sufficient detail to substantiate the request for modification and timely provide all required supporting documents or information.

(b) Amended Returns. If requested to do by the Investor Member, the Partnership Representative shall request a modification of an Imputed Underpayment based on an amended return (or, to the extent permitted by law, any similar statement) filed by a Member (or its owners) that takes account of all of the Partnership Adjustments properly allocable to such Member (or its owners). Any such request shall be accompanied by an affidavit from the requesting Member that each required amended return (or similar statement) has been filed and all Taxes due as a result of taking into account the adjustments in the first affected year and all modification years have been paid, as required by any applicable Regulations, forms, instructions, and other guidance prescribed by the Service.

(c) Push-Out Election. If requested to do so by the Investor Member, the Partnership Representative shall timely make and implement an election (a “Push-Out Election”) under Section 6226 of the Code with respect to an Imputed Underpayment. Except as hereinafter provided, if a Push-Out Election is made, each Reviewed Year Member shall take into account its allocable share of the Partnership Adjustments that relate to the specified Imputed Underpayment (as determined with the Consent of the Investor Member for such Reviewed
(d) **Reimbursement of Allocable Share of Imputed Underpayment.** If the Company becomes obligated to make an Imputed Underpayment under Code Section 6225, each of the Members (including any Former Member) to whom such liability relates (as determined with the Consent of the Investor Member) shall be obligated, within thirty (30) days after written notice from the Managing Member, to pay an amount that, on an After-Tax Basis if such payment is treated as a taxable payment to the Company, is equal to its allocable share of such amount to the Company; *provided, however*, that if and to the extent that the Company’s liability results from a loss, disallowance or recapture of Housing Tax Credits for which a Housing Tax Credit Shortfall Payment is due to such Person and has not been paid, the amount otherwise payable by such Person to the Company under this Section 15.3(d) shall be reduced by the amount of any unpaid Housing Tax Credit Shortfall Payment payable to such Person so that the Company will bear the portion of the Imputed Underpayment equal to such reduction, and such Housing Tax Credit Shortfall Payment shall be paid to the Company and applied to the Imputed Underpayment. Any amount not paid by a Member (or Former Member) within such 30-day period shall accrue interest at Prime Rate plus 2% until paid. MANAGEMENT AGENT

16.1 Appointment of Management Agent. The Managing Member shall cause the Company at all times during which the Company owns the Apartment Complex to engage a Management Agent subject to the approval of the Investor Member in its sole discretion (which may be a Managing Member or an Affiliate thereof if approved by the Investor Member in its sole discretion, and if approved by the Lenders and by the Agency, to the extent such approval by a Lender and/or the Agency is required) to provide management services for the Company with respect to the Apartment Complex pursuant to a Management Agreement meeting the requirements of this Agreement. Accolade Property Management, Inc. is approved as the initial Management Agent. Such engagement shall occur no later than the date on which the first certificate of occupancy for any unit in the Apartment Complex is issued and shall continue thereafter for so long as the Company owns the Apartment Complex. Concurrently with execution of the Management Agreement, the Management Agent shall execute and deliver to
the Company and the Investor Member consent in the form attached hereto after the signature pages of the Members.

16.2 Management Agreement. The Management Agreement shall be subject to the Consent of the Investor Member in its sole discretion and, unless the Investor Member otherwise Consents, must satisfy the following terms and conditions: (a) the Company shall pay the Management Agent a monthly Management Fee not to exceed the greater of (a) five percent (5%) of the Gross Operating Revenues (as defined in the Management Agreement) of the Apartment Complex for the month preceding payment and (b) $2,000 per month; and (b) the Management Agreement must have a term which does not exceed one (1) year and provide that it is terminable by the Company on thirty (30) days’ Notice by the Company without cause. Notwithstanding the foregoing, if at any time the Management Agent is an Affiliate of any Managing Member, Guarantor or Developer, payment of the Management Fee shall be subordinated to payment of Operating Expenses, Debt Service Expenses and funding of any reserve required under this Agreement, and any portion of the Management Fee which is not paid shall accrue without interest and be paid from available Cash Flow in accordance with Section 14.1(a) hereof. If the Management Agent is an Affiliate of the Managing Member, the Developer or the Guarantors, then the Management Fee shall not be paid from either the Operating Reserve or an Operating Deficit Loan.

16.3 Removal of Management Agent. If (a) the Apartment Complex shall be subject to a building code violation the Investor Member shall deem material and which shall not have been timely cured after notice from the applicable agency or department; (b) an Event of Bankruptcy shall occur with respect to the Management Agent; (c) the Management Agent shall commit misconduct or negligence in the performance of its duties and obligations under the Management Agreement, or fails to promptly and competently perform (after any applicable notice and cure period) all duties of the Management Agent under the Management Agreement or materially mismanage the Apartment Complex; (d) the Managing Member Withdraws; (e) there is change in ownership of the Managing Member without the Consent of the Investor Member; (f) the Management Agent is cited by any Agency for a violation or alleged violation of any applicable rules, regulations or requirements, including noncompliance with the Minimum Set-Aside Test, the HOME Minimum Set-Aside Test or any other Lender or Set-Aside Test, the Rent Restriction Test or any other Housing Tax Credit-related provision; (g) from or after Rental Achievement, the Company experiences Operating Deficits (prior to the effect of subordinating payment of the Management Fee, if applicable) for six (6) consecutive months; (h) the Company’s actual Housing Tax Credits are less than 95% of the Projected Housing Tax Credits or the Revised Projected Housing Tax Credits, as applicable, (i) the Management Agent fails to comply with any applicable compliance rule, recordkeeping and/or reporting requirement under Section 42 of the Code and the Regulations, rulings and policies related thereto (which is not timely cured); or (j) the Investor Member funds Default IM Loans or Excess IM Loans, then, upon Notice from the Investor Member and subject to any Lender or Agency approval, if required, the Managing Member must cause the Company to promptly terminate the Management Agreement with the Management Agent.

16.4 Replacement of Management Agent. Upon termination of the Management Agreement with the Management Agent, the Managing Member shall appoint a new Management Agent which is not an Affiliate of the Managing Member, Developer or Guarantor,
subject to the Consent of the Investor Member, to the extent required, the Lenders, and on the terms set forth in Section 16.2.

(a) the Withdrawal of the Managing Member who is at that time the sole Managing Member, subject to the provisions of Section 7.2(b)(ii), unless a majority in Interest of the other Members, within ninety (90) days after receiving Notice of such withdrawal, Bankruptcy, death, dissolution or adjudication of incompetence, elects to designate a successor Managing Member(s) and continue the Company upon the admission of such successor Managing Member(s) to the Company;

(b) the sale or other disposition of all or substantially all of the assets of the Company or liquidation as defined in Treasury Regulation Section 1.704-1(b)(2)(ii)(g);

(c) the election by the Managing Member, with the Consent of a majority in interest of the other Members; or

(d) any other event causing the dissolution of the Company under the laws of the State.

17.2 Winding Up and Liquidation.

(a) Upon the dissolution of the Company pursuant to Section 17.1, (i) a Certificate of Cancellation shall be filed in such offices within the State as may be required or appropriate, and (ii) the Company business shall be wound up and its assets liquidated as provided in this Section 17.2.

(b) The net proceeds resulting from the dissolution and liquidation of the Company shall be distributed and applied in the following order of priority:

(i) to the payment of all debts and liabilities of the Company (including amounts due pursuant to all Loans and all expenses of the Company incident to any such dissolution and liquidation), other than its Members and Affiliates;

(ii) to the payment of debts and liabilities (including unpaid fees) owed to the Members or their Affiliates by the Company for Company obligations (limited to those debts that have been Consented to by the Investor Member as provided in this Agreement); provided, however, that the foregoing debts and liabilities owed to the Members and their Affiliates shall be paid or repaid, as applicable, in the following order of priority, if and to the extent applicable: (A) to the payment of any amounts owing to the Investor Member or other Hunt Indemnified Parties by reason of any unpaid indemnification or guaranty obligation of the Managing Member pursuant to this Agreement or of the Guarantors pursuant to the Guaranty; (B) to the payment of any outstanding Excess IM Loan Amount until paid in full, then to the

Notwithstanding the provisions of Section 17.2 or any other provision of this Agreement, except as otherwise elected by the Investor Member pursuant to Section 4.2(c)(ii) or this Section 17.3, the Investor shall not have any obligation to restore any deficit in its Capital Account upon the liquidation of the Company. Notwithstanding the foregoing, or anything to the contrary contained in this Agreement, the Investor Member may from time to time elect to be obligated to restore a deficit in its Capital Account up to a limited dollar amount. Such election shall be made by the Investor Member’s delivery of a Notice of election to the Managing Member no later than April 15 following the taxable year for which such election is to be effective and shall specify the dollar amount of the deficit in its Capital Account that the Investor Member agrees to restore. Such election shall be irrevocable and shall be binding on subsequent transferees of the Investor Member’s Company Interest.

17.4 Filing of Certificate of Dissolution. The Liquidator shall file all certificates and notices of the dissolution of the Company required by law. The Liquidator shall proceed without any unnecessary delay to sell and otherwise liquidate the Company’s property and assets; provided, however, that if the Liquidator shall determine that an immediate sale of part or all of the Company property would cause undue loss to the Members, then in order to avoid such loss, the Liquidator may, except to the extent provided by the Uniform Act, defer the liquidation as may be necessary to satisfy the debts and liabilities of the Company to Persons other than the Members. Upon the complete liquidation and distribution of the Company assets, the Members shall cease to be Members of the Company, and the Liquidator shall execute, acknowledge and cause to be filed all certificates and notices required by the law to terminate the Company. Upon the dissolution of the Company pursuant to Section 17.1, the Accountants shall promptly prepare, and the Liquidator shall furnish to each Member, a statement setting forth the assets and liabilities of the Company upon its dissolution. Promptly following the complete liquidation and distribution of the Company property and assets, the Accountants shall prepare, and the Liquidator shall furnish to each Member, a statement showing the manner in which the Company assets were liquidated and distributed.

A list of the names and addresses of all of the Members shall be maintained as part of the books and records of the Company and shall be mailed to any Member upon request. The Company may charge reasonable costs for duplication and mailing.

18.2 Bank Accounts. Except as provided in Section 5.10 with respect to the Operating Reserve, the bank accounts of the Company shall be maintained in the Company’s name with one commercial bank as the Managing Member shall determine with the reasonable Consent of the Investor Member; provided, however, that no such account may be held in a bank which is an Affiliate of the Managing Member unless the Consent of the Investor Member shall have been received with respect thereto. Withdrawals shall be made only in the regular course of Company business on such signature or signatures as the Managing Member may determine. All deposits (including security deposits and other funds required to be escrowed by any Lender or Agency) and other funds not needed in the operation of the business shall be deposited, in the following: (a) cash deposits (including certificates of deposits) at commercial banks; (b) obligations of the United States or any State or Municipality, thereof, that have an initial or remaining term of 60 days or greater; or (c) money market mutual funds that are registered investment companies under the Investment Company Act of 1940. To the extent the Managing Member seeks to invest in either (b) or (c), it agrees that it will hold such instrument for at least 60 days following such purchase prior to sale. The Managing Member agrees that it will monitor any investments to ensure that they comply with the aforesaid requirements and will promptly notify the Investor Member in the case of any instances of non-compliance have been detected. The Managing Member shall not be obligated to maximize the interest rates received on Company funds. Tenant security deposits shall be maintained in a bank account separate from any other bank accounts. The tenant security deposit account shall be maintained with a balance equal to the corresponding liability, and shall in all other respects comply with applicable laws.

(b) The Accountants shall audit and certify all annual financial reports to the Members in accordance with generally accepted auditing standards, and shall deliver a draft of such financial reports not later than February 28 of each year and a final version of such financial reports not later than March 31.

If the Managing Member has not designated replacement Accountants within ten (10) days of the Notice from the Investor Member to replace the Accountants, then the Investor Member shall appoint replacement Accountants of its own choosing, the cost of which shall be borne by the Company as a Company expense. All Members hereby grant to the Investor Member a special power of attorney, irrevocable to the extent permitted by law, coupled with an interest, to so appoint replacement Accountants and to do anything else which in the view of the Investor Member may be necessary or appropriate to accomplish the purpose of this Section 18.3(c).

18.4 Cost Recovery and Elections.

(a) Except as otherwise required in Section 5.2(oo), the Managing Member shall also cause the Company to make an election to be treated as an “electing real property trade or business” under Section 163(j)(7)(B) of the Code and will cause the Company to use the Alternative Depreciation System (ADS) to the extent required by such election. The Managing Member shall also cause the Company to use “bonus” depreciation to the extent not inconsistent with the foregoing.

(b) Subject to the provisions of Section 18.5, all other elections required or permitted to be made by the Company under the Code shall be made by the Managing Member with the Consent of the Investor Member.

18.5 Special Basis Adjustments. 3. Development Fee.

(a) For services performed and to be performed under Sections 1 and 2 of this Agreement, the Company shall pay the Developer a Development Fee in the aggregate amount of One Million Forty Thousand Fifth-Six Dollars ($1,040,056) as its sole compensation for the performance of its services under and in connection with this Agreement. Payment of the Development Fee shall be subject to the terms and conditions of the Operating Agreement. Subject to the terms of the Operating Agreement, the Company shall pay the Development Fee as follows: (i) $245,000 (of which 60% shall be paid to Saigebrook and 40% shall be paid to O-SDA) of the Development Fee shall be paid solely from the Cash Flow of the Company available pursuant to Section 14.1(a) of the Operating Agreement, from Cost Savings pursuant to Section 14.2, and from proceeds of the dissolution and liquidation of the Company pursuant to Section 17.2(b)(ii)(D) of the Operating Agreement (the “Deferred Development Fee”); (ii) $250,000 (of which 60% shall be paid to Saigebrook and 40% shall be paid to O-SDA) of the Development Fee shall be paid at the time the Investor Member makes the First Installment, (iii) $250,000 (of which 60% shall be paid to Saigebrook and 40% shall be paid to O-SDA) of the Development Fee shall be paid at the time the Investor Member makes the Third Installment, (iv) $250,000 (of which 60% shall be paid to Saigebrook and 40% shall be paid to O-SDA) of the Development Fee shall be paid at the time the Investor Member makes the Fourth Installment, (v) $50,000 (of which 60% shall be paid to Saigebrook and 40% shall be paid to O-SDA) of the Development Fee shall be paid at the time the Investor Member makes the Fifth Installment. The Development Fee, including but not limited to any Deferred Development Fee, shall be paid 60% to Saigebrook and 40% to O-SDA, on a pro rata basis.

(b) Notwithstanding the foregoing, if, at any time prior to the payment of the Development Fee in full, including the Deferred Development Fee, there are Development Deficits required to be paid to Saigebrook and O-SDA by the Managing Member pursuant to Section 8.1(b) of the Operating Agreement, the Developer and the Company agree that the Managing Member shall have the right, with the Consent of the Investor Member, to elect to fund such Development Deficits by causing the Company and the Developer to change some or all of the cash portion of the Development Fee that would otherwise be paid to Saigebrook and
O-SDA in accordance with Sections 3(a)(ii) through (v) above (but in no event to exceed the lesser of $[572,717] or the unpaid cash portion of the Development Fee) into Deferred Development Fee (a “DDF Election”); provided, the Investor Member shall Consent to such deferral if the Investor Member determines, in its sole discretion, that all of the Deferred Development Fee (including any additional deferral to pay Development Costs) can be repaid by the Company through distributions from the cash flow waterfall under Section 14.1(a) within thirteen years after the Placed in Service Date, further provided that such Consent shall not be required if the Deferred Development Fee is not necessary to be included in the Eligible Basis in order to generate the Projected Housing Tax Credits and the Investor Member’s Capital Account is expected to remain positive throughout the period of eleven (11) taxable years beginning with the first taxable year of the Credit Period. Any Deferred Development Fee resulting from a DDF Election shall be paid in accordance with Section 3(a)(i) hereof and the payments to Saigebrook, O-SDA shall be adjusted pro rata. In no event shall the total amount of the Development Fee be increased as a result of such DDF Election.

(c) No interest shall accrue on the outstanding Deferred Development Fee (including, without limitation, any Deferred Development Fee resulting from a DDF Election). All payments made to the Deferred Development Fee shall be applied to the outstanding balance of the Deferred Development Fee until the Deferred Development Fee is paid in full. Any outstanding balance shall be payable by the earlier of thirteen (13) years following the Placed in Service Date or the date of liquidation of the Company.

(d) Notwithstanding the timing of the payment of the Capital Contributions of the Investor Member, in any event the Company shall pay the entire earned and accrued amount of the Development Fee (other than the Deferred Development Fee including, without limitation, any Deferred Development Fee resulting from a DDF Election) within three (3) years from the date of this Agreement.

(e) For those services performed on or before the Closing Date, as set forth in Section 2 hereof, twenty percent (20%) of the Development Fee shall be deemed earned as of such date. The balance of the Development Fee shall be earned during construction proportionate to the percentage of completion of construction, with the entire Development Fee earned upon issuance of certificates of occupancy for all buildings in the Apartment Complex.

4. Developer Guaranty of Costs of Construction. The Developer warrants that the aggregate costs to the Company for the items includable in Development as identified on the Development Budget shall not exceed the aggregate amounts for such items reflected on the Development Budget (the “Developer Cost Guaranty”). If the aggregate costs to the Company for the items includable in Development Costs exceed the aggregate amount for such items reflected in the Development Budget and such excess costs cannot be funded by Permitted Sources, including DDF Election, the Developer shall pay such excess when and as incurred. Any amounts paid by the Developer pursuant to this Section 4 shall not be repaid by the Company, shall not be credited to the Capital Amount of any Member, or otherwise change the interest of any Person in the Company, but shall be bound by the Developer under the terms of this Agreement.
5. **Withholding of Fee Payments.** If (a) the Developer or the Managing Member, or any successor Managing Member, shall not have substantially complied with any material provisions under this Agreement and the Operating Agreement, (b) an Event of Default has occurred under the Operating Agreement, (c) any financing commitment of any Lender or any agreement entered into by the Company for financing related to the Apartment Complex shall have terminated prior to its respective termination date(s), or (d) foreclosure proceedings have been commenced against the Apartment Complex, or against any apartment complex owned by an Affiliated Entity, then the Developer shall be in default of this Agreement, and the Company shall withhold payment of any installment of the fee payable to the Developer pursuant to Section 3 of this Agreement. All amounts so withheld by the Company under this Section 5 shall be promptly released to the Developer only after the Developer has cured the default justifying the withholding, as demonstrated by evidence reasonably acceptable to the Investor Member. Either Saigebrook or O-SDA shall be entitled to effect such cure on behalf of the Developer.

6. **Assignment of Fees.** The Developer shall not assign, pledge or otherwise encumber, for security or otherwise, the Development Fee set forth above to be made by the Company, or any portion(s) thereof or any right(s) of the Developer thereto, without the Consent of the Investor Member.

7. **Reserved.**

8. **Successors and Assigns.** This Agreement shall be binding on the parties hereto, their heirs, successors and assigns. However, this Agreement may not be assigned by any party hereto without the Consent of the Investor Member, nor may it be terminated without the Consent of the Investor Member.

9. **Termination.** If the Managing Member withdraws from the Company for any reason whatsoever, including the removal of the Managing Member pursuant to Section 7.2 of the Operating Agreement, this Agreement shall terminate effective on the date of such withdrawal (an “Early Termination”) unless the Company and the Investor Member otherwise elect in writing. If an Early Termination occurs, then Developer shall not be entitled to any payments of the Development Fee and the Developer shall forfeit as additional damages any Development Fee which has not been paid as of the date of such Early Termination. If an Early Termination occurs, the Developer shall remain liable for all damages, liabilities and claims (“Claims”) arising under or in connection with this Agreement which are based on acts or omissions prior to the date of such termination, including Claims which do not become manifest until after the date of such termination. The Developer shall have no right to terminate this Agreement without the Consent of the Company and the Investor Member, which Consent may be withheld in the sole discretion of any party. The Developer shall have no right to terminate this Agreement without the Consent of the Company and the Investor Member and both Saigebrook and O-SDA, which Consent may be withheld in the sole discretion of any party.

10. **No Lien Filings.** The Developer hereby represents, warrants and covenants that neither it nor its Affiliates shall file a mechanic’s lien, materialmen’s lien or other lien against the Apartment Complex or any other assets of the Company, and hereby waives and releases any right it may have or may hereafter acquire to file such a lien against the Apartment Complex or any other assets of the Company. The Developer shall indemnify and hold harmless the
Company and the Investor Member from any losses, damages, and/or liabilities, to or as a result of a breach of this provision.

11. **Separability of Provisions.** Each provision of this Agreement shall be considered separable and if for any reason any provision which is not essential to the effectuation of the basic purposes of this Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement which are valid.

12. **Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed to be an original copy and all of which together shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties shall not have signed the same counterpart.

13. **Waiver of Jury Trial.** EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (a) ARISING UNDER THIS DEVELOPMENT AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY PRESENT OR FUTURE AMENDMENT HEREOF, OR (b) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF ANY RIGHT THEY MIGHT OTHERWISE HAVE TO TRIAL BY JURY.

14. **No Continuing Waiver.** The waiver by any party of any breach of this Agreement shall not operate or be construed to be a waiver of any subsequent breach.

15. **Applicable Law.** This Agreement shall be construed and enforced in accordance with the laws of Texas.

16. **Third Party Beneficiary.** The Investor Member is a third party beneficiary of this Agreement, and the Company and the Developer hereby expressly agree that any amendment to this Agreement shall not be effective unless and until same is Consented to by the Investor Member.

D. The Investor Member has been requested to enter into the Operating Agreement and the Company with the Managing Member.

E. Each Guarantor is, or is an Affiliate of, the Managing Member and/or the Developer, and believes it shall substantially benefit, directly or indirectly, from the Investor Member entering into the Operating Agreement and the Company with the Managing Member.

F. As a condition to entering into the Operating Agreement and the Company, the Investor Member has required the Guarantors to jointly and severally guarantee to the Investor Member certain of the obligations of the Managing Member under the Operating Agreement, of the Developer under the Development Agreement and certain other items as herein set forth.

NOW, THEREFORE, in order to induce the Investor Member to enter into the Operating Agreement and the Company in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor, in his, her or its respective individual and/or fiduciary capacity, hereby jointly and severally covenants and agrees as follows:

1. Each Guarantor irrevocably and unconditionally fully guarantees the due, prompt and complete performance of each and every one of the following obligations: (a) the payment and performance by the Managing Member of each and every obligation of the Managing Member due under Sections 4.2(d), 5.2(i), 5.2(j), 5.2(cc), 5.8(a), 5.8(c), 5.10(b), 5.10(d), 7.2(b)(iv), 8.1, 8.2, 8.3, and 8.4 of the Operating Agreement; (b) the payment and performance by the Managing Member of each and every obligation of the Managing Member under the Operating Member
Pledge; and (c) the due, prompt and complete payment of all costs and expenses (including, without limitation, reasonable attorneys’ fees) incurred by the Investor Member in collection of the enforcement of this Guaranty against the Guarantors (the obligations described in this Paragraph 1 are hereinafter collectively referred to as the “Indebtedness”).

2. Each Guarantor hereby grants to the Investor Member, in the sole discretion of the Investor Member, and without notice to any Guarantor, the power and authority to deal in any lawful manner with the Indebtedness and the other obligations guaranteed hereby, and without limiting the generality of the foregoing, further power and authority, from time to time:

(a) to renew, compromise, extend, accelerate or otherwise change the time or place of payment of or to otherwise change the terms of the Indebtedness;

(b) to modify or to waive any of the terms of the Operating Agreement, the Development Agreement and/or any other obligations guaranteed hereby;

(c) to take and hold security for the payment of the Indebtedness and/or performance of the other obligations guaranteed hereby and to impair, exhaust, exchange, enforce, waive or release any such security;

(d) to direct the order or manner of sale of any such security as the Investor Member, in its sole discretion, may determine;

(e) to grant any indulgence, forbearance or waiver with respect to the Indebtedness or any of the other obligations guaranteed hereby;

(f) to release or waive rights against any one or more Guarantors without releasing or waiving any rights against any other Guarantor; and/or

(g) to agree to any valuation by the Investor Member of any collateral securing payment of any of the Indebtedness in any proceedings under the United States Bankruptcy Code concerning the Investor Member or the Guarantors.

The liability of each Guarantor hereunder shall not be affected, impaired or reduced in any way by any action taken by the Investor Member under the foregoing provisions or any other provision hereof, or by any delay, failure or refusal of the Investor Member to exercise any right or remedy either may have against the Managing Member or any other person, firm or corporation, including other guarantors, if any, liable for all or any part of the Indebtedness or any of the other obligations guaranteed hereby.

3. Prior to Completion, the Guarantors will maintain collectively at least $1,000,000 in Liquid Assets. From the date of Completion through and including the Rental Achievement, the Guarantors will maintain collectively at least $500,000 in Liquid Assets. The Managing Member shall Notify the Investor Member whenever the requirements of this Section 3 are not satisfied.
4. On or before ninety (90) days after the expiration of each fiscal year of each Guarantor, such Guarantor shall send to the Investor Member copies of the balance sheet and income statement of such Guarantor for such fiscal year.

5. The Guarantors agree that if any of the Indebtedness is not fully and timely paid or performed according to the tenor thereof, whether by acceleration or otherwise, the Guarantors shall immediately upon receipt of written demand therefor from the Investor Member pay all of the Indebtedness hereby guaranteed in like manner as if the Indebtedness constituted the direct and primary obligation of the Guarantors. The Guarantors shall not have any right of subrogation as a result of any payment hereunder or any other payment made by the Guarantors or a Guarantor on account of the Indebtedness, and each Guarantor hereby waives, releases and relinquishes any claim based on any right of subrogation, any claim for unjust enrichment or any other theory that would entitle a Guarantor to a claim against the Managing Member based on any payment made hereunder or otherwise on account of the Indebtedness until the Indebtedness is paid in full.

6. This Guaranty and the obligations of the Guarantors hereunder shall be continuing and irrevocable until the Indebtedness has been satisfied in full. Notwithstanding the foregoing or anything else set forth herein, and in addition thereto, if at any time all or any part of any payment received by the Investor Member from a Guarantor under or with respect to this Guaranty is or must be rescinded or returned for any reason whatsoever (including, without limitation, determination that said payment was a voidable preference or fraudulent transfer under insolvency, bankruptcy or reorganization laws), then Guarantors’ obligations hereunder shall, to the extent of the payment rescinded or returned, be deemed to have continued in existence, notwithstanding such previous receipt of payment by the Investor Member, and Guarantors’ obligations hereunder shall continue to be effective or be reinstated as to such payment, all as though such previous payment to the Investor Member had never been made. The provisions of the foregoing sentence shall survive termination of this Guaranty, and shall remain a valid and binding obligation of each Guarantor until satisfied.

7. Each Guarantor hereby waives notice of acceptance of this Guaranty by the Investor Member, and this Guaranty shall immediately be binding upon each Guarantor. Any Guarantor who executes this Agreement shall be fully bound hereby regardless of whether or not any other Guarantor subsequently executes this Guaranty.

8. Each Guarantor hereby waives and agrees not to assert or take advantage of:

(a) any right to require the Managing Member or the Company to proceed against any other person or to proceed against or exhaust any security held by the Managing Member or the Company at any time or to pursue any other remedy in the Managing Member’s or Company’s power before proceeding against any one or more Guarantors hereunder;

(b) any right to require the Investor Member to proceed against the Managing Member or any other person or to proceed against or exhaust any security held by the Investor Member at any time or to pursue any other remedy in the power of the Investor Member before proceeding against any one or more Guarantors hereunder;
(c) the defense of the statute of limitations in any action hereunder or in any action for the collection of the Indebtedness or the performance of any other obligations guaranteed hereby;

(d) any defense that may arise by reason of the incapacity, lack of authority, death or disability of any other person or persons or the failure of the Investor Member to file or enforce a claim against the estate (in administration, bankruptcy or any other proceeding) of any other person or persons;

(e) demand, presentment for payment, notice of non-payment, protest, notice of protest and all other notices of any kind, including, without limitation, notice of the existence, creation or incurring of any new or additional indebtedness or obligation or of any action or non-action on the part of the Investor Member or any endorser or creditor of either the Investor Member or any Guarantor or on the part of any other person whomsoever under this or any other instrument in connection with any obligation or evidence of indebtedness held by the Investor Member or in connection with the Indebtedness;

(f) any defense based upon an election of remedies by the Investor Member, and until the Indebtedness is paid in full, the right of Guarantors to proceed against the Investor Member for reimbursement, or both, or if contrary to the express agreement of the parties;

(g) any election by the Investor Member to exercise any right or remedy it may have against the Company or any security held by the Investor Member, including, without limitation, the right to foreclose upon any such security by judicial or non-judicial sale, without affecting or impairing in any way the liability of Guarantors hereunder, except to the extent the Indebtedness has been paid, and until the Indebtedness is paid in full, any default arising out of the absence, impairment or loss of any right of reimbursement, contribution or subrogation or any other right or remedy of the Guarantors against the Company or any such security whether resulting from such election by the Investor Member or otherwise. The Guarantors understand that if all or any part of the liability of the Company to the Investor Member for the Indebtedness is secured by real property the Guarantors shall be liable for the full amount of their liability hereunder, notwithstanding foreclosure on such real property by trustee sale or any other reason impairing the Guarantors’ right to proceed against the Company; and

(h) all duty or obligation on the part of the Investor Member to perfect, protect, not impair, retain or enforce any security for the payment of the Indebtedness or performance of any of the other obligations guaranteed hereby.

9. Until the Indebtedness is paid in full, all existing and future indebtedness of the Managing Member to the Guarantors or to any person controlled or owned in whole or in part by any of the Guarantors and, the right of the Guarantors to withdraw or to cause or permit any person controlled or owned in whole or in part by any of the Guarantors to withdraw any capital invested by any Guarantor or such person in the Managing Member, is hereby subordinated to the Indebtedness at any time after a default exists under the Indebtedness. Furthermore, at any time after a default exists under the Indebtedness, without the prior written Consent of the Investor Member, such subordinated indebtedness shall not be paid and such capital shall not be withdrawn in whole or in part nor shall any Guarantor accept or cause or permit any person...
controlled or owned in whole or in part by a Guarantor to accept any payment of or on account of any such subordinated indebtedness or as a withdrawal of capital. Any payment received by the Guarantors in violation of this Guaranty shall be received by the person to whom paid in trust for the Investor Member, and Guarantors shall cause the same to be paid to the Investor Member immediately on account of the Indebtedness. No such payment shall reduce or affect in any manner the liability of the Guarantors under this Guaranty.

10. The amount of each Guarantor’s liability and all rights, powers and remedies of the Investor Member hereunder shall be cumulative and not alternative and such rights, powers and remedies shall be in addition to all rights, powers and remedies given to the Investor Member under the Operating Agreement, any document or agreement relating in any way to the terms and provisions thereof or otherwise by law. With respect to each Guarantor, this Guaranty is in addition to and exclusive of the guaranty of any other Guarantor executing this Guaranty or any other person or entity which guarantees the Indebtedness and/or the other obligations guaranteed hereby.

11. The liability of each Guarantor under this Guaranty shall be an absolute, direct, immediate and unconditional guarantee of payment and not of collectability. The obligations of each Guarantor hereunder are independent of the obligations of the Managing Member or any other party which may be initially or otherwise responsible for performance or payment of the obligations hereunder guaranteed and each other Guarantor, and, in the event of any default hereunder, a separate action or actions may be brought and prosecuted against any one or more Guarantors, whether or not the Managing Member is joined therein or a separate action or actions are brought against the Managing Member. The Investor Member may maintain successive actions for other defaults. The Investor Member’s rights hereunder shall not be exhausted by its exercise of any of their rights or remedies or by any such action or by any number of successive actions until and unless the Indebtedness has been paid in full.

12. The Investor Member, in its sole discretion, may at any time enter into agreements with the Managing Member or with any other person to amend, modify or change the Operating Agreement or any document or agreement relating in any way to the terms and provisions thereof, or may at any time waive or release any provision or provisions thereof and, with reference thereto, may make and enter into all such agreements as the Investor Member may deem proper or desirable, without any notice or further assent from any Guarantor and without in any manner impairing or affecting this Guaranty or any of the rights of the Investor Member or each Guarantor’s obligations hereunder.

13. The Guarantors hereby agree to pay to the Investor Member, upon demand, reasonable attorneys’ fees and all costs and other expenses which the Investor Member expends or incurs in collecting or compromising the Indebtedness or in enforcing this Guaranty against each Guarantor whether or not suit is filed, including, without limitation, all costs, attorneys’ fees and expenses incurred by the Investor Member in connection with any insolvency, bankruptcy, reorganization, arrangement or other similar proceedings involving a Guarantor which in any way affect the exercise by the Investor Member of its rights and remedies hereunder. Any and all such costs, attorneys’ fees and expenses not so paid shall bear interest at an annual interest rate equal to the lesser of (i) 18%, or (ii) the highest rate permitted by applicable law, from the date incurred by the Investor Member until paid by the Guarantors.
14. Should any one or more provisions of this Guaranty be determined to be illegal or unenforceable, all other provisions nevertheless shall be effective.

15. No provision of this Guaranty or right of the Investor Member hereunder can be waived nor can any Guarantor be released from such Guarantor’s obligations hereunder except by a writing duly executed by the Investor Member. This Guaranty may not be modified, amended, revised, revoked, terminated, changed or varied in any way whatsoever except by the express terms of a writing duly executed by the Investor Member.

16. When the context and construction so require, all words used in the singular herein shall be deemed to have been used in the plural, and the masculine shall include the feminine and neuter and vice versa. The word “person” as used herein shall include any individual, company, firm, association, partnership, corporation, trust or other legal entity of any kind whatsoever.

17. If any or all of the Indebtedness is assigned by the Investor Member, this Guaranty shall automatically be assigned therewith in whole or in part, as applicable, without the need of any express assignment and when so assigned, each Guarantor shall be bound as set forth herein to the assignee(s) without in any manner affecting such Guarantor’s liability hereunder for any part of the Indebtedness retained by the Investor Member.

18. Each Guarantor is jointly and severally liable with each other Guarantor.

19. Co-Managing Member’s Employer Identification Number is 45-3062708. Administrative Member’s Employer Identification Number is 80-0641068. Saigebrook Development’s Employer Identification Number is 45-3062708. O-SDA Developer’s Employer Identification Number is 80-0641068. Lisa M. Stephens’ and Megan D. Lasch’s Social Security Numbers have been provided to the Investor Member.

20. This Guaranty shall inure to the benefit of and bind the heirs, legal representatives, administrators, executors, successors and assigns of the Investor Member and Guarantors.

21. This Guaranty shall be governed by and construed in accordance with the laws of the State of Texas without regard to principles of conflicts of law, except to the extent that any of such laws may now or hereafter be preempted by Federal law, in which case, such Federal law shall so govern and be controlling. In any action brought under or arising out of this Guaranty, each Guarantor hereby consents to the jurisdiction of any competent court within the State of Texas and consents to service of process by any means authorized by the laws of such state. Except as provided in any other written agreement now or at any time hereafter in force between the Investor Member and any Guarantor, this Guaranty shall constitute the entire agreement of Guarantors with the Investor Member with respect to the subject matter hereof, and no representation, understanding, promise or condition concerning the subject matter hereof shall be binding upon the Investor Member or any Guarantor unless expressed herein.

22. All notices, demands, requests or other communications to be sent by one party to the other hereunder or required by law shall be in writing and shall be deemed to have been validly given or served by delivery of same in person to the addressee or by depositing same

PLEDGE AND SECURITY AGREEMENT

(CO-MANAGING MEMBER)
PLEDGE AND SECURITY AGREEMENT

(Co-Managing Member)

THIS PLEDGE AND SECURITY AGREEMENT (this “Agreement”) is made as of February 1, 2019 by SAIGEBROOK CANOVA, LLC, a Texas limited liability company (“Saigebrook”), whose address is 220 Adams Drive Ste. 280 #138, Weatherford, Texas 76086 (the “Debtor”), for the benefit of HCP-ILP, LLC, a Nevada limited liability company (the “Secured Party”), whose address is 15910 Ventura Boulevard, Suite 1100, Encino, California 91436, Attention: Jeffrey N. Weiss.

A. Debtor is the managing member and Secured Party is the investor member in Canova Palms, LLC, a Texas limited liability company (the “Company”), and the Company is governed by its First Amended and Restated Operating Agreement dated as of February 1, 2019 (the “Operating Agreement”). Capitalized terms not otherwise defined herein shall have the definitions given them in the Operating Agreement.

B. Saigebrook Development, LLC, a Florida limited liability company and O-SDA Industries, LLC, a Texas limited liability company (collectively, the “Developer”), and the Company have entered into that certain Development Agreement dated as of February 1, 2019 (the “Development Agreement”), pursuant to which the Developer has been appointed to render certain services in connection with its supervising and overseeing the development of the “Apartment Complex” (as defined therein). Developer is an Affiliate of the Debtor.

C. In order to secure: (a) the full payment and performance by Debtor of all of Debtor’s obligations, duties, expenses and liabilities under or in connection with the Operating Agreement, as the Operating Agreement may be now or hereafter amended, modified or restated; and (b) the full payment and performance by the Developer of all of the Developer’s obligations, duties, expenses and liabilities under or in connection with the Development Agreement, as the Development Agreement may be now or hereafter amended, modified or restated (such obligations, duties, expenses and liabilities described in clauses (a) and (b) above are collectively referred to herein as the “Obligations”), Debtor is entering into this Agreement for the benefit of Secured Party.

NOW, THEREFORE, in order to induce Secured Party to enter into the Operating Agreement with the Debtor, and in consideration of the recitals, covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Definitions.

(a) “Collateral” shall consist of all of the personal property of Debtor, wherever located, and whether now owned or hereafter acquired, including accounts, chattel paper, inventory, equipment, instruments (including promissory notes), investment property, documents, deposit accounts, letter of credit rights, general intangibles (including payment intangibles), and supporting obligations and including, without limitation, the following specific items of personal property:
(i) All of Debtor’s right, title and interest in the Company, whether now owned or hereafter acquired, including, without limitation, its general limited liability company interest in the Company and its right to receive distributions, allocations and payments under the Operating Agreement, as the Operating Agreement may be modified from time to time with the consent of Secured Party;

(ii) All fees and charges to be paid by the Company to Debtor, whether paid or unpaid, whether now owned or hereafter acquired, and whether arising under the Operating Agreement, or otherwise, including, without limitation, the MM Incentive Management Fee;

(iii) All indebtedness of the Company to Debtor of any kind or description, including, without limitation, Debtor’s right to receive payment of Operating Deficit Loans or other loans to the Company; and

(iv) To the extent not listed above as original collateral, all products and proceeds, whether cash proceeds or noncash proceeds, of any and all of the foregoing.

(b) “Event of Default” shall mean an event of default described in Paragraph 8 herein.

2. Pledge of Collateral and Grant of Security Interest. Debtor does hereby unconditionally and irrevocably assign, pledge, convey, transfer, deliver, set over and grant unto Secured Party, its successors and assigns, as security for Debtor’s complete and timely payment and performance of the Obligations, a continuing first priority security interest under the Uniform Commercial Code of the State of Texas in the Collateral. Debtor agrees, upon request, to deliver any other documents which Secured Party may reasonably request from time-to-time to further evidence, perfect or secure the liens and security interests created by this Agreement. Debtor acknowledges that Secured Party shall prepare and file UCC Financing Statements in the appropriate jurisdictions with respect to the Collateral and consents to such filing.

3. Delivery to Secured Party.

(a) Debtor agrees to execute and to cause all other necessary parties, and any successors and assigns thereof, to execute and deliver to Secured Party such other agreements, instruments and documentation as Secured Party may reasonably request from time to time to effect the conveyance, transfer, and grant to Secured Party of each and all of Debtor’s right, title and interest in and to the Collateral as security for the Obligations.

(b) Concurrently with the execution of this Agreement, Debtor shall cause the managing member and the investor member of the Company to execute the Consent and Waiver in the form attached hereto as Exhibit A (the “Consent”) evidencing the Consent of the managing member and the investor member to the assignment of Debtor’s limited liability company interests and its agreement to be bound by Paragraph 4 of this Agreement, and covenants to execute, if required by Secured Party, an amendment to the Agreement in such form as Secured Party may require to reflect the substitution of Secured Party in place of Debtor as a managing member in the Company. Debtor further agrees to execute and to cause the other members of the Company to execute and deliver to Secured Party such other agreements, instruments and
documentation as Secured Party may reasonably request from time to time to effectuate the conveyance, transfer, assignment and grant to Secured Party of all of Debtor’s right, title and interest in and to the Collateral and to evidence the substitution of Secured Party in place of Debtor as a managing member in the Company.

4. **Proceeds and Products of the Collateral.**

    (a) Unless and until there occurs an Event of Default, Secured Party agrees to forbear in exercising its right to receive all benefits pertaining to the Collateral, and Debtor shall be permitted to exercise all rights and to receive all benefits of the Collateral, including, without limitation, the right to exercise all voting, approval, consent and similar rights of Debtor pertaining to the Collateral, payments due under, proceeds, whether cash proceeds or noncash proceeds, and products of the Collateral and retain and enjoy the same, provided, however, that Debtor shall not cast any vote or give any approval, consent, waiver or ratification or take any action which would be inconsistent with or violate any provision of this Agreement.

    (b) Debtor acknowledges and agrees with Secured Party, that unless Secured Party otherwise consents, in Secured Party’s sole discretion, Debtor shall not exercise any voting, approval, consent or other rights with respect to the Collateral at any time (i) after the occurrence of an Event of Default, and (ii) delivery of notice from Secured Party instructing Debtor not to exercise any such voting, approval, consent or other rights with respect to the Collateral; provided, however, that Debtor shall exercise any such right it may have under the Operating Agreement with respect to the business affairs of the Company as is reasonably necessary to protect and preserve the Collateral.

    (c) Upon or at any time after the occurrence of an Event of Default, Secured Party, at its option to be exercised in its sole discretion, may exercise all rights and remedies granted under this Agreement, including, without limitation, the right to require the obligors under the Collateral to make all payments due under and to pay all proceeds, whether cash proceeds or noncash proceeds, and products of the Collateral to Secured Party. Upon the giving of any such notice, the security constituted by this Agreement shall become immediately enforceable by Secured Party, without any presentment, further demand, protest or other notice of any kind, all of which are hereby expressly and irrevocably waived by Debtor. Debtor hereby authorizes and directs each respective obligor under the agreements constituting the Collateral, upon receipt of written notice from Secured Party of an Event of Default by Debtor hereunder, to assign, set over, transfer, distribute, pay and deliver any and all Collateral or said payments, proceeds or products of the Collateral to Secured Party, at such address as Secured Party may direct, at such time and in such manner as Collateral and such payments, proceeds and products of the Collateral would otherwise be distributed, transferred, paid or delivered to Debtor. The respective obligors under the agreements constituting the Collateral shall be entitled to conclusively rely on such notice and make all such assignments and transfers of the Collateral and all such payments with respect to the Collateral and pay all such proceeds and products of the Collateral to Secured Party and shall have no liability to Debtor for any loss or damage Debtor may incur by reason of said reliance.

5. **No Assumption.** Notwithstanding any of the foregoing, whether or not an Event of Default has occurred, and whether or not Secured Party elects to foreclose on its security
interest in the Collateral as set forth herein, neither the execution of this Agreement, receipt by Secured Party of any of Debtor’s right, title and interest in and to the Collateral and the payments, proceeds and products of the Collateral, now or hereafter due to Debtor from any obligor of the Collateral, nor Secured Party’s foreclosure of its security interest in the Collateral, shall in any way be deemed to obligate Secured Party to assume any of Debtor’s obligations, duties, expenses or liabilities under the Collateral or any agreements constituting the Collateral, as presently existing or as hereafter amended, or under any and all other agreements now existing or hereafter drafted or executed (collectively, “Debtor’s Liabilities”), unless Secured Party otherwise agrees to assume any or all of Debtor’s Liabilities in writing. In the event of foreclosure by Secured Party of its security interest in the Collateral, Debtor shall remain bound and obligated to perform its Debtor’s Liabilities and Secured Party shall not be deemed to have assumed any of Debtor’s Liabilities, except as provided in the preceding sentence. If the entity or person acquiring the Collateral at a foreclosure sale elects to assume Debtor’s Liabilities, such assignee shall agree to be bound by the terms and provisions of the applicable agreement.

6. Indemnification. Debtor hereby agrees to indemnify, defend and hold Secured Party, its successors and assigns harmless from and against any and all damages, losses, claims, costs or expenses (including reasonable attorneys’ fees) and any other liabilities whatsoever that Secured Party or its successors or assigns may incur by reason of this Agreement or by reason of any assignment by Debtor of Debtor’s right, title and interest in and to any or all of the Collateral.

7. Representations, Warranties and Covenants. In addition to the representations made by Debtor in the Operating Agreement, Debtor makes the following representations and warranties, which shall be deemed to be continuing representations and warranties in favor of Secured Party, and covenants and agrees to perform all acts necessary to maintain the truth and correctness, in all material respects, of the following:

(a) Debtor owns the Collateral free and clear of all claims, liens or encumbrances.

(b) Debtor has delivered to Secured Party true and complete copies of the Operating Agreement and any other agreements pertinent to the Collateral, and such agreements are currently in full force and effect and have not been amended or modified except as disclosed to Secured Party in writing.

(c) Debtor has the full right and title to its interest in the Collateral and has the full power, legal right and authority to pledge, convey, transfer and assign such interest. None of the Collateral is subject to any existing or subsequent assignment, claim, lien, pledge, transfer or other security interest of any character, or to any attachment, levy, garnishment or other judicial process or to any claim for set-off, counterclaim, deduction or discount. Debtor shall not, without the prior written consent of Secured Party, which consent may be granted or denied in Secured Party’s sole discretion, further convey, transfer, set over or pledge to any party any of its interests in the Collateral. Debtor agrees to (i) warrant and defend its title to the Collateral and the security interest created by this Agreement against all claims of all persons (other than Secured Party and persons claiming through Secured Party), and (ii) maintain and preserve the Collateral and such security interests.
(d) Debtor’s Employer Identification Number is 45-3062708, and its principal place of business is located at 220 Adams Drive Ste. 280 #138, Weatherford, Texas 76086.

(e) Debtor agrees that it shall not, without at least thirty (30) days’ prior written notification to Secured Party, move or otherwise change its principal place of business or state of formation.

(f) Debtor shall not exercise any voting rights, or give any approvals, consents waiver or other ratifications in respect to the Collateral which would violate or contravene, or which would cause or otherwise authorize Debtor to violate or contravene, any provision of this Agreement.

(g) This Agreement and consummation of the transactions contemplated herein are not in conflict with and will not result in a breach of any of the terms, provisions or conditions of any other agreement or instrument to which Debtor may be bound, including, without limitation, the organizational documents for Debtor, or of any order, judgment, law, rule or regulation of any court or governmental body or administrative agency applicable to Debtor.

8. Event of Default. Each of the following shall constitute an Event of Default hereunder:

   (a) An Event of Default (as defined in the Operating Agreement) has occurred under the Operating Agreement or the Development Agreement and such default shall not have been cured within any applicable grace period provided therein; or

   (b) Any warranty, representation or statement of Debtor in this Agreement proves to have been false in any material respect when made or furnished; or

   (c) There occurs the issuance of a writ, order of attachment or garnishment with respect to any of the Collateral and such writ, order of attachment or garnishment is not dismissed and removed within fifteen (15) days thereafter; or

   (d) A material breach or violation of any covenant or agreement contained herein has occurred, which is not cured within ten (10) days after notice has been given to Debtor by Secured Party.

Any Event of Default under this Agreement shall be an event of default by Debtor under the Agreement.

9. Remedies.

   (a) Upon the occurrence of an Event of Default, Secured Party may, by giving notice of such Event of Default, at its option, do any one or more of the following:

      (i) Declare all of the Obligations secured hereby to be immediately due and payable, whereupon all unpaid principal and interest on said Obligations and other amounts declared due and payable shall become immediately due and payable without presentment, demand, protest or notice of any kind; and
(ii) Take possession of all or any of the Collateral, collect, and apply against the Obligations, all payments due, proceeds, whether cash proceeds or noncash proceeds, and products from any obligor under the agreements constituting the Collateral, that would otherwise be paid to Debtor; and

(iii) Either personally, or by means of a court appointed receiver, take possession of all or any of the Collateral and exclude therefrom Debtor and all others claiming under Debtor, and thereafter exercise all rights and powers of Debtor with respect to the Collateral or any part thereof. If Secured Party demands, or attempts to take possession of any of the Collateral in the exercise of any rights under this Agreement, Debtor promises and agrees to promptly turn over and deliver complete possession thereof to the Secured Party; and

(iv) Without notice to or demand upon Debtor, make such payments and do such acts as Secured Party may deem necessary to protect its security interest in the Collateral, including, without limitation, paying, purchasing, contesting or compromising any encumbrance, charge or lien which is prior to or superior to the security interest granted hereunder, and in exercising any such powers or authority to pay all expenses incurred in connection therewith; and

(v) Require Debtor to take all actions necessary to deliver such Collateral to Secured Party, or an agent or representative designated by it. Secured Party, and its agents and representatives, shall have the right to enter upon any or all of Debtor’s premises and property to exercise Secured Party’s rights hereunder; and

(vi) Foreclose upon this Agreement as herein provided or in any manner permitted by law, and exercise any and all of the rights and remedies conferred upon Secured Party by the Operating Agreement, or in any other document executed by Debtor in connection with the Obligations secured hereby, either concurrently or in such order as Secured Party may determine; and sell or cause to be sold in such order as Secured Party may determine, as a whole or in such parcels as Secured Party may determine, the Collateral, without affecting in any way the rights or remedies to which Secured Party may be entitled under the other such instruments; and

(vii) Sell or otherwise dispose of the Collateral at public sale, without having the Collateral at the place of sale, and upon terms and in such manner as Secured Party may determine. Secured Party may be a purchaser at any sale; and

(viii) Exercise any remedies of Secured Party under the Uniform Commercial Code of the State of Texas or any other applicable law; and

(ix) Exercise any remedies available to Secured Party under the Agreement, including, without limitation, the removal of Debtor as a Managing Member of the Company and exercise of any rights of offset in favor of Secured Party as a managing member of the Company; and

(x) Notwithstanding anything to the contrary contained in this Agreement, at any time after an Event of Default, Secured Party may, by delivering written notice to the Company and to Debtor, succeed, or designate its nominee or designee to succeed,
to all right, title and interest of Debtor (including, without limitation, the right, if any, to vote on
or take any action with respect to Company matters) as a managing member of the Company in
respect of the Collateral. Debtor hereby irrevocably authorizes and directs the Company on
receipt of any such notice (a) to deem and treat Secured Party or such nominee or designee in all
respects as a managing member (and not merely an assignee of a managing member) of the
Company, entitled to exercise all the rights, powers and privileges (including the right to vote on
or take any action with respect to Company matters pursuant to the Operating Agreement, to
receive all distributions, to be credited with the capital account and to have all other rights,
powers and privileges appertaining to the Collateral to which Debtor would have been entitled
had the Collateral not been transferred to Secured Party or such nominee or designee), and (b) to
file an amended certificate of Company, if required, admitting Secured Party or such nominee or
designee as managing member of the Company in place of Debtor; and

(xi) The rights granted to Secured Party under this Agreement are of a
special, unique, unusual and extraordinary character. The loss of any of such rights cannot
reasonably or adequately be compensated by way of damages in any action at law, and any
material breach by Debtor of any of Debtor’s covenants, agreements or obligations under this
Agreement will cause Secured Party irreparable injury and damage. In the event of any such
breach, Secured Party shall be entitled, as a matter of right, to injunctive relief or other equitable
relief in any court of competent jurisdiction to prevent the violation or contravention of any of
the provisions of this Agreement or to compel compliance with the terms of this Agreement by
Debtor. Secured Party is absolutely and irrevocably authorized and empowered by Debtor to
demand specific performance of each of the covenants and agreements of Debtor in this
Agreement. Debtor hereby irrevocably waives any defense based on the adequacy of any
remedy at law which might otherwise be asserted by Debtor as a bar to the remedy of specific
performance in any action brought by Secured Party against Debtor to enforce any of the
covenants or agreements of Debtor in this Agreement.

(b) Unless the Collateral is perishable or threatens to decline speedily in value
or is of a type customarily sold on a recognized market, Secured Party shall give Debtor at least
ten (10) days’ prior written notice of the time and place of any public sale of the Collateral
subject to this Agreement or other intended disposition thereof to be made. Such notice shall be
conclusively deemed to have been delivered to Debtor at the address set forth in Paragraph 7(d)
of this Agreement, unless Debtor shall Notify Secured Party in writing of its change of its
principal place of business and provide Secured Party with the address of its new principal place
of business.

(c) The proceeds of any sale under Paragraph 9(a) above shall be applied as
follows:

(i) To the repayment of the costs and expenses of retaking, holding
and preparing for the sale and the selling of the Collateral (including actual legal expenses and
attorneys’ fees) and the discharge of all assessments, encumbrances, charges or liens, if any, on
the Collateral prior to the lien hereof (except any taxes, assessments, encumbrances, charges or
liens subject to which such sale has been made);
(ii) To the payment of the whole amount then due and unpaid of the
Obligations;

(iii) To the payment of all other amounts then secured hereby; and

(iv) The aggregate surplus, if any, shall be paid to Debtor in a lump
sum, without recourse to Secured Party, or as a court of competent jurisdiction may direct.

(d) Secured Party has the right to enforce one or more remedies under this
Agreement and under the Operating Agreement, successively or concurrently, and such action
shall not operate to estop or prevent Secured Party from pursuing any further remedy which it
may have, and any repossession or retaking or sale of the Collateral pursuant to the terms hereof
shall not operate to release Debtor until full payment of any deficiency has been made in cash.

(e) DEBTOR ACKNOWLEDGES THAT SECURED PARTY MAY BE
UNABLE TO EFFECT A PUBLIC SALE OF ALL OR ANY PART OF THE COLLATERAL
AND MAY BE COMPelled TO RESORT TO ONE OR MORE PRIVATE SALES TO A
RESTRICTED GROUP OF PURCHASERS WHO WILL BE OBLIGATED TO AGREE,
AMONG OTHER THINGS, TO ACQUIRE THE COLLATERAL FOR THEIR OWN
ACCOUNT, FOR INVESTMENT AND NOT WITH A VIEW TO THE DISTRIBUTION OR
RESALE THEREOF. DEBTOR FURTHER ACKNOWLEDGES THAT ANY SUCH
PRIVATE SALES MAY BE AT PRICES AND ON TERMS LESS FAVORABLE THAN
THOSE OF PUBLIC SALES, AND AGREES THAT SUCH PRIVATE SALES SHALL BE
DEEMED TO HAVE BEEN MADE IN A COMMERCiALLY REASONABLE MANNER
AND THAT SECURED PARTY HAS NO OBLIGATION TO DELAY SALE OF ANY
COLLATERAL TO PERMIT THE ISSuer THEREOF TO REGISTER IT FOR PUBLIC
SALE UNDER THE SECURITIES ACT OF 1933. DEBTOR AGREES THAT SECURED
PARTY SHALL BE PERMITTED TO TAKE SUCH ACTIONS AS SECURED PARTY
DEEMS REASONABLY NECESSARY IN DISPOSING OF THE COLLATERAL TO AVOID
CONDUCTING A PUBLIC DISTRIBUTION OF SECURITIES IN VIOLATION OF THE
SECURITIES ACT OF 1933 OR THE SECURITIES LAWS OF ANY STATE, AS NOW
ENACTED OR AS THE SAME MAY IN THE FUTURE BE AMENDED, AND
ACKNOWLEDGES THAT ANY SUCH ACTIONS SHALL BE COMMERCiALLY
REASONABLE. IN ADDITION, DEBTOR AGREES TO EXECUTE, FROM TIME TO
TIME, ANY AMENDMENT TO THIS AGREEMENT OR OTHER DOCUMENT AS
SECURED PARTY MAY REASONABLY REQUIRE TO EVIDENCE THE
ACKNOWLEDGMENTS AND CONSENTS OF DEBTOR SET FORTH IN THIS
PARAGRAPH.

10. Right to Make Distributions. Except upon the occurrence and during the
continuance of an Event of Default (without regard to any cure period), Debtor shall have the
right without the consent of Secured Party to make distributions to its members (“Permitted
Distributions”) of proceeds of any distributions and payments received by Debtor from the
Company or from any capital contributions of its members. Any such Permitted Distributions
shall be free and clear of the lien created by this Agreement.
11. **Attorneys’ Fees.** Debtor agrees to pay to Secured Party, without demand, reasonable attorneys’ fees and all costs and other expenses which Secured Party expends or incurs in collecting any amounts payable by Debtor hereunder or in enforcing this Agreement against Debtor whether or not suit is filed.

12. **Further Documentation.** Debtor hereby agrees to execute, from time to time, one or more financing statements and such other instruments as may be required to perfect the security interest created hereby, including any continuation or amendments of such financing statements, and pay the cost of filing or recording the same in the public records specified by Secured Party.

13. **Waiver and Estoppel.** Debtor represents and acknowledges that it knowingly waives each and every one of the following rights, and agrees that it will be estopped from asserting any argument to the contrary: (a) any promptness in making any claim or demand hereunder; (b) any defense that may arise by reason of the incapacity, lack of authority, death or disability of Debtor or the failure to file or enforce a claim against Debtor’s estate (in administration, bankruptcy or any other proceeding); (c) any defense based upon an election of remedies by Secured Party which destroys or otherwise impairs any or all of the Collateral; (d) the right of Debtor to proceed against Secured Party or any other person, for reimbursement; (e) all duty or obligation of Secured Party to perfect, protect, retain or enforce any security for the payment of amounts payable by Debtor hereunder; and (f) any defense based on modification of the indebtedness secured hereby.

14. **Waiver of Jury Trial.** EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (a) ARISING UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY PRESENT OR FUTURE AMENDMENT HEREOF, OR (b) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF ANY RIGHT THEY MIGHT OTHERWISE HAVE TO TRIAL BY JURY.

15. **No Continuing Waiver.** No delay or failure on the part of Secured Party in the exercise of any right or remedy against Debtor or any other party against whom Secured Party may have any rights, shall operate as a waiver of any agreement or obligation contained herein, and no single or partial exercise by Secured Party of any rights or remedies hereunder shall preclude other or further exercise thereof or other exercise of any other right or remedy whether
contained in this Agreement or in any of the other documents regarding the Obligations, including, without limitation, the Operating Agreement. No waiver of the rights of Secured Party hereunder or in connection herewith and no release of Debtor shall be effective unless in writing executed by Secured Party. No actions of Secured Party permitted under this Agreement shall in any way impair or affect the enforceability of any agreement or obligation contained herein.

16. **Independent Obligations.** The obligations of Debtor are independent of the obligations of any other party which may be initially or otherwise responsible for performance or payment of the Obligations, and a separate action or actions for payment, damages or performance may be brought and prosecuted by Secured Party against Debtor, individually, for the full amount of the Obligations then due and payable, whether or not an action is brought against any other party, whether or not Secured Party is involved in any proceedings and whether or not Secured Party or Debtor or other person is joined in any action or proceedings.

17. **No Offset Rights of Debtor.** No lawful act of commission or omission of any kind or at any time upon the part of Debtor shall in any way affect or impair the rights of Secured Party to enforce any right, power or benefit under this Agreement, and no set-off, recoupment, counterclaim, claim, reduction or diminution of any obligation or any defense of any kind or nature which Debtor has or may have against any Secured Party or against any other party shall be available against Secured Party in any suit or action brought by Secured Party to enforce any right, power or benefit under this Agreement.

18. **Power of Attorney.** Debtor hereby appoints Secured Party as its attorney-in-fact to execute and file on its behalf any financing statements, continuation statements or other documentation required to perfect or continue the security interest created hereby. This power, being coupled with an interest, shall be irrevocable until all amounts secured hereby have been paid, satisfied and discharged in full.

19. **GOVERNING LAW.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS. THE PARTIES HERETO AGREE THAT IN THE EVENT OF DEFAULT, THIS AGREEMENT MAY BE ENFORCED IN ANY COURT OF COMPETENT JURISDICTION IN THE STATE OF TEXAS AND ANY STATE IN WHICH ALL OR ANY PART OF THE COLLATERAL IS LOCATED AND THEY DO HEREBY SUBMIT TO THE JURISDICTION OF ANY AND ALL SUCH COURTS REGARDLESS OF THEIR PRINCIPAL PLACE OF BUSINESS OR WHERE THIS AGREEMENT MAY BE EXECUTED.

20. **Successors and Assigns.** All agreements, covenants, conditions and provisions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties hereto.

21. **Notices.** Whenever any party hereto shall desire to, or be required to, give or serve any notice, demand, request or other communication with respect to this Agreement, each such notice, demand, request or communication shall be in writing and shall be effective only if the same is delivered by personal service (including, without limitation, courier or express service) or mailed certified or registered mail, postage prepaid, return receipt requested, or sent
by electronic mail to the parties at the addresses and email addresses shown throughout this Agreement or such other addresses which the parties may provide to one another in accordance herewith. If notice is sent to Secured Party, a copy of such notice shall also be given to Matthew W. Mullen, Esq., Nixon Peabody LLP, 799 9th Street NW, Suite 500, Washington, DC 20001-5327; Email: mmullen@nixonpeabody.com. Notices delivered personally will be effective upon delivery to an authorized representative of the party at the designated address; notices sent by mail in accordance with the above paragraph will be effective upon execution by the addressee of the Return Receipt Requested.

22. **Consent of Debtor.** Debtor consents to the exercise by Secured Party of any rights of Debtor in accordance with the provisions of this Agreement.

23. **Severability.** Every provision of this Agreement is intended to be severable. If any term or provision hereof is declared by a court of competent jurisdiction to be illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the legality or validity of the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable.

24. **Amendment.** This Agreement may be modified or rescinded only by a writing expressly relating to this Agreement and signed by all of the parties.

25. **Termination.** This Agreement shall terminate, and shall be of no further force or effect, upon the earlier to occur of the repayment in full of the Obligations of Debtor or upon the mutual consent of Debtor and Secured Party.

(Administrative Member)

Weiss.

A. Debtor is the administrative member and Secured Party is the investor member in Canova Palms, LLC, a Texas limited liability company (the “Company”), and the Company is governed by its First Amended and Restated Operating Agreement dated as of February 1, 2019 (the “Operating Agreement”). Capitalized terms not otherwise defined herein shall have the definitions given them in the Operating Agreement.

B. Saigebrook Development, LLC, a Florida limited liability company and O-SDA Industries, LLC, a Texas limited liability company (collectively, the “Developer”), and the Company have entered into that certain Development Agreement dated as of February 1, 2019 (the “Development Agreement”), pursuant to which the Developer has been appointed to render certain services in connection with its supervising and overseeing the development of the “Apartment Complex” (as defined therein). Developer is an Affiliate of the Debtor.

C. In order to secure: (a) the full payment and performance by Debtor of all of Debtor’s obligations, duties, expenses and liabilities under or in connection with the Operating Agreement, as the Operating Agreement may be now or hereafter amended, modified or restated; and (b) the full payment and performance by the Developer of all of the Developer’s obligations, duties, expenses and liabilities under or in connection with the Development Agreement, as the Development Agreement may be now or hereafter amended, modified or restated (such obligations, duties, expenses and liabilities described in clauses (a) and (b) above are collectively referred to herein as the “Obligations”), Debtor is entering into this Agreement for the benefit of Secured Party.

NOW, THEREFORE, in order to induce Secured Party to enter into the Operating Agreement with the Debtor, and in consideration of the recitals, covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Definitions.

(a) “Collateral” shall consist of all of the personal property of Debtor, wherever located, and whether now owned or hereafter acquired, including accounts, chattel paper, inventory, equipment, instruments (including promissory notes), investment property, documents, deposit accounts, letter of credit rights, general intangibles (including payment intangibles), and supporting obligations and including, without limitation, the following specific items of personal property:
(i) All of Debtor’s right, title and interest in the Company, whether now owned or hereafter acquired, including, without limitation, its general limited liability company interest in the Company and its right to receive distributions, allocations and payments under the Operating Agreement, as the Operating Agreement may be modified from time to time with the consent of Secured Party;

(ii) All fees and charges to be paid by the Company to Debtor, whether paid or unpaid, whether now owned or hereafter acquired, and whether arising under the Operating Agreement, or otherwise, including, without limitation, the MM Incentive Management Fee;

(iii) All indebtedness of the Company to Debtor of any kind or description, including, without limitation, Debtor’s right to receive payment of Operating Deficit Loans or other loans to the Company; and

(iv) To the extent not listed above as original collateral, all products and proceeds, whether cash proceeds or noncash proceeds, of any and all of the foregoing.

(b) “Event of Default” shall mean an event of default described in Paragraph 8 herein.

2. Pledge of Collateral and Grant of Security Interest. Debtor does hereby unconditionally and irrevocably assign, pledge, convey, transfer, deliver, set over and grant unto Secured Party, its successors and assigns, as security for Debtor’s complete and timely payment and performance of the Obligations, a continuing first priority security interest under the Uniform Commercial Code of the State of Texas in the Collateral. Debtor agrees, upon request, to deliver any other documents which Secured Party may reasonably request from time-to-time to further evidence, perfect or secure the liens and security interests created by this Agreement. Debtor acknowledges that Secured Party shall prepare and file UCC Financing Statements in the appropriate jurisdictions with respect to the Collateral and consents to such filing.

3. Delivery to Secured Party.

(a) Debtor agrees to execute and to cause all other necessary parties, and any successors and assigns thereof, to execute and deliver to Secured Party such other agreements, instruments and documentation as Secured Party may reasonably request from time to time to effect the conveyance, transfer, and grant to Secured Party of each and all of Debtor’s right, title and interest in and to the Collateral as security for the Obligations.

(b) Concurrently with the execution of this Agreement, Debtor shall cause the managing member and the investor member of the Company to execute the Consent and Waiver in the form attached hereto as Exhibit A (the “Consent”) evidencing the Consent of the managing member and the investor member to the assignment of Debtor’s limited liability company interests and its agreement to be bound by Paragraph 4 of this Agreement, and covenants to execute, if required by Secured Party, an amendment to the Agreement in such form as Secured Party may require to reflect the substitution of Secured Party in place of Debtor as a managing member in the Company. Debtor further agrees to execute and to cause the other members of the Company to execute and deliver to Secured Party such other agreements, instruments and
documentation as Secured Party may reasonably request from time to time to effectuate the conveyance, transfer, assignment and grant to Secured Party of all of Debtor’s right, title and interest in and to the Collateral and to evidence the substitution of Secured Party in place of Debtor as a managing member in the Company.

4. **Proceeds and Products of the Collateral.**

   (a) Unless and until there occurs an Event of Default, Secured Party agrees to forbear in exercising its right to receive all benefits pertaining to the Collateral, and Debtor shall be permitted to exercise all rights and to receive all benefits of the Collateral, including, without limitation, the right to exercise all voting, approval, consent and similar rights of Debtor pertaining to the Collateral, payments due under, proceeds, whether cash proceeds or noncash proceeds, and products of the Collateral and retain and enjoy the same, provided, however, that Debtor shall not cast any vote or give any approval, consent, waiver or ratification or take any action which would be inconsistent with or violate any provision of this Agreement.

   (b) Debtor acknowledges and agrees with Secured Party, that unless Secured Party otherwise consents, in Secured Party’s sole discretion, Debtor shall not exercise any voting, approval, consent or other rights with respect to the Collateral at any time (i) after the occurrence of an Event of Default, and (ii) delivery of notice from Secured Party instructing Debtor not to exercise any such voting, approval, consent or other rights with respect to the Collateral; provided, however, that Debtor shall exercise any such right it may have under the Operating Agreement with respect to the business affairs of the Company as is reasonably necessary to protect and preserve the Collateral.

   (c) Upon or at any time after the occurrence of an Event of Default, Secured Party, at its option to be exercised in its sole discretion, may exercise all rights and remedies granted under this Agreement, including, without limitation, the right to require the obligors under the Collateral to make all payments due under and to pay all proceeds, whether cash proceeds or noncash proceeds, and products of the Collateral to Secured Party. Upon the giving of any such notice, the security constituted by this Agreement shall become immediately enforceable by Secured Party, without any presentment, further demand, protest or other notice of any kind, all of which are hereby expressly and irrevocably waived by Debtor. Debtor hereby authorizes and directs each respective obligor under the agreements constituting the Collateral, upon receipt of written notice from Secured Party of an Event of Default by Debtor hereunder, to assign, set over, transfer, distribute, pay and deliver any and all Collateral or said payments, proceeds or products of the Collateral to Secured Party, at such address as Secured Party may direct, at such time and in such manner as Collateral and such payments, proceeds and products of the Collateral would otherwise be distributed, transferred, paid or delivered to Debtor. The respective obligors under the agreements constituting the Collateral shall be entitled to conclusively rely on such notice and make all such assignments and transfers of the Collateral and all such payments with respect to the Collateral and pay all such proceeds and products of the Collateral to Secured Party and shall have no liability to Debtor for any loss or damage Debtor may incur by reason of said reliance.

5. **No Assumption.** Notwithstanding any of the foregoing, whether or not an Event of Default has occurred, and whether or not Secured Party elects to foreclose on its security
interest in the Collateral as set forth herein, neither the execution of this Agreement, receipt by Secured Party of any of Debtor’s right, title and interest in and to the Collateral and the payments, proceeds and products of the Collateral, now or hereafter due to Debtor from any obligor of the Collateral, nor Secured Party’s foreclosure of its security interest in the Collateral, shall in any way be deemed to obligate Secured Party to assume any of Debtor’s obligations, duties, expenses or liabilities under the Collateral or any agreements constituting the Collateral, as presently existing or as hereafter amended, or under any and all other agreements now existing or hereafter drafted or executed (collectively, “Debtor’s Liabilities”), unless Secured Party otherwise agrees to assume any or all of Debtor’s Liabilities in writing. In the event of foreclosure by Secured Party of its security interest in the Collateral, Debtor shall remain bound and obligated to perform its Debtor’s Liabilities and Secured Party shall not be deemed to have assumed any of Debtor’s Liabilities, except as provided in the preceding sentence. If the entity or person acquiring the Collateral at a foreclosure sale elects to assume Debtor’s Liabilities, such assignee shall agree to be bound by the terms and provisions of the applicable agreement.

6. Indemnification. Debtor hereby agrees to indemnify, defend and hold Secured Party, its successors and assigns harmless from and against any and all damages, losses, claims, costs or expenses (including reasonable attorneys’ fees) and any other liabilities whatsoever that Secured Party or its successors or assigns may incur by reason of this Agreement or by reason of any assignment by Debtor of Debtor’s right, title and interest in and to any or all of the Collateral.

7. Representations, Warranties and Covenants. In addition to the representations made by Debtor in the Operating Agreement, Debtor makes the following representations and warranties, which shall be deemed to be continuing representations and warranties in favor of Secured Party, and covenants and agrees to perform all acts necessary to maintain the truth and correctness, in all material respects, of the following:

(a) Debtor owns the Collateral free and clear of all claims, liens or encumbrances.

(b) Debtor has delivered to Secured Party true and complete copies of the Operating Agreement and any other agreements pertinent to the Collateral, and such agreements are currently in full force and effect and have not been amended or modified except as disclosed to Secured Party in writing.

(c) Debtor has the full right and title to its interest in the Collateral and has the full power, legal right and authority to pledge, convey, transfer and assign such interest. None of the Collateral is subject to any existing or subsequent assignment, claim, lien, pledge, transfer or other security interest of any character, or to any attachment, levy, garnishment or other judicial process or to any claim for set-off, counterclaim, deduction or discount. Debtor shall not, without the prior written consent of Secured Party, which consent may be granted or denied in Secured Party’s sole discretion, further convey, transfer, set over or pledge to any party any of its interests in the Collateral. Debtor agrees to (i) warrant and defend its title to the Collateral and the security interest created by this Agreement against all claims of all persons (other than Secured Party and persons claiming through Secured Party), and (ii) maintain and preserve the Collateral and such security interests.
(d) Debtor’s Employer Identification Number is 80-0641068, and its principal place of business is located at 5714 Sam Houston Circle, Austin, Texas 78731, Austin, Texas 78731.

(e) Debtor agrees that it shall not, without at least thirty (30) days’ prior written notification to Secured Party, move or otherwise change its principal place of business or state of formation.

(f) Debtor shall not exercise any voting rights, or give any approvals, consents waiver or other ratifications in respect to the Collateral which would violate or contravene, or which would cause or otherwise authorize Debtor to violate or contravene, any provision of this Agreement.

(g) This Agreement and consummation of the transactions contemplated herein are not in conflict with and will not result in a breach of any of the terms, provisions or conditions of any other agreement or instrument to which Debtor may be bound, including, without limitation, the organizational documents for Debtor, or of any order, judgment, law, rule or regulation of any court or governmental body or administrative agency applicable to Debtor.

8. Event of Default. Each of the following shall constitute an Event of Default hereunder:

(a) An Event of Default (as defined in the Operating Agreement) has occurred under the Operating Agreement or the Development Agreement and such default shall not have been cured within any applicable grace period provided therein; or

(b) Any warranty, representation or statement of Debtor in this Agreement proves to have been false in any material respect when made or furnished; or

(c) There occurs the issuance of a writ, order of attachment or garnishment with respect to any of the Collateral and such writ, order of attachment or garnishment is not dismissed and removed within fifteen (15) days thereafter; or

(d) A material breach or violation of any covenant or agreement contained herein has occurred, which is not cured within ten (10) days after notice has been given to Debtor by Secured Party.

Any Event of Default under this Agreement shall be an event of default by Debtor under the Agreement.

9. Remedies.

(a) Upon the occurrence of an Event of Default, Secured Party may, by giving notice of such Event of Default, at its option, do any one or more of the following:

(i) Declare all of the Obligations secured hereby to be immediately due and payable, whereupon all unpaid principal and interest on said Obligations and other
amounts declared due and payable shall become immediately due and payable without presentment, demand, protest or notice of any kind; and

(ii) Take possession of all or any of the Collateral, collect, and apply against the Obligations, all payments due, proceeds, whether cash proceeds or noncash proceeds, and products from any obligor under the agreements constituting the Collateral, that would otherwise be paid to Debtor; and

(iii) Either personally, or by means of a court appointed receiver, take possession of all or any of the Collateral and exclude therefrom Debtor and all others claiming under Debtor, and thereafter exercise all rights and powers of Debtor with respect to the Collateral or any part thereof. If Secured Party demands, or attempts to take possession of any of the Collateral in the exercise of any rights under this Agreement, Debtor promises and agrees to promptly turn over and deliver complete possession thereof to the Secured Party; and

(iv) Without notice to or demand upon Debtor, make such payments and do such acts as Secured Party may deem necessary to protect its security interest in the Collateral, including, without limitation, paying, purchasing, contesting or compromising any encumbrance, charge or lien which is prior to or superior to the security interest granted hereunder, and in exercising any such powers or authority to pay all expenses incurred in connection therewith; and

(v) Require Debtor to take all actions necessary to deliver such Collateral to Secured Party, or an agent or representative designated by it. Secured Party, and its agents and representatives, shall have the right to enter upon any or all of Debtor’s premises and property to exercise Secured Party’s rights hereunder; and

(vi) Foreclose upon this Agreement as herein provided or in any manner permitted by law, and exercise any and all of the rights and remedies conferred upon Secured Party by the Operating Agreement, or in any other document executed by Debtor in connection with the Obligations secured hereby, either concurrently or in such order as Secured Party may determine; and sell or cause to be sold in such order as Secured Party may determine, as a whole or in such parcels as Secured Party may determine, the Collateral, without affecting in any way the rights or remedies to which Secured Party may be entitled under the other such instruments; and

(vii) Sell or otherwise dispose of the Collateral at public sale, without having the Collateral at the place of sale, and upon terms and in such manner as Secured Party may determine. Secured Party may be a purchaser at any sale; and

(viii) Exercise any remedies of Secured Party under the Uniform Commercial Code of the State of Texas or any other applicable law; and

(ix) Exercise any remedies available to Secured Party under the Agreement, including, without limitation, the removal of Debtor as a Managing Member of the Company and exercise of any rights of offset in favor of Secured Party as a managing member of the Company; and
(x) Notwithstanding anything to the contrary contained in this Agreement, at any time after an Event of Default, Secured Party may, by delivering written notice to the Company and to Debtor, succeed, or designate its nominee or designee to succeed, to all right, title and interest of Debtor (including, without limitation, the right, if any, to vote on or take any action with respect to Company matters) as a managing member of the Company in respect of the Collateral. Debtor hereby irrevocably authorizes and directs the Company on receipt of any such notice (a) to deem and treat Secured Party or such nominee or designee in all respects as a managing member (and not merely an assignee of a managing member) of the Company, entitled to exercise all the rights, powers and privileges (including the right to vote on or take any action with respect to Company matters pursuant to the Operating Agreement, to receive all distributions, to be credited with the capital account and to have all other rights, powers and privileges appertaining to the Collateral to which Debtor would have been entitled had the Collateral not been transferred to Secured Party or such nominee or designee), and (b) to file an amended certificate of Company, if required, admitting Secured Party or such nominee or designee as managing member of the Company in place of Debtor; and

(xi) The rights granted to Secured Party under this Agreement are of a special, unique, unusual and extraordinary character. The loss of any of such rights cannot reasonably or adequately be compensated by way of damages in any action at law, and any material breach by Debtor of any of Debtor’s covenants, agreements or obligations under this Agreement will cause Secured Party irreparable injury and damage. In the event of any such breach, Secured Party shall be entitled, as a matter of right, to injunctive relief or other equitable relief in any court of competent jurisdiction to prevent the violation or contravention of any of the provisions of this Agreement or to compel compliance with the terms of this Agreement by Debtor. Secured Party is absolutely and irrevocably authorized and empowered by Debtor to demand specific performance of each of the covenants and agreements of Debtor in this Agreement. Debtor hereby irrevocably waives any defense based on the adequacy of any remedy at law which might otherwise be asserted by Debtor as a bar to the remedy of specific performance in any action brought by Secured Party against Debtor to enforce any of the covenants or agreements of Debtor in this Agreement.

(b) Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Secured Party shall give Debtor at least ten (10) days’ prior written notice of the time and place of any public sale of the Collateral subject to this Agreement or other intended disposition thereof to be made. Such notice shall be conclusively deemed to have been delivered to Debtor at the address set forth in Paragraph 7(d) of this Agreement, unless Debtor shall Notify Secured Party in writing of its change of its principal place of business and provide Secured Party with the address of its new principal place of business.

(c) The proceeds of any sale under Paragraph 9(a) above shall be applied as follows:

(i) To the repayment of the costs and expenses of retaking, holding and preparing for the sale and the selling of the Collateral (including actual legal expenses and attorneys’ fees) and the discharge of all assessments, encumbrances, charges or liens, if any, on
the Collateral prior to the lien hereof (except any taxes, assessments, encumbrances, charges or liens subject to which such sale has been made);

(ii) To the payment of the whole amount then due and unpaid of the Obligations;

(iii) To the payment of all other amounts then secured hereby; and

(iv) The aggregate surplus, if any, shall be paid to Debtor in a lump sum, without recourse to Secured Party, or as a court of competent jurisdiction may direct.

(d) Secured Party has the right to enforce one or more remedies under this Agreement and under the Operating Agreement, successively or concurrently, and such action shall not operate to estop or prevent Secured Party from pursuing any further remedy which it may have, and any repossession or retaking or sale of the Collateral pursuant to the terms hereof shall not operate to release Debtor until full payment of any deficiency has been made in cash.

(e) DEBTOR ACKNOWLEDGES THAT SECURED PARTY MAY BE UNABLE TO EFFECT A PUBLIC SALE OF ALL OR ANY PART OF THE COLLATERAL AND MAY BE COMPELLED TO RESORT TO ONE OR MORE PRIVATE SALES TO A RESTRICTED GROUP OF PURCHASERS WHO WILL BE OBLIGATED TO AGREE, AMONG OTHER THINGS, TO ACQUIRE THE COLLATERAL FOR THEIR OWN ACCOUNT, FOR INVESTMENT AND NOT WITH A VIEW TO THE DISTRIBUTION OR RESALE THEREOF. DEBTOR FURTHER ACKNOWLEDGES THAT ANY SUCH PRIVATE SALES MAY BE AT PRICES AND ON TERMS LESS FAVORABLE THAN THOSE OF PUBLIC SALES, AND AGREES THAT SUCH PRIVATE SALES SHALL BE DEEMED TO HAVE BEEN MADE IN A COMMERCIALLY REASONABLE MANNER AND THAT SECURED PARTY HAS NO OBLIGATION TO DELAY SALE OF ANY COLLATERAL TO PERMIT THE ISSUER THEREOF TO REGISTER IT FOR PUBLIC SALE UNDER THE SECURITIES ACT OF 1933. DEBTOR AGREES THAT SECURED PARTY SHALL BE PERMITTED TO TAKE SUCH ACTIONS AS SECURED PARTY DEEMS REASONABLY NECESSARY IN DISPOSING OF THE COLLATERAL TO AVOID CONDUCTING A PUBLIC DISTRIBUTION OF SECURITIES IN VIOLATION OF THE SECURITIES ACT OF 1933 OR THE SECURITIES LAWS OF ANY STATE, AS NOW ENACTED OR AS THE SAME MAY IN THE FUTURE BE AMENDED, AND ACKNOWLEDGES THAT ANY SUCH ACTIONS SHALL BE COMMERCIAL REASONABLE. IN ADDITION, DEBTOR AGREES TO EXECUTE, FROM TIME TO TIME, ANY AMENDMENT TO THIS AGREEMENT OR OTHER DOCUMENT AS SECURED PARTY MAY REASONABLY REQUIRE TO EVIDENCE THE ACKNOWLEDGMENTS AND CONSENTS OF DEBTOR SET FORTH IN THIS PARAGRAPH.

10. Right to Make Distributions. Except upon the occurrence and during the continuance of an Event of Default (without regard to any cure period), Debtor shall have the right without the consent of Secured Party to make distributions to its members ("Permitted Distributions") of proceeds of any distributions and payments received by Debtor from the
Company or from any capital contributions of its members. Any such Permitted Distributions shall be free and clear of the lien created by this Agreement.

11. **Attorneys’ Fees.** Debtor agrees to pay to Secured Party, without demand, reasonable attorneys’ fees and all costs and other expenses which Secured Party expends or incurs in collecting any amounts payable by Debtor hereunder or in enforcing this Agreement against Debtor whether or not suit is filed.

12. **Further Documentation.** Debtor hereby agrees to execute, from time to time, one or more financing statements and such other instruments as may be required to perfect the security interest created hereby, including any continuation or amendments of such financing statements, and pay the cost of filing or recording the same in the public records specified by Secured Party.

13. **Waiver and Estoppel.** Debtor represents and acknowledges that it knowingly waives each and every one of the following rights, and agrees that it will be estopped from asserting any argument to the contrary: (a) any promptness in making any claim or demand hereunder; (b) any defense that may arise by reason of the incapacity, lack of authority, death or disability of Debtor or the failure to file or enforce a claim against Debtor’s estate (in administration, bankruptcy or any other proceeding); (c) any defense based upon an election of remedies by Secured Party which destroys or otherwise impairs any or all of the Collateral; (d) the right of Debtor to proceed against Secured Party or any other person, for reimbursement; (e) all duty or obligation of Secured Party to perfect, protect, retain or enforce any security for the payment of amounts payable by Debtor hereunder; and (f) any defense based on modification of the indebtedness secured hereby.

14. **Waiver of Jury Trial.** EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (a) ARISING UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY PRESENT OR FUTURE AMENDMENT HEREOF, OR (b) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HERewith, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF ANY RIGHT THEY MIGHT OTHERWISE HAVE TO TRIAL BY JURY.

15. **No Continuing Waiver.** No delay or failure on the part of Secured Party in the exercise of any right or remedy against Debtor or any other party against whom Secured Party
may have any rights, shall operate as a waiver of any agreement or obligation contained herein, and no single or partial exercise by Secured Party of any rights or remedies hereunder shall preclude other or further exercise thereof or other exercise of any other right or remedy whether contained in this Agreement or in any of the other documents regarding the Obligations, including, without limitation, the Operating Agreement. No waiver of the rights of Secured Party hereunder or in connection herewith and no release of Debtor shall be effective unless in writing executed by Secured Party. No actions of Secured Party permitted under this Agreement shall in any way impair or affect the enforceability of any agreement or obligation contained herein.

16. Independent Obligations. The obligations of Debtor are independent of the obligations of any other party which may be initially or otherwise responsible for performance or payment of the Obligations, and a separate action or actions for payment, damages or performance may be brought and prosecuted by Secured Party against Debtor, individually, for the full amount of the Obligations then due and payable, whether or not an action is brought against any other party, whether or not Secured Party is involved in any proceedings and whether or not Secured Party or Debtor or other person is joined in any action or proceedings.

17. No Offset Rights of Debtor. No lawful act of commission or omission of any kind or at any time upon the part of Debtor shall in any way affect or impair the rights of Secured Party to enforce any right, power or benefit under this Agreement, and no set-off, recoupment, counterclaim, claim, reduction or diminution of any obligation or any defense of any kind or nature which Debtor has or may have against any Secured Party or against any other party shall be available against Secured Party in any suit or action brought by Secured Party to enforce any right, power or benefit under this Agreement.

18. Power of Attorney. Debtor hereby appoints Secured Party as its attorney-in-fact to execute and file on its behalf any financing statements, continuation statements or other documentation required to perfect or continue the security interest created hereby. This power, being coupled with an interest, shall be irrevocable until all amounts secured hereby have been paid, satisfied and discharged in full.

19. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS. THE PARTIES HERETO AGREE THAT IN THE EVENT OF DEFAULT, THIS AGREEMENT MAY BE ENFORCED IN ANY COURT OF COMPETENT JURISDICTION IN THE STATE OF TEXAS AND ANY STATE IN WHICH ALL OR ANY PART OF THE COLLATERAL IS LOCATED AND THEY DO HEREBY SUBMIT TO THE JURISDICTION OF ANY AND ALL SUCH COURTS REGARDLESS OF THEIR PRINCIPAL PLACE OF BUSINESS OR WHERE THIS AGREEMENT MAY BE EXECUTED.

20. Successors and Assigns. All agreements, covenants, conditions and provisions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties hereto.

21. Notices. Whenever any party hereto shall desire to, or be required to, give or serve any notice, demand, request or other communication with respect to this Agreement, each
such notice, demand, request or communication shall be in writing and shall be effective only if the same is delivered by personal service (including, without limitation, courier or express service) or mailed certified or registered mail, postage prepaid, return receipt requested, or sent by electronic mail to the parties at the addresses and email addresses shown throughout this Agreement or such other addresses which the parties may provide to one another in accordance herewith. If notice is sent to Secured Party, a copy of such notice shall also be given to Matthew W. Mullen, Esq., Nixon Peabody LLP, 799 9th Street NW, Suite 500, Washington, DC 20001-5327; Email: mmullen@nixonpeabody.com. Notices delivered personally will be effective upon delivery to an authorized representative of the party at the designated address; notices sent by mail in accordance with the above paragraph will be effective upon execution by the addressee of the Return Receipt Requested.

22. Consent of Debtor. Debtor consents to the exercise by Secured Party of any rights of Debtor in accordance with the provisions of this Agreement.

23. Severability. Every provision of this Agreement is intended to be severable. If any term or provision hereof is declared by a court of competent jurisdiction to be illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the legality or validity of the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable.

24. Amendment. This Agreement may be modified or rescinded only by a writing expressly relating to this Agreement and signed by all of the parties.

25. Termination. This Agreement shall terminate, and shall be of no further force or effect, upon the earlier to occur of the repayment in full of the Obligations of Debtor or upon the mutual consent of Debtor and Secured Party.

PLEDGE AND SECURITY AGREEMENT

(Developer)

THIS PLEDGE AND SECURITY AGREEMENT (this “Agreement”) is made as of February 1, 2019, by SAIGEBROOK DEVELOPMENT, LLC, a Florida limited liability company (“Saigebrook”) and O-SDA Industries, LLC, a Texas limited liability company (“O-SDA” and together with Saigebrook, the “Debtor”), whose addresses are set forth below, for the benefit of the HCP-ILP, LLC, a Nevada limited liability company (the “Secured Party”), whose address is 15910 Ventura Boulevard, Suite 1100, Encino, California 91436, Attention: Jeffrey N. Weiss.

A. Saigebrook Canova, LLC, a Texas limited liability company (the “Co-Managing Member”), is the co-managing member, O-SDA Canova, LLC, a Texas limited liability company (the “Administrative Member”) is the administrative member and Secured Party is the investor member in Canova Palms, LLC, a Texas limited liability company (the “Company”), and the Company is governed by its First Amended and Restated Operating Agreement dated as of February 1, 2019 (the “Operating Agreement”). Capitalized terms not otherwise defined herein shall have the definitions given them in the Operating Agreement.

B. The Company and Debtor have entered into that certain Development Agreement (the “Development Agreement”) dated of even date herewith, wherein, among other things, the Company agrees to pay Debtor a Development Fee under the terms of the Development Agreement (the “Development Fee”).

C. In order to secure the full payment and performance by: (a) Debtor of all of Debtor’s obligations, duties, expenses and liabilities under or in connection with the Development Agreement as the Development Agreement may be now or hereafter amended, modified or restated; and (b) the Managing Member of all of the Managing Member’s obligations, duties, expenses and liabilities under or in connection with the Operating Agreement and the Managing Member Pledge, as the Operating Agreement and the Managing Member Pledge may be now or hereafter amended, modified or restated (such obligations, duties, expenses and liabilities set forth in clauses (a) and (b) hereof and all other sums of any kind which may or shall become due thereunder are collectively referred to herein as the “Obligations”), Debtor is entering into this Agreement for the benefit of Secured Party.

NOW, THEREFORE, in order to induce Secured Party to enter into the Operating Agreement with the Managing Member, and in consideration of the recitals, covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Definitions.

(a) “Collateral” shall mean the following:

(i) Any and all fees and charges to be paid by the Company to Debtor, whether paid or unpaid, whether now owned or hereafter acquired, and whether arising under the
Operating Agreement, the Development Agreement, or otherwise, including, without limitation, the Development Fee; and

(ii) All proceeds, whether cash proceeds or noncash proceeds, and products of any and all of the foregoing.

(b) “Event of Default” shall mean an event of default described in Paragraph 8 herein.

2. Pledge of Collateral and Grant of Security Interest. Debtor does hereby unconditionally and irrevocably assign, pledge, convey, transfer, deliver, set over and grant unto Secured Party, its successors and assigns, as security for Debtor’s, the Company’s and the Managing Member’s complete and timely payment and performance of the Obligations, a continuing first priority security interest under the Uniform Commercial Code of the State of Texas in the Collateral and Debtor agrees, upon request, to deliver any other documents which Secured Party may reasonably request from time-to-time to further evidence, perfect or secure the liens and security interests created by this Agreement. Debtor acknowledges that Secured Party shall prepare and file UCC Financing Statements suitable for filing in the appropriate jurisdictions with respect to the Collateral and consents to such filing.

3. Delivery to Secured Party. Debtor agrees to execute and to cause all other necessary parties, and any successors and assigns thereof, to execute and deliver to Secured Party such other agreements, instruments and documentation as Secured Party may reasonably request from time to time to effect the conveyance, transfer, and grant to Secured Party of each and all of Debtor’s right, title and interest in and to the Collateral as security for the Obligations.

4. Proceeds and Products of the Collateral.

(a) Unless and until there occurs an Event of Default, Secured Party agrees to forbear in exercising its right to receive all benefits pertaining to the Collateral, and Debtor shall be permitted to exercise all rights and to receive all benefits of the Collateral, including, without limitation, the right to exercise all voting, approval, consent and similar rights of Debtor pertaining to the Collateral, payments due under, proceeds, whether cash proceeds or noncash proceeds, and products of the Collateral and retain and enjoy the same, provided, however, that Debtor shall not cast any vote or give any approval, consent, waiver or ratification or take any action which would be inconsistent with or violate any provision of this Agreement.

(b) Debtor acknowledges and agrees with Secured Party, that unless Secured Party otherwise consents, in Secured Party’s sole discretion, Debtor shall not exercise any voting, approval, consent or other rights with respect to the Collateral at any time (i) after the occurrence of an Event of Default, and (ii) delivery of notice from Secured Party instructing Debtor not to exercise any such voting, approval, consent or other rights with respect to the Collateral; provided, however, that Debtor shall exercise any such right it may have under the Development Agreement as is reasonably necessary to protect and preserve the Collateral.

(c) Upon or at any time after the occurrence of an Event of Default, Secured Party, at its option to be exercised in its sole discretion, may exercise all rights and remedies granted under this Agreement, including, without limitation, the right to require the obligors
under the Collateral to make all payments due under and to pay all proceeds, whether cash
proceeds or noncash proceeds, and products of the Collateral to Secured Party. Upon the giving
of any such notice, the security constituted by this Agreement shall become immediately
enforceable by Secured Party, without any presentment, further demand, protest or other notice
of any kind, all of which are hereby expressly and irrevocably waived by Debtor. Debtor hereby
authorizes and directs each respective obligor under the agreements constituting the Collateral,
that upon receipt of written notice from Secured Party of an Event of Default by Debtor
hereunder, to assign, set over, transfer, distribute, pay and deliver any and all Collateral or said
payments, proceeds or products of the Collateral to Secured Party, at such address as Secured
Party may direct, at such time and in such manner as Collateral and such payments, proceeds and
products of the Collateral would otherwise be distributed, transferred, paid or delivered to
Debtor. The respective obligors under the agreements constituting the Collateral shall be entitled
to conclusively rely on such notice and make all such assignments and transfers of the Collateral
and all such payments with respect to the Collateral and pay all such proceeds and products of
the Collateral to Secured Party and shall have no liability to Debtor for any loss or damage
Debtor may incur by reason of said reliance.

5. No Assumption. Notwithstanding any of the foregoing, whether or not an Event
of Default has occurred, and whether or not Secured Party elects to foreclose on its security
interest in the Collateral as set forth herein, neither the execution of this Agreement, receipt by
Secured Party of any of Debtor’s right, title and interest in and to the Collateral and the
payments, proceeds and products of the Collateral, now or hereafter due to Debtor from any
obligor of the Collateral, nor Secured Party’s foreclosure of its security interest in the Collateral,
shall in any way be deemed to obligate Secured Party to assume any of Debtor’s obligations,
duties, expenses or liabilities under the Collateral or any agreements constituting the Collateral,
as presently existing or as hereafter amended, or under any and all other agreements now existing
or hereafter drafted or executed (collectively, “Debtor’s Liabilities”), unless Secured Party
otherwise agrees to assume any or all of Debtor’s Liabilities in writing. In the event of
foreclosure by Secured Party of its security interest in the Collateral, Debtor shall remain bound
and obligated to perform its Debtor’s Liabilities and Secured Party shall not be deemed to have
assumed any of Debtor’s Liabilities, except as provided in the preceding sentence. If the entity
or person acquiring the Collateral at a foreclosure sale elects to assume Debtor’s Liabilities, such
assignee shall agree to be bound by the terms and provisions of the applicable agreement.

6. Indemnification. Debtor hereby agrees to indemnify, defend and hold Secured
Party, its successors and assigns harmless from and against any and all damages, losses, claims,
costs or expenses (including reasonable attorneys’ fees) and any other liabilities whatsoever that
Secured Party or its successors or assigns may incur by reason of this Agreement or by reason of
any assignment by Debtor of Debtor’s right, title and interest in and to any or all of the
Collateral.

7. Representations, Warranties and Covenants. In addition to the representations,
warranties and covenants made by the Debtor in the Development Agreement, the Debtor makes
the following representations and warranties, which shall be deemed to be continuing
representations and warranties in favor of Secured Party, and covenants and agrees to perform all
acts necessary to maintain the truth and correctness, in all material respects, of the following
(provided that, each such representation, warranty, and covenant is made by Saigebrook and O-SDA only as to itself and not the other Debtor):

(a) Debtor owns the Collateral free and clear of any and all claims, liens or encumbrances.

(b) Debtor has delivered to Secured Party true and complete copies of the Development Agreement and any other agreements pertinent to the Collateral, and such agreements are currently in full force and effect and have not been amended or modified except as disclosed to Secured Party in writing.

(c) Debtor has the full right and title to its interest in the Collateral and has the full power, legal right and authority to pledge, convey, transfer and assign such interest. None of the Collateral is subject to any existing or subsequent assignment, claim, lien, pledge, transfer or other security interest of any character, or to any attachment, levy, garnishment or other judicial process or to any claim for set-off, counterclaim, deduction or discount. Debtor shall not, without the prior written consent of Secured Party, which consent may be granted or denied in Secured Party’s sole discretion, further convey, transfer, set over or pledge to any party any of its interests in the Collateral. Debtor agrees to (i) warrant and defend its title to the Collateral and the security interest created by this Agreement against all claims of all persons (other than Secured Party and persons claiming through Secured Party), and (ii) maintain and preserve the Collateral and such security interests.

(d) Saigebrook’s Employer Identification Number is 45-3062708, and its principal place of business is located at 412 W 3rd Street, Suite 1504, Austin, Texas 78701. O-SDA’s Employer Identification Number is 80-0641068, and its principal place of business is located at 5714 Sam Houston Circle, Austin, Texas 78731.

(e) Debtor agrees that it shall not, without at least thirty (30) days’ prior written notification to Secured Party, move or otherwise change its principal place of business or state of formation.

(f) Debtor shall not exercise any voting rights, or give any approvals, consents waiver or other ratifications in respect to the Collateral which would violate or contravene, or which would cause or otherwise authorize Debtor to violate or contravene, any provision of this Agreement.

(g) This Agreement and consummation of the transactions contemplated herein are not in conflict with and will not result in a breach of any of the terms, provisions or conditions of any other agreement or instrument to which Debtor may be bound, including, without limitation, the organizational documents for Debtor, or of any order, judgment, law, rule or regulation of any court or governmental body or administrative agency applicable to Debtor.

8. **Event of Default.** Each of the following shall constitute an Event of Default hereunder:
(a) An event of default has occurred under the Development Agreement or the Operating Agreement, and such default shall not have been cured within any applicable grace period provided therein; or

(b) Any warranty, representation or statement of Debtor in this Agreement proves to have been false in any material respect when made or furnished; or

(c) There occurs the issuance of a writ, order of attachment or garnishment with respect to any of the Collateral and such writ, order of attachment or garnishment is not dismissed and removed within fifteen (15) days thereafter; or

(d) A material breach or violation of any covenant or agreement contained herein has occurred, which is not cured within ten (10) days after notice has been given to Debtor by Secured Party.

9. Remedies.

(a) Upon the occurrence of an Event of Default, Secured Party may, by giving notice of such Event of Default, at its option, do any one or more of the following:

(i) Declare all of the Obligations secured hereby to be immediately due and payable, whereupon all unpaid principal and interest on said Obligations and other amounts declared due and payable shall become immediately due and payable without presentment, demand, protest or notice of any kind; and

(ii) Take possession of all or any of the Collateral, collect, and apply against the Obligations, all payments due, proceeds, whether cash proceeds or noncash proceeds, and products from any obligor under the agreements constituting the Collateral, that would otherwise be paid to Debtor; and

(iii) Either personally, or by means of a court appointed receiver, take possession of all or any of the Collateral and exclude therefrom Debtor and all others claiming under Debtor, and thereafter exercise all rights and powers of Debtor with respect to the Collateral or any part thereof. If Secured Party demands, or attempts to take possession of any of the Collateral in the exercise of any rights under this Agreement, Debtor promises and agrees to promptly turn over and deliver complete possession thereof to the Secured Party; and

(iv) Without notice to or demand upon Debtor, make such payments and do such acts as Secured Party may deem necessary to protect its security interest in the Collateral, including, without limitation, paying, purchasing, contesting or compromising any encumbrance, charge or lien which is prior to or superior to the security interest granted hereunder, and in exercising any such powers or authority to pay all expenses incurred in connection therewith; and

(v) Require Debtor to take all actions necessary to deliver such Collateral to Secured Party, or an agent or representative designated by it. Secured Party, and its agents and representatives, shall have the right to enter upon any or all of Debtor’s premises and property to exercise the Secured Party’s rights hereunder; and
(vi) Foreclose upon this Agreement as herein provided or in any manner permitted by law, and exercise any and all of the rights and remedies conferred upon Secured Party by the Development Agreement or the Operating Agreement, or in any other document executed by Debtor in connection with the Obligations secured hereby, either concurrently or in such order as Secured Party may determine; and sell or cause to be sold in such order as Secured Party may determine, as a whole or in such parcels as Secured Party may determine, the Collateral, without affecting in any way the rights or remedies to which Secured Party may be entitled under the other such instruments; and

(vii) Sell or otherwise dispose of the Collateral at public sale, without having the Collateral at the place of sale, and upon terms and in such manner as Secured Party may determine. Any Secured Party may be a purchaser at any sale; and

(viii) Exercise any remedies of Secured Party under the Uniform Commercial Code of the State of Florida, Uniform Commercial Code of the State of Texas or any other applicable law; and

(ix) The rights granted to Secured Party under this Agreement are of a special, unique, unusual and extraordinary character. The loss of any of such rights cannot reasonably or adequately be compensated by way of damages in any action at law, and any material breach by Debtor of any of Debtor’s covenants, agreements or obligations under this Agreement will cause Secured Party irreparable injury and damage. In the event of any such breach, Secured Party shall be entitled, as a matter of right, to injunctive relief or other equitable relief in any court of competent jurisdiction to prevent the violation or contravention of any of the provisions of this Agreement or to compel compliance with the terms of this Agreement by Debtor. Secured Party is absolutely and irrevocably authorized and empowered by Debtor to demand specific performance of each of the covenants and agreements of Debtor in this Agreement. Debtor hereby irrevocably waives any defense based on the adequacy of any remedy at law which might otherwise be asserted by Debtor as a bar to the remedy of specific performance in any action brought by Secured Party against Debtor to enforce any of the covenants or agreements of Debtor in this Agreement.

(b) Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Secured Party shall give Debtor at least ten (10) days’ prior written notice of the time and place of any public sale of the Collateral subject to this Agreement or other intended disposition thereof to be made. Such notice shall be conclusively deemed to have been delivered to Debtor at the address set forth in Paragraph 7(d) of this Agreement, unless Debtor shall Notify Secured Party in writing of its change of its principal place of business and provide Secured Party with the address of its new principal place of business.

(c) The proceeds of any sale under Paragraph 9(a) above shall be applied as follows:

(x) To the repayment of the costs and expenses of retaking, holding and preparing for the sale and the selling of the Collateral (including actual legal expenses and attorneys’ fees) and the discharge of all assessments, encumbrances, charges or liens, if any, on
the Collateral prior to the lien hereof (except any taxes, assessments, encumbrances, charges or
liens subject to which such sale has been made);

(xi) To the payment of the whole amount then due and unpaid of the
Obligations;

(xii) To the payment of all other amounts then secured hereby; and

(xiii) The aggregate surplus, if any, shall be paid to Debtor in a lump
sum, without recourse to Secured Party, or as a court of competent jurisdiction may direct.

(d) Secured Party has the right to enforce one or more remedies hereunder
and/or under the Development Agreement, successively or concurrently, and such action shall
not operate to estop or prevent Secured Party from pursuing any further remedy which it may
have, and any repossession or retaking or sale of the Collateral pursuant to the terms hereof shall
not operate to release Debtor until full payment of any deficiency has been made in cash.

(e) DEBTOR ACKNOWLEDGES THAT SECURED PARTY MAY BE
UNABLE TO EFFECT A PUBLIC SALE OF ALL OR ANY PART OF THE COLLATERAL
AND MAY BE COMPELLED TO RESORT TO ONE OR MORE PRIVATE SALES TO A
RESTRICTED GROUP OF PURCHASERS WHO WILL BE OBLIGATED TO AGREE,
AMONG OTHER THINGS, TO ACQUIRE THE COLLATERAL FOR THEIR OWN
ACCOUNT, FOR INVESTMENT AND NOT WITH A VIEW TO THE DISTRIBUTION OR
RESALE THEREOF. DEBTOR FURTHER ACKNOWLEDGES THAT ANY SUCH
PRIVATE SALES MAY BE AT PRICES AND ON TERMS LESS FAVORABLE THAN
THOSE OF PUBLIC SALES, AND AGREES THAT SUCH PRIVATE SALES SHALL BE
DEEMED TO HAVE BEEN MADE IN A COMMERCIALY REASONABLE MANNER
AND THAT SECURED PARTY HAS NO OBLIGATION TO DELAY SALE OF ANY
COLLATERAL TO PERMIT THE ISSUER THEREOF TO REGISTER IT FOR PUBLIC
SALE UNDER THE SECURITIES ACT OF 1933. DEBTOR AGREES THAT SECURED
PARTY SHALL BE PERMITTED TO TAKE SUCH ACTIONS AS SECURED PARTY
DEEMS REASONABLY NECESSARY IN DISPOSING OF THE COLLATERAL TO AVOID
CONDUCTING A PUBLIC DISTRIBUTION OF SECURITIES IN VIOLATION OF THE
SECURITIES ACT OF 1933 OR THE SECURITIES LAWS OF ANY STATE, AS NOW
ENACTED OR AS THE SAME MAY IN THE FUTURE BE AMENDED, AND
ACKNOWLEDGES THAT ANY SUCH ACTIONS SHALL BE COMMERCIALY
REASONABLE. IN ADDITION, DEBTOR AGREES TO EXECUTE, FROM TIME TO
TIME, ANY AMENDMENT TO THIS AGREEMENT OR OTHER DOCUMENT AS
SECURED PARTY MAY REASONABLY REQUIRE TO EVIDENCE THE
ACKNOWLEDGMENTS AND CONSENTS OF DEBTOR SET FORTH IN THIS
PARAGRAPH.

10. Attorneys’ Fees. Debtor agrees to pay to Secured Party, without demand,
reasonable attorneys’ fees and all costs and other expenses which Secured Party expends or
incurs in collecting any amounts payable by Debtor hereunder or in enforcing this Agreement
against Debtor, whether or not suit is filed.
11. **Further Documentation.** Debtor hereby agrees to execute, from time to time, one or more financing statements and such other instruments as may be required to perfect the security interest created hereby, including any continuation or amendments of such financing statements, and pay the cost of filing or recording the same in the public records specified by Secured Party.

12. **Waiver and Estoppel.** Debtor represents and acknowledges that it knowingly waives each and every one of the following rights, and agrees that it will be estopped from asserting any argument to the contrary: (a) any promptness in making any claim or demand hereunder; (b) any defense that may arise by reason of the incapacity, lack of authority, death or disability of Debtor or the failure to file or enforce a claim against Debtor’s estate (in administration, bankruptcy or any other proceeding); (c) any defense based upon an election of remedies by Secured Party which destroys or otherwise impairs any or all of the Collateral; (d) the right of Debtor to proceed against Secured Party or any other person, for reimbursement; (e) all duty or obligation of Secured Party to perfect, protect, retain or enforce any security for the payment of amounts payable by Debtor hereunder; and (f) any defense based on modification of the indebtedness secured hereby.

13. **Waiver of Jury Trial.** EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (a) ARISING UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY PRESENT OR FUTURE AMENDMENT HEREOF, OR (b) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS AGREEMENT OR ANY OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HEREWITH, OR THE TRANSACTIONS RELATED HERETO OR THERETO, IN EACH CASE WHETHER SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION IS NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF ANY RIGHT THEY MIGHT OTHERWISE HAVE TO TRIAL BY JURY.

14. **No Continuing Waiver.** No delay or failure on the part of Secured Party in the exercise of any right or remedy against Debtor or any other party against whom Secured Party may have any rights, shall operate as a waiver of any agreement or obligation contained herein, and no single or partial exercise by Secured Party of any rights or remedies hereunder shall preclude other or further exercise thereof or other exercise of any other right or remedy whether contained in this Agreement or in any of the other documents regarding the Obligations, including, without limitation, the Development Agreement and the Operating Agreement. No waiver of the rights of Secured Party hereunder or in connection herewith and no release of Debtor shall be effective unless in writing executed by Secured Party. No actions of Secured
Party permitted under this Agreement shall in any way impair or affect the enforceability of any agreement or obligation contained herein.

15. **Independent Obligations.** The obligations of Debtor are independent of the obligations of any other party which may be initially or otherwise responsible for performance or payment of the Obligations, and a separate action or actions for payment, damages or performance may be brought and prosecuted by Secured Party against Debtor, individually, for the full amount of the Obligations then due and payable, whether or not an action is brought against any other party, whether or not Secured Party is involved in any proceedings and whether or not Secured Party or Debtor or other person is joined in any action or proceedings.

16. **No Offset Rights of Debtor.** No lawful act of commission or omission of any kind or at any time upon the part of Debtor shall in any way affect or impair the rights of Secured Party to enforce any right, power or benefit under this Agreement, and no set-off, recoupment, counterclaim, claim, reduction or diminution of any obligation or any defense of any kind or nature which Debtor has or may have against Secured Party or against any other party shall be available against Secured Party in any suit or action brought by Secured Party to enforce any right, power or benefit under this Agreement.

17. **Power of Attorney.** Debtor hereby appoints Secured Party as its attorney-in-fact to execute and file on its behalf any financing statements, continuation statements or other documentation required to perfect or continue the security interest created hereby. This power, being coupled with an interest, shall be irrevocable until all amounts secured hereby have been paid, satisfied and discharged in full.

18. **GOVERNING LAW.** THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS. THE PARTIES HERETO AGREE THAT IN THE EVENT OF DEFAULT, THIS AGREEMENT MAY BE ENFORCED IN ANY COURT OF COMPETENT JURISDICTION IN THE STATE OF TEXAS, AND ANY STATE IN WHICH ALL OR ANY PART OF THE COLLATERAL IS LOCATED AND THEY DO HEREBY SUBMIT TO THE JURISDICTION OF ANY AND ALL SUCH COURTS REGARDLESS OF THEIR PRINCIPAL PLACE OF BUSINESS OR WHERE THIS AGREEMENT MAY BE EXECUTED.

19. **Successors and Assigns.** All agreements, covenants, conditions and provisions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties hereto.

20. **Notices.** Whenever any party hereto shall desire to, or be required to, give or serve any notice, demand, request or other communication with respect to this Agreement, each such notice, demand, request or communication shall be in writing and shall be effective only if the same is delivered by personal service (including, without limitation, courier or express service) or mailed certified or registered mail, postage prepaid, return receipt requested, or sent by electronic mail to the parties at the addresses and email addresses shown throughout this Agreement or such other addresses which the parties may provide to one another in accordance herewith. If notice is sent to Secured Party, a copy of such notice shall also be given to to Matthew W. Mullen, Esq., Nixon Peabody LLP, 799 9th Street NW, Suite 500, Washington, DC

22. **Severability.** Every provision of this Agreement is intended to be severable. If any term or provision hereof is declared by a court of competent jurisdiction to be illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the legality or validity of the balance of the terms and provisions hereof, which terms and provisions shall remain binding and enforceable.

Information on renter's insurance is available from the Texas Department of Insurance.

9. Special Provisions. The following or attached special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Lease and will supersede any conflicting provisions of this printed Lease form.

10. Unlawful Early Move-Out And Reletting Charge. 10.1 Your Responsibility. You'll be liable for a reletting charge of (not to exceed 85% of the highest monthly rent during the Lease term) if (a) fail to move in, or (b) fail to give written move-out notice as required by Par. 29, or (c) move out without paying rent in full for the entire lease term or renewal period. (d) move out at our demand because of your default or (e) are judicially evicted. The reletting charge is not a cancellation fee and does not release you from your obligations under this Lease. See the next section.
10.2 Not a Release. The reletting clause is neither a lease cancellation nor a buyout fee. It is a liquidated amount covering only part of our damages—for our time, effort, and expenses in finding and processing a replacement resident. These damages are uncertain and hard to ascertain—particularly those relating to inconvenience, paperwork, advertising showing apartments, utilities for showing, checking prospects, overhead, marketing costs, and broker-service fees. You agree that the reletting charge is a reasonable estimate of our damages and that the charge is due whether or not our reletting attempts succeed. If no amount is stipulated, you must pay our actual reletting costs as far as they can be determined. The reletting charge doesn’t release you from continued liability for future or past-due rent; for cleaning, repairing, repainting, or dealing with unreturned keys or other sums due.

11.1 What We Provide. Texas Property Code Secs. 92.131, 92.133, and 92.134 require, with some exceptions, that we provide at no cost to you when occupancy begins: (A) a window latch on each window; (B) a door viewer (peep-hole) on each exterior door; (C) a pin lock on each sliding door; (D) either a door-handle latch or a security bar on each sliding door; (E) a keyless bolting device (deadbolt) on each exterior door; and (F) either a keyed deadbolt lock or a keyed deadbolt lock on one entry door. Keyed locks will be replaced after the prior resident moves out. The rekeying will be done either before you move in or within 7 days after you move in, as required by law. If we fail to install or rekey security devices as required by law, you have the right to do so and deduct the reasonable cost from your next rent payment under Texas Property Code Sec. 92.134. We may rekey or replace or install keyless bolting devices on your doors if (A) you or an occupant in the dwelling is over 55 or disabled, and (B) the requirements of Texas Property Code Sec. 92.134(f) or (f) are satisfied.

11.2 Who Pays What. We’ll pay for installing security devices that are required by law. You/Tenant(s) pay for any required repairs or replacements because of misuse or damage by you or your family, your occupants, your guests, or you. You must pay immediately after the work is done unless state law authorizes advance payment. You may also pay in advance for any additional or changed security devices you request.

12. Other Utilities and Services. Television channels that are provided may be changed during the lease term if the change applies to all residents. You may use utilities only for normal household purposes and must not waste them. If your electricity is interrupted, you must use only battery-operated lighting (no flames). You must not allow any utilities (other than cable or internet) to be cut off or switched off for any reason—including disconnection for not paying your bill—until the lease term or renewal period ends. If a utility is subcontracted or provided by an allocation formula, we’ll attach an addendum to this lease in compliance with state-agency rules. If your utility is individualized, it must be connected in your name and you must notify the provider of your move-in date so the meter can be turned on. If you delay getting it turned on in your name by the lease’s start date or cause it to be transferred back into our name before you surrender or abandon the apartment, you’ll be liable for a $50.00 charge (not to exceed $50 per violation) plus the actual estimated cost of the utilities used while the utility should have been connected in your name. If you’re in an area open to competition and your apartments are individually metered, you may choose or change your electric utility provider at any time. You qualify, your provider will be the same as ours, unless you choose a different provider. If you choose or change your provider, you must give us written notice. You must pay all applicable provider fees, including any fees to change service back into our name after you move out.

Special Provisions and “What If” Clauses

You must promptly pay or reimburse us for loss, damage, consequential damages, government fines or charges, or cost of repairs or service in the apartment community because of a lease or rules violation (including use, negligence, conduct by you, your invitees, your occupants, or your guests; or any other cause not due to our negligence or fault as allowed by law, except for damages by acts of God to the extent they couldn’t be mitigated by your action or inaction.

For this purpose, “apartment” excludes common areas but includes the interior living areas and common spaces, balconies, attached garages, and any storage for your exclusive use.

14.2 Removal After We Exercise Lien for Rent. If your rent is delinquent, our representative may peacefully enter the apartment, and remove and store all property subject to lien. All property in the apartment is presumed to be yours unless otherwise proved. After the property is removed, we’ll make a written notice of entry leaving a copy in a conspicuous place on your apartment—indicating a list of items removed, the amount of delinquent rent due, and the place, address, and phone number of the person to contact. The notice must also state that the property will be promptly released returned when the delinquent rent is fully paid.

14.3 Removal After Surrender, Abandonment, or Eviction. We, or our officers, may remove and store all property remaining in the apartment or in common areas (including any vehicles you or any occupant or guest owns or uses if you’re judicially evicted or if you surrender or abandon the apartment [see definitions in Par. 4(b)]).

(B) Property removed after surrender, abandonment, or judicial eviction. If we’ve removed and stored property after surrender, abandonment, or judicial eviction, you may redeem only by paying all sums you owe, including rent, late charges, reletting charges, storage charges, damages, etc.

(C) Place and payment for return. We may return redeemed property at the place of storage, the management office, or the apartment (at our option). We may require payment by cash, money order, or certified check.

14.6 Disposition or Sale.

(A) Our options. Except for animals and property removed after the death of a sole resident, we may throw away or give to a charitable organization all personal property that:
(I left the apartment after surrender or abandonment; or
(I left outside more than one hour after work of possession is executed, following judicial eviction.

(B) Animals. An animal removed after surrender, abandonment, or eviction may be kennelled or turned over to a local authority, humane society, or other organization.

If you do not pay the first month's rent when the lease begins, all future rent for the lease term will be automatically accelerated without notice and become immediately due. 17.3 Notice of Delay. If there is a delay of your occupancy and we haven't given notice of delay as set forth immediately below, you may terminate this Lease up to the date when the apartment is ready for occupancy, but not later.
(a) if we give written notice to any of you or your occupants when or after the Lease begins—and the notice states that occupancy has been delayed because of construction or a previous resident's holding over, and that the apartment will be ready on a specific date—you may terminate the Lease within 3 days after you receive written notice, but no less.
(b) if we receive any of you written notice before the date the Lease begins and the notice states that a construction delay is expected and that the apartment will be ready for you to occupy on a specific date, you may terminate the Lease within 7 days after receiving written notice, but no later. The readiness date stated in the written notice becomes the new effective lease date for all purposes. This new date can't be moved to an earlier date unless we and you agree in writing.

18. Disclosure of Information. If someone requests information about you or your rental history for law enforcement, government, or business purposes, we may provide it. At our request, any utility provider may give us information about pending or actual connections or disconnections of utility service to your apartment.

19. Community Policies and Rules. 19.1 Generally. Our rules are considered part of this Lease. You, your occupants, and your guests must comply with all written apartment rules and community policies, including instructions for care of our property. We may regulate:
(A) the use of patios, balconies, and porches; (B) the conduct of furniture movers and delivery persons; and (C) activities in common areas. We may make reasonable changes to written rules, and those rules can become effective immediately if the rules are distributed and applicable to all units in the apartment community and do not increase the dollar amount on pages 1 or 2 of this Lease.

19.2 Some Specifics. Your apartment and other areas reserved for your primary use must be kept clean. Trash must be disposed of at least weekly in appropriate receptacles in accordance with local ordinances. Pets are permitted only for entry or exit. Any swimming pools, saunas, spas, tennis courts, exercise rooms, storage rooms, laundry rooms, and similar areas must be used with care in accordance with apartment rules and posted signs.

19.3 Limitations on Conduct. Glass containers are prohibited in or near pools and all other common areas. Within the apartment community, you, your occupants, and your guests must not use candles or kerosene lamps or heaters without our prior written approval, or use on balconies or outside. You, your occupants, and your guests must not solicit business or contributions. Conducting any kind of business (including child care services) in your apartment or in the apartment community is prohibited—except that any lawful business conducted at home by computer, mail, or telephone is permissible if customers, clients, patients, or other business associates do not come to your apartment for business purposes.

19.4 Exclusion of Persons. We may exclude from the apartment community any guests or others who, in our judgment, have violated our rules, or disturbing other residents, neighbors, visitors, or officer representatives. We may also exclude from any outside area or common area anyone who refuses to show photo identification or refuses to identify himself or herself as a resident, an occupant, or a guest of a specific resident in the community.

19.5 Notice of Violations and Registration. You must notify us within 15 days if you or any of your occupants are convicted of (A) any felony, or (B) any misdemeanor involving a controlled substance, violence, or destruction of property. You must also notify us within 15 days if you or any of your occupants register as a sex offender. Informing us of a criminal conviction or sex-offender registration doesn't waive any rights we may have against you.

20. Prohibited Conduct. You, your occupants, and your guests may not engage in the following activities:
(a) criminal conduct; manufacturing, delivering, or possessing a controlled substance or drug paraphernalia, engaged in or threatening violence possessing a weapon prohibited by state law; discharging a firearm in the apartment community; displaying or possessing a gun, knife, or other weapon in the common area in a way that may alarm others
(b) behaving in a loud or notorious manner;
(c) disturbing or threatening the rights, comfort, health, safety, or convenience of others (including our agents and employees) in or near the apartment community;
(d) disposing of our business operations;
(e) storing anything in closets containing gas appliances;
(f) tampering with utilities or telecommunications;
(g) bringing hazardous materials into the apartment community;
(h) using windows for entry or exit;
(i) heating the apartment with a gas-operated cooking stove or oven;
(j) injuring our reputation by making bad faith allegations against us or others.

21. Parking. We may regulate the time, manner, and place of parking all cars, trucks, motorcycles, bicycles, boats, trailers, and recreational vehicles. Motorcycles or motorized bikes must not be parked inside an apartment, or sidewalks, under stairwells, or in handicapped parking areas. We may have any unauthorized and illegally parked vehicles towed or booted according to state law at the owner or operator's expense at any time if the vehicle:
(a) has a flat tire or is otherwise inoperable;
(b) is on jack stands, blocks, or a tire missing;
(c) takes up more than one parking space;
22. Release of Resident.

22.1 Generally. You may have the right under Texas law to terminate the Lease early in certain situations involving family violence, certain sexual offenses, or stalking. Otherwise, unless you’re entitled to terminate this Lease under Par. 8, 17, 23, 31, or 36, you won’t be released from this Lease for any reason—including voluntary or involuntary school withdrawal or transfer, voluntary or involuntary job transfer, marriage, separation, divorce, reconciliation, loss of close friends, loss of employment, bad health, property purchase, or death.

22.2 Death of Sole Resident. If you are the sole resident and die during the Lease term, an authorized representative of your estate may terminate the Lease without penalty by giving at least 30 days’ written notice. Your estate will be liable for paying rent until the latter of: (A) the termination date or (B) removal of all personal effects in the apartment. Your estate will also be liable for all changes and damages until the apartment is vacated, and any removal or storage costs.

23.1 Termination Rights. You may have the right under Texas law to terminate the Lease in certain situations involving military deployment or transfer. You may terminate the Lease if you are on active duty, or are deployed, for a period of at least 90 days in response to a national emergency declared by the President and: (a) are a member of the U.S. Armed Forces or Reserves; or (b) are a member of the National Guard called to active duty for more than 30 days in response to a national emergency declared by the President.

23.2 How to Terminate. Under this Par. 23, you must furnish a copy of your military orders, such as permanent-change-of-station orders, call-up orders, or deployment orders (or letter equivalent). Military permission for base housing doesn’t constitute a permanent-change-of-station order. If the resident is deployed, return your written termination notice, after which the Lease will be terminated under this military leave 90 days after the date your military reinstatement pay is due. After your move-out, we’ll return your security deposit, less lawful deductions.

23.3 Who May Be Released. For purposes of this Lease, orders described in (a) under this Par. 23.1 above will release only the resident who qualifies under both (a) and (b) above and receives the order during the Lease term, plus that resident’s spouse or legal dependents living in the resident’s household. A consistent who is not the spouse or dependent of a military resident cannot terminate under this military clause.

23.4 Your Representations. Unless you state otherwise in Par. 9 you represent when signing this Lease that: (a) you do not already have deployment or change-of-station orders; and (b) you will not be retiring from the military during the Lease term and (c) the terms of your enlistment or obligation will not end before the Lease term ends. You must notify us immediately if you’re called to active duty or receive deployment or permanent-change-of-station orders.

23.5 Damages for False Representations. Liquidated damages for making a false representation of the above will be the amount of unpaid rent for the remainder of the Lease term when and if you move out, minimized from others received in mitigation under Par. 32.6.

24.1 Disclaimer. We disclaim any express or implied warranties of safety. We care about your safety and that of other occupants and guests. You agree to make every effort to follow any Security Guidelines Addendum attached to this Lease. No security system is foolproof. Even the best system can’t prevent harm. Always turn off security systems don’t exist since they are subject to malfunction, tampering, and human error. The best security measures are the ones you take as a matter of common sense and habit.

24.2 Your Duty of Due Care. You, your occupants, and your guests must exercise due care for your own and others’ safety and security, especially in using smoke alarms and other detection devices, door and window locks, and other safety or security devices. Windows screens are not for security or to keep people from falling out of windows.

24.3 Laws and Detection Devices.

(A) What we’ll do. We’ll furnish smoke alarms or other detection devices required by law or ordinance. We may install additional detectors not so required. We’ll test them and provide working batteries when you first take possession of your apartment. Upon request, we’ll provide, as required by law, a smoke alarm capable of alerting a person with a hearing impairment disabled.

(b) Your duties. You must pay for and replace batteries as needed, unless the law provides otherwise. We may re- place dead or missing batteries at your expense, without prior notice to you. You must immediately report alarms or detector malfunctions to us. Neither you nor others may disable an alarm or detector.

If you damage or disable the smoke alarm, or remove a bat- tery without replacing it with working battery, you may be liable to us under Texas Property Code sec. 92.261 for $200 plus one month’s rent, actual dam- ages, and attorney’s fees. You’ll be liable to us and others if you fail to report malfunctions, or fail to report any fumes, damages, or fires resulting from flames, smoke, or water.

24.4 Loss. Unless otherwise required by law, we’re not liable to any resident, guest, or occupant for personal injury or damage, loss of personal property, or loss of business or personal income, from any cause, including fire, smoke, rain, flood, water leaks, hail, ice, snow, lightning, wind, explosions, interruption of utilities, pipe leaks, theft, vandalism, and negligent or intentional acts of residents, occupants, or guests. We have no duty to remove any ice, snow, or snow plow may remove any amount with or without no- tice. Unless we instruct otherwise, during freezing weather you must for 24 hours a day: (A) keep the apartment heated to at least 75° Fahrenheit; (B) keep cabinet and dis- eet doors open; and (C) keep hot and cold water faucets open. You’ll be liable for any damage to our and others’ property caused by broken water pipes due to your violating these requirements.

24.5 Crime or Emergency, Immediately dial 911 or call local medical-emergency, fire, or police personnel in case of accident, fire, smoke, suspected criminal activity, or any other emergency involving human harm. You should then contact our representative. None of our security measures are an express or implied warranty of security—or a guarantee against crime or of reduced risk of crime. Unless otherwise provided by law, we’re not liable to you, your occupants, or your guests for injury damage, or loss to person or property caused by crime or of other persons, including theft, burglary, assault, vandalism, or other crimes. Even if provided, we’re not obliged to furnish security personnel, patrol, lighting, gates, fences, or other forms of security services required. We’re not responsible for obtaining similar-hindsight similar to any residents, occupants, guests, or contractors in the apartment community. If you, your occupants, or your guests are affected by a crime, you must make a written report to the appropriate local law enforcement agency and to our representative. You must then give the law enforcement agency’s incident report number upon request.

25. Condition of the Premises and Alterations.

25.1 As-Is. We disclaim all implied warranties. You accept the apartment, fixtures, and furnishings as is, except for conditions materially affecting the health or safety of ordinary persons. You’ll be given an Inventory & Condition form on or before move-in. Within 45-days after move-in, you must note on the form any defects or damage, sign the form, and return it to us. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

4826-0680-0520.3
25.3 Standards and Improvements. You must use customary diligence and care in maintaining the apartment and not damaging or littering the common areas. Unless authorized by law or by us in writing, you must not do any repairs, painting, wall-papering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the apartment. Unless we state otherwise, we will permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and grooves of wood-paneled walls. No water furniture, washing machines, extra phone or television outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless allowed by law or we consent in writing. You may install a satellite dish or antenna lease addendum, which complies with reasonable restrictions allowed by federal law. You must not alter, damage, or remove our property, including alarm systems, detection devices, furnaces, telephones, television wiring, screens, locks, and security devices. When you move in, we’ll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment. After that, you’ll replace them at your expense with bulbs of the same type and wattage. Your improvements to the apartment (made with or without our consent) become ours unless we agree otherwise in writing.

25.4 Fair Housing. We are committed to the principles of fair housing. In accordance with fair housing laws, we’ll make reasonable accommodations to our rules, policies, practices, or services. We’ll allow reasonable modifications of your lease and these additional laws to deny disabled persons access to and use of this apartment community. We may require you to sign an addendum regarding the implementation of any accommodations or modifications, as well as your restoration obligations, if any.

26. Requests, Repairs, and Malfunctions. 26.1 Written Requests Required. If you or any occupant need to send a notice or request—for example, for repairs, installations, services, ownership disclosure, or security-related matters—we must be written, signed, and delivered to our designated representative (in case of fire, smoke, gas, explosion, overflowing sewerage, uncontrollable running water, electrical shorts, crime in progress, or fair housing accommodations or modifications). Your written request must not constitute a written request from you. Our complying with or responding to any oral request regarding security or any other matter doesn’t waive the strict requirement for written requests to us.

26.2 Required Notifications. You must promptly notify us in writing of water leaks, mold, electrical problems, malfunctioning lights, broken or missing locks or latches, and other conditions that pose a hazard to property, health, or safety.

26.3 Utilities. We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately.

26.4 Air-Conditioning and Other Equipment. Air-conditioning problems are normally not emergencies. If any air-conditioning or other equipment malfunctions, you must notify us as soon as possible on a business day. We’ll act with customary diligence to make repairs and reconstructions, taking into consideration when casualty-insurance proceeds are received. Your rent will not be abated in whole or in part.

26.5 Our Right to Terminate. If we believe that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to you, we may terminate this Lease by giving you at least 30 days’ written notice of termination. If we are demolishing your apartment or closing it, you will not be allowed to reside for restoration purposes for at least 3 months. If the lease is not terminated, we’ll refund procured rent and all deposits, less lawful deductions. We may also remove personal property if it causes a health or safety hazard.

27. Animals.

27.1 No Animals Without Consent. No animals (including mammals, reptiles, birds, fish, rodents, amphibians, arachnids, and insects) are allowed, even temporarily, anywhere in the apartment or apartment community unless we’ve given written permission. If we allow an animal, you must sign a separate animal addendum and, except as set forth in the addendum, pay an animal deposit. An animal deposit is considered a general security deposit.

The animal addendum includes information governing animals, including assistance or service animals. We authorize an assistance or support animal for a disabled person without requiring an animal deposit. We may require verification of your disability and the need for such an animal. You must not feed stray or wild animals.

27.2 Violations of Animal Policies. (A) Charges for Violations. If you or any guest or occupant violates animal restrictions (with or without our consent), you’ll be subject to charges, damages, eviction, and other remedies provided in this Lease. If an animal is left in the apartment at any time during your term of occupancy (with or without our consent), we’ll charge you for cleaning and repair costs, including de-fleaing, deodorizing, and shampooing. Initial and daily animal-violation charges and animal-removal charges are liquidated damages for our time, inconvenience, and overhead (plus any fees and litigation costs) caused by your violation of animal restrictions and rules.

(B) Removal and Return of Animal. We may remove an unauthorized animal by (1) leaving, in a conspicuous place in the apartment, a written notice of our intent to remove the animal within 24 hours; and (2) following the procedures of Par. 28. We may keep or kennel the animal, or turn it over to a humane society, local authority or rescue organization. You must pay for the animal’s reasonable care and kenneling charges. We’ll return the animal to you upon request if it has not already been turned over to a humane society, local authority, or rescue organization. We have no lien on the animals for any purpose.

28. When We May Enter. If you or any guest or occupant is present, then repairs, services, contractors, laws officers, government representatives, lenders, appraisals, prospective residents or buyers, insurance agents, persons seeking to enter under your rental application, or our representatives may peacefully enter the apartment at reasonable times for reasonable business purposes. If nobody is in the apartment, then any person may enter peacefully and at reasonable times by duplicate key or master key or by breaking a window or other means when necessary for reasonable business purposes if written notice of the entry isn’t left in a conspicuous place in the apartment immediately after the entry.

29. Multiple Residents. Each resident is jointly and severally liable for all Lease obligations. If you or any guest or occupant violates the Lease or rules, all residents are considered to have violated the Lease. Our requests and notice (including call notices) to any resident constitute notice to all residents and occupants. Notices and requests from any resident or occupant constitute notice to all residents. Your notice of lease termination may be given only by a resident. In eviction suits, each resident is considered the agent of all other residents in the apartment for service of process. Any resident who defaults under this Lease will indemnify the nondefaulting residents and their guarantors.

30. Replacements and Subletting.

30.1 When Allowed. Replacing a resident, subletting, or assigning a resident’s rights is allowed only when we consent in writing. If you or any other resident finds a replacement resident acceptable to us before moving out and we expressly consent to the replacement, subletting, or assignment, then:

(a) a sublease or rental agreement will be due.
(b) a reasonable administrative (paperwork) fee will be due, and a sublease will be due if the subleasing is re-quested or requested.
(c) the departing and remaining residents will remain liable for all Lease obligations for the rest of the original Lease term.

30.2 Procedures forReplacement. If we approve a replacement resident, then, at our option (A) the replacement resident must sign this Lease with us or without an increase in the total security deposit or (B) the remaining and replacement residents must sign an entirely new Lease. Unless we agree otherwise in writing, the departing resident’s security deposit will automatically transfer to the replacement resident as of the date we approve the departing resident. The departing resident will no longer have a right to return to the security deposit refund, but will remain liable for the remainder of the original Lease term unless we are otherwise in writing—even if a new Lease is signed.
31. Our Responsibilities.

31.1 Generally. We act with customary diligence to:

(a) keep common areas reasonably clean, subject to Fair, 25;
(b) maintain fixtures, not water, heating, and air-condi-
tioning equipment;
(c) substantially comply with all applicable laws regarding
safety, comfort, and fair housing; and
(d) make all reasonable repairs, subject to your obligation
to pay for damages for which you’re liable.

31.2 Your Request for a Return of the Deposit. If you possibly terminate this Lease and exercise other remedies under Texas Property Code Sec. 92.051(b) by following this procedure:

(a) all rent must be current, and you must make a writ-
ten request for return of the security deposit or refund of any
rent paid in advance, subject to Fair, 25;
(b) you must make a written request for return of the deposit
after which we’ll have a reasonable time for repair or remedy;
(c) if we fail to do so, you must make a second written re-
quest for the repair or remedy; to make sure that there’s
been no miscommunication between you—after which we’ll have a reasonable time for repair or remedy,
and
(d) if the repair or remedy still hasn’t been accomplished
within that reasonable time period, you may immedi-
ately terminate this Lease by giving us a final written	notice.

You also may exercise other statutory remedies, includ-
ing those under Texas Property Code Sec. 92.051(b).

31.3 Request by Mail. Instead of giving the two written re-
quests referred to above, you may give us one request by
certified mail, return receipt requested, or by registered
certified mail, return receipt requested, or by registered
mail—after which we’ll have a reasonable time for repair or remedy. Reasonable times accounts for the nature of the problem and the reasonable availability of materials, labor, and utilities; your rent must be current when you make any request. We’ll refund security deposits and prorated rent as requested.

32. Default by Resident.

32.1 Acts of Default. You’ll be in default if you:

(a) you don’t timely pay rent or other amounts you owe;
(b) you or any guest or occupant violates this Lease, apartment rules, or fire, safety,
health, or criminal laws, regardless of whether or where arrest or conviction occurs;
(c) you abandon the apartment;
(d) you give incorrect or false answers in a rental application;
(e) you or any occupant is arrested, charged, detained, convicted, or given deferred adjudication or pre-
trial diversion for a felony offense involving actual or poten-
tial physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, mari-
jua, or drug paraphernalia as defined in the Texas Con-
trolled Substances Act, or (f) any sex-related crime, includ-
ing a misdemeanor; or (g) you’re found to have any illegal drugs or paraphernalia in your apartment; or (h) you or any occupant, in bad faith, makes an invalid habitability com-
plain to an official or employee of a utility company or the
government.

32.2 Eviction. If you default or fail over, we may end your right of occupancy by giving you at least a 24-hour writ-
ten notice to vacate. Notice may be given by: (A) regular mail, (B) certified mail, return receipt requested; (C) per-
personal notice to any resident; (D) personal delivery at the apartment to any occupant over 18 years old or (E) when-
notices to the inside of the apartment’s main entrance door.

Notices by mail will be considered delivered on the earli-
est of actual delivery or 3 days following Sundays and Fed-
eral holidays after the notice is deposited in the U.S. Postal
Service with postage. Termination of your possession rights or a later relisting doesn’t release you from liability for fu-
ture rent or other lease obligations. After giving notice to vacate or filing an eviction suit, we may still accept rent or other sums due: the filing or acceptance doesn’t waive or impair any right of eviction in any other contractural or statutory right. Accepting money at any time doesn’t waive
our right to damages, to past or future rent or other sums, or to our continuing with eviction proceedings.

32.3 Acceleration. Unless we elect not to accelerate rent, all monies required at the end of the lease term or renewal pe-
riod will be accelerated automatically without notice or demand subjects to or other conditions, and will be immedi-
ately due and delinquent if without our written consent:
(A) you move out, remove property in preparing to move
out, or you or any occupant gives us a written notice of intent to move out before the lease term or renewal pe-
riod ends; and (B) you haven’t paid all rent for the entire
lease term or renewal period. Such conduct is considered
a default for which we need not give you notice. Remain-
ing rent will also be accelerated if you’re judicially evicted or move out when we demand because you’ve defaulted.

32.4 Holdover. You, any occupant, invitee, or guest must not hold over beyond the date contained in your move-out
notice or our notice to vacate or beyond a different move-
out date agreed to by the parties in writing. If a holdover occurs, then (A) holdover rent is due in advance on a daily
basis and may become delinquent without notice or de-
mand; (B) rent for the holdover period will be increased by
25% over the then-existing rental, without notice; and (C) you’ll be liable to us (subject to our mitigation duties) for any
rent for the full term of the previously-awarded lease of a new
resident who can’t occupy because of the holdover; and
(D) at our option, we may extend the Lease term—for up to one month from the date of notice of lease exten-
sion—by delivering written notice to you or your apart-
ment while you continue to hold over.

3.5 Other Remedies. We may report unpaid amounts to cred-
itors. If we or a third-party debt collector we use try to
collect any money you owe us, you agree that we or the
debt collector may call you on your cellphone and may use
automated dialers. If you default, you will pay us:

(a) all other sums due; and (b) all other amounts over $100
that state to be delinquent and that agree to in writing. Upon your default, we have all other remedies, including tax
termination and statutory lockout under Texas Property Code serv. 92.088, except as lockouts and fines are pro-
hibited by Texas Government Code serv. 2306.07.38 for
owners supported by housing tax-credit allocations.

A prevailing party may recover reasonable attorney’s fees and all other litigation costs from the nonprevailing par-
ty, except a party may not recover attorney’s fees and li-
tigation costs in connection with a party’s claims seeking personal injury, sentimental, exemplary or punitive dam-
ages. We may recover attorney’s fees in connection with
enforcing your rights under this Lease. You agree that fees
and charges are liquidated damages representing a reason-
able estimate of the value of our time, inconvenience, and
overhead associated with collecting late rent (but are not
for attorney’s fees and litigation cost). All unpaid amounts
you owe, including judgments, bear 18% interest per year from the due date, compounded annually. You must pay all collection agency fees if you don’t pay all sums due within
10 days after we mail you a letter demanding payment and
stating that collection agency fees will be added if you

32.6 Mitigation of Damages. If you move out early, you’ll be subject to the 10% and 10% other remedies. We’ll waive customarily deferent and minimize damages. We’ll credit all other rent that we actually receive from subse-
quent residents against your liability for past-due and fu-
ture rent and other sums due.

General Clauses

33. Other Important Provisions.

33.1 Representatives’ Authority: Waivers: Notice. Our rep-
resentatives (including management personnel, em-
ployees, and agents) have no authority to waive, amend,

or terminate this Lease or any part of it unless in writing, and
no authority to make promises or representations, or
enter into agreements that impose security duties or other obli-
gations on us or our representatives, unless in writing. Any
dimensions and sizes provided to you relative to the apart-
ment are only approximations or estimates; actual dimen-
sions and sizes vary. No action or omission by us will be
considered a waiver of our rights or any subsequent
violation, default, or time for performance. Our not
notifying or helping enforce written notice requirements,
rental due dates, acceleration, fees, or other rights isn’t a waiver under any circumstances. Except when no-
tice or demand is required by law, you waive any notice and
demand for performance from us if you default. If any
one else has guaranteed performance of this Lease, a sepa-
rate Lease Guaranty for each guarantor must be executed. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease
should keep a copy of the memo, letter, or fax that was
given (and any transmission verification) fax or electroni-

ic signature are binding. All notices must be mailed. Un-
less this lease or the law requires otherwise, any notice re-
quired to be provided, sent, or otherwise written may be
given electronically, subject to our rules.

33.2 Miscellaneous. All remedies are cumulative. Exercising
one remedy won’t constitute an election of waiver of other
remedies. All provisions regarding our nonliability or non- 
duty apply to our employees, agents, and management companies. No employee, agent, or management compa- 
nny is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our be- 
half. This Lessee bears sole responsibility for this Lease. This Lessee is sub- 
ordinate to existing and future recorded mortgages, unless 
the owner’s lender chooses otherwise. All Lessee obliga- 
tions must be performed in the county where the apart- 
ment is located. Neither an invalid clause nor the omission of initials on any page invalidates this Lease. If you have in- 
insurance covering the apartment or your personal belong- 
ings at the time you or we suffer or allege a loss, you and 
we agree to waive any insurance subrogation rights. All no- 
tices and documents may be in English and, at our option, in 
any other language that you read or speak. The term “in- 
cluding” in this Lease should be interpreted to mean “in- 
cluding but not limited to.”

34. Payments. Payment of each sum due is an independent covenant. When we receive money, other than sale proceeds under Par. 14 or utility payments subject to government regulation, we may apply it at our option and without notice first to any of your unpaid obli- 
gations, then to current rent. We may do so regardless of notices 
on checks or money orders unless either of when the obligations 
are due. All sums other than rent are due on demand. After 
the due date, we do not have to accept any payments.

35. TAA Membership. We represent, that at the time of signing this Lease, we, the management company representing us, or any 
locators thereof that proceed you is a member in good stand- 
ing of both the Texas Apartment Association and the affiliated 
local apartment association for the area where the apartment is 
located. The member is either an ownership-management compa- 
nny member or an associate member doing business as a local 
serviceman whose name and address must be disclosed on page 5. 
First, the following applies: (A) This Lease is voidable at your 
option at no cost to us (except for property damages); and (B) we may not recover past due or future rent or other charges. 
The above notices are required if both of the following occur: (1) the 
Lease is automatically renewed on a month-to-month basis more than once since membership in TAA and the local associa- 
tion was qualified; and (2) either the owner or the management 
company is a member of TAA and the local association during the 
third automatic renewal. A signed affidavit from the associ- 
ated local apartment association attesting to nonmembership 
when the lease was renewed or signed will be conclusive evi- 
dence of nonmembership. Governmental entities may use TAA 
forms if TAA in writing.

36. When Moving Out

36.1 Requirements and Compliance. Your move-out notice doesn’t release you from liability for the full term of the Lease or renewal term. You’ll be liable for the entire Lease term if you move out early except under Par. 17, 19, 23, or 31. Your move-out notice must comply with all of the following:

(a) We must receive advance written notice of your move- 
out date. You must give notice in advance by at least 
the number of days required in Par. 17 or in special pro- 
visions. If you do not comply, we may cancel or extend the Lease.

(b) You must give us notice of a future move-out date at least 30 days before the move-out date. If you fail to give notice, the move-out date will be the same as the date of the first move-out notice. If you fail to give notice, the move-out date will be the same as the date of the first move-out notice.

(c) Your notice of move-out must be in writing. An oral notice of move-out will not be accepted and will not termi- 
minate your Lease.

Lease Contract Addendum for Units Participating in Government Regulated Affordable Housing Programs

1. Addendum. This is an addendum to the Lease Contract ("Lease") executed by you, the resident(s) on the dwelling you have agreed to rent. That dwelling is:

Apartment: __________________________

(name of apartment)
or another dwelling located at __________________________

(street address of house, duplex, etc.)

City/State where dwelling is located ____________

2. Participation in Government Program. We, as the owner of the dwelling you are renting, are participating in a government regulated affordable housing program. This program requires both you and us to verify certain information and to agree to certain provisions contained in this addendum.

3. Accuracy Information in Application. By signing this addendum, you are certifying that the information provided in the Rental Application or any Supplemental Rental Application regarding your household annual income is true and accurate.

4. Request(s) for Information. By signing this addendum, you agree that the annual income and other eligibility requirements for participation in this government regulated affordable housing program are substantial and material obligations under the Lease. Within seven days after our request, you agree to comply with our requests for information regarding annual income and eligibility, including requests by the owner and the appropriate government monitoring agency. These requests to you may be made to you now and any time during the Lease term or renewal period.

5. Failure to Answer or Inaccurate Information May Be Good Cause Grounds for Eviction. If you refuse to answer or do not provide accurate information in response to the requests in Par. 4 above, it may be considered a substantial violation of the Lease and good cause grounds for terminating and/or not renewing your Lease and for an eviction. It makes no difference whether the inaccuracy of the information you furnished was intentional or unintentional.

6. Termination or Non-Renewal of Lease for Housing Tax Credit (HTC) and HOME Program Units. Provisions in Par. 4.6.3 of this Addendum shall apply only to residents living in a dwelling covered by either the HTC program or the HOME program. Par. 4.6.3 of this Addendum also overrides any contrary provisions contained in Par. 32 and Par. 38 of the Lease. We will not evict a resident solely on the basis that the resident is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

6.1 Housing Tax Credit Program. For rental properties participating in the HTC program, IRS Revenue Bulletin 2008-42 provides that a property owner may not evict a resident or terminate a tenancy except for good cause. In addition, for HTC units, we must provide the notice required under 32.3 of the Lease, if evicting during the lease term, or Par. 3 of the Lease, if terminating your residency at the end of an initial or renewal term.

6.2 HOME Program. For rental properties participating in the HOME program, federal regulation 24 CFR 92.253 provides that a property owner may not evict a resident or refuse to renew a Lease except for good cause. In addition, for HOME program units, the property owner must provide a resident with at least 30 days written notice before either seeking an eviction or not renewing a Lease. The written notice must specify the grounds for eviction or nonrenewal of the Lease.

6.3 Good Cause. If challenged by a resident, a court may determine if a property owner has good cause to evict, terminate a tenancy or not renew the Lease. "Good cause" may include, but is not limited to, non-payment of rent, failure to answer or provide accurate information, as required by Par. 4 and 5 of this Addendum, serious or repeated Lease violations, or breaking the law.

7. No Lien or Lockout for Unpaid Sums. For rental properties that are supported by HTC allocations, sec. 2306.6738, Texas Government Code, prohibits such property owners from threatening or conducting a lockout unless allowed by judicial process; necessary to perform repairs or construction work; or responding to an emergency. Personal property of a resident may not be seized or threatened to be seized except by judicial process unless the premises has been abandoned as required by 24 CFR 92.253. This paragraph overrides any contrary provisions contained in Par. 14 of Par. 32 of the Lease.

8. Student Status. By signing this addendum, you agree to notify the owner, in writing, if there are any changes in the student status of any residents (including replacement residents) occupying this unit.

9. Conflict with Governing Law. To the extent that any part of your Lease or this addendum conflicts with applicable federal, state, or local laws or regulations, the law or regulation overrides that portion of your Lease or this addendum.

PURCHASE OPTION AGREEMENT
PURCHASE OPTION AGREEMENT

This Purchase Option Agreement (this “Agreement”) is made and entered into as of February 1, 2019, by and between Canova Palms, LLC, a Texas limited liability company (“Owner”), Saigebrook Canova, LLC, a Texas limited liability company (the “Offeree”), HCP-ILP, LLC, a Nevada limited liability company (the “Investor Member”) with reference to the following recitals of fact:

RECEDALS:

A. WHEREAS, Owner owns that certain real property located in the City of Irving, State of Texas and more particularly described on Exhibit A attached hereto and incorporated herein by this reference, and owns certain improvements situated thereon, commonly known as “Canova Palms,” a 58-unit low income housing development (collectively, the “Property” or the “Project”);

B. WHEREAS, Owner desires to grant to the Offeree an option to purchase the Property;

C. WHEREAS, the Investor Member is the sole investor member of the Owner and owns a 99.99% investor member interest (the “Interest”) in the Owner;

D. WHEREAS, the Investor Member desires to grant to the Offeree an option to purchase the Interest; and

E. WHEREAS, the parties hereto desire to set forth the terms of the option granted herein from the Owner to the Offeree to purchase the Property.

NOW, THEREFORE, the parties hereto agree as follows:

AGREEMENT:

1. Grant of Option. Owner and Investor Member hereby grants to the Offeree, or its nominee, which nominee may be O-SDA Canova, LLC, a Texas limited liability company (the “Administrative Member”), an option (the “Option”) to purchase the Property or the Interest on the terms and conditions set forth in this Agreement.

2. Term of Option. The term of the Option shall commence on the first day following the expiration of the Compliance Period and shall expire at 11:59 p.m. (Pacific Standard Time) on the last day of the 24th month following its commencement (the “Option Term”); provided, however, that the Option Term shall terminate upon the earlier removal and/or withdrawal of the Offeree as a managing member of the Owner pursuant to the terms of Owner’s First Amended and Restated Operating Agreement of even date herewith (as the same may be amended from time to time, the “Operating Agreement”); further provided, however, that if the Administrative Member remains the administrative member of the Owner pursuant to the terms of the Operating Agreement and is not in default under the Operating Agreement, then the Administrative Member will become the Offeree.
3. **Manner of Exercising Option.** The Offeree may exercise the Option by delivering to the Owner, at any time during the Option Term, written notice of such exercise, provided, however, that the Option may not be exercised if an Event of Default has occurred under the Operating Agreement and has not been cured under any applicable cure period. The notice of exercise shall state that the Option is exercised without condition or qualification.

4. **Purchase Price.**

   (a) **Purchase Price for the Project.** The purchase price for the Project pursuant to the Option shall be the greater of the following amounts, subject to the provisos set forth herein below:

   (i) **Debt and Taxes.** The sum of (i) the amount of any outstanding indebtedness secured by the Project, which indebtedness may be assumed by the Offeree, if permitted by the lenders associated therewith, (ii) the amount of federal, state and local tax liability that the partners of Owner would incur as a result of such sale, including any tax liability on amounts paid under this clause (ii) and clauses (iii) and (iv) below, (iii) the amount of unreimbursed deficiency in Code Section 42 low income housing tax credits recognized by the Investor Member as an investor member of Owner with respect to the Project as compared to the level agreed to be provided to the Investor Member by the Owner, and (iv) any Tax Credit Shortfall Payments and Asset Management Fees and other indemnification payments otherwise due and owing to the Investor Member under the terms of the Agreement.

   (ii) **Fair Market Value.** The fair market value of the Project (without regard to any customary costs) appraised as a low-income housing development to the extent continuation of such use is required under any restrictions applicable to the Project. The fair market value of the Project shall be determined as follows: Owner and the Offeree shall select a mutually acceptable appraiser. In the event the parties are unable to agree upon an appraiser the Owner and the Offeree shall each select an appraiser. For purposes of this subparagraph 4(b), the parties hereto agree that, on behalf of Owner, Investor Member, or a successor investor member in Owner, shall have the right to select the appraiser(s) that Owner is entitled to select hereunder. If the difference between the two appraisals is less than or equal to ten percent (10%) of the lower of the two appraisals, the fair market value shall be the average of the two appraisals. If the difference between the two appraisals is greater than ten percent (10%) of the lower of the two appraisals, then the two appraisers shall jointly select a third appraiser whose determination of fair market value shall be deemed binding on all parties. If the two appraisers are unable jointly to select a third appraiser, either the Owner or the Offeree may, upon written notice to the other, request that the appointment be made by the Case Management Center of the American Arbitration Association for Texas. The Owner and the Offeree shall each pay the costs of an appraiser they each select and shall share the cost equally of any appraiser jointly selected or any third appraiser, including any appraiser chosen by the American Arbitration Association chapter president.

   (b) **Purchase Price for the Interest.** The purchase price for the Interest pursuant to the Option shall be equal to (i) what the Investor Member would have received under the Operating Agreement assuming the Project was sold using the purchase price determined by Section 4(a) above.
5. Reserved.

6. Completion of Sale.

(a) Prior to the close of escrow on the Property following exercise of the Option, the Owner shall cause a title company to issue, upon close of escrow, an ALTA owner’s policy of title insurance dated as of the close of escrow, in an amount equal to the purchase price for the Property, showing title to the Property vested in the Offeree and showing as exceptions all encumbrances of record.

(b) Escrow for the sale of the Property shall close no earlier than the later of ninety (90) days after Owner’s receipt of the Offeree’s written notice of exercise of the Option, or the last day of the Compliance Period, at which time the purchase price shall be due and payable. The Offeree shall use its best efforts to obtain the consent to the sale of the holders of any mortgages or deeds of trust on the Property, if required. Re: 811 Units – Canova Palms

Dear Billy:

Per the 2019 TDHCA Qualified Allocation Plan, we are hereby submitting a request for your consideration to add up to an additional ten 811 program units at Canova Palms, in Irving, Texas.

Under the First Amended and Restated Operating Agreement for Canova Palms, the Managing Member’s Authority is restricted under section 5.3 without consent of the Investor Member to modify any agreement with the Agency, to enter into any new Project Document or amend any Project Document. As such, Investor Member consent would be required to add 811 units other than those already committed to by Canova Palms in its Participation Agreement with the Department.

A written response is required by TDHCA for submission in our 2019 applications. If you have any questions about this request, you may reach me at 352-213-8700.

Sincerely,

Lisa M. Stephens
President

MEMORANDUM

March 1, 2019

Texas Department of Community Affairs (TDHCA)
Attn: Spencer Duran, Section 811 PRAC Program Manager
221 E. 11th Street
Austin, TX 78701

RE: #18361 Canova Palms – additional 811 units

Mr. Duran:

As the investor member in Canova Palms, LLC, we have reviewed your request to increase the number of Section 811 units at the Canova Palms project in Irving. Canova Palms was underwritten with 10 Section 811 units (out of 58 total units) at the time HCP entered Canova Palms, LLC. The addition of more Section 811 units would put a heavier burden on property management to review tenant referrals and coordinate case management. In our experience, higher turnover is often associated with these units. The addition of more Section 811 units would therefore have a detrimental impact on the underwriting of the expected lease-up and operations of the property that HCP approved internally and represented to its investors. As such, HCP cannot approve the addition of more Section 811 units for this property at this time.

Should you need any further assistance, please feel free to contact me with any questions at (818) 380-6112 or via email at william.teschke@huntcompanies.com.

Sincerely,

The Managing Member and its Affiliates, jointly and severally, are hereby authorized to incur personal liability for the repayment of funds advanced by the Construction Lender (and interest thereon) pursuant to the Construction Loan Documents. However, from and after the date of Permanent Mortgage Commencement, neither the Managing Member nor any Related Person shall at any time bear, nor shall the Managing Member permit any other Member or any Related Person to bear, the Economic Risk of Loss for the payment of any portion of any Mortgage Loan unless, prior to the effectiveness of the transaction in which such Economic Risk of Loss is created or assumed, the Managing Member shall have obtained, at the expense of the Company, an opinion from reputable tax counsel, in form and substance reasonably satisfactory to the Special Member, to the effect that such Economic Risk of Loss will not result in the reallocation of Tax Credits or Losses from any Non-Managing Member to the Managing Member. The Managing Member shall submit the terms of any proposed sale to the Special Member and the Investment Member for their approval. If the Managing Member shall fail to so obtain a buyer for the Apartment Complex within twelve (12) months of the Required Sale Notice or if the Special Member and/or the Investment Member in its/their sole discretion shall withhold its/their consent to any proposed sale to such buyer, then the Special Member shall have the right at any time thereafter to obtain a buyer for the Apartment Complex on terms most favorable then available and otherwise acceptable to the Special Member. In the event that such sale is not consummated because of actions taken or not taken by the Managing Member, the Managing Member shall upon receipt of notice from the Investment Member promptly purchase the Interests of the Non-Managing Members for a price equal to the amount each such Member would have received (giving effect to reasonable estimates of closing costs which would have been incurred) in liquidation of the Company had such sale been consummated. In the event that the Special Member so obtains a buyer, it shall notify the Managing Member and the Investment Member in writing with respect to the terms and conditions of the proposed sale and, provided the Investment Member approves, in its sole discretion, the terms of such sale, the Managing Member shall cause the Company promptly to sell the Apartment Complex to such buyer or purchase the Interests of the Non-Managing Members for a price equal to the amount the Non-Managing Members would have received in liquidation of the Company.

(c) The Managing Member is hereby required, within five (5) days after its receipt of any offer to purchase the Apartment Complex or all of the Interests in the Company, to send a copy of such offer (or a written description of any such oral offer) to each of the Non-Managing Members. In connection with any proposed sale of the Apartment Complex, the Special Member (or its designee) shall have the right to (i) receive and review copies of all documents relating to the proposed sale, (ii) participate in the negotiations of the terms and conditions of the proposed sale, (iii) meet with the proposed purchaser, (iv) solicit proposals for alternative offers for the Apartment Complex, and (v) provide such other services in connection with the proposed sale as it deems to be appropriate.

(d) In any instance in which the fair market value of the Apartment Complex is required to be determined by appraisal, the following provisions shall apply. Any such appraisal shall be conducted by one or more Independent Appraisers (as defined below), to be selected as follows: As soon as practicable and in any event within thirty (30) days following the Managing
Member’s determination that the Investment Member has failed to approve a sale proposed by the Managing Member for a purchase price of equal to or greater than the fair market value of the Apartment Complex, the Managing Member and the Non-Managing Members shall select an Independent Appraiser. In the event the parties are unable to agree upon an Independent Appraiser within such thirty (30) day period, the Managing Member on the one hand and the Non-Managing Members on the other shall each select an Independent Appraiser. If the difference between the two appraisals is within ten percent (10%) of the lower of the two appraisals, the fair market value shall be the average of the two (2) appraisals. If the difference between the two (2) appraisals is greater than ten percent (10%) of the lower of the two (2) appraisals, then the two appraisers shall jointly select a third appraiser whose determination of fair market value shall be deemed to be binding on all parties. If the two (2) appraisers are unable jointly to select a third appraiser, either the Managing Member or the Non-Managing Members may, upon written notice to the other, apply to the presiding judge of a court of competent jurisdiction in Williamson County, Texas for the selection of the third appraiser who shall then participate in such appraisal proceeding, and who shall be selected from a list of names of Independent Appraisers submitted by the Managing Member and the Non-Managing Members. Each list of names of Independent Appraisers shall be submitted within ten (10) written days after the date on which the appraisal proceeding is invoked, or will be disregarded and the appraiser shall be selected from the list provided. The appraisals shall take into account the Extended Use Agreement and any other restriction recorded as of record against the Apartment Complex. Each of the Managing Member and the Non-Managing Members shall pay the cost of any appraiser(s) selected by it pursuant to this Section 3.5(d). If the parties agree on the selection of a single Independent Appraiser then the costs of such appraiser shall be paid by the Managing Member; if the parties are required to use a third appraiser, then the costs of such third appraiser shall be split between Managing Member and Non-Managing Members. For purposes of this Section 3.5(d), the term “Independent Appraiser” means a firm that is generally qualified to render opinions as to the fair market value of assets such as the Apartment Complex, which satisfies the following criteria: (i) such firm is not a Member or an Affiliate of the Company or any Member; (ii) such firm (or a predecessor in interest to the assets and business of such firm) has been in business for at least five (5) years, and at least one of the principals of such firm has been in the active business of appraising substantially similar assets for at least ten (10) years; (iii) such firm has regularly rendered appraisals of substantially similar assets for at least five (5) years on behalf of a reasonable number of unrelated clients, so as to demonstrate reasonable market acceptance of the valuation opinions of such firm; (iv) one or more of the principals or appraisers of such firm are members in good standing of an appropriate professional association or group that establishes and maintains professional standards for its members; and (v) such firm renders an appraisal only after entering into a contract that specifies the compensation payable for such appraisal.

A Defined Mortgagee may take
any actions that such Defined Mortgagee, in its discretion, determines to be advisable in connection with the applicable Mortgage Loan (including in connection with the enforcement of such Mortgage Loan). By acquiring an interest in the Company, each Member acknowledges that no Defined Mortgagee owes the Company or any Member any fiduciary duty or other duty or obligation whatsoever by virtue of such Defined Mortgagee being a limited partner or member in a Non-Managing Member. Neither the Company nor any Member will make any claim against a Defined Mortgagee, or against the Non-Managing Member in which the Defined Mortgagee is a limited partner or member, relating to a Mortgage Loan and alleging any breach of any fiduciary duty, duty of care, or other duty whatsoever to the Company or to any Member based in any way upon the Defined Mortgagee’s status as a limited partner or member of a Non-Managing Member.

In the event that the Gross Asset Values of Company assets are adjusted pursuant to this Agreement, the Capital Accounts of all Members shall be adjusted simultaneously to reflect the aggregate net adjustment as if the Company recognized gain or loss equal to the amount of such aggregate net adjustment.

(c) The original Capital Account established for any Assignee (as hereinafter defined) shall be in the same amount as, and shall replace, the adjusted Capital Account of the Member which such Assignee succeeds, and, for the purpose of the Agreement, such Assignee shall be deemed to have made the Capital Contribution, to the extent actually paid in, of the Member which such Assignee succeeds. Member, the Developer and the Guarantors, which opinion(s) must be satisfactory to the Investment Member as to form, content and identity of counsel and (y) a photocopy of a binding commitment, in form and substance satisfactory to the Special Member, to issue the Title Policy and any endorsements thereto in form and substance reasonably satisfactory to the Special Member. In no event shall any Installment become due until all of the conditions for all of the Installments listed prior to the Installment in question in Section 5.1(a) shall have been satisfied and all of such prior Installments shall have become due. Notwithstanding the foregoing, however, if at any time prior to the date when an Installment becomes due and payable, the Company has an Operating Deficit which the Managing Member would be required to fund pursuant to Section 6.10 as a result of which the Payment Certificate cannot be delivered, then, provided that all other conditions to the Installment in question are met, the Investment Member may, at its option, waive the requirement of the delivery of the Payment Certificate or any other condition with respect to part or all of such Installment and pay such part or all of such Installment, provided that the proceeds of the amount so paid are used by the Company to fully fund such Operating Deficit; provided, however, that if the proceeds of such amount so paid are designated in Section 6.12 to be used to pay fee(s), then such proceeds shall be utilized to pay such fee(s) and the recipient(s) thereof shall be required to, and hereby agree to, utilize the proceeds of such fee(s) to fund such Operating Deficit, in which case the Investment Member is hereby authorized to directly fund such Operating Deficit, with the funds so applied being deemed to have been paid as aforesaid.

(c) The Payment Certificate for each Installment shall be dated and delivered not less than ten (10) nor more than thirty (30) days prior to the due date for such Installment.

(d) If, as of the date when an Installment would otherwise be due, any statement required to be made in the Payment Certificate for such Installment cannot be truthfully made, the Managing Member shall notify the Investment Member of the reason why such statement would be untrue if made, and the Investment Member shall not be required to pay such Installment; provided, however, that if (i) any such statement can subsequently be truthfully made and (ii) the Investment Member shall not have irrevocably lost, in the good faith judgment of the Investment General Partner, any material tax or other benefits hereunder (other than tax benefits for which the Investment Member has been fully compensated pursuant to the provisions of paragraphs (e) and (f) of this Section 5.1), then the Investment Member shall pay such Installment to the Company thirty (30) days after delivery by the Managing Member to the Investment Member of the Payment Certificate together with an explanation of the manner in which each such statement had become true.

(e) In the event that as of or any time prior to State Designation (the “Initial Adjustment Date”) or as a result of a subsequent audit, the Investment Member shall receive a written certification of the Auditors indicating that the aggregate Actual Credit during the Credit Period will be less than the aggregate Projected Credit during the Credit Period, then (i) the next succeeding Installments of the Capital Contributions of the Investment Member shall be reduced by an amount equal to the product of (X) the difference between (1) the aggregate Projected Credit during the Credit Period and (2) the aggregate Actual Credit during the Credit Period and (Y) $0.93 as to each dollar of Tax Credit, and (ii) the Projected Credit for each Fiscal Year shall thereafter be redefined to mean the Actual Credit, as so determined (the “Revised Projected Credit”). Any such reduction pursuant to this Section 5.1(e) shall be made first to the
Installment, if any, next due to be paid by the Investment Member, and any balance of such amount payable by the Managing Member in excess of the amount of such Installment shall be applied to succeeding Installments, if any, provided that if the amount of any such reductions exceeds the sum of the remaining Installments, if any, then an amount equal to the amount of such excess shall be paid by the Managing Member to the Company as a Capital Contribution and immediately distributed to the Investment Member promptly after demand is made therefor (or, to the extent such Managing Member Capital Contribution would in the opinion of counsel to the Investment Member cause tax benefits intended for the Investment Member to be lost or reallocated to another Member, then payments due from the Managing Member shall be made, on an After-Tax Basis, directly to the Investment Member, as a payment of damages for breach of warranty), regardless of the reason for the occurrence of such event (unless such reduction was caused by an act or omission of the Investment Member or its Affiliates, in which event no such reduction or payment shall be required). No reduction of any Installment pursuant to this Section 5.1(e) shall be deemed to be a Capital Contribution by the Managing Member to the Company. No adjustment pursuant to this Section 5.1(e) shall be due if solely attributable to the inability of the Investment Member or its constituent partners to be capable of utilizing the full amount of the Actual Credit.

(f) If for any reason, including without limitation, a Recapture Event, with respect to any Fiscal Year (except to the extent already accounted for in Section 5.1(e) above) all or a portion of which occurs before or during the Compliance Period, the Actual Credit is or was less than the Projected Credit (or the Revised Projected Credit, if applicable) for such Fiscal Year (a “Reduction Year”), then the Managing Member shall pay to the Investment Member the Reduction Amount. The Reduction Amount shall be equal to the sum of (A) the excess of the Projected Credit (or the Revised Projected Credit, if applicable) for such Fiscal Year over the Actual Credit for such Fiscal Year multiplied by $0.93 (provided that in the event a Reduction Amount is due for 2018 and any of the Projected Credit for such year will be allocable to the Investment Member in 2028, then for such Reduction Year only 0.60 shall be substituted for 0.93 and $85,000 shall be substituted for the Projected Credit) as to each dollar of Tax Credit, plus (B) the Recapture Amount as determined pursuant to Section 10.6 and, to the extent not already accounted for, any interest or penalties payable by the limited partners of the Investment Member as a result of such shortfall or Recapture Event, assuming that each limited partner of the Investment Member used all of the Tax Credits allocated to it in the Fiscal Year of allocation. The Auditors shall make their determination of the amount of the Actual Credit with respect to each Reduction Year within thirty (30) days following the end of such Fiscal Year, provided that, if it is known at the time of an event or circumstance causing a Reduction Year that any or all of the remaining years in the Credit Period also will be Reduction Years as a result of such event or circumstance, then any Reduction Amount calculable for such future year(s) shall be paid at the time of the first such Reduction Year. The Investment Member shall be eligible to be paid a Reduction Amount as hereinabove described with respect to each Reduction Year. Any Reduction Amount shall first be applied to the Installment next due to be paid by the Investment Member, with any portion of such Reduction Amount in excess of the amount of such Installment then being applied to succeeding Installments, provided that if no further Installments remain to be paid or if the Reduction Amount shall exceed the sum of the amounts of the remaining Installments, then the entire Reduction Amount or the balance of the Reduction Amount, as the case may be, shall be paid by the Managing Member to the Company as a Capital Contribution and immediately distributed to the Investment Member promptly after demand is
made therefor (or, to the extent such Managing Member Capital Contribution would in the opinion of counsel to the Investment Member cause tax benefits intended for the Investment Member to be lost or reallocated to another Member, then payments due from the Managing Member shall be made, on an After-Tax Basis, directly to the Investment Member, as a payment of damages for breach of warranty), regardless of the reason for the occurrence of such event (unless such reduction was caused by an act or omission of the Investment Member or its Affiliates, in which event no Reduction Amount shall be payable). No reduction of any Installment pursuant to this Section 5.1(f) shall be deemed to be a Capital Contribution to the Company. No adjustment pursuant to this Section 5.1(f) shall be due if solely attributable to the inability of the Investment Member or its constituent partners to be capable of utilizing the full amount of the Actual Credit.

(g) In the event that the Investment Member shall receive a written certification of the Auditors indicating that the aggregate Actual Credit during the Credit Period will be greater than the aggregate Projected Credit during the Credit Period (an “Upward Basis Adjuster”), then the final Installment of the Capital Contributions of the Investment Member shall be increased by an amount (up to a maximum amount of $1,277,134 inclusive of any Upward Timing Amount) (the “Investment Increased Basis Amount”) equal to the product of (X) the difference between (1) the aggregate Actual Credit during the Credit Period as certified by the Auditors and (2) the aggregate Projected Credit during the Credit Period and (Y) equal to the then prevailing market price for Tax Credits determined by the Investment Member in its sole and absolute discretion, and the Projected Credit for each Fiscal Year shall thereafter be redefined to mean the Revised Projected Credit, provided, however, that the provisions of this Section 5.1(g) shall not apply in the event that the Investment Member does not have sufficient funds to make the additional Capital Contribution and, after a diligent good faith effort, the Investment Member cannot cause any of its Affiliates to make such additional Capital Contribution. Additional Capital Contributions made pursuant to this Section 5.1(g) shall be applied first to the payment of the Development Fee if so required by the Special Member in its reasonable discretion. If the Investment Member elects not to increase the amount of its Capital Contribution by the full amount of the Investment Increased Basis Amount, in such event, the Managing Member’s share of the Profits and Loss (and, correspondingly, depreciation and Tax Credits) will be increased, and the Investment Member’s share decreased, such that the Investment Member will be entitled to receive allocations of Tax Credits equal to the Projected Tax Credits plus the Tax Credits used in the calculation of the actual Investment Increased Basis Amount. The Members agree to amend this Agreement to reflect any increase in the Investment Member’s Capital Contribution or increase in the Managing Member’s share of Profits and Losses (and, correspondingly, depreciation and Tax Credits), as the case may be.

(h) In the event that, as a result of accelerated lease-up, the Actual Credit for 2018 is greater than $364,244 (an “Upward Timing Adjuster”), provided that as a result of such Upward Timing Adjuster, no Tax Credits are caused to be allocated to the Investment Member over the 15-year Compliance Period instead of the 10-year Credit Period, then the Capital Contribution of the Investment Member shall be increased by an amount (the “Upward Timing Amount”) equal to the product of (A) the Actual Credit for 2018 as certified by the Auditors and (B) 0.25, payable on the later of (i) the due date of the Investment Member’s Fifth Installment and (ii) receipt by the Investment Member of the Company’s filed federal tax return for 2018, provided, however, that in no event will the Investment Member be obligated to pay greater than $50,000
for the Upward Timing Amount. Notwithstanding the foregoing, the Investment Member may in its sole discretion contribute an Upward Timing Amount in excess of $50,000 in the event that the Investment Member or its partners have sufficient funds to make the additional Capital Contribution. Additional Capital Contributions made pursuant to this Section 5.1(h) shall be applied first to the payment of the Development Fee if so required by the Special Member in its reasonable discretion.

5.2 Return of Capital Contributions

(a) Failure to Achieve Development and/or Tax Credit Benchmarks and Standards. Upon the occurrence of any of the events (a “Repurchase Event”) listed below in this Section 5.2(a), within five (5) days of the occurrence thereof, the Managing Member shall send to the Investment Member notice of such event and of the Managing Member’s obligation to repurchase the Interests of the Investment Member by paying to the Investment Member an amount in cash (the “Repurchase Amount”) equal to each such Member’s Invested Amount minus (i) the portion, if any, of such Member’s Capital Contribution which shall not yet have been paid (or deemed to have been paid) to the Company and (ii) an amount equal to the amount of Tax Credits previously received by the Investment Member and not subject to recapture (provided, however, that, unless the Investment Member receives a written notice from the IRS prior to the date the Repurchase Amount is due as to whether any of the Tax Credits are to be recaptured, then the determination of whether such previously received Tax Credits are subject to recapture shall be made in the reasonable discretion of the Investment Member based on its assessment of whether there is a reasonable likelihood that the Apartment Complex will be continued as affordable housing for the remainder of the Compliance Period), plus the outstanding principal and accrued interest in respect of any loans made by the Non-Managing Members to the Company and the amount of any third-party costs, including, without limitation, attorney’s fees incurred by or on behalf of such Member in implementing this Section 5.2(a) in the event the Investment Member requires such a repurchase plus interest thereon at the AFR, annually compounding, commencing on the fifth (5th) day after delivery of the notice referred to in the next sentence. If the Investment Member elects to require a repurchase of its Interest and the payment to it of an amount equal to its Repurchase Amount, it shall send notice thereof to the Company within thirty (30) days after the mailing date of the Managing Member’s notice, or at any time after the occurrence of any of the foregoing if the Managing Member shall not have sent a notice thereof, and the Managing Member shall within ten (10) days after the Company receives any such notice from a Member requesting the purchase of its Interest repurchase the Interest of such Member by paying to such Member an amount equal to its Repurchase Amount. If funds are insufficient, the Interest of the Investment Member shall be purchased first, then the Special Member Interest shall be purchased. Upon the payment of the Repurchase Amount to the Investment Member and the Special Member such Member shall withdraw as members of the Company. If, following receipt of the Managing Member’s notice, any Member fails to send notice to the Managing Member by the end of such thirty (30)-day period requesting the Managing Member to purchase its Interest, such Member, as the case may be, shall be deemed to have waived its right to cause the Managing Member to purchase its Interest as a result of the event described in the Managing Member’s notice; provided, however, such deemed waiver shall not be presumed unless the Managing Member shall have first sent a second notice to such Member or otherwise confirmed that the first notice was timely received by such Member. No such waiver, however, shall affect the right of the Investment Member to cause the Managing
Member to purchase its Interest upon the occurrence of any other event described in this Section 5.2(a), or upon any subsequent occurrence of the event described in the Managing Member’s notice. The Repurchase Events are as follows:

(i) each of the buildings in the Apartment Complex shall not have been placed in service by December 31, 2018 (for purposes of satisfying the requirements of Section 42(h)(1)(E)(i) of the Code); or

(ii) by March 1, 2019, the Completion Date shall not have occurred; or

(iii) construction of the Apartment Complex or, prior to Rental Achievement, operation thereof shall have been enjoined by a final order (from which no further appeals are possible) of a court having jurisdiction and such injunction shall continue for a period of ninety (90) days; or

(iv) Permanent Mortgage Commencement shall not have been achieved prior to the date that causes a default under the Construction Loan Documents; or

(v) if at any time it shall be determined by the Service or by the Tax Accountants that a Carryover Certification could not be issued or was issued in error; or

(vi) State Designation shall not have occurred by September 30, 2019 (or any later date fixed by the Managing Member with the Consent of the Investment Member) and by said date the Managing Member shall not have made any payment as described in the second sentence of Section 5.1(e) or, if the Investment Member shall have elected to have all or a portion of any payment under Section 5.1(e) applied toward future Installment obligations of the Investment Member, amendments to this Agreement shall not have been adopted and filed in the Filing Office, if required, reflecting such event; or

(vii) if by the date which is twelve (12) months following the Completion Date, Rental Achievement shall not have been achieved; or

(viii) the Company shall fail to meet the Minimum Set-Aside Test or the Rent Restriction Test by the close of the first year of the Credit Period and/or fails to continue to meet either of such tests or any other tenant set-asides required by the Credit Agency at any time during the sixty (60)-month period commencing on such date; or

(ix) (A) foreclosure proceedings shall have commenced under any Mortgage and such proceedings shall not have been dismissed within thirty (30) days, provided however that, after Rental Achievement, this clause (A) shall continue to be effective only if the Managing Member is in default of its obligations under Section 5.1(e), 5.1(f) or 6.10, (B) any of the commitments of a Lender to provide a Mortgage Loan and/or any subsidy financing shall be terminated or withdrawn and not reinstated or replaced within sixty (60) days with terms at least as favorable to the Company or terms for which the Consent of the Investment Member and any Requisite Approvals shall have been obtained, or (C) the Construction Lender, acting in good faith and in accordance with the provisions of the Construction Loan Documents, shall have irrevocably refused to make
any further advances under the Construction Loan Documents and such decision shall not have been reversed or the Construction Lender replaced within thirty (30) days; or

(x) at any time the Managing Member fails to advance Subordinated Loans and such failure continues for ten (10) days; or

(xi) prior to Rental Achievement, any action is commenced to foreclose any mechanics, or any other lien (other than the lien of a Mortgage) against the Apartment Complex and such action has not within thirty (30) days been either bonded against in such a manner as to preclude the holder of such lien from having any recourse to the Apartment Complex or to the Company for payment of any debt secured thereby, or affirmatively insured against by the title insurance policy or an endorsement thereto issued to the Company by a reputable title insurance company (which insurance company will not have indemnity from or recourse against Company assets by reason of any loss it may suffer by reason of such insurance) in an amount satisfactory to the Investment Member; or

(xii) a casualty occurs resulting in substantial destruction of all or a portion of the Apartment Complex, and the insurance proceeds (if any) are insufficient to restore the Apartment Complex or the Apartment Complex is not so restored within twenty-four (24) months following such casualty; or

(xiii) at any time prior to Rental Achievement, an action is commenced to abandon or permanently enjoin the construction of the Apartment Complex; or

(xiv) a final determination by the Tax Accountants that the Investment Member shall be allocated less than 70% of the Projected Credit during the Credit Period; provided however that, after Rental Achievement, this subsection (xiv) shall continue to be effective only if the Managing Member is in default of its obligations under Section 5.1 or 6.10.

(b) **Lender/Agency Disapproval.** If any Agency or Lender shall disapprove, or fail to give any required approval of, the Investment Member and/or the Special Member as a Non-Managing Member hereunder within one hundred eighty (180) days of the Admission Date, then the Member being disapproved or not approved shall, effective as of such time or such later time as may be elected by the Member being disapproved or not approved as may be specified by such Agency or Lender in its disapproval, at the option of the Member being disapproved or not approved (if not directed by such Agency or Lender to withdraw), cease to be a Non-Managing Member. The Managing Member shall, within ten (10) days of the effective date of such cessation, pay to the Member being disapproved or not approved an amount equal to its paid-in Capital Contributions and the outstanding balance of any loans made by the Non-Managing Members to the Company plus the amount of any third party costs, including, but not limited to attorney’s fees, incurred by or on behalf of such Member in implementing this Section 5.2(b).

(c) **Substitution and Indemnification.** Upon the receipt by the Investment Member and/or the Special Member of the amount due to it pursuant to either Section 5.2(a) or Section 5.2(b), the Interest of such Member shall terminate, and the Managing Member shall indemnify
and hold harmless such Member from and against any Adverse Consequences to which such Member (as a result of its participation hereunder) may be subject, provided that such Adverse Consequences do not result from such Member’s acts or omissions.

(d) Waiver of Repurchase Right. Each of the Investment Member and the Special Member shall have the right to irrevocably waive its right to have its Interest repurchased pursuant to any clause or clauses of Section 5.2(a), or any portion thereof, at any time during which any of such rights shall be in effect. Such a waiver shall be exercised by delivery to the Managing Member of a written notice stating that the rights being waived pursuant to any specified clause or clauses of Section 5.2(a), or any specified portion thereof, are thereby waived for a specified period of time.

(e) Additional Managing Member. If the Managing Member shall fail to make on the due date therefor any payment required under Section 5.2(a) or Section 5.2(b), time being of the essence, at any time thereafter the Special Member shall have the option, exercisable in its sole discretion, to cause itself or its designee to be admitted as an additional Managing Member, receiving from the existing Managing Member, in consideration of the payment of ten dollars ($10.00), an interest in the Profits, Losses, Tax Credits and distributions of the Company sufficient in the opinion of counsel to the Special Member to cause the Special Member to become a Managing Member of the Company, with the Special Member retaining its status as such and its economic interest in the Company as the Special Member (or its designee as an additional Managing Member). If the Special Member exercises the option described in this Section 5.2(e), each of the other Managing Members hereby agrees that all of its rights and powers hereunder as a Managing Member shall automatically be irrevocably delegated to the Special Member pursuant to Section 6.13 without the necessity of any further action by any Member. Each Member hereby grants to the Special Member an irrevocable (to the extent permitted by applicable law) power of attorney coupled with an interest to take any action and to execute, deliver and file or record any and all documents and instruments on behalf of such Member and the Company as the Special Member may deem necessary or appropriate in order to effectuate the provisions of this Section 5.2(e) and to allow the additional Managing Member to manage the business of the Company. The admission of the Special Member or its designee as an additional Managing Member shall not relieve any other Managing Member of any of its economic obligations hereunder, and each other Managing Member shall fully indemnify and hold harmless the additional Managing Member on an After-Tax Basis from and against any and all Adverse Consequences sustained by such additional Managing Member in connection with its status as a Managing Member (other than Adverse Consequences arising solely from the gross negligence or willful misconduct of such additional Managing Member) for so long as such additional Managing Member remains a Managing Member of the Company. Any such additional Managing Member shall withdraw (notwithstanding the provisions of Article VII), as such and remain only as the Special Member upon the payment of all amounts due under Sections 5.2(a) and 5.2(b).
ARTICLE VI

6.2 Restrictions on Authority

(a) Notwithstanding any other Section of this Agreement, the Managing Member shall have no authority to perform any act in violation of the Act, any other applicable law, Agency or other government regulations, the requirements of any Lender, or the Project Documents. In the event of any conflict between the terms of this Article VI and any applicable Regulations or requirements of any Lender, the terms of such Regulations or the requirements of such Lender, as the case may be, shall govern. Subject to the provisions of Section 6.2(b), the Managing Member, acting in its capacity as Managing Member, either on its own behalf or on behalf of the Company, shall not have the authority, without the Consent of the Special Member (which consent shall not be unreasonably withheld or delayed as to clauses (viii), (x), and (xiii)):

(ix) to permit an Event of Bankruptcy with respect to the Company;

(xi) to amend any construction or rehabilitation contract except as expressly provided in subsection (xiv) below;

(xii) to pledge or assign any of the Capital Contributions of the Investment Member or the proceeds thereof (except to the extent required by the terms of the Construction Loan Documents and agreed to in writing by the Special Member);

(xiii) to amend or terminate any Project Document;

(xiv) to approve any material changes to the Plans and Specifications for the Apartment Complex or make any changes which would result, either individually or in the aggregate, in an overall development cost increase or decrease in excess of $100,000;

(xv) to permit the merger, consolidation, acquisition, termination or dissolution of the Company;

(xvi) to do any act required to be approved or ratified by all Non-Managing Members under the Act;

(xvii) to admit any additional Member to the Company;

(xviii) to make any discretionary capital calls;

(xix) to confess any judgment on behalf of the Company;

(xx) to cause the Company to institute, settle, compromise, mediate or otherwise relinquish any claim (actual or prospective), or to release, waive or diminish any material Company rights in any litigation or arbitration matter involving a claim in excess of $15,000;

(xxi) to change the nature of the Company’s business;

(xxii) to grant any approval or consent on behalf of the Company under the Project Documents that would have a material adverse effect on the Company or the Non-Managing Members;

(xxiii) to make any decision not to repair or rebuild in the case of material damage to or condemnation of the Apartment Complex;

(xxv) to make, amend or revoke any tax election required of or permitted to be made by the Company under the Code, including, without limitation, any election under Section 42 or Section 754 of the Code. In this regard, the Managing Member shall make any elections required or permitted under Section 42 of the Code requested in writing by the Investment Member;

(xxvi) to change any accounting method or practice of the Company or terminate or replace the Auditors;

(xxvii) to take any action (or fail to take any action) which would cause or result in a breach of any of the representations, warranties or covenants of the Managing Member set forth in this Agreement, including, without limitation, those set forth in Section 6.6;

(XXX) to hire any employees for any purpose;

(XXXI) to receive or allow any rebate or give-up or participate in any reciprocal business arrangements which would circumvent the provisions hereof; or

(XXXII) execute any Deferred Development Fee Note.

(b) In the event that any Managing Member violates any provision of Section 6.2(a), the Special Member in its sole discretion and without prejudice to its rights under Sections 4.5(b) and 7.6(a), may cause itself or its designee to be admitted as an additional Managing Member without any further action by any other Member. Upon any such admission of an additional Managing Member, each existing Managing Member shall be deemed to have assigned proportionally to the additional Managing Member, automatically and without further action, such portion of its Company Interest so that the additional Managing Member shall receive an interest in the Profits, Losses, Tax Credits and distributions of the Company sufficient in the opinion of counsel to the Special Member to cause such additional Managing Member to be a Member of the Company, in consideration of one dollar ($1.00) and any other consideration which may be agreed upon. An additional Managing Member so admitted shall automatically become the Controlling Managing Member and shall be irrevocably delegated all of the power and authority of all of the Managing Member pursuant to Section 6.13. Any such additional Managing Member shall have the right to withdraw as a Managing Member at any time, leaving the prior Managing Member once again as the only Managing Member, the provisions of Article VII notwithstanding. Each Member hereby grants to the Special Member a special power of attorney, irrevocable to the extent permitted by law and coupled with an interest, to amend this Agreement and to do anything else which, in view of the Special Member, may be necessary or
appropriate to accomplish the purposes of this Section 6.2(b) or to enable any additional Managing Member admitted pursuant to this Section 6.2(b) to manage the business of the Company. The admission of an additional Managing Member shall not relieve any other Managing Member of any of its economic obligations hereunder, and each other Managing Member on an After-Tax Basis shall fully indemnify and hold harmless the additional Managing Member from and against any and all Adverse Consequences sustained by the additional Managing Member in connection with its status as a Managing Member (other than Adverse Consequences arising solely from the gross negligence or willful misconduct of such additional Managing Member).

6.3 Personal Services; Other Business Ventures

No Managing Member or Affiliate thereof shall receive any salary or other direct or indirect compensation for any services or goods provided in connection with the Company or the Apartment Complex, except as may be specifically provided in Section 6.12, Section 6.15 and Article XI or as to which the Consent of the Special Member shall have been obtained to the precise terms thereof prior to the commencement of such services or the provision of such goods. Any Member may engage independently or with others in other business ventures of every nature and description, including the ownership, operation, management, syndication and development of real estate; neither the Company nor any other Member shall have any rights in and to such independent ventures or the income or profits derived therefrom.

6.4 Business Management and Control

(a) Subject to the provisions of this Agreement, the Managing Member shall have the exclusive right to control the business of the Company. If at any time there is more than one Managing Member, the powers and duties of the Managing Members hereunder shall be exercised in the first instance by a Managing Member who, subject to the terms and provisions of this Agreement, shall manage the business and affairs of the Company (the “Controlling Managing Member”). The initial Controlling Managing Member shall be Saigebrook Kaia, LLC; if it is unwilling or unable to serve in such capacity or shall cease to be a Managing Member, the remaining Managing Members may from time to time designate a new Controlling Managing Member. The Controlling Managing Member may bind the Company by executing and delivering, in the name and on behalf of the Company, any documents which this Agreement authorizes the Managing Members to execute hereunder without the requirement that any other Managing Member execute such documents. If for any reason no designation is in effect, the powers of the Managing Member shall be exercised by a majority in interest of the Managing Members. Any action required or permitted to be taken by a corporate Managing Member hereunder may be taken by such of its proper officers or agents as it shall validly designate for such purpose.

(b) Subject to Section 6.2 and the other provisions of this Agreement, the Managing Member shall have control over the business of the Company and shall have all rights, powers and authority conferred by law as necessary, advisable or consistent in connection therewith. Each of the Special Member and the Investment Member hereby consents to the exercise by the Managing Member of the powers conferred on it by law and this Agreement, and the Managing Member agrees to exercise control of the business of the Company only in accordance with the provisions of this Agreement. Notwithstanding the foregoing, in no event may the provisions of this Section 6.4 be invoked by any Managing Member or by any other Person as a defense against or as an impediment to the ability of either the Investment Member or the Special Member to take any action hereunder.

6.5 Duties and Obligations

(a) The Managing Member shall manage the affairs of the Company to the best of its ability, shall use its best efforts to carry out the purpose of the Company, and shall devote to the Company such time as may be necessary for the proper performance of its duties and the business of the Company. Upon the utilization of any amount of such funds from the Operating Reserve, the Managing Member shall deposit Cash Flow into the Operating Reserve in the order and priority set forth in Section 10.2(a) in an amount sufficient to restore the balance of the Operating Reserve to the Initial Reserve Amount.

(f) Each Managing Member shall be bound by the provisions of the Project Documents, and no additional Managing Member shall be admitted if he, she or it has not first agreed to be bound by this Agreement (and assume the obligations of a Managing Member hereunder) and by the Project Documents to the same extent and under the same terms as each of the other Managing Members.

(b) A Managing Member or any Affiliate thereof shall be indemnified by the Company from and against any Adverse Consequences sustained in connection with the business and operations of the Company, provided that all of the following conditions are met: (i) such Managing Member has determined, in good faith, that the course of conduct which caused the loss, judgment, liability, expense or amount paid in settlement was in the best interests of the Company; and (ii) such Adverse Consequences were not the result of gross negligence or willful misconduct on the part of such Managing Member or Affiliate thereof; and (iii) such indemnification or agreement to hold harmless is recoverable only out of the assets of the Company, and not from the Non-Managing Members.

(c) Notwithstanding the above, no Member or any Affiliate thereof performing services for the Company or any broker-dealer shall be indemnified for any Adverse Consequences arising from or out of an alleged violation of federal or state securities laws unless there has been a successful adjudication on the merits of each count involving securities laws violations as to the particular indemnitee and the court finds that indemnification of the settlement and related costs should be made. 6.9 Indemnification of the Company and the Non-Managing Members

(a) The Managing Member jointly and severally will indemnify and hold the Company and the Non-Managing Members harmless from and against any and all Adverse Consequences which the Company or any Non-Managing Member may incur by reason of the past, present or future actions or omissions of the Managing Member or any of its Affiliates constituting gross negligence or willful misconduct; provided, however, that the foregoing indemnification shall not be construed to (x) affect the non-recourse nature of any Mortgage or
(y) limit the Company’s primary liability for contractual obligations incurred pursuant to the requirements of any Agency or Lender in connection with the operation of the Apartment Complex in the ordinary course of business.

(b) Notwithstanding the foregoing, no Managing Member shall be liable to a Non-Managing Member or the Company for any act or omission for which the Company is required to indemnify such Managing Member under Section 6.8, except as provided by Article V.

(c) The Managing Member shall jointly and severally indemnify, defend, and hold the Non-Managing Members harmless on an After-Tax Basis from and against any Adverse Consequences related to or arising directly or indirectly out of the presence on, under or about the Apartment Complex of any Hazardous Material at the Apartment Complex, the use, generation, manufacture, migration, storage or disposal of any Hazardous Material on, under or about the Apartment Complex, or the violation of any Environmental Laws by the Managing Member or its representatives (other than any Adverse Consequences resulting from the acts or omissions of the Non-Managing Members). Any claim or loss described in the immediately preceding sentence may be defended, compromised, settled, or pursued by the Non-Managing Members with counsel of the Non-Managing Members’ selection, but at the expense of the Managing Member. Notwithstanding anything else set forth herein, this indemnification shall survive the withdrawal of any Managing Member and/or the termination of this Agreement.

6.10 Operating Deficits

Subject to any Requisite Approvals, the Managing Member jointly and severally shall be obligated during the period from Rental Achievement until the later of (A) the fifth (5th) anniversary of Rental Achievement and (B) the achievement of an average Debt Service Coverage Ratio of 1.15 to 1.00 for the six consecutive months occurring immediately prior to such date (the “Subordinated Loan Period”), to promptly advance funds to eliminate any Operating Deficit, provided however, that the Managing Member shall not be obligated to have Subordinated Loans outstanding at any one time in excess of $685,000 (the “Subordinated Loan Cap”). Notwithstanding anything to the contrary contained herein, if at the end of the Subordinated Loan Period there are insufficient funds in the Operating Reserve to meet the Initial Reserve Amount, the Subordinated Loan Period will be extended until such time the Operating Reserve is restored to the Initial Reserve Amount. In any case in which the Managing Member otherwise would be required to advance funds under this Section 6.10, any amounts then held in the Operating Reserve may be released and disbursed for the purpose of eliminating the Operating Deficit before the Managing Member shall be required to advance their own funds. In the event that the Managing Member shall fail to make any such advance as aforesaid, (a) the Company shall utilize amounts (the “Applied Amounts”) otherwise payable to the Managing Member or its Affiliates under Section 6.12 and/or Article X to meet the obligations of the Managing Member pursuant to this Section 6.10, with such utilization of Applied Amounts constituting payment and satisfaction of the corresponding amounts payable to the Managing Member or its Affiliates under Section 6.12 and/or Article X, with the proceeds thereof being applied to such obligations, and with the obligation of the Company to make such payments to the Managing Member or its Affiliates pursuant to Section 6.12 and/or Article X being deemed to have been satisfied to the extent thereof and (b) the Special Member shall have the option, exercisable in its sole discretion, to cause it or one or more of its designees to be admitted to the
Company as additional Managing Member(s). An additional Managing Member so admitted shall automatically, without the need for any further action by any Member, become the Managing Member and shall be delegated all of the powers and authority of all of the Managing Members pursuant to Section 6.13. Each Member hereby grants to any such additional Managing Member a power of attorney, coupled with an interest and irrevocable to the extent permitted by law, to execute and deliver any and all instruments and documents which it believes to be necessary or appropriate in order to accomplish the purposes of this Section 6.10 and to manage the business of the Company. The admission of an additional Managing Member shall not relieve any other Managing Member of any of its economic obligations hereunder, and each other Managing Member shall indemnify and hold harmless the additional Managing Member from and against any and all Adverse Consequences sustained in connection with the additional Managing Member’s status as a Managing Member (other than Adverse Consequences arising solely out of the negligence or misconduct of such additional Managing Member). Any additional Managing Member admitted under this paragraph shall withdraw (notwithstanding the provisions of Article VII) as such and remain only as the Special Member upon payment by the Managing Member of all amounts due under this paragraph. For the purpose of this Section 6.10, all expenses shall be paid on a thirty (30)-day current basis. Moreover, the Managing Member may in its sole discretion at any time advance funds to the Company to pay operating expenses and/or debt service of the Company in order to facilitate the Company’s compliance with the Rent Restriction Test. All advances pursuant to Section 6.5(e) and this Section 6.10 (including any Applied Amounts), except advances from the Operating Reserve, shall constitute non-interest-bearing Subordinated Loans. Subordinated Loans shall be repaid in accordance with the provisions of Article X. The form and provisions of all Subordinated Loans shall conform to any applicable Regulations.

6.11 Obligation to Complete the Construction of the Apartment Complex

(a) To the extent the Developer fails to do so under the Development Agreement, the Managing Member shall be obligated to complete the construction of the Apartment Complex and pay all costs necessary to achieve Rental Achievement in the manner set forth in this Agreement and the Development Agreement.

(b) The Managing Member shall be obligated to pay all costs necessary to achieve Permanent Mortgage Commencement and Rental Achievement in the manner set forth in this Agreement, and may be reimbursed for such payments only out of Specified Proceeds.

(c) The completion of the Apartment Complex shall be secured by a completion bond in an amount at least equal to the full amount of the Construction Contract for the Apartment Complex and by the Guaranty.

6.12 Certain Payments to the Managing Member and Others

(a) As reimbursement for certain advances and as compensation for the Developer’s services in connection with the development and construction of the Apartment Complex, the Company shall pay to the Developer a development fee (the “Development Fee”) in the amount and at the times set forth in the Development Agreement. If Specified Proceeds are insufficient to pay the Development Fee, such unpaid amounts shall be evidenced by a Deferred
Development Fee Note as set forth in the Development Agreement, provided however that the maximum amount of the Deferred Development Fee Note shall be $651,729 (or such larger amount as in the opinion of tax counsel to the Investment Member would not cause tax benefits to be projected to be reallocated from the Investment Member to another Member during the Compliance Period). Any unpaid portion of the Development Fee not evidenced by the Deferred Development Fee Note must be paid as a Development Cost as set forth in Section 6.11. The Managing Member, with the Consent of the Special Member, shall cause the Deferred Development Fee Note, if any, to be executed by the Company at the time set forth in and in accordance with the terms of the Development Agreement. If the Development Fee, including without limitation, any portion evidenced by a Deferred Development Fee Note and all accrued but unpaid interest thereon, has not been fully paid by the thirteenth (13th) anniversary of the Completion Date, the Managing Member shall make a Capital Contribution to the Company in an amount sufficient to enable the Company to pay any unpaid portion of the Development Fee, including without limitation, any portion evidenced by a Deferred Development Fee Note and all accrued but unpaid interest thereon.

(b) The Company shall pay to the Special Member or an Affiliate thereof a fee (the “Asset Management Fee”) commencing in 2019 for its services in connection with the Company’s accounting matters relating to the Investment Member and assisting with the preparation of tax returns and the reports required by Section 12.7 in the annual amount of $7,600, increased each year by a factor equal to the percentage increase in the Consumer Price Index for such year. The Asset Management Fee shall be payable from Cash Flow in the manner and priority set forth in Section 10.2(a); provided however, that if in any Fiscal Year, Cash Flow is insufficient to pay the full amount of the Asset Management Fee, the Managing Member shall advance the amount of such deficiency to the Company as a Subordinated Loan, provided further that the Managing Member’s obligation to make Subordinated Loans under this Section 6.12(b) shall be ongoing and shall not terminate upon the expiration of the Subordinated Loan Period or be subject to the Subordinated Loan Cap. If for any reason the Asset Management Fee is not paid in any Fiscal Year, the unpaid portion thereof shall accrue and be payable on a cumulative basis in the first Fiscal Year in which there is sufficient Cash Flow or Capital Proceeds as provided in Article X.

(c) In consideration of the services of the Managing Member in managing the day-to-day business and affairs of the Company, the Company shall pay to the Managing Member an annual fee (the “Company Management Fee”) commencing in 2019 in the amount of $10,000, payable from Cash Flow in the manner set forth in Section 10.2(a). The Company Management Fee shall be noncumulative so that if there is not sufficient Cash Flow in any Fiscal Year to pay the amount of the Company Management Fee specified for such use in Section 10.2(a), the Company shall have no obligation to pay such shortfall in any future Fiscal Year.

(d) The Company also shall pay to the Managing Member the Incentive Management Fee as set forth in the Incentive Management Agreement.
6.13 **Delegation of Managing Member Authority**

(a) If there shall be more than one Managing Member serving hereunder, each Managing Member may from time to time, by an instrument in writing, delegate all or any of his powers or duties hereunder to another Managing Member or Managing Members.

(b) Each contract, deed, mortgage, lease and other instrument executed by any Managing Member shall be conclusive evidence in favor of every Person relying thereon or claiming thereunder that at the time of the delivery thereof (i) the Company was in existence, (ii) this Agreement had not been amended in any manner so as to restrict the delegation of authority among Managing Members (except as shown in certificates or other instruments duly filed in the Filing Office) and (iii) the execution and delivery of such instrument was duly authorized by the Managing Members. Any Person may always rely on a certificate addressed to him and signed by any Managing Member hereunder:

1. as to who are the Managing Members or Non-Managing Members hereunder;

2. as to the existence or nonexistence of any fact which constitutes a condition precedent to acts by the Managing Members or in any other manner germane to the affairs of the Company;

3. as to who is authorized to execute and deliver any instrument or document of the Company;

4. as to the authenticity of any copy of this Agreement and any amendments thereto; or

5. as to any act or failure to act by the Company or as to any other matter whatsoever involving the Company or any Member.

6.14 **Assignment to Company**

The Developer and the Managing Member hereby transfer and assign to the Company all of their right, title and interest in and to the Apartment Complex and in and to all of the Project Documents, including, but not limited to, the following: (i) all contracts with architects, supervising architects, engineers and contractors with respect to the development of the Apartment Complex; (ii) all plans, specifications and working drawings heretofore prepared or obtained in connection with the Apartment Complex; (iii) all governmental commitments and approvals obtained, and applications therefore, including, but not limited to those relating to planning, zoning, building permits and Tax Credits; (iv) any and all commitments with respect to any Mortgages; and (v) any and all contracts or rights with respect to any agreements with any Agency or Lender.

6.15 **Contracts with Affiliates**

(a) The Managing Member or any Affiliate thereof may act as Management Agent upon the terms and conditions set forth in Article XI.
(b) The Managing Member or any Affiliates thereof shall have the right to contract or otherwise deal with the Company for the sale of goods or services to the Company in addition to those set forth herein, if (i) compensation paid or promised for such goods or services is reasonable (i.e., at fair market value) and is paid only for goods or services actually furnished to the Company, (ii) the goods or services to be furnished shall be reasonable for and necessary to the Company, (iii) the fees, terms and conditions of such transaction are at least as favorable to the Company as would be obtainable in an arm’s-length transaction, (iv) the Consent of the Special Member is obtained for any such contract where the compensation to be paid by the Company to the Managing Member or its Affiliates is $50,000 or more, and (v) no agent, attorney, accountant or other independent consultant or contractor who also is employed on a full-time basis by the Managing Member or any Affiliate shall be compensated by the Company for his services. Any contract covering such transactions shall be in writing and shall be terminable without penalty on sixty (60) days written notice. Any payment made to the Managing Member or any Affiliate for such goods or services shall be fully disclosed to all Non-Managing Members in the reports required under Article XII. Neither the Managing Member nor any Affiliate shall, by the making of lump-sum payments to any other Person for disbursement by such other Person, circumvent the provisions of this Section 6.15(b).

6.16 Tax Matters Partner

(a) The Controlling Managing Member hereby is designated as Tax Matters Partner of the Company, and shall engage in such undertakings as are required of the Tax Matters Partner of the Company as provided in treasury regulations pursuant to Section 6231 of the Code. Each Member, by the execution of this Agreement, consents to such designation of the Tax Matters Partner and agrees to execute, certify, acknowledge, deliver, swear to, file and record at the appropriate public offices such documents as may be necessary or appropriate to evidence such consent.

(b) With the Consent of the Investment Member, the Tax Matters Partner hereby is authorized, but not required:

(i) to enter into any settlement agreement with the Service with respect to any tax audit or judicial review, in which agreement the Tax Matters Partner may expressly state that such agreement shall bind the other Members, except that such settlement agreement shall not bind any Member who (within the time prescribed pursuant to the Code and treasury regulations thereunder) files a statement with the Service providing that the Tax Matters Partner shall not have the authority to enter into a settlement agreement on the behalf of such Member;

(ii) in the event that a notice of final administrative adjustment at the Company level of any item required to be taken into account by a Member for tax purposes (a “Final Adjustment”) is mailed to the Tax Matters Partner, to seek judicial review of such Final Adjustment, including the filing of a petition for readjustment with the Tax Court, the District Court of the United States for the district in which the Company’s principal place of business is located, or the United States Claims Court;
(iii) to intervene in any action brought by any other Member for judicial review of a Final Adjustment;

(iv) to file a request for an administrative adjustment with the Service at any time and, if any part of such request is not allowed by the Service, to file an appropriate pleading (petition or complaint) for judicial review with respect to such request;

(v) to enter into an agreement with the Service to extend the period for assessing any tax which is attributable to any item required to be taken into account by a Member for tax purposes, or an item affected by such item; and

(vi) to take any other action on behalf of the Members or the Company in connection with any administrative or judicial tax proceeding to the extent permitted by applicable law or Regulations.

(c) The Company shall indemnify and reimburse the Tax Matters Partner for all expenses, including legal and accounting fees, claims, liabilities, losses and damages incurred in connection with any administrative or judicial proceeding with respect to the tax liability of the Members. The payment of all such expenses shall be made before any distributions are made from Cash Flow or any discretionary reserves are set aside by the Managing Member. The Managing Member shall have the obligation to provide Company funds for such purpose, but only to the extent of available Company resources. The taking of any action and the incurring of any expense by the Tax Matters Partner in connection with any such proceeding, except to the extent required by law, is a matter in the sole discretion of the Tax Matters Partner and the provisions on limitations of liability of the Managing Member and indemnification set forth in Section 6.8 of this Agreement shall be fully applicable to the Tax Matters Partner in its capacity as such.

(d) Following the beginning of the Post-TEFRA Period:

(i) (1) the Managing Member shall constitute the “partnership representative” under Section 6223 of Chapter 63 of the Code (as in effect pursuant to the Bipartisan Budget Act), (2) the Managing Member shall take any and all action required under the Code or Treasury Regulations, as in effect from time to time, to designate itself the “partnership representative,” and (3) the Tax Matters Partner (in its capacity as such) shall have no authority under this Agreement. The designation of someone other than the Managing Member as the partnership representative will require the Consent of the Investment Member. To the extent permitted by the Code and Treasury Regulations, the Managing Member, in its capacity as “partnership representative” shall be bound by the obligations and restrictions imposed on the Tax Matters Partner pursuant to this Section 6.16. Upon the promulgation of Treasury Regulations implementing subchapter C of Chapter 63 of the Code (as revised by the Bipartisan Budget Act), the Managing Member will evaluate and consider options available with respect to preserving the allocation of responsibility and authority described in this Section 6.16, while conforming with the applicable provisions of the revised partnership audit procedures. Any action taken by the Managing Member pursuant to this Section 6.16(d), including any election permitted under the Bipartisan Budget Act, shall be made only with the Consent of the Investment
Member. The Managing Member and the Members agree to work together in good faith to amend this Agreement if either party determines that an amendment is required to maintain the intent of the parties with respect to the obligations and limitations of the Tax Matters Partner.

(ii) If the Company receives a notice of final partnership adjustment from the IRS, the “partnership representative” shall promptly forward a copy of such notice to the Investment Member and its legal counsel. The “partnership representative” shall, unless otherwise directed in writing by the Investment Member, timely file an election described in Section 6226(a) of the Code with respect to any notice of final partnership adjustment received by the Company with respect to any Post-TEFRA Period and take such other actions as are required so that Section 6225 of the Code shall not apply with respect to any imputed underpayment with respect to any adjustment of an item of the Company or any Member’s distributive share thereof. Each Member shall take any and all actions necessary to effect such election, including but not limited to making any payments required under Section 6226(b) of the Code. In the event that an election described in Section 6226(a) of the Code is not made with respect to any notice of final partnership adjustment, each Member shall be obligated to make a Capital Contribution in an amount equal to such Member’s share of the imputed underpayment (and any associated interest and penalties) owed by the Company under Section 6225 of the Code. For purposes of the preceding sentence, each Member’s share of such imputed underpayment (and associated interest and penalties) shall be determined by taking into account (i) such Member’s share of the Profits, Losses and Credits to which such adjustment and imputed underpayment relate, as determined by the Accountants; (ii) such Member’s obligation (if any) to indemnify, defend, or hold harmless the Company or any other Member for such imputed underpayment (and any associated interest and penalties) under this Agreement; (iii) such Member’s obligations and liabilities arising from or related to such Member’s representations, warranties and covenants in this Agreement; and (iv) the obligations of the Managing Member under Section 5.1. For example, if an imputed underpayment were to relate to an adjustment or disallowance of Tax Credits previously allocated to the Investment Member and such adjustment or disallowance would give rise to an obligation of the Managing Member to make a Capital Contribution under Section 5.1, then such Managing Member, rather than the Investment Member, would be required to make the Capital Contribution described in this Section 6.16(d).

(iii) If for any Post-TEFRA Period the Company meets the requirements of Section 6221(b) of the Code to elect not to have Section 6221(a) of the Code apply with respect to any adjustment to Company tax items, the “partnership representative” may, with the written consent of the Investment Member (which consent may be withheld in the Investment Member’s sole discretion), make such election described in Section 6221(b) of the Code for each tax year, as applicable.

(iv) Notwithstanding anything to the contrary in this Section 6.16(d), none of the Company, the Managing Member or the “partnership representative” shall, without the prior written consent of the Investment Member (which consent may be withheld in the Investment Member’s sole discretion), take any action or make any election (or omit to take any action or make any election) under the Partnership Tax Audit Rules which
would or could reasonably be expected to have a materially adverse effect on the Investment Member (or its direct or indirect owners). The rights of the Investment Member under this Section 6.16(d) shall survive any sale, exchange, liquidation, retirement or other disposition of the Investment Member’s Interest.

6.17 Single Purpose Entity

(a) The Managing Member shall not engage, has not engaged and does not engage, in any business other than the business of making housing available to persons of low and moderate income.

(b) The Managing Member shall not enter into and has not entered into any contract or agreement with any Affiliate of the Managing Member, any constituent party of the Managing Member, or any Affiliate of any constituent party, except upon terms and conditions that are intrinsically fair and substantially similar to those that would be available on an arm’s length basis with third parties other than any such party.

(c) The Managing Member has and shall continue to pay its debts and liabilities from its own assets as the same shall become due. No Affiliate has paid any debts or liabilities on behalf of the Managing Member.

(d) The Managing Member has and shall continue to maintain books, financial records and bank accounts that are separate and distinct from the books, financial records and bank accounts of any other Person including any Affiliate.

(e) The Managing Member has and shall continue to maintain separate annual financial statements prepared in accordance with generally accepted accounting principles, consistently applied, showing its assets and liabilities separate and distinct from those of any other entity; in the event the financial statements of the Managing Member are consolidated with the financial statements of any other entity, the Managing Member has and shall continue to cause to be included in such consolidated financial statements: (i) a narrative description of the separate assets, liabilities, business functions, operations and existence of the Managing Member to ensure that such separate assets, liabilities, business functions, operations and existence are readily distinguishable by any entity receiving or relying upon a copy of such consolidated financial statements; and (ii) a statement that the Managing Member’s assets and credit are not available to satisfy the debts of such other entity or any other person.

(f) The Managing Member has and shall continue to file its own tax returns and pay its own taxes required to be paid under applicable law.

(g) The Managing Member has and shall continue to (i) hold itself out as an entity separate and distinct from any other Person; (ii) not identify itself or any of its affiliates as a division or part of the other; (iii) correct any known misunderstanding regarding its separate status; and (iv) use separate stationery, invoices, checks, and the like bearing its own name.

(h) The Managing Member has and shall continue to conduct its business in its own name so as to avoid or correct any misunderstanding on the part of any creditor concerning the fact that any invoices and other statements of account from creditors of the Managing Member
are to be addressed and mailed directly to the Managing Member, though this provision shall not prohibit such mail to be delivered to the Managing Member c/o any other entity.

(i) The Managing Member has and intends to maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations.

(j) The Managing Member has not and shall not commingle any of its assets, funds or liabilities with the assets, funds or liabilities of any other Person or Affiliate.

(k) The Managing Member has and shall continue to maintain its assets in such a manner that it will not be costly or difficult to segregate, ascertain or identify its individual assets from those of any party.

(l) The Managing Member has not and shall not (i) assume or guaranty the debts of any other Person in a manner that includes a pledge, encumbrance, transfer or hypothecation (whether by operation of law or otherwise) of any assets or interests of the Company or, (ii) hold itself out to be responsible for the debts of another Person in a manner that includes the pledge, encumbrance, transfer or hypothecation of any assets or interests of the Company (whether by operation of law or otherwise), or (iii) otherwise pledge, encumber, transfer or hypothecate the assets of the Company for the benefit of another Person or permit the same to occur, or (iv) hold the Company’s credit as being available to satisfy the obligations of any other Person.

(m) All transactions carried out by the Managing Member have been and will be, in all instances, made in good faith and without intent to hinder, delay or defraud creditors of the Managing Member.
ARTICLE VII
Withdrawal of a Managing Member: New Managing Members

7.1 Voluntary Withdrawal

No Managing Member shall have the right to Withdraw voluntarily from the Company or to sell, assign or encumber its Interest without the Consent of the Investment Member and each of the other Managing Members (if any) and, if required, any Requisite Approvals.

7.2 Reconstitution

In the event of the Withdrawal of a Managing Member, the Company shall not be dissolved or required to be wound up if (i) at the time of such Withdrawal there is at least one remaining Managing Member and that Managing Member carries on the business of the Company (any such remaining Managing Member being hereby authorized to carry on the business of the Company), or (ii) within ninety (90) days after such Withdrawal all remaining Members agree in writing to continue the business of the Company and to the appointment, effective as of the date of such Withdrawal, of one or more additional Managing Members. Within ten (10) days after the occurrence of such Withdrawal, the remaining Managing Members, if any, shall notify the Investment Member thereof:

(i) The reconstituted limited liability company shall continue until the occurrence of a Liquidating Event as provided in Section 2.4;

(ii) If the successor Managing Member is not a former Managing Member, then the provisions of Section 7.4(d) shall apply; and

(iii) If required by the Investment Member, all necessary steps shall be taken to cancel this Agreement and the Articles and to enter into a new operating agreement and articles of organization, and the successor Managing Member shall be obligated to take such steps.

7.3 Successor Managing Member

(a) Upon the occurrence of any Withdrawal, the remaining Managing Members may designate a Person to become a successor Managing Member to the Withdrawing Managing Member. Any Person so designated, subject to any Requisite Approvals, the Consent of the Investment Member and, if required by the Act or any other applicable law, the consent of any other Member so required, shall become a successor Managing Member upon his written agreement to be bound by the Project Documents and by the provisions of this Agreement.

(b) If any Withdrawal shall occur at a time when there is no remaining Managing Member and the Members do not unanimously elect to continue the business of the Company in accordance with the provisions of clause (ii) of Section 7.2(a) above, then the Investment Member shall have the right, subject to any Requisite Approvals, to designate a Person to become a successor Managing Member upon his written agreement to be bound by the Project Documents and by the provisions of this Agreement.
If the Investment Member elects to reconstitute the Company and admit a successor Managing Member pursuant to this Section 7.3, the relationship of the Members in the reconstituted Company shall be governed by this Agreement.

7.4 Interest of Predecessor Managing Member

(a) No assignee or transferee of all or any part of the Interest as a Managing Member of a Managing Member shall have any automatic right to become a Managing Member. Until the acquisition of the Interest of a Withdrawing Managing Member pursuant to Section 7.4(d) or 7.6, such Interest shall be deemed to be that of an assignee and the holder thereof shall be entitled only to such rights as an assignee may have as such under the laws of the State.

(b) Anything herein contained to the contrary notwithstanding, any Managing Member who Withdraws voluntarily in violation of Section 7.1 shall remain liable for all of its obligations under this Agreement, for all its other obligations and liabilities hereunder incurred or accrued prior to the date of its Withdrawal and for any loss or damage which the Company or any of its Members may incur as a result of such Withdrawal (except as provided in Section 6.8(a)).

(c) The estate (which term, for purposes of this Section 7.4(c), shall include the heirs, distributees, estate, executors, administrators, guardian, committee, trustee or other personal representative) of a Withdrawn Managing Member shall be liable for all his liabilities and obligations hereunder, except as provided in this Section 7.4(c). In the event of the death, insanity or incompetency of a Managing Member, his estate shall remain liable for all of his obligations and liabilities hereunder incurred or accrued prior to the date of such event, and for any damages arising out of any breach of this Agreement by him, but his estate shall not have any obligation or liability on account of the business of the Company or the activities of the other Managing Members after his death, insanity or incompetency unless it becomes a Managing Member pursuant to Section 7.3(a).

(d) The Disposition of the Managing Member Interest of a Managing Member who or which Withdraws voluntarily in compliance with this Agreement shall be accomplished in such manner as shall be acceptable to the remaining Managing Members and shall be approved by Consent of the Investment Member. Except as provided in the preceding sentence, upon the Withdrawal of a Managing Member (other than a Managing Member who or which is removed as such pursuant to Section 4.5), such Withdrawn Managing Member shall be deemed to have automatically transferred to the remaining Managing Members, in proportion to their respective Managing Member Interests, or, if there shall be no remaining Managing Member, then to the Company for the benefit of the remaining Members, all or such portion of the Managing Member Interest of such Withdrawn Managing Member which, when aggregated with the existing Managing Member Interests of all such remaining Managing Members, will be sufficient in the opinion of the Tax Accountants to assure such remaining Managing Members a sufficient interest in all Profits, Losses, Tax Credits and distributions of the Company under Article X so as to be deemed to be a Member of the Company for federal income tax purposes. No documentation shall be necessary to effectuate such transfer, which shall be automatic, and no consideration shall be payable therefor. For the purposes of Article X, the effective date of the transfer pursuant to the provisions of this Section 7.4(d) of the Managing Member Interest of a
Withdrawn Managing Member shall be deemed to be the date on which such withdrawal occurs. That portion of the Managing Member Interest (the “Remaining Interest”) of the withdrawing Managing Member which shall not have been transferred pursuant to this Section 7.4(d) (except in respect of a removed Managing Member), shall be retained by such withdrawing Managing Member (or pass to legal representatives thereof) who or which shall have the status of a special member (an Article VII Special Member), but with the right to receive only that share of the Profits, Losses, Tax Credits and distributions of the Company to which the withdrawing Managing Member, as such, would have been entitled had he or it remained, reduced to the extent of the Managing Member Interest transferred hereunder, but such withdrawing Member (or his or its legal representatives, as the case may be) shall not be considered to be a Special Member for the purpose of exercising any rights reserved to the Special Member under this Agreement or sharing the benefits allocated to the Special Member under Article X hereof and shall not participate in the votes or consents of the Non-Managing Members hereunder; provided, however, that in the case of a Managing Member who or which withdraws involuntarily without violation of this Agreement, the Company shall have the option (but not the obligation), exercisable by notice to the holder of such Interest within six (6) months following the date of such withdrawal, to acquire the Remaining Interest of such withdrawing Managing Member (or the Article VII Special Member Interest deriving therefrom) in accordance with the valuation and payment provisions of Section 7.6.

7.5 Amendment of Articles; Approval of Certain Events

(a) Upon the admission of a new Managing Member pursuant to the preceding provisions of this Article VII, Schedule A shall be amended to reflect such admission and an amendment to the Articles, also reflecting such admission, shall be filed as required by the Act.

(b) Each Member hereby consents to and authorizes any admission or substitution of a Managing Member or any other transaction, including, without limitation, the continuation of the Company business, which has been authorized under the provisions of this Agreement, and hereby ratifies and confirms each amendment of this Agreement necessary or appropriate to give effect to any such transaction.

7.6 Valuation and Sale of Interest of Former Managing Member

(a) Subject to the provisions of Section 7.4(d), if the business of the Company is continued after the withdrawal of a Managing Member, or if, following such event, the Company is reconstituted and continued, in each case as contemplated by this Agreement, the Company shall purchase such Managing Member’s Interest if such removal is without cause or if such withdrawal is not in violation of this Agreement (which term, and words of like import, as used in this Section 7.6 shall refer only to the “Remaining Interest” of such withdrawing Managing Member as defined in Section 7.4(d) in all cases where applicable) each for a price equal to the fair market value thereof. Such fair market value shall be determined by two independent appraisers, one selected by the former Managing Member or its representative and one by the Company. If such appraisers are unable to agree on the value of the former Managing Member’s Interest, they shall jointly appoint a third independent appraiser whose determination shall be final and binding. The appraisers may act with or without a hearing, and the cost of the appraisal will be shared equally between such former Managing Member and the Company. If a
Managing Member is removed by the Investment Member for cause, or if a Managing Member has voluntarily withdrawn from the Company in contravention of the terms of this Agreement, the Managing Member shall forfeit its Interest to the Company, not as a penalty but as liquidated damages to compensate the Company for the action of such Managing Member leading to its removal, or for the fact of its violation of the terms of this Agreement.

(b) Promptly after the determination of the purchase price of a former Managing Member’s Interest pursuant to Section 7.6(a), the Company shall deliver to such former Managing Member a promissory note of the Company for such purchase price, payable in five equal consecutive annual installments commencing on the first anniversary of the date of such note. Such promissory note shall bear simple interest at the rate per annum which is at all times the AFR, annually compounding, payable on the last day of each calendar quarter during which such note is outstanding. Within one hundred twenty (120) days after the determination of the purchase price of the former Managing Member’s Interest, the Company may, with the consent of all remaining Managing Members and the Consent of the Investment Member, sell such Interests to one or more Persons, who may be Affiliates of the remaining Managing Member or Managing Members, and admit such Person or Persons to the Company as substitute Managing Members; provided, however, that the purchase price to be paid to the Company for the Interest of the former Managing Member shall not be less than its purchase price as determined by the appraisal and, if applicable, arbitration described above. Such substitute Managing Members may pay said purchase price in installments in the manner set forth above in this Section 7.6(b).

7.7 Designation of New Managing Members

The Managing Member may, with the written consent of all Non-Managing Members, at any time designate new Managing Members, each with such Interest as a Managing Member in the Company as the Managing Member may specify, subject to any Requisite Approvals.

Any new Managing Member shall, as a condition of receiving any interest in the Company property, agree to be bound by the Project Documents and any other documents required in connection therewith and by the provisions of this Agreement, to the same extent and on the same terms as any other Managing Member.
ARTICLE VIII
Transferability of a Non-Managing Member’s Company Interests

8.1 Assignments

(a) Each of the Non-Managing Members may each assign all or any part of its Company Interest without the consent of any other Member.

(b) An assignee of a Non-Managing Member who does not become a Substituted Non-Managing Member shall have, and shall only have, the right to receive the share of allocations and distributions of the Company to which the assigning Non-Managing Member would have been entitled with respect to the Company Interest (or portion thereof) so assigned if no such assignment had been made by such Non-Managing Member. Any assigning Non-Managing Member whose assignee becomes a Substituted Non-Managing Member shall thereupon cease to be a Non-Managing Member and shall no longer have any of the rights or privileges of a Non-Managing Member. Where the assignee does not become a Substituted Non-Managing Member, the Company shall recognize such assignment not later than the last day of the calendar month following receipt of notice of assignment and all documentation required in connection therewith. The Managing Member shall cooperate with the Non-Managing Members in facilitating such assignment by promptly furnishing complete and accurate financial and other relevant data regarding the Company, the Apartment Complex, the Managing Member and Affiliates of the Managing Member and any other matters reasonably necessary in the judgment of the Special Member to facilitate such Assignment, but only to the extent such information is readily available to the Managing Member either (a) at no or at nominal cost, or (b) the Non-Managing Members shall reimburse the Managing Member for the reasonable cost thereof.

(c) Every assignee of a Non-Managing Member’s Company Interest (or any portion thereof) who desires to make a further assignment of its Company Interest shall be subject to all the provisions of this Article VIII.

8.2 Substituted Non-Managing Member

Each Non-Managing Member shall have the right to substitute an assignee as Non-Managing Member in its place without the consent of any other Member; provided that any Substituted Non-Managing Member shall execute such instrument or instruments as shall be reasonably required by the Managing Members to signify the agreement of such Substituted Non-Managing Member to be bound by all the provisions of this Agreement.

8.3 Restrictions

(a) No Disposition of a Non-Managing Member Interest may be made if such Disposition would violate the provisions of Sections 8.1, 8.2 or 13.1.

(b) In no event shall all or any part of a Non-Managing Member Interest be Disposed of to a minor (other than to a descendant by reason of death) or to an incompetent.

(c) The Managing Member may, in addition to any other requirement it may impose, require as a condition of any Disposition of a Non-Managing Member Interest that the transferor
or transferee (i) assume all costs incurred by the Company or the Non-Managing Member in connection therewith and (ii) furnish the Company and the other Members with an opinion of counsel satisfactory to counsel to the Company that such Disposition complies with applicable federal and state securities laws.

(d) Any sale, exchange, transfer or other Disposition of a Non-Managing Member Interest in contravention of any of the provisions of this Section 8.3 shall be void and ineffectual and shall not bind or be recognized by the Company.
ARTICLE IX
Borrowings

All Company borrowings shall be subject to the terms of this Agreement and the Project Documents and may be made from any source, including Members and their Affiliates. Any Company borrowings from any Member, other than the Subordinated Loans shall be subject to any Requisite Approvals and the Consent of the Special Member. If any Member shall lend any monies to the Company, the amount of any such loan shall not increase such Member’s Capital Contribution. If any Member shall so lend monies, each such loan (a “Voluntary Loan”) shall be an obligation of the Company and (except for Subordinated Loans) shall be repayable to such Member on the same basis and with the same rate of interest as would be applicable to a comparable loan to the Company from a third party. Funds advanced by the Managing Member to the Company as Subordinated Loans shall not constitute borrowings for the purposes of this Article IX or for any other purposes.
ARTICLE X
Profits, Losses, Tax Credits, Distributions and Capital Accounts

10.1 Profits, Losses and Tax Credits

(a) Subject to the provisions of Section 10.1(b) and Section 10.4, for each Company Fiscal Year or portion thereof, all Operating Profits and Losses, tax-exempt income, losses, non-deductible non-capitalizable expenditures and Tax Credits incurred or accrued on or after the Commencement Date shall be allocated 99.99% to the Investment Member, 0.001% to the Class B Special Member, 0.0041% to the Administrative Member and 0.0049% to the Co-Managing Member.

(b) Except as otherwise specifically provided in this Article, all Profits and Losses arising from a Capital Transaction shall be allocated to the Members as follows:

As to Profits:

First, that portion of Profits (including any Profits treated as ordinary income for federal income tax purposes) shall be allocated to the Members who have negative Capital Account balances in proportion to the amounts of such balances, provided that no Profits shall be allocated to a Member under this Clause First to increase any such Member’s Capital Account above zero; and

Second, Profits in excess of the amounts allocated under Clause First above shall be allocated to and among the Members in the same percentages as cash is distributed under Clause Fifth of Section 10.2(b);

As to Losses:

First, an amount of Losses shall be allocated to the Members to the extent and in such proportions as shall be necessary such that, after giving effect thereto, the respective balances in all Members’ Capital Accounts shall be in the ratio of 99.99% for the Investment Member, 0.001% for the Class B Special Member, 0.0041% for the Administrative Member, and 0.0049% for the Co-Managing Member;

Second, an amount of Losses shall be allocated to the Members until the balance in each Member Capital Account equals the amount of such Member’s Capital Contribution (after the allocation under Clause First above);

Third, an amount of Losses shall be allocated to the Members to the extent of and in proportion to such Members’ Capital Account balances (after the allocations under Clauses First and Second above); and

Fourth, any remaining amount of Losses after the allocation under Clauses First, Second and Third above shall be allocated to the Members in accordance with the manner in which they bear the Economic Risk of Loss associated with such Loss; provided, however, that in the event that no Member bears an Economic Risk of Loss then any remaining Losses shall be allocated 99.99% to the Investment Member, 0.001% to the
Class B Special Member, 0.0041% to the Administrative Member and 0.0049% to the Co-Managing Member.

10.2 Cash Distributions Prior to Dissolution

(a) Cash Flow

Subject to any Requisite Approvals, Cash Flow for each Fiscal Year or portion thereof shall be applied as follows:

First, to the payment to the Investment Member of the full amount (including interest) of any amounts due and owing to the Investment Member, including without limitation, adjusters under Section 5.1, any Recapture Amount pursuant to Section 10.6, guaranty payments and/or indemnity payments which the Investment Member is entitled to receive pursuant to this Agreement, the Guaranty or the Development Agreement and to repay any Voluntary Loan made by the Investment Member pursuant to Article IX;

Second, to the payment of the Asset Management Fee for such Fiscal Year and for any previous Fiscal Year(s) as to which the Asset Management Fee shall not yet have been paid in full;

Third, to the payment of any unpaid portion of the Development Fee, including without limitation, any amounts evidenced by a Deferred Development Fee Note and all accrued but unpaid interest thereon;

Fourth, to the replenishment of the Operating Reserve until the balance in the Operating Reserve is equal to the Initial Reserve Amount;

Fifth, to the repayment of any Subordinated Loans;

Sixth, to the payment of the Company Management Fee for such Fiscal Year; and

Seventh, the balance thereof, if any, shall be distributed annually, seventy-five (75) days after the end of the Fiscal Year, 10% to the Investment Member and 90% to the Managing Member (of such 90%, 30% to the Co-Managing Member, 45% to the Administrative Member, and 25% to the Class B Special Member), first as payment of the Incentive Management Fee and then as a distribution.

(b) Distributions of Capital Proceeds

Prior to dissolution, if Capital Proceeds are available for distribution from a Capital Transaction, such Capital Proceeds shall be applied or distributed as follows:

First, to the payment to the Investment Member of the full amount (including interest) of any amounts due and owing to the Investment Member, including without limitation, adjusters under Section 5.1, any Recapture Amount pursuant to Section 10.6, guaranty payments and/or indemnity payments which the Investment Member is entitled
to receive pursuant to this Agreement, the Guaranty or the Development Agreement and to repay any Voluntary Loan made by the Investment Member pursuant to Article IX;

Second, to the payment of any accrued and unpaid Asset Management Fees;

Third, to the repayment of any remaining unpaid debts and liabilities owed to Members or Affiliates thereof by the Company for Company obligations (exclusive of Subordinated Loans) to any of them, including, but not limited to, accrued and unpaid amounts due in respect of any and all fees (including but not limited to the Development Fee and any Deferred Development Fee Note) due and payable to the Managing Member or its Affiliates as set forth in Section 6.12; provided, however, that any debts or obligations to be repaid to any Non-Managing Member or Affiliate thereof pursuant to this Clause Third shall be repaid prior to the repayment of any such debts or obligations to any Managing Member or Affiliate thereof;

Fourth, to the repayment of any Subordinated Loans;

Fifth, subject to the provisions of Section 10.3(a), any balance 9.999% to the Investment Member, 0.001% to the Special Member, 22.5% to the Class B Special Member, 27% to the Co-Managing Member, and 40.5% to the Administrative Member.

10.3 Distributions Upon Dissolution

(a) Upon dissolution and termination, after payment of, or adequate provision for, the debts and obligations of the Company, the remaining assets of the Company shall be distributed to the Members in accordance with the positive balances in their Capital Accounts after taking into account all Capital Account adjustments for the Company Fiscal Year, including adjustments to Capital Accounts pursuant to Sections 10.1(b) and 10.3(b). In the event that a Managing Member has a negative balance in its Capital Account following the liquidation of the Company or such Member’s Interest, after taking into account all Capital Account adjustments for the Company Fiscal Year in which such liquidation occurs, such Member may pay to the Company in cash an amount equal to the negative balance in such Member’s Capital Account. Such payment shall be made by the end of such Fiscal Year (or, if later, within ninety (90) days after the date of such liquidation) and shall, upon liquidation of the Company, be paid to recourse creditors of the Company or distributed to other Members in accordance with the positive balances in their Capital Accounts.

(b) With respect to assets distributed in kind to the Members in liquidation or otherwise, (i) any unrealized appreciation or unrealized depreciation in the values of such assets shall be deemed to be Profits and Losses realized by the Company immediately prior to the liquidation or other distribution event; and (ii) such Profits and Losses shall be allocated to the Members in accordance with the provisions of Section 10.1(b), and any property so distributed shall be treated as a distribution of an amount in cash equal to the excess of such fair market value over the outstanding principal balance of and accrued interest on any debt by which the property is encumbered. For the purposes of this Section 10.3(b), the terms “unrealized appreciation” or “unrealized depreciation” shall mean the difference between the fair market value of such assets, taking into account the fair market value of the associated financing (but
subject to the provisions of Section 7701(g) of the Code), and the Company’s adjusted basis for such assets as determined under the applicable provisions of the Allocation Regulations. This Section 10.3(b) is merely intended to provide a rule for allocating unrealized gains and losses upon liquidation or other distribution event, and nothing contained in this Section 10.3(b) or elsewhere herein is intended to treat or cause such distributions to be treated as sales for value. The fair market value of such assets shall be determined by an appraiser to be selected by the Managing Member with the Consent of the Special Member.

(c) The Investment Member may, prior to the time prescribed by law for filing of the Company’s federal income tax return for any Fiscal Year (not including extensions), elect to be unconditionally obligated to restore all or a portion of any deficit in the Investment Member’s Capital Account upon liquidation of its Interest in the Company. Any such election shall be evidenced by written notice to the Managing Member, delivered prior to such time, specifying the amount of any deficit for which the Investment Member elects a deficit restoration obligation. Any amount owing pursuant to a deficit restoration obligation shall be payable upon the later of (a) the end of the Fiscal Year in which Investment Member’s Interest is liquidated or (b) ninety (90) days after the date of such liquidation. The amount of any such election shall automatically be reduced to the extent the deficit in the Investment Member’s Capital Account (after reduction for the items described in (4), (5) and (6) of Treasury Regulations Section 1.704-1(b)(2)(ii)(d)) is subsequently reduced or eliminated as of the end of the Company’s taxable year without affecting the validity of prior allocations. If an allocation or distribution thereafter increases the deficit in the Investment Member’s Capital Account, unless the Investment Member elects otherwise under (i) below, the Investment Member will be obligated to restore the deficit only to the extent of the lesser of (i) the deficit amount the Investment Member has previously elected to restore or (ii) the smallest deficit balance in the Investment Member’s Capital Account (after reduction for the items described in (4), (5) and (6) of Treasury Regulations Section 1.704-1(b)(2)(ii)(d)) as of the end of the Company’s taxable year subsequent to the taxable year for which the election above was made. For purposes of determining the amount referred to in (ii), the income, gain, losses and deductions of the Company shall be allocated under an interim closing of the books method.

10.4 Special Provisions

(a) Except as otherwise provided in this Agreement, all Profits, tax-exempt income, Losses, non-deductible non-capitalizable expenditures, Tax Credits and cash distributions shared by a class of Members shall be shared by each Member in such class in the ratio of such Member’s paid-in Capital Contribution to the paid-in Class Contribution of the class of Members of which such Member is a member.

(b) Notwithstanding the foregoing provisions of this Article X:

(i) If (a) the Company incurs recourse obligations or Partner Nonrecourse Debt (including, without limitation, Voluntary Loans or Subordinated Loans) or (b) the Company incurs Losses from extraordinary events which are not recovered from insurance or otherwise (collectively “Recourse Obligations”) in respect of any Company Fiscal Year, then the calculation and allocation of Profits and Losses shall be adjusted as follows: first, an amount of deductions attributable to the Recourse Obligations shall be
allocated to the Member who bears the Economic Risk of Loss therefor; and second, the balance of such deductions shall be allocated as provided in Section 10.1(a).

(ii) If any Profits arise from the sale or other disposition of any Company asset which shall be treated as ordinary income under the depreciation recapture provisions of the Code, then the full amount of such ordinary income shall be allocated among the Members in the proportions that the Company deductions from the depreciation giving rise to such recapture were actually allocated. In the event that subsequently-enacted provisions of the Code result in other recapture income, no allocation of such recapture income shall be made to any Member who has not received the benefit of those items giving rise to such other recapture income.

(iii) If the Company shall receive any purchase money indebtedness in partial payment of the purchase price of the Apartment Complex and such indebtedness is distributed to the Members pursuant to the provisions of Section 10.2(b) or Section 10.3, the distributions of the cash portion of such purchase price and the principal amount of such purchase money indebtedness hereunder shall be allocated among the Members in the following manner: On the basis of the sum of the principal amount of the purchase money indebtedness and cash payments received on the sale (net of amounts required to pay Company obligations and fund reasonable reserves), there shall be calculated the percentage of the total net proceeds distributable to each class of Members based on Section 10.2(b) or Section 10.3, as applicable, treating cash payments and purchase money indebtedness principal interchangeably for this purpose, and the respective classes shall receive such respective percentages of the net cash purchase price and purchase money principal. Payments on such purchase money indebtedness retained by the Company shall be distributed in accordance with the respective portions of principal allocated to the respective classes of Members in accordance with the preceding sentence, and if any such purchase money indebtedness shall be sold, the sale proceeds shall be allocated in the same proportion.

(iv) Income, gain, loss and deduction with respect to any asset which has a variation between its basis computed in accordance with the applicable provisions of the Allocation Regulations and its basis computed for federal income tax purposes shall be shared among the Members so as to take account of such variation in a manner consistent with the principles of Section 704(c) of the Code and Section 1.704-1(b)(2)(iv)(g) of the Allocation Regulations.

(v) The terms “Profits” and “Losses” used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering into the computation thereof, as determined in accordance with the accounting methods followed by the Company and computed in accordance with Treasury Regulation Section 1.704-1(b)(2)(iv). Profits and Losses for federal income tax purposes shall be allocated in the same manner as set forth in this Article X, except as provided in Section 10.4(b)(iv).
(vi) Nonrecourse Deductions shall be allocated 99.99% to the Investment Member, 0.001% to the Class B Special Member, 0.0041% to the Administrative Member and 0.0049% to the Co-Managing Member.

(vii) Partner Nonrecourse Deductions shall be allocated to and among the Members in the manner provided in the Allocation Regulations.

(viii) Subject to the provisions of Section 10.4(b)(xix), if there is a net decrease in Partnership Minimum Gain for a Company Fiscal Year, the Members shall be allocated items of Company income and gain in accordance with the provisions of Section 1.704-(2)(f) of the Allocation Regulations.

(ix) Subject to the provisions of Section 10.4(b)(xix), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain for a Company Fiscal Year then any Member with a Share of such Partner Nonrecourse Debt Minimum Gain shall be allocated items of Company income and gain in accordance with the provisions of Section 1.704-2(i)(4) of the Allocation Regulations.

(x) Subject to the provisions of 10.4(b)(vi) through 10.4(b)(ix) above, in the event that any Member unexpectedly receives any adjustments, allocations or distributions described in Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) of the Allocation Regulations, items of Company income and gain shall be specially allocated to each such Member in an amount and manner sufficient to eliminate, to the extent required by the Allocation Regulations, the Adjusted Capital Account Deficit of such Member as quickly as possible. This Section 10.4(b)(x) is intended to constitute a “qualified income offset” provision within the meaning of the Allocation Regulations and shall be interpreted consistently therewith. For purposes of this Section 10.4(b)(x), a Member’s Capital Account shall be treated as reduced by Qualified Income Offset Items.

(xi) Subject to the provisions of Sections 10.4(b)(vi) through 10.4(b)(x) above, in no event shall any Non-Managing Member be allocated Losses that would cause it to have an Adjusted Capital Account Deficit as of the end of any Company Fiscal Year. Any Losses that are not allocated to a Non-Managing Member by reason of the application of the provisions of this Section 10.4(b)(xi) shall be allocated to the Managing Member.

(xii) Subject to the provisions of Sections 10.4(b)(vi) through 10.4(b)(xi) above, in the event that any Member has an Adjusted Capital Account Deficit at the end of any Company Fiscal Year, items of Company income and gain shall be specially allocated to each such Member in the amount of such Adjusted Capital Account Deficit as quickly as possible.

(xiii) Syndication Expenses for any Fiscal Year or other period shall be specially allocated to the Investment Member.

(xiv) For purposes of determining the Profits, Losses, Tax Credits or any other items allocable to any period, Profits, Losses, Tax Credits and any such other items shall be determined on a daily, monthly, or other basis, as determined by the Managing
Member using any permissible method under Code Section 706 and the Treasury Regulations thereunder.

(xv) To the extent that interest on loans (or other advances which are deemed to be loans) made by a Managing Member to the Company is determined to be deductible by the Company in excess of the amount of interest actually paid by the Company, such additional interest deduction(s) shall be allocated solely to such Managing Member.

(xvi) To the extent the Company earns interest income on the deposit or investment of Mortgage Loan proceeds, an equal amount of gross income shall be specially allocated to the Managing Member if required by the Investment Member. Any taxable income of the Company resulting from its receipt of donations, contributions, grants or subsidies (whether in the form of property, cash, or forgivable debt) shall be specially allocated to the Managing Member.

(xvii) For purposes of determining each Member’s proportionate share of the excess Nonrecourse Liabilities of the Company pursuant to Section 1.752-3(a)(3) of the Allocation Regulations, the Members’ interests in Profits shall be determined by reference to the Members’ allocable share of Capital Proceeds from a Capital Transaction under Clause Fifth of Section 10.2(b); provided, however, that the Members agree that, upon giving written notice to the Administrative Member, the Investment Member shall have the right at any time to cause the Company to select an alternative method for allocating excess Nonrecourse Liabilities of the Company pursuant to Section 1.752-3(a)(3) of the Allocation Regulations if the Investment Member reasonably determines that such alternative method would (or could reasonably be expected to) avoid or mitigate any tax or economic detriment to the Investment Member or its affiliates (as a result of an actual or pending change in law, change in circumstance, or otherwise). Without limiting the foregoing, the Administrative Member shall provide written notice to the Investment Member no later than 45 days following the close of any Fiscal Year in which the Investment Member’s adjusted basis in its Company Interest is or is reasonably likely to be zero.

(xviii) Any recapture of any Tax Credit shall be allocated to and among the Members in the same manner as such Tax Credit was allocated to the Members.

(xix) If for any Fiscal Year the application of the minimum gain chargeback provisions of Section 10.4(b)(viii) or Section 10.4(b)(ix) of this Agreement would cause distortion in the economic arrangement among the Members and it is not expected that the Company will have sufficient other income to correct that distortion, the Managing Member may request a waiver from the Commissioner of the Service of the application in whole or in part of Section 10.4(b)(viii) or Section 10.4(b)(ix) in accordance with Section 1.704-2(f)(4) of the Allocation Regulations. Furthermore, if additional exceptions to the minimum gain chargeback requirements of the Allocation Regulations have been provided through private letter rulings issued to the Company or published revenue rulings or other binding administrative authority, the Managing Member is authorized to cause the Company to take advantage of such exceptions if to do so would be in the best interest of a majority in interest of the Members.
(xx) In the event that any fee payable to any for profit Managing Member or any for profit Affiliate thereof shall instead be determined to be a non-deductible, non-capitalizable distribution from the Company to a Member for federal income tax purposes, then there shall be allocated to such Managing Member an amount of gross income equal to the amount of such distribution.

(xxi) In applying the provisions of Article X with respect to distributions and allocations, the following ordering of priorities shall apply:

1. Capital Accounts shall be deemed to be reduced by Qualified Income Offset Items.
2. Capital Accounts shall be reduced by distributions of Cash Flow under Clause Seventh of Section 10.2(a).
3. Capital Accounts shall be reduced by distributions of Capital Proceeds under Clause Fifth of Section 10.2(b).
4. Capital Accounts shall be increased by any minimum gain chargeback under Section 10.4(b)(viii) or Section 10.4(b)(ix).
5. Capital Accounts shall be increased by any qualified income offset required under Section 10.4(b)(x).
6. Capital Accounts shall be increased by allocations of Operating Profits under Section 10.1(a).
7. Capital Accounts shall be reduced by allocations of Operating Losses under Section 10.1(a).
8. Capital Accounts shall be reduced by allocations of Losses under Section 10.1(b).
9. Capital Accounts shall be increased by allocations of Profits under Section 10.1(b).
10. All remaining allocations shall be made in the order in which they appear in Section 10.4(b).

(xxii) To the maximum extent permitted under the Code, allocations of Profits and Losses shall be modified so that the Members’ Capital Accounts reflect the amount they would have reflected if adjustments required by Sections 10.4(b)(x), 10.4(b)(xi) and 10.4(b)(xii) had not occurred.

(xxiii) In the event the Investment Member shall give notice to the Managing Member that, in the reasonable judgment of the Investment Member, its Capital Account as of the close of the tax year in which such notice is given either will have a zero balance or there will be an increase in Partner Nonrecourse Debt Minimum Gain for such
year that is attributable to the Deferred Development Fee Note, the Managing Member shall take all such action as may be necessary to assure that any outstanding balance of any Deferred Development Fee Note shall constitute a “partnership nonrecourse liability” of the Company, as such term is defined in Treasury Regulation Section 1.752-1(a)(2) or any successor regulation. One such action shall be the assignment of any Deferred Development Fee Note to an Entity that is not a “related person,” as defined in Section 42(d)(2)(D)(iii) of the Code, to the Company.

10.5 Authority of the Managing Member to Vary Allocations to Preserve and Protect the Members’ Intent

(a) It is the intent of the Members that each Member’s distributive share of Profits, tax-exempt income, Losses, non-deductible non-capitalizable expenditures and Tax Credits (and items thereof) shall be determined and allocated in accordance with this Agreement to the fullest extent permitted by Section 704(b) of the Code and the Allocation Regulations. In order to preserve and protect the determinations and allocations provided for in this Agreement, the Managing Member is hereby authorized and directed to allocate Profits, tax-exempt income, Losses, non-deductible non-capitalizable expenditures and credits (and items thereof) arising in any Fiscal Year differently than otherwise provided for in this Agreement to the extent that allocating Profits, tax-exempt income, Losses, non-deductible non-capitalizable expenditures or credits (or any item thereof) in the manner provided for herein would cause the determinations and allocations of each Member’s distributive share of Profits, tax-exempt income, Losses, non-deductible non-capitalizable expenditures and credits (or any item thereof) not to be permitted by Section 704(b) of the Code. Any allocation made pursuant to this Section 10.5 shall be deemed to be a complete substitute for any allocation otherwise provided for in this Agreement and shall only be made with the Consent of the Investment Member.

(b) In making any allocation (the “New Allocation”) under Section 10.5(a), the Managing Member is authorized to act only with the Consent of the Investment Member after having been advised in writing by the Tax Accountants that, under Section 704(b) of the Code and/or the Allocation Regulations, (i) the New Allocation is necessary, and (ii) the New Allocation is the minimum modification of the allocations otherwise provided for in this Agreement necessary in order to assure that, either in the then-current Fiscal Year or in any preceding Fiscal Year, each Member’s distributive share of Profits, tax-exempt income, Losses, non-deductible non-capitalizable expenditures and Tax Credits (or any item thereof) is determined and allocated in accordance with this Agreement to the fullest extent permitted by Section 704(b) of the Code and the Allocation Regulations.

(c) New Allocations made by the Managing Member under Section 10.5 shall be deemed to be made pursuant to the fiduciary obligation of the Managing Member to the Company and the Non-Managing Members, and no such allocation shall give rise to any claim or cause of action by any Non-Managing Member.

10.6 Recapture Amount

(a) If at any time during the “compliance period” (as defined in Section 42(i)(1) of the Code), the Apartment Complex ceases to be a “qualified low income housing project” (as
defined in Section 42(g)(1) of the Code, any Low-Income Unit in the Apartment Complex ceases to be a “low income unit” (as defined in Section 42(i)(3) of the Code), or for any other reason all or any portion of credits allowed to the Company and its Members under Section 42 of the Code are subject to recapture pursuant to Section 42(j) of the Code (such an occurrence being referred to herein as a “Recapture Event”), the Investment Member shall become entitled to receive funds equal to the “Recapture Amount”. The Recapture Amount shall be in the form of an offset against future Installments, a cash distribution or payment to the Investment Member, in each case as set forth in Sections 5.1(e) and/or (f).

(b) The Recapture Amount is an amount equal the sum of (i) the “credit recapture amount” allocable to the Investment Member as defined in Section 42(j) of the Code plus (ii) all income taxes payable by the Investment Member (or its partners or members) as computed under Section 10.6(d).

(c) Any Recapture Amount distributable to the Investment Member pursuant to the foregoing provisions shall be distributed as funds become available for such distributions, but such distributions shall not be made prior to (i) in the case of the “credit recapture amount”, the year of the Recapture Event and (ii) in the case of any credits disallowed with respect to any year subsequent to the Recapture Event, in each such subsequent year.

(d) Determination of the Recapture Amount shall be made on the assumption that receipt or accrual by each partner of the Investment Member of any amounts distributable to such partner under Subsection (c) above will currently be subject to United States federal and State income tax at the highest marginal rate applicable to corporations for the year(s) in question (and assuming the non-applicability of the alternative minimum tax).

(e) All computations required under this Section 10.6 shall be made reasonably by the Investment Member, and the results of such computations, together with a statement describing in reasonable detail the manner in which such computations were made, shall be delivered to the Managing Member in writing. Within fifteen (15) days following receipt of such computation, the Managing Member may request that the Auditors determine whether such computations are reasonable and are not erroneous. If the Auditors determine that such computations are unreasonable or contain errors, then the Auditors shall determine what they believe to be the appropriate computations. If the Investment Member does not agree with the determination of the Auditors, then another accounting firm other than the Auditors to be selected jointly by the Investment Member and the Managing Member or, if they cannot agree, by the American Arbitration Association, from among the ten largest national accounting firms, shall make such computations. The computations of the Investment Member, the Auditors, or the other accounting firm so selected, whichever is applicable, shall be final, binding and conclusive upon the parties. All fees and expenses payable to an accounting firm other than the Auditors under this paragraph shall be borne solely by the Managing Member. All fees and expenses payable to the American Arbitration Association shall be borne equally by the Managing Member and the Investment Member.
ARTICLE XI
Management Agent

11.1 General

The Managing Member shall engage the Management Agent to manage the Apartment Complex pursuant to the Management Agreement. The Management Agent shall receive a Management Fee of those amounts payable from time to time by the Company to the Management Agent for management services in accordance with a management contract approved by any Agency or Lender with the right to approve the same, or, when any such management contract is not subject to the approval of any Agency or Lender, in accordance with a reasonable and competitive fee arrangement. The initial Management Agent shall be Accolade Property Management, Inc. From and after the Admission Date, the Company shall not enter into any Management Agreement or modify or extend any Management Agreement unless (i) the Managing Member shall have obtained the prior Consent of the Special Member to the identity of the Management Agent and the terms of the Management Agreement or the modification or extension thereof and (ii) such new Management Agreement or modified or extended Management Agreement provides that it is terminable by the Company on thirty (30) days’ notice by the Company in the event of any change in the identity of the Managing Member. The Management Agent shall maintain insurance in accordance with the applicable Insurance Requirements set forth in Exhibit D. Copies of such policies (or binders) shall be provided to the Company and the Investment Member within thirty (30) days after the effective date of the Management Agreement and annually thereafter.

11.2 Fees

Notwithstanding the provisions of Section 11.1, however, should the Investment General Partner or an Affiliate thereof perform property management services for the Company, property management, rent-up or leasing fees shall be paid to the Investment General Partner or such Affiliate only for services actually rendered and shall be in an amount equal to the lesser of (i) fees competitive in price and terms with those of non-affiliated Persons rendering comparable services in the locality where the Apartment Complex is located and which could reasonably be available to the Company, or (ii) five percent (5%) of the gross revenues of the Apartment Complex. No duplicate property manager fees shall be paid to any Person.

11.3 Removal and Replacement

If (i) the Apartment Complex shall be subject to a substantial building code violation which shall not have been cured within six (6) months after notice from a Governmental Authority or (ii) the Company shall not have achieved a 1.15 to 1.00 Debt Service Coverage Ratio during any Fiscal Year commencing on January 1, 2019, or (iii) an Event of Bankruptcy shall occur with respect to the Management Agent, or (iv) the Management Agent shall commit willful misconduct or gross negligence in its conduct of its duties and obligations under the Management Agreement or (v) there is any change in the Persons acting as Managing Members (to which the Special Member has not consented), or (vi) the Management Agent is cited by the Credit Agency or any other Tax Credit monitoring or compliance agency of the State or any other Governmental Authority for a violation or alleged violation of any applicable rules,
regulations or requirements, including, without limitation, non-compliance with the Agreed-Upon Set-Aside Test, the Rent Restriction Test or any other Tax Credit-related provision, or (vii) the Management Agent fails to promptly and competently perform (after any applicable notice and cure period) all duties of the Management Agent under the Management Agreement, or (viii) the Apartment Complex fails to generate at least 90% of the Revised Projected Tax Credits in any calendar year, or (ix) the Management Agent fails to materially comply with the record keeping, tenant qualification and rental requirements of the Extended Use Agreement, and Code Section 42 and the Regulations, rulings and policies related thereto, or (x) the Apartment Complex is materially mismanaged, or (xi) the Managing Member is removed, then, upon request by the Special Member and subject to Agency and Lender approval, if required, the Managing Member shall cause the Company to promptly terminate the Management Agreement with the Management Agent and appoint a new Management Agent selected by the Special Member, which new Management Agent shall not be an Affiliate of a Managing Member. Each Managing Member hereby grants to the Special Member an irrevocable (to the extent permitted by applicable law) power of attorney coupled with an interest to take any action and to execute and deliver any and all documents and instruments on behalf of such Managing Member and the Company as the Special Member may deem to be necessary or appropriate in order to effectuate the provisions of this Article XI. Subject to any Requisite Approvals, the Company shall not enter into any future management arrangement or renew or extend any existing management arrangement unless such arrangement is terminable without penalty upon the occurrence of the events described in this Article XI.

11.4 Lack of Management Agent

The Managing Member shall have the duty to manage the Apartment Complex during any period when there is no Management Agent.
ARTICLE XII
Books and Records, Accounting, Tax Elections, Etc.

12.1 Books and Records

The Company shall maintain all books and records which are required under the Act or by any Governmental Authority and may maintain such other books and records as the Managing Member in its discretion deems advisable or as reasonably requested by the Special Member. Each Non-Managing Member, or its duly authorized representatives, shall have access to the records of the Company at the principal office of the Company at any and all reasonable times, and may inspect and copy any of such records. A list of the name and addresses of all of the Non-Managing Members shall be maintained as part of the books and records of the Company and shall be mailed to any Non-Managing Member upon request. The Company may require reimbursement for any out of pocket expenses which it incurs as a result of the exercise by any Non-Managing Member of its rights under this Section 12.1, including, without limitation, photocopying expenses. The Managing Member shall cause the Company to maintain at all times all informational and qualification files of each tenant of the Apartment Complex in fire proof storage facilities (whether paper files or micro fiche or film) and in a secure location controlled by the Company, for the later of six (6) years after completion of the Compliance Period or as long as is required under applicable law.

12.2 Bank Accounts

The bank accounts of the Company shall be maintained in the Company’s name with such financial institutions as the Managing Member shall determine. Withdrawals shall be made only in the regular course of Company business on such signature or signatures as the Managing Member may determine. All deposits (including security deposits and other funds required to be escrowed by any Lender or Agency) and other funds not needed in the operation of the business shall be deposited, if required by applicable law and to the extent permitted by applicable Agency or Lender requirements, in interest bearing accounts or invested in United States Government obligations maturing within one year.

12.3 Auditors

(a) The Auditors shall prepare, for execution by the Managing Member, all tax returns of the Company. Prior to the filing of the Company tax returns, and in no event later than February 15 of each Fiscal Year, the Auditors shall deliver the tax returns for the prior Fiscal Year to the Tax Accountants for their review and comment. If a dispute arises between the Auditors and the Tax Accountants over the proper preparation of the tax returns and such dispute cannot be resolved by the Auditors and the Tax Accountants by March 1 of such Fiscal Year, then the Tax Accountants shall make the final decision with respect to whether any changes are necessary. The Company shall reimburse the Investment Member and its Affiliates for all costs and expenses paid to the Tax Accountants for the aforementioned services.

(b) The Auditors shall certify all annual financial reports to the Members in accordance with generally accepted auditing standards.
(c) If the Company fails to fulfill any of its obligations under Section 12.7(a)(i) and/or Section 12.7(a)(ii) within the time periods set forth therein, at any time thereafter upon written notice from the Special Member, the Managing Member shall appoint replacement Auditors. If no such notice from the Special Member is delivered, the Consent of the Special Member must be received to the appointment of replacement Auditors. If the Managing Member fails to appoint replacement Auditors within thirty (30) days of the notice from the Special Member to replace the Auditors, then the Special Member shall appoint replacement Auditors of its own choosing, the cost of which shall be borne by the Company as a Company expense. All of the Members hereby grant to the Special Member a special power of attorney, irrevocable to the extent permitted by law, coupled with an interest, to so appoint replacement Auditors and to anything else which in the judgment of the Special Member may be necessary or appropriate to accomplish the purposes of this Section 12.3(c).

(d) On or prior to the date which is thirty (30) days after the Admission Date, the Managing Member shall cause the Company (i) in writing, to engage the Auditors to perform the services required herein and (ii) to deliver to the Investment Member copies of all such engagement letters and agreements.

12.4 Cost Recovery and Elections

(a) Unless the Special Member shall specify a different permissible treatment in writing, and except to the extent otherwise required by Section 168(g)(1)(B) of the Code, the Company shall depreciate substantially all of its residential rental property, site improvements and personal property costs, respectively, over 27.5 years, 15 years and 5 years for federal income tax purposes. Notwithstanding the foregoing, the Company will elect to depreciate 40% of its site improvements and personal property costs in the year in which such assets are placed in service in accordance with Section 168(k) of the Code (the “Bonus Depreciation”) provided that 40% shall be reduced to 30% if such site improvements and personal property costs are placed in service in 2019. Except at the written request of the Special Member, the Managing Member will not cause the Company to make an election under Section 168(k)(7) of the Code to elect-out of such Bonus Depreciation.

(b) Subject to the provisions of Section 12.5, all other elections required or permitted to be made by the Company under the Code shall be made by the Managing Member with the Consent of the Investment Member, in such manner as will, in the opinion of the Auditors, be most advantageous to the Investment Member and the limited partners thereof.

12.5 Special Basis Adjustments

In the event of a transfer of all or any part of the Interest of the Investment Member or a transfer of all or any part of an interest of a partner of the Investment Member, the Company shall elect, upon the request of the Investment Member, pursuant to Section 754 of the Code, to adjust the basis of the Company property. Any adjustments made pursuant to said Section 754 shall affect only the successor in interest to the transferring Member or partner thereof. Each Member will furnish the Company all information necessary to give effect to any such election.
12.6 **Fiscal Year**

Unless otherwise required by law, the Fiscal Year and tax year of the Company shall be the calendar year. The books of the Company shall be maintained on an accrual basis.

(H) all other information which would be pertinent to a reasonable investor regarding the Company and its activities during the quarter covered by the report.

(b) Within sixty (60) days after the end of each Fiscal Year of the Company a copy of the annual report to be filed with the United States Treasury concerning the status of the Apartment Complex as low-income housing and, if required, a certificate to the appropriate state agency concerning the same.

(c) Upon the written request of the Investment Member for further information with respect to any matter covered in item (a) or item (b) above, the Managing Member shall furnish such information within thirty (30) days of receipt of such request.

(d) Prior to October 15 of each Fiscal Year, the Company shall send to the Investment Member an estimate of the Investment Member’s share of the Tax Credits, Profits and Losses of the Company for federal income tax purposes for the current Fiscal Year. Such estimate shall be prepared by the Managing Member and the Auditors and shall be in the form specified by the Special Member.

(e) The Managing Member shall send the Investment Member a detailed report within fifteen (15) days after the end of any calendar quarter during which any of the following events occur:

(i) there is a material default by the Company under any Project Document or in the payment of any mortgage, taxes, interest or other obligation on secured or unsecured debt,

(ii) any reserve has been reduced or terminated by application of funds therein for purposes materially different from those for which such reserve was established,

(iii) any Managing Member has received any notice of a material fact which may substantially affect further distributions or Tax Credit allocations to any Non-Managing Member,

(iv) any Member has pledged or collateralized its Interest in the Company, or
(v) TDHCA has proposed changes to the “rent schedule” under the Section 811 RAC (to the extent each such agreement is in effect).

(f) After the Admission Date, the Company shall send to the Investment Member copies of all applicable periodic reports covering the status of project operations and any matters relating to the Tax Credit as are required by any Lender or Agency. The Managing Member shall deliver to the Investment Member copies of all construction draw requests (and all supporting documentation) submitted to the Lender prior to the Admission Date, if any, and shall deliver to the Investment Member simultaneously with their submission to the Lender copies of all construction draw requests (and all supporting documentation) submitted to the Lender on or after the Admission Date.

(g) On or before May 1 of each Fiscal Year, the Company shall send to the Investment Member a report on operations, in the form supplied by the Special Member.

(h) The Managing Member hereby consents to each Lender or Agency providing the Investment Member with copies of all material communications between any such Lender or Agency and the Managing Member and/or the Company, including, but not limited to, any notices of default.

(i) [Intentionally Deleted]

(j) Within sixty (60) days following the Completion Date, the Managing Member shall prepare, or cause the Auditors to prepare, and deliver to each Non-Managing Member a Tax Credit basis worksheet for each building in the Apartment Complex, all in a form specified by the Special Member.

(k) Promptly after Permanent Mortgage Commencement, the Managing Member shall send to the Special Member a closing binder containing photocopies of the fully executed versions of all documents signed in connection with the Permanent Loan(s). From and after any date upon which the Managing Member receives notice from the Special Member that the Special Member would like copies of the monthly rent rolls for the Apartment Complex to be sent to the Special Member, the Managing Member shall send copies of the rent rolls to the Special Member no later than ten (10) days after the expiration of each month.

(l) If the Managing Member does not cause the Company to fulfill its obligations under Section 12.7(a)(i) and/or Section 12.7(a)(ii) within the time periods set forth therein, the Managing Member shall pay as damages the sum of $250 per day (plus interest at a rate equal to the Prime Rate plus three percent (3%)) to the Investment Member until such obligations shall have been fulfilled. Such damages shall be paid forthwith by the Managing Member, and the failure to pay any such damages shall constitute a material default by the Managing Member hereunder. In addition, if the Managing Member shall fail to pay any such damages, the Managing Member and its Affiliates shall forthwith cease to be entitled to the distribution of any Cash Flow or Capital Proceeds to which they may otherwise be entitled hereunder. Such distributions of Cash Flow and Capital Proceeds shall be restored only upon the payment of such damages in full, and any amount of such damages not so paid shall be deducted against
distributions of Cash Flow and Capital Proceeds otherwise due to the Managing Member or its Affiliates.

(m) On or before November 1 of each Fiscal Year, the Managing Member shall cause the Company to send to the Investment Member an operating budget of the Apartment Complex for the upcoming Fiscal Year. The Special Member shall have the right to review and comment on the budget, and the Managing Member shall incorporate the Special Member’s recommendations, subject to the approval of the Agency. If the Managing Member and the Special Member are unable to agree on a budget for a particular Fiscal Year, the budget for such year shall be the budget for the preceding year increased by 5%. The Managing Member shall keep the Special Member informed concerning the general state of the business and financial condition of the Company and shall, upon the reasonable request of the Special Member, furnish to the Special Member full information, accounts and documentation concerning the state of the business and financial condition of the Company. Such budget shall include, but not be limited to:

(i) an overall assessment of the market in the general vicinity of the Apartment Complex,

(ii) an assessment of repairs and capital improvements needed and the priority of such items; and

(iii) a proposed repairs and capital improvements budget for the year affected.

(n) Notwithstanding anything to the contrary contained herein, the Managing Member shall cause to be conducted and delivered to the Non-Managing Members pursuant to Section 5.1(a) an audit on one hundred (100%) percent of the initial leases or occupancy agreements executed in connection with the Apartment Complex in order to ensure compliance with the applicable Rent Restriction Test, Minimum Set Aside Test, or any other applicable tenant restriction test (“Initial Compliance Audit”). The Special Member shall select at its option, any combination of occupancy agreements which shall comprise the Initial Compliance Audit (the “Selected Occupancy Agreements”). The Initial Compliance Audit shall consist of a review of the complete tenant files in connection with the Selected Occupancy Agreements, including but not limited to any tenant financial information. Further, the Initial Compliance Audit shall be conducted with the cooperation of, and at the sole cost and expense of the Managing Member if the Initial Compliance Audit reveals an instance of material noncompliance. An instance of material noncompliance shall be deemed to exist if at least five (5) occupancy agreements reveal noncompliance or violations of any applicable tenant restriction test. If the Initial Compliance Audit does not reveal any instance of material noncompliance the Company shall bear the cost of such audit.

(o) The Managing Member shall deliver to the Investment Member audited annual financial statements of each of the Managing Member and the Guarantors within one hundred eighty (180) days of the end of each fiscal year of the Company, unless waived by the Special Member, in writing.
12.8 Expenses of the Company.

All expenses of the Company shall be billed directly to and paid by the Company.

12.9 Review of Compliance.

The Managing Member shall, within seventy-five (75) days after the end of each Fiscal Year of the Company, certify to each Non-Managing Member in the same scope and manner that it is required to certify, if requested, to the Agency, that the Company is in compliance with all regulations and procedures relating to the operation of the Apartment Complex as a qualified Tax Credit project within the meaning of Section 42(g) of the Code. The Special Member may, at its own expense, conduct or cause to be conducted an audit or review of the Company’s compliance with all regulations and procedures relating to the operation of the Apartment Complex as a qualified Tax Credit project within the meaning of Section 42(h) of the Code. Such audit or review shall be conducted upon not less than thirty (30) nor more than ninety (90) days prior written request. The Managing Member shall cooperate with any such audit by making appropriate personnel of the Managing Member and Property Manager and all books and records of the Apartment Complex and Company available to the Investment Members or their representatives at the offices of the Company during regular business hours.

12.10 Inspections.

The Special Member, at its sole cost and expense, shall have the right to conduct physical inspections of the Apartment Complex on an annual basis and the Managing Member shall take all reasonable steps necessary to cooperate therewith.
ARTICLE XIII
General Provisions

13.1 Restrictions by Reason of Section 708 of the Code

No Disposition of an Interest may be made if the Interest sought to be Disposed of, when added to the total of all other Interests Disposed of within the period of twelve (12) consecutive months prior to the proposed date of the Disposition, would, in the opinion of the Tax Accountants or tax counsel to the Company, result in the termination of the Company under Section 708 of the Code, unless the transferring Member agrees to indemnify the other Members for any federal income tax liability resulting from such Disposition. This Section 13.1 shall have no application to any required repurchase of the Investment Member’s Interest. Any Disposition in contravention of any of the provisions of this Section 13.1 shall be void ab initio and ineffectual and shall not bind or be recognized by the Company. Notwithstanding the foregoing provisions of this Section 13.1, however, the Investment Member may waive the provisions of this Section 13.1 at any time as to a Disposition or series of Dispositions, and in the event of such a waiver, this Section 13.1 shall have no force or effect upon such Disposition or series of Dispositions.

13.2 Amendments to Articles

Within one hundred twenty (120) days after the end of the Company Fiscal Year in which the Investment Member shall have received any distributions under Article X, the Managing Member shall file an amendment to the Articles reducing the amount of its allocable share of such distribution the amount of Capital Contribution of the Investment Member as stated in the last previous amendment to the Articles. However, Schedule A shall not be amended on account of any such distribution.

The Company shall amend the Articles at least once each calendar quarter to effect the substitution of Substitute Non-Managing Members, although the Managing Member may elect to do so more frequently. In the case of assignments, where the assignee does not become a Substitute Non-Managing Member, the Company shall recognize the assignment not later than the last day of the calendar month following receipt of notice of assignment and all documentation required in connection therewith hereunder.

Notwithstanding the foregoing provisions of this Section 13.2, no such amendments to the Articles need be filed by the Managing Member if the Act does not require it and the Articles do not identify the Non-Managing Members or their Capital Contributions in such capacity.

13.3 Notices

Except as otherwise specifically provided herein, all notices, demands or other communications hereunder shall be in writing and shall be deemed to have been given when the same are (i) deposited in the United States mail and sent by certified or registered mail, postage prepaid, three business days after mailing, (ii) sent by nationally recognized overnight delivery service, one business day after deposit with such nationally recognized overnight delivery service, provided all delivery charges have been prepaid, (iii) sent by telecopier or other facsimile transmission, answerback requested with a copy by regular mail, on the date such
answerback is received, or (iv) delivered personally, in each case, to the parties at the addresses set forth below or at such other addresses as such parties may designate by notice to the Company:

(a) If to the Company, at the office of the Company set forth in Section 2.2.

(b) If to a Member, at its address set forth in the Schedule, with copies to Douglas W. Clapp, Esq., Holland & Knight LLP, 10 St. James Avenue, Boston, MA 02116 and Gary Cohen, Esq., Shutts & Bowen LLP, 200 South Biscayne Boulevard, Suite 4100, Miami, FL 33131.

13.4 Word Meanings

The words such as “herein,” “hereinafter,” “hereof” and “hereunder” refer to this Agreement as a whole and not merely to a subdivision in which such words appear unless the context otherwise requires. The singular shall include the plural, and vice versa, and each gender (masculine, feminine and neuter) shall include the other genders, unless the context requires otherwise. Each reference to a “Section” or an “Article” refers to the corresponding Section or Article of this Agreement, unless specified otherwise. References to Treasury Regulations (permanent or temporary) or Revenue Procedures shall include any successor provisions.

13.5 Binding Effect

The covenants and agreements contained herein shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of the respective parties hereto.

13.6 Applicable Law

This Agreement shall be construed and enforced in accordance with the laws of the State.

13.7 Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

13.8 Financing Regulations

(a) So long as any of the Project Documents are in effect, (i) each of the provisions of this Agreement shall be subject to, and the Managing Member covenants to act in accordance with, the Project Documents; (ii) the Project Documents shall govern the rights and obligations of the Members, their heirs, executors, administrators, successors and assigns to the extent expressly provided therein; (iii) upon any dissolution of the Company or any transfer of the Apartment Complex, no title or right to the possession and control of the Apartment Complex and no right to collect the rent therefrom shall pass to any Person who is not, or does not become, bound by the Project Documents in a manner satisfactory to the Lenders and any Agency (to the extent that its approval is required); (iv) no amendment to any provision of the Project Documents shall become effective without the prior written consent of any Lender and/or
Agency (to the extent that its approval is required); and (v) the affairs of the Company shall be subject to the Regulations, and no action shall be taken which would require the consent or approval of any Lender and/or Agency unless the prior consent or approval of such Lender and/or Agency, as the case may be, shall have been obtained. No new Member shall be admitted to the Company, and no Member shall withdraw from the Company or be substituted for without the consent of any Lender and/or Agency (if such consent is then required). No amendment to this Agreement relating to matters governed by the Regulations or requirements shall become effective until any Requisite Approvals to such amendment shall have been obtained.

(b) Any conveyance or transfer of title to all or any portion of the Apartment Complex required or permitted under this Agreement shall in all respects be subject to all conditions, approvals and other requirements of any Regulations applicable thereto.

13.9 Separability of Provisions

Each provision of this Agreement shall be considered separable and (a) if for any reason any provision is determined to be invalid, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid, and (b) if for any reason any provision would cause the Investment Member or the Special Member (in its capacity as a Non-Managing Member) to be bound by the obligations of the Company (other than the Regulations and the other requirements of any Agency or Lender), such provision or provisions shall be deemed void and of no effect.

13.10 Paragraph Titles

All article and section headings in this Agreement are for convenience of reference only and are not intended to qualify the meaning of any article or section.

13.11 Amendment Procedure

This Agreement may be amended by the Managing Member only with the Consent of the Investment Member and the Consent of the Special Member.

13.12 Extraordinary Non-Managing Member Expenses

(a) Any and all costs and expenses incurred by the Investment Member and/or the Special Member in connection with exercising rights and remedies against the Managing Member with respect to this Agreement, including, without limitation, reasonable attorneys’ fees, shall be paid by the Managing Member on demand. All amounts due to the Investment Member and/or the Special Member pursuant to this provision shall bear interest from demand at a rate of seven percent (7%) per annum.

(b) If any Managing Member breaches any provision of this Agreement, the Investment Member and/or the Special Member may employ an attorney or attorneys to protect its rights hereunder, and the Managing Member shall pay on demand the reasonable attorneys’ fees and expenses incurred by the Investment Member and/or the Special Member, whether or not a legal action is actually commenced against any Managing Member by reason of such
breach. All amounts due to the Investment Member and/or the Special Member pursuant to this provision shall bear interest from demand at a rate equal to nine percent (9%) per annum.

13.13 Time of Admission

The Investment Member shall be deemed to have been admitted to the Company as of the Commencement Date for all purposes of this Agreement, including Article X, provided, however, that if treasury regulations are issued under the Code or an amendment to the Code is adopted which would require, in the opinion of the Auditors, that the Investment Member be deemed admitted on a date other than as of the Commencement Date, then the Managing Member shall select a permitted admission date which is most favorable to the Investment Member.

The Company and its Members shall be permitted to disclose to any and all Persons, without limitation of any kind, the tax treatment and tax structure (as defined in Treasury Regulation Section 1.6011-4(c) or its successor) of the transaction contemplated by this Agreement and all materials of any kind (including opinions or other tax analyses) relating to such tax treatment and tax structure. The Managing Members will notify the Members of any “reportable transaction” under Treasury Regulation Section 1.6011-4 (or its successor) in which the Company shall engage.

Re: Review of Environmental Documents
Kaia Pointe

Dear Mr. Core:

At your request, and in accordance with our master agreement with Boston Capital (GZA File No. 14070), GZA GeoEnvironmental, Inc. (GZA) has reviewed the following documents:

</table>

Based on our review of the above-referenced document, it is GZA’s opinion that the ESAs are generally consistent with the referenced ASTM Standard (E 1527-13) for Phase I Environmental Site Assessments. The ESAs did not identify the presence of Recognized Environmental Conditions (RECs); however, GZA offers the following comments:

1. Issue: The ESAs note that the Site overlies the Edwards Aquifer Recharge Zone, a sensitive environmental area. Terracon states that future development is subject to Texas Commission on Environmental Quality (TCEQ) regulations regarding the aquifer recharge zone; in
particular, a Water Pollution Abatement Plan (WPAP) including a Geologic Assessment must be prepared prior to the placement of stormwater management structures.

**Recommendation:** A copy of the WPAP, as well as any other relevant correspondence with TCEQ, should be provided to Boston Capital as available.

**Response:** “Received Approval Letter from Texas Commission on Environmental Quality dated 3/8/17. And Water Pollution Abatement Plan (WPAP) & Organized Sewage Collection System Plan (SCS) for Gatlin Creek Section 2 4900 Williams Drive Georgetown, Texas”

**Status:** No immediate response required, based on the submission of the WPAP/SCS Plan prepared by Waeltz & Prete, Inc., and the Deed Recordation Affidavit, which includes a copy of the TCEQ’s approval letter. Copies of the completion and ongoing testing documentation referenced in TCEQ’s approval letter should be provided to Boston Capital as available.

2. **Issue:** Terracon observed minor trash and debris at the Site, including household debris, wooden pallets, a pile of pea gravel, and metal fencing. Terracon did not observe evidence of the presence of oil or hazardous material associated with the trash and debris.

**Recommendation:** Terracon recommended that the trash and debris be removed from the Site and disposed of in accordance with applicable regulations. GZA concurs with this recommendation. The disposal contractor should be prepared to properly manage any oil or hazardous material that may be encountered in association with the trash and debris. Documentation of the removal and proper disposal of the trash and debris should be provided to Boston Capital as available.

**Response:** “Kaia Pointe, LLC will remove all debris per the ESA prepared by Kaia Pointe dated June 5th, 2017”

**Status:** No immediate response required, based on the above response and the submission of the letter from O-SDA Industries/Kaia Pointe, LLC, dated June 5, 2017. Documentation of the removal and proper disposal of the trash and debris should be provided to Boston Capital when available.

3. **Issue:** The ESAs identified potential sources of noise including Williams Drive and the Georgetown Municipal Airport, and recommended a noise study. The noise study concluded that the projected outdoor day-night average sound level (DNL) at the noise assessment location is 68.6 decibels (dB), and that “the predicted DNL for the proposed site buildings would be classified under the HUD criteria as being “Normally Unacceptable.”

**Recommendation:** The noise study states, “Based on this information, Terracon recommends noise mitigation (i.e. construct natural or man-made noise barriers or increase mitigation in the building walls/windows/doors) or reconfigure the site plan to increase the distance between the noise source (Williams Drive) and noise-sensitive uses.” GZA concurs with this recommendation. Documentation that appropriate noise mitigation measures are being undertaken should be provided to Boston Capital when available.

**Response:** “Architect’s response from Miller Slayton Architects, Paul Slayton, dated 6/16/17”

**Status:** CLOSED by Boston Capital’s acceptance of the above response.
If you have any questions regarding the above, please contact Sara Hanna at shanna@gza.com or Frank Vetere at (781) 278-4807.

   **Status:** CLOSED

4. Does this affect any utilities or proposed utilities at the site?

Re: 811 Units – Kaia Pointe

Dear Scott:

Per the 2019 TDHCA Qualified Allocation Plan, we are hereby submitting a request for your consideration to add an additional ten 811 program units at Kaia Pointe, in Georgetown, Texas.

Under the Second Amended and Restated Operating Agreement for Kaia Pointe, the Borrower’s Authority is restricted without consent of the Special Member to add 811 units other than those underwritten at the time of closing. Kaia Pointe already has ten 811 units as was contemplated during underwriting and closing of the transaction. An additional ten units would result in 20% of the property being 811 tenants.

A written response is required by TDHCA for submission in our 2019 applications. If you have any questions about this request, you may reach me at 352-213-8700.

Sincerely,

Lisa M. Stephens  
President  
Saigebrook Development, LLC
Existing Development Name: Kaia Pointe

iii) Documentation that the Third Party possessing the legal right to withhold a required consent has provided notice of their decision not to provide a required consent (Example: Letter from the Third Party that they are denying an Existing Development from participation).

Describe and attach the response from the Third Party that was received by the Applicant or Owner that reflects their decision not to provide the requested consent:
Letter from Boston Capital denying the request to add 811 units beyond the original 10 units that were previously committed.

RE: Kaia Pointe, Georgetown, TX

Dear Lisa:

It is my understanding that you were notified by the Texas Department of Housing and Community Affairs (TDHCA), of certain requirements of TDHCA with regard to Section 811 units that could impact the set-asides and property encumbrances at Kaia Pointe, in Georgetown, TX that Boston Capital syndicated in 2018.

Boston Capital performed and completed the underwriting and market analysis on the property based upon the information and due diligence provided to us at the time of our investment. These findings have been provided to our investors. The addition of Section 811 units at the property would alter our analysis, require additional feasibility underwriting, and would require consent from our investors. As such, it is our preference not to change the resident profile at the property at this time and we must deny your request.

Please do not hesitate to contact me with any questions at the number or email address below.

Sincerely,

Upon the occurrence of an Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower’s license to collect Rents shall automatically terminate and Lender shall without notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid (such license shall be reinstated upon Borrower’s cure of the Event of Default to the satisfaction of Lender). (c) Borrower represents and warrants to Lender that Borrower has not executed any prior assignment of Rents (other than an assignment of Rents securing indebtedness that will be paid off and discharged with the proceeds of the Loan), that Borrower has not performed, and Borrower covenants and agrees that it will not perform, any acts and has not executed, and shall not execute, any instrument which would prevent Lender from exercising its rights under this Section 3, and that at the time of execution of this Instrument there has been no anticipation or prepayment of any Rents for more than two months prior to the due dates of such Rents (other than a security deposit not in excess of one month’s rent). Borrower shall not collect or accept payment of any Rents more than two months prior to the due dates of such Rents (other than a security deposit not in excess of one month’s rent).

(d) If an Event of Default has occurred and is continuing, Lender may, but shall in no event be required to, regardless of the adequacy of Lender’s security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of repairs to the Mortgaged Property and the execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of
Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable. Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender’s security, without regard to Borrower’s solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver _ex parte_ if permitted by applicable law. Lender or the receiver, as the case may be, shall be entitled to receive a reasonable fee for managing the Mortgaged Property. Immediately upon appointment of a receiver or immediately upon Lender’s entering upon and taking possession and control of the Mortgaged Property, Borrower shall surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and shall deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents. In the event Lender takes possession and control of the Mortgaged Property, Lender may exclude Borrower and its representatives from the Mortgaged Property. Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 shall not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

(e) If Lender enters the Mortgaged Property, Lender shall be liable to account only to Borrower and only for those Rents actually received. Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under this Section 3, and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law, except for the gross negligence or willful misconduct of Lender or its agents.

(f) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes shall become an additional part of the Indebtedness as provided in Section 12.

(g) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument shall not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. **ASSIGNMENT OF LEASES; LEASES AFFECTING THE MORTGAGED PROPERTY.**
(a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower’s right, title and interest in, to and under the Leases, including Borrower’s right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease. It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower’s right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases shall not be deemed to be a part of the “Mortgaged Property” as that term is defined in Section 1. Notwithstanding anything to the contrary contained herein, the Lender is entitled to all the rights and remedies of an assignee set forth in TARA. This Instrument shall constitute and serve as a security instrument under TARA. The Lender shall have the ability to exercise its rights related to the Leases and payments, in the Lender’s sole discretion and without prejudice to any other remedy available, as provided in this Instrument or as otherwise allowed by applicable law, including, without limitation, TARA. Notwithstanding anything to the contrary contained in this Instrument or the other Loan Documents, to the extent this Instrument or any of the other Loan Documents contain any notice or cure period, the date the enforcement of rights under TARA begins shall not be affected, extended or otherwise modified by reason of such periods.

(b) Unless an Event of Default has occurred and is continuing, Borrower shall have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases shall automatically terminate. Borrower shall comply with and observe Borrower’s obligations under all Leases, including Borrower’s obligations pertaining to the maintenance and disposition of tenant security deposits.

(c) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 shall not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements. The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) shall not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses. Lender shall not be liable in any way for any injury or damage to person or property sustained by any person or persons, firm or corporation in or about the Mortgaged Property, except to the extent arising from the gross negligence or willful misconduct of Lender. Prior to Lender’s actual entry into and taking possession of the Mortgaged Property, Lender shall not (i) be obligated to perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease); (ii) be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property; or (iii) be responsible for
the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and shall be that of Borrower, prior to such actual entry and taking of possession.

(d) Upon delivery of notice by Lender to Borrower of Lender’s exercise of Lender’s rights under this Section 4 at any time after the occurrence of an Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately shall have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

(e) Borrower shall, promptly upon Lender’s request, deliver to Lender an executed copy of each residential Lease then in effect. All Leases for residential dwelling units shall (i) be on forms approved by Lender, (ii) be for initial terms of at least six (6) months and not more than two (2) years, (iii) not include options to purchase, (iv) be legally valid, binding, and enforceable obligations of the tenants, (v) contain language expressly stating that such Lease is subordinate to the lien of this Instrument and (vi) comply with all applicable laws.

(f) Except for laundry facilities and cable television services for tenants on market terms and conditions, Borrower shall not lease any portion of the Mortgaged Property for non-residential use except with the prior written consent of Lender and Lender’s prior written approval of the Lease agreement. Borrower shall not modify the terms of, or extend or terminate, any Lease for non-residential use (including any Lease in existence on the date of this Instrument) without the prior written consent of Lender. Borrower shall, without request by Lender, deliver an executed copy of each non-residential Lease to Lender promptly after such Lease is signed. All non-residential Leases, including renewals or extensions of existing Leases, shall specifically provide that (i) such Leases are subordinate to the lien of this Instrument; (ii) the tenant shall attorn to Lender and any purchaser at a foreclosure sale, such attornment to be self-executing and effective upon acquisition of title to the Mortgaged Property by any purchaser at a foreclosure sale or by Lender in any manner; (iii) the tenant agrees to execute such further evidences of attornment as Lender or any purchaser at a foreclosure sale may from time to time request; (iv) the Lease shall not be terminated by foreclosure or any other transfer of the Mortgaged Property; (v) after a foreclosure sale of the Mortgaged Property, Lender or any other purchaser at such foreclosure sale may, at Lender’s or such purchaser’s option, accept or terminate such Lease; and (vi) the tenant shall, upon receipt after the occurrence of an Event of Default of a written request from Lender, pay all Rents payable under the Lease to Lender.

(g) Borrower shall not receive or accept Rent under any Lease (whether residential or non-residential) for more than two months in advance (other than a security deposit not in excess of one month’s rent).
5. **PAYMENT OF INDEBTEDNESS; PERFORMANCE UNDER LOAN DOCUMENTS; PREPAYMENT PREMIUM.** Borrower shall pay the Indebtedness when due in accordance with the terms of the Note and the other Loan Documents and shall perform, observe and comply with all other provisions of the Note and the other Loan Documents. Borrower shall pay a prepayment premium in connection with certain prepayments of the Indebtedness, including a payment made after Lender’s exercise of any right of acceleration of the Indebtedness, as provided in the Note.

6. **EXCULPATION.** The personal liability of Borrower for payment of the Note and for performance of the other obligations to be performed by Borrower under this Instrument is limited in the manner, and to the extent, provided in the Note.

7. **DEPOSITS FOR TAXES, INSURANCE AND OTHER CHARGES.**

   (a) Following the Conversion Date, Borrower shall deposit with Lender on the day monthly installments of principal or interest, or both, are due under the Note (or on another day designated in writing by Lender), until the Indebtedness is paid in full, an additional amount sufficient to accumulate with Lender the entire sum required to pay, when due (i) any water and sewer charges which, if not paid, may result in a lien on all or any part of the Mortgaged Property, (ii) the premiums for fire and other hazard insurance, rental loss insurance and such other insurance as Lender may require under Section 19, (iii) Taxes, and (iv) amounts for other charges and expenses which Lender at any time reasonably deems necessary to protect the Mortgaged Property, to prevent the imposition of liens on the Mortgaged Property, or otherwise to protect Lender’s interests, all as reasonably estimated from time to time by Lender, plus one-twelfth of such estimate, if required by Lender. The amounts deposited under the preceding sentence are collectively referred to in this Instrument as the “**Imposition Deposits**”. The obligations of Borrower for which the Imposition Deposits are required are collectively referred to in this Instrument as “**Impositions**”. The amount of the Imposition Deposits shall be sufficient to enable Lender to pay each Imposition before the last date upon which such payment may be made without any penalty or interest charge being added. Lender shall maintain records indicating how much of the monthly Imposition Deposits and how much of the aggregate Imposition Deposits held by Lender are held for the purpose of paying Taxes, insurance premiums and each other Imposition.

   (b) Imposition Deposits shall be held in an institution (which may be Lender, if Lender is such an institution) whose deposits or accounts are insured or guaranteed by a federal agency. Lender shall not be obligated to open additional accounts or deposit Imposition Deposits in additional institutions when the amount of the Imposition Deposits exceeds the maximum amount of the federal deposit insurance or guaranty. Lender shall apply the Imposition Deposits to pay Impositions so long as no Event of Default has occurred and is continuing. Unless applicable law requires, Lender shall not be required to pay Borrower any interest, earnings or profits on the Imposition Deposits. As additional security for all of Borrower’s obligations under this Instrument and the other Loan Documents, Borrower hereby pledges and grants to Lender a security interest in the Imposition Deposits and all proceeds of and all interest and dividends on the Imposition Deposits. Any amounts deposited with Lender under this Section 7 shall not
be trust funds, nor shall they operate to reduce the Indebtedness, unless applied by Lender for that purpose under Section 7(e).

(c) If Lender receives a bill or invoice for an Imposition, Lender shall pay the Imposition from the Imposition Deposits held by Lender. Lender shall have no obligation to pay any Imposition to the extent it exceeds Imposition Deposits then held by Lender. Lender may pay an Imposition according to any bill, statement or estimate from the appropriate public office or insurance company without inquiring into the accuracy of the bill, statement or estimate or into the validity of the Imposition.

(d) If at any time the amount of the Imposition Deposits held by Lender for payment of a specific Imposition exceeds the amount deemed necessary by Lender, plus one twelfth of such estimate if required by Lender, the excess shall be credited against future installments of Imposition Deposits. If at any time the amount of the Imposition Deposits held by Lender for payment of a specific Imposition is less than the amount estimated by Lender to be necessary, plus one twelfth of such estimate if required by Lender, Borrower shall pay to Lender the amount of the deficiency within 15 days after notice from Lender.

(e) If an Event of Default has occurred and is continuing, Lender may apply any Imposition Deposits, in any amounts and in any order as Lender determines, in Lender’s discretion, to pay any Impositions or as a credit against the Indebtedness. Upon payment in full of the Indebtedness, Lender shall refund to Borrower any Imposition Deposits held by Lender.

(f) If Lender does not collect an Imposition Deposit pursuant to a separate written waiver by Lender, then on or before the date each such Imposition is due, or on the date this Instrument requires each such Imposition to be paid, Borrower shall, if required by Lender, provide Lender with proof of payment of each such Imposition for which Lender does not require collection of Imposition Deposits. Lender may, at any time and in Lender’s discretion, revoke its deferral or waiver and require Borrower to deposit with Lender any or all of the Imposition Deposits listed in this Section 7.

8. COLLATERAL AGREEMENTS. Borrower shall deposit with Lender such amounts as may be required by the Loan Agreement and any Collateral Agreement and shall perform all other obligations of Borrower under the Loan Agreement and each Collateral Agreement.

9. APPLICATION OF PAYMENTS. If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender’s discretion. Neither Lender’s acceptance of an amount that is less than all amounts then due and payable nor Lender’s application of such payment in the manner authorized shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower’s obligations under this Instrument and the Note shall remain unchanged.
10. **COMPLIANCE WITH LAWS.** Borrower shall comply with all laws, ordinances, regulations and requirements of any Governmental Authority and all recorded lawful covenants and agreements relating to or affecting the Mortgaged Property, including all laws, ordinances, regulations, requirements and covenants pertaining to health and safety, construction of improvements on the Mortgaged Property, fair housing, disability accommodation, zoning and land use, and Leases. Borrower also shall comply with all applicable laws that pertain to the maintenance and disposition of tenant security deposits. Borrower shall at all times maintain records sufficient to demonstrate compliance with the provisions of this Section 10. Borrower shall take appropriate measures to prevent, and shall not engage in or knowingly permit, any illegal activities at the Mortgaged Property that could endanger tenants or visitors, result in damage to the Mortgaged Property, result in forfeiture of the Mortgaged Property, or otherwise materially impair the lien created by this Instrument or Lender’s interest in the Mortgaged Property. Borrower represents and warrants to Lender that no portion of the Mortgaged Property has been or will be purchased with the proceeds of any illegal activity.

11. **USE OF PROPERTY.** Unless required by applicable law, Borrower shall not (a) allow changes in the use for which all or any part of the Mortgaged Property is being used at the time this Instrument was executed, except for any change in use approved by Lender, (b) convert any individual dwelling units or common areas to commercial use, (c) initiate a change in the zoning classification of the Mortgaged Property or acquiesce in a change in the zoning classification of the Mortgaged Property, (d) establish any condominium or cooperative regime with respect to the Mortgaged Property; (e) combine all or any part of the Mortgaged Property with all or any part of a tax parcel which is not part of the Mortgaged Property, or (f) subdivide or otherwise split any tax parcel constituting all or any part of the Mortgaged Property without the prior consent of Lender.

12. **PROTECTION OF LENDER’S SECURITY; INSTRUMENT SECURES FUTURE ADVANCES.**

   (a) If Borrower fails to perform any of its obligations under this Instrument or any other Loan Document after the expiration of any applicable notice and cure period, or if any action or proceeding (including a Bankruptcy Event) is commenced which purports to affect the Mortgaged Property, Lender’s security or Lender’s rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender’s option may make such appearances, file such documents, disburse such sums and take such actions as Lender deems necessary to perform such obligations of Borrower and to protect Lender’s interest, including (i) payment of fees, expenses and reasonable fees of attorneys, accountants, inspectors and consultants, (ii) entry upon the Mortgaged Property to make repairs or secure the Mortgaged Property, (iii) procurement of the insurance required by Section 19 (specifically including, without limitation, flood insurance if required by Section 19), and (iv) payment of amounts which Borrower has failed to pay under Sections 15 and 17.

   (b) Any amounts disbursed by Lender under this Section 12, or under any other provision of this Instrument that treats such disbursement as being made under this
Section 12, shall be secured by this Instrument, shall be added to, and become part of, the principal component of the Indebtedness, shall be immediately due and payable and shall bear interest from the date of disbursement until paid at the “Default Rate”, as defined in the Note.

(c) If the Lender shall elect to pay any sum due with reference to the Project or the Mortgaged Property, the Lender may do so in reliance on any bill, statement or assessment procured from the appropriate Governmental Authority or other issuer thereof without inquiring into the accuracy or validity thereof. Similarly, in making any payments to protect the security intended to be created by this Instrument and/or the other Loan Documents, the Lender shall not be bound to inquire into the validity of any apparent or threatened adverse title, lien, encumbrance, claim or charge before making an advance for the purpose of preventing or removing the same.

(d) Nothing in this Section 12 shall require Lender to incur any expense or take any action.

13. INSPECTION.

(a) Lender and its agents, representatives, and designees may make or cause to be made entries upon and inspections of the Mortgaged Property (including environmental inspections and tests to the extent permitted under Section 18) during normal business hours, or at any other reasonable time, upon reasonable notice to Borrower if the inspection is to include occupied residential units (which notice need not be in writing). Notice to Borrower shall not be required in the case of an emergency, as determined in Lender’s discretion, or when an Event of Default has occurred and is continuing.

(b) If Lender determines that Mold has developed as a result of a water intrusion event or leak, Lender, at Lender’s discretion, may require that a professional inspector inspect the Mortgaged Property as frequently as Lender determines is necessary until any issue with Mold and its cause(s) are resolved to Lender’s satisfaction. Such inspection shall be limited to a visual and olfactory inspection of the area that has experienced the Mold, water intrusion event or leak. Borrower shall be responsible for the cost of such professional inspection and any remediation deemed to be necessary as a result of the professional inspection. After any issue with Mold, water intrusion or leaks is remedied to Lender’s satisfaction, Lender shall not require a professional inspection any more frequently than once every three years unless Lender is otherwise aware of Mold as a result of a subsequent water intrusion event or leak.

(c) If Lender determines not to conduct an annual inspection of the Mortgaged Property, and in lieu thereof Lender requests a certification, Borrower shall be prepared to provide and must actually provide to Lender a factually correct certification each year that the annual inspection is waived to the following effect: that Borrower represents and warrants that Borrower has not received any written complaint, notice, letter or other written communication from tenants, management agent or governmental authorities regarding odors, indoor air quality, Mold or any activity, condition, event or
omission that causes or facilitates the growth of Mold on or in any part of the Mortgaged Property, or if Borrower has received any such written complaint, notice, letter or other written communication, that Borrower has investigated and determined that no Mold activity, condition or event exists or alternatively has fully and properly remediated such activity, condition, event or omission in compliance with the MMP for the Mortgaged Property. If Borrower is unwilling or unable to provide such certification, Lender may require a professional inspection of the Mortgaged Property at Borrower’s expense.

14. **BOOKS AND RECORDS; FINANCIAL REPORTING.**

(a) Borrower shall keep and maintain at all times at the Mortgaged Property or the management agent’s offices, and upon Lender’s request shall make available at the Mortgaged Property, complete and accurate books of account and records (including copies of supporting bills and invoices) adequate to reflect correctly the operation of the Mortgaged Property, and copies of all written contracts, Leases, and other instruments which affect the Mortgaged Property. The books, records, contracts, Leases and other instruments shall be subject to examination and inspection at any reasonable time by Lender upon reasonable advance oral notice.

(b) Borrower shall furnish to Lender all of the following:

(i) except as provided in clause (2) below, within 45 days after the end of each fiscal quarter of Borrower, a statement of income and expenses for Borrower’s operation of the Mortgaged Property on a year-to-date basis as of the end of each fiscal quarter, (2) within 120 days after the end of each fiscal year of Borrower, (A) a statement of income and expenses for Borrower’s operation of the Mortgaged Property for such fiscal year, (B) a statement of changes in financial position of Borrower relating to the Mortgaged Property for such fiscal year, and (C) a balance sheet showing all assets and liabilities of Borrower relating to the Mortgaged Property as of the end of such fiscal year; and (3) any of the foregoing at any other time upon Lender’s request;

(ii) within 45 days after the end of each fiscal quarter of Borrower, and at any other time upon Lender’s request, a rent schedule for the Mortgaged Property showing the name of each tenant, and for each tenant, the space occupied, the lease expiration date, the rent payable for the current month, the date through which rent has been paid, and any related information requested by Lender;

(iii) within 120 days after the end of each fiscal year of Borrower, and at any other time upon Lender’s request, an accounting of all security deposits held pursuant to all Leases, including the name of the institution (if any) and the names and identification numbers of the accounts (if any) in which such security deposits are held and the name of the person to contact at such financial institution,
along with any authority or release necessary for Lender to access information regarding such accounts;

(iv) within 120 days after the end of each fiscal year of Borrower, and at any other time upon Lender’s request, a statement that identifies all owners of any interest in Borrower and the interest held by each, if Borrower is a corporation, all officers and directors of Borrower, and if Borrower is a limited liability company, all managers who are not members;

(v) upon Lender’s request, a monthly property management report for the Mortgaged Property, showing the number of inquiries made and rental applications received from tenants or prospective tenants and deposits received from tenants and any other information requested by Lender;

(vi) upon Lender’s request, a balance sheet, a statement of income and expenses for Borrower and a statement of changes in financial position of Borrower for Borrower’s most recent fiscal year;

(vii) annually, if applicable, within 60 days of the date required for submission by the agency in the Property Jurisdiction responsible for monitoring the low income housing tax credit program, a low income housing tax credit compliance report in form and substance acceptable to Lender; and

(viii) if required by Lender, within 30 days of the end of each calendar month, a monthly statement of income and expenses for such calendar month on a year-to-date basis for Borrower’s operation of the Mortgaged Property.

(c) Each of the statements, schedules and reports required by Section 14(b) shall be certified to be complete and accurate by an individual having authority to bind Borrower and shall be in such form and contain such detail as Lender may require. Lender also may require that any statements, schedules or reports be audited at Borrower’s expense by independent certified public accountants acceptable to Lender.

(d) If Borrower fails to provide in a timely manner the statements, schedules and reports required by Section 14(b), Lender shall have the right to have Borrower’s books and records audited, at Borrower’s expense, by independent certified public accountants selected by Lender in order to obtain such statements, schedules and reports, and all related costs and expenses of Lender shall become immediately due and payable and shall become an additional part of the Indebtedness as provided in Section 12.

(e) If an Event of Default has occurred and is continuing, Borrower shall deliver to Lender upon written demand all books and records relating to the Mortgaged Property or its operation.
(f) Borrower authorizes Lender to obtain a credit report on Borrower at any time.

15. TAXES; OPERATING EXPENSES.

(a) Subject to the provisions of Section 15(c) and Section 15(d), Borrower shall pay, or cause to be paid, all Taxes when due and before the imposition of any interest, fine, penalty or cost for nonpayment.

(b) Subject to the provisions of Section 15(c), Borrower shall pay (i) the expenses of operating, managing, maintaining and repairing the Mortgaged Property (including insurance premiums, utilities, repairs and replacements) before the last date upon which each such payment may be made without any penalty or interest charge being added, and (ii) insurance premiums at least 30 days prior to the expiration date of each policy of insurance, unless applicable law specifies some lesser period.

(c) If Lender is collecting Imposition Deposits, and to the extent that Lender holds sufficient Imposition Deposits for the purpose of paying a specific Imposition, then Borrower shall not be obligated to pay such Imposition, so long as no Event of Default exists and Borrower has timely delivered to Lender any bills or premium notices that it has received. If an Event of Default exists, Lender may exercise any rights Lender may have with respect to Imposition Deposits without regard to whether Impositions are then due and payable. Lender shall have no liability to Borrower for failing to pay any Impositions to the extent that any Event of Default has occurred and is continuing, insufficient Imposition Deposits are held by Lender at the time an Imposition becomes due and payable or Borrower has failed to provide Lender with bills and premium notices as provided above.

(d) Borrower, at its own expense, may contest by appropriate legal proceedings, conducted diligently and in good faith, the amount or validity of any Imposition other than insurance premiums, if (i) Borrower notifies Lender of the commencement or expected commencement of such proceedings, (ii) the Mortgaged Property is not in danger of being sold or forfeited, (iii) Borrower deposits with Lender reserves sufficient to pay the contested Imposition, if requested by Lender, and (iv) Borrower furnishes whatever additional security is required in the proceedings or is requested by Lender, which may include the delivery to Lender of the reserves established by Borrower to pay the contested Imposition.

(e) Borrower shall promptly deliver to Lender copies of all notices of, and invoices for, Impositions, and if Borrower pays any Imposition directly, Borrower shall promptly furnish to Lender on or before the date this Instrument requires such Impositions to be paid, copies of receipts evidencing that such payments were made.

(f) All payments made by Borrower to Lender pursuant to this Instrument or any of the Loan Documents shall be free and clear of any and all tax liabilities whatsoever (other than United States federal income taxation payable by Lender) and, to the extent Lender is required to pay any such tax liabilities, Borrower shall reimburse
Lender in respect of any such payment of taxes and, immediately upon request from Lender, shall deliver to Lender copies of receipts evidencing the payment of such taxes.

16. **LIENS; ENCUMBRANCES.** Borrower acknowledges that, to the extent provided in Section 21, the grant, creation or existence of any mortgage, deed of trust, deed to secure debt, security interest or other lien or encumbrance (a “Lien”) on the Mortgaged Property (other than the lien of this Instrument and the Permitted Encumbrances) or on certain ownership interests in Borrower, whether voluntary, involuntary or by operation of law, and whether or not such Lien has priority over the lien of this Instrument, is a “Transfer” which constitutes an Event of Default and subjects Borrower to personal liability under the Note. Borrower shall maintain the lien created by this Instrument as a first mortgage lien upon the Mortgaged Property, subject to no other Liens or encumbrances other than Permitted Encumbrances.

17. **PRESERVATION, MANAGEMENT AND MAINTENANCE OF MORTGAGED PROPERTY.**

(a) Borrower shall not commit waste or permit impairment or deterioration of the Mortgaged Property.

(b) Borrower shall not abandon the Mortgaged Property.

(c) Borrower shall restore or repair promptly, in a good and workmanlike manner, any damaged part of the Mortgaged Property to the equivalent of its original condition, or such other condition as Lender may approve in writing, whether or not insurance proceeds or condemnation awards are available to cover any costs of such restoration or repair.

(d) Borrower shall keep the Mortgaged Property in good repair (normal wear and tear excepted), including the replacement of Personalty and Fixtures with items of equal or better function and quality.

(e) Borrower shall provide for professional management of the Mortgaged Property by a residential rental property manager satisfactory to Lender at all times, under a contract approved by Lender, in writing, which contract must be terminable upon not more than thirty (30) days notice without the necessity of establishing cause and without payment of a penalty or termination fee by Borrower or its successors. There shall be no change in the property manager or any contract for the management of the Mortgaged Property without Lender’s prior written approval. Lender shall have the right to require that Borrower and any new property manager enter into an Assignment of Management Agreement on a form approved by Lender. If required by Lender (whether before or after an Event of Default), Borrower will cause any Affiliate of Borrower to whom fees are payable for the management of the Mortgaged Property to enter into an agreement with Lender, in a form approved by Lender, providing for subordination of those fees and such other provisions as Lender may require.

(f) Borrower shall give notice to Lender of and, unless otherwise directed in writing by Lender, shall appear in and defend any action or proceeding purporting to
affect the Mortgaged Property, Lender’s security or Lender’s rights under this Instrument. Borrower shall not (and shall not permit any tenant or other person to) remove, demolish or alter the Mortgaged Property or any part of the Mortgaged Property, including any removal, demolition or alteration occurring in connection with a rehabilitation of all or part of the Mortgaged Property, except (i) in connection with the replacement of tangible Personality and (ii) repairs and replacements in connection with making an individual unit ready for a new occupant.

(g) Unless otherwise waived by Lender in writing, Borrower must have or must establish and must adhere to the MMP. If Borrower is required to have an MMP, Borrower must keep all MMP documentation at the Mortgaged Property or at the management agent’s office and available for Lender or its agents to review during any annual assessment or inspection of the Mortgaged Property that is required by Lender.

18. ENVIRONMENTAL HAZARDS.

(a) Except for matters described in Section 18(b), Borrower shall not cause or permit any of the following:

(i) the presence, use, generation, release, treatment, processing, storage (including storage in above ground and underground storage tanks), handling, or disposal of any Hazardous Materials on or under the Mortgaged Property (whether as a result of activities on the Mortgaged Property or on surrounding properties) or any other property of Borrower that is adjacent to the Mortgaged Property;

(ii) the transportation of any Hazardous Materials to, from, or across the Mortgaged Property (whether as a result of activities on the Mortgaged Property or on surrounding properties);

(iii) any occurrence or condition on the Mortgaged Property (whether as a result of activities on the Mortgaged Property or on surrounding properties) or any other property of Borrower that is adjacent to the Mortgaged Property, which occurrence or condition is or may be in violation of Hazardous Materials Laws;

(iv) any violation of or noncompliance with the terms of any Environmental Permit with respect to the Mortgaged Property or any property of Borrower that is adjacent to the Mortgaged Property;

(v) the imposition of any environmental lien against the Mortgaged Property; or

(vi) any violation or noncompliance with the terms of any O&M Program.
The matters described in clauses (i) through (vi) above, except as otherwise provided in Section 18(b), are referred to collectively in this Section 18 as “Prohibited Activities or Conditions”.

(b) Prohibited Activities or Conditions shall not include lawful conditions permitted by an O&M Program or the safe and lawful use and storage of quantities of (i) pre-packaged supplies, cleaning materials, petroleum products, household products, paints, solvents, lubricants and other materials customarily used in the construction, renovation, operation, maintenance or use of comparable multifamily properties, (ii) cleaning materials, household products, personal grooming items and other items sold in pre-packaged containers for consumer use and used by tenants and occupants of residential dwelling units in the Mortgaged Property; and (iii) petroleum products used in the operation and maintenance of motor vehicles from time to time located on the Mortgaged Property’s parking areas, so long as all of the foregoing are used, stored, handled, transported and disposed of in compliance with Hazardous Materials Laws.

(c) Borrower shall take all commercially reasonable actions (including the inclusion of appropriate provisions in any Leases executed after the date of this Instrument) to prevent its employees, agents, and contractors, and all tenants and other occupants from causing or permitting any Prohibited Activities or Conditions. Borrower shall not lease or allow the sublease or use of all or any portion of the Mortgaged Property to any tenant or subtenant for nonresidential use by any user that, in the ordinary course of its business, would cause or permit any Prohibited Activity or Condition.

(d) If and as required by Lender, Borrower shall also establish a written operations and maintenance program with respect to certain Hazardous Materials. Each such operations and maintenance program and any additional or revised operations and maintenance programs established for the Mortgaged Property pursuant to this Instrument must be approved by Lender and shall be referred to herein as an “O&M Program.” Borrower shall comply in a timely manner with, and cause all employees, agents, and contractors of Borrower and any other persons present on the Mortgaged Property to comply with each O&M Program. Borrower shall pay all costs of performance of Borrower’s obligations under any O&M Program, and any Beneficiary Party’s out-of-pocket costs incurred by such Beneficiary Party in connection with the monitoring and review of each O&M Program and Borrower’s performance shall be paid by Borrower upon demand by such Beneficiary Party. Any such out-of-pocket costs of such Beneficiary Party which Borrower fails to pay promptly shall become an additional part of the Indebtedness as provided in Section 12.

(e) Without limitation of the foregoing, (i) Borrower hereby agrees to implement and maintain during the entire term of the Loan the O&M Program(s), and (ii) if asbestos-containing materials are found to exist at the Mortgaged Property, the O&M Program with respect thereto shall be undertaken consistent with the Guidelines for Controlling Asbestos Containing Materials in Buildings (USEPA, 1985) and other relevant guidelines and applicable Hazardous Materials Laws.
(f) With respect to any O&M Program, Lender may require (i) periodic notices or reports to Lender in form, substance and at such intervals as Lender may reasonably specify; (ii) amendments to such O&M Program to address changing circumstances, laws or other matters, including, without limitation, variations in response to reports provided by environmental consultants; and (iii) execution of an Operations and Maintenance Agreement relating to such O&M Program satisfactory to Lender.

(g) Borrower represents and warrants to Beneficiary Parties that, except as otherwise disclosed in the Environmental Reports (as defined in the Agreement of Environmental Indemnification):

(i) Borrower has not at any time engaged in, caused or permitted any Prohibited Activities or Conditions;

(ii) to the best of Borrower’s knowledge after reasonable and diligent inquiry, no Prohibited Activities or Conditions exist or have existed, and Borrower has provided Lender with copies of all reports and information acquired in such inquiries;

(iii) the Mortgaged Property does not now contain any underground storage tanks and, to the best of Borrower’s knowledge, the Mortgaged Property has not contained any underground storage tanks in the past. If there is an underground storage tank located on the Mortgaged Property that has been disclosed in Exhibit A to the Agreement of Environmental Indemnification, that tank complies with all requirements of Hazardous Materials Laws;

(iv) Borrower has complied with and will continue to comply with all Hazardous Materials Laws, including all requirements for notification regarding releases of Hazardous Materials. Without limiting the generality of the foregoing, Borrower has obtained all Environmental Permits required for the operation of the Mortgaged Property in accordance with Hazardous Materials Laws now in effect and all such Environmental Permits are in full force and effect;

(v) no event has occurred with respect to the Mortgaged Property that constitutes, or with the passing of time or the giving of notice would constitute, noncompliance with the terms of any Environmental Permit or Hazardous Materials Law;

(vi) there are no actions, suits, claims or proceedings pending or, to the best of Borrower’s knowledge after reasonable and diligent inquiry, threatened that involve the Mortgaged Property and allege, arise out of, or relate to any Prohibited Activity or Condition;
(vii) Borrower has not received any complaint, order, notice of violation or other communication from any Governmental Authority with regard to air emissions, water discharges, noise emissions or Hazardous Materials, or any other environmental, health or safety matters affecting the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property;

(viii) no prior Remedial Work (as defined below) has been undertaken, and no Remedial Work is ongoing, with respect to the Mortgaged Property during Borrower’s ownership thereof or, to the best of Borrower’s knowledge, at any time prior to Borrower’s ownership thereof; and

(ix) Borrower has disclosed in the Agreement of Environmental Indemnification all material facts known to Borrower or contained in Borrower’s records the nondisclosure of which could cause any representation or warranty made herein or any statement made in the Agreement of Environmental Indemnification to be false or materially misleading.

The representations and warranties in this Section 18 shall be continuing representations and warranties that shall be deemed to be made by Borrower throughout the term of the Loan, until the Indebtedness has been paid in full or otherwise discharged.

(h) Borrower shall promptly notify Lender in writing upon the occurrence of any of the following events:

(i) Borrower’s discovery of any Prohibited Activity or Condition;

(ii) Borrower’s receipt of or knowledge of any complaint, order, notice of violation or other communication from any tenant, management agent, Governmental Authority or other person with regard to present or future alleged Prohibited Activities or Conditions or any other environmental, health or safety matters affecting the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property;

(iii) Borrower’s receipt of or knowledge of any personal injury claim, proceeding or cause of action directly or indirectly arising as a result of the presence of asbestos or other Hazardous Materials on or from the Mortgaged Property;

(iv) Borrower’s discovery that any representation or warranty in this Section 18 has become untrue after the date of this Instrument; and

(v) Borrower’s breach of any of its obligations under this Section 18.
Any such notice given by Borrower shall not relieve Borrower of, or result in a waiver of, any obligation under this Instrument, the Note, or any other Loan Document.

(i) Borrower shall pay promptly the costs of any environmental inspections, tests or audits ("Environmental Inspections") required by Lender or any Beneficiary Party in connection with any foreclosure or deed in lieu of foreclosure, or as a condition of Lender’s consent to any Transfer under Section 21, or required by Lender following a determination by Lender that Prohibited Activities or Conditions may exist. Any such costs incurred by Lender (including, without limitation, fees and expenses of attorneys, expert witnesses, engineers, technical consultants and investigatory fees, whether incurred in connection with any judicial or administrative process or otherwise) that Borrower fails to pay promptly shall become an additional part of the Indebtedness as provided in Section 12. The results of all Environmental Inspections made by Lender shall at all times remain the property of Lender and Lender shall have no obligation to disclose or otherwise make available to Borrower or any other party such results or any other information obtained by Lender in connection with such Environmental Inspections. Lender hereby reserves the right, and Borrower hereby expressly authorizes Lender, to make available to any party, including any prospective bidder at a foreclosure sale of the Mortgaged Property, the results of any Environmental Inspections made by Lender with respect to the Mortgaged Property. Borrower consents to Lender notifying any party (either as part of a notice of sale or otherwise) of the results of any of Lender’s Environmental Inspections. Borrower acknowledges that Lender cannot control or otherwise assure the truthfulness or accuracy of the results of any of its Environmental Inspections and that the release of such results to prospective bidders at a foreclosure sale of the Mortgaged Property may have a material and adverse effect upon the amount which a party may bid at such sale. Borrower agrees that Lender shall have no liability whatsoever as a result of delivering the results of any of its Environmental Inspections to any third party, and Borrower hereby releases and forever discharges Lender from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the results of, the delivery of any of Lender’s Environmental Inspections.

(j) If any investigation, site monitoring, containment, clean-up, restoration or other remedial work ("Remedial Work") is necessary to comply with or cure a violation of any Hazardous Materials Law or order of any Governmental Authority that has or acquires jurisdiction over the Mortgaged Property or the use, operation or improvement of the Mortgaged Property under any Hazardous Materials Law, or is otherwise required by Lender as a consequence of any Prohibited Activity or Condition or to prevent the occurrence of a Prohibited Activity or Condition, Borrower shall, by the earlier of (i) the applicable deadline required by such Hazardous Materials Law or (ii) thirty (30) days after notice from Lender demanding such action, begin performing the Remedial Work, and thereafter diligently prosecute it to completion, and shall in any event complete the work by the time required by such Hazardous Materials Law. Borrower shall promptly provide Lender with a cost estimate from an environmental consultant acceptable to Lender to complete any required Remedial Work. If required by Lender, Borrower shall promptly establish with Lender a reserve fund in the amount of such estimate. If in Lender’s opinion the amount reserved at any time during the Remedial Work is
insufficient to cover the work remaining to complete the Remediation or achieve compliance, Borrower shall increase the amount reserved in compliance with Lender’s written request. All amounts so held in reserve, until disbursed, are hereby pledged to Lender as security for payment of Borrower’s obligations under this Instrument. If Borrower fails to begin on a timely basis or diligently prosecute any required Remedial Work, Lender may, at its option, cause the Remedial Work to be completed, in which case Borrower shall reimburse Lender on demand for the cost of doing so. Any reimbursement due from Borrower to Lender shall become part of the Indebtedness as provided in Section 12.

(k) Borrower shall comply with all Hazardous Materials Laws applicable to the Mortgaged Property. Without limiting the generality of the previous sentence, Borrower shall (i) obtain and maintain all Environmental Permits required by Hazardous Materials Laws and comply with all conditions of such Environmental Permits; (ii) cooperate with any inquiry by any Governmental Authority; and (iii) comply with any governmental or judicial order that arises from any alleged Prohibited Activity or Condition.

(l) BORROWER SHALL INDEMNIFY, HOLD HARMLESS AND DEFEND BENEFICIARY PARTIES AND THEIR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, PARTNERS, EMPLOYEES, AGENTS, ATTORNEYS, TRUSTEES, HEIRS AND LEGAL REPRESENTATIVES (COLLECTIVELY, THE “INDEMNITERS”) FROM AND AGAINST ALL LOSSES, PROCEEDINGS, CLAIMS, DAMAGES, PENALTIES AND COSTS (WHETHER INITIATED OR SOUGHT BY GOVERNMENTAL AUTHORITIES OR PRIVATE PARTIES), INCLUDING, WITHOUT LIMITATION, FEES AND OUT-OF-POCKET EXPENSES OF ATTORNEYS AND EXPERT WITNESSES, ENGINEERING FEES, ENVIRONMENTAL CONSULTANT FEES, INVESTIGATORY FEES, AND REMEDIATION COSTS (INCLUDING, WITHOUT LIMITATION, ANY FINANCIAL ASSURANCES REQUIRED TO BE POSTED FOR COMPLETION OF REMEDIAL WORK AND COSTS ASSOCIATED WITH ADMINISTRATIVE OVERSIGHT), AND ANY OTHER LIABILITIES OF WHATEVER KIND AND WHATEVER NATURE, WHETHER INCURRED IN CONNECTION WITH ANY JUDICIAL OR ADMINISTRATIVE PROCESS OR OTHERWISE, ARISING DIRECTLY OR INDIRECTLY FROM ANY OF THE FOLLOWING:

(i) ANY BREACH OF ANY REPRESENTATION OR WARRANTY OF Borrower IN THIS SECTION 18;

(ii) ANY FAILURE BY Borrower TO PERFORM ANY OF ITS OBLIGATIONS UNDER THIS SECTION 18;

(iii) THE EXISTENCE OR ALLEGED EXISTENCE OF ANY PROHIBITED ACTIVITY OR CONDITION;

(iv) THE PRESENCE OR ALLEGED PRESENCE OF HAZARDOUS MATERIALS ON OR UNDER THE MORTGAGED PROPERTY.
(WHETHER AS A RESULT OF ACTIVITIES ON THE MORTGAGED PROPERTY OR ON SURROUNDING PROPERTIES) OR IN ANY OF THE IMPROVEMENTS OR ON OR UNDER ANY PROPERTY OF BORROWER THAT IS ADJACENT TO THE MORTGAGED PROPERTY;

(v) THE ACTUAL OR ALLEGED VIOLATION OF ANY HAZARDOUS MATERIALS LAW;

(vi) ANY LOSS OR DAMAGE RESULTING FROM A LOSS OF PRIORITY OF THIS INSTRUMENT OR ANY OTHER LOAN DOCUMENT DUE TO AN IMPOSITION OF AN ENVIRONMENTAL LIEN AGAINST THE MORTGAGED PROPERTY; AND

(vii) ANY PERSONAL INJURY CLAIM, PROCEEDING OR CAUSE OF ACTION DIRECTLY OR INDIRECTLY ARISING AS A RESULT OF THE PRESENCE OF ASBESTOS OR OTHER HAZARDOUS MATERIALS ON OR FROM THE MORTGAGED PROPERTY.

(m) COUNSEL SELECTED BY BORROWER TO DEFEND INDEMNITEES SHALL BE SUBJECT TO THE APPROVAL OF THOSE INDEMNITEES. IN ANY CIRCUMSTANCES IN WHICH THE INDEMNITY UNDER THIS SECTION 18 APPLIES, ANY BENEFICIARY PARTY MAY EMPLOY ITS OWN LEGAL COUNSEL AND CONSULTANTS TO PROSECUTE, DEFEND OR NEGOTIATE ANY claim OR LEGAL OR ADMINISTRATIVE PROCEEDING AT BORROWER’S EXPENSE, AND SUCH BENEFICIARY PARTY, WITH THE PRIOR WRITTEN CONSENT OF BORROWER (WHICH SHALL NOT BE UNREASONABLY WITHHELD, DELAYED OR CONDITIONED) MAY SETTLE OR COMPROMISE ANY ACTION OR LEGAL OR ADMINISTRATIVE PROCEEDING. BORROWER SHALL REIMBURSE SUCH BENEFICIARY PARTY UPON DEMAND FOR ALL COSTS AND EXPENSES INCURRED BY SUCH BENEFICIARY PARTY, INCLUDING, WITHOUT LIMITATION, ALL COSTS OF SETTLEMENTS ENTERED INTO IN GOOD FAITH, AND THE FEES AND OUT OF POCKET EXPENSES OF SUCH ATTORNEYS AND CONSULTANTS.

(n) BORROWER SHALL NOT, WITHOUT THE PRIOR WRITTEN CONSENT OF THOSE INDEMNITEES WHO ARE NAMED AS PARTIES TO A CLAIM OR LEGAL OR ADMINISTRATIVE PROCEEDING (A “CLAIM”), SETTLE OR COMPROMISE THE CLAIM IF THE SETTLEMENT (1) RESULTS IN THE ENTRY OF ANY JUDGMENT THAT DOES NOT INCLUDE AS AN UNCONDITIONAL TERM THE DELIVERY BY THE CLAIMANT OR PLAINTIFF TO BENEFICIARY PARTIES OF A WRITTEN RELEASE OF THOSE INDEMNITEES, SATISFACTORY IN FORM AND SUBSTANCE TO LENDER; OR (2) MAY MATERIALLY AND ADVERSELY AFFECT BENEFICIARY PARTIES, AS DETERMINED BY LENDER IN ITS DISCRETION.
(o) BORROWER’S OBLIGATION TO INDEMNIFY THE INDEMNITEES SHALL NOT BE LIMITED OR IMPAIRED BY ANY OF THE FOLLOWING, OR BY ANY FAILURE OF BORROWER OR ANY GUARANTOR TO RECEIVE NOTICE OF OR CONSIDERATION FOR ANY OF THE FOLLOWING:

(i) ANY AMENDMENT OR MODIFICATION OF ANY LOAN DOCUMENT;

(ii) ANY EXTENSIONS OF TIME FOR PERFORMANCE REQUIRED BY ANY LOAN DOCUMENT;

(iii) ANY PROVISION IN ANY LOAN DOCUMENT LIMITING BENEFICIARY PARTIES’ RECURSE TO PROPERTY SECURING THE INDEBTEDNESS, OR LIMITING THE PERSONAL LIABILITY OF BORROWER OR ANY OTHER PARTY FOR PAYMENT OF ALL OR ANY PART OF THE INDEBTEDNESS;

(iv) THE ACCURACY OR INACCURACY OF ANY REPRESENTATIONS AND WARRANTIES MADE BY BORROWER UNDER THIS INSTRUMENT OR ANY OTHER LOAN DOCUMENT;

(v) THE RELEASE OF BORROWER OR ANY OTHER PERSON, BY BENEFICIARY PARTIES OR BY OPERATION OF LAW, FROM PERFORMANCE OF ANY OBLIGATION UNDER ANY LOAN DOCUMENT;

(vi) THE RELEASE OR SUBSTITUTION IN WHOLE OR IN PART OF ANY SECURITY FOR THE INDEBTEDNESS; AND

(vii) FAILURE BY BENEFICIARY PARTIES TO PROPERLY PERFECT ANY LIEN OR SECURITY INTEREST GIVEN AS SECURITY FOR THE INDEBTEDNESS.

(p) BORROWER SHALL, AT ITS OWN COST AND EXPENSE, DO ALL OF THE FOLLOWING:

(i) PAY OR SATISFY ANY JUDGMENT OR DECREE THAT MAY BE ENTERED AGAINST ANY INDEMNITEE OR INDEMNITEES IN ANY LEGAL OR ADMINISTRATIVE PROCEEDING INCIDENT TO ANY MATTERS AGAINST WHICH INDEMNITEES ARE ENTITLED TO BE INDEMNIFIED UNDER THIS SECTION 18;

(ii) REIMBURSE INDEMNITEES FOR ANY AND ALL EXPENSES PAID OR INCURRED IN CONNECTION WITH
ANY MATTERS AGAINST WHICH INDEMNITSEE ARE ENTITLED TO BE INDEMNIFIED UNDER THIS SECTION 18; AND

(iii) REIMBURSE INDEMNITSEE FOR ANY AND ALL EXPENSES, INCLUDING, WITHOUT LIMITATION, FEES AND OUT OF POCKET EXPENSES OF ATTORNEYS AND EXPERT WITNESSES, PAID OR INCURRED IN CONNECTION WITH THE ENFORCEMENT BY INDEMNITSEE OF THEIR RIGHTS UNDER THIS SECTION 18, OR IN MONITORING AND PARTICIPATING IN ANY LEGAL OR ADMINISTRATIVE PROCEEDING.

(q) THE PROVISIONS OF THIS SECTION 18 SHALL BE IN ADDITION TO ANY AND ALL OTHER OBLIGATIONS AND LIABILITIES THAT BORROWER MAY HAVE UNDER APPLICABLE LAW OR UNDER ANY OTHER LOAN DOCUMENT, AND EACH INDEMNITSEE SHALL BE ENTITLED TO INDEMNIFICATION UNDER THIS SECTION 18 WITHOUT REGARD TO WHETHER ANY OTHER BENEFICIARY PARTY OR THAT INDEMNITSEE HAS EXERCISED ANY RIGHTS AGAINST THE MORTGAGED PROPERTY OR ANY OTHER SECURITY, PURSUED ANY RIGHTS AGAINST ANY GUARANTOR, OR PURSUED ANY OTHER RIGHTS AVAILABLE UNDER THE LOAN DOCUMENTS OR APPLICABLE LAW. IF BORROWER CONSISTS OF MORE THAN ONE PERSON OR ENTITY, THE OBLIGATION OF THOSE PERSONS OR ENTITIES TO INDEMNIFY THE INDEMNITSEE UNDER THIS SECTION 18 SHALL BE JOINT AND SEVERAL. THE OBLIGATION OF BORROWER TO INDEMNIFY THE INDEMNITSEE UNDER THIS SECTION 18 SHALL SURVIVE ANY REPAYMENT OR DISCHARGE OF THE INDEBTEDNESS, ANY FORECLOSURE PROCEEDING, ANY FORECLOSURE SALE, ANY DELIVERY OF ANY DEED IN LIEU OF FORECLOSURE, AND ANY RELEASE OF RECORD OF THE LIEN OF THIS INSTRUMENT.

(r) Notwithstanding anything herein to the contrary, (i) Borrower shall have no obligation hereunder to indemnify any Indemnitee for any liability under this Section 18 to the extent that the Prohibited Activity or Condition giving rise to such liability resulted solely from the gross negligence or willful misconduct of such Indemnitee, and (ii) Borrower’s liability under this Section 18 shall not extend to cover the violation of any Hazardous Materials Laws or Prohibited Activities or Conditions that first arise, commence or occur as a result of actions of Lender, its successors, assigns or designees, after the satisfaction, discharge, release, assignment, termination or cancellation of this Instrument following the payment in full of the Note and all other sums payable under the Loan Documents or after the actual dispossession from the entire Mortgaged Property of Borrower and all Affiliates of Borrower following foreclosure of this Instrument or acquisition of the Mortgaged Property by a deed in lieu of foreclosure.

19. PROPERTY AND LIABILITY INSURANCE.
(a) Borrower shall keep the Improvements insured at all times against such hazards as Lender may from time to time require, which insurance shall include but not be limited to coverage against loss by fire and allied perils, general boiler and machinery coverage, business income coverage and extra expense insurance, coverage against acts of terrorism, mold and earthquake coverage. Borrower acknowledges and agrees that Lender’s insurance requirements may change from time to time throughout the term of the Indebtedness. If Lender so requires, such insurance shall also include sinkhole insurance, mine subsidence insurance, earthquake insurance, and, if the Mortgaged Property does not conform to applicable zoning or land use laws, building ordinance or law coverage. If any portion of the Improvements is at any time located in an area identified by the Federal Emergency Management Agency (or any successor to that agency) as an area now or hereafter having special flood hazards, and if flood insurance is available in that area, Borrower shall insure such Improvements against loss by flood in an amount equal to the maximum amount available under the National Flood Insurance Program or any successor thereto.

(b) All premiums on insurance policies required under Section 19(a) shall be paid in the manner provided in Section 7, unless Lender has designated in writing another method of payment. All such policies shall also be in a form approved by Lender. All policies of property damage insurance shall include a non-contributing, non-reporting mortgage clause in favor of, and in a form approved by, Lender. Lender shall have the right to hold the original policies or duplicate original policies of all insurance required by Section 19(a). Borrower shall promptly deliver to Lender a copy of all renewal and other notices received by Borrower with respect to the policies and all receipts for paid premiums. At least 30 days prior to the expiration date of a policy, Borrower shall deliver to Lender the original (or a duplicate original) of a renewal policy in form satisfactory to Lender.

(c) All insurance policies and renewals of insurance policies required by this Section 19 shall be in such amounts and for such periods as Lender may from time to time require consistent with Lender’s then current practices and standards, and shall be issued by insurance companies satisfactory to Lender.

(d) From and after the Conversion Date, all insurance policies and renewals of insurance policies required by this Section 19 shall also comply with any applicable Credit Enhancer Insurance Standards. During any period of construction and/or rehabilitation, and at all times prior to occupancy of the Project by any tenants following the completion of the construction and/or rehabilitation of the Project in accordance with the Loan Agreement, the following provisions shall apply, in addition to the other provisions of this Section 19 and without limiting the generality of the other provisions of this Section 19:

(i) Borrower shall provide (or cause to be provided), maintain and keep in force, the following insurance coverage:

(A) Builder’s “all risk” insurance or the equivalent coverage, including theft, to insure all buildings, machinery,
equipment, materials, supplies, temporary structures and all other property of any nature on-site, off-site and while in transit which is to be used in fabrication, erection, installation and construction and/or rehabilitation of the Project, and to remain in effect until the entire Project has been completed and accepted by Borrower and is first occupied by any tenants (provided that in any event, such coverage shall remain in effect until such time as Borrower has provided Lender with evidence of property insurance covering the Improvements and meeting the requirements of this Section 19). Such insurance shall be provided on a replacement cost value basis and shall include foundations, other underground property, tenant improvements and personal property. If tenant improvements and personal property are not included in the above coverage, they may be insured separately by Borrower provided coverage is acceptable to Lender. Builders “all risk” insurance shall (i) be on a nonreporting, completed value form, (ii) cover soft costs, debris removal expense (including removal of pollutants), resulting loss and damage to property due to faulty or defective workmanship or materials and error in design or specification, loss while the property is in the care, custody and control of others to whom the property may be entrusted, (iii) provide that Borrower can complete and occupy the Mortgaged Property without further written consent from the insurer, and (iv) cover loss of income resulting from delay in occupancy and use of the Mortgaged Property due to loss. During the initial construction and/or rehabilitation of the Project and until such time as the Project is first occupied by any tenants, the Borrower shall not be required to maintain property insurance as required by this Section 19 for so long as Builder’s “all risk” insurance or equivalent coverage is maintained in accordance with this paragraph.

(B) If any portion of the Mortgaged Property is or becomes located in an area identified by the United States Secretary of Housing and Urban Development as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968 and Flood Disaster Protection Act of 1973, as amended, Borrower shall also keep the improvements and the equipment located thereon insured against loss by flood in an amount at least equal to the principal amount of the Loan or the maximum limits of coverage available with respect to the Mortgaged Property, whichever is less. All
such insurance shall also cover continuing expenses not directly involved in the direct cost of construction, rehabilitation or renovation, including interest on money borrowed to finance construction, rehabilitation or renovation, continuing interest on the Loan, advertising, promotion, real estate taxes and other assessments, the cost of renegotiating leases, and other expenses incurred as the result of property loss or destruction by the insured peril. Such coverage shall not contain any monthly limitation.

(ii) If Lender fails to receive proof and evidence of the insurance required hereunder, Lender shall have the right, but not the obligation, to obtain or cause to be obtained current coverage and to make a Disbursement, as defined in the Loan Agreement (or, in its sole discretion, advance funds) to pay the premiums for it. If Lender makes an advance for such purpose, Borrower shall repay such advance immediately on demand and such advance shall be considered to be a demand loan to Borrower bearing interest at the Default Rate (as defined in the Note) and secured by the Mortgaged Property.

(e) Borrower shall maintain at all times commercial general liability insurance, workers’ compensation insurance and such other liability, errors and omissions and fidelity insurance coverages as Lender may from time to time require, consistent with Lender’s then current practices and standards (and from and after the Conversion Date, any applicable Credit Enhancer Insurance Standards).

(f) Borrower shall comply with all insurance requirements and shall not permit any condition to exist on the Mortgaged Property that would invalidate any part of any insurance coverage that this Instrument requires Borrower to maintain.

(g) In the event of loss, Borrower shall give immediate written notice to the insurance carrier and to Lender. Borrower hereby authorizes and appoints Lender as attorney-in-fact for Borrower to make proof of loss, to adjust and compromise any claims under policies of property damage insurance, to appear in and prosecute any action arising from such property damage insurance policies, to collect and receive the proceeds of property damage insurance, and to deduct from such proceeds Lender’s expenses incurred in the collection of such proceeds. This power of attorney is coupled with an interest and therefore is irrevocable. However, nothing contained in this Section 19 shall require Lender to incur any expense or take any action. Lender may, at Lender’s option, (i) hold the balance of such proceeds to be used to reimburse Borrower for the cost of restoring and repairing the Mortgaged Property to the equivalent of its original condition or to a condition approved by Lender (the “Restoration”), or (ii) apply the balance of such proceeds to the payment of the Indebtedness, whether or not then due. To the extent Lender determines to apply insurance proceeds to Restoration, Lender shall apply the proceeds in accordance with Lender’s then-current policies relating to the restoration of casualty damage on similar multifamily properties.
(h) Lender shall not exercise its option to apply insurance proceeds to the payment of the Indebtedness if all of the following conditions are met: (i) no Event of Default (or any event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default) has occurred and is continuing; (ii) Lender determines, in its discretion, that there will be sufficient funds to complete the Restoration (and complete construction of the Project in accordance with the Loan Agreement and the Plans and Specifications, as defined therein, if such construction has not been completed at such time); (iii) Lender determines, in its discretion, that the net operating income generated by the Mortgaged Property after completion of the Restoration will be sufficient to meet all operating costs and other expenses, Imposition Deposits, deposits to reserves and loan repayment obligations relating to the Mortgaged Property; (iv) Lender determines, in its discretion, that the Restoration will be completed before the earlier of (A) one year before the Maturity Date set forth in the Note, (B) one year before the Outside Conversion Date, as defined in the Loan Agreement, if Conversion, as defined in the Loan Agreement, has not yet occurred, or (C) one year after the date of the loss or casualty; and (v) upon Lender’s request, Borrower provides Lender evidence of the availability during and after the Restoration of the insurance required to be maintained pursuant to this Instrument.

(i) If the Mortgaged Property is sold at a foreclosure sale or Lender acquires title to the Mortgaged Property, Lender shall automatically succeed to all rights of Borrower in and to any insurance policies and unearned insurance premiums and in and to the proceeds resulting from any damage to the Mortgaged Property prior to such sale or acquisition.

(j) Unless Lender otherwise agrees in writing, any application of any insurance proceeds to the Indebtedness shall not extend or postpone the due date of any monthly installments referred to in the Note, Section 7 of this Instrument or any Collateral Agreement, or change the amount of such installments, except as provided in the Note.

(k) Borrower agrees to execute such further evidence of assignment of any insurance proceeds as Lender may require.

(l) Borrower further agrees that to the extent that Borrower obtains any form of property damage insurance for the Mortgaged Property or any portion thereof that insures perils not required to be insured against by Lender, such policy of property damage insurance shall include a standard mortgagee clause and shall name Lender as loss payee and, within ten (10) days following Borrower’s purchase of such additional insurance, Borrower shall cause to be delivered to Lender a duplicate original policy of insurance with respect to such policy. Any insurance proceeds payable to Borrower under such policy shall be additional security for the Indebtedness and Lender shall have the same rights to such policy and proceeds as it has with respect to insurance policies required by Lender pursuant to this Section 19 (except that Lender shall not require that the premium for such additional insurance be included among the Imposition Deposits).

20. **CONDEMNATION.**
(a) Borrower shall promptly notify Lender in writing of any action or proceeding or notice relating to any proposed or actual condemnation or other taking, or conveyance in lieu thereof, of all or any part of the Mortgaged Property, whether direct or indirect (a “Condemnation”), and shall deliver to the Lender copies of any and all papers served in connection with such Condemnation. Borrower shall appear in and prosecute or defend any action or proceeding relating to any Condemnation unless otherwise directed by Lender in writing. Borrower authorizes and appoints Lender as attorney-in-fact for Borrower to commence, appear in and prosecute, in Lender’s or Borrower’s name, any action or proceeding relating to any Condemnation and to settle or compromise any claim in connection with any Condemnation. This power of attorney is coupled with an interest and therefore is irrevocable. However, nothing contained in this Section 20 shall require Lender to incur any expense or take any action. Borrower hereby transfers and assigns to Lender all right, title and interest of Borrower in and to any award or payment with respect to (i) any Condemnation, or any conveyance in lieu of Condemnation, and (ii) any damage to the Mortgaged Property caused by governmental action that does not result in a Condemnation.

(b) Lender may apply such awards or proceeds, after the deduction of Lender’s expenses incurred in the collection of such amounts (including, without limitation, fees and out-of-pocket expenses of attorneys and expert witnesses, investigatory fees, whether incurred in connection with any judicial or administrative process or otherwise), at Lender’s option, to the restoration or repair of the Mortgaged Property or to the payment of the Indebtedness in accordance with the provisions of the Note as to application of payments to the Indebtedness, with the balance, if any, to Borrower. Unless Lender otherwise agrees in writing, any application of any awards or proceeds to the Indebtedness shall not extend or postpone the due date of payments due under the Note, Section 7 of this Instrument or any Collateral Agreement or any other Loan Document, or change the amount of such payments, except as otherwise provided in the Note. Borrower agrees to execute such further evidence of assignment of any awards or proceeds as Lender may require.

21. TRANSFERS OF THE MORTGAGED PROPERTY OR INTERESTS IN BORROWER.

(a) The occurrence of any of the following events shall constitute an Event of Default under this Instrument:

(i) other than the lien of this Instrument and the Permitted Encumbrances, a Transfer of all or any part of the Mortgaged Property or any interest in the Mortgaged Property;

(ii) a Transfer of a Controlling Interest in Borrower;

(iii) a Transfer of a Controlling Interest in any entity which owns, directly or indirectly through one or more intermediate entities, a Controlling Interest in Borrower;
(iv) a Transfer of all or any part of a Guarantor’s ownership interests in Borrower, or in any other entity which owns, directly or indirectly through one or more intermediate entities, an ownership interest in Borrower (other than a Transfer of an aggregate beneficial ownership interest in Borrower of 49% or less of such Guarantor’s original ownership interest in Borrower and which does not otherwise result in a Transfer of the Guarantor’s Controlling Interest in such intermediate entities or in Borrower);

(v) if Guarantor is an entity, (A) a Transfer of a Controlling Interest in Guarantor, or (B) a Transfer of a Controlling Interest in any entity which owns, directly or indirectly through one or more intermediate entities, a Controlling Interest in Guarantor;

(vi) if Borrower or Guarantor is a trust, the termination or revocation of such trust; unless the trust is terminated as a result of the death of an individual trustor, in which event Lender must be notified and such Borrower or Guarantor must be replaced with an individual or entity acceptable to Lender, in accordance with the provisions of Section 21(c) hereof, within 90 days of such death (provided however that no property inspection shall be required and a 1% transfer fee will not be charged);

(vii) if Guarantor is a natural person, the death of such individual; unless the Lender is notified and such individual is replaced with an individual or entity acceptable to Lender, in accordance with the provisions of Section 21(c) hereof, within 90 days of such death (provided however that no property inspection shall be required and a 1% transfer fee will not be charged);

(viii) the merger, dissolution, liquidation, or consolidation of (i) Borrower, (ii) any Guarantor that is a legal entity, or (iii) any legal entity holding, directly or indirectly, a Controlling Interest in Borrower or in any Guarantor that is an entity;

(ix) a conversion of Borrower from one type of legal entity into another type of legal entity (including the conversion of a general partnership into a limited partnership and the conversion of a limited partnership into a limited liability company), whether or not there is a Transfer; if such conversion results in a change in any assets, liabilities, legal rights or obligations of Borrower (or of any Guarantor, or any general partner of Borrower, as applicable), by operation of law or otherwise;

(x) a Transfer of the economic benefits or right to cash flows attributable to the ownership interests in Borrower and/or, if Guarantor is an entity, Guarantor, separate from the Transfer of the
underlying ownership interests, unless the Transfer of the underlying ownership interests would otherwise not be prohibited by this Instrument; and

(xi) the filing, recording, or consent to filing or recording of any plat or map subdividing, replatting or otherwise affecting the Mortgaged Property or any other replat or subdivision of the Mortgaged Property, whether or not any such action affects the priority of the lien of this Instrument.

Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default in order to exercise any of its remedies with respect to an Event of Default under this Section 21.

(b) The occurrence of any of the following events shall not constitute an Event of Default under this Instrument, notwithstanding any provision of Section 21(a) to the contrary (each a “Permitted Transfer”):

(i) a Transfer to which Lender has consented;

(ii) except as provided in Section 21(a)(vi) and (vii), a Transfer that occurs by devise, descent, pursuant to the provisions of a trust, or by operation of law upon the death of a natural person;

(iii) the grant of a leasehold interest in an individual dwelling unit for a term of two years or less not containing an option to purchase;

(iv) a Transfer of obsolete or worn out Personalty or Fixtures that are contemporaneously replaced by items of equal or better function and quality, which are free of liens, encumbrances and security interests other than those created by or permitted pursuant to the Loan Documents or consented to by Lender;

(v) the grant of an easement, servitude, or restrictive covenant if, before the grant, Lender determines in its reasonable judgment that the easement, servitude, or restrictive covenant will not materially affect the operation or value of the Mortgaged Property or Lender’s interest in the Mortgaged Property, and Borrower pays to Lender, upon demand, all costs and expenses incurred by Lender in connection with reviewing Borrower’s request; provided, however, utility easements of a type usually permitted or required to operate a multifamily project in the Property Jurisdiction (such as, by way of example, gas, sewer and electricity supplier easements and easements to provide cable service) shall be deemed to be Permitted Transfers without the need for Lender’s prior review or determination so long as (A) such easement does not obligate Borrower to incur any additional costs, (B) such easement does not
grant the grantee of the easement the option to acquire any other estate in the Mortgaged Property, and (C) Lender is not obligated to subordinate the lien of this Security Instrument to the proposed easement;

(vi) the creation of a mechanic’s, materialman’s, or judgment lien against the Mortgaged Property which is released of record or otherwise remedied to Lender’s satisfaction within 45 days after Borrower has actual or constructive notice of the existence of such lien; and

(vii) the conveyance of the Mortgaged Property at a judicial or non-judicial foreclosure sale under this Instrument.

(c) Lender shall consent to a Transfer that would otherwise violate this Section 21 if, prior to the Transfer, Borrower has satisfied each of the following requirements:

(i) the submission to Lender of all information required by Lender to make the determination required by this Section 21(c);

(ii) the absence of any Event of Default;

(iii) the transferee meets all of the eligibility, credit, management and other standards (including any standards with respect to previous relationships between Lender and the transferee and the organization of the transferee) customarily applied by Lender at the time of the proposed Transfer to the approval of borrowers in connection with the origination or purchase of similar mortgage finance structures on similar multifamily properties, unless partially waived by Lender in exchange for such additional conditions as Lender may require;

(iv) the Mortgaged Property, at the time of the proposed Transfer, meets all standards as to its physical condition, that are customarily applied by Lender at the time of the proposed Transfer to the approval of properties in connection with the origination or purchase of similar mortgage finance structures on similar multifamily properties, unless partially waived by Lender in exchange for such additional conditions as Lender may require;

(v) if the transferor or any other person has obligations under any Loan Document, the execution by the transferee or one or more individuals or entities acceptable to Lender of an assumption agreement that is acceptable to Lender and that, among other things, requires the transferee to perform all obligations of transferor or such person set forth in the Loan Documents, and
may require that the transferee comply with any provisions of this Instrument or any other Loan Document which previously may have been waived by Lender;

(vi) if a guaranty has been executed and delivered by the transferor in connection with the Note, this Instrument or any of the other Loan Documents, Borrower causes one or more individuals or entities acceptable to Lender to execute and deliver to Lender a substitute guaranty in a form acceptable to Lender;

(vii) Lender’s receipt of all of the following:

(A) a non-refundable review fee in the amount of $3,000, and a transfer fee equal to one percent (1%) of the outstanding Indebtedness immediately prior to the Transfer; and

(B) Borrower’s reimbursement of all of Lender’s out-of-pocket costs (including, reasonable attorneys’ fees) incurred in reviewing the Transfer request, to the extent such expenses exceed $3,000; and

(viii) Borrower has agreed to Lender’s conditions to approve such Transfer, which may include, but are not limited to (A) providing additional collateral, guaranties, or other credit support to mitigate any risks concerning the proposed transferee or the performance or condition of the Mortgaged Property, and (B) amending the Loan Documents to (1) delete any specially negotiated terms or provisions previously granted for the exclusive benefit of transferor and (2) restore to original provisions of the standard Lender forms of multifamily loan documents, to the extent such provisions were previously modified.

(d) For purposes of this Section, the following terms shall have the meanings set forth below:

(i) A Transfer of a “Controlling Interest” shall mean:

(A) with respect to any entity, the following:

(1) if such entity is a general partnership or a joint venture, a Transfer of any general partnership interest or joint venture interest which would cause the Initial Owners to own less than a Controlling Percentage of all general partnership or joint venture interests in such entity;

(2) if such entity is a limited partnership, (A) a Transfer of any general partnership interest, or (B) a Transfer of any
partnership interests which would cause the Initial Owners to own less than a Controlling Percentage of all limited partnership interests in such entity;

(3) if such entity is a limited liability company or a limited liability partnership, (A) a Transfer of any membership or other ownership interest which would cause the Initial Owners to own less than a Controlling Percentage of all membership or other ownership interests in such entity, (B) a Transfer of any membership, or other interest of a manager, in such entity that results in a change of manager, or (C) a change of the non-member manager;

(4) if such entity is a corporation (other than a Publicly-Held Corporation) with only one class of voting stock, a Transfer of any voting stock which would cause the Initial Owners to own less than a Controlling Percentage of voting stock in such corporation;

(5) if such entity is a corporation (other than a Publicly-Held Corporation) with more than one class of voting stock, a Transfer of any voting stock which would cause the Initial Owners to own less than a sufficient number of shares of voting stock having the power to elect the majority of directors of such corporation; and

(6) if such entity is a trust (other than a Publicly-Held Trust), the removal, appointment or substitution of a trustee of such trust other than (A) in the case of a land trust, or (B) if the trustee of such trust after such removal, appointment, or substitution is a trustee identified in the trust agreement approved by Lender; and/or

(B) any agreement (including provisions contained in the organizational and/or governing documents of Borrower or Guarantor) or Transfer not specified in clause (A), the effect of which, either immediately or after the passage of time or occurrence of a specified event or condition, including the failure of a specified event or condition to occur or be satisfied, would (i) cause a change in or replacement of the Person that controls the management and operations of the Borrower or Guarantor or (ii) limit or otherwise modify the extent of such Person’s control over the management and operations of Borrower or Guarantor.

(ii) “Controlling Percentage” shall mean (i) greater than 50% of the ownership interests in an entity, or (ii) a percentage ownership interest in an entity of 50% or less if the owner(s) of that interest
actually direct(s) the business and affairs of the entity without
requirement of consent of any other party.

(iii) “Publicly-Held Corporation” shall mean a corporation the
outstanding voting stock of which is registered under Section 12(b)
or 12(g) of the Securities and Exchange Act of 1934, as amended.

(iv) “Publicly-Held Trust” shall mean a real estate investment trust
the outstanding voting shares or beneficial interests of which are
registered under Section 12(b) or 12(g) of the Securities Exchange
Act of 1934, as amended.

(e) Lender shall be provided with written notice of all Transfers under this
Section 21, whether or not such Transfers are permitted under Section 21(b) or approved
by Lender under Section 21(c), no later than 10 days prior to the date of the Transfer.

22. EVENTS OF DEFAULT. The occurrence of any one or more of the following
shall constitute an Event of Default under this Instrument:

(a) (i) any failure by Borrower to pay or deposit any payment of principal,
interest, principal reserve fund deposit, any payment with a specified due date, or any
other scheduled payment or deposit required by the Note, this Instrument or any other
Loan Document when such payment or deposit is due or (ii) any failure by Borrower to
pay or deposit any unscheduled payment or deposit, or other payment or deposit without
a specified due date, required by the Note, this Instrument or any other Loan Document,
within five (5) days after written notice from Lender;

(b) any failure by Borrower to maintain the insurance coverage required by
Section 19;

(c) any failure by Borrower to comply with the provisions of Section 32;

(d) fraud or material misrepresentation or material omission by Borrower or
Guarantor, any of their respective officers, directors, trustees, general partners, managing
members, managers, agents or representatives in connection with (i) the application for
the Loan, (ii) any financial statement, rent roll, or other report or information provided to
Lender during the term of the Indebtedness, or (iii) any request for Lender’s consent to
any proposed action, including a request for disbursement of funds under any Collateral
Agreement;

(e) any of Borrower’s representations and warranties in this Instrument is
false or misleading in any material respect;

(f) any Event of Default under Section 21;

(g) the commencement of a forfeiture action or proceeding, whether civil or
criminal, which, in Lender’s judgment, could result in a forfeiture of the Mortgaged
Property or otherwise materially impair the lien created by this Instrument or Lender’s interest in the Mortgaged Property;

(h) any failure by Borrower to perform or comply with any of its obligations under this Instrument (other than those specified in this Section 22), as and when required, which continues for a period of thirty (30) days after written notice of such failure by Lender to Borrower; provided, however, if such failure is susceptible of cure but cannot reasonably be cured within such thirty (30) day period, and the Borrower shall have commenced to cure such failure within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such failure, such additional period, not to exceed sixty (60) days. However, no such notice or grace period shall apply to the extent such failure could, in Lender’s judgment, absent immediate exercise by Lender of a right or remedy under this Instrument, result in harm to Lender, impairment of the Note or this Instrument or any other security given under any other Loan Document;

(i) any failure by Borrower or any Guarantor to perform any of its obligations as and when required under any Loan Document other than this Instrument which continues beyond the applicable notice and cure period, if any, specified in that Loan Document;

(j) any exercise by the holder of any debt instrument secured by a mortgage, deed of trust or deed to secure debt on the Mortgaged Property of a right to declare all amounts due under that debt instrument immediately due and payable;

(k) the occurrence of a Bankruptcy Event;

(l) any Event of Default (as defined in any of the Loan Documents), which continues beyond the expiration of any applicable cure period;

(m) any breach of, or event of default by Borrower under, any other document or agreement relating to the Loan or the provision of low income housing tax credits to the Mortgaged Property to which Borrower is a party, which continues beyond the expiration of any applicable notice and cure period thereunder;

(n) any failure by Borrower or the Project to qualify for low income housing tax credits pursuant to the provisions of Section 42 of the Internal Revenue Code;

(o) any failure by the Borrower to satisfy the Conditions to Conversion on or before the Outside Conversion Date (as such date may be extended in accordance with the Loan Agreement);

(p) any amendment, modification, waiver or termination of any of the provisions of Borrower’s Organizational Documents without the prior written consent of Lender, other than (i) modifications necessary to reflect the occurrence of a Permitted Transfer or (ii) modifications that do not: (A) impose any additional or greater
obligations on Borrower or any of the partners, managers or members of Borrower, (B) reduce or relieve Borrower or any of the partners, managers or members of Borrower of any of their obligations, (C) modify the timing, amounts, number, conditions or other terms of the installments or other payment obligations of the partners or members of Borrower or (D) impair the collateral for the Loan; provided, however, that Borrower shall promptly provide to Lender a copy of any modifications to Borrower’s Organizational Documents that do not require Lender’s consent;

(q) (i) any breach of any Material Property Agreement by Borrower or its officers, directors, employees, agents or tenants that continues beyond any applicable notice and cure period; (ii) any failure by Borrower or its officers, directors, employees or agents or any other party to deliver concurrently (in case of notices given) or promptly (in case of notices received) copies of any and all notices received or given thereby to Lender with respect to any Material Property Agreement; or (iii) any breach of the representations, warranties, or covenants set forth in Section 7.1.61 of the Loan Agreement;

(r) if Borrower or any Guarantor is a trust, the termination or revocation of any such trust; unless the trust is terminated as a result of the death of an individual trustor, in which event Lender must be notified and such Borrower or Guarantor must be replaced with an individual or entity acceptable to Lender, in accordance with the provisions of Section 21(c) hereof, within 90 days of such death (provided however that no property inspection shall be required and a 1% transfer fee will not be charged); or

(s) if any Guarantor is a natural person, the death of such individual; unless the Lender is notified and such individual is replaced with an individual or entity acceptable to Lender, in accordance with the provisions of Section 21(c) hereof, within 90 days of such death (provided however that no property inspection shall be required and a 1% transfer fee will not be charged).

23. REMEDIES CUMULATIVE. Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument or any other Loan Document or afforded by applicable law, and each shall be cumulative and may be exercised concurrently, independently, or successively, in any order.

24. FORBEARANCE.

(a) Lender may (but shall not be obligated to) agree with Borrower, from time to time, and without giving notice to, or obtaining the consent of, or having any effect upon the obligations of, any guarantor or other third party obligor, to take any of the following actions: extend the time for payment of all or any part of the Indebtedness; reduce the payments due under this Instrument, the Note, or any other Loan Document; release anyone liable for the payment of any amounts under this Instrument, the Note, or any other Loan Document; accept a renewal of the Note; modify the terms and time of payment of the Indebtedness; join in any extension or subordination agreement; release any Mortgaged Property; take or release other or additional security; modify the rate of interest or period of amortization of the Note or change the amount of the monthly
installments payable under the Note; and otherwise modify this Instrument, the Note, or any other Loan Document.

(b) Any forbearance by Lender in exercising any right or remedy under the Note, this Instrument, or any other Loan Document or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any other right or remedy, or the subsequent exercise of any right or remedy. The acceptance by Lender of payment of all or any part of the Indebtedness after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of Lender’s right to require prompt payment when due of all other payments on account of the Indebtedness or to exercise any remedies for any failure to make prompt payment. Enforcement by Lender of any security for the Indebtedness shall not constitute an election by Lender of remedies so as to preclude the exercise of any other right available to Lender. Lender’s receipt of any awards or proceeds under Sections 19 and 20 shall not operate to cure or waive any Event of Default.

25. WAIVER OF STATUTE OF LIMITATIONS. BORROWER HEREBY WAIVES THE RIGHT TO ASSERT ANY STATUTE OF LIMITATIONS AS A BAR TO THE ENFORCEMENT OF THE LIEN OF THIS INSTRUMENT OR TO ANY ACTION BROUGHT TO ENFORCE ANY LOAN DOCUMENT.

26. WAIVER OF MARSHALLING. Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Mortgaged Property shall be subjected to the remedies provided in this Instrument, the Note, any other Loan Document or applicable law. Lender shall have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies. Borrower and any party who now or in the future acquires a security interest in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

27. FURTHER ASSURANCES. Borrower shall execute, acknowledge, and deliver, at its sole cost and expense, all further acts, deeds, conveyances, assignments, estoppel certificates, financing statements or amendments, transfers and assurances as Lender may require from time to time in order to better assure, grant, and convey to Lender the rights intended to be granted, now or in the future, to Lender under this Instrument and the Loan Documents. In furtherance thereof, on the request of Lender, Borrower shall re-execute or ratify any of the Loan Documents or execute any other documents or take such other actions as may be necessary to effect the assignment, pledge or other transfer of the Loan to any party that may purchase, insure, credit enhance or otherwise finance all or any part of the Loan, including, without limitation, any Credit Enhancer (including Freddie Mac or Fannie Mae), the U.S. Department of Housing and Urban Development, or any insurance company, conduit lender or any other lender or investor. Notwithstanding the foregoing sentence, in no event shall Borrower be required to execute and deliver any document or perform any act otherwise required
pursuant to the foregoing sentence to the extent such document or act imposes a material additional obligation or liability on Borrower or materially adversely affects the rights of Borrower under any Loan Document.

28. **ESTOPPEL CERTIFICATE.** Within 10 days after a request from Lender, Borrower shall deliver to Lender a written statement, signed and acknowledged by Borrower, certifying to Lender or any person designated by Lender, as of the date of such statement, (i) that the Loan Documents are unmodified and in full force and effect (or, if there have been modifications, that the Loan Documents are in full force and effect as modified and setting forth such modifications); (ii) the unpaid principal balance of the Note; (iii) the date to which interest under the Note has been paid; (iv) that Borrower is not in default in paying the Indebtedness or in performing or observing any of the covenants or agreements contained in this Instrument or any of the other Loan Documents (or, if Borrower is in default, describing such default in reasonable detail); (v) whether or not there are then existing any setoffs or defenses known to Borrower against the enforcement of any right or remedy of Lender under the Loan Documents; and (vi) any additional facts requested by Lender.

29. **GOVERNING LAW; CONSENT TO JURISDICTION AND VENUE.**

(a) This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, shall be governed by the laws of the Property Jurisdiction.

(b) Borrower agrees that any controversy arising under or in relation to the Note, this Instrument, or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have jurisdiction over all controversies that shall arise under or in relation to the Note, any security for the Indebtedness, or any other Loan Document. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 29 is intended to limit Lender’s right to bring any suit, action or proceeding relating to matters arising under this Instrument in any court of any other jurisdiction.

30. **NOTICE.**

(a) All notices, demands and other communications (“notice”) under or concerning this Instrument shall be in writing and addressed as set forth below. Each notice shall be deemed given on the earliest to occur of (i) the date when the notice is received by the addressee; (ii) the first Business Day after the notice is delivered to a recognized overnight courier service, with arrangements made for payment of charges for next Business Day delivery; or (iii) the third Business Day after the notice is deposited in the United States mail with postage prepaid, certified mail, return receipt requested.

(b) Any party to this Instrument may change the address to which notices intended for it are to be directed by means of notice given to the other party in accordance with this Section 30. Each party agrees that it will not refuse or reject delivery of any notice given in accordance with this Section 30, that it will acknowledge, in writing, the receipt of any notice upon request by the other party and that any notice rejected or refused by it shall be deemed for purposes of this Section 30 to have been received by the rejecting party on the date so refused or rejected, as conclusively established by the records of the U.S. Postal Service or the courier service.

(c) Any notice under the Note and any other Loan Document that does not specify how notices are to be given shall be given in accordance with this Section 30.

31. **CHANGE IN SERVICER.** If there is a change of the Servicer, Borrower will be given notice of the change.

32. **SINGLE ASSET BORROWER.** Until the Indebtedness is paid in full, Borrower (a) shall not acquire any real or personal property other than the Mortgaged Property and personal property related to the operation and maintenance of the Mortgaged Property; (b) shall not operate any business other than the management and operation of the Mortgaged Property; and (c) shall not maintain its assets in a way difficult to segregate and identify.

33. **SUCCESSORS AND ASSIGNS BOUND.** This Instrument shall bind, and the rights granted by this Instrument shall inure to, the successors and assigns of Lender and the permitted successors and assigns of Borrower.

34. **JOINT AND SEVERAL LIABILITY.** If more than one person or entity signs this Instrument as Borrower, the obligations of such persons and entities shall be joint and several.

35. **RELATIONSHIP OF PARTIES; NO THIRD PARTY BENEFICIARY.**
(a) The relationship between Lender and Borrower shall be solely that of creditor and debtor, respectively, and nothing contained in this Instrument shall create any other relationship between Lender and Borrower.

(b) No creditor of any party to this Instrument and no other person (other than a holder of the Note and Servicer) shall be a third party beneficiary of this Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement (a “Servicing Arrangement”) between Lender and any Servicer for loss sharing or interim advancement of funds shall constitute a contractual obligation of such Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower shall not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

36. SEVERABILITY; AMENDMENTS. The invalidity or unenforceability of any provision of this Instrument shall not affect the validity or enforceability of any other provision, and all other provisions shall remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument. This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought; provided, however, that in the event of a Transfer, any or some or all of the Modifications to Instrument set forth in Exhibit B (if any) may be modified or rendered void by Lender at Lender’s option by notice to Borrower or such transferee.

37. CONSTRUCTION. The captions and headings of the sections of this Instrument are for convenience only and shall be disregarded in construing this Instrument. Any reference in this Instrument to an “Exhibit” or a “Section” shall, unless otherwise explicitly provided, be construed as referring, respectively, to an Exhibit attached to this Instrument or to a Section of this Instrument. All Exhibits attached to or referred to in this Instrument are incorporated by reference into this Instrument. Any reference in this Instrument to a statute or regulation shall be construed as referring to that statute or regulation as amended from time to time. Use of the singular in this Instrument includes the plural and use of the plural includes the singular. As used in this Instrument, the term “including” means “including, but not limited to.”

38. SERVICER.

(a) Borrower further acknowledges that Lender may from time to time and in accordance with the terms of the Loan Agreement, appoint a Servicer or a replacement servicer to collect payments, escrows and deposits, to give and receive notices under the Note, this Instrument, or the other Loan Documents, and to otherwise service the Loan. Borrower hereby acknowledges and agrees that, unless Borrower receives written notice from Lender to the contrary, any action or right which shall or may be taken or exercised by Lender may be taken or exercised by Servicer with the same force and effect, including, without limitation, the collection of payments, the giving of notice, the holding of escrows, inspection of the Mortgaged Property, inspections of books and records, the request for documents or information, and the granting of consents and approvals. Borrower further agrees that, unless Lender instructs Borrower to the contrary in writing,
(i) any notices, books or records, or other documents or information to be delivered under this Instrument, the Note, or any other Loan Document shall also be simultaneously delivered to the Servicer at the address provided for notices to Servicer pursuant to Section 30 hereof, and (ii) any payments to be made under the Note or for escrows under Section 7 of this Instrument or under any of the other Loan Documents shall be made to Servicer. In the event Borrower receives conflicting notices regarding the identity of the Servicer or any other subject, any such notice from Lender shall govern.

(b) Borrower further acknowledges and agrees that, for the purpose of determining whether a security interest is created or perfected under the Uniform Commercial Code of the Property Jurisdiction, any escrows or other funds held by Servicer pursuant to the Loan Documents shall be deemed to be held by Lender.

39. **DISCLOSURE OF INFORMATION.** Lender may furnish information regarding Borrower or the Mortgaged Property to third parties with an existing or prospective interest in the servicing, enforcement, evaluation, performance, purchase or securitization of the Indebtedness, including but not limited to trustees, master servicers, special servicers, rating agencies, and organizations maintaining databases on the underwriting and performance of multifamily mortgage loans. Without limiting the generality of the foregoing, without notice to or the consent of Borrower, Lender may disclose to any title insurance company which insures any interest of Lender under this Instrument (whether as primary insurer, coinsurer or reinsurer) any information, data or material in its possession relating to Borrower, the Loan, the Improvements or the Mortgaged Property. Borrower irrevocably waives any and all rights it may have under applicable law to prohibit such disclosure, including but not limited to any right of privacy.

40. **NO CHANGE IN FACTS OR CIRCUMSTANCES.** Borrower warrants that all information in Borrower’s application for the Loan and in all financial statements, rent rolls, reports, certificates and other documents submitted in connection with Borrower’s application for the Loan are complete and accurate in all material respects. There has been no material adverse change in any fact or circumstance that would make any such information incomplete or inaccurate.

41. **SUBROGATION.** If, and to the extent that, the proceeds of the Loan are used to pay, satisfy or discharge any obligation of Borrower for the payment of money that is secured by a pre-existing mortgage, deed of trust or other lien encumbering the Mortgaged Property (a “Prior Lien”), such loan proceeds shall be deemed to have been advanced by Lender at Borrower’s request, and Lender shall automatically, and without further action on its part, be subrogated to the rights, including lien priority, of the owner or holder of the obligation secured by the Prior Lien, whether or not the Prior Lien is released.

42. **FINANCING STATEMENT.** As provided in Section 2, this Instrument constitutes a financing statement with respect to any part of the Mortgaged Property which is or may become a Fixture and for the purposes of such financing statement: (a) the Debtor shall be Borrower and the Secured Party shall be Lender; (b) the addresses of Borrower as Debtor and of Lender as Secured Party are as specified above in the first paragraph of this Instrument; (c) the name of the record owner is Borrower; (d) the types or items of collateral consist of any part of
the Mortgaged Property which is or may become a Fixture; and (e) the organizational identification number of Borrower (if any) as Debtor is set forth on Exhibit C.

43. STATE SPECIFIC PROVISIONS (TEXAS).

(a) Acceleration; Remedies.

(i) Except as otherwise expressly provided in the Loan Documents, at any time during the existence of an Event of Default, Lender, at Lender’s option, may declare the Indebtedness to be immediately due and payable without further demand, notice of intent to accelerate, notice of acceleration, or any other notice of or any other action, all of which are hereby waived by Borrower and all other parties obligated in any manner whatsoever on the Indebtedness, and upon such declaration, the entire unpaid balance of the Indebtedness shall be immediately due and payable. Lender may invoke the power of sale and any other remedies permitted by Texas law or provided in this Instrument, the Loan Agreement or in any other Loan Document. Borrower acknowledges that the power of sale granted in this Instrument may be exercised by Lender without prior judicial hearing. Lender will be entitled to collect all costs and expenses incurred in pursuing such remedies, including Attorneys’ Fees and Costs, costs of documentary evidence, abstracts and title reports.

(ii) If Lender invokes the power of sale, Lender may, by and through the Trustee, or otherwise, sell or offer for sale the Mortgaged Property in such portions, order and parcels as Lender may determine, with or without having first taken possession of the Mortgaged Property, to the highest bidder for cash at public auction. Such sale will be made at the county courthouse in which all or any part of the Land to be sold is situated or at such other place as designated by the commissioner’s court of said county and recorded on the real property records of such county (whether the parts or parcel, if any, situated in different counties are contiguous or not, and without the necessity of having any Personalty present at such sale) on the first Tuesday of any month between the hours of 10:00 a.m. and 4:00 p.m., after advertising the time, place and terms of sale and that portion of the Mortgaged Property to be sold by posting or causing to be posted written or printed notice of sale at least 21 days before the date of the sale at the courthouse door of the county in which the sale is to be made and at the courthouse door of any other county in which a portion of the Land may be situated, and by filing such notice with the County Clerk(s) of the county(s) in which all or a portion of the Land may be situated, which notice may be posted and filed by the Trustee acting, or by any person acting for the Trustee, and Lender has, at least 21 days
before the date of the sale, served written or printed notice of the proposed sale by certified mail on each debtor obligated to pay the Indebtedness according to Lender’s records by the deposit of such notice, enclosed in a postpaid wrapper, properly addressed to such debtor at debtor’s most recent address as shown by Lender’s records, in a post office or official depository under the care and custody of the United States Postal Service. The affidavit of any person having knowledge of the facts to the effect that such service was completed will be prima facie evidence of the fact of service.

(iii) Trustee will deliver to the purchaser at the sale, within a reasonable time after the sale, a deed conveying the Mortgaged Property so sold in fee simple with covenants of general warranty. Borrower covenants and agrees to defend generally the purchaser’s title to the Mortgaged Property against all claims and demands. The recitals in Trustee’s deed will be prima facie evidence of the truth of the statements contained in those recitals. Trustee will apply the proceeds of the sale in the following order: (i) to all reasonable costs and expenses of the sale, including reasonable Trustee’s fees not to exceed 5% of the gross sales price, Attorneys’ Fees and Costs and costs of title evidence; (ii) to the Indebtedness in such order as Lender, in Lender’s discretion, directs; and (iii) the excess, if any, to the person or persons legally entitled to the excess.

(iv) If all or any part of the Mortgaged Property is sold pursuant to this Section, Borrower will be divested of any and all interest and claim to the Mortgaged Property, including any interest or claim to all insurance policies, utility deposits, bonds, loan commitments and other intangible property included as a part of the Mortgaged Property. Additionally, after a sale of all or any part of the Land, Improvements, Fixtures and Personality, Borrower will be considered a tenant at sufferance of the purchaser of the same, and the purchaser will be entitled to immediate possession of such property. If Borrower will fail to vacate the Mortgaged Property immediately, the purchaser may and will have the right, without further notice to Borrower, to go into any justice court in any precinct or county in which the Mortgaged Property is located and file an action in forcible entry and detainer, which action will lie against Borrower or its assigns or legal representatives, as a tenant at sufferance. This remedy is cumulative of any and all remedies the purchaser may have under this Instrument or otherwise.

(v) In the event an interest in any of the Mortgaged Property is foreclosed upon pursuant to a judicial or nonjudicial foreclosure sale prior to the Conversion Date, Borrower agrees as follows:
notwithstanding the provisions of Sections 51.003, 51.004, and 51.005 of the Texas Property Code (as the same may be amended from time to time), and to the extent permitted by law, Borrower agrees that Lender will be entitled to seek a deficiency judgment from Borrower and any other party obligated on the Note equal to the difference between the amount owing on the Note and the amount for which the Mortgaged Property was sold pursuant to judicial or nonjudicial foreclosure sale. Borrower expressly recognizes that this Section constitutes a waiver of the above-cited provisions of the Texas Property Code which would otherwise permit Borrower and other persons against whom a recovery of deficiencies is sought or Guarantor independently (even absent the initiation of deficiency proceedings against them) to present competent evidence of the fair market value of the Mortgaged Property as of the date of the foreclosure sale and offset against any deficiency the amount by which the foreclosure sale price is determined to be less than such fair market value. Borrower further recognizes and agrees that this waiver creates an irrebuttable presumption that the foreclosure sale price is equal to the fair market value of the Mortgaged Property for purposes of calculating deficiencies owed by Borrower, Guarantor, and others against whom recovery of a deficiency is sought. Alternatively, in the event the waiver provided for in this Section is determined by a court of competent jurisdiction to be unenforceable, in any action for a deficiency after a foreclosure under this Instrument, if any person against whom recovery is sought requests the court in which the action is pending to determine the fair market value of the Mortgaged Property, as of the date of the foreclosure sale, the following will be the basis of the court’s determination of fair market value:

(A) The Mortgaged Property will be valued “as is” and in its condition as of the date of foreclosure, and no assumption of increased value because of post-foreclosure repairs, refurbishment, restorations or improvements will be made.

(B) Any adverse effect on the marketability of title because of the foreclosure or because of any other title condition not existing as of the date of this Instrument will be considered.

(C) The valuation of the Mortgaged Property will be based upon an assumption that the foreclosure purchaser desires a prompt resale of the Mortgaged Property for cash within a 6 month-period after foreclosure.

(D) Although the Mortgaged Property may be disposed of more quickly by the foreclosure purchaser, the gross valuation of
the Mortgaged Property as of the date of foreclosure will be discounted for a hypothetical reasonable holding period (not to exceed 6 months) at a monthly rate equal to the average monthly interest rate on the Note for the 12 months before the date of foreclosure.

(E) The gross valuation of the Mortgaged Property as of the date of foreclosure will be further discounted and reduced by reasonable estimated costs of disposition, including brokerage commissions, title policy premiums, environmental assessment and clean-up costs, tax and assessment, prorations, costs to comply with legal requirements and Attorneys’ Fees and Costs.

(F) Expert opinion testimony will be considered only from a licensed appraiser certified by the State of Texas and, to the extent permitted under Texas law, a member of the Appraisal Institute, having at least 5 years’ experience in appraising property similar to the Mortgaged Property in the county where the Mortgaged Property is located, and who has conducted and prepared a complete written appraisal of the Mortgaged Property taking into considerations the factors set forth in this Instrument; no expert opinion testimony will be considered without such written appraisal.

(G) Evidence of comparable sales will be considered only if also included in the expert opinion testimony and written appraisal referred to in subsection (F), above.

(H) An affidavit executed by Lender to the effect that the foreclosure bid accepted by Trustee was equal to or greater than the value of the Mortgaged Property determined by Lender based upon the factors and methods set forth in subsections (A) through (G) above before the foreclosure will constitute prima facie evidence that the foreclosure bid was equal to or greater than the fair market value of the Mortgaged Property on the foreclosure date.

(vi) Lender may, at Lender’s option, comply with these provisions in the manner permitted or required by Title 5, Section 51.002 of the Texas Property Code (relating to the sale of real estate) or by Chapter 9 of the Texas Business and Commerce Code (relating to the sale of collateral after default by a debtor), as those titles and chapters now exist or may be amended or succeeded in the future, or by any other present or future articles or enactments relating to same subject. Unless expressly excluded, the Mortgaged Property
will include Rents collected before a foreclosure sale, but attributable to the period following the foreclosure sale, and Borrower will pay such Rents to the purchaser at such sale.

(vii) At any such sale, all of the following will be true:

(A) Whether made under the power contained in this Instrument, Section 51.002 of the Texas Property Code, Chapter 9 of the Texas Business and Commerce Code, any other legal requirement or by virtue of any judicial proceedings or any other legal right, remedy or recourse, it will not be necessary for Trustee to have physically present, or to have constructive possession of, the Mortgaged Property. Borrower will deliver to Trustee any portion of the Mortgaged Property not actually or constructively possessed by Trustee immediately upon demand by Trustee and the title to and right of possession of any such property will pass to the purchaser as completely as if the property had been actually present and delivered to the purchaser at the sale.

(B) Each instrument of conveyance executed by Trustee will contain a general warranty of title, binding upon Borrower.

(C) The recitals contained in any instrument of conveyance made by Trustee will conclusively establish the truth and accuracy of the matters recited in the Instrument, including nonpayment of the Indebtedness and the advertisement and conduct of the sale in the manner provided in this Instrument and otherwise by law and the appointment of any successor Trustee.

(D) All prerequisites to the validity of the sale will be conclusively presumed to have been satisfied.

(E) The receipt of Trustee or of such other party or officer making the sale will be sufficient to discharge to the purchaser or purchasers for such purchaser(s)’ purchase money, and no such purchaser or purchasers, or such purchaser(s)’ assigns or personal representatives, will thereafter be obligated to see to the application of such purchase money or be in any way answerable for any loss, misapplication or nonapplication of such purchase money.

(F) To the fullest extent permitted by law, Borrower will be completely and irrevocably divested of all of Borrower’s right, title, interest, claim and demand whatsoever, either at
law or in equity, in and to the property sold, and such sale will be a perpetual bar to any claim to all or any part of the property sold, both at law and in equity, against Borrower and against any person claiming by, through or under Borrower.

(G) To the extent and under such circumstances as are permitted by law, Lender may be a purchaser at any such sale.

(b) Release. Upon payment of the Indebtedness, Lender will release this Instrument. Borrower will pay Lender’s reasonable costs incurred in releasing this Instrument.

(c) Trustee.

(i) Trustee may resign by giving of notice of such resignation in writing to Lender. If Trustee will die, resign or become disqualified from acting under this Instrument or will fail or refuse to act in accordance with this Instrument when requested by Lender or if for any reason and without cause Lender will prefer to appoint a substitute trustee to act instead of the original Trustee named in this Instrument or any prior successor or substitute trustee, Lender will have full power to appoint a substitute trustee and, if preferred, several substitute trustees in succession who will succeed to all the estate, rights, powers and duties of the original Trustee named in this Instrument. Such appointment may be executed by an authorized officer, agent or attorney-in-fact of Lender (whether acting pursuant to a power of attorney or otherwise), and such appointment will be conclusively presumed to be executed with authority and will be valid and sufficient without proof of any action by Lender.

(ii) Any successor Trustee appointed pursuant to this Section will, without any further act, deed or conveyance, become vested with all the estates, properties, rights, powers and trusts of the predecessor Trustee with like effect as if originally named as Trustee in this Instrument; but, nevertheless, upon the written request of Lender or such successor Trustee, the Trustee ceasing to act will execute and deliver an instrument transferring to such successor Trustee, all the estates, properties, rights, powers and trusts of the Trustee so ceasing to act, and will duly assign, transfer and deliver any of the property and monies held by the Trustee ceasing to act to the successor Trustee.

(iii) Trustee may authorize one or more parties to act on Trustee’s behalf to perform the ministerial functions required of Trustee
under this Instrument, including the transmittal and posting of any notices.

(d) Vendor’s Lien. To the extent a vendor’s lien is retained in that certain deed conveying the Mortgaged Property to Borrower, such vendor’s lien has been assigned to Lender, the Note is primarily secured by said vendor’s lien, and this Instrument is additional security therefor.

(e) No Fiduciary Duty. Lender owes no fiduciary or other special duty to Borrower.

(f) Fixture Filing. This Instrument is also a fixture filing under the Uniform Commercial Code of Texas.

(g) Additional Provisions Regarding Assignment of Rents. Section 3 will not be construed to require a pro tanto or other reduction of the Indebtedness resulting from the assignment of Rents. If the provisions of Section 3 and the preceding sentence cause the assignment of Rents in Section 3 to be deemed to be an assignment for additional security only, Lender will be entitled to all rights, benefits and remedies attendant to such collateral assignment. The assignment of Rents contained in Section 3 will terminate upon the release of this Instrument.

(h) Loan Charges. Borrower and Lender intend at all times to comply with the laws of the State of Texas governing the maximum rate or amount of interest payable on or in connection with the Indebtedness, including Chapter 1204 of the Texas Government Code (or applicable United States federal law to the extent that it permits Lender to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law). If the applicable law is ever judicially interpreted so as to render usurious any amount payable under the Note, this Instrument or any other Loan Document, or contracted for, charged, taken, reserved or received with respect to the Indebtedness, or if acceleration of the maturity of the Indebtedness, or if any prepayment by Borrower results in Borrower having paid any interest in excess of that permitted by any applicable law, then Borrower and Lender expressly intend that all excess amounts collected by Lender will be applied to reduce the unpaid principal balance of the Indebtedness (or, if the Indebtedness has been or would thereby be paid in full, will be refunded to Borrower), and the provisions of the Note, this Instrument and the other Loan Documents immediately will be deemed reformed and the amounts thereafter collectible under the Loan Documents reduced, without the necessity of the execution of any new documents, so as to comply with any applicable law, but so as to permit the recovery of the fullest amount otherwise payable under the Loan Documents. The right to accelerate the maturity of the Indebtedness does not include the right to accelerate any interest which has not otherwise accrued on the date of such acceleration, and Lender does not intend to collect any unearned interest in the event of acceleration. All sums paid or agreed to be paid to Lender for the use, forbearance or detention of the Indebtedness will, to the extent permitted by any applicable law, be amortized, prorated, allocated and spread throughout the full term of the Indebtedness until payment in full so that the rate or amount of interest on account of the Indebtedness does not exceed the applicable usury ceiling.
Notwithstanding any provision contained in the Note, this Instrument or any other Loan Document that permits the compounding of interest, including any provision by which any accrued interest is added to the principal amount of the Indebtedness, the total amount of interest that Borrower is obligated to pay and Lender is entitled to receive with respect to the Indebtedness will not exceed the amount calculated on a simple (i.e., noncompounded) interest basis at the maximum rate on principal amounts actually advanced to or for the account of Borrower, including all current and prior advances and any advances made pursuant to the Instrument or any other Loan Document (such as for the payment of Impositions and similar expenses or costs).

(i) ENTIRE AGREEMENT. THIS INSTRUMENT, THE NOTE AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

(j) Notice of Additional Provisions Regarding Insurance. Any terms to the contrary contained in this Instrument notwithstanding, the following requirements are hereby imposed pursuant to Section 307.052 of the Texas Finance Code:

(i) BORROWER IS REQUIRED TO: (i) KEEP THE MORTGAGED PROPERTY INSURED AGAINST DAMAGE IN AN AMOUNT EQUAL TO THE INDEBTEDNESS, (ii) PURCHASE THE INSURANCE FROM AN INSURER THAT IS AUTHORIZED TO DO BUSINESS IN THE STATE OF TEXAS OR AN ELIGIBLE SURPLUS LINES INSURER, AND (iii) NAME THE LENDER AS THE PERSON TO BE PAID UNDER THE POLICY IN THE EVENT OF LOSS.

(ii) IF BORROWER FAILS TO COMPLY WITH SUBSECTION (a) ABOVE, LENDER MAY, BUT WILL NOT BE OBLIGATED TO, OBTAIN COLLATERAL PROTECTION INSURANCE ON BEHALF OF BORROWER AT BORROWER’S EXPENSE.

44. WAIVER OF TRIAL BY JURY. TO THE FULLEST EXTENT PERMITTED BY LAW, BORROWER AND LENDER EACH (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

1. Section 21(a) of the Instrument is amended by adding the following at the end of such Section:

“(xii) notwithstanding anything to the contrary herein or in Borrower’s Organizational Documents, a Transfer or pledge of a general partnership interest in Borrower or an interest in any general partner of Borrower to a 501(c)(3) nonprofit corporation, or a limited liability company whose sole member is a 501(c)(3) nonprofit corporation, without the prior written consent of Lender following full review and underwriting by Lender of the proposed transferee.”

2. Section 21(b) of the Instrument is amended by adding the following at the end of such Section:

“(viii) Provided that (i) Borrower owns the Mortgaged Property and remains the borrower under the Note, (ii) O-SDA Kaia, LLC (“Managing Member”) is a managing member in Borrower and (iii) Boston Capital Corporate Tax Credit Fund XLIV, A Limited Partnership, a Massachusetts limited partnership, or its permitted transferee (the “Equity Investor”), has not less than a 99% limited partnership interest in Borrower:

(A) the removal by Equity Investor of Managing Member or Saigebrook Kaia, LLC as a managing member or an administrative member of Borrower and their respective replacement as a managing member or an administrative member by Boston Capital Partners, Inc. (“Equity Investor Sponsor”), or by a wholly-owned affiliate of Equity Investor Sponsor, which removal shall be in accordance with the terms of the operating agreement of Borrower, provided that (i) the entity replacing such removed managing member or administrative member must be a single purpose entity, (ii) after such replacement, Equity Investor Sponsor or the Initial Owners of Equity Investor Sponsor must own directly or indirectly not less than a Controlling Percentage of the general partnership or managing membership interests, as applicable, in the entity which replaced such removed managing member or administrative member and (iii) each Guarantor shall be replaced as Guarantor by an individual or entity that is approved by Lender and satisfies Lender’s mortgage credit standards for guarantors; or

(B) (i) a Transfer of limited partnership interests of Equity Investor in Borrower to (A) a wholly-owned affiliate of Equity Investor or a wholly-owned affiliate of Equity Investor Sponsor, or (B) an entity whose management is controlled by Equity Investor, by a wholly-

(ix) A withdrawal of Rdevkaia, LLC from the Borrower upon or after the Conversion Date without the payment of any review fee or transfer fee.

3. Section 30(a) of the Instrument is amended to add the following at the end of such Paragraph:

“Lender agrees that, so long as Equity Investor has a continuing ownership interest in Borrower, effective notice to Borrower under the Loan Documents shall require delivery of a copy of such notice to Equity Investor. Such notice shall be given in the manner provided in this Section 30(a), at Equity Investor’s address set forth below:

Boston Capital Corporate Tax Credit Fund XLIV, A Limited Partnership
One Boston Place, 21st Floor

with a copy to:

Holland & Knight LLP

Lender agrees that, notwithstanding its rights to invoke the remedies permitted by Section 43 of this Instrument, upon the breach of any covenant or agreement by Borrower in this Instrument (including, but not limited to, the covenants to pay when due sums secured by this Instrument) or any other Loan Document, Lender shall not, so long as Equity Investor has a continuing ownership interest in Borrower, conduct a foreclosure sale of the Mortgaged Property or receive a deed-in-lieu of foreclosure, until such time as Equity Investor has first been given 30 days written notice of such default and has failed, within such 30-day period to cure such default; provided, however, that Lender shall be entitled, during such 30-day period, to continue to accelerate the Note and to pursue its remedies. Any cure tendered by Equity Investor will be accepted or rejected on the same basis as cures tendered by Borrower.”

4. The following new Sections are added to the Instrument after the last numbered Section:

“46. **RECOUSE LIABILITY.** After the Conversion Date, so long as Equity Investor has a continuing ownership interest in Borrower, the provisions of Section 9 of the Kea Pointe Apartments
Note, as they relate to Events of Default described in Section 9(e) of the Note, shall be operative only after Equity Investor has been given thirty (30) days’ notice of the applicable Event(s) of Default described in Section 9(e) of the Note, together with an opportunity within such thirty (30) day period to remedy the applicable Event(s) of Default. In all events, Lender shall be entitled during such thirty (30) day period to exercise all of its rights and remedies under this Instrument upon the occurrence of such Event of Default other than foreclosure of the Mortgaged Property.

47. **EXTENDED LOW-INCOME HOUSING COMMITMENT.** Lender agrees that the lien of this Instrument shall be subordinate to any extended low-income housing commitment (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code) (the “Extended Use Agreement”) recorded against the Mortgaged Property; provided that such Extended Use Agreement, by its terms, must terminate upon foreclosure under this Instrument or upon a transfer of the Mortgaged Property by instrument in lieu of foreclosure, in accordance with Section 42(h)(6)(E) of the Internal Revenue Code.

48. **ANNUAL LIHTC REPORTING REQUIREMENTS.** Borrower must submit to Lender each year at the time of annual submission of Borrower’s financial analysis of operations, a copy of the following sections of Borrower’s federal tax return: Internal Revenue Forms 1065, 8586, 8609 and Form 8609, Schedule A, which must reflect the total low-income housing tax credits (“LIHTCs”) allocated to the Mortgaged Property and the LIHTCs claimed for the Mortgaged Property in the preceding year.

49. **CROSS-DEFAULT.** Borrower acknowledges and agrees that (a) any failure by Borrower or the Project to qualify for low income housing tax credits pursuant to the provisions of Section 42 of the Internal Revenue Code and (b) any default, event of default, or breach (however such terms may be defined) after the expiration of any applicable notice and/or cure periods under the Extended Use Agreement shall be an Event of Default under this Instrument and that any costs, damages or other amounts, including reasonable attorney’s fees incurred by Lender as a result of such an Event of Default by Borrower, including amounts paid to cure any default or event of default, under the Extended Use Agreement shall be an obligation of Borrower and become a part of the Indebtedness secured by this Instrument.

50. **ANNUAL COMPLIANCE.** Borrower shall submit to Lender on an annual basis, evidence that the Mortgaged Property is in ongoing compliance with all income, occupancy and rent restrictions under the Extended Use Agreement relating to the Mortgaged Property. Such submissions shall be made contemporaneously with Borrower’s reports required to be made to the regulator under the Extended Use Agreement.

51. **VARIABLE RATE NOTE.** The Multifamily Construction Note is subject to interest rate adjustment from time to time in accordance with its terms, which terms are incorporated herein by this reference.

All capitalized terms used in this Exhibit not specifically defined herein shall have the meanings set forth in the text of the Instrument that precedes this Exhibit.

Re: 811 Units – Kaia Pointe

Dear Barry:

Per the 2019 TDHCA Qualified Allocation Plan, we are hereby submitting a request for your consideration to add an additional ten 811 program units at Kaia Pointe, in Georgetown, Texas.

Under the Deed of Trust for Kaia Pointe, the Borrower has an obligation to not allow any liens or encumbrances other than the Permitted Encumbrances. The addition of 811 units would require a new Extended Use Agreement be recorded and as such, this requires the lender’s consent. Kaia Pointe already has ten 811 units as was contemplated during underwriting. An additional ten units would result in 20% of the property being 811 tenants.

A written response is required by TDHCA for submission in our 2019 applications. If you have any questions about this request, you may reach me at 352-213-8700.

Sincerely,

Lisa M. Stephens

Re: Kaia Pointe 811 units

Dear Lisa,

Regarding your inquiry about additional 811 units over and above the current 10 units committed, Citi would not be supportive of adding the additional units given that the current 10 units have yet to be filled despite considerable efforts by the management company and we have time sensitivities to get to stabilization and conversion.

We have a strong commitment to affordable housing in Texas and are always willing to consider additional community benefits that our clients and TDHCA may approach us with. Unfortunately, this project has a very tight time frame to get to conversion and lease-up needs to continue at a rapid pace to meet that timeline.

Please do not hesitate to contact me with any questions or concern.

Sincerely yours,

(i) If upon the issuance of Forms 8609 by the Agency for any or all of the buildings comprising the Apartment Complex, or if upon delivery of the Cost Certification, the Investor Member (in its reasonable discretion) or the Accountants determine that there is a Housing Tax Credit Shortfall for the Credit Period because the Actual Housing Tax Credits available to the Investor Member pursuant to Section 42(a) of the Code are less than the Projected Housing Tax Credits (or, if applicable, the Revised Projected Housing Tax Credits for such year), the Investor Member’s Capital Contribution shall be reduced by a Housing Tax Credit Shortfall Payment equal to the Housing Tax Credit Shortfall multiplied by the Housing Tax Credit Price. If upon such issuance of Forms 8609 by the Agency, the Investor Member (in its reasonable discretion) or the Accountants determine that the Actual Housing Tax Credits available to the Investor Member pursuant to Section 42(a) of the Code are greater than the Projected Housing Tax Credits (or, if applicable, the Revised Projected Housing Tax Credits for such year), giving rise to a “Housing Tax Credit Excess,” then the Investor Member’s Capital Contribution shall be increased by an amount equal to the Housing Tax Credit Price multiplied by the Housing Tax Credit Excess; provided, however, that any such increase shall be subject to the limitation set forth in Section 4.2(d)(vi) hereof.

(ii) In the event that there is a Housing Tax Credit Shortfall because the Actual Housing Tax Credits for any of 2019 or 2020 (determined separately for each year) are less than the Projected Housing Tax Credits for such year (or, if applicable, the Revised Projected Housing Tax Credits for such year) solely by reason that the Applicable Fraction for such year with respect to any buildings in the Apartment Complex was, by reason of the application of Section 42(f)(2) of the Code, lower than the Applicable Fraction projected in the Projected Housing Tax Credits (or Revised Projected Housing Tax Credits, if applicable) (each, a “Shortfall Year”), as determined by the Investor Member, upon receipt of final Company tax returns for the subject year or in advance of receipt of such final Company tax returns, estimated on a monthly basis by the Investor Member, the Service or the Accountants, the Investor Member’s Capital Contribution shall be reduced by a Housing Tax Credit Shortfall Payment in an aggregate amount equal to the product of (x) Projected Housing Tax Credits (or if applicable, Revised Projected Housing Tax Credits) less Actual Housing Tax Credits delivered to the Investor Member for such Shortfall Year (determined separately for each year) and (y) $0.60.
Notwithstanding the foregoing, if any building in the Apartment Complex does not achieve Initial 100% Occupancy by the end of the first year of the Credit Period for such building and, as a result, any portion of the Housing Tax Credits with respect to such building will be available over 15 years, then the reduction to the Investor Member’s Capital Contribution shall be the sum of (1) the amount determined under the first sentence of this Section 4.2(d)(ii), plus (2) the amount, if any, that the Projected Housing Tax Credits (or, if applicable, the Revised Projected Housing Tax Credits) for years 2019 (year 1) through 2029 (year 11) exceed the Housing Tax Credits (or, if applicable, the Revised Projected Housing Tax Credits) projected to be available in years 2019 (year 1) through 2029 (year 11), as calculated by the Investor Member at the end of the first year of the Credit Period.

(iii) If at any time the Investor Member (in its reasonable discretion) or the Accountants determine that, for any Fiscal Year or portion thereof during the Company’s operation, by reason of any event other than an event described in Sections 4.2(d)(i) and/or 4.2(d)(ii) hereof (but not including a Tax Law Change or a transfer by the Investor Member of its Interests), there is (a) a Housing Tax Credit Shortfall because the Actual Housing Tax Credits for such Fiscal Year or portion thereof are less than the Projected Housing Tax Credits, or the Revised Projected Housing Tax Credits, if applicable, for such Fiscal Year or portion thereof, including, without limitation, the Apartment Complex not being Placed in Service by the end of the second calendar year after the year in which the Housing Tax Credits were allocated or the failure of the Company to operate the Apartment Complex so as to have 100% of the Housing Tax Credit Units therein eligible for the Housing Tax Credits, (b) a Housing Tax Credit Disallowance Event, or (c) a failure of the Company to allocate 99.99% of the Housing Tax Credits shown on the IRS Forms 8609 for each building comprising the Apartment Complex to the Investor Member over the Credit Period, the Investor Member’s Capital Contribution shall be reduced by a Housing Tax Credit Shortfall Payment equal to the Housing Tax Credit Shortfall and further reduced by all additions to the tax of the Investor Member, and all penalties and interest assessed (including, without limitation, the “recapture amount” provided for in Section 42(j)(2) of the Code) against the Investor Member or any of its constituent partners as a result of the event giving rise to the Housing Tax Credit Shortfall.

(iv) Whenever in this Section 4.2(d) it is provided that the Investor Member’s Capital Contribution shall be reduced, each remaining installment of the Investor Member’s Capital Contribution then outstanding shall be reduced first, if such deferral is permitted pursuant to Section 8.1(b), for scheduled payments of Development Fees, which shall become Deferred Development Fees and second, pro rata so that the aggregate contributions, when made, will total the new reduced amount of the Investor Member’s Capital Contribution. If the outstanding balance of the Investor Member’s Capital Contribution has been reduced to zero by reason of the aforesaid adjustments to the Investor Member’s Capital Contribution and/or payments previously made thereon or offsets applied thereto, then either (1) the Managing Member shall within fifteen (15) days make a Capital Contribution to the Company in the amount owed to the Investor Member (including, without limitation, interest thereon at 12% per annum from the date that the Investor Member’s Capital Contribution(s) were made), from its own funds, and shall cause the Company immediately to distribute such amount to the Investor Member, or (2) if tax counsel to the Investor Member determines that such a Capital Contribution and distribution would cause Company profits, losses, and credits to be allocated other than in accordance with the Percentage Interests of the Members, the Managing Member
shall pay the amount owed to the Investor Member (including, without limitation, any interest thereon at 12% per annum from the date that the Investor Member’s Capital Contribution(s) were made) plus any amount needed to cause the net amount of the payment received by the Investor Member to be the same, on an after-tax basis as the amount of payment that would have been received under clause (1) above, from their own funds, directly to the Investor Member; provided, however, to the extent that the Managing Member fails to pay any such amount owed to the Investor Member, such unpaid amounts shall be payable from Cash Flow and Sale or Refinancing Transaction Proceeds as provided in Sections 14.1(a) and 14.1(b), respectively, hereof, but the Managing Member shall remain in default hereunder.

(v) In the event that the Actual Housing Tax Credits for any of 2019 or 2020 (determined separately for each year) exceeds the Projected Housing Tax Credits for such year (or, if applicable, the Revised Projected Housing Tax Credits for such year) (an “Excess Year”), as determined by the Investor Member, upon receipt of the Company’s final tax returns for the subject year, the Investor Member’s Fourth Installment with respect to 2019 shall be increased by the “Housing Tax Credit Surplus Payment”, which is an aggregate amount equal to the product of (x) Actual Housing Tax Credits delivered to the Investor Member, less the Projected Housing Tax Credits (or if applicable, Revised Projected Housing Tax Credits) for the Excess Year, and (y) $0.45. With respect to 2020, the Housing Tax Credit Surplus Payment shall be paid within 30 days of such determination or, if the Fifth Installment is not yet due, upon the payment of the Fifth Installment. In no event shall any Housing Tax Credit Surplus Payment exceed $200,000 and shall be subject to the limitations set forth in Section 4.2(d)(vi). The Company shall use the increase in the Fourth Installment, Fifth Installment or, if the Fifth Installment has been paid, within 30 days of such determination, to (i) pay any amounts then owed to the Investor Member and/or Hunt, (ii) then to pay any unpaid Development Fee or Deferred Development Fee, (iii) then to repay any Development Deficit Loans then outstanding, and (iv) then distributed in accordance with Section 14.1(a) of this Agreement.

(vi) With respect to any increase in the Investor Member’s Capital Contribution pursuant to this Section 4.2(d), in no event shall the amount of the Investor Member’s Capital Contribution increase exceed 5% of the Investor Member’s Capital Contribution as originally set forth herein. To the extent that an increase in the amount of Housing Tax Credits would have otherwise resulted in an increase in excess of 5% of the Investor Member’s Capital Contribution, the Investor Member shall have the option to either (1) increase the Investor Member’s Capital Contribution in excess of such 5%, provided that such additional increase over 5% shall be based on the lesser of the Housing Tax Credit Price or the Investor Member’s then-current pricing available generally for investments in Housing Tax Credits, or (2) reduce its Interest so that the Investor Member shall be in the same economic position (i.e., the allocations provided in this Agreement shall be adjusted accordingly by the Managing Member) as if the increase in Housing Tax Credits had not resulted in an increase in the Investor Member’s Capital Contribution in excess of 5% thereof. Any Investor Member’s Capital Contribution payable as a result of any such increase in the available Housing Tax Credits pursuant to Section 4.2(d)(i) shall be payable with the Fifth Installment of the Investor Member’s Capital Contribution set forth herein, provided that all IRS Forms 8609 have been received.
(vii) Whenever there is an adjustment pursuant to this Section 4.2(d) to the Investor Member’s Capital Contribution and/or the Interest of the Investor Member, then the amount of the Projected Housing Tax Credits shall be increased or reduced, as the case may be, and shall thereafter be referred to as the “Revised Projected Housing Tax Credits”.

4.4 **Draws.** Prior to Permanent Loan Closing, the Investor Member shall be entitled to conduct monthly inspections of the progress of construction of the Apartment Complex, and review and approve construction draw requests ("Construction Loan Draw"). Each month prior to Permanent Loan Closing, the Managing Member shall provide proposed Construction Loan Draw requests to the Investor Member simultaneous with submission to the Construction Lender. The Investor Member shall Notify the Managing Member to the extent that it disapproves and requires changes in a Construction Loan Draw request within ten (10) Business Days after submission. The Managing Member will cause the Construction Loan documentation to require that the Managing Member shall not accept and the Construction Lender shall not disburse on Construction Loan Draws until approved by Construction Lender based on the finding of the Construction Lender’s construction consultant or the written approval of the Investor Member. In the event of conflict or inconsistency between this Section and the Credit Support and Funding Agreement, the terms and provisions of the Credit Support and Funding Agreement will dictate and govern the processing of Construction Loan Draws.

4.5 **Liability of the Investor Member.** No Investor Member shall be liable for any debts, liabilities, contracts or obligations of the Company and each Investor Member shall only be liable to pay their respective Capital Contributions as and when the same are due hereunder and under the Uniform Act.

4.6 **Interest on Capital Contributions.** No interest shall be paid on any Capital Contribution. No Member shall have the right to withdraw its Capital Contribution or to demand and receive property of the Company in return for its Capital Contribution, except as may be specifically provided in this Agreement or required by law.

4.7 **Deposit of Capital Contributions.** The cash portion of the Capital Contributions of each Member shall be deposited at the Managing Member’s discretion in a checking, savings and/or money market or similar account to be established and maintained in the name of the Company or invested in government securities or certificates of deposit issued by any bank. Thereafter, such amounts shall be utilized for the conduct of the Company business pursuant to the terms of this Agreement and withdrawals can only be made upon the signatures as the Managing Member determines with the Consent of the Investor Member.

4.8 **Payment of Third Party Costs.** The Company shall pay the legal fees, costs and expenses incurred by the Investor Member in connection with this Agreement, the due diligence activities of the Investor Member, the Closing and costs incurred in making the Capital Contributions pursuant to Section 4.2(b) of this Agreement in an amount of $65,000. To the extent that third party costs exceed $65,000, the Investor Member’s Capital Contribution may be increased at the option of the Investor Member and used by the Company to pay such costs.
4.9 Guaranteed Payment. No later than ninety (90) days after the end of the Company’s fiscal year, if the Investor Member has made a Special Additional Capital Contribution pursuant to Section 4.2(c), it shall receive, as a guaranteed payment for the use of its capital, an amount equal to the annual interest earned by the Company, if any, on such Special Capital Contributions. The Company shall invest any amounts contributed pursuant to Section 4.2(c) in a federally insured interest-bearing account in such banking institutions as the Managing Member shall determine in accordance with Section 4.7. Any guaranteed payment due to a Member shall be deemed an expense of the Company for purposes of determining Cash Flow. Any guaranteed payment which is not paid when due shall remain a liability of the Company and shall bear interest at the rate of 15% per year.

4.10 Return of Capital Contributions. Except as provided in this Agreement, no Member shall be entitled to demand or receive the return of its Capital Contribution.

4.11 MM Loans. The Managing Member has the right, but not the obligation, after funding all other obligations under this Agreement, including, without limitation, its obligation to fund Development Deficits under its Construction Completion Guaranty in accordance with Section 8.1 hereof or to fund Operating Deficits under its Operating Deficit Guaranty in accordance with Section 8.2 hereof, to make loans pursuant to this Section 4.11 to fund Operating Deficits of the Company or to fund other reasonable and necessary obligations of the Company (together with interest thereon, “MM Loans”); provided, however, that the Managing Member shall not have such right to make such MM Loans at any time when it has an unsatisfied obligation to pay Development Deficits and to make Operating Deficit Loans or to make a Managing Member Capital Contribution as required under this Agreement. MM Loans shall be on the following terms: (i) interest shall accrue on the MM Loans at an annual interest rate not to exceed 5% per annum, compounded annually; (ii) MM Loans shall be repayable solely as set forth in Sections 14.1(a), 14.1(b) and 17.2 of this Agreement; and (iii) MM Loans shall be an unsecured, nonrecourse obligation of the Company. By making a MM Loan, the Managing Member does not waive any claim of, or remedies with respect to, a default, if any, by the Investor Member in its obligations under this Agreement. Notwithstanding the foregoing, no MM Loan shall be made without the Consent of the Investor Member, which Consent shall not be unreasonably withheld, delayed or conditioned.

4.12 IM Loans. The Investor Member or its designee has the right, but not the obligation, to make loans pursuant to this Section to fund Operating Deficits of the Company or to fund other reasonable and necessary obligations of the Company (together with interest thereon, “IM Loans”). IM Loans shall be on the following terms: (i) interest shall accrue on Default IM Loans at an annual interest rate of eight percent (8%) per annum, compounded annually; (ii) interest shall accrue on the Excess IM Loan Amount (other than Default IM Loans) at an annual interest rate of eight percent (8%) per annum, compounded annually, and on any other IM Loans at an annual interest rate of eight percent (8%) per annum, compounded annually; (iii) IM Loans shall be repayable solely as set forth in Sections 14.1(a), 14.1(b) and 17.2 of this Agreement; and (iv) IM Loans shall be an unsecured, nonrecourse obligation of the Company. By making an IM Loan, neither the Investor Member, nor its designee, waives any claim of, or remedies with respect to, a default, if any, by the Managing Member in its obligations under this Agreement. The Members hereby agree that any Hunt Loan (as defined the Backstop Guaranty Agreement) shall be treated as an IM Loan.
4.13 Notice of Member Loans. Except for any Operating Deficit Loans that may be required of the Managing Member under the terms of this Agreement, if the Company shall require a Member Loan to fund Operating Deficits or to satisfy other reasonable and necessary obligations of the Company, a Member (the “Initiating Member”) may give the other Members (the “Non-Initiating Members”) Notice of the Initiating Member’s intent to fund a Member Loan, which Notice shall state (i) the total amount of such Member Loan proposed to be funded, (ii) the purpose for such Member Loan, and (iii) the proposed funding date of such Member Loan, which date (the “Contribution Date”) shall not be less than ten (10) days following the date of such Notice; provided that the Notice requirement shall be shortened to the extent necessary to permit a Member to fund a Member Loan for the purpose of curing a default under a Loan. The Initiating Member and the Non-Initiating Members shall each fund the portion of the Member Loan it agreed to make by the Contribution Date. If a Member fails to make such Member Loan to the Company on or before the Contribution Date, any Member who makes such Member’s share of the Member Loan may, at such Member’s option, advance to the Company the amount of the non-lending Member’s share of the Member Loan. No Member has the right to propose and fund a Member Loan to fund distributions and/or payments to be made pursuant to Sections 14.1(a), 14.1(b) or 17.2. Notwithstanding anything herein to the contrary, the Managing Member is obligated to make an Operating Deficit Loan during the Operating Deficit Guaranty Period and a MM Loan after the expiration of the Operating Deficit Guaranty Period to fund any Operating Deficits.

4.14 Documentation of Member Loans. At the request of a Member, any Member Loan shall be evidenced by a non-negotiable promissory note or notes reflecting any such Member Loans made during or prior to the preceding calendar quarter. Member Loans shall be unsecured loans by such Member. Except as set forth in Section 4.16, Member Loans shall not be considered Capital Contributions, and shall not increase such Member’s Capital Account.

4.15 Usury Savings Clause. Notwithstanding anything to the contrary herein or in any note evidencing a Member Loan, in no event shall interest accrue on any Member Loan at a rate in excess of the highest rate permitted by applicable law.

4.16 Capital Contribution Alternative. If a Member which has made or intends to make a Member Loan (a “Lending Member”) reasonably concludes that the operation of the usury savings clause in Section 4.15 will result in a reduction in the interest rate otherwise specified in Article 4, or if the Investor Member reasonably concludes that it may now have or sometime in the future likely will have a negative Capital Account, then the Lending Member may request that its existing or proposed Member Loans be restructured as Capital Contributions. In such event, all the Members shall cooperate to negotiate and execute an amendment to this Agreement (the “Amendment”), at the expense of the requesting Member, which shall include the following terms: (i) each of the Investor Member (or its designee) and the Managing Member has the right to make Capital Contributions pursuant to the Amendment (“Section 4.16 Capital Contributions”) either instead of making IM Loans and MM Loans, respectively, or to fund the concurrent repayment by the Company of IM Loans or MM Loans, respectively; (ii) with respect to such Section 4.16 Capital Contributions, the Member(s) making them shall be entitled to receive (A) guaranteed payments or a preferred return in amounts and at times corresponding to interest payments that would have been due had the Section 4.16 Capital Contributions been made as Member Loans, and (B) distributions as a return of capital in amounts and at times...
corresponding to principal payments that would have been due had the Section 4.16 Capital Contributions been made as Member Loans; and (iii) Article 14 shall be revised to the maximum extent feasible to provide that such guaranteed payments or a preferred return and return of capital distributions shall have the same amounts, timing, priority of payment and tax consequences as the corresponding payments of Member Loans would have had. Notwithstanding the foregoing, the Investor Member shall have no obligation to consent to any Amendment pursuant to this Section 4.16, which it concludes could adversely affect the timing or amount of the allocation to the Investor Member of Housing Tax Credits, losses, income or gains.

ARTICLE 5
MANAGING MEMBER RIGHTS, DUTIES AND OBLIGATIONS

5.1 Management of the Company. Subject to the terms of this Agreement, the Managing Member shall have the sole and exclusive right to manage the business and affairs of the Company; provided, however, that the Managing Member must do so only so as to accomplish the Purposes of this Company. In so doing, the Managing Member shall take all actions necessary or appropriate to protect the interests of the Investor Member and the Company.

(b) During the period the Extended Use Agreement is in effect, the Managing Member shall (i) operate the Apartment Complex and cause the Management Agent to manage the Apartment Complex in such a manner that (A) sixty-seven (67%) of the residential rental units (not including any manager units) in the Apartment Complex will qualify as “low-income units” under Code Section 42(i)(3), (B) and the Applicable Fraction as defined in Section 42(c) of the Code is at least 65% for Building One and 67.8% for Building Two; (ii) operate the Apartment Complex and cause the Management Agent to manage the Apartment Complex in such a manner that no less than eighty percent (80%) of the gross income from the Apartment Complex in every year is rental income from or with respect to dwelling units in the Apartment Complex used to provide living accommodations not on a transient basis (“Units”); (iii) operate the Apartment Complex and cause the Management Agent to manage the Apartment Complex in such a manner that the Apartment Complex will qualify as a “qualified low-income housing
(c) The Managing Member shall promptly take all action which may be necessary or appropriate for the proper development, construction, maintenance and operation of the Apartment Complex in accordance with the provisions of this Agreement, the Project Documents and applicable laws and regulations including making any required Capital Contributions pursuant to Section 4.1 and as otherwise required by this Agreement.

(d) While conducting the business of the Company, the Managing Member shall not act in any manner which it knows or should have reasonably known after due inquiry will (i) cause the termination of the Company for federal income tax purposes without the Consent of the Investor Member, or (ii) cause the Company to be treated for federal income tax purposes as an association taxable as a corporation.

(e) The Managing Member shall, during and after the period in which it is a Member, provide the Company with such information and sign such documents as are necessary for the Company to make timely, accurate and complete submissions of federal and state income tax returns.

(f) The Managing Member shall use its best efforts to cause the Company to generate Cash Flow for distribution to the Members at the maximum realizable level in view of (i) any applicable Agency and other regulations, (ii) the Minimum Set-Aside Test and the HOME Minimum Set-Aside Test and (iii) the Rent Restriction Test, and, if necessary, the Managing Member shall also use its best efforts to obtain approvals and implementation of appropriate adjustments in the rental schedule of the Apartment Complex.

(g) The Managing Member shall cause the Company to obtain and keep in force, during the term of the Company, insurance in accordance with Exhibit D hereto. The Managing Member shall provide the Investor Member with written evidence of all insurance required by Exhibit D hereto, in each case in form and substance reasonably acceptable to the Investor Member and, for each particular insurance coverage, both (i) within fifteen (15) days after the first day on which such coverage is required by Exhibit D hereto and (ii) from time to time, as the Investor Member may reasonably request. The Managing Member shall provide the Investor Member with Notice of any cancellation, reduction in coverage, or other coverage changes within 15 days of receipt of notice from the insurance provider. The Investor Member shall have the right to acquire any insurance required by Exhibit D at the expense of the Company if the Managing Member fails to do so and such purchase shall not cure the Managing Member’s default hereunder. In addition, the Managing Member shall indemnify and hold the Hunt Indemnified Parties harmless from any loss suffered by the Hunt Indemnified Parties with respect to its investment in the Company and arising out of any uninsured loss suffered by the Company which would have been insured against by one or more of the policies of insurance described on Exhibit D hereto but which lapsed or which were not in force at the time of such loss because the Managing Member did not obtain or keep said policy or policies in force.
(h) The Managing Member has made (if applicable) and shall make such elections, or refrain from making such elections, with respect to the Housing Tax Credits as are necessary to achieve and maintain the maximum allowable Housing Tax Credits to the Investor Member, unless otherwise directed by the Investor Member. Any such elections (including elections made at the direction or with the Consent of the Investor Member) shall not reduce the obligations of the Managing Member pursuant to this Agreement. Notwithstanding the foregoing, the Investor Member must Consent, before any election is made to defer commencement of the Credit Period pursuant to Code Section 42(f)(1). In the event Building One is Placed in Service in 2019, but the Company is unable to deliver all or a portion of the Projected Housing Tax Credits for 2019, the Managing Member may defer the commencement of the Credit Period to 2020 without the Consent of the Investor Member.

(i) The Managing Member shall (i) not store or dispose of (except in compliance with all laws, including all Environmental Laws, ordinances, and regulations pertaining thereto) any Hazardous Material at the Apartment Complex; (ii) neither directly nor indirectly transport or arrange for the transport of any Hazardous Material (except in compliance with all laws, including all Environmental Laws, ordinances and regulations pertaining thereto) to or from the Apartment Complex; (iii) provide the Investor Member with Notice (A) upon any Managing Member’s obtaining knowledge of any potential or known release, or threat of release, of any Hazardous Material at or from the Apartment Complex; (B) upon any Managing Member’s receipt of any Notice to such effect from any federal, state, or other governmental authority by any other Person; and (C) upon any Managing Member’s obtaining knowledge of any incurrence of any expense or loss by any such governmental authority or third party in connection with the assessment, containment, or removal of any Hazardous Material at or from the Apartment Complex or any claim for loss or damage associated with Hazardous Materials at or from the Apartment Complex for which expense or loss the Managing Member may be liable or for which expense or loss a lien may be imposed on the Apartment Complex.

(j) The Managing Member shall use all reasonable efforts to maintain the Apartment Complex and the Land upon which it is located so that there is no discharge, release, spillage, uncontrolled loss or seepage of any oil, petroleum or chemical liquids or solids, liquid or gaseous products or Hazardous Material. The Managing Member shall use all best efforts to maintain the Apartment Complex and the Land so as not to violate any Environmental Laws. If any Hunt Indemnified Party becomes liable with respect to the Apartment Complex under any Environmental Law, the Managing Member shall indemnify and hold harmless such Hunt Indemnified Party (except to the extent attributable solely to direct actions of such Hunt Indemnified Party) for any and all costs, expenses (including reasonable attorneys’ fees necessarily incurred), damages or liabilities to the extent that such Hunt Indemnified Party is required to discharge such costs, expenses, damages, or liabilities in whole or in part. If any claim or loss described in the immediately preceding sentence is brought against any Hunt Indemnified Party, and such Hunt Indemnified Party notifies the Managing Member of the commencement thereof, as soon as practicable but in any event no later than 45 days after receipt of notice by the Investor Member, the Managing Member will be entitled to participate in, and, to the extent that it chooses to do so, to assume the investigation and defense thereof (including the employment of counsel reasonably satisfactory to the Hunt Indemnified Party), and the Managing Member will assume the payment of all fees and expenses relating to such investigation and defense and will have the right to negotiate and consent to settlement thereof.
provided such settlement expressly and unconditionally releases the Hunt Indemnified Party from all liabilities and obligations with respect to the claim without prejudice and the settlement would not otherwise materially adversely affect the Hunt Indemnified Party. Any one or more of the Hunt Indemnified Parties will have the right to employ separate counsel in any such action and to participate in the defense thereof, but after notice from the Managing Member to such Hunt Indemnified Party of its election to assume the defense thereof, the fees and expenses of such separate counsel will be at the expense of such Hunt Indemnified Party unless (i) the employment of such counsel and the payment of such fees and expenses by the Managing Member has been specifically authorized in writing by the Managing Member, (ii) the Managing Member has not employed counsel to have charge of the defense of such action within a reasonable time after receipt of a request by the Hunt Indemnified Party to assume the defense of the action, or (iii) counsel for such Hunt Indemnified Party or Parties has reasonably concluded that there may be material defenses available to it or them which are different from or additional to those available to the Managing Member and other Hunt Indemnified Parties (in which case, the Managing Member will not have the right to direct the defense of such action on behalf of such Hunt Indemnified Party and the fees and expenses of counsel necessary as a result of the occurrence of the events described in (i), (ii), or (iii) above will be borne by the Managing Member). The Managing Member will not be liable for any settlement of any such action effected without its Consent, but if settled with the Consent of the Managing Member or if there is a final judgment for the plaintiff in any such action as to which the Managing Member has received notice in writing as hereinabove required, the Managing Member agrees to indemnify and hold harmless the Hunt Indemnified Party from and against any loss or liability by reason of such settlement or judgment. The foregoing indemnification shall be a recourse obligation of the Managing Member, and shall survive the Withdrawal of the Managing Member. The Managing Member shall not be liable for any claims that arise from actions of others after its withdrawal or removal as a Managing Member under this Agreement, and no settlement of a claim of loss shall occur without the prior written Consent of the Managing Member.

(k) The Managing Member shall promptly request in writing of each Lender that such Lender provide the Investor Member copies of all notices delivered to the Managing Member or the Company under its Loan, and grant an opportunity for the Investor Member to cure any default under such Loan.

(l) The Managing Member shall cause the Company to maintain tenant deposits in separate accounts, which must be used solely to hold tenant deposits as security for the tenant rents and as security for damages. No funds may be used from such account for any other purpose, including payment of Operating Deficits of the Company.

(m) The Managing Member will execute on behalf of the Company all documents necessary to elect, pursuant to Sections 732, 734, 743, and 754 of the Code, to adjust the basis of the Company’s property upon the request of the Investor Member. The Managing Member shall cause the Company’s property to be depreciated in accordance with Sections 5.2(nn) and 18.4. The Managing Member shall cause the Company to depreciate all of its applicable property in accordance with Section 5.2(nn) and 18.4(a).
The Managing Member shall provide to the Investor Member for its approval a draft of the Cost Certification to be used by the Company in applying to the Agency for issuance of Form 8609 with respect to each building in the Apartment Complex at least five (5) Business Days prior to the date the Cost Certification is to be provided to the Agency. The Managing Member shall provide the initial Forms 8609 to the Investor Member within ten (10) days of receipt thereof by the Managing Member. Subject to the Agency providing the same, the Managing Member shall cause the Extended Use Agreement to be recorded in the appropriate real estate records no later than the last day of the year in which the Apartment Complex is Placed in Service.

The Managing Member shall furnish to the Investor Member within three (3) Business Days of receipt thereof, a copy of any notice of default under a Loan or any of the Project Documents given to the Company or to the Managing Member by the Lender, and Notice of any occurrence which has or would, with the giving of notice or the passage of time, or both, become a violation or default under a Loan or any of the Project Documents. The Managing Member shall also furnish to the Investor Member within seven (7) Business Days of execution a copy of all amendments or changes to the articles, bylaws, certificates, partnership agreement, operating agreement or other organizational documents of the Managing Member or any Guarantor. The Managing Member shall promptly respond to all requests or inquiries made in writing by the Investor Member regarding matters affecting the Apartment Complex or the Company.

The Managing Member shall use all reasonable efforts to cause the Apartment Complex to be kept in compliance with all applicable land use laws, regulations and ordinances.

The Managing Member shall provide the Investor Member with Notice (and with copies of appropriate correspondence) within three (3) Business Days if the Company receives any writing from the Service or the Agency that the Apartment Complex or any portion thereof is not in compliance with the requirements of Code Section 42 or is subject to a Housing Tax Credit Disallowance Event or any other event that could result in an adjustment to the Housing Tax Credits, or losses allocable to the Investor Member.

If any of the Housing Tax Credit Units fail at any time during the Compliance Period to constitute low-income units or if the Apartment Complex is not in compliance with the requirements contained in Code Section 42, the Managing Member agrees to Notify the Investor Member within three (3) Business Days of its knowledge of such event or occurrence and the Managing Member shall take all actions reasonably necessary to bring the Units or the Apartment Complex, as the case may be, into compliance with the requirements of Code Section 42, such that the Apartment Complex will qualify and continue to qualify for Housing Tax Credits during the Compliance Period as projected.

The Managing Member is exclusively responsible for negotiating and performing all services incidental to (i) the Company’s acquisition of the Land, (ii) arranging of appropriate zoning, (iii) arranging of equity and permanent financing with respect to the Apartment Complex (including reviewing the State’s qualified allocation plan, applying for Housing Tax Credits and obtaining such marketing and feasibility studies and appraisals as it

copy of all required reports with respect to building code violations and the certification with
respect to compliance with the Fair Housing Act and (ii) all communications received by the
Managing Member or the Company with respect to compliance with, non-compliance with, or
other matters relating to the Fair Housing Act.

(u) The Managing Member shall ensure that the Apartment Complex shall at
all times comply with the applicable requirements of Section 504 of the Uniform Federal

ordinances related to disabled access, and all statutes, rules, regulations, and orders of
governmental bodies and regulatory agencies or orders or decrees of any court adopted or
enacted with respect thereto including (collectively, the “Access Laws”). The Investor Member
may also require from the Company an Access Laws Certification. Notwithstanding any
provisions set forth herein or in any other document, the Managing Member shall not alter or
permit any tenant or other person to alter the Apartment Complex in any manner which would
increase the Managing Member’s responsibilities for compliance with the Access Laws without
the prior written approval of the Investor Member. In connection with any such approval, the
Investor Member may require from the Company an Access Laws Certification. Following
Substantial Completion, the Apartment Complex will be operated in a manner that fully complies
with applicable accessibility and barrier-free regulations such that if an enforcement action is
brought against the Company, the Managing Member will use any and all of its own resources to
promptly correct recorded deficiencies and shall immediately Notify the Investor Member of any
such claims.

(v) The Managing Member shall give Notice to the Investor Member within
three (3) Business Days of any violation or event of default, or any occurrence which would,
with the giving of notice or the passage of time, or both, become a violation or event of default
under any document executed by the Agency and relating to the Company. Neither the
Company nor any Managing Member shall consent to any amendment or modification to any
document executed by the Agency and relating to the Company without the prior Consent of the
Investor Member.
(w) Without limitation, the Company, the Managing Member, and their Affiliates (i) are in compliance with Anti-Corruption Laws, and (ii) shall remain in compliance with Anti-Corruption Laws.

(x) The Managing Member shall from time to time take all actions as are necessary and appropriate to: (i) effectuate and permit the continuation of the Company as a limited liability company under the laws of the State, (ii) enable the Company to do business in the State, and (iii) protect the limited liability of the Investor Member under the laws and regulations of the State, including the preparation and filing of any certificate, document or instrument of the Company as may be required under the laws and regulations of the State.

(y) The Managing Member shall maintain books, files and records including tenant leasing files in compliance with the Code and the Regulations and which will adequately document the timing, amount and availability of the Housing Tax Credits. The Managing Member shall allow any Investor Member and its agents access to all such files during ordinary business hours; provided, however, that files stored off-site shall be provided within three (3) Business Days’ Notice from the Investor Member. All such files are property of the Company and not of the Managing Member.

The Managing Member shall provide copies of all change orders to the Investor Member for its written approval promptly after the preparation and prior to the execution thereof.

5.5 Continued Compliance Sale. Notwithstanding the foregoing, subject to the Purchase Option Agreement commitments in the Application, at any time after the Compliance Period, the Investor Member may request that the Company sell the Apartment Complex subject to the Extended Use Agreement (a “Continued Compliance Sale”)

If such efforts are not successful on terms reasonably satisfactory to the Investor Member within six (6) months of the date of the Investor Member’s request, the Investor Member shall have the right thereafter to locate a purchaser for the Apartment Complex. If the Investor Member locates such a purchaser,
then the Managing Member shall be obligated to either (i) consent to the sale to such purchaser and execute all documents in connection with such sale or (ii) purchase the Investor Member’s Interest for an amount equal to what the Investor Member would have received for a sale of the Apartment Complex.

(b) At all times after the end of the Compliance Period, the Investor Member shall have the right, exercisable in its sole and absolute discretion, to put its entire Interest to the Managing Member (or its designee) for a price equal to $100.

5.6 Other Activities. Any Investor Member may engage independently or with others in other business ventures of every nature and description including the ownership, operation, management, syndication and development of competing real estate; neither the Company nor any other Member shall have any rights in and to such independent ventures or the income or profits derived therefrom.

5.7 Indemnification of the Managing Member.

(a) No Managing Member nor any Affiliate thereof shall have liability to the Company or to any Investor Member for any loss suffered by the Company which arises out of any action or inaction of such Managing Member or Affiliate thereof if such Managing Member or Affiliate thereof in good faith determined that such course of conduct was in the best interest of the Company and such course of conduct did not constitute gross negligence, misconduct, fraud or any breach of fiduciary duty of such Managing Member or Affiliate thereof.

(b) A Managing Member or any Affiliate thereof shall be indemnified by the Company against losses, judgments, liabilities, expenses and amounts paid in settlement of any claims sustained in connection with the Company, provided that all of the following conditions are met: (i) such Managing Member has determined, in good faith, that the course of conduct which caused the loss, judgment, liability, expense or amount paid in settlement was in the best interests of the Company; and (ii) such loss, judgment, liability, expense or amount paid in settlement was not the result of gross negligence, misconduct, fraud, breach of fiduciary duty on the part of such Managing Member or Affiliate thereof or breach of this Agreement; and (iii) such indemnification or agreement to hold harmless is recoverable only out of the assets of the Company, and not from the Investor Member.

(c) Subject to the provisions of Section 5.7(b), no Managing Member or any Affiliate thereof performing services for the Company shall be indemnified for any losses, liabilities or expenses arising from or out of an alleged violation of federal or state securities laws unless (i) there has been a successful adjudication on the merits of each count involving securities laws violations as to the particular indemnitee and the court approves the indemnification of such litigation costs, (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular indemnitee and the court approves the indemnification of such litigation costs or (iii) a court of competent jurisdiction approves a settlement of the claims against a particular indemnitee and the court finds that indemnification of the settlement and related costs should be made. In any claim for indemnification for federal or state securities law violations, the party seeking indemnification...
shall, prior to seeking court approval for such indemnification, place before the court the positions of the Securities and Exchange Commission and any applicable state securities administrator with respect to the issue of indemnification for securities law violations.

(d) The Company shall not incur the cost of the portion of any insurance, other than public liability insurance, which insures any party against any liability as to which such party is herein prohibited from being indemnified.

5.8 Indemnification of the Company and the Hunt Indemnified Parties.

(a) The Managing Member shall indemnify, defend and hold harmless the Company and the Hunt Indemnified Parties, and the Company shall indemnify, defend, and hold harmless the Hunt Indemnified Parties, from and against any and all loss, damage and liability, cost or expense (including reasonable attorneys’ fees) which the Company or any Hunt Indemnified Party may incur by reason of the past, present or future actions or omissions of the Managing Member or any of their Affiliates constituting gross negligence, misconduct, fraud, breach of fiduciary duty or a breach or an Event of Default with respect to or under this Agreement; provided, however, that the foregoing indemnification shall not constitute a guaranty of the Permanent Loan.

(b) Notwithstanding the foregoing, no Managing Member shall be liable to a Hunt Indemnified Party or the Company for any act or omission for which the Company is required to indemnify such Managing Member under Section 5.7.

(c) The Managing Member shall indemnify, defend, and hold harmless the Company and the Hunt Indemnified Parties and the Company from and against any claims, suits, actions, debts, damages, costs, charges, losses, obligations, judgments and expenses of any nature whatsoever (other than actions caused by a third party on property outside of the Apartment Complex over which the Managing Member has no control and about which the Managing Member had no prior knowledge and no ability to prevent or mitigate the impact of those actions on the Apartment Complex) suffered or incurred by the Hunt Indemnified Parties and arising directly or indirectly out of the presence on, under or about the Apartment Complex of any Hazardous Substance, the use, generation, manufacture, storage or disposal of any Hazardous Substance on, under or about the Apartment Complex, or the violation of any Environmental Laws by the Managing Member or its representatives. The Managing Member shall further indemnify and hold harmless the Company and the Hunt Indemnified Parties and their respective Affiliates and successors from and against any claims, demands, losses, damages, liabilities, lawsuits and other proceedings, judgments, awards, costs and expenses including, without limitation, reasonable attorneys’ fees, arising directly or indirectly, in whole or in part, out of a breach of any or all of the representations, warranties and covenants contained in this Agreement. In case such action is brought against any Hunt Indemnified Party, and it notifies the Managing Member of the commencement thereof as soon as practicable, the Managing Member will be entitled to participate in, and, to the extent that it chooses so to do, to assume the investigation and defense thereof (including the employment of counsel reasonably satisfactory to the Hunt Indemnified Party), and the Managing Member will assume the payment of all fees and expenses relating to such investigation and defense and will have the right to negotiate and consent to settlement thereof provided such settlement expressly and unconditionally releases the Hunt Indemnified
Party from all liabilities and obligations with respect to the claim without prejudice and the settlement would not otherwise materially adversely affect the Hunt Indemnified Party. Any one or more of the Hunt Indemnified Parties will have the right to employ separate counsel in any such action and to participate in the defense thereof, but after notice from the Managing Member to such Hunt Indemnified Party of its election to assume the defense thereof, the fees and expenses of such separate counsel will be at the expense of such Hunt Indemnified Party unless (i) the employment of such counsel and the payment of such fees and expenses by the Managing Member has been specifically authorized in writing by the Managing Member, or (ii) the Managing Member has not employed counsel to have charge of the defense of such action within a reasonable time after receipt of a request by the Hunt Indemnified Party to assume the defense of the action, (iii) counsel for such Hunt Indemnified Party or Parties has reasonably concluded that there may be material defenses available to it or them which are different from or additional to those available to the Managing Member and other Hunt Indemnified Parties (in which case, the Managing Member will not have the right to direct the defense of such action on behalf of such Hunt Indemnified Party and the fees and expenses of counsel necessary as a result of the occurrence of the events described in (i), (ii), or (iii) above will be borne by the Managing Member). The Managing Member will not be liable for any settlement of any such action effected without its Consent, but if settled with the Consent of the Managing Member or if there is a final judgment for the plaintiff in any such action as to which the Managing Member has received notice in writing as hereinabove required, the Managing Member agrees to indemnify and hold harmless the Hunt Indemnified Party from and against any loss or liability by reason of such settlement or judgment. In addition to the foregoing indemnification, the Hunt Indemnified Parties may pursue any other available legal or equitable remedy against the Managing Member with respect to the Managing Member’s breach of any of the representations, warranties or covenants contained herein, including, without limitation, the Investor Member’s deferral of the payment of its Capital Contribution pursuant to Section 4.2.

(d) The indemnification rights contained in this Section 5.8 shall be recourse obligations of the Managing Member and shall survive dissolution of the Company and Withdrawal or Involuntary Withdrawal of the Managing Member (except that the Managing Member shall not be liable for claims arising solely from the actions of others after its Withdrawal or Involuntary Withdrawal) and shall be cumulative of, and in addition to, any and all rights, remedies and recourse to which the Hunt Indemnified Parties shall be entitled, whether pursuant to the provisions of this Agreement, at law or in equity.

(e) The Managing Member, on behalf of itself and the Company, hereby waives any and all claims it may now or in the future have against any Lender and the Investor Member relating to the Construction Mortgage or the Permanent Mortgage based in any way upon Lender’s status as an investor in the Investor Member.

5.9 Certain Payments to the Managing Member and Affiliates.

(a) Development Fee. The Company shall pay the Developer the Development Fee on the terms, at the times and in the manner set forth in the Development Agreement. The Development Agreement provides for a Development Fee equal to $2,527,585. No Development Fee shall be paid by the Company upon the occurrence of an Event of Default.
or the occurrence of an event, which with the giving of notice or the passage of time or both would result in an Event of Default.

(b) **MM Incentive Management Fee.** The Company shall pay the Managing Member an annual non-cumulative fee payable in arrears (the “MM Incentive Management Fee”), for services commencing at Rental Achievement in connection with the administration of the day-to-day business of the Company in an annual amount not to exceed $120,000. The MM Incentive Management Fee for each fiscal year of the Company shall be payable from Cash Flow in the manner and priority set forth in Section 14.1(a) and shall be prorated for a partial fiscal year.

(c) **Payment of Development Fee and MM Incentive Management Fee.** In the event of the occurrence of an Event of Default by the Managing Member under this Agreement, no Development Fee or MM Incentive Management Fee shall be paid, and there shall be no payments on any Operating Deficit Loans, MM Loans, and Excess MM Loans.

5.10 **Reserve Accounts.**

(a) The Managing Member shall establish and maintain the Replacement Reserve (the “Replacement Reserve”) to provide for working capital needs, improvements, replacements and any other contingencies of the Company as required by the Lenders and/or any Agency. Commencing on the date on which the first building in the Apartment Complex receives a certificate of occupancy or other license or permit allowing for the occupancy of such first building, the Managing Member shall cause the Company to deposit into Replacement Reserve from its Cash Receipts, the amount of $27,500 annually (the annual amount of contributions to the Replacement Reserve shall be funded in twelve (12) equal monthly payments), which amount shall be adjusted upward each year, commencing on the one year anniversary of the due date for the initial deposit to the Replacement Reserve, by three percent (3%). Following the 10th year of the Compliance Period, and every five (5) years thereafter, the Investor Member shall have the right to require a physical needs assessment for the Apartment Complex at the Company’s expense, which may result in adjustments to the Replacement Reserve. Withdrawals and expenditures from the Replacement Reserve shall be made only with the Consent of the Investor Member and are subject to any written approval which may be required by any Lender or Agency. If the terms of any loan impose more strict requirements regarding the funding and/or use of Replacement Reserve, such more strict requirements shall apply. If the Permanent Lender does not require that it shall hold and control the Replacement Reserve, then the Replacement Reserve shall be deposited at an FDIC commercial member bank selected by the Investor Member, in an account requiring the signature of the Investor Member for any withdrawals (including any interest earned on the account).

(b) The Managing Member shall cause to be established and maintained the Operating Reserve to fund Operating Deficits (the “Operating Reserve”). Concurrently with the Fourth Installment, the Managing Member shall cause the Company to deposit into the Operating Reserve the greater of $540,000 or an amount equal to six months of Operating Expenses and Debt Service Expense, as determined at the time of Rental Achievement and any contributions to the Operating Reserve required by the Agency or any Lender (the “Initial Operating Reserve Amount”). The Operating Reserve shall be deposited at an FDIC commercial member bank
selected by the Investor Member, in an account requiring the signature of the Investor Member for any withdrawals (including any interest earned on the account). Withdrawals and expenditures from the Operating Reserve shall be made only with the Consent of the Investor Member, which Consent shall not be unreasonably withheld, conditioned or delayed, and are not subject to any approval by any Lender or Agency. The Investor Member shall facilitate withdrawals without condition or delay, to such extent that the Managing Member requests to use any funds in the Operating Reserve in excess of $250,000 to pay Operating Deficits prior to funding under its Operating Deficit Guaranty; provided, however, that such funds shall not be applied against the Operating Deficit Loan Cap and shall not be available to pay fees to the Management Agent if it is an Affiliate of the Managing Member, the Developer, or Guarantors]. Notwithstanding anything to the contrary, the Managing Member shall cause the Company to increase the Operating Reserve from time to time to the extent necessary to cause the Company to comply with all Operating Reserve (or comparable reserve) requirements imposed, from time to time, by any Lender or the Agency. The Operating Reserve shall be maintained from Cash Flow throughout the Compliance Period at an amount equal to or exceeding the Initial Operating Reserve Amount, and shall not be subject to release prior to the end of the Compliance Period. Upon expiration of the Compliance Period, funds in the Operating Reserve shall be distributed pursuant to Section 14.1(a), except to the extent otherwise required by Section 17.2 of this Agreement, provided, however, that no distribution shall be made to the Managing Member pursuant to such sections if an Event of Default has occurred and is continuing under this Agreement. The release of the Operating Reserve shall not require the consent of the Permanent Lender.

5.11 Pledged Payments. To secure the payment and performance by the Managing Member and the Developer to Investor Member of the Managing Member’s obligations under this Agreement and the Developer’s obligations under the Development Agreement, the Managing Member, in accordance with the Managing Member Pledge, hereby collaterally assigns, pledges and grants a security interest to the Investor Member in all right, title and interest the Managing Member has in the right to receive any distributions and payments under this Agreement, payments with respect to Operating Deficit Loans and MM Loans and distributions of Cash Flow and Cash From Capital Transaction, and the Developer, in accordance with the Developer Pledge, hereby collaterally assigns, pledges and grants a security interest to the Investor Member in all right, title and interest the Developer has in the Development Agreement, including, without limitation, any payments of the Development Fee (collectively, the “Pledged Payments”). The Managing Member and the Developer, in accordance with the terms of the Managing Member Pledge and Developer Pledge, respectively, irrevocably direct the Company to pay to the Investor Member any Pledged Payments at any time that there is an unsatisfied obligation secured by the Pledged Payments. The Company and the Members shall treat any Pledged Payments made by the Company to the Investor Member as a payment by the Company to the Managing Member or the Developer, as applicable, of the particular Pledged Payment and a payment by the Managing Member or Developer, to the Investor Member, of the particular obligation which it secures. If there is more than one type of outstanding obligation secured at the time a Pledged Payment is made to the Investor Member, the Investor Member, in its sole discretion shall decide to which secured obligation the Pledged Payments shall be applied. This Section 5.11 shall constitute a security agreement under the laws of the State. In addition, the Managing Member and the Developer each grant the Investor Member a right of
offset against Pledged Payments with respect to all amounts due to the Managing Member under this Agreement and the Developer under the Development Agreement.

5.12 Assignment to Company. The Managing Member hereby transfers and assigns to the Company all of its right, title and interest in and to the Apartment Complex and in and to all of the Project Documents, including, without limitation, the following: (i) all contracts with architects, supervising architects, engineers and contractors with respect to the development of the Apartment Complex; (ii) all plans, specifications and working drawings heretofore prepared or obtained in connection with the Apartment Complex; (iii) all governmental commitments and approvals obtained, and applications therefor, including those relating to planning, zoning, building permits, Housing Tax Credits; (iv) any and all commitments with respect to the Loans; (v) any and all contracts or rights with respect to any agreements with the Lenders and any Agency; and (vi) any other work product related to the Apartment Complex and/or the Company, all of which, with respect to the Managing Member, shall have an agreed to value of $1.00.

5.13 Meetings. Any Member may call meetings of the Company for any matters for which the Investor Member may vote as set forth in this Agreement. Within seven (7) days after receipt of Notice requesting a meeting, which Notice shall state the purpose of a meeting, the Managing Member shall provide the Investor Member with Notice (either in person or by certified mail) of a meeting and the purpose of such meeting to be held on a date not less than ten (10) nor more than twenty (20) days after receipt of said request, at a time convenient to the Investor Member, except in the case of an emergency such meeting to be held within two (2) days after receipt of a request. All meetings shall be held at the principal office of the Company.

5.14 Purchase Option. The Co-Managing Member shall have the right to purchase with respect to the Apartment Complex in accordance with the terms set forth in the Purchase Option Agreement.

ARTICLE 6

(b) The Land is and will be zoned for the operation of the Apartment Complex as a permitted use. There is no violation by the Company or the Managing Member of any zoning or similar regulation applicable to the Apartment Complex which could have a material adverse effect thereon, or, to the best of the knowledge of the Managing Member after
due inquiry, of any environmental or similar regulation applicable to the Apartment Complex which could have a material adverse effect thereon, and the Company has complied with all applicable municipal and other laws, ordinances and regulations relating to such construction and use of the Apartment Complex.

The Managing Member has not made any misrepresentations or failed to make any disclosure that will or could result in the Company lacking title insurance coverage based on imputation of knowledge of the Managing Member to the Company.
(k) In the event there is an Additional TIF Reimbursement granted to the Company in excess of the $134,355 provided pursuant to the City Council Action, such excess funds shall be subject to the Consent of the Investor Member and shall be used first to pay hard and soft costs of the Construction as reasonably acceptable to the Investor Member and second to pay the portion of the Development Fee payable at the Fourth Installment.

7.2 Notice and Remedies.

(a) Notice. Prior to or concurrently with the enforcement of any remedy in Section 7.2(b), the Investor Member shall give Notice of an Event of Default (“Notice of Default”) to the Managing Member and, with respect to certain Events of Default set forth in Section 7.2(c) only, the Managing Member shall have the right to cure such Event of Default.

(b) Remedies.

(i) Upon the occurrence of an Event of Default (and if the Event of Default is subject to cure under Section 7.2(c), upon a failure to cure such Event of Default by the expiration of the applicable cure period), the Investor Member may elect that, such Managing Member (a) shall immediately cease to be a Managing Member, (b) shall no longer have any Interest, (c) shall not be entitled to receive any fees, including but not limited to the MM Incentive Management Fees, which have not been fully paid prior to the date of the occurrence of the Event of Default or payment with respect to any Operating Deficit Loans or MM Loans (such removal of the Managing Member shall be an “Involuntary Withdrawal”). Notwithstanding the foregoing, upon the occurrence of the Event of Default described in Section 7.1(b)(ii) hereof, the Involuntary Withdrawal of the Managing Member shall occur immediately upon the occurrence of the Event of Default, without any election by the Investor Member.

(ii) Upon an Event of Default (and if the Event of Default is subject to cure under Section 7.2(c), upon a failure to cure such Event of Default by the expiration of the applicable cure period), the Investor Member’s designee, which may be a Hunt Entity or a qualified non-profit organization if required by the Application, shall be admitted as a replacement Managing Member (the “Replacement Managing Member”) on the terms set forth herein without any further action by any other Member. Upon any such admission of the Replacement Managing Member, the former Managing Member’s interest in all items of profits, losses, credits, distributions and Percentage Interest shall be transferred to the Replacement Managing Member and the Replacement Managing Member shall be paid all fees and loans, including but not limited to MM Incentive Management Fees, Operating Deficit Loans and MM Loans, which would have been payable to the removed Managing Member had an Event of Default not occurred. In addition, the obligation to pay any Development Fee, or portion thereof, that is not paid with the Managing Member’s Special Capital Contribution in accordance with Section 4.1(c), shall be automatically assigned to the Replacement Managing Member. The
Replacement Managing Member shall be automatically admitted and become the managing member of the Company without the need for any approval from any Member, Agency or any Lender, unless otherwise required by the Agency or by any Lender, and shall be irrevocably delegated all of the power and authority of the Managing Member pursuant to Section 5.1. Each Member hereby grants to the Investor Member a special power of attorney, irrevocable to the extent permitted by law and coupled with an interest, to amend the Certificate and this Agreement and to do anything else which, in the view of the Investor Member, may be necessary or appropriate to accomplish the purposes of this Section 7.2(b)(ii) or to enable the Replacement Managing Member admitted pursuant to this Section 7.2(b)(ii) to manage the business of the Company. The admission of the Replacement Managing Member shall not relieve the former Managing Member of any of its obligations hereunder incurred as a Managing Member, and the former Managing Member shall fully indemnify and hold harmless the Replacement Managing Member from and against any and all losses, judgments, liabilities, expenses and amounts paid in settlement of any claims sustained in connection with its capacity as a Managing Member. For the avoidance of doubt, the Managing Member shall not be responsible for obligations incurred or arising from the actions or inactions of the Replacement Managing Member or after the Replacement Managing Member is admitted to the Company or for claims arising after its removal and not attributable to the former Managing Member’s actions or inactions.

(iii) The Investor Member hereby is granted an irrevocable power of attorney, coupled with an interest, to execute any and all documents on behalf of the Members and the Company as shall be legally necessary and sufficient to effect all of the foregoing provisions of this Section 7.2, including, without limitation, any amendment to the Certificate and this Agreement.

(iv) Upon the occurrence of an Event of Default by the Managing Member described in Section 7.1(a), the Investor Member may, at its option, at any time, require the Managing Member to, and the Managing Member shall, purchase the Investor Member’s Interest in the Company for an amount equal to the Capital Contribution paid by the Investor Member (together with interest thereon at an annual interest rate of ten percent (10%) compounded annually from the date on which each installment of the Investor Member’s Capital Contribution was actually advanced to the Company) plus all expenses (including, without limitation, reasonable costs of in house and outside legal counsel and accountants) incurred by the Investor Member in connection with its participation in the Company and enforcing their rights hereunder, plus the repayment in full of all outstanding IM Loans plus any federal income tax liability incurred by the Investor Member as a result of the payment of any amounts pursuant to this Section 7.2(b)(iv) less Housing Tax Credits allocated to the Investor Member that have not been or will not be recaptured. Upon receipt of such amount, the Investor Member’s interest as an Investor Member in the Company shall terminate, the Investor Member shall transfer its interest in the Company to the Managing Member or its designees, and the Managing Member shall indemnify and hold harmless the Hunt Indemnified Parties from and against any losses, damages, liabilities, costs or expenses (including reasonable attorneys’ fees) to which the Hunt Indemnified Parties (as a result of its participation hereunder) may be subject. In case such action is brought against any Hunt Indemnified Party, and it notifies the Managing Member of the commencement thereof as soon as practicable, the Managing Member will be entitled to participate in, and, to the extent that it chooses so to do, to assume the investigation and defense thereof (including the employment of counsel reasonably satisfactory to the Hunt Indemnified
(v) The Managing Member, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, agrees that if the Managing Member becomes the subject of Bankruptcy proceedings pursuant to the United States Bankruptcy Code, as it may be amended (the “Bankruptcy Code”), then (i) any other Member shall thereupon be entitled to immediate relief from any automatic stay imposed by Section 362 of the Bankruptcy Code or otherwise, on or against the exercise of the rights and remedies available to such Member pursuant to this Agreement or otherwise, and (ii) any Member may apply or move the bankruptcy court in which the Bankruptcy proceedings are pending for a change of venue to the bankruptcy court where the Company has its principal place of business and the Managing Member agrees not to oppose or object to such application or motion in any way. The foregoing shall in no way preclude, restrict or prevent the Managing Member from filing for protection under the Bankruptcy Code.

(vi) This is an agreement under which applicable law excuses the Investor Member from accepting performance from any Managing Member which is a debtor in a case under the Bankruptcy Code, 11 U.S.C. § 101 et seq., from a trustee of any such debtor and from the assignee of any such debtor or trustee. The Managing Member acknowledges that the Investor Member has entered into this Agreement with the Managing Member in consideration of and in reliance upon its unique knowledge, experience and expertise, and that of its principals in the planning and implementation of the development of the Apartment Complex and in the area of affordable housing and development in general. The foregoing restriction on transfer is
based in part on the above factors. The Managing Member expressly agrees that the Investor Member shall not be required to accept performance under this Agreement from any person other than the Managing Member, including, without limitation, any trustee of the Managing Member appointed under the Bankruptcy Code, 11 U.S.C. § 101 et seq., and any assignee of any such trustee or any receiver or examiner appointed under federal or state law.

(vii) Upon the occurrence of an Event of Default, the Company shall withhold payment of any installment of fees payable pursuant to Section 5.9 and the Managing Member shall be liable for the Company’s payment of any and all installments of the Development Fee payable pursuant to the Development Agreement. All amounts so withheld by the Company under this Section 7.2(b)(vii) shall be promptly released to the payees thereof only after the Managing Member has cured the default justifying the withholding, as demonstrated by evidence acceptable to the Investor Member.

(viii) In addition to the foregoing remedies, the Investor Member can take suits, actions or proceedings in equity or at law, either for the specific performance of any covenant or contract contained herein or in aid or execution of any right herein granted, or for any legal or equitable remedy as the Investor Member shall deem most effectual to protect and enforce this Agreement, the Guaranty and the Project Documents.

(c) Cure. After Notice from the Investor Member pursuant to Section 7.2(a), the Managing Member shall have the following opportunity to cure only the following Events of Default:

(i) There shall be no cure period with respect to Events of Default described in Section 7.1(a). There shall be no cure period with respect to Events of Default described in any of Sections 7.1(b)(ii) and (iii) (the "No Cure Sections").

(ii) The Managing Member shall have ten (10) Business Days from the date of the Notice of Default to cure a monetary Event of Default described in Sections 7.1(b)(i), (iv), (vi), (xi), (xvi) and (xvii) in a manner acceptable to the Investor Member in its sole discretion.

(iii) In the case of an Event of Default in Section 7.1(b) that is susceptible of cure, the Managing Member shall have thirty (30) days from the date of the Notice of Default to cure such Event of Default in a manner acceptable to the Investor Member in its sole discretion or, if the Managing Member commences such cure within thirty (30) days from the date of the Notice of Default and proceeds diligently and in good faith to cure such Event of Default, ninety (90) days from the date of the Notice of Default; but only if the failure to cure such Event of Default within such ninety (90) day period does not have, or in the sole judgment of the Investor Member, will not have, a material adverse effect on the Company, the Apartment Complex or the Investor Member.

(iv) With respect to any Event of Default attributable solely to the Co-Managing Member and for which such Event of Default has been cured by the Administrative Member, the Administrative Member shall have the right to replace the Co-Managing Member with another entity Consented to by the Investor Member. With respect to any Event of Default
attributable solely to the Administrative Member and for which such Event of Default has been cured by the Co-Managing Member, the Co-Managing Member shall have the right to replace the Administrative Member with another entity Consented to by the Investor Member.

(v) Any cure of an Event of Default by the Investor Member or an Affiliate of the Investor Member shall not constitute a cure by the Managing Member.

7.3 Nonexclusive Remedies. No remedy herein conferred upon or reserved to the Investor Member is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Investor Member to exercise any remedy reserved to it in this Article, it shall not be necessary to give any Notice other than such Notice as may be herein expressly required or as may be required by law.

7.4 Attorney’s Fees and Expenses. If an Event of Default shall exist under this Agreement and the Investor Member employs attorneys or incurs other expenses for the collection of any amounts due hereunder, or for the enforcement of performance of any obligation or agreement on the part of the Managing Member, Developer or Guarantor, the Managing Member shall upon demand pay to the Investor Member the reasonable fees of such attorneys and such other expenses so incurred.

7.5 Effect of Waiver. In the event any Event of Default is waived by the Investor Member, such waiver shall be limited to the particular Event of Default so waived and shall not be deemed to waive any other Event of Default hereunder. Any such waiver shall only be effective if signed in writing by the Investor Member.

ARTICLE 8
MANAGING MEMBER GUARANTEES

8.1 Construction Completion Guaranty.

(a) The Managing Member shall:

(i) Cause all of the dwelling units in the Apartment Complex to be Placed in Service on or before the later of (a) December 31, 2019 or (b) March 31, 2020 if the date required by the Code and the Agency to preserve the Housing Tax Credits is extended beyond December 31, 2019;

(ii) Achieve Completion on or before the date that is ninety (90) days following the date set forth in Section 8.1(a)(i);

(iii) Cause the full funding of the HOME Loan and FWHFC Loan by Permanent Loan Closing; and
(iv) Fulfill all actions required of the Company to assure that the Apartment Complex satisfies the Minimum Set-Aside Test and the Rent Restriction Test on or before the end of the first year of the Credit Period.

(b) The Managing Member hereby is obligated to pay all Development Deficits when and as incurred. The Company shall have no obligation to pay any Development Deficits. Any amounts funded by the Managing Member pursuant to this clause (b) shall not be treated as a Capital Contribution or a Member Loan and shall not be repaid by the Company. Such Development Deficits may, at the Managing Member’s election together with the prior Consent of the Investor Member, be paid by the Managing Member, through the deferral of additional Development Fee as set forth in Section 3(b) of the Development Agreement, causing a portion of the unpaid Development Fee then due (not to exceed the lesser of the amount such Development Deficits or the unpaid cash portion of the Development Fee then due to the Developer) to be changed to a Deferred Development Fee in the manner provided in Section 3(b) of the Development Agreement (a “DDF Election”), provided, the Investor Member shall Consent to such deferral only if the Investor Member determines, in its sole discretion, that all of the Deferred Development Fee (including any additional deferral to pay Development Costs) can be repaid by the Company through distributions from the cash flow waterfall under Section 14.1(a) within thirteen years after Rental Achievement, further provided that such Consent shall not be required if the Deferred Development Fee is not necessary to be included in the Eligible Basis in order to generate Projected Housing Tax Credits and the Investor Member’s Capital Account is expected to remain positive throughout the period of eleven (11) taxable years beginning with the first taxable year of the Credit Period.

(c) The Managing Member shall pay any Development Deficits pursuant to Section 8.1 by the earlier of (i) the date required to avoid a default or penalties under Company obligations, including, without limitation, the Loans, (ii) the date required to keep all sources of funding for the Apartment Complex “in balance,” (iii) the date required to keep all expenses without a specific maturity date paid on a sixty (60) day current basis or (iv) such earlier date as may be set forth in this Agreement.

(d) If, as the result of any failure by the Sub-Contractor to fulfill its obligations under that certain agreement between Sub-Contractor and General Contractor with respect to the Apartment Complex, a Development Deficit exists and the Guarantor makes a payment of such Development Deficit under the Guaranty, any liquidated damages payment received by the Partnership under the Construction Contract shall be paid to the Guarantor to the extent the Guarantor makes such a payment.

8.2 Operating Deficit Guaranty. Subject to the Managing Member’s right under Section 5.10(b) to use funds in the Operating Deficit Reserve to pay Operating Deficits, if at any time during the Operating Deficit Guaranty Period, an Operating Deficit shall exist, the Managing Member shall make an Operating Deficit Loan to the Company as shall be necessary to pay such Operating Deficits; provided, however, that the Managing Member shall not be obligated to make an Operating Deficit Loan if and to the extent such loan would cause the aggregate amount of all Operating Deficit Loans then outstanding to exceed $540,000 (the “Operating Deficit Loan Cap”). Any Operating Deficit Loan shall be on the following terms: (a) it shall be unsecured; (b) it shall not bear interest; (c) it shall be repayable solely from Cash
Flow and proceeds of a Capital Transaction at the time and in the amounts set forth in Sections 14.1(a), 14.1(b) and 17.2(b) of this Agreement; and (d) it shall be fully subordinated to payment of the Loans, IM Loans, MM Loans and indebtedness of the Company to all Persons other than Members. The Managing Member shall be required to fund Operating Deficits pursuant to this Section 8.2 by the earlier of (A) the date required to avoid a default or penalties under Company obligations, including, without limitation, the Loans, and (B) the date required to keep all expenses without a specific maturity date paid on a sixty (60) day current basis. Proceeds of an Operating Deficit Loan may not be used to pay fees to the Management Agent if it is an Affiliate of the Managing Member, the Developer, or the Guarantors.

8.3 Housing Tax Credit Compliance Guaranty.

(a) If, at any time after the earlier to occur of (i) the date that the Investor Member’s Capital Contribution obligation has been reduced to zero or (ii) the occurrence of an Event of Default, there is a Housing Tax Credit Shortfall other than as a result of a Housing Tax Credit Disallowance Event, the Managing Member shall promptly, but in any event within five (5) calendar days after demand, pay the Investor Member an amount equal to (1) the amount of the Housing Tax Credit Shortfall for the fiscal year immediately preceding the Payment Date, (2) all penalties and interest imposed by the Code and assessed against the Investor Member, by the Service with respect to any Housing Tax Credit Shortfall, and (3) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt from the Managing Member of the amounts specified in the foregoing clauses (1), (2) and this clause (3) (such calculation to be made assuming the Investor Member is subject to the highest federal and Texas state rate imposed on corporate taxpayers under the Code and applicable state law for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member) together with interest on such amounts at the AFR accruing from the Payment Date if such payments in (i), (ii) and (iii) are not made on the Payment Date. There shall be no duplication between amounts paid under this Section 8.3(a) and amounts reflected as reductions in Capital Contributions (and/or payments by the Managing Member, if applicable) under Section 4.2(d).

(b) If at any time after the earlier to occur of (i) payment of the Investor Member’s Capital Contribution or (ii) the occurrence of an Event of Default, there is a Housing Tax Credit Disallowance Event, the Managing Member shall promptly, but in any event within five (5) days after demand, pay to the Investor Member the sum of the following amounts: (i) the amount of Housing Tax Credits previously allocated to the Investor Member, and subsequently disallowed because of such Housing Tax Credit Disallowance Event; (ii) the “credit recapture amount” (as defined in Code Section 42(j)(2)) allocated to the Investor Member because of such Housing Tax Credit Disallowance Event; (iii) all penalties and interest imposed by the Code and assessed against the Investor Member by the Service with respect to such Housing Tax Credit Disallowance Event; (iv) an amount sufficient to pay any tax liability owed by the Investor Member resulting from the receipt from the Managing Member of the amounts specified in the foregoing clauses (i), (ii), (iii), and this clause (iv) (such calculation to be made assuming the Investor Member is subject to the highest federal and Texas state rate imposed on corporate taxpayers under the Code and applicable state law for the taxable year of the Investor Member in which such payment is taken into income by the Investor Member) together with interest on such amounts at the AFR accruing from the date the Investor Member remits funds to
a taxing authority with respect to a Housing Tax Credit Disallowance Event; and (v) if the cause of
the Housing Tax Credit Disallowance Event will in the determination of the Investor Member
decrease the maximum amount of Housing Tax Credits that will be available to the Company
and allocated to the Investor Member during the remainder of the Credit Period assuming full
compliance with Code Section 42, then an amount equal to the total amount of such decrease.
There shall be no duplication between amounts paid under this Section 8.3(b) and amounts
reflected as reductions in Capital Contributions (and/or payments by the Managing Member, if
applicable) under Section 4.2(d).

(c) If the Investor Member receives a payment under the Housing Tax Credit
Compliance Guaranty and the Company has appealed the issue giving rise to such payment (but
has not caused a stay of enforcement with respect to such issue), and if the Company prevails on
such appeal based on a final ruling by a federal court of competent jurisdiction, then the Investor
Member shall refund the excess payment under the Housing Tax Credit Compliance Guaranty
which it had received.

(d) If there is a Tax Law Change, the Managing Member shall use its good
faith, reasonable efforts to comply with such Tax Law Change and to avoid a Housing Tax
Credit Shortfall or Housing Tax Credit Disallowance Event, based on such Tax Law Change. If
despite the Managing Member’s good faith, reasonable efforts to comply with the Tax Law
Change, such Tax Law Change results in a claim under Section 8.3 (a “Limited Recourse
Liability”), then the sole recourse of the Investor Member with respect to the Limited Recourse
Liability shall be to the Pledged Payments (excluding only payments of the Development Fee)
and the Managing Member shall have no personal liability for the payment of such Limited
Recourse Liability (unless and to the extent it wrongfully received Pledged Payments or
otherwise breached this Agreement) that should have been made to the Investor Member in
satisfaction of the Limited Recourse Liability.

8.4 Permanent Loan Funding Guaranty.

(a) The Managing Member irrevocably and unconditionally guarantees and
covenants that the Company shall achieve Permanent Loan Closing (including repayment in full
of the Construction Loan as and when due) and receive full funding of the Permanent Loan from
the Permanent Lender on the terms set forth in the Permanent Loan Commitment, which include
the following terms: (i) the principal amount of the Permanent Loan shall be $8,300,000 (as may
be increased by the Permanent Lender); provided that in no event shall the principal amount of
the Permanent Loan result in aggregate Debt Service Coverage Ratio being less than 1.15 to
1.00, as determined by the Investor Member in its good faith discretion); (ii) the interest rate
shall be a fixed market interest rate for comparable loans; (iii) the maturity date of the Permanent
Loan will be not less than fifteen (15) years from Permanent Loan Closing; (iv) the Permanent
Loan shall amortize over a term of thirty five (35) years; (v) for the first two years of the
Permanent Loan only interest payments shall be made; and (vi) the Permanent Loan shall be
nonrecourse, except for customary carve-outs.

(b) A “Permanent Loan Shortfall” shall be the amount by which $8,300,000
exceeds the principal amount of the Permanent Loan necessary to obtain a Debt Service
Coverage Ratio of 1.15 to 1.00. The Managing Member shall provide such funds to the
Company or, with the Consent of the Investor Member, defer the Managing Member’s portion of the Development Fee to be paid as a Deferred Development Fee, as may be necessary to pay for any Permanent Loan Shortfall before Permanent Loan Closing; provided, the Investor Member shall Consent to such deferral only if the Investor Member determines, in its sole discretion, that all of the Deferred Development Fee (including any additional deferral to pay Development Costs) can be repaid by the Company through distributions from the cash flow waterfall under Section 14.1(a) within thirteen years after the Placed in Service Date, further provided that such Consent shall not be required if the Deferred Development Fee is not necessary to be included in the Eligible Basis in order to allocate Projected Housing Tax Credits to the Investor Member and the Investor Member’s Capital Account is expected to remain positive throughout the period of eleven (11) taxable years beginning with the first taxable year of the Credit Period. Any amounts funded by the Managing Member pursuant to this clause (b) shall not be treated as a Capital Contribution or a Member Loan and shall not be repaid by the Company. The Permanent Loan Shortfall shall be used by the Company to reduce the principal amount of the Permanent Loan to result in an aggregate Debt Service Coverage Ratio of not less than 1.15 to 1.00.

8.5 Security Documents. As security for the foregoing guarantees and the other obligations of the Managing Member under this Agreement and the Developer under the Development Agreement and concurrently with the execution of this Agreement, the Managing Member shall cause to be delivered to the Investor Member the following documents: (a) Managing Member Pledge; (b) Developer Pledge; and (c) Guaranty.

ARTICLE 9
WITHDRAWAL OF THE MANAGING MEMBER; ADMISSION OF NEW MANAGING MEMBER; REMOVAL OF A MANAGING MEMBER

9.1 Withdrawal.

(a) Except for an Involuntary Withdrawal, the Managing Member may not Withdraw from the Company or sell, transfer assign or encumber its Interest without the Consent of the Investor Member.

(b) In the case of a Managing Member who is an individual, upon the death or adjudication of incompetence of such Managing Member, such Managing Member shall cease to be a Managing Member and shall have no Interest in the Company.

9.2 Admission of Additional Managing Member(s) under Certain Circumstances.

(a) Except as otherwise provided in Article 7, a Person shall be admitted as a Managing Member (the “Additional Managing Member”) of the Company only if the following terms and conditions are satisfied, or waived by the Investor Member:

(i) except as otherwise provided in Article 7 or in the event of the Withdrawal of the Managing Member, the admission of such Person has been consented to by the Managing Member or its successor;

(ii) the admission of such Person has been Consented to by the Investor Member and, if required, by the Agency and the Lenders;
(iii) the successor or additional Person has accepted and agreed in writing to be bound by (i) all the terms and provisions of this Agreement, and (ii) all the terms and provisions of the documents executed in connection with each of the Loans and the Extended Use Agreement, by executing counterparts thereof, if required by the Lenders and/or the Agency, as applicable, and (iii) all the terms and provisions of such other documents or instruments as may be required or appropriate in order to admit such Person as a Managing Member, and (iv) if required under the Uniform Act as a condition precedent to the admission of a Managing Member, an amendment to the Certificate has been filed;

(iv) such Person has provided the Company with evidence satisfactory to Counsel for the Company of its authority to become a Managing Member, to do business in the State and to be bound by the terms and provisions of this Agreement; and

(v) Counsel for the Company has rendered an opinion that the admission of the successor or additional Person is in conformity with the Uniform Act and that none of the actions taken in connection with the admission of the successor Person will cause the termination or dissolution of the Company or will cause it to be classified other than as a limited liability company for federal income tax purposes.

9.3 Effect of Voluntary Withdrawal of Managing Member.

(a) In the event of the Voluntary Withdrawal of the Managing Member, the business of the Company shall be continued by the other Managing Member(s); provided, however, that if the withdrawn Managing Member is then the sole Managing Member, or if such Managing Member withdraws from the Company in contravention of the provisions of Section 9.1 of this Agreement, then the Company shall be terminated, unless within ninety (90) days after receiving Notice of such withdrawal, a majority-in-interest of the other Members elect to designate a successor Managing Member and continue the Company upon the admission of such successor Managing Member to the Company.

(b) If, at the time of the Voluntary Withdrawal of a Managing Member, the withdrawing Managing Member was not the sole Managing Member of the Company, the remaining Managing Member or Managing Members shall immediately (i) give Notice to the Investor Member of such Withdrawal, and (ii) make such amendments to this Agreement and execute and file such amendments or documents or other instruments as are necessary to reflect the disposition of the Interest of the withdrawing Managing Member pursuant to this Section 9.3. The remaining Managing Member or Managing Members are hereby granted an irrevocable power of attorney, coupled with an interest, to execute any or all documents on behalf of the Members and the Company and to file such documents as may be required to effectuate the provisions of this Section 9.3.

(c) Upon a Voluntary Withdrawal, (i) the Managing Member shall cease to have any Interest in the Company, (ii) the Managing Member shall not be entitled to any distributions or allocations from the Company, (iii) the Managing Member shall not be entitled to any repayment of Operating Deficit Loans and (iv) the Managing Member shall not be entitled to any payments of the MM Incentive Management Fee relating to the period of time after the date of its withdrawal. The Managing Member shall be entitled, however, to receive any fees
expressly provided for under this Agreement which have been fully earned and accrued prior to the date of Withdrawal, which fee shall be paid when and as specified in this Agreement and shall be entitled to the payment of any MM Loans in the time and manner specified in this Agreement.

(d) If the Managing Member Withdraws from the Company, including, without limitation, an Involuntary Withdrawal, then the Managing Member shall be and shall remain liable for all damages to the Investor Member resulting from the Withdrawal of the Managing Member in breach of this Agreement and for all its obligations and liabilities under this Agreement, including, without limitation, all its liabilities and obligations under Article 5 (including, without limitation, its obligation to make a Managing Member’s Special Capital Contribution in an amount sufficient to pay the Deferred Development Fee on or before the date of such Deferred Development Fee as required to be paid under this Agreement); provided, however, that the Managing Member shall have no liability with respect to any actions or failure to act on the part of any Replacement Managing Member or for claims arising after its removal and not attributable to the former Managing Member’s actions or inactions.

(e) Upon a Voluntary Withdrawal, the Investor Member, or its designee shall, at the sole option of the Investor Member, be admitted as a Replacement Managing Member on the terms set forth in Section 7.2(b)(ii).

9.4 **Effect of Involuntary Withdrawal of Managing Member.** The effect of an Involuntary Withdrawal of the Managing Member is set forth in Article 7.

**ARTICLE 10**

**RIGHTS OF THE INVESTOR MEMBER**

10.1 **Management of the Company.** No Investor Member shall have the right to take part in the management or control of the business of the Company or to transact any business in the name of the Company. No provision of this Agreement which makes the Consent of any Investor Member a condition for the effectiveness of an action taken by the Managing Member is intended and no such provision shall be construed to give any Investor Member any participation in the control of the Company business.

10.2 **Limitation on Liability of the Investor Member.** The liability of each Investor Member shall be limited to its Capital Contribution as and when payable under the provisions of this Agreement, and as provided under the Uniform Act. No Investor Member shall have any other liability to contribute money to, or in respect of the liabilities or obligations of, the Company, nor shall any Investor Member be personally liable for any obligations of the Company, except as and to the extent provided in the Uniform Act. No Investor Member shall be obligated to make loans to the Company.

10.3 **Other Activities.** Any Investor Member may engage in or possess interests in other business ventures of every kind and description for its own account, including, without limitation, serving as managing or investor member of other companies which own, either directly or through interests in other partnerships, government-assisted housing projects similar to the Apartment Complex. Neither the Company nor any of the Members shall have any right
by virtue of this Agreement in or to such other business ventures to the income or profits derived therefrom.

10.4 Full Disclosure of and Right to Revise Information. The Investor Member shall have the right to review information pertaining to the Company which is possessed by the Managing Member, and the right to receive on a regular basis timely and accurate reports, schedules and accountings to the Company’s financial performance, in each case as may be required pursuant to this Agreement or as requested by the Investor Member.

10.5 Fees to Hunt and its Affiliates. Commencing on the date first Unit in the Apartment Complex is Placed in Service, Hunt, its successor or an Affiliate thereof, shall earn an annual fee (pro rata for first year) for its services in connection with the Company’s accounting matters relating to the Investor Member, and assisting with the preparation of tax returns and the reports required by Section 18.7 in the original amount of $7,500 and then adjusted annually to reflect a 3% annual increase (the “Asset Management Fee”). The Asset Management Fee shall be payable from Cash Flow and proceeds of a Capital Transaction, in the manner and priority set forth in Article 14 on April 1 of each year. If, however, Cash Flow in any fiscal year is insufficient to pay the full amount of Asset Management Fee, the Asset Management Fee shall accrue without interest and be payable to Hunt until such time there is sufficient Cash Flow in the manner and priority set forth in Article 14. Any Asset Management Fee earned prior to Rental Achievement shall accrue without interest until Rental Achievement at which time interest shall start to accrue on any unpaid portion.

10.6 Control Over Investor Member Decisions. Unless otherwise expressly provided, any decision required to be made by the Investor Member under this Agreement shall be made by the Investor Members. Any decision required to be made by the majority in interest of the Investor Members shall be made by the Investor Members of any class whose Percentage Interest in the Company exceeds fifty percent (50%) of the Percentage Interests of all Investor Members. The decision of the majority in interest of the Investor Members shall be effective after five (5) days’ Notice has been given to each Investor Member and the occurrence of any of the following: (i) a written document signed by the Investor Members; or (ii) a written document signed by the Investor Members who own more than fifty percent (50%) of the Percentage Interests of the Investor Members.

ARTICLE 11
TRANSFERABILITY OF INVESTOR MEMBER INTERESTS

11.1 Assignment or Pledge of Investor Member Interests.

(a) Each of the Investor Member or the Special Investor Member shall have the right at any time to make an Assignment of its Interests as follows:

(i) Prior to payment of all of its Capital Contributions:

(A) to any Person without the Consent or approval of the Managing Member or any other Member, provided that an Affiliate of the Investor Member will serve as the manager or general partner of such Person; and
(B) to a non-Affiliate with the approval of the Managing Member which approval shall not be unreasonably withheld or delayed.

(ii) After payment of its Capital Contributions:

(A) to any Person without any restriction.

In connection with the Investor Member’s admission into the Company and acquisition of their respective Interests, the Managing Member acknowledges that the Investor Member intends to assign its Interest subsequent to the Closing Date and may pledge its Interests to the Equity Lender. The Investor Member shall Notify the Managing Member as to any Assignment.

(b) The Investor Member or the Special Investor Member whose interest is being transferred shall pay such reasonable expenses as may be incurred by the Company in connection with such transfer.

(c) The Managing Member shall cooperate with the Investor Member and/or the Special Investor Member in facilitating such Assignment by promptly furnishing complete and accurate financial and other relevant data regarding the Company, the Apartment Complex, the Managing Member and Affiliates of the Managing Member and any other matters reasonably necessary in the judgment of the Investor Member or the Special Investor Member to facilitate such Assignment, including any amendments to this Agreement or the Project Documents so long as such amendments do not materially adversely affect the Managing Member.

(d) Within five (5) days of receipt of notification, the Managing Member shall execute the form of Assignment and shall cause Counsel for the Company, at the Managing Member’s expense, to deliver to the Investor Member an opinion as to the enforceability of such Assignment, if not already provided (the form of such Assignment is attached hereto as Exhibit M).

11.2 Admission of Substitute Investor Member.

(a) Subject to the other provisions of this Article 11, an assignee of the Interest of an Investor Member or the Special Investor Member (which shall be understood to include any purchaser, transferee, donee, or other recipient of any disposition of such Interest) shall be deemed admitted as a Substitute Investor Member of the Company only upon the satisfactory completion of the following:

(i) Consent of the Managing Member (which may not be unreasonably withheld), and the consent of the Permanent Lender, if required, has been given; such Consent of the Managing Member may be evidenced by the execution by the Managing Member of an amended Agreement and/or Certificate evidencing the admission of such Person as an Investor Member pursuant to the requirements of the Uniform Act; provided, however, the Investor Member may transfer its Interest to an Affiliate and to any tax credit syndication fund of which the Investor Member or an Affiliate thereof is the general partner or managing member, pursuant to the Assignment, in the form attached hereto as Exhibit M, without obtaining the consent of Managing Member or any Lender;
(ii) the assignee has accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart thereof or an appropriate amendment hereto, and such other documents or instruments as the Managing Member may reasonably require in order to effect the admission of such Person as an Investor Member or the Special Investor Member; and

(iii) if required by the Act, an amended Agreement and/or Certificate evidencing the admission of such Person as an Investor Member or the Special Investor Member shall be filed.

(b) For the purpose of allocation of profits, losses and credits, and for the purpose of distributing cash of the Company, a Substitute Investor Member shall be treated as having become, and as appearing in, the records of the Company as a Member upon its signing of an amendment to this Agreement agreeing to be bound hereby.

(c) The Managing Member shall cooperate with the Person seeking to become a Substitute Investor Member by preparing the documentation required by this Section and making all official filings and publications. The Company shall take all such action, including the filing, if required, of any amended Agreement and/or Certificate, if obtainable, evidencing the admission of any Person as an Investor Member, bringing forward the effective date of the Title Policy and issuing any new or modified endorsements to the Title Policy that the Substitute Investor Member may require, and the making of any other official filings and publications, as promptly as practicable after the satisfaction by the assignee of the Interest of an Investor Member of the conditions contained in this Article 11 to the admission of such Person as an Investor Member of the Company. Any cost or expense incurred in connection with such admission (including any transfer taxes) shall be borne by the Substitute Investor Member.

11.3 Rights of Assignee of Limited Liability Company Interest.

(a) Except as provided in this Article 11 and as required by operation of law, the Company shall not be obligated for any purpose whatsoever to recognize the assignment by any Investor Member of its Interest until the Company has received actual Notice thereof.

(b) Any Person who is the assignee of all or any portion of an Investor Member’s Interest, but does not become a Substitute Investor Member, and who desires to make a further assignment of such Interest, shall be subject to all the provisions of this Article 11 to the same extent and in the same manner as any Investor Member desiring to make an assignment of its Interest.

11.4 Equity Lender. The Members acknowledge that the Equity Lender may advance funds to the Investor Member and Special Investor Member prior to the admission of investors into the funds sponsored by the Investor Member and, to the extent that the Investor Member and Special Investor Member have loans outstanding from the Equity Lender in order to finance their Capital Contributions, all Members hereby Consent to the admission of the Equity Lender as a Substitute Investor Member if the Equity Lender finds itself in the position of enforcing certain remedies in connection with its loan to the Investor Member and Special Investor Member. Each Member hereby agrees to cooperate with the Equity Lender, as the Investor Member and Special
Investor Member may from time to time reasonably request, by delivering to the Equity Lender information concerning the Company and documents executed by such Member.

11.5 **Funds Sponsored by Investor Member(s).** All Members hereby agree to cooperate with the Investor Member, as may be reasonably requested by the Investor Member, in connection with the admission of investors into the funds sponsored by the Investor Member. In addition to such Opinion of Counsel (which Opinion of Counsel shall be at the expense of the Company), if the Investor Member request then the Managing Member shall cause, from time to time, one or more updates to the Opinion of Counsel to be delivered to the Investor Member, which updates shall be at the expense of the Company.

**ARTICLE 12**
**BORROWINGS**

12.1 **Borrowings.** The Company is authorized to receive Operating Deficit Loans, IM Loans and MM Loans on the terms set forth in this Agreement. In addition, if (a) additional funds are required by the Company for any purpose relating to the business of the Company or for any of its obligations, expenses, costs or expenditures, and (b) the Company has not received an Operating Deficit Loan, IM Loan or MM Loan to pay such amounts, then the Company may borrow such funds as are needed from a Person or organization other than a Member in accordance with the terms of this Section 12.1, for such period of time and on such terms as the Managing Member and the Investor Members may agree; provided, however, that no such additional loans shall be secured by any mortgage or other encumbrance on the property of the Company without the prior approval of the Investor Member and, to the extent required, the Consent of the Agency and/or the Lenders. Nothing in this Section 12.1 shall modify or affect the obligation of the Managing Member to make Operating Deficit Loans and to perform its obligations when and as required by this Agreement.

**ARTICLE 13**
**ALLOCATIONS**

13.1 **Allocation of Profits, Losses and Housing Tax Credits from Operations.** After giving effect to the special allocations set forth in Section 13.4, all profits, losses and Housing Tax Credits incurred or accrued by the Company, other than those arising from a Capital Transaction, shall be allocated to the Members in accordance with the Members’ Percentage Interests.

13.2 **Allocation of Profits and Losses From Capital Transactions.** After giving effect to the special allocations set forth in Section 13.4, all profits and losses recognized by the Company from a Capital Transaction in any fiscal year shall be allocated in the following manner:

(a) **Profits.** (i) First, profits shall be allocated to the Members with negative Adjusted Capital Account balances, that portion of profits (including any treated as ordinary income for federal income tax purposes) which is equal in amount to, and in proportion to, such Members’ respective negative Adjusted Capital Accounts in the Company; provided that no profit shall be allocated under this Section 13.2(a) to a Member once such Member’s Adjusted
Capital Account balance is brought to zero and (ii) second, profits in excess of the amount allocated under (i) shall be allocated to the Members in the amounts and to the extent necessary to increase the Members’ respective positive Capital Accounts so that the proceeds distributed in accordance with the Members’ respective positive Capital Account balances under Section 17.2(b)(iv) below will equal the amounts that would have been received if the proceeds were instead distributed under Section 14.1(b)(viii) below.

(b) **Losses.** (i) First, losses shall be allocated to the Members in the amount and to the extent necessary so that the proceeds distributed in accordance with the Members’ respective positive Capital Account balances under Section 17.2(b)(iv) below will equal the amounts that would have been received if the proceeds were instead distributed under Section 14.1(b)(viii) below, and (ii) second, any remaining losses shall be allocated to the Members in accordance with the manner in which they bear the economic risk of loss associated with such losses or, if none, to the Members in accordance with their Percentage Interests.

13.3 **Determination of Profits and Losses.** The terms “profits” and “losses” used in this Agreement shall mean income and losses, and each item of income, gain, loss, deduction or credit entering in to the computation thereof determined in accordance with the method of accounting followed by the Company and computed in accordance with Code Sections 703(a) and 704(b), and Regulation Section 1.704-1(b)(2)(iv). Every item of income, gain, loss, deduction, credit or tax preference entering into the computation of such profits or losses, or applicable to the period during which such profits and losses are allocated to such partner, shall be considered allocated to each Member in the same proportion as profits and losses are allocated to such Member.

13.4 **Special Allocations.** Notwithstanding the foregoing provisions of this Article 13:

(a) **Recourse Obligations.**

(i) If the Company incurs losses from extraordinary events that are not recovered from insurance or otherwise, including casualty losses, losses resulting from liability to third parties for tortious injury, losses resulting from a breach of legal duty by the Company or by the Managing Member, and losses resulting from other liabilities which are not incurred in the ordinary course of business (“**Recourse Obligations**”), such losses shall be allocated to the Managing Member. Nothing in this Section 13.4(a)(i) shall prevent the Company from recovering an extraordinary loss from a Managing Member who is liable therefor by law or under this Agreement.

(ii) If the Company incurs Recourse Obligations secured by Company property with respect to which the Managing Member or a related person of the Managing Member bears the risk of loss, then except to the extent otherwise required by the Regulations, deductions attributable to the Recourse Obligations shall be allocated to the Members in accordance with their Percentage Interests provided, however, that any such deductions which, if allocated to the Investor Members, would cause or increase a negative balance in their Capital Accounts shall be allocated to the Managing Member. Upon the disposition of such property, any income or gain shall be allocated first to the Managing Member to the extent of any
deductions specially allocated to the Managing Member under this Section 13.4(a)(ii) and then to the Members in accordance with their Percentage Interests.

(b) Recapture Allocation. If any profit arises from the sale or other disposition of any Company asset which shall be treated as ordinary income under the depreciation recapture provisions of the Code including, but not limited to, Sections 1245 and 1250, then the full amount of such ordinary income shall be allocated among the Members in the proportions that the Company deductions from the depreciation giving rise to such recapture were actually allocated. If subsequently-enacted provisions of the Code result in other recapture income, no allocation of such recapture income shall be made to any Member who has not received the benefit of those items giving rise to such other recapture income.

(c) Tax Allocations, Section 704(c). Income, gain, loss and deduction with respect to any asset which has a variation between its basis computed in accordance with Regulation Section 1.704-1(b) and its basis computed for federal income tax purposes shall be shared among the Members so as to take account of such variation in a manner consistent with the principles of Section 704(c) of the Code and Regulation Section 1.704-1(b)(2)(iv)(g).

(d) Minimum Gain Chargeback. If there is a net decrease in Company Minimum Gain during a Company taxable year, each Member will be allocated (without duplication of items allocated in 13.4(a) and 13.4(b)) items of income and gain for such year (and, if necessary, subsequent years) in proportion to, and to the extent of, an amount equal to such Member’s share of the net decrease in Company Minimum Gain during the year, before any other allocation of Company items for such taxable year. A Member shall not be subject to this mandatory allocation of income or gain to the extent that any of the exceptions provided in Regulation Section 1.704-2(f)(2)-(5) apply. All allocations pursuant to this Section 13.4(d) shall be in accordance with Regulation Section 1.704-2(f). This provision is a “minimum gain chargeback” within the meaning of Regulation 1.704-2(f) and shall be construed as such.

(e) Member Nonrecourse Debt Minimum Gain. If the Company incurs Member Nonrecourse Liability in which a Member or a related person to the Member bears the risk of loss, then partner nonrecourse deductions (within the meaning of Regulations Section 1.704-2(i)(2)) shall be allocated to such Member. If there is a net decrease in Member Nonrecourse Debt Minimum Gain during a Company taxable year, then each Member with a share of the minimum gain attributable to such debt at the beginning of such year will be allocated items of income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member’s share of the net decrease in Member Nonrecourse Debt Minimum Gain during the year. A Member is not subject to this Member Nonrecourse Debt Minimum Gain chargeback to the extent that any of the exceptions provided in Regulation Section 1.704-2(i)(4) applied consistently with Regulation Section 1.704-2(f)(2)-(5) apply. Such allocations shall be made in a manner consistent with the requirements of Regulation Section 1.704-2(i)(4) under Section 704 of the Code.

(f) Qualified Income Offset. If an Investor Member unexpectedly receives (i) an allocation of loss or deduction or expenditures described in Section 705(a)(2)(B) of the Code made (A) pursuant to Section 704(e)(2) of the Code to a donee of an Interest, (B) pursuant to Section 706(d) of the Code as the result of a change in any Member’s Interest or (C) pursuant to
Regulation Section 1.751-1(b)(2)(ii) as a result of a distribution by the Company of unrealized receivables or inventory items or (ii) a distribution, and such allocation and/or distribution would cause the negative balance in such Member’s Capital Account to exceed (1) such Member’s share of Company Minimum Gain plus (2) the amount of such Member’s obligation (actual or deemed) to restore a negative balance in such Member’s Capital Account plus (3) such Member’s share of Member Nonrecourse Debt Minimum Gain, then such Member shall be allocated items of income and gain in an amount and manner sufficient to eliminate such negative balance as quickly as possible. For purposes of Section 13.6, a Member’s Capital Account shall be treated as reduced by Qualified Income Offset Items. This provision is a “qualified income offset” under the meaning of Regulation Section 1.704-1(b)(2)(ii)(d)(3) and shall be interpreted and applied in a manner consistent with such Regulation.

(g) Nondeductible Items. If any fee payable to any Managing Member or any Affiliate thereof shall instead be determined to be a nondeductible, noncapitalizable distribution from the Company to a Member for federal income tax purposes, then there shall be allocated to such Managing Member in the year(s) of payment an amount of gross income equal to the amount of such distribution in such year(s).

(h) Member Loans. If a Member makes any Member Loans pursuant to Article 4, any deductions or losses of the Company attributable to the use of those funds shall be specially allocated to such Member and if there is a repayment of all or part of such funds in any year, such Member shall be allocated in such year an amount of gross income equal to the amount of such repayment.

(i) Operating Deficit Loans. Subject to Section 13.4(a), if the Managing Member funds any Operating Deficit Loans pursuant to Section 8.2, any deductions or losses of the Company attributable to the use of those funds shall be specially allocated to the Managing Member, and if there is a repayment of all or part of such funds in any year, the Managing Member shall be allocated in such year an amount of gross income equal to the amount of such repayment.

(j) Gross Income Allocation for Unanticipated Gross Income. Notwithstanding any other provision of this Agreement, before any other allocation of gross income and gain is made under this Agreement, in the event that any unanticipated gross income arises from a subsequent recharacterization of a tax reporting position of the Company, it is the intent of the Members that all such gross income shall be allocated to the Managing Member.

(k) Gross Income Allocation for Unanticipated Fee Recharacterization. If any fee payable by the Company to any Member or any Affiliate thereof shall instead be determined to be a nondeductible, noncapitalizable distribution from the Company to a Member for federal income tax purposes, then there shall be allocated to such Member in the year of payment an amount of gross income equal to the amount of distribution in such year(s).

(l) Construction Period Income. One hundred percent (100%) of the Company’s net taxable income incurred during the Construction Period shall be specially allocated to the Managing Member.
(m) **Nonrecourse Deductions.** “Nonrecourse deductions” (within the meaning of Regulation Section 1.704-2(b)(1)) shall be allocated to the Members in accordance with their Percentage Interests. “Member nonrecourse deductions” (within the meaning of Regulation section 1.704-2(c)) shall be allocated to the Member who bears the economic risk of loss associated with such deductions, in accordance with Regulation Section 1.704-2(i).

13.5 **Authority of the Managing Member to Vary Allocations to Preserve and Protect the Members’ Intent.**

(a) It is the intent of the Members that each Member’s distributive share of profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures and credits (and items thereof) shall be determined and allocated in accordance with this Agreement to the fullest extent permitted by Section 704(b) of the Code. In order to preserve and protect the determinations and allocations provided for in this Agreement, subject to the prior written Consent of the Investor Member, the Managing Member is hereby authorized and directed to allocate profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures and credits (and items thereof) arising in any year differently than otherwise provided for in this Agreement to the extent that allocating profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures or credits (or any item thereof) in the manner provided for herein would cause the determinations and allocations of each Member’s distributive share of profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures or credits (or any item thereof) not to be permitted by Section 704(b) of the Code. Any allocation made pursuant to this Section 13.5 shall be deemed to be a complete substitute for any allocation otherwise provided for in this Agreement, and no amendment of this Agreement or approval of any Member shall be required.

(b) In making any allocation under Section 13.5(a) (a “New Allocation”), the Managing Member is authorized to act only after having been advised in writing by the Accountants or the Investor Member that, under Section 704(b) of the Code, (i) the New Allocation is necessary, and (ii) the New Allocation is the minimum modification of the allocations otherwise provided for in this Agreement necessary in order to assure that, either in the then-current year or in any preceding year, each Member’s distributive share of profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures and credits (or any item thereof) is determined and allocated in accordance with this Agreement to the fullest extent permitted by Section 704(b) of the Code.

(c) If the Managing Member is required by Section 13.5(a) to make any New Allocation in a manner less favorable to the Investor Member than is otherwise provided for herein, then the Managing Member is authorized and directed, only after having been advised in writing by the Accountants or the Investor Member that such an allocation is permitted by Section 704(b) of the Code, to allocate profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures and credits (and any item thereof) arising in later years in such manner so as to bring the allocations of profits, tax-exempt income, losses, non-deductible non-capitalizable expenditures and credits (and each item thereof) to the Members as nearly as possible to the allocations thereof otherwise contemplated by this Agreement.
13.5 New Allocations made by the Managing Member under Section 13.5(a) and Section 13.5(c) in reliance upon the advice of the Accountants shall be deemed to be made pursuant to the fiduciary obligation of the Managing Member to the Company and the Members, and no such allocation shall give rise to any claim or cause of action by any Member.

13.6 Capital Account.

(a) An individual Capital Account shall be established and maintained on behalf of each Member, including any additional or Substitute Investor Member who shall hereafter receive an interest in the Company. In accordance with Regulation Section 1.704-1(b), the Capital Account of each Member shall consist of (i) the amount of cash such Member has contributed to the Company plus (ii) the fair market value of any property such Member has contributed to the Company net of any liabilities assumed by the Company or to which such property is subject plus (iii) the amount of profits or income (including tax-exempt income) allocated to such Member less (iv) the amount of losses and deductions allocated to such Member less (v) the amount of all cash distributed to such Member less (vi) the fair market value of any property distributed to such Member net of any liabilities assumed by such Member or to which such property is subject less (vii) such Member’s share of any other expenditures which are not deductible by the Company for federal income tax purposes or which are not allowable as additions to the basis of Company property and shall be (viii) subject to such other adjustments as may be required under the Code. Each Member’s Capital Account shall be maintained and adjusted in accordance with the Code and the Regulations. It is the intention of the partners that the Capital Accounts maintained under this Agreement be determined and maintained throughout the full term of this Agreement in accordance with the accounting rules of Regulation Section 1.704-1(b)(2)(iv), and the foregoing provisions shall be interpreted and applied in a manner consistent with such Regulation.

(b) If the Company is liquidated within the meaning of Regulation Section 1.704-1(b)(2)(ii)(g) and if the Managing Member’s Capital Account has a deficit balance (after giving effect to all contributions, distributions and allocations for all taxable years, including the year during which such liquidation occurs), the Managing Member shall make Capital Contributions in the amount of such deficit in compliance with Regulation Section 1.704-1(b)(2)(ii)(b)(3). Notwithstanding the foregoing, if the Company is liquidated within the meaning of Regulation Section 1.704-1(b)(2)(ii)(g) but no event has occurred under Section 17.1 to dissolve the Company, the Company assets shall not be liquidated, the Company’s liabilities shall not be paid or discharged, and the Company’s affairs shall not be wound up.

(c) The original Capital Account established for any Substitute Investor Member shall be in the same amount as, and shall replace, the Capital Account of the Member which such Substitute Investor Member succeeds, and, for the purposes of this Agreement, such Substitute Investor Member shall be deemed to have made the Capital Contribution, to the extent actually paid in, of the Member which such Substitute Investor Member succeeds. To the extent a Substitute Investor Member receives less than one hundred percent (100%) of the Interest of a Member it succeeds, the original Capital Account of such transferee Substitute Investor Member and his Capital Contribution shall be in proportion to the portion of the transferor Member’s Interest prior to the transfer which the transferee receives, and the Capital Account of the transferor Member who retains a portion of its former Interest and its Capital Contribution shall
continue, and not be replaced, in proportion to the portion of the transferor Member’s Interest prior to the transfer which the transferor Member retains. Nothing in this Section 13.6 shall affect the limitations on transferability of Interests set forth in Article 11.

13.7 Excess Nonrecourse Liabilities. The Members agree that, except as otherwise determined by the Investor Member pursuant to this Section, the Members’ interests in the Company profits for such purposes of determining such Members’ interests in Company profits for purposes of such Members’ share of the excess nonrecourse liabilities of the Company under Treasury Regulation Section 1.752-3(a)(3) shall be determined by the Members’ allocable share of profits from Section 13.2(a); provided, however, that the Members agree that, upon giving written notice to the Managing Member, the Investor Member shall have the right at any time to cause the Company to use the alternative method under Treasury Regulation Section 1.752-3(a)(3) if the Investor Member reasonably determines that such alternative method would (or could reasonably be expected to) avoid or mitigate any tax or economic detriment to the Investor Member or its Affiliates (as a result of an actual or pending change in law, change in circumstance or otherwise). Without limiting the foregoing, the Managing Member shall provide written notice to the Investor Member no later than 45 days following the close of any taxable year of the Company in which the Investor Member’s adjusted basis in the Company interest is or is reasonably likely to be zero.

ARTICLE 14
DISTRIBUTIONS AND PAYMENTS

14.1 Distributions and Payments of Cash Flow (Other than Cash From a Capital Transaction and Other Than in Connection with a Liquidation).

(a) Cash Flow. Subject to Agency and Lender approval (if required) and after Rental Achievement, Cash Flow of the Company for each fiscal year or portion thereof shall be applied and distributed on the following Payment Date in the following priority:

(i) to the Housing Tax Credit Shortfall Payment, if required under Section 4.2(d)(iii);

(iv) to the repayment of the FWHFC Loan in an amount equal to the lesser of (i) the amount of the scheduled debt service payment then due on the FWHFC Loan or (ii) seventy-five percent (75%) of the remaining Cash Flow;

(v) to the payment of the Asset Management Fee for such year, and any accrued and unpaid Asset Management Fee;
(vi) one hundred percent (100%) of the remaining Cash Flow to the payment of any Deferred Development Fee as described in the Development Agreement;

(vii) to the repayment of the HOME Loan in an amount equal to the lesser of (i) the amount of the scheduled debt service payment then due on the HOME Loan or (ii) seventy-five percent (75%) of the remaining Cash Flow;

(viii) to replenish any draws from the Operating Reserve;

(ix) to the repayment of any Operating Deficit Loans;

(x) to the payment of any unpaid and accrued Management Agent fees under Section 16.2;

(xi) then:

(A) if the Managing Member’s Capital Account is less than or equal to zero, then until the Managing Member has received payments of the MM Incentive Management Fee under this clause 14.1(a)(xi)(A) equal to the maximum amount for the preceding fiscal year, Cash Flow under this clause 14.1(a)(xi)(A) shall be paid and distributed seventy percent (70%) to the Managing Member as payment of the MM Incentive Management Fee (of which 67.5% shall be paid to the Co-Managing Member and 32.5% shall be paid to the Administrative Member) up to a maximum of $120,000 per annum, and twenty percent (20%) to the Special Investor Member and ten percent (10%) to the Investor Member as a distribution;

(B) if the Managing Member’s Capital Account is greater than zero, then until the Managing Member’s Capital Account equals zero, Cash Flow under this clause 14.1(a)(xi)(B) shall be distributed seventy percent (70%) to the Managing Member as a distribution (of which 67.5% shall be paid to the Co-Managing Member and 32.5% shall be paid to the Administrative Member), and twenty percent (20%) to the Special Investor Member and ten percent (10%) to the Investor Member as a distribution; and

(xii) the balance thereof, if any, shall be paid and distributed seventy percent (70%) to the Managing Member (of which 67.5% shall be paid to the Co-Managing Member and 32.5% shall be paid to the Administrative Member), twenty percent (20%) to the Special Investor Member and ten percent (10%) to the Investor Member as a distribution.

Additionally, notwithstanding the foregoing, during such time as Agency and Lender regulations are applicable to the Apartment Complex, the total amount of Cash Flow which may be so distributed to the Members in respect to any fiscal year shall not exceed such amounts as Agency and Lender regulations permit to be distributed.

(b) Distributions of Cash From Capital Transaction (Other Than in Connection with a Liquidation). Within thirty (30) days of a Capital Transaction, Cash From Capital Transaction (other than a sale or other disposition of the property of the Company in connection with a liquidation and dissolution of the Company which is governed by Article 17 below) or cash proceeds from a refinancing of the Permanent Loan, shall be applied or distributed in the following order of priority:
(i) to the Housing Tax Credit Shortfall Payment if required under Section 4.2(d)(iii);

(ii) to the payment of any amounts owing to the Investor Member or other Hunt Indemnified Parties by reason of any unpaid indemnification or guaranty obligation of the Managing Member pursuant to this Agreement or of the Guarantors pursuant to the Guaranty;

(iii) (A) to the payment of the Excess IM Loan Amount, (B) then to the payment of the Excess MM Loan Amount and (C) then to the payment of IM Loans and MM Loans, pro rata based on their respective outstanding balances;

Without limiting the generality of the foregoing, the Company immediately shall send to all Affected Members copies of any notice of a proposed or final Partnership Adjustment received by the Company and/or the Partnership Representative from the Service. To the extent requested by the Affected Member and permitted under Treasury Regulations or by the Service or other taxing authority in a particular tax audit or contest, the Partnership Representative shall cooperate in allowing the Affected Member or its representative to participate, at its own expense, in such tax audit or contest.

(e) Duties and Limitations on Authority. The Partnership Representative and any Designated Individual shall have all power and authority of a partnership representative and designated individual, respectively, as set forth in Section 6223 of the Code, and shall represent the Company and its Members in all dealings with the Service and state and local taxing

If the Company receives notice of a final Partnership Adjustment from the Service, the Partnership Representative shall so notify the Affected Members, and if requested to do so by the Investor Member, (i) the Partnership Representative shall file a petition for readjustment within the time frame required by Treasury Regulations or Service guidance, and/or (ii) the Partnership Representative shall cause the Company to seek any and all available judicial review of such final Partnership Adjustment as is available under applicable law. Notwithstanding the foregoing, except as specifically provided in Section 15.3 below, the Partnership Representative shall not, without the Consent of the Investor Member (and, in the case of (C), (D) and (F), the Investor Member for the Reviewed Year), have any power or authority to do any or all of the following:

(g) **Indemnification.** To the extent of available funds, the Company shall indemnify the Partnership Representative against judgments, fines, amounts paid in settlement and expenses (including attorneys’ fees) reasonably incurred by the Partnership Representative in its capacity as the Partnership Representative, and not its capacity as a Member or a Former Member, in connection with any audit or administrative or judicial proceeding in which the Partnership Representative is involved solely by reason of being the Partnership Representative of the Company, provided that the same were not the result of negligence, misconduct, fraud, breach of fiduciary duty or breach of this Agreement on the part of the Partnership Representative and were the result of a course of conduct which the Partnership Representative, in good faith, reasonably believed to be in the best interests of the Investor Member and within the scope of its authority under this Article 15.

15.3 **Modifications and Company Elections**

(a) **Modifications to Imputed Underpayment.** If requested to do so by the Investor Member, the Managing Member shall request modification of an Imputed
Underpayment in accordance with any applicable Treasury Regulations, forms, instructions, and other guidance prescribed by the Service. With any such request, the Investor Member shall describe the modifications or adjustment factors that the Investor Member believes affect the calculation of the Imputed Underpayment in sufficient detail to substantiate the request for modification and timely provide all required supporting documents or information.

(b) **Amended Returns.** If requested to do by the Investor Member, the Partnership Representative shall request a modification of an Imputed Underpayment based on an amended return (or, to the extent permitted by law, any similar statement) filed by a Member (or its owners) that takes account of all of the Partnership Adjustments properly allocable to such Member (or its owners). Any such request shall be accompanied by an affidavit from the requesting Member that each required amended return (or similar statement) has been filed and all Taxes due as a result of taking into account the adjustments in the first affected year and all modification years have been paid, as required by any applicable Regulations, forms, instructions, and other guidance prescribed by the Service.

(c) **Push-Out Election.** If requested to do so by the Investor Member, the Partnership Representative shall timely make and implement an election (a “Push-Out Election”) under Section 6226 of the Code with respect to an Imputed Underpayment. Except as hereinafter provided, if a Push-Out Election is made, each Reviewed Year Member shall take into account its allocable share of the Partnership Adjustments that relate to the specified Imputed Underpayment (as determined with the Consent of the Investor Member for such Reviewed Year) and shall be liable for any Taxes as described in Section 6226 of the Code and any applicable Treasury Regulations or other guidance prescribed by the Service.

(d) **Reimbursement of Allocable Share of Imputed Underpayment.** If the Company becomes obligated to make an Imputed Underpayment under Code Section 6225, each of the Members (including any Former Member) to whom such liability relates (as determined with the Consent of the Investor Member) shall be obligated, within thirty (30) days after written notice from the Managing Member, to pay an amount that, on an After-Tax Basis if such payment is treated as a taxable payment to the Company, is equal to its allocable share of such amount to the Company; provided, however, that if and to the extent that the Company’s liability results from a loss, disallowance or recapture of Housing Tax Credits for which a Housing Tax Credit Shortfall Payment is due to such Person and has not been paid, the amount otherwise payable by such Person to the Company under this Section 15.3(d) shall be reduced by the amount of any unpaid Housing Tax Credit Shortfall Payment payable to such Person so that the Company will bear the portion of the Imputed Underpayment equal to such reduction, and such Housing Tax Credit Shortfall Payment shall be paid to the Company and applied to the Imputed Underpayment. Any amount not paid by a Member (or Former Member) within such 30-day period shall accrue interest at Prime Rate plus 2% until paid. Any such payment made by any Member shall be treated as a Capital Contribution and, if and to the extent permitted by the Code and Regulations, any Capital Account reduction attributable to the Imputed Underpayment shall be allocated to the Members in proportion to such Capital Contributions.

(e) **Withholding.** Notwithstanding anything to the contrary contained herein, the Managing Member shall cause the Company to withhold from any distribution or payment due to any Member (or Former Member) under this Agreement any amount due to the Company...
from such Member (or Former Member) under clause (d) above. Any amount(s) so withheld shall be applied by the Company to discharge the obligation in respect of which such amount was withheld. All amounts withheld pursuant to the provisions of this Section 15.3(e) with respect to a Member (or Former Member) shall be treated as if such amounts were distributed or paid, as applicable, to such Member (or Former Member).

(f) **Indemnity.** To the extent that a portion of the Taxes imposed under Code Section 6225 relates to a Former Member, the Managing Member shall require such Former Member to indemnify the Company for its allocable portion of such tax (including any penalties, additions to tax, additional amounts, and interest) to the extent such amounts have not been withheld pursuant to the provisions of Section 15.3(e). Each Member acknowledges that, notwithstanding the transfer or liquidation of all or any portion of its Interest in the Company, it shall remain liable for Taxes with respect to its allocable share of income and gain of the Company for the Company’s taxable years (or portions thereof) prior to such transfer or liquidation and entitled to the Consent rights provided to it in this Article 15 with respect to such taxable years unless otherwise agreed to in writing by the Members during the taxable year(s) (or portion thereof) to which the Taxes relate and all Former Members during the Company’s taxable year(s) (or portion(s) thereof) to which the Taxes relate.

(g) **Continuing Obligations.** Whether the liability is assessed to the Company or the Members (or Former Members), the parties hereto acknowledge and agree that nothing in this Article 15 is intended, nor shall it be construed, to modify or waive any obligations of the Managing Member under this Agreement including, without limitation, the obligation to make a payment pursuant to the provisions of Section 4.2(d).

15.4 **Related Tax Items**

(a) **Tax Counsel or Accountants.** The Partnership Representative, with the reasonable Consent of the Investor Member, shall employ experienced tax counsel and/or accountants to represent the Company in connection with any audit or investigation of the Company by the Service or any other taxing authority and in connection with all subsequent administrative and judicial proceedings arising out of such audit. Such counsel and/or accountants shall be responsible for representing the Company; it shall be the responsibility of the Members, at their expense, to employ tax counsel or accountants to represent their respective separate interests.

(b) **Survival.** The rights and obligations of each Member or Former Member under this Section shall survive the transfer, redemption or liquidation by such Member of its Company Interest and the termination of this Agreement or the dissolution of the Company.

(c) **Amendments.** Upon the promulgation of revised Treasury Regulations implementing the Revised Partnership Audit Rules or upon further amendment of the Revised Partnership Audit Rules, the Members will evaluate and consider options available with respect to preserving the allocation of responsibility and authority described in this Article 15, while conforming with the applicable provisions of the Revised Partnership Audit Rules. The Members agree to work together in good faith to make elections and amend this Agreement (if
any party determines that an amendment is required) to maintain the intent of the parties with respect to the obligations and limitations of the Partnership Representative.

(d) **State and Local Income Tax Matters.** The provisions of this Article 15 shall also apply to state and local income tax matters affecting the Company to the extent the terms and conditions hereof have any application to audit procedures at the state and local level.

Notwithstanding the foregoing, if at any time the Management Agent is an Affiliate of any Managing Member, Guarantor or Developer, payment of the Management Fee shall be subordinated to payment of Operating Expenses, Debt Service Expenses and funding of any reserve required under this Agreement, and any portion of the Management Fee which is not paid shall accrue without interest and be paid from available Cash Flow in accordance with Section 14.1(a) hereof. If the Management Agent is an Affiliate of the Managing Member, the Developer or the Guarantors, then the Management Fee shall not be paid from either the Operating Reserve or an Operating Deficit Loan.

16.4 Replacement of Management Agent. Upon termination of the Management Agreement with the Management Agent, the Managing Member shall appoint a new Management Agent which is not an Affiliate of the Managing Member, Developer or Guarantor, subject to the Consent of the Investor Member, to the extent required, the Lenders, and on the terms set forth in Section 16.2.

Upon the complete liquidation and distribution of the Company assets, the Members shall cease to be Members of the Company, and the Liquidator shall execute, acknowledge and cause to be filed all certificates and notices required by the law to terminate the Company. All Members hereby grant to the Investor Member a special power of attorney, irrevocable to the extent permitted by law, coupled with an interest, to so appoint replacement Accountants and to do anything else which in the view of the Investor Member may be necessary or appropriate to accomplish the purpose of this Section 18.3(c).

(viii) By November 1 of each year, a draft of the Annual Budget for the Company for the next year, which budget shall have been prepared by the Managing Member or the Management Agent and shall be subject to the approval of the Investor Member, with such approval not to be unreasonably withheld.

(b) Upon the written request of the Investor Member for further information with respect to any matter covered in item (a) above, the Managing Member shall furnish such information within thirty (30) days of receipt of such request.

(c) Prior to October 15 of each year, the Company shall send to the Investor Member an estimate of each Investor Member’s share of the Housing Tax Credits, profits and losses of the Company for federal income tax purposes for the current fiscal year. Such estimate shall be prepared by the Managing Member and the Accountants.

(d) Within ninety (90) days after the end of each fiscal year of the Company, the Managing Member shall provide to the Investor Member:

(i) a certification from the Managing Member that (A) all payments payable with respect to all Loans and all taxes and insurance with respect to the Apartment
Complex are current as of the date of the year-end report, (B) there is no default under the Project Documents or this Agreement, or if there is any such default, a detailed description thereof, and (C) there is no building, health or fire code violation or similar violation of a governmental law, ordinance or regulation against the Apartment Complex or, if there is any such violation, a detailed description thereof; and

(ii) a descriptive statement of all transactions during the fiscal year between the Company and any Managing Member or any Affiliate thereof, including the nature of the transaction and the payments involved.

(c) The Managing Member shall send the Investor Member a detailed report within five (5) Business Days after the occurrence of any of the following events:

(i) there is a default by the Company under any Project Document or in the payment of any mortgage, taxes, interest or other obligation on secured or unsecured debt;

(ii) any reserve has been reduced or terminated by application of funds therein for purposes materially different from those for which such reserve was established;

(iii) the Managing Member has received any notice of a fact which may materially affect further distributions or Housing Tax Credit allocations to any Investor Member; or

(iv) any Member has pledged or collateralized its Interest in the Company.

(f) On or before ninety (90) days after the expiration of each fiscal year of the Managing Member or its members, such Managing Member or its members shall send to the Investor Member copies of the balance sheet and income statement of such Managing Member or its members for such fiscal year, which financial statements shall be audited by an independent certified public accountant in the case of a Managing Member or its members which is an Entity.

(j) The Managing Member hereby Consents to any Agency providing the Investor Member with copies of all material communications between any such office and the Managing Member and/or the Company, including any notices of default.
(k) The Managing Member shall promptly Notify the Investor Member if it becomes aware of any violation of Anti-Corruption Laws, or circumstances likely to give rise to such a violation by the Company, the Developer, the Managing Member, the Guarantors or any Affiliate of the Managing Member, the Developer or the Guarantors. Upon request by the Investor Member, the Managing Member will provide information verifying compliance with Anti-Corruption Laws by the Company, the Developer, the Managing Member, the Guarantors or any Affiliate of the Managing Member, the Developer or the Guarantors.

(l) If the Managing Member does not cause the Company to fulfill its obligations under this Section 18.7, the Managing Member shall pay as damages the sum of $100.00 per day to the Investor Member until such obligations shall have been fulfilled. Such damages shall be immediately paid by the Managing Member, and failure to so pay shall constitute a material default of the Managing Member hereunder. In addition, if the Managing Member shall so fail to pay, the Managing Member shall cease to be entitled to the MM Incentive Management Fee and to the payment of any Cash Flow or Capital Transaction proceeds to which it may otherwise be entitled hereunder. Such payments of the MM Incentive Management Fee, Cash Flow and Capital Transaction proceeds shall be restored only upon the payment of such damages in full, and any amount of such damages not so paid shall be deducted against payments of the MM Incentive Management Fee, Cash Flow and Capital Transaction proceeds due to the Managing Member. The imposition of this fee does not affect the other rights and remedies the Investor Member has under this Agreement and all such rights and remedies are expressly reserved.

18.8 Expenses of the Company. All expenses of the Company shall be billed directly to and paid by the Company.

18.9 Housing Tax Credit Compliance Records. Without limiting the foregoing, all such records relating to initial occupancy of each Low-Income Apartment Unit by Qualified Tenants and evidencing timely satisfaction of the Minimum Set-Aside Test and the HOME Minimum Set-Aside Test shall be stored for a period of not less than 21 years.

18.10 Compliance Audit. The Investor Member may, at its own expense, conduct or cause to be conducted an audit or review of the Company’s compliance with all regulations and procedures relating to the operation of the Apartment Complex as a qualified Tax Credit project within the meaning of Section 42(h) of the Code. Such audit or review shall be conducted upon not less than thirty (30) or more than ninety (90) days prior Notice. The Managing Member shall cooperate with any such audit by making appropriate personnel of the Managing Member and the Management Agent and all books and records of the Apartment Complex and Company available to the Investor Member or its representatives at the offices of the Company during regular business hours.

18.11 Inspections. The Investor Member, at its sole cost and expense, shall have the right to conduct physical inspections of the Apartment Complex on an annual basis (or more

the Managing Member shall take all reasonable steps necessary to cooperate therewith.

18.12 Guarantors’ Financial Statements. The Managing Member shall cause to be
delivered to the Investor Member financial statements of each of the Guarantors to include a
schedule of contingent liabilities, together with bank statements for each Guarantor who is an
individual, within ninety (90) days of the end of each fiscal year of such Guarantor, unless
waived by the Investor Member in writing.

The singular shall include the plural and the masculine gender shall include the feminine and neuter, and vice versa, unless the context otherwise requires. The words “includes,” “including” and the like shall in each case mean “including without limitation.” References to “Sections” and “Articles” refer to Sections and Articles of this Agreement, unless otherwise specified. References to any Regulations (permanent or temporary) or Revenue Procedures shall include any successor provisions.

19.3 **Binding Effect.** The covenants and agreements contained herein shall be binding upon and inure to the benefit of the heirs, executors, administrators, successors and assigns of the respective parties hereto.

19.4 **Applicable Law.** This Agreement shall be construed and enforced in accordance with the laws of the State.

19.5 **Counterparts.** This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

19.6 **Entire Agreement.** This Agreement sets forth all (and is intended by all parties to be an integration of all) of the representations, promises, agreements and understandings among the parties hereto with respect to the Company, the Company’s business and the property of the Company, and there are no representations, promises, agreements or understandings, oral or written, express or implied, among them other than as set forth or incorporated herein.

19.7 **Reserved.**

19.8 **Separability of Provisions.** Each provision of this Agreement shall be considered separable and (a) if for any reason any provision is determined to be invalid, such invalidity shall not impair the operation of or affect those portions of this Agreement which are valid, or (b) if for any reason any provision would cause any Investor Member to be bound by the obligations of the Company (other than the rules and regulations of any Agency and the requirements of any Lender), such provision or provisions shall be deemed void and of no effect.
19.9 **Paragraph Titles.** All article and section headings in this Agreement are for convenience of reference only and are not intended to qualify the meaning of any article or section.

19.10 **Project Lender Provisions.** Notwithstanding anything to the contrary, all required Lender consents must be obtained for the following actions: (a) permitting the withdrawal of a Managing Member from the Company; (b) admitting a new Managing Member to the Company; (c) substituting a Managing Member; (d) amending this Agreement or the Company’s Certificate of Formation; (e) selling all or substantially all of the Company’s assets; (f) dissolving, liquidating or terminating the Company; or (g) borrowing funds from a Managing Member or any third party.

19.11 **No Continuing Waiver.** The waiver by any party of any breach of this Agreement or any full or partial condition for performance hereunder shall not operate as or be construed to be a waiver of any subsequent breach or condition.

19.12 **Amendment Procedure.** This Agreement may be amended by the Managing Member only with the Consent of the Investor Member. To the extent that the Investor Member(s) has or have loans outstanding from the Equity Lender in order to finance their Capital Contribution(s), no amendment may be made to Article 14 without the Consent of the Equity Lender. The Managing Member agrees to execute amendments proposed by the Investor Member which do not affect the obligations of the Managing Member under this Agreement and (a) increase or impose upon the Investor Member or Special Investor Member the obligation to restore a deficit balance in its Capital Account, or (b) prospectively decrease the obligation of the Investor Member or Special Investor Member to restore a deficit balance in its Capital Account in a subsequent fiscal year of the Company. The Managing Member agrees to cooperate and to act promptly with respect to amendments proposed by the Investor Member.

19.13 **Waiver of Jury Trial.** (A) **EACH OF THE PARTIES HERETO HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY, AFTER OPPORTUNITY FOR CONSULTATION WITH INDEPENDENT COUNSEL, WAIVES ITS RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS OR OBLIGATIONS (I) UNDER THIS AGREEMENT, (II) ARISING FROM THE FINANCIAL RELATIONSHIP BETWEEN THE PARTIES IN CONNECTION WITH THIS AGREEMENT OR (III) ARISING FROM ANY COURSE OF DEALING, COURSE OF CONDUCT, STATEMENT (VERBAL OR WRITTEN) OR ACTION OF THE PARTIES IN CONNECTION WITH SUCH FINANCIAL RELATIONSHIP; (B) NO PARTY HERETO WILL SEEK TO CONSOLIDATE ANY SUCH ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL HAS NOT BEEN OR CANNOT BE WAIVED; (C) THE PROVISIONS OF THIS SECTION HAVE BEEN FULLY NEGOTIATED BY THE PARTIES HERETO, AND THESE PROVISIONS SHALL BE SUBJECT TO NO EXCEPTIONS; (D) NO PARTY HERETO HAS IN ANY WAY AGREED WITH OR REPRESENTED TO ANY OTHER PARTY THAT THE PROVISIONS OF THIS SECTION WILL NOT BE FULLY ENFORCED IN ALL Instances; AND (E) THIS SECTION IS A MATERIAL INDUCEMENT FOR THE INVESTOR MEMBER TO ENTER INTO THIS AGREEMENT.
19.14 **No Third-Party Rights.** No creditor or other third party having dealings with the Company shall have the right to enforce the right or obligation of any Member to make Capital Contributions or loans or to pursue any other right or remedy hereunder or at law or in equity, it being understood and agreed that the provisions of this Agreement shall be solely for the benefit of, and may be enforced solely by, the parties hereto and their respective successors and assigns. None of the rights or obligations of the Members herein set forth to make Capital Contributions or loans to the Company shall be deemed an asset of the Company for any purpose by any creditor or other third party until such Capital Contribution is made or loan is advanced nor may such rights or obligations be sold, transferred or assigned by the Company or pledged or encumbered by the Company to secure any debt or other obligation of the Company or of any of the Members. Without limiting the generality of the foregoing, a deficit Capital Account of a Member shall not be deemed to be a liability of such Member nor an asset or property of the Company.

19.15 **Forbearance.** Any forbearance by the Investor Member in exercising any right or remedy under this Agreement, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any other right or remedy, or the subsequent exercise of any right or remedy. The enforcement by the Investor Member of any right herein shall not constitute an election by the Investor Member of remedies so as to preclude the exercise of any other right available to the Investor Member.

19.16 **Review with Counsel.** THE MEMBERS ACKNOWLEDGE THAT THEY HAVE READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS AGREEMENT AND HAVE BEEN ADVISED BY COUNSEL AS NECESSARY OR APPROPRIATE.

**ARTICLE 20**

**SPE PROVISIONS**

20.1 **Single Purpose Entity Requirements.** All capitalized terms in this Article 20 shall have the meaning set forth in the Permanent Loan Agreement. Until the Indebtedness is paid in full, each Borrower and any SPE Equity Owner will remain a “Single Purpose Entity,” which means at all times since its formation and thereafter will satisfy each of the following conditions:

(a) It will not engage in any business or activity, other than the ownership, operation and maintenance of the Mortgaged Property and activities incidental thereto.

(b) It will not acquire, own, hold, lease, operate, manage, maintain, develop or improve any assets other than the Mortgaged Property and such Personality as may be necessary for the operation of the Mortgaged Property and will conduct and operate its business as presently conducted and operated.

(c) It will preserve its existence as an entity duly organized, validly existing and in good standing (if applicable) under the laws of the jurisdiction of its formation or organization and will do all things necessary to observe organizational formalities.

(d) It will not merge or consolidate with any other Person.
(e) It will not take any action to dissolve, wind-up, terminate or liquidate in whole or in part; to sell, transfer or otherwise dispose of all or substantially all of its assets; to change its legal structure; transfer or permit the direct or indirect transfer of any partnership, membership or other equity interests, as applicable, other than Transfers permitted under the Permanent Loan Agreement; issue additional partnership, membership or other equity interests, as applicable, or seek to accomplish any of the foregoing.

(f) It will not, without the prior unanimous written consent of all of Borrower’s partners, members, or shareholders, as applicable, and, if applicable, the prior unanimous written consent of 100% of the members of the board of directors or of the board of Managers of Borrower take any of the following actions:

(i) File any insolvency, or reorganization case or proceeding, to institute proceedings to have Borrower be adjudicated bankrupt or insolvent.

(ii) Institute proceedings under any applicable insolvency law.

(iii) Seek any relief under any law relating to relief from debts or the protection of debtors.

(iv) Consent to the filing or institution of bankruptcy or insolvency proceedings against Borrower.

(v) File a petition seeking, or consent to, reorganization or relief with respect to Borrower under any applicable federal or state law relating to bankruptcy or insolvency.

(vi) Seek or consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator, custodian, or any similar official for Borrower or a substantial part of its property.

(vii) Make any assignment for the benefit of creditors of Borrower.

(viii) Admit in writing Borrower’s inability to pay its debts generally as they become due.

(ix) Take action in furtherance of any of the foregoing.

(x) It will not amend or restate its organizational documents if such change would cause the provisions set forth in those organizational documents not to comply with the requirements set forth in this Section.

(g) It will not own any subsidiary or make any investment in, any other Person.

(h) It will not commingle its assets with the assets of any other Person and will hold all of its assets in its own name.
(i) It will not incur any debt, secured or unsecured, direct or contingent (including guaranteeing any obligation), other than the following: (A) The Indebtedness (and any further indebtedness as described in the Permanent Loan Agreement with regard to Supplemental Instruments). (B) Customary unsecured trade payables incurred in the ordinary course of owning and operating the Mortgaged Property provided the same are not evidenced by a promissory note, do not exceed, in the aggregate, at any time a maximum amount of 2% of the original principal amount of the Indebtedness and are paid within 60 days of the date incurred.

(j) It will maintain its records, books of account, bank accounts, financial statements, accounting records and other entity documents separate and apart from those of any other Person and will not list its assets as assets on the financial statement of any other Person; provided, however, that Borrower’s assets may be included in a consolidated financial statement of its Affiliate provided that (A) appropriate notation will be made on such consolidated financial statements to indicate the separateness of Borrower from such Affiliate and to indicate that Borrower’s assets and credit are not available to satisfy the debts and other obligations of such Affiliate or any other Person, and (B) such assets will also be listed on Borrower’s own separate balance sheet.

(k) Except for capital contributions or capital distributions permitted under the terms and conditions of its organizational documents, it will only enter into any contract or agreement with any general partner, member, shareholder, principal or Affiliate of Borrower or any Guarantor, or any general partner, member, principal or Affiliate thereof, upon terms and conditions that are commercially reasonable and substantially similar to those that would be available on an arm’s-length basis with third parties.

(l) It will not maintain its assets in such a manner that will be costly or difficult to segregate, ascertain or identify its individual assets from those of any other Person.

(m) It will not assume or guaranty (excluding any guaranty that has been executed and delivered in connection with the Note) the debts or obligations of any other Person, hold itself out to be responsible for the debts of another Person, pledge its assets to secure the obligations of any other Person or otherwise pledge its assets for the benefit of any other Person, or hold out its credit as being available to satisfy the obligations of any other Person.

(n) It will not make or permit to remain outstanding any loans or advances to any other Person except for those investments permitted under the Loan Documents and will not buy or hold evidence of indebtedness issued by any other Person (other than cash or investment-grade securities).

(o) It will file its own tax returns separate from those of any other Person, except if Borrower (A) is treated as a “disregarded entity” for tax purposes and is not required to file tax returns under applicable law or (B) is required by applicable law to file consolidated tax returns, and will pay any taxes required to be paid under applicable law.

(p) It will hold itself out to the public as a legal entity separate and distinct from any other Person and conduct its business solely in its own name, will correct any known
misunderstanding regarding its separate identity and will not identify itself or any of its Affiliates as a division or department of any other Person.

(q) It will maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations and will pay its debts and liabilities from its own assets as the same become due; provided, however, nothing in this Section will require any member or partner of Borrower or any Borrower Principal to make any equity contribution to Borrower.

(r) It will allocate fairly and reasonably shared expenses with Affiliates (including shared office space) and use separate stationery, invoices and checks bearing its own name.

(s) It will pay (or cause the Property Manager to pay on behalf of Borrower from Borrower’s funds) its own liabilities (including salaries of its own employees) from its own funds; provided, however, nothing in this Section will require any member or partner of Borrower or any Borrower Principal to make any equity contribution to Borrower.

(t) It will not acquire obligations or securities of its partners, members, shareholders, or Affiliates, as applicable.

(u) Except as contemplated or permitted by the property management agreement with respect to the Property Manager, it will not permit any Affiliate or constituent party independent access to its bank accounts.

(v) It will maintain a sufficient number of employees (if any) in light of its contemplated business operations and pay the salaries of its own employees, if any, only from its own funds; provided, however, nothing in this Section will require any member or partner of Borrower or any Borrower Principal to make any equity contribution to Borrower.

(w) Reserved.

(x) Reserved.

(y) If an SPE Equity Owner is required pursuant to the Permanent Loan Agreement, if it is (A) a limited liability company with more than one member, then it has and will have at least one member that has satisfied and will satisfy the requirements of this Section and such member is its managing member, or (B) a limited partnership, then all of its general partners are SPE Equity Owners that have satisfied and will satisfy the requirements set forth in this Section.

(z) For the avoidance of doubt, none of the provisions in this Article 20 shall apply to the Investor Member or the Special Investor Member.
