How to Request Tax Credits

The Texas Department of Housing and Community Affairs (“the Department”) is the only entity in the State of Texas that has the authority to allocate tax credits under the Housing Tax Credit (HTC) Program. The Applications and all information necessary to apply are available throughout the year on the Multifamily Housing Programs Apply for Funds page on the Department’s website. Applications must be completed on behalf of a proposed Development Owner and submitted to the Department for consideration within the specified deadlines as further noted herein.

Applications must be presented to the Department in conformity with the Uniform Multifamily Rules and the Housing Tax Credit Qualified Allocation Plan (the “QAP”) in effect for the program year and must also conform to the requirements of Section 42 of
the Internal Revenue Code. If an Application is submitted for a Development that does not meet the requirements of the aforementioned rules and regulations or other applicable rules and regulations, the Department will terminate the Application.

Overview of the 4% HTC Program

The 4% HTC program is also referred to as the non-competitive tax credit program in that the amount of housing tax credits available are not based on the size of the state’s population. Additionally, these applications do not compete regionally against one another in terms of achieving a score high enough to secure an allocation. The 4% housing tax credits are allocated in connection with the “volume cap” associated with tax-exempt bond issues in which the bonds finance at least 50% of the cost of land and buildings in the Development. These bond-financed Developments apply under a non-competitive process, and tax credits are, generally, automatically available in conjunction with tax-exempt bond financing, provided the rules and requirements are met.

Expertise is needed to participate in the HTC program. Before applying, Applicants should have consulted a professional tax advisor who has substantial expertise specific to the tax credit program. Specific expertise is necessary to determine optimal financing strategies and which costs of Application and development can be included in eligible basis. Besides housing tax credits, the financing of a development might include grants or loans from the federal HOME program, federal Community Development Block Grant (CDBG) funds for constructing infrastructure, and other federally subsidized below market rate loans. All of the types of funds just named complicate the financing structure of a housing tax credit Development.

Selecting a Bond Issuer

Applicants can choose from a variety of issuers in the state which include local issuers, the Texas State Affordable Housing Corporation (TSAHC) and the Texas Department of Housing and Community Affairs (TDHCA). Local issuers represent the 13 state service regions and have volume cap specifically set-aside for their use. For the 2014 program year, local issuers will have approximately $383 million in volume cap to issue; TSAHC will have approximately $55 million and TDHCA will have approximately $110 million. Local issuers only have the authority to issue bonds to Developments that are within their jurisdiction. For example, for a Development located in Harris County an Applicant could choose to use the Harris County Housing Finance Corporation as the issuer. TSAHC and TDHCA have the authority to issue bonds statewide, regardless of location, and can even pool Developments located in multiple cities into one transaction. For any additional issuing restrictions that may apply to TSAHC and/or TDHCA you are encouraged to contact these issuers directly. There is a Housing Finance Corporation (HFC) contact list on the Department’s website which can be accessed using the following link: [http://www.tdhca.state.tx.us/multifamily/housing-tax-credits-4pct/index.htm](http://www.tdhca.state.tx.us/multifamily/housing-tax-credits-4pct/index.htm).

Texas Bond Review Board Priority Designation of Applications

The Texas Bond Review Board (TBRB) administers the Private Activity Bond (PAB) program and has identified priority designations, pursuant to §190.2(d)(1) – (3) of the Texas Administrative Code and §1372.0321 of the Texas Government Code. This is a designation the Applicant selects on the Residential Rental Attachment (RRA) form that is
published by the TBRB. Such form is available on the TBRB website at the following link http://www.brb.state.tx.us/pab/2014.aspx and is a form that is usually submitted as part of the pre-application process with the issuer. The priority designation, once submitted to the TBRB by the Issuer, and a Certificate of Reservation is issued, cannot be changed without withdrawing the current Certificate of Reservation and having it re-issued. Such re-issuance of the Certificate of Reservation will result in payment of another $5,000 TBRB Application Fee. The priority designation is based on the level of AMGI the proposed Development will serve and include the following:

✓ **Priority 1 (Must apply for 4% HTC)**
  (a) Set aside 50% of units rent capped at 30% of 50% AMFI and the remaining 50% of units rents capped at 30% of 60% AMFI; or
  (b) Set aside 15% of units rent capped at 30% of 30% AMFI and the remaining 85% of units rent capped at 30% of 60% AMFI; or
  (c) Set aside 100% of units rent capped at 30% of 60% AMFI for developments located in a census tract with median income that is higher than the median income of the county, MSA or PMSA in which the census tract is located. [http://www.ffiec.gov/geocode/default.htm](http://www.ffiec.gov/geocode/default.htm)

✓ **Priority 2 (Must apply for 4% HTC)**
  • Set aside 80% of units rent capped at 30% of 60% AMFI.
  • Up to 20% of the units can be market rate.

✓ **Priority 3 (4% HTC not required)**
  • Includes any qualified residential rental development. Market rate units can be included under this priority.

The Priority 3 designation offers the most flexibility in terms of the inclusion of market rate units. One primary reason for selecting one priority over another is in instances where there are numerous Applications received and limited volume cap availability. In such instances and pursuant to §1372.0321 of the Texas Government Code, Priority 1 transactions will be ranked above Priority 2 transactions which will be ranked above Priority 3 transactions. The ultimate decision on which Priority to select belongs to the Applicant.

**Application Process and Deadlines for Filing a 4% HTC Application**

Applicants must receive a notice of reservation prior to submission of the HTC Application. Upon receipt of the notice of reservation for the 2014 Program Year for private activity volume cap the required Parts of the HTC Application must be submitted based on the following:

➢ Priority 1 and Priority 2 Applications will only have a 3 day notice by which to file Parts 1 – 4 of the HTC Application with the Department. It is important to communicate with your issuer on the timing of the reservation so you will be prepared to submit Parts 1 – 4 of the HTC Application to the Department within this timeframe.

➢ Priority 3 Applications will have 14 calendar days from the date the Certificate of Reservation is issued by the TBRB to file Parts 1 – 4 of the HTC Application with the Department.
The Application fee, as further described in §10.901(3) of the Uniform Multifamily Rules, along with Parts 1 – 4 of the Application must be submitted by the required deadline. The submission format of the HTC Application must follow the requirements outlined in the 2014 Multifamily Programs Procedures Manual which can be found on the Apply for Funds page of the Department’s website or at the following link: http://www.tdhca.state.tx.us/multifamily/apply-for-funds.htm.

The remaining Parts 5 and 6 of the Application (including Third Party reports), along with any other outstanding documentation, regardless of the TBRB priority designation, must be submitted at least 75 calendar days prior to the TDHCA Board meeting at which the decision to issue a Determination Notice would be made and conform to the requirements identified in the 2014 Multifamily Programs Procedures Manual. The 75-day deadline is tied to the TDHCA Board Meeting dates for the calendar year and will vary for each Application based on when their Certificate of Reservation expires. The 2014 TDHCA Board Meeting dates and corresponding 75-day deadlines are as follows:

*Board Meeting dates are subject to change.

Once the Certificate of Reservation has been issued by the TBRB, Department staff will notify the Applicant or other designated contact and indicate the possible TDHCA Board meeting dates at which the Application can be presented to the TDHCA Board for consideration of a Determination Notice. The Board meeting dates and the corresponding 75-day deadlines are primarily based on the 150-day deadline noted in the Certificate of Reservation. It is ultimately the responsibility of the Applicant to select the appropriate Board meeting and to submit the remaining Parts of the Application by the corresponding 75-day deadline. If the remaining Parts are not submitted by such deadline, the Department cannot ensure that the Application will be included on the originally requested Board meeting date, unless staff completes its evaluation in sufficient time for Board consideration. Applicants should be aware that changes to an Application (e.g. submission of new term sheets) subsequent to submission may delay completion of
Department staff’s review or underwriting of the Application and presentation to the Board for consideration. Department staff may choose to delay presentation to the Board in instances in which an Applicant is not reasonably expected to close within sixty (60) days of the issuance of a Determination Notice. The 150-day deadline, as noted in the Certificate of Reservation, will require the Applicant to have closed on the bond financing and will require having received approval of the Determination to issue the HTC.

**Application Fees**

An Application fee of $30 per Unit, as further described in §10.901(3) of the Uniform Multifamily Rules, must be submitted with the Application. Applications in which a Community Housing Development Organization (CHDO) or Qualified Non-Profit Organization intends to serve as the managing General Partner of the Development Owner or Control the managing General Partner of the Development Owner, may be eligible to receive a reduction of 10% off the calculated Application fee. Appropriate documentation must be submitted with payment in order to receive the discounted fee.

**Issuance of a Determination Notice**

If the Department determines that all requirements under the Department’s Administrative rules, §2306 of the Texas Government Code and §42 of the Code have been met, the Board shall authorize the Department to issue an appropriate notice to the Development Owner that the Development satisfies the requirements of the Uniform Multifamily Rules and the QAP in accordance with IRC §42(m)(1)(D). Such notice is referred to as the Determination Notice and is typically issued within a few days after receiving Board approval. The Determination Notice sets forth the HTC amount with which the Development is eligible to receive based on the Department’s underwriting analysis and information provided in the Application. The actual amount of HTC the Development qualifies to receive will be determined at the time the Cost Certification is submitted to the Department. In addition to the annual HTC amount, the Notice will include the Commitment and Inspection Fee amounts, the Building Identification Numbers, Board Approval Date, the TBRB Docket Number, any conditions placed on the award and due dates for documentation required to satisfy those conditions, and documentation that must be submitted to the Department sixty (60) days after closing. The Applicant must execute the Notice and return the original along with all applicable fees and other required documentation as outlined in the Notice no later than thirty (30) calendar days after its effective date. The Notice will terminate if the Bonds are not closed by Certificate of Reservation expiration date or if the financing or development changes significantly as determined by the Department.

**Post Bond Closure Submission Information**

No later than sixty (60) calendar days after the bond closing, the Applicant must submit a series of documents to the Department. Such documents include the following: a Management Plan, Affirmative Marketing Plan Form, evidence that the financing has closed, evidence that the Development Owner or a member of the management company has attended Fair Housing training relating to leasing and management issues, evidence that the Development architect or engineer responsible for Fair Housing compliance for the Development has attended Fair Housing training relating to design issues. Fair Housing training must be for at least 5 hours and be from a Department-approved
provider and cannot be older than two (2) years from the date of the submission deadline. More information, including instructions for completing the documents, and the link to the documents on the Department’s website are further explained in this Manual.

Overview of the Private Activity Bond (PAB) Program

The Department issues tax-exempt and taxable multifamily Mortgage Revenue Bonds to fund loans to for-profit and qualifying nonprofit 501(c)(3) organizations for the acquisition and Rehabilitation and the New Construction of affordable rental units. Applications for financing may be submitted to the Department for review and a recommendation will then be made to the TDHCA Board. Developments financed through these programs are subject to unit set-aside restrictions for lower income tenants, tenant services, maximum rent limitations and other requirements as determined by TDHCA and the Board.

Pre-Inducement Questionnaire

Prior to submitting a Pre-application, the Department will require the submission of the Pre-Inducement Questionnaire. The purpose of the questionnaire is for the Department
to get a preliminary understanding of the proposed Development and to communicate with the Applicant the Department’s objectives and policies regarding the development of affordable housing throughout the state using tax-exempt bond financing. The Pre-Inducement Questionnaire can be found on the Department’s website at the following link: http://www.tdhca.state.tx.us/multifamily/apply-for-funds.htm and can be submitted a few days before the Pre-application.

**Overview of the Pre-application Process**

The Department accepts Pre-applications monthly based on the TDHCA Board meeting date at which the Inducement Resolution will be considered. All Pre-applications must be submitted before 5:00 p.m. Central Time Zone based on the following submission deadlines:

*Board Meeting dates are subject to change.

The Applicant must identify and notify all Neighborhood Organizations on record with the county or the state whose boundaries include the proposed Development Site. Such organizations should be listed in the certification form provided in the Pre-application. The specific requirements for these request letters can be found in §12.5(10) of the Multifamily Housing Revenue Bond Rules and §10.203 of the Uniform Multifamily Rules which can be found on the Department’s website at the following link: http://www.tdhca.state.tx.us/multifamily/nofas-rules.htm.

Specific instructions for the Bond Pre-application, including the documentation required as well as the proper format for submission can be found in the 2014 Bond Pre-Application Procedures Manual on the Department’s website at the following link: http://www.tdhca.state.tx.us/multifamily/apply-for-funds.htm.

Once the Pre-application has been submitted, it will be reviewed by staff according to the Pre-application Threshold Criteria and Selection Criteria as outlined in §§12.5 and 12.6 of the Multifamily Housing Revenue Bond Rules. The Pre-application will be ranked against other Pre-applications submitted in the same month based on final scores. Multiple site
Pre-applications will each be scored based on their own merits and the final score will be determined based on an average of all the individual scores.

A summary of the proposed Development, based on information provided in the Pre-Application, will be presented to the TDHCA Board for consideration of an Inducement Resolution. The Inducement Resolution is the resolution passed in order to communicate the intent of an Issuer to pursue subsequent stages of the review, approval and issuance process to issue bonds for a specific Development. Upon the approval of the Inducement Resolution by the TDHCA Board, the Applicant will move forward in the process and prepare to submit an Application for 4% Housing Tax Credits as dictated by the Certificate of Reservation issued by the TBRB.

### Pre-application Fees

The Applicant is required to submit, at the time of Pre-Application, the following fees as further described in §12.10(a) of the Multifamily Housing Revenue Bond Rules:

- $1,000 (payable to TDHCA);
- $2,500 (payable to Bracewell & Giuliani, the Department’s bond counsel); and
- $5,000 (payable to the Texas Bond Review Board).

The fee to the Department covers the review and processing of the Pre-application; the fee to Bracewell & Giuliani covers the review and drafting of the Inducement Resolution; the fee to the Texas Bond Review Board covers the review and issuance of the Certificate of Reservation.

### Texas Bond Review Board Priority Designation of Applications

The Texas Bond Review Board (TBRB) administers the Private Activity Bond (PAB) program and has identified priority designations, pursuant to §190.2(d)(1) – (3) of the Texas Administrative Code and §1372.0321 of the Texas Government Code. This is a designation the Applicant selects on the Residential Rental Attachment (RRA) form that is published by the TBRB. Such form is available on the TBRB website at the following link [http://www.brb.state.tx.us/pab/pab2014app.aspx](http://www.brb.state.tx.us/pab/pab2014app.aspx) and is a form that is required as part of the Pre-application. The priority designation, once submitted to the TBRB by the Issuer, and a Certificate of Reservation is issued, cannot be changed without withdrawing the current Certificate of Reservation and having it re-issued. Such re-issuance of the Certificate of Reservation will result in payment of another $5,000 TBRB Application Fee. The priority designation is based on the level of AMGI the proposed Development will serve and include the following:

- **Priority 1 (Must apply for 4% HTC)**
  - (a) Set aside 50% of units rent capped at 30% of 50% AMFI and the remaining 50% of units rents capped at 30% of 60% AMFI; or
  - (b) Set aside 15% of units rent capped at 30% of 30% AMFI and the remaining 85% of units rent capped at 30% of 60% AMFI; or
  - (c) Set aside 100% of units rent capped at 30% of 60% AMFI for developments located in a census tract with median income that is
higher than the median income of the county, MSA or PMSA in which the census tract is located. ([http://www.ffiec.gov/geocode/default.htm](http://www.ffiec.gov/geocode/default.htm))

✓ **Priority 2 (Must apply for 4% HTC)**
  - Set aside 80% of units rent capped at 30% of 60% AMFI.
  - Up to 20% of the units can be market rate

✓ **Priority 3 (4% HTC not required)**
  - Includes any qualified residential rental development. Market rate units can be included under this priority.

The Priority 3 designation offers the most flexibility in terms of the inclusion of market rate units. The primary reason for selecting one priority over another is mostly applicable in instances where there are numerous Applications received and limited volume cap availability. In such instances and pursuant to §1372.0321 of the Texas Government Code as well as §12.6 of the Multifamily Housing Revenue Bond Rules, Priority 1 transactions will be ranked above Priority 2 transactions which will be ranked above Priority 3 transactions. The ultimate decision on which Priority to select belongs to the Applicant.

**Deadlines for Submitting the 4% HTC and PAB Application**

Once the Pre-application has been approved by the TDHCA Board, an application for volume cap will be submitted to the TBRB in the rank order determined by the Department and as outlined above to await a Certificate of Reservation. The Priority designation selected will trigger the deadlines for submission of the HTC Application. Applicants must receive a notice of reservation prior to submission of the HTC Application.

The 4% HTC Application and the PAB Application are essentially one in the same; there is not a separate PAB Application that will need to be submitted to the Department. Upon receipt of the notice of reservation for the 2014 Program Year for private activity volume cap, the required Parts of the HTC Application must be submitted based on the following:

- **Priority 1 and Priority 2 Applications** will only have a 3-day notice by which to file Parts 1 – 4 of the HTC Application with the Department. The Department will communicate with the Applicant its intent on submitting the application to the TBRB for a reservation so the Applicant is prepared to submit Parts 1 – 4 of the HTC Application within this timeframe.

- **Priority 3 Applications** will have 14 calendar days from the date the Certificate of Reservation is issued by the TBRB to file Parts 1 – 4 of the HTC Application with the Department.

The Application fee, as further described in §12.10(b) of the Multifamily Housing Revenue Bond Rules, along with Parts 1 – 4 of the Application must be submitted by the required deadline. The submission format of the HTC Application must follow the requirements outlined in the 2014 Multifamily Programs Procedures Manual which can be found on the Apply for Funds page of the Department’s website or at the following link: [http://www.tdhca.state.tx.us/multifamily/apply-for-funds.htm](http://www.tdhca.state.tx.us/multifamily/apply-for-funds.htm).
The remaining Parts 5 and 6 of the Application (including Third Party reports), along with any other outstanding documentation, regardless of the TBRB priority designation, must be submitted at least 75 calendar days prior to the TDHCA Board meeting at which the decision to issue a Determination Notice would be made and conform to the requirements identified in the 2014 Multifamily Programs Procedures Manual. The 75-day deadline is tied to the TDHCA Board Meeting dates for the calendar year and will vary for each Application based on when their Certificate of Reservation expires. The 2014 TDHCA Board Meeting dates and corresponding 75-day deadlines are as follows:

*Board Meeting dates are subject to change.

Once the Certificate of Reservation has been issued by the TBRB, Department staff will notify the Applicant or other designated contact and indicate the possible TDHCA Board meeting dates at which the Application can be presented to the TDHCA Board for consideration of a Determination Notice. The Board meeting dates and the corresponding 75-day deadlines are primarily based on the 150-day deadline noted in the Certificate of Reservation. It is ultimately the responsibility of the Applicant to select the appropriate Board meeting and to submit the remaining Parts of the Application by the corresponding 75-day deadline. If the remaining Parts are not submitted by such deadline, the Department cannot ensure that the Application will be included on the originally requested Board meeting date unless staff completes its evaluation in sufficient time for Board consideration. Applicants should be aware that changes to an Application (e.g., submission of new term sheets) subsequent to submission may delay completion of Department staff's review or underwriting of the Application and presentation to the Board. Department staff may choose to delay presentation to the Board in instances in which an Applicant is not reasonably expected to close within sixty (60) days of the issuance of a Determination Notice. The 150-day deadline, as noted in the Certificate of
Reservation, will require the Applicant to have closed on the bond financing and will require having received approval of the Determination to issue HTC.

Application Fees

An HTC Application fee of $30 per Unit, as further described in §10.901(3) of the Uniform Multifamily Rules and a $10,000 Bond Application fee, as further described in §12.10(b) of the Multifamily Housing Revenue Bond Rules must be submitted with the Application. If the Application includes multiple sites the Bond Application fee will be $30 per Unit or $10,000, whichever is greater.

To be considered a multiple site Application such that the Development is structured as part of a portfolio, the Development must meet the following definition of a Project pursuant to §1372.002 of the Texas Government Code:

“Project—
(a) For purposes of this chapter, a project is:
   (1) an eligible facility or facilities that are proposed to be financed, in whole or in part, by an issue of qualified residential rental project bonds;
   (c) For purposes of Subsection (a)(1), an application under this chapter may include either the rehabilitation or new construction, or both the rehabilitation and new construction, of qualified residential rental facilities located at multiple sites and with respect to which 51 percent or more of the residential units are located:
      (1) in a county with a population of less than 75,000; or
      (2) in a county in which the median income is less than the median income for the state, provided that the units are located in that portion of the county that is not included in a metropolitan statistical area containing one or more projects that are proposed to be financed, in whole or in part, by an issuance of bonds.”

Applications in which a Community Housing Development Organization (CHDO) or Qualified Non-Profit Organization intends to serve as the managing General Partner of the Development Owner or Control the managing General Partner of the Development Owner, may be eligible to receive a reduction of 10% off the calculated Application fee. Appropriate documentation must be submitted with payment in order to receive the discounted fee.

PAB and HTC Application Process

The 150-day deadline, as noted in the Certificate of Reservation by the TBRB, will require the Applicant to have closed on the bond financing and will require having received approval of the Determination to issue the HTC. This section will provide guidance on the series of events that occur relating to both the bonds and tax credits before the Applicant can close on the financing of the transaction.
The Department staff will prepare a timeline once the Reservation is issued, the public hearing has been scheduled and closing dates have been tentatively set. The timeline will be distributed to the working group in an effort to keep the transaction moving forward and meeting key target dates. Subsequent to the filing of the Application, the Department’s bond counsel and financial advisor will provide the Applicant with engagement letters based upon the contemplated bond financing structure. Staff will also provide the Applicant with a distribution list of TDHCA-related parties who will be working on the transaction. The Applicant and/or underwriter should update the distribution list with other key parties and distribute to the working group.

No later than the 35th calendar day after the Certificate of Reservation is issued a filing will be made on the Applicant’s behalf by the Department’s bond counsel, Bracewell & Giuliani. The purpose of the filing is to solidify the Applicant’s organizational structure, specifically, the identity of the Borrower and the General Partner. No changes will be permitted in these entities once this filing is made. NOTE: The principals that comprise the General Partner are not reflected in the filing and may be changed once the filing is made. Bracewell & Giuliani will compile the documentation and request the appropriate signatures from the Applicant. The fee to be included with the filing includes 1/3 of the closing fee which is based on the amount of volume cap reserved as reflected in the Certificate of Reservation. The remaining 2/3 of the closing fee will be required at the time of the bond closing. This fee is the responsibility of the Applicant.

The Department will coordinate the scheduling of the TEFRA Public Hearing on behalf of the Applicant. The Applicant will be responsible for all fees associated with such public hearing, including but not limited to, the newspaper legal notice, school rental and security fee, if applicable. The Department requires the Applicant (and anyone else on the Development Team as designated by the Applicant) to attend and will schedule the hearing on a date convenient for the Applicant. Bracewell & Giuliani will draft a hearing notice which will be publicized in the local newspaper(s), the Texas Register and sent to US, State and Local Officials and Neighborhood Organizations of record. The hearing and all public comment will be transcribed by a court reporter and the transcript will be included in the Board presentation for the proposed Development.

Once the complete HTC Application, including all Third Party reports and all applicable fees have been received, the Application will be reviewed for compliance with the requirements of the Uniform Multifamily Rules and the Housing Tax Credit Qualified Allocation Plan (QAP). Any additional information or clarification that is needed will be requested through an Administrative Deficiency. The Uniform Multifamily Rules, specifically §10.201(7), outlines the deficiency process and any applicable fees associated with any responses submitted after the deficiency notice deadline. The Real Estate Analysis Division is responsible for the underwriting process and will review the Application for financial feasibility.

Simultaneously with the Department’s review of the HTC Application, the working group, including but not limited to the issuer, its bond counsel, financial advisor and disclosure counsel, along with the Borrower and their counsel, the bond underwriter and their counsel, the limited partner and their counsel, the bond trustee and their counsel will have regular conference calls to solidify the bond financing documents. It is important that all parties review and provide comments on the documents as applicable so the key deadlines relating to filings with the Attorney General’s Office and the TDHCA Board are
made. Typically, multiple drafts of the bond financing documents are anticipated before being considered substantially final.

All Third Party final commitments (Credit Enhancer, Tax Credit Equity Provider and Letter of Credit Provider, etc) debt service schedules, detailed sources and uses with costs of issuance breakdown and surveys must be received by the Department fourteen (14) business days prior to the posting of the TDHCA board meeting agenda in order to insure complete and accurate information is available for Board consideration. Moreover, no later than fourteen (14) days before the Board meets to consider the transaction, the Applicant must submit to the Department any required local resolutions approving the Development pursuant to all applicable program rules.

Upon completion of the underwriting, the substantial finalization of the bond financing documents and the final bond resolution, the Application is presented to the TDHCA Board for their consideration on the issuance of the Bonds and the issuance of a Determination Notice for the housing tax credits. In the instance of privately placed bonds, the bond parameters (e.g. bond pricing, interest rate and maturity date) must be identified in the Bond Resolution for TDHCA Board consideration and once approved by the TDHCA Board cannot be changed. In the instance of publicly offered bonds the bond pricing is determined by the underwriters. All documentation that will be presented to the Board will be made available on the Department’s website at the following link: http://www.tdhca.state.tx.us/au_boardcenter.htm seven (7) days prior to the meeting. This may include the Real Estate Analysis Underwriting Report detailing the recommended amount of housing tax credits and any conditions relating to the award.

The approval process on the bonds consists of approval by the TDHCA Board and the Texas Attorney General’s Office. Bond documents and related supporting documents and certificates must be provided to Texas Attorney General’s Office for review at least 17 business days prior to closing. Their approval is solidified with the release of their opinion at closing. The Department’s housing transactions that have no impact to the state’s general revenue fund shall be exempt from approval by the TBRB with the exception of housing transactions that request an ad valorem tax reduction or exemption. The consideration of the TBRB Planning Session and Board meeting dates are factored into the timeline for closing, should they be required. Once the Department receives approval from the TBRB the transaction can proceed towards closing provided that all necessary approvals from the local municipalities, including building permits, have been obtained, or evidence is provided that the permits are obtainable subject only to payment of municipal fees. Also required at this time will be evidence of available utilities (a letter from the local municipality stating that utilities will be available). Bracewell & Giuliani will coordinate the final filings of the bond documents with the Attorney General’s office as well as the registration of the bonds with the Comptroller’s office. The closing will take place at the offices of Bracewell & Giuliani in Austin and generally includes a two-day process; pre-closing where all the closing documents are reviewed and signed and the closing day where the bonds are sold and the funds are disbursed.

On the tax credit side of the transaction, once approved by the TDHCA Board, the Board shall authorize the Department to issue an appropriate notice to the Development Owner indicating the Development satisfies the requirements of the Uniform Multifamily Rules, QAP and other Department rules in accordance with IRC §42(m)(1)(D). Such notice is referred to as the Determination Notice and is typically issued within a few days after receiving Board approval. The Determination Notice sets forth the annual HTC amount with which the Development is eligible to receive based on the Department's
underwriting analysis and information provided in the Application. The actual amount of HTC the Development qualifies to receive will be determined at the time the Cost Certification is submitted to the Department. In addition to the HTC amount, the Notice will include the Commitment and Inspection Fees to be paid, the Building Identification Numbers, Board Approval Date, the TBRB Docket Number, any conditions placed on the award and due dates for documentation required to satisfy those conditions and documentation that must be submitted to the Department sixty (60) days after closing. The Applicant must execute the Notice and return the original along with all applicable fees and other required documentation as outlined in the Notice no later than thirty (30) calendar days after its effective date. The Notice will terminate if the Bonds are not closed by the Certificate of Reservation expiration date or if the financing or development changes significantly as determined by the Department.

General Eligibility Criteria

This section outlines some of the general eligibility criteria for Private Activity Bond and Housing Tax Credit Applications; however, the Applicant is encouraged to review the Multifamily Housing Revenue Bond Rules, the Housing Tax Credit Qualified Allocation Plan (QAP) and the Uniform Multifamily Rules and any applicable state and/or federal regulations for a more comprehensive review of the eligibility requirements for the programs for which they are applying.

- The set-aside requirements for the development include the following and must be evenly distributed throughout the development and shall include an even amount of each type of unit.

  - At the Applicant’s option, designated at application, at least 20% of all completed units must be occupied by persons or families whose income does not exceed 50% of the area median income; or, at least 40% of all completed units must be occupied by persons or families whose income does not exceed 60% of the area median income. This requirement must be met on or prior to the closing date unless the development is under construction (these are the minimum federal set asides).

  - 100% of the units must be occupied by persons or families whose income does not exceed 140% of area median income;

  - 5% of the units must be designed for and made available to persons with special needs pursuant to §2306.513, Texas Government Code;

  - For additional state set-aside requirements see §1372 of the Texas Government Code.
• Qualified Project Period: Will generally be the greater of thirty (30) years or the period for which any bonds are outstanding. This is evidenced by a Bond Regulatory and Land Use Restriction Agreement recorded in the real property records of the county in which the Development is located. There will also be an affordability period associated with the housing tax credits and further evidenced by an HTC Land Use Restriction Agreement.

• Rent Caps: Maximum allowable rents for set-aside units are 30% of applicable income limits minus an allowance for utilities. A schedule of Maximum Allowable Rents by county is available on the Department’s website at the following link http://www.tdhca.state.tx.us/pmcomp/irl/index.htm. Applicants must obtain a schedule of local Section 8 utility allowances from the local Housing Authority.

• Tenant Services: The Applicant must offer a variety of tenant services to meet the minimum requirements pursuant to §10.101(b)(7) of the Uniform Multifamily Rules. Specific services must be designed to meet the needs of the current tenant profile and will be required to be identified at the time the LURA is submitted to the Department. The Owner may change, from time to time, the services offered; however, the overall points selected at Application remain the same. The tenants must be provided written notice of the elections made by the Development Owner.

• Fair Housing Act: All Developments must comply with the United States’ Fair Housing Act which prohibits discrimination in the sale, rental, and financings of dwellings based on race, color, religion, sex, national origin, familial status, and disability. The Act also mandates specific design and construction requirements for multifamily housing built for first occupancy after March 13, 1991, in order to provide accessible housing for individuals with disabilities.

• Debt Coverage: A minimum 1.15 debt coverage inclusive of all on-going fees, including the Department’s fees, or otherwise higher debt coverage required by rating agency, credit enhancer or private placement buyer.

• Debt Rating: Minimum of an "A" rating from Standard & Poors ("S&P"); or an equivalent rating from FITCH or Moody's Investor Service, to-be-maintained on an ongoing basis, for publicly offered bonds. Bonds rated less than "A" must be accompanied by an investor letter. Private placements are allowed without a rating but must be placed with institutional investors under a traveling investor letter acceptable to the Department. Ratings may be obtained through the S&P Affordable Housing Program, private credit enhancement, or FHA insurance.

• Interest Rate: Market rate for tax-exempt bonds or a negotiated rate on institutional private placements.

• Amortization: Generally 20 to 40 years. Term and amortization will be determined by TDHCA if not determined by credit enhancement provider or bond purchaser.

• Loan Term: Generally 30 to 40 years depending on property age and condition as limited by remaining useful life of Development.

• Loan to Value: Maximum allowable as determined by credit enhancer, rating agency, or bond purchaser (if private placement). The Department’s maximum is generally 100% including debt-service reserves as collateral value.

• Loan to Cost: Up to 100% financing including costs of bond issuance and reasonable and customary fees associated with a real estate transaction. No more than 25% of
bond proceeds may be used for acquiring land. Eligible Cost of Issuance must not exceed 2% of the aggregate principal amount of the tax-exempt bonds.

- **Recourse:** Generally non-recourse. However, all obligations of the Applicant to indemnify the issuer, to pay certain fees and expenses, and to comply with appropriate tax covenants will be full recourse obligations against the Borrower.

- **Prepayment:** May be subject to a prepayment fee or assumption fee as required by a private placement buyer. TDHCA requires a 0.25% assumption fee in all cases.

- **Cost of Issuance:** The Applicant is responsible for paying all costs of issuance including, but not limited to, fees for bond counsel, disclosure counsel, underwriter counselor, underwriter counsel, financial advisor, bond trustee, trustee counsel, rating agency, and credit provider (if any). Depending on transaction size and complexity, costs of issuance generally range from 3% to 5% of the total debt. Costs of issuance over the 2% eligible for tax-exempt financing may be financed with equity or taxable bond proceeds.

### Department Fees due at Closing

The Department, as Issuer, will require an Origination Fee equal to 50 basis points (bps) of the issued bond amount, a Bond Administration Fee equal to 10 bps of the issued bond amount (2 years worth will be due at closing) and a Bond Compliance Fee equal to $25 per Unit; which shall be applied to the third year following closing.

### Ongoing Department Bond Fees

As part of the issuance of private activity bonds, the Department will require an ongoing Bond Administration Fee equal to 10 bps of the outstanding bond amount, paid in arrears. There will also be an annual Bond Compliance Fee of $25 per Unit, paid in advance.
Determination Notice

Once an Application has been approved by the TDHCA Board, the Board shall authorize the Department to issue an appropriate notice to the Development Owner that the Development satisfies the requirements of the Uniform Multifamily Rules, the QAP and other applicable Department rules in accordance with §42(m)(1)(D) of the Code. Such notice is referred to as the Determination Notice and is typically issued within a few days after receiving Board approval.

The Determination Notice sets forth the annual HTC amount with which the Development is eligible to receive based on the Department’s underwriting analysis and information provided in the Application. The actual amount of HTC the Development qualifies to receive will be determined at the time the Cost Certification is submitted to the Department. In addition to the annual HTC amount, the Notice includes the Building Identification Numbers, Board Approval Date, the TBRB Docket Number, Effective and Expiration dates, any conditions placed on the award and due dates for documentation required to satisfy those conditions and documentation that must be submitted to the Department sixty (60) days after closing.

The Applicant must execute the Notice and return the original along with the documentation identified below no later than thirty (30) calendar days after its Effective Date. The Determination Notice Expiration Date may not be extended without prior Board approval for good cause. Certification of 4% HTC Applications with new Docket Numbers

Applications under the 4% HTC program that receive Board approval as evidenced by a Determination Notice, but do not close on the bonds prior to the Certificate of Reservation expiration date (e.g. the 150-day deadline), and subsequently have that docket number withdrawn from the TBRB may have their Determination Notice reinstated.

The Applicant will need to receive a new docket number from the TBRB and meet the requirements of §10.201(3)(A) or (B) of the Uniform Multifamily Rule as excerpted below.

The new docket number must be issued in the same program year as the original docket number and must not be more than four (4) months from the date the original application was withdrawn from the TBRB. The Application must remain unchanged. This means that at a minimum, the following cannot have changed:

- site control;
- total number of units;
- unit mix (bedroom sizes and income restrictions);
- design/site plan documents;
- financial structure including bond and HTC amounts;
- development costs;
- rent schedule;
- operating expenses;
- sources and uses;
- ad valorem tax exemption status;
- target population;
• scoring criteria (at Pre-application if TDHCA is Issuer); or
• TBRB priority status including the effect on the inclusive capture rate.

The entities involved in the Applicant entity and Developer cannot change; however, the certification can be submitted even if the lender, syndicator or issuer changes, as long as the financing structure and terms remain unchanged.

The public notifications under §10.203 of the Uniform Multifamily Rules are not required to be reissued. A revised Determination Notice will be issued once notice of the assignment of a new docket number has been provided to the Department and the Department has confirmed that the capture rate and market demand remain acceptable. It is important to note that reissuance of a Determination Notice will be subject to capture rate provisions pursuant to §10.201(6)(A) of the Uniform Multifamily Rules as well as de-concentration factors pursuant to §11.3 of the Qualified Allocation Plan. The priority of Tax-Exempt Bond Developments are established based on the earlier date associated with the Certificate of Reservation.

If there are changes to the Application as those referenced in the list above, the Applicant will be required to submit a new Application in full, along with the applicable fees to be reviewed and evaluated in its entirety for a new Determination Notice to be issued. If there is public opposition, but the Application remains the same, a new application and fees will not be required to be submitted; however the application must be presented before the Board for consideration of a reissuance of the Determination Notice.

**Deadlines for Submitting the Certification with New Docket Number Form**

This certification must be submitted no later than thirty (30) calendar days after the date the TBRB issues the new docket number. In the event the Department’s Board has not yet approved the Application, the Application will continue to be processed and ultimately presented to the Board for consideration. The Applicant must contact the Department to obtain a copy of the *Certification of Tax Exempt Bond Applications with New Docket Numbers* Form.
