Preamble, including required analysis, for proposed amendment to 10 TAC §1.15, Integrated Housing Rule

The Texas Department of Housing and Community Affairs (the Department) proposes an amendment to 10 TAC §1.15, Integrated Housing Rule. The purpose of the revision is to correct an incorrect citation to a regulation.

Tex. Gov't Code §2001.0045(b) does apply to the rule being adopted and no exceptions are applicable. However, the rule already exists and the correction is only administrative in nature. There are no costs associated with this proposed rule action, therefore no costs or impacts warrant a need to be offset.

The Department has analyzed this rulemaking and the analysis is described below for each category of analysis performed.

a. GOVERNMENT GROWTH IMPACT STATEMENT REQUIRED BY TEX GOV'T CODE §2001.0221.

Mr. Cervantes has determined that, for the first five years the proposed amendment will be in effect:

1. The amended rule does not create or eliminate a government program, but relates to the activity of the Department to ensure that Developments voluntarily participating in programs funded by the Department offer an integrated housing opportunity for Households with Disabilities.
2. The amended rule does not require a change in work that will require the creation of new employee positions, nor is the amendment significant enough to reduce work load to a degree that any existing employee positions are eliminated.
3. The amended rule does not require additional future legislative appropriations.
4. The amended rule does not result in an increase in fees paid to the Department nor in a decrease in fees paid to the Department
5. The amended rule is not creating a new regulation.
6. The amended rule makes changes only to clarify a reference.
7. The amended rule will not increase nor decrease the number of individuals subject to the rule's applicability.
8. The amended rule will not negatively nor positively affect this state's economy.

b. ADVERSE ECONOMIC IMPACT ON SMALL OR MICRO-BUSINESSES OR RURAL COMMUNITIES AND REGULATORY FLEXIBILITY REQUIRED BY TEX GOV'T CODE §2006.002. The Department, in drafting this rule, has attempted to reduce any adverse economic effect on small or micro-business or rural communities while remaining consistent with the statutory requirements of Tex. Gov't Code, §2306.111(g).

1. The Department has evaluated this proposed action and determined that none of the adverse affect strategies outlined in Tex. Gov't Code §2006.002(b) are applicable.
2. This rule relates to the Department ensuring that Developments voluntarily participating in programs funded by the Department offer an integrated housing opportunity for Households with Disabilities. Other than in the case of a small or micro-business that is voluntarily participating in one of the Department's multifamily programs, no small or micro-businesses are subject to the rule. However, if a small or micro-business is pursuing a multifamily activity with the Department, this rule action merely clarifies a citation.

3. The Department has determined that because the proposed amendment merely clarifies a citation, there will be no economic effect on small or micro-businesses or rural communities.

c. TAKINGS IMPACT ASSESSMENT REQUIRED BY TEX GOV'T CODE §2007.043. The amended rule does not contemplate nor authorize a taking by the Department; therefore no Takings Impact Assessment is required.

d. LOCAL EMPLOYMENT IMPACT STATEMENTS REQUIRED BY TEX GOV'T CODE §2001.024(a)(6).

The Department has evaluated the proposed rule as to its possible effects on local economies and has determined that for the first five years the rule will be in effect the amended rule has no economic effect on local employment because the rule relates only to a correction to an incorrect citation.

Texas Gov't Code §2001.022(a) states that this "impact statement must describe in detail the probable effect of the rule on employment in each geographic region affected by this rule..." Considering that this rule merely provides a minor technical change, there are no "probable" effects of the new rule on particular geographic regions.

e. PUBLIC BENEFIT/COST NOTE REQUIRED BY TEX GOV'T CODE §2001.024(a)(5). David Cervantes, Acting Director, has determined that, for each year of the first five years the new section is in effect, the public benefit anticipated as a result of the amended section will be a rule with correct references. There will not be any economic cost to any individuals subject to the amended rule as the processes described by the rule have already been in existence.

f. FISCAL NOTE REQUIRED BY TEX GOV'T CODE §2001.024(a)(4). Mr. Cervantes also has determined that for each year of the first five years the amended section is in effect, enforcing or administering the new section does not have any foreseeable implications related to costs or revenues of the state or local governments.

g. REQUEST FOR PUBLIC COMMENT. The public comment period will be held March 8, 2019 to April 8, 2019, to receive input on the proposed amended section. Written comments may be submitted to the Texas Department of Housing and Community Affairs, Attn: Brooke Boston, Rule Comments, P.O. Box 13941, Austin, Texas 78711-3941, by fax to (512) 475-0220, or email brooke.boston@tdhca.state.tx.us. ALL COMMENTS MUST BE RECEIVED BY 5:00 P.M. Austin local time April 8, 2019.

STATUTORY AUTHORITY. The new sections are proposed pursuant to Tex. Gov't Code, §2306.053, which authorizes the Department to adopt rules. Except as described herein the proposed new sections affect no other code, article, or statute.

§1.15. Integrated Housing Rule

(a) Purpose. It is the purpose of this section to provide a standard by which Developments funded by the Department offer an integrated housing opportunity for Households with Disabilities. This rule is authorized by Tex. Gov't Code, §2306.111(g) that promotes projects that provide integrated affordable housing.

(b) Definitions. The following words and terms, when used in this section, shall have the following meanings, unless the context clearly indicates otherwise.

(1) Capitalized words used herein have the meaning assigned in the specific Chapters and Rules of this Part that govern the program associated with the funded or awarded Development, or assigned by federal or state law.

(2) Integrated Housing--Living arrangements typical of the general population. Integration is achieved when Households with Disabilities have the option to choose housing units that are located among units that are not reserved or set aside for Households with Disabilities. Integrated Housing is distinctly different from assisted living facilities/arrangements.

(3) Households with Disabilities--A Household composed of one or more persons, at least one of whom is an individual who is determined to have a physical or mental impairment that substantially limits one or more major life activities; or having a record of such an impairment; or being regarded as having such an impairment. Included in this meaning is the term handicap as defined in the Fair Housing Act or disability as defined by other applicable federal or state law.

(c) Applicability. This rule applies to:

(1) All Multifamily Developments subject to ~~Chapter 10 of this Title, Uniform Multifamily Rules, Chapter 11 of this Title (relating to Qualified Allocation Plan (QAP)), Chapter 12 of this Title (relating to Multifamily Housing Revenue Bond Rules), and Chapter 13 of this Title (relating to Multifamily Direct Loan Rule),~~ with the exclusion of Transitional Housing Developments;

(2) Single Family Developments subject to Chapter 23, Subchapter G, of this Title, relating to HOME Program Single Family Developments, or done with Neighborhood Stabilization Program funds, with the exclusion of Scattered-site developments, meaning one to four family dwellings located on sites that are on non-adjacent lots, with no more than four units on any one site; and

(3) Only the restrictions or set asides placed on Units through a Contract, LURA, or financing source that limits occupancy to Persons with Disabilities. This rule does not prohibit a Development from having a higher percentage of actual occupants who are Persons with Disabilities.

(4) Previously awarded Multifamily Developments that would no longer be compliant with this rule are not considered to be in violation of the percentages described in subsection (d)(2) or subsection (d)(3) of this Title if the award is made prior to September 1, 2018, and the restrictions or set asides were already on the Development or proposed in the Application for the Development.

(d) Integrated Housing Standard. Units exclusively set aside or containing a preference for Households with Disabilities must be dispersed throughout a Development.

(1) A Development may not market or restrict occupancy solely to Households with Disabilities unless required by a federal funding source.

(2) Developments with 50 or more Units shall not exclusively set aside more than 25 percent of the total Units in the Development for Households with Disabilities.

(3) Developments with fewer than 50 Units shall not exclusively set aside more than 36 percent of the Units in the Development for Households with Disabilities.

(e) Board Waiver. The Board may waive the requirements of this rule if the Board can affirm that the waiver of the rule is necessary to serve a population or subpopulation that would not be adequately served without the waiver, and that the Development, even with the waiver, does not substantially deviate from the principle of Integrated Housing.
