MR. DAROSS: Here.

DR. GRIFFIN: Robert Brewer?

MR. BREWER: Here.

(No response.)
DR. GRIFFIN: The motion carries.

Item number 2 is the presentation, discussion and possible approval of the Year 2000 multifamily tax exempt bond maximum income limits. Ms. Stiner.

MS. STINER: Thank you, Madame Chair.

Madame Chair and Committee members, each year the staff comes to the Committee and the Board to ask that you approve the new income limits for multifamily tax exempt bond financed projects. This year, as you will note in your handout, the recommendation for the eligibility limits for 2000 are:

For a tenant who is a person and occupies a unit in a development alone, a move-in limit of 66.8, 125 percent renewal limit of 83.6; for a household comprised of two or more members -- you see those limits there up to, for a renewal limit of $106,400.

Staff is here to answer any questions you may have relative to this recommendation, but as you know, the Board reserved to accept the right to approve these limits for, I think, it's about twelve projects in our portfolio of 30 or so projects. All the subsequent ones have, in their bond document, these limits.

So this is our annual request to the Board to approve these limits, and as I said, staff or I are here to answer any questions you may have about the
recommendation.

    DR. GRIFFIN: Questions?

    MR. DAROSS: No questions.

    DR. GRIFFIN: What is your pleasure?

    MR. DAROSS: I move that we recommend approval to the Board of the 2000 multifamily tax exempt bond maximum income limits, as presented by staff.

    MR. BREWER: I second.

    DR. GRIFFIN: It has been moved and properly seconded that the 2000 multifamily tax exempt bond maximum income limits, as recommended by staff, be recommended to the full Board for approval.

        All in favor, let it be known by the sign aye.

        (A chorus of ayes.)

        DR. GRIFFIN: Opposed, nay.

        (No response.)

        DR. GRIFFIN: The motion carries.

        Are there any reports?

        MS. STINER: Madame Chair, the staff does not have reports for the Committee today.

        DR. GRIFFIN: Any comments from Committee members?

        MR. DAROSS: No.

        DR. GRIFFIN: This meeting stands adjourned.

        (Whereupon, the meeting was concluded.)
